Body-Worn Camera Manual

B. Deletion of Recordings “Recorded in Error.”

1. In the event a member mistakenly or inadvertently records an activity or event that should not have been recorded under departmental policy (e.g., the member inadvertently activates the BWC during a bathroom break), the member will tag the recording as “Recorded in Error.” The video management software will then delete this recording according to a pre-determined schedule.
2. Members requesting immediate deletion of the erroneous recording will forward an email to R&E at bwc.support@cityofrochester.gov as soon as possible. The member should identify the recording in question by date, time, location, and CR# (if any), and explain the circumstances for the immediate deletion.
3. The R&E Commanding Officer or designee will:
 - a. determine whether the recording was done in error;
 - b. if recorded in error, and there is no reason to retain the recording (see below), delete the video from the BWC System or arrange for a System Administrator to do so;
 - c. if not recorded in error (i.e., recorded in accordance with policy), re-categorize the recording to the appropriate category or arrange for a System Administrator to do so;
 - d. notify the requesting member by email of the disposition of the request; and
 - e. ensure R&E maintains a file of all documentation relating to deletion requests.
4. Circumstances may arise in which an event or activity may be recorded in error under departmental policy, but cannot be deleted because it may constitute evidence, or may trigger a legal disclosure or retention requirement. For example, while a strip search should not be recorded under departmental policy, the recording may nonetheless constitute evidence and cannot be deleted. Accordingly, if a deletion request involves a recording that may need to be retained for legal reasons, the R&E Commanding Officer or designee will:

ROCHESTER POLICE DEPARTMENT

- B. Members may make or request copies of BWC recordings as follows for operational departmental use (e.g., investigations, crime analysis, etc.). If the member is not authorized to make a copy of the recording in question, a supervisor or a System Administrator may provide a copy of the recording. Any questions or concerns whether the copy should be provided will be referred to the R&E Commanding Officer or the BWC Program Manager.
- C. Members who want a copy of a BWC recording for non-operational departmental use (e.g., training), will direct an IDC to the DCA through the chain-of-command identifying the recording and explaining the intended use of the copy. If the DCA determines that there is a valid non-operational use for the BWC recording, the DCA will authorize a System Administrator to provide a copy.

3. MCDA will be responsible for any required redactions in BWC recordings it provides to defendants.

XIII. FREEDOM OF INFORMATION LAW (FOIL) REQUESTS

- A. BWC recordings may be subject to requests for release under New York's Freedom of Information Law (FOIL) (Public Officers Law, Article 6; §§ 84 - 90). FOIL is based upon a presumption of access that requires agencies to make all records available, except to the extent that records or portions thereof fall within one or more grounds for denial appearing in the statute.
- B. FOIL does contain exemptions intended to protect safety and privacy, and to protect the integrity of law enforcement operations. Thus, RPD may withhold those portions of the records that would interfere with an investigation or judicial proceedings. Denial of FOIL requests, or redactions, are permitted, for example, in the following circumstances:
 1. are specifically exempted from disclosure by state or federal statute;
 2. if disclosed would constitute an unwarranted invasion of personal privacy;

ROCHESTER POLICE DEPARTMENT
Body-Worn Camera Manual

3. are compiled for law enforcement purposes and which, if disclosed, would:
 - a. interfere with law enforcement investigations or judicial proceedings;
 - b. deprive a person of a right to a fair trial or impartial adjudication;
 - c. identify a confidential source or disclose confidential information relating to a criminal investigation; or
 - d. reveal criminal investigative techniques or procedures, except routine techniques and procedures;
4. if disclosed could endanger the life or safety of any person.

Note: *These are examples of potential FOIL disclosure exemptions that may apply to BWC recordings – it is not a complete list of disclosure exemptions under FOIL. Personnel should consult the City Law Department on FOIL questions and issues.*

- C. RPD bears the burden to demonstrate that the requested material qualifies for exemption from FOIL disclosure. In doing so, RPD may not rely on general categories of material, but ***must cite a specific and particularized justification to establish a valid exemption.***
- D. The following procedures will apply to FOIL request for BWC recordings:
 1. FOIL requests for BWC recordings will be referred to R&E.
 2. R&E will coordinate a response with the Communications Department and the City Law Department.
 3. R&E will identify BWC recordings that may be responsive to the FOIL request.
 4. The City Law Department will provide guidance on release or denial of BWC recordings as needed.
 5. If the BWC recording(s) requested under FOIL are involved in a

ROCHESTER POLICE DEPARTMENT
Body-Worn Camera Manual

criminal investigation or prosecution, R&E will coordinate communication among the investigating officers, the prosecutor, and the City Law Department as appropriate to identify any possible exemptions to FOIL disclosure.

- a. If the City Law Department recommends release over the objection of the investigating officers and/or the prosecutor, the matter will be referred to the Chief of Police.
 - b. The Chief will coordinate further review as required to resolve the matter, including consultation with the Corporation Counsel, the Deputy Chief/Operations Bureau, the DCA, and the chief prosecuting officer or designee.
 - c. Based upon the consultation and review the Chief will make a final determination.
6. R&E will do any required redactions.
 7. R&E will work with the Communications Department and the City Law Department to track and document the cost of compliance with FOIL requests for possible reimbursement claims under the statute.

XIV. OTHER PUBLIC ACCESS

A. Media Requests for BWC Recordings

1. Media requests for BWC recordings, including FOIL requests from the media, will be referred to the Public Information Officer (PIO).
2. The PIO will coordinate review of the request and respond in accordance with standard departmental policies and procedures as applicable (*see* G.O. 360, News Media).
3. If the BWC recording involves a criminal incident the PIO will coordinate and consult with the investigating officers and prosecutor prior to release. If the BWC recording relates to a civil claim involving the City of Rochester, the PIO will consult with the City Law Department.
4. All releases of BWC recordings to the media must be approved by the Chief or a Deputy Chief.

ROCHESTER POLICE DEPARTMENT
Body-Worn Camera Manual

5. R&E will assist as needed to locate BWC recordings requested by the media and provide copies for review.
6. BWC recordings released to the media will be redacted by R&E as needed to protect safety and privacy, and the integrity of law enforcement operations, criminal investigations, and prosecutions; and to comply with applicable contractual requirements.

B. RPD Release

1. Circumstances may arise in which RPD will consider releasing BWC recordings to the public through news conferences, social media, community meetings, and public displays, or other public release.
2. The PIO will coordinate the review of BWC recordings for possible release by RPD.
3. The same procedures and authorizations as required for consideration of media release and redaction of BWC recordings will be followed.
