Project: To construct a 134 room, four-story hotel (104,100 SF) with a maximum building height of 61' 10". Vehicular access for the hotel will be off of the private internal road network and will provide three driveways. We are providing a pedestrian connection to the Elmwood Avenue sidewalk. The site plan indicates "on-site" parking at 132 spaces, however, as part of PD-18, shared parking and on-street parking is encouraged and will be utilized as needed for overflow. Parking visible from Elmwood Avenue will be screened appropriately. As a hotel it will be open 24 hours a day and will adhere to requirements set forth in PD-18.
