

PROCEEDINGS

OF THE

COMMON COUNCIL

OF THE

CITY OF ROCHESTER,

FOR 1886-87.

ROCHESTER, N. Y. :

POST-EXPRESS PRINTING COMPANY, 12 TO 18 MILL STREET.

1886.

IN COMMON COUNCIL,

FOR 1886-87.

IN COMMON COUNCIL.

Charter Meeting April 5th, 1886.

ORGANIZATION OF THE BOARD.

The Clerk called the Board to order.

Present—Aldermen Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—16.

Alderman Kelly moved that Alderman Watson act as temporary chairman.

Adopted.

Alderman Watson upon taking the chair thanked the Board for the honor conferred, and asked the pleasure of the Board.

Alderman Kelly moved that the Board proceed to appoint a President of the Board.

Adopted.

Alderman Kelly nominated Aldermen Tracy, Alderman Tracy was named by Aldermen Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

Alderman Tracy was declared appointed President of the Common Council.

Alderman Stein moved that a committee of two be appointed to conduct the President elect to the chair.

Adopted.

The President pro tem. appointed as such committee Aldermen Stein and Foley.

Alderman Tracy in appropriate and eloquent words accepted the position and thanked the Aldermen for the honor conferred.

Alderman Kelly moved that the Board proceed to appoint a City Clerk.

Adopted.

Alderman Kelly nominated Peter Sheridan, for City Clerk.

Peter Sheridan was named by Aldermen Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—16.

Peter Sheridan was declared appointed.

Alderman Kelly moved to proceed to appoint a City Messenger.

Adopted.

Alderman Kelly nominated Frank J. Irwin.

Frank J. Irwin was named by Aldermen Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly Schaeffer—16.

Frank J. Irwin was declared appointed City Messenger.

Alderman Kelly moved that the Board proceed to appoint a City Sealer.

Adopted.

Alderman Kelly nominated Thomas Mahoney.

Thomas Mahoney was named by Aldermen Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—16.

Thomas Mahoney was declared duly appointed.

Alderman Kelly moved that the Board proceed to appoint a Fire Marshal.

Adopted.

Alderman Kelly nominated Arthur McCormick.

Arthur McCormick was named by Aldermen Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—16.

Arthur McCormick was declared duly appointed.

Alderman Kelly moved to proceed to appoint an Overseer of the Poor. Adopted.

Alderman Kelly nominated John Lutes.

John Lutes was named by Aldermen Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—16.

John Lutes was declared duly appointed.

Alderman Kelly moved that the Board proceed to appoint a City Surveyor. Adopted.

Alderman Kelly nominated I. F. Quinby.

I. F. Quinby was named by Aldermen Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—16.

I. F. Quinby was declared duly appointed.

Alderman Kelly moved that the Board proceed to ballot for three City Physicians on the west side of the river.

Adopted.

Alderman Kelly nominated Dr. D. H. Koch. Dr. Koch was named by Aldermen Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—16.

Dr. D. H. Koch was declared appointed.

Alderman Kelly nominated Dr. V. A. Hoard.

Dr. V. A. Hoard was named by Aldermen Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—16.

Dr. Hoard was declared appointed.

Alderman Kelly nominated Dr. M. C. Rutherford.

Dr. Rutherford was named by Aldermen Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—16.

Dr. M. C. Rutherford was declared appointed. Alderman Kelly moved that the Board proceed to appoint three physicians on the east side of the river.

Alderman Mandeville moved as an amendment that the election be postponed until the second meeting in April.

Alderman Stein moved as a substitute that two physicians be elected to day and the remaining one on the second meeting in April.

Lost by the following vote:

Ayes—Alderman Marson, Kohlmetz, Fritzsche, Selye, Mandeville Swikehard, Stein, Bohrer—8.

Nays—Aldermen Tracy, Coughlin, Watson, Elliott, Foley, Weider, Kelly, Schaeffer—8.

The question recurred on the original motion to proceed to ballot for three physicians on the east side, which was adopted.

Alderman Kelly nominated Dr. N. M. Collins. Dr. Collins was named by Aldermen Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—16.

Dr. N. M. Collins was declared appointed.

Alderman Kelly nominated Dr. A. R. Gumbarts.

Dr. Gumbarts was named by Aldermen Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Selye, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

Blank was named by Aldermen Elliott and Mandeville—2.

Dr. A. R. Gumbarts was declared appointed.

Alderman Elliott nominated Dr. Mary E. Stark.

Alderman Foley nominated Dr. Sarah Perry. Alderman Kelly nominated Dr. C. R. Barber. Dr. Barber was named by Aldermen Tracy, Coughlin, Marson, Watson, Selye, Swikehard, Stein, Bohrer, Kelly, Schaeffer—10.

Mrs. Dr. Stark was named by Aldermen Kohlmetz, Fritzsche, Elliott—3.

Mrs. Dr. Perry was named by Aldermen Foley Mandeville—2.

Dr. Stockslader was named by Alderman Weider.

Dr. C. R. Barber having received the requisite number of votes was declared appointed.

Alderman Kelly moved that a committee of three be appointed on salaries.

Alderman Foley moved as an amendment that that the salaries remain the same as last year.

Lost.

The motion of Alderman Kelly was then adopted.

Alderman Selye moved that a committee of three be appointed on public printing.

Adopted.

Alderman Foley moved that the Printing Committee be authorized to receive proposals. Adopted.

The Chair handed down the following Committees: On Printing, Aldermen Selye, Swikehard and Kohlmetz. On Salaries, Aldermen Kelly, Weider and Bohrer.

The Board then adjourned.

PETER SHERIDAN, City Clerk.

IN COMMON COUNCIL.

Regular Meeting, April 6, 1886.

Alderman William H. Tracy, President of the Board, presiding.

Present—Aldermen Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

Absent—Alderman Coughlin.

APPROVAL OF MINUTES.

The minutes of the preceding meeting were approved as published in the book of proceedings.

Alderman Kelly moved that the rules of the last Common Council be adopted. As the rules of this Board—until otherwise ordered.

Adopted.

PRESENTATION OF PETITIONS, ACCOUNTS, &C., AND THEIR REFERENCE.

By Alderman Marson—Petition of John Haas for permission to erect a wood building on Waverly place.

Referred to the Wood Building Committee.

Alderman Marson presented a petition to change the name of Favor street to "Chester street."

Referred to the Committee on Opening and Alteration of Streets.

By Alderman Marson—

Whereas, The Stein Manufacturing Company is desirous of erecting a strong, light structure in front of their factory and across the sidewalk on Court street to facilitate the loading of caskets, so as not to impede travel on said sidewalk; therefore be it

Resolved, That permission be granted said company to erect such a structure according to a plan herewith submitted.

Referred to the Executive Board.

By Alderman Watson—Petition of A. L. Lawton and F. C. Lee for permission to erect a wood building on Center street.

Referred the Wood Building Committee and Fire Marshal with power to act.

By Alderman Watson—Petition for the improvement of Chestnut Park.

Referred to the Surveyor to prepare an ordinance.

Alderman Watson presented a petition for the replacing of the wooden benches in Washington square with iron settees.

Referred to the Park Committee.

Alderman Watson presented a remonstrance against the erection of a wood building by Mr. Sioman on Cortland street, and moved its reference to the Fire Marshal and Wood Building Committee with power to act.

By Alderman Kohlmetz—Petition of Hannah M. Peck.

Referred to the Assessment Committee.

By Alderman Kohlmetz—Petition of L. A. Schlitzer and Mary A. Wheeler for permission to erect wood buildings.

Referred to the Wood Building Committee with power to act.

Alderman Fritzsche presented the petition of H. N. Schlick & Co. for permission to erect a wood building on Hamburg street. Also a remonstrance against the same, and moved their reference to the Wood Building Committee and Fire Marshal, with power to act.

Adopted.

Alderman Selye presented the petitions of Christian Seel, jr., and J. J. Craig for permis-

sion to erect wood buildings, and moved their reference to the Wood Building Committee and Fire Marshal, with power to act.

Adopted.

By Alderman Selye—

ROCHESTER, March 22, 1886.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—The undersigned with L. D. Ely, presented to you May 1st, 1885, a petition with map in relation to open ditch running through our property, which we understand was referred to the Sewer Committee and that nothing has been done. We hope that this will be attended to at once.

Respectfully,

M. KONDOLF.

Referred to the Sewer Committee.

By Alderman Mandeville—Petition of Mary A. Boddy for permission to erect a wood building.

Referred to the Wood Building Committee with power to act.

Alderman Mandeville presented a remonstrance against the erection of a wood building by Dr. Botsford, on Central avenue, and moved its reference to the Wood Building Committee and Fire Marshal.

Adopted.

Alderman Mandeville presented a petition for opening a street from Gardner park to Union park, and moved that the Surveyor be instructed to prepare an ordinance.

Adopted.

Alderman Swikehard presented the petition of F. Odenbach, for permission to erect and move wooden buildings, and that permission be granted under direction of the Wood Building Committee and Fire Marshal.

Adopted.

By Alderman Weider—Petition of H. Arnott for permission to erect a wood building on Broadway. Referred to the Wood Building Committee with power to act.

By Alderman Stein—Petition of John L. Weiler for permission to erect a wood building on Hanover street. Referred to the Wood Building Committee with power to act.

By Alderman Stein—Petition for a pipe sewer in Dudley street.

Referred to the Surveyor to prepare an ordinance.

By Alderman Bohrer—Petition for a pipe sewer in Davis street.

Referred to the City Surveyor to prepare an ordinance.

By Alderman Kelly—Petition for water main in Jay street.

Referred to the Water Works Committee and Executive Board.

By Alderman Kelly—Petition of Anton Klugh to erect a wood building on Klugh park.

Permission was granted.

By Alderman Schaeffer—Petitions for flag walk on Culver park; plank walk on Hudson street; plank walk on Zimmer street; pipe sewer in Vernon park; plank walks and grading Henrietta avenue.

Referred to the City Surveyor to prepare ordinances.

Alderman Schaeffer presented a petition of property owners on Upton park requesting a special assessment as provided by section 96 of the laws of 1880.

Ordered received and filed.

By Alderman Schaeffer—

Whereas, It appears to this Common Council by the written application and petition dated April 6, 1886, of a majority of the owners of all lots on Upton park, said park being used in common by such owners; and

Whereas, Said owners, by said petition, are desirous of levying a tax at the rate of \$3 for each 40 feet front on said park, for the purpose of defraying the expense of making ordinary repairs thereon for the year 1886

Therefore, Resolved, That the City Assessors be, and they are hereby required to assess, at the rate of \$3 for each 40 feet front on said Upton park the said sum of \$3 to be added to and included with the general city tax for the year 1886; and the City Treasurer is hereby authorized to pay the sum thus assessed and collected to Theron T. Southwick, he being the person designated by the owners to receive the same; and the City Clerk is hereby required to transmit to said assessors and the City Treasurer a certified copy of this resolution.

Adopted by the following vote:

Ayes—Aldermen Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15

By Alderman Schaeffer—Petition for street lamps in Cambridge street.

Referred to the Lamp Committee

By Alderman Foley—Petition for a plank walk on Mansion street.

Referred to the City Surveyor to prepare an ordinance.

Alderman Foley presented the petition of Charles Nelson and E. B. Clark for permission to erect a wood building to be used as a roller coaster.

Referred to the Wood Building Committee and Fire Marshal to report to this Board.

Alderman Foley presented the petition of Edwin Day for permission to erect a wood building and moved that permission be granted.

Adopted.

REPORTS OF STANDING COMMITTEES.

By Alderman Schaeffer—

ROCHESTER, April 6, 1886.

To the Honorable the Common Council:

Your Committee on Sewers desires to report that several weeks ago, it requested the Executive Board to cause examinations to be made with the view of ascertaining whether it would be feasible to enlarge the sewer contemplated by final ordinance No. 2850 through Pennsylvania avenue and Goodman street, so as to receive also the discharges of the Upton Park and Culver Park outlet sewers; further, to present to your committee a statement of the facts relating to rights of way and annual damages now paid or claimed for the flow of sewage from the Court and William streets and the Upton Park sewers in open ditches through private lands.

The Executive Board has prepared and submitted an exhaustive report to us on these matters; and as we deem it of great importance to present the facts thus elicited to the taxpayers who are directly interested in the proposed enlargement of the Goodman street sewer, and many of whom desire that the existing final ordinance No. 2850 be amended so as to give them rights of drainage therein.

We herewith transmit said report to your Board for consideration with the request that the same be received, filed and published.

CHRIS. J. SCHAEFFER,
LOUIS BOHRER,
JOHN H. FOLEY,
CHARLES WATSON,
FRANK FRITZSCHE,
Sewer Committee

To the Committee on Sewers of the Honorable the Common Council:

GENTLEMEN: The Executive Board, to whom your committee referred the matter of the feasibility of constructing through Goodman street, from the open ditch of the Court and William streets outlet sewer, about 1,000 feet north of Bay street to the south side of the N. Y. C. & H. R. R., a sewer which would serve not only to intercept the sewage of the Court and William streets outlet sewer, but also that of the Upton park outlet sewer and of the Culver park sewer, respectfully submit the following report:

If the present ditch or natural water course now receiving the sewage of the Court and William streets outlet sewer, be suitably deepened and enlarged from Goodman street, opposite the lane called High street, to a point about 1,800 feet easterly and northerly, it will be entirely practicable and feasible to construct a new outlet sewer southerly through Goodman street from said High street which is about 1,000 feet north of Bay street, to the south line of the N. Y. C. & H. R. R. Co.'s property on the east side of Goodman street.

This new outlet sewer then would, by a branch sewer constructed westerly from Goodman street through the new street recently laid out along the division line between the Minges and Hayward properties to the present open ditch of the Court and William streets outlet sewer, fully intercept the discharge of the latter at a point about 400 feet north of the N. Y. C. R. R., and by another branch sewer constructed easterly from Goodman street through the low grounds adjacent to the south line of said railroad company's property, to the prolongation of the center line of Beacon street and thence southerly to the intersection of Beacon street and Anderson avenue, it would fully intercept the entire discharge of the Upton park outlet sewer. Furthermore, by constructing a series of properly proportioned subsidiary sewers from the junction of Beacon street and Anderson avenue, easterly through said Anderson avenue to Elk street, thence southerly through Elk street to University avenue, thence easterly through University avenue to Jersey street, thence southerly through Jersey street to Culver park, it will be possible to intercept and conduct through Goodman street the discharge of all private sewers now existing in Culver park, Portsmouth terrace, University avenue and other streets in that vicinity.

It may also be remarked that it will probably be found practicable, upon further examination and survey, to continue the aforesaid sewers through University avenue from Jersey street to the N. Y. C. R. R., and also through Culver park from Jersey street to the present eastern end of said park.

The grades of this system of trunk and tributary sewers can be made three inches per 100 feet, or one foot in 400 feet, whereby velocity enough can be obtained to render them fairly self-cleansing, if properly designed and built.

On this assumption the depths of the bottom of said sewers below the surface of the ground at various places will be about as follows:

	Feet
In Goodman street at High street.....	11.0
In Goodman street at Bay street.....	13.0
In Goodman street at Pennsylvania avenue....	13.5
In Goodman street at 200 feet north of plank road.....	14.0
In Goodman street at Schanck ave.....	24.5
In Goodman street south line railroad property.....	20.5
In Anderson avenue at Beacon street.....	17.0
In Anderson avenue at Elk street.....	18.0
In University avenue at Elk street.....	15.0
In University avenue at Jersey street.....	8.0
In Culver park at Jersey street.....	6.0

In none of the streets named is there now any kind of proper public sewerage, although an urgent demand for such has for some time past existed.

Opportunity is also afforded thereby to improve the present defective drainage of Beacon street and Upton park by enlarging and lowering the sewers therein, and thus allowing an improvement of the sewerage of other tributary streets.

In Schanck, and Leighton avenues, also, sewers might then be constructed from Goodman street to points more than 2,000 feet easterly, although at relatively considerable expense on account of the depth necessary to excavate in order to obtain a proper grade.

With the same rate of fall as before, such a sewer in Schanck avenue would be about 23 feet deep at Goodman street, and about eight feet deep at Henry street 2,800 feet east.

Similar work in Parsells and Grand avenues would give the benefits of sewerage to a large territory extending about 2,000 feet east of Goodman street.

Without specifying minutely it may be stated that in addition to the benefits resulting to the Court and William streets and the Upton park outlet sewer districts south of the N. Y. C. and H. R. R. R., the construction of the proposed trunk sewer through Goodman street will immediately make available for proper sewerage and drainage an area of more than 200 acres on the west side of Goodman street, extending northerly from the N. Y. C. and H. R. R. R. to the prolongation of Clifford street; also an area of about 200 acres on the east side of Goodman street, extending northerly from the said N. Y. C. R. R. to Bay street, and easterly in general to a line about half way between Goodman street and Culver street, and lastly, an area of about twenty acres in the Culver park district.

The exact limits of the territory east of Goodman street that should be assessed for the cost of the work have not yet been fully defined, since before this can be done additional surveys requiring considerable time must be made and the results carefully studied. Just here lies the most perplexing part of the problem. As a fact, the natural general slope of the land is from Goodman street toward Culver street, and if a suitable and conveniently located outfall for the sewage of the area between Culver park and Schanck avenue were immediately available the case would be greatly simplified. The more rational procedure would doubtless be to drain the whole territory east of Goodman street by another sewer running in general northerly in the vicinity of Culver street between Culver and Goodman streets, and north of East avenue. There is, however, not a single public highway, lane or alley extending continuously for any considerable distance in such a northerly direction.

An intercepting sewer for the territory would therefore have to be constructed largely, if not wholly, through private lands, whereby serious annoyances and contingent expenses for rights of way and damages are always certain to follow.

Before undertaking the construction of such a sewer, it would be advisable to cause a public thoroughfare along its route to be laid out and dedicated.

Now, since no such highway either exists, or is, within our knowledge, contemplated by any one; and also since no suitable outfall for the sewage of the area under consideration is available; furthermore, from the fact that a sewer through Goodman street is actually necessary for the drainage of the large districts west of said street, it accordingly follows: First, that the construction of another trunk sewer running northerly between Goodman street and Culver street, will doubtless be delayed for at least a few years more, since it must obviously form a section of the ultimate "belt sewer;" and second, that if any premises east of Goodman street are, in the immediate future, to be drained into the proposed Goodman street sewer, and thereby become profitable property for residences, the owners thereof should take measures to secure the right of such drainage and sewerage at once.

The only way to acquire such a right, however, is to submit to be directly taxed for the cost of the construction of the said Goodman street sewer.

To what extent this is desirable must be determined by the property owners themselves after careful deliberation. A sewer built at the sole expense of a certain territory cannot be made to receive the drainage of an adjacent territory which has borne no equitable share of that expense; and

any party who attempts to construct a drain into such a sewer without having acquired a legal right so to do, can be promptly and successfully enjoined by any taxpayer of the district which alone paid for the construction of said sewer.

As these facts often lead to serious annoyances and legal complications, it is therefore only a matter of common prudence on the part of the land owners east of Goodman street to take this subject into consideration and reach an early definite conclusion, in order that the present final ordinance for the Pennsylvania avenue and Goodman street sewer may be properly amended, so as to give rights of drainage to a more extensive area than now contemplated.

Each property owner in that district should accordingly ask himself whether it will be to his advantage to acquire, in the aforesaid manner, the legal right to make immediate use of the proposed trunk sewer, and thereby render his property available at once for subdivision into city lots, upon which buildings can be erected and properly drained; or on the other hand, whether the probable cost of such a privilege will be so great as to render it expedient to postpone the legitimate development of this property for a term of years until another trunk sewer somewhere between Goodman street and Culver street, has been constructed. The essence of the agitation which has occurred since the passage on December 15, 1885, of final ordinance No. 2850, for the Pennsylvania avenue and Goodman street sewer, and which has evoked this report, may also be formulated as follows: By terms of the ordinance, the dimensions of the sewer in question must be adjusted only to the needs of the Court and William streets outlet sewer district and the territory west of Goodman street lying between the N. Y. C. & H. R. R. and Bay street, together with "only one tier of lots on the east side of Goodman street from East Main street to the proposed terminus of the sewer" about 500 feet north of Bay street, which described territory is called upon to bear the whole expense.

It has been pointed out, however, that both the Upton Park and Culver Park drainage can feasibly be directed into this Goodman street sewer if its dimensions and grade be suitably modified as indicated above.

But, unless the existing ordinance is now amended, either the Upton park and Culver park districts must in equity be excluded from the privilege of making use of the Goodman street sewer, or else the latter will become too small to receive the additional drainage from those districts, and will require rebuilding at large expense.

If, therefore, the property owners in the said two districts not now included in the ordinance, wish to acquire the right to utilize the only outfall that may become available for, perhaps, several years, and thereby be enabled at once to improve and develop their lands at even a somewhat greater cost than if another suitable outfall already existed, the opportunity to acquire such right should be given to them, upon their motion, by an amendment of said ordinance No. 2850. It is, accordingly, incumbent upon all who are directly interested in this important matter, to give it careful attention, and to make their wishes and opinions known to the Common Council without delay, since the time has arrived when the Executive Board must soon let the work in pursuance with the existing ordinance, unless directed otherwise by the Council.

With reference to the results that will be attained by the Goodman street sewer, as herein proposed to be enlarged, in saving to the city the payment of annual damages for the rights of discharging sewage in open ditches or water courses, running through private lands, we beg to submit such facts as it has been possible within the short time available to obtain and compile in convenient form. There are four such open ditches to be considered in this investigation, viz: First, that pertaining to the Court and William streets outlet sewer exclusively, which begins on the north side of the N. Y. C. & H. R. R. about 900 feet west of Goodman street, and terminates at its junction with the Upton park outlet sewer ditch upon the lands of Gertrude Schum, near the northeastern corner of the city. Second, that

pertaining to the Upton park outlet sewer exclusively, which begins now on the north side of the N. Y. C. & H. R. R. R., in Leighton avenue, about 850 feet east of Goodman street, and terminates at its junction with the Court and William streets outlet sewer ditch upon the lands of Gertrude Schum, aforesaid. Third—That pertaining to both the Court and Williams streets and the Upton park outlet sewer jointly, which begins at the junction of the two foregoing ditches upon the lands of Gertrude Schum, near the northeastern corner of the city, and terminates, after a course of about three miles, at Irondequoit Bay. Fourth—That pertaining to the Culver park sewer alone which begins on the south side of Culver park near Portsmouth Terrace, thence runs northeasterly to University avenue and the south side of the N. Y. C. & H. R. R. R., thence easterly along said railroad to the outlet ditch of the East avenue and Park avenue sewers at the crossing of Culver street and the N. Y. C. & H. R. R. R.

To give a concise exhibit of the relations of the city toward the individual land-owners through whose premises the sewage from the above-named districts flows in open ditches, the information elicited by our examinations has been arranged in tabular form. In these statements will be found the names of the land-owners, so far as could be ascertained within the short time available, the approximate length of ditch upon their lands, and remarks relating to estimates for the flow of the sewage, etc.:

1.—COURT AND WILLIAM STREET OUTLET SEWER DITCH.

The following are the owners of land and the length of open ditch through which the court and William streets outlet sewer ditch passes:

- No. 1. Edwin S. Hayward, 1,300 ft.—Permanent easement acquired Feb. 4, 1879. See C. C. proceedings, 1878-9 p. 199.
 - No. 2. Heirs of Conrad Ester, 130 ft.—No easement, and no record of claims.
 - No. 3. Benjamin Wilson, 120 ft.—Permanent easement and covered ditch. See C. C. Proceedings 1884-5 pp. 35 and 119.
 - No. 4. Wakelee Farm tract, including about thirty lots owned by various parties, some unknown, 1,900—No easements and several claims filed. See C. C. proceedings 1885-6, pp. 158 and 190.
 - No. 5. John Menninger } Limited easement; paid \$50 per year.
 - No. 6. Dora Schum } 900 } Limited easement; paid \$100 per year.
 - No. 7. Mary Sandrock } feet } Limited easement; paid \$125 per year.
 - No. 8. Margaret Farber } Limited easement; paid \$100 per year.
- See C. C. proceeding 1883-4, p. 63.
- No. 9. Hannah F. Brown, 3,100 ft.—Limited easement; paid \$250 per year. See C. C. proceedings 1882-3, p. 180; also 1883-4, p. 63.
 - No. 10. Peer and Waddel, 400 ft.—No easement and no record of claims.
 - No. 11. Gertrude Schum, 500 ft.—Limited easement; paid \$50 per year. See C. C. proceedings 1883-4, page 63.

In the Wakelee Farm Tract, claims for damages have been filed as follows: William Doehne for Lot No. 9, Section 9, east side of Seventh avenue, \$250; Mathias Dubelbeiss for Lot No. 14, Section 18, west side of Sixth avenue, \$200; Frederick Kreckmann, for Lots Nos 4 and 7, Section 9, south side of Bay street, and east side of Seventh avenue, respectively, \$700; J. P. Bainbridge, for Lots No. 16 and 26 on west side of Seventh avenue, wants ditch covered.

No action, tending towards a settlement of these claims appears to have been taken by the Council. (See C. C. proceedings 1885 6, pp. 158 and 190).

The limited easements, mentioned in the above table, may be terminated at any time on the part of the city, and by the grantors at the expiration of two years from the time that written notice shall have been served upon the city authorities of a desire on their part to terminate the same. For other particulars relating to this ditch, we beg leave to refer to the joint report of your committee and the

Executive Board, which was presented to the Common Council on September 8, 1885, and printed on pp. 189 and 190 of the Council Proceedings.

The form of contract for rights of way or easement with a number of the parties will be found in a report from the Executive Board to the Common Council on May 12, 1888, and printed on pp. 63 and 64 of the Council Proceedings.

II.—UPTON PARK OUTLET SEWER DITCH.

The following are the owners of land and the length of open ditch through which the Upton park outlet sewer ditch passes:

- No. 1. James and Joseph W. Farmer, 500 ft.;
 No. 2. James and Joseph W. Farmer, 300 ft.—Can find no record of easement, claims filed January 12, 1886. See C. C. proceedings 1885-6, p. 315.
 No. 3. Heirs of Nath. Hayward, 450 ft.—Permanent easement acquired from E. S. Hayward, February 4th, 1879. See C. C. proceedings 1878-9, p. 199.
 No. 4. East Rochester Building Association Tract, several lots, owners unknown, 300 ft.—Can find no record of easement. No claims filed.
 No. 5. Webster Plank Road or Main street, 3,800 ft.—City owner, right of former Plank Road Company. No other records of easement. No claims filed.
 No. 6. John and George Peeling, 900 ft.—Permanent easement for about 480 ft., of which 300 ft. has been covered. No easement for remainder. See C. C. proceedings 1885-6, p. 158.
 No. 7. M. Moulton, 900 ft.—No easement and no record of claims.
 No. 8. Gertrude Schum, 500 ft.—Limited easement; paid \$50 per year for this and the Court and William streets ditch. See C. C. proceedings 1883-4, p. 63.

On the line of this ditch claims for damages have already been filed by James and Joseph W. Farmer, as will be seen from the Council Proceedings for 1885-6, page 315. No other unsettled claims appear to be recorded.

Along the Webster plank road, or Main street, partial relief has been recently obtained by the completion of the pipe sewer through said highway from Grand avenue to Bay street, whereby the ordinary discharge of the ditch is intercepted. The freshet discharge from the Upton Park and the intermediate drainage areas must, however, still continue to find an outlet through the open ditch on the south or east side of said highway, since the pipe sewer has not sufficient capacity for this purpose.

The limited easements mentioned are of the same nature as above described.

III.—OPEN DITCH OR CREEK RECEIVING THE COMBINED DISCHARGE OF THE COURT AND WILLIAM STREETS AND THE UPTON PARK OUTLET SEWERS

The following are the owners of land and the length of open ditch through which Court and William streets and the Upton park outlet sewers pass:

- No. 1. Gertrude Schum, 600 ft.—limited easement; paid \$50 per year. See C. C. proceedings, 1883-4, p. 63.
 No. 2. Henry P. Ayres, 1,500 ft.—limited easement; paid \$175 per year. See C. C. proceedings, 1883-4, p. 63.
 No. 3. Town of Irondequoit from city line to Bay; owners unknown, 14,000 ft.—no easement, and no record of claims.

The limited easements here referred to are exactly like those formerly mentioned.

IV. CULVER PARK SEWER DITCH.

This ditch, with the exception of a comparatively short section on the north side of University avenue, between Jersey street and the railroad, lies wholly in lands owned by Marvin S. Culver and the N. Y. C. & H. R. R. Co.

No easements for the privilege of using it for the discharge of sewage have been granted to the city.

It should also be remembered that this ditch discharges into the East avenue sewer outlet ditch, at Culver street, and the N. Y. C. & H. R. R. Co. has brought suit to restrain the city from discharging sewage into said East avenue sewer outlet from the Upton Park sewer district; and hence that a similar suit might be brought, if an attempt were made to add sewage thereto from any other district.

In regard to the amount of money which will annually be saved to the city for payments of rights of way or easements for the flow of sewage in open ditches through private lands, provided that the sewer, through Goodman street, were built as proposed, little can be predicted, at present, by reason of the fact that we are unable to state when suits for damages will be commenced by parties not yet settled with, or what amount of such damages are likely to be awarded.

It may, however, be definitely stated that upon the completion of the Goodman street sewer, with its branch to intercept the Court and William streets outlet sewer, as proposed, the following payments will at once cease:

John Menninger	\$50 00 per year.
Dora Selhm	100 00 "
Mary Sandrock	125 00 "
Margaret Farber.....	100 00 "
Total.....	\$375 00

We are also informed that if a few hundred feet of the proposed new deep ditch, from Goodman street easterly through the lands of Hannah F. Brown, be properly walled and covered, no addition to the annual payment to Mrs. Brown for right of way for the Court and William streets sewage will be made, in case that the sewage from the Upton park district also is discharged into said new ditch.

This question is, however, not yet definitely settled.

Furthermore, in case the proposed Goodman street sewer with both of its branches is completed as aforesaid, claims for future damages, by the following named parties will be avoided:

Heirs of Conrad Ester, William Doehne, Mathias Dubelbeiss, Frederick Kreckmann, J. P. Bainridge, and all other lot owners in the Wakelee Farm Tract, whose premises are affected by the discharge from the Court and William streets outlet sewer; also James and Joseph W. Palmer, East Rochester Building Association lots Main street, or the Webster plank road, John and George Peeling and M. Moulton, all of which are affected, more or less, by the discharge of the Upton park outlet sewer.

Whether those of the above named parties, who have already filed claims for past damages, will cancel the same, if the Common Council should cause the Goodman street sewer to be built as herebefore proposed, is not known to us.

It may also be remarked that, with the single exception of Mrs. Brown, all of the other land owners along the open ditch or creek from Goodman street easterly to Irondequoit Bay will derive no benefit whatever from the construction of the sewer, as proposed, and hence will probably not make any reductions in their annual claims against the city. Expenditures for this purpose can doubtless never be avoided until the whole of the drainage from the eastern portions of the city is completely intercepted and diverted into the Genesee River, or until the sewage is properly purified before being discharged into small natural water courses which flow through private lands.

In conclusion, we deem it expedient to invite your attention to the serious problems and complications involved in any and all projects hitherto presented for the sewage of the eastern districts of the city, and to the urgent necessity of causing the indispensable preliminary investigations, surveys and studies to be made and submitted for general criticism, without much delay. Owing to the rapid development of the city towards the east, the time is near at hand when a more comprehensive system of sewerage will be imperatively demanded, and in order to avoid the serious and costly errors

which generally result from hastily prepared plans, it will be wise to institute soon the necessary proceedings by which rational and economical projects for the sewerage of these large areas can be laid before the taxpayers who are directly concerned.

Respectfully submitted,

BYRON HOLLEY,
EMIL KUGHLING,
GEO. W. ALDRIDGE,
Executive Board.

By Alderman Schaeffer—

Resolved, That the report of the Executive Board to the Committee on sewers in relation to the proposed Goodman street sewer, be received, filed and published.

Adopted.

By Alderman Mandeville—

To the Honorable the Common Council:

GENTLEMEN: Your committee, to whom was referred the communication of the Board of Education in regard to the over-crowded condition of a number of the public schools, and asking for an extra appropriation for building purposes, respectfully present the following:

It is, in the opinion of your committee, to be regretted that the disposition of the large sums annually raised for the support of the public schools is such as to necessitate the demand for an increased appropriation at this time. A careful examination of the expenditures for the support of the Free Academy, including the interest on the bonded debt created for the same, reveals the fact that annually fifty-five and thirty thousand dollars are annually swallowed up by that institution to the detriment, in the opinion of your committee, of the common schools of the city.

Your committee find, upon investigation that the statements made by the committee of the Board of Education to this body, as to the overcrowded condition of some of the public schools is, in the main, correct and have no hesitation in saying that some relief should be afforded, but to just what extent must be determined by the judgment of the Common Council. Your Committee finds, upon the representations of the Committee of the Board of Education, that a large amount is being expended annually for the rental of rooms for the accommodation of such pupils as can not be accommodated in the buildings erected for school purposes, aggregating in amount to a sum sufficient to pay the interest on \$70,000. The provision of such additional room as is asked for becomes, therefore, a question of economy to the city. In view, however, of the heavy burden of taxation now resting upon us as a city, your Committee cannot recommend the raising of the entire amount asked for by the Board of Education in one year, but, instead thereof, would recommend that, in addition to the annual appropriation for building purposes, the sum of \$30,000 be placed in the tax levy of 1886 for the erection of such new school buildings as may be deemed necessary, and that the City Attorney be instructed to draft the necessary enabling act and forward the same to our representative at Albany, with the request that he secure its immediate passage.

Respectively submitted,

W. MANDEVILLE,
PHILIP WEIDER,
LOUIS BOHRER,
FRANK FRITZSCHE.

Committee on Public Schools.

Ordered received, filed and published.

By Alderman Mandeville—

Resolved, That the Common Council hereby approves the petition of the Board of Education for an increased appropriation for the coming year, for the erection of new school buildings to the extent of \$20,000, and the City Attorney is hereby instructed to prepare the draft of a bill to be introduced in the legislature authorizing the placing of an additional sum of \$20,000 in the annual tax levy for 1886, for the purpose of erecting new school buildings.

Adopted.

On motion of Alderman Watson the Clerk opened the proposals for lighting the public kerosene oil lamps.

The following proposals were received:

	Per lamp per year.
William Smith.....	\$4 75
John G. Skuse & Co.....	5 38
J. W. Maser.....	5 64

Alderman Weider moved that action on the proposals be postponed two weeks.

REPORTS OF SELECT COMMITTEES.

Alderman Mandeville, from the Select Committee on petitions of several gas companies, reported progress and asked for further time.

Further time was granted.

Janitor Frank Fay here entered the chamber from the ante room bearing before him a beautiful floral piece representing a three masted schooner in exquisite flowers, and in the bed on the standard the words, "Our Bill." in English violets. Mr. Fay placed the emblem on the chairman's desk, and Mr. William H. Bowman following closely, spoke as follows:

MR. CHAIRMAN—I wish to speak under this head of reports of Special Committees. You were born in and have attended the schools of the First Ward. From this Ward you have seven times been elected to the Common Council as the representative of the Ward, and three times you have been chosen chairman of this body. Of this record you and the people of the First Ward may well be proud. This is a political office, yet never, even in the heat of a political strife, have you been accused of political dishonesty or official corruption. Your friends and neighbors, proud of your record, have delegated me to present you this beautiful floral offering, which is typical of your career and emblematic of your future course; that you will always embark safely and anchor in the harbor of success. Like the Chief Executive of the nation and the Chief Magistrate of the State, you have remained a bachelor and given up your time and talents to the service of the people, and we hope that the same luck that has attended them will attend you. I also present you a beautiful aldermanic badge, which will remind you of the pending associations of the board and your friends of the First ward, and we also hope that it may prove a great source of gratification to generations yet unborn. You have in the hearts of the residents of the First ward won a badge more precious than gold, silver or precious stones. They have learned to honor and esteem you, and we hope that when named for office the people will always elect William H. Tracy.

The badge presented Chairman Tracy is a master piece of solid gold, ornamented with a fine diamond, and the following lettering in blue enamel, "Flour City," in the center, and on the outer circle, "W. H. Tracy, President Board of Aldermen, Rochester, N. Y."

Chairman Tracy, though completely taken by surprise, expressed his thanks in a very happy manner, and said that as in the past he would use his best efforts to advance and carefully guard the interests of the city.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

From the Executive Board—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, April 1, 1886. }

To the Common Council:

GENTLEMEN,—Pursuant to an act of the Legislature, there is in process of erection by the State authorities, the abutments and superstructure for a bridge over the Erie Canal at the extension of Pinnacle avenue, lately opened from Griffith street

to Pinnacle avenue. By the terms of the act the city is required to construct the necessary retaining wall and approaches, etc. As the work undertaken by the State will soon be completed, the Executive Board would respectfully recommend that the City Surveyor be directed to prepare an ordinance for the construction of the necessary retaining walls, railings, approaches and sidewalks.

Respectfully submitted,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., April 5, 1886.

To the Common Council:

GENTLEMEN: In the matter of the dedication by Marvin A. Culver and others of a street said to be opened through lands owned by them and designated as Rutger street, which was referred by your honorable body to the Executive Board, said Board would respectfully report that said Culver and others have filed the necessary map and description and performed all required clerical acts necessary to complete the dedication of the same to the public use. It should, however, be stated that there is nothing to indicate the existence of said street upon the ground, nor can it with safety be used in its present condition.

Respectfully submitted,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, April 6, 1886.

To the Common Council:

GENTLEMEN: The sewer in Caroline street between Meigs street and Mt. Vernon avenue is found upon examination to be completely obstructed, for some 160 feet easterly from Mt. Vernon avenue either by the failure of the sewer pipe or filling up of same with mud from the surface of the street.

The sewer in Mason street between First street and Ballastier Place is also found to be completely filled with mud for a distance of about 150 feet.

The Executive Board would respectfully recommend that the Surveyor be instructed to prepare ordinances for cleaning and repairing the same, together with the construction of the necessary man-holes and surface laterals in both cases.

Respectfully submitted,
THOS. J. NEVILLE, Clerk.

Referred to the City Surveyor to prepare ordinances.

ACTION ON ORDINANCES—FIRST ORDINANCES
HENRIETTA AVENUE SIDEWALK AND GRADING.

By Alderman Kohlmetz—

Resolved, That the City Surveyor ascertain and report to this Council the expense of roadway grading, gutter formation and the construction of sidewalks on each side of Henrietta avenue, from Pinnacle avenue to the northeasterly terminus of the said Henrietta avenue.

Adopted.

The Surveyor submitted as such estimate, \$1,999.

By Alderman Kohlmetz—

Resolved, That the following improvement is necessary, viz:

The roadway grading and gutter formation on Henrietta avenue, from Pinnacle avenue to the northeasterly terminus of the said Henrietta avenue, and the construction of plank sidewalks four (4) feet wide on each side of the said avenue between the limits named, the property owners being allowed to construct the sidewalks in front of their respective premises within a reasonable time to be determined by the Common Council, and also to substitute for plank for said walks other material equally good and approved by the Executive Board or City Surveyor. In addition to the above-named improvements on Henrietta avenue, there shall also be the construction of the necessary crosswalks and surface sewers.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,999, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Henrietta avenue, from Pinnacle avenue to the northeasterly terminus of the said Henrietta avenue.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172, of the Revised Charter of 1880, of the City of Rochester that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, April the 20th, 1886, at 7.30 o'clock, at the Common Council Chambers, when allegations will be heard.

Adopted.

NORTH ST. PAUL STREET PIPE SEWER.

By Alderman Schaeffer—

Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing an eighteen (18) inch vitrified pipe sewer in North St. Paul street.

Adopted.

The Surveyor submitted as such estimate, \$1,525.

By Alderman Schaeffer—

Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer eighteen (18) inches in diameter in North St. Paul street, beginning at a point twenty-five (25) feet south of the south line of Avenue E, and extending to the sewer in Avenue B, with the necessary manholes, surface sewers, lot laterals and connections, roadway grading and gutter formation.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,525, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of North St. Paul street included between Avenue B and Avenue E

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, April the 20, 1886, at 7.30 o'clock, at the Common Council Chambers, when allegations will be heard.

Adopted.

GILMORE STREET PIPE SEWER.

By Alderman Schaeffer—

Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a ten (10) inch vitrified pipe sewer in Gilmore street.

Adopted.

The Surveyor submitted as such estimate, \$800.00.

By Alderman Schaeffer—

Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer ten (10) inches in diameter in Gilmore street from a point one hundred and thirty-three (133) feet westerly from the westerly line of Hudson street to intercept the sewer about to be constructed on Edward street, with the necessary man-holes, surface sewers, lot laterals and connections, roadway grading and gutter formations.

And whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and report the same at \$800.00, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Gilmore street from a point one hundred and twenty (120) feet westerly of the westerly line of Hudson street and parallel thereto to Edward street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, April the 20th, 1886, at 7.30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted

WARD PARK SEWER CLEANING.

By Alderman Schaeffer—

Resolved, That the City Surveyor ascertain and report to this Council the expense of cleaning and repairing the main and surface sewers in Ward Park and the construction of necessary manholes.

Adopted.

The Surveyor submitted as such estimate \$150.

By Alderman Schaeffer—

Resolved, That the following improvement is necessary, viz:

The cleansing and repairing of the main sewer and surface sewers in Ward Park and the construction of the manholes necessary for the examination, cleaning and repairs of the said main and surface sewers in the future.

And, Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$150, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Ward Park from the north end thereof to Ward street.

The final ordinance for West avenue asphaltum improvement was read by the Clerk.

Alderman Mandeville presented the following:

ROCHESTER, N. Y., April 6

To the Board of Aldermen, City of Rochester:

GENTLEMEN: In the event of a contract for the paving of West avenue in this city being awarded to us, we hereby agree that we will guarantee said pavement to be maintained constantly in good condition at our own expense for a term of ten (10) years from the date of completion of the work, and moreover that the pavement shall be in such condition at the end of said ten (10) years that no repairs may be needed. We further agree that the replacing of the pavement where cuts have been made to reach underground works, etc., shall not exceed the original cost of the work per square yard by more than ten (10) per cent. As security for the faithful performance of this guaranty we offer Messrs. Henry W. Gorsline, Ira L. Otis and G. W. Crouch as bondsmen to the city and to any or all of the property owners on West avenue, said

bondsmen to be held for the full amount of the contract. As an additional security for this guaranty we agree that the city shall retain ten (10) per cent. of the money to be paid on the contract until the expiration of the above guaranty, ten (10) years, the same to bear interest at six (6) per cent. for the benefit of the contractor, said interest to be paid regularly, provided that the terms of the guaranty have been complied with. We agree that the pavement shall not cost over two dollars and sixty-five (\$2 65) cents per square yard complete, including the resetting of the present curb, the work to be done according to the Washington specifications or in the manner as on Alexander street in this city, as may be desired.

In order that all bidders may have an equal chance, we ask that the Executive Board be requested to incorporate the substance of this proposition in the advertisement for bids, and that said board be requested to enter into no contract except upon these terms.

Respectfully yours,

Warren-Scharf Asphalt Paving Company,
W. R. WARREN, Vice-President.

After hearing allegations from all persons appearing, Alderman Foley moved that the ordinance be so amended as to include the following provisions, viz:

FINAL ORDINANCE, NO. 2,862.

NORTH AVENUE MEDINA STONE IMPROVEMENT.

On motion of Alderman Kohlmetz, the Board proceeded to hear allegations in relation to the improvement described in the ordinance below.

After hearing such allegations from all persons appearing, Alderman Kohlmetz submitted the following:

An ordinance to improve North avenue from University avenue to Weld street.

The Common Council of the city of Rochester do ordain and determine that the following improvement be made, to wit:

The construction of a Medina stone pavement on North avenue from the produced south curb line of University avenue to the produced south curb line of Weld street by removing the present Macadam roadway surface and so much of the stone foundation thereof as may be necessary, and replacing the thoroughly screened Macadam together with a sufficient quantity of broken stone or gravel to a depth of not less than six (6) inches, and upon the foundation thus formed and suitably graded and compacted, to lay a Medina stone pavement with Medina flag stone gutters fifteen (15) inches wide on each side; also the taking up, redressing and resetting the present curb-stones, where of good quality and substituting good ones for those which are de-

fective; the replaced curbs to be on the prolongation of the curb-lines of North avenue between University avenue and East Main street; the taking up, redressing and resetting the flag stones of existing cross walks, substituting good stones for such as are defective; the construction of new cross-walks where required by public convenience; the cleaning and repairing of the main and surface sewers, and the construction of such new surface sewers, manholes, lot laterals and lot connections as may be required; the repairs of the side-walks and such other works as may be necessary to make the improvement of the best and most permanent character.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reports the same at twelve thousand five hundred dollars, and said estimate being deemed reasonable, is hereby approved; and the portion of said city, which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on each side of North avenue between the produced south curb line of University avenue and the produced south curb line of Weld street

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

Add it is further ordained and determined that the taxpayers to be assessed for making such improvement, may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed of six per cent. per annum.

Adopted by the following vote:

Ayes—Aldermen Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

PRESENTATIONS, PETITIONS, ACCOUNTS, ETC., AND THEIR REFERENCE.

By Ald. Marson—Petition for a pipe sewer in Adam street. Referred to the surveyor to prepare an ordinance.

Ald. Marson presented the petition of Margaret Whalen in regard to abandonment of a strip of land on corner of West avenue and Favor street. Referred to the Executive Board, to take whatever action they may deem necessary.

By Ald. Marson—

To the Honorable the Common Council of the City of Rochester:

The petition of the Edison Electric Illuminating Company of Rochester respectfully shows that we desire to obtain the franchise from your honorable body to lay wires and conduits under ground, and erect poles, place wires along the same in the streets and alleys of this city, hereinafter mentioned. That the trenches for under-ground wires will be excavated for the electrical conduits subject to the inspection of the Executive Board, so as not to interfere with the rights of the city or other corporations. That said trenches need only to be about 1 foot wide and 18 inches deep, and will be dug along each side of the streets hereinafter mentioned from 12 to 24 inches from the curb or gutter. That the underground conduits on the main lines will be of small diameter, and will be of cast iron pipe containing the insulating material and wires for the conduction of the electricity. That the feeders (being the principal mains) will be laid in the same trenches.

The streets and alleys in which underground wires are proposed to be laid, subject to the direction of your honorable body, are as follows:

1. East Main and West Main streets, from the Liberty Pole to the West Main street swing bridge.

2. Aqueduct street, from Main street to the canal, and thence on poles, across the canal, to the central station of the company, in the rear of the John Snow building on Exchange street.

3. State street, from the Four Corners to the railroad.

4. Front street, from Main to Exchange place.

5. Exchange place, from Front street to State street.

6. Mill street, from Exchange place to Market street.

7. Market street, from Mill to State street.

8. North and South St. Paul street, from Andrews street to Court street.

9. Irving place, from Main street to the canal.

The streets and alleys in which it is proposed to erect poles and hang wires, subject to the direction of your honorable body, are as follows:

1. Pindell alley, from Main street to Allen street.

2. Church street, from State street to Pindell alley.

3. Spring street, across Exchange street, from the central station, in the rear of the John Snow building, to Spring alley.

4. Irving place, from the canal, south, to Spring street.

5. Pine alley, from Spring street to Troup street.

6. School alley, from the canal to the south end of the same.

7. Spring alley and Scott place, from Main street to Troup street.

8. Aqueduct street, from the station to Court street.

9. Court street, from the river bridge to Exchange street.

The said company will guarantee to replace all pavements or gutter stones which may be taken up to lay the mains and conduits hereinbefore mentioned in at least the same condition as they were found.

The said company will furnish a bond in the sum of fifty thousand dollars (\$50,000) for the faithful performance of the representations of this petition, and to save the city harmless from damages by reason of open trenches.

That a large portion, if not all of the work required to lay or erect the lines above mentioned will be performed within one year.

We therefore respectfully request that the franchise above referred to, be granted to said company.

April 20, 1886.

By Ald. Mandeville—

To the Honorable the Common Council of the City of Rochester.

GENTLEMEN: Your Map and Survey Committee submits for your consideration, the following:

Questions having been raised to the powers and duty of the City Surveyor and Executive Board respectively with reference to public improvements made under ordinances of the Common Council, your committee has given a careful consideration to the provisions of the charter bearing thereon, and finds the following, and respectfully recommends that such findings be adopted as the conclusion of the Common Council:

First—The determination of the plan of any public improvement under an ordinance, that is the character and extent of the work, is vested in the Common Council. The City Surveyor, an appointee of the Common Council, is by resolution of that body, invariably required to ascertain and report the expense of every such improvement, except where lands are to be taken, and such report is invariably presented before any action is taken on an ordinance. The ascertainment of the expense necessarily includes the formation by the City Surveyor of a plan of the work, and such plan, expressed in general language, is usually embodied in the ordinance adopted. It is not practicable to give in an ordinance the specifications for the work, but the adoption of the ordinance necessarily is an indorsement and adoption of the plan and the specifications for the execution of the work prepared by the City Surveyor. The fact that the specifications may not in practice be written out by the Surveyor until after the adoption of the ordinance is immaterial, as the plan adopted at the expense fixed includes the specifications. So far legislation is had. Then follows the execution of the work under the ordinance.

Second—The Executive Board is required to let the contract; to see that such contract protects the city; to insist upon and to compel its faithful execution. The power conferred upon that Board is purely executive. That Board is not responsible for any mistakes in the plan, or errors or omissions in the specifications. The Common Council or the Surveyor, on the other hand, is not responsible for any mistakes of the Executive Board in the execution of the work. In this way responsibility is centered upon some board or person, as it should be.

Third—It does not, however, follow that each department should go on with work without consultation and comparison of views, with other departments. If a plan is found to be unsound, if specifications are omitted or incorrectly made, it is the duty of the municipal officer having knowledge thereof to respectfully call the attention of the officer or board thereto, with a view to correction. If a contract is being improperly carried out, or something that needs to be done is being omitted, by a contractor, the officer having cognizance of such failure should bring the matter before the proper board. But their is no reason for interference by one officer or department with the work, the responsibility for which rests upon another.

W. MANDEVILLE,
H. KOHLMETZ.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the clerk—

MAYOR'S OFFICE,
CITY OF ROCHESTER, N. Y., }
April 20th, 1886. }

To the Common Council:

GENTLEMEN: At a meeting of your Board held on the 31st day of March, 1886, a resolution was adopted accepting a proffer of the same date made by M. W. Runcell and T. T. Southwick to lay a water main in Culver place from University avenue southward, at their own expense, providing the Common Council would return to them the cost thereof, without interest, out of any moneys which may be appropriated for water pipe extension by the tax levy of the year 1886.

Previous to approving the said resolution I required Messrs. Rundell and Southwick to execute an agreement which provides that the said resolution of the Common Council may be so modified, if the Council shall so elect, that the cost of said pipe may be paid in two equal annual payments without interest, one-half out of moneys collected for the

Water Pipe Extension Fund in 1886 and one-half out of moneys to be collected for said fund in the year 1887.

This action was taken by me, knowing that a very large demand will be made for water pipe extensions during the present season and the pledging in advance of an appropriation, of so large a sum, seemed to me as to some extent forestalling a careful examination of other equally urgent claims of other localities and streets and might prevent extensions in such streets because of so large a sum having been already pledged.

Respectfully submitted

C. R. PARSONS, Mayor.

To the Hon. Common Council:

GENTLEMEN: At a meeting of the Board of Health held April 18th the following communications were presented and referred to the Common Council for your consideration.

A petition was presented for a sewer in Hensler alley; also the following communication in relation to the same:

To the Board of Health of the City of Rochester:

GENTLEMEN: I would respectfully call your attention to the condition of the cellars under the houses on Hensler alley, off Jay street, as the cause of much sickness in that section.

Yours truly, M. C. RUTHERFORD, M. D.

Inspector Griswold reported water in cellars on the following streets: Davis, Gilmore, and water in lots on Lewis street, near Union, the cellars of houses on Henrietta avenue, Dudley street and Alexander street. The Board of Health desire to call your attention to the state of affairs in the different streets, to the end that sewers may be constructed to relieve the wants of people who complain from time to time of water in their cellars.

Respectfully submitted,

PETER SHERIDAN,
Clerk Board Health.

REPORT OF SPECIAL COMMITTEE AND ACTION THEREON.

Commissioner McMillan, from the special committee on the question of special appropriation and fiscal year of the board, presented the following report:

To the Board of Education:

GENTLEMEN—Your committee beg leave to say that they have received from the city attorney the following opinion upon the questions submitted to him:

OFFICE OF JOHN N. BECKLEY,
CITY ATTORNEY,

19 CITY HALL BUILDING, ROCHESTER, N. Y. }
(Dictated.) ROCHESTER, N. Y., April 10, 1886.

Messrs. McMillan, McKelvey and others, Committee of the Board of Education:

GENTLEMEN—In reply to the question submitted to me by your committee as to the commencement of the fiscal year for the Board of Education, I have the honor to submit the following:

Subdivision 6 of Section 129 of the city charter contains the following provision:

"The amount to be raised for teachers' wages and contingent expenses in any one year shall not be less than \$6 nor more than \$14 per capita, based on the average number of resident pupils enrolled in the several public schools of said city, for the school year ending the 1st day of May next preceding the levying of the general city taxes in each and every year. A sworn statement of such number of pupils, so enrolled, shall be made by the superintendent of schools according to the verified monthly reports of the principals in said schools."

Subdivision 11 of Section 131 of the charter makes it the duty of the Board of Education "annually on or before the 16th day of May in each year to determine and certify to the Common Council, the sums, in their opinion, necessary or proper to be raised for the several purposes hereinbefore men-

tioned, specifying the sums required (for the year commencing on the first Monday of September thereafter) for each of said purposes, including the sums necessary for the payment of teachers' wages, and also for contingent expenses.

Section 137 of the charter makes it the duty of the Common Council "within fifteen days after receiving the certificate of the Board of Education, hereinbefore required, of the sum necessary or proper to be raised for school purposes, to determine and certify to said Board of Education the amount that will be raised by them for the year commencing on the first Monday of September thereafter, for the purposes mentioned in said certificate."

From the foregoing provisions, it seems to me to be a necessary inference that the fiscal year of the Board of Education begins, according to the charter, on the first Monday in September.

I understand that it has for years been the invariable custom of the Board of Education to make its estimates for the year beginning April 1st, and that, in consequence of this fact, the board now finds itself out of funds for all purposes but the payment of teachers' wages.

To remedy this state of affairs, either of two plans may be adopted: The Common Council has power, under section 129 of the charter, to raise by loan in anticipation of the taxes, when necessary, the money to be raised, collected and levied for the benefit of the Board of Education. If this course should be adopted it would, of necessity, make the tax levy for 1886 much larger than usual, inasmuch as the sum to be raised would be the amount estimated to be necessary to carry on the schools for the year beginning September 1st, and, in addition thereto, an amount sufficient to pay the deficiency loan for the balance of the present fiscal year, a period of nearly five months.

The only alternative to the plan above set out is an amendment of the city charter making the fiscal year of the Board of Education begin at the same time with the fiscal of the other departments of the city government, to wit: the 1st of April.

J. N. BECKLEY, City Attorney.

For years the Board, in making estimates for expenditures, have asked for sufficient funds with which to pay the salaries of teachers for ten months ending March 1st each year, deducting therefrom the amount received from the State, which is usually enough to pay teachers for three months, leaving seven monthly budgets to be paid from the city appropriation; also the amounts necessary to pay the salaries of janitors and employees, and for contingent expenses for one year, ending April 1st. This course was adopted last year, but the Common Council cut down our estimate for teachers' wages three thousand dollars, and that for contingent expenses, including salaries of janitors and employees, nine thousand dollars. To pay the teachers' budget for February we found it necessary to use three thousand dollars of the money apportioned by the State, which was exactly the amount cut down by the Common Council from our estimate. To pay the salaries of janitors and employees for March, we were obliged to borrow from the amounts set apart for supervision, \$800.00; and library \$879.00, which amounts will have to be replaced this year. You will thus see that to provide for the balance of this year the following amounts will have to be raised: For janitors and other employees, to September 1st, six months, \$10,000; for teachers' wages, \$22,000; for contingent expenses, including coal which has to be provided for during the long vacation, \$10,000. These amounts will have to be expended with care to provide for all contingencies until that time. This does not contain anything for the repair of buildings, as will be observed.

Your committee are of the opinion that the better plan would be to have the city charter so amended as to require the fiscal year of the Board of Education to begin in April, in accordance with the recommendation of the City Attorney and the practice of the Board, which would make the fiscal year of the Board conform to that of all the other departments of the city government.

Therefore, resolved, That the foregoing report and recommendation be and are hereby adopted.

T. McMILLAN,
W. J. MCKELVEY,
JOHN A. NAGLE,
CHAS. S. COOKE,
CHAS. H. MOODY,

Committee.

The report was adopted and the committee continued.

By Com. McMillan—Resolved, That a certified copy of the foregoing be sent to the City Clerk and that the Common Council be requested to take immediate action upon the same.

Adopted.

By Com. McMillan—Resolved, That the Common Council be requested to place to the credit of the Contingent Fund, for salaries of employees and janitors for three months, the sum of six thousand dollars (6,000.00). Adopted.

I hereby certify that the foregoing is a true copy from the minutes in Board of Education April 19, 1886.

S. A. ELLIS, Clerk.

Rochester, N. Y., April 20, 1886.

On motion of Ald. Mandeville, referred to the Finance Committee.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: The undersigned, who were appointed by order of the County Court of Monroe county, duly granted and entered on the 18th day of January, 1886, commissioners to inquire into and determine to what damages and compensation the owners and occupants of the lands to be taken for the opening of a street from Clifford street to Norton street in the city of Rochester will be entitled, do respectfully report and certify their award of damages as incident to the opening of said street, as follows:

The several pieces and parcels of land required for such purpose, and necessary for the opening of said street, are described as follows:

Beginning at the southwest corner of lot No. 35, of the Blumenthall tract, as designated on a map of said tract, recorded in Monroe County Clerk's office in liber 62 of deeds, at page 224; thence northerly along the west line of lot No. 35, and the west line of lot No. 36, 175 feet and 2 inches; thence easterly along a line parallel with the north line of Clifford street, 25 feet; thence southerly along a line parallel with the west line of lot No. 35 and 36, 175 feet and 2 inches to the north line of Clifford street; thence westerly along the north line of Clifford street twenty-five feet to the place of beginning. These premises are owned by Mary Beerens of Rochester.

Also, all that tract or parcel of land described as follows:

Beginning at the northwest corner of the last described premises; thence northerly along the west line of lots No. 36 and 37 of the Blumenthall tract, one hundred and seventy-four feet and seven inches; thence easterly along the north line of said lot No. 37 twenty-five feet; thence southerly along a line parallel with the west line of lots Nos. 37 and 36, one hundred and seventy-four feet and seven inches; thence westerly along a line at right angles to the west line of lot No. 36, twenty-five feet to the place of beginning.

ACTION ON ORDINANCES.

The first ordinance, for a Medina stone improvement on West avenue, was read by the clerk.

On motion of Ald. Mandeville the ordinance was tabled.

CHESTNUT PARK IMPROVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of the improvement of Chestnut Park from Chestnut street to Williams street.

Adopted.
The surveyor submitted as such estimate \$4,650.
By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:
The setting of Medina stone curbs on each side of Chestnut Park from Chestnut street to William street, the curb lines to be parallel to and seven (7) feet from the street lines of the said Park except at the ends thereof; also the grading of roadway and sidewalks of the Park aforesaid, and laying on each side of the same Portland cement sidewalks four (4) feet wide, said walks to be constructed conformably to the patent of John J. Schlinger, the outer lines of the walks to be on the street lines of the Park; also the laying from curb to curb and from end to end of the Park aforesaid a Trinidad asphaltum pavement of the best quality, the foundation for the asphaltum material to be of concrete not less than six (6) inches thick and the asphaltum covering not less than two and one-half (2½) inches thick.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reported the same at \$4,650, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of Chestnut Park from Chestnut street to William street.

And further Resolved, That the tax-payers to be assessed for making such improvements may pay their assessments in three equal payments, as follows:
One-third of the amount assessee within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll, and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, section 172, of the Revised Charter of 1880, of the city of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, May the 4th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.
Adopted.

BROWN STREET MEDINA BLOCK-STONE IMPROVEMENT.
By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Brown street from the Erie canal to the north curb line of West avenue.

Adopted.
The Surveyor submitted as such estimate: \$51,500.
By Ald. Kohlmetz—Resolved, That the following improvement is expedient, viz:

The improvement of Brown street from the Erie canal to the north curb line of West avenue by setting Medina stone curbs on each side of the street, leaving a roadway thirty (30) feet wide between the curb lines, and constructing for the entire width between the said curbs a Medina stone-block pavement of the best quality; also the necessary manholes, lampholes, crosswalks, lot laterals and lot connections, street grading; also the cleaning and repairing of the main and surface sewers, and the construction of new and extension of old surface, where needed, and the laying of water and gas service pipes where now required or their future use can be anticipated.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$51,500, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Brown street from the Erie canal to West avenue.

And further resolved, that the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, discount will be allowed of six per cent, per annum.

And the Clerk is hereby directed to publish notice in pursuance of title VII, section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, May the 4th, 1886, at 7:30 o'clock, at the Common Council chamber when allegations will be heard.

Adopted.

BROWN STREET ASPHALTUM IMPROVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Brown street from the Erie Canal to the north curb line of West avenue.

Adopted.

The Surveyor submitted as such estimate \$49,500.

By Ald. Kohlmetz—Resolved that the following improvement is necessary, viz:

The improvement of Brown street from the Erie Canal to the north curb line of West avenue, by setting Medina stone curbs on each side of the street, leaving a roadway thirty (30) feet wide between the lines of the curbs and constructing between said curbs from line to line an asphaltum pavement of the best quality; also the necessary manholes, lamp holes, crosswalks, lot laterals and lot connections, street grading, the cleaning and repairing of the main sewers, and the laying of the water and gas service pipes where they are now required or their use is contemplated; also the construction of new and cleaning, repairing and extension of old surface sewers.

Provided, however, that upon the letting of any contract which may be made for the improvement aforesaid, the contractor shall issue a bond with sufficient sureties in a penalty of forty thousand (\$40,000) dollars, approved by the City Attorney and the Executive Board as to form and sufficiency, and running to the City of Rochester, and to Franklin B. Hutchinson, Mortimer Glenn, Valentine Dengler, Frederick Goetzman, George Bernard, Rudolph Hacker, Mathias Kon-dolf, Thomas McNarney, Charles G. Staud, Joseph Nuna, Jacob Gering, owners of property assessed for the said improvement, or the survivors of said owners, conditioned that the pavement so contracted for shall be maintained by the said contractor, or his sureties, in good repair for the period of ten years from the date of acceptance of said work, and that at the end of said period of ten years the said pavement shall be in such condition that no repairs thereof shall be needed.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reported the same at \$43,500, which estimate is hereby approved.

Resolved further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Brown street, from the Erie Canal to West avenue.

And further resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments, as follows:

One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the

said last installment, a discount will be allowed at six per cent, per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, May 4th, 1886, at 7½ o'clock, in the Common Council Chamber, when allegations will be heard.

Adopted.

SOUTH ST. PAUL STREET PIPE SEWER.

By Ald. Schaeffer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing an eighteen (18) inch vitrified pipe sewer in South St. Paul street from the sewer in East Main street to the sewer in Court street.

Adopted.

The surveyor submitted as such estimate, \$4,000.

By Ald. Schaeffer—Resolved, That the following improvement is necessary, viz: The construction of an eighteen (18) inch vitrified pipe sewer in South St. Paul street, from the sewer in East Main to the sewer in Court street, with the necessary man-holes, lamp-holes, surface sewers, and lot laterals and connections.

And whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$4,000, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of South St. Paul street, from East Main street to Court street; also, one tier of lots on each side of Court street, from South St. Paul street to Clinton street; also, one tier of lots on each side of Stone street, from Johnson park to Court street; also, one tier of lots on each side of Ely street, and also one tier of lots on each side of Serva alley, from the southerly end thereof to Ely street.

And further Resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll, one-third of the amount within one year from the confirmation of said roll and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed at the rate of 6 per cent, per annum.

And the clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, May the 4th, 1886, at 7:30 o'clock, at the Council Chamber, when allegations will be heard.

Adopted.

PLYMOUTH AVE. AND EDINBURGH ST PIPE SEWER.

By Ald. Schaeffer—Resolved, That the City Surveyor ascertain and report to this Council the expense of the construction of a vitrified pipe sewer in portions of Plymouth avenue and Edinburgh street.

Adopted.

The Surveyor submitted as such estimate, \$3,400.

By Ald. Schaeffer—Resolved, That the following improvement is expedient, viz:

The construction of a vitrified pipe sewer fifteen (15) inches in diameter in Plymouth avenue beginning at a point two hundred and fourteen (214) feet north of the north line of Adams street, and extending southerly to the intersection of the center lines of Plymouth avenue and Edinburgh street, thence the construction

easterly of a pipe sewer eighteen (18) inches in diameter in Edinburgh street, to intersect the sewer in Exchange street with the necessary manholes, lamp-holes, lot laterals and connections, the taking up and reconstruction of old and the construction of new surface sewers where needed, and also the taking up of the stone main sewers within the limits above named.

And, Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$3,400 which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Plymouth avenue from a point two hundred and fourteen (214) feet north of the north line of Adams street to Edinburgh street; also one tier of lots on each side of Edinburgh street from Plymouth avenue to Exchange street.

And further Resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments as follows:

One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll, and the remaining one-third within two years from the confirmation of said roll. On all

sums paid prior to the maturity of the said last installment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, of section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend at the Common Council, on Tuesday evening, May the 4th, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.

FINAL ORDINANCES.

FINAL ORDINANCE, No. 2, 866.

WEST AVENUE ASPHALTUM IMPROVEMENT.

On motion of Ald. Kohlmetz the Board proceeded to hear allegations in relation to the improvement described in the ordinance below.

After hearing such allegations from all persons appearing.

Ald. Kohlmetz submitted the following:

An ordinance to improve West avenue, from the Erie canal to the east curb line of York street.

The Common Council of the city of Rochester do ordain and determine that the following improvement be made, to wit:

The improvement of West avenue from the Erie canal to the produced east curb line of York street, by removing the present macadam roadway surface and so much of the stone foundation thereof as may be necessary, and replacing the thoroughly screened Macadam material, together with a sufficient quantity of broken stone or gravel to form a bed of concrete at least six (6) inches in thickness, to receive upon it a genuine Trinidad sheet asphaltum pavement from curb to curb, not less than two and one-half (2½) inches in thickness, and also the taking up and resetting of the present curb stones, where required, on the lines as now established, where such curb stones are of approved quality, and replacing such as are defective by those which are good; and the cleaning of the main and small sewers with the necessary repairs; the construction of new man holes and surface sewers where needed, and the laying of water and gas service pipe where they are now required, or where their future use is contemplated.

Provided, however, that upon the letting of any contract which may be made for the improvement aforesaid, the contractor shall execute a bond with sufficient sureties in a penalty of sixty thousand dollars, approved by the City Attorney and the Executive Board as to form and sufficiency, and running to the City of Rochester and to Peter Pitkin, Valentine Fleckenstein, William B. Morse, Jonas Jones, Alfred Wright, Homer H. Woodward, Ira S. Dishrow, Edward J. Keen, Joseph T. Aceter, Isaac Willis and John C. Smith, owners of property assessed for the said improvement, or the survivor or survivor of them, conditioned that the pavement so contracted for shall be maintained by the said contractor, or his sureties, in good repair for the period of ten years from the date of acceptance of said work, and that at the end of said period of ten years the said pavement shall be in such condition that no repairs thereof shall be needed.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reports the same at \$61,000, and said estimate being deemed reasonable, is hereby approved; and the portion of said City which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on each side of West avenue, from the Erie canal to the produced east curb line of York street.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

And it is further ordained and determined that the tax-payers to be assessed for making such improvement, may pay their assessment in three equal payments, as follows:

One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed of six per cent. per annum.

Ald. Foley presented a remonstrance against the ordinance.

Ald. Mandeville presented a communication from thirteen taxpayers on West avenue requesting that their names be withdrawn from the petition for a Medina stone improvement and placed upon the petition for the asphaltum improvement.

Ald. Mandeville then submitted the following:

By Ald. Mandeville—

Know all men by these presents: That we, Warren-Scharf Paving Co. of New York city, W. H. Gorsline, V. F. Whitmore, and G. W. Crouch, Sr., are held and firmly bound unto the City of Rochester, Monroe county, State of New York, in the sum of sixty thousand (60,000) dollars, lawful money of the United States of America, to be paid to the said City of Rochester, its Mayor, and Board of Aldermen, its successors, or assigns: For which payment, well and truly to be made, we bind ourselves, our successors, heirs, executors and administrators, jointly and severally, firmly by these presents. Sealed with our seals. Dated the twentieth day of April, in the year one thousand eight hundred and eighty six.

Whereas, This agreement witnesseth that the said Warren-Scharf Asphalt Paving Co., W. H. Gorsline, V. F. Whitmore, and G. W. Crouch, Sr., covenant and agree to pay to the said City of Rochester the sum of sixty thousand (60,000) dollars, should the said Warren-Scharf Asphalt Paving Co. fail to enter into contract with the said City of Rochester for the maintenance of the West avenue Trinidad asphalt pavement in good repair, as provided in the ordinance for said pavement improvement, said pavement hereafter to be laid in the event of the contract for said pavement being awarded to said company, otherwise this agreement to be null and void.

In witness whereof, the Warren-Scharf Asphalt Paving Co. has hereunto affixed its corporate seal and caused these presents to be signed by its vice president, and the said W. H. Gorsline, V. F. Whitmore, and G. W. Crouch, Sr., have each hereunto affixed their hands and seals the day and year above written.

Sealed and delivered in presence of:

W. R. WARREN, Vice President.

of Warren-Scharf Asphalt Paving Co.

W. R. Warren, being duly sworn, deposes and says he is vice-president of the Warren-Scharf Asphalt Paving Co., and that he executed the above instrument, and that he was authorized by said company to execute the same.

Sworn to this April 20, 1886.

W. H. H. ROGERS, Com. of Deeds.

W. H. GORSLINE.

W. H. Gorsline, being duly sworn, deposes and says he signed the above instrument for the purpose therein named.

Sworn to this 20th day of April, 1886.

W. H. H. ROGERS, Com. of Deeds.

V. F. WHITMORE,

G. W. CROUCH, Sr.

V. F. Whitmore and G. W. Crouch, Sr., being duly sworn, depose and say they signed the above instrument for the purpose therein named.

Sworn to before me this 20th day of April, 1886,

S. WALLACE HAGAMAN, Com. of Deeds.

Ordered received, filed and published.

After hearing all persons appearing, the final ordinance for West avenue asphaltum improvement was adopted by the following vote:

Ayes—Ald. Tracy, Marson, Kohlmetz, Fritzele, Elliott, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—13.

Nays—Ald. Foley—1.

By Ald. Foley—Resolved, That the Executive Board be and hereby is requested to proceed, as speedily as may be, to advertise for proposals for the construction of an asphaltum improvement on West avenue under the ordinance adopted by this board at this meeting, and that said Board require the bond provided for in said ordinance to be filed immediately upon the awarding of the contract for said improvement, and such contract be at once, after filing such bond, executed, and in the event of the failure of the person or persons to whom such contract shall be awarded to file such bond and execute

such contract, such failure to be reported to this Board at its next meeting thereafter. Adopted.

By Ald. Mandeville—Whereas, In the cities Washington, Cincinnati, Buffalo, and other large cities, it is the custom, where guarantees for pavements extend over a term of years, to secure the city for the faithful performance of the same by retaining ten (10) per cent. of the money due on the contracts until the expiration of the term of the guaranty. This money is invested in city or government bonds for the benefit of the contractor, and the interest is regularly paid to him if the conditions of the guaranty are being fulfilled.

Therefore, be it resolved, That the Executive Board of the city of Rochester be requested to state, in its advertisement for bids on the West avenue asphalt improvement, that ten (10) per cent of the money due the contractor for said improvement shall be retained by the city for ten (10) years as additional security for the guaranty, said money to be invested in city or government bonds for the benefit of the contractor, and the interest to be regularly paid to him if the conditions of the guaranty are being fulfilled. Adopted.

The final ordinance for opening a new street from Union park to Gardner park was read by the clerk.

Aid Elliott presented a remonstrance of the property owners along the line of the proposed street; also a remonstrance of lot owners in Union park, and moved that the ordinance be tabled for two weeks and the questions involved in the ordinance be referred to the Law Committee to report at the next regular meeting. Adopted.

Resolved, That the City Clerk cause to be printed and published in two daily newspapers published in the city of Rochester to be designated by the Mayor, three times a week for three weeks the following notice:

NOTICE.

The consent of the city of Rochester is hereby given to the person or corporation which shall give

to the city of Rochester the largest percentage per annum of the gross receipts derived from the operation of a railroad under the general law of the State of New York, known as Chapter 252 of the Laws of 1884, upon the streets herein described, to wit:

From the intersection of Plymouth avenue and West Main street by a double curve from the tracks of the Rochester City and Brighton Railroad Company on West Main street into Plymouth avenue and by a double track thence southerly along Plymouth avenue to Spring street, thence by a single track through Plymouth avenue to Genesee street, with the necessary switches, sidings, turnouts and turntable, and suitable stands for the convenient working of said railroad.

The right, franchise and privilege of using the streets herein mentioned, so far as the City of Rochester has power to grant the same, for a route along said streets as herein described, will be sold at public auction on the steps of the City Hall in Rochester, on the 18th day of May, 1886, at 10 o'clock in the forenoon, by the City Treasurer, to the person or corporation who shall then and there bid and give the largest percentage of gross receipts derived from the operation of said railroad as above recited, provided that there shall be two or more bidders and that the minimum percentage of gross receipts shall be three (3) per cent. of said gross receipts, having previously deposited with the City Clerk of Rochester an undertaking under seal in a form approved by the City Attorney and Mayor in the penal sum of \$15,000 for the construction of said railroad within the period prescribed by law and for the payment annually of the percentage of gross receipts which shall be bid at such sale by such person or corporation, executed by two sureties who shall justify in the sum of \$50,000 each, before the deposit of such undertaking. Such undertaking shall contain a provision that the construction, use, maintenance and operation of such railroad shall be in compliance with the statutes of the State of New York, under chapter 252 of the laws of 1884. It is further

Resolved, That the conditions and terms in the foregoing notice recited to be the conditions and terms upon which the consent of the city of Rochester to the construction, operation, maintenance, use and extension of a line of railroad upon the streets therein mentioned is given and that the consent of the City of Rochester is hereby given to the use of said streets in the manner above described for the purpose above described of the construction, operation and maintenance of a railroad under Chapter 252 of the Laws of New York, of the year 1884, to the successful bidder in compliance with the foregoing provisions of these resolutions and the notice therein contained and upon the further express condition that such railroad shall be constructed, operated and maintained in compliance with the provisions of Chapter 252 of the Laws of New York of the year 1884.

The City Treasurer shall report his proceedings at the first regular meeting of the Common Council after such sale.

Adopted.

The resolution in regard to street railroad in Sophia and other streets came up.

Ald. Elliott moved that the resolution be amended so as to read as follows :

Resolved, That the City Clerk cause to be printed and published in two daily newspapers published in the city of Rochester, to be designated by the Mayor, three times a week for three weeks, the following notice :

"The consent of the city of Rochester is hereby given to the person or corporation which shall give to the city of Rochester the largest percentage per annum of the gross receipts derived from the operation of a railroad under the general law of the State of New York known as chapter 252 of the laws of 1884, upon the streets herein described, to wit.: A line of street railroad tracks commencing with the intersection of Sophia street and West Main street, thence a double track in the centre of Sophia street to Church street; thence a single track in the centre of Sophia street to Allen street; thence a double track to Center street and westerly with a double curve in Centre street to Jones street; thence a single track in and along Jones street to Jay street; thence a double track in the centre of Jay street to Bolivar street; thence a single track in the centre of Bolivar street to Lyeil avenue, with a double curve from Bolivar street to the present tracks of the Rochester City and Brighton Railroad Company on Lyeil avenue; thence along the present tracks of said company on Lyeil avenue to Saratoga avenue, with a double curve at Saratoga avenue from the present tracks of said company; thence a single track along Saratoga avenue to Vernon street; thence along the centre of Vernon street a double track to and along the centre of Backus avenue to the north end of Backus avenue, with the like consent for the construction of such switches, sidings, turn-outs and turn-tables, and suitable stands in connection with such tracks and branches as may be necessary for the convenient working thereof.

The right, franchise and privilege of using the streets herein mentioned so far as the city of Rochester has power to grant the same for a route along said streets as herein described, will be sold at public auction on the steps of the City Hall in Rochester, on the 20th day of May, 1886, at 10 o'clock in the forenoon, by the City Treasurer, to the person or corporation who shall then and there bid and give the largest percentage of gross receipts derived from the operation of said railroad as above recited, provided that there shall be two or more bidders, and that the minimum percentage of gross receipts shall be three (3) per cent. of said gross receipts, having previously deposited with the City Clerk of the City of Rochester an undertaking under seal in a form approved by the City Attorney and Mayor, in the penal sum of \$15,000 for the construction of said railroad within the period prescribed by law, and for the payment annually of the percentage of gross receipts which shall be bid at such sale by such person or corporation executed by two sureties who shall justify in the sum of \$50,000, each, before the deposit of such undertaking. Such undertaking shall contain a provision that the construction, use, maintenance and operation of said railroad shall be in compliance with the Statutes of the State of New York, and of chapter 252 of the Laws of 1884.

It is further resolved, That the conditions and terms in the foregoing notice recited be the conditions and terms upon which the consent of the City of Rochester to the construction, operation, maintenance, use and extension of a line of Railroad upon the streets therein mentioned is given, and that the consent of the city of Rochester is hereby given to the use of said streets in the manner above described for the purpose above described of the construction, operation and maintenance of a railroad under chapter 252 of the Laws of New York of the year of 1884 to the successful bidder in compliance with the foregoing provisions of these resolutions and the notice therein contained, and upon the further express condition that such railroad shall be constructed, operated and maintained in compliance with the provisions of chapter 252 of the Laws of New York of the year

1884. The City Treasurer shall report his proceedings at the first regular meeting of the Common Council after such sale.

By Ald. Fritzsche—

ROCHESTER, April 27th, 1886.

To the Honorable the Common Council:

GENTLEMEN—Your Water Works Committee and the Executive Board respectfully submit the following report and recommendations:

The two bodies in joint session have made a careful and thorough examination of the several petitions for the extension of water mains, now on file in the Water Department.

We find that water mains have been laid during the past year in twenty-five streets at a cost of \$7,254.57, and for which the Common Council has as yet made no appropriation, but that the said cost has been advanced to the Water Pipe Extension Fund by private citizens. In several of these cases the Common Council has by resolution agreed to return the said amounts, without interest, to the parties who have thus advanced it out of monies to be raised in the tax levy for the present year for the Water Pipe Extension Fund. In other cases the cost has been advanced by citizens without such guaranty by the Common Council, but as it has all been laid under the direction of and in accordance with the plans of the Executive Board; and as large revenues have accrued to the city in water rents from such extensions, we are of the opinion that parties who have thus advanced moneys for water pipe extensions should all be treated alike, whether the city is pledged thereto by a resolution of the Common Council or not.

We therefore recommend that the amount thus advanced be raised in the tax levy for the present year, and the several amounts hereinafter stated be repaid to the parties in interest.

The following is a list of streets in which water mains have been extended at the cost of private parties, together with the cost of same, as determined by the Executive Board:

Court st. (H), from Exchange st. to 47 feet eastward.....	82 36

Along Erie canal, from Deming st. westward.....	34 92
Culver place, from Culver park to Hawthorn st.....	1,000 00

Amount advanced by private parties... \$7,254 57

There are now on file awaiting action by the Common Council petitions for water pipe extensions amounting to \$70,867.35.

In all of these cases the parties signing the petitions are very urgent that the pipes shall be laid during the present season. They claim that the extension of the water mains is a condition precedent to the improvement and building up of their property, as the time has arrived when water obtained from wells within the city limits is condemned by the health authorities and by physicians generally as not healthful; and as a consequence it is extremely difficult to sell, or lease a residence on a street where water from the city mains is not accessible.

The claim is also made that the city loses nothing by making an investment of this kind in any city street even if no water is immediately used, as the three cents per lineal foot frontage tax on each side of the street furnishes a revenue at once to the city equal on the average to six per cent. per annum on the investment.

Your committee, while recognizing the force and justice of these arguments, has not felt at liberty to recommend that so large a sum be placed in the present tax levy as would meet every demand. We have therefore selected the following streets, in which there seems to be the most immediate necessity for water, and in which we therefore recommend that water mains shall be extended during the present year at an estimated cost of \$49,408.45, thus leaving out petitions amounting to \$21,459.50, or nearly one-third of the whole.

List of streets in which it is recommended that water mains be extended during the present year:

Amount required to extend mains in streets recommended.	\$50,908 45
Amount to be repaid to parties who have advanced moneys.	7,254 57
Amount.	\$58,163 02

As it is probable that no appropriation for water pipe extension can be made during the present year in addition to the amount which shall be

raised in the tax levy, your committee is of opinion that in addition to the aforesaid sum of \$58,163.02, there should be raised in the present levy, the further sum of \$4,336.98, making a total recommended to be raised for water pipe extensions the present year of \$63,000.

The aforesaid sum of \$4,336.98 is recommended for the reason that it is desirable that the Executive Board shall have a sum in hand which will warrant it under the direction of the Common Council in making contracts during the coming winter for at least a portion of the water pipe to be used during the following summer. Contracts for pipe can be made for delivery during the winter season at a price from \$2 to \$5 per ton cheaper than during the summer season.

It has been brought to the attention of your committee that in the year 1883, the Common Council borrowed money for a like purpose with the very gratifying result of saving about \$4,000 in the purchase of one-half the amount of pipe used in the succeeding year.

Your committee is of the opinion that there is no item of the tax levy which is so cheerfully paid as that for water pipe extensions, and in view of this and the further fact that the universal distribution of the water throughout the city has become a prime necessity to not only the health of our citizens, but, also to the growth and extension of our city and the improvement of its outlying property. We feel that we have been very conservative in the recommendations made by us in the foregoing report.

To the Common Council:

GENTLEMEN: Your Committee on Wood Buildings, to which was referred the petition of H. N. Schlick & Co. for permission to erect a wood building on Hamburg street, hereby reports that they have examined the premises, and find that the usual objection is made, when the building is to be used as a coal shed; but as the building contemplated is an addition to one that has been in use for that purpose a number of years, your committee are of the opinion that permission should be granted, in accordance with the prayer of the petition, and present the accompanying resolution and recommend the adoption thereof.

Respectfully submitted,

C. STEIN,
GEO. B. SWIKEHARD,
W. H. MARSON,
H. KOHLMETZ,
Committee.

Ordered received, filed and published.

By Ald. Stein—Resolved, That permission be granted to H. N. Schlick & Co. to erect a wood building on Hamburg street, in accordance with the prayer of their petition. Adopted.

Ald. Foley presented a remonstrance against the erection of a building on Plymouth avenue to be used as a blacksmith shop. Referred to the Wood Building Committee and Fire Marshal.

By Ald. Selye—

Your Committee on Printing respectfully reports as follows :

Under the authorization of the Common Council in the premises, notices were sent by your com-

mittee to each of the daily papers soliciting bids, and setting forth specifications of the work wanted done, as follows :

For the publication, in a daily newspaper in the city of Rochester, of the proceedings, resolutions and ordinances of the Common Council and of the Executive Board for the ensuing year and the notices and the advertisements and proceedings of any and all of the officers of the city, including the monthly report of the health officers, and including the list of lands sold for taxes, and the publication of 150 copies of the Treasurer's detailed annual report in book form, bound in paper, and for the furnishing on the expiration of paper, and for the furnishing on the expiration of paper, and for the furnishing in muslin, 150 copies of the official proceedings of the Common Council and 150 copies of the proceedings of the Executive Board, including the indexes of each; the successful bidders to furnish one copy of their daily to each of the following departments: "Mayor's office, city clerk's office, assessor's office, city attorney's office, poor office, police office, city surveyor's office, treasurer's office, Municipal Court and Executive Board, and to the city clerk's office the necessary copies containing the proceedings of the Common Council as published once in two weeks."

Under the foregoing specifications the following bids were received :

The Rochester Printing Company presented a gross bid of \$4,000. The Rochester Herald Publishing Company presented a bid of \$2,750, but did not include in their proposal the "furnishing of the detailed report of the City Treasurer or the publication of the penal ordinances as published in bulk a few years since." Its bid also contains a separate proposal to publish the advertisements of any and all the city officers pertaining to the business of the city, including the list of lands sold for taxes, for the ensuing year, for the sum of \$1,200.

The Post-Express Printing Company presented a bid for the work aforesaid in the gross sum of \$2,857.

The UNION AND ADVERTISER Company presented a bid for the gross sum of \$3,500, and agree that if at the price of 30 cents per inch of space the said publications do not amount to \$3,500, that they will to the extent of the difference, deduct from the above named \$3,500.

Your committee, after due deliberation, consider that it is for the best interests of the city to accept the bid of the UNION AND ADVERTISER Company and recommend that upon the said company completing the contract, that it be declared the official newspaper of the city.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk.

OFFICE OF EXECUTIVE BOARD, }
ROCHESTER, April 17th, 1886. }

To the Common Council.

GENTLEMEN—In the matter of the petition of Margaret Whalen, requesting the abandonment of a triangular piece of land at the northwest corner of West avenue and Favor street, the Executive Board would beg leave to make the following report :

The records show that in 1839 Stevens alley was laid out from what was then Buffalo street, and running southerly therefrom. By action of the Common Council the name of the Stevens alley was changed to Favor street and widened by ordinance—adopted January 10th, 1860—twelve feet on each side, making the width of the street 42 feet. By this action it

was designed, as will be seen by reference to the ordinance at page 195 of the proceedings of the Common Council of January, 1880, to make the lines of Favor street, parallel and starting from Buffalo street, near West avenue. And the effect of thus straightening the lines was to leave a piece of land formerly a portion of Stevens' alley, six feet front on West avenue and running to a point about twenty-two feet on Favor street, on which the owner of the adjoining lot has for several years, according to the Assessors' records, paid city taxes. The land has practically been abandoned, so far as the city's uses are concerned, for several years. Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Marson—Resolved, That the Mayor be, and he hereby is directed to execute a quitclaim deed to Joseph Berdel, of all the right, title, and interest, which the city may have in all that tract or parcel of land situated in the city of Rochester, County of Monroe and State of New York; bounded on the north by West avenue, on the east by the west line of Favor street, and on the west by the west line of Stevens alley as originally laid out, being a triangular piece of land six (6) feet front on the south side of West avenue and extending back to a point on the west line of Favor street about 21 7/2-100 feet southerly from West avenue; which triangular piece of land was formerly a part of Stevens alley or Favor street, and which was abandoned when said Favor street, or Stevens alley was widened and straightened in 1880.

Adopted by the following vote:
Ayes—Ald. Coughlin, Marson, Kohlmetz, Fritesche, Elliott, Foley, Selye, Mandeville, Swikehard, Weder, Stein, Bohrer, Kelly, Schaeffer—14.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

JOINER STREET IMPROVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Joiner street, from Central avenue to Kelly street by the construction of an Asphaltum roadway pavement and other improvements connected therewith.

Adopted.

The Surveyor submitted as such estimate, \$19,000.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The improvement of Joiner street, from Central avenue to Kelly street, by setting lines of Medina stone curbs on each side of the said Joiner street, said curb lines to be parallel to each other and to the established lines of the street and twenty-five (25) feet apart and by laying between such curb lines from curb to curb and from end to end between the terminal limits named a Trinidad Asphaltum pavement of the best quality; also, the construction of a flag stone sidewalk five (5) feet wide on each side of the said Joiner street except at points where such walks already exist and conform in quality, grades and alignments to those which shall be fixed by the City Surveyor; also, the construction of the necessary manholes and lamp holes, the cleaning and repairing of the main sewer, the cleaning, repairing and extension of the old and the construction of new surface sewers where required and the laying of water and gas service pipes where now needed or their future use is contemplated.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$19,000, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Joiner street, from Central avenue to Kelly street.

And further, Resolved, That that the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount, within one year from the confirmation of such roll; and the remaining one-third within two years from the confirm-

ation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed of six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, May the 4th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

FRANK STREET IMPROVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a Medina stone pavement in Frank street from Jay street to Lyell avenue with other improvements connected therewith.

Adopted.

The Surveyor submitted as such estimate \$12,500.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a Medina stone pavement in Frank street from Lyell avenue to Jay street with Medina stone curbs thirty-four (34) feet apart and parallel to the established lines of the street; said curbs to be set as nearly as practicable in the prolongation of the line of curbs now existing on Frank street between Brown street and Jay street; also the construction of Medina flagstone gutters fifteen (15) inches wide on each side of that portion of the street proposed to be improved; also the construction of the necessary manholes, the cleaning, repairing and extension of existing, and the construction of new surface sewers where needed; also the laying of water and gas service pipes where now required or their future use is contemplated.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reported the same at \$12,500, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Frank street from Jay street to Lyell avenue.

And further Resolved, That the tax-payers to be assessed for making such improvements may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll, and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172, of the Revised Charter of 1880 of the city of Rochester that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, May the 4th, 1886, at 7:30 o'clock at the Common Council chamber, when allegations will be heard.

Ald. Selye moved that action be postponed three weeks.

Adopted.

LYELL AVENUE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a pipe sewer in Lyell avenue.

Adopted.

The Surveyor submitted as such estimate, \$750.

By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The construction of a pipe sewer 12 inches in diameter in Lyell avenue, from the present sewer in Lyell avenue to the center of Warner street, with the necessary surface sewers, man holes, lot laterals, Y branches and lamp holes; also the necessary roadway grading and gutter formation.

And whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$750, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Lyell avenue, from the center of Warner street to a point 111 feet west of Murray street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, May 4th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

MAY STREET PLANK WALK.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on May street.

Adopted.

The Surveyor submitted as such estimate \$127.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a plank sidewalk 4 feet in width on each side of May street, from Bronson avenue, to the north end of May street, except where good plank walks already exist at the proper grade. Also the necessary sidewalk grading.

And whereas, the City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$127, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of May street, from Bronson avenue to the north end of May street, in front of which the proposed walk is to be constructed.

And the Clerk is hereby directed to publish notice, in pursuance of Title VII., section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, May the 4th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

WACKERMAN STREET PLANK WALK.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank sidewalk on Wackerman street.

Adopted.

The Surveyor submitted as such estimate \$280.00.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a plank sidewalk 4 feet in width on the west side of Wackerman street, from Jay street, to Campbell street, with the necessary sidewalk grading.

And, Whereas, The City Surveyor under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$280.00, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on the west side of Wackerman street from Jay street to Campbell street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, May the 4th, 1886, at 7:30 o'clock, at the Common Council Chamber, when all allegations will be heard.

Adopted.

SOUTH FORD STREET SPRINKLING.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling South Ford street during the season of 1886.

Adopted.

The Surveyor submitted as such estimate \$284.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The sprinkling of South Ford street, from West avenue to the south line of Adams street, during the season of 1886.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$284, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of South Ford street, from West avenue to Adams street.

And the clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, May the 4th, 1886, at 7:30 o'clock, at the Common Council chamber, when allegations will be heard.

Adopted.

Ald. Selye moved a reconsideration of the action to postpone the first ordinance for the improvement of Frank street. Adopted.

On motion of Ald. Selye the ordinance was then adopted.

By Ald. Swikehard—Resolved, That the first ordinance for an asphaltum improvement on Brown street be reconsidered. Adopted.

By Ald. Swikehard—Resolved, That the first ordinance for the asphaltum improvement of Brown street be amended so as to change the estimate for the roadway pavement to \$2.75 per square yard. Also to make a satisfactory bond acceptable to the taxpayers named. Adopted.

The ordinance, as amended, was then adopted.

By Ald. Swikehard—

Resolved, That action on the first ordinance for Brown street Medina stone block pavement be reconsidered. Adopted.

By Ald. Swikehard—

Resolved, That the first ordinance for Brown street Medina stone block pavement be amended so as to read: "A Medina stone improvement, and the estimate be charged accordingly. Also to make a five years' payment instead of three years. Also to make the width between curbs 28 feet." Adopted.

On motion of Ald. Swikehard the ordinance as amended was adopted.

Ald. Marson moved that action on the final ordinance for Plymouth avenue sprinkling be reconsidered. Adopted.

Ald. Marson moved that the ordinance be amended by striking out that portion south of Glasgow street. Adopted.

Further action was postponed under the rule.

Ald. Marson moved a reconsideration of the action on the final ordinance for Sprinkling Atkinson street. Adopted.

On motion of Ald. Marson further action was indefinitely postponed.

Ald. Coughlin moved that the action to postpone the ordinance for sprinkling Platt street be reconsidered. Adopted.

FINAL ORDINANCE, NO. 2,926.

PLATT STREET SPRINKLING.

On motion of Ald. Kohlmetz, the Board proceeded to hear allegations in relation to the improvement described in the ordinance below.

After hearing such allegations from all persons appearing—

Ald. Kohlmetz submitted the following:

An ordinance to sprinkle Platt street, from State street to Allen street.

The Common Council of the city of Rochester, do ordain and determine that the following improvement be made, to wit:

The sprinkling of Platt street from State street to Allen street, during the season of 1886.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reports the same at \$311, and said estimate being deemed reasonable, is hereby approved; and the portion of said city which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on each side of Platt street, from State street to Allen street

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment on each lot and parcel of land to be in proportion to the benefit which each derives

Adopted as follows:

Ayes—Ald. Coughlin, Marson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—13.

On motion of Ald. Coughlin action on the final ordinance for sprinkling Jones street was reconsidered.

Ald. Coughlin moved that further action be indefinitely postponed. Adopted.

Ald. Coughlin moved that action on the final ordinance for sprinkling Frank street be reconsidered. Adopted.

Ald. Coughlin moved that the ordinance be amended by striking out that portion between Center street and Jay street. Adopted.
Further action was postponed under the rule.

EXECUTIVE BUSINESS.

Ald. Selye submitted the following :

ROCHESTER, APRIL, 1886.

To the Honorable the Common Council:

GENTLEMEN—I, the undersigned, do hereby tender my resignation of the office of inspector of election of the Second district of the Ninth ward. Very respectfully,
PETER J. VAN DAME.

The resignation was accepted.

Ald. Selye moved to proceed to appoint an Inspector of Election for the second district of the Ninth ward. Adopted.

Ald. Selye nominated J. B. Pfluge

J. B. Pfluge was named by Ald. Coughlin, Marson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Swikehard, Stein, Bohrer, Kelly, Schaeffer -12.

J. B. Pfluge was declared appointed Inspector of Election.

Ald. Elliott moved to proceed to appoint Commissioners of Deeds and that the Clerk cast the ballot.

Adopted as follows :

Ayes—Ald. Coughlin, Marson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—13.

Darius L. Covill, W. H. Shurz, J. K. McDonald, C. S. Whittemore, William Erler, Jr., and L. K. Nash having received the concurrent vote of the Common Council were duly appointed Commissioners of Deeds.

MISCELLANEOUS BUSINESS.

By Ald. Stein—Resolved, That the Sealer of Weights and Measures be directed to report to the Common Council at the first regular meeting in each month the names of all persons for whom weights or measures have been examined by him and sealed as provided by law, and the condition as to correctness in which the weights and measures of such persons were found. Adopted.

By the Clerk—

To the Honorable the Common Council :

I beg leave to resign from the Committee on Assessments, as I shall be unable to give due time to the duties of that membership.

GEO. W. ELLIOTT.

Ald. Foley moved that the resignation be accepted. Adopted.

By Ald. Elliott—Resolved, By the Common Council of the City of Rochester, that the official papers of the city be required to print the official proceedings within thirty-six (36) hours after their transaction, and that the clerk be required to furnish copy thereof within twenty-four (24) hours after their transaction. Adopted.

Ald. Kohlmetz presented a communication from the Socialistic labor party requesting the use of the City Hall. Referred to the City Property Committee.

Ald. Marson presented the petition of H. Defendorf for permission to erect a wood building. Referred to the Wood Building Committee and Fire Marshal, with power to act.

By Ald. Kelly—Petition for an electric light in Graves street. Referred to the Lamp Committee.

On motion of Ald. Foley, the Board adjourned. PETER SHERIDAN, City Clerk.

In Common Council—May 4th, 1886.

REGULAR MEETING.

Ald. Wm. H. Tracy, President of the Board, presiding.

Present—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—14.

Absent—Ald. Bohrer, Selye—2.

ANNUAL MESSAGE OF THE MAYOR.

GENTLEMEN OF THE COMMON COUNCIL: The city of Rochester is soon to enter upon the fifty-third year of its municipal existence. The historian tells us that as early as the year 1813 the need of schools was felt, and that the welfare of the young town, as the same related to schools and churches, was not neglected. Something more than three score years and ten have elapsed since the barn of Enos Stone was transformed into a school house, and although its scholars did not exceed at first fifteen in number, it soon had a greater following, and its usefulness and final success gave great satisfaction.

And thus was laid by the men who rocked the cradle of our city, the foundation of our present great school system. We read, that the lot upon which the first school building was erected was a part of the site now occupied by the Free Academy building, and that the structure was a plain one-story affair, with desks arranged around the room on three sides in such a manner that the pupils faced the walls.

We have a right to assume that the school room was well ventilated, for there was an open fire-place at one end of the same. The highly-polished seats of walnut and cherry of the present day were then unknown, for the seats of that school-house were in the main constructed of slabs, with the flat surface uppermost, and with legs driven in on the opposite side on which they were supported, and were without backs. It is nearly forty-five years ago that the first Board of Education was organized and a census of school children taken about that time disclosed the fact that there were in Rochester 4,343 children of school age. It has been well said, that to our city belongs the distinguished honor of having first conceived and given shape to the idea of the modern free "high school," and nearly three decades have passed since that commendable enterprise was inaugurated. Its history is a familiar chapter in the history of Rochester. Steadily has our free high school grown in public favor, and it is today without a superior of its kind in the country. Perhaps there is no better index of our city's rapid growth, than the con-

stantly increasing necessity for additional school accommodations. Within a period of ten years the attendance has increased fully fifty per cent., and while there has not been a proportionate increase in the cost of tuition, still the steadily-growing demand upon our finances for more help furnishes a constant theme for discussion. Let us guard well this great interest; let no false notions of economy enter into the consideration of so important a question, and no parsimonious ideas govern us in our action. That our public schools are conducted on the principles of economy, an argument is furnished in the statement that there are no northern cities of the population of Rochester where the cost per pupil is as low as here, and few cities of any size where it is lower; and there is no Free Academy where the expense of educating its pupils is less than in our city, and very few where it is not higher. The overcrowded condition of several of our school buildings, and the unhealthy sanitary condition of two-thirds of them, heated, as they are, by stoves, and without any means of ventilation, save through doors and windows, furnishes to us a condition of things which calls upon us loudly for attention and relief. The health and the lives of hundreds of children are in constant danger, and we must not shut our eyes to the fact that the responsibility is with us. I recommend, therefore, that early and thorough attention be given to these vital questions, to the end that the responsibility may be lifted from us and that no harm may come to those whose guardians we are.

THE CENTRAL LIBRARY

is one of the most interesting and valuable of our municipal departments. Under the management of the assistant librarian Mrs. Katherine J. Dowling, acting, as she does, under the direction of the proper committee, it has become a source of much pleasure and profit to many people in Rochester. Time and space will not permit me in this message to say more concerning it. It is well worth visiting, and is worthy your attention and support.

An institution has lately been started in this city which has already been productive of great good and which bids fair to extend its field of usefulness as time goes on. In November of last year a few gentlemen effected an organization under the name of the "Mechanics' Institute of the City of Rochester," the design being to give to all who needed it some practical education which might enable them to become better fitted for their occupations in life. Several thousand dollars were collected from public-spirited citizens and from manufacturing firms, a teacher of competence and experience was secured from Massachusetts, and the Institute opened with classes of more than one hundred each in different kinds of

drawing. Soon was perceived the desirability of adding instruction in mathematics and in natural philosophy to those of too advanced an age to attend the public schools, and before three months had elapsed since the inception of the enterprise, free instruction was being given to more than a thousand different pupils. Almost all of these are adults, a large proportion of them being of the mechanical class, and the benefits which the city at large receives through them cannot but be very great. A lack of means has prevented the trustees of the Institute from renting a building, and they may be dependent for some time to come, as they have been in the past, upon the Board of Education for the use of rooms in the Free Academy. While not asking for any direct financial aid for this worthy institution, I commend it to your regard and consideration.

THE COMPULSORY EDUCATION LAW,

so called, is an act to secure to children the benefits of an elementary education. It provides, in substance, that no child under the age of 14 years shall be employed by any person to labor in any business whatever during the school hours of any school day of the school term of the public school, etc., etc., unless such child shall have for at least fourteen weeks in the previous year attended some public or private day school or shall have been regularly instructed at home in certain branches of study by some person qualified to instruct in the same. It will be seen at a glance that this is a statute of great importance to the youth of this country as well as to the country itself. It is not, however, a national measure, but a law of this state, and as such we are interested in it and are charged with its enforcement. Upon our Board of Education more particularly, perhaps, devolves the duty of securing from employers in Rochester a compliance with this statute, and reasons have been given by said board why it has thus far failed to put the same rigidly into execution. I recommend and trust that your honorable body will lend its aid in this matter and that henceforth there will be no failure to secure the execution of what I believe must prove to be a most beneficial law.

SUPPORT AND RELIEF OF THE POOR.

In this most important department of the city government nothing of particular moment has occurred during the year. The same line of policy always pursued is still being carried out and expenses are not decreasing. On the other hand, it has cost more the past twelve months to provide for the poor of our city than it did the year previous. This Mr. Lutes attributes to the scarcity of work existing during the fall and winter months just passed, and which resulted in throwing upon the city for relief many who, under other circumstances, would

have been abundantly able to provide for themselves.

The question here arises, are we as guardians of "the poor and needy," as well as the protectors of the interests of those who are taxed for the support of our municipal government, I repeat, are we, as such guardians, doing all that lies in our power for the best interests of all concerned? We know that public charity is degrading to its recipient and this thought alone should prompt us to a united effort in an endeavor to mature some plan which would thoroughly change our mode of dispensing relief. I have nothing particular to suggest at this time, but do hope that before another year shall have passed, in fact before another winter shall have set in, some new, and what I trust, may prove a better method, will have been introduced in the management of our poor department. I am making no complaint and have none to make. I think, on the whole, that those who have had the disbursement of charity more particularly in charge, have done perhaps the best that could be done under existing circumstances.

THE HEALTH DEPARTMENT

during the year has caused 2,922 foul privy vaults to be cleaned; 308 offensive water closets have been renovated or trapped as the case demanded; 96 wet cellars were inspected, and where possible were put in a sanitary condition, and miscellaneous nuisances to the number of 436 consisting of filthy yards, hog pens, chicken coops, manure piles, etc., received the attention of the Board of Health. Forty-seven private and 530 public sewers were flushed. In the department of vital statistics 2,069 births were recorded. Of this number 991 were males, 995 females, leaving 19 with no sex given. There were 940 marriages and 1,871 deaths. Of the latter 401 were children under one year of age, 145 were between the ages of 70 and 80 years, seventy-seven between 80 and 90, ten between 90 and 100, and one attained the remarkable age of 107 years two months and two days. The causes of death are classified as follows: Zymotic diseases, 339; constitutional, 455; local, 844; developmental, 162, and violence 71. In the deaths from zymotic diseases are included seventy-eight from diphtheria and nineteen from scarlet fever, and the places where these deaths occurred were quarantined, and where necessary, were disinfected. The dreaded pestilence, which but a year ago appeared to have established itself in the east, and which we, guided by past experience feared might extend its ravages to our own shores, has thus far been so slow in its march that we may still hope to escape its fearful visitation, and yet the subtle plague may even now be lurking near our borders, and the germs of a horrible disease may at any moment thwart the vigilance of the guardians of public health, and, falling into

hot-beds of filth, multiply until the air we breathe, the food we eat, and the water we drink are so polluted that we can no longer avoid the terrible consequences of our indifference and neglect. Not only is cholera to be guarded against by every means in our power to remove the traces of decomposing refuse, but we ought also to dispose of every vestige of waste before it can even offend either the sense of sight or the sense of smell. Typhoid fever, diphtheria and scarlet fever are also diseases which may spread in the pathways of filth. Indeed, every unclean thing is hostile to health and ought not to be harbored in our homes and environs. Purge the cellar and the corners of the yard, sweep the alleys, trap and flush the sewers, and leave not a stone unturned till you have banished every tangible cause of disease from your midst. And then with your disinfectants destroy those unseen and yet more harmful germs whose presence is unknown but whose effects are so fraught with disaster to health.

The number of

STREET LIGHTS

has not to any great extent been increased during the year. Our city is pretty well lighted and is paying pretty well for the luxury. There is no expense, however, which tax payers are called upon to meet that is more willingly borne than the expense incident to street lighting. This statement is only true, however, when value is received for money expended. I think the electric lights are giving good satisfaction and the prices we are paying for gas are not exorbitant. The contracts with gas companies expire the coming summer and doubtless the question and terms of their renewal will soon engage your attention. The kerosene lamps are an unmitigated humbug and in my opinion at least two-thirds of the amount expended for maintaining them is money thrown away. I trust that in the very near future we shall be able to discard them entirely.

IMPROVEMENT OF STREETS, CONSTRUCTION OF SEWERS, SIDEWALKS, ETC.

As tax-payers will be interested in knowing what public improvements have been made the past year, I have received from the city surveyor and reproduce here the following carefully prepared table, showing location, cost and character of each improvement completed:

There is in Rochester at present 59.60 miles of stone sewers, 65-100 miles of brick sewers, 48.82 miles of pipe sewers, 27-100 miles of wood sewers, and 1.46 miles of iron sewers, making the total length of sewers 110.80 miles.

There are also 220.55 miles of streets and 16.73 miles of alleys in the city. Of this number 12.04 miles are paved with Medina stone, 23.79 miles with Macadam stone, 15.82 miles are finished with gravel, 72-100 miles with cobble-stone, 44-100 miles with asphaltum, and 45-100 miles with wood, making a total of 53.26 miles of improved streets; there are also 71.66 miles of graded streets and 95.63 of unimproved streets.

The following statement shows what public improvements have cost in each of the past ten years, that is, from 1876 to 1885, inclusive:

FIRE DEPARTMENT.

The manual force of this most important branch of our city government consists of sixty-four members. This number, taken in connection with those who, as members of the "Alerts," "Actives" and "Protectives," respond to alarms of fire, give to us for "ever-ready" service a sum total of eighty-four men.

The city owns six steam fire engines, all of which are held in reserve. Two of these, however, should an emergency arise, would be found practically useless for fire service. There are seven hose carriages, each drawn by two horses, and each carrying 1,200 feet of hose. There are also in the service of the city three hook and ladder trucks, one chemical engine drawn by horses, and one sack and bucket wagon. Of horses we have twenty-seven, and of hose 19,000 feet, of which latter amount 3,000 feet were purchased last season.

During the year, ending March 31, there were 138 fire alarms. Of this number twenty-six were "still" alarms, conveyed to the department by means of the telephone or in some manner other than by "pulling a box."

The increase in the number of fire alarms over the previous year was eight, and over two years ago, thirty-nine. The hand hose cart of the 'Alerts' has yielded its place to one now drawn by horses. The several engine houses have been placed in excellent repair, and the whole department is, so to speak, in a first-class condition.

THE FIRE ALARM TELEGRAPH

now consists of seventy-five miles of wire, divided into eight circuits, all centering into the one general office, at the Fire Department building, in Front street. This office is supplied with the latest improved apparatus and devices. The total number of fire alarm boxes is now ninety-three. During the past year four new boxes and five miles of wire together with twenty-five lightning protectors have been added to the system. The latter ensure safety from electrical currents so likely to breed danger to life and property. The contract with the Bell Telephone Company has enabled the city to transfer several miles of its fire alarm wire from the roofs of houses to the poles of that company. It is suggested that because of the rapid growth of the east side of the river, and the extent of territory now practically unprotected, in case of fire, there is need of two more fire companies for that quarter of the city, one to be provided with a chemical engine and the other with a hose wagon. I am hardly prepared to make a recommendation at this time in connection with this matter, but willingly admit that the proposition is not without merit. The death of that skilled and valued public officer, Chief Engineer Gibson, cast a cloud of gloom over this entire community. His long and faithful service, both as soldier and fireman, had won for him a place in many hearts, and he will long live in the memory of the citizens of Rochester. Peace to his ashes.

LAW DEPARTMENT.

At a meeting of the Common Council, held on the 25th day of March last, Mr. Beckley, the city attorney, submitted in behalf of the law committee, an annual report relating to all matters of which he had had charge during the year. That report can be found at page 405 of the proceedings, and I recommend to all its careful perusal. An idea of the litigation which the city has had, and still has on its hands, can thus be obtained. In connection with what is contained therein I would add, that during the year there has been the usual number of prosecutions by the law officer of the city in the Police and Municipal Courts for the violation of penal ordinances. Several actions have also been tried under instructions from the Board of Health to compel the abatement of nuisances. In the lower courts a large number of actions are also pending to recover the value of labor and

material furnished by the Executive Board in connection with water used by contractors for building purposes, and for damages to the property of the Water Department by the negligence of parties using the same.

Twenty actions for the foreclosure of tax liens have been instituted during the past year. In none of these cases, however, have the proceedings reached final judgment and sale, for a majority of them have been settled by the payment of all back taxes and the remainder will probably be disposed of in like manner.

On the 3d of April, 1886, Andrew J. Dingfeller recovered in the Municipal Court a judgment against the city for \$170 and costs, in an action for negligence on the part of the street authorities in allowing South St. Paul street to be out of repair and the consequent injury sustained by the plaintiff in being thrown from his wagon. The accident was caused by a hole in that portion of the street lying between the tracks of the street railway, and the railway company has been notified to take charge of the case. An appeal has been taken at the request of the street-car company. Acting under instructions from the Executive Board, the city attorney recently brought suit against the Rochester City & Brighton Railway Company to recover the penalty prescribed by the ordinance for throwing salt upon the rails of the company's tracks. As has already been announced, the city was beaten in the Municipal Court, but the case has been appealed for a new trial in the County Court.

An action has also been brought by the city against the street-car company in the Supreme Court to obtain an injunction against the further use of salt on the tracks and the removal of snow from the tracks in such a manner as to obstruct the free passage of sleighs and other vehicles in the street. The number of actions brought in the

MUNICIPAL COURT

for the year now closed was 4,441. The amount in fees received and paid to the treasurer of the city was \$3,569.45, but in this amount is not included fees in actions brought by and against the city. The amount given in judgments aggregated \$107,263.53.

EXCISE AND POLICE.

The number of licenses granted during the year for the sale of ale, beer, etc., was about the usual number. The members of the Excise Board have exercised great care in the discharge of their delicate duties, and by reason of the revocation of the licenses of many who have not lived up to the law regulating the liquor traffic, and their (the excise commissioners') refusal of permits to a considerable number because of general unfitness, have earned the gratitude of this community. The amount of license moneys received, viz., \$41,974.50, is quite a little in excess of the aggregate sum paid in last year.

The number of men constituting the police force aside from the chief of police and the police clerk is ninety. They are classified and do duty as follows: 8 day men, serving from 4 o'clock A. M. to 12 o'clock noon; 12 day men, serving from noon until 8 o'clock P. M. There are 53 night men, so-called, 9 detectives, 1 court officer and interpreter, 1 turnkey, 4 lieutenants and 2 captains. The present police law went into effect twenty-one years ago; of those then appointed to serve as officers, 12 are still connected with our police department, and are doing duty as follows: 4 as patrolmen, 4 as detectives, 1 as court attendant, 1 as captain, 1 as turnkey, and 1 as lieutenant. As heretofore stated in this communication, we have in Rochester about 236 miles of streets and alleys. Our city embraces 20 square miles of territory. The number of miles of streets parolled or guarded by the police department is nearly or quite 125.

FINANCES.

The assessed valuation of real-estate for the present year will be largely in excess of what it has been. This is owing to the fact that the assessors feel it incumbent on them to more particularly follow the law under which assessments are levied. Heretofore they have exercised more or less discretion and where property was unproductive they have sought not to lay the burden too heavily upon it. Now the position of things is changed. While last year the assessed valuation of real property was in round figures \$39,000,000 and the present year will probably be more than \$70,000,000, taxes will be somewhat lower on productive property than they have been, and correspondingly higher on property that is vacant, by reason of the fact that a higher valuation is now placed upon it. This will undoubtedly work a hardship in many instances but for which there seems no relief. Questions of finance are perhaps the most serious with which the officers of a municipal government have to deal. Particularly is this so in a community where taxes are high, where they have been high and for an indefinite period are likely to so remain. To us for instance, is committed the task of solving or the responsibility of ignoring financial problems of the gravest character. Here let me say, that during the ten years of my administration, there has been no increase of the bonded debt of our city. Bear in mind that I take no credit to myself because of this fact, and make mention of it now only for the purpose of aiding me in explaining our financial situation. I have always been an advocate, however, of paying our bonds as they mature, and this policy with, I think, a single exception has been pursued every year during the last decade. As a result of this, our bonded indebtedness during that period has been reduced to the extent of \$480,686.13. The exception

to which I allude occurred some three or four years ago when the Common Council determined unwisely, as I thought, to issue new bonds for those then maturing. The amount involved was \$100,000. To such action I interposed a veto but it was not sustained. Instead of paying then as we might have done, the day of payment was postponed. This was not to the credit of our city. The legislature of 1885 authorized us to issue the bonds of the city of Rochester to the amount of \$300,000 and this has been done. They bear 4 per cent. interest and will mature July 1, 1890, or sooner if the city shall so elect. Their issue cannot be called an increase of the bonded debt, as their payment is to be provided for by the collection of unpaid local assessments, and it was on the strength of such a pledge that their issue was authorized. Fifty thousand dollars of bonds falling due this year will, I assume, be paid. This is as it should be. But are we looking ahead? The years are passing rapidly by and certainly no calculation has thus far been made for the future. We are living, so to speak, from hand to mouth, leaving to those who are to follow us to take care of things as they find them as best they may. Is this wise and is it right? If it is not, then what are the proposals for relief. The

SINKING FUND

theory has many advocates and I am prompted to ask 'what have we to gain' by its establishment? If we raise

\$100,000

per annum in the tax levy for sixteen years, and invest the same at the rate of 3 per cent., we can pay in 1893 (only seven years hence

R. & S. L. R. R. loan	\$600,000
R. N. P. R. R. loan	150,000 \$750,000
In 1902, City Hall loan	\$335,000

and in 1903 we should be able to apply on \$3,182,000 of water bonds then falling due the sum of \$850,000. To what extent would such a course increase taxation? On the basis of assessed valuation for last year, it would increase taxation \$2.46 per thousand dollars.

The tax levy for the present year will probably be less in amount by \$100,000 than in 1885, and could we at once begin to follow the plan above suggested, there would certainly not in 1886 be an increase over the present rate of taxation. This subject demands careful study and I wish we might be credited with a solution of the problem.

WATER WORKS.

The water works have been operated satisfactorily during the past year and the quality of water has been unexceptionable.

The average daily consumption of water from the Hemlock system was ... 5,153,426
 The average daily consumption of water from the Holly system was.... 1,184,216

The average daily consumption of water from both systems was ... 6,337,642
 The total average per capita consumption of water from both systems, estimating the population of the city at 110,000 was 57.6-10

There has been a decrease in the average daily consumption of water during the year 1885 from the amount used in 1884 of 298,626 gallons.

This decrease in daily consumption of water may partly, at least, be fairly attributed to the increased application of meters to the services of establishments used for manufacturing and other semi-public purposes.

The utility of the general application of meters to water service supplies is illustrated by a comparison of the per capita daily use in cities having a greater or less percentage of services metered as shown in the following table:

NAME OF CITY.	Population in 1880.....	Number of services.....	Number of meters.....	Percentage of services metered.....	Consumption of water daily per capita gallons.....
Providence, R. I.	104,857	11,989	6,648	55. 3/4	34
Fall River, Mass.	56,863	3,853	3,569	66. 3/8	26
Pawtucket, R. I.	40,000*	4,165	2,400	58.	25†
Buffalo, N. Y.	200,000‡	19,537	135	6-10	58†
Sandusky, O	15,838	133

*Present estimate.

‡Present estimate.

†Omitting manufacturing.

‡Including manufacturing.

The amount of water which may be regarded as a fair per capita consumption is indicated in the following extracts from a recent report of the Commissioner of Public Works of the city of New York:

"The people of Vienna and Berlin have a daily allowance of 15 to 18 gallons per capita, and St. Petersburg is content with 22 gallons. In Paris, where large quantities of water are used in keeping the streets clean, the daily consumption does not rise above 42 gallons per capita. In London the daily supply is about 37 1/2 gallons, and in all the principal cities of Great Britain the supply averages from 35 to 40 gallons per head. The most eminent engineers, who have made the subject of water supply a study, estimate that 35 gallons per head of population is an ample supply for domestic, sanitary and industrial purposes."

This statement seems to be fully verified by the experience of the first three cities

named in the foregoing table, namely: Providence, Fall River and Pawtucket, where a large percentage of the consumption of water is metered and in which the maximum daily per capita use of water is 34 gallons.

If a per capita use in excess of 35 gallons may be fairly classified as waste, then it appears that the city of Rochester is actually wasting 2,488,000 gallons per day, said waste representing a full supply for an additional population of 71,000, or in other words that we are to-day, with a population of 110,000, using an amount of water which would fully supply the needs of a population of 181,000.

The obvious conclusion from these facts is, that in order to maintain an effective fire service for a long period of years, without incurring the necessity of returning to the use of an expensive system of fire steamers and also that the general supply now furnished shall be sufficient for the longest period, the water works authorities should not hesitate to resort to such measure as will, while furnishing citizens an abundant supply for legitimate use, cut off all unreasonable waste of water.

During the past year, under the authority of a general statute, the State Board of Health has established rules and regulations for the sanitary protection of the water shed of Hemlock Lake, the source of our water supply.

From observation of the operation of these rules during the limited period they have been in operation it is believed that the local Boards of Health and the residents generally will cordially unite in carrying them into practical operation and that they will result in rendering the water free from even a suspicion of contamination.

The small annual cost to the city, by which these rules are practically enforced, should not be regarded as in any sense a burden by our citizens, when the results accomplished thereby are such vital factors in the maintenance of the public health.

A practice has recently obtained in this city, by which private citizens have been allowed to advance moneys to the water pipe extension fund of the city, without interest, for the purpose of having pipes laid in particular streets in advance of a general appropriation for that purpose, the city entering into an agreement by its Common Council to refund the cost thereof out of monies to be raised in the succeeding tax levy. This practice has obtained because of the general appropriation for that purpose proving inadequate to meet the demands made for extensions. This practice is only reprehensible from the fact that it works injustice to the less wealthy among our citizens. To the citizens who are rich enough to advance the money in this way it insures the extending of water mains immediately where their

interests indicate, while it actually delays the extension of water mains through streets occupied by poorer citizens, whose necessity for water may be even more pressing and immediate than that of their more wealthy neighbors.

It is, perhaps, proper for me to suggest in this connection that the Common Council should carefully examine the claims for water pipe extension suggested by each petition, and while being conservative in granting them, yet should make appropriations sufficiently large as to meet all really meritorious urgent petitions and thus render unnecessary a resort to the practice of private advances.

That citizens and others may be able to know the financial results of our water works system, it would seem, as I have said before, that a fair credit should be allowed by the city for public uses of water. The cost of sustaining and operating other city departments is being contributed to by the Water Works Department. This is unjust to that department and to the officials in charge. I recommend a system of proper credits, which will neither increase the tax levy nor involve any additional expense or confusion in our system of accounts.

It is desirable that a plan should be devised by which a portion at least of the water pipe and other materials required for water pipe extensions should be purchased earlier in the season, as I am informed and believe that these purchases can be made during the winter at a much cheaper rate than at a later period, and the work of extensions can be progressed at a much earlier date during the summer.

THE CIVIL SERVICE.

For more than a year, the law regulating and prescribing the mode of appointment to positions in the civil service of our city has been in operation. Because of few vacancies existing, however, during this period, but few selections have been made in accordance with its provisions. I think there have been no evasions of the statute in Rochester, but what have been corrected when attention has been called to the irregularities practiced. I am fully aware of the fact, however, that a prejudice has existed against the law, and that ideas have prevailed in certain quarters that its reasonable requirements can be safely ignored. The friends of the measure, and those in charge of its enforcement, have been extremely liberal in their construction of the statute, and no one has been harmed by an application of its rules in our city. Those who have been selected for place, in accordance with the regulations established, have discharged their duties creditably, and, I think, to the satisfaction of all. We should not lose sight of the fact that the passage of the civil service law was only secured by the joint efforts of men of all

political classes, and it cannot therefore be distinctively called a measure of either of the great political parties. This being the case, we should not mistake or evade our duty, but on the contrary, in every reasonable way endeavor to see that exact justice is rendered. It is claimed that in the matter of needful appropriations the Common Council has not acted fairly, or shown a disposition to aid in any manner in securing a compliance with the terms of the said statute. From the annual reports of our boards of examiners, and to which publication will shortly be given, I make for your information the following quotation: "At the outset the secretary was made, and is still supposed to be, a salaried officer, but not one dollar has he received up to this time for his services. A history of the proceedings of the Common Council in this respect would show a series of evasions, of broken promises, of a disregard for the commonest principles of justice. An appropriation was made of \$150 to cover expenses incurred for stationary, and afterward an allowance was made of \$100 for salary. Thereafter the salary allowance was held to cover everything and the result is that, \$100 having been paid out of the city treasury for bills after they became due, there is now an accumulation of other bills unpaid. It is hoped that the present board of aldermen will appropriate an adequate sum for the payment of these debts as well as for a reasonable salary to the secretary." To which I add, that I hope a spirit of fairness will hereafter characterize your deliberations respecting all questions relating to the civil service of Rochester.

And now, having extended these observations to a greater length than I had intended, I desire before closing to simply add, that I hope reciprocal kindness and esteem will govern us in our official intercourse. Let us labor together for the common good, that our actions may tend to the advancement of the interests of our beloved city and the well being of all its inhabitants.

REPORTS OF STANDING COMMITTEES.

By Ald. Kelly—

17

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your Law Committee, to which was referred the question as to whether the petition for the opening of a street from Gardner Park to Union Park is a majority petition, respectfully reports:

Your committee gave a hearing to all parties interested for and against the proposed improvement, and has carefully considered all of the allegations presented, and made a thorough investigation as to the facts bearing upon the matter.

The ordinance provides for the taking of land for a street sixty feet in width, from the south line of Gardner Park to the south line of Union Park and the north line of property belonging to H. H. Craig. The territory to be assessed for the proposed improvement is described in the ordinance as being one tier of lots on each side of the proposed street, excepting the lot owned by U. Brown on the northeast corner of Gardner Park and of the proposed street.

Union Park is not a public street of the city of Rochester, but is a private park, subject to the control exclusively of the owners of land fronting on said park. If all of the lot owners in Union Park, excepting the one who owns a lot fronting on said park, a part of which is to be taken for the proposed improvement, be excluded as not to be assessed for the improvement, then a majority of the owners of property to be assessed as described in the ordinance have petitioned therefor. But the question is presented whether under the ordinance as it reads, all of the property owners in Union Park are in fact assessable under its provisions. The driveway of Union Park, sixty-six feet in width west of the west line of the proposed street is, under the provisions of the ordinance, to be assessed for its proportion of the expense of the improvement, because such driveway is in fact, private property. If such driveway is to be assessed, then a majority of the property to be assessed under the provisions of the ordinance did not sign the petition.

But, independent of this question, your committee takes the liberty of suggesting that the property of U. Brown, hereinbefore referred to, was as much benefited by the proposed improvement as any other lot bounding on the proposed street, and no reason exists, in the opinion of your committee, why such property should be exempted.

It is also the opinion of your committee that the property of H. H. Craig will also be benefited by the opening of the proposed street to an extent sufficient to require the Common Council to provide for its assessment with other property benefited.

Your committee recommends that the ordinance be amended in its description of property to be taken, and in its description of the property to be assessed, as is set forth in the resolution accompanying this report.

All of which is respectfully submitted,

To the Common Council:

GENTLEMEN Your Committee on Wood Buildings, to which was referred the petition of A. A. Boisford, for permission to erect a barn on Central avenue also a demonstration against the same, do hereby report that your committee find objection is made, principally on the ground that a barn in a thickly populated locality may become offensive to adjoining residents, but as such residents have a remedy in such cases, your committee recommend that permission be granted and submit

the accompanying resolution for your consideration.

By Ald. Fritzsche—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your Committee on the Opening and Alteration of Streets, and the Executive Board, to whom was referred the petition of the "Edison Electric Illuminating Company of Rochester" for permission to lay and construct electric wires and conduits underground, also to erect poles and place wires on the same, in and through a certain designated number of streets and alleys in this city, would herewith respectfully report as follows:

In view of the fact that electric illumination has come to be regarded as a successful enterprise in a number of other cities, and that many of our prominent business men and tax-payers earnestly desire to avail themselves as soon as possible of the Edison electric light as proposed to be furnished by the aforesaid company, we recommend that the prayer of the petition be granted under the following conditions, and such others as shall be recommended by the Executive Board, Mayor or City Attorney:

First—That it shall not preclude the city from granting a like permission to any other company at any other time.

Second—That said company shall at all times be subject to the city ordinances now in existence or which may hereafter be adopted and be applicable to all other companies having similar rights.

Third—That said company be required to commence the laying of said underground wires and conduits this season, and to complete prior to Nov. 1, 1886, said work in a length of at least three-fourths of one mile of streets in this city.

Fourth—That said company shall agree never to charge more for the light furnished by it to consumers than the same amount of light would cost if based on 20-candle power illuminating gas at \$2.25 per 1000 cubic feet.

Fifth—That the free right of way for general public work of all kinds which may be performed by or under the direction of the city authorities shall in all cases be reserved to the city without opposition or claim for damage from said company; also, that if in the progress of any such public work as aforesaid, it shall become necessary to remove or displace in any manner any of the wires, conduits, poles or other fixtures and appurtenances belonging to said company, the same shall, upon reasonable notice, be so removed or displaced and restored at the sole expense of said company.

Sixth—That the underground electrical wires and conduits, together with their connections and appurtenances, shall be of the best and most durable quality now in use for the Edison system; and that the same shall be laid in the best and most approved manner, so as to cause the least possible future disturbance of the street pavements.

Seventh—That in all principal streets, highways or avenues, said company shall so plan its system of underground distribution as to avoid the crossing of any such street for the purpose of supplying light to individual consumers.

Eighth—That whenever poles are to be used, said company must first acquire the privilege of erecting such poles and hanging the wires thereto from the owners of the abutting property, as well as from the Executive Board; and that such poles

shall in all cases be sightly and of durable material, and of such height as shall be directed and approved by the Executive Board. Said poles shall also be kept painted. That as to police patrol and fire alarm telegraph wires, the city shall have the right to use the company's poles for the same, to such extent as will not interfere with the proper use of said poles by said company. The wires placed upon poles by said company shall be strung at a height directed and approved by the Executive Board.

Ninth—That in all of the streets in which it is proposed by the petitioners to lay underground electrical wires or conduits, no poles of any kind shall be erected by them except at a canal or race crossing. Further, that no poles shall be erected by said company anywhere except as provided for in the resolution accompanying this report.

Tenth—That all of the work done by said company in excavating and refilling trenches and in replacing the pavements of every character shall be performed under the direction of the Executive Board; also that said Board may require said company to dig test pits wherever necessary to determine the exact location of existing gas, water and sewer pipes, etc., which may be interfered with by said company's operations; also, that the time consumed in performing such work, together with the length of trench which may be opened at any one time, shall be determined and regulated by said Board; also, that no street shall be opened by said company without a permit therefor from said Board, designating among other matters above mentioned, the location in said street where said underground wires, or conduits are to be placed; and finally, that all reasonable expense incurred by the city because of the appointment of an inspector by the Executive Board to supervise the replacing of the street pavements wherever disturbed by said company shall be promptly repaid to said Board by said Company.

Eleventh—That said company shall file with the Mayor of the city a satisfactory bond in the sum of \$50,000 guaranteeing the city from any loss, costs and damages because of the construction of said underground electric wires or conduits, and of said poles and overhead wires, by said company; and that no right or franchise shall be deemed to have been acquired by said company until the execution of a contract and the giving of a bond by said company, duly approved by the Mayor and City Attorney.

LOUIS BOHRER,
FRANK FRITZSCHE,
CHRISTIAN STEIN,
W. H. MARSON,

Committee on Opening and Alteration of Streets,

BYRON HOLLEY,
E. KUTCHLING,
GEO. W. ALDRIDGE,
Executive Board.

By Ald. Fritzsche—Resolved, That the report of the Committee on Opening and Alteration of Streets and the Executive Board in the case of the petition of the Electric Illuminating Company of Rochester, be received, filed and published. Adopted.

By Ald. Fritzsche—Resolved, That the Edison Electric Illuminating Company have the right and authority upon the execution by them of the contract hereinafter provided for, and upon the giving and approval of the bond hereinafter provided for, to install and operate and lay underground conduits for conducting electricity in and through the following streets and alleys:

1. East Main and West Main streets, from the Liberty pole to West Main street bridge.
2. Aqueduct street, from Main street to the canal, and thence, on poles, across the canal, to the central station of the company in the rear of the John Snow building on Exchange street.
3. State street, from the Four corners to the railroad.

4. Front street, from Main street to Exchange place.
5. Exchange place, from Front street to State street.
6. Mill street, from Exchange place to Market street.
7. Market street, from Mill street to State street.
8. North and South St. Paul streets, from Andrews street to Court street.
9. Irving place, from Main street to the canal.
10. Church street, from State street to Pindell alley.

And Further Resolved, That said company have the right and authority to erect poles and hang wires thereon and to install and operate the same in the following streets and alleys:

1. Pindell alley, from Main street to Allen street.
2. Spring street, across Exchange street, from the central station in the rear of the John Snow building to Spring alley.
3. Irving place, from the canal, south, to Spring street.
4. Fine alley, from Spring street to Troup street.
5. School alley, from the canal to the southern end of the same.
6. Spring alley and Scott place, from Main street to Troup street.
7. Aqueduct street, from the station to Court street.
8. Court street, from the river bridge to Exchange street.

And further, Resolved, That the [Mayor] be, and he hereby is, empowered to execute a contract on behalf of the city with said Illuminating Company (which contract shall be subject to the approval of the City Attorney) carrying into effect the prayers of the petition of said company, together with the recommendations of the committee on the opening and alteration of streets this evening presented, and such other recommendations as may be made by the Executive Board, Mayor, or City Attorney before the execution of the contract.

And further, Resolved, That said company furnish bonds in the sum of fifty thousand dollars (\$50,000) to be approved as to form by the City Attorney, and as to sufficiency of terms and sureties by the City Attorney and Mayor, conditioned to secure the faithful performance of the said contract, and to save the city harmless from all damages by reason of open trenches, and that the execution of said contract, and the delivery and approval of said bond be conditions precedent to the grant of the above mentioned franchises, which franchises shall upon such execution delivery and approval immediately take effect.

A motion of Ald. Mandeville to postpone action two weeks was lost by the following vote:

Ayes—Ald. Coughlin, Watson, Fritzsche, Elliott, Foley, Mandeville, Weider—7.

Nays—Ald. Tracy, Marson, Kohlmetz, Swikehard, Stein, Kelly, Schaeffer—7.

The resolution was then adopted by the following vote:

Ayes—Ald. Tracy, Marson, Kohlmetz, Fritzsche, Swikehard, Stein, Kelly, Schaeffer—8.

Nays—Ald. Coughlin, Watson, Elliott, Foley, Mandeville, Weider—6.

By Ald. Watson—Resolved, That rule 38 be suspended in order that bills may be placed upon

the finance budget. Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—14.

By Ald. Watson:

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your Finance Committee, in submitting the tax levy for 1886-87, makes the suggestions hereinafter contained:

Last year the amount fixed in the tax levy to be paid in by the Executive Board for surplus receipts over expenditures for water works was \$90,000. A careful consideration of the questions affecting the amount which the Executive Board will be able to pay over the current year has satisfied your committee that \$105,000 can be paid over by the Executive Board from water rates, thus adding \$15,000 to the fund available for the payment of interest on the water debt. The Executive Board made application to your committee to have the value of the use of water for all city purposes credited to them, for the purpose of thereby showing the actual amount of the value of the water furnished for all purposes during the year. A careful estimate was made of the value of such use of water for all city purposes and such value was found to be, in round numbers, \$104,000. The tax levy is, of course, so far as its amount is concerned, in no way changed by the giving of credit to the Executive Board for the value of such use of water, as there is charged to such board the same sum credited. That is, there is included among the items of the tax levy to be assessed \$100,000 for all water used for city purposes, but the amount to be turned over by the Executive Board, in addition to the amount received by that

board from water consumers other than the city is \$100,000.

Your committee recognizes the fact that it is desirable that the exact value of the use of water for all purposes should be, year by year, determined, and, therefore, has adopted the suggestion made by the Executive Board upon the subject referred to.

In the requisition presented by the Executive Board to your committee a demand was made for an appropriation for "the salary and expense fund." Your committee has made no appropriation for that fund, because no reason is presented for the longer continuance of that fund. The salaries of the members of the Executive Board and miscellaneous expenses incurred by the board should be, in the opinion of your committee, paid out of the funds created by the charter. The appropriations made by your committee for the various funds under the control of the Executive Board have been made large enough to provide for the salaries of the members of the board and the miscellaneous expenses heretofore paid out of the salary and expense fund.

While endeavoring to make the estimate for each of the departments as low as they could be made, consistent with the necessary administration of municipal affairs, your committee has, nevertheless, made its various appropriations with the end in view of having no deficiencies whatsoever to be provided for the coming year. Your committee is satisfied that with the exercise of strict economy by each of the departments and the committees in charge of the respective funds, this result can be accomplished. It is desired at the beginning of this fiscal year to impress upon all city officials the absolute necessity of observing the same care and scrutiny in the creation and auditing of bills as is observed by the prudent business man in the conduct of his own affairs. If this be done, no necessary municipal work will suffer, and, at the same time, the Common Council of 1887-'8 will have to provide no more than a sufficient sum to pay the necessary expenses of that year.

Your committee is gratified to be able to submit a tax levy \$126,078.08 less than last year, a reduction of over 10 per cent. In view of the fact that this committee has made up the tax levy for the current year upon the principle of paying out of such tax levy all of the expenses of the current year, this result must be very satisfactory to the taxpayers of the city.

The appropriation made last year for some of the departments of the city government was, in the opinion of those departments, lower than they should have been. This seemed to furnish an excuse for the creation of some bills, not, to be sure, large in amount, but which at the end of the year they were unable to pay out of their appropriation. Larger appropriations having been made for these departments this year, it is assumed by your committee that no bills will be created in excess of the amount appropriated.

All of which is respectfully submitted.

CHARLES WATSON,
JOHN H. FOLEY,
PHILIP WEIDER,
FRANK FRITZSCHE,
GEORGE W. ELLIOTT,
Finance Committee.

EXAMINATION OF TREASURER'S ACCOUNTS.

By Ald. Watson—

To the Finance Committee of the Common Council:

The undersigned, appointed by the late Finance Committee, in pursuance of authority given by the Common Council to examine the treasurer's annual report, has very carefully performed that duty, and to facilitate the work was aided by the efficient clerical assistance of Mr. P. B. Bradley. All connected with the treasurer's office are also entitled

to credit for the cheerful manner in which inquiries for information, books or papers were readily complied with, as by such compliance much time is often saved to an investigator.

Without any attempt at giving special details of the manner of the investigation, I may say, in brief, that it was as thorough as possible. Every item in the report, whether of credits or debits, was critically examined and traced back to original entries, and these again were verified by vouchers produced for every dollar of disbursements, and by comparisons of accounts with the monthly statements of the city's financial agent, the Union Trust Co., of New York, and the books of account in the several departments of the Executive Board, the Board of Education, the Police Department and Mt. Home cemetery.

I, therefore, unhesitatingly aver that the Treasurer's first annual report can be relied upon as accurate in every particular.

It may not be out of place in this connection to add, also, that the examination gives abundant evidence that the financial interests of the city during the past fiscal year, have been carefully, prudently and economically managed, whilst it is, also, apparent that no interest has suffered by inefficiency of service, or lack of satisfactory performance of duty.

Respectfully submitted, JOHN BOWER,
May 4, 1886.

Ordered received, filed and published.

By Ald. Watson—Resolved, That the City Treasurer be and he hereby is directed to have the city's note discounted for \$2,500, and place the same to the credit of the contingent fund for the Board of Education, said note to be countersigned by the chairman of the Finance Committee, and discount chargeable to contingent fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—14.

COMMUNICATIONS ETC.

By Ald. Foley—

To the Hon. the Common Council of the City of Rochester:

In pursuance of resolution passed April 20, 1886, I, the undersigned Sealer of Weights and Measures of the City of Rochester, do hereby make the following report for the month of April, 1886:

First—Total number of dry and liquid measures examined, eleven hundred and sixty-nine (1,169) of which ten hundred and fifty-nine were found to be correct, sixty-seven too large and forty-three too small.

Second—Total number of scales examined, three hundred and thirty-four (334) of which two hundred and fifty were correct and eighty-four out of balance.

Third—Whole number of weights examined, twelve hundred and sixty-one, (1,261) of which eight hundred and thirteen (813) were correct, seventeen (17) too heavy and four hundred and thirty-one (431) too light.

Fourth—Extension measures—whole number examined twenty-seven, all found correct.

All of which is respectfully submitted.

Dated Rochester, N. Y., May 4th, 1886.

THOS. MAHONEY, City Sealer.

Ordered received, filed and published.

To the Common Council:

GENTLEMEN: I am instructed by the Executive Board to transmit to your honorable board a transcript of the proceedings in the matter of the application of the Stein Manufacturing Co. to erect a structure over the sidewalk on Court street.

By Mr. Aldridge—Resolved, That the application for permission to erect a structure for business purposes over the sidewalk by the Stein Manufac-

turing Company, referred to this Board by the Common Council, be denied as inexpedient and against public interests. Adopted.

A true copy from the minutes of a meeting of April 16, 1886. THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

ACTION ON ORDINANCES.

On motion of Ald. Kelly the Council proceeded to take action on final ordinances.

FINAL ORDINANCES.

FINAL ORDINANCE NO. 2927.

BROWN STREET ASPHALTUM IMPROVEMENT.

On motion of Ald. Kohlmetz the Board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing—

Ald. Kohlmetz submitted the following:

An ordinance to improve Brown street, from the Erie Canal to West avenue.

The Common Council of the City of Rochester, do ordain and determine as follows:

The improvement of Brown street from the Erie Canal to the north curb line of West avenue, by setting Medina stone curbs on each side of the street, leaving a roadway twenty-eight (28) feet wide between the lines of the curbs, and constructing between said curbs from line to line an asphaltum pavement of the best quality; also the necessary manholes, lamp holes, crosswalks, lot laterals and lot connections, street grading, the cleaning and repairing of the main sewers, and the laying of the water and gas service pipes where they are now required or their use is contemplated; also the construction of new and the cleaning, repairing and extension of old surface sewers. Provided, however, that upon the letting of any contract which may be made for the improvement aforesaid, the contractor shall execute a bond with sufficient sureties, approved by the City Attorney and the Executive Board as to form and sufficiency, and running to the City of Rochester, and to Franklin B. Hutchinson, Mortimer Glenn, Valentine Bengler, Frederick Gotsman, George Eward, Rudolph Haeker, Matthias Kondolf, Thomas McAnarney, Charles G. Staud, Joseph Nunn, Jacob Gerling, owners of property assessed for the said improvement, or the survivors or survivor of them, conditioned that the pavement so contracted for shall be maintained by the said contractor, or his sureties, in good repair for the period of five years from the date of acceptance of said work, and that at the end of said period of years the said pavement shall be in such condition that no repairs thereof shall be needed.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and report the same at \$45,000, which estimate is hereby approved; and the portion of said city which said Common Council deem will be benefited by said improvements is described as follows:

One tier of lots on each side of Brown street, from the Erie Canal to West avenue, on which above described portion of the city the expenses of said improvement are hereby ordered assessed.

And the taxpayers to be assessed for making such improvement, may pay their assessments in five equal payments, as follows:

One fifth of the amount assessed within thirty days after the advertisement of the assessment roll; one fifth of the amount within one year from the confirmation of such roll; one fifth within two years from the confirmation of such roll; one fifth within three years from the confirmation of such roll; and the remaining one fifth within four years from the confirmation of such roll. On all sums paid prior to the maturity of the last instalment, a discount will be allowed of six per cent. per annum.

Ald. Foley presented a remonstrance which was ordered received and filed, and the ordinance was adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritz, etc., Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaefer—14.

By Ald. Foley—Resolved, that the Executive Board be and hereby is requested to proceed as speedily as may be to advertise for proposals for the construction of an asphaltum improvement on Brown street, under the ordinance adopted by this board at this meeting, and that said Executive Board require a satisfactory bond, to be approved by the City Attorney, to be filed immediately upon the awarding of the contract for said improvement and such contract be at once, after the filing of such bond, executed, and in the event of the failure of the person or persons to whom such contract shall be awarded to file such bond and execute such contract,

such failure to be reported to this Board at its next meeting thereafter. Adopted.

Action in the final ordinance for a Medina stone improvement of Brown street was postponed two weeks.

FINAL ORDINANCE NO. 2,928.

PLYMOUTH AVE. AND EDINBURGH ST PIPE SEWER.

On motion of Ald. Marson, the Board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing—

Ald. Marson submitted the following:

An ordinance to construct a pipe sewer in Plymouth avenue and Edinburgh street, from a point 214 feet north of Adams street to the sewer in Exchange street. The Common Council of the city of Rochester do ordain and determine that the following improvement be made, to wit:

The construction of a vitrified pipe sewer fifteen (15) inches in diameter in Plymouth avenue beginning at a point two hundred and fourteen (214) feet north of the north line of Adams street, and extending southerly to the intersection of the center lines of Plymouth avenue and Edinburgh street, thence the construction easterly of a pipe sewer eighteen (18) inches in diameter in Edinburgh street, to intersect the sewer in Exchange street with the necessary manholes, lamp holes, lot laterals and connections, the taking up and reconstruction of old and the construction of new surface sewers where needed, and also the taking up of the stone main sewers within the limits above named. And the whole expense shall be defrayed by the assessments upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reported the same at \$3,400.00 and said estimate being deemed reasonable is hereby approved, and the portion of said city which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on each side of Plymouth avenue from a point two hundred and fourteen (214) feet north of the north line of Adams street to Edinburgh street also one tier of lots on each side of Edinburgh street from Plymouth avenue to Exchange street.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

And it is further ordained and determined that the tax-payers to be assessed for making such improvement may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed at six per cent. per annum.

Adopted as follows:

Ayes—Ald. Tracy, Marson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaefer—12.

Ald. Foley presented a remonstrance.

The ordinance was then adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Mandeville, Swikehard, Weider, Stein, Kelly, Schaefer, —12.

Nays.—Ald. Foley.—1.

Action on the final ordinance for a Medina stone pavement in Frank street was postponed two weeks.

Action on the final ordinance for a new street from Union park to Gardner park came up.

By Ald. Kelly—Resolved, That the ordinance for the opening of a street from Union park to Gardner park be so amended as to make the description of the land to be taken, read as follows:

"The centre line of said street to be the rear lines of the lots fronting on Alexander street and South Union street respectively; and such line to be produced northerly, from the north side of the alley running parallel with Gardner park, to the south line of Gardner park, and extending to the width of thirty feet on each

side of said centre line, and said centre line produced, and such street to be limited in length by the south line of Gardner park and the north line of lands of H. H. Craig and a line one hundred and thirty feet north of, and parallel to, the south line of H. E. Boardman."

It is further resolved, That the portion of said ordinance in which is contained a description of the lots to be assessed for said improvement be so amended as to read as follows:

"One tier of lots on each side of the proposed street and the lot of H. H. Craig at the south end of the proposed street." Adopted.

Further action was postponed under the rule. On the final ordinance for Chestnut park improvement, Ald. Watson moved that the portion referring to the Schlinger patent be stricken out and that further action be postponed two weeks. Adopted.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of construction of vitrified pipe sewer in Bates street.

Adopted.

The Surveyor submitted as such estimate, \$1,200.

By Ald. Marson—Resolved, That the following improvement is necessary, viz.:

The construction of a vitrified pipe sewer twelve (12) inches in diameter, beginning at a point seventy-five (75) feet north of the north line of Sibley street and extending to the sewer in Park avenue, with the necessary manholes, surface sewers and lot laterals and connections; also the necessary roadway grading and gutter formations.

And Whereas The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$1,200, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of Bates street, from Sibley street to Park avenue.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, May the 18th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

ADAMS STREET PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a twelve (12) inch vitrified pipe sewer in Adams street between Plymouth avenue and the Genesee Canal sewer.

Adopted.

The Surveyor submitted as such estimate \$2,700.1

By Ald. Marson—Resolved, That the following improvement is necessary, viz.:

The construction of a twelve (12) inch vitrified pipe sewer in Adams street, beginning at a point one hundred (100) feet west of Plymouth avenue and extending

westward to intersect the Genesee Valley Canal sewer, including the taking up of the present stone sewer in the said Adams street, within the limits named; also, the cleaning, repairing and extension of existing and construction of new surface sewers where required; also the repaving and re-connecting of old and the construction of new lot laterals with the necessary lot connections.

And whereas, the City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$2,700, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Adams street, from Plymouth avenue to the B., N. Y. & P. E. R.

And further Resolved, That that the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount, within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed of six per cent. per annum.

And the Clerk is hereby directed to publish notice, in pursuance of Title VII., section 172 of the Revised Charter of 1880 of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, May the 18th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted

CHILI AVENUE PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in Chili avenue from the west line of the city line to intersect the Colvin street sewer.

Adopted.

The Surveyor submitted as such estimate \$5,500. By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer eighteen (18) inches in diameter from the west line of the city to intersect the Colvin street sewer, together with the necessary manholes, surface sewers, lot laterals and connections. Also the roadway grading and gutter formation within the limits named.

And whereas, the City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$5,500, which estimate is hereby approved.

Resolved, further—That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

All the territory included within and described by the following boundary line, viz:

Beginning at the intersection of Chili avenue with the Colvin street sewer, thence westerly along Chili avenue including one tier of lots on the north side thereof to Somerset street, thence northerly along Somerset street including one tier of lots on the east side thereof to a point midway between Chili avenue and West avenue, thence westerly on a line parallel with Chili avenue to Hague street, thence southerly along Hague street including one tier of lots on the west side thereof to Chili avenue, thence westerly along Chili avenue including one tier of lots on the north side thereof to the west line of the city, thence southerly along said west line to the southern boundary line of the Hakes tract, thence easterly along said Hakes south line including one tier of lots on the south side thereof to the east line of the Peart subdivision, thence southerly along said east line to the north boundary line of the Citizens Association tract, thence easterly along said association tract to the division line between property owned by Edwanger & Barry and E. M. Parsons, thence northerly along said division line to the south-in boundary line of property owned by E. Griffin, thence westerly along said southern boundary line to the west line of said Griffin property, thence northerly along said Griffin's west line to Chili avenue, thence easterly along Chili avenue including one tier of lots on the south side thereof to the place of beginning.

And further resolved, that the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount, within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, discount will be allowed of six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172, of the Revised

Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, May the 18th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

BORCHARD STREET GRADING.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of grading the roadway and the construction of sidewalks on Borchard street.

Adopted.

The Surveyor submitted as such estimate \$775.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The grading of the roadway and the construction of sidewalks on Borchard street, from Joiner street to Clinton street, with the culverts, crosswalks and gutter formations necessary.

And whereas, the City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$775, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Borchard street, from Joiner street to Clinton street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, May the 18th, 1886, at 7:30 o'clock, at the Common Council chamber, when allegations will be heard.

Adopted

CLIFFORD STREET WIDENING.

By Ald. Fritzsche—Resolved, That the City Surveyor ascertain and report to this Council the expense of widening Clifford street.

Adopted.

By Ald. Fritzsche—Resolved, That the following improvement is necessary, viz:

The widening of Clifford street on the south side thereof, from Conkey avenue to Clinton street, and the territory deemed necessary to be taken therefor is described as follows, viz:

A strip of land 10 feet in width lying on the south side and adjacent to Clifford street, and extending from Conkey avenue to Clinton street.

Resolved, further, That the following portion of said City is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Clifford street, from Conkey avenue to Clinton street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172 of the Revised Charter of 1880 of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, May the 18th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

Ald. Tracy gave notice that at the next regular meeting of this Board he will move the adoption of the following Feral Ordinance:

An ordinance prohibiting the driving of animals through any of the public streets and places in the City of Rochester.

The Common Council of the City of Rochester do ordain and determine as follows:

SECTION 1. No owner or possessor of any cows or other cattle, swine, or sheep, or cause to be driven through, brought on any street, lane, alley or park within the City of Rochester any such animal at any time between the hours of seven o'clock in the morning and nine o'clock in the evening, under a penalty of ten dollars for each offense.

§ 2. Any judgment obtained under and by virtue of this ordinance shall be collected by execution directed to be made out of the property of the offender, if it can be found, or if not, then the defendant be committed for ten days in the Monroe County Penitentiary.

§ 3. This ordinance shall take effect immediately.

UNFINISHED BUSINESS.

The clerk read the report of the commissioners in the matter of the opening of a new street from Clifford street to Norton street, published at page 24, current proceedings.

Allegations being called for and no person appearing, Ald. Schaeffer moved that the report of the commissioners be confirmed.

Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—13.

By Ald. Elliott—

AN ORDINANCE PROHIBITING THE THROWING OR PLACING ON THE SIDEWALKS IN THE CITY OF ROCHESTER OF BANANA SKINS AND ORANGE PEELS.

The Common Council of the City of Rochester do ordain as follows:

SECTION 1. No person shall throw or place upon the sidewalk of any street, lane, park, alley or other public place in the city of Rochester any banana skin or orange, lemon, apple or any other fruit peel under a penalty of \$2 for each offense.

§ 2. Every execution issued upon a judgment recovered for a violation of any of the provisions of this ordinance shall command the amount to be made of the property of the defendant, if any such can be found; and if not, then to commit the defendant to the Monroe county penitentiary for a period of not less than two nor more than five days.

§ 3. This act shall take effect immediately.

Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—13.

By Ald. Kelly—

An ordinance to prevent the posting of bills and advertisements upon trees, telegraph and electric light poles and lamps in the city of Rochester.

The Common Council of the City of Rochester do ordain as follows:

Section 1—No person shall place, or cause to be placed, upon any tree telegraph or electric light pole or lamp-post in the city of Rochester or any bill, notice or advertisement under a penalty of five dollars for each offense.

Section 2—Every execution issued upon a judgment recovered for any violation of the provisions of this ordinance shall command the amount to be made of the property of the defendant, if any such can be found, and if not, then to commit the defendant to the Monroe County Penitentiary for a period of not less than five, nor more than ten days.

Section 3—This ordinance shall take effect immediately.

Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Elliott, Kohlmetz, Selye, Fritzsche, Foley, Swikehard, Weider, Stein, Kelly, Schaeffer—12.

The following came up:

By Ald. Fritzsche—Resolved, That the Executive Board be and is hereby directed, when there are funds applicable, to extend water mains in the several streets embraced in the list of recommendations contained in the report of the Water Works' committee and the Executive Board relating thereto this day submitted to the Common Council; and also to repay advances heretofore made by citizens to the Water Pipe Extension Fund as also detailed and recommended in said report. Adopted.

By Ald. Kelly—Resolved, That the rule for adjourning be suspended for fifteen minutes.

Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—13.

The matter of lighting oil lamps came up, and on motion of Ald. Kelly action was postponed two weeks.

MISCELLANEOUS BUSINESS.

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN: The undersigned residents and tax-payers of the city of Rochester respectfully submit the following for your consideration:

The magnitude and great importance of the litigation against the city are well known, and while we do not desire to express any adverse opinion as to the fitness for the position of any of those who are understood to be candidates for the office of City Attorney, we believe that the public good requires that the present incumbent of that office should be induced to accept a re-appointment if possible.

It is well known that Mr. Beckley has decided not to accept such re-appointment, and has entered into co-partnership relations with Messrs. Bacon & Briggs, to take effect at the end of his present term.

There is reason, it seems to us, why Mr. Beckley should, in the event of his accepting a re-appointment, feel obliged to give so much of his time to the purely routine business of the office. If he should be in fact corporation counsel with his office outside of the City Hall building, while in name City Attorney, leaving to a competent assistant (which is required in any case) the conduct of such routine work, we are of the opinion that the important interests of the city in its litigations with which Mr. Beckley is so well informed and has proved so efficient, would be well protected, and by no other appointment could such interests be better subserved.

If this arrangement should be made, counsel would need to be employed for the city in but one case—that of the waterworks litigation in which Mr. Bacon represents the plaintiff—but inasmuch as such litigation has been or soon will be practically ended, the expense to the city for such counsel will not be large.

We believe that not only the magnitude but the character of the city's litigations demand that, if possible, the arrangement herein suggested should be made, even if it be necessary to pay Mr. Beckley an adequate increase of salary in order to consummate so desirable an arrangement:

Referred to the Assessment Committee.

By Ald. Schaeffer—

To the Honorable the Common Council of the City of Rochester:

I, Charles H. Wilsie, respectfully petition your Honorable Board to accept Weyl street and Laser street, laid out by me, as streets of the city of Rochester.

On this behalf I respectfully state:

(I). That each of said streets is situated between Norton street and Haywood avenue, and extends from St. Joseph street eastwardly at right angles with St. Joseph street 660 feet. Each of said streets is of the width of about 47 feet.

(II). Each street has been graded at a proper level with St. Joseph street. The roadway of each street is graded 28 feet in width at the bottom of the gutters and in such manner as to form in the middle of the street a crown of 9 inches above the bottom of said gutters. The sidewalks of each street throughout its entire length is graded $8\frac{1}{2}$ feet in width and in such manner as to have a slope of three-eighth of an inch per foot downward from the line of the street toward the center of the street. The gutters of each street are so formed

along the outside edge of sidewalks as that the bottom of each gutter is 9 inches below and 12 inches out from the outside angle of the sidewalks. The grading of the roadbeds and sidewalks has been smoothly and well done under the supervision of R. J. Smith, civil engineer, and William Dyer, contractor. All debris, stone, sods and rubbish have been removed from each of the streets and sidewalks, and the roadbeds and sidewalks have been thoroughly rolled. The expense of the whole work was about \$500.

III. I have laid at my own expense a two-inch water main through each of said streets under the supervision of the Water Works Department of the city of Rochester. I have also laid at my own expense a two-inch pipe from the terminus of the water main at Haywood ave. to these two streets, a distance of more than 800 feet. Five houses were erected last year and are all occupied upon Weyl street, and seventeen houses were erected last year and are nearly all occupied upon Laser street. No sidewalks have been constructed in Weyl street, but have been constructed in Laser street on one side about three-quarters of the length of the street.

IV. These streets were opened and the houses erected during the spring and summer of 1885.

V. A map of the tract through which these streets run called the Schlicht & Wiltzie sub-division of lots is on file in the Monroe County Clerk's office, in hber 6 of maps at page 15. The tract comprises 68 lots, for about one-third of which deeds have been given. Land contracts have been made for enough more to make the whole number sold one-half. I continue to own about one-half of the lots myself on Weyl street. Each deed and land contract describes the lot sold as fronting upon each of these streets. The title to the whole of each street is vested in me. A copy of the map of the tract is annexed.

Wherefore, your honorab'e board is asked to accept said streets as streets of the city of Rochester and to construct proper sidewalks at the expense of said city, at the intersection of each street and St. Joseph street. CHARLES H. WILTZIE,

Petitioner.
Dated May 10, 1886.

County of Monroe, city of Rochester—ss.
Charles H. Wiltzie being duly sworn, says he is the petitioner named in the foregoing petition; that the same is true to his own knowledge, except as to matters therein stated to be alleged on information and belief, and as to those matters he believes it to be true. CHARLES H. WILTZIE,
Sworn to before me May 11, 1886.

F. M. BORTUM, Notary Public.

Ordered received, filed and published.

By Ald. Schaeffer—Resolved, That the petition of Charles H. Wiltzie relating to the dedication of Weyl and Laser streets, through property owned by him situated in the Sixteenth ward, be referred to the Executive Board to report at the next meeting of this board, if said Wiltzie has performed all acts necessary to render the dedication of said streets to public use, complete and legal, in accordance with his petition. Adopted.

By Ald. Mandeville—Petition for sprinkling North Union street referred to the City Surveyor to prepare an ordinance; also petition for sprinkling University avenue referred to City Surveyor to prepare an ordinance; also petition to erect a wood building on Scio street, referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Foley—Petitions to erect wood buildings by Jos. G. Merkel on Jefferson avenue, by Thomas Ware on Champlain street, by E. W. Bortel on Wilkin alley and by James Gosnell on Atkinson street; all granted under direction of Wood Building Committee and fire marshal.

By Ald. Mandeville—

Gentlemen of the Common Council.

Your City Property Committee to whom was referred the communication of John T. Fox asking to be appointed city time keeper, at such a salary as in your judgment would be equitable, report as follows:

Appreciating the public spirit that has so long actuated Mr. Fox in announcing the correct time to the inhabitants of the city at large, we yet fail to see that the public interests will suffer by its discontinuance, and in view of the many demands upon the treasury, we do not feel warranted in creating at this time another public office to be paid for out of the same.

By Ald. Kelly—

To the Honorable Common Council of the City of Rochester:

GENTLEMEN: Your Law Committee reports upon the judgments recovered against the city by Sarah P. Bull, as follows:

In 1884 Miss. Bull brought an action against the city to vacate an assessment of \$76.89 upon her property on Driving Park avenue, which was levied for the repair of the sidewalk by the Executive Board after five days' notice to the occupant or the premises to repair the same.

The action was tried in April, 1885, and it appeared on the trial that the plaintiff was a resident of Rochester at the time that the notice was served upon the occupant of the premises, that a subsequent notice was served upon the owner, and that the walk was repaired by the Executive Board within five days of the time of the service of the last notice.

The trial court held that the service of the second notice was a waiver of the first, and also that the inspector did not use due diligence in ascertaining the residence of the owner of the property before serving upon the occupant.

Judgment was entered May 8th, 1885, directing that the said assessment be cancelled and awarding the plaintiff \$87.25 costs. Appeal was taken to the General Term and the judgment has recently been affirmed with \$97.84 costs. The amount due the plaintiff on the judgments, with interest to date, is \$189.97.

Your committee recommends the payment of said judgments upon the execution of a satisfaction thereof.

Respectfully submitted,

J. MILLER KELLY,
P. WEIDER,
D. W. SELYE,
H. KOHLMETZ,
G. W. ELLIOTT.

Law Committee.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the City Clerk be, and he hereby is, directed to draw an order on the Treasurer in favor of Sarah P. Bull, or George D. Forsyth, her attorney, for \$189.97, payable from the Contingent Fund, upon the certificate of the City Attorney being filed with the Clerk that the judgments in favor of Sarah P. Bull against the city, docketed May 8th, 1885, and April 17th, 1886, respectively, have been satisfied and discharged.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your Law Committee hereby reports upon the judgments recovered against the city by Albert J. Fisk and William Lusink, respectively, as follows:

In September, 1883, Albert J. Fisk, as the owner, and William Lusink, as the occupant, of a piece of land situated in the town of Brighton, through their attorney, D. B. Beach, brought actions in the Supreme Court to recover the sum of \$1,400 each, for damages caused to said premises by the overflow of the East avenue outlet sewer during the years 1881, 1882 and 1883.

The actions were referred to George F. Yeomans as referee. The referee reported that by reason of the overflow of the said sewer in the years above referred to, the premises were permanently damaged by the washing away of a portion of the soil thereof, and by the permanent destruction of a well thereon, in addition to the destruction of a large portion of the crops upon said premises during each of the aforesaid years, and directed judgment in favor of the plaintiff Albert J. Fisk for \$580.36, and in favor of the plaintiff William Lusink for \$325.60. Judgment was entered upon the referee's report in favor of Albert J. Fisk for \$580.36 damages and \$134.09 costs, a total of \$714.45, and in favor of William Lusink for \$325.60 damages and \$135.80 costs, a total of \$461.40, April 2, 1886. The judgments, with interest thereon to date, are as follows: Fisk judgment, \$720.40; Lusink judgment, \$464.86.

Your committee is informed by the City Attorney that the liability of the city for damages caused by the overflow of the East avenue outlet sewer in the town of Brighton was some years ago established by the General Term of the Supreme Court in the case of William S. Little against the city of Rochester. In the Fisk and Lusink cases, under the ruling of the General Term in the Little case, the only question before the referee was the amount of damages sustained.

In view of this fact your committee recommends the payment of these judgments.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the City Clerk be, and he hereby is, directed to draw orders on the City Treasurer in favor of D. B. Beach, Esq., attorney for the plaintiffs in the actions of Albert J. Fisk vs. The city of Rochester, and William Lusink vs. The city of Rochester, for \$720.40 and \$464.86 respectively, payable from the contingent fund, upon the certificate of the city attorney being filed with the city clerk that the judgments in said actions, docketed in the Monroe county clerk's office April 2d, 1886, have been satisfied and discharged.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Bohrer, Kelly, Schaeffer—14.

By Ald. Swikehard—

To the Common Council:

GENTLEMEN: Your Committee on Police, Excise and Markets, to which was referred the subject matter of salary of the clerk of the Excise Board, hereby reports:

That, upon investigation, it is learned that on or about August 15, 1885, John H. Mason was appointed clerk of the Excise Board by the Committee on Police, Excise and Markets and the Commissioners of Excise in pursuance of a resolution of the Common Council adopted August 11, 1885. At a subsequent meeting a committee was appointed to fix the salary of the clerk of the Excise Board, which committee reported that the office of clerk of the Excise Board should be abolished, and submitted a resolution to that effect, which resolution was adopted. At the last meeting of your honorable body the last mentioned action was reconsidered, and the subject referred to this committee.

Upon investigation your committee are informed that Mr. Mason has served continuously as clerk of said board since the date of his appointment, and has rendered efficient service, for which he has received no compensation.

Your committee, after a careful examination of the subject, are satisfied that clerical assistance is necessary for the proper administration of the Excise Department, and that a reasonable amount should be allowed for such assistance. Also, that a portion of the amount so allowed may be provided by requiring the excise clerk to prepare applications for licenses, when desired, and to collect a fee therefor.

Your committee, therefore, recommend that the clerk of the Excise Board be required to prepare all applications for licenses, when applied for, and charge and collect 50 cents for each application prepared, and to deposit the amount so collected with the City Treasurer to the credit of the poor fund, and report the same to the Common Council monthly.

Therefore, your committee submits the accompanying resolution for your consideration and recommend the adoption thereof.

Respectfully submitted,

GEO. B. SWIKEHARD,
PH. WEIDER,
LOUIS BOHRER,
CHAS. J. SHAEFFER,

Committee.

Ordered received, filed and published.

By Ald. Swikehard—Resolved, That the salary of the clerk of the Excise Board be fixed at \$65 per month, and that the Finance Committee be directed to place upon the next Finance Budget, chargeable to the Poor Fund, the salary of the clerk of the Excise Board, at the rate of \$65 per month, from the date of the appointment of said clerk, and that said clerk be required to prepare all applications for licenses applied for, and collect fifty cents for each application prepared by said clerk, and deposit the same with the city treasurer to the credit of the Poor Fund and report to this board.

Ald. Elliott moved to amend the resolution by making the salary \$55 per month instead of \$65. Lost.

The original resolution was adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Swikehard, Weider, Bohrer, Kelly, Schaeffer—13.

Nays—Ald. Elliott, Mandeville, Stein—3.

By Ald. Coughlin—

To the Hon. the Common Council:

GENTLEMEN—Your Lamp Committee, to whom was referred the advisability of placing electric lights in the outer wards of the city, respectfully report that at a conference held with the directors of the Brush Electric Light Co. it was decided that inasmuch as the time when the contracts for lighting the city with gas did not expire until July 1st, and as no definite arrangement could be made with the Brush Light Co., your committee, under the circumstances, report progress and ask for further time.

Your committee, in relation to the question of

lighting the outer wards, would report that pending negotiations for lighting the same with electric lights, have made no new contracts for lighting with kerosene oil, for the reason that the gas contracts expire July 1, 1886, and your committee was of the opinion that it would be advisable to permit Mr. J. W. Maser to continue to light the kerosene oil lamps until July 1, 1886.

Your committee therefore recommend the adoption of the following resolution.

WM. COUGHLIN, JR.,
 GEO. B. SWIKEHARD,
 J. H. FOLEY,
 H. KOHLMETZ,
 Committee.

Ordered received, filed and published.

By Ald. Coughlin—Resolved, That his honor the Mayor be, and he hereby is, authorized to enter into contract with J. W. Maser for the lighting, care, cleaning and repairing the public kerosene lamps of the city from April 1, 1886 to July 1, 1886, at the rate of five dollars and thirty-eight cents (\$5.38) per lamp per year, on his furnishing bonds for the faithful performance of his duty. Adopted.

REPORTS OF SELECT COMMITTEES.

By Ald. Mandeville—

Gentlemen of the Common Council:

Your special committee, appointed to investigate and report upon the several applications which have been made for permission to lay gas mains in the streets of the city of Rochester for the purpose of furnishing gas for both light and manufacturing purposes, beg leave to report as follows:

Your committee have not been able to arrive at any conclusion that would warrant them in making a report in favor of either of the applications at this time, but have made some progress toward that end. All of the companies making such application have furnished all of the information asked for by your committee with the exception of the one represented by John Scott and others, and your committee would hereby report that Mr. Scott be notified by the city clerk that unless he satisfies your committee, before the next meeting of the Common Council, of his ability and willingness to supply gas to the city of Rochester in accordance with the terms of his proposition, and will agree to file a bond immediately with the city treasurer in the sum of seventy-five thousand (\$75,000) dollars, such as will be approved of by the Mayor and city attorney as an evidence of good faith, your committee will feel warranted in reporting adversely on his proposition.

(Signed)

W. MANDEVILLE,
 J. MILLER KELLY,
 H. KOHLMETZ,
 Committee.

Adopted.

Ald. Mandeville said the report was drawn up hastily and moved that a committee of three be appointed to go to Troy and inspect the system there at Dr. Campbell's expense. Adopted.

COMMUNICATIONS TO THE BOARD.

By the Clerk—

MAYOR'S OFFICE,
 ROCHESTER, May 12, 1886. }

That portion of the proceedings of your last regular meeting relating to the Plymouth avenue street railroad question is hereby disapproved. In justice to the people who are anxious for the road, and in justice to the city, I am of the opinion that no attempt should now be made under any existing resolution, to construct the same. The tangled condition of the question, caused by a change in the law, and by the various amendments to the resolution which have from time to time been adopted, requires, in order to avoid obstacles of a very grave character, that a new start should be made. I have taken this action upon mature deliberation and upon the advice of counsel, and at

the suggestion of those who are among the strongest advocates of the proposed improvement.

CORNELIUS R. PARSONS, Mayor.

The president stated the question to be, shall the resolution stand, notwithstanding the objections of his Honor, the Mayor.

The veto was sustained by the following vote:
 Nays—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Wieder, Stein, Bohrer, Kelly, Schaeffer—16.

The City Clerk read a remonstrance signed by six persons against the laying of water mains in Miller street sent in by the Executive Board. It was ordered received and filed.

By the Clerk—

To the Honorable the Common Council:

GENTLEMEN—In accordance with sec. 29, Revised City Charter, I hereby report the following persons as having qualified and taken the oath of office:

James Malley, Excise Commissioner.
 Wm. T. Kohlmetz, Superintendent of Garbage.
 Wm. H. Shuart, Commissioner of Deeds.
 J. K. McDonald,

Respectfully,

PETER SHERIDAN, City Clerk.

Ordered received, filed and published.

The report of A. H. Martin, Milk Inspector, etc., from April 20th to May 13, was presented and ordered received and filed.

By the Clerk—

STATE OF NEW YORK, County of Monroe, City of Rochester, ss:

I, B. Frank Enos, Police Clerk of said city, being duly sworn, doth depose and say that the foregoing report contains a true and correct statement of all the moneys received by me as such clerk during the month of April, 1886, for fines, penalties and costs imposed by the Police Justice of said city.

B. FRANK ENOS, Clerk.

Sworn to before me this 18th day of May, 1886.

B. KEELER, Com. of Deeds.

Ordered received, filed and published.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

NORTH UNION STREET SPRINKLING.

By Ald. Kohlmetz-Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling North Union street during the season of 1886.

Adopted.

The Surveyor submitted as such estimate, \$150.
By Ald. Kohlmetz-Resolved, That the following improvement is necessary, viz:

The sprinkling of North Union street from 100 feet north of East avenue to 100 feet south of University avenue during the season of 1886.

And whereas, The City Surveyor, under the direction of this Council has made an estimate of the whole expense thereof and reported the same at \$150, which estimate is hereby approved:

Resolved further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of North Union street, from 100 feet north of East avenue to 100 feet south of University avenue.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, section 172 of Revised Charter of 1880 of the city of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, June the 1st, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

BOARDMAN STREET PLANK WALK.

By Ald. Kohlmetz-Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank sidewalk on Boardman street.

The Surveyor submitted as such estimate \$490.00.
By Ald. Kohlmetz-Resolved, That the following improvement is necessary, viz:

The construction of a plank sidewalk four feet in width, with hemlock planks and stringers on the East side of Boardman street, from Monroe avenue to Richards street. Also, the necessary crosswalks and sidewalk grading.

And whereas, the City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$490.00 which estimate is hereby approved.

Resolved, further, That the following portion of said City is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on the east side of Boardman street, from Monroe avenue to Richards street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, section 172 of the Revised Charter of 1880, of the city of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, June the 1st, 1886, at 7 1/2 o'clock, at the Common Council Chambers, when allegations will be heard.

Adopted.

IMPROVING GORHAM STREET.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Gorham street, between North St. Paul and North Clinton streets, with an asphaltic pavement and other improvements connected therewith.

Adopted.

The Surveyor submitted as such estimate, \$17,500.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz: The construction of an asphaltic pavement on Gorham street, from the east curb line of North St. Paul street to the west curb line of North Clinton street, with Medina stone curbs on each side of the street between the lines named, the existing curb stones when not on the grades and alignments that may be established by the City Surveyor, to be taken up, and if of acceptable quality to be re-dressed, if necessary, and re-set; otherwise to have new stones substituted.

Also, the construction of a twelve (12) inch vitrified pipe sewer from the eastern end of the present sewer in Gorham street to intersect the sewer in North Clinton street; also the cleaning and repairing of the existing sewer, with the construction of the necessary manholes, lamp-holes, surface sewers, lot laterals and connections; also, the laying of all water and gas service pipes, with appendages where now required or their future need is contemplated or probable; also, the necessary stretch-traps for surface sewers.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$17,500 which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Gorham street, from North St. Paul street to Clinton street.

And further, Resolved, That the tax-payers to be assessed for making such improvement may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll, and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed at six per cent. per annum.

Adopted.

HENRIETTA AVENUE PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a pipe sewer in Henrietta avenue.

Adopted.

The Surveyor submitted as such estimate \$500.

By Ald. Marson—Resolved, That the following improvement is necessary, viz: The construction of a pipe sewer 12 inches in diameter in Henrietta avenue, from a point 25 feet east of the northeast corner of Goodman street, to the 15-inch pipe sewer crossing Henrietta avenue; also the necessary surface sewers, lot laterals, manholes, etc.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$500, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Henrietta avenue, from a point 25 feet east of the northeast corner of Goodman street to where the pipe sewer crosses Henrietta avenue.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172 of the Revised Charter of 1880, of the city of Rochester, that all per-

sons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, June the 1st, 1886, at 7:30 o'clock, at the Common Council chamber when allegations will be heard.

Adopted.

GREIG STREET SPRINKLING.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling Greig street, during the season of 1886.

The Surveyor submitted as such estimate, \$155.

By Ald. Kohlmetz—Resolved, That the following improvement is expedient, viz:

The sprinkling of Greig street, from Plymouth avenue to Clarissa street during the season of 1886.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$155, which estimate is hereby approved.

Resolved, further, That the following portion of said City is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Greig street, from Plymouth avenue to Clarissa street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, June the 1st, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

SPRINKLING NORTH GOODMAN STREET.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling North Goodman street during the season of 1886.

The Surveyor submitted as such estimate \$157.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The sprinkling of North Goodman street, from 100 feet north of East avenue to the east line of University avenue, during the season of 1886.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reports the same at \$157, which estimate is hereby approved.

EXCISE BOARD,
OFFICE CITY BUILDING, FRONT ST.,
ROCHESTER, N. Y., May 3d, 1886. }

To the Common Council:

GENTLEMEN: On the first day of September, 1885, we granted a license to Elizabeth Hub to sell liquor at No. 8 Lowell street, for which she paid \$50. On the last day of November, 1885, she went out of business and has had no further use for her license. She now asks us to request your board to refund her the amount of \$37.50, corresponding to the unexpired term of her license. We think her claim is just and recommend that it be refunded her.

Respectfully,
POMEROY P. LICKINSON,
CONRAD HERZBERGER,
Excise Commissioners.

Ordered received, filed and published.

By Ald. Kohlmetz—Resolved, That the clerk be directed to draw an order on the city treasurer in favor of Elizabeth Hub for thirty-seven dollars and fifty cents (\$37.50) and charge Poor Fund.

By Ald. Foley—Resolved, That the rule for adjourning at 11 o'clock be postponed 20 minutes. Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Stein, Bohrer, Kelly, Schaeffer—13.

By Ald. Foley—

To the Honorable the Common Council of the City of Rochester:

The petition of the Rochester City & Brighton Railroad Company respectfully represents that your petitioner is a corporation, organized, chartered and incorporated under, by virtue of and pursuant to the laws of the State of New York for the purpose of constructing, maintaining and operating a street surface railroad for public use

in the conveyance of persons and property in cars for compensation, in the city of Rochester and County of Monroe, N. Y.

Your petitioner wishes to construct, maintain, operate and use a railroad and to extend its railroad on the surface of the soil through, upon and along the following named streets in said city of Rochester, N. Y., viz: Through Plymouth avenue from Main street to Genesee street, thence through Genesee street to Brooks avenue, with the necessary branches, turnouts, sidings, switches and turntables.

Your petitioner, therefore, respectfully asks for your permission and consent thereto.

Dated Rochester, N. Y., May 17th, 1886.

P. BARRY, President.

Ordered received, filed and published.

By Ald. Foley—Whereas, The Rochester City & Brighton Railroad Company has presented its petition and asked for the consent of the Common Council for the construction, operation, extension and use of a surface street railroad through the following named streets of the City of Rochester, viz: Through Plymouth avenue from Main street to Genesee street; thence through Genesee street to Brooks avenue.

Now, therefore, it is hereby resolved, That the clerk be and he is hereby directed to publish as required by statute daily for at least fourteen days in two daily newspapers in said City of Rochester, to be designated by the Mayor of said city. A notice that such application has been made, and that such application will be first considered by the Common Council at its next meeting, to be held at the City Hall on the 15th day of June 1886, at 8 o'clock p. m. Adopted.

To the Hon. Common Council of the City of Rochester:

We, the undersigned residents and property-owners of the City of Rochester, respectfully show:

That the petition of the Rochester City & Brighton Railroad Company, herewith presented to your honorable body, is presented at our request.

That we deem the granting of said petition of much greater importance and benefit to the southern and southwestern portions of the city than to said company. A line of street cars in the section of the city therein specified, has become a matter of necessity to its proper growth and development, and will be of incalculable benefit, not only to the property-owners of said section, but especially to the great number of residents in said section whose business calls them to the center of the city, but limited means do not permit their keeping carriages to convey them thither. It will, moreover, be of a great direct benefit to the city itself, by reason of the large increase of tax-paying property which will inevitably follow such construction.

We therefore respectfully request that your honorable body will as speedily as possible grant the prayer of said petition.

Ald. Kelly presented a petition from residents of the Eighth, Third and Sixteenth wards, asking for the route in Plymouth avenue, which was ordered received and filed.

By Ald. Foley—Resolved, That the Rochester City & Brighton Railroad Company are requested to lay and use a double track along West avenue, from the Erie canal to York street continuously, without switches or turnouts, in place of their present track. Action postponed for two weeks.

By Ald. Foley—Whereas, improvements in street railroad rails are adopted and in general use in New York and other cities,

Resolved, That it be referred to the Committee on Public Improvements to examine and report to this board what is the rail most expedient to be laid on new constructions of street railroad tracks, and especially on West avenue. Adopted.

Rochester City and Brighton Railroad Company:
GENTLEMEN—At a meeting of the Executive Board held May 14th, the following was adopted:

By Mr. Kuiching—Whereas, An ordinance has been passed by the Common Council for the construction of a sewer in South St. Paul street from East Main street to Court street; and,

Whereas, Travel by the street car lines using said street must necessarily be interrupted during the prosecution of the work; therefore,

Resolved, That the Clerk of this Board be directed to notify the Rochester City & Brighton R. R. Co that travel on South St. Paul street will be interrupted for a period of at least sixty days from the beginning of work upon said sewer.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Aid. Foley—Resolved, That during the period necessarily occupied in the construction of a sewer in South St. Paul street from Court street to Main street, the Rochester City & Brighton R. R. Co. have permission of the city of Rochester to lay, operate and maintain temporary tracks from their tracks on Exchange street along Court street to South St. Paul street, to connect with their tracks at that point. Adopted.

By Ald. Foley—

BOSTON, Mass., May 12, 1886.

To His Honor, the Mayor, Police Commissioners and Special Committee on Police Patrol System.

GENTLEMEN—We, the undersigned, propose to furnish the city of Rochester a Police Patrol System consisting of the following: Thirty street stations to be placed upon a solid stone foundation to be of the size, pattern and outfit as used in Chicago

with the latest improvements; also 400 keys. The station to contain signal-box with telephone connection condenser and battery, outside door to be fastened with a trap-lock. The city to furnish a gas lamp in each box with gas connections, etc. The street stations to be located wherever designated by the commissioners. The system to be divided into four complete metallic circuits, to be constructed of the best quality of hard drawn copper wire, all joints to be soldered, wire to be put up in the best possible manner, all circuits to center into Police Headquarters in City Hall, unless otherwise designated by the Police Commissioners. Two wires to be run from Police Headquarters to barn. The central office apparatus to consist of four complete sets of central office instruments consisting of four chemical registers, four magnetoes with sufficient battery to furnish current to work all instruments, with switches for connecting circuits together, and cutting telephone and testing apparatus, instrument for transmitting alarms from headquarters to barn. The barn to be furnished with one team of horses, one set of swinging harness with patent harness, one patrol wagon, the same as now in use at headquarters of the Police Department at Detroit, the same to be fully equipped with blankets, stretchers, ropes and general outfit. The horses, wagon and equipments to cost not less than \$1,000. One register and gongs for receiving alarms and electrical appliance for letting out horses, turning up gas, etc. One telephone connection and switch. All arrangements, appliances and apparatus to be furnished and erected in first-class, workmanlike manner, insuring perfect working of the electric machinery and connections thereto. The working of team, wagon and all materials heretofore mentioned to be satisfactory to the commissioners or commission authorized to accept the system upon its completion. All of the above we propose to furnish for the sum of twelve thousand dollars (\$12,000).

Yours respectfully,

GAMEWELL FIRE ALARM TELEGRAPH CO.,
Per JOSEPH W. STOVER,
President.

Ordered received, filed and published.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

ROCHESTER, April 20, 1886.

To the Board of Aldermen of the City of Rochester

GENTLEMEN—On March 31st, last, I applied to your Board for permission to lay mains through the streets for the purpose of supplying natural gas to the city. But upon investigation find that it would require a good return upon a capital of two million dollars to lay and operate the mains necessary to bring what might prove to be a very uncertain supply of natural gas, which unless enriched and purified is unfit for illuminating purposes. The interest on such an amount, together with the cost of the gas wells, right of way, etc., would purchase all the material required for the manufacture of gas for Rochester consumers. And as the existing gas companies here and elsewhere have already all legal rights under their charters, to bring or use natural or manufactured gas through their mains, I beg leave to withdraw my application.

Thanking those of your Board who gave the matter just consideration.

I remain respectfully, JOHN SCOTT.

Ordered received, filed and published.

By Ald. Stein—

To the Common Council:

GENTLEMEN: A portion of the north wall of the stone and brick building owned by N. H. Galusha, in rear of the John Snow building, on Exchange street, has become unsafe and liable to fall down and injure persons and property, I have notified the owner of the unsafe condition of said building. I therefore recommend that the owner be required to make said building safe.

ARTHUR MCCORMICK, Fire Marshal,

Ordered received, filed and published.

By Ald. Stein—Whereas, The Fire Marshal reports the building in rear of the Snow building on Exchange street unsafe and liable to fall down; therefore,

Resolved, That the Fire Marshal be directed to notify the owner to take down or repair the said unsafe building within ten days after a certified copy of this resolution shall be served on said owner, and if said owner fail to take down or repair the same, then the Fire Marshal is hereby directed to take down or repair the same and report the expense to the Common Council, to be assessed on the land on which it stood, as provided by section 277 of the city charter. Adopted.

UNFINISHED BUSINESS.

Ald. Mandeville moved that the vote on the ordinance for a sewer in Lewis street be reconsidered. Adopted.

Ald. Mandeville moved that the ordinance be amended so as to read 100 feet east of Seno street, as in the original. Adopted.

Ald. Foley moved to reconsider the vote on the resolution in regard to the police patrol system and published at page 102, current proceedings be reconsidered. Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Kelly—13.

Nays—Ald. Stein, Bohrer, Schaeffer—3.

Ald. Foley then moved that the resolution be adopted. Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Wat-

son, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—16.

The nominations of the Mayor for members of the Board of Health came up, and Ald. Coughlin moved that they lay on the table until the next meeting. Adopted.

EXECUTIVE BUSINESS.

John N. Beckley was named by Ald. Tracy, Foley, Mandeville, Kelly, Weider, Schaeffer—total, 6.

Charles B. Ernst was named by Ald. Coughlin, Watson, Selye, Swikehard, Stein—total, 5.

Joseph S. Hunn was named by Ald. Marson, Kohlmetz, Fritzsche, Elliott, Bohrer—5. No choice.

SECOND BALLOT.

John N. Beckley was named by Ald. Tracy, Marson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Weider, Bohrer, Kelly, Schaeffer—12. Charles B. Ernst was named by Ald. Coughlin, Watson, Swikehard, Stein—4.

John N. Beckley, having received the requisite number of votes, was declared elected City Attorney.

By Ald. Tracy—

ROCHESTER, May 27th, 1886.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN:—On the 13th day of July, 1885, Joseph McDonald had a license granted to him by this board to sell liquors, ale, beer, &c., at No. 172 Allen street. On the 15th day of September, two months after, McDonald was taken sick and gave up business. He now requests your Hon. Board to refund him \$40 for the unexpired time his license had to run. We recommend that the above amount be refunded to Mr. McDonald.

POMEROY DICKINSON,
Chairman Excise Board.

Ordered received, filed and published.

By Ald. Tracy—Resolved, That the clerk be directed to draw an order on the City Treasurer in favor of Jos. McDonald for forty dollars, as recommended by the Excise Board and charge Poor Fund.

REPORTS OF STANDING COMMITTEES.

By Ald. Weider—

To the Common Council:

GENTLEMEN:—The Finance Committee, to whom application has been made for an appropriation to defray expenses and compensation for the Secretary of the Local Board of Examiners under the Civil Service act, have referred the matter to the Committee on Contingent Expenses for such action as might be deemed advisable.

Your committee has thoroughly investigated the subject and is satisfied that suitable provision should be made for carrying into effect the requirements of the Civil Service act, and submits the accompanying resolution for your consideration and recommends the adoption thereof.

P. WEIDER,
J. MILLER KELLY,
W. MANDEVILLE,
L. BOHRER,
W. H. MARSON,
Committee.

Ordered received, filed and published.

By Ald. Weider—Resolved, That the City Clerk be directed to draw an order on the City Treasurer in favor of George A. Benton (Secretary of the Civil Service Examiners,) for two hundred (200 00) dollars, in full for services to April 1st, 1886, and charge Contingent Fund.

And, further Resolved, That twenty-five dollars per month be allowed for services of the Secretary of the Civil Service Examining Board for the year ending April 1, 1887.

Also, that the sum of seventy-five (\$75.00) dollars be appropriated for stationery, and all other disbursements of said Board during the current fiscal year.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Fritzsche, Elliott, Selye, Mandeville, Swikehard, Weider, Stein, Schaeffer—12.

By Ald. Swikehard—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN:—Your Committee on Public Improvements, to which was referred the petition of Hannah Hubert and others, owners of property on Jennings street, for the rescinding of Ordinance No. 2, 681 for a plank walk on both sides of Jennings street, respectfully report thereon as follows:

The ordinance for said improvement was adopted by the Common Council July 29th, 1884, by a majority of three-fourths of all the members of the Common Council, after hearing allegations from all parties interested, at several meetings. Shortly after the adoption of the ordinance, and before the contract for the construction of the walk was let by the Executive Board, the present petitioners brought an action against the city and the members of the Executive Board to obtain an injunction restraining any further proceedings under said ordinance. The action was brought to trial at an equity term of the supreme Court, held in February, 1885, and the complaint was dismissed on the merits. Subsequently the plaintiffs appealed from the judgment to the General Term. The appeal is noticed for the present General Term in Buffalo, and will probably be argued next week.

In view of the facts above set out, your committee is of the opinion that no further action in reference to the improvement should be taken by the Common Council until a decision on the legality of

the ordinance is obtained from the General Term.

L. BOHRER,
C. J. SCHAEFFER,
G. B. SWICKHARD,
WM. COUGHLIN, JR.,
Committee.

Adopted.

By Ald. Mandeville—

To the Honorable the Common Council:

GENTLEMEN—Your Committee on Maps and Surveys have been applied to by the City Surveyor for additional help in his office.

We find, upon investigation, that there is now in that office a large accumulation of work, much more so than is usual at this season of the year, and that it will be impossible for the present force now employed there to complete the same in time without the aid asked for.

We are informed by the Surveyor that the help required is one first-class assistant, one clerk and an office boy, and after a careful consideration of all the facts, we submit the following:

Resolved, That the City Surveyor be, and he is hereby authorized, to procure such addition to the clerical force of his office as is asked for, at an expense not to exceed \$1,500.

By Ald. Schaffer—

To the Honorable Common Council of the City of Rochester:

GENTLEMEN—Your Assessment Committee respectfully reports upon the petitions of Edward Wilder, John H. Walther, Richard Currier and another, Hannah M. Peck, Catharine H. Hagen and another, as follows:

It appears that Mr. Wilder is the owner of the

west part of lots 66 and 67 in Grantsyn's sub-division, situated on the corner of Tremont and Morgan streets; that on the 20th day of October, 1882, a tax-search was obtained from the City Treasurer's office, which showed all taxes and assessments on said lots to be paid; that since that date it has been discovered that the general city tax for 1864, amounting to \$4.20, and the general city tax for 1875, amounting to \$14.53 on said lots are unpaid.

Your committee therefore recommends the adoption of a resolution directing the City Treasurer to receive the face of said taxes without interest.

The petition of John H. Walther shows that he is the owner of lot 32, west part of lot 31 and the east part of lot 33 of the St. Joseph Orphan Asylum tract on Alphonso street; that said premises were sold for the general city tax of 1883, and struck off to the city for the sum of \$85.07; that at the time of said sale for taxes the property was owned by Martin Frison, and that afterward it was purchased by the petitioner in ignorance of the fact that the tax for 1885 was unpaid.

Your committee, therefore, recommends the adoption of a resolution directing the City Treasurer to receive the said tax with six per cent. interest from the date of sale.

The petition of Richard Currier and another shows that they are the heirs of Sophia Currier, deceased, and as such heirs are the owners of lots 21 and 32 in the Lee tract on the east side of North Clinton street and the north side of Morrell street; that said lots were erroneously assessed in the sum of \$41.08 for the Clifford street outlet sewer. It appears from an inspection of the final ordinance for said sewer that the territory deemed by the Common Council proper to be assessed for the expense thereof does not include said lots 31 and 32.

Your committee is, therefore, of the opinion that the assessment on said lot for said sewer should be canceled, and recommends the adoption of a resolution to that effect.

Your committee reports adversely upon the claim of Catharine H. Hagen and another for relief from personal property tax, and, also upon the petition of Hannah M. Peck for relief from an assessment for the North St. Paul street pipe outlet sewer.

Your committee has also had its attention called to an assessment against the north part of lot one, section D, of the Whitney tract, located on the west side of Saxton street, in the Eleventh ward, owned by Elizabeth J. Abb, for the Brown street lift bridge, amounting to \$8.91.

Your committee is informed by the assessors that this lot was not included in the territory described in the ordinance as benefited by the improvement, and, therefore, recommends the adoption of a resolution canceling the assessment.

It also appears from statements made to your committee by the assessors that a tract of land lying on the east side of Goodman street between Park avenue and Brighton avenue, having a frontage of 156 feet, was assessed in 1884 for the Goodman street sewer, the property being owned by the heirs of Anthony Hohn, and being known as lot 53 of Assessors' subdivision of part of town lots 43, 44 and 51. At or about the time of the confirmation of the assessment the owners of said lot, together with the executor of Henry E. Hooker, deceased, laid out a new street, known as Harlem street from Goodman street to Cambridge street, taking for the purpose of said street 95 feet front of the above described property. The owners of said lot have made the first payment on said sewer, paying upon the entire frontage of 156 feet.

Your committee has been furnished by the assessors with a statement of the proportionate amount which should be remitted from said assessment by reason of the opening of Harlem street, which sum amounts to \$53.95; the two payments on said assessment unpaid amount to \$101.86, the difference between the amount remaining unpaid and the amount which should be remitted being \$67.91.

Your committee, therefore, recommends the adoption of a resolution directing the City Treasurer to receive the sum of \$67.91 in full of the second and third payments of the assessment for said

sewer, and charge the balance to erroneous assessments.

C. J. SCHAEFFER,
J. MILLER KELLY,
DEVILLO W. SELYE,
C. STEIN,
Assessment Committee.

Ordered received, filed and published.

By Ald. Schaeffer—Resolved, That the City Treasurer be, and he hereby is, directed to receive from Edward Wilder, the owner of lots 66 and 67 in Grantsyn's subdivision, situated on the corner of Tremont and Morgan streets, the general city tax on said lots for 1864, amounting to \$4.20, and the general city tax for 1875, amounting to \$14.53 without interest. Adopted.

By Ald. Schaeffer—Resolved, That the City Treasurer be, and he hereby is, directed to receive from John H. Walther, the owner of lot 33, west part of lot 31. and the east part of lot 33 of the St. Joseph Orphan Asylum tract on Alphonsus street, the general city tax for 1883, amounting to \$85.07, with interest and 6 per cent, from the date of the sale of said property for said tax. Adopted.

By Ald. Schaeffer—Resolved, That the City Treasurer be, and he hereby is, directed to cancel the assessment for the Clifford street outlet sewer against the heirs of Sophia Currier, deceased, upon lots 31 and 32 in the Lee tract, North Clinton street, amounting to \$41.03, and charge erroneous assessments. Adopted.

By Ald. Schaeffer—Resolved, That the city treasurer be, and he hereby is, directed to cancel the assessment for the Brown street lift bridge upon lot one, section D of the Whitney tract, located on the west side of Saxton street, owned by Elizabeth J. Abb, amounting to \$8.91, and charge erroneous assessments. Adopted.

By Ald. Schaeffer—Resolved, That the city treasurer be, and he hereby is, directed to receive from the heirs of Anthony Hohn the sum of \$67.91, in full for the second and third payments on the assessment for the Goodman street sewer on lot 53 of Assessors' subdivision part of town lots 43, 44 and 51, and charge the balance to erroneous assessments. Adopted.

Ald. Watson moved that rule 38 be suspended in order to allow the placing of the monthly pay rolls upon the budget.

Adopted by the following vote:

Ayes—Ald. Tracy, Congilio, Marson, Watson, Fritzsche, Elliott, Selye, Maudeville, Swikahard, Weder, Stein, Bohrer, Keily, Schaeffer—14.

REPORT OF SELECT COMMITTEE.

By Ald Kelly—

To the Honorable the Common Council of the City of Rochester :

GENTLEMEN:—Your special committee on salaries submits the following for your consideration :

In view of the familiarity which the Law Committee has with the law department of the city government your special committee deemed it wise to ask the members of that committee to attend the meeting held for the purpose of fixing the salaries for the employees of the city in that department, and such meeting was attended by all of the members of the Law Committee.

A very careful inquiry was made at said meeting with reference to the amount of help needed in said department, and the salaries to be paid to the various employees therein.

We have decided that the salary of the City Attorney should be fixed for the present year at \$5,000, an increase of \$800 over the amount paid last year and the year before.

The extent of the litigations to which the city is a party, the great increase in labor and responsibility in the office, the magnitude and importance of many of the cases and matters in the Law Department, taken in connection with the experience of the City Attorney therein seem to demand that the salary should be fixed at the sum named. The very general desire that Mr. Beckley should continue in the office for another term at, if need be, an increased salary, was expressed in the petition, signed by a large number of the business men of this city, presented to your honorable body at the first meeting in May.

It is well understood that the city is, during Mr. Beckley's term, to have the benefit of the counsel and assistance of Theodore Bacon and M. H. Briggs Mr. Beckley's partners, without expense of the city, and that no one of the said persons is to appear in any action against the city, except that Mr. Bacon is to complete the millers' suits and proceedings, the labor in which is now substantially ended upon both sides. In other words, the law firm of Bacon, Briggs & Beckley will do the legal business of the city in the same way as it would do the legal business of any other corporation that might see fit to give a general retainer to the firm. The arrangement seems to us to be a very satisfactory one for the city.

The salary of the assistant should be, in the judgment of your committee, increased to \$1,500 per year. This position needs to be filled by a lawyer of ability and experience. One who properly performs the many duties of the position can do little, if anything, so far as outside practice is concerned. Your committee, after giving careful consideration to the question, has reached the conclusion that the

amount above named is no more than is demanded by the proper performance of the duties of the position.

The amount fixed upon by your committee as necessary for stenographic and clerk hire is \$1,700.00 per year.

Your committee, therefore, recommends the adoption of the accompanying resolutions.

J. MILLER KELLY,
PHILIP WEIDER,
LOUIS BOHRER,
Salary Committee.

We concur in the foregoing report of the Salary Committee,

J. MILLER KELLY,

Law Committee.

Ordered received, filed and published.

By Ald Kelly—Resolved, That the salary for the City Attorney for the year beginning June 1st, 1886, be, and hereby is, fixed at \$5,000.

Ald Stein moved that the resolution lay on the table for two weeks. Lost by the following vote :

Ayes—Ald. Coughlin, Marson, Watson, Fritzsche, Elliott, Stein—6.

Nays—Ald. Tracy, Selye, Mandeville Swikehard, Weider, Bohrer, Kelly, Schaeffer—8.

The original resolution was then adopted.

By Ald Kelly—Resolved, That the salary of the Assistant City Attorney for the year beginning June 1st, 1886, be, and hereby is, fixed at \$1,500. Adopted.

By Ald Kelly—Resolved, That the amount necessary for stenographic and clerk hire in the office of the City attorney for the year beginning June 1st, 1886, be, and hereby is, fixed at \$1,700 per year. Adopted.

By Ald. Mandeville—

Gentlemen of the Common Council:

Your committee appointed to accompany Dr. J. Oscar Campbell on a visit to the Troy Fuel Gas Company's Works, at Troy, N. Y., to investigate its workings, beg leave to report as follows:

Your committee visited Troy on Friday, May 21st, and were shown through the works for making water gas under Prof. Lowe's latest patents and were much impressed with their simplicity and compactness.

Mr. Lowe, together with Mr. Geer, the President of the Troy Co., then gave us an exhibition of the workings of their plant and we witnessed the manufacture of water gas, which was generated at an average rate of 1,050 cubic feet per minute; the company claim a capacity much greater than this when regularly running the works.

We were then given an illustration of the value of the gas as an economical heating and cooking agent. In the evening we were shown its power as an illuminant and were both surprised and pleased with its brilliancy and effect. As a light we regard it as equal to any light we have ever seen, steady, diffusive and brilliant. We were also shown various appliances for utilizing the gas, which also are the inventions of Prof. Lowe, and are on sale in the company's offices.

The evidence that water gas could be made and sold, at a profit to the manufacturers, for 50 cents per thousand cubic feet, was so conclusive, that it effectually removed any prejudices your committee may have entertained in that regard before visiting the works at Troy.

Taken collectively, the exposition of the capabilities of the fuel water gas so far surpassed in completeness, variety and economy, anything we had ever seen, that your committee believe it is desirable to have the gas manufactured in this city as soon as possible, and would therefore earnestly recommend that the franchise asked for by

the Incandescent Gas Light and Fuel Company of Rochester be granted.

By Ald. Mandeville—

To the Hon. Common Council of the City of Rochester:

GENTLEMEN—Your special committee, to which was referred the application of the Incandescent Gas Light and Fuel Company of Rochester for leave to lay its mains in the streets of the city, respectfully report that it has had several meetings, and has given a careful consideration to the claims made by the representatives of the company.

A sub-committee appointed to investigate the workings of the Troy Fuel Gas Company's works at Troy, N. Y., which uses gas manufactured from water, visited Troy, and have made a report of their visit, which is submitted herewith, and to which report especial attention is called.

It will be seen from that report that the manufacture and use of water gas at Troy is very successful. In view of the facts set out in that report and of the cheap rates at which this company proposes to furnish gas to the citizens of Rochester, your committee is of the opinion that the prayer of their petition should be granted, and therefore recommends the adoption of the accompanying

Committee.

Ordered, received, filed and published.

By Ald. Mandeville—Resolved, That the special committee appointed to consider the application of the Incandescent Gas Light and Fuel Company of Rochester, and the City Attorney, be, and they hereby are, directed to prepare and submit to the Common Council, at its next meeting, a form of contract to be entered into between the city of Rochester and the said company, which contract shall provide for the granting by the city of Rochester to said company of the right to lay its mains and pipes in the streets and public places in the city of Rochester for the purpose of supplying gas for lighting and heating purposes; said contract to contain the restrictions and regulations under which the powers and rights conferred upon said company shall be exercised. Adopted.

By Ald. Mandeville—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—Your special committee, appointed to consider the application made by the Rochester Natural Gas Fuel Company, presented some weeks since, submits the following report:

Your committee has given a careful consideration to the subject referred to it, and is of the opinion that, under suitable restrictions and regulations, the application made by the said company should be granted.

Your committee learns from its investigations that natural gas has been used as fuel in residences, stores and factories in the city of Pittsburg, Allegheny City, Oil City, Bradford, Olean, Jamestown and Wellsville, for the past two or more years.

There seems to be no doubt but the natural gas makes an excellent fuel. Reports of investigations on this subject, made by committees from other cities, all agree in stating that the private citizen who uses this gas in his house and kitchen, as well as the manufacturer who heats his boilers with it, and, in general those who use it for cooking and heating purposes, all unite in an expression of satisfaction as to its desirability as fuel. It is convenient, cleanly and reliable. Stoves, grates, ranges

and furnaces can be lit up in a second, and extinguished as readily. A steady heat can be kept up day and night without care or annoyance of any sort. Ashes and coal dust are, of course, done away with.

The saving to manufacturers who use natural gas is not simply in its cheapness as fuel, but in the fact that a large amount of labor is saved by its use. Your Committee learn that the Union iron mills of Pittsburg, having twenty-four boilers, was formerly attended by eighteen men steadily, night and day, as long as they were heated with coal. The same number of boilers are now heated with natural gas, and two men take care of all of them. It is also said that furnaces last much longer when heated by natural gas than by coal. Where gas is used as fuel mills and factories gain considerable space, which when coal is used has to be utilized for its storage. In all kinds of iron and steel works the use of natural gas in Pittsburg has given excellent results. It is said that on account of the absence of sulphurous gases it produces a superior quality of iron and steel.

Your Committee is convinced that if natural gas can be brought to this city, a great impetus will thereby be given to all kinds of manufacturing, and thereby the prosperity of the city will be greatly increased. It has, indeed, become a question whether cities not supplied with natural gas for use as fuel, can compete in manufacturing industries with those which are, or are to be, supplied therewith.

There is no question but there is sufficient natural gas in the so-called "gas fields" of Pennsylvania to supply all cities and towns within a reasonable distance from such fields, for an indefinite time, with sufficient gas for all purposes. A competent expert has estimated that about two hundred and sixty-four millions of cubic feet of gas are being wasted daily. One thousand cubic feet of gas is estimated to equal one bushel of coal in heating property. But, in addition to the gas thus constantly going to waste, there seems to be no limit to the amount which can be produced by the boring of additional wells. Indeed there are thousands of acres of land, shown to be good gas territory, which is as yet entirely undeveloped. Your committee is of the opinion that it is for the interest of the people of this city to further, in all reasonable and proper ways, the introduction of any fuel which will save money to the consumer, and, at the same time, stimulate manufacturing industries.

The grant asked for by the said company is the right to lay its mains in the streets of this city, for the purpose of supplying natural gas for fuel to its citizens. Such grant should, of course, only be made upon proper and reasonable restrictions and regulations, to be embodied in the contract between the city and the gas company. The proposition of the gas company includes the heating and lighting of the City Hall building. The saving to the tax-payers from this alone would be a large sum yearly.

Your committee recommends the adoption of the accompanying resolution.

W. MANDEVILLE,
HENRY KOHLMETZ,
J. MILLER KELLY,
Special Committee.

Ordered received, filed and published.

By Ald. Mandeville—Resolved, That the Special Committee, appointed to consider the application of the Natural Gas Fuel Company, and the City Attorney, be, and they hereby are, directed to prepare and submit to the Common Council, at its next meeting, a form of contract to be entered into between the city of Rochester and the said company, which contract shall provide for the granting by the city of Rochester to the said company of the exclusive right to lay its mains and pipes in the streets and public places of the city of Rochester for the purpose of supplying natural gas for lighting and heating purposes, in consideration for which grant the said company is to

furnish natural gas for the lighting and heating of the City Hall building during the time when it shall have been introduced into the city of Rochester, and which contract shall contain the restrictions and regulations under which the powers and rights conferred upon said company shall be exercised.

COMMUNICATIONS TO THE BOARD.

By the Clerk—

MAYOR'S OFFICE,
 ROCHESTER, May 26, 1886 }

Gentlemen of the Common Council.

Final ordinance number 2,962 for the improvement of Chestnut park, which ordinance was adopted at your last regular meeting, held on the 18th day of May, is hereby returned disapproved.

Section 171 of the charter prohibits the Common Council from ordaining any work or improvement, the expense whereof is to be defrayed, in whole or in part, by a local assessment, except upon a petition of a majority of the owners of property to be assessed therefor, unless three-fourths of all the members elected to said Common Council vote therefor, after allegations have been heard.

The petition for the improvement of Chestnut park was certified by the assessors as a majority petition, by counting three persons who, as tenants in common, own a lot on the park, as but a single owner. I am advised by the city attorney that, under the provisions of the charter above set out, each person owning property fronting on the park must be counted. Under this ruling the petition does not contain a majority of the owners of property to be assessed for the improvement.

It also appears that the petition prayed for an improvement which should include an artificial stone sidewalk, as well as an asphalt pavement, and the ordinance does not, therefore, provide for the improvement asked for by the petition.

In view of these facts, and believing that some of the aldermen may have been misled by the certificate of the assessors, I deem it advisable to return the ordinance to your honorable body for further consideration.

CORNELIUS R. PARSONS, Mayor.

The chairman put the question: The question is shall the ordinance stand as an ordinance of the board, notwithstanding the veto of His Honor the Mayor. Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Fritzsche, Elliott, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

To the Common Council:

GENTLEMEN: Final ordinance No. 2,870, for Ward park sewer cleaning and repairs, was certified to the Executive Board by the City Clerk as having been duly passed. In accordance with the terms of section 172 of the city charter, the Executive Board advertised the work contemplated under said ordinance for letting.

Bids were received, but all proved to be for amounts exceeding the estimate, hence said Board cannot let the work.

Said board would therefore respectfully recommend that the Surveyor be directed to introduce a new ordinance for said work, and also that he include the relaying of so much of said sewer as may be found necessary to make it serviceable for the purpose for which it was constructed.

Respectfully submitted,
 THOS. J. NEVILLE, Clerk.

By Ald. Mandeville:

Agreement made and entered into between The City of Rochester, a municipal corporation, party of the first part, and The Natural Gas and Fuel Company of the city of Rochester, party of the second part:

Witnesseth, The party of the first part hereby grants to the party of the second part the exclusive right to lay maintain and operate in the public streets, lanes and alleys of the city of Rochester mains and pipes for conveying natural gas to be used for heating and lighting purposes, subject to the conditions hereinafter in this contract imposed, and for the consideration hereinafter stated.

The mains and pipes of the party of the second part placed in any of the public streets, lanes or alleys of the city of Rochester shall be so placed under the direction and superintendence of the Executive Board of the city of Rochester, and in obedience to the regulations and requirements adopted by said Executive Board.

Before commencing the laying of any mains or pipes in any of the public streets, lanes or alleys in the city of Rochester, the party of the second part shall prepare and furnish to the Executive Board a plan showing the proposed location of mains or pipes, with specifications giving full particulars as to the kind and size of pipes to be used.

In the excavation of any of the public streets, lanes or alleys of the city of Rochester for the purpose of placing therein mains or pipes of the party of the second part, reasonable diligence shall be exercised by the party of the second part, its

agents, servants and employees to the end that any of such public streets, lanes and alleys shall not be interfered with to any greater extent than is absolutely necessary in the workmanlike laying of such mains or pipes, and any of such streets, lanes or alleys in which an excavation shall be made for the purpose aforesaid, shall be, at the earliest possible day, put in as good condition as before the excavation was made.

All mains and pipes shall be laid below the frost line.

The party of the second part shall indemnify the party of the first part, upon demand, from all cost, expense, suit or damage which may occur from the laying of the mains or pipes of the party of the second part in said city, and from the opening or excavation in any street, lane or alley for that purpose.

The party of the second part shall, before beginning to supply gas to consumers in the city of Rochester apply, wherever needed, suitable safety appliances for the purpose of preventing explosions, leakage and other accidents.

The party of the second part shall not at any time during the existence of the franchise hereby granted collect or receive for gas furnished in said city an amount which shall exceed one dollar per thousand cubic feet of natural gas furnished.

The party of the second part shall have natural gas ready for delivery in the city of Rochester through its mains or pipes within three years from the date of the execution of this contract, and in the event of the failure of the party of the second part so to have gas ready for delivery, the exclusive right under this contract granted by the city of Rochester to said party of the second part shall be voidable at the option of the party of the first part.

The party of the second part shall not at any time dispose of the franchise hereby granted, and in the event of the disposal of such franchise, the said grant shall become void.

In consideration of the grant of the exclusive right of furnishing by the party of the second part natural gas for heating and lighting purposes within the limits of the city of Rochester, the party of the second part hereby agrees that it will furnish such an amount of natural gas as may be required by the city of Rochester to heat and light the City Hall and Front street buildings as long as said party of the second part shall supply natural gas to any person or persons in the city of Rochester.

Ordered received, filed and published.

By Ald. Mandeville—

Agreement made between the city of Rochester, a municipal corporation, party of the first part, and the Incandescent Gas Light and Fuel Company of the city of Rochester, party of the second part.

Witnesseth, The party of the first part hereby grants to party of the second part for the period of fifty consecutive years from and immediately succeeding the date hereof the right to lay, maintain and operate in the public streets, lanes and alleys of the city of Rochester mains and pipes for conveying water gas for heating and lighting purposes, subject to the conditions hereinafter in this contract imposed.

The mains and pipes of the party of the second part placed in any of the public streets, lanes or alleys of the city of Rochester shall be so placed under the direction and superintendence of the Executive Board of the city of Rochester, and in obedience to the regulations and requirements adopted by said Executive Board.

Before commencing the laying of any mains or pipes in any of the public streets, lanes or alleys of the city of Rochester, the party of the second part shall prepare and furnish to the Executive Board a plan showing the proposed location of mains and pipes, with specifications giving full particulars as to the kind and size of pipes to be used.

In the excavation of any of the public streets, lanes or alleys of the city of Rochester for the purpose of placing therein mains or pipes of the party of the second part, reasonable diligence shall be exercised by the party of the second part, its agents, servants and employees to the end that any

of such public streets, lanes or alleys shall not be interfered with to any greater extent than is absolutely necessary in the workmanlike laying of such mains or pipes, and any of such streets, lanes or alleys in which an excavation shall be made for the purpose aforesaid, shall be, at the earliest possible day, put in as good condition as before the excavation was made.

All mains and pipes shall be laid below the frost line.

The party of the second part shall indemnify the party of the first part, upon demand, from all cost, expense, suit or damage which may occur from the laying of the mains or pipes of the party of the second part in said city, and from the opening or excavation in any street, lane or alley for that purpose.

The party of the second part shall, before beginning to supply gas to consumers in the city of Rochester, apply, wherever needed, suitable safety appliances for the purpose of preventing explosions, leakage and other accidents.

The party of the second part shall not at any time during the existence of the franchise hereby granted collect or receive for gas furnished in said city an amount which shall exceed fifty (50) cents per thousand cubic feet of water gas furnished.

The party of the second part shall have its water gas ready for delivery in the city of Rochester through its mains or pipes within three years from the date of the execution of this contract, and in the event of the failure of the party of the second part so to have gas ready for delivery, the right under this contract granted by the city of Rochester to said party of the second part shall be voidable at the option of the party of the first part.

The party of the second part shall not at any time dispose of the franchise hereby granted, and in the event of the disposal of such franchise, the said grant shall become void.

In consideration of the grant of the right of furnishing by the party of the second part water-gas for heating and lighting purposes within the limits of the city of Rochester, the party of the second part hereby agrees to furnish, during the term of the existence of the franchise hereby granted, water-gas to all consumers in the city of Rochester at a rate not exceeding fifty (50) cents per thousand cubic feet of gas.

In witness whereof, the said party of the first part has caused this contract to be executed by its Mayor, and the corporate seal of the city of Rochester to be affixed, and the party of the second part has by its President and Treasurer hereunto set its hand and seal on this — day of June, 1886.

Ordered received filed and published.
Ald. Kelly moved that action on both agreements be postponed two weeks. Adopted.

By Ald, Elliott—From the City Attorney—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—Some months ago, when I had for nearly four years served the city of Rochester, to the best of my ability, in charge of its legal business, an opportunity was unexpectedly presented to me of extending my private practice in a manner that seemed advantageous. The gentlemen with whom such new relation was to be formed imposed as a condition that I should withdraw from the service of the city at the expiration of the term for which I had been chosen, and this condition I readily accepted. Such of your number, therefore, as were kind enough to suggest that I be invited to perform for two years more the duties with which I had become somewhat familiar were informed that I was not a candidate for reelection; and almost immediately afterwards the arrangement which I had made for the further practice of my profession became matter of public notoriety. Before the time arrived for the choice of my successor the following communication was addressed to your honorable body:

"The undersigned, residents and taxpayers of the city of Rochester, respectfully submit the following for your consideration:

"The magnitude and great importance of the litigations against the city are well known, and while we do not desire to express any adverse opinion as to the fitness for the position of any of those who are understood to be candidates for the office of City Attorney, we believe that the public good requires that the present incumbent of that office should be induced to accept a re-appointment if possible.

It is well known that Mr. Beckley has decided not to accept such a re-appointment, and has entered into co-partnership relations with Messrs. Bacon & Briggs, to take effect at the end of his present term.

There is no reason, it seems to us, why Mr. Beckley should, in the event of accepting a re-appointment, feel obliged to give so much of his time to the purely routine business of the office. If he should be in fact Corporation Counsel with his office outside of the City Hall building while in name City Attorney, leaving to a competent assistant (which is required in any case) the conduct of such routine work, we are of the opinion that the important interests of the city in its litigations with which Mr. Beckley is so well informed and has proved so efficient, would be well protected, and by no other appointment could such interests be better subserved.

If this arrangement should be made, counsel for the city would need to be employed in but one case, that of the Water Works litigation in which Mr. Bacon represents the plaintiff, but inasmuch as such litigation has been, or soon will be, practically ended, the expense to the city for such counsel will not be large.

We believe that not only the magnitude, but the character of the city's litigations demand that, if possible, the arrangement herein suggested should be made, even if it be necessary to pay Mr. Beckley an adequate increase of salary in order to consummate so desirable an arrangement.

And we favor such increase, with full confidence that the city will profit thereby in the end, and also secure a faithful and capable protector of its legal interests."

I shall not deny that this memorial, signed as it was by the officers of every banking institution, by almost all the leading manufacturers, merchants and large taxpayers in the city, without the slightest distinction of party, and absolutely unsolicited and unsuggested by me, was gratifying to an hon-

orable pride and seemed even to impose an obligation.

The matter was presented anew to the gentlemen with whom I was about to associate myself, and they were prevailed upon to consent, though with marked reluctance, to my undertaking once more the duties which so many of my fellow citizens united in believing that I could discharge to the public advantage.

In expressing this consent, it was made as clear to your Law Committee and every member of your body with whom I communicated, as it was by the memorial itself, that in the litigation in which Mr. Bacon was already engaged against the city, which seemed indeed to have approached its end, the city's interest must, in the event of my re-election, be protected by some other counsel.

I informed you that in the event of my election no member of the firm with which I am connected was to be employed in any matter adversely to the city, except the water cases already mentioned, and with equal distinctness that the services of all of them would be available to the city if desired without other compensation than my salary.

Sensitive as I have always been to the good opinion of my neighbors, it would be unnatural if I were indifferent to public denunciation. It is not easy, indeed, to determine how closely the periodical press of a community reproduces its current opinion; and it is not without a certain satisfaction that I observe that the taxpayers who signed the memorial I have copied above are sustained in their opinion, even now, by authority entitled at least to respectful consideration.

But I cannot ignore the fact that some part—how large I have no means of knowing, and no need to know—of the community whom I serve are of the opinion that it can be better served by some one else. This is a proposition to which I have never hesitated to accede, but which had seemed to be rather in your province than in mine to decide.

Some part of those you represent are of the opinion that you have decided it wrongly; and I cannot consent to force my services upon a reluctant client, whether corporate or individual.

It is right that I should say, before closing this communication, that I cannot admit that there is danger of dereliction of duty to the interests you have entrusted to me, either on my own part, or on the part of either of the gentlemen with whom it is my privilege to be associated, and from whom I have already been able to receive valuable assistance in my labor for the city during the past week. If the city of Rochester had been our client we should all of us, I say with absolute assurance, have given it the benefit of all the diligence and fidelity which we shall now devote to other clients, and my own ingenuity has not yet been sufficient to indicate a way in which, as some have suggested, who are as solicitous for our good name as we should be ourselves, we could injure by collusive action the interests committed to us by our clients.

The honor, therefore, to which I had seemed to be invited by a controlling public sentiment—a sentiment which has found within the past week innumerable and forcible expression, I now return to you because I cannot hold it at the price of suspicion and detraction.

With profound thanks to your honorable body, to its individual members, and to the citizens who united in honoring me with expressions of their confidence, I resign the office of City Attorney, and but for the manifest inconvenience which might befall the city from an interregnum in the office, I should insist upon an immediate acceptance of the resignation.

Solely from this consideration I consent to perform, as well as I can, with the assistance of my partners, the duties of the place until the close of the month of June.

And I may say with confidence that, while the city may easily be better served, it will not be served more diligently or faithfully that it has been by

Your obedient servant,

JOHN N. BECKLEY.

Ald. Elliot moved that the resignation be accepted.

Ald. Foley moved that the resignation lay on the table for three weeks and that the President of this Board appoint a committee of five to wait upon the firm of Bacon, Briggs & Beckley for the purpose of inducing them to withdraw his resignation, and that a report be made at such meeting.

Ald. Kelly moved to amend by adding to the committee of five, the names of five prominent citizens who signed the petition for the retention of Mr. Beckley.

Ald. Foley accepted the amendment.

Ald. Foley's motion was adopted.

Ald. Schaeffer presented a remonstrance against the erection of a building by Mr. Skuse on Goodman street and moved that it be referred to the Wood Building Committee. Adopted.

By Ald. Foley—Resolved, That the treasurer be, and he hereby is, directed to receive of Bridget Quinn \$5.15 in full for general city tax for 1884, on lot E. pt. 18, section C, Greig tract, south side Champlain street, Eighth ward, and charge balance to erroneous assessments. Adopted.

By Ald. Foley—Resolved, That the Executive Board be, and hereby are, requested to have test pits dug; one at the intersection of the Clean street sewer with the Champlain street sewer, and one at the intersection of the Champlain street sewer with the Cady street sewer, to ascertain the amount of sediment in said sewers, and report to this council the advisability of the passage of an ordinance for the cleaning of the said Cady street and Champlain street sewers. Adopted.

By Ald. Fritzsche—Resolved, That the name of Perkins street be, and hereby is, changed to Ravine avenue, and the Executive Board be, and hereby is requested to cause appropriate street signs in accordance with this change, to be placed wherever needed along said street. It is further resolved that the City Clerk be, and hereby is, directed to enter the change made in the street register. Adopted.

Ald. Kohlmetz presented the invitation of the Mechanics' Institute to visit the exhibit in the City Hall. Accepted.

The president of the Board handed down the following committee to confer with Messrs. Bacon, Briggs & Beckley: Gilman H. Perkins, Ira L. Otis, L. P. Ross, H. Bartholomay, Geo. C. Buell; Ald. John H. Foley, Wesley Mandeville, J. Miller Kelly, Geo. W. Elliott, Henry Kohlmetz.

Ald. Foley moved to adjourn. Adopted.

PETER SHERIDAN, City Clerk.

In Common Council—June 15, 1886.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

MAYOR'S OFFICE,
ROCHESTER, June 15, 1886.

Gentlemen of the Common Council:

My attention is called to the copies of agreement proposed to be entered into between the city of Rochester and the Natural Gas and Fuel Company, and the City of Rochester and the Incandescent Gas Light and Fuel Company. The said copies of agreement were presented at your meeting of June 8th, and will, I understand, come up for consideration to-night. A careful examination of them tends to convince me that the interests of the city are not as fully protected as, perhaps, they should be, and I herewith submit a form of contract for your consideration which, I think, more fully covers the emergencies that may arise. I desire to fully impress upon you the importance of this subject, and, while dealing generously with these enterprises and those who are promoting them, let us not lose sight of our obligations to the citizens of Rochester, whose servants we are. The form of contract herewith presented may not be in all respects perfect, but it is offered for your inspection, and I shall be pleased to co-operate with you in this very important matter.

CORNELIUS R. PARSONS, Mayor.

Ordered received, filed and published.

Agreement made and entered into this — day of June, 1886, between the city of Rochester, a municipal corporation, party of the first part, and the Incandescent Gaslight and Fuel Company of the city of Rochester, party of the second part.

Witnesseth. The party of the first part hereby grants to party of the second part for the period of fifty consecutive years from and immediately succeeding, the date hereof, the right to lay, maintain and operate in the public streets, lanes and alleys of the city of Rochester, mains and pipes for conducting water gas to be used for heating and lighting purposes, subject to the conditions hereinafter in this contract imposed, and for the consideration hereinafter stated.

The mains and pipes of the party of the second part placed in any of the public streets, lanes or

alleys of the city of Rochester shall be so placed under the direction and superintendence of the Executive Board of the city of Rochester, and in obedience to the regulations and requirements adopted by said Executive Board. The said Executive Board may appoint a sufficient number of inspectors whose duty it shall be to supervise said work while it is being prosecuted, the salaries of the said inspectors to be a charge upon, and paid by, said company.

Before commencing the laying of any mains or pipes in any of the public streets, lanes or alleys in the city of Rochester, the party of the second part shall prepare and furnish to the Executive Board a plan showing the proposed location of mains or pipes, with specifications giving full particulars as to the kind and size of pipes to be used, which plan shall be approved by the Executive Board before the commencement of said work.

Immediately after the mains or pipes and their appurtenances of said company shall have been laid in any street, alley, avenue or highway of said city, said company shall file with the Executive Board of the city of Rochester, or its successor, a detailed map showing the exact location of said mains and pipes and appurtenances in said street, alley, avenue or highway, both with reference to the boundary lines and the curb lines thereof, and also with reference to the lines of all intersecting streets, lanes, avenues or highways. Said company shall also file with said board, or its successor, a tabulated statement showing in figures the exact location of said pipes and their appurtenances in said streets, alleys, avenues and highways as aforesaid.

In the excavation of any of the public streets, lanes or alleys of the city of Rochester for the purpose of placing therein mains or pipes of the party of the second part, reasonable diligence shall be exercised by the party of the second part, its agents, servants and employees, to the end that any of such public streets, lanes and alleys shall not be interfered with to any greater extent than is absolutely necessary in the workmanlike laying of such mains and pipes, and any of such streets, lanes or alleys in which excavation shall be made for the purpose aforesaid, shall be, at the earliest possible day, put in as good condition as before the excavation was made.

In case any pipe or conduit, and the appurtenances thereto laid by said company in any street, alley, avenue or highway of said city shall at any time remain unused for the purposes mentioned in this contract by said company for a period of one year, the same shall either be removed from said street, alley, avenue or highway of said city, or be put to the uses and purposes mentioned in this contract within thirty days after the service of written notice either to so remove said pipe, conduit and appurtenances, or use the same, by the Executive Board of the city of Rochester, or its successor, and in case of the failure of said company either to so remove said pipe, or conduit and appurtenances, or put the same to the uses mentioned in this contract within thirty days after the service of said notice, then the said, the city of Rochester, may take possession of such pipe or conduit and its appurtenances, without any liability on its part to said company for compensation and damages therefor, and said city may remove such pipe or conduit and appurtenances from such street, alley, avenue or highway, and dispose of it for the city's own use or benefit in any manner in which it may deem fit.

The party of the second part shall, before beginning to supply gas to consumers in the city of Rochester apply, wherever needed, suitable safety appliances for the purpose of preventing explosions, leakage, and other accidents.

The party of the second part shall have water gas ready for delivery in the city of Rochester through its mains or pipes within three years from the date of the execution of this contract, and in the event of the failure of the party of the second part so to have gas ready for delivery, the right under this contract granted by the city of Rochester to said party of the second part, shall be voidable at the option of the party of the first part.

The party of the second part shall not at any time dispose of the franchise hereby granted, and in the event of the disposal of such franchise this grant shall become void.

The party of the second part before beginning its operations, or exercising any right or privilege under this grant in the city of Rochester, shall execute and file with the Mayor of said city a bond in the sum of fifty thousand dollars, (\$50,000) with at least three sureties, who shall be freeholders of the State of New York, each of whom shall justify in the amount of said bond, which bond shall be approved by the Mayor, the conditions of said bond to be as follows:

That the said company will not, in any manner, molest, damage or interfere with any of the gas, or water pipes, or public or private sewers or conduits now laid or constructed, or which may hereafter be laid or constructed, in or along any of the streets, alleys, lanes, avenues, squares, parks or other public highways or places in said city.

That it will restore any and all streets, alleys, lanes, avenues, squares, parks, and other public highways and places in which it may lay pipes, or which it shall disturb or interfere with in laying pipes or in trenching or excavating for the purpose of laying pipes, or in using any of the apparatus or machinery in connection therewith, to as good condition as they were before the laying and use of said pipes, apparatus and machinery, and before said trenching and excavating were begun, and that it will maintain the same in such condition for three years after such pipes are laid or such trenches or excavations dug or made, and in case it shall become necessary at any time thereafter for said company to make excavations in, or interfere with any street, alley, avenue or highway in said city of Rochester for the purpose of repairing or making connections with, or extensions to said pipes and appurtenances, then the same provisions relating to the restoration and maintenance of such street, alley, avenue or highway, and for the length of time hereinafter stated after the repairing or making of such connection with or extension to said pipes or appurtenances, as is hereinbefore provided, shall become, and be, in full force and effect.

and in all cases where said city shall have taken a bond or agreement from any contractor or contractors to keep and maintain the pavements in any street in good repair for a given time, the said The Incandescent Gaslight and Fuel Company of the city of Rochester shall keep that portion of any such street from which it may remove the pavement for the purpose of laying its pipes, conduits or mains, and appurtenances in good condition and repair for the same period of time stipulated in such bond or agreement between the said city and the contractor, notwithstanding the period named may exceed the three years aforesaid.

That it will, without delay, clear all such streets and places of the dirt and rubbish caused by, or resulting from, the laying of said pipes, conduits or mains and appurtenances, or making such trenches or excavations therefor.

That it will reimburse the said city for all sums it may expend in restoring any street or other public place, or any part thereof, to as good condition as the same was before the same was opened for the purpose of laying its pipes, conduits or mains and appurtenances therein, and for all sums expended in clearing any of such streets or places from the dirt or rubbish caused by, or resulting from, the laying of its pipes and appurtenances, where the said company shall have failed to restore the streets or other places, or to remove such dirt or rubbish as provided by this agreement.

That it will indemnify and save harmless the city from and against any and all claims, demands, actions, suits, judgments or liabilities of any name or nature that the said city may be subjected to, or incur, in consequence of, or growing out of the opening of said streets and other places, or the laying of said pipes and appurtenances therein, or of permitting or having or using such gas within the city, or in such pipes and their appurtenances or in said streets or other places, or in the doing of the work incident to this grant, or the manner of doing

the same, or in consequence of injuries or damages to persons or property by such gas, or by reason of any explosion of such gas, or in consequence of or growing out of, the failure of said company to restore the said streets or other places to as good condition as they were before being opened by it, or in consequence of, or growing out of any negligence of the said company, or its agents or servants. That it will pay any and all damages which may result to property of every kind owned by the City of Rochester by reason of the construction and operation of said company's works, pipes, mains or conduits and the appurtenances thereto of every description, and by reason of the explosion of any portion of the gas furnished by said company in any point in said city, or where said city owns property, or by reason of the occurrence of any accident of any kind whatever resulting from the presence or use of said company's gas, or pipes, or conduits and the appurtenances thereto for conducting and using the same.

That the said, The Incandescent Gaslight and Fuel Company of the city of Rochester, shall, during the whole period of its corporate existence, maintain its principal office in the city of Rochester, N. Y.

That if at any time the Mayor of the city of Rochester shall deem the sureties in the bond of indemnity given to the city of Rochester, under, or in pursuance of, the terms of this grant, to be insufficient, by reason of the death or insolvency of any of them, he may, upon ten days' notice, require said company to furnish other or further bonds or sureties.

Said company shall not lay any of its mains, branches, pipes or conduits under the sidewalks, except to cross the same, or near to the shade trees in the streets of said city, without the special direction of the Executive Board to do so, and in no event shall said company lay its pipes within eight feet of the centre line of any street where there is a double track street railroad without special permission of the Executive Board.

In case the said company shall refuse or neglect to restore or maintain the streets and other places to, and in the condition, and during the time heretofore specified and provided for, or shall refuse or neglect to clear the streets and places of dirt and rubbish, as herein specified and provided for, within two days after said company has been notified in writing by said city so to do, then the said city may cause and have said work performed, and the expense thereof shall be a charge upon, and paid by, said company.

Whenever the said city shall determine to lay any sewer, or branch thereof, or any water pipe, or branch thereof, or any other subterranean construction, across any street or place where any of said company's pipes or appurtenances shall be laid, said company shall at its own expense, lower, elevate, change or remove its pipes and appurtenances so that said sewer, or branch thereof, or water pipe, or branch thereof, or any other subterranean construction, may be laid at the point and place determined upon by said city.

And in case the city of Rochester shall determine at any time upon, and undertake, the construction of a sub-way in any street, alley, avenue or highway in said city for the reception and maintenance of gas, water, steam or other pipes or conduits, then the said company shall, if required by the Executive Board, or its successor, remove, at its own expense, all of its pipes, mains and conduits or appurtenances from their existing location in such street, alley, avenue or highway in said city, and shall introduce the same in such manner, and at such place, within said sub-way as the Executive Board of the city of Rochester, or its successor, shall direct, and said company shall also pay to said city a fair rental for the use of such sub-way.

The said company shall actually begin the laying of its pipes in the streets of said city on or before the first day of July 1887.

The said company shall, before commencing business in said city, under this grant, make and file with the City Clerk a schedule which shall contain the prices which said company shall charge for

supplying water gas to consumers; said company may at any time file a new schedule of prices, provided, however, that at no time is the said company permitted to fix, collect, or charge a greater rate to any consumer or consumers than those fixed by the first schedule filed under this grant, without the consent of the Common Council, and the prices named in the first schedule shall not exceed fifty (50) cents per thousand cubic feet of such gas.

The said company shall employ as laborers on the work herein mentioned only those who can establish a residence of one year in the city of Rochester, and shall pay same at the rate of not less than \$1.50 per day.

If the said company shall fail or neglect to comply with the provision hereinbefore contained, requiring it to actually begin the laying of its pipes in the streets of said city of Rochester on or before the first day of July, 1887, then the Common Council of said city may declare any and all rights granted hereunder forfeited, and the same shall thereupon be forfeited.

That said company shall lay its mains and conduits and pipes not less than three feet below the surface of the street, and it shall lay its service pipes to the curb lines of the street, and it shall also provide suitable and proper appliances to its pipes, mains and conduits. In case the city of Rochester shall order the widening of any pavement in any street where the pipes and conduits of said company shall be laid, it shall be the duty of said company to lay its service pipes to the new curb line of such street so widened.

That the city of Rochester reserves the right to make other and similar grants to supply water gas in said city for like purposes to any other company or companies applying therefor, under such conditions and restrictions as the Common Council may deem proper, the same as if this grant had not been made, provided that in no case shall the mains of more than two competitive companies be laid in any street.

The company enjoying this franchise shall cause a meter to be properly placed upon the application of any person who has complied with the requests of said company in furnishing the necessary apparatus for using water gas.

That this grant is made by the city of Rochester and accepted by the Incandescent Gaslight and Fuel Company of the city of Rochester with the agreement on the part of the Incandescent Gaslight and Fuel Company that at the expiration of twenty years from the date of this grant, the city of Rochester may purchase and take possession of the said Incandescent Gaslight and Fuel Company's plant, together with all the property connected therewith, at an appraisement to be made by three disinterested parties, who shall be appointed as follows:

The Incandescent Gaslight and Fuel Company of the city of Rochester to appoint one, the Mayor of Rochester one, and those two to name a third, providing, however, that such sale to the city shall in no manner affect any contract then existing between the Incandescent Gaslight and Fuel Company of the city of Rochester and any other company or companies, individual or individuals.

Ordered received, filed and published, and referred to the Mayor, Executive Board, City Attorney and Special Gas Committee.

By the Clerk—

MAYOR'S OFFICE,
ROCHESTER, June 8, 1886. }

Gentlemen of the Common Council:

Ald. Kelly's resolution fixing the salary of the City Attorney at \$5,000 for the year beginning June 1, 1886, is hereby returned disapproved. As that office is now by the resignation of Mr. Beckley practically vacant, and as section 45 of the city charter provides that the Common Council shall annually determine the salary to be paid to any officer appointed by it, and as the amount of said salary when fixed shall not be diminished during the then municipal current year, I must withhold my approval of any resolution or of any action

fixing the salary of City Attorney until it has first been determined who is to serve the city in so important a capacity, and it is for these reasons that I object to the resolution aforesaid.

Gentlemen of the Common Council.

I return to you without approval the resolution of your last regular meeting fixing the salary of the assistant city attorney at \$1,500 per year. We have a right to know who the assistant city attorney is to be, and until that has been determined and his name officially made known I can not approve of any resolution fixing the salary of such officer.

CORNELIUS R. PARSONS, Mayor.

To the Common Council of the City of Rochester:

The resolution adopted at your last regular meeting fixing the sum of \$1,700 as the amount necessary for stenographic and clerk hire in the office of the city attorney for the year beginning June 1, 1886, is hereby returned without my approval. I must insist that the names of the persons employed and the salary to be paid to each shall form part of any and every resolution relating to the same.

OFFICE OF EXECUTIVE BOARD, }
ROCHESTER, June 15, 1886. }

To the Common Council:

GENTLEMEN: There is no sewer in Vincent place between the bridge and St. Paul street, and the water that falls upon the surface (which is quite rapidly inclined toward the bridge) is taken off through a Copeland cement tile and a wooden box sewer running down the east bluff and beneath the Citizens' Gas Company's building. The wooden portion is badly decayed and the cement pipe, from the wa, it is forced to be located, is constantly getting displaced, allowing the water therefrom to escape upon the surface and run down against and into said company's building.

Some different plan for taking care of this water should be devised and executed without delay in order to avoid a suit for damages. The Executive Board would therefore respectfully recommend that the City Surveyor be instructed to devise a

plan and introduce an ordinance for the purpose of carrying the same into effect.

Respectfully submitted,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

OFFICE OF EXECUTIVE BOARD, }
ROCHESTER, June 15, 1886. }

To the Common Council:

GENTLEMEN—An examination of the sewer in Averill avenue, from South avenue eastward, shows it to be completely filled with sediment for a greater part of its length, and urgently requires cleaning.

The Executive Board would therefore respectfully recommend that the City Surveyor be instructed to introduce an ordinance for cleaning said sewer and constructing the necessary man-holes and surface laterals.

Respectfully submitted,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, June 15, 1886. }

To the Common Council:

GENTLEMEN: The Executive Board, to whom was referred the matter of opening a street from Campbell to Jay street, under Ordinance No. 2,928, would respectfully report that upon attempting to negotiate for the property necessary to be taken, as laid down in the ordinance, it is found that the lines as therein defined do not conform to those desired by the parties in interest. To open said street on these lines will require the removal of two dwellings and the taking of portions of the two lots on Jay street, upon which they stand, at a large expense; whereas, if the east line of the proposed street be made to coincide with the east line of the Barbara Lintz lot, and said line be produced to Campbell street, but one dwelling will be required to be disturbed and the expense will be largely diminished. The Executive Board would therefore recommend that said ordinance be amended so as to make the east line of the proposed street coincide with the east line of the lot owned by Barbara Lintz, located on the south side of Jay street, between Child street and Wackerman street, and with said line produced to Campbell street.

Respectfully submitted,
T. J. NEVILLE, Clerk.

Ordered received, filed and published.

Ald. Kelly moved that the ordinance for the opening of a new street from Campbell street to Jay street be reconsidered. Adopted.

Ald. Kelly moved that the ordinance be so amended as to meet the recommendations of the Executive Board. Adopted.

Further action on the ordinance was postponed two weeks.

OFFICE OF EXECUTIVE BOARD, }
ROCHESTER, N. Y., June 12, 1886. }

To the Common Council.

GENTLEMEN: Your attention is respectfully called to the necessity for improving Lowell street, from St. Paul street to Clinton street; and Herman street, from St. Joseph street to Hudson street. These streets lie in the direct line of traffic across the city, with Buchan park, already improved, as the connecting street between Clinton street and St. Joseph street. In spring and fall both streets, from the nature of the soil, retain the water falling upon their surface, become quickly cut up and are almost impassable from the depth of mud. It is of very great importance in case of fires in that quarter of the city that the fire apparatus be able to reach the scene with alacrity, as the buildings are almost exclusively of wood and burn with great rapidity. The Executive Board would therefore respectfully recommend that ordinances be passed at an early day for the improvement thereof.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

CITY ATTORNEY'S OFFICE,
ROCHESTER, N. Y., June 15, 1886. }

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—I deem it to be my duty to call your attention to the following statement:

All the expenses paid by the city in the actions and proceedings relating to the water rights owned by people on Honeoye Creek and Hemlock Lake outlet have been paid from the water works fund by the Executive Board. These payments were recommended thus to be paid by me under the provisions of section 158 of the charter which are: "The proceeds of the water rates in whatsoever manner collected for the use and consumption of said water, and all penalties collected shall be deposited with the treasurer of said city and be reserved and used exclusively for the payment of operating expenses, salaries, repairs, maintenance or extension of said works," etc. Your honorable body, by approving and adopting the various budgets of the Executive Board has ratified all such payments for expenses. I think formal action should be taken by your ratifying such actions and directing that in the future all necessary expenses in the said suits and proceedings should be paid from the water works fund. It makes no difference to any taxpayer whether the expenses are paid from one fund or another, as they must be met in any event out of moneys which would otherwise be available for other municipal uses. But the expenses incurred have been, and those to be incurred in said suits and proceedings, are necessary for the maintenance of the water works, and hence would be naturally paid out of the water works fund.

This, of course, is well understood now, but it is due to the Executive Board that your honorable body should cause to be entered upon your minutes an approval of the payment of the said expenses and of the payment of expense yet to be made from the water works fund.

Respectfully submitted,
JOHN N. BECKLEY,
City Attorney.

Ordered received, filed and published.

By Ald. Fritzsche—Resolved, That the necessary expenses incurred, and to be incurred, in the Honeoye millers' actions and proceedings relating to the acquisition of water rights by the city of Rochester, and the determination of damages therefor, are properly payable from the water-works fund, and the action taken by the Executive Board in causing expenses already paid to be paid from that fund, is hereby approved. Adopted.

STATE OF NEW YORK, County of Mouroe, City of Rochester, ss:

I, B. Frank Enos, Police Clerk of said city, being duly sworn, doth depose and say that the foregoing report contains a true and correct statement of all the moneys received by me as such clerk during the month of May, 1886, for fines, penalties and costs imposed by the Police Justice of said city.

B. FRANK ENOS, Clerk.

Sworn to before me this 15th day of June, 1886.

B. KEELER, Com. of Deeds.

Ordered received, filed and published.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

OPENING A STREET FROM UNION PARK TO CANFIELD PLACE.

By Ald. Botter—Resolved, That the following improvement is necessary, viz.:

The opening of a street sixty (60) feet wide, from the south line, and the south line extended easterly, of Union park to the north line, extended easterly of Canfield place, the middle line of the proposed street to be the dividing line, within the limits named, of the lot's fronting on Alexander and South Union streets, respectively, and with sides parallel to the said dividing line.

Adopted.

Resolved further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of the proposed street, from the south line and extended south line of Union park to the north line and extended north line of Canfield place.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172 of the Revised Charter of 1880, of the city of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, June the 29th, 1886, at 7:30 o'clock, at the Common Council Chambers, when allegations will be heard.

Adopted.

SPRINKLING TROUP STREET,

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling Troupe street, during the season of 1886.

Adopted.

The Surveyor submitted as such estimate, \$140.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The sprinkling of Troupe street, from 100 feet west of Caledonia avenue to the west line of Prospect street, during the season of 1886.

And Whereas The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$140, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of Troupe street, from 100 feet west of Caledonia avenue to Prospect street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, June the 29th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

SPRINKLING JONES STREET.

By Ald. Kohlmetz—Resolved, That the City Surveyor

ascertain and report to this Council the expense of sprinkling Jones street during the season of 1886.

Adopted.

The Surveyor submitted as such estimate, \$80.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The sprinkling of Jones street, from 100 feet south of Platt street to the middle of Center street, during the season of 1886.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$80, which estimate is hereby approved.

Resolved further, that the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Jones street, from 100 feet south of Platt street, to Center street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, June the 29th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

NORTH AVENUE ASPHALTIC IMPROVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing an asphaltic improvement on North avenue with other improvements connected therewith.

Adopted.

The Surveyor submitted as such estimate \$14,000.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of an asphaltic pavement on North avenue, from the crosswalk connecting the south side of University avenue with the west side of North avenue to the produced south curb line of Weld street, by removing the present MacAdam roadway surface and so much of the stone foundation thereof as may be necessary and replacing the same with a concrete foundation not less than six inches thick, from curb to curb, to receive upon it an asphaltic roadway covering; also the taking up, redressing and resetting of the present curbs stones which are of acceptable quality, and the substitution of good curb stones for those that are defective; the new curb lines to be in the prolongation and of the same width between them of the curb lines between East Main street and University avenue; also the cleaning and repairing of the main and surface sewers, with the needed extensions of the latter; the construction of new manholes and surface sewers where required; also the laying of water and gas service pipes where their use is now demanded or their future use is contemplated or probable.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$14,000, which estimate is hereby approved.

Resolved further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on the east side of North avenue, from University avenue to Weld street; also one tier of lots on the west side of North avenue included between the produced south curb lines of University avenue and Weld street.

And further resolved that the taxpayers to be assessed for making such improvement may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed at six per cent. per annum.

And the clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the city of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, June the 29th, 1886, at 7:30 o'clock, at the Common Council chamber, when allegations will be heard.

Adopted.

CENTRAL AVENUE IMPROVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Central avenue with a macadam roadway pavement and other improvements connected therewith.

Adopted.

The Surveyor submitted as such estimate, \$9,500.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a macadam roadway pavement in Central avenue, from the east line of the east crosswalk on North avenue to the west line of the west crosswalk of Platt street, with Medina stone curbs within the limits named, leaving a roadway twenty-six (26) feet in width between the curbs and midway between the lines of the avenue; also the construction of gutters three (3) feet wide on each side, one (1) foot of the said gutter to be of Medina stone flags (1) foot wide, and of Medina stone curbs (2) feet wide on the roadway side of the curbs; also the laying of Medina or blue stone flag sidewalk five (5) feet wide on each side of the said avenue within the specified limits where sidewalks of flag stones, tar cement, or brick of good quality, and the specified width and established grades and alignments, are not now laid; also the extension westward for one hundred and fifty-one (151) feet of the vitrified pipe sewer now laid in said avenue, and intersecting the sewer in Scio street; also the construction of new and reconstruction of existing manholes and surface sewers, and of new lot laterals and connections where required.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$9,500 which estimate is hereby approved.

Resolved further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Central avenue from North avenue to Scio street.

And further, Resolved, That the tax-payers to be assessed for making such improvement may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll, and the remaining one third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last instalment a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172 of the Revised Charter of 1880 of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, June the 29th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

CHESTNUT PARK STONE SIDEWALKS,

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing stone sidewalks on each side of Chestnut park from Chestnut street to William street.

The Surveyor submitted as such estimate \$1,600.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of Trumansburg blue stone flag walks four (4) feet wide on each side of Chestnut park, from Chestnut street to William street, the stones in said walks to be not less than two and a half (2½) inches thick. The said sidewalks to be extended to unite with sidewalks on Chestnut street and William street and with their outer lines on the outer lines of said Chestnut park. Also the necessary sidewalk grading and gutter formations.

And whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,600, which estimate is hereby approved.

Resolved, further—That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Chestnut park from Chestnut street to William street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, June the 29th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

FLINT STREET PLANK WALK.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing plank sidewalks on Flint street from Plymouth avenue to Genesee street.

The Surveyor submitted as such estimate \$3,100.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of plank sidewalk, four (4) feet and eight (8) inches wide on each side of Flint street, from the west line of the present sidewalk on the west side of Plymouth avenue to the east line of the present sidewalk on the east side of Genesee street, with the neces-

sary sidewalk grading, gutter formation and cross-walks.

And whereas, the City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$3,100, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Flint street, from Plymouth avenue to Genesee street.

And further resolved, that the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed of six per cent. per annum.

And the Clerk is hereby directed to publish notice, in pursuance of Title VII, section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, June the 29th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

Ald. Coughlin moved to reconsider the action on the ordinance for Chestnut park stone walk. Adopted.

Ald. Coughlin moved that action on the ordinance be indefinitely postponed. Adopted.

The final ordinance for Childs street pipe sewer came up. Ald. Kelly moved indefinite postponement of further action. Adopted.

FINAL ORDINANCE NO. 2,983.

SEWER IN DELEVAN STREET

On motion of Ald. Marson, the Board proceeded to hear allegations in relation to the improvement described in the ordinance below.

After hearing such allegations from all persons appearing—

Ald. Marson submitted the following:

An ordinance to take up, deepen and rebuild the sewer in Delevan street, from Schlitzler alley to Gibbs street.

The Common Council of the city of Rochester do ordain and determine that the following improvement be made, to-wit:

The taking up, deepening and re-building of the sewer in Delevan street, from Schlitzler alley to Gibbs street; the deepening and reconstruction of the present and the construction of new surface sewers where needed; the deepening and connection of the existing and the construction of new lot laterals and connections where required. The amount to be assessed upon the property benefited, including any interest that the city shall incur, or is entitled to, for the use of its funds, is \$449.61.

Yours respectfully,
JOHN A. DAVIS, Treasurer.

LOCAL IMPROVEMENT ASSESSMENT No. 2,842.

PIPE SEWER IN FULTON STREET.

By Ald. Stein—Whereas, The Common Council did upon the 17th day of November, 1885, enact an ordinance for pipe sewer in Fulton street.

And, Whereas, The City Treasurer has reported the actual expenses of said improvement to be the sum of \$449.61, including such interest as the city has paid or become liable for.

And the portion of said city which said Common Council deemed would be benefited by said improvement is described as follows:

One tier of lots on each side of Fulton street, included between Child street and Whitney street.

Therefore, resolved, That the sum of \$449.61, being the whole amount of the expenses aforesaid, shall be assessed on such lots and parcels of land.

And V. Fleckenstein, Wm. Maher and L. A. Pratt, the Assessors of said city, not interested in any of the property so benefited, and not of kin to any person so interested, are hereby designated and directed to make an assessment upon all the lots and parcels of land and houses within the portion or part of said city so designated, of the said amount of expense, in proportion, as nearly as may be, to the advantage which each shall be deemed to acquire by the making of said improvement; and said Assessors are hereby notified to meet for this purpose on Saturday, the 19th day of June, 1886, at nine o'clock in the forenoon at the office of the City Assessors, No. 15 City Hall.

Adopted by the following vote:
Ayes—Ald. Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

UNFINISHED BUSINESS.

Under this head the following came up:

“By Ald. Foley—Whereas, The Rochester City & Brighton Railroad Company has presented its petition and asked for the consent of the Common Council for the construction, operation, extension and use of a surface street railroad through the following named streets of the city of Rochester, viz.: Through Plymouth avenue from Main street to Genesee street; thence through Genesee street to Brooks avenue.

“Now, therefore, it is hereby resolved, That the clerk be and he is hereby directed to publish as required by statute daily for at least

fourteen days in two daily newspapers in said City of Rochester, to be designated by the Mayor of said city, a notice that such application has been made, and that such application will be first considered by the Common Council at its next meeting, to be held at the City Hall on the 15th day of June, 1886, at 8 o'clock p. m. Adopted."

Ald. Foley then presented the following:

By Ald. Foley—Whereas, The Rochester & Brighton Railroad Company has presented its petition and asked for the consent of the Common Council for the construction, maintenance, operation, extension and use of a surface street railroad through the following named streets of the city of Rochester, viz., through Plymouth avenue from Main street to Genesee street, thence through Genesee street to Brooks avenue, together with the necessary branches, turnouts, sidings, switches and turn-tables; and, whereas, the notice of such application and that it would first be considered at this time has been published as required by statute; and, whereas, said Common Council has considered said application at this time, and deems it wise to allow time for further investigation before final action is taken thereon. Now, therefore, it is hereby resolved, that further consideration thereof be, and it hereby is postponed until a meeting of the Common Council to be held at the Council Chamber in the City Hall at Rochester, N. Y., on the 29th day of June, 1886, at 7:30 o'clock p. m., at which last mentioned time and place said application will be further considered. Adopted.

The following came up:

By Ald. Mardeville—

To the Hon. Common Council:

GENTLEMEN—Your Committee on Maps and Surveys have been applied to by the City Surveyor for additional help in his office.

We find, upon investigation, that there is now in that office a large accumulation of work, much more so than is usual at this season of the year, and that it will be impossible for the present force now employed there to complete the same in time without the aid asked for.

We are informed by the Surveyor that the help required is one first-class assistant, one clerk and an office boy, and after a careful consideration of all the facts, we submit the following:

Resolved, That the City Surveyor be, and he is hereby authorized, to procure such addition to the clerical force of his office as is asked for, at an expense not to exceed \$1,500 per annum.

W. MANDEVILLE,
PH. WEIDER,
DEVILLO W. SELYE,
WM. COUGHLIN, JR.,
Committee.

Ald. Elliott moved that a Special Committee be appointed to ascertain if the necessary clerk hire could be obtained from the Water Works office to assist in the City Surveyor's office. Lost.

Ald. Kelly moved that the resolution be so amended as to read that the extra help be employed until December 1st at the rate of \$1,500. Adopted.

The original resolution as amended was then adopted.

EXECUTIVE BUSINESS.

Ald. Foley moved that this Board proceed to the election of Commissioners of Deeds, and that the Clerk cast the ballot.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley,

Swikehard, Weider, Stein, Bourer, Kelly, Schaeffer—14.

J. L. Rosenberger and Kerin C. Egan having received the concurrent vote of the Common Council were declared elected Commissioners of Deeds.

Ald. Coughlin presented a petition for the closing of Dean street; referred to Committee on Opening and Alteration of Streets.

By Ald. Coughlin—Resolved, That the Executive Board be, and the same is hereby authorized by this board to take such proceedings as is provided by law with respect to the closing and discontinuance of Dean street between Jones street and John streets. Adopted.

By Ald. Coughlin—

To the Hon. the Common Council of the City of Rochester—

GENTLEMEN: Your Lamp Committee, which was instructed by your honorable body April 20, 1886, to confer with the Electric Light Company as to the advisability of placing electric lights in the outer wards, respectfully reports thereon as follows:

Your committee has had a conference with the directors of the Brush Electric Light Company, and they have agreed with your committee to furnish as many new electric lights as shall be required and ordered by the Common Council at the rate of thirty (30) cents per night for the unexpired balance of the present contract with that company, being a period of about two years, the present contract with that company remaining in force for the balance of its term as to the lights now in use; any new lights ordered by the Common Council to be placed on continuous lines from the present circuits, and the contracts with the gas companies not to prohibit electric lighting in the territory now lighted by gas, if it should be ordered by the Common Council.

It will be seen that the offer made by the Electric Light Company is fifteen (15) cents per night cheaper than the amount which they are receiving under the present contract.

In view of the reduction in the expense of the better quality of light, of the general dissatisfaction of the tax-payers in the outlying wards with the present kerosene oil light, your committee is of the opinion that said contract should be entered into with the Electric Light Company, and, therefore, recommends the adoption of the accompanying resolution.

J. M. COUGHLIN, JR.,
W. H. FOLEY,
HENRY KOHLMETZ,
GEO. B. SWIKEHARD,
J. MILLER KELLY,
Lamp Committee.

Ordered received filed and published.

By Ald. Coughlin—Resolved, That the Mayor be, and he hereby is, directed to execute a contract with the Brush Electric Light Company for furnishing additional electric lights in the territory of the city now lighted by kerosene oil, in accordance with the provisions and recommendations contained in the foregoing report of the Lamp Committee. Adopted.

By Ald. Marson—Petition for sprinkling Troup street. Referred to the Surveyor to prepare an ordinance.

Ald. Marson moved a re-consideration of the action on the final ordinance for the Adams street pipe sewer. Adopted.

Ald. Marson moved that the ordinance be amended so as to read "a twelve-inch pipe sewer from 100 feet west of Plymouth avenue to Caledonia avenue, and a fifteen-inch pipe sewer from Caledonia avenue to the Genesee Valley Canal sewer." Adopted. Further action on the ordinance was postponed two weeks under the rule.

By Ald. Watson—Petition for a Schilleuger patent sidewalk on Chestnut park. Referred to the Surveyor to prepare an ordinance.

By Ald. Watson—Resolved, That the City Treasurer be and he is hereby authorized and directed to issue the city's notes for the sum of one hundred and fifty-eight thousand five hundred and thirty dollars (\$158,530), and have the same discounted under the direction of the Finance Committee, and that the Treasurer use the proceeds of said notes to pay interest on the bonded debt due July 1, 1886, discount to be charged to the contingent fund, and said notes to be countersigned by the chairman of the Finance Committee.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

By Ald Kohlmetz—

To the Hon. the Common Council:

GENTLEMEN: The petition of Thomas Fenwick shows to your honorable body that an action has recently been commenced by the city attorney to foreclose the lien of an unpaid city tax for 1882 upon property owned by your petitioner in the Fifth ward of the city of Rochester; that no notice to redeem said property from the lien of said tax was ever served upon your petitioner; and that by reason of said fact your petitioner is not liable, as he is informed and believes, for any of the costs or expenses incurred by the city in the action to foreclose said tax lien.

Wherefore your petitioner prays that your honorable body may direct the city attorney to discontinue said action upon the payment of said tax without other or further expense to your petitioner. And your petitioner will ever pray, &c.

THOMAS FENWICK

Referred to the Law Committee.

By Ald. Watson—Resolved, That hereafter when books or stationary or any kind of printing, are required for the use of the several departments of the city government, whose funds are disbursed by order of the Common Council, the heads of such departments are hereby directed to procure from the City Clerk an order for the same, and they must specify each kind of books, stationary or printing, and the quantity; and the clerk is hereby directed to insert in said order kind and quantity of books and stationary or printing, and the Contingent Committee to direct the City Clerk on what parties said orders to be drawn on. Unless said orders are obtained from the City Clerk such bills will not be audited by the Contingent Committee or paid by the Common Council, and the clerk is directed to furnish a copy of this resolution immediately to the heads of the several departments. Adopted.

By Ald. Elliott—

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., June 15, 1886. }

To the Common Council;

GENTLEMEN—At a meeting of the Board of Health, held June 13, 1886, the following action was taken:

From the City Attorney—

ROCHESTER, N. Y., June 14, 1886.

To the Board of Health of the City of Rochester:

GENTLEMEN—On the 27th day of last March Louis A. Weigel began a suit against the city in the Municipal Court to recover the sum of \$336.25, alleged to be the value of certain services performed by him at the request of the Board of Health in the recent public vaccination.

The plaintiff claimed to have done the work without any agreement as to the compensation to be paid him, and that a reasonable charge for the services performed was 25 cents per head for each person vaccinated.

The court found from the evidence submitted that the plaintiff agreed to do the work at the stipulated schedule price of 10 cents per head for children in the public schools, 15 cents for persons vaccinated in factories and public buildings and 25 cents for office and home to house vaccination.

Judgment was rendered May 21, 1886, in favor of the plaintiff for \$185.85, being the amount due for the services rendered at the schedule rates, with interest to the date of the judgment, and \$16.05 costs, making a total of \$201.91.

The time to appeal from the judgment having expired, and no appeal having been taken by the plaintiff, it is respectfully suggested that the Board of Health take appropriate action to provide for the payment of the judgment.

Respectfully submitted, J. N. BECKLEY,

City Attorney.

By Commissioner Derrick—Resolved, That the communication of the City Attorney relating to the judgment recovered by Dr. Weigel against the city, be, and it hereby is referred to the Common Council, and that that body be requested to provide for the payment of said judgment and charge Health Fund. Adopted.

Respectfully, PETER SHERIDAN, Clerk.

Ordered received, filed and published.

By Ald. Elliott—Resolved, That the City Clerk be, and he hereby is, directed to draw an order on the City Treasurer in favor of Louis A. Weigel for \$201.91, payable from the Health Fund, upon the certificate of the City Attorney being filed with said clerk that the judgment recovered by said Weigel against the city in the Municipal Court, May 21st, 1886, for said sum of \$201.91, has been satisfied and discharged.

Adopted by the following vote.

Ayes—Ald. Tracy, Coughlin, Marson, Fritzsche, Elliott, Foley, Swikehard, Wieder, Stein, Bohrer, Kelly, Schaeffer—12.

By Ald. Foley—Resolved, That the City Surveyor be and he is hereby directed to establish, as soon as practicable, a proper grade for the sidewalk on the east side of Olean street and Frost avenue from Bronson avenue to Plymouth avenue. Adopted.

Ald. Foley moved that a committee of three be appointed to consider the feasibility of a new charter for the city. Adopted.

By Ald. Foley—Petition for sprinkling Troup street between Prospect street and the B. N. Y. & P. R. R. Referred to the Surveyor to prepare an ordinance.

By Ald. Swikehard—Resolved, That the Executive Board be and they are hereby requested to change the crosswalk extending from the north side of Lyell avenue to the north side of Vincent place from its present location, so that it will extend from the north side of Smith street to the north side of Vincent place. Adopted.

Ald. Weider moved that the Executive Board be requested to lay a pipe around the bank of Mt. Hope reservoir for sprinkling purposes. Adopted.

Ald. Stein moved that the action on the penal ordinance relating to gongs on all except fire apparatus be reconsidered. Adopted.

Ald. Stein moved that the ordinance be amended to read as follows:

By Ald. Stein—

AN ORDINANCE IN RELATION TO THE USE OF BELLS ON WAGONS IN THE PUBLIC STREETS.

The Common Council of the City of Rochester do ordain as follows:

SECTION I. No person shall carry or use upon any wagon while passing along or being upon any street, lane or alley in the city of Rochester, any gong or bell similar to the gong which is used on trucks and engines by the Fire Department of the city of Rochester, under a penalty of five dollars for each offense.

§ II. The provisions of the foregoing section are hereby declared not to apply to any wagon, truck or cart used as a part of the Police Patrol system, or the Fire Department, or to any wagon used by any officer of the Police or Fire departments while engaged in the discharge of their duty as such officers.

§ III. Every execution issued upon a judgment recovered for any violation of the provisions of this ordinance shall command the amount to be made of the property of the defendant, if any such can be found, and if not, then to commit the defendant to the Monroe County Penitentiary for a period of not less than five nor more than ten days.

§ IV. This ordinance shall take effect immediately.

Adopted.

The ordinances was then adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Swikehard, Stein, Bohrer, Kelly, Schaeffer—13.

By Ald. Boarer—Petition of C. Schieling for permission to erect a wood building, referred to the Wood Building Committee and Fire Marshal, with power to act.

By Ald. Schaeffer—Petition for plank walk in Conkey avenue, and also for the improvement of Hayward avenue. Referred to the Surveyor to prepare an ordinance.

By Ald. Schaeffer—Petition to extend Conkey avenue. Referred to the Committee on Opening and Alteration of Streets.

By Ald. Schaeffer—

ROCHESTER, June 10, 1886.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: I, the undersigned, Meinrad Isenmann, hereby respectfully petition your Honorable Body for permission to lay a plank sidewalk of four (4) feet in width along my premises on the south side of Jennings street, extending easterly from the intersection of said street with North avenue, in the 16th ward of said city.

Yours respectfully,

MEINRAD ISENMANN.

On motion of Ald. Schaeffer permission was granted.

By Ald. Schaeffer—Whereas, The entire cost and expense of opening a street from Clifford street to Norton street has been ascertained to be the sum of \$8,764.17; therefore

Resolved, That all persons interested in the matter of the ordering of an assessment for the opening of a street from Clifford street to Norton street be heard as to the same at the meeting of the Common Council to be held June 29, 1886, at 7:30 p. m., and that the City Clerk cause to be published a notice of said hearing, as required by section 190 of the city charter. Adopted.

By Ald. Schaeffer—Resolved, That the Treasurer be and he hereby is authorized to receive \$16.40 in full for general city tax, 1877, on lot 57, Weeger street, 13th ward, assessed to Joachim Boehm. Adopted.

The President announced the following committee on the new city charter: Ald. Foley, Weiderand Elliott.

Ald. Elliott moved that when this Board adjourn it be until next Tuesday evening, June 22d. Adopted.

On motion of Ald. Foley the Board then adjourned.

PETER SHERIDAN, City Clerk.

In Common Council—June 22, 1886.

ADJOURNED REGULAR MEETING.

Ald. Wm. H. Tracy, President of the Board, presiding.

Present—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

Referred to the Park Committee.

By Ald. Marson—Petition of Hollister Bros. for permission to erect wood building. Granted under direction of the Wood Building Committee and Fire Marshal.

By Ald. Kohlmetz—Petition of H. T. King for permission to erect a wood building. Granted under direction of the Wood Building Committee and Fire Marshal.

By Ald. Kohlmetz—

To the Honorable the Common Council of the City of Rochester:

The petition of the Rome, Watertown & Ogdensburg Terminal Railroad Company respectfully shows:

That it desires to build a railroad, commencing at or near the southern terminus of the Rochester & Ontario Belt Railroad, so called, and running thence southerly and westerly to a point on North St. Paul street, between Scramont street and Hart avenue, and that it may desire also to cross North St. Paul street, and thence run southerly along the banks of the Genesee river to a point at or near the tracks of the New York Central & Hudson River Railroad Company. That for this purpose it will become necessary to cross Avenues D, C, B and A, and Clifford, Evergreen and Scramont streets, at or about the grade thereof, and it may become necessary to cross North St. Paul street, Freemans and Redfield streets, the line of Vincent Place and the bridge thereof, and Livingston street and Cataract street, or the extensions thereof. That if said North St. Paul street is so crossed said Company intends to and will cross the same by tunnel, bridge, or other safely-guarded crossing, in such manner as not to obstruct or impede the ordinary traffic thereof, and if the said line of Vincent Place and the bridge thereof is crossed, it will be beneath the same and without interfering in any manner with any of the works or supports thereof. That your petitioner has made arrangements with the said Rochester & Ontario Belt Railroad Company, and the Rome, Watertown & Ogdensburg Railroad Company, by which the said last named Company will operate the said road of your petitioner and the said Rochester & Ontario Belt Railroad as a part of its system, and thereby largely increased and more advantageous railroad facilities will be given to the citizens of the city of Rochester.

Your petitioner therefore prays your Honorable Body for leave to cross said Avenues D, C, B and A, and said Clifford, Evergreen and Scramont streets, at or about the present grade of said streets, except that if necessary two of said crossings may be excavated or raised not to exceed two feet from the present grade of the streets. Said streets so crossed will be restored by your petitioner as soon and as nearly as may be to their present condition, and the approaches to said crossings will be graded at an inclination of not to exceed one foot in twenty, and sufficient culverts will be placed so that said crossings shall not unduly interfere with the drainage of said streets as now provided for.

Your petitioner also prays your Honorable Body for leave to cross, if it shall so desire, said North St. Paul street, Freemans, Redfield, Livingston and Cataract streets, and the line of Vincent Place.

and the bridge thereof in manner and form as above-described.

And your petitioner will ever pray, &c.
Dated June 22, 1886.

THE ROME, WATERTOWN & OGDENSBURG RAILROAD COMPANY.

By Morgan & French, Attorneys.
Ordered received, filed and published.

By Ald. Kohlmetz—Resolved, That the consent of the city of Rochester and of this Common Council thereof, be, and it hereby is granted to the Rome, Watertown & Ogdensburg Terminal Railroad Company to build its railroad across Avenues D, C, B, and A, and Clifford street, Evergreen street and Scranton street at or about the present grade thereof, excepting that two of said streets may, if necessary, be excavated, or the grade thereof raised, not to exceed two feet at or about such crossings. This consent is upon condition that the streets so crossed shall be restored by said company as soon and as nearly as may be to their present condition, and that the approaches to the said crossings shall be graded at an inclination of not to exceed one foot in twenty, and that sufficient culverts shall be placed by the said company so that said crossings shall not interfere with the drainage of the said streets as now provided for.

And further resolved, That the consent of said city of Rochester, and of this Common Council thereof, be and it hereby is given to the Rome, Watertown & Ogdensburg Terminal Railroad Company if it shall so desire, to cross North St Paul street, Freemans street, Redfield, Livingston and Cataract streets, and the line of Vincent Place and the bridge thereof; but said crossing of North St. Paul street shall be by tunnel or bridge, so as not to impede or obstruct the traffic thereof; and the crossing of said line of Vincent Place and the bridge thereof shall be under said bridge, and so as not to interfere with the foundation or structure thereof.

Ald. Elliott moved to amend the resolution by requiring the railroad company to construct automatic guards on either side of crossings for the protection of people in that vicinity. Adopted.

The original resolution as amended was then adopted by the following vote:

W. H. MARSON,
C. STEIN,
Committee.

Ordered received, filed and published.

By Ald. Bohrer—Resolved, That the name of Jackson street be and hereby is changed to "Monroe place," and the City Clerk is directed to enter the same in the Street Register, and the Executive Board be notified to place the usual street signs. Adopted.

By Ald. Schaeffer—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your Assessment Committee, to which was referred the petition of Edwin Tripp, respectfully reports:

In 1883, the Common Council adopted an ordinance for the construction of the Chili avenue and Briggs place sewer. Such sewer was constructed under that ordinance and the Assessors prepared an assessment roll for the expense thereof.

On account of a mistake made by the Assessors the said Edwin Tripp was assessed as the owner of 66 feet of land on the west side of Briggs place, as benefited by the improvement. Said Tripp was, in fact, the owner of but 30 feet of land liable to such assessment. By reason of other mistakes made by the Assessors it was deemed necessary by the Common Council to have made a new assessment roll for the expense of the improvement. This was done, and such new assessment roll was delivered to the Treasurer on or about the 20th day of November, 1885. The payments made by said Tripp upon the original assessment roll amounted to \$53.18. The amount which said Tripp should have paid, based upon the land liable to assessment under said ordinance was \$45.09. The second assessment roll is in the hands of the Treasurer for collection, and there stands upon said assessment roll an assessment against the lands of said Tripp.

Your Committee, therefore, recommends that a resolution be adopted providing for the refunding to said Tripp the sum of \$8.09, the difference between the amount which he should have paid and the amount which he actually did pay, and also providing for the cancellation of the assessment for said improvement against him.

Ordered received, filed and published.

By Ald. Schaeffer—Resolved, That the Clerk be, and he hereby is, directed to draw an order on the Treasurer in favor of Edwin Tripp for

\$8 09, the amount overpaid by him on account of the Chili avenue and Briggs place sewer, payable from Contingent Fund, and charge the same to erroneous assessments.

And it is further resolved. That the Treasurer be directed to cancel the assessment upon lot 24, west side of Briggs place, owned by Edward Tripp, for the Chili avenue and Briggs place sewer, and charge erroneous assessments.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

By Ald. Schaeffer—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—Your Assessment Committee makes the following report on the petition of David Lighthouse:

In 1883 the said David Lighthouse was assessed upon lot 1, west side Pinnacle avenue, owned by him, the sum of \$55.29 for the general city tax of that year. Such tax was imposed by the then assessors on the supposition that a house had been erected upon said lot, when, in fact, the house was erected upon an adjoining lot. The amount which had been assessed upon said lot previous years was between \$10.00 and \$12.00. The amount which should have been assessed for the year 1-83 upon that lot, as now stated by the assessors to your committee, is \$11.06.

On the 27th day of March, 1884, the said lot was sold for the unpaid tax for 1883 to John Gleichauf for \$63.42, which amount included the original tax, \$1.50 for water and \$6.63 interest and costs of advertising.

Your committee recommends the adoption of the accompanying resolutions for the purpose of correcting the mistakes made as aforesaid.

Respectfully submitted,

C. J. SCHAEFFER,
J. MILLER KELLY,
D. V. W. SELYE,
C. STEIN.

Ordered received, filed and published

By Ald. Schaeffer—Resolved, That the treasurer be, and he hereby is, directed to receive from David Lighthouse, the owner of lot No. 1 on the west side of Pinnacle avenue, in full of the city tax and water assessment for 1883, the sum of \$12 56, with interest thereon at six per cent per annum from August 1, 1883, and charge the balance of said tax to erroneous assessment. Adopted.

By Ald. Schaeffer—Resolved, That the clerk be, and he hereby is, directed to draw an order on the treasurer in favor of John Gleichauf for \$63 42 with interest thereon from March 27, 1884, upon receiving from said Gleichauf the surrender of the certificate of sale issued to him upon the sale of the lot No. 1, west side of Pinnacle avenue for the city tax of 1883, and charge Contingent fund.

By Ald. Schaeffer—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your Assessment Committee, to which was referred the petition of Edward Brunswick that a special assessment on certain lots in Strong's subdivision of the Landing tract, situate on the east side of North St. Paul street, for the St. Paul street improvement, may be cancelled, hereby respectfully reports:

About the time of the adoption of the ordinance for the improvement of North St. Paul street, Julius T. Andrews was the owner of a block of land on the east side of St. Paul street, in the vicinity of the lower landing. He divided such block of land so as to leave a narrow strip fronting on St. Paul street, and divided such narrow strip into lots numbered from H to Z inclusive, except that one lot in the subdivision was numbered I. Thereupon he conveyed said lots to a person named Swan, living in Utica, by ordinary quit-claim deed. Consequently, when the improvement in North St. Paul street was made, an assessment therefor was imposed upon said lots.

The purpose of the division above referred to is not material for consideration by your committee, but the effect of it was to impose one-half of the expense of the improvement of the street along the frontage of these lots upon the lots. The result was, practically, their confiscation to public use.

City and county taxes had accumulated upon the lots; they were sold for such unpaid taxes, and the certificates for the sales came into the hands of the said petitioner Edward Brunswick. The total amount paid by said Brunswick by way of taxes, interest and expenses amounts to \$571.18. He now proposes to pay to the city \$300, if the same is received in full, upon the assessment upon said lots for the North St. Paul street improvement. He states that if such amount is not received in settlement, that he will bring an action against the city to set aside the assessment for said improvement upon said lots, upon the ground that the improvement was not made in accordance with the specifications, and was, in fact, worthless.

It is undoubtedly true that the North St. Paul street improvement was so improperly constructed, and with such poor material, that the property owners along the line of the street have received but little benefit from the same.

In view of the fact that the lots above referred to are used simply for farming purposes, that their assessed valuation is about \$2,000, that the payment of the sum of \$300 will make a total payment, including interest and expenses, of about \$900 on account of municipal taxation, and that the alleged improvement of North St. Paul street was, if any, benefit was received by the lots in question. Your committee recommends that the treasurer be authorized to receive the sum of \$300 from said Brunswick in full of the assessment for North St. Paul street improvement upon said lots.

OFFICE OF THE CITY ATTORNEY.

No. 19 City Hall Building, Rochester, N. Y. }
To the Hon., the Common Council of the City of Rochester:

GENTLEMEN:—I desire to call your attention to a judgment recently recovered by William B. Shelly and another against John Lutes, an Overseer of the Poor of the city. The facts are as follows:

On the 28th day of June, 1884, William B. Shelly was convicted in the Police court as a disorderly person in that he neglected and refused to support his wife, Kate B. Shelly, according to his means. Upon such conviction, Mr. Shelly entered into an undertaking in the sum of \$500 conditioned for the support of his wife for the period of one year. Subsequently he offered to furnish her support at the hamlet of Kenyonville, Orleans county. Mrs. Shelly was in ill-health, and was advised by physicians that it would not be safe for her to go to Kenyonville. Mr. Shelly refusing to furnish his wife support in Rochester, Mrs. Shelly made application for help to the Overseer of the Poor. Mr. Lutes brought suit upon the undertaking in the Municipal Court, where judgment was rendered September 15, 1884, in his favor for \$500, the penalty of the undertaking, and \$17.65 cost. Mr. Shelly appealed to the County Court, where the judgment of the Municipal Court was affirmed. Mr. Shelly then appealed to the General Term, and the case has recently been decided adversely to the plaintiff, the Court holding, in substance, that the wife was bound to accept support at any place designated by the husband. A motion was made before the last General Term for leave to appeal to the Court of Appeals, and the motion was denied. Judgment was entered April 19, 1886, in favor of Mr. Shelly, and against the Overseer of the Poor, for \$154.62, being the costs of the appeal. The judgment, with interest to date, amounts to \$156.25.

I recommend the adoption of a resolution directing the payment of the judgment to W. B. Crittenden, attorney for the defendants.

Respectfully submitted,

J. N. BECKLEY, City Attorney.

Ordered received, filed and published.

By Ald. Foley—Resolved, That the clerk be, and he hereby is, directed to draw an order on the treasurer for \$156.25 in favor of W. B. Crittenden, attorney for William B. Shelly, payable from the poor fund, upon the certificate of the city attorney being filed with the clerk that the judgment recovered by said William B. Shelly against John Lutes, as overseer of the poor of the city of Rochester, has been satisfied and discharged. Adopted by the following vote:

REPORTS OF SELECT COMMITTEES.

By Ald. Foley—

ROCHESTER, June 22, 1886.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your committee appointed to confer with Mr. Beckley and if possible induce him to withdraw his resignation as City Attorney, would respectfully report that:

We have had several conferences with Mr. Beckley and his partners, Messrs. Bacon and Briggs, and have used all the arguments and reasons that we could command to accomplish the object desired, but without success.

The action of a portion of our city press toward this firm in assailing the honor of these gentlemen in connection with this matter—without, as we believe, fully understanding the agreement made with Mr. Beckley and his partners, has given them, as they think, sufficient reason for the decision they have reached and thus deprived the city of the benefits that we think it would have received under the extremely advantageous arrangement which had been made.

With much regret for the loss which we think the city sustains in the withdrawal of Mr. Beck-

ley from its service, we respectfully submit this our report for your consideration.

Committee.

Ordered received, filed and published.

By Ald. Mandeville—

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., June 21, 1886.

Ald. Wesley Mandeville, Chairman Map and Survey Committee:

DEAR SIR—At the regular meeting of the Common Council, held on the 1st inst., your committee introduced a resolution which was adopted, authorizing the City Surveyor to employ additional force in his office at an expense not exceeding \$1,500. It was understood that such extra force could be employed until the first of April next (1887). This resolution before adjournment, was reconsidered and then action postponed for two weeks. At the next meeting of the Common Council, the original resolution was then amended, and adopted as amended, authorizing the employment of the assistants asked for until the 1st of December next, at the rate of \$1,500 per annum.

Immediately after the action of the Common Council upon the original resolution, the local board of civil service examiners was requested to hold an examination at an early date for candidates for the positions of assistant surveyor and clerkships.

The examination was held and three applicants were reported as satisfactory, one for assistant and two for clerkships.

It is now my duty to report that none of those examined have applied for the designated appointment and probably none will under the terms proposed in the amended resolution as adopted. No competent person holding permanent places affording a compensation equal to if not greater than that for the temporary positions in the City Surveyor's office which the resolution provides for, seems willing to make a change, and none but those of undoubted capacity would be of real assistance in the office.

Confidently believing that your committee in its recommendations to the Common Council in this matter will be governed solely by considerations of public interest, I have the honor to be

Very respectfully, your obedient servant,

I. F. QUINBY, City Surveyor.

Ordered, received, filed and published.

Ald. Mandeville moved a reconsideration of the action taken at the last meeting in regard to additional help for the City Surveyor. Adopted.

Ald. Mandeville moved that the resolution be so amended as to make the rate of compensation \$1,800 per annum until December 1st. Adopted.

The resolution as amended was then adopted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

ROCHESTER, June 22, 1886.

To the Hon. Common Council:

GENTLEMEN—I hereby appoint Richard Curran as Inspector of Vinegar in and for the city of Rochester, in accordance with the provisions of chapter six hundred and six of the laws of the State of New York for 1886, entitled "An Act in relation to the manufacture and sale of vinegar," passed May 19, 1886.

Dated, Rochester, N. Y., June 22, 1886.

CORNELIUS R. PARSONS, Mayor.

Ald. Swikehard moved that further action on the ordinance be indefinitely postponed. Adopted.

The contracts with the Incandescent Gas Light and Fuel Company came up, and Ald. Mandeville offered the following as a substitute:

By Ald. Mandeville:—
To the Hon. the Common Council:

GENTLEMEN: The undersigned, to whom was referred the matter of a proper form of contract between the city of Rochester and the Incandescent Gaslight and Fuel Company of the City of Rochester, would herewith respectfully submit the following, as conserving all fair and legitimate interests of this community.

Respectfully,
C. R. PARSONS, Mayor.

FORM OF AGREEMENT.

Agreement made and entered into this — day of June, 1886, between the city of Rochester, a municipal corporation, party of the first part, and the Incandescent Gaslight and Fuel Company of the city of Rochester, party of the second part:

Witnesseth, The party of the first part hereby grants to the party of the second part for the period of fifty consecutive years from, and immediately succeeding, the date hereof, the right to lay, maintain and operate in the public streets, lanes and alleys of the city of Rochester, mains and pipes for conducting water gas to be used for heating and lighting purposes, subject to the conditions hereinafter in this contract imposed, and for the consideration hereinafter stated.

The mains and pipes of the party of the second part placed in any of the public streets, lanes or alleys of the city of Rochester shall be so placed under the direction and superintendence of the Executive Board of the city of Rochester, and in obedience to the regulations and requirements adopted by said Executive Board. The said Executive Board may appoint a sufficient number of inspectors whose duty it shall be to supervise said work while it is being prosecuted, the salaries of the said inspectors to be a charge upon, and paid by, said company.

Before commencing the laying of any mains or pipes in any of the public streets, lanes or alleys in the city of Rochester, the party of the second part shall prepare and furnish to the Executive Board a plan showing the proposed location of mains or pipes, with specifications giving full particulars as to the kind and size of pipes to be used, which plan shall be approved by the Executive Board before the commencement of said work.

The Executive Board, or its successor in office, acting as Highway Commissioners, shall, in all cases, determine the definite location of the mains or pipes which are to be laid in any street, avenue, alley, lane or other public place; and said Board may also require said company to dig suitable test pits, wherever necessary, to determine the exact location of any existing gas, water sewer, or other subterranean pipes or conduits which may be encountered in the course of said company's operations. The time consumed by said company in performing the work of laying mains or pipes in the

streets and highways of said city, together with the length of trench which may be opened at any one time, shall be determined and regulated by said Board, and no such street or highway shall be opened by said company without a permit therefor from said Board, which permit shall designate, among other matters herein mentioned, the location in said street or highway where said company's pipes or mains shall be placed.

Furthermore, if at any time it shall be found necessary or expedient to lay said company's mains or pipes and the appurtenances thereto under a portion of any sidewalk, or through any sidewalk area in said city, then the said company shall, wherever necessary, first secure the consent of the owners of the abutting property so to do.

Furthermore, if it shall become necessary or expedient at any time to lay said company's mains or pipes and appurtenances under any street railway tracks in said city, then the said company shall first obtain the consent of the corporation owning such tracks so to do.

It is also understood and agreed that said Company shall, when required by the Executive Board, or its successor, lay a suitable line of distributing pipes or conduit on each side of any street or highway where such a course shall be found expedient or necessary. Said company shall lay its mains and conduits and pipes not less than three feet below the surface of the street, and it shall lay its service pipes to the curb lines of the street, and it shall also provide suitable, durable, and proper appliances to its pipes, mains and conduits, for regulating and controlling the supply of said gas, which appliances, so far as the same may form a portion of the roadway or pavement of any street or highway, shall be approved by the Executive Board.

Immediately after the mains or pipes and their appurtenances of said company shall have been laid in any street, alley, avenue or highway of said city, said company shall file with the Executive Board of the city of Rochester, or its successor, a detailed map showing the exact location of said mains and pipes and appurtenances in said street, alley, avenue or highway, both with reference to the boundary lines and the curb lines thereof, and also with reference to the lines of all intersecting streets, lanes, avenues or highways. Said company shall also file with said board, or its successor, a tabulated statement showing in figures the exact location of said pipes and their appurtenances in said streets, alleys, avenues and highways as aforesaid.

In the excavation of any of the public streets, lanes or alleys of the city of Rochester for the purpose of placing therein mains or pipes of the party of the second part, reasonable diligence shall be exercised by the party of the second part, its agents, servants and employees, to the end that any of such public streets, lanes and alleys shall not be interfered with to any greater extent than is absolutely necessary in the workmanlike laying of such mains and pipes, and any of such streets, lanes or alleys in which excavation shall be made for the purpose aforesaid, shall be, at the earliest possible day, put in as good condition as before the excavation was made.

Said company further covenants and agrees that if in the prosecution of any work whereby any existing gas, water, sewer, or other subterranean pipes or conduits, may become damaged, injured or broken, or if it should thereby become necessary to remove or alter the location of any such existing gas, water, sewer, or other subterranean pipes or conduits, then said company shall immediately notify the proper owner or corporation to whom such existing pipes or conduits lawfully belong; and any failure on the part of said company to notify such owner or corporation, shall render the said company liable to pay all claims, costs or liabilities that may accrue from the operations of said company.

Said company shall restore any and all streets, alleys, lanes, avenues, squares, parks and other public highways and places in which it may lay pipes, or which it shall disturb or interfere with in laying pipes or in trenching or excavating for the

purpose of laying pipes, or in using any of the apparatus or machinery in connection therewith, to as good condition as they were before the laying and use of said pipes, apparatus and machinery, and before said trenching and excavating were begun; and it shall maintain the same in such condition for three years after such pipes are laid or such trenches or excavations have been dug or made; and in case it shall become necessary at any time thereafter for said company to make excavations in, or interfere with any street, alley, avenue or highway in said city of Rochester for the purpose of repairing or making connections with or extensions to said pipes and appurtenances, then the same provisions relating to the restoration and maintenance of such street, alley, avenue or highway, and for the length of time hereinbefore stated after the repairing or making of such connection with or extension to said pipes or appurtenances, as is hereinbefore provided, shall become, and be, in full force and effect.

And in all cases where said city shall have taken a bond or agreement from any contractor or contractors to keep and maintain the pavements in any street in good repair for a given time, the said The Incandescent Gaslight and Fuel Company of the city of Rochester shall keep that portion of any such street from which it may remove the pavement for the purpose of laying its pipes, conduits or mains, and appurtenances in good condition and repair for the same period of time stipulated in such bond or agreement between the said city and the contractor, notwithstanding the period named may exceed the period of three years afore-said.

Said company shall, without delay, clear all such streets and places of the dirt and rubbish caused by, or resulting from, the laying and repairing of said pipes, conduits or mains and appurtenances, or the making of trenches or excavations therefor.

Said company shall reimburse the said city for all sums it may expend in restoring any street or other public place, or any part thereof, to as good condition as the same was before the same was opened for the purpose of laying its pipes, conduits or mains and appurtenances therein, and for all sums expended in clearing any or such streets or places from the dirt or rubbish caused by, or resulting from, the laying of its pipes and appurtenances, where the said company shall have failed to restore the streets or other places, or to remove such dirt or rubbish as provided by this agreement.

In case the said company shall refuse or neglect to restore or maintain the streets and other places to, and in the condition, and during the time hereinbefore specified and provided for, or shall refuse or neglect to clear the streets and places of dirt and rubbish, as herein specified and provided for, within two days after said company has been notified in writing by said city so to do, then the said city may cause and have said work performed, and the expense thereof shall be a charge upon, and paid by, said company.

The party of the second part shall, before beginning to supply gas to consumers in the city of Rochester apply, wherever needed, suitable safety appliances for the purpose of preventing explosions, leakage and other accidents.

Said company shall indemnify and save harmless the city from and against any and all claims, demands, actions, suits, judgments or liabilities of any name or nature that the said city may be subjected to, or incur, in consequence of, or growing out of the opening of said streets and other places, or the laying of said pipes and appurtenances therein, or of permitting or having or using water gas within the city, or in such pipes and their appurtenances or in said streets or other places, or in the doing of the work incident to this grant, or in the manner of doing the same, or in consequence of injuries or damages to persons or property by such gas, or by reason of any explosion of such gas, or in consequence of or growing out of, the failure of said company to restore the said streets or other places to as good condition as they were before being opened by it, or in consequence of, or growing out of any negligence

of the said company, or its agents or servants. Said company shall also pay any and all damages which may result to property of every kind owned by the city of Rochester by reason of the construction and operation of said company's works, pipes, mains or conduits and the appurtenances thereto of every description, and by reason of the explosion of any portion of the gas furnished by said company in any point in said city, or where said city owns property, or by reason of the occurrence of any accident of any kind whatever resulting from the presence or use of said company's gas, or pipes, or conduits and the appurtenances thereto for conducting and using the same.

In case the city of Rochester shall order the widening of any pavement in any street where the pipes and conduits of said company shall be laid, it shall be the duty of said company to lay its service pipes to the new curb line of such street so widened.

Whenever the said city shall determine to lay any sewer, or branch thereof, or any water pipe, or branch thereof, or any other subterranean construction, across any street or place where any of said company's pipes or appurtenances shall be laid, said company shall, at its own expense, lower, elevate, change or remove its pipes and appurtenances so that said sewer, or branch thereof, or water pipe, or branch thereof, or any other subterranean construction, may be laid at the point and place determined upon by said city.

And in case the city of Rochester shall determine at any time upon, and undertake, the construction of a sub-way in any street, alley, avenue or highway in said city for the reception and maintenance of gas, water, steam or other pipes or conduits, then the said company shall, if required by the Executive Board of said city or its successor remove, at its own expense, all of its, pipes, mains and conduits or appurtenances from their existing location in such street, alley, avenue or highway in said city, and shall introduce the same in such manner, and at such place, within said sub-way as the said board or its successor shall direct, and said company shall also pay to said city a fair rental for the use or such sub-way, which rental shall be fixed by the proper authorities of said city.

In case any pipe or conduit, and the appurtenances thereto laid by said company in any street, alley, avenue or highway of said city shall, at any time, remain unused for the purposes mentioned in this contract by said company for a period of one year, the same shall either be removed from said street, alley, avenue or highway of said city, or be put to the proper uses and purposes mentioned in this contract within thirty days after the service of written notice either to so remove said pipe, conduit and appurtenances, or to so use the same, by the Executive Board of said city, or its successor; and in case of the failure of said company either to so remove said pipe or conduit and appurtenances, or to so put the same to the uses mentioned in this contract within thirty days after the service of said notice, then the said, the city of Rochester, may take possession of such pipe or conduit and its appurtenances, without any liability on its part to said company for compensation and damages therefor, and said city may remove such pipe or conduit and appurtenances from such street, alley, avenue or highway, and dispose of it for the city's own use or benefit in any manner in which it may deem fit.

The said company shall actually begin the laying of its pipes in the streets of said city on or before the first day of July, 1887, and if the said company shall fail or neglect to comply with this provision, then the Common Council of said city may declare any and all rights granted hereunder forfeited, and the same shall thereupon be forfeited.

The party of the second part shall have water gas ready for delivery in the city of Rochester through its mains or pipes within three years from the date of the execution of this contract, and in the event of the failure of the party of the second part so to have such gas ready for delivery, the right under this contract granted by the city of Rochester to said party of the second part, shall

be voidable at the option of the party of the first part.

The party of the second part, before beginning its operations, or exercising any right or privilege under this grant in the city of Rochester, shall execute and file with the Mayor of said city a bond in the sum of fifty thousand dollars (\$50,000), with at least three sureties, who shall be freeholders of the State of New York, each of whom shall justify in the amount of said bond, which bond shall be approved by the Mayor and the City Attorney, the conditions of said bond to embrace all the stipulations herein set forth to be performed and fulfilled by the said party of the second part.

If at any time the Mayor of the city of Rochester shall deem the sureties in the afore-said bond of indemnity given to the city of Rochester under, or in pursuance of, the terms of this grant, to be insufficient, by reason of the death or insolvency of any of them, he may, upon ten days' notice, require said company to furnish other or further satisfactory bonds or sureties.

The said company shall, before commencing business in said city, under this grant, make and file with the City Clerk a schedule which shall contain the prices which said company shall charge for supplying water gas to consumers; but said company may at any time thereafter file a new schedule of prices, provided, however, that at no time is the said company permitted to fix, collect or charge a greater rate to any consumer or consumers than those fixed by the first schedule filed under this grant, without the consent of the Common Council, and the prices named in the first schedule shall not exceed fifty (50) cents per thousand cubic feet of such gas.

The company enjoying this franchise shall cause an accurate meter to be properly placed upon the application of any person who has complied with the requests of said company in furnishing the necessary apparatus for using water gas.

The said, The Incandescent Gaslight and Fuel Company of the city of Rochester, shall, during the whole period of its corporate existence, maintain its principal office in the city of Rochester, N. Y.

The party of the second part shall not at any time dispose of the franchise hereby granted, and in the event of the disposal of such franchise this grant shall become void.

The said company shall, as far as practicable, employ as laborers on the work herein mentioned only those who can establish a residence of one year in the city of Rochester.

This grant is made by the city of Rochester and accepted by the Incandescent Gaslight and Fuel Company of the city of Rochester, with the agreement on the part of the Incandescent Gaslight and Fuel Company that at the expiration of twenty years from the date of this grant, the city of Rochester may purchase and take possession of the said Incandescent Gaslight and Fuel Company's plant, together with all the property connected therewith, at an appraisement to be made by three disinterested parties, who shall be appointed as follows:

The Incandescent Gaslight and Fuel Company of the city of Rochester to appoint one, the Mayor of Rochester one, and those two to name a third, providing, however, that such sale to the city shall in no manner affect any contract then existing between the Incandescent Gaslight and Fuel Company of the city of Rochester and any other company or companies, individual or individuals.

The city of Rochester herewith reserves the right to make other and similar grants to supply water gas in said city for like purposes to any other company or companies applying therefor, under such conditions and restrictions as the Common Council may deem proper, the same as if this grant had not been made, provided that in no case shall the mains of more than two competitive companies be laid in any street.

Ordered received, filed and published.

By Ald. Mandeville—Resolved, That the form of the foregoing contract be, and it hereby is approved and the Mayor is authorized

and directed to execute such a contract on the part of the city with the Incandescent Gaslight & Fuel Company.

Ald. Foley moved to refer the form of agreement and resolution back to the committee for the purpose of striking out the clause in reference to the employment of laborers. Lost by the following vote:

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Fritzsche, Foley, Swikehard, Weider, Stein, Kelly, Schaeffer.—9.

Nays—Ald. Marson, Watson, Kohlmetz, Elliott, Mandeville, Bohrer.—6.

Ald. Mandeville gave notice that he would not serve on the Special Gas Committee any longer.

By Ald. Mandeville—

Agreement made and entered into between The City of Rochester, a municipal corporation, party of the first part, and The Natural Gas and Fuel Company of the city of Rochester, party of the second part:

Witnesseth, The party of the first part hereby grants to the party of the second part the exclusive right to lay maintain and operate in the public streets, lanes and alleys of the city of Rochester mains and pipes for conveying natural gas to be used for heating and lighting purposes, subject to the conditions hereinafter in this contract imposed, and for the consideration hereinafter stated.

The mains and pipes of the party of the second part placed in any of the public streets, lanes or alleys of the city of Rochester shall be so placed under the direction and superintendence of the Executive Board of the city of Rochester, and in obedience to the regulations and requirements adopted by said Executive Board.

Before commencing the laying of any mains or pipes in any of the public streets, lanes or alleys in the city of Rochester, the party of the second part shall prepare and furnish to the Executive Board a plan showing the proposed location of mains or pipes, with specifications giving full particulars as to the kind and size of pipes to be used.

In the excavation of any of the public streets, lanes or alleys of the city of Rochester for the purpose of placing therein mains or pipes of the party of the second part, reasonable diligence shall be exercised by the party of the second part, its agents, servants and employees to the end that any of such public streets, lanes and alleys shall not be interfered with to any greater extent than is absolutely necessary in the workmanlike laying of such mains or pipes, and any of such streets, lanes or alleys in which an excavation shall be made for the purpose aforesaid, shall be, at the earliest possible day, put in as good condition as before the excavation was made.

All mains and pipes shall be laid below the frost line.

The party of the second part shall indemnify the party of the first part, upon demand, from all cost, expense, suit or damage which may occur from the laying of the mains or pipes of the party of the second part in said city, and from the opening or

excavation in any street, lane or alley for that purpose.

The party of the second part shall, before beginning to supply gas to consumers in the city of Rochester apply, wherever needed, suitable safety appliances for the purpose of preventing explosions, leakage and other accidents.

The party of the second part shall not at any time during the existence of the franchise hereby granted collect or receive for gas furnished in said city an amount which shall exceed one dollar per thousand cubic feet of natural gas furnished.

The party of the second part shall have natural gas ready for delivery in the city of Rochester through its mains or pipes within three years from the date of the execution of this contract, and in the event of the failure of the party of the second part so as to have gas ready for delivery, the exclusive right under this contract granted by the city of Rochester to said party of the second part shall be voidable at the option of the party of the first part.

The party of the second part shall not at any time dispose of the franchise hereby granted, and in the event of the disposal of such franchise, the said grant shall become void.

In consideration of the grant of the exclusive right of furnishing by the party of the second part natural gas for heating and lighting purposes within the limits of the city of Rochester, the party of the second part hereby agrees that it will furnish such an amount of natural gas as may be required by the city of Rochester to heat and light the City Hall and Front street buildings as long as said party of the second part shall supply natural gas to any person or persons in the city of Rochester.

That prior to commencing to lay pipe in any of the streets, lanes, alleys or highways of said city, and as a condition precedent to the right to do so, the said company shall execute a bond in the penal sum of \$50,000, to be approved as to its sufficiency by the Mayor, conditioned to faithfully conform to and carry out any and all conditions and regulations of the Executive Board, or of its successor, as adopted by it and expressed therein, in relation to the use of said streets, etc., for the purposes of said company.

Ordered received, filed and published.

By Ald. Mandeville—Resolved, That the form of the foregoing contract be, and it hereby is, approved, and the Mayor is authorized and directed to execute such a contract on the part of the city with the Rochester Natural Gas and Fuel Company. Adopted.

Ald. Weider moved that the resolution lay on the table one week. Lost by the following vote:

Ayes—Ald. Coughlin, Swikehard, Weider, Stein, Schaeffer—5.

Nays—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Bohrer, Kelly—10.

The resolution was then adopted.

Ald. Elliott moved a reconsideration of the action on the resolution directing a contract to be made with the Incandescent Gas Light and Fuel Company. Adopted.

On motion of Ald. Elliott the resolution was adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Mandeville, Bohrer, Schaeffer—8.

REGULAR MEETING.

Ald. Wm. H. Tracy, President of the Board, presiding.

Present—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Foley, Seibe, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

Absent—Ald. Fritzsche, Elliott—2.

APPROVAL OF MINUTES.

The minutes of the previous meeting were approved as published in the book of proceedings.

**PRESENTATIONS OF PETITIONS, ACCOUNTS, ETC.,
AND THEIR REFERENCE.**

By Ald. Kohlmetz—Petition for a stone sewer in North Clinton street. Referred to the City Surveyor to prepare an ordinance.

By Ald. Foley—Petition for the improvement of Reynolds st.; also petition for the grading of Mansion street; both referred to the City Surveyor to prepare ordinances; also petition for water works on West avenue from the canal to Favor street; also petition for water mains in Hawley street, 1,000 feet west from Jefferson avenue; both petitions referred to the Water Works Committee and Executive Board; also petition of Albert Bennett to erect a wood building; referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Selye—Petition for the extension of Glenwood park; referred to the City Surveyor to prepare an ordinance.

REPORTS OF STANDING COMMITTEES.

By Ald. Bohrer—

To the Hon. the Common Council:

Your committee on Opening and Alteration of Streets, to whom was referred the petition of the residents of Favor street, said petition requesting that the name of said street be changed to Chester street, respectfully report in favor of the prayer of the petition, and recommend that the name be changed as requested.

LOUIS BOHRER,
CHRISTIAN STEIN,
W. H. MARSON,
D. W. SELYE,
Committee.

Adopted.

By Ald. Bohrer—

To the Hon. the Common Council:

Your Committee on Opening and Alteration of Streets, to whom was referred the petition of the residents of the street now known as River Road, setting forth that said street is the true prolongation or continuation of Plymouth avenue, and requesting that said River road be changed in name to Plymouth avenue, respectfully state that upon due consideration of the facts in the case, that in its opinion the prayer of the petition should be granted and the name be changed as requested in the prayer of the petition. Also, your committee recommends that the short street now known as a part of Plymouth avenue, commencing at a point near Slatery's place and running thence to Genesee street, be changed to Foley street.

LOUIS BOHRER,
CHRISTIAN STEIN,
W. H. MARSON,
D. W. SELYE,
Committee.

Ordered received, filed and published.

Ald. Foley moved that the report lie on the table until the next meeting. Adopted.

By Ald. Kelley—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN:—Your Law Committee reports upon the judgment recovered by Amelia Barhydt March 9th, 1886, for \$350 damages and \$141.60 costs as follows:

The action was brought to recover \$1,000 damages for injuries caused to the plaintiff by falling over a surveyor's stone monument, which projected above the surface of the sidewalk, on the corner of Stone street and Johnson Park. The case was referred to W. H. Bowman, Esq., and he reported in favor of the plaintiff, awarding her \$550. Judgment was subsequently entered for the amount of damages and costs, as above set out. The City Attorney made a motion to set aside the

taxation of costs on the ground that notice of the time and place of the accident was not served upon the Mayor or City Attorney within fifteen days after the accident occurred, such notice being by the charter necessary to entitle the plaintiff to costs. Mr. D. Wood, the attorney for the plaintiff, now offers to accept \$425 in full of the damages and costs and discharge the judgment.

Your committee is of the opinion that the plaintiff is entitled only to the sum awarded as damages, and does not feel justified in recommending the payment of any portion of the costs. The damages with interest to date amounts to \$356.41.

Your committee recommends the adoption of a resolution directing the payment of said sum to the attorney for the plaintiff upon the satisfaction of the judgment.

The petition of Elmer Murphy for damages to his horse caused by being frightened by a steam roller used in the improvement of Hickory street, should in the opinion of your committee be referred to the Executive Board to investigate and report back to the Common Council.

All of which is respectfully submitted.
J. MILLER KELLY,
P. WEIDER,
D. W. SELYE,
H. KOHLMETZ,
Committee.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the city clerk be, and he hereby is, directed to draw an order on the city treasurer in favor of D. Wood, attorney for Amelia Barhydt, for \$356.41, payable from the contingent fund, upon the certificate of the city attorney being filed with the city clerk that the judgment recovered by said Barhydt against the city, docketed in Monroe County Clerk's office March 9, 1886, has been satisfied and discharged of record.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Foley, Selye, Mandeville, Swikehard, Weider, Bohrer, Kelly—12.

Ald. Kelly presented the petition of Elmer Murphy in reference to the injury of his horse which was frightened by the steam roller on Hickory street, April 27th last, and moved its reference to the Executive Board. Adopted.

By Ald. Coughlin—

To the Hon. the Common Council of the City of Rochester.

GENTLEMEN:—In view of the fact that all the contracts for lighting the city with gas expire with the present month, your Lamp Committee submits the following communications received by it in reply to letters of inquiry sent out to ascertain the prices at which the contracts could be renewed for another year:

“THE ROCHESTER GAS LIGHT COMPANY, }
Rochester, N. Y., May 27, 1886. }

“Lamp Committee, Common Council:

“GENTLEMEN—Replying to your invitation for proposals for lighting the public lamps, this company makes the following proposition: We will light all the lamps in the district now supplied by this company, from July 1st, 1886, to July 1st, 1887, every night, and all night, candle power of gas to be from 16 to 18 consumed through four foot burner, and will agree to light, extinguish and keep in ordinary repair at the rate of four cents per lamp per night.

Respectfully,

MATT. CARTWRIGHT, Supt.

In the event of the acceptance of the above proposition, we hereby guarantee the faithful performance of the same. PATRICK BARRY,
D. A. WATSON.

To the Lamp Committee of the Common Council of the City of Rochester:

GENTLEMEN: The Citizens' Gas Company, in response to your notice of May 22d inst., offers to

light all the public gas lamps on the east side of the river in the district supplied by the mains of this company, lighting every night, and all night, with gas of an illuminating power of from sixteen to eighteen candles, consumed through a burner measuring four feet per hour, for the sum of five cents per lamp per night. The above bid to include lighting, extinguishing and keeping in ordinary repair, as heretofore, for one year from the first day of July, 1886, to the first day of July, 1887.

M. F. REYNOLDS, President.

Rochester, May 27, 1886.

ROCHESTER, May 27, 1886.

We hereby guarantee the fulfillment of the above proposition.

UNITED GAS IMPROVEMENT CO.,
for the Municipal Gas Light Co.,
Office 29 State street,
J. Y. McClintock, Supt. and Agent.

ROCHESTER, N. Y., May 27, 1886.

To the Hon. Lamp Committee of the City Council:

GENTLEMEN: This company will furnish gas to the lamps it now supplies, and will light, extinguish, clean and keep same in repair from July 1st, 1886, to July 1st, 1887, to be lighted all night, and every night; will furnish gas of twenty-three candle power, and burners burning four feet of gas per hour. The price to be paid to be five (5) cents per night for each lamp.

UNITED GAS IMP. CO.,
by J. Y. McClintock, Supt. and Agent.

We guarantee the United Gas Improvement Company will enter into contract as above.

SYLVANUS J. MACY,
S. B. STEWART.

To the Honorable the Lamp Committee of the Common Council:

GENTLEMEN: Yours of the 22d was not received by us until the 24th inst., and with this short notice it is impossible for us to give you an intelligent estimate of the cost of furnishing light for the scattered territory covered by your notice. We have recently purchased a large power in the central part of the city and will have it in full operation September 1st next. At that time we will put in a proposition to furnish electric lights of equal power to those now in use, in the central wards, at a price not to exceed 25 cents a light per night, and we would respectfully suggest that it would be greatly for the benefit of the taxpayers to extend the present lamp contract until September 1st, having in view the reduced price at which electric lights can be furnished after that date.

Respectfully yours,

ROCHESTER ELECTRIC LIGHT CO.,
(Per R.)

It will be seen that the Rochester Electric Light Company will not be able to furnish light before September 1st, 1886, and your committee is for that reason unable to make a favorable report for a contract with that company.

The bid made by the Rochester Gas Light Company, namely, four cents per lamp per night, your committee regards as reasonable; it is also the opinion of your committee that the price for gas to each of the companies should be uniform, and your committee therefore recommends the adoption of a resolution directing the Mayor to enter into a contract with each of said companies to light the street lamps in the territory now lighted by each of said companies respectively for one year from July 1st, 1886, provided that the Citizens' Gas Company and the United Gas Improvement Company will enter into such a contract at the price proposed by the Rochester Gas Light Company, namely, four cents per lamp per night.

All of which is respectfully submitted.

WM. COUGHLIN, JR.,
J. MILLER KELLY,
J. H. FOLEY,
GEO. B. SWIKERHARD,
HENRY KOHLMETZ,

Lamp Committee.

Ordered received, filed and published.

By Ald. Coughlin—Resolved, That the Mayor be, and hereby is, directed to execute contracts with the Rochester Gas Light Company, the Citizens' Gas Company and the United Gas Improvement Company, for lighting the street lamps in the territory now lighted by each of said companies, respectively, for a period of one year from July 1st, 1886, at the price of 4 cents per lamp per night; said contract to be approved as to form by the city attorney, and to be accompanied by a bond from each of said companies in the penal sum of \$10,000, conditioned for the faithful performance of the contract, such bond also to be approved by the city attorney.

Ald. Coughlin moved that the report and resolution lie on the table until the next regular meeting. Adopted.

Ald. Watson moved that Rule 38 be suspended and that the monthly pay rolls be placed upon the finance budget. Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Selye, Mandeville, Swikehard, Welder, Stein, Bohrer, Kelly—11.

FINANCE BUDGET No. 3.

ROCHESTER, N. Y., June 29, 1886.

By Ald. Watson—Resolved, That in pursuance of section 58 of the City Charter, the City Clerk be and he hereby is directed to draw warrants on the City Treasurer, in favor of the following named persons, for the amounts set opposite their respective names, and that the City Treasurer be and he hereby is directed to pay said warrants when there are funds applicable, and charge the proper funds as follows:

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

MAYOR'S OFFICE,
ROCHESTER, June 23, 1886.

Gentlemen of the Common Council.

The amount of money remaining to the credit of the lamp fund after the payment of the June bills for the lighting of the city will be about \$75,000. With this amount all the lighting of the city must be paid for until the first of April next—a period of nine months. Under its contract with the Brush Electric Light Company the city is paying in round figures, for 310 electric lights the sum of

about \$52,000 per annum, or a little more than \$4,300 per month. To the Rochester Gas Light Company, for 697 gas lamps, \$1,052 per month. To the United Gas Improvement Company, for 228 lamps, \$344 per month, and for kerosene oil lamps, 1,332 in number, about \$600 per month. All contracts for lighting, with the exception of the contract with the Brush Company, which has two years yet to run, will expire July 1st, and as yet no provision has been made for their renewal. The sum of about \$40,000 is pledged to the Brush Electric Light Company for the balance of the year. This will leave \$ 5,000 to the credit of said fund for all other lighting until April 1st next. At your meeting, held June 15th, the Mayor was directed to execute a contract with the Brush Electric Light Company for furnishing additional electric lights in the territory now lighted by kerosene oil. As no estimate is given of the number of electric lights that will be necessary, and as the said scheme also provides for the substitution of electric lights for some of the lamps now lighted by gas, in order that the lines leading to the oil districts may be made continuous, so to speak, and as no mention is made or calculation given as to what this involves in the matter of increased expense, I am simply called upon to execute an agreement for an unlimited number of additional electric lights, which may increase the expenses of the lamp department many thousand dollars in excess of the amount appropriated. I cannot lend my aid to this project. It is unbusinesslike to proceed in the manner indicated. I am determined that we shall keep within the amount of the appropriation if such a thing be possible. I am willing to co-operate with you, and here put myself on record as favoring the substitution of electricity for oil, if it is agreed that we shall proceed in a practical and business-like way, and to the end that we do not involve the city in an expenditure greater than the calculation made at the time of the adoption of the tax levy. Justice to all sections of the city now lighted by kerosene oil requires that the contemplated electric lights—that is to say, so many as we can afford to pay for within the appropriation—be equitably distributed, and the Surveyor should be directed to prepare a plan and map showing such distribution, treating all sections alike, and working on the theory that there must be a limit to the amount thus to be expended. To a proper resolution of this character, if advantageous to the city, I will cheerfully give my sanction. For the reasons above given I hereby return disapproved the resolution adopted at your last regular meeting, offered by Ald. Coughlin, and to which I have referred.

CORNELIUS R. PARSONS, Mayor.

3:45 p. m., July 24, '86.

Ordered, received, filed and published.

The chairman put the question shall the resolution stand as a resolution of the Board notwithstanding the objections of His Honor, the Mayor. Lost by the following vote:

Nays—Ald. Tracy, Marson, Watson, Kohlmetz, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—13.

Ayes—Ald. Coughlin—1.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—On the 3d of May, 1884, Bernard Klem conveyed to the city of Rochester a right of way across lots one and two of Klem's subdivision of part of the Boody farm, to be used by said city for the construction and maintenance of the Court and William street outlet sewer; such conveyance was made upon the condition that said lots one and two should be forever free from any tax or assessment for the construction, maintenance or repair of said sewer.

In 1883 an assessment was made for the cleaning and straightening of said sewer, which included said lots one and two, which property was then,

and is now, owned by Hiram Sibley and Hobart F. Atkinson.

The assessment is still unpaid as to lots one and two, and these gentlemen as such owners ask that such assessment be cancelled, and the apparent lien upon their property removed.

After an investigation of the facts I would recommend that your honorable body direct the treasurer of the city of Rochester to cancel such assessment upon lots one and two of Klem's subdivision of part of the Boody farm, now owned by Hiram Sibley and Hobart F. Atkinson, and charge the same to erroneous assessments.

Rochester, June 28, 1886.

J. N. BECKLEY, City Attorney.

Ordered received, filed and published.

By Ald. Mandeville—Resolved, That the Treasurer be, and hereby is, directed to cancel the assessment for the cleaning and straightening of Court and William streets outlet sewer as to lots one and two of Klem's subdivision of part of the Boody farm, now owned by Hiram Sibley and Hobart F. Atkinson, and charge the same to erroneous assessments.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Kohlmetz, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—13.

To the Common Council:

GENTLEMEN: The stone sidewalk on the northeast corner of West avenue and York street requires to be renewed, as the stone of which it was originally constructed has under the action of frost become disintegrated and badly broken up, leaving it in a dangerous condition.

The Executive Board has caused the owner to be served with legal notice to repair or renew, but without result, and would therefore respectfully recommend that an ordinance be passed for the construction of a new walk at the point indicated.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Swikehard—Resolved, That the City Surveyor be and hereby is directed to prepare an ordinance for the construction of a flag walk on the north side of West avenue, at the corner of York street, along property owned by the heirs of P. Grehan. Adopted.

OFFICE OF EXECUTIVE BOARD,
ROCHESTER, June 26, 1886. }

To the Assessment Committee of the Common Council:

GENTLEMEN—In the matter of the petition of Mrs. H. P. Vanderbeck which was referred by your committee to the Executive Board, said Board would respectfully report the following facts:

It appears from the records of proceedings of the Common Council for 1876-7, that the final ordinance for opening a boulevard from McCracken street (now Drying Park avenue), to the north line of the Lake Avenue Building Lot Association property, was passed July 18, 1876. Commissioners were appointed and reported their findings to the Common Council December 12, 1876, and the assessment roll was confirmed February 20, 1877. The accompanying table shows the names of the owners of the property taken, with the awards and assessments for the same, which were paid and collected.

It will thus be seen that all proceedings were legal-ly taken to acquire the land, the necessary map was filed and the strip of land is now a public highway. It is true that the work of properly grading the same, to make it convenient for use, has never been done, nor have the trees, fences and other obstructions been removed up to date.

Respectfully submitted,
 THOMAS J. NEVILLE, Clerk.

Ald. Kelly moved to refer the report to the Assessment Committee. Adopted.

By Ald. Kohlmetz—Resolved, That the City Surveyor be and hereby is directed to immediately devise a plan and prepare an ordinance for making the necessary construction for carrying the surface drainage to the river from that portion of Vincent Place extending from North St. Paul street to the east end of Vincent Place bridge, in accordance with the recommendations of the Executive Board in its communication of June. Adopted.

To the Common Council:

GENTLEMEN—The plank sidewalks on the southwest corner of Plymouth avenue and Bartlett street on premises owned by James Campbell, also on the southwest corner of Plymouth avenue and Strong street, premises owned by heirs of H. E. White, are dangerous, and so badly decayed as to be beyond repair. Notice has been repeatedly served upon the said owners to repair, but nothing has been done. The Executive Board would therefore respectfully recommend that the City Surveyor be instructed to introduce ordinances for the construction of new walks where necessary, at and in the vicinity of the points indicated.

Respectfully submitted,
 THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

To the Common Council:

GENTLEMEN: An examination of South Water street shows that the timber work is badly decayed and in places absolutely dangerous. The planking must be entirely renewed. The Executive Board would therefore respectfully recommend that an ordinance be passed for the renewal of all timber and plank work that may be found necessary.

Respectfully submitted,
 THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Watson—Resolved, That the City Surveyor be and he hereby is directed to prepare an ordinance for the renewal of the timber and plank work on South Water street, in accordance with the recommendations of the Executive Board. Adopted.

To the Common Council:

GENTLEMEN—The estimate made for the construction of Brown street sewer was apparently insufficient as the proposals received by the Executive Board for the work were in excess of the amount named in the ordinance. A new ordinance will have to be passed if the work is to be done.

Respectfully,
 THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

Ald. Swikehard moved that the action on the ordinance for a sewer in Brown street be reconsidered. Adopted.

Ald. Swikehard moved that action on the ordinance be indefinitely postponed. Adopted.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Having been appointed to the responsible position of inspector of vinegar for the city of Rochester, I would respectfully ask that some provision be at once made for the purchase of apparatus necessary to perform the tests required by law. The matter of salary, too, please be not unmindful of, but refer to the proper committee to decide and greatly oblige,

RICHARD CURRAN.

Ald. Foley moved that the petition be referred to the Salary Committee. Adopted.

ROCHESTER, N. Y., June 21, 1886.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: We the undersigned, owners and tenants of buildings endangered by sparks from the cupalo or chimney of the Whitney building, situated on the west side of North Water street, between River street and Central avenue, do hereby most heartily endorse the accompanying resolution of the Rochester Board of Underwriters, and earnestly request your Honorable Body to take immediate action in the premises to insure greater safety to the adjacent property. We have the honor to be, very respectfully yours, etc.,

ROCHESTER BOARD OF UNDERWRITERS, }
 SECRETARY'S OFFICE, 130 POWERS' BLOCK,
 ROCHESTER, N. Y., June 21, 1886. }

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—At a meeting of the Rochester Board of Underwriters held on the 15th inst., I was instructed to present to your honorable body, the accompanying preamble and resolutions relating to the danger arising from sparks issuing from the cupalo or chimney of the Whitney building, situated on the west side of North Water street, between River street and Central avenue, and to request your immediate action in the premises, there-

by affording greater protection to adjacent property. I have the honor to be,

Very respectfully, your obt' servant,
SELDEN PAGE, Secretary.

Ordered received, filed and published.

Whereas, The cupola or chimney of the Whitney building, used by Shorer & Taillie, on the west side of North Water street, between River street and Central avenue, was the cause of the fire June 5th in the building of Munn & Ansice, situated on the east side of North Water street; also that sparks from said cupola or chimney have at other times started fires upon the window sills of said Munn & Ansice's building; also in the street between; and in our judgment all the property in that neighborhood is endangered by said cupola or chimney; and,

Whereas, The attention of the Fire Marshal has been called to this matter, and no remedy has been effected by him; be it

Resolved; That the Rochester Board of Underwriters petition and they do hereby petition the Common Council of this city to take such action as will cause the owner or owners of said dangerous cupola or chimney to have it built at least fifteen feet higher and a spark arrester placed thereon. As in duty bound will ever pray.
SELDEN PAGE, Secretary.

Ordered received, filed and published.

Ald. Stein moved that the fire marshal instruct Mr. Whitney to put a screen on the chimney within five days, and if it was not done, to place it there and charge it to him. Lost.

Ald. Foley moved that the fire marshal be requested to abate the nuisance within twenty-four hours. Adopted.

The report of the milk, meat and vegetable inspector for the month of June was presented and ordered received and filed.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

NORTH ST. PAUL STREET PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing an eighteen (18) inch vitrified pipe sewer in North St. Paul street, from Avenue C to Avenue B.

The Surveyor submitted as such estimate \$1,050.

By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer eighteen (18) inches in diameter in North St. Paul street, beginning at the produced north line of Avenue G and extending to intersect the sewer in Avenue B, with the necessary manholes and surface sewers, lot laterals and connections; also the necessary roadway grading and gutter formations.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$1,050, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of North St. Paul street, from the north line and the north line produced westerly, of Avenue C to Avenue B.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, July 13th, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

HENRIETTA AVENUE PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a pipe sewer in Henrietta avenue.

Adopted.

The Surveyor submitted as such estimate, \$500.

By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The construction of a pipe sewer 12 inches in diameter in Henrietta avenue, from a point 25 feet east of the northeast corner of Goodman street, to the 15 inch pipe sewer crossing Henrietta avenue; also the necessary surface sewers, lot laterals, manholes, etc.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reported the same at \$500, which estimate is hereby approved.

Resolved further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Henrietta avenue, from a point 25 feet east of the northeast corner of Goodman street to where the pipe sewer crosses Henrietta avenue.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, section 172 of the Revised Charter of 1880, of the city of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, July the 13th, 1886, at 7:30 o'clock, at the Common Council Chambers, when allegations will be heard.

Adopted.

PORTLAND CEMENT SIDEWALKS ON CHESTNUT PARK.

By Ald. Kohlmetz—Resolved. That the City Surveyor ascertain and report to this Council the expense of constructing Portland cement sidewalks on each side of Chestnut park, from Chestnut street to Williams street.

Adopted.

The Surveyor submitted as such estimate, \$950.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of Portland cement sidewalks, of the John J. Schillinger patent, four (4) feet wide, on each side of Chestnut park, from Chestnut street to Williams street; the outer line of the sidewalks to be on the outer lines of the aforesaid park, with the necessary grading between the said outer lines and the curb lines, including the grubbing and removal of all trees and other obstructions that may interfere with the proper and workmanlike execution of the proposed improvement; also, the neatly grass sodding of the spaces between the cement walks and curb lines aforesaid. The party or parties to whom the contract for the above-mentioned improvement may be awarded will be required to furnish the city with a sufficient and satisfactory guaranty for keeping the Portland cement sidewalks aforesaid in good repair and without charge for five (5) years from the date of the completion of the same.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$950, which estimate is hereby approved.

Resolved, further, That the following portion of said City is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Chestnut Park, from Chestnut street to Williams street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, July the 13th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

CONKEY AVENUE PLANK WALKS.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing plank sidewalks on each side of Conkey avenue, from Scrantom street to Avenue D, with the necessary crosswalks.

Adopted.

The Surveyor submitted as such estimate, \$1,995.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a plank sidewalk four (4) feet wide on each side of Conkey avenue from Scrantom street to Avenue D with the necessary crosswalks and sidewalk grading and gutter formation; but where sidewalks and crosswalks within the limits named on Conkey avenue of good quality and proper width, grades and alignments now exist they shall not be disturbed; also the owners of lots abutting on Conkey avenue within the aforesaid limits shall have the right, under the supervision of the Executive Board and City Surveyor, to construct their own sidewalks to be completed, with the grading and gutter formation, within thirty (30) days after the grades and alignments have been established by the City Surveyor.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and report the same at \$1,995, which estimate is hereby approved.

MISCELLANEOUS BUSINESS.

By Ald. Schaeffer—

OFFICE OF THE CHIEF OF POLICE,
Rochester, N. Y., June 29, 1886.

To the Bicycle Committee of the Common Council:

GENTLEMEN: There was an understanding about a year ago, made between your committee and members of the different bicycle clubs of this city, limiting the riding of bicycles in certain parts of the city, but that agreement has been broken continually this summer, and there have been so many complaints from citizens about the promiscuous use of such through the principal part and center of the city that it became my duty to notify bicycle riders through the newspapers that the ordinance in regard to the same would be enforced. I would most respectfully ask your committee to furnish me with a copy of those resolutions in relation to the same.

I am, gentlemen, yours respectfully,

J. P. CLEARY, Chief Police.

Ordered received, filed and published.

By Ald. Schaeffer—Petition for a sewer in Bernard street and Hayward park; referred to the Sewer Committee. Also petitions for water-works extension on Henrietta avenue and Third avenue; referred to the Water Works Committee and Executive Board.

By Ald. Schaeffer—

ROCHESTER, June 29, 1886.

To the Hon. Commn Council:

GENTLEMEN.—The undersigned respectfully represents that he has opened two streets north of and extending to Pinnacle avenue through property owned by him and known as lot 52, township 12, range 7. Said streets opened by me are designated on the map thereof as Nagle and Claremont streets. I have opened said streets for public use, have filed a map thereof in the Clerk's office of Monroe County, N. Y., and have fully dedicated the same as public streets, and I hereby request your honorable body for and in behalf of the city of Rochester to accept the dedication of such streets by such formal and legal action as may be required and I hereby agree to perform such other act or acts as may be required to render this proposed dedication effective and legal.

Respectfully Yours,

JOHN A. NAGLE.

Ordered received, filed and published.

By Ald. Schaeffer—Resolved, That the communication of John A. Nagle to the Board, dedicating certain streets through his property in the 16th ward to public use, be referred to the Executive Board to report at the next regular meeting of this Board, if said Nagle has performed all acts necessary to render the dedication of said streets to public use complete and legal. Adopted.

Ald. Schaeffer moved to reconsider the action taken at the last meeting in reference to petition of H. L. Fish. Adopted.

Ald. Schaeffer moved that the matter be referred to the Executive Board. Adopted.

By Ald. Kelly—Resolved, That the City Surveyor be, and hereby is directed to prepare an ordinance for the widening of Myrtle street. Adopted.

By Ald. Weider—Whereas, The property owners on Comfort street from South avenue to Pinnacle avenue, are desirous of replacing the present delapidated plank walks thereon with permanent stone walks; therefore,

Resolved, That the City Surveyor be, and is hereby directed, to establish the line and grade for the same as soon as practicable. Adopted.

By Ald. Weider—Petition of McGraw & Fox for relief under their contract for Hickory street improvement. Referred to the Improvement Committee.

By Ald. Mandeville—Petition of John A. C. Wright for permission to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

Ald. Mandeville moved that the resolution by Ald. Foley in relation to the charter revision, published at page 147 of current proceedings, be reconsidered. Adopted.

Ald. Mandeville moved that the resolution be adopted. Adopted.

Mandeville—Resolved, That the contract for the furnishing of two hundred and seventy-five tons of grate coal for the City Hall be awarded to the following firms, in accordance with their proposals: Bradshaw & Erzberger, H. B. Smith, F. W. Baetzel, Bernhard & Casey, Phillips & Van Ingen. Adopted.

By Ald. Mandeville—Resolved, That the Mayor be, and is hereby requested, to furnish this board with a copy of the contract made with the Edison Electric Illuminating Co for permission to lay its wires under the streets of the city of Rochester, for the information of the board and for publication. Adopted.

By Ald. Selye—Resolved, That the Clerk be and he hereby is directed to draw orders in favor of John Sheridan, William Coughlin, Daniel Golden, Monroe Bills, A. Karon for \$30.80 each and P. Behan for \$27.72, for J. Schuler for \$26.18, and for Michael Cashman for \$4.62, the above amounts being for labor on public parks for month of May and Charles Park Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Foley, Selye, Mandeville, Swikehard, Weider, Bohrer, Kelly, Schaeffer—13.

By Ald. Foley—Whereas, At a regular meeting of the Common Council held March 9th, 1886, the Executive Board reported that Louise C. Canfield had filed a map of Canfield place, running 306 feet from Union street, and in this particular has complied with the necessary requirement in the matter of dedicating a street for public uses; therefore,

Resolved, That this Common Council, on behalf of the city, does hereby accept the dedication of Canfield place, running 306 feet from Union street, made by Louise C. Canfield, and do hereby declare the same a public street; and the City Clerk be directed to enter the same in the street register and the Executive Board be notified of the same. Adopted.

By Ald. Foley—Whereas, The tax-payers on West avenue are now expending over \$60,000 for the purpose of making a perfectly clean, smooth, solid pavement in West avenue; and,

Whereas, The Rochester City & Brighton Street Railroad Company propose to lay double tracks through the center of said street, and thereby set apart the best part of the street for their use; and,

Whereas, It is a notorious fact that the Street Car Company has utterly failed in its agreement and obligations to keep its tracks in order; and,

Whereas, One principal reason why it has so failed to keep its tracks in order is that its method of construction, viz: laying flat rails upon a wooden superstructure is faulty, unstable and constantly liable to decay and get out of repair; a method that is rapidly being

superseded in all principal cities of this country and Europe, by using an iron sub-structure; and,

Whereas, In Europe the flat rail has been entirely superseded by a groved rail, which has shown itself to be better adapted in both winter and summer to the wants of both the Railroad Company and the people, and which presents absolutely no obstruction to driving over it; therefore, be it

Resolved, That the Rochester City & Brighton Railroad Company are hereby directed to use for their tracks in West avenue, what is known as "the English grooved rail," with iron sub-structure, to be approved as to width and depth of grove by the Executive Board, and a copy of this resolution shall at once be served upon said Railroad Company. Adopted.

By Ald. Foley—Resolved, That permission be granted to A. M. Wilson to construct a Portland cement walk, instead of plank, on south side of Flint street, from Plymouth avenue to a point 135 feet west, under the supervision of the City Surveyor and Executive Board. Adopted.

Ald. Marson presented the petition of Thomas Peart in regard to the remission of taxes, which was referred to the Assessment Committee.

On motion of Ald. Coughlin the Board then adjourned.

PETER SHERIDAN, City Clerk.

In Common Council—July, 13, 1886.

REGULAR MEETING.

Ald. Wm. H. Tracy, President of the Board presiding.

Present—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

BRIGHTON, N. Y., July 13, '86.

At a meeting of the officers of the village of Brighton, July 13th, '86, at 7:30 p. m.,

Resolved, That the Rochester & Brighton Rail-

road Co. be requested to extend their Park avenue line through said avenue to Hart or some other street east of Hart street and thence to the south line of East avenue in the village of Brighton near Hughson's wagon factory, and that the President of the village and Board of Trustees, together with a committee of ten citizens appointed by the President, meet the officers of the Street Car Co. at an early day with full power to urge their immediate attention to our request; and that the Clerk of this Board invite the members of the Common Council of the city of Rochester to be present at said meeting and assist so far as they can in this matter so beneficial to both Rochester and Brighton.

[Countersigned] THOS. E. BLOSSOM,
Clerk.

BRIGHTON, N. Y., July 13, 1886.

To the Common Council of the City of Rochester: GENTLEMEN—You are earnestly requested to join the officers of the village of Brighton and citizens' committee in urging upon the Rochester & Brighton Street Car Company the importance of extending their Park avenue line to Brighton village.

As you well know, they have the only charter to run cars to Brighton, and, like the dog in the manger, they will not run there themselves, or let anybody else run there, but with your assistance and influence properly exerted they may, perhaps, give the matter some attention.

Rochester has Brighton's trade, and should in return give us their influence so far as possible to enable us to obtain from the Street Car Company what we reasonably ask and demand.

The Street Car Company has named Thursday, July 15th, at 10 a. m., at their building, near barn, for an interview with us, and the presence of any or all of your honorable body interested in this matter is respectfully requested at this meeting.

Yours truly,

VILLAGE OF BRIGHTON.

THOS. E. BLOSSOM, Clerk.

By Ald. Weider—Petitions of M. Lusher and B. Friedman for permission to erect wood buildings. Referred to the Wood Building Committee and Fire Marshal with power to act; also petition for Portland cement walk on Goodman street. Referred to the City Surveyor to prepare an ordinance.

By Ald. Kelly—Petition of Mary J. Houghtaling for permission to erect a wood building. Granted.

By Ald. Schaeffer—Petition for water mains on Alphonse street, referred to the Water Works Committee and the Executive Board; also petition of Leo Terhaar for permission to erect a wood building; referred to the Wood Building Committee and Fire Marshal to report back to the Board at the next regular meeting.

By Ald. Stein—Remonstrance against the petition of Leo Terhaar for permission to erect a wood building; referred to the Wood Building Committee and Fire Marshal.

By Aid. Schaeffer—Petition of Lawrence Hanavy to erect a wood building; referred to the Wood Building Committee and Fire Marshal with power to act.

Aid. Foley moved that the action taken at the last meeting in regard to the use of the grooved rail on West avenue be reconsidered. Adopted.

Aid Foley moved that the matter be referred to the Improvement Committee. Adopted.

REPORTS OF STANDING COMMITTEES.

Aid. Coughlin from the Lamp and Health Committee, Aid. Foley from the Poor Committee, Aid. Selye from the Park Committee, Aid. Mandeville from the City Property Committee and Aid. Weider from the Contingent Expense Committee reported in favor of the various bills referred to their respective committees and referred them to the Finance Committee for payment.

By Aid. Kelley—

To the Hon., the Common Council of the City of Rochester:

GENTLEMEN: Your Law Committee, to which was referred the petition of Catharine Houck, respectfully reports thereon as follows:

Mrs. Houck was seriously injured upon the evening of December 26, 1885, by falling into a hole in the flag-stone sidewalk upon South avenue.

She appeared before your committee by her attorney and stated that she regarded the sum of \$500 as reasonable compensation for the injuries sustained.

No proof was offered before your committee of any notice of the defective condition of the walk having been given to the Executive Board before the accident occurred. Upon inquiry made of the Executive Board your committee is informed that no such notice was ever given.

Your committee, therefore, reports adversely upon the petition of Mrs. Houck.

Respectfully submitted,

J. MILLER KELLY,

P. WEIDER,

D. W. SELYE,

H. KOHLMETZ,

Law Committee.

Adopted.

By Aid. Coughlin—

To the Hon. the Common Council:

GENTLEMEN: Your Lamp Committee, inviting proposals for lighting the various districts now lighted with gas, would respectfully report that we have received the following proposals;

From the Rochester Gas Light Company, 4 cents per lamp per night, or \$14.60 per lamp per year.

From the Citizen's Gas Light Company, 5 cents per lamp per night, or \$18.25 per lamp per year.

From the United Gas Improvement Company, 5 cents per lamp per night, or \$18.25 per lamp per year.

Your Lamp Committee have had several conferences with the various gas companies, and find that considerable difference of opinion prevails regarding the price to be paid for lighting the public gas lamps of the city.

Your Committee in view of the fact that other companies are on the eve of making propositions for the better lighting of the city at reduced prices, would recommend that the Mayor be authorized to enter into contract with the following gas companies: The Rochester Gas Light Company, to light, care for, extinguish and clean the public gas lamps in the district now lighted by them, at the rate of \$14.60 per lamp, per year, from the first day of July, 1886 to the first day of July, 1887.

With the Citizens' Gas Company, to light, extinguish, care for and clean the public gas lamps in the districts now lighted by them, at the rate of \$18.25 per lamp, per annum, from the first day of July, 1886 to the first day of July, 1887.

With the United Gas Improvement Company, to light, extinguish, clean and care for the public gas lamps now lighted by them, from the first day of July, 1886 to the first day of July, 1887, at the rate of \$18.25 per lamp, per annum.

WM. COUGHLIN, JR.,

GEO. B. SWIKEHARD,

J. H. FOLEY,

J. MILLER KELLY,

HENRY KOHLMETZ,

Lamp Committee.

By Aid. Coughlin—Resolved, That the Mayor be, and he is hereby authorized and requested to enter into contract with the Rochester Gas Co. to light, extinguish, clean and repair all the public lamps now lighted by them, at the sum of \$14.60 per lamp per annum, from the 1st day of July, 1886, to the 1st day of July, 1887.

Resolved, That the Mayor enter into contract with the Citizens Gas Co., to light all the public gas lamps now lighted by them for the sum of \$18.25 per lamp per annum, said contract to commence July 1st, 1886, to continue for one year, and to end July 1st, 1887.

Resolved, That the Mayor be authorized to enter into contract with the United Gas Improvement Co., for the care, cleaning, lighting and repairs of the public gas lamps now lighted by them, for the sum of \$18.25 per lamp per annum, from July 1st, 1886 to July 1st, 1887; and be it further

Resolved, That the Mayor be requested to insert in the agreement a provision that the Common Council may at any time discontinue the use of lamps if they may deem it of advantage to the city and the taxpayers.

Adopted.

Aid. Kelly, from the committee appointed to revise the city charter, reported progress and asked for further time. Granted.

Aid. Kelly, from the Salary Committee, reported progress in regard to the salary of vinegar inspector and asked for further time. Granted.

REPORTS OF SPECIAL COMMITTEES.

By Aid. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your Special Committee on Salaries submit the following for your consideration:

The Law Committee were invited to attend the meeting held for the purpose of fixing the salaries of the City Attorney and employees of the office. A careful inquiry was then made with reference to the amount of help required and the extent of the litigation to which the city is a party. There are now pending against the city suits to at least the number of seventy in the courts of record of this State, aggregating in the amount of damages claimed over \$550,000; aside from this there is a large amount of litigation arising in the lower courts to which the city will be a necessary party. There is also a great variety of questions, involving complexities of law and fact, arising from the various departments of the city government, which are constantly submitted to the City Attorney for his opinion and to which he must give careful examination and attention. We therefore recommend that the salary of the City Attorney, Ivan Powers, be at the rate of \$4,000 per annum from the 1st day of July, 1886, to the 1st day of June, 1887; that the salary of G. Fort Slocum, assistant city attorney, be at the rate of \$1,800 per annum from the 1st day of June, 1886, to the 1st day of October, 1886; that the salary of E. Darwin Smith, stenographer, be at the rate of \$900 per annum, and that of William J. Burke, clerk, at the rate of \$840

per annum, from the 1st day of June, 1886, to the 1st day of June, 1887.

PH. WEIDER,
L. BOHRER,
D. W. SELYE,
H. KOHLMETZ,

Salary and Law Committee.

Ald Mandeville moved to amend the resolution by making the salary \$3,500 instead of \$4,000.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

MAYOR'S OFFICE, }
ROCHESTER, July 9, 1886. }

Gentlemen of the Common Council:

At your last regular meeting a resolution was adopted, upon motion of Ald. Foley, requiring the Rochester City & Brighton R. R. Co. to use for their tracks in West avenue what is known as the English grooved rail. I am informed by the City Attorney that your Board cannot compel the use of the rail in question. This itself would seem to invalidate the action you have taken, but there are other reasons which prompt me to suggest that you give further consideration to the matter. So far as I can learn, the rail ordered is not made nor used in this country, and as this fact would therefore necessitate an importation of the same or the construction of machinery to manufacture the said rail, and as time within which it must be laid is limited, it would seem better to adopt some other form of rail. I desire at this point to call your attention to a resolution adopted by your board on the 18th day of May last, and which resolution may be found at page 102 of your current proceedings. It provides that the question as to the style of rail to be used in West avenue be referred to be improvement committee to examine into and report. Had the terms of this resolution, which is still in force, been carried out, an agreement would have been reached and would have, I apprehend, proved satisfactory to all. Other reasons might be advanced why an effort to enforce the provisions of Ald. Foley's resolution should not be attempted, but the foregoing, I think, will be deemed sufficient for me to return the resolution disapproved, which I hereby do, with the suggestion that your improvement committee comply with the terms of your resolution of May 18th, and which, I think, if done, will result in a satisfactory solution of the matter.

CORNELIUS R. PARSONS, Mayor.

Ald. Foley moved that the veto lay over until the next meeting. Adopted.
By the Clerk—

ROCHESTER, N. Y., June 30, 1886.

Gentlemen of the Common Council:

At your meeting held on the evening of June 15th, upon the report of your Assessment Committee, the treasurer was directed to receive from Edward Brunswick the sum of \$300 in full of the assessment levied upon lot I and lots H and Z, inclusive, for North St. Paul street improvement. The lots covered by this resolution are twenty in number. The amount of tax for said

improvement standing upon the books of the treasurer against the aforesaid property, including expense of sale, etc., is \$2,757.32. The treasurer is therefore directed to charge to erroneous assessments—which means upon the city at large—the sum of \$2,457.32. The justification for this action seems to have been wholly based upon the statement that said improvement was improperly constructed; that poor material was used, and that in consequence thereof the property owners along the line of the said street have received but little benefit. If these statements are true, and this is a proper way to remedy the injury claimed to have been done, then your board must calculate to cancel other assessments remaining unpaid, and where the tax has been paid must also refund the equitable amount. As the entire cost of the improvement was about \$34,000, for which Mr. Brunswick's property was assessed about \$2,700; and as your resolution now proposes to accept in full for this assessment \$300, or about 11 per cent. thereof, leaving 89 per cent. to be charged back to the general fund, you must make up your mind, if you would deal justly by all concerned, to refund and charge back a similar 89 per cent. of all other assessments for the improvement, or a total of about \$30,000. It seems to me that your action has been unwisely taken. I have made inquiries as to the quality of the improvement made. Opinions differ. It is alleged that the same was as good as could be expected for that character of improvement. The contractors for the work are among the most reputable and responsible in the city. If they have erred, then their attention should be called to the fact, and they should be asked to rectify the errors committed. If the improvement was improperly made, why was the same accepted and paid for? Let us ascertain where the responsibility lies and, if possible, apply the remedy. I do not feel that the city at large should bear this burden, and therefore return the said resolution without the sanction of my approval.

CORNELIUS R. PARSONS, Mayor.

Ordered received, filed and published.

Ald. Foley moved that the matter be referred back to the assessment committee for further consideration. Adopted.

Ald. Foley moved that the veto lay on the table until the report of the committee. Adopted.

Ald. Mandeville moved that the action taken at the last meeting in regard to the contract with the Rochester Natural Gas and Fuel Company be reconsidered. Adopted.

Ald. Mandeville moved that the gas matter lay over until the next meeting. Adopted.

MAYOR'S OFFICE, }
ROCHESTER, June 30, 1876. }

Gentlemen of the Common Council:

The resolution adopted at your meeting held June 22, 1886, approving a form of contract to be entered into with the Rochester Natural Gas and Fuel Company, and directing the Mayor to execute the same on the part of the city with said company, is hereby returned, disapproved. The proposed contract is an extraordinary document. It gives to said company the exclusive right to lay, maintain and operate in the public streets, lanes and alleys of the city of Rochester, mains and pipes for conveying natural gas, to be used for heating and lighting purposes. It allows to said company three years in which to determine whether or not it will avail itself of the exclusive privilege granted. Nothing in it compels said company to ever lay, maintain and operate mains and pipes for the purpose mentioned. It further provides that "the mains and pipes of the party of the second part, placed in any of the public streets, lanes or alleys of the city of Rochester, shall be so placed under the direction and superintendence of the Executive Board of the city of Rochester, and in obedience to the regulations and requirements adopted by said Executive Board."

The meaning of this section of the contract is that when said company is ready to proceed under its terms, the Executive Board shall determine and prescribe the condition to be followed. In my judgment we should know at the outset what the conditions are to be, and not grant a valuable franchise, leaving the conditions to be fixed upon one, two or three years later. And this leads me to suggest, what is the personality of the Executive Board to be in the future? Is it entirely improbable that one or more members of the Rochester Natural Gas and Fuel Company, or one or more stockholders in said corporation, or persons directly or indirectly interested in the success of the enterprise, may not, within the time mentioned, become members of the Executive Board of the city of Rochester?—a Board which your proposed contract says shall, at some time in the future, assume the direction and superintendence of the laying of said mains and pipes, and prescribe the conditions thereof. In my opinion, the day for the making of this sort of contract has passed. Every contract should be as clearly defined as possible. This can do no harm in case of good faith, and it is absolutely necessary in case either party seeks to gain undue advantage. Moreover, I question the expediency of granting any company or corporation the exclusive right suggested under the proposed contract. Natural gas already exists in quantities of more or less magnitude within distances of from twelve to thirty miles of this city, and it is not safe for anyone to predict when it may not be discovered in sufficient volume to supply this city, at some point much nearer than is at present known. In such an instance, the city would be supplied more cheaply than by the company which conveys the gas from Pennsylvania, and hence the exclusive right would, in that case, work to the disadvantage of the community. The contract which you direct me to execute does not state that the Rochester Natural Gas and Fuel Company is to obtain its supply from Pennsylvania, and still the price—one dollar per thousand cubic feet—which the company is permitted to charge for said gas, must be based on the theory that the same is to be brought from that State. This feature is wrong and unfair, for if the gas is brought from a less distance, the price for the same should be much lower, and the contract should so state. The limit to the price fixed by the Buffalo Common Council for the supply of natural gas to be furnished that city by its natural gas company is 75 cents per 1,000 cubic feet. The consideration named in your contract for granting the exclusive right to the Rochester Natural Gas and Fuel Company to supply natural gas to this city is that said company shall furnish a sufficient quantity to heat and light the City Hall and Front street building so long as it shall supply natural gas to any person or persons in the city of Rochester. This is purchasing a valuable franchise pretty cheaply. Why not have included the public schools and engine houses, thereby showing an appreciation of the privilege granted? My own opinion is, however, that the city should pay for what it gets and make its contracts to protect its own interests and the interests of all of its citizens. At the same meeting at which the resolution above referred to was passed, your board adopted another resolution directing that a contract be entered into with the Incandescent Gas Light and Fuel Company. That resolution and contract were, in my judgment, drawn with commendable care and precision. I therefore cheerfully approved and signed them; but this resolution I cannot approve for the reasons above stated, and I therefore return it disapproved.

CORNELIUS R. PARSONS, Mayor.

Ald. Mandeville moved that action on the veto be postponed until the next regular meeting. Adopted.

OFFICE OF THE EXECUTIVE BOARD, }
Rochester, N. Y., July 13, 1886. }
To the Common Council:
GENTLEMEN: The Executive Board, to whom

was referred the communication of John A. Negle in reference to the dedication of certain streets, beg leave to report that the maps and filing thereof as stated in said communication was found in the County Clerk's office, and this act, so far as the dedication of said streets to public use, has been duly performed. But said streets are not graded, or even thrown open to public use, nor can the location of the same be found upon the ground from any visible indications.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By the Clerk—

OFFICE OF EXECUTIVE BOARD, }
ROCHESTER, July 13, 1886. }

To the Common Council:

GENTLEMEN:—In the construction of the Goodman street sewer under ordinance No. 2,963, it will be necessary to enter upon property belonging to Hannah F. Brown. The city has now a temporary easement or right of way through this property for an open ditch which carries the sewage discharge of the Court and William streets outlet sewer. The plan for the new sewer, which will receive the sewage of the same district as that now carried in the open ditch, together with that from the Upton park and Culver park districts, is to construct an enclosed sewer for a distance of 700 feet and to deepen and enlarge the ditch for some 2,600 feet further through the lands of said Brown, thereby requiring a permanent easement or right of way through the same.

The Executive Board through its chairman has tried to negotiate for the necessary easement and has received the accompanying alternative propositions, both of which said Board deem unacceptable. As it is of the utmost importance to that section of the city to be benefited by the construction of said sewer that it should progress without delay, said Board would respectfully recommend that the City Attorney be instructed to at once apply to the court for the appointment of a commission to determine the value of said easement or right of way.

Respectfully submitted,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Schaeffer—Resolved, That the City Attorney be and he is hereby directed to at once apply to the court for the appointment of a commission to condemn an easement or right of way for Goodman street sewer and outlet ditch, through the lands of Hannah F. Brown on the east side of Goodman street, as contemplated to be constructed under ordinance No. 2,963. Adopted.

To the Executive Board of the City of Rochester:

GENTLEMEN: In compliance with your request I have the honor to submit the following propositions:

I will give permission to the city of Rochester to construct a covered sewer across my land, beginning at a point in Goodman street, and running in an easterly direction until it intersects the old sewer at the north and south fence on my premises about seven hundred feet from said street, and that an open ditch may be constructed from said fence, running easterly along the old ditch to the north boundary line of my farm, upon the following terms and conditions:

The old ditch or sewer from Goodman street to that point where it intersects the new sewer above referred to, must be abandoned, and it must be filled up with dirt even with the surface of the earth and leveled off smoothly. The open ditch must be fenced on both sides with suitable board and post fence four feet high, and the banks of the ditch within the inclosure must be mowed on or before the 15th day of June in each and every year. A new bridge must be constructed where the old bridge is now located, with a suitable gate at least ten feet in length from post to post. I must have the privilege of draining into the sewer from time to time. My property must not be as-

assed for building said sewer to exceed the sum of \$1. All damages done to my crops and grain growing on the premises, by persons who may be employed in the construction of said sewer, shall be paid for by the city of Rochester.

If the above conditions are acceded to, and the city of Rochester, in addition thereto, will agree to pay me the sum of \$500 per year for the term of five years, payable in semi-annual installments of \$250 each on the first days of May and November in each and every year, I will enter into a contract with the city of Rochester, giving my consent that said sewer may be constructed across my land in the manner above indicated, and that the same may be used by the city for the period of five years; or

I will enter into a contract with the city, that a covered sewer may be constructed the whole distance across my farm, to be used by the city for all time to come, if the city will pay me the sum of \$6,000 in cash.

Yours respectfully,
HANNAH F. BROWN.

John J. Haller.

Yours respectfully,
PETER SHERIDAN, City Clerk.
Ordered received, filed and published.

By Ald. Mandeville—
To the Honorable the Common Council of the City of Rochester :

The petition of Rev. A. A. Wood respectfully shows:

That your petitioner is, and for forty-eight years has been, a minister of the gospel; that he is engaged in no other business; that he is the owner of the house and lot No. 30 Rowley street, in this city; that, as a minister, his property, to the amount of \$1,500, is by law exempt from taxation, yet he nevertheless finds himself taxed for the full amount of his property on the tax list for 1886.

Your petitioner is informed that this has arisen from some mis-statement made to the Board of Assessors that he had removed to New York, while the fact is that though he passed the winter months in that vicinity it was only for a temporary visit; that he has and has had no other home than his residence, No. 30 Rowley street, to which he returned on the 4th of May, and where he now lives.

Your petitioner therefore prays your honorable body to cause to be remitted to him such portion of the city tax assessed upon his house, No. 30 Rowley street, as the law of the State exempts ministers of the gospel from paying.

Very respectfully, your obedient servant,

A. AUGUSTUS WOOD,
 No. 30 Rowley street.

Rochester, July 5th, 1886.

Referred to the Assessment Committee.

By Ald. Kohlmetz—Petition for a plank walk on Harris avenue. Referred to the city surveyor to prepare an ordinance.

“By Ald. Foley—

To the Honorable the Common Council of the City of Rochester:

“The petition of the Rochester City & Brighton Railroad Company respectfully represents that your petitioner is a corporation, organized, chartered and incorporated under, by virtue of and pursuant to the laws of the State of New York for the purpose of constructing, maintaining and operating a street surface railroad for public use in the conveyance of persons and property in cars for compensation, in the city of Rochester and county of Monroe, N. Y.

“Your petitioner wishes to construct, maintain, operate and use a railroad and to extend its railroad on the surface of the soil through, upon and along the following named streets in said city of Rochester, N. Y., viz.: Through Plymouth avenue from Main street to Genesee street; thence through Genesee street to Brooks avenue, with the necessary branches, turnouts, sidings, switches and turntables.

“Your petitioner, therefore, respectfully asks for your permission and consent thereto.

“Dated Rochester, N. Y., May 17th, 1886.

P. BARRY, President.

“Ordered received, filed and published.

“By Ald. Foley—Whereas, The Rochester City & Brighton Railroad Company has presented its petition and asked for the consent of the Common Council for the construction, operation, extension and use of a surface street railroad through the following named streets of the City of Rochester, viz.: Through Plymouth avenue from Main street to Genesee street; thence through Genesee street to Brooks avenue.

“Now, therefore, it is hereby resolved, That the Clerk be and he is hereby directed to publish as required by statute daily for at least fourteen days in two daily newspapers in said City of Rochester, to be designated by the Mayor of said city, a notice that such application has been made, and that such application will be first considered by the Common Council at its next meeting, to be held at the City Hall on the 15th day of June 1886, at 8 o'clock p. m. Adopted.”

After hearing all persons appearing, Ald. Foley submitted the following :

By Ald. Foley—Whereas, The Rochester City & Brighton Railroad Company has presented its petition and asked the consent of the Common Council of the city of Rochester for the construction, maintenance, operation and use of a railroad, and to extend its railroad on the surface of the soil, through, along and upon the following named streets, viz.: Through Plymouth avenue from Main street to Genesee street; thence through Genesee street to Brooks avenue, together with the necessary branches, turnouts, sidings, switches and turn-tables; and

Whereas, The notice of such application and that it would first be considered at a meeting of this Common Council to be held on June 15, 1886, at 8 o'clock p. m., at the Council chamber in Rochester, N. Y., has been published as required by statute, at which last mentioned time and place by resolution duly passed, further consideration thereof was postponed to this time; now, therefore, it is hereby

Resolved, That the consent of this Common Council be, and it hereby is, given to the highest bidder as the sale hereinafter provided for, to construct, maintain, operate and use a railroad, or if said petitioner be such highest bidder, then for it to extend its railroad on the surface of the soil, through, upon and along the following named streets, viz.: Through Plymouth avenue from Main street to Genesee street; thence through Genesee street to Brooks avenue, together with the necessary branches, turn-outs, sidings, switches and turn-tables, upon the express condition that the provisions of Chapter 252 of the Laws of 1884, pertinent thereto, shall be complied with, and, further, upon the condition that the right, franchise and privilege of using the said streets shall be sold by and under the direction of the City Treasurer of said city at public auction, on the 7th day of August, 1886, at 10 o'clock a. m., at the front steps of the Court House in Rochester, N. Y. to the bidder, which shall be an incorporated railroad or railway company organized to construct, maintain and operate a street railroad in said City of Rochester, and which will agree to give the largest percentage per annum of the gross receipts of said company or corporation with adequate security for the fulfillment of said agreement, and for the commencement and completion of such road according to the plan or plans, and on the route above referred to within the time or times designated therefore by chapter 642 of the Laws of 1886, and said security shall be a bond or undertaking in writing, and under seal in the sum of \$50,000, conditioned for the fulfillment of said agreement and the commencement and completion of such road as above provided, with at least two securities, who shall be freeholders or householders within the County of Monroe, and worth at least the sum specified in said bond or undertaking, and which said undertaking as to form, condition, amount and sureties shall be approved by the said City Treasurer.

The clerk is hereby directed to publish three times a week for at least three weeks in two daily newspapers of said city to be designated by the Mayor of said city a notice of the time, place and terms of each sale, and of the conditions upon which the consent of the Common Council to the construction, maintenance, use,

operation and extension of such street railroad shall be given.

Ald. Foley moved that the resolution be adopted.

Ald. Mandeville moved as an amendment that the following clause be inserted in the resolution :

Provided, however, that the said right, franchise or privilege shall not be sold to any corporation who shall not agree in writing to pay annually into the treasury at least two per centum of the gross earnings of said extension or new route.

At the request of Ald. Mandeville the following was ordered received, filed and published:

This agreement made this 10th day of May, one thousand eight hundred and eighty-six, between the city of Rochester, hereinafter called "the first party," and the Edison Electric Illuminating Company of Rochester, a corporation duly organized under the laws of the State of New York, hereinafter called "the second party," witnesseth:

Whereas, The said second party is desirous of procuring the right, authority, privilege and franchise to lay and construct electric wires and conduits underground, and to erect poles and place wires on the same in and through a certain number of streets and alleys in this city, and to maintain and operate the same for the purpose of electric lighting according to the Edison system: and

Whereas, The said second party has heretofore presented to the Common Council of the said city of Rochester a petition to that end, in which are designated such streets and alleys; and

Whereas, The said Common Council referred said petition to the Committee on Opening and Alteration of Streets and the Executive Board, whose report thereon was duly presented to the said Common Council at its regular meeting on the 4th day of May, 1886; and

Whereas, The said Common Council, at its said meeting, granted the said petition upon the execution by the Mayor of said city of a contract on behalf of the first party with the said second party, carrying into effect the prayers of the petition of the said second party, together with the recommendations of the committee aforesaid and such other recommendations as might be made by the Executive Board, Mayor or City Attorney before the execution hereof.

Now, therefore, in consideration of the mutual agreements and covenants hereinafter set forth, and of the payment of the sum of \$1.00 to the said first party by the said second party, the receipt whereof is hereby acknowledged. It is agreed:

First—That said second party shall, at all times, be subject to the city ordinances now in existence, or which shall be hereinafter adopted, and be applicable to all other companies having similar rights.

Second—That said party will commence the laying of its underground wires and conduits this season, and will complete prior to November 1st, 1886, said work in a length of at least three-quarters of one mile of streets in said city.

Third—That said second party will never charge more for the light furnished by it to consumers than the same amount of light would cost if based on twenty candle power illuminating gas at two dollars and a quarter per thousand cubic feet.

Fourth—That the free right of way for general public work of all kinds which may be performed by or under the direction of the city authorities shall in all cases be reserved to the city without opposition or claim for damage from said second party and if, in the progress of any such public

work as aforesaid, it shall become necessary to remove or displace in any manner any of the wires, conduits, poles or other fixtures or appurtenances belonging to said company, the same shall, upon reasonable notice, be so removed or displaced and restored at the sole expense of the said second party.

Fifth—That the underground electrical wires and conduits, together with their connections and appurtenances, shall be of the best and most durable quality now in use for the Edison system; and that the same shall be laid, and all work hereafter done by the second party shall be done in the best and most approved manner, and so as to cause the least possible disturbance to the street pavements.

Sixth—That in all principal streets, highways or avenues said company shall so plan its system of underground distribution as to avoid the crossing of such streets for the purpose of supplying light to individual consumers.

Seventh—That wherever poles are to be used said second party will first acquire the privilege of erecting such poles and hanging wires thereto from the owners of the abutting property, as well as from the Executive Board; and that such poles shall in all cases be sightly and of durable material and of such height as shall be directed and approved by the Executive Board, and such poles shall also be kept painted; and that the wires placed upon poles by said second party shall be strung at a height directed and approved by the Executive Board.

Eighth—That in all of the streets in which the said second party is authorized by the Common Council or by this contract to lay underground electrical wires or conduits, no poles of any kind shall be erected by it except at a canal or race crossing, and in such case only by permission of the Executive Board; and further that no poles shall be erected by said company anywhere except as authorized in the said resolution of the Common Council of May 4, 1886.

Ninth—That all of the work done by said second party in excavating and re-filling trenches and in replacing pavements and roadways of every character, shall be performed under the direction of the Executive Board; and that said board may require said company to dig test pits wherever necessary to determine the exact location of existing gas, water and sewer pipes, which may be interfered with by the operations of said second party, and in all other cases, whenever the Executive Board shall so require; and that the time to be consumed in performing such work, together with the length of trench which may be opened at any one time, shall be determined and regulated by the said Executive Board; and that no street shall be opened by said second party without a permit therefor from said board, designating, among other matters above mentioned, the location in said street where said underground wires or conduits are to be placed.

Tenth—That all reasonable expense which may be incurred by said first party because of the appointment of an inspector by the Executive Board to supervise the replacing of the street pavements wherever disturbed by said second party, shall be promptly repaid to said board by said second party. And it is further agreed:

Eleventh—That the grant of the right, authority, privilege and franchise hereinbefore mentioned shall not preclude the said first party from granting a like permission to any other company at any other time.

Twelfth—That the said first party shall have the right to place and maintain upon the poles erected by the said second party at least two cross-arms not exceeding nine feet in length, and to string and maintain on such cross-arms wires for the police patrol and fire alarm telegraph system of party of first part.

Thirteenth—That the streets and alleys in which said second party is authorized to install and operate and lay underground conduits for conducting electricity are as follows:

1. East Main and West Main streets, from Franklin street to the Erie canal.
2. Aqueduct street, from Main street to the Erie canal, and thence, on poles, across the said canal

to the central station of the company, in the rear of the John Snow building on Exchange street.

3. State street, from Main street to the New York Central and Hudson River Railroad.

4. Front street, from Main street to Exchange place.

5. Exchange place, from Front street to State street.

6. Mill street, from Exchange place to Market street.

7. Market street, from Mill street to State street.
8. North and South St. Paul streets, from Andrews street to Court street.

9. Irving place, from Main street to the Erie canal.

10. Church street, from State street to Pindell alley.

Fourteenth—That the streets and alleys in which the said second party is authorized to erect poles and hang wires thereon, and install and operate the same, are as follows:

1. Pindell alley, from Main street to Allen street.

2. Spring street, across Exchange street, from the central station in the rear of the John Snow building to Spring alley.

3. Irving place, from the Erie canal, south, to Spring street.

4. Pine alley, from Spring street to Troup street.

5. School alley, from the Erie canal to the southern end of the said alley.

6. Spring alley and Scott place, from Main street to Troup street.

7. Aqueduct street, from the said central station to Court street.

8. Court street, from the river bridge to Exchange street.

Fifteenth—That the said second party shall have the right, authority, privilege and franchise, subject to the conditions and restrictions of this agreement, to construct electric wires and conduits under ground, and to erect poles and place wires on the same, in and through said streets and alleys, and to maintain and operate the same for the purpose of electric lighting according to the Edison system.

This agreement is executed in duplicate. In witness whereof, on the day and year first above written, the said first party has caused its corporate seal to be hereto affixed and these presents to be signed by Cornelius R. Parsons, its Mayor, and the said second party has caused its corporate seal to be hereto affixed, and these presents to be signed by J. Lee Judson, its President. The City of Rochester, by

By Ald. Selye—

To the Hon. the Common Council :

The undersigned respectfully represents that he has opened a street fifty feet wide, extending from Colvin street west to Ames street, through property owned by him and known as a subdivision of part of town lot 67, town of Gates, now in the city of Rochester; that he has caused a twelve-inch vitrified pipe sewer to be constructed in said street; that he has graded said street and opened it for public use and filed a map thereof in Monroe county clerk's office, on which map said street is designated as Chester street, and he hereby requests your honorable body for and in behalf of the city of Rochester to accept the dedication of such street.

Dated July 12, 1886. GEO. F. DANFORTH.

Referred to the Committee on Opening and Alteration of Streets.

By Ald. Selye—

To the Common Council :

The undersigned respectfully represents that last fall he opened a street through his property, caused it to be graded and sewered in accordance with levels obtained from the City Surveyor, that he has filed a map of said street designating it as Chester street, that the lots abutting on said street have been assessed as lots on Chester street, that by formal action of the Common Council a water pipe was ordered laid in Chester street and has been so laid; and, therefore, in view of the above facts, which if not alone sufficient to show a formal dedication of said street to the city, at all events show that his action was recognized by the city authorities, he asks that the action of your committee giving the name Chester street to a street already named may be reconsidered, and that said name be given the street through his property.

Dated July 12, 1886.

GEO. F. DANFORTH.

Referred to the Committee on Opening and Alteration of Streets.

By Ald. Selye—Resolved, That the Park Committee be and it hereby is directed to sell the old fences that inclose Washington and Plymouth parks, to the highest bidder, notice to be published in the official papers for three days prior to the sale thereof. Adopted.

By Ald. Selye—Resolved, That the Executive Board be and it hereby is directed to change the crosswalk that at present crosses Lake avenue from the north side of Lyell avenue to the north line of Vincent place, by removing it so that it will cross Lake avenue from the south side of Lyell avenue to the north line of Vincent place. Adopted.

Ald. Selye gave notice that at the next meeting he would introduce a penal ordinance pro-

hibiting loitering in the public parks and squares of the city after sundown.

Ald. Selye moved a reconsideration of the resolution relating to lamp contracts adopted at the last meeting. Carried. Ald. Selye moved to substitute the word "directed" for the word "requested." Adopted.

The resolution as amended was then adopted.

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., July 13, 1886. }

Ald. Selye, Ninth Ward :

DEAR SIR.—Henry East, Esq., has at last executed an easement or has agreed to do so and the Glenwood avenue improvement can now go on. He has imposed conditions, however, which have rendered it necessary to change the estimated cost and the territory to be assessed therefor. I have therefore prepared a new ordinance for this improvement which I suppose will come before the Board to-night.

I would recommend that you move a reconsideration of the final ordinance No. 2,819 and that it be indefinitely postponed.

Very truly and respectfully your ob't serv't,

I. F. QUINBY, City Surveyor.

Ordered, received, filed and published.

Ald. Selye moved a reconsideration of ordinance No. 2,819 Adopted. Ald. Selye moved that the ordinance be indefinitely postponed. Adopted.

By Ald. Swikehard—Petition for a sewer in King park; referred to the City Surveyor to prepare an ordinance, also petition for a water main in King park; referred to the Water Works Committee and Executive Board.

By Ald. Weider—Resolved, That the Flower City National Bank of Rochester and the Traders' National Bank of Rochester be, and hereby are, designated as the banks in which the treasurer of said city shall deposit all moneys received by him belonging to the city, and that the Mayor be, and he hereby is, directed to enter into contracts with the Flower City National Bank and the Traders' National Bank, which contracts shall provide in substance that said banks shall each pay for one-half of the city deposit for the year beginning August 1, 1886, interest at the rate of 2 per cent, per annum upon the daily balances of the city's money deposited in said banks, such payments to be credited to the account of said city monthly, and that each of such contracts shall provide that each of said banks shall be entitled to receive one half of all moneys received by the Treasurer belonging to said city, and each of such contracts to be operative when said banks shall respectively deliver to the Finance Committee of the Common Council a bond to be approved by such committee, as to form and as to the sufficiency of the sureties, indemnifying the city against loss by reason of said respective contracts, the penalty of each of such bonds to be in the sum of \$125,000. Adopted.

By Ald. Weider—Resolved, That the Executive Board be requested to postpone the letting of the contract for Goodman Street Improvement, under Ordinance No. 2,964, pending the adoption of an ordinance for a Portland cement walk on said street. Adopted.

By Ald. Weider—Resolved, That the City Surveyor be and hereby is directed to establish the grade for a sidewalk on each side of Sanford street. Adopted.

Ald. Weider presented the petition of William Karges for remission of taxes and moved to refer to the Assessment Committee. Adopted.

By Ald. Kelly—Resolved, That the City Clerk be, and he hereby is, directed to draw an order in favor of John N. Beckley for four hundred and sixteen and sixty-six one-hundredths dollars (\$416.66) at the rate of \$5,000 per annum, for services as City Attorney for month of June, and charge contingent fund.

Adopted by the following vote:
Ayes—Ald. Tracy, Coughlin, Kohlmetz, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—10.

By Ald. Kelly—Resolved, That the Executive Board be authorized and requested to negotiate for the purchase of the lands necessary to be taken for opening a new street from Campbell street to Jay street, as contemplated by ordinance No. 3,006, adopted June 29, 1886, and report the result of such negotiations to this board. Adopted.

By Ald. Kelly—
To the Common Council:

Your Law Committee has made inquiry as to the number of suits now pending against the city for damages from outlet sewers, and reports to your Honorable Body that during the year damages have been awarded property owners in four actions tried, amounting to \$3,094, and that there are now nine actions pending in which damages are claimed to the amount of \$35,500.

In one of the cases tried, that of Chapman vs. the city, an injunction was also granted restraining the city from the further discharge of the Monroe avenue and East avenue outlet sewers into Thomas Creek in the town of Brighton. The case was appealed to the General Term and the judgment of the trial court was affirmed. An appeal was taken to the Court of Appeals, where a decision will probably be reached within a year. If the judgment should be affirmed by the Court of Appeals, the injunction would become operative within six months from the entry of judgment. It is therefore of the utmost importance that immediate steps be taken to provide for a suitable outlet sewer to dispose of all the sewages on the east side of the river. An additional reason why such action should be taken may be found in the fact that the city is now paying a large sum of money yearly for rights of way for the East side sewers.

Respectfully submitted,
J. MILLER KELLY,
PHILIP WEIDER,
D. W. SELYE,
H. KOHLMETZ,
Law Committee.

Ordered received, filed and published.
By Ald. Kelly—Resolved, That the City Surveyor be and he hereby is directed to prepare an ordinance for the construction of a trunk sewer on the east side of the river. Adopted.

Ald. Kelly moved a reconsideration of the penal ordinance relating to bells on wagons in the public streets. Adopted. Ald. Kelly moved that the ordinance be submitted to the City Attorney to prepare the ordinance in a proper form. Adopted.

REPORTS OF STANDING COMMITTEES.

By Ald. Weider—

To the Hon. Common Council:

GENTLEMEN: Your committee to whom was referred the bill for gas consumed in the Free Academy for \$247.74 for the use of the free classes of the Mechanical Institute, respectfully report that, after due deliberation, we find that it is not within the province of the Common Council to pay the bill, as the tax levy provides for expenses for the Board of Education, and your committee believe that the Board of Education should assume the amount of the bill, and would refer the bill to that Board.

PHILIP WEIDER.
W. MANDEVILLE.
Committee.

Adopted.

Ald. Kelly, from the Law Committee, reported progress in the matter of revision of the City Charter, and asked for further time. Granted.

Ald. Kelly, from the Law Committee, to which was referred the matter of opening a street from Canfield place to Union Park, reported progress and asked for further time. Granted.

By Ald Schaeffer—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—Your Assessment Committee reports upon the petitions of A. A. Wood, Mrs. Honora Curran, Henry Corlett, and Maria B. Denio, as follows:

Your committee finds that the allegation of the petition of Rev. A. A. Wood, printed at page 168 of the current proceedings, are established, and therefore, recommends that he be allowed an exemption of \$1,500 upon the assessed valuation of his property on the grounds stated in said petition. The amount which Mr. Wood should pay, after making such deduction, is \$38.44.

Mrs. Curran was assessed the sum of \$5.25 upon property fronting upon Bronson avenue for the expenses of Ocean street sewer. It appears that Mrs. Curran's lot should not have been included within the territory to be assessed, and your committee, therefore, recommend that said assessment be cancelled.

Henry Corlett is assessed upon the general assessment roll for 1886 \$37.99, for personal property. It appears from the statements made to us by the assessors that Mr. Corlett appeared before the Board of Assessors in April last and made affidavit that he had no personal property liable to taxation. By an oversight in the Assessor's office the tax was allowed to remain on the roll, and your committee recommends that the tax be cancelled.

Mrs. Denio was assessed in the general assessment roll for 1886 upon \$4,400 worth of personal property by mistake in the Assessor's office. The assessors state that they had no intention of making any assessment for personal property against Mrs. Denio, and your committee therefore recommends that Mrs. Denio be allowed to pay \$69.50 tax on her real property, and that the personal property tax be cancelled.

Respectfully submitted C. J. SCHAEFFER,
J. MILLER KELLY,
D. V. W. SELYE,
C. STEIN,
Assessment Committee.

Ordered received, filed and published.

By Ald. Schaeffer—Resolved, That the City Treasurer be and hereby is directed to receive from the Rev. A. A. Wood the sum of \$38 44, in full of the general city tax for the year 1886, upon lots 9 and 6, east side of Rowley street, and charge the balance to erroneous assessments. Adopted.

By Ald. Schaeffer—Resolved, That the City Treasurer be and he hereby is directed to cancel the assessment of \$5.25 against Mrs. Honora Curran for the Olean street sewer, and charge erroneous assessments. Adopted.

By Aid. Schaeffer—Resolved, That the City Treasurer be, and he hereby is directed to cancel the personal property tax against Henry Corlett in the general city tax roll for 1886, amounting to \$67.99, and charge erroneous assessments. Adopted.

By Aid. Schaeffer—Resolved, That the City Treasurer be, and hereby is directed to receive from Maria B. Denio the sum of \$69.50 in full of the general city tax for 1886, upon the east part of lot 13 on Stone street, and charge the balance to erroneous assessments. Adopted.

By Ald. Coughlin—

To the Hon. the Common Council:

GENTLEMEN—Your Lamp Committee in accordance with the resolution passed by your honorable body, having advertised in the daily papers for proposals for the care, lighting and extinguishing, repairs, etc., of the public kerosene lamps of the city until July 1st, 1887, respectfully report that they have received the following bids:

J. W. Maser.....	\$5 38 per lamp per year
Clinton Gibbs.....	5 30
Chas. McDonald.....	5 25

Your committee after due and careful consideration of the several proposals received, unite in recommending the acceptance of the proposition of Chas. McDonald, at \$5.25 per lamp per year, he being the lowest bidder, providing he furnish responsible sureties, and present the following resolution and recommend its adoption.

WM. COUGHLIN, JR.,
GEO. B. SWIKEHARD,
J. H. FOLEY,
J. MILLER KELLY,
HENRY KOHLMETZ,
Lamp Committee.

Ordered received, filed and published.

By Ald. Coughlin—Resolved, That the Mayor be and he hereby is authorized to enter into contract with Charles McDonald for the care, lighting and extinguishing, furnishing all repairs and repairing the public street kerosene lamps from Aug. 1, 1886, to July 1, 1887, in accordance with his proposition and specifications as advertised by the Lamp Committee, providing he furnish a good and sufficient bond for the faithful performance of the contract.

Resolved, That the Mayor be directed to insert in the contract that the Lamp Committee may at any time remove kerosene oil lamps and replace them with electric light or gas as the committee may deem advantageous for the best interests of the city.

Ald. Kelly moved to insert a provision requiring that the lamps be cleaned at least once a week, and Ald. Coughlin accepted the amendment. The resolution as amended was adopted.

FINANCE BUDGET No. 4.

ROCHESTER, N. Y., July 27, 1886.

By Ald. Stein—

To the Common Council:

GENTLEMEN—Your Committee on Wood Buildings to which was referred the petition of Leo Terhaar for permission to erect an addition to frame barn, also a remonstrance against the same, hereby reports that upon investigation it is learned that the petitioner desires to erect an addition to his barn for the purpose of extending his business, that of milk peddler, which necessitates the keeping of a number of cows, the proposed building will be within 60 feet of the adjoining houses, with capacity for 15 cows. The remonstrants object to the erection of the proposed barn so near their dwellings, especially as the petitioner has a lot that is 700 feet deep. The remonstrants will not object if the barn is erected 300 feet in the rear of their dwellings. Your committee therefore sub-

mits the accompanying resolution and recommends the adoption thereof.

C. STEIN,
CHRIS. J. SCHAEFFER,
GEO. B. SWIKEHARD,
H. KOHLMETZ,

Committee.

Ordered received, filed and published

By Ald. Stein—Resolved, That permission be granted to Leo Terhaar to erect a barn 300 feet to the rear of his dwelling on his lot 461 St. Joseph street. Adopted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

To the Common Council of the City of Rochester:

GENTLEMEN:—I hereby nominate Charles Buckley, M. D., for appointment as member of the Board of Health of the city of Rochester in place of Edward M. Moore, who was recently appointed, but failed to qualify.

CORNELIUS R. PARSONS, Mayor.

Mayor's Office, Rochester, July 27, 1886.

Ordered received, filed and published.

The appointment of Dr. Buckley was confirmed by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Foley, Selye, Mandeville, Weider, Stein, Kelly, Schaeffer—11.

OFFICE OF THE EXECUTIVE BOARD,
Rochester, N. Y., July 27, 1886.

To the Common Council:

GENTLEMEN—In the matter of opening a street from Campbell street to Jay street, under Ordinance No. 3,006, which was referred to the Executive Board to negotiate for the lands and property necessary to be taken therefor; said Board would respectfully report that an effort to negotiate has not been successful, in that no terms can be obtained from some of the owners, and from others the demands are deemed to be greater than the real value of the property. Said Board would therefore respectfully recommend that the City Attorney be instructed to apply to the Court for appointment of a commission to determine and assess the damages.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

Ald. Kelly moved that the City Attorney be directed to apply to the Court for the appointment of the commissioners, and that the expense be assessed on the territory described in the ordinance. Adopted.

By the Clerk—

OFFICE OF EXECUTIVE BOARD,
ROCHESTER, July 27, 1886.

GENTLEMEN: The tar sidewalks on Pearl street, at the northeast and southeast corners of Alexander street, have become so badly broken by the action of frost and raised above the original grade by the roots of trees that they are rendered unsafe for use. Notice has been repeatedly served upon the owners to remedy such defects, but no attention is given the matter.

The Executive Board would therefore respectfully recommend that the City Surveyor be directed to prepare an ordinance for new walks as may be found necessary upon Pearl street.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Referred to the Surveyor to prepare an ordinance.

By the Clerk—

STATE OF NEW YORK. COUNTY OF MONROE,
CITY OF ROCHESTER., ss.:

Frederick W. Clark and Libbie L. Clark, being each duly and severally sworn, depose and say, that for and during the past three years the house and premises in the rear of No. 15 Fulton

avenue has been occupied only by one family; and that said premises during that time has been erroneously charged for two families instead of one family, as it should have been charged; that there are now and have been on the whole premises only two families, viz., one in the front and one in the rear house, but upon which three families have been charged for water rents.

FRED W. CLARK,
LIBBIE L. CLARK.

Subscribed to before me this 17th day of July, 1886.

EDWARD WEBSTER,
Com'r of Deeds.

OFFICE OF HIGHWAY, FIRE AND WATER }
COMMISSIONERS, ROCHESTER, July 27, '86. }

To the Honorable Common Council:

GENTLEMEN—The petition of F. W. Clark et al., is respectfully referred to your honorable body as a matter, as this Board is advised, that is within your province to adjust.

Respectfully

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Stein—Resolved, That the claim of F. W. Clark, et al., be referred to the Assessment Committee. Adopted.

CITY ASSESSORS' OFFICE, }
ROCHESTER, N. Y., July 27, 1886. }

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Under date of January 25th, we addressed a communication to your honorable body in regard to the maps in this office. The communication was referred to the Map and Survey Committee, and nothing of any account has been done in regard to it since that time. We would most respectfully appeal to you once more in the interest of every taxpayer of this city, to furnish this office with a more complete set of maps than we now have. We understand that there are between two and three hundred maps, some completed and others nearly so, of the fourteen old wards of the city, which can be completed at a small expense to the city, and which would be of great service to us.

Very respectfully,

CITY ASSESSORS.

Ordered received, filed and published.

CITY CLERK'S OFFICE, }
ROCHESTER, N. Y., July 27, 1886. }

To the Common Council:

GENTLEMEN—I hereby report that the City Assessors have delivered to me the assessment rolls for Hickory street improvement, No. 2783; Rowe street outlet sewer, No. 2813; Hixson street sewer, No. 2837; Dake and Hebbard streets sewer, No. 2838; Fulton street sewer, No. 2842, certified and sworn to as provided by section 205 of the city charter.

PETER SHERIDAN, City Clerk.

Allegations being called for and no persons appearing, Ald. Stein submitted the following:

By Ald. Stein—Resolved, That the assessment rolls for Hickory street improvement, No. 2,783, Rowe street outlet sewer, No. 2,813, Hixson street sewer, No. 2,837, Dake and Hebbard streets sewer, No. 2,838, Fulton street sewer, No. 2,842, be and hereby are confirmed.

Adopted by the following vote:

To the Common Council:

GENTLEMEN: The City Assessors have delivered

to me the assessment roll for opening a new street from Clifford street to Norton street, No. 2,701.

PETER SHERIDAN, City Clerk.

Ordered received, filed and published

By Ald. Shaeffer—Resolved, That the next regular meeting of the Common Council, Tuesday evening, August 10, 1886, be and hereby is assigned as the time when any complaints or appeals from the assessment for opening a new street from Clifford street to Norton street, ordinance No. 2,701, will be heard. Adopted.

CITY CLERK'S OFFICE, }
ROCHESTER, N. Y., July 27, 1886. }

To the Hon. Commn Council:

GENTLEMEN: In accordance with section 29, revised city charter, I report the following named persons as having qualified and taken the oath of office:

Charles Backus, Commissioner of Deeds.
Wm. A. McCallum,
M. V. Sayles,
Geo. B. Wesley,
H. B. Smith,
Isaac De Mallie,
C. A. Vickery,
Florence A. Clark,

Yours respectfully,

PETER SHERIDAN, City Clerk.

Ordered received, filed and published.

The clerk presented the report of the Milk, Meat and Vegetable Inspector.

Ordered received and filed.

By Ald. Kelly—

To the Honorable the Common Council:

GENTLEMEN: At your last regular meeting you adopted a joint report of the Salary and Law Committees, fixing my salary as assistant city attorney at the rate of \$1,800 per annum. I stated to the committee before that report was made that I had tendered my resignation to the city attorney on the 1st day of July, but that at his request I had agreed to remain till the 1st day of October, provided that my salary should be fixed at \$200 per month. I also stated to the committee that I would not stay at a less figure. As soon as the proceedings of the last meeting were approved by the Mayor I notified the city attorney that I should not accept the terms of the resolution adopted by the Common Council, and that my resignation would take effect July 31st. Respectfully,

G. F. SLOCUM.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the city clerk be and he hereby is instructed to draw an order on the city treasurer in favor of G. F. Slocum for \$400, payable from the contingent fund, in full of services as assistant city attorney for the month of June and July, 1886.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—12.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

VINCENT PLACE PIPE SEWER.

By Ald. Schaeffer—Resolved, That the City Surveyor ascertain and report to this Council the expense of providing for the surface sewerage on Vincent Place from the west line of North St. Paul street to the east end of Vincent Place bridge.

Adopted.

The Surveyor submitted as such estimate \$1,000.

By Ald. Schaeffer—Resolved, That the following improvement is necessary, viz:

The construction of cast iron pipe sewer twelve (12) inches in diameter combined with a limited portion of vitrified pipe of the same diameter from the east end of the Vincent Place bridge, down and along the eastern slope of the high bank of the Genesee River to connect with the east end of the stone sewer, discharging into the river aforesaid with the necessary deepening,

reconstruction and connection of the two surface sewers now existing at the east end of the said Vincent Place bridge.

And whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,000, which estimate is hereby approved.

Resolved, further—That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Vincent Place from North St. Paul street to the east end of Vincent Place bridge.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, August the 10th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

HARRIS AVENUE PLANK WALK.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank sidewalk on the east side of Harris avenue from the south side of avenue A to avenue D.

Adopted.

The Surveyor submitted as such estimate \$440.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a plank sidewalk four (4) feet and eight (8) inches wide on the east side of Harris avenue from the south side of avenue A to avenue D with the necessary sidewalk grading and the necessary cross walks.

SUPREME COURT—Mary C. Leinen vs. John J. Elter, et al.

To the Common Council of the City of Rochester:
GENTLEMEN: In the above entitled action of partition, recently terminated, proof was given that there were certain taxes assessed against the property sold therein, against

lot 67 and part of lot 68, Andrews and Atwater Tract, city of Rochester, for the years 1885, 1884 and 1885 for General City Taxes for those years, also for improvements, for widening North St. Paul street, for North St. Paul street sewer, and other ordinances which amounted to the sum of \$1,821.68 figured to June 3d, 1886, which were unpaid.

The Supreme Court hearing argument on both sides, have decided that said taxes and assessments are invalid and void, and have enjoined the Mayor from executing any tax lease on any tax certificates outstanding for tax sales for those years. The order to that effect has been entered and served on the city attorney, and on the Mayor of the city of Rochester.

The undersigned having been requested to make a proposition to the Common Council looking to a termination of the litigation, without further costs, make the following offer, viz.: To pay to the city treasurer of the city of Rochester the sum of two hundred dollars in full satisfaction and release from the proper parties, of all taxes and assessments for those years, improvements and ordinances, and end the litigation, without further costs to either party, as to the validity of such taxes and assessments.

Dated Rochester, July 20, 1886.

W. H. OLMSTED,

Att'y for Mary C. Leinen and others, heirs of John Elter.

W. H. SHUART,

Watson—Petition for the reconsideration of the ordinance for the improvement of South Water street, and in place thereof to direct the Executive Board to notify the owners of property adjoining that part of the street where repairs are needed to have the same made within 15 days from the time of serving notice.

Ordered received and filed.

By Ald. Watson—Resolved That the several property owners on South Water street be allowed fifteen days from date within which to make the needed repairs called for by final ordinance No. 3,024; and if, at the end of the specified time, said repairs have not been made, or have not been completed, the Executive Board are requested to advertise at once for the letting of the aforesaid work. Adopted.

By Ald. Kohlmetz—Petition of John U. Sigl for permission to erect a wood building. Granted under direction of the Wood Building Committee and Fire Marshal.

By Ald. Kohlmetz—

To the Board of Aldermen of the city of Rochester:

Your petitioner, Gerard Dexter, respectfully states that he is conducting a business at the lower landing at the Genesee river commonly called Brewer's Dock, and that he is seized in fee and is the owner of the premises immediately north of the highway called Genesee avenue, leading from the high bank of the Genesee river to your petitioner's premises, that said highway is out of repair and is not safe and your petitioner is desirous of becoming the owner of said highway and also desires a license to erect a railway from the top of the high bank to your petitioner's quarry. Your petitioner, therefore, asks that the city of Rochester will convey its interest in said highway from the top of said high bank to the river to your petitioner, that he may repair the same and make his place of business accessible to his patrons.

And he further asks the right to erect and maintain an elevator, and for that purpose your petitioner will need land on the brow of the hill as an ingress and egress to and from the same, and also space to locate an engine for hoisting purposes, and he also asks the right to use the land owned by the city of Rochester sufficient for the foregoing purposes.

Dated August 7, 1886. GERARD DEXTER.

Ordered received, filed and published, and referred to the City Property Committee and Executive Board.

REPORTS OF STANDING COMMITTEES.

Ald. Coughlin from the Lamp and Health Committee; Ald. Foley from the Poor Committee; Ald. Selye from the Park Committee; Ald. Mandeville from the City Property Committee and Ald. Weider from the Contingent Expense Committee reported in favor of the various bills referred to their respective committees, and referred them to the Finance Committee for payment.

By Ald. Kohlmetz—

To the Hon. the Common Council:

GENTLEMEN: Your committee to whom was referred the petition of McGraw & Fox, respectfully report and recommend that the same be referred to the Law Committee, as the statements and requests contained in said petition involve questions of law.

HENRY KOHLMETZ,
CHRIS. J. SCHAEFFER,
WM. COUGHLIN,
GEO. B. SWICKHARD,
LOUIS BOHRER.

Ordered received, filed and published.

By Ald. Kohlmetz—Resolved, That the petition of McGraw & Fox requesting the repayment to them of the sum of \$410.28, heretofore deducted from the amount due them for the paving and improving of Hickory street, be referred to the Law Committee for their consideration. Adopted.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your Law Committee, pursuant to the resolution of the Common Council, met with the Executive Board and the Chief Engineer of the Water Works Department on the 2d day of August, 1886, and were attended by Mr. Marsenus H. Briggs, representing Mr. Theodore Bacon, relative to the Hemlock and Canadice Lake awards, and, after hearing the requests urged by Mr. Briggs, in view of the magnitude of the awards and of the fact that, if his opinion be correct, the awards now rendered against the city are not in law subject to review by the Court of Appeals, and that a decision by the Court of Appeals as to whether the questions involved are reviewable by it, must be reached at an early date, probably by the 5th day of October, 1886, and in view of the fact that the expense of said appeal will be but nominal, as compared to the amount involved, we do, therefore, recommend that an appeal be taken to the Court of Appeals, and that the City Attorney be instructed so to do by resolution of your honorable body.

Respectfully submitted,
J. MILLER KELLY,
P. WEIDER,
D. W. SELYE,
H. KOHLMETZ,
Law Committee.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the City Attorney be, and he hereby is, instructed to appeal from the judgment of the Supreme Court confirming the awards in the matter of the application of the city of Rochester to acquire the permanent and perpetual right to draw from Hemlock and Canadice Lakes an amount of water sufficient for the use of said city and its inhabitants, not exceeding nine millions of gallons per day. Adopted.

Ald. Kelly, from the Salary Committee, asked that the City Attorney be heard in relation to the salary of the Vinegar Inspector. City Attorney Powers advised that the Council had no power to fix any salary for the Vinegar Inspector.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

To the Common Council:

GENTLEMEN—The accompanying report of the Chief Engineer of Water Works is respectfully referred to your honorable body with the explanation that at the time the water mains in Livingston place were laid it was supposed that they were amply large to supply any demand made upon them, but the commercial enterprise in this locality has advanced so rapidly and so extensively that the increase in the size of the water pipes has become an immediate and urgent necessity.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

To the Executive Board:

GENTLEMEN—The application of the Bartholomay Brewing Company for an increase in the size of the water main in Livingston Place, and also for the introduction of a Holly main at the same time, having been referred to me with instructions to report to the Common Council, I would respectfully report as follows:

The present main in Livingston street is partly of four inches in diameter and partly of six inches. Recently the Bartholomay Brewing Company has connected therewith two services each of a capacity of four inches, and the Curtice Brothers have made application to also connect to the said main a four-inch service.

The present main is entirely too small for the present demand upon it, and in my opinion should be immediately increased to eight inches internal diameter.

From the fact that there is so large an amount of valuable manufacturing property in that locality, which would have largely increased fire protection by the laying of an eight-inch Holly main in the same trench, with the proposed increased domestic main, I also earnestly endorse the proposition for the extension of such a main.

The estimated cost of the laying the two eight-inch mains in Livingston street, as recommended in the foregoing, is \$2,400.

Respectfully submitted,

J. NELSON TUBES,
Chief Engineer of Water Works.

Ordered received, filed and published.

By the Clerk—

ROCHESTER, N. Y., Aug. 10, 1886.

To the Hon. Common Council:

GENTLEMEN—The undersigned, representing your Water Works Committee and the Executive Board, to whom was referred the petition of taxpayers on West avenue, asking for the extension of the Holly water main in said avenue, from Canal street to Favor street, in advance of the proposed Asphaltum surface improvement thereon, respectfully report as follows:

We believe the extension of the Holly system of water mains in said avenue in advance of the

Asphaltum improvement, to be desirable and proper, and respectfully recommend that provision for such extension be immediately made in accordance with the prayer of the petition.

We further call the attention of the Common Council to the necessity of borrowing the sum of \$2,500 for that purpose, if the work is authorized to be done.

The attention of the Common Council is respectfully invited to the annexed report of the Chief Engineer of Water Works to the Executive Board on the subject of the proposed extension.

D. W. SELYE,
W. H. MARSON,
J. H. FOLEY,

Water Works Committee Common Council.

BYRON HOLLEY,
E. KUICHLING,
GEO. W. ALDRIDGE,
Executive Board.

ROCHESTER, August 6, 1886.

To the Executive Board:

GENTLEMEN: The owners of property on West avenue recently petitioned the Common Council to have a Holly water main extended on said avenue from Canal street eastward to Favor street, in advance of the proposed asphaltum surface improvement.

The said petition was referred to me for an examination and report, which report I herewith submit:

I have no doubt that such an extension of the Holly system, as is contemplated by the petition, will be very soon needed both for purposes of increased fire protection and for commercial uses. If not laid in advance of the improvement, it will thereafter have to be laid under the sidewalk of the street, this latter location, however, being regarded as somewhat objectionable by abutting property owners, as it will interfere with the construction of areas under the sidewalk in connection with business blocks.

It will be impracticable to extend said pipe across the old Genesee Valley Canal until the water is drawn from the Erie Canal next spring.

If the balance of the pipe is laid now it will result that none of the pipe east of said canal (about 900 feet) can be brought into use until the canal crossing is made. The pipe required for the proposed extension should be ten (10) inches in diameter. The length is about 1,250 feet and the estimated cost is \$2,000. The amount required to perform all the work which can be done previous to making the canal crossing is estimated at \$2,200.

The work of making water pipe extensions for the present year has not been sufficiently progressed at this date to warrant the placing this additional burden upon the water pipe extension fund, and therefore should the Common Council deem it expedient to grant the prayer of the petition, it will be necessary for it to borrow the money required for that purpose.

From the foregoing statement of facts I think the Executive Board and the Common Council will be able to intelligently determine as to the propriety of granting or refusing the prayer of the petition.

Respectfully submitted,

J. NELSON TUBBS.

Ordered received, filed and published.

At a meeting of the Executive Board, held August 6th, 1886, the following resolution was adopted:

By Mr. Kuichling—Resolved, That it is the sense of this Board that a water main of the Holly system be extended in West avenue, from Canal street to the Erie canal, in advance of the asphalt improvement on said West avenue; and that the clerk be requested to transmit at once a copy of this resolution, together with a copy of the foregoing report of Chief Engineer Tubbs to the Water Works Committee of the Common Council.

ROCHESTER, Aug. 9, 1886. }

To the Common Council:

GENTLEMEN—There are some coal tar concrete walks on the north side of Spencer street, west of Lake avenue, that are so badly broken as to be dangerous to pedestrians. Notice has been served upon the owners to repair, but without effect. The Executive Board would therefore respectfully recommend that the City Surveyor be directed to prepare an ordinance for the construction of new sidewalks on the north side of Spencer street, west of Lake avenue, where good walks at the proper grade do not now exist.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Received, filed and published.

By Ald. Selye—Resolved, That the City Surveyor be and he hereby is directed to introduce an ordinance for the construction of new sidewalks on the north side of Spencer street, west of Lake avenue, in accordance with the recommendation of the Executive Board. Adopted.

To the Common Council:

GENTLEMEN—The sidewalk on the east side of North St. Paul street from Avenue E to Emerson's ice pond is in a dangerous condition and so badly decayed as to be past repair.

The Executive Board would therefore respectfully recommend that the Surveyor be instructed to introduce an ordinance for the construction of a new walk between the points indicated where good walks do not now exist. Respectfully submitted.

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Kohlmetz—Resolved—that the City Surveyor be and he hereby is directed to introduce an ordinance for the construction of a plank walk on the east side of North St. Paul street from Avenue E to Emerson's ice pond, where good walks at proper grade do not now exist. Adopted.

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, Aug. 10, 1886. }

To the Common Council:

GENTLEMEN—An examination of the sewers in Cayuga place and Mt. Vernon avenue shows that the pipe forming said sewers were very irregularly laid and have become so completely filled with mud from the surface of the street as to be practically useless as sewers. The Executive Board would therefore respectfully recommend that the City Surveyor be instructed to introduce an ordinance for the reconstruction and cleaning of said sewers from Meigs street to Caroline street, together with the construction of the necessary manholes and surface laterals and the grading of the roadways.

Respectfully submitted,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Weider—Resolved, That the City Surveyor be and he hereby is instructed to introduce an ordinance for the reconstruction of the sewers in Cayuga place and Mt. Vernon ave., from Meigs street to Caroline street, in accordance with the recommendations of the Executive Board. Adopted.

From the City Treasurer—

ROCHESTER, N. Y., Aug. 10, 1886.

To the Hon. the Common Council:

GENTLEMEN: In accordance with your resolution of July 13, 1886 (page 174 of current proceedings), I have to report that, as therein directed, I appeared on the Court House steps at 10 o'clock a. m. on the 7th day of August, for the purpose of selling the right, franchise and privilege of constructing a railroad track through, along and upon Plymouth avenue, from Main street to Genesee street, thence through Genesee street to Brooks avenue, together with the necessary branches, turnouts, sidings, switches, turn-tables, etc.

After reading the published notice of sale, bids were asked for, but before any response was made the following objections, together with one other which I am unable to obtain, were read:

We, the undersigned, representing James R. Chamberlain, H. Austin Biewster, Edwin O. Sage, Charles W. Gorton, Charles H. Babcock, and many others, owners of, or persons interested in property located on Plymouth avenue, in Rochester, N. Y., hereby protest against, and forbid, the sale of the right, privilege or franchise, of using Plymouth avenue, in said city, for the purpose of a railroad of any description, or for any purpose, as advertised to be sold on August 7, 1886, at 10 o'clock a. m., pursuant to, or under, a resolution passed by the Common Council of said city, at a meeting of said Council, held July 13, 1886, on the following grounds, to wit:

First—That the proper notice of the sale thereof has not been published in two daily newspapers three times a week for three weeks, as prescribed by law.

Second—That the consent of said Common Council to the construction, maintenance, use, occupation, or extension of a railroad in said avenue, was given by said council prior to the sale thereof, in stead of subsequent thereto, as required by law.

Third—That no map or plan of said railroad has been filed with the Secretary of State as required by law.

Fourth—That Plymouth avenue, aforesaid, does not extend, and when such resolution was passed, did not extend to Genesee street, and that the continuation of said Plymouth avenue is either Brooks avenue or Foley street, said Foley street and said Brooks avenue connecting said Plymouth avenue with said Genesee street.

The other objection, of which I am not in possession, related to the legality of the vote of your honorable body in passing the said resolution. I have requested that a copy of said objection be furnished me, but my request has been denied by the objecting parties. By the advice of the City Attorney, and in pursuance of the authority conferred upon me by Chapter 642, Laws of 1886, I thereupon adjourned the sale to September 2d, at 11 o'clock a. m., at the same place, and have caused the notice of said adjournment, together with the original notice of sale, to be published three times a week for three weeks prior to the time of said adjourned sale, in the two daily newspapers designated by the Mayor for the publication of the said first notice of sale.

Very respectfully submitted.

JOHN A. DAVIS, Treasurer.

ACTION ON ORDINANCES.

FIRST ORDINANCES.
RECONSTRUCTING SEWER IN CAYUGA PLACE.

By Ald. Marson - Resolved, That the City Surveyor ascertain and report to this Council the expense of cleaning, repairing, extending and reconstruction of the sewer in Cayuga place, between Grand street and Mount Vernon avenue.
Adopted.
The Surveyor submitted as such estimate \$750.
By Ald. Marson - Resolved, That the following improvement is necessary, viz:
The taking up, cleaning, deepening, repairing and reconstruction and extension, where found necessary or expedient, of the main sewer in Cayuga place, beginning at a point sixty (60) feet east of the easterly line of Grand street, and extending to meet that portion of the existing sewer in Cayuga place at resaid which is included between Mt. Vernon avenue and Melgs street, vitrified pipe twelve (12) inches in diameter being used for the required extension of the sewer as well as for the defective or broken pipes within the limits above specified. Also the construction of the necessary man-holes, new surface sewers and lot laterals, with the

cleaning, repairing and connections of the old. Also the roadway grading and gutter formations.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$750, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Cayuga place, from Grand street to the westerly line, and westerly line produced, of Mount Vernon avenue.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, Aug. the 24th, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.

CLEANING AND DEEPENING SEWER ON MOUNT VERNON AVENUE AND CAYUGA PLACE.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of taking up, cleaning, deepening, repairing and reconstruction, where found necessary, of the Mount Vernon avenue and Cayuga place sewer, with other work connected therewith.

Adopted.
The Surveyor submitted as such estimate \$3,575.
By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The taking up, cleaning, deepening, repairing, and reconstruction, where found necessary, of the main sewer in Mount Vernon avenue, as well as of the connected surface sewers and lot laterals, from Caroline street to the Cayuga place sewer. Also, all of the work of the above specified character, that is required on the line of the Cayuga place sewer, from Mount Vernon avenue to the Meigs street sewer, together with the necessary new manholes, surface sewers, lot laterals, and connections, roadway grading, and gutter formations.

And whereas, the City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$3,575, which estimate is hereby approved.

Resolved further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

All that territory included within and described by the following boundary lines, viz: Beginning at the intersection of the westerly line of Meigs street with the northerly line of Cayuga place; thence westerly along Cayuga place, including one tier of lots on the northerly side thereof to Grand street; thence southerly along Grand street, and excluding one tier of lots on the southerly side thereof to South avenue; thence still southerly along South avenue, including one tier of lots on the westerly side thereof to Alpine street; thence easterly along Alpine street, including one tier of lots on the south side thereof to Mount Vernon avenue; thence northerly along Mount Vernon avenue, including one tier of lots on the easterly side thereof to Oakland street; thence easterly along Oakland street, including one tier of lots on the south side thereof to Meigs street; thence northerly along Meigs street, excluding one tier of lots on the west side thereof to the place of beginning.

And further resolved, That the taxpayers to be assessed for making such improvement may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one-year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice, in pursuance of Title VII, section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, August the 24th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

By Ald. Bohrer—Resolved, That the following improvement is necessary, viz:

The widening of Euclid street from Elm park to Chestnut street, by taking a strip of land eight (8) feet in width on the south side of said Euclid street from Elm park to Chestnut street, giving a uniform width of thirty-three (33) feet to Euclid street aforesaid throughout its entire length.

Adopted.
Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Euclid street, from Elm park to Chestnut street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, section 172 of the Revised Charter of 1880 of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, August the 24th, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.
PLANK SIDEWALK ON DAKE STREET.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank sidewalk on the north side of Dake street.

Adopted.
The Surveyor submitted as such estimate, \$109.
By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a plank sidewalk four (4) feet and eight (8) inches wide on the north side of Dake street, from Alexander street to Hebard street, except where sidewalk of good quality and of proper width, grades and alignments now exist, also, the necessary sidewalk grading and gutter formation.

And Whereas The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$109, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Dake street, from Alexander street to Hebard street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter or said improvement, are required to attend the Common Council, on Tuesday evening, August the 24th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.
THOMAS STREET PLANK WALK.
By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing plank sidewalks on Thomas street.

Adopted.
The Surveyor submitted as such estimate \$125.
By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of plank sidewalks four (4) feet wide on each side of Thomas street, from the northern terminus thereof to Bernard street, except where sidewalks of good repair and of proper width, grades and alignments now exist, the owners of the lots abutting on said Thomas street within the limits named being allowed thirty (30) days after the passage of the final ordinance for the improvement aforesaid, to construct their own sidewalks on the grades and alignments that may be established by the City Surveyor; also the necessary sidewalk grading and gutter formation.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$125, which estimate is hereby approved.

Resolved, further, That the following portion of

said city is deemed benefited and proper to be assessed for the whole expense thereof, viz :

One tier of lots on each side of Thomas street from the northern terminus thereof to Bernard street.
And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, August 24th, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.
Adopted.

BROWN STREET PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in Brown street.
Adopted.

The Surveyor submitted as such estimate \$1,675.
By Ald. Marson—Resolved, That the following improvement is necessary, viz :

The construction of a ten (10) inch vitrified pipe sewer between the curb line and the street line on the southerly side of Brown street, beginning at a point twenty-five (25) feet west of the produced easterly line of the lot now owned by D. D. Williams and extending easterly to a point opposite the western terminus of the present sewer in Brown street; thence northerly to intersect the said existing Brown street sewer, with the necessary manholes, lampholes, surface sewers, lot Y connections, and lot laterals.

And, Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$1,675 which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz :

One tier of lots on the southerly side of Brown street, included between lines drawn perpendicular to the axis of the street aforesaid, through the western termini of the existing and proposed sewers.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, August 24th, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.
Adopted.

HUDSON PARK PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in Hudson park between Hudson street and Edward street.
Adopted.

The Surveyor submitted as such estimate \$460.
By Ald. Marson—Resolved, That the following improvement is necessary, viz :

The construction of a vitrified pipe sewer (9) inches in diameter in Hudson park, beginning at a point three hundred (300) feet west of the west line of Hudson street and extending therefrom westward to intersect Edward street sewer, also, the necessary manholes, surface sewers, lot laterals and connections, roadway grading and gutter formation.

And whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$460, which estimate is hereby approved.

Resolved, further—That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz :

One tier of lots on each side of Hudson park beginning at a point three hundred (300) feet west of the west line of Hudson street and extending westward to Edward street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, August 24th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Ald. Stein moved that the first ordinance for a vitrified pipe sewer on Hudson park be so amended as to read 313 feet west of the west line of Hudson street. Adopted.
The ordinance as amended was adopted.

SYKE STREET PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in Syke street, between Colvin street and Ames street.
Adopted.

The Surveyor submitted as such estimate \$1,070.

By Ald. Marson—Resolved, That the following improvement is necessary, viz :

The construction of a vitrified pipe sewer twelve (12) inches in diameter in Syke street, beginning at a point one hundred (100) feet west of the west line of Colvin street and extending westward to intersect the sewer sewers, lot laterals and lot connections, roadway grading and gutter formations.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$1,070, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz :

One tier of lots on each side of Syke street, from Colvin street to Ames street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880 of the City of Rochester, that all persons interested in the subject matter of said improvement, are hereby required to attend the Common Council, on Tuesday evening, Aug. the 24th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.
Adopted.

FINAL ORDINANCES.

The final ordinances for Glenwood park opening and Glenwood park grading came up and on motion of Ald. Kelly action was postponed two weeks.

FINAL ORDINANCE, NO. 3,025.

GLENWOOD AVENUE RETAINING WALLS.

On motion of Ald. Kohlmetz, the Board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing in person:

Ald. Kohlmetz submitted the following:
An ordinance to increase the embankment and construct retaining walls on Glenwood avenue, between the banks of Deep Hollow creek.

The Common Council of the city of Rochester, do ordain and determine that the following improvement be made, to wit:

An addition to the embankment on Glenwood avenue between the banks of Deep Hollow creek by building suitable retaining walls north and south of the lines of the avenue aforesaid, and the extension northward of about twenty (20) feet of the present culvert, running from north to south under said avenue with the partial filling in of the space between the said retaining walls; also the reconstruction and extension of the sewer now on the west bank of the creek and on the avenue aforesaid with the necessary surface sewers and sub-soil drainage openings. Also the removing of the boat house of Henry East, and now located near the bottom of the west bank of Deep Hollow creek, to an sary filling in, timbering, anchoring and sheet piling of the ice pond dam belonging to Henry East aforesaid, which will require the construction of the retaining walls, and the moving and re-locating of the boat house to make said dam as good as at present.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this council, having made an estimate of such expense, and reports the same at \$3,470, and said estimate being deemed reasonable, is hereby approved; and the portion or said city, which said Common Council deem will be benefited by said improvement is described as follows :

All the territory included within and described by the following boundary lines, viz. —

Beginning at the intersection of the north line of Glenwood avenue with the east line of First street, thence northerly along said east line of First street, including one tier of lots on the east side thereof, excepting the lots within two hundred and fifty (250) feet of the north line of Glenwood avenue, to a point one hundred (100) feet south of the south line of Rowe street, thence westerly along a line parallel with Rowe street to the west line of Quatrich place, thence southerly along said west line and including one tier of lots on the west side thereof, to the eastern boundary of the Erie Canal lands, thence south-easterly along said boundary to the south line of Perkins street, thence easterly along said line and including one tier of lots on the south side thereof, to the western boundary line of the Gulf or Deep Hollow lands, belonging to Henry East, thence northerly along said boundary line to the place of beginning.

Also all the territory included within and described by the following boundary lines, viz. : Beginning at the intersection of the north line of Glenwood avenue with the east line of the Gulf or Deep Hollow lands be-

longing to Henry East, thence southerly along said boundary lines to the north line of Perkins street, thence easterly along said north line, including one tier of lots on the south side thereof to the west line of Leavenworth place, thence northerly along said west line to the southerly boundary line of the Gulf or Deep Hollow lands, thence westerly and southerly along said boundary line to the place of beginning.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

And it is further ordained and determined that the taxpayers to be assessed for making such improvement, may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed of six per cent. per annum.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester :

GENTLEMEN—Your Law Committee, to whom was referred the proposition of Mary C. Leinen to pay to the city of Rochester \$200 in full satisfaction of all taxes and assessments, amounting to

\$1,321.60, adjudged by the Supreme Court invalid, respectfully reports:

That your committee is informed that said taxes were adjudged invalid upon the ground of technical irregularities; that tax certificates, representing the greater portion of said taxes, are now owned by parties other than the city of Rochester; that your committee is of the opinion that question involved should be reviewed by an appellate tribunal before accepting the proposition, and, therefore, report adversely to the acceptance of said Mary C. Leinen.

The petition of Messrs. McGraw & Fox, praying your honorable body that the sum of \$428.28 be returned to said petitioners as an amount deducted by the Executive Board upon a final settlement of the amount due upon a contract which the said petitioners had with the city of Rochester for paving and improvement of Hickory street, was investigated by your committee, and your committee is informed by the Executive Board that no deductions were made upon the settlement, except such as were authorized by the terms of said contract, and, therefore, report adversely to the prayer of said petition.

The petition of Thomas Fenwick praying your honorable body to direct the City Attorney to discontinue an action of foreclosure now pending for the unpaid city tax for 1882, upon the ground that no notice of redemption was ever served upon said Fenwick, should, in the opinion of your committee, not be granted, as your committee is satisfied that a notice to redeem was personally served upon Thomas Fenwick on the 27th day of June, 1885, by John T. Tracy, at Rochester, N. Y.

Respectfully submitted

J. MILLER KELLY,

P. WEIDER,

H. KOHLMETZ,

G. W. ELLIOTT,

Law Committee.

Adopted.

By Ald. Schaeffer—

To the Hon. the Common Council of the City of Rochester :

GENTLEMEN: Your Assessment Committee, to whom was referred the petition of Martin W. Cooke and Frederick Davis asking that the assessment upon certain lands mentioned in said petition be cancelled, report in favor of granting said petition, and the cancelling of said taxes.

Your committee also recommends that the sum of \$52.19, levied as an assessment on the east part of lot No. 10, on the east side of Evergreen place, upon the lot of A. Roodenburg, be refunded, on the ground that the lot upon which the assessment was levied was not situate within the territory deemed benefited by the ordinance which authorized the opening and extension of the said street, and that said sum of \$52.19 be charged to erroneous assessments.

Your Committee recommends that the amount of \$4.91 be refunded to Felix O'Hara, it being the amount paid in excess by said O'Hara of the general city tax for 1867 on lot 3, north side of Champlain street, Eighth ward, and charge to contingent fund.

Your Committee recommends that in the matter of Helen J. Chamberlain, who was assessed upon lots 12, 13 and 14, section E. Greig tract, north side of Frost avenue, Eighth ward, that the city receive the amount of the taxes assessed thereon for 1885, with interest at six per cent.

Respectfully submitted C. J. SCHAEFFER,

J. MILLER KELLY,

C. STEIN,

Assessment Committee.

Ordered received, filed and published.

By Ald. Schaeffer—Resolved, That the treasurer be, and he hereby is, directed to cancel the assessment of \$52.19 against A. Roodenburg, on east part of lot No. 10 on the east side of Evergreen place, and charge the same to erroneous assessments. Adopted.

By Ald. Schaeffer—Resolved, That the city clerk be, and he hereby is, directed to draw an

order in favor of Felix O'Harra for \$4 91, said amount to be charged to contingent fund. Adopted by the following vote:

Ayes — Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Mandeville, Swikehard, Weider, Stein, Brorer, Kelly, Schaeffer — 13.

By Ald. Schaeffer—Resolved, That the treasurer be, and he hereby is, directed to cancel an assessment of \$10.02 against Frederick Davis, on lot 4 of the Klem tract, Tenth ward, for the improvement of the Court and William street outlet sewer, and charge the same to erroneous assessments. Adopted.

By Ald. Schaeffer—Resolved, That the treasurer be, and he hereby is, directed to cancel an assessment of \$10.02 against Martin W. Cooke on lot 3 of the Klem tract, Tenth ward, for the improvement of the Court and Williams streets outlet sewer, and charge same to erroneous assessments. Adopted.

By Ald. Schaeffer—Resolved, That the city treasurer be, and he hereby is, directed to receive the sums assessed upon lots 72, 73 and 74, section E, of the Greig tract, north side of Frost avenue, belonging to Helen J. Chamberlain, for the year 1885, with 6 per cent. interest. Adopted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

ROCHESTER, N. Y., Aug. 24, 1885.

To the Honorable the Common Council:

GENTLEMEN—Report having been made of the unsafe condition of the ice house owned by H. T. King, situated on the island by the weighlock, and after giving the matter a thorough investigation, I found the building in a dangerous condition. I have notified Mr. King to put the building in proper condition so as to ensure the safety of the adjacent buildings; as yet he has not done so, and I ask your honorable body to take such action as you may deem necessary in the premises.

ARTHUR MCCORMICK, Fire Marshal.

Ordered received, filed and published.

By Ald. Stein—Resolved, That the Fire Marshal notify H. T. King to repair the ice house owned by him, and situate on the island by the weighlock, within ten days from the service of such notice; if not done in that time, the Fire Marshal cause it to be repaired and charge the property with the expense. Adopted.

To the Common Council:

GENTLEMEN—The ordinance for Chestnut park walk, which was drawn in conformity with the conditions set forth in the several petitions for the improvement, provides that all obstructions and obstacles in the street shall be removed in connection with the construction of the walk.

A map made by the City Surveyor shows the obstruction to be a dwelling on the corner of Chestnut street and Chestnut park, the wall of which encroaches on the street an average of seven (7) inches. The fence of this property as well as those of five (5) other residents on the street vary in the extent of the encroachment from five (5) inches to three (3) feet. The legal complications that might arise under the provisions of this ordinance deterred the contractors from making any proposals, and the Executive Board therefore refer the ordinance for this proposed improvement back to your honorable body for such action as you may deem proper. Respectfully,

THOMAS J. NEVILLE, Clerk.

On motion of Ald. Watson referred to the Law Committee.

To the Common Council:

GENTLEMEN—That portion of Mount Hope avenue south of the main entrance to Mt. Hope cemetery has never been improved, and the nature of the soil upon this portion of the street is such that at every heavy rain large quantities of sand are washed from the roadway extending up the hill on to the improved portions of the street and into the sewer, obstructing the same, to the great damage of the abutting property. It is impossible to maintain a safe and easy roadway upon this hillside without the construction of a permanent pavement. The Executive Board would therefore respectfully recommend that an ordinance be passed for the improvement of Mt. Hope avenue, from the south end of the present improvement to the south line of Highland avenue.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Weider—Resolved, That the City Surveyor be and hereby is directed to introduce an ordinance for the construction of a Medina stone pavement, with the necessary curbs, gutters and sidewalk grading on Mount Hope avenue, from the south end of the present improvement to the south line of Highland avenue. Adopted.

To the Common Council:

GENTLEMEN: Some time since the Executive Board called your attention to the fact that the wooden bridge over Deep Hollow creek on Locust street had become so dangerous as to be no longer safe for public use, and recommended that an ordinance be passed for its reconstruction upon some permanent plan.

Said Board has now caused the bridge to be closed in order that life and limb may not be hazarded, and would again recommend that an ordinance be at once passed for the construction of either an iron bridge with the necessary abutments, retaining walls and approaches, or a stone culvert with the necessary embankment and retaining walls.

Respectfully submitted,

Ordered received, filed and published.

To the Common Council:

GENTLEMEN—In accordance with the instructions of your honorable body the Executive Board obtained from the property owners the prices for which they will sell their lands for the extension of Evergreen place. Each one of the owners agrees in writing to accept \$25 per front foot for the land taken; and, while the price may approximate a fair market value in Evergreen street, yet in the case of the Gifford property on Evergreen place, where \$750 is asked for a lot about 30 feet front by about 17 feet deep, it is thought that the sum is beyond a fair market value; and therefore, the Executive Board recommends the appointment of commissioners to

appraise the damage to the land to be taken for the proposed improvement.

Respectfully submitted,
THOMAS J. NEVILLE, Clerk.

To the Hon. Common Council:

GENTLEMEN—In the matter of the claim for injuries to a horse, presented to your honorable body by Elmer Murphy, which, it is alleged, were caused by the animal being frightened by the steam roller while Hickory street was in process of improvement, the Executive Board beg leave to present the facts as given by its employees who were engaged in operating the roller at the time of the occurrence:

The roller was in motion and moving toward South avenue, east of Ashland street, when the engineer discovered a young man driving a horse, to which was attached a wagon loaded with furniture. When the horse got within three rods of the roller, the engineer having stopped the machine in the meantime, he became restive and refused to proceed. A man who was on the sidewalk, and engaged in the moving, took the horse by the head and led him by the roller without further trouble.

The men on the roller did not observe that the horse was injured and no complaint of the kind was made to them at the time or afterward. The driver of the horse forced him under the whip toward the roller, and was reproved for his action by his associate. The allegation that the engineer was blowing off steam is emphatically denied, as

well as all other statements, except those acknowledged in this communication. Respectfully,

THOS. J. NEVILLE, Clerk.

ROCHESTER, N. Y., Aug. 3, 1886. }

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—I am directed by the Rochester Board of Underwriters to again call your attention to the chimney of the Whitney building on North Water street.

The chimney has not been extended. The "spark arrester" arrests only the larger sparks and falls far short of the request of the Board, and is entirely unsatisfactory to its members and the owners of adjacent property.

Hoping you will give this matter your official attention, I have the honor to be,

Yours respectfully,
SELDEN PAGE, Secretary.

Ordered received, filed and published.

The report of the milk inspector was received and ordered filed.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

VINCENT PLACE PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in Vincent place, between North St. Paul street and the east end of Vincent place bridge.

Adopted.

The surveyor submitted as such estimate \$825.00.

By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer twelve (12) inches in diameter in Vincent place, beginning at a point about fifty (50) feet east from the east abutment of the Vincent place bridge, and extending eastward to intersect the North St. Paul street sewer with the required manholes, surface sewers, lot laterals, and lot connections; also the taking up, reconstruction, and extension, of existing, and the construction, of

new surface sewers where demanded. The taking up, and resetting, of the present, and the substitution of new curb stones, where necessary, and the pavement of the gutters, and roadway, with Medina stone where it is called for by the character of the proposed improvement.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reports the same at \$825.00, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Vincent place from North St. Paul street to the west face of the abutment at the east end of the Vincent place bridge.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, September the 7th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

By Ald. Coughlin—Resolved, That the Park Committee be authorized to advertise the sale of the fence around Washington Square in the official papers of the city three successive days, and that they be authorized and directed to sell said fence to the highest bidder. Adopted.

By Ald. Watson—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN: No appropriation for the current year having been made to the Executive Board for Salary and Expense fund, and the Executive Board having been instructed to pay all salaries and expenses from the different funds under its control, it is necessary in order to close the account, that the unexpended balance from last year be transferred from said fund and place to the credit of Water Works fund.

Your committee therefore recommend the adoption of the accompanying resolution.

CHARLES WATSON,
J. H. FOLEY,
PHILIP WEIDER,
G. W. ELLIOTT,
Finance Committee.

Ordered received, filed and published.

By Ald. Watson—Resolved, That the Treasurer be and he hereby is directed to transfer the balance of \$586.59 now standing to the credit of Salary and Expense fund, to the credit of the Water Works fund. Adopted.

By Ald. Watson—Resolved, That the Police Commissioners be and are hereby authorized to make such changes in the rooms in the city building on Front st., proposed to be occupied by the police patrol, as shall be deemed necessary for the effective working of the same, the expense of the same not to exceed \$1,000, and to be paid from the police fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Foley, Mandeville, Swikehard, Bohrer, Kelly, Schaeffer—12.

Nays—Ald. Weider—1.

By Ald. Marson—Resolved, That the City Treasurer be and he is hereby authorized to issue the city's note in the sum of \$2,500 under the authority of section 81 of the city charter, the proceeds of said note to be credited to the Water Pipe Extension Fund, and used for the purpose of laying Holly water mains in West

avenue in advance of the laying of asphalt surface improvement, said note to be discounted under direction of the Finance Committee and the discount to be charged to Contingent Fund.

Ald. Coughlin moved as a substitute that the Executive Board lay the pipe in West avenue out of the water pipe fund. Adopted.

Ald. Kohlmetz presented a petition for the improvement of Joiner street, which was referred to the Executive Board.

Ald. Kohlmetz presented the petition of Mary E. Hogan for remission of taxes. Referred to the Assessment Committee.

Ald. Foley presented the petition of T. J. Bailey for permission to erect a wood building, and moved permission be granted. Adopted.

Ald. Foley presented a petition for laying of water mains on Hawley street, and moved that the Executive Board lay the water mains out of money now appropriated for that purpose. Adopted.

By Ald. Weider—Whereas, The present system of lighting the outer portions of the city with kerosene oil lamps is wholly inadequate and entirely unsatisfactory to the taxpayers of that territory; and,

Whereas, The amount raised for lighting the city during the current fiscal year is insufficient to warrant the substitution of electric or gas lights for kerosene oil lights; therefore,

Resolved, That the Lamp Committee be directed to ascertain and report to this Council the additional amount that would be necessary to extend electric or gas lights into the kerosene oil districts of the city.

Ald. Watson moved to refer to the Lamp Committee. Adopted.

By Ald. Weider—Resolved, That the Executive Board be, and it is hereby authorized and directed to extend a suitable water main in Diem street, from Benton street to Caroline street, at an expense not to exceed \$350, and to pay the cost of such extension out of any moneys now to the credit of the water pipe extension fund. Adopted.

By Ald. Bohrer—

ROCHESTER, N. Y., Aug. 23, 1886.

To the Hon. Common Council:

GENTLEMEN—On the 25th day of January, 1886, our board issued to one Homer S. DeWitt a license to sell liquor at No. 124 North avenue, and on the 22d day of August he went out of business. He now desires a rebate of his license fee from this time to the end of the year. Under the circumstances we should be inclined to recommend that your board refund to him a portion of his license fee corresponding to the time it has yet to run.

Respectfully,

POMEROY P. DICKENSON,
CONRAD HERZBERGER,
JAMES MALLEY,
Excise Commissioners.

By Ald. Bohrer—Resolved, That the clerk be, and hereby is, directed to draw an order on the city treasurer in favor of Homer S. DeWitt for twenty dollars and eighty-three cents (\$20.83), and charge poor fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Foley, Mandeville, Swikehard, Weider, Bohrer, Kelly, Schaeffer—13.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—I have mapped and intend to open two streets leading from Brown street to Silver street. The one is located 204 feet west of Halbut street, and the other 216 westerly from the last named.

The construction of the Asphalt improvement in Brown street renders it necessary to extend short branch water pipes from the main in Brown street to the north line thereof. I respectfully ask your board to direct the Executive Board to make these connections in advance of the proposed improvement in Brown street. The total length of extension required is about eighty feet of four inch pipe.

Respectfully submitted,

F. B. HUTCHINSON.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the Executive Board be and it hereby is authorized and directed to make two connections with the water main in Brown street and extend the same into the two new streets about to be opened by F. B. Hutchinson, in accordance with his petition therefor this day submitted to the Common Council. Adopted.

By Ald. Kelly—Resolved, That Forepaugh's circus have permission to give an exhibition in this city, September 16, 1886, on paying into the City Treasury the sum of \$50. Adopted.

Ald. Schaeffer moved a reconsideration of the action on the ordinance for Thomas street plank walk. Adopted.

Ald. Schaeffer presented a remonstrance against the same, and moved that action on the ordinance be postponed two weeks. Adopted.

Ald. Schaeffer presented the petition of Andrew J. Miller to erect a wooden building. Referred to the Wood Building Committee and Fire Marshal with power to act.

Ald. Schaeffer moved the reconsideration of the resolution cancelling the tax of A. Roodenberg. Adopted.

By Ald. Schaeffer—Resolved, That the City Clerk be and he hereby is directed to draw an order in favor of A. Roodenberg for \$52.19, said amount to be charged to erroneous assessment.

Adopted by the following vote—

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Foley, Mandeville, Swikehard, Weider, Bohrer, Kelly, Schaeffer—13.

Ald. Schaeffer moved a reconsideration of the action confirming the assessment roll of Joiner street. Adopted.

Ald. Schaeffer moved that action be postponed two weeks. Adopted.

Ald. Schaeffer presented a remonstrance against changing the name of Joiner street, and moved its reference to the Committee on Opening and Alteration of Streets. Adopted.

Ald. Mandeville moved that the Council meet Monday evening, Sept. 6th, for the purpose of fixing the polling places for the ensuing year. Adopted.

Ald. Foley moved that action on the report of the committee changing the name of the river road be reconsidered. Adopted.

Ald. Foley moved its reference to the special committee on changing the name of River road.

On motion of Ald. Foley, the Council adjourned. PETER SHERIDAN, City Clerk.

In Common Council—Sept. 6, 1886.**SPECIAL MEETING.**

The Clerk called the meeting to order. Ald. Foley moved that Ald. Stein act as temporary chairman. Adopted.

Present—Ald. Tracy, Coughlin, Marson, Watson, Elliott, Foley, Swikehard, Stein, Kelly, Schaeffer—10.

Absent—Ald. Kohlmetz, Fritzsche, Selye, Mandeville, Weider, Bohrer—6.

By Ald. Watson

REPORTS OF STANDING COMMITTEES.

Ald. Coughlin, from the Lamp Committee, reported in favor of the bill presented, and referred it to the Finance Committee for payment.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your Law Committee, to whom has been referred the matter of the opening of a new street from Canfield place to Union Park, would respectfully report:

That, as your committee by its report to your honorable body at a meeting held the 4th day of May, 1886, did respectfully report that, in its judgment, Union park was not a public street of the city of Rochester, but was a private park, and as your committee has not been since convinced that the fact is otherwise, and, that, if the said Union park is not a public street, various legal perplexities must necessarily arise in regard to the proposed street, unless the said park was first condemned, and as your committee is informed that one of the signers for the proposed street, a Mrs. Booth, does not now desire the proposed improvement, and asks to have her name taken off the petition therefor, your committee, in view of all the facts presented before it at the several sessions at which it has had the matter of the opening of the said proposed street from Canfield street to Union park under advisement, reports adversely to the opening of the said proposed street.

Respectfully submitted,
J. MILLER KELLY,
P. WEIDER,
D. W. SELYE,
H. KOHLMETZ,
GEO. W. ELLIOTT,
 Law Committee.

Adopted,
 By Ald. Kohlmetz—

ROCHESTER, N. Y., Sept. 7, 1886.

To the Honorable the Common Council:

GENTLEMEN—Your committee to whom was referred at your last regular meeting the matter of leaving open to competition, the bids for the construction of Portland cement sidewalks of the John J. Schillinger patent, or other kinds of cement walk, on each side of Goodman street, from Park avenue to Monroe avenue, as provided for in ordinance No. 2,964, and amended by resolution offered by Ald. Weider, at your regular meeting on the 10th of August last, authorizing the substitution of the Portland cement sidewalk for the Medina or Bluestone sidewalk on the said street within the limits named, would recommend that the improvement be made in accordance with the original ordinance, as amended, under the resolution of Ald. Weider.

A petition certified by the Board of Assessors as having the signatures of two-thirds (2/3) of the property owners on Goodman street, between Park avenue and Monroe avenue, having been presented in support of the change from one kind of sidewalk to another, no satisfactory reason can be given for making a change in the ordinance as amended, nor does it seem necessary to report on the relative merits of the several kinds of sidewalks in question, as all, when properly constructed, answer the purpose for which they are intended, and in such case the wishes of the majority of interested parties should be consulted.

H. KOHLMETZ,
 WM. COUGHLIN, JR.,
 GEO. B. SWIKEHARD,
 CRIS. J. SCHAEFFER,
 Committee.

Ordered received, filed and published.

By Ald. Kohlmetz—Resolved, That ordinance No. 2,964, providing for the improvement of Goodman street between Park avenue and Monroe avenue, and said ordinance as amended by the Common Council at its regular meeting on the 10th of August last, authorizing the substitution of Portland cement sidewalks for those of Medina, or blue stone, specified in the original ordinance, remain in force as aforesaid amended. Adopted.

By Ald. Coughlin—

To the Hon. Common Council:

GENTLEMEN: Your Lamp Committee, to which was referred several resolutions asking for the placing of electric lights in certain streets, report favorably and submit the following resolution:

Resolved, That the Mayor enter into contract with the Brush Electric Light Co. under conditions

of the present contract, at a rate not to exceed thirty cents per light per night, to light the following named streets:

Four electric lights on Platt street, between State and Allen streets, to displace twenty-five gas lamps.

Two electric lights on Magne street, between Jay street and Lyell avenue, to displace three gas and four oil lamps.

One electric light on Franklin Square, to displace four gas lamps.

One electric light on Hudson street, between North avenue and the railroad.

One on Troup street, to displace six gas lamps.

One electric light on N. Alexander street, between Weld and Main streets.

Four electric lights on Scrantom street, from St. Paul to Clinton street, to displace twenty kerosene oil lamps.

Two electric lights on Sherman street, between Lyell avenue and King park.

One electric light on corner Whitney and Orange street to displace four gas and six kerosene oil lamps.

One electric light in Brown square to displace 4 gas lamps

One electric light on corner John and Dean streets.

The lights to be located under the supervision of the Lamp Committee. Your committee also recommend that said contract commence from the first day of October, 1886.

WM. COUGHLIN, JR.,
 J. H. FOLEY,
 H. KOHLMETZ,
 GEO. B. SWIKEHARD,
 J. MILLER KELLY,
 Lamp Committee.

Adopted.

By A. d. Mandeville—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your Map and Survey Committee, which was requested by your honorable body, at your last regular meeting, to report what, in its judgment, will be necessary in regard to an outlet sewer on the east side of the river, would respectfully report:

That a meeting held on the first day of September, 1886, at which it was attended by the City Surveyor and City Attorney, it was there unanimously adopted, by resolution, that it was the sense of your committee that an expert civil engineer be at once employed, with competent assistants, to act in conjunction with the City Surveyor, to make surveys of, and report to your honorable body for determination, the most economical, practical and feasible plan for the construction of an outlet sewer which should carry the drainage of the east side of the City of Rochester from a trunk sewer through a lawful outlet to a lawful terminus.

Respectfully submitted,

WESLEY MANDEVILLE,
 WILLIAM COUGHLIN, JR.,
 PHILIP WEIDER,
 HENRY KOHLMETZ,
 Map and Survey Committee.

Ordered received, filed and published.

By Ald. Mandeville—Resolved, That the Map and Survey Committee be authorized to employ an expert civil engineer, with competent assistants, to act in conjunction with the city surveyor, to make the preliminary surveys and determine the most practical and economical route to carry off the drainage of the east side of the city of Rochester to a lawful terminus. Adopted.

Ald. Mandeville called the attention of the Board to the necessity of maps in the Assessors' office.

Ald. Foley moved that the Map and Survey Committee be directed to ascertain the cost of completing the work of furnishing the maps and report at the next meeting. Adopted.

Ald. Mandeville from the City Property Committee reported in the matter of the petition of Gerard Dexter, and submitted the following:

By Ald. Mandeville—Resolved, That the Executive Board be and it is herewith directed to lease for a period of fifteen (15) years to Gerard Dexter of this city all that parcel of land now owned by the city on the east side of the Genesee river and fronting thereon, at or near the foot of the roadway leading down to said river from North St. Paul street and known as Genesee avenue, provided that said Gerard Dexter shall pay to the city of Rochester the sum of one dollar per year as rental for said land and the dock privileges thereunto appertaining, and shall enter into contract with said Board, with good and sufficient sureties, to properly maintain and keep in thorough repair at his own expense and to the satisfaction of said Board, the docking on said land, together with the roadway leading thereto from North St. Paul street, and known as Genesee avenue; furthermore, that said Gerard Dexter shall, in said contract, agree to save the city harmless from any costs or claims for damages to persons or property that may result at any time during said term of fifteen (15) years by reason of any failure on his part to so properly maintain and keep in good and safe repair said roadway; also, that said Gerard Dexter shall, at his own expense, erect and maintain along said roadway, at such points as said Board shall direct, suitable fences or barricades on the side thereof to prevent accidents or injury to persons or vehicles using said roadway. Adopted.

REPORTS OF SELECT COMMITTEES.

By Ald. Kelly—

To the Honorable Common Council:

Your Salary and Law Committee in view of the fact that Henry J. Sullivan recently appointed assistant city attorney in place of G. Fort Slocum, resigned, is an attorney of ten years' practice and experience at the bar and in the various courts of local and appellate jurisdiction, and a lawyer of recognized ability, standing and integrity, by the bench and bar of this city and county; do recommend that his salary be fixed at the rate of \$1,600 per year from the 1st day of August, 1886, to the 1st day of January, 1887.

J. MILLER, KELLY
P. WEIDER,
H. KOHLMETZ,
G. W. ELLIOTT,

Salary and Law Committee.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—13.

Ald. Kelly from the Law Committee reported in the matter of the Chestnut park Portland cement walk, and moved the reconsideration of the ordinance No. 3,011. Adopted.

Ald. Kelly moved that the ordinance be laid on the table for two weeks. Adopted.

Ald. Mandeville from the Special Gas Committee in relation to the Mayor's veto of the contract with the Rochester Natural Gas Fuel Company, reported that the company had no further propositions to make; that the contract was fair and they did not care to change it. The Chairman stated the question to be, shall the resolution stand notwithstanding the objection of His Honor the Mayor.

Nays—Ald. Tracy, Coughlin, Marson, Kohlmetz, Foley, Swikehard, Weider, Stein, Kelly, Schaeffer—10.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: The action brought by Eliza B. Wing against the city of Rochester for damages from the discharge of sewage by the defendant into Thomas creek, in the town of Brighton, and to enjoin the defendant from the use of said Thomas creek for the purpose of sewage, and which has been decided by the referee, Mr. George F. Yeomans, in favor of the plaintiff, and damages awarded her in the sum of \$1,276.32 besides the costs of the action, and an injunction preventing the use by said city of said creek as an outlet for sewage at the end of six months from the rendition of said judgment, has been considered by your committee, and it is of the opinion that there are legal questions involved in said decision which should be reviewed by the General Term, and, therefore, recommends that the city attorney be instructed to appeal from the judgment entered in this action. Respectfully submitted,

J. MILLER KELLY,
PHILIP WEIDER,
HENRY KOHLMETZ,
D. W. SELYE,
G. W. ELLIOTT,
Law Committee.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the city attorney be, and he hereby is instructed to appeal from the judgment entered upon the decision of the referee in the action brought by Eliza B. Wing against the city of Rochester. Adopted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

MAYOR'S OFFICE,
ROCHESTER, Aug. 30, 1886.

Gentlemen of the Common Council:

That portion of your proceedings relating to the laying of Holly water mains in West avenue at an expense of \$2,500 and charging the same to the water pipe fund, is hereby disapproved. As the amount of money virtually remaining to the credit of said fund is in round figures only about \$3,600, and as your board at the same meeting directed the further extension of water mains in other localities, which, if complied with, would amount to about \$3,400 additional, thus creating a deficiency of more than \$2,200 in the said water pipe fund, I am prompted to withhold my approval of the action taken and to return the said motion or resolution to your board for further consideration.

CORNELIUS R. PARSONS, Mayor.

The Chairman stated the question to be, shall the resolution stand notwithstanding the objections of His Honor, the Mayor.

Lost by the following vote:

Ayes—Ald. Swikehard—1.

Nays—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Foley, Mandeville, Weider, Stein, Kelly, Schaeffer—12.

MAYOR'S OFFICE,
ROCHESTER, Aug. 30, 1886.

Gentlemen of the Common Council:

For the reason given in my veto of the appropriation for the laying of water pipe in West avenue, I return without approval Alderman Foley's motion directing the Executive Board to lay water mains in Hawley street. If the terms of said motion were carried into effect, it would involve an expense of nearly or quite \$3,000. This amount, taken in connection with the appropriation for West avenue, and for other extensions, authorizes an expenditure from the Water Pipe Fund of a sum greater by \$2,200 than the amount now to the

credit of said fund. I have no doubt that the property owners in Hawley street need the water, but, as in the case of West avenue, some arrangement other than one creating a deficiency in the Water Pipe Fund must be resorted to in order to accommodate them.

CORNELIUS R. PARSONS, Mayor.

The chairman stated the question to be, shall the resolution stand notwithstanding the objections of his honor the Mayor.

Lost by the following vote.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, Sept. 6, 1886. }

To the Common Council:

GENTLEMEN—Complaint is made that property on the west side of State street, adjacent to the alley running westerly along the south side of the N. Y. C. & H. R. Railroad, at every rainstorm is damaged by being flooded from the water which accumulates upon the surface of said railroad embankment and which is discharged upon the surface of said alley. There appears to be no remedy except by the construction of a sewer therein and the improvement of the surface thereof. The Executive Board would therefore respectfully recommend that an ordinance be passed for the construction of a pipe sewer with the necessary manholes, surface and lot laterals, and for the improvement of the roadway, by constructing a Medina stone pavement thereon.

Respectfully submitted,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Coughlin—Resolved, That the City Surveyor be and hereby is instructed to prepare an ordinance for the improvement of the alley running westerly from State street, along the south side of the N. Y. C. & H. R. Railroad, in accordance with the recommendations of the Executive Board. Adopted.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
Rochester, N. Y., Sept. 6, 1886. }

To the Common Council:

GENTLEMEN.—The sewers in King street from Brown street to Allen street, in Allen street from Litchfield street to Canal street, and in Canal street from Allen st. to the point where said sewer passes under the Erie canal are nearly filled with mud and practically useless for sewer purposes. The Executive Board would therefore respectfully recommend that the necessary ordinances be passed for cleaning and repairing said sewers with their surface laterals and the construction of necessary manholes.

Respectfully submitted,
THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Foley—Resolved, That the City Surveyor be and hereby is directed to prepare the necessary ordinances for cleaning and repairing the sewers in King street from Brown street to Allen street, in Allen street from Litchfield street to Canal street, and in Canal street from Allen street to the point where said sewer passes under the Erie canal together with the cleaning and repairing of surface laterals and construction of the necessary manholes. Adopted.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, Sept. 6, 1886. }

To the Common Council:

GENTLEMEN—There is no sewer in that portion of Mt. Hope avenue south of Cypress street, and in case the section south of the entrance to Mt.

Hope cemetery is to be improved, it is of great importance that the sewer be extended from its present southern terminus to the summit of the hill near Highland avenue, in advance of said improvement. The Executive Board would therefore recommend that an ordinance be passed for the construction of a suitable sewer between the limits indicated, together with the necessary surface and lot laterals and manholes.

Respectfully submitted,
THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Weider—Resolved, That the City Surveyor be and hereby is directed to prepare an ordinance for the construction of a suitable sewer in Mt. By Ald. Watson—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, Sept. 3, 1886. }

To the Finance Committee of the Common Council:

GENTLEMEN—In the budget of the Executive Board certified to you on this date, will be found a final estimate for Benton street sewer, made payable to Thos. Oliver & Son. By reference to your proceedings of July 27th, under the head of estimates to contractors, it will be noticed that a final estimate for \$594.90 was certified for the same work to the same contractors. Some days subsequent to the auditing of this account, but before

the check for the same had been delivered, it was discovered in the Executive Board office that the amount audited and regularly certified to the Executive Board by the City Surveyor, was an overpayment, in other words while the total amount due for all the work done was \$594.90, the fact was overlooked in the Surveyor's office that \$280 had been paid on account in a partial estimate of June 23, 1886. The correct estimate, viz., \$314.90, is herewith submitted to you together with a statement of the City Surveyor in reference to the error.

It will probably be necessary, in order to correct the records, to move the reconsideration of the final payment for Benton street sewer, in the proceedings of July 27th, and auditing in place thereof the sum of \$314.90, certified to you for approval, on this date.

Respectfully submitted,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

To the Hon. the Executive Board of the City of Rochester:

GENTLEMEN: An error having been made in the final estimate for Benton street sewer, constructed under ordinance No 2,857, by Thomas Oliver & Son, by an oversight in failing to deduct a former partial estimate, I submit the following correct final estimate to be substituted for that heretofore submitted.

Yours Very Respectfully,
I. F. QUNBY, City Surveyor.

Ald. Watson moved a reconsideration of the final estimate for the Benton street sewer. Adopted.

Ald. Watson moved that the estimate be changed from \$594 90, and that \$314.90 be inserted.

Adopted by the following vote:
Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—13.

EXCISE BOARD OFFICE,
CITY BUILDING, FRONT STREET, }
ROCHESTER, N. Y., Aug. 30, 1886. }

To the Hon. Common Council:

GENTS—Mr. James Amos took out a license to sell liquor at 83 South avenue, June 21, 1886, and has this day surrendered up his license and gone out of business. He requests us to give him a rebate of his license fee. We refer the matter to your board, with a recommendation favoring its repayment to him.

POMEROY P. DICKENSON,
CONRAD HERZBERGER,
JAMES MALLEY,

Ordered received, filed and published.

By Ald. Weider—Resolved, That the clerk be, and hereby is, directed to draw an order on the city treasurer in favor of Mr. James Amos for forty-one dollars and sixty-eight cents, and charge poor fund.

Adopted by the following vote:
Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—13.

ACTION ON ORDINANCES.

FIRST ORDINANCES.
ADAMS STREET PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of the construction of a twelve (12) inch pipe sewer from 100 feet west of Plymouth avenue to Caledonia avenue, and a fifteen (15) inch pipe sewer from Caledonia avenue to the Genesee Valley Canal sewer.

Adopted.
The Surveyor submitted as such estimate, \$5,500.
By Ald. Marson—Resolved, That the following improvement is necessary, viz.:
The construction of a vitrified pipe sewer twelve (12) inches in diameter in Adams street beginning at a point

one hundred (100) feet west of Plymouth avenue and extending to Caledonia avenue; thence continued by a vitrified pipe sewer fifteen (15) inches in diameter to intersect the Genesee Valley Canal sewer, including the taking up of the present stone sewer in Adams street aforesaid;

Also the cleaning, repairing, extension and connecting of existing, and the construction of new surface sewers, where needed;

Also the repairing and connecting of the old, and the construction of new lot laterals, with the necessary connections; also the necessary Y branches and man-holes.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$5,500, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Adams street from Plymouth avenue to the E. N. Y. and P. R. R.

And further resolved, that the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments as follows: One-third of the amount assessed within thirty days after advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last instalment, a discount will be allowed of six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, September 21st, 1886, at 7½ o'clock, in the Common Council Chamber, when allegations will be heard.

Adopted.

LOCUST STREET BRIDGE.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a wrought iron bridge over Deep Hollow creek on Locust street, with the required masonry for abutments, retaining walls, &c.

Adopted.

The Surveyor submitted as such estimate \$7,150.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a wrought iron bridge over Deep Hollow creek on Locust street, the length of the bridge to be about eighty (80) feet, and the width of the same, including the sidewalks, to be about twenty-five (25) feet, with the necessary stone masonry for the abutments and retaining walls, and the filling in with proper material of the space between said abutments and retaining walls; also the grading of the roadway and sidewalks and the approaches to the proposed bridge, with the construction of the required surface sewers, as well as of the plank sidewalks, with suitable railings.

And whereas, the City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$7,150, which estimate is hereby approved.

Resolved further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Locust street from Fulton avenue to Thrush street; also one tier of lots on each side of Thrush street from Perkins street to Locust street, and the extended south line of said Locust street, excluding the lots on the southwest and southeast corners of Thrush street and Perkins street; also one tier of lots on each side of Emeron street from the Erie canal to the western line of the city.

And further resolved, That the taxpayers to be assessed for making such improvement may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice, in pursuance of Title VII., section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, September the 21st, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

MANSION STREET WALKS AND GRADING.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the ex-

pense of grading the roadway and sidewalks and the construction of plank sidewalks on Mansion street, from Magnolia street to Doran park.

Adopted.

The Surveyor submitted as such estimate \$3,050.00.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The grading of the roadway from Magnolia street to Doran park; also the grading of the sidewalks and the construction of a plank sidewalk four feet eight inches in width on the east side of said street, from Flint street to Violetta street; also the grading of the sidewalk from the outer edge of the present walk to the curb-line on the west side of said street, from Flint street to Violetta street; also the grading of the sidewalks and the construction of plank walks four feet eight inches in width on each side of said street, from Violetta street to Doran park; also the necessary gutter formations, terminal gradings for lateral streets, crosswalks, box culverts and gratings between Magnolia street and Doran park.

And Whereas, the City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$3,050, which estimate is hereby approved.

Resolved, further, That the following portion of said City is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of said Mansion street, from Magnolia street to Doran park.

And further resolved, That the tax-payers to be assessed for making such improvement, may pay their assessment in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed of six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., of section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend at the Common Council, on Tuesday evening, Sept. the 21st, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

The first ordinance for a Medina stone improvement on Mt. Hope avenue came up and on motion of Ald. Weider was laid on the table for two weeks.

FINAL ORDINANCES.

The final ordinance for Averill avenue improvement came up and on motion of Ald. Elliott action was indefinitely postponed.

Ald. Kohlmetz presented a remonstrance against the Vincenz place pipe sewer and moved that action be postponed two weeks and further that the chairman appoint a committee to investigate and report at the next meeting.

Adopted.

FINAL ORDINANCE, No. 3,042.

SPENCER STREET FLAG WALK.

On motion of Ald. Kohlmetz, the Board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing.

Ald. Kohlmetz submitted the following: An ordinance to construct flag sidewalks on the north side of Spencer street, from Lake avenue, westward.

The Common Council of the City of Rochester, do ordain and determine that the following improvement be made, to wit:

The taking up of the tar cement sidewalk on the north side of Spencer street westward from Lake avenue at points where said tar cement sidewalk is found broken, unsafe and out of proper grades and alignments and the substitution thereof of a Medina or blue stone flag walk in a single course five (5) feet wide, with the necessary side walk grading.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reports the same at \$250, and said estimate being deemed reasonable, is hereby approved; and the portion of said city which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on the north side of Spencer street, in the immediate front of which the defective por-

tions of the tar cement sidewalk now exist and which are to be replaced by flag stone sidewalk.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—13.

The final ordinance for Syke street pipe sewer came up and Ald. Kelly moved that action be postponed two weeks. Adopted.

FINAL ORDINANCE, NO. 3,039.

THOMAS STREET PLANK WALK.

On motion of Ald. Kohlmetz the Board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing—

Ald. Kohlmetz submitted the following:

An ordinance to construct a plank sidewalk on Thomas street, from the northern terminus thereof to Bernard street.

The Common Council of the city of Rochester, do ordain and determine that the following improvement be made, to wit:

The construction of plank sidewalks four (4) feet wide on each side of Thomas street, from the northern terminus thereof to Bernard street, except where sidewalks of good repair and of proper width, grades and alignments now exist, the owners of the lots abutting on said Thomas street within the limits named being allowed thirty (30) days after the passage of the final ordinance for the improvement aforesaid, to construct their own sidewalks on the grades and alignments that may be established by the City Surveyor; also the necessary sidewalk grading and gutter formation.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reports the same at \$12,750, and said estimate being deemed reasonable, is hereby approved; and the portion of said city, which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on each side of Thomas street from the northern terminus thereof to Bernard street.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—12.

FINAL ORDINANCE, NO. 3,064.

GOODMAN STREET IMPROVEMENT.

On motion of Ald. Kohlmetz, the Board proceeded to hear allegations in relation to the improvement described in the ordinance below.

After hearing such allegations from all persons appearing—

Ald. Kohlmetz submitted the following:

An ordinance to construct a gravel roadway in Goodman street from Park avenue to Monroe avenue.

The Common Council of the City of Rochester, do ordain and determine that the following improvement be made, to wit:

The construction of a gravel roadway in Goodman street, from the south curb line of Park avenue to the north curb line of Monroe avenue, with Medina stone curbs and adjoining gutters of Medina flag stones and pavements; also the necessary crosswalks, the construction of new and the cleaning, repairing and extension of existing surface sewers; also the laying of a five foot Portland Cement walk, (John J. Schellenger's patent,) on each side of the said Goodman street between the limits named.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reports the same at \$10,300 and said estimate being deemed reasonable, is hereby approved; and the portion of said city, which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on each side of Goodman street, from Park avenue to Monroe avenue.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

And it is further ordained and determined that the tax-payers to be assessed for making such improvements may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll, and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed at six per cent. per annum.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—13.

Ald. Coughlin moved that property owners on Goodman street have twenty days in which to construct their own walks, under the direction of the Executive Board. Adopted.

Ald. Mandeville moved that the bill of the Specialty Button Company for buttons for members of the fire department for \$85.80 be stricken from the budget. Adopted.

The finance budget, as amended, was then adopted by the following vote :

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—13.

Ald. Kelly moved that the rule for adjourning at 11 o'clock be suspended for half an hour. Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—13.

By Ald. Elliott—

ROCHESTER, N. Y., Sept. 7, 1886.

To Ald. Geo. W. Elliott, City:

DEAR SIR—Allow me to call your attention to the bad condition of the roadway on Court street at its junction with James, caused by a piece of unused street car tracks, about 100 feet in length, which has never been used, with the exception of two days, since laid. Please do what you can to better the condition of the above and oblige,

Yours respectfully,
J. C. KALBELEISCH.

Ordered received, filed and published.

By Ald. Elliott—Resolved, by the Common Council of the city of Rochester, that the Rochester City & Brighton Railroad Company be directed to remove as soon as possible the unused portion of their tracks of the route near the junction of Court and James streets on the beforementioned Court st. Adopted.

By Ald. Elliott—Resolved, by the Common Council of the City of Rochester, that the Rochester City & Brighton Railroad Company be directed to remove their temporarily laid tracks on Court street bridge without unnecessary delay. Adopted.

By Ald. Elliott—Resolved, That the Lamp Committee be instructed to put two gas lamps in Canfield place. Referred to Lamp Committee.

Ald. Weider moved that the rule for adjourning be further suspended half an hour.

Adopted by the following vote :

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Elliott, Foley, mandeville, Weider, Stein, Kelly, Schaeffer—11.

Nays—Ald. Coughlin, Swikehard—2.

By Ald. Elliott—Resolved, That it is inexpedient to permit the extension of any water mains by any person or persons unless the fund for the payment of the same has been appropriated by the Common Council in the Annual Budget of the year and is in the hands of the City Treasurer; and the Executive Board shall not extend water mains unless they have the funds in hand to pay for the same.

Ald. Foley moved that the resolution be indefinitely postponed. Adopted by the following vote :

Ayes—Ald. Coughlin, Watson, Kohlmetz, Foley, Swikehard, Stein, Kelly, Schaeffer—8.

Nays—Ald. Tracy, Marson, Elliott, Mandeville, Weider—5.

By Ald. Elliott—Whereas, Intimations have been made by use of type and pictures, in the Sunday Herald newspaper of this city, under date of Aug. 15, 1886, that the members of the police force "not only allowed the operation of French wheels in their immediate presence, but partook of the alleged excitement "by joining in the game day after day" during the week of the races; and

Whereas, It is also represented by a picture, wherein policemen are depicted as playing with the "wheel of fortune," etc. etc.

Therefore, Since this imputation, if allowed to go unchallenged might allow an unjustifiable charge or intimation to lodge against the entire force,

Resolved, That the police commissioners be requested to investigate the truth of the allegations in the Sunday Herald, aforesaid, and report the same to this Board within thirty (30) days from date. (Sept. 7, 1886).

President Tracy stated that he had definite information to the effect that the Police Commissioners had already taken steps to investigate the charges made.

Ald. Stein moved that the resolution be laid on the table. Lost.

The resolution of Ald. Elliott was then adopted.

By Ald. Foley—Petitions of Edward J. Kelly and Luther C. Benedict for permission to erect wood buildings. Granted. Also petition for sidewalks on Reynolds street. Referred to the City Surveyor to prepare an ordinance.

By Ald. Foley—Resolved, That the Executive Board be and it is hereby authorized to expend from the Water Pipe Extension Fund the sum of \$1,400 for extending a water main in Hawley street from Jefferson avenue westward. Also said board is hereby authorized to expend from said fund the sum of \$1,400 to extend a Holly water main in advance of the asphaltum improvement on West avenue, provided the

owners of property on said avenue will advance to said Water Pipe Extension Fund on demand of the Executive Board \$800, to be repaid to them within one year without interest, said \$800 to be also used in the extension of said Holly main in West avenue from Canal street to Favor street. Adopted.

By Ald. Mandeville—

To the Hon. Common Council:

GENTLEMEN—You are respectfully invited to inspect the condition of the basement of the City Hall this evening, after the meeting of the Common Council.

Having renovated and painted the basement we ask your honorable body to honor us with your presence on this occasion.

Respectfully,

JOHN O'LEARY, Engineer,
FRANK D. FAX, Night Watchman.

On motion of Ald. Watson the invitation was accepted.

By Ald. Swikehard—Resolved, That the Lamp Committee be and they hereby are requested to remove all poles and lamp posts not in use at the present time, also that they be requested to repair and paint all lamp posts where found necessary. Referred to Lamp Committee.

By Ald. Weider—Petition of Charles Knope for damages caused by driving his horse in a sewer on Hawthorne street. Referred to the Law Committee.

By Ald. Weider—Resolved, That the Lamp Committee be directed to place gas lamps as follows: One on Alexander street, east of South avenue; one on Averill avenue, at the corner of Whalen street; one on Alexander street, between South and Mt. Hope avenues. Referred to the Lamp Committee.

Ald. Weider presented a petition from taxpayers on Mt. Vernon avenue, and moved that it be referred to the Sewer Committee to investigate and report at the next meeting. Adopted.

By Ald. Stein—Petition of J. M. Hefty for permission to erect a wood building. Referred to the Wood Building Committee and fire marshal, with power to act.

Ald. Stein moved that the final ordinance for Hudson park pipe sewer, No. 3,041 be reconsidered. Adopted.

Ald. Stein moved that action be postponed four weeks. Adopted.

Ald. Kelly presented a petition from John G. Hetzel for remission of taxes, and it was referred to the Assessment Committee.

Ald. Kelly moved that a committee of three be appointed to consist of the aldermen from the Fifteenth, Eleventh and Ninth wards, to confer with the Superintendent of Public Works in relation to the condition of the sewer and culverts under the canal that connects with the Lyell avenue and Saxton street sewer. Adopted.

By Ald. Schaeffer—Petitions of Walker S. Lee and Francis N. Skuse for permission to erect wood buildings. Referred to the Wood Building Committee and Fire Marshal with power to act.

Ald. Schaeffer moved that the final ordinance for a plank sidewalk on Dake street be reconsidered. Adopted.

Ald. Schaeffer moved that the ordinance be amended so that the territory to be assessed read north side in place of each side. Adopted.

Under the rule further action was postponed two weeks.

GOODMAN STREET SEWER EASEMENT.

By Ald. Schaeffer—Whereas, The city of Rochester is unable to obtain by purchase the lands and easement in lands belonging to Mrs. Hannah F. Brown necessary for the construction of a portion of the sewer and cleaning and enlarging the ditch, and thus affording an outlet and discharge of sewage thrown into, upon, through and across said lands, as contemplated by ordinance No. 2,963, entitled: "Goodman street stone sewer;" now, therefore, it is hereby

Resolved, That the Executive Board of the city of Rochester be, and it is hereby directed and authorized for and in behalf of the city of Rochester to proceed to acquire the title or other rights to and in such lands and easements in lands belonging to said Hannah F. Brown, as are or may be necessary for the purposes contemplated in and by said ordinance, and to acquire the permanent and perpetual right of sewage flow, outlet and discharge into and through the sewer and ditch specified in said ordinance, with the right at all times of the city and said board and its or their agents and servants, to enter upon said lands of said Hannah F. Brown, for the purposes of enlarging, deepening, cleaning, keeping open and in repair said ditch and the sewer to be constructed under said ordinance which shall be discharged into said ditch; such proceedings to be taken by said Board under the provisions of and in the manner specified by section 162 of the city charter. Adopted.

By Ald. Tracy—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—On the 16th day of August, 1886, we granted a hotel license to Joseph Kelly of No. 22 Hill street, for which he paid \$60. On the 1st day of September, 1886, he sold out his hotel to one, William D. Betts, and he understood said license could be transferred. As a transfer cannot be made, and Mr. Betts is ready to take out a license in his name and to pay from the time Mr. Kelly's expired. We recommend that your board refund Mr. Kelly the \$60, the amount paid for his license.

POMEROY P. DICKINSON,
CONRAD HERZBERGER,
JAMES MALLEY,

Excise Commissioners of the City of Rochester.

Dated Rochester, Sept. 6, 1886.

Ordered received, filed and published.

By Ald. Tracy—Resolved, That the clerk is hereby directed to draw an order on the city treasurer in favor of Joseph Kelly for \$60, as per recommendation of Excise Board, and charge poor fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—13.

The chairman announced as the committee on Vincent place sewer Ald. Kohlmetz, Watson and Swikehard.

The board then adjourned.

PETER SHERIDAN, City Clerk.

In Common Council—Sept. 21, 1886.**REGULAR MEETING.**

Ald. Wm. H. Tracy, President of the Board, presiding.

Present—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

Absent—Ald. Selye.—1.

The chair called the attention of the Board to Rule 15 in relation to Aldermen speaking more than twice on the same subject and said it would hereafter be enforced.

By Ald. Watson—Petition of S. P. Kelsey for permission to erect a wood building over scales on Stone street; granted under direction of the Fire Marshal.

By Ald. Kohlmetz—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: The Genesee Falls Railway Company, by Bacon, Briggs & Beckley, its attorneys, respectfully asks that your honorable body consent to the construction of the railroad of said company across Livingston street, in said city; and that said company have permission to construct, maintain and operate a branch-track or switch along Livingston street, from the main line of the said railroad to the westerly end of the said street.

Your petitioner respectfully represents that all the land abutting upon said street, west of the main line of said railroad, is owned by the Bartholomay Brewing Company and Curtice Brothers, each of which has asked the officers of the said railroad to construct, maintain and operate such branch-track or switch.

Your petitioner further represents that such branch track or switch is necessary for the purpose of enabling your petitioner to deliver to and receive from said Bartholomay Brewing Company and said Curtice Brothers, cars loaded with freight for them respectively.

Your petitioner further respectfully represents, that the portion of Livingston street in which it is desired to construct, maintain and operate such branch track or switch, is used exclusively by the said owners of the abutting lands, and by persons transacting business with them.

THE GENESSEE FALLS RAILWAY COMPANY,

By Bacon, Briggs & Beckley, its Attorneys.

Ordered received, filed and published.

By Ald. Kohlmetz—Resolved, That the Genesee Falls Railway Company be and it hereby is authorized to construct, maintain and operate the main line of its railroad across Livingston

street, in the city of Rochester; and to construct, maintain and operate a branch-track or switch along Livingston street, from the main line of said railroad to the edge of the east high bank of the Genesee river. Adopted.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—The action brought by Micaiah W. Jackson against the city of Rochester to recover damages for the discharge of sewage by the defendant from the North avenue outlet sewer in the town of Irondequoit and to enjoin the defendant from the use of said outlet for the purpose of sewage, and which has been decided by the court in favor of the plaintiff and damages awarded him in the sum of \$50, besides the costs of the action, and an injunction preventing the use by the city of the small creek upon the plaintiff's premises as an outlet for sewage at the end of six months from the rendition of the judgment, has been duly considered by your committee, and it is of the opinion that there are legal questions involved in said decision which should be reviewed by the General Term.

Your committee recommends that the City Attorney be instructed to appeal from the judgment entered in this action.

Respectfully submitted,

J. MILLER KELLY,
PHILIP WEIDER,
HENRY KOHLMETZ,
D. V. W. SELYE,
G. W. ELLIOTT,
Law Committee.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the City Attorney be, and he hereby is, instructed to appeal from the judgment entered upon the decision of the court in the action brought by Micaiah W. Jackson against the city of Rochester entered in the clerk's office of Monroe County on the 6th day of September, 1886. Adopted.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your Law Committee have had under advisement the case of Elizabeth Deverell against William Fuller, and begs leave to submit the following:

The action was begun August 1, 1885, in the Monroe County Court, against William Fuller, who was at the time a foreman for George Chambers, who had a contract with the Executive Board for the laying of water pipe in and through Magnolia and Genesee streets. The complaint alleged the wrongful carrying away and conversion of a quantity of stone excavated in the laying of said water pipe in front of the plaintiff's premises, situated on the southeast corner of Magnolia and Genesee streets.

The action was tried last January and resulted in a verdict for the plaintiff for \$37.50, upon which verdict, the title to real estate being in question in the action, judgment was entered on the 3d day of February, 1886, in favor of the plaintiff for \$37.50 damages and \$64.56 costs. An appeal was taken from the judgment to the Supreme Court by the City Attorney as attorney for Mr. Fuller, under the direction of the Executive Board, whom it seems had directed the removal of said stone by Mr. Fuller after the plaintiff had been notified to remove them from the street.

After a careful investigation we are of the opinion that the action should be discontinued and paid, to the end that Mr. Fuller be subjected to no further expense or trouble in and about the same.

Your committee, therefore, recommends that the accompanying resolution be adopted.

Respectfully submitted,

J. MILLER KELLY,
P. WEIDER,
D. V. W. SELYE,
H. KOHLMETZ,
G. W. ELLIOTT,

Law Committee.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the Executive Board be, and it hereby is, authorized and requested, upon the execution and delivery of a properly acknowledged and executed satisfaction piece of the judgment and stipulation of discontinuance of the appeal in the action of Elizabeth Deverell against William Fuller, satisfactory to the City Attorney, to pay the amount necessary, out of the water pipe extension fund. Adopted.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN:—Your Law Committee would respectfully report that there are now pending against the city of Rochester two suits: One entitled Amelia Groves and Thomas H. Groves, against the city of Rochester, which was an action brought by the plaintiffs to recover damages for personal injuries which the plaintiff, Amelia Groves, sustained by the alleged negligence of the city of Rochester in leaving unguarded a trench on the corner of North St. Paul street and Rau place in said city. In that action a judgment was recovered and entered against the city on the 3d day of June, 1885, for the sum of \$20,618.50, damages and costs. In that action the amount claimed as damages was \$25,000. That suit is now pending in the Court of Appeals, after having been reviewed and affirmed by the General Term. That judgment, with interest computed thereon from the date of the entry of judgment, and the costs of appeal to the General Term now amounts to the sum of \$22,226.72.

Upon the trial of the suit of Amelia Groves against the city, His Honor, Judge Francis A. Macomber charged the jury as follows: "In this case I charge you that the plaintiff cannot recover for expense of doctor's care which may have been bestowed upon her, for the reason that is a matter for her husband to recover if he should ever bring an action for it. Her husband is bound to maintain her, and was bound to pay any expenses of her illness. Her loss of labor is not to be taken into account, except so far as it shows the extent of the injury and her disease following the injury. Her labor also belongs to her husband."

On the 5th day of August, 1885, Thomas H. Groves, husband of Amelia Groves, commenced an action against the city of Rochester for his wife's loss of services, and the expenses he had been put to by reason of her injuries, for which he claims damages in the sum of \$50,000. That action has been noticed for trial, and will be upon the calendar, and, in all probability, among the earlier cases tried at the coming Circuit Court, which will be held in this city on the 4th day of October, 1886.

Your committee have also to report that propositions have been made through the plaintiff's counsel, for and in behalf of the plaintiffs, in both of the aforesaid actions looking toward a final adjustment and settlement of the same.

Your committee would, therefore, recommend that a written opinion be obtained from the former city attorney, Mr. John N. Beckley, who tried the case of Amelia Groves vs. the city of Rochester, in which judgment was rendered against the city, and who argued the same upon the appeal to the General Term, at an expense not to exceed \$25, as to what, in his judgment, are the probabilities of a reversal or affirmation of the case which is now pending in the Court of Appeals, and as to what would be an advantageous basis of settlement in the two suits now pending.

Your committee also suggests that immediate

action should be taken in the premises, as the case is already noticed for trial, and will be among the earlier cases tried at the coming Circuit, and the attorney for the defendant will be under the necessity of making immediate preparation for trial of the same, unless the same is disposed of by settlement.

OFFICE OF THE EXECUTIVE BOARD, }
Rochester, N. Y., Sept. 20, 1886. }

To the Common Council:

GENTLEMEN—In the matter of widening Myrtle street under ordinance 3,020 the Executive Board would respectfully report that the owner of the lands to be taken demands \$1,200 therefor. The Executive Board believing this to be excessive would respectfully recommend that the City Attorney be directed to apply to the court for the appointment of a commission to assess the damages.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published

Ald. Kelly moved that the ordinance for widening Myrtle street be reconsidered. Adopted.

Ald. Kelly moved that the ordinance be indefinitely postponed. Adopted.

OFFICE OF EXECUTIVE BOARD, }
ROCHESTER, N. Y., Sept. 21, 1886. }

To the Hon. the Common Council:

GENTLEMEN: I am directed to transmit to your honorable body the substance of the results reached by the Executive Board in attempting to negotiate for the necessary easements through lands owned by Hannah F. Brown, easterly of Goodman street, and northerly of Bay street, in this city, for the construction of a portion of the Goodman street sewer, and the open ditches for the flow of sewage therewith connected, under Ordinance No. 2,963.

After several conferences between the chairman and various members of your Committee on Sewers and members of the Executive Board, and Mr. O. F. Brown, representing Mrs. Hannah F. Brown, owner of the aforesaid lands, with the view of securing said necessary easements and rights by negotiation, the following propositions were submitted by the said Mrs. Brown in the premises:

ROCHESTER, N. Y., Sept. 18, 1886.

To the Executive Board of the City of Rochester:

GENTLEMEN—Whereas, The written propositions I submitted to you on or about the 7th day of September, 1886, have been lost, now, therefore, in pursuance of your request, I have the honor to submit the following propositions for your consideration, which shall be taken in all respects as a substitute and in place of the lost propositions.

First, In consideration of the sum of \$3,200, to be paid to me in cash, at the time the contract hereafter to be made is executed, I will grant to the city of Rochester a permanent easement for a covered sewer which shall extend from the center of Goodman street easterly across my farm about 700 feet to a fence running north and south across my premises.

In consideration of the above sum, terms and conditions, and the further sum of \$150, to be paid in each and every year for ten years from the date hereof, I will grant to the city of Rochester a temporary right of way for an open sewer from the east end of said covered sewer, about 2,100 feet long, following the same course as the present open ditch to the north line of my premises. This is to be in full consideration for the maintenance of all bridges over said open ditch; also for the construction of all bridges, except one which the city shall build at such place as I shall direct; also for cutting all weeds and grass on the banks of said open ditch at least twice per year; also for the maintenance of all fences and gates which the city will construct along said open ditch. This temporary right of way shall continue for the period of ten years, with the right on the part of the city to cancel the same on giving six months' notice, in case that the city should make a diversion of said sewage from said ditch at any time during the aforesaid period of ten years.

In case at any time during the period covered by the contract made in pursuance of this proposition, the city desires to extend said covered sewer 400 feet, making 1,100 feet in all, the city shall have the privilege of so doing without any additional expense. This proposition is made pursuant to an amendment made to the original propositions at a meeting of the Executive Board and the chairman of the Sewer Committee, held on the evening of September 7, 1886.

The city will cause the present small open ditch, from Goodman street easterly and northerly to the terminus of the proposed covered sewer in my land to be refilled and the surface adjacent to said ditch to be properly leveled off.

All chips and stone excavated in the construction of the covered sewer and the open ditch, shall be carted from my premises and the dirt not used in refilling the sewer shall be graded on any portion of my premises where I shall direct.

A post and board fence of first class fencing timber shall be built by the city on each side of the open ditch, said fence to be 4½ feet high from the ground and the posts to be set in the ground 2½ feet.

The city shall build one bridge across said open sewer in a good and substantial manner in such place as I shall direct; and two gates shall be placed in said fences at said bridge.

The payment of said \$150 annually shall not take the place of or relieve the city from the payment of \$250, which will be due and payable to me from the city on the first day of June next.

In consideration of the premises, and the privileges hereinbefore granted, the city shall not tax my property for the construction of said sewer more than \$5 at any one time.

This proposition, if accepted, shall in no wise affect or vitiate the injunction order granted in a certain action in the Supreme Court, wherein Hannah F. Brown was plaintiff and the city of Rochester defendant. Yours respectfully,

HANNAH F. BROWN.

Dated Rochester, Sept. 18, 1886.

(A true copy of original.)

THOS. J. NEVILLE, Clerk.

An examination of the foregoing propositions reveals the fact that the same are, with one important exception, substantially identical with certain propositions submitted to Mrs. Brown by the Executive Board at her request on Aug. 31, 1886. This exception is the clause which practically exempts the Brown property from the payment of any assessment for the cost of performing the work contemplated under Ordinance No. 2,963 for the Goodman street sewer. Had this clause not been introduced and insisted upon, the propositions might have been regarded as equitable and considered favorably by both your Committee on Sewers and the Executive Board, since they would then have represented substantially the purchase at a fair valuation of a strip of land about 1,100 ft. long and two rods wide through a portion of said Brown property, as well as a fair rental value of the land occupied by the remainder of the ditch in said property, amounting to a length of about 1,700 ft., with a width of two rods, including spoil banks; and they would also have included some compensation for the nuisance caused by the evolution of disagreeable odors at times from the sewage flowing through the open ditch in said property.

As the case stands, however, the City Attorney advises the municipal authorities that he entertains grave doubts as to the legality of practically exempting from assessment without a formal reconsideration of said ordinance No. 2,963, any portion of the territory described in that ordinance as being benefited by the construction of the work therein contemplated. Under these circumstances it is accordingly obvious that the propositions made by Mrs. Brown cannot be accepted, especially in view of the fact that the contract for said work has already been let, and that a reconsideration of the ordinance would therefore be impracticable. As it is understood that the terms submitted by Mrs. Brown are final, no other recourse seems to be left but to acquire the necessary easements and privileges by a commission, the author-

ity for securing which was duly delegated to the Executive Board, in accordance with the provisions of section 162 of the city charter, at your last regular meeting.

The Executive Board has caused the requisite surveys and maps of the proposed route through the said Brown property to be made; and unless other instructions from your honorable body are received to-night, said board will ask the City Attorney to take the proper measures in the application for such a commission at an early date, so that the commencement of the work shall not be longer delayed. Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By the Clerk—

ROCHESTER, Sept. 21, 1886.

To the Honorable the Common Council:

GENTLEMEN: Pursuant to your resolution of July 15th, 1886, (page 174 current proceedings) and in accordance with the notice of adjournment as reported to you under date of Aug. 10th, 1886, (page 193 of current proceedings) I again appeared on the Court House steps at 11 o'clock a. m., Sept. 2d, for the purpose of selling the right, franchise and privilege of constructing a railroad track along and upon Plymouth avenue from Main street to Genesee street, thence through Genesee street to Brooks avenue, together with the necessary branches, turn-outs, sidings, switches, turn-tables, &c.

The only proposal received for the above-mentioned grant was in writing and in the following form:

"The Rochester City and Brighton Railroad Company bid for the privileges, right, grant, franchise and consent advertised for sale by the city of Rochester, the total percentage of one-twentieth of 1 per cent. per annum of the gross receipts of said company from the fares of passengers collected upon the Plymouth avenue line, for which the description is determined by the published notice of sale, and further agree to comply with the conditions of sale prescribed by the published notice as adopted by the Common Council of the city of Rochester. P. BARRY, President."

This being the only bid received I declared the franchise sold to the Rochester City & Brighton Railroad Co. upon their filing with me the security required by law.

I therefore notified and requested the said company to file with me a bond in the sum of \$50,000 at their earliest convenience, and in time for me to report at this meeting of the Common Council.

This security has not been given, and in accordance with the provisions of chap. 642 laws of 1886, I have declared the bid cancelled and of no effect. I am informed that the reason that the security required by law was not filed, is that there is a question as to the legality of the bid in the form as offered by the said railroad company.

Very respectfully submitted,

JOHN A. DAVIS, Treasurer.

Ordered received, filed and published.

By Ald. Foley—Whereas, The Rochester City & Brighton Railroad Company has presented its petition and asked the consent of the Common Council of the city of Rochester for the construction, maintenance, operation and use of a railroad, and to extend its railroad on the surface of the soil, through, along and upon the following named streets, viz: Through Plymouth avenue from Main street to Genesee street; thence through Genesee street to Brooks avenue, together with the necessary branches, turnouts, sidings, switches and turn-tables;

Resolved, That the consent of this Common Council be, and it hereby is, given to the highest bidder at the sale hereinafter provided for, to construct, maintain, operate and use a railroad, or if said petitioner be such highest bidder, then for it to extend its railroad on the surface of the soil, through, upon and along the following named streets, viz: Through

Plymouth avenue from Main street to Genesee street; thence through Genesee street to Brooks avenue, together with the necessary branches, turn-outs, sidings, switches and turn-tables, upon the express condition that the provisions of Chapter 252 of the Laws of 1884, pertinent thereto, shall be complied with, and, further, upon the condition that the right, franchise and privilege of using the said streets shall be sold by and under the direction of the City Treasurer of said city at public auction, on the 18th day of October, 1886, at 10 o'clock a. m., at the front steps of the Court House in Rochester, N. Y., to the bidder, which shall be an incorporated railroad or railway company organized to construct, maintain and operate a street railroad in said city of Rochester, and which will agree to give the largest percentage per annum of the gross receipts of said company or corporation with adequate security for the fulfillment of said agreement, and for the commencement and completion of such road according to the plan or plans, and on the route above referred to within the time or times designated therefore by Chapter 642 of the Laws of 1886, and said security shall be a bond or undertaking in writing, and under seal in the sum of \$50,000, conditioned for the fulfillment of said agreement and the commencement and completion of such road as above provided, with at least two securities, who shall be freeholders or householders within the county of Monroe, and worth at least the sum specified in said bond or undertaking, and which said undertaking as to form, condition, amount and sureties shall be approved by the said City Treasurer.

The clerk is hereby directed to publish three times a week for at least three weeks in two daily newspapers of said city, to be designated by the Mayor of said city, a notice of the time, place and terms of such sale, and of the conditions upon which the consent of the Common Council to the construction, maintenance, use, operation and extension of such street railroad shall be given.

Ald. Foley moved the adoption of the resolution.

Ald. Mandeville moved that it lay over for two weeks.

Lost by the following vote:

Ayes—Ald. Marson, Watson, Kohlmetz, Elliott, Mandeville, Stein, Schaeffer—7.

Nays—Ald. Tracy, Coughlin, Fritzsche, Foley, Swikehard, Weider, Bohrer, Kelly—8.

Ald. Elliott moved that the resolution be amended so as to read that there should be two or more bidders and that there should be at least 3 per cent of the gross earnings of the whole amount paid on that street.

Lost by the following vote:

Ayes—Ald. Marson, Watson, Kohlmetz, Elliott, Mandeville, Schaeffer—6.

Nays—Ald. Tracy, Coughlin, Fritzsche, Foley, Swikehard, Weider, Stein, Bohrer, Kelly—9.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

FIRST STREET SEWER. RECONSTRUCTION AND EXTENSION.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of taking up, deepening, reconstruction and extension of the sewer in First street.

Adopted.

The Surveyor submitted as such estimate, \$1,175. By Ald. Marson—Resolved, That the following improvement is necessary, viz.:

The taking up, deepening, reconstruction and extension of the present pipe sewer in First street, beginning at a point about one hundred (100) feet south of Rowe street, and extending to intersect the sewer in Glenwood avenue running down the west bank of "Deep Hollow Creek," and the substitution thereof of 12-inch vitrified pipe with the necessary manholes, surface sewers, lot laterals and lot connections; also the cleaning, repairing, and connecting of the present surface sewers and lot laterals with the new sewer; also the necessary roadway grading and gutter formations.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$1,175, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of First st. from Rowe street to Glenwood avenue.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, October 5th, 1886, at 7½ o'clock, in the Common Council Chamber, when allegations will be heard.

Adopted.

KING, ALLEN AND CANAL STREETS SEWER CLEANING.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of cleaning and repairing of the main and surface sewers and the construction of manholes on portions of King, Allen and Canal streets.

Adopted.

The Surveyor submitted as such estimate \$650.

By Ald. Marson—Resolved, That the following improvement is necessary viz.:

The cleaning and repairing of the main sewer and of the surface sewers in King street from the north line of the cross-walk on the south side of Brown street, to the sewer in Allen street; also the improvement of the kind above specified on Allen street eastward from the west line of Litchfield street to the sewer in Canal street; thence southward on Canal street, to the point at which the Romeyn street outlet sewer turns eastward; thence along said outlet sewer to the culvert under the canal with the necessary manholes and lampholes on this portion of main sewer, the cleaning and repairing of which is above provided for.

And, Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$650 which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

All that territory included within, and described by the following boundary lines, viz.: Beginning at the intersection of Brown and Magna streets; thence northwesterly along Magna street, including one tier of lots on the east side thereof to Orange street; thence westerly along Orange street, including one tier of lots on the north side thereof to Grape street; thence south along Grape street to Wilder street; thence southeasterly along Wilder street, including one tier of lots on the westerly side thereof to the N. Y. C. & E. R.; thence easterly along said railroad to the Erie Canal; thence along the Erie Canal to Brown street; thence in a direct line to the place of beginning. Also, one tier of lots on each side of Magna street, from Orange street to Jay street, and one tier of lots on the west side of Canal street, from the N. Y. C. & E. R. to the south line of lot No. 77, exempting from the above described territory one tier of lots on each side of Brown street, from the Erie Canal to King street and the prolonged medial line of King street, and also one tier of lots on each side of Allen street, from Litchfield street westward to Brown street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, October the 5th, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

EUCLID STREET IMPROVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a Macadam roadway with Medina stone curbs and plank sidewalks on Euclid street.

Adopted.

The Surveyor submitted as such estimate, \$2,100.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a Macadam roadway on Euclid street, from Elm street to Chestnut street, with Medina stone curbs on each side of said Euclid street, and eleven and one-half (11½) feet from the medial lines thereof, and with cobble stone gutters three (3) feet wide inside of the curb lines thus established; also, the construction of plank sidewalks four (4) feet wide on each side of Euclid street, from end to end, except where sidewalk of good quality, and of plank or other acceptable material and on proper grades and alignments now exists; also, the construction of the needed crosswalks; also, the extension and repairing, and construction of new surface sewers if required.

And Whereas The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$2,100, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Euclid street, from Elm street to Chestnut street.

And further Resolved, That the taxpayers to be assessed for making such improvement may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of the said last instalment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, October the 5th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

KING STREET ASPHALTUM IMPROVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing an asphaltic pavement with curbs and sidewalks on King street.

Adopted.

The Surveyor submitted as such estimate \$2,250.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of an asphaltum pavement on King street, from Allen st. to Brown st., with Medina stone curbs on each side and nineteen (19) feet from the medial line of King st. aforesaid; also the construction of Medina or Blue stone flag walks five (5) feet wide on each side of said King st. within the terminal limits named. Where flag stone sidewalks of good quality and proper width, grade and alignments do not now exist; also the extension, repairing and construction of surface sewers and lot laterals, and the laying of water and gas service pipes where now required or their future need is anticipated.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$2,250, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of King st. from Allen st. to Brown St.

And further resolved, that the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments as follows: One-third of the amount assessed within thirty days after advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last instalment, a discount will be allowed of six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, Oct. 5th, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer and Medina stone pavement in the alley running westward from State street and between E. R. R. retaining walls, and what is known as the Lighthouse block or building.

Adopted.

The Surveyor submitted as such estimate, \$1,080.

IMPROVEMENT OF THE ALLEY RUNNING WEST FROM STATE STREET SOUTH OF N. Y. C. R. R.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer and Medina stone pavement in the alley running westward from State street and between E. R. R. retaining walls, and what is known as the Lighthouse block or building.

Adopted.

The Surveyor submitted as such estimate, \$1,080.

By Ald. Kohlmetz—Resolved, That the following improvement is expedient, viz.:

The construction of a sewer and of a Medina stone pavement in the alley running westward from State street and between the N. Y. C. & H. R. R. retaining wall and what is known as the Lighthouse block or building, with the necessary manholes and surface sewers; also the taking up and relaying on a proper grade of a portion of the flagstone pavement at the north end of the alley running from north to south, through and under the Lighthouse block aforesaid; also the gravel improvement of the triangular portion at the west end of the alley aforesaid.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$1,050 which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of the alley herein before described, from State street to the west end of said alley.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, October the 3th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

MOUNT HOPE AVENUE IMPROVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of grading the roadway and sidewalk and the construction of a Medina stone pavement on Mount Hope avenue.

Adopted.

The Surveyor submitted as such estimate \$20,050.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The construction of a Medina stone pavement on Mount Hope avenue from the south line of the crosswalk on the north side of the entrance to the Mount Hope Cemetery to the south produced line of Highland avenue, with lines of Medina curb stones on each side parallel to and eighteen feet from the axis or medial line of the aforesaid avenue with the necessary Medina flag-stone gutters, cross-walks, roadway and sidewalk grading; also the extension of the roadway and sidewalk grading from the south produced line of Highland avenue southward for a distance of two hundred and fifty (250) feet on Mount Hope avenue aforesaid.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reported the same at \$20,050, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of Mount Hope avenue from the south line and south line produced of the sidewalk on the north side of the entrance to "Mount Hope Cemetery" to a point two hundred and fifty (250) feet south of the south line and south line produced of Highland avenue.

And further Resolved, That the tax-payers to be assessed for making such improvements may pay their assessments in three equal payments, as follows:

One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll, and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172, of the Revised Charter of 1880, of the city of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, October the 5th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

MOUNT HOPE AVENUE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in Mt. Hope avenue from Highland avenue to the end of the present sewer in Mt. Hope avenue.

Adopted.

The Surveyor submitted as such estimate, \$8,250.

By Ald. Marson—Resolved, That the following improvement is necessary, viz.:

The construction of a vitrified pipe sewer, eighteen (18) inches in diameter in Mt. Hope avenue, from a

point near the prolonged northern line of Highland avenue and extending northward to unite with the stone sewer now existing in Mt. Hope avenue aforesaid and running northward from, at or near the west end of Cypress st., with the necessary manholes, lamp holes, surface sewers, catch basins, lot laterals and intercepting sewers and lot lateral connections.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$8,250 which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of Mt. Hope avenue, from Highland avenue to the end of the present sewer.

And further resolved, That the taxpayers to be assessed for making such improvement may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of title vii, section 172 of the revised Charter of 1880 of the city of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, October the 5th, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.

A. Kohlmetz—Resolved, that the City Surveyor ascertain and report to this Council the expense of constructing a gravel roadway, with Medina stone curbs, gutter and other improvements connected therewith, on Goodman street, between Park avenue and Monroe avenue.

Adopted.

The Surveyor submitted as such estimate, \$10,800.

By A. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The construction of a gravel roadway on Goodman street, from the south curb line of Park avenue to the north curb line of Monroe avenue, with Medina stone curbs on each side and fifteen (15) feet from the medial line of Goodman street aforesaid, with adjoining Medina flag-stone gutters and pavements extending between the terminal limits named; also the necessary crosswalks, the construction of new and the cleaning, repairing and extension of existing surface sewers; also the construction of Portland cement sidewalks (John J. Schilling's patent), five (5) feet wide on each side and within the terminal limits aforesaid, except where flag sidewalks of approved quality and of the required width, grades and alignments now exist, but where the sidewalks are of approved material and quality, but not on proper grades and alignments, they may, in the discretion of the City Surveyor, be taken up and relaid to the grades and alignments that may be established.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$10,800, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of Goodman street, from Park avenue to Monroe avenue.

And further resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments, as follows:

One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172 of the Revised Charter of 1880, of the city of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, Oct. the 5th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

By Ald. Mandeville—

To the Honorable the Common Council of the City of Rochester:

The petition of the undersigned, Superioress of the Female Academy of the Sacred Heart, respectfully shows:

That the said academy is situated on Prince street, in said city; that, in addition to said academy, the ladies of the Sacred Heart conduct on said street a free school open to all girls of proper character.

That the said academy has been assessed for the sprinkling of said street, in the year 1885, the sum of \$33.53; that said assessment has been transferred to the general city tax rolls for 1886, and now amounts to \$35.23; that your honorable board has in previous years remitted all assessments for sprinkling to said academy.

Your petitioner therefor prays that, owing to the public nature of said academy, to the fact that said academy is an institution incorporated and conducted for educational purposes and that no moneys are received by said ladies from the State or city for the conducting of said free school, the said tax may be remitted and the said assessment cancelled.

AUGUSTA PARLOW, Superior.
Dated Rochester, N. Y., Sept. 21, 1886.

Referred to the Assessment Committee.

By Ald. Foley—Petitions of Charles White for permission to erect two wood buildings on Strong street. Referred to the Wood Building Committee and Fire Marshal, with power to act.

By Ald. Elliott—Resolved, That the Rochester City & Brighton Railroad Company be requested to take up the track on Court street bridge within ten days, and in default thereof that the track be taken up by the Executive Board and the expense thereof be charged to the railroad company. Adopted.

By Ald. Fritzsche—Whereas, The bridge of the N. Y. C. & H. R. R. crossing at Joiner street is in a very bad condition, the iron ceiling having rotted away, causing water and filth to drip on passers by, causing great injury to their wearing apparel and creating a nuisance in the street; and

Whereas, The taxpayers on said Joiner street have been to great expense in improving the street, and the drippings of oil and water form pools, thus presenting an unsightly appearance and destroying the road-bed; and,

Whereas, article 5 of the contract between the city of Rochester and the N. Y. C. & H. R. R. Co. distinctly provides that "all bridges over streets shall be so floored and maintained as to prevent dripping of oil or water upon the roadway underneath." Therefore, be it

Resolved, That the City Clerk be directed to notify the N. Y. C. & H. R. R. authorities of the condition of the bridge, with the request of this council that the bridge be repaired immediately and without delay. Adopted.

By Ald. Kohlmetz—Resolved, That the City Surveyor be and hereby is instructed to modify the plan for the construction of the north approach to the bridge over the Erie canal connecting Clinton park with Pinnacle avenue, by placing the outer face of the retaining wall on the west side of the said approach, on the west side of Clinton park, in a manner similar to the form and location of the retaining wall on the east side of the approach aforesaid, with such other changes in the plans for the construction as the proposed change in form and location of the retaining wall may render necessary. Adopted.

By Ald. Kohlmetz—Resolved, That the Executive Board be and hereby is requested at the earliest date to enter into negotiations with the contractor for the construction of the Pinnacle avenue bridge approaches and ascertain on what terms and at what cost, over and above the amount of the original estimate for the improvement, the approach at the north

end of the bridge can be constructed on plans as modified by the City Surveyor under the direction of the Common Council.

Resolved, further, That if in the opinion of the Executive Board reasonable terms are offered by the contractor for the construction of the northern approach of the aforesaid bridge, according to the plans as modified by the City Surveyor, said board is requested to enter into a contract with said contractor for the immediate prosecution of the work conformably to such modified plans. Adopted.

By Ald. Kohlmetz—Petition for a sewer in Park row. Referred to the City Surveyor to prepare an ordinance.

Ald. Elliott gave notice that at the next meeting he would move to amend section 1 of the ordinance relating to the meetings of the Common Council so as to read "6 p. m.," in place of 7:30 p. m.

By Ald. Tracy—Resolved, That an electric light be placed on North Washington street, between West Main and Allen street, as petitioned for by taxpayers and residents on said street, the same to be done under the directions of the Lamp Committee. Adopted.

On motion of Ald. Kelly, the board adjourned.

REPORTS OF STANDING COMMITTEES.

By Ald. Kelly—

OCTOBER, 4, 1886.

Ivan Powers, Esq., City Attorney:

Dear Sir—Your communication informing me that the Common Council had adopted a resolution requesting my opinion as to the probability of obtaining a reversal of the judgment in Groves vs. The City of Rochester, and as to the amount at which it would be advisable to settle both of the actions growing out of the Groves accident, was duly received.

In reply I submit the following.

The accident to Mrs. Groves was caused, as determined on the trial of the action, by negligently leaving open and unguarded a trench in North St. Paul street, excavated for water mains. It appeared by the evidence that the accident took place on Saturday evening, Nov. 11, 1883, and that the trench had been opened some time before; but how long does not appear. The main trench extended along said street outside of the curb, from a point near the New York Central & Hudson River railroad tracks to a point north of Rau park, while the trench where the accident occurred, was a lateral, extending from the main trench under the street car tracks, and thence in the shape of a T, into and parallel with the flagstone walk.

The records of the Executive Board show that the contract for the laying of the water main in this street was awarded to a contractor on the 10th day of November, and that the contract was executed, and the customary bond given on the 24th day of November. The point was made by the

city, upon the trial, that as the trench was excavated before the execution of the contract, the rule of law laid down in *Brusso vs. City of Buffalo*, and in other cases, to the effect that the city is liable for the negligent acts of its contractor, causing injury, did not apply. This position the trial-court held to be not well taken. The trial-justice charged the jury, among other things, as follows: "We have departments of our city government, each of which is charged with some special duty. I charge you in regard to this subject, which has been discussed by the City Attorney, that where a city street is rendered unsafe by an excavation thereon, made by a contractor under direction of a department of the city government in the performance of a contract with such department, notice to the municipal corporation of the dangerous condition of the street is not a prerequisite to liability for injuries caused by such defects. Having caused the excavation to be made, the city is bound to see that it is carefully guarded. It is not absolved from this duty because it employed a contractor to make the excavation."

While the attorney for the city, at the time of the trial, did not question the rule of law as thus laid down by the Judge, he did question its application to the facts of this case as those facts appeared upon the trial. He contended that the person who opened the trench was not a contractor employed by the city, but so far as the proof showed was a trespasser upon the street, for whose acts the city was not liable unless it had actual or constructive notice of them, or of the effect of them. The court was asked by counsel for the city to charge that if the jury find the excavation was made without the knowledge of the Executive Board, even if they find the place in question was dangerous, the verdict must be for the defendant. and the court said: "I submit that matter to the jury to say whether or not the Executive Board did know all about it." The testimony of Mr. Tubbs, Chief Engineer of the Water Works, a witness called by the plaintiff, was to the effect that the trench was excavated under his direction and supervision, and that what he did was done by direction of the Executive Board; but that he could not tell, of his own recollection, when the work was begun, whether before or after November 10th.

The question presented then is, Was there sufficient evidence to justify a finding that the trench was opened under direction of the Executive Board? If there was, the verdict of the jury will undoubtedly stand. If there was not, the judgment would be reversed. But another element is presented for consideration. If the judgment should be reversed, and a new trial granted, proof can and I suppose will be made that the work of opening a trench was begun fully a week before the day of the accident, and that the work had so far progressed that the trench was open from Rau park to the railroad on the day the contract was awarded. With these facts shown, the recovery of the plaintiff would be certain, on the ground of actual or constructive notice to the municipal authorities, independent of the other question hereinbefore discussed.

There is in my opinion very little prospect of securing a new trial in this case; and if a new trial is obtained, I do not see that the city can hope to escape liability. It is useless for me to speculate as to the amount of recovery in the event of a new trial being had.

I believe that the settlement of this action, and of the action brought by the husband to recover damages for loss of services, etc., not yet tried, would be judicious, provided they can be settled on the basis of a reasonable compromise. The amount that it would be wise for the city to pay in full settlement of both actions must, of course, be determined by the parties concerned. My opinion is entitled to no more weight than that of any other citizen, as I have no special or peculiar knowledge as to what the verdict of the jury in the husband's action would be, in the event of no settlement being effected. The question of compromise should be dealt with by each member of the Common Council precisely as he would treat it

if he were defendant in place of the city, in these actions. Very respectfully yours,

JOHN N. BECKLEY.

Ordered received, filed and published.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN.—Your Law Committee respectfully beg leave to submit the following in relation to the cases of Amelia and Thomas H. Groves vs. The City of Rochester, and Thomas H. Groves against The City of Rochester:

It appears from the opinion of Mr. Beckley, the late City Attorney, and from the printed book on appeal that the first action was begun by Amelia Groves Jan. 22, 1883, and subsequently Thomas H. Groves, her husband, was joined as a party plaintiff with her by the rule of the Supreme Court, on or about Aug. 29, 1883. The action was brought to recover damages alleged to have been sustained by Amelia Groves from falling into a trench excavated for water mains in North St. Paul street on the evening of November 11, 1882, and which trench, as found by the verdict of the jury, was negligently left open and unguarded that the accident took place at a late hour on Saturday evening; and that the trench had been opened for some time before, but how long does not appear. The cause was brought to trial at the January, 1884, Circuit, before Mr. Justice Macomber and a jury, on January 24, 1884, and resulted in a verdict on January 25, 1884, for the plaintiffs for the sum of \$19,000 damages. A motion for a new trial was duly made and argued by the then city attorney, Mr. Beckley, which motion was denied by the same justice, Mr. Justice Macomber, before whom the motion was made, with costs, on May 25, 1885. Judgment was entered in the plaintiffs' favor against the city on June 3, 1885, for \$20,548.50 damages, being the amount of the verdict, with interest thereon from the time of its rendition to said June 3, 1885, and \$70.00 costs, in all \$20,618.50. An appeal was taken July 1, 1885, by Mr. Beckley on behalf of the city, from the judgment and order denying a new trial, to the General Term of the Supreme Court, which appeal was heard and decided by the General Term at the January, 1886, General Term, which decision was an affirmation of the order and judgment appealed from, and upon that decision judgment and order of affirmation was entered by the plaintiffs February 6, 1886, with \$31.50 costs of the appeal.

The General Term, Bradley, J., writing the opinion, decided that the facts clearly showed a liability upon the part of the city, and that as to the damages they could not say the verdict was excessive; that it appeared that the plaintiff at the time of the injury was 28 years of age; that before and up to the time of the accident she had been remarkably healthy and active; that her injuries were severe and her suffering had been very great, and that she still suffered from the effects of them; and the medical opinion was that she might never fully recover, and that they materially tended to shorten her life.

Mr. Beckley on behalf of the city, on April 2, 1886, duly appealed from the judgment and order of affirmation of the General Term to the Court of Appeals, which said cause and appeal therein is now pending undetermined. August 5, 1885 another action was begun in the Supreme Court of this State by Thomas H. Groves, the husband, against the city, for his damages alleged to have been sustained by him, viz.: for expenses incurred for medical care and attendance, etc., as well as for the value of his wife's services in the care of his household and as clerk in his boot and shoe store in this city; which were and are claimed to be quite valuable, and also for the loss of her society, comfort and inability upon her part to perform her marital duties, the damages claimed by him being the sum of \$50,000. An answer was duly served, and the cause is now on the Calendar of the present October Circuit Term, and it is set down for trial on Monday, October 18, 1886.

Mr. Justice Macomber, in his charge to the jury in the other case, stated to them "that for the value of Mrs. Groves' services and for the medical care and other expenses paid and incurred, her husband alone could recover for."

According to the opinion of Mr. Beckley, the late City Attorney, and who tried the first cause for the city, even though the city should obtain a new trial in the case of Amelia and Thomas H. Groves, it is probable that new proof will be given by the plaintiffs so that it will be a mere question of damages for the jury, and it may be that another jury will give a greater amount than the \$19,000, and the costs will abide the event of the action, so that the plaintiffs will obtain all the costs already incurred, as well as all others up to the time of the new trial, in case they obtain a verdict. Again, the jury in the case of Thomas H. Groves, set down for trial for the 18th inst., may give a large amount, even more than was given in the other action, but how much it is at present impossible to say, but judging from the past a large amount is not improbable.

We have consulted with Mr. Groves and his counsel, Messrs. Raines and Lynn, and have obtained from them an offer of settlement, which, in view of all the facts and circumstances, and the opinion of Mr. Beckley, and in the opinion of your committee, which is shared in by the present City Attorney, Mr. Powers, will be and is an advantageous one for the city, viz.: The city to pay the amounts of the two judgments in the case of Amelia and Thomas H. Groves, with interest dates from their respective dates to this date, and the costs of the appeal now pending in the Court of Appeals, which will be as follows: June 3, 1885, amount of original judgment:

Damages.....	\$20,548 50
Costs.....	70 00
	<hr/>
	20,618 50
Interest from June 3, 1885, to October 5, 1886.....	1,656 35
	<hr/>
	22,274 85
February 6, 1886, judgment costs, General Term.....	\$ 81 50
Interest on same from February 6 to October 5, 1886.....	3 25
	<hr/>
	84 75
	<hr/>
	22,359 60
Cost of appeal in the Court of Appeals.....	30 00
	<hr/>
	\$22,389 60

which shall be in full of the judgments and all costs in both actions, and the execution and delivery of a general release of any and all claims by and on the part of said Amelia and Thomas H. Groves. Your committee therefore recommend that the following resolution be adopted, as it will be highly advantageous for the interests of the city so to do. All of which is respectfully submitted.

Dated Rochester, N. Y., October 5, 1886.

J. MILLER KELLY,
PHILIP WEIDER,
D. V. W. SELYE,

Law Committee.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

Nays—Ald. Mandeville—1.

By Ald. Kelly—Resolved, That the city clerk be, and he hereby is, authorized and directed to draw an order on the treasurer in favor of Amelia and Thomas H. Groves for the sum of \$22,359.60, the same to be in full of the judgments recovered by them heretofore against the city, and the subject matter of the action now pending and brought by said Thomas H. Groves against the city, and all

costs in each, and both of said actions upon the certificate of the city attorney that proper satisfaction pieces of said judgments and a stipulation of discontinuance without costs of the appeal now pending in the Court of Appeals in said action of Amelia and Thomas H. Groves; and a stipulation of discontinuance without costs of the action now pending in the Supreme Court, of Thomas H. Groves against the city, and a proper and general release of any and all claims, debts, dues and demands that said Thomas H. Groves and Amelia Groves, and each of them, may have, or claim to have, against the city, have been executed, acknowledged and delivered, and that the city treasurer charge the amount of said order to the contingent fund. Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Swikehard, Weider, Bohrer, Kelly, Schaeffer—13.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your Law Committee begs leave to submit the following, as their report in their matter of opening a new street from Clifford street to Norton street, under ordinance 2,701:

September 5, 1882, a final ordinance for the acquiring of land for such new street was duly adopted, and on March 7, 1883, the City Attorney was instructed to take the usual proceedings to obtain the appointment of commissioners of appraisal, and, as appears by the communication from the City Attorney to your honorable body, August 26, 1884, he had, in pursuance of such direction, taken such proceedings as resulted in the appraisal of the damages to be paid to the owners for the land to be taken; that the report of the commissioners was made to the Common Council January 22, 1884, and confirmed February 5, 1884, and that on the 17th day of June, 1884, the assessment role for said improvement was duly confirmed, but that owing to an oversight of the City Surveyor in the preparation of the final ordinance, the provision was made that payments should be made in three, instead of one payment, as the charter provided in the taking of land, and the City Attorney recommended the reconsideration of the action taken, and the enactings of another ordinance, (see page 165, Proceedings 1884-1885,) and, in accordance with such suggestions, the resolution confirming the assessment roll was reconsidered and the ordinance was amended by striking out such provision of payment, and the clerk was directed to advertise for allegations on the ordinance as amended. [See page 169.] Subsequently, and on September 9, 1884, as appears at page 181, a final ordinance, being No. 2,701, was duly passed. On December 16, 1884 (see page 237), another resolution, introduced by Ald. Simelink, was adopted, by which the Executive Board was authorized and directed to negotiate with the owners of the land necessary to be taken for the opening of such street and report to your honorable body the result of its negotiations, and subsequently, and on Jan. 13, 1885, (see page 281), the Executive Board made their report, with the names of such owners and the prices demanded by them, and suggested that it would be less expensive to the taxpayers' interest to settle with the parties who demanded more than the commissioners had awarded them, and your honorable body by a resolution introduced by Ald. Simelink resolved that the amounts at which the owners of property necessary to be taken for the opening of said street would sell the same were satisfactory to your honorable body, and by a resolution introduced by the same alderman, then adopted, the Mayor was authorized and directed to enter into contracts with the owners of such land necessary to be taken for the opening of such street by the purchase of said land

at the prices contained in the report of the Executive Board, said amounts to be paid within four months after the confirmation of the assessment roll for said improvement, and the contracts to be drawn in accordance with the provisions of sections 173 and 174 of the charter, and to be approved by the city attorney. On November 10, 1885, (see page 242, proceedings of 1885-1886,) pursuant to a communication from Mr. Beckley, the then city attorney, a resolution was then duly adopted by your honorable body directing him to publish a notice specifying and describing the lands necessary to be taken for the purposes of said street, and to take such further action as might be necessary with reference thereto in accordance with section 175 of the revised city charter. Subsequently, and on April 20, 1886, (see pages 24-30, proceedings of 1886-1887) the report of the commissioners appointed awarding the damages to be paid for such land was duly presented to your honorable body, and your honorable body appointed the next meeting, May 4, 1886, as the time for hearing allegations with reference to the confirmation of the report of said commissioners, and on the said May 4th, 1886, (see pages 35-36), allegations being called for, and no person appearing, upon motion of Alderman Schaeffer the report of the said commissioners was confirmed, and, on the same date, an order was drawn in favor of the several commissioners, guardian ad litem, and other persons for services and disbursements connected with said proceeding. On June 15, 1886, (see page 140), upon motion of Alderman Schaeffer, the expense was ascertained to be the sum of \$8,704.17, and all persons interested were directed to be heard as to the same at the meeting held June 29, 1886, at 7 p. m., and the clerk was directed to publish a notice of said hearing, as required by the city charter. On June 29, 1886, (see pages 158-159), upon motion of Alderman Stein, a resolution was adopted directing the said sum to be assessed upon the lots and parcels of land described in the ordinance, namely: One tier of lots on each side of the proposed street from Clifford street to Norton street, and the assessors were directed to make an assessment, and to meet for that purpose July 3, 1886, at 9 a. m. On July 27, 1886, (see page 184) upon motion of Ald. Schaeffer, a resolution was duly passed appointing the next regular meeting of the Common Council, Tuesday evening, Aug. 10, 1886, as the time when any complaints or appeals from such assessment under said ordinance No. 2,701, would be heard. On Aug. 10, 1886, (see page 203) upon motion of Ald. Schaeffer, allegations being called for, and no person appearing, the said assessment roll for the opening of said street, ordinance No. 2,701, was in all things duly confirmed.

Your committee has been informed that immediately after the confirmation of said roll on said Aug. 10, 1886, the assessment rolls, having the warrant of the Mayor and the oaths of the Assessors, and the certificate of the clerk thereto attached, were duly delivered to the Treasurer for collection.

Your committee further reports that on Aug. 26, 1886, (see page 212) upon motion of Ald. Schaeffer, the action of your honorable body confirming the assessment roll of Joiner street, presumably the said assessment roll under ordinance No. 2,701, was reconsidered, and upon motion of the same Alderman action was postponed for two weeks. On September 7, 1886, (page 221.) under the head of unfinished business, upon motion of Alderman Schaeffer, a reconsideration of the action confirming the assessment roll of "Joiner street" was adopted, and upon motion of the same Alderman that action was postponed two weeks.

Your committee is clearly of the opinion that, waiving for a moment the discrepancy between the name of "Joiner street" and "opening of a new street from Clifford street to Norton street," under said ordinance No. 2,701, your honorable body, under section 179 of the Revised City Charter, had, and has, no power to reconsider the final ordinance passed as aforesaid, concerning said new street opening, for the reason that that section provides in reference to confirmations, "but the Common Council may set aside said report (i. e., report of commissioners of appraisal,) and abandon

said improvement at any time before the final confirmation of the assessment roll hereafter mentioned," and under section 194, the Mayor is directed to annex his warrant to the assessment roll, and the same is directed to be delivered to the City Treasurer to be collected. Again, by section 196, "the city shall not become obligated to take any such lands or tenements, or to pay or deposit such damages therefor, nor shall the owners, occupants, or other persons having any liens thereupon, acquire any right to such damages, nor to be paid therefor, until the final confirmation of said assessment roll, as hereinbefore provided," and in the opinion of your committee, it is clear that your honorable body has no power to reconsider the adoption of the final ordinance, especially so after the assessment roll thereon has been delivered to the City Treasurer for collection.

Respectfully submitted,

J. MILLER KELLY,
P. WEIDER,
D. V. W. SELYE,
H. KOHLMETZ,
Law Committee.

Dated Rochester, N. Y. Oct. 5, 1886.

Adopted.

By Ald. Bohrer—

To the Common Council:

GENTLEMEN—Your Committee on Opening and Alteration of Streets to which was referred a petition to change the name of "Huron street" to "Hibbard place," do hereby report favorably on the prayer of the petition, and submit the accompanying resolution, and recommend the adoption thereof.

LOUIS BOHRER,
FRANK FRITZSCHE,
W. H. MARSON,
D. W. SELYE,
C. STEIN.

Committee.

Ordered received, filed and published.

By Ald. Bohrer—Resolved, That the name of Huron street be and hereby is changed to "Hibbard place," and the clerk be directed to enter the same in the Street Register, and the Executive Board be notified to place the usual street signs. Adopted.

By Ald. Schaeffer—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—Your Assessment Committee, to whom was referred the petition of Louis Wagner for relief from an erroneous assessment alleged to have been assessed against him, on the east part of lot 121 of the Munger tract, north side of Hickory street, for the Hickory street improvement tax, ordinance No. 2,783, reports thereon as follows:

That the width of his property on Hickory street, according to the assessment rolls in the assessor's office, was and is 59 feet; but, through a clerical mistake, the width on the assessment roll for said improvement ordinance No. 2,783, was stated at 69 feet, making a difference of 10 feet against said petitioner, and a difference of \$23.50, excessive assessment.

Your committee, therefore, is of the opinion that the treasurer should be directed to receive from Mr. Wagner the sum of \$140.06, less the discount, in full for said Hickory street improvement tax assessed against him as above, and charge the balance of said assessment to erroneous assessments.

Respectfully submitted,

CHRIS. J. SCHAEFFER,
J. MILLER KELLY,
DEVILLO W. SELYE,
CHRISTIAN STEIN,
Assessment Committee.

Ordered received, filed and published.

By Ald. Schaeffer—

Resolved, That the treasurer be, and hereby is, directed to receive from Louis Wagner the sum of \$140.06, less the discount, in full for the assessment

levied against the property of said Wagner, being the east part of lot 121, Munger tract, north side of Hickory street, for the Hickory street improvement tax ordinance No. 2,783, and charge the balance of said assessment to erroneous assessments.

Adopted.

By Ald. Schaeffer—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your Assessment Committee, to whom was referred the petition of the Superioress of the Female Academy of the Sacred Heart, to have an assessment levied against said academy in the year 1885, for the sprinkling of Prince street, for the sum of \$33.53, which assessment has been transferred to the general city tax rolls for 1886, and now amounts to \$35.23, remitted, respectfully reports that your committee is of the opinion that such assessment should be cancelled, for the reasons stated in said petition, namely: That the public nature of said academy, and the fact that said academy is an institution incorporated and conducted for educational purposes, and that no moneys are received by the ladies conducting the school from the state or city for the conducting thereof, and, that in previous years, the Common Council have remitted all assessments for sprinkling against it, and, we, therefore, recommend the adoption of the accompanying resolution.

Respectfully submitted,

CHRIS. J. SCHAEFFER,
J. MILLER KELLY,
DEVILLO W. SELYE,
CHRISTIAN STEIN,
Assessment Committee.

Ordered received, filed and published.

By Ald. Schaeffer—Resolved, That the Treasurer be, and he hereby is, directed to cancel the assessment made and levied against the Female Academy of the Sacred Heart for the sprinkling of Prince street in the year 1885, and which has been transferred to the general city tax rolls for the year 1886, and which now amounts to \$35.33, and charge the same to erroneous assessments.

By Ald. Schaeffer—

To the Hon. the Common Council of the City of Rochester:

The petition of Seymour Boughton of Pittsford, in the county of Monroe, respectfully shows, That he holds a tax deed from the County Treasurer of Monroe county of lot 50 of the J. Williams tract on Kent street in the Ninth ward of the city of Rochester, which has been for several years past assessed to James Farley, and your petitioner has a tax search from the City Treasurer, showing that the unpaid taxes on said lot, with interest, amount to considerably over one hundred dollars, which your petitioner is ready and willing to pay, but it is necessary for his safety and protection that he should have the certificates as a lien on the property, and he prays that upon payment of the amount of said taxes and interest, the Mayor shall be authorized to assign the city's interest in the certificates to him. S. BOUGHTON.

Dated Rochester, Oct. 4, 1886.

Ordered received, filed and published.

By Ald. Schaeffer—Resolved, That the Mayor be, and he is hereby authorized to assign the city's interest in the tax sales, which certificates are now held by the said city on lot No. 50 of the J. Williams tract on Kent street, in the Ninth ward, to S. Boughton, upon his paying into the city treasury the amount of said taxes, with the interest and penalties allowed

by law, and which assignment is to be without recourse against the city. Adopted,
By Ald. Fritzsche—

ROCHESTER, Oct. 5, 1886.

To the Honorable the Common Council:

GENTLEMEN: Your Water Works Committee and the Executive Board respectfully make the following recommendations:

First—That the Executive Board be authorized to extend a water main in Lake avenue from present end of pipe on (west side) northwardly a distance of about 220 feet, at an estimated cost of \$308.

Second—That said Board be directed to extend a water pipe in King park from Sherman st. northwardly a distance of about 400 feet, at an estimated cost of \$360.

Respectfully submitted,
FRANK FRITZSCHE,
D. W. SELYE,
Water Works Committee.

Provided the full funds to pay the same are on hand.

GEO. W. ELLIOTT,
J. H. FOLEY,
BYRON HOLLEY,
GEO. W. ALDRIDGE,
Executive Board.

Ordered received, filed and published.

By Ald. Fritzsche—Resolved, that the Executive Board be, and it is, hereby authorized to extend water mains in Lake avenue, from present end of pipe near Burke place, northwardly a distance of about 220 lineal feet, at an estimated cost of \$308; also, in King park, from Sherman street northwardly a distance of about 400 feet, at an estimated expense of \$360, and to pay for the cost of the same out of the water pipe extension fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Fritzsche, Elliott, Foley, Selye, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—13.

Ald. Watson moved that rule 38 be suspended, and that the monthly pay rolls be placed on the finance budget. Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Fritzsche, Elliott, Foley, Selye, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—13.

FINANCE BUDGET No. 6.

ROCHESTER, N. Y., Oct. 5, 1886.

By Ald. Watson—Resolved, That in pursuance of section 53 of the City Charter, the City Clerk be and he hereby is directed to draw warrants on the City Treasurer, in favor of the following named persons, for the amounts set opposite their respective names, and that the City Treasurer be and he hereby is directed to pay said warrants when there are funds applicable, and charge the proper funds as follows:

By the Clerk—

STATE OF NEW YORK, EXECUTIVE CHAMBER, }
 ALBANY, September 20th, 1886.

To the Mayor of the City of Rochester, Rochester, N. Y.:

SIR: Enclosed herewith you will find an order issued this day by the Governor in the matter of

the nuisance existing in the town of Brighton, caused by the deposit of sewage in Thomas Creek by the city of Rochester.

You are requested to acknowledge to the Governor the receipt of the same.

Yours very respectfully,

WILLIAM G. RICE, Private Secretary.

(Enclosure.)

Ordered received, filed and published.

By the Clerk—

STATE OF NEW YORK, }
EXECUTIVE CHAMBER. }

To Whom It May Concern:

Whereas, A complaint having been made to me of the existence of a nuisance in the town of Brighton, county of Monroe, caused by the emptying by the city of Rochester of a part of its sewage into a stream known as Thomas creek running through said town of Brighton, and which complaint was by me referred to the State Board of Health, pursuant to law; and

Whereas, The State Board of Health having found and certified that the matters and things as complained of do exist, and having declared the same to be a public nuisance, dangerous to the public health;

Now, therefore, it is hereby ordered that the Mayor and Common Council of the city of Rochester do or cause to have done, without delay, the things following, to wit:

1. To construct a drain of twelve (12) inch vitrified drain tile from Thomas creek where it crosses Culver street near the Erie canal, to the drain already laid in said street and Park avenue, for the purpose of receiving into said Culver street drain all the sewage now emptied by the Monroe avenue sewer into Thomas creek.

2. To provide that no other sewers or drains be allowed to discharge their contents into Thomas creek at any point between the point of crossing of said creek at Culver street near the Erie canal and the tracks of the New York Central & Hudson River railroad.

3. To provide proper measures for the purpose of disinfecting the sewage as near the discharge pipe of the Culver street drain at the New York Central & Hudson River railroad tracks as may be practicable.

It is hereby further ordered that the Board of Health of the town of Brighton cause, without delay, the ponds on the properties of Mr. Chapin and Mr. Chapman to be cleaned and the dams to be opened that Thomas creek may resume its natural channel, and that the same be done with the pond on the property of Mr. Palmer.

Given under my hand and the privy seal of the State, at the capitol in the city of Albany, this twentieth day of September, in the year of our Lord one thousand eight hundred and eighty-six.

By the Governor: DAVID B. HILL.

WILLIAM G. RICE, Private Secretary.

By the Clerk—

STATE BOARD OF HEALTH OF NEW YORK, }
ALBANY, August 31, 1886. }

To the Hon. David B. Hill, Governor State of New York:

S R: In regard to the matter of a nuisance in the town of Brighton, Monroe county, caused by the city of Rochester emptying a part of its sewage into a stream known as Thomas creek, running through the said town, and a nuisance being thereby created dangerous to the public health, the matter having been referred by your excellency to this office for such action as might be called for under section 8, chapter 322, laws 1880, I have the honor by direction of the State Board of Health to report as follows:

On Wednesday, August 18th, I visited Rochester and in company with Dr. E. M. Moore, president of the State Board of Health, and Mr. Carman, the assistant secretary, met with the Mayor of Rochester, the Hon. C. R. Parsons, and Mr. Emil Kuichling, C. E., a member of the Executive Board of the city, on the part of the city; and Hon. Walter Hub-

bell, counsel; Messrs. K. A. Hughson, supervisor; E. Lyon, W. W. Chapin, Benj. Wing, and others, representing the town of Brighton.

After hearing statements as to the nature of the nuisance complained of, in the afternoon of the same day, in company with Messrs. Kuichling, Chapin, Chapman, Lyon, Hughson, Hubbell, and Carman, I visited the localities where the nuisance existed.

On Monroe avenue, at a place called Nichols park the sewer opens into an open ditch which runs in a curved direction southeasterly about a quarter of a mile, where it empties into Thomas creek, thence running about three-quarters of a mile in a direction a little south of east, alongside of the Erie canal, and from there, turning north-east the stream goes about a short half mile to the N. Y. C. R. R. and from there, following a winding course, generally northeast, the stream runs about a mile and a half in a straight line to the point where it empties into Irondequoit bay.

Before crossing the N. Y. C. R. R. it flows through two ponds, one on the place of Mr. Chapin and the other owned by Mr. Chapman. Beyond the railroad it enters a glen, in which is another pond owned by a Mr. Palmer.

Where the stream crosses the railroad, it is joined by a ditch alongside the embankment, which ditch carries the sewage emptied into it at a point about one-half a mile northwest, from the sewers of East and Park avenues.

For the whole course of the ditches and stream, from where the sewers discharge into them, to the pond on Mr. Palmer's land, the presence of raw sewage could be distinctly seen, and foul odors and gases were present.

The ponds on Mr. Chapin's, Mr. Chapman's, and Mr. Palmer's land have become large cess-pools of raw sewage, covered more or less with a heavy, thick scum. Mr. Chapin's pond is a natural hollow in rock, seven feet deep, and was only ornamental. It is within fifty feet of the house, which had to be abandoned on account of the odors. The pond is about seven feet deep, and is now a cess-pool filled with raw sewage. Mr. Chapman, whose pond is much larger, used to cut and sell ice therefrom. It is now in the same condition as that of Mr. Chapin.

Mr. Palmer's pond was used for mill power, but the mill has had to be abandoned, the pond being but a cess pool, and at the time of visitation entirely covered with a heavy green scum, hiding the water completely.

The Board of Health of Brighton brought an action against the City of Rochester to compel the city to abate the nuisance. The decision of the Supreme Court, Mr. Justice Rumsey, found as a question of fact "that the constant flow of sewage through said town into Thomas creek, and down said creek across the town of Brighton, has polluted the waters of said creek and rendered them filthy and unwholesome odors, and caused it to emit foul and unwholesome odors, and that such sewage is largely deposited on the banks of said creek, and by reason thereof the waters and the bed thereof have become unwholesome and dangerous to the public health, and that such condition of affairs existed before the first day of August 1884," and as a question of law, "that the said plaintiffs, as a Board of Health, have no power or authority to pass or make any orders or regulations for the suppression or removal of any nuisances created by the city of Rochester within the limits of said city." The Hon. Justice supported appeal to your Excellency for action under the law of 1880.

The decision quoted above was affirmed in General Term January, 1886, and is now before the Court of Appeals.

There is no question as to the existence of a nuisance dangerous and threatening to the public health, and one that needs prompt and efficient measures for its relief. The condition of the ditches, streams, and ponds, is such as to require immediate attention. Sickness has already been created by this insanitary state, and more may be expected.

To fully and permanently remedy the present condition of Thomas creek, is a problem requiring

much study and calculation. It will entail a plan of sewerage and intercepting sewers, with plans for sewage disposal, which cannot in justice to the city of Rochester be hastily decided upon. Temporary relief may, however, be had at but comparatively small expense and in a fairly short time.

I respectfully request your Excellency's attention to the enclosed map. Marked in red are the sewers in Park and East avenues, joined together by a sewer in Culver street, which empties into the railroad ditch at "c." The ditch then runs southeast to "d," where it joins Thomas creek. If at "a," where Thomas creek crosses Culver street alongside of the Erie canal, a drain be made to connect with the drain at the end of Park avenue, it will relieve Thomas creek of all the sewage from Monroe avenue sewer, and transfer that to the railroad ditch at "c." To relieve the condition of Thomas creek after this combined sewage from Monroe, Park and East avenues enters into it, disinfection could be had by means of manganate of soda and sulphuric acid, which would deodorize the sewage and render it less harmful than at present.

This plan would take away the sewage from Messrs. Chapin and Chapman's ponds, which could be cleaned out and the stream allowed to resume its original bed through them, as the water will still be more or less impure from surface washings, and should not be used for potable or culinary purposes, nor should ice be cut from it. Mr. Palmer's pond (not shown on the map) could also be allowed to run off, the dam being opened for such purpose. The city of Rochester could purchase of Mr. Palmer his water right until such time as permanent drainage could be established.

This plan was submitted to both parties and agreed to as the best remedy that could be had for the present. Measures looking to permanent relief should be at once taken by the city of Rochester.

It is therefore respectfully recommended for your Excellency's approval and order:

1. That the city of Rochester construct a drain, of 12-inch vitrified drain tile from Thomas creek where it crosses Culver street near the Erie canal, to the drain already laid in said street, and Park avenue, for the purpose of receiving into said Culver street drain all the sewage now emptied by the Monroe avenue sewer into Thomas creek.

2. That no other sewers or drains be allowed to discharge their contents into Thomas creek at any point between the point of crossing of said creek of Culver street near the Erie canal, and the tracks of the N. Y. C. & H. R. R.

3. That proper works be erected for the purpose of disinfecting the sewage, as near the discharge pipe of the Culver street drain at the N. Y. C. & H. R. R. tracks as may be practical.

4. That the city of Rochester employ suitable person or persons for the express purpose of preparing some plan or plans by which permanent and proper drainage may be had for the city, and plan or plans for the proper disposal of the sewage, and that this action on the part of said city be taken immediately.

5. That if it is considered best, in order to insure the rapid and more thorough completion of such work, the said permanent drainage of the city, that the Legislature be asked to pass such law or laws as may be necessary to create a commission, to be known as the Commission on Drainage, said commission to have all necessary powers granted to it that may be called for in the prosecution of the work.

6. That the Board of Health of Brighton be directed to cause the ponds on the property of Mr. Chapin, and Mr. Chapman to be cleaned, the dams to be opened, that Thomas creek may resume its natural channel. And that the same be done to the pond on the property of Mr. Palmer.

I have the honor to remain Sir,

Your obedient servant to command,

LEWIS BALCH,

Secretary, State Board of Health.

By the Clerk—

Hon. C. R. Parsons, Mayor of Rochester, N. Y.:

DEAR SIR—I understand the orders of the Governor relating to the relief of the Brighton sewage nuisance will be laid before the Common Council of your city to-morrow evening for its consideration and action.

The nuisance being one highly dangerous to the public health, and one needing prompt action for its relief, it is to be hoped the Common Council may direct the work proposed for the temporary relief to be done without delay.

The measures proposed are but temporary. It is most respectfully suggested to your honor that the city of Rochester take into consideration the best method for obtaining some properly planned system of sewerage and sewage disposal, which will meet all demands of the present and future, and relieve the city from the recurrence of suits like those growing out of the defilement of Thomas creek.

The necessity for some system is apparent, and increases every year. Temporary relief is but what its name implies, and that time cannot be far distant when the question of permanent relief must be met. I would most respectfully suggest, that sanitary engineers competent for the work, be employed by the city this winter upon the study of some permanent system of sewerage, so that, if by next summer they can have perfected a plan, work may be begun. I have the honor to remain, sir,

Yours truly,

LEWIS BALCH,
Secretary.

OCTOBER 1, 1886.

Hon. Cornelius R. Parsons, Mayor:

SIR: On the north side of Vincent place, at the east end of the bridge, an opening for surface drainage is made to discharge directly upon our adjoining premises. Although apparently not intended originally for that purpose, the city has for some time past allowed this drain to be made use of as a common sewer by the neighboring land owners. A very great volume of offensive fluid, estimated by competent authorities on the part of the city at two hundred barrels or more a day, is discharged upon our premises; and, being without outlet, has established against our buildings a pool of considerable extent, and probably three or four feet in depth. The attention of the city has been long since called to this grievance, and thus far without result. We have the honor now to notify you, for communication to such subordinate officers of the municipal government as you may think proper, that the nuisance has become intolerable, and that we shall proceed at once to apply a practical remedy by closing securely the aperture of this drain where it enters upon our land. We give you this notice in order to diminish, as far as possible, any inconvenience which may be caused either to the city or to neighboring proprietors by our action. And we beg leave further to remind you that we shall hold the city responsible, not only for the very serious injury which has thus far been caused us, but for such further harm as may come to us by reason of any overflow upon the present aperture of discharge being closed. We have the honor to be Very respectfully yours,

By Bacon, Briggs & Beckley, Attorneys.

Ald. Kelly moved that the communication be referred to the Sewer Committee. Adopted.

Ald. Kelly moved that the papers relating to the Thomas Creek nuisance be referred to the Map and Survey Committee. Adopted.

OFFICE OF THE EXECUTIVE BOARD,
Rochester, N. Y., Oct. 5, 1886.

To the Hon. the Common Council:

GENTLEMEN—In the early part of the summer of the present year complaint was made to the Executive Board of the dangerous condition of the sidewalks on Pearl street. An examination was ordered and notices served on several owners to

immediately repair their walks. Some of these owners either made no repairs or they were made in an unsatisfactory manner.

On the 27th day of July, 1886, the Executive Board sent a communication to the Common Council recommending that new walks be laid on the northeast and southwest corners of Pearl and Alexander streets, as they were so far broken as to be unsafe for use. Whereupon the matter was referred to the City Surveyor to prepare an ordinance. The final ordinance for these new walks was adopted September 6, 1886, and contemplated the construction of five feet flag walks at the points named, being in front of the property of A. B. Lamberton and Sophia S. Kenyon.

The work was duly advertised and let to J. Middaugh, September 24, 1886. Mr. Middaugh has executed the contract for same on his part, but it has not yet been executed by the Executive Board on the part of the city.

Mr. Lamberton claims that the ordinance was passed during his absence and without his knowledge; that he is willing and desires to construct his own walk; and desires a hearing by the Improvement Committee of the Common Council before the contract is executed on the part of the city. Will the Common Council please take such action in the premises as it may deem just and proper, and which shall authorize the Executive Board to delay in the matter of the contract, if the council shall deem it proper so to do? Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

Ald. Elliott moved that the parties be allowed thirty days in which to construct their own walks, and that the Executive Board be directed to delay accordingly. Adopted.

GENTLEMEN: A copy of the report of the secretary of the State Board of Health, made to the Governor in relation to the pollution of Thomas creek, has been placed in the hands of the Executive Board, and said board in anticipation of some action by your honorable body in the premises, has secured permits from the village board of Brighton and from the highway commissioner of the town of Brighton to enter upon and construct a sewer or drain in said street as suggested in the aforesaid report.

Ald. Mandeville moved that the City Surveyor be directed to prepare an ordinance providing for the carrying out of the recommendations made in the report. Adopted.

To the Common Council:

GENTLEMEN—Your attention is respectfully invited to the accompanying communication from the Bartholomay Brewing Company in relation to the sewer which runs down the east bluff and beneath the Citizen's Gas Company's building. Some different construction is imperatively demanded, as it is impossible to maintain an effective sewer on the present line of location. There is pending before your honorable body an ordinance for the construction of a sewer in Vincent place from near the east end of the bridge to the sewer in St. Paul street.

Whether the construction of a sewer in the manner proposed in said ordinance will effect a complete cure for the trouble is questionable and the matter should receive careful consideration.

Respectfully submitted,

THOMAS J. NEVILLE, Clerk.

ROCHESTER, N. Y., Oct. 4, 1886.

To the Hon. the Executive Board of the City of Rochester:

GENTLEMEN: Our attention has been called by Mr. Ward, of the Citizens' Gas Company, to the fact that, owing to the break in the sewer running through their coal house, the coal has become thoroughly wet and there is great danger of a fire, the coal being liable to spontaneous combustion, we are told. If this be so the Vincent place bridge and our brewery are in great danger, and we herewith bring this matter to your notice, and we herewith request your immediate attention and speedy action to remove the danger now threatening our property.

Yours respectfully,

CITY SURVEYOR'S OFFICE, }
ROCHESTER, N. Y., Oct. 2, 1886. }

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—As intimated at your last regular meeting your City Surveyor has prepared the first ordinance for the construction of a sewer in Anne street, between Otis street and Deep Hollow creek.

You will permit him to question the propriety of allowing any more sewage to be discharged into this creek west of Lake avenue, in view of the probability, if not certainty, that in the near future the courts will enjoin the use of this natural outlet for such purpose.

For the reason above stated the first ordinance for the sewer in Ravine avenue is not in accordance with the petition therefor, in so far as the ordinance provides that the proposed sewer shall discharge into the Fulton avenue sewer instead of Deep Hollow creek, which departure from the terms of the petition will secure a sewer as beneficial to the taxpayers and not more expensive than that asked for. Very Respectfully,

Your ob't serv't,

I. F. QUINBY, City Surveyor.

By the Clerk—

To the Honorable Common Council of the City of Rochester:

The petition of Abigail Widner of the city of Rochester, respectfully shows that on about the day of November, 1884, she slipped and fell in consequence of a defect in the sidewalk on the west side of South St. Paul street, at a point near the railing next to the Aqueduct in said city. That said sidewalk had been in a dangerous condition for several months before said occurrence, and that the city authorities had neglected to repair the same. That by said fall your petitioner sprained her wrist and fractured and split the bone of her arm, so that she has not since that time been able to use her said arm in and about her household affairs without pain and great inconvenience. That your petitioner carried the said arm in a sling for over five weeks, and for about nine months was wholly unable to use the said hand. That said injury was on your petitioner's right hand, and said wrist is still stiff and cracked. That your petitioner was put to considerable expense in employing medical aid in consequence of said injury, and in endeavoring to be cured of said hurts, and that as your petitioner is advised and verily believes, she will be permanently disabled by the said injuries and rendered unfit to attend to her household duties, as well as she did before said injuries.

That in consequence of said matters your petitioner has sustained damages to the amount of five thousand dollars, and as she is advised and verily believes the city of Rochester is liable to her therefor, and she asks that your Honorable body will investigate the said claim of your petitioner, and will pay her such sum as may be just and reasonable in liquidation of said claim.

In witness whereof your petitioner has set her hand, this 26th day of May, 1886.

ABIGAIL WIDNER.

CITY OF ROCHESTER, COUNTY OF MONROE, ss:

Abigail Widner being duly sworn says, that she has heard read the foregoing petition and knows the contents thereof, that the same is true of her own knowledge, except the matter therein stated to be upon information and belief, and as to those matters she believes it to be true.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

The first ordinance for a North Clinton street Medina stone improvement came up and Ald. Kohlmetz moved that it be indefinitely postponed. Adopted.
Ald. Kohlmetz moved that action on final ordinance No. 3, 026, for a stone sewer in North Clinton street, be reconsidered. Adopted.
Ald. Kohlmetz moved that the ordinance be indefinitely postponed. Adopted.

RECONSTRUCTION OF SEWER IN NORTH CLINTON STREET.

By Ald. Kohlmetz—Resolved, that the City Surveyor ascertain and report to this Council the expense of taking up, deepening, reconstruction and extension of the sewer in North Clinton street, from Andrews street to the N. Y. C. & H. R. R. R.; also the construction of a Medina stone pavement within the limits named.

Adopted.
The Surveyor submitted as such estimate, \$20,800.
By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The taking up, deepening and reconstruction, with suitable dimensions, of the present stone sewer in North Clinton street, from Andrews street to Central avenue; thence extending the said sewer by a new sewer of the same dimensions to intersect the sewer under the N. Y. C. & H. R. R. R., with the necessary manholes, surface sewers, lot laterals and connections, together with the cleaning, repairing and extension of existing surface sewers and lot laterals; also the construction of a Medina stone pavement on North Clinton street, from the north line of the crosswalk on the north side of Andrews street to the south line of the N. Y. C. & H. R. R. R., with Medina stone curbs and adjoining flag stone gutters on each side, the curb lines to be parallel to and twenty (20) feet from the medial line or axis of the street, and the existing curb stones to be taken up, and when of good quality and suitable dimensions, to be redressed if necessary, and set on the lines hereinbefore designated, new curb stones to supply all which are defective in quality or which do not conform to specified dimensions; also the laying of water and gas service pipes and their appurtenances where now required, or where the future need may reasonably be anticipated.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$20,800, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of North Clinton street, from Andrews street to the south line of the N. Y. C. & H. R. R. R.

And further Resolved, That the tax-payers to be assessed for making such improvement, may pay their assessment in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed of six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172 of the Revised Charter of 1880, of the city of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, Oct. the 19th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

STEWART STREET OPENING.

By Ald. Bohrer—Resolved, That the following improvement is necessary, viz:

The opening of Stewart street, from the present west terminus thereof to Carter street, the width of the extended street to be forty-eight (48) feet, with lines in the direct prolongation of those of the said Stewart street now opened from North avenue westward.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lot on each side of Stewart street, from the present west terminus thereof to Carter street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, October the 19th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

OPENING A NEW STREET FROM SHERMAN STREET TO ANGLE STREET.

By Ald. Bohrer—Resolved that the following improvement is necessary, viz:

The opening of a street from Sherman street to Angle street by taking a strip of land forty (40) feet wide from the north ends of lots numbered from twenty-three (23) to twenty-six (26) both inclusive, on what is known as the Jones tract in the eleventh (11th) ward.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

The final ordinance for King street asphaltum improvement came up, and Ald. Foley moved to strike out the provision or cleaning sewers. Adopted. Under the rule the ordinance went over two weeks.

The final ordinance for Euclid street improvement came up, and Ald. Watson presented the following:

By Ald. Watson—
To the Honorable Common Council:

GENTLEMEN—The undersigned, in behalf of his daughters, Sophia R. Gibbons and Emily N. Gibbons, the owners of lot No. 11, situate at the corner of Chestnut street and Euclid street, in the city of Rochester, and having a frontage of 165 feet on Euclid street, respectfully remonstrates against the proposed improvement of said Euclid street for the following reasons:

It is not a public improvement.
The public interest does not require it.
The kind of improvement is too expensive.
It is intended to benefit certain persons at the expense of others.

The work should not be ordered until the street has been widened.

The territory to be assessed should be enlarged, if it is a public improvement.

The further consideration of the ordinance should be postponed until next year.

To pay ordinary city or county taxes is as much as taxpayers now can do.

Very respectfully,

WASHINGTON GIBBONS.

Ald. Watson moved that action be postponed four weeks. Adopted.

The final ordinance for the improvement of the alley running west from State street south of the New York Central railroad came up and on motion of Ald. Coughlin action was indefinitely postponed.

IN COMMON COUNCIL—AN ORDINANCE RELATING TO NUISANCES.

The Common Council of the City of Rochester do ordain as follows:

SECTION 1. No person shall make, aid, countenance or assist in making any riot, noise, disturbance, false alarm of fire, or improper diversion in any of the streets, lanes, alleys or other public places, or on any public or private premises, or elsewhere in the city of Rochester, to the annoyance or disturbance of any of the citizens or travelers or others, under a penalty of not less than two dollars nor more than five dollars for each offense.

Section 2. No person shall sound any gong in the street, or in any alley, upon any sidewalk, or upon any piazza, balcony, steps or platform adjoining any sidewalk or street in the city of Rochester, under a penalty of ten dollars for each offense.

Section 3. No tenant or occupant of any dwelling in the city of Rochester shall permit any gong to be sounded upon any street, alley or sidewalk, or upon any piazza, balcony, stoop, step or platform adjoining any street or sidewalk in said city, under a penalty of ten dollars for each offense.

Section 4. No person shall carry or use upon any wagon while passing along or being upon any street, lane or alley in the city of Rochester any gong similar to that used on trucks and engines of the fire department of the city of Rochester, under a penalty of five dollars for each offense, except that the provisions of this section are hereby declared not to apply to any wagon, truck or cart used as a part of the police patrol system, or the fire department, nor to any wagon used by any officer of the police or fire department of said city while engaged in the discharge of their duty as such officers.

Section 5. No person shall drive or ride, or cause or suffer to be ridden or driven an, horse, mare, gelding or other animal, in upon or through any public street, lane or alley of the city of Rochester, except East and Lake avenue between the hours of 3 and 6 p. m. from the 15th day of December to the 15th day of March at a speed exceeding six miles per hour, under a penalty of ten dollars for each offense.

Section 6. No persons shall ride or drive, or cause to be ridden or driven, any horse, mare, gelding, or other animal, upon or over any of the bridges

within the city of Rochester, excepting the bridge over the Genesee river on Main street, or over the crosswalk of any street, lane or alley in said city, faster than a walk, excepting the fire department in case of an alarm of fire, under a penalty of five dollars for each offense.

Section 7. No person shall leave any horse, mare, gelding, or other animal, standing in any public street or alley within said city of Rochester, without being well secured, tied or fastened, under a penalty of five dollars for each offense.

Section 8. No person shall throw or deposit any straw, shavings, lime, ashes, refuse coal, scraps, slops, dirt or rubbish of any description, or the contents of any bed, into or upon any public street, park, lane or alley in said city of Rochester except upon the written consent of at least one or more members of the Executive Board of said city, under a penalty of five dollars for each offense.

Section 9. No person shall deposit, or cause to be deposited, any dead animal, fish or putrid meat, entrails, shells of oysters or clams, decayed fruit or vegetables, or the skin of any fruit or vegetables or any other filthy or offensive substance, in or upon any public street, lane, park or alley, or other public place, or on the surface of the ground in any lot, or in any canal, or any basin attached thereto, or in the Genesee river, except as herein provided, or in any mill race, or canal, or on any bank thereof, in the city of Rochester, or suffer any stagnant or filthy water, or any putrid or unwholesome meats, decayed fruits or vegetables, or other filthy or offensive substance, to remain on his or her lot, or in his or her house, or other building or cellar, or in or upon the limits of said city, or in or upon any boat in any canal, or in the Genesee river within the limits of said city under a penalty of not less than five dollars, nor more than twenty-five dollars for each offense, and the expense and charge which the said corporation shall or may incur in removing or abating such nuisance.

The Police Justice or any Alderman, the Executive Board or any member thereof, the Superintendent of Streets, or any person authorized by them, or either of them, or any policeman, may, any time, enter into or upon any house, cellar, boat, lot or other place, and remove or abate such nuisance in such manner as shall be judged best. And every person obstructing or hindering such removal or abatement shall forfeit and pay a penalty of twenty-five dollars for each offense.

Section 10. No person shall throw or place upon the sidewalk of any public street, lane, park, alley or other public place in the city of Rochester any banana, orange, lemon, apple, or any other fruit skin or peel, under a penalty of two dollars for each offense.

Section 11. No person shall fly a kite within the city of Rochester, under a penalty of two dollars for each offense.

Section 12. No person shall sell, or keep, or expose for sale any gun powder, or India or China or other firecrackers, rockets, or other preparations of gunpowder, or found within the limits of the city of Rochester, without a license from the Common Council of said city first being had or obtained, under a penalty of twenty-five dollars for each offense.

Section 13. No person shall fire or set off or explode any gunpowder preparation, cracker, squib, rocket or firework, or fire any pistol, gun or cannon, or throw any fire-ball, or make any bonfire, or aid or abet therein, in any part of the city of Rochester, under a penalty of five dollars for each offense. But this section may be suspended in any particular, and as to any person, in the discretion of the Mayor of said city.

Section 14. No powder shall be stored within the corporate limits of the city of Rochester, except within a building constructed of stone, brick or iron, which building shall stand and be at least 600 feet from any public street, highway, public place or building, and no powder shall be so stored unless consent to the storage thereof and to the place of such storage shall be given by the Fire Marshal of the city of Rochester. Not more than 500 pounds

of powder shall be stored, as herein provided, at any one time.

Section 15. No person shall, under a penalty of fifty dollars for each offense, keep upon sale in, or about any place or building within the corporate limits of the city of Rochester, any powder, or any of its products, without first having obtained a license therefor, as provided in section twelve of this ordinance; and any person or persons who shall have obtained such license, may, under the direction of the Fire Marshal, keep on sale in such portion of the building or buildings owned and occupied by such person or persons, as the Fire Marshal shall designate, nor more than one hundred pounds of powder at any one time. Such powder thus stored, shall be kept in a box constructed of boiler iron, which iron used in the construction of said box shall not be less than three-sixteenths of an inch in thickness, and which box shall be lined with wood or zinc. The cover of said box shall likewise be constructed of boiler iron of at least the thickness aforesaid, and shall be attached to said box, in such manner as to render said box, when closed, as nearly air tight as possible, which said box shall be kept securely locked, except when powder is being placed therein or taken therefrom. Said box shall be provided with iron wheels at least six inches in diameter, securely attached to the same in such manner as to enable said box to be removed from place to place.

Section 16. No license fee shall be charged to any person or persons to whom a license shall be duly granted, as provided in section twelve of this ordinance.

Section 17. No nitro-glycerine, dynamite, giant powder, or other high explosive compounds or any combination or preparation thereof or of any of them shall be stored or kept on sale within the corporate limits of the city of Rochester, under a penalty of fifty dollars for each offense.

Section 18. No person shall cast or throw any hide or skin, tanned or not tanned, out of any door or window of any building above the first story, fronting on any public street, lane or alley of the city of Rochester, or cause any such untanned hide to be suspended from or laid upon any post, or elsewhere, in public street, lane or alley of such city, under a penalty of two dollars for each offense.

Section 19. No person shall, within the limits of the city of Rochester, appear in a state of nudity, or in a dress not belonging to his or her sex, or in an indecent or lewd dress, or make an indecent exposure of his or her person, nor swim or bathe in any canal, basin, mill race or river within the limits of said city, under a penalty of five dollars for each offense.

Section 20. No person keeping an alley, commonly called a nine-pin alley, bowling alley, or billiard or pool table for revenue within the city of Rochester, shall permit any game to be played thereon after twelve o'clock at night, or before eight o'clock in the morning; nor shall any such person suffer or permit any minor or apprentice to play at such alley or table at any time whatever, under a penalty of five dollars for each offense.

Section 21. Any person who shall keep a disorderly or a gambling house, or a room or rooms, within the city of Rochester, for either, or both of these purposes, shall, upon conviction thereof, pay a penalty of not less than fifty dollars, nor more than one hundred dollars, for each offense.

Section 22. Any person who shall have or keep a house, building or place in the city of Rochester, in which any E O table, keno table, faro bank, shuffle board, bagatelle, playing cards, or any instrument, device or thing employed for gambling, shall, by, or with the consent or permission of such person, his or her agents, or servants, be kept or used, whereon or with which money shall in any manner be played for, shall be subject to a fine of not less than fifty dollars nor more than one hundred dollars, for each offense.

Section 23. Any person who shall play for liquor, beer, wine, ale, cider, or other article, or permit the same to be played for, as above stated, within the limits of the city of Rochester, shall be subject

to a fine of not less than five dollars nor more than fifty dollars for each offense.

Section 24. Any owner or keeper, or any person within any disorderly or gambling house, room or rooms, building or place within the city of Rochester, who shall refuse to permit the Mayor, any Alderman, the Police Justice, Chief of Police or any Policeman to enter the same, or who shall obstruct or resist any of the aforesaid officers (or persons summoned by them to assist), in entering such place or in the seizure of any instruments or devices employed in gambling in any such place or places, shall be subject to a fine of not less than ten dollars, nor more than one hundred dollars, for each offense.

Section 25. No person shall cut, injure, deface, mar or tarnish any public or private building, electric or other wire, bridge, street sign, lamp, lamp post, or any property belonging to the corporation or any private person, nor any well, pump, fence, tree, awning, useful or ornamental improvement, within the limits of or public work in the city of Rochester, nor break any window or window glass in any private or public building or place of worship in said city, nor aid or abet or assist therein, under a penalty of ten dollars for each offense.

Section 26. No person shall scatter or distribute any cards, dodgers, advertisements, or any printed matter whatever, other than periodical publications, in or upon any of the public streets, lanes or alleys within the city of Rochester, or sidewalks of said city, to the annoyance of any person, under a penalty of five dollars for each offense.

Section 27. No person or persons shall hereafter go from house to house in the city of Rochester for the purpose of selling, or offering for sale, goods or merchandise of any description, or for the purpose of soliciting alms or subscriptions, for any purpose whatever, without previously having obtained written consent so to do from the Chief of Police of the said city of Rochester, under a penalty of five dollars for each offense.

Section 28. No owner or possessor of any swine, horses, sheep, goats, cows or other cattle, shall suffer any such animal or animals to run or to be let at large in any of the public streets, lanes, alleys or parks within the city of Rochester, nor drive the same in, through or upon any of the public streets, lanes, alleys or parks within said city between the hours of six o'clock in the forenoon and seven o'clock in the afternoon, unless the same are tethered and held in hand by the person or persons having them in charge, under a penalty of one dollar for each animal so untethered, running or being at large, for each offense.

Section 29. No owner or possessor of any goose or geese, ducks or other fowls shall suffer or permit any such fowls to run or to be at large in any of the public streets, lanes, alleys or squares within the city of Rochester, under a penalty of twenty-five cents for each fowl, etc., so running or being at large, for each offense.

Section 30. No dog shall be permitted to go abroad in any of the public streets, squares, lanes, alleys or public places within the limits of the city of Rochester without being led and securely confined by a chain or string, or properly muzzled, under a penalty of ten dollars for each offense, to be recovered against the owner or possessor of such dog, or the person who harbored such dog within two days previous to the time of such dog being found so going abroad.

Section 31. The owner of every dog shall provide a collar for it, upon which his or her name shall be legibly printed or engraved, and cause the same to be worn by the dog whenever it is at large in any public street, lane, alley or square within the limits of the city of Rochester, under a penalty of five dollars. Every unmuzzled dog found going abroad in any of said public streets or places in said city, between the first days of April and November in any year, may be seized, shot or killed by such persons as the Common Council shall designate for such purpose.

Section 32. No person, or company of persons, shall exhibit or perform for gain or profit, any theatrical or circus exhibitions, or any paintings,

animal or animals, or other natural or artificial curiosity, or any puppet show, wire or rope dance, or any other idle show, acts or feats which common showmen, mountebanks or jugglers usually practice or perform, or any concert, musical entertainments, exhibitions or dances, or series of lectures for private emolument or gain, or conduct any roller skating rink, within the limits of the city of Rochester, without first having obtained a license for the same from the Common Council of said city; and no owner or occupant of any house, out-house, yard or other place within said city shall furnish or allow the same to be used for the accommodation of such exhibition or performance, unless such license shall be obtained as aforesaid, under a penalty of fifty dollars for each offense.

Section 33. Every owner of every inhabited lot within the city of Rochester, and the occupant of every such lot, when the owner thereof is a non-resident, shall provide and keep upon such lot a convenient privy, with a vault at least four feet deep, or a suitable water-closet, under a penalty of five dollars for every twenty-four hours any violation of this ordinance shall be continued.

Section 34. No tub, box or other receptacle, nor the contents thereof, shall be removed from any privy within the city of Rochester, except between the hours of eleven at night and three in the morning, from the first day of May to the first day of October in any year except by some orderless process, under a penalty of twenty-five dollars for each offense; nor shall any person, under a like penalty, empty or deposit the contents of any such tub or receptacle out of any privy into any place within the limits of the said city, or in, upon, or into any public street, alley, lane, canal or public square, or into the river, except at the places designated therefor by the Mayor or Board of Health, under a penalty of fifty dollars for each offense.

Section 35. It shall be the duty of such person as may be specially authorized for that purpose by the Board of health of the City of Rochester to enter into and upon, and examine any lot, yard, building, cellar, alley, basin, siip, drain, vault, privy or any other place within the limits of the said City of Rochester; and if the same shall be found to be foul, incumbered with rubbish, damp, sunken or ill-constructed, or to contain any filth or other offensive substance or nuisance, to direct the removal of all such nuisance, filth or other offensive substance, or the cleansing or repairing of any drain, vault or privy, upon any such lot of ground or premises by the owner or agent of the owner, lessee, or occupant of the same, within twenty-four hours after directions from the person authorized as aforesaid. And any person who shall refuse or neglect to comply with such directions, after such notice as aforesaid, shall forfeit and pay a penalty of twenty-five dollars for each offense.

Section 36.—Any person who shall be guilty of keeping, maintaining, or being an inmate of, or in any way connected with, or in any way contributing to the support of any disorderly house, house of ill-fame or place for the practice of fornication within the limits of the city of Rochester, or knowingly own, or be interested as proprietor or landlord of any such house, shall, on conviction, be liable to be fined in any sum not exceeding one hundred dollars for each offense, and in default of the payment of the penalty imposed, shall be imprisoned in the Monroe County Penitentiary for any period not exceeding one hundred days.

Section 37.—Any female who shall be convicted of being an inmate of any house of ill-fame, or place for the practice of fornication, or shall be found loitering or strolling in, upon or around the public streets, lanes or alleys of the city of Rochester by day or night, without any regular lawful business, or who shall be convicted of being a prostitute, shall be subject to a penalty in a sum of money not less than ten dollars nor more than fifty dollars, and in default of payment or recovery of such penalty imposed, shall be subject to imprisonment in the Monroe County Penitentiary for a term not exceeding three months.

Section 38. No person shall carry on within the city of Rochester any business or manufactory of

such a character, or in such a manner, as shall produce or cause such dense smoke, or such loud and disturbing noises as to be a nuisance; nor shall any person, in the process of any manufactory or business, or in any manner cause to be set afloat in the air, or scattered, or deposited upon any house or lands, or public street, lane or alley, within said city any cinders, or soot, dirt, dust, sawdust, shavings or other objectionable dirt, dust or matter so as to be a nuisance, and no person shall carry on any manufactory or business in said city of such a character or in such a manner as shall cause or produce disturbing noises in any of the public streets, lanes or alleys in or of the city, and every person who shall violate or offend against any of the provisions of this section shall forfeit and pay the penalty of fifty dollars for each offense, and the further penalty of fifty dollars for each and every day that such offense shall be continued after notice from any city officer to discontinue the same, or fined not less than ten dollars, nor more than one hundred dollars, or both.

Section 39. Every execution issued upon a judgment recovered for a violation of this ordinance, or any provision thereof, except as is here before otherwise specially provided, shall command the amount to be made of the property of the defendant, if any such can be found, and, if not, then to commit the defendant to the Monroe county penitentiary for a period not exceeding one hundred days.

Section 40. This ordinance shall take effect on and after the day of October, 1886.

Ordered received, filed and published, and action postponed two weeks.

By Ald. Elliott—Resolved, That from the first meeting in November until the first meeting in June the Common Council of the city of Rochester shall begin its sessions at 6 o'clock in the evening, and close the same at 10, except that the closing hour may be extended by suspension of the rules.

Ald. Stein moved to amend the resolution by inserting 7 o'clock instead of 6 o'clock.

Lost by the following vote:

Ayes—Ald. Tracy, Fritzsche, Elliott, Foley, Selye—5.

Nays—Ald. Coughlin, Watson, Kohlmetz, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—10.

Adopted.

By Ald. Watson—

ROCHESTER, N. Y., Oct. 5, 1886.

To the Hon. the Common Council:

GENTLEMEN—We have certified that Franklin Miles of the Fourth ward of this city was assessed on the rolls for that ward this year as follows: \$7,200 on real estate and \$900 on personal property. The total tax on that amount would have been \$122.58. By an error of one of our clerks it was copied on the books for the City Treasurer at \$7,200 on real estate and \$9,000 on personal, making Mr. Miles's tax \$244.75, instead of \$122.58. In view of these facts and also that Mr. Miles was prepared and wished to pay his tax in July. We ask your Honorable Body to instruct the City Treasurer to receive from Mr. Miles the sum of \$122.58 without interest and cancel his tax of \$4.175.

Very respectfully,

WM. MAHER,
V. FLECKENSTEIN,
L. A. PRATT,
City Assessors.

Ordered filed and published.

By Ald. Watson—Resolved, That the treasurer be, and he hereby is, directed to receive from Franklin Miles, for general city tax for 1886, the sum of \$122.58, without interest, and charge balance of assessment, amounting to \$122.37, to erroneous assessment.

Ald. Mandeville moved that the matter be referred to the Assessment Committee. Adopted.

By Ald. Watson—Resolved, That permission be granted to Frank J. and G. Schaefer to construct bay windows above the first story of their building, No. 110 Court street. Adopted.

By Ald. Kohlmetz—

ROCHESTER, Oct. 5, 1886.

To the Honorable Common Council of the City of Rochester:

We, the undersigned, committee of the Socialist Labor party, section Rochester, respectfully ask the Honorable Common Council of this city for the permission, and under what condition we can use the meeting room of the City Hall on Thursday evening, October 28th. The object will be "Social Problems Explained from a Scientific Point of View."

C. LUEDECKE, }
F. DETMERS, } Committee.
O. MUELLER, }

Referred to the City Property Committee.
By Ald. Kohlmetz—

To the Honorable, the Common Council of the City of Rochester:

The Board of Directors of the Young Men's Christian Association do hereby petition your honorable body for the use of the City Hall on the evening of December 7th, 1886, for the purpose of a lecture to be given by Justin McCarthy, M. P., on "The Cause of Ireland."

GEORGE M. FORBES, President.
DEAN ALVORD, Secretary.

Rochester, N. Y., Oct. 5th, 1886

Referred to the City Property Committee.
Ald. Kohlmetz moved that the City Attorney be instructed to notify the kerosene oil lamp contractor to fulfill his contract. Adopted.

By Ald. Elliott—

Resolved, by the Common Council of the City of Rochester, that the heads of the various departments of the City government hereafter be required to obtain of the City Clerk directly all the supplies they may need for the conduct of their offices and their official business, which are not otherwise provided for by this Council; and that the City Clerk under the direction of the Finance Committee hereafter be the sole purchasing agent of these supplies for the City in a manner as hereinafter provided.

Resolved, Furthermore, that the City Clerk get written bids, for furnishing these miscellaneous supplies, from all the various dealers, and that the contract be let, under the direction of the Finance Committee, only to those whose bids are identical in form, and who shall give to the City the largest discount from the regular retail rates. That a copy of these bids be submitted to the Finance Committee before they are sent out, and that contracts be awarded only as shall be directed by the Finance Committee.

Resolved, That any act or acts inconsistent with these resolutions, be hereby repealed.

Adopted.

By Ald. Elliott—Resolved, By the Common Council of the City of Rochester that the City Attorney be requested to furnish within thirty days, in this Board, information concerning the following points:

Has the Common Council of the City of Rochester any authority whatever to direct the Rochester City & Brighton Railroad Co. to do its bidding, and if so what?

Has the Common Council of the City of Rochester a right to impose a license upon the cars operated on its various line of railway within the City of Rochester, by the Rochester City & Brighton Railroad Co?

Was ever any such license imposed, and was the same ever paid?

If any license fee was ever demanded of the Rochester City & Brighton Railroad Co. on what ground was its payment refused, if at all, and

when, why, by whom was the law (if any such law existed, allowing the city to impose such a license) repealed, whereby the Rochester City & Brighton Railroad Co. escaped payment of principal and interest of any such license, which for any reason they refused to pay?

Ald. Elliott called attention to the fact that the Board of Education had not informed this Board why the compulsory education law was not enforced, and that the criticism of Superintendent Ellis in his annual report, of the failure of the Council to provide for schooling such children, under that law, was not well taken under these circumstances.

Ald. Elliott also requested that the Board of Police Commissioners be instructed to report on the matter concerning the French wheel at the races, called to their official attention by resolutions of this Board, September 7, 1886, and the time for reporting on which expires before the next regular meeting of the Council.

Ald. Elliott gave notice that at the next meeting of the Council he would move that the time of the meetings be from 7 to half-past 10 o'clock.

Ald. Elliott gave notice that at the next meeting he would introduce a penal ordinance preventing the use of barbed wire after January 1st next.

By Ald. Foley—Petitions of J. B. and S. G. Robinson and John Smith for permission to erect wood buildings; granted. Also remonstrance against the King street asphalt improvement. Ordered received, filed and published.

By Ald. Selye—Petition for the opening of Mason street to Thorn street. Referred to the Committee on Opening and Alteration of Streets.

Ald. Selye moved that the ordinance for First street sewer reconstruction be reconsidered. Adopted.

Ald. Selye moved that action be postponed two weeks. Adopted.

By Ald. Selye—Resolved, That the Rochester City & Brighton Railroad Company be, and hereby is, directed to remove its tracks between Vincent place and Cliff street, from the present location on the east side of Lake avenue, to the center of said Lake avenue. Adopted.

By Ald. Mandeville—

EXCISE BOARD OFFICE,
CITY BUILDING, FRONT STREET,
ROCHESTER, N. Y., Sept. 27, 1886. }

To the Hon. Common Council:

GENTLEMEN: Mr. James G. Welch took out a license to sell liquor on the 15th day of February, 1886. He went out of business on Sept. 1, 1886. He now desires a rebate for the remainder of the unexpired year. We leave the matter for your consideration.

Respectfully,
POMEROY P. DICKINSON,
CONRAD HERZBERGER,
JAMES MALLEY.

Ordered received, filed and published.

By Ald. Mandeville—Resolved, That the city clerk draw an order on the city treasurer in favor of James G. Welch for the sum of \$23 for unexpired license, and charge the same to poor fund. Adopted by the following vote:
Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

By Ald. Swikehard—Whereas, It has been decided to introduce the "Gamewell System of Police Patrol" into the city, which will render necessary the appointment of additional policemen; and whereas, the number of permanent policemen authorized under the resolutions of this council is already full;

Resolved, That the number of permanent policemen be increased by the appointment in the number provided by law of three additional permanent policemen, who shall be qualified to act as drivers of the patrol wagon, and said Commissioners are hereby authorized to appoint three electrical operators to take charge of the telegraph system connected with said Gamewell system of police patrol.

Ald. Mandeville moved that the matter lay over until the next meeting. Lost

The resolution was adapted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Foley, Selye, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—13.

Nays—Ald. Elliott, Mandeville—2.

By Ald. Swikehard—

To the Hon. Com. on Police and Excise, Common Council:

ROCHESTER, N. Y., Oct. 5, 1886.

GENTS: Recognizing the necessity of the immediate purchase of an additional team of horses for the use of the patrol system, we respectfully request your investigation, and trusting same will receive early attention.

Yours respectfully,

J. W. ROSENTHAL,
JAMES D. CASEY,
Police Commissioners.

Ordered received, filed and published.

By Ald. Swikehard—Resolved, That the Committee on Police Patrol System be authorized to purchase an additional team of horses, at an expense not to exceed \$600, for the use of the Police Patrol system, and the expense thereof to be paid from the Police fund.

Ald. Weider moved that the resolution lie on the table for two weeks. Lost.

The resolution was then adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Selye, Swikehard, Stein, Bohrer, Kelly, Schaeffer—11.

Nays—Ald. Elliott, Foley, Mandeville, Weider—4.

By Ald. Weider—Resolved, That the Lamp Committee be authorized to place two electric lights on Caroline street east of South avenue, and displace as many other lights as can be dispensed with. Referred to the Lamp Committee.

By Ald. Stein—Petition of Abraham Lewis for permission to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Stein—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—The petition of Henry Langknecht respectfully shows: That your petitioner constructed a brick building on St. Michael's street, at the corner of North Clinton street, in the City of Rochester, which building is two stories in height, and your petitioner, under a misapprehension of the terms and conditions of the ordinance pertaining thereto, constructed a bow window in the second story of said building so as to project about two and one-half feet over the sidewalk, and beyond the street line or said St. Michael's street, but said window was and is constructed at a height

of upwards of thirteen feet above said sidewalk, and was and is covered with galvanized iron, so as to be absolutely fire-proof, and in a strong and substantial manner, so that it cannot, and does not, in any manner, impede the free travel of the public along and upon the sidewalk of said street; that to re-construct said window, so to lessen its projection will be a source of great expense to your petitioner, and of no benefit to the public.

Your petitioner, therefore, prays that your Honorable Body, by a resolution, endorse the action of your petitioner in the construction of the said bow window, and permit and allow the same to remain as it now is.

And your petitioner will ever pray.

HENRY LANGKNECHT, Petitioner.

Dated, at Rochester, N. Y., Oct. 5, 1886.

Ordered received, filed and published.

By Ald. Stein—Resolved, That the petition of Henry Langknecht be, and the same is, hereby granted, and that he be, and hereby is, permitted to have the bow window or windows as now constructed in the second story of his brick building on St. Michael's street at the corner of North Clinton street, remain as it or they now are. Adopted.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your committee appointed for the revision of the penal ordinances, hereby give notice that at the next regular meeting of your honorable body, the following ordinances will be presented for passage: One relating to cartmen, public porters and drivers of baggage wagons or other vehicles for the carrying or transportation of mer-

chandise, or other property for hire within the city of Rochester, insofar as the same relates to the licensing of the same; the qualifications of such person or persons; the form, nature and amount of security to be given as a condition for such a license; the proof of qualification of applicants for such license; the requiring of all such persons to obtain license; the names and numbers of persons to be painted on the carts or other vehicles used by them; the government of such persons; the fees allowed to be charged by such person or persons; the prohibiting of the receipt or demand by such person or persons of fees greater than are allowed in the ordinance; the duties and liabilities and conduct of such person or persons; the license fee to be charged and paid therefor; providing for the revocation of such license or licenses; the penalties to be attached to the violation of the several sections and provisions, and the duration and nature of imprisonment for the non-payment or non-collection of judgments and executions thereon recovered for such penalties, and the time when such ordinances shall take effect.

Also an ordinance relating to hackney coaches, cabs, and carriages, for hire within the city of Rochester, in so far as the same relates to the licensing of persons keeping and maintaining the same; the qualifications for such licenses, and the fees to be charged therefor; the requiring of all such persons to obtain license; the designation of the place or places where such coaches, cabs, and carriages may stand; also where and how omnibuses of hotels should stand at the railroad depots; the manner and position of such coaches, cabs and carriages while standing or being upon the public streets, alleys, lanes, or places within the city; requiring drivers to be seated upon their cab, coach, or carriage, or to stand at the head of their animal or animals drawing the same, and the location of such vehicle upon such stand or stands; the prices and rates of fare allowed to be charged, and the territory applicable thereto, and the description and boundaries of such territory, prohibiting any greater rate of fare to be demanded or received; to provide for the numbering of such carriages, cabs, and coaches and the making of maps of territory and rates of fares and charges allowed to be charged; requiring the driver to furnish upon demand to the person engaging him the names of the owner and the driver, and the number of the hack, coach or cab and to wear a badge and number; requiring persons selling the same to report such sales; the general conduct and government of such drivers and owners for the revocation of any license thus issued, duty of the Chief of Police to inspect all such carriages, hacks and cabs, the penalties to be attached to the violation of the several sections and provisions and the duration and nature of imprisonment for the non-payment or non-collection of judgments and executions issued thereon recovered for such penalties and the time when such ordinance shall take effect.

Also an ordinance relating to railroads within the city, regulating the rate of speed of any locomotive, engine, car or train of cars within the said city limits; prohibiting the sounding of whistles thereof within said limits; prohibiting the use of any public street, alley, lane or square within said limits in making up a train of cars, or switching off or on, or the loading or unloading of any car or cars, or the obstruction of any street, lane, alley or square by means thereof; requiring the cleaning of freight, stock and cattle cars; prohibiting getting on or off such cars, engines or locomotives while passing through the city limits while the same is in motion; prohibiting walking or being upon the elevated tracks or bridges of the New York Central & Hudson River Railroad Company, or the tracks or bridges of any other railroad company, within the city limits; the penalties to be attached to the violation of the several sections and provisions, and the duration and nature of imprisonment for the non-payment or non-collection of judgments and executions issued upon the same recovered for such penalties, and the time when such ordinances shall take effect.

Also an ordinance relating to markets in so far

as the same relates to the sale of meats, provisions, hay, straw, fodder, milk and wood, within the city, and the licensing of persons therefor; prohibiting sales to be made at other than licensed or designated places or by other than licensed persons, excepting farmers selling by the quarter meats they have raised or fattened; the duration of such licenses; prohibiting the selling or offering for sale of any unwholesome, stale, emaciated, blown, stuffed, tainted, putrid or diseased meat, poultry, fish or provisions; prohibiting the sale of impure, adulterated or watered milk or the use of impure, filthy or unwholesome vessels or cans to contain the same; providing for the sale of meats, etc., by weights to be sealed by the city sealer within six months previous to such sale; providing for the cleanly and neat condition of markets in places where meats or other provisions are to be kept; prohibiting the sales of meats, etc., in any street, lane or alley except as designated in the ordinance; providing for the construction of slaughter houses and the government, conditions and regulations thereof; providing for a meat inspector to be appointed by the Common Council; providing for other market places for the sale of fodder, hay, straw and wood; providing for the regulation and inspection of the markets and vendors, the penalties to be attached to the violation of the several sections and provisions, and the duration and nature of imprisonment for the non-payment or non-collection of judgments and executions issued upon the same recovered for such penalties, and the time when such ordinance shall take effect.

All of which is respectfully submitted.

APPROVAL OF MINUTES.

The minutes of the previous meeting were approved as published in the book of proceedings.

PRESENTATION OF PETITIONS, ACCOUNTS, ETC., AND THEIR REFERENCES.

By Ald. Coughlin—

To the Honorable, The Mayor and Common Council of the City of Rochester :

Your petitioners respectfully show that in 1838, the late William Fitzhugh conveyed to the City of Rochester, for the sole purpose of a public square, a piece of land lying within the boundaries of certain streets then known as Sophia, Ann, John and Fish streets in said city, and since the dedication thereof for that purpose the same has been known as "Center Square."

That said land has long since fallen into disuse for the purpose of a public square, having been destroyed for such use by condemnation for railroad tracks passing through its center and leaving a fraction only remaining of the land in form of a parallelogram on the south side of said square on Ann (now Allen street), about 276 feet in length and an average width of about fifty feet.

That since said land has been abandoned by the city for public use, it has been appropriated by idle and lawless citizens for various unseemly amusements and has become a nuisance to the inhabitants residing in its immediate vicinity.

That your petitioners are informed that the New York Central & Hudson River Railroad Company, at the earnest request of a large number of citizens of Rochester, have recently expressed a willingness to establish and maintain a railway station with suitable buildings and appointments at some point on the west side of the Genesee river, which shall be most feasible for the accommodation of the people, and have suggested that the unoccupied portion of said public square on Allen street would be most likely to meet the convenience and general approbation of the citizens of Rochester and the traveling public as well.

The undersigned, therefore, in view of the great public necessity for such railway station, ask your honorable body to release to the said railroad company above-named, the contingent interest now vested in said City by dedication for public use, the remaining unappropriated portions of Center Square, for the objects and purposes herein indicated, in order to assist and promote the establishment and maintenance forever of such railroad station for the convenience of the citizens of Rochester and the traveling public—the undersigned having been assured by the officials of the said railroad company, that upon the establishment of said railway station, all local or accommodation trains on the line of their said road for the transportation of passengers passing east or west, from said city, shall, for all time in the future, make the necessary stops at said station for the receiving and landing of passengers.

By Ald. Kelly—

ROCHESTER, N. Y., Oct. 19, 1886.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—I have the honor to call your attention to the recent dismissal, by the Court of Appeals, of an appeal taken by the City of Rochester from the order of the General Term of the Supreme Court affirming the award and appraisal made, upon the application of the City of Rochester, to the owners of certain water rights infringed upon by the city for the use of its water works. It

would hardly be accurate to speak of this determination as exhausting the possibilities of litigation upon this subject. Such litigation terminated with the order of the General Term, made in the month of June last; and the action of the Court of Appeals is simply a decision that that adjudication, now four months old, was in fact final. Recognizing in the fullest extent the duty of the city authorities to contest to the last moment the rights of these claimants, of whose property it has been for more than ten years in full enjoyment, it seems not unreasonable to suppose that at the last extremity it will pay the sums which have been awarded against it in the proceedings which itself has instituted. That extremity, it seems, has now been reached.

To the owners, whom I have the honor to represent, of twenty-one parcels affected by the proceedings referred to, the Commissioners have awarded sums amounting in the aggregate to \$92,485.00. Costs are awarded to the same property holders, in the order affirming the appraisal, amounting to \$424.20—\$92,909.20.

Upon this amount interest must be computed, at the rate of six per cent. per annum, from the date of the confirmation of the award; September 3, 1885, to the date of payment.

The same property owners recovered, also, on the 25th of June, 1886, \$67.40, costs of the appeal by the city to the General Term. Upon this sum interest should also be computed to the day of payment.

On the 16th of October, 1886, judgment was entered against the city, in the same matter, in favor of the property owners, for \$49.32, costs of the appeal to the Court of Appeals. Of these several sums, with the interest to be computed as above intimated, it becomes my duty now to ask immediate payment.

I am authorized, also, to call attention of your honorable body to the award made at the same time in favor of Cora J. Trimmer, represented by the Hon. Thomas Raines, as her attorney, of the sum of \$3,000 and of \$35 costs. Payment of these amounts, bearing interest, like the other awards, from September 3, 1885, should be made to the said property owner, or to her attorney, Mr. Raines. I have the honor to be,

Very respectfully yours,
THEODORE BACON.

Referred to the Law Committee.

By Aid Kelly—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN: At the meeting of your body on the 5th day of October, 1886, the Law Committee reported that the cases of Groves vs. city should be settled by paying the sum of \$22,389.60.

The report was adopted and a resolution passed to that effect, but by a clerical mistake in the resolution the sum to be paid was written \$23,359.60, a mistake of \$90 against the plaintiff.

The City Clerk drew the order upon the City Treasurer according to the resolution for \$30 less than the amount agreed to be accepted by the plaintiffs.

The release signed by the plaintiffs recites the receipt by them of the full consideration of \$22,389.60.

The plaintiffs signed the said release and delivered the same to the City Attorney upon the assurance by him and several members of the Common Council that said mistake would be made right at this meeting.

We therefore ask that a resolution may be passed directing the City Clerk to draw an order upon the City Treasurer in favor of Thos. H. and Amelia Groves for the sum of \$30, to correct said mistake—October 19, 1886.

JNO. D. LYNN,
Attorney for Plaintiffs.

Ordered received, filed and published.

By Aid. Kelly—Resolved, That the city clerk draw an order on the city treasurer for the sum of \$30 in favor of Thomas H. and Amelia Groves, and direct the payment of the same out of the contingent fund. Said order

to correct a mistake or difference between the amount at which the Groves' actions were to be settled and the amount of the order drawn for such payment. Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

By Ald. Marson—

ROCHESTER, N. Y., Oct. 17, 1886.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your committee on sewers to which was referred the communication of the 1st inst. to his Honor, Mayor Parsons, from the Citizens' Gas Company through its attorneys, Messrs. Bacon, Briggs & Beckley, complaining of the inconvenience as well as the actual damage to their property to which said company is subjected in consequence of the discharge upon their premises of surface and other drainage coming from that portion of Vincent place between North St. Paul street and the east end of Vincent place bridge, would submit the following report, viz:

Two first ordinances have been passed by your honorable body for the construction of sewers intended to carry off the drainage which, it is claimed, has become an intolerable nuisance, and

has damaged, and is still damaging, the property of the Citizens' Gas Company. Both of these ordinances, when they came up for final action, were indefinitely postponed on the remonstrances of the property owners, upon whom the assessments would fall, for the cost of such sewer.

In the meantime the Bartholomay Brewing Company has constructed a wooden box sewer connecting the pipe sewer running for a short distance down the eastern bank of the Genesee river, from the bottom of a well on the north side of the retaining wall at the east end of Vincent Place bridge, with the stone sewer on the flats at the bottom of the steep east bank of the Genesee river. This connecting box culvert has sufficient capacity to carry off all the drainage heretofore complained of and so long as it may last—probably for eight or ten years—it will relieve the complainants from further nuisance and damage.

The plan adopted by the Bartholomay Brewing Co. is that which first suggested itself to your City Surveyor, but he was given to understand that the Citizens Gas Co would not permit a sewer to be constructed on its lands under Vincent Place bridge running obliquely from the north to the south side of the said bridge and between the easterly abutment and pier thereof; what agreement, if any, may have been made between the companies named for the right to lay the culvert on the land under the bridge, your committee cannot say and can only report that if this culvert be allowed to remain as now located, it seems well adapted to take care of all the drainage that it was intended to convey, until by accident, or decay of material, its repairs or reconstruction shall become necessary.

Your committee would remind your Honorable body that the city has no absolute title to the lands under Vincent place bridge—its rights and title being limited to those of the location and maintenance of the piers and abutments of the bridge, the fee to such lands at the east end of the bridge, as we understand, is vested in the Citizens Gas Company.

Respectfully submitted,

GENTS—Your Map and Survey Committee, to whom was referred the matter of the completion of the Beardsley maps for the use of the Assessors' office, respectfully report as follows:

That after a careful consideration of the whole matter and diligent inquiry among different civil engineers, your committee have decided to recommend that Mr. Oscar H. Peacock, be employed by the city of Rochester upon and for the completion of the work aforesaid, at and after the rate of a salary of twenty-five hundred dollars per year for the time actually employed and no longer—the said salary of \$2,500 to include all office rent, and the said Peacock shall be allowed the additional sum of \$280 per month for four assistants in his office in and about the business of the completion of the maps aforesaid, which sums and salaries as aforesaid shall be paid monthly from the contingent fund, and your committee recommend that the Mayor be authorized to enter into a contract with the said Oscar H. Peacock on the terms and conditions as aforesaid.

By Ald. Mandeville—Resolved, That the Mayor be and he hereby is authorized to enter into a contract with Oscar H. Peacock for the completion of the Beardsley maps for use in the Assessors' office at a salary to be paid the said Peacock at the rate of \$2,500 for the time

actually expended by him on the said work, and that he be allowed the further sum of \$230 per month in full payment for all his assistants, such salaries to be paid monthly, and said contract to be approved as to form by the City Attorney. Adopted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

MAYOR'S OFFICE,
ROCHESTER, Oct. 11, 1886. }

Gentlemen of the Common Council:

Ald. Swikehard's resolution authorizing the committee on police patrol system to purchase an additional team of horses for said system, at an expense not exceeding \$600, is hereby returned disapproved. No necessity now exists for this increased expenditure of money and as the same would result in placing an additional burden upon the taxpayers, and cause an increase of expense in other directions, I deem it best to place the seal of disapproval early upon it. I trust that the police patrol system will prove to be a benefit rather than a burden upon the public. Properly and systematically conducted, it should be productive of good results and should have a tendency to strengthen the branch of a most important department of our city government. The requirements of Rochester in this direction ought not to be misunderstood. We are not a riotous city, and only in cases of extreme emergency should the horses of the patrol department be driven in an excessive manner. With proper care and good judgment we shall be able to get through the year with the one team already purchased, and without a further extension of the system or an expenditure of a much greater amount than was originally intended. To this end it is our duty to direct our efforts.

CORNELIUS R. PARSONS, Mayor.

Ald. Kelly moved that the matter be referred back to the Police Committee and Police Commissioners to report back to the Board at the next meeting. Adopted.

By the Clerk—

MAYOR'S OFFICE,
ROCHESTER, October 11, 1886. }

Gentlemen of the Common Council:

On the 10th day of March, 1885, your board adopted an ordinance (No. 2,747) for the sprinkling of Prince street from East avenue to East Main street. Among the property included in the assessment was the Female Academy of the Sacred Heart, and the said assessment was legalized by the confirmation of the assessment roll by your board on the 12th day of January, 1886. The property in question has a frontage of several hundred feet, and is for the most part vacant, while the academy building is some distance from the street and, standing as it does upon elevated ground, receives little or no benefit from the sprinkling of the street, and to have levied a tax for the same, I can but feel was unjust and ill-advised. The institution is a credit and an honor to the city, and for its many works of benevolence and charity has become most justly celebrated, and it is therefore entitled to consideration and respect. This, however, it should have received in the first instance, and you should not now attempt to atone for the injustice perpetrated in the levying of the said sprinkling tax by the passage of an illegal resolution canceling the same. It has passed beyond the power of your board to thus rectify the error committed, and even if it be a fact that the Common Council has in previous years (as stated by your Assessment Committee) remitted like assessments, still that does not furnish an argument for now pursuing a similar course. The said resolution is therefore returned disapproved.

CORNELIUS R. PARSONS, Mayor.

The president stated the question to be: Shall the resolution stand as a resolution of the board,

notwithstanding the objections of His Honor, the Mayor? The resolution was lost by the following vote:

Ayes—Ald. Swikehard, Weider, Stein, Kelly, Schaeffer—5.

To the Common Council:

GENTLEMEN: The claim of Philip Schaad for damages on account of injuries sustained by his horse on Court street bridge, is herewith transmitted to you by order of the Executive Board.

If the matter be referred to the Law Committee, such facts and information as are in the possession of the Executive Board will be given your committee when the case is considered or investigated.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received and filed.

To the Hon. the Executive Board of the City of Rochester:

While driving across Court street bridge in this city, from east to west, about three o'clock in the afternoon, September 6th, 1886, my horse stepped through a defective plank in the bridge at the east end of the north side, causing the horse to fall down. I jumped, hurrying my back to a considerable extent. I was obliged to cut the planks in order to free the horse and get it out, and in so doing the horse's leg was severely strained. For all of which I respectfully submit to your honorable board that I should receive compensation in the sum of fifty dollars.

Dated September 17, 1886.

Respectfully,

PHILIP SCHAAD.

To the Common Council:

GENTLEMEN—The improvement of Hand street under ordinance No. 2986 is now in progress, and it has come to the knowledge of the Executive Board that there are some doubts as to whether the city of Rochester has ever obtained title to, or easement over certain lands included in the territory proposed to be occupied with said improvement. The matter having been presented to the City Attorney for an opinion in the premises, he has submitted the accompanying, which is submitted for your consideration, together with the recommendation from this Board, that the necessary proceedings be at once instituted to secure title to the necessary lands.

Respectfully submitted,

THOMAS J. NEVILLE, Clerk.

By the Clerk—Report of A. H. Martin, milk inspector, for September.
Ordered, received and filed.
By the Clerk—

To the Honorable the Common Council of the City of Rochester :

A claim has been presented to your honorable body by one Wilbur F. Flint personally and as administrator of the estate of John E. Flint, deceased, the facts of which are as follows, viz.:

The Common Council of the city in 1865 directed the improvement of Oak street, and assessed the property holders for the payment of such improvement. After the assessment had been made an attempt was made to collect the same, and an action was then brought to set aside the assessment as invalid and void, and this action was carried to the Court of Appeals by Hon. Geo. F. Danforth, the counsel for the Oak street property owners, and the assessment was finally declared void in 1882, and an order entered to that effect about September 9, 1882.

That under said assessment of 1865 John E. and Edward Flint, owners of property on the west side of Oak street, whose property was assessed to pay a tax of \$562.06; that they did pay on January 17, 1866, \$229.60; that we have brought several actions against the city to recover moneys paid on the old Oak street assessment, and of which involve the same questions as the one now presented for your consideration, namely : Sylvester Trimmer as assignee of John Donaldson against the city of Rochester, payment \$108.24, recovered \$230.02; Jeremiah King vs. city, \$429.62; Nicholas Kehoe vs. city, \$323.97; Stocking against city, \$461.95, and several others all having the same questions of laws as the present one contains.

And we may further state that Mr. Beckley, the then City Attorney, made a test case of the first one tried, which was Orrin Harris against the city, in which case Mr. Harris was unsuccessful.

We may say that there are twelve cases that have been prosecuted, and in all of these cases which were in my charge the city has not been successful in one.

We therefore ask your honorable body to pay the claim of Wilbur F. Flint as administrator, etc., which consists of \$229.60, with interest from January 18, 1866.

All of which is respectfully submitted.
Respectfully yours, etc.,
TURK & BARNUM,
Attorneys for W. F. Flint.

Ordered received, filed and published and referred to the Law Committee.

ROCHESTER, N. Y., Oct. 19, 1886.

To the Honorable the Common Council of the City of Rochester :

GENTLEMEN—We, the undersigned committee of the Socialistic Labor Party, Section Rochester, respectfully ask the Honorable Common Council of this city for the permission, and under what condition we can use the meeting room of the City Hall, on Thursday evening, October 28th. The object will be "Social Problems," explained from a scientific point of view. Admission free of charge.

Yours respectfully,
C. LUEDECKE,

By Ald. Bohr r—Resolved, That the following improvement is necessary, viz:

The widening of Hand street by taking a strip of land on the southerly side thereof, beginning at the westerly line of lot No. 22 of the Gorham tract and extending to Clinton street, in a line parallel to the already established line on the northerly side of said Hand street, making the street of a uniform width of forty-five (45) feet from North St. Paul street to North Clinton street.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Hand street, from North St. Paul street to North Clinton street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, Nov. the 2d, 1886, at 7:30 o'clock, at the Council Chamber, when allegations will be heard.

Adopted.

BOULEVARD IMPROVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of the staking out of the Boulevard and the turnpiking and the gutter formation of the same.

Adopted.

The Surveyor submitted as such estimate, \$550.
By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The staking of the Boulevard and the turnpiking and gutter formation of the same from Driving Park avenue to the south line of the Lake Avenue Association lands.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the

whole expense thereof, and reports the same at \$550, which estimate is hereby approved;

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of the Boulevard, from Driving Park avenue to the south line of the Lake Avenue Association lands.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880 of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, Nov. the 2d, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

DEEP HOLLOW CREEK CULVERT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a culvert on Deep Hollow Creek, across Locust street, with retaining walls and other improvements necessarily connected therewith.

Adopted.

The Surveyor submitted as such estimate, \$3,500.
By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a stone culvert on Deep Hollow Creek, across Locust street, with the required retaining walls at the ends of the said culvert; also, the necessary roadway and sidewalk grading and plank sidewalk construction and railing, the filling in and embankment, with the required surface sewers and gutter formation on the approaches for Locust street, to the culvert on Deep Hollow Creek, also, the aforesaid, it being understood and expressly provided that only so much of the filling in and embankments hereinbefore specified, shall now be done under this ordinance as may be necessary to make the crossing over the Deep Hollow Ravine safe and convenient for public use.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$3,500, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Locust street, from Fulton street to Thrush street; also, one tier of lots on each side of Thrush street, from Perkins street to Locust street, and the extended south line of said Locust street, including the lots on the southwest and southeast corners of Thrush street and Perkins street; also, one tier of lots on each side of Emerson street, from the Erie canal to the western line of the city.

And further Resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll, one-third of the amount within one year from the confirmation of said roll, and the remaining one-third within two years from the confirmation of said roll; and the sums paid prior to the maturity of the said last installment, a discount will be allowed at 6 per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, November the 2d, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

CULVER ROAD PIPE SEWER.

By Ald. Marson—Resolved, that the City Surveyor ascertain and report to this Council the expense of the construction of a vitrified pipe sewer in the Culver road.

Adopted.

The Surveyor submitted as such estimate, \$3,100.
By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer twelve (12) inches in diameter in the Culver road, from a point at or near that at which the said road is intersected by the Nichols park and Monroe avenue outlet sewer ditch, to connect with the existing sewer in the said Culver road extending northward from Park avenue, with the required manholes, overflows, surface sewers, lot laterals and connections; also the necessary roadway grading and gutter formations.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$3,100, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

All the territory included within and described by the following boundary lines, viz:

Beginning at the intersection of the Culver road with

the Erie canal, thence northerly along the Culver road to Park avenue; thence westerly to the rear of the lots fronting on the Culver road, excepting the lot on the southwest corner of the Culver road and Park avenue; thence southerly to Sibley street; thence westerly along Sibley street, and including one tier of lots on the north side thereof, to Bates street; thence still westerly to a point on Goodman street midway between Harvard street and Brighton avenue; thence northerly along Goodman street, and including one tier of lots on the east side thereof, to a point fifty (50) feet south of Park avenue; thence southerly along Goodman street, and including one tier of lots on the west side thereof, to Brighton avenue; thence westerly along Brighton avenue, and including one tier of lots on the north side thereof, to Meigs street; thence northerly along Meigs, and including one tier of lots on the east side thereof, to Park avenue; thence southerly along Meigs street, and including one tier of lots on the west side thereof, to Tracy park; thence westerly along Tracy park, and including one tier of lots on the north side thereof, to a point one hundred and fifty (150) feet east of Alexander street; thence easterly along Tracy Park, and including one tier of lots on the south side thereof, to Meigs street; thence southerly along Meigs street, and including one tier of lots on the west side thereof, to Monroe avenue; thence westerly along Monroe avenue, and including one tier of lots on the north side thereof, to Averill avenue; thence southerly along Averill avenue to Pearl street; thence easterly along Pearl street, and including one tier of lots on the south side thereof, to Meigs street; thence southerly along Meigs street, and including one tier of lots on the west side thereof, to Broadway; thence northerly along Meigs street, and including one tier of lots on the east side thereof, to Pearl street; thence easterly along Pearl street, and including one tier of lots on the south side thereof, to Edmonds street; thence southerly along Edmonds street, and including one tier of lots on the west side thereof, to a point one hundred and fifty (150) feet south of Pearl street; thence northerly along Edmonds street, and including one tier of lots on the east side thereof, to Pearl street; thence easterly along Pearl street, and including one tier of lots on the south side thereof, to Goodman street; thence southerly along Goodman street, and including one tier of lots on the west side thereof, to the Erie canal; thence easterly along the Erie canal to the place of beginning.

And further Resolved, That the tax-payers to be assessed for making such improvement, may pay their assessment in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed of six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, section 172 of the Revised Charter of 1880, of the city of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, Nov. 2d, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

FINAL ORDINANCES.

FINAL ORDINANCE, NO. 3,056.

STEWART STREET EXTENSION.

On motion of Ald. Bohrer the Board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing—

Ald. Bohrer submitted the following:
An ordinance to open Stewart street, from the present west terminus thereof to Carter street.

The Common Council of the city of Rochester do ordain and determine that the following improvement be made, to wit:

The opening of Stewart street, from the present west terminus thereof to Carter street, the width of the extended street to be forty-eight (48) feet, with lines in the direct prolongation of those of the said Stewart street now opened from North avenue westward.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby.

And the portion of said city which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lot on each side of Stewart street, from the present west terminus thereof to Carter street.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of

land to be in proportion to the benefit which each derives therefrom.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Kelly, Schaeffer—2.

FINAL ORDINANCE NO. 3,057.

OPENING A NEW STREET FROM SHERMAN STREET TO ANGLE STREET.

On motion of Ald. Bohrer, the Board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing—

Ald. Bohrer submitted the following:

An ordinance to open a new street from Sherman street to Angle street.

The Common Council of the City of Rochester, do ordain and determine that the following improvement be made to wit:

The opening of a street from Sherman street to Angle street by taking a strip of land forty (40) feet wide from the east end of lot numbered from twenty-three (23) to twenty-six (26) both inclusive, on what is known as the Jones tract in the eleventh (11th) ward.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby.

And the portion of said city which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on each side of the proposed street from Sherman street to Angle street.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Bohrer, Kelly, Schaeffer—14.

The final ordinance for Locust street bridge reconstruction came up and on motion of Ald. Selye action was indefinitely postponed.

The final ordinance for Acme street sewer came up, and on motion of Ald. Kelly action was indefinitely postponed.

FINAL ORDINANCE NO. 3,058.

RAVINE AVENUE PIPE SEWER.

On motion of Ald. Marson, the board proceeded to hear allegations in relation to the improvement described in the Ordinance below:

After hearing such allegations from all persons appearing—

Alderman Marson submitted the following:

An ordinance to construct a pipe sewer in Ravine avenue from a point about 500 ft. west of Fulton avenue to intersect the sewer in Fulton avenue.

The Common Council of the city of Rochester, do ordain and determine that the following improvement be made, to wit:

The construction of a vitrified pipe sewer twelve (12) inches in diameter in Ravine avenue beginning at a point about five hundred (500) feet west from Fulton avenue and extending to intersect the sewer in the aforesaid avenues, with the necessary manholes, surface sewers, lot lateral and connections; also the required roadway grading and gutter formation.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor under the direction of this Council, having made an estimate of such expense, and reported the same at \$1,050 and said estimate being deemed reasonable is hereby approved; and the portion of said city which said Common Council deem will be benefited by said improvement is described as follows:

Joseph Field was named by—

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Bohrer, Kelly, Schaeffer—14.

Joseph Field was declared appointed Constable of the Fifth Ward.

MISCELLANEOUS BUSINESS.

By Ald. Coughlin—Whereas, A recovery was had by Amelia and Thomas H. Groves against the city, June 3, 1885, by a judgment of the Supreme Court, for \$20,548.50 damages and \$70 costs, together amounting to \$20,618.50, and on February 3, 1886, by a judgment of the same court, \$81.50 additional costs on the appeal taken to the General Term, and the further sum of \$30 costs in the appeal to the Court of Appeals also accrued, and the total amount due with interest on October 5, 1886, when the same was paid amounted to \$22,339.60.

And, Whereas, the said recovery was had for injuries alleged to have been sustained by said Amelia Groves, the wife of said Thomas H. Groves, by falling into a trench excavated for water mains on North St. Paul street on the evening of November 11, 1882, and which trench, as found by the verdict of the jury, was negligently left open and unguarded by either lights or obstructions; and

Whereas, Mr. John N. Beckley, the late City Attorney, in a letter to the present City Attorney, Mr. Powers, which was referred to the Common Council for its consideration, stated that "the records of the Executive Board show that the contract for the laying of the water main in the street was awarded to a contractor on November 10, 1882, and the contract was executed and the customary bond given on the 24th day of November, 1882," and not until after said accident had occurred, although the trench was excavated, as appeared by testimony of Mr. Tubbs, chief engineer of the Water Works, under his direction and supervision, and that what he did was done by direction of the Executive Board; and

Whereas, It would seem that by reason of the contract, and especially the bond required to be executed and to accompany it, not having been executed and delivered before said trench was excavated and said injury occurred, the city has no other person to resort to for indemnity than the contractor, or some other person by whom, or under whose supervision, said trench was excavated, and the likelihood of recovering and collecting by the city from him or them is somewhat doubtful; it is, therefore, hereby

Resolved, That a committee of three be appointed by the president of the board to exam-

ine into, investigate and ascertain concerning the cause or reason of the failure to have executed, before said trench was excavated and the work begun, from the said contractor, the execution of the contract, and also the execution and delivery of a good and sufficient bond to accompany said contract, by which the city would have been indemnified and protected against any damages sustained by said trench being left open and unguarded, and also to ascertain what course should be pursued in the future whereby the city will be protected from being compelled to pay damages by reason of similar or other acts on the part of contractors. And the said committee of three are requested to make a report of the matters referred to them to the Common Council with all convenient speed. Adopted.

Ald. Marson moved that the action on the report of the Committee on Opening and Alteration of Streets in the matter of changing the name of Favor street be reconsidered. Adopted.

Ald. Marson moved that the matter be indefinitely postponed. Adopted.

By Ald. Marson—Resolved, That the Lamp Committee be authorized and directed to place three electric lights at Plymouth park and displace sixteen gas lights; also one electric light at the corner of Spring and Fitzhugh streets and displace five gas lights. Referred to the Lamp Committee.

By Ald. Watson—Resolved, That the Executive Board be authorized and requested to negotiate for the purchase of lands necessary to be taken for the widening of Euclid street, from Elm park to Chestnut street, as contemplated by the final ordinance No. 3,037, passed by the Common Council Sept. 21st, 1886, and report the result of their negotiations to this board at the next regular meeting. Adopted.

By Ald. Watson—Whereas, At least two-thirds of the owners of property on Chestnut park have, by an instrument in writing filed in the office of the Executive Board, agreed to have laid in front of their respective lots a Schillinger patent cement walk eighteen inches from the curb and on a grade with said curb, except that on the west end of said street said walk shall, on both sides of said street, begin on a grade with Chestnut street and run easterly on a straight line to a point coincident with the rear end of the main part of Louis Ernst's house and twelve inches above said curb, whence said walk shall continue to run easterly to a point coincident with the rear end of Louis Ernst's lot and even with said curb;

And, whereas, the Executive Board have given the said owners permission to lay said walk under the direction of the City Surveyor, who has established the grade of said walk in conformity with said agreement:

But, whereas, the Executive Board have no legal authority to establish or alter the grades of streets;

Therefore, resolved, that the said grade established by the City Surveyor, in pursuance of the action of the Executive Board and in conformity with the terms of said agreement be and the same hereby is the grade of the walk of said Chestnut Park. Adopted.

Ald. Elliott moved that the kerosene, gas and electric light contractors be notified that unless they live up to their contracts the same will be cancelled. Adopted.

Ald. Elliott moved that the matter of build-

ing a stairway to the Pinnacle avenue bridge be referred to the Executive Board.

Ald. Elliott moved that the Executive Board be requested to lay gravel on the roadway on East avenue in place of the substitute now laid. Adopted.

By Ald. Elliott—Resolved, By the Common Council, that Aids. Elliott, Mandeville, Welder, Watson, Marson, and Schaeffer be constituted a special committee to consider the proposal of Ellwanger & Barry to donate lands to the city for a public park, and to report their conclusions at the earliest practicable date. Adopted.

By Ald. Selye—Petition of J. Marsden Fox for permission to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

Ald. Selye gave notice that at the next meeting of the Council he should introduce a penal ordinance requiring that the bells on the locomotives of the New York Central railroad be rung when within 300 feet of State street crossing.

By Ald. Swikehard—Resolved, That the Executive Board be authorized and requested to negotiate for the purchase of lands necessary to be taken for the opening of a street from Sherman street to Angle street, as contemplated by ordinance 3,057, and report the result of such negotiation to this Board. Adopted.

Ald. Kelly moved that the clerk advertise that allegations on ordering an assessment will be heard at the next meeting for the opening of a new street from Clifford street to Norton street. Adopted.

ROCHESTER, N. Y., Oct. 18, 1886.

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN: I herewith remonstrate against the erection of a wood building on lot, house No. 436 North St. Paul street, owned by Mrs. E. Callaban, as there are two houses on one lot now.

HENRY REIBSTEIN.

Referred to the Wood Building Committee and Fire Marshal to report back to this board.

Ald. Weider moved that action on final ordinance, for Goodman street plank walk, No. 3,409, be reconsidered. Adopted.

Ald. Weider moved that the ordinance be amended so that the words "northeasterly" be substituted for southerly in the ordinance for the plank walk on Goodman street. Adopted.

Under the rule further action was postponed two weeks.

By Ald. Kelly—

To the Honorable Common Council of the City of Rochester:

GENTLEMEN—Your committee appointed for the revision of the penal ordinances, hereby give notice that at the next regular meeting of your honorable body, the following ordinances will be presented for passage: One relating to cartmen, public porters and drivers of baggage wagons or other vehicles for the carrying or transportation of merchandise, or other property for hire within the city of Rochester, insofar as the same relates to the licensing of the same; the qualifications of such person or persons; the form, nature and amount of security to be given as a condition for such a license; the proof of qualification of applicants for such license; the requiring of all such persons to obtain license; the names and numbers of persons to be painted on the carts or other vehicles used by them; the government of such persons; the fees allowed to be charged by such person or persons; the prohibiting of the receipt or demand by such person or persons of fees greater than are allowed in the ordinance; the duties and liabilities and con-

duct of such person or persons; the license fee to be charged and paid therefor; providing for the revocation of such license or licenses; the penalties to be attached to the violation of the several sections and provisions, and the duration and nature of imprisonment for the non-payment or non-collection of judgments and executions thereon recovered for such penalties, and the time when such ordinances shall take effect.

Also, an ordinance relating to hackney coaches, cabs, and carriages for hire within the city of Rochester, in so far as the same relates to the licensing of persons keeping and maintaining the same; the qualifications for such licenses, and the fee to be charged therefor; the requiring of all such persons to obtain license; the designation of the place or places where such coaches, cabs, and carriages may stand; also, where and how omnibuses of hotels should stand at the railroad depots; the manner and position of such coaches, cabs and carriages while standing or being upon the public streets, alleys, lanes, or places within the city; requiring drivers to be seated upon their cab, coach, or carriage, or to stand at the head of their animal or animals drawing the same, and the location of such vehicle upon such stand or stands; the prices and rates of fare allowed to be charged, and the territory applicable thereto, and the description and boundaries of such territory, prohibiting any greater rate of fare to be demanded or received; to provide for the numbering of such carriages, cabs, and coaches and the making of maps of territory and rates of fares and charges allowed to be charged; requiring the drivers to furnish upon demand to the person engaging him the names of the owner and the driver, and the number of the hack, coach or cab and to wear a badge and number; requiring persons selling the same to report such sales; the general conduct and government of such drivers and owners for the revocation of any license thus issued, duty of the Chief of Police to inspect all such carriages, hacks and cabs, the penalties to be attached to the violation of the several sections and provisions and the duration and nature of imprisonment for the non-payment or non-collection of judgments and executions issued thereon recovered for such penalties and the time when such ordinance shall take effect.

Also an ordinance relating to railroads within the city, regulating the rate of speed of any locomotive, engine, car or train of cars within the said city limits; prohibiting the sounding of whistles thereof within said limits; prohibiting the use of any public street, alley, lane or square within said limits in making up a train of cars, or switching off or on, or the loading or unloading of any car or cars, or the obstruction of any street, lane, alley or square by means thereof; requiring the cleaning of freight, stock and cattle cars; prohibiting getting on or off such cars, engines or locomotives while passing through the city limits while the same is in motion; prohibiting walking or being upon the elevated tracks or bridges of the New York Central & Hudson River Railroad Company, or the tracks or bridges of any other railroad company, within the city limits; the penalties to be attached to the violation of the several sections and provisions, and the duration and nature of imprisonment for the non-payment or non-collection of judgments and executions issued upon the same recovered for such penalties, and the time when such ordinances shall take effect.

Also an ordinance relating to the erection and removal of buildings, in so far as the same relates to the erection of wooden buildings, regulating the erection of buildings within the city limits, and the size and materials thereof, and the size and construction of the chimneys therein, the thickness of the walls thereof, the kind of mortar or cement used in the construction of such walls; the distance that party walls shall be placed in said buildings; the materials of which they shall be constructed; requiring iron shutters to be placed upon the outer doors and windows of buildings already constructed and upon such as shall be hereafter constructed, declaring buildings erected contrary to

the ordinance to be a common nuisance; and providing for the abatement or removal of such; the inspection of buildings now erected or may hereafter be erected and while in process of erection; providing for the arrest and stoppage to the erection of any building in process of erection which shall not conform to the ordinance or regulation until the same shall be conformed thereto; requiring the owners and occupants of houses and buildings to have scuttles on the roofs of such houses and buildings, and stairs or ladders leading to the same; preventing or regulating the carrying on of manufactories calculated to cause or promote fires; and requiring the owners or occupants of all buildings wherein manufactories are conducted to construct suitable fire-escapes therefrom; and regulating the construction of safe deposits for ashes; the removal of any hearth, fire-place, stove, grate or other apparatus in which fire may be used, or any chimney, flue or other conductor of smoke that may be considered likely to cause or promote fire; and compel the cleaning of chimneys, flues and all other conductors of smoke; and upon the neglect of any owner or occupant of any building to clear the chimneys, flues, or other conductors of smoke therein, or to construct such deposits or fire escapes, or to make the removals and to provide for causing such removals to be made and such chimneys, flues, or other conductors of smoke to be cleaned or such fire escapes to be constructed, and to provide for collecting the expense thereof, and ten per cent. of an addition from the owner or occupant whose duty it was to have the same removed, cleaned or constructed, and to adopt such other regulations for the prevention and suppression of fires as may be deemed necessary, and to regulate the removal of any building through any public street, alley, lane or place within the City of Rochester; and regulating stoves erected or used in any building; and regulating the location of such stoves, and any pipes thereof; and to provide for the penalties attached for the violations of the several sections and provisions and duration and nature of imprisonment for the non-payment or non-collection of judgments and executions issued upon the same recovered for such penalties and the time when such ordinance shall take effect.

All of which is respectfully submitted.

Dated Rochester, N. Y., Oct. 18, 1886.

J. MILLER KELLY,
GEO. B. SWIKEHARD,
W. H. MARSH,
Special Committee.

IN COMMON COUNCIL.

AN ORDINANCE RELATING TO MARKETS.

The Common Council of the City of Rochester, do ordain as follows:

SECTION 1. No person, except such as may from time to time be licensed by the Common Council to sell meat, shall sell any fresh meat within the city (venison, wild game, pork in the hog, poultry, and offals of hogs, consisting of fat, ears, snouts and spare ribs, sold by persons being packers of pork, excepted), under a penalty and fine of ten dollars for each offence.

§ 2. No person, except as hereinafter provided, shall, by himself, his agent or servant, sell or expose for sale in the city, any lamb, mutton, veal, beef or other meats, (venison, pork in the hog, wild game, poultry, dried, smoked and other cured meats excepted), at any other place than at the place designated in his license, and any person who shall violate the prohibitions in this section, shall forfeit and pay a penalty of and be fined ten dollars for each offence.

Nothing, however, contained in either of the two preceding sections shall prevent the sale within the city of fresh and wholesome meats by the quarter, by farmers who have raised or fattened the same upon their own farms.

§ 3. Every license granted under this ordinance shall expire on the first day of July next after the license shall be granted.

§ 4. No person shall sell or expose for sale at retail in the city of Rochester, any unwholesome, stale, emaciated, blown, stuffed, tainted, putrid or dis-

ceased meat, poultry, fish or provisions, nor any poultry not drawn and perfectly dressed, except it be alive, nor any live or slaughtered calf or calves, nor the veal or flesh of any calf or calves, unless such calf or calves, if alive, shall be at least four weeks old, or if slaughtered, shall have been at least four weeks old before having been so slaughtered, under the penalty and fine of fifty dollars for each offence; and the meat, poultry, veal, fish, and provisions so exposed for sale and herein prohibited, may upon view by the Meat Inspector be seized and destroyed; and it shall be his duty so to seize and destroy the same, and to report to the City Attorney the name of any person violating the provisions of this section for prosecution.

§ 5. No person shall sell or deliver within the City of Rochester, impure, adulterated or watered milk, under a penalty of ten dollars for each offence. And no person shall bring into said city, for sale or delivery therein, milk in fifty or unwholesome cans or other vessels, under a penalty and fine of ten dollars for each offence.

§ 6. All meats sold by weight shall be weighed by weights sealed by the city sealer, within the preceding six months, under penalty of five dollars for each offence.

§ 7. Every person licensed to sell meat shall keep inside of his locker, and the table of his stall or standing, and the place where his meats may lie, clean and free from filth and dirt, and shall also keep clean the floors of his market house, under the penalty and fine of five dollars for each offence; and the Meat Inspector shall have access at all times to any market house, under the penalty and fine of five dollars, to be paid by any person who shall refuse such access.

§ 8. No person shall, for a longer space of time than ten minutes, expose or suffer, or cause to be exposed, or remain in any street or upon any sidewalk, road or alley, or in front of any market in the city of Rochester, any lamb, sheep, calf, or any other animal; nor shall any person bring to market or expose for sale any lamb, sheep, calf or poultry, except in a box, rack or guard so that such animal may stand erect, under a penalty and fine of five dollars for each offence.

§ 9. No person shall build, make or use, or cause or permit to be built, made or used, any slaughter-house within said city, without permission from the Common Council, under a penalty and fine of fifty dollars for each offence.

§ 10. A copy of this ordinance (to be furnished by the City Clerk) shall be fastened up in a conspicuous place in each licensed market in the city; and any person who shall intentionally deface, destroy or remove the same, shall forfeit and pay a penalty of ten dollars for each offence.

§ 11. The Meat Inspector shall, at the first meeting of the Common Council in January, April, July and October render to the Common Council a report of the number of outstanding leases and licenses for the sale of meat, the persons to whom granted, or then holding the same, the amount of rent raised therein and due thereon, the amount reserved during the previous quarter.

§ 12. The stands for the sale of hay, fodder, straw and wood, shall be designated and appointed by the Executive Board. No person shall stand or wait with any wagon, sled or other vehicle loaded with hay, straw or wood, at any other place in said city than the stands so designated, under a fine and penalty of five dollars for each offence.

The Street Superintendent shall have the regulation and control of such stands, and all persons having charge of teams thereon, shall place the same in such positions as he shall direct, under a fine and penalty of three dollars for each offence.

§ 13. Every execution issued upon a judgment recovered for a violation of this ordinance, or any provision thereof, except as is hereinbefore otherwise specially provided, shall command the amount to be made of the property of the defendant, if any such can be found, and if not, then to commit the defendant to the Monroe county penitentiary and any person violating any provision of this ordi-

nance and failing to pay the penalty and fine imposed therefor, shall be imprisoned in said Penitentiary for a term of not exceeding one hundred days.

§ 14. This ordinance shall take effect immediately.

Ald. Fritzsche presented a communication from Max Moll in regard to the erection of a wood building on University avenue.

Ald. Kelly presented the following:

By Ald. Kelly—

ROCHESTER, N. Y., Oct. 18th, 1886.

To the Honorable the Common Council:

GENTLEMEN: We the undersigned property owners and tax payers of the Fourteenth ward, hereby remonstrate against the erection of a frame dwelling, about to be erected by Mr. Moll at No. 11 University avenue, and we pray your Honorable Body to prevent the erection of said building, for reasons hereinafter set forth, viz.: That M. Garson of this city is the owner of the property adjoining Mr. Moll's on the west, his lot being 50 feet front, and the house being a new double brick dwelling, and the erection of a frame dwelling exactly on the line dividing these two lots in question, will increase M. Garson's insurance rates largely, besides shutting off the light on the east side, and otherwise causing a large depreciation in the value of his property. Also that the location of the property herein described is so central and the space between the buildings so limited, in our opin-

ion safety demands the erection of a brick building instead of frame.

Very respectfully submitted,
MOSES GARSON,
T. MEYER,
D. M. GARSON.

Ald. Fritzsche moved to reconsider the action referring the petition to the Wood Building Committee and fire marshal. Adopted.

By Ald. Fritzsche—Resolved, That Max S. Moll be allowed to erect a wood building on his lot on University avenue, in accordance with the prayer of his petition heretofore presented to this board.

Ald. Watson moved that the resolution lie on the table until the meeting week. Lost.

Ald. Fritzsche's resolution was then adopted.

By Ald. Foley—Petition of Thomas Mahoney to erect a wood building, and moved permission be granted. Adopted.

By Ald. Selve—Remonstrance against the opening of Mason street. Referred to the Committee on Opening and Alteration of Streets.

Ald. Weider presented the petition of Eliza Ann Nicholson for remission of taxes. Referred to the Assessment Committee.

REPORTS OF STANDING COMMITTEES.

By Ald. Marson—

To the Common Council:

GENTLEMEN—Your Committee on Wood Buildings, to which was referred the petition of John McCruden for permission to erect a barn on Magnolia street, do hereby report that they have examined the location of the proposed barn and can see no reasonable objection to the erection of said building.

Your committee, therefore, recommend that the prayer of the petitioner be granted.

C. STEIN,
GEO. B. SWIKEHARD,
W. H. MARSON,
HENRY KOHLMETZ,
C. J. SHAEFFER,
 Committee.

Adopted.

By Ald. Fritzsche—

To the Common Council:

GENTLEMEN: Your Committee on Opening and Alteration of Streets, to which was referred a petition to change the name of Culver park to Rundel park, do hereby report that upon examination we find that there are two separate and distinct streets, lying at right angles to each other, that are called Culver park, thereby causing great inconvenience and annoyance to the residents of both parks. The committee therefore report favorably on the prayer of the petitioner, and submits the accompanying resolution and recommend the adoption thereof.

LOUIS BOHRER,
FRANK FRITZSCHE,
WM. H. MARSON,
DEVILLO W. SELYE,
CHRISTIAN STEIN,

By Ald. Coughlin—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing plank sidewalks on Frankfort street.

Adopted.

The Surveyor submitted as such estimate \$375.

By Ald. Coughlin—Resolved, That the following improvement is necessary, viz:

The construction of a plank sidewalk three (3) feet wide on the west side of Frankfort street, from the south line of the sidewalk on the south side of Jay street, and extending one hundred and thirty-four (134) feet south of the south line of Brown street. Also, the construction of a sidewalk of the same kind and width on the east side of the said Frankfort street, beginning at the north line of the sidewalk on the north side of Brown street, and extending northward for the distance of four hundred (400) feet, the outer lines of the sidewalks named being located on the lines of Frankfort street. Also the necessary crosswalks, sidewalk grading and gutter formation.

And whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense in roof and reported the same at \$375, which estimate is hereby approved.

Resolved further; That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on the west side of Frankfort street, from Jay st. to a point one hundred and thirty-four (134) feet south of the south line of Brown st. Also, one tier of lots on the east side of Frankfort street, which abut on the proposed sidewalk on that side of the street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII Section 172, of the Revised Charter of 1880 of the city of Rochester that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, Nov. the 2d, 1886, at 7:30 o'clock at the Common Council chamber, when allegations will be heard.

Adopted.

Ald. Mandeville asked for and obtained unanimous consent to present a penal ordinance relating to nuisances, public peace and good order, riots, disturbances and disorderly assemblages, vagrants, mendicants, street beggars and persons soliciting alms or subscriptions, hawking or peddling, horse-racing and immoderate driving or riding, privies and other offensive or unwholesome houses or places, and the removal, cleansing and abatement of the same, bathing in public waters, and the preservation of public health and the cleanliness of the same.

Receiving unanimous consent Ald. Mandeville presented the following:

AN ORDINANCE relating to nuisances, public peace and good order; riots, disturbances and disorderly assemblages; vagrants, mendicants, street beggars, and persons soliciting alms or subscriptions; hawking and peddling; horse racing, and immoderate driving or riding; privies and other offensive or unwholesome houses or places and the removal, cleansing and abatement of the same; bathing in public waters and the preservation of public health and the cleanliness of the city.

The Common Council of the City of Rochester do ordain as follows:

SECTION 1. No person shall make, aid, countenance or assist in making any riot, noise, disturbance, false alarm of fire, or improper diversion in any of the streets, lanes, alleys or other public places, or on any public or private premises, or

elsewhere in the city of Rochester, to the annoyance or disturbance of any of the citizens or travelers or others, under a penalty of and be fined not less than two dollars nor more than five dollars for each offense.

Section 2. No person shall sound any gong in the street, or in any alley, upon any sidewalk, or upon any piazza, balcony, steps or platform adjoining any sidewalk or street in the city of Rochester, under a penalty of and be fined ten dollars for each offense.

Section 3. No tenant or occupant of any dwelling in the city of Rochester shall permit any gong to be sounded upon any street, alley or sidewalk, or upon any piazza, balcony, stoop, step or platform adjoining any street or sidewalk in said city, under a penalty of and be fined ten dollars for each offense.

Section 4. No person shall carry and use upon any wagon while passing along or being upon any street, lane or alley in the city of Rochester any gong similar to that used on trucks and engines of the fire department of the city of Rochester, under a penalty of and be fined five dollars for each offense, except that the provisions of this section are hereby declared not to apply to any wagon, truck or cart used as a part of the police patrol system, or the fire department, nor to any wagon used by any officer of the police or fire department of said city while engaged in the discharge of their duty as such officers.

Section 5. No person shall scatter or distribute any cards, dodgers, advertisements, or any printed matter whatever, other than periodical publications, in or upon any of the public streets, lanes or alleys within the city of Rochester, or sidewalks of said city, to the annoyance of any person, under a penalty of and be fined five dollars for each offense.

Ald. Coughlin moved that section 6 be laid on the table for future consideration. Adopted.

Section 7. No person shall drive or ride, or cause or suffer to be ridden or driven an, horse, mare, gelding or other animal, in, upon or through any public street, lane or alley of the city of Rochester, [except East avenue and Lake avenue between the hours of 3 and 6 p. m., from the 15th day of December to the 15th day of March] at a speed exceeding six miles per hour, under a penalty of and be fined ten dollars for each offense.

Section 8. No person or persons shall ride or drive, or cause to be ridden or driven, any horse, mare, gelding, or other animal, upon or over any of the bridges within the city of Rochester, excepting the bridge over the Genesee river on Main street, or over the crosswalk of any street, lane or alley in said city, faster than a walk, excepting the fire department in case of an alarm of fire, under a penalty of and be fined five dollars for each offense.

Section 9. Every owner of every inhabited lot within the city of Rochester, and the occupant of every such lot, when the owner thereof is a non-resident, shall provide and keep upon such lot a convenient privy, with a vault at least four feet deep, or a suitable water-closet, under a penalty of and be fined five dollars for every twenty-four hours any violation of this ordinance shall be continued.

Section 10. No tub, box or other receptacle, nor the contents thereof, shall be removed from any privy within the city of Rochester, except between the hours of eleven at night and three in the morning, from the first day of May to the first day of October in any year except by some odorless process, under a penalty of and be fined twenty-five dollars for each offense; nor shall any person, under a like penalty, empty or deposit the contents of any such tub or receptacle out of any privy into any place within the limits of the said city, or in, upon, or into any public street, alley, lane, canal or public square, or into the river, except at the places designated therefor by the Mayor or Board of Health, under a penalty of and be fined fifty dollars for each offense.

Ald. Elliott moved that the ordinances be

referred back to the Committee on Ordinances. Lost by the following vote:

Ayes—Ald. Elliott, Weider, Kelly—3.
Nays—Ald. Coughlin, Marson, Watson, Fritzsche, Foley, Mandeville—6.

Section 11. It shall be the duty of such person as may be specially authorized for that purpose by the Board of health of the City of Rochester to enter into and upon, and examine any lot, yard, building, cellar, alley, basin, slip, drain, vault, privy or any other place within the limits of the said city of Rochester; and if the same shall be found to be foul, incumbered with rubbish, damp, sunken or ill-constructed, or to contain any filth or other offensive substance or nuisance, to direct the removal of all such nuisance, filth or other offensive substance, or the cleansing or repairing of any drain, vault or privy, upon any such lot of ground or premises by the owner or agent of the owner, lessor, lessee or occupant of the same, within twenty-four hours after directions from the person authorized as aforesaid. And any person who shall refuse or neglect to comply with such directions, after such notice as aforesaid, shall forfeit and pay a penalty of and be fined twenty-five dollars for each offense.

Section 12. No person shall deposit, or cause to be deposited, any dead animal, fish or putrid meat, entrails, shells of oysters or clams, decayed fruit or vegetables, or the skin of any fruit or vegetables or any other filthy or offensive substance, in or upon any public street, lane, park or alley, or other public place, or on the surface of the ground in any lot, or in any canal, or any basin attached thereto, or in the Genesee river, except as herein provided, or in any mill race, or canal, or on any bank thereof, in the city of Rochester, or suffer any stagnant or filthy water, or any putrid or unwholesome meats, decayed fruits or vegetables, or other filthy or offensive substance, to remain on his or her lot, or in his or her house, or other building or cellar, or in or upon any boat in any canal, or in the Genesee river within the limits of said city under a penalty of and be fined not less than five dollars, nor more than twenty-five dollars for each offense, and the expense and charge which the said corporation shall or may incur in removing or abating such nuisance.

The Police Justice or any Alderman, the Executive Board or any member thereof, the Superintendent of Streets, or any person authorized by them, or either of them, or any policeman, may, at any time, enter into or upon any house, cellar, boat, lot or other place, and remove or abate such nuisance in such manner as shall be judged best. And every person obstructing or hindering such removal or abatement shall forfeit and pay a penalty and be fined twenty-five dollars for each offense.

Section 13. No person shall throw or place upon the sidewalk of any public street, lane, park, alley or other public place in the city of Rochester any banana, orange, lemon, apple, or any other fruit skin or peel, under a penalty of and be fined two dollars for each offense.

Section 14. No person shall fly a kite within the city of Rochester, under a penalty of and be fined two dollars for each offense.

Section 15. No person shall cast or throw any hide or skin, tanned or not tanned, out of any door or window of any building above the first story, fronting on any public street, lane or alley of the city of Rochester, or cause any such untanned hide to be suspended from or laid upon any post, or elsewhere, in any public street, lane or alley of such city, under a penalty of and be fined two dollars for each offense.

Section 16. No person shall cut, injure, deface, mar or tarnish any public or private building, electric or other wire, bridge, street sign, lamp, lamp post, or any property belonging to the corporation or any private person, nor any well, pump, fence, tree, awning, useful or ornamental improvement, within the limits of or public work in the city of Rochester, nor break any window or window glass in any private or public building, or place of worship in said city, nor aid or abet or assist

therein, under a penalty of and be fined ten dollars for each offense.

Section 17. No person shall carry on within the city of Rochester any business or manufactory of such a character, or in such a manner, as shall produce or cause such dense smoke, or such loud and disturbing noises as to be a nuisance; nor shall any person, in the process of any manufactory or business, or in any manner cause to be set afloat in the air, or scattered, or deposited upon any house or lands, or public street, lane or alley, within said city any cinders, or soot, dirt, dust, sawdust, shavings or other objectionable dirt, dust or matter so as to be a nuisance, and no person shall carry on any manufactory or business in said city of such a character or in such a manner as shall cause or produce disturbing noises in any of the public streets, lanes or alleys in or of the city, and every person who shall violate or offend against any of the provisions of this section shall forfeit and pay the penalty of and be fined fifty dollars for each offense, and the further penalty of and be fined fifty dollars for each and every day that such offense shall be continued after notice from any city officer to discontinue the same, or fined not less than ten dollars, nor more than one hundred dollars, or both.

Ald. Mandeville asked unanimous consent to introduce a penal ordinance relating to markets, slaughter houses, and the vending of wood, coal or other fuel, meats, vegetables, fruit, fish, poultry, milk, and provisions of all kinds. Unanimous consent being granted, **Ald. Mandeville** presented the following:

AN ORDINANCE relating to markets, slaughter-houses, and the vending of wood, coal, or other fuel, meats, vegetables, fruit, fish, poultry, milk and provisions of all kinds.

The Common Council of the City of Rochester, do ordain as follows:

SECTION 1. No person, except such as may from time to time be licensed by the Common Council to sell meat, shall sell any fresh meat within the city (venison, wild game, pork in the hog, poultry, and offals of hogs, consisting of fat, ears, snouts and spare ribs, sold by persons being packers of pork, excepted), under a penalty and fine of ten dollars for each offense.

§ 2. No person, except as hereinafter provided, shall, by himself, his agent or servant, sell or expose for sale in the city, any lamb, mutton, veal, beef or other meats, (venison, pork in the hog, wild game, poultry, dried, smoked and other cured meats excepted), at any other place than at the place designated in his license, and any person who shall violate the prohibitions in this section, shall forfeit and pay a penalty of and be fined ten dollars for each offense.

Nothing, however, contained in either of the two preceding sections shall prevent the sale within the city of fresh and wholesome meats by the quarter, by farmers who have raised or fattened the same upon their own farms.

§ 3. Every license granted under this ordinance shall expire on the first day of July next after the license shall be granted.

§ 4. No person shall sell or expose for sale at retail in the city of Rochester, any unwholesome, stale, emaciated, blown, stuffed, tainted, putrid or diseased meat, poultry, fish or provisions, nor any poultry not drawn and perfectly dressed, except it be alive, nor any live or slaughtered calf or calves, nor the veal or flesh of any calf or calves, unless such calf or calves, if alive, shall be at least four weeks old, or if slaughtered, shall have been at least four weeks old before having been so slaughtered, under the penalty and fine of fifty dollars for each offense; and the meat, poultry, veal, fish, and provisions so exposed for sale and herein prohibited, may upon view by the Meat Inspector be seized and destroyed; and it shall be his duty so to seize and destroy the same, and to report to the City Attorney the name of any person violating the provisions of this section for prosecution.

§ 5. No person shall sell or deliver within the City of Rochester, impure, adulterated or watered milk, under a penalty of ten dollars for each offense. And no person shall bring into said city, for sale or delivery therein, milk in filthy or unwholesome cans or other vessels, under a penalty and fine of ten dollars for each offense.

§ 6. All meats sold by weight shall be weighed by weights sealed by the city sealer, within the preceding six months, under penalty of five dollars for each offense.

§ 7. Every person licensed to sell meat shall keep inside of his locker, and the table of his stall or standing, and the place where his meats may lie, clean and free from filth and dirt, and shall also keep clean the floors of his market house, under the penalty and fine of five dollars for each offense; and the Meat Inspector shall have access at all times to any market house, under the penalty and fine of five dollars, to be paid by any person who shall refuse such access.

§ 8. No person shall, for a longer space of time

than ten minutes, expose or suffer, or cause to be exposed, or remain in any street or upon any sidewalk, road or alley, or in front of any market in the city of Rochester, any lamb, sheep, calf, or any other animal; nor shall any person bring to market or expose for sale any lamb, sheep, calf or poultry, except in a box, rack or guard so that such animal may stand erect, under a penalty and fine of five dollars for each offence.

§ 9. No person shall build, make or use, or cause or permit to be built, made or used, any slaughterhouse within said city, without permission from the Common Council, under a penalty and fine of fifty dollars for each offence.

§ 10. A copy of this ordinance (to be furnished by the City Clerk) shall be fastened up in a conspicuous place in each licensed market in the city; and any person who shall intentionally deface, destroy or remove the same, shall forfeit and pay a penalty of ten dollars for each offence.

§ 11. The Meat Inspector shall, at the first meeting of the Common Council in January, April, July and October render to the Common Council a report of the number of outstanding leases and licenses for the sale of meat, the persons to whom granted, or then holding the same, the amount of rent raised therein and due thereon, the amount reserved during the previous quarter.

§ 12. The stands for the sale of hay, fodder, straw and wood, shall be designated and appointed by the Executive Board. No person shall stand or wait with any wagon, sled or other vehicle loaded with hay, straw or wood, at any other place in said city than the stands so designated, under a fine and penalty of five dollars for each offence.

The Street Superintendent shall have the regulation and control of such stands, and all persons having charge of teams thereon, shall place the same in such positions as he shall direct, under a fine and penalty of three dollars for each offence.

§ 13. Every execution issued upon a judgment recovered for a violation of this ordinance, or any provision thereof, except as is hereinbefore otherwise specially provided, shall command the amount to be made of the property of the defendant, if any such can be found, and if not, then to commit the defendant to the Monroe county penitentiary and any person violating any provision of this ordinance and failing to pay the penalty and fine imposed therefor, shall be imprisoned in said Penitentiary for a term of not exceeding one hundred days.

§ 14. This ordinance shall take effect immediately.

Ald. Mandeville asked unanimous consent to introduce an ordinance relating to the storage of gunpowder and other combustible substances, and the sale and use thereof, and of firecrackers and fireworks manufactured or prepared therefrom, the exhibition of fireworks and the discharge of firearms. Receiving unanimous consent, Ald. Mandeville presented the following:

AN ORDINANCE relating to the storage of gunpowder and other combustible substances, and the sale and use thereof, and of firecrackers and fireworks manufactured or prepared therefrom; the exhibition of fireworks and the discharge of firearms:

The Common Council of the City of Rochester do ordain as follows:

Section 1. No powder shall be stored within the corporate limits of the city of Rochester, except within a building constructed of stone, brick or iron, which building shall stand and be at least 600 feet from any public street, highway, public place or building, and no powder shall be so stored unless consent to the storage thereof and to the place of

such storage shall be given by the Fire Marshal of the city of Rochester. Not more than 500 pounds of powder shall be stored, as herein provided, at any one time.

Section 2. No person shall, under a penalty and a fine of fifty dollars for each offense, keep upon sale in, or about any place or building within the corporate limits of the city of Rochester, any powder, or any of its products, without first having obtained a license therefor from the Common Council of the city of Rochester; and any person or persons who shall have obtained such license, may, under the direction of the Fire Marshal, keep on sale in such portion of the building or buildings owned and occupied by such person or persons, as the Fire Marshal shall designate, not more than one hundred pounds of powder at any one time. Such powder thus stored, shall be kept in a box constructed of boiler iron, which iron used in the construction of said box shall not be less than three-eighths of an inch in thickness, and which box shall be lined with wood or zinc. The cover of said box shall likewise be constructed of boiler iron of at least the thickness aforesaid, and shall be attached to said box, in such manner as to render said box, when closed, as nearly air tight as possible, which said box shall be kept securely locked, except when powder is being placed therein or taken therefrom. Said box shall be provided with iron wheels at least six inches in diameter, securely attached to the same in such manner as to enable said box to be readily moved from place to place.

Section 3. No license fee shall be charged to any person or persons to whom a license shall be duly granted, as herein provided.

Section 4. No nitro-glycerine, dynamite, giant powder, or other high explosive compounds or any combination or preparation thereof or of any of them shall be stored or kept on sale within the corporate limits of the city of Rochester, under a fine and penalty of fifty dollars for each offence.

Section 5. No person shall fire or set off or explode any gunpowder preparation, cracker, squib, rocket or firework, or fire any pistol, gun or cannon, or throw any fire-ball, or make any bonfire, or aid or abet therein, in any part of the city of Rochester, under a penalty and fine of five dollars for each offence. But this section may be suspended in any particular, and as to any person, in the discretion of the Mayor of said city.

Section 6. No person shall sell, or keep, or expose for sale any gun powder, or India or China or other firecrackers, rockets, or other preparations of gunpowder, within the limits of the city of Rochester, without a license from the Common Council of said city first being had or obtained, under a penalty and fine of twenty-five dollars for each offence.

Section 7. Any person who shall violate any of the provisions of sections one and two aforesaid, shall forfeit and pay a penalty of and be fined fifty dollars for each offence.

Section 8. Every execution issued upon a judgment recovered for a violation of this ordinance, or any provision thereof, except as is hereinbefore otherwise specially provided, shall command the amount to be made of the property of the defendant, if any such can be found, and, if not, then to commit the defendant to the Monroe County Penitentiary, and any person violating any provision of this ordinance and failing to pay the penalty and fine imposed therefor, shall be imprisoned in said Penitentiary for a term of not exceeding one hundred days.

Section 9. This ordinance shall take effect immediately.

No owner or possessor of any goose or geese, ducks or other fowls shall suffer or permit any such fowls to run or to be at large in any of the public streets, lanes, alleys or squares within the city of Rochester, under a penalty and fine of twenty-five cents for each fowl, etc., so running or being at large, for each offense.

Section 3. No dog shall be permitted to go abroad in any of the public streets, squares, lanes, alleys or public places within the limits of the city of Rochester without being led and securely confined by a chain or string, or properly muzzled, under a penalty and fine of ten dollars for each offense, to be recovered against the owner or possessor of such dog, or the person who harbored such dog within two days previous to the time of such dog being found so going abroad.

Section 4. The owner of every dog shall provide a collar for it, upon which his or her name shall be legibly printed or engraved, and cause the same to be worn by the dog whenever it is at large in any public street, lane, alley or square within the limits of the city of Rochester, under a penalty and fine of five dollars. Every unmuzzled dog found going abroad in any of said public streets or places in said city, between the first days of April and November in any year, may be seized, shot or killed by such persons as the Common Council shall designate for such purpose.

Section 5. Every execution issued upon a judgment recovered for a violation of this ordinance, or any provision thereof, except as is hereinbefore otherwise specially provided, shall command the amount to be made of the property of the defendant, if any such can be found, and if not then to commit the defendant to the Monroe County Penitentiary; and any person violating any provision of this ordinance and failing to pay the penalty and fine imposed therefor shall be imprisoned in said penitentiary for a term of not exceeding one hundred days.

Section 6. This ordinance shall take effect immediately.

The foregoing ordinance was adopted by the following vote ;

Ayes—Ald. Coughlin, Marson, Watson, Fritzsche, Foley, Selye, Mandeville, Weider—8.
Nay—Ald. Elliott—1.

MAYOR'S OFFICE,
ROCHESTER, NOV. 4, 1886. }

Peter Sheridan City Clerk:

Please call a special meeting of the Common Council for Friday, Nov. 5th, at 7:30 o'clock p. m.

Subject—Suggested changes in the rates, or in the use, of the telephone.

CORNELIUS R. PARSONS, Mayor.

By Ald. Foley—

WHEREAS, The Bell Telephone company of Buffalo, N. Y., for several years prior to 1883, conducted a telephonic exchange in the city of Rochester, and carried on its business by maintaining its wires and carrying them for the most part by means of standards placed upon buildings, under license of the owners thereof; and

WHEREAS, in 1883 the said company had established the method by which it charged for the rental of its telephones and the service therewith, to wit: by charging a fixed sum annually for the use of each telephone, and

WHEREAS, said company, prior to 1883, and subsequently till long after the action of the Common Council hereinafter referred to, held it out to the public in Rochester that it would supply telephones and the requisite service at a fixed price for each telephone per annum, and that the price charged at the outset of the business was larger than it would be, by reason of the small number of persons using the telephones; and, that the annual charge for each telephone would be reduced when the number of customers should be increased so as to warrant a reduction; and,

WHEREAS, Many, if not all, of the citizens who have contracted for the use of telephones, were induced by such representations to cause them to be placed in their residences and places of business; and,

WHEREAS, The value of such use to the public is dependent upon the number of persons having telephones, and the right of others to obtain the use of them; and the advantages of the company have been enhanced by the increase of the number of customers so obtained; and,

WHEREAS, The great extension of the business and use of telephones in Rochester has been effected by means of said inducement so held out to the public, and the same has been aided by the privileges obtained from the city of Rochester, granted for the express benefits to the public, and not for the benefit of said company; and

WHEREAS, By the very nature of the business, and by the changes of the methods of doing business by the citizens of Rochester, induced and created by the great increase in the number of persons making use of telephones, the necessity has arisen for every person in one calling to use the telephone if others in the same calling use them, thus rendering it impossible for any one feeling aggrieved by an extortionate increase of price to discontinue the use of the telephone unless others do the same; and

WHEREAS, The great increase in the number of customers of said company coupled with the reduction of its expenses, and great increase of its facilities by the privilege of using the streets of the city for its business, should equitably lead to a reduction of prices rather than to a change of

method which would increase the cost to the public; and

WHEREAS, In view of these facts and for the expected benefits to the public to flow therefrom, the said company applied to the corporation of the city of Rochester in 1883, to suffer and empower the said company to erect its poles in said city, and to erect and maintain them in the streets, and to carry its wires thereon, and such permission was granted with the expectation that such privileges would be used to the end of benefitting the public, and extending the business and enhancing the value of the use of telephones and of reducing rather than increasing the cost thereof; and

WHEREAS, The removal of the wires of the said company from the buildings of the citizens of Rochester has rendered it independent of the customers of said company, and by virtue of such independence the company claims to be in a position to dictate terms to such of its customers as are not inclined to submit thereto; and

WHEREAS, The said company has, since it has received such permission from the city of Rochester to erect poles in said city and through the streets thereof, and since it has so procured the extension of its business, radically changed its method of charging for the use of its telephones and the service therewith, and instead of reducing the burden upon and cost to the public, has thereby greatly increased the same, and in such a manner as to prove extortionate, in the view of the great body of its customers and of the Common Council; therefore

Resolved, That all and every privilege and license of every description, directly or indirectly granted to said company by this Common Council by its resolution passed at its meeting August 21, 1883, and all and every license and privilege directly or indirectly, or impliedly granted at any time by the Common Council or the corporation of the city of Rochester to the Bell Telephone Company of Buffalo, N. Y., to erect its poles in said city or to erect its poles in or through the streets of said city, or any part thereof, or to maintain the same in said streets or any part thereof be and the same is hereby revoked and abrogated.

The following was submitted and ordered received, filed and published:

Agreement made on this 20th day of July, 1884, between the Bell Telephone Company of Buffalo, N. Y., party of the first part, and the City of Rochester, a municipal corporation, party of the second part. Witnesseth, In consideration of the premises, and of one dollar by each of said parties paid to the other, said parties hereby agree as follows:

First—The party of the second part hereby grants to the party of the first part the right to place poles in the city of Rochester for the purpose of stringing thereon the wires necessary for the use of the party of the first part as a telephone company; such poles to be located by the superintendent of the fire alarm telegraph system of the party of the second part.

Second—In consideration of the foregoing, the party of the first part grants to the party of the second part the right to the use of all poles which have been erected and shall be erected by the party of the first part, for the purpose of stringing thereon the wires, and the placing thereon of the fixtures, of the Fire Alarm Telegraph of said party or the second part; the wires of the party of the second part now on the standards of the party of the first part located upon buildings or elsewhere, shall be allowed to remain during the pleasure of the party of the second part. Whenever the party of the first part removes the wires from standards on which are strung the wires of the party of the second part, said party of the first part, shall if requested so to do by the superintendent of the Fire Alarm Telegraph of the party of the second part, remove the wires of the party of the second part, and properly attach them to the poles to which the party of the first part shall remove its wires without expense to the party of the second part, on all poles that the party of the first part has erected, or may erect, the party of the second part shall have such room for the stringing of its wires and

the attachment of necessary fixtures as shall be necessary; such wires and fixtures to be placed above the wires and fixtures of the party of the first part, and the party of the first part shall, when requested so to do by the said superintendent of the Fire Alarm Telegraph, furnish and place poles along such streets as the said superintendent of the Fire Alarm Telegraph may designate for the use of the fire alarm system of the party of the second part.

Third—All poles erected by the party of the first part, or hereafter used by it, shall be straight and slightly.

In witness whereof, the parties aforesaid have hereunto set their hands and seals the day and year first above written:

[City Seal] CORNELIUS R. PARSONS, Mayor.
[Bell Telephone Seal]

THE BELL TELEPHONE CO., of Buffalo.
H. M. Watson, president,
H. C. Palmer, secretary.

By request M. W. Cooke submitted the following argument:

In August, 1883, the Bell Telephone Company petitioned the Common Council to empower the said company to erect poles through the streets of the said city under the direction of the Executive Board, or of a committee of the Common Council. There was added to this petition the clause, "And in consideration of said permission being granted it shall allow the superintendent of the fire alarm use of all such poles for the lines of the fire alarm system."

At a meeting of the Common Council held August 21, 1883, said petition was presented, and upon motion it was granted. "Conditioned that the city have the privilege of placing the wires of the fire alarm system on the poles when desirable, and that all poles erected by the Bell Telephone Company be straight and slightly."

On the 20th of July, 1884, a paper purporting to be a contract between the city and the Bell Telephone Company was executed, and the seals of the respective corporations affixed. A copy of said paper is annexed hereto.

A large number of poles have been placed in the streets, and it is supposed that they were located by the superintendent of the fire alarm telegraph system of Rochester.

The question is whether, by the acts and declarations of these parties, the Bell Telephone Company has acquired a vested right to the occupation of the streets of this city for the purposes and use indicated by its petition, and the resolution of the Common Council and the said paper purporting to be a contract between the company and the city of Rochester.

I say First—The city of Rochester had not and has not power to confer upon the Bell Telephone Company by contract for an indefinite period the franchise of erecting and maintaining poles for carrying its wires for use in operating its business for its advantage.

Second—The powers of the city in respect to the control and regulation of the streets of the city are held in trust for the public benefit and cannot be abrogated nor delegated to private persons nor to another corporation.

Third—The resolution of the Common Council authorizing the Bell Telephone Company to erect poles through the streets of the city without limitation as to time or without reserving a power of revocation, was not a license nor an act of legislation simply; it was a contract, and if it was valid the city could not abrogate it.

Fourth—The contract conveyed a freehold interest in the streets and a right to the exclusive use of the poles to be erected through the streets in perpetuity. There is no pretence that the city reserved any right or power to control the use of the poles by the Telephone Company, and what was contracted necessarily deprived the city of the power to control and regulate such use, consequently the resolution and contract were void.

Fifth—So I say the Bell Telephone Company has not obtained and could not obtain, by virtue of

any contract with the city, however skillfully drawn or guarded, the right to erect and maintain poles in the streets of the city without limitation as to time or without power of revocation.

It is not necessary to consider whether or not the words and acts of the company and the city have been such as to evidence such a contract. No matter what they were, no matter how skillfully the papers and resolutions were drawn, nor how solemnly executed, no matter what acts were done, it was not in the power of the city to so contract, and the company could not obtain such rights by any such contract or acts.

Sixth—This is not a matter of doubt. These principles were decided and declared by the Court of Appeals.

Seventh—If by virtue of all that has been said and done it is claimed that the Bell Telephone Company of Buffalo, N. Y., acquired or received the right or license to erect the poles in the street, such license is revocable at the pleasure of the power which has conferred it. A license can be abrogated at any time. This applies not only to the city which may have given permission for occupation of the streets, but to individuals who may have permitted the Telephone Company to place their wires upon or to run them over the lands or buildings, or to individuals who may have consented simply to the erection of poles in front of their premises in the streets. The license justifies only the entry upon the land.

Ordered received, filed and published.

Upon motion of Aid. Foley the preamble and resolution presented by him was adopted by the following vote:

REPORTS OF STANDING COMMITTEES.

By Ald. Kelly—

To the Honorable the Common Council:

Your Law Committee to whom was referred the petition of Messrs. Turk & Barnum as attorneys for Wilbur F. Flint, praying the payment to him as administrator of the estate of John E. Flint, deceased, amounting to \$229.60 with interest from January, 1886, respectfully report that they have had the said petition under advisement and find that said claim involves questions of law and fact growing out of the Oak street assessment which have been submitted to the General Term of the Supreme Court at its last sitting in this judicial district and is now awaiting its decision and until such decision is rendered your committee report adversely to the payment of the claim presented by the said Wilbur F. Flint or his attorneys, or any part thereof.

The claim of \$50 presented by Philip Schaad to the Executive Board for injuries claimed to have been sustained by reason of defects in the Court street bridge, and which was communicated by said board to your honorable body and by it referred to your committee would respectfully report that the said matter and claim have been inquired into and examined and your committee report adversely to the payment of any sum by the city by reason of the injuries alleged to have been sustained by the said Philip Schaad.

The petition of Abigail Widner which was also referred to your committee, has been investigated with reference to the facts stated in said petition and your committee report adversely to the payment of any sum or sums to the said Abigail Widner, on the ground that your committee is of the opinion that the city is not liable in damages for any injuries she has sustained by reason of any matters set forth in her petition.

Respectfully submitted,

J. MILLER KELLY,
PHILIP WEIDER,
D. V. W. SELYE,
HENRY KOHLMETZ,
G. W. ELLIOTT,
Committee.

Adopted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By Ald. Foley—

G. CLINTON GARDNER, RECEIVER,
THE BUFFALO, NEW YORK & PHILADELPHIA
RAILROAD COMPANY,
OFFICE No. 15 BROAD ST., MILLS BUILDING,
NEW YORK, Oct. 29, 1886.

Geo. S. Gatchell, Esq., General Superintendent
Buffalo, New York:

DEAR SIR—Some time ago I received communications from the Mayor of Rochester and others in regard to West avenue. I referred the matter to counsel, as there were very important points that had to be considered before making application to the Court for the necessary authority to act. After careful consideration of the subject, my counsel advises me that if an agreement was entered into by the receiver with the city authorities of Rochester as per enclosed memoranda, he thinks there would be no difficulty in obtaining the necessary authority of the Court, confirming such an agreement.

Please take the earliest opportunity to confer with the city authorities of Rochester and see whether the agreement will be acceptable to them and advise me at the earliest possible date, as I am anxious to do everything in my power, with due regard to the interests of my trust, to aid them in carrying out their wishes. Yours truly,

G. CLINTON GARDNER, Receiver.

The City of Rochester, being engaged in the improvement of West avenue, desire to remove the swing bridge which crosses the Ohio Basin, adjacent to the property of the Genesee Valley Canal Railroad Company, leased to the Buffalo, New York & Philadelphia Railroad Company, and fill up the basin to the width of the avenue, and ask of the above mentioned railroad companies (hereinafter referred to under the general designation of the railroad company), their consent thereto, and makes the following proposition to the railroad company as an inducement to such consent, which is understood to apply not only to the railroad companies above named, but also to their successors and assigns:

1. None of the expense of removing the bridge or otherwise improving West avenue or filling up the basin, shall fall directly or indirectly upon the railroad company or its property, except a just share of the expense of repaving West avenue in front of the railroad company's property.
2. The city will, at its own expense fill up, in a substantial way, and to the satisfaction of the railroad company's engineer, both that part of the basin which lies south of West avenue and that part which lies between the north line of

West avenue and a line parallel therewith, distant about 100 feet therefrom, and will, at its own expense, upon the last mentioned line build a suitable bulkhead satisfactory to the railroad company's engineer and the state authorities.

3. The City will obtain from the proper authorities such consent or authority as may be necessary for filling up the canal basin within the limits above mentioned, and for the use, enjoyment and disposition thereof by the railroad company.

4. The City will procure such legislation as may be necessary to exonerate the railroad company from any supposed obligation to construct its line north of the south line of West avenue without prejudice to any rights, titles or franchises which it has or may be entitled to under its charter or otherwise, and to confirm its title to all that part of the basin which lies north of that line and to secure for it the enjoyment or disposition of the said basin as fully and beneficially as an individual could do in respect to real estate owned by him in fee simple.

5. The City will grant to the railroad company the right to lay and operate its road across West avenue whenever the railroad company shall be required to do so by the public authorities, or shall deem it necessary to do so in order to satisfy any supposed obligation arising under its charter, or otherwise.

6. The city will indemnify the railroad company against all claims, demands, loss, damages or injury to which it may be exposed, either at the hands of the State, or of individuals, or others, on account of anything which shall be done or omitted to be done in consequence of this agreement.

7. The city will not widen West avenue opposite property of the railroad company unless the avenue be widened its entire length.

8. The city will permit the railroad company to lay as many additional tracks across Troup street as from time to time the railroad company may deem necessary for the convenient transaction of its business.

The railroad company accepts the proposition of the city of Rochester, stated above, subject to the approval of the Circuit Courts of the United States having jurisdiction in the pending suits of foreclosure of mortgages upon its property; and the railroad company will endeavor to obtain such approval so far as the same may be necessary to enable it or its successors or assigns to make and carry out a contract embracing the provisions herebefore summarized.

Ordered received, filed and published.

Ald. Foley submitted the following action taken by residents of West avenue:

Resolved, That Ald. Foley be directed to inform the Common Council that we, the residents of West avenue, will under no circumstances agree to the proposition of the B. N. Y. & P. R. R., as presented by them in their communication of Oct. 29, for closing the slip across West avenue, and removing the bridge; also,

Resolved, That Ald. Foley be requested to present a resolution to the Common Council at its next meeting, directing that measures be taken immediately to compel the B. N. Y. & P., and Genesee Valley R. R. Cos. to perform the provisions of the contract heretofore made between the city and said companies in regard to closing the slip across West avenue and removing the bridge; also,

Resolved, That the Common Council be requested to request the receiver of the B. N. Y. & P. R. R. Co. to make application at once to the court, to allow him to carry out the provisions of the contract above specified.

FRANK D. CHAMBERLAIN, Sec'y.

Ordered received, filed and published.

Ald. Foley moved that the communication be referred to the Law Committee and City Attorney to report as soon as possible. Adopted.

To the Common Council:

GENTLEMEN: The Executive Board advertised twice for proposals for Vernon park plank walk, and each time received one proposal which was in excess of the estimate.

To the Common Council:

GENTLEMEN: In the matter of opening a street from Angle street to Sherman street, the Executive Board, pursuant to your request, invited the several owners to give a price for the land proposed to be taken for this improvement.

John Van Houte, one of the owners of the land, will accept \$450 for a strip of land forty feet long by one foot wide. The other owners of the land which it is proposed to take having failed to name any sum for their property, the matter is referred back to your Honorable Body for such action as may be deemed advisable.

In relation to the proposed widening of Euclid street by taking a strip of land eight feet wide by one hundred and sixty-five feet long, upon which is a portion of a building, Washington Gibbons, representing the owners, offers to sell that portion of the property for \$3,000. This matter is also referred back to your Honorable Body for suitable action.

Respectfully,

THOS. J. NEVILLE, Clerk.

By the Clerk—

ROCHESTER, Nov. 9, 1886.

To the Hon. the Common Council:

GENTLEMEN—I am directed by the Executive Board to call your attention to the fact that a serious typographical error occurs in Ordinance No. 2,982 for Brown street asphaltum improvement, as printed on page 123 of your book of printed proceedings. The examination of the case shows that the intent apparently was to pass an ordinance for an asphalt pavement on said Brown street from the Erie canal to West avenue, with an estimate of \$45,000, and the cost of the work to be paid in three instalments. The territory to be assessed for such expense to be one tier of lots on each side of said Brown street, from the Erie canal to West avenue. On the other hand the said Ordinance No. 2,982 as printed makes the estimate only \$38,000, with no territory whatever described upon which to assess the cost of the work.

The Board therefore respectfully suggest that in order to avoid complications which may arise from the ordinance as printed, a correction be made in your printed proceedings.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Swikenard—Resolved, That the printed minutes of the proceedings of this Board of the 8th day of June, 1886, be corrected by the clerk by inserting in the place and stead of the misprinted final ordinance No. 2982, Brown street Asphalt Improvement, on page 123, the original final ordinance and of that number and title passed, enacted and adopted, at that said meeting, and that said printed minutes be corrected accordingly and as thus corrected be hereby approved. Adopted.

By Ald. Swikehard—Resolved, That the printed minutes of the proceedings of the Common Council of the 8th day of June, 1883, page 123, be corrected so as to read as follows:

FINAL ORDINANCE, NO. 2,982.

BROWN STREET ASPHALTUM IMPROVEMENT.

On motion of Ald. Kohlmetz, the Board proceeded to hear allegations in relation to the improvement described in the ordinance below.

After hearing such allegations from all persons appearing—

Ald Kohlmetz submitted the following:

An ordinance to improve Brown street from the Erie canal to West avenue.

The Common Council of the City of Rochester do ordain and determine that the following improvement be made, to wit:

The improvement of Brown street from the Erie canal to the north curb line of West avenue, by setting Medina stone curbs on each side of the street, leaving a roadway twenty-eight (28) feet wide between the lines of the curbs, and constructing between said curbs from line to line an asphaltum pavement of the best quality; also the necessary manholes, lamp holes, crosswalks, lot laterals and lot connections, street grading, the cleaning and repairing of the main sewers, and the laying of the water and gas service pipes where they are now required or where their use is contemplated; also the construction of new, and the cleaning, repairing and extension of old surface sewers.

Provided, however, that upon the letting of any contract which may be made for the improvement aforesaid, the contractor shall execute a bond with sufficient sureties, approved by the City Attorney and the Executive Board as to form and sufficiency, and running to the City of Rochester, and to Franklin B. Hutchinson, Mortimer Glenn, Valentine Dengler, Frederick Goetzman, George Bernard, Rudolph Hacker, Mathias Kondolt, Thomas McAnarney, Charles G. Staud, Joseph Nunn, Jacob Gerling, owners of property assessed for the said improvement, or the survivors or survivor of them, conditioned that the pavement so contracted for shall be maintained by the said contractor, or his sureties, in good repair for the period of — years from the date of acceptance of said work, and that at the end of said period of — years the said pavement shall be in such condition that no repairs thereof shall be needed.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reported the same at \$45,000, which estimate is hereby approved; and the portion of said city which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on each side of Brown street, from the Erie canal to West avenue.

On which above described portion of the city the expenses of said improvement are hereby ordered assessed.

And it is further ordained and determined that the taxpayers to be assessed in making such improvement, may pay their assessments in three equal payments, as follows:

One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll, and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed at six per cent. per annum.

Adopted by the following vote:
Ayes—Ald. Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swickhard, Weider, Stein, Kelly, Schaeffer—13.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

WIDENING OF HAND STREET.

By Ald. Bohrer—Resolved, That the following improvement is necessary, viz:
The widening of Hand street, by taking a strip of

land on the southerly side thereof, beginning at the west line of lot No. 22, of the Gorham tract and said line produced and extending to Clinton street, and the territory deemed necessary to be taken therefor is described as follows, viz: All of lot No. 23 of Riley's subdivision, and all that portion of lot No. 22 of the Gorham tract lying north of the following described line: Beginning at the intersection of the south line of Hand street with the west line of lot No. 22, aforesaid; thence easterly in the prolongation of said south line to a point thirty-nine and four-tenths feet distant from and at right angles to the established north line of said Hand street; thence also easterly and parallel to said north line to Clinton street.

It being expressly understood and provided that if the northwest corner of the old frame dwelling house now belonging to Chrisiana Jaechel should be found to project a few inches over the proposed south line of the widened street, the same shall be left undisturbed until said dwelling house be removed, rebuilt or remodeled in any material degree by the owner or owners thereof.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Hand street, from North St. Pa 1 street to North Clinton street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, November the 16th, 1886, at 7:30 o'clock at the Common Council Chamber, when allegations will be heard.

Adopted.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank sidewalk on a portion of McFarlin alley.

Adopted.

The Surveyor submitted as such estimate \$68.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a plank sidewalk two (2) feet and six (6) inches wide on the south side of McFarlin alley, from the western terminus to Jefferson avenue, it being expressly understood and stipulated that the sidewalk aforesaid shall be constructed under the direction of the Executive Board, by or at the sole expense of W. S. Coon.

And Whereas, the City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$68, which estimate is hereby approved.

Resolved, further, That the following portion of said City is deemed benefited and proper to be assessed for the whole expense thereof, viz:

All the lots and parcels of ground belonging to W. S. Coon, extending north and south beyond and from the western terminus of McFarlin alley.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., of section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend at the Common Council, on Tuesday evening, Nov. the 16th, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

GRADING MORRILL STREET.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Morrill street from North Clinton street to Joiner street.

Adopted.

The Surveyor submitted as such estimate \$250.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The grading of the roadway and sidewalks and gut formations on Morrill street from North Clinton street to Joiner street.

And Whereas, the City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$250, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Morrill street from North Clinton street to Joiner street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, Nov. the 16th, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

GENESESE STREET PLANK WALK.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of construction of a hemlock plank walk, with white oak stringers, on Genesee street, from Brooks avenue to the city line.

Adopted.

The Surveyor submitted as such estimate, \$900.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a hemlock plank sidewalk four (4) feet wide, with white oak stringers, on the west side of Genesee street, from Brooks avenue southward to the city line, with the necessary sidewalk grading and gutter formation.

And Whereas, the City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$900, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on the west side of Genesee street, from Brooks avenue southward to the city line.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172 of the Revised Charter of 1880 of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, November the 16th, 1886, at 7½ o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

NORTH CLINTON STREET WIDENING.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of the improvement of North Clinton street from East Main street to Andrews street.

Adopted.

The Surveyor submitted as such estimate, \$2,800.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The improvement of North Clinton street from the north curb line of East Main street to the south curb line of Andrews street by taking up the existing curb stones and resetting and resetting them on lines parallel to and twenty-one and twenty-five hundredths (21.25) feet on each side from this medial line or axis of North Clinton street aforesaid, within the terminal limits named, with the substitution of new curb stones at points where none are found, or where existing curb stones prove to be so defective as to unfit for stone of the strips on each side between the present pavement and the new curb lines as hereinbefore designated; also the required extension of the surface sewers; the extension and relaying, where necessary, of all crosswalks, both traverse and longitudinal; the changing of the location of all hydrants, telegraph, telephone and electric light poles, as well as of gas light posts where their present location interferes with the proposed improvement; the grubbing up and removal of all the trees within the street lines. All of the above work relating to that portion of North Clinton street, which is included between the specified terminal limits.

And Whereas, the City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$2,800, which estimate is hereby approved.

Resolved, further, That the following portion of said City is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of North Clinton street, from East Main street to Andrews street.

And further Resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll, one-third of the amount within one year from the confirmation of said roll and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last payment, a discount will be allowed at 6 per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, November the 16th, 1886, at 7:30 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

LOCAL IMPROVEMENT ASSESSMENTS.

LOCAL IMPROVEMENT ASSESSMENT NO. 2,701.

OPENING A NEW STREET FROM CLIFFORD STREET TO NORTON STREET.

By Ald. Kelly—Whereas, The Common Council did, upon the 6th day of September, 1884, enact an ordinance for opening a new street from Clifford street to Norton street;

And whereas, the entire cost and expense of said improvement has been ascertained to be the sum of \$8,764.17;

And the portion of said city which said Common Council deemed would be benefited by said improvement is described as follows:

One tier of lots on each side of the proposed street from Clifford street to Norton street;

Therefore, Resolved, That the sum of \$8,764.17, being the whole amount of the expense aforesaid, shall be assessed on such lots and parcels of land.

And V. Fieckenstein, Wm. Maher and L. A. Pratt, the assessors of said city, not interested in any of the property so benefited and not of kin to any person so interested, are hereby designated and directed to make an assessment upon all the lots and parcels of lands and houses within the portion or part of said city so designated of the said amount of expense in proportion, as nearly as may be, to the advantage which each shall be deemed to acquire by the making of said improvement; and said Assessors are hereby notified to meet for this purpose on Saturday, the 13th day of November, 1886, at 9 o'clock in the forenoon, at the office of the City Assessors, No. 15 City Hall.

Adopted by the following vote:
 Ayes—Ald. Tracy, Coughlin, Marson, Watson, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Kelly, Schaeffer—12.

WM. MAHER,
 L. A. PRATT,
 City Assessors.

Ordered received, filed and published.

By Ald. Schaeffer—Petitions of Edmund Oumpough and A. Grasberger for permission to erect wood buildings. Referred to the Wood Buildings Committee and fire marshal with power to act. Also petition for electric light on Pennsylvania avenue. Referred to the Lamp Committee.

By Ald. Schaeffer—

To the Honorable Common Council:

GENTLEMEN—The undersigned respectfully represents that she is the owner of a track of land in the Sixteenth ward of this city extending eastward from Goodman street and lying northward of Schanck avenue; and that she has opened a street sixty feet in width through said property, extending from Goodman street easterly about 2,500 lineal feet; that she has properly graded said street for the whole distance and made it safe and convenient for public use and traffic; that she has duly filed a map of said street in the County Clerk's office of Monroe county as required by law, and she now desires to dedicate said street to the city for public use, and she respectfully asks your honorable Board to accept said proposed dedication and to declare said Hayward avenue a public street and open for public use, and to be and remain as one of the public streets of the city of Rochester, N. Y.

Rochester, November 6, 1886.

LUCY E. HAYWARD.

Ordered received, filed and published.

STATE OF NEW YORK, }
 MONROE COUNTY, } ss.
 CITY OF ROCHESTER, }

On this 8th day of November, 1886, before me the subscriber personally appeared, Lucy E. Hayward, to me known to be the same person named in and who signed the foregoing petition and acknowledged that she signed the same.

CASS WILLIAMS, Notary Public.

By Ald. Schaeffer—Resolved, That the communication of Lucy E. Hayward to this Board offering to dedicate Hayward avenue to public use, be and is hereby referred to the Executive Board to examine the said street and report to this Board at its next meeting as to whether proper legal steps have been taken to dedicate said street to public use, and also as to the propriety of accepting said street by the city in accordance with the proffer of said Lucy E. Hayward. Adopted.

By Ald. Schaeffer—Resolved, That the Executive Board be, and they are hereby authorized and directed to place a fire alarm telegraph box on the Culver building at the junction of University avenue and Culver road. Adopted.

Ald. Schaeffer moved to proceed to the appointment of Commissioners of Deeds, and that the clerk cast the ballot. Adopted by the following vote:

Ayes—Ald Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Selye, Mandeville, Swikehard, Weider, Kelly, Schaeffer—12.

The following named persons having received the concurrent vote of the Council, were declared duly appointed commissioners of deeds: Chas. East, John F. Boyd, Z. P. Taylor.

By Ald. Kelly—Resolved, That hereafter the license to be paid by any and all persons for the privilege of selling at auction as auctioneer any goods, wares, merchandise, jewelry, or articles of any kind, within the corporate limits of the city of Rochester, be fixed at the sum of two hundred and fifty dollars per year. Adopted.

By Ald. Weider—

Resolved, That the City Clerk be directed to draw orders on the City Treasurer, in favor of the chairman of each of the Boards of Inspectors of Elections of the city of Rochester (including clerks) for (\$75) seventy-five dollars each in full for services as registers and inspectors of the general election of 1886, provided no objection is made by any inspector or clerk. Objection being made, the clerk is directed to draw an order in favor of each claimant for his individual compensation, retaining from the same all proper charges against such inspectors; also an order in favor of each proprietor (except the city of Rochester) of places used for election purposes for the sum of (\$30), and charge contingent fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Kelly, Schaeffer—13.

Adopted.

By Ald. Kelly—Petitions of J. P. Visner and Andrew Schell for permission to erect wood buildings, and moved that permission be granted. Adopted.

By Ald. Selye—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—I have procured from the owners of land contiguous to Emerson and Thrush streets, situated in the 9th and 15th wards, releases and a dedication of land to connect East Emerson with West Emerson and Thrush streets, a map of the same showing the land ceded and the connecting streets has been filed, and the three conveyances have been recorded, all free of expense to the city, which releases I herewith transmit to your Board: I therefore, on behalf of the owners and taxpayers, request your Honorable Board to accept the dedication and order it recorded in your Street Register. Very respectfully yours,

HENRY L. FISH.

Ordered received, filed and published.

By Ald. Selye—Resolved, That the land released to the city and the same having by its owners been dedicated to public use, connecting East Emerson with West Emerson and Thrush streets, in the Ninth and Fifteenth wards—a map of which, showing the land ceded and the streets connected filed and the conveyances for the same recorded in the County Clerk's office

without any expense to the city, therefore this Council hereby accepts such dedication, and the Clerk is hereby directed to record the same in the street register.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Kelly, Schaeffer—13.

By Ald. Selye—Petition of Mrs. Whitelsey. Referred to the Assessment Committee.

Ald. Mandeville moved to reconsider the action taken on the penal ordinances relating to markets slaughter houses, etc. Adopted.

Ald. Mandeville asked unanimous consent to introduce a penal ordinance relating to markets, slaughter houses and the vending of wood, coal or other fuel, meats, vegetables, fruit, fish, poultry, milk, and provisions of all kinds. Unanimous consent being granted, Ald. Mandeville presented the following.

AN ORDINANCE relating to markets, slaughter-houses, and the vending of wood, coal, or other fuel, meats, vegetables, fruit, fish, poultry, milk and provisions of all kinds.

The Common Council of the City of Rochester, do ordain as follows:

SECTION 1. No person, except such as may from time to time be licensed by the Common Council to sell meat, shall sell any fresh meat within the city (venison, wild game, pork in the hog, poultry, and offals of hogs, consisting of fat, ears, snouts and spare ribs, sold by persons being packers of pork, excepted), under a penalty and fine of ten dollars for each offence.

§ 2. No person, except as hereinafter provided, shall, by himself, his agent or servant, sell or expose for sale in the city, any lamb, mutton, veal, beef or other meats, (venison, pork in the hog, wild game, poultry, dried, smoked and other cured meats excepted), at any other place than at the place designated in his license, and any person who shall violate the prohibitions in this section, shall forfeit and pay a penalty of and be fined ten dollars for each offence.

Nothing, however, contained in either of the two preceding sections shall prevent the sale within the city of fresh and wholesome meats by the quarter, by farmers who have raised or fattened the same upon their own farms.

§ 3. Every license granted under this ordinance shall expire on the first day of July next after the license shall be granted.

§ 4. No person shall sell or expose for sale at retail in the city of Rochester, any unwholesome, stale, emaciated, blown, stuffed, tainted, purid or diseased meat, poultry, fish or provisions, nor any poultry not drawn and perfectly dressed, except it be alive, nor any live or slaughtered calf or calves, nor the veal or flesh of any calf or calves, unless such calf or calves, if alive, shall be at least four weeks old, or if slaughtered, shall have been at least four weeks old before having been so slaughtered, under the penalty and fine of fifty dollars for each offence; and the meat, poultry, veal, fish, and provisions so exposed for sale and herein prohibited, may upon view by the Meat Inspector be seized and destroyed; and it shall be his duty so to seize and destroy the same, and to report to the City Attorney the name of any person violating the provisions of this section for prosecution.

§ 5. No person shall sell or deliver within the City of Rochester, impure, adulterated or watered milk, under a penalty of ten dollars for each offence. And no person shall bring into said city, for sale or delivery therein, milk in filthy or unwholesome cans or other vessels, under a penalty and fine of ten dollars for each offence.

§ 6. All meats sold by weight shall be weighed by weights sealed by the city sealer, within the preceding six months, under penalty of five dollars for each offence.

§ 7. Every person licensed to sell meat shall keep inside of his locker, and the table of his stall or standing, and the place where his meats may lie, clean and free from filth and dirt, and shall also keep clean the floors of his market house, under the penalty and fine of five dollars for each offence; and the Meat Inspector shall have access at all times to any market house, under the penalty and fine of five dollars, to be paid by any person who shall refuse such access.

§ 8. No person shall, for a longer space of time than ten minutes, expose or suffer, or cause to be exposed, or remain in any street or upon any sidewalk, road or alley, or in front of any market in the city of Rochester, any lamb, sheep, calf, or any other animal; nor shall any person bring to market or expose for sale any lamb, sheep, calf or poultry, except in a box, rack or guard so that such animal may stand erect, under a penalty and fine of five dollars for each offence.

§ 9. No person shall build, make or use, or cause or permit to be built, made or used, any slaughter-house within said city, without permission from the Common Council, under a penalty and fine of fifty dollars for each offence.

§ 10. A copy of this ordinance (to be furnished by the City Clerk) shall be fastened up in a conspicuous place in each licensed market in the city; and any person who shall intentionally deface, destroy or remove the same, shall forfeit and pay a penalty of ten dollars for each offence.

§ 11. The Meat Inspector shall, at the first meeting of the Common Council in January, April, July and October render to the Common Council a report of the number of outstanding leases and licenses for the sale of meat, the persons to whom granted, or then holding the same, the amount of rent raised therein and due thereon, the amount reserved during the previous quarter.

§ 12. The stands for the sale of hay, fodder, straw, vegetables and wood, shall be designated and appointed by the Executive Board. No person shall stand or wait with any wagon, sled or other vehicle loaded with hay, straw, vegetables or wood, at any other place in said city than the stands so designated, under a fine and penalty of five dollars for each offence.

The Street Superintendent shall have the regulation and control of such stands, and all persons having charge of teams thereon, shall place the same in such positions as he shall direct, under a fine and penalty of three dollars for each offence.

§ 13. Every execution issued upon a judgment recovered for a violation of this ordinance, or any provision thereof, except as is hereinbefore otherwise specially provided, shall command the amount to be made of the property of the defendant, if any such can be found, and if not, then to commit the defendant to the Monroe county penitentiary and any person violating any provision of this ordinance and failing to pay the penalty and fine imposed therefor, shall be imprisoned in said Penitentiary for a term of not exceeding one hundred days.

§ 14. This ordinance shall take effect immediately.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Kelly, Schaeffer.—13.

Ald. Mandeville moved to reconsider the action taken on the penal ordinance relating to the allowing of animals to run at large. Adopted.

Ald. Mandeville asked unanimous consent to introduce a penal ordinance to restrain and regulate the running at large of horses, cattle, dogs, swine and other animals, and geese and other poultry. Unanimous consent being granted, Ald. Mandeville presented the following:

AN ORDINANCE to restrain and regulate the running at large of horses, cattle, dogs, swine and other animals, and geese and other poultry.

The Common Council of the City of Rochester do ordain as follows:

Section 1. No owner or possessor of any swine, horses, sheep, goats, cows or other cattle, shall suffer any such animal or animals to run or to be let at large in any of the public streets, lanes, alleys or parks within the city of Rochester, nor drive the same in, through or upon any of the public streets, lanes, alleys or parks within said city between the hours of six o'clock in the forenoon and seven o'clock in the afternoon, unless the same are tethered and held in hand by the person or persons having them in charge, under a penalty and fine of one dollar for each animal so untethered, running or being at large, for each offence.

Section 2. No owner or possessor of any goose or geese, ducks or other fowls shall suffer or permit any such fowls to run or to be at large in any of the public streets, lanes, alleys or squares within the city of Rochester, under a penalty and fine of twenty-five cents for each fowl, etc., so running or being at large, for each offence.

Section 3. No dog shall be permitted to go abroad in any of the public streets, squares, lanes, alleys or public places within the limits of the city of Rochester without being led and securely confined by a chain or string, or properly muzzled, under a penalty and fine of ten dollars for each offence, to be recovered against the owner or possessor of such dog, or the person who harbored such dog within two days previous to the time of such dog being found so going abroad.

Section 4. The owner of every dog shall provide a collar for it, upon which his or her name shall be legibly printed or engraved, and cause the same to be worn by the dog whenever it is at large in any public street, lane, alley or square within the limits of the city of Rochester, under a penalty and fine of five dollars. Every unmuzzled dog found going abroad in any of said public streets or places in said city, between the first days of April and November in any year, may be seized, shot or killed by such persons as the Common Council shall designate for such purpose.

Section 5. Every execution issued upon a judgment recovered for a violation of this ordinance, or any provision thereof, except as is hereinbefore otherwise specially provided, shall command the amount to be made of the property of the defendant, if any such can be found, and if not then to commit the defendant to the Monroe County Penitentiary; and any person violating any provision of this ordinance and failing to pay the penalty and fine imposed therefor shall be imprisoned in said penitentiary for a term of not exceeding one hundred days.

Section 6. This ordinance shall take effect immediately.

The foregoing ordinance was adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Kelly, Schaeffer.—13.

By Ald. Foley—

Resolved, That the Board of Health of the city of Rochester be requested to cover up all open ditches between the works of the Vacuum Oil Company and the Plymouth avenue bridge along the Buffalo, New York & Philadelphia railroad, the expense thereof to be assessed upon the said railroad company the said open ditches being now a nuisance. Adopted.

By Ald. Fritzsche—

Resolved, That the Lamp Committee be authorized to place an electric light at the corner of Hudson street and Skuse park. Referred to Lamp Committee.

By Ald. Watson—Resolved, That the City Clerk draw an order on the City Treasurer for two hundred and twenty-five dollar

(\$225), in favor of Nathaniel Tufts, for the purchase of fifty street lamps and charge lamp fund.

Ald. Watson moved that the action taken on the ordinance for North St. Paul street pipe sewer be reconsidered. Adopted.

FINAL ORDINANCE, NO. 3,063.

NORTH ST. PAUL STREET PIPE SEWER.

On motion of Ald. Marson the Board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing—

Ald. Marson submitted the following:

An ordinance to construct a pipe sewer in North St. Paul street, from the south line of Avenue D to the end of the present sewer.

The Common Council of the city of Rochester do ordain and determine that the following improvement be made, to wit:

The construction of a vitrified pipe sewer eighteen (18) inches in diameter in North St. Paul street, beginning and connecting with the northern end of the sewer now existing in the street aforesaid and extending the proposed sewer to the south line of Avenue D, with the necessary manholes, surface sewers, lot laterals and connections.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reports the same at \$630, and said estimate being deemed reasonable, is hereby approved; and the portion of said city, which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on each side of North St. Paul street, from the south line of Avenue D to a line at right angles to the street aforesaid, and parallel to and twenty (20) feet north of the produced north line of Avenue C.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of and to be in proportion to the benefit which each derives therefrom.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Schaeffer—12.

By Ald. Watson—Resolved, That the City Attorney be and hereby is directed to publish a notice specifying and describing the lands necessary to be taken for the purpose of widening Euclid street, and to take such further action as may be necessary with relation thereto, in accordance with Section 175 of the City Charter. Adopted.

By Ald. Marson—Petition of John S. Caldwell for permission to erect a wood building. Granted.

By Ald. Coughlin—Bill of

Citizens' Gas Company..... \$32 22

Ald. Selye asked unanimous consent to introduce a penal ordinance relating to railroads.

Unanimous consent being granted Ald. Selye presented the following:

AN ORDINANCE relating to railroads.

The Common Council of the City of Rochester do ordain as follows:

Section 1. A bell shall be placed on each locomotive engine run on any railroad within the limits of the City of Rochester, and shall be rung at the distance of at least forty rods from the place where the railroad shall cross any traveled public road, highway, avenue, street, lane or alley with the railroad within said city, and shall be kept ringing until such engine shall have crossed such road, avenue, highway, street, lane or alley; and every neglect to comply with the foregoing provisions shall subject the corporation, company or person or persons running the railroad to a fine and pen-

alty of not less than \$5 nor more than \$100, and every engineer having charge of the engine for every neglect to comply with the requirements aforesaid shall be liable and subject to a fine and penalty of not less than \$25 and not exceeding \$50 for each offense.

Section 2. Every execution issued upon a judgment recovered for a violation of this ordinance, or any provision thereof, shall command the amount to be made of the property of the defendant, if any such can be found, and if not, then to commit the defendant to the Monroe County Penitentiary, and any person or persons violating any provision of this ordinance, and failing to pay the penalty and fine imposed therefor, shall be imprisoned in said penitentiary for a term of not exceeding one hundred and fifty days.

Section 3. This ordinance shall take effect immediately.

Referred to the special committee on penal ordinances.

The board then adjourned.

By Ald. Schaeffer—

To the Hon. the Common Council :

GENTLEMEN—Your Assessment Committee, to whom was referred the petition of A. W. Mudge, claiming an overcharge of two feet upon certain of his premises assessed for an improvement upon Montgomery alley, which was the basis of an erroneous assessment amounting to nine dollars, which was paid on the 24th day of September, 1886, and praying that the same be refunded, has been considered by your committee, and it reports in favor of granting said petition.

Your committee have also had under considera-

tion the petition of James C. Lighthouse and report adversely to the granting of said petition.

Your committee further reports in favor of cancelling the tax of Eliza Ann Nicholson amounting to the sum of \$9.54, for tax upon lots 9, 10 and 11 on the east side of Nicholson park.

Respectfully submitted,

CHRIS. J. SCHAEFFER,
J. MILLER KELLY,
CHRISTIAN STEIN,
DEVILLO W. SELYE,

Committee.

Ordered received, filed and published.

By Ald. Schaeffer—Resolved, That the Treasurer be and he hereby is directed to cancel the assessment of \$9.54 against Eliza Ann Nicholson, on lots 9, 10 and 11 on the east side of Nicholson park, and charge the same to erroneous assessment. Adopted.

By Ald. Schaeffer—Resolved, That the City Clerk be and he hereby is directed to draw an order in favor of A. W. Mudge for \$9, and charge the same to Contingent Fund.

By Ald. Stein—

To the Hon. Common Council :

GENTLEMEN—Your Wooden Building Committee, to whom was referred the petition of Tobie Cohn, praying your honorable body to grant him permission to erect an addition to a wood building on his lot, No. 612, situated on the corner of Clinton and Heitzer street, to be used and occupied for a store one story high, 24 by 30 feet in dimensions, would report adversely to the granting of said petition on the ground that a large majority of the property owners within 200 feet of said proposed structure have remonstrated against permission being granted the said Tobie Cohn, and those who signed the petition of the said Tobie Cohn have all appeared before your committee and requested the withdrawal of their names from the petition.

Respectfully submitted,

C. STEIN,
GEO. B. SWIKEHARD,
W. H. MARSON,
HENRY KOHLMETZ,

By Ald. Marson—

ROCHESTER, N. Y., Nov. 16th, 1886.

To the Hon. the Common Council :

GENTLEMEN—Your committee on sewers has recently been urged by a number of taxpayers and residents on Goodman street, between East Main and Bay streets, to examine into the delay attending the construction of the new sewer on said Goodman street, under Ordinance No. 2,963, passed May 18, 1886, and recorded on page 97 of the printed proceedings of this board. The principal cause of the delay appears to have been the difficulty of securing under acceptable terms the necessary rights of way through the lands belonging to Mrs. Hannah F. Brown, located easterly of Goodman street and northerly of Bay street. Several attempts at negotiation for these privileges were made with Mrs. Brown's representatives, but until very lately all such efforts were futile, because Mrs. Brown insisted upon making it a condition that her said property be practically exempted from the payment of any assessment for the cost of said sewer. As will be seen from her proposition as printed on pages 164 and 165 and 232 of the current proceedings, for the reason stated in the communication from the Executive board relating to this matter, submitted on Sept. 21, 1886, and printed on pages 232 and 233 of the

proceedings. None of the said propositions involving this condition could be accepted, and consequently steps were taken by the City Attorney to obtain the easements through a commission, in accordance with the resolution of this board passed Sept. 1, 1886, and printed on page 228 of the proceedings.

It now appears that Mrs. Brown is determined to oppose the appointment of a commission for this purpose, and as the application includes the proposed continuous of the flow of sewage matter in an open ditch through her premises for a long period, a separate legal question as to public policy and the possibility of such an act in this case is thus introduced, which will probably have to be first decided by the court of last resort before the commission will be appointed. This contest in the courts will delay the construction of the sewer perhaps for years to the great detriment, discomfort and distress of the parties interested.

In view of this complication the taxpayers have interested themselves to induce Mrs. Brown to modify her proposition in such a manner as to make the same acceptable to them and to the Common Council, thus rendering the further legal proceedings for the appointment of a commission unnecessary. At their request she has submitted the following modified proposition to the Executive Board, which proposition said board has referred to us for consideration and action:

ROCHESTER, N. Y., Nov. 12, 1886.

To the Executive Board of the City of Rochester:

GENTLEMEN—Whereas, The written propositions which I submitted to you on or about the 7th day of September, 1886, have been lost, now, therefore, in pursuance of your request, I have the honor to submit the following propositions for your consideration, which shall be taken in all respects as a substitute and in place of the aforesaid lost propositions.

First—In consideration of the sum of \$4,000 to be paid to me in cash at the time of the contract hereafter to be made, is executed, I will grant to the city of Rochester a permanent easement for a covered sewer which shall extend from the center of Goodman street easterly across my farm about 700 feet to a fence running north and south across my premises.

In consideration of the above sum, terms and conditions, and the further sum of \$150 to be paid in each and every year for ten years from the date hereof, I will grant to the city of Rochester a temporary right of way for an open sewer from the east end of said covered sewer, about 2,100 feet long, following the same course as the present open ditch to the north line of my premises. This is to be in full consideration for the maintenance of all bridges over said open ditch; also for the construction of all bridges except one which the city shall build at such place as I shall direct; also for cutting all weeds and grass on the banks of said open ditch at least twice per year; also for the maintenance of all fences and gates which the city will construct along said open ditch.

This temporary right of way shall continue for the period of ten years, with the right on the part of the city to cancel the same on giving six months' notice, in case the city should make a diversion of said sewage from said open ditch at any time during the aforesaid period of ten years.

In case at any time during the period covered by the contract made in pursuance of this proposition, the city desires to extend said covered sewer 400 feet, making 1,100 feet in all, the city shall have the privilege of so doing without any additional expense.

This proposition is made pursuant to an amendment made to the original propositions at a meeting of the Executive Board and the chairman of the Sewer Committee, held on the evening of September 7, 1886.

The city will cause the present small open ditch from Goodman street easterly and northerly to the terminus of the proposed covered sewer in my land, to be refilled and the surface adjacent to said ditch to be properly leveled off.

All chips and stone excavated in the construction of the covered sewer and the open ditch, shall be carried from my premises, and the dirt not used in refilling the sewer shall be graded on the north portion of my premises where I shall direct.

A post and board fence of first-class fencing timber shall be built by the city on each side of the open ditch; said fence shall be four and one-half feet high from the ground, and the posts to be set in the ground two and one-half feet.

The city shall build one bridge across said open sewer in a good and substantial manner, in such place as I shall direct; and two gates shall be placed in said fences at said bridge.

The payment of said \$150 annually shall not take the place of or relieve the city from the payment of \$250, which will be due and payable to me from the city of Rochester, on the first day of June next, under the contract now existing between said city and the said Hannah F. Brown.

The injunction order granted in a certain action in the Supreme Court wherein Hannah F. Brown was plaintiff and the city of Rochester was defendant, shall be suspended during the period that this contract shall remain in force and no longer.

Dated Rochester, Nov. 12, 1886.

Yours respectfully, HANNAH F. BROWN,
By John M. Davy, her attorney.

A careful examination of this proposition shows that no objectionable feature as to the exemptions of the property from assessment for the cost of the said Goodman street sewer is therein contained. Also, that in other respects it is similar to the proposition made on Sept. 18, 1886, except that instead of a cash payment of \$3,200, a cash payment of \$4,000 is now demanded. There are, furthermore, several ambiguous or indefinite expressions in the document, which, if its terms be in substance accepted, we suggest should be amended in a properly executed contract practically as follows:

First—That the sum of \$150 be paid in each and every year for ten years from the date hereinafter mentioned, provided that during said period the city makes no diversion of the sewage from the open ditch mentioned, or does not cover said open ditch to any appreciable extent more than 400 feet through the lands in question.

Second—that a proper limitation be made of the distance over which the grading of the surplus earth, from the excavations required in said lands, shall be made.

Third—That the sum designated as an annual payment of \$150 shall begin to accrue on June 1, 1887, and that the first payment shall be due and payable on June 1, 1888, and all subsequent payments annually thereafter on the first day of June during the life of the contract.

Fourth—That the annual payment of \$250 under the existing contract or agreement with the said Mrs. Brown shall terminate on June 1, 1887.

Fifth—That at the expiration of the ten years mentioned in the proposition the city shall have the privilege of continuing the easement for two years longer on the same terms, or else that said Mrs. Brown, her heirs or assigns shall give the city at least two years' notice of her or their intent to terminate the contract at the end of said term of ten years.

Sixth—That if at any time during said period of ten years the city should cover the open ditch now contemplated by ordinance No. 2,963, wholly or substantially wholly, through said lands, or should construct any continuation of the covered sewer contemplated by said ordinance wholly or substantially wholly, through said lands, then the said annual payment of \$150 shall cease to be made to said Mrs. Brown, her heirs or assigns, after giving six months' notice to said parties.

Seventh—That in consideration of the said payment, no other demands for compensation, by reason of the construction of said sewer and the deepening and enlargement of the present open ditch through said lands by the city of Rochester shall be made by the said Mrs. Brown, provided said work on her premises be completed prior to June 1, 1887.

Eighth—That the widths of the several rights of

way or easements in said lands be duly specified at not less than 50 feet.

Ninth—That the easements in question shall provide for the discharge of sewage from the entire district deemed benefited by said Goodman street sewer under ordinance No. 2,963.

If the foregoing condition be adopted by Mrs. Brown, as from conversation with her representative, we are assured will be done, we are of the opinion that it will be for the public interest to accept her proposition, as aforesaid, at once, so that the contractors for the sewer may begin their work without further delay. While the compensation asked appears large, yet it is, in our judgment, not exorbitant, in view of all the circumstances involved; and we, therefore, recommend that the necessary easement be secured on the terms indicated. Respectfully submitted,

W. H. MARSON,
CHARLES WATSON,
CHRIS. J. SCHAEFFER,
FRANK FRITZSCHE,
CHRISTIAN STEIN,
Committee.

Ordered received, filed and published.

By Ald. Marson—Whereas, The propositions heretofore made by Mrs. Hannah F. Brown to the City of Rochester, for right of way for the covered sewer and open ditches contemplated by ordinance No. 2,963 through her lands situated on the east side of Goodman street and north side of Bay street in this city, have recently been materially modified and resubmitted by her for consideration; also in view of the fact that the general public interests, as well as the interests of the district deemed benefited by the construction of said work under said ordinance, demand that the necessary easements in said lands be secured without further delay; and

Whereas, The modified propositions of said Hannah F. Brown for said easements, as set forth in the report of the committee on sewers this day submitted, together with the amendments thereto as set forth in said report, are herewith deemed acceptable and expedient; therefore,

Resolved, That the proposition for Hannah F. Brown for granting to the city the easements in her lands necessary for the proper execution of ordinance No. 2,963, as this day submitted and modified in the report of the committee on sewers aforesaid, be and the same are hereby accepted, and that the Executive Board be, and it is hereby authorized for, and in behalf of the City of Rochester to enter into a contract with the said Hannah F. Brown for said easements in accordance with the terms stated in said report. Adopted.

By Ald. Marson—Resolved, That the City Attorney be, and he is hereby directed to cease all further proceedings for obtaining a commission to fix the compensation which should be paid to Mrs. Hannah F. Brown of this city, for the rights of way through her premises necessary for the construction of the work contemplated under ordinance No. 2,963. Adopted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

From the Mayor—

MAYOR'S OFFICE,
ROCHESTER, Nov. 16, 1886. }

Gentlemen of the Common Council:

A resolution adopted at your last regular meeting authorizes the Park Committee to do certain work, charging the expense of the same to William Mitchell who holds a contract with the city for the care and maintenance of the public parks. I hardly

think that your Board, or your Park Committee, can legally authorize any work to be done and charge the expense of the same to the Park contractor without first calling his attention to his own failure to comply with the terms of his contract. When this has been done, and he refuses or fails to carry out its provisions, I think you will then be legally competent to act. For the foregoing reasons I disapprove of the resolution in question.

CORNELIUS R. PARSONS, Mayor.

The chairman stated the question to be: Shall the resolution stand as a resolution of the board, notwithstanding the objections of His Honor the Mayor?

Lost by the following vote:

Ayes—Ald. Mandeville—1.

Nays—Ald. Tracy, Coughlin, Marson, Kohlmetz, Fritzsche, Elliott, Foley, Swikehard, Stein, Kelly, Schaeffer—11.

MAYOR'S OFFICE,
ROCHESTER, Nov. 16, 1886. }

Gentlemen of the Common Council:

I deem it my duty to say to you that I have done nothing in the matter of cancelling the contract with the kerosene lamp contractor, as contemplated by Ald. Weider's motion made at your last regular meeting.

The contract cannot be annulled in the manner suggested, and some other way must be provided. For information as to the proper course to be pursued, I take the liberty of referring to Ivan Powers, Esq., City Attorney.

CORNELIUS R. PARSONS, Mayor.

Ordered received, filed and published and referred to the Lamp Committee and city attorney.

MAYOR'S OFFICE,
ROCHESTER, Nov. 16, 1886. }

Gentlemen of the Common Council:

Your resolution of November 9th authorizing me to enter into a contract with Oscar H. Peacock for the completion of the survey and maps of the city of Rochester for the Assessors' office, at an annual expense of \$5,800, is hereby returned disapproved.

I have the fullest confidence in the integrity and ability of Mr. Peacock, but when you ask me to make a contract involving so much expense, and one which, so far as time is concerned, is to be of uncertain, indefinite and infinite duration, then I must decline to act.

A few years ago our city undertook a work of similar character, and an open contract as is now proposed was at that time executed, and nearly \$40,000 was expended on the same, which after a time was abandoned. Your resolution does not propose, nor does it contemplate that should the city at any time in the future by reason of the great and continued expense, deem it unwise to complete the said work that the same may be discontinued.

On the other hand, if a contract is made in accordance with the said resolution, then no matter what the expense may be, or the length of time to be consumed, the city is bound hand and foot until the end, even should the same be fifty years distant. The matter is so serious, and the principle so entirely wrong that I cannot give the same my official sanction.

CORNELIUS R. PARSONS, Mayor.

The chairman stated the question to be: Shall the resolution stand as an order of the board, notwithstanding the objections of His Honor the Mayor?

Lost by the following vote—two-thirds not voting in the affirmative:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Foley, Mandeville, Swikehard, Kelly, Schaeffer—9.

Nays—Ald. Marson, Fritzsche, Elliott, Stein—4.

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—At a regular encampment of C. J. Powers Post No. 391, Dept. N. Y., G. A. R., held on the 9th inst., it was unanimously voted to request your honorable body to take the necessary steps to secure the Warner estate and other property in the southern portion of the city and consecrate it as a memorial park in honor of those who fought and in memory of those who fell, that the nation might live.

As in duty bound will ever pray, in behalf of the members of this post, the veterans of the city of Rochester and Monroe county, and the families of those who have gone before, we remain, gentlemen, very respectfully yours, etc.,

J. WELLING, Commander.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

WALNUT STREET PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in Walnut street.

Adopted.

The surveyor submitted as such estimate, \$475.
By Ald. Marson—Resolved, That the following improvement is necessary, viz.:

The construction of a vitrified pipe sewer twelve (12) inches in diameter in Walnut street, beginning at a point about seventy (70) feet north of the north line of Wilder street, and extending northward to intersect the sewer in Campbell street, with the necessary manholes, surface sewers, laterals and lot connections; also the required roadway grading and gutter formations.

And, Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$475, which estimate is hereby approved:

Resolved further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of Walnut street from Wilder street to Campbell street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, Nov. the 30th, 1886, at 7:00 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

Ald. Swickhard presented a remonstrance against the foregoing ordinance, which was ordered, received and filed.

VERNON PARK PLANK SIDEWALK

By Ald. Kohlmetz—Resolved, That the city surveyor ascertain and report to this Council the expense of constructing a plank sidewalk four (4) feet wide on each side of Vernon park.

Adopted.

The surveyor submitted as such estimate, \$70.
By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The construction of plank sidewalks four (4) feet wide on each side of Vernon park, where good sidewalks of at least the specified width and on proper grades and alignments do not now exist; also the necessary side walk grading and gutter formation.

And whereas, The city surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$70, which estimate is hereby approved.

Resolved further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of the lots on each side of Vernon Park, which immediately abut on the parts of the aforesaid park, on which the proposed sidewalks are to be constructed under this ordinance.

And the clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, Nov. 30th, 1886, at 7:00 o'clock, at the Council Chamber, when allegations will be heard.

Adopted

FINAL ORDINANCES.

The final ordinance for Hand street widening came up, and on motion of Ald. Kohlmetz action was postponed two weeks.

FINAL ORDINANCE No. 3,064.

GENESEE STREET PLANK WALK.

On motion of Alderman Kohlmetz the Board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing—

Alderman Kohlmetz submitted the following:

An ordinance to construct a plank sidewalk on Genesee street from Brooks avenue to the City line.

The Common Council of the city of Rochester do ordain and determine that the following improvement be made, to wit:

The construction of a hemlock plank sidewalk four (4) feet wide, with white oak stringers, on the west side of Genesee street, from Brooks avenue southward to the city line, with the necessary sidewalk grading and gutter formation.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reports the same at \$90, and said estimate being found reasonable, is hereby approved; and the portion of said city which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on the west side of Genesee street, from Brooks avenue southward to the city line.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swickhard, Stein, Kelly—12.

On motion of Ald. Foley, property owners on Genesee street were granted sixty days in which to construct their own walks.

The final ordinance for McFarlin alley plank walk came up, and Ald. Foley presented the following:

By Ald. Foley—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: The undersigned respectfully shows that he is the owner of a certain parcel of land situate on the westerly side of Jeffers on ave., in this city, and about 170 feet south of West ave.; that he and his grantors have been in peaceable possession of said premises for more than 20 years last past.

That recently persons unknown to the undersigned, but claiming to act under and by authority of the Executive Board, have entered upon said premises and removed fences and damaged and injured said property.

That as the undersigned is informed, said acts were committed under the belief that McFarlin alley extended west of Jefferson ave. for a distance of about 30 feet.

The undersigned hereby gives notice that no such alley exists or ever did exist; that no part of said land was ever dedicated as a public highway, but on the contrary, has been enclosed and occupied by the grantors or the undersigned for more than 20 years last past, and he hereby protests against the interference with his private rights or the entry upon or passing over said land by any person or persons.

The undersigned further gives notice that he will hold all persons liable for damages who shall in any manner interfere with, enter upon, or aid, assist, counsel, direct or authorize any others to interfere with, enter upon, or pass over the said land or any part thereof.

Dated November 16, 1886.

Yours respectfully,

HIRAM DEFENDORF.

Ald. Foley moved that action on the ordinance for McFarlin alley plank walk be postponed two weeks. Adopted.

FINAL ORDINANCE, NO. 3,065.

NORTH CLINTON STREET IMPROVEMENT.

On motion of Ald. Kohlmetz, the Board proceeded to hear allegations in relation to the Improvement described in the Ordinance below:

After hearing such allegations from all persons appearing, Ald. Kohlmetz submitted the following:

An ordinance to widen the roadway of North Clinton street, from East Main street to Andrew street.

The Common Council of the City of Rochester do ordain and determine that the following improvement be made, to wit:

The improvement of North Clinton street from the north curb line of East Main street to the south curb line of Andrew street by taking up the existing curb stones and recessing and resetting them on lines parallel to and twenty-one and twenty-five hundredths (21.25) feet on each side from the medial line or axis of North Clinton street aforesaid, within the terminal limits named, with the substitution of new curb stones at points where none are found, or where existing curb stones prove to be so defective as to be unfit for redressing and resetting; also the paving with Medina stone of the strips on each side between the present pavement and the new curb lines as hereinbefore designated; also the required extension of the surface sewers; the extension and relaying, where necessary, of all crosswalks, both traverse and longitudinal; the changing of the location of all hydrants, telegraph, telephone and electric light poles, as well as of gas light posts where the present location interfere with the proposed improvement; the grubbing up and removal of all the trees within the street line. All of the above work referring to that portion of North Clinton street, which is included between the specified terminal limits.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby, and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reported the same at \$2,800, which estimate being deemed reasonable is hereby approved; and the portion of said city which said Common Council deem to be benefited by said improvement is described as follows:

One tier of lots on each side of North Clinton street, from East Main street to Andrew street.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

And it is further ordained and determined: That the taxpayers to be assessed for making such improvement may pay their assessments in three equal payments as follows:

One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll, and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed at six per cent. per annum.

Ald. Fritzsche presented a remonstrance against the ordinance for North Clinton street improvement, which was ordered received and filed. The ordinance was then adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Kohlmetz, Fritzsche, Foley, Mandeville, Swikehard, Weider, Stein, Kelly—11.

The final ordinance for the Culver road sewer came up and was lost by the following vote—three fourths not voting in the affirmative:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Kelly, Schaeffer—11.

Nays—Ald. Swikehard, Weider, Stein—3.

Ald. Kelly moved that the action on the final ordinance for Culver road-sewer be reconsidered. Adopted.

Ald. Kelly moved that action on the ordinance be postponed two weeks, and that the Sewer Committee be requested to report in the matter. Adopted.

FINAL ORDINANCE No. 3,066.

GRADING MORRILL STREET.

On motion of Ald. Kohlmetz the Board proceeded to hear allegations in relation to the improvement described in the ordinance below.

After hearing such allegations from all persons appearing,

Ald. Kohlmetz submitted the following:

An ordinance to grade Morrill street from North Clinton street to Joiner street.

The Common Council of the City of Rochester do ordain and determine that the following improvement be made, to wit:

The grading of the roadway and sidewalks and gutter formations on Morrill street, from North Clinton street to Joiner street.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby, and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reports the same at \$250, and said estimate being deemed reasonable is hereby approved; and the portion of said city which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on each side of Morrill street, from North Clinton street to Joiner street.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly—13.

By Ald. Elliott—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: In answer to the following reso-

lution adopted by your Honorable Body, upon motion of Ald. Elliott, namely:

"Resolved by the Common Council of the City of Rochester that the City Attorney be requested to furnish, within thirty days, to this board, concerning the following points:

Has the Common Council of the City of Rochester any authority to direct The Rochester City & Brighton Railroad Company to do its bidding, and if so, what?

Has the Common Council of the city of Rochester a right to impose a license upon the cars operated on its various lines of railway within the city of Rochester by the Rochester City & Brighton Railroad Company?

Was ever any such license imposed, and was the same ever paid?

If any license fee was ever demanded of The Rochester City & Brighton Railroad Company, on what ground was its payment refused, if at all, and when, why, by whom was the law (if any such law existed allowing the city to impose such license) repealed, whereby The Rochester City & Brighton Railroad Company escaped payment of principal and interest of any such licenses, which, for any reason, they refused to pay?"

I would respectfully submit the following for your consideration:

The Rochester City & Brighton Railroad Company, of which the present company is the successor, was incorporated by Articles of Association dated May 20, 1862, acknowledged May 27, 1862, and filed in the office of the Secretary of State May 31, 1862, in and by which articles the persons whose names were thereto subscribed associated themselves together and formed a company by the name of "Rochester City and Brighton Railroad Company," for the purpose of constructing, maintaining and operating a railroad for public use in the conveyance of persons and property in the county of Monroe, under and in pursuance of the provisions of an act entitled, "An act to authorize the formation of railroad corporations, and to regulate the same," passed April 2, 1850, and by the Legislature of the State of New York and the several acts amendatory thereto; the said railroad to be constructed, maintained and operated from some point in the town of Brighton, Monroe county, with single or double tracks through and along East avenue, Main and Buffalo streets and West avenue, in the city of Rochester, into the town of Gates, Monroe county; also from the said town of Brighton through Mount Hope avenue into Clarissa street, to and through Exchange street to State street, in the city of Rochester, and through State street and Lake avenue, so called, into the town of Greece; also from the junction of Clarissa street and Mount Hope avenue through said avenue to and through South St. Paul street to Main street; also through Court street to Clinton street; also through North St. Paul street; also through Main street through Clinton street to Monroe street; through Monroe street to Alexander street; through Alexander street to East avenue in the city of Rochester, with such tracks, switches and turnouts as the public interest might from time to time require, the whole distance not to exceed seventeen miles; that the said company was to continue ninety-nine years; that the capital stock of said company is \$200,000, divided into 2,000 shares of \$100 each, with the privilege of increasing it to \$300,000 by a vote of the directors of said company.

It further appears that the old company, in October, 1862, executed a mortgage to Hobart F. Atkinson, as trustee, stating that for the purpose of constructing a line of railroad, to be maintained and operated from some point in the town of Brighton, Monroe county, with single or double tracks, through and along East avenue, Main and Buffalo streets and West avenue into the town of Gates; also from the said town of Brighton through Mount Hope avenue into Clarissa street, and through Exchange street to State street, in the city of Rochester, and through State street and Lake avenue, so-called, to the town of Greece; also from the junction of Clarissa street and Mount Hope avenue through said avenue to

and through South St. Paul street to Main street; also through Court street to Clinton street; also through North St. Paul street; also through Clinton street to Monroe street, and through Monroe street to Alexander street, and through Alexander street to East avenue in the city of Rochester with such tracks, switches and turn outs as the public interest might, from time to time, require, the whole distance not exceeding seventeen miles, and did in that mortgage recite the consent of the Common Council of the city of Rochester to construct said railroad, passed June 24, 1862, and hereinafter set forth, and did in said mortgage recite the fact that on October 16, 1862, at a meeting of said company, the said mortgage was ordered to be executed upon their line of railroad tracks, turn outs, switches, side tracks, barns, shops, cars, rolling stock, horses and all other equipments and appurtenances then owned, or thereafter to be acquired, and also upon the corporate franchises and property and corporate rights, and which mortgage was given to secure the payment of certain bonds to be issued.

In January, 1868, said mortgage was duly foreclosed, and all the property, rights and franchises of said corporation were, on February 28, 1868, sold at a public sale, had under and by virtue of a judicial decree of the Supreme Court, in said action, to Chauncey B. Woodworth; and thereafter said Woodworth associated with himself other persons and duly filed articles of association and incorporation signed by them, dated March 3, 1868, and acknowledged March 4, 1868, and which articles were duly filed in the Secretary of State's office March 5, 1868, the following being the material portions of said articles of said association:

"Whereas, By articles of association filed in the office of the Secretary of State on the 31st day of May, 1862, by Nathan Randall and others, a corporation was organized under the name of the Rochester City & Brighton Railroad Company, for the purpose of constructing, maintaining and operating a railroad for public use in the conveyance of persons in the county of Monroe, as was therein more particularly described and explained; and

Whereas, The said Rochester City & Brighton Railroad Company, after being thus organized, did on the 16th day of October, 1862, execute to Hobart F. Atkinson a mortgage of all its property, corporate rights and franchises, in trust, for the security of the bonds of said corporation thereafter to be issued, to the amount of one hundred thousand dollars, which mortgage was recorded in the office of the Clerk of the County of Monroe in Liber 108 of mortgages, at page 217; and

Whereas, Default having occurred in the conditions of said mortgage, an action in the Supreme Court for the foreclosure thereof and for the sale of the property and rights therein conveyed, was in the month of January, 1868, commenced by said Hobart F. Atkinson, trustee, etc., and such proceedings were had therein that a judgment of foreclosure and sale was obtained on the 6th day of February, 1868, and a sale under said judgment of all of said property, rights and franchises was had on the 23rd day of February, 1868, at which Chauncey B. Woodworth became the purchaser of said property, rights and franchises, and received a conveyance of the same in due form from the officer making such sale, which is recorded in the office of the Clerk of the County of Monroe, and is now the lawful owner of all of said property, corporate rights and franchises; and

Whereas, The said Chauncey B. Woodworth is desirous of associating with him persons whose names are subscribed hereto, and is desirous that he and they shall thereby become a corporation under and pursuant to an act to authorize the formation of railroad corporations and to regulate the same, passed April 2, 1850, and the several acts amendatory thereof, especially chapter two hundred and eighty-two of the laws of 1854.

Now, therefore, the persons whose names are subscribed hereto hereby associate themselves together and form a company by the name of the Rochester City & Brighton Railroad Company, for the purpose of maintaining and operating the railroad in the city of Rochester heretofore construct-

ed and operated by the said Rochester City & Brighton Railroad Company, a corporation organized as aforesaid on the 31st day of May, 1862, in and through the streets wherein the said railroad is now laid and run, and in and through such other streets as the public interest may hereafter require, with such other tracks, side tracks, switches and turnouts as such public interest may from time to time demand.

The said company is to continue ninety-nine years.

The capital stock of said company shall be seventy thousand dollars, which shall be divided into seven hundred shares of one hundred dollars each, with the privilege of increasing the same to one hundred and fifty thousand dollars.

The names and places of residence of the thirteen directors chosen to manage the affairs of the company for the first year, and until others are chosen in their places, are:

Chauncey B. Woodworth, Rochester, N. Y.
Patrick Barry, Rochester, N. Y.
George Elwanger, Rochester, N. Y.
George G. Munger, Rochester, N. Y.
Jacob M. Schermerhorn, Homer, N. Y.
Lewis Henry, Homer, N. Y.
James A. Schermerhorn, Courtlandville, N. Y.
Lewis Chapin, Rochester, N. Y.
Francis Gorton, Rochester, N. Y.
Samuel Wilder, Rochester, N. Y.
James M. Whitney, Rochester, N. Y.
Chauncey C. Woodworth, Rochester, N. Y.
Asa Sprague, Rochester, N. Y.

Since said incorporation in 1868 the present company has been operating said railroad and the additions which have been made thereto, claiming the right so to do under and by virtue of their articles of incorporation and also the ordinance or resolution (grant or contract) passed as aforesaid on June 24, 1862, which resolution or ordinance appears in the records of the Common Council of the city of Rochester for the years 1862-63, and was passed or adopted June 24, 1862, it being found at pages 44 to 47 inclusive of the printed proceedings of that period, and was introduced by Ald. St. John (page 44 of said proceedings), and adopted by a vote of 17 to 5 (page 47 of said proceedings), and the following being a copy of such resolution:

"Resolved, That the Common Council of the city of Rochester will permit to be constructed in said city by the Rochester City & Brighton Railroad Company, a corporation organized under and by the authority of the general railroad law, passed April 2, 1850, and the several acts amending the same, a railroad which shall commence in the town of Brighton, Monroe county, to run along the Brighton road to East avenue in said city; along East avenue, Main and Buffalo streets and West avenue to the town of Gates; also, from East avenue along and through Prince street to University avenue, and through University avenue to Main street; also, from University avenue along Main street to East avenue; also, from the town of Brighton through Mt. Hope avenue to and through Clarissa to Greig street; also, through Greig street to and through Plymouth avenue to Buffalo street; also, from Clarissa street to and through Exchange street to Buffalo street; also, from Buffalo street through State street and Lake avenue, so called, into the town of Greece; also, from the junction of Clarissa street and Mt. Hope avenue through said avenue and through South and North St. Paul streets to the town of Irondequoit; also, from Main street through Clinton street to Monroe avenue, and through Monroe avenue to and through Alexander street to East avenue; also, from Main street through North Clinton street to the town of Irondequoit. To be constructed, established, maintained and operated upon the terms, conditions and stipulations hereinafter prescribed.

Section 1. Such railroad shall consist of a single track, to be laid in the center of the streets and avenues named, unless the Common Council shall otherwise direct in respect to some of the wider streets and avenues, with necessary turnouts, side tracks and switches, and to be constructed with the improved Philadelphia broad rail of the most approved kind and weight,

six inches face, half inch raised edge, to be laid flush with surface of street and four feet and ten inches apart between the raised edges, so as to accommodate the most common width of carriage wheels and to be laid upon suitable timbers, with suitable cross ties.

Section 2. The track of the said railroad shall be so laid as to permit the free passage of vehicles and carriages over the same, and the rails shall be laid even with the surfaces of the streets, and shall conform to the grades thereof as now established, or as they shall from time to time be established or altered. Said company shall, under the direction of, and as required by the Common Council of the City of Rochester, improve, with such suitable material as said Common Council shall direct, and in a proper manner between the rails and for two feet and four inches outside thereof, and shall keep the surface of the street inside the rails and for two feet and four inches outside thereof in good repair, and all dirt and filth removed therefrom as may be directed and required by the said Common Council.

Section 3. During the operation of laying the rails a free passage for carriages and vehicles over the street shall be kept open, and immediately after the rails shall be laid the pavement, flagging and other materials necessarily removed in laying the same, shall be replaced in a good and substantial manner as before such removal, and the surface of the pavement made flush with the rails, and no portion of the pavement or surface of the streets shall be kept broken or disturbed for a greater time than five days. And all surplus street material shall be carefully removed by said company and deposited at such place or places adjacent to the street as may be directed by the officer having charge or the repairs of the same.

Section 4. The cars to be used on the railroad shall be drawn by horses and mules only, at a speed not exceeding the rate of seven miles per hour, and shall run as the Common Council shall provide, as often as public convenience shall require, or the Common Council shall prescribe, provided always that said Council will not require them to run oftener than once in fifteen minutes during fourteen hours every day.

Section 5. The Common Council shall have the right to require that the cars shall commence running as early as six o'clock a. m. of each day in the year, and the fourteen hours mentioned above shall commence at that hour in the morning. Said Common Council shall have the further right to require that said company after the expiration of said fourteen hours of each day, shall run their cars on each such day as often as every half hour until eleven o'clock in the evening, and as often as once each hour during the entire night after eleven o'clock, if the Common Council shall so direct. And said Common Council may regulate or prohibit the running of cars on Sunday.

The said company, while they comply with the requisitions in respect to running their cars above referred to, may run their cars as much oftener as they shall choose, either on the whole length or over a portion or portions of said road.

Section 6. The said company may charge and collect from every person entering their cars or carriages, for riding any distance upon said road, on the same continuous route, a sum not exceeding five cents, except children under five years of age accompanied by parents or other person having them in charge—such children to ride free.

Section 7. No car shall be allowed to stop on a crosswalk, nor in front of an intersecting street, except it shall be necessary to avoid collisions, or to prevent injury to persons in the street.

Section 8. When the conductor of any car is required to stop at the crossing of any two streets to receive or land passenger, the car shall, if convenient, be stopped so as to leave the platform slightly over the crossing.

Section 9. It shall be the duty of the company to employ careful, sober and prudent agents, conductors and drivers to take charge of their cars while on the road, and it shall be the duty of such agents, conductors and drivers, so far as the same is practicable, to keep a vigilant watch for all

teams, carriages and persons on foot, and especially children, either upon the track or moving towards it, and at the first appearance of danger to such teams, carriages, footmen, children, or other obstructions, the cars shall be stopped in the shortest time and space practicable. The company may, in their discretion, run cars without any other conductor than a driver.

Section 10. The conductor shall not allow women or children to enter or leave the cars while in motion.

Section 11. Conductors shall announce the names of the principal streets and avenues as the car reaches them.

Section 12. While the cars are turning the corners from one street to another, they shall not be moved faster than a walk.

Section 13. Cars driven in the same or opposite direction on the same track, shall not approach each other within a distance of two hundred feet, except in case of accident, or when it may be necessary to connect them together, and also, except at stations and turnouts.

Section 14. Whenever there shall occur a fall of snow which materially obstructs the track and allows vehicles to pass over the same on runners, the company is authorized and required to use a sufficient number of sleighs to convey passengers over their road from day to day until the cars can be used on the tracks, and to so use said sleighs the same as they have a right to run their cars, and to charge fare for the carriage of passengers on such sleighs, the same as if said passengers were carried on their cars.

Section 15. Whenever it shall be necessary to remove any snow or ice from the track or tracks of said road, the same shall be done by said company; in such manner, and so evenly spread on the street, as not to obstruct the free passage of sleighs or other vehicles along said street, or in crossing the same at or upon cross streets. The use of salt for the purpose of removing snow or ice from said track or tracks, or for any purpose, is expressly prohibited.

Section 16. The said company shall place, and keep placed, a printed copy of the foregoing rules and regulations, from number six to number thirteen, both inclusive, in a conspicuous place in each car run upon the road.

Section 17. It is hereby reserved to the Common Council of the city of Rochester the right to make such further orders, rules and regulations, in relation to the construction, repairs and operation of said railroad as shall from time to time may be deemed necessary to protect the interests of said city, and the safety, welfare or accommodation of the public, but no alteration of these rules shall be made which shall have the effect to impair the substantial rights of said company.

Section 18. Wherever gas or water pipes or sewers are now laid in any street or avenue, the said railroad must be laid down and maintained subject to the rights over the same now in the city, and the gas and water companies to take up, alter, repair or remove said pipes or sewers in such manner as not unreasonably to damage or injure said railroad or its use, without claim for damage to said city, gas or water companies, and the Common Council expressly reserves to itself the right hereafter to lay down, or permit to be laid down in said streets and avenues, gas or water pipes and sewers, and to alter, improve or repair said streets or avenues whenever the public or private convenience may require.

Gas or water companies, or private individuals, who shall take up pavement or excavate the street for the purpose aforesaid, being always required, as by the present city ordinance, to restore the street to its former condition.

Section 19. In case said company shall fail to keep said streets and avenues, in which their said railroad shall be laid, in repair, as herein provided, and shall neglect to make such repairs for two days, after notice, in writing, from the street commissioners, or other officers, having supervision of repairs of streets or avenues, served upon the superintendent or other managing officers of said railroad, specifying the repairs, the said Common

Council shall have the right to cause such repairs to be made, and to assess the expense thereof upon the property of said company, or sue for and collect the same of said company.

And in case said company shall fail to comply with any of the rules and regulations of the Common Council herein contained or provided for, the said company shall pay to the city a penalty of twenty-five dollars for each and every violation, and if the said company shall refuse or neglect to comply with any of such rules and regulations after notice served in writing on the superintendent or other managing officer of said railroad, requiring compliance, the said company shall pay to the city an additional penalty of twenty-five dollars for each and every day during which such violation is continued. Provided, however, that action for such penalty or penalties shall be brought within two months from the time of such violation.

Section 20. The construction of said railroad shall be commenced within four months from the passage of this resolution, and said railroad shall be completed in and upon all the streets and avenues hereinbefore mentioned, and the cars running thereon within three years thereafter.

Section 21. It is expressly provided hereby that a majority of the directors of said railroad company shall, at all times be residents of the said city of Rochester.

Section 22. The said company shall not be permitted to use or run any other than passenger cars upon said railroad within the corporate limits of said city of Rochester, between the hours of six o'clock in the morning and eight o'clock in the evening, except for the purpose of conveying the baggage of passengers, when necessary, between the New York Central and Genesee Valley railroad depots.

Section 23. Should said company fail to complete said railroad, and commence running their cars within the time limited by these rules, or shall said company within the time limited by this grant, neglect to run cars or sleighs on said railroad, after the completion thereof, for the accommodation of the public, as provided by the rules and regulations of the Common Council, for the space of two consecutive months, then the said company shall forfeit all privileges and rights which they may have acquired by said grant, or by the use or possession of said streets and avenues, and in such case the city of Rochester reserves the right to cause all obstructions and materials placed in said streets or avenues by said company to be removed therefrom, and said streets and avenues put in as good condition and repair as they were before said materials and obstructions were placed therein, and the expense thereof shall be paid to said city by said railroad company, and said city also in such case reserves the right to grant the same rights and privileges to any other person or persons, corporation or corporations, free from all charge or liabilities for damages on account thereof.

Section 24. It is expressly provided that the said grant and the powers, rights and privileges proposed to be conferred to said company shall, and they are hereby, limited to the period of thirty years from and after the date and acceptance of the same by the said railroad company.

Section 25. This resolution or grant shall not be binding on said city, unless formally accepted by said railroad company, within sixty days, in such manner as shall legally bind said company to perform the same on their part, and shall be approved by the attorney of said city.

Section 26. Before placing any car proposed to be used on said railroad, and annually thereafter, said company shall pay to the treasurer or the city of Rochester, and for the use of the city, five dollars for each such car, and obtain from the mayor of the city a license therefor, which it shall be his duty to grant without fee or reward, on the production of the treasurer's receipt for such payment. The company shall also have the number of each car painted on a conspicuous place on the outside thereof.

Section 27. If by reason of any act, omission or neglect of the said railroad company, its officers or

agents, the corporation of the city of Rochester shall be subjected to any damages or liability, the said railroad company shall be liable to the said city to the same extent.

Section 28. The company shall not charge or receive from children under twelve years of age in going to or from school more than two cents each.

On July 8, 1862, at a regular meeting then held, the following consent and acceptance upon the part of the company and indorsement thereof by the City Attorney, was received, and appears at page 50 of said proceedings, namely:

Acceptance by the Rochester City & Brighton Railroad Company. At a meeting of the directors of the Rochester City & Brighton Railroad Company, duly convened pursuant to notice, at Congress Hall, in the city of Rochester, June the 25th, 1862, at 2 o'clock p. m.:

Present—Thomas J. Barr, Edward R. Phelps, Lewis Selye, Hubbard S. Allis, Horace A. Palmer, Nathan Randall, John Butler, Jr., Albert H. Hager, directors of said company. John Butler, Jr., was duly appointed chairman and L. Ward Clarke, secretary.

After the organization of the company by the election of a permanent president, as required by law, to wit: William Kidd, Esq., and in the absence of said president, Mr. Allis, one of the members of the board, having communicated to the board the action or resolutions of the Common Council of the city of Rochester, bearing date the 24th day of June, 1862, granting to this company the right to build a railroad in certain streets and avenues of the city of Rochester, as set forth in said resolutions, upon the terms and conditions and with the restrictions contained in said resolutions, as passed in the proceedings of the Common Council, it was, on motion of Mr. Allis, unanimously

Resolved, That said grant be accepted by this company, as passed by the said Common Council, subject to the provisions, conditions and restrictions therein contained, and this company hereby binds itself to observe and keep all the conditions and requirements of said grant.

Resolved, That the secretary be instructed to communicate a copy of the foregoing resolutions and proceedings to the Common Council, first submitting the same to the City Attorney for his approval thereon.

A correct copy of the minutes.

L. W. CLARKE, Secretary.

Filed June the 26th, 1862, at 9 o'clock a. m.

C. N. SIMMONS, City Clerk.

The foregoing acceptance is hereby approved by me as sufficient in form to bind the above named company.

JOHN McCONVILL,
City Attorney.

June 26, 1862."

At a special meeting held July 23, 1862, (see page 65 of 1862-3 proceedings,) the following resolution, introduced by Ald. Holmes, was adopted, namely:

"Resolved, That the franchise granted The Rochester City and Brighton Railroad Company, by this Board, June 24th, last, be amended. Section No. 1, so as to read five inch face instead of six inch face, it being a mistake in engrossing the original papers."

At a regular meeting, held August 25, 1863, (page 86, 1863-4 proceedings,) the following resolution was adopted:

"Resolved, That the Rochester City and Brighton Railroad Company are hereby authorized to extend their road, or track, from Exchange street through Court street to Clinton street, thence through Clinton street to Monroe avenue, thence through Monroe avenue to Alexander street, and thence through Alexander street to East avenue, on the same terms and conditions as are contained in the contract between the city and said Rochester City and Brighton Railroad Company."

On November 14, 1866, at an adjourned meeting, (page 145, 1865-7 proceedings,) on motion of Ald. Cram the company were granted permission to lay a second track in Mount Hope avenue, from Clarissa street bridge to Mount Hope entrance, according to the prayer of their petition."

At an adjourned meeting held June 12, 1867, (see page 39 proceedings 1867-8) the following amend-

ment to section two was adopted by a vote of 24 to 1:

"Street railroads.

"By Ald. Cram—Resolved, That section 2 of the ordinance relating to street railroads be amended so as to read as follows:

"Section 2. The track of said railroad shall be so laid as to permit the free passage of vehicles and carriages over the same, and the rails shall be laid even with the surface of the streets, and shall conform to the grades thereof as now established, or as they shall from time to time be established or altered. Said company shall, under the direction of, and as required by the Common Council of the city of Rochester, improve the streets and bridges through which their track shall be laid, upon such grade, and in such manner, and with such suitable material as said Common Council shall direct, in a proper manner between the rails, and for two feet four inches outside thereof, and shall keep the surface of the street, and of such bridges, inside the rails and for two feet four inches outside thereof, in good repair, and all the dirt removed therefrom, as may be directed and required by said Common Council."

At a regular meeting held March 6, 1868, (page 192 proceedings 1867-8) the following ordinance, or rather amendment to the ordinance, was adopted and enacted by the Common Council, namely:

"By Ald. Quinn—Resolved, That the ordinance in relation to street railroads, passed June 24, 1862, is hereby amended by adding thereto the following:

Section 29. The said railroad corporation, or any other corporation or company, which has been, or may be hereafter, organized to construct or operate a railroad in the streets of said city, shall, as often as once a week, remove all dirt, filth, snow and ice from the surface of the street inside the rails, and for two feet four inches outside thereof; and in case any such company or corporation shall refuse or fail to comply with this ordinance, shall pay to said city a penalty of twenty-five dollars for each and every day it shall so refuse or neglect.

Section 30. All the provisions of the foregoing ordinance shall be and are hereby made applicable to any new company or corporation which has been, or may be hereafter, organized to construct or operate a railroad in the streets of said city upon the said company or corporation giving its assent thereto. And in case it shall neglect or refuse to file with the city clerk such assent in writing within five days from the service on its president or secretary of a copy of this resolution, then the consent of the city of Rochester to the construction, maintenance and operation of such street railroad within the limits of said city is hereby withdrawn."

On June 30, 1868, at an adjourned meeting, permission was granted to the company to lay a double track through Buffalo street from State street to west side of the Erie canal (page 119 proceedings of 1868-1870.)

At the regular meeting held May 26th, 1868 (see pages 32, 33, proceedings 1868-1869), a communication was received from the new company, being the present company, dated May 22, 1868, and signed by P. Barry, president; F. Gorton, secretary, and C. B. Woodworth, Samuel Wilder and George G. Munger, directors, wherein it is stated that they are required to keep the streets of the city between the rails of their tracks, and for two feet and four inches outside thereof, in constant repair, and all dirt and filth removed therefrom as might be required by the Common Council, and claiming that its hardship in that regard would be further manifest when another provision in the ordinance by which the company was required to pay into the city treasury five dollars a year for every car run by the company, and therein they asked that they be relieved wholly from the care and repairs of the streets, and also that they might ask an increased rate of fare, upon that communication a report was made, by a committee appointed, that the communication be granted. See pages 84, 85 of said proceedings.

81

On June 10th, 1868, upon motion of Ald. Stebbins, Sections 2, 6, 28 and 29 of said ordinance of June 24th, 1862, was amended so as to read as follows:

Section 2. The track of said railroad shall be so laid as to permit the free passage of vehicles and carriages over the same, and the rails shall be laid even with the surface of the streets, and shall conform to the grades thereof as now established, or as they shall from time to time be established or altered; and whenever new tracks or switches are laid or repaired, by which the pavement of any street shall be in any way disturbed, the same shall be immediately replaced by the said company in as good conditions as when originally laid. Said company shall immediately repair the streets through which their tracks are now laid, both inside their tracks and outside thereof, so as to bring the surface of the pavement or Macadam even with the tops of their rails and to the acceptance of the street superintendent and street commissioners; and the said company shall, at all times, under the direction of, and as required by, the Common Council of the city of Rochester, keep the roadway within their tracks in good repair and even with the trams of their rails, but shall not be required to repair the streets outside of their tracks after the same shall have been placed in repair by the said company to the acceptance of the said street superintendent and commissioners, as aforesaid.

Section 6. The said railroad company may charge and collect from every one person entering any of their cars or carriages for riding any distance upon said road, on the same continuous route, a sum not exceeding 8 cents; but all conductors and such other agents as the said company may appoint for such purposes, shall be constantly supplied by the said company with tickets, which they shall furnish to passengers or other persons at the following prices, to wit: Four single tickets, or one ticket entitling the holder to four fares, for a sum not exceeding twenty-five cents; eight tickets, or one ticket entitling to eight fares, fifty cents and sixteen tickets or one ticket entitling to sixteen fares for one dollar. Children under five years of age, when accompanied by their parents, or other persons having them in charge, shall ride free; children under twelve years of age, going to or returning from school, shall not be charged more than four cents each.

Section 28. The said company may build a double track or such side tracks connecting with their present tracks, as they require, from the Erie railway depot on Exchange street, through Exchange, across Buffalo and through State streets to Lyell street, all of which when done must be in accordance with sections two and three of this ordinance.

Section 29. The said company shall make a statement, certified to by their executive officer, of the condition of the business of said railroad twice each year, which statement shall be presented to the Common Council at their first regular meeting in July and January of each year, until otherwise ordered by the Common Council.

Ald. Qualtrough moved to amend by striking out "the Erie Railway" wherever it occurs in the ordinance, and insert in lieu thereof, "The Genesee Valley Railroad." Carried.

Ald. Cram moved to amend the ordinance so as the company will be required to pave that portion of the streets and avenues lying between their rails, and one foot on each side thereof, with Medina stone, even with the grades of the streets and avenues.

Ald. Ratt moved to strike out all of the ordinance excepting that portion relating to the increase of fares.

Carried as follows:

Ayes—Ald. Qualtrough, Remington, Crouch, Cochrane, Sidey, Ratt, Jeffords, Taylor, Caulfield, Thompson, Charters, Roche, Bingemer, Miller, Quinn, Parsons—16.

Nays—Ald. Cram, Lutes, Rochester, Elyea, Burke, Woodruff, Withall, Stebbins, Mauder—9.

The ordinance, as amended, was then adopted. (See page 62, proceedings 1868-1869)

On October 30, 1868, (see page 150 proceedings 1868-9) the present company, by a communication

dated October 26, 1868, requested that section 2 be modified, and the same was thereupon referred to a special committee of five, who at the meeting held November 24, 1868, (see page 158 of said proceedings) reported that said section should be modified, and, subsequently on December 1, 1868, (see page 167-8 of said proceedings) and section 6 was amended by providing that the company should not charge a sum exceeding five cents fare from any person for riding any distance upon their road on the same continuous route.

At a meeting of the Common Council, held July 9, 1878, the company submitted the opinion of Mr. J. Breck Perkins, their attorney and counsel at that time, in response to a resolution which appears to have been previously passed by the Common Council, requiring the treasurer to collect a license fee for each car, in which opinion Mr. Perkins claimed that the city could not exact such license fee, basing his claim upon an act of the Legislature, passed in 1869; and further, that no penalty was attached for a failure to pay such license fee, and, also, that the old company, which had accepted the terms of the ordinance of June 24, 1862, by which such fee was exacted, had passed out of existence, and the new company was not subject to its liabilities, (see communication and opinion of Mr. Perkins at page 86 of proceedings of 1878-9).

At a meeting of the Common Council, held July 23, 1878, (see pages 97 and 98 of proceedings, 1878-9) the late Albert G. Wheeler, then city attorney, to whom had been referred the claim of the city against the company to force the collection of said annual tax or license fee of five dollars on each car used on the road, after referring to sections 26 and 30 of said ordinance of June 24, 1862, and sections 1 and 6 of said act of 1869, passed February 27, 1869, entitled "An act for the relief of said company" reported that the city had never taken any steps until that time to compel either the old or the new company to pay for, or take out, the license exacted by said ordinance of 1862; that the new company claimed it had the right to operate its road under the act of the Legislature aforesaid, irrespective of said ordinance, and that the question of the collection of said license fee was one not free from doubt, and upon which courts might reasonably differ, and that, in the opinion of the learned city attorney, the city had not placed itself in a position to enforce said ordinance against said new company, and, therefore, no action could then be maintained against it to enforce the collection of said tax or license fee.

Matters thus continued until 1880, when the Common Council passed an ordinance on November 30, 1880 (page 197, Proceeding 1880-1), the ordinance thus passed being found in the minutes of November 16, 1880, at pages 175-6 of said proceedings, which ordinance related to street railroads, but did not require the payment of any license fee, and which was evidently intended to be a substitute for said ordinance of June 24, 1862, but, by reason of the 1880 ordinance, requiring the acceptance of its terms in the same manner and form as required by said ordinance of 1862, and no acceptance of its terms and conditions having been, at any time, heretofore filed by the company, the said ordinance can, therefore, be deemed not binding upon the company.

I am of the opinion, however, that the ordinance of 1862, heretofore set forth, applies to, and is binding upon the present company, for the reason that it is asserting its rights under the grants and conditions giving the old company, and the new one, its successor, by said ordinance, as will appear from a communication signed by the president of the new company and dated March 16th, 1878, and presented at a regular meeting of the Common Council, held April 16th, 1878, (see page 25, proceedings 1878-9), in which said company, referring to an application made for leave to build a street railroad in North St. Paul street, say:

"This company suggests, for your consideration, that so far as it has constructed its track, under your permits, its right is exclusive, so long as it maintains and operates it; (see section 23 and

25 of the ordinance of June 24th, 1862); and interference with such right would, of course, lead to litigation." And, also, for the further reason, in my opinion, that said act of 1869 (chapter 34, laws of 1869), providing as follows:

"Section 6. This act shall not be construed as in any way impairing the force or effect of the resolution or ordinance of the Common Council of the city of Rochester, entitled 'An ordinance in relation to street railroads,' passed June 24th, 1862, and the amendments thereof, except as herein specifically provided," would seem to reaffirm and make binding upon said new, or present, railroad company the terms and conditions of said ordinance of 1862, except as is therein otherwise provided, which act does not, in my opinion, in any wise impair the control and supervision of said company by your honorable body, nor does it seem to affect the right to exact the license fee provided for in said ordinance from the company.

The opinion of Mr. Wheeler, in my opinion, was based upon the erroneous assumption that no assent was ever filed to said ordinance or contract of June 24th, 1862, which it is respectfully submitted has been shown to be on the contrary.

It would seem to me that an amicable adjustment of the matters in difference between the city and your honorable body on the one hand, and the company on the other could and ought to be made, and, as tending to produce such an adjustment, a refusal on the part of your honorable body to grant further concessions, rights or privileges to said company in the future until such adjustment is made, will tend to effect such result.

Respectfully submitted,

IVAN POWERS, City Attorney.

Ordered received, filed and published.

By Ald. Foley—Resolved, That a pawn-broker's license be issued to Wheeler & Wilson for No. 39 East Main street, until April 1st, 1887, upon the payment by them into the city treasury of the sum of seventeen dollars (\$17). Adopted.

By Ald. Elliott—Resolved, By the Common Council of the city of Rochester, That the city attorney be instructed to report to this board, at the next regular meeting, if the Common Council has authority to order the telephone, telegraph, electric light and district messenger companies of this city to place their wires under ground within a radius of three-fourths of a mile from the center of Main street bridge, provided at least a year's notice be given of the time when such wires must go under ground.

Resolved, If no such authority exists, that the city attorney be instructed to draw up an amendment to the charter that will permit that said wires be put under the ground, under direction of the city, and that the same be presented to our Senator and member of Assembly next winter, with a request from this Council that the same become a law. Adopted.

By Ald. Elliott—Resolved, By the Common Council of the city of Rochester, that the Board of Health be instructed to co-operate with the Executive Board to the end that the sewer vent holes in the various streets, lanes and avenues of the city be kept open and free at all seasons of the year, and especially in the winter, when they are liable to be covered to the detriment of the health of the people. Adopted.

Ald. Elliott moved that the Executive Board be requested to notify the Rochester City & Brighton Street Railway Company to remove its tracks from that portion of Court street, where tracks were recently permitted to be laid, within ten days, and if not done in that time the Board be authorized to remove them and charge that Company. Adopted.

By Ald. Kohlmetz—Whereas, A resolution adopted November 17, 1885, relating to im-

improvements on North St. Paul and Clinton streets, under the elevated tracks of the N. Y. C. & H. R. railroad, was referred to the Executive Board, with a direction to said board to take such action in the premises as the necessities of the case required; therefore, be it

Resolved, That the Executive Board be requested to report to this Council at its next regular meeting what action, if any, has been taken by it under and in pursuance of said resolution. Adopted.

By Ald. Marson—

Resolved, That the City Clerk draw an order in favor of James J. Coughlin for eighteen dollars, being for services in the matter of the opening of a street from Campbell street to Jay street, and the opening and extension of Evergreen Park, payable from Contingent Fund, and that the Treasurer charge and carry \$14 thereof to the fund for the opening of a street from Campbell street to Jay, and \$4 thereof to the fund for the opening and extension of Evergreen Park, when said funds are created, as part of the cost and expense thereof.

Ald. Kelly moved that part relating to Campbell street be stricken out. Adopted.

The resolution as amended was then adopted by the following vote:

Ayes—Ald. Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein—11.

Nays—Ald. Kelly—1.

By Ald. Coughlin—Resolved, That the City Clerk draw an order in favor of Chas. McDonald for the sum of \$585.72, for lighting oil lamps for month of October, and charge Lamp Fund. Lost by the following vote:

Ayes—Ald. Coughlin, Marson—2.

Nays—Ald. Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Kelly—10.

Ald. Coughlin moved that the bill of Chas. McDonald, \$585.72 for lighting oil lamps for month of October, be referred to the Law Committee. Adopted.

By Ald. Kohlmetz—

To the Honorable the Common Council of the City of Rochester:

The Rome, Watertown and Ogdensburg Terminal Railroad Company respectfully prays leave to extend and lay its tracks across North St. Paul street from their present location; thence by bridge across the Genesee river to a point on Cliff street nearly opposite said present location; thence along the northerly extension of Cliff street (as mapped but never filled in or improved,) and along Cliff street to the place where said street turns west to Lake avenue; thence southerly across Vincent place between Vincent place bridge and State street or Lake avenue; thence southerly and westerly to the "Whitney Homestead," so-called, there to locate its passenger and freight depots for the west side of the river. Also to lay a single track along Mill street north of the New York Central & Hudson River railroad or Brown's race or both, for purposes of receiving and delivering freight thereon, provided a majority of the owners of real estate thereon consent thereto. Each of said street crossings to be at grade, except as hereinafter stated, and guarded in the most approved manner with the best modern appliances, and so planked and constructed as not unduly to interfere with the passage of teams along said streets or the use thereof; the northerly portion of Cliff street to be filled in as may be necessary, and the portion of said Cliff street which has been improved, and each and every of the other streets above mentioned to be restored to and kept as nearly as may be in its present con-

dition, and so that the usefulness of said streets for teaming purposes shall not be unduly impaired.

Also that your petitioner be allowed to raise the present grade of North St. Paul street four feet at the place of said crossing, and the said crossing to be made thereunder, and the approaches thereto to be properly graded, and said street restored as nearly as may be to its present condition, and that Scrantom street may be lowered four feet below its present grade, and approaches to be graded as above provided.

To the Honorable the Common Council of the City of Rochester:

We the undersigned occupants and owners of premises on Cliff street hereby pray that your honorable body will grant the prayer of the Rome, Watertown & Ogdensburg Terminal Railroad Company for leave to lay its tracks on Cliff and other streets be granted without delay.

By Ald. Foley—Whereas, His Honor, the Mayor, has vetoed the resolution of this Common Council authorizing him to enter into a contract with Mr. Oscar H. Peacock for the completion of the map and surveys of the city of Rochester for use in and by the assessor's office, on the ground that said proposed contract was indefinite, uncertain and unlimited as to time. And, whereas, it is necessary to have the said work of maps and surveys completed as soon as possible; now, therefore, be it

Resolved, That the Mayor be, and he hereby is, authorized to enter into a contract with Oscar H. Peacock for the completion of the proposed work relating to said maps and surveys at a salary to be paid the said Oscar H. Peacock at the rate of \$2 500 per year, including office rent; and that he be allowed the further sum of \$280 per month in full payment for four assistants, such salaries to be paid monthly from the contingent fund, said contract to be for the term of one year, unless the work of surveys and maps be sooner completed, said contract to be approved as

to form by the city attorney; and in case the proposed work is completed in a less time than one year, the said Oscar H. Peacock is to be paid only for the time actually engaged in completing the aforesaid work of maps and surveys.

On motion of Ald. Coughlin action was postponed two weeks.

On motion of Ald. Foley the Board then adjourned.

PETER SHERIDAN, City Clerk.

In Common Council, Nov. 23, 1886.

SPECIAL MEETING.

Ald. Wm. H. Tracy, President of the Board, presiding.

Present—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

Absent—Ald. Selye—1.

By the Clerk—

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Nov. 23, 1886. }

Peter Sheridan, Esq., City Clerk:

DEAR SIR—Please call a special meeting of the Common Council for this Tuesday evening at 7 o'clock at the Common Council Chamber, for the purpose of considering the resolution granting certain franchises to the R. W. & O. R. R. Co., to extend its tracks across the Genesee River, and through Mill street. Yours truly,

WILLIAM H. TRACY, Acting Mayor.

Ald. Kelly moved that a committee of five be appointed to confer with the railroad authorities and report at the next meeting. Adopted by the following vote:

Ayes—Ald. Marson, Kohlmetz, Fritzsche, Elliott, Swikehard, Weider, Stein, Kelly, Schaeffer—9.

Nays—Ald. Tracy, Coughlin, Watson, Foley, Mandeville, Bohrer—6.

Ald. Watson moved to adjourn.

Lost by the following vote:

Nays—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Swikehard, Weider, Stein, Kelly, Schaeffer—14.

Ayes—Ald. Mandeville—1.

Ald. Stein asked and obtained unanimous consent to present the following:

Whereas, A proposition is about to be formally presented to this board to purchase lands situated in the southern part of the city, to be styled "Memorial Park," and to be used for park purposes, which proposition involves an expenditure of a sum not less than \$150,000, besides a large outlay for properly ornamenting and maintaining such "Memorial Park," and

Whereas, The citizens of Monroe county have voluntarily contributed sums of money, now in excess of \$20,000, for the purpose of erecting a monument to the memory of deceased union soldiers and sailors, anticipating at the time such contributions were given that a prominent and central site would be selected on which such monument would be erected, and

Whereas, A diversion of such moneys contributed as aforesaid for "Memorial Park" purposes, or the erection of such contemplated monument on the lands situated in the extreme southerly portion of our city aforesaid would, in the judgment of this body, be a breach of faith with the implied agreement made with the contributors aforesaid, and

Whereas, It is an acknowledged fact that the present county building, wherein courts are held and valuable records are kept, is wholly unsuited and unsafe for such purposes; therefore be it

Resolved, As the sense of this board, that the honorable the board of supervisors of Monroe county be and they are hereby requested to adopt such preliminary measures as may be necessary to proceed in the year 1890 to erect a suitable county building on a site other than the one occupied by the present court house; that the present site be set apart for a soldiers' monument and public purposes, and that our public-spirited citizens interested in the various parts of our city be invited to donate an eligible site for such proposed new county building and thus avoid a general tax for the same on the county of Monroe.

Resolved, Further, with the view that the honorable the board of supervisors may adopt the suggestions contained in the foregoing resolution, and that the tax on the city of Rochester, as its portion of the expense for the erection of such new county building, may be in the neighborhood of said sum of \$150,000, this board deems it unwise and unexpedient, if not unnecessary, to expend said sum of money for the proposed "Memorial Park."

Resolved, Further, that the city clerk be directed to transmit a certified copy of these resolutions to the honorable the board of supervisors of Monroe county.

Ald. Stein moved that the resolution lay on the table.

Adopted by the following vote:

By Ald. Kelly—

To the Common Council of the City of Rochester:

The petition of Adam Baker respectfully shows that he resides in the city of Rochester, N. Y., and is the owner of a gray horse valued at about one hundred and fifty dollars (\$150). That on the 23d day of November, 1886, at about 9:30 a. m., your petitioner was passing through Hensler alley, a public thoroughfare of said city of Rochester, N. Y., driving said horse, which was attached to a loaded wagon. That some time previous to that date a sewer had been constructed in said alley by the city of Rochester, and that the same had, after being completed, caved in in several places, leaving large excavations and holes in said alley. That your petitioner is informed and believes that the proper officers of said city had been notified of the condition of said roadway caused by said caving in, and that they attempted to repair the same by placing ashes thereupon. That the repairs were not made properly and sufficient to protect those having occasion to drive over; and that on the day above named the said horse, owned and driven by your petitioner, fell into a hole or cave-in in said alley, and was injured on the leg and back and across the kidneys in such a manner as to render him valueless. That the injury to the horse was caused through the negligence of the city of Rochester, N. Y., and its officers, in neglecting and failing to place said alley in a proper condition, so that the public could safely travel over the same, and in neglecting to provide guards and barriers to warn the public of the unsafe condition of the roadway while the same was open to the public. And that said injuries were not caused through any fault or negligence on the part of your petitioner. Wherefore your petitioner asks that the city of Rochester compensate him for the damages which he has sustained by reason of said injuries, so caused by the negligence of the city of Rochester and its officers.

Dated Nov. 30, 1886.

ADAM BECKER.

Referred to the Law Committee.

By Ald. Schaeffer—Petition for water in Harvard street; referred to the Water Works Committee and Executive Board. Also petition for electric light on Conkey avenue; referred to the Lamp Committee. Also petition for a plank walk on east Main street near Bay street; referred to the City Surveyor to prepare an ordinance.

By Ald. Foley—Two petitions for a pipe sewer in Seward and Hawley streets, also re-

monstrance against the same; referred to the City Surveyor to prepare an ordinance.

Ald. Elliott moved that the rule in regard to bills be suspended, and that the health bills be placed on the budget. Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Foley, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

REPORTS OF STANDING COMMITTEES.

By Ald. Kelly—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—Your Law Committee begs leave to submit as their report in reference to the passage of an ordinance for the licensing of auctioneers within the city:

We are of the opinion that it is, at present, inexpedient to do so, owing to various reasons, one of which is that there is too great a diversity of opinion among the auctioneers of this city regarding the amount to be fixed for such license.

In reference to the matter of the bill for the lighting, etc., of lamps for the month of October, we have had the assignee of Mr. McDonald, the contractor, before us, and he has explained the situation as follows:

At the meeting of your honorable body held July 27, 1886, the contract was awarded to Charles McDonald, he being the lowest bidder, for the lighting, care, etc., of the public kerosene oil lamps from August 1st, 1886, until July 1st, 1887, at the rate of \$5.25 per lamp per annum, and the Mayor was directed to enter into the contract on behalf of the city, but, by reason of the minutes of that meeting not being approved by the Mayor until the early part of August, your Lamp Committee arranged with Mr. J. W. Maser, the former contractor, to perform these duties until the new contractor, Mr. McDonald, entered upon his duties under his contract. Mr. Maser did so for the first eight days of August, Mr. Maser's compensation under his contract being \$5.38 per lamp per annum. Mr. McDonald, however, obtained the pay for the whole of the month of August, 1886, including the eight days of Mr. Maser, and tendered Mr. Maser pay for those eight days at the rate of \$5.25 per lamp per annum, which the latter declined to receive.

Matters have thus continued to the present time. Mr. Russell, the surety of Mr. McDonald, and the person who has been performing the contract, has now placed in the hands of Mr. Irwin, the City Messenger, a written instrument, signed, by which is assigned to Mr. Maser the sum of \$158.76, part of the bill for the October lighting, and authorizing Mr. Maser to collect that amount, such amount being the pay for the eight days in the month of August, at the rate of \$5.32 per lamp.

It would, therefore, seem to your committee to be fair and just that Mr. McDonald, or his surety, Mr. Russell, be repaid the difference between \$5.25 and \$5.38 per lamp per annum for the first eight days of August, for the reason that the delay on the part of Mr. McDonald in entering upon the execution of the contract was due to the delay in the minutes being approved and the contract being executed.

We would, therefore, recommend that the following resolutions be adopted.

Respectfully submitted,

J. MILLER KELLY,
P. WEIDER,
D. V. W. SELYE,
H. KOHLMETZ,
G. W. ELLIOTT,
Law Committee.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the Clerk draw an order on the Treasurer in favor of J. W. Maser, assignee of Charles McDonald, kerosene oil lamp contractor, for the sum of

\$158.76, and charge the amount thereof to the bill for October, 1886, of said McDonald.

Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

By Ald. Kelly—Resolved, That the Clerk draw an order on the Treasurer in favor of Charles McDonald for the sum of \$585.72 for the lighting, care, etc., of the kerosene oil lamps for the month of October, 1886, less \$158.76, assigned to J. W. Maser, being \$426.96, and charge the same to the lamp fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

By Ald. Kelly—Resolved, That the clerk, upon the acceptance by J. W. Maser of the assignment and order hereinbefore mentioned, in full of the care, lighting, etc., of the public oil lamps by him for the first eight days in the month of August, 1886, draw an order on the treasurer in favor of Charles McDonald for the sum of \$5.13, in full of the excess paid by him to said Maser of the amount received under his contract, and charge Lamp fund. Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

OFFICE OF EXECUTIVE BOARD, }
ROCHESTER, Nov. 29, 1886. }

To the Common Council:

GENTLEMEN—Pursuant to a resolution of your Honorable Body passed Nov. 16, 1886, the Executive Board is about to enter into contract with Hannah F. Brown for easement or right of way for the proposed Goodman street sewer and outlet ditch therefrom, through her lands, in accordance with the terms of her modified proposition, which was accepted by your Honorable Body on the 16th inst. In order to complete said contract it will be necessary to provide the sum of \$4,000 to meet the conditions of the same on the part of the city. The Executive Board therefore recommends that an order be directed to be drawn upon the Treasurer in favor of said Hannah F. Brown for the sum of \$4,000 to be paid to her upon the execution of said contract in accordance with the terms of said proposition, and when said contract shall have been approved by the City Attorney.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Watson—Resolved, That the City Clerk be and hereby is directed to draw an order upon the City Treasurer in favor of Hannah F. Brown for the sum of four thousand (\$4,000) dollars, in payment for easement or right of way over her lands for the proposed Goodman street sewer and outlet ditch therefrom to be constructed under ordinance No. 2,963, in accordance with the terms of a contract made pursuant to a resolution of this Board passed on the 16th inst., said sum only to be paid upon the proper execution of said contract to the satisfaction of the City Attorney, and upon the delivery of a sufficient and satisfactory release from the East Side Savings Bank of the city of Rochester. And the City Treasurer is hereby directed to pay the same from the Contingent Fund, and finally to charge and carry the amount thereof to the fund for paying the expense for right of way for the Goodman street sewer and outlet ditch, when said fund shall be created.

Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

By the Clerk—

To the Common Council:

GENTLEMEN—In accordance with the terms of a resolution adopted by your honorable body Nov. 9th, the Executive Board has caused an examina-

tion of the records of the Monroe County Clerk's office to be made; and begs leave to report that a map of Hayward avenue, running east from Goodman street a distance of 2,640 feet and of a uniform width of sixty feet, was duly filed as required by law, on Nov. 9, 1886. The Executive Board would further report that said Hayward avenue has been graded, and is in all respects ready for acceptance by the city. Respectfully

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Aid. Schaeffer—Resolved, That Hayward avenue, a map of which has been filed in the County Clerk's office, and which has been dedicated by the owners to the city of Rochester, be and the same is hereby accepted for all purposes whatsoever as a public street. Adopted.

OFFICE OF EXECUTIVE BOARD, }
ROCHESTER, Nov. 30, 1886. }

To the Common Council:

GENTLEMEN—I have been instructed to transmit to your honorable body the following report made to the Executive board in the matter of the improvement under the railroad bridges at the crossing of North St. Paul street, as requested in a resolution offered by Ald. Kohlmetz and adopted at a meeting held Nov. 16, 1886.

Respectfully,

THOS. J. NEVILLE, Clerk.

To the Executive Board:

GENTLEMEN—In relation to the improvements that were needed and carried out during the past year at and under the bridges of the N. Y. C. & H. R. R., over North St. Paul street and North Clinton street, the undersigned would herewith submit the following:

REPORT.

At the meeting of the Common Council on Nov. 17, 1885, Ald. Kohlmetz offered a resolution directing that certain improvements be made in the sidewalks under the railroad bridges over North St. Paul and North Clinton streets, also that additional drainage facilities be provided at said localities, and also that the faces of the stone abutments of said railroad bridges to be whitened so as to improve the illumination of these passages. For reasons given in the preamble to the said resolution the cost of this work was intended to be paid out of the Contingent Fund, but the resolution was amended by inserting "highway fund" in place of "contingent fund," in which form it was adopted. On Nov. 20, 1885, this resolution, as amended, was duly reconsidered by the Common Council, and the subject matter thereof was referred to the Executive Board for such action in the premises as the necessities of the case required. In accordance with the disposition of the matter the Executive Board caused (8) eight new surface sewers to be constructed under the North St. Paul street railroad bridge, four for facilitating the drainage of the gutters and sidewalks, and four for removing water from the street railway tracks. Under the North Clinton street bridge no further drainage work has yet been performed, in view of the facts that a petition for a new sewer in North Clinton street from the N. Y. C. & H. R. R. R. to Andrews street was presented to the Common Council early this year, and that ordinances for the construction of such sewer were duly passed on July 13, July 27, October 5 and October 19, 1886.

A proper design of this new sewer in North Clinton street would necessarily include the greater part of the drainage work under the southern part of the bridge, where it appears to be most needed; and as the bulk of this work which the Executive Board could lawfully undertake in the premises would in all probability be torn out as soon as the new sewer was commenced, it was deemed expedient to postpone further action in this respect, with the expectation that the work of constructing the proposed North Clinton street sewer would

soon be let. For some reason, however, the City Surveyor has not caused said work to be advertised for letting, and the drainage work contemplated is not yet performed.

In regard to sidewalks, it may be mentioned that the entire reconstruction by the railroad company of the roofing over the two streets under said bridges, together with the improvements in drainage actually made, has now rendered the said walks dry at all times, and the necessity for considerable additional expenditure thereupon has ceased to exist until an ordinance for the general improvement of the side walks is demanded by the citizens. As it was, a number of depressions in the said walks were properly adjusted and they are all still in good order.

The faces of the stone bridge abutments at the localities named have each received two good coats of white lead paint, and a very marked increase in the illumination of the passages both by day and by night has resulted. It may therefore be said that the general intent and purpose of the resolution referred to has been properly carried out.

Respectfully submitted,
 B. KUICHLING,
 Committee.

Ordered received, filed and published.

Ald. Kohlmetz moved that the Executive Board be directed to complete the necessary improvements under North St. Paul street bridge at once, and pay for the same out of the highway fund. Adopted:

OFFICE OF THE BELL TELEPHONE COMPANY
 OF BUFFALO, 73 EAST MAIN ST.,
 ROCHESTER, N. Y., Nov. 30, 1886. }

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: This company now has in its telegraph or telephone line a pole to sustain its wires standing on the west side of Union street, between East avenue and Court street. By reason of the owner of the adjoining land having in process of erection a building which is to be higher than the wires, it becomes necessary for this company to remove such pole within five days from this date, and erect a pole instead thereof on the north side

of Court street, at or near the corner of Court and Union streets. It has the consent of the owner of the adjoining land to erect such new pole at or near said corner on Court street; which pole should be sixty-five or more feet high, with four cross-arms, eight and eight-twelfths feet long, such new pole to sustain the city fire alarm wires when wanted, and the new police patrol wires now upon the present pole, to which new pole this company will remove such police wires without expense to the city.

And this company respectfully requests that your honorable body will designate the place where the same may be erected, so as not to incommode the city or the public.

Respectfully yours,
 WM. M. MALLETT, Manager.

Ald. Foley moved that the petition be referred back to Mr. Mallett without any recognition. Adopted.

By the Clerk—

ROCHESTER, N. Y., Nov. 17, 1886.

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN: On the 30th of October, 1885, we wrote to the Executive Board, and on the 15th of November of same year to the Board of Health, calling their attention to the terrible annoyance and danger to health we were incurring from the fearful stench arising from a stream of water running through our property into which the city had caused the Upton park and Culver street sewers to be drained. In our first letter we made a proposition, agreeing for a cash consideration, and the construction of a properly covered sewer, to be built by the city, to execute a deed of the right of way. Both of our letters were referred to your Honorable Board, but as yet nothing has been done by you. We now wish to state that we withdraw our proposition, and shall seek legal redress immediately, being compelled to do so by the exigencies of the case, as, if we cannot obtain redress, we shall be compelled to move our entire factory. Unless something is done at once we shall commence suit for damages and apply for a perpetual injunction.

We have invested a large sum of money in the erection of our buildings, and the city without any right or authority, has, by their action rendered them almost untenable.

Yours, respectfully,
 JAMES PALMERS' SONS,
 Per A. S. Lee.

Referred to the Sewer Committee.

By the Clerk—

To the Honorable the Common Council of the City of Rochester :

GENTLEMEN: In answer to the question asked by your Law Committee in reference to your power to require a bond to be given by auctioneers within the city, I would respectfully report that in my opinion no provision of law at present exists by which you could compel such bond to be given.

There is, however, a statute in existence (chapter 310 of the laws of 1883) which provides that no person authorized to exercise the office of an auctioneer shall execute the duties of such office, and no broker engaged in selling goods, wares, merchandise or effects subject to fees or duties by the laws of the State, shall engage in such business until such broker or auctioneer shall have entered into a bond to the people of this State, with two sufficient freeholders as sureties, in the penalty of \$5,000 in cities having a population of more than 50,000, * * * conditioned for the faithful performance of the duties of his office, and for the payment of the fees or duties that are or shall be imposed by law, and that which accrues on sales made by him or under his direction by virtue of his office; such bond shall be taken and approved by the agent appointed by the comptroller in pursuance of chapter 390 of the laws of 1849, but if executed in a city where there is no such agent it shall be taken and approved by the mayor or recorder of such city, and such bond, when executed, shall be

transmitted to the comptroller within ten days after such execution and a copy placed on file in the office of the agent, or where there is no agent, in the office of the county clerk of the county in which the same shall have been taken and approved; every broker or auctioneer who shall sell any goods, wares, merchandise or effects, as specified in said act, without having filed the bond required by law, or who shall neglect to make and render the account, or to pay over the duties required by law, shall be deemed guilty of a misdemeanor, and punishable by imprisonment not exceeding one year, or by fine not exceeding \$1,000, or by both such fine and imprisonment.

Among the duties imposed upon auctioneers by the general statutes of this State are the following:

That all goods sold by auction shall, in all cases, be struck off to the highest bidder; that upon all goods, wares, merchandise or effects, except wines and ardent spirits, foreign or domestic, or goods, wares, merchandise or effects imported from any place beyond the Cape of Good Hope and sold in packages, bales, trunks or casks as imported, auctioneers are required to pay a duty of \$1.50 on every \$100, and upon all wines and ardent spirits, foreign or domestic, \$2 on every \$100; but no auction duties are required to be paid upon the following goods and articles, namely: First, ships and vessels; second, utensils of husbandry, horses, neat cattle, hogs and sheep; third, articles of the growth, produce and manufacture of this State, except distilled spirits; fourth, fabrics of cotton, wool, hemp and flax manufactured within the jurisdiction of the United States. There are also other exemptions which need not here be mentioned.

It is also provided that any auctioneer who shall sell any goods, wares, merchandise or effects by public auction without having given the security required by law, shall forfeit the sum of \$125 for each article so exposed by him for sale.

It is also further provided that no auctioneer in any city in this State shall at the same time have more than one house or store for the purpose of holding his auctions, and he is required, before he enters upon the execution of his office, to designate, in writing, signed by him, such house or store, and also name therein the partner or partners, if any, engaged with him in business, and shall file such writing with the clerk of the city for which he shall be appointed, and for the violation of such last provision, he is deemed guilty of a misdemeanor, punishable by a fine not exceeding \$250.00 for each offense.

The Common Council of each city in this State are, however, authorized to designate such place or places within such city for the sale by auction of horses, carriages and household furniture as they shall deem expedient.

There is also a further requirement that every auctioneer shall make out, in writing, quarterly, an account, dated on the first days of April, July, October and January in the year for which he is appointed, and within twenty days after its date, shall be exhibited by him to the Mayor or Recorder of the city, and he shall also take such oath as is required by the statute.

By chapter 287 of the Laws of 1878, it is provided: "That it shall not be necessary for any auctioneer in this State whose auction business is confined to the sale of farm property and other personal property sold upon farms, and property which may be owned by any person residing in any of the towns and villages of this State which has not been purchased for a sale at auction upon which duties are required to be paid to the comptroller under the laws of this State, to execute the bond now required by law to be executed by auctioneers, nor shall it be necessary for any such auctioneer to render the semi-annual account now required by law to be rendered to the comptroller by auctioneers engaged in the sale of goods, wares, merchandise or effects, the growth or product of any foreign country."

I have also carefully examined the provisions of the charter, but find none which confer upon your

body the power to require bonds from auctioneers within the city.

Respectfully submitted,
IVAN POWERS, City Attorney.

By Ald. Mandeville—

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., Nov. 23, 1886.

Alderman Mandeville, Chairman Map and Survey Committee:

DEAR SIR—I have the honor to report that as under the resolution introduced by you, and as amended and adopted at the regular meeting of the Common Council on the 22nd of June last, the City Surveyor was authorized to procure additional clerical force in his office until the 1st of December, prox., at an expense not to exceed \$1,800 per annum; such additional force has been employed up to date at an expense of \$382.35 over and above the amount that would have been paid under the award for this office made by the Common Council at its meeting on the 27th of April last.

Under that award the aggregate amount of the payment to the head and employees of this office per month was \$704.14, and with the present force it is \$770.81, or an increase of \$66.67 per month, this increase bears a small proportion to the original amount when compared with the large addition to the work which has been imposed on the office within the last year, and it cannot be reasonably expected that in the future there will be any falling off in this work.

It is a mistake to suppose that there is much if any less to do in this office in the winter season than in the summer; for the record maps have to be made up and the preparation of much work for the next season is necessary in order that the contractors can begin it at the earliest date.

For these reasons I ask that the force in the

office remain as it is now constituted until the 1st of April next.

Very respectfully, your obt' serv't,

L. F. QUINBY, City Surveyor.

Ordered received, filed and published.

By Ald. Mandeville—Whereas, In the opinion of the City Surveyor the force in his office is not now greater than is necessary for the prompt and proper performance of the work imposed upon it, and as his statements and explanations are satisfactory to the Common Council

Therefore resolved, That the force now employed in said office shall remain as now constituted until the 1st of April next. Adopted.

ACTION ON ORDINANCES.

FINAL ORDINANCES.

FINAL ORDINANCE, No. 3,067.

CULVER ROAD PIPE SEWER.

On motion of Ald. Marson, the Board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing,

Ald. Marson submitted the following:

An ordinance to construct a pipe sewer in the Culver road, from the Nichols park and Monroe avenue outlet sewer ditch to the Park avenue sewer.

The Common Council of the city of Rochester do ordain and determine that the following improvement be made, to wit:

The construction of a vitrified pipe sewer twelve (12) inches in diameter in the Culver road, from a point at or near that at which the said road is intersected by the Nichols park and Monroe avenue outlet sewer ditch, to connect with the existing sewer in the said Culver road extending northward from Park avenue, with the required manholes, overflows, surface sewers, laterals and connections; also the necessary roadway grading and gutter formations.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reports the same at \$3,100, and said estimate being deemed reasonable, is hereby approved and the portion of said city which said Common Council deem will be benefited by said improvement is described as follows:

All the territory included within and described by the following boundary lines:

Beginning at the intersection of the Culver road with the Erie canal, thence northerly along the Culver road to Park avenue, thence westerly to the rear of the lots fronting on the Culver road, excepting the lot on the southwest corner of the Culver road and Park avenues thence southerly to Sibley street; thence westerly along Sibley street, and including one tier of lots on the north side thereof, to Bates street; thence still westerly to a point on Goodman street, mid way between Harvard street and Brighton avenue; thence northerly along Goodman street, and including one tier of lots on the east side thereof, to a point fifty (50) feet south of Park avenue; thence southerly along Goodman street, and including one tier of lots on the west side thereof, to Brighton avenue; thence westerly along Brighton avenue, and including one tier of lots on the north side thereof, to Meigs street; thence northerly along Meigs street, and including one tier of lots on the east side thereof, to Park avenue; thence southerly along Meigs street, and including one tier of lots on the west side thereof, to Tracy park; thence westerly along Tracy park, and including one tier of lots on the north side thereof, to a point one hundred and fifty (150) feet east of Alexander street; thence easterly along Tracy Park, and including one tier of lots on the south side thereof, to Meigs street; thence southerly along Meigs street, and including one tier of lots on the west side thereof, to Monroe avenue; thence westerly along Monroe avenue, and including one tier of lots on the north side thereof, to Averil street; thence southerly along Averil avenue to Pearl street; thence easterly along Pearl street, and including one tier of lots on the south side thereof, to Meigs street; thence southerly along Meigs street, and including one tier of lots on the west side thereof, to Broadway; thence northerly along Broadway, and including one tier of lots on the east side thereof, to Pearl street; thence easterly along Pearl street, and including one tier of lots on the south side thereof, to Edmonds street; thence southerly along Edmonds street, and including one tier of lots on the west side thereof, to a point one hundred and fifty (150) feet south of Pearl street; thence northerly along Edmonds street, and including one tier of lots on the east side thereof, to

Pearl street; thence easterly along Pearl street, and including one tier of lots on the south side thereof, to Goodman street; thence southerly along Goodman street, and including one tier of lots on the west side thereof, to the Erie canal; thence easterly along the Erie canal to the place of beginning.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

And it is further ordained and determined that the taxpayers to be assessed for making such improvement, may pay their assessments in three equal payments, as follows:

One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year of the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed at six per cent. per annum.

Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Foley, Mandeville, Swikehard, Stein, Bohrer, Kelly, Schaeffer—12.

FINAL ORDINANCE No. 3,068.

WIDENING OF HAND STREET.

On motion of Ald. Bohrer, the Board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing—

Ald. Bohrer submitted the following:

An Ordinance to widen the east end of Hand street, from the west line of lot No. 22 to Clinton street.

The Common Council of the city of Rochester, do ordain and determine that the following improvement be made, to wit:

The widening of Hand street, by taking a strip of land on the southerly side thereof, beginning at the west line of lot No. 22, of the Gorham tract, and said line produced and extending to Clinton street, and the territory deemed necessary to be taken therefore is described as follows, viz: All of lot No. 28 of Riley's sub-division, and all that portion of lot No. 22 of the Gorham tract lying north of the following described line: Beginning at the intersection of the south line of Hand street with the west line of lot No. 22, aforesaid; thence easterly in the prolongation of said south line to a point thirty-nine and four-tenths feet distant from and at right angles to the established north line of said Hand street; thence also easterly and parallel to said north line to Clinton street.

It being expressly understood and provided that if the north-west corner of the old frame dwelling house now belonging to Christiana Jaeckel should be found to project a few inches over the proposed south line of the widened street, the same shall be left undisturbed until said dwelling house be removed, rebuilt or remodelled in any material degree by the owner or owners thereof.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the portion of said city which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on each side of Hand street, from North St. Paul street to North Clinton street.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Senaeffer—13.

The final ordinance for McFarlin alley plank walk came up. Ald. Foley presented a communication in relation to the title of certain property owners in McFarlin alley. Action on the ordinance was postponed two weeks, and the subject was referred to the Law Committee and City Attorney to report at the next meeting.

FINAL ORDINANCE, NO. 3,065.

VERNON PARK PLANK SIDEWALK.

On motion of Ald. Kohlmetz, the board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing, Ald. Kohlmetz submitted the following:

An ordinance to construct plank walks on Vernon park, from Clinton street to Joiner street.

The Common Council of the city of Rochester, do ordain and determine that the following improvement be made, to wit:

The construction of plank sidewalks four (4) feet wide on each side of Vernon park, where good sidewalks of at least the specified width and on proper grades and sidewalks do not now exist; also the necessary sidewalk grading and gutter formation.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reports the same at \$70, and said estimate being deemed reasonable, is hereby approved; and the portion of said city, which said Common Council deem will be benefited by said improvement is described as follows:

One tier of the lots on each side of Vernon Park, which immediately abut on the parts of the aforesaid park, on which the proposed sidewalks are to be constructed under this ordinance.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

Adopted by the following vote:
Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

Ald. Schaeffer moved that property owners on Vernon park have 20 days in which to construct their own walks. Adopted.

The final ordinance for Walnut street pipe sewer came up and on motion of Ald. Swikehard action was indefinitely postponed.

LOCAL IMPROVEMENT ASSESSMENTS

From the Treasurer:

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., Nov. 27, 1886. }

To the Common Council:

GENTLEMEN: I hereby certify that the Executive Board have notified me that the work authorized under Ordinance No. 2,932, for Joiner street improvement, has been completed.

The amount to be assessed upon the property benefited, including an interest that the city shall incur or is entitled to, for the use of its funds, is \$21,280.

Yours respectfully,
JOHN A. DAVIS, Treasurer.

LOCAL IMPROVEMENT ASSESSMENT NO. 2,932.

IMPROVEMENT OF JOINER STREET.

By Ald. Stein—Whereas, The Common Council did upon the 4th day of May, 1886, enact an ordinance for the improvement of Joiner street.

And whereas, The City Treasurer has reported the actual expenses of said improvement to be the sum of \$21,280, including such interest as the city has paid or become liable for.

And the portion of said city which said Common Council deemed would be benefited by said improvement is described as follows:

One tier of lots on each side of Joiner street, from Central avenue to Kelly street.

Therefore, Resolved, that the sum of \$21,280 being the whole amount of the expenses aforesaid, shall be assessed on such lots and parcels of land.

And L. A. Pratt, v. Fleckenstein and Wm. Mahar, the Assessors of said city, not interested in any of the property so benefited, and not of kin to any person so interested, are hereby designated and directed to make an assessment upon all the lots and parcels of land and houses within the portion or part of said city so designated, of the said amount of expense, in proportion, as nearly as may be, to the advantage which each shall be deemed to acquire by the making of said improvement; and said Assessors are hereby notified to meet for this purpose, on Saturday, the 4th day of December, 1886, at nine o'clock in the forenoon, at the office of the City Assessors, No. 15 City Hall.

Adopted by the following vote:
Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

By the Clerk—
CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Nov. 29, 1886. }

To the Hon. Common Council:

GENTLEMEN—I hereby report that the City Assessors have filed with me the assessment roll for opening a new street from Clifford street to Norton street, ordinance No. 2,701.

PETER SHERIDAN, City Clerk.

Ordered received, filed and published.

By Ald. Schaeffer—Resolved, that Tuesday evening, Dec. 14, 1886, be assigned as the time when any complaints or appeals from the assessments for opening a new street from Clifford street to Norton street will be heard. Adopted.

UNFINISHED BUSINESS.

The resolution published at page 324 offered by Ald. Foley in relation to the completion of the maps and surveys of the city of Rochester for the use of the City Assessors' office came up. Ald. Foley moved that the matter be referred to the Map and Survey Committee. Adopted.

MISCELLANEOUS BUSINESS.

By Ald. Marson—Resolved, That the Executive Board be, and hereby is directed to cause to be constructed a foot bridge on the west side of Fitzhugh street across the Erie canal, to be used and remain during the close of the navigation season of and on said canal; the expense thereof to be paid from the High way Fund. Adopted.

By Ald. Watson—Resolved, That the City Clerk draw an order on the Treasurer in favor of L. E. Gerrey for \$23.50 in payment for searches, serving of subpoenas and disbursements in the matter of the opening of Evergreen Park payable from the Contingent Fund, and that the Treasurer charge and carry said sum of \$23.50 to the fund for the opening of said park when created, as part of the costs and expense thereof.

Adopted by the following vote:
Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

By Ald. Kohlmetz—Resolved, That the Executive Board be authorized to negotiate for the purchase of lands necessary for the widening of Hand street and report the result of such negotiations at the next meeting. Adopted.

By Ald. Elliott—

OFFICE OF THE CITY ATTORNEY,
19 City Hall Building. }

To the Hon. the Common Council of the City of Rochester.

In answer to your resolution adopted on motion of Ald. Elliott as to whether or not you have authority to order the Telephone, Telegraph, Electric Light and District Messenger Companies of this city to place their wires underground within a radius of three-fourths of a mile from the center of Main street bridge, provided, at least, a year's notice be given of the time when such wires must go underground. I would respectfully report that I have carefully examined the various statutes relating to the subject matter and find that none of them give such power to the Common Council of cities; except cities having a population of 500,000 inhabitants or over.

The following are the statutes, namely:

First. Chapter 349 of the laws of 1879, which made it optional for companies to put their wires underground, provided the consent of Common Councils of cities, the trustees of villages or commissioners of highways of towns, to do so was first obtained by said companies.

Second. Chapter 534 of the laws of 1884 (see L. 1884, page 647), passed June 14, 1884, provides for the compulsory placing underground of all telegraph, telephonic and electric light wires, but limits its application to any incorporated city of this State having a population of five hundred thousand inhabitants, said act providing all such wires in such cities should after said June 14, 1884, be placed under the surface of the streets, lanes and avenues of such city, and required every corpora-

tion, association or person owning or controlling telegraph, telephonic, electric, or other wires and cables, including what is known as telegraph poles, and other appurtenances thereto before November 1st, 1885, to have the same removed from the surface of all streets or avenues in every such city of the State. The act further provided that in case the owners of the property above enumerated should fail to comply with the provisions of the act within said period, the local governments of the said cities should then, and they were by said act directed to remove without delay, all telegraph, electric light, and such other wires, cables, and poles, wherever found above ground within the corporate limits of their respective cities.

Section four of said act, which is applicable to all cities of this State, provides as follows:

Section Four. No city in this State shall grant any exclusive privilege or franchise under this act to any corporation or individual by which a monopoly may be created or competition prevented on equal terms.

By section five of said act it was provided that such act should take effect immediately, viz.: From and after June 12, 1884, the date of its passage. Chapter 499 of the Laws of 1885 (Session Laws, 1885, page 852), passed June 13, 1885, and which then took effect, is also an act providing for placing electrical conductors under ground in cities of this State and for commissioners of electrical sub-ways, but that act is made applicable only to a city having, according to the last census, a population exceeding five hundred thousand. It is quite clear to me that the power to compel the placing of wires under ground within this city rests exclusively with the Legislature.

Respectfully submitted,

IVAN POWERS, City Attorney.

Referred to the Law Committee.

By Ald. Elliott—Resolved, That the Lamp Committee be requested to place a gas lamp on Alexander street, in front of Jason Seward's property, on the opposite side of the road way, near the north corner of Emory W. Osburn's property. Referred to the Lamp Committee.

Ald. Elliott moved that the Executive Board be requested to delay tearing up the street railway tracks at the west end of Court street bridge for thirty days. Adopted.

By Ald. Foley—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—The undersigned, Robert Quinn, a resident of Mansion street, Eighth ward, City of Rochester, N. Y., states to your honored body that he, during the years 1874 and 1875, and at present, was and is the owner of lots Nos. 268 and 269 of the Rapids tract in the city of Rochester, N. Y. That during the year 1874 the Board of Public Works ordered that Mansion street extension should be laid out and opened. That said street was laid out and opened ran across and took a strip of land 30 feet wide and 264 feet long from the southerly ends of said lots. That the remaining portion of said lots was by an ordinance deemed duly benefited by the laying out of said street and assessed for the expense of laying out said street. It was assessed to the amount of \$478.40, and he was awarded \$115.20 as his damages for the taking of said strip of land, leaving a balance of \$363.20. That the attempt to lay out said street was illegal and the proceedings thereon taken void because no map was filed with the City Clerk, showing the lots, tracts and parcels of land which were deemed necessary to be taken, nor the commencement, course and termination of the street proposed to be made on and through the land so to be taken, in accordance with the requirements of the charter of the city of Rochester, as appears in section 166, title 7, in the revised city charter as compiled by Jesse Shepherd in 1871, and as amended by chapter 771 of the laws of 1872, section 6, which left the said section 166 aforesaid in force, as appears by the following language of section 6 of chapter 771 of the Laws of 1872, viz.: The said commission shall pos-

sess and exercise the same powers and authority and perform the same duties and in the same manner, as near as may be, as are now possessed, exercised and performed by the Common Council of said city as authorized and proscribed by title 7 of this act, as amended, except as herein otherwise directed. That said section 166 of the aforesaid City Charter is in the same language and to the same purport as section 174 of the charter compiled and published in 1880. And hereto annexed find a certificate of the city clerk to the effect that no map as required by said sections and said act was ever filed. And I have also caused my attorneys to examine the records on file and there is no mention or statement in said records to the effect that a map, as required by the sections aforesaid, was ever filed. And for the purpose of enabling you to obtain a construction of said section, I would refer you to the act laying out public highways in country towns, being section 55, article 3, title 1, chapter 16, part 1st, of the Revised Statutes; and construction of the Supreme Court of that section of that act in the case of Pratt against The People of the State of New York, 13 of Hun, page 664. Therefore, the assessment made upon said property for said opening would be void.

I therefore propose to your honorable body to pay the aforesaid balance of \$363.20, without interest, and without any further litigation, and at the release and discharge of the land aforesaid from the apparent lien of said assessments.

Rochester N. Y., November 30, 1886.

ROBERT QUINN.

CITY CLERK'S OFFICE,

ROCHESTER, N. Y., Nov. 29, 1886.

I, Peter Sheridan, City Clerk of the City of Rochester, Monroe county, N. Y., do hereby certify:

That I have examined the files and records of said office for a map of the extension of Mansion street, showing the lots, tracts and parcel of land which were deemed necessary to be taken and the commencement, course and termination of said street on or through the land so to be taken, and find none such map on file or recorded in said City Clerk's office. PETER SHERIDAN, City Clerk.

Ordered received, filed and published.

Ald. Foley moved that the prayer of the petitioner be granted and that the amount \$333.20 be received by the City Treasurer. Adopted.

By Ald. Bohrer—

To the Hon. the Common Council:

GENTLEMEN—Your Committee on Opening and Alterations of Streets, to whom was referred the petition of taxpayers on Evans alley, would report that they have investigated the facts and report in favor of the petition to change the name of Evans alley, to Evans place, and request the City Clerk to notify the Executive Board of the change. Also make the proper change in the street register.

LOUIS BOHRER.

FRANK FRITZSCHE,

CHRISTIAN STEIN,

WM. H. MARSON,

Committee.

Adopted.

Ald. Kelly moved that the City Attorney be requested to report to the Board as to the best manner in which to annul the contract for lighting the kerosene oil lamps. Adopted.

On motion of Ald. Schaeffer the board then adjourned.

PETER SHERIDAN, City Clerk.

In Common Council—Dec. 14, 1886.

REGULAR MEETING.

Ald. Wm. H. Tracy, President of the Board, presiding.

Present—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley,

Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

Absent—Ald. Selye—1.

APPROVAL OF MINUTES.

Ald. Elliott moved that the proceedings of the preceding meeting in regard to the report of the City Attorney on the relations of the R. C. & B. R. R. Co. to the city of Rochester be so amended as to refer the matter to the Law Committee. Adopted. The minutes as amended were then approved.

Ald. Mandeville asked for unanimous consent to defer the report of the Map and Survey Committee until later in the evening. Granted.

By Ald. Coughlin—

ROCHESTER, N. Y., Dec. 14, 1886.

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—Your Lamp Committee reports, that in its opinion the Mayor should be directed to enter into a contract with the Brush Electric Light Company under conditions of the present contract, at a rate of not to exceed thirty cents per light per night, to place electric lights at the following places and upon the following streets, for the purpose of lighting the same, viz:

- One at the corner of Spring and Fitzhugh streets.
- One on Plymouth avenue opposite Greig street.
- One on Brown street at the corner of Oak street.
- One on Plymouth avenue near Edinburgh street.
- One on Edinburgh street near the Methodist Episcopal Church.

This arrangement will displace twenty-seven gas and two oil lamps, and the cost will remain about the same per year, viz.:

Annual cost of 27 gas lights at 5c. per night, each.....	\$492 75
Two oil lights at \$5.25 each per year.....	10 50

Total annual cost of lights displaced.....	\$503 25
Annual cost of electric lights as aforesaid.....	547 50

Extra cost of electric lights as above..... \$4 25
These lights to be erected under the supervision of the Lamp Committee.

WM. COUGHLIN, JR.,
JOHN H. FOLEY,
J. MILLER KELLY,
GEO. B. SWIKEHARD,
H. KOHLMETZ,
Lamp Committee.

Ordered received, filed and published.

By Ald. Coughlin—Resolved, That the Mayor be, and hereby is directed to enter into a contract with the Brush Electric Light Company under conditions of the present contract at a rate of not to exceed 30 cents per light per night, to place electric lights, under the supervision of the Lamp Committee, at the following places and upon the following streets, for the purpose of lighting the same, viz:

- One at the corner of Spring and Fitzhugh streets.
- One on Plymouth avenue opposite Greig street.
- One on Brown street at the corner of Oak street.
- One on Plymouth avenue near Edinburgh street.
- One on Edinburgh street near the Methodist Episcopal Church.

Ald. Elliott moved to amend the resolution by instructing the Mayor not to make any contract with the Electric Light Company which

should not make the price now charged the limit.

Ald. Mandeville moved that the matter lay on the table until the next regular meeting. Adopted.

By Ald. Foley—

To the Common Council of the City of Rochester:

GENTLEMEN—Your petitioner respectfully shows that heretofore he, through a resolution of your honorable body, formally dedicated a strip of land to the city fifteen (15) feet wide by one hundred (100) feet long, being a part of and leading to Stone Place, so called.

Your petitioner further shows that he has recently erected on said Stone Place and has in the course of erection several dwelling houses with all modern conveniences and costing a considerable sum of money.

Your petitioner further shows that since the dedication of said Stone Place a number of persons residing in the vicinity thereof, having been using said strip of land or street as dumping ground for ashes, garbage and all manner of refuse filth, and this they continue to do, from time to time, despite your petitioner's efforts to keep the same free and clear of rubbish and unobstructed.

Your petitioner further shows that he is the only person whose houses front on said Stone Place, and that no other person dedicated any part of the land, which forms any part of said Stone Place or street.

Your petitioner, therefore, earnestly prays that your honorable body authorize the Executive Board to discontinue said Stone Place or street as a public street in accordance with sub-division 4 of section 168 of the charter of said city and your petitioner will ever pray, etc., and that he may be better able to protect his property.

HOWARD P. STONE, Petitioner.

Dated at Rochester, N. Y., Dec. 13, 1886.

Ordered received, filed and published.

By Ald. Foley—Resolved, That the Executive Board be, and it is hereby authorized to discontinue Stone Place, in the city of Rochester, as a public street or place in said city. Adopted.

MAYOR'S OFFICE, }
ROCHESTER, Dec. 7, 1886. }

Gentlemen of the Common Council:

I disapprove of Alderman Foley's motion, adopted at your last regular meeting, authorizing the city treasurer to receive from Robert Quinn the sum of \$333.20, in full, of the amount due from him for a tax levied a dozen years or more ago, upon lots owned by him which were deemed benefited by the opening and extension of Mansion street. I find upon investigation that Mr. Quinn was one of the petitioners for the said improvement, and that he was awarded and paid in cash, or its equivalent, the sum of \$145.20 as his damages for the taking of land.

I take the liberty at this point of calling your attention to a veto by me of a similar resolution, and which veto bears date January 20, 1885, and may be found at page 291, C. C. proceedings, 1884-5. It relates to property owned by Sidney W. Dibble, which was also assessed for the opening and extension of the said Mansion street. The resolution vetoed directed the Treasurer to receive the amount due from Mr. Dibble less the interest which had accumulated. The Common Council sustained the veto and Mr. Dibble paid to the city the amount in full due from him.

It is strange that your Board will, after the lapse of so many years, take up a matter of this kind and pass upon the same without a full and thorough investigation of all the facts. The sum of \$598.72 is now due from Mr. Quinn, who would undoubtedly gladly avail himself of the privilege

your resolution gives him by paying into the treasury the sum of \$331.20. The legal points which Mr. Quinn has raised might have been pertinent some years ago, but even then, in my opinion, the same would have been defective.

CORNELIUS R. PARSONS, Mayor.

The Chairman stated the question to be, shall the resolution stand as an order of the Board notwithstanding the objections of His Honor the Mayor.

Lost by the following vote—two thirds not voting in the affirmative.

GENTLEMEN—At a meeting of the Board of Health, held Dec. 3, 1886, the following action was taken:

By Com. Howe—Whereas, It seems evident that the financial affairs of this Board have been conducted in a loose and careless manner; therefore,

Resolved, That the Common Council be requested to appoint a committee to investigate its affairs since 1834. Adopted by the following vote:

Ald. Coughlin moved as an amendment that the committee consist of five members. Lost.

The original resolution was then adopted:

By the Clerk—

OFFICE OF EXECUTIVE BOARD, }
ROCHESTER, Dec. 12, 1886. }

To the Common Council:

GENTLEMEN: At the regular meeting of your Hon. Body held Nov. 30th, the following resolution was adopted:

By Ald. Marson—Resolved, That the Executive Board be and hereby is directed to cause to be constructed a foot bridge on the west side of Fitzhugh street across the Erie canal, to be used and remain during the close of the navigation season of and on said canal; the expense thereof to be paid from the Highway Fund. Adopted.

At the beginning of the current fiscal year the Executive Board, in compliance with Sec 81 of the City Charter, made a detailed estimate of the sums needed to maintain and carry on the operations of the various departments under its charge for the ensuing year. Said estimates were presented to the Finance Committee of your Hon. Body, among them being that for the maintenance and repairs of the highways of the city, the fund for which is commonly known as the "Highway Fund."

After examining the estimates presented and listening to explanations and arguments from the members of the Executive Board relating thereto, your said committee determined the sums, which, in their judgment, would be necessary and sufficient to be placed in the tax levy for the benefit of such funds, and your Hon. Body thereupon did ordain and determine in accordance with the recommendations of your said Finance Committee.

In the estimate of the Executive Board for the sum required for Highway fund, no item was included for the construction contemplated by the resolution of Ald. Marson.

By the provisions of the City Charter, Sec. 149: "The Executive Board shall have sole power to let all contracts to be made by said city in pursuance of an ordinance, except such as are by law directed to be otherwise made, and shall have control of the construction, improvement, repair and

cleaning of streets, alleys, sewers and bridges except bridges owned by the State of New York, and shall have control of the expenditure of the funds therefor;

The work contemplated under said resolution is decided by Judge Morgan in the case of Leonard vs. The City of Rochester, to be an original construction just as much as if it were for the construction of a bridge in any other place, and in no sense a repair. The charter provides that "before the Common Council shall determine to make any such public improvement, they shall cause an estimate thereof to be made, and shall, by an entry in their minutes, describe the portion and part of the city which they deem proper to be assessed for the expense of such improvement,"

* * * and while it is perfectly competent under the charter for the Common Council to "specify such improvement, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense," it is evident that the Highway Fund is not the "public treasury" from which to pay any portion of the cost of improvements, as that fund is in the exclusive control of the Executive Board, and is to be used for purposes detailed in the estimates therefor.

The Executive Board fully appreciates the fact that a foot bridge at the point indicated would be a great convenience to many citizens, yet, in the language of Judge Morgan with reference to the last one erected, the "it was (is) not at all a necessity," and said Board does not see its way clear to legally divert the Highway Fund to the payment for improvements not estimated for, even under the sanction of a direct order from your honorable body.

Respectfully submitted,
THOS. J. NEVILLE, Clerk.

ROCHESTER, Dec. 14, 1886. }

To the Common Council:

GENTLEMEN: Before the awarding of the contract for Joiner street asphaltum improvement in compliance with the terms of a resolution offered by Ald. Fritzsche and adopted by your Board, the contractors were required to file a bond for \$20,000, running to the city of Rochester and Frank Fritzsche and other property owners on the street, guaranteeing the keeping of the roadway in good repair for five years. A bond for \$19,000 being the full amount of the estimate and running to the city of Rochester alone was duly filed by the contractors, but proving not acceptable to the property owners and not being in accordance with the action of your Board a new bond was demanded. The contractors therefore prepared the bond required and is now on file in the office of the Executive Board and will be recorded in the County Clerk's office. In order to cancel the first bond it will be necessary for your honorable body to adopt a resolution authorizing the Mayor, upon the receipt of the bond executed in place of the one now on file, to execute a proper discharge of the latter from the records in the office of the County Clerk.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Fritzsche—Resolved, that the Mayor be, and he hereby is, authorized to execute a discharge of a certain bond, in the sum of \$19,000, recorded in the county clerk's office August 3, 1886, at 11 a. m., in liber 7 of miscellaneous records, at page 29, and given by the Warren-Scharf Asphalt Paving Company and others as its sureties to the city of Rochester for the maintenance of the roadway of Joiner street for a period of five years, provided that the bond for \$20,000 presented as a substitute for the bond above mentioned, duly recorded in the office of the county clerk and filed in the office of the executive board.

Ald. Weider moved that the resolution lay on the table until the next regular meeting. Adopted.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, {
ROCHESTER, N. Y., Dec. 14, 1886. }

To the Honorable Common Council:

GENTLEMEN: On Sept. 7, 1886, your Honorable Body passed Ordinance No. 3,044 for the construction of a flag walk on the northeast and northwest corners of Pearl street at Alexander street. This was duly advertised for letting on Sept. 24, 1886, and the contract was on that day duly awarded to J. Middaugh.

On Oct. 5, 1886, your Honorable Body adopted a resolution allowing the property owners on said portion of Pearl street thirty (30) days' time in which to construct their own walks, nothing being said in said resolution as to the kind of walk required. The Executive Board accordingly caused the commencement of the work under the aforesaid ordinance and contract to be postponed for the specified period of time. During this interval Mr. A. B. Lamberton, owner of one of the premises affected by the said ordinance, caused a substantial plank sidewalk to be built in front of his said property, instead of a stone flag walk, as specified in the ordinance. And, on notification from the Executive Board, he refused to take up said new plank walk, and to lay a stone walk in conformity with the ordinance. The remaining property owners, however, took no measures to construct their respective walks in any manner, and hence the Executive Board caused the stone flag walks contemplated by the said ordinance to be built by the contractor in front of their premises.

As it is necessary to soon close up the contract work, the members of the Executive Board again notified Mr. Lamberton that they had no authority to accept the new plank sidewalk in front of his premises, in place of the stone flag walk specified in the said ordinance, and duly tendered him the construction of such a stone flag walk, under the contract mentioned.

Mr. Lamberton, however, declined to permit said work to be performed, or to pay therefor if done without his consent, claiming to have complied fully with the spirit and intent of said ordinance and resolution by having constructed a proper plank walk. He accordingly asks that the said plank walk be duly accepted, and that he be released from the operation of the ordinance referred to.

The matter is therefore submitted to your honorable body for suitable action in the premises.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ald. Elliott moved to refer the matter to the Law Committee. Adopted.

To the Common Council:

GENTLEMEN—Pursuant to the terms of a resolution adopted at the last regular meeting of your Board, the owners of the land proposed to be taken for the widening of Hand street were invited by the Executive Board to state the sum of money they would accept in payment for their property. Two of the three owners appeared before the Board and submitted such prices as were deemed beyond the actual value of the land. The Executive Board, therefore, recommends that such action be taken as is provided by the charter for the condemnation of the lands necessary to be purchased for the widening of Hand street.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Kohlmetz—Whereas, No agreement for the purchase of the land necessary to be taken for the purpose of widening Hand street can be made; therefore, Resolved, That the

city surveyor be, and hereby is, directed to make and file in the office of the city clerk a copy of the ordinance for widening Hand street, adopted Nov. 30, 1886, together with a map of the proposed street, showing on such map the lots, tracts and parcels of land which are deemed necessary to be taken for said widening, in accordance with section 164 of the revised City Charter. Adopted.

By Ald. Kohlmetz—Resolved, That the City Attorney be, and hereby is, directed to publish a notice specifying and describing the lands necessary to be taken for the purpose of widening Hand street, and to take such further action as may be necessary with reference thereto, in accordance with sections 175 and 176 of the Revised City Charter. Adopted.

OFFICE OF THE CITY ATTORNEY, }
NO. 19 CITY HALL BUILDING, }
ROCHESTER, N. Y. }

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—In answer to your request of November 30, 1886, as to the best manner in which to annul the contract for lighting the kerosene lamps, I would submit the following for your consideration:

It appears that at the meeting held on the 14th day of July, 1886, on motion of Ald. Coughlin, your Lamp Committee was authorized to advertise for proposals to light the public kerosene oil lamps from August 1, 1886, to July 1, 1887.

It further appears that said committee duly advertised for proposals for the "care, cleaning, repair, lighting and extinguishing, furnishing all repairs for the tops, including double-thick glass, burners, pots, wicks, chimneys, etc., for the public kerosene lamps in the city."

Each proposal was required to be accompanied by a bond or guarantee signed by not less than two responsible sureties such as should be acceptable to said Lamp Committee and your honorable body, to the effect they undertook that the persons proposing would, immediately after notice of the acceptance of their proposal, perform the work proposed for in full accordance with the terms of the specifications for said work and said notice, and to the satisfaction of your honorable body.

It was further provided in said proposals as follows:

"The right is reserved by the committee to reject any and all bids, and to award the contract as they may deem advisable for the best interests of the city.

The committee also reserve the right, in case of neglect on the part of the contractor to perform the work contracted for, to annul the contract after giving twenty-four hours' notice of their intention."

It further appeared that Charles McDonald, to whom the contract was awarded, presented his written proposal accompanied by the bond contemplated in the notice, and he being the lowest bidder, and for that reason recommended by your committee as the person to whom the contract should be awarded, your honorable body at the meeting held on the 27th day of July, 1886, duly passed the following resolution in relation thereto, viz:

"By Ald. Coughlin—Resolved, That the Mayor be and he hereby is authorized to enter into contract with Charles McDonald for the care, lighting and extinguishing, furnishing all repairs and repainting the public street kerosene lamps from Aug. 1, 1886, to July 1, 1887, in accordance with his proposition and specifications as advertised by the Lamp Committee, provided he furnish a good and sufficient bond for the faithful performance of the contract.

Resolved, That the Mayor be directed to insert in the contract that the Lamp Committee may at any time remove kerosene oil lamps and replace them with electric light or gas, as the committee may deem advantageous for the best interests of the city. Your Honorable Body also further provided, upon motion of Ald. Kelly, that a provision requiring that the lamps be cleaned at least once a week be also inserted in the contract. It further appears that Mr. McDonald on or about August 8, 1886, entered upon the performance of the contract and has since, either by himself or Mr. Russell, his bondsman, been engaged in the performance of the contract. It further appears that your Honorable Body, at a meeting held November 5, 1886, upon motion of Ald. Selye, after reciting the fact that complaints were constantly made during the previous year as to the dirty condition of street lamps lighted by kerosene oil and that said lamps were not regularly lighted as required by the contract between the city and the contractor, duly adopted a resolution that the contract made between the city and Charles McDonald for the care, lighting and maintenance of the public kerosene lamps should be annulled on the ground of breach of contract, and upon motion of Ald. Weider an amendment was made that the Mayor be directed to cancel the contract.

It further appears that at the meeting held by your honorable body on Nov. 16, 1886, His Honor the Mayor reported to you that he had done nothing towards the annulment or the lamp contract, for the reason that said contract could not be annulled in the manner suggested in your resolution of the previous meeting, and some other way must be provided; and for information as to the proper course to be pursued be referred to the undersigned.

In my opinion, if the contractor, or the person who assumes to perform the contract on his behalf, has failed to perform the terms and conditions of the contract in not properly and regularly lighting and caring for said lamps, the power rests in you, after giving a reasonable notice to such contractor or person of your intentions in the

premises, to terminate and annul such contract, as it is a well settled proposition of law that in case a party to any contract fails to perform the terms and conditions at the time and in the manner provided in the contract for him to perform the same, that then the other party to the contract may upon a reasonable notice to such defaulting party terminate and annul the contract.

I fully agree with His Honor, the Mayor, in his position that the power of annulment or cancellation rests in you alone.

Trusting that the above suggestions will afford the information desired by you, I remain,

Respectfully yours,
IVAN POWERS, City Attorney.

deville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

By Ald. Kelly—

To the Honorable, the Common Council:

GENTLEMEN: Your petitioners, representing the laboring element of our city, respectfully state that a committee from the labor organizations of Rochester, waited upon the Executive Board of the city, asking the reason for the contemplated reduction in the pay of laborers employed by the city from \$1.50 to \$1.25 per day, and were informed by said Executive Board that the funds appropriated for its use were insufficient to carry them through the fiscal year, and in order to make said moneys meet the necessary anticipated expenses, it would be necessary to make such reduction.

Your petitioners further represent that the laborers referred to are reputable citizens and are also taxpayers in this city, and by their labor and their said taxes and in a large measure to accumulate the funds needed to meet the high salaries of city officials, whose rate of pay is not reduced through smallness of appropriations.

Your petitioners further state that by such reductions, as specifically shown in the matter of the Goodman street sewer, under contract to Messrs. McConnell & Jones, naturally result in the employment of foreign and pauper labor in place of free American labor; that said pauper labor is of no real benefit to the country, as they do not become citizens and pay no taxes, but generate disease and epidemics by their low and indecent manner of life, and by taking the place of American citizens add to fill our charitable institutions and poor-houses.

Your petitioners claim that \$1.25 per day is insufficient to meet the necessary living expenses of a family, with rents, coal and provisions, at the present high rates, and further, that your honorable body can, by averting such reduction, relieve the taxpayers of the city of a great burden, as the citizen, if he is subjected to such reduction, is placed under the humiliating necessity of asking aid from the poor department.

Your petitioners believe that an appropriation sufficient to enable said Executive Board to continue the present rate of wages—\$1.50 per day—would be serving the best interests of the city at large, more than by the appropriation of any sum you may be called upon to make whether for public parks or some other scheme to increase the tax budget.

Your petitioners therefore pray your honorable body to make a sufficient further appropriation to enable the Executive Board to complete the year without any reduction in the laborers' wages, believing that it is better to appropriate money for this purpose than to devote it to the support of your poor house, and your petitioners will ever pray, etc.

ROCHESTER CENTRAL LABOR UNION,
By order of Executive Board.

Ald. Foley moved that the communication be referred to the Finance Committee and Executive Board. Adopted.

By Ald. Watson—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Recognizing the importance of medical charities to the city poor and also being aware of the fact, that no special medical aid is offered to the poor women and children of this city; we, the undersigned graduates in medicine, have organized an association for the purpose of affording dispensary aid to that class of persons.

We offer our services gratuitously, for stated hours of each afternoon of the week. We have provided for the payment of all medicines, except for such patients as shall be absolutely destitute of pecuniary means.

We respectfully request your honorable body to carefully consider the plans we have made for this medical charity, and to grant us suitable rooms—heated during the winter months—also we

request you to take action in this matter at the earliest possible time.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

BASIN STREET WIDENING

By Ald. Bohrer—Resolved, That the following improvement is necessary, viz:

The widening of the west end of Basin street, and the territory deemed necessary to be taken therefor is described as follows, viz: A strip of land, including the brick building thereon, eleven (11) feet feet in width, front and rear, fronting on the east side of Exchange street and extending forty (40) feet and eleven (11) inches in depth on an adjoining the existing north line of Basin street aforesaid.

Resolved, further—That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz:

One tier of lots on each side of Basin street, from Exchange street to Aqueduct street; also, one tier of lots on the west side of Aqueduct street, from Basin street to the Erie canal aqueduct; also, one tier of lots on the east side of Aqueduct street, from the north line of the building owned by Ezra Andrews, to the aforesaid Erie canal aqueduct.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1890, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, Dec. 28th, 1896, at 7:00 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

HAWLEY AND SEWARD STREET SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in portions of Hawley and Seward streets.

Adopted.

The Surveyor submitted as such estimate, \$2,500.

By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer twenty (20) inches in diameter in Seward street, beginning at the sewer in Strong street, and extending southward to the produced medial line of Hawley street; thence the construction of a vitrified pipe sewer eighteen (18) inches in diameter along the medial line of Hawley street to a point one hundred (100) feet east of the east line of Reynolds street, with the necessary manholes, surface sewers and lot laterals and connections properly appertaining to the aforesaid sewers; also, the regulated roadway grading, and gutter formations.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$2,500, which estimate is hereby approved.

Resolved, further, That the following portion of said City is deemed benefited and proper to be assessed for the whole expense thereof, viz:

All the territory included within and described by the following boundary lines, viz: Beginning at the intersection Seward and Strong streets; thence westerly along Strong street, excepting one tier of lots on the south side thereof to Jefferson avenue; thence southerly along Jefferson avenue, and including one tier of lots on the west side of Seward street, excepting the lot on the N. W. corner of Jefferson ave. and Seward street; thence northerly along Jefferson avenue, including one tier of lots on the east side thereof to Magnolia street, excepting the lot on the north side of Jefferson avenue and Seward street; thence easterly along Magnolia street and including one tier of lots on the south side thereof to Seward street; thence northeasterly and northerly along Seward street, excluding the lots on the north-east and southeast corners of Magnolia and Seward streets; thence easterly along Flint street, including one tier of lots on the north side thereof to a point 100 feet west of Plymouth avenue; thence westerly, including one tier of lots on the north side of Flint street to Seward street; thence northerly along Seward street and including one tier of lots on the east side thereof to the place of beginning.

And further resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments, as follows:

One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll, and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, December the 28th, 1886, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

HAWLEY, SEWARD, REYNOLDS AND FLINT ST. SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in portions of Hawley, Seward, Reynolds and Flint streets.

Adopted.

The Surveyor submitted as such estimate, \$4,500.

By Ald. Marson—Resolved, That the following improvement is necessary, viz.:

The construction of a vitrified pipe sewer twenty (20) inches in diameter in Seward street, beginning at the sewer in Strong street and extending southward to the produced medial line of Hawley street; thence the construction of a vitrified pipe sewer eighteen (18) inches in diameter along Hawley street to the medial line of Reynolds street; thence along Reynolds street southward to the medial line of Flint st.; thence the construction of a vitrified pipe sewer fifteen (15) inches in diameter along Flint st. to a point one hundred and thirty-five (135) feet west of the west line of Reynolds st.; with the necessary manholes, surface sewers, lot laterals and connections properly appertaining to the several afore-said sewers; also the required roadway grading and gutter formation.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$4,500, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefitted and proper to be assessed for the whole expense thereof, viz.:

All the territory included within and described by the following boundary lines, viz: Beginning at the intersection of Seward and Strong streets; thence westerly along Strong street, excepting one tier of lots on the south side thereof, to Jefferson avenue; thence southerly along Jefferson ave. and including one tier of lots on the west side thereof to Seward st., excepting the lot on the N. W. corner of Jefferson ave. and Seward st.; thence northerly along Jefferson ave., including one tier of lots on the east side thereof, to Magnolia st., excepting the lot on the northeast corner of Jefferson ave. and Seward st.; thence easterly along Magnolia st. and including one tier of lots on the south side thereof to Seward st.; thence northeasterly and northerly along Seward st., excluding the lots on the northeast and southeast corners of Magnolia and Seward sts. to Flint st.; thence easterly along Flint st., including one tier of lots on the north side thereof to a point one hundred (100) feet west of Plymouth av.; thence westerly, including one tier of lots on the north side of Flint st. to Seward st.; thence northerly along Seward st. and including one tier of lots on the east side thereof to the place of beginning.

And further resolved, that the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments as follows: One-third of the amount assessed within thirty days after advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed of six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, December 28th, 1886, at 7 o'clock, in the Common Council Chamber, when allegations will be heard.

Adopted.

HAMBURG STREET SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in Hamburg street.

Adopted.

The Surveyor submitted as such estimate, \$675.

By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer fifteen (15) inches in diameter in Hamburg street, beginning at a point thirty (30) feet west of the west line of Chatham street, and extending westward to intersect the sewer in S. Joseph street, with the necessary manholes, surface sewers, lot laterals and lot connections; also the required roadway grading and gutter formation.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$675, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefitted and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of Hamburg street, from Chatham street to S. Joseph street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172 of the Revised Charter of 1880 of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Saturday evening, December the 28th, 1886, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

FINAL ORDINANCES.

The final ordinance for McFarlin alley plank walk was called up, and, on motion of Ald. Foley, action was postponed two weeks.

Ald. Coughlin moved that action on the final ordinance No. 3,062, for a plank walk on the final Frankfurt street, be reconsidered. Adopted.

Ald. Coughlin moved to amend the ordinance by substituting for the words "for the distance of 400 feet" the words "to John C. Mason's south line." Adopted.

Action on the ordinance was postponed two weeks under the rule.

MISCELLANEOUS BUSINESS.

By Ald. Coughlin—Resolved, That the Lamp Committee be authorized and requested to determine what in its judgment would be a fair and reasonable price to be received upon the sale of the old lamp-posts now owned, but unused, by the city of Rochester, and report the same to this Council. Adopted.

Ald. Kelly in the chair.

Ald. Marson moved that the resolution published at page 334, current proceedings, in regard to a foot bridge over the canal at Fitzhugh street be reconsidered. Adopted.

Ald. Marson moved that the resolution be indefinitely postponed. Adopted.

By Ald. Marson—Resolved, That the Executive Board be and is hereby authorized and instructed to construct a temporary wood bridge over the Erie canal upon the west side of South Fitzhugh street, at an expense not to

exceed one hundred and twenty-five (\$125) dollars, and charge the same to the Contingent Fund. Lost.

By Ald. Watson—Resolved, That the Executive Board be and they are hereby directed to raise the tracks of the Rochester City & Brighton Railroad Company on the Elm street and Park avenue route, where their tracks are lower than the grade of the streets, and charge the same to the Rochester City & Brighton Railroad Company.

Ald. Foley moved that all tracks be inserted. Adopted.

The resolution as amended was adopted.

By Ald. Kohlmetz—Petition of John Wegman for damages alleged to have been sustained, through breaking through a sewer on Ward park. Referred to the Law Committee.

Ald. Elliott moved that the city departments using tele-phones be directed to surrender them and have the same taken out at the expiration of contracts. Adopted.

Ald. Elliott moved that the Mayor be requested to notify all gas companies who do not keep their lamps clean that they will be required to live up to their contracts. Adopted.

Ald. Elliott moved that the Park Committee be directed to cease the removal of trees from the public parks, and report to the board how many trees had been cut down and where they were located. Adopted.

Ald. Elliott moved that the City Property Committee be requested to solicit bids from the Edison and any any other electric light companies which may desire to compete for lighting the City Hall. Adopted.

By Ald. Foley—Resolved, That the Executive Board be requested to construct a crosswalk across Bronson avenue at the west line of Ole n street. Lost.

Ald. Foley moved that the petition of Robert Quinn be referred to the Law Committee, and the City Treasurer be requested to state the feasibility of collecting the assessments due for the widening of Mansion street and report to this board at the next meeting. Adopted.

Ald. Elliott moved that the action on the resolution for a crosswalk on Bronson avenue be reconsidered. Adopted.

The resolution was then adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Kohlmetz, Fritzsche, Foley, Swikebard, Kelly, Schaeffer—8.

Nays—Ald. Marson, Watson, Elliott, Mandeville, Weider, Stein, Bohrer—7.

By Ald. Mandeville—Petition of George S. Riley for permission to erect a wood building. Referred to the Wood Building Committee and Fire Marshal, with power to act.

By Ald. Mandeville—

To the Honorable the Common Council of the City of Rochester:

The Rome, Watertown & Ogdenburg Terminal Railroad Company believing that the crossing of North st. Paul street at grade, if such crossing were guarded and protected with the best modern appliances, would be more satisfactory and to the better interests of the people of the city of Rochester, as well as to the said railroad company, than a crossing constructed in accordance with the permission heretofore granted by your honorable body, respectfully prays that permission so to cross said street at grade be granted.

And your petitioner as in duty bound will ever pray, etc.

Dated, Dec. 14, 1886.

**THE ROME, WATERTOWN & OGDENSBURG
TERMINAL RAILROAD COMPANY,
By H. M. Britton, Gen. Man'gr.**

Ald. Mandeville moved that the communication be referred to the select committee on R. W. & O. R. R., to report to this board at the next meeting. Adopted.

By Ald. Mandeville—Resolved, That the Mayor be and he hereby is directed to enter into a lease in writing on behalf of the city, and that the corporate seal of the city be thereto attached, with James Pammenter, by which the lands adjacent to the Mount Hope Water Works Reservoir, and as described by Mr. J. Nelson Tubbs, Chief Engineer of the Water Works Department, be leased to said Pammenter for the term of five years, from the 14th day of December, 1886, at the rental of \$200 per year, payable as follows: One hundred dollars at the time of the execution of the lease; one hundred dollars September 1, 1887, and one hundred dollars on the first days of April and October in each year thereafter, commencing April 1, 1887; such payments to be made to the City Treasurer.

Said lease to contain the agreement on the part of the city to put the dwelling and barn on the premises leased in a good, tenantable condition, and to provide for the cancellation thereof and surrender of the whole or any part of the premises leased in the manner provided in a resolution of this Council to be found at page 324 of the proceedings of '82-'83; also to permit the lessee to remove any building, wind-mills or other structure he may erect upon the premises at any time during the existence of the lease, and to contain such other conditions as may be deemed by the City Attorney suitable and essential to the protection of the city. Adopted.

By Ald. Mandeville—

To the Hon. Common Council:

GENTLEMEN: Your Committee on Maps and Surveys, to whom was referred the resolution adopted at a previous meeting of your Honorable Body authorizing the Mayor to enter into a contract with Oscar H. Peacock to complete the unfinished maps now in the surveyor's office for the use of the assessors, respectfully report that, in view of the dissatisfaction expressed by some members of this board to the effect that such resolution did not contemplate the awarding of the contract for such work to the lowest bidder, your committee have deemed it advisable to report for your consideration the following resolution:

W. MANDEVILLE,
H. KOHLMETZ,
WM. COUGHLIN, JR.,
PH. WEIDER.

Ordered received, filed and published.

By Ald. Mandeville—Resolved, That the Map and Survey Committee be authorized and directed to advertise for proposals for making the necessary surveys and maps of the first fourteen wards of the city of Rochester for the use of the Assessors in accordance with specifications to be prepared by the City Surveyor, and that the party to whom the work shall be awarded shall give a bond equal to the full amount of the proposal submitted, guaranteeing the full and proper completion of the work in accordance with said specifications, and within two years from the date of the contract. Adopted.

By Ald. Swikehard—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your committee appointed for the

Revision of Penal Ordinances hereby give notice that at the next meeting of your honorable body the following ordinances will be presented for passage: An Ordinance Relating to Streets, in substance the same as that which was reported and referred to in the notice presented to you at your regular meeting held Nov. 16th, 1886; also an Ordinance Relating to Cartmen, Public Porters and Drivers of Baggage Wagons, or other Vehicles for the Carrying or Transportation of merchandise or other property for hire within the city of Rochester, in substance the same as that heretofore reported and referred to in the notice presented to you at your regular meeting held Oct. 19, 1886. Also an ordinance relating to hackney coaches, cabs and carriages for hire within the city, in substance the same as that which was reported and referred to in the notice presented to you at your regular meeting held October 19, 1886. Also an ordinance relating to railroads within the city, in substance the same as that which was reported and referred to in the notice presented to you at your regular meeting held October 19, 1886; also an ordinance relating to the erection and removal of buildings within the city in substance the same as that which was reported and referred to in the notice presented to you at your regular meeting held Oct. 19, 1886.

Respectfully submitted,
J. MILLER KELLY,
GEO. B. SWIKEHARDT,
W. H. MARSON,
Special Committee.

Ordered received, filed and published.

By Ald. Swikehard—

To the Honorable the Common Council of the City of Rochester:

The undersigned taxpayer, assessed for the Chilli avenue and Briggs place sewer, respectfully shows—

That the first assessment roll for said Chilli avenue and Briggs place sewer was confirmed on the 11th day of December, 1883, at a meeting of your honorable body.

That owing to some inequalities in said assessment the assessor of said city made a second assessment roll correcting said inequalities, and the latter assessment roll was, on the 30 day of June, 1884, confirmed by your honorable body.

That, as your petitioner is informed and believes, the Treasurer of said city has never received payment of any assessments upon said roll last above mentioned.

That the assessment of most of the persons assessed for said improvement was less upon said first assessment roll than upon the subsequent one, and such persons paid their assessments as they appeared upon said first roll.

Your petitioner therefore prays that the City Treasurer be authorized by your honorable body to receive from the undersigned the amount of his assessment as it appears on said second roll, and that the assessment as it appears upon said first roll, be cancelled and that the amount of the difference be charged to erroneous assessments.

J. C. O'BRIEN.

Dated Dec. 4, 1886.

Referred to the Assessment Committee.

By Ald. Swikehard—Resolved, That the Lamp Committee be directed to place an electric light at the corner of Orchard and Orange streets; also an electric light at the corner of Whitney and Smith streets. Referred to the Lamp Committee.

By Ald. Bohrer—remonstrance against the erection of a wood building on North avenue by Lewis Edelman. Referred to the Wood Building Committee and Fire Marshal.

By Ald. Schaeffer—Petition for gas lamps in Laforce park. Referred to the Lamp Committee.

By Ald. Schaeffer—Resolved, That the Executive Board be authorized and requested to negotiate for the purchase of lands necessary

to be taken for the extension of Clifford street from North avenue to the east line of the city, as contemplated by final ordinance No. 3,074 and passed by the Common Council Oct. 5th, 1886, and report the result of their negotiations to this board at the next regular meeting. Adopted.

By Ald. Schaeffer—Resolved, That the Executive Board be authorized and requested to negotiate for the purchase of lands necessary to be taken for the extension of Stewart street from its western terminus to Carter street, as contemplated by final ordinance passed by the Common Council Oct. 19, 1886, and report the result of their negotiations to this board at the next regular meeting. Adopted.

By Ald. Schaeffer—

To the Hon. Common Council:

GENTLEMEN: Your Assessment Committee, to whom was referred the petition of John Schlenker, asking your honorable body to refund the sum of \$96.14 as the amount of erroneous assessments heretofore levied on lots 42, 43, 44 and 45, situated on the east side of Lincoln street in the Davis and Hollister tracts for Channing street sewer improvements, and also on lots 38, 39, 40 and 41, situated on the west side of Hollister street in said tract, for the sewer improvement aforesaid, would respectfully report that they have carefully examined into the said matter so referred to them and report in favor of refunding the sum of \$90.94 to the said John Schlenker.

Respectfully submitted,

By Ald. Kelly :

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN.—Your Law Committee, to whom was referred the claims of H. V. Filkins and John Wegman, would beg leave to submit the following as their report :

In relation to the claim of said H. V. Filkins, that it is a claim made by him for the service of criminal warrants and subpoenas issued by the police justice of the city of Rochester on behalf of the people, in the criminal prosecutions against George H. Bussey on a charge of being concerned in theatrical exhibitions on Sunday ; that it is provided by Section 63 of the Revised City Charter of 1880, in reference thereto, as follows : “\$63—The constables elected in said city, or in the different towns of the County of Monroe, shall not be compelled to serve or execute any process, notice or paper whatever, issued by the Police Justice, or the Municipal Court of said city, in execution of the laws of this State for the prevention of crime and the punishment of criminal offenders, or of the police laws and regulations of the State or of said city; nor shall the County of Monroe, or any of the towns thereof, or of said city, be liable to pay any such constable any fees for serving or executing such papers or process. In other respects, the constables elected in said city shall have within said city, and the County of Monroe, the same authority and compensation, and be subject to the same duties, as the constables of the several towns of said county,” and by reason of the provisions of said Section 63, it is respectfully submitted as our opinion that no claim exists in favor of Mr. Filkins against the city for the services he claims in his bill or account presented to have rendered. It is quite evident that the Legislature, by the enactment of said section 63, intended to relieve the city from the payment for any services rendered by any constable in criminal cases or proceedings, for the reason that the city, at a large expense, maintains a police force capable of enforcing and serving all criminal process issued by the Police Justice.

In relation to the claim of Mr. Wegman, we would say that no one has appeared before us on behalf of Mr. Wegman, and hence we are wholly ignorant in regard to the facts of the case, but from an inspection of the written claim presented by him we deem it highly proper that it be referred to the Executive Board to investigate the claim and report thereon to your Honorable Body, and therefore offer the following resolution in relation thereto.

Respectfully submitted,

J. MILLER KELLY,
P. WEIDER,
D. W. SELYE,
H. KOHLMETZ,
Law Committee.

Ordered received. filed and published.

By Ald. Kelly—Resolved, That the claim of John Wegman for injuries to his horse, alleged to have been sustained by breaking through a sewer in Ward park, on October 2, 1886, here-

before presented and referred to the Law Committee, be referred to the Executive Board to examine in relation thereto, and to report the result of their examinations with all convenient speed to this Council, and that the Law Committee be for the present relieved from all further consideration thereof. Adopted.

By Ald. Kelly—

To the H. C. the Common Council of the City of Rochester:

GENTLEMEN.—Your Law Committee, to which was referred the communication of Mr. Bacon in reference to the payment of the awards made by the commissioners for the acquirement of the right by the city to draw water from Hemlock and Canadice lakes for the use of the city and its inhabitants, does respectfully report :

That the award of the commissioners was confirmed upon the motion of Mr. Beckley, the then city attorney, by the Supreme Court by its order dated September 3d, 1885; that subsequently an appeal was taken by the city from such order of confirmation to the General Term of the Supreme Court, by which it was affirmed, and, thereafter, a further appeal was taken to the Court of Appeals, which latter court dismissed the said appeal upon the ground that no right existed for the same, and, therefore, left open to the city one course only to pursue, and that it is the payment of said awards. To do this, in the opinion of your committee, the treasurer should be directed to make the city's note for the amount necessary for the payment of such awards, costs and interest, as the same is required to be paid as hereinafter provided.

Your committee is informed that when the actions brought by the numerous owners of water rights and privileges against the city to recover for their alleged damages sustained by the taking of water from and after the construction of the water works were brought to trial before the referees appointed by the court to hear the same, it was agreed between Mr. Beckley, then City Attorney, on behalf of the city, and Mr. Bacon, then attorney for the respective owners and claimants, plaintiffs, on behalf of them, that in order to save the costs of further litigation, the damages to be recovered by such owners, and to be given by said referees should be allowed up to the date of said order of confirmation, namely, said September 3d, 1885, and that as a compensation for the damages accruing between said last mentioned date and the date on which payment of the awards might thereafter be made by the city (the city, under the terms of the statute and the order of confirmation, not acquiring the title or right to take such water in perpetuity until said damages were paid or deposited in the Mechanics' Savings Bank, as provided by the order of confirmation, and, therefore, the city, being subject to a claim by the different owners of the water rights and privileges affected by the taking of the water during the interval between said date of confirmation and said payment or deposit) interest should be allowed and paid upon the several awards from the date of said confirmation order to the date of payment, and it has been agreed between Mr. Bacon and Mr. Powers, the present city attorney, that such interest should be paid and allowed upon the awards where the owners to whom the same are made have remained the owners of the parcels since such date of confirmation, executing to the city proper releases, the form of which has been agreed upon by said attorneys, which, being executed, will relieve the city from any claim of damages accruing during such interval.

Your committee in specifying the amount of the note to be made at the sum of \$97,000.00 is aware of the fact that the same will be insufficient for the full payment of the matters, if interest be paid as above suggested, but by reason of the doubt existing as to releases being executed to require interest to be paid, as above provided, it deems it best that the sum so raised by discount be less than greater than the amount actually required, as the

deficiency that may exist, when it is ascertained, can readily be provided for by the execution of another note for the small balance remaining, and thus it will save the annoyance and trouble of making provision for a transfer to another fund, which would be the case should an excess remain in the fund. Your committee therefore recommends that the following resolutions be adopted. All of which is respectfully submitted.

J. MILLER KELLY,
PHILIP WEIDER,
D. W. SELYE,
H. KOHLMETZ,
Law Committee.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the city treasurer be, and he hereby is, authorized to make the city's note for the sum of ninety-seven thousand dollars (\$97,000), under the provision of the last paragraph of section eighty-one of the city charter, and have the same discounted, under the direction of the Finance Committee, such note to be countersigned by the chairman of said committee, and place the amount of the same to the credit of a special fund for the payment of the awards made for the taking of water from Hemlock and Canadice lakes for the use of the city and its inhabitants, by commissioners appointed and proceedings instituted for that purpose, and charge the discount upon said note to the contingent fund. Adopted by the following vote:
Ayes—Ald. Tracy, Conger, In, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

By Ald. Kelly—Resolved, That the clerk draw orders upon the treasurer payable out of the Special Fund created for that purpose in favor of the following named person for costs and damages awarded in proceedings instituted by the city to acquire the right to take water from Hemlock and Canadice Lakes for the use of the city and its inhabitants, not exceeding nine millions of gallons per day, as follows:

One in favor of Theodore Bacon, Esq., for the sum of \$540 92, with interest thereon as follows: On \$424 20, from September 3, 1885; on \$67.40, from June 25, 1886, and on \$49 32, from October 16, 1886, to the date when said order may be drawn, such amount being in full of the costs and disbursements awarded to the owners upon the several appeals to the General Term of the Supreme Court and to the Court of Appeals, and to all the owners but Cora J. Trimmer, for their costs and disbursements up to, and including, the confirmation of the award.

One in favor of Thomas Raines, Esq., for \$35 00 and interest thereon from September 3, 1885 to the date when said order may be drawn, being the amount of costs and disbursements awarded to him as attorney for Cora J. Trimmer, in said order of confirmation.

Also, orders for the payment of the following awards made by the commissioners, and payable to the owners to whom the same were awarded, or to the order of the Mechanics' Savings Bank in cases where notices of claim were filed, as provided in the order of confirmation, and in the latter event the amount of the award or awards against which such claims may have been filed, shall be received on deposit by said bank and be subject to the future order of the court in the proceeding:

1. One to the order of Myron Barton and Allen I. Williams, owners of parcel No 1; three thousand and six hundred dollars (\$3,600).

2. One to the order of James S. Ruland, the owner of parcel No. 2; five hundred dollars (\$500).

3. One to the order of Alonzo W. Townend, the owner of parcel No. 3; three thousand dollars (\$3,000).

4. One to the order of Amos Lottee, the owner of parcel No. 4; three thousand eight hundred and thirty-five dollars (\$3,835).

5. One to the order of Frank A. Booth, the owner of parcel No. 5; five thousand dollars (\$5,000).

6. One to the order of Eunice A. Lloyd, the owner of parcel No. 6; one hundred dollars (\$100).

7. One to the order of James A. Stillman, the owner of parcel No. 7; one thousand dollars (\$1,000).

8. One to the order of Elston Hunt and William R. Hunt, the owners of parcel No. 8; eight thousand and five hundred dollars (\$8,500).

9. One to the order of Susan L. Cook and Anna J. Lee, the owners of parcel No. 9; one thousand and two hundred dollars (\$1,200).

10. One to the order of Warren Foote and Benjamin G. Weaver, the owners of parcel No. 10; four thousand dollars (\$4,000).

11. One to the order of Benjamin G. Weaver, the owner of parcel No. 11; three hundred dollars (\$300).

12. One to the order of John Ideson, the owner of parcels Nos. 12 and 15; five thousand and five hundred dollars (\$5,500).

13. One to the order of Edwin E. Bond, the owner of parcel No. 13; three thousand and five hundred dollars (\$3,500).

14. One to the order of Adrianna C. Smith, the owner of parcel No. 14; three thousand seven hundred and fifty dollars (\$3,750).

15. One to the order of Elias L. Vorks and William R. Vorks, the owners of parcel No. 16; three thousand dollars (\$3,000).

16. One to the order of Asa Pride and Guy R. Pride, the owners of parcel No. 17; seventeen thousand and five hundred dollars (\$17,500).

17. One to the order of Martin Pierce and Seymour Pierce, the owners of parcel No. 18; four thousand dollars (\$4,000).

18. One to the order of John W. Day and Richard Cook, the owners of parcel No. 20; two thousand four hundred and fifty dollars (\$2,450).

19. One to the order of George R. Smith and Emily C. Smith, the owners of parcel No. 21; twenty-one thousand dollars (\$21,000).

20. One to the order of Charles H. Fairchild and William P. Davis, the owners of parcel No. 22; seven hundred and fifty dollars (\$750).

21. One to the order of the legal representative or representatives of Cora J. Trimmer, deceased, the owner in her life time and when the report of the commissioners was made, of parcel No. 19; the sum of three thousand dollars (\$3,000).

It is further resolved, That interest be computed upon any of the above awards or sums from September 3d, 1885, the date of the confirmation order concerning the same, in case the owner or owners of the parcel to which such award may have been made, as aforesaid, has remained such owner from said September 3d, 1885, down to the date when such order may be drawn in accordance with this resolution, and shall execute to the city of Rochester

such proper release as the City Attorney may consider sufficient for the protection of the city, and to be by him certified to the clerk that such release has been executed, and that interest may be thus computed, and the clerk shall draw the orders aforesaid under the direction and certificate of the City Attorney.

It is further Resolved, That the Treasurer pay the said several orders drawn in pursuance of this resolution out of and from the special fund created for that purpose.

Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Swikenard, Weiser, Stein, Bohrer, Kelly, Schaeffer—13.

Ald Schaeffer called for the report of the Assessment Committee, presented at the last meeting, in regard to the matter of the petition of John Schlenker for refunding of the amount of an erroneous assessment from the table and presented the following:

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—In the matter of the petition of John Schlenker referred to me for my opinion, I would say I have given the subject matter thereof my careful attention and am of the opinion that said petition should be granted, except that the amount to be refunded to the said John Schlenker should be the sum of \$91.91 instead of \$96.14, and which is in substance the same as was embodied in the resolution presented to your honorable body by Ald. Schaeffer at your last regular meeting.

Very respectfully yours,

IVAN POWERS, City Attorney.

On motion of Ald. Schaeffer the report was adopted.

By Ald. Schaeffer—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—Your Assessment Committee, to whom was referred the petition of Alice Mauder, would respectfully report that they have examined into the matters set forth in said petition, and are of the opinion, and recommend, that the sum of \$25.52, which appears to be assessed to Alice Mauder upon the lot mentioned and referred to in said petition as sewer tax, should be cancelled, and charged to erroneous assessments.

The petition of Hahn & Rampe, which was also referred to your committee, has been examined by it, and it reports in favor of granting the prayer of said petition and of receiving the sum of \$74.50 in full payment of the sum of \$89.41, assessed upon a part of lot No. 1 on the west side of Fulton street of the Emerson, Crowner & Crittenden tract, for the Fulton avenue improvement, and the balance to be charged to erroneous assessments.

Your committee has also examined the matters set forth in the petition of Frederick Albrecht, referred to it by your honorable body, and find that the statements contained in said petition are true, and recommend that the sum of \$15 be taken in full payment of the assessment levied against Frederick Albrecht for the Ward park sewer, and that the balance of the assessment be charged to erroneous assessments.

Your committee reports in favor of granting the petition of Maria Whitlock, referred to it, and of cancelling the assessment against her upon lots 8 and 9 on the east side of Stone street for the South St. Paul street sewer, amounting to \$6.80, and that the same be charged to erroneous assessments.

It also reports adversely to granting the petition of Wm. Whitlock for the cancellation of his assessment for the aforesaid sewer.

Your committee also reports in favor of granting the petition of J. C. O'Brien, and recommends that the treasurer be authorized to receive from him the sum of \$82.32, the amount of his assessment upon the second roll, referred to in his said petition, and that the sum of \$175.91, the amount assessed against him on the first roll, referred to in

his petition, be cancelled, and the amount of difference be charged to erroneous assessments.

It was also recommended to your committee by the assessors and the city treasurer, who were in attendance before it by request as to the matters set forth in Mr. O'Brien's petition aforesaid, and your committee is of the opinion, and do recommend that the assessment upon lots 1, 2, 3 and 4, against J. H. Martindale, which are now owned by Messrs. Stull and Ellwanger & Barry, having once been paid, but, by error of the assessors, the assessment was made to appear upon the assessment roll in duplicate; that such duplicate assessment now be cancelled, and the amount thereof charged to erroneous assessments.

The assessors also stated to your committee that an erroneous assessment has been levied against the property of Thomas Fenwick on lots 97 and 210 of the Rochester Building Lot Association, amounting to \$17.89; also an erroneous assessment against Esther Fenwick of \$18.42, on lot 10 of said building lot association, in the Fifth ward, and your committee would therefore recommend that the same be cancelled and charged to erroneous assessments.

Also, an assessment on lots 93 and 96 of said building lot association erroneously assessed to W. and E. Hempel, and that the treasurer be authorized to receive the sum of \$2.92 instead of \$11.68 from said Hempel, and that the balance be charged to erroneous assessments.

The communication of the assessors relative to the assessment of Franklin Miles of the Fourth ward, referred to your committee and found at page 263 of the proceedings of the Common Council, was considered by your committee, and it reports in favor of granting the said petition, and that the treasurer be authorized to receive from Franklin Miles for the general city taxes for 1886 the sum of \$122.38, without interest, in full payment of the assessment of \$241.75 assessed against him, by reason of the error set forth in the communication aforesaid, and that the balance thereof be charged to erroneous assessments.

The Assessors also stated to your committee that an assessment against the property of B. Heuman and wife on lots 9 and 10 on the west side of Barth street, in the Thirteenth ward, for the general city tax of 1884, for the sum of \$27.34, is erroneous, by reason of a clerical error, and that the true amount should be \$15.11, and your committee accordingly recommend that the sum of \$15.11 be received in full payment of the \$27.34, for the general city tax of 1884 against the lots aforesaid, and that the balance be charged to erroneous assessments.

Your committee, also, upon the explanation and statements of the assessors, recommend that the sum of \$78.08 be received in full payment of an assessment of \$148.08, assessed against Thomas and Brown, in the Thirteenth ward, for the Hickson street sewer assessment, on account of an erroneous assessment, and that the balance thereof be charged to erroneous assessments.

Respectfully submitted,

C. J. SCHAEFFER.

D. W. SELYE,

C. STEIN,

By Ald. Watson—

To the Common Council:

GENTLEMEN—Last evening the Finance Committee and the Executive Board had a conference with the committee from the Central Labor Union. The latter demanded that the price for labor be maintained at \$1.50 per day as a minimum, regardless of the amount of work to be performed or the number of men to be employed.

An examination of the books of the Executive Board shows that the balance to the credit of the Highway Fund on January 1, 1887, will be about \$12,000. Of this amount \$2,600 must be reserved for payment of outstanding bills, and salaries of the members of the Board. Since the special fund for this latter purpose and general expenses, which was estimated at about \$11,000, was entirely cancelled in making up the tax levy last May.

There is accordingly left available for the cleaning and maintenance of the streets, alleys, crosswalks, sidewalks, sewers, etc., from January 1st to April 1st, 1887 the sum of about \$9,401. For several years past the expenditures during the months of January, February and March have been about \$15,000 from the Highway Fund with common labor rated at only \$1.25 per day. On the other hand if \$1.50 per day be paid and the same amount of work, as heretofore, be done, then an amount of about \$17,500 will be required to meet prospective expenses in the Highway department, thus leaving a deficit of, at least, \$8,100. Unless this additional sum is provided prior to March 1, 1887, or assurance given that such provision will be made when necessary, the Executive Board will be compelled at once to reduce the price of common labor to \$1.25 per day, and also to reduce to a considerable extent the street service heretofore considered by the community as absolutely necessary.

It should also be remarked that by reason of previous insufficient appropriations for the care of the highways many of the improved streets were greatly out of repair, thus necessitating unusually large expenditures during the present year. Due notice of this condition of the pavements, together with the estimated costs of putting the same in good order was given, but the aggregate of these estimates was much greater than was deemed prudent to expend in view of many other large municipal expenses. In consequence of the necessity of making numerous large and urgent repairs to the streets and sewers, together with the payment of the just proportion of the general expenses of the Board not otherwise provided for, the Highway Fund has been reduced to the amount above stated, and the matter is therefore submitted to the Common Council for suitable action in the premises.

Respectfully submitted,

CHARLES WATSON,
FRANK FRITZSCHE,
PHILIP WEIDER,
Finance Committee.

Ordered received, filed and published.

By Ald. Watson - Resolved, That it is the sense of this Common Council that the Executive Board pay for common labor at the rate of \$1.50 per day, and that said Board be requested to continue the performance of all necessary street service until the balance now to the credit of the Highway Fund is exhausted, after which further provision for said Fund, and service will be made by this body. Adopted.

Ald. Kelly asked and obtained unanimous consent to present the following:

By Ald. Kelly—

AN ACT to amend the charter of the City of Rochester, as contained in chapter fourteen of the laws of eighteen hundred eighty, and the several acts amendatory thereof and supplementary thereto.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1. Section one hundred ninety-eight of the charter of the city of Rochester, as contained in chapter one hundred twenty of the laws of eighteen eighty-four, is hereby amended so as to read as follows:

198. Whenever the Common Council shall determine that the whole or any part of the expenses of any improvement shall be defrayed by an assessment on the real estate to be benefited thereby, they shall declare the same by an entry in their minutes; and after ascertaining, as they think proper, the estimated expense of such improvement, they shall declare whether the whole or what portion thereof shall be assessed on such real estate, specifying the estimated expense, and the portion of the city which they deem will be benefited by the improvement. When the estimate of the expense of such improvement to be assessed shall exceed in the aggregate, the sum of two thousand dollars, the expense of such improvement to be assessed may be paid one-third in cash and the balance in the city's note at one and two years with interest not exceeding six per centum, payable annually, and the city may get its notes discounted for a period not exceeding one year with which to make such first payment when such improvement is completed. The entire expense thereof and connected therewith shall be ascertained by the City Treasurer, together with the interest paid on the orders or notes issued by the city to pay the expense of such improvement; and interest on such sum shall be reckoned to the time the last installment of such assessment shall become due. The aggregate amount shall thereupon be reported to the Common Council, they to adjust and report to the Assessors the amount to be assessed upon the property benefited, as hereinafter provided, and it shall meet for that purpose. Persons so assessed, who shall make any payment previous to the maturity of said last installment therein, shall be entitled to a discount at the same rate as is paid on the city's note issued to pay for such improvement.

The Common Council may determine, at the time of fixing such amount to be assessed, if the sum shall exceed two thousand dollars, that the tax-payers pay their assessment in not more than three equal payments, one-third within thirty days of the time that the Treasurer shall advertise the same, as hereinafter provided; one-third within one year, and one-third within two years from the confirmation of such roll; and in case the amount to be assessed, ascertained as aforesaid, shall exceed ten thousand dollars, the Common Council may determine, as aforesaid, that the tax-payers may pay their assessments in not more than five equal payments, one in thirty days from the time that the Treasurer shall advertise the same, as hereinafter provided, and the balance within one, two, three and four years, respectively, after such confirmation. The City Treasurer may, in his discretion, issue his warrant for the collection of any part of such assessment that may have become due.

2. This act shall take effect immediately.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the representatives of this city in the Legislature be, and hereby are requested to urge the immediate passage of the following act, amending section 198 of the city charter.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Swickhard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

ACTION ON ORDINANCES.

Ald. Watson moved the reconsideration of the action on the final ordinance for widening Euclid street. Adopted.

Ald. Watson moved that action on the ordinance be indefinitely postponed. Adopted.

FIRST ORDINANCES.

WIDENING EUCLID STREET.

By Ald. Bohrer—Resolved, That the following improvement is necessary, and we hereby judge the public good requires the same to be done, viz.:

The widening of Euclid street from Elm park to Chestnut's feet, by taking a strip of land eight (8) feet in width on the south side of said Euclid street from Elm park to Chestnut street, giving a uniform width of thirty-three (33) feet to Euclid street aforesaid throughout its entire length.

Resolved, further, that the following portion of said city be deemed benefited and proper to be and ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots on each side of Euclid street from Elm street to Chestnut street.

And the Clerk is hereby directed to publish notice, in pursuance of Title VII., section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, January the 11th, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

FROST AVENUE OPENING AND EXTENSION.

By Ald. Bohrer—Resolved, That the following improvement is necessary, and we hereby judge the public good requires the same to be done, viz.:

The extension of Frost avenue, of its present width and in its present course, from the east end of Frost avenue to Caledonia avenue, and the territory deemed necessary to be taken therefore, and the territory deemed necessary to be taken therefore, as described as follows, viz: Being a strip of land 60 feet in width, and extending from the east line of Ocean street to the westerly line of Caledonia avenue, the north and south lines thereof, being an extension in their present course, of the north and south lines of Frost avenue.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of Frost avenue from Genesee street to the end of the proposed extension at Caledonia avenue; also one tier of lots on each side of Ocean street from Bronson avenue to Frost avenue; also the lot on the northwest corner of Plymouth avenue and Caledonia avenue; also the lots on the northeast and southeast corners of Plymouth avenue and Clarissa street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, Jan. 11, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

IMPROVEMENT OF A PORTION OF JAY STREET.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of the improvement of a portion of Jay st.

Adopted.

The Surveyor submitted as such estimate \$36,000.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The construction of a Medina stone pavement on Jay st., from the west end of the Erie canal bridge to the east curb line of Chid st., with lines of Medina stone curb on each side, and sixteen (16) feet from the medial line of Jay street aforesaid, with adjoining stone gutters on (1) to wide. Also the cleaning of the existing sewer between the terminal limits mentioned, with the construction of the necessary manholes, surface sewers, crosswalks, lot laterals and lot connections; also the required roadway grading and gutter formations.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reported the same at \$36,000, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of Jay st. from the Erie canal to the east line of Chid st.

And further resolved, that the taxpayers to be assessed for making such improvement may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172, of the Revised Charter of 1880, of the city of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, January the 11th, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

MISCELLANEOUS BUSINESS.

By Ald. Kelly—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—Your committee, appointed for the revision of the penal ordinances, hereby gives notice that at the next meeting of your honorable body the following ordinances will be presented for passage:

One relating to streets, to the numbering of streets, avenues, walks, public squares, lanes, alleys, bridges, aqueducts, wharves, basins or slips in any manner whatever, the numbering or re-numbering of all buildings, dwellings or business places, on any and all streets, squares, avenues, parks, places, courts and alleys, at the cost and expense of the owners thereof; to compel all persons to keep sidewalks in front of premises owned or occupied by them clear from snow, dirt, wood and obstructions, to regulate the crying of good and other commodities for sale at auction or otherwise and to prevent disturbing noises in the streets; to provide for and regulate the lighting of streets and alleys, and the protection and safety of public lamps; to protect and preserve shade trees in the streets, parks, squares, avenues and alleys of said city, and to cause such trees to be pruned and trimmed, so that the same shall not obstruct or prevent the proper lighting of streets; to regulate and prescribe the breadth of tires upon wheels of wagons, carts and vehicles of heavy draught used upon paved, Macadamized or improved streets in the city, except vehicles used by farmers coming into the city with produce or fuel; to define the duty of owners, agents, occupants and contractors in case of excavations in the public streets, lanes, alleys and parks, relating to rubbish throwing or depositing any dirt, filth, or rubbish of any description therein, to regulate the placing of building materials, to provide against obstructions therein, to provide against carriages, carts or sleighs standing or being therein, to provide for the fastening or securing of horses or other animals therein, to prevent obstructions therein, to regulate and prohibit the placing or erection of signs or awning posts, bow windows, porches, trap-doors or digging excavations, to prohibit hand carts, wheelbarrows, sleighs and other carriages; and to provide for the free and unobstructed passage and use thereof by the public and other persons.

Also an ordinance in relation to street railroads, which shall provide how and where the tracks thereof shall be constructed and laid, and kept in repair; also the rates of speed, and how often the cars shall be run; also for the posting in a conspicuous place in each car a plainly printed copy of the rates of fare charged or allowed by law, and when and where cars may be stopped, and how they shall be stopped, and to regulate the manner of running cars and the character and duties of drivers, and for the meeting of cars, the removal of ice and snow, the rights reserved to the city, and rights of gas and

water companies, and to require the company or companies to keep the portion of the street in repair required by law, to provide for the imposition of penalties for the violation of any of the provisions or sections of the ordinance, and to provide when any company shall forfeit its rights, etc., on failure to comply with the provisions of the ordinance defining the rights of the city and the liabilities of the companies, and to provide for the removal of all dirt, filth, snow and ice from the surface of the streets inside the rails and for the distance outside thereof permitted by law, and also to provide for putting the names of cars on the inside thereof, and defining the term of imprisonment for the non-payment or non-collection of any execution issued upon any judgment recovered for a penalty given or provided for, for a violation of any of the sections of the ordinance. All of which is respectfully submitted.

Dated, December 28, 1886.

J. MILLER KELLY,
GEO. B. SWIKEHARD,
W. H. MARSON,
Committee.

Ordered received, filed and published.

By Ald. Kelly—Whereas, Mrs. E. Louise Fee, widow of Owen F. Fee, prior to April 17, 1883, paid into the city treasury the amount of the city tax of 1878 assessed to Owen F. Fee upon lot 87 in the Genesee Street Co-operative Building Association, situate on the south side of McLean street, with interest to the date of payment, and which had been sold upon a sale of taxes made by the treasurer to the city of Rochester, and upon which sale a tax lease dated July 21, 1882, and recorded in the Monroe county clerk's office July 25, 1882, in liber 358 of deeds, at page 221, was duly executed by the Mayor to the city; and

Whereas, This Council, at a meeting thereof held on April 17, 1883, (see printed proceedings of 1883-84, page 28,) duly adopted a resolution presented by Ald. Bronson, directing the Mayor to assign to her the tax certificate of sale, but failed to direct the assignment of the interest of the city in said lease; and

Whereas, a foreclosure was begun by Mr. Beckley, the then City Attorney, upon said lease in July, 1882, and which action was settled by the payment to Mr. Beckley of the disbursement of the action, he waiving the costs thereof, and said action became thereby discontinued; it is therefore,

Resolved, That the Mayor be, and he hereby is directed to execute by and on the part of the city, an assignment to Mrs. E. Louise Fee, all the interest which the city has in, or to the said Tax Lease and the certificate of sale upon which the said lease is based; such assignment to be without recourse against the city.

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Swikehard, Weider, Stein, Kelly, Schaeffer—13.

By Ald. Kelly—

OFFICE OF THE CITY ATTORNEY,
NO. 19 CITY HALL BUILDING,
ROCHESTER, N. Y., Dec. 28, 1886.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—In the actions brought on by Mary Ann Frothingham, and the other by Melissa M. Farrar and others against the city to obtain judgments enjoining the discharge of sewage from the Saxton and Lyell streets (or avenue) sewer into a ravine running through the premises of plaintiffs and thence into the Genesee river, and which was tried before Mr. Justice Angle at the April, 1886, Special Term of the Supreme Court, by Mr. Beck-

ley, the late city attorney, decisions have been made by Justice Angle in favor of the plaintiffs, and upon which decisions judgments have been entered in the several actions in the Frothingham's action for \$84.36 costs; and in the Farrar action for \$117 costs, and in each action in junction judgment the city is prevented the use of said ravine as an outlet for said sewer at the expiration of six months from the rendition of such judgments, viz.: The Farrar case December 13, 1886, and in the Frothingham case December 16th, 1886, the time to appeal in said actions being within thirty days from the respective dates of said judgments as aforesaid, and which will expire before the next meeting of your Honorable Body.

It is respectfully submitted as my opinion that appeals should be taken from said judgments to the General Term of the Supreme Court within the time limited by law, and that your Honorable Body should direct me to take the same. I would further suggest that your Honorable Body should at once instruct your Sewer Committee to make an examination as to the manner in which the sewage of said Lyell and Saxton street sewer may be disposed of without casting the same into the streams running through the ravine aforesaid.

Respectfully submitted,

IVAN POWERS, City Attorney.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the City Attorney be and he hereby is instructed to take appeals from the judgments entered upon the decisions of the Court in the actions brought against the City of Rochester in the Supreme Court, one in favor of Mary Anne Frothingham plaintiff; and the other in favor of Melissa M. Farrar and others, plaintiffs, in the General Term of the Supreme Court, within the time prescribed by law. Adopted.

By Ald. Stein—Resolved, That the Lamp Committee be directed to place two electric lights on Hudson street, one north of Baden street and one south of Mark street; and displace as many other lights as can be properly dispensed with. Referred to the Lamp Committee.

By Ald. Weider—Petition for electric light on Sanford street. Referred to Lamp Committee.

By Ald. Weider—Resolved, That the name of Weider street, in the Twelfth ward, be and hereby is changed to Grainger place, and the City Clerk be hereby directed to enter the same in the Street Register, and the Executive Board be directed to place the usual street signs.

Lost by the following vote:

Ayes—Ald. Tracy, Kohlmetz, Fritzsche, Weider, Stein, Kelly—6.

Nays—Ald. Coughlin, Marson, Watson, Foley, Selye, Swikehard, Bohrer, Schaeffer—8.

By Ald. Swikehard—Whereas, By section 12, subdivision 9, of the City Charter, the chief of police is required to detail one policeman, to be selected by the District Attorney of Monroe county, to attend each term of the Court of Oyer and Terminer and Court of Sessions held in and for Monroe county, and who shall be returned by the sheriff of Monroe county as an attendant upon such courts, and be paid in the same manner as other court attendants, and while on such duty be subject to the orders of the District Attorney of Monroe county only; and

Whereas, No policeman can be spared from the number now on duty, without detriment to the service; therefore

Resolved, That the police commissioners be and are hereby authorized and empowered to appoint an additional policeman, to be detailed by said chief, upon the request of said District

Attorney, for the purpose aforesaid; and who shall, upon accepting such appointments and detail, release the city of Rochester from all liability to him for services or duty performed by him under such appointment, and from all claim to compensation, or to do duty as a regular policeman of said city, the manner and form of such relief to be approved by the city attorney.

Adopted.

By Ald. Selye—Petition of W. J. Sheridan in relation to an erroneous assessment. Referred to the Assessment Committee.

Ald. Selye gave notice that he would move the adoption of a rule at the next meeting providing that at least two weeks' notice shall be given of intended motions for the passage of any resolution having the effect of giving, or granting, or changing, or extending any privilege, franchise or license to any corporation whatever, unless the Board shall unanimously consent thereto. Such notice shall state generally the substance of the proposed resolution.

By Ald. Kohlmetz—Resolved, That the City Surveyor be and hereby is instructed to prepare ordinances for the sprinkling, for the ensuing season, of such of the various streets and avenues as under ordinances were sprinkled during the past season, arranging said streets and avenues in convenient groups to facilitate the letting and cheapen the cost of the improvements named, said ordinances to be prepared and submitted, if possible, on or before the 15th of March next. Adopted.

Ald. Marson moved to reconsider the action taken in relation to changing the name of Weider street. Adopted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
Rochester, N. Y., Jan. 11, 1887. }

To the Common Council:

GENTLEMEN:—The petition and affidavit in the matter of the claim of M. W. Cook, as attorney for

the New York Life Insurance Company, for a refund of water tax against property owned by said Insurance Company, is herewith transmitted to your honorable body, in order that said claim may be considered and its merits determined by your Committee on Erroneous Assessments.

Respectfully,
THOS. J. NEVILLE, Clerk.
Referred to the Assessment Committee.

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, Jan. 11, 1887. }

To the Common Council:

GENTLEMEN—Inquiry has been made by the Executive Board in the matter of the claim of John Wegman, in accordance with the terms of a resolution adopted by your Board at a meeting held Dec. 28, 1886. The facts are as follows:

In August, 1886, a contract was let for Ward park sewer and the work was completed about the first of the following September. From that time up to the date of the accident, October 2d, the street was used for public travel.

A few weeks after the time the accident is said to have occurred the horse was brought to Dr. Tegg, veterinary surgeon, and his statement is that the horse was suffering from an injury in one of his feet which, in his language, looked as if it had been calked. Mr. Wegman told him that the horse had injured himself by breaking through into a sewer or some other excavation in the roadway, and that he had him under treatment with Dr. Cook for several weeks. The animal was then taken away as about cured in about ten days from the stables of Dr. Tegg.

No information in regard to the accident could be obtained from the residents on the street. Mr. Wegman says he did not see the hole until his horse stumbled, and then it appeared as though a crust had formed on the surface of the road, but underneath the earth had settled, and after the animal had been extricated, no indications of the cave in the roadway remained.

The first notice the Executive Board received of the accident or that the street had been left in an unsafe condition, was when the communication from your honorable body was presented for consideration.

Respectfully,
THOMAS J. NEVILLE, Clerk.

POLICE COMMISSIONERS' OFFICE,
ROCHESTER, N. Y., Jan 11, 1887. }

To the Hon. the Common Council:

GENTLEMEN—By direction of the Police Commissioners, I communicate to your honorable body the fact that the officers of the Department are frequently called on by citizens to look after some one who has fallen down and injured themselves to such a degree that medical aid is necessary; at another time some one has been injured by the cars at some of the depots, and the unfortunate person must be conveyed to some comfortable place and a physician summoned; on other occasions peaceful citizens on their way home at night are attacked by the midnight assassin and brutally assaulted, besides the frequent calls made on the men by those who are sick and unable to help themselves. In all these cases the parties are poor and unable to pay their doctor. The physicians called invariably send their claims to the Police Commissioners for settlement, and that Board not having any funds to legally pay them are at a loss sometimes to know what to do with them. The Commissioners respectfully ask the Honorable Common Council to designate some physician who the officers can summon in case of necessity, and also to provide for the payment of the same. Several unsettled claims are now before the Board.

Respectfully,
B. FRANK ENOS, Clerk.
Ordered received, filed and published.

Ald. Foley moved that the Clerk be directed to furnish the Police Commissioners a list of the city physicians, and that it be placed in the Police Office.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

CLIFFORD STREET EXTENSION.

Subd. 3 } By Ald. Bohrer—Resolved, That the follow-
 § 168 } ing improvement is necessary, and we here-
 Charter } by judge that the public good requires the same to be
 done, viz.:

The extension of Clifford street, from North avenue to the east line of the extended street, to be sixty (60) feet wide with its axis or medial line on the eastward prolongation of the corresponding line of Clifford street lying immediately west of North avenue.

Resolved, Further, that the following portion of said city is deemed benefited and proper and ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of the proposed extension of Clifford street, from North avenue to the east line of the city, in proportion to the benefit which each will derive therefrom.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, January the 25th, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Subd. 3 } By Ald. Bohrer—Resolved, That the follow-
 § 168 } ing improvement is necessary, and we here-
 Charter } by judge that the public good requires the same to be
 done, viz.:

The widening of Hand street, by taking a strip of land on the southerly side thereof, beginning at the west line of lot No. 22 or the Gorham tract and said line produced and extending to Clinton street, and the territory deemed necessary to be taken therefor is described as follows:

All of lot No. 28 of Riley's sub-division, and all that portion of lot No. 22 of the Gorham tract lying north of the following described line beginning at the intersec-

tion of the south line of Hand street with the west line of lot No. 22 aforesaid; thence easterly in the prolongation of said south line to a point thirty-nine and four-tenths (39 4/10) feet distant from and at right angles to the established north line of said Hand street; thence also easterly and parallel to said north line to Clinton street.

It being expressly understood and provided that if the north-west corner of the old frame dwelling house now belonging to Christiana Jaeckel should be found to project a few inches over the proposed south line of the widened street, the same shall be left undisturbed until said dwelling house be removed, rebuilt or remodeled in any material degree by the owner or owners thereof.

Resolved further, That the following portion of said city is deemed benefited and proper and ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of Hand street, from North St. Paul street in proportion to the benefit which each will derive therefrom.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, January 25th, 1887, at 7 o'clock at the Common Council Chamber, when allegations will be heard.

After hearing such allegations from all persons appearing—

Ald. Kohlmetz submitted the following: An ordinance to repair and sprinkle a portion of East avenue, from Goodman street to the city line.

The Common Council of the city of Rochester do ordain and determine that the following improvement be made, to wit:

The repairs and general care of East avenue, section two (2), from the produced west line of that portion of Goodman street lying immediately south of East avenue to the east line of the city, for the season beginning April 1st and ending December 1st, 1887; also the sprinkling from the 1st of April to the 1st of November, 1887, of that portion of East avenue aforesaid which is included between the above described west boundary line and a line parallel thereto four (4) hundred feet east of the east line of Bates street.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby, and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reports the same at \$2,900, and said estimate being deemed reasonable, is hereby approved; and the portion of said city, which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on each side of East avenue included, between the west produced line of that portion of Goodman street lying south of East avenue aforesaid and a line parallel to and four hundred (400) feet east of the east produced line of Bates street.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

FINAL ORDINANCE, NO. 3,073.

EUCLID STREET WIDENING.

On motion of Ald. Bohrer, the Board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing—

Ald. Bohrer submitted the following:

An ordinance to widen Euclid street, from Elm park to Chestnut street:

The Common Council of the city of Rochester, do ordain and determine that the following improvement be made, and we hereby judge the public good requires the same to be done, viz:

The widening of Euclid street from Elm park to Chestnut street, by taking a strip of land eight (8) feet in width on the south side of said Euclid street from Elm park to Chestnut street, giving a uniform width of thirty-three (33) feet to Euclid street aforesaid throughout its entire length.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the portion of said city, which said Common Council deem will be benefited by said improvement and ought to be assessed by a local assessment for the expense thereof are described as follows:

One tier of lots on each side of Euclid street from Elm street to Chestnut street.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Elliott, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—14.

Ald. Watson presented a remonstrance and moved it be received and filed. Adopted.

Ald. Mandeville submitted the following:

ALLEGATIONS AGAINST THE PROPOSED WIDENING OF EUCLID STREET.

To the Hon. the Common Council:

First—We object because the improvement is not required by the public good.

It is asked for by only a few individuals who want it for their private benefit and convenience—while it will seriously impair the value of the land from which the eight feet are to be taken. In such a case the Charter confers no power on the Common Council to widen the street, but they should leave the individuals to negotiate for themselves the purchase of the necessary land.

The Common Council have declared by their resolution that the public is not benefited. The resolution states that the only property benefited is that on each side of the street in the immediate neighborhood!

Second—If the public welfare demands this improvement then the public must be benefited by it, and the public should pay some portion at least, of the expense. It cannot be lawful or right to make a few individuals pay the whole expense of an improvement required by the public good.

We object, therefore, that if the public good requires it, then the expense cannot lawfully all be assessed on the adjacent property; and if the public welfare does not demand it the Common Council have no power to order the widening or to take land for the purpose.

All which is respectfully submitted,

THOS. C. MONTGOMERY,

In behalf of Mrs. Gibbons and others.

Rochester, January 11, 1887.

The ordinance was then adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

FINAL ORDINANCE, NO. 3,074.

FROST AVENUE OPENING AND EXTENSION.

On motion of Ald. Bohrer the Board proceeded to hear allegations in relation to the improvement described in the ordinance below:

After hearing such allegations from all persons appearing—

Ald. Bohrer submitted the following:
An ordinance to extend Frost avenue from the east end of Frost avenue to Caledonia avenue.

The Common Council of the city of Rochester, do ordain and determine that the following improvement be made, and we hereby judge the public good requires the same to be done, viz.:

The extension of Frost avenue, of its present width and in its present course, from the east end of Frost avenue to Caledonia avenue, and the territory deemed necessary to be taken therefore, is described as follows, viz: Being a strip of land 60 feet in width, and extending from the east line of Ocean street to the westerly line of Caledonia avenue, the north and south lines thereof, being an extension in their present course, of the north and south lines of Frost avenue.

And the whole expense shall be defrayed by the assessment upon the lots and parcels of land to be benefited thereby; and the portion of said city, which said Common Council deem will be benefited by said improvement, and ought to be assessed by a local assessment for the expense thereof, is described as follows:

One tier of lots on each side of Frost avenue from Genesee street to the end of the proposed extension at Caledonia avenue; also one tier of lots on each side of Ocean street from Bronson avenue to Frost avenue; also the lot on the northwest corner of Plymouth avenue and Caledonia avenue; also the lots on the northeast and southeast corners of Plymouth avenue and Clarissa street.

On which above described lots and parcels of land the expenses of said improvement are hereby ordered assessed, the assessments upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

MISCELLANEOUS BUSINESS.

By Ald. Elliott—Whereas, an unlicensed corporation known as the Bell Telephone Company of Buffalo, N. Y., did, in defiance of this Council, and of the Executive Board, of this city, erect a telephone pole at the corner of South Union and Court street; and

Whereas, the Executive Board gave said company notice to remove the same within twenty-four hours; and

Whereas, Said Bell Telephone Company of Buffalo, N. Y., secured a temporary injunction restraining the city from removing said pole; and

Whereas, Judge Rumsey has refused to make such injunction perpetual; therefore

Resolved, That in the opinion of this Council, said pole is an obstruction to said streets, there being two poles and one police patrol station within twelve feet of each other on said corner; and further

Resolved, That the Executive Board be instructed to remove any city wires that may be attached to said pole, and cause the removal of said pole as an obstruction and a nuisance, within twenty-four (24) hours after official receipt of notice of this action; and furthermore

Resolved, That the Executive Board be instructed to direct the Bell Telephone Company of Buffalo, N. Y., to take down at once each and every pole, and to remove each and every

wire, that has been put up within the city limits since the revocation of its license by this Board.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15

By Ald. Elliott—

Resolved, By the Common Council of the city of Rochester that the City Attorney be required to report to this council within twenty days from this date amendments to the charter of the city drawn up in due form for legislative action, to wit:

First—Prohibiting the granting of a license to any railroad corporation, except street cars run by horses, to cross any thoroughfare in this city at grade, except by unanimous consent of the Common Council and the approval of the Mayor after the request for such permit or license has lain on the table at least two weeks.

Second—An amendment giving the city the right to order the wires used for the transmission of sound or speech, or symbols of sound and speech, or symbols of sound or symbols of speech, and for the transmission of electricity for the purpose of heating or lighting or for furnishing power to be laid underground wherever in the city the Common Council shall order said laying of wires underground, to be done under such direction as the Common Council shall name, and after at least twelve months' public notice of such order has been given by one published advertisement in the official paper of the city.

Third—An amendment to the charter declaring invalid any franchise, charter, license or permit hereafter granted which does not expressly reserve to the city the right to renew, modify or amend such franchise, charter, license or permit, so far as future regulations are concerned, whenever it shall be deemed for the best interest of the city as to annul, modify or amend; and also declaring invalid any such charter, license, etc., that does not reserve to the city expressly the right to regulate the tariff or charges or rates which any person or persons, corporation or corporations may seek to levy upon individuals or the public for any services or work performed under any charter, franchise, license or permit issued by the Common Council or any other authorized body or individual.

Fourth—An amendment to the charter of the city of Rochester giving to the city the right to say if poles shall be erected in the public streets, and where they shall be located, and giving the city exclusive right to grant licenses for the use of the streets for any business purpose whatever, and to determine how such licenses shall be carried out; such license to be invalid unless it expressly reserves to the city the privilege of using for municipal purposes free of charge the poles of any electric light, telegraph, telephone or electric motor company, persons or corporations, or any other device for hanging wires for such purposes; and making it a condition precedent for all future licenses for placing or extension of poles or wires for any such purposes as are herein mentioned, that the city be allowed free use of such poles or other devices for stringing electrical wires, or for the wires thus erected previous to this date, January 11th, 1887.

Resolved, If it is necessary for the accom-

plishment of the above amendments that any State law must be amended, that the city attorney formulate the necessary amendment so as to suit it to the needs of the city of Rochester, report it to this board for adoption and recommendation to the favor of the Legislature.

Ald. Coughlin moved that the resolutions lie on the table two weeks. Adopted.

By Ald. Foley—Petition for the improvement of Troup street; referred to the City Surveyor to prepare an ordinance.

By Ald. Foley—Resolved, That the Legislature, and it hereby is, requested to amend the charter of the city of Rochester as follows, to wit:

Subdivision seven, of section forty, so as to read as follows:

§ 7. To prevent the cumbering of the streets, avenues, walks, public squares, wharves, basins and slips in any manner whatever by any private person, persons or corporation, however authorized; to prevent the use and occupation of any of said streets by any private person, persons or corporation, however authorized, except by the Common Council of the city of Rochester, and the maintenance of any structures, poles, piers, posts, or any other thing in said streets, etc., and to cause the removal of any structure, pole, pier, post, or any other thing which, in the judgment of the Common Council, may incommode the public use of such streets, which may have been placed or erected or maintained in any of said streets by any authority whatsoever, except by said city. And all acts heretofore passed inconsistent with this act, as herein amended, are hereby repealed, and the powers thereunder abrogated and deemed inapplicable to the city of Rochester.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15

By Ald. Selye—Resolved, That the Committee on City Property be and hereby are directed to cause to be permanently placed the names of the ex-Mayors on the pictures in the Council Chamber. Adopted.

Ald. Selye moved the adoption of a rule providing that at least two weeks' notice shall be given of intended motions for the passage of any resolution having the effect of giving, or granting, or changing, or extending any privilege, franchise or license to any corporation whatever, unless the Board shall unanimously consent thereto. Such notice shall state generally the substance of the proposed resolution.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

By Ald. Weider—Whereas, Many of the extensive permanent improvements in the streets of this city are frequently left unfinished at the close of each season, owing to the late date at which petitions for such improvements are presented to this board; therefore

Resolved, That where extensive improvements are contemplated the coming season, the taxpayers interested in such improvements be requested to present their petitions to this board by the first of June next. Adopted.

By Ald. Kelly—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN: Your Law Committee, to whom was referred the petition of Robert Quinn, to be relieved of the payment of any interest upon an assessment made against lots 268 and 269 of the Rapids tract, on the east side of Mansion street extended, assessed for the Mansion street extension, to him, would report that in its opinion the petition should be denied, but we would recommend that the amount due upon such assessment, with interest thereupon, from the date or dates when the same was due, to the time of payment, at the rate of six per centum per annum, be received by the treasurer, and the balance thereof be charged to erroneous assessments, and that the following resolution to that effect should be adopted.

Respectfully submitted,

J. MILLER KELLY,
PHILIP WEIDER,
D. W. SELYE,
H. KOHLMETZ,
G. W. ELLIOTT,
Law Committee.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the treasurer be, and he hereby is, directed to receive from Robert Quinn the amount of the balance due and unpaid upon an assessment against him upon lots 268 and 269 of the Rapids tract, on the east side of Mansion street extended, assessed for the Mansion street extension, with interest thereon from the date or dates when the same was due to the time of payment, at the rate of 6 per centum per annum, and that the balance thereof be charged to erroneous assessments. Adopted.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your committee to whom was referred the matter of conferring with the Rome, Watertown & Ogdensburg Terminal Railroad Company as to its crossing of streets in said city, and the petition of said company to cross No. St. Paul street at grade, respectfully reports:

That they have been attended by the representatives of said company and by numerous citizens of the Fifth ward, residents of No. St. Paul and adjoining streets, and that, after repeated conferences between said representatives of said company and said citizens, the following statement and resolution has been assented to by said parties. Your committee, therefore, recommends the adoption of the following resolution hereto annexed.

J. MILLER KELLY,
H. KOHLMETZ,
J. H. FOLEY,
WM. COUGHLIN, JR.,
Committee,

Provided the resolution lie two weeks on the table for consideration. GEO. W. ELLIOTT.

By Ald. Kelly—Whereas, The Rome, Watertown & Ogdensburg Terminal Railroad Company has heretofore presented its petition to cross North St. Paul street at grade; and

Whereas, Some residents of North St. Paul street consent to the crossing thereof over or under grade as hereinafter stated, and the said railroad company, in consideration thereof, waives and withdraws its said petition, and agrees not to renew it, now; therefore, it is

Resolved, that said company be, and it hereby is, granted permission, at its option, to cross said street by an overhead crossing, in manner and form following, and subject to the following stated conditions and restrictions, to wit:

The grade of said street is hereby changed, fixed and established as at and upon a right or direct line from the present junction of Hart

avenue to that of St. Paul street at Evergreen street, except that the same may be lowered immediately under the crossing of said road sufficient to make the same eight feet below the present grade of St. Paul street, and the same shall be graded back therefrom to the grade hereby established at an incline of not less than one foot in fifty, and in a manner, to the satisfaction, and under the direction and supervision of the Executive Board of the said city, and said work shall be done, and said roadway shall be restored to as good condition as at present by and at the expense of said company, and to the satisfaction of the Executive Board. The grade of the side walks shall be substantially and relatively in accordance with the grade of the street, but the precise location and grade thereof shall be fixed by the Executive Board.

The sewerage of the street and residences adjoining shall be left in as good condition as at present, and properly protected as against frost, and the depression in said street shall be properly drained.

Said crossing shall be by an iron bridge, and so constructed as to leave at least thirteen (13) feet in the clear between said bridge and the roadway thereunder; said bridge shall be by single span from the property lines of the street, without piers or obstructions in the street; and said bridge shall be so constructed as to be water and cinder tight, and with fences on the sides thereof at least six (6) feet in height; the company shall also protect and indemnify the city and the owners of real estate abutting on that portion of said street herein referred to, and the grade whereof is hereby changed, from all damages by reason of said change of grade of said street.

Said company is also given permission to raise the grade of Scrantom street and sidewalks, not to exceed one foot from the present grade of track, and the company at its own expense shall grade the said street and sidewalks from said track to the new grade of North St. Paul street, and put the same in as good condition as they now are, under the direction of the Executive Board.

All acts to be done hereunder by said company shall be done under supervision of the Executive Board of said city, and this consent shall not take effect until said company shall have given a bond for its faithful performance, to be approved by the City Attorney as to form and amount.

Ald. Selye moved that the resolution lie on the table two weeks. Adopted.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your Law Committee to whom was referred the matter of the claim of Nicholas Pfirng against the city for \$500.00 for personal injuries alleged to have been sustained by him while in the employ of the city, would respectfully report, that they have carefully examined into the matter referred, have heard the statements of the persons who appeared before them and have ascertained the extent of his said injuries, and we are of the opinion that said Nicholas Pfirng should be paid a sum not to exceed the sum of \$250. Your Committee recommends the adoption of the following resolution:

All of which is respectfully submitted,

J. MILLER KELLY,
P. WEIDER,
D. W. SELYE,
HENRY KOHLMETZ,
Law Committee.

MINORITY REPORT.

I dissent in the above matter, as it establishes a bad precedent, in my opinion.

GEO. W. ELLIOTT.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the Clerk draw an order on the Treasurer, payable to Hone & Ernst, attorneys for Nicholas Pirang, for \$250, upon said Pirang executing a release to be approved by the City Attorney, releasing the city from all claim for the damages alleged to have been sustained by said Pirang, and charge the same to the Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Fritzsche, Foley, Setve, Manneville, Swickard, Weider, Stein, Bohrer, Kelly, Schaeffer—13.

Nays—Ald. Elliott—1.

By Ald. Kelly—Resolved, That the Common Council of the city of Rochester do hereby ordain that, previous to the acceptance of the dedication of any street in said city for public use, it will require a formal proffer of said proposed dedication in writing to be submitted to the Common Council, said proffer to contain a careful and accurate description of the boundaries of said street and a certificate of the person or persons proposing to make said dedication, that an accurate map of said street has been filed in the clerk's office of Monroe county, and also in the office of the city assessors; and that said street has been actually opened to and made convenient for public use and traffic. Also, that there has been set a durable stone monument, so located as to accurately define each and every angle of said street, by placing the same in the sidewalks thereof at the intersection of the lines parallel with and four (4) feet distant from the lines of said street forming said angles; said monuments to be four (4) feet in length, eight (8) inches square at the bottom and four (4) inches square at the top, and carefully dressed at top and for nine (9) inches down from the top on all sides, the said stones to be so set in the ground that the top surfaces thereof shall conform to and be flush with the established grade of the sidewalk at the point where said stone is set; the point at which said intersections of lines shall occur shall be definitely marked by drilling a tapering hole in the top surface of said stones one-half inch in diameter at top and not less than one-half inch in depth. Also, Resolved, That this board will require, previous to accepting any such dedications the certificate of the Executive Board or of such other board or city officer to whom said Common Council may have referred said proffer of dedication, that each and all of the requirements of these resolutions have been complied with. Adopted.

By Ald. Kelly—

IN COMMON COUNCIL.

An Ordinance in relation to Street Railroads, passed January —, 1887.

The Common Council of the City of Rochester do ordain as follows:

SECTION 1. Every street surface railroad within the city of Rochester shall consist of a single track to be laid in the center of the streets or avenues through which the same is or may be designed to run, unless the Common Council shall otherwise direct in respect to some of the wide streets or avenues, with necessary turnouts, side tracks and switches, and to be constructed with the improved broad rail, of the most approved kind and weight, five inches space, not to exceed three-quarters inch

raised edge, to be laid flush with the surface of the street or avenue, and four feet and ten inches apart between the raised edges, so as to accommodate the most common width of carriage wheels, and to be laid on suitable timbers, with suitable cross-ties, unless otherwise permitted or directed by the Common Council, under the direction of the Executive Board.

Section 2. The track of said railroad shall be so laid as to permit the free passages of vehicles and carriages over the same, and the rails shall be laid even with the surface of the streets and avenues, and shall conform to the grades thereof as now established, or as they shall from time to time be established or altered. As soon after the adoption of this ordinance as the condition of the streets and avenues, through or along which any street surface railroad track is now laid will permit, the surface of such streets and avenues inside the rails of all tracks laid prior to May 6, 1884, and between the tracks and rails of such tracks and for a space two feet in width outside and adjoining the outside rails of the tracks of any and all extensions or branches of any railroad constructed since May 6th, 1884, shall be put in good and thorough repair by the company, under the direction of the Executive Board of said city, and thereafter at all times the same shall be in like manner and degree kept and maintained; as to tracks constructed or laid prior to the 6th day of May, 1884, the surface of said streets and avenues inside and between the rails thereof; and roads and any and all extensions and branches of any roads constructed or laid since said May 6th, 1884, between the tracks and the rails of the tracks, and a space two feet in width outside and adjoining the outside rails of the track or tracks; and whenever it becomes necessary to improve, by ordinance or otherwise, any of the streets or avenues through which such track or tracks is laid, by a new or permanent improvement, the company shall not be required to make any part or portion thereof, nor bear any part or portion of the expense of making the same, during the term of five years from the adoption of this ordinance.

Section 3. During the operation of laying rails a free passage for carriages and other vehicles over and along the streets and avenues in which such track laying be done, shall be kept open, and immediately after the rails shall be laid, the pavement, flagging and other materials necessarily removed in laying the same shall be replaced in a good and substantial manner and the street or avenue be placed or put in as good condition as before such removal or track laying, and the surface of the pavement made flush with the rails, and no portion of the pavement or surface of the streets or avenues shall be kept broken or disturbed for a greater time than five days. And all surplus street material shall be carefully removed by said company laying such track and deposited in such place or places adjacent to the street or avenue as may be directed by the Executive Board having charge of the repairs of the same.

Section 4. The cars to be used on any such railroad shall be drawn by horses or mules only, at a speed not exceeding the rate of seven miles per hour, and shall run as often as every fifteen minutes between the hour of 6 o'clock in the morning and 12 o'clock midnight, and as often as once an hour between 12 o'clock midnight and said 6 o'clock in the morning of each and every day hereafter; and the cars upon each and all the routes shall commence running and shall run and start from the Four Corners, so called, or the junction of West Main, State and Exchange streets, in the manner and at the times aforesaid. The company or companies while they comply with the requisitions in respect to the running of their cars above referred to, may run their cars as much oftener as they shall choose either on the whole length or over a portion or portions of their said road.

Section 5. There shall be posted in each car, in a conspicuous place therein, a plainly printed copy of the rates of fare or charges allowed by law to be charged or received for the transportation of passengers by the company running or operating such

ous place in each car a plainly printed or painted sign containing the number of the car and the name of the route or routes on which the same is then run and so as to be easily read by any person on entering the same.

Section 7. No car shall be allowed to stop on a crosswalk nor in front of an intersecting street, except as shall be necessary to avoid collisions, or to prevent danger to persons in the street.

Section 8. When the conductor of any car is required to stop at the crossing of any two streets to receive or land passengers, the car shall, if convenient, be stopped so as to leave the platform slightly over the crossing.

Section 9. It shall be the duty of the company, or companies, to employ careful, sober and prudent agents, conductors and drivers, to take charge of their cars while on the road, and it shall be the duty of such agents, conductors and drivers, so far as the same is practicable, to keep a vigilant watch for all teams, carriages and persons on foot, and especially children, and at the first appearance of danger to such teams, carriages, footmen, children or other obstructions, the car or cars shall be stopped in the shortest time and space practicable. The company or companies may, in their discretion, run cars without any other conductor than the driver.

Section 10. The conductors shall not allow women or children to enter or leave the cars while in motion.

Section 11. Conductors shall announce the names of the principal streets and avenues as the car reaches them.

Section 12. While cars are turning corners from one street to another, they shall not be moved faster than on a walk.

Section 13. Cars driven in the same or opposite directions on the same track, shall not approach each other within a distance of two hundred feet, except in case of an accident, or when it may become necessary to connect them together, and also, except at stations, turnouts and turntables.

Section 14. Whenever it shall be necessary to remove any snow or ice from the track or tracks of said road or roads, the same shall be done by the company owning and operating such road in such manner, and so carefully and evenly spread on the street or avenue, as not to obstruct the free passage of sleighs or vehicles upon or along said street or avenue, or in crossing the same at or upon cross streets and no salt or brine shall be used for the purpose of removing snow or ice from said track or tracks, or the rail or rails thereof, except at curves, switches or turntables, and there only and barely sufficient for the purpose of removing snow or ice from, and to be carefully and only placed upon such rail or rails. Any company or corporation or person violating any of the provisions of this section shall be subject and liable to pay a fine or penalty of twenty-five dollars for each offense.

Section 15. It is hereby reserved to the Common Council of the city of Rochester the right to make such further orders, rules and regulations, in relation to the construction, repairs and operation of any street surface railroad now, or hereafter to be, constructed, maintained and operated, as from time to time may be deemed necessary by said Common Council to protect the interests of said city, and the safety, welfare or accommodation of the public. But no alteration of these rules shall be made which shall have the effect to impair the substantial rights of such company or companies.

Section 16. Whenever gas or water pipes, or sewers, are now laid in any street or avenue, said railroad or railroads must be laid down and maintained subject to the rights over the same now in the city, and the gas and water companies, and the Executive Board of said city to take up, alter, repair or remove said pipes or sewer in such manner as not unreasonably to damage or injure said railroad or railroads, or its or their use, without claim upon or to said city, gas or water companies, or said Executive Board, or its successor, and the Common Council expressly reserves to itself the right hereafter to lay down, or cause or permit to be laid down, in said streets or avenues,

gas or water pipes, or sewers, and to alter, improve and repair said streets or avenues, whenever the public or private good or convenience may require.

Gas or water companies, or private individuals, who shall take up the pavement, or excavate the street for the purpose aforesaid, being always required, as by the present city ordinances, to restore the street to its former condition.

Section 17. In case any street surface railroad company now or hereafter incorporated and operating and maintaining any road within the city of Rochester shall fail to keep the streets and avenues in which their said railroad shall be laid in repair, as herein provided, and shall neglect to make such repairs for two days, after notice, in writing, from the Executive Board of said city, or other officer or officers having the supervision of repairs of streets or avenues within said city, served upon the superintendent or other officer of said railroad, specifying the repairs, the said Common Council and said Executive Board, or either of them, shall have the right to cause such repairs to be made, and the expense thereof may be assessed upon the property of said company or sued for and collected in the name of and on behalf of the city of Rochester from said company so neglecting as aforesaid.

Section 18. And in case any company, and each and every of its agents, servants, conductors and drivers, shall fail to comply with, or shall violate any of the provisions of any of the sections of this ordinance, it and them or him shall forfeit and pay a fine or penalty of not less than ten dollars, and not more than one hundred dollars, for each and every such violation; and if the said company shall refuse or neglect to comply with any of the rules and regulations hereinbefore made or imposed upon it, after notice served in writing on the superintendent or other officer of said company, requiring compliance as herein provided, the said company shall forfeit and pay a further and additional fine or penalty of twenty-five dollars for each and every day during which such violation is continued.

Section 19. Should any company fail to complete its railroad, or to commence running its cars thereon within one year after the construction thereof is begun, or should any company neglect to run cars on its road after the completion thereof, for the accommodation of the public, as provided by the rules and regulations of this ordinance, for the space of two consecutive months, then such company shall forfeit all privileges and rights which they may have acquired heretofore or hereafter by any grant, or use or possession of any of the streets or avenues within said city, upon which such cars are not so run; and in such case the city of Rochester reserves the right, by its Common Council, to cause all obstructions and materials placed in said streets or avenues by said company to be removed therefrom, and said streets and avenues put in as good condition and repair as they were before said materials and obstructions were placed therein, and the expense thereof shall be paid to said city by such railroad company; and said city, also, in such cases reserves the right to grant the same rights and privileges to any other person or persons, corporation or corporations, in the manner now, or hereafter, prescribed by law, free from all charge or liabilities for damage on account thereof.

Section 20. If by reason of any act, omission or neglect of any railroad company, its officers or agents, the corporation of the city of Rochester, shall, or may be subjected to any damages or liability, the said railroad company shall be liable to the said city to the said extent.

Section 21. Any street surface railroad company which has been or may be hereafter, organized or incorporated to construct or operate its railroad within the city of Rochester, shall, as often as once a week, remove all dirt, filth, snow and ice, or other obstruction, from the surface of the street or avenue inside the rails, and between them, and for two feet four inches outside thereof; and in case any such company or corporation shall refuse or fail or neglect to comply

with this section, it shall forfeit and become liable to pay a fine or penalty of \$25 for each offense, and the further and additional fine or penalty of \$25 for each and every day it shall so refuse or neglect.

And in case said company shall fail or neglect to remove such dirt, filth, snow and ice, or other obstructions, as aforesaid, and in the manner, and at the time aforesaid, for two days after notice in writing from the Executive Board of said city, or other officers having supervision of repairs of streets or avenues, served upon the superintendent or other officer of said company, the said Common Council and Executive Board, or either of them, shall have the right to cause the same to be so removed, and the expense thereof may be assessed upon the property of the said company so neglecting, or sue for and collected by and in the name of and for the city of Rochester, of and from such neglecting and delinquent company.

Section 22. Each and every street surface railroad company or corporation now or hereafter incorporated and operating and maintaining any road within the city of Rochester shall, and it hereby is required to pay to the treasurer of the city of Rochester, for the use of the city, five dollars per annum for each car or carriage owned or operated by such, and every such company, and obtain from the Mayor of the city a license therefor, which it shall be his duty to grant without fee or reward, on the production of the treasurer's receipt for such payment; provided that no such fee shall be required for cars or carriages which have been condemned for any further use by said company or corporation; and provided further, that such license shall, in every case, expire on the thirty-first day of December in each year, and that any company or corporation now operating and maintaining any road within said city shall pay such fee and obtain such license within thirty days from the date of the passage of this ordinance. The president or managing officer and secretary of such, and every such company, shall, on or before the first Monday of February in each year, commencing February, 1887, furnish to the Common Council of said city, a full and complete list of all the cars or carriages owned and operated by each and every company, and such statement shall be verified by the oath of said president or managing officer and secretary, to be administered by a notary public of Monroe county, and attested by his seal, and the City Clerk shall notify every such company or corporation of such requirement, and every such corporation or company, or the president or managing officer or secretary thereof, who shall fail to pay said fee, and obtain said license and make said report or list, at the time, or in the manner above specified, shall be liable to pay a fine or penalty of not less than ten dollars, nor more than fifty dollars, and a further penalty of the same amount for each and every twenty-four hours such neglect shall continue.

Section 23. All the provisions of this ordinance shall be, and are hereby made applicable to any street surface railroad company or corporation which has been, or may be hereafter, organized and incorporated to construct or operate a railroad in any of the streets or avenues of the city of Rochester.

Section 24. Every execution issued upon a judgment recovered for a violation of this ordinance, or any provision thereof, except as is hereinbefore otherwise specially provided, shall command the amount to be made of the property of the defendant if any such can be found, and, if not, then to commit the defendant to the Monroe County Penitentiary; and any person violating any provision of this ordinance and failing to pay the penalty or fine imposed therefor, shall be imprisoned in said penitentiary for a term of not exceeding one hundred days.

Section 25. This ordinance shall take effect immediately.

Ordered received, filed and published and laid on the table for two weeks.

By Ald. Schaeffer—Whereas, By chapter 553 of the laws of 1886, the sum of \$9,000, or so much thereof as might be necessary, was appropriated out of any money in the State Treasury, for the purpose of rebuilding and enlarging the bridge and approaches in Monroe avenue, over the Erie Canal in the city of Rochester, which was to be paid on the warrant of the Superintendent of Public Works, provided that the city of Rochester assume the responsibility of any damage arising from the construction of said bridge and approaches.

Now, therefore, resolved, That said city of Rochester does hereby, in consideration of said act, and of the construction of said approaches by the State, assume such responsibility and guarantee to save the said State from any damage whatever, by reason thereof, except damage which may result from malice or negligence on the part of the agents or employees of the State of New York engaged in the said construction, and the Mayor of the said city and the City Clerk thereof, is hereby authorized to enter into and with said State and to execute any formal instrument necessary and proper to effect said object. Adopted.

By Ald. Schaeffer—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—Your Assessment Committee, to which was referred the matters hereinafter mentioned, respectfully reports thereon as follows:

As to the application of Wm. J. Sheridan that he be permitted to pay the assessment for the Frost avenue sewer upon and against lot 28 of section C of the Greig tract, on the north side of Frost avenue, assessed to Mary A. McGraw and amounting to \$63.68, and the following taxes and assessments upon and against lot 41, section C of the Greig tract, situated on the south side of Frost avenue, namely, one for Frost avenue sewer assessed to Mary A. McGraw, for \$63.68, and the general city taxes of 1876, of \$23.51, at the time of sale on March 1, 1877, and the general city tax for 1877, amounting to \$23.51, at the time of sale on March 28, 1878, without any interest or penalties on the same, we would recommend that the prayer of the petitioner be granted for the reasons that the assessment upon lot 28 was made against Mary A. McGraw, who, it seems, never owned the same, and at the time of the purchase by Mr. Sheridan, no provision was made for reporting abstracts of taxes and assessments, and having asked for all taxes and assessments unpaid against the lot assessed to Annie O'Farrel, the owner, and paying such as was demanded of him, he supposed that that included all of them; that had such assessment against lot 28 been included or added to a general city tax for a year subsequent to the year 1874, as was provided by the charter, the assessment would have been ascertained and been paid; and further, as to lot 41, that Mr. Sheridan sent to the treasurer for the taxes against Mary A. McGraw, and was furnished with bills of general city taxes for the years 1876 and 1877 against lot 28, and supposing that the lot belonged to her, the same was paid by him. The error, of course, was occasioned by reason of the taxes being assessed upon both lots against her and the treasurer furnishing bills for only one lot.

As to the application of John M. Burkard to be permitted to pay the following general city taxes assessed upon lot or lots on Sophia street in the D. R. Barton tract or subdivision in the 8th ward, with interest thereon from the respective dates thereof, namely: for the year 1878 for \$11.64 and interest thereon from March 27th, 1879; for 1879 of \$11.57 and interest thereon from March 25th, 1880; for 1880 of \$11.26 and interest thereon from March 31, 1881; for 1881 of \$11.56 and interest thereon from March 30th, 1882; for 1882 of \$13.22 and interest thereon from March 29th, 1883; for 1883 of \$12.77 and interest thereon from March 27th, 1884; for

1884 of \$14.88 and interest thereon from March 26th, 1885; for 1885 of \$14.50 and interest thereon from March 25th, 1886, such interest to be at the rate of six per centum per annum, be granted, and he be permitted to pay the same with such interest added.

As to the petition of Thomas Peart to have the assessment made against him for the Genesee Valley Canal sewer for land situated on the south side of Clarissa street, said ordinance being No. 2,263, and said assessment being found at page 190 of the assessment roll, amounting to \$35, without discount, cancelled, upon the ground that such improvement was and is, without any benefit whatever to his lands, be granted, and that the treasurer be directed to cancel the same and charge the amount thereof to erroneous assessments.

As to the petition of the Congregation of Beth Israel, to have the general city tax for the year 1886, upon premises owned by them, known as lot number 126, of the Shearman tract in the Sixth ward, situate on the east side of Leopold street, canceled upon the ground that such premises were exempt from taxation, for the reason that the building thereon was used for public worship, at the time such tax was levied and assessed, and for that reason we recommend that the tax be canceled and the amount thereof be charged to erroneous assessments.

Your committee therefore recommend that the following resolutions, concerning the matter aforesaid, be adopted:

Respectfully submitted,

C. J. SCHAEFFER,
J. MILLER KELLY,
D. W. SELYE,
C. STEIN,
Assessment Committee.

Ordered received, filed and published.

By Ald. Schaeffer—Resolved, That the treasurer be, and he hereby is, authorized and directed to receive from William J. Sheridan in payment of the following taxes and assessments, the following sums and amounts, without interest, namely: sixty three dollars and sixty eight cents for the Frost avenue sewer assessment upon lot twenty-eight of section C. of the Greig tract, on the North side of Frost avenue, assessed to Mary A. McGraw; sixty-three dollars and sixty-eight cents for said Frost avenue sewer assessment; twenty-three dollars and eighty-one cents for the general city taxes of 1876, and twenty-three dollars and fifty-one cents for the general city taxes of 1877, assessed upon lot forty-one of section C. of the Greig tract, situated on the South side of Frost avenue, and assessed to said Mary A. McGraw, and that the balance thereof be charged to erroneous assessments. Adopted.

By Ald. Schaeffer—Resolved, That the treasurer be, and he hereby is, directed to receive from John M. Burkhard the following sums in payment of the following general city taxes assessed for the following years against said Burkhard upon a lot or lots situated in the D. R. Bar on tract or subdivision in the eighth ward on the south side of Sophia street, namely: eleven dollars and sixty-four cents, for the year 1878, with interest thereon from March 27th 1879, for the year 1879, eleven dollars and fifty-seven cents, with interest thereon from March 25, 1880, for the year 1880, eleven dollars and twenty-six cents, with interest thereon from March 31, 1881; for the year 1881, eleven dollars and fifty-six cents, with interest thereon from March 30th, 1882; for the year 1882, thirteen dollars and twenty-two cents, with interest thereon from March 29th, 1883; for the year 1883, twelve dollars and seventy-seven cents, with interest thereon from March, 27, 1884; for the year 1884, fourteen dollars and eighty-

eight cents, with interest thereon from March 26, 1885; and for the year 1885, fourteen dollars and fifty-cents, with interest thereon from March 25, 1886; such interest to be computed at the rate of six per centum per annum, and that the balance be charged to erroneous assessments. Adopted.

By Ald. Schaeffer—Resolved, That the treasurer be and he hereby is directed to cancel the assessment made against Thomas Peart upon lands situated on the south side of Clarissa street, from the Genesee Valley canal sewer, under ordinance No. 2,263, amounting to \$35, and charge the amount thereof to erroneous assessments. Adopted.

By Ald. Schaeffer—Resolved, That the treasurer be and he hereby is directed to cancel the general city tax for the year 1886 assessed to the congregation of Beth Israel, upon lot No. 126 of the Shearman tract, in the Sixth ward, situate on the east side of Leopold street, and charge the same to erroneous assessments. Adopted.

By Ald. Steiu—Resolved, That the Lamp Committee be directed to cause to be placed an electric light on Hudson street, corner of Wadsworth street. Also an electric light on Hudson street, corner of Rhine street, and discontinue twenty-five or thirty oil lamps. Referred to Lamp Committee.

By Ald. Maudeville—Resolved, That the Executive Board be requested to pay Mrs. Jane M. Hoyt \$4.90, the amount erroneously charged for water rents, and charge the Water Works fund. Adopted.

Ald. Kelly moved the vote taken on the electric lights on Hudson and other streets be reconsidered. Adopted.

Ald. Elliott moved that the resolution be referred to the Lamp Committee. Adopted.

Ald. Elliott moved that the action taken by this Board in relation to the consent given to the R., W. & O. R. R. to lay tracks, and published at page 323, be reconsidered.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Maudeville, Bohrer, Kelly, Schaeffer—12.

Nays—Ald. Swikehard, Weider, Stein—3.

By Ald. Coughlin—Whereas, In the death of Overseer of the Poor John Lutes, we have been again reminded of the uncertainty of life, and, with heartfelt sorrow, mourn the loss of our companion and friend; therefore be it

Resolved, That in his death the city has been deprived of a faithful public servant and an upright man, whose honesty of purpose, fearlessness in duty and kindly and genial ways have endeared him alike to the people and the friends who knew him, and the Common Council hereby desires to place on record its appreciation of the pure character and true worth of Ex-Mayor John Lutes, and to extend our kindest sympathies to his family in their bereavement; and

Resolved, That the Clerk transmit an engrossed copy of these resolutions to the family of the deceased. Adopted by a rising vote.

By Ald. Fritzsche—

ROCHESTER, Jan. 10, 1887.

To the Hon. Board of Aldermen:

GENTLEMEN—You are hereby cordially invited to attend a concert and dramatic entertainment given by Typographia No. 5 (German composers of Rochester) at Kolb's Hall, Monday evening, January 24, 1887.

By order of Arrangement Committee.
JOHN DIRSCHHEL, Sec'y.

Accepted.

Ald. Elliott moved the adoption of the original resolution published at page 323, current proceedings, in relation to the R., W. & O. railroad.

Adopted by the following vote :

Ayes—Ald. Tracy, Coug lin, Kohlmetz, Fritzsche, Foley, Swikehard, Stein, Kelly, Schaeffer—9.

Nays—Ald. Watson, Elliott, Selye, Weider—4.

Ald. Elliott gave notice that he would move to amend the resolution at the next meeting by inserting after the words "said street crossings," on page 324 at the sixth line, "except Vincent place, which must be crossed below or above grade as shall be determined and agreed on by the Executive Board and the R., W. & O. R., approved by the Common Council."

The Board then adjourned.

PETER SHERIDAN, City Clerk.

PRESENTATION OF PETITIONS, ACCOUNTS, ETC., AND THEIR REFERENCES.

By Ald. Kohlmetz—Petition of Elizabeth Callahan for permission to erect a wood building. Granted, under direction of the Wood Building Committee and fire marshal.

By Ald. Kohlmetz—

To the Honorable the Common Council of the City of Rochester :

The petition of the undersigned residents of the Fifth Ward, in the city of Rochester, residing more particularly in the vicinity of that part of North St. Paul street where the Rome, Watertown & Ogdensburg Terminal Railroad Company proposes to cross said North St. Paul street, either at a grade crossing, or either by an elevated or a depressed crossing, respectfully represents:

That your petitioners are shareholders of said city and said Fifth Ward, and owners of the real estate respectfully written below after his or her name, and they pray your honorable body that the resolution of the committee of the Common Council to whom was referred the matter of conferring with the Rome, Watertown & Ogdensburg Terminal Railroad Company that the said resolution of said committee be not accepted, and said Rome, Watertown & Ogdensburg Terminal Railroad Company be not granted the privilege of crossing said North St. Paul street in the manner in which said railroad company proposes to do.

That they further pray your honorable body that the only proper and safe way to cross said North St. Paul street is to cross under said street below its present grade and in a manner which shall be both safe and substantial.

That if said railroad company should cross said North St. Paul street by an overhead or elevated crossing in the manner proposed by said railroad company and presented to your honorable body on the evening of Tuesday, Jan. 11, 1887, it would cause a great damage to said North St. Paul street,

and particularly to all that real estate lying between Hart avenue and Evergreen street, which time and money would never restore to their proper values.

ROCHESTER, January 25, 1887.

To the Honorable the Common Council of the City of Rochester :

GENTLEMEN—At a meeting of residents and property owners of Lake avenue, in the Ninth ward, held last evening, the following preamble and resolution were unanimously adopted, and the undersigned committee was instructed to present them to your honorable body:

Whereas, The Common Council of the City of Rochester in the month of November last, passed a resolution granting a right to the Rome, Watertown & Ogdensburg Railway Company to cross Vincent place on a grade, and North St. Paul street under grade, without any previous notice to the people of an intention to take such action, and the resolution was specially and promptly approved by the Mayor the next day, before the people had any opportunity to be heard; and,

Whereas, The said Rome, Watertown & Ogdensburg Railroad Company has since made application to be allowed to cross North St. Paul street at grade; and,

Whereas, This meeting has information to the effect that said railroad company contemplates asking the Common Council to permit it to run a branch for coal traffic across Lake avenue to connect with the Buffalo, Rochester & Pittsburg railway; therefore,

Resolved, That we, citizens and property owners, resident in the Ninth ward and upon Lake avenue, hereby enter our earnest protest against the granting of the right to cross Lake avenue in any manner with a coal branch, and against the change from under grade to grade on North St. Paul street, asked by the company; and that we respectfully request the Common Council to reconsider and rescind the resolution of November, granting the right to cross Vincent place at grade, and that the railway company be requested to go under or over grade with its tracks.

Respectfully, etc.,

BRACKETT H. CLARK,
A. T. SOULE,
J. A. HINDS,
E. B. CHACE,
JAS. E. BOOTH,
H. A. STRONG.

Ordered received, filed and published.

Ald. Kelly in the Chair.

By Ald. Weider—Petitions of W. H. King, George Oetzel and H. F. Atwood, for permission to erect wood buildings. Granted.

By Ald. Stein—Petition of S. Lazarus for permission to erect a wood building; also remonstrance against the same. Referred to the Wood Building Committee and Fire Marshal, with power to act.

By Ald. Bohrer—Petition of John A. Taylor for permission to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Schaeffer—Petition of John A. La Force in relation to an erroneous assessment, referred to the Assessment Committee; also petition of A. S. Wetmore for permission to erect a wood building, referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Schaeffer—

To the Honorable the Common Council of the City of Rochester :

GENTLEMEN : We, the undersigned, owners of a tract of land in the 15th ward of the city of Rochester, known as lots 24, 25, 26, 27, 28, 29, 40, 41 and 42 of the Murray tract, respectfully represent to your Honorable Board that we have been the owners of said tract of land for a number of years; that in the year 1881 we opened and laid out and properly graded a street through said tract of land, commencing at the west line of Child street

and extending westwardly to the eastern terminus of Bethlehem park; that said street was opened by us for the use of the public and has been used by said public as a street for more than five years last past, and has been known as Masseth park; that a map of said street has been filed in Monroe County Clerk's office and in the City Assessors' office; that said street has become by such opening and dedication by us and by uses by the public for a period of five years, a public street of the city of Rochester, but that there has been no formal acceptance of said street by your Honorable Board. We therefore respectfully ask that your Honorable Board formally accept said street and declare the same a public street of the city of Rochester.

Also, petition in the matter of the payment of Wm. Emerson against the city. Referred to the Law Committee.

By Ald. Swikehard—

ROCHESTER, N. Y., Jan. 22, 1887.

To the Special Committee on Penal Ordinances of the Common Council :

GENTLEMEN: Upon carefully reading over the Ordinance in Relation to Street Railroads submitted at the last meeting of the Common Council, the Executive Board desires to call your attention to the following additional provisions and amendments to said ordinance which a discussion of the subject has evoked :

First—In view of the fact that all modern first-class street pavements, such as asphalt, etc., are provided with a concrete foundation, and are not designed to be frequently disturbed; also because such asphalt or similar pavements are likely to be more or less extensively adopted in our city, it seems desirable to make it obligatory upon all street railroad companies to provide on all streets upon which said companies have tracks and upon which any asphalt, wood or stone pavement with a concrete foundation is hereafter to be laid, a durable track or tracks formed of rigid steel or iron girder rails, with metallic or preserved wood cross ties, well bedded in concrete. (Sec. 1).

Second—In many localities the established existing grades of the streets upon which street railway tracks are now laid, or may hereafter be laid, are such as to form hollows or low places in which the surface drainage waters will collect at times, particularly in the winter season, when the gutters are necessarily more or less obstructed with snow and ice.

As it seems to be necessary for the operation of the street railways, that mud, snow and ice be removed from the tracks and a strip of the roadway adjacent thereto, it follows that in such hollows or depressions these tracks are frequently below the level of the adjacent roadway surface, and hence serve to collect and retain the drainage waters from contiguous elevations in the form of pools of more or less extent. It is exceedingly desirable that all such pools be properly drained, and the street railway companies should be required to perform this drainage by means of suitable surface sewers in the tracks at their own expense at all points where their tracks are laid; (sec. 2).

Third—It is exceedingly difficult to maintain that

portion of the roadway of macademized, graveled and common earth streets immediately adjacent to street railroad tracks and between the rails thereof in proper and safe condition during wet seasons. The only rational expedient appears to be to provide said portions of the roadway with a suitable stone pavement. As cobble stones laid in comparatively narrow strips outside of the tracks do not possess the requisite stability, Medina stone blocks of suitable dimensions should be used for this purpose, and the street railway companies should be required to lay and maintain such a pavement for a space two feet in width outside and adjoining the outside rails of the track, and between the tracks where more than one track occurs on all streets not paved with asphalt, wood or stone blocks; also to pave the track on such streets, for which purpose Medina or cobble stones may be used. This provision also to apply where the tracks are laid on the side of a street.

Fourth—The city maintains the plank roadways of a number of canal and river bridges over which street railroad tracks are now laid. Heretofore only a relatively small proportion of the annual cost of renewing the said plank roadways has been paid by the street railway companies, and it is therefore suggested that at least one-third of such annual costs be ordered charged and collected from said companies.

Fifth—In Section 3 of the ordinance, it is provided that on building a new track all surplus street material shall be removed by the street railway company to some place adjacent to the street or avenue, as may be directed by the Executive Board. To remove ambiguity this clause should be somewhat remodeled to the effect that all such surplus street material shall be considered as the property of the city and shall be removed by and at the expense of the railroad company to such place or places within the limits of the city and not exceeding a distance of two miles, as the Executive Board shall direct.

Sixth—(Sec. 14.) In view of the general annoyance and obstruction caused by the removal of snow from the street railroad tracks, it is recommended that the railroad companies be required to remove entirely from the street all of the snow which they may disturb in clearing their tracks, instead of spreading the same over the adjacent portions of the roadway.

In this connection we also desire to call attention to a provision of Sec. 21 of the ordinance which requires the street railway companies to remove all snow and ice as often as once a week from all tracks and a space 2 feet 4 inches outside thereof. This provision obviously conflicts somewhat with those of Sec. 14.

Seventh—In section 16 provision for electric wire and other conduits should also be made.

Eighth—In section 21 it is provided that the street railway companies shall clean their tracks and a space 2 feet 4 inches wide outside thereof as often as once a week. It is suggested that this work be required of the companies only on such streets as are not regularly cleaned and swept by the Street Superintendent, and that on all such streets as are so cleaned and swept by the city, a certain charge, either per mile per year or some proportion of the cost of such cleaning and sweeping be assessed upon and be made collectable from said companies.

Ninth—It is further recommended that whenever the said companies shall for any reason remove from their tracks, or any portion of the adjacent roadways, any dust, dirt, filth, snow or ice, such material shall be taken away from the street entirely by said company without delay; and if the same be allowed to remain on the street as deposited thereon by said company longer than twenty-four hours, then the Executive Board shall be authorized to remove the same at the expense of said company.

Tenth—Finally, it is suggested that on all streets where tracks are laid on the sides thereof, the street railway companies be required to sprinkle such tracks at least four times per day during the dusty season.

Referred to the Special Committee on Penal Ordinances.

Ald. Swikehard moved that the pending penal ordinance relative to Street Railroads, published at page 399, current proceedings, be referred back to the special committee on penal ordinances. Adopted.

By Ald. Tracy—

To the Honorable Common Council of the City of Rochester:

GENTLEMEN: The undersigned desire to make certain improvements in their building on State street, and ask that such action be taken by your honorable body as will enable them to do the contemplated work.

REPORTS OF STANDING COMMITTEES.

Ald. Elliott, from the Health Committee, reported favorably on the bills referred to his committee and referred them to the Finance Committee for payment.

By Ald. Mandeville—

Gentlemen of the Common Council:

At the last meeting of this Board, your Committee on Maps and Survey, to whom was referred the matter of the completion of the unfinished maps in the Surveyor's office, for the use of the Assessors, presented several bids for said work for publication, which were referred back to the Committee for further action. Having had the same under consideration your Committee would recommend the adoption of the following resolution:

W. MANDEVILLE,
D. W. SELYE,
H. KOHLMETZ,
PHILIP WEIDER,

Committee.

Ordered received, filed and published.

By Ald. Mandeville—Resolved, That the Mayor be and is hereby authorized to contract with Reuben J. Smith for the completion of the unfinished maps of the first fourteen wards of the city of Rochester, now in the Surveyor's office, according to the terms of the specifications upon which such bid was made, for the sum of thirteen thousand five hundred dollars, (\$13,500,) with such sureties as shall be acceptable to the Mayor, City Attorney and the Map and Survey Committee.

Ald. Mandeville moved that the resolution lay over two weeks. Adopted.

By Ald. Bohrer—

To the Hon. the Common Council:

GENTLEMEN: Your Committee on Opening and Alteration of Streets to which was referred the matter of the widening of the west end of Basin street do hereby report, that we have investigated the subject and are of the opinion that the interests of the city would be subserved by the widening of said street, and in view of the fact that the owner of the land necessary to be taken for the widening of said street contemplates the erection of an expensive building thereon your committee recommends the adoption of the pending ordinance for the widening of Basin street. Respectfully submitted,

LOUIS BOHRER,
FRANK FRITZSCHE,
W. H. MARSON,
C. STEIN.

Committee.

MAYOR'S OFFICE,
ROCHESTER, Jan. 19, 1887. }

Gentlemen of the Common Council:

Alderman Schaeffer's resolution, adopted by your board at its last regular meeting, authorizing the Treasurer to receive from William J. Sheridan certain back taxes and assessments, without interest, is hereby returned disapproved. The amount of interest which has accumulated on the said taxes and assessments, calculating the same at 7 per cent., is not less than \$130. If your Assessment Committee will again take this case into consideration, I think I can demonstrate to its members that the city is not at fault, as has been alleged, and that no reason exists why it is not entitled to receive both principal and interest.

CORNELIUS R. PARSONS, Mayor.

MONROE COUNTY COURT—In the matter of the opening and extension of Evergreen park, in the city of Rochester.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: The undersigned, who were appointed by the order of the County Court of the county of Monroe, duly granted and entered on the 21st day of September, 1886, commissioners to inquire into and determine to what damages and compensation the owner or owners of the lands and buildings to be taken for the opening and extension of Evergreen park in the city of Rochester, would be entitled to, there being no occupants or tenants having a leasehold or other interest in said premises or buildings, respectfully report and certify their award of damages as incident to the opening and extension of Evergreen park, as follows:

The several pieces and parcels of land and the premises required for said improvement are described as follows:

All that tract or parcel of land situate on the south side of Evergreen street in the city of Rochester, beginning at the northeast corner of lands now owned by Hiram Davis of the city of Rochester, and running back one hundred (100) feet; thence westerly ten (10) feet and fifty-six one-hundredths (56-100); thence northerly one hundred (100) feet to Evergreen street; thence easterly on Evergreen street twelve (12) feet and two-tenths (2-10) to the place of beginning. These premises are owned by Hiram Davis of Rochester, N. Y.

Also, all that tract or parcel of land situate on the south side of Evergreen street in the city of Rochester, beginning at the northwest corner of lands now owned by Carl J. Mensing of the city of Rochester, and running back one hundred (100) feet; thence easterly sixteen (16) feet and forty-four one hundredths (44-100); thence northerly one hundred (100) feet to Evergreen street; thence easterly on Evergreen fourteen (14) feet and

eight-tenths (8-10) to the place of beginning. These premises are owned by Carl J. Mensing of Rochester, N. Y.

Therefore, we, the subscribers, the commissioners having been duly sworn as required by the statute in such case made and provided, and having all met and acted on the matter submitted to us at the city attorney's office in the City Hall building in Rochester, N. Y., pursuant to a notice of at least ten days published according to law; and having taken a view of every part of the premises affected by this proceeding, and having inquired into and heard the allegations and proofs of the respective parties in interest do, therefore, determine and appraise the damages which the several owners and occupants of the lands and premises thus to be taken for the opening and extension of said Evergreen park, will severally sustain by being deprived thereof, and do award the full amount of such damages, and fix the compensation which each of the owners and occupants shall receive thereof, as follows:

To Hiram Davis, one hundred and fifty-eight dollars and sixty cents (\$158.60), payable to him.

To Carl J. Mensing, one hundred and ninety-two dollars and forty cents (\$192.40), payable to him.

The awards hereby made, after deducting all tax and assessments which have become a lien upon the lands described, and which are now due, to be paid as hereinbefore provided.

We further find that Isaac Gifford's title to lands on Evergreen park or place does not cover any portion of the lands proposed to be taken, or that he has any valid claim to any lands to be so taken herein.

All of which is respectfully submitted.

WM. JOHNSON,
E. F. STILLWELL,
W. G. MARTENS,

Commissioners.

Dated at Rochester, N. Y., this January 25, 1887.

Ordered received, filed and published.

Ald. Tracy moved that allegations on the report be heard at the next meeting of the Common Council, February 8th. Adopted.

By the Clerk—

ROCHESTER, Jan. 25th, 1887.

Gentlemen of the Common Council:

You are most respectfully invited to attend the military ball of the O'Rourke Post and Drill Corps, at Kolb's Hall, Tuesday evening, Feb. 1, 1887.

Most respectfully yours,

P. C. FLEMING, Capt.
G. H. HATCH, Sec'y.

On motion of Ald. Tracy the invitation was accepted.

GLENWOOD PARK OPENING.

By Ald. Bohrer—Resolved, That the following improvement is necessary, and we hereby judge the public good requires the same to be done, viz:

The opening of that portion of Glenwood Park, lying between Fourth street and Tenth street, that is not now opened; the lines of the park proposed to be opened to be in the prolongation of the lines of the portions of Glenwood Park aforesaid which are now opened.

Resolved, further, That the following portion of said city is deemed benefited and proper and ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of Glenwood Park and the prolonged lines of that part of said Glenwood Park now opened, from First street to the Erie Canal lands, in proportion to the benefit which each will derive therefrom.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172, of the Revised Charter, of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening February the 8th, 1887, at 7 o'clock at the Common Council Chamber, when allegations will be heard.

Adopted.

NORTH AVENUE SPRINKLING (SEC. 2).

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling North avenue (Sec. 2) during the season of 1887.

Adopted.

The Surveyor submitted as such estimate, \$210.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The sprinkling of North avenue (Sec. 2) from the center of Weld street to North street during the season of 1887.

And, Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$210 which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and proper to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of North avenue from the center of Weld street to North street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend at the Common Council, on Tuesday evening, February the 8th, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Ald. Bohrer moved that the ordinance be amended by inserting (sec. 1) in place of (sec. 2) and insert, from "East Main street" in place of "the center of Weld street" and that the estimate be changed to \$450. Adopted.

The ordinance, as amended, was then adopted.

FINAL ORDINANCES.

FINAL ORDINANCE, NO. 3,075.

PLANK SIDEWALK ON UNIVERSITY AVENUE.

On motion of Ald. Kohlmetz, the Common Council proceeded to hear allegations in relation to the improvement described in the ordinance below, said Common Council having determined to make such public improvement, having caused an estimate thereof to be made, and by an entry in their minutes having described the portion and part of the city which they deem proper to be assessed for the expense of such improvement, and also a notice to be heretofore published daily, in at least two of the daily newspapers printed in the city of Rochester, for four days, which

notice specified such improvement, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and which notice also required all persons interested in the subject matter of such improvement to attend the said Common Council at the time appointed in said notice, and, after hearing such allegations from all persons appearing, Ald. Kohlmetz submitted the following:

An ordinance to construct a plank sidewalk on University avenue, from the northerly tracks of the N. Y. C. & H. R. R. to a point opposite the west line of lands owned by Rhoda B. Crouch.

The Common Council of the City of Rochester do ordain and determine that the following improvement be made, to wit:

The construction of a plank sidewalk four (4) feet wide on the northerly side of University avenue, beginning at the northerly tracks of the N. Y. C. & H. R. R., and extending eastwardly to a point opposite the west line of lands owned by Rhoda B. Crouch, with the necessary crosswalks, side and crosswalk, grading and gutter formations.

And the whole expense should be defrayed by the assessment upon the lots and parcels of land to be benefited thereby, hereinafter described; and the City Surveyor under the direction of this Council, having made an estimate of such expense, and reports the same at \$50, and said estimate being deemed reasonable, is hereby approved; and the portion of said city, which said Common Council deem will be benefited by said improvement is described as follows:

One tier of lots on the north side of University avenue, from the northerly tracks of the N. Y. C. & H. R. R. to a point opposite the west line of lands owned by Rhoda B. Crouch.

On which above described lots and parcels of land the whole expenses of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

Ald. Marson moved to amend the ordinance by making the assessment fall upon the property on Basin street, and east on the property of E. R. Andrews. Adopted.

Further action postponed two weeks under the rule.

FINAL ORDINANCE, No. 3,077.

WIDENING OF THE EAST END OF HAND STREET.

On motion of Ald. Bohrer, the Common Council proceeded to hear allegations in relation to the improvement described in the ordinance below, the said Common Council before determining to make such public improvement, having by an entry in their minutes described the portion and part of the city which they deemed proper to be assessed for the expense of such improvement, and having also caused a notice to be heretofore published daily, in at least two of the daily newspapers printed in the city of Rochester, for four days, which notice specified such improvement, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and which notice also required all persons interested in the subject matter of such improvement to attend the said Common Council at the time appointed in said notice, and, after hearing such allegations from all persons appearing,

Ald. Bohrer submitted the following:

An ordinance to widen the east end of Hand street, from the west line of lot No. 22 of the Gorham tract to Clinton street.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary and should be made, and hereby judge that the public good requires the same to be done, viz:

The widening of Hand street, by taking a strip of land on the southerly side thereof, beginning at the west line of lot No. 22 of the Gorham tract and said line produced and extending to Clinton street, and the territory deemed necessary to be taken therefor is described as follows, viz:

All of lot No. 22 of Kiley's sub-division, and all that portion of lot No. 22 of the Gorham tract lying north of the following described line beginning at the intersection of the south line of Hand street with the west line of lot No. 22 aforesaid; thence easterly in the prolongation of said south line to a point thirty-nine and four-tenths (39 4/10) feet distant from and at right angles to the established north line of said Hand street; thence also easterly and parallel to said north line to Clinton street.

It being expressly understood and provided that if the northwest corner of the old frame dwelling house now belonging to Christiana Jaekel should be found to project a few inches over the proposed south line of the widened street, the same shall be left undisturbed until said dwelling house be removed, rebuilt or remodeled in any material degree by the owner or owners thereof.

And the whole expense should be defrayed by the assessment upon the lots and parcels of land to be benefited thereby, hereinafter described; and the portion of said city, which said Common Council deem will be benefited by and ought to be assessed by a local assessment for the whole expense of said improvement is described as follows:

One tier of lots and parcels of land on each side of Hand street, from North St. Paul street to Clinton street.

On which above described lots and parcels of land the expenses of said improvement is hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit which each derives therefrom.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

FINAL ORDINANCE, No. 3,078.

CLIFFORD STREET EXTENSION.

On motion of Ald. Bohrer, the Common Council pro-

ceeded to hear allegations in relation to the improvement described in the ordinance below, the said Common Council, before determining to make such public improvement, having by an entry in their minutes deemed proper to be assessed for the expense of such improvement, and having also caused notice to be published daily, in at least two of the daily newspapers printed in the city of Rochester, for four days, which notice specified such improvement, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and which notice also required all persons interested in the subject matter of such improvement to attend the said Common Council at the time appointed in said notice, and after hearing such allegations from all persons appearing—

Ald. Bohrer submitted the following:

An ordinance to extend Clifford street from North avenue to the east line of the extended street.

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, and hereby judge that the public good requires the same to be done, viz:

MISCELLANEOUS BUSINESS.

Ald. Schaeffer presented a largely signed petition from laboring men, asking that no contracts be awarded to firms employing cheap imported Italian laborers. On motion of Ald.

Foley the petition was referred to the Executive Board.

Ald. Schaeffer submitted the following:

Italian Labor and Construction Company, incorporated under the laws of the State of New York, for the employment and protection of Italian laborers. Capital, \$25,000. General offices 2 and 4 Center street, New York. (Staats Zeitung Building.)

Officers, President, C. A. Barattini, Treasurer, Charles Barsotti; Secretary, E. Perotta.

Address all communications to the company.

NEW YORK, March, 1886.

To Contractors, Builders, Railroad Superintendents and Engineers:

This company has been incorporated under the laws of the State of New York for the special purpose of finding employment for Italian workmen and laborers, and for the mutual protection of these and contractors employing them.

It is a well known fact that since the increase in the Italian rural immigration, Italian laborers have been eagerly sought by contractors, railroad superintendents and engineers, who find them particularly adapted for all work in connection with the construction and repairing of railroads, public highways and thoroughfares, also for mining, tunneling, building, etc. Furthermore, many well-known contractors have testified to the efficiency and good behavior of Italian workmen, preferring them to all others, for their steadfastness, industry, frugality and sobriety.

By nature trusting and good hearted, ignorant of the language and customs of this country, a large number of Italian laborers have, at different times, been imposed upon by some of their unscrupulous fellow-countrymen; these practices having been too often repeated, it has led to the incorporation of this company which will afford them assistance and protection in future.

This company is prepared to furnish promptly the services of Italian laborers in any number for the following classes of work.

RAILROAD CONSTRUCTION AND ROAD BUILDING.

Breaking ground and filling.
Breaking and removing rocks by blasting or otherwise.

Tunnelling.
Laying ties.
Repairing landslides and washouts.

OTHER WORKS.

Laying water mains.
Laying gas mains.
Mining.
Street cleaning and snow shoveling.

This company is also prepared to relieve contractors of any portion of large contracts they may wish to sublet, and give estimates thereon; also, to contract with railroad superintendents and engineers of lines already in operation for building extensions, undertake road repairs, or furnish any number of men at short notice in the event of land-slides, wash-outs, and other unforeseen accidents.

The company guarantees full satisfaction, and it will be the aim of its officers to bring about mutual and agreeable relations between employers and employees, endeavoring at all times to save both from unlawful acts heretofore so often practiced by irresponsible and ignorant middlemen.

Contractors and employers will find that the authority of this company over the men it furnishes is of special advantage in all dealings which they may have with them. Authorized agents or foremen will accompany the laborers and remain to assist contractors and employers when required.

Owing to their frugality and sobriety, Italian laborers are enabled to work for very moderate wages, and this company is in a position to supply such laborers, in large numbers, at figures that will repay inquiry.

This company, being backed by actual cash capital, shirks no investigation as to its responsibility:

it requests, however, a like disposition on the part of contractors or other parties desiring to deal with it, by answering the following questions, which must be satisfactory to the officers of the company before laboring men are supplied :

1. The exact name and address of contracting parties; if a corporation, under the laws of which state incorporated.

2. Information as to financial responsibility and references.

3. Nature of work to be done, accompanied by such specifications or details as will assist this company in furnishing men suitable for the work.

4. Duration of work, as near as possible.

5. Number of men required.

6. Time when wanted.

7. If fixed wages, state how much.

8. Information as to the cheapest and best method of reaching place of destination, if known to contractor or inquirer.

9. Any other information which may be of benefit to this company and helpful in reaching satisfactory results for all parties concerned.

We solicit correspondence, and all inquiries not answered in this circular letter will receive prompt attention by mail.

Officers of the company are prepared to come on the spot and examine the work before sending laborers.

We beg to remind you again:

I. That this company, incorporated under the laws of the State of New York, has a capital, actually paid up in cash, of \$25,000, in support of its contract obligations.

Ald. Kelly asked unanimous consent to introduce an ordinance relating to streets.

Receiving unanimous consent, Ald. Kelly presented the following:

IN COMMON COUNCIL :

AN Ordinance relating to streets.

Passed January , 1837.

The Common Council of the City of Rochester, do ordain as follows:

Section 1. No person or persons, or corporation or corporations, shall place or caused to be placed, any stones, brick, boards, plank, timber, lumber, or any other materials for building, or any other purposes, in or upon any street, avenue, alley, lane, or public square or place within the city of Rochester, without permission in writing from the Executive Board of said city, or its legal successor, under a penalty of five dollars for each offense, and the further penalty of five dollars for every twenty-four hours the same shall be or remain in any such street, avenue, alley, lane, or public square or place, without permission, as aforesaid, and in addition to said penalty or penalties, shall be liable to any person or corporation for any and all damage he, she or it may sustain by reason thereof.

Section 2. The Executive Board, or its legal successor, may grant in writing, to any person or corporation, permission to place and keep any such building or other materials described in the foregoing section in any such streets, avenues, lanes or alleys, within the city of Rochester; such permission, however, shall not be for a longer period than three months, nor authorize the obstruction of more than one-third of the sidewalk, nor more than one-half of the carriage way, nor nearer than two feet to any street railroad track or tracks that may be laid or be in such carriage way opposite the lot or place where the building or other structure

for which such materials are designed to be used is proposed to be erected.

Any such permission may be revoked without notice by said Executive Board, or its legal successor, at any time.

Section 3. Any person or corporation to whom permission is granted as aforesaid shall cause all such building or other materials, and all the rubbish arising therefrom, during the night time, to be enclosed with suitable and sufficient barriers, and place or cause to be placed lights at each end and side thereof in such a manner as to cast the light thereon upon such material or rubbish, and which lights shall be kept burning at all hours of the night. And for the neglect to comply with the provisions of this section, every such owner, contractor and other person or corporation placing, or causing to be placed, any such materials or rubbish, as aforesaid, shall be liable to the penalty of \$35 for each night the provisions of this section shall not be complied with, and, in addition thereto, shall also be liable to any person or corporation, including the city of Rochester, who may be damaged to any extent by reason of such failure.

Section 4. Every person to whom permission is granted, pursuant to sections one and two, or either of them aforesaid, shall cause all such building materials, and all the rubbish arising therefrom, to be removed from any such street, avenue, alley or lane by the expiration of the time limited in such permission, or upon the revocation of the permission, under the penalty of \$25 for every twenty-four hours the same shall so remain in such street, avenue, alley or lane after the expiration of the time specified in, or the revocation of the permission, and such person or corporation shall, in addition to such penalty also be liable to any person or corporation, including the city of Rochester, who may suffer or sustain any damage by reason of such failure to so remove the same.

Section 5. No person or corporation shall suffer or permit any of his, her or its carriages, wagons, carts, sleighs, street or other car or cars, with or without horses, mules, oxen or other animals, to remain or stand in or upon any of the public streets, avenues, alleys, lanes, squares or places within the city of Rochester for more than one hour at any time, under the penalty of one dollar for each offense, and shall also be liable to any person or corporation, including the city of Rochester, who may sustain or suffer any damage by reason of the violation of this section.

Section 6. No person or corporation shall fasten, or permit to be fastened, any of his, her or its horses, mules or other animals in any public street, avenue, lane, alley, square or place within the city of Rochester, so that such horse, mule or other animal or the vehicle to which it may be attached, or the halter, reins or lines with which the horse, mule or other animal is, or may be fastened, shall obstruct the free passage of persons on any part of any sidewalk or any crosswalk, under the penalty of two dollars for each offense.

Section 7. No person or corporation shall cause, or suffer any of his, her or its horses, mules or other animals or wagons, carriages or other vehicles, to stand, remain or be upon any crosswalk or sidewalk, within the city of Rochester, or upon any of the footways or passages for pedestrians upon any of the bridges within said city, under a penalty of five dollars for each offense.

Section 8. No person or corporation shall cart, carry or transport any sand, gravel, rubbish, dirt, stone, ice or any other loose material in, across or over any of the paved, macadamized, asphaltum or graveled streets, avenues, lanes, alleys, public squares or places within the city of Rochester, in or upon any cart, wagon, sleigh or other vehicle in such a manner that any portion of such sand, gravel, dirt, rubbish, stones, ice or other loose material shall, or may be, scattered, fall or thrown therefrom, in or upon any such street, avenue, alley, lane, public square or place, under the penalty of five dollars for each offense.

Section 9. Each and every person and corporation mentioned in the last section, shall have each of his, her or its, carts, wagons, sleighs or other

vehicles used for the purpose of carting, carrying or transporting any of the articles or substances mentioned or described in said section eight, registered, and the number thereof entered by the city clerk in a book to be kept by him for that purpose, and such cart, wagon, sleigh or other vehicle, when in use, as aforesaid, shall have conspicuously placed thereon, on each side of the box or framework thereof, in or upon which said articles or substances are carried or transported, its number plainly painted, the figure or figures of which number shall be three inches in height and two inches in width, and any person or corporation violating any of the provisions of this section shall be liable to a penalty of five dollars for each offense, and the further penalty of three dollars for each and every forty-eight hours such violation or neglect is continued.

Section 10. No person or corporation shall use, cause or suffer to be used, any wagon, cart or other vehicle of heavy draught upon any of the paved, macadamized or improved streets, avenues, alleys, lanes, public squares or places in the city of Rochester, for the purpose of drawing brick, sand, stones, wheat, flour, logs, lumber, iron, coal or other materials, unless the tires upon the wheels of such wagon, cart or other vehicle be at least four inches in width under a penalty of twenty-five dollars for each offense; but this section shall not apply to vehicles used by farmers coming into the said city with produce or fuel, nor to one-horse wagons or vehicles, used generally for the purpose of common portage, or for the purpose of conveying persons or passengers.

Section 11. No person or corporation shall place, or cause to be placed, or keep, or suffer to remain, any log, timber, box, cask, barrel, stone, plank, board or other articles, or an greasy, oily, or dirty substance or package, in or upon any of the public streets, avenues, lanes, squares or places, within the city of Rochester, so as to incommode the free and uninterupted passage thereof by any person or persons whomsoever, nor shall any person or corporation place, or cause to be placed or kept, or have any cask, box, plank, board or other article, or any greasy, dirty or oily substance or package, barrel, cask or box on any sidewalk, or any goods, wares or merchandise, or other articles, in front of any store, shop or place of business, or other building, where the sidewalk in front thereof is less than six feet in width, and where said sidewalk is more than six feet in width, then not more than the width exceeding six feet, and in all not more than two feet, under a penalty of five dollars for each offense, and a further penalty of five dollars for every twenty-four hours the same shall or may remain therein or thereupon; but nothing contained in this section shall prohibit merchants and others from placing goods, wares and merchandise, household furniture and other commodities on the sidewalk, for the purpose of loading or unloading the same, providing the same be removed without any unreasonable delay, not to exceed one hour.

Section 12. No person or corporation shall place, or cause to be placed, or keep or suffer to remain, in or upon any public street, avenue, alley, lane, square or place within the city of Rochester, except as may be permitted by the Executive Board of said city, or its legal successor, or its superintendent of streets, appointed by it, and then only in such places and in such manner as may be designated in and by such permission, which permission shall be in writing, any ashes or cinders or any other obstruction to the use of the same by wagons, sleighs or any other vehicles, under a penalty of five dollars for each offense, and the further penalty of five dollars for each twenty four hours the same shall remain in any such street, avenue, alley, lane, square or place.

Section 13. The sidewalks and crosswalks of the city of Rochester, and the bridges and public entrances to the churches, public halls and places of amusement within the city limits, being intended for the public accommodation and convenience, shall be kept and reserved free from all obstruc-

tions, and all groups or assemblages of persons thereon or therein at any time are prohibited.

No person or persons shall stand or sit on such sidewalk or crosswalk or any such bridge or railing thereof, or occupy the same so as in any manner to obstruct the free passage of the public thereon, or to hinder, obstruct, molest or annoy any person in passing along or upon the same; nor shall any such person or persons stand or remain around the entrances to any such churches, public halls or places of amusement so as in any manner to obstruct the free passage of the public thereto or therefrom, or so as to hinder, obstruct, molest or annoy any person from or while entering or leaving any such church, public hall or place of amusement. Whoever shall violate any of the provisions of this section shall forfeit and pay a penalty of five dollars for each and every offense.

Section 14. No owner, agent of non-resident owner, or occupant, of any store or other building in or adjacent to any of the streets, avenues, alleys, lanes or public squares or places within the city of Rochester, or other persons, shall place, or erect, or cause or suffer to be placed or erected, to, upon, or adjacent to any such store or other building any signpost, awning post or fixture of any kind, or any sign projecting more than two feet from and not less than nine feet above the sidewalk in front of any such store or building into, over or upon any of the said streets, avenues, alleys, lanes or public squares or places, or sidewalk therein; nor shall any person place or cause to be placed, or expose for sale in any manner, upon any such sidewalk, or hang, or suspend, in any such way, from any awning frame or otherwise over any sidewalk aforesaid, any goods, wares, merchandise or articles of any kind, under a penalty of ten dollars for each twenty-four hours the same shall remain thereupon or therein. Nothing contained in this section shall prohibit the erection of awnings of cloth upon iron frames in front of stores, shops or other buildings; but such awnings shall be uniform in length, constructed in a uniform manner, and supported by an iron framework securely attached to the building, in front of which the same shall or may be constructed or suspended; and the same shall be, at all times, self-supporting, and securely kept and maintained without falling, and shall extend from the building not to exceed nine feet, and every part of the framework and every portion of any such awning shall be at least nine feet above the sidewalk, but no curtain or sign shall be attached to any part of such awning, or be in any way suspended from the same, or any of its frames, so as to extend in any manner across or over any such sidewalk. Any person or corporation, erecting or causing or permitting to be erected, or placing or keeping any such awning or frame as aforesaid, shall be liable for any and all damages that may be sustained by any person or persons or corporation, from or by reason of the same being negligently or defectively constructed, or by reason of the same being out of repair at any time, and to that end shall indemnify, bear and save harmless the city of Rochester, and its Executive Board and each of and from any claim, demand in suit, action or proceeding brought for such damages by any person whatsoever.

Section 15. Every owner, agent of non-resident owner, or occupant of any house, store or other building within the city of Rochester, shall at all times keep the awning in front of such house, store or other building, free from snow, ice and all dirt, filth or other obstructions under a penalty of three dollars for each offense, and a further penalty of three dollars for every twenty-four hours the omission to comply with the provisions of this section shall be continued by him or them.

Section 16. No person or persons, corporation or corporations, shall ride or drive, or cause or suffer to be ridden or driven, any horse, mare, gelding or other animal upon or over either of the following bridges within the city of Rochester, namely Vincent place, Andrews street, and Clarissa street, faster than a walk, under a penalty of twenty-five dollars for each offense.

Section 17. No person or corporation shall here-

after convey; transport or carry or cause to be conveyed, transported or carried any dead animal along through or upon any of the public streets, avenues, lanes, alleys, parks or places within the city of Rochester, without having the same conveyed, carried or transported on a cart, truck or wagon, covered so that no part of such animal shall or may be exposed to view, under a penalty of fifteen dollars for each offense.

Section 18. No person driving or in charge of any vehicle, whether attached to any horse or other animal, or not, shall obstruct at any time the free and unobstructed passage by pedestrians along and upon any cross-walk within any of the public streets, avenues, lanes, alleys, squares or places within the city of Rochester, by stopping any such horse or other animal or vehicle so that the same shall be or remain upon any such cross walk, under a penalty of five dollars for each offense.

Section 19. No person or persons shall skate or slide upon any sidewalk or crosswalk within the city of Rochester, in such a manner as to prevent, hinder or molest any pedestrian from freely passing along or over the same; nor shall any such person or persons make, aid, countenance or assist in making any noise, disturbance or improper diversion in any of the public streets, avenues, lanes, alleys, parks or places within said city. Whoever shall violate any of the provisions of this section shall be liable to a penalty of two dollars for each offense.

Section 20. All ornamental shade trees hereafter set out in any of the public streets, avenues, alleys, lanes, or places within the city of Rochester shall be set inside of the curb and within one foot of the outer edge of the sidewalk therein, and in case any person or corporation violates the provisions of this section, he or it shall forfeit and pay a penalty of five dollars for each offense; and such person or corporation shall in addition to such penalty remove such tree or trees where otherwise placed than aforesaid on being requested to do so by the Executive Board of the city, and in default thereof, it shall be lawful for such Executive Board to remove or cause the same to be removed at the expense of the owner of the lot in front of which such tree or trees shall or may be placed; which expense may be recoverable of such owner in the name of the city of Rochester, in an action with costs; and every such person or corporation so neglecting or refusing to remove the same after being requested so to do as aforesaid, shall be liable to a penalty of three dollars for every twenty-four hours after the time mentioned in such requirement for such removal.

Section 21. Every owner, agent of or non-resident owner or occupant of any premises within the city of Rochester, shall keep the shade or ornamental trees in any of the public streets, avenues, lanes, alleys or places of such city, in front of his, her or their premises, trimmed so that the projecting limbs and boughs shall not be less than nine feet above the roadway or sidewalk and so as not in any manner to interfere with or obstruct the light of the public lamps in any such street, avenue, lane, alley, or place, under a penalty of five dollars for each offense; and if said owner, agent or occupant aforesaid shall neglect to keep such tree or trees so trimmed it shall be the duty of the Executive Board of such city after five days notice by it to the said owner, agent or occupant, to trim the said tree or trees as aforesaid at the expense of the owner or occupant, and such expense may be recovered from him or them in an action brought in the name of the city of Rochester, and in addition every such person or persons so neglecting to comply with said notice shall forfeit and pay a penalty of three dollars for every twenty-four hours after the time mentioned in said notice shall have expired.

Section 22. No person shall play at any game of ball, or any sport with a ball, stone, block or piece of wood or other hard substance, by throwing, bounding, catching or knocking the same or in any other manner, in any of the public streets, avenues, lanes, alleys or places within the city of Rochester, or upon any sidewalk therein, or upon any improved square or park, or upon or within the square

upon which the Court House or City Hall stands within said city, under a penalty of two dollars for each offense.

Section 23. No person shall deface, mar, injure, remove or do any damage to any fence, railing, gate, sign or notice or any other structure or ornament, or the guards in, around, about or upon any park, square or cemetery within the city of Rochester, and no person shall remove or do any damage to or climb, whittle, bruise or otherwise injure any ornamental or shade tree, planted or growing in any of the public streets, avenues, lanes, alleys, parks, squares or places within the city of Rochester, or any box, guard or other protection to or around the same; nor shall any person tie or fasten, or caused to be tied or fastened, any horse, mule, gelding or other animal to or near to any such tree or trees, or to any public lamp post within such city, under a penalty of ten dollars for each offense, and in addition thereto shall be liable to any person or corporation, including said city, for any damages or injuries occasioned thereby.

Section 24. No owner, agent of or non-resident owner, or occupant, of any house or lot within the city of Rochester, shall construct or cause to be constructed, continue or suffer to remain to be used any gate, so that the said gate shall or may extend or swing outward of or from said house or lot over or upon any sidewalk within the city of Rochester, in such a manner as to obstruct the free and uninterrupted public use and passage thereof under a penalty of five dollars for each offense.

Section 25. No person or corporation shall construct or cause to be constructed or suffer or permit the same to remain, any wooden bridge or other wooden structure over the gutter in front of any premises owned or occupied by him, her or it in any impropred street, avenue, lane, alley or place within the city of Rochester, under a penalty of ten dollars for each offense and a further penalty of ten dollars for every twenty-four hours that said bridge or bridges is or are kept or suffered to remain.

Section 26. Every owner, agent of or non-resident owner, or occupant of house or other building, and every owner of any vacant lot, shall keep the sidewalk and pavement in front of such house or other building and lot or vacant lot free from snow, ice and all dirt, filth, grass, weeds, rubbish or other obstructions or incumbrances to the center of the street, avenue, alley, lane or place, and at all times keep said sidewalk in a good state of repair and condition, and also repair all lateral sewers to such house, building or vacant lot, under a penalty of five dollars for each offense, and in addition thereto shall also be liable to any person or corporation, including the city of Rochester, for any damages sustained by or for which liability therefor may exist by reason of any neglect to comply with any of the provisions of this section.

Section 27. If any owner, agent of or non-resident owner or occupant mentioned in the last preceding section shall neglect or refuse to comply with any of the requirements of said section within twenty-four hours, it shall be the duty of the Executive Board to cause the same to be done at the expense of such person in default.

Section 28. No bow window, or other window, shall hereafter be constructed so as to extend into, upon, or above the sidewalk or surface of any of the public streets, avenues, lanes, alleys, squares, or places within the city of Rochester, and no porch, veranda, or other projection of or from any building, and no step or steps, cellar door, cellar-way or opening, or platform or approach to any building in any of the streets, avenues, lanes, alleys, squares, or places aforesaid in said city, shall extend into the same, or over or upon any of the sidewalks thereof without permission of the Executive Board, which permission shall be in writing and specify the nature thereof; and every cellar-way leading into any cellar from any such street, avenue, lane, alley, square, or place, or sidewalk thereof, shall have trap-doors thereto, which shall be so constructed as to be on a level with the sidewalk or platform, if any, in front of the building in which such cellar is situate, and

shall be so constructed and at all times be maintained so as to be entirely secure for passengers or pedestrians in or upon any of such streets, avenues, lanes, alleys, squares, or places, or such sidewalks or platforms, to pass over the same with safety; or shall have a substantial and at all times securely kept and maintained railing on the sides thereof, at least three and one-half feet high; no trap-door or grate in any of the sidewalks of or in said city shall be kept open at any time except during the receiving or delivering of any goods or chattels, and during such time the same shall be surrounded by proper and sufficient barriers and guards. Any person violating the provisions of this section or either of them shall forfeit and pay a penalty of five dollars for each offence, and the further penalty of five dollars for every twenty-four hours such violation shall or may continue. Any person or corporation obtaining permission of the Executive Board mentioned in this section aforesaid, shall do so, and such permission shall be subject to the conditions that such person or corporation shall be liable for any and all damages that may be sustained by any person or persons or corporation from or by reason of the matter of thing so permitted, being negligently or defectively constructed or kept in repair, and to that end shall indemnify, bear and save harmless the city of Rochester and its Executive Board of and from any claim, demand in suit, action or proceeding, brought for such damage by any person or corporation whomsoever.

Section 29. No person shall draw or propel any wheelbarrow, hand cart, sleigh, bicycle, tricycle, or other carriage or vehicle, except baby carriages, or lead, ride, or drive any horse, mare, mule, or beast of burden, whether attached to any wagon or other vehicle, or any cattle or swine along, upon or over any sidewalk within the city of Rochester, except in passing into or from any lot, where pavement shall be constructed for that purpose, under a penalty of five dollars for each offence. No person shall drive or cause to be driven any horse or other animal attached to a sleigh, along, through or upon any of the public streets, avenues, alleys, lanes, squares, or places within said city, without having bells attached thereto, sufficient to give warning of its approach, under a penalty of five dollars for each offence.

Section 30. Whenever a pavement or roadway is in process of construction or reparation in any of the public streets, avenues, lanes, alleys, squares, or places, within the city of Rochester, and during the whole time, from the beginning to the termination of such construction or reparation, it shall be the duty of the contractor or party performing the work, to place and keep guards, obstructions or rails at each end thereof, and in the same, so as to secure it from being passed over by horses or vehicles until it is ready for the use of the public; and at all times during the night to have and keep lighted lanterns or lamps at the ends thereof so as to give notice and warning to all persons of such work of construction or reparation being in progress; and no person shall ride or drive any horse or other animal with or without a vehicle, over, upon, or along, any such pavement or roadway until the same is completed and opened to the public use and is well settled. Every person, corporation or contractor violating any of the provisions of this section, shall be liable to pay a fine or penalty of ten dollars for each offence, and such contractor shall, in addition, be liable to any person or corporation for any damage sustained thereby, but no person shall be liable for riding or driving upon the same as aforesaid, unless there shall be placed at the end of such pavement or roadway a fence or other obstruction indicating, or it shall appear to ordinary observation, that the same is in an unfinished or unsettled state.

Section 31. Any person or corporation who shall injure or dig up any pavement, side or crosswalk, drain or sewer, or any part thereof, or dig any hole, ditch or drain in any street, avenue, lane, alley or public square or place within the city of Rochester, or who shall remove any earth or stone therefrom without authority from the Executive Board of

said city, or who shall hinder or obstruct the making or repairing of any pavement, side or crosswalk, drain or sewer which shall be constructed under any ordinance, by-law, or resolution of the Common Council or said Executive Board, or hinder or obstruct the Executive Board, or any person employed by it, or any contractor of said city or board, in cleaning any such street, avenue, alley, lane, square or place, or in constructing or repairing any street, avenue, lane, alley, park or place within said city, or any public work or improvement directed by the Common Council of said city, shall forfeit and pay a penalty of twenty-five dollars for each offence, and in addition be liable for any damage caused thereby. No person or corporation shall make or cause to be made any area or lateral sewer in any public street, avenue, lane, alley, square, or place in said city without executing a bond to the said city, to be approved by its Executive Board, indemnifying the said city and said board against any damage of any person or corporation whomsoever therefrom or by reason thereof, and any liability that said city or board may thereby or therefrom incur; and any person or corporation who shall dig or construct or cause to be dug or constructed, any area or lateral sewer contrary to the provisions of this section shall forfeit and pay a penalty of twenty-five dollars for each offence, and a further penalty of twenty-five dollars for each twenty-four hours during the construction thereof.

Section 32. No person shall cast or deposit any wood or stones or other substance into any of the drains or sewers within the city of Rochester, or cause the same to be done, or cause any obstruction; or injury in or to the same, under a penalty of \$10 for each offence, and shall further be liable to the city of Rochester for any or all damages which it may or shall sustain by reason thereof.

Section 33. No person or corporation shall construct, or cause to be constructed, any drain or sewer from his lot or its cellar or lot to any common sewer within the city of Rochester, without permission in writing from the Executive Board of said city, and every such drain or sewer shall be constructed under the direction of the said Executive Board, and in such manner that the foul air and gas cannot escape from the sewer into the building over said cellar. Any person who shall construct any drain or sewer contrary to the provisions of this section, shall forfeit and pay a penalty of \$25 for each offence; and the Common Council or said Executive Board of said city may also direct that such drain or sewer shall be destroyed, filled up or altered, at the expense of the person or corporation aforesaid; all connections with public sewers shall be made of vitrified or cement pipe or of masonry, and shall be under the supervision of the Executive Board, and shall be accepted and approved by them before being covered.

Section 34. Whenever permission is given by the Common Council or said Executive Board of the city of Rochester to lay any drain, sewer, or gas pipe, along or in any street, avenue, alley, lane, square, or place, or to make any excavation or hole therein, unless the Common Council shall otherwise direct the same shall be done under the direction of the Executive Board, as to time and place, and shall be so done as not unnecessarily to hinder or obstruct the free use of the street, etc., or sidewalk thereof, and the street, avenue, alley, lane, square, or place, shall be restored to and for one month kept in good condition after the work is done, at the expense of the person to whom the permission is given, or for whom such work is done; and any person or corporation who shall refuse to conform to and obey the orders and directions of the Executive Board, or its authorized agent in the premises, shall forfeit and pay for each offence a penalty of twenty-five dollars.

Section 35. No person shall throw or deposit, or cause to be thrown or deposited, any straw, shavings, lime, ashes, refuse coal, scraps, slops, dirt, or rubbish of any description, or the contents of any bed, into or upon any street, avenue, lane, alley, or public square, or place, in the city of Rochester, except upon written consent of at least one

or more members of the Executive Board of said city, under a penalty of five dollars for each offense.

Section 36. No person or corporation shall sell or expose for sale, or peddle, or cause to be sold or exposed for sale, or peddled, any fruit, nuts, vegetables or oranges, lemons or other foreign fruits, or confectioneries in or upon any sidewalk or public street, avenue, square, alley, lane or place within the city of Rochester, without permission in writing from the Executive Board of said city, with such limitations and conditions that said Board may see fit to impose in such permission, under a penalty of three dollars for each offense. This section shall not apply to any farmer or gardener or other person not being a resident of the city, selling fruit or vegetables in the carriage-way, nor to any person offering or selling nuts, fruit and other vegetables from a basket, or other vessel carried by him or her, of a size that does not contain more than the half of one bushel, provided that no person shall be obstructed in the free passage thereby.

Section 37. Any person who shall carelessly or maliciously break or deface, or in any way injure any of the public lamps or lamp posts, or any part thereto or thereof, or any illuminated clock, posts or standards within the city of Rochester, shall be liable to a penalty of ten dollars for each offense.

Section 38. Any person who shall light or cause to be lighted or extinguished, or who may or shall in any way intermeddle with the lighting or extinguishing of any of the public gas or kerosene lamps within or belonging to the city of Rochester, without authority from the Common Council or the Executive Board thereof, or by the agent or officer of any contractor, or such contractor, having a contract with the city or said Council for the care, lighting, or extinguishing of said lamp or lamps, shall be liable to a penalty of ten dollars for each offense.

Section 39. No person, without authority, shall climb upon, or tie, or fasten, any horse or other animal to any of the public lamps, posts, or standards within the city of Rochester, under a penalty of ten dollars for each offense, and shall in addition thereto be liable for any and all damages sustained by any person or corporation, including said city of Rochester, occasioned thereby or resulting therefrom.

Section 40. No auctioneer shall by himself or agent, sell or expose for sale at public auction, any goods, wares or merchandise, upon any sidewalk, or in any street, avenue, alley, lane, or square, or public place, within the city of Rochester, under a penalty of ten dollars for each offense, to be sued for and recovered of the seller or auctioneer or his agent, severally and respectively; but this section shall not extend to the sale of household furniture, or of horses or carriages in the carriage-way, provided the public shall not be incommoded thereby.

Section 41. Neither of the members of the Executive Board of the city of Rochester, or any of its agents, servants, employees or appointees, shall be directly or indirectly, or personally, interested in any team or teams employed in the work of the city of Rochester, nor in the wages earned by such team or teams, or by any laborer or laborers so employed, or in contracting for any materials furnished to or for said city, under a penalty of twenty-five dollars for each offense, and shall further be liable to respond and pay to said city any and all damages occasioned or resulting therefrom.

Section 42. No person or corporation shall feed, or cause to be fed, any horse or other animal in any street, avenue, lane, alley, public square or place within the city of Rochester; nor shall any person dust, clean or lay any rug, carpet, oil cloth or any such article, in any of the squares or parks of such city, or hang them upon the fences of the same for that purpose, under a penalty of five dollars for each offense.

Section 43. No person shall remove, displace or destroy any timbers or other materials laid or deposited by the Executive Board, or by its direction, on any macadamized or asphaltum street, avenue, lane, alley, park or place within the city of Rochester,

for the purpose of turning or diverting travel on any particular part thereof, under a penalty of five dollars for each offense.

Section 44. No person or corporation shall burn, or cause to be burned any straw, shavings, leaves, wood or articles of any kind or nature, in or upon any of the asphaltum streets or avenues within the city of Rochester at any time, under a penalty of twenty-five dollars for each offense, and in addition thereto shall be liable for any and all damages occasioned to such asphaltum pavement of said city from or by reason of such burning.

Section 45. Whenever any improvement shall be made within the city of Rochester, to any of the public streets, avenues, lanes or places therein by which any embankment or filling up shall be made of one and one-half feet or over, then and in that case all owners, agents of and non-resident owners and occupants of lots, houses or buildings on each side of such street, avenue, alley, lane or place opposite and adjacent to such embankment and filling shall cause a sufficient stone work to be erected on the line of said lot or lots of the length of the sidewalk adjacent thereto, or shall cause said lot or lots to be filled with earth, stone or sand to the level of said sidewalk, such filling up shall extend back on the upper surface thereof at least one-half foot from the street line of such land or lands with a suitable level, such filling up shall be made and such stone work shall be constructed under the direction of the Executive Board of such city, and every person violating the provisions of this section shall be liable to a penalty of ten dollars, and a further penalty of five dollars for every twenty-four hours such failure or violation shall continue, and in addition thereto shall be liable to any person or corporation for any damage occasioned by reason of any failure to comply with any of the provisions of this section; it shall be the duty of the Executive Board of said city and of its members to cause the provisions of this section to be complied with.

Section 46. All platforms within the city of Rochester shall be constructed on a level with the sidewalks, and at the same inclination, except where the Executive Board of said city shall otherwise direct or permit, and every cellar constructed and used for storing shall have good and substantial cellar doors or gratings even with the platforms, and those used and constructed for dwellings, stores and shops, that require open steps, shall be properly and securely railed in and at all times be maintained and kept so as to secure the safety of pedestrians and other persons; none of the above mentioned erections or constructions shall be made without the written consent of said Executive Board, specifying the location, form, dimensions and material of such erection or construction, of all such platforms and the cellar doors shall be covered by iron brads or nails not more than three inches apart so as to prevent persons passing over them from slipping. Any person violating any of the provisions of this section shall be liable to a fine of ten dollars for each offense and a further penalty of five dollars for each twenty-four hours that said owner or agent or occupant of the premises on which any such construction or erection may be made, shall neglect or refuse to comply with the said provisions or requirements by the said Executive Board and shall also be liable to any person or corporation sustaining any damage or injury from or by reason of any such violation, and shall also be liable to indemnify and pay to the city of Rochester any and all damages it may sustain or be compelled to pay by reason of any violation of or neglect to comply with any of the provisions of this section.

Section 47. If any owner, agent of or non-resident owner or occupant of any building or tenement within the city of Rochester shall omit for the space of ten days after he shall have been required so to do by the Common Council of said city to cause the building or tenement owned or occupied by him to be numbered or renumbered, every such owner, agent or occupant shall forfeit and pay a penalty of one dollar for every day thereafter until the said tenement shall be numbered or renumbered as aforesaid.

Section 48. Any person or corporation who shall make or cause to be made or shall have made any cellar, pit, hole or excavation of any kind in any street, avenue, lane, alley or place or upon her, his or its lot adjacent to and within four feet of the line of any such street, avenue, alley, lane or place within the city of Rochester, shall cause the same to be protected by the erection of good and sufficient guards or barriers around or next to said street between the same and such cellar, pit, hole or excavation so that the same shall extend the whole length of such cellar, pit, hole or excavation, and also shall at all times during the night time place or cause to be placed lights at each end and side thereof in such a manner as to cast the light thereof upon such cellar, pit, hole or excavation and such light or lights shall be kept burning at all hours of the night, and for a failure to comply with the provisions of this section, every such owner, contractor and other person or corporation shall be liable to a penalty of twenty-five dollars for each night or twenty-four hours the provisions of this section shall not be complied with, and in addition thereto shall also be liable to any person or corporation, including the city of Rochester, who may be damaged to any extent by reason of such failure, and if within twenty-four hours after notice to erect the same shall be given by said Executive Board, said Board may cause the same to be done at the expense of the person or corporation so neglecting.

Section 49. Any and every person or corporation violating any of the provisions of any one or more of the sections of this ordinance, shall, in addition to the penalty or penalties hereinbefore prescribed therefor, be liable to any and every person and corporation sustaining or suffering any damage or injury by reason thereof, and shall also be liable to indemnify and answer unto the city of Rochester for and all damage it may sustain or become liable for, to any person or corporation from, or by reason of, any such neglect or violation.

Section 50. Every execution issued upon a judgment recovered for a violation of this ordinance, or any of the sections or provisions thereof, shall command the amount to be made of the property of the defendant of defendants, if any such can be found, and, if not, then to commit the defendant or defendants to the Monroe County Penitentiary, and the person violating any provisions of this ordinance or section hereof, and failing to pay the penalty and fine therefor, shall be imprisoned in said penitentiary for a term of, in case the penalty and fine shall be under twenty-five dollars, not exceeding fifty days, and in case the fine and penalty exceed twenty-five dollars, for a term of not exceeding one hundred days.

Section 51. This ordinance shall take effect immediately.

Ordered received, filed and published, and laid on the table for two weeks.

By Ald. Kelly—Resolved, That the use of the City Hall be granted for an entertainment to be given for the benefit of St. Patrick's Orphan Asylum, Thursday, March 17, 1887. Adopted.

By Ald. Bohrer—Resolved, That the Executive Board be and it is hereby authorized and requested to negotiate for the purchase of the lands necessary to be taken for the extension of Clifford street as contemplated by Final Ordinance No. 3,078, and report the result of such negotiation to this Council. Adopted.

By Ald. Bohrer—Resolved, That the Executive Board be, and it is, hereby authorized and requested to negotiate for the purchase of the lands necessary to be taken for the opening of Stewart street, as contemplated by final ordinance No. 3,079, and report the result of such negotiation to this Council. Adopted.

By Ald. Bohrer—Resolved, That the Executive Board be, and it is, hereby authorized and

requested to negotiate for the purchase of lands necessary to be taken for the widening of the east end of Hand street, as contemplated by final ordinance No. 3,077, and report the result of such negotiation to this Council. Adopted.

By Ald. Bohrer—Resolved, That the Executive Board be and it is hereby authorized and requested to negotiate for the purchase of lands necessary to be taken for the widening of Euclid street as contemplated by final ordinance No. 3,073, and report the result of such negotiation to this Council at the next meeting. By Ald. Bohrer—Resolved, That the Executive Board be and it is hereby authorized and requested to negotiate for the purchase of lands necessary to be taken for the opening and extension of Frost avenue as contemplated by final ordinance No. 3,074, and report the result of such negotiation to this Council at the next meeting. Adopted.

By Ald. Stein—Petition for the improvement of Kelly street. Referred to the City Surveyor to prepare an ordinance.

By Ald. Weider—Whereas, By subdivision 19 of section 40 of the City Charter, as amended by section 4 of chapter 120 of the Laws of 1882, power is conferred upon this Council, if in its judgment the public health shall require, to appoint from time to time a competent person, and fix his salary, whose duty it shall be to test and inspect such articles of food, whenever the sale thereof is regulated by license or ordinance for the purpose, and to the end only that unwholesome, impure or adulterated, meats, vegetables, fruit, fish, poultry, milk and food and provisions of any kind, shall be sold or exposed for sale; and

Whereas, The general laws of the State are so broad and comprehensive that any person to whom any such articles may be sold by another can have that other arrested and severely punished therefor under such laws, and thus no perceptible benefit will be derived by the public by a further appointment of any person to such position, and such appointment will entail a needless large expense to the taxpayers, which at the present time of high taxation should be avoided; now, therefore, be it

Resolved, That it is the sense of this Council that a further appointment of any person to such position of inspector under said subdivision is unnecessary, and that the public health no longer requires the same to be done; and that, therefore, no such appointment will be made until it shall appear the public health requires the same.

Ald. Foley moved that the matter lay on the table two weeks. Adopted by the following vote:

Ayes—Ald. Coughlin, Marson, Watson, Elliott, Foley, Selye, Swikehard, Bohrer, Kelly—9.

Nays—Ald. Kohlmetz, Fritzsche, Weider, Stein, Schaeffer—5.

By Ald. Selye—Resolved, That the City Clerk be and hereby is directed to draw an order on the City Treasurer for the sum of two hundred dollars in favor of William Mitchell, the park contractor, and charge the park fund. Referred to the Park Committee.

By Ald. Foley—Resolved, That the Legisla-

ture be, and is, hereby requested to amend the charter of the city of Rochester, as follows:

Subdivision seven of section forty, so as to read as follows:

7. To prevent the cumbering of the streets, avenues, walks, public squares, lanes, alleys, bridges, aqueducts, wharves, basins and slips, in any manner whatever, by any private person, or private or public corporation, however authorized, to prevent the use and occupation of any of said streets, avenues, walks, public squares, lanes, alleys, bridges, aqueducts, streams, basins and slips by any private person or private or public corporation, except such as may be authorized by the Common Council of the City of Rochester, and also to prevent and regulate the placing or maintenance of any structure, poles, piers, posts or any other thing therein, and to cause the removal of any such structure, pole, pier, post or any other thing, which, in the judgment of the Common Council, may at any time incommode the public use of such streets, etc., which may have been placed or erected or maintained in any of said streets, etc., by any authority whatsoever, except by said city; and to cause all buildings, business places and dwellings to be numbered or renumbered on any and all streets, avenues, squares, parks, places, courts and alleys in said city, at the cost and expense of the owner thereof. And all acts heretofore passed, whether general or local, inconsistent with this act, as herein amended, are hereby repealed and the powers thereunder abrogated and deemed inapplicable to the city of Rochester. Adopted.

By Ald. Elliott—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN:—I beg leave to inform your honorable body that decisions in the following cases and to the following effect have been handed down by the General Term at Buffalo to-day:

The first is the case of Frank W. Elwood against the city, in which the plaintiff obtained a judgment vacating what is known as the Church street assessment, and also perpetually enjoining and restraining the city from making any local assessment for any part of the opening of said Church street which should include Mr. Elwood's premises, and also deciding that Mr. Elwood's premises were not liable to such assessment. The General Term reverses the judgment so far as it adjudged Mr. Elwood's premises not liable to local assessment, etc.; and also that part of the judgment restraining the city from hereafter making any local assessment for any part of the opening of Church street, which should include Mr. Elwood's premises. The judgment of the General Term, it would seem, permits the assessment of Mr. Elwood's premises, and also permits a new assessment to be made under the provisions of the charter.

The second is the case of Theron E. Parsons, as administrator, etc., against the city, in which the judgments of the County Court of Monroe County and of the Municipal Court are reversed. The action was brought to recover a first assessment paid for the improvement of Oak street, and, it would seem by the decision of the General Term, that they held that the action is not maintainable. Several other actions, involving a number of hundreds of dollars each, are now pending, and which the decision clearly affects and prevents a recovery by the plaintiffs therein.

The third is a decision reversing an order which was made in the case of Mary C. Liencen against John J. Elter et al., by Mr. Justice Dwight, sitting at Special Term, which vacated and set aside a large amount of taxes and assessments which were liens upon property owned by the Elter heirs. It will, undoubtedly, be remembered that the amount

involved was upwards of \$1,800, and that an offer was made to pay the city \$200, in full for all claims against the property, after the decision at Special Term, which offer was, upon the recommendation of the City Attorney, refused.

The fourth case is that of Emily Clark against the city, which was an action brought to recover damages for the overflow caused by a change of grade of Edward street, in which the plaintiff recovered a verdict of \$300 in the County Court. An appeal was taken to the General Term by Mr. Beckley, late City Attorney, and afterwards argued by me, the judgment, however, being affirmed.

The fifth is that of James H. Hooker against the city in which he recovered a verdict of \$1,557 at the Monroe Circuit, which was appealed to the General Term, and has been affirmed upon a previous decision made by it in another case brought by Mr. Hooker against the city in which he recovered a verdict of 600, which latter case is now pending in the Court of Appeals, upon an appeal taken by the city to that court.

In the case of Micajah W. Jackson against the city, in which the plaintiff recovered a verdict of \$300 at the Monroe Circuit, for damages alleged to have been sustained by him by reason of the discharge of sewage from the North avenue outlet sewer into the stream flowing through his premises. An appeal was taken by the city to the General Term and argued by Mr. Beckley, late City Attorney, in which the General Term affirmed the judgment upon the authority of the previous decision in the Hooker case, at the last October, 1886, General Term. A motion was made a few days ago for leave for the city to appeal to the Court of Appeals, and such motion has been granted. It became necessary to do so for the reason that other actions were pending, brought by Mr. Jackson, and in case the Hooker case should be reversed, it would result in a reversal of the Jackson case, and if an appeal was not taken the judgment would have to be paid, as no further stay could be effected, except by an appeal.

Respectfully submitted,

IVAN POWERS, City Attorney.

January 25, 1887.

Order received, filed and published. Ald. Elliott asked and obtained unanimous consent to present the following:

By Ald. Elliott—

Resolved, That the representatives of this city in the Legislature be, and hereby are, requested to urge the immediate passage of the following act amending section two hundred and eighty-four of the city charter.

AN ACT to amend the charter of the City of Rochester, as contained in chapter fourteen of the laws of eighteen hundred eighty, and the acts amendatory thereof and supplementary thereto.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1. Section two hundred eighty-four of the charter of the city of Rochester, as contained in chapter fourteen or the laws of eighteen hundred and eighty, is hereby amended so as to read as follows:

Section 284. All telegraph, telephone and electric light wires and cables used in the city of Rochester shall hereafter be placed under the surface of the streets, lanes, avenues or alleys in said city in such a manner as may be designated by the Common Council of said city. Every corporation, association or person owning or controlling telegraph, telephone, electric light or other wires and cables, including what is known as telegraph poles and other appurtenances thereto, shall, before the first day of August eighteen hundred and eighty-eight, have the same removed from the surface of all streets, avenues, lanes, alleys, squares and places within (¾) three-fourths of a mile from the middle of Main street bridge of said city; and in case the owners of the property above enumerated shall

fail to comply with the provisions hereof within the time herein specified and limited, the Common Council of the said city of Rochester shall then, and they hereby are directed to remove, or direct the Executive Board of said city, or other agents appointed by them for that purpose, to remove without delay, all such telegraph, telephone, electric light and such other wires, cables and poles, wherever found above ground within the corporate limits of said city of Rochester, at the expense of the person or corporation so refusing. Neither the said city, or its Common Council, shall grant any exclusive privilege or franchise under this section to any corporation or individual by which a monopoly may, or shall be, created, or competition prevented on equal terms.

Section 2. This act shall take effect immediately.

Ordered received, filed and published.

By Ald. Elliott—Resolved, That Senator Pitts and Assemblyman Maurer be requested to secure, if possible, the rejection of Mr. Sime's bill, or any other bill, to reduce the number of wards of the city. Adopted.

By Ald. Elliott—Resolved, That our member of the Legislature be requested to forward to the City Clerk copies of all bills presented by him or others affecting the interests of this city before the second reading of the same, and that the City Clerk be requested to report said bills to this Board immediately after receipt of the same. Adopted.

By Ald. Elliott—Resolved, That the Executive Board be requested to report at once to this board the number of teams and men engaged in the collection of ashes in the city of Rochester, and that they report the average monthly expenses therefor. Adopted.

Ald. Elliott moved that the matters laid upon the table at the last regular meeting relating to charter amendments lay there two weeks more. Adopted.

By Ald. Fritzsche—Resolved, That the City Attorney be directed to prepare and submit to the Board at the next regular meeting an amendment to the city charter providing,

First—That the sealer of weights and measures for the City of Rochester shall receive a salary, the amount per annum to be fixed by the Common Council.

Second—That the fees allowed by law shall be collected and deposited with the City Treasurer, and credited to the contingent fund, and that the sealer give a bond of at least \$5,000 for the proper performance of his work. Adopted.

Ald. Kohlmetz asked and obtained unanimous consent to present the following:

By Ald. Kohlmetz—Resolved, That the representatives of this city in the Legislature be, and hereby are requested to urge the immediate passage of the following act, amending section thirty-three of the City Charter.

An Act to amend the Charter of the City of Rochester, as contained in chapter fourteen of the laws of eighteen hundred and eighty, and the several acts amendatory thereof and supplementary thereto.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section thirty-three of the charter of the city of Rochester, as contained in chapter fourteen of the laws of eighteen hundred and eighty, is hereby amended so as to read as follows:

Section 33. The aldermen of the city shall constitute the Common Council thereof, and each shall receive and be paid out of the treasury of said city a salary of \$600 per annum, payable monthly on the first of each and every month, from and after the first day of April, 1888. The

Common Council shall determine the rules of its proceedings, judge of the qualifications of its members and have power to compel their attendance. It shall meet at such times and places as it shall from time to time designate, or by general or special order provide, and on special occasions as the Mayor shall appoint, in writing, a notice of which appointment shall be served on all the members of the Common Council personally, or by leaving the same at the place of residence or business of such member as shall not be personally served. A special meeting may be held at any time upon the request of a majority of the aldermen.

Section 2. This act shall take effect immediately.

Ordered received, filed and published.

Ald. Weider proposed the following amendment to section thirty-three of the city charter proposed by Ald. Kohlmetz, such amendment to be as follows: Commencing with "1888," before the words following "The common council," insert "Each alderman shall devote at least two hours of each day of the week during his term, excepting Saturdays and Sundays, to the hearing of all complaints, grievances, propositions and matters as may be submitted to him by any of his constituents, and, for that purpose, shall appoint a place within the ward which he represents, or in the business portion of the city of Rochester, easy of access, for such hearing; he shall attend at such place during the hours specified by him for that purpose, which shall be between seven o'clock in the morning and nine o'clock in the evening, for the purpose of such hearing; and every petition for a public improvement shall be first presented to the alderman of the ward in which such improvement is desired to be made, and also to the committee, or the chairman thereof, having in charge such work contemplated by the improvement, and his or their report thereon shall accompany and be presented with such petition to the common council, unless said common council shall, by unanimous vote of the members then present, otherwise permit."

Ordered received, filed and published.

By Ald. Kohlmetz—Whereas, The population of the city has increased to such an extent that a public market for the sale of vegetables, berries and other farm products and meats is at present required and should be provided; and

Whereas, For a number of years past the carriage ways of East Main street, in the vicinity of East avenue, and of Front street, has been used for the sale of such products and meats, to the great annoyance, disturbance and consequent nuisance to such neighborhoods; and

Whereas, Cities of no greater population than this have had such markets provided for them; now, therefore, be it

Resolved, That the president of this Council appoint a committee of five, one or more of whom may be citizens not members of this Council, to examine into and devise a plan for the establishment of such a market, they to report to this board at their earliest convenience the result of their examination and judgment thereupon. Adopted.

By Ald. Kohlmetz—Resolved, That action on the following final ordinances, viz., widening of Hand street, No. 3,068; extension of Stewart street, No. 3,056; opening of Clifford street, No. 3,047, be reconsidered. Adopted.

Ald. Kohlmetz moved that further action be indefinitely postponed. Adopted.

By Ald. Coughlin—Resolved, That the Police Commissioners be and are hereby directed to place a patrol box on the corner of Kent and Platt streets.

Ald. Swikehard moved that the resolution lie on the table six weeks.

Lost by the following vote:

Ayes—Ald. Marson, Fritzsche, Swikehard, Weider—4.

Nays—Ald. Coughlin, Watson, Kohlmetz, Elliott, Foley, Stein, Bohrer, Kelly, S. haeffer—9.

The resolution was then adopted.

The President announced the following committee to devise a plan for the establishment of a public market: Aids. Kohlmetz, Foley, Swikehard, Lewis Sunderlin, Henry Michaels.

On motion of Ald. Coughlin the Council adjourned.

PETER SHERIDAN, City Clerk.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—At a recent meeting of the members of the police force the undersigned were appointed a committee to petition your honorable body, requesting your approval of the passage of an act by the Legislature providing for the establishment of a police pension fund for the City of Rochester.

In accordance with such request we have caused such act to be prepared, and herewith submit the same to your honorable body, and respectfully request your approval. Respectfully yours,

CHAS. MCCORMICK,
JOHN C. HAYDEN,
W. R. MCARTHUR,
THOMAS DUKELOW,
Committee.

Dated, Rochester, N. Y., Feb. 8, 1887.

AN ACT to establish a police pension fund for the city of Rochester.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

SECTION 1. The Mayor of the city of Rochester for the time being (and his successors in office), the police commissioners of the city of Rochester for the time being (and their successors in office), and the City Treasurer of the city of Rochester for the time being (and his successors in office), shall constitute a board of trustees of the police pension fund hereinafter mentioned. The Mayor of the city of Rochester shall be president of said board, and they shall annually designate one of their number who shall be secretary thereof. The City Treasurer of the city of Rochester shall be the treasurer of said pension police fund. Such board of trustees shall have charge of and administer said fund, and from time to time invest the same, or any part thereof, as they shall deem most beneficial to said fund, and are empowered to make all necessary contracts and take all necessary and proper action and proceedings in the premises and to make payments from said fund of pensions granted in pursuance of this act. The said trustees shall from time to time establish such rules and regulations for the administration of the police pension fund as they may deem best. They shall report in detail the condition of the fund at the close of each fiscal year of the police department, through their secretary, to the Common Council, and said report shall be published with the annual report of the police department. No payments whatever shall be allowed or made by said trustees as rewards, gratuities or compensation to any person for salary or services rendered to or for said board of trustees.

§ 2. The police pension fund shall consist of—

1. All fines imposed upon members of the police force by the board of police commissioners.

2. All rewards, fees, gifts, testimonials and emoluments presented, paid or given to any member of the police force for or on account of police services, except such as has been or shall be allowed by the police commissioners to be retained by said member.

3. All moneys paid for special services of policemen at balls, parties, weddings, excursions or picnics.

4. The avails of all lost or stolen securities, choses in action, moneys, things, or other property which shall remain unclaimed in possession of the police department for the period or six months after a conviction for stealing the same, together with the avails of all unclaimed or confiscated property of every nature soever which shall have been in custody of said police department for such period of six months.

5. All fines collected for carrying or having in custody concealed or dangerous weapons.

6. All revenues derived from licenses for the public use of billiard and pool tables, bowling alleys and pawn brokers and all fines and penalties inflicted and collected through prosecutions connected with the public use of billiard and pool tables, bowling alleys and pawn broking business.

7. The sum of one dollar per month or fractional part of a month from the salary of each and every member of the police force to be retained, deducted or collected by the Police Commissioners.

8. The Common Council shall annually include in the tax levy the sum of one thousand dollars, which sum shall at the time when the appropriation for the conduct of the police department shall be made, be set apart or so much thereof as shall be necessary and paid over to the treasurer of the trustees of the police pension fund.

§ 3. The board of police commissioners shall have power in its discretion, by the unanimous vote of a full board, to retire and dismiss from membership in the said police force, and thereupon grant pensions, as hereinafter provided, to any member of the police force of said city who shall have become disabled, physically or mentally, or so advanced in age as to be unfit for police duty, and, by a unanimous vote of the board, to widows and orphans of such members, to be paid from the police pension fund by the board of trustees, thereof as follows:

1. To the widow of any member of the police force who shall have been killed while in the actual performance of duty, or shall have died from the effects of any injury received whilst in

the actual discharge of such duty, or who has died, or who shall hereafter die after fifteen years of service in the police force in the city of Rochester, or who shall have been retired upon a pension under section four of this act, if there be no child or children under eighteen years of age of any such member, the sum of not exceeding two hundred and fifty dollars per annum; but if there be any such child or children of such member under the age aforesaid, then the said sum may be divided between such widow, child or children in such proportions and in such manner as the said board may direct.

2. To any child or children under eighteen years of age of such member killed or dying as aforesaid, or pensioner as aforesaid, but leaving no widow, or, if a widow, then, after her death, to such child or children being yet under eighteen years of age, a sum not exceed two hundred and fifty dollars per annum.

3. To any such member of said police force who shall, after fifteen years and less than twenty years membership, become superannuated by age, permanently insane or mentally incapacitated, or disabled, physically or mentally, so as to be unfit or unable to perform full police duty by reason of such disability or disease, contracted without misconduct on his part, a sum not less than two hundred and fifty dollars nor exceeding five hundred dollars per annum.

§ 4. Any member of the police force who has, or shall have, performed duty therein for a period of twenty years or upward, and any member of the police force who, whilst in the actual performance of duty, and by reason of the performance of such duty, and without fault or misconduct on his part, shall have become permanently disabled, physically or mentally, so as to be unfit to perform full police duty, upon his own application, in writing, or upon a certificate of the police surgeon, showing that such member is permanently disabled, physically or mentally, so as to be unfit for duty, shall, by resolution, unadvisedly adopted by a full board, be retired and dismissed from said force and service, and placed on the roll of the police pension fund, and awarded and granted to be paid from said pension fund, an annual pension during his life time of a sum of not less than one-half the full salary or compensation of such member so retired; provided, however, that no pension granted under the provisions of this section shall exceed the sum of five hundred dollars per annum. Pensions granted under this section shall be for the natural life of the pensioner, and shall not be revoked, repealed, or diminished. Pensions may, in the discretion of the said board of police, be continued and paid to the widows and children, or, if no widow, to the child or children, whilst under the age of eighteen years, of any member or members of the police force to whom pensions shall have been granted, under the provisions of this section, or under subdivision three of section three of this act; provided, however, that such pensions to such widows or children, as the case may be, shall, in no instance exceed five hundred dollars per annum, and the same may, in the discretion of said board, be from time to time diminished, modified, or revoked.

§ 5. Pensions to widows shall terminate when the widow shall re-marry, and pensions to children shall terminate whenever the children shall respectively arrive at the age of eighteen years. The Police Commissioners may, in their discretion, order any pension granted, or any part thereof, to cease, except in the case of members of the police force retired after twenty years service, as provided in the last preceding section, but in all such cases the said board shall file with the trustees of the police pension fund a written statement of the causes which determined them in ordering any pension to so cease, and nothing herein contained shall render the granting or payment of such pension obligatory on the police commissioners, or upon the trustees of the police pension fund, or chargeable as a matter of right upon said police pension fund, except as provided in the last preceding section.

§ 6. No member of the police force shall be awarded, granted or paid a pension on account of physical or mental disability or disease, unless upon the certificate of the surgeon of the police department, which shall set forth the cause, nature and extent of the disability, disease or injury of each member of the police force who may be placed upon the pension roll, and said certificate shall distinctly state whether or not such disability, disease or injury was incurred or sustained by said member of the police force in the performance of police duty, and such certificate shall in each case be filed with and entered upon the minutes of the police commissioners.

§ 7. Should the moneys at the disposal of the trustees of the police pension fund be found at any time inadequate to fully carry out the provisions of this act the trustees shall pay to the dependants on such fund as near a pro rata amount as in their judgment the circumstances may warrant.

§ 8. Every person who knowingly or willfully in any wise procures the making or presentation of any false or fraudulent affidavit or affirmation concerning any claim for pension or payment thereof, shall in every such case forfeit a sum not exceeding two hundred and fifty dollars, to be sued for and recovered by and in the name of the said board of trustees, and when recovered paid over to and thereupon become a part of the said police pension fund.

§ 9. For the purposes of this act, the persons constituting the board of trustees of the police pension fund are hereby authorized to administer oaths and take acknowledgments; and any person who shall willfully swear falsely in any oath or affirmation in obtaining or procuring any pension or payment thereof, under the provisions of this act, shall be guilty of perjury.

§ 10. The moneys, securities and effects of the police pension fund, and all pensions granted and payable from said fund shall be and are exempt from execution and from all process and proceedings to enjoin and recover the same by or on behalf of any creditor or person having or asserting any claim against, or debt or liability of, any pensioner of said fund.

§ 11. This act shall take effect immediately.

Ordered received, filed and published, and action postponed two weeks.

ROCHESTER, N. Y., Feb. 7, 1887.

To the Honorable Common Council of the City of Rochester:

GENTLEMEN: Permit me most respectfully to call your attention to the case of Emily Clark against the city, for damages to her premises on Edward street, caused by the city in grading that street.

After a trial in the County Court, before a jury, on the merits of the case, a verdict was rendered for the plaintiff for \$300 damages, upon which judgment was duly rendered on the 7th of July: 1885, with \$107.25 costs.

A motion was also made before the County Judge for a new trial on the Judge's minutes and denied with \$10 costs.

From this judgment and order appeals were taken by the city attorney to the General Term of the Supreme Court, and at the last Term of that Court, held in the city of Buffalo on the 25th of January, ult., the case was decided and the judgment and order appealed from were both affirmed, and on the 4th of February, inst., judgment was duly rendered against the city.

For the costs of said appeal in the sum of... \$ 138 85
The judgment appealed from and interest... 445 92

Total amount at this date..... \$ 584 77

The verdict rendered was small and wholly unequal to the damages actually sustained, and on that ground it was thought that the city would have paid the judgment without further costs and delay.

I trust your Honorable Body will appreciate the justice of liquidating this claim at once.

Yours truly,
DANIEL WOOD,
Counsel for plaintiff, Mrs. Clark.

To the Hon. the Common Council of the City of
 Rochester:

GENTLEMEN—Your petitioner, the undersigned,
 shows that he is the owner of part of lot No. 9 of
 the W. W. Mumford Tract, in the Thirteenth ward
 of this city, and situate on Clifford street, and was
 assessed for the Clifford street widening (known as
 Improvement No. 1,824) the sum of \$253, and was
 sold for the non-payment thereof July 20th, 1878,
 and bid off by the city; and that on the 6th day of
 April, 1881, a certificate of such, in compliance
 with section 104 of the City Charter, was duly re-
 corded in Monroe County Clerk's office, in Liber
 340 of Deeds, at page 217; which said certificate
 gave to the city of Rochester title, subject to the
 city's foreclosing the equity of redemption as
 against the owner, and the same now appears as a
 cloud upon your petitioner's title, although the
 said assessment was paid.

Your petitioner further shows that on the 26th
 day of April, 1881, he paid to the City Treasurer of
 the city of Rochester the sum of \$561.15 in re-
 demption of such sale of said premises for said as-
 sessment.

Your petitioner asks that the subject matter
 hereof be referred by your honorable body to its
 proper committee for investigation and to report
 thereon.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your Law Committee beg leave to submit the following as their report:

The petition of Wm. Emerson by Richard E. White, Esq., his attorney, for the payment of a judgment for costs obtained by him on September 9, 1886, in the Municipal Court of the city of Rochester, for six dollars and eighty-five cents (\$6.85) in an action therein, wherein the city was plaintiff and said Emerson was defendant, in the opinion of your committee should be granted; and for that purpose the following resolution is recommended to your honorable body for passage by it.

All of which is respectfully submitted.

J. MILLER KELLY,
P. WEIDER,
D. W. SELYE,
HENRY KOHLMETZ,
Law Committee.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the clerk be, and he hereby is, directed to draw an order upon the treasurer in favor of Richard E. White, Esq., attorney for William Emerson, for seven dollars (\$7), payable from the contingent fund, said payment to be in full for the judgment of costs of the Municipal Court in favor of said Emerson as defendant, and against the city as plaintiff, in an action therein rendered on September 9, 1886, for \$6.85 and interest thereon, said order to be drawn upon the certificate of the city attorney that a proper discharge of said judgment has been executed. Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Kohlmetz, Fritzsche, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—13.

By Ald. Kelly—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—Your Law Committee begs leave to submit the following for your consideration in reference to the following matters:

The construction of a plank sidewalk on Pearl street by A. B. Lamberton under the consent given by a resolution of your honorable body, passed Oct. 5th, 1886, appears to have been done under a misapprehension as to the terms of such consent. It appears that on Sept. 6th, 1886, your honorable body passed a final ordinance for the taking up of tarmacent sidewalks on the northeasterly and northwesterly corners of Alexander and Pearl streets, fifty feet of which lay easterly on Pearl street, and upon which the property of said Lamberton abutted, and ninety-one feet of which lay westerly on Pearl street, and upon which the property of Sophia S. Kenyon abutted, and the substitution therefor of Medina or blue-stone flag-walks, five feet wide, and on Oct. 5th, 1886, upon motion of Ald. Elliott, the following resolution was adopted:

Ald. Elliott moved that the parties be allowed thirty days in which to construct their own walks, and that the Executive Board be directed to delay accordingly.

Mr. Lamberton proceeded to construct a plank sidewalk, instead of the one specified in the ordinance, under permit given him to construct his own walk, and he has been put to considerable expense thereby.

We are of the opinion that the plank sidewalk constructed by Mr. Lamberton, shall, for the present, remain as it is, reserving the right, however, to enforce the ordinance by constructing in place thereof the walk described in the ordinance, if it shall be deemed necessary in the future to do so, to enforce the provisions of the ordinance as to the other party affected by it.

We would report adversely to the claim of John Wegman for damages alleged to have been sustained by reason of a horse belonging to him falling into an excavation in Ward Park in this city, as we have had no evidence submitted to us showing that such claim is a legal and enforceable claim against the city.

All of which is respectfully submitted,
J. MILLER KELLY,
PHILIP WEIDER,
D. W. SELYE,
H. KOHLMETZ,
Law Committee.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the plank sidewalk constructed by Mr. A. B. Lamberton on the easterly side of Pearl street, in place of the walk contemplated to be constructed at such place under final ordinance 3,044, be permitted to remain, reserving the right to the city, at any time in the future, to enforce the provisions of the ordinance by constructing, or causing the construction of a Medina or blue-stone walk, five feet in width, in place of said plank walk, if it shall be deemed essential to do so to enforce the provisions of the ordinance as to the other party mentioned therein. Adopted.

OFFICE OF THE CITY ATTORNEY,
NO. 19 CITY HALL BUILDING,
ROCHESTER, N. Y., Feb. 8, 1887.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: The appeal heretofore taken by the city in the case of Emily Clark vs. the city of Rochester from the judgment recovered in the Monroe County Court by her on July 7, 1885, for three hundred (\$300) dollars damages and one hundred and seven (\$107) dollars and twenty-five (25) cents costs, and also from the order of said County Court denying a motion for a new trial on January 13, 1886, to the Supreme Court, by Mr. Beckley, the late city attorney, was argued by me at the October, 1886, General Term, and which judgment and order has been affirmed by said General Term by its decision filed January 25, 1887. The action was brought to recover damages alleged to have been sustained by the plaintiff to her property by reason of an overflow of surface water occasioned by the change of grade of Edward street. Judgment has been entered upon the decision of the General Term for the plaintiff's costs thereon, as taxed by the clerk.

The case of George W. VanIngen, by guardian, against the city of Rochester to recover five thousand (\$5,000) dollars damages alleged to have been sustained by the plaintiff by falling through Vincent place bridge, was tried at the October, 1886, Circuit, before Mr. Justice Macomber and a jury, and resulted in a verdict for the plaintiff for four hundred (\$400) dollars damages. A motion for a new trial was made by the plaintiff upon the minutes at said Circuit, upon the ground that the damages were inadequate, which motion was denied on January 18, 1887. Judgment upon the verdict was entered by the plaintiff on January 21, 1887 for four hundred dollars (\$400) damages and ninety-three dollars and twenty-five cents costs, (\$93.25). A motion was made on February 5, 1887, on behalf of the city to have the costs stricken from the judg-

ment roll, which motion was denied, with ten dollars costs by Mr. Justice Macomber before whom the motion was made.

On January 25, 1887, the General Term, at Buffalo, granted a motion on behalf of the city, then made, for leave to appeal to the Court of Appeals from the judgment entered upon the decision of said General Term given in October, 1886, in the case of Micaiah W. Jackson against the city of Rochester. No appeal has yet been taken, but one should be directed to be taken by me, at once.

The General Term on January 25, 1887, handed down a decision affirming the judgment entered upon the verdict in the action of James H. Hooker against the city of Rochester. An appeal in a former recovery by Mr. Hooker is now pending undetermined in the Court of Appeals. I would respectfully request that the matters relating to the Clark, Vaningen, and Hooker judgments above referred to be referred to your Law Committee to determine and report whether the same should be settled or further proceedings had therein. Very respectfully,

IVAN POWERS, City Attorney.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the City Attorney be, and he hereby is, directed to take an appeal on the part of the city in the case of Micaiah W. Jackson vs. The City of Rochester, from the judgment entered therein upon the decision of the General Term denying a motion for a new trial made on behalf of the city upon exceptions ordered heard in the first instance at said General Term, leave to appeal having been granted by said General Term by its decision filed on the 25th day of January, 1887. Adopted.

By Ald. Kelly—Resolved, That the matters referred to in the communication of Mr. Powers, the City Attorney, presented to this Council at this meeting, excepting the matter of taking an appeal in the case of Micaiah W. Jackson against the city of Rochester to the Court of Appeals, therein referred to, as the consent of this Council to take such appeal has been granted at this meeting, be referred to the Law Committee to examine and report whether settlements of such matters should be made, or further steps should be taken thereon on behalf of the city. Adopted.

By Ald. Schaeffer—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your Assessment Committee begs leave to submit the following as its report in relation to the following matters, viz:

In regard to the petitions of Eliza Palmer and Lucy E. Hayward to be relieved from, and to have cancelled assessments made against their respective lots under Ordinance No. 2,403, for the cleaning and straightening of the Court and William street outlet sewer, said Palmer's lots being Nos. 5 and 6, and said Hayward's lot being No. 7 of the Klem tract, in the Tenth ward, we are of the opinion that such assessments should be vacated and cancelled, and Mrs. Hayward, having paid her assessment of ten dollars and ten cents, (\$10.10) which was added to the general city taxes for 1886, against said lot, and paid by her in July, 1886, is entitled to have such amount repaid to her. The reasons for such cancellation are that in the year 1877, said petitioners deeded to the city the right of way through their respective lots for said sewer, and the right to enter upon the lands to repair the same, etc., and in and by said deed it was covenanted by the city, as a part of the consideration thereof, that the respective grants might construct and empty into such sewer such lateral or cross sewers as might be appropriate for draining from said lots, and structures thereon respectively, it thereby appearing that the petitioners, as owners of said lots, are not legally as-

sessable for any part of said improvement expenses.

In regard to the petition of St. John's Church, to have the general city tax for the year 1883, assessed against lots 20 and 22 in Culver's sub-division of Culver park, amounting to \$13.68, at the time of sale thereof, for unpaid city taxes, held March 27, 1884, and which were sold to the city, and erroneously assessed to Marvin A. Culver, we are of the opinion that the prayer of the petitioner should be granted and said tax canceled, for the reason that said Church Society became the owner of said lots in the fall or winter of 1882, but by reason of the deed not being filed with the Assessors until after the assessment rolls for 1883, city taxes, were completed by them. The error in the assessment was made by them, and the Treasurer should be directed to cancel said tax upon the books in his office.

We would, therefore recommend that the following resolutions be adopted.

Respectfully submitted,

C. J. SCHAEFFER,
J. MILLER KELLY,
C. STEIN,
D. W. SELYE,

Assessment Committee.

By Ald. Schaeffer—Resolved, That the Treasurer be and he hereby is directed to cancel the assessment made under Ordinance No. 2,403, for the cleaning and straightening of the Court and William street outlet sewer, upon lots Nos. 5 and 6 of the Klem tract, in the Tenth ward of the city, owned by and assessed to Eliza Palmer, and charge the amount thereof to erroneous assessments. Adopted.

By Ald. Schaeffer—Resolved, That the Treasurer be and he hereby is directed to cancel the assessment made under Ordinance No. 2,403, for the cleaning and straightening of the Court and William street outlet sewer, upon lot No. 7 of the Klem tract, in the Tenth ward of the city, owned by and assessed to Lucy E. Hayward, and the Clerk is hereby directed to draw an order upon the Treasurer for ten dollars and ten cents (\$10.10) in favor of said Lucy E. Hayward, for the repayment to her of said assessment, heretofore paid by her, such payment to be made from the Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

By Ald. Schaeffer—Resolved, That the Treasurer be and he hereby is directed to cancel in his office the general city tax for the year 1883, assessed against Marvin A. Culver, as owner, upon lots 20 and 22, in Culver's subdivision, on Culver place, amounting to thirteen dollars and sixty-eight cents (\$13.68) at the time of the sale thereof to the city of Rochester for such unpaid city taxes, held March 27, 1884, and charge the same to erroneous assessments. Adopted.

By Ald. Swikehard—

ROCHESTER, Feb. 3, 1887.

To the Hon. the Common Council:

GENTLEMEN—Your Committee on Police, Excise and Markets, to whom was referred several communications from the Excise Commissioners regarding the refunding of a portion of license fees of different parties who have gone out of business, would respectfully make the following report:

That after giving the subject due investigation would recommend the following named persons be refunded the amounts of the unexpired term of their license:

To Mary Klein.....	33 33
To Valentine Schlafler.....	45 83

To Russell & Foreman..... 25 00
 To Mrs. Geo. Meyer..... 15 00

Your committee believe and justly too that persons taking out licenses for a year should be held accountable for that time, and that if they are not successful in business it is not the fault of your committee, and they should be held accountable; we also believe it establishes a bad precedent, and one that is detrimental not only to the business interests, but to the interests of the taxpayers.

GEO. B. SWIKEHARD,
 PHILIP WEIDER,
 LOUIS BOHRER,
 CHARLES WATSON,
 CRIS. J. SCHLAEFFER,
 Committee.

By Ald Swikehard — Resolved, That the clerk draw an order on the treasurer in favor of Mary Klien for thirty-three dollars and thirty-three cents (\$33.33); one in favor of Valentine Schlaeffer for forty-five dollars and eighty-three cents (\$45.83); one in favor of Russell & Foreman for twenty-five dollars (\$25), and one in favor of Mrs. Geo. Meyer for fifteen dollars (\$15), for refunded licenses, and charge poor fund. Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

By Ald. Swikehard—Resolved, That the city clerk notify the Excise Commissioners that all communications relating to the refunding of license fees to this Council, and referred to the Committee on Police, Excise and Markets, will not be considered by them. Adopted.

REPORTS OF SELECT COMMITTEES.

Ald. Kohlmetz from the Committee on Public Markets reported progress and asked for further time, which was granted.

Ald. Kelly from the special committee on the R., W. & O. R. R. crossing matter, reported that the company desired to withdraw the proposition for an overhead crossing at St. Paul street, and had decided that it would take advantage of the first grant of the Common Council to cross St. Paul street under grade.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

MAYOR'S OFFICE, }
 ROCHESTER, Jan. 31, 1887. }

Gentlemen of the Common Council:

At your last regular meeting a resolution was adopted directing the police commissioners to place a patrol box at the corner of Kent and Platt streets. As this involves an expense of at least \$200, and as the amount appropriated for the construction of a police patrol system is now entirely exhausted, and in view of the fact that the resolution makes no provision for the payment of the expense of the erection of the said patrol box or station, the same is hereby returned, disapproved. In this connection I desire to say that the erection of the station proposed would simply open the door for the erection of innumerable number of such stations in addition to those already in use. Until the value and usefulness of the police patrol system becomes more apparent than has thus far been demonstrated, and until an additional appropriation has been made for this branch of the municipal service, I shall oppose the erection of any more patrol boxes.

CORNELIUS R. PARSONS, Mayor.

The Chairman stated the question to be shall the resolution stand as an order of the Board

notwithstanding the objections of his Honor the Mayor.

Lost by the following vote:

Nays—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

Ordered received, filed and published.

By Ald. Fritzsche—Resolved, That the City Assessors be and they are hereby directed to include in their assessment for water works purposes, the property embraced in the territory contained in the foregoing list of streets, this day presented to the Common Council and certified by the Executive Board; that said property has, under the provisions of the City Charter, become jointly liable with the old territory of said city for such portion of the water debt as now remains unpaid. Adopted.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
 ROCHESTER, Feb. 8, 1887. }

To the Common Council :

GENTLEMEN: In the matter of opening a street from Angle street to Sherman street, the Executive Board, pursuant to your request, invited the several owners to give a price for the land proposed to be taken for said improvement.

John Van Houte, one of the owners of the land, will accept \$450 for a strip of land forty feet long by one foot wide. The other owners of the land which it is proposed to take having failed to name any sum for their property, the matter is referred back to your honorable body for such action as may be deemed advisable.

In relation to the proposed widening of Euclid street by taking a strip of land eight feet wide by one hundred and sixty-five feet long, upon which is a portion of a building, Washington Gibbons, representing the owners, offers to sell that portion of the property for \$3,000. This matter is also referred back to your honorable body for suitable action.

Respectfully, THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

OFFICE OF EXECUTIVE BOARD, }
 ROCHESTER, Feb. 8, 1887. }

To the Common Council :

GENTLEMEN: Pursuant to the terms of a resolution adopted at the last regular meeting of your Board, the owners of the land proposed to be taken for the widening of Hand street were invited by the Executive Board to state the sum of money they would accept in payment for their property. Two of the three owners appeared before the Board and submitted such prices as were deemed beyond the actual value of the land. The Executive Board, therefore, recommend that such

action be taken as is provided by the charter for the condemnation of the lands necessary to be purchased for the widening of Hand street.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Watson—Whereas, No agreement for the purchase of lands necessary to be taken under ordinance No. 3,073, for the widening of Euclid street, can be made, it is hereby

Resolved, That a copy of said ordinance and of this resolution, together with a map of the street or improvement be made and filed in the office of the city clerk, which map shall show thereon the lots, tracts and parcels of land which are deemed necessary to be taken, and the commencement, course and termination of the portion of the said street proposed to be widened, according to the provisions of section 174 of the city charter, and that the city attorney be, and he is hereby, instructed to take such proceedings as may be necessary to secure such object. Adopted.

OFFICE OF EXECUTIVE BOARD, }
ROCHESTER, Feb. 8, 1887. }

To the Common Council:

GENTLEMEN—In the matter of the extension of Stewart street the Executive Board has received a communication from Walter S. Strouger who represents his mother, the owner of the land and a non-resident, that she would accept \$500 for the piece of land proposed to be taken, which is at the rate of about \$1,100 per acre. This price the Executive Board deems excessive and, therefore, the subject matter is referred back to your honorable body for proper action. Respectfully,

THOS. J. NEVILLE, Clerk.

To the Common Council:

GENTLEMEN—The Executive Board has not been able to obtain the prices of all the parcels of land which it will be necessary to take for the opening or extension of Clifford street, and would therefore request an extension of time to make its report on said proposed improvement.

Respectfully,

THOS. J. NEVILLE, Clerk.

ROCHESTER, N. Y., Feb. 8, 1887.

To the Hon. Common Council:

GENTLEMEN—Your Water Works Committee and the Executive Board submit the following report and recommendations in relation to the purchase of water pipe for use during the coming season:

The petitions now on file in the water department asking for the extension of water mains will, if the prayer of the several petitions is granted, require the expenditure of about \$50,000. About one one-half of this whole amount will be required for the purchase of water pipe.

Since last December there has been a constant appreciation in the price of water pipe, and a careful and frequent observation of the market quotations of iron pipe compels us to concur in the opinion universally expressed by parties engaged in the iron trade, that a further considerable advance in price is imminent.

The many projects for railroad, water works and iron bridge construction which are in contemplation for the coming season, coupled with an expected unsettled condition of the labor market is the basis for the belief previously expressed.

Your committee is therefore of the opinion that a large saving amounting to from one to two thousand dollars will ensue to the city by the purchase

of a quantity of cast iron water pipe for immediate delivery.

Arrangements can probably be made to bring the first payment for this pipe about April 1st, or after the close of the present fiscal year, and the final payments after the adoption of the next tax levy.

We therefore recommend that the Executive Board be authorized to purchase immediately for use, during the coming season, the following described amount of water pipe.

350 Net tons cast iron straight water pipe; 20,000 pounds special castings.

Respectfully submitted,

FRANK FRITZSCHE,
J. H. FOLEY,
W. H. MARSON,
Water Works Committee.
BYRON HOLLEY,
E. KUICHLING,
Executive Board.

By Ald. Fritzsche—Resolved, That the Executive Board be, and it is hereby authorized to purchase immediately, 350 net tons cast iron straight water pipe and 20,000 pounds special castings for use during the ensuing season, and the City Treasurer is authorized, under the direction of the Finance Committee, to raise from time to time on the credit of the city, on and after April 1st, 1887, such sums as may be necessary to provide for the payment for the materials authorized to be purchased. Adopted.

PETER SHERIDAN, City Clerk.

Ordered received, filed and published.

Allegations being called for and no person appearing, Ald. Schaeffer submitted the following :

By Ald Schaeffer—Resolved, That the foregoing assessment rolls reported by the City Clerk be and the same are hereby confirmed.

Adopted by the following vote :

Ayes—Ald. Tracy, Coughlin, Marson, Watson,, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

ACTION ON ORDINANCES.

FIRST ORDINANCE.

CLARKSON STREET PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a pipe sewer in portions of Clarkson street and Perkins street.

Adopted.

The Surveyor submitted as such estimate \$850.00.

By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The construction of a twelve (12) inch pipe sewer in Clarkson street, beginning at a point about twenty-five (25) feet south of the south line of Glenwood park and extending southward to the medial line of Perkins street; thence along said medial line eastward to the east high bank of the Genesee river, with the necessary manholes, surface sewers, lot laterals and lot connections; also, the required roadway grading and gutter formations.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reports the same at \$850.00, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Clarkson street, from Glenwood park to Perkins street; also, one tier of lots on each side of Perkins street included between a line at right angles thereto and seventy-five (75) feet from the westerly line of Clarkson street and the westerly line of the crest of the high bank of the Genesee river, in proportion to the benefit which each will derive therefrom.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, February the 2d, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted

CLARKSON STREET PLANK WALK.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank sidewalk on the west side of a portion of Clarkson street.

Adopted.

The Surveyor submitted as such estimate, \$140.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a plank sidewalk four (4) feet wide on the west side of Clarkson street, from Glenwood park to Perkins street, with the required sidewalk grading.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reports the same at \$140, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on the west side of Clarkson street, from Glenwood park to Perkins street.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the city of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, February the 22d, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

WEST ORANGE STREET PLANK WALK.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council, the expense of constructing a plank sidewalk on the north side of West Orange street.

Adopted.

The Surveyor submitted as such estimate \$300.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a plank sidewalk four (4) feet wide on the north side of West Orange street from the present terminus of West Orange street aforesaid to Ames street, with the required crosswalks, sidewalk grading and gutter formation.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$300, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on the north side of West Orange street, from the present western terminus thereof to Ames street, in proportion to the benefit which each will derive therefrom.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, February the 22d, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

KELLY STREET ASPHALTIC IMPROVEMENT.

By Aid. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of laying an asphaltic pavement in Kelly street and other work connected therewith.

Adopted.

The Surveyor submitted as such estimate \$30,500.

By Aid. Kohlmetz—Resolved, That the following improvement is necessary viz.:

The construction of an Asphaltic pavement in Kelly street from N. Clinton street to Hudson street with the setting of lines of Medina stone curbs on each side parallel to and thirteen and seventy-five hundredths (13.75) feet from the median line thereof, the space between said curb lines to receive from end to end, except at the St. Joseph street crossing, an Asphaltic pavement of the best quality, with the necessary roadway and sidewalk grading; also the cleaning and repairing of the existing main sewers and the construction of needed manholes thereon, the cleaning, repairing and necessary extension of existing and the construction of new surface sewers where required, the laying of new water and gas service pipes and lot laterals where now asked for or their future need can be anticipated, the construction of Medina stone water gate flagging about the water gates now existing, and the laying of Medina or Blue Stone flag walks five (5) feet wide on each side of Kelly street within the specified limits; it being expressly understood and provided that where stone flag curbs, gutters and parallel cross walks are found within such terminal limits and the material is of approved quality and they are on proper grades and alignments they shall not be disturbed further than the general work specified makes it necessary otherwise they shall be taken up re-dressed, reset or relaid and good material substituted for that which may prove defective.

And, Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$30,500 which estimate is hereby approved.

Resolved, Further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of Kelly street, from North Clinton street to Hudson street, in proportion to the benefit which each will derive therefrom.

And further Resolved, That the tax-payers to be assessed for making such improvement, may pay their assessment in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed of six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, February the 22d, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

AN ACT to amend the Charter of the City of Rochester, as contained in chapter fourteen of the laws of eighteen hundred and eighty, and the acts amendatory thereof and supplementary thereto.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section eighty of the charter of the city of Rochester, being chapter fourteen of the laws of eighteen hundred and eighty, is hereby amended so as to read as follows:

§ 80. The common council shall examine, settle and audit all accounts, demands and claims against the city, as well of its officers as of other persons, except as otherwise expressed by this charter, or other law, and shall have authority to direct the raising of such sums as shall be necessary to defray the same, and the contingent expenses of the hereinafter contained; they shall have the power and also to borrow against any tax or assessment levied, but not collected, to an amount not exceeding the amount of such uncollected, and to issue therefor the obligations of the city, payable in not more than one year, with interest at the rate of not over seven per cent. per annum. No unliquidated claim or demand shall be received for audit, unless made out in detail, specifying, if for labor or services, the time when, the place where, by whom and under whose direction, and by what authority performed; if for merchandise, material or other articles furnished, the item or items thereof, by whom ordered, and when and to whom delivered; and if for damages for wrong or injury or negligence, when, where and how occasioned; nor unless accompanied by an affidavit that the claim, and the items and specifications thereof are, in all respects, just and correct, and that no payments thereon have been made, and that no set-offs exist against the same, or any part thereof, except those stated. No action or proceeding to recover, or enforce any such claim, debt or demand against the city shall be brought until the expiration of forty days after the claim, debt or demand shall have been presented to the Common Council for audit in the manner and form aforesaid. The Common Council, before auditing any such claim, debt or demand, may refer it to a committee of its members, or one or more of the officers of said city. If such claim, debt or demand shall not be made out or verified, as above required, the Common Council may, within thirty days after its presentation, refuse on that ground to audit it. All actions brought against the city to recover damages or other relief for injuries to the person or property caused by negligence, or injuries to property caused by any nuisance, shall be commenced within one year from the time of receiving the injuries, or when the cause of action mentioned in the complaint shall have accrued.

§ 2. Subdivision fifteen of section forty of said charter fourteen is hereby amended, so as to read as follows:

15. To compel all persons to keep sidewalks in front of premises owned or occupied by them clear from snow, dirt, wood and obstructions, and to prohibit and prevent the erection or placing of, or suffering to remain, any barbed wire or any other fence that is likely to cause injury to persons or their clothing, or animals upon any of the public streets, avenues, alleys, lanes, squares or places within the city of Rochester, situate, built or constructed upon any line of, or adjacent to any such

street, avenue, alley, lane, square or place; and also to regulate and provide the manner of constructing division or line fences within said city, and the manner and kind thereof, and to apportion the construction of such fences between owners of the lands forming such division or boundary lines.

§ 3. Subdivision four of section forty of said chapter fourteen, is hereby amended so as to read as follows:

14. To license and regulate, or prohibit sports and the exhibition of shows of every kind, including circuses, theatrical exhibitions or representations, exhibitions of natural or artificial curiosities, caravans of animals, and all other public performances and public exhibitions for money, and to prescribe the terms and conditions upon which licenses shall be granted, and to prohibit all unlicensed persons from taking part in, or conducting, managing or controlling the same. The license fee or tax to be imposed shall be in the discretion of said Common Council, but shall not be for a sum exceeding seventy-five dollars for any single performance, and not exceeding five hundred dollars per year, and at that rate for quarterly periods of the year.

Section 4. Subdivision eight of section forty of said chapter fourteen, is hereby amended so as to read as follows:

8. To prevent and punish horse racing and immoderate driving or riding in any street, avenue, lane, alley or public square, park or place, or upon any of the bridges within said city, and to authorize the stopping and detaining of any person who shall be guilty of such racing or immoderate driving or riding aforesaid.

Section 5. Subdivision sixteen of section forty of said chapter fourteen is hereby amended so as to read as follows:

16. To license and regulate and control auctioneers and the sale of goods, property and other commodities at auction within said city, and to determine the times and manner of making such sales, and to prescribe the terms and conditions upon which licenses shall be granted; to prohibit all unlicensed persons from acting or taking part in or managing any such auction, and to exact a license fee or tax in such an amount as said Common Council may deem reasonable, not exceeding, however, one hundred and fifty dollars per year, and at that rate for parts of a year for which such license may be granted. To regulate and prohibit the ringing of bells and the crying of goods and other commodities for sale at auction or otherwise, and to prevent disturbing noises in the streets or public places within said city.

§ 6. Subdivision twenty-one of section forty of said chapter fourteen is hereby amended so as to read as follows:

21. To license, regulate and control cartmen, porters, owners and drivers of all vehicles used for the transportation of passengers or property, and their carts, carriages and vehicles, scavengers and chimney sweeps, and fix the rates of compensation to be taken by them; to regulate sextons and undertakers for burying the dead; to license and regulate butchers, hawkers, pedlers, junk-shop dealers, pawnbrokers and dealers in second-hand articles and the business of pawnbrokers; to prescribe the terms and conditions upon which any such licenses shall be granted, and to prohibit all unlicensed persons from acting in either of said capacities, and to exact a license fee or tax aforesaid in such an amount as the said common council may deem reasonable, not exceeding, however, five hundred dollars of and from any pawnbroker for the right to conduct any pawnbrokerage business, and not exceeding fifty dollars of and from any of the other persons above enumerated, except that a fee of not exceeding ten dollars for each wagon, carriage or vehicle used in any of the businesses aforesaid, may be charged for any one year, and at that rate for parts of a year. The said common council may fix and establish the rate of interest that shall be taken by any pawnbroker within said city for the loan of any sum; provided, always, that the rate for any loan not exceeding twenty-five dollars shall not exceed the rate of twenty-six per cent. per annum. Pawnbrokers

and dealers in second-hand articles may be required to give security to the city of Rochester, with one or more sufficient surety or sureties, in a sum not exceeding five thousand dollars, conditioned for the observance of the ordinances of the common council.

§ 7. Section one hundred and fifty of said chapter fourteen is hereby amended so as to read as follows:

§ 150. The Executive Board shall have control of the water-works of said city and of the construction of all extensions and additions, improvements and repairs of the same, and of furnishing the water to citizens, and the care and repair of said works, and to the end shall have the powers granted to the Board of Water Commissioners of said city by section three of chapter seven hundred and fifty-four of the laws of eighteen hundred and seventy-three, and they may make such rules and regulations and establish such rates for the use of water as they may deem proper. All moneys received for water rates, or the use of water, shall, at the close of each day, be paid to the city treasurer. Whenever any meter for registering the use or consumption of water is, or may be, placed in any building or other place where such water is used or consumed by or under the direction of the said Executive Board, the same shall, at the cost and expense of the owner or such building or place, as well as the tenant or occupant of the same, or other person using or consuming said water, be at all time kept, maintained, guarded and protected of and from any injury caused by reason of any act or thing, including the action of frost, and in case any such meter shall be injured while being at the place where the same is deposited by the order of said Executive Board, or its agents, the cost and expense of repairing or replacing the same shall be borne and paid by such owner and tenant, occupant or other person, to be recovered by suit in the name of, and for the city of Rochester. Any action or proceeding taken or instituted by said Executive Board to recover any penalty, or enforce any liability, claim or demand under any of the provisions of this act, or any of the rules and regulations of said board, adopted under the power granted by this act, may be brought in the name of said Executive Board, as such, or in the name of the city of Rochester.

§ 8. Section one hundred and eighty-two of said chapter fourteen is hereby re-enacted so as to read as follows:

§ 182. When any damages shall be awarded, and any assessments for benefits of the improvements, in respect to which such damages are awarded, shall be made upon the same person or persons, or in respect to the ownership of any parcel of land, a part of which shall be taken for such improvement, in that case the said city of Rochester shall become vested with the title to such land, so taken (free from any and all liens and incumbrances of every kind and nature), upon paying, or depositing, or directing the depositing, according to the provisions of this act, the excess of the amount so awarded over and above the amount so assessed, and in case the amount so awarded is less than the amount assessed, then upon the confirmation of the assessment roll containing the application of such award upon such assessment. Any and all lands acquired by the city of Rochester for any purpose under the provisions of this act, shall be deemed to be acquired for public use.

§ 9. This act shall take effect immediately.

Ald. Mandeville moved that the amendments be received, filed and published and lie on the table until the next meeting. Adopted.

By Ald. Weider—Resolved, That the City Clerk draw an order on the City Treasurer for two hundred and four dollars in favor of William Johnson, chairman of the commissioners on the opening and extension of Evergreen park in full of fees of Commissioners Johnson, Martens and Stillwell, including clerk hire, payable from the Contingent Fund, and that the Treasurer charge and carry said sum of two

hundred and four dollars to the fund for the opening and extension of said park, when created as part of the cost and expenses thereof.

Adopted by the following vote:
 Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Selye, Mandeville, Weider, Stein, Bohrer, Kelly, Schaeffer—13.

By Ald. Stein—Petition for improvement of Hudson street. Referred to City Surveyor to prepare an ordinance.

By Ald. Bohrer—Resolved, That the store of Peter Miller, No. 314 North avenue, be and hereby is designated as the polling place of the first district of the Fourteenth ward for the balance of the current year. Adopted.

By Ald. Bohrer—Resolved, That the Citizens Gas Light Co. be and hereby is requested to extend its mains through Kirk street from North avenue to Scio street. Adopted.

By the Clerk—
 From the Executive Board.

ROCHESTER, N. Y., Jan. 13, 1887.

To the Hon. Common Council:

SIRS—On Monday, 3d inst., I was driving down West avenue, accompanied by my son; on coming to the Four Corners, at State street, the usual busy appearance was there, being closely packed with cars and teams. Wishing to go down State street, I saw there was plenty of space clear of teams. After I turned, on the side next Powers's block, I saw a snow bank extending, I should say, about six feet from the sidewalk and from a foot to a foot and one-half in height. Being too near to stop my horse, and thinking it only light snow, I kept on. The bank of snow was solid and I was upset at once and dragged across the street to a telephone pole, nearly in front of Scrantom & Wetmore's, where I was obliged to let go the lines, releasing the horse. At the same pole the top of the cutter was completely destroyed. Mr. Hines of the police force saw the accident and will, I think, tell you I did right in acting as I did. I trust you will consider I am entitled to, at least, the cost of repairing my cutter, which is ten dollars. There were other damages, and I was somewhat bruised, and my horse made insecure for some time. However, if the ten dollars are granted I will be satisfied, as I want only what is, beyond any doubt, my just and legal due. Most respectfully yours,

THOMAS W. BOWMAN.

Referred to the Law Committee.

Ald. Schaeffer presented the petitions of Simon B. Pomeroy and Samuel B. Williams in regard to the remission of taxes, which was referred to the Assessment Committee.

By Ald. Marson—Resolved, That the Executive Board be, and it is hereby, requested to grant the right of and sanction the placing of all electric light poles in and upon the public streets or avenues of the city, for the purpose of lighting the same, as heretofore and as may hereafter be directed to be placed by resolutions of this Common Council. Adopted.

On motion of Ald. Kelly the Council adjourned for one week.

PETER SHERIDAN, City Clerk.

In Common Council—Feb. 15, 1887.

ADJOURNED REGULAR MEETING.

Ald. Wm. H. Tracy, President of the Board, presiding.

Present—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Mandeville, Swikebard, Stein, Kelly—11.

Absent—Ald. Elliott, Selye, Weider, Bohrer, Schaeffer—5.

PRESENTATION OF PETITIONS, ACCOUNTS, ETC., AND THEIR REFERENCES.

By Ald. Marson—Petition of Richard Tanner for permission to erect a wood building. Granted. Also, petition of Thomas Miller for permission to erect a wood building. Referred to the Wood Building Committee and fire marshal, with power to act. Also, petition for a lift-bridge on Plymouth avenue. Referred to the city surveyor to prepare an ordinance. Also, petition of Mrs. Mary M. McKeenie for relief for erroneous assessment. Referred to the Assessment Committee.

By Ald. Kohlmetz—Petition of Thomas Fenwick for relief from erroneous assessment. Referred to the Assessment Committee.

By Ald. Foley—Petitions of Catherine Roberts and W. R. Chullice for permission to erect wood buildings. Granted.

By Ald. Mandeville—Petition of M. A. Line for permission to erect a wood building; granted. Also bill of H. V. Filkins for serving subpoenas; referred to the Finance Committee.

STATE OF NEW YORK, County of Monroe, City of Rochester, ss:

I, B. Frank Enos, Police Clerk of said city, being duly sworn, doth depose and say that the foregoing report contains a true and correct statement of all the moneys received by me as such clerk during the month of January, 1887, for fines, penalties and costs imposed by the Police Justice of said city.

B. FRANK ENOS, Clerk.

Sworn to before me this 15th day of February, 1887. B. KEELER, Com. of Deeds.

Ordered received, filed and published.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

EAST STREET SPRINKLING.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling East street during the season of 1887.

Adopted.

The Surveyor submitted as such estimate \$120.00.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The sprinkling of East street, from East avenue to Charlotte street during the season of 1887.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reported the same at \$120.00, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed for the whole expense thereof, viz.:

One tier of lots on each side of East street, from East avenue to Charlotte street, in proportion to the benefit and advantage which each will derive therefrom.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172, of the Revised Charter of 1880, of the city of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Wednesday evening, Feb. the 23d, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted

HAAG'S ALLEY MEDINA STONE PAVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a Medina stone pavement and a vitrified pipe sewer in Haag's alley.

Adopted.

The Surveyor submitted as such estimate \$4,900.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The construction of a Medina stone pavement in Haag's alley, from alley line to alley line, and from the crosswalks at the ends of the alley aforesaid on East Main street and Union street; also, a twelve (12) inch vitrified pipe sewer in the said Haag's alley, beginning at a point sixty (60) feet from East Main street and extending to intersect the sewer in Union street, with the necessary manholes, surface sewers, laterals and lot connections.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reports the same at \$4,900, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots on each side of Haag's alley, from East Main street to Union street, in proportion to the benefit which each shall derive therefrom.

And further, Resolved, That the tax-payers to be assessed for making such improvement may pay their assessments in three equal payments as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last instalment a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Wednesday evening, Feb. the 23d, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted

HAYWARD AVENUE PLANK SIDEWALK.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank sidewalk on Hayward avenue. Adopted.

The Surveyor submitted as such estimate, \$1,825.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz: Constructing hemlock plank sidewalks four (4) feet wide on each side of Hayward avenue, from the eastern terminus thereof to Goodman street, with the required crosswalks, sidewalk grading and gutter formations.

And, Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,825, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Hayward avenue, from the present eastern terminus thereof to Goodman street, in proportion to the benefit which each will derive therefrom.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, of section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend at the Common Council, on Wednesday evening, Feb. the 23d, 1887, at seven o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

HUDSON STREET ASPHALT PAVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing an asphalt pavement in Hudson street, with the necessary work connected therewith. Adopted.

The Surveyor submitted as such estimate, \$15,500.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of a genuine Trinidad asphaltic pavement in Hudson street, from the north line of the crosswalk on the north side of Channing street to the south line of the crosswalk on the south side of Clifford street, with lines of Medina stone curb on each side of Hudson street with the terminal limits named, such curb lines to be twenty-six (26) feet apart and parallel to the lines of Hudson street, and, practically in the direct prolongation of the curb lines of the improved portion of Hudson street immediately south of Channing street; also the examination, cleaning and repairing of existing main sewers; the repairing and modification of the old and the construction of new manholes and surface sewers where needed; the extension of the lot laterals, water and gas surface pipes where now found and their extension is necessary; the construction of new lot laterals and the laying of new water and gas surface pipes where now demanded or their future use can be anticipated; also the taking up and resetting or relaying of existing curbstones and of the terminal and parallel crosswalks when the material proves of good quality but are not on proper grades and alignments; and the substitution of good material for that which may be found defective.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$15,500, which estimate is hereby approved;

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Hudson street, from Channing street to Clifford street, in proportion to the benefit which each will derive therefrom.

And further resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880 of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Wednesday evening, Feb. the 23d, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in Hamburg street. Adopted.

The Surveyor submitted as such estimate \$975.

By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer eighteen (18) inches in diameter in Hamburg street, from the center of Chatham street and extending westward to intersect the sewer in St. Joseph street, with the necessary manholes, surface sewers, lot laterals and lot connections, roadway grading and gutter formations.

And, Whereas, The City Surveyor under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$975, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of the following named streets, viz: On Harrison street from Oregon street to Chatham street; on Leonard street from Atwater street to Harrison street; on Chatham street from Atwater street to the eastward extended medial line of Hamburg street; on Hamburg street from Chatham street to St. Joseph street, in proportion to the benefit which each will derive therefrom.

And the Clerk is hereby directed to publish notice in pursuance of Title V I, Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Wednesday evening, Feb. the 23d, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

PLYMOUTH AVENUE LIFT BRIDGE.

By Ald. Fritzsche—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a wrought iron lift bridge across the Erie canal at Plymouth avenue, and the hydraulic motor necessary to operate the same; also, the necessary abutments. Adopted.

The Surveyor submitted as such estimate, \$16,500.

By Ald. Bohrer—Resolved, That the following improvement is necessary, viz:

The construction of a wrought iron lift bridge across the Erie canal at Plymouth avenue and the hydraulic motor power to operate the same; also, the necessary abutments and the grading of the bridge approaches.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$16,500, which estimate is hereby approved.

Resolved, further, That the following portion of said City is deemed benefited and properly ought to be assessed for the whole expense thereof, viz:

The board of assessors are hereby requested and directed to assess one-half of the total expense of this improvement upon one tier of lots and parcels of land on each side of Plymouth avenue, from main street to Spring street, and the balance thereof upon one tier of lots and parcels of land on each side of the following named streets and avenues within the limits mentioned, viz: Plymouth avenue, from Spring street to the B. N. Y. & P. R. R.; Washington street, from the Erie canal to Atkinson street; Spring street, from School alley to Caladonia avenue; Livings on park, from Spring street to Troup street; Troup street, from School alley to Caladonia avenue; Greenwood avenue, from Troup street to Atkinson street; Atkinson street, from Plymouth avenue to Caladonia avenue; Eagle street, from Troup street to the south end thereof; Adams street, from Plymouth avenue to Caladonia avenue; Tremont street, from Plymouth avenue to Caladonia avenue; Edinburgh street, from Plymouth avenue to Caladonia avenue; Glasgow street, from Plymouth avenue to Caladonia avenue; Main street, from State street to Washington street; Sophia street, from Main street to Centre street; Greig street, from Plymouth avenue to Claiss street, and Claiss street, from the intersection of Greig street and Claiss street to Plymouth avenue, in proportion to the benefit which each will derive therefrom.

And further resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments as follows: One-third of the amount assessed within thirty days after advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said installment, a discount will be allowed at six per cent. per annum.

Adopted

SMITH STREET SWING BRIDGE.

By Ald. Fritzsche—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a swing bridge over the Erie canal on Smith street.

Adopted.

The Surveyor submitted as such estimate \$10,000. By Ald. Bohrer—Resolved That the following improvement is necessary, viz:

The taking down of the Whipple iron trussed bridge now over the Erie canal on Smith street and the substitution thereof of a swing bridge, with the necessary abutments, swing pier, bulk heads, and the grading of the bridge approaches.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$10,000, which estimate is hereby approved,

Resolved, further, That the following portion of said City is deemed benefited and properly ought to be assessed for the whole expense thereof, viz:

One tier of lots and parcels of land beginning at the intersection of Vincent place and the Genesee river; thence westerly along Vincent place, excepting one tier of lots on the south side thereof to State street; thence westerly along Smith street and including one tier of lots on the north side thereof to the Niagara Falls branch of the New York Central & Hudson River railroad; thence westerly along the northerly line of the Niagara Falls branch of the New York Central & Hudson River railroad to the west line of the city; thence southerly along the west line of the city to Campbell street; thence easterly along Campbell street, excepting one tier of lots on the north side thereof to Childs street; thence northerly along Childs street and including one tier of lots on the west side thereof to Jay street; thence easterly along Jay street and Jay street produced, and including one tier of lots on the north side thereof to the Genesee river; thence northerly along the Genesee river to the place of beginning, in proportion to the benefit which each will derive therefrom.

And further resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last instalment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Wednesday evening, Feb. the 3d, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

PENAL ORDINANCES

Ald. Kelly moved that the Council proceed to take action on the proposed penal ordinances. Adopted.

Ald. Kelly submitted the following:

IN COMMON COUNCIL:

AN Ordinance relating to streets.

Passed February 15, 1887.

The Common Council of the City of Rochester, do ordain as follows:

Section 1. No person or persons, or corporation or corporations, shall place or caused to be placed, any stones, brick, boards, plank, timber, lumber, or any other materials for building, or any other purposes, in or upon any street, avenue, alley, lane, or public square or place within the city of Rochester, without permission in writing from the Executive Board of said city, or its legal successor, under a penalty of five dollars for each offense, and the further penalty of five dollars for every twenty-four hours the same shall be or remain in any such street, avenue, alley, lane, or public square or place, without permission, as aforesaid, and in addition to said penalty or penalties, shall be liable

to any person or corporation for any and all damage he, she or it may sustain by reason thereof.

Section 2. The Executive Board, or its legal successor, may grant in writing, to any person or corporation, permission to place and keep any such building or other materials described in the foregoing section in any such streets, avenues, lanes or alleys, within the city of Rochester; such permission, however, shall not be for a longer period than three months, nor authorize the obstruction of more than one-third of the sidewalk, nor more than one-half of the carriage way, nor nearer than two feet to any street railroad track or tracks that may be laid or be in such carriage way opposite the lot or place where the building or other structure for which such materials are designed to be used is proposed to be erected.

Any such permission may be revoked without notice by said Executive Board, or its legal successor, at any time.

Section 3. Any person or corporation to whom permission is granted as aforesaid shall cause all such building or other materials, and all the rubbish arising therefrom, during the night time, to be enclosed with suitable and sufficient barriers, and place or cause to be placed lights at each end and side thereof in such a manner as to cast the light thereof upon such material or rubbish, and which lights shall be kept burning at all hours of the night. And for the neglect to comply with the provisions of this section, every such owner, contractor and other person or corporation placing, or causing to be placed, any such materials or rubbish, as aforesaid, shall be liable to the penalty of twenty-five dollars for each night the provisions of this section shall not be complied with, and, in addition thereto, shall also be liable to any person or corporation, including the city of Rochester, who may be damaged to any extent by reason of such failure.

Section 4. Every person to whom permission is granted, pursuant to sections one and two, or either of them aforesaid, shall cause all such building materials, and all the rubbish arising therefrom, to be removed from any such street, avenue, alley or lane by the expiration of the time limited in such permission, or upon the revocation of the permission, under the penalty of twenty-five dollars for every twenty-four hours the same shall so remain in such street, avenue, alley or lane after the expiration of the time specified in, or the revocation of the permission, and such person or corporation shall, in addition to such penalty also be liable to any person or corporation, including the city of Rochester, who may suffer or sustain any damage by reason of such failure to so remove the same,

Section 5. No person or corporation shall suffer or permit any of his, her or its carriages, wagons, carts, sleighs, street or other car or cars, with or without horses, mules, oxen or other animals, to remain or stand in or upon any of the public streets, avenues, alleys, lanes, squares or places within the city of Rochester for more than one hour at any time, under the penalty of one dollar for each offense, and shall also be liable to any person or corporation, including the city of Rochester, who may sustain or suffer any damage by reason of the violation of this section.

Section 6. No person or corporation shall fasten, or permit to be fastened, any of his, her or its horses, mules or other animals in any public street, avenue, lane, alley, square or place within the city of Rochester, so that such horse, mule or other animal or the vehicle to which it may be attached, or the halter, reins or lines with which the horse, mule or other animal is, or may be fastened, shall obstruct the free passage of persons on any part of any sidewalk or any crosswalk, under the penalty of two dollars for each offense.

Section 7. No person or corporation shall cause, or suffer any of his, her or its horses, mules or other animals or wagons, carriages or other vehicles, to stand, remain or be upon any crosswalk or sidewalk, within the city of Rochester, or upon any of the footways or passages for pedestrians upon any of the bridges within said city, under a penalty of five dollars for each offense.

Section 8. No person or corporation shall cart, carry or transport any sand, gravel, rubbish, dirt, stone, ice or any other loose material in, across or over any of the paved, macadamized, asphaltum or graveled streets, avenues, lanes, alleys, public squares or places within the city of Rochester, in or upon any cart, wagon, sleigh or other vehicle in such a manner, that any portion of such sand, gravel, dirt, rubbish, stones, ice or other loose material shall, or may be, scattered, fall or thrown therefrom, in or upon any such street, avenue, alley, lane, public square or place, under the penalty of five dollars for each offense.

Section 9. Each and every person and corporation mentioned in the last section, shall have each of his, her or its, carts, wagons, sleighs or other vehicles used for the purpose of carting, carrying or transporting any of the articles or substances mentioned or described in said section eight, registered, and the number thereof entered by the city clerk in a book to be kept by him for that purpose, and such cart, wagon, sleigh or other vehicle, when in use, as aforesaid, shall have conspicuously placed on each side of the box or framework thereof, in or upon which said articles or substances are carried or transported, its number plainly painted, the figure or figures of which number shall be three inches in height and two inches in width, and any person or corporation violating any of the provisions of this section shall be liable to a penalty of five dollars for each offense, and the further penalty of three dollars for each and every forty-eight hours such violation or neglect is continued.

Section 10. No person or corporation shall use, cause or suffer to be used, any wagon, cart or other vehicle of heavy draught upon any of the paved, macadamized or improved streets, avenues, alleys, lanes, public squares or places in the city of Rochester, for the purpose of drawing brick, sand, stones, wheat, flour, logs, lumber, iron, coal or other materials, unless the tires upon the wheels of such wagon, cart or other vehicle be at least, four inches in width under a penalty of twenty-five dollars for each offense; but this section shall not apply to vehicles used by farmers coming into the said city with produce or fuel, nor to one-horse wagons or vehicles, used generally for the purpose of common portage, or for the purpose of conveying persons or passengers.

Section 11. No person or corporation shall place, or cause to be placed, or keep, or suffer to remain, any log, timber, box, cask, barrel, stone, plank, board or other articles, or any greasy, oily, or dirty substance or package, in or upon any of the public streets, avenues, lanes, squares or places, within the city of Rochester, so as to incommode the free and uninterrupted passage thereof by any person or persons whomsoever, nor shall any person or corporation place, or cause to be placed or kept, or have any cask, box, plank, board or other article, or any greasy, dirty or oily substance or package, barrel, cask or box on any sidewalk, or any goods, wares or merchandise, or other articles, in front of any store, shop or place of business, or other building, where the sidewalk in front thereof is less than six feet in width, and where said sidewalk is more than six feet in width, then not more than the width exceeding six feet, and in all not more than two feet, under a penalty of five dollars for each offense, and a further penalty of five dollars for every twenty-four hours the same shall or may remain therein or thereupon; but nothing contained in this section shall prohibit merchants and others from placing goods, wares and merchandise, household furniture and other commodities on the sidewalk, for the purpose of loading or unloading the same, providing the same be removed without any unreasonable delay, not to exceed one hour.

Section 12. No person or corporation shall place, or cause to be placed, or keep or suffer to remain, in or upon any public street, avenue, alley, lane, square or place within the city of Rochester, except as may be permitted by the Executive Board of said city, or its legal successor, or its superintendent of streets, appointed by it, and then only

in such places and in such manner as may be designated in and by such permission, which permission shall be in writing, any ashes or cinders or any wagon obstruction to the use of the same by wagons, sleighs or any other vehicles, under a penalty of five dollars for each offense, and the further penalty of five dollars for each twenty four hours the same shall remain in any such street, avenue, alley, lane, square or place.

Section 13. The sidewalks and crosswalks of the city of Rochester, and the bridges and public entrances to the churches, public halls and places of amusement within the city limits, being intended for the public accommodation and convenience, shall be kept and reserved free from all obstructions, and all groups or assemblages of persons thereon or therein at any time are prohibited.

No person or persons shall stand or sit on such sidewalk or crosswalk or any such bridge or railing thereof, or occupy the same so as in any manner to obstruct the free passage of the public thereon, or to hinder, obstruct, molest or annoy any person in passing along or upon the same; nor shall any such person or persons stand or remain around the entrances to any such churches, public halls or places of amusement so as in any manner to obstruct the free passage of the public thereto or therefrom, or so as to hinder, obstruct, molest or annoy any person from or while entering or leaving any such church, public hall or place of amusement. Whoever shall violate any of the provisions of this section shall forfeit and pay a penalty of five dollars for each and every offense.

Section 14. No owner, agent of or non-resident owner, or occupant, of any store or other building in or adjacent to any of the streets, avenues, alleys, lanes or public squares or places within the city of Rochester, or other persons, shall place or erect, or cause or suffer to be placed or erected, to, upon, or adjacent to any such store or other building any signpost, awning post or fixture of any kind, or any sign projecting more than two feet from and not less than nine feet above the sidewalk in front of any such store or building into, over or upon any of the said streets, avenues, alleys, lanes or public squares or places, or sidewalk therein; nor shall any person place or cause to be placed, or expose for sale in any manner, upon any such sidewalk, or hang, or suspend, in any such way, from any awning frame or otherwise over any sidewalk aforesaid, any goods, wares, merchandise or articles of any kind, under a penalty of ten dollars for each twenty-four hours the same shall remain thereupon or therein. Nothing contained in this section shall prohibit the erection of awnings of cloth upon iron frames in front of stores, shops or other buildings; but such awnings shall be uniform in length, constructed in a uniform manner, and supported by an iron framework securely attached to the building, in front of which the same shall or may be constructed or suspended; and the same shall be, at all times, self-supporting, and securely kept and maintained without falling, and shall extend from the building not to exceed nine feet, and every part of the framework and every portion of any such awning shall be at least nine feet above the sidewalk, but no curtain or sign shall be attached to any part of such awning, or be in any way suspended from the same, or any of its frames, so as to extend in any manner across or over any such sidewalk. Any person or corporation, erecting or causing or permitting to be erected, or placing or keeping any such awning or frame as aforesaid, shall be liable for any and all damages that may be sustained by any person or persons or corporation, from or by reason of the same being negligently or defectively constructed, or by reason of the same being out of repair at any time, and to that end shall indemnify, bear and save harmless the city of Rochester, and its Executive Board and each of and from any claim, demand in suit, action or proceeding brought for such damages by any person whatsoever.

Section 15. Every owner, agent of or non-resident owner, or occupant of any house, store or other building within the city of Rochester, shall at all times keep the awning in front of such house,

store or other building, free from snow, ice and all dirt, filth or other obstructions under a penalty of three dollars for each offense, and a further penalty of three dollars for every twenty-four hours the omission to comply with the provisions of this section shall be continued by him or them.

Section 16. No person or persons, corporation or corporations shall ride or drive, or cause or suffer to be ridden or driven, any horse, mare, gelding or other animal upon or over either of the following bridges within the city of Rochester, namely Vincent place, Anorows street, and Clarissa street, faster than a walk, under a penalty of twenty-five dollars for each offense.

Section 17. No person or corporation shall hereafter convey; transport or carry, or cause to be conveyed, transported or carried any dead animal along through or upon any of the public streets, avenues, lanes, alleys, parks or places within the city of Rochester, without having the same conveyed, carried or transported on a cart, truck or wagon, covered so that no part of such animal shall or may be exposed to view, under a penalty of fifteen dollars for each offense.

Section 18. No person driving or in charge of any vehicle, whether attached to any horse or other animal, or not, shall obstruct at any time the free and unobstructed passage by pedestrians along and upon any cross-walk within any of the public streets, avenues, lanes, alleys, squares or places within the city of Rochester, by stopping any such horse or other animal or vehicle so that the same shall be or remain upon any such cross walk, under a penalty of five dollars for each offense.

Section 19. No person or persons shall skate or slide upon any sidewalk or crosswalk within the city of Rochester, in such a manner as to prevent, hinder or molest any pedestrian from freely passing along or over the same; nor shall any such person or persons make, aid, countenance or assist in making any noise, disturbance or in proper diversion in any of the public streets, avenues, lanes, alleys, parks or places within said city. Whoever shall violate any of the provisions of this section shall be liable to a penalty of two dollars for each offense.

Section 20. All ornamental shade trees hereafter set out in any of the public streets, avenues, alleys, lanes, or places within the city of Rochester shall be set inside of the curb and within one foot of the outer edge of the sidewalk therein, and in case any person or corporation violates the provisions of this section, he or it shall forfeit and pay a penalty of five dollars for each offense; and such person or corporation shall in addition to such penalty remove such tree or trees where otherwise placed than aforesaid on being requested to do so by the Executive Board of the city, and in default thereof, it shall be lawful for such Executive Board to remove or cause the same to be removed at the expense of the owner of the lot in front of which such tree or trees shall or may be placed; which expense may be recoverable of such owner in the name of the city of Rochester, in an action with costs; and every such person or corporation so neglecting or refusing to remove the same after being requested so to do as aforesaid, shall be liable to a penalty of three dollars for every twenty-four hours after the time mentioned in such requirement for such removal.

Section 21. Every owner, agent of or non-resident owner or occupant of any premises within the city of Rochester, shall keep the shade or ornamental trees in any of the public streets, avenues, lanes, alleys or places of such city, in front of his, her or their premises, trimmed so that the projecting limbs and boughs shall not be less than nine feet above the roadway or sidewalk and so as not in any manner to interfere with or obstruct the light of the public lamps in any such street, avenue, lane, alley, or place, under a penalty of five dollars for each offense; and if said owner, agent or occupant aforesaid shall neglect to keep such tree or trees so trimmed it shall be the duty of the Executive Board of such city after five days notice by it to the said owner, agent or occupant, to trim the said tree or trees as aforesaid at the expense of the owner or occupant, and such expense may be re-

covered from him or them in an action brought in the name of the city of Rochester, and in addition every such person or persons so neglecting to comply with said notice shall forfeit and pay a penalty of three dollars for every twenty-four hours after the time mentioned in said notice shall have expired.

Section 22. No person shall play at any game of ball, or any sport with a ball, stone, block or piece of wood or other hard substance, by throwing, bounding, catching or knocking the same or in any other manner, in any of the public streets, avenues, lanes, alleys or places within the city of Rochester, or upon any sidewalk therein, or upon any improved square or park, or upon or within the square upon which the Court House or City Hall stands within said city, under a penalty of two dollars for each offense.

Section 23. No person shall deface, mar, injure, remove or do any damage to any fence, railing, gate, sign or notice or any other structure or ornament, or the guards in, around, about or upon any park, square or cemetery within the city of Rochester, and no person shall remove or do any damage to or climb, whittle, bruise or otherwise injure any ornamental or shade tree, planted or growing in any of the public streets, avenues, lanes, alleys, parks, squares or places within the city of Rochester, or any box, guard or other protection to or around the same; nor shall any person tie or fasten, or caused to be tied or fastened, any horse, mule, gelding or other animal to or near to any such tree or trees, or to any public lamp post within such city, under a penalty of ten dollars for each offense, and in addition thereto shall be liable to any person or corporation, including said city, for any damages or injuries occasioned thereby.

Section 24. No owner, agent of or non-resident owner, or occupant, of any house or lot within the city of Rochester, shall construct or cause to be constructed, continue or suffer to remain to be used any gate, so that the said gate shall or may extend or swing outward of or from said house or lot over or upon any sidewalk within the city of Rochester in such a manner as to obstruct the free and uninterrupted public use and passage thereof under a penalty of five dollars for each offense.

Section 25. No person or corporation shall construct or cause to be constructed or suffer or permit the same to remain, any wooden bridge or other wooden structure over the gutter in front of any premises owned or occupied by him, her or it in any improved street, avenue, lane, alley or place within the city of Rochester, under a penalty of ten dollars for each offense and a further penalty of ten dollars for every twenty-four hours that said bridge or bridges is or are kept or suffered to remain.

Section 26. Every owner, agent of or non-resident owner, or occupant of house or other building, and every owner of any vacant lot, shall keep the sidewalk and pavement in front of such house or other building and lot or vacant lot free from snow, ice and all dirt, filth, grass, weeds, rubbish or other obstructions or incumbrances to the center of the street, avenue, alley, lane or place, and at all times keep said sidewalk in a good state of repair and condition, and also repair all lateral sewers to such house, building or vacant lot, under a penalty of five dollars for each offense, and in addition thereto shall also be liable to any person or corporation, including the city of Rochester, for any damages sustained by or for which liability therefor may exist by reason of any neglect to comply with any of the provisions of this section.

Section 27. If any owner, agent of or non-resident owner or occupant mentioned in the last preceding section shall neglect or refuse to comply with any of the requirements of said section within twenty-four hours, it shall be the duty of the Executive Board to cause the same to be done at the expense of such person in default.

Section 28. No bow window, or other window, shall hereafter be constructed so as to extend into, upon, or above the sidewalk or surface of any of the public streets, avenues, lanes, alleys, squares, or places within the city of Rochester, and no

porch, veranda, or other projection of or from any building, and no step or steps, cellar door, cellarway or opening, or platform or approach to any building in any of the streets, avenues, lanes, alleys, squares, or places aforesaid in said city, shall extend into the same, or over or upon any of the sidewalks thereof without permission of the Executive Board, which permission shall be in writing and specify the nature thereof; and every cellar-way leading into any cellar from any such street, avenue, lane, alley, square, or place, or sidewalk thereof, shall have trap-doors thereto, which shall be so constructed as to be on a level with the sidewalk or platform, if any, in front of the building in which such cellar is situate, and shall be so constructed and at all times be maintained so as to be entirely secure for passengers or pedestrians in or upon any of such streets, avenues, lanes, alleys, squares, or places, or such sidewalks or platforms, to pass over the same with safety; or shall have a substantial and at all times securely kept and maintained railing on the sides thereof, at least three and one-half feet high; no trap-door or grate in any of the sidewalks of or in said city shall be kept open at any time except during the receiving or delivering of any goods or chattels, and during such time the same shall be surrounded by proper and sufficient barriers and guards. Any person violating the provisions of this section or either of them shall forfeit and pay a penalty of five dollars for each offence, and the further penalty of five dollars for every twenty-four hours such violation shall or may continue. Any person or corporation obtaining permission of the Executive Board mentioned in this section aforesaid, shall do so, and such permission shall be subject to the conditions that such person or corporation shall be liable for any and all damages that may be sustained by any person or persons or corporation from or by reason of the matter or thing so permitted, being negligently or defectively constructed or kept in repair, and to that end shall indemnify, bear and save harmless the city of Rochester and its Executive Board of and from any claim, demand in suit, action or proceeding, brought for such damage by any person or corporation whomsoever.

Section 29. No person shall draw or propel any wheelbarrow, hand-cart, sleigh or any carriage or other vehicle, except a baby carriage or sleigh, or lead, ride or drive any horse, mare, mule or other animal, whether attached to any wagon, sleigh or other vehicle, or any cattle or swine, alone, upon or over any sidewalk within the city of Rochester, except in passing into or from any lot, where pavement shall be constructed for that purpose, under a penalty of five dollars for each offense. No person shall drive or cause or suffer to be driven any horse or other animal attached to a sleigh along, through or upon any of the public streets, avenues, alleys, lanes, squares or places within said city, without having bells attached thereto, sufficient to give warning of its approach, under a penalty of five dollars for each offense.

No person shall ride or propel any unicycle, bicycle, or tricycle between the hours of six o'clock in the morning and nine o'clock in the evening upon any of the sidewalks of the following streets of said city, to wit: Main street from the Liberty Pole, or corner of Franklin street to the Erie Canal; State street at any point south of the New York Central and Hudson River railroad elevated tracks crossing said street; Exchange street north of the Erie Canal; St Paul street from the New York Central and Hudson River Railroad Company elevated tracks crossing said street to Court street, and Mill, Front and Water streets, south of said railroad elevated tracks crossing said streets, or any of them, under a penalty of five dollars for each offense.

No person shall at any time upon any sidewalk or footway for pedestrians, in or upon any of the public streets, lanes, alleys, squares, bridges, or public places of or within said city, ride or propel any such unicycle, bicycle, or tricycle, unless there is attached to the same a small bell which shall be kept ringing and sufficiently loud so as to give

warning to any and all persons of its approach, under a penalty of five dollars for each offense.

No person while using, riding or propelling any such unicycle, bicycle or tricycle, as above permitted, shall collide with, or run against, any person walking or standing upon any such sidewalk under a penalty of not less than five dollars, nor more than twenty-five dollars for each offense.

Section 30. Whenever a pavement or roadway is in process of construction or repair in any of the public streets, avenues, lanes, alleys, squares, or places, within the city of Rochester, and during the whole time, from the beginning to the termination of such construction or repair, it shall be the duty of the contractor or party performing the work, to place and keep up rails, obstructions or rails at each end thereof, and in the same, so as to secure it from being passed over by horses or vehicles until it is ready for the use of the public; and at all times during the night to have and keep lighted lanterns or lamps at the ends thereof so as to give notice and warning to all persons of such work of construction or repair being in progress; and no person shall ride or drive any horse or other animal with or without a vehicle, over, upon, or along, any such pavement or roadway until the same is completed and opened to the public use and is well settled. Every person, corporation or contractor violating any of the provisions of this section, shall be liable to pay a fine or penalty of ten dollars for each offense, and such contractor shall, in addition, be liable to any person or corporation for any damage sustained thereby, but no person shall be liable for riding or driving upon the same as aforesaid, unless there shall be placed at the end of such pavement or roadway a fence or other obstruction indicating, or it shall appear to ordinary observation, that the same is in an unfinished or unsettled state.

Section 31. Any person or corporation who shall injure or dig up any pavement, side or crosswalk, drain or sewer, or any part thereof, or dig any hole, ditch or drain in any street, avenue, lane, alley or public square or place within the city of Rochester, or who shall remove any earth or stone therefrom without authority from the Executive Board of said city, or who shall hinder or obstruct the making or repairing of any pavement, side or crosswalk, drain or sewer which shall be constructed under any ordinance, by-law, or resolution of the Common Council or said Executive Board, or hinder or obstruct the Executive Board, or any person employed by it, or any contractor of said city or board, in cleaning any such street, avenue, alley, lane, square or place, or in constructing or repairing any street, avenue, lane, alley, park or place within said city, or any public work or improvement directed by the Common Council of said city, shall forfeit and pay a penalty of twenty-five dollars for each offense, and in addition be liable for any damage caused thereby. No person or corporation shall make or cause to be made any area or lateral sewer in any public street, avenue, lane, alley, square, or place in said city without executing a bond to the said city, to be approved by its Executive Board, indemnifying the said city and said board against any damage of any person or corporation whomsoever therefrom or by reason thereof, and any liability that said city or board may thereby or therefrom incur; and any person or corporation who shall dig or construct or cause to be dug or constructed, any area or lateral sewer contrary to the provisions of this section shall forfeit and pay a penalty of twenty-five dollars for each offense, and a further penalty of twenty-five dollars for each twenty-four hours during the construction thereof.

Section 32. No person shall cast or deposit any wood or stones or other substance into any of the drains or sewers within the city of Rochester, or cause the same to be done, or cause any obstruction or injury in or to the same, under a penalty of ten dollars for each offense, and shall further be liable to the city of Rochester for any or all damages which it may or shall sustain by reason thereof.

Section 33. No person or corporation shall construct, or cause to be constructed, any drain or

sewer from his, her or its cellar or lot to any common sewer within the city of Rochester, without permission in writing from the Executive Board of said city, and every such drain or sewer shall be constructed under the direction of the said Executive Board, and in such manner that the foul air and gas cannot escape from the sewer into the building over said cellar. Any person who shall construct any drain or sewer contrary to the provisions of this section, shall forfeit and pay a penalty of twenty-five dollars for each offense; and the Common Council or said Executive Board of said city may also direct that such drain or sewer shall be destroyed, filled up or altered, at the expense of the person or corporation aforesaid; all connections with public sewers shall be made of vitrified or cement pipe or of masonry, and shall be under the supervision of the Executive Board, and shall be accepted and approved by them before being covered.

Section 34. Whenever permission is given by the Common Council or said Executive Board of the city of Rochester to lay any drain, sewer, or gas pipe along or in any street, avenue, alley, lane, square, or place, or to make any excavation or hole therein, unless the Common Council shall otherwise direct the same shall be done under the direction of the Executive Board, as to time and place, and shall be so done as not unnecessarily to hinder or obstruct the free use of the street, etc., or sidewalk thereof, and the street, avenue, alley, lane, square, or place, shall be restored to and for one month kept in good condition after the work is done, at the expense of the person to whom the permission is given, or for whom such work is done; and any person or corporation who shall refuse to conform to and obey the orders and directions of the Executive Board, or its authorized agent in the premises, shall forfeit and pay for each offense a penalty of twenty-five dollars.

Section 35. No person shall throw or deposit, or cause to be thrown or deposited, any straw, shavings, lime, ashes, refuse coal, scraps, slops, dirt, or rubbish of any description, or the contents of any bed, into or upon any street, avenue, lane, alley, or public square, or place, in the city of Rochester, except upon written consent of at least one or more members of the Executive Board of said city, under a penalty of five dollars for each offense.

Section 36. No person or corporation shall sell or expose for sale, or peddle, or cause to be sold or exposed for sale, or peddled, any fruit, nuts, vegetables or oranges, lemons or other foreign fruits, or confectioneries in or upon any sidewalk or public street, avenue, square, alley, lane or place within the city of Rochester, without permission in writing from the Executive Board of said city, with such limitations and conditions that said Board may see fit to impose in such permission, under a penalty of three dollars for each offense. This section shall not apply to any farmer or gardener or other person not being a resident of the city, selling fruit or vegetables in the carriage-way, nor to any person offering or selling nuts, fruit and other vegetables from a basket, or other vessel carried by him or her, of a size that does not contain more than the half of one bushel, provided that no person shall be obstructed in the free passage thereby.

Section 37. Any person who shall carelessly or maliciously break or deface, or in any way injure any of the public lamps or lamp posts, or any part thereto or thereof, or any illuminated clock, posts or standards within the city of Rochester, shall be liable to a penalty of ten dollars for each offense.

Section 38. Any person who shall light or cause to be lighted or extinguished, or who may or shall in any way intermeddle with the lighting or extinguishing of any of the public gas or kerosene lamps within or belonging to the city of Rochester, without authority from the Common Council or the Executive Board thereof, or by the agent or officer of any contractor, or such contractor, having a contract with the city or said Council for the care, lighting, or extinguishing of said lamp or

lamps, shall be liable to a penalty of ten dollars for each offense.

Section 39. No person, without authority, shall climb upon, or tie, or fasten, any horse or other animal to any of the public lamps, posts, or standards within the city of Rochester, under a penalty of ten dollars for each offense, and in addition thereto be liable for any and all damages sustained by any person or corporation, including said city of Rochester, occasioned thereby or resulting therefrom.

Section 40. No auctioneer shall by himself or agent, sell or expose for sale at public auction, any goods, wares or merchandise, upon any sidewalk, or in any street, avenue, alley, lane, or square, or public place, within the city of Rochester, under a penalty of ten dollars for each offense, to be sued for and recovered of the seller or auctioneer or his agent, severally and respectively; but this section shall not extend to the sale of household furniture, or of horses or carriages in the carriage-way, provided the public shall not be inconvenienced thereby.

Section 41. Neither of the members of the Executive Board of the city of Rochester, or any of its agents, servants, employees or appointees, shall be directly or indirectly, or personally, interested in any team or teams employed in the work of the city of Rochester, nor in the wages earned by such team or teams, or by any laborer or laborers so employed, or in contracting for any materials furnished to or for said city, under a penalty of twenty-five dollars for each offense, and shall further be liable to respond and pay to said city any and all damages occasioned or resulting therefrom.

Section 42. No person or corporation shall feed, or cause to be fed, any horse or other animal in any street, avenue, lane, alley, public square or place within the city of Rochester; nor shall any person dust, clean or lay any rug, carpet, oil cloth or any such article, in any of the squares or parks of such city, or hang them upon the fences of the same for that purpose, under a penalty of five dollars for each offense.

Section 43. No person shall remove, displace or destroy any timbers or other materials laid or deposited by the Executive Board, or by its direction, on any macadamized or asphaltum street, avenue, lane, alley, park or place within the city of Rochester, for the purpose of turning or diverting travel on any particular part thereof, under a penalty of five dollars for each offense.

Section 44. No person or corporation shall burn, or cause to be burned any straw, shavings, leaves, wood or articles of any kind or nature, in or upon any of the asphaltum streets or avenues within the city of Rochester at any time, under a penalty of twenty-five dollars for each offense, and in addition thereto shall be liable for any and all damages occasioned to such asphaltum pavement of said city from or by reason of such burning.

Section 45. Whenever any improvement shall be made within the city of Rochester, to any of the public streets, avenues, lanes or places therein by which any embankment or filling up shall be made of one and one-half feet or over, then and in that case all owners, agents of and non-resident owners and occupants of lots, houses or buildings on each side of such street, avenue, alley, lane or place opposite and adjacent to such embankment, and filling shall cause a sufficient stone work to be erected on the line of said lot or lots of the length of the sidewalk adjacent thereto, or shall cause said lot or lots to be filled with earth, stone or sand to the level of said sidewalk, such filling up shall extend back on the upper surface thereof at least one-half foot from the street line of such land or lands with a suitable level, such filling up shall be made and such stone work shall be constructed under the direction of the Executive Board of such city, and every person violating the provisions of this section shall be liable to a penalty of ten dollars, and a further penalty of five dollars for every twenty-four hours such failure or violation shall continue, and in addition thereto shall be liable to any person or corporation for any damage occasioned by reason of any failure to comply with any of the provisions of this sec-

tion; it shall be the duty of the Executive Board of said city and of its members to cause the provisions of this section to be complied with.

Section 46. All platforms within the city of Rochester shall be constructed on a level with the sidewalk, and at the same inclination, except where the Executive Board of said city shall otherwise direct or permit, and every cellar constructed and used for storing shall have good and substantial cellar doors or gratings even with the platforms, and those used and constructed for dwellings, stores and shops, that require open steps, shall be properly and securely railed in and at all times be maintained and kept so as to secure the safety of pedestrians and other persons; none of the above mentioned erections or constructions shall be made without the written consent of said Executive Board, specifying the location, form, dimensions and material of such erection or construction, of all such platforms and the cellar doors shall be covered by iron brads or nails not more than three inches apart so as to prevent persons passing over them from slipping. Any person violating any of the provisions of this section shall be liable to a fine of ten dollars for each offense and a further penalty of five dollars for each twenty-four hours that said owner or agent or occupant of the premises on which any such construction or erection may be made, shall neglect or refuse to comply with the said provisions or requirements by the said Executive Board and shall also be liable to any person or corporation sustaining any damage or injury from or by reason of any such violation, and shall also be liable to indemnify and pay to the city of Rochester any and all damages it may sustain or be compelled to pay by reason of any violation of or neglect to comply with any of the provisions of this section.

Section 47. If any owner, agent of or non-resident owner or occupant of any building or tenement within the city of Rochester shall omit for the space of ten days after he shall have been required so to do by the Common Council of said city to cause the building or tenement owned or occupied by him to be numbered or renumbered, every such owner, agent or occupant shall forfeit and pay a penalty of one dollar for every day thereafter until the said tenement shall be numbered or renumbered as aforesaid.

Section 48. Any person or corporation who shall make or cause to be made or shall have made any cellar, pit, hole or excavation of any kind in any street, avenue, lane, alley or place or upon her, his or its lot adjacent to and within four feet of the line of any such street, avenue, alley, lane or place within the city of Rochester, shall cause the same to be protected by the erection of good and sufficient guards or barriers around or next to said street between the same and such cellar, pit, hole or excavation so that the same shall extend the whole length of such cellar, pit, hole or excavation, and also shall at all times during the night time place or cause to be placed lights at each end and side thereof in such a manner as to cast the light thereon upon such cellar, pit, hole or excavation and such light or lights shall be kept burning at all hours of the night, and for a failure to comply with the provisions of this section, every such owner, contractor and other person or corporation shall be liable to a penalty of twenty-five dollars for each night or twenty-four hours the provisions of this section shall not be complied with, and in addition thereon shall also be liable to any person or corporation, including the city of Rochester, who may be damaged to any extent by reason of such failure, and if within twenty-four hours after notice to erect the same shall be given by said Executive Board, said Board may cause the same to be done at the expense of the person or corporation so neglecting.

Section 49. Any and every person or corporation violating any of the provisions of any one or more of the sections of this ordinance, shall, in addition to the penalty or penalties hereinbefore prescribed therefor, be liable to any and every person and corporation sustaining or suffering any damage or injury by reason thereof, and shall also be liable

to indemnify and answer unto the city of Rochester for and add all damage it may sustain or become liable for, to any person or corporation from, or by reason of, any such neglect or violation.

Section 50. Every execution issued upon a judgment recovered for a violation of this ordinance, or any of the sections or provisions thereof, shall command the amount to be made of the property of the defendant or defendants, if any such can be found, and, if not, then to commit the defendant or defendants to the Monroe County Penitentiary, and the person violating any provisions of this ordinance or section hereof, and failing to pay the penalty and fine therefor, shall be imprisoned in said penitentiary for a term of, in case the penalty and fine shall be under twenty-five dollars, not exceeding fifty days, and in case the fine and penalty exceed twenty-five dollars, for a term of not exceeding one hundred days.

Section 51. This ordinance shall take effect immediately.

Ald. Kelly moved that Section 42 be referred back to the special Committee on Ordinances. Adopted.

The ordinance relating to streets, lanes, alleys, etc. was on motion of Ald. Keller, adopted with the exception of Section 42 by the following vote:

Ayes—Ald. Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Mandeville, Swikehard, Kelly—9.

Nays—Ald. Stein—1.

Ald. Stein moved that section 10, relating to wide tires, be stricken out. Lost by the following vote:

Ayes—Ald. Mandeville, Swikehard, Stein—8.

Nays—Ald. Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Kelly—7.

By Ald. Kelly—Resolved, That Senator Pitts and Assemblyman Maurer be, and they hereby are, requested to urge the immediate passage of the following act, amending certain sections therein mentioned of the city charter:

AN ACT to amend the charter of the City of Rochester, as contained in chapter fourteen of the laws of eighteen hundred and eighty, and the acts amendatory thereof and supplementary thereto,

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section one hundred and seventy-three of the charter of the city of Rochester, being chapter fourteen of the laws of eighteen hundred and eighty, is hereby amended, so as to read as follows:

Section 173. Whenever the Common Council shall determine to make any of the improvements in this title specified, and that the lands of any person or corporation will be necessary for that purpose, they shall enter in their minutes a resolution or ordinance, declaring such determination, containing a description of the land so deemed necessary; and also of that part or portion of the said city which said Common Council deem will be benefited by said improvement; they may purchase the land so deemed necessary, of the owner thereof, and make him such compensation as they shall judge reasonable; and, thereupon, shall receive from such owner a conveyance of such land to the city and, for the purpose of such purchase, they may authorize the Executive Board of said city to negotiate for such purchase, subject to the approval of said Common Council.

Section 2. Section one hundred and seventy-four of said chapter fourteen is hereby amended so as to read as follows:

Section 174. In case the said Common Council, or Executive Board, is unable to agree for the purchase of any real estate, or lands, required for the purposes aforesaid, the said Common Council shall have the right to acquire title to the same, in the manner, and by the special proceedings prescribed

in this act, and, for that purpose, a map of the street, alley, square, park or other public improvement, shall be made and filed in the office of the City Clerk, and of the County Clerk of the County of Monroe, showing on such map the lots, tracts and parcels of land which are deemed necessary to be taken; and the commencement, course or termination of the road, street, alley, square or park proposed to be laid out, widened, extended or altered, or of the sewer, or other work or improvement proposed to be made in, on or through the land so to be taken, and said Common Council may also direct the City Attorney to take the proceedings provided for in this act for the acquisition of the same.

Section 3. Section one hundred and seventy-five of said chapter fourteen is hereby amended so as to read as follows:

Section 175. The Common Council or City Attorney shall, after the filing of the map hereinbefore provided, cause to be published for ten days, in a daily newspaper in said city, a notice specifying and describing the lands necessary for the improvement or purpose hereinbefore mentioned, and the portion of the city deemed to be benefited by reason thereof, and that an application will be made to the County Court of the county of Monroe, or to a Special Term of the Supreme Court, to be held in the Seventh Judicial District, at a time to be specified in said notice, for the appointment of commissioners to ascertain and appraise the compensation to be made to the owners, tenants or occupants of such lands and buildings, or persons interested therein to be taken, will be entitled to for the same. The Common Council or City Attorney shall also, at least ten days before the time named for such application, in addition to said publication, cause a notice to be served on each of the owners of the premises to be taken, who are residents of the said county, provided that the fact of such residence be known to said City Attorney, or can, by reasonable diligence, be ascertained, or upon the occupants of said premises, either personally or by leaving the same at their several places of abode, or in case no person can be found at the time of making the service residing at said place of abode with whom to leave such notice, then such notice may be served by posting the same in a conspicuous place at said place of abode, or upon the premises sought to be taken; and upon the agent of any non-resident owner, provided such agent reside in the city, and his name shall have been entered in a book to be kept by the city clerk for that purpose, the service to be made on said agent may be personal, or in the manner provided for the service of notice upon owners or occupants aforesaid.

Section 4. Section one hundred and seventy-six of said chapter fourteen is hereby amended so as to read as follows:

Section 176. At the term of the court in such notice specified, or the term to which the hearing for decision of the application may be adjourned, the said court, upon filing proof by affidavit of the publication and service of such notice, as is in the last section specified, or upon sufficient reason being shown for the omission to serve such notice, and upon hearing the city, by its attorney, or person designated by him for that purpose, and also the parties interested, if desired, shall appoint not less than three, nor more than five, commissioners of appraisal, who shall be freeholders of said city, not interested in any of the lands or buildings sought to be taken, nor of kin to any owner or occupant thereof. The court to which application shall have been made, as hereinbefore specified, shall also have power, at any time, to amend any defect or informality in any of the special proceedings authorized by this act, including the map and notice aforesaid, as may be necessary; or to cause new parties to be served with notice, and to direct the manner of service thereof, as it deems proper; and also to appoint other commissioners in place of any who shall die, or refuse, or neglect to serve, or be incapable of serving; and such amendment may be made at any stage of the proceedings, and where the mode or manner of conducting all, or any of the proceedings to the appraisal are not

expressly provided for by this act, the court, before whom such proceedings may be pending, shall have the power to make all the necessary orders and give the proper directions to carry into effect the object and intent of this act; and the practice in such cases shall conform, as near as may be, to the ordinary practice in such courts; and the power of amendment shall be exercised as liberally as is directed to be exercised in and by such court in actions by section 733 of the Code of Civil Procedure. When any proceedings of appraisal shall have been commenced, no change of ownership by voluntary conveyance or other transfer of the real estate, or any interest therein, or of the subject matter of the appraisal, shall, in any manner, affect such proceedings, or the assessment made thereon, but the same may be carried on and perfected as if no such conveyance or transfer had been made, or attempted to be made.

Section 5. Section one hundred and seventy-seven of said chapter fourteen is hereby amended so as to read as follows:

Section 177. The said commissioners, so appointed, shall take and subscribe the oath prescribed by the twelfth article of the constitution. Any of them may issue subpoenas and administer oaths to witnesses; a majority of them may adjourn the proceedings before them, from time to time, in their discretion. They shall give public notice, by a notice published daily for ten days, in at least one of the daily newspapers authorized to publish corporation notices, of the time when and place where they shall meet to enter upon their duties. At the time appointed, or any other time and times to which they may adjourn, they shall proceed to view the lands and premises proposed to be taken, and hear the proofs and allegations of the parties, and, after the testimony in such case is closed, they, or a majority of them, shall appraise the damages which the owner or owners, or persons interested, and if there be any occupants or tenants who may have a leasehold interest in the premises to be taken for such public improvements, will severally sustain by being deprived thereof, and the compensation which they severally receive therefor; the compensation awarded to any occupant or tenant aforesaid, shall be deducted from the damages awarded to the owner or person interested in the land to which the right of such occupant or tenant exists.

Section 6. Section one hundred and eighty of said chapter fourteen is hereby amended, so as to read as follows:

Section 180. If such report is not appealed from in thirty days, as hereafter provided, or whenever such report is finally confirmed, the Common Council, or the Executive Board of the city, may take the lands and premises specified in the report of such commissioners, and which have been determined by the Common Council to be necessary for such public improvement, on paying the amount of damages or compensation awarded to the owners or occupants thereof in such report, less the amount of any assessment made against such owner or occupant for any part of the expense of such improvement, or depositing the same in some bank in the city of Rochester to the credit of the person to whom the same is awarded, less such assessment, if any, aforesaid. At any time after the confirmation of such report, the Common Council may direct that the duplicate copy thereof, filed in the office of the clerk of Monroe county, hereinbefore directed by section one hundred and seventy-eight of this act, shall be recorded at full length in said clerk's office, and said Common Council may, also, direct that any report of commissioners of appraisal in any proceedings instituted for the acquisition of lands by the city of Rochester, heretofore filed in said Monroe County Clerk's office, or a certified copy thereof, shall be recorded at length in said clerk's office, with the same effect as if such proceedings had been instituted, or report made and filed, after the amendment of this section.

Section 7. Section one hundred and ninety-seven of said chapter fourteen is hereby amended, so as to read as follows:

Section 197. Where it shall be known to, or discovered by the Common Council, at any stage of the proceedings, before the said report is confirmed by them, that the owner of any real estate or building appropriated in making any of the improvements herein provided for, is an infant, a guardian for him or her shall be appointed by the county court of Monroe county to act for such infant in the premises, which guardian shall be a responsible person, approved by the county judge, or special county judge of said county. It shall be the duty of the court to appoint such guardian on the application of the mayor or attorney of the city, or of the infant, or of some person acting in his or her behalf, and which guardian, when so appointed, shall see that the rights of such infant, or infants, are protected.

Section 8. Section eighty-three of said chapter fourteen hereby amended so as to read as follows:

Section 83. The annual assessment of property in said city shall be made by the assessors hereof, by the second Tuesday of April in each year, who shall enter the assessments; for each ward in a separate book provided for that purpose. Immediately after such assessments shall have been completed, the assessors shall determine the time and place where they will first meet to hear the allegations and objections of all persons interested in the assessments, of which at least ten days previous notice shall be given by publication in all the daily papers published in said city. At the time and place designated in said notice, and for ten consecutive days thereafter, exclusive of Sundays, the assessors shall meet and hear such allegations and objections, and the assessment books shall there be open to the examination and inspection of all parties interested, between the hours of 9 and 12 in the morning and 2 and 4 in the afternoon. The assessors shall amend and correct such assessments as they shall deem proper. When completed, an oath, substantially in the following form, which shall be written or printed, and upon or attached to said rolls, and each of them, and which said oaths shall be signed by the assessors, or a majority of them, and sworn to before an officer authorized to administer oaths, and certified by the officer before whom it was taken, namely: "We, the undersigned, do severally depose and swear that we have set down in the foregoing assessment roll all the real estate situated in the ward, according to our best information; and that, with the exception of those cases in which the value of the said real estate has been changed by reason of proof produced before us, we have estimated the value of the said real estate at the sums which a majority of the assessors have decided to be the full value thereof; and, also, that the said assessment roll contains a true statement of the aggregate amount of the taxable personal estate of each and every person or corporation named in such roll, over and above the amount of debts due from such persons or corporations respectively, and excluding such stocks as are otherwise taxable, and such other property as is exempt by law from taxation, at the full value thereof, according to our best judgment and belief." After being sworn to, as aforesaid, the assessment books shall be delivered to the clerk of the city on or before the fifteenth day of June in each year, who shall report the same to the Common Council of said city at its next meeting. The time for such delivery of such books to said clerk may be extended by resolution of said Common Council adopted at any time before or after said fifteenth day of June. The assessors shall make and certify a correct copy of said assessment books, as they shall then exist, and including the changes, amendments and corrections to the same that may be made, as hereafter specified, and deliver the same to the supervisors of the several wards, respectively, for the use of the Board of Supervisors of Monroe county, on or before the first day of October in each year, to be, by them, presented to the Board of Supervisors as the ward rolls of the city. The time for such delivery of such books to said supervisors, or either of them, may be extended by resolution of said Board of Supervisors adopted at any time before or after

the first day of October. The said Board of Supervisors shall pay to said assessors, for the copy or copies for their use, as aforesaid, in the same manner as paid to the supervisors of the several towns for the town rolls. The said assessors are hereby directed and empowered to make such additional amendments and corrections in said assessment rolls as to the names of the actual owners or occupants of real estate therein assessed, as they shall deem proper, at any time before the first day of October in each year. Any and all oaths or affidavits taken before any officer authorized to administer oaths attached to any assessment roll of said city, or ward thereof, at any time heretofore, by the assessors, or a majority of them, at such time or times, shall be, and hereby are, declared to be valid and effectual in all respects as to the form and sufficiency thereof.

Section 9. Section eighty-two of said chapter fourteen is hereby amended so as to read as follows:

Section 82. All sums so directed to be raised by tax by the Common Council shall be assessed upon all real and personal estate, in said city, according to the valuation of the same in the last preceding assessment rolls, which shall have been returned by the assessors of said city, and filed in the office of the clerk of said city, except as by this charter otherwise provided; but no real or personal estate, which shall be exempt from taxation or assessment by the general laws of this State, shall be liable to be assessed for the ordinary city or county taxes, but such real estate may be assessed and taxed for local improvements. All real estate shall be assessed to the owner or occupant, or by any description by which it may be known and distinguished without reference to the owner or occupant. When any tax or assessment exceeding ten dollars in amount has been at any time heretofore or hereafter is levied or assessed by, or by order of the Common Council against a person, firm, estate or corporation, is returned by a collector uncollected for want of goods and chattels, out of which to collect the same, the mayor or city attorney of said city may apply on affidavit to the county judge or special county judge, of the county, and obtain an order requiring such firm, person, estate or corporation to appear before such county judge, or special county judge, or before a referee named in such order and answer concerning his, their, or its property. The same proceedings may, in all respects, be had as in cases of proceedings supplementary to an execution against property under the code of civil procedure, and as provided in and by chapter three hundred and sixty-one of the laws of eighteen hundred and sixty-seven, as amended by chapter six hundred and forty of the laws of 1881, and the same costs and disbursements may be allowed against the person, firm, estate or corporation examined concerning his, their or its property, but none shall be allowed in his, their, or its favor. The tax, if collected, shall be paid over to the city treasurer, and the costs collected shall belong to the party instituting such proceedings, and shall be applied by him to the payment of the expenses of such proceedings. And the proceedings taken under this section shall conform in all other respects to the course or proceedings provided for in said code of civil procedure in relation to such supplementary proceedings.

Section 10. This act shall take effect immediately.

Adopted by the following vote:

Ayes - Ald. Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Swikehard, Stein, Kelly, - 9.

By Ald. Kelly - Resolved, That the following be added to the proposed amendment to section 80: "But nothing contained in this section shall extend or prevent the running of any other statute or limitations for the bringing or instituting of any action or proceeding against the city." Adopted.

By Ald. Kelly - Resolved, That the city attorney be, and he hereby is, directed under the

direction of the Law Committee, to prepare amendments to section 218, and also to the section relating to judgments rendered by the police justice to provide for appeals from the same to the County Court, instead of the present expensive method by writ of certiorari; and also an amendment to the section of said charter relating to furnishing copies of maps of tracts to the assessors, so as to provide for a penalty for the violation of such section. Also an amendment to the Municipal Court chapter, to make clear ambiguous portions thereof, as may be approved by the judges of said court; and when such amendments are prepared and approved by said Law Committee, to attach the same to the amendments to said charter approved by this Council. Adopted.

Ald. Kelly moved a reconsideration of the vote taken on the penal ordinances. Adopted.

Ald. Kelly, from the special committee on ordinances, reported the following amendment to section 42:

Section 42. No person or corporation shall feed, or cause to be fed, any horse or other animal in any street, avenue, lane, alley, public square or place within the city of Rochester, unless permission so to do is given to such person or corporation by the owner or occupant of the premises in front of which such feeding may be done; nor shall any person dust, clean or lay any rug, carpet, oil cloth, or any such article, in any of the squares or parks of such city, or hang them upon the fences of the same for that purpose. Any person or corporation violating any of the provisions of this section shall be liable to a penalty of five dollars for each offense.

Adopted.

The penal ordinances in relation to streets, lanes, alleys, etc., as thus amended, were then adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kobler, Fritzsche, Foley, Standeville, Swikehard, Kelly—10.

Nays—Ald. Stea—1.

By Ald. Elliott—

Resolved, That the Representatives of this city in the Legislature be, and hereby are, requested to urge the immediate passage of the following act amending section two hundred and eighty-four of the city charter.

AN ACT to amend the charter of the City of Rochester, as contained in chapter fourteen of the laws of eighteen hundred and eighty, and the acts amendatory thereof and supplementary thereto.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section two hundred and eighty-four of the charter of the city of Rochester, as contained in chapter fourteen of the laws of eighteen hundred and eighty, is hereby amended so as to read as follows:

Section 284. All telegraph, telephone and electric light wires and cables used in the city of Rochester shall hereafter be placed under the surface of the streets, lanes, avenues or alleys in said city in such a manner as may be designated by the Common Council of said city. Every corporation, association or person owning or controlling telegraph, telephone, electric light or other wires and cables, including what is known as telegraph poles and other appurtenances thereto, shall, before the first day of August eighteen hundred and eighty-eight, have the same removed from the surface of all streets, avenues, lanes, alleys, squares and places within $\frac{3}{4}$ three-fourths of a mile from the middle of Main street bridge of said city; and in case the owners of the property above enumerated shall fail to comply with the provisions hereof within the

time herein specified and limited, the Common Council of the said city of Rochester shall then, and they hereby are directed to remove, or direct the Executive Board of said city, or other agents appointed by them for that purpose, to remove without delay, all such telegraph, telephone, electric light and such other wires, cables and poles, wherever found above ground within the corporate limits of said city of Rochester, at the expense of the person or corporation so refusing. Neither the said city, or its Common Council, shall grant any exclusive privilege or franchise under this section to any corporation or individual by which a monopoly may, or shall be, created, or competition prevented on equal terms.

SECTION 2. This act shall take effect immediately.

Adopted.

AN ACT to amend the Charter of the City of Rochester, as contained in chapter fourteen of the laws of eighteen hundred and eighty, and the acts amendatory thereof and supplementary thereto.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section eighty of the charter of the city of Rochester, being chapter fourteen of the laws of eighteen hundred and eighty, is hereby amended so as to read as follows:

§ 80. The common council shall examine, settle and audit all accounts, demands and claims against the city, as well of its officers as of other persons, except as otherwise expressed by this charter, or other law, and shall have authority to direct the raising of such sums as shall be necessary to defray the same, and the contingent expenses of the city, subject to the limitations and restrictions hereinafter contained; they shall have the power to borrow money, as in the next section provided, and also to borrow against any tax or assessment levied, but not collected, to an amount not exceeding the amount thereon uncollected, and to issue therefor the obligations of the city, payable in not more than one year, with interest at the rate of not over seven per cent. per annum. No unliquidated claim or demand shall be received for audit, unless made out in detail, specifying, if for labor or services, the time when, the place where, by whom and under whose direction, and by what authority performed; if for merchandise, material or other articles furnished, the item or items thereof, by whom ordered, and when and to whom delivered; and if for damages for wrong or injury or negligence, when, where and how occasioned; nor unless accompanied by an affidavit that the claim, and the items and specifications thereof are, in all respects, just and correct, and that no payments thereon have been made, and that no set-offs exist against the same, or any part thereof, except those stated. No action or proceeding to recover, or enforce any such claim, debt or demand against the city shall be brought until the expiration of forty days after the claim, debt or demand shall have been presented to the Common Council for audit in the manner and form aforesaid. The Common Council, before auditing any such claim, debt or demand, may refer it to a committee of its members, or one or more of the officers of said city. If such claim, debt or demand shall not be made out or verified, as above required, the Common Council may, within thirty days after its presentation, refuse on that ground to audit it. All actions brought against the city to recover damages or other relief for injuries to the person or property caused by negligence, or injuries to property caused by any nuisance, shall be commenced within one year from the time of receiving the injuries, or when the cause of action mentioned in the complaint shall have accrued.

§ 2. Subdivision fifteen of section forty of said chapter fourteen is hereby amended, so as to read as follows:

15. To compel all persons to keep sidewalks in front of premises owned or occupied by them clear from snow, dirt, wood and obstructions, and to prohibit and prevent the erection or placing of, or suffering to remain, any barbed wire or any other

fence that is likely to cause injury to persons or their clothing, or animals upon any of the public streets, avenues, alleys, lanes, squares or places within the city of Rochester, situate, built or constructed upon any line of, or adjacent to any such street, avenue, alley, lane, square or place; and also to regulate and provide the manner of constructing division or line fences within said city, and the manner and kind thereof, and to appropriate the construction of such fences between owners of the lands forming such division or boundary lines.

§ 3. Subdivision four of section forty of said chapter fourteen, is hereby amended so as to read as follows:

14. To license and regulate, or prohibit sports and the exhibition of shows of every kind, including circuses, theatrical exhibitions or representations, exhibitions of natural or artificial curiosities, caravans of animals, and all other public performances and public exhibitions for money, and to prescribe the terms and conditions upon which licenses shall be granted, and to prohibit all unlicensed persons from taking part in, or conducting, managing or controlling the same. The license fee or tax to be imposed shall be in the discretion of said Common Council, but shall not be for a sum exceeding seventy-five dollars for any single performance, and not exceeding five hundred dollars per year, and at that rate for quarterly periods of the year.

Section 4. Subdivision eight of section forty of said chapter fourteen, is hereby amended so as to read as follows:

8. To prevent and punish horse racing and immoderate driving or riding in any street, avenue, lane, alley or public square, park or place, or upon any of the bridges within said city, and to authorize the stopping and detaining of any person who shall be guilty of such racing or immoderate driving or riding aforesaid.

Section 5. Subdivision sixteen of section forty of said chapter fourteen is hereby amended so as to read as follows:

16. To license and regulate and control auctioneers and the sale of goods, property and other commodities at auction within said city, and to determine the times and manner of making such sales, and to prescribe the terms and conditions upon which licenses shall be granted; to prohibit all unlicensed persons from acting or taking part in or managing any such auction, and to exact a license fee or tax in such an amount as said Common Council may deem reasonable, not exceeding, however, one hundred and fifty dollars per year, and at that rate for parts of a year for which such license may be granted. To regulate and prohibit the ringing of bells and the crying of goods and other commodities for sale at auction or otherwise, and to prevent disturbing noises in the streets or public places within said city.

§ 6. Subdivision twenty-one of section forty of said chapter fourteen is hereby amended so as to read as follows:

21. To license, regulate and control cartmen, porters, owners and drivers of all vehicles used for the transportation of passengers or property, and their carts, carriages and vehicles, scavengers and chimney sweeps, and fix the rates of compensation to be taken by them; to regulate sextons and undertakers for burying the dead; to license and regulate butchers, hawkers, peddlers, junk-shop dealers, pawnbrokers and dealers in second-hand articles and the business of pawnbrokerage; to prescribe the terms and conditions upon which any such licenses shall be granted, and to prohibit all unlicensed persons from acting in either of said capacities, and to exact a license fee or tax aforesaid in such an amount as the said common council may deem reasonable, not exceeding, however, five hundred dollars of and from any pawnbroker for the right to conduct any pawnbrokerage business, and not exceeding fifty dollars of and from any of the other persons above enumerated, except that a fee of not exceeding ten dollars for each wagon, carriage or vehicle used in any of the businesses aforesaid, may be charged for any one year, and at that rate for parts of a year. The said common council may fix and establish the rate of in-

terest that shall be taken by any pawnbroker within said city for the loan of any sum; provided, always, that the rate for any loan not exceeding twenty-five dollars shall not exceed the rate of twenty-six per cent. per annum. Pawnbrokers and dealers in second-hand articles may be required to give security to the city of Rochester, with one or more sufficient surety or sureties, in a sum not exceeding five thousand dollars, conditioned for the observance of the ordinances of the common council.

§ 7. Section one hundred and fifty of said chapter fourteen is hereby amended so as to read as follows:

§ 150. The Executive Board shall have control of the water-works of said city and of the construction of all extensions and additions, improvements and repairs of the same, and of furnishing the water to citizens, and the care and repair of said works, and to the end shall have the powers granted to the Board of Water Commissioners of said city by section three of chapter seven hundred and fifty-four of the laws of eighteen hundred and seventy-three, and they may make such rules and regulations and establish such rates for the use of water as they may deem proper. All moneys received for water rates, or the use of water, shall, at the close of each day, be paid to the city treasurer. Whenever any meter for registering the use or consumption of water is, or may be, placed in any building or other place where such water is used or consumed by or under the direction of the said Executive Board, the same shall, at the cost and expense of the owner or such building or place, as well as the tenant or occupant of the same, or other person using or consuming said water, be at all time kept, maintained, guarded and protected of and from any injury caused by reason of any act or thing, including the action of frost, and in case any such meter shall be injured while being at the place where the same is deposited by the order of said Executive Board, or its agents, the cost and expense of repairing or replacing the same shall be borne and paid by such owner, and tenant, occupant or other person, to be recovered by suit in the name of, and for the city of Rochester. Any action or proceeding taken or instituted by said Executive Board to recover any penalty, or enforce any liability, claim or demand under any of the provisions of this act, or any of the rules and regulations of said board, adopted under the power granted by this act, may be brought in the name of said Executive Board, as such, or in the name of the city of Rochester.

§ 8. Section one hundred and eighty-two of said chapter fourteen is hereby re-enacted so as to read as follows:

§ 182. When any damages shall be awarded, and any assessments for benefits of the improvements, in respect to which such damages are awarded, shall be made upon the same person or persons, or in respect to the ownership of any parcel of land, a part of which shall be taken for such improvement, in that case the said city of Rochester shall become vested with the title to such land, so taken (free from any and all liens and incumbrances of every kind and nature), upon paying, or depositing, or directing the depositing, according to the provisions of this act, the excess of the amount so awarded over and above the amount so assessed, and in case the amount so awarded is less than the amount assessed, then upon the confirmation of the assessment roll containing the application of such award upon such assessment. Any and all lands acquired by the city of Rochester for any purpose under the provisions of this act, shall be deemed to be acquired for public use.

§ 9. This act shall take effect immediately.

Adopted.

By Ald. Kelly—

To the Common Council of the City of Rochester:

GENTLEMEN—I beg leave to inform you that judgment upon the decision of affirmance of the Court of Appeals in the case of Hiram Smith and others against the city has been entered in the Ontario county clerk's office, thereby necessitating the payment of the following judgments for costs

in that action, viz.: November 10, 1884, \$1,789.13; July 15, 1885, \$81.57; and February 12, 1887, \$113.39, with interest on said sums from their respective dates.

I also beg leave to inform you that judgment will be entered to-morrow in the case of Frank W. Elwood against the city, in accordance with the decision of the General Term, particulars of which have been heretofore communicated to you in my former communication.

I also beg leave to inform you that the referees to whom were referred the actions brought to recover damages arising from the diversion of water from Hemlock lake from the time of taking the same until September 3d, 1885, the date of the confirmation of the award made by commissioners, have made their report in the twenty-three actions, finding an aggregate amount of damages sustained by the plaintiffs to be the sum of \$9,485. Bills of costs and disbursements and notice of taxation thereof in sixteen of those actions have been served upon me. The fees charged by the referees are \$207.52 in each case.

I would, therefore, recommend that the consideration of the foregoing mentioned matters and cases be referred to your Law Committee to determine upon the course to be pursued therein.

All of which is respectfully submitted,

IVAN POWERS, City Attorney.

Ordered received, filed and published.

By Ald. Kelly—Resolved, that the matters referred to in the above communication of the City Attorney be, and the same hereby are, referred to the Law Committee to consider and determine upon the course to be pursued therein, and whether the same, or any of them shall be appealed, or settlements thereof made, and report to this Board. Adopted.

By Ald. Kelly—Whereas, by chapter 553 of the laws of 1886, the sum of \$9,000, or so much thereof as might be necessary, was appropriated out of any money in the State treasury, for the purpose of rebuilding and enlarging the bridge and approaches in Monroe avenue, over the Erie canal in the city of Rochester, which was to be paid on the warrant of the Superintendent of Public Works, provided that the city of Rochester assume the responsibility of any damage arising from the construction of said bridge and approaches.

Now, therefore, Resolved, That said city of Rochester does hereby, in consideration of said act, and of the construction of said approaches by the State, assume such responsibility and guarantee to save the said State from any damage whatever by reason thereof, and the Mayor of the said city and the City Clerk thereof, is hereby authorized to enter into and with said State and to execute any formal instrument necessary and proper to effect said object.

Ald. Kelly moved that the whole matter be referred to the Law Committee and City Attorney. Adopted.

Ald. Watson moved that when the Council adjourn it be until the 23d instant, and that the Clerk be directed to advertise for allegations for public improvements, for that evening. Adopted.

The City of Rochester to H. V. Wilkins, Constable, Dr.:

To the amount of the execution in favor of Wm. R. Hall, defendant, against the City of Rochester, plaintiff..... \$ 5 80

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your attention is respectfully called to the above bill and need of the prompt payment thereof.

Yours respectfully,

IVAN POWERS, City Attorney.

Adopted.

By Ald. Schaeffer—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your Assessment Committee begs leave to submit the following as its report in relation to the following matter, namely:

In regard to the request of John G. Hetzel to be relieved from payments of assessments made against the following lots, owned by him in the Kondolf & Brayer subdivision of lots, namely: Nos. 29, 31, 33, 35, 37, 38, 39 and 40, on the east side of Seventh street, Nos. 63, 68, 70, 72 and 74, on the west side of said Seventh street, and Nos. 71, 73, 75, 76, 77, 78 and 79, on the east side of Eighth street, levied and imposed under Ordinances

No. 2,813, for Rowe street outlet sewer, and No. 2,845, for Rowe street sewer extension, we are of the opinion that Mr. Hetzel should be permitted to pay (\$40.40) forty dollars and forty cents, in full of said assessment for said Rowe street outlet sewer, and fifty-four dollars and seventeen cents (\$54.17), in full of said assessment for said Rowe street sewer extension; and upon such payments being made the Treasurer should be directed to cancel said assessments against said lots, and charge the balance thereof to erroneous assessments. The Surveyor and Assessors, whom your committee consulted in regard to the matter, have recommended the above action to be taken, assigning as reasons therefor that the lots assessed are low, sunken lots, part of them having been, and being now, used for ice-pond purposes, and that they cannot be drained into either of said sewers until after they have been filled in at a considerable expense, which may not be done for many years to come.

We would, therefore, recommend that the following resolution be adopted.

Respectfully submitted,

C. J. SCHAEFFER,
J. MILLER KELLY,
C. STEIN,
D. W. SELVE,

Assessment Committee.

Ordered received, filed and published.

By Ald. Schaeffer—Resolved, That the treasurer be, and he is, hereby directed to receive from John G. Hetzel the sum of \$40.40, in full of assessment under ordinance No. 2,813, for Rowe street outlet sewer, and the further sum of \$54.17, in full assessment under ordinance No. 2,845 for Rowe street sewer extension, made against lots in the Kondolf and Brayer subdivision of lots known as Nos. 29, 31, 33, 35, 37, 38, 39 and 40, on the east side, and Nos. 66, 68, 70, 72, 74 on the west side of 7th street, and Nos. 71, 73, 75, 76, 77, 78 and 79 on the east side of 8th street; upon such payments being made to cancel said assessments, and charge the balance thereof remaining to erroneous assessments. Adopted.

Ald. Schaeffer called from the table the following:

“By the Clerk—

“ROCHESTER, N. Y., June. 30, 1886.

“Gentlemen of the Common Council:

“At your meeting held on the evening of June 15th, upon the report of your Assessment Committee, the Treasurer was directed to receive from Edward Brunswick the sum of \$800 in full of the assessment levied upon lot I and lots H and Z, inclusive, for North St. Paul street improvement. The lots covered by this resolution are twenty in number. The amount of tax for said improvement standing upon the books of the Treasurer against the aforesaid property, including expense of sale, etc., is \$2,757.32. The Treasurer is therefore directed to charge to erroneous assessments—which means upon the city at large—the sum of \$2,457.32. The justification for this action seems to have been wholly based upon the statement that said improvement was improperly constructed; that poor material was used, and that in consequence thereof the property owners along the line of the said street have received but little benefit. If these statements are true, and this is a proper way to remedy the injury claimed to have been done, then your Board must calculate to cancel other assessments remaining unpaid, and where the tax has been paid—must also refund the equitable amount. As the entire cost of the improvement was about \$34,000, for which Mr Brunswick's property was assessed about \$2,700; and as your resolution now proposes to accept in full for this assessment \$300, or about 11 per cent. thereof, leaving 89 per cent. to be charged back to the general fund, you must make up your mind, if you would deal justly by all concerned, to refund and charge back a similar 89 per cent. of all other

assessments for the improvement, or a total of about \$30,000. It seems to me that your action has been unwisely taken. I have made inquiries as to the quality of the improvement made. Opinions differ. It is alleged that the same was as good as could be expected for that character of improvement. The contractors for the work are among the most reputable and responsible in the city. If they have erred, then their attention should be called to the fact, and they should be asked to rectify the errors committed. If the improvement was improperly made, why was the same accepted and paid for? Let us ascertain where the responsibility lies and, if possible, apply the remedy. I do not feel that the city at large should bear this burden, and therefore return the said resolution without the sanction of my approval.

"CORNELIUS R. PARSONS, Mayor.

"Ordered received, filed and published.

"Ald. Foley moved that the matter be referred back to the Assessment Committee for further consideration. Adopted.

"Ald. Foley moved that the veto lay on the table until the report of the committee. Adopted."

The Chairman stated the question to be, Shall the resolution stand as an order of the Board, notwithstanding the veto of his honor the Mayor?

The resolution was passed over the veto by the following vote:

Ayes—Ald Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

Mr. Bacon, attorney for the plaintiffs, has served upon Mr. Powers, the city attorney, bills of costs and disbursements, and notice of the adjustment thereof by the clerk of Monroe county, on the 14th instant, at 10 o'clock a. m., in the first sixteen above entitled actions, but the time for such adjustment has been extended by stipulation to and until Thursday of this week, the 24th instant, at 10 o'clock a. m. All of the actions were brought to trial and tried together before the referees. The number of days occupied in the trial and submission of the cases was twelve. In the bills of costs served, the fees of the referees in each action is stated to be two hundred and seven dollars and fifty-two cents (\$207.52), making a total of four thousand seven hundred and seventy-two dollars and ninety-six cents (\$4,772.96). In view of the fact that more days were occupied by the referees as commissioners in hearing and deciding the condemnation proceedings, and that at the time of the trial of the actions the referees had the benefit of the knowledge and information acquired by them but a short time before in said condemnation proceedings, concerning the situation of the property and the damages resulting there to by the taking of the water, and their fees in said condemnation proceedings were but \$3,200, besides disbursements for traveling and hotel expenses, we consider the charges made by them, as referees above mentioned, to be excessive, and we recommend that the city attorney be instructed to contest the allowance of the referees of a sum beyond that allowed by statute, and also that he be instructed to contest the items, trial fees and taking depositions de bene esse in the costs, and to that end recommend the adoption of the following resolution.

All of which is respectfully submitted,

J. MILLER KELLY,

P. WEIDER,

HENRY KOHLMETZ,

D. W. SELYE,

Law Committee.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the City Attorney be, and he hereby is, requested to appear at the taxation of the bills of costs and disbursements in the first sixteen entitled actions in the foregoing report of the Law Committee, and take such measures as may be necessary to prevent an allowance being made therein to the plaintiffs of the items of thirty dollars trial fee, ten dollars for trial occupying more than two days, ten dollars for taking depositions de bene esse, and two hundred and seven dollars and fifty-two cents (\$207.52) referee's fees, except that the referee's fees be allowed at the rates prescribed by the statute in such case made and provided. Adopted.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your Law Committee begs leave to submit the following as its report in relation to the matters hereinafter mentioned:

In the case of Hiram Smith and others against the city the Court of Appeals recently handed down its decision affirming the judgment of the General Term, and upon that decision judgment was entered against the city in the Ontario County Clerk's office, affirming the previous judgment for costs and an injunction, and for \$113.39 costs of the appeal to the Court of Appeals. The action, it will be remembered, was brought by various millers and other persons owning water-rights and privilege on the outlet of Hemlock Lake to obtain a judgment restraining the city and the Executive Board from taking the water from the lake under the grant made to it by the Legislature, without first compensating them for the injuries resulting from such taking. The action was begun on or about August 28th, 1878, the late Albert G. Wheeler being then city attorney. The Law Committee recommended, and the Common Council acting upon such recommendation, appointed Messrs.

Cogswell and Perkins as counsel to assist the city attorney in the defense of that action. The case was first tried before the late Justice David Rumsey on September 15, 1879, and resulted in a decision in favor of the city. An appeal was then taken to the General Term of the Supreme Court by Mr. Theodore Bacon, attorney for the plaintiffs, which resulted in a decision of affirmance. A further appeal to the Court of Appeals was taken from the judgment entered upon the decision of affirmance by the plaintiffs, and that Court, on June 5, 1883, handed down its decision reversing the judgment below and holding that the right to divert the waters to any other uses than those for which the public easement was created, i. e., for the purposes of navigation, although public in their nature, could only be acquired under and by virtue of the sovereign right of eminent domain, and upon making just compensation. The case was retried before Mr. Justice William Rumsey on July 31, 1884, upon an agreed state of facts, and resulted in a decision that the city and the Executive Board thereof be enjoined from diverting or drawing the waters of the lake, unless within six months from the date of the decision, i. e., September 23, 1884, the city should have acquired the right to divert said water, in pursuance of the Statutes in such case made and provided, without prejudice, however, to any right of the plaintiffs, or any of them, to recover damages in other actions from the city by reason of the diversion, and with leave to the city to apply upon the foot of the judgment to be entered thereon for an extension of time so limited, upon just cause being shown. Upon that decision, and on November 10th, 1884, judgment was entered in accordance therewith, and for \$1,789.13 costs, of which \$1,000.00 was an additional allowance by the Court to the costs against the city. It seems that when the city first succeeded it obtained an extra allowance of \$750.00 over and above the Statute costs, and the court deemed it proper afterwards, when the plaintiffs succeeded, to allow them an additional allowance, as aforesaid. An appeal was taken from the last mentioned judgment to the General Term, and resulted in a decision being made on July 3d, 1885, affirming the same, and judgment of affirmance was entered thereon for \$81.57 costs of the appeal against the city, on July 15th, 1885. A further appeal was taken to the Court of Appeals by Mr. Beckley, late city attorney, under the direction and consent of your honorable body and the last mentioned appeal was argued the early part of this month by Mr. Powers, the present city attorney, and has resulted, as before stated, in the judgment appealed from being affirmed with \$113.39 costs, the last mentioned judgment being entered on February 14, 1887, which said judgments bear interest from their respective dates. No further appeal can be taken, and, therefore, leaves but one course open and that is to pay the judgments.

In relation to the judgments of Emily Clark against the city, we recommend that the City Attorney be instructed to apply to the General Term, at its next session, for leave to take the case to the Court of Appeals, upon the ground that there are questions of law involved therein which ought to receive the attention and decision of the Court of Appeals. The verdict in the action was obtained for damages alleged to have been occasioned by the plaintiff by reason of the change of grade of Edward street, which was done under an ordinance passed by your honorable body. The action was tried in the County Court by the late City Attorney, Mr. Beckley, and resulted in a verdict for the plaintiff of \$300. A motion for a new trial was made by him, and that was denied. He then appealed from the judgment entered upon the verdict and the order denying the new trial to the Supreme Court, and said appeal was argued at the October (1886) General Term by Mr. Powers, then City Attorney. Mr. Powers is of the opinion that the city ought not to be held liable for the damages occasioned, and that the question involved is one that ought to be decided, as soon as possible, by the court of last resort.

With reference to the claim of Thomas W. Bowman for the payment of damages, alleged to have been sustained by him by reason of the cutter in which he was riding being upset at the Four Corners, we would recommend that the same be referred to the Executive Board to examine and report to your honorable body the course to be pursued thereon.

With reference to the decision of affirmance of the General Term, handed down Jan. 25, 1887, in the case of James H. Hooker against the city, we would recommend that the City Attorney be instructed to take a further appeal to the Court of Appeals from the judgment entered thereon, as soon as it is entered. The verdict was one for damages alleged to have been sustained by the plaintiff and others, owners of a farm in Irondequoit, by reason of the discharge of sewage from the North avenue outlet sewer into a stream passing through the premises. In a former action of Mr. Hooker against the city an appeal was taken, and is now pending in the Court of Appeals. The questions involved in the case are such as should receive the deliberate judgment of the Court of Appeals, and for that reason we recommend that an appeal in the first above mentioned action of Hooker vs. The City, be taken.

In reference to the payment of the judgment for damages and costs in the case of George Van Ingen, by guardian, against the city, we would recommend that in case the Executive Board concur with us, that such judgment be paid. The action was brought to recover damages alleged to have been sustained by the plaintiff's boy, about 12 years of age, by falling through an opening in the footway of the north side of Vincent place bridge. The Executive Board, by its employees, were at the time engaged in repairing that footway. One of the men, it appears, first tore out the planks at different points along the bridge, and the other men put new planks in place of them. It was claimed by the employees that proper guards were placed at the ends of the bridge, and that they were at the time engaged in the work of reparation. The evidence on the part of the plaintiff, however, tended to show that such a state of facts did not exist at the time of the accident. The jury found in favor of the plaintiff thereon. The boy fell a distance of about 109 feet into the water and remained under the surface of the water for a number of minutes, until a person, then on the bridge, could hasten down the bank and into the water and remove him. The damages recovered are, in the opinion of the city attorney, exceedingly favorable to the city. The plaintiff's counsel, Mr. John Van Voorhis, after the rendition of the verdict, made a motion for a new trial upon the ground that the damages were insufficient, and that motion was subsequently denied. An offer was also made on behalf of the plaintiff to Mr. Powers that if the city desired, it might have a new trial granted. In case the city appealed, the only relief it could possibly obtain would be to have the case sent back for a new trial. The amount of the judgment entered upon the verdict on January 17, 1887, is \$400.00 damages and \$32.50 costs. Interest is to be computed on that amount from the date thereof. In addition is ten dollars costs of a motion to set aside the costs, made by the city attorney, which motion was denied by the Court.

In reference to the claim of Charles Woellert for damages alleged to have been occasioned to him by reason of the overflow of the sewer in the Court and William street outlet sewer ditch passing through his premises within the city, it appears that the sewage has been and is carried under the surface of the roadway near Mr. Woellert's premises by means of three pipes, which at times proved to be of insufficient capacity to carry the same promptly, and thus the water and sewage backed up and overflowed Mr. Woellert's lands, filling his cellar and injuring the well upon his premises. It is claimed that malaria has thereby been caused, which in turn has caused illness in his family and the death of one child. As soon as the Goodman street outlet sewer is completed, it is intended to intercept the sewage above Mr. Woellert's prem-

ises and convey it through the sewer, instead of the present open ditch. Mr. Woellert offers to accept \$300 in payment of all past and future damages, and to discontinue the action brought by him in the Supreme Court, without costs, and to execute a written consent to permit the city and its officers to use the ditch in the same manner as previously, until the sewage is diverted therefrom into the Goodman street sewer. Mr. Powers is of the opinion that the settlement will be advantageous to the city to make, and, therefore, recommends that the same be made. We concur with him in that regard.

We, therefore, recommend that the following resolutions be adopted by your honorable body.

All of which is respectfully submitted,

J. MILLER KELLY,
PHILIP WEIDER,
H. KOHLMETZ,
D. W. SELYE,
Law Committee.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the Clerk be and he hereby is directed to draw an order upon the Treasurer in favor of Theodore Bacon, Esq., for one thousand seven hundred and eighty-nine dollars and thirteen cents (\$1,789.13), and interest thereon from November 10th, 1884; eighty-one dollars and fifty-seven cents (\$81.57), and interest thereon from July 15th, 1885; and one hundred and thirteen dollars and thirty-nine cents (\$113.39) and interest thereon from February 14th 1887, payable from the Contingent Fund; said order to be drawn upon the certificate of the City Attorney that proper satisfaction pieces of the three several judgments for costs in the case of Hiram Smith and others against the city of Rochester, have been executed and delivered to him.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

By Ald. Kelly—Resolved, That the City Attorney be and he hereby is instructed to apply to the General Term of the Supreme Court, at the next term thereof, to be held in Rochester on March 29th, 1887, for leave to appeal to the Court of Appeals from the judgment and order of affirmance in the case of Emily Clark against the city, and upon such consent being given, to take such appeal. Adopted.

By Ald. Kelly—Resolved, That the claim of Thomas W. Bowman, referred to the Law Committee, be, and the same hereby is, referred to the Executive Board to investigate the same and report the result of their investigations, as speedily as possible, to this Common Council, and that said Law Committee be, and it hereby is, relieved from further consideration of the claim. Adopted.

By Ald. Kelly—Resolved, That the City Attorney be, and he hereby is, directed, when judgment of affirmance is entered in the case of James H. Hooker against the city upon the decision handed down by the General Term of the Supreme Court, at Buffalo, on Jan. 25, 1887, to take a further appeal therein to the Court of Appeals. Adopted.

By Ald. Kelly—Resolved, That the clerk be and he hereby is directed to draw an order upon the treasurer, payable from the contingent fund, in favor of William Butler Crittenden, Esq., attorney for George W. Van Ingen by guardian ad litem, plaintiff, for five hundred and two dollars and fifty cents (\$502.50) with interest on four hundred and ninety-two

dollars and fifty cents (\$492.50) from January 17, 1887, said order to be drawn upon the certificate of the city attorney that proper discharges of the judgment and order allowing costs in the case of George W. Van Ingen, by guardian ad litem, against the city, have been executed and delivered to him.

In view of all the circumstances, we concur in the foregoing report of the Law Committee relative to the payment of the Van Ingen judgment, and recommend the adoption of the suggestions therein made and of the foregoing report for payment thereof.

BYRON HOLLEY,
E. KUTCHLING,
GEO. W. ALDRIDGE,
Executive Board.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly—14.

By Ald. Kelly—Resolved, That an order be drawn on the treasurer for \$300, payable out of the contingent fund, in favor of D. C. Feeley, Esq., attorney for Charles Woellert, upon the certificate of the city attorney that proper releases, stipulations of discontinuance of the action of Charles Woellert against the city, and a right of drainage in the future of the Court and William street outlet sewer sewage into and through the open ditch through his premises, until the same is diverted therefrom by the Goodman street outlet sewer now under contract for construction have been executed and delivered to said city attorney.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly—14.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—The undersigned, your Law Committee and the City Attorney, to whom was referred the resolution offered by Ald. Kelly, at your meeting held on the 15th inst., in relation to the city assuming the responsibility of any damage arising from the construction of Monroe avenue bridge and approaches, pursuant to chapter 553 of the Laws of 1886, respectfully report:

That the resolution offered is the draft prepared by the Attorney General for the Superintendent of Public Works, and, if the city desires the building and enlargement of said bridge and approaches, it will have to accept and adopt the terms of said resolution, as the State authorities refuse to accept any other terms or conditions from the city.

We, therefore, recommend that the said resolution and the preamble thereto be adopted.

All of which is respectfully submitted.

IVAN POWERS,
City Attorney.
J. MILLER KELLY,
H. KOHLMETZ,
D. W. SELYE,
PH. WEIDER,
Law Committee.

By Ald. Kelly—Whereas, By chapter 553 of the laws of 1886, the sum of \$9,000, or so much thereof as might be necessary, was appropriated out of any money in the State treasury, for the purpose of rebuilding and enlarging the bridge and approaches in Monroe avenue, over the Erie canal in the city of Rochester, which was to be paid on the warrant of the Superintendent of Public Works, provided that the city of Rochester assumes the responsibility of any damage arising from the construction of said bridge and approaches.

And, whereas, The subject of acceptance of the terms and conditions mentioned in the following resolution, relating to said bridge and its approaches, by and on the part of the city was referred to the Law Committee and the City Attorney, and said committee and attorney have reported in favor of the adoption of said resolution, it is,

Now, therefore, Resolved, That said city of Rochester does hereby in consideration of said act, and of the construction of said approaches by the State, assume such responsibility and guarantee to save the said State from any damage whatever by reason thereof, and the Mayor of the said city and the City Clerk thereof, is hereby authorized to enter into and with said State and to execute any formal instrument necessary and proper to effect said object. Adopted.

By Ald. Kelly—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your Committee on Salaries would respectfully report to your honorable body in favor of paying to assistant City Attorney Henry J. Sullivan from the first day of January, 1887, to the first day of June, 1887, a salary at the rate of \$2,000 per annum.

Your committee recommend this amount in view of the fact that the business of the City Attorney's office is largely and constantly increasing, and of the faithful and valuable character of the services rendered by Mr. Sullivan. In which opinion and recommendation your Law Committee likewise concur.

J. MILLER KELLY,

LOUIS BOHRER,

PH. WEIDER,

D. W. SELBY,

H. KOHLMETZ,

Salary and Law Committee.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

REPORTS OF SELECT COMMITTEES

By Ald. Coughlin—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—We, the undersigned, to whom, as a Committee of Investigation, it was referred by your honorable body to inquire into the reason of the failure to have exacted by the Executive Board from the contractor for laying water pipe in North St. Paul street from Atwater street to Vincent Place, was excavated, and the work begun, the execution of the contract and also the execution and delivery of a good and sufficient bond to accompany said contract by which the city would have been indemnified and protected against the damages it sustained by such trench being left unguarded, and the injuries resulting thereby to Mrs. Amelia Groves, and also to ascertain what course should be pursued in the future whereby the city can be protected from liability for damages by reason of similar or other negligent acts on the part of contractors, would respectfully report: That we have attended upon the said matter of inquiry, and have subpoenaed before us to testify various witnesses, including Messrs. Holley, Williams and Gerling, who composed the Executive Board at the time of the injury to Mrs. Groves in the trench upon North St. Paul street; also Chief Engineer Tubbs, David Clancy, John House, John B. Snyder and J. D. Lynn.

As the result of such examination your Committee are satisfied that the trench which caused the injury to Mrs. Groves, upon the 11th day of November, 1882, had been excavated previous to that accident for at least a week; that said

excavation was made by Mr. David Clancy, acting under the direction of Chief Engineer Tubbs in the prosecution of said work; that the records of the Executive Board show that it was not until the 24th day of November of that year that the chairman of the Executive Board was authorized to sign a contract with said David Clancy for the excavation of said trench.

Your committee is further satisfied that a contract and bond was then drawn up and executed, and was placed among the records of the said Executive Board's office, but that since that time the same has disappeared, either through collusion or accident; that there is no contract to be found at the present time, nor was there at the time the suit was brought, although previous to that it had been seen in the office of the Executive Board by Mr. Lynn, the attorney for Mrs. Groves, who examined the said contract with a view of ascertaining some matters concerning the excavation of such trench, which he did ascertain from a perusal of the same.

Your committee also finds that Mr. Holley, as chairman of the Executive Board, was directed by a resolution of the Board to execute said contract, but that Mr. Holley, in his testimony, declares that he is unable to state, from any memorandum or from recollection, whether he ever did execute such a contract or not.

As the result of your committee's investigation we are deliberately of the opinion that the city of Rochester has suffered a loss of twenty-three thousand dollars (\$23,000) by reason of the injuries sustained by Mrs. Groves by the trench upon North St. Paul street, which was left unguarded at the place of the accident by those having charge of its construction, that said loss of twenty-three thousand (\$23,000) dollars was an entirely needless loss, as the city could easily have been indemnified by the contractor executing a contract and giving proper and sufficient bonds, to protect the city from liability for his negligence before the commencement of the excavation, and also by the same being properly preserved in some place of safe keeping.

Your committee have, therefore, to recommend that, in the future, more caution be exercised by the Executive Board in permitting excavations in our public and much traveled streets, by those who are in no way responsible for damage, that the city may thereby sustain; that said board adopt a system by which a memorandum can be kept of the contracts signed, the name of the bondsmen, and the amount of liability, and that it be done by the chairman of the board; also, that care be exercised in the preservation of the bonds and contracts after it becomes known that those executing them are liable, to indemnify the city, by reason of injuries sustained through their lack of care and proper management; and in case of failure to do so, that the members of said board, who are guilty of such dereliction of duty, as was manifest in the case under your committee's consideration, be at once summoned by your honorable body to show cause why they should not be removed for misconduct in office, as is provided by section 153 of the city charter.

All of which is respectfully submitted.

WM. COUGHLIN, JR.,

W. MANDEVILLE,

Committee.

Adopted.

By Ald. Foley—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your special committee on police patrol respectfully reports to your honorable body that, in company with the mayor and police commissioners, it has thoroughly inspected the police patrol system, as constructed by the Game-well Fire Alarm Telegraph Company under a contract made between said company and the city, and do report as the result of such investigation that said system has been properly constructed in all respects in accordance with the requirements of said contract, and do recommend that the said

system be accepted on behalf of the city and that the contract price be paid the said company.

All of which is respectfully submitted,
J. H. FOLEY,
WM. H. TRACY,
W. MANDEVILLE,
FRANK FRITZSCHE,
Committee.

Ordered received, filed and published.

By Ald. Foley—Resolved, That the Police patrol system, constructed by the Gamewell Fire Alarm Telegraph Company, in accordance with the contract between said company and the city of Rochester, be and the same hereby is accepted by and on the part of the city, and that the contract price be paid to the said company, as provided therein.

Adopted by the following vote :

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Switkenard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

Ald. Watson, of the Finance Committee, to which was referred the matter of the lighting of the kerosene oil lamps, submitted the following :

OFFICE OF THE CITY ATTORNEY, }
19 City Hall Building, }

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—The undersigned, to whom was referred the question, whether, if by the contract of the lamp contractor the city can deduct for unlighted lamps, respectfully reports that in his opinion, if it can be established by competent legal evidence that any of the oil lamps have not been lighted by, or under the direction of the contractor in accordance with the terms and conditions of your resolution and the specifications contained in the advertisements for bids from contractors of your Lamp Committee, a proper and proportionate deduction can be made on account thereof from any moneys due, or to grow due to said contractor. All of which is respectfully submitted,

IVAN POWERS, City Attorney.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, Feb. 18, 1887. }

To the Hon. the Common Council:

GENTLEMEN: Some time during the season of 1886 a petition was presented asking to have the Holly water main extended across the Erie canal on Jay street to protect the manufacturing interests on the west side of the canal from fire.

As the work could not be done during the season of navigation, the said petition was referred to the Water Works Committee and the Executive Board. The parties in interest are now pressing the extension across the canal previous to the opening of the canal this Spring.

The Executive Board recommends that said extension be made across the canal this Spring, as requested. The necessary pipe for the purpose is on hand and the cost of the work will not probably exceed \$450, which sum may be paid from moneys already in the Water Pipe Extension Fund.

Respectfully submitted,

BYRON HOLLEY,
E. KUTCHLING,
GEO. W. ALDRIDGE,
Executive Board.

Ordered received, filed and published.

By Ald. Fritzsche—Resolved, That the Executive Board be and it is hereby authorized to extend a suitable Holly water main across the Erie canal on Jay street previous to the open-

ing of navigation on said canal for the coming season and to pay the cost thereof from moneys already provided for the Water Pipe Extension Fund. Adopted.

By the Clerk—

ROCHESTER, Feb. 23, 1887. }

To the Hon. the Common Council:

GENTLEMEN—A majority petition has been prepared and is to be presented to the Common Council asking for the extension of water pipe in Rowe street from Fourth street to the city line. To render this extension possible during the coming season it will be necessary to extend the water pipe across the Erie canal, on said street, previous to the opening of canal navigation. We therefore recommend the passage of the annexed resolution.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Fritzsche—Resolved, That the Executive Board be and it is hereby directed to extend a suitable water main across the Erie canal on Rowe street, previous to the opening of navigation this year, at an estimated expense of \$700, and to pay the cost of said work out of any moneys which may be now or hereafter appropriated for the Water Pipe Extension Fund. Adopted.

To the Common Council:

GENTLEMEN—For some time past the Executive Board has endeavored to obtain from owners of property proposed to be taken for the extension of Clifford street from North avenue to Goodman street, the prices at which said lots or parcels of land could be purchased, in accordance with the terms of a resolution adopted by your Board; but every effort to obtain prices from all the owners has failed; and of the number of those who have tendered propositions many of them have asked sums which are so much in excess of the real value of the land that the Executive Board begs leave to refer the subject matter back to your honorable body for such proceedings, as, under the circumstances, the city charter prescribes shall be taken.

THOMAS J. NEVILLE, Clerk.

To the Executive Board

GENTLEMEN: Whereas, By agreement made and executed on the 18th day of December, 1882, between the city of Rochester of the first part and Gertrude Schum of said city of second part, a right of way was granted said city by said Gertrude Schum, across the premises of said Gertrude Schum, for the purpose of constructing, cleaning, widening, deepening, straightening and maintaining a ditch, trench or sewer in connection with the Court and William street sewer, so-called, in said city, for the purpose of furnishing an outlet for the sewage therefrom onto and across said premises; and,

Whereas, By said agreement such right of way, as aforesaid, was to be terminated by giving written notice to the Executive Board of the city of Rochester by said Gertrude Schum of her intention to terminate such grant of right of way;

Now, therefore, in pursuance of said agreement and the right therein given me, said Gertrude Schum, I do hereby give due written notice to said Executive Board of the city of Rochester of my intention to terminate said grant of right of way at the expiration of two years from the date of the service of this notice.

Ordered received, filed and published.

By the Clerk—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN: The undersigned who were appointed by order of the County Court of Monroe county, duly granted and entered on the 13th day of September, 1886, commissioners to inquire into and determine to what damages and compensation the owners and occupants of the lands to be taken for the opening of a street from Campbell street to Jay street in the city of Rochester will be entitled, do respectfully report and certify their award of damages as incident to the opening of said street as follows:

The several pieces and parcels of land required for such purpose and necessary for the opening of said street are situated within the city of Rochester and are described as follows: Beginning at a point in the south line of Jay street one hundred and twenty feet east from the west line of lot No. 23 according to a map of a part of lot No. 66 in the 20,000 acre tract made by Silas Cornell, city surveyor, and filed in the Monroe county clerk's office October 2d, 1838, and running thence east in the south line of Jay street forty feet. Thence south on a line parallel to the west lines of lots Nos. 23 and 29 to the south line of lot No. 29; thence west on the south line of lot No. 29 forty feet; thence north on a line parallel to the west line to the place of beginning. These premises are owned by the heirs at law of John Lintz, deceased, viz.: John Lintz, Elizabeth Brayer and Mary Hook, subject to the life interest of Barbara Lintz, widow.

Also, all that other tract or parcel of land in said city, described as follows: Beginning at the southeast corner of the premises above described; thence westerly on the south line of said Lintz land forty feet; thence southerly in the prolongation of said west line of the above described premises to the south line of lot 30, as laid out on said Silas Cornell's map; thence easterly along said south line of lot 30, 40 feet; thence northerly on a line parallel with the west line to the place of beginning. These premises are owned by Catherine Metzgar. Also, all that other tract or parcel of land situated in said city, described as follows: Beginning at the south-east corner of the last described premises; thence westerly on the south line of lot 30, 40 feet; thence southerly in the prolongation of said west line of the above described premises to a line drawn from east to west through the center of the lands heretofore conveyed to John Ries by George Hertel and wife, by deed, dated January 8th, 1846; said land so conveyed

being lot 31 and the north one-half of lot 32, as laid out on said Cornell map; thence easterly along said line forty feet; thence northerly on a line parallel with the west line to the place of beginning. These premises are owned Peter Drexelius.

Also all that other tract or parcel of land in said city described as follows: Beginning at the south-east corner of the last described premises; thence westerly along the south line of said last described premises forty feet; thence southerly in the prolongation of the west line of the premises before described to a point half way to the south of the remaining half of the said land conveyed to said John Ries; thence easterly parallel with the north line forty feet; thence northerly parallel with the west line to the place of beginning. These premises appear to be owned by John George and Elizabeth Lintz, but are assessed to and claimed by Barbara Spitz.

Also all that other piece or parcel of land in said city described as follows: Beginning at the south-east corner of said last described premises; thence westerly along the south line of the last described premises forty feet; thence southerly in the prolongation of the west line of the before described premises to a line drawn from east to west through the center of lot 32 as laid down on said Cornell map; thence easterly along said line forty feet; thence northerly on a line parallel with the west line to the place of beginning. These premises are owned by the heirs of John Lintz, deceased, viz.: John Lintz, Elizabeth Brayer and Mary Hook, subject to the life interest of Barbara Lintz, widow.

Also all that other piece or parcel of land in said city described as follows: Commencing at the southeast corner of the last described premises; thence westerly along the south line of the last described premises forty feet; thence southerly to the south line of lot 32 on said Cornell map; thence easterly along the south line of said lot 32 forty feet; thence northerly on a line parallel with the west line to the place of beginning. These premises are owned by Aloisus and Magdalena Fellman.

Also all that other piece or parcel of land in said city described as follows: Beginning at the south-east corner of said last above described premises; thence westerly along said south line of said last described premises, forty feet; thence southerly in the prolongation of the west line of the before mentioned premises, forty-eight feet six inches; thence easterly on a line parallel with the north line, forty feet; thence northerly on a line parallel with the west line to the place of beginning. These premises are owned by the heirs of John Thoma, deceased.

Also, all that other piece or parcel of land in said city described as follows: Beginning at the south-east corner of the last above described premises, thence westerly along said south line of said last described premises, forty feet; thence southerly in the prolongation of the west line of the before described premises to the north line of Campbell street; thence easterly along the north line of Campbell street, forty feet; thence northerly on a line parallel with the west line to the place of beginning. These premises are owned by the heirs of John Wackerman, deceased, viz.: Frank Wackerman, John P. Wackerman, Mary Saxe, Clara Hornung, Frank M. Krebs, son of Catherine Krebs, deceased, daughter of said John Wackerman; and Jacob W. Brayer, Nicholas Brayer, Mary Odenbach, Margaret C. Howe, John M. Brayer, Clara M. Brayer, Elizabeth Brayer, William W. Brayer, and George E. Brayer, children of Elizabeth Brayer, deceased, daughter of said John Wackerman, all of whom are of full age, except William W. Brayer and George E. Brayer, who are infants, and for whom Richard H. Schooley, Esq., was duly appointed guardian ad litem.

Therefore we, the Commissioners, having been duly sworn as required by the statute in such case made and provided, and having all met and acted on the matter submitted to us at the City Attorney's office in the City Hall building, Rochester, N. Y., pursuant to a notice of at least ten days,

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, Feb. 23, 1887.

To the Common Council:

GENTLEMEN—The Executive Board desires to call your attention to the fact that two sections of the north roadway of Court street bridge were entirely destroyed last Friday, the 18th inst., and another truss was subsequently damaged by the wind pressure exerted on the trusses by certain large telegraph poles belonging to the Western Union Telegraph Company.

Since the date mentioned the bridge has been entirely closed until thorough examination and repair of the parts left standing can be made. As soon as this work, which is now in actual progress has been completed the south roadway and sidewalk of the structure will promptly be opened to public traffic.

In consequence of the central location of the bridge, it becomes desirable to restore the two sections of the north roadway and the defective trusses as soon as practicable. The telegraph company was last Friday requested by this Board to replace said sections, and also to repair the remainder of the structure wherever damaged as aforesaid, but no response from said company has yet been received. It will, probably, be found necessary for the city to make all the needed reconstruction and repairs, and thereafter to seek a proper recovery of the expense thus incurred from the telegraph company by legal procedure.

No funds for this purpose are now available to the Executive Board, and hence the subject of the restoration of the bridge is submitted to your honorable body for suitable action.

It is the opinion of this Board that in order to make the cost as little as possible the same kind of truss as exists in the remainder of the bridge be used in such restoration, but that wrought iron instead of cast iron transverse beams be used to support the flooring. Doubtless new wrought iron or steel main trusses of approved design would be preferable, yet it is fair to assert that a bridge of the type now standing, and with the modifications suggested can be made safe.

No accurate estimates of the cost of fully restoring the bridge can at the present time be submitted. It is thought, however, that the sum of \$5,500 will be sufficient to perform all work necessary to the re-opening of the structure.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Watson—Resolved, That the City Treasurer be and hereby is authorized and directed to make the city's note for the sum of five thousand five hundred dollars (\$5,500,) payable in four months from date, and get the same discounted, and place the proceeds thereof to the credit of the highway fund, for the purpose of restoring those portions of Court street bridge demolished and damaged on Friday, the 18th inst., and charge the discount to the contingent fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

By Ald. Watson—

AN ACT to authorize the City of Rochester to levy a tax for the purpose of erecting new school buildings.

The people of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The Common Council of the City of Rochester is hereby authorized and empowered to levy a tax of thirty thousand dollars in the general tax levy for the years eighteen hundred and eighty-seven and eighteen hundred and eighty-eight in addition to the amount provided for by sub-division six of section 129 of the charter of said city, for the purpose of erecting new school buildings and the

published according to law, and having taken a view of every part of the premises affected by this proceeding, and having heard the proofs and allegations of the respective parties in interest, do thereupon determine and appraise the damages which the several owners and occupants of the land and premises thus to be taken for the opening of said street will severally sustain by being deprived thereof, and fix the compensation which each of the aforesaid owners and occupants shall receive therefor as follows:

The awards made, after deducting all taxes and assessments which have become a lien upon the land described, and which are now due, to be paid as hereinafter provided.

To John Lintz, Elizabeth Brayer and Mary Hook \$1,234.71, payable to them.

To Barbara Lintz, \$565.29, payable to her.

To Catharine Metzgar \$1.00, payable to her.

To Peter Drexelius \$1.00, payable to him.

To Barbara Spitz, \$1.00, payable to her.

To John Lintz, Elizabeth Brayer and Mary Hook, heirs at law of John Lintz, deceased, and Barbara Lintz, widow, one dollar, payable to them.

To Aloisus Fellman and Magdalena Fellman, one dollar, payable to the Rochester Savings Bank.

To Urban Thoma, Magdalena Fellman, Catherine Ebie, John Thoma, Joseph Thoma, Frank Thoma, heirs at law, and Theresia Thoma, widow of John Thoma, one dollar, payable to them.

To Frank Wackerman, John P. Wackerman, Mary Saxe, Clara Hornung, Frank M. Krebs, Jacob W. Brayer, Nicholas Brayer, Mary Odenbach, Margaret C. Howe, John M. Brayer, Elizabeth Brayer, William W. Brayer, Clara M. Brayer and George E. Brayer, one dollar, payable to them.

Dated Rochester, N. Y., February 23, 1887.

Respectfully submitted,

JOHN J. SNELL,
BERNARD SCHWAB,
JOHN R. FANNING,
Commissioners.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the next meeting of the Common Council, Wednesday evening, March 9th, 1887, be and is hereby designated as the time when any objections to the confirmation of the report of the commissioners in the matter of opening a new street from Campbell street to Jay street will be heard. Adopted.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, Feb. 23, 1887.

To the Honorable the Common Council:

GENTLEMEN—From answers received from lead dealers in reply to inquiries made, we are satisfied that a rise in market price of pig lead is imminent. We therefore advise that this Board be authorized to purchase such an amount of pig lead as will be required to lay the 350 tons of water pipe recently authorized by your Board.

Respectfully submitted,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Fritzsche—Resolved, That the Executive Board be and it is hereby authorized to purchase 25,000 pounds pig lead, and the City Treasurer is authorized, under the direction of the Finance Committee, to raise, on the credit of the city in anticipation of the next tax levy, such sum as may be required to pay for said lead when so purchased.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

By Ald. Watson—

purchase of the necessary sites therefor, during the years eighteen hundred and eighty-seven and eighteen and eighty-eight.

§ 2. said amount of thirty thousand dollars, or such part thereof as may be necessary, shall, if raised by taxation as aforesaid, be placed to the credit of the building fund of the Board of Education of said City of Rochester. And said building fund shall be used for no other purpose than as specified in section one of this act.

§ 3. This act shall take effect immediately.

Referred to the Committee on Schools and Public Health.

By Ald. Stein—Petition for improving Hudson street; referred to the City Surveyor to prepare an ordinance.

Ald. Kelly moves that when the Council adjourn it be until March 9th. Adopted.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

HUDSON STREET ASPHALT PAVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing an asphaltic pavement in Hudson street, with the necessary work connected therewith.

Adopted.

The surveyor submitted as such estimate, \$21,000.

By Ald. Kohlmetz—Resolved, that the following improvement is necessary, viz:

The construction of a genuine asphaltic pavement in Hudson street, from the north line of the crosswalk on the north side of Channing street to the south line of the crosswalk on the south side of Clifford street, with lines of Medina stone curb on each side of Hudson street within the terminal limits named, said curb lines to be parallel to and nine (9) feet from the medial line of said Hudson street; also the examination, cleaning and repairing of existing main sewers; the repairing and modification of the old and the construction of new main and surface sewers where needed; the extension of the lot laterals, water and gas surface pipes where now found and their extension is necessary; the construction of new lot laterals and the laying of new water and gas surface pipes where now demanded or their future use can be anticipated; also the taking up and resetting or relaying of existing curbstones and of the terminal and parallel crosswalks where the material proves of good quality but are not on proper grades and alignments, and the substitution of good material for those which may be found defective.

And whereas, The City Surveyor, under the direction of this Council has made an estimate of the whole expense thereof, and reports the same at \$21,000, which estimate is hereby approved;

Resolved, further, That the following portion of said city is deemed benefited and proper and ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Hudson street, from Channing street to Clifford street, in proportion to the benefit which each will derive therefrom.

And further resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880 of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Wednesday evening, March the 9th, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted

TROUP STREET SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in a portion of Troup street.

Adopted.

The surveyor submitted as such estimate \$2,050.

By A. d. Marson—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer fifteen (15) inches in diameter in Troup street, beginning at a point thirty (30) feet east of Prospect street, and extending

eastward to meet the existing sewer in Troup street aforesaid, and the taking up and deepening of the present sewer and continuing it to the Genesee Valley canal sewer, substituting for the portions of the pipe in the old sewer which are found defective, sound vitrified pipe of the same dimensions; also the construction of new manholes and surface sewers where

mon Council at the time appointed in said notice, and, after hearing such allegations from all persons appearing.

Ald. Kohlmetz submitted the following:

An ordinance to construct a plank sidewalk on West Orange street, from the present terminus thereof to Ames street.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a plank sidewalk four (4) feet wide on the north side of West Orange street from the present terminus of West Orange street aforesaid to Ames street, with the required crosswalks, sidewalk grading and gutter formation.

And the whole expense should be defrayed by the assessment upon the lots and parcels of land to be benefited thereby hereinafter described; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reports the same at \$200, and said estimate being deemed reasonable, is hereby approved; and the portion of said city which said Common Council deem will be benefited by and ought to be assessed by a local assessment for the whole expense of said improvement is described as follows:

One tier of lots and parcels of land on the north side of West Orange street, from the present western terminus thereof to Ames street.

On which above described lots and parcels of land

the whole expense of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit and advantage which each derives therefrom.

PLYMOUTH AVENUE LIFT BRIDGE.

On motion of Ald. Bohrer the Common Council proceeded to hear allegations in relation to the improvement described in the ordinance below, the said Common Council, before determining to make such public improvement, having caused an estimate of the cost to be made, and by an entry in their minutes having described the portion and part of the city which they deemed proper to be assessed for the expense of such improvement, and also a notice to be heretofore published daily, in at least two of the daily newspapers printed in the city of Rochester, for four days, which notice specified such improvement, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and which notice also required all persons interested in the subject matter of such improvement to attend the said Common Council at the time appointed in said notice, and, after hearing such allegations from all persons appearing,

Ald. Bohrer submitted the following:

An ordinance to construct a lift bridge on Plymouth avenue over the Erie canal.

The Common Council of the city of Rochester do ordain and determine that the following improvement is necessary and should be made to wit:

The construction of a wrought iron lift bridge across the Erie canal at Plymouth avenue, and the hydraulic motor power to operate the same; also, the necessary abutments and the grading of the bridge approaches.

And the whole expense should be defrayed by the assessment upon the lots and parcels of land to be benefited thereby, and the City Surveyor, under the direction of this Council, having made an estimate of such expense and reports the same at \$16,500, and said estimate being deemed reasonable, is hereby approved; and the portion of said city which said Common Council deem will be benefited by and ought to be assessed by a local assessment for the whole expense of said improvement is described as follows:

The board of assessors are hereby requested and directed to assess one-half of the total expense of this improvement upon one tier of lots and parcels of land on each side of Plymouth avenue, from Main street to Spring street, and the balance thereof upon one tier of lots and parcels of land on each side of the following named streets and avenues within the limits mentioned, viz: Plymouth avenue, from Spring street to the B., N. Y. & P. H. R.; Washington street, from the Erie canal to Atkinson street; Spring street, from School alley to Caledonia avenue; Livingston park, from Spring street to Troup street; Troup street, from School alley to Caledonia avenue; Greenwood avenue, from Troup street to Atkinson street; Atkinson street, from Plymouth avenue to Caledonia avenue; Eagle street, from Troup street to the south end thereof; Adams street, from Plymouth avenue to Caledonia avenue; Tremont street, from Plymouth avenue to Caledonia avenue; Edinburgh street, from Plymouth avenue to Caledonia avenue; Glasgow street, from Plymouth avenue to Caledonia avenue; Main street, from State street to Washington street; Sophia street, from Main street to Center street; Greig street, from Plymouth avenue to Clarissa street; and Clarissa street, from the intersection of Greig street and Clarissa street to Plymouth avenue, in proportion to the benefit which each will derive therefrom.

On which above described lots and parcels of land the whole expense of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit and advantage which each derives therefrom.

And it is further ordained and determined that the taxpayers to be assessed for making such improvement, may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of such roll; and the

remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed of six per cent. per annum.

Ald. Marson presented a remonstrance.

Ald. Stein also presented a remonstrance.

MISCELLANEOUS BUSINESS.

By Ald. Coughlin—

EXCISE BOARD OFFICE,
CITY BUILDING, FRONT STREET,
ROCHESTER, N. Y., Jan. 11, 1887.

To the Hon. the Common Council:

GENTLEMAN—John E. Murphy took out a \$30 licence March 1, 1886. He claims he went out of business when Mr. E. W. Budd bought him out, viz., July 1, 1886. He now desires a rebate in proportion to the unexpired time his license was to run, viz., eight months. We have no suggestions to make, but leave the matter entirely to your honorable body.

Yours, etc.,
POMEROY P. DICKINSON,
CONRAD HERZBERGER,
JAMES MALLEY,

Excise Commissioners.

P. S.—Mr. Budd, who bought out Mr. Murphy, took out a new license for the same place at the time he bought.

Referred to the Committee on Police, Excise and Markets.

By Ald. Coughlin—Resolved, That the clerk draw an order on the city treasurer in favor of John E. Murphy for \$20 and charge Poor Fund. Referred to the Committee on Police, Excise and Markets.

By Ald. Watson—Resolved, That the clerk draw an order on the City Treasurer, in favor of the Gamewell Fire Alarm Telegraph Company for eleven thousand dollars (\$11,000) for the payment of the police patrol system in accordance with the terms of the contract between the city of Rochester and the Gamewell Fire Alarm Telegraph Company and charge Fund for Equipment of Police Patrol.

Adopted by the following vote:

Ayes—Ald. Tracy, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Stein, Kelly, Schaeffer—13.

By Ald. Kohlmetz—Resolved, That the person or persons whose duty it is to keep the shade or ornamental trees in front of his, her or their premises trimmed, so that the project-

ing limbs and boughs shall not be less than nine feet above the roadway or sidewalk, and so as not in any manner to interfere with or obstruct the light of the public lamps in any street, avenue, lane, alley or place within the city, are hereby notified to comply with the ordinance relating to the same, namely, section 21 of the ordinance relating to streets, passed February 15, 1887, within four weeks from this date, or in default, that the Executive Board be, and it is hereby, directed to cause the same to be done at the expense of the owner of the lot in front of which the tree or trees shall or may be placed, in accordance with said section, and also to enforce the other provisions of said section relating thereto. Adopted.

By Ald Selye—Resolved, That the city surveyor be, and hereby is, directed to prepare an ordinance providing for the laying of a sewer in Costar street in accordance with the suggestion of the Board of Health; and that the surveyor report the same to this Board at its next regular meeting. Adopted.

By Ald. Swikehard—Petition for the improvement of Saxton street sewer. Referred to the city surveyor or to prepare an ordinance.

By Ald. Bohrer—Resolved, That the Executive Board be requested to place a fire alarm box in the vicinity of North avenue and Andrews street. Adopted.

By Ald. Kelly—Resolved, That the Executive Board be, and they hereby are, requested to place a fire alarm box near Rowe street canal bridge. Adopted.

By Ald. Tracy—Resolved, That permission be granted to Culhane & Emerson to give exhibitions and museum in the Fitzhugh street rink for one year on paying into the treasury the sum of \$25. Adopted.

By the Clerk—

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Feb. 28, 1887.

Peter Sheridan, City Clerk:

DEAR SIR: Please call a special meeting of the Common Council for Monday evening, Feb. 28th, 1887, at 7 o'clock, for the purpose of considering the proposition of Mr. Emil Kuichling to prepare maps, plans and specifications for the construction of a trunk sewer on the east side of the river, and for such other business as may be brought before the meeting.

WILLIAM H. TRACY, Acting Mayor.

Ordered received, filed and published.

By Ald. Mandeville—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: We, the undersigned, your Map and Survey Committee, to whom it was referred to devise a general plan for the interception and disposal of the sewage from the eastern and northern portions of the City of Rochester, would respectfully report:

That we have given the matter thereof our careful inquiry and attention, and we would recommend the adoption by your honorable body of the proposition submitted to us, as your committee, by Mr. Emil Kuichling, to devise a general plan for the interception and disposal of the sewage aforesaid, and also furnish a final report, estimates of the costs, and general maps and plans for said sewer, which proposition is to the following effect:

First. A sufficient guaranty of continuance of personal employment for a period of, at least, one year from date or appointment.

Second. Payment for said personal service at the rate of \$5,000 per annum, during the period of, at least, one year.

Third. Payment of necessary traveling expenses, if required by the committee, or by the exigencies of the work, to perform such service outside the city.

Fourth—To be allowed to select and employ one principal assistant at an expense not to exceed \$2,500 per annum.

Fifth—To be allowed to select and employ additional necessary assistance, principally for field work, to an extent not exceeding \$2,500 per annum.

Sixth—The committee to provide all necessary office accommodation and stationery.

Seventh—The committee to place at Mr. Kuichling's disposal all maps heretofore made under the direction of the Board of Health and the City Surveyor, relating to said sewer and its tributaries; also to cause all necessary excavations and borings to be made, in order to determine the elevations of existing sewers and the character of the soil in the line of the intercepting sewer.

Eighth—That the work contemplated in the foregoing, together with the final report, which shall embrace the consideration of the several different methods of sewage disposal that may be applicable in this case, will be completed within one year from the date of appointment.

Your committee recommends that the Mayor be authorized to enter into a contract with Mr. Kuichling to the foregoing effect, said contract to be approved as to form by the City Attorney.

Respectfully submitted,

W. MANDEVILLE,
PHILIP WEIDER,
D. W. SELYE,
H. KOHLMETZ,

Map and Survey Committee.

Ordered received, filed and published.

Ald. Kelly moved that the report be laid on the table until the next meeting. Adopted.

By Ald. Mandeville—

ROC ESTER, N. Y., Feb. 26, 1887.

To the Hon. Common Council:

GENTLEMEN—We the undersigned citizens of the city of Rochester respectfully petition your honorable board to construct a new bridge over the Genesee river at Court street.

Our reason for making this request is, that in our estimation, and from such information as has been given us by competent engineers, the present structure with such repairs as it would be possible to make, would still be both unsafe and unequal to the present needs of the city:

REPORTS OF STANDING COMMITTEES.

By Ald. Mandeville—

Gentlemen of the Common Council:

Your committee on schools, to whom was referred the proposed act to authorize the city of Rochester to levy a tax for the purpose of erecting new school buildings, which was presented by Ald. Watson at your last meeting, respectfully report as follows:

A careful investigation of the subject has satisfied your committee that there is a shameful lack of the proper accommodations for a large number of the children belonging in our public schools, and that to longer neglect to provide suitable, comfortable and healthful school buildings for them would in some localities, at least, be a neglect of duty which, being delayed much longer, would be almost a crime.

Your Committee learn by conference with the Special Committee of the Board of Education that the thirty thousand (\$30,000) dollars extra appropriation asked for is to be apportioned as follows: Ten thousand (\$10,000) dollars for the erection of a new school building in District No. 20, and twenty thousand (\$20,000) dollars for the purchasing of the necessary site and the erection of a school building in District No. 21, the regularly authorized yearly appropriation of fifteen (\$15,000) dollars being entirely inadequate to more than meet the demands which will be made upon it in the enlargement of the school buildings in Districts Nos. 3, 4, 9 and 25.

Your Committee have learned further that if the above-mentioned sums are set aside and used for the schools above designated, there is still another school to be provided for, whose present condition is such as to warrant the gravest apprehensions. We refer to Public School No. 14, and in explanation would call your attention to the following communication:

ROCHESTER, Feb. 23, 1887.

To the Honorable the Board of Education:

GENTLEMEN—The undersigned builders having been requested by the president of your Board to examine school No. 14, located on Scio street, and report upon its condition, we respectfully report, we have made a thorough examination of the said building and find the same in a defective condition. While we do not think there is any immediate danger, yet from its present construction it will continually grow worse, requiring large and extensive repairs to make it secure. The building cannot be made strong and substantial without making such outlay that, in the long run, it will be, in our opinion cheaper to replace it with a new and properly constructed building.

The foundations and walls have settled badly, and the addition of the third story some years since has added greatly to the weight of walls and foundations never intended for such a structure.

JOHN LUTHER,
THOMAS W. FINNUCANE,
J. H. GRANT,
GEORGE A. HOTCHKIN.

The above report was carefully worded in order not to excite unnecessary alarm, but the real facts are more serious than the report would seem to warrant. Your committee are of opinion that there is not, nor can there be, any real economy in withholding such sums as are necessary to make our public schools what they should be, the pride and boast of our free institutions, and we would therefore recommend the passage of the following act:

W. MANDEVILLE,
CHARLES WATSON,
WM. COUGHLIN, JR.,
JOHN H. FOLEY.

Committee.

Ordered received, filed and published.

By Ald. Mandeville—An act to authorize the city of Rochester to levy a tax for the purpose of erecting new school buildings.
The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The Common Council of the city of Rochester is hereby authorized and empowered to levy a tax of fifty-five thousand (\$55,000) dollars in the general tax levy for the years eighteen hundred and eighty-seven and eighteen hundred and eighty-eight in addition to the amount provided for by sub-division six of section 129 of the charter of said city, for the purpose of erecting new school buildings and the purchase of the necessary sites therefor, during the years of eighteen hundred and eighty-seven and eighteen hundred and eighty-eight.

Section 2. Said amount of fifty-five thousand (\$55,000) dollars, and said building fund shall be used as follows: Ten thousand (\$10,000) dollars thereof for the erection of a new school building in District number twenty; twenty thousand (\$20,000) dollars thereof for the purchase of a necessary site and the erection of a school building in District number thirty-one; and twenty-five thousand (\$25,000) dollars thereof for the erection of a school building upon the site of the one now condemned in District number fourteen of the Tenth ward, and said building fund shall be used for no other purpose than as specified in this act.

Section 3. This act shall take effect immediately.

Adopted by the following vote:
 Ayes—Ald Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Mandeville, Swikehard, Weider, Kelly—11.
 Nays—Ald. Selye—1.

COMMUNICATIONS FROM HIS HONOR THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCER.

By Ald. Watson—
 To the Hon. the Common Council:
 GENTLEMEN—The undersigned have observed through one of the city newspapers, that the proposed act for the establishment of the police pension fund has been introduced into the Legislature now in session at the city of Albany. If this measure has been so introduced it has been without the knowledge of the undersigned, as it was and is our purpose that this measure shall receive your approval before any further movement is had to the end that it may become a law.

We remain, gentlemen, yours etc.
 CHAS. MCCORMICK,
 JOHN C. HAYDEN,
 THOMAS DUKELOW,
 W. R. MCARTHUR,
 B. C. FURTHERER.

Committee on behalf of the police, in the proposed pension act.

Ordered received, filed and published.
 Ald. Mandeville moved that the City Clerk ask Assemblyman Maurer to move no further in the matter of the passage of the bill until some action is taken thereon by the Common Council. Adopted.

By Ald. Fritzsche—
 OFFICE OF THE EXECUTIVE BOARD,
 ROCHESTER, March 9, 1887. }

To the Hon. the Common Council:
 GENTLEMEN:—In order to bring into use the Holly water main, laid by your direction in West avenue, from the Genesee Valley canal eastward to Favor street, last fall, it will be necessary to

make the crossing under the said Genesee Valley canal previous to the opening of navigation. The Executive Board therefore respectfully recommends that the Common Council shall authorize said extension to be made immediately. The estimated cost is \$600.

Respectfully submitted.
 BYRON HOLLEY,
 E. KUIHILLING,
 GEORGE W. ALDRIDGE,
 Executive Board.

Ordered received, filed and published.
 By Ald. Fritzsche—Resolved, That the Executive Board be and it is hereby authorized to extend the Holly water main across the old Genesee Valley canal on West avenue, so as to connect the lines already laid on each side thereof and bring into use the line between said canal and Favor street; and to pay the cost thereof out of any moneys which may be now or hereafter appropriated for the water pipe extension fund. Adopted.

By the Clerk—
 MAYOR'S OFFICE,
 ROCHESTER, March 8, 1887. }

Gentlemen of the Common Council:
 At your last regular meeting a resolution was adopted, reading as follows:

"Resolved, That permission be granted to Culhane & Emerson to give exhibitions and museum in the Fitzhugh Street Rink for one year on paying into the treasury the sum of \$25."

The said resolution is hereby returned disapproved, and my reasons for such action are as follows:

The resolution fails to specify the character of the "exhibitions and museum" which are to be given in said rink, and no provision is made for the revocation of the permission which is thus given, and which is to extend through the period of one year. Moreover, by the advertisements issued for the proposed place of amusement it appears that the first entertainments offered are intended to be accompanied by brass-band and other musical exhibitions more or less noisy in their character. I very much doubt the propriety of granting a license for the conversion of the Fitzhugh street rink into a place of amusement of that nature. It is located immediately south of a church, which especially at this sacred season, is in almost constant use for purposes of religious worship. It is in close proximity to the Free Academy, the City Hall and the Court House. The sounds of a brass band or musical exhibition in the rink could not but seriously interfere with the service of the church, the business of the City Hall and the proceedings of the courts.

CORNELIUS R. PARSONS, Mayor.
 The chairman stated the question to be, shall the resolution stand as an order of the Board, notwithstanding the objections of his Honor, the Mayor. Lost by the following vote:
 Nays—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Kelly—12.

By the Clerk—

To the Common Council:

GENTLEMEN—I hereby report that the City Assessors have delivered to me the assessment roll for West Avenue Asphaltum Improvement, certified and sworn to as required by law.

PETER SHERIDAN, City Clerk.

Ordered received, filed and published.

Allegations being called for and no person appearing, Ald. Foley submitted the following: Resolved, That the assessment roll for West Avenue asphaltum improvement be, and hereby is confirmed.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swick-bard, Weider, Kelly—12.

Ald. Mandeville asked and obtained unanimous consent to present the following:

By Ald. Mandeville—Resolved, That the Western New York Mutual Telegraph and Telephone Company be allowed to place their wires on the city buildings on Front street for the purpose of making practical test of the writing telegraph instrument, said wires subject to removal by order of the City Property Committee of the Common Council. Adopted.

Ald. Kelly called from the table the following, published at page 406 of current proceedings:

MAYOR'S OFFICE,
ROCHESTER, Jan. 19, 1887. }

Gentlemen of the Common Council:

Alderman Schaeffer's resolution, adopted by your Board at its last regular meeting, authorizing the Treasurer to receive from William J. Sheridan certain back taxes and assessments, without interest, is hereby returned disapproved. The amount of interest which has accumulated on the said taxes and assessments, calculating the same at 7 per cent., is not less than \$130. If your Assessment Committee will again take this case into consideration, I think I can demonstrate to its members that the city is not at fault, as has been alleged, and that no reason exists why it is not entitled to receive both principal and interest.

CORNELIUS R. PARSONS, Mayor.

The Chairman stated the question to be, shall the resolution stand as an order of the Board, notwithstanding the objections of His Honor, the Mayor.

Lost by the following vote:

Nays—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swick-bard, Weider, Kelly—12.

By Ald. Kelly Resolved, that the treasurer be, and he hereby is, authorized and directed to receive from William J. Sheridan, in payment of the following taxes and assessments the following sums and accounts, with interest at the rate of 6 per centum per annum, in place of the statutory rate of penalties for non-payment namely: \$63.63 for the Frost avenue sewer assessment upon lot 28 of section C of the Greig tract on the north side of Frost avenue, assessed to Mary A. McGraw; \$63.63 for said Frost avenue sewer assessment; \$23.81 for the general city taxes for 1876, and \$23.51 for the general city taxes of 1877, assessed upon lot 41 of section C of the Greig tract, situated on the south side of Frost avenue, and assessed to said Mary A. McGraw. Adopted.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

CLARKSON STREET PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of a pipe sewer in Clarkson street, from Ravine avenue to Glenwood park.

Adopted.

The Surveyor submitted as such estimate, \$800.

By Ald. Marson—Resolved, That the following improvement is necessary, viz.:

The construction of a vitrified pipe sewer in Clarkson street, from a point 30 feet north of the north line of Ravine avenue to a point 30 feet south of the south line of Glenwood park. Also a vitrified pipe sewer across and near the south line of the property belonging to C. F. Guillard, from the center of Clark on street to the north bank of the sewer sewer.

As the necessary manholes, lampholes, surface sewers, lateral and connections; also the necessary roadway grading and gutter formation.

And, Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole

expense thereof, and reports the same at \$900, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of Clarkson street, from Ithaca avenue to Glenwood park, excepting the lot belonging to C. P. Gillard, in proportion to the benefit which each will derive therefrom.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend at the Common Council, on Tuesday evening, March the 2d, 1887, at seven o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

EAST AVENUE ASPHALT IMPROVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving East avenue from the crosswalk on East Main street to the east line of the city with a "genuine Trinidad street asphalt pavement," two and one-half inches in thickness, and other improvements connected therewith.

Adopted.

The Surveyor submitted as such estimate \$125,000.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The construction of a "genuine Trinidad street asphalt pavement," two and one-half inches in thickness, on East avenue, from the crosswalk on East Main street to the east line of the city; width between curb line to be as now. Also the taking up, re-dressing and re-setting of the old curb stones where of approved quality and where the proper alignment and grades have been disturbed, and the substitution of new curb stones for the old ones, which are found defective.

The examination of the main and surface sewers and lot laterals and the cleaning and repairing of the same, where found necessary. Also the construction of new lot laterals and the laying of new water and gas service pipes, with their appurtenances, where now required, or their future use is contemplated or probable; also the construction of the necessary manholes, new surface sewers and the extension and repairing of existing surface sewers, where required; also the paving with Medina stone, around the main stop gate boxes.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reported the same at \$125,000, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of East avenue, from East Main street to the east line of the city, in proportion to the benefit which each will derive therefrom.

And further resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, March the 2d, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

FRANK STREET IMPROVEMENT,

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improvement of Frank street, from Jay street to Bloss street.

Adopted.

The Surveyor submitted as such estimate, \$10,000.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The setting of a line of Medina stone curb on each side of Frank street, from Jay street to Bloss street, sixteen (16) feet from and parallel to the medial line of Frank street aforesaid, with Medina flag stone gutters inside of and adjoining the curb, and a pavement of the same stone two (2) feet wide, on each side inside of and adjoining the flag stone gutters aforesaid; also the necessary roadway grading, the

construction of new and the extension and repairing of old surface sewers where demanded, and the taking up, grading, aligning and relaying, of existing crosswalks, both parallel, and transverse, where required.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reported the same at \$10,000, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought by a local assessment to be assessed for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of Frank street, from Jay street to Bloss street, in proportion to the benefit which each will derive therefrom.

And further, Resolved, That the tax-payers to be assessed for making such improvement may pay their assessments in three equal payments as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last instalment a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, March the 2d, 1887, at 7 o'clock, at the Common Council chamber, when allegations will be heard.

Adopted.

CLARKSON STREET PLANK WALK.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing plank sidewalk on each side of Clarkson street, from Glenwood Park to Perkins street.

Adopted.

The Surveyor submitted as such estimate, \$200.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The construction of a plank sidewalk three (3) feet in width on each side of Clarkson street, from Glenwood Park to Perkins street now called Ithaca avenue, with the necessary crosswalks, and crosswalk and sidewalk grading and gutter formations.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$200, which estimate is hereby approved.

Resolved, Further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of Clarkson street, from Glenwood Park to Perkins street, in proportion to the benefit which each will derive therefrom.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, March the 2d, 1887, at 7:00 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

CLIFFORD STREET EXTENSION.

By Ald. Bohrer—Resolved, That the following improvement is necessary, and we hereby judge the public good requires the same to be done, viz.:

The extension of Clifford street, from North avenue to the east line of the city, said street to be sixty (60) feet wide, the medial line of said street to be the south line of town lots numbers 46, 47, 48, 49 and 50.

Adopted.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of the proposed extension of Clifford street, as they exist at the date of passage of this ordinance, from North avenue to the east line of the city, in proportion to the benefit which each will derive therefrom.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, March the 2d, 1887, at 7 o'clock at the Common Council Chamber, when allegations will be heard.

Adopted.

BLOSS STREET IMPROVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor

ascertain and report to this Council the expense of improving Bliss street from Backus avenue to Fulton avenue.

Adopted.

The Surveyor submitted as such estimate, \$2,300.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The situation of a line of Medina stone curbs on each side of Bliss street, from Backus avenue to Fulton avenue, sixteen (16) feet from and parallel to the medial line of Bliss street aforesaid, with Medina flag-stone gutters inside of and adjoining the curbs, and a pavement of the same stone two (2) feet wide on each side, also of adjoining the flag-stone gutters aforesaid; also the necessary roadway grading, the construction of new and the extension and repair of old surface sewers where demanded, and the taking up, grading, aligning and relaying of existing crosswalks, both parallel and transverse, where required.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$2,300, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Bliss street, from Backus avenue to Fulton avenue, in proportion to the benefit which each will derive therefrom.

And further resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the same, an instant discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council on Tuesday evening, March the 22d, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

COSTAR STREET PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in Costar street.

Adopted.

The Surveyor submitted as such estimate, \$475.

By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer twelve (12) inches in diameter in Costar street, beginning at a point seventy-five (75) feet east of Thompson street and extending eastward to intersect the sewer in Saratoga avenue, with the necessary manholes, surface sewers, lot laterals and connections, roadway grading and gutter formations.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$475, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Costar street from Thompson street to Saratoga avenue, in proportion to the benefit which each will derive therefrom.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, section 172 of the Revised Charter of 1880 of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, March the 22d, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

CARTER STREET PLANK WALK.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank sidewalk on the west side of Carter street, between North avenue and Norton street.

Adopted.

The Surveyor submitted as such estimate, \$1,650.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The construction of a three (3) plank sidewalk on the west side of Carter street, from North avenue, and extending northward to a point three hundred and eighty-three (383) feet from Norton street; the planks to be laid parallel to the axis of Carter street aforesaid, with the necessary crosswalks, sidewalk grading and gutter formations.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,650, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on the west side of Carter street, from North avenue to a point three hundred and eighty-three (383) feet from Norton street, in proportion to the benefit which each will derive therefrom.

FINAL ORDINANCE No. 3,117.

TROUP STREET STONE SEWER.

On motion of Ald. Marson the Common Council proceeded to hear allegations in relation to the improvement described in the ordinance below. The said Common Council, before determining to make such public improvement, having caused an estimate thereof to be made, and by an entry in their minutes having described the portion and part of the city which they deemed proper to be assessed for the expense of such improvement, and also a notice to be heretofore published daily, in at least two of the daily newspapers printed in the city of Rochester, for four days, which notice specified such improvement, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and which notice also required all persons interested in the subject matter of such improvement to attend the said Common Council at the time appointed in said notice, and, after hearing such allegations from all persons appearing,

Ald. Marson submitted the following:

An ordinance to construct a stone sewer in Troup street, from 30 feet east of Prospect street to the Genesee Valley canal sewer.

The Common Council of the city of Rochester do ordain and determine that the following improvement is necessary and should be made, to-wit:

The construction of a stone sewer in Troup street one and one-half (1½) feet wide and two (2) feet high, with pipe invert, beginning at a point thirty (30) feet east

from Prospect street and extending to the Genesee valley canal sewer, with the necessary manholes, surface sewers, laterals and connections, including the connecting of existing lot and surface sewers; also the necessary roadway grading and gutter formations between the terminal limits named. The present fifteen (15) inch pipe sewer extending from July street about three hundred (300) feet eastward therefrom to be taken up.

And the whole expense should be defrayed by the assessment upon the lots and parcels of land to be benefited thereby, hereinafter described; and the City Surveyor, under the direction of this Council, having made an estimate of such expense and reported the same at \$5,300, and said estimate being deemed reasonable, is hereby approved; and the portion of said city which said Common Council deem will be benefited by and ought to be assessed by a local assessment for the whole expense of said improvement is described as follows:

One tier of lots and parcels of land on each side of Troup street, from Prospect street to the Genesee Valley canal.

On which above described lots and parcels of land the whole expense of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit and advantage which each derives therefrom.

And it is further ordered and determined that the tax-payers to be assessed for making such improvement may pay their assessments in three equal payments, as follows:

One-third of the amount assessed within 30 days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of the said last installment a discount will be allowed at 6 per cent. per annum.

Adopted by the following vote:
Ayes—Ald. Tracy, Coughlin, Watson, Foley, Selye, Mandeville, Swikehard, Weider, Kelly—9
Nays—A. d. Marson, Kohlmetz, Fritzsche—3.

The final ordinance for Troup street pipe sewer came up and on motion of Ald. Foley action was indefinitely postponed.

FINAL ORDINANCE NO. 5,158.

EAST STREET SPRINKLING.

On motion of A. d. Kohlmetz, the Common Council proceeded to hear allegations in relation to the improvement described in the ordinance below, the said Common Council, before determining to make such public improvement, having caused an estimate hereof to be made, and by an entry in their minutes having described the portion and part of the city which they deemed to be assessed for the expense of said improvement, and also a notice to be hereafter published daily, in at least two of the daily newspapers printed in the City of Rochester, for four days, which notice specified such improvement, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the cost of the expense, and by such notice also required all persons interested in the subject-matter of such improvement to attend the said Common Council at the time appointed in said notice, and, after hearing such allegations from all persons appearing,

Ald. Kohlmetz submitted the following:
An ordinance to sprinkle East street, from East avenue to Charlotte street.

The Common Council of the city of Rochester do ordain and determine that the following improvement is necessary and should be made, to wit:

The sprinkling of East street, from a point 100 feet north of East avenue to Charlotte street, during the season of 1887.

And the whole expense should be defrayed by the assessment upon the lots and parcels of land to be benefited thereby, hereinafter described; and the City Surveyor, under the direction of this Council, having made an estimate of such expense, and reported the same at \$45, and said estimate being deemed reasonable, is hereby approved; and the portion of said city which said Common Council deem will be benefited by and ought to be assessed by a local assessment for the whole expense of said improvement is described as follows:

One tier of lots on each side of East street, from 100 feet north of East avenue to Charlotte street.

On which above described lots and parcels of land the whole expense of said improvement are hereby ordered assessed, the assessment upon each lot and parcel of land to be in proportion to the benefit and advantage which each derives therefrom.

Adopted by the following vote:
Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Weider, Kelly—12.

Ald. Kelly moved that the action on the ordinance for the sprinkling, care and repair of East avenue be reconsidered. Adopted.

Ald. Kelly moved that the ordinance be so amended as to change the estimate from \$2,900 to \$3,050, and that the clerk be directed to advertise for allegations for the next meeting. Adopted.

Ald. Weider moved that the action on the ordinance for Kelly street improvement be reconsidered. Adopted.

Ald. Weider moved that action be postponed two weeks. Adopted.

UNFINISHED BUSINESS.

The following came up:

By Ald. Kelley—Resolved, That the next meeting of the Common Council, Wednesday evening, March 9th, 1887, be and is hereby designated as the time when any objections to the confirmation of the report of the commissioners in the matter of opening a new street from Campbell street to Jay street, will be heard. Adopted.

Allegations being called for and no persons appearing, the report of the commissioners was confirmed by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Foley, Mandeville, Swikehard, Weider, Kelly—10.

FINANCE BUDGET NO. 11.

Ald. Watson moved that the Council proceed to appoint Commissioners of Deeds, and that the clerk cast the ballot.

Adopted by the following vote:
 Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Mandeville, Swikehard, Weider, Kelly—11.

The following named persons having received the concurrent vote of the Common Council were declared duly appointed Commissioners of Deeds: W. J. Patrick, H. S. Draper, James H. Casey, A. Van Dyck, William F. Hunt, F. W. Whipple, J. C. Burns, E. L. Dopp, Chas. Dopp, Armstrong Boyd.

MISCELLANEOUS BUSINESS.

By Ald. Weider—Resolved, That the City Clerk be directed to draw orders on the City Treasurer in favor of the chairman of each of the Boards of Inspectors of Election of the city of Rochester (including clerks) for (\$75) seventy-five dollars each in full for services as registers and inspectors of the charter election of 1887, provided no objection is made by any inspector or clerk. Objection being made, the clerk is directed to draw an order in favor of each claimant for his individual compensation, retaining from the same all proper charges against such inspectors; also an order in favor of each proprietor (except the city of Rochester) of places used for election purposes for the sum of \$30, and charge contingent fund.

Adopted by the following vote:
 Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Mandeville, Weider, Kelly—10

By Ald. Kohlmetz—Petition of Hugh Graham to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act. Also petition to make Race street a public street. Referred to the Executive Board.

By Ald. Weider—Resolved, That the City Clerk draw an order on the City Treasurer for one hundred and eighty dollars in favor of John R. Fanning, chairman of the commissioners on the opening of a street from Campbell street to

Jay street, in full for the fees of Commissioners Fanning, Snell and Schwab, including clerk hire, payable from the Contingent Fund; and that the Treasurer charge and carry said sum of one hundred and eighty dollars to the fund for the opening of said street, when created, as part of the cost and expense thereof.

Adopted by the following vote:
 Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Mandeville, Swikehard, Weider, Kelly—11.

By Ald. Kelly—Petition for water mains in Grand avenue. Referred to the Executive Board. Also, petitions for a stone sewer in North Clinton street; for a pipe sewer in Grand avenue; for a plank walk in Grand avenue; for a plank walk in Garson avenue. All referred to the City Surveyor to prepare ordinances.

By Ald. Foley—Petitions for water mains in Florence street, Kenmore street and Saxo street. Referred to the Water Works Committee and Executive Board.

Ald. Kelly asked unanimous consent to introduce a penal ordinance relating to street railroads. Unanimous consent being granted, Ald. Kelly presented the following:

An Ordinance relating to Street Railroads, passed March 9, 1887.

The Common Council of the City of Rochester do ordain as follows:

SECTION 1. Every street surface railroad within the city of Rochester shall consist of a single track to be laid in the center of the streets or avenues through which the same is or may be designed to run, unless the Common Council shall otherwise direct in respect to some of the wide streets or avenues, with necessary turnouts, side tracks and switches, and to be constructed with the improved broad rail, of the most approved kind and weight, five inches face, not to exceed three-quarters inch raised edge, to be laid flush with the surface of the street or avenue, and four feet and ten inches apart between the raised edges, so as to accommodate the most common width of carriage wheels, and to be laid on suitable timbers, with suitable cross-ties, unless otherwise permitted or directed by the Common Council, under the direction of the Executive Board.

Section 2. The track of said railroad shall be so laid as to permit the free passages of vehicles and carriages over the same, and the rails shall be laid even with the surface of the streets and avenues, and shall conform to the grades thereof as now established, or as they shall from time to time be established or altered. As soon after the adoption of this ordinance as the condition of the streets and avenues, through or along which any street surface railroad track is now laid will permit, the surface of such streets and avenues inside the rails of all tracks authorized to be laid prior to May 6, 1884, and between the tracks and rails of such tracks and for a space two feet in width outside and adjoining the outside rails of the tracks of any and all extensions or branches of any railroad authorized to be constructed since May 6th, 1884, shall be put in good and thorough repair by the company, under the direction of the Executive Board of said city, and thereafter at all times the same shall be in like manner and degree kept and maintained; as to tracks authorized to be constructed or laid prior to the 6th day of May, 1884, the surface of said streets and avenues inside and between the rails thereof; and roads and any and all extensions and branches of any roads authorized to be constructed or laid since said May 6th, 1884, between the tracks and the rails of the tracks, and a space two feet in width outside and adjoining the outside rails of the track or tracks; and whenever it becomes necessary to improve, by ordinance or otherwise, any of the streets or avenues through

which such track or tracks is laid, by a new or permanent improvement, the company shall not be required to make any part or portion thereof, nor bear any part or portion of the expense of making the same, during the term of five years from the adoption of this ordinance.

Section 3. During the operation of laying rails a free passage for carriages and other vehicles over and along the streets and avenues in which such track laying be done, shall be kept open, and immediately after the rails shall be laid, the pavement, flagging and other materials necessarily removed in laying the same shall be replaced in a good and substantial manner and the street or avenue be placed or put in as good condition as before such removal or track laying, and the surface of the pavement made flush with the rails, and no portion of the pavement or surface of the streets or avenues shall be kept broken or disturbed for a greater time than five days. And all surplus street material shall be carefully removed by said company laying such track.

Section 4. The cars to be used on any such railroad shall be drawn by horses or mules only, at a speed not exceeding the rate of seven miles per hour, and shall run as often as once in every fifteen minutes between the hour of 6 o'clock in the morning and 12 o'clock midnight, upon all routes now or hereafter constructed, except the Lake Avenue route from Driving Park avenue to the Ridge Road, and the lines hereafter constructed in the fifteenth or sixteenth wards, and upon those lines as often as once in every half hour, of each and every day hereafter; and the cars upon each and all the routes shall commence running and shall run and start from the Four Corner, so called, or the junction of West Main, State and Exchange streets, in the manner and at the times aforesaid. The company or companies while they comply with the requisitions in respect to the running of their cars above referred to, may run their cars as much oftener as they shall choose either on the whole length or over a portion or portions of their said road.

Section 5. There shall be posted in each car, in a conspicuous place therein, a plainly printed copy of the rates of fare or charges allowed by law to be charged or received for the transportation of passengers by the company running or operating such cars. There shall also be posted in a conspicuous place in each car a plainly printed or painted sign containing the number of the car and the name of the route or routes on which the car is then running and so as to be easily read by any person on entering the car.

Section 6. No car shall be allowed to stop on a crosswalk nor in front of an intersecting street, except as shall be necessary to avoid collisions, or to prevent danger to persons in the street.

Section 7. When the conductor of any car is required to stop at the crossing of any two streets to receive or land passengers, the car shall, if convenient, be stopped so as to leave the platform slightly over the crossing.

Section 8. It shall be the duty of the company, or companies, to employ careful, sober and prudent agents, conductors and drivers, to take charge of their cars while on the road, and it shall be the duty of such agents, conductors and drivers, so far as the same is practicable, to keep a vigilant watch for all teams, carriages and persons on foot, and especially children, and at the first appearance of danger to such teams, carriages, footmen, children or other obstructions, the car or cars shall be stopped in the shortest time and space practicable. The company or companies may, in their discretion, run cars without any other conductor than the driver.

Section 9. The conductors shall not allow women or children to enter or leave the cars while in motion.

Section 10. Conductors shall announce the names of the principal streets and avenues as the car reaches them.

Section 11. Cars driven in the same or opposite directions on the same track, shall not approach each other within a distance of two hundred feet, except in case of an accident, or when it may be-

come necessary to connect them together, and also, except at stations, turnouts and turntables.

Section 12. Whenever it shall be necessary to remove any snow or ice from the track or tracks of said road or roads, the same shall be done by the company owning and operating such road in such manner, and so carefully and evenly spread on the street or avenue, as not to obstruct the free passage of sleighs or vehicles upon or along said street or avenue, or in crossing the same, or by foot passengers at crossings, and no salt or brine shall be used for the purpose of removing snow or ice from said track or tracks, or the rail or rails thereof, except at curves, switches or turn-tables, and there only and barely sufficient for the purpose of removing snow or ice from, and to be carefully and only placed upon such rail or rails. Any company or corporation or person violating any of the provisions of this section shall be subject and liable to pay a fine or penalty of twenty-five dollars for each offense.

Section 13. It is hereby reserved to the Common Council of the city of Rochester the right to make such further orders, rules and regulations, in relation to the construction, repairs and operation of any street surface railroad now, or hereafter to be, constructed, maintained and operated, as from time to time may be deemed necessary by said Common Council to protect the interests of said city, and the safety, welfare or accommodation of the public. But no alteration of these rules shall be made which shall have the effect to impair the substantial rights of such company or companies.

Section 14. Wherever gas or water pipes, or sewers, are now laid in any street or avenue, said railroad or railroads must be laid down and maintained subject to the rights over the same now in the city, and the gas and water companies, and the Executive Board of said city to take up, alter, repair or remove said pipes or sewer in such manner as not unreasonably to damage or injure said railroad or railroads, or its or their use, without claim upon or to said city, gas or water companies, or said Executive Board, or its successor, and the Common Council expressly reserves to itself the right hereafter to lay down, or cause or permit to be laid down, in said streets or avenues, gas or water pipes, or sewers, and to alter, improve and repair said streets or avenues, whenever the public or private good or convenience may require.

Gas or water companies, or private individuals, who shall take up the pavement, or excavate the street for the purpose aforesaid, being always required, as by the present city ordinances, to restore the street to its former condition.

Section 15. In case any street surface railroad company now or hereafter incorporated and operating and maintaining any road within the city of Rochester shall fail to keep the streets and avenues in which their said railroad shall be laid in repair, as herein provided, and shall neglect to make such repairs for five days, after notice, in writing, from the Executive Board of said city, or other officer or officers having the supervision of repairs of streets or avenues within said city, served upon the superintendent or other officer of said railroad, specifying the repairs, the said Common Council and said Executive Board, or either of them, shall have the right to cause such repairs to be made, and the expense thereof may be assessed upon the property of said company or sued for and collected in the name of and on behalf of the city of Rochester from said company so neglecting as aforesaid.

Section 16. And in case any company, and each and every of its agents, servants, conductors and drivers, who shall fail to comply with, or shall violate any of the provisions of any of the sections of this ordinance, it and them or him shall forfeit and pay a fine or penalty of not less than ten dollars, and not more than one hundred dollars, for each and every such violation; and if the said company shall refuse or neglect to comply with any of the rules and regulations hereinbefore made or imposed upon it, after notice served in writing on the superintendent or other officer of said com-

pany, requiring compliance as herein provided, the said company shall forfeit and pay a further and additional fine or penalty of twenty-five dollars for each and every day during which such violation is continued.

Section 17. Should any company fail to complete its railroad, or to commence running its cars thereon within one year after the construction thereof is begun, or should any company neglect to run cars on its road after the completion thereof, for the accommodation of the public, as provided by the rules and regulations of this ordinance, for the space of two consecutive months, then such company shall forfeit all privileges and rights which they may have acquired heretofore or hereafter by any grant, or use or possession of any of the streets or avenues within said city, upon which such cars are not so run; and in such case the city of Rochester reserves the right, by its Common Council, to cause all obstructions and materials placed in said streets or avenues by said company to be removed therefrom, and said streets and avenues put in as good condition and repair as they were before said materials and obstructions were placed therein, and the expense thereof shall be paid to said city by such railroad company; and said city, also, in such cases reserves the right to grant the same rights and privileges to any other person or persons, corporation or corporations, in the manner now, or hereafter, prescribed by law, free from all charge or liabilities for damage on account thereof.

Section 18. If by reason of any act, omission or neglect of any railroad company, its officers or agents, the corporation of the city of Rochester, shall, or may be subjected to any damages or liability, the said railroad company shall be liable to the said city to the same extent.

Section 19. Each and every street surface railroad company or corporation now or hereafter incorporated and operating and maintaining any road within the city of Rochester shall, and it hereby is required to pay to the treasurer of the city of Rochester, for the use of the city, five dollars per annum for each car or carriage owned or operated by them and actually in continuous daily use, and every such company shall obtain from the Mayor of the city a license for each of said cars or carriages, which it shall be his duty to grant without fee or reward, on the production of the treasurer's receipt for such payment; and provided, further, that such license shall, in every case, expire on the thirty-first day of March in each year, and that any company or corporation now operating and maintaining any road within said city shall pay such fee and obtain such license within thirty days from the date of the passage of this ordinance, and the same to begin on April 1, 1887. The president or managing officer and secretary of such, and every such company or companies shall, on or before the first Monday in April of each year, commencing the first Monday of April, 1887, furnish to the Common Council of said city, a full and complete list of all the cars or carriages owned and operated by the company, and such statement shall be verified by the oath of the said president or managing officer and secretary, to be administered by a notary public of Monroe county, and attested by his seal, and the City Clerk shall notify every such company or corporation of such requirement, and every such corporation or company, or the president or managing officer or secretary thereof, who shall fail to pay such fee, and obtain said license, or who shall fail to make such report and list, at the time and in the manner above specified, shall be liable to pay a fine or penalty of not less than ten dollars, nor more than fifty dollars, and a further penalty of the same amount for each and every twenty-four hours such neglect shall continue.

Section 20. Whenever any company shall for any reason remove from their tracks, or any portion of the adjacent roadways at any street corner or street intersections, including what is commonly known as the Four Corners, and the intersection of Saint Paul streets with East Main street, any

dust, dirt, filth, snow or ice, the same shall be taken away from the street entirely by said company without delay, and shall not be deposited upon the sides or any other portion of the street surface, and if the same is deposited contrary to the provisions hereof, the same may be immediately removed by the Executive Board of the city and the cost and expense thereof shall be paid by the company so offending, and in addition thereto for the violation hereof, such offending company shall be liable to a fine or penalty of fifty dollars for each offence, and a further penalty of fifty dollars for every twenty-four hours such violation shall continue.

Section 21. All the provisions of this ordinance shall be, and are hereby made applicable to any street surface railroad company or corporation which has been, or may be hereafter, organized and incorporated to construct or operate a railroad in any of the streets or avenues of the city of Rochester.

Section 22. The penalties prescribed for the violation of any section of this ordinance shall not in the aggregate exceed the sum of one hundred and fifty dollars for any specific violation thereof, anything hereinbefore to the contrary notwithstanding.

Section 23. Every execution issued upon a judgment recovered for a violation of this ordinance, or any provision thereof, except as is hereinbefore otherwise specially provided, shall command the amount to be made of the property of the defendant if any such can be found, and, if not, then to commit the defendant to the Monroe County Penitentiary; and any person violating any provision of this ordinance and failing to pay the penalty or fine imposed therefor, shall be imprisoned in said penitentiary for a term of not exceeding one hundred days.

Section 24. This ordinance shall take effect immediately.

On motion of Ald. Kelly ordered received, filed and published and action postponed until the next regular meeting.

CHAP. 35.

AN ACT to amend section one hundred and ninety-eight of chapter fourteen of the laws of eighteen hundred and eighty entitled "an act to further amend chapter one hundred and forty-three of the laws of eighteen hundred and sixty-one, entitled "An act to amend and consolidate the several acts in relation to the charter of the city of Rochester," and to consolidate therewith the several acts in relation to the charter of said city.

Passed February 24, 1887; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly do enact as follows:

SECTION 1. Section one hundred and ninety-eight of the charter of the city of Rochester, as contained in chapter fourteen of the laws of eighteen hundred and eighty, is hereby amended so as to read as follows:

§ 198. Whenever the common council shall determine that the whole or any part of the expenses of any improvement shall be defrayed by an assessment on the real estate to be benefited thereby, they shall declare the same by an entry in their minutes; and after ascertaining, as they think proper, the estimated expense of such improvement, they shall declare whether the whole or what portion thereof shall be assessed on such real estate, specifying the estimated expense, and the portion of the city which they deem will be benefited by the improvement. When the estimate of the expense of such improvement to be assessed shall exceed, in the aggregate, the sum of two thousand dollars, the expense of such improvement to be assessed may be paid one-third in cash and the balance in the city's note at one and two years, with interest not exceeding six per centum, payable annually, and the city may get its notes discounted for a period not exceeding one year with which to make such first payment.

When such improvement is completed, the entire expense thereof and connected therewith shall be ascertained by the city treasurer, together with the interest paid or to be paid on the orders or notes issued by the city to pay the expense of such improvement; and interest on such sum shall be reckoned to the time the last installment of such assessment shall become due. The aggregate amount shall thereupon be reported to the common council, they to adjust and report to the assessors the amount to be assessed upon the property benefited, as hereinafter provided, and it shall fix a time and place when such assessors shall meet for that purpose. Persons so assessed, who shall make any payment previous to the maturity of last said installment therein, shall be entitled to a discount at the same rate as is paid on the city's note issued to pay for such improvement. The common council may determine, at the time of fixing such amount to be assessed, if the sum shall exceed two thousand dollars, that the taxpayers pay their assessments in not more than three equal payments, one-third within thirty days from the time that the treasurer shall advertise the same, as herein provided, one third within one year, and one-third within two years from the confirmation of such roll; and in case the amount to be assessed, as aforesaid, shall exceed ten thousand dollars, the common council may determine, as aforesaid, that the taxpayers may pay their assessments in not more than five equal payments, one in thirty days from the time that the treasurer shall advertise the same, as hereinafter provided, and the balance within one, two, three and four years, respectively, after such confirmation. The city treasurer may, in his discretion, issue his warrant for the collection of any part of such assessment that may have become due.

§ 2. This act shall take effect immediately.

Ordered received, filed and published,

By Ald. Watson—bill of Michael Greenagle, carriage hire, \$6.00. Referred to the Poor Committee.

By Ald. Tracy.—Resolved, That permission be granted to Culbace and Emerson to give exhibitions in the Fitzhugh street rink, for one year, on paying into the treasury the sum of \$25, providing that no brass bands be allowed to play inside or in front of said building, unless by consent of the Mayor, and that the Mayor be empowered to revoke said license if, at any time, he may deem that circumstances demand it. Adopted.

On motion of Ald. Mandeville the Council adjourned. PETER SHERIDAN, City Clerk.

In Common Council—March 11, 1887.

CONVENED AS A BOARD OF CANVASSERS.

By Ald. Schaeffer—

To the Honorable the Common Council of the City of Rochester:

Your Assessment Committee begs leave to submit for your consideration their report upon the following matters:

1. The request of Charles F. Hellems, as administrator of the estate of Isaac Hellems, deceased, for the repayment of an assessment made against lots 5 and 9 for the Oak street improvement, and paid by said decedent in his lifetime, should be disallowed, for the reason that if any claim existed for such repayment, the same is now barred by the statute of limitations, according to the decision of the General Term of the Supreme Court in this Judicial Department, in the case of Parsons, as administrator, etc., vs. the city, and handed down at Buffalo, January 25th last.

2. We would recommend that the prayer of Mary W. Davison, for rebate on an assessment made against her property, situated on the corner of Platt and Allen streets, for street sprinkling, should be granted, and that the Treasurer be directed to receive from her the sum of \$5.10, in full of the assessment of \$7.14 against her property, and that he charge the balance thereof to erroneous assessments.

3. In relation to the application of John A. La Force to be released from the payment of an assessment of \$34, imposed upon his lands remaining after the opening of the new street from Clifford street to Norton street for the expenses of such street opening, we would report that, in our opinion, his application should be denied.

4. In relation to the petition of the New York Life Insurance Company to have certain water rates assessed upon property belonging to said company, situate on the corner of West avenue and Colvin street, cancelled, we would say that, in our opinion, the application should be denied. It appears that the water was legally turned on at the street curb into said premises upon a written application therefor, and no request was ever made of the Executive Board to have the same turned off, as the rules adopted by the Board, in pursuance of the power granted to it by the charter, required, and there being no reasons shown for the failure to make such application, pursuant to

the rules, it would be establishing a bad precedent to grant the request made.

All of which is respectfully submitted,
 C. J. SCHAEFFER,
 J. MILLER KELLY,
 C. STEIN,
 D. W. SELYE,
 Assessment Committee.

By Ald. Schaeffer—Resolved, That the Treasurer be, and he hereby is, directed to receive from Mary W. Davison the sum of five dollars and ten cents in full of the assessment against her property situate on the corner of Platt and Allen streets for sprinkling tax of seven dollars and fourteen cents, and charge the balance of said tax to erroneous assessments. Adopted.

By the Clerk—

ROCHESTER, March 22 1887.

To the Hon. the Common Council:

GENTLEMEN: At a meeting of the Common Council on date of February 8, 1887, a resolution was adopted authorizing the Executive Board to purchase immediately "350 net tons of cast iron straight water pipe, and 20,000 pounds of special castings for use during the ensuing season."

In compliance with this resolution the Executive Board have contracted for the delivery of said pipe, and it is now being delivered in this city. To avoid the expense of hauling said pipe to the pipe yard, and later in the season to again haul and distribute it upon the several streets which might be designated for water pipe extension, your committee and the Executive Board have deemed it prudent to examine the petitions now on file asking for extensions, and to make such recommendations to the Common Council in relation thereto as would lead to an immediate determination of a sufficient number of them to enable the Executive Board to deliver the pipe at once upon the streets where it is to be laid, as it is received from the foundry, thus avoiding the expense of a second hauling and manipulation.

Your committee and the Executive Board have therefore made a careful examination of the whole subject and present the following facts and recommendations for your consideration:

We find the following described petitions for the extension of water mains on file in the Water Department, the estimated cost of which is also herein stated:

The amount placed in the tax-levy last year for the extension of water mains was \$60,000. Of this

amount the sum of \$7,254.57 was pledged to repay monies advanced by private parties during the year for water pipe extensions.

The balance of the appropriation has been employed in the extensions of water pipe directed at various times by the Common Council, and the whole of said balance will have been so employed when existing contracts have been closed and settled.

It also appears that in addition to the water pipe extensions made and paid for from monies provided in the tax-levy, that a considerable number of important extensions have been made from monies advanced without interest by private parties.

The following is a statement of the work thus done, and the monies so advanced:

The money was advanced in these several cases (except on West avenue) with the express understanding that the city was not to be held liable for repayment at any particular time, but only at the option of the Common Council, and then without interest.

In cases where money has been so advanced for streets in the 15th and 16th wards, if the advances are refunded from the coming tax-levy, the several lots will be subject to assessment for the three cents per foot frontage tax, which in most cases will pay the interest on the investment, and all the property will be liable for the Water debt. If not so refunded, the city can only receive revenue from the parties who take and use the water.

The Executive Board has in some of these cases certified that the property on said streets is liable for the Water debt and the Assessors have been directed to assess it accordingly. This action was taken by the Executive Board on the supposition that the advances would be refunded as has been heretofore customary.

Should the Common Council, however, determine not to repay these advances during the present year, the said streets may be exempted from assessment on account of the Water debt by resolution of the Council previous to the making up the assessment rolls.

Your Committee have concluded to make no recommendation on the subject of the immediate

repayment of these advances, but to present the whole subject to the Common Council for determination.

It may be further suggested, however, that it might not be regarded as necessary to refund advances in those cases where only materials have so far been purchased, or in the single case where a majority petition has not been furnished. With these cases eliminated, the amount to be immediately refunded would be \$7,325.69.

As heretofore stated, there are petitions now on file in the Water Works Department, asking for the extension of water mains, amounting, in estimated cost, to \$76,568.74.

These petitions are inclusive of those for which money has been advanced by private parties, as aforesaid, amounting to \$11,060.20.

From these petitions your committee have selected the following, which, in their opinion, seem to require more immediate attention. Should the Common Council authorize the extension of water pipe in the streets indicated, it will permit the pipe now in process of delivery, to be distributed directly at one handling on the streets; and we therefore respectfully recommend that water mains be directed to be laid therein during the present season at an estimated cost of \$33,300.

List of streets in which it is recommended that water pipes be laid:

- West ave., (Holly) from west side Genesee Valley canal to Favor st.
- Avenue D, from Conkey ave. to N. St. Paul st.
- Harris ave., from present end south of Nelson Place to present end (n.) of same.
- Park Row, from present end south to Nelson Place.
- Livingston st., (Holly) from N. St. Paul st. to railway on Cliff.
- Livingston st., (dom.) from present end of (6) pipe to river bank.
- Florence st., from Strong st. to Bartlett st.
- Hawley st., from 600 feet west of Jefferson ave. to Genesee st.
- Hawley st., from Reynolds street to Seward st.
- Kenmore st., from Strong st. to Bartlett st.
- Saxe st., from Clifton st. to Tremont st.
- Genesee st., from Hawley st. to 600 feet south.
- Locust st., from present end of pipe to Deep Hollow.
- Ravine ave., from Champion st. to 165 feet west.
- Selye st., from present end of pipe to Boulevard.
- Straub st., from Driving Park ave. to Rowe st.
- Jay st., (Holly) from Oak st. to Green st.
- Hudson park, from Edward st. to Hudson st.
- Campbell st., from 373 ft. west west of Ames st. to Hague st.
- Carlton place, from present end of pipe to Chili ave.
- Pearl place, from Chili ave. to 1,200 ft. south.
- Rowe st., from Fourth st. to new city line.
- Thrush st., from Glenwood ave. to Rowe st.
- Warner st., from 761 ft. north of Lyell ave. to 1,100 ft. (n) of Lyell ave.
- Allmeroth st., from 550 ft. north of Henrietta ave. to Erie canal.
- Alphonsus ave., from Carter st. to North st.
- Harlem st., from Goodman st. to Cambridge st.
- Hebard st., from Huron st. to Poplar st.
- Harvard st. from Goodman st. to Oxford st.
- Henrietta ave., from present end of pipe to 800 ft. (e and n) to A. and R. Doberton's property.
- Miller st., from present end to 700 ft. north.
- Third ave., from Pennsylvania ave. to Bay st.
- St. Joseph st., from Hayward ave. to Norton st.

As it is yet early in the season there will undoubtedly be many other petitions for water pipe extension presented to you for consideration; some of these latter as well as others now on file and not embraced in our present recommendation, will no doubt so commend themselves to your good judgment that you will feel bound to grant the prayers of the petitions.

Believing this your committee is of the opinion, and does hereby recommend that the sum of \$35,000 be raised in the coming tax levy for water pipe extensions.

If this latter recommendation shall be adopted by the Common Council, when it shall decide upon the tax levy, it will furnish enough money to extend water mains in the streets recommended by your committee in this report, and also leave a surplus of \$25,700 with which to meet other needed demands for extension as they arise, and also with which to repay a portion of the whole of the advances made to the fund by private citizens.

Respectfully submitted,

By Ald. Fritzsche—Resolved, That the Executive Board be and is hereby directed, when there are funds applicable, to extend water mains in the several streets embraced in the list of recommendations contained in the report of the Water Works Committee and the Executive Board relating thereto, this day submitted to the Common Council. Adopted.

REPORTS OF SELECT COMMITTEES

To the honorable. the common council of the city of Rochester :

GENTLEMEN—First—We, the undersigned, a special committee, duly appointed by your honorable body to investigate into the affairs of the board of health of the city of Rochester, would respectfully report, that in pursuance of our appointment meetings were duly called by the chairman and subpoenas issued to compel the attendance of witnesses before your committee, who were examined by the Hon. John Van Voorhis and Mr. Powers, the city attorney, with a view of ascertaining the truth in regard to the subject matter of our inquiries.

Second—Many witnesses were subpoenaed and a large amount of evidence given, but your committee deem it unnecessary for the purpose of this report to mention in detail the names of the witnesses sworn, or to reproduce here the mass of testimony taken, the substance of which has already been given to the public through the columns of the daily press of the city, with sufficient accuracy and clearness to enable their readers to form a very correct opinion as to the necessity for the investigation. As the result of such examination, and the testimony so taken, your committee is of the opinion and would report that "the financial affairs of the board of health, of the city of Rochester since 1884," which it was appointed to investigate, have been conducted with great looseness and irregularity for the past two years, and that such looseness and irregularity has resulted to the manifest detriment of the financial interests of the city.

Third—Your committee finds that money received for the board of health, for the flushing of sewers and the sale of garbage, was deposited in Commissioner James O. Howard's safe, for the period of twenty-three (23) months; that as a result of such deposit there was a very decided shortage in the amount of money received from those sources, as compared with what was received before, and what has since been received. During the period of twenty-three months of deposit in Commissioner Howard's safe, in an envelope, which performed the functions of a bank, the city received as a result of that method of doing business, the sum of \$182.25. In the space of three months before that time the board of health had received the sum of \$335 65 and in the space of five months since that time—from September 3d, 1886, to February 3d, 1887—the board of health has received the sum of \$330. Comment upon such a system of banking for the

funds of the board of health belonging to the city is unnecessary.

Fourth—Your committee is therefore satisfied that there has been a serious shortage in the financial receipts of said board of health, from Commissioner Howard's methods of finance, and this is all your committee is prepared to say from the evidence.

Fifth—How much more was received, who were the beneficiaries of the surplus dividends, if any, or whether the same was used to further political ends, or for the sanitary interests of the board, your committee must leave to the public to determine.

Sixth—Your committee further finds from the testimony of the witnesses, that during the past ten (10) years of the existence of the board of health, the sanitary work of the board has been entirely subordinate to the political interests of some individual members of that body; it was established as a fact by the investigation, that the sanitary element of the board, however eminent in the personnel of its appointees, or however experienced and able in their qualifications for the work for which they were appointed, or however conscientious and attentive to their duties, were, nevertheless, no matter how frequent the changes, always kept in a minority to the political element of that body. It is entirely true and we make the concession gracefully, for the benefit of those interested, that the sanitarians of the board were not interfered with in such agreeable and cheerful labor as examination of privies, the visiting of the pest house or the general recommendations or specific duties relative to the health of the city of Rochester, but as soon as any plan was proposed by them looking to the bettering of the sanitary requirements of the city at large, they were unable to effect such plans as in their judgment would have been beneficial, from the fact that such plans, presumably, would interfere with the political patronage and power of the majority of those who composed its board of health. As bearing upon this point, neither your committee nor the public will overlook or forget the testimony of those three eminent physicians, Doctors Stoddard, Jones and Biegler, who, hampered and thwarted in their efforts to secure such an organization of the board of health as would secure a better system of sanitary laws and regulations, felt compelled by every instinct of manhood and professional dignity to resign from their positions as commissioners of said board, because they felt that, for some reason, their official usefulness was impaired.

Seventh—Your committee desired to examine his honor, the mayor, of the city and president of the board of health, with a view of obtaining all the light that it could on the methods and workings of the board.

Eighth—It had expected much from him, an entirely disinterested witness, and hoped to find in him a witness who would cheerfully co-operate with your committee in explaining to it what irregularities, if any, had come under his observation, and how irregularities which had become established beyond question, could be remedied or removed.

Ninth—In that expectation your committee was disappointed, receiving no aid whatever. A somewhat extraordinary proceeding on the part of the person referred to was adopted, that of appearing by counsel and peremptorily demanding that the action of the committee, and its conduct of the investigation should be conducted with an evident design and purpose of enabling that person to cover up and conceal whatever there was in the actions of that board which the public ought to know.

Tenth—Your committee is of the opinion that this was the purpose contemplated, from the fact that it was demanded upon the part of the counsel of Mr. Parsons, that subpoenas be furnished in blank to his counsel, for the purpose of enabling them to subpoena whomsoever they

thought it expedient to subpoena before your committee.

Eleventh—This, as your committee understands, is an old manner of "white washing" which, in its judgment, it did not think it would be proper to adopt.

Thirteenth—Upon the examination of his honor, the mayor, it appeared that such knowledge as he had acquired of the conduct of the board of health was acquired from his personal attendance at said meetings, only, that he had no other source of knowledge as to the methods of doing business by the different members of the said board, or as to the sanitary interests of the city as ascertained by that board as a body.

Fourteenth—In view of the importance of an efficient board of health to a city like ours, this admission of ignorance as to its methods of doing business, on the part of its head and presiding officer, is remarkable, if not startling, especially when taken in connection with the finding of your committee, that for a period of one year, his honor was continually absent from the meetings of said board, and we are entirely satisfied, as the result of that examination, conducted though it was with admirable fence and ability on the part of the person examined, that, nevertheless, from the very frequent recurrence of his "I do not remember," your committee failed to ascertain much that it would liked to have known, and much that would have been of great interest to the public.

Fifteenth—Your committee cannot but conclude that the same scrutiny of the acts of the individual members of the board of health, on the part of his honor, the mayor, which when applied to your honorable body passes current for watchful care, would have resulted in correcting the methods and abuses which have grown to such proportions as to demand the reproof of investigation. As mayor of the city of Rochester, guardian of its interests, president of the board of health, who should know, if not he, what was being done to protect the health, happiness and financial interests of the people who had so repeatedly honored him?

Sixteenth—But it was entirely satisfied that it is the truth, beyond contradiction, that the board of health of the city of Rochester, for the past ten years has been a body controlled and directed with reference to the political interests of one individual rather than to the health of the people of the city of Rochester.

Seventeenth—Your committee would also return its thanks for the very efficient aid that was rendered to it by a majority of the present board of health and those who desired the investigation to be made.

Eighteenth—There is much that your committee would desire to recommend, much that it thinks needs changing in the management of the present board of health, but perhaps all that it can recommend that would be of any practical value, would be that in the future your honorable body exercise its supervisory power in a careful manner upon the nominations that are presented for confirmation as members of the board of health to your honorable body.

Nineteenth—All of which is respectfully submitted.

W. MANDEVILLE.
JOHN H. FOLEY.

I concur in the above report in all matters referring to the conduct of the official affairs of the board since 1884, which were developed as facts during the investigation.

I concur in the general statements of opinion by the above report, so far as that opinion is based on the facts developed at the investigation.

I except from my concurrence part of paragraph 9 and paragraphs 10, 11 and 12, beginning with "A somewhat extraordinary proceeding," second sentence, paragraph 9. I am not pre-

pared to charge this matter in quite such sweepingly conclusive language without some facts to sustain it proved at the investigation. It may or may not be true. In the doubt in which it is so involved I cannot make even an indirect accusation.

In the general and specific censure in paragraphs 14, 15 and 16 I would include every consenting member of the board since 1884, for those who "consent" and those who "do" are equally responsible in the eyes of right.

I would recommend a radical reconstruction of the board in its methods and personnel, based on efficient service by business methods.

I submit that the conduct of Flusher Gage is subject for further judicial inquiry, and would recommend that the proper law officer be instructed to proceed against him in the legal manner provided, and that said officer present the case of any other official or employe of the board of health, against whom any conclusive evidence has been obtained during this investigation, or any evidence that may be obtained, to the grand jury for their action in the matter.

Respectfully,
GEORGE W. ELLIOTT.

MAYOR'S OFFICE,
ROCHESTER, March, 14, 1887. }

Gentlemen of the Common Council:

Final ordinance No. 3, 157 (Troup street stone sewer), is hereby returned disapproved.

This ordinance was adopted by a majority vote of your Board, on the theory that a majority of the persons to be assessed had signed a petition for the same.

If said ordinance had simply provided for the construction of a sewer, then, I think, your action would have been regular, and would have stood unquestioned; but it also made provision for the grading of the roadway of the street, and for the formation of gutters therein—matters not embodied in the petition, and, therefore, to have legally adopted said ordinance the votes of three-fourths (twelve in number,) of all the members elected to said Common Council, were necessary. The City Attorney and his able assistant, Mr. Sullivan, concur with me in this view of the question, and, as above stated, the ordinance is hereby returned disapproved.

CORNELIUS R. PARSONS, Mayor.

Ald. Foley moved that the veto of the Mayor lay on the table till the next regular meeting. Adopted.

By Ald Marson—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN—We the undersigned having withdrawn our names from the petition for stone sewer in Troup street, most respectfully ask that we be not counted for, as we are unqualifiedly opposed to it.

ROBERT H. HITCHCOCK,

MARY JANE MORRIS,

CITY TREASURER'S ANNUAL REPORT.

ROCHESTER, N. Y., March 22d, 1887.

To the Honorable the Common Council:

GENTLEMEN—As required by section 58 of the Charter I have the honor to transmit herewith my second annual report as Treasurer of the City of Rochester, together with necessary vouchers.

Very respectfully your obedient servant,

JOHN A. DAVIS, Treasurer.

On motion of Ald. Watson ordered received, filed and published. Referred to the Finance Committee.

[The report will be published in book form.]

By the Clerk—

CITY SURVEYOR'S OFFICE, }
ROCHESTER, N. Y., March 22, 1887. }

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—The City Surveyor, by a resolution introduced by Ald. Mandeville and passed at a special meeting on the 23th of February last by your honorable body, was instructed to prepare an ordinance and submit estimates for the construction of a stone arched bridge over the Genesee river on the line of Court street between the towing path of the Erie canal and the west bank of the river. The distance between the points named is about four hundred and eighteen (418) feet, and to span this distance not less than six arches of about sixty-two (62) feet each between the springing lines would be required to secure the stability of the structure and ample waterway.

If this bridge is built for the full width of the street for its entire length, with roadway and sidewalks similar to those on the Main street bridge, the cost would be very large—much larger than those not familiar with this kind of work would suppose. The general plan of the bridge, which it is proposed to build pursuant to the resolution referred to, has been made but not yet perfected in its details, and until this is done not even an approximated estimate of the cost could ventured upon.

Be assured that all the time and attention which other pressing work will permit shall be devoted to this important matter; but in the meantime instructions are asked as to the provisions, if any, that are to be introduced in the ordinance for meeting the cost of the bridge, i. e., whether it shall be chargeable upon the whole city or by assessments upon limited territories.

Also at your last regular meeting a petition was presented and referred to the City Surveyor for the preparation of an ordinance for the construction of a stone sewer in N. Clinton street from Hayward park to Norton street; thence through Norton street to the Genesee river.

In view of the fact that a belt sewer for the relief of the eastern portion of the city is now projected, and, of necessity, must soon be constructed, it is suggested that this sewer in N. Clinton and Norton streets be not undertaken for the present as its construction would be very expensive and that much of its benefit would probably be lost to those who would be called upon to pay for it when the belt sewer is built.

Very respectfully, your obedient servant,
I. F. QUINBY, City Surveyor.

Received, filed and published.

ROCHESTER, March 22, 1887.

To the Hon. the Common Council:

GENTLEMEN—The special committee of the Board of Health appointed for the purpose of conferring with the Finance Committee of the Common Council in regard to making the city's note to supply the deficiency in the health fund would respectfully make the following report: On April 1st, 1886, the balance in the health fund was \$2,755; the yearly appropriation \$24,000, making a total of \$26,755. The amount due on unpaid bills, including salaries, collecting garbage, vaccinating, Dr. Weigle's judgment against the city etc., was \$7,917.52, leaving a balance in the treasury of \$18,837.48. The total amount expended for collecting garbage, salaries, repairs, vaccinating, removing dead animals, etc., was \$23,160.55, leaving a deficiency in the fund of \$4,323.07. The Board of Health in explanation of the above deficiency would state that in view of the great increase in population of our city it has had the effect of increasing the number of garbage collectors. Also to the fact that according to the law recently passed by the Legislature creating the office of a sanitary inspector whose duty it is to inspect all

the plumbing done in the city has also had a tendency to increase our expenses. The Board of Health point with pride to the fact that the garbage of the city has never been collected as well as it has been during the past year, and the sanitary condition of the city has been carefully attended. The Board of Health therefore ask your honorable body to make the city's note for \$5,000 to the end that the deficiency be made good.

T. DERRICK, Committee.

Referred to the Finance Committee.

By the Clerk—

Respectfully,
PETER SHERIDAN, City Clerk.

ROCHESTER, N. Y., March 22, 1887.

To the Common Council :

GENTLEMEN—The city assessors have delivered to me certified and sworn to, as required by law, the assessment rolls for Mansion street plank walk, Ordinance No. 2,965, Conkey avenue plank walk, Ordinance No. 4,012, Dake street plank walk, Ordinance No. 3,038, Glenwood avenue retaining walls, Ordinance No. 3,025.

Respectfully submitted,
PETER SHERIDAN, City Clerk.

Allegations being called for and no person appearing, Ald. Foley moved that the assessment rolls reported by the Clerk be confirmed.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Foley, Selye, Mandeville, Swikehard, Stein, Bohrer, Kelly, Schaeffer—14.

By Ald. Watson—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, March 21, 1887.

To the Hon. the Common Council:

GENTLEMEN: The Executive Board would respectfully call your attention to the fact that the Highway fund, excluding the sum recently provided for the restoration of Court street bridge, is insufficient to carry on the operations of the department until the first Monday in April, the end of the present fiscal year. Probably some \$3,500 will be required in addition to the \$2,240 now in the fund.

As your Honorable Body has now under consideration an ordinance for replacing Court street bridge with a stone structure, the Executive Board does not deem it advisable to order the restoration of the iron structure until you shall determine in regard to said ordinance. There are about \$5,000 in the Highway fund applicable to the restoration of this bridge, which will not be needed until the next fiscal year.

The Executive Board would therefore respectfully recommend that you authorize said Board to use so much of said \$5,000—not exceeding the sum of \$3,500—as shall be required to meet the demands upon the Highway fund, said sum to be restored to that part of the fund applicable to the restoration of the bridge as soon as funds are made available in the next fiscal year.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Watson—Resolved, That the Executive Board be and hereby is authorized to use so much of the sum set apart for the restoration of Court street bridge, not exceeding \$3,500, as may be necessary to carry on the operations of the Highway department until funds are made applicable therefor for the next fiscal year in accordance with the recommendations of said board herewith presented. Adopted.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

SCIO STREET SPRINKLING (SEC. 2).

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling Scio street (sec. 2) during the season of 1887. The surveyor submitted as such estimate \$130.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The sprinkling of Scio street (sec. 2) from 100 feet north of University avenue to the north line of Central avenue during the season of 1887.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$130, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of Scio street from 100 feet north of University avenue to Central avenue in proportion to the benefit and advantage which each will derive therefrom.

And further Resolved, That the taxpayers to be assessed for making such improvements must pay their assessments in one payment, as follows: The whole of the amount assessed within thirty days after the advertisement of the assessment roll.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council on Tuesday evening, April the 5th, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

GRAND AVENUE PLANK WALK.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing plank sidewalks on each side of Grand avenue from east Main street to Leighton street.

Adopted.

The Surveyor submitted as such estimate, \$1,800.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz:

The construction of hemlock plank sidewalks four (4) feet wide on each side of Grand avenue, from East Main street to Leighton street, with the required crosswalks, sidewalk grading and gutter formations.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof and reports the same at \$1,800, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of Grand avenue, from East Main street to Leighton street, in proportion to the benefit which each will derive therefrom.

And further Resolved, That the taxpayers to be assessed for making such improvements must pay their assessment in one payment, as follows: The whole of the amount assessed within thirty days after the advertisement of the assessment roll.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, April the 5th, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

COLVIN STREET PLANK WALK.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing plank sidewalks on both sides of Colvin street from West avenue to Campbell street.

Adopted.

The Surveyor submitted as such estimate \$2,525.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The construction of plank sidewalks four feet and eight inches (4 ft. 8 in.) wide on both sides of Colvin street, from West avenue to Campbell street, with the necessary crosswalks, both parallel and transverse, also the required sidewalk grading and gutter formations.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$2,525, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of Colvin street, from West avenue to Campbell street, in proportion to the benefit which each will derive therefrom.

And further resolved, That the taxpayers to be assessed for making such improvements may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll; and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of said last instalment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII., Section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend the Common Council, on Tuesday evening, April the 5th, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

GARSON AVENUE PLANK WALK.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing plank sidewalks on each side of Garson avenue from East Main street to Leighton street.

Adopted.

The Surveyor submitted as such estimate \$1,975.

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The construction of hemlock plank sidewalks four (4) feet wide on each side of Garson avenue, from East Main street to Leighton street, with the necessary crosswalks, both parallel and transverse; also the required sidewalk grading and gutter formations; and the owners of the abutting property to be allowed twenty days after the grades and alignments have been established by the City Surveyor to make the specified improvements, to the satisfaction of the Executive Board and the City Surveyor.

And Whereas, The City Surveyor under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,975, which estimate is hereby approved.

Resolved, further, That the following portion of said

city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of Garson avenue, from East Main street to Leighton street, in proportion to the benefit which each will derive therefrom.

And further resolved, That the tax payers to be assessed for making such improvements must pay their assessments in one payment, as follows: The whole of the amount assessed within thirty days after the advertisement of the assessment roll.

And the Clerk is hereby directed to publish notice in pursuance of Title V. L. Section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, April the 5th, 1887, at 7 o'clock, at the Common Council Chamber, when allegations will be heard.

Adopted.

PARSELLS AVENUE PIPE SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a vitrified pipe sewer in portions of Parsells avenue and Emma street.

Adopted.

The Surveyor submitted as such estimate: \$5,000.

By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer in portions of Parsells avenue and Emma street, the sewer to begin at a point in Parsells avenue two hundred (200) feet east of the east line of Leighton street and to extend westward along the medial line of the said avenue and the medial line produced through private lands to intersect the medial line of Emma street; thence along Emma street, as laid out by Edwin J. Hayward, to intersect the sewer now in process of construction in Goodman street, the eastern part of the proposed sewer to be twelve (12) inch, and the western part of fifteen (15) inch pipe; also, the construction of the required man-holes, lamp holes, surface sewers, lot laterals and lot connections, with the necessary roadway and gutter formations.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$5,000, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Parsells avenue, from a point two hundred (200) feet east of the east line of Leighton street to East Main street; also, one tier of lots and parcels of land on each side of Emma street aforesaid, from East Main street to Goodman street, excepting therefrom the distance of one hundred (100) feet measured eastward on Emma street, the lots on the corners of Goodman street and Emma street, in proportion to the benefit which each will derive therefrom.

And further resolved, That the tax-payers to be assessed for making such improvements may pay their assessments in three equal payments, as follows: One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll, and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed at six per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of title VII, section 172 of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement are required to attend the Common Council, on Tuesday evening, April the 5th, 1887, at 7 o'clock, at the Common Council chamber when allegations will be heard.

Adopted.

GENESSEE STREET OUTLET SEWER.

By Ald. Marson—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing an outlet sewer for the southwestern portion of the city.

Adopted.

The Surveyor submitted as such estimate, \$75,000.

By Ald. Marson—Resolved, That the following improvement is necessary, viz:

The construction of an outlet sewer for the southwestern portion of the city, to be located as follows: Beginning at a point in the center of Genessee st. fifty (50) feet south of Bronson av.; thence southerly along the medial line of Genessee st. to the produced medial line of Strong st.; thence easterly along the medial line of Strong st. about four hundred and eighty two (482) feet east of the center of Genessee st.; thence southerly in a direct line through private

lands to a point in the center of Flint st. about four hundred and ninety (490) feet east of the center of Genessee st., thence easterly for about four hundred and thirty-one (431) feet along the medial line of Flint st.; thence southerly in a direct line through private lands to the center of Magnolia st. at a point about nine hundred and twenty (920) feet east of the center of Genessee st.; thence easterly along Magnolia st. to the center of Jefferson ave.; thence diagonally through private lands to the intersection of the medial line of Flint and Reynolds sts.; thence northerly along Reynolds st. to the center of Hawley st.; thence easterly along the medial line of Hawley st. and Hawley st. produced to the intersection of Violette st. and Plymouth av.; thence easterly along the medial line of Violette st. to the B. N. Y. & P. R. R. property; thence along the B. N. Y. & P. R. R. property to unite with the southern extremity of the Genessee Valley canal outer sewer; also, the construction of a suitable overflow in connection therewith with the Genessee river at the point at which the proposed outlet sewer turns northward along the B. N. Y. & P. R. R. property, the dimension depth, and forms of the proposed outlet sewer to be adopted in its various parts to accommodate and that along the sewer there shall be provided as many man holes, lamp holes, shaft sewers, lot laterals and connections as may be required, and that where the contemplated sewer passes through unimproved streets the necessary roadway grading shall be done and gutter formations made.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$15,000, which estimate is hereby approved.

Resolved, Further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

All the territory described by and enclosed within the following described boundary lines, viz:

AYERILL AVENUE IMPROVEMENT.

By Ald. Kohlmetz—Resolved, That the City Surveyor ascertain and report to this Council the expense of the improvement of Ayerill avenue from Monroe avenue to Pearl street.

Adopted.

The Surveyor submitted as such estimate, \$3,000

By Ald. Kohlmetz—Resolved, That the following improvement is necessary, viz.:

The setting of Medina stone curbs on each side of Ayerill avenue, from the southern line of the crosswalk on the southern side of Monroe avenue to the northerly line of the crosswalk on the northerly side of Pearl street, with Medina stone gutters three (3) feet wide on the inside thereof and to consist of flag stones one (1) foot wide next to the curbs, and of pavements of the same stone two (2) feet wide on each side; also the construction of a gravel roadway four (4) feet (14) inches in depth between the gutter lines thus established, and within the longitudinal limits named, with the necessary surface sewers.

And, Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reported the same at \$3,900, which estimate is hereby approved.

Resolved further, That the following portion of said city is deemed benefited and property ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots on each side of Ayerill avenue, from Monroe avenue to Pearl street.

And further Resolved, That the tax-payers to be assessed for making such improvements may pay their assessments in three equal payments as follows:

One-third of the amount assessed within thirty days after the advertisement of the assessment roll; one-third of the amount within one year from the confirmation of said roll and the remaining one-third within two years from the confirmation of said roll. On all sums paid prior to the maturity of the said last installment, a discount will be allowed at 6 per cent. per annum.

And the Clerk is hereby directed to publish notice in pursuance of Title VII, of section 172, of the Revised Charter of 1880, of the City of Rochester, that all persons interested in the subject matter of said improvement, are required to attend at the Common Council on Tuesday evening, April the 5th, 1887, at seven o'clock, at the Common Council Chamber, when allegations will be heard.

UNFINISHED BUSINESS.

Ald. Fritzsche called from the table the following:

By Ald. Fritzsche—Resolved, That Senator Pitin and Assemblyman Maurer, be, and they hereby are, requested to urge the immediate passage of the following act amending the city charter:

AN ACT to amend the charter of the City of Rochester, as contained in chapter fourteen of the laws of eighteen hundred and eighty, and the acts amendatory thereof, and supplementary thereto.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section seventy-eight of the charter of the city of Rochester, being chapter fourteen of the laws of eighteen hundred and eighty, is hereby amended so as to read as follows:

§ 78. The sealer of weights and measures, appointed for the city of Rochester, shall possess the like powers, be subject to the like obligations, and shall collect the same fee, for services rendered by him as sealer of weights and measures of the several towns or counties of this State are now, or may hereafter, be allowed; said sealer of weights and measures for said city shall receive such annual salary or compensation as may, from time to time, be fixed by the Common Council of said city, and all fees collected or received by him by virtue of his office, as aforesaid, shall be deposited with the city treasurer, and credited to the contingent fund, and it shall be his duty to demand, sue and collect for, and on behalf of said city, all fees and compensation allowed to be charged for services rendered by him, as such sealer of weights and measures for said city, and said sealer, before entering upon the discharge of his duties, shall execute a bond, with two or more sufficient sureties, to be approved by said Common Council, or by an officer of said city, under the direction of said council, in the penal sum of five thousand dollars, conditioned for the faithful performance by him of the duties of his office, and for the faithful accounting for, and paying over, any and all moneys and fees received or collected by him, or under his direction, to said treasurer.

Section 2. This act shall not apply to the present incumbent of said office.

Lost by the following vote:

Ayes—Ald. Tracy, Foley, Mandeville, Swikehard, Kelly, Schaeffer—6.

Nays—Ald. Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Selye, Stein, Bohrer—9.

Ald. Elliott's motion was then adopted.

The following came up:

“By Alderman Watson—

“Whereas, the building of a monument to the soldiers and sailors of Monroe County is an assured result of generous contributions to that end; and whereas, the selection of a suitable site for said monument is a problem to be solved in the near future; and whereas, the expenditure of a large sum in procuring such a site would weaken the enterprise and retard the work by drawing largely from the limited funds at command; and whereas, Washington square is regarded by many as a suitable and desirable site for said monument, not only on account of its central location and ample room, but also from the fact of its being almost identical with military headquarters as established by the New York State Arsenal, and especially, as it bears that illustrious name which has stood for more than a century as the accepted synonym of all that is noblest in patriotic devotion to the cause of human liberty and valiant service in its defense; therefore,

“Resolved, That the city of Rochester hereby offers, and proposes to donate and grant, through its legal representatives the free and perpetual use of such portion of said Washington square as shall be necessary as a site for said monument, upon condition of its acceptance for such purpose.

“Resolved, That the proposition contained in the foregoing resolution is not made with a view to forestall the selection of the best available site for said monument, nor to the prejudice of any other site which may be offered, but as a proposed voluntary contribution by the city of Rochester to the county of Monroe for the furtherance of mutual interests and mutual aims in commemorating the valiant services of our soldiers and sailors, living and dead.”

Ald. Coughlin moved as an amendment that it be placed in Browns square. Lost.

The original resolution was adopted by the following vote:

Ayes—Ald. Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Mandeville, Stein—8.

Nays—Ald. Tracy, Foley, Selye, Swikehard, Bohrer, Kelly, Schaeffer—7.

By Ald. Mandeville—Petition of Frederick Moll for permission to erect a wood building. Referred to the Wood Building Committee and Fire Marshal, with power to act.

By Ald. Schaeffer—

To the Honorable the Common Council of the City of Rochester:

The Rochester City & Brighton Railroad Company hereby applies for the consent of the City of Rochester by your Honorable Body, subject to the approval of the Mayor, that it may construct, maintain, operate, use and extend mains and branches of the railroad of your petitioner, upon streets of the city of Rochester, as follows: Two parallel tracks, known as double street railroad tracks,

commencing at the present tracks of your petitioner at the intersection of East Main street and University avenue; thence along the center of East Main street easterly over East Main street railroad bridge to the intersection of East Main street with North Goodman street. And application is also made for the like consent for the construction of such switches, sidings, turnouts, turntables and suitable stands in connection with said extensions, branches and lines, as may be necessary for the convenient working of the railroad.

P. BARRY, President R. C. & B. R. R. Co.
Rochester, March 22, 1887.

Ordered received, filed and published.

By Ald. Schaeffer—Whereas, The Rochester City & Brighton Railroad Company has made application to the Common Council of the city of Rochester for the consent of the city of Rochester for the construction of certain extensions, branches and lines upon certain streets of said city, to wit: Two parallel tracks, known as double street railroad tracks, commencing at the present tracks of your petitioner at the intersection of East Main street and University avenue; thence along the center of East Main street, easterly, over East Main street railroad bridge, to the intersection of East main street with North Goodman street, together with switches, sidings, turnouts, turntables and suitable stands in connection with said extensions, branches and lines, as may be necessary for the convenient working of the railroad; therefore,

Resolved, That this Common Council will consider said application at the Common Council chamber in the City Hall building, at 7:30 o'clock, of the evening of April 19, 1887, and that the City Clerk cause notice of said application, and that the same will be considered at the time and place herein fixed, to be printed in two daily newspapers of the city of Rochester, to be designated by the Mayor, daily for fourteen days. Adopted.

By Ald. Schaeffer—Whereas, No agreement for the purchase of lands necessary to be taken under Ordinance No. 3,163 for the extension of Clifford street, passed at this session of the Board, can be made; it is hereby

Resolved, That a copy of said ordinance and of this resolution, together with the map of the street or improvement, be made and filed in the office of the City Clerk, which map shall show thereon the lots, tracts and parcels of land which are deemed necessary to be taken, and the commencement, course and termination of the portion of said street proposed to be extended according to the provisions of section one hundred and seventy-four of the City Charter; and that the City Attorney be and he is hereby instructed to take such proceedings as may be necessary to secure such object. Adopted.

Interest was computed upon the several awards from September 3, 1885, the date of the confirmation order concerning the same, as the owners to whom the awards now made or other persons who subsequently became such owners, executed proper releases for any and all damages sustained intermediate to the said September 3, 1885, and the respective dates of payment, so as to entitle them to interest according to the said resolution of December 23, 1886. (All of which is respectfully submitted for your consideration.)

IVAN POWERS, City Attorney.

Ordered received, filed and published.
By Ald. Kelly—Whereas, on December 23, 1886, the Treasurer was directed to make the city's note for the sum of (\$97,000) ninety-seven thousand dollars, and have the same discounted, and to place the amount received on such discount to the credit of a special fund for the payment of the awards made for the taking of water from Hemlock and Canadice lakes for the use of the city and its inhabitants, by commissioners appointed, and proceedings instituted for that purpose; and

Whereas, it now appears from the communication of the City Attorney that orders have been drawn for, and payment has been made, of the several awards and interest thereon,

and the costs and disbursements in the proceeding allowed to the owners therein, and interest thereon, and that the total amount of such orders is one hundred and three thousand, eight hundred and ninety-eight dollars and fifty cents, thereby causing a deficiency in said fund of six thousand, eight hundred and ninety-eight dollars and fifty cents; it is therefore

Resolved, That the City Treasurer be, and he hereby is, authorized to make the city's note for the said sum of \$6,898.50, under the provision of the last paragraph of section 81 of the city charter, and have the same discounted, under the direction of the Finance Committee; such note to be countersigned by the chairman of said committee, and place the amount of the same to the credit of said special fund, and the discount upon said note be charged to the Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Swikehard, Stein, Bohrer, Kelly, Schaeffer—14.

By Ald. Kelly—Resolved, by the Common Council, that the Fire Marshal be required to report within thirty days, to this Board, the condition of the Opera Houses, and other buildings of like nature, to which large assemblies congregate, in the matter of conveniences for ready escape in case of fire.

Resolved, also, That he be directed to examine as soon as possible and report on the condition in such respect, of the manufacturing and other establishments in this city, where large numbers of people are regularly engaged at work. Adopted.

Ald. Kelly moved a reconsideration of the vote taken on the motion to publish the report of the City Sealer. Adopted.

Ald. Kelly moved to lay the report on the table. Adopted.

By Ald. Bohrer—Whereas, The present system of lighting thickly populated districts of the city by kerosene oil lamps is totally inadequate for the best interests of the city; therefore

Resolved, That the Brush Electric Company be authorized and directed to extend electric lights in Scio street, from Central avenue to Goodman street, said lights to be located under direction of the Lamp Committee, and that as many other lights be discontinued as may be dispensed with.

Ald. Kelly moved to refer the resolution to the Lamp Committee. Adopted.

By Ald. Stein—Petition for the improvement of Hudson street. Referred to the City Surveyor to prepare an ordinance.

By Ald. Stein—Whereas, It has been represented that there are public halls and other places used for public amusement, that are deficient in safe facilities, doors or other modes of exit, to allow audiences therein to escape therefrom in case of a fire; and,

Whereas, There is an ordinance at present in force, adopted on December 27, 1881, by the Common Council of this city, which requires the same; and,

Whereas, The failure to observe the terms of said ordinance is a constant menace to the personal safety of the persons attending such halls or other places; now, therefore, be it

Resolved, That the Fire Marshal be, and he hereby is, directed to immediately notify the respective owners of such halls and other places used for public amusements, to comply with

the terms of said ordinance within two weeks from the date of the giving of such notice, by constructing and having to their halls, or other places used for public amusement, convenient and safe facilities, doors or other modes of exit, to allow at all times any audience that may be therein to escape therefrom in case of a fire, with rapidity and ease, or in default that he, such owner, will be liable to the penalty given in said ordinance. Adopted.

By Ald. Selye—Remonstrance against the improvement of Bloss street. Ordered received and filed.

Ald. Kelly presiding.

By Ald. Foley—Whereas, The assessment rolls for the West avenue asphaltum improvement were, at the meeting of this Council held on the 9th day of March, 1887, confirmed, but which act of confirmation, by reason of a failure to give a previous notice to the State Comptroller of at least three weeks of the time of such confirmation, with the other information required by law, was therefore invalid; now, therefore, be it

Resolved, That the said roll and said act of confirmation be and the same is hereby reconsidered, and that the said confirmation be and the same is hereby fixed at and on the 19th day of April, 1887, the second next meeting of this Council; that this Council at that time proceed to hear allegations against and appeals from said assessment, if any there then be, the same as if the roll was then first presented, as is provided by section 205 of the revised charter of 1880; and that the Assessors, or other officer, whose duty it is, give the notice required by the act of 1886 to the Comptroller of this State of the time and place of such confirmation, with such other information required by said act. Adopted.

Ald. Foley moved that the clerk furnish the Common Council a report of the amounts paid out of the contingent fund during the past four years, for damages arising from defective sewers. Adopted.

By Ald. Elliott, petition of N. C. Burgess for permission to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Watson—Resolved, That the Finance Committee be and hereby is authorized to employ suitable persons to assist in examination of the Treasurer's annual report. Adopted.

By Ald. Watson—Resolved, That the amount of the official bond of the City Treasurer for the term commencing April 4th, 1887, be and hereby is fixed at the sum of fifty thousand dollars (\$50,000.) Adopted.

On motion of Ald. Coughlin the Board then adjourned. PETER SHERIDAN, City Clerk.

In Common Council—March 29, 1887.

ADJOURNED REGULAR MEETING.

By Ald. Fritzsche—

ANNUAL REPORT OF THE WATER WORKS COMMITTEE.

ROCHESTER, March 29, 1887.

To the Hon. the Common Council:

GENTLEMEN: Your Water Works Committee, in compliance with the usual custom, respectfully submit this, its yearly report:

Water Pipe Extensions.

There was raised in the tax levy for 1886 for water pipe extensions the sum of \$60,000 00 Of this there were used for repaying advances made by private citizens for special extensions the sum of 7,254 57

Leaving available for extensions during the year \$52,745 43

When the contracts for work now in force shall have been fully settled there will be no available surplus which can be applied to future extensions. The appropriation for the fund for the year 1886 was inadequate to meet the demands made by citizens for extensions and several owners of property advanced sufficient moneys to make needed extensions in streets on which their property interests demanded such action.

The sums thus advanced for extensions and in payment for materials provided for extensions have thus far amounted to \$11,060.20. These advances having been made under an agreement on their part that no interest shall follow such advances, the parties expect that the city will repay the same from moneys to be raised in the coming tax levy, although it is under no legal obligation to do so at any particular time.

The petitions now on file in the Water Department asking for the extension of water mains would require the expenditure of about \$76,000.

It may be reasonably anticipated that a considerable addition will be made to the number of these petitions during the season.

The total length of water pipe laid during the past year was 10.66 miles, of which there was .53 miles connected with the Holly system.

The total length of water mains now in use in the city is 175.45 miles

Of which there is connected with the Hemlock mains 163.33

And with the Holly system..... 12.12
 The number of fire hydrants set during the
 year is..... 107
 The number of fire hydrants now in use in the
 city is..... 1,567
 The number of gates set during the year is..... 91
 now in use in the city is..... 1,712

Respectfully submitted,

FRANK FRITZSCHE,
 W. H. MARSON,
 JOHN H. FOLEY,
 GEO. W. ELLIOTT,
 D. W. SELYE,
 Water Works Committee.

Adopted.

By Ald. Watson—

To the Hon. the Common Council of the City of
 Rochester:

GENTLEMEN—Your Finance Committee, to whom
 was referred the communication of the Board of
 Health, in which a request was made of your hon-
 orable body to direct the city's note for five thou-
 sand dollars to be made, and to have such amount
 placed to the credit of said Board of Health, so as
 to cover the deficiency otherwise existing in the
 annual appropriation made for said Board, would
 respectfully report :

That we have examined into the merits of such
 application, and find the facts as therein stated to
 be true, and thereby, in our opinion, entitling said
 Board to have the relief therein requested given
 them, and your Committee, therefore, recommend
 that the following resolution be adopted by your
 honorable body.

All of which is respectfully submitted.

CHARLES WATSON,
 GEO. W. ELLIOTT,
 FRANK FRITZSCHE,
 Finance Committee.

Ordered received, filed and published.

By Ald. Watson—

Resolved, That the City Treasurer be, and
 he hereby is, directed to make the city's note,
 for the sum of five thousand dollars, under the
 provisions of the last paragraph of section eighty-
 one of the city charter, for such time as may be
 necessary, not exceeding one year from its date,
 and not until the amount of the same shall be
 raised and paid out of the next general tax levy,
 and have the same discounted, under the direction
 of the Finance Committee, and place the amount of
 the same to the credit of the Board of Health,
 to make good the deficiency existing in the Health
 Fund appropriation; said note to be countersigned
 by the chairman of said Finance Committee, and
 the discount upon said note to be charged to the
 Contingent Fund.

COMMUNICATIONS FROM THE MAYOR AND
 OTHER EXECUTIVE OFFICERS.

By the Clerk—

CITY TREASURER'S OFFICE, }
 ROCHESTER, March 29, 1887. }

To the Hon. the Common Council :

GENTLEMEN: I desire to call your attention to
 the fact that on the 15th day of April next, orders
 to the amount of \$20,147.07 drawn by the Executive
 Board in favor of the contractors for West avenue
 improvement will become due, and also to the fact
 that at that time there will be no moneys in the
 treasury to the credit of that fund with which to
 make such payments.

Under the terms of the resolution of your hon-
 orable body adopted June 7th, 1885, it was con-
 templated that thereafter the payments to contractors
 for work done would be postponed to a time when
 the rolls for local improvements would be in the

hands of the Treasurer, and enough money col-
 lected thereon to meet the payments as each be-
 came due, and thus obviate the necessity of raising
 money on the paper of the city for that purpose, as
 provided in section 193 of the charter. Since the
 adoption of the aforesaid resolution all rolls have
 been in the hands of the treasurer, and sufficient
 monies realized therefrom to meet all payments to
 contractors, but in the case now under considera-
 tion it will be impossible to collect any part of the
 assessment in less time than five or six weeks after
 the first orders on the treasury are due.

I have, therefore, to request, that your hon-
 orable body take such action in the matter as will
 enable me to meet the amounts which will be due
 and payable April 15th, on account of the West
 avenue improvement.

Very respectfully,

JOHN A. DAVIS,
 Treasurer.

POLICE COMMISSIONERS OFFICE, }
 ROCHESTER, N. Y., March 29, 1887. }

To the Honorable the Common Council of the City
 of Rochester :

GENTLEMEN—At a meeting of the Police Com-
 missioners held March 26, 1887, the subject of pur-
 chasing another team of horses for the Police
 Patrol System was taken up, and a communication
 from the City Attorney relative to the authority of
 the board in purchasing the same, was received.
 The Attorney had previously been asked by the
 Commissioners for his opinion in the matter, and in
 reply gives as his opinion that they have not such
 power. Under the circumstances the matter is re-
 ferred to your honorable board to take such action
 as you may deem advisable.

Respectfully,

B. FRANK ENOS, Clerk.

Ordered received, filed and published.

By Ald. Swikehard—

Resolved, That the Police Commissioners and the
 Police Committee of the Common Council be au-
 thorized to purchase a team of horses for the use
 of the Police Department, in the patrol system,
 and that the expense thereof be paid from the Pol-
 ice Fund.

PENAL ORDINANCES.

Ald. Kelly called from the table the fol-
 lowing :

An Ordinance relating to Street Railroads,
 passed March 9, 1887.

The Common Council of the City of Rochester do
 ordain as follows :

SECTION 1. Every street surface railroad within
 the city of Rochester shall consist of a single track
 to be laid in the center of the streets or avenues
 through which the same is or may be designed to
 run, unless the Common Council shall otherwise
 direct in respect to some of the wide streets or
 avenues, with necessary turnouts, side tracks and
 switches, and to be constructed with the improved
 broad rail, of the most approved kind and weight,
 five inches face, not to exceed three-quarters inch
 raised edge, to be laid flush with the surface of the
 street or avenue, and four feet and ten inches
 apart between the raised edges, so as to accommo-
 date the most common width of carriage wheels,
 and to be laid on suitable timbers, with suitable
 cross-ties, unless otherwise permitted or directed
 by the Common Council, under the direction of the
 Executive Board.

Section 2. The track of said railroad shall be so
 laid as to permit the free passages of vehicles and

carriages over the same, and the rails shall be laid even with the surface of the streets and avenues, and shall conform to the grades thereof as now established, or as they shall from time to time be established or altered. As soon after the adoption of this ordinance as the condition of the streets and avenues, through or along which any street surface railroad track is now laid will permit, the surface of such streets and avenues inside the rails of all tracks authorized to be laid prior to May 6, 1884, and between the tracks and rails of such tracks and for a space two feet in width outside and adjoining the outside rails of the tracks of any and all extensions or branches of any railroad authorized to be constructed since May 6th, 1884, shall be put in good and thorough repair by the company, under the direction of the Executive Board of said city, and thereafter at all times the same shall be in like manner and degree kept and maintained; as to tracks authorized to be constructed or laid prior to the 6th day of May, 1884, the surface of said streets and avenues inside and between the rails thereof; and roads and any and all extensions and branches of any roads authorized to be constructed or laid since said May 6th, 1884, between the tracks and the rails of the tracks, and a space two feet in width outside and adjoining the outside rails of the track or tracks.

Section 3. During the operation of laying rails a free passage for carriages and other vehicles over and along the streets and avenues in which such track laying be done, shall be kept open, and immediately after the rails shall be laid, the pavement, flagging and other materials necessarily removed in laying the same shall be replaced in a good and substantial manner and the street or avenue be placed or put in as good condition as before such removal or track laying, and the surface of the pavement made flush with the rails, and no portion of the pavement or surface of the streets or avenues shall be kept broken or disturbed for a greater time than five days. And all surplus street material shall be carefully removed by said company laying such track.

Section 4. The cars to be used on any such railroad shall be drawn by horses or mules only, at a speed not exceeding the rate of seven miles per hour, and shall run as often as once in every fifteen minutes between the hours of 6 o'clock in the morning and 12 o'clock midnight, upon all routes now or hereafter constructed, except the Lake Avenue route from Driving Park avenue to the Kidge Road, and the lines hereafter constructed in the fifteenth or sixteenth wards, and upon those lines as often as once in every half hour, of each and every day hereafter; and the cars upon each and all the routes shall commence running and shall run and start from the Four Corners, so called, or the junction of West Main, State and Exchange streets, in the manner and at the times aforesaid. The company or companies while they comply with the requisitions in respect to the running of their cars above referred to, may run their cars as much oftener as they shall choose either on the whole length or over a portion or portions of their said road.

Section 5. There shall be posted in each car, in a conspicuous place therein, a plainly printed copy of the rates of fare or charges allowed by law to be charged or received for the transportation of passengers by the company running or operating such car; and there shall also be posted in a conspicuous place in each car a plainly printed or painted sign containing the number of the car and the name of the route or routes on which the car is then run and so as to be easily read by any person on entering the car.

Section 6. No car shall be allowed to stop on a crosswalk nor in front of an intersecting street, except as shall be necessary to avoid collisions, or to prevent danger to persons in the street.

Section 7. When the conductor of any car is required to stop at the crossing of any two streets to receive or land passengers, the car shall, if convenient, be stopped so as to leave the platform slightly over the crossing.

Section 8. It shall be the duty of the company, or companies, to employ careful, sober and prudent agents, conductors and drivers, to take charge of their cars while on the road, and it shall be the duty of such agents, conductors and drivers, so far as the same is practicable, to keep a vigilant watch for all teams, carriages and persons on foot, and especially children, and at the first appearance of danger to such teams, carriages, footmen, children or other obstructions, the car or cars shall be stopped in the shortest time and space practicable. The company or companies may, in their discretion, run cars without any other conductor than the driver.

Section 9. The conductors shall not allow women or children to enter or leave the cars while in motion.

Section 10. Conductors shall announce the names of the principal streets and avenues as the car reaches them.

Ald. Kelly moved that section 11 be stricken out.

Section 11. Whenever it shall be necessary to remove any snow or ice from the track or tracks of said road or roads, the same shall be done by the company owning and operating such road in such manner, and so carefully and evenly spread on the street or avenue, as not to obstruct the free passage of sleighs or vehicles upon or along said street or avenue, or in crossing the same, or by foot passengers at crossings, and no salt or brine shall be used for the purpose of removing snow or ice from said track or tracks, or the rail or rails thereof, except at curves, switches or turn-tables, and there only and barely sufficient for the purpose of removing snow or ice from, and to be carefully and only placed upon such rail or rails. Any company or corporation or person violating any of the provisions of this section shall be subject and liable to pay a fine or penalty of twenty-five dollars for each offense.

Section 12. It is hereby reserved to the Common Council of the city of Rochester the right to make such further orders, rules and regulations, in relation to the construction, repairs and operation of any street surface railroad now, or hereafter to be, constructed, maintained and operated, as from time to time may be deemed necessary by said Common Council to protect the interests of said city, and the safety, welfare or accommodation of the public. But no alteration of these rules shall be made which shall have the effect to impair the substantial rights of such company or companies.

Section 13. Wherever gas or water pipes, or sewers, are now laid in any street or avenue, said railroad or railroads must be laid down and maintained subject to the rights over the same now in the city, and the gas and water companies, and the Executive Board of said city to take up, alter, repair or remove said pipes or sewer in such manner as not unreasonably to damage or injure said railroad or railroads, or its or their use, without claim upon or to said city, gas or water companies, or said Executive Board, or its successor, and the Common Council expressly reserves to itself the right hereafter to lay down, or cause or permit to be laid down, in said streets or avenues, gas or water pipes, or sewers, and to alter, improve and repair said streets or avenues, whenever the public or private good or convenience may require.

Gas or water companies, or private individuals, who shall take up the pavement, or excavate the street for the purpose aforesaid, being always required, as by the present city ordinances, to restore the street to its former condition.

Section 14. In case any street surface railroad company now or hereafter incorporated and operating and maintaining any road within the city of Rochester shall fail to keep the streets and avenues in which their said railroad shall be laid in repair, as herein provided, and shall neglect to make such repairs for five days, after notice, in writing, from the Executive Board of said city, or other officer or officers having the supervision of repairs of streets or avenues within said city, served upon

the superintendent or other officer of said railroad, specifying the repairs, the said Common Council and said Executive Board, or either of them, shall have the right to cause such repairs to be made, and the expense thereof may be assessed upon the property of said company or sued for and collected in the name of and on behalf of the city of Rochester from said company so neglecting as aforesaid.

Section 15. And in case any company, and each and every of its agents, servants, conductors and drivers, who shall fail to comply with, or shall violate any of the provisions of any of the sections of this ordinance, it and them or him shall forfeit and pay a fine or penalty of not less than ten dollars, and not more than one hundred dollars, for each and every such violation; and if the said company shall refuse or neglect to comply with any of the rules and regulations hereinbefore made or imposed upon it, after notice served in writing on the superintendent or other officer of said company, requiring compliance as herein provided, the said company shall forfeit and pay a further and additional fine or penalty of twenty-five dollars for each and every day during which such violation is continued.

Section 16. Should any company fail to complete its railroad, or to commence running its cars thereon within one year after the construction thereof is begun, or should any company neglect to run cars on its road after the completion thereof, for the accommodation of the public, as provided by the rules and regulations of this ordinance, for the space of two consecutive months, then such company shall forfeit all privileges and rights which they may have acquired heretofore or hereafter by any grant, or use or possession of any of the streets or avenues within said city, upon which such cars are not so run; and in such case the city of Rochester reserves the right, by its Common Council, to cause all obstructions and materials placed in said streets or avenues by said company to be removed therefrom, and said streets and avenues put in as good condition and repair as they were before said materials and obstructions were placed therein, and the expense thereof shall be paid to said city by such railroad company; and said city, also, in such cases reserves the right to grant the same rights and privileges to any other person or persons, corporation or corporations, in the manner now, or hereafter, prescribed by law, free from all charge or liabilities for damage on account thereof.

Section 17. If by reason of any act, omission or neglect of any railroad company, its officers or agents, the corporation of the city of Rochester, shall, or may be subjected to any damages or liability, the said railroad company shall be liable to the said city to the same extent.

Section 18. Each and every street surface railroad company or corporation now or hereafter incorporated and operating and maintaining any road within the city of Rochester shall, and it hereby is required to pay to the treasurer of the city of Rochester, for the use of the city, five dollars per annum for each car or carriage owned or operated by them, and every such company shall obtain from the Mayor of the city a license for each of said cars or carriages, which it shall be his duty to grant without fee or reward, on the production of the treasurer's receipt for such payment; and provided, further, that such license shall, in every case, expire on the thirty-first day of March in each year, and that any company or corporation now operating and maintaining any road within said city shall pay such fee and obtain such license within thirty days from the date of the passage of this ordinance, and the same to begin on April 1, 1887. The president or managing officer and secretary of such, and every such company or companies shall, on or before the first Monday in April of each year, commencing the first Monday of April, 1887, furnish to the Common Council of said city, a full and complete list of all the cars or carriages owned and operated by the company, and such statement shall be veri-

fied by the oath of the said president or managing officer and secretary, to be administered by a notary public of Monroe county, and attested by his seal, and the City Clerk shall notify every such company or corporation of such requirement, and every such corporation or company, or the president or managing officer or secretary thereof, who shall fail to pay such fee, and obtain said license, or who shall fail to make such report and list, at the time and in the manner above specified, shall be liable to pay a fine or penalty of not less than ten dollars, nor more than fifty dollars, and a further penalty of the same amount for each and every twenty-four hours such neglect shall continue.

Section 19. Whenever any company shall, for any reason, remove from their tracks, or any portion of the adjacent roadways, at any street corner, or street intersection, except by means of a plough, scraper, or otherwise, as is authorized or permitted to be done by section eleven of this ordinance, or shall remove, in any manner, from their tracks, or any portion of the adjacent roadway, at what is commonly known as the "Four Corners," or the intersection of West Main street with State and Exchange streets, and of East Main street with North and South St. Paul streets, any dirt, dust, filth, snow or ice, the same shall be removed from such street or avenue entirely by said company, without delay; and if the same is deposited, and not immediately removed, as aforesaid, it shall be immediately removed by the Executive Board of the city, and the cost and expense of such removal shall be paid by the company so offending, and in addition thereto, for the violation of this section, such offending company shall be liable to a fine or penalty of fifty dollars for each offense, and a further penalty of fifty dollars for every twenty-four hours such violation shall continue.

Section 20. Whenever any company shall for any reason remove from their tracks, or any portion of the adjacent roadways at any street corner or street intersections, including what is commonly known as the Four Corners, and the intersection of Saint Paul streets with East Main street, any dust, dirt, filth, snow or ice, the same shall be taken away from the street entirely by said company without delay, and shall not be deposited upon the sides or any other portion of the street surface, and if the same is deposited contrary to the provisions hereof, the same may be immediately removed by the Executive Board of the city and the cost and expense thereof shall be paid by the company so offending, and in addition thereto for the violation hereof, such offending company shall be liable to a fine or penalty of fifty dollars for each offense, and a further penalty of fifty dollars for every twenty-four hours such violation shall continue.

Section 21. The penalties prescribed for the violation of any section of this ordinance shall not in the aggregate exceed the sum of one hundred and fifty dollars for any specific violation thereof, anything hereinbefore to the contrary notwithstanding.

Section 22. Every execution issued upon a judgment recovered for a violation of this ordinance, or any provision thereof, except as is hereinbefore otherwise specially provided, shall command the amount to be made of the property of the defendant if any such can be found, and, if not, then to commit the defendant to the Monroe County Penitentiary; and any person violating any provision of this ordinance and failing to pay the penalty or fine imposed therefor, shall be imprisoned in said penitentiary for a term of not exceeding one hundred days.

Section 23. This ordinance shall take effect immediately.

Ald. Mandeville moved that that portion of section 2 relating to the repairing of tracks be stricken out. Adopted.

Ald. Kelly moved that the penal ordinances lay on the table till the next meeting. Lost.

Ald. Mandeville moved that \$5 be stricken out in section 18 and \$10 substituted. Adopted.

Nays—Ald. Tracy, Marson, Kohlmetz, Fritzsche, Selye, Swikehard, Kelly—7.

The reading of the act was then called for.

Ald. Watson called up the following:

AN ACT to establish a police pension fund for the city of Rochester.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

SECTION 1. The Mayor of the city of Rochester for the time being (and his successors in office), the police commissioners of the city of Rochester for the time being (and their successors in office), and the City Treasurer of the city of Rochester for the time being (and his successors in office) shall constitute a board of trustees of the police pension fund hereinafter mentioned. The Mayor of the city of Rochester shall be president of said board, and they shall annually designate one of their number who shall be secretary thereof. The City Treasurer of the city of Rochester shall be the treasurer of said pension police fund. Such board of trustees shall have charge of and administer said fund, and from time to time invest the same, or any part thereof as they shall deem most beneficial to said fund, and are empowered to make all necessary contracts and take all necessary and proper action and proceedings in the premises and to make payments from said fund of pensions granted in pursuance of this act. The said trustees shall from time to time establish such rules and regulations for the administration of the police pension fund as they may deem best. They shall report in detail the condition of the fund at the close of each fiscal year of the police department, through their secretary, to the Common Council, and said report shall be published with the annual report of the police department. No payments whatever shall be allowed or made by said trustees as rewards, gratuities or compensation to any person for salary or services rendered to or for said board of trustees.

§ 2. The police pension fund shall consist of—

1. All fines imposed upon members of the police force by the board of police commissioners.

2. All rewards, fees, gifts, testimonials and emoluments presented, paid or given to any member of the police force for or on account of police services, except such as has been or shall be allowed by the police commissioners to be retained by said member.

3. All moneys paid for special services of policemen at balls, parties, weddings, excursions, or picnics.

4. The avails of all lost or stolen securities, choses in action, moneys, things, or other property which shall remain unclaimed in possession of the police department for the period of six months after a conviction for stealing the same, together with the avails of all unclaimed or confiscated property of every nature soever which shall have been in custody of said police department for such period of six months.

5. All fines collected for carrying or having in custody concealed or dangerous weapons.

6. All revenues derived from licenses for the public use of billiard and pool tables, bowling alleys and pawn brokers and all fines and penalties inflicted and collected through prosecutions connected with the public use of billiard and pool tables, bowling alleys and pawn broking business.

7. The sum of one dollar per month or fractional part of a month from the salary from each and every member of the police force to be retained, deducted or collected by the Police Commissioners.

8. The Common Council shall annually include in the tax levy the sum of one thousand dollars, which sum shall at the time when the appropriation for the conduct of the police department shall be made, be set apart or so much thereof as shall be necessary and paid over to the treasurer of the trustees of the police pension fund.

§ 3. The board of police commissioners shall have power in its discretion, by the unanimous vote of a full board, to retire and dismiss from membership in the said police force, and thereupon grant pensions, as hereinafter provided, to any member of the police force of said city who shall have become disabled, physically or mentally, or so advanced in age as to be unfit for police duty, and, by a unanimous vote of the board, to widows and orphans of such members, to be paid from the police pension fund, by the board of trustees thereof, as follows:

1. To the widow of any member of the police force who shall have been killed while in the actual performance of duty, or shall have died from the effects of any injury received whilst in the actual discharge of such duty, or who has died, or who shall hereafter die after fifteen years of service in the police force in the city of Rochester, or who shall have been retired upon a pension under section four of this act, if there be no child or children under eighteen years of age of any such member, the sum of not exceeding two hundred and fifty dollars per annum; but if there be any such child or children of such member under the age aforesaid, then the said sum may be divided between such widow, child or children in such proportions and in such manner as the said board may direct.

2. To any child or children under eighteen years of age of such member killed or dying as aforesaid, or pensioner as aforesaid, but leaving no widow, or, if a widow, then, after her death, to such child or children being yet under eighteen years of age, a sum not to exceed two hundred and fifty dollars per annum.

3. To any such member of said police force who shall after fifteen years and less than twenty years membership, become superannuated by age, permanently insane or mentally incapacitated, or disabled, physically or mentally, so as to be unfitted or unable to perform full police duty by reason of such disability or disease, contracted without misconduct on his part, a sum not less than two hundred and fifty dollars nor exceeding five hundred dollars per annum.

§ 4. Any member of the police force who has, or shall have, performed duty therein for a period of twenty years or upward, and any member of the police force who, whilst in the actual performance of duty, and by reason of the performance of such duty, and without fault or misconduct on his part, shall have become permanently disabled, physically or mentally, so as to be unfitted to perform full police duty, upon his own application, in writing, or upon a certificate of the police surgeon, showing that such member is permanently disabled, physically or mentally, so as to be unfit for duty, shall, by resolution, unanimously adopted by a full board, be retired and dismissed from said force and service, and placed on the roll of the police pension fund, and awarded and granted to be paid from said pension fund, an annual pension during his life time of a sum of not less than one-half the full salary or compensation of such member so retired; provided, however, that no pension granted under the provisions of this section shall exceed the sum of five hundred dollars per annum. Pensions granted under this section shall be for the natural life of the pensioner, and shall not be revoked, repealed, or diminished. Pensions may, in the discretion of said board of police, be continued and paid to the widows and children, or, if no widow, to the child or children, whilst under the age of eighteen years, of any member or members of the police force to whom pensions shall have been granted, under the provisions of this section, or under subdivision three of section three of this act; provided, however that such pensions to such widows or children, as the case may be, shall, in no instance exceed five hundred dollars per annum, and the same may, in the discretion of said board, be from time to time diminished, modified, or revoked.

§ 5. Pensions to widows shall terminate when the widow shall remarry, and pensions to children shall terminate whenever the children shall respectively arrive at the age of eighteen years. The Police Commissioners may, in their discretion,

order any pension granted, or any part thereof, to cease, except in the case of members of the police force retired after twenty years service, as provided in the last preceding section, but in all such cases the said board shall file with the trustees of the police pension fund a written statement of the causes which determined them in ordering any pension to so cease, and nothing herein contained shall render the granting or payment of such pension obligatory on the police commissioners, or upon the trustees of the police pension fund, or chargeable as a matter of right upon said police pension fund, except as provided in the last preceding section.

§ 6. No member of the police force shall be awarded, granted, or paid a pension on account of physical or mental disability or disease, unless upon the certificate of the surgeon of the police department, which shall set forth the cause, nature and extent of the disability, disease or injury of each member of the police force who may be placed upon the pension roll, and said certificate shall distinctly state whether or not such disability, disease or injury was incurred or sustained by said member of the police force in the performance of police duty, and such certificate shall in each case be filed with and entered upon the minutes of the police commissioners.

§ 7. Should the moneys at the disposal of the trustees of the police pension fund be found at any time inadequate to fully carry out the provisions of this act, the trustees shall pay to the dependants on such fund as near a pro rata amount as in their judgment the circumstances may warrant.

§ 8. Every person who knowingly or willfully in any wise procures the making or presentation of any false or fraudulent affidavit or affirmation concerning any claim for pension or payment thereof, shall in every such case forfeit a sum not exceeding two hundred and fifty dollars, to be sued for and recovered by and in the name of the said board of trustees, and when recovered paid over to and thereupon become a part of the said police pension fund.

§ 9. For the purposes of this act, the persons constituting the board of trustees of the police pension fund are hereby authorized to administer oaths and take acknowledgments; and any person who shall willfully swear falsely in any oath or affirmation in obtaining or procuring any pension or payment thereof, under the provisions of this act, shall be guilty of perjury.

§ 10. The moneys, securities and effects of the police pension fund, and all pensions granted and payable from said fund shall be and are exempt from execution and from all process and proceedings to enjoin and recover the same by or on behalf of any creditor or person having or asserting any claim against, or debt or liability of, any pensioner of said fund.

§ 11. This act shall take effect immediately.

Ald. Watson moved that the bill be adopted as read.

Ald. Marson moved that article 7 of section 2 be stricken out.

Lost by the following vote:

Ayes—Ald. Marson, Watson, Kohlmetz, Fritzsche, Elliott, Mandeville, Stein—7.

Nays—Ald. Tracy, Coughlin, Foley, Selye, Swikehard, Kelly, Schaeffer—7.

Ald. Watson's motion was adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Marson, Watson, Foley, Selye, Swikehard, Kelly, Schaeffer—9.

Nays—Ald. Kohlmetz, Fritzsche, Elliott, Mandeville, Stein—5.

By Ald. Watson—

Resolved, That we have heard with deep regret of the death of Hon. Nicholas E. Paine, Mayor of the City in the year 1851, which occurred at his late residence in Yorktown Wednesday, March 23, 1887. We honor his memory and feel that a high-minded, public spirited former chief magistrate has departed, who contributed largely to the growth and prosperity of our city in its formative days. That the Clerk be directed to enter these resolutions on our minutes, and send copies to the bereaved widow and children of the deceased.

(Adopted by a rising vote.)

By Ald. Marson--

CITY SURVEYOR'S OFFICE, }
 ROCHESTER, N. Y., March 24, 1886. }

To the Honorable the Common Council of the City of Rochester :

GENTLEMEN—The original purpose in constructing the Goodman street outlet was to afford sewerage facilities for a large territory south of the N. Y. C. & H. R. R. R., embracing, among others, the Court and William, the Upton and Culver Parks and the Portsmouth Terrace divisions.

As the Goodman street sewer, so far as contracted for will be completed on or before the 1st of August next, it is important that ordinances be passed, plans prepared and contracts let for the extension of the said Goodman street sewer southward beyond the N. Y. C. & H. R. R. R., as was contemplated, and also for the connection of the Court and William street outlet with the sewer aforesaid.

I would therefore respectfully recommend that the Executive Board be requested to at once enter into negotiations with the parties owning the lands through which the extended and connecting sewers are to pass, to secure the necessary right of way so that there need be no delay in the prosecution of the proposed work.

The parties with whom, so far as known, the Executive Board will have to treat, are the N. Y. C. & H. R. R. R., Edwin S. Hayward, F. S. Minges, Henry H. Craig and the Hollister Bros.

Very respectfully, your obdt. servt.,
 I. F. QUINBY, City Surveyor.

Ordered received, filed and published.

By Ald. Marson—

Resolved, That the Executive Board be and hereby is requested, as soon as practicable, to enter into negotiations for the right of way through lands not belonging to the city, for the extension southward of the Goodman street outlet sewer now in process of construction and also for the connection therewith of the Court and William street outlet sewer.

Adopted.

By Ald. Coughlin—

Resolved, That the City Surveyor be instructed to bring in an ordinance at the next regular meeting for a sewer in Brown street, from a point near Frank street to the sewer in State street.

Adopted.

By the Clerk—

FINANCE COMMITTEE'S REPORT.

By Ald. Watson—

To the Hon. the Common Council of the City of Rochester:

GENTLEMEN: Your Finance Committee submits the following statement:

In view of the fact that the tax levy for 1887 will not be made until the month of June, and that the assessment rolls will not be placed in the hands of the Treasurer for collection until July 1st, it becomes necessary to anticipate the tax levy by borrowing a sufficient amount of money to continue the various departments of the city government from the present time until July 1st; your committee has made a careful examination of the amounts needed to carry on the business of the city government for the next three months, and would recommend that the Treasurer be authorized to borrow the amounts necessary to be raised, as follows:

Fire Department Fund.....	\$15,000 00
Poor Fund.....	10,000 00
Police Fund.....	20,000 00
Highway Fund.....	25,000 00
Lamp Fund.....	18,000 00
Health Fund.....	10,000 00
City Property Fund.....	2,000 00

Respectfully submitted,

CHARLES WATSON,
PHILIP WEIDER,
FRANK FRITZSCHE,
GEO. W. ELLIOTT,
Committee.

Ordered received, filed and published.

By Ald. Watson:

Resolved, That the City Treasurer be and he hereby is authorized to issue, as necessary, the city's notes for the aggregate sum of one hundred thousand dollars (\$100,000) under the authority of section 81 of the city charter, said notes to be discounted under the direction of the Finance Committee, and to be countersigned by the chairman of the Finance Committee, and the discount thereon to be charged to the Contingent Fund.

The proceeds of said notes to be credited as follows:

Fire Department Fund.....	\$15,000 00
Poor Fund.....	10,000 00
Police Fund.....	20,000 00
Highway Fund.....	25,000 00
Lamp Fund.....	18,000 00
Health Fund.....	10,000 00
City Property Fund.....	2,000 00

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Bohrer, Kelly, Schaeffer—13.

By Ald. Watson—

To the Honorable the Common Council of the City of Rochester:

Your committee to whom was referred the communication of the Treasurer in reference to the payment of orders drawn by the Executive Board in favor of contractors for West avenue improvement, would respectfully report that, on account of delay in confirming the roll for that improvement, it will be impossible for the Treasurer to collect any part of the assessment in time to meet the first payment to the contractor when due, and that it will therefore be necessary to issue the note of the city for a period not longer than two months, in order that said first payment may be made when due.

Respectfully submitted,

CHARLES WATSON,
PHILIP WEIDER,
GEO. W. ELLIOTT,
FRANK FRITZSCHE,
Committee.

Ordered received, filed and published.

By Ald. Watson—

Resolved, That the Treasurer be and he is hereby authorized and directed to make the city's note for the sum of \$20,147.07, and have the same discounted under direction of the Finance Committee, and to use the amount of same to pay orders due April 15, 1887, on account of West Avenue Improvement Fund. Said note to be countersigned by the chairman of Finance Committee, and discount to be charged to Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Bohrer, Kelly, Schaeffer—13.

By Ald Watson—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN:—The Finance Committee beg leave to make its annual report and recommendations:

First—Your committee has insisted and your Council has co-operated therein, that that the bills furnished to the Finance Committee, to be placed upon the budget, must be itemized. In no other way can a finance committee intelligently pass upon a bill, unless it contains all the information necessary, so that those who know nothing about the matter can gain all the needful knowledge from the face of the bill. We beg to report that this provision has acted satisfactorily, and we would urge your honorable body and our successors to follow the rule thus established. We also recommend that all bills be rendered monthly, in order that they may be intelligently audited and passed.

Second—The Finance Committee recommended and your honorable body passed a resolution directing that all the miscellaneous supplies not otherwise provided for should be purchased by the city clerk, under the direction of the Finance Committee, the contract to be let to the lowest bidder. Your committee insists that a large saving in expenditures may be effected if the purchase of supplies by the city were looked after more carefully and rigidly, and if, instead of paying retail prices for everything that the city buys, a wholesale rate, determined by a contract, were agreed upon. Your committee begs to recommend that wherever possible the necessities of the city in its various departments should be grouped together under various heads, and the contracts for filling such supplies should be let to the lowest bidder without regard to any other consideration but business.

Third—The condition of the various funds with the amounts to their credit will appear in the report made up by the City Treasurer herewith appended. Some funds have been overdrawn and in some there is still a considerable balance to their credit. We regret to say that the city has been obliged to supply deficiencies in the following funds:

Highway Fund.....	\$5,500
Health Fund.....	5,000
Poor Fund.....	1,100

We ourselves deprecate any miscalculation or allowances for short calculated management that lays the necessity upon the city of making notes, and yet, in the cases above mentioned, it did not seem possible to provide for the exigencies they met, and consequently your committee recommended the Council to issue the notes as aforesaid; in addition to those above mentioned it was also necessary to make the city's notes to pay the claims for damages to Honeye millers, to the amount of about \$110,000, and which amount will be included in the tax levy for 1887. An effort was made by this committee at the beginning of the fiscal year to get from each department an itemized statement of their needs, and after carefully canvassing these statements the committee made what it deemed to be generous allowances for the various funds. We cannot too strongly urge the Council to insist in the future on the practice thus established by our predecessors, and followed by ourselves. The burden of taxation in this city is already very great, so much so, that many persons are discouraged from holding real

estate within the corporate limits; it is therefore the bounden duty of each member of the Council and of every official in the city government to insist upon business economy and to practice the same in the transaction of all business for the city. We have no words strong enough with which to condemn any system of appropriations which is made in lump sums, and we congratulate ourselves that we have the opinion of the Common Council and of the city to sustain us in this position.

Fourth—We believe, as a result of this year's experience, that the various departments can, if they will, cut their cloth exactly to their pattern, and have a surplus to their credit at the end of the year. We believe in that wise economy which expends money liberally in absolute necessities, but that is unsparring in its condemnation of official extravagance.

Fifth—We believe, notwithstanding the utmost endeavors of every member of this Council to protect the city's interest in all possible ways, that it is impossible for members of the Council and various members of the various committees to exercise that rigid oversight over the expenditures of the city that could be exercised if the man who purchased supplies and the man who audited the accounts of the city was each a paid official and under bonds to the city for the faithful performance of the duty. What is everybody's duty, they say, is nobody's duty, and your committee hopes the time is not far distant when the charter of the city will be so revised or a new one will be so devised that the conduct of the city business will be the same as the conduct of the business affairs of first-class commercial houses.

Sixth—Your Finance Committee begs to call attention to the anomalous fact that the Executive Board is practically sole arbitrator in the matter of its bills. To be sure, it comes to the Common Council for appropriations, but it expends this money as it sees fit, only recognizing in a measure the responsibility of the council by sending its bills to the finance committee of the council for auditing. This committee, as a matter of fact, can only audit or "hang up" the bill *pro forma*. The same or even a more anomalous relation exists between the Common Council and the Board of Education. The Common Council levies taxes and furnishes sums of money to the Board of Education, but has no authority whatever as to how those sum shall be appropriated or expended by that board. It seems to your committee that there should be some body or person responsible in such matters both for expenditures as well as for appropriations. As it is now "circumlocution" is almost perfect, the responsibility is divided. If your honorable body should hold the members of the finance committee personally responsible for the bills that, in a perfunctory manner, pass through their hands, sworn to as correct by the parties furnishing and those ordering who are supposed to know, no member of this body would be willing to serve on this committee; and yet, as a matter of fact, public opinion, which does not inquire into the details of functions, expects a finance committee to be a perfect check for all fraudulent or exorbitant bills. The anomalous conditions above referred to are only another argument in favor of a charter suited to the needs of the city and the latter part of the nineteenth century.

Seventh—In 1903 the water works debt of the city of Rochester becomes due. We are now paying 7 per cent. interest on \$4,125,000. In that year, if no tremendous financial stringencies generally occur throughout the county, we hope to be able to refund the debt at 3 per cent. or less interest per annum, but your committee would beg to call the attention of the council to the wisdom of establishing now a sinking fund and appropriating a reasonable sum of money every year for that fund, so that, by adding principal and interest, a considerable amount of money may be on hand with which to cancel part of that tremendous debt. In municipal affairs, we should not mortgage the future without making some reasonable and timely provision with which to cancel the obligations when they become due. It will not do to trust in providence and the

future of the city in such matters, because it is neither good sense nor good business.

Eighth—During the next fiscal year the city must provide some method by which the sewage on the east side of the city may be properly carried off without detriment to private property. We cannot too strongly urge immediate and prompt measure in this matter. The possible expense of this sewer is very great, but this ought not to deter us from taking immediate steps in the premises. The outlook for the future seems promising but with possibly such an expensive sewer to construct, and the meeting of the expenses that must inevitably grow with the growth of the city, it behooves us to add the weight of our testimony to the advice of our predecessors, and urge the strictest economy in the administration of municipal affairs. We do not say this in a merely perfunctory manner, because we are satisfied from our own experience that there is altogether too much waste in affairs, a waste that occurs, not so much from willful purpose as from the carelessness that necessarily obtains when so many of the servants of the people can give only part of their leisure time to the city.

Thanking the board for the uniform courtesy which we have received and trusting that the future prosperity of the city may in no way be impaired by the financial proceedings of the Council of 1886-87, and its Finance Committee, we remain, respectfully yours,

CHARLES WATSON,
PHILIP WEIDER,
JOHN H. FOLEY,
FRANK FRITZSCHE,
GEO. W. ELLIOTT,
Finance Committee.

On April 1st, 1886, there were 309 electric lights, 1,982 gas lamps, oil lamps, 1,332. By resolution of the Common Council, the Lamp Committee have had 77 electric lights erected during the years of 1886 and 1887, making the total number of electric lights now in use 386. We have also discontinued the use of 244 gas lamps and 31 oil lamps.

The committee after several conferences with the directors of the Brush Electric Light Company succeeded in having the price reduced from 45 cts. per light per night to 30 cts., thus effecting a saving of \$54.75 per light per year.

This is the lowest price paid by any city in the United States for electric lights.

The Committee would recommend that the kerosene oil system be abolished and electric light substituted, thus affording the taxpayers a good and substantial light.

Your committee would also state that there have been and are now a great many petitions for electric lights, which, from the scantiness of the fund we were unable to grant, and it is to be hoped that the appropriation for the coming year will be adequate to meet the demands of residents of unlighted and poorly lighted districts.

ANNUAL REPORT OF COMMITTEE ON PUBLIC HEALTH AND SCHOOLS.

By Ald. Elliott—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—Your committee on Public Health and Schools begs leave to report:

At the beginning of the year this committee determined that it would not audit any bills without some acceptable assurance that the work for which the bills called for was properly done. When Mr. Kohlmetz was appointed superintendent, this committee assured him that he would have the support of the committee in every measure that he took to correct mismanagement, and to introduce business accuracy and methods, in the operations of the Board of Health.

Much complaint had been prevalent throughout the city because of the failure properly and regularly to collect the garbage. The first bills that came before us were made out simply for the "collection of garbage," "for the removal of dead animals," and various other indefinitely defined services.

At the suggestion of your committee, Superintendent Kohlmetz divided the city into districts, and assigned a special garbage collector to each district by number; thereafter the bills came in for the collection of garbage in district so and so, and only those days were paid for in which services were rendered the city.

Your committee believes that Superintendent Kohlmetz is entitled to thanks for the fidelity that he has shown to the city's interests, and the very great improvement that has obtained in the matter of the collection and removal of garbage.

Your honorable Board is familiar with the conclusions that a special committee called upon to investigate the "financial affairs of the Board since 1884," and your committee would only add that if there were a thorough revision of the method of creating, and the manner of conducting the business of the Board of Health, your committees of the future would feel some assurance that the money paid for services would be money paid for services actually and well done.

In the matter of schools, no item of consequence has been referred to this committee, except providing \$70,000 in funds for the erection of a new school building in place of No. 14, and other house repairs, which the necessities of the case fully justified.

Respectfully yours,
 GEO. W. ELLIOTT, Chairman,

Total cost for support and relief of the poor for the year ending March 31, 1887, \$68,614 91

Your committee on support and relief of the poor would respectfully report that a committee of the Rochester City Hospital directors, consisting of A. S. Hamilton and Samuel Sloan, waited on your committee and made a request for an increase of the amount paid for patients to said hospital.

The present rate is \$3.50 for three (3) months and \$1.75 for the balance of the time such patients are kept in said hospital.

The request of the directors was that it be made \$5.00 for three months and \$2.50 for the balance of the time.

As said request was made after the appropriation had been made and placed in the tax levy, the sum of \$25,000 was not enough to grant or even entertain such request, your committee would recommend that the gentlemen named be given a hearing.

Your committee has tried to make as good a showing as possible and not impose any unnecessary hardship on the deserving poor who depend upon that office during the severe winter.

Your Committee cannot close without an allusion to the late lamented John Lutes, whose honesty and fidelity did much towards the economical running of that office. Also his able successor, A. H. Martin, and the other faithful employees of that office, whose vigilance and long experience, as well as acknowledged honesty, has done much to help your Committee in the discharge of their duties.

In view of the fact that next tax levy will not be due till July 1, 1887, we would recommend that the city's note be made for \$10,000, which sum will be sufficient to run that office for three months, until said tax levy becomes available.

During the past year the police patrol system has gone into effect, and is now in perfect working order. The time is so short since its completion that a fair test of its merits cannot be justly given, but enough has been shown to satisfy the public that it is a good addition to the department. More boxes are necessary to make the system complete, and no doubt the incoming board of Common Council will see that enough funds are raised to make it equal with the other branches of the police department.

ANNUAL REPORT OF LAW COMMITTEE.

By Ald Kelly—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—By direction of the Law Committee, I hereby submit the following report regarding the actions, proceedings and matters under the charge of the law department of the city government for the past year.

Two principal causes have operated to produce a great amount of litigation to which the city is a party within the last year or more. One cause has been that relating to the taking of water from Hemlock lake for the use of the city and its inhabitants; and the other, the discharge of sewage from the various outlet sewers of the city into the streams leading to Irondequoit Bay. The action brought by Hiram Smith and others against the city to enjoin it from using water from Hemlock and Canadice lakes, except upon the payment of damages to the owners of riparian rights upon the outlet to Hemlock lake, has been terminated by the decision of the Court of Appeals affirming the judgments of the lower courts in favor of the plaintiffs. The action was originally begun in the year 1878, and the city succeeded at the trial before the late Justice Rumsey, and his decision was affirmed by the General Term; but upon a further appeal to the Court of Appeals by the plaintiffs the judgments were reversed by that court and a new trial ordered. Upon that new trial the present Mr. Justice Rumsey rendered a decision against the city on which judgment was entered November 10, 1884, for a perpetual injunction and also for \$1,789.13 costs. An appeal was then taken to the General Term and that court affirmed the judgment with \$81.57 on July 15, 1885. A further appeal was taken by the city of Rochester to the Court of Appeals, but by reason of the city acquiring the right to take such water by condemnation proceedings instituted by it in the year 1884, and terminated before the Smith action was reached in said Court of Appeals, said court affirmed the judgment appealed from with costs, presumably for the reason that the question there involved had then become a mere abstract question of law; upon that last decision judgment of affirmance was entered on February 14, 1887, in favor of the plaintiffs for \$113.39. Those judgments were by resolution of your honorable body ordered to be and were paid; the amount of the order of payment issued upon the 9th day of March, 1887, was \$2,242.04. With that case I had no connection except to argue it in the Court of Appeals.

In 1884, the city by its Executive Board instituted proceedings in the Supreme Court to condemn the water rights and to acquire the privilege of taking such water from Hemlock Lake for the use of the city and its inhabitants in a quantity not exceeding nine millions gallons per day. Three commissioners, Messrs. H. V. Howland of Auburn, James T. Gardiner of Albany, and C. C. B. Walker of Corning, were appointed. The commissioners awarded the aggregate sum of \$95,505. Upon application of Mr. Beckley, then city attorney, the report was confirmed and an appeal was taken by him to the General Term from the order of confirmation which was affirmed, Mr. Justice Bradley writing the opinion. A further appeal was then taken by me under your direction to the Court of Appeals, which appeal was dismissed upon the ground that no appeal to that court would lie, by reason of the act, under which the city instituted its proceeding, being framed similar to the General Railroad Act.

Those awards have been paid pursuant to the direction of your Honorable Body, the aggregate amount thus paid—costs, interests and awards—amount to \$103,988.50, as appears by my communication of the date of March 22, 1887. (See Pro. 1886-87, p. 515.)

Twenty-three actions were begun by as many claimants for damages alleged to have accrued by reason of the taking of water from January, 1876, and which actions were tried before said Commissioners, as referees therein, and by a stipulation of Mr. Beckley, acting for the city, and Mr. Bacon,

for the plaintiffs; the damages allowed were down to September 3, 1885, the date of the confirmation of the order in the condemnation proceedings. The individual and aggregate amounts of the awards are also stated by me in my communication to your Honorable Body, on March 7, 1887; such aggregate amount being \$9,485.00.

The Referees in those actions charged the aggregate sum of \$4,772.00 as their fees, and under your direction I objected to the same, and also to the allowance of trial fees and costs of taking evidence *de bene esse*, which objections were overruled by the clerk, except the last item in fifteen actions, and upon a motion being made at the Special Term, held by Mr. Justice Rumsey, the clerk's action was confirmed, except that his disallowance for taking evidence *de bene esse* in fifteen actions was reversed. From that order of the Special Term I have taken an appeal to the General Term, and the same is now on the Calendar of the present General Term, and is set down for hearing on Friday, April 8, 1887. A large part of the actions growing out of the fruitful cause of litigation above referred to, namely, the sewerage system, are now pending, either upon appeal or in the trial courts, as follows:

The Board of Health of the town of Brighton against The City, to enjoin it from further pollution of Thomas creek, was first tried before Judge Rumsey, his decision being in favor of the city, upon the ground that the board of health had no power to maintain the action. His decision was affirmed by the General Term, but upon appeal to the Court of Appeals the judgment was reversed and a new trial ordered by that court, on March 10, 1887, and the same has been noticed for trial for the Equity Special Term, beginning April 4, 1887.

The action of George Chapman against The City, wherein judgment was rendered against the city for \$1,200 damages and that the plaintiff was entitled to an injunction restraining the city from the further use of Thomas creek as an outlet for its sewers, mention of which is made by Mr. Beckley in his communication to be found at page 407, proceedings 1885-6, is now pending undetermined upon an appeal taken to the Court of Appeals by the city.

Eliza B. Wing also brought an action to obtain damages and an injunction for the same cause, Thomas creek pollution, and the referee before whom the cause was tried, Mr. George F. Yeoman, gave judgment in her favor for \$1,276.82 damages and an injunction as prayed for, the judgment being entered September 4, 1886, for \$1,276.82 damages and \$302.23 costs. The trial of that cause was substantially completed by Mr. Beckley and Mr. Briggs before the undersigned became connected with it. An appeal has been taken to the General Term from the judgment entered upon Mr. Yeoman's report, and is now pending there, being number 64 on the calendar of the present General Term now in session.

The action brought by the N. Y. C. & H. R. R. Co., and others, against the city for the purpose of obtaining a permanent injunction restraining the city from connecting Union park outlet sewer with the East avenue outlet sewer was tried before Mr. Justice Rumsey, resulting in a decision in favor of the plaintiffs against the city, and upon that decision judgment was entered March 27, 1887, for an injunction and \$135.50 costs.

The following actions are now pending either upon appeal, or in the trial court, for relief in the way of damages, or damages and an injunction by reason of the discharge of sewage into and through the North avenue outlet sewer, and thence into the stream into which the same empties.

James H. Hooker has begun four actions, three of which are undetermined as aforesaid.

The first action was tried by Mr. Beckley, then City Attorney, and a verdict rendered on June 23, 1883, against the city for \$600 damages; upon that verdict a judgment was entered for \$600 damages and \$293 costs. An appeal was taken to the General Term, where the same was argued April 20, 1885, and upon July 3, 1885, a decision was handed down affirming the judgment appealed from with costs; upon that decision judgment of affirmance was duly entered July 16,

1885. On November 4, 1885, a further appeal was taken by Mr. Beckley pursuant to your direction, to the Court of Appeals, and the same is now awaiting argument and decision thereon, being No. 328 on the calendar.

The third action was tried before Mr. Justice Dwight and a jury, by Mr. Beckley, then City Attorney, and a verdict was rendered for the plaintiff on March 25, 1886, for \$1,557.00 damages; upon that verdict a judgment was entered May 12, 1886, for \$1,557.04 damages and \$145.04 costs. An appeal was taken on May 24, 1886, by Mr. Beckley, under your direction, to the General Term, and the same was submitted in October last by the undersigned, then City Attorney, upon printed points, and a decision of affirmance of the judgment appealed from with costs was handed down, by said General Term on January 25, 1887; no judgment on that decision has as yet been entered.

The fourth action was begun by Mr. Hooker on January 24, 1887, claiming judgment for \$2,000.00 damages and an injunction restraining the city discharging the sewage into the stream. That action is still pending undetermined, the amended answer having been served March 26, 1887.

Micajah W. Jackson, also, has begun three actions against the city by reason of the discharge of sewage from said North avenue outlet sewer.

The first action was begun May 4, 1885, in the Supreme Court, and was tried and a verdict rendered for the plaintiff for \$300.00 damages on January 21, 1886. The exceptions taken upon the trial were ordered to be heard in the first instance of the General Term. The motion for a new trial upon those exceptions at the General Term were submitted by the respective parties upon printed briefs on April 8, 1886.

In October, 1886, the General Term handed down its decision denying said motion and ordering judgment to be entered upon the verdict. On November 10, 1886, judgment was entered upon the verdict for \$314.45 damages and \$173.67 costs. On January 20, 1887, under the direction of your honorable body, a motion was made by me for leave to appeal to the Court of Appeals and the General Term certify there were questions of law involved which ought to be reviewed by the Court of Appeals, and on January 25, 1887, a decision was handed down granting said motion. On March 22d an order was entered upon such decision, and on March 23d an appeal was taken to the Court of Appeals by service of notice of appeal upon the County Clerk and upon Hon. George A. Benton, plaintiff's attorney.

The second action was begun in the Monroe County Court August 17, 1885, for \$600 damages. The cause was tried by Mr. Beckley, then City Attorney, on May 5th, before Hon. John S. Morgan, Monroe County Judge, and a jury, and on May 6th a verdict was rendered for plaintiff for \$37 damages. A motion for a new trial upon the minutes was made by the plaintiff; the same to be argued at a future time. The motion, however, has never yet been argued.

The third action was begun in the Supreme Court on February 12, 1886, and was brought to recover \$100 and an injunction. The cause was tried before Mr. Justice Angle at an Equity Special Term, and in August, 1886, a decision was made granting the plaintiff the injunction and \$50 damages; on September 6th judgment was entered for \$50 damages and \$78.25 costs and an injunction.

On October 2, 1886, an appeal was taken to the General Term by me, pursuant to the direction of your honorable body, and the cause upon appeal was submitted upon printed papers at the January (1887) General Term.

Albert C. Hobbie began an action in the Supreme Court to recover a large amount of damages by reason of the discharge of sewage from North avenue outlet sewer, and that action was tried by Messrs. Stull & Wheeler as counsel for the city, and a verdict was rendered in favor of the city on July 2, 1880; July 1, 1881, judgment was entered against Mr. Hobbie for \$165.76; on July 26, 1881, an appeal was taken by Mr. Hobbie to the General Term, and the same has been, and is now, pending unheard at

said General Term. Messrs. J. & Q. Van Voorhis are Mr. Hobbie's attorneys in that action.

Mr. Hobbie has begun another action, by Messrs. Bacon, Briggs & Beckley, his attorneys, in the Supreme Court for \$6,000 damages and a perpetual injunction; that action was begun Nov. 3, 1886, and is still awaiting trial.

Barbara Alexander also began an action in the Supreme Court by Mr. Jacob Spahn, her attorney, on Jan. 12, 1887, to recover \$5,000 damages claimed to have accrued by reason of the discharge of sewage from the North avenue outlet sewer; that action is also untried.

The following other actions brought for an injunction restraining the discharge of sewage from the outlet sewers into Thomas creek and now pending undetermined, and in which the following amounts of damages are claimed in addition to the injunction, viz:

May 17, 1886, Jno. and Catharine Miller, Walter S. Hubbell, attorney; \$5,000.

March 31, 1886, Benjamin Wing, Walter S. Hubbell, attorney; \$5,000.

Sept. 17, 1885, Anna Gould, Walter S. Hubbell, attorney; \$5,000.

Oct. 21, 1886, Mary Meyers and another, Walter S. Hubbell; \$1,000.

Jan. 25, 1887, William A. Lion, Walter S. Hubbell, attorney; \$5,000.

March 18, 1887, James Palmer, Walter S. Hubbell, attorney; \$20,000.

July 20, 1886, Abraham Fannen, Jr., Turk & Barnum, attorneys; \$3,000.

July 20, 1886, George Adam Weils, Turk & Barnum, attorneys; \$3,000. (In the last two actions no injunction was prayed for.)

Oct. 13, 1886, John W. Schrader, as ex'r of John B. Schrader, Turk & Barnum, attorneys; \$3,000. (Injunction asked.)

June 6, 1886, Lizzie L. Chapin, C. D. Kiehel, attorney; \$20,000. (Injunction also asked.)

July 24, 1886, Stephen M. Corwin, Bacon, Briggs & Beckley, attorneys; \$10,000.

July 24, 1886, Michael Herbert, Bacon, Briggs & Beckley, attorneys; \$2,000.

July 24, 1886, Elizabeth Mock Schake, Bacon, Briggs & Beckley, attorneys; \$3,000.

July 24, 1886, James Royle, Bacon, Briggs & Beckley, attorneys; \$2,000.

July 24, 1886, Frederick Roesch, Bacon, Briggs & Beckley, attorneys; \$2,000.

July 24, 1886, Mary Shiel, Bacon, Briggs & Beckley, attorneys; \$1,000.

July 27, 1886, Ignatz Seltensmyer, Bacon, Briggs & Beckley, attorneys; \$1,500.

The following other actions have been begun to obtain an injunction and the following damages by reason of the discharge of the Court and William street and East avenue outlet sewers into the stream and streams leading into Densmore creek, and thence into Irondequoit bay, viz:

June 9, 1886, James P. Bainbridge, Charles A. Widener, attorney; \$1,000.

Jan. 29, 1887, George A. and Caroline Meisenzahl, Walter S. Hubbell, attorney; \$6,000.

Jan. 29, 1887, Frank X. H. Erbland, Walter S. Hubbell, attorney; \$3,000.

Feb. 1, 1887, George A. Josepha Zwerger, Walter S. Hubbell, attorney; \$5,000.

Feb. 5, 1887, William Beryek, Walter S. Hubbell, attorney; \$1,000.

March 22, 1887, Randolph Densmore, Walter S. Hubbell, attorney; \$1,500.

In addition to the last named cases another action was begun by Charles Woellert to recover damages alleged to have been sustained by him to the amount of \$5,000, by reason of the discharge of sewage into the Court and Williams street sewer ditch. This action was settled on March 12, 1887, by paying to the plaintiff the sum of \$300, and the following papers being executed and delivered to me, viz.: Stipulation of discontinuance of action, without costs. Release of all damages and right to discharge sewage into the ditch until the same is diverted into the Goodman street sewer, now in process of construction. This settlement is pursuant to your resolution of February 23, 1887. (See Pro. 1886-87, page 476.)

The following actions have begun and are either awaiting trial or are awaiting decision upon appeal, brought by reason of the discharge of the Lyell and Saxton street sewer into the stream running through the ravine from its outlet near White street, through and into the Genesee river, namely: Melissa E. M. Farrar and others against the City of Rochester, an action begun on September 9, 1885, and brought to recover damages and an injunction restraining the discharge of sewage into said stream and ravine. The action was tried by Mr. Beckley, then City Attorney, on April 9, 1886, before Mr. Justice Angle, then holding the Monroe Equity Special Term. On December 13th, the costs of the plaintiff were taxed at \$117, and on or about that day judgment was entered upon the decision of Judge Angle, in favor of the plaintiff for an injunction and for \$117 costs. On January 12, 1887, an appeal was taken by me to the General Term, pursuant to your permission.

Mary Ann Frothingham against the City of Rochester, an action to recover \$5,600 damages and an injunction, commenced on October 14, 1885. The action was brought to trial at the same time with the Farrar case, and in December a decision was given in favor of the plaintiff for the injunction prayed for; and in December, 1886, judgment was entered in favor of plaintiff for the injunction and for \$84.36 costs. On January 12, 1887, an appeal was taken to the General Term.

Martha Hussey, also, begun an action against the City of Rochester on November 23, 1885, to recover \$8,200 and an injunction, and the action is now awaiting trial.

The Miller Brewing Company also began an action against the city on February 11, 1887, to recover \$5,000 damages and an injunction, they claiming to own an ice-pond privilege which it is claimed has been injured by reason of the sewage passing into and along said stream.

The foregoing four actions are all the actions relating to the Lyell and Saxton street sewer, and there is no other action pending undetermined relating to any sewer on the west side of the river.

Hannah F. Brown, owning a tract of land through which the Court and William street sewer outlet ditch has been constructed, submitted certain propositions to the city upon their application to acquire the right to construct a portion of the Goodman street covered sewer in her lands, then to discharge the sewage therefrom into and along the remaining portion of said ditch, which your honorable body and the Executive Board did not deem to be such as could be entertained by you, and accordingly, on October 20, 1886, under your direction, I commenced proceedings to acquire such rights, under section 162 of the charter and the general railroad act. On October 30, 1886, application was made for commissioners before Mr. Justice Macomber, Mr. Davey appearing for Mrs. Brown and opposing the same. It was then referred to Mr. Henry G. Danforth as referee, to take testimony material to the issues raised upon the petition, and answer and report the same to the court, with his opinion thereon. Before the hearing before the referee was had amicable arrangements were made by the Executive Board with Mrs. Brown, whereby in consideration of the payment of \$4,000.00, and the further annual payment of \$150.00, to commence on June 1, 1888, the city acquired the rights and privileges desired by it, and a contract was thereupon executed by Mrs. Brown on December 10, 1886, and an order drawn by the Clerk for \$4,000.00 was delivered to Mrs. Brown, and thereupon the proceedings were stipulated to be discontinued without costs to either party. The preparation of the papers, including the examination of the legal questions involved, were very arduous.

On December 23, 1886, at the request of the late John Lutes, then overseer of the poor, proceedings were begun in the County Court to obtain the appointment of a committee of Caroline Meyers, a lunatic, then and for a number of years theretofore a charge upon the city in the Monroe County Insane Asylum, and other public institutions for the mentally afflicted poor. A commissioner was appointed and the jury was partially summoned to

enquire into the matter, but before the hearing Mr. Lutes died, and thus the proceedings thereupon abated.

On March 15, 1887, a new petition and affidavits and other papers attached thereto, were drawn, and on the 21st verified by Anthony H. Martin, the present overseer of the poor, and other affiants, and presented to the County Court, whereupon Charles M. Allen, Esq., was appointed sole commissioner to enquire by jury into the matter of the petition and affidavits, and on the same day an order and commission were duly entered and signed by the clerk, and on the 23d the precept was delivered to the sheriff directing him to summon a jury to appear at the Special County Judges Chambers, to make such inquiry. On March 24th notice of hearing and subpoenas were served on Dr. Howard and John Fearren, half brother of the lunatic. On March 26th, 1887, an inquisition was taken by and before the commissioner and a jury of nineteen persons. Mr. Hall appearing for Mr. Fearren and contesting the same, and after an extended trial the jury found in favor of the petitioner, that Caroline Meyers was an incompetent person to manage herself and affairs; and that she was the owner of lot 1, section A, Carthage subdivision, west side of North St. Paul street, value of property, \$750; rental profits, \$45 annually, provided she received them; but that theretofore the property had been occupied by said Fearren without paying anything therefor except occasional taxes; that the city taxes for 1884-5-6, and several city assessments were unpaid; that she had no personal estate; that her real property would be in danger in consequence of her incompetency unless a committee for her property was appointed; that said Fearren was her only heir at law, she never having been married, and that no other application except said Lutes' application had been made for the appointment of a committee.

Application for the confirmation of said inquisition and findings and the appointment of a committee of the property of said lunatic will be made within a few days.

And subsequently it is contemplated to institute other proceedings to sell said real estate, and in that manner reimburse the city for a part at least if not the whole of the expense which it has been put to in maintaining said lunatic at the public expense as aforesaid.

Amelia Groves and Thomas H. Groves, it will be remembered, begun an action in the Supreme Court on January 4, 1883, for \$25,000 damages alleged to have been sustained by reason of Mrs. Groves falling into a trench or ditch dug for water works construction on North St. Paul street. On January 26, 1884, the cause was tried by Mr. Beckley, then City Attorney, and a verdict for \$19,000. Mr. Beckley made a motion for a new trial, which was denied June 3, 1885; a judgment was entered on that day for \$20,548.50 damages and \$70 costs. Mr. Beckley on July 2, 1885, took an appeal to the General Term, and the same was argued thereat on October 3, 1885; on January 23, 1886, a decision was handed down affirming the judgment and order appealed from, with costs; on February 13th, judgment of affirmance and for \$81.50 costs was entered; on April 2, 1886, an appeal was taken by Mr. Beckley to the Court of Appeals. Mr. Groves on August 5, 1885, begun an action in the Supreme Court to recover his damages caused by the injuries to his wife as above, claiming \$50,000 damages. The cause was placed on the October, 1886, calendar for trial, but on October 11, 1886, pursuant to a resolution of your honorable body adopted on the recommendation of the Law Committee and Mr. Beckley, the plaintiffs were paid the sum of \$22,389.60, and thereupon, the actions and appeals were discontinued without costs to either party, and general releases to the city were executed by the plaintiffs.

Sutlief T. Seward began an action in the Supreme Court in Livingston County by Mr. O. H. Stevens, his attorney, for \$8,375 damages, alleged to have accrued by reason of the leakage of water pipes laid through his premises. On November 21, 1884, the cause was tried and a verdict rendered for \$525 damages. An appeal was taken from the judgment entered upon the verdict to the General

Term, where it was affirmed, with costs, January 23, 1886. A further appeal was taken by Mr. Beckley, under your direction, to the Court of Appeals on March 31, 1886, and the same is now pending for hearing in said last mentioned court, being No. 725 on the calendar. The action involves the question of liability in a large number of other cases, and, therefore, may be termed to be a pioneer case in that regard.

Frank W. Ellwood began an action against the city and the treasurer October 1, 1883, for a judgment vacating and setting aside the Church street opening assessment. That action was tried before Hon. E. A. Nash, referee, and a decision adverse to the city was given by him, and judgment entered thereon. An appeal was then taken to the General Term by Mr. Beckley, and submitted on printed points on June 9, 1885; on January 25, 1887, a decision was handed down by the General Term reversing the judgment as far as it adjudged the plaintiff's premises were not liable to said assessment, and restraining the city from making any assessment thereafter for any part of said improvement which would include the plaintiff's premises, and in all other respects affirming the judgment entered upon the referee's report, with cost of appeal. On February 17, 1887, judgment was entered upon said decision for \$151.70 costs.

Emily Clark began an action against the city in the Monroe County Court to recover her damages alleged to have been sustained by reason of the extension of Edward street, thereby causing water to collect in front of her premises, as she alleged. The cause was tried on May 7, 1884, and a verdict rendered for \$300. On July 7, 1884, judgment was entered for \$300 damages and \$107.25 costs; a motion for a new trial was made by Mr. Beckley, then City Attorney, who tried the case, and the same was denied on January 13, 1886, and an appeal was taken by Mr. Beckley to the General Term from the judgment and order. On Oct. 11, 1886, the appeal was argued before the General Term by the undersigned for the city. On January 25, 1887, a decision was handed down affirming the order and judgment appealed from, with costs. A judgment of affirmance with \$138.85 costs was entered. Pursuant to your directions I made a motion this day at the General Term for leave to appeal to the Court of Appeals, and the motion is now awaiting decision.

Mary S. Hebard commenced an action against the city in the Supreme Court on April 15, 1884, claiming \$5,000 for injuries alleged to have been sustained by reason of the defective condition of a sidewalk. That action, however, has never been tried.

Amanda Hamilton also commenced an action in the Supreme Court February 6, 1885, which was tried by me before Mr. Justice Macomber and a jury, and a verdict was rendered on October 20, 1886, in favor of the defendant. On November 13, 1883, judgment was duly entered upon the verdict for \$86.98 costs.

George W. Van Ingen, by guardian ad litem, on Sept. 16, 1885, began an action, and the cause was tried by me before Mr. Justice Macomber and a jury, and a verdict was rendered on Oct. 11, 1886, for \$400 damages. A motion for a new trial was made upon the ground of insufficient damages by the plaintiff's counsel, Mr. Van Voorhis; that motion was denied on Jan. 17, 1887; on Jan. 21, 1887, judgment was entered in favor of the plaintiff for \$400 damages and \$93.25 costs. On March 2, 1887, there was paid to Wm. B. Crittenden, plaintiff's attorney, in full of the judgment and motion costs allowed to him, pursuant to a resolution of your honorable body of February 23d, the sum of \$504.94. The following other actions are still pending and untried:

Fred P. Wilcox, an action to set aside a personal assessment made against him in 1884.

George Z. Dockstader, an action in the Supreme Court for \$10,000 damages alleged to have been occasioned by reason of driving into a trench dug for a lot connection for water mains in Briggs place. The plumber and the owners, who were the authors of the trench, have been notified to come and defend the action.

Eleanor L. Walrath, an action to recover \$10,000 damages alleged to have been sustained by falling on an icy sidewalk on Reynolds street. The owner of the property in front of which the accident occurred has also been notified to come in and defend the same.

Jonathan E. Pierpont and Lewis S. Hoyt, as assignee, against Henry M. Ellsworth and George H. Thompson, involving the title to a portion of the land on which Central avenue bridge has been constructed.

The City of Rochester against The Baltimore and Ohio Telegraph Company to obtain an injunction restraining the erection of one of its poles on Adams street, was discontinued without costs to either party, on December 10, 1886.

The Buffalo, New York and Philadelphia Railroad Company against the city and the members of the Executive Board, commenced Oct. 8, 1884, for an injunction, has been notified for trial once in January, 1885, but is untried.

The City of Rochester against The Rochester City & Brighton R. R. Co., an action for an injunction, begun Aug. 5, 1885, a temporary injunction vacated Nov. 14, 1885.

Same vs. same, begun June 30, 1886, by Mr. Beckley to restrain the company from putting salt on their tracks.

Both actions are undetermined.

James and Jane Campbell against Peter Sheridan, City Clerk, and the Rochester City & Brighton R. R. Co., an action for equitable relief, was begun Feb. 20, 1886. The defense to the action was conducted by Messrs. Raines Bros., and the cause was tried before Mr. Justice Rumsey, who has handed down his decision in favor of the plaintiffs; an appeal has been taken from the judgment entered upon the decision to the General Term.

The B. N. Y. & P. R. R. Co. against the Executive Board and the Common Council, two actions for an injunction.

Elizabeth Deverell against William Fuller, action began July 1, 1885, in the County Court to recover the value of certain stone removed in laying water pipe on Magnolia street in front of plaintiff's premises. The cause was tried Jan. 24, 1886, and a verdict rendered for the plaintiff for \$37.50; April 3d judgment was entered for \$37.50 damages and \$94.36 costs. An appeal was taken to the General Term by Mr. Beckley, and on November 11th the Executive Board caused to be paid to George Truesdale, the plaintiff's attorney, \$157.44, and the appeal was discontinued and the judgment was satisfied.

Maggie Doharty against Frederick Kipphut and Michael Zimmerman, an action to recover \$1,000 for false imprisonment; the plaintiff's attorneys, Messrs. Perry and Hopkins, demurred to the second defense in the answer, and on July 24, 1886, a decision was handed down by Judge Morgan overruling the demurrer, with costs.

Elmer Murphy against, George H. Kron and George Blitzer, policemen, to recover damages for false imprisonment, was tried on May 14, 1886, and judgment rendered for the plaintiff for \$52.50. Shortly afterward Mr. Keefe was substituted as the defendants' attorney in place of Mr. Beckley, and the undersigned, therefore, has had no connection with the case.

Charles Loveland, against David Selling and George Long, an action against said Long, as policeman, impleaded with the other defendant, to recover damages for false imprisonment, Mr. Beckley appeared for the defendant Long, and, upon a trial, a verdict was rendered May 6, 1886, in favor of the defendant Long; on July 24, 1886, judgment was entered in his favor against the plaintiff for \$52.58 costs. On Aug. 24, 1886, I was substituted as Mr. Long's attorney, but no further steps have been taken.

The City of Rochester, against the Genesee Valley Canal Railroad, an action for an injunction.

Duane Earl, against the City, an action begun Feb. 7, 1884, in the Supreme Court for the payment of lumber, etc.

Ransom D. McCrossen and others, against the City and the Board of Aldermen, action begun Jan. 23, 1883, for an injunction restraining the defend-

ants from adopting any resolution or ordinance providing for the taking down of the bridge of the abandoned Genesee Valley canal at Atkinson and other streets of the city. The determination of the issue would, so far as they are specifically concerned, be of little moment now, as it is supposed that the railroad company and the owners, who brought the action, are no longer at variance, but the principle involved in the litigation was regarded by Mr. Beckley, the late City Attorney, of considerable importance.

Cora J. Trimmer against the city, an action to recover damages alleged to have been sustained by reason of the diversion of water from Hemlock lake, was begun August 17, 1885, by the service of a summons, and no complaint has, as yet, been served. The plaintiff has since died, and it will be necessary, in order to revive the action, that her administrator be substituted in her place.

Ira Brown begun an action against the city on November 4, 1886, to recover damages of \$2,000 alleged to have been sustained by reason of taking of water from Hemlock lake by the city. Issue has been joined therein, but the cause has not, as yet, been tried.

The People ex rel. Maggie Cartmill against the city, a certiorari proceeding from the police court, to review the judgment rendered against the regulators for the violation of an ordinance relating to nuisances. The action is one commonly known as the "salvationist case." The certiorari was submitted to the General Term by Mr. Beckley, then city attorney, on June 9, 1886. In October, 1886, a decision was handed down directing that a copy of the ordinance be furnished to the court. On January 14, 1887, the appeal was submitted by the undersigned and Mr. Davis, relator's attorney, on printed briefs to the General Term.

Andrew J. Dingfeller against the city, an action to recover damages alleged to have been sustained by reason of a defect between the rails of the street car track on North St. Paul street. Judgment was rendered by the Municipal Court in favor of the plaintiff, and on April 23, 1886, an appeal was taken by Mr. Beckley, then city attorney, to the County Court, but the same has not, as yet, been tried therein. The street car company have been duly notified to come in and defend the action.

John McCutcheon against the city, an action to recover damages alleged to have been sustained by reason of a defective sidewalk on Brown street, amount claimed, \$25,000.

Hugh Kelly against the city, an action to recover damages by reason of falling on an icy sidewalk on North St. Paul street, in front of the Falls Field property, amount claimed, \$10,000. The owner of the premises has been notified to come in and defend the action.

The People ex rel. Lindsley M. Gould against the city, a certiorari to review the judgment for a penalty recovered in the Police Court for the violation of the ordinance relating to weights and measures in obstructing the city sealer in the discharge of his duties. The certiorari is now on the calendar of the General Term now in session, and is expected to be soon reached thereat.

Mary C. Leinen against John J. Elter et al., an appeal by the city from an order of the Special Term vacating certain taxes and assessments. The appeal was submitted at the October, 1886, General Term, and a decision was handed down on January 25, 1887, reversing the order with costs, upon the ground that the Special Term had no power to make the same. A motion for re-argument has been made at this General Term on the 29th inst., and is awaiting decision.

Elmer Murphy against the city, an action in the County Court to recover \$500 damages by reason of injuries to a horse by being frightened by the steam roller during the construction of the improvement on Hickory street. The contractors and their sureties have been notified to come in and defend the action.

Angelia B. Foster against the city and the members of the Executive Board and James Holahan, street superintendent, an action to obtain an injunction restraining the defendants from removing the tree at the southwest corner of Chestnut park

and William street. The plaintiff demurred to one of the defenses, and the demurrer was argued before Justice Rumsey on the second inst., and the brief and papers were submitted to him for decision upon the 17th inst.

Margaret A. Ferguson against the city, an action commenced on December 8, 1886, to recover \$10,000 damages by reason of injuries sustained upon a defective sidewalk on Strong street. The owner of the premises in front of which the accident occurred has been notified to come in and defend the action.

The Bell Telephone Co. of Buffalo against the members of the Executive Board and the city, an action commenced December 4, 1886, to restrain the defendants from removing a telephone pole erected on the corner of Court and Union streets. The motion for a temporary injunction was argued before Mr. Justice Rumsey, and he gave his decision denying the same, with ten dollars costs. The company has since signified its desire, to discontinue the action.

Ellen Welch against the city, an action begun December 29, 1886, to recover \$5,000 damages for injuries alleged to have been sustained by her from stepping into a hole in the sidewalk on the north side of Troup street, between Reynolds and Prospect streets, on July 31, 1886, thereby fracturing her ankle. Time to answer has been extended to April 5, 1887.

Maria A. Smith and another, administrators of Silas O. Smith, against the city and others, an action of foreclosure; same discontinued as to the city after payment of the George R. Smith award.

Caroline Wentworth against the city, an action begun January 27, 1887, to recover \$20,000 damages by reason of slipping upon ice in front of the Klem block on the east side of North avenue, between East Main street and Franklin street. The property owners in front of which the accident occurred have been notified to come in and defend the case.

Adam Becker against the city, an action begun in the Municipal Court to recover \$400 damages to a horse by stepping into a hole in the roadway over the sewer in Hensler alley. Feb. 1, 1887 judgment was given against the defendant for \$40 damages besides costs, and on Feb. 19th an appeal was taken by the city to the County Court for a new trial therein.

Catharine M. Esther against the city, damages claimed \$2,500, and William Konwe against the city for damages, claimed \$500; notices of claim served upon the City Treasurer March 22, 1887.

The Rome, Watertown & Ogdensburg Terminal Railroad Company against the city, Geo. W. Aldridge, Emil Kuichling, Byron Holley and James Holahan, an action begun March 30th, 1887, to obtain an injunction restraining the defendants from interfering with the tracks laid by the company in Cliff street and across Cliff, White and Vincent place. A temporary injunction has been granted and served on the defendants and they are ordered to show cause why the injunction should not be made permanent during the pendency of the action at the Special Term on April 2, 1887.

Joseph P. Cromer, as administrator of John Cromer, deceased, commenced an action in the County Court against the city, on March 8, 1886, to recover an Oak street assessment paid by John Cromer on January 28, 1883, claiming judgment for \$268.99, with interest thereon from June 1, 1886, to January 1, 1880, at 7 per cent., and thereafter at 6 per cent., together with costs, making a total claim of \$700. The action has been to all intents and purposes terminated by the favorable decision in the Parsons case.

Wilbur F. Flint, as administrator of John E. Flint, deceased, begun an action in the County Court against the city on November 23, 1886, to recover the one-half of an old Oak street assessment alleged to have been paid by the intestate and Edward Flint on January 17, 1866, and claimed judgment for \$114.80 with interest thereon from January 17th, 1866, besides costs. On December 16th an order requiring the plaintiff to give security for costs was obtained from the court and served upon the plaintiff's attorneys, Messrs. Turk & Barnum. The time to give such security was

extended by stipulation but the same was never given, owing to the favorable decision of the General Term in the Parsons case; and on January 31, 1887, by reason of the failure to give such security a judgment was entered dismissing the complaint with costs.

Wilbur F. Flint, individually, also begun an action against the city on November 23, 1886, to recover \$114.80 and interest thereon from January 17, 1886, and costs, said \$114.80 being the other one-half of the alleged payment of John E. and Edward Flint, an answer has been served, and in view of the decision in the Parsons case I am of the opinion it will be but a matter of form to try the case and obtain a favorable decision for the city.

The total amount claimed in the two Flint actions, including interests and costs, was \$600.

Charles F. Hellesms, as administrator of Isaac Hellesms, deceased, since the decision in the Parsons case, presented to your honorable body, a request for the payment to him of \$109.88 and \$54.12, in all \$164, and interest from some time in 1886, the amounts paid by intestate on the Oak street assessment. The payment was refused by your honorable body under my advice. The amount of the Hellesms claim, including interest, was \$400.

Theron E. Parsons, as administrator of Lauren Parsons, deceased, on May 13, 1885, begun an action in the Municipal Court, to recover an Oak street assessment, alleged to have been paid by George W. Parsons, as executor of said Lauren Parsons, on August 2, 1865, of \$108.24, and claimed judgment for said \$108.24, with interest thereon from August 2, 1865, besides costs. On December 3, 1885, judgment was rendered by the Municipal Court for the plaintiff, for \$255.70 damages, and \$11.75 costs; on December 23, 1885, an appeal upon the Law was taken to the County Court; on June 11, 1886, the appeal was submitted to Werner, Special County Judge; on July 15, 1886, Judge Werner handed down his decision, affirming the judgment; on August 18th, upon my advice, an appeal was taken to the General Term from the judgment of affirmance of July 20, 1886, for damages \$265.20, costs \$27.32; total, \$292.52; and said appeal was submitted upon printed briefs to the said General Term for decision. On January 25, 1887, a decision was handed down by said General Term at Buffalo reversing the judgments of the County and Municipal Courts below, with costs, Mr. Justice Barker writing the opinion. On January 28, 1887, judgment was entered reversing said County Court and Municipal Court judgments and for \$157.05 against the plaintiff as such administrator. The judgment has not, as yet, been collected.

This successful termination of the Parsons action was obtained at an expense of said appeal to the General Term, to the city, of but \$58.32. It must also be remembered that the decision also disposes of claims specially above mentioned of \$2,000 and upwards. It also disposes of a large number of other claims growing out of payments of the old Oak street assessment, made by other persons, of many thousand dollars in amount.

Hannah P. Vanderbeck commenced an action against the city in the Supreme Court on August 2, 1886, to recover \$468.79 and interest from July 29, 1879, being the amount of an assessment alleged to have been paid by her and made against Andrew A. Vanderbeck, her deceased husband, for the opening of a boulevard from McCracken street (now Driving Park avenue) to the Lake Avenue Building Lot Association property, an ordinance was passed for that purpose and commissioners were appointed to appraise the damages to be awarded to the owners of lands thus taken, and they made their report, which was duly confirmed. An assessment was made against various persons, including Mr. Vanderbeck, for the expenses of the commission and the payment of the awards made, but nothing was included for the formal preparation of said boulevard for public traffic thereon, which last mentioned object could only have been secured by another ordinance and assessment for that purpose designated. On Oct. 1st 1886, the action was referred by order entered to W. W. Jacobs, Esq., as sole Referee, to hear and deter-

mine; on February 22, 1887, the report of the Referee dismissing the complaint upon the merits, with costs, was received by me; on February 24, 1887, judgment was entered dismissing the complaint upon the merits, and for \$127.46 costs, against the plaintiff; on March 26, a notice of appeal to the General Term was served by the plaintiff.

In addition to the foregoing mentioned matters, the further and additional matters and proceedings have been instituted and are either pending or have been disposed of, viz.:

Twelve actions of foreclosure for unpaid city taxes, several or more of which have been terminated by the parties calling and paying the taxes and assessments in arrears.

Two street opening proceedings, viz: Evergreen park, and a street from Campbell to Jay street, have also been conducted to a successful termination.

Four other street opening proceedings, viz: Euclid street widening; Hand street widening; Clifford street opening and extension, and Stewart street opening have been begun. In the Euclid street matter commissioners have been appointed, and they have viewed the premises and have set the hearing for a future day; in the others, notices for the appointment of commissioners are being advertised and served as provided by the charter.

In the Municipal Court, the action of the City against William Emerson for breaking a water hydrant was tried and judgment rendered against the city for costs by reason of the long period of time—a number of years—intervening between the date of the injury and the trial, thereby causing want of recollection on the part of the witnesses for the city.

In addition there were 12 bastardy proceedings instituted by Mr. Lutes and Mr. Martin, as Overseer, which resulted as follows:

Marriages.....	5
Compromises.....	2
Tried and discharged.....	2
Tried and in jail for a long period.....	1
Constable unable to arrest on warrant.....	3

In addition to the above matters, there has been a large amount of time spent in attendance upon the Law and Assessment Committees and in drafting their various reports and resolutions. Also, in repairing and furnishing many add lengthy opinions to your honorable body at various times, as well as to the Executive Board on the various subjects before you, and said Board requiring the expenditure of great labor, notably that relating to the rights and liabilities of the street car company, which occupied many days in its preparation. Also in the preparation of a number of lengthy penal ordinances, as well as the preparation and copying at times of a large number of charter amendments, and in addition to the giving of oral opinions on the many questions requiring decision in the various departments of the city.

I cannot close this communication without expressing my sincere thanks for many acts of courtesy to me and my assistant by your honorable body and your committees, as well as the other departments and officers of the city, and especially to the Law Committee and its able chairman, for without his aid and kindly suggestions much greater labor would have been entailed upon me and my assistant.

Dated March 31, 1887.

IVAN POWERS,
City Attorney.

The Law Committee wishes to make public acknowledgment of its obligations to the City Attorney and his assistant, Mr. Sullivan, for the many courtesies they have extended to the committee in the discharge of its official duties, and to congratulate the city on having in that office such painstaking servants, who have conducted the duties of their office in their first year of many and peculiar difficulties with so much success for the city.

By Ald. Elliott—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—Your special committee appointed to consider the proposition made by Messrs. Ellwanger & Barry to donate 22 acres of land in the city of Rochester for a park, under certain conditions, beg leave to report:

They had several meetings with the Soldiers and Sailors Memorial Committee, to which Messrs. Ellwanger & Barry and citizens without regard to their preference were invited, and one public meeting was held in the City Hall.

It appeared from the discussions held in these meetings that the trend of popular opinion was in favor of accepting the proposed donation of Ellwanger & Barry and also to acquire if possible, the lands of the Warner estate and of the Stanley estate adjoining said proposed donated land, making in all, if the present property owned by the city is included, a park of about 120 acres of land. This in addition to the 200 or more acres that belong to the Mount Hope Cemetery Association make about 320 acres of land that would never be built upon, and would furnish for the people of the city a place of refreshment and rest, the like of which few cities could boast. This was especially true in view of the fact that the Warner property of 50 acres was offered to the city for \$100,000 cash and the Stanley property for \$30,000 cash. It was estimated by those who were thought to be competent, that this land, if purchased for the sum named, would so improve not only the southern section of the city through the betterments in valuation of lands in that section, but it would relatively increase values all over the city, proportionately decrease everyone's tax rate and that the entire expense would be returned to the city in a short time financially and the park would confer infinite and incalculable benefits, materially and physically.

It was also believed by those who advocated the measure, and were familiar with the expense of constructing parks, that the Warner property, being almost a perfect park in itself, could be put in shape for a very small sum of money and, the Stanley property, adjoining the reservoir, now owned by the city, would cost but a moderate sum to adapt it to the proposed purpose.

The Soldiers and Sailors' Memorial Committee assured the special committee of the Common Council that if they would purchase the Warner and Stanley property at a sum not exceeding \$130,000, the Soldiers and Sailors' Memorial Committee would locate their Memorial in said park, provided the park were designated Memorial Park.

It may be interesting to know how other cities are favored in the matter of public parks. Following are statistics which your committee has gathered from the most trustworthy sources obtainable.

Your committee does not feel justified in making any argument in favor of the park because the chairman has never been able to secure a quorum of the committee at any of the meetings, and consequently it has not been possible to formulate a report either to accept or reject Ellwanger & Barry's prop-

osition. Your committee agreed in informal discussions that parks were necessary for the growth and prosperity of the city, but the various members did not feel justified even in levying so small a tax as \$130,000 for the purchase, and the few thousand dollars that would be necessary to maintain such a park, and this opinion seemed to prevail with a majority of the committee, unofficially obtained, notwithstanding the fact that every city in the United States that has a park of any magnitude, upon which any sums of money have been expended, to which any beauties have been added, at corporation expense, would not, under any circumstances, surrender their park even at ten times the amount of money the park may have cost them.

Mr. Patrick Barry of the firm of Ellwanger & Barry who thus generously show their desire to confer a blessing upon the city, gave the chairman of your committee authority to withdraw the proposition made by that firm at any time when he saw fit to do so.

The chairman of this committee, however, does not feel justified, notwithstanding the ill success that has thus far attended the park project, in withdrawing the Ellwanger & Barry proposal, although, of course, he cannot determine the course that our generous citizens, composing the firm, may see fit to take.

Trusting that the day is not far distant when an amicable agreement may be reached by which the city shall keep progress with her sister cities—especially of Albany, Buffalo and Syracuse—each one of which point, with no small pride, to public parks of no mean dimensions, we remain

Respectfully yours,

Adopted by the following vote :

Ayes Ald. Tracy, Coughlin, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Mandeville, Swikehard, Weider, Bohrer, Kelly, Schaeffer—13.

The Board then adjourned until Monday, April 4th, at 3 o' clock p. m.

PETER SHERIDAN, City Clerk.

In Common Council—April 4, 1887.

FINAL MEETING.

Ald. W. H. Tracy, President of the Board, presiding.

Present—Ald. Tracy, Coughlin, Marson, Watson, Kohlmetz, Fritzsche, Elliott, Foley, Selye, Swikehard, Weider, Stein, Bohrer, Kelly, Schaeffer—15.

Absent—Ald. Mandeville—1.

The President, Ald. W. H. Tracy, then read his valedictory, as follows :

Gentlemen of the Common Council:

The time has now come for me to relinquish the trusts and duties committed by you to my hand, as your presiding officer, and to speak to you the words of farewell.

For a year we have together devoted whatever legislative wisdom, ability and experience we possessed to one of the greatest problems of the Nineteenth Century—the just and salutary government of great cities. Upon us, as the Common Council of the City of Rochester for the years 1886 and '87 have been cast responsibilities, among the most important that can rest upon a legislative body; for, upon us there was cast by the wish of the people of our city, as voiced by them through their right of franchise, the direct responsibility for the safe and successful administration of the financial and prudential affairs of our beautiful and prosperous city. In that respect the responsibilities are more onerous than those which pertain to legislative bodies of those of our sister cities, where the governing and appointing powers have been centered almost entirely with the executive head of the municipality. How we have performed our duties, the motives and purposes which have actuated our official conduct, and the practical and

beneficial results, if any, that have been attained by us in the interests of our constituents are, therefore, from our being thus situated, not only matters for the serious attention of those who placed us here, but they furnish, as well, useful instruction for the public of other cities who are not politically circumstanced as we are, or who may be contemplating changes as to the responsible sources of their corporate legislation. I am frank and fearless to say, gentlemen, that I sincerely believe that as such governing body and source of original legislation, that we have performed a work that, as we close to-day the volume of our history as the Common Council of the Flower City for the years 1886 and '87, that we need not be ashamed to look our neighbors in the face, or in any manner apologize for the work that we have done. It may not be that in every particular detail of the multifarious items of judicial, financial and executive business that has been brought before us, that in the hurry necessarily incidental to legislative action, that we have always acted with a perfect judgment, for we should not be a body composed of the earth earthy had we done so; but, that we have honestly endeavored, in the main and substantial features of our legislation, to act in the interest of those who have committed to us our trusts, I sincerely believe, and if to-day there exists, anywhere, a single lingering doubt as to the perfect rectitude of our intentions, I feel assured that future time and events that are to come, perhaps long after us, will fully vindicate our memory and sustain our actions.

You have been also, I may truly say, gentlemen, a body of men of which I certainly felt proud, and I believe that any man could well feel proud, to act as your presiding officer. I know that among your members are those who have risen to solid competency as the result of practical sagacity and industrious habits; those who have had the advantages of liberal education, and the opportunities of foreign travel; those who have had long experience in the legislative affairs of our city; those of you, too, who gifted with a natural sense of the humorous, have often turned aside with opportune jests or mirth the threatened cloud of angry debate, and those of you also who are possessed of those natural powers of eloquence and expression that fit you to command attention in any legislative body whatever.

I have also to congratulate you, fellow aldermen, in the proper manner in which you have, at all times during the year gone by, conducted the transaction of your affairs, and the discussion of your public measures, frequently earnest, more often still determined, in the ardor with which you have engaged in those undertakings which you thought beneficial; you have at all times conducted your debates without personalities, or improper interruptions, and with the dignity becoming not only a legislative body, but of any assemblage of gentlemen.

Death has spared us all; we go in numbers as we came, but one of our appointees, the Superintendent of the Poor Department, once our city's Mayor, always our friend, one of nature's truest noblemen, genial, kindly, honest John Lutes, has passed from mortal to immortal life. The fragrance of his memory and fame will, I trust, be long with you as an excitation to your best endeavor.

In my rulings and decisions I have endeavored to be fair, not arbitrary; not always sticking to the strictest letter of the parliamentary code, yet, nevertheless, having the desire that our affairs might be conducted with that decorum that belongs to serious business; had I been anything less or different, I do not deem that I should have been worthy to have been your presiding officer, or to have been the recipient of that unvarying courtesy with which, you each and all, have uniformly treated me, and for all of which I sincerely thank you.

Those of you who are to leave us, although your chairs will be filled by honorable successors, will not be forgotten. The wisdom, the practical common sense, the ready speech, the solid judgment, the bold and fearless convictions for the right which have always been vouchsafed to the public

in the discussion and treatment of all the varied business and topics that have been brought before our body in the persons of those who leave us, have left already their visible impress upon events that will go down the stream of time.

And now we part forever as a legislative entity, and, once more thanking you for all your kindness and consideration toward me, I find no word that so well and simply expresses to you my heart's emotion as that sweet old word "good-bye."

Ald. Kelly moved that the President's address be ordered received, filed and published.

The motion was put by the Clerk and was adopted.

Ald. Elliott, on behalf of the Common Council, in a neat and feeling speech, presented to Alderman Tracy a tribute, signed by the Mayor, Common Council and city officials, expressive of their appreciation of his efficient services as chairman of the board.

President Tracy said:

Of late years it has been customary previous to the final adjournment of the Common Council to

present the retiring President with some testimonial of your appreciation of the manner in which he had discharged the duties of his position. I had, a short time ago, requested some of my friends in this board to see to it that that part of the proceedings would be dispensed with on this occasion, but I see they have but partly acceded to my wishes. This, however, is something of a departure from what has been done in the past, and I am free to admit that your action at this time in the presentation of such a testimonial in the possession of which any man could justly feel proud, is to me more pleasing than words could properly express. I have endeavored at all times to discharge my whole duty in a pleasing, impartial and satisfactory manner, and if I have so far succeeded as to call from you such expressions of approval, I can assure you that I am more than gratified. This tribute will always be prized and cherished by me as one of the most valuable articles which I may ever become possessed, and it will be the means in future years of recalling to my mind the very pleasant and happy associations of this board of Common Council. Gentlemen, I thank you kindly and wish you all a happy and prosperous future.

The President then declared the Board adjourned *sine die*.

PETER SHERIDAN, Clerk.
