

# CONTEST RULES

## City Holiday Door Decoration

### Respectful Decorations

Be respectful of your colleagues' workspaces and ensure that decorations do not impede normal office activities or create a disturbance.

### Safety First

If participants are using lights or other electronic devices please ensure that decorations do not interfere with fire safety measures. Battery powered lights are ideal.

### No Edibles or Food

Do not use edibles or food in your door decorations, as they may attract little creatures to our festivities.

### Inclusivity

Consider the diverse backgrounds and beliefs of your co-workers. We encourage decorations that are inclusive and respectful of various traditions and celebrations.
