WHAT IS A SPECIAL PERMIT?

The Special Permit procedure is intended to provide a means to establish those uses having some special impact or uniqueness which requires a careful review of their location, design, configuration and special impact to determine, against fixed standards, the desirability of permitting their establishment at any given location. They are uses that may or may not be appropriate in a particular location depending on a weighing, in each case, of the public need and benefit against the local impact and effect.

2. The applicant will be notified in writing of the date, place and time of the public hearing. In addition, property owners within a 600 foot radius of the affected property will be notified by mail of the pending application.
3. A Staff Report, prepared by a zoning staff person, containing all project information and documentation will be mailed to the applicant and the Board or Commission members prior to the scheduled hearing date.
4. It is the applicant's responsibility to attend the public hearing to present their proposal and to answer questions of the Board or Commission.
5. The Board or Commission will generally make its decision the same day as the hearing.
6. Written decisions of the Board or Commission are mailed to the applicant within ten (10) days following the Board or Commission's decision.

WHAT HAPPENS IF THE APPLICATION IS APPROVED?

An approval, or an approval on condition, does not authorize the proposed work to proceed, **but** only authorizes the filing of applications for permits or other approvals which may be required by City Code.

The rights to this approval will expire if a permit is not obtained and maintained within one (1) year of the filing date of the decision. The applicant may request an extension in writing from the Director of Planning and Zoning prior to the expiration of the approval. A nonrefundable fee of \$100 is required for an extension of time.

Board Member Site Visits

As part of their responsibilities for reviewing your application, City Planning Commission members (CPC Members) are required to conduct site visits of the subject property to enable them to observe the property and the context of the neighborhood and adjacent properties. Some applications involve a project that is not visible from the public right-of-way and it may be necessary for CPC Members to access your property to observe portions of the exterior of the property not visible from the right-of-way. By signing below, you are attesting that you understand this information and authorize the CPC Members to enter onto the rear or side areas of your property, as necessary, to conduct their site visit for your application.

Date

Please note that if you do not authorize the CPC Members to access your property, you must provide additional photographic evidence of the area of your property that is not visible from the right-of-way. Failure to permit property access to CPC Members or to provide adequate photographic evidence may result in the denial of your application if there is insufficient evidence to establish that the variance standards have been met.
