TO WHOM IT MAY CONCERN:

I hereby certify that the following is a true copy of an ordinance which was duly passed by the Council of the City of Rochester on **September 17, 2019** and **Approved** by the Mayor of the City of Rochester, and was deemed duly adopted on **September 18, 2019** in accordance with the applicable provisions of law.

Ordinance No. 2019-276

Authorizing the cancellation or refund of erroneous taxes and charges

BE IT ORDAINED, by the Council of the City of Rochester as follows:

Section 1. The City Treasurer is authorized to cancel the following taxes and charges:

	S.B.L. #	Class	Address	Tax Year	Amount Cancelled	Subtotal
(A)	106.27-1-2	N	732 Portland Ave	2020	\$50,236.80	\$50,236.80
(B)	106.60-2-34	H	300-302 Penn- sylvania Ave	2020	\$19,650.00	\$19,650
					TOTAL	\$69,886.80

(A) The City incurred costs to demolish structures at 732 Portland Avenue prior to the sale of the property at a City of Rochester below lien foreclosure sale. At the time of the add-to-tax process that followed the sale, the demolition charges were mistakenly added to the tax bill at the direction of the Law Department because the foreclosure sale deed had not yet been recorded to indicate a change of ownership. The demolition charges should have been cancelled in the general tax billing system after the sale deed was recorded because the demolition charges were incurred under a prior owner.

(B) When the 2018 Housing Code and Get Tough ticket report (HC/GT), which indicates open violation ticket balances and the current ownership, was consulted for 300-302 Pennsylvania Avenue, it indicated that there were outstanding ticket charges and that there had been a deed change that was the result of a deed correction. Rather than treat the deed change as indicative of a change in ownership and remove the prior owner's charges, the Municipal Code Violations Bureau added the ticket charges to the bill based on advise to do so when a mere correction deed is filed. In this instance, however, the Bureau had not been informed that the correction deed was correcting a prior deed that had actually transferred the property to a new owner. There is no relationship between the prior and new owner. The violation ticket charges incurred under a prior owner should not have been added to the tax bill for this property and should be removed. Once that occurs, the charges will be sent to the collection agency to seek recovery from the prior owner.

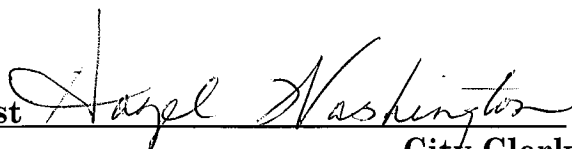

Section 2. If full or partial payment of the afore-said taxes and charges has been made and received, the City Treasurer is hereby authorized and directed to remit to the owner of the parcel the amount of said payment without interest.

Section 3. This ordinance shall take effect immediately.

Ayes - President Scott, Councilmembers Clifford, Gruber, Harris, Lightfoot, Ortiz, Patterson, Spaul - 8.
