The City is conducting master planning services for three City-owned properties containing parkland and recreational facilities. The sites have future planned physical improvements, and the work at each site will be guided by a master plan. The project will include schematic design, cost estimating, community engagement, and master planning for three sites. The schematic designs will focus on enhancing the usability, functionality, safety and accessibility of the three parks for all users.

Agenda: The meeting will include a presentation of the design alternatives for the project referenced above, followed by discussion and opportunities to provide feedback. The same presentation will be conducted in-person at 4:45 p.m. and online at 6:30 p.m.

Please plan to attend this important meeting online or in-person. To attend the Zoom Online Meeting, please type in the link listed above on your web browser or go to <https://zoom.us/join> and enter the **Meeting ID** provided above. We kindly ask that you plan to connect to the meeting 5 to 10 minutes early at which time you may be placed in a waiting room until the meeting begins. If you are unable to attend, please visit the project webpage to view the presentation and graphics depicting the planned improvements at <https://www.cityofrochester.gov/parkplanning/> that will be posted in PDF format after the meeting.

If you require special arrangements for the meeting (translators, wheelchair accessibility, etc.) or further information on this meeting, contact project manager Ellen Micoli Soffa, R.L.A. by telephone at 428-3692 or email at ellen.soffa@cityofrochester.gov.
