To start parking at Mortimer Street Garage

- 1) Create an online account in ParkingSoft at <u>https://my.parkingsoft.com/MortimerStreetgarage</u>
 - If your parking is paid by your employer, please also fill in the Corporate Info section.
- 2) You'll get an automatic confirmation notice from the program.
- 3) Within a day or two, you'll get an email from a real person in Parking Administrative Services. They will want to know the date you'd like to start.
 - Monthly parking passes are for a calendar month. The City does not prorate parking for partial months. If you start any time in a month, we have to charge you for the full month.
- Once we get your reply, we'll process your application. Then we'll send you a Welcome email. It will include details on payment options and where to pick up your pass.
- Pay your first invoice. (This activates your hangtag/parking pass.) Although the software offers other options, the City of Rochester accepts <u>ONLY MasterCard and Visa</u>.
 - Please note: The address you put into ParkingSoft MUST match the billing address of your card, or your bank will decline your payments.
- 6) Pick up your hangtag/parking pass at the Garage Office, just inside the Clinton Avenue entrance on your right.
- 7) Happy parking! 🙂
