

Youth Training Academy Program

Youth Training Academy is a job preparation program for students age 16 by June 30, that provides office training and opportunities for paid internships that expose them to the real world of work.

City of Rochester youth currently enrolled in high school, age 16 by June 30, who have a minimum of 90% school attendance for the year, a 2.0 ("C" average) or higher GPA for the current marking period and who have not had a long-term suspension during the school year are eligible to apply.
