

RECONNECT ELECTRICAL PERMIT APPLICATION

(required to have power turned back on after RGE has temporarily disconnected the service)

HELPFUL INFORMATION:

- Anyone can apply, you do not have to be the owner nor a licensed electrician
- Any questions about the requirement for a reconnect or status of an account should be directed to RG&E at 1-800-743-2110.

DO NOT COMPLETE THIS APPLICATION IF:

- The unit has been fire damaged (a separate fire damage repair permit is required)
- The electrical system has been tagged by RG&E (red or orange tag on meter)
- The service has been vandalized or damaged and needs repair, in which case a licensed electrician must apply for a separate permit and complete such repair work

COMPLETE ALL THE FOLLOWING:

Property address:

(include all apts, units, buildings, etc to be inspected)

Property owner:

name address owner contact phone #

Applicant:

name address applicant contact phone #

of meters: _____ Fee: _____ 1 or 2 or meters = \$70 total
more than 2 = \$70 + \$10 each additional over 2

*I understand that it is the responsibility of the owner/applicant to verify with RG&E that there are no known outstanding issues at the property that will prevent the City of Rochester from granting a reconnect inspection and approval. I further understand that **no refunds will be given after an inspection has been performed:***
