

First Time Enhanced STAR Exemption

Dear Enhanced STAR Applicant:

The Enhanced STAR exemption is for owner occupants who are 65 years of age or older and have a federal adjusted gross income of \$98,700 or less.

If you have a Basic STAR exemption on your City and School tax bill now, you should apply with the City Bureau of Assessment to upgrade that exemption to the Enhanced STAR when you turn 65. Your Enhanced STAR exemption will continue to be applied to your City and School tax bill as long as you live at your property and qualify.

If you do not have a Basic STAR exemption on your City and School tax bill now, you must register with New York State to receive a check in the mail for your Enhanced STAR savings. The amount of your STAR benefit is the same no matter how you receive it. Visit www.tax.ny.gov/star or call (518) 457-2036.

If you are applying with the City Bureau of Assessment, use this application. As a first time applicant you will be required to supply proof of age for all owners and spouses of owners residing on the property. **You or your spouse must be age 65 by December 31, 2024.** We encourage you to mail in your application with documentation to avoid the long lines.

PLEASE READ ALL DIRECTIONS AND QUESTIONS CAREFULLY. Include a copy of pages 1 & 2 from your **2022** Federal or New York State Income tax returns if you file a return. If you do not file tax returns, you must submit all **2022** income statements to verify income. To qualify for the Enhanced STAR exemption, the **2022** Federal Adjusted Gross Income minus taxable IRA distributions for all owner(s) and spouse(s) must be **\$98,700** or less. If your income exceeds that amount you will still be eligible to obtain the Basic STAR exemption if you continue to live on the property.

You should already have your **2022** year end statements and tax return which you need to file with your renewal application. Your completed STAR renewal application **should** be returned as soon as possible to avoid processing delays. **The application must be returned no later than February 1, 2024.**

You must fill out all of the New York State RP-425 forms enclosed in this package. If you qualify based on your income, in future years New York State will verify your income and you will no longer be required to submit documentation to the Bureau of Assessment starting with the 2025 tax year. If you fail to return the New York State RP-425 forms, you will not receive the exemption.

As always, the Assessment staff is available to help you. Please call the **Exemption Hotline at 585-428-6994**, Monday through Friday, between 9:00 a.m. and 5:00 p.m., if you have any questions.

Sincerely,

Michael S. Zazzara
City Assessor

Instructions

You must submit Form RP-425-IVP with this form when applying for the Enhanced STAR exemption.

General information

The Enhanced STAR exemption reduces the school tax liability for qualifying senior citizens by exempting a portion of the value of their home from the school tax.

To qualify, the home must be:

- owner-occupied, and
- the homeowners' primary residence.

The combined 2022 income of all owners, and any spouses who reside on the property must be less than or equal to \$98,700 **and** you must have had a STAR exemption on the same property for the 2015-2016 school year.

In the first year, the assessor will verify your eligibility based on the income information you provide (see *Proof of income for STAR purposes*). In the following years, the New York State Department of Taxation and Finance will verify your income eligibility. You will not need to reapply for the exemption or provide copies of your tax returns to your local assessor.

Who should use this form:

Since the STAR exemption is closed to new applicants, you should only use this form if:

- (1) you already have a Basic STAR exemption and believe you are now qualified for an Enhanced STAR exemption, or
- (2) you already have an Enhanced STAR exemption and need to reapply due to a change of ownership resulting from:
 - marriage,
 - divorce,
 - surrender of interest by a co-owner,
 - survivorship,
 - trusts,
 - life estates, or
 - name change(s).

Note: If you are currently receiving a check for a STAR credit, you cannot apply for the STAR exemption. You cannot switch from the STAR credit to the STAR exemption.

Deadline: You must file this application **and proof of income, proof of age, and Form RP-425-IVP** with your local assessor on or before the applicable taxable status date, which is generally March 1.

Exceptions:

- In the Village of Bronxville, it is January 1.
- In Nassau County, it is January 2.
- In Westchester towns, it is either May 1 or June 1.
- In cities, check with your assessor.

For further information, ask your local assessor. Visit our website or your locality's website to find your local assessor's contact information.

Do not file this form with the New York State Department of Taxation and Finance or the Office of Real Property Tax Services.

Application instructions

Print the name and mailing address of each person who **owns** the property, including any non-resident owners. (If the title to the property is in a trust, or is held in a life estate, the trust beneficiaries or life tenants are deemed to be the owners for STAR purposes.) There is no single factor which determines whether the property is your primary residence, but the assessor will consider factors such as voting location, automobile registrations, and the length of time you occupy the property each year. The assessor may ask you to provide proof of residency and ownership.

You can find the parcel identification number on either the assessment roll or your tax bill.

If your primary residence changes after you have been granted the exemption, you must notify the assessor.

Proof of income for STAR purposes

You are required to submit proof of income with this form. Proof of income is your 2022 federal or state income tax return. **Do not** submit your 2023 tax forms. Instructions

You must include this form when applying or reapplying for the Enhanced STAR exemption.

General information

To apply for the Enhanced STAR exemption, submit this application and Form RP-425-E, *Application for the Enhanced STAR Exemption* to your assessor.

You must also provide proof of income as described on the above forms.

When submitting this form, you must supply the Social Security numbers of all owners of the property and of any owner's spouse who resides on the premises.

If your income in any given year is high enough to disqualify you from the Enhanced STAR exemption for that year, New York State will continue to check your income in subsequent years. If you qualify again in a future year, you will again receive the Enhanced STAR exemption. You do not need to reapply.

In the first year, the assessor will verify your eligibility based on the income information you provide (see *Income information*). In the following years, the New York State Department of Taxation and Finance will verify your income eligibility. You will not need to reapply for the exemption or provide copies of your tax returns to your local assessor.

The Tax Department will **not** disclose your income to the assessor. It will only disclose whether or not your income is below the applicable income standard.

Nassau County homeowners: Complete Form RP-425-IVP along with the county's Enhanced STAR property tax exemption application, which is available at Nassau County's website at www.nassaucountyny.gov (search: *STAR*). Submit both forms to the address on page 2 of Nassau County's application.

Income information

This is the income that the assessor will use to verify your eligibility in your first year of applying for the Enhanced STAR exemption.

- **Calculated income** – Refer to *Proof of income for STAR purposes* on page 3 of Form RP-425-E for instructions on how to calculate income.
- **Tax year** – Income is based on the tax year **two years prior** to the year for which you are applying for an exemption. For example, if you are applying for an Enhanced STAR exemption for the 2024-2025 school year, income is based on the 2022 tax year.
- **Income documentation** – Indicate the income tax form that was used to document income. If you did not file a federal or New York State income tax return for the required year, complete Form RP-425-Wkst, *Income for STAR Purposes Worksheet*, and submit it with Form RP-425-E and this form.
