

City of Rochester, NY 2014-2015 BUDGET

Vision

Rochester, NY will be
the best mid-sized city
in the U.S. in which to
live, raise a family, visit
and grow a business. Our
city will be renowned for
its safe neighborhoods,
vibrant economy,
educational excellence
and customer service.

Values and Guiding Principles

Our motivated employees take personal responsibility for serving our customers: residents, taxpayers, visitors and investors. We are guided by the following principles:

PERSONAL INTEGRITY: We conduct our professional duties with the utmost standards of ethics, transparency, professionalism and respect for our customers. Every action/decision is justifiable to our citizens. We always conduct ourselves "as if the world were watching."

ACCOUNTABILITY: We set aggressive goals for customer satisfaction and continuously measure and report publicly on our progress in promptly meeting or exceeding expectations.

CUSTOMER FOCUS: We deliver the highest quality, cost-efficient and most responsive services possible to our customers. We judge our success on one basis: the extent to which we are the location of choice in our region to live, visit and conduct business.

COLLABORATION: We embrace our diverse internal teams and promote external partnerships with governmental, educational, business, nonprofit, neighborhood and faith-based community partners to the benefit of our customers.

DIVERSITY: We believe people of diverse backgrounds and experiences enrich our City and work environment. We are committed to creating an inclusive workplace and providing services that are free from discrimination and harassment, promote fairness and equity, and value the contributions of all its employees and citizens.

"CAN DO" ATTITUDE: We approach every work day with a sense of urgency and a desire to find innovative solutions to our City's challenges. Our motto is, "Oh yes, we can!"

Budget Process

This budget is for the City's 2014-15 fiscal year, which begins on July 1, 2014 and closes on June 30, 2015. The process and content requirements of the annual budget are stipulated in Section 3–9 of the City Charter. Consistent with these requirements, the Mayor prepares a proposed budget. Detailed budget requests are made by each department, reviewed and analyzed by the Office of Management & Budget, modified as necessary, and approved by the Mayor.

The Mayor's proposed budget is considered by the City Council, and at least one public hearing is scheduled. The City Council may adopt the budget as proposed by the Mayor or may modify it. If the City Council's action on the budget contains no additions, the budget is adopted without further action. Reductions to the proposed budget do not require the approval of the Mayor. If City Council's action includes any additions, the budget must be presented to the Mayor by June 20. The Mayor may accept or reject any additions. If the Mayor accepts the additions, the budget is adopted without further action. If the Mayor rejects any additions, he must inform the City Council of the items rejected with his reasons and return the budget to the Council by June 25. The City Council may then reconsider the budget and, by June 30, may revise its actions in conformity with the Mayor's objections or may, upon a two-thirds vote, override the Mayor's objections. If City Council does not, by June 30, adopt a budget according to these procedures, the budget as submitted by the Mayor plus any City Council additions not objected to by the Mayor will be the budget for the ensuing year.

Scope of the Budget

The budget contains most of the ongoing operations of the City of Rochester. Certain programs are not included:

City School District: A summary of the proposed City School District budget is included (Tab 17). The complete text of the School budget is included in a separate document.

Federal Programs: The administrative costs and certain program expenses are included. However, most program expenditures from the Consolidated

Plan. Appropriations from these programs are made during the year.

Capital Programs: The budget includes two types of capital expenditures: Cash Capital, the direct outlay for capital purposes, and Debt Service, the repayment of principal and interest on previously authorized borrowing. Not included is the appropriation of the proceeds from note and bond sales that may occur during the year. These will be appropriated individually during the year, and their repayment will be included in future budgets as Debt Service. The Capital Improvement Program (CIP) section in the Budget document details all expected capital program expenditures for the upcoming year and each of the subsequent four years.

Trust and Agency Funds: On occasion, the City receives income that is to be used for restricted purposes. An example is the income in the Fund for the City's Future, which is restricted to the promotion of City tourism, living, and marketing. Such funds are not included in the budget; their use requires City Council appropriation during the year.

Budget Format – Organization

The budget is organized into five presentations:

- 1. The Mayor's Message
- 2. City Council Report (in Approved Budget only)
- 3. Summary (Tab 1)
- 4. Departmental Sections (Tabs 2-15)
- 5. Informational Sections (Tabs 16-17 & Index)

Budget Format - Departmental Sections

Each departmental section contains a Department Summary that includes Mission Statement, organization, strategic goals and objectives, and financial data relating to the total department. Major changes from the prior year are highlighted. In addition, for each major function within a department, there are three detailed presentations:

- 1. Mission Statement of the organization is provided. Vital Customers defines who are the primary recipients of this unit's work. Critical Processes present the critical processes this unit uses to carry out its mission. Key Performance Indicators measure how well objectives are being met.
- Expenditures and Employee Years, which contains current and historical expenditure and personnel data. The expenditure data are presented in two ways — by major object (or type) of expense and by activity.
- 3. Personnel, which includes a calculation of employee years and a detailed listing of all full time position titles and pay brackets. The employee year calculations on this page produce the totals listed on the Expenditure and Employee Year pages.

In the Undistributed Expenses (Tab 13), Contingency (Tab 14) and Capital (Tab 15) sections, no personnel data are provided, as no staff are assigned.

Budget Format Year-to-Year Comparisons

The year-to-year comparison for each bureau or division calculates the increase or decrease in the budget and employee years for that unit. An analysis of the change in the budget is included. The total change is the sum of the change noted in each of six categories. The categories are:

- 1. Salary and Wage Adjustment, which accounts for all routine changes in personnel compensation. This includes contract settlements, step and merit advancements, upgrades and downgrades of positions, and turnover that replaces higher compensated employees with lower compensated ones within the same pay brackets.
- General Inflation, which accounts for increases in the cost of goods and services attributed to inflation.

- 3. Chargebacks, which accounts for the year to year change in charges for services provided to the activity by other units of City government. These services are duplicating, postage, motor equipment fuel and service, telephone service, workers' compensation, water, refuse collection, and geographic information system.
- 4. Vacancy Allowance, which accounts for the year to year change in the assumption of the vacancy allowance. This allowance is the difference between the actual expenditure requirements for personnel and that required if all positions were filled at all times.
- Miscellaneous, which accounts for minor changes not accounted for by any of the other categories.
- Major Change, which accounts for significant budget variances. If there are any major changes, a narrative explanation follows immediately.
- Program Change, a written explanation of any significant changes in the operation or service delivery of the unit.

Basis of Accounting

The accounting policies of the City of Rochester conform to generally accepted accounting principles. The basis of accounting is the modified accrual method, in which revenues are recognized in the period in which they become available and measurable, and expenditures are recognized at the time a liability is incurred, except principal and interest on long-term debt and pension liability, which are recorded when due. The exception to this basis is for the Enterprise Funds that are on an accrual basis, in which revenues are recognized when earned, and expenditures are recognized when incurred.

The accounts of the City are organized into various funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts.

Glossary

Activity The most basic level of presentation in the budget. Each major function is divided into activities, for which budgetary, personnel, and narrative information is provided.

Adopted Budget The annual operating budget plan for the upcoming fiscal year approved by City Council according to the City Charter.

Appropriation An authorization to expend funds for stated purposes.

Assessed Value The value assigned for property tax purposes to each property within the City. Rochester utilizes a full value system; thus, it is the objective to assess all property at 100 percent of full market value.

Assessed Value Tax Rate The amount of tax levied for each \$1,000 of assessed valuation.

Bond Anticipation Note A note that may be redeemed with the proceeds from the future sale of a serial bond. A note is a short term borrowing instrument, usually requiring repayment within one year of issuance.

Budget Amendment A formal action by the City Council to adjust the budget after adoption. These amendments generally take two forms: the transfer of an appropriation from one departmental budget to another, or the appropriation of new sources of revenue to support a new expense. A budget amendment may, on occasion, reduce revenue and expense.

Capital Improvement Program (CIP) The five-year spending plan for major improvements and construction projects. It provides detail by functional area, funding source, and year.

Cash Capital The direct outlay for capital items, most typically equipment purchases, street improvements, and building renovations. The Cash Capital appropriation is a direct outlay because the City does not borrow for these expenditures. The Cash Capital appropriation is contained in the Capital Expense Summary.

Chargeback A charge from one department to another for services rendered, e.g., telephone service.

Constitutional Debt Limit Limits on the amount of debt that a municipality can incur. Article VIII of the New York State Constitution imposes on Rochester a limit of 9 percent of the most recent five-year average of full valuation of taxable real estate for capital purposes.

Constitutional Tax Limit Limits on the amount of money that a municipality can raise through real estate taxes. Article VIII of the New York State Constitution imposes on Rochester a limit of 2 percent of the most recent five-year average of full valuation of taxable real estate.

Contingency A budgeted reserve fund for unforeseen or unmeasurable expenditures not otherwise budgeted.

Debt Service The repayment of debt, including interest payments and installments on the principal. The debt service appropriation is contained in the Capital Expense Summary.

Directly Applicable Revenue Revenues that are generated because of the efforts of an organizational unit for a given function.

Employee Benefits The direct expenditures, other than salary and wages, associated with employee compensation. In the budget, the employee benefit appropriations are included in the Undistributed Expense budget, but are allocated for information purposes to each major function. These include retirement, Social Security, medical and dental, workers' compensation, and life insurance benefits. All other employee compensation costs are included in the departmental budgets.

Employee Years An approximation of employee resources stated as an equivalent number of full time positions. Each full time position is counted as one employee year, while overtime hours and part time, temporary, and seasonal positions are approximated as partial employee years. The vacancy allowance (see below) is also stated as an equivalent number of full time positions, and is subtracted in approximating net employee years for an activity.

Enterprise Fund Enterprise funds are fiscal and accounting entities that account for certain services and programs that operate as separate businesses. Expenditures for these operations are supported by revenues generated by the activities (e.g., fees for service) or dedicated under law for those specific operations. This Budget includes the following Enterprise Funds: Water, War Memorial, Parking, Cemetery, Public Market, Refuse, and Local Works.

Fund A fiscal and accounting entity with a selfbalancing set of accounts recording cash and other financial resources, with related expenses and other obligations. The budget contains ten funds that are explained and accounted for in the Summary (Tab 1).

Fund Balance In fund accounting, Fund Balance equals Assets minus Liabilities.

General Fund The principal operating fund of the City, accounting for all financial resources not recorded in other funds.

Homestead One of two classifications of property owners authorized for property taxation under the New York State law applicable to Rochester. The Homestead class includes all one, two, and three family residential real property, including dwellings used in part for non-residential purposes but used primarily for residential purposes. The other classification is the Non-Homestead class.

Interfund Revenue Income generated through a transaction between or among funds. Interfund revenues are offset by expenses or obligations recorded in other funds. In this budget, interfund credits for chargebacks of services (motor equipment, telephones, etc.) are included in the unit providing the service as a credit (or reduction of expense) when the service charge is processed.

Intrafund Credit A transaction between or among appropriations within the same fund. In this budget, intrafund credits reflect chargebacks for services. The costs of these services (motor equipment, telephones, etc.) are included in the unit providing the service, and also the unit receiving the service. To offset this double recording of cost, the service provider unit records a credit (or reduction of expense) when the service charge is processed.

Major Functions The subdivision of a departmental budget. Major functions are Bureaus, Divisions, Offices, or other organizational units.

Major Objects The basic types of expenses incurred by an organizational unit categorized as Personnel, Materials & Supplies, Services, and Other expenses.

Morin-Ryan The sales tax distribution formula, which took effect in 1985-86, divides the first three percent of the local share of the sales tax.

Non-Homestead One of two classifications of property owners authorized for property taxation under the New York State Law applicable to Rochester. The Non-Homestead class includes all properties other than one, two, and three family residential properties. The other classification is the Homestead class.

Overtime Employee Years See Employee Years.

Part Time, Temporary, Seasonal Used on the Personnel Summary page to show the approximation of Part Time, Temporary, and Seasonal employees in terms of Employee Years. Part Time employees work less than a regular work week schedule on a year round basis. Temporary employees work regular work week hours, but for a fixed duration (usually not to exceed eighteen months). Seasonal employees work at certain times during the year (e.g., during the Summer) on schedules determined by the nature of the jobs that they are performing.

Property Tax Levy The total amount of property tax to be assessed on taxpayers. The property tax levy differs from property tax revenue in that the levy includes all amounts due, regardless of whether they are collected.

Property Tax Rate The rate used to determine the property tax bill of individual taxpayers. The rate is expressed as a dollar amount to be charged for each \$1,000 of assessed property value. A separate tax rate is applied to each of two classes of property owners, Homestead and Non-Homestead.

Property Tax Reserve The portion of the property tax levy that is estimated to be uncollected during the fiscal year and remains uncollected after sixty days from the close of the fiscal year.

Property Tax Revenue The amount of money raised by the property tax. Due to nonpayments, the actual collection is less than the total levy.

Proposed Budget The budget plan for the upcoming fiscal year recommended by the Mayor to City Council for its formal approval. The budget is "proposed" until it is formally "approved" by City Council.

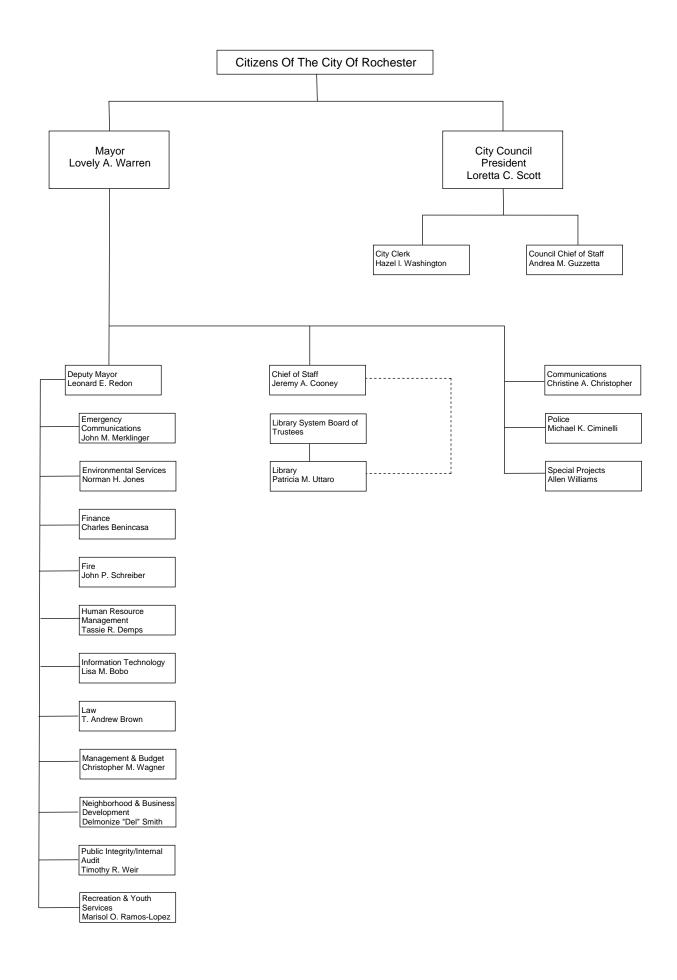

Sales Tax A tax as a percentage of most retail sales is levied by New York State and Monroe County. The City receives a portion of the proceeds under agreements with Monroe County.

Serial Bonds A long-term borrowing instrument that requires a series of repayments to be made over a multi-year period. The repayments made include principal installments and associated interest expense.

Special Fund Special funds are fiscal and accounting entities that state law restricts for specific purposes. This Budget includes the following Special Funds: Animal Control and Library.

STAR The New York State School Tax Relief Program providing homeowners relief from school property tax through two levels of exemptions. (See Summary, STAR section for details).

Vacancy Allowance The difference between actual expenditure requirements for personnel resources and that which would be required if all positions were filled at all times. The vacancy allowance accounts for position vacancies that occur as a result of routine employee turnover as well as those that may be deliberately maintained.

City Hall Room 308A, 30 Church Street Rochester, New York 14614-1290 www.cityofrochester.gov

May 16, 2014

TO THE COUNCIL:

RE: The 2014-15 Budget

Ladies and Gentlemen:

In accordance with the City Charter, it is my pleasure to submit to you the City of Rochester's annual budget estimate for the 2014-15 fiscal year. The 2014-15 proposed budget is \$499,950,200, which is \$17,499,200 or 3.6% higher than the 2013-14 amended budget of \$482,451,000. More than half of this increase (\$10,761,400) results from an increase in pension expense, which the City will pay in full this year. There will be no pension amortization as there was in 2013-14. The remaining \$6,737,800 represents an increase of 1.4% and is in line with the most recent 12-month rate of inflation.

Every budget cycle offers an opportunity to take a fresh look at our priorities. A budget is an articulation of our vision, a roadmap – and in the case of this particular budget, we balance an investment in capital projects with investment in human and social capital – because a healthy city needs both; not just to survive, but to thrive.

Strategic Investment Areas

The issues that Rochester faces are larger than one budget can remedy. Crafting the 2014-15 Budget has been a rigorous exercise, involving many people who have worked through an extensive process to find the right balance that allows us to deliver essential services that the citizens of Rochester rely upon, while continuing to invest in initiatives that will propel our City forward.

This budget provides for a net increase of nine full-time positions. The positions added include a grant writer, staffing in Finance to accommodate the needs of the HR/payroll project and succession planning; and additional staff to support more in-house handling of tax delinquent properties and to increase focus on general collection efforts. We are also adding part-time and seasonal staff to ensure that recreation center amenities are available to our citizens at all times that those centers are open.

Despite the increase in full time staff, we anticipate up to six layoffs as a result of staffing changes, reorganizations, and other reductions -- though we hope to significantly reduce this number through reassignment and/or retirement.

This budget is framed around a set of strategic investment areas for this Administration – Neighborhood Development, Economic Development, Children and Families, Education and Job Opportunities, Arts and Cultural Vitality, and Public Safety; in other words, an investment in people, an investment in traditional brick and mortar public works projects, an investment in business, and in safety. Below are some highlights of investments contained in the 2014-15 budget.

Phone: 585.428.7045 Fax: 585.428.6059 TTY: 585.428.6054 EEO/ADA Employer

Investments in Neighborhood Development include:

- \$200,000 in cash capital for design and acquisition of land in the Bull's Head area and acceleration of the project
- \$40,000 for innovative programming to be administered through Neighborhood Service Center Offices
- Additional resources to handle more tax-delinquent properties in-house and sell fewer tax liens
- Continued funding to support the Focused Investment Strategies (FIS) initiative. It
 includes funding for streetscape improvements in the Beechwood and Dewey/Driving
 Park FIS areas. To date, \$14.7 million of city funds have been invested in the FIS
 initiative which has leveraged \$56.5 million in additional outside funding
- \$1.7 million in cash capital and debt to support demolition of blighted properties

Investments in Economic Development include:

- Support for the Inner Loop East Transformation project
- \$500,000 in cash capital for streetscape treatments for Midtown
- \$100,000 in additional funding in the Department of Environmental Services for a Clean Commercial initiative to augment cleaning efforts on arterial streets
- Small and micro business support
- Commercial development

Investments in Children and Families include:

- Appropriate staffing for recreation centers so that citizens can utilize all the amenities offered at all sites
- Funding to study the best delivery method for recreational services and to evaluate our Pathways to Peace program
- Continued support for public swimming at Durand-Eastman Beach
- \$644,000 to address repairs at recreation centers and parks facilities
- Summer Camp programs in STEM Explosion, Creative Arts Workshop, Sports Center and Earth Explorer Expeditions

Investments in Education and Job Opportunities include:

- Additional staffing to implement Operation Transformation Rochester, which will realign PRIME and the Summer of Opportunity Program; and offer additional programs geared towards education, vocation and employment
- Continued support for the Pathways to Public Safety and Police Cadet Programs
- \$520,000 for Library books and materials
- Continued partnership with RCSD for Literacy Aides in branch libraries

Investments in Arts and Cultural Vitality include:

- Continued support for major events that draw regional audiences including The Xerox Rochester International Jazz Festival, The Lilac Festival, the Rochester SummerFest, Fringe Fest and Greentopia
- Continued support for celebrations including The Clarissa Street Reunion, Carifest, the Puerto Rican Festival, Juneteenth, and the Fourth of July
- Continued support for cultural arts activities including free concerts by the Rochester Philharmonic Orchestra, the Image Out Film Festival and the High Falls Film Festival
- Funding to support a new program, "Art/Life," that will bring performances and arts experiences into neighborhoods

Investments in Public Safety include:

- Funding to support the transition to a five-section policing model beginning in January 2015
- Support for recruit classes for Police and Fire, which will maintain staffing levels and increase diversity among uniformed personnel
- A firefighter dedicated to school and community fire safety education programs
- \$1 million to replace a ladder truck in the Fire Department

Closing the Budget Gap

We closed our \$37.5 million all funds gap and funded an additional \$1.2 million in strategic investments through:

- \$10.4 million Reduction in planned capital expenses and use of Enterprise Fund Balances to support them;
- \$7.4 million Net fringe benefits savings, including pension
- \$6.0 million Municipal Relief from New York State
- \$6.0 million Use of Retirement Reserve
- \$5.8 million Tax and Fee Increases
- \$2.6 million Use of Tax Relief Reserve
- \$0.5 million Departmental reductions and efficiencies

Despite the reduction in planned capital expenses and use of Enterprise Fund balances to support them, the proposed \$98.6 million 2014-15 capital program represents significant investment in our City. We benefitted from savings in our Undistributed budget of \$7.4 million, largely due to lower than expected pension expenses. We are grateful to New York State for the \$6 million in Municipal Relief, which allows us to make many of the investments highlighted above and avoid cuts to critical services.

To close the bulk of the remaining gap, this budget proposes that the typical homeowner pay an additional \$46.34 and non-homestead property owners will see a rate increase of 1.98% in taxes and fees. This decision is not made lightly, but is one that had to be balanced against significant cuts or a choice to further deplete reserves. It is fiscally prudent because it is within the tax cap allowed by New York State. The fact that this budget complies with the State's tax freeze program ensures that homeowners eligible for the STAR exemption will be held harmless for the tax increase; and thus, they will receive rebate checks from the state starting in the fall.

Conclusion

Our community has significant needs, as was outlined in the Rochester Area Community Foundation's poverty report, released last winter. In response, this Administration is stepping up to the challenge and making a fundamental shift to balance our investment in human and social capital with our investment in capital infrastructure. As our priorities shift and realign, we will continue to work aggressively to cultivate more innovative ideas, new pathways of engagement, new partnerships, and opportunities to raise revenue.

I truly appreciate my team for working tirelessly to prepare this budget. I know there were some sleepless nights. Their expertise, candor, insights and passion for our City is priceless.

Many have said that in order to live a healthy life, you have to find balance. The same can be said for a healthy city. With this budget, we bring a sensible balance – one with thoughtful consideration and one that makes fiscally prudent strategic investments.

I look forward to your review and comments.

Respectfully submitted,

Mayor Lovely A. Warren

Lacy a. Ware

2014-15 CHILDREN AND FAMILIES FUNDING

The 2014-15 Budget was developed with children and families in mind. All City Departments benefit children and families in some way, from the Public Library and the Department of Recreation and Youth Services, to our 911 Emergency Communications Department and numerous programs within Neighborhood and Business Development.

Our largest departments include the Police Department, the Fire Department, and the Department of Environmental Services – all of which provide services that support children, families, and others who live, work, visit, or do business in the City of Rochester. These include maintenance of law and order, protection of life and property, and maintenance of a safe, clean, and attractive city.

Those programs and services designed for, and delivered specifically to, children and families are listed below.

	PROGRAM	AMOUNT
Funding for City School District		
	Maintenance of Effort (MOE)	119,100,000
Environmental Services		
	Parks Operations	2,373,200
Emergency Communications Department		
	Pathways to Public Safety	19,800
Fire Department		
	Pathways to Public Safety & Firefighter Trainee Program	293,000
	Community Outreach Program	76,700
	Fire Related Youth Program	46,400
<u>Library</u>		
	Literacy program	832,800
	Other City funding for library operating expenditures	4,774,400
	Library Books and Materials	520,000
Neighborhood and Business Development		
	Lead Paint Initiative Grant	275,000
	Emergency Shelter Grant	666,000
Police Department		
	School Crossing Guards	538,400
	School Resource Officers	1,000,000
	Pathways to Public Safety/Police Cadet Program	83,200
	Police Activities League	In Kind
	Do The Right Thing Program	In Kind

	PROGRAM	AMOUNT
Recreation and Youth Services		
Commissioner's Office	Summer Food Program Grant	337,300
	Public Market	757,900
	Office of Youth Outreach and Violence Prevention/Pathways to Peace	400,600
Bureau of Recreation	Biz Kids	24,500
	Youth Voice/One Vision - partially grant funded	35,000
	Jr. Rec Leaders	26,400
	Durand Beach	149,600
	Sexual Health Among Young People: NYS Grant	191,200
	USDHHS: Substance Abuse Program Grant	125,000
	Recreation on the Move	96,800
	Youth Bureau contract with Monroe County (partially grant funded)	110,700
	Recreation Centers, Athletics/Aquatics, Summer Camps	6,600,500

CITY COUNCIL REPORT

This section will be provided in the Approved Budget.

	Incre	<u>eases</u>	
Reve	nue:	Exper	nse:
	Municipal relief from New York State is budgeted \$6,000,000		Pension amortization does not recur
	A transfer from fund balance committed for retirement costs is budgeted		Wage and salary increases in accordance with current labor agreements or awards and allowance for contracts currently under negotiation
	An increase of \$4,800,000 in the tax levy is proposed to balance the budget		Program enhancements
	A transfer from fund balance committed for tax relief is budgeted		Personnel expense related to additional staffing
	A water rate increase is proposed to balance the budget		
	A local works rate increase is proposed to balance the budget		
	A residential and commercial refuse rate increase is proposed to balance the budget		
	<u>Decr</u>	<u>reases</u>	
Reve	nue:	Expe	nse:
	Interest collected on delinquent property taxes declines		Decrease in cash capital expense
	Delinquent property tax collection declines with shift towards foreclosure		Departmental reductions and efficiencies
	One time transfer from Cultural Commission does not recur \$2,660,000		

REVENUE SUMMARY SUMMARY OF REVENUE CHANGES

General Fund 2014-15 revenue estimates are \$374,153,400 or 5.4% more than the 2013-14 Budget. Municipal relief of \$6,000,000 from New York State is budgeted. A transfer of \$6,000,000 from fund balance committed for retirement costs is budgeted to avoid amortization of pension costs. A 2.9% increase in the tax levy is proposed to generate \$4.5 million in revenue. A transfer of \$2.6 million from fund balance committed for tax relief is budgeted.

Special Fund 2014-15 revenue estimates are \$18,298,300 or 3.3% more than the 2013-14 Budget. Support from Monroe County increases \$150,000 to partially offset full payment of the pension bill for the Central Library. Property tax support to Animal Control and Library increases to offset full payment of the pension bill.

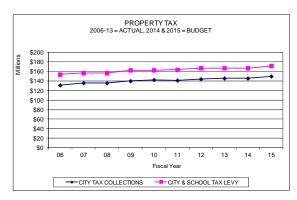

Enterprise Fund 2014-15 revenue estimates are \$107,498,500 or 2.1% less than the 2013-14 Budget. Rate increases are budgeted for the Water, Local Works, and Refuse Funds. The appropriation of Refuse Fund balance decreases \$2,629,100 as capital expenditures are reduced. The transfer of \$2.6 million from the Cultural Commission for the East End garage does not recur. The appropriation of fund balance for Local Works increases \$1,888,800.

REVENUE SUMMARY SUMMARY OF REVENUE CHANGES

	Amended	Proposed		Percent
	2013-14	2014-15	Change	Change
General				
Taxes				
Property Tax (City & School)	137,000,100	140,152,900	3,152,800	2.3%

Grand Total	482,451,000	499,950,200	17,499,200	3.6%

Property Tax

New York State General City Law authorizes Rochester to levy taxes on the value of real property. The assessed value of the property and the tax rate determine the amount of tax to be paid by a property owner. Taxes are billed annually, and quarterly installments are allowed for the first \$8,200 owed on each parcel. Responsibility for collecting property taxes is vested in the Department of Finance, Bureau of Treasury. Property taxes are allocated to various funds as necessary to balance them. Beginning in 1994-95 City and School property tax collections are accounted for within the City Budget. Funding for the City School District is provided within the

Interfund revenue section. Prior to 1994-95 the School District received property tax collections outside of the City Budget. Beginning in 1998-99 the STAR program enabled a decrease in the property tax billings with an equal offset in State aid. Beginning in 2011-12 the annual increase in STAR is capped at 2%. For detailed information on the calculation of property taxes, see the Property Tax Computation and Analysis section, which follows the Revenue Summary section.

Major Change

Four major factors influence the amount of revenue generated by the property tax:

- 1. The Tax Base The total assessed valuation of the City is the base on which revenues are generated. The assessed valuation increases by \$39,167,214 or 0.67% from the 2013-14 level. A description of assessment changes is included in the Property Tax Computation and Analysis section.
- 2. The Revenue Requirement The amount of property tax revenue required to finance City services is determined by the cost of the services provided and the availability of revenue sources other than the property tax. The following summarizes changes in expenses and revenues from the 2013-14 budget:

	<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
Expenses	482,451,000	499,950,200	17,499,200
Non-Property Tax Revenue	336,842,800	349,961,300	13,118,500
Property Tax Required (City & School)	145,608,200	149,988,900	4,380,700

Further specific changes in revenue receipts are detailed under the appropriate revenue headings that follow. Expense changes are described in the appropriate department budget section.

- 3. The Collection Rate It is anticipated that 93.5 percent of the tax levy will be collected during 2014-15. In addition, anticipated collections for the first sixty days following the current year are accrued as 2013-14 receipts. This accrual is estimated to be 1.5 percent of the tax levy, bringing total collections to 95.0 percent. A Tax Reserve of 5.0 percent of the required property tax revenue is also levied to compensate for those taxes that will not be collected or accrued during 2014-15 and an amount for the settlement of assessment review proceedings. In accordance with Generally Accepted Accounting Principles, the tax reserve is not reflected in the budget.
- 4. STAR Program In 1998-99 New York State enacted the School Tax Relief (STAR) Program, which provides two types of exemption for owner-occupied primary residences. The "Enhanced" program is for property owners 65 years of age or older, with incomes of less than \$81,900. Approximately 4,900 property owners will benefit from this program in 2014-15. All owner-occupied property owners with incomes less than \$500,000 are eligible for the "Basic" STAR program. Approximately 24,800 property owners will take advantage of the "Basic" program in 2014-15. This program is further defined in the Property Tax Computation and Analysis portion of the Revenue Summary section.

Year-to-Year Comparison

General Fund

<u>2013-14</u> <u>2014-15</u> <u>Change</u> 137,000,100 140,152,900 3,152,800

Delinquent & Supplemental Taxes

Revenue from property taxes levied but not collected or accrued in previous years is classified as delinquent taxes. After properties have been delinquent for one year, the City may hold a bulk sale of delinquent tax liens to a third party or selected properties may be sold at foreclosure sale; uncollected balances are canceled when these actions are completed.

When properties lose their tax exempt status through transfer of ownership, property owners receive a supplemental tax bill that includes both current and delinquent payments.

When an assessment is inadvertently left off the tax roll, property owners are later notified and billed the following year as an omitted tax.

Major Change

Policy shift towards managing distressed properties through foreclosure reduces lien sale activity thereby decreasing delinquent taxes collected.

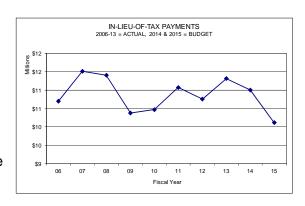

Year-to-Year Comparison

<u>2013-14</u> <u>2014-15</u> <u>Change</u> 3,490,400 3,100,000 -390,400

In Lieu Of Tax Payments

To facilitate construction of public housing units and encourage industrial development, various sections of New York State law authorize certain property owners to make payments as a substitute for property tax. Currently, such payments are authorized under four different statutes:

1. The Private Housing Finance Law applies to projects constructed with private resources to provide housing for low and moderate income families. Payments for such projects are generally calculated at a rate of 10% of sheltered rents. Sheltered rents are determined by subtracting that portion of rent needed for utility service from total rent payments.

- 2. The Public Housing Law authorizes payments in lieu of taxes for property owned by public housing agencies. Payments are calculated in the same manner as those covered under the Private Housing Finance Law.
- 3. The Urban Development Act provides tax exemptions for properties owned by the Urban Development Corporation (UDC). When such properties are leased, payments in lieu of taxes are negotiated. For

housing projects, the sheltered rent formula is generally applied, while economic development projects pay based on the percent of floor space occupied or percent of operating revenues.

4. The General Municipal Law authorizes the County of Monroe Industrial Development Agency (COMIDA) to receive tax exemptions on properties owned. In lieu of tax payments are negotiated when such properties are leased. Generally, the payments are equal to the amount that would have been paid if the property were not owned by COMIDA.

Currently ninety-three COMIDA projects make payments in lieu of taxes. Sixty-six housing projects make shelter rent payments. The Department of Finance, Bureau of Accounting, administers these accounts.

Major Change

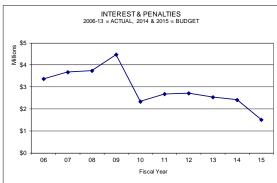

Reduction in revenue due to return to tax roll of 75 S. Clinton Avenue is partially offset by five new COMIDA projects. Three new housing projects begin making payments in 2014-15.

Year-to-Year Comparison

<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
11,000,100	10,115,200	-884,900

Interest & Penalties

The interest rate on delinquent taxes and other charges listed on the tax bill was reduced in 2012-13 from 1.5% to 1% per month (18% to 12% per annum) for taxes levied effective July 1, 2012 and after. The interest rate on balances levied on or before July 1, 2011 will remain at 1.5% (18% per annum). Penalty fees for unpaid taxes are added to subsequent tax bills and are collected in the same manner as property taxes.

Major Change

Policy shift to foreclosures with reduced lien sale activity results in less interest collected. Lower delinquent tax balances remaining from July 1, 2011 or earlier also reduces revenue.

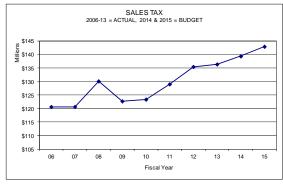

Year-to-Year Comparison

<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
2,412,000	1,512,000	-900,000

Sales Tax

New York State Tax Law authorizes Monroe County to impose a tax on sales transactions in the County. A four percent tax (besides the four percent imposed by the State) is charged on most sales transactions except sales of food and home heating fuels. The local sales tax rate increased from 3 percent to 3.5 percent in September 1992 and to 4 percent in March 1993.

Sales tax proceeds are collected by the State and distributed to the County every month. Under the current sales tax distribution formula the City receives 35.63 percent of total

County collections generated from the 3 percent local share. The City's initial share of the additional 1 percent, approximately 4.1%, began on December 1, 1993, and was suspended on November 30, 1994. During that period the City School District received approximately 3.7% of the additional percent directly from the County. The City resumed sharing the additional 1 percent on December 1, 1995. Beginning in December 1995 the City share of the additional 1 percent became 2.5%, and it increased annually for the

next five years to 5%, 12%, 15.75%,19.22%, and then subsequently dropped to 18.1%. The City share of the additional 1 percent decreased to approximately 17.7% in January 2011 to reflect population changes identified in the 2010 Census.

Major Change

Taxable sales are expected to increase 2% on a higher than expected base.

Year-to-Year Comparison

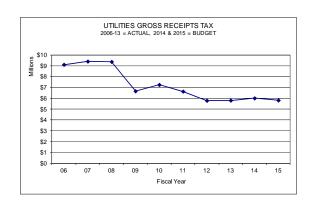

<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
139,332,000	142,871,400	3,539,400

Utilities Gross Receipts Tax

As provided by Section 20b of the General City Law, Rochester imposes a 3% tax on the gross income of utility company transactions in the City. Rochester Gas & Electric Corporation and Frontier Corporation pay approximately 87% of these taxes.

Major Change

Revenue declines as fewer Energy Service Companies (ESCOs) assess and remit tax.

Year-to-Year Comparison

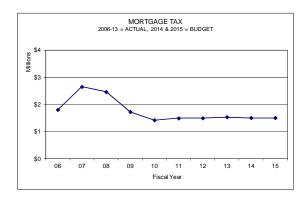

2013-14	<u>2014-15</u>	Change
6.000.000	5.810.600	-189.400

Mortgage Tax

New York State Tax Law authorizes the Monroe County Clerk to collect a tax on mortgage transactions in the County. A tax is charged on the transactions and distributed pursuant to Section 261 of the Tax Law. The City receives 50 percent of the amount collected, less an allowance for administrative expenses, on mortgage transactions within the City.

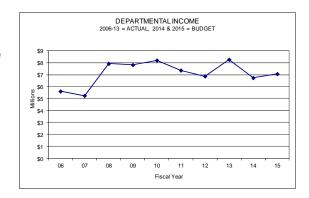

<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
1,500,000	1,500,000	0

Departmental Income

Revenues generated by departmental operations are classified as departmental income. Examples include fees collected at skating rinks, charges for processing at the Police photo lab, towing fees, foreclosure fees, and zoning application fees. The City Code authorizes these fees. The fees are calculated to cover all or part of the cost of specific services.

Major Change

Revenue from West Brighton for primary fire protection and emergency medical first responder services is budgeted at

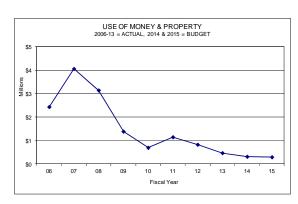

\$789,500. Workers' compensation refunds decrease \$200,000. Proposed increase in foreclosure fee and increased activity results in \$147,000 additional revenue. Special event reimbursement for RPD and RFD drops by \$117,700 and \$25,000 respectively due to fewer details. Recreation fees decrease net of \$100,800 due primarily to: competing kickball league \$52,000; construction at South Avenue Recreation Center \$22,500; lower than expected permits for Martin Luther King Jr. Memorial Lodge \$10,000; and \$16,300 in miscellaneous recreation center revenues. Reimbursement from RCSD for School Resource Officers is reduced due to expected vacancy credit \$100,000. Reimbursement for demolition charges decrease \$40,000. Fewer Fire recruits to be trained by MCC reduces reimbursement \$30,000. Reimbursement for legal services provided to Rochester Economic Development Corporation increases \$35,000. Fewer sales reduces commissions from vending machines \$20,000. Revenue from ATM's within City facilities is reduced \$18,400. Convenience fees increase as more transactions occur on-line \$14,000. Net of other changes is a decrease of \$1,500.

Year-to-Year Comparison

<u>2012-14</u>	<u>2014-15</u>	<u>Change</u>
6,746,900	7,079,000	332,100

Use Of Money & Property

The major revenue source in this category is from investment of cash. Under provisions of the New York State General Municipal Law, Rochester is authorized to invest funds in interest bearing commercial bank accounts until these funds are needed to meet payrolls or to pay bills. The second source of revenue in this category is from rental of City-owned property.

Major Change

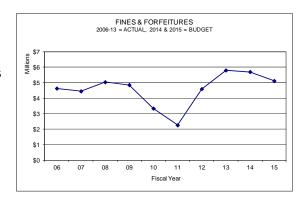

Revenue from use of soccer stadium increases \$20,100. Rental income from High Falls Center is eliminated \$18,000.

Port revenue decreases due to loss of tenants during construction \$12,000. Interest earnings decrease by \$10,000.

2013-14	<u>2014-15</u>	<u>Change</u>
314 900	295 000	-19 900

Fines & Forfeitures

The revenue in this category consists of fines and penalties levied by the Criminal Branch of City Court, proceeds from red light camera notices of violation issued by the Police Department and other authorized agents, municipal code fines collected by the Parking & Municipal Violations Bureau, and a distribution of fines collected by New York State for traffic violations committed in the city.

Major Change

Revenue from Red Light Photographic Enforcement Program decreases due to fewer tickets written and reduced collection

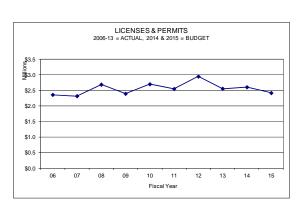

activity \$400,000. Transfer of portion of parking ticket revenue from Parking Fund is discontinued \$127,400. Moving violation revenue decreases as NYS retains a larger portion for administrative costs \$65,000. Net of other changes is an increase of \$9,000.

Year-to-Year Comparison

<u>2013-14</u>	<u>2014-15</u>	Change
5,697,400	5,114,000	-583,400

Licenses & Permits

The Municipal Code authorizes the City to regulate various activities by issuing permits and licenses. This is done to protect public safety. Fees for permits and licenses are designed to fully or partially recover the administrative and enforcement costs of regulated activities. Most permits are issued by the Department of Neighborhood & Business Development.

Major Change

Professional licenses decrease \$200,600 due to the biannual schedule for renewal. Taxicab and solicitor licenses increase

based on actual activity \$29,400. Secondhand dealer permits decrease \$8,600. Net of other changes is a decrease of \$5,900.

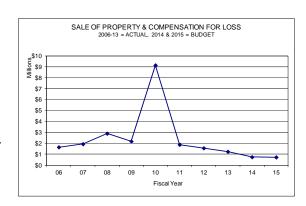

<u>2013-14</u>	<u>2014-15</u>	Change
2.597.400	2.411.700	-185.700

Sale Of Property & Compensation For Loss

Revenue in this category comes from sale of real property, sale of excess materials, insurance recoveries, and the sale of unclaimed property. The sale of real property is the largest revenue source in this group.

Major Change

Auto auction proceeds decrease due to reduced inventory \$70,000. Sale of real property increases \$50,000. Net of other changes is an increase of \$3,400.

Year-to-Year Comparison

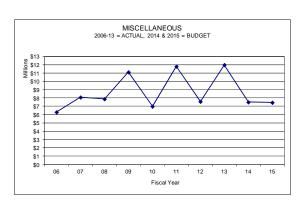

2013-14	2014-15	Change
738.600	722.000	-16.600

Miscellaneous

Miscellaneous revenues consist of refunds or reimbursements for expenses incurred in prior years, an appropriation of surplus from prior years, cable television franchise revenues, and miscellaneous income.

Major Change

Cable TV Franchise revenue decreases \$67,400 based on projected sales activity. Appropriation of general fund surplus increases \$10,000. First responder franchise fee increases with inflation \$7,900.

> \$120 \$100

Year-to-Year Comparison

<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
7,494,400	7,444,900	-49,500

Intergovernmental – New York State Revenues received from New York State constitute this category. There are four types of aid: general purpose, categorical, miscellaneous, and New York State Tax Relief (STAR).

- 1. General purpose aid provides revenue for unrestricted use by municipalities under the Aid & Incentives for Municipalities (AIM) program.
- 2. Categorical aid is directed to support specific objectives and, as a result, is restricted to certain purposes. Support is received

4. The New York State Tax Relief (STAR) Program provides revenue to municipalities to offset school property tax relief for targeted taxpayers.

Major Change

Municipal relief from NYS is budgeted \$6,000,000. Project IMPACT expires \$569,300. Inflationary adjustment and one time allocation for Extreme Winter Recovery increases Consolidated Highway Improvement Program funding \$557,900. Incremental STAR revenue results from proposed property tax increase \$179,300. Miscellaneous state grants decrease \$190,800 which is largely attributable to the following grants not recurring: Violence Reduction \$100,000; Urban Area Security Initiative \$43,700; Rochester Works \$25,000; and Motor Vehicle Theft Insurance Fraud \$22,100. Environmental Quality grant funds increase \$93,900. Comprehensive Adolescent Pregnancy Prevention Program (CAPP) decreases \$81,100. Net of other changes is an increase of \$900.

Year-to-Year Comparison

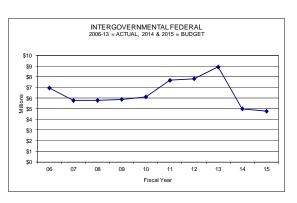

<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
106,992,800	112,983,600	5,990,800

Intergovernmental - Federal

The Federal Aid category includes reimbursements for the administration of federally funded programs. The program appropriations are approved by City Council separate from the City operating budget. The Community Development Block Grant (CDBG) Program is the largest such "off budget" fund.

Major Change

Net reduction in Federal Pregnancy Prevention grant funds \$132,300 as more expenses are accounted for in a Special Revenue Fund. Revenue from Community Development Block Grant (CDBG) increases to reimburse on-budget expenditures

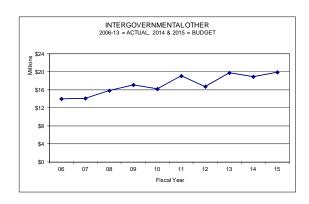

\$119,000. Net reduction in Smart Policing grant \$75,200. State Homeland Security Program (SHSP) grant expires \$66,400. Project Safe Neighborhoods (PSN) grant expires \$47,700. Metropolitan Medical Response System grant ends \$36,100. Reimbursement for the Federal Nutrition Summer Lunch Program increases \$21,000 to reflect more meals served. Net of other changes is a decrease of \$4,200.

<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
4.983.800	4.761.900	-221.900

Intergovernmental - Other

Revenues received from governmental agencies other than the Federal and New York State levels constitute this category. Reimbursements from Monroe County for 911 staffing costs account for the majority of the revenues in this classification. Profits distributed by the Western Region Off-Track Betting (OTB) Corporation and Monroe County reimbursements for highway maintenance, public safety activities, and various other programs comprise the remaining intergovernmental revenues.

Major Change

Reimbursement for Emergency Communications increases \$1,055,100 due to wage increase, full payment of the pension bill, and program changes. The following grant funding expires: STOP-DWI \$67,000 and Underage Tobacco Enforcement \$38,000. Traffic shares increase \$37,000. Lead hazard reimbursement decreases \$5,000.

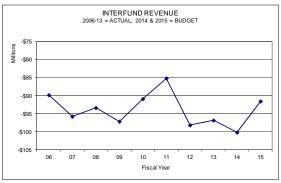

Year-to-Year Comparison

<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
18,901,700	19,883,800	982,100

Interfund Revenues & Transfers

Interfund transfers consist of three categories:

1. Reimbursements to the General Fund for services provided to other operating funds. In these cases, the cost of services (street cutting and administrative chargeback) are included in the General Fund as well as the appropriate non-General Fund. The reimbursements offset the General Fund expense. Revenues in this group include transfers from the Library Fund and Enterprise Funds.

- 2. Reimbursements to the General Fund from funds that are not included in the operating budget. Revenues in these funds are generally restricted and can be transferred to the General Fund only to the extent that eligible expenses are identified.
- 3. Beginning in 1994-95, transfers to the City School District to fund educational expenditures in accordance with the City Charter.

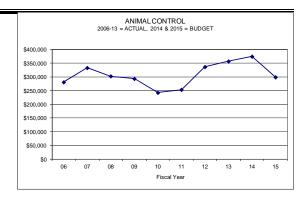

Major Change

A transfer from fund balance committed for retirement costs is budgeted \$6,000,000. Transfer from fund balance committed for tax relief is budgeted \$2,619,100. Transfer from Premium & Interest needed to balance the budget increases \$380,800. The transfer from refunds and overpayments decreases \$111,600. Annual allocation for GRANET expires \$200,000. One time allocation of forfeiture funds for community-based programs does not recur \$52,600. Street lighting reimbursement increases with corresponding expense \$10,000. Net of other changes is an increase of \$1,000.

<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
-100.251.300	-91,604,600	8,646,700

Animal Control Fund

Under Article 7 of the New York Agriculture and Markets Law, all expenditures and revenues associated with the licensing and impounding of animals must be recorded in a special fund. Accordingly, the Animal Control Fund includes revenues from the sale of dog licenses, fines for unlicensed dogs, and operating revenues from the Animal Control Center. Since the Animal Control Fund does not generate sufficient revenues to cover expenses, a portion of the property tax is allocated to this fund.

Major Change

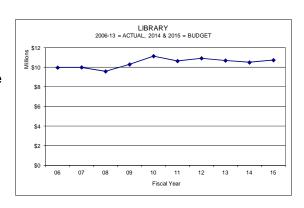

Revenue from spay/neuter services decreases due to veterinarian vacancy \$40,000. Net reduction in American Society for the Prevention of Cruelty to Animals (ASPCA) grant funding \$35,400. Net of other changes is a decrease of \$200. Property tax support needed to balance the budget increases \$189,700.

Year-to-Year Comparison

	<u>2013-14</u>	<u>2013-14</u>	<u>Change</u>
Operating Revenue	374,100	298,500	-75,600
Property Tax	1,301,700	1,491,400	189,700
Total	1.675.800	1.789.900	114.100

Library Fund

Section 259 of the New York State Education Law requires that all revenues generated from library operations be recorded in a special fund. Revenues associated with the operation of the Central Library and 10 branch libraries include Monroe County reimbursement for the Central Library, reimbursements from the Monroe County Library System (MCLS) for library material processing and inter-library loan services, State aid and grants, and miscellaneous income. These revenues are not sufficient to cover library costs; therefore, a portion of the property tax is allocated to this fund.

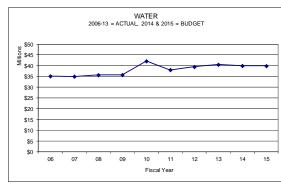

Major Change

NYS support for capital grant expires \$176,400. Support from Monroe County Library System increases \$150,000 due to payment of pension bill in full. Net increase in Central Library use and service charges \$102,400. A transfer from Premium & Interest is budgeted \$98,400. Support from City School District for Literacy Aide program increases \$71,800. Net reduction in Central and Community E-rate program \$11,300. Net of other changes results in an increase of \$900. Property tax support needed to balance the budget increases \$226,400.

	2013-14	<u>2014-15</u>	Change
Operating Revenue	10,489,000	10,724,800	235,800
Property Tax	5,557,200	5,783,600	226,400
Total	16,046,200	16,508,400	462,200

Water Fund

This fund records the expenses and revenues of the Water enterprise, which provides potable water for domestic and commercial use and for fire protection purposes. Revenues are generated by metered water sales, sales to other municipalities, various service charges and wholesale water sales to the Monroe County Water Authority (MCWA). Most customers are billed quarterly, except for high volume users that are billed monthly.

Major Change

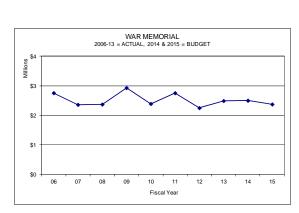

Proposed rate increase results in \$595,000 incremental revenue based upon slight reduction in consumption. Appropriation of fund balance decreases by \$490,400. Delinquent collections decrease \$125,000 due to shift towards foreclosure with less lien sale activity. Sale of water to other municipalities decreases \$89,000. Interest and penalties increase \$50,000. Net of other changes is a decrease of \$11,600.

Year-to-Year Comparison

	<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
Operating Revenue	39,931,800	39,860,800	-71,000

War Memorial Fund

This fund records the expenses and revenues from the Blue Cross Arena at the War Memorial. The Arena is operated by a private contractor from whom the City receives a ticket surcharge, a percent of concession receipts, and reimbursement for utility expenses. The City also receives funds from naming rights of the facility. A share of receipts from the City's portion of the Hotel/Motel Occupancy Tax is credited to this fund.

Major Change

Scoreboard sponsorship is not renewed \$125,000. Property tax support needed to balance the budget increases \$369,900.

	2013-14	<u>2014-15</u>	Change
Operating Revenue	2,501,000	2,376,000	-125,000
Property Tax	405,600	775,500	369,900
Total	2,906,600	3,151,500	244,900

Parking Fund

Revenues in this fund are generated from eight downtown parking garages, six City owned surface lots, and on-street parking meters.

Major Change

One time transfer from Cultural District for East End Garage capital expenditures does not recur \$2,660,000. Delay in reopening of Midtown for public parking decreases revenue \$139,900. Decrease in parking tickets written and lower than expected collection of parking fines \$225,000. Increase in onstreet parking meter collections due to installation of College

CEMETERY 2006-13 = ACTUAL, 2014 & 2015 = BUDGET

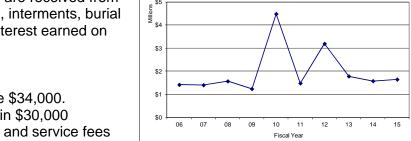

Town and Midtown meters \$102,400. Proposed increase in parking garage rates results in \$67,000 additional revenue. Revenue from Strong Museum and Broadway lots transfers to Urban Renewal \$28,000.

Year-to-Year Comparison

	<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
Operating Revenue	15,999,200	13,115,700	-2,883,500

Cemetery Fund

The City owns and operates two cemeteries, Mt. Hope and Riverside. Revenues in the Cemetery Fund are received from the sale of single graves, lots, mausoleums, interments, burial service charges, crematory charges, and interest earned on funds set aside for perpetual care.

Major Change

Interment space and product sales increase \$34,000. Cremation service fee restructuring results in \$30,000 additional revenue. Memorial product sales and service fees increase \$28,000. Reimbursement for labor spent on

Cemetery capital projects transfers to the General Fund \$24,600. Transfer from Premium & Interest increases \$700. Property tax support needed to balance the budget increases \$337,000.

	<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
Operating Revenue	1,574,600	1,642,700	68,100
Property Tax	1,269,300	1,606,300	337,000
Total	2,843,900	3,249,000	405,100

REVENUE SUMMARY DESCRIPTIONS & CHANGES

Public Market Fund

A farmers' market, consisting of two open sheds and one enclosed shed, is owned and operated by the City. Rental of shed space occurs on an annual, semi-annual, or daily basis.

Major Change

Embellishment fees for snowplowing increase \$5,600. Interest on investments increase \$700. Property tax support needed to balance the budget increases \$104,900.

PUBLIC MARKET 2006-13 = ACTUAL, 2014 & 2015 = BUDGET \$900,000 \$800,000 \$700,000 \$500,000 \$400,000 \$300,000 \$100,000 \$100,000 \$100,000 \$100,000

Year-to-Year Comparison

	<u>2013-14</u>	<u>2014-15</u>	Change

Property Tax	74,300	179,200	104,900
Total	814.600	925.800	111.200

Refuse Fund

Rochester's refuse collection and disposal costs are financed principally from the proceeds of user fees. Separate rates are charged for residential and commercial services. Residential fees are included with the property tax bills and commercial accounts receive separate quarterly bills.

Major Change

Appropriation of fund balance decreases \$2,629,100 as planned capital expenditures decrease. Proposed residential and commercial rate increases result in \$245,600 and \$100,000 additional revenue respectively. Delinquent

collections decrease \$100,000 due to shift towards foreclosure with less lien sale activity. Interest on investments increases \$7,300.

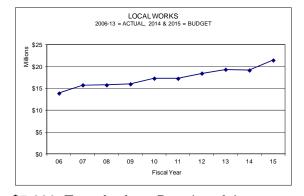

Year-to-Year Comparison

	<u>2013-14</u>	<u>2014-15</u>	Change
Operating Revenue	28,095,200	25,719,000	-2,376,200

REVENUE SUMMARY DESCRIPTIONS & CHANGES

Local Works Fund

Revenues to support street cleaning, snow and ice control services, and hazardous sidewalk replacement are derived from front footage assessments. These assessments are charged with the property tax bill. Other revenues include reimbursements from New York State for snow and ice control on highways and, if required, an appropriation from the Local Works fund balance.

Major Change

Appropriation of fund balance increases \$1,888,800 to fund capital expenditures. Proposed rate increase results in

\$394,200 additional revenue. Interest on investments increases \$5,000. Transfer from Premium & Interest increases \$2,200.

Year-to-Year Comparison

<u>2013-14</u> <u>2014-15</u> <u>Change</u> Operating Revenue 19,186,500 21,476,700 2,290,200

The property tax is the single largest source of revenue to the City. The fundamental equation for the property tax is: (Tax Rate × Assessed Value) = Tax Levy. In Rochester, this fundamental equation is modified in two significant ways.

First, according to Article 19 of the New York State Real Property Tax Law, Rochester's levy is apportioned between Homestead and Non-Homestead classes of property. (Homestead properties, generally, are one, two, and three family residences. Non-Homestead properties are all others.) That is, separate tax rates for Homestead and Non-Homestead properties are applied to the separate assessment rolls for each class of property. The following display distinguishes the tax information for each class of property. The apportionment of the levy between the classes reflects the state mandated adjustment as calculated by the formula specified by Article 19. This adjustment occurs from year to year and is commonly called "the Shift".

Secondly, because the Rochester City School District is not permitted under law to levy a property tax, the City does so on behalf of the District for funding education purposes. The City also levies a property tax on its own behalf for funding municipal government purposes. While technically two separate tax levies (and, due to differing exemption provisions, based upon separate and unequal assessment rolls), the City and School property tax collections are accounted for within the City Budget as a combined total. The District receives its portion of the taxes collected and other revenue received by the City subject to a revenue sharing agreement between the City and the District. This distribution is displayed as an interfund transfer ("Negative Revenue") elsewhere in the Revenue Summary. The following display shows the combination of the separate City and School tax rates and impacts in a consolidated presentation. It is this consolidated rate that is most commonly referred to in discussion of the "City property tax." Detailed information on the calculation of each property tax follows.

The 2014-15 STAR revenue of \$13,363,000 is applied as a credit to the tax levy after the tax rate has been determined.

Property Tax Rates & Burdens

The assessed value for a typical single family residence (Homestead) is \$70,000 in 2014-15. The assessed value for a typical commercial property (Non-Homestead) is \$262,100 in 2014-15.

Computation Of School 2014-15 Property Tax Levy

Expenses and revenues related to the City School District are located within the School District Budget, not the City Budget. Exceptions are: (1.) the City's \$119.1 million dollar funding of the District (shown as a negative fund transfer in the City's Revenue Summary) and (2.) the property tax collection estimate within the City Budget that represents collection of City and School taxes. The current revenue allocation displayed below reflects the \$119.1 million dollars less anticipated receipt of School taxes. A portion of the debt service revenue allocation listed below is debt service that is treated as a current expense (i.e. Revenue Anticipation Notes.

Property Tax Cap

On June 24, 2011 New York State enacted a property tax cap that imposes a limit on the annual growth of property taxes levied by local governments to 2% or the rate of inflation, whichever is less. The calculation of the basic cap of up to 2% is subject to several exclusions or modifications. The calculation is adjusted by a tax base growth factor reflecting the "quantity change" in taxable property values in the base year which is reflective of actual physical changes including new construction. The cap calculation is also adjusted by pension contribution increases that exceed two percentage points of covered payroll. The final adjustment in the calculation is the ability of a local government to use a carryover of up to 1.5% of any unused tax levy growth from the prior year calculation. For 2014-15, the allowable levy growth factor is 1.46% as published by the NYS Office of the Comptroller. Since there was no increase in the tax levy for 2013-14, the City is eligible to use a carry-over in establishing the tax levy for 2014-15. The proposed increase in the tax levy for 2014-15 is \$4,800,000 or 2.87% which falls within the allowable levy growth factor adjusted for the carry-over from 2013-14.

STAR

Beginning in 1998-99 New York State enacted the School Tax Relief Program (STAR) within section 425 of the Real Property Tax Law. The program provides an exemption from property taxes for owner-occupied primary residences. There are two types of STAR programs: The first, called Enhanced STAR, is for property owners 65 years of age or older, with incomes of less than \$81,900. The second, called Basic STAR, is for all other home owners regardless of age with incomes less than \$500,000.

Eligible property owners for the 2014-15 program receive up to a \$43,010 and \$20,100 assessment exemption for the Enhanced program and Basic program respectively. The 2013-14 assessment exemption for the Enhanced program was \$42,410. Both values are adjusted by the equalization rate. For large cities with fiscally dependent school districts, the enacting legislation assumed 67% of the combined tax rate to be for school purposes. Beginning in 2011-12, the maximum STAR savings can't exceed more than 2% of the prior year maximum savings. The maximum savings in 2013-14 for the Enhanced and Basic programs were \$821 and \$396 respectively. Due to the fact that the Homestead tax rate increased the actual savings for Enhanced was capped at \$821 and the savings for Basic was calculated at \$395. Therefore the 2014-15 maximum STAR savings is limited to \$837 for the Enhanced program and \$403 for the Basic program.

The Board of Real Property Services may establish special equalization rates that may result in revised STAR exemption amounts if the determined STAR exemption is 5% or more different than the previous year's exemptions. Approximately 4,900 property owners will benefit from the Enhanced STAR program and 24,800 property owners for the Basic STAR program in 2014-15.

The actual calculation of the dollar savings from the STAR exemption is determined subsequent to the determination of the City and School tax rates. The revenue from the STAR program is not counted in determining the tax rates.

The process is as follows: First, the tax levy is determined. Second, the tax rates are calculated based on the levy and the assessed values. Third, the actual amount of the tax levy billed is reduced by the aggregate of the City and School exemption values applied against the City and School tax rates. Fourth, New York State reimburses the City for the reduced billing.

The calculation of the 2014-15 STAR revenue estimate to be reimbursed from the state is as follows:

	Assessed Value	Tax	STAR	Capped STAR
	Exemption	Rates	Revenue	Revenue
City:				
Homestead	653,652,675	6.22	4,065,720	4,027,865

Constitutional Operating Tax Limit

The State Constitution, Article VIII, Section 10, limits the maximum amount of real property taxes that can be raised for operating purposes. The limit is two percent of the five-year average of full valuation of taxable real property. The total taxable assessed valuation for school purposes is the assessed value used for this calculation. The limit pertains to cities of 125,000 or more inhabitants, except New York City, which has a limit of two and one-half percent.

The levy subject to the limit is equal to the total tax levy (City and School) minus appropriations for debt service (with a few exceptions) and budgetary appropriations for which a period of probable usefulness have been determined by law (Cash Capital).

The State Constitution also limits the maximum amount of real property taxes raised for debt service. This is described within the Capital section of the City Budget.

Fiscal Year	Assessed Value	Equalization <u>Ratio</u>	Full Assessed <u>Valuation</u>

Expense Changes – Highlights

The Mayor's Proposed Budget of \$499,950,200 increases expenditures by \$17,499,200 or 3.6% more than the 2013-14 Budget. Highlights of the changes that produce this variance are noted in the following display. Details of these and other expense changes are found in Tabs #4 through #17 of this document.

MAJOR PROPOSED INCREASES

- Wage and salary increases in accordance with current labor agreements or awards and allowance for contracts currently under negotiation
- Pension amortization does not recur
- Program enhancements
- Additional personnel resources to handle more tax-delinquent properties in-house
- Additional staffing in DRYS to implement Operation Transformation Rochester
- Increased staffing for recreation centers
- Finance personnel to assist with implementation of HR/Payroll project
- Grant-writer

MAJOR PROPOSED DECREASES

- Decrease in cash capital expense
- Departmental efficiencies and reductions
- In lieu of depreciation for Parking is eliminated
- · Adjustment to timing and number of uniformed recruit classes

EXPENDITURE SUMMARY SUMMARY OF 2012-13 BUDGET AMENDMENTS

The adopted budget may, under certain circumstances, be amended by City Council. Upon written recommendation of the Mayor, City Council may transfer unencumbered balances from one department to another. The transfer is done by passage of an ordinance, which can amend multiple budgets. Examples of amendments are the transfer from Contingency to the departments for purposes of a wage settlement and the transfer of funds from a department with a surplus to one with a deficit. In addition, revenues from any source other than the property tax can be appropriated by City Council upon recommendation of the Mayor. Usually, this occurs upon receipt of a grant and entails increasing both expense and the offsetting revenue. 2013-14 Budget amendments are summarized by department and by individual ordinance, which indicates the appropriation of additional revenue.

EXPENDITURE SUMMARY APPLICATION OF RELATED EXPENDITURES & REVENUES

An informational display is provided on the next page which gives appropriations for each department or major subdivision, related expenditures, and revenues that are found elsewhere in the Budget. The City's budgeting and accounting systems place employee benefits, capital items, and debt in separate departments for monitoring and control purposes. This display distributes those expenses to the department to which they are judged most closely related. In this fashion, a sense of the overall expense level for a given department can be approximated. Intrafund credits, where applicable, have been subtracted from the department's budget to reflect net planned expenditures.

The display also distributes revenue that is judged related to a department. The Application of Revenue section, pages 1-33 to 1-34, provides additional detail on the sources of this revenue. This applied revenue is subtracted from the total expenditures for the departments, yielding a net expense for each department. This net amount is funded by the property tax and other General Fund revenues that are not applied.

FUND ACCOUNTING

In accordance with generally accepted accounting principles, the City records financial transactions of its operations in various funds, each of which is a separate entity. Funds that do not generate sufficient revenues from operations are supported by property tax revenue. Following is a description of the funds and a table summarizing transactions in these funds during 2013-14.

General Fund is Rochester's principal fund and includes all operations not contained in other funds.

Animal Control Fund includes the operation of Animal Control. Under Article 7 of the Agriculture and Markets Law, licensing and impoundment fees, fines and penalties are deposited in this fund and are used solely for animal control purposes.

Library Fund includes operations of the Central and Community libraries. Under Section 259 of the Education Law, all moneys received from taxes or other public sources for library purposes are to be maintained in a separate fund.

Local Works Fund includes street cleaning, roadway plowing and salting, sidewalk plowing, and hazardous sidewalk replacement. Revenues are derived primarily from front footage charges to property owners for services rendered.

Water Fund includes water production, treatment, and distribution.

War Memorial Fund includes the Blue Cross Arena at the Rochester War Memorial operations.

Parking Fund includes operations of Rochester's parking garages, lots, and meters.

Cemetery Fund includes operations of Mt. Hope and Riverside Cemeteries.

Public Market Fund includes the operations of Rochester's Public Markets.

Refuse Fund includes refuse collection and disposal operations.

Introduction

The multi-year projection is a forecast of revenues and expenditures for City purposes only. It does not include a forecast for the City School District.

The multi-year projection is not a prediction of future events. Instead, the projection illustrates the City's fiscal condition over the next five years based on existing trends and specified assumptions. As indicated in the forecast below, a gap for all funds of approximately \$34.7 million is expected for 2015-16. This gap accumulates to \$52.5 million in 2019-2020.

PROJECTED CITY OF ROCHESTER GAPS

Revenue

Property Tax

In recognition of the unusually high property tax burden that City taxpayers currently bear, and to stay competitive with other residential and commercial locations, the multi-year projection assumes a constant property tax levy.

Sales Tax

A sales tax rate of 8.0% is assumed, with distributions according to current distribution formulas. The taxable sales growth rate assumed is 2.5% for 2014-15 through 2019-20.

City School District

The City revenue allocation to the City School District is assumed constant at \$119.1 million. Continuation of the City School District's annual funding of school resource officers at \$1.0 million is assumed.

Intergovernmental

The f	ollowing actions are assumed of the Federal Government:
	Continuation of the Community Development Block Grant at a reduction of 4% per annum.
The f	ollowing actions are assumed of the New York State Government:
	Aid and Incentives to Municipalities (AIM) is assumed to be constant for 2014-15 to 2019-20.
	Funding for categorical and miscellaneous aid programs increases in the New York State 2014-15 budget by \$247,200 for one-time Extreme Winter Recovery relief (e.g., Consolidated Highway Improvement Program funds).
	Funding of \$6.0 million to Rochester for municipal relief in the 2014-15 New York State budget does not recur
The f	ollowing actions are assumed of Monroe County:
	Continued funding of the emergency communications system.
	Continued funding of election inspectors.
	Continued funding at Central Library.

Fees and Enterprise Revenues

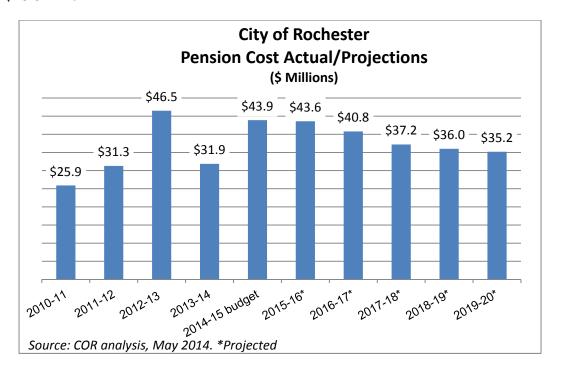

The multi-year projection assumes a 0% rate increase for major service charges (water, refuse collection, parking, front foot assessment).

Other Revenues

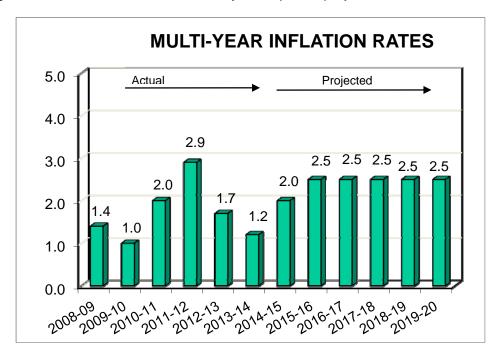

The multi-year projection assumes the appropriation of \$4.9 million General Fund surplus is assumed to be constant for 2014-15 to 2019-20.

Expense

The most intense pressure on the projected expenditures is the mandated contribution to the New York State Retirement System. Retirement expense reflects projections based on the most recent information from the New York State Retirement System and amounts to \$43.9 million for 2014-15. The projection for 2015-16 is \$43.6 million.

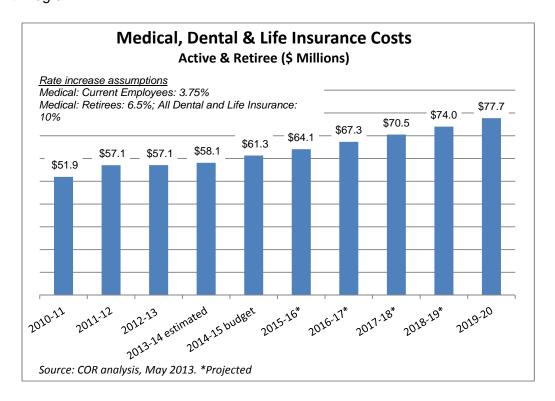

Inflation is also responsible for significant pressure on projected expenditures. The Consumer Price Index (CPI) is projected at 2.0% in 2014-15 and 2.5% for 2015-16 through 2019-20. The effects of inflation on the operating budget are direct and immediate, resulting in increased costs for employee wages and salaries, construction projects, materials, and other services. Cost increases based on expected inflation rates and current labor agreements are reflected in the multi-year expense projection.

The multi-year projection assumes a constant level of services. Only programmatic and service changes currently known are recognized. The constant services approach does not take into account changes in the demand for service.

Expenditure forecasts for Cash Capital and Debt Service are based on the City's 2015-2019 Capital Improvement Program.

Projections for active employee hospitalization and medical insurance assume a 3.75% increase in 2014-15 and each year thereafter. Projections for retiree hospitalization and medical insurance assume a 6.5% increase in 2014-15 and each year thereafter. The projected debt service reflects projects in the Capital Improvement Program.

Closing The Gap

A funding gap is anticipated for each year of the projection. Since New York State Law requires that municipalities prepare balanced budgets, it is necessary that actions be taken to eliminate the gap. Actions are likely to be a combination of the revenue and expenditure options listed below.

Revenue Options

	ise adjustments to existing taxes (except property taxes) have been included in the projection, ue options are limited to the following:
	Intergovernmental aid and grant increase.
	New tax or user fees authorizations.
	Property tax increase.
	Service charge increase.
	Expanded use of Enterprise activities.
<u>Expen</u>	diture Options
Major	expenditure options to eliminate the gap are to:
	Improve productivity – Through improved use of technological advances and innovative management techniques, cost reductions can be realized without reducing service levels.
	Reduce service – If the options above are not sufficient to eliminate the funding gap, service reductions or eliminations will be required.
	Consolidate services with other units of government.
	Negotiate savings in collective bargaining agreements.
	Invest in capital projects with a return on investment.
_	Gain relief from State mandates.

Mission Statement

The City Council supports the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* and governs the City through the enactment of local laws, ordinances, and resolutions. It has nine members elected to overlapping four year terms, with four elected from districts and five from the City at-large. The President of City Council is elected by members of Council and presides over its meetings.

The Office of the City Clerk supports the City of Rochester's *Vision Statement and its Values and Guiding Principles* and maintains official records of the proceedings of the City Council. It issues several types of licenses and administers compensation of City election inspectors.

Organization

City Council includes the members of the City Council and appropriations for Council research, support staff, and other related expenses.

Office of the City Clerk prepares the agendas for City Council meetings, records the proceedings, and prints and distributes the minutes. It prints supplements and amendments to the City Code and Charter. It advertises public hearings and notifies the Secretary of State of changes in local laws. It also administers and audits the payroll for City election inspectors.

Licensing receives applications and payments for licenses for businesses, occupations, marriages, dogs, passport applications, fire and burglar alarm permits, and handicapped parking permits. It prepares related reports for City, County, and State agencies.

The Elections activity consists of salary and training expenses for election inspectors. Inspectors, who are directly supervised by the Monroe County Board of Elections, administer election laws and procedures at local polling places. They record, certify, and transmit election returns to the County Board of Elections.

Purpose

Administration performs the City's executive and central support functions. These include managing City departments, implementing policies for affirmative action, resolving and preventing chronic quality of life, nuisance and disorder issues, preparing and administering the annual budget and capital programs, providing centralized personnel, civil service, and communications functions, distributing information, examining and evaluating City programs, and attending to the legal business of the City.

Mission Statement

Mayor's Office Administration:

To make Rochester the best mid-sized city in the U.S. in which to live, raise a family, visit and grow a business. Our city will be renowned for its safe neighborhoods, vibrant economy, educational excellence and customer service.

Organization

Vital Customers

Mayor's Office Administration:

- ☐ Internal: City Council and City departments
- ☐ External: All who currently or potentially could live, work, visit, or do business in the City of Rochester

Critical Processes

Mayor's Office Administration:

- Oversight of all City departments
- Develop programs and policies
- Prepare operating and capital budgets
- ☐ Continuously improve performance of all City operations
- Manage City's intergovernmental relations
- ☐ Represent of the City to all constituencies and monitor satisfaction with our services

Mission Statement

Office of Public Integrity (OPI):

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by enhancing public confidence and trust in city government by making it more transparent, efficient, and accountable. The office is a means for city government to ensure all City employees are committed to integrity, ethical behavior, legal compliance, and accountability.

Vital Customers

Office of Public Integrity (OPI):

- ☐ Internal: City of Rochester administration, departments, and employees
- External: All who currently or potentially could live, work, visit, or do business in the City of Rochester

Critical Processes

Office	of Public Integrity (OPI):
	Investigations — administrative and criminal
	Internal audits
	External audits if a relationship exists with the City
	Educate employees and constituents

The Mayor is the Chief Executive Officer of the City and is elected by the citizens to a four-year term. The Mayor is empowered to enforce City laws and ordinances, appoint and remove department heads, develop programs and policies, prepare the operating and capital budgets, and examine the performance of all City operations. The Mayor also is responsible for the City's intergovernmental relations and representation to all constituencies.

Department highlights

As a new administration, the Mayor's office has gone through significant changes from the previous budget. A Chief of Staff, Director of Special Projects and Educational Initiatives, grant writer and support staff have been added in this budget. In addition the administration has added a team to address citizen concerns and will have interns working in City Hall during the Summer. The majority of these changes were made January 1, 2014 and this budget reflects the final disposition of the reorganization.

2014-15	Strategic	Goals	&	Objectives
Objective	Δ			

Objective	Projected Completion
Develop a strategic plan for the City that provides direction for City operations and investments looking towards 2020	Fourth Quarter
Investigate and pursue new sources of revenue for the City	Ongoing
Create the position of Grant Writer to enhance the City's ability to pursue Federal, State, and private grant funding to enhance city programs	Ongoing
Continue the City's lobbying and political efforts for a more balanced approach to AIM aid distribution and State mandate relief	Ongoing
Develop programs which increase employment of city residents when City dollars are involved	Ongoing
Realign existing programs including PRIME and SOOP to create Operation Transformation which will serve city youth and adults through recreation centers by offering five comprehensive programs geared towards education, vocation and employment	Ongoing
Continue the effort through budget control, efficiency and internal restructuring to create a sustainable expense base	Ongoing

Objective		Projected Completion			
Continue to oversee the public safety diversity effort	Ongoing				
Oversee the reorganization of RPD into five section model to enhance neighborhood policing	Ongoing

ADMINISTRATION COMMUNICATIONS

Mission Statement

Communications:

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by providing information to the public about the City across multiple communications platforms.

Special Events:

To support the City of Rochester's *Vision Statement and its Values and Guiding Principles* by producing and supporting a diverse array of cultural programming designed to enhance a strong sense of community, to attract residents and visitors, to promote economic development and to market Rochester as a vibrant destination for entertainment and the arts.

Vital Customers

Comm	nunications: Internal: The Mayor and all City of Rochester departments External: The general public, specific target audiences and a variety of stakeholders
Specia	al Events: Internal: The Mayor and City of Rochester departments External: People of all ages who reside, work or visit the Greater Rochester Area, event sponsors, community members who organize festivals, parades, special events, block parties and races, and professional producers of large events and concerts
Critica	al Processes
	nunications: Delivers information, graphics, photo, video, web services and social media, and administers Freedom of Information services Provides marketing, communications planning and consultation Provides media relations Develops and executes dedicated communications campaigns across multiple platforms
	Conceives, designs, plans logistics for, promotes and produces events Processes permits and work orders for all events Develops corporate and community partners and sponsors for events Assists community members in planning their events Enters into and administers contracts with promoters to produce events Coordinates services of various city departments for events

Department Highlights

The 2014-15 budget reflects internal improvements to video production, customer service (FOIL fulfillment), graphics and writing functions and a continued emphasis on community engagement through special events. There will be greater utilization of the Bureau's City 12 and Production contracts with WXXI. Priority projects for the Bureau include the re-design of the front page of the City's website, increased community engagement through the use of social media, continued efficiencies in the FOIL process and a strategic interdepartmental review of the City's public art policy.

2014-15 Strategic Goals & Objectives

Objective	Projected Completion
Lead a strategic interdepartmental review of the public art policy	Third Quarter
Implement efficiencies in FOIL request processing	Ongoing
Increase community engagement through escalated use of social media	Ongoing
Continue website enhancements	Ongoing

Department Highlights

In collaboration with other City Departments, The Information Technology Department (IT) will continue to focus on enterprise process and system deployment. IT continues to lead initiatives to review and improve City processes, and develop comprehensive enterprise architecture. Key projects scheduled for this year include the initiation of a Payroll/Personnel System, continuing further expansion of Geographical Information Systems (GIS), replacement of the existing Parking Garage software and equipment, continuation of work with the Rochester Police Department to expand on their existing records management solution. IT will also initiate efforts to pursue an enterprise document management solution and will continue to improve the City's network and core computing structure with several planned upgrades in the coming fiscal year.

As in prior years, IT continues to face an alarming rate of employees eligible to retire. Many of these individuals support key legacy systems. Therefore more focus is being placed on succession planning. As a result, a Webmaster position is converted to a Systems Engineer position (-\$10,500) to support video surveillance cameras and to upgrade the camera network.

The Department is currently addressing an increasing demand for network capacity. The 2014-15 Budget includes \$74,200 for greater office connectivity. This includes: replacing DSL and broadband cable connectivity with more stable and faster connectivity for data and voice communications (\$25,200); redundant Internet connectivity (\$18,000) and disaster recovery connectivity (\$13,000); and maintenance for wireless radios deployed for City office connectivity (\$18,000)

2014-15 Strategic Goals & Objectives

Bureau	Highlights	Projected Completion
All Bureaus	Implement process improvements for 311 based on prioritization completed in 2013-14	First Quarter
	Upgrade Financial software and realize program enhancements and process improvements	First Quarter
	Complete evaluation and selection of a Payroll/Personnel vendor	First Quarter
	Implement a Process and System solution for Sex Offender Registry	Second Quarter
	Complete a disaster recovery assessment of hardware, software, and data, in order to prioritize areas of greatest risks	Second Quarter
	Implement an Enterprise process and system solution for Garage Parking Access and Revenue Control for Midtown Garage	Second Quarter
	Begin early stages of Implementation of HR/Payroll System	Second Quarter

Bureau	Highlights	Projected Completion
	Implement Phase I of an Enterprise Process and System solution for Treasury Cashiering	Third Quarter
	Implement an Enterprise Process and System solution for Bank Reconciliation	Third Quarter
	Upgrade eMail Servers to Exchange 2013	Third Quarter
	Complete enterprise process analysis and develop requirements for a Smart Card Access control system for the Recreation Centers	Third Quarter
	Implement a Process and System solution for RPD Narcotics Case Management	Fourth Quarter
	Develop an integration between Tracs (traffic citations and motor vehicle accidents) and the new RPD Records Management System	Fourth Quarter
	Evaluate RPD processes and deploy software for gang tracking and equipment tracking	Fourth Quarter
	Establish enterprise-wide standards for Customer Relationship Management (CRM) and implement an enterprise process and system solution for DES Cemeteries	Fourth Quarter
Relationship Managemer Technical Infrastructure	nt/Create interactive maps and apps accessible from the City's website. Standardize addresses to improve the quality of business information and decision-making	First Quarter
	Implement an end-user training	First Quarter
	Complete a portion of the upgrade for the Video Surveillance network	Fourth Quarter

Bureau	Highlights	•	Projected Completion		
	Implement Phase I of Enterprise process an solution for Electronic Processing	Fourth Quarter			
	Replace older non-sup phone handsets with u versions		Fourth C	Quarter

Program Change

Camera & Security System Initiative

A strategy for the City's camera and security system has been developed. It is defined as: "the primary technology standard for video and access control in the City of Rochester will be based on the technology that is used for the system deployed by RPD. Wherever possible any new video locations will be compatible with this technology standard." In addition, the strategy identifies that: "new technology and systems evaluations, as well as systems support and maintenance, will be managed by the City's Information Technology (IT) Department." A Webmaster position was converted to a Systems Engineer position in the IT budget to support this initiative.

Service Delivery Change

Renaming and Reorganization of Business Process Services Unit to Enterprise Process and Systems (EPS)

The intent is to better align staff with required skills and duties, plus provide consultation, implementation and support services for City-wide process and system solutions. EPS will be responsible for proactively engineering all City processes from an Enterprise perspective (across Departments/Bureaus and Divisions) with the goal of maximizing quality and efficiency of City services. EPS is responsible for partnering with departments to implement and provide operational support (training, configuration/workflow, troubleshooting, and vendor relations) for vendor purchased applications. The reorganization results in the transfer of (2) Application Services Analyst I and (1) Application Services Analyst II positions from Application Services Bureau to Enterprise Process and Systems Bureau.

Telephone Chargebacks – Based on costs associated with telephone and data/network use over various connections (includes but not limited to: wireless, DSL, cable, T1, and fiber).

Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by managing the City's financial affairs. We collect revenues, manage and invest cash, manage City debt, and control financial processing. Our responsibilities are to manage payroll, purchasing, and assessment operations; maintain financial records and reports; and enforce financial policies and standards.

Department Highlights

The Department is embarking on a policy change with respect to lien sales and foreclosure activity. A shift is made from reliance on lien sales as the primary collection activity to a hybrid model of lien sales coupled with increased foreclosure activity. This policy shift will enable the City to more aggressively address the management of distressed properties in the City while enhancing collections. Provision is made for two additional Resource Collectors (\$77,200) in the Bureau of Treasury in order to manage the collection and foreclosure activity associated with an approximate three-fold increase in foreclosures.

In order to maintain external collection service, provide assistance to the Mail Center Coordinator, and provide for succession planning, this budget converts one part time Messenger to an Assistant Mail Center Coordinator (\$18,100) in the Bureau of Treasury.

The Department will also be working jointly with the Departments of Human Resource Management, Office of Management and Budget, and Information Technology on the installation of a new payroll/personnel system. In the Accounting Bureau a Business Analyst I (\$59,100) position is created for the management and coordination of this implementation. Also in Accounting, two clerical support positions are converted into two Accountant positions (\$5,800) to support the Payroll and Grant Accounting Units.

This budget includes a planned reorganization of the Bureau of Purchasing to meet compliance monitoring demands associated with an increase in development and public works projects.

In the Bureau of Assessment provision is made in 2014-15 for preparations for a citywide re-assessment planned for 2015-16.

2014-15 Strategic Goals & Objectives

Bureau	Highlights	Projected Completion
Director's Office	Conduct Note Sale	First Quarter
	Conduct Bond Sale	Third Quarter
Accounting	Begin early stages of Implementation of HR/Payroll System	Second Quarter
	Implement an Enterprise Process and System solution for Bank Reconciliation	Fourth Quarter
Treasury	Implement Phase I of an Enterprise Process and System solution for Treasury Cashiering	Fourth Quarter
	Implement Phase I of an Enterprise Process and system solution for Electronic Payment Processing	Fourth Quarter

Assessment	Complete Phase I of the 2016 Reassessment by mailing inventory confirmation letters to property owners, updating the city website, and modify appraisal valuation programs	Fourth Quarter
Parking	Implement an Enterprise process and system solution for Garage Parking Access and Revenue Control for Midtown Garage	Second Quarter
Purchasing	Begin transition to on-line ordering with high-volume vendors to simplify and speed up ordering and payment processes for departments	Second Quarter
Accounting/Treasury/ Purchasing	Upgrade Financial software and realize program enhancements and process improvements	Third Quarter

Year-To-Year Comparison

	Budget	Budget		Percent
Bureau	2013-14	2014-15	Change	Change
Director's Office	474,500	506,800	32,300	6.8%
Accounting	1,161,500	1,258,800	97,300	8.4%
Treasury	1,649,700	1,789,900	140,200	8.5%

Major Change

One Business Analyst I position is added to support the HR/Payroll System implementation

59,100

Two vacant clerical support positions are converted into two Accountant positions to address the current and anticipated increase in the volume of grants and the workload from new Payroll/Human Resource System

Program/Service Delivery Change

Historically, in Grant Accounting there were five grant accountants that handled a total of 69 grants. Currently, Grant Accounting services 188 grants with three grant accountants. Grants/employee has increased from 24.8 in 2003-04 to 62.7 in 2012-13. Since the volume of grants is expected to increase in 2014-15, this budget proposes to convert two a vacant clerical positions to accountants to better address this workload and add flexibility to the organization.

A Business Analyst I is added to act as the Finance and Human Resources lead in the HR/Payroll Systems project.

DEPARTMENT OF FINANCE **TREASURY**

Mission Statement

To support the City of Rochester's Vision Statement and its Values and Guiding Principles through the provision of quality customer service to the taxpayers of Rochester by safeguarding liquidity and yield as it relates to investment, collection and disbursement of taxpayer dollars while upholding the highest ethical standards.

Vital Customers

- ☐ External: City of Rochester Taxpayers, City of Rochester Vendors
- ☐ Internal: City of Rochester Departments

Critical Processes

- ☐ Skilled, highly motivated, cross-trained employees manage specialized receivable, disbursement, and investment systems
- ☐ Use of reliable financial systems
- Adherence to statutory regulations
- ☐ Clear and consistent policy guidance
- ☐ Invest City and City School District funds to generate interest income
- Maintain the City's cash ledger
- Process all interdepartmental and outgoing mail from City facilities
- ☐ Preparation of annual City property tax bill

2014-15 Strategic Goals & Objectives

DEPARTMENT OF FINANCE TREASURY

Program/Service Delivery Change

The policy changes with respect to the tax lien sale and foreclosure process entail the migration from tax lien sales as the primary form of delinquent tax collection towards a significant increase in the foreclosure activity of the City. Two Resource Collectors are added to pursue the collection of delinquent taxes by interfacing directly with taxpayers from City Hall who may be at immediate risk of property loss to foreclosure by the City.

DEPARTMENT OF FINANCE ASSESSMENT

Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by continually improving the accuracy and equity of the annual assessment roll used for the levy of City, School and County real property taxes; to increase the understanding of the assessment process; and to treat all owners fairly.

Organization

Vital Customers

- ☐ External: Rochester property owners, legal and real estate professionals, business entities, World Wide Web users
- ☐ Internal: City of Rochester Departments

Critical Processes

- ☐ Locate, identify, inventory, and record all real property
- ☐ Estimate every parcel's full market value
- Defend proper values and correct errors
- ☐ Incorporate strategic technology to increase the long-term effectiveness and quality of community service
- ☐ Process applications, complaints, and appeals to the Board of Assessment Review.

2014-15 Strategic Goals & Objectives

Objective

Projected Completion

Complete Phase I of the 2016 Reassessment by mailing inventory confirmation letters to property owners, updating the city website, and modify appraisal valuation programs Fourth Quarter

DEPARTMENT OF FINANCE PURCHASING

Program/Service Delivery Change

A significant increase in demand for meeting labor law enforcement requirements is anticipated due to the Contract Compliance unit becoming responsible for approximately \$100+ million of additional development projects and public works contracts in 2014-2015. This is an increase from the ongoing \$35+ million of Public Works contracts that is the baseline workload for the Bureau and the additional \$100 million of NBD projects started in 2013-14. A Purchaser position is converted to a Project Assistant to address the need for increased contract compliance and funds are added for contracted wage & hour investigations.

Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles*, the Department of Neighborhood and Business Development is a team of committed professionals dedicated to enhancing the quality of life and creating economic opportunities for residents and businesses within the City of Rochester. We accomplish this through exceptional people and strategies centered on enhancing neighborhoods, facilitating business growth, and planning future development.

Organization

Department Highlights

Personnel changes include the addition of one full time position for the Land Bank Program, funding for seasonal staffing of the High Falls Museum, and the elimination of two on-call positions (\$78,100).

Funding for High Falls operational expenses is reduced (\$38,300).

Funding for quadrant support activities is added (\$40,000).

Reductions include decreases in chargebacks (-\$35,600) and service and materials expenses as a productivity measure (-\$34,900).

Highlights of the Department's 2014-15 Strategic Goals & Objectives are presented below. Additional information for each bureau is included in the sections that follow.

Highlights	Projected Completion
Implement pilot program for coordinated access to Homeless System	First Quarter
Complete implementation of Voice of the Citizen/Safety through civic engagement with plan for sustainability of initiatives	First Quarter
Implement recommendations for Homeless Resolution Strategy	Second Quarter
Complete analysis/market study for War Memorial	Second Quarter
Complete Analysis to Impediments to Fair Housing Study	Third Quarter
Develop and implement a program to hold financial institutions accountable for properties in foreclosure.	Third Quarter
Strengthen connections with community/ neighborhood groups for enhanced community service/engagement	Third Quarter
Complete new City Comprehensive Plan	Fourth Quarter
Complete new Five (5) Year Consolidated Plan	Fourth Quarter

Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles*, the NBD Office of the Commissioner and Administration and Finance will promote coordination and communication for the department and customers to provide budget and personnel services, grant management, compliance monitoring, performance management, and administrative support.

Organization

Vital Customers

Ш	Internal: City of Rochester departments, NBD staff		
	External: Federal and State government, contractors	husinesses	skilled trades

Critical Processes

Prepare and monitor departmental operating and CIP budgets
Provide budgetary and financial reporting functions
Monitor grant budgets and coordinate audit visits
Coordinate performance management and measurement programs
Administer personnel, purchasing and payroll activities
Ensure adherence to grant compliance requirements for federal formula grant programs
Manage the federal disbursement and information system
Prepare and monitor professional services, sub-recipient and beneficiary agreements
Monitor and maintain database of affordable homeownership and rental units
Process code enforcement billing activities
Coordinate City Council agenda process for departmental items
Coordinate departmental web content

2014-15 Strategic Goals & Objectives

Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles*, the Bureau of Neighborhood Preservation will promote strength, stability, pride and empowerment to our residents and stakeholders and encourage growth of city neighborhoods and businesses through safety, education, and economic development. We will work to bridge the gap between neighborhoods by improving lines of communication, addressing quality of life issues through community partnerships and enhancing delivery of services.

The City of Rochester has been divided into four (4) geographic quadrants, each with its own Neighborhood Service Center. Each quadrant in the city also has its own Quadrant Team, an interdepartmental team of professionals, including law enforcement, dedicated to improving the quality of life in their assigned area. These cross-functional teams are intended to directly solve problems, establish community partnerships, and promote strength and growth in city neighborhoods. Teams meet regularly with community representatives to identify and prioritize issues.

Organization

Neighborhood Preservation is separated into four geographical quadrant areas:

Vital Customers

- ☐ Internal: City of Rochester departments
- ☐ External: City Residents; homeowners, business operators; neighborhood organizations

Critical Processes

- □ Facilitate Quadrant Teams
- ☐ Implement Quadrant Team strategic plans
- ☐ Facilitate resolution of neighborhood complaints
- ☐ Provide technical assistance for community engagement, organizing
- Plan and implement special projects
- Assist in reduction of neighborhood nuisance activities
- ☐ Interact with neighborhood groups and business organizations
- Manage Business Permit process

2014-15 Strategic Goals & Objectives	
Objective	Projected Completion

Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by providing a safe, clean, and attractive community through efficient planning, design, and delivery of services that contribute to the highest possible quality of life within the City of Rochester.

Department Highlights

In 2014-15, the Rochester Police Department and Department of Recreation & Youth Services transfers security functions to the Department of Environmental Services, increasing the DES budget by \$1,923,500.

An analysis of a pilot single-stream recycling collection program will result in a plan for city-wide roll-out for residential and commercial customers by the end of the fiscal year. This initiative will improve the effectiveness of the recycling program and increase operational efficiency.

A clean neighborhood initiative is added to augment cleaning efforts on arterial streets and for neighborhood centric requests.

The department will provide oversight of several major capital projects, including the transformational Inner Loop Project, which will prepare parcels for development; construction of the Center Two Way Conversion (St. Paul Street and North Clinton Avenue); Phase I of marina development; and structural and mechanical improvements to Cobbs Hill Reservoir.

The final phases of the Department of Environmental Services Automatic Vehicle Locating (AVL) Project, including the installation of AVL equipment on the entire public works fleet and operational training, will be concluded. This investment will provide the data needed to improve effectiveness and drive future efficiencies. The department will also evaluate the possible expansion of AVL to other components of the non-public safety fleet.

Highlights of the Department's 2014-15 Strategic Goals & Objectives are presented below. Additional information for each bureau is included in the sections that follow.

2014-15 Strategic Goals & Objectives	Projected Completion
Office of Commissioner:	
Initiate Contract 2 of the Port Marina Project	First Quarter
Complete pilot vacant lot testing for urban agriculture study	Third Quarter
Architecture & Engineering:	
Complete construction of Federal-aid City Bicycle Trails Project	Second Quarter
Begin construction of Inner Loop Transformation Project	Second Quarter
Complete construction of Photech Redevelopment Site	Second Quarter
Complete construction of Project Acceleration Thurston Rd. Streetscape Improvements	Second Quarter
Complete construction of Center City Two Way Conversion Phase I (St. Paul St. & N. Clinton Ave.)	Second Quarter

2014-15 Strategic Goals & Obj	•	ected pletion			
Complete design of Winton Roa - Corwin St.) Improvements	Rd. Third	Quarter			
Begin construction of East End (Project	Garage Rehabilita	tion Third	Quarter		
Operations & Parks:					
Complete Phase 4 of the AVL (Automatic Vehicle Locating) Project, including the integration with onboard vehicle diagnostics for all public works vehicles equipped with AVL			First Quarter		
Implement pilot single-stream re program	cycling collection	First	Quarter		
Configure adjustments to snow more effective use of equipment		ble Seco	nd Quarter		
Complete the evaluation of pilot single-stream recycling collection program		Fourt	Fourth Quarter		
Water:

ENVIRONMENTAL SERVICES OFFICE OF THE COMMISSIONER

Mission Statement

Office of the Commissioner:

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by assisting the Mayor and Commissioner in achieving their vision for the Department.

This is accomplished by:

Fostering a healthy exchange of dialogue between the Department and the City's central service
agencies in order to secure appropriate resources for DES operating units so that they may carry
out their essential missions, and attain stated goals and objectives;
Working in partnership with DES operating units to improve customer service, and the efficiency
and effectiveness of operations;
Improving the flow of communication throughout the Department and enhancing the Department's
capabilities to interact in a meaningful way with its customers.

Environmental Quality:

Environmental Quality supports the City of Rochester's *Values and Guiding Principles* by providing efficient, high quality environmental compliance and pollution prevention, brownfield investigation cleanup and redevelopment, Port of Rochester redevelopment and environmental planning services including brownfield area-wide planning, energy management and climate action planning, regional sustainability planning, and harbor management planning for the City of Rochester and the Public.

These services meet legal and regulatory requirements for City facilities, abate and prevent environmental problems, leverage outside funding sources, respond to energy and climate challenges, encourage sustainable redevelopment, and improve property valuations in order to protect, preserve and enhance the natural and built environment of the City of Rochester and the Genesee Finger Lakes region.

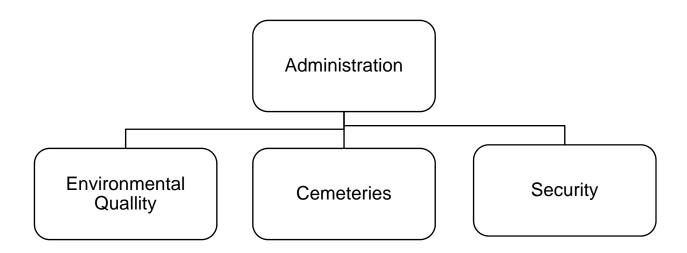

Cemeteries:

Cemeteries supports the City of Rochester's *Vision Statement and its Values and Guiding Principles* by providing compassionate interment services in the historic settings of Mount Hope and Riverside Cemeteries. These services are delivered in a manner that pays tribute to the past, serves and respects the needs of the present generation, and creates a lasting legacy for the future.

Security:

Security supports the Mayor's public safety initiatives by helping to provide a safe environment for employees and the public. This is accomplished by providing personal security for key City staff and visitors to our facilities, security guard services at select City facilities, routine surveillance of City properties, and the monitoring of security alarms installed at City facilities.

Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by focusing on customer service, efficiency, and excellence, the Bureau of Architecture and Engineering serves as the steward of the City's infrastructure. The Bureau collaborates with community representatives, utilities, business owners, and other City Departments on public improvement projects that enhance quality of life and economic development opportunities in our neighborhoods. The Bureau uses in-house resources and manages consultants and contractors in order to perform design and construction services in the public realm related to streetscapes, street lighting, trails, bridges, and City owned buildings.

Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by providing quality public works services through the maintenance of a clean, safe and vital environment for the greater Rochester community in order to improve the quality of life and contribute to a place where people choose to live and do business.

Organization

Vital Customers

- ☐ Internal: City of Rochester Departments
- ☐ External: All who currently or potentially could live, work, visit, or do business in the City of Rochester

First Quarter

Fourth Quarter

2014-15 Strategic Goals & Objectives:

Objective Projected Completion

Complete Phase 4 of the AVL (Automatic Vehicle Locating) Project, including the integration with on-board vehicle diagnostics for all public works vehicles equipped with AVL

Implement pilot single-stream recycling First Quarter collection program

Configure adjustments to snow plow routes to Second Quarter enable a more effective use of equipment

Complete the evaluation of pilot single-stream Fourth Quarter recycling collection program

Complete Phase 5 of the AVL (Automatic Vehicle Locating) Project, including the integration of the hardware and software with the COR (City of Rochester) systems such as GIS, FASTER Fleet Management, RouteSmart, Lagan, etc.

Key Performance Indicators

	Actual <u>2012-13</u>	Estimated <u>2013-14</u>	Budget <u>2013-14</u>	Budget <u>2014-15</u>
INTERNAL OPERATIONS				
Equipment Services:				
Technician productivity	76.8%	77%	80%	80%
Building Services:				
City building inventory	175	175	178	178
Buildings maintained (excludes foreclosed properties)	175	175	178	178
CUSTOMER PERSPECTIVE				
Solid Waste:				
Residential refuse tons collected and disposed	87,671	89,500	95,200	94,000
Commercial refuse tons collected and	9,935	10,000	11,000	11,000
disposed				
Special Services:				
Roadway plow runs	11	16	17	17
Sidewalk plow runs	9	10	13	12
Arterial sidewalk plow runs	2	2	10	12
Parks:				
Acres maintained	900	900	900	900
Ice rinks maintained	2	2	2	2

Mission Statement

To support the City of *Rochester's Vision Statement and its Values and Guiding Principles* through the provision of an abundant supply of clean, palatable water to City residents and wholesale customers, to provide reliable service at a modest price, and to provide an adequate supply of water for fire protection services.

Vital Customers

- ☐ Internal: City of Rochester departments
- External: All who currently or potentially could live, work, visit, or do business in the City of Rochester; Wholesale customers, and New York State Department of Environmental Conservation

Critical Processes

- ☐ Protecting the watershed to keep the water supply as clean (free from contaminants) as possible and monitor our operating agreement for maintenance of watershed area.
- ☐ Filtering, disinfecting, and testing the potability of water before it is delivered to customers.
- ☐ Maintaining the distribution and storage systems in good condition to provide reliable, high quality water.

2014-15 Strategic Goals & Objectives

Objective	Projected Completion
Completion of Phase IV of Automatic Vehicle Location (AVL) Project	First Quarter
Complete Cobbs Hill Reservoir Structural & Mechanical Improvements	Third Quarter
Support of Urban Agricultural Initiative - Pilot Phase	Fourth Quarter
Install 3,500 (5/8 to 2") radio read water meters	Fourth Quarter

Organization

This section includes operating expenditures for the water supply system that cannot be directly attributed to an operating budget. The allowance for uncollectibles is an estimate of the delinquent amount of water charges that are not paid within two years. The administrative chargeback is an interfund charge that reimburses the General Fund for general administrative services provided to the enterprise funds, based on an indirect cost allocation formula. The administrative chargeback to the Water Fund for 2014-15 represents 6.7 percent of total Water Fund expenses incurred in 2012-13. Contribution to the General Fund: the Water Fund makes a contribution to the General Fund as payment in lieu of taxes on the Water Fund capital plant and as a return on investment.

Mission Statement

Emergency Communications:

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by serving as the vital link between the citizens and public safety agencies of the City of Rochester and the County of Monroe. We strive to collect and disseminate all requests for service in a prompt, courteous, and efficient manner for all our customers. Through our actions, we help save lives, protect property, and assist the public in its time of need.

311 Call Center:

To support the City of Rochester's Vision Statement and its Values and Guiding Principles by:

Being Accessible

The 311 Call Center provides our stakeholders with the highest level of customer service for fast and easy access to services and information provided by the City of Rochester.

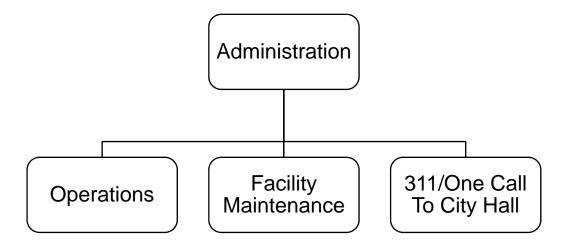

Being Accountable

The 311 Call Center helps City departments improve their service delivery by enabling them to focus on their core competencies and the efficient management of their workforce.

Enabling Transparency

The 311 Call Center continues to seek technological advancements that facilitate data management and analysis and provide the most effective and efficient form of government.

Organization

Department Highlights

The 2014-15 Emergency Communications Budget of \$13,775,500 reflects several changes in the department's staffing and programming.

911 Operations

In an effort to maintain full staffing levels, this budget includes an overhire of 10 Dispatcher I positions to accommodate the new training class that started in April.

The Department will initiate the Request for Proposals (RFP) process to hire an outside consultant to manage and run the Computer Aided Dispatch (CAD) project. Monroe County will reimburse the resultant expense of the awarded RFP to the City.

311/One Call to City Hall

In July of 2013, the Public Safety Aide positions relocated to the Public Safety Building under the Police Department.

Vital Customers

	ency Communications: External: City of Rochester and Monroe County residents, businesses, visitors, and travelers Internal: City of Rochester and Monroe County police, fire, and emergency medical service subscriber agencies
	Il Center: External: Those who currently, or could potentially, live, work, visit, or do business in the City of Rochester Internal: City of Rochester departments
Critical	Processes
	Answer, collect information about, and document all calls to 911 Provide processed 911 call data and event documentation services for all police, fire, and emergency medical service agencies in the City of Rochester and Monroe County Provide dispatch and communication services for participating agencies Provide primary and in-service training for personnel Prepare and monitor the budget Perform planning, personnel, purchasing, and research functions Conduct facility maintenance
	Il Center: Answer and provide information for non-emergency calls Retrieve up to date information to respond to all City related inquiries Provide appropriate avenues for public related information and services Submit service requests to appropriate City departments Intake minor crime reports Provide responses to case inquires Report on Call Center performance Report on City departments' performance and activity

The City operates the 911 Center under contract with Monroe County. The County funds Administration and Operations activities while the City funds Facility Maintenance. The 911 Operating Practices Board (OPB), comprised of representatives from government, public safety, private sector, and citizens, provides advisory policy recommendations to the Center.

2014-15 Strategic Goals & Objectives

Objective	Projected Completion
Continue Computer Aided Dispatch (CAD), Records Management System (RMR), Jail Management System (JMS), Mobile Data Terminal (MDT), and Fire Based Records Management System (FBRMS) computer system replacements and upgrades	Ongoing
Conduct feasibility study to evaluate options for relocation of 311 and 911 facilities and expansion of 911	Ongoing
Continue strategic planning for replacement of legacy radio systems and implementation of trunked radio system for 911 in 2016	Ongoing
Work with Information Technology to implement process improvement and software enhancement opportunities identified in the 311 Call Center processes assessment completed in 2013-14	First Quarter
Complete implementation of 311 Call Center technology growth initiatives through the expansion of new technology such as live chat and mobile applications	Second Quarter
Complete the text to 911 deployment for cell phone customers in accordance with the FCC and company readiness policies	Second Quarter

Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by maintaining law and order through crime reduction, customer service and professionalism.

Vital Customers

Internal: City of Rochester Departments; RPD employees (sworn and non-sworn)
External: Individuals who live, work, visit, or do business in the City of Rochester

Critical Processes

Analysis of crime data and deployment of resources
Collaboration with other law enforcement agencies at the local, state, and federal levels
Community involvement and crime prevention initiatives

Departmental Highlights

- Police Academy The budget includes funding for a Police Academy class of up to 25 police recruits in February, 2015. RPD averages about 25 retirements per year. This recruit class will help stabilize RPD's sworn strength as retirements occur, and will enable vital operations and services to continue at a consistent level. RPD recruits must complete a 10-month period of Academy and field training before they can be deployed for street duties.
- <u>City Security</u> The budget reflects the transfer of Security functions from the RPD budget to the DES budget. Through consultation with other City Departments it has been determined that the consolidation of Security functions will enhance overall City service.
- <u>Reorganization</u> Planning for the Department's Reorganization began late in 2013-14 and the
 process will continue throughout 2014-15. The phased implementation of the Reorganization will
 take place within 2014-15 and the budget reflects the addition of one Lieutenant and one
 Commander Position to address immediate project needs. The Department has worked closely with
 OMB to identify budget contingencies to address anticipated needs that will impact the budget
 during implementation.
- <u>Animal Services</u> Rochester Animal Services (RAS) continues to assess operations and service
 delivery. The budget reflects changes in RAS intended to allow for continued focus on improving
 efficiency, service delivery, and supervision.

Highlights of the Department's 2014-15 Strategic Goals & Objectives are presented below. Additional information for each bureau is included in the sections that follow.

Highlights	Projected Completion
Office of the Chief:	
Implement Department's Strategic Plan to drive Department-wide change, manage operations more effectively and measure results	Ongoing
Continue to work with DHRM to maximize recruitment efforts for minority police officer candidates	Ongoing
Plan, coordinate and manage the department reorganization	Ongoing

Highlights	Projected Completion
Operations:	
Increase RPD outreach into neighborhoods to increase collaboration and involvement in crime prevention	Ongoing
Develop and implement a plan to address the open air drug markets within the city	Ongoing
Administration:	
Recruit and hire up to 25 Police Officers for February recruit class	Third Quarter
Pending approval of a NYS grant, complete a document management assessment project as part of a planning grant with Information Technology and develop an RFP for an Enterprise Document Management solution	Fourth Quarter
Implement phase 2 of the Records Management System (RMS) and continue future phase planning in partnership with Information Technology	Ongoing
Participate in Personnel/Payroll (PSI) City-wide implementation	Ongoing

Organization

Critical Processes

D	_	4	r	_	ı

- □ Protects life and property
- ☐ Protects constitutional guarantees of all people
- □ Conducts preventive patrol
- ☐ Conducts preliminary and follow-up investigation of reported offenses
- Reduces opportunities for commission of crime, provides resolution of conflict, identification of criminal offenders and criminal activity, and apprehension of offenders
- ☐ Conducts periodic reviews of patrol and investigative activities, including use of "Crimestat" to analyze crime patterns and response strategies
- ☐ Works with neighborhood Police-Citizen Interaction Committees (PCIC) to develop targeted crime prevention and response programs
- Coordinates the police portion of the City's four Neighborhood and Business Development (NBD) quadrant teams to address quality of life issues
- ☐ Plans responses to unusual occurrences or emergency incidents

Special Operations

- □ Provides specialized field support services
- ☐ Tactical Unit provides directed patrol, crime-specific details, proactive investigative efforts
- ☐ K-9 unit provides canine support services to building searches and in tracking, as well as in nitrate and narcotic searches
- ☐ Mounted Patrol provides highly visible patrol and crowd control presence Downtown, at special events, and in the event of disturbance
- □ Traffic Enforcement Unit
 - o Enforces vehicle and parking regulations
 - o Coordinates the School Traffic Officer program
 - Conducts alcohol-related enforcement counter measures and proactive traffic direction and control throughout the city

POLICE DEPARTMENT OPERATIONS – PATROL

- Handles complaints or suggestions concerning traffic-engineering deficiencies and transmits related data to Traffic Control Board
- Youth Services Unit
 - Develops and implements programs along with School Resource Officers (SROs) to prevent and control juvenile delinquency
 - Administers Department's youth initiatives and serves as a liaison to Family Court and other social agencies

Special Events

☐ Coordinates all police activities at cultural and special events, including assessing logistical requirements, traffic and crowd control plans, contingency plans, and coordination of all intra- and inter-departmental personnel

Animal Services

- Responds to animal-related complaints, impounds unleashed, surrendered, and stray pets, issues summonses for animal ordinance violations, and deals with injured or menacing animals
- ☐ Makes available unclaimed dogs and cats for public adoption
- ☐ Enforces laws against vicious animals
- ☐ Provides shelter and veterinary care for impounded animals after a specified holding period
- ☐ Assists department in hazardous situations involving animals
- Operates low-income spay/neuter program

2014-15 Strategic Goals & Objectives

Objective	Projected Completion
Increase RPD outreach into neighborhoods to increase collaboration and involvement in crime prevention	Ongoing
Develop and implement a plan to address the open air drug markets within the City	Ongoing

POLICE DEPARTMENT **OPERATIONS – INVESTIGATIONS**

☐ Provides investigative support services necessary for effective operation of the department

Central Investigations

- ☐ Major Crimes Unit investigates all homicides, economic crime, and bank robbery, child abuse, arson, missing persons, and other assignments assigned by Central Investigations commanding officer
 - o Compiles and analyzes investigative data from field interview forms and reports in order to identify crime-specific strategies for patrol officers and investigators
- ☐ License Investigation Unit investigates applicants for licenses issued by City of Rochester that require approval by Chief of Police
 - o Administers City's alarm ordinance
 - Processes NYS Pistol Permit Applications
- ☐ Technician's Unit gathers and analyzes evidence from crime scenes
 - o Collects, processes, preserves, analyzes physical evidence
 - o Supervises Photo Lab, which processes photos for evidentiary and identification purposes

	Special investigations Section
_	Investigates illegal narcotics activities, illegal sale and distribution of liquor and tobacco, vice
	(organized prostitution, pornography, gambling), illegal weapons, trafficking, organized crime
	Provides surveillance and intelligence services in support of investigations
	Work in joint task forces with Federal, State, and local law enforcement agencies
1	Narcotics Unit is responsible for suppression of illegal drug trafficking activities from street level up to and including major criminal conspiracy efforts
_	0 , 1 ,
_	Intelligence Unit investigates criminal conspiracies of organized or subversive crime and is responsible for suppression of illegal gambling, organized prostitution, and pornography
	Surveillance and Electronic Support Unit is responsible for technical surveillance equipment used in investigative efforts
	Firearms Suppression Unit conducts activities such as Project Exile, weapon tracing and weapon
_	crime intelligence
┙	Crime Analysis Unit reviews crime investigation reports, investigative action reports, and field
	interview forms
]	Crime analysts work with Monroe Crime Analysis Center to develop intelligence products that improve ability to reduce Part I crime

POLICE DEPARTMENT **OPERATIONS – INVESTIGATIONS**

Family & Victims Services

- ☐ Provides direct public services through the Family Crisis Intervention Team (FACIT), which assists patrol officers responding to reported family disputes, and the Victim Assistance Unit (VAU), which counsels crime victims and assists them in dealing with the justice system.

 Unit costs are partially underwritten by the New York State Office of Crime Victims

POLICE DEPARTMENT ADMINISTRATION

Mission

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by providing administrative support services necessary to Department operations, and by overseeing the Officer Assistance Program that provides crisis intervention and stress counseling services to members and their families

Organization

Critical Processes

- □ **Professional Development** administers the department's training programs, including roll call, recruit, civilian (pre-service) and in-service training.
 - o Firearms Training Unit coordinates firearms training and maintains records on each departmental weapon, and related inventory and firearms proficiency records.
 - o In-Service Training Unit plans and develops training and special programs.
 - Recruitment and Field Training Unit coordinates recruit officers' training and probationary officers' field training and performance evaluations, as well as selection and certification of Field Training Officers (FTOs) assigned to the Patrol Division.
 - o Coordinates, trains, and evaluates all newly appointed Sergeants and Lieutenants.
 - Background and Recruitment Unit actively works with the Department of Human Resource Management to recruit new officers and conduct background research.
- ☐ **Technical Services** oversees resource and records management, contract vehicle towing, coordination of fleet purchases, maintenance of fleet assets with the Department of Environmental Services, and inventory control of departmental fixed assets. Red light camera videos are reviewed by this unit and approved for notices of violation.
 - o Support Services includes the Property Clerk and Auto Pound, which receive evidentiary items, recovered property, and impounded vehicles.
 - Quartermaster maintains and coordinates purchase and issuance of inventories of uniforms, equipment and supplies.
 - Firearms Investigation Unit examines firearms coming into the custody of the department and conducts background investigations per federal law on all individuals requesting to purchase handguns within the city.

POLICE DEPARTMENT ADMINISTRATION

- The Headquarters and Records Unit houses criminal and accident records, and conducts manual and automated record and warrant checks, using both local files and the statewide New York State Police Information Network (NYSPIN) system.
 - Provides central duplication services, responds to walk-up complaints and information requests, and issues copies of reports as legally required.
 - Information Services unit is responsible for entering, reviewing and monitoring the quality of information entered in the department's Records Management System and filing, retrieval, and security of Department reports.
 - Juvenile Records Unit is responsible for the privacy and security of juvenile records which must be maintained separately from adult records.
 - Warrant Unit administers the department's arrest warrant service, entering notices into regional, state and federal information systems.
 - Court Liaison unit maintains contact with criminal and traffic courts for notification to police officers and civilian employees to appear in court for required proceedings.
 - Identification Unit takes fingerprints and maintains manual and automated photograph and fingerprint files.
 - Paralegal Unit assists sworn personnel in the preparation of selected forms and reports for Grand Jury packages, tracking felony cases submitted through the court system and reporting their disposition to the commanding officer, and reviewing Grand Jury referrals and juvenile petitions before delivery to Family Court.
 - Police Overt Digital Surveillance System (PODSS) center monitors suspicious activity through a series of surveillance cameras and other technology, using police radios and Computer Aided Dispatch (CAD) terminals allowing direct communication with police officers on the street.
- ☐ **Personnel** provides personnel management, including job classification, hiring and promotion, payroll, and record maintenance
- **Budget** provides central financial management for the department, including budget preparation, purchasing, and contract administration.
 - o Reviews all claims, requisitions, and contracts, and purchases central supplies and services

□ Research & Evaluation

- Conducts research and management and statistical analysis
- o Monitors compliance with state standards and national accreditation agencies
- Assists in conducting on-site evaluations
- o Prepares department's annual report
- Researches and writes grant applications and submits grant-related operational and financial reports
- Serves as repository for all department and New York State reports
- Coordinates policy and procedure development for handling of emergencies
- Liaison to Monroe County Office of Emergency Preparedness
- Liaison to Department of Human Resource Management in administration of department's health and safety program

Fourth Quarter

2014-15 Strategic Goals & Objectives

Objective	Projected
	Completion

Recruit and hire up to 25 Police Officers for Third Quarter February recruit class

Pending approval of a NYS grant, complete a document management assessment project as part of a planning grant with Information Technology and develop an RFP for an Enterprise Document Management solution

Implement phase 2 of the Records

Management System (RMS) and continue

Ongoing

future phase planning in partnership with Information Technology

Participate in Payroll / Personnel (PSI) Ongoing

City-wide implementation

Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by providing professional services for life preservation, incident stabilization and property conservation. We protect life and property through fire suppression, emergency medical services, technical rescue, fire prevention, disaster preparedness, and public education. The effective delivery of these services is achieved through a commitment to our employees and the community.

Department Highlights

The proposed budget includes funding for a planned recruit class of 16 in January 2015. The recruit class will provide an opportunity for continued efforts to increase diversity among uniform personnel.

The 2010 Urban Area Security Initiative Grant, Metropolitan Medical Response Grant, 2011 State Homeland Security Program, and 2012 Assistance to Firefighter Grants expire. The RFD will continue to pursue grant funding opportunities as they become available.

The Department is expanding community outreach activities to include additional school education programs and fire safety presentations.

The Department will develop a technical rescue training program for uniform personnel in the areas of crane, towers and scaffolding to enhance rescue capabilities.

Highlights of the Department's 2014-15 Strategic Goals & Objectives are presented below. Additional information for each bureau is included in the sections that follow.

Highlights	Projected Completion
Office of the Fire Chief:	
Review Mutual Aid agreement with Greater Rochester International Airport	Third Quarter
Conduct economic impact study of commercial fire damage	Fourth Quarter
Operations:	
Develop emergency protocols for crude oil rail transport	Second Quarter
Implement EMS administration of albuterol and pulse oximeter	Second Quarter Fourth Quarter
Develop and implement technical rescue training: cranes, towers and scaffolding	Fourth Quarter

Highlights		Projected Completion			
Support:					
velop and implement enhanced Community Outreach /Fire Safety Education program		First Quarter			
Complete risk assessment and impact analy for Kodak Park	sis	Second Quarter

FIRE DEPARTMENT OFFICE OF THE FIRE CHIEF

Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles*, the Office of the Fire Chief manages the Fire Department; analyzes and evaluates operations and performance; carries out public relations; maintains Rochester's radio fire alarm system; and performs case management of sick and injured firefighters.

Organization

Critical Processes

- ☐ Manages personnel and establishes personnel standards, policies and work schedules
- □ Coordinates department's annual budget request
- Controls general fiscal matters
- Oversees department's contract administration, including Emergency Medical Service (EMS) and Medical Director services
- Administrative oversight of the Protectives contract
- ☐ Coordinates department's facilities maintenance and acts as liaison with Department of Environmental Services/Architectural Services for building renovations
- Oversees Fire Code enforcement administration and records management
- ☐ Grant administration and coordination
- Analyzes operations and reporting systems
- ☐ Evaluates programs and develops recommendations for modifying procedures
- ☐ Assists in implementing new operating procedures, methods and techniques
- Oversees information systems
- ☐ Acts as liaison with City's Information Technology Department, Emergency Communications Department, Monroe County Public Safety Communications, Rochester Police Department, and Neighborhood & Business Development
- ☐ Maintains Rochester's radio fire alarm system
- Oversees Case Management of all duty related injuries/illnesses and claims for on duty injury coverage

Mission Statement

preventative measures

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles*, the Operations Bureau fights fires, provides emergency medical services, and responds to other emergency and non-emergency incidents. The Bureau remains prepared for this mission though training of recruits and ongoing training of firefighters and officers, through its Emergency Medical Services (EMS) Program, and through its Health & Safety compliance activities.

Emergency Medical Service

- ☐ Coordinates delivery of Emergency Medical Services program, including training, certification, testing for:
 - Emergency Medical Technician (EMT)
 - Certified First Responder (CFR)
 - Cardiopulmonary Resuscitation (CPR)
 - Continuing Medical Education (CME)
- ☐ Purchases and maintains EMS equipment and supplies

Health & Safety

- ☐ Ensures compliance with all Occupational and Safety Health Administration (OSHA) and other regulations
- ☐ Inspects facilities, apparatus, and equipment for compliance with Federal, State, and local safety regulations
- ☐ Provides oversight at the scene of emergency incidents
- ☐ Recommends changes in procedures to reduce the risk of injury to firefighting personnel
- Monitors work place health and safety requirements per National Fire Protection Association (NFPA) standards, including the following components: employee health and safety training, incident scene monitoring, maintenance and provision of protective equipment, investigation of improper practices, continuous improvement program for enhanced safety procedures and practices

2014-15 Strategic Goals & Objectives

Objective	Projected Completion
Develop emergency protocols for crude oil rail transport	Second Quarter
Implement EMS administration of albuterol and pulse oximeter	Second Quarter Fourth Quarter
Develop and implement technical rescue training: cranes, towers and scaffolding	Fourth Quarter

FIRE DEPARTMENT SUPPORT

Mission Statement

To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles*, Support maintains fire apparatus and equipment, investigates all structure and other fires, and conducts code enforcement.

Organization

Critical Processes

Apparatus Maintenance

- Repairs and maintains fire apparatus, support vehicles, other motorized equipment
- ☐ Develops specifications for new apparatus and prepares for use
- ☐ Prepares surplus firefighting equipment for sale
- Maintains Airport fire apparatus

Supply Depot

- Orders, maintains, stocks, and distributes equipment and materials to fire stations
- ☐ Performs general maintenance, testing, and routine repairs on fire tools and appliances
- Responds to major fires to deliver additional air bottles and make minor on-the-spot repairs

Fire Investigation

- ☐ Investigates all structure fires or other incidents including vehicle, trash, and false calls
- ☐ Surveys fire scenes to determine ignition sequence and fire development
- Conducts interviews with witnesses and victims
- ☐ Arson Task Force interrogates suspects and pursues criminal charges
- ☐ Fire Related Youth Program investigates juvenile fire-setter incidents
- ☐ Performs educational interventions with juveniles and primary caregivers

FIRE DEPARTMENT SUPPORT

Code Enforcement/Fire Safety ☐ Inspects residential, commercial, industrial, and institutional properties ☐ Cites violations of the Fire Prevention Code liable to cause fire and endanger life and property ☐ In conjunction with Neighborhood and Business Development, reviews new construction plans to ensure code compliance ☐ Inspects properties receiving Certificates of Occupancy and entertainment licenses ☐ Issues permits for maintaining, storing, handling, and transporting hazardous materials; inspects vehicles, buildings, and storage places that will be used

☐ Maintains information file on structures that records inspections, permit issuance, fire prevention measures

☐ Conducts educational programs to develop public awareness of fire and fire safety

2014-15 Strategic Goals & Objectives

Objective	Projected Completion
Develop and implement enhanced Community Outreach/Fire Safety Education program	First Quarter
Complete risk assessment and impact analysis for Kodak Park	Second Quarter

Mission Statement

- □ To support the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by enriching the quality of life in Rochester and Monroe County by providing educational, recreational, aesthetic, and informational materials, services, and programs to help people follow their own lines of inquiry and enlightenment.
- ☐ Through a partnership of public and private resources, the Library assists the City and County in meeting the needs of the community by operating the central and branch libraries, conducting outreach programs and providing services to member libraries of the Monroe County Library System.
- ☐ In all its endeavors, the Library maintains and promotes the principles of intellectual freedom and equality of access.

Organization

The Library consists of the Central Library, which includes Monroe County Library System support services, and Community Services, which includes the branch libraries. In accordance with New York State Education Law, the Library is governed by an eleven-member Board of Trustees. The Mayor appoints trustees, with the approval of City Council, for five-year terms.

Vital Customers

■ External: All users of library products, services, facilities; special populations; institutions/agencies/organizations; funding bodies; businesses; other libraries.

Critical Processes

Our valued and culturally diverse staff provides convenient and reliable services and dyna	amic
collections that anticipate the needs of our community.	

Our attractive and inviting facilities enable us to meet the specific library service needs of neighborhoods.

☐ We play a leadership role in facilitating independent learning in order to help people lead more productive and fulfilling lives.

Highlights of the Department's 2014-15 Strategic Goals & Objectives are presented below. Additional information for each bureau is included in the sections that follow.

Highlights	Projected Completion
Central:	
Complete construction of first phase of Central Master Space Plan, Reynolds Media Center	First Quarter
Begin design of second and third phases of Central Master space Plan, renovation and relocation of Arts/Recreation and Teen Central	Second Quarter
Review recommendation for digitizing program and implement operational changes	Third Quarter
Community:	
Implement and evaluate K-6 literacy partnerships with the City School District for summer reading engagement and youth employment	First Quarter
Evaluate and develop transition plan to move Pillars of Hope Program from the Department of Recreation & Youth Services	First Quarter
Continue Branch Library reorganization and strategic planning process	Ongoing

Organization

Critical Processes

Ohiootivo

- ☐ Acquire materials, schedules and deploy personnel to branch libraries
- Maintain and repair branch libraries
- ☐ Provide convenient access to library services through:
 - Loans of printed materials, audio recordings, compact discs, dvds, and electronic materials
 - Collections of popular interest for area residents
 - Reference services with access to the resources of the Monroe County Library System
 - Programs such as story hours, lectures, and artistic performances, English language learning, and school tutoring

Drainatad

- Referral services to community agencies
- Facilities for meetings and programs sponsored by non-library groups
- Access to the Internet and personal computing needs

2014-15 Strategic Goals & Objectives

Objective	Projected Completion
Implement and evaluate K-6 literacy partnerships with the City School District for summer reading engagement and youth employment	First Quarter
Evaluate and develop transition plan to move Pillars of Hope Program from the Department of Recreation & Youth Services	First Quarter
Complete revitalization of toy library and develop a distributive model that will share toys and staff expertise among all branches	First Quarter
Explore partnership with a charter school to deliver UPK instruction for 3 year olds in selected branch libraries and recreation centers	First Quarter

PUBLIC LIBRARY COMMUNITY LIBRARY PERSONNEL SUMMARY

2014-15 Strategic Goals & Objectives

Continue to expand literacy programming to meet needs of Branch services areas, including High School equivalency (TASC), English for speakers of other languages, and citizenship Second Quarter

Continue Branch Library reorganization and strategic planning process

Ongoing

Mission Statement

The Department of Recreation and Youth Services (DRYS) supports the City of Rochester's *Vision Statement and its Values and Guiding Principles* through the administration of programs, social activities, and supports services. These activities are carried out with a focus to providing first-rate services to our citizens.

DRYS nurtures and inspires the inner potential of all citizens of Rochester through recreational, educational, creative arts and employment readiness programs, thereby supporting the development of a healthy, educated and self-sustaining community. We recognize that the youth of our community are in particular need of support during their formative years, and as such, we have a special focus on youth programming.

Department Highlights

The DRYS 2014-15 budget is the result of the leadership team's department-wide comprehensive assessment to carefully diagnose the current situation and accurately determine its challenges, deficiencies, and opportunities. The primary focus of this broad-based appraisal is on process, organization, leadership, and culture. Department-wide, staff is engaged in a systemic process involving community input to determine and address the needs and desired outcomes that will best serve the citizens of Rochester.

This budget creates a framework to align the department with administration goals including: providing paths to employment, enhancing safety for our youth, improving educational opportunities and raising the public profile of the department's offerings while keeping spending down. Much of this work is done through consolidations, staff reorganization, streamlining, and strengthened programming.

The proposed budget includes 80 full-time positions, an increase of one over the 2013-14 amended budget. In addition, four full-time temporary positions are added as new programs are piloted.

Commissioner's Office

Several functions currently dispersed among various bureaus will be consolidated under the Commissioner's Office in order to elevate their profile, provide department-wide services, and streamline functions. A highlight of this consolidation is the redeployment of security staff to work directly with violence prevention services (Office of Youth Outreach and Violence Prevention, which includes Pathways to Peace). This will allow the department to take a holistic approach to safety, and offer community-wide violence intervention. This consolidation will also allow the department to take a quadrant-based approach to safety. Despite the financial transfer of the security function to DES, the two departments are in agreement that a portion of security resources will remain assigned to DRYS. The City will fund an evaluation of the Office of Youth Outreach and Violence Prevention to determine whether it is appropriately staffed and ensure its services are in alignment with best practices.

Public outreach and marketing will also be brought under the Commissioner's Office to provide consistent communication services across the department, and consistent with City-wide standards. The Public Market will transfer in from the Recreation Bureau.

Recreation Bureau

Funding is increased for part-time and seasonal positions in order to increase recreational and educational programming and insure proper, consistent service and program delivery. New educational programming will focus on the arts, math, literacy, sports, environmental sciences, technology, and play.

The City will fund an evaluation of the Recreation Bureau to ensure its services and programs are delivered in the most effective and efficient manner. The addition of two full-time temporary Area Coordinators allows the Bureau to pilot a quadrant-based management model.

Bureau of Employment, Skills Training, & Youth Services

In an effort to eliminate redundancies and take a more holistic approach to employment and youth development services, the Bureau of Employment Opportunities and the Bureau of Youth Services are consolidated into a single organization named the Bureau of Employment, Skills Training & Youth Services (BEST&YS). This new Bureau is designed from the ground up to embrace the vision of Operation Transformation Rochester, and to streamline and deepen employment and life skills training services.

The Bureau will see a net increase of two full-time positions, plus two full-time temporary positions to help achieve its goals.

Benchmarks for Success

The success of the department's	reorganization will be measure	ed against the following objectives:
---------------------------------	--------------------------------	--------------------------------------

- □ Reduce conflict incidents at community centers while increasing preventive violence outreach cases.
- ☐ Increase enrollment in life skills and job training programs and increase success rate.
- ☐ Increase ties to the business community to provide more employment opportunities.
- ☐ Increase community center attendance.
- ☐ Increase participation in recreation programming.
- ☐ Increase community-wide second party use of recreation facilities.

Mission Statement

The Commissioner's Office supports the City of Rochester's *Vision Statement and its Values and Guiding Principles* by setting management policy, goals, and performance standards. It coordinates the Department's annual budget and capital planning processes; maintains fiscal operations and payroll matters; coordinates the purchasing of supplies; and manages the City Council submission process.

The Office of Youth Outreach and Violence Prevention, which includes Pathways to Peace, operates a street level team of outreach workers, channeling young city residents toward an array of community resources to prevent youth violence. This highly motivated team establishes essential linkages among service providers, participating youth, and their families. This office also monitors the young participants' progress to ensure that these at-risk youth become productive citizens.

The Bureau also manages and operates the Rochester Public Market in a manner that ensures its financial viability, fosters local economic development, promotes and sustains farmers and vendors, and provides consumers with access to a fresh, nutritious, and affordable food source.

Program Changes

The Commissioner's Office will establish an Administration and Finance activity to consolidate these functions as well as grants management.

Public outreach and marketing will also be brought under the Commissioner's Office to provide communication services across the department that are consistent with city-wide standards.

Some security staff that is transferred to DES will remain assigned to DRYS, and will work directly with preventive violence services (Office of Youth Outreach and Violence Prevention, which includes Pathways to Peace).

The Public Market function transfers to the Commissioner's Office from Recreation to elevate its profile.

Mission Statement

The Bureau of Recreation supports the City of Rochester's *Vision Statement* and its *Values and Guiding Principles* by providing quality programs and services to residents of all ages with an emphasis on youth. This is accomplished by utilizing a youth development philosophy with a focus on competence, usefulness, belonging, and power of influence. The Bureau acts as stewards, interpreters and champions of our City's recreational and horticultural resources including parks, playgrounds, green spaces and related facilities. It plans and implements capital improvement projects in parks and recreation facilities.

Organization

Vital Customers

- City youth and their families
- Residents and visitors of all ages
- Parks patrons
- □ Rochester City School District
- Community partners and collaborators

DEPARTMENT OF RECREATION & YOUTH SERVICES BUREAU OF RECREATION

Critical Processes

Conduct community recreation and youth development at 18 school year sites and 28 summer sites
Conduct programs, events, and workshops focused on horticulture, the environment, and
community wellness
Conduct community aquatics programs at numerous sites
Organize a variety of community special events to promote youth development and social skills
Develop and implement initiatives to provide enhanced youth development programming with youth
and families to increase asset attainment in students
Use a Program System Management model to provide quality management of existing and new
programs, which includes marketing, staff development, and community input

2014-15 Strategic Goals & Objectives

Objective	Projected Completion
Launch new branding and marketing plan	First Quarter
Implement magnet programming model at five recreation center sites	First Quarter
Implement quadrant-based management model	First Quarter
Complete play apparatus and landscape improvements at Ave. D Recreation Center	Second Quarter
Evaluate and expand revenue-based programming and space usage	Third Quarter
Complete enterprise process analysis and develop requirements for a Smart Card Access control system for the Recreation Centers	Third Quarter
Oversee an external evaluation of Recreation programs and service delivery	Fourth Quarter

Program Change

New recreational and educational programming will be implemented, focused on the arts, math, literacy, sports, environmental sciences, technology, and play.

The addition of two full-time temporary Area Coordinators allows the Bureau to pilot a quadrant-based management model.

The Public Market function transfers to the Commissioner's Office and funding for the security function transfers to the Department of Environmental Services.

DEPARTMENT OF RECREATION & YOUTH SERVICES BUREAU OF EMPLOYMENT, SKILLS TRAINING, & YOUTH SERVICES

Program Change

The Bureau of Employment Opportunities and the Bureau of Youth Services will be consolidated into a single organization named the Bureau of Employment, Skills Training & Youth Services (BEST & YS).

BEST & YS will implement Operation Transformation Rochester, a program designed to streamline and deepen employment and life skills training services for youth and adults.

The Pillars of Hope program will be evaluated for a possible move to the Rochester Public Library. This initiative brings teams of African-American and Latino role models from the community into city schools.

The Bureau will see a net increase in four full-time positions (two are temporary) to help achieve its goals.

Purpose

The Undistributed Expenses budget records allocations associated with, but not included in, departmental budgets or those that cannot reasonably be distributed to departmental budgets. This budget includes costs for both current and non-current employee benefits, general risk management, payments to other agencies, and other miscellaneous expenditures.

Year-To-Year Comparison

	Budget	Budget		Percent
Main Functions	<u>2013-14</u>	2014-15	<u>Change</u>	Change
Employee Benefits - Current	94,437,200	105,222,700	10,785,500	11.4%
Employee Benefits - Non-Current	23,852,100	24,397,400	545,300	2.3%

^{*}Reflects chargeback for Worker's Compensation costs.

UNDISTRIBUTED EXPENSES **EMPLOYEE BENEFITS – CURRENT**

NEW YORK STATE RETIREMENT SYSTEM: the City makes annual payments to the New York State Retirement System, which in turn is responsible for making pension payments to eligible retirees. The New York State Comptroller oversees the System. The City participates in nine separate programs, three for civilians and six for uniformed employees. Each program provides a different level of benefits. Employees are eligible for participation in the various programs based on their employment period, which is called a tier. Tiers are:

<u></u>	·····						
	Non-Uniformed Employees	Uniformed Employees					
1	Before July 1973	Before July 1973					
2	July 1973 to July 1976	After July 1973 to December 2009					
3	July 1976 to August 1983	July 2009 to January 2010					
4	September 1983 to December 2009	Does not apply					

Hire Date (by any qualified public employer)

January 2010 to March 2012

After April 1, 2012

The amount of the payment is the product of the projected 2014-15 wage base times the contribution rates for each tier. The wage base is the projection by the Comptroller based upon wages and salaries earned during the period April 1, 2012 to March 31, 2014. The Comptroller determines the contribution rates which vary from year to year. The bill includes a reconciliation of under or over payment based on the prior year's actual wages. The bill also includes the annual repayment amount of prior amortizations.

January 2010 to March 2012

After April 1, 2012

A Voluntary Defined Contribution (VDC) option instead of joining the New York State Retirement System is available to all unrepresented employees hired on or after July 1, 2013 who earn more than \$75,000. The plan is administered by the State University of New York (SUNY). The current employer contribution rate is 8% of gross salary.

Year-To-Year Comparison

	<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
Budget	33,176,300	43,933,700	10,757,400

5

6

Major Change Pension increase due to not amortizing and based on the Comptroller's actual rates on a projected wage base	10,453,400
Amortization repayment for 2013-14 is added	1,359,000
Wage base in 2013-14 over estimated by New York State results in a projected credit	-1,100,000
Funding is added for the Voluntary Defined Contribution option	45,000

UNDISTRIBUTED EMPLOYEE BENEFITS – CURRENT

SOCIAL SECURITY: under the provision of Federal law, the City contributes to the Social Security Trust Fund 7.65 percent of the first \$117,000, then 1.45 percent after that for salaries and wages earned by each eligible employee. Certain earnings and deductions are not subject to these rates, such as flexible spending and payments to disabled employees.

Year-To-Year Comparison

	<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
Budget	15,645,800	15,800,000	154,200

Major Change

Increase due to wage base growth

154,200

HOSPITAL & MEDICAL INSURANCE: the City provides hospitalization and medical benefits. Agreements with the different labor unions determine specific coverage and the amount contributed by the City. In 2012, the City reached agreement with its unions to establish a self-funded health insurance program. The new program started January 1, 2013 and also covers Administrative, Professional, and Technical employees and Confidential employees. In addition, the agreements create a joint Labor/Management Health Care Committee to address future cost increases.

Year-To-Year Comparison

	<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
Budget	38,200,500	38,533,700	333,200

Major Change

A 3.75% inflationary adjustment in January 2015 is assumed

333,200

WORKER'S COMPENSATION: under a self-insurance program, the City directly finances the costs of medical and compensation payments to employees injured on the job. A private insurance firm that is responsible for investigating claims, making payments, and estimating future reserve requirements administers the program.

^{*}Reflects remaining contingency after amendments. The original 2012-13 Contingency was \$2,695,900; the original 2013-14 Contingency was \$4,509,800.

The Capital Expense budget finances the construction or reconstruction of facilities and services, the acquisition and replacement of vehicles and equipment, and certain other projects and improvements that provide benefits over a multi-year period. To be included in this budget, a project or item must be consistent with the definition of "capital object or purpose" included in Section 11 of New York State Local Finance Law.

The financing of these capital projects may occur principally through two means. First, a direct appropriation may be made; this type of appropriation is included in the Cash Capital section. Second, funds for the project may be obtained through the issuance of bonds and notes, two forms of borrowing. The subsequent repayment of these borrowed funds and the related interest costs are called "debt service." Appropriations for these expenses are included in the Debt Service section.

To plan for capital expenditures over a period of years and to ensure that equipment replacement and building renovations are made when economically feasible and needed, a Capital Improvement Program (CIP) is prepared anticipating capital investments and their proposed sources of funding for a five year period. The CIP is included in this section as a separate document. The first year's program in each five-year CIP provides the basis for the Cash Capital appropriation and the annual Debt Authorization Plan.

Year-To-Year Comparison

TRANSPORTATION & INFRASTRUCTURE

The Transportation category includes the following ongoing infrastructure rehabilitation programs:

- Arterial Improvements
- Asphalt Milling, Resurfacing and Curb Replacement
- Residential Street Rehabilitation
- Residential Street Treatment
- Hazardous Sidewalk Program
- Street Planning and Design
- Bridge Improvement Program
- Bridge Reconstruction and Rehabilitation

Funding in this category includes utility work done together with street improvement projects.

Year-To-Year Comparison

Pavement Program Crittenden Blvd

	2013-14	2014-15	Change
Budget	5,570,500	3,939,000	-1,631,500

Major Change

New Projects:

Changes in Existing Projects from 2013-14:	
Funding decreases for Browncroft/Nunda Modernization, as planned	-650,000
Funding decreases for South Avenue, as planned	-431,000
Funding decreases for Sidewalk Ramp Installations	-278,000
Funding decreases for Asphalt Milling, Resurfacing and Curb Replacement as Cash Capital is reassigned to debt	-203,000
Funding increases for Ridgeway Avenue, as planned	150,000
Funding decreases for Broad Street Bridge Preventative Maintenance, as planned	-100,000
Funding increases for City wide Pavement Preventative Program	84,000
Funding decreases for Project Uplift	-72,000
Funding decreases for Bridges Preventative Maintenance	-52,000

Purchasing Power Parity Increments:

Annual Bridge Maintenance	120,000
Street Planning & Design	42,000
Street Treatment and Traffic Control	29,000

Projects or Project Elements that will not recur:

Funding increases for Winton Road North, as planned

Funding decreases for Seneca Avenue, as planned

One time allocation for Rochester Intermodal Transportation Center	-500,000
One time allocation for Mt. Hope	-29,500

PUBLIC WATERFRONT

The Public Waterfront category includes projects along our two main waterways: Lake Ontario and the Genesee River. Projects involve public improvements and development to enhance open space along the City's riverfronts.

Year-To-Year Comparison

	<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
Budget	25,000	25,000	0

WATER SYSTEM

The Water System category encompasses both the supply and distribution systems, which provide safe and reliable sources of water to the City. Improvements funded in this category include the cleaning and lining of water mains; replacement of hydrants, valves and meters; and conduit and watershed improvements.

Year-To-Year Comparison

Distribution System Vault Rehabilitation

New Projects:

,	,
Changes in Existing Projects from 2013-14:	
Funding increases for Filtration Plant Small Equipment Replacement	-147,000
Funding decreases for Contamination Prevention Hydrant Locks	-113,000
Funding decreases for SCADA System PLC Upgrade	-111,000
Funding increases for Filtration Plant and Related Renovations	63,000
Funding decreases for Holly Interior Painting Replacement	-63,000
Funding increases for Hydrant and Valve Replacement Program	23,000
Funding increases for Water Meter Replacement Program	18,000
Funding increases for Conduit Valve and Vault Rehabilitation	3,000
Funding decreases for Water Security	-3,000

200,000

PUBLIC SAFETY

The Public Safety category finances the replacement program for equipment used by the Police, Fire, and Emergency Communications units.

Year-To-Year Comparison

	<u>2013-14</u>	2014-15	<u>Change</u>
Budget	843,000	2,314,000	1,471,000

Major Change

Changes in Existing Projects from 2013-14:

Funding increases for Police Vehicles	1,400,000
Funding decreases for Cars, Vans and Utility Vehicles in the Fire Department	-127,000
Funding increases for Police Equipment	123,000
Funding increases for Fire Fighter Turnout Gear	104,000
Funding decreases for Fire Communications Equipment	-40,000
Funding increases for Small Equipment in the Fire Department	11,000

PARKS & OPEN SPACE

The Parks and Open Space category contains projects that promote the preservation and enhancement of recreational and cultural opportunities in the community.

Year-To-Year Comparison

	<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
Budget	1,207,000	1,703,000	496,000

Major Change

Projects impacted by the use of Prior Years Cash Capital:

Forestry Tree Maintenance Program is funded at a reduced level	500,000

New Projects:

Mt. Hope Gatehouse	96,000
--------------------	--------

Changes in Existing Projects from 2013-14:

Funding decreases for Genesee Riverway Rehabilitation	-115,000
Funding decreases for Ash Tree Maintenance Program	-67,000
Funding increases for Cemetery Development	50,000

Projects or Project Elements that will not recur:

	ood Trail Rehabilitation -10,000	A Neighborhood Trail Rehabilitation	-10	000
--	----------------------------------	-------------------------------------	-----	-----

Major Change

Purchasing Power Parity Increments:

Cemeteries Site Improvements 30,000
Cemeteries Memorialization 10,000
Public Market 2,000

ECONOMIC DEVELOPMENT

The Economic Development Category consists of projects to preserve and enhance the employment, economy, and tax base of the City, including: neighborhood physical improvements, infrastructure to support industrial and commercial development, and remediation of contaminated sites.

Year-To-Year Comparison

	2013-14	2014-15	Change
Budget	996,000	1,939,000	943,000

Major Change

Projects not shown in 2014-15 CIP but Funded with Prior Years Cash Capital:

Land Acquisition	600,000
Affordable Housing Acquisition	500,000
Investigation & Remediation	500,000
Home Ownership	200,000

Projects impacted by the use of Prior Years Cash Capital:

Land Acquisition – shown above, but funded at reduced level	-350,000
Affordable Housing Acquisition and Support – shown above, but funded at reduced level	-350,000

Projects impacted by Acceleration Initiative from 2012-13:

1.000.000

New Projects:

Bull's Head	200,000
Goodman/Main Street Intersection	72,000
East main Arts & Market District	15,000

Changes in Existing Projects from 2013-14:

Funding increases for Midtown Redevelopment	500,000
Funding decreases for Gilmore-Merrimac	-146,000

Major Change

Purchasing Power Parity Increments:

Downtown Streetscape 2,000

ARTS & CULTURE

The Arts and Culture category includes library material support and cultural improvements to the City.

Year-To-Year Comparison

	<u>2013-14</u>	<u>2014-15</u>	Change
Budget	527,000	520,000	-7,000

Major Change

Changes in Existing Projects from 2013-14:

Funding decreases for Art Installation & Enhancements -65,000

Funding increases for Traditional Materials at Branch Libraries 58,000

PUBLIC FACILITIES

The Public Facilities category includes improvements to entities managed by City partnered operators.

Year-To-Year Comparison

	<u>2013-14</u>	<u>2014-15</u>	<u>Change</u>
Budget	586,000	820,000	234,000

Major Change

Projects not shown in 2014-15 CIP but Funded with Prior Years Cash Capital:

Blue Cross Arena at Rochester War Memorial Hockey Rink Dasher Boards Replacement 175,000

New Projects:

Blue Cross Arena at Rochester War Memorial Hockey Rink Dasher Boards Replacement 365,000

Changes in Existing Projects from 2013-14:

Funding decreases for High Falls District	-61,000
Funding decreases for Port of Rochester	-35,000
Funding decreases for Blue Cross Arena at Rochester War Memorial	-20,000
Funding decreases Marina Facility	-15,000

MUNICIPAL FACILITIES

The Municipal Facilities category provides for municipal facilities to be maintained through annual renovation programs for roofs, windows, electrical and mechanical systems, safety features, fuel stations, parking areas, and general structures. Specific improvements are scheduled in each program; in addition, separate allocations are provided for unique facilities.

CAPITAL EXPENSE CIP DOCUMENT NOTES

This CIP Document Notes section shows two things. First, an errata and addendum section makes corrections to the document published April 24, 2014. Second, a tax rate summary of the total expenditures proposed and the financial impact of the CIP program on the City's outstanding debt and tax levy for debt and cash capital. Assessed values and the distribution between the Homestead and Non-Homestead property categories are held at 2014-15 levels throughout the five-year period. The April 24, 2014 version of the CIP concludes this section of the budget.

ERRATA & ADDENDUM

Errata & Addendum that follow are changes and corrections should be made to the April 24, 2014 version of the CIP: all amounts (000s):

2014-15 TO 2018-19 Capital Improvement Program

INTRODUCTION

CAPITAL EXPENDITURES

The Capital Improvement Program (CIP) is a financing plan for the construction or reconstruction of facilities and services, the acquisition and replacement of vehicles and equipment, and certain other projects and improvements that provide benefits over a multi-year period. To be included in the capital program, a project or item must be consistent with the definition of capital object or purpose included in Section 11 of the New York State Local Finance Law.

The financing of capital projects may occur through three means. First, a direct appropriation may be made; this type of appropriation is known as cash capital. Second, funds for projects may be obtained through the issuance of bonds and notes, two forms of debt. The subsequent repayment of this debt and related interest costs is called debt service. Funding for repayment of debt is included in the Debt Service allocation of the annual operating budget. Third, full or partial funding for some projects is obtained from outside agencies.

CIP DOCUMENT

This document represents a five-year capital investment program organized in three parts.

The first part is a financial summary overview of the recommended program. Categories, funding sources and Departments are summarized in this section.

The second part presents the project detail organized by eleven functional program types: Transportation (T), Public Waterfront (O), Water System (W), Public Safety (P), Parks and Open Space (S), Economic Development, Arts (E) and Culture (A), Public Facilities (F), Municipal Facilities (M), Business Equipment (B), and Non-Public Safety Fleet (N). Each of these types is further divided into Categories (e.g. E-1 Downtown Development). Categories may contain one or more projects (e.g. E-1 Center City Beautification, Midtown Redevelopment III).

Each program type is prefaced by a narrative description, a listing of new programs, and program changes.

Each project is described along with its cost and funding source for each year of the plan.

The third part contains appendices listing funding, program and departmental detail.

2014-15 TO 2018-19 CAPITAL IMPROVEMENT PROGRAM

TRANSPORTATION

The City maintains 537 centerline miles of streets. Preservation of the City's transportation network is achieved through reconstruction and rehabilitation of streets, bridges, sidewalks and curbs.

New Projects

T-1 Arterial Improvements
☐ Ridgeway Avenue is added.
T-2 Street Rehabilitation
☐ Pavement Prevention Program is added.
Project Changes
T-1 Arterial Improvements
 Broadway (South Union to South Goodman) delayed to 2018-19 in conjunction with County funds. Goodman Street (Bay Street to Clifford Avenue) delayed to 2018-19 in conjunction with County funds. Bausch Street/Upper Falls design delayed to 2017-18. Genesee Park Boulevard delayed to 2017-18. Mt. Hope Avenue Phase II (Raleigh Street to Erie Canal) delayed to 2016-17 in conjunction with Federal request. Scottsville Road & Elmwood Avenue (West City Line to Mt. Hope) added in 2015-16. Waring Road (Culver Road to Norton Street) delayed to 2018-19 in conjunction with Federal request.
T-6 Street Lighting
☐ Street Lighting program deferred one year to 2015-16.
T-7 Street Lighting
☐ Rochester Running Track Bridge repairs delayed to 2016-17.

2014-15 TO 2018-19

Capital Improvement Program

TRANSPORTATION _ INFRASTRUCTURE

T-1 Arterial Improvements

☐ 131K Goodman Street

Bay Street to Clifford Ave.

2014-15 TO 2018-19 CAPITAL IMPROVEMENT PROGRAM

PUBLIC WATERFRONT

The Public Waterfront category includes projects along our two main waterways: Lake Ontario and the Genesee River. Projects involve public improvements and development to enhance open space along the City's riverfronts.

New Projects

O-1 Port of Rochester
 Port Overlook added. Promenade at Erie Harbor Park II added in conjunction with NYS funding.
Project Changes
O-3 Genesee River
 □ Erie Harbor Enhancements Phase III construction is delayed to 2015-16. □ East River Wall construction delayed to 2017-18.
O-5 Boat Launch Relocation
☐ Riverfront Development II construction is delayed to 2017-18.
O-6 Transient Marina Development
☐ Transient Marina Facilities Phase II is delayed to 2018-19.

Capital Improvement Program

O-1 Port of Rochester

Port Infrastructure Roads

Upkeep of public ROW in port area, includes trails and public space.

Funding Source	<u>2014-15</u>	<u>2015-16</u>	<u>2016-17</u>	2017-18	<u>2018-19</u>	TOTAL
General Cash Capital	25	25	25	50	25	150
	25	25	25	50	25	150

Port Overlook

Design and construction trail and public scenic overlook upon the remaining abatement of demolished CSX swing bridge over the Genesee River.

Funding Source	<u>2014-15</u>	<u>2015-16</u>	<u>2016-17</u>	2017-18	<u>2018-19</u>	TOTAL
General Cash Capital	0	40	0	0	0	40
General Debt	0	0	160	0	0	160
New York State	0	200	0	0	0	200
	0	240	160			400

O-2 Lake Ontario

Durand Eastman Beach Improvements

Construction of bathhouse and shelter.

Funding Source	<u>2014-15</u>	<u>2015-16</u>	<u>2016-17</u>	<u>2017-18</u>	<u>2018-19</u>	TOTAL

2014-15 TO 2018-19 CAPITAL IMPROVEMENT PROGRAM

WATER SYSTEM

The Water System category includes projects designed to provide a safe source of water to its users. Additional water distribution system improvements are made in conjunction with the street projects in the Transportation and Economic Development categories.

Project Changes

A number of items previously aggregated are presented in detail in an effort to
emphasize individual projects, particularly with regard to maintenance of structures and
major equipment.
The programs for infrastructure support continue at planned levels.
Bridge and River Crossings repairs delayed to 2015-16.
One-Year deferral to 2015-16 for Contamination Prevention Hydrant Locks.
Hemlock Treatment Plant facility repairs added in 2016-17.
Hemlock Treatment Plant Boiler & Water Storage repairs added in 2017-18
Highland Reservoir Upper Gatehouse repairs added in 2016-17.

The Budget records personnel resources in a number of ways. First, individuals may be employed in either full time, part time, temporary, or seasonal capacities. A full time employee works a standard work week on a year round basis. The number of hours per week may vary depending on unit assignment and the nature of the job. Part time employees also work on a year round basis, but for less than the standard work week. Temporary employees work standard work weeks, but for a fixed period, usually not more than eighteen months. Seasonal employees work hours that are determined by the jobs to which they are assigned, usually for short periods. e.g.. the Summer. While most of the City's personnel resources are allocated to full time positions, use of part time, temporary, and seasonal positions provides an efficient and flexible means of meeting peak work load requirements. These other than full time positions are aggregated in some Budget presentations.

Secondly, all full time positions are recorded in the Budget by job title. In every unit with assigned personnel, a display indicates the job titles assigned to that unit and the number of full time positions authorized for each title. All job titles are assigned to pay brackets that represent the compensation range for the position. The salary and wage schedules at the back of this section present the range for each bracket.

Overtime, the practice of extending work beyond the regular work week hours, is also explicitly accounted for in the Budget. Carefully managed overtime provides a flexible extension of the City's experienced workforce.

Finally, the Budget accounts for a Vacancy Factor, the difference between the allocation actually required for personnel compensation and that which would be required if every position were filled at all times. Some number of positions are always unfilled at a given moment. Vacancy factors differ among units, based on the size of the unit and the turnover rates experienced by various elements of the work force.

Personnel resources are approximated in 'Employee Years'. Each full time position represents one Employee Year regardless of actual assigned hours, which vary. Part time, temporary, and seasonal positions are expressed as fractions of a full time Employee Year based on the number of hours to be worked in relation to the hours to be worked by a full time equivalent position or by salary averaging; fractions are to one decimal place, i.e., one-tenth of an Employee Year. Overtime and vacancy factors are similarly approximated.

The Employee Year allocations are approximated by adding that unit of measure for all full time, part time, temporary, seasonal, and overtime assistance and subtracting the vacancy allowance, as in the following example:

Employee Years	
Full Time Positions	21.0
Overtime	1.7
Part Time, Temporary, and Seasonal	2.3
LESS: Vacancy Allowance	1.1
•	23.9

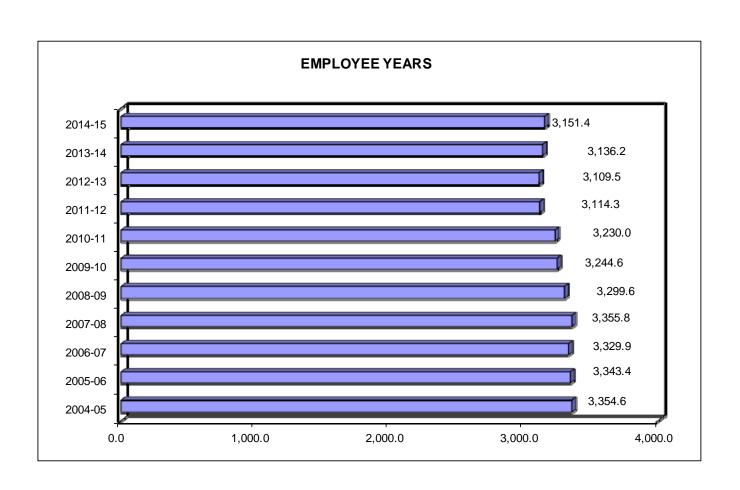

Some presentations in the Budget show the assignment of fractional full time positions (e.g., 1.5 full time positions) to reflect sharing of positions among various activities and the corresponding allocation of costs to each activity. This practice is common in the Department of Environmental Services, Bureau of Operations & Parks. Here workload requirements change throughout the year (e.g., from Leaf Collection in the Fall to Snow and Ice Control in the Winter). Summing these partial assignments from two or more activities will result in an accounting of 100% of the full time employees, as in the following example:

<u>Title</u>	<u>Activities</u>	
Crew Chief	Lots & Yards	1.2
	Work Orders	0.6
	Leaf Collection	0.3
	Snow & Ice Control	<u>0.9</u>
	Total Authorized	3.0

PERSONNEL SUMMARY EMPLOYEE BENEFITS

In addition to wage and salary compensation, employees are provided with various fringe benefits as provided by law, collective bargaining agreements, and administrative determination. The City's budgeting and accounting systems place the allocations for these benefits in a separate department for monitoring and control purposes. Details on these allocations are found in the Undistributed Expenses section of the Budget (Tab 13).

The following table distributes fringe benefits to appropriate units:

Employee Benefit Distribution

<u>Department</u>	<u>Amount</u>
City Council and Clerk	956,400
Administration	4,560,900
Information Technology	2,654,000
Finance	3,645,600
Neighborhood & Business Development	5,913,800
Environmental Services	25,921,600
Emergency Communications	7,739,600
Police	44,485,400
Fire	26,043,400
Library	3,925,300
Recreation & Youth Services	4,390,300
	130,236,300

PERSONNEL SUMMARY BARGAINING UNITS

Portions of the City's workforce are represented by the following labor organizations:

- American Federation of State, County and Municipal Employees, Local 1635 and 1635P, Full and Part Time Units
- Rochester Police Locust Club, Inc.
- International Association of Firefighters, Local 1071, Uniformed and Non-Uniformed Units
- International Union of Operating Engineers, Local 832-S
- Civil Service Employees Association, Rochester Public Library Part Time Employees Unit, Local 828

In accordance with collective bargaining agreements, employees in the following positions are granted full release time from their regularly scheduled work, with full pay and benefits to perform union duties. These positions and associated salary and benefits are reflected in the appropriate departmental and Undistributed Expenses budgets, and are presented here for informational purposes only.

July 1, 2014

By virtue of the authority vested in me by law, I, Lovely A. Warren, Mayor of the City of Rochester, New York, do hereby create, effective July 1, 2014, all positions set forth in this Budget to be in existence for the fiscal year 2014-15 at the salary and wage brackets indicated for said positions. The salary and wage bracket amounts shall be as set forth herein, except as modified by collective bargaining agreements or further directive of this office. All positions in existence prior to July 1, 2014, which are not set forth in this Budget shall be abolished effective July 1, 2014 except for positions otherwise prescribed by law.

Lovely A. Warren

Lang a. Wane

Mayor

Fixed Salary Rates Effective July 1, 2014 or as otherwise noted

Title	Amount
Elected and Appointed Officials	
President of the Council*	43,800
Council Member*	33,800
Mayor*	140,861
Deputy Mayor	136,605
Examining Board Members	
Examiner-Chair**	1,250
Examiner Plumber	1,250
Clerk to the Board	1,250
Examiner-Vice Chair**	1,250
Examiner-Secretary**	1,250
Examiner-Stationary	1,250
Examiner-Electrician	1,000

^{*}These salaries are fixed by local legislation on a calendar year basis; amounts shown above represent calendar 2014. Every four years City Council sets the annual salaries of the Mayor and Councilmembers and provides for a cost of living adjustment for each of the next three years with a 3% annual cap; the last base year set was for calendar 2014. The Mayor and any Councilmember may decline to accept the cost of living adjustment, therefore actual salaries collected by the Mayor and Councilmembers may be lower than the above salaries.

^{**}These positions are not compensated if filled by a City or RG&E employee.

\$ 20,242,000

School Food Service Fund Expenses:

\$ 20,242,000

\$ 788,259,462

Grand Total Budget

Seconded by Member of the Board Commissioner Powell

INTRODUCTION AND OVERVIEW 2014 - 15 PROPOSED BUDGET

Roll Call Vote

Commissioner Adams	Yes
Commissioner Campos	Yes
Commissioner Cruz	Yes
Commissioner Evans	Yes
Commissioner Powell	Yes
Vice President Elliott	Absent
President White	Yes

Adopted 6-0 with Vice President Elliott absent

I, Shanai Lee, Clerk of the Board of Education of the Rochester City School District of the State of New York, do hereby certify that I have compared the attached resolution with the original resolution passed by such Board of Education at a legally convened meeting held on the 8th May, 2014, on file as part of the minutes of such meeting, and the same is a true copy thereof and the whole of such original. I further certify that the full Board of Education consists of seven members and that six of such members were present at such meeting and that six of such members voted in favor of such resolution.

IN WINESS THEREOF, I have hereunto set my hand and the seal of the Rochester City School District on this 2 day of May, 2014.

REVENUE SUMMARY ANALYSIS

STATE AID TO EDUCATION

General Fund State Aid shown below is based on the aid projections included in the adopted 2014-15 New York State Budget.

FOUNDATION AID \$363,011,519

Foundation Aid is unrestricted aid to support the district's general operations such as salaries, benefits, utilities and other operating costs. Beginning in 2007-08, NYS combined a number of separate aid categories into Foundation Aid. These aid categories included: Public Excess Cost, Sound Basic Education, Extraordinary Needs, Limited English Proficiency and several categorical grants.

SPECIAL SERVICES AID \$13,023,564

This aid supports certain occupational, marketing and business programs, in grades 10-12 and for approved data processing expenses pursuant to Regulations of the Commissioner.

SPECIAL EDUCATION - PUBLIC HIGH COST AID

\$6,269,009

Public High Cost Aid is provided for students with disabilities placed in public settings in the Rochester City School District and at BOCES. This aid is based upon approved costs, attendance and level of service.

SPECIAL EDUCATION – PRIVATE EXCESS COST AID

\$10,898,567

Excess Cost Aid is provided for students with disabilities placed in private special education settings such as St. Joseph's Villa and Crestwood Children's Center. This aid is based upon approved costs, attendance and level of service.

TRANSPORTATION AID

\$55,660,983

This aid provides up to 90% of the district's approved transportation expenses. Non-allowable expenses include: the transportation of non-handicapped pupils who live 1 1/2 miles or less from the school attended, and transportation for extra activities such as field trips, athletic trips, etc.

HARDWARE AND TECHNOLOGY AID

\$727,027

Computer Hardware and Technology Equipment Aid provides funding for the purchase and lease of micro and/or mini computer equipment; technology equipment; repair of equipment for instructional purposes; and training and staff development for instructional purposes.

SOFTWARE, TEXTBOOK AID AND LIBRARY MATERIALS

\$2,769,438

This aid provides funding for the purchase of computer software, textbooks and library material. The amount of aid is based on a per-pupil dollar amount.

CHARTER SCHOOL TRANSITIONAL AID

\$10,919,688

This aid partially offsets the cost of tuition that the district must provide for students attending Charter Schools.

REVENUE SUMMARY ANALYSIS - continued

BUILDING AID \$47,583,813

This aid supports expenses associated with the construction of new buildings, additions, and/or modifications of existing buildings. Building aid is provided for projects which have received prior approval from the State Education Department.

OTHER STATE REVENUES

\$3,375,000

This category represents state funding that the local delegation in Albany has secured for the district. This category also contains aid for certain resident student placements including incarcerated youth detention centers.

STATE AID ADJUSTMENTS

(\$1,383,859)

This category represents adjustments for prior year aid monies owed to the district, contingency for prior year aid claims owed to the State, and revenue to offset the district's debt service under the State's Prior Year Claims Financing Program. This category also contains aid deductions for certain resident student placements, including intermediate residential treatment programs, and State supported schools for the Blind and Deaf. The State assumes 100% of the tuition costs for these placements.

GRAND TOTAL STATE

\$512,858,749

REVENUES FROM CITY

\$119,100,000

The City of Rochester funding includes the State funded STAR program.

MEDICAID REVENUE

\$2,100,000

The district receives partial reimbursement under Medicaid for support services provided to Medicaid eligible students with disabilities. The district receives a portion of the approved billable amount per service. The State recoups the remaining amount of federal Medicaid monies received by the district.

OTHER LOCAL REVENUES

INDIRECT COSTS

\$2,317,500

Many grant-funded programs provide revenue to offset overhead costs, which the district incurs in the operation of grants. Overhead costs include supervision, accounting costs, etc.

NON-RESIDENT TUITION FROM OTHER DISTRICTS

\$650,000

The district provides tutoring and other education services to non-resident students on a tuition/fee basis. The largest portion of these revenues is for tutoring services provided to non-resident students at several agencies in the area.

HEALTH SERVICES REVENUE

\$700,000

The district provides health services to non-resident students attending private/parochial schools located within the district boundaries per NYS regulations. The district bills these costs back to the student's home districts.

REVENUE SUMMARY ANALYSIS – continued

RENTAL AND USE OF BUILDINGS

\$278,125

This represents the fees charged to various groups for the use of buildings in accordance with district policy.

SALES OF OBSOLETE EQUIPMENT

\$75,000

This is revenue from sales of obsolete equipment and vehicles, in accordance with district policy.

PRIOR YEARS REFUNDS

\$3,750,000

This revenue is derived from several sources including federal E-Rate monies, BOCES refunds, refunds of prior year expense from vendors, and Stop Loss Reimbursement from Health Insurance.

E-RATE REVENUE \$970,000

Federal E-rate revenue is provided to reimburse school district telecommunications and internet system expenditures.

STUDENT AND OTHER FEES

\$60,000

This revenue is earned through fees charged for Adult Education, rental of musical instruments and other miscellaneous fees.

EARNINGS - GENERAL FUND INVESTMENTS

\$175,000

This revenue from investments is earned by the district's cash management program.

EARNINGS - CAPITAL FUND INVESTMENTS

\$7,302,322

This revenue is earned through the following sources: interest earned on authorized capital funds which have not yet been expended, unused capital fund authorizations, and Facilities Modernization Program funding.

PREMIUM – RAN \$0

This represents the premium associated with the issuance of a Revenue Anticipation Note (RAN).

MISCELLANEOUS REVENUE

\$250,000

This represents revenues that do not fit in any other categories and are non-recurring.

CURRICULUM BASED PROGRAMS

\$35,000

Revenue generated by student curriculum programs such as the Work Experience Program.

TOTAL LOCAL REVENUES

\$16,536,947

APPROPRIATIONS FROM FUND BALANCE

\$9,864,234

An Appropriation from Fund Balance represents the use of accumulated financial surplus that resulted from prior years' activity.

GRAND TOTAL GENERAL FUND REVENUE

\$660,486,930

UNIVERSAL PRE-KINDERGARTEN

\$10,817,469

This grant supports the District's efforts to provide environments and experiences in socialization, early literacy and motor skill development to all eligible four-year old children, including those with disabilities and children whose home language is other than English at 31 Rochester City School District sites. It also provides the support for four-year old Rochester city residents who attend half day Pre-Kindergarten programs at 19 Community Based Organizations that are contracted and supervised by the District.

PRIORITY UPK FULL-DAY

\$9,977,445

Priority Full Day Pre-Kindergarten works in conjunction with the District's Universal Pre-Kindergarten grant to convert half day seats to full day. The grant provides 1,382 full day Pre-Kindergarten placements in designated high needs schools. The total full day programs will increase to 1,922 seats, including Community Based Organizations. Priority Full Day is being used to expand on the Parent Group Leader (PGL) model currently at the RPPP (Rochester Preschool Parent Program) by adding PGL support to all Pre-Kindergarten classrooms. Priority full day funding increases the District's total students being funded from 1,905 to 2,059 (154 student increase) which allows for some existing sites to receive reimbursement that were previously over the District's capped student allocation, and it adds 54 new seats to Community Based Organizations.

SCHOOL HEALTH SERVICES

\$7,492,705

The purpose of the School Health Services grant is to provide the following:

- Mandated first aid
- Emergency services
- Screening
- Contagious disease management
- Services to children with special health concerns
- Documentation and State reporting

SPECIAL EDUCATION – EXTENDED SCHOOL YEAR (ESY)

\$5,415,000

Extended School Year (ESY) services are designed to support a student with a disability as documented under the Individuals with Disabilities Education Act (IDEA) to maintain the academic, social/behavioral, communication, or other skills that they have learned as part of their Individualized Education Program (IEP). In order for a student to receive ESY services, the student must have evidenced substantial regression and recoupment issues during the previous IEP year. The focus of the services provided to the student as part of an ESY program are not upon learning new skills or "catching up" to grade level, but rather to provide practice to maintain previously acquired or learned skills. The cost of the ESY program is reimbursed by the State at 80% with the remaining 20% funded locally.

DISTRICT MANAGEMENT EFFICIENCY GRANT

\$1,500,000

The School District Management Efficiency grant will be used to support a new Pre-Kindergarten program for three-year-old children at Audubon School No. 33; expanded-day learning for more students in 2014-15; a new textbook management system and other measures to continue improving the efficiency of District operations.

TEACHERS OF TOMORROW

\$1,060,000

This grant provides a variety of incentives that encourage teachers to teach in a school district that is experiencing a teacher shortage or to teach in a subject area that is experiencing a teacher shortage.

OTHER STATE GRANTS

\$8,498,738

GRAND TOTAL STATE GRANTS

\$44,761,357

TITLE I FEDERAL ESEA - NCLB GRANT

\$23,500,000

Improving the Academic Achievement of the Disadvantaged

The purpose of Title 1, Part A is to "ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging State academic achievement standards and State academic assessments". RCSD is a school-wide Title I Program and is required to deliver services to all students with a continued focus on students with the greatest need.

- Funds are generated based on poverty criteria of free and reduced lunch eligibility. Use of funds is determined by need.
- All Title I expenditures must be supplemental and not supplant required services and materials.
- The District is required to set aside 15% of their Title I funds for School Improvement activities as defined by NYSED. In 2013/2014, Supplemental Academic Services and ELA/Math Instructional Coaches were used to meet this requirement.

2014/2015 Title I Proposed Budget

Mandated Set-Asides and Pass-Throughs	
Parent Involvement (1%)	\$235,000
Parent Engagement (1%)	\$235,000

TITLE I SCHOOL IMPROVEMENT GRANT

\$9,000,000

The School Improvement Grants under Section 1003(g) of the Elementary and Secondary Education Act of 1965, or SIG, provides financial assistance to the lowest achieving schools to significantly raise student achievement through the implementation of one of four recognized school intervention strategies (turnaround, restart, school closure, and transformation). Funding from the US Department of Education flows through the NYS Department of Education, who awards grants to individual school districts.

TITLE IIA FEDERAL ESEA - NCLB Grant

\$3,800,000

Highly Qualified and Effective Teaching (ESEA/NCLB Title II A)

The purpose of Title IIA is to meet NCLB highly qualified teaching requirements, by:

- Providing high quality professional development to ensure teachers become, and remain, highly effective in helping all students learn and achieve high performance standards;
- Meeting 'highly qualified teacher' requirements for core course teaching through effective teacher recruitment, retention and professional development practices; and
- Ensuring strong instructional leadership through effective principal recruitment, retention and professional development practices

2014/2015 Title IIA Proposed Budget will fund:

- Careers In Teaching
- Human Capital Recruitment
- Professional Development
- Tuition

The 2014/2015 Proposed Title IIA Budget

Mandated Set-Asides	
City Residents Attending Non Public Schools	\$305,063
Indirect Costs at 3.6%	\$134,455
Direct Initiatives	
Careers In Teaching	\$2,436,750
Human Capital Initiatives	\$12,100
Professional Development	\$789,485
Tuition	\$122,147
Grand Total	\$3,800,000

TITLE III FEDERAL ESEA – NCLB GRANT

\$550,000

Language Instructions for Limited English Proficient and Immigrant Students

The purpose of Title III is to support and enhance the education of students who are English Language Learners (ELL) in all aspects of the English language and literacy development in order to promote academic achievement in all areas and lead to graduation and post-high school success.

More than 11% of the student population of the Rochester City School District is English Language Learners (ELL), and the predominant non-English language group is Spanish. Other languages spoken by RCSD students include Somali, Burmese, Arabic, Korean, and Chinese. RCSD programs receiving funds from Title III include Bilingual programs, Learning English through Academics Program (LEAP), Dual Language, and Free Standing ESOL.

2014/2015 Title III Proposed Budget will fund:

- Salaries, Substitutes, In-service and Teacher Hourly Pay
- Non-Salary Operating Funds
- Related Benefits
- Indirect Cost

IDEA – INDIVIDUALS WITH DISABILITIES EDUCATION ACT Assistance to States for the Education of School-Aged (Section 611) and Pre-School Students (Section 619) with Disabilities

\$9,963,160

The Individuals with Disabilities Education Act (IDEA) is a United States federal law that governs how states and public agencies provide early intervention, special education and related services to children with disabilities. The purpose of IDEA is to provide students with disabilities a Free Appropriate Public Education (FAPE) that prepares them for further education, employment and independent living. These grants provide funding to assist with the additional costs to the District.

2014/2015 IDEA Sections 611 and 619 Proposed Budget will fund:

- Mandated Set-Asides and Pass-Through
 - o Pass-Through to ASEPs, Charter Schools and BOCES
 - o Parentally-placed Tuition
 - o Indirect Costs @ 3.6%
- Staff
 - o Special Education Teachers
- Early Intervening Services
 - o Funds used to develop and implement coordinated, early intervening services for students in kindergarten through grade 12 who are not currently identified as needing special education or related services, but do need additional academic and behavioral support to succeed in general education environment.
- CPSE
 - o Funds used to hold second committees needed at peak times when there is an increase to the number of students that are referred to the committee

SCHOOL INNOVATION FUND #9

\$801,366

The purpose of this grant is to implement a Community School design with a wrap-around services model to complement the District's priority to support Expanded Learning Time (ELT). This will allow Dr. Martin Luther King Jr. School 9 to accelerate efforts to increase graduation rates, college persistence, and college graduation rates in the long-term. Key strategies include creating a school, family, community, and partner collective to provide quality ELT opportunities, adopting a shared governance model, extending the school day for a total of 300 additional hours, delivering additional instruction focused on literacy and writing, enhancing students' experiential base through STEM enrichment experiences, and, increasing student access to preventive and therapeutic physical and mental health support systems.

SCHOOL INNOVATION FUND #34

\$1,186,437

The purpose of this grant is to implement a Community School design, which will allow Dr. Louis A. Cerulli School 34 to accelerate efforts to increase graduation rates, college persistence, and college graduation rates. The key strategies of the School 34 redesign include adopting a shared governance model, extending the school day by six hours a week, adding five days per year, delivering mathematics additional instruction and mathematics enrichment, enhancing students' experiential base through arts enrichment, increasing student access to community enrichment experiences and, increasing student access to preventive and therapeutic mental health support systems.

STRENGTH TEACHER LEADER EFFECT

\$2,427,919

The Strengthening Teacher and Leader Effectiveness grant will improve the quality of RCSD teachers and school leaders. Grant activities will fill gaps in the District's continuum of services that build educator effectiveness, including preparation, recruitment, mentoring, professional development, evaluation, and performance management.

TEACHER INCENTIVE FUND (TIF)

\$4,008,881

TIF awards additional compensation to teachers and administrators who earn: Differentiated Assignments, Group Awards, Career Ladder Movement and Professional Development Incentives.

OTHERS FEDERAL GRANTS

\$4,025,519

GRAND TOTAL FEDERAL GRANT REVENUE

\$59,263,282

LOCAL REVENUE \$2,200,000

Pre-School Special Education - Section 4410

Section 4410 provides a portion of the resources for mandated Pre-School Special Education programs and services.

- Pre-School Integrated/Handicapped classrooms
- Pre-School Related Services
- Special Education/Itinerant Teachers (S.E.I.T.) services
- CPSE Administration

OTHER LOCAL GRANTS

Explanation of Changes to the Budget

The proposed 2014-15 Rochester City School District Budget increases to \$788.3M from the 2013-14 February Amended Budget of \$771.7M. This represents an increase of \$16.6M or 2.2%. The overall budget increase was funded by increases of \$32.2M New York State Aid, \$0.2M in Local Revenue and \$0.3M in Appropriate Fund Balance, offset by reductions of -\$16.0M in grant funding and -\$0.1M in School Food Service revenue.

The District projects Salary and Other Compensation costs to decrease to \$331.7M from \$340.1M. This represents a decrease of -\$8.4M or -2.5%. Contractual salary increases were offset by a reduction of 197 FTEs and savings from Substitute Teacher, Teacher In-Service, and Civil Service Overtime cost reductions.

Employee Benefits costs will experience a moderate rise in 2014-15. Overall, benefit costs will increase to \$160.7M from \$158.6M, which is an increase of \$2.1M or 1.3%. Health and Dental Insurance is projected to increase by \$3.6M due to rising insurance rates. Retirement System costs are expected to increase by \$0.7M as projected rate increases in both the New York State Retirement System and the Teachers Retirement System will be offset by the pension smoothing plans adopted by New York State. These cost increases are mitigated by a -\$1.1M reduction in Social Security due to projected staffing decreases, and -\$1.0M in Vacation payouts in 2014-15. The remaining items in this category show a net decrease of -\$0.1M.

Fixed Obligations with Variability will increase by \$10.9M to \$130.2M in 2014-15. Charter School Tuition costs will increase by \$10.7M to \$51.8M. This increase is attributable to projected enrollment growth of 865 students. The enrollment growth is due to the opening of three new charter schools, as well as grade level additions in six of the existing schools. The remaining budgets in this category show a net increase of \$0.2M.

The Debt Service budget will increase by \$7.9M to \$47.8M to reflect changes in the District's debt schedule. This increase is driven largely by the impact of funding the Facilities Modernization project.

The District anticipates that Cash Capital Outlays will increase by \$1.4M to \$13.6M in 2014-15. The increase is the net result of a \$2.7M rise in Cash Capital Expense which is largely funded by a \$2.2M class action settlement with the Microsoft Corporation, and a -\$0.9M reduction in the purchase of Buses. The remaining budgets in this category show a net decrease of -\$0.4M.

Facilities and Related expenses will decrease by -\$1.5M to \$38.8M. Instructional Supplies, Postage, Printing & Advertising, and Supplies & Materials are decreasing by a total of -\$2.1M due largely to grant funding reductions. Utility costs are increasing by \$0.6M to reflect rising fuel costs. The remaining categories are relatively flat from year-to-year.

Technology expenses will decrease by -\$0.2M to \$1.7M. The District will be purchasing less Computer Software due to grant funding and other budget reductions.

All Other Variable Expenses will decrease by -\$0.2M to \$58.9M. This is due largely to reductions of -\$2.1M in Judgments & Claims and -\$0.7M in Indirect Costs for Grant. The Judgment & Claims reduction is due to the end of a multi-year repayment of an Employment Preparation Education (EPE) audit claim; the last payment was made in 2013-14. The Indirect Cost reduction correlates to a decrease in grant funding. These reductions are offset by increases of \$2.3M in BOCES related to increased Special Education and Health Services, and \$1.7M in Professional & Technical Services. The remaining items in this budget category show a net decrease of -\$1.0M.

The 2014-15 Budget includes a \$5.0M Contingency Fund. This budget is reserved to support emergency needs that may arise in the coming budget year.

OVERVIEW

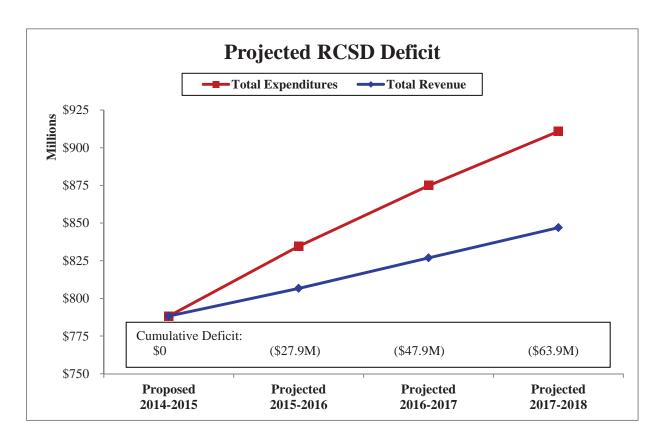

The multi-year projection represents a forecast of the District's revenue and expenditures for the next three fiscal years. The projections shown allow the District to begin the planning process to solve for anticipated future deficit years.

New York State educational funding, which accounts for 65.1% of revenue, is the primary factor determining revenue growth. As such, future revenue budget projections will be greatly influenced by the level of NYS Aid. Another important factor is grant funding. This analysis includes only known grant funding at the current time, and anticipates the known loss of competitive grants in future years. However, the District will continue to pursue new grant opportunities, which could potentially offset the anticipated loss of current grant funding.

ASSUMPTIONS

Based on historical trend analysis and contractual commitments, the District utilizes the following annual rates of increase to develop the projections:

Assumptions	Projected 2015-2016	Projected 2016-2017	Projected 2017-2018
Revenues:			
State Aid Revenue - Foundation Aid Increase	3.00%	3.00%	3.00%
State Aid Revenue - Formula Aid Increase	3.00%	3.00%	3.00%
City of Rochester Revenue Increase	0.00%	0.00%	0.00%
All Other General Fund Revenue Increase	0.00%	0.00%	0.00%
Appropriated Fund Balance	\$6,200,000	\$6,200,000	\$6,200,000
Grant and Special Aid Fund Increase	0.00%	0.00%	0.00%
Food Services Revenue Increase	2.00%	2.00%	2.00%
Expenditures:			
Teacher Salary Increase	3.00%	3.00%	3.00%
Civil Service Salary Increase	3.00%	3.00%	3.00%
Administrative Salary Increase	3.00%	3.00%	3.00%
Teaching Assistants Salary Increase	3.00%	3.00%	3.00%
Paraprofessionals Salary Increase	3.00%	3.00%	3.00%
Other Compensation Annual Rate Increase	2.00%	2.00%	2.00%
Health Insurance Increase	7.00%	7.00%	7.00%
Employee Retirement System % of Payroll	15.90%	15.90%	15.60%
Teachers Retirement System % of Payroll	16.13%	16.13%	16.13%
Charter Schools Tuition Rate Increase	2.00%	2.00%	2.00%
Transportation Contracts incl. impact of Charters	3.00%	3.00%	3.00%
Utilities	5.50%	5.60%	5.70%
BOCES Services (Special Ed and Nursing Services)	4.00%	4.00%	4.00%
CPI	1.50%	1.50%	1.50%

Closing the Deficit

Based on the multi-year projection assumptions, the District anticipates a deficit situation in future years due to rising expenses that outpace projected revenue increases. New York State law mandates that the District maintain a balanced budget. As such, the projected deficits for each year are incremental rather than cumulative. For example, when the District balances the 2015-16 Budget as required, the resulting projected deficit for 2016-17 would drop to \$20.0 million (\$47.9M less \$27.9M).

Revenue

The Rochester City School District is a fiscally dependent school district and therefore cannot levy taxes. The District can impact revenue in the following ways:

- Lobbying state government officials to fully fund proposed Foundation Aid increases
- Lobbying state officials to increase other supports for education
- Lobbying local government officials to continue their support of the District's needs
- Searching for and securing additional grant funding

Expenses

The District continues to focus on automating operations, partnering with other government entities and businesses and cost-cutting initiatives such as:

- Working with our union partners to develop innovative cost-savings labor agreements
- Leveraging the Facilities Modernization Program to develop cost-efficient school structures
- Negotiating agreements to minimize health insurance and other contractual services costs
