PUBLISHED BY AUTHORITY OF THE COMMON COUNCIL.

ROCHESTER, N. Y.:

DEMOCRAT AND CHRONICLE PRESS.

1894.

IN COMMON COUNCIL.

For 1893-94.

In Common Council, April 3, 1893.

CHARTER MEETING.

The clerk called the Board to order. Present—Ald. Tracy, McMillan, C. S. Cook, Callahan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer.—20.

Ald. Fox moved that Ald. Lewis act as temporary chairman. Carried.

Ald. Lewis upon taking the chair thanked the board for the honor conferred upon him and asked its further pleasure.

Ald. McMillan moved that a committee of three be appointed to wait upon the mayor. Carried.

The chair appointed as such committee, Ald. McMillan, Dewey, and Ward.

Ald. Fox moved to proceed to the election of permanent chairman. Carried.

Ald. Fox nominated Ald. Adams for permanent chairman for the ensuing year.

Ald. Adams was named by Ayes.—Ald. Tracy, McMillan, C. S. Cook, Callahan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer.—20.

Ald. Adams was declared duly elected chairman for the ensuing year.

Ald. Fox moved that a committee of three be appointed to escort the president to the chair. Carried.

The chair appointed as such committee Ald. Fox, Callahan and Kelly.

Ald. Adams thanked the Board for the honor conferred upon him and asked its further pleasure.

Ald. McMillan then introduced his Honor, the mayor, who spoke as follows:

To the Honorable the Common Council of the City of Rochester:

Gentlemen: In entering upon a new year of the city's political existence, it is customary for the mayor of the city to transmit to the Common Council what is styled as his annual message. In obedience to that custom I herewith submit briefly a synopsis of our city's financial condition and some observations on other subjects which I think are timely and worthy of your consideration during the coming fiscal year.

The finances of the city are in a better condition than people generally suppose. It is true we are in debt and getting deeper in debt, but when the East and West Side sewers are completed, when the new conduit to Hemlock lake is laid, when the bridges are built and certain street improvements are accomplished, the city will have something to show for its enormous outlay. These improvements must certainly give a great impetus to the growth of the city, and greater than all, will add to the health, comfort and happiness of all our citizens. From the figures given below it will

be seen that the actual burden of our debt is, after all, a light one. The annual interest to be paid on that portion of the bonded debt, which properly belongs to the city (\$8,040,000) is \$352,040. From this deduct the average water rent, or for example, the water rent of 1892, \$303,000, and we have only \$48,000 to be provided for in the tax levy. In other words, it costs each individual in the city about 33 cents a year to meet the interest on the present debt. The bonded debt of the city at 7 per cent. is \$4,130,000; at 3 1-2 per cent. \$1,950,000; at 3 1-4 per cent., \$1,000,000; at 3 per cent., \$550,000, making in all \$6,730,000. Of this amount the following is provided for: East Side sewer, \$500,000; Genesee Valley Railroad loan, \$108,000; sinking fund in savings bank, \$82,000; making a total of \$690,000, which deducted from the above leaves the city debt proper \$6,040,000. The additional amount authorized by law but not yet issued is \$1,900,000; of this the East Side sewer assessment will take care of \$500,000, leaving a balance to be added to the city debt proper of \$1,400,000. In other words, if all the bonds are issued, which are now authorized by law, the city debt will reach the sum of \$7,400,000. In 1903 the 7 per cent. water bonds will become due, amounting to \$3,182,000. If a new issue is made at half the present interest, the city will realize an annual saving of over \$111,000. If the taxpayer will study carefully the situation, nothing alarming will be discovered in our financial condition, compared with the great good which must necessarily come from the outlay already made and at present contemplated.

FREE PUBLIC BATHS.

As a result of the resolutions of the Common Council, August 23d last, referring the matter of public baths to the Board of Health and City Surveyor, the latter prepared plans and offered suggestions concerning the same which were presented to your honorable body.

Chapter 473, laws of 1892, says, "Any city, village or town may loan its credit or make appropriations of its funds for the purpose of establishing free public baths." Mr. McClintock estimates that two establishments would be adequate for all purposes, one to be located near Clarissa street bridge, on the west side of the river and the other near Vincent place bridge, on the east side of the river, and that the total cost be \$11,000. As the warm season is approaching, I would suggest that action be taken in this matter at an early day.

CITY HALL PLUMBING.

Some months ago a committee appointed by the Board of Health reported upon the unsanitary and dangerous condition of the plumbing in the city hall. Your attention was called to this report and the importance of remedying the defect pointed out. The matter was referred to the City Property Committee, but in the absence of the necessary funds, nothing was done. I trust provision may be made for these needed repairs at once.

POLICE DEPARTMENT.

The police department is considerably crippled in its work because of the limited number of men at its command. It is impossible to cover the ground well and give that protection and security to the lives and property of citizens which is required without an early increase of the force. I would recommend that the police commissioners be empowered to add to the present force at least twenty-five men. The subject of establishing precinct stations has occupied the attention of the Police Committee and the commissioners during the past year. No time should be lost in bringing about this much needed improvement, the necessity of which is, I believe, conceded by all.

CHOLERA.

The sudden appearance of a fatal type of Asiatic cholera at several of the large cities of Europe last year was the cause of much anxiety and alarm on this side of the Atlantic. It was quite naturally feared, in view of the extensive communication between the affected districts abroad and this country, that the germs of the dreaded scourge would find their way hither, and this calamity, it must be conceded, was only prevented by the prompt and decisive quarantine established by the authorities.

Cholera finds its way and spreads from along the channels of immigration and can only be confined or restricted by the most rigid methods of quarantine. It prevails most and is vastly more fatal where the conditions are favorable. The best authorities agree that in cities where the population is dense, especially in low, damp and filthy sections, where poverty, vice and intemperance exist, or where from any cause the vitality of the system is impaired or made feeble, the cholera poison, if introduced, would produce the greatest havoc.

On the other hand it is noted that the disease rarely prevails in localities where cleanliness and well ventilated dwellings are found and where the ordinary rules of sanitation are understood and practiced. Cholera generally enters the system through the agency of impure drinking water. The cholera bacillus is an animal poison and animal poisons are known to multiply with amazing rapidity when the conditions of heat, moisture, filth, etc., are present. In warm weather should a single bacillus of cholera find its way into one of our reservoirs through hemlock lake or its tributaries, the lives of all our citizens would be endangered. The experience of the people of Hamburg where the discharges from a single patient suffering from cholera had entered the river above the city, must not be forgotten in any community where the drinking water comes from a single source.

All rivulets and streams entering Hemlock Lake should be examined to their source and if outhouses, pig-pens or other causes of pollution be found on, or near any of them, provision should be made at once for their removal. Water can only be partially purified by filtration. To remove or destroy the microbes of typhoid fever, cholera, etc., it must be boiled. No filtering, however perfect, could render pure the water from the river or Bushnell's basin. The water from the Brighton wells is absolutely free from animal poison, and if sufficient can be had from this source for temporary use, the city is to be congratulated.

Last year the fear of an invasion of cholera quickened the vigor of the health authorities and nothing was left undone that could be done to place the city in a good sanitary condition. Before the exertion put forth to clean the city, Rochester was probably in as good a sanitary condition as any city in the country. Yet thousands of loads of filthy matter were gathered up from cellars, alleys and back yards and properly disposed of. The

present Board of Health is one of the most capable the city has ever had. At the beginning of the warm season it had a greater task confronting it than confronted any previous board. It did its work well and is competent to grapple with all future emergencies. The varied and peculiar work coming before the board for judgment and settlement requires the assistance of intelligent and capable subordinates. It will be the aim to improve in this direction in the future, and citizens can aid in the work by reporting all cases of failure or incivility on the part of the employes coming to their notice.

The existence of cholera in Marseilles and other places abroad at present makes it reasonable to apprehend that a dangerous and extended outbreak may take place at the incoming warm weather and possibly our own country may suffer from an invasion of the disease. In view of this, I deem it pardonable at this time to offer to house-holders a few suggestions, which, if observed, will be valuable at all times.

Cellars should be kept as dry and as free as possible from decomposing vegetable matter. Rubbish and material liable to putrefaction should not be allowed to accumulate in yards, sheds or out-houses. Once a week or once in two weeks a pound or half a pound of concentrated lye, dissolved in a pail of hot water and poured the last thing in the night into the sinks and closets and followed in the morning by a solution of chloride of lime or some other good disinfectant, will be found to answer a good purpose in keeping the pipes clean and pure. If citizens will observe these simple measures, or be guided by their physician in the observance of sanitary rules, little need be dreaded in Rochester should cholera reach our shores.

Although an unusual number of cases of scarlet fever, diphtheria and typhoid fever were reported during the year just ended, yet the mortality was comparatively light and the city was surprisingly free from the other ailments which usually prevail. The total number of deaths from all causes during the year was 2,650, while the year previous the number of deaths was 2,722.

Respectfully yours,

RICHARD CURRAN,
Mayor.

Ald. Lewis moved that the address be received, filed and published. Carried.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

GENESEE STREET SWEEPING AND CLEANING.

By Ald. Pauckner—Resolved, That the City Surveyor ascertain and report to this Council the expense of sweeping and cleaning Genesee street.

Adopted.

The Surveyor submitted as such estimate, \$1,200.

By Ald. Pauckner—Resolved, That the following improvement is necessary, viz:

The sweeping, cleaning and disposition of the dirt collected on Genesee street from West avenue to the south line of Brooks avenue during the season of 1893.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,200 which estimate is hereby approved.

 SEWERAGE COMMISSIONERS' OFFICE, }
 ROCHESTER, N. Y., April 4, 1893. }

To the Honorable the Common Council of the City of Rochester:

Your resolution of March 28th, requesting us to answer the criticisms made by Mr. McClintock, City Engineer, upon the West Side Sewer received.

It does not clearly appear from his communication to the Board, that Mr. McClintock criticises anything with which the Commissioners have had or will have to do with. We therefore suggest that the matter be referred to a special committee of the Board, to hear the criticisms offered by the City Engineer, and such reply thereto as we may be able to make, to the end, that the facts may be placed before the Common Council.

Yours very respectfully,
 H. H. PIERCE, Secretary.

Ordered received, filed and published.

Ald. Kelly moved that the City Surveyor confer with the West Side Sewer Commissioners. Lost.

Ald. Lewis moved that the matter be referred to the committee already appointed of West Side Alderman, together with the City Surveyor to meet with the West Side Sewer Commissioners and report back to this Board.

Ald. Johnston moved as a substitute that reference to the committee be postponed two weeks and to request the West Side Sewer Commissioners to state their plans.

Ald. Johnston motion was lost by the following vote.

Ayes—Alds. Johnston, Ashton, Ward, Kelly, Forsyth, Bierbrauer.—6

Nays—Ald. S. McMillan, Calihan, Zimmer, Adams, Lempert, Dewey, H. G. Cook, Pauckner, Aikenhead, Lewis.—10.

Ald. Lewis' motion was then adopted.

By Ald. Lewis—

REPORTS OF STANDING COMMITTEES.

By Ald. H. G. Cook—

CITY ATTORNEY'S OFFICE,
ROCHESTER, N. Y., April 18, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Assessment Committee begs leave to submit the following report:

In the matter of the petition of Mary Barson, praying for the cancellation of the general city tax for the year 1856, and the assessment for Gregory street walk against the east part of lot 23 and the west part of lot 24 of the Munger Tract on the south side of Gregory street, for which said property was sold to the city June 2, 1857, we recommend after a careful consideration of the matter, that the prayer of the petitioner be granted.

In the matter of the petition of James E. and M. E. Post, praying for a correction of an assessment against their property being lot 13 on the west side of Post street for the Lyell avenue and Saxton street outlet sewer, section 1, upon hearing Luther A. Pratt, one of the special commissioners for the assessment of said sewer, we recommend that the prayer of the petitioners be granted.

In the matter of the petition of Arthur Keegan, praying for the cancellation of an assessment against his property known as parts of lots 95 and 19, situated on the east side of Silver street; we find that an error was made in the preparation of the assessment, and we therefore recommend that an allowance of \$20 be made upon said assessment.

In the matter of the petition of the Rochester Athenaeum and Mechanics Institute, praying for the cancellation of the general city tax for the year 1892, against property purchased of Caroline E. Perkins and George C. Buel, on South Washington street, we recommend that the petition be granted.

In the matter of the petition of James J.

Crouch, representing that he is the owner of lot No. 5 of Elliott's subdivision of part of the Sibley and Field tract on the south side of Penn street and that there are unpaid taxes against said property for the general city tax for the years 1884 and 1889, for which said property has been sold to the city of Rochester and praying to be allowed to pay the face of the tax with 6 per cent. interest, we recommend that the prayer of the petitioner be granted in accordance with the accompanying resolution.

In the matter of the petition of D. L. Covill, praying to be relieved from the payment of one of the two taxes for sprinkling for 1892, against lot one and the west part of lot two on the east side of Goodman street and the north side of University avenue, after a consideration of the matter we recommend that the petition be denied.

In the matter of the petition by the Hargous Memorial Hahnemann Hospital, praying for the cancellation of the city taxes for the year 1892 to 1893 against its property, we find that upon compliance with a certain provision of the statute under which the hospital is incorporated, its property is exempt from taxation, and upon the presentation of satisfactory proof, that this provision has been complied with, we recommend that the tax be cancelled.

In the matter of the petition of Chauncey Perry asking that certain property bounded on the south by Griffith street, on the east by Broadway and on the west by an alley along the east line of lot 62 be relieved from an assessment for Clinton park widening and certain sprinkling taxes, we recommend that the petitioner be relieved from any liability for the payment of said assessments.

All of which is respectfully submitted,

HENRY G. COOK,
JAMES JOHNSTON,
JOSEPH BIERBRAUER,
Assessment Committee.

Ordered received, filed and published.

By Ald. H. G. Cook—Resolved, That the City Treasurer be and he hereby is directed to cancel upon his books the unpaid general city tax for the year 1856, and the assessment for the same year for the Gregory street walk against the east part of lot 23 and the west part of lot 24 of the Munger Tract on the south side of Gregory street assessed to Minerva Johnson and sold to the city June 1, 1857, said property now being owned by Mary Barson, and charge the amount to erroneous assessment.

Adopted.
By Ald. H. G. Cook—Resolved, That the City Treasurer be and he hereby is directed to strike from his rolls the general city tax against the real property of the Hargous Memorial Hahnemann Hospital for the year 1892 to 1893, and charge the amount to erroneous assessment.

Adopted.
By Ald. H. G. Cook—Resolved, That the City Treasurer be and he hereby is directed to allow the sum of \$21.56 upon the assessment against James E. and M. E. Post for the Lyell avenue and Saxton street outlet sewer, section one, on lot 13 west side of Post street for which amount said James E. and M. E. Post were erroneously assessed for said sewer, and charge the same to erroneous assessments.

Adopted.
By Ald. Bierbrauer—Resolved, That the City Treasurer be and he hereby is directed to allow the sum of \$20 upon an assessment against Arthur Keegan, on his property known as parts of lots 95 and 19 situated on the east side of Silver street, under an assessment made pursuant to final ordinance No. 3,831.

Adopted.

By Ald. H. G. Cook—Resolved, That the City Treasurer be and he hereby is directed to cancel the taxes, interest and fees against the property of the Rochester Athenaeum and Mechanics Institute purchased of Caroline E. Perkins and George C. Buell for the general city tax for the year 1892 to 1893.

Adopted.

By Ald. H. G. Cook—Resolved, That the City Treasurer be and he hereby is directed to receive from James J. Crouch the face of the general city tax for the years 1884 and 1889 against lot No. 5, of Elliott's subdivision of part of the Sibley and Field Tract on the south side of Penn street assessed to him with interest and fees allowed by the city charter down to the date of the sale of said premises and interest on said sum with interest and fees added at the rate of 6 per cent. per annum from the date of sale, and that upon the payment of said sum with such interest plus expense of printing and serving notices of redemption within thirty days from the passage of this resolution the said James J. Crouch be and he hereby is allowed to redeem said property sold for said taxes to said city and that the treasurer charge the amount of the expenses of sale, fees and other interest to erroneous assessments.

Adopted.

By Ald. H. G. Cook—Resolved, That the petition of D. L. Covill with reference to the cancellation of sprinkling tax against property situated on the corner of Goodman street and University avenue be and the same hereby is denied.

Adopted.

By Ald. H. G. Cook—Resolved, That Chauncey Perry be and he hereby is relieved from the payment of an assessment for Clinton Park widening and for sprinkling on property bounded south by Griffith street, east by Broadway and west by an alley along the east line of lot 62, Wadsworth Tract, and that the City Treasurer be and he hereby is directed to strike the name of said Chauncey Perry from the rolls in his office for the aforesaid assessments against said property and that said assessment be charged to erroneous assessments.

Adopted.

CITY ATTORNEY'S OFFICE. }
ROCHESTER, N. Y., April 17, 1893. }

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—Your Law Committee begs leave to submit the following report:

In the year 1892 the parties mentioned herein entered into contracts with the city of Rochester granting to said city the privilege of discharging sewerage over their property and under the terms of said contracts there became due and payable to the said parties, upon the dates hereinafter set forth, the amounts set opposite their names respectively.

- March 29, 1893, Jacob Brasser, et al, \$90.
- March 29, 1893, Gertrude Schum, et al, \$225.
- March 29, 1893, William H. Perrin, \$150.
- March 21, 1893, Frank J. Zorsch, \$200.
- March 15, 1893, John Brower, \$90.
- February 29, 1893, Abraham Farman, Jr., \$50.
- April 11, 1893, Elizabeth M. Shake, \$150.

We therefore recommend that orders be drawn in favor of said parties as above set forth.

In the matter of the application for appointment as Commissioners of Deeds, we recommend that the applications of the following named persons be granted:

- Joseph S. Beach, H. B. Henderson, Thomas L. King, Franklin C. Keyes, Eugene McEntee, Homer E. Perry, W. Seward Whittlesley, Alois G. Waldert.

In the case of Richard Gardiner, as overseer of the poor of the city of Rochester, vs.

Charles Lewis Genthner, a decision was rendered by the Municipal court discharging the defendant, who had been tried in bastardy proceedings, and your committee is advised by the city attorney, that there was no reasonable ground for such decision, and that an appeal from such decision will lie to the court of sessions and your committee recommended at their meeting held April 17th that the city attorney take such an appeal.

All of which is respectfully submitted,

D. W. FORSYTH,
MERTON E. LEWIS,
CHARLES S. COOK,

Law Committee.

Ordered received, filed and published.

By Ald. Forsyth—Resolved, That the clerk be and he hereby is directed to draw orders upon the treasurer payable from the Contingent Fund, as follows: One in favor of John Brower for \$90; one in favor of Abraham Farman, Jr. for \$50; one in favor of Wm. H. Perrin for \$150; one in favor of Frank J. Zorsch for \$200; one in favor of Jacob P. and Margaret B. Brasser for \$90; one in favor of Gertrude, Bernard and Mary Schum for \$225, and one in favor of Elizabeth Mock Shake for \$150, being for the right, privilege and easement to continue the discharge of any and all of the sewers of the city of Rochester into Thomas, Hobbie and Densmore creeks during the year ending as set forth in the Law Committee report accompanying this resolution.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Kelly Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer. —18.

By Ald. Forsyth—Resolved, That the action of the Law Committee in the case of Richard Gardiner as overseer vs. Charles Lewis Genthner in directing an appeal to the court of sessions on behalf of plaintiff be and the same hereby is ratified and confirmed, and that the city attorney take all necessary steps in prosecuting said appeal and procuring a new trial in the court of sessions in said case.

Adopted.

Ald. C. S. Cook from the Police Committee, Ald. Calihan from the City Property Committee, Ald. Zimmer from the Contingent Expense Committee, Ald. Adams from the Lamp Committee and Ald. Fox, by request, from the Health Committee, reported favorable of the various bills referred to their respective committees and referred them to the Finance Committee and auditor for payment.

OFFICE OF EXECUTIVE BOARD, }
ROCHESTER, April 18, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Executive Board has heretofore recommended the permanent improvement of Franklin street from East Main street; Central avenue from North Clinton street to North street, and Central avenue re-paved from North St. Paul street to North Clinton street, and Andrews street from North St. Paul street to North street.

These streets needed paving badly when the first recommendation was made, and the Executive Board again requests that improvements of so great public necessity be ordered by your honorable body.

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published and upon motion of Ald. C. S. Cook, referred to the Public Improvement Committee and city surveyor.

MONROE COUNTY COURT.—In the matter of the construction of a trunk sewer on the east side of the Genesee river, in the City of Rochester, through property supposed to belong to Frances M. Murphy.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned, who were appointed by an order of the Monroe County Court, duly granted and entered on the 16th day of March, 1893, commissioners, to inquire into and determine what damages and compensation the owner or owners, tenants or occupants, of the lands, rights and building to be taken for construction of a trunk sewer on the east side of the Genesee river in said city, through private property situated on the east side of Culver street will be entitled to for the same, respectfully report and certify the premises, rights and easements to be taken for such improvement, the name, residence and rights of the owner thereof, and their award of damages, as incident to the construction, operation and maintenance of said sewer through said property, as follows:

The rights and easements to be taken are described as a right of way or easement of sufficient width for the construction and maintenance of said sewer, and the right and privilege of constructing, operating and maintaining the same, according to plans prepared, or hereafter to be prepared, by the East Side Trunk Sewer Commission of said city, in, along, through, over and across a part of lot thirty-seven, as laid down on a map of the Bates farm, recorded in Liber 56 of deeds, at page 390, and being the property conveyed to Frances McGuire by John McGuire by warranty deed dated November 25, 1872, and recorded on the same day, in the Monroe county clerk's office in liber 260 of deeds, at page 109, along a line beginning at a point in the south line of said premises, fifty-seven and seven-tenths (57.7) feet westerly from the west line of Culver street; thence extending northeasterly, through said property, to a point thirty-two and five-tenths (32.5) feet northerly from the south line of said premises, measured along the east line thereof, as more particularly appears on a map showing the location of the East Side Trunk Sewer across property supposed to be owned by Frances M. Murphy, filed in this proceeding in the city and county clerk's offices. The name and residence of the owner of said property is Frances M. Murphy, who resides in the city of Rochester, N. Y.

Therefore, we, the subscribers, the com-

missioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matters submitted to us in the city of Rochester, N. Y., pursuant to a notice published according to law, and having taken a view of every part of the respective premises, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon, determine and appraise the damages which the owner, (their being no tenant or occupant other than such owner), of the premises, rights, privileges and easement desired, as above described, to be taken for the construction, operation and maintenance of said sewer, will sustain by being deprived thereof, and fix the compensation which the aforesaid owner shall receive therefor, at the sum of fifty (\$50) dollars, payable to said Frances M. Murphy.

All of which is respectfully submitted,

R. G. BOYD,
WILLIS K. GILLETTE,
HENRY SHELTER,

Commissioners of Appraisal.

Dated, April 10, 1893, at Rochester, N. Y.

Ordered received, filed and published.

By Aid. H. G. Cook—Resolved, That the next regular meeting of this Common Council, May 2, 1893, be and the same hereby is designated as the time when objections will be made to the confirmation of the report of the commissioners of appraisal in the matter of the construction of a trunk sewer on the east side of the Genesee river in the city of Rochester through the property of Francis M. Murphy.

Adopted.

CITY AUDITOR'S OFFICE, }
ROCHESTER, N. Y., April 18, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I beg leave to call the attention of your honorable body to requirements for the proper administration of the affairs of this office, suggested by the experience of the past year in its work.

It is probably fair to assume that when this department was established, the act authorizing it, in placing the limit upon the auditor's salary, did not contemplate including necessary permanent or other help in performance of its duties.

It is my experience that the actual duties of the auditor in examination and investigating as to the validity of the large number of claims presented for audit, require his attention in the office and often outside, to a degree

allowing simply supervision of the recording and other clerical work.

The latter necessarily devolves upon and takes the time of a responsible and competent assistant, qualified to record, examine and prepare for the auditor's examination to pass upon, more than 5,000 claims of various kinds annually, against the city or the different bodies of our city government, and requiring an itemized monthly report of the same to each of these bodies.

It is evident that when the office was created in 1892, its actual requirements could not be anticipated, as they have now been practically demonstrated. I deem it proper therefore in view of the foregoing to suggest to your honorable body an examination into the methods, manner and amount of work now done and required in this office.

Its efficiency must necessarily be largely supplemented by competent assistance in aid of properly guarding and protecting the interests of all taxpayers. I would therefore respectfully ask your honorable body to consider the adoption of measures providing for such assistant or clerk with reasonable compensation to be paid exclusive of the auditor's salary, for the present fiscal year.

Very respectfully,

A. S. MANN, Auditor.

Ordered received, filed and published, and upon motion of Ald. Lewis referred to Finance Committee.

DEPARTMENT OF PUBLIC INSTRUCTION,
ROCHESTER, N. Y., April 14, 1892.)

To H. W. Gregg, Esq., City Clerk:

The following resolution was adopted at a meeting of the Board of Education held April 10. 1893.

Yours respectfully,

MILTON NOYES, Clerk.

By Com. Gillette—

Whereas, Number three school building, situate on Tremont street in the second ward of said city, was built in the year 1854, and has been in constant service since, and much moneys having been expended for repairs and alterations thereon, until said building is now in such a worn out condition that further repairs or alterations would be false economy; and owing to the overcrowded condition of said school and the fact that an annex has become necessary for the accommodation of its pupils; and in consequence of the defective sewerage, water closets, poor ventilation and general unsanitary condition of said building, the good health of the pupils is endangered, and,

Whereas, The building committee of this board in its last annual report called attention to the unfitness and insufficiency of said building, and recommended that a special appropriation be sought, for the purpose of erecting, finishing and furnishing a new building; now, therefore, be it

Resolved, That the Common Council be requested to unite with this board in the recommendation that special legislation be secured, authorizing the Common Council to levy a tax of thirty thousand dollars (\$30,000) in the general tax levy for the year 1893, in addition to the amount provided for by subdivision six of section 129 of the city charter, for the purpose of erecting, finishing and furnishing a new school building during the year 1893, upon the present site of number three, located on Tremont street in the second ward, of the said city of Rochester.

Resolved further, That the clerk of this board be instructed to transmit to the Common Council a copy of this preamble and resolution.

Adopted.

AN ACT to authorize the city of Rochester to levy a tax for the purpose of erecting a new school building.

The people of the state of New York, represented in senate and assembly, do enact as follows:

Section 1. The Common Council of the city of Rochester is hereby authorized and empowered to levy a tax of thirty thousand dollars in the general tax levy for the year eighteen hundred and ninety-three, in addition to the amount provided for by subdivision six of section one hundred and twenty-nine of the charter of said city, for the purpose of erecting, heating and furnishing a new school building during the year eighteen hundred and ninety-three.

Section 2. Said amount of thirty thousand dollars shall be used for the construction, furnishing and finishing of a school building in district number three of the second ward of the said city of Rochester, upon the site of the one now located upon Tremont street in said city, and said additional building fund shall be used for no other purpose than as specified in this act.

Section 3. This act shall take effect immediately.

Ordered received, filed and published.

Ald. McMillan moved that the sense of the board be expressed in concurrence of above action.

Adopted.

CITY OF ROCHESTER. }

George Bohrer, being duly sworn, deposes and says: That he is the City Sealer of the City of Rochester; that the foregoing contains a true and full report of the names of all persons, firms corporations, for whom he or any of his assistants have sealed or marked any weights or measures since the date of his last report, together with the dates thereof, the description of all such scales, weights and measures, so sealed or marked, and the amount of fees or compensation collected therefor.

GEORGE BOHRER.
Sworn to before me this 7th day of April, 1893.

HENRY W. GREGG, City Clerk.
Ordered received, filed and published.
By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, April 8, 1893. }

To the Common Council:

Gentlemen:—The undersigned, members of the Executive Board, to whom was referred the matter of the proffered acceptance of Hortense place, hereby certify that said Hortense place has been properly graded, the street lines defined by monuments, and maps filed in the offices of the county clerk and city assessors, in accordance with provisions of resolutions adopted by your honorable board, and recommend that the street above named be accepted for public use.

Respectfully,
JOHN U. SCHROTH,
W. W. BARNARD,
Executive Board.

Ordered received, filed and published.
By Ald. Bierbrauer—Resolved, That the dedication of Hortense place as mentioned in the foregoing communication of the Executive Board be, and the same is hereby accepted as public street upon the payment of all taxes and assessments local or general remaining unpaid upon said territory so taken for said street. And the city clerk is hereby directed to enter the names of said street in the public street register kept by him, and said Executive Board is hereby instructed to place the usual street signs where needed at the corners of said streets. And the city assessors be, and they are hereby directed to strike from the assessment rolls of the city of Rochester the territory taken for said streets as indicated by the map on file in county clerk's office, and the office of the city assessors.

Adopted by the following vote:
Ayes—Ald. McMillan, C. S. Cook, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Lewis Forsyth Bierbrauer.—16.
By the Clerk—Claim of William Richards against the city of Rochester. Referred to Law Committee.

ACTION UPON ORDINANCES.
FIRST ORDINANCES.
ASPHALT PAYMENT ON GLASGOW STREET.
By Ald. Pauckner—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Glasgow street.
Adopted.

The Surveyor submitted as such estimate, \$11,000.

By Ald. Pauckner, Resolved, That the following improvement is necessary, viz:

The improvement of Glasgow street from Caledonia avenue to Exchange street, except at the crossing of Plymouth avenue, by the construction of a Sicily rock asphalt pavement therein with a line of Medina stone curb on each side thereof properly connected with all lateral streets, alleys and driveways. Width of main roadway between curbs to be 25 feet. Also the construction of the necessary crosswalks, man holes, surface sewers, lot laterals, water and gas services, and the cleaning of the main sewer if found to be necessary.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$11,000, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Glasgow street, from Caledonia avenue to Exchange street, in proportion to the benefit which each will derive therefrom.

Adopted.

to, unless otherwise specially provided in an order, resolution or ordinance, at 7 o'clock P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Post Express notice thereof as is required and in the manner specified by section 172 of the city charter.

ACTION ON ORDINANCES.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., April 18, 1893.

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Post Express, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Thursday evening, April 18, 1893, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement. Respectfully,

HENRY W. GREGG, City Clerk.

Final ordinance for the extension of Harvard street came up and on motion of Ald. Dewey, action thereon was postponed two weeks.

FINAL ORDINANCE NO. 5,123.

ASPHALT PAVEMENT ON DIVISION STREET.

On motion of Ald. Pauckner, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to improve Division street, from the asphalt pavement therein to North Clinton street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The improvement of Division street, from the end of the present asphalt pavement in said street to N. Clinton street by the construction of an asphalt pavement therein with a line of Medina stone curb on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of main roadway between curbs to be 19 feet. Also also the construction of the necessary manholes, surface sewers, lot laterals, water and gas services, crosswalks, and a Portland cement walk extending from curb to street line between the limits mentioned, except where good flag walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$5,300, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to

wit:

One tier of lots and parcels of land on each side of Division street, from the east end of the present asphalt pavement to North Clinton street.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, C. S. Cook, Callihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer—18.

On motion of Ald. Pauckner, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to improve Platt street, from Allen street to State street,

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The improvement of Platt street, from Allen street to State street, by the construction of a Medina block stone pavement therein with a line of Medina stone curb and flag stone gutter on each side thereof, properly connected with all lateral streets, alleys, and driveways. Width of main roadway between curb lines to be 32 feet. Also the construction of all necessary crosswalks, surface sewers, lot laterals, manholes, water and gas services.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$22,000, which, being deemed reasonable is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Platt street, from Allen street to State street.

Adopted by the following vote:
Ayes—Alds. C. S. Cook, Calihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Kelly, Aikenhead, Simmelink, Lewis, Bierbrauer—15.

Final ordinance for a plank walk on Big Ridge road came up and upon motion of Ald. Ashton action thereon was postponed two weeks.

FINAL ORDINANCE, NO. 5,136.

LAKE AVENUE SPRINKLING.

On motion of Ald. Pauckner, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to sprinkle Lake avenue, from Driving Park avenue to the city line,

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The sprinkling of Lake avenue, from Driving Park avenue to the city line, during the season of 1893.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$1,152, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

One tier of lots and parcels of land on each side of Lake avenue, from Driving Park avenue to the city line.

Adopted by the following vote:
Ayes—Alds. McMillan, C. S. Cook, Calihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Kelly, Aikenhead, Simmelink, Lewis, Bierbrauer—16.

FINAL ORDINANCE, NO. 5,137.

WEST STREET EXTENSION.

On motion of Ald. Simmelink, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to extend West street from its present north end to Thrush street,

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary and should be made, and they hereby judge that the public good requires the same to be done, viz:

The extension of West street, from its present terminus at the south line of the property occupied by the State Industrial School, northerly to Thrush street, and the property to be taken therefor, is a strip of land sixty (60) feet wide, of which the following described line is the eastern boundary: Beginning at a point where the east line of West street intersects the south line of the State Industrial School property; thence northerly in a straight line, deflecting 0 degrees, 38 minutes and 43 seconds west from the line of West street, prolonged, to a point in the east line of Thrush street, 102 1-2 feet north from the north line of Emerson street.

And the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city which this council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of West street, and the proposed extension of West street, from Lyell avenue to Emerson street. Also one tier of lots and parcels of land on each side of Thrush street, from Emerson street to Driving Park avenue.

Adopted by the following vote:
Alds. McMillan, C. S. Cook, Calihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Kelly, Aikenhead, Simmelink, Lewis, Bierbrauer—16.

Final ordinance for rebuilding sewer in Nassau street came up.

Ald. Fox, by request of Ald. Lempert, introduced the following amendment:

By Ald. Fox—Resolved, That the territory to be assessed for the rebuilding of the Nassau street sewer, be amended by inserting after the words "to Harrison street" the words, excepting the lot on the northwest corner of Oregon street and Central avenue; also by striking out the words "thence northerly along said west line of lot No. 187 to the north line of said lot."

Adopted.

*The Treasurer's records do not show a separate account of the sprinkling funds prior to 1891.

By Aid. Johnston—Statement, Table and Resolution—

STATEMENT.

The street mileage in our city April 1, 1892, was 270 miles; 86 miles improved and 184 unimproved; of the former 24 miles were Medina stone, 15 asphalt, 3 brick, 24 macadam and 20 gravel. The expenditures for cleaning the 18 miles of asphalt and brick were \$13,766, or

an average of \$765 each mile. These were raised by local assessment, and in addition the property owners paying them were obliged to pay their full share of the general highway fund without receiving any direct benefit from it. The expenditures through the general highway fund were \$216,328, or 13 per cent. of the entire city tax. The cost of the sprinkling done was \$35,429, making the total expenditures for cleaning, repairing and sprinkling our streets, \$265,523. These expenditures have been steadily increasing during the last twelve years, in gross amount, amount per mile, amount per capita and percentage to real estate valuation; and in view of these facts, the adoption of the following resolution is urged:

Resolved, That the executive board be requested to advise this council at an early day in reply to the following queries:

First. Will it be practicable to clean and repair our streets by general contract in addition to sprinkling them?

Second. A.—What will be the probable cost per mile of cleaning the Medina stone pavements?

B.—The asphalt?

C.—The brick?

D.—The macadam and gravel?

E.—The probable cost per mile of repairing each of said pavements?

F.—The approximate outlay per mile upon unimproved streets?

Third. Why should not the expense of cleaning the asphalt and brick pavements be paid out of the general highway fund?

Fourth. If said work, in whole or in part, be done under contract, will any city interests be affected adversely, and if so, which and how?

Adopted by the following vote:

Ayes—Aids. McMillan, C. S. Cook, Calihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Kelly, Aikenhead, Simmellink, Lewis, Forsyth, Bierbrauer—17.

By Aid. Fox—Resolved, That one arc electric light be placed on Sullivan street.

Adopted.

By Aid. Fox, by request—Petition for a Medina stone improvement on Webster street. Referred to Surveyor to prepare an ordinance.

By Aid. Zimmer—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, April 18, 1893. }

To the Common Council:

Gentlemen:—The Executive Board has been requested by your honorable body to cause encroachments on Court street, at the approach to the proposed new bridge, between St. Paul street and the Erie canal, to be removed. Action in the matter has been delayed because of failure to find any representative of the property upon whom a notice, as required by the charter could be served with any legal effect. The owners or their representative are non-residents. It may, however, be stated, that the charter in such cases provides other methods of carrying out the proceedings; but, as in this instance it involves the removal of the entire end wall of the brick building on the south side of the street the expense of which will be quite large, the Board, therefore deems it prudent to proceed with care in a matter of this importance.

On the north side of the street a building of wood is located which is of primeval architecture; and, which if left standing in its dilapidated condition at the very gate to the proposed river bridge, a structure of magnificent proportions and beauty, and at a point of view of extraordinary interest, it would be a public shame and an impeachment of the intelligence and common sense of every public official who had granted any clemency to its longer existence.

It is therefore urged by the Executive Board

that your honorable body take proceedings to acquire this point of land that sweeps around South St. Paul street overlooking the aqueduct, to the end that the approach to your new Court street bridge may be attractive, and the thousands of dollars expended may result in mental as well as physical pleasure and delight.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Zimmer—Resolved, That the communication of the clerk of the executive board with reference to the approach to Court street bridge be referred to the Committee on Public Improvements and the city surveyor, to prepare an ordinance or make such recommendations as they may deem proper in the premises.

Adopted.

By Ald. Zimmer—

To the Honorable the Common Council of the City of Rochester:

Gentlemen:—The assessment roll for the widening of Clinton park was ordered by your honorable body February 23, 1892; the parties whose property was taken have been paid, and all obstructions on the entire length of the street removed with the exception of a portion of the barn on the premises of the heirs of Owen Rigney.

This has not been removed although they have been paid the sum of \$500 for its removal. We feel that as we have been assessed to pay this party the sum of \$500 for the removal of said obstruction, that it should be removed at once.

We therefore respectfully ask you to take whatever action is necessary to accomplish this object.

WILLIAM WILSON,
HEIRS OF JOHN CUNNINGHAM,
W. A. WARNER,
G. W. CROUCH,
JENNIE M. CARY,

Ordered received, filed and published.

By Ald. Zimmer—Resolved, That the executive board be and are hereby directed to have the obstructions removed on South Clinton street between Monroe avenue and Griffith street within thirty days from date, April 18, 1893.

Adopted.

By Ald. C. S. Cook—Resolved, That the executive board be and it hereby is directed to remove all obstructions on Flen place and on Oakman street.

Adopted.

Ald. McMillan moved that rules XXXII. and XLIII. be amended so as to read as follows:

By Ald. Aikenhead—
MONROE COUNTY COURT.—In the matter of the extension of Augusta street in the city of Rochester.

To the Honorable, the Common Council of the City of Rochester :

Gentlemen:—The undersigned, who were appointed by an order of the Monroe County Court, duly granted on the 9th day of February, 1893, and duly entered on the 10th day of February, 1893, commissioners, to inquire into and determine what damages and compensation the owner or owners, tenants or occupants of the lands and buildings to be taken for the extension of August street in said city, as called for in and by an ordinance duly adopted for that purpose by the Common Council of the City of Rochester, on the 29th day of November, 1892, will severally sustain by being deprived thereof, do respectfully report and certify their award of damages, as incident to the extension of said street, and the acquirement of the lands and buildings necessary therefor, the names and residences and rights of such owners or tenants, and a description of the land necessary to be taken for the extension of said street, as follows:

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state

of New York, bounded and described as follows:

Beginning at a point in the east line of premises owned by George S. Riley, on the corner of Lewis, Scio and Davis streets, where the south line of Augusta street intersects the same; thence extending westerly, in a direct line, to a point in the east line of Scio street, two hundred and thirty-one and thirty-two one hundredths (231.32) feet northerly from the northeast corner of Scio and Lewis streets, measured along the east line of Scio street, thence northerly along the east line of Scio street, forty (40) feet; thence easterly on a line parallel with and forty feet distant from the first described line to a point in the east line of said Riley's lands, where the north line of Augusta street intersects the same; being a strip of land forty (40) feet in width through the property of said Riley, and being the extension of Augusta street through said property, as more particularly appears on a map of said extension, filed in this proceeding in the city and county clerk's offices. These premises are owned by George S. Riley and are subject to the following liens and encumbrances:

First: A mortgage for \$8,000, running to the East Side Savings Bank, dated July 28, 1879, recorded the same day in the Monroe County clerk's office in Liber 207 of Mortgages at page 371.

Second: A mortgage for \$21,000, running to the East Side Savings Bank, dated May 20, 1891, and recorded the following day in said clerk's office, in Liber 345 of Mortgages at page 216.

Third: A mortgage for \$10,000, running to Edwin S. Hayward, dated May 20, 1891, and recorded in said clerk's office, November 11, 1891, in Liber 353 of Mortgages at page 220.

REPORTS OF STANDING COMMITTEES.

By Ald. Johnston—
To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your City Property Committee begs leave to make the following report:

We have taken under consideration the communication of the City Attorney, referred to this committee in respect to the inadequacy of the offices occupied by the law department and after a careful and thorough investigation of the matter, we are of the opinion that the one room now occupied is not sufficient for the men employed and the business done. The room is so small that when commissions or committees meet therein, it necessitates some of the employees to leave their desks and discontinue work until such meetings are ended

and the eight persons now attending to this department are so crowded as to hazard the necessary business in the office and the health of the employees. The business has greatly increased within the last few years and provision ought to be made to give each one of the attorneys a room to avoid interference in the work assigned to them.

We recognize the importance of having more room for all of the departments of the city and immediate steps ought to be taken by this council to remodel and enlarge the city hall to accommodate them within the building. In the prosecution of such work the room occupied by the law department will naturally be taken for elevator purposes and as available room outside can be best secured at this season of the year, we recommend that relief be at once given to this department by providing rooms outside of the city hall.

To justify this recommendation, we have made inquiries of the officials of some of the leading cities throughout the state and have learned that, in the city of New York, where the law department is divided into three bureaus, every bureau has quarters in a different building and all are outside of the city hall. In the city of Albany, the city attorney has his office outside of the city hall, which is also the case in the cities of Syracuse and Utica. We also find that the practical working of this department in these cities is not interfered with in any material manner whatever.

We have made inquiry as to a suitable location for such offices for the City Attorney, and have been able to secure the same in the Wilder building for the temporary occupancy of this department until action will be taken by this body looking towards a permanent enlargement of the city hall. We would, therefore, recommend that temporary provision for room for the law department be made immediately and that rooms be secured for it by the City Property Committee at a monthly rent of not to exceed \$120, and we recommend that the following resolution be adopted.

Respectfully submitted,

JAMES JOHNSTON,
ALVIN H. DEWEY,
MERTON E. LEWIS,
JOHN F. FOX,
WILLIAM WARD,

City Property Committee.

Ordered received, filed and published.

By Ald. Johnston—Resolved, That the City Property Committee be and it hereby is, authorized to rent such suitable rooms for the temporary use of the law department, at a rental not to exceed one hundred and twenty dollars (\$120) a month, and that such rent be paid out of the Contingent Fund.

Adopted by the following vote:
Ayes—Ald. Tracy, C. S. Cook, Calihan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelnk, Lewis, Forsyth, Bierbrauer—19.

By Ald. Johnston—

To the Honorable, the Common Council of the City of Rochester:

By Ald. Lewis—

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—Your Law Committee begs leave to submit the following report:

In the matter of the balance due upon Platt street bridge improvement, referred to this committee we, after a careful investigation, have learned that the actual expense of the bridge and its approaches over the estimate in the ordinance amounts to thirty-seven thousand and eight hundred and sixty-five dollars and fifty-two cents. There has been no provision for the payment of this amount, and we, therefore, recommend that this deficiency be paid by a local assessment, and that the City Surveyor be directed to prepare an ordinance for the payment of the same, pursuant to the provisions of the charter.

In the matter of the Church street assessment, referred to this committee, we report that we have had several meetings with the citizens' committee having the matter of this assessment in charge, and learn that in the computation of the interest by the City Treasurer errors were made which, in the opinion of the City Attorney, would invalidate the assessment now before this board. The expense as directed in the order for the reassessment is in excess of the true computation about \$75,000. A proposition has been made by the citizens assessed to order a reassessment for this improvement at the sum of one hundred and eighty-five thousand dollars with which the citizens are satisfied and the assessment will be paid after its confirmation. We, therefore, recommend that the order of reassessment heretofore adopted by this board be reconsidered and indefinitely postponed, and that a new order and resolution be adopted directing a reassessment at the sum of one hundred and eighty-five thousand dollars.

In the matter of the applications for appointment as Commissioners of Deeds, we recommend that the applications of the following named persons be granted: William H. Caldwell, George W. Davison, C. V. Grohs, William O'Kane, Edward Schaefer, J. E. Swanker, William S. Smith, Jr., Thomas W. Tait.

All of which is respectfully submitted.

MERTON E. LEWIS,
 D. W. FORSYTH,
 CHAS. S. COOK,
 J. MILLER KELLY,
 MARTIN J. CALIHAN,

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the City Surveyor be, and he hereby is, instructed to prepare an ordinance for the payment of the balance due on Platt street bridge and its approaches, pursuant to the provisions of the charter in such case made and provided.

Adopted.

By Ald. Lewis—Resolved, That the resolution adopted by this Common Council on February 9, 1892, and found on page 471 of the proceedings of 1891-92, ordering a reassessment for Church street improvement be, and the same hereby is reconsidered.

Adopted.

By Ald. Lewis—Resolved, That the resolution adopted by this Common Council on February 9, 1892, and found on page 471 of the proceedings of 1891-92, ordering a reassessment for Church street improvement be, and the same hereby is, indefinitely postponed.

Adopted.

By Ald. Lewis—Resolved, That all persons interested in the ordering of a reassessment for the cost and expenses of opening a street from State street to Sophia street be heard at the meeting of the Common Council to be held May 16, 1893, at the Common Council chamber at 7:30 P. M.

Adopted.

By Ald. Zimmer—

ROCHESTER, N. Y., April 29, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Improvement Committee to which was referred the communication of the Executive Board, with reference to the approach to Court street bridge, would recommend that the City Surveyor be directed to prepare an ordinance for the widening of North St. Paul street, on the West side at Court street, to the blue line of the Erie canal.

The property to be taken being a strip of land fronting 10.67 feet on Court street, and running northerly to a point in a distance of 120.74 feet.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

ROCHESTER, N. Y., April 26, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Excise Commissioners enclose copy of a communication received by them from George A. Dietz. Would state that a license was granted to Mr. Dietz for 336 North street, and the same has been surrendered and is now in possession of the board; it can not be transferred to another locality, and the matter has been referred to your Honorable Body, to take such action as you may deem proper, in regard to refunding money paid thereon.

Respectfully yours,
 JAMES MALLEY, Clerk.

ROCHESTER, N. Y., April 20, 1893.

To the Honorable, the Excise Board of the City of Rochester:

Gentlemen:—In my application to your board for a license for No. 336 North street, I made an affidavit that the place was not within 200 feet of a building used as a church or school. I desire to state that said affidavit was made by me in good faith, and without intention to deceive your honorable board. The first intimation I had of a misstatement was upon receipt of a notice from your board citing me to appear and bring my license, as the same had been obtained upon misrepresentation. In view of the fact that my application and the statements made therein were made in good faith, and disclaiming any intention of misrepresenting the case, I desire to make such amends as lie in my power, by cheerfully surrendering said license, and would request

that the money paid therefor be refunded, or license transferred to some other locality. Trusting that the matter can be disposed of in a manner satisfactory to all concerned, I remain,

Yours respectfully,

GEORGE A. DIETZ,

Ordered received filed and published, and referred to the committee on Police, Excise and Markets.

To the Honorable, the Common Council of the City of Rochester :

Gentlemen:—The Executive Board recommends that your honorable body cause the City Surveyor to prepare an ordinance for the construction of walks of a permanent material on Lowell street. An expensive improvement has been laid on the roadbed, but the walks are constant cause of care and dangerous to travel.

Respectfully,

THOMAS J. NEVILLE, Clerk.

MONROE COUNTY COURT.—In the matter of the opening of a street from Council avenue to North avenue in the city of Rochester.

To the Honorable, the Common Council of the City of Rochester :

Gentlemen:—The undersigned, who were appointed by an order of the Monroe County Court, duly granted on February 6, 1893, and entered on the 11th day of February, 1893, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants, of the lands and buildings to be taken for the opening of a street from Council avenue to North avenue in said city will be entitled to for the same, respectfully report and certify the several pieces and parcels and premises to be taken for such improvement, the names and residences, and the rights of the owners thereof, and their award of damages, as incident to the opening of said street, as follows:

The several pieces and parcels of land required for such purpose, and necessary for the opening of said street are described as follows:

All that tract or parcel of land, situate in the city of Rochester, county of Monroe and state of New York, bounded and described as follows:

Beginning at a point in the east line of North avenue, at the southwest corner of lot No. 9 of Draper's subdivision of part of lot No. 65, formerly in the town of Irondequoit; thence extending easterly along the south line of lot No. 9 about four hundred and two and eight-tenths (402.8) feet to the east line of said lot No. 9; thence northerly along said east line, twenty-four and forty-two hundredths (24.42) feet, to a point where the north line of Council avenue intersects the east line of said lot No. 9; thence westerly, on a line parallel with, and twenty-four and forty-two hundredths (24.42) feet northerly from the first described line, to the east line of North avenue; thence southerly along the east line of North avenue to the place of beginning; being a strip of

land twenty-four and forty-two (24.42) hundredths feet in width on the east side of North avenue, and extending back the whole depth of said lot No. 9, as more particularly appears on a map in the above proceeding, filed in the city and county clerk's offices, to which reference is hereby made for a more particular description thereof.

These premises are owned by Charles T. Weillhammer and Catherine Weillhammer, his wife, as tenants by the entirety, both of whom reside in the city of Rochester, N. Y.

Also, all that other tract or parcel of land, situate in the city, county and state aforesaid, bounded and described as follows:

Beginning at a point in the east line of North avenue, at the northwest corner of lot No. 10 of Draper's subdivision of part of lot No. 65, formerly in the town of Irondequoit; thence extending easterly, along the north line of said lot No. 10, about four hundred and two and eight-tenths feet, to the east line of said lot No. 10; thence southerly, along said east line, fifteen and fifty-eight hundredths (15.50) feet to a point where the south line of Council avenue, as opened, intersects the same; thence extending westerly, on a line parallel with and 15.58 feet southerly from the first described line to the east line of North avenue; thence northerly along the east line of North avenue fifteen and fifty-eight hundredths (15.58) feet, to the place of beginning; being a strip of land fifteen and fifty-eight hundredths feet in width, extending back the entire width of said lot of equal width, as more particularly appears on a map in said proceeding, filed in the city and county clerk's office, to which reference is hereby made for a more particular description thereof.)

These premises are owned by Catherine Weillhammer, who resides in the city of Rochester, N. Y., and are subject to a mortgage having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon determine and appraise the damages which the several owners, (there being no tenants or occupants other than such owners), of the several premises thus to be taken for the opening of a street from Council avenue to North avenue in said city, will severally sustain by being deprived thereof, and fix the compensation which the aforesaid owners shall receive therefor, as follows:

The awards hereby made, after deducting all taxes and assessments which have become a lien upon the lands described, to be paid, as hereinafter provided, are as follows:

To Charles T. Weillhammer and Catherine Weillhammer, as tenants by the entirety, for parcel No. 1, the sum of twenty-two hundred fifteen 20-100 dollars, payable to them. To Catherine Weillhammer, for parcel No. 2, the sum of eight hundred 80-100 dollars, payable to the mortgage aforesaid.

All of which is respectfully submitted.

SAMUEL F. FRAKER,
FRED W. SMITH,
ALEXANDER BUTTON,
Commissioners.

Dated, Rochester, N. Y., April 26, 1893.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That May 16, 1893, at 7:30 P. M. be, and hereby is, designated as the time when any objections to the report of the commissioners in the matter of opening a street from Council avenue to North avenue in said city will be heard.

Adopted.

Statement of the Expenditures and Receipts Through its Different Funds, Summarized From the City Treasurer's Annual Reports.

BOARD OF EDUCATION STATISTICS.

By Ald. Johnston—Whereas, An analysis of the Board of Education expenditures and receipts through its different funds summarized from the city treasurer's annual reports shows

First, that the total expenditures of the board have increased from \$241,200 in 1882 to \$432,354 in 1892 or an increase per capita from \$2.42 in 1882 to \$2.98 in 1892.

Second, that while the expenditures, through the repair fund have increased from \$9,500 in 1882 to \$13,697 in 1892, there has been no increase in the per capita amount, and this fund appears to have been controlled remarkably well.

Third, the expenditures through the contingent fund have increased from \$29,663 in 1882 to \$100,140 in 1892 or from 29c per capita in 1882 to 69c in 1892.

Fourth, the expenditures through the teachers' fund have increased from \$106,534 in 1882 to \$274,860 in 1892, or from \$1.06 per capita in 1882 to \$1.90 in 1892.

Fifth, the receipts were \$63,720 in 1882, or 64c per capita. In 1890 they were \$99,693, or 74c per capita; in 1891 they were \$105,346, or 74c per capita, while last year, 1892, they were only \$63,204, or 44c per capita.

Sixth, the average number of pupils in attendance each year was 9,423 in June 1882; 10,546 in June 1884; 14,846 in June 1892, or an average running remarkably uniform through the series of years, of one to each ten of population.

Seventh, the number of teachers has increased from 275 in 1882 to 515 in 1892, and the average number of pupils to each has decreased from 34 in 1882 to 29 in 1892.

Eighth, the average salary of the teachers has increased from \$387 in 1882 to \$534 in 1892.

Therefore, Resolved, That the Finance Committee take under consideration the statistics in the accompanying table, confer with representatives of the Board of Education regarding them and furnish this council at an early day, information in reply to the following queries and any others that may suggest themselves:

First. What are the principal items and amounts included in the Contingent Fund of \$100,000?

Second. Will it be practicable to change the methods or system governing said expenditures whereby equally good service may be secured and said expenditures reduced?

Third. How are the salaries of the teachers graded, and if the salaries of the female teachers in service five years or more were made \$500 per year or upwards, how much of an increase would be needed for the teachers' fund?

Fourth. Is the number of teachers employed any larger than it should be to secure the best results and maintain a high standard of efficiency?

Fifth. What are the principal sources of the board's income and what is the reason for its being \$42,000 less last year than it was in 1891?

Adopted.
By Ald. Dewey—**MONROE COUNTY COURT.**—In the matter of opening a street from Bates street to Bowen street in the city of Rochester.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned who were appointed by an order of the Monroe county court, duly granted on the 14th day of February, 1893, and entered on the 17th day of February, 1893, commissioners, to appraise the damages which the owner or owners, or persons interest, and if there be any occupants or tenants who may have a leasehold interest in the premises, rights or easements therein, to be taken for the public improvement or purpose above referred to, should severally receive therefor, respectfully report and certify the several pieces or parcels of land, and the premises, rights or easements therein, to be taken for said improvement, and the names and residences of the owner or

owners respectively, and the rights of such owners, as far as can be ascertained, and the amount of the damages or compensation which should be paid to each of said owners or occupants, as follows:

The pieces or parcels of land required for such improvement are described as follows:

PARCEL NO. 1.

Beginning at a point in the east line of Bowen street, where the south line of the property of Charles and Mary Murray intersects the same; thence east, along said south line, one hundred and fifty feet; thence northerly, along the east line of said Murray property, fourteen and five-tenths feet; thence westerly, on a line parallel with, and fourteen and five-tenths feet northerly from, the south line of said Murray property, to the east line of Bowen street; thence along the east line of Bowen street, to the place of beginning.

These premises are owned by Charles and Mary Murray, husband and wife, and the survivor and are subject to several liens and incumbrances:

First. A mortgage for \$100, running to the Mechanics' Savings bank, dated October 8, 1888, and recorded in Monroe county clerk's office, in liber 292 of mortgages at page 264.

Second. A mortgage for \$406, running to George J. Knapp, dated June 25, 1892, and recorded in said clerk's office in liber 359 of mortgages at page 301.

Third. A mortgage for \$100, running to George J. Knapp, dated August 26, 1892, and recorded in said clerk's office in liber 362 of mortgages at page 77.

Fourth. A judgment in favor of Catharine Latz for \$64.90, docketed in said clerk's office October 19, 1885.

Fifth. A judgment in favor of William A. Granger for \$58.05, docketed in said clerk's office December 3^d, 1885.

PARCEL NO. 2.

Beginning at the southeast corner of the premises of Charles and Mary Murray, above described; thence running easterly, along the south line of premises owned by Elizabeth Murray, about two hundred and ninety-five and five-tenths feet, to property owned by the heirs of James McGuire; thence northerly, along the east line of said premises of Elizabeth Murray, fourteen and five-tenths feet; thence westerly, on a line parallel with, and fourteen and five-tenths feet northerly from, the south line of said Elizabeth Murray's lands; thence southerly, along the east line of said Charles and Mary Murray's land, to the place of beginning.

These premises are owned by Elizabeth Murray, who resides in the city of Rochester, N. Y., and are subject to the mortgages referred to in parcel No. 1, and a judgment in favor of Catharine Latz for \$64.90, docketed in said clerk's office October 19, 1885, and a judgment in favor of William A. Granger for \$58.05, docketed in said clerk's office December 30, 1885, and one in favor of Flora Wilson for \$35.35, docketed in said clerk's office June 12, 1890, and another in favor of John H. Hopkins, as special guardian, for \$98.48, and docketed in said clerk's office March 3, 1892.

PARCEL NO. 3.

Beginning at the southeast corner of the premises of Elizabeth Murray, above described; thence extending easterly, along the south line of the premises of the heirs of James McGuire, to the west line of Bates street; thence extending northerly, along the west line of Bates street, fourteen and five-tenths feet; thence westerly, on a line parallel with, and fourteen and five-tenths feet northerly from, the south line of said McGuire's lands, to the east line

of Elizabeth Murray's lands; thence southerly, along said Elizabeth Murray's east line, fourteen and five-tenths feet, to the place of beginning.

These premises are owned by the heirs of James McGuire, all of whom reside in the city of Rochester, N. Y., and as far as we have any information, are as follows: Bridget McGuire, widow, William G., John H., James P. and Joseph, sons, and Sarah F. and Mary, daughters, and are subject to the several liens and incumbrances as follows: A judgment in favor of Nicholas Brown for \$38.24, docketed in Monroe county clerk's office January 5, 1887; a judgment in favor of Mandeville J. Barker and another for \$30.11, docketed in said clerk's office January 6, 1887; a judgment in favor of A. Frank Wettner for \$121.60, docketed in said clerk's office January 10, 1887; a judgment in favor of William A. Hawthorne for \$163.85, docketed in said clerk's office September 6, 1887; a judgment in favor of Leander W. Kauffman for \$32.20, docketed in said clerk's office October 25, 1888; a judgment in favor of the Cohocton Valley Cigar Company for \$71, docketed in said clerk's office February 17, 1890; a judgment in favor of George C. Gordon for \$171.25, docketed in said clerk's office June 4, 1888; a judgment in favor of James W. Clark for \$30.90, docketed in said clerk's office May 13, 1889; a judgment in favor of S. F. Hess & Company, docketed in said clerk's office December 14, 1891; a judgment in favor of James M. Whitney for \$508.25, docketed in said clerk's office December 18, 1891; a judgment in favor of the Rochester Distilling Company for \$41.74, docketed in said clerk's office January 8, 1892; subject also to any interest which Ghes Madden, Edward Magee or Edward Marin, or the wife of Edward Madden, if any, may have in said premises.

PARCEL NO. 4.

Beginning at a point in the west line of Bates street, where the south line of the premises supposed to belong to August C. Bown and Augusta B. Gould intersects the same; thence westerly, along said Bowen's north line, about eight hundred and ninety-one feet, to the east line of Bowen street; thence southerly, along the east line of Bowen street, fifty-one and one-half feet; thence easterly, on a line parallel with, and fifty-one and one-half feet southerly from, said Bowen's north line, and eight hundred and ninety-one feet, to the west line of Bates street, or the west line extended; thence northerly, along the west line of Bates street, or said line extended, fifty-one and one-half feet, to the place of beginning.

These premises are owned by Augusta B. Gould and Augustus C. Bowen and Jennie, his wife, subject to any interest which Charles H. Palmer may have in said premises by virtue of a land contract made between said parties, dated February 21, 1890, and recorded in the Monroe county clerk's office April 25, 1890.

Therefore, we, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matter submitted to us at the city attorney's office, in the city hall building, Rochester, N. Y., pursuant to a notice of at least ten days published according to law, and having taken a view of every part of the respective premises affected by this proceeding, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon, determine and appraise the compensation which the (there being no tenants or occupants other than said owners who are entitled to any compensation), of the respective premises above described, and thus to be taken for the opening of said street, will

severally sustain by being deprived thereof, and fix the compensation which said owners shall receive therefor; said awards, after deducting all taxes and assessments which have become a lien upon the land above described, to be paid as hereinafter provided:

To Charles and Mary Murray, for parcel No. 1, the sum of seven hundred and ninety dollars, payable to the mortgagees aforesaid, in the order of their priority, and the balance to Charles and Mary Murray, upon their filing satisfaction pieces of the judgments above mentioned, or proving that they are not liens against said premises.

To Elizabeth Murray, for parcel No. 2, the sum of one dollar, payable to the mortgagees aforesaid, in the order of their priority, and the balance to said Elizabeth Murray, upon filing satisfaction pieces of the judgments above referred to, or proving that they are not liens against said premises.

To the heirs of James McGuire, for parcel No. 3, the sum of one hundred and fifty-nine dollars and fifty cents, payable to them, upon filing satisfaction pieces of the judgments above referred to, or proving that they are not liens upon said property, and upon a release of all interest of Giles Madden, Edward Magee, Edward Marin, and the wife of Edwin Madden, and upon the discharge from the records of a lis pendens filed by Julia McCain in said clerk's office June 10, 1864, and one filed by Joseph McGuire in an action for partition, December 30, 1891.

To Augusta B. Gould and Augustus C. Bowen and Jennie, his wife, for parcel No. 4, the sum of seventeen hundred and ninety-three dollars and thirty-seven cents, payable to them, subject to any interest which Charles H. Palmer may have therein pursuant to the land contract mentioned above, and upon the discharge of the lis pendens filed in an action brought by Charles H. Palmer to compel a specific performance of said land contract, recorded in said clerk's office May 2, 1890, in liber 15 of lis pendens at page 224.

All of which is respectfully submitted.

OFFICE OF THE EXECUTIVE BOARD, }
 ROCHESTER, May 2, 1893. }

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—In the matter of the opening of Warwick avenue from Chili avenue southerly, the Executive Board has issued notices to the several parties who own property along the proposed street, to call at the office of the Executive Board and state what price they would accept for the lands in question.

Only the representatives of an association appeared and they as well as the others failing to make any proposition, the Executive Board therefore recommends the appointment of a commission in order that the property in question may be condemned.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.
 By Ald. Forsyth—Whereas, No agreement for the purchase of the lands necessary for the opening of Warwick avenue from Chili avenue southerly, in the city of Rochester, under final ordinance No. 5,130, can be made, therefore,

Resolved, That a copy of said ordinance, and of this resolution, together with the map of the proposed street, be made and filed in the office of the city clerk and of the county clerk, which map shall show thereon the lots, tracts and parcels of land which are deemed necessary to be taken, and the commencement, course and termination of said street proposed to be laid out, according to the provisions of section 174 of the revised city charter, and that the city attorney be, and he hereby is, instructed to take and institute such proceedings, from time to time, as may be necessary to secure such street opening, as is, provided by the city charter.
 Adopted.

REPORTS OF STANDING COMMITTEES.

By Ald. Forsyth—
 To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your committee on support and relief of the poor submit the following report and recommends that Joseph F. Cochran be reappointed assistant overseer of the poor for the following year; John Calder be reappointed as the bookkeeper for the following year; Richard Tyler be reappointed store keeper for the following year, and that William S. McKelvey and Henry Hilgendorf be reappointed investigators, each to receive the salary respectively as heretofore fixed by the Common Council. And recommend the adoption of the following resolution.

D. W. FORSYTH,

 J. M. AIKENHEAD,
 HENRY G. COOK,

Committee on Support and Relief of the Poor.
 Ordered received, filed and published.

By Ald. Forsyth—Resolved, That Joseph F. Cochran be and he hereby is appointed assistant overseer of the poor of the city of Rochester for the ensuing year at the monthly

salary heretofore fixed by the Common Council; that John Calder be and he hereby is appointed bookkeeper for the poor department of the city of Rochester for the ensuing year at the monthly salary heretofore fixed by the Common Council; that Richard Tyler be and he hereby is appointed store keeper for the poor department of the city of Rochester for the ensuing year at the monthly salary heretofore fixed by the Common Council; that William S. McKelvey and Henry Hilgendorf be and each of them hereby is appointed investigator for the poor department for the ensuing year at the salary each as heretofore fixed by the Common Council.

Adopted by the following vote:
 Ayes—Ald. Tracy, McMillan, C. S. Cook, Callihan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth.—19.

By Ald. H. G. Cook—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your assessment committee beg leave to make the following report:

In the matter of the petition of the German Baptist Educational Union praying for relief from the payment of the city tax of 1892 against lots 45 and 44 on the south side of Tracy park, we find that such property is exempt from taxation, and therefore recommend that the tax be cancelled.

In the matter of the petition of L. T. Foote praying that certain taxes paid by him against the Spencer-Ripley Memorial M. E. church be refunded, we recommend that the petition be granted.

In the matter of the petition of Nelson Lovelace praying to be allowed to pay a certain portion of certain unpaid city taxes for 1869, we recommend that the petition be granted.

All of which is respectfully submitted.

Assessment Committee.

Ordered received, filed and published.

By Ald. H. G. Cook—Resolved that the city treasurer be, and he hereby is, directed to cancel the city tax for 1892 against lots 45 and 44 on the south side of Tracy park assessed against the German Baptist Educational Union, amounting to \$131.15, and charge the amount thereof to erroneous assessments.

Adopted.
 By Ald. H. G. Cook—Resolved that the city clerk be, and he hereby is, directed to draw an order on the city treasurer, payable from the contingent fund, in favor of L. T. Foote, for the sum of six dollars and thirty-five cents (\$6.35), being the amount paid into the city treasury for the general city tax against the Spencer-Ripley Memorial M. E. church, and that the treasurer charge such amount to erroneous assessments; also, that the city assessors be directed to strike from the rolls the property of said Spencer-Ripley Memorial M. E. church, situated on the east side of Goodman street, and known as lot No. 6.

Adopted by the following vote:
 Ayes—Ald. Tracy, McMillan, C. S. Cook, Callihan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth.—19.

By Ald. H. G. Cook—Resolved that the city treasurer be, and he hereby is, directed to receive from Nelson Lovelace the sum of eight dollars and ten cents, with interest at the rate of six per cent. per annum from March 30, 1870, pursuant to section 211 of the city charter, and the certificate of the city

assessors made thereunder, dated October 22, 1892, and being his equitable portion of the general city tax for 1869 against lots 30 and 31 of the Caledonia town lot No. 54, for which said lots were sold on March 30, 1870, and that upon payment of said sum within thirty days from the date of the passage of this resolution, the portion of said lot owned by said Lovelace be released from the lien of said tax, and that any balance be charged to erroneous assessments.

Adopted.

By Ald. Zimmer—

Adopted.

THE WIDENING OF SOUTH ST. PAUL STREET.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, and we hereby judge that the public good requires the same to be done, viz:

The widening of South St. Paul street, from Court street northerly 120.74 feet to a point where the west line of said street intersects the easterly "Blue Line" of the Erie canal. And the territory necessary to be taken therefore is described as follows: Beginning at the northwest corner of Court street and South St. Paul street, thence northerly along the west line of said St. Paul street 120.74 feet to the easterly "Blue Line" of the Erie canal, thence southerly along said easterly "Blue Line" 120.35 feet to the northerly line of Court street 10.67 feet to the place of beginning.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of South St. Paul street, from Ely street to Monroe place. Also one tier of lots and parcels of land on each side of Court street, from the east line of the Erie canal lands, to a point opposite the east line of Adolph Speihlers property, known as lot No. 28, in proportion to the benefit which each will derive therefrom.

Adopted.

PIPE SEWER IN FLORA STREET.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Flora street.

Adopted.

The Surveyor submitted as such estimate, \$575.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer, 12 inches in diameter in Flora street, and connecting with the present sewer in Ethel street, from a point 85 feet north of Violetta street, to a point 10 feet south of the north end of Flora street, thence through Ethel street to the sewer in said street. Also the construction of the necessary lot laterals, manholes, surface sewers, branches, roadway grading and gutter formations.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$575, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Flora street from the north end thereof to Violetta street, also the lot fronting on the north end of said Flora street, in proportion to the benefit which each will derive therefrom.

Adopted.

WIDENING MORTIMER STREET.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, and we hereby judge that the public good requires the same to be done, viz:

The widening of Mortimer street by adding a strip of land 18 feet wide on the north side, from the east end of the Woodbury building to North Clinton street, and 9 feet on the south side, from the east end of the Cox building to North Clinton street. And the territory necessary to be taken therefore is a strip of land 18 feet wide on the north side, and 9 feet wide on the south side between the limits mentioned.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Mortimer street, from the east end of the Woodbury and Cox buildings, respectively, to North Clinton street, in proportion to the benefit which each will derive therefrom.

Adopted.

Adopted.

The Surveyor submitted as such estimate, \$17,000.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The improvement of Scranton street, from the Rome, Watertown & Ogdensburg Railroad crossing to North Clinton street, by the construction of a Trinidad asphalt pavement therein with a line of Medina stone curb on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of main roadway between curbs to be 26 feet. Also the construction of the necessary cross-walks, manholes, surface sewers, lot laterals, water and gas services, and the cleaning of the main sewer in street if found to be necessary. The construction of the asphalt pavement not to be begun until next year.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$17,000, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Scranton street, from the R. W. & O. R. R. crossing, to North Clinton street; and for the cleaning of the main sewer, in addition to Scranton street, one tier of lots on each side of the following streets: Hawkins street, Fien place and Louis park, from the south end of the main sewer in said streets to Scranton street, in proportion to the benefit which each will derive therefrom.

Adopted.

PORTLAND CEMENT WALK ON GORHAM STREET

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing Portland cement walks on Gorham street.

Adopted.

The Surveyor submitted as such estimate, \$600.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a Portland cement walk 5 feet wide on each side of Gorham street, from North St. Paul street, to North Clinton street, except where good flag or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And, Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$600, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Gorham street, from North St. Paul street to North Clinton street in front of which the proposed walk is constructed, in proportion to the benefit which each will derive therefrom.

Adopted.

SEWER IN THIRD STREET.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Third street.

Adopted.

The Surveyor submitted as such estimate, \$1,400.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer, 15 inches in diameter in Third street, from a point 113 feet north of Glenwood avenue to the sewer in Rowe street. Also the construction of the necessary lot laterals, manholes, surface sewers, branches, roadway grading and gutter formations.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,400, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Third street, from Glenwood avenue to Rowe street, in proportion to the benefit which each will derive therefrom.

Adopted.

PIPE SEWER IN OSCAR STREET.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Oscar street.

Adopted.

The Surveyor submitted as such estimate, \$1,175.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer, 12 inches in diameter in Oscar street, from a point 130 feet west of North Joiner street to the sewer in North Clinton street. Also the construction of the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,175, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Oscar street, from North Clinton street to North Joiner street, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Pauckner—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially pro-

vided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Morning Herald notice thereof as is required and in the manner specified by section 172 of the city charter.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., May 2, 1893. }

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Morning Herald, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, May 2, 1893, at 7:30 o'clock P. By Ald. Ashton—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., May 2, 1893. }

To the Common Council:

Gentlemen:—In accordance with your request the Executive Board has negotiated with the owners of land proposed to be taken for

the widening of Kay Terrace, from Rowe street to Champion street, and invited them to state what they would accept for their respective parcels of property. No propositions were received except from J. E. Campbell, which was made on such conditions which would prevent its acceptance; and therefore, the Executive Board would recommend that a Commission be appointed to determine the value of the property. Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Ashton—Whereas, No agreement for the purchase of the lands necessary for the opening of a street from Rowe street to Glenwood avenue, in the city of Rochester, under Final Ordinance No. 4,886, can be made, therefore

Resolved, That a copy of said ordinance, and of this resolution, together with the map of the proposed street, be made and filed in the office of the City Clerk and of the County Clerk, which map shall show thereon the lots, tracts and parcels of land which are deemed necessary to be taken, and the commencement, course and termination of said street proposed to be widened, according to the provisions of section 174 of the revised city charter, and that the City Attorney be, and he hereby is, instructed to take and institute such proceedings, from time to time, as may be necessary to secure such street widening, as is provided by the city charter.

Adopted.

By Ald. Ashton—Resolved, That the Executive Board be and it hereby is requested to negotiate for the purchase of lands necessary to be taken for West street extension as contemplated under Final Ordinance, No. 5,137.

Adopted.

By Ald. Ashton—Petitions for water mains in Flower City Park and Tenth street. Referred to Water Works Committee and Executive Board.

Ald. Lewis in chair.

By Ald. Fox—

ROCHESTER, N. Y., May 2, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Committee on Police, Excise and markets begs leave to submit the following report.

The petition of George A. Deitz, asking to have refunded to him \$50, license fee for No. 336 North street in said city was duly considered by your committee and we find that the saloon at 336 North street is within two hundred feet of the church and that said petitioner has surrendered his license to the Excise Board.

We therefore recommend that an order be drawn payable from the Poor Fund for \$50 in favor of said George A. Deitz being the amount of the license fee aforesaid.

JOHN P. FOX,
WM. PAUCKNER,
JOHN B. SIMMELINK,
CHAS. S. COOK,
Committee.

Ordered received, filed and published.

By Ald. Fox—Resolved, That the City Clerk be and he hereby is directed to draw an order in favor of George A. Deitz, for \$50, and the City Treasurer is hereby directed to charge the amount of said order to the Poor Fund.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, C. S. Cook, Cahlan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth—19.

By Ald. McMillan—Whereas, A contract was on the 22nd day of March, 1892, entered into between Stephen M. Corwin and the City of Rochester whereby in consideration of the

payment of the sum of \$300, annually, said Corwin granted to the city of Rochester the privilege of discharging sewerage over and through his property in the town of Brighton, and under the terms of said contract then became due and payable to said Stephen N. Corwin the sum of \$300 on the 22nd day of March, 1893, now therefore

Resolved, That the Clerk be and he hereby is directed to draw an order in favor of Stephen M. Corwin for \$300 the amount due said Corwin under the contract aforesaid, and the Treasurer is hereby directed to charge said sum to the Contingent Fund.

Adopted by the following vote:
Ayes—Alds. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmellink, Lewis, Forsyth—19.

By Ald. McMillan—Resolved, That the resolution of Ald. McMillan, with reference to obtaining the consent of the owners of the water rights and easements of the Johnson & Seymour race reported at page 12, current proceedings be and the same hereby is reconsidered.

Adopted.
By Ald. McMillan—Resolved, That action upon said motion be and the same is indefinitely postponed.

Adopted.
By Ald. McMillan—Whereas, The owners of the water rights and easements of the Johnson & Seymour race in the city of Rochester have claimed that the construction of Court street bridge across said race, in accordance with the plans and specifications, adopted under final ordinance No. 4,895, will cause serious damages to their water rights and easements, and

Whereas, An action has been commenced against the contractors for the construction of said bridge, and the city of Rochester, in which a temporary injunction has been obtained enjoining said contractors and the city of Rochester from constructing said bridge in accordance with said plans and specifications; and

Whereas, Said owners have agreed that said injunction be vacated and their consent, permission and grant be given to construct said bridge as aforesaid, upon the payment of the sum of six thousand dollars (\$6,000) to the commissioner or commissioners of said Johnson & Seymour race, be it

Resolved, That the Executive Board be and it hereby is authorized to enter into a contract with said commissioner or commissioners to pay said six thousand dollars (\$6,000) for and in consideration of the consent, permission and grant of said owners to construct said bridge, in accordance with said plans and specifications as aforesaid, and of all damages claimed by them, and the City Clerk is hereby authorized to draw an order after the execution of such contract in favor of said commissioners for said sum of six thousand dollars (\$6,000) to be paid from the proceeds of the bonds issued, or to be issued for the purpose of building bridges, as authorized by the laws of the state of New York, and the City Treasurer is hereby directed to pay said order from such fund or proceeds, as incident to and a part of the whole expense of the improvement of said bridge, and charge the same to said fund.

REPORTS OF STANDING COMMITTEES.

By Ald. H. G. Cook:

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your assessment committee begs leave to make the following report:

In the matter of the petition of Thomas H. Groves in reference to an unpaid assessment against lot No. 18 on the west side of Oak street for the Oak street improvement, we recommend that the petitioner be allowed to pay the sum of \$165.23, in full of said assessment.

In the matter of the petition of the Reynolds Library praying for the cancellation of the city tax for 1892, against the property of said library on Main street and Exchange Place and on Spring street and Childs alley, we find that the library became the owner of the property referred to in its petition prior to the levying of the city taxes for 1892, and, therefore, recommend that the petition be granted.

In the matter of the petition of W. Y. Robinson, praying for the correction on an assessment for Evergreen street asphalt improvement against property situated on the south side of Evergreen street, and assessed to Jessie L. Simons, we recommend that said assessment be corrected by deducting therefrom the sum of \$16.18, as recommended by the assessors.

In the matter of the communication relative to Merriman street improvement, between Culver park and University avenue, we recommend that the prayer of the petitioners to have the assessment roll for said improvement corrected, be denied.

In the matter of the Hedding Methodist Episcopal Church to have cancelled the unpaid city taxes for 1885 against its property on St. Paul street, we recommend that the petition be denied.

In the matter of the petition of E. A. Frost praying for the correction of an assessment for the Genesee street sewer, under final ordinance No. 3,862, we recommend that the same be denied.

In the matter of the petition of S. D. Gordon praying for the correction of assessment for Emerson street plank walk, we recommend that the petition be denied.

In the matter of the petition of William J. Trimble praying for the correction of an assessment for Emerson street plank walk, we recommend that the petition be denied.

Respectfully submitted,

HENRY G. COOK,
WILLIAM PAUCKNER,
JOHN F. FOX,
T. McMILLAN
M. H. LEMPERT,
C. W. ZIMMER.

Assessment Committee.

By Ald. H. G. Cook—Resolved, That the City Treasurer be, and he hereby is, directed to receive from Thomas H. Groves provided the same be paid within thirty days from the passage of this resolution, the sum of one hundred and sixty-five dollars and twenty-three cents, in full of the assessment for Oak street improvement under a re-assessment made October 20, 1885, against lot 18 on the west side of Oak street, assessed to Martha J. Patterson; said sum being made up by deducting from the amount of said re-assessment, to wit: \$262.98, the sum of \$97.75, paid in on account of said improvement in the year 1866, and that the treasurer charge the balance, and any interest and fees, to erroneous assessments.

Adopted.

By Ald. H. G. Cook—Resolved, That the City Treasurer be, and he hereby is, directed to cancel upon his books the assessment for the general city taxes of 1892 against lot 23-26 on Main street and Exchange place, and lots 214 and 220 on Spring street and Childs alley, assessed to M. F. Reynolds, but owned by the Reynolds Library, and that the treasurer charge the amount of said taxes, with expenses of sale and interest, to erroneous assessments.

Adopted.

By Ald. H. G. Cook—Resolved, That the City Treasurer be, and he hereby is, directed to allow the sum of sixteen dollars and eighteen cents, upon the assessment for Evergreen street asphalt improvement upon property situated on the south side of Evergreen street, assessed to Jessie L. Simons, being the amount for which said property was erroneously assessed for said improvement as determined and recommended by the city assessors.

Adopted.

By Ald. H. G. Cook—Resolved, That the petition of certain property owners to have corrected the assessment for Merriman street improvement, from Culver Park to University avenue, be, and the same hereby is denied.

Adopted.

By Ald. H. G. Cook—Resolved, That the petition of the Hedding Methodist Episcopal Church to have cancelled the unpaid city taxes for 1885 against its property on St. Paul street, being lot 10, and part of lot 11, be, and the same hereby is, denied.

Adopted.

By Ald. H. G. Cook—Resolved, That the petition of E. A. Frost, relative to an assessment against his property, and that of others, for Genesee street sewer, under final ordinance No. 3,862, be, and the same hereby is, denied.

Adopted.

By Ald. H. G. Cook—Resolved, That the petition of S. D. Gordon praying for the correction of an assessment for Emerson street plank walk against property situated on the south side of Emerson street, be, and the same hereby is, denied.

Adopted.

By Ald. H. G. Cook—Resolved, That the petition of William J. Trimble praying for the correction of an assessment for Emerson street plank walk, be, and the same hereby is, denied.

OFFICE OF THE CITY ATTORNEY,
ROCHESTER, N. Y. May 6, 1893. }

To the Honorable, the Common Council of the City of Rochester :

Gentlemen:—In the matter of the claim of Joseph W. Palmer, and James Palmer, Jr. for sewer damages to their property, we find, that an action has been begun against the city for such damages, and that the property owned by such parties has been materially damaged in several ways by reason of sewer pollution; the claim originally made by the parties was \$9,000.00; but after negotiations covering a period for a year or more we have finally been able to agree with said parties at the sum of \$1,500.00 in full settlement of all claims, we therefore recommend that their claim be settled at said sum of \$1,500.00.

In the matter of the claim of Drew, Allis & Co. for publishing the city ordinances in the city directory for the year 1892, we recommend that the sum agreed upon by the contingent expense committee for that year, namely \$100.00 be paid by this Common Council.

In the cases of Margaret Eaton, Anna Grosser, George Werner, Percilla Hunter and Arthur P. Morris against the city, we are advised by the city attorney, that questions of law arise therein which ought to be decided by the appellate courts, and we therefore recommend that the appeals be taken in these several cases for a final determination of the questions arising therein.

During the past year it has been found necessary to secure the services of an additional clerk in the city attorney's office to investigate the numerous claims made against the city for damages and secure the evidence upon such claims. There has been no regular appointment directed by the Common Council to do this work and we are of the opinion, after a careful inquiry that an additional clerk in this department to take charge of this particular work will be the means of keeping the amount of damages reduced in the numerous claims made against the city, and we therefore recommend, that notice be given at this meeting, that at the next regular meeting the clerical force in the law department be increased by an additional clerk thereto.

In the matter of the application for appointment of Commissioners of Deeds, we recommend that the applications of the following named persons be granted.

Charles B. Ernst, Leslie Ernst Hulburt, Charles W. Lewis, Thos. B. Pritchard, Chas. F. Pickert and Andrew Van Dyck.

All of which is respectfully submitted.

MERTON E. LEWIS,
D. W. FORSYTH,
CHAS. S. COOK,
J. MILLER KELLY,
MARTIN J. CALIHAN,
Law Committee.

Ordered received, filed and published.

By Ald. Lewis:—Resolved, That upon a certificate of the city attorney that proper releases of any and all claims by or on the part of Joseph W. Palmer and James Palmer, Jr. and James Palmer Sons against the city by reason of the discharge of sewage into Demsmore creek upon their premises located between Schenck and Leighton av. . . . and the rights, privileges and easements in and to said creek flowing over said lands has been executed and delivered to said city that the clerk be, and he hereby is directed to draw an order on the Treasurer, payable from the contingent fund in favor of said Joseph W. Palmer and James Palmer, Jr. or their attorneys Hubbell & McGuire, Esqs. for the sum

of \$1,500.00 for all past and future damages occasioned by the pollution of said creek on their premises.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmellink, Lewis, Forsyth, Bierbrauer.—20.

By Ald. Lewis—Resolved, That the City Clerk be, and he hereby is directed to draw an order upon the treasurer, payable from the contingent fund in favor of Drew, Allis & Co., for the sum of \$100 in full payment of the publication of the city ordinances in the City Directory for 1892.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, Kelly, Aikenhead, Simmellink, Lewis, Forsyth, Bierbrauer.—18.

By Ald. Lewis—Resolved, That notice is hereby given, that the clerical force of the law department will be increased at the next regular meeting by adding thereto an investigating clerk.

Adopted.
By Ald. Lewis—Resolved, That the City Attorney be, and he hereby is authorized to appeal the cases of Margaret Eagan and Anna Grosser to the Court of Appeals, and those of George Werner, and Percilla Hunter and Arthur P. Morris to such appellate courts as will secure a final determination in the same respectively.

Adopted.

Ordered received, filed and published.

By Ald. Johnston—

To the Honorable, the Common Council of the City of Rochester :

Gentlemen:—Pursuant to the resolution adopted at the meeting of the Council held April 28, 1893, your committee has employed Mr. Charles F. Crandall, architect to prepare a plan and furnish an estimate of the expenses of the remodeling of the city hall building, in order to provide roomier and more suitable accommodations for the various city depart-

departments of the city government, that are obliged to seek accommodations elsewhere, owing to the over-crowded condition of said building.

Your committee would submit herewith Mr. Crandall's statement of the proposed changes and estimate of their cost, and state that a copy of the plans will be left with the City Clerk for inspection during the coming week, and suggestions regarding room and occupations will be invited from the different departments.

Your committee would recommend the adoption of the plan in general as submitted, so that we may the more intelligently arrange for its execution in detail.

Concerning the exact arrangement and placing of the different offices and departments, your committee will consider them fully at the end of the ensuing week, after all parties interested have had an opportunity to inspect them, and they will report their further recommendations to this Council at its next regular meeting.

Regarding the method of paying for the work, your committee deems it advisable to recommend the issue of the city's bonds for the proposed expense in the amount of \$50,000, said bonds to be payable in ten years, and \$5,000 of them to be redeemed each year. Your committee also presents for adoption the accompanying resolutions.

All of which is respectfully submitted.

JAMES JOHNSTON,
ALVIN H. DEWEY,
MERTON E. LEWIS,
JOHN F. FOX,
WILLIAM WARD,

City Property Committee.

ROCHESTER, N. Y., May 12, 1893.

James Johnston, Esq., Chairman City Property Committee, Common Council:

Dear Sir:—I herewith present my estimate for the alterations of the city hall building. The extent and character of which are as follows:

To put in two first-class hydraulic elevators extending from basement to top floor; to divide the present city hall into two stories, by constructing one new fire-proof floor, supported on iron columns; to continue the present main stair-case to new upper stories and abandon the present stair-case to hall in fourth story, thus making two additional stories, 13'-6" and 13'-0" high, respectively. The alterations made on the present floors and the arrangements of rooms on the new upper floors are all represented on the accompanying plans. This estimate also contemplates the reconstructing of present plumbing and adding such new furniture as is indicated on the plans. It also provides for heating by steam, the two upper stories.

The proposed alterations are estimated as follows:

Two hydraulic elevators.....	\$12,000 00
Plumbing and heating.....	5,700 00
Iron work.....	7,500 00
Carpenter work and painting.....	8,200 00
Mason work.....	10,200 00
Marble work.....	3,472 00

Total\$47,072 00

In conclusion let me add, that while these figures are full and liberal, that in all repair work contingencies often arise which increase the estimated cost, and I would advise an appropriation of at least \$50,000 to do this work.

All of which is respectfully submitted.

(Signed.) CHAS. F. CRANDALL,
Architect.

Ordered received, filed and published.

By Ald. Johnston—Resolved, That this Common Council approve of the remodeling of the City Hall Building in the following manner:

By abandoning the City Hall and dividing it into two stories. By constructing a new fire-proof floor, supported by iron columns making the building five stories in height instead of four. By extending the main stairway to the top story, by furnishing first-class hydraulic elevator service. By reconstructing the plumbing and heating and new rooms with steam, all according to the statement and plans furnished by Charles F. Crandall, architect, and presented to the Common Council by the City Property Committee.

Upon motion of Ald. McMillan, the matter was laid on the table until the next regular meeting.

By Ald. Johnston—Resolved, That the Chairman of the Finance Committee present to this Common Council such resolutions as may be necessary to provide for the issuing of the bonds of the City of Rochester for \$50,000 payable in ten years, to be known as the City Hall Improvement bonds. Five thousand dollars worth of which shall be redeemed each year.

Upon motion of Ald. McMillan the matter was laid on the table until the next regular meeting.

By Ald. Aikenhead—Resolved, That the salaries mentioned in the foregoing report be paid the several persons therein named, and that said report be and the same is hereby, in all respects approved and adopted.

Adopted.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Finance Committee, in submitting the annual tax levy for the year 1893 and 1894, begs leave to call the attention of the Council to the various items therein included.

The interest account for the year amounts to \$385,206.66, being \$28,666.66 greater than last year. This increase is caused by the sale of the water bonds to the amount of \$500,000, and sewer bonds for the East Side sewer to the same amount, and also by the sale of \$100,000 worth of Rochester bridge bonds. The interest item would have been very much larger but for the refunding of the bonds of

the city issued in aid of the construction of the Rochester and State Line railroad and the Rochester, Nunda and Pennsylvania railroad. The refunding of those bonds produced a saving to the city of about \$26,000. It will thus be seen, that though the bonded indebtedness of the city has been increased to the amount of \$1,100,000 within the past year, that the interest account has been increased but very slightly in proportion.

The park maintenance fund has been fixed at the sum of \$20,000 as usual. Your committee believes that this amount is absolutely required for the decent care and support of the parks already in existence. The item of \$2,457.31 for erroneous assessments is a material reduction over last year's appropriation for that purpose. Considerable credit is due the Assessment Committee of the last Board for the satisfactory condition of this fund. The item of \$1,374.98 for local assessments on city property is also a substantial reduction over last year's appropriation.

Your Committee, in considering the needs of the Police Department for the ensuing year has taken cognizance of the universal sentiment that the Police Department should be increased by the addition of new men. The amount needed for the maintenance of the Police Department, as now existing, was certified to your Committee as being the sum of \$145,000. An item of \$2,500 has been granted in addition to that, for the purpose of enabling the Department to place its patrol wires in the conduits heretofore constructed for that purpose, and the sum of \$5,000 has been added for the purpose of enabling the Department to increase the force. This amount, it is believed, will enable the police commissioners to add at least ten men to the patrol force of the city, and in that way to very much better provide for the police protection of the outside districts. In the judgment of your Committee, it is advisable that this additional appropriation be used for the purpose of increasing the number of night policemen, as the numerous complaints of lack of police protection have reference to the portion of the city in which no day force is maintained. It is to be hoped that the police commissioners will take this view of the situation and provide more night men for the force.

For the support of the Poor Department the appropriation has been reduced from \$17,000 to \$15,000 for this year. This amount, together with the receipts of the city from licenses, will undoubtedly be sufficient for that purpose for the ensuing year.

It will be noticed that the amount appropriated for the Contingent Fund deficiency is but \$55,000, as against \$75,000 appropriated last year for that purpose, and \$92,000 two years ago. This reduction indicates the care that has been exercised over the Contingent Fund, and speaks well for the vigilance of last year's committees.

Owing to the material reduction in the price of electric lights, secured by the lamp committee of last year, your committee has succeeded in reducing the appropriation from \$165,000 to \$160,000. This reduction is made, notwithstanding the substantial increase in the number of lights already made and contemplated for this year, together with the abolition of the incandescent lighting of the streets, and the substitution therefor of the arc system.

For the Board of Health your committee has decided to include an item of \$50,000. This increase is made necessary for the extension of the garbage collection districts, and the consequent increasing of the collecting force. The general public is unanimous in the desire to have the garbage promptly and thoroughly collected from all districts, and the Board of Health has recognized that sentiment, and has already employed a sufficient number of col-

lectors to properly do the work. It is believed that this amount will be ample for the year for that purpose, and that no deficiency notes will be required.

The increase in the City Property Fund from \$7,500 to \$11,000 this year, was made necessary by the fact that insurance policies on the various public school buildings of the city will expire on July 1st, and will have to be renewed. The premium on those policies amount to the difference between last year's appropriation and the appropriation allowed this year.

A substantial increase was made in the appropriation for the support of the Fire Department for the ensuing year. The amount appropriated last year was \$200,000. This year it is believed that \$232,500 will be necessary to maintain that department, and provide for the additional apparatus and engine houses that seem to be required. The erection of two new engine houses, as provided for in last year's tax levy, required the purchase of two new engines at a cost of \$8,000. In addition to that, the Executive Board has deemed it necessary to provide for the expense of two new trucks; one similar to the large Hayes truck, to be located on the east side of the river in a house to be erected, to take the place of the truck now on Belmont park, which has become inadequate for the uses for which it is required, on account of the widening of that street and the cutting off of several feet of the front of the building. The widening of that street, and the consequent destruction of the truck house thereon, necessitated an appropriation of \$20,000 for the purchase of a site and the erection of a suitable building to take its place.

It has also been deemed advisable to purchase sites for engine houses to be erected hereafter in the twelfth and sixteenth wards, localities which are not now sufficiently protected from fire.

An item of \$2,500 is also included for placing of the fire alarm wires in conduits already prepared for their reception. It is believed that these appropriations are justified by the growth of the city, and the tendency on the part of insurance companies to increase the rate of insurance, unless better fire protection is afforded. And it is with this fact in view that this increase in the appropriation is made. These items have been recommended very strenuously by the board of underwriters and the business men of the city.

The item of \$200,000 for Highway Fund it is believed will be sufficient for the year, and will enable the Executive Board to make the needed repairs upon the various streets, and also to properly clean the streets, and collect the ashes from the entire city. Heretofore the ashes have not been collected from the outlying districts, and many complaints have been caused on that account. Last year on account of the unusually heavy fall of snow and the dangerous condition of the streets it was necessary to make deficiency notes to the amount of \$50,000, to enable the department to promptly remove the snow and accumulations of ice. Unless some unforeseen circumstances should arise, and unless there should be another severe winter, your committee is of the opinion that the amount allowed in this year's tax levy will be ample for the purpose for which it is intended. It will be noticed that no item is inserted in the tax levy for the extension of water mains. The charter provides that surplus receipts from the Water Department, over and above the expenditures of that department should be used only for paying interest on the water debt, the extension of water mains and to provide a sinking fund for the redemption of the water bonds at maturity. The amount as estimated from this source by the Executive Board will be \$325,000. \$251,440 of this sum, as above stated,

has been applied upon the payment of the interest of the water debt. The balance, \$74,560, will be available for water extensions, and also if necessary, for the payment of the expense of procuring a temporary additional supply of water from the Brighton wells. An item of \$5,000 is also included in the tax levy to enable the Park Commissioners to begin the construction, at an early day, of a park boulevard, extending from Highland Park entirely around the east and north sides of the city to Seneca Park.

Various large property owners outside of the city, in the towns of Brighton and Irondequoit, expressed a willingness to donate sufficient land for the construction of a boulevard, 200 feet in width, just across the city line on the east, and the amount of \$5,000 is deemed sufficient, together with the moneys already in the fund heretofore appropriated, to do the work necessary within the city limits, to make the connection from Highland Park to the boulevard soon to be laid out by private parties. The advantages of such a boulevard will be apparent to every one, and the terms upon which the city is able to secure it are believed to be extremely advantageous.

Your committee has given very careful attention to the requisition furnished by the Board of Education for the support of the common schools of the city for the ensuing year. Public sentiment has seemed to indicate that the salaries paid to the teachers of the city are insufficient, and that an increase in those salaries is desirable. From the investigation which your committee has made, it appears that upon the last pay-roll of the Board of Education are the names of six hundred and nine teachers, including principals, Free Academy teachers, and teachers in the kindergartens. The Board of Education admits that there are five hundred and eighty-nine teachers upon the pay-roll. The average number of pupils enrolled is 18,258. It will thus appear that the average number of pupils to each teacher employed is very low, and while the salaries paid to teachers are also low, it is believed by your committee that the insufficiency of the salaries is caused to a very large extent by the employment of so many teachers. It is admitted by some of the commissioners in private conversation that there are about fifty to seventy-five more teachers on the pay-roll than are necessary, and if the number should be reduced by striking from the list all teachers not absolutely needed, your committee is confident that the saving thus caused would be sufficient to warrant a sufficient increase in salaries to the teachers. Notwithstanding this fact, and notwithstanding the fact that there may be a difference of opinion upon this subject, your committee has felt that it was bound to appropriate for the support of the teachers and the contingent expenses of the Board of Education only so much money as the charter itself permits. The maximum appropriation for those purposes is \$14 per capita, based upon the average number of pupils, and that amount is \$225,612. Your committee has allowed for those purposes the sum of \$255,612, and has divided that sum so that the amount available for teachers' wages for the ensuing year will be the same as was granted for that purpose last year, \$182,500. This leaves but \$73,112 available for the contingent expenses for the Board of Education for the ensuing year, and out of this money must be paid the expenditures for coal and other fuel, repairs to furnaces and stoves and salaries of officers and janitors, text books, supplies and printing; also expenses of the Free Academy. The claim is made by the committees of the Board of Education that this amount will be insufficient for their needs, and as an argument in support of that claim, they refer to the fact that there are large

numbers of unpaid bills left over by the Fuel and Fire Fixture Committee of last year. Your Finance Committee has been able to discover no good reason why the Board of Education should assume the expenditures of last year's Fuel and Fire Fixture Committee. The charter expressly provides that no committee shall under any circumstances contract a debt in excess of the amount of money at its disposal, and any bills contracted in excess thereof cannot be a valid claim against the Board of Education of this year. The charter also provides that the Board of Education shall at all times have in mind in its expenditures the amount of money available for the then current year. It seems to your Finance Committee that the Board of Education should pay heed to this provision of the charter, and should constantly have in mind the amount of money available for the expenditures of its various committees. If such attention were given, other boards would not have the disagreeable task of dealing with funds mortgaged by their predecessors. Various processes have been suggested, in the newspapers and otherwise, by which the provisions of the charter, relating to the maximum amount to be appropriated for teachers and contingent expenses, could be evaded. Your committee has seen no good reason why it should attempt to evade the law. The Council is not responsible for the provisions of law now existing, and your committee has not cared to put it into a position where it could be successfully assailed in the courts. At the same time, your committee has felt that the subject is of sufficient importance to warrant a careful investigation of the provisions of the charter upon the subject, and has called upon the City Attorney for his opinion thereon. The City Attorney has rendered such an opinion in writing, which is annexed and made a part of this report, and is it upon this opinion that the action of your Finance Committee is based.

There has seemed to be considerable difference of opinion in the Board of Education as to the necessities of the Building Committee for the fiscal year, and your committee has believed it necessary to carefully investigate for itself. It seems to be admitted very generally that a new building should be erected, or that substantial alterations and improvements should be made on the present site of No. 3 school. A special act of the legislature authorizes the Council to appropriate \$30,000 for the purpose of erecting such a building as may be needed at that location, and that amount has been included in the tax levy. In addition to that sum, your committee has allowed the sum of \$35,000 for additions to various schools, and for the purchase of sites. Your committee was impressed on its recent visit to No. 22 school with the necessity for a substantial addition to that building. An annex is now maintained, with an attendance of nearly two hundred pupils, and the expense for that purpose, for rent, and a separate janitor, amounts to about \$700 per year, which amount can be saved and the efficiency of the school can be promoted by the erection of the addition proposed. \$16,000 is the estimate for that addition, and should be expended for that purpose. The item of \$3,000 is allowed for the completion of the unfinished rooms of No. 10 school, and an addition of four rooms to No. 4 school, an expense of \$4,500, is believed to be advisable. An addition should also be erected at No. 21 school, the estimated cost of which is \$8,000. Some slight improvements are also required at some of the other schools, and a sufficient sum is included to cover the expense of making them.

In conclusion, your committee desires to express the conviction that the amounts al-

lowed for the various departments of the city government and committees of the Council will be ample, provided proper care is exercised over the expenditures. The practice of exhausting funds before the expiration of the fiscal year and coming to the Common Council for a deficiency appropriation, is a vicious one, and should not be encouraged. Expenditures will sometimes arise where these deficiency appropriations are absolutely necessary, but these expenditures should be of a rare occurrence.

Your committee desires to congratulate the citizens of Rochester upon the fact that although many substantial improvements have been made, and are now under way, the benefits of which the city has already begun to receive, and will undoubtedly experience to a very much greater extent in the near future, the tax levy is increased in gross by but \$58,000, and the tax rate, on account of the increase in the assessed valuation of the city will not be materially greater than last year. Of this increase, \$28,000 is in the nature of a loan to the east side of the river, in payments of interest on the East Side sewer bonds, which amount will be refunded to the city out of the first moneys collected from the territory benefited by the construction of the East Side sewer.

It will also be observed that the increase in the expenditures is in no way chargeable to the Common Council or its committees, a substantial decrease appearing in all of the funds of which the Council or its committees has control. With the refunding of the city's debt, which is now under way, and will progress from time to time as bonds mature, the interest account will begin to decrease very materially in the near future. When that refunding shall have been accomplished with the necessary increase in assessed valuation caused by the great improvements, which will at that time have been completed, your committee believes that the tax rate of the city will be very materially reduced from the present figures.

All of which is respectfully submitted,

Finance Committee.

Ordered received, filed and published.

To the Finance Committee of the Common Council.

Gentlemen:—The questions submitted to me by your chairman are, as I understand them;

First, Whether the Common Council can certify to the Board of Education an appropriation for teachers' wages and contingent expenses in excess of the limitation, provided for by subdivision 6, section 129, of the city charter.

Second, Whether the Common Council is authorized by the charter to raise by loan during the current year an amount over and above such appropriation.

My answer to both questions must be in the negative. Sub. 6 of section 129, provides, that "the amount to be raised for teachers' wages and contingent expenses in any one year shall not be less than \$6, nor more than \$14, per capita, based on the average number of resident pupils enrolled in the several public schools of the city for the school year ending on the first day of May next preceding the levying of the general city taxes in each year." The superintendent of schools must furnish a sworn statement of such number of pupils, upon which your appropriation must be based. In your appropriation for repairing, building or enlarging the school houses, you are also limited to a fixed sum by the same subdivis-

ion. There is no ambiguity in the language fixing the limit of these appropriations. Section 133, of the charter, prohibits the Board of Education from expending or contracting for any amount beyond the above limited appropriation in the following language: "It shall be the duty of said board in all their expenditures and contracts to have reference to the amount of moneys which shall be subject to their order during the then current year for the particular expenditure in question and not to exceed that amount." I am therefore clearly of the opinion that it was the intention of the legislature to limit the appropriations for the Board of Education, and that no money shall be expended by the Board of Education beyond such limit.

The reason for my answer to the second question is that the charter gives the Common Council the power to raise money by loan in anticipation of the tax to be raised, collected and levied for the above limited appropriation. The language of the charter upon this point is that "the Common Council of said city is authorized and directed when necessary, to raise by loan, in anticipation of the taxes, the amount to be raised, collected and levied as aforesaid." This is added to the above subdivision. It does not give the Common Council authority to borrow money for an amount in excess of the amounts provided for in the same subdivision. It simply gives the Council power to borrow money, in the event that the taxes be raised, collected or levied for such appropriation have not yet come into the hands of the City Treasurer. The provision in section 81 of the charter does not give the Common Council authority to exceed the limit of the appropriation in subdivision 6 of section 129. Section 81 provides that "the Common Council has power to borrow money in the event that the amounts certified to by the Finance Committee to the Common Council shall prove insufficient to pay the expenditures of the several funds of the Common Council. The charter does not limit the amounts to be so certified and placed in the tax levy, but in the case of the appropriations of the Board of Education the charter expressly limits the amount and prohibits the Board of Education from making expenditures beyond the same.

I remain,

Yours respectfully,

C. D. KIEHEL, City Attorney.

Ordered received, filed and published.

 CITY OF ROCHESTER. }

I, B. Frank Enos, Police Clerk of said city being duly sworn, doth depose and say that the foregoing report contains a true and correct statement of all the moneys received by me as such clerk during the month of April, 1893, for fines, penalties and costs imposed by the Police Justice of said city. Also for moneys received for the Police Pension Fund, and for services rendered the county of Monroe, etc.

B. FRANK ENOS, Clerk.

Sworn to before me this 8th day o May, 1893.

E. D. SMITH,
 Commissioner of Deeds.

Ordered, received, filed and published.
 ROCHESTER, N. Y., May 15, 1893.

By the Clerk—

To the Honorable the Common Council of the City of Rochester:

Gentlemen: In compliance with your resolution of April 23th I have prepared and submit herewith an ordinance for the payment of the balance due on Platt street bridge and its approaches. The amount as found by your Law Committee is \$37,865.52 and, in the absence of more definite instructions I have made the accessible area all of the territory within the limits of the city excepting the lots and parcels of land lying south of Elmwood avenue, because I believe that to be the only just and equitable plan. When the original ordinance was under consideration the city undertook to determine what the cost of the improvement should be and upon that basis it was decided that the territory which was considered to be peculiarly benefited should pay a local assessment not exceeding \$10,284. Now the cost has been largely exceeded not because of building a better bridge, but as stated by your engineer, Mr. Buck in his letter published on page 328 of your Proceedings for 1892-93, because your agents designed and partly completed the bridge before doing what was their first duty to do, that is find out where the foundations could be placed. This could have been done most easily, and if it had been so done, it is not probable that the cost would have exceeded the estimate. Under the circumstances it seems obvious that the original ordinances should be looked upon as guaranteeing the local territory from any larger assessment than the amount named, and when one tries to fix the limits of a larger territory for a local assessment he is driven to the conclusion that the city limits form the proper limits.

To meet the suggestion that this amount might be paid from the fund created by the sale of bonds, it may be said that the following seems to be the condition of that fund.
 Total amount of bonds authorized..... \$450,000 00
 Amount paid for Clarissa street bridge..... \$ 46,587 68
 Amount authorized for Driving Park ave... 110,000 00

Amount authorized for Platt street	\$110,000 00	266,587 88
Leaving balance in fund		\$183,412 32
Appropriated for Court street bridge	90,000 00	
Appropriated for Andrew street bridge	40,000 00	
Appropriated for Alexander street bridge...	49,524 00	179,524 00
Balance		\$ 3,888 32

Very respectfully yours,

J. Y. McCLINTOCK,
City Surveyor.

OFFICE OF THE BOARD OF HEALTH, }
ROCHESTER, N. Y., May 16, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen—At a meeting of the Board of Health of the City of Rochester, held May 10th, 1893, the following action was taken, and resolution adopted.

Medical Inspector Ward reported that he had made an inspection of the cellars on LaMont park, and found all of them damp, and several containing water, caused by insufficient sewage on said street. Commissioner Biegler moved that the matter be referred to the Common Council requesting them to have an ordinance prepared for the construction of a proper sewer on LaMont park.

A true copy from the minutes.

GEORGE BELKNAP,
Clerk Board of Health.

Upon motion of Ald. Lewis, ordered received, filed and published.

By the Clerk--

To the Honorable, the Common Council of the City of Rochester:

Gentlemen—The Genesee Valley Forestry Association urge your Honorable Body to place the care and control of our small city parks with the Park Commissioners.

We believe the city can be greatly improved and beautified by such a change of management, which has been made with success in other cities.

Respectfully,

THE GENESSEE FORESTRY ASSOCIATION,
ARTHUR S. HAMILTON, President.

Ordered received, filed and published and upon motion of Ald. McMillan, referred to Law Committee to report at the next regular meeting.

By the Clerk:—

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., May 3, 1893,
To the Honorable, the Common Council of the City
of Rochester:

Gentlemen:—I am notified by County Treasurer McVean, that the Superintendent of Public Instruction at Albany, requests him to withhold from the city the sum of \$667.09, this being the amount apportioned to the Board of Education, for library purposes, from the State Funds.

The reasons for such notice is, that the rules governing the new library act have not been complied with.

As the money had already been paid by Treasurer McVean, and credited to the library fund, I respectfully declined to return the same, without an order from your Honorable Body. I have notified Superintendent Noyes in regard to the matter, and instructed him to make no order on the above amount, until the matter was adjusted.

Respectfully,

S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published and upon motion of Aid. Lewis, referred to Finance Committee.

ROCHESTER, N. Y., May 2, 1893.

**ACTION ON ORDINANCES.
 FIRST ORDINANCES.**

ASPHALT PAVEMENT ON WILDER STREET.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Wilder street.

Adopted.
 The Surveyor submitted as such estimate, \$24,000.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The improvement of Wilder street, from Colvin street to Saxton street, by the construction of an asphalt pavement therein with a line of medina stone curb on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of main roadway between curbs to be 28 feet. Also the construction of the necessary crosswalks, manholes, surface sewers, lot laterals, water and gas services, the extension westerly of the present main sewer and cleaning of the same.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$24,000, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Wilder street, from Colvin street to Saxton street, in proportion to the benefit which each will derive therefrom.

Ald. Bierbrauer moved to amend the ordinance by inserting the words Sicily Rock before the word asphalt. Carried.

PLATT STREET BRIDGE.

Excess of actual cost above estimate in Final Ordinance No. 3,574

Whereas, this Council did by Final Ordinance No. 3,574, passed January 8, 1889, determine and ordain that a bridge should be constructed across the Genesee river, connecting the top of the east high bank of said river near Cataract street, with the top of the west high bank thereof opposite Platt street, and did approve the estimate made by the City Surveyor, of the cost at \$120,284, and did provide that of such estimated cost \$110,000 should be paid from the proceeds of bonds to be issued under and by the provision of Chapter 363, of the Laws of 1888, and \$10,284, or as much as might be necessary, should be paid by a local assessment upon a described territory of limited extent; and

Whereas, Said bridge has been completed, and the Law Committee of this Council did report on April 28, 1893, that after careful investigation they had learned that the actual expense of the bridge and its approaches over the estimate in the ordinance amounts to thirty-seven thousand eight hundred and sixty-five dollars and fifty-two cents (\$37,865.52) which said amount of excess above estimate is

hereby approved and is hereby directed to be assessed upon the following portion and part of the city, which this Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such bridge, to wit:

The entire area within the limits of the city as now existing, excepting the lots and parcels of land lying south of Ellwood avenue. On which above described lots and parcels of land the whole expense of said improvement above the estimate is hereby ordered assessed, the assessment upon each lot or parcel of land to be in proportion to the benefit which each derives therefrom.

And the Clerk is hereby directed to publish notice in pursuance to Title VII, Section 172, of the revised charter of the city of Rochester. Adopted.

FINAL ORDINANCE, NO. 5,156.

PORTLAND CEMENT WALK ON GORHAM STREET

On motion of Ald. Zimmer, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct cement walks on Gorham street, from North St. Paul street to North Clinton street.

And after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a Portland cement walk 5 feet wide on each side of Gorham street, from North St. Paul street, to North Clinton street, except where good flag or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$300, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

By Ald. McMillan:

ROCHESTER, N. Y., May 16, 1893.

H. W. Gregg, City Clerk:

At a regular meeting of the Board of Education of this city, held on the 15th day of May instant the following report, estimate and certificate were adopted.

Respectfully,

MILTON NOYES, Clerk.

To the Board of Education:

Gentlemen: Your Finance Committee in connection with the several members of the Apportionment Committee, has made the necessary estimate of money to be raised by the Common Council for the support of the public schools for the current fiscal year ending March 31, 1894, and we hereby submit the same for your action.

The committees having in charge expenditures payable from the Contingent Fund have submitted in detail the items comprising that account. The estimates in all funds are based upon a careful calculation of the necessities of the schools for the year.

The extended and continuing growth of our city naturally involves increased school expenses. In making the following estimate we have taken into consideration the balances now on hand, and the amounts which will probably be received from the state and all other sources.

We ask only for the payment of the expenses incurred between April 1, 1893 and March 31, 1894. We do not include the payment of obligations incurred by former boards or committees or members of former boards.

There is included in the estimate for Teachers' Fund the sum of \$19,300 for the purpose of increasing the rate of wages \$100 per year to those who have taught more than ten years in our public schools, and \$50 per year to those who have so taught more than five and less than ten years.

Your committee takes this occasion to say we believe every member of this board is in favor of increasing the compensation paid our instructors, but before this can be done to any large extent an amendment to the provisions of the city charter will be necessary.

Of the sum \$223,627, the Council has already anticipated and passed to our credit \$78,000. In case we cannot meet the total increase of wages above mentioned it is to be hoped that the Council may grant sufficient to increase the 275 teachers who have taught or will have taught within the year five or more years at least \$5 per month.

In regard to the amount asked for in the Library and Repair Funds, but little need be said. These necessities are self-evident.

As to the Building Fund we beg to remind you that we are now renting 15 annexes to accommodate pupils in over-crowded districts, paying about \$3,700 for the same. Every consideration requires a different policy. We have therefore concluded to ask for an appropriation of \$74,000 for building purposes to be expended as follows:

Rebuilding No. 3 school, special act.	\$30,000 00
Addition of 8 rooms, No. 22 school.	16,000 00
No. 25 school cement cellar.	200 00
No. 20 district, purchase lot.	7,000 00
No. 10 school, finishing four rooms.	3,000 00
No. 4 school, addition.	4,500 00
No. 21 school, addition and heating.	8,000 00
No. 14 district, purchase of lot.	3,000 00
New school, purchase of 3 lots on Field street.	1,800 00
No. 20 district, stone wall on front of lot.	500 00
	\$74,000 00

More money could be expended judiciously particularly in No. 29 school, overcrowded and no sewerage; No. 30 overcrowded; No. 17, overcrowded and in Nos. 27 and 31 districts, where the buildings are both overcrowded.

Annexed hereto is the certificate of enrolled pupils:

The following amounts are required from the city:

Building Fund.	\$ 44,000 00
Building Fund, No. 3 school act.	30,000 00
Repair Fund.	15,000 00
Library Fund.	3,000 00
Teachers' Fund.	223,627 00
Contingent Fund, viz:	
Printing Committee.	\$ 2,544 00
Fuel and Fire Fixtures Committee.	34,418 00
Supplies.	25,064 00
Miscellaneous Fund.	5,707 00
Text books.	2,000 00
Salaries.	32,500 00
Free Academy.	1,200 00
	\$103,431 00

Total\$419,058 00

We therefore recommend the adoption of the following Resolved, That this Board does hereby pursuant to the provisions of the City Charter determine and certify that the foregoing amounts in said several funds aggregating \$419,905 are necessary and proper to

be raised by the Common Council in support of the public schools of said city for the fiscal year ending March 31, 1894.

H. G. OTIS,
J. M. BROWN,
W. A. KILLIP,
Finance Committee.

Adopted.

The following is the sworn statement of the number of enrolled pupils referred to in the foregoing estimate and required by sub-division 6 of section 129 of the City Charter as amended by chapter 190 of the laws of 1892.

STATE OF NEW YORK, }
COUNTY OF MONROE, } SS.
CITY OF ROCHESTER. }

MILTON NOYES being duly sworn says that he is the Superintendent of the public schools of the City of Rochester. That the average number of resident pupils enrolled in the several public schools of said city but once during the school year ending May 5, 1893, according to the verified monthly reports of the Principals of said schools is eighteen thousand two hundred and fifty eight (18,258).

MILTON NOYES.

Subscribed and sworn to before me this 10th day of May A. D. 1893.

Commissioner of Deeds.

Ordered received, filed and published.

By Aid. McMillan:

OFFICE OF EXECUTIVE BOARD, }
ROCHESTER, May 16, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: The following action was taken by the Executive Board at a regular meeting held May 15, 1893.

By Mr. Aldridge, Whereas, A cash guaranty in the sum of Five and fifteen-one hundredths dollars, was given the City of Rochester by J. B. Brewer, contractor, for the maintenance of Troup street flag walk for a period of one year from the date of its completion, and

Whereas, That the time of such guaranty expired Nov. 30, 1892, and the flag walk is certified to this board, to be in good order, therefore,

Resolved, That the Clerk of this Board request the Common Council to authorize the Treasurer of the City of Rochester to pay to J. B. Brewer, contractor, for the Troup street flag walk ordinance No. 4,556, the sum of \$5.15, being the amount retained by the City of Rochester as security given by said Brewer for the repair and maintenance of said improvement for one year.

Adopted.

Pursuant to the terms of the above resolution, it is requested that you authorize the City Treasurer to refund to J. B. Brewer the amount of money deposited as guaranty for the Troup street flag walk.

Yours respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Aid. McMillan—Resolved, That the City Treasurer be, and he hereby is directed to pay to J. B. Brewer, contractor, for Troup street flag walk, ordinance No. 4,556, the sum of Five 15-100 dollars, being the amount retained by the City of Rochester as security given by said J. B. Brewer for the repair and maintenance of said flag walk for one year, said period having expired on Nov. 30, 1892, and the Executive Board having certified the same to be in good order.

Adopted by the following vote:

Ayes—Aids, McMillan, C. S. Cook, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer.—17.

By Ald. McMillan:

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., May 16, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: The work of tracing the present ownership of property sold for taxes and bid in by the city since 1850, which was undertaken in pursuance of instructions from the Finance Committee of your honorable body, is now completed. It is found that in many cases the parcels of land liable for the payment of these taxes have been sub-divided, and I am therefore unable to present a final report upon the work without the assistance of the City Assessors. I present herewith a list of delinquent assessments, each of which covers property now owned by two or more persons. If your honorable body will direct the City Assessors to make an equitable division of these assessments among the present owners and to furnish me a copy of the same, I will then be enabled to make a complete report upon the subject.

Respectfully submitted,

S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the report of the City Treasurer and accompanying list of delinquent taxes which require division be referred to the City Assessors, and that they be requested to certify to the Treasurer at their earliest convenience the proportionate amounts of such taxes to be borne by each one of the present owners of property liable for the payment of the same.

Adopted.

By Ald. McMillan:

ROCHESTER, March 2, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: The undersigned President of the Union Market Company of Rochester respectfully represents and states to your honorable body that the Market Company has secured about three acres of land on the northerly side of East Main street near North Union street for the purpose of opening and establishing thereon a public market for the use and accommodation of market gardeners, florists, fruit producers and farmers who have hitherto resorted and at present resort for the sale of their products to the streets of the city in the vicinity of East Main and North streets and East avenue. The recent action of the Common Council or of the city officials in excluding all market transactions from East avenue, and the fact that East Main street is soon to be torn up for the construction of the East Main street sewer and for the re-pavement of the street, so that while the improvements are being made it will be impossible for market transactions to be continued there, these and other circumstances combine to make an absolute necessity for a new market place where at least the early morning market business between the hundreds of gardeners and fruit producers and farmers and the like hundreds of grocers and other city dealers can be transacted; and the property owners in the locality is called, say that as soon as the street improvements mentioned above are completed they the property owners will be combined to prevent the return of the market wagons and market business to the streets in front of their properties. The Union Market Company is willing to take the financial risks of furnishing a new place for these transactions if the proper favor of the City Council and City Officials is extended to the company in the matter and the undersigned requests and petitions your honorable body to take such action in the matter as may be deemed advisable. The company will conform to all

reasonable regulations as to the proper conduct of the market which the Common Council may make and the undersigned respectfully suggests that your appointment of a committee to confer with the company will assure results that will be satisfactory to the Common Council, to the gardeners and farmers and to the citizens of Rochester.

CHAS. F. POND,

President Union Market Company.

Ordered received, filed and published and upon motion of Ald. McMillan referred to Committee on Police, Excise and Markets.

Ald. Aikenhead presented a remonstrance against the proposed market site and moved that it be referred to Committee on Police, Excise and Markets. Carried.

Ald. C. S. Cook—Resolved, That the Executive Board be instructed to negotiate for the purchase of the necessary lands to be taken for the widening of Mortimer street from near North St. Paul street to North Clinton street and report back to this Council with all convenient speed.

Adopted.

By Ald. Zimmer—Whereas, A part of the ground surrounding Public School No. 12 was taken by the City for extending Clinton park, and thus the children attending said school were deprived of the ground which was originally designed as their play-ground, and the street railway company has constructed tracks on Clinton park, so that the use of that street by the school children is dangerous; therefore,

Resolved, That the use of Wadsworth Square be extended to children under the age of fourteen years attending said school, as a playground.

Ald. Dewey moved that the matter be referred to Park Committee.

Lost by the following vote:

Ayes—Alds. McMillan, Johnston, Ward, Dewey, Simmelink, Lewis, Forsyth.—7.

Ayes—Alds. Callihan, Zimmer, Adams, Lempert, Fox, Ashton, H. G. Cook, Pauckner, Kelly, Aikenhead, Bierbrauer—11.

The motion was then adopted.

Ald. Adams presented a petition of the owners of more than one-half of the number of lineal feet from all the land on Portsmouth Terrace requesting this Common Council to levy a tax of 25 cents per lineal foot, upon all such lands, so on such Terrace, for the purpose of defraying the expenses of making the repairs and improvements of such Terrace, according to the provisions of chapter 410 of the laws of 1889, and assigning William N. Cogswell, Esq., of this city, to receive the amount of said tax, when collected, and thereupon moved the adoption of the following resolution:

By Ald. Adams—Resolved. That the city assessors be, and they hereby are, directed to assess, and that there be assessed and levied a tax of twenty-five cents per lineal foot front, upon all the land upon said Portsmouth Terrace, and that the same be inserted in the assessment rolls of such lands, for the general city tax for 1892-1893, and be apportioned equally upon all the lands, so on such Terrace, and that the City Treasurer be, and he hereby is, directed to pay the sums, thus assessed, when collected by him, to said William N. Cogswell Esq., of Rochester, N. Y., he being the person designated to receive the same by such owners, and that the Clerk be, and he hereby is, directed to transmit to said Assessors and Treasurer a certified copy of this resolution.

Adopted by the following vote:

Ayes—Alds. McMillan, C. S. Cook, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer—17.

By Ald. Adams—Petition for a sewer in North Goodman street and University avenue. Referred to Surveyor to prepare an ordinance.

By Ald. Johnston:

Resolved, That this Common Council places itself on record as favoring a revision and increase of the salaries of the assistant public school teachers whenever the present charter limitations are removed; that instead of paying from \$25 to \$45 per month, we favor salaries ranging from \$350 to \$750 a year, provided the Board of Education will agree upon and recommend a plan satisfactory to this Council whereby the teachers' abilities, term of service, quality and quantity of service rendered and results produced, shall be recognized in the compensation proposed. Also that the charter amendment committee be authorized and instructed to confer with the Board of Education regarding the propositions and report their action and recommendation back to this Council.

Ald. McMillan moved that the motion be laid upon the table.

PRESENTATION OF PETITIONS, REMONSTRANCES, BILLS, ACCOUNTS, ETC., AND THEIR REFERENCE.

By Ald. McMillan—

ROCHESTER, N. Y., May 29, 1893.

Hon. Richard Curran, Mayor:

Dear Sir:—We, the undersigned members of the Civil Service Board of Examiners—Schedule B, Part 2nd—and the Secretary of said board, feel that the duties which devolve upon us are worthy of better compensation than we are at present receiving. Holding as we do from two to four examinations per year, and specials as ordered by your honor to meet given emergencies, which require a great amount of time and conscientious labor, and desiring to still further elevate the standard of municipal civil service which means an additional outlay of time and labor, we earnestly solicit your honor's support and approval of the following increase of salary: One hundred and twenty dollars for each member of the board, and one hundred dollars per year

for the secretary, making the salary of each commissioner \$500 per year instead of \$180 as at present, and the salary of the secretary \$500 per year instead of \$400 as at present.

We remain, sir, your obedient servants.

J. P. HENRY,

Chairman.

SAMUEL MOULTHROP,

Assistant.

RICHARD VAN VOORHIS,

Assistant.

CHARLES P. LEE, Secretary.

I approve of the above.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned, being the owners of the fee of the proposed street, known as Melrose street and hereinafter described, hereby offer to dedicate and do hereby dedicate said street to the city of Rochester, for a public street of said city.

The following is a careful and accurate description of said street, to wit: The same being sixty feet in width and extending from Genesee street to Wellington avenue, as shown upon a map of Dove's subdivision of part of lot 23, of the 4,000 Acre Tract, made by W. R. Storey, surveyor, and on file in liber of maps at page 32 in Monroe County Clerk's office, a copy of which map is also on file in the office of the City Assessors of the city of Rochester, N. Y.

And the undersigned do hereby certify that said Melrose street above described has been actually opened to and made convenient for public use and traffic, and that stone monuments have been duly set defining the angles of said street, all in accordance with the resolution of the Common Council regulating the same.

Wherefore, the undersigned ask that said proposed public street be accepted as such by the city of Rochester.

All of which is respectfully submitted this 20th day of May, 1893.

REPORTS OF STANDING COMMITTEES.

By Ald. H. G. Cook:

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Assessment Committee begs leave to submit the following report:

In the matter of the petition of John and Rosa Roach, praying for the correction of an

assessment for Clinton park widening against their property situated at 219 Meigs street on the ground that they have a frontage of 83 feet and are assessed for a frontage of 116 feet, we beg leave to say, that the frontage of their property appears to be but 107 1-2 feet instead of 116 and that they should be allowed a correction of \$2.30 on their assessment for said widening.

In the matter of the petition of Samuel Rusche praying for the cancellation of the city tax for 1892, upon lot 8, section 13, on the west side of First avenue on the ground that when he purchased the property he obtained a city tax search upon which said property appeared to be free of all claims for city taxes, we recommend that the petition be granted.

In the matter of the petition of James E. Wolcott praying for the cancellation of a personal tax against the estate of Anson F. Wolcott, who died April 6th, 1892, after due consideration of the matter, your committee is inclined to deny the petition.

In the matter of the petition of D. M. Anthony praying for the correction of the assessment on certain lots for Lyell avenue and Saxton street outlet sewer, we respectfully recommend that the petition be denied, after consultation with one of the special commissioners, who prepared the assessment and the City Assessors.

In the matter of the petition of C. W. Hartung, representing that he laid a stone walk in front of said walks, we recommend after an examination of the matter, that the petitioner be allowed a correction of \$17.88 on his assessment.

All of which is respectfully submitted.

HENRY G. COOK,
JOHN F. FOX,
T. McMILLAN
C. W. ZIMMER,

Assessment Committee.

Ordered received, filed and published.

By Ald. H. G. Cook—Resolved, That the City Treasurer be and he hereby is directed to allow a credit of \$2.30 on the assessment for Clinton Park widening against property of John and Rosa Roach, situated at No. 219 Meigs street and charge said sum to erroneous assessments.

Adopted.

By Ald. H. G. Cook—Resolved, That the City Clerk be and he hereby is directed to draw an order, payable from the Contingent Fund in favor of Samuel Rusche, for the sum of \$15.79, the amount of the tax paid by him on lot 8, section 13, west side of First avenue for the year 1892, and that the Treasurer charge said to erroneous assessments.

Adopted by the following vote:

Ayes—Ald. McMillan, C. S. Cook, Callihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, H. G. Cook, Kelly, Aikenhead, Lewis, Forsyth, Bierbrauer—15.

By Ald. H. G. Cook—Resolved That the petition of James E. Wolcott, with reference to personal taxes against the estate of Anson F. Wolcott, be and the same hereby is denied.

Adopted.

By Ald. H. G. Cook—Resolved, That the City Treasurer be and he hereby is directed to credit on the assessment against C. W. Hartung for grading and walk against lots 63 and 93, north side of Augusta street the sum of \$17.88, being the amount erroneously charged for plank walk, and that he charge said sum to erroneously assessments.

Adopted.

By Ald. Lewis—

To the Honorable the Common Council of the City of Rochester:

Gentlemen:—Your Law Committee begs leave to make the following report:

In the year 1892, the parties mentioned here-

in entered into contracts with the city of Rochester granting to said city the privilege of discharging sewage over their property, and under the terms of said contract there has become due and payable to said parties, upon the dates hereinafter set forth the amounts set opposite their names:

Ignatz Seltenmeyer, from Feb. 6, 1892, \$ 50 00
Henry C. Livingston, from April 18, 1892, 60 00
Lewis Herman, from April 22, 1892, ... 100 00
Anna M. Camp, from May 29, 1892, ... 60 00

We, therefore recommend that orders be drawn in favor of said parties, as above set forth.

In the matter of the balance due to L. L. Buck, C. E., the engineer for the construction and building of Platt street and Driving Park avenue bridges, referred to this committee, we find that there is due to said engineer, pursuant to contract, the sum of \$900, and we recommend that said balance of \$900 be paid.

Pursuant to the notice given to this Common Council at the last meeting, we recommend that the accompanying resolution be adopted, adding an investigating clerk to the force of the law department.

In the matter of the applications for appointment as Commissioners of Deeds, we recommend that the applications of the following named persons be granted: Isaac Adler, Robert Blair, Charles F. Cotehefer, Christopher Gaffin, Bernard O'Reilly, Jr., and James Plant.

Respectfully submitted,

MERTON E. LEWIS,
D. W. FORSYTH,
J. MILLER KELLY,
T. McMILLAN,
MARTIN J. CALIHAN,
Law Committee.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the Clerk be and he hereby is, directed to draw orders upon the City Treasurer, payable from the Contingent Fund, as follows:

One in favor of Ignatz Seltenmeyer, for fifty dollars.

One in favor of Henry C. Livingston, for sixty dollars.

One in favor of Lewis Herman, for one hundred dollars.

One in favor of Anna M. Camp, for sixty dollars.

Being for the right, privilege and easement to continue the discharge of any and all sewers in the city of Rochester into Thomas, Hobbie and Densmore creeks during the year, as set forth in the report of the Law Committee accompanying this resolution.

Adopted by the following vote:

Ayes—Ald. McMillan, C. S. Cook, Callihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, H. G. Cook, Kelly, Aikenhead, Lewis, Forsyth, Bierbrauer—15.

By Ald. Lewis—Resolved, That the Clerk be and he hereby is directed to draw an order upon the Treasurer, payable from the Contingent Fund, in favor of L. L. Buck, for the sum of nine hundred dollars, in full for his services for designing, superintending and construction of Platt street and Driving Park avenue bridges, and the Treasurer is hereby directed to pay said order, in accordance therewith.

Adopted by the following vote:

Ayes—Ald. McMillan, C. S. Cook, Callihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, H. G. Cook, Kelly, Aikenhead, Lewis, Forsyth, Bierbrauer—15.

By Ald. Lewis—Resolved, That the clerical force of the Law Department be, and the same hereby is, increased by adding thereto an investigating clerk to be appointed by the City Attorney.

Adopted.

By Ald. Calihan—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Railroad Committee would respectfully report as follows:

That in the opinion of your committee there are numerous grade crossings in existence within the city limits still in a dangerous condition.

That provisions should be made for the employment at every grade crossing of at least one flagman, both day and night, and also for the erection at once of suitable gates or bars at every grade crossing.

In the opinion of this committee these precautions are absolutely required.

Respectfully submitted,

MARTIN J. CALIHAN,
D. W. FORSYTH,
J. M. AIKENHEAD,
M. B. ADAMS,

Committee.

Ordered received filed and published.

By Ald. Calihan—Resolved, That each and every railroad entering the city be and it is hereby required to immediately erect suitable gates or bars at the several grade crossings not now protected, and to also employ at least one flagman at every grade crossing both day and night.

Adopted.

By Ald. Ashton—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Committee on Mount Hope and Public Parks respectfully report, that it has duly considered the resolution offered by Ald. Lewis, relative to the preparation of plans for the care of the several parks and squares within the city during the season of 1893, and the advertisement of proposals for doing the necessary work of said parks, and after due consideration it begs leave to say, that in the opinion of the committee it would not be advisable to let the care of the parks by contract in view of the appropriation made therefor and that the committee has decided to engage such assistants as may be necessary from time to time to properly care for the several parks and squares.

JOHN H. ASHTON,
HENRY G. COOK,
JAMES JOHNSTON,
C. W. ZIMMER,
WM. WARD,
MARTIN J. CALIHAN,

Committee on Mt. Hope and Parks.

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the resolution of this Common Council offered by Ald. Lewis, in relation to the care of public parks and squares, and published at page 53 of the current proceedings, be, and the same hereby is, reconsidered.

Adopted.

By Ald. Ashton—Resolved, That the resolution of this Common Council offered by Ald. Lewis, in relation to the care of public parks and squares, and published at page 53 of the current proceedings, be, and the same hereby is, indefinitely postponed.

Adopted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

MAYOR'S OFFICE,
 ROCHESTER, N. Y., May 27, 1893. }
 To the Honorable, the Common Council of the City of Rochester.

I hereby approve the foregoing proceedings of the Common Council except final ordinance No. 5,152, in reference to the widening of Mortimer street. It was represented to me and I presume also to the Council that all the residents and property owners on the street with one exception wanted this improvement. A strong remonstrance against this widening is in my hands. The signers represent more than two-thirds of the property to be assessed. Under the circumstances I feel it my duty to disapprove of this portion of the proceedings.

RICHARD CURRAN, Mayor.

Ordered received, filed and published.
 Ald. C. S. Cook moved that action upon the Mayor's veto be postponed until the next regular meeting. Carried.

By the Clerk—

CITY SURVEYOR'S OFFICE,
 ROCHESTER, N. Y., May 23, 1893. }
 To the Honorable the Common Council of the City of Rochester:

Gentlemen: In compliance with your resolution of May 2d, I beg leave to submit the following report upon the feasibility of constructing an outlet sewer through Vincent place, from North St. Paul street to the Genesee river, with a view to the relief of the North St. Paul street, Lowell street, and other sewers in that vicinity.

The present sewer in North St. Paul street, from Lowell street northerly to Scrantom street is a stone stone box sewer 2 feet wide by 3 feet high, with a fall of three inches per 100 feet, from Lowell street to the manhole, 34 feet south of the Rome, Watertown & Ogdensburg railroad. The capacity of this sewer when running full does not exceed 23 cubic feet per second.

When there is a heavy rainfall, the sewer is not large enough to carry the water without becoming surcharged, with the result that water backs up into the cellars of the Bausch & Lomb Optical Company, Brinkers block and some of the houses on Lowell street.

While this does not occur very often as yet, it will become more troublesome as the area drained by the sewer is to a greater extent covered with impervious roofs and pavements.

The following appears to be an absolute demonstration that the St. Paul street sewer should set the water back into neighboring cellars and that the trouble will be greater.

Mr. Knichling in his report on the East Side Trunk Sewer, gives the observed discharge from three districts, as follows:

North avenue district with an area of 129 acres gave a discharge of 71.26 cubic feet per second, which is equal to 0.55 cubic feet per second per acre, at this rate the area drained by the North St. Paul street sewer, which is about 87 acres south of the Rome, Watertown & Ogdensburg railroad, would discharge 48 cubic feet per second, which is more than double the capacity of the sewer.

The East Main street district with an area of 25 acres gave a flow of 0.84 cubic feet per second per acre, and at this rate the St. Paul street district would discharge 73 cubic feet per second, or more than three times the capacity of the sewer.

The Griffith district of 92 acres which is similar in character and extent to the St. Paul street district, discharged 27 cubic feet per second, and then the sewer became surcharged so that the additional amount which was considerable, could not be measured.

My conclusion is that the cheapest plan for improving the North St. Paul street sewer is to carry a storm overflow to the river through Vincent place, and that the cost would be about \$4,000.

It would be necessary to acquire an easement across the land of the Gas Company, from the east abutment of Vincent place bridge to the river, because the right of way which the city holds for the bridge is bounded by lines drawn by the north and south ends of the piers.

Very respectfully yours,

J. Y. McCLINTOCK,

City Surveyor.

Ordered received, filed and published.

By the Clerk—

ROCHESTER, N. Y., May 27, 1893.
 To the Honorable the Common Council of the City of Rochester.

Gentlemen:—We hereby extend an invitation to your honorable body, upon the closing of your Council meeting, May 29th, Monday evening, to visit in a body and inspect the workings of our new fire alarm system, now installed in the city of Rochester, at our rooms, No. 15 East Main street.

Yours respectfully,

THE STANDARD ELECTRIC SIGNAL CO.

CLINTON C. HICKS, Sec. and Treas.

Ordered received, filed and published, and upon motion of Ald. Johnston the invitation was accepted.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

PLYMOUTH PARK IMPROVEMENT.

By Aid. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Plymouth square or park.

Adopted.

The Surveyor submitted as such estimate, \$2,500.

By Aid. Zimmer—Resolved, That the following improvement is necessary, viz:

The improvement of Plymouth square or park including the portion of Plymouth avenue enclosed in said Plymouth square or park, in accordance with the plan prepared by Olmstead, Olmstead & Eliot, landscape architects. This improvement to consist of grading said square, seeding down the grass plots, removing existing flag stone walks, setting out shrubbery, furnishing seats and making Portland cement walks with dwarf curbs on each side thereof, substantially as shown on said plan.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$2,500, which estimate is hereby approved.

Resolved that the whole expense of such improvement is hereby directed to be paid from the public treasury of the city of Rochester by the City Treasurer upon orders to be drawn pursuant to the future direction of this Common Council.

Adopted.

ONTARIO STREET SPRINKLING.

By Aid. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling Ontario street.

Adopted.

The Surveyor submitted as such estimate, \$100.

By A. d. Zimmer—Resolved, That the following improvement is necessary, viz:

The sprinkling of Ontario street, from North street to Scio street, during the season of 1893.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$100, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Ontario street, from North street to Scio street, in proportion to the benefit and advantage which each will derive therefrom.

Adopted.

PLANK WALK ON RILEY PARK.

By A. d. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on Riley park.

Adopted.

The Surveyor submitted as such estimate, \$175.

By A. d. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a pine plank walk, 3 feet wide on each side of Riley park, from the west end thereof to Orchard street. Also the necessary sidewalk grading and crosswalk at Orchard street.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$175, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Riley park, from the west end thereof to Orchard street, in proportion to the benefit which each will derive therefrom.

Adopted.

CENTRAL PARK SEWER EXTENSION.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Central park.

Adopted.

The Surveyor submitted as such estimate, \$200.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, viz:

The extension of the present sewer on the north side of Central park, westerly, to a point 60 feet east of Alexander street. Said sewer to be of 12-inch vitrified pipe. Also the construction of the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$200, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on the north side of Central park, from Alexander street to the west end of the present sewer, in proportion to the benefit which each will derive therefrom.

Adopted.

PLANK WALK ON CLIFFORD AVENUE.

By A. d. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on Clifford avenue.

Adopted.

The Surveyor submitted as such estimate, \$135.

By A. d. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a pine plank walk, 4 feet wide, on the west side of Clifford avenue, from the north line of lot No. 31 to the south line of lot No. 17. Also the necessary sidewalk grading.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$135, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on the west side of Clifford avenue in front of which the proposed walk is to be constructed, in proportion to the benefit which each will derive therefrom.

Adopted.

WALK AND CURB ON GRANT PARK.

By A. d. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of setting curb and laying Portland cement walks on Grant park.

Adopted.

The Surveyor submitted as such estimate, \$1,550.

By A. d. Zimmer—Resolved, That the following improvement is necessary, viz:

The setting of a line of Medina stone curb on each side of Grant park, from Martin street to Almira street. Also the grading of the roadway, and the construction of a Portland cement walk 4 feet wide on each side of the street between the limits mentioned, except where good flagstone or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the necessary surface sewers.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,550, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Grant park, from Martin street to Almira street, in proportion to the benefit which each will derive therefrom.

Adopted.

ASPHALT PAVEMENT ON CLARK STREET.

By A. d. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Clark street.

Adopted.

The Surveyor submitted as such estimate, \$5,400.

By A. d. Zimmer—Resolved, That the following improvement is necessary, viz:

The improvement of Clark street, from Brown street to Grape street, by the construction of a Sicilian rock asphalt pavement therein with a line of Medina stone curb on each side thereof properly connected with all lateral streets, alleys, and driveways. Width of roadway between curbs to be 28 feet. Also the construction of the necessary crosswalks, lot laterals, man holes, surface sewers, water and gas services, and the cleaning of the main sewer if found to be necessary.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$5,400, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly

ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Clark street, from Brown street to Grape street, in proportion to the benefit which each will derive therefrom.

Adopted.

WALK ON SANFORD STREET.

By A'd. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a walk on Sanford street.

Adopted.

The Surveyor submitted as such estimate, \$325.

By A'd. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a Portland cement walk 4 1-2 feet wide on the north side of Sanford street, from Mt. Hope avenue to Poplar street, except where good flagstone or cement walks now exist. Also the necessary sidewalk grading.

UNFINISHED BUSINESS

Action upon the ordering of an assessment for the opening of a street from State street to Sophia street came up.

Ald. Lewis presented the following:
By Ald. Lewis—Whereas, The Common Council upon the 22nd day of March, 1881, did duly enact an ordinance for the opening of a street from State street to Sophia street in said city, and,

Whereas, The amount of the damages for the taking of the lands and premises necessary for said street has been ascertained to be the sum of \$145,656.13, and the sum of \$1,415 has been received for material sold and credited to the fund for the opening of said street, leaving the amount necessary to be assessed for the same, the sum of \$144,241.13, and

Whereas, The portion of said city which said Common Council deemed would be benefited, and should be assessed for said improvement, is described as follows:

Namely, The entire first ward; also all that portion of the second ward bounded on the east by the Genesee river, on the west by Sophia street, lying south of the south line of Centre street, and,

Whereas, The said Common Council did on the 23d day of January, 1883, duly assess said last mentioned amount upon the lots and parcels of land within the territory above described, and did designate John Lutes, E. J. Gallentine and E. L. Pottle special assessors to make an assessment upon the lots and par-

cells of land as required, and in the manner required by the charter of the city of Rochester, and,

Whereas, The said special assessors duly filed the assessment roll for said improvement, and after hearing of the allegations and proofs of all persons complaining of said assessment who appeared, the said assessment roll was by said Common Council duly confirmed, and,

Whereas, By a judgment of the supreme court, affirmed by the court of appeals, in an action in which Frank W. Elwood was plaintiff and the city of Rochester and Ambrose C. McGachlin, as treasurer of said city, were defendants, said assessment imposed as aforesaid was vacated and set aside and the same declared illegal and void for want of jurisdiction in making the assessment, and,

Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with said improvement, including the interest on said assessment to the date of this re-assessment, and any and all interest that the city has paid, or has or shall become liable to pay on account of any or all orders, notes or bonds issued by the city to pay the expenses of said improvement, to be the sum of at least \$185,000, now, therefore, be it

Resolved, That a re-assessment for said improvement for said sum of \$185,000 be made. That the assessors of said city if they are not interested in any of the property within the portion or part of city so deemed benefited and directed to be re-assessed; or of kin to any person so re-assessed; or if any two of said assessors are not so interested and are not of kin to any person so re-assessed, then such two shall proceed to make the re-assessment of the property described in said ordinance for the opening of said street, as nearly as may be to the advantage which said lots and parcels of land within the territory directed to be re-assessed shall be deemed to receive by the making of said improvement in accordance with the revised city charter in such case made and provided.

Adopted by the following vote:
Ayes—Alds. McMillan, C. S. Cook, Calihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, H. G. Cook, Kelly, Aikenhead, Simmeink, Lewis, Forsyth, Bierbrauer—16.

Adams presented a petition of the owners of more than one-half of the number of lineal feet from all the land on Upton Park Terrace requesting this Common Council to levy a tax of \$5.00 per 40 lineal feet, upon all such lands, so on such Terrace, for the purpose of defraying the expenses of making the repairs and improvements of such Terrace, according to the provisions of chapter 410 of the laws of 1889, and assigning T. T. Southwick of this city, to receive the amount of said tax, when collected, and thereupon moved the adoption of the following resolution:

By Ald. Adams—Resolved, That the city assessors be, and they hereby are, directed to assess, and that there be assessed and levied a tax of \$5.00 per 40 lineal feet front, upon all the land upon said Upton Park, and that the same be inserted in the assessment rolls of such lands, for the general city tax for 1893-1894, and be apportioned equally upon all the lands, so on such Terrace, and that the City Treasurer be, and he hereby is, directed to pay the sums, thus assessed, when collected by him to said T. T. Southwick, of Rochester, N. Y., he being the person designated to receive the same by such owners, and that the Clerk be, and he hereby is, directed to transmit to said Assessors and Treasurer a certified copy of this resolution.

Adopted by the following vote:
Ayes—Alds. McMillan, C. S. Cook, Adams, Fox, Johnston, Ashton, Ward, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer—15.

By Ald. Adams—Resolved, That the City Surveyor be, and he hereby is, instructed to prepare an ordinance for Trinidad asphalt pavement on Swan street, from East avenue to East Main street.

Adopted.
By Ald. Zimmer—Remonstrance against the letting of contracts for Central avenue improvements. Referred to Executive Board.

By Ald. C. S. Cook—Resolved, That the Executive Board be, and it hereby is, directed to report to this Council whether or not Grant Park, so-called is a public street of this city.

Adopted.

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., June 13, 1893. }

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—A first ordinance has been passed for the improvement of Jones square by the construction of cement walks in said square at an estimated cost of \$1,900. It appears probable that if this is done, the proper improvement of the square will be delayed many years, and it will serve merely as a passageway. This square can be made at a moderate cost a most delightful feature of this city, and while you may not decide to improve it to its full extent this year, it seems wise to have such work, as may be done now, done in accordance with some general plan which will give the best results when fully carried out. The square offers such splendid opportunity for the exercise of the most cultivated taste, and application of the results of the most extended experience, that I deem it my duty to recommend to your Honorable Body to employ Messrs. Olmsted, Olmsted & Eliot, landscape architects, to prepare designs for its complete improvement before any work is done there.

Very respectfully yours,

J. Y. MCCLINROCK,

City Surveyor.

Ordered received, filed and published.

By Ald. Johnston—Resolved, That Messrs. Olmsted, Olmsted & Eliot, be and they hereby are engaged to prepare plans under the direction of the City Surveyor at a cost not to exceed three hundred (\$300) dollars to be paid from the Contingent Fund, for the improvement of Jones Square, as suggested by the communication of the City Surveyor.

Upon motion of Ald. Kelly, laid on the table for two weeks.

By Ald. Johnston—Resolved, That the Lamp Committee be and they are requested to place an arc light on Jones avenue midway between Frank street and Saratoga avenue, in accordance with the petition presented to this Common Council, September 20, 1892.

Upon motion of Ald. Dewey, referred to Lamp Committee and City Electrician.

By Ald. Johnston—Resolved, That the Lamp Committee be and they are requested to place an arc light on Lorimer street, midway between Frank and Saratoga avenue in accordance with the petition presented to this Common Council, September 20, 1892.

Upon motion of Ald. Dewey, referred to Lamp Committee and City Electrician.

By Ald. Ashton—Petitions of John Ferner and D. S. Stiles for permission to erect wooden buildings on Lake avenue and Lake View park, respectively. Referred to Wood Building Committee and Fire Marshal with power to act.

Also petition for sewer in Leavenworth place. Referred to Surveyor to prepare an ordinance.

By Ald. Ward—Petition of Lucinda Keyes for permission to remove a wooden building on West Troup street. Referred to Fire Marshal and Executive Board.

By Ald. Dewey—Petition of F. J. Swanton and Scott A. Farley for permission to erect wooden buildings on Wilmer street. Referred to Wood Building Committee and Fire Marshal with power to act.

Ald. Dewey presented a petition of the owners of more than one-half of the number of lineal feet front of all land on Arnold park requesting this Common Council to levy a tax of 10 cents per lineal foot, upon all such lands so on such park, for the purpose of defraying the expenses of making the repairs and improvements of such park according to the provisions of chapter 96 of laws of 1880 as amended by chapter 410 of the laws of 1889,

and assigning William W. Gilbert of this city to receive the amount of said tax, when collected, and thereupon moved the adoption of the following resolution:

By Ald. Dewey—Resolved, That the City Assessors be, and they hereby are, directed to assess, and that there be assessed and levied a tax of 10 cents per lineal foot front, upon all the land upon said Arnold park, and that the same be inserted in the assessment rolls of such lands for the general city tax for 1893-1894, and be apportioned equally upon all the lands, so on such park, and that the City Treasurer be, and he hereby is, directed to pay the sums thus assessed, when collected by him, to said William W. Gilbert, of Rochester, N. Y., he being the person designated to receive the same by such owners, and that the Clerk be, and he hereby is, directed to transmit to said Assessors and Treasurer a certified copy of this resolution.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, C. S. Cook, Callhan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Stimmelink, Lewis, Bierbrauer—18.

Referred to Lamp Committee.

By Ald. Dewey—
OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, June 13, 1893.

To the Common Council:

Gentlemen:—I have been directed by the Executive Board to call your attention to the necessity of providing electric lights at the canal lift bridges. The approaches to several of the bridges are more or less darkened by the shadows of buildings or structures in the vicinity, and during the season of navigation there is constant danger that loss of life may result from failure of persons having occasion to cross such structures to observe that they have been raised, as there is no barrier to prevent any one under such conditions from falling into the canal.

The necessity for such protection from danger requires nothing more, the Executive Board assumes, than a suggestion to your honorable body to make provision therefor.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published and upon motion of Ald. Dewey, referred to Lamp Committee and City Electrician.

By Ald. H. G. Cook—Application of August Forschler for appointment as Commissioner of Deeds. Referred to Law Committee.

By Ald. Pauckner—Petition of Joseph V. Eberwein for permission to erect a wooden building on Gregory street. Granted.

Also application of C. Henry Minges for appointment as Commissioner of Deeds. Referred to Law Committee.

By Ald. Pauckner—Resolved, That the City Clerk be and the same hereby is authorized and directed to draw a warrant on the Treasurer in favor of Neiski & Gordon for the sum of fifty dollars, being for the surrender of a license for a night lunch wagon, dated April 24, 1893, upon due proof of such surrender and that the same was never used, and charge the amount to the Contingent Fund.

Adopted by the following vote:

REPORTS OF STANDING COMMITTEES.

By Ald. H. G. Cook—
To the Honorable the Common Council of the City of Rochester.

Gentlemen:—Your Assessment Committee begs leave to report as follows:

In the matter of the petition of certain property owners to have reconsidered the assessment for Melville park sewer, we recommend that a reassessment be ordered.

In the matter of the communication of the City Treasurer, relative to certain unpaid taxes for 1889 for which lots 29, 30, 31 and 32 on the north side of Bartlett street purchased of Sarah Frost by the city for a public school site were sold, we find that said taxes were a lien on the property prior to the delivery of

the deed thereof, and that the same should have been adjusted at that time. We think, however, that this is a matter which the Board of Education, and not the Common Council should dispose of and therefore refer the matter to that board for adjustment.

In the matter of the petition of A. C. Bowen, relative to an assessment for the Sibley street pipe sewer, against lot 10 on the west side of Bates street, we recommend that the petition be denied.

In the matter of the petition of certain property owners to have considered the resolution confirming the assessment roll for Wentworth street widening, we recommend that the petition be denied.

All of which is respectfully submitted.

HENRY G. COOK,
JOHN F. FOX,
T. McMILLAN,
WM. PAUCKNER,
C. W. ZIMMER,
Assessment Committee.

By Ald. H. G. Cook—Resolved, That the resolution adopted by the Common Council, confirming the assessment roll for the construction of Melville park sewer be and the same hereby is reconsidered.

Adopted.

By Ald. H. G. Cook—Resolved, That the assessment roll for Melville park sewer, be and the same hereby is reported back to the City Assessors for correction.

Adopted.

By Ald. H. G. Cook—Resolved, That the City Clerk be and he hereby is directed to notify the Board of Education, that there are certain unpaid taxes against lots 29, 30, 31, and 32, situated on the north side of Bartlett street, for which said lots were sold, and that it is the sense of this Common Council, that the question of the settlement of these taxes should be disposed of by the Board of Education.

Adopted.

By Ald. H. G. Cook—Resolved, That the petition of certain property owners to have the resolution confirming the assessment roll for the widening of Wentworth street reconsidered, be and the same hereby is denied.

Adopted.

By Ald. H. G. Cook—Resolved, That the petition of A. C. Bowen, with reference to the cancellation of an alleged erroneous assessment for Sibley street pipe sewer against lot 10 on the west side of Bates street, be and the same hereby is denied.

Adopted.

By Ald. Lewis—
To the Honorable the Common Council of the City of Rochester:

Gentlemen:—Your Law Committee begs leave to make the following report:

In the matter of the claim of Chauncey J. Starkweather for sewer damages to his property, we have ascertained that the property belonging to him is located along Thomas creek, opposite the property of Benjamin Wing, who has heretofore recovered damages against the city in several actions, and we are of the opinion that said Starkweather has been materially injured by reason of the sewage pollution on this creek flowing along and through his property, and we have been negotiating for some time with him for the purpose of a settlement, and we are of the opinion that the payment to him of the sum of nine hundred dollars, in full of all past and future damages, is a fair settlement, and we recommend that said sum be paid to him therefor.

In the matter of the claims of Louis Bohrer and Henry Shelter, respectively, aldermen of the old Fourteenth and Eighth wards, for one year's salary from the first day of April, 1892, to the first day of April, 1893, we have secured the opinion of the City Attorney as to the liability of the city for said claims, and

he has reported to the committee that there is no legal liability and that the act redistricting the city into twenty wards passed by the legislature is constitutional, and that said parties cannot recover against the city for their salaries, and we, therefore, recommend that said claims be denied.

In the matter of the applications for appointment as Commissioners of Deeds, we recommend that the applications of the following named parties be granted: Frank C. Penn, F. I. Gleason, Chester F. Kiehe, Edwin O. Lowery, Peter G. Seiner and Alfred Winteroth.

All of which is respectfully submitted,

MERTON E. LEWIS,
J. MILLER KELLY,
T. McMILLAN,
CHAS. S. COOK,
MARTIN J. CALIHAN,
Law Committee.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That upon the certificate of the City Attorney that proper releases of any and all claims by or on the part of Chauncey J. Starkweather against the city, by reason of the discharge into Thomas creek, flowing through and along his premises, and the right, privileges and easements in and to said creek has been executed and delivered to said city, that the clerk be, and he hereby is, directed to draw an order on the Treasurer, payable from the Contingent Fund, in favor of said Chauncey J. Starkweather, for the sum of nine hundred dollars, for all past and future damages occasioned by the pollution of said creek on his premises.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink Lewis, Bierbrauer—18.

By Ald. Lewis—Resolved, That the claim of Henry Shelter for salary as alderman of the old Eighth ward, from April 1, 1892 to April 1, 1893, be, and the same hereby is denied.

Adopted.

By Ald. Lewis—Resolved, That the claim of Louis Bohrer for salary as alderman of the old Fourteenth ward, from April 1, 1892 to April 1, 1893, be, and the same hereby is, denied.

Adopted.

By Ald. Fox—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen—Your Committee on Police, Excise and Markets would respectfully report, that in the opinion of your committee there is, at present, insufficient police protection in the outlying wards, necessitating immediate attention. The increase of population and the territorial growth of the city have been such as to render it impossible with our present small police force to properly guard all portions of the city. In the opinion of your committee an addition of fifteen to the number of patrolmen is absolutely necessary.

Respectfully submitted,

JOHN F. FOX,
WM. PAUCKNER,
MARTIN J. CALIHAN,
CHARLES S. COOK,
JOSEPH BIERBRAUER,
Police Committee.

Ordered received, filed and published.

By Ald. Fox—Resolved, That the Police Department be increased 15 men and that the Police Commissioners are hereby authorized to appoint 15 additional permanent policemen.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer—19.

By Ald. McMillan—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Finance Committee, begs leave to file the following report on the matters heretofore referred to it.

In reference to the application of the park commissioners for the appointment of special policemen for preserving order in the public parks, your committee has given careful consideration of the matter, and has concluded that under the provisions of the existing law, the Common Council has no power in the matter. The statute under which the park commission is created gives to the commission full power to appoint special officers for park purposes. Your committee has been impressed with the necessity of providing special policemen for the parks and for the purpose of enabling the commissioners to appoint the suitable officers, has determined to recommend that the sum of one thousand dollars (\$1,000) be placed to the credit of the Park Commissioners out of the Contingent Fund, for the purpose of meeting the expenses of the employment of such special officers.

Your committee has recommended that the sum of \$8,600 be fixed as the amount necessary for the employment of clerks in the City Treasurer's office; last year the amount expended for that purpose was \$8,870, but it is believed that the sum above mentioned will be sufficient for the coming year.

The condition of the Bridge Fund requires that bonds be sold in the immediate future for the purpose of meeting the payment of the several bridges now under construction, and for that purpose the City Treasurer is authorized to sell \$150,000 worth of Rochester bridge bonds or so much thereof as your Finance Committee shall determine to be necessary. In accordance with the provisions of the statute authorizing such sale.

With regard to the communication of his honor the Mayor, in reference to the compensation to be paid the members and clerk of the Civil Service Board of Examiners, Schedule B, part 2nd, your committee have given the matter careful investigation and believe that the great amount of work done by the board and its clerk entitle them to greater compensation than they are now receiving and would therefore recommend that the increase be granted.

All of which is respectfully submitted.

T. McMILLAN,
ALVIN H. DEWEY,
MERTON E. LEWIS,
HENRY G. COOK,
J. MILLER KELLY,
WM. WARD.

Finance Committee.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the sum of one thousand dollars (\$1,000) be allowed to the Park Commissioners, payable from the Contingent Fund to meet the expenses of employing a force of special policemen for the public parks of the city.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, C. S. Cook, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Simmelink, Lewis, Forsyth, Bierbrauer—17.

Nays—Ald. Aikenhead—1.

By Ald. McMillan—Resolved, That the sum of \$8,600 be allowed for the purpose of employing clerks in the City Treasurer's office for the current fiscal year.

Adopted.

By Ald. McMillan—Resolved, That the City Treasurer be and he hereby is authorized and directed to sell under the direction of the Finance Committee bonds of the City of Rochester to be known as the Rochester Bridge

Bonds, in accordance with the provisions of the statute authorizing the sale thereof to the amount of \$150,000, or so much thereof as may be necessary. Said bonds to bear a rate of interest not greater than sufficient to sell them at par.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, C. S. Cook, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer—18.

By Ald. McMillan—Resolved, That the salary of the members of the Civil Service Examining Board, schedule B, part 2, be fixed at \$300 per year each, and the salary of the clerk of said board be fixed at \$500 per year.

Adopted.

By Ald. Johnston—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your City Property Committee begs leave to report that it has duly advertised for bids for three hundred (300) tons of coal to supply the city hall, and has received in response thereto the following:

John Morphy.....	\$4 70
J. M. Reddington.....	4 50
F. W. Yates & Co.....	4 85
C. A. Phillips & Co.....	4 47
Doyle & Gallery Co.....	4 69
L. C. Langie.....	4 63
J. A. Van Ingen.....	5 00
Maguire Bros.....	4 75
W. C. Dickinson.....	4 75
Bernhard & Casey.....	4 75
H. F. Drake & Co.....	4 75

Your committee deem it advisable to recommend that the contract be let to C. A. Phillips & Co., who are the lowest bidders for the same.

All of which is respectfully submitted.

JAMES JOHNSTON,
ALVIN H. DEWEY,
MERTON E. LEWIS,
JOHN F. FOX,
WILLIAM WARD,
JOHN H. ASHTON,

City Property Committee.

Ordered received, filed and published.

By Ald. Johnston—Resolved, That the City Property Committee be and they hereby are directed to contract with C. A. Phillips & Co. for three hundred (300) tons of anthracite coal, grate size, at the price specified in their proposal, they being the lowest bidders, and in accordance with the terms of the advertisement under which their proposal was made.

Adopted.

By Ald. Forsyth—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Committee on Support and Relief of the Poor respectfully submits the following report:

Pursuant to published notice for proposals to furnish coal for Poor Department, the following bids were received:

C. A. Phillips & Co., per ton.....	\$5 05
H. F. Drake & Co., per ton.....	5 20
Bernhard & Casey, per ton.....	5 40
McGuire Brothers, per ton.....	5 50

The above bids are all the bids received to furnish coal according to the terms of said published notice, and the bid of C. A. Phillips & Co., being the lowest, your Committee recommends that that firm be awarded the contract for furnishing of the coal for the Poor Department of the city for the ensuing year.

The attention of your committee was called to the case of the support of Edwin Summers, an imbecile, 11 years of age, now supported by the city, at the Brunswick Home for Idiots, at Amityville, L. I., N. Y.

This child was sent to the Brunswick Home for keeping because there was no public institution in this city or county which could be compelled to receive it on account of its age and mental condition. The city at first paid \$3.50 per week for the keeping of this child, but since about February, 1892, the city has been compelled to pay \$4.50 per week, but your committee believing that this child could be kept for less money, at a previous meeting submitted the matter to the Overseer of the Poor to report back, the overseer reports that the city can make arrangements with St. Mary's Orphan Asylum of this city to keep this child, together with another child who is also an imbecile, and who is being kept in the city at an expense of \$3 per week, at an expense for both children of \$5 a week, that is to say \$2.50 per week each.

Your committee therefore recommends that the said Edwin Summers be removed from the said Brunswick Home for Idiots to this city, and that a contract be made with the St. Mary's Orphan Asylum for his care and maintenance at an expense not to exceed \$2.50 per week, and that the Overseer of the Poor be authorized to incur the necessary expense in the removal of said Edwin Summers to the City of Rochester.

Dated, Rochester, N. Y., June 12, 1893.

Respectfully submitted,

D. W. FORSYTH,
JAMES JOHNSTON,
T. McMILLAN,
JAMES M. AIKENHEAD,
H. G. COOK,

Committee on Public Improvement.

Ordered received, filed and published.

By Ald. Forsyth—Resolved, That the Overseer of the Poor be and he hereby, is authorized on the part of the city to remove Albert Summers from the Brunswick Home for Idiots, to the city of Rochester, and to incur the necessary expense of such removal, and also that said Overseer of the Poor be authorized to contract for the care and maintenance of said Albert Summers with the St. Mary's Orphan Asylum, at an expense of not to exceed \$2.50 a week.

Adopted.

By Ald. Forsyth—Resolved, That the Committee on Support and Relief of the Poor be and it hereby is authorized and directed on the part of the city to contract with C. A. Phillips & Co., for one thousand (1,000) tons of anthracite coal, more or less, at the price specified in their proposal, they being the lowest bidders, the said contract to be made in accordance with the terms of the published notice for bids under which said proposal was made.

Adopted.

By Ald. Zimmer—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your committee on Public Improvements, to whom was referred the matter of an ordinance for the pavement of Wilder street, from Saxton to Colvin streets, would respectfully report, that they have given the subject due consideration, and in view of the circumstances hereinafter mentioned, recommend that the ordinance as now before the board be adopted.

One section of Wilder street is now paved with rock asphalt, and your committee believe that if a permanent improvement is to be laid in the street, it should be uniform throughout. The company who have laid the first section, have agreed that the price bid for the work under the ordinance now before the board, shall not be greater than that bid for the work on the first section, and have also agreed to guarantee the work for ten years, and to lay the pavement at the intersection of Saxton street free of cost to the taxpayers.

Thirty-one of the persons who have petitioned, that the ordinance be amended, have also signed a remonstrance, against any remonstrance against any improvement of the street, thus giving your committee the idea that the intention is to put off the improvement to a later day, but we believe that the street is in such condition that the work of improvement should go on at once.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I have the honor to transmit the accompanying resolution of the Board of Supervisors of the County of Monroe, for your favorable consideration.

The purchase of the land mentioned in the resolution and the erection thereon of a suitable building in connection with the new court house, as suggested, I believe would be a wise and farseeing act on the part of the city.

The contemplated change in the city hall, as proposed by the City Property Committee, can only be at best a makeshift, and should not be entertained for a moment, while an opportunity is presented to make a safe and permanent improvement.

Very respectfully,

RICHARD CURRAN, Mayor.

Ordered received, filed and published.

By the Clerk—

OFFICE BOARD OF SUPERVISORS, }
ROCHESTER, N. Y., June 12, 1893. }

Richard Curran, Mayor City of Rochester:

Sir:—I have the honor to transmit herewith a copy of a resolution passed by the board of Supervisors of the county of Monroe, June 8th, 1893.

Yours respectfully,

CHAS. U. BASTABLE, Clerk.

SELLING PROPERTY TO CITY.

By Sup. Otis:

Resolved, That the county of Monroe, by its Board of Supervisors, does hereby offer, to sell to the city of Rochester all of their right and title to that portion of the court house property lying south of the south line of the new court house building, providing that the city build upon the same by joining the court house and city hall buildings.

SELLING PROPERTY TO CITY.

Sup. Otis called from the table the resolution offered by him June 6th, that the county sell to the city that portion of the county property lying south of the proposed new court house providing the city build thereon, and moved its adoption.

Sup. Goss moved as an amendment that the county sell such property to the city providing they conform in architecture to the proposed new court house, and that the building committee confer with the Common Council of the city of Rochester, and report to this Board.

The amendment was adopted by the following vote:

Ayes—Sup. Almeroth, Armstrong, Babcock, Barnett, Creegan, Englehardt, Elliott, Ellsworth, Gallup, Goss, Gott, Gottschalk, Haitz, Hodskin, Hondorf, Howard, Love, Mander, Oberlies, Otis, Pope, Pratt, Ragan, Rosenbauer, Ryan, Smith, Thompson, Vogel, Webster, Whipple—30.

Nays—Sup. Beebe, Britton, Clark, Johnston, Martin, Snyder, Starkweather, Wright—8.

The original motion as amended was adopted by the following vote:

Ayes—Sup. Almeroth, Armstrong, Babcock, Barnett, Britton, Creegan, Englehardt, Elliott, Ellsworth, Gallup, Goss, Gott, Gottschalk, Haitz, Hodskin, Hondorf, Howard, Love, Oberlies, Otis, Pope, Pratt, Ragan, Rosenbauer, Smith, Starkweather, Thompson, Vogel, Webster, Whipple—31.

Nays—Sup. Beebe, Clark, Johnston, Martin, Snyder, Wright—6.

Upon motion of Sup. Otis, the clerk was instructed to forward a copy of the resolution just passed to the Mayor of the city of Rochester.

Ordered received, filed and published and upon motion of Ald. Dewey, referred to the City Property Committee.

By the Clerk—

ROCHESTER, N. Y., June 6, 1893.

To the Honorable, the Common Council of the City of Rochester:

OFFICE OF THE BOARD OF HEALTH, }
 ROCHESTER, N. Y., June 12, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—At a meeting of the Board of Health of the city of Rochester, held May 24th, 1893, the following report was received, and action taken thereon.

Medical Inspector Ward complained that there was no sewer in Miller alley, consequently the premises on said alley were in a very unsanitary condition.

Commissioner Mallory moved that the complaint be referred to the Common Council, requesting them to pass an ordinance for the construction of a sewer on said alley.

Adopted.

H. W. Gregg, City Clerk:

Sir:—Enclosed I send you copy of resolution passed by the Board of Supervisors of the county of Monroe, June 6, 1893. Will you see that it is presented to the Council at the next meeting?

Yours respectfully,
CHAS. U BASTABLE, Clerk.

SEWAGE AT COUNTY BUILDINGS.

By Sup. Ryan—Whereas, The Board of Supervisors of last year passed a resolution approving of the survey made for a sewer which will drain that part of the city in which the county buildings are located, and the estimated expense thereof was \$16,000; and,

Whereas, The Board did grant authority to the city to lay said sewer across the lands belonging to the county, and as no steps have been taken looking to the building of said sewer: therefore,

Resolved, That the city authorities be and are hereby requested to take such steps as will remedy the existing evil.

Resolved, That the Clerk of this Board be and is hereby instructed to forward a copy of this resolution to the Common Council of the city of Rochester and the City Surveyor.

Adopted by the following vote:

Ayes—Sups. Almeroth, Armstrong, Babcock, Barnett, Beebe, Britton, Clark, Creegan, Englehardt, Elsworth, Ford, Gallup, Goss, Gott, Gottschalk, Haitz, Hodskin, Hondorf, Howard, Johnston, Love, Martin, Mauder, Oberlies, Otis, Pope, Pratt, Ragan, Rosenbauer, Ryan, Smith, Snyder, Starkweather, Thompson, Vogel, Webster, Whipple, Wright—38.

Nays—None.

Ordered received, filed and published, and upon motion of Ald. Pauckner referred to Public Improvement Committee.

By the Clerk—

ROCHESTER, N. Y., June 12, 1893.

H. W. Gregg, City Clerk;

The following recommendations were adopted by the Board of Education at a meeting of said Board held June 5th instant.

Respectfully,

MILTON NOYES, Clerk.

ROCHESTER, June 2, 1893.

To the Board of Education:

Gentlemen:—The attention of your Organization Committee has been called to the conditions surrounding No. 8 school, and upon inquiry and investigation it appears:

That the school house is situated at the ex-

treme end of the district, and that many of the pupils attending there are obliged to travel a great distance and cross two electric car tracks; that the Rochester Railway Company have recently laid their tracks in front of this school, within the curb stone and within a few feet of the yard, thus placing the lives of the pupils attending this school in jeopardy; and that by reasons of these conditions many of the pupils of this school have been withdrawn and more will be withdrawn in the future; and whereas the city owns lots in this vicinity better adapted for school purposes,

Now, therefore, your committee would recommend that this board request the Common Council to advertise No. 8 school for sale, and the proceeds of such sale be placed to the credit of the Building Fund of this board; and your committee would further suggest that the Common Council be requested to advise the Rochester Railway Company of the necessity of running their cars slowly past this point during the remainder of the school year.

Respectfully submitted,
WILLIS K. GILLETTE,
JAMES BRIGGS,
J. E. DURAND,
J. M. BROWN.

Ordered received, filed and published, and upon motion of Ald. Johnston referred to City Property Committee.

By Aid. McMillan—

CITY ATTORNEY'S OFFICE,
ROCHESTER, N. Y., June 12, 1893. }

Ald. Thomas McMillan, Chairman Finance Committee:

My Dear Sir—During the past current year of the Common Council I called the attention of the chairman of the Finance Committee and the City Treasurer to Section 4 of the East Side Trunk Sewer Act, relating to the assessments for the payment of the interest on the bonds, and the bonds themselves, for the construction of the East Side Trunk Sewer.

This section provides that in the year in which the first issue of bonds is made, the Common Council shall pass a resolution declaring some portion of the east side of the city to be assessed in an amount necessary to meet the payment of the bonds and the interest, costs and expenses connected therewith.

The section contemplates that this assessment shall be based upon an estimate of the amount necessary to reimburse the Contingent Fund for moneys expended, or to be expended, and action in accordance with this provision ought to be taken by the Common Council.

I, therefore, take this means of calling your attention to this matter, to enable your committee to take action thereon.

I remain, yours, very respectfully,

C. D. KIEHEL, City Attorney.

Ordered received, filed and published, and upon motion of Aid. McMillan, referred to Finance Committee.

OFFICE OF THE HUMANE SOCIETY,
ROCHESTER, N. Y., June 13, 1893.

To the Honorable, the Common Council of the City of Rochester:

Whereas, The number of dogs in the city of Rochester has greatly increased, and cases are reported at the office of the Humane Society of children attacked on the street by stray dogs, and there is now no authorized method for the destruction of unmuzzled dogs found on the streets.

The Humane Society respectfully submits the following proposition:

If the city of Rochester will designate a proper place for a dog pound the Humane Society offers to take all supervision of the city dogs and the apprehension of the dogs, feeding same and the apprehension of the dogs, charging and killing them in a humane manner, charging the city only the actual cost thereof.

During the month of May, 36 dogs were killed at the shelter and the number will increase. It is not the proper place for this work and arrangements ought to be made at once for the proper detention and killing of dogs outside of the thickly settled portion of the city.

By order of the Board of Managers of the Rochester Humane Society.

JAMES H. DENNIS,
President.

Ordered received, filed and published and upon motion of Ald. C. S. Cook, referred to Charter Amendment Committee.

By Ald. Lewis—

OFFICE OF THE
EAST SIDE TRUNK SEWER COMMISSION,
ROCHESTER, N. Y., June 13, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—By a resolution adopted by your honorable body, April 18, 1893, authority was granted the East Side Trunk Sewer Commission to negotiate for the right of way necessary for the outlet of the storm overflow proposed to be constructed through or near University avenue, from the Culver Road to Thomas Creek, pursuant to ordinance number 4,764. As the result of such negotiations nearly unanimous consent has been given by the owners of property fronting on University avenue, for the construction of said overflow outlet. Not being able to agree with Mr. Herbet for the right of way in front of his property situated adjoining University avenue and Thomas Creek, the Commission feel warranted in requesting that the City Attorney be authorized to immediately apply to the court for the appointment of a commission to appraise the value of his or other lands required to be taken.
Respectfully,

THOS. J. NEVILLE, Clerk.

By Ald. Lewis—Whereas, No agreement for obtaining all of the right of way for the outlet of the storm overflow proposed to be constructed from the line of the East Side Trunk Sewer through University avenue and designed to discharge into and through what is known as Thomas creek, under the provisions of final ordinance No. 4,764, can be made, therefore

Resolved, That a copy of said ordinance and of this resolution together with a map of the required right of way or easement be made and filed in the office of the City Clerk and the County Clerk of the County of Monroe, which map shall show thereon the lots, tracts and parcels of land which are deemed necessary to be taken and the commencement course and termination of the said right of way or easement proposed to be laid out according to the provisions of section 174 of the revised charter, and the City Attorney be, and he hereby is instructed to take and institute such proceedings from time to time as may be necessary to secure such right of way or easement, as is provided by said city charter.
Adopted.

By Ald. Lewis—Resolved, That the Executive Board be, and it is hereby authorized and requested to sell all buildings located on the land needed for the extension of Council avenue to North avenue.
Adopted.

By Ald. Lewis—Resolved, That the Executive Board be directed to remove all obstructions on Schaeffer park.
Adopted.

By Ald. Forsyth—Petitions of B. C. Emerson, Jessie P. Willard and Mary A. Page for permission to erect wooden buildings on Kenwood avenue, Plymouth avenue, and Violetta street. Referred to Wood Building Committee and Fire Marshal with power to act.

Also remonstrance against the erection of a wooden building on Violetta street. Same reference.

Also petition of Odd Fellows Fraternal Union, with reference to an erroneous assessment. Referred to Assessment Committee.

Also application of F. S. Hutchinson for appointment as Commissioner of Deeds. Referred to Law Committee.

Also petition for the improvement of Warwick avenue. Referred to Surveyor to prepare an ordinance.

By Ald. Forsyth—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—We the undersigned, Hawthorne Terrace, a building lot association, Franklin B. Hutchinson, Harriet M. S. Hutchinson, individually and as the wife of Franklin B. Hutchinson, Halbert S. Greenleaf and Jennie F., his wife, all of the city of Rochester, County of Monroe and state of New York, owners of the property hereinafter described, do hereby dedicate to the city of Rochester, for the purposes of a public street in said city, and described in final ordinance No. 5,130, adopted by the Common Council, April 18th, 1893, as necessary to be taken for the opening of a street sixty (60) feet in width and extending from Chili avenue to the south line of the property of said Hawthorne Terrace, and being a strip of land thirty (30) feet in width on each side of a center line which is the west line of land conveyed to said association in two deeds, one by Harriet M. S. Hutchinson, recorded in Monroe County Clerk's office in Liber 458 of Deeds, at page 4 and the other by Halbert S. Greenleaf, F. B. Hutchinson and others and recorded in Monroe County Clerk's office in liber 458 of Deeds at page 7; said land being also shown on a map made and filed by the City Surveyor on June 13th, 1893, in the offices of the city and County Clerk, and known as "Warwick avenue opening.

We further certify that an accurate map of said street has been filed in the offices above referred to, and also in the City Assessors' office, and that said street has been actually opened up for public use and traffic.

We further certify that there has been set durable stone monuments so located as to actually define each and every angle of said street, by placing the same in the sidewalk thereof at the intersection of the lines parallel with and four (4) feet distant from the lines of said street, forming said angles; said monument is four (4) feet in length, eight (8) inches square at the bottom and four (4) feet in square at the top, and carefully dressed at top and for nine inches down from top on all sides, the said stones is so set in the ground that the top surfaces thereof conform to and the flush with the established grade of the sidewalk at the point where said stone is set; the point where said intersection of lines shall occur is definitely marked by a tapering hole in the top surface of said stones one-half inch in diameter at top and not less than one-half inch in depth. We further certify that we are the owners of said Warwick avenue, so called, and that the premises above dedicated, are free from all incumbrances of every name and nature.

All of which is respectfully submitted,

REPORTS OF STANDING COMMITTEES.

By Ald Lewis—
To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Law Committee begs leave to make the following report:

In the matter of the resolution passed by this Common Council on November 15, 1892, found at page 318 of the proceedings of 1892-93, authorizing the City Attorney to procure Common Council proceedings to complete the set in the City Attorney's office, we recommend that an order be drawn by the City Clerk upon the City Treasurer, in favor of Ivan Powers, for the sum of \$50, for such proceedings delivered to the City Attorney.

In the matter of the application of Edward R. Foreman for appointment as a commissioner of deeds of the city of Rochester, which this committee recommended at the last meeting of the Common Council, we have further inquired into the matter and have ascertained that, pursuant to the rules of this board, the only requirements for eligibility of the applicant are that he must be a citizen of the United States, over the age of twenty-one years, and residing in the city of Rochester, and we have become satisfied that Mr. Foreman is a resident of this city, residing at No. 80 Edinburgh street, and has met with the other requirements to make him eligible for this office. The certificate required under the rules has been signed by some of the leading citizens of this city, and we, therefore, recommend that his application be granted.

In the matter of the applications of the following named persons for appointment as commissioners of deeds, we recommend that the same be granted: C. Henry Minges, F. S. Hutchinson and Irvine McColl.

Respectfully submitted,

MERTON E. LEWIS,
MARTIN J. CALIHAN,
CHARLES S. COOK,
T. McMILLAN,

Law Committee.

Ordered received, filed, and published.

By Ald. Lewis—Resolved, That upon the certificate of the City Attorney, the City Clerk be, and he hereby is, directed to draw an order on the City Treasurer, payable from the Contingent Fund, in favor of Ivan Powers, for the sum of fifty dollars, pursuant to the resolution of this Common Council, adopted November 15, 1892.

Adopted by the following vote:

Ayes—Ald. McMillan, C. S. Cook, Calihan, Zimmer, Adams, Johnston, Ashton, Ward, Deway, H. G. Cook, Kelly, Lewis, Bierbrauer—13.

By Ald. Johnston—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your City Property Committee would submit the following statements and report upon the city hall building:

The building was built in 1873, twenty years ago, at a cost of \$335,000, and paid for by issuing the city's bonds for that amount, bearing interest at seven per cent. The city hall, in the fourth story, occupies forty per cent. of the area surface in the building, and, during the past ten years, or since the time that elevators have come into general use, it has been seldom used, and is now practically abandoned by the people generally, because of its inaccessibility. It is sadly in need of repairs, none of which have been made in years, and its condition is not at all creditable to our city. The other sixty per cent. of area surface is distributed equally over the three lower stories, and the present apportionment of the offices is nearly identical with the one made when the building was first occupied. Meanwhile, the city's population has increased from 75,000 to 145,000, and the volume of business through the different city departments has grown correspondingly. To illustrate and show the need of the different offices for more room and better accommodations, we would cite the following facts:

In 1873 we had no board of health. Now the health department occupies the entire lobby room of the mayor's office and is still crowded for room. The treasurer continues to occupy the original office, although the business of his department and clerical force have more than doubled. The police department occupies its original quarters, and its membership has increased from sixty officers and six detectives, in 1873, to 140 officers and eight detectives now. Superintendent Cleary and Chief Hayden have for the transaction of their official duties, only a twelve by fifteen foot room, and the detectives have, for their quarters, another room of the same size, so located that it is impossible for the sun to shine in it, or to see in it by daylight—a veritable disgrace to our city. The present executive board offices are comfortable. The water department needs more room badly. The street department has recently transferred considerable of its business to the new Pinnacle avenue quarters, and its present office accommodations are ample. The assessors continue in their original office, while their business and clerical force has doubled. It is a single room, 22 by 32 feet, and is all the space they have for their clerical force of five lady assistants, themselves, and the callers that continually visit their office. The need of more room and better accommodations for this department is apparent. The surveyor's office remains unchanged also. It is crowded, and inadequate to the demands of a constantly increasing public service, and the need of more room and better accommodations is urgent. The city attorney's office was so inadequate for the increased force and service of the department that it recently had to be abandoned. The offices occupied by the city clerk, messenger, fire marshal and auditor are the ones formerly used by the executive board. There is not a single redeeming feature about them, excepting their location. They are crowded, inadequate and lacking entirely in the desk room and other accommodations necessary to the proper transaction of the business of their departments.

The third story is fully occupied by the common council chamber, the municipal court and water engineering department.

This accounts for all available space in the building in its present condition. In addition, the following departments occupy offices elsewhere: The law department, in the Wilder building; the East Side Trunk Sewer commissioners, the engineering department for the new water conduit, and the park commissioners, in the German Insurance Company building; the West Side Sewer commissioners, in the Ellwanger & Barry building; the board of inspectors of plumbing, in the Durand building, and the Civil Service commissioners wherever they may be invited.

The monthly rental paid for these rooms is as follows:

Law Department.....	\$120 00
East Side Trunk Sewer Commissioners.....	72 92
New Water Conduit.....	57 50
Park Commissioners.....	41 66
West Side Sewer Commissioners.....	12 50
Plumbing Board.....	16 67

Aggregating\$321 25

Or \$3,855 a year, the latter being sufficiently large to be the equivalent of five per cent. interest upon an investment of \$77,000.

The need of more room for our city officials is imperative, and admitted by every intelligent observer. How to best secure it is the problem?

Two general places have been proposed. First the one embodied in your committee's original report, under date of May 16, 1893, recommending the remodeling of the present building; and, second, to let the city hall remain undisturbed and build two wings, say 50 by

80 feet, each, and a corridor across the present area, connecting with the new court house; said wings to conform in building material and architecture to the proposed new building.

In support of the first, or original committee plan, it may be said, that the dimensions of the building are 85 by 140 feet, and the making of two stories out of the city hall will add nearly 24,000 square feet of floor surface, which, with the assistance of elevators, will be available for office purposes.

Your committee has already conferred with all the department officials, and secured their written approval of offices assigned, as follows:

FIRST STORY.

Northwest quarter section—Water rent office.
Southwest quarter section—Treasurer's office.
(This to be rearranged so as to afford better accommodations and a little more room.)

Northeast quarter section—Police assembly room.

Southeast quarter section—Police court room.

SECOND STORY.

Northwest quarter section—Executive board rooms.

Southwest quarter section—City clerk, messenger and auditor.

Northeast quarter section—Mayor and Board of Health officials.

Southeast quarter section—Superintendent of police and detectives.

Northwest quarter section—Water engineer's office.

THIRD STORY.

Southwest quarter section—Municipal court and judges' rooms.

East section, entire—Common Council and police matron's rooms.

FOURTH STORY.

Northwest quarter section—Street department.

Southwest quarter section—Assessors' office.

Northeast quarter section—Surveyor's office.

Southeast quarter section—Surveyor's office and police commissioners.

FIFTH STORY.

Northwest quarter section—New water conduit and engineer's office.

Southwest quarter section—City Attorney's office.

Northeast quarter section—Park commissioners' rooms.

Southeast quarter section—West Side Sewer Commissioners; the Civil Service Commissioners and Board of Plumbing Inspectors.

This assignment of offices provides enlarged and ample accommodations for every department of our city's government. No provision is made for the East Side Trunk Sewer Commissioners, as it is expected that their work will be nearly, if not entirely, finished by the time our building will be remodeled and completed. Neither the West Side Sewer, or the New Water Conduit offices will be permanent, and their release will afford additional room.

Under this re-arrangement, the building will fully provide room for all city purposes during the next ten or fifteen years, and, by that time, arrangements will, undoubtedly, be made to provide the police department with a separate building, and, if so, the present city building will then be adequate for many years.

The remodeling proposed, including elevators, furniture, new plumbing, heating apparatus and other needed repairs, can be consummated for \$50,000, and with it the building will be as good as new, and the city will save the annual rental of \$3,855 that it is now paying for outside offices.

The other plan is to build two wings at either end of the city hall building, across,

and to connect with the proposed new county building. The distance between the city hall building and the new county building is estimated at 80 feet, and it has been suggested that the wings should be at least 50 feet wide, with a corridor or passageway between, and a court area overhead. These dimensions will add 32,000 square feet of surface area, while the additional area surface to be secured through the adoption of the former plan is 23,800 square feet.

This plan may have its advantages, but it also has serious disadvantages. We see very few of the former, for, with wings only fifty feet wide, the rooms, after making allowance for hallways, will be long and narrow, not exceeding say eighteen or nineteen feet in width, while those in the lower stories will be poorly lighted and ventilated. Its disadvantages are numerous, and many of them of such a nature as to appear insurmountable. Some of them are as follows: They will seriously interfere with the light to the two tiers of offices at either side of the city hall corridor, such, for instance, as the present board of health office, the executive board's general office, the water engineer's office and the draughting room in the surveyor's office. The connecting hallways will compel a radical rearrangement of the present city building offices, they will make necessary a complete rearrangement of the common council chamber, and destroy entirely the present police assembly room. This latter will be equivalent to ejecting the police department out of the city building, and should not be lost sight of.

The floors of the two buildings cannot connect on the same level, and if the supervisors insist upon their being even at the county end of the wings, and they naturally will, the levels will then have to be adjusted by steps or stairways through the city building, and this fact alone ought to demonstrate the impracticability of the plan.

It may be urged that the wings should be either narrower or wider than the fifty feet proposed, but a moment's reflection will show that, if narrower, say 40 or 45 feet, they will not add any more floor surface than will be gained by utilizing the city hall, and much of what they would add will be unavailable for practical use. Should they be made wider—say 55 or 60 feet, a correspondingly additional amount of floor surface in the present building would be rendered useless, for want of light, and, consequently, there would not be anything gained.

These may be termed some of its architectural disadvantages. Should, however, the plan still be deemed a wise one, it will be found very expensive. The estimated cost of the land is \$45,000. Of the two wings and corridors, computed ratably by area surface upon the estimated cost of the new court house, \$175,000; for new heating apparatus, \$2,500; for new halls, stairways and remodeling the old building, \$5,000; for repairs to city hall, including new ceiling, painting and repairs to roof and ventilating flues, \$5,000; plumbing repairs, \$5,000; for furnishing the new wings, \$5,000; aggregating the sum of \$242,500. This does not include any charge for elevators, and the old hall will still remain unused, and inaccessible, excepting only the times when the court house elevators may be placed at the city's disposal, through the courtesy of the supervisors.

The other items in addition to land and building are recognized, because they are included in the architect's estimate of \$50,000 for remodeling the old building, according to the committee's original report, and should properly be considered in comparing the cost of the two plans.

In concluding, we may say, that the questions at issue narrow themselves down to the disposition of the city hall, for it is shown

conclusively that fully as much floor surface will be made available by utilizing it for office purposes as can be secured by wing additions. Architecturally, the present building is a fine one, creditable to its builders, and our city. Its location for outward appearance is not the best, but for light and air it is excellent. The proposed wings are sure to spoil its looks, obstruct its light, and interfere with its ventilation. It cost, twenty years ago, without elevators, \$335,000, and, as yet, not one penny of this amount has been paid. Meanwhile, the upper portion of the building has been neglected, and but very little money spent in general repairs.

Shall we, by the expenditure of not exceeding \$50,000, repair, remodel and utilize the entire building, which is amply large, and retain it distinctively as our city hall building, in a better condition than it has ever been, or shall we co-operate with the county, build wings, at an expense of \$243,500, and, in so doing, make our city hall building a mere annex and leave it irretrievably ruined?

Your committee prefers the former plan.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By Ald. McMillan—

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., June 20, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The interest due on the bonded debt of the city of Rochester, and payable at the office of the Union Trust Company, New York city, July 1st, 1893, amounts to \$153,200 (one hundred fifty-three thousand two hundred dollars.)

In order to meet the same, it will be necessary to make the city's notes for the above amount. The banks of deposit in this city, with which we do business, while not refusing to discount any more notes at present, prefer to have us place this amount elsewhere as they have already loaned an amount in excess of their agreement.

I have arranged with the Union Trust Company of New York city, to discount the city's note for one month, rate of interest at 6 per cent, and would like authority from your honorable body to confirm such action.

Respectfully,

S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to issue the city's note for one hundred fifty-three thousand two hundred dollars, (\$153,200) for one month under authority of section 81 of the city charter, for the purpose of paying the interest on the bonded indebtedness of the city of Rochester at the Union Trust Company of New York city. Said note to be issued under the direction of the Finance Committee of the Common Council, and to be countersigned by its chairman, and the discount thereon to be charged to the Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Callahan, Zimmer, Adams, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelnk, Lewis, Bierbrauer—17.
By Ald. McMillan—

ROCHESTER, N. Y., June 20, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Civil Service Commission, schedule B, part 1, respectfully ask your honorable body for a fair and proper raise of the salary now paid to the members thereof and suggest that the salary to be paid to each should be at least two hundred dollars per year.

The work of this branch of the board is burdensome and requires considerable time and attention, not only in the matter of examinations, but in time and attention required in giving information and answering questions made of the members by applicants and persons who are members of the different departments of the city, in regard to the law and other matters.

Respectfully,

ROY C. WEBSTER,
Chairman.
P. A. VAY,
Associate.

T. D. WILLIN,
Associate.

I hereby approve the above suggestions.

RICHARD CURRAN,
Mayor.

Ordered received, filed and published, and upon motion of Ald. McMillan, referred to Finance Committee.

In the foregoing report, the costs for removals made payable to persons or heirs of the person designated therein are made subject to the provisions contained in chapter 228 of the laws of 1893. Where the award is made to "supposed owners" there is no definite information as to whom the actual owner is and the proof of the ownership of the lot shall be presented before payment is made.

The foregoing awards are made upon the supposition that the number of bodies found upon the different lots will be the same number for which awards have been made; in case it appears that there is less number of bodies on the various lots after the bodies are disinterred, awards at the rate of \$4 to each owner will be allowed for every body.

All of which is respectfully submitted.

DAVID G. MORRIS,
WM. OLIVER,
HENRY G. SAUER

D. K. BELL, Clerk.

Dated at Rochester, N. Y., June 20, 1893.

Ordered received, filed and published.

By Ald Pauckner—Resolved, That Tuesday, June 27, 1893, is hereby designated as the time when objections will be heard to the confirmation of the report of the commissioners of appraisal in the matter of the removing the remains of all persons interred in the Brighton Cemetery, so-called, in the city of Rochester, to Mount Hope Cemetery, or other cemeteries in said city.

Adopted.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., June 20, 1893.

To the Honorable, the Common Council of the City of Rochester:

The undersigned, members of the Executive Board, to whom was referred the matter of the proffered acceptance of Warwick avenue, in the Hawthorne Terrace Building Lot Association, hereby certify that said Warwick avenue has been properly graded, the street lines defined by monuments, and maps filed in the offices of the County Clerk and City Assessors, in accordance with provisions of resolutions adopted by your honorable board, and recommend that the avenue above named be accepted for public uses.

Respectfully,

W. W. BARNARD,
Executive Board.

Ordered received, filed and published.

By Ald. Aikenhead—Resolved, that the dedication of Warwick avenue as mentioned in the foregoing communication of the Executive Board, be, and the same hereby is, accepted as a public street upon the payment of all taxes and assessments, local and general, remaining unpaid upon said territory so taken for said street. And the city clerk is hereby directed to enter the name of said street in the public street register kept by him, and said Executive Board is hereby instructed to place the usual street signs where needed at the corners of said street. And the City Assessors be, and they hereby are, directed to strike from the assessment rolls of the city of Rochester the territory taken for said street, as indicated by the map, on file in the County Clerk's office and the office of the City Assessors.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Callan, Zimmer, Adams, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Stimmelink, Lewis, Bierbrauer—17.

By the Clerk—

ROCHESTER, N. Y., June 20, 1893

H. W. Gregg, Esq., City Clerk:

Dear Sir—The following resolution was adopted by the Board of Education at a meeting held June 19, inst.

Yours, etc.,

MILTON NOYES, Clerk.

By Com. Schomer—

To the Honorable, the Common Council of the City of Rochester:

The Board of Education does hereby challenge your honorable body to a game of base ball, to be played at any time and place that may hereafter be agreed upon; the proceeds of said game to be donated to some charitable institution.

Adopted.

Ordered received, filed and published, and upon motion of Ald. Dewey referred to a committee consisting of Ald. Johnston, Zimmer, Fox and Ward.

Ald. Ward moved that Ald. Dewey be added to such committee. Carried.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Rochester Railway Company hereby makes application for the right to construct, maintain and operate a double track street surface railroad on Central avenue from North St. Paul street to North Clinton street, together with the necessary switches, cross-overs and suitable stands for the convenient operation of said railroad; such double track to be in place of the single track which is now laid and is in operation on that portion of said Central avenue.

The company would prefer that the additional track should be located between the present track in Central avenue and the north curb line.

The growth of the city, the needs growing out of increased travel and the necessities of the situation are such as to demand that a double track be constructed and operated on the portion of Central avenue mentioned. This company cannot properly take care of the great amount of traffic to and from the New York Central & Hudson River Railroad station unless it can have the double track specified.

Respectfully submitted,

ROCHESTER RAILWAY COMPANY,

J. N. BECKLEY,
President.

Ordered received filed and published and upon motion of Ald. C. S. Cook, referred to Railroad Committee.

ACTION UPON ORDINANCES.

FIRST ORDINANCES.

BRICK PAVEMENT ON SWAN STREET.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Swan street.

The Surveyor submitted as such estimate, \$5,500.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The improvement of Swan street, from East Main street to East avenue by the construction of a brick pavement therein with a line of Medina stone curb on each side thereof, properly connected with all lateral streets and driveways. Width between curbs to be 20 feet. Also the construction of the necessary crosswalks, manholes, surface sewers, lot lateral, water and gas services, and the cleaning of the main sewer if necessary. Also the construction of a Portland cement walk, four feet wide on each side of said street between the limits mentioned, except where good flag walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$5,500, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

“One tier of lots and parcels of land on each side of Swan street, from East Main street to East avenue, in proportion to the benefit which each will receive therefrom.”

Adopted.

EXECUTIVE BUSINESS.

Ald. Lewis moved that the board proceed to the election of Commissioners of Deeds.

Carried.

Ald. Lewis moved that the persons recommended in the report of the Law Committee be appointed Commissioners of Deeds and that the clerk cast the ballot therefor.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, C. S. Cook, Callhan, Zimmer, Adams, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Bierbrauer—17.

By Ald Adams—

Whereas, George Tarbox, who was duly elected, and who qualified as a constable from the sixth ward of the city of Rochester, has for some time past neglected to discharge the duties of his office as constable, and is reported to have converted certain funds paid to him, the property of different persons; and

Whereas, Said George Tarbox has left the city of Rochester and neglects to perform the duties pertaining to the office of constable in the sixth ward; therefore be it.

Resolved, That the office of constable of the sixth ward in the city of Rochester be, and the same hereby is, declared vacant.

Adopted.

By Ald Adams—

Resolved, That this common council forthwith proceed to elect a successor of said George Tarbox.

Adopted.

Ald. Adams nominated Charles W. Sickels. Charles W. Sickels was named by Alds. Tracy, McMillan, C. S. Cook, Callhan, Zimmer, Adams, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Bierbrauer—17.

Charles W. Sickels was thereupon declared duly appointed constable of the sixth ward.

Ald. Aikenhead moved that the board proceed to the appointment of constable of the sixteenth ward.

Carried.

By Ald. Aikenhead—

To the Honorable the Common Council of the City of Rochester in Monroe County and State of New York.

Gentlemen:—The undersigned in part citizens and in part taxpayers within the regular polling districts of the Sixteenth ward of the city of Rochester, do herein and hereby most respectfully petition your Honorable Body that

Whereas, Louis Meyer was elected constable of said ward at the last regular charter election of said city, but failed wholly to qualify whereby said office of constable became, is, and still remains vacant and unfilled and

Whereas, his predecessor in said office for the locality partly covered by said ward, John Sutter, was faithful as well as honest in the performance of all the duties of said office.

Now therefore we petition your Honorable Body for the appointment of said John Sutter, who is duly qualified, besides being a veteran of the late war pensioned for disability and therefore entitled to a just preference in place of said Louis Meyer as and for the office of Constable of said Sixteenth ward.

Dated May 24, 1893.

I. SCHLITZER,
JOHN F. LINSIN,
EDWARD F. LINSIN,
A. B. SS.
JOHN DIEMER,
LOUIS MILLER and others.

Ordered received, filed and published.

Ald. Aikenhead nominated John Sutter.

John Sutter was named by Alds. Tracy, McMillan, C. S. Cook, Callhan, Zimmer, Adams, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis—16.

John Sutter was thereupon declared duly appointed constable of the sixteenth ward.

By Ald. McMillan—
 To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Finance Committee begs leave to report as follows:

In the matter of the petition of the Civil Service Commissioners, Schedule B. Part I. asking for an increase in the salary of the members of the board to the sum of two hundred dollars (\$200) per year, we recommend, that the salary of each be increased to the sum of one hundred dollars (\$100) per year from July 1st.

In the matter of the issuing of the additional bridge bonds your committee would recommend that the Treasurer be authorized to sell one hundred and fifty thousand dollars (\$150,000) worth of such bonds to run for thirty years, with the privilege of redeeming such bonds or any portion thereof at any time after the expiration of twenty (20) years.

All of which is respectfully submitted.

T. McMILLAN,
 ALVIN H. DEWEY,
 MERTON E. LEWIS,
 HENRY G. COOK,
 J. MILLER KELLY,

By Ald. Lewis—

To the Honorable the Common Council of the City of Rochester:

Gentlemen—Your Law Committee begs leave to submit the following report:

In the matter of the claim of Harriet M. Davis for damages sustained by sewage pollution to her property, we have ascertained that an action has been begun against the city, and that she has suffered some damages by reason of such pollution. We have made an offer to settle said claim for damages for the past six years, at the sum of \$150, which has been accepted by her attorney, and we, therefore, recommend that said claim be settled at such sum.

In the matter of David A. McKee, Frank C. Worden and Henry S. Herman, for rebates for huckster's licenses, referred to this committee, we would recommend that the same be given to them, as reported by this committee at a previous meeting.

In the matter of the applications of the following named persons for appointment as commissioners of deeds, we recommend that the same be granted: Frederick W. Avery, Bessie E. Corkill, James A. Hard, Frank G. Jennings, J. O. Karker, Jessie A. Truesdale.

All of which is respectfully submitted.

MERTON E. LEWIS,
J. MILLER KELLY,
T. McMILLAN,
CHAS. S. COOK,
MARTIN J. CALIHAN,
Law Committee.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That upon the certificate of the City Attorney that proper releases of any and all claims by or on the part of Harriet M. Davis against the city, by reason of the discharge of sewage into Densmore creek upon her premises, and the rights, privileges and easements in and to said creek flowing over said lands have been executed and delivered to the city, that the Clerk be, and he hereby is, directed to draw an order upon the Treasurer, payable from the Contingent Fund, in favor of said Harriet M. Davis, or her attorney, Cassius C. Davy, Esq., for the sum of one hundred and fifty (\$150) dollars, in full for all past and future damages occasioned by the pollution of said creek upon said premises, and all taxable costs as shall be certified to by the City Attorney.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By Ald. McMillan—

CITY TREASURER'S OFFICE.

ROCHESTER, N. Y., June 27, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The amount required to pay the cash items in the present budget, together with the budget of the Board of Education, the acceptances of the Executive Board due July 1st, and the interest on bonded debt payable at City Treasurer's office July 1st, will be \$95,000 in excess of the notes already authorized by your Honorable Body, but yet issued. This, after deducting the cash on hand, and the amount to the credit of the city in the several banks of deposit.

I would therefore respectfully ask your authority to make the city notes for the above named sum, or such portion of it as may be necessary to meet the payment of orders when presented.

In case funds are collected from the general city tax July 1st and 3d to any great extent,

it will not be necessary to issue notes for the full amount, but to protect the city's credit, some means for payment should be provided.

Respectfully,

S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be and he hereby is directed and authorized to issue the city's notes for (\$95,000) ninety-five thousand dollars, (or such portion of it as may be necessary to meet the payment referred to in his communication) under authority of section 81 of the city charter, said notes to be issued under direction of the Finance Committee of the Common Council and to be countersigned by its chairman. The discount thereon to be charged to Contingent Fund.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, C. S. Cook, Callahan, Zimmer, Lempert, Fox, Johnston, Ashton, Ward, H. G. Cook, Pauckner, Kelly, Simmelink, Lewis, Bierbrauer—16.

By the Clerk—

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., June 27, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Superintendent of Public Instruction Noyes has referred to me, a letter addressed to him, by State Superintendent of Public Instruction at Albany authorizing me to credit \$667.09 to the Library Fund. This is the amount that County Treasurer McVean was authorized to withhold from the city as the rules governing the new library act had not been compiled with (see my communication page 68 Common Council proceedings). I have credited the amount to said account and have notified the superintendent accordingly.

Yours respectfully,

S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published.

By the Clerk—

OFFICE OF THE BOARD OF HEALTH,
ROCHESTER, N. Y., June 22, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—At a meeting of the Board of Health of the city of Rochester, held June 21, 1893, the following resolution was adopted:

By Com. Biegler—Whereas, This Board has heretofore by resolution requested the Common Council of this city to have ordinances prepared for the construction of sewers in the following places, viz: Orchard street, La. Mont park, Miller alley and North Clinton street; and

Whereas, The said Common Council has neglected and failed to take the action requested, therefore

Resolved, That unless action be taken by the said Common Council as requested in said mentioned resolution, within sixty days after service of a copy of this resolution on the City Clerk of this city, that this Board will proceed to construct said sewers and charge the expense of the same upon the city at large.

Adopted by the following vote:

Ayes—Coms. Curran, Biegler, Hoyt, Derrick, Mallory, Fritzsche—6.

ROCHESTER, N. Y., June 29, 1893.

To the Honorable, the Board of Health of the City of Rochester:

Gentlemen:—The undersigned respectfully represent that they are taxpayers on Lamont park. There is a suitable and adequate sewer in said Lamont park which furnishes adequate drainage to all buildings in said park, which have proper laterals leading thereto. That any complaints in relation to said sewer originate with persons whose laterals are inadequate and unsuitable. We, therefore, respectfully request that before any further steps are taken toward ordering a sewer in said Lamont park, a thorough examination be ordered of the sewer and laterals now existing thereon.

Respectfully,

REPORTS OF STANDING COMMITTEES.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Law Committee begs leave to make the following report:

In the matter of the claim of Berinthia Hooper, now Berinthia Arnold, for damages sustained by sewage pollution to her property, we have ascertained that a judgment was recovered by her against the city on March 30, 1892, at the rate of \$150 per year, and, since that time no action has been commenced, although offers have been made to settle her claim for all past and future damages for the sum of \$600, which has finally been accepted by her, and we recommend that the same be settled at that figure.

In the matter of the claim of H. P. Ayers for the amount due under his contract with the city for sewer damages for \$175 per annum, due June 1, 1893, we recommend that the same be paid.

In the matter of the claim of Michael Herbert for the amount due under his contract with the city for sewer damages for \$175 per annum, from July 14, 1892, we recommend that the same be paid.

In the matter of the applications of the following persons for appointment as Commissioners of Deeds, we recommend that the same be granted: Marvin E. Burr, James K. Davy, Ivan Powers.

Respectfully submitted,

MERTON E. LEWIS,
MARTIN J. CALIHAN,
CHARLES S. COOK,
T. McMILLAN.

Law Committee.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the City Clerk be, and he hereby is, directed to draw an order on the Treasurer, payable from the Contingent Fund, in favor of H. P. Ayers, for the sum of one hundred and seventy-five dollars, due him under his contract with the city for sewer damages on June 1, 1893.

Adopted by the following vote:

Ayes—Ald. Tracy, McMILLAN, C. S. Cook, Calihan, Adams, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Simmelink, Lewis, Forsyth, Bierbrauer—16.

By Ald. Lewis—Resolved, That the Clerk be, and he hereby is, directed to draw an order on the Treasurer, payable from the Contingent Fund, in favor of Michael Herbert, for the sum of one hundred and seventy-five dollars, due him under his contract with the city for sewer damages on July 14, 1893.

Adopted by the following vote:

Ayes—Ald. Tracy, McMILLAN, C. S. Cook, Calihan, Adams, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Simmelink, Lewis, Forsyth, Bierbrauer—16.

By Ald. Lewis—Resolved, That upon the certificate of the City Attorney that proper releases of any and all claims by or on the party of Berinthia Hooper, now Berinthia Arnold, against the city by reason of the discharge into Hobbie creek, flowing through and along her premises, and the right, privilege and easements in and to said creek has been executed and delivered to said city, that the Clerk be, and he hereby is, directed to draw an order on the Treasurer, payable from the Contingent Fund, in favor of said Berinthia Arnold, for the sum of six hundred (\$600) dollars for all past and future damages occasioned by the pollution of said creek on her premises.

Adopted by the following vote:

Ayes—Ald. Tracy, McMILLAN, C. S. Cook, Calihan, Adams, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Simmelink, Lewis, Forsyth, Bierbrauer—16.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a Portland cement walk, 5 feet wide on each side of Pierpont avenue, from a point 50 feet north of Driving Park avenue to the north end of said Pierpont avenue, except where good flag or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also a Portland cement walk, 5 feet wide, on the south side of Lake View park, from the east line of lot No. 70 of the Selye subdivision to Pierpont avenue. Also the necessary sidewalk grading and flag crosswalks.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$2,500, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Pierpont avenue, from the north end thereof to a point 50 feet north of Driving Park avenue, and one tier of lots and parcels of land on the north side of Lake View park, from the east line of lot 70 of the Selye subdivision to Pierpont avenue, in proportion to the benefit which each will derive therefrom.

Adopted.

PLANK WALK ON SOUTH AVENUE.

By Ald. Pauckner—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a walk on South avenue.

Adopted.
The Surveyor submitted as such estimate, \$1,250.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a pine plank walk, 4 feet 8 inches wide, on the east side of South ave-

nue, from a point 50 feet north of the first angle south of Oak and street to the south line of Reservoir avenue; thence on the west side of South avenue, from a point opposite the south line of Reservoir avenue to Highland avenue. Also the necessary sidewalk grading and crosswalks.

And Whereas, the City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof and reports the same at \$1,250, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on the east side of South avenue, from a point 50 feet north of the first angle south of Oakland street, to Reservoir avenue; also one tier of lots and parcels of land on the west side of South avenue, in front of which the proposed walk is to be constructed, in proportion to the benefit which each will derive therefrom.

Ald. Pauckner moved to amend by adding the words, "property owners to have thirty days in which to construct their own walks. Carried.

Original ordinance as amended adopted.

WIDENING MORTIMER STREET.

By Ald. Alkenhead—Resolved, That the following improvement is necessary, and we hereby judge that the public good requires the same to be done, viz: The widening of Mortimer street, from the east end of the Woodbury building to North Clinton street, by adding a strip of land 33 feet wide on the north side of said street. And the territory necessary to be taken therefore is a strip of land 33 feet wide on the north side of Mortimer street, from the east end of the Woodbury building to North Clinton street.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Mortimer street, from North St. Paul street to North Clinton street, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Zimmer—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment are hereby directed to attend the Council at the next regular meeting after the passage or adoption of any such resolution order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. By Ald. Johnston—

CITY SURVEYOR'S OFFICE, }
ROCHESTER, N. Y., July 11, 1893. }

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—In accordance with your directions I have written to Messrs. Olmsted, Olmsted & Elliot and have received a reply from them to the effect that they will make designs for the improvement of and furnish planting plans of Browns square, Franklin square, Madison park and Jones square, for the sum of seventeen hundred (\$1,700) dollars, and for furnishing designs alone, without planting plans, \$1,100.

Very respectfully yours,
J. Y. McCLINTOCK,

City Surveyor.

Ordered received, filed and published.

LANDSCAPE ARCHITECTS, }
BROOKLINE, MASS., }
July 3, 1893. }

J. Y. McClintock, City Surveyor, Rochester, N. Y.:

Dear Sir:—We have received your letter of 30th of June. We will make designs for the improvement of Browns square, Franklin square, Madison park, Jones square, for \$1,000 and traveling expenses. If you require work-

ing drawings for grading, curbing, cross sections and the like we will charge for them at cost to us of draughting, etc. If you want planting plans we will supply them for \$100 each and actual cost to us of time of assistants, etc. We will, if desired, agree to limit the latter charge to not exceeding \$50 for each planting plan.

Yours very truly,

OLMSTED, OLMSTED & ELIOT.

Ordered received, filed and published.

By Ald. Johnston—Whereas, Messrs. Olmsted, Olmsted & Elliot, landscape architects, have agreed to furnish designs for Browns, Franklin, Jones and Madison squares, for \$1,000 and traveling expenses and to furnish planting plans in addition, at an expense not exceeding \$150 each square; and

Whereas, These squares are intended for the use of all people and all reasonable measures should be taken to make them attractive and beautiful; and

Whereas, Their commercial value is estimated at \$200,000, and would be considerably increased by their improvement; and

Whereas, An architect's charge for preparing plans for a new building would be from 2 to 3 per cent. of its cost, therefore

Resolved, That the offer of Olmsted, Olmsted & Elliot appears reasonable and that this Council approves it and accepts their proposition to furnish designs and planting plans complete for the four squares named, at a total cost, including traveling expenses, of not exceeding \$1,700.

Upon motion of Ald. Johnston action thereon was postponed two weeks.

UNFINISHED BUSINESS GENERALLY.

Ald. Johnston called up his resolution of May 16th, reported at page 61 current proceedings, with reference to the remodeling of the city hall and moved its passage.

Ald. Lewis moved that the matter be referred back to the City Property Committee. Carried.

EXECUTIVE BUSINESS.

Ald. Lewis moved that the Board proceed to the appointment of Commissioners of Deeds. Carried.

Ald. Lewis moved that the several persons recommended in the report of the Law Committee be appointed Commissioners of Deeds and that the Clerk cast the ballot therefor.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Callihan, Adams, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Simmelink, Lewis, Forsyth, Bierbrauer—16.

CITY SURVEYOR'S OFFICE. }
ROCHESTER, N. Y., July 8, 1893. }

To the Honorable, the Common Council of the City of Rochester :

Gentlemen:—Under your directions we devised a plan for disposing of the sewage from the county buildings, state hospital and the portion of the city south of the summit of Mt. Hope. The state officials have approved of the plan and have secured an appropriation of \$8,500 toward paying their share of the expense. The Board of Supervisors have approved of the plan and have voted to give a right of way for the sewer through the land of the county.

In order to build the sewer it will be necessary to secure a right of way through land of Ellwanger & Barry, lying south of Highland avenue and also north of said avenue; also through Highland park and land of Charles Barton. It seems probable that a right of way will be given by Messrs. Ellwanger & Barry and Barton, provided it will be graded so as to form an extension of South Goodman street south to Highland avenue.

As the proposed sewer is designed to carry sewage only and not storm water, it is evident that the county should pay a large proportion of the whole cost on account of the number of people occupying its buildings.

As it is a case where it is difficult to prepare an ordinance which will properly apportion the cost of sewer and right of way, I recommend that your honorable body appoint a committee of three members and invite the Board of Supervisors to appoint a similar committee from their body, to meet together and with the City Surveyor to prepare a plan of assessment and submit an ordinance for the building of said sewer.

Very respectfully yours,

J. Y. MCCLINTOCK,
City Surveyor.

Ordered received, filed and published.

By Ald. Pauckner—Resolved, That this Council hereby invites the Board of Supervisors of the County of Monroe to appoint a committee of three members to meet a like committee from this body and with them and the City Surveyor, determine upon a plan for building a sewer as designed by the City Surveyor, from the intersection of Elmwood and South avenue to the East Side Trunk Sewer in Goodman street.

Adopted.

By Ald. Pauckner—Resolved, That the Chair appoint a committee of three members of this Council to meet with a committee of like number from the Board of Supervisors of the County of Monroe, when said committee shall have been appointed and with the City Surveyor determine upon a plan for building a sewer, as designed by the City Surveyor, from the intersection of Elmwood avenue and South avenue to the East Side Trunk Sewer in Goodman street.

Adopted.

By Ald. Kelly—Resolved, That the ordinance regulating the use and explosion of powder, firearms and fire works be amended so as

to prevent the explosion of dynamite and other dangerous explosives for other than blasting purposes within the city limits and prohibit the suspension of any ordinance so amended.

Adopted.

By Ald. Simmelink, by request—Resolved, That the claim of Isabella A. Dove, for money advanced in 1890, for the purchase of materials and laying of a cast iron water main in Melrose street between Genesee street and Wellington avenue, amounting to \$826, be refunded to her without interest. Said street having been dedicated and accepted for public use; and that the Executive Board be requested to prepare a voucher, audit the account and pay the same to her, out of funds standing to the credit of the Water Pipe Extension Fund.

By Ald. Lewis—Petition of F. S. Minges of East Main and Goodman street, Rochester, N. Y.

ROCHESTER, N. Y., July 11, 1893.

To the Honorable, the Common Council of the City of Rochester :

Gentlemen:—The petition of Fred S. Minges respectfully shows to your honorable body that your petitioner resides at East Main and Goodman streets. That heretofore and on or about March 26th, 1885, your petitioner being the owner of lot 1, Assessors subdivision of part of town lot No. 58, neglected to pay an assessment of \$1,257.84, being the amount of his assessment for East Main street macadam improvement and said assessment for aid amount wa sold.

That your petitioner believed and still believes that he had a just valid and equitable defense to said assessment or some portion thereof, but for the purpose of avoiding litigation and expense, he is now willing to and does hereby offer to pay said sum of \$1,257.84 with interest thereon at the rate of 6 per cent. per annum from the date thereof, provided the above proposition is immediately accepted, but only upon such condition.

Wherefore, your petitioner prays that a resolution accompanying this petition directing the City Treasurer to accept said sum with interest at 6 per cent. and to cancel said assessment be adopted without delay.

FRED S. MINGES.

Ordered received, filed and published.

By Alderman Lewis—Resolved, That the proposition of Fred S. Minges contained in the foregoing petition be and the same is hereby accepted and the City Treasurer be and he is hereby authorized and directed upon receiving payment of said assessment with interest at 6 per cent. per annum, to date of payment, to cancel said assessment.

Adopted by the following vote:

Ayes—Alds. McMillan, C. S. Cook, Callihan, Adams, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Lewis, Forsyth, Bierbrauer—16.

ROCHESTER GAS & ELECTRIC Co., }
ROCHESTER, N. Y., July 17. }

To the Honorable, the Common Council of the City of Rochester :

GENTLEMEN—It is apparent that it will soon become important for the city that the electrical subway on State street be extended to Lyell avenue, both on account of the development of State street and of the probable increase in the number of wires to be used on that street for electrical purposes. The Rochester Gas and Electric Company, desiring to facilitate in the future, as heretofore, the efforts made by the city to remove overhead wires in the crowded business quarters of the city, is willing to extend its State street subway to Lyell avenue, and if such extension is desired by the city, said company respectfully requests that permission therefor be granted to it on the same terms described in the contract executed between the city of Rochester and this company on the 5th day of September, 1892, so that said extension, or at least that portion thereof running to Brown street, may be constructed this summer.

All of which is respectfully submitted.

Resolved, That the resolution offered by Ald. Forsyth at the regular meeting of the Common Council held February 21, 1893, and reported on page 549 of proceedings of 1892-1893 which relates to the ordering of an assessment for Genesee street asphalt improvement, Ordinance No. 4,383, be reconsidered.

Adopted.

By Ald. Forsyth—
Resolved, That said resolution be amended so as to read as follows:

LOCAL IMPROVEMENT ASSESSMENT.

By Ald. Forsyth—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvement, including and all interest that the city has paid or has or shall become liable to pay upon accounts of any and all orders or notes issued by the city to pay the expenses of such improvement adjusted by this Common Council as thus reported, and the portions or parts of the city on which the said expenses and hereby directed are to be assessed and which this Common Council deems to be benefited by the improvement respectively, are as stated and described in the final ordinance relating to the improvement, respectively, and that the names and expenses of the improvement thus to be assessed are as follows:

Ord. No.	Improvement.	Expense.
4383.	Genesee St., Asphalt Imp. . . .	\$94,729.34.

And it is further determined that the taxpayers to be assessed for making the foregoing improvement, may pay their assessment in five equal payments as follows: One-fifth within thirty days of the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-fifth within one year from the conformation of such roll; one-fifth within two years of the conformation of such roll; one-fifth within three years from the conformation of such roll; and the remaining one-fifth within four years from the conformation of such roll.

On all sums paid prior to the maturity of said last installment a discount will be allowed at the rate of 6 per cent. per annum.

And the assessors of said city if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed as aforesaid, or if any two of said assessors, are not so interested,

then such two are hereby directed to make assessment upon all the lots and parcels of land within the portion or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvement, in proportion as nearly as may be, to the advantage which the said lots and parcels of land within the territory to be thus assessed for such improvement shall be deemed to receive by the making of the improvement.

Adopted by the following vote :

Ayes—Alds. Tracy, C. S. Cook, Calihan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Simmelink, Lewis, Forsyth, Bierbrauer.—18.

By Ald. Forsyth—Resolved, That an arc electric light be placed on Montrose street 300 feet from Genesee street.

Referred to Lamp Committee and City Electrician.

REPORTS OF STANDING COMMITTEES.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your City Property Committee would submit the following statements concerning their previous recommendations for the remodeling of the City Hall building.

The Mayor, Police Commissioners and Superintendent Cleary are unanimously opposed to the idea of removing the Police Department to the old No. 10 school-house site. They are all exceedingly well pleased with the arrangements proposed in the remodeling plans and testify that they will afford the Police Departments better accommodations than it has ever experienced. Your committee has examined carefully the reports made by former committees and would state that in each and every instance, the estimates of expense furnished by Architect Crandall are, for work of similar quality and quantity, as reasonable as those reported by our predecessors.

As the comparative expense of elevators has been the item commented upon the most, we submit herewith the written statements of The Graves Elevator Co., and they ought to put a complete estoppel upon all further adverse criticism on these points. The only opposition remaining against the remodeling plan that your committee knows of, is based on a desire to retain the present hall for assembly purposes. It is not used by the public, as it was originally expected it would be, its use is diminishing each year and it now is practically abandoned, excepting only its occasional use by nominating conventions. These latter could be held equally as well in the Council Chamber; and it is a well-known fact, that in proportion as a city's population increases and it is supplied with active, intelligent newspapers, its need of a public hall decreases. The principal reasons that led to the voluntary abandonment of the hall, are its lack of modern accommodations and its inaccessibility. The former might be overcome with money; the latter cannot be and your committee are firmly convinced that the old hall has outlived its usefulness and should be re-modeled and utilized for other purposes. The financial side of the question is important and will be briefly stated.

The city is paying \$3,700 rent for outside offices, not including the amount paid by the West Side Sewer Commission. This is equivalent to 5 per cent. upon an investment of \$74,000. The cost of a new central police station will be at least \$50,000, and the removal of the Police Department will only reduce the amount of outside rent, \$1,440; so that even with the Police Department removed, the city will still be paying \$2,260 rent, or 5 per cent. upon an investment of \$45,000.

Again, the cost of making needed repairs to the present building, with or without the removal of the Police Department, will approximate \$10,000; so that the expense in-

involved in the different propositions may be summarized as follows:

Plan to connect with the Court House, \$242,500.

Plan involving Police Department removal—New Police headquarters, \$50,000; amount represented by rent of outside offices, rental \$2,260, interest 5 per cent. on \$45,000; needed repairs to City Hall building, \$10,000. Aggregating, \$105,000.

Plan permitting building to remain unchanged—Amount represented by rent of outside offices, rental \$3,700, interest 5 per cent., \$74,000; needed repairs, \$10,000. Aggregating \$84,000.

Plan for re-modeling, recommended by committee, including all needed repairs, two first-class elevators, ventilating fans for police cells, enlarged and ample facilities for every city department, complete, \$50,000.

Many objections can be made against the first three plans in addition to the financial ones; but inasmuch as the only known objections to the latter plan are its cost and the sentiment in favor of retaining the old hall, your committee feel that they are recognizing the truest and best interests of their constituents in continuing to recommend their original re-modeling plan and they feel thoroughly justified in doing so.

THE GRAVES ELEVATOR CO.
ROCHESTER, N. Y., July 17, 1893.

James Johnson, Esq., Powers Block, City:

Dear Sir: As regards the elevator for the City Hall, permit me to say I have just seen what purports to be a copy of my letter to Mr. Calihan September 17, 1892, in the printed report of the Common Council '91 and '92.

By a mistake either in copying or printing, this letter makes us to say that "we would do all carpenter and mason work, enclosing elevator hatchway, or any alterations in the City Hall," which we did not say.

I have furnished your architect, Mr. Charles Crandall, with a correct copy taken from our water print of this letter. This print of the original letter we have in our office and will be pleased to show to any one interested.

Early this spring in conversation with your architect, Mr. Crandall, I gave him an approximate estimate on two elevators for the City Hall, for a travel of five stories, including iron guideways, iron over-head construction, ornamental iron cars, all pumps, tanks and appliances complete. I mentioned an approximate price of about \$10,000 for the elevators proper. I also said that for \$12,000 we would include a good substantial, ornamental iron casing for the elevator hatchway, which I now confirm.

I will say in addition to this that two good substantial, safe elevators can be put up in the City Hall, with all the pumping appliances, for \$8,000, according to the kind of pumps, cars, guides and details and including plain wire screen outside for probably \$9,500.

But a first-class job, with ornamental iron cars with heavy ornamental casing to match, would not cost much less than \$12,000, and we could put in a class of ornamental casing which would bring them up to \$13,000 or \$14,000. We guarantee as low prices for the same quality of work as any elevator builders in the country.

The basis of our prices given in conversation with Mr. Crandall are exactly in accordance with our letter to Mr. Calihan.

Would further state that we are willing to show interested parties prices on elevators which we have erected in this city or different parts of the country, including elevators in the

City Hall, Fall River, Mass., City Hall, Lowell, Mass., Court House, Hartford, Conn., and many others. Respectfully,

Ald. Lewis presented a minority report of the City Property Committee as follows:

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: The undersigned, members of your City Property Committee, to whom has been referred all propositions looking toward the remodeling of the city hall building, find themselves unable to agree with the other members of the committee in the report submitted at this meeting. We deem it unadvisable at the present time to remodel the city hall building in accordance with the plans submitted by the committee, and prepared by Mr. Charles F. Crandall. These plans make no provisions for increased accommodations for the city treasury, one of the most important and over-crowded departments of the city government, and but inadequate provisions for the police department. Whether or not it would be advisable to occupy the No. 10 school site for the police headquarters, or whether some other site should be selected and a building erected thereon for such headquarters, it is certainly conceded by all that the police department should be removed from the city building. The removal of the police department to other quarters, and the transfer of the municipal court to the new court house, when erected, which it is believed by every member of the committee would be advisable, would furnish a considerable space for the use of the other departments of the city government. The expense of a few thousand dollars would provide an elevator in the city hall, which would carry passengers to the second floor, from which they could readily walk to the city hall on the top floor, and re-arrangement of departments could be made so that temporarily no department would suffer.

The term of office of the East Side Sewer Commissioners will soon expire, and the necessity for providing quarters for the chief engineer of the water works construction department outside of the city hall building will be obviated upon the completion of the new conduit. The only departments then occupying rented quarters will be the city attorney's office and the park commissioners, and the expense of providing quarters for the park commissioners could be reduced by that commission holding its meetings in the Common Council chamber.

It has been proposed to meet the expense of making the alterations in accordance with Mr. Crandall's plans by issuing the city's bonds for \$50,000 payable in ten equal annual installments of five thousand dollars each; but in view of the present condition of the money market, it is believed that the city would be unable to sell such bonds upon any favorable terms, and as there is no other method of providing for such expense, the undersigned, members of the committee, believe that it would be part of wisdom to postpone action upon the proposition until a later date; certainly until money could be procured on much more favorable terms than at present. In the mean time, the construction of the new court house will have been begun, and the matter of providing a headquarters for the police department can be more thoroughly discussed, and we believe that a better and more satisfactory plan will be perfected.

All of which is respectively submitted.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Law Committee would respectfully report that in April, 1892, a final judgment was entered in the Oak Hill Cemetery proceeding and costs were entered against the city for the sum of \$146.41. A motion was made for a re-taxation of the costs by the cemetery association, and Judge Davy granted the re-taxation of costs, allowing the association \$308.65. An appeal was taken from said decision to the general term of the supreme court, and the court reversed the special term ruling, and affirmed the taxation of the clerk at \$146.41. From that decision, the association appealed to the court of appeals, and that court has just affirmed that decision, so that all the city now pays is the sum first taxed by the clerk, viz: \$146.41. This was in proceeding No. 1. In proceeding No. 2, a stipulation was made in April, 1892, directing that judgment be entered in favor of the cemetery association with \$50 costs. The city attorney recommends that these amounts should now be paid, as the matter has been determined.

J. Sebastian Zwerger on May 11, 1893, recovered a judgment against the city of Rochester for damages for sewer pollution for 100 damages and \$148.48 costs. In view of the fact that the recovery in this judgment was so small, it has been deemed advisable not to take any appeal therefrom, and the city attorney recommends that this judgment be paid.

On June 14, 1892, Margaret Eagan recovered a judgment against the city for \$322.50 damages and \$165.76 costs. An appeal is now pending from that judgment, and there was also an appeal taken by the city from that part of the judgment awarding costs to Mrs. Eagan. Mrs. Eagan is now willing to settle the judgment for the amount of the damages, without costs, and, in view of the small amount of the judgment, and the fact that there is little ground for an appeal, the city attorney recommends, and your committee believes, that this judgment should be paid.

On June 27, 1893, judgment was entered against the city in the case of H. Austin Brewster against the city. The issues involved in the action are at present being litigated in the action of Michael Slack against the city, a motion was made to set aside the judgment, and the county court staid the proceedings in the first mentioned action, upon the payment of the costs of the same and ten dollars motion costs. It is advisable that an adjudication be had in the Slack action without trying the Brewster action, and the City Attorney recommends that these costs, amounting to \$27.60 be paid, in order that Mr. Brewster's action be staid, as aforesaid; and your committee therefore recommends that an order be drawn for that amount.

In the matter of the application of the following named persons for appointment as Commissioners of Deeds, we recommend that the same be granted: J. Stewart Bamber, Louis Englert, Arthur A. Reeves, Walter Savage, Philip F. Chubmehl, John Wehle.

In the matter of the investigating clerk, your

committee has decided to fix Mr. Foreman's salary for the ensuing year at fifty dollars per month to date from June 1, 1893.

All of which is respectfully submitted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By Ald. Adams:
 Mahlon B. Adams, Chairman of the Common Council of the City of Rochester:

Sir: I hand you herewith a copy of a resolution passed by the Board of Supervisors of the

County of Monroe, in special session assembled, July 20, 1893. Will you kindly call the attention of the Council to it?

Yours very respectfully,
CHARLES U. BASTABLE, Clerk.

CITY HALL N COUNTY PROPERTY,

By Sup. Goss:

Whereas, The survey recently made by J. C. Ryan of the court house lot, shows that the city hall building stands on county property as follows: 10 69:100 feet on Fitzhugh street and 8 75:100 feet on Irving place; and

Whereas, In order that the county may preserve all its rights to said property and the city be notified of the results of said survey; therefore

Resolved, That the clerk of this board serve a notice on the mayor of the City of Rochester, and president of the common council informing them regarding said encroachment and that the County Claims title to said property.

Adopted.

Ordered received, filed and published, and upon motion of Ald. Lewis referred to the Law Committee.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, July 24, 1893. }

To the Honorable the Common Council of the City of Rochester:

Gentlemen—The following is a copy of a communication received by the Executive Board from the Commissioners of Mount Hope Cemetery:

MT. HOPE CEMETERY, }
ROCHESTER, N. Y., July 7, 1893. }

To the Honorable, the Executive Board the City of Rochester:

Gentlemen—We desire to call the attention of your Board to the condition of the road-bed on the part of Mount Hope avenue, along the cemetery, between the corner of Highland avenue, and the city line, which is very much in need of repair; or what would be much better, in view of the increasing amount of driving to the parks as well as to the cemetery,—an entirely new and substantial pavement.

Hoping that you will give this matter your favorable attention, we are, Very respectfully,

FREDERICK COOK,
HENRY C. BREWSTER,
H. B. HATHAWAY,
Commissioners.

The Executive Board recommend in accordance with the above communication that the City Surveyor be instructed to draft an ordinance which shall provide for the re-surfacing on the roadway of the section of Mount Hope avenue between the points above named, or that it be permanently improved.

As suggested in the communication, the importance of this thoroughfare on account of the travel to the parks has been greatly increased, and that our citizens might avail themselves of the benefits of these new pleasure grounds, this roadway should be permanently and substantially improved, and the work can be done at reasonable cost.

Respectfully,
THOMAS J. NEVILLE,
Clerk.

Ordered received filed and published and upon motion of Ald. Zimmer. referred to Public Improvement Committee.

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., July 24, 1893. }

To the Common Council:

Gentlemen:—I am directed by the Executive Board to request that, as early a date as practicable, the ordinances for the improvement of Main and State Streets be put upon their passage. It is desirable that this important work should be well considered, in order that improvements of so much importance should be

commenced right, and progressed and completed without any delay arising from unforeseen obstacles or other causes. It is also important that the ordinances should be passed at as early a date as possible, so that the contracts can be awarded and the material prepared during the autumn and winter seasons, and that in the early spring everything will be in readiness to at once commence laying the pavements. In addition to the expediency of this action, it may also be stated that so much time having been given to obtain the material and to prepare it for use, the work doubtless can be let for a much lower price than if action was delayed until next spring.

Your attention may also be called to the necessity of constructing a sewer in State street of larger proportions and more modern construction than the one now located there. This should be done, of course, in advance of the laying of the pavement. The ordinance for the improvement might also provide for the building of a sewer of sufficient capacity and dimensions to meet the wants of the business property on this street. Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published and upon motion of Ald. Zimmer the surveyor was directed to prepare an ordinance in accordance therewith.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., July 11, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: The Executive Board has caused letters to be sent to the agent and heirs of the estate of Samuel Miller, asking at what price the parcel of land on the northwest corner of South St. Paul street and Court street could be purchased by the city. Reply to such communication has been received from Frank A. Ward, who represents the owners of the property in this city, stating that they would accept \$5,000 for the land proposed to be taken.

The Executive Board is of the opinion that this amount is larger than the city is warranted in paying for the property; and, therefore, recommend that your honorable body direct the City Attorney to apply to the courts for the appointment of a commission to determine its value.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published and referred to Law Committee.

By the Clerk—

CITY TREASURER'S OFFICE, }
ROCHESTER, N. Y., July 24, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: There is now awaiting disposition in my office an order for a tax search upon the property assessed to the Oak Hill Cemetery Association, comprising about 45 acres of land situated on the east side of Mt. Hope avenue. Under the peculiar circumstances of the case, I deem it my duty to withhold delivery of the search until advised by your honorable body whether the city claims to hold any lien upon the property in question on account of taxes due and unpaid. In order that you may possess the information requisite to an intelligent consideration of the subject, I beg leave to call your attention to the following statement of facts:

For a number of years prior to and including 1888 the lands in question were assessed upon the tax rolls of the city to the heirs of H. G. Warner. On march 19, 1889, the Oak Hill Cemetery Association was incorporated and on the same date your honorable body, by amendment of the penal ordinance

relating to the burial of the dead, gave the association permission to use its grounds for burial purposes. Such permission was afterwards revoked, on May 2d of the same year, in obedience to the manifest will of the people, who were opposed to the establishment of another large cemetery within the city limits.

It is unnecessary to recite the history of the subsequent litigation, which terminated in a decision by the court of appeals upholding the right of the Common Council to reconsider its vote granting the privilege of burial in the proposed Oak Hill cemetery, but declaring the lands exempt from taxation while they were owned by the cemetery association. Pursuant to the ruling of the court upon the question of taxation I have been served with orders directing me to cancel the taxes which appear upon the books of my office against this property. I am informed that the principle object of the pending application for a search is to ascertain whether I have complied with the orders of the court, and I have been notified that I will incur the penalty of contempt of court if I fail to cancel the taxes as directed. The taxes which appear upon my books against this property are as follows:

	Tax.	Tax and Expenses.
1890	\$1,206.80	\$ 1,316.93
1891	9,469.03	10,322.74
1892	33.87	38.43
1893	20.86	

The amounts above given include \$1,106.20 in 1890 and \$1,168.48 in 1891 charged against the property under the general tax levy for those years respectively. They also include the following items charged against the property upon the general city tax rolls under the provisions of section 209 of the city charter:

Mt. Hope ave. sprinkling, Ord. 3,659.	\$ 100 00
1891.	
Mt. Hope ave. improv't, Ord. 3,181.	\$8,266 35
Mt. Hope ave. sprinkling, Ord. 3,904.	21 00
Water	13 20
1892.	
Mt. Hope ave. sprinkling, Ord. 4,308.	\$ 20 67
Water	13 20
1893.	
Mt. Hope ave. sprinkling, Ord. 4,666.	\$ 20 86

Upon receipt of the orders of the court directing the cancellation of these taxes I handed the same to the city attorney. The last one I received, relating to the taxes for the year 1891, was served upon me on the 5th inst., and I delivered it to him on the same day. When the pending search upon the property was ordered I visited his office and asked for instructions how to proceed under the orders of the court. The following is a copy of his reply, received by me on the 22d inst.:

S. B. Williams, Esq.:

My Dear Sir: The taxes and assessments against the Oak Hill cemetery property will have to be cancelled, pursuant to the judgment served on you.

Yours, etc.,
C. D. KIEHEL,

Without presuming to dispute the opinion of the city's legal adviser, I fell unwilling to make any alteration in the books of my office except in pursuance of explicit instructions from your honorable body. It is evident from the decision of the court of appeals that the city has no valid claim against the Oak Hill cemetery property for the general city taxes of the years 1890 and 1891. From the foregoing communication of the city attorney it appears that the land was also exempt from assessment under local improvement ordinances and from water rents while it was the property of the cemetery association.

I cannot escape the conviction, however, that the order of the court should not apply to the large assessment for the improvement of Mt. Hope avenue. Final ordinance No. 3,181, under the provisions of which the improvement was made, was passed by the Common Council on April 19, 1887, and the assessment roll was confirmed by your honorable body on June 26, 1888. The property afterwards purchased by the cemetery association was then owned by the Warner heirs, and was not sold to the association until the spring of the following year. The original tax against the Warner property for the Mt. Hope avenue improvement was \$22,339. At the meeting of your honorable body held on July 10, 1888, Ald. Kelly presented a petition from J. B. Y. Warner for relief from a portion of this assessment. The petition was referred to the assessment committee, which at your next subsequent meeting held on July 24, 1888, presented its report containing the following recommendation upon the subject:

In reference to the petition of the heirs of H. G. Warner to have relief afforded them upon account of the assessment made against their property on the east side of Mt. Hope avenue for the Mt. Hope avenue improvement, under final ordinance No. 3,181, your committee, after a careful investigation, finds that, by reason of the exception of the property owned by Mount Hope Cemetery upon the westerly side of said avenue, opposite to said Warner property, from assessment for local improvements, under the terms of the charter the whole expense of said improvement, with but a slight exception, was assessed upon said Warner property, which was contrary to the spirit of the ordinance, the ordinance requiring the assessment to be made upon the tier of lots upon each side of the avenue so improved, although in strict accordance with the terms of the charter. The Warner property ought not, in the opinion of your committee, be assessed for said improvement more than its equitable proportion, providing said cemetery property was not exempt, the amount of which is stated in the accompanying communication of a majority of the city assessors, their judgment or conclusion being concurred in by your committee.

The communication of the city assessors referred to by the committee was as follows:

Ald. Kohlmetz, Chairman Assessment Committee:

Dear Sir: In reply to the communication of First Assistant City Attorney Sullivan, acting clerk for your committee, asking us to state what the assessment for the improvement of Mt. Hope avenue would have been on the property of the heirs of H. G. Warner, had the property of Mt. Hope Cemetery been included and assessed in the assessment roll for said improvement. We would say that in our judgment had the Mt. Hope Cemetery been assessable the property of the heirs of H. G. Warner would have paid the sum of \$11,272.31, the balance of their bill should be paid by the city of Rochester; or, in other words, they should be allowed to pay their bill, less \$11,066.69.

Yours respectfully,

L. A. PRATT,
M. J. MAHER,
City Assessors.

In accordance with the recommendation of the Assessment Committee your honorable body at the same meeting adopted the following resolution:

By Ald. Kohlmetz—Resolved, That the City Treasurer be, and he hereby is, directed to receive from the heirs of H. G. Warner the sum of eleven thousand and two hundred and seventy-two dollars and thirty-one cents, in full of the assessment against their property upon the easterly side of Mount Hope avenue for Mount Hope avenue improvement, under

final ordinance No. 3,181, and that the charge the remainder of said assessment to erroneous assessments; interest to be added to said reduced amount in case of non-payment, as provided by the City Charter, as if said reduced amount was the amount of said assessment.

Adopted.
The assessment roll was amended as directed in the foregoing resolution, the sum of 11,272.31 assessed against the Warner property being divided into three payments. On August 8, 1888, the owners of the property paid upon this assessment the sum of \$3,255.03, being the first payment less the discount computed at the usual rate. They thus recognized the validity of the assessment and had full knowledge that the two remaining payments were a lien upon the property when they sold it to the cemetery association in the following year. The purchasers, also, unless they neglected the usual precaution of procuring a tax search, received notice of the existence of the lien.

The second and third payments under the assessment roll were not paid, and the last payment having become due on June 26, 1890, the sum of \$8,266.35 was charged against the property on the general city tax roll for 1891, this being the amount of the unpaid portion of the assessment with interest from June 26, 1890, to July 1, 1891, at ten per cent. per annum, as directed by section 209 of the charter. I am unable to believe that the mere fact that this assessment was finally placed on the general city tax rolls, after the property had become exempt from taxation, would operate to discharge a lien that had existed and the validity of which had been fully recognized several months before the incorporation of the cemetery association and its purchase of the property. If this were the case any man might let the taxes accumulate upon his property for an indefinite period, and finally escape payment by selling his land to a graveyard company, buying it back relieved from all incumbrances after the lapse of two or three years. This, indeed, is precisely such a case. The former owners are again in possession of the property. It has escaped taxation for general purposes for four years, during which its value has been greatly enhanced by the rapid growth of the city in that direction. It is impossible to believe that it has also been relieved of this lien which rested upon it five years ago and which has never been discharged by payment. If such be the effect of the order of the court directing me to cancel the tax of 1891, that order must have been granted without knowledge of the facts, and upon their proper presentation to the court a modification excepting from its operation the assessment for the Mt. Hope avenue improvement could undoubtedly be secured.

If in this communication I have seemed to trespass upon the prerogative of another department of the city government, my double excuse is the desire to save the city treasury the large sum involved and to protect my bondsmen and myself from possible liability.

The amount added to the tax of 1891 upon the cemetery property for the Mt. Hope avenue improvement was \$8,266.35. If this were then the only valid lien of the city upon the property it would have amounted with interest and expenses to the date of sale, March 31, 1892, to \$9,011.79. Add to this the interest at the rate fixed by the charter from the date of sale to the present time and the lien now amounts to \$10,453.68, a sum too great to be erased by me from the books of the city treasury without my calling the special attention of your honorable body thereto. In view of the facts hereinbefore stated, I respectfully request your honorable body to direct me by resolution what taxes against the lands assessed to the Oak Hill Cemetery Association are to be canceled by me in obedi-

ence to the orders of the court, and what taxes, if any, are still to be held as valid liens upon the property.

Respectfully submitted,
S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published, and upon motion of Ald. Lewis referred to the Law Committee.

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., July 12, 1893. }

By Ald. McMillan—
To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—I would respectfully report that I have received no proposals for the bridge bonds, advertised for sale to-day.

If the sale had been consummated, I was instructed by former resolutions of your honorable body to reimburse Contingent Fund for the several payments which have been made from that fund, for bridge purposes.

At your meeting held last evening the clerk was authorized to draw an order for \$25,000, in favor of John F. Alden, the same to be charged to the Contingent Fund.

The balance in this fund at present is \$3,700, and I can transfer to its credit \$13,000 more, from interest on assessments, but will then be short \$9,000 of the amount required to meet this payment. It will therefore be necessary to authorize the making of the city's note, and as the Contingent Fund cannot receive the credit for amounts paid for bridge purposes, until the bonds are sold, it would be well to include in the resolution a sufficient amount to pay the budget for current month, that will be chargeable to Contingent Fund.

Respectfully submitted,
S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to issue the city's note for the sum of (\$50,000.00) fifty thousand dollars under the authority of section 81 of the City Charter, said note to be discounted under the direction of the Finance Committee, to be countersigned by the chairman of the Finance Committee, the discounts thereon to be charged to Contingent Fund, and the remaining proceeds placed to its credit.

Adopted by the following vote.

CITY SURVEYOR'S OFFICE, }
ROCHESTER, N. Y., July 25, 1893. }

To the Honorable the Common Council of the City of Rochester:

Gentlemen:—A survey of that portion of the city comprising old wards Nos. 1 to 14 has been in progress many years and is now approaching completion under a contract with Mr. John C. Ryan.

In order to more fully realize the value of the work done it is necessary to set about two hundred stone monuments to mark corners which have been established by Mr. Ryan in making the survey. Mr. Ryan offers to furnish and set these monuments for the sum of five dollars each.

I hereby recommend that a contract be made with John C. Ryan to set stone monuments, not exceeding two hundred in number, at such points as shall be directed in writing by the City Surveyor, at a cost of five dollars each.

Very respectfully yours,

J. Y. MCCLINTOCK,
City Surveyor.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—At a meeting of the Board of Health of the city of Rochester, held July 12, 1893, the following resolution was unanimously adopted:

By Commissioner Biegler—Whereas, The report of the medical inspector of this board shows a serious unsanitary condition of the cellars of the dwellings on Walnut street in consequence of insufficient drainage on said street, and that said condition is such as to call for a decided action on the part of this board; and

Whereas, A portion of said street has (between certain intersecting streets) been provided with drainage; it is therefore,

Resolved, That the Common Council be respectfully requested to provide the necessary measures for the relief of the existing nuisance and evils which menace the health of the residents of said street, by passing an ordinance to construct a sewer or sewers in portions of said street which have not already been provided with drainage, and that a copy of the report of said medical inspector be forwarded with this resolution to the Common Council.

Adopted.

Medical Inspector Goler submitted the following report June 21, 1893:

Attention is respectfully called to the condition of the houses on Walnut street, between Jay and Orange streets. At this part of Orange street there is an old leaky four-inch private sewer, which is wholly inadequate for present use. There is water in nearly all of the cellars upon the street. Water closets in some of the houses cannot be used. Several of the property owners upon this street are anxious for a proper sewer, and have been to the board to ask for relief.

CITY SURVEYOR'S OFFICE, }

To the Honorable the Common Council of the City of Rochester:

Gentlemen:—In accordance with your resolution of the 11th inst., I beg leave to say in relation to the bridges of the New York Central and Hudson River road, over Smith, Kent, Oak and Orchard streets, that they are old wooden bridges which should be replaced with more substantial structures, to insure the safety of the people in the streets; that the bridge at Smith street in particular has been

so charred by fire that its immediate condemnation would be proper, both for the safety of the railroad as well as the public; that all four of the bridges have been apparently properly condemned by the railroad officials and are only made usable by the help of most ungainly temporary wooden trestle bents which are placed under them upon the sidewalks.

It appears that permission was given by the Executive Board in October, 1892, for the erection of these temporary supports, which obstruct the sidewalks, upon the distinct understanding that the wooden bridges would be replaced by substantial iron structures by February 1, 1893.

It would be no hardship to the railroad for the city to order the removal of the posts which are an obstruction to the sidewalk, and to call the attention of the railroad commission to the unsafe condition the bridges will then be in.

Very respectfully yours,

J. Y. McCLINTOCK,

City Surveyor.

Ordered received, filed and published.

By Aid. Johnston—Resolved, That the Executive Board be and it is hereby requested to cause the removal of the temporary wooden trestle under the bridges of the New York Central & Hudson River Railroad at Smith, Kent, Oak and Orchard streets, which form obstructions to the sidewalks on said streets and request the New York Central Railroad officials to substitute iron bridges for wooden bridges on said streets in accordance with their expressed intention.

Upon motion of Aid. McMillan the matter was referred to the Railroad Committee.

ACTION UPON ORDINANCES.

FIRST ORDINANCES.

PIPE SEWER IN ORCHARD STREET.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in portions of Orchard street.

Adopted.

The Surveyor submitted as such estimate, \$2,750.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer, 12 inches in diameter, in portions of Orchard street, as follows: From a point 80 feet south of Wilder street to the sewer in Maple street; from a point 50 feet north of Campbell street to the sewer in Orange street; from a point 50 feet south of Jay street to the sewer in Orange street; from a point 50 feet south of Lime street to the sewer in Smith street. Also the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$2,750, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Orchard street, from Maple street to Wilder street; from Campbell street to Jay street, and from Smith street to Lime street, in proportion to the benefit which each will derive therefrom.

Adopted.

PIPE SEWER IN MILLER ALLEY.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Miller alley.

Adopted.

The Surveyor submitted as such estimate, \$575.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, viz:

The construction of a Portland cement walk, 7 feet wide, on the west side of Jefferson avenue in front of Public School lot No. 4; also on the south side of Penn street, in front of said school lot, to be 4 feet wide. Also the necessary sidewalk grading.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$325, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land in front of which the proposed walk is to be constructed in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Zimmer—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Daily Times notice thereof as is required and in the manner specified by section 172 of the city charter.

CITY CLERK'S OFFICE, }
ROCHESTER, N. Y., July 25, 1893. }

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat

and Chronicle and the Rochester Daily Times, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, July 25, 1893, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk.

By Ald. Simmelink—Whereas, the treasurer did on March 26, 1891, sell to the city a tract of land in the Strong subdivision on the west side of St. Paul street assessed to Edwin L. Harris, for \$46.60, and it appears that at the time that said taxes were assessed the property was owned by the city of Rochester, having been purchased for park purposes, therefore,

Resolved, That the City Treasurer be, and he hereby is, directed to cancel on his books the tax levied against the said property and the sale made thereunder for the general city taxes for the year 1890.

Adopted.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: I respectfully request that it be referred to the appropriate committee with power to apportion the unpaid taxes and assessments upon the lands of G. S. Riley bounded by No. Union and East Main sts., Central avenue (formerly Tappan street) and University avenue. Many parcels of this property have been sold since the said taxes and assessments became liens and it is necessary to determine the proportion thereof that each parcel should pay.

MARTIN W. COOKE.

Ordered received, filed and published and upon motion of Ald. Lewis referred to Assessment Committee.

By Ald. Lewis—Resolved, That the matter of the payment of the installment under the contract between the city and Hannah Brown, dated Dec. 9, 1886, be referred to the Law Committee.

Adopted.

Pursuant to the resolution of Ald. Dewey the chair handed down as the committee on Rochester day at the World's Fair the names of Aids. Dewey, McMillan and Tracy.

By Ald. Johnston—Petition of Rosanna Kinney with reference to an erroneous assessment. Referred to Assessment Committee.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I respectfully submit herewith a few brief statements bearing upon the city's real estate valuation, amount of tax levy and bonded indebtedness, which I desire to have published so that they may be easily referred to at future meetings and furnish a basis for the discussion upon them that will be invited.

ASSESSABLE REAL ESTATE VALUATION.

April 1, 1892—Assessor's value.....	\$ 96,752,217
April 1, 1893—Assessor's value.....	97,214,325
April 1, 1894—Value estimated according to present methods.....	98,500,000

April 1, 1895—Value estimated according to present methods..... 100,000,000
Tax levy, 1893—\$1,632,500, or 1.68 per cent. of real estate valuation of \$97,214,325.

Tax levy, 1894—Amount of money needed to place the city free from current debt, April 1, 1895, exclusive of its bonds, estimated at \$2,030,000, or 2.06 per cent. upon the estimated real estate valuation and made up as follows:

Interest	\$ 140,000
Lamp Fund	175,000
Police Department	175,000
Contingent Fund	200,000
Poor Funds—both	30,000
Board of Health	50,000
Water for City Uses	100,000
Erroneous Assessments	5,000
City Property Fund	10,000
Park Commissioners Fund	40,000
Park Boulevard Fund	10,000
Park Loan Sinking Fund	3,000
Small Park Fund	2,000
Local Assessments, City Property	5,000
Board of Education	400,000
Fire Department	225,000
Street Department	250,000
Water Pipe Fund	60,000
Deficiencies April 1, 1894	150,000

Statement of Bonded Indebtedness.	
Amount April 1, 1893	\$6,730,000
Balance East Side Sewer	500,000
Balance New Water Conduit	1,250,000
New Reservoir, Cobb's Hill; new and enlarged distributing mains	400,000
Bridge Bonds, authorized but not issued	150,000
City Hall remodeling	50,000

Aggregating

Or nine per cent. of the city's real estate valuation, or the equivalent of a \$90 mortgage upon every \$1,000 real estate value in our city.

In presenting these estimates the author must not be understood as favoring or opposing any of the interests affected by them, but simply as recognizing certain expenditures that have already been contracted for, some that are inevitable and others that appear to have such strong public sentiment in their favor as to compel a recognition. Some of the items may be considered excessive, and if so, they will right themselves; while on the other hand, no provision has been made for contingencies that are almost certain to arise when least expected, and the statements submitted are intended to be conservative, rather than otherwise. Many taxpayers are complaining about the heavy taxes and increasing city indebtedness and these statements are made solely for the purpose of calling attention to the financial affairs of our city, present and prospective, so that they may be the more intelligently considered and acted upon.

They, together with the records for previous years, show conclusively several facts, viz:

First. The conduct of our municipal affairs is steadily growing more expensive, both per capita and in proportion to its real estate values.

Second. The bonded indebtedness of the city is excessive and within one per cent. of the legal limit, without any adequate provision for its payment.

Third. The need of different and improved methods whereby expenditures can be reduced or income increased, or both.

I will have suggestions to make at future meetings, bearing upon the following topics:

Need of changing the present method of assessing real estate values.

Need of changing date of financial year to July 1st.

Street department.

Water department.

Revenues from licenses.

Need of a sinking fund.

Ordered received, filed and published.

By Ald. Johnston—

Resolved, That the City Assessors be requested, when making up the assessment rolls for the next fiscal year, to consider separately the values on land and buildings and extend the amount of both wherever there are buildings, as the assessable value of each piece of property; also.

Resolved, That the subject matter of this resolution be referred to the Charter Amendment Committee for the purpose of having it consider the expediency of recommending an amendment to the city charter, making the request referred to, mandatory.

Upon motion of Ald Johnston, laid upon the table for two weeks.

By Ald. Johnston—Resolved, That the Executive Board be, and it is hereby requested to advise this council at an early day, when it may expect a reply to its resolution of April 18, 1893, asking for information about the repair and cleaning of our streets.

Adopted.

By Ald. Ashton—Petition of Ellen M. Hager for permission to erect a wooden building on Bloss st. Referred to Wood Building Committee and Fire Marshal with power to act.

Also petition for pipe sewer in Oriole street. Referred to Surveyor to prepare an ordinance.

Also petition of E. Knickerbocker, with reference to an erroneous assessment. Referred to Assessment Committee.

By Ald. Dewey, bills of—

Rochester Gas & Electric Company, lighting streets with incandescent lamps, July	152 90

Referred to Committee on Lamps and Electricity.

By Ald. Dewey—Petition of Mary J. Fry, with reference to remitting tax against the estate of James Fry. Referred to Assessment Committee.

By Ald. Dewey—Resolved, That the City Surveyor be instructed to prepare an ordinance for a 5-foot cement walk in front of No. 23 school.

Adopted.

By Ald. Dewey—

ROCHESTER, N. Y., August 8, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Rochester Gas & Electric Company offers to build underground subway sufficient to reasonably accommodate the electric wires of this company, the city, and other electric companies, in substantially the same manner as the subway now being constructed, under the existing contract between the city and this company, in the following streets:

In State street, from Center street to Lyell avenue.

In West Main street, from Sophia street to the Erie canal.

In North St. Paul street, from Central avenue to Vincent place.

In North Clinton street, from East Main street to the N. Y. C. & H. R. R.

In Franklin street, from Main street to North St. Paul st.

In Central avenue, from North St. Paul street to the river.

Within such reasonable time and in such manner and on such terms as may be agreed upon between us hereafter. This proposition is made as a whole and will not be understood to be an offer to build in any one or more of the streets above named except in State street, from Center street to Lyell avenue.

Very respectfully,

ROCHESTER GAS AND ELECTRIC CO.,
GEORGE C. HOLLISTER, Sec'y.

Ordered received, filed and published, and upon motion of Ald. Lewey, referred to Lamp Committee.

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., Aug. 8, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—In response to a resolution of your Honorable Body passed on July 11, 1893, instructing the City Surveyor to establish the lines of Lawton street, I have to say, it appears that John C. Ryan, Surveyor made a subdivision for H. G. Arnold, making the lines of Lawton street parallel to Pearl street. He later found that a mortgage had been given to Asa T. Soule of a portion of the Arnold property, fronting on Meigs street and abutting upon what is now Lawton street, and making the north and south boundary lines at right angles to Meigs street. Mr. Ryan afterwards laid out the north line of Lawton street according to the lines described in said mortgage, and now shown on map No. 147, Seventh Ward book of Beardley's survey of the old wards 1 to 14 of the city of Rochester. I am inclined to accept this as the true line of Lawton street.

Very respectfully yours,

J. Y. MCCLINTOCK,
City Surveyor.

Ordered received, filed and published.

By Ald. Dewey—Resolved, That the Clerk draw orders upon the Treasurer, payable from the Contingent Fund, in favor of the following named party, and for the sum and purpose, viz: George L. Mattison for thirty-six dollars, for serving notice of application for appointment of commissioners of appraisal; in the matter of opening a street from Bates street to Bowen street in the city of Rochester, under Final Ordinance, No. 4,892, and that the Treasurer pay said sum from the Contingent Fund, and charge and carry said sum to the fund for the opening of said street, when created.

Adopted by the following vote:

Ayes—Alds. Tracy, C. S. Cook, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmellink, Lewis, Forsyth, Bierbrauer—17.

By Ald. Pauckner—Resolved, That the report of the commissioners of appraisal in the matter of removing the remains of all persons interred in the Brighton Cemetery so-called to Mt. Hope or other cemeteries be and the same hereby is in all things set aside.

Adopted.

By Ald. Pauckner—Resolved, That it be referred to the same commissioners heretofore appointed, namely William Oliver, David Z. Morris, and Henry G. Sauer, of the city of Rochester to make an award for damages which any owner, occupant or person interested in the lands of the Brighton Cemetery so-called may be entitled to for damages by reason of removing the remains of all persons interred in the Brighton cemetery so-called to Mt. Hope cemetery or other cemeteries in said city, and that such award and the proceedings of such commissioners be made in accordance with the provisions of chapter 288 of the laws of 1893, the provision of the re-

vised city charter, and the order of the Monroe county court in this proceeding, dated April 17, 1893.

Adopted.

REPORTS OF STANDING COMMITTEES.

By Ald. Lewis—
To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Law Committee begs leave to make the following report:

In the matter of the claim of George and Josepha Zwerger, referred to this Committee, for the amount due under their contract with the city, or sewer damages for \$175.00 per annum, due June 25, 1893, we recommend that the same be paid.

In the matter of the claim of Benjamin Wing for damages sustained by sewage pollution to his property by Thomas creek, your Committee finds that Mr. Wing is the owner of three pieces of property through which said creek runs, and that he has offered to

settle said claim for the sum of \$200.00 per annum, from January 31, 1891, until the completion of the East Side Trunk sewer diverting the sewage in said creek, and your Committee recommends that the same be settled at that figure.

In the matter of the claim of Joseph Schrader for damages sustained by sewage pollution to his property on Thomas creek, your committee finds that said property contains six acres, and that said creek runs for a long distance through his premises. An offer of settlement was made by him for the sum of \$300.00, in full of all past and future damage, and your Committee recommends that the same be accepted and that he be paid the amount.

In the matter of the claim of Chas. H. Upton for damages for injuries received to his horse from falling into a hole in the Big Ridge road, your Committee has investigated the matter, and recommends that said claim be denied.

In the matter of the communication of the Genesee Forestry Association, referred to this Committee, your Committee would report, that after a careful consideration of the matter, we would recommend that the care and control of the City parks be transferred to the Board of Park Commissioners, at the end of the present fiscal year.

In the matter of the applications of the following named persons for appointment as Commissioners of Deeds, your Committee recommends that the same be granted: Lillian L. Bauer, August Forschler, Rollin H. Reid and Henry C. Schroder.

Respectfully submitted,

MERTON E. LEWIS,
D. W. FORSYTH,
M. B. ADAMS,

By Ald. H. G. Cook—
To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Assessment Committee beg leave to submit the following report:

In the matter of the petition of Mary E. Elgin, Julia Vradenburg Eliza Stanton and Carrie Wetmore the heirs of Eliza Hagreen by Edward F. Ellsworth their agent to pay taxes without interest on lot 51, Thurber tract on Tift street for the years 1864-1867, your committee are of the opinion that the petitioner should be allowed to pay their taxes under the rule in view of the fact that the premises were sold in 1864 and 1865 and there is some doubt in regard to the ability of the city to collect the same.

In the matter of the petition of Burton F. Blackall, your Committee are of the opinion that an erroneous assessment was made against Mr. Blackall and that he should be permitted to pay taxes on lot 102 north side of University avenue on the assessed valuation of \$1,800.00 instead of the valuation of \$5,000.00. This conclusion is reached upon the advice of the city Assessors who state that an error was made and that he should be permitted to pay taxes of \$28.64 instead of 79.57.

All of which is respectfully submitted,

HENRY G. COOK,
 C. W. ZIMMER,
 WM. PAUCKNER,
 JOHN F. FOX.

B. Bennett, providing the same be paid within 30 days of the adoption of this resolution.

Adopted.

By Ald. H. G. Cook—Resolved, That the City Treasurer be and he hereby is authorized to receive the sum of \$28.64 in full for taxes of Burton F. Blackall for lot 102 north side of University avenue together with the legal fees thereon and that he be and he hereby is directed to cancel the remainder of the tax of Burton F. Blackall on lot 102 north side of University avenue, and that the said remainder of said tax, to wit, the sum of \$43.76 be charged to erroneous assessments.

By the Clerk:—

ROCHESTER, N. Y., Aug. 1, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: At a meeting of the Board of Health of the City of Rochester held July 26th, 1893, the following communications were received and resolution adopted.

By Commissioner Biegler—

BOARD OF HEALTH,
 ROCHESTER, N. Y., July 25, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Whereas, Upon an inspection and report of findings made to this Board by a Medical Inspector, it is found that several nuisances exist upon Chestnut street in this city, said nuisances having been declared to be detrimental to the health of the residents on said street, and the cause thereof is insufficient sewerage and

Whereas, This Board has made its recommendation and request to the Common Council at a meeting held July 11th, 1893, and that said Council failed to comply with said request,

Therefore, be it Resolved, That this Board proceed to abate the declared nuisances existing on said street, by the construction of a sewer in accordance with the recommendation

of the City Surveyor, and that the cost there-
 fore be placed upon the city at large, in ac-
 cordance with the opinion of the Attorney Gen-
 eral given to the State Board of Health Sep-
 tember 24th, 1890, unless the Common Council
 shall proceed without unreasonable delay to
 adopt the necessary measures to abate said
 nuisance. That a copy of this resolution,
 together with the report and recommendations
 of the City Surveyor be forwarded to the
 Common Council.

Adopted.

CITY SURVEYOR'S OFFICE,
 ROCHESTER, N. Y., July 25, 1893. }

To the Honorable, the Board of Health:

Gentlemen: In the matter of a sewer in
 Chestnut street, which was referred to this
 office, I beg leave to state that after a careful
 consideration of the subject, I am of the
 opinion that the best plan to follow is to build
 a twelve inch vitrified pipe sewer in said street
 from the center of Temple street to the stone
 sewer in George street.

This sewer will be from ten to twelve feet
 below the surface, and will discharge through
 the Court and William streets outlet and the
 Goodman street outlet into the East Side Trunk
 Sewer.

Very respectfully yours,

J. Y. McCLINTOCK,
 City Surveyor.

A true copy of the minutes.

GEORGE BELKNAP,
 Clerk Board of Health.

Ordered received, filed and published, and
 upon motion of Ald. Zimmer referred to
 Public Improvement Committee.

Ald. Zimmer moved that the Surveyor be
 directed to prepare an ordinance for a sewer
 in Chestnut street from Court street to Temple
 street in accordance with suggestions contained
 in the above communication. Carried

OFFICE OF THE EXECUTIVE BOARD, }
 ROCHESTER, N. Y., Aug. 8, 1893. }

To the Common Council:

Gentlemen: The Executive Board instructs
 me to direct your attention to the extremely
 bad condition of the roadway of Elizabeth
 street, from West avenue to Allen street. It
 is perhaps unnecessary to call your attention
 to the fact that this street is paved with the
 primitive pavements laid in Rochester in its
 early history as a municipality, namely, cob-
 ble-stone. It has been repaired from year to
 year with like material, or the holes or de-
 pressions filled with Macadam. The repair
 was necessarily of the most temporary charac-
 ter; and the roadway has been avoided as an
 avenue of travel because of its wretched con-
 dition, and has only been used when the neces-
 sities of business demanded. The time has
 come, in fact it arrived many years ago, when
 the general interests of the business of the
 city, as well as for the benefits that may ac-
 crue to the property abutting on the street,
 demand that this roadway or street should
 be permanently and thoroughly improved by
 the laying down of a modern improvement.
 A street so located is almost the very heart
 of the city is a most prominent exhibit of the
 neglect of the municipality in taking care of
 its most important avenues. Besides, it has
 imposed upon the people who have had occa-
 sion to drive over it, damages to their prop-
 erty, which in justice or equity they should
 not be called upon to sustain.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published and
 upon motion of Ald. Tracy referred to Public
 Improvement Committee.

By the clerk:—

OFFICE OF THE EXECUTIVE BOARD, }
 ROCHESTER, Aug. 8, 1893. }

To the Common Council:

Gentlemen: The Executive Board has been
 called upon from time to time in the perform-
 ance of its duty, as required by the city char-
 ter, to notify the people owning property along
 the line of Plymouth avenue, from Clarissa
 street or the bridge crossing the old Genesee
 Valley canal, to repair their plank walks
 because of their dangerous condition. In a
 great majority of cases the walks are so
 badly worn, and the stringers so rotted out,
 that a repair of any durable character is
 impracticable, and it might be said to be a
 waste of money.

The same fact can equally apply to Genesee
 street, from West avenue to its terminus.
 A like condition of things, so far as it relates
 to sidewalks, has existed upon this street for
 many years, and it would be almost criminal
 to make repairs, which would necessarily be
 very expensive, upon this street, at the present
 time.

Both Plymouth avenue and Genesee street
 are now two of the most handsome and attrac-
 tive thoroughfares in the city of Rochester,
 and, leading as they do to the new parks in
 the southern portion of the city, over which
 thousands of our residents from other parts
 of the city drive. It would be unwise to mar
 such boulevards by the construction of un-
 sightly and temporary wooden walks. It is
 therefore recommended by the Executive Board
 that your honorable body cause the city sur-
 veyor to prepare ordinances for the laying
 of walks of permanent character on each side
 of the above named streets from and to the
 points named in this communication.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published and
 upon motion of Ald. Forsyth referred to Pub-
 lic Improvement Committee.

ROCHESTER, N. Y., Aug. 1, 1893.

To the Honorable the Common Council of the City
 of Rochester:

Gentlemen: At a meeting of the Board of
 Health of the City of Rochester, held July
 26th, 1893, the following communication was
 received and resolution adopted.

By Commissioner Biegler:

OFFICE OF THE BOARD OF HEALTH, }
 ROCHESTER, N. Y., July 26th, 1893. }

To the Honorable, the Common Council of the
 City of Rochester:

The Committee appointed by this Board on
 the complaint relating to the alleged insuffi-
 ciency of the sewer on LaMont Park, respect-
 fully represents,

That in compliance with the reference made
 by your honorable body to this Board July 11,
 1893, on the remonstrance of several residents
 of said street, the question of the condition of
 said sewer was referred to the City Surveyor,
 and herewith is appended his report of findings
 and recommendation. Also the following res-
 olution and recommendation.

Whereas, It is found, upon inspection made
 by the City Surveyor, that the condition of
 the sewer in Lamont Park is such as to cause
 the nuisance reported to this Board by a
 Medical Inspector, May 10th, 1893, and that
 said nuisance was declared by this Board to
 be a menace to the health of the residents
 on said street,

Therefore, Resolved, That the report of
 the City Surveyor and his recommendation be
 respectfully referred to the Common Council,

with the request that said recommendation be adopted and an ordinance prepared in accordance therewith for the abatement of the above declared nuisance.
Adopted.

ROCHESTER, N. Y., July 24, 1893.

To the Honorable, the Board of Health of the City of Rochester:

Gentlemen: In relation to a sewer in LaMont Park, which was referred to me, I beg leave to say: The existing sewer in LaMont Park is a ten inch vitrified pipe, about six feet deep at Webster avenue and about three feet deep at north end.

It is possible to lower it about four feet, and have proper outlet. As the pipe is small, and the street flat, it would seem to be good policy to rebuild the sewer at as low a grade as possible, and make it a twelve inch pipe, thereby insuring dry collars.

Very respectfully yours,
J. Y. McCLINTOCK,
City Surveyor.

J. A. BIEGLER,
Chairman of Committee.

Ordered received, filed and published and upon motion of Aid. Lewis referred to City Surveyor to ascertain the necessity of such sewer and report back.

Ordered received, filed and published
 By Ald. Lewis—Whereas, The entire costs and expenses for the opening of a street from Council avenue to North avenue in the city of Rochester, under final ordinance No. 4,890, including the amount of land deemed necessary to be taken has been ascertained and is adjusted at \$3,162.25, now, therefore,

Resolved, That all persons interested in the matter of the ordering of the assessment for the aforesaid opening be heard as to the same at the first regular meeting of the Common Council to be held August 22, 1893, at 7:30 P. M. and the City Clerk cause to be published a notice of said hearing as required by section 190 of the city charter.

Adopted.

ACTION UPON ORDINANCES.

FIRST ORDINANCES.

PORTLAND CEMENT WALK IN FRONT OF PUBLIC SCHOOL NO. 23.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a Portland cement walk in front of public school No. 23 on Park avenue.

Adopted.

The Surveyor submitted as such estimate, \$125.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a Portland cement walk 5 feet wide, in front of the property of public school No. 23, on the north side of Park avenue. Also the necessary sidewalk grading.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$125, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land in front of which the proposed walk is to be constructed.

Adopted.

PORTLAND CEMENT WALKS ON ELM STREET.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a Portland cement walk on Elm street.

Adopted.

The Surveyor submitted as such estimate, \$975.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a Portland cement walk 5 feet wide on each side of Elm street, from Main street to Chestnut street, except where good flag or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the construction of the necessary flag crosswalks, resetting monuments, and adjusting the present brick walk to the proposed cement walk.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$975, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly

ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Elm street, from East Main street to Chestnut street, in proportion to the benefit which each will derive therefrom.

Adopted.

OPENING A STREET FROM CENTRAL AVENUE TO GRANGER STREET.

By Ald. Lewis—Resolved, That the following improvement is necessary, and we hereby judge that the public good require the same to be done, viz:

The opening of a street 90 feet in width from Central avenue to Granger street, the west line of which shall be the west line of lot No. 7, and the east line of which shall be the east line of lot No. 8, of the Atwater & Andrew tracts and supposed to belong to Babette Schiaetzer.

The territory necessary to be taken therefore is all of the above described lots No. 7 and 8.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

All of that portion of the Third ward lying south of the north line of the New York Central & Hudson River Railroad property, as it exists at the date of the passage of this ordinance, in proportion to the benefit which each will derive therefrom.

Adopted.

THE MEDINA BLOCK STONE IMPROVEMENT OF EAST AND WEST MAIN STREETS.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving East and West Main streets.

Adopted.

The Surveyor submitted as such estimate, \$99,000.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The improvement of East and West Main streets, from the west line of North and South Fitzhugh street to the east line of Franklin street and the east line of East avenue, by putting in a new lateral sewer as deep as the main sewer will permit, to each lot where there is not an existing sewer at full depth, by putting in new water service pipes to each lot where necessary, replacing stone manhole heads, with iron heads, rebuilding or removing existing surface sewers, and putting in new ones where necessary, setting new curbstones six (6) inches thick, substantially upon the lines of existing curbs, excepting that at the corners of streets, they shall be set to curves, as hereinafter specified and excepting that where existing sidewalk flags are thick enough, they shall be cut to the proper lines and curves, and faced up like the new curbstones, and also, excepting that where existing curbstones are not less than six (6) inches thick, and are in proper line, they shall be retained; the cutting off of the sidewalks at street corners, so that the curb lines shall be upon circular curves, tangent to the adjacent straight parts of said curb, and said curves to be of the following radii: Thirteen (13) feet radius for North and South Fitzhugh streets, excepting that the north-west corner is to remain as it is; Exchange street, State street, North and South St. Paul streets, North and South Clinton streets, North street, Elm street, East avenue and Franklin street, Graves street, north-east corner Front street, and Aqueduct street. Sixteen (16) feet for the northwest corner of Front street, eight (8) feet for Irving place and six (6) feet for Liberty alley, the laying of crosswalks across each side street and alley and across Main street, on each side of North and South

Fitzhugh streets, State and Exchange streets North and South St. Paul streets and North and South Clinton streets, consisting of 5 lines of flag stones eighteen (18) inches wide, spaced six (6) inches apart, and the laying of crosswalks across Main street, where there are existing crosswalks, consisting of three (3) lines of flagstones eighteen (18) inches wide, and spaced six (6) inches apart, and the laying of a Medina block stone pavement on a concrete foundation and with a line of gutter stones, sixteen (16) inches wide in front of the curb, together with the grading and unspecified work necessary to make a complete roadway, and all the old material to be removed from the street, will be the property of the contractor and may be so considered in their proposals.

And Whereas, the City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof and reports the same at \$99,000, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of East and West Main streets, from North and South Fitzhugh streets to Franklin st. and East avenue, and including one lot on each side of West Main street, next west of North and South Fitzhugh street, and one lot on the north side of East Main street, next east of Franklin street, and one lot on the south side of East Main street, next east of East avenue, in proportion to the benefit which each will derive therefrom.

Adopted.

FOOT BRIDGE ON LYELL AVENUE.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a foot walk over the Erie canal on Lyell avenue.

Adopted.

The Surveyor submitted as such estimate, \$1,600.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a suitable foot walk 5 feet wide in the clear, over the lift bridge spanning the Erie canal and tow path on Lyell avenue, said walk to be located between the trusses of the lift bridge, and to have the necessary staircases, masonry foundations and other appurtenances.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,600, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

All the lots and parcels of land enclosed within and described by the following boundary lines: Beginning at the intersection of Lake avenue with Vincent place, thence northerly along Lake avenue excluding one tier of lots on the west side thereof to Emerson street; thence westerly along Emerson street, excepting one tier of lots on the south side thereof to the Erie canal; thence north-westerly along the Erie canal to the city line; thence southerly along the city line to the north line of lands belonging to the Niagara Falls branch of the New York Central & Hudson River Railroad; thence easterly along the northerly line of said railroad lands to Smith street; thence easterly along Smith st., excepting one tier of lots on the north side thereof to State street to the place of beginning, in proportion to the benefit which each will derive therefrom.

Adopted.

STONE SEWER IN STATE STREET.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in State street.

Adopted.
The Surveyor submitted as such estimate, \$22,300.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, viz:

The construction of a stone sewer 21-2 by 2 1-2 feet in size with arch and invert in State street, from a point 15 feet south of the south line of Exchange place, to the sewer in State street near the north line of Allen street. Also the construction of the necessary manholes, surface sewers, lot laterals and branches

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$22,300, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of State street, from East and West Main streets, to a point opposite the north line of Allen street, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Zimmer—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Daily Times notice thereof as is required and in the manner specified by section 172 of the city charter.

CITY CLERK'S OFFICE, }
ROCHESTER, N. Y., August 8, 1893. }

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Daily Times, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, August 8, 1893, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W GREGG, City Clerk.

FINAL ORDINANCE NO. 5,220.

PIPE SEWER IN ORCHARD STREET.

On motion of Ald. Aikenhead, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a pipe sewer in Orchard street, between Maple street and Lime street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a vitrified pipe sewer, 12 inches in diameter, in portions of Orchard street, as follows: From a point 50 feet south of Wilder street to the sewer in Maple street; from a point 50 feet north of Campbell street to the sewer in Orange street; from a point 50 feet south of Jay street to the sewer in Orange street; from a point 50 feet south of Lime street to the sewer in Smith street. Also the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$2,750, which being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

One tier of lots and parcels of land on each side of Orchard street, from Maple street to Wilder street; from Campbell street to Jay street, and from Smith street to Lime street.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, C. S. Cook, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer—19.

FINAL ORDINANCE NO. 5,221.

PIPE SEWER IN MILLER ALLEY.

On motion of Ald. Aikenhead, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a pipe sewer in Miller's alley, from near the northeast end thereof to Central avenue.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a vitrified pipe sewer, 12 inches in diameter, in Miller alley, from a point 10 feet south of the north end thereof, to the sewer in Central avenue. Also the construction of the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$575, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which the Council deems proper to be so assessed for, and will be benefited by and de-

rive an advantage from such improvement, to wit:

One tier of lots and parcels of land on each side of Miller alley, from the north end thereof to Central avenue.

Ayes—Ald. Tracy, McMillan, C. S. Cook, Zimmer, Adams, Lempert, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer—18.

FINAL ORDINANCE NO. 5,222.

PORTLAND CEMENT WALK ON CLIFFORD STREET.

On motion of Ald. Zimmer, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a cement walk on Clifford street, from Conkey avenue to North Clinton street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a Portland cement walk 4 1-2 feet wide on the south side of Clifford street, from Conkey avenue to North Clinton street. Also the necessary sidewalk grading.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$1,290 which, being deemed reasonable is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

One tier of lots and parcels of land on the south side of Clifford street, from Conkey avenue to North Clinton street.

Adopted by the following vote:

Ayes—Ald. Tracy McMillan, C. S. Cook, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer—18.

FINAL ORDINANCE NO. 5,223.

SEWER IN NORTH CLINTON STREET.

On motion of Ald. Aikenhead, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a pipe sewer in North Clinton street, near May place, to near Laforce park.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The extension of the present sewer in North Clinton street, 15 inches in diameter, southerly, from the south end of said sewer near May place, to a point 20 feet north of the north line of La Force park. Also the construction of the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$325, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

One tier of lots and parcels of land on each

side of North Clinton street, from the south end of the present sewer near May place to La Force park.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer—18.

Adopted.

FINAL ORDINANCE NO. 5,224.

PORTLAND CEMENT WALK AT PUBLIC SCHOOL NO. 4.

On motion of Ald. Zimmer, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct cement walks around No. 4 school.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a Portland cement walk, 7 feet wide, on the west side of Jefferson avenue in front of Public School lot No. 4; also on the south side of Penn street, in front of said school lot, to be 4 feet wide. Also the necessary sidewalk grading.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$325, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land in front of which the proposed walk is to be constructed

Adopted by the following vote:

Ayes—Ald. Tracy McMillan, C. S. Cook, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer—18.

FINAL ORDINANCE No. 5,225.

WIDENING OF GERMAN STREET.

On motion of Ald. Aikenhead, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to widen German street, from North avenue, to Hebard street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, and they hereby judge that the public good requires the same to be done, viz:

The widening of German street, from North avenue to Hebard street, by adding a strip of land to the north side of said street, 20 feet in width, from North avenue to the angle in German street, and 22 feet in width from

said angle to Hebard street, making the street from North avenue to Hebard street 60 feet in width. And the lands necessary to be taken therefor is a strip 20 feet wide on the north side of German street, from North avenue to the angle, and 22 feet wide, from the angle to Hebard street.

And the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

All the territory included within and described by the following boundary lines, viz:

Beginning at the intersection of North avenue and German streets; thence easterly along German street, including one tier of lots and parcels of land on the south side thereof to Scio street, excepting the lot on the southeast corner of German street and North avenue; thence southerly along Scio street, including one tier of lots and parcels of land on the west side thereof to Wait street; thence easterly along Wait street, including one tier of lots and parcels of land on the south side thereof to Hebard street; thence northerly along Hebard street, including one tier of lots and parcels of land on the east side thereof to German street; thence easterly along German street, including one tier of lots and parcels of land on the south side thereof to North Union street; thence southerly along North Union street, including one tier of lots and parcels of land on the west side thereof to Pennsylvania avenue; thence easterly along Pennsylvania avenue, excluding one tier of lots and parcels of land on the north side thereof to Sixth avenue; thence northerly along Sixth avenue, to Central park; thence easterly along Central park to Seventh avenue; thence northerly along Seventh avenue to Bay street; thence westerly along Bay street, including one tier of lots and parcels of land on the north side thereof to Hebard street; thence southerly along Hebard street, including one tier of lots and parcels of land on the west side thereof to German street; thence westerly along German street, including one tier of lots and parcels of land on the north side thereof to the place of beginning, as they exist at the date of the passage of this ordinance.

Adopted by the following vote:

To the Honorable the Common Council of the City of Rochester:

Gentlemen:—The following action was taken by the Executive Board at a regular meeting held August 4, 1893:

By Mr. Aldridge—Whereas, a cash guaranty in the sum of three hundred seventy-six and 84-100 dollars, was given the city of Rochester by John Mauder, contractor, for the maintenance of Driving Park avenue pipe sewer for a period of one year from the date of its completion, and,

Whereas, the time of such guaranty expired July 21, 1893, and the sewer is certified to this board, to be in good order, therefore,

Resolved, That the Clerk of this Board request the Common Council to authorize the Treasurer of the city of Rochester to pay to John Mauder, contractor, for the Driving Park avenue pipe sewer, ordinance No. 4,743, the sum of \$376.84 being the amount retained by the city of Rochester as security given by said John Mauder, for the repair and maintenance of said improvement for one year.

Adopted.

Pursuant to the terms of the above resolution, it is requested that you authorize the City Treasurer to refund to John Mauder the amount of money deposited as guaranty for the Driving Park avenue pipe sewer.

Yours respectfully,

THOS J. NEVILLE, Clerk.

Ordered received, filed and published.

REPORTS OF STANDING COMMITTEES.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Assessment Committee begs leave to report upon the matters submitted to it as follows:

In the matter of the petition of Mathias Dubelbeis, we find that the petitioner is the owner of lot No. 74 on the west side of Dubelbeis park, and that said lot is vacant, but that the assessors, in preparing the general assessment roll, inadvertently assessed said lot

upon the basis of a house and lot, and we, therefore, recommend in accordance with a calculation made by the city assessors, that the assessment be reduced from the sum of \$15.44 to the sum of \$2.28.

In the matter of the petition of L. J. Woolsey, we find that the petitioner is the owner of lot No. 113 in Flower City park, through which a right of way was acquired for the construction of the Boulevard outlet sewer, under final ordinance No. 4,397, and that said lot is now assessed the sum of \$99.85 for the construction of said sewer. The matter was referred by your committee to the City Assessors, and they reported that the assessment should be reduced to the sum of \$20, in accordance with an understanding had when the easement was acquired that the lot should only bear a nominal assessment for the construction of the sewer and we therefore recommend that the assessment be reduced to that amount.

In the matter of the petition of Ferdinand and Edward Schaefer, we find that the petitioners are the owners of premises situated on the corner of Bay and Ackerman streets, formerly owned by Salomia Wiebel; that the petitioners purchased said premises recently, with the understanding that said property was subject to an assessment for the Bay and Ackerman street, Webster avenue and Meng park sewer, which had been erroneously assessed at the sum of \$302.68, but which had been reduced by resolution of the Common Council, adopted June 23, 1891, to \$116.10, with the condition that the latter amount should be paid within two months from the date of the passage of the resolution. This provision, the petitioners claim, they were ignorant of, and have allowed the time to lapse, and therefore request that the time be extended. In view of all the facts, we recommend that the petitioners be allowed to pay the said sum of \$116.10, with legal interest from June 23, 1891, provided the same be paid within thirty days from the passage of this resolution.

In the matter of the petition of Luther A. Pratt, as chairman of the special commissioners for the Lyell avenue and Saxton street outlet sewer, sections one and two, we find that the persons named in the annexed resolution were erroneously assessed for said sewer. We reached this conclusion after having referred the petition to the City Surveyor and the City Assessors, and the special commissioners who made the assessment roll. All of them concur in the statement made by Mr. Pratt that the assessments are erroneous to the extent of the amounts named, and we recommend that the assessments be corrected, as provided in the annexed resolution.

In the matter of the petition of Frank Sherer, praying for the correction of an assessment against lot No. 88, Flower City Park, for the construction of a sewer under final ordinance No. 4,397, being the Boulevard outlet sewer, we recommend that the petition be denied.

In the matter of the petition of Thomas S. Johnston, praying for the correction of an assessment against property owned by him fronting upon the east side of Arnold park, we recommend that action on the petition be indefinitely postponed.

In the matter of the petition of Mary J. McLean, and another, praying that the taxes and assessments against property owned by her be apportioned and that she may be relieved from the burden of the additional interest imposed because of the non-payment of certain taxes and assessments upon said property and that said interest be reduced from 12 per cent. to 6 per cent., we find that the petitioner is the owner of certain premises situated in the city, being a portion of property formerly owned by George S. Riley, upon which there are certain unpaid taxes and as-

assessments, and we recommend that said apportionment be made, and that the City Treasurer be directed to receive the amounts, so apportioned, as provided in the attached resolution.

Respectfully submitted,

HENRY G. COOK,
T. McMILLAN,
WM. PAUCKNER,
JOHN F. FOX,
Assessment Committee.

Ordered received, filed and published.

By Ald. H. G. Cook—Resolved, That the City Treasurer be and he hereby is, directed to receive from Mathias Dubelbeiss the sum of two dollars and twenty-eight cents, in full of the assessment against lot No. 74 on the west side of Dubelbeiss park, provided the same be paid within thirty days from the passage of this resolution, and that said treasurer charge the balance of said assessment against said property to erroneous assessments.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Aikenhead, Simmelnk, Lewis, Forsyth, Bierbrauer.—18.

By Ald. H. G. Cook—Resolved, That the City Treasurer be and he hereby is, directed to receive from L. J. Woolsey the sum of twenty dollars, in full of the assessment for the Boulevard outlet sewer, under assessment No. 4,397 against lot No. 113, in Flower City Park, if paid within thirty days from the passage of this resolution, and that he charge the balance of said assessment against said lot to erroneous assessments.

Adopted by the following vote:

By Ald. Chas. S. Cook—

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—Your Charter Amendment Committee begs leave to make the following report:

In the matter of the petition of D. Thompson William H. Hassan and others, asking for the repeal of the penal ordinance relative to the regulation, qualification and licensing of stationary engineers, we have carefully considered the facts set forth in the petition, and in order to become more familiar with the entire subject matter, we called a meeting of the committee on the 14th of August, to which meeting we invited the parties whose names appeared upon the petition, and all other interested parties. A very large number of persons attended this meeting, among whom were the most prominent and capable engineers of this city. Every one desiring to be heard was given an opportunity to state his grievances against, or give his reasons in support of, the ordinance in question.

We are of the opinion after carefully considering all the facts and statements made before our Committee that this penal ordinance is one which ought to remain in force.

We learn that in all of the large cities of this state, similar ordinance have been enacted, and remain in force, and that experience has taught that the safety of citizens is in a great measure depending upon a strict compliance with the spirit of the ordinance.

No evidence was produced which reflected any discredit upon the present board of examiners, and we feel bound to report that our best engineers of this city are anxious to keep this ordinance in force, and the safety of citizens and property is in a great measure dependent upon the regulation, qualifications and licensing of stationary engineers as required by this ordinance.

We, therefore, recommend that this penal ordinance remain in force.

All of which is respectfully submitted,

CHARLES S. COOK,
JAMES JOHNSTON,
D. W. FORSYTH,

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Law Committee begs leave to submit the following report:

In the matter of the claim of Sarah A. Zorn for damages to her premises occasioned by the pollution of the creek running through her premises by sewage, your Committee recommends that she be paid the sum of two hundred dollars, in full settlement of all past and future damages growing out of the pollution of said creek, until the completion of the East Side Trunk Sewer, now in process of construction.

Respectfully submitted,

MERTON E. LEWIS,
D. W. FORSYTH,
MARTIN J. CALIHAN,
CHARLES S. COOK,

Ald. Johnston from the City Property Committee and Ald. Simmelinck from the Health Committee reported favorably of the various bills referred to their respective committees and referred them to the Finance Committee and auditor for payment.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

City Treasurer's Office,
Rochester, N. Y., Aug. 22, 1893. }

To the Honorable, the Common Council of the City of Rochester.

Gentlemen:—I deem it my duty as chief fiscal officer of the city to give you a report at this time as to the condition of the city funds. Every business man, in times like these, examines closely as to his available assets and resources, and why should not the city do likewise? The question of conducting our municipal business in the future according to the system in use at present and in the past I leave to your honorable body. I will at this time simply report the facts in the case, with two suggestions for temporary relief.

As the public prints have circulated the report that the treasurer has no funds on hand to pay the current expenses of the present month, or the bills to be passed in the August budget of your honorable body, a statement of what has become of the large amount of the general city tax collected during the month of July will be first in order. The amount received for general city taxes in the month of July was \$1,157,298.24, as against \$1,228,718.45 during the same month last year, the difference being \$71,420.21. The total amount received to and including August 21st has been \$1,193,144.24, as against \$1,294,483.02 received up to same date in 1892, a difference of \$91,338.78. The difference in proportion is even greater than this, the tax levy for 1893, including unpaid water rents, froutage tax and unpaid local improvements, amounting to \$1,862,968.54, while for 1892 the total amount to be collected was but \$1,733,615.85. The present condition of the city treasury is due principally to the fact that notes to the large amount of \$979,700 were issued previous to July 1st to meet deficiencies in several funds, to pay the time orders or acceptances of the executive board and to defray the expenses of the several municipal departments for the months of April, May and June. The cost of discounting these notes was \$17,203.43. They were issued by direction of your honorable body, and countersigned by the chairman of your finance committee. Owing to the fact that the banks refused to discount notes authorized by you during the latter part of June it became necessary to stop payment of the June budget until I had collected enough of the general city tax to meet the orders. The remainder of the money collected during July was paid out almost as fast as received, to meet the notes previously issued. I was also obliged to issue the city's note for ten days for \$25,000 to pay the last of the notes issued previous to July 1st. This note I have paid to-day, leaving a balance to the credit of the city in the several banks of deposit of \$63.03, as against \$296,815 the corresponding date last year. There yet remains unpaid of the July budgets of your honorable body, the executive board and the board of education, \$6,500.83. The cash on hand is \$10,735.61. There are also past due, acceptances of the executive board, which are liable to be presented at any time, amounting to \$1,975.42.

The amount paid on acceptances of time orders of the executive board from August 1, 1892, to August 1, 1893, was \$575,672.36, and the amount paid in interest on these acceptances was \$37,410.52. The city has now outstanding acceptances to the amount of \$641,269.89, most of which are carrying interest at the rate of 6 per cent. The city has also advanced money for local improvements to the amount of \$340,120.25, the rolls for which are not yet in the hands of the treasurer for collection. Such improvements or rolls number

61. There is also unpaid upon the rolls in the office in process of collection \$400,584.07, the number of such rolls being 111. There yet remains unpaid of the general city tax, to and including August 21st, \$587,948.84.

The amount I shall be able to collect during the remainder of the month is an unknown quantity. The cash requirements of the August budget for the regular pay rolls will be \$51,418.65, to which must be added an unknown amount for the bills incurred by the various departments.

The condition of the city's finances exclusive of the bonded indebtedness, may be briefly stated as follows:

Cash on hand and in banks ..\$	10,798 64
Balance of general city tax not yet collected	587,948 84
Cash advanced on sprinkling contracts	14,053 01
Amount advanced for improvements, the rolls for which are not yet in the hands of the treasurer	340,120 25
Balance due on improvements rolls in process of collection ..	400,584 07
Delinquent taxes bid in by the treasurer at tax sales and not yet redeemed	110,000 00
Unpaid personal taxes	30,000 00

Total	\$ 1,493,504 81
Amount unpaid July budget	6,500 83
Time orders of executive board ..	641,269 89
Balances to the several funds as per tax levy	894,580 59

Total

The interest and fees accrued on delinquent taxes would offset the difference in the above totals.

As the banks of this city, and the larger banks in New York, with which I have been in correspondence, decline to discount the city's note at present, I have two suggestions to make that will afford temporary relief:

First, I would suggest that authority be given me to withdraw from the savings banks the \$90,000 now on deposit to the credit of the Genesee Valley sinking fund, and use the same to protect the city's credit. The money can be returned to the banks later, or could be used, if thought best, in building the Alexander street bridge, or for such other purposes as your honorable body may determine.

As before reported, the amount received annually from the Erie Railway company will be sufficient to retire the outstanding bonds when they become due, without the \$90,000 now on hand for that purpose. Should such action be deemed advisable, partial payments could be received by the treasurer so as not to inconvenience the banks.

Second: Should the foregoing suggestion not meet your approval, I would advise that the treasurer be given authority to issue the city's notes or certificates of indebtedness dated September 1st for one year, with interest at 6 per cent, per annum for an amount sufficient to meet the requirements of the August budget. These notes could be issued in small amounts of \$100 and upward and would be readily taken by parties who are now hoarding their resources and looking for a safe investment. Such action would in my judgment put a large amount of money in circulation, and the city would only pay the rate of interest charged by the banks of deposit. Why not give the people the benefit, and also protect the credit of the city by prompt payment of its obligations?

I think it is generally conceded that our present financial policy does not serve the best interests of the city. How to improve it is a question of vital importance. I would again ask whether it would not be best to separate the general city tax from local improvement

assessments, and keep the funds separate, letting the amount raised in the tax levy be sufficient to pay the expense of the several departments for the current year, and providing by the issue of bonds from time to time for the payment of contractors for local improvements. I know that this is a poor time to negotiate bonds of any kind, but by a careful investigation, some plan might be devised which would save the city a portion of the large amount of interest it now pays. If some relief cannot be secured it will soon be necessary to call a halt on local improvements, except where they are absolutely necessary, at least until the improvements now being made are completed, the cost of the same certified to the assessors, and the rolls delivered to the treasurer for collection. The amount of notes issued increases year by year, and the time is not far distant, if we continue to follow the present system, when the total amount collectable of the tax levy will be required to pay the notes—and what then? Among the larger improvements upon which the city has advanced money during the year are the following, the tax rolls for which are not yet in the hands of the treasurer for collection, with the exception of the Colvin and Maple streets sewer, the roll for which has just been received:

Improvement.	Amount.
Front street outlet sewer and extension	\$ 6,970 73
Genesee street sewer and outlet....	30,014 75
Bronson avenue railroad bridge....	5,418 00
East Main street railroad bridge....	84,843 50
Genesee street asphalt improvement	76,394 63
Plymouth avenue asphalt improvement	63,727 51
Plymouth avenue block improvement	53,500 00
Genesee street McAdam improvement	10,655 40
East Platt street Medina improvement	2,283 24
Church street opening.....	134,500 97
Rowe street asphalt improvement..	46,156 78
Colvin and Maple streets sewer....	38,803 12
	\$555,268 63

In conclusion, I beg leave to call your attention to the fact that the proceeds of the bonds thus far issued under the enabling acts for the East Side trunk sewer and the additional water supply have nearly all been expended. The balance in the East Side trunk sewer fund is \$64,934.49, and the engineer in charge informs me that the requirements in the present budget will be at least \$40,000. The balance in the additional water supply fund is \$211,272.86, and the next budget will require at least \$120,000. The city has authority to issue bonds to the amount of \$500,000 more for the East Side trunk sewer, and \$1,250,000 more for the additional water supply. In view of the existing financial conditions, which are unfavorable to the negotiation of bonds at short notice, I would suggest that the commissioners in charge of these improvements be requested to report to your honorable body as soon as possible, their requirements for the future, so that authority can promptly be given to issue the necessary amount of bonds to continue or complete the work, as it would be a public calamity if lack of funds should delay these important improvements.

I trust you will consider the subjects referred to herein of such importance as to merit your earnest consideration.

Respectfully submitted,

S. B. WILLIAMS,
Treasurer.

Ordered received, filed and published and referred to Finance Committee.

By the clerk:
To the Common Council:

Gentlemen: The Executive Board respectfully directs your attention to the condition to that section of South avenue south of and from the end of the present Medina stone pavement to Highland avenue, as you perhaps all have observed, together with thousands of other citizens, that the roadway on that thoroughfare is rendered almost impassible both in summer as well as in winter by reason of its unimproved state, being merely an open cut through a sand-hill most of its way, for vehicles of almost any description or weight are likely to be stalled by reason of the depth of the sand at the points named.

The changed condition of this section of the city by reason of the improvements about Mt. Hope Reservoir and the creation of what is known as reservoir park, which has become a resort for the general public for pastime or pleasure, especially from early spring to late in autumn, makes it a matter of necessity to improve both roadway and walks in a permanent and substantial manner. As a further reason for such improvement, it will form an addition to the pleasure drives now leading to the South Park; and in uniting with Mt. Hope avenue will complete the second outlet to this section of the city on the east side of the river, and compare favorably with the two now on the west side already completed. This work can be finished this fall if an ordinance be immediately passed for it; and the Executive Board deem it unnecessary to give any extended reasons or to make any lengthy argument on the immediate need of a public work of so much importance and of so great a benefit to the general public.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published and upon motion of Ald. Pauckner, referred to Public Improvement Committee.

By the clerk—

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., August 22, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: I do hereby certify that the City Assessors have delivered to me the following assessment roll: viz:

LOCAL IMPROVEMENT ASSESSMENT.

By Aid. Zimmer—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvements, including any aid all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements respectively adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefited by the improvements, respectively, are as stated and described in the final ordinances relative to the improvements, respectively, and that the name and expense of the improvements thus to be assessed are as follows, viz:

Ord. No.	Improvement.	Expense.
4,893.	Seneca Terrace pipe sewer	\$413 68
4,894.	Alemeda street pipe sewer	1,984 89
4,881.	Brayer Place plank walk	33 94
4,899.	No. 22 School plank walk	29 59
4,898.	No. 26 School plank walk	39 05
4,888.	Avenue E cement walk	184 32
5,108.	Orchard st. sewer cleaning	120 00
4,883.	Neilson Place plank walk	100 27
5,122.	Walnut street pipe sewer	569 89
5,156.	Gorham street cement walk	425 94
4,901.	No. 6 School relaying walks	813 92
4,897.	Chester ave. grad'g and walks	969 05
5,112.	Allen street foot bridge	1,650 00

And it is further determined that the taxpayers to be assessed for making the foregoing improvements must pay their assessments within thirty days from the first publication of the advertisement of the notice of the assessment rolls by the City Treasurer.

And it is further determined that the taxpayers to be assessed for making the following improvement, viz:

Ord. No.	Improvement.	Expense.
4,542.	East Main st. R. R. bridge	\$95,177 29
4,905.	Wilder st. asphalt pavement	12,992 00
4,896.	Albemarle st. pipe sewer	2,243 39

May pay their assessments in three equal payments, as follows:
One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll. And the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to

the maturity of said last installment a discount will be allowed at the rate of six per cent. per annum.

And the Assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of lands within the portions or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements, shall be deemed to receive by the making of the respective improvements.

Ald. Lewis moved to amend by laying over so much of the above resolution as referred to East Main street railroad bridge, Ord. No. 4,542, until the next regular meeting.

Adopted.
Resolution as amended, adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Aikenhead, Simmelink Lewis, Forsyth, Bierbrauer—18.

The Surveyor submitted as such estimate, \$950.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer 12 inches in diameter in Chestnut street, from a point opposite the center of Temple street to the center of Court street, thence through the center of Court street, easterly, to the sewer in Court street. Also the necessary manholes, surface sewers, lot laterals, and branches.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$950, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Chestnut street, from a point opposite the center of Temple street, to Court street, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Zimmer—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Daily Times notice thereof as is required and in the manner specified by section 172 of the city charter.

CITY CLERK'S OFFICE, }
ROCHESTER, N. Y., August 22, 1893. }

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Daily Times, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid

from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, August 22, 1893, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk.

Final ordinance for a Portland cement walk on Elm street came up and upon motion of Ald. Zimmer action thereon was postponed two weeks.

FINAL ORDINANCE No. 5,226

OPENING A STREET FROM CENTRAL AVENUE TO GRANGER STREET.

On motion of Ald. Aikenhead, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to open a new street from Central avenue to Granger street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, and they hereby judge that the public good requires the same to be done, viz:

The opening of a street 90 feet in width from Central avenue to Granger street, the west line of which shall be the west line of lot No. 7, and the east line of which shall be the east line of lot No. 8, of the Atwater & Andrews tract, and supposed to belong to Babetta Schlaetzer.

The territory necessary to be taken therefor is all of the above-described lots Nos. 7 and 8.

And the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

All of that portion of the Third ward lying south of the north line of the New York Central & Hudson River Railroad property, as it exists at the date of the passage of this ordinance.

Ald. C. S. Cook presented a remonstrance. Ordered received and filed.

Ald. C. S. Cook moved to amend so that territory to be assessed include the whole of the city.

Lost by the following vote:

Nays—Ald. Tracy, McMillan, Calihan, Zimmer, Lempert, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer.—17.

Ordinance was then adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer.—15.

Nays—Ald. Lempert, Johnston.—2.

FINAL ORDINANCE, No. 5,227.

PORTLAND CEMENT WALK IN FRONT OF PUBLIC SCHOOL NO. 23.

On motion of Ald. Zimmer, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a Portland cement walk on Park avenue in front of No. 23 school.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Roches-

ter, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a Portland cement walk 5 feet wide, in front of the property of public school No. 23, on the north side of Park avenue. Also the necessary sidewalk grading. And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$125 which, being deemed reasonable is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

One tier of lots and parcels of land in front of which the proposed walk is to be constructed.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, C. S. Cook, Callihan, Zimmer, Lempert, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer.—17.

FINAL ORDINANCE, No. 5,228.

STONE SEWER IN STATE STREET.

On motion of Ald. Aikenhead, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a stone sewer in State street from near Exchange Place to Allen street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a stone sewer 21-2 by 2 1-2 feet in size with arch and invert in State street, from a point 15 feet south of the south line of Exchange place, to the sewer in State street near the north line of Allen street. Also the construction of the necessary manholes, surface sewers, lot laterals and branches.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$22,300 which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

One tier of lots and parcels of land on each side of State street, from East and West Main streets, to a point opposite the north line of Allen street.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, C. S. Cook, Callihan, Zimmer, Lempert, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer.—17.

FINAL ORDINANCE, No. 5,229.

THE MEDINA BLOCK STONE IMPROVEMENT OF EAST AND WEST MAIN STREETS.

On motion of Ald. Zimmer, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a Medina block stone pavement on East and West Main streets, from Fitzhugh street to East avenue.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the follow-

ing improvement is necessary, and should be made, to wit:

The improvement of East and West Main streets, from the west line of North and South Fitzhugh streets to the east line of Franklin street and the east line of East avenue, by putting in a new lateral sewer as deep as the main sewer will permit, to each lot where there is not an existing sewer at full depth, by putting in new water service pipes to each lot where necessary, replacing stone manhole heads, with iron heads, rebuilding or removing existing surface sewers, and putting in new ones where necessary, setting new curbstones six (6) inches thick, substantially upon the lines of existing curbs, excepting that at the corners of streets, they shall be set to curves, as hereinafter specified and excepting that where existing sidewalk flags are thick enough, they shall be cut to the proper lines and curves, and faced up like the new curbstones, and also, excepting that where existing curbstones are not less than six (6) inches thick, and are in proper line, they shall be retained; the cutting off of the sidewalks at street corners, so that the curb lines shall be upon circular curves, tangent to the adjacent straight parts of said curb, and said curves to be of the following radii: Thirteen (13) feet radius for North and South Fitzhugh streets, excepting that the north-west corner is to remain as it is; Exchange street, State street, North and South St. Paul streets, North and South Clinton streets, North street, Elm street, East avenue and Franklin street, North and South Water streets, Minerva place Stone street, Cortland street, Graves street, north-east corner Front street, and Acqueduct street. Sixteen (16) feet for the northwest corner of Front street, eight (8) feet for Irving place and six (6) feet for Liberty alley, the laying of crosswalks across each side street and alley and across Main street, on each side of North and South Fitzhugh streets, State and Exchange streets North and South St. Paul streets and North and South Clinton streets, consisting of 5 lines of flag stones eighteen (18) inches wide, spaced six (6) inches apart, and the laying of crosswalks across Main street, where there are existing crosswalks, consisting of three (3) lines of flagstones eighteen (18) inches wide, and spaced six (6) inches apart, and the laying of a Medina block stone pavement on a concrete foundation and with a line of gutter stones, sixteen (16) inches wide in front of the curb, together with the grading and unspecified work necessary to make a complete roadway, and all the old material to be removed from the street, will be the property of the contractor and may be so considered in their proposals.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$99,000, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of East and West Main streets, from North and South Fitzhugh streets to Franklin st. and East avenue, and including one lot on each side of West Main street, next west of North and South Fitzhugh street, and one lot on the north side of East Main street, next east of Franklin street, and one lot on the south side of East Main street, next east of East avenue.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Callihan, Zimmer, Adams, Lempert, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer.—17.

Awards	10,139 00

Making a total of.....\$10,564 50

Respectfully submitted,

C. D. KIEHEL, City Attorney.

Ordered received, filed and published.

By Ald. C. S. Cook, by request—Whereas, The City Attorney has reported the entire and aggregate expense of, and connected with, the widening of Belmont park, from East Main street to Grove street, in the city of Rochester, under final ordinance No. 4,816, including all amounts to be paid to the owners of lands deemed necessary to be taken, and all costs and charges of the city in the proceeding, at the sum of ten thousand five hundred and sixty-four and fifty cents (\$10,564.50) which expense has been duly adjusted by this Common Council as reported; now, therefore,

Resolved, That all persons interested in the matter of the ordering of an assessment for the aforesaid street widening be heard as to the same at the next regular meeting of the Common Council, to be held at the Common Council chamber City Hall, September 5th, 1893, at 7:30 o'clock P. M., and that the City Clerk cause to be published a notice of such hearing as required by section 190 of the city charter.

Adopted.

By Ald. C. S. Cook, by request—Resolved, That the City Treasurer be, and he hereby is, authorized to make the city's note for the sum of ten thousand one hundred and thirty-nine (\$10,139) dollars, and credit the proceeds thereof to the fund for the widening of Belmont park, from East Main street to Grove street, under final ordinance No. 4,816; such note to be payable in not more than one year from the date thereof, and to be countersigned by the Chairman of the Finance Committee before discount, and that the discount thereon be charged to the Contingent Fund, and transferred to the fund for the widening of said part, when said fund shall have been created.

Adopted by the following vote:
 Ayes—Alds. C. S. Cook, Calihan, Zimmer, Lempert, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Aikenhead, Simmelink, Lewis, Forsyth—14.

By Ald. Johnston:—Statement The deficiency in the city's current expenses April 1, 1893, was \$320,000, comprising \$195,000 unpaid taxes and \$125,000 deficiency notes, and the net current expenses of the city for the three months of April, May, and June, prior to levying the annual city tax in July, were at least \$150,000, a month, making \$450,000 and aggregating an indebtedness for current expenses alone on June 30th, of \$770,000 before a single dollar of tax had been collected to meet it. This amount of money and enough additional to pay the semi-annual interest on the city bonds had to be borrowed and paid for by interest at six per cent.

This is the city's customary annual experience, and is the inevitable result of its present methods of financing.

In addition, the City Treasurer's records show that the Treasurer has accepted under the date of August 15th, 1893, contractors orders, for work done and to be paid for by local assessment, amounting to \$1,082,776.74, a large part of which viz: \$315,345.64 has been paid before the assessment rolls have been confirmed by the Council.

All these orders bear interest at six per cent, and the money that has been advanced on them had to be borrowed and paid for at the same rate.

It is apparent that the local assessment fund for the payment of contractors should be kept separate from the general fund that arrangements should be made to borrow the money needed for it at less than six per cent, and that the assessment rolls should be completed and confirmed more promptly.

The city is paying about \$30,000 a year for interest on contractors acceptances and if an arrangement could be made to borrow at say, 4 per cent, and collect the assessments promptly, it would affect a saving in interest expenditures of from ten to twenty thousand dollars a year. Also the city is paying about \$15,000 a year for interest on the annual deficiency notes and the amounts borrowed to pay current expenses from April to July, and if the city's financial year was changed to July 1st, every dollar of this amount could be saved and several thousand dollars additional earned from the interests receipts upon bank balances. Surely, the city of Rochester, should not waste so much money for interest and its credit is not aided when it is obliged to continuously borrow the money needed to pay the interest on its already large and increasing bonded indebtedness.

Therefore, Resolved, That the Charter Amendment Committee be requested to prepare an amendment to the charter changing the date of the city's financial year to July 1st, providing for the complete separation of the local assessment and current expense funds, the raising of the necessary money to pay contractors acceptances and the prompt prepara-

tion and confirmation of local assessment rolls and report its conclusions to this Council at an early day for its approval.

Upon motion of Ald. Johnston, action thereon was postponed two weeks.

By Ald. Johnston—Resolved, That the Executive Board be, and it is hereby requested to furnish this Council at an early day, with a statement showing all employees, excepting street laborers, in the different departments separately, under its jurisdiction viz: The Street, Water Works, Water Pipe, and Fire, together with the positions they occupy and the amounts of their respective salaries.

Ald. C. S. Cook moved that the matter be laid upon the table.

Adopted by the following vote:
 Ayes—Alds. C. S. Cook, Calihan, Ashton, Ward, Dewey, H. G., Cook, Simmelink, Lewis, Forsyth—9.

Nays—Alds. Zimmer, Lempert, Johnston, Pauckner, Bierbrauer—5.

By Ald. Johnston—Resolved, That the Excise Commissioners be, and they are hereby requested to correspond with the Excise Commissioners of New York city, Brooklyn, Albany, Utica, Syracuse and Buffalo at an early day and secure as far as practicable, answers to the following inquiries: First, how many licenses were granted during the last fiscal year? Second, What amount of revenue was received from them? Third, What disposition was made of the revenue, or for what purpose was it applied? Fourth, What was the city's estimated population during the fiscal year referred to? Also, Resolved, That our Excise Commissioners be requested to formulate their replies when received and report them to this Council.

Lost by the following vote:
 Ayes—Alds. Johnston, Pauckner, Simmelink—3.

Nays—Alds. C. S. Cook, Calihan, Zimmer, Lempert, Ashton, Ward, Dewey, H. G. Cook, Lewis, Forsyth—10.

By Ald. Dewey—Petition to change the name of Crothers place to Linwood park.

Laid upon the table two weeks under the rules.

By Ald. Lewis—Resolved, That the City Surveyor be and he is hereby instructed to prepare an ordinance for grading the extension of Council avenue to North avenue and the construction of a suitable sewer in said Council avenue.

Adopted.
 Ald. Lewis gave notice of intention to introduce at the next regular meeting a resolution to amend the penal ordinance governing Bill Posting by prohibiting the posting of bills on places forbidden by owners.

By Ald. Lewis—
To the Honorable, the Common Council of the City of Rochester:

Gentlemen: I respectfully call your attention to the resolution offered by Ald. Lewis and adopted at the meeting held April 4th, 1893, wherein the Mayor was authorized to execute a contract with the German papers to begin on April 5th, 1893, and to terminate April 5th, 1894. By the contract executed in 1892 for the German papers upon the same terms, the contract was not to terminate until the 15th of May, 1893. Will you please take such action as is proper in the matter to correct the discrepancy.

Respectfully yours,
 C. D. KISHEL, City Attorney.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the resolution offered by Ald. Lewis, found at page 14 of the current proceeding relative to the contract between the Rochester Volksblatt and the

Rochester Abend Post and Beobachter and the city of Rochester, be and the same hereby is reconsidered.

Adopted.

By Ald. Lewis—Resolved, That the resolution offered by Ald. Lewis, found at page 14 of the current proceedings relative to the contract between the Rochester Volksblatt and the Rochester Abend Post and Beobachter and the city of Rochester, be and the same is hereby indefinitely postponed.

Adopted.

By Ald. Lewis—Resolved, That the Mayor be, and he hereby is authorized to enter into a contract with the publishers of the Rochester Volksblatt and the Rochester Abend Post and Beobachter to publish all official notices of this Council, the executive board, the Assessors, the City Attorney, the City Clerk, the City Treasurer, and other departments of the city, and to furnish copies of their issues to each of said officers and departments the same as is required of the Democrat and Chronicle, at the compensation to each of said papers at the rate of \$800 per annum, payable monthly; the form of the contract to be approved by the City Attorney before execution on behalf of the city by the Mayor, the contract to begin on May 15th, 1893, and to terminate one year from that date.

Adopted by the following vote:

Ayes—Alds. C. S. Cook, Calihan, Zimmer, Johnston, Ashton, Ward, Pauckner, Aikenhead, Simmlink, Lewis, Forsyth.—12

Upon motion of Ald. C. S. Cook, the Board then adjourned.

HENRY W. GREGG, City Clerk.

In Common Council, August 31, 1893.

ADJOURNED REGULAR MEETING.

Ald. Mahlon B. Adams, President of the Board, presiding.

REPORTS OF STANDING COMMITTEES.

By Ald. McMillan—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Finance Committee, to which was referred the communication of the City Treasurer, in relation to the city's financial condition, begs leave to make the following report:

We find that the fund from which payments are to be made for the construction of the Court and Andrew street bridges has been exhausted, and that moneys have been transferred to that fund from the Contingent Fund, thereby exhausting the Contingent Fund; and that thus early in the fiscal year it has become necessary to discount the city's note for the purpose of reimbursing the Contingent Fund. This course would not have been necessary, had it seemed advisable to the committee to sell the bridge bonds heretofore authorized by the Council, but in view of the severe stringency in the money market, and the unwillingness of investors to invest their money within the past few months, your committee has been unable to make a satisfactory sale of those

bonds. Negotiations have been in progress for a long time with New York bankers, and your committee, upon the visit of its sub-committee to New York, recently received an offer to take those bonds at par, providing the rate of interest was fixed at 4-1-2 per cent. In view of the fact that the city is now forced to pay a high rate of interest upon upwards of three and one-half million dollars of bonds, because of the fact that they were issued in a period of financial stringency, your committee has deemed it unwise to still further obligate the city on long time bonds, at even as high a rate of interest as 4-1-2 per cent, and has, therefore, decided to recommend that the offer be rejected.

The city has at its disposal \$98,462 in the savings banks. This money has been accumulating during the past few years from the receipts of dividends on the stock of the Rochester & Genesee Valley Railroad Company owned by the city. The city is now the owner of \$300,000 worth of that stock, and there are outstanding bonds of the said issue in exchange for that stock amounting to \$108,000. \$4,000 worth of those bonds will be redeemed annually until 1903, when the balance of the bonds will mature. In the meantime, the receipts from the stock will be more than sufficient to pay the balance of bonds then outstanding, and the moneys now on hand may be used for any purpose which the Council may deem proper. Your committee has at all times resisted the various propositions made to use this money for other purposes, but the time has now arrived when it would seem wise to make use of it; and, therefore, your committee has decided to recommend that the City Treasurer be authorized to purchase, on behalf of the city, bonds known as the Rochester Bridge Bonds, to the amount of \$100,000. That said bonds bear a rate of interest of 3-1-2 per cent. per annum, and for the purpose of paying for such bonds to withdraw the moneys on deposit in the savings banks, and use the same for that purpose. By this course the city will be saved the necessity of issuing bonds to run for at least twenty years, bearing a rate of interest of 4-1-2 per cent., and in the judgment of your committee, it will be possible within a very few months for the city to dispose of those bonds, when the money thus withdrawn from the savings banks, if deemed advisable, can be returned. With the moneys thus obtained, the Contingent Fund will be reimbursed, and the bridge fund will be protected so that the payments for partial estimates upon the Court and Andrews street bridges can be promptly met.

Your committee has also very carefully considered the proposition of the Treasurer to issue the city's notes in small amounts to any person desiring to loan money to the city at a rate of interest not greater than 6 per cent. per annum, and has decided to recommend that that course be adopted. The necessity for the adoption of this course arises from the fact, that largely on account of the financial stringency the payment of taxes have been very much less thus far since the first of July, than has been the case in other years, and the necessity exists of providing money with which to meet the ordinary expenditures of the city. These notes should be issued under the direction of the Finance Committee, and the money should be placed in the Contingent Fund, so that expenditures heretofore authorized and now due can be paid without unnecessary delay. It is believed \$100,000 borrowed in this way will be sufficient for present needs, and a resolution is hereto annexed providing for carrying out this recommendation.

It appears from the communication of the City Treasurer submitted at the last meeting, and referred to this committee, that cash has already been advanced for local improvements, the rolls for which are not yet in the hands

of the City Treasurer, to the amount of \$340,120.25, and that \$14,053.01 has been advanced on sprinkling contracts, the rolls for which will not be completed for some months; in addition, time orders issued by the Executive Board have been accepted, as stated by the City Treasurer, to the amount of \$111,000, which time orders are payable during the present fiscal year. Thus nearly \$500,000 has either been advanced, or is to be advanced for local improvements. The sum of \$276,631.75 has already been paid from the General Fund for such purposes, as appears by the Treasurer's communication. The withdrawal of this large amount of money from the fund raised in the annual tax levy, will necessitate the borrowing of a large amount from the banks of discount, or other sources during the present fiscal year. It is believed by your committee that by issuing the city bonds, in the nature of revenue bonds, money can be obtained to meet these acceptances, and reimburse the General Fund for moneys already advanced, at a lower rate of interest than has been heretofore paid, and that a large saving can thus be made in interest charges from which the city would derive the benefit. Those bonds should be issued for one year, and should be paid from receipts for local assessments, and, in the opinion of your committee, such amendments to the charter should be prepared and presented to the Legislature at its next session as will authorize the separation of the General Fund of the city from the Local Improvement Fund. Your committee has, therefore, decided to recommend that the City Treasurer be authorized to prepare and issue, under the direction of the Finance Committee, bonds to the amount of \$250,000, to be known as the Rochester City Revenue Bonds, to bear a rate of interest not greater than will be necessary to effect their sale at par. Said bonds to run for not more than one year from their date, to be signed by the Mayor and the City Treasurer, and countersigned by the President of the Common Council. The amount of those bonds is fixed at \$250,000 under the belief that that sum will be sufficient for present needs, although it is more than probable that if satisfactory arrangements can be made for their sale, and the saving of interest be thereby effected, an additional issue will be recommended later in the year.

The foregoing are the only recommendations which your committee has to make at the present time, but it is believed by your committee that the present is the proper time to call attention to the necessity of adopting a more conservative method in relation to local improvements throughout the city. Heretofore it has been customary to adopt ordinances for local improvements, as your committee believes, without proper consideration, and in some instances where property owners were not prepared to meet the expenses incident thereto. In that way, and by that course the city has been involved in large expenditures, and has not been able to procure the repayment of the moneys thus advanced. In the judgment of your committee, a different method for making the local assessments with which to meet the cost of improvements should be adopted. It is probable that an amendment to the charter will be necessary in order to carry out the ideas of your committee, and if so, the committee should be authorized to prepare such amendments. Those ideas are in brief as follows: that when a local improvement is deemed necessary, and the ordinance is adopted therefor, an assessment should be at once prepared, and a portion of the assessment should be collected and in the hands of the Treasurer before the work should be begun. Further installments should be collected when the work is partially completed, and the balance should be collected upon the completion of the work, or within a very short time thereafter. By the adoption of some such plan as this the city

would be saved the necessity of advancing large sums of money to pay for improvements, and awaiting the pleasure of property owners in repaying those sums. In fact it is believed that the present condition of the city's finances would have been avoided had some plan similar to the foregoing been adopted years ago. Your committee would, therefore recommend that the matter of the preparation of such amendments to the city charter as are mentioned in the foregoing report, be referred to the Finance Committee with instructions to prepare the same, and have them ready for introduction prior to the annual session of the Legislature. It is probable that the committee in considering these matters, may find it necessary to recommend a change, either in the date of the commencement of the fiscal year, or a change in the date of the collection of the city's taxes; and this matter should also be referred to the Finance Committee for consideration.

All of which is respectfully submitted.

By Ald. McMillan—Resolved, That the City Treasurer be, and he is hereby authorized to purchase, on behalf of the city, bonds known as the Rochester Bridge Bonds, to the amount of \$100,000, and that he be authorized to withdraw from the savings banks the moneys now on deposit in these banks, accumulated from dividends on the stock of the Rochester & Genesee Valley Railroad Company, owned by the city, for the purpose of paying for such bonds, and that the rate of interest on such bonds be fixed at 3-1-2 per cent. per annum.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Adams, Lempert, Fox, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Lewis, Forsyth—16.

Nays—Ald. Johnston—1.

By Ald. McMillan—Resolved, That the City Treasurer be, and he is hereby authorized and directed to borrow, under the provision of section 81 of the city charter, moneys to the amount of \$100,000, under the direction of the Finance Committee, and to issue the city's notes therefor, in sums of \$100 and upwards payable on or before one year from their date. Said notes to bear a rate of interest not greater than 6 per cent. per annum, and that said Treasurer be authorized to accept said notes in payment of city taxes or assessments at their face value, with accrued interest, said notes to be signed by the Treasurer and countersigned by the chairman of the Finance Committee.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Lewis, Forsyth—17.

By Ald. McMillan—Resolved, That the City Treasurer be, and he is hereby authorized and directed to prepare and issue under the direction of the Finance Committee, in accordance with the provision of section 81 of the city charter, bonds of the city of Rochester to be known as the Rochester City Revenue Bonds, to the amount of \$250,000 in denominations to suit the purchasers. Said bonds to run for not more than one year from their date, to be signed by the Mayor and the City Treasurer, and countersigned by the President of the Common Council. Said bonds to bear a rate of interest not greater than will be necessary to effect their sale at par. That the moneys received from the sale of said bonds be paid

into the general fund of the city toward the reimbursement of that fund for moneys heretofore advanced for payments upon local improvements.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Lewis, Forsyth—17.

By Ald. McMillan—Resolved, That all matters set forth in the foregoing report, as likely to require amendments to the city charter, be, and they are hereby referred to the Finance Committee, with instructions to prepare such amendments to the city charter as, in the judgment of the committee may be necessary, and report the same to this council for consideration on or before the first regular meeting in December, 1893.

Adopted.

CITY AUDITOR'S OFFICE,
ROCHESTER, N. Y., Aug. 25, 1893.

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—The accompanying 23 bills from the Board of Health for collecting garbage, to the 20th instant inclusive, are approved only for the amount of service due thereon up to and including the 31st day of July.

I object to continuing the practice hitherto of including a fractional part of each current month which in this case covers two-thirds of August and should properly be included in the next presentation of bills for audit including the remainder of the month. Thereafter I would suggest that these bills be made up for each calendar month's service to the end of the month, duly certified and completed for examination and audit before presentation the following month to your body, and will so advise that department. This would avoid undue haste and incompleteness in many instances in their preparation, more or less liable to occur otherwise.

Respectfully,

A. S. MANN, Auditor.

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., August, 31, 1893, }

To the Honorable, the Common Council of the City
of Rochester.

Gentlemen:—I hereby certify that the Executive Board have notified me that the works or improvements authorized under ordinances hereinafter mentioned have been completed; that I have, pursuant to the provisions of the charter, ascertained the entire and aggregate expense of, and connected with the same respectively, including any interest that the city shall incur, or is entitled to for the use of its funds, and the respective amounts thereof are as follows:

Ord. No.	Improvement.	Expense.
4,569.	Plymouth avenue asphalt improvement, (5 payment roll.)	\$77,843 01

Respectfully submitted,

S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published.

LOCAL IMPROVEMENT ASSESSMENT.

By Ald. Forsyth—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvement, including and all interest that the city has paid or has or shall become liable to pay upon accounts of any and all orders or notes issued by the city to pay the expenses of such improvement adjusted by this Common Council as thus reported, and the portions or parts of the city on which the said expenses and hereby directed are to be assessed and which this Common Council deems to be benefited by the improvement respectively, are as stated and described in the final ordinance relating to the improvement, respectively, and that the names and expenses of the improvement thus to be assessed are as follows:

Ord. No.	Improvement.	Expense.
4,569.	Plymouth avenue asphalt imp	\$77,843 01

And it is further determined that the taxpayers to be assessed for making the foregoing improvement, may pay their assessment in five equal payments as follows: One-fifth within thirty days of the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-fifth within one year from the conformation of such roll; one-fifth within two years of the conformation of such roll; one-fifth within three years from the conformation of such roll; and the remaining one-fifth within four years from the conformation of such roll.

On all sums paid prior to the maturity of said last installment a discount will be allowed at the rate of 6 per cent. per annum.

And the assessors of said city if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed as aforesaid, or if any two of said assessors, are not so interested, then such two are hereby directed to make assessment upon all the lots and parcels of land within the portion or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvement, in proportion as nearly as may be, to the advantage which the said lots and parcels of land within the territory to be thus assessed for such improvement shall be deemed to receive by the making of the improvement.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, C. S. Cook, Cahhan, Zimmer, Adams, Lempert, Fox, Johnson, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Lewis, Forsyth—17.

MONROE COUNTY COURT—In the matter of the construction of an overflow outlet for the East Side Trunk Sewer through University avenue, from the Culver road to Thomas creek,

To the Honorable, the Common Council of the City
of Rochester:

Gentlemen:—The undersigned, who were appointed by an order of the Monroe county court, duly granted on the 19th day of July, 1893, and entered in Monroe county clerk's office, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants, of the lands, rights and easements to be taken for the construction of an overflow outlet for the East Side Trunk Sewer through University avenue, from the Culver road to Thomas creek, as designated on a map entitled, "Map showing proposed location of overflow outlet for the trunk sewer, through and near University avenue, from the Culver road to Thomas creek," filed in Monroe county clerk's office in Liber — of Maps, at page—, would be entitled to for the same, respectfully report and certify the several pieces or parcels of land, and the premises or rights and easements therein to be taken for such improvement, and the names and residences of the owner or owners thereof respectively, and the rights of such owners, so far as the same can be ascertained, and the amount of damages or compensation which shall be paid to each of the owners or occupants, as incident to the construction, operation and maintenance of such overflow, as provided by the charter of said city, as follows:

The property, rights or easements to be taken is described as a permanent right of way or easement for the construction, maintenance and operation by said city, its successors, servants, agents or contractors, of a storm overflow, in connection with said trunk sewer, in, along, through, over and across the several pieces or parcels of land hereinafter described, according to plans prepared by, or for, said city, or hereafter to be prepared by, or for, said city, with the permanent right and privilege to said city, its successors, servants, agent or contractors, to enter upon said premises to construct, examine, clean, repair, deepen and enlarge or otherwise change the same, or the route thereof, as may at any time, be deemed desirable by said city, or its successors, within the boundaries hereafter defined:

PARCEL NO. 1.

A permanent right of way or easement of sufficient width for the construction, operation and maintenance of a brick sewer, to be used as an overflow outlet for the East Side Trunk Sewer of the city of Rochester, in,

along, through, over and across all that tract or parcel of land situated in the town of Brighton, county of Monroe and state of New York, being a part of lot No. 26, in the second division of township 13, on the Genesee river, along a center line, which is described as follows:

Beginning at a point in the center of University avenue, where the west line of premises conveyed to Cornelius Vanderlike by deed from Peter Le Roy and wife, dated February 14, 1884, and recorded in Monroe county clerk's office in Liber 380 of Deeds, at page 105, intersects the same; thence easterly, along the center of University avenue to a point where the east line of said Vanderlike's premises intersects the same.

These premises are owned by Cornelius Vanderlike, who resides at Williamson, Wayne county, New York.

PARCEL NO. 2.

Beginning at a point in the center of University avenue, where the west line of premises formerly owned by Jacob Mack intersects the same; thence easterly along the center of University avenue to a point where the center line of University avenue intersects the center of Thomas creek; thence along said Thomas creek northerly a sufficient distance to afford an outlet into said creek for said over-flow.

These premises are owned by Katrina Mack Schrader, Anna Mack, Libbie Hoster, Mary Mack Heid, and George Mack, the heirs of law of Jacob Mack, subject to the dower interest of Elizabeth Mack Shake; said Katrina Mack Schrader resides in Irondequoit, N. Y.; said Anna Mack Lockwood, Mina Mack Herbrand, Mary Mack Heid, each reside in Rochester, N. Y.; said Philip Mack, Libbie Hoster, George Mack and Elizabeth Mack Shake, each reside in Brighton, N. Y.

PARCEL NO. 3.

A permanent right of way or easement of sufficient width for the construction, operation and maintenance of a brick sewer, to be used as an overflow outlet for the East Side Trunk Sewer of the city of Rochester, in, along, through, over and across all that tract or parcel of land situated in the town of Brighton, county of Monroe and state of New York, being a part of lot No. 26, in the second division of township 13, on the Genesee river, along a center line, which is described as follows:

Beginning at a point in the center line of University avenue, where the west line of premises conveyed by Henry B. McGonnegal and Mary E., his wife, and George E. McGonnegal and Louisa E., his wife, to George Weaver, by deed dated November 18, 1867, recorded in Monroe county clerk's office in Liber 216 of Deeds, at page 243, intersects the same; thence easterly, along the center line of University avenue to a point where the east line of said Weaver's premises intersects said center line.

These premises are owned by Theresia Weaver (Weber), who resides in Brighton, N. Y.

PARCEL NO. 4.

A permanent right of way or easement of sufficient width for the construction, operation and maintenance of a brick sewer, to be used

as an overflow outlet for the East Side Trunk Sewer of the city of Rochester, in, along, through, over and across all that tract or parcel of land situated in the town of Brighton, county of Monroe and state of New York, being a part of lot No. 10 of McGonnegal's subdivision of part of lot No. 27, in the second division of lots in township No. 13, in the 7th range, along a center line which is described as follows:

Beginning at a point in the center line of premises conveyed by Adrian Van Thöf and wife to Nellie Waters by deed dated August 18, 1884, and recorded in Monroe county clerk's office August 20, 1884, in Liber 387 of Deeds, at page 356, intersects the same; thence easterly, along the center line of University avenue, to a point where the east line of said Water's premises intersects said center line.

These premises are owned by James M. Bruff, Harry M. Stewart and E. Marsh Dickenson, all of whom reside in Rochester, N. Y.

PARCEL NO. 5.

A permanent right of way or easement of sufficient width for the construction, operation and maintenance of a brick sewer, to be used as an overflow outlet for the East Side Trunk Sewer of the city of Rochester, in, along, through and across all that tract or parcel of land situated in the town of Brighton, city and county aforesaid, being a part of lot No. 27, in the second division of lots, in township No. 13, in the 7th range, along a center line, which is described as follows:

Beginning at a point in the center line of University avenue, where the west line of premises conveyed by Edmund Herbert to Michael Herbert, by deed dated December 22, 1871, and recorded in said clerk's office in Liber 250 of Deeds, at page 166, intersects the same; thence easterly, along the center line of University avenue, to the center of Thomas creek.

These premises are owned by Michael Herbert, who resides in Brighton, N. Y.

Therefore, we, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matters submitted to us at the City Attorney's office, at No. 209 Wilder's building, Rochester, N. Y., pursuant to a notice of, at least, ten days, published according to law, and, having inquired into and heard the proofs and allegations of the parties in interest, do, thereupon, determine and appraise the compensation which the owners, tenants or occupants of the property and rights to be taken for the construction, operation and maintenance of the aforesaid overflow outlet will severally sustain by being deprived thereof, as follows: and which awards are to be paid, as hereinafter provided:

To Cornelius Vanderlike, for parcel No. 1, the sum of one dollar, payable to said Cornelius Vanderlike, to Katrina Mack Schrader, Anna Mack Lockwood, Mina Mack Herbrand, Philip Mack, Libbie Mack, Mary Mack Heid and George Mack as his heirs, and to Elizabeth Mack Schake, as widow of Jacob Mack for Parcel No. 2, the sum of one dollar, payable to same parties. To Theresia Weaver (Weber) for Parcel No. 3, the sum of one dollar, payable to Theresia Weaver (Weber). To James M. Bruff, Harry M. Stewart and E. Marsh Dickenson, for Parcel No. 4, the sum of one dollar, payable to Carl Lorenz Scharick, mortgagee. To Michael Herbert, for Parcel No. 5, the sum of one dollar, payable to Michael Herbert.

Respectfully submitted,

Ordered received, filed and published, and upon motion of Ald. Dewey, referred to Committee on Lamps and Electricity.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., August 30, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Executive Board by request of your honorable body has caused negotiations to be opened with the owners of property through whose lands it is proposed to extend what is designated as "Outlet sewer through Thomas and other streets."

The parties in interest have visited the office of the Executive Board and made an examination of the map on file as drawn by the City Surveyor, but have made no formal proposition to the Executive Board of the amount they would be willing to accept for the privileges sought to be obtained. Inasmuch as there is a demand in the locality for this improvement, for the drainage of adjoining lands and property, it is therefore recommended that the usual course in such cases be taken, namely; by the appointment of a commission to condemn the right of way for the proposed sewer.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Simmelink—Whereas, No agreement for the purchase of the right of way through, and easement in the lands of the owners of property necessary for the construction of an outlet sewer in and through private lands as proposed by final ordinance, N. 5,127, and designated as Outlet sewer through Thomas and other streets, can be made, therefore,

Resolved, That a copy of said ordinance and of this resolution, together with a map of the said rights of way and easements and sewer be made and filed in the office of the City Clerk and County Clerk, which map shall show thereon the lots, tracts and parcels of land in and through which said rights of way and easements are to extend, and the commencement, course and termination of the same according to the provisions of section 174 of the city charter; and that the City Attorney be, and he hereby is instructed to institute and take such proceedings as may be necessary to secure such right of way and easement.

Adopted.

By Ald. Lewis—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., August 30, 1893. }

To the Common Council:

Gentlemen:—Pursuant to a resolution adopted by your honorable body, the Executive Board have entered into negotiations with the owners of property proposed to be taken for Denver street extension under ordinance 5,218, and would respectfully report that L. Garson submitted as the sum he would receive for his lot, 60 feet front by 140 deep on Grand avenue, \$1,000; and A. A. Stout for lot 60 by 158 feet fronting on Parsells avenue at the rate of \$15 per foot front. And in the matter of Greely street extension, under ordinance 5,217, a proposition was received from F. A. Broatch for lot 40 feet by 140 feet deep \$15 per foot front; and from S. Blodgett for lot 40 feet front by 158 deep the sum of \$15 per foot front.

The Executive Board is of the opinion that the value of the respective lots proposed to be taken for the extension of both those streets is substantially the same; and, therefore would recommend, if acceptable to the parties in interest, that your honorable body authorize the payment of \$15 per foot front for each of the four lots, and consider the same a fair and reasonable valuation of said property.

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the City Surveyor be and he is hereby instructed to prepare an ordinance for the construction of a cement walk in front of No. 27 school on Central park.

To the Common Council:

Gentlemen:—The following action was taken by the Executive Board at a regular meeting held August 25, 1893:

By Mr. Barnard—Whereas, A cash guaranty in the sum of one hundred seventy-three and 16-100 dollars, was given the city of Rochester by H. B. Hooker, contractor, for the maintenance of Avenue D cement walk for a period of one year from the date of its completion, and

Whereas, The time of such guaranty expired August 24, 1893, and the cement walk is certified to this board, to be in good order, therefore,

Resolved, That the Clerk of this Board request the Common Council to authorize the Treasurer of the city of Rochester to pay to H. B. Hooker, contractor, for the Avenue D cement walk, ordinance No. 4,817, the sum of \$173.16, being the amount retained by the city of Rochester as security given by said H. B. Hooker, for the repair and maintenance of said improvement for one year.

Adopted.
 Pursuant to the terms of the above resolution, it is requested that you authorize the City Treasurer to refund to H. B. Hooker, the amount of money deposited as guaranty for the avenue D cement walk.

Yours respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—
CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Aug. 25, 1893. }

Richard Curran, Mayor City of Rochester:
Sir:—I hereby certify that the foregoing transcripts are a true copy of all ordinances, resolutions and orders for the payment of money, which were passed by the Common Council of the city of Rochester, at a meeting held on the 22nd day of August, 1893.
Given under my hand and the corporate seal of the city of Rochester, this 25th day of August, 1893.

HENRY W. GREGG, City Clerk.
MAYOR'S OFFICE,
ROCHESTER, N. Y., Sept. 1, 1893. }

I hereby approve the foregoing proceedings of the Common Council except final ordinance 5,230 for the widening of Mortimer street. This improvement, if it can be called an improvement, was not petitioned for by the property owners, and many of the latter are loud in their protests against what would be an expensive and yet incomplete widening of the street.

RICHARD CURRAN, Mayor.
Ordered received, filed and published.
Ald. C. S. Cook moved that action upon the mayor's veto be postponed two weeks.
Carried.

By the Clerk—
CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., Sept. 5, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I beg leave to report that I have on hand sufficient funds to meet the August budget of your honorable body, without recourse to the expedient of borrowing from private individuals upon the city's notes, which was recommended by me, and approved at your last meeting.

The collections of taxes and assessments during the last days of August were somewhat larger than I had anticipated, and the temporary relief afforded by withdrawing the Genesee Valley R. R. sinking fund from the savings banks and investing the same in the Rochester Bridge Bonds is all that is absolutely required for the present. These facts are reported for your guidance in directing me, whether or not to borrow any money at present under the terms of the resolution adopted at your last meeting.

It is scarcely probable that the receipts of the present month will be sufficient to meet the September budget, and in case of inability to sell the East Side Trunk Sewer and additional Water Supply bonds, large sums will be required in the near future.

I have already received offers for nearly the entire amount of notes authorized by your honorable body. The sums offered range from \$100

to \$20,000, and are nearly all conditioned upon the notes being issued for one year at six (6) per cent. interest.

In view of the fact that there has been no advertisement of the matter, except what appeared in the newspaper reports of your proceedings, the large number of offers already received affords assurance of the success of this method of raising funds whenever, in your judgment, it shall become necessary.

Respectfully submitted,
S. B. WILLIAMS, Treasurer.

Ordered received, filed and published and upon motion of Ald. Lewis referred to Finance Committee.

Ordered received, filed and published.

By the Clerk—

To the Honorable, the Common Council of the City of Rochester :

At a meeting of the joint committee of the Common Council and Board of Supervisors appointed to consider the question of sewerage for county and state buildings and property lying north and south of Pinnacle range of

hills would respectfully report that they have carefully examined the plans, maps and profiles of the City Surveyor and your committees are unanimous in approving the plans submitted by him. A statement of the cost of said proposed sewer prepared by the surveyor was also presented and is made a part of this report. It is unnecessary to refer to the great need for this sewer. The necessity for its construction is conceded by all.

Your committee are unanimously of the opinion that in order to properly construct said sewer it will be necessary to secure a right of way or easement for the sewer through private property and also more or less grading. The total estimated cost of securing easements, constructing sewer and grading is \$36,645.

Your committee are of the opinion, that if the cost of such sewer with such grading and such easements is \$36,645, the expense should be borne in the following proportions.

State property occupied by Rochester: State Hospital, 28 per cent.

County property occupied by Monroe: County Alms House and Penitentiary, 41 per cent.; territory north of range of hills, 2 1/2 per cent.; territory south of range of hills, 9 1/2 per cent.

And that an assessment should be made by the proper municipal authorities upon such basis.

The property on Goodman street proper to be assessed should be from the summit of the hill to South Clinton street.

Dated July 26, 1893.

Respectfully submitted,

WM. PAUCKNER,
HENRY G. COOK,

Special Committee, Common Council.

GEORGE A. GOSS,
JACOB ALLMEROTH.

Special Committee Board of Supervisors.

The foregoing report is concurred in by

E. H. HOWARD,

Superintendent Rochester State Hospital.

GEO. E. MCGONEGAL,

Superintendent of Poor of Monroe County.

CHAS. A. WEBSTER,

Superintendent of Monroe County Penitentiary.

Ordered received, filed and published.

By the Clerk—

ROCHESTER, N. Y., July 25, 1893.

Notes on a proposed sewer for portion of city south of Mt. Hope range of hills.

Area of city south of top of Mt. Hope range and east of Mt. Hope avenue is about 244 acres.

Area in same section not used for reservoir or park purpose about 195 acres.

Probable volume of sewage 600,000 gal's per twenty-four hours and the area to be actually served by the sewer will be about 130 acres and expected population, 5,000. Area served north of summit of range 60 acres.

The total estimated cost of the proposed sewer from Elmwood avenue and South avenue to the east side trunk sewer in Goodman street is as follows:

Right of way and grading.....	\$ 10,000 00
18-inch sewer from South avenue and Elmwood avenue to Oakland street.....	16,000 00
2,129 lin. ft. of stone sewer 2x2 with arch and invert from Oakland st to East Side trunk sewer.	10,645 00

Total cost \$ 36,645 00

Deduct the cost of 18 to 24-inch sewer which would be required in Goodman street in any event..

6,000 00

\$ 30,645 00

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., Sept. 5, 1893

To the Honorable the Common Council of the City of Rochester:

Gentlemen:—For the purpose of trying an experiment in pavements, which will be of interest to all taxpayers, I venture to recommend to your honorable body the passage of an ordinance providing for the re-surfacing of the existing macadam pavement on South Fitzhugh street, from Main street to the Erie canal.

This pavement has been down many years, and was made of granite from the St. Lawrence river. It is so worn away that unless repaired soon, it will need to be replaced.

I desire to see the surface loosened with picks along the sides, and a layer of broken trap rock, brought from the Hudson river, placed on top from 2 to 6 inches thick, then to be thoroughly rolled with the heavy steam roller, and a grout, or thin mortar, composed of one and one-half volumes of sand to one of Portland cement, to be brushed into the stone so as to fill all voids between stones, and make a substantial surface. It seems to me possible that such a pavement, while being cheap, may be as clean as asphalt, and durable as the hardest rock, and so be well adopted to many streets where the cost of more expensive pavements would be burdensome. As it is so late in the season I suggest the passage of the first ordinance to-night.

Very respectfully yours,

J. H. McCLINTOCK,
City Surveyor.

In the foregoing report, the cost for removals made payable to persons or heirs of the person designated herein are made subject to the provisions contained in chapter 228 of the laws of 1893. Where the award is made to "supposed owners" there is no definite information as to whom the actual owner is, and the proof of the ownership of the lot shall be presented before payment is made.

The foregoing awards are made upon the supposition that the number of bodies found upon the different lots will be the same number for which the awards have been made. In case it appears that there are less number on the various lots after the bodies are disinterred, awards at the rate of \$4 to each owner will be allowed for every body.

All of which is respectfully submitted.

ACTION UPON ORDINANCES.

FIRST ORDINANCES.

SEWER IN HOLLENBECK STREET AND AVENUE D.

By Ald. Aikenhead—Resolved That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Hollenbeck street and Avenue D.
 Adopted.

The Surveyor submitted as such estimate, \$14,000.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, viz:

The construction of a suitable sewer in Hollenbeck street and Avenue D of the following form and dimensions: A vitrified pipe sewer fifteen inches in diameter in Avenue D, from a point twenty feet east of the Rome, Watertown & Ogdensburg railroad property, to Hollenbeck street south of Avenue D, and twenty inches in diameter from this last point to the center of Hollenbeck street north of Avenue D; also twenty inches in diameter in Hollenbeck street to a point about 1,450 feet south of Norton street; also a stone sewer 2x2 feet with cover and invert in Hollenbeck street, from a point about 1,450 feet south of Norton street to the trunk sewer in Norton street. Also the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$14,000, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

All the territory included within and described by the following boundary lines, viz.: Beginning at the intersection of Norton and Hollenbeck streets, thence easterly along Norton street, excluding one tier of lots on the south side thereof, for a depth not exceeding 150 feet to North Clinton street, thence south-

erly along North Clinton street, excluding one tier of lots on the west side thereof, to the south line of the Christian Doser estate subdivision; thence westerly along the south line of said Doser's sub-division to the west line of lot No. 7 of said sub-division; thence southerly on a line parallel with North Clinton street, to the south line of lot No. 14 supposed to belong to Godfrey Brewer; thence westerly along said south line of lot No. 14 to a point midway between Hollenbeck street and North Clinton street; thence southerly on a line parallel with North Clinton street to the south line of property supposed to belong to Michael Muller, being the north part of lot No. 12; thence easterly along said south line of Michael Muller's property to a point 130 feet west of North Clinton street; thence southerly on a line parallel with, and 130 feet distant from North Clinton street to the south line of lot No. 6, supposed to belong to Joseph Schroll; thence westerly along said Schroll's south line to a point about midway between Hollenbeck street and North Clinton street; thence southerly on a line parallel with North Clinton street to the north line of property supposed to belong to Elizabeth Lehr, being the south part of lot No. 2; thence easterly on said north line to a point 130 feet west of North Clinton street; thence southerly on a line parallel with, and 130 feet distant therefrom to Baetzel Park; thence westerly along Baetzel Park, excluding one tier of lots and parcels of land on the north side thereof to Hollenbeck street; thence northerly along Hollenbeck street to Avenue C; thence westerly along Avenue C including one tier of lots on the south side thereof, to the west line of property of the Rome, Watertown & Ogdensburg railroad; thence northerly along the west line of said railroad property to Norton street, the place of beginning.
 Adopted.

THE STATE HOSPITAL AND SOUTH GOODMAN STREET OUTLET SEWER.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing an outlet sewer for the State Hospital and South Goodman street.
 The surveyor submitted as such estimate, \$37,000.

REPORTS OF STANDING COMMITTEES.

By Ald. H. G. Cook—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Assessment Committee begs leave to make the following report:

In the matter of the petition of Mary J. Fry, as executrix of the last will and testament of James Wells Fry, to have cancelled the personal tax against said estate, upon the ground that the estate was distributed before the assessment was levied, we find that the facts set forth in the petition are true, and recommend that the petition be granted.

In the matter of the petition of Rosianna Kenny asking to have a portion of the city tax for the current year refunded to her, assessed against her property, being lot No. 5, on the south side of the Vernon street, upon grounds that the assessed valuation was erroneously increased from \$1,600 to \$2,150, under the mistake that a new dwelling house had been erected upon said lot, we recommend that the sum of \$8.75 be remitted.

In the matter of the petition of Frances J. Clark, asking to have cancelled the city tax against lot No. 11, south side of Richards street, for the current year, upon the ground that she is deprived of the occupation of said lot on account of the construction through it of the East Side Trunk Sewer, we are advised that the right of way for said sewer was obtained by condemnation proceedings, and that the question of the occupation of said lot during the construction of said sewer was discussed before the commissioners of appraisal, and that their award covered any damages to the property owner from that source, and we, therefore, recommend that the petition be denied.

In the matter of the petition of James M. Whitney praying for the cancellation of a tax upon certain property near Central avenue and North Water street, assessed for North Water street improvement, we recommend that the petition be denied.

In the matter of the petition of E. Knickerbocker and the heirs of Mary J. Knickerbocker to have corrected an alleged erroneous assessment, we recommend that the petition be denied.

In the matter of the petition of Francis M. Husten and Patrick Curran and wife to have remitted certain taxes, upon the ground that the property upon which they were assessed was purchased with pension money, and was exempt from taxation, we recommend that the same be denied, without passing upon the merits of the petitioners, but because your committee deems that exemptions of property purchased with pension money should be passed upon by the courts.

In the matter of the petition of Andrew McDade praying for the cancellation of the sprinkling taxes for 1891 and 1892 in front of his property on Vincent Place, we recommend that the same be granted.

In the matter of the petition of Catherine Zimmer praying to be allowed to pay the assessments for North street opening and North street grading at the legal rate of interest, we find that said assessments have remained unpaid through no fault of the petitioner and, therefore, recommend that the petition be granted.

All of which is respectfully submitted.

HENRY G. COOK,
WM. PATCKNER,
T. McMILLAN,
JOHN F. FOX,
Assessment Committee.

By Ald. H. G. Cook—Resolved, That the City Treasurer be, and he hereby is, directed to cancel on his books the personal tax for 1893, levied against the estate of James Wells Fry, deceased, and charge the amount thereof to erroneous assessments.

Adopted.

By Ald. H. G. Cook—Resolved, That the City Clerk be, and he hereby is, directed to draw an order, payable from the Contingent Fund, in favor of Rosianna Kenny, for the sum of eight dollars and seventy-five cents, being the rebate allowed upon the city tax for the current year, assessed against her property, being lot 5 on the south side of Vernon street, in the Ninth ward, and that the Treasurer be, and he hereby is, directed to charge said amount to erroneous assessments.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Aikenhead, Simmelink, Lewis, Forsyth—18.

By Ald. H. G. Cook—Resolved, That the petition of Frances J. Clark to have cancelled the general city tax for 1893 against lot No. 11, south side of Richards street, upon the ground that she has been unable to use and occupy said lot on account of the construction of the East Side Trunk Sewer, be, and the same hereby is, denied.

Adopted.

By Ald. H. G. Cook—Resolved, That the petition of James M. Whitney to have cancelled a certain assessment against property near Central avenue and North Water street for North Water street improvement, be, and the same hereby is, denied.

Adopted.

By Ald. H. G. Cook—Resolved, That the petitions of Francis M. Husten and Patrick Curran and wife, be, and the same hereby are, denied.

Adopted.

By Ald. H. G. Cook—Resolved, That the City Clerk be and he hereby is directed to draw an order payable from the Contingent Fund in favor of Andrew McDade for the sum of fourteen dollars and eighty-one cents, the sprinkling tax against his property for 1891 and 1892 on Vincent Place and charge said sum to erroneous assessments.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Aikenhead, Simmelink, Lewis, Forsyth—18.

By Ald. H. G. Cook—Resolved, That the City Treasurer be and he hereby is directed to receive from Catherine Zimmer the face of the assessment with legal rate of interest against lot 22 on the west side of Carter street for North street opening, under Ord. 3,480 and North street grading, under Ord. No. 4,531, and charge the balance of interest and fees allowed by the city charter to erroneous assessments, provided the same be paid within thirty days from the adoption of this resolution.

Adopted.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Law Committee begs leave to report as follows:

On September 7, 1893, a judgment was recovered in the municipal court of the city of Rochester against the city by John B. Howe for the sum of \$5. Your committee is of the opinion that this is not a just claim, and are advised by the City Attorney that, in his opinion, the judgment will not be sustained in the upper courts, and, as it involves the payment of a large number of poll clerks of the

city, who have heretofore received their pay from the inspectors, in case said judgment is upheld, as all of said poll clerks would have to be paid from the city treasury, your committee is of the opinion that an appeal should be taken.

In the matter of South St. Paul street widening, your committee would respectfully report that an ordinance was heretofore adopted for the widening of South St. Paul street, but it was found that nearly all of the premises necessary to be acquired were covered with tax liens, and that a title could be obtained through a foreclosure of these liens by the city, that it will not be necessary to acquire the property by condemnation, except a small portion of lot No. 20, which it has been found is not covered by liens of any kind, and since the Executive Board has not succeeded in negotiating on satisfactory terms with the owners of this strip, your committee recommend that the City Attorney be directed to take the necessary steps to acquire title to said strip, under the provisions of the revised city charter.

In the matter of the application of the following named persons Mary Harse and Charles E. Thompson for appointment as Commissioners of Deeds, your committee recommends that the same be granted.

All of which is respectfully submitted.

MERTON E. LEWIS,
D. W. FORSYTH,
M. B. ADAMS,
T. McMILLAN.

Law Committee.

By Ald. Lewis—Resolved, That an appeal be taken by the City Attorney to the county court from the judgment recovered by John B. Howe against the city of Rochester in the municipal court September 7, 1893, and that he also be, and hereby is, authorized to prosecute any further appeal in said action that may be necessary to protect the interests of the city, and that the Council hereby ratifies any action in that direction that has already been taken by the City Attorney.

Adopted.

Ald. McMillan in the chair.

By Ald. Zimmer—

To the Honorable the Common Council of the City of Rochester:

Gentlemen:—Your Public Improvement Committee to whom was referred the communication of the Executive Board dated August 8, 1893, would respectfully report, that in their opinion the recommendation in said communication relative to building Plymouth avenue sidewalk to the railroad should be carried out to the end that the improvement therein referred to be brought about, and we would therefore recommend the adoption of the accompanying resolution.

All of which is respectfully submitted.

C. W. ZIMMER,
MARTIN CALIHAN,
D. W. FORSYTH,
T. McMILLAN,
ALVIN H. DEWEY,

Public Improvement Committee.

By Ald. Zimmer—Resolved, That the City Surveyor be and he hereby is directed to prepare an ordinance for the laying of a stone or cement walk on both sides of Plymouth avenue from the bridge over the Western New York & Pennsylvania Railroad to the grade crossing of said railroad.

Adopted.

Ald. Fox, from the Police Committee; Ald. Johnston, from the City Property Committee; Ald. Dewey, from the Lamp Committee, and Ald. Pauckner, from the Contingent Expense

Committee, reported in favor of the various bills referred to their respective committees and referred them to the Finance Committee and City Auditor for payment.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

CITY ATTORNEY'S OFFICE, }
ROCHESTER, N. Y., Sept. 19, 1893. }

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—In the matter of the levying of an assessment for the Court and Andrews street bridges prior to the completion of the work, which was referred to me for an opinion, I beg leave to say that I find no legal objection to the ordering of such an assessment at once.

Very respectfully,
C. D. KIEHEL, City Attorney.

Ordered received, filed and published.

By Ald McMillan—Resolved, That the Executive Board be and it is hereby directed to report to this council at its next meeting the whole amount to be raised by local assessment for the Court and Andrews street bridges, respectively.
Adopted.

By the Clerk—

MONROE COUNTY COURT—In the matter of opening a street from Rowe street to Glenwood avenue, in the city of Rochester.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned, who were appointed by an order of the Monroe county court on the 26th day of June, 1893, and duly entered in Monroe county clerk's office on the 28th day of June, 1893, commissioners, to inquire into and determine what damages and compensation the owner or owners, tenants or occupants, of the lands and buildings to be taken for the opening of said street, will be entitled to for the same, respectfully report and certify the several pieces or parcels of land to be taken for such improvement, the names and residences, and the rights, of the owners thereof, and their awards of damages, as incident to the opening of said street, as follows:

The several pieces and parcels of land required for such purpose, and necessary for the opening of said street, are described as follows, reference being had to a map of said street as proposed to be opened, in the city and county clerk's offices.

PARCEL NO. 1.

All that tract or parcel of land, situated in the city of Rochester, county of Monroe and state of New York, bounded and described as follows:

Beginning at the southeast corner of lot No. 74 of the McCrackenville tract, as it appears on a map thereof, filed in the Monroe county clerk's office, in liber 1, of maps, at page 49; thence westerly, along the north line of Glenwood avenue, a distance of thirteen feet; thence northerly and northeasterly along the west line of the proposed opening of a

street from Rowe street to Glenwood avenue, as it appears on a map of said opening filed in the Monroe county clerk's office, to the north line of said lot; thence southerly along the east line of said lot to the place of beginning.

These premises are owned by Henry East and wife, who reside in the city of Rochester, N. Y.

PARCEL NO. 2.

Also, all that other tract or parcel of land, situated in the city, county and state aforesaid, and bounded and described as follows:

Beginning at a point in the present north line of Champion street, where the east line of the premises conveyed to Henry East by the Glenwood Mutual Homestead Association of Rochester, by deed dated August 6, 1873, and recorded in the Monroe county clerk's office in liber 314 of deeds, at page 467, intersects the same; thence northerly, along the said east line, to the top of the north high bank of Deep Hollow, and the south line of premises owned by Mary Kay; thence westerly, along the south line of said Kay's land, to the west line of said proposed opening, as appears on a map of said opening, above referred to; thence southerly, along the west line of said proposed opening, to the south high bank of Deep Hollow, and the north line of lot No. 74 of the McCrackenville tract; thence easterly and southerly, along the present north line of Champion street, and the south high bank of Deep Hollow, to the place of beginning; being a strip of land about twenty-six feet in width, extending from the south to the north high bank of Deep Hollow.

These premises are owned by Henry East and wife, who reside in the city of Rochester, N. Y.

PARCEL NO. 3.

Also, all that other tract or parcel of land, situated in the city, county and state aforesaid, and bounded and described as follows:

Beginning at the northeast corner of premises conveyed to Mary Kay by Alexander and James Morrison and their wives, by deed dated March 1, 1871, and recorded in the Monroe county clerk's office in liber 242 of deeds at page 201; thence extending southerly, along the east line of said premises, a distance of about four hundred and thirty-five and thirteen hundredths (435.13) feet, to the premises last above described, owned by Henry East; thence along the south line of said Kay's premises, to the west line of said proposed street opening, as it appears on a northerly, along the said proposed west line, a map thereof hereinbefore referred to; thence distance of two (2) feet; thence northerly, along said proposed west line, and two feet distant from the south line of said Kay's premises, to a point one (1) foot distant from the east line thereof; thence northerly, on a line parallel with, and one foot distant from, the east line of said Kay's premises, to the south line of Rowe street; thence easterly, along the south line of Rowe street, at distance of one foot, to the place of beginning; being a strip of land reserved by said Mary Kay, as appears on a map made for her by Horace Jones, and filed in the Monroe county clerk's office in liber 7 of maps at page 63.

These premises are owned by Mary Kay, who resides in Rochester, N. Y., and are subject to two mortgages; one for \$3,000, running to the Ninth Ward Savings and Loan Association, dated January 22, 1889, and recorded in said clerk's office in liber 311 of mortgages at page 358; and another for \$600, running to said association, dated June 25, 1889, and recorded in said clerk's office in liber 313 of mortgages at page 503.

PARCEL NO. 4.

Also, all that other tract or parcel of land, situated in the city, county and state aforesaid, and bounded and described as follows:

Beginning at the northwest corner of premises conveyed to Jane E. Campbell by James Campbell and wife, by deed dated May 17, 1886, and recorded in the Monroe county clerk's office in liber 409 of deeds at page 190, and at a point on the south line of Rowe street; thence extending southerly, along the west line of said premises, a distance of about six hundred and eight and forty-five hundredths (608.45) feet, to the north line of Champion street; thence easterly, along said north line of Champion street, and said line produced, being the south high bank of Deep Hollow, to the east line of said proposed street opening, as it appears on the map of said street opening above referred to; thence northerly, on a line parallel with, and twenty (20) feet distant from, the first described line, to the south line of Rowe street; thence westerly, along the south line of Rowe street, to the place of beginning; being a strip of land twenty (20) feet in width taken off from the west side of the premises conveyed to said Jane E. Campbell by the deed above referred to.

These premises are owned by James Campbell, and are subject to certain bequests mentioned in the will of Jane E. Campbell, recorded in liber 451 of deeds in the Monroe county clerk's office at page 182; also, are subject to a mortgage for \$5,000, running to the Monroe County Savings Bank, dated June 28, 1886, and recorded in said clerk's office in liber 276 of mortgages at page 129; also, two judgments, one for \$277.77, in favor of Brackett H. Clark, docketed in said clerk's office January 14, 1886, and the other for \$3,859.02, in favor of Henry Brinckner, docketed in said clerk's office February 20, 1886.

PARCEL NO. 5.

Also, all that other tract or parcel of land, situated in the city, county and state aforesaid, and bounded and described as follows:

Beginning at a point in the west line of lot No. 75 of the McCrackenville tract, as said lot appears on a map thereof filed in Monroe county clerk's office in liber 1 of maps at page 49, eighty-four and seventeen hundredths (84.17) feet distant from the south line of said lot, being also the north line of Glenwood avenue; thence extending easterly, along the east line of said proposed opening, as appears on a map thereof, hereinbefore referred to, a distance of twenty-six and twenty-four hundredths (26.24) feet, to the north line of said lot No. 75, being the top of the south high bank of Deep Hollow; thence westerly, along the north line of said lot No. 75, and the top of said south high bank, to the west line of said lot; thence westerly, along the west line of said lot, to the place of beginning.

These premises are owned by John Ferner and wife, who reside in Rochester, N. Y., and are subject to the interest of Harriet L. Main and Sarah F. Main therein.

The balance of the property covered by the ordinance we find to be public property by prior dedication to said city.

Therefore, we, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matters submitted to us at the city attorney's office, in the Wiler building, Rochester, N. Y., pursuant to a notice of at least ten days published according to law, and having all taken a view of every part of the respective premises, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon,

determine and appraise the damages which the several owners, (there being no tenants or occupants other than such owners, entitled to any awards, except as appears herein), of the several premises to be taken for the opening of said street, will severally sustain by being deprived thereof, and fix the compensation which the aforesaid owners respectively shall receive therefor, as follows:

The awards hereby made, after deducting all taxes and assessments which have become a lien upon the lands described, to be paid as hereinafter provided, as follows:

To Henry East and wife, for parcel No. 1, the sum of four hundred and forty-five dollars, payable to them.

To Henry East and wife, for parcel No. 2, the sum of ten dollars, payable to them.

To Mary Kay, for parcel No. 3, no award is made the land being donated by her to the city of Rochester.

To James Campbell, for parcel No. 4, the sum of one hundred dollars, payable to the mortgagee aforesaid, provided releases be procured of the judgments and claims above referred to, or satisfactory proof that they are not liens upon the property taken for said street opening.

To John Ferner and wife, for parcel No. 5, the sum of one hundred and twenty-five dollars, payable to them, provided releases be procured of the interest of said Harriet L. and Sarah F. Malm.

Commissioner Bantel does not join the other commissioners in the award to James Campbell, to whom he awards \$500.

All of which is respectfully submitted.

Dated, Rochester, N. Y., Sept. 18, 1893.

JOHN F. BOYD,
GEO. BANTEL,
D. C. FEELY,

Commissioners.

Ordered received, filed and published.

By Ald. By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., Sept. 19, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The matter of the extension of West street, along the rear of the property used by the State Industrial School, was referred by your honorable body to the Executive Board for the purpose of obtaining prices on the land proposed to be taken. On an examination of the subject, it was ascertained that by Chapter 471, of the Laws of 1889, the Commissioners of the Land Office were authorized and empowered to grant and release by letters patent to the city of Rochester a right of way for a public street through the lands of the state of New York appurtenant to the State Industrial School, upon such terms, conditions and restrictions as the Commissioner of the Land Office and the Managers of the State Industrial School shall deem just and proper.

The law also provided that the terms, conditions and restrictions shall be reduced to agreement in writing and signed in duplicate on behalf of said Managers by their President and Secretary, and under their seal, and by said city by its Mayor with the seal of said city. It therefore would seem that under this law the Executive Board has no power or authority to act in the premises; and the subject matter of such resolution is referred back to your honorable body for such action as may be deemed expedient.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published and referred to Law Committee.

5,170.	Court st. cement walk.....	826 82
5,171.	Tremont st. pipe sewer.....	835 40
5,176.	Bronson ave. retaining walls extension.....	1,981 12
5,181.	Central Park pipe sewer....	169 08
5,182.	Riley park plank walk.....	131 27
5,191.	Sobieski ave. pipe sewer....	1,353 09
5,196.	Sanford st. cement walk....	272 12
5,201.	No. 24 School cement walk..	84 42

And it is further determined that the taxpayers to be assessed for making the foregoing improvements must pay their assessments with-

in thirty days from the first publication of the advertisement of the notice of the assessment rolls by the City Treasurer.

And it is further determined that the taxpayers to be assessed for making the following improvement, viz:

Ord. No.	Improvement.	Expense.
4,856.	Genesee st. macadam imp't..	\$15,527 28
4,900.	North Clinton st. pipe sewer.	6,396 00
4,903.	Bronson ave. R. R. bridge...	7,049 77
5,104.	North Joiner st. sewer.....	9,770 53
5,174.	Clark st. asphalt pavement...	5,933 96

May pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll. And the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment a discount will be allowed at the rate of six per cent. per annum.

And the Assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of lands within the portions or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements, shall be deemed to receive by the making of the respective improvements.

Ald. McMillan moved that the resolution be amended by leaving out Tremont street pipe sewer, Ord. No. 5,171, and lay on table until next regular meeting.

The resolution as amended was adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Alkenhead, Simmeling, Lewis, Forsyth—18.

LOCAL IMPROVEMENT ASSESSMENT.

By Ald. C.S. Cook—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvement, including any and all interest that the city has paid or has or shall become liable to pay upon accounts of any and all orders or notes issued by the city to pay the expenses of such improvement adjusted by this Common Council as thus reported, and the portions or parts of the city on which the said expenses are hereby directed are to be assessed and which this Common Council deems to be benefited by the improvement respectively, are as stated and described in the final ordinance relating to the improvement, respectively, and that the names and expenses of the improvement thus to be assessed are as follows:

Ord. No.	Improvement.	Expense.
5,129.	Oakman st. Medina stone pavement.....	17,097 29

And it is further determined that the taxpayers to be assessed for making the foregoing improvement, may pay their assessment in five equal payments as follows: One-fifth within thirty days of the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-fifth within one year from the conformation of such roll; one-fifth within two years of the conformation of such roll; one-fifth within three years from the conformation of such roll; and the remaining one-fifth within four years from the conformation of such roll.

On all sums paid prior to the maturity of said last installment a discount will be allowed at the rate of 6 per cent. per annum.

And the assessors of said city if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed as aforesaid, or if any two of said assessors, are not so interested, then such two are hereby directed to make assessment upon all the lots and parcels of land within the portion or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvement, in proportion as nearly as may be, to the advantage which the said lots and parcels of land within the territory to be thus assessed for such improvement shall be deemed to receive by the making of the improvement.

On motion of Ald. C. S. Cook the resolution was laid on the table two weeks.

Adopted.

ACTION UPON ORDINANCES.

FIRST ORDINANCES.

GRANT PARK WALK AND CURB.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council the expense of setting curb and laying Portland cement walks on Grant park.

Adopted.

The Surveyor submitted as such estimate, \$1,550.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, viz:

The setting of a line of Medina stone curb on each side of Grant park, from Martin street to Almira street. Also the grading of the roadway, and the construction of a Portland cement walk 4 feet wide on each side of the street between the limits mentioned, except where good flagstone or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the necessary surface sewers.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense of the improvement the same at \$1,550, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Grant park from Martin street to Almira street, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Simmelink—

ROCHESTER, N. Y., Sept. 18, 1893.

Mr. McClinton:

Dear Sir:—Regarding the proposed sewer through Wilkins avenue from Thomas street, thence through private lots to Berlin street, we will give you right of way through lots Nos. 38 and 135, making sewer continuous, on Thomas to Berlin, thence up Berlin. The right of way on our land fronting on Berlin (but not yet given to city), we also concede for said sewer. In consideration for said rights we stipulate that there will be no sewer assessment on the two lots, Nos. 38 and 135. Hoping this will meet with your approbation, I am, very respectfully,

CHAS. H. WILKIN.

154 Lake avenue, City.
Ordered receive, filed and published.

By Ald. Simmelink—

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., Sept. 19, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Final ordinance No. 5,159 provides for building an outlet sewer through Thomas and other streets, and through certain private lands including lots Nos. 56 and 126 between Wilkins avenue and Berlin streets. The owner of these lots, C. H. Wilkin, offers sound reasons for not building the sewer through these two lots and proposes to contest, but as appears by the attached letter, he offers to give the right of way through lots Nos. 38 and 135 and through Berlin street, which is not a public street, provided these two last mentioned lots be relieved from assessment for the sewer.

I do not see any objection to making the proposed change in line, and recommend the

reconsideration of Final Ordinance No. 5,159 and that it be indefinitely postponed and the passage of the first ordinance presented here-with in place of it.

Very respectfully yours,

J. Y. MCLINTOCK,
City Surveyor.

Ordered received, filed and published.

By Ald. Simmelink—Resolved, That final ordinance No. 5,159 heretofore adopted relating to the construction of a sewer in Thomas and other streets and through private property be and the same hereby is reconsidered.

Adopted.

By Ald. Simmelink—Resolved, That final ordinance No. 5,159 relating to the construction of an outlet sewer in Thomas and other streets and through private property, be and the same hereby is indefinitely postponed.

Adopted.

OUTLET SEWER IN THOMAS AND OTHER STREETS.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing an outlet sewer through Thomas and other streets from Alphonsus avenue to Norton street.

Adopted.

The Surveyor submitted as such estimate, \$25,100.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, viz:

The construction of a sewer of suitable dimensions and on proper grades, beginning at shaft No. 7 of the East Side Trunk Sewer; thence easterly along Norton street to the center of Klein street; thence southerly along Klein street to Wilson avenue; thence easterly along Wilson avenue to a point opposite the produced center line of Bauman park; thence southerly along said produced center line and the center line of Bauman park to Hayward park; thence westerly along Hayward park to Girard park; thence southerly along Girard park to Berlin street; thence westerly along Berlin street as shown on maps to the center line of Thomas street produced; thence southerly along said center line produced and along the center line of Thomas street to the center of Alphonsus avenue. Also the construction of the necessary manholes, surface sewers, lot laterals and branches. Also the acquirement of the necessary easements in, and right of way across private lands for the purpose of constructing and maintaining, examining and repairing said sewer at all times hereafter.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$25,100, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

All the territory included within and described by the following boundary lines, viz: Beginning at the intersection of Klein street, including one tier of lots on the east side thereof to Wilson avenue; thence easterly along Wilson avenue, excluding one tier of lots on the south side thereof to Hudson avenue, except that the first three lots on the north side and the first four lots on the south side of Wilson avenue east of Klein street are included; thence southerly along Hudson avenue, excluding one tier of lots on the west side thereof for a depth not exceeding 150 feet to Frederick park; thence westerly along Frederick park, excluding one tier of lots on the north side thereof to a point 500 feet west of Hudson avenue; thence southerly parallel with Hudson avenue, to Bernard street; thence easterly along Bernard street, excluding one tier of lots on the south side thereof to Hudson avenue; thence southerly along Hudson

avenue, excluding one tier of lots on the west side thereof to Weigel alley; thence westerly along Weigel alley to Thomas street; thence northerly along Thomas street excluding one tier of lots on the east side thereof, to the north line of lot No. 119 of the St. Joseph Orphan Asylum Association tract; thence westerly along the north lines of lots Nos. 119, 133 and 147 of said tract to Loomis street; thence northerly and westerly along Loomis street, to St. Joseph street; thence northerly along St. Joseph street, excluding one tier of lots on the east side thereof, for a depth not exceeding 150 feet to Van Stallen park; thence asterly along Van Stallen park, including one tier of lots on the north side thereof to Klein street; thence northerly along Klein street including one tier of lots on the west side thereof to the place of beginning. Also one tier of lots on the south side of Norton street from Klein street to a point opposite shaft 7 of the East Side Trunk Sewer, and excluding lots Nos. 38 and 135 through which the sewer will pass, between Wilking avenue and Berlin street, in proportion to the benefit which each will derive therefrom.

Adopted.

PORTLAND CEMENT WALK IN FRONT OF PUBLIC SCHOOL NO. 27.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a Portland cement walk in front of Public School No. 27.

Adopted.

The Surveyor submitted as such estimate, \$125.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a Portland cement walk, 4 feet wide on the west side of First avenue, in front of Public School lot No. 27. Also the necessary sidewalk grading.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$125, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land in front of which the proposed walk is to be constructed, in proportion to the benefit which each will derive therefrom.

Adopted.

PORTLAND CEMENT WALK IN FRONT OF PUBLIC SCHOOL NO. 19.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a Portland cement walk in front of Public School No. 19.

Adopted.

The Surveyor submitted as such estimate, \$475.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a Portland cement walk, 5 feet wide on Magnolia, Seward and Reynolds streets, in front of No. 19 Public School lot. Also the necessary sidewalk grading.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$475, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land in front of which the proposed walk is to be constructed, in proportion to the benefit which each will derive therefrom.

Adopted.

GRAVEL PAVEMENT ON LAWTON STREET.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Lawton street.

Adopted.

The Surveyor submitted as such estimate, \$1,700.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The improvement of Lawton street, from the east end thereof to Meigs street, by the construction of a gravel roadway therein, with a line of Medina stone curb and gutter on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of roadway between curbs to be 14 feet. Also the construction of a Portlad cement walk, 3 feet wide on each side of the street, between the limits mentioned. Also the construction of the necessary crosswalks, surface sewers, manholes, lot laterals, water and gas services.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,700, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Lawton street, from the east end thereof to Meigs street, in proportion to the benefit which each will derive therefrom.

Adopted.

CEMENT WALKS ON PLYMOUTH AVENUE.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing cement walks on Plymouth avenue.

Adopted.

The Surveyor submitted as such estimate, \$3,500.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of Portland cement walks, five (5) feet in width, on each side of Plymouth avenue, from the bridge crossing the tracks of the W. N. Y. & P. R. R. to the southerly line of lands of the said W. N. Y. & P. R. R., about 480 feet south of Barton street, except where good flag or cement walks of the proper width now exist, which walks must be relaid if not conforming to the proper grade and alignment. Also the necessary sidewalk grading and resetting monuments. Property owners to be allowed until May 15, 1894, to construct their own walks.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$3,500, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Plymouth avenue, from the bridge crossing the tracks of the W. N. Y. & P. R. R. to the southerly line of lands of said W. N. Y. & P. R. R., about 480 feet south of Barton street, in proportion to the benefit which each will derive therefrom.

Adopted.

EXTENSION OF FLOWER STREET.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, and we hereby judge that the public good requires the same to be done, viz:

The extension of Flower street westerly, to Conkey avenue, the north line of said extension is described as follows: Beginning at the west end of Flower street as now opened,

and extending westerly in a prolongation of the north line to Clifford avenue; thence westerly in a direct line to a point in the east line of Conkey avenue, where the north line of Neilson place, extended easterly would intersect it. The south line of said extension to be parallel to, and 50 feet distant from the above described north line, from Conkey avenue to Clifford avenue, and 40 feet from Clifford avenue to the west end of the present Flower street. And the lands necessary to be taken therefore is all the lots and parcels of land lying between the above described north and south lines, and extending from Conkey avenue to the west end of Flower street as now opened.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Flower street, as now opened, and as proposed to be opened, from Conkey avenue to North Clinton street, as they exist at the date of the passage of this ordinance, in proportion to the benefit which each will derive therefrom.

Adopted.

EXTENSION OF THOMPSON AVENUE.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, and we hereby judge that the public good requires the same to be done, viz:

The opening of Thompson avenue through lands supposed to belong to James McGee and Joseph Rudhart, from Thompson avenue on the west easterly across Henry street to Thompson avenue on the east. The northerly line of the portion of said avenue to be opened is described as follows: Beginning at a point in the north line of Thompson avenue in the west line of land of James McGee, said point being 273.5 feet distant from and at right angles from the south line of East Main street; thence easterly in a straight line to a point in the east line of Henry street, said point being 276 feet from East Main street measured at right angles therefrom; thence easterly parallel to East Main street and in the northerly line of Thompson avenue as it is now opened 106.9 feet to a point in line with the east line of Joseph Rudhart's lot. The land to be taken for said opening is all of the land lying between said described northerly line and a line parallel thereto and 50 feet distant southerly therefrom measured at right angles, and the west line of land of James McGee and the east line of land of Joseph Rudhart.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Thompson avenue, from its west end to its end as it will exist after the perfecting of the opening herein undertaken as they exist at the date of the passage of this ordinance, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Zimmer—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is

hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Post-Express notice thereof as is required and in the manner specified by section 172 of the city charter.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Sept. 19, 1893.

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Post-Express, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, Sept. 19, 1893, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,
HENRY W GREGG, City Clerk.

FINAL ORDINANCE, NO. 5,238.

SEWER IN HOLLENBECK STREET AND AVENUE D.

On motion of Ald. Aikenhead, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a sewer in Hollenbeck street and Avenue D, from near the Rome, Watertown & Ogdensburg railroad property to Norton street.

And after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a suitable sewer in Hollenbeck street and Avenue D of the following form and dimensions: A vitrified pipe sewer fifteen inches in diameter in Avenue D, from a point twenty feet east of the Rome, Watertown & Ogdensburg railroad property, to Hollenbeck street south of Avenue D, and twenty inches in diameter from this last point to the center of Hollenbeck street north of Avenue D; also twenty inches in diameter in Hollenbeck street to a point about 1,450 feet south of Norton street; also a stone sewer 2x2 feet with cover and invert in Hollenbeck street, from a point about 1,450 feet south of Norton street to the trunk sewer in Norton street. Also the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$14,000, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

All the territory included within and described by the following boundary lines, viz.:

Beginning at the intersection of Norton and Hollenbeck streets, thence easterly along Norton street, excluding one tier of lots on the south side thereof, for a depth not exceeding

150 feet to North Clinton street, thence southerly along North Clinton street, excluding one tier of lots on the west side thereof, to the south line of the Christian Doser estate sub-division; thence westerly along the south line of said Doser's sub-division to the west line of lot No. 7 of said sub-division; thence southerly on a line parallel with North Clinton street, to the south line of lot No. 14 supposed to belong to Godfrey Brewer; thence westerly along said south line of lot No. 14 to a point midway between Hollenbeck street and North Clinton street; thence southerly on a line parallel with North Clinton street to the south line of property supposed to belong to Michael Muller, being the north part of lot No. 12; thence easterly along said south line of Michael Muller's property to a point 130 feet west of North Clinton street; thence southerly on a line parallel with, and 130 feet distant from North Clinton street to the south line of lot No. 6, supposed to belong to Joseph Schroll; thence westerly along said Schroll's south line to a point midway between Hollenbeck street and North Clinton street; thence southerly on a line parallel with North Clinton street to the north line of property supposed to belong to Elizabeth Lehr, being the south part of lot No. 2; thence easterly on said north line to a point 130 feet west of North Clinton street; thence southerly on a line parallel with, and 130 feet distant therefrom to Baetzel Park; thence westerly along Baetzel Park, excluding one tier of lots and parcels of land on the north side thereof to Hollenbeck street; thence northerly along Hollenbeck street to Avenue C; thence westerly along Avenue C including one tier of lots on the south side thereof, to the west line of the property of the Rome, Watertown & Ogdensburg railroad; thence northerly along the west line of said railroad property to Norton street, the place of beginning.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Callhan, Zimmer, Adams, Lempert, Fox, Johnson, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Aikenhead, Simmelink, Lewis, Forsyth—18.

FINAL ORDINANCE, NO. 5,239.

RESURFACING SOUTH FITZHUGH STREET.

On motion of Ald. Zimmer, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to resurface South Fitzhugh street, from West Main street to near the Erie canal.

And after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The improvement of South Fitzhugh street, from West Main street to the crosswalk near the north line of the city hall building, by the picking up of the present macadam surface of the roadway and adding the necessary quantity of trap rock macadam thoroughly rolled and graded.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$600, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

Ald. Lewis called for the resolution, page 178 current proceedings relative to salary of Edward R. Foreman, investigating clerk City Attorney's office, laid on table July 25th, and presented the opinion of the First City Attorney, and moved that it be received, filed and published.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—In obedience to the duty imposed upon me of reporting at this meeting my opinion as to the liability of the city for the salary of E. R. Foreman, investigating clerk in the City Attorney's office, I beg leave to say that by the provisions of the city charter, the City Attorney is authorized on or before the 1st day of June of each year to appoint among the other subordinates in his office as many clerks and stenographers as your honorable body might direct whose term of office should be for one year or until their respective successors are appointed. (City Charter, Section 60.) Pursuant to the authority conferred upon him by the city charter and the action of your honorable body in adding an investigating clerk to the clerical force in the law department, the City Attorney, by a

certificate filed with the City Clerk, appointed E. R. Foreman, investigating clerk in his office for the term provided by the city charter, to begin June 1, 1893.

Your inquiry involves an examination of the regularity of such appointment and eligibility of the appointee.

I have carefully gone over the records evidencing the appointment of the investigating clerk and I find nothing informal or irregular in the resolutions creating the clerkship referred to, in the application for examination filed by the incumbent with the Civil Service Board as such clerk, in the certificate of his competency presented to the City Attorney by said Board, or in the appointment filed by the City Attorney. So far as the records referred to are concerned the appointment is unassailable.

As to the eligibility of the incumbent it has been attacked, so far as I know, upon the ground that he was not a resident of this city at the time of his application and appointment, and upon the further ground that two of the statements contained in his application blank, "I have resided in the city of Rochester, N. Y., continually for over four years," and "I have not been arrested upon a criminal charge" are false, thus vitiating, it is claimed, his examination and subsequent appointment.

The latter ground involves disputed questions of fact and as such I do not deem it my duty to pass upon them, but so far as the present inquiry is concerned it is immaterial whether they are true or false as neither the Civil Service law nor the local rules and regulations promulgated in accordance therewith require any tests of eligibility which would give force to any of the grounds mentioned.

If the statements referred to are false it simply gives the appointing power the right to remove the appointee during the latter's probationary term which in this case has already expired, and does not necessarily render the candidate ineligible. (Civil Service Rules, XVI, XX).

I am, therefore, of the opinion, that Mr. Foreman was, and is, eligible to the office of investigating clerk, that he was legally appointed and that the city is liable for such services as he has already performed, and such further services as he may perform until the expiration of his term, or his prior removal by the City Attorney.

Respectfully submitted,
A. J. RODENBECK,
First Assistant City Attorney.

September 20, 1893.

Ordered received, filed and published.

Ald. Lewis moved to call from the table the resolution and moved its adoption.

To the Honorable the Common Council of the City of Rochester:

Gentlemen:—I do hereby offer to dedicate to the city of Rochester, as a public highway a street known as Goodman Place in said city, said street extends westerly from North Goodman street about 400 feet and is of the width of 38 feet, it being a short distance south of Bay street. Said street has been properly monumented and a true and correct map thereof filed in the offices of the County Clerk and City Assessors; and all the other requirements for dedication of a street have been complied with.

Dated September 28, 1893.

CHARLES BLAESI,
PHILIP BLAESI.

Ordered received, filed and published and referred to Executive Board.

By Ald. Ashton—Petition of H. P. Stone for permission to erect a wooden building on Fulton avenue. Referred to Wood Building Committee and Fire Marshal with power to act.

By Ald. Dewey—Resolved, That the Rochester Gas & Electric Co., be and they hereby are directed to build such additional manholes in their subway as may be needed; said manholes to be built at once and to be located by the City Electrician and chairman of the Lamp and Electrical Committee.

Adopted.

By Ald. Simmelink—Petition for water mains in Emerson place. Referred to Water Works Committee and Executive Board.

Also petition for an electric light on Baetzel park. Referred to Lamp Committee and City Electrician.

Also application of Edward J. Schnarr for appointment as Commissioner of Deeds. Referred to Law Committee.

By Ald. Forsyth—

WASHINGTON CAMP NO. 11, P. O. S. OF A.,
ROCHESTER, N. Y., Sept. 26th, 1893. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The petition of Washington Camp, No. 11, Patriotic Order Sons of America, of Rochester, N. Y., respectfully shows: That on the 13th day of September, 1893, at a regular meeting of said camp it was unanimously decided that this camp forward to

your honorable body the following resolution and respectfully request its consideration.

Whereas, It is the universal custom to have our national flag floating over all our public buildings from sunrise to sunset of each and every day in the year and,

Whereas, The city hall of our city has been for years minus any national flag floating over it, now therefore, be it

Resolved, That we petition the Common Council of our city to enact such an ordinance which will provide for the appropriation of a sum of money sufficient to erect upon the city hall a flag staff and for the purchase of a national flag to be raised over said city hall at sunrise and lowered at sunset of each and every day in the year.

All of which is respectfully submitted, P. O. S. of A., by Charles F. A. Young, District President.

Ordered received, filed and published, and upon motion of Ald. Forsyth, referred to Charter Amendment Committee and City Property Committee.

REPORTS OF STANDING COMMITTEES.

By Ald. Dewey—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—After considering the various petitions and resolutions presented to your honorable board, and referred to your Lamp Committee, we would most respectfully recommend that arc lights be placed at the following points:

One, corner Columbia avenue and Snyder street.

One on Park Extension.

One on Granger place.

One on Avenue B, Vick park.

One on Bates street.

One on Cobb street.

One on Bohrer avenue.

One on Third avenue.

One on Lozier park.

One corner O'Neil and Ames streets.

Two in Prince street.

One on Anson park.

Respectfully submitted,

ALVIN H. DEWEY,

HENRY G. COOK,

T. McMILLAN,

J. B. SIMMELINK,

MERSON B. LEWIS,

JOSEPH BIERBRAUER,

Lamp Committee.

Ordered received, filed and published.

By Ald. Dewey—Resolved, That the Rochester Gas & Electric Company be, and it is, hereby requested to comply with the report of the Lamp Committee, when directed so to do by the City Electrician, and he is hereby directed to make the necessary notifications. Adopted.

By Ald. Dewey—Resolved, That the Mayor be, and he is hereby authorized to enter into a contract, for the term of five years, with the Rochester Gas & Electric Company, for the lighting of Warwick avenue with gas, at the current price. Adopted.

By Ald. Dewey—Whereas, The underground conduits for carrying wires on several of the central streets in the city are nearing completion, and as the removal of all poles from these streets will follow the completion of the conduits, some means of lighting these streets must be adopted, and as the most approved method of lighting streets from underground conduits is in use in New York and other large cities, it would seem advisable to have these systems examined, as to meeting the requirements of lighting our principal streets, and the cost of the same; therefore,

Resolved, That the chairman of the Lamp and Electrical Committee, and the City Electrician, are hereby authorized to examine the merits and costs of the different systems of street lighting from underground conduits, and report to this board such recommendations as they may think necessary to light the several streets where conduits are laid. Adopted.

By Ald. Dewey—

ROCHESTER, N. Y., Sept. 28, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Map and Survey Committee beg leave to make the following report:

The number and importance of improvements made this season has been unusually large, so that in fact at times there has been thirty local improvements under construction at one time, including such important works as the stone bridges at Court street and Andrews street, East Main street sewer, East Main street Medina block, Platt street Medina block, Bronson avenue bridge and Medina pavement, besides the preliminary work preparatory to letting the State Hospital and Goodman street sewer, and the Medina block pavement for Main street from Fitzhugh street to Franklin streets. Consequently the work of the Surveyor's office has been larger than usual. In addition to this, the large amount and importance of the work has made it advisable if not necessary to have one man constantly employed in testing the cements and mortars being used in all of the works.

While it has not seemed advisable to permanently increase the force in the Surveyor's office, the Surveyor has found it necessary to employ additional help temporarily, and your committee hereby recommend that the following amounts be paid from the Contingent Fund for services rendered:

Joseph E. Thomas, for services during July, August and September, 1893, at \$25.....\$75 00

Albert L. Ward, July and August, 1893, at \$25..... 50 00

George C. Strassenburgh, for August and September, at \$60.....120 00

And your committee further recommend that Joseph E. Thomas and George C. Strassenburgh be employed during the months of October and November, 1893, at \$25 per month and \$60 per month respectively.

Respectfully submitted,

ALVIN H. DEWEY,

JAMES JOHNSTON,

JOHN F. FOX,

M. B. ADAMS,

Map and Survey Committee.

Ordered received, filed and published.

By Ald. Dewey—Resolved, That the following amounts be paid to the parties named, and the City Clerk be and he hereby is directed to draw orders on the City Treasurer, and in favor of the following persons for the sum set opposite their name and the City Treasurer is authorized to pay the same and charge to Contingent Fund:

Joseph E. Thomas, July, August and September, 3 months, at \$25.....\$75 00

Albert L. Ward, July and August, 2 months, at \$25..... 50 00

George C. Strassenburgh, August and September, 2 months, at \$60.....120 00

Adopted by the following vote:

Ayes—Alds. McMILLAN, C. S. Cook, Callihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Kelly, Simmelink, Lewis, Forsyth, Bierbrauer—16.

By Ald. Dewey—Resolved, That Joseph E. Thomas be employed in the Surveyor's office

during October and November, 1893, at \$25 per month, and George Strassenburg during October and November, 1893, at \$60 per month.

Adopted by the following vote:
Ayes—Alds. McMillan, C. S. Cook, Calihan, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Kelly, Simmelink, Lewis, Forsyth, Biebrauer—15.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., Sept. 28, 1893. }

To the Common Council:

Gentlemen:—The Executive Board is in receipt of the following communication, which I am directed by the Executive Board to refer to your honorable body for action.

THOS. J. NEVILLE, Clerk.

OFFICE OF
THE WESTERN UNION TELEGRAPH CO.,
ROCHESTER, N. Y., Sept. 22, 1893. }

To the Honorable, the Executive Board of the City of Rochester, N. Y.:

Gentlemen:—This company requests permission to lay a conduit similar to that put down in Mill street, from our present manhole on Exchange place to State street; thence up State street to Exchange street; thence up Exchange street to the Erie canal, over the canal foot bridge and continuing up Exchange street to Court street, and up Court street to the Erie depot, with the necessary manholes, all to be done with the approval of the City Electrician.

This conduit is to receive the wires on the poles now standing on Exchange street, which we have been ordered to remove.

Very respectfully,
G. D. BUTLER, Manager.

Ordered received, filed and published, and upon motion of Ald. Dewey referred to the Committee on Lamps and Electricity.

By Ald. C. S. Cook—

KNIGHTS OF ST. GEORGE,
ROCHESTER, N. Y., Sept. 16, 1893. }

Gentlemen—The twentieth anniversary of the Knights of St. George Benevolent Society will be celebrated in an appropriate manner on Monday evening, October 9th, at Germania Hall.

A cordial invitation is herewith extended your honorable body to participate in the festivities, and your presence will be highly appreciated. Enclosed please find compliments for the occasion.

By order,
Most respectfully,
JOS SCHNEIDER, Secretary.

Ordered received, filed and published, and upon motion of Ald. C. S. Cook, the invitation was accepted.

By the Clerk—Notices of claims of William Whitley against the city of Rochester, and of H. Austin Brewster against the city of Rochester. Referred to Law Committee.

By the Clerk—

ACTION UPON ORDINANCES.

By Ald. Zimmer—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7 P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Post Express notice thereof as is required and in the manner specified by section 172 of the city charter.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Sept. 28, 1893.

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Post-Express, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, Sept. 28, 1893, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk

FINAL ORDINANCE, NO. 5,243.

GRANT PARK CURB AND WALK.

On motion of Ald. Zimmer, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct curbs and walks on Grant park, from Martin street to Almira street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The setting of a line of Medina stone curb on each side of Grant park, from Martin street to Almira street. Also the grading of the roadway and the construction of a Portland cement walk four feet wide on each side of the street between the limits mentioned, except where good flagstone or cement walks

now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the necessary surface sewers.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$1,550, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

One tier of lots and parcels of land on each side of Grant park, from Martin street to Almira street.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Callihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Kelly, Simmelink, Lewis, Forsyth, Bierdrauer—17.

MISCELLANEOUS BUSINESS.

By Ald. Zimmer—Resolved, That the mayor be and he hereby is directed and authorized to execute and acknowledge to the city of Roch-ter for and behalf of the city a certificate of the sale of the unpaid taxes to the city of lots 18, 19 and north part of lot 20 of the Johnson and Seymour Tract on the west side of South St. Paul street, as provided by law.
 Adopted.

By Ald. Ward—Resolved, That the City Sur-veyor be and he hereby is directed to establish the sidewalk grade line of Willowbank place from West avenue to Troup street.
 Adopted.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—In the construction of Court street bridge it became necessary for the officers of the city to direct the underpinning of the buildings located on the southeast cor-ner of the bridge in order to build the bridge of the width of the street as originally laid out. The contractors in doing this work caused some damage to the tenant of the building for which an action has been begun in the Monroe county court and is now pend-ing against the contractors. The contractors having acted under the direction of the officers of the city, I am of the opinion, that should any recovery be had by the tenant against the contractors, the city would be ultimately liable. Efforts have been made to settle with

the tenant and secure a release from all dam-age caused by this work, and the tenant has finally agreed to settle his claim in full for all damages for the sum of \$50 upon paying the costs of the action pending. I regard this as a very fair settlement, and I would recom-mend that a resolution be passed directing the payment to the tenant, Mr. Henry A. Eberwein, for the sum of \$50 and taxable costs of this action, and that the same be charged to and paid out of the bridge fund.
 I remain,

Yours respectfully,

C. D. KIEHEL, City Attorney.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That, upon the certificate of the City Attorney that proper releases and discontinuances of the action have been filed in his office, the city clerk is hereby authorized and directed to draw an order upon the city treasurer in favor of Henry A. Eber-wein, or his attorney William E. Edmonds, Esq., for the sum of \$50 damages, and the amount of costs in said action as certified to by said city attorney to be paid out of the bridge fund for the construction of Court street bridge and other bridges, and the City Treasurer is hereby directed to charge the same to said fund.

Adopted by the following vote:

Ayes—Ald. C. S. Cook, Callhan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Kelly Simmelink, Lewis Forsyth, Bierbrauer.—15.

By Ald. Lewis—Resolved, That this council hereby offers and agrees to pay a reward of \$5 for evidence which will result in the arrest and conviction of any person guilty of break-ing windows in polling houses, or interfering with such buildings or their contents.
 Adopted.

By Ald. Lewis—

OFFICE OF THE CITY ATTORNEY, }
 ROCHESTER, N. Y. Sept. 28, 1893. }

Gentlemen:—On or about November 21, 1892, a contract was let to R. S. McMahon & Co for the construction of Ford street improve-ment. Before the contract was completed, Michael Slack and others filed mechanics' liens against the funds in the hands of the city coming to the contractor on account of said improvement, and H. Austin Brewster filed an assignment of the moneys to grow due to the contractor under said contract. There-after, an action was commenced by Michael Slack, in which all the parties who had filed liens, and Mr. Brewster, were made parties and brought into court. Thereafter, Mr. Brewster commenced an action on the two orders which had been delivered to him in pursuance of his assignment, one of which was for \$300, and the other for \$250, each payable six months after September 15, 1892. Thereafter, the attorneys for all the parties in said action stipulated a discontinuance of said action and the same was discontinued, which disposed of all the liens which had been filed against said fund.

The City Treasurer was thereafter directed to pay the orders referred to, which were del-ivered to Mr. Brewster, which he did, without interest, and Mr. Brewster is desirous of re-ceiving interest on the same from the time they became due, and, as I am of the opinion that the city is liable for this interest and there is no authority for the treasurer to pay said interest out of the fund for said improve-ment, I recommend that the interest be paid out of the contingent fund.

Respectfully submitted,

C. D. KIEHEL,

City Attorney.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That upon the certificate of the city attorney that all releases and discontinuances have been properly filed in his office in the action of H. Brewster vs. The City of Rochester, the clerk be, and he hereby is, directed to draw an order upon the city treasurer, payable from the contingent fund, in favor of H. Austin Brewster, for the interest, to be computed by the city treasurer, on two certain orders, one for \$300, and one for \$250, payable six months after September 15, 1892, and issued on account of Ford street medina improvement, under ordinance No. 4,799; said interest to be computed from March 15, 1893, down to the issuance of said order.

Adopted by the following vote:
Ayes—Alds. C. S. Cook, Calihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Kelly, Simmelink, Lewis Forsyth, Bierbrauer.—15.

Ald. Lewis asked and received unanimous consent to introduce the following ordinance and moved its adoption:

AN ORDINANCE REGULATING AND CONTROLLING TEMPORARY AND PUBLIC SALES OF GOODS WITHIN THE CITY OF ROCHESTER.

Section 1. No person, persons, association or corporation shall at any time hereafter temporarily expose either at a public or private sale any lots or quantities of clothing, boots, shoes, and other commodities within the city of Rochester without first procuring a license as hereinafter provided, under a penalty or fine of not less than \$25 nor more than \$150.

Sec. 2. The mayor of the city of Rochester shall from time to time license any proper person, persons, association or corporation to temporarily expose either at a public or private sale any lots or quantities of clothing, boots, shoes or other commodities within the city of Rochester upon the payment to the treasurer of said city the sum of \$150 for each place, stand or station where such sale is to be conducted.

Sec. 3. It shall be within the discretion of the mayor to designate the period of time every license issued under the terms of this ordinance shall be in force and effect.

Sec. 4. No license issued under any provision of this ordinance shall be transferred by any person, persons, association or corporation without the permission of the mayor endorsed thereon, under a penalty of \$25 for each offense. And every such license shall upon such assignment being made without the consent of the mayor, terminate and be at an end.

Sec. 5. This ordinance shall take effect immediately.

Adopted by the following vote:
Ayes, Alds. Tracy, McMillan, C. S. Cook, Calihan, Zimmer, Adams, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Kelly Simmelink, Lewis Forsyth, Bierbrauer.—17.

By Ald. Lewis—
To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—In obedience to your request for my opinion in regard to the ordinance to construct a bridge over the New York Central & Hudson River railroad at Prince street, I assume the question submitted to me is, whether under the existing statutes the railroad company can be compelled to carry the proposed extension of Prince street across its tracks in the manner provided for in the ordinance.

I am of the opinion that, under the laws of 1853, chapter 62, after the city has continued Prince street across the tracks of the railroad, the railroad company is bound within thirty days after notice has been served upon it by the city to cause the extension of the street to be taken across its tracks, as shall be most convenient and useful for public travel,

and to do the work necessary to be done for that purpose. If in the judgment of the common council, the most convenient and useful way for public travel to carry the extension of said street across the tracks is by a bridge, the railroad company under the statute to which I have referred, is bound to do the work for that purpose.

I remain,
Yours respectfully,
C. D. KIEHEL,
City Attorney.

Ordered received, filed and published.
By Ald. Forsyth—Resolved, That an arc electric light be placed at the corner of Seward street and Columbia avenue. Referred to Lamp Committee and City Electrician.
Upon motion of Ald. Forsyth, the Board then adjourned.

HENRY W. GREGG, City Clerk.

REPORTS OF STANDING COMMITTEES.

By Ald. Forsyth—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Law Committee begs leave to make the following report:

At the June, 1893, Circuit, the case of Sophia Quigley against the city of Rochester was brought to trial, and resulted in a non-suit. The plaintiff's attorney moved for a new trial, on the judge's minutes, and on September 18, 1893, an order was made by Judge Rumsey granting the motion of a new trial. Your committee is advised by the City Attorney that there are questions of law involved in this case which should be determined, and that he is confident of sustaining the non-suit in the upper courts. We are, therefore, of the opinion that the appeal taken by the City Attorney should be authorized and confirmed.

In the matter of the claim of James E. Herbert for damages for sewage pollution, your committee is of the opinion that, since Mr. Herbert is willing to settle for the sum of \$300, for all past and future damages, that a settlement on that basis should be made.

In the matter of the applications for appointment as Commissioners of Deeds, your committee recommends that the applications of the following named persons be granted: F. L. Binder, William S. Beard, F. H. Davis, James L. Harrington, Charles Kreidler, Otto R. Rohr, Charles W. Sickles, F. D. Schnarr, F. G. Sweet, Henry D. Tucker, Margaret A. Burke.

All of which is respectfully submitted.

D. W. FORSYTH,
MARTIN J. CALIHAN,
CHARLES S. COOK,
T. McMILLAN,

Law Committee.

Ordered received, filed and published.

By Ald. Forsyth—Resolved, That the appeal heretofore taken by the City Attorney from the order of Judge Rumsey, entered September 18, 1893, vacating the judgment for a non-suit, and granting a new trial, be, and the same hereby is, ratified and confirmed; and, further,

Resolved, That the City Attorney be, and he hereby is directed to prosecute such appeal in the upper courts, and take such steps as may be necessary to protect the interests of the city, therein.

Adopted.

By Ald. Forsyth—Resolved, That, upon the certificate of the City Attorney that proper releases of any and all claims by or on the part of James E. Herbert, against the city by reason of the discharge of sewage into Thomas creek, flowing along his premises, and the rights, privileges and easements in and to said creek, has been executed and delivered to said city, that the City Clerk be and he hereby is directed to draw an order, payable from the Contingent Fund, in favor of said James E. Herbert, for the sum of three hundred dollars, for all past and future damages occasioned by the pollution of said creek on his premises.

Adopted by the following vote:

Ayes—Ald. Tracy, McMILLAN, C. S. Cook, Calihan, Adams, Lempert, Fox, Johnston, Ashton, Dewey, Kelly, Aikenhead, Forsyth, Bierbrauer—15.

By Ald. H. G. Cook—

CITY ATTORNEY'S OFFICE,
ROCHESTER, N. Y., Oct. 3, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Assessment Committee begs leave to report as follows:

In the matter of the petition of Sarah C. Skinner, to correct an erroneous assessment for the Clinton Park widening against lots 22, 24 and 26, Nicholson park, we find, that the assessment was made as if the lots were 33 feet, 36 feet and 67 feet each, whereas said lots are each 33 feet front, we therefore recommend, that the assessment be reduced from \$35.93 to \$26.16.

In the matter of the petition of Frederick B. Hutchinson, praying to be allowed to pay the original tax against lot No. 12, on the south side of Chili avenue, for the city tax of 1882; we find, that the petitioner acquired title to said property March 21, 1882, that thereafter an assessment for the general city taxes for 1882 was made, and a personal tax against the former owner was also charged up against said premises, and we therefore recommend that the petitioner be allowed to pay the original tax for 1882, for which said premises were assessed with interest and fees allowed by the charter down to the date of sale, March 29, 1883, and at the rate of 6 per cent. interest from March 29, 1893, to the date of payment.

In the matter of the petition of Harvey F. Remington, praying to have lots A. and B. of Reservoir avenue released from certain taxes and assessments against the Warner tract of which said lots are a part, we recommend, that the petition be granted.

In the matter of the petition of the Loan Commissioners of the United States Deposit Fund of Monroe county to have certain moneys paid for taxes refunded to the state, we find, that the state of New York acquired title to lots 34, 35 and 36 of the Rapids tract, and that thereafter taxes were levied against said lots for general city purposes for 1892 and 1893, amounting to \$21.66 and \$21.77, respectively, and that said taxes were paid by mistake by the Loan Commissioners, and we therefore recommend that said amount be refunded to them.

All of which is respectfully submitted,

HENRY G. COOK,
JOHN F. FOX,
T. McMILLAN,
M. H. LEMPERT.

Assessment Committee.

Ordered received, filed and published.

By Ald. H. G. Cook—Resolved, That the City Treasurer be and he hereby is directed to credit Sarah C. Skinner for Clinton park widening against lots 22, 24 and 26 Nicholson park the sum of \$9.77, being the amount erroneously assessed against said lots, and charge said sum to erroneous assessments, and that balance of the assessment remain a lien against said lots.

Adopted.

By Ald. H. G. Cook—Resolved, That the City Treasurer be and he hereby is directed to receive from Frederick B. Hutchinson, provided the same be paid within thirty (30) days from the passage of this resolution, the original tax of 1882, against real estate known as lot 12, on the south side of Chili avenue, with interest and fees allowed by the city charter down to March 29, 1883, and interest at the rate of 6 per cent. from that day

down to the day of payment, and that upon such payment being made said premises be released from all liens of the city taxes of 1882, for which said premises were sold.

Adopted.
By Ald. H. G. Cook—Resolved, That lots A and B Reservoir avenue of the Warner tract be released from the lien of all back taxes and assessments, which were assessed against said lots as a part of said tract, and that the City Treasurer be directed to mark the taxes against said lots as having been released, and that said taxes and assessments be and remain a lien upon the balance of said tract. The lots hereby released having a frontage of 50 feet each on the south side of Reservoir avenue in the Fourteenth ward and running back 120 feet. This rebate is made with the consent of the owner of the balance of said tract.

Adopted.
By Ald. H. G. Cook—Resolved, That the City Clerk be and he hereby is directed to draw an order payable from the Contingent Fund in favor of the Loan Commissioners of the United States Deposit Fund of Monroe county for the sum of \$43.43, the amount of the general city taxes of 1882 and 1883 against lots 34, 35, and 36 of the Rapids tract, and that the City Treasurer charge said sum to erroneous assessments.

Adopted by the following vote.
Ayes—Alds. Tracy, McMillan, C. S. Cook, Calihan, Adams, Lempert, Fox, Johnston, Ashton, Dewey, Kelly, Alkenhead, Forsyth, Bierbrauer—15.

By Ald. Dewey—
To the Honorable, the Common Council:

Gentlemen:—Your Lamp and Electrical Committee beg leave to submit the following report:

In relation to the application of the Western Union Telegraph Company to lay conduit on Exchange street from Court to Main street, your committee has carefully investigated the same and would respectfully recommend that it be denied.

The Rochester Gas & Electric Company, under a franchise granted by your honorable body, have expended large sums of money in the construction of conduits for the occupancy of all overhead wires. It would be manifestly unjust to this company to allow a small conduit to be laid which would only accommodate the company building it, and deprive the Rochester Gas & Electric Company from an occupant of their conduit to which they are justly entitled under their franchise.

In the matter of the application of the Citizens' Light & Power Company for permission to run temporary wires for lighting, without the erection of any additional poles, your committee have held several meetings and have investigated the matter thoroughly.

The conduit is nearing completion. There remains to be laid sections on North St. Paul street, State street and West Main street, together with the twenty-three additional man-holes ordered by your honorable body at its last meeting. Thus you will see that the days of unsightly poles and mass of overhead wires on our streets are numbered, being all removed in from three to four months.

In the meantime it seems to your committee to be only just and equitable that the Citizens' Light & Power Company be allowed to run a few temporary wires, under the direction of the City Electrician.

This company has several large orders for lighting, their plant is completed and they are prepared to give service. While your committee is strenuously opposed to laying any additional wires in the conduit territory, yet it would be manifestly unjust to the Citizens' Light & Power Company to arbitrarily prohibit them from getting temporary service. All wires which they may be allowed to run in the conduit territory, will be removed when so di-

rected by the Common Council or the City Electrician. In view of the fact that such permission is customary by the Subway Commission of New York city, and for the other reasons as above stated, your committee would recommend that the petition be granted.

By the Clerk—

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., Oct. 3, 1893.

To the Honorable, the Common Council:

Gentlemen:—I am of the opinion that in order to secure the results which are expected from the paving of Main street, it will be necessary for your honorable body to establish

the grade of said street between Fitzhugh and Franklin streets by resolution; and that the grade so fixed shall be for the north rail of the north track and south rail of the south track of the street railway; and that the top of curb stone on each side of the street shall be upon grade lines two inches below and parallel to the described grade line; and that all sidewalks shall be made to conform to a grade of three-eighths (3/8) of an inch rise per foot from the curb lines so established.

If this is done, not only will many places, now dangerous as well as unsightly, be improved, but the street will be made worthy of Rochester, and will compare favorably with the great business streets of the world.

After careful study and mature reflection I venture to recommend to your honorable body the adoption of the accompanying resolution.

This grade will necessitate the following changes of existing curb lines:

At crosswalk east side of Fitzhugh street, raise north side 4 inches; raise south side 3 inches.

At crosswalk in front of entrance to Powers Hotel, raise north side 2 inches, leave south side as it is.

At crosswalk on west side of Irving place, raise north side 3 inches; raise south side 1 inch.

At east line of Irving place, raise north side 4 inches and lower south side 2 inches.

At crosswalk near center of Powers block, raise north side 2 inches; lower south side 2 inches.

At crosswalk west side of State street, lower both north and south sides one inch.

At crosswalk east side of State street, lower both north and south sides 2 inches.

At crosswalk opposite Reynolds Arcade, leave north side as it is and raise south side 2 inches.

At crosswalk west side of Aqueduct street, lower north side 2 inches; raise south side 2 inches.

At crosswalk east side of Aqueduct street, lower north side 2 inches; leave south side as it is.

At crosswalk midway from Aqueduct to Front street, raise north side 2 inches; raise south side 3 inches.

At west line of Graves street, raise south side 15 inches.

At west line of Front street, raise north side 12 inches.

At east line of Graves street, raise south side 12 inches.

At crosswalk on east side of Front street, raise north side 1 1/2 inches; leave south side as it is.

At first crosswalk east of Front street, raise north side 3 inches; lower south side 3 inches.

At second crosswalk east of Front street, raise north side 3 inches; lower south side 4 1/2 inches.

At third crosswalk east of Front street, raise north side 3 1/2 inches; lower south side 4 1/2 inches.

At east end of river bridge, raise north side 4 1/2 inches; lower south side 4 1/2 inches.

At west line of Water street, raise north side 5 1/2 inches; lower south side 6 inches.

At east line of Water street, raise north side 1 1/2 inches; lower south side 5 inches.

At crosswalk east of Liberty alley, leave north side as it is; lower south side 9 inches.

At wet line of St. Paul streets; lower south side 4 inches and leave north side as it is.

At east line of St. Paul streets, lower north side 6 inches and lower south side 6 inches.

At crosswalk east of St. Paul street, lower north side one inch and lower south side 6 inches.

At east line of Minerva place, raise north side one inch, lower south side 7 inches.

At crosswalk midway from Minerva place to Stone street, raise north side 1 1/2 inches; lower south side 6 inches.

At wet line of Stone street, raise north side 1-2 inch; lower south side 6 inches.

At east line of Stone street, leave north side as it is and lower south side 10 inches.

At a point 74 feet east of Stone street, lower north side 1 1/2 inches; lower south side 5 inches.

At crosswalk between Stone and Clinton streets, lower north side 4 inches; lower south side 5 1/2 inches.

At a point 90 feet west of Clinton street, lower north side 4 inches; lower south side 5 1/2 inches.

At west line of Clinton street, lower north side 6 inches; leave south side as it is.

At east line of Clinton street, lower north side 2 inches; leave south side as it is.

At half way between Clinton and Cortland street, leave both sides as they are.

At west line of Cortland street, leave north side as it is; lower south side one inch.

At a point 10 feet east of Cortland street, raise north side one inch; lower south side 1 1/2 inches.

At crosswalk west side of North avenue, raise north side 2 inches; leave south side as it is.

At west line of Elm street, lower north side one inch; leave south side as it is.

At east line of Elm street, lower north side 3 inches; leave south side as it is.

Very respectfully yours,

J. Y. McCLINTOCK,
City Surveyor.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

SEWER FROM THE CORNER OF SOUTH AVENUE AND ELMWOOD AVENUE TO SOUTH CLINTON AND GOODMAN STREET.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer from the corner of South avenue and Elmwood avenue to South Clinton street and Goodman street.

Adopted.

The Surveyor submitted as such estimate, \$87,000.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, viz:

The construction of an outlet sewer in the following location, and to be of the required dimensions, viz:

Beginning at a point in the center of South avenue and Elmwood avenue, thence north 87 degrees, 15 minutes and 44 seconds, east along the center line of Elmwood avenue 564 feet, thence north 29 degrees, 29 minutes and 24 seconds east 695.57 feet through lands of the state of New York, and the county of Monroe, thence north 51 degrees, 39 minutes and 18 seconds east still through lands of the county of Monroe 774.59 feet, thence north 67 degrees, 54 minutes and 53 seconds east through lands of Ellwanger & Barry 483.77 feet, thence north 58 degrees, 56 minutes and 52 seconds east through lands of Ellwanger & Barry, across Highland avenue, and through lands of the city of Rochester 1,320.66 feet, thence north 70 degrees, 54 minutes and 5 seconds east through lands of the city of Rochester 545.08 feet to a point in the center of a proposed street 66 feet wide forming an extension of Goodman street, thence north 3 degrees, 21 minutes, 29 seconds east 539.41 feet to a point in the center line of Goodman street produced, thence north 22 degrees, 49 minutes, 45 seconds, east along said center line produced, and along the center line of Goodman street 3,236 feet to the East Side trunk sewer, and said sewer shall be of the following dimensions to wit: From the intersection of South and Elmwood avenues to the first point described as being in the center line of South Goodman street produced, a distance of 4,714.52 feet, it will be an 18-inch vitrified pipe without any inlets for surface water. From the point last mentioned for a distance of 600 feet it will be an egg-shaped brick tunnel four feet high by two feet eight and one-half inches wide, and from the end of the tunnel to the center of Warren street, a distance of 900 feet, it will be an 18-inch vitrified pipe, and from the center of Warren street to the East Side Trunk Sewer, a distance of 1,716 feet, it will be a stone sewer 2x2 feet, with arch and invert. Also the grading of the right of way necessary for said sewer between Highland avenue and the south end of South Goodman street in such a manner that said right of way shall form a continuation of South Goodman street, 66 feet wide, with slopes 1 1/2 to 1 from the end of South Goodman street to Highland avenue.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$37,000, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

All the property included within, and described by the following boundary lines, viz:

Beginning on the east line of Goodman street at South Clinton street, thence southerly along South Goodman street, including one tier of lots on the east side thereof, but excluding the lot on the southeast corner of South Clinton street to the southwest corner of town lot No. 52; thence easterly on the south line of said lot No. 52 to the city boundary line; thence southerly along the said city boundary line to Highland avenue; thence westerly along Highland avenue to the easterly boundary line of lands of the county of Monroe; thence southerly along said east line of Monroe county lands, and state hospital lands to Elmwood avenue; thence westerly along Elmwood avenue to Mt. Hope avenue; thence northerly along Mt. Hope avenue to Highland avenue; thence easterly along Highland avenue, including one tier of lots on the north side thereof, excepting the lot on the northeast corner of Mt. Hope avenue to South avenue; thence

northerly along South avenue to Reservoir avenue, including one tier of lots on the west side thereof; thence easterly along Reservoir avenue, and along the line of said avenue produced to a point 650 feet westerly from and measured at right angles from the center line of South Goodman street produced; thence northerly parallel to and 650 feet distant from the center line of South Goodman street produced, and South Goodman street to a point in the south line of Whitmore park produced easterly, excepting one tier of lots on each side of Benton street, west of Seager street, and also one tier of lots on each side of Yale street, west to a point 250 feet east of Meigs street; thence easterly parallel to Caroline street, to South Goodman street and point of beginning, in proportion to the benefit which each will derive therefrom.

Adopted.

CEMENT WALK ON DRAPER STREET.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a cement walk in front of No. 18 School on Draper street.

Adopted.

The Surveyor submitted as such estimate, \$250.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a Portland cement walk, five feet in width, on the north side of Draper street, from North street to Concord avenue. Also the necessary sidewalk grading.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$250, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed as a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on the North side of Draper street, from North street to Concord avenue, in proportion to the benefit which each will derive therefrom.

Adopted.

CAMPBELL STREET ASPHALT IMPROVEMENT AND SEWER.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Campbell street.

Adopted.

The Surveyor submitted as such estimate, \$5,500.

By Ald. Aikenhead—Resolved, That the following improvement is necessary, viz:

The improvement of Campbell street from Child st. to Colvin and Wackerman streets by the construction of an asphalt pavement therein with a line of Medina stone curb on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of main roadway between curbs to be 28 feet. Also the construction of the necessary manholes, surface sewers, lot laterals, water and gas services, flag crosswalks and cleaning of main sewer if found necessary. Also the construction of a vitrified pipe sewer, 12 inches in diameter, from a point 80 feet north of Child street to connect with the sewer at Reis park.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$5,500, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed as a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Campbell street, from Child street to Colvin and Wackerman streets, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Zimmer—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7 P. M., at the Common Council Chamber, when allegations relative thereto will be heard and that the City Clerk be, and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Post-Express notice thereof as is required and in the manner specified by section 172 of the city charter.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Oct. 3, 1893.

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Post-Express, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, Oct. 3, 1893, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk.

Final Ordinance for Prince street extension came up and upon motion of Ald. Lewis, action thereon was postponed two weeks.

FINAL ORDINANCE, NO. 5,244.

GRADING AND SEWER IN COUNCIL AVENUE.

On motion of Ald. Zimmer, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to grade and construct a sewer in Council avenue, from North avenue to Miller street.

And after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The grading of Council avenue, from North avenue to Miller street, and the construction of a vitrified pipe sewer, 12 inches in diameter therein, from a point 80 feet west of Miller street to the sewer in North avenue. Also the necessary crosswalks, surface sewers, lot laterals, manholes and branches.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$1,400, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city an advantage from such improvement, to wit:

One tier of lots and parcels of land on each

side of Council avenue, from North avenue to Miller street.

FINAL ORDINANCE NO. 5,249.

GRAVEL PAVEMENT ON LAWTON STREET.

On motion of Ald. Zimmer, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to improve Lawton street from the east end thereof to Meigs street.

And after hearing such allegations from all persons appearing.

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The improvement of Lawton street, from the

east end thereof to Meigs street, by the construction of a gravel roadway therein, with a line of Medina stone curb and gutter on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of roadway between curbs to be 14 feet. Also the construction of a Portland cement walk, 3 feet wide on each side of the street, between the limits mentioned. Also the construction of the necessary crosswalks, surface sewers, manholes, lot laterals, water and gas services.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of one thousand seven hundred dollars, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Lawton street, from the east end thereof to Meigs street.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, C. S. Cook, Callhan, Adams, Lempert, Fox, Johnston, Ashton, Dewey, H. G. Cook, Kelly, Aikenhead, Lewis, Forsyth, Bierbrauer—16.

FINAL ORDINANCE NO. 5,250.

EXTENSION OF FLOWER STREET.

On motion of Ald. Aikenhead, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to extend Flower street westerly to Conkey avenue.

And after hearing such allegations from all persons appearing.

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The extension of Flower street westerly, to Conkey avenue, the north line of said extension is described as follows: Beginning at the west end of Flower street as now opened, and extending westerly in a prolongation of the north line to Clifford avenue; thence westerly in a direct line to a point in the east line of Conkey avenue, where the north line of Neilson place, extended easterly would intersect it. The south line of said extension to be parallel to, and 50 feet distant from the above described north line, from Conkey avenue to Clifford avenue, and 40 feet from Clifford avenue to the west end of the present Flower street. And the lands necessary to be taken therefor is all the lots and parcels of land lying between the above described north and south lines, and extending from Conkey avenue to the west end of Flower street as now opened.

And the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Flower street, as now opened, and as proposed to be opened, from Conkey avenue to North Clinton street, as they exist at the date of the passage of this ordinance.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, C. S. Cook, Callhan, Adams, Lempert, Fox, Johnston, Ashton, Dewey, H. G. Cook, Kelly, Aikenhead, Lewis, Forsyth, Bierbrauer—16.

FINAL ORDINANCE NO. 5,251.

EXTENSION OF THOMPSON AVENUE.

On motion of Ald. Aikenhead, the Common Council proceeded to hear allegations in relation to the improvement described in the

following ordinance, viz:

An ordinance to extend Thompson avenue easterly from Thompson avenue on the west to Thompson avenue on the east.

And after hearing such allegations from all persons appearing

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The opening of Thompson avenue through land supposed to belong to James McGee and Joseph Rudhart, from Thompson avenue on the west easterly across Henry street to Thompson avenue on the east. The northerly line of the portion of said avenue to be opened is described as follows: Beginning at a point in the north line of Thompson avenue in the west line of land of James McGee, said point being 273.5 feet distant from and at right angles from the south line of East Main street; thence easterly in a straight line to a point in the east line of Henry street, said point being 276 feet from East Main street measured at right angles therefrom; thence easterly parallel to East Main street and in the northerly line of Thompson avenue as it is now opened 106.9 feet to a point in line with the east line of Joseph Rudhart's lot. The land to be taken for said opening is all of the land lying between said described northerly line and a line parallel thereto and 50 feet distant southerly therefrom measured at right angles, and the west line of land of James McGee and the east line of land of Joseph Rudhart.

An the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city, which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Thompson avenue, from its west end to its end as it will exist after the perfecting of the opening herein undertaken as they exist at the date of the passage of this ordinance.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Callhan, Adams, Lempert, Fox, Johnston, Ashton, Dewey, H. G. Cook, Kelly, Aikenhead, Lewis, Forsyth, Bierbrauer—16.

ROCHESTER, N. Y., Oct. 17, 1893.

To the Honorable, the Common Council of the City of Rochester :

The petition of the Bell Telephone Company of Buffalo respectfully shows to your honorable body that it has commenced to remove and in a few days will have removed all its telephone wires from its line of poles on the south side of West Main street in Rochester, from Plymouth avenue to the canal, and after such removal of its wires will have no further use for said poles except to sustain the city wires under its contract with the city, and upon the removal of the city wires by its contract with the city should remove such poles.

But the said poles, or some of them, are also used to support the electric light wires of the Rochester Gas and Electric Company. And the Citizens Light and Power Company desire to use such poles to support its electric light and power wires, and is desirous of purchasing said poles so that the same may continue to stand and be used for the support of the electric light and power wires of said companies and the city wires, and is willing to assume all and every of the duties, contract and obligations of the Bell Telephone Company of Buffalo to and with the city of Rochester in relation to said poles and each and every of them.

The Bell Telephone Company of Buffalo therefore petitions your honorable body to consent that it sell, assign and transfer said poles to said companies, or one of them, subject to the rights of the city therein, the purchasers or purchaser assuming all the liabilities and obligations of the said The Bell Telephone Company of Buffalo to the city of Rochester in respect to the poles so sold, assigned and transferred. And that upon the transfer of such poles or any or either of them by The Bell Telephone Company of Buffalo to said companies or either of them, and

the purchasers or purchaser assuming all the liabilities and obligations of the said The Bell Telephone Company of Buffalo to the city of Rochester in relation to the maintenance and the removal of the poles or any or either of them so sold and transferred, your honorable body release and discharge The Bell Telephone Company of Buffalo of and from any and all liability or obligation to the city of Rochester in relation to the poles so sold and assigned.

And your petitioner will ever pray, etc.
THE BELL TELEPHONE CO., of Buffalo,
 By **PARKER, DRAKE & PARKER**,
 Its Attorneys.

Ordered received, filed and published.

By Ald. Dewey—Whereas, The Bell Telephone Company of Buffalo is removing, and in a few days will have removed its telephone wires from the line of poles on the south side of West Main street, from Plymouth avenue to the canal, and such poles, or some of them, are now used to support the wires of the Rochester Gas and Electric Company. And the Citizens Light and Power Company desires to use such poles, or some of them, to support its wires, and the Bell Telephone Company will have no use for such poles after the removal of its wires, except for the support of the city wires, and such poles are much higher than is necessary for the support of said Electric Light Company's wires and the wires of the city.

Resolved, That the city of Rochester consents that The Bell Telephone Company of Buffalo be at liberty, if it desires so to do, to sell and transfer its said poles, or any of them, to the Citizens Light and Power Company and the Rochester Gas and Electric Company, or one of them, so that the same may be used by said two companies, subject, however, to the rights of the city to have its wires supported thereon, the purchaser or purchasers to assume all the liabilities and obligations of the said Bell Telephone Company of Buffalo to the city of Rochester in respect to said poles so transferred; and

Resolved, That upon the transfer of said poles or any or either of them by The Bell Telephone Company of Buffalo to said electric light companies, or to either of them, the purchaser or purchasers assuming all the liabilities and obligations of the said Bell Telephone Company to the City of Rochester in relation to the poles so sold and transferred, all the liabilities and obligations of The Bell Telephone Company to the city of Rochester in relation to the maintenance and the removal of the poles, or any or either of them, so sold and transferred, shall cease, terminate and be canceled and annulled, and the said Telephone Company released and discharged therefrom.

REPORTS OF STANDING COMMITTEES.

By Ald. Dewey—

ROCHESTER GAS & ELECTRIC CO. }
ROCHESTER, N. Y., Oct. 12, 1893. }

Mr. A. H. Dewey, Chairman Lamp and Electrical Common Council:

Dear Sir: We wish to notify you that the subway is completed, including the additional manholes put in at the direction of your committee, and that it is now ready for the drawing of cables through its entire length.

Very truly,

ROCHESTER GAS & ELECTRIC CO.,
GEORGE C. HOLLISTER, Sec'y.

Ordered received, filed and published.

By Ald Dewey—

ROCHESTER, N. Y., Oct 17, 1893.

Mr. A. H. Dewey, Chairman Electrical Committee of the Common Council:

My Dear Sir: Having been appointed by your committee superintendent of construction of the new electric conduit, I offer the following report:

The conduits are now completed and ready for service. Indeed, in some of them conductors are already in operation. The number of ducts laid in each street is shown in the accompanying list.

As you ask me for some expression of personal opinion of the practical features of the conduit from an electrical engineer's standpoint, I will freely give it.

The contract drawn up by your committee,

assisted by the City Electrician, is, in many ways, a model. Although the work was to be done by a company already in the business of supplying light and power, it provided for future competing companies by the payment of a fair rental. Since the work has been commenced, such companies have begun work, and one of them is already giving service.

The system adopted by the Rochester Gas & Electric Company is a system of vitrified tile duct, cylindrical in their inner section and rectangular outside. These are laid in a bed of concrete, end to end, and proper means employed to clean out any cement which may have found its way into the ducts. When the concrete once sets the whole forms a rigid mass, pierced with holes, which cannot readily be injured, and, so far as mechanical considerations go, quite a perfect arrangement. At the street corners, bends and in some cases elsewhere, the ducts are taken into manholes of brick, from which cross-over connection or near-by service wires may be readily connected. Three of the top ducts are also let into smaller subsidiary manholes for service wires of the R. G. & E. Co. These manholes are for their own private use, and were the cause of a remonstrance from the Citizen's Company at the outset. Your committee has settled this matter very properly by having many additional manholes into which all of the ducts run, so placed that any of the tenants of the sub-way may have proper opportunities for connecting service wires. If this had not been done, any company other than the R. G. & E. Co. would have been compelled to distribute as best it could from the street corners.

The work, as a whole, has been extremely well done. The company has spared neither time nor expense to make the conduits perfectly satisfactory to any competent engineer who may have occasion for their use. I am familiar, to some extent, with the systems in use in other cities, and have no hesitation in saying that for the purposes contemplated, the conduits now laid in Rochester are not only the best built, but the most practically adapted. In my opinion, the idea of your committee in putting the work into the hands of the Gas Company, was a far better plan than to have had a special conduit company. This is because of the large number of changes of location in gas mains, made necessary as the work progressed. No doubt many people have been greatly annoyed at the tearing up of the streets for this work, and it is possible that at some points there was some unnecessary delay, but I am sure if the people looked into the ditch and saw the strange assortment of odds and ends, of dead pipes, sewer laterals and the like, which had to be disposed of as the work proceeded, they would have wondered how any headway was made at all.

It seems to me that some sort of restriction must eventually be placed on the kind of tenants which the conduit is to have. As the tenants become more numerous the man-holes will necessarily be more filled up with wires and cables. If these wires carry high tension currents the insulation must be kept at a very high standard to make it safe for workmen, whose duties may take them into the man-holes.

I would say finally, that the entire work has my heartiest commendation. It has been executed under the personal supervision of engineers, Charles N. Munger and C. N. Pratt. To these gentlemen, and also to the superintendent, G. A. Redman, the writer is indebted for uniform courtesy and good-will. I remain,

Very truly yours,

J. E. PUTNAM.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Law Committee begs leave to make the following report:

In the matter of the claim of the Union and Advertiser Printing Company for advertising the list of candidates prior to the charter election of 1892, for which services a bill of \$333 was presented to the city, and on which claim the city attorney some time since advised that the city was liable for but \$111, your committee reports that the Union and Advertiser Printing Company is willing to accept \$111 in full settlement of the charge presented by it, and your committee recommends that a settlement on that basis be now made.

In the matter of the claim of Jonathan Butts for sewage pollution, under his contract with the city, at the rate of \$100 a year, your committee reports that the surveyor of the East Side Trunk Sewer has reported that the sewage was diverted in June last, but that the creek was again polluted for a period of fifteen days after that time, and your committee is advised by the city attorney that a proper compensation for such sewage pollution up to the present time, under said contract, for all damages to the present time is the sum of \$85.

In the matter of the claim of Sarah A. Zorn, for the payment of which a report was adopted by your honorable body on the 22nd day of August, 1893, recommending that she be allowed the sum of \$200, for all past and future damages, and which sum Mrs. Zorn, through her attorneys, refused to take, your committee recommends that she be allowed \$200 in full for all damages accruing to her by reason of such sewage pollution up to and including time of the diversion of the sewage from said creek into the new sewer.

In the matter of the application of the following named persons, Charles E. Webster, for appointment as Commissioner of Deeds, your committee recommends that the same be granted.

Respectfully submitted,

MICHAEL E. LEWIS,
D. W. FORSYTH,
M. R. ADAMS,
T. McMILLAN.

Law Committee.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the clerk be, and he hereby is, directed to draw an order on the treasurer payable from the contingent fund, in favor of the Union and Advertiser Printing Company for the sum of one hundred and eleven dollars, in full settlement of the claim against the city for advertising a list of candidates prior to the charter election of 1892.

By Ald. Lewis—Resolved, That the Clerk be, and he hereby is, directed to draw an order on the City Treasurer, payable from the Contingent Fund, in favor of Sarah A. Zorn, for two hundred dollars, in full settlement for all past damages, and all damages up to the time of the diversion of the sewage from the creek running through her premises to the East Side Trunk Sewer now in process of construction.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Bierbrauer—17.

By Ald. Lewis—Resolved, That the Clerk be, and he hereby is, directed to draw an order on the Treasurer, payable from the Contingent Fund, in favor of George and Joseph Zwerger, for the sum of one hundred and seventy-five (\$175) due them under their contract with the city for sewer damages on June 25, 1893.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Bierbrauer—17.

By Ald. Lewis—Resolved, That upon the certificate of the City Attorney that proper releases of any and all claims by or on the part of Benjamin Wing against the city, by reason of the discharge into Thomas creek, flowing along and through his premises, and the rights, easements and privileges in and to said creek has been executed and delivered to said city, the Clerk be, and he hereby is, directed to draw an order on the Treasurer, payable from the Contingent Fund, in favor of said Benjamin Wing for the sum of two hundred dollars per annum, from January 31, 1891, and be it further

Resolved, That the Mayor be, and he hereby is, authorized to enter into an agreement in writing with said Benjamin Wing, to be approved by the City Attorney, to pay to said Benjamin Wing, at the rate above set forth, from the date when the order is drawn, as aforesaid, until the sewers from within the city shall be diverted from said creek, and that payment shall be made annually.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Bierbrauer—17.

By Ald. Lewis—Resolved, That upon the certificate of the City Attorney that a proper release of any and all claims against the city by or on the part of Joseph Schrader, by reason of the discharge of sewage into Thomas creek, flowing through and along his premises, and the right, privilege and easement in and

to said creek has been executed and delivered to said city, that the Clerk be, and he hereby is, directed to draw an order on the Treasurer, payable from the Contingent Fund, in favor of said Joseph Schrader or his attorney, E. F. Turk, Esq., for the sum of three hundred dollars, for all past and future damages occasioned by the pollution of said creek on his premises.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, C. S. Cook, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner, Kelly, Aikenhead, Simmellink, Lewis; Bierbrauer—17.

By Ald. Lewis—Resolved, That the claim of Charles H. Upton, for damages sustained by reason of his horse falling into a hole in the Big Ridge road be, and the same hereby is, denied.

Adopted.

By Ald. Lewis—Resolved, That the entire care, control and management of all the parks located within the city of Rochester, known as public city parks, be, and the same hereby are, transferred to the Board of Park Commissioners, created under chapter 193 of the laws of 1888, and the amendatory acts thereof, to take effect at the end of the present fiscal year.

Adopted.

By Ald. Dewey—

ROCHESTER, N. Y., October 17, 1893.

To the Honorable, the Common Council of the City of Rochester.

Gentlemen:—Your Special Committee appointed to investigate a new system of lighting for Main street would respectfully submit the following report:

We visited New York city and thoroughly investigated the Fifth avenue system, and called upon all the large manufacturers of poles and electrical apparatus for lighting. We were so well satisfied with what we found, that it was considered advisable not to extend our trip to any other cities.

The system now in use on Fifth avenue consists of an ornamental iron lamp post, about 18 feet high with cross-arm about two feet from top of pole. To this cross-arm are attached two (2) Edison Incandescent Arc lamps of 1,000 candle power each. The effect thus derived is very handsome and the light is more thoroughly distributed than by the single lamp plan. Your committee also visited the well-known factory of the General Incandescent Arc Light Company, and were very favorably impressed with a new pole and lamps, which this company are about to put upon the market. The pole is neat and symmetrical, and the lamp and hood as near perfect as possible.

Your committee has secured one of these poles complete with the lamps, at no expense to the city, and it will be forwarded as soon as it can be made, probably in ten days. It is the intention of your committee to have this pole erected on Main street where the public can see it and judge better of the advisability of substituting it for the ungainly wooden poles now in use.

It is of course expected that the expense of changing the poles and present system of lighting will be borne by the company now having the contract for the city lighting, and your committee would recommend that the Lamp and Electrical Committee be authorized to enter into negotiations with the Rochester Gas & Electric Company with this end in view.

Perhaps in this connection it would not be out of place to call the attention of your honorable body to the fact that no arrangement has as yet been made to relieve Main and State streets from the trolley poles, and to that end it would seem advisable that your Lamp & Electrical Committee be authorized to enter

into negotiations with the Rochester Railway Company with that end in view.

Your committee is impressed with the necessity of a change from our present system on Main and State street, and if once tried the result will be so satisfactory that in a few years, at most, all our main thoroughfares will be lighted in this modern manner, and the unsightly wooden poles become a relic of the dim past.

All of which is respectfully submitted.

ALVIN H. DEWEY,
C. R. BARNES.

Ordered received, filed and published.

By Ald. Dewey—Resolved, That the Lamp and Electrical Committee be, and it hereby is, authorized to enter into negotiations with the Rochester Gas & Electric Co. for the erection of iron poles and the adoption of the incandescent arc light system of lighting on Main and State streets, and report back to this Board.

Adopted.

By Ald. Dewey—Resolved, That the Lamp and Electrical Committee be, and it hereby is, authorized to enter into negotiations with the Rochester Railway Company to have all trolley poles removed from Main and State streets, and report back to this Board.

Adopted.

By Ald. Zimmer—

REPORT OF PUBLIC IMPROVEMENT COMMITTEE.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your committee after examination of the maps prepared by the Surveyor and after examining the ground and hearing the parties interested, recommend the adoption of the modified plan submitted to them by the Surveyor for grades of Main street for the improvement of same, except that the grade of Front street shall be so modified that the raise of grade at the west side of Front street shall be eight inches, and we offer the following resolution.

C. W. ZIMMER,
J. MILLER KELLY,
T. McMILLAN,
ALVIN H. DEWEY,
WILLIAM H. TRACY.

Committee.

Ordered received, filed and published.

By Ald. Zimmer—Resolved, That the grade for the curbs of Main street, from Fitzhugh to Franklin street be and are hereby established as they are shown upon the modified profile submitted by the City Surveyor, except that at the west corner of Front street, the sidewalk should not be raised more than eight inches above where it now is, and the south side opposite, at Graves street made to correspond to this, and the Surveyor is hereby instructed to file a copy of said plan with the City Clerk.

Adopted.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., Sept. 22, 1893. }

To the Common Council:

Gentlemen:—The Executive Board would call the attention of your honorable body to the urgent necessity of causing ordinances to be prepared by the City Surveyor for the permanent improvement of Court and Chestnut streets, and also of Clinton place. The two first named streets have passed beyond the point where any ordinary expenditure for repair would be of any value; and all of the streets above named should be improved at as early a date as practicable.

Respectfully,

THOMAS J. NEVILLE, Clerk.

CITY OF ROCHESTER.

I, B. Frank Enos, Police Clerk of said city, being duly sworn, doth depose and say that the foregoing report contains a true and correct statement of all the moneys received by me as such clerk during the month of August, 1893, for fines, penalties and costs imposed by the Police Justice of said city. Also for moneys received for the Police Pension Fund.

B. FRANK ENOS, Clerk.

Sworn to before me this 7th day of October, 1893.

CHAS. B. ERNST, Com. of Deeds.

Ordered received, filed and published.

By the Clerk—

To the Honorable the Common Council of the City of Rochester:

Gentlemen:—The Lawyers Co-Operative Publishing Company, a corporation of the city of Rochester, N. Y., owner of the original lots fifteen (15) and sixteen (16), of that part of the "Thousand Acre Tract" so called, afterward designated as the "Lake View Tract" in the northern part of the city of Rochester, N. Y., and recently subdivided by us into twenty lots according to a map thereof filed in the Monroe county clerk's office on the 14th day of December, 1891, also being owner of lot number 44 of the Burke Tract so called, fronting on Birr street; also being owner of an undivided interest in what is known as the North Alley on said Lake View Tract, do hereby dedicate the following portion of said lots and lands to the said city of Rochester for use as a public street, to wit:

All that tract or parcel of land situate in the city of Rochester, county of Monroe, and state of New York described as follows: Beginning at a point in the south line of said lot number sixteen, one hundred feet distant easterly from the southwest corner of said lot as shown on a map of a subdivision of said Lake View Tract made by J. C. Ryan, surveyor, and filed in Monroe county clerk's office in liber 9 of maps at page 44 said point being at the intersection of the north line of Lake View park, and the west line of said above proposed street; thence northerly along the east line of lots one (1), three (3), four (4), five (5), six (6), eight (8), ten (10), twelve (12), fourteen (14), sixteen (16), and eighteen (18), said lots being subdivisions of lot number sixteen (16) of the Lake View Tract as shown on said last filed map; thence northerly in the same straight line produced through said North Alley and said lot 44 of the Burk Tract, to Birr street; thence easterly along the south line of said Birr street forty-two (42) feet; thence southerly parallel with the first above described line and forty-two (42) feet distant therefrom to the north line of Lake View park; thence westerly along the north line of Lake View park to the place of be-

ginning, being a parcels of land forty-two (42) feet wide extending from Lake (View park to Birt street.

The name of said proposed and above dedicated street, is to be known as the Highlands.

The stone monuments required by your honorable body for the designation of streets have been placed in the positions required by you to wit: At the intersection of the lines parallel with and four (4) feet distant from the lines of said proposed street, Lake View park and Birt street.

An accurate map of said above proposed street is on file in Monroe county clerk's office n liber 9 of maps at page 44. Said map has also been filed in the office of the City Assessors, and in the water works office. Said street has been actually open to and made convenient for public use and traffic.

In witness whereof, the Lawyers' Co-operative Publishing Company, owner aforesaid, has caused these presents to be signed by its president and sealed with its corporate seal, this 25th day of September 1893.

THE LAWYER'S CO-OPERATIVE PUB. CO.

By JAMES E. BRIGGS, President.

State of New York, County of Monroe, ss: On this 28th day of September, 1893, before me and notary public in the aforesaid county personally appeared, James E. Briggs, who being by me duly sworn says that the Lawyers' Co-operative Publishing Company is a corporation whose principal offices are at Rochester, Monroe county, N. Y., and of which he is the president; that he was duly authorized to subscribe said corporate name and affix said corporate seal of the foregoing instrument, and as such president to acknowledge its due execution, which he does.

JOHN S. BRIGGS, Notary Public.

Ordered received, filed and published and referred to the Executive Board.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., Oct. 16, 1893.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Executive Board is in receipt of a communication from the City Surveyor in which he suggests that the roadway approaches to the Andrews street bridge should be forty feet wide, the additional cost of which he estimates at \$3,000.

In a conference with the Executive Board, and after full consideration of the reasons for making such a change, the Board deem it as not only expedient but necessary and recommend that the following preamble and resolution be approved by your honorable body.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. C. S. Cook—Whereas, Andrews street bridge is being built under Final Ordinance, No. 4,864, which provides for building a stone arch bridge and approaches, and provides for raising the west end of said bridge so as to necessitate rebuilding Mumford street from Front street to the end of the bridge, and

Whereas, The estimate in said ordinance provides for merely relaying the old pavement and curbs, and

Whereas, The width of the street between curbs both at the west and east ends will be but 32 feet while the width of street between curbs on the bridge will be 40 feet, and

Whereas, In the opinion of this Council the requirements of the traffic on the street will make it necessary to have th roadway full forty feet wide from Water street to Front street.

Resolved, That the Executive Board be requested to make the roadway of Andrews street forty feet wide from the west end of

the new stone arch bridge to Front street and from the east end of said bridge to Water street, and set six-inch curb stones on each side and with a radius of ten feet at the corner of Front street and Water street and relay the sidewalk flag on south side of Andrews street between east end of bridge and Water street to a straight grade, level with grade established for curb on north side opposite, and pave the roadway with Medina stone with joints filled with cement grout, and the extra cost of said work above the amount estimated for in the ordinance, which is estimated at \$3,000, shall be paid from the treasury of the city of Rochester, from the proceeds of bonds issued or to be issued for the purpose of building bridges as authorized by the laws of the state of New York as may hereafter from time to time be directed by this Common Council.

Ald. Kelly moved that the matter lay on the table two weeks.

Lost.

Original motion was then adopted by the following vote:

Ayes—Alds. Tracy, McMillan, C. S. Cook, Adams, Lempert, Fox, Johnston, Ashton, Dewey, H. G. Cook, Pauckner, Aikenhead, Simmelink, Lewis, Forsyth.—15.
Nays—Ald. Kelly.

By the Clerk—Notices of claims of Arthur J. Copp, Joseph Metzger and Edward Higgins against the city of Rochester. Referred to Law Committee.

By the Clerk—

ROCHESTER, N. Y., Oct. 9, 1893.

Com. of Deeds.

Ordered received, filed and published.

By the Clerk—

MONROE COUNTY COURT—In the matter of opening a street from Bates street to Bowen street, in the city of Rochester.

To the Honourable, the Common Council of the City of Rochester :

Gentlemen:—The undersigned who were appointed by an order of the Monroe County Court, on the 17th day of July, 1893, and entered on the — day of —, 1893, commissioners, to appraise the damages which the owner or owners, or persons interested, and if there be any occupants or tenants who may have a leasehold interest in the premises, rights or easements therein, to be taken for the public improvement or purpose above referred to, should severally receive therefore respectfully report and certify the several pieces or parcels of land and premises, rights or easements therein, to be taken for said improvement, and the names and residences of the owner or owners respectively, and the rights of such owners, as far as can be ascertained, and the amount of the damage or compensation which should be paid to each of said owners or occupants, as follows:

The pieces or parcels of land required for such improvement are described as follows:

PARCEL NO. 1.

Beginning at a point in the east line of Bowen street, where the south line of the property of Charles and Mary Murray intersects th same; thence east, along said south line, one hundred and fifty feet; thence northerly, along the east line of said Murray property, fourteen and five-tenths feet; thence westerly, on a line parallel with, and fourteen and five-tenths feet northerly from the south line of said Murray property, to the east line of Bowen street; thence along the east line of Bowen street, to the place of beginning.

These premises are owned by Charles and Mary Murray, husband and wife, and the survivor, and are subject to several liens and incumbrances:

First. A mortgage for \$100, running to the Mechanics' Savings Bank, dated October 9, 1888, and recorded in Monroe county clerk's office in liber 292 of mortgages, at page 264.

Second. A mortgage for \$400, running to George J. Knapp, dated June 25, 1892, and recorded in said clerk's office in liber 359 of Mortgages, at page 301.

Third. A mortgage for \$100, running to George J. Knapp, dated August 26, 1892, and recorded in said clerk's office in liber 362 of mortgages, at page 77.

Fourth. A judgment in favor of Catherine Latz for \$64.90, docketed in said clerk's office, October 19, 1885.

Fifth. A judgment in favor of William A. Grandier for \$58.05, docketed in said clerk's office December 30, 1885.

PARCEL NO. 2.

Beginning at the southeast corner of the premises of Charles and Mary Murray, above described; thence running easterly, along the south line of premises owned by Elizabeth Murray, about two hundred and ninety-five and five-tenths feet, to property owned by the heirs of James McGuire; thence northerly, along the east line of said premises of Elizabeth Murray, fourteen and five-tenths feet; then westerly, on a line parallel with, and fourteen and five-tenths feet northerly from the south line of Elizabeth Murray's lands to the west line thereof; thence southerly, along the east line of said Charles and Mary's land, to the place of beginning.

These premises are owned by Elizabeth Murray, who resides in the city of Rochester, N. Y., and are subject to the mortgage referred to in Parcel No. 1, and a judgment in favor of Catharine Latz for \$64.90, docketed in said clerk's office October 19, 1886, and a judgment in favor of William A. Granger for \$58.05, docketed in said clerk's office, December 30, 1885, and one in favor of Flora Wilson for \$35.35, docketed in said clerk's office June 12, 1890, and another in favor of John H. Hopkins, as special guardian, for \$98.48, and docketed in said clerk's office on March 3, 1892.

PARCEL NO. 3.

Beginning at the southeast corner of the premises of Elizabeth Murray above described; thence extending easterly, along the south line of the premises of the heirs of James McGuire, to the west line of Bates street; thence extending northerly, along the west line of Bates street, fourteen and five-tenths feet; thence westerly, on a line parallel with, and fourteen and five-tenths northerly from the south line of said McGuire's lands; to the east line of said Elizabeth Murray's land; thence southerly, along said Elizabeth Murray's east line, fourteen and five-tenths feet, to the place of beginning.

These premises are owned by the heirs of James McGuire, all of whom reside in the city of Rochester, N. Y., and, as far as we have any information, are as follows: Bridget McGuire, widow, William G., John H., James P., sons and Sarah F. and Mary, daughters, and are subject to the several liens and incumbrances, as follows: A judgment in favor of Nicholas Brown for \$38.84, docketed in Monroe county clerk's office, January 5, 1887; a judgment in favor of Mandeville J. Barber and another, for \$30.11, docketed in said clerk's office, January 6, 1887; a judgment in favor of A. Frank Wettner for \$121.60, docketed in said clerk's office, January 10, 1887; a judgment in favor of William A. Hawthorne for \$163.85, docketed in said clerk's office, September 6, 1887; a judgment in favor of Leander W. Kauffman for \$32.30, docketed in said clerk's office, October, 25, 1888; a judgment in favor of the Cohocton Valley Cigar Company for \$60.71, docketed in said clerk's office, February 17, 1890; a judgment in favor of George C. Gordon for \$171.25, docketed in said clerk's office, June 4, 1888; a judgment in favor of James W. Clark for \$30.90, docketed in said clerk's office, May 13, 1889; a judgment in favor of S. F. Hess & Company, docketed in said clerk's office, December 14, 1891; a judgment in favor of James M. Whitney for \$508.25, docketed in said clerk's office, December 18, 1891; a judgment in favor of the Rochester Distilling Company for \$41.74, docketed in said clerk's office, January 8, 1892; subject also to any interest which Giles Madden, Edward Magee or Edward Marin, or the wife of Edward Madden, if any, may have in said premises. A lis pendens to partition premises of which the above are a part was filed in Monroe county clerk's office, December 30, 1891.

PARCEL NO. 4.

Beginning at a point in the west line of Bates street, where the north line of the premises supposed to belong to Augustus C. Bowen and Augusta B. Gould intersects the same; thence westerly along said Bowen's north line, about eight hundred and ninety-one feet, to the east line of Bowen street; thence southerly, along the east line of Bowen street, fifty-one and one-half feet; thence easterly, on a line parallel with, and fifty-one and one-half feet from said Bowen's north line and eight hundred and ninety-one feet to the west line of Bates street, or the west line extended; thence northerly along the west line of Bates street and said line extended, to the place of beginning.

These premises are owned by Augusta C. Gould and Augustus C. Bowen and Jennie, his wife, subject to any interest which Charles H. Palmer may have in said premises by virtue of a land contract made between said parties, dated February 21, 1890, and recorded in the Monroe county clerk's office, April 25, 1890.

Therefore, we, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided and having all met and acted upon the matter submitted to us at the City Attorney's office, at No. 209 Wilder Building, Rochester, N. Y., pursuant to a notice of at least 10 days published according to law, and having taken a view of every part of the respective premises affected by this proceeding, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon, determine and appraise the compensation which the owners, (there being no tenants or occupants other than such owners who are entitled any compensation), of the respective premises above described, and thus to be taken for the opening of said street, with severally sustain by being deprived thereof, and fix the compensation which the owner shall receive therefor; the awards hereby made, after deducting all taxes and assessments which have become a lien upon the land above described, to be paid as herein after provided:

To Charles and Mary Murray, for Parcel No. 1, the sum of six hundred and fifty (\$650) dollars, payable to the mortgagees aforesaid, in the order of their priority, and the balance to Charles and Mary Murray, upon their filing satisfaction pieces of the judgments above mentioned, or proving that they are not liens against said premises.

To Elizabeth Murray, for Parcel No. 2, the sum of one (\$1) dollar, payable to the mortgagees aforesaid, in the order of their priority, and the balance to said Elizabeth Murray, upon filing satisfaction pieces of the judgments above referred to, or proving that they are not liens against said premises.

To the heirs of James McGuire, aforesaid, for Parcel No. 3, the sum of one hundred (\$100) dollars, payable to them, upon filing satisfaction pieces of the judgments above referred to, or proving that they are not liens upon said property, and upon a release of all interest of Giles Madden, Edward Magee, Edward Marin, and the wife of Edwin Madden and upon the discharge from the records of a lis pendens filed by Julia McCain in said Clerk's office June 10, 1864, and one filed by Joseph McGuire, in an action for partition, December 30, 1891.

To Augusta Gould and Augustus C. Bowen, and Jennie, his wife, for Parcel No. 4, the sum of nine hundred and five (\$905) dollars, payable to them, subject to any interest which Charles H. Palmer may have therein pursuant to the land contract mentioned above, and upon the discharge of the lis pendens filed in an action brought by Charles H. Palmer to compel a specific performance of said land con-

tract, recorded in said Clerk's office, May 2, 1890, in Liber 13 of Lis Pendens, at page 224.

All of which is respectfully submitted,

THOMAS W. BOWMAN,
WM. OLIVER,
JAMES M. E. O'GRADY.

Commissioners of Appraisal.

Dated at Rochester, N. Y., October 14, 1893.
Ordered, received, filed and published.

By Ald. Dewey—Resolved, That the next meeting of this Common Council, October 31, 1893, be, and it hereby is, designated as the time when objections will be heard to the confirmation of the report of the commissioners in the matter of opening a street from Bates street to Bowen street in the city of Rochester.

Adopted.

ACTION UPON ORDINANCES.

FIRST ORDINANCES.

SEWER IN TREMONT PLACE.

By Ald. Fox—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Tremont Place.

The Surveyor submitted as such estimate, \$475.

By Ald. Fox—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer, 12 inches in diameter in Tremont Place, and across private lands, from a point 90 feet south of Tremont street, to a point near the rear line of lot No. 5, on the west side of Tremont Place. The course of the new sewer will follow the course of the present, and the old pipe may be used if found suitable. Also the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$475, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Tremont Place, from the south end thereof to Tremont street, except lot No. 13, on the west side of said Tremont Place, in proportion to the benefit which each will derive therefrom.

Adopted.

PIPE SEWER IN ORCHARD STREET.

By Ald. Fox—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Orchard street.

Adopted.

The Surveyor submitted as such estimate, \$780.

By Ald. Fox—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer 12 inches in diameter in Orchard street, from a point 50 feet north of Jay street to the sewer in Smith street. Also the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$780, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed as a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Orchard street, from Jay street to

Smith street, in proportion to the benefit which each will derive therefrom.

Upon motion of Ald. Kelly, laid on table indefinitely.

RELAYING WALKS ON MEIGS STREET.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of relaying the flagstone walks on the east side of Meigs street.

The Surveyor submitted as such estimate, \$250.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The relaying of the flagstone walks on the east side of Meigs street, from Park avenue to Monroe avenue, or so much of said walks as may be considered necessary, replacing flagstones that are broken and unfit for use with new flagstones.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$250, which estimates is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on the east side of Meigs street, from Park avenue to Monroe avenue, in front of which the proposed work shall be performed, in proportion to the benefit which each will derive therefrom.

Adopted.

PIPE SEWER AND WALKS ON SECOND STREET.

By Ald. Fox—Resolved, That the City Surveyor ascertain and report to this Council, the expense of constructing a sewer and walks in Second street.

Adopted.

The Surveyor submitted as such estimate, \$3,000.

By Ald. Fox—Resolved, That the following improvement is necessary, viz:

The removal of the present sewer and the construction of a new vitrified pipe sewer, 15 inches in diameter in Second street, from a point 70 feet north of Glenwood avenue, to the sewer in Rowe street. Also the necessary manholes, surface sewers, lot laterals branches, roadway grading and gutter formations. Also the connection of the present lot laterals and the construction of a Portland cement walk 5 feet wide on each side of the street, between the limits mentioned, except where good flag or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And Whereas, The City Surveyor under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$3,000, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Second street, from Glenwood avenue to Rowe street, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Zimmer—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially pro-

vided in an order, resolution or ordinance, at 7 P. M., at the Common Council Chamber, when allegations relative thereto will be heard and that the City Clerk be, and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Post-Express notice thereof as is required and in the manner specified by section 172 of the city charter.

CITY CLERK'S OFFICE, }
ROCHESTER, N. Y., Oct. 17, 1893. }

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Post-Express, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common on Tuesday evening, October 17, 1893, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk.

FINAL ORDINANCE NO. 5,252.

SEWER FROM THE CORNER OF SOUTH AVENUE AND ELMWOOD AVENUE TO SOUTH CLINTON AND GOODMAN STREET.

On motion of Ald. Aikenhead, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a sewer from the corner of South avenue and Elmwood avenue to South Clinton street and Goodman street.

And after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of an outlet sewer in the following location, and to be of the required dimensions, viz:

Beginning at a point in the center of South avenue and Elmwood avenue, thence north 87 degrees, 15 minutes and 44 seconds, east along the center line of Elmwood avenue 564 feet, thence north 29 degrees, 29 minutes and 24 seconds east 695.67 feet through lands of the state of New York, and the county of Monroe, thence north 51 degrees, 39 minutes and 18 seconds east still through lands of the county of Monroe 774.59 feet, thence north 67 degrees, 54 minutes and 53 seconds east through lands of the County of Monroe, and lands of Ellwanger & Barry 483.77 feet, thence north 55 degrees, 56 minutes and 52 seconds east through lands of Ellwanger & Barry, across Highland avenue, and through lands of the city of Rochester 1,320.66 feet, thence north 70 degrees, 54 minutes and 5 seconds east through lands of the city of Rochester 545.08 feet to a point in the center of a proposed street 66 feet wide forming an extension of Goodman street, thence north 3 degrees, 21 minutes, 29 seconds east 339.41 feet to a point in the center line of Goodman street produced, thence north 22 degrees, 49 minutes, 45 seconds, east along said

center line produced, and along the center line of Goodman street 3,236 feet to the East Side trunk sewer, and said sewer shall be of the following dimensions to wit: From the intersection of South and Elmwood avenues to the first point described as being in the center line of South Goodman street produced, a distance of 4,714.52 feet, it will be an 18-inch vitrified pipe without any inlets for surface water. From the point last mentioned for a distance of 600 feet it will be an egg-shaped brick tunnel four feet high by two feet eight and one-half inches wide, and from the end of the tunnel to the center of Warren street, a distance of 900 feet, it will be an 18-inch vitrified pipe, and from the center of Warren street to the East Side Trunk Sewer, a distance of 1,716 feet, it will be a stone sewer 2x2 feet with arch and invert. Also the grading of the right of way necessary for said sewer between Highland avenue and the south end of South Goodman street in such a manner that said right of way shall form a continuation of South Goodman street, 66 feet wide, with slopes 1.12 to 1 from the end of South Goodman street to Highland avenue.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$37,000, which being deemed reasonable is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city an advantage from such improvement, to wit:

All the property included within, and described by the following boundary lines, viz:

Beginning on the east line of Goodman street at South Clinton street, thence southerly along South Goodman street, including one tier of lots on the east side thereof, but excluding the lot on the southeast corner of South Clinton street to the southwest corner of town lot No. 52; thence easterly on the south line of said lot No. 52 to the city boundary line; thence southerly along the said city boundary line to Highland avenue; thence westerly along Highland avenue to the easterly boundary line of lands of the county of Monroe; thence southerly along said east line of Monroe county lands, and state hospital lands to Elmwood avenue; thence westerly along Elmwood avenue to Mt. Hope avenue; thence northerly along Mt. Hope avenue to Highland avenue; thence easterly along Highland avenue, including one tier of lots on the north side thereof, excepting the lot on the northeast corner of Mt. Hope avenue to South avenue; thence northerly along South avenue to Reservoir avenue, including one tier of lots on the west side thereof; thence easterly along Reservoir avenue, and along the line of said avenue produced to a point 650 feet westerly from and measured at right angles from the center line of South Goodman street produced; thence northerly parallel to and 650 feet distant from the center line of South Goodman street produced, and South Goodman street to a point in the south line of Whitmore park produced easterly, excepting one tier of lots on each side of Benton street, west of Seager street, and also one tier of lots on each side of Yale street, west to a point 250 feet east of Meigs street; thence easterly parallel to Caroline street, to South Goodman street and point of beginning.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, C. S. Cook, Adams, Lempert, Fox, Johnston, Ashton, Ward, Dewey, H. G. Cook, Pauckner Kelly, Aikenhead, Simmelink, Lewis, Forsyth, Bierbrauer—18.

Final ordinance for Campbell street improvement came up, and on motion of Ald. Bierbrauer, action thereon was indefinitely postponed.

FINAL ORDINANCE NO. 5,253.

CEMENT WALK ON DRAPER STREET.

On motion of Ald. Zimmer, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a cement walk on Draper street, from North street to Concord avenue.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a Portland cement walk, five feet in width, on the north side of Draper street, from North street to Concord avenue. Also the necessary sidewalk grading.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$250, which being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on the north side of Draper street, from North street to Concord avenue.

By Ald. Adams—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—We, the subscribers, Sarah E. DePuy, John Kelly, Margarete E. Dryer, Joseph T. Cunningham, Fanny Soule, Emily Weed Hollister, Mary E. Finucane, Nancy B. Jennings, L. Douglas Ely, Alice E. Buell, Cornelia C. Smith, Marvin A. Culver, John O. Roe, and Charles Roe, owners of the property hereinafter described, do hereby formally dedicate to the City of Rochester for the purpose of a public street, all that part of Culver park extended easterly, lying between the west line of lands of said Sarah E. Depuy, extended northerly and the east line of Granger place, extended northerly; the north and south lines thereof being the north and south lines of Culver park as the same now exist west of the property hereby dedicated, extended easterly. An accurate map of said street has been filed in the office of the Clerk of the County of Monroe, and also in the City Assessors' office, and said street has been actually opened to and made convenient for public use and traffic.

A durable stone monument has been set and so located as to accurately determine the location of the street hereby dedicated by placing the same in the side-walk thereof at the intersection of lines parallel with and four feet distant from the south line of said street and from the west line; said monument is four feet in length, eight inches square at the bottom and four inches square at the top, and is carefully dressed at the top and for nine inches down from the top on all sides. The said stone is so set into the earth that the top surface is flush with the established grade of sidewalk of said street at the point where said stone is set. The point at which said intersection of lines occurs in the diameter marked by a hole in the top surface of said stone, one-half inch in diameter at the top and one-half inch in depth.

The north and south lines of the street hereby dedicated are direct extensions of the same line forming the north and south lines of Culver park west of the premises hereby dedicated.

We certify that we are the owners of the premises hereby dedicated and have the right to dedicate the same to said city, and that the said premises are free from all incumbrances of every name and nature.

All of which is respectfully submitted.

By Ald. Lewis—Whereas, The City Treasurer has suggested in a communication to the newspapers of the city that in view of the fact that a constitutional convention will be held during the summer months of 1894, it would be advisable during the ensuing winter months, to have the various financial officers, together with the City Auditors and members of the Finance Committees of the various cities of the state, meet at some suitable time and place, for the purpose of discussing and agreeing upon uniform methods of conducting the financial affairs of the various cities.

And, whereas, in the opinion of this council, such suggestion, if acted upon, might be productive of much good, therefore,

Resolved, That the matter of issuing a call for such a conference, together with the time and place of holding such a conference be, and the same is hereby referred to the Finance Committee for consideration.

Adopted.
By Ald. Forsyth—Petition of Elizabeth A. Morr to correct an erroneous assessment. Referred to Assessment Committee.
