

CORE HOUSING OWNER INCENTIVE EXEMPTION – CHOICE

The Core Housing Owner Incentive Exemption (CHOICE) offers property tax exemptions for the creation of market-rate owner-occupied residential units in the Center City District. The intent of the program is to increase the number of owner occupants living in the downtown area. The program was adopted by a resolution approved by the Rochester City Council, and is implemented through the County of Monroe Industrial Development Agency (COMIDA) through a Payment in Lieu of Tax Agreement and sale leaseback arrangement. A copy of COMIDA application is attached. Additional benefits available under from COMIDA may include a sales tax exemption on construction materials and mortgage tax exemptions.

Eligible Area: Center City District

Project Qualifications: The exemption applies to any new owner occupied unit created from new construction or renovation. The exemption also applies to the conversion from existing residential rental units to owner occupied units. The exemption only applies to the increased in assessed value attributable to the project. If there is minimal or no increase in assessment resulting from the project, the exemption would not likely provide a benefit for the applicant. Every project seeking assistance under this program must use local labor for the construction of new, expanded or renovated facilities (see Appendix B of the COMIDA application).
