ELECTION INSPECTOR PAYROLL PROCESSING

1. SCOPE

The intent of this specification is to secure a professional services agreement with a contractor to provide Election Inspector Payroll Processing Services for the City of Rochester in 2014, with possibility of continued services in 2015 and 2016.

2. SPECIFICATIONS

- 2.1 Currently, the City of Rochester produces paychecks for Election Inspectors working in Monroe County. Between two and four elections are held annually; approximately 800 to 1,000 individuals are compensated each election. A small percentage of Election Inspectors are existing City employees. Approximately 20% of the individuals compensated will be different from payroll to payroll.
- 2.2 Tax Law indicates that the City is obligated to produce 1099s for all Election Inspectors earning more than \$600 in any given year. This will become the responsibility of the contracted vendor.
- 2.3 The majority of Election Inspectors do not exceed the \$600 tax ceiling in any given calendar year. It is expected that the total number of 1099s will be fewer than 50 in most years; however, in 2016 there may be several hundred due to the possibility of a fourth election.
- 2.4 The vendor will be required to generate and return to the City all paychecks without postage, but otherwise ready for mailing (inserted in envelopes and sealed), within thirty days of the election as required by the law (timesheets will typically be provided to the Vendor no more than two weeks after the election is held). Vendor must also provide to the City with each payroll a register report including names, Social Security numbers, payment amounts, and check numbers.
- 2.5 The vendor will be required, from two to four times during the period July 2014 through June 2015, to accept 800-1000 hard copy completed and verified Election Inspector timesheets from the City (example attached) indicating Inspector name, Social Security number, address, hours worked, and amount to be paid.
- 2.6 At year end, the vendor shall provide the City with a report of all earnings and 1099s generated by January 31st of the following year.
- 2.7 Upon request of the City the vendor will be required to provide phone and email support, reprint current or past year 1099s, and stop payments and provide replacement checks.
- 2.8 Check Issuance Procedures. Vendor shall describe the controls and procedures for check issuance and the method used for funding, fraud prevention and stop payments. The City of Rochester issues checks drawn on its account with JPMorgan Chase and utilizes positive pay with payee verification.

ELECTION INSPECTOR PAYROLL PROCESSING

- 2.9 Note any exceptions or qualifications to the specifications in your response. If no exceptions are noted, vendor quote is assumed to fully include all requirements.
- 2.10 The target date for implementation is the first Election Payroll of the current year, tentatively scheduled for September 2014. Vendor must certify that they can provide these services any time from September 2014 on. Indicate with your proposal what is the minimum notification lead time required from the City.
- 2.11 Because of potential issues with incorrect checks (i.e. wrong addresses, etc.), a re-print of someone's check may become necessary, therefore the vendor must have a facility that can provide immediate response to the City's need.
- 2.12 Upon request of the City, the vendor must provide satisfactory evidence that the vendor has experience in payroll processing as outlined in this specification, as a routine part of their business. Example of work and references may be required.
- 2.13 Vendors should submit a comprehensive proposal that addresses the City's requirements as stated in this RFP, services provided by the vendor and other information the vendor believes is important for the City to consider in its evaluation of proposals. Prices shall be submitted on the attached Proposal form. Other vendor information shall be included as a separate attachment.

3. PRICING

- 3.1 Prices quoted on the proposal page shall be the per-person/per-payroll cost.
- 3.2 Include all costs in price quote; no additional charges may be added once a contract has been issued.

4. DELIVERY

Delivery shall be FOB destination to the City Clerk's office.

5. CONTRACT PERIOD

This contract shall begin on date of award and end on June 30, 2015, with option of two one-year extensions.

6. BASIS OF AWARD

This is a professional services contract; therefore, the City reserves the right to award the contract to that vendor who provides the best combination of price and service to the City as requested in this RFP. Price shall be the primary but not the sole factor. The City reserves the right to make an award based upon what it believes to be in its best interests in meeting its needs.

ELECTION INSPECTOR PAYROLL PROCESSING

7. PROFESSIONAL SERVICE AGREEMENT

The successful vendor will be required to enter into a Professional Services Agreement (PSA) with the City of Rochester. A sample form PSA is attached as Appendix B.

8. CONTRACT MODIFICATIONS

The City reserves the right to request modifications to the actual services to be provided under this contract, and/or to add additional related services that are required in order to meet the needs of the City during the term of the contract. Modifications and/or additions will be added to the contract based upon a cost that is negotiated and agreed to by both parties.
