### **Local Law amending the Affordable Housing Policy**

BE IT ENACTED, by the Council of the City of Rochester as follows:

Section 1. Chapter 755 of the Laws of 1907, entitled "An Act Constituting the Charter of the City of Rochester", as amended, is hereby further amended by amending Section 10-11, Affordable housing, to read in its entirety as follows:

§ 10-11 Affordable housing.

- A. Findings and purpose. By Resolution No. 93-19, the City Council adopted a comprehensive housing policy for the City of Rochester, which included, among other things, the promotion and facilitation of affordable housing for individuals and families of low and moderate income. The Council hereby finds that there is a deficiency of such affordable housing, which deficiency is a serious detriment to the economic and social health, safety and well-being of the residents and neighborhoods of the City. The Council, therefore, hereby declares the development of such affordable housing to be a municipal and public purpose which shall be undertaken within the policy established by Resolution No. 93-19, as such policy has been subsequently updated by Ordinance No. 2008-91 and Local Law No. 5 of 2018.
- B. Authorization. The City, acting through the Commissioner of Neighborhood and Business Development, with the approval of the Mayor, is hereby authorized to develop and implement affordable housing programs by, among other things:

- (1) Making grants to owners or purchasers of blighted houses who are persons or families of low or moderate income in order to rehabilitate such houses for purposes of occupancy by such owner or purchaser as his or her or their principal residence and making below-market-rate loans to owners or purchasers of blighted houses in order to rehabilitate such houses, with the use of any such grant or loan limited to bringing a house into compliance with all applicable laws and regulations or to reconstruction in order to improve habitability of a blighted house or to prolong the useful life of a blighted house.
- (2) Permitting the acquisition of blighted houses and their rehabilitation by one or more public or quasi-public authorities or entities for resale to a person or family of low or moderate income for use as such person's or family's principal residence.
- (3) Demolishing blighted houses, acquiring the resulting vacant lots and constructing houses for sale to a person or family of low or moderate income for use as such person's or family's principal residence.
- (4) Making grants for down payments and closing costs and below-market-rate mortgage loans to a person or family of low or moderate income to purchase a house to be used as such person's or family's principal residence.
- (5) Promoting and facilitating decent rental housing for those who do not desire to or cannot afford to purchase a home.
- (6) Making grants and below-market-rate loans to support the development of housing to be sold or rented to a person or family of low or moderate income for use as such person's or family's principal residence.

C. General.

- (1) The Commissioner of Neighborhood and Business Development shall establish rules and regulations to implement affordable housing programs with the aim of ensuring the use of available funds for affordable housing program purposes and not for private gain.
- (2) The City may incur indebtedness and appropriate general funds to accomplish the purposes of the City's affordable housing programs.
- (3) In order to target affordable housing resources on the households most in need, including but not limited to those families who spend more than 50% of their total income on housing, the City may limit the eligibility for any of its affordable housing programs to one or more of the lower income categories of the four categories of low and moderate income households defined herein.

D. Definitions. As used in this section, the following terms shall have the meanings indicated:

**AFFORDABLE HOUSING PROGRAMS** Programs designed to make ownership or rental of a home or dwelling unit, and assistance for improvements to homes, available to persons of low or moderate income

**BLIGHTED** One or more of the following conditions of a house: boarded, fire damaged, vandalized, structurally damaged, major systems substantially impaired, numerous substantial building and property code violations, obsolescent or any similar condition, the effect of which is to adversely affect the aesthetic or economic environment of the immediate neighborhood.
