## **City of Rochester Disclosure**

The Program for which you are applying may be part of one or more City of Rochester (hereinafter the "City"), federal, state, or other programs, including, but not limited to, the Community Development Block Grant (CDBG) Program, Emergency Solutions Grant (ESG) Program, HOME Investment Partnerships (HOME) Program, Housing Opportunities with Persons with AIDS (HOPWA) Program, Asset Control Area (ACA) Program, or City Development Fund (CDF). Each of these programs has rules and regulations prohibiting conflicts of interest. Conflicts generally arise where the applicant or his or her family or business may have an economic or employment interest in the program or the entity providing the program.

Program regulations generally limit the participation of employees, agents, consultants, officers, or elected appointed officials of the City or any designated public agencies, or sub-recipients receiving Program funds, and those with whom they have business or immediate family ties, during their tenure or for one year thereafter. For federally assisted housing and community development programs, this applies unless an exception is granted by the **U.S. Department of Housing and Urban Development (HUD)**. In order for HUD to grant an exception to such persons there must be a public disclosure of the application and the City's Corporation Counsel must determine that the participation does not violate state or local law.

The objective of this form is to identify applicants that may have a conflict under the rules and regulations. The City will then determine whether an exception should be granted or requested. The City's Department of Neighborhood and Business Development, Office of the Commissioner, is responsible for conflict of interest determinations and the coordination of the exception process for federally assisted housing and community development programs.

Rochester,	New	York	14614,	and _		,	with	offices	located	at
					, hereafter referred to	as the "E	mploye	er."		

**WHEREAS**, The City of Rochester's Neighborhood and Business Development Department (NBD) provides financial and economic development assistance designed to attract new businesses to the City and to enable existing businesses to expand and create jobs and,

**WHEREAS**, The City of Rochester seeks assurances from Employers who receive assistance that City of Rochester residents shall benefit from the creation of these new jobs and,

**WHEREAS**, The City of Rochester has entered into an Agreement with the United States of America Department of Housing and Urban Development (HUD) under the Community Development Block Grant (CDBG) Program and,

**WHEREAS**, The source of the financial assistance being provided to the Employer by the City of Rochester is CDBG funds and,

**WHEREAS**, The City of Rochester needs to ensure that, per HUD guidelines, any jobs created by the Employer are made available to or filled by low- and moderate-income (LMI) persons, as defined in this Agreement.

NOW, THEREFORE, the Employer agrees to the following:

#### I. Term

The term of the agreement is \_\_\_\_\_\_ through \_\_\_\_\_\_

#### II. General Terms

**A**. The Employer shall give first priority to hiring LMI persons for at least 51% of the \_\_\_\_\_ (\_\_\_\_) new positions (computed on a full-time basis) projected to be created by virtue of the project described in the letter of commitment.

- (1) The following requirements apply for jobs to be considered available to or held by LMI persons:
  - > Created jobs are only considered to be *available* to LMI persons when:
  - Special skills that can only be acquired with substantial training or work experience or education beyond high school are <u>not</u> a prerequisite to fill such jobs, or the Employer agrees to hire unqualified persons and provide training; and
  - > The Employer takes actions to ensure that LMI persons receive first consideration for filling such jobs.
  - > Created jobs are only considered to be *held* by LMI persons when the job is actually filled by an LMI person.
- (2) In determining whether a job is made available to or held by an LMI person, a person is *presumed* to be low- or moderate-income if:
  - He/she resides in a Census tract or block numbering area (BNA) that meets certain requirements (detailed below); or
  - > He/she resides in a Census tract or BNA with at least 70% LMI persons; or
  - > The Employer is located in an eligible Census tract or BNA (see below) and the job will be located within that same Census tract.

- (3) An eligible Census tract or BNA is one that is located within a Federally-designated Empowerment Zone or Enterprise Community <u>or</u> a Census tract that:
  - > Has a poverty rate of at least 20% (30% if the area includes the central business district);

AND

- > The area evidences pervasive poverty and general distress by meeting at least one of the following criteria:
  - All block groups in the Census tract have 20% or greater poverty rates;
  - The activity is undertaken in a block group with a 20% or greater poverty rate; **OR**
  - HUD determines that the tract shows other signs of distress (e.g., crime, homelessness, deteriorated housing, etc.)

**B.** Positions, as projected on this agreement, shall include the Employer's job openings, in the assisted facility located at \_\_\_\_\_\_, Rochester, New York 146\_\_\_\_ that are created as a result of terminations, promotions, and expansion of the Employer's workforce. The Employer may, but need not, refer job openings to be filled by internal promotion from the Employer's local workforce, executive, mid-level management and highly skilled technical positions to **Rochester Works** or the **NYS Department of Labor**.

**C**. The Employer shall make every active, reasonable effort to achieve the employment objectives described herein within three years from the date of this agreement. Once the total number of new jobs and ratio of LMI persons hired are reached, the Employer is expected to maintain these numbers throughout the term of the loan agreement.

**D.** After the Employer has selected its employees, the City of Rochester shall not be responsible for their actions. The Employer hereby releases the City of Rochester from any liability for employee actions.

**E.** This Agreement shall not be construed as a loan agreement and shall not obligate NBD to provide financial assistance. If, for any reason the proposed loan should be withdrawn or canceled, this Agreement will be null and void.

**F.** This agreement does not supersede other economic development program agreements that the Employer may have with NBD or the State of New York (e.g., New York State Empire Zone Program).

#### **III. Modifications and Sanctions**

A. The Employer and NBD may mutually agree to modify this Agreement to improve its terms or procedures.

- **B.** NBD may terminate the Agreement at any time by written notification.
- **C.** Any dispute concerning a question of fact arising under this contract which is not resolved by mutual agreement of the parties, shall be decided by the City which shall reduce its decision to writing and mail or otherwise furnish a copy to the Employer. The decision of the City shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, or capricious, or arbitrary, or so grossly erroneous as necessarily to imply bad faith, or not supported by substantial evidence.

#### **IV. Mandatory Reports**

Over the term of this agreement, the Employer is required to report hiring activity and job creation to the City of Rochester for the assisted facility on an annual basis, or more frequently upon written request by the City of Rochester.

With respect to the new jobs created, the records must show:

- > A listing by job title of the specific jobs to be created.
- > A listing by job title of the jobs which are filled.
- > The name and residential address of the person who filled each position.
- > The full time equivalency status of the jobs.

Given the above information reported, if it cannot be *presumed* that a person hired for a position is an LMI individual, as discussed in section **II(A)(2)** of this Agreement, the Employer must provide the following additional information for such individuals:

- > Family size (i.e., number of persons living in the household).
- > Total family income.

Where a job is not filled by an LMI person, but the Employer wants credit based on the job being made available to LMI persons, the records must show:

- > The title and description of the jobs made available, and the full time equivalency status of the job at the time.
- > The prerequisites for the job; special skills or education required for the job, if any; and the Employer's commitment to provide needed training for such jobs (and the training that the Employer provided to the person hired, if applicable).
- > How first consideration was given to LMI persons for the job, such as the name(s) and residential addresses of the person(s) interviewed for the job and the date of the interview(s).

**IN WITNESS WHEREOF**, the parties have duly executed this Agreement on the date first written above.
