JOB COST: _____

******PLEASE READ IMPORTANT INFORMATION BELOW******

- Must be located completely within the property without going over the property line.
- Maximum height allowed in the front yard is 4 feet.
- Maximum height allowed in the side and rear yard is 6 feet.
- Chain link fence is not allowed in the front yard.
- Fences not more than 60% solid may be located in a front yard.
- The finished or "best" side of the fence must face towards neighboring property.
- Gates cannot swing over the right of way or across lot lines.

Note: The front yard is defined as the area between the front wall of the house (excluding porch) and the front property line. If you are on a corner lot both street frontages are considered front yards.

Please contact the Zoning Office at 428-7043 if you have any questions.
