Local Improvement Ordinance No. 1740

Local Improvement Ordinance reestablishing the South Avenue/Alexander Street Open Space Special Assessment District and establishing the cost of related special work and services

WHEREAS, the City-owned parcel at 62 Alexander Street has been developed as a landscaped open space, utilizing funds from the City through the Sector Targeted Funding Initiative program and funds from New York State;

WHEREAS, a Local Improvement District that was established to maintain that landscaped open space in 2004 by Local Improvement Ordinance No. 1537 has lapsed; and

WHEREAS, a substantial number of surrounding property owners have again petitioned the City requesting that a special assessment district be reestablished to pay the annual maintenance costs, such petition being on file in the Office of the City Clerk.

NOW, THEREFORE, BE IT ORDAINED, by the Council of the City of Rochester as follows:

Section 1. The Council hereby authorizes the maintenance for a period of ten years of the landscaped open space at 62 Alexander St. (SBL #121.56-2-55). Such maintenance shall include cutting grass, trimming shrubs, watering, weeding, trash pick-up and removal, fall leaf clean-up, lighting, repairs to structures and pavement, a reserve for replacement and other similar services deemed appropriate.

Section 2. The Council finds that the maintenance of the open space will benefit the parcels within a district described as follows: The Inner Tier of the district shall consist of properties fronting on South Avenue from Comfort Street to Hamilton Street and properties fronting on Alexander Street between South Clinton Avenue and Kirley

Alley/Stebbins Street, but excluding the corner parcels at South Clinton Avenue. The Outer Tier of the district shall consist of the remaining properties in the area bounded by Mt. Hope Avenue, Byron Street, South Clinton Avenue, and Hamilton Street, including the parcels on the south side of Hamilton Street and the parcels fronting on South Avenue between Hamilton Street and Averill Avenue. The parcels are listed on an attachment filed in the City Clerk's Office. Such district is defined to be the special assessment district for the maintenance costs of the South/Alexander Open Space, and the full amount of the annual maintenance costs shall be annually assessed against such parcels for each of the next ten years.

Section 3. The Council finds that the maintenance of the South/Alexander Open Space will benefit the parcels within the district in proportion to their assessed values, because property values will be enhanced thereby, and also in relation to their proximity to the open space. Therefore, the annual maintenance costs shall be allocated annually among the parcels in the district in proportion to their assessed values (without reduction for exemptions), with the parcels in the Outer Tier charged at half the rate as the Inner Tier parcels.

Section 4. The cost of the special work and services for the 2018-19 fiscal year for the South Avenue/Alexander Street Open Space District is established at \$8,900, which amount shall be assessed and billed on the 2018-19 tax bill as follows: Inner Tier properties will be charged \$.36 per \$1,000 of assessed property value and Outer Tier properties will be charged \$.18 per \$1,000 of assessed property value. Any assessment not paid by its due date shall be a lien upon the property billed and a personal obligation of the property owner. The rate for subsequent years shall be fixed at that time by the Council.

Section 5. The Council hereby finds that it would be impracticable to select a maintenance contractor through competitive bidding, designates the South Wedge Area Neighborhood Council to perform the special work and services, and authorizes the Mayor to enter into an agreement with said Association for this purpose.

Section 6. The agreement shall obligate the City to pay an amount not to exceed \$8,900, and said amount, or so much thereof as may be necessary, is hereby appropriated from the assessments authorized herein. The term of the agreement shall be July 1, 2018 through June 30, 2019.

Section 7. The agreement shall contain such terms and conditions as the Mayor deems to be appropriate.

Section 8. This ordinance shall take effect immediately.
