

# WANT SAFER STREETS? PUT YOURSELF IN THE DRIVERS SEAT.

*As a Neighborhood Pace Car, I pledge to:*

■ **Be aware of my speed** and observe the speed limit. ■ **Slow down** near schools and other areas such as playgrounds, parks, residential streets where children are present. ■ **Always yield to pedestrians** crossing the street. ■ **Come to a complete stop** at stop signs and then look carefully before proceeding. ■ **Be courteous to bicyclists** and other road users. ■ **Not tailgate.** ■ **Not block**

walkways, bike lanes, or driveways when parking. ■ **Consider using alternative means** of transportation and consolidate car trips to lessen traffic on residential streets. ■ **Display the Pace Car Bumper Sticker** on my vehicle so other drivers know why I am driving courteously and at a safe speed. ■ **Encourage others to sign the pledge.** The more Pace Car drivers the safer our streets will become.
