Adopted.

Ald. Shelter moved that the rules of the old Board govern this Board until otherwise ordered.

Adopted.

By Ald. Lewis—Resolved, That the Democrat and Chronicle be, and hereby is, declared the official paper of the City of Rochester; that the proceedings, resolutions and ordinances of this Board and of the Executive Board, and the list of lands sold for taxes; also the publication of the official nominations for office, be published in said paper at the uniform price of 30 cents per inch solid Nonpareil type; that all notices and advertisements of any and all officers of this city, be published at the uniform rate of 25 cents per inch solid Nonpareil type each insertion. Said Democrat and Chronicle to furnish without charge 150 copies of the Treasurer's detailed report in book form, bound in paper, and at the expiration of the year to furnish, free of charge in book form, 200 copies of the official proceedings of the Common Council, bound in muslin, and 150 copies of the proceedings of the Executive Board, including indexes of each. Also, to furnish free of charge, copies of its daily issue as follows: One copy to each of the following departments; viz: Mayor's office, City Clerk's office, City Attorney's office, Poor office, Police office, City Surveyor's office, Treasurer's office, City Assessor's office, Municipal Court and Executive Board, and the City's Clerk's office the necessary copies containing the proceedings of the Common Council. The Mayor is hereby directed to enter into a contract with the proprietors of the Democrat and Chronicle in accordance with

the terms of this resolution, and in case the nominations for office be published but once, then the price for such publication shall be 60 cents per inch, solid Nonpariel type.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

By Ald. Lewis—Whereas, The so-called conduit bill, lately introduced into the Assembly and Senate, is mandatory in its form, and if it shall become a law will by its terms command the Common Council to proceed, within thirty days, to the appointment of commissioners, at large salaries, for the construction of the proposed conduit line; and

Whereas, Propositions for other methods of supplying the city with additional water, temporarily at least, and with reasonable prospects of making such supplies permanent, have recently been brought to the attention of the Common Council; and

Whereas, Such other methods seem to be, as far as investigations have gone, reasonable and feasible; and

Whereas, There seems to be a very general change of public sentiment upon the question of the necessity for the immediate building of such conduit line, and especially upon the question of having such line built by a salaried commission; and

Whereas, In view of all the circumstances, the mandatory features of the said conduit bill are particularly objectionable; and

Whereas, If it shall prove that other means of supply are unavailing, a new conduit can be built under the proposed general enabling act, because the said act, as originally presented, contained all the authority necessary to confer upon the city power to build a new conduit line at any time, in case the same shall be found necessary; and

Whereas, Said enabling act contained no mandatory words, and would not, if passed, compel the building of such new conduit, if found unnecessary; therefore,

Resolved, That the member of Assembly from the city of Rochester, and the Senator from this district, be and they hereby are requested forthwith to abandon further efforts towards passing the so-called conduit bill, and to press with all possible vigor the passage of the original enabling act.

Ald. Tracy moved that the resolution lie on the table until to-morrow evening. Lost by the following vote:

Ayes—Ald. Tracy, Rauber, Lempert, Bierbrauer, Kelly—5.

Nays—Ald. Calihan, McMillan, Zimmer, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Lewis—10.

The original resolution was adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Zimmer, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Lewis—10.

Nays—Ald. Tracy, Rauber, Lempert, Cleveland, Bierbrauer, Kelly—6.

A communication was received from the Humane Society in relation to the employment of women as City Physicians. Ordered received and filed.

On motion of Ald. Shelter the Board then adjourned.

PETER SHERIDAN, City Clerk.

In Common Council—April 7, 1891.

REGULAR MEETING.

Ald. McMillan, President of the Board, presiding.

Present—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCES.

By the Clerk—
MAYOR'S OFFICE,
ROCHESTER, N. Y., April 1, 1891. }

To the Honorable, the Common Council:

GENTLEMEN—I return to your board without my approval the ordinance for the improvement of Allens alley, passed by the Common Council, March 24, 1891, for the following reasons: A verified petition signed by the city assessors as a majority of the taxpayers asking that the ordinance be postponed for one year, the petition was given to the Ald. of the Fourth ward at the time the ordinance was called, but the petition was not read. The right of petition should always be recognized and especially from taxpayers who are called on to pay for the improvement. I think when a petition is presented to the Honorable, the Common Council, that the petition should be read and in this case the taxpayers had no hearing, common courtesy dictates that taxpayers should have a hearing by petition when they so desire. Allens alley has been paved, and as I learn from the petitioners, the Executive Board will remove the ashes and clean the gutters then the water will flow into the sewers. For these, and other reasons, I return this ordinance No. 4371 without my approval. Respectfully from

WILLIAM CARROLL, Mayor.

The Ch air stated the question to be "shall the ordinance stand notwithstanding the objections of His Honor, the Mayor."

Ald. Shelter moved that the communication lie upon the table until later in the evening as the alderman from the Fourth ward where the improvement is located was not present.

Adopted.

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, April 7, 1891. }

To the Common Council:

GENTLEMEN—The Executive Board desires to call the attention of your honorable body to the necessity existing for the adoption of some plan for extending the unpaid water rents, and the water frontage tax on the city assessment rolls for the ensuing year. This matter was called to your notice at your last regular meeting by the city assessors, and the reason that some action on your part was desirable was therein stated. If you will please refer this matter to the proper committee for consideration so that it may have early attention, it will relieve the city assessors as well as the Executive Board from some embarrassment. Respectfully,

THOMAS J. NEVILLE, Clerk.

Referred to the assessment Committee.

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, April 7, 1891. }

To the Common Council:

GENTLEMEN: Several weeks ago a map of the land proposed to be taken for the widening of the Big Ridge Road was submitted to the Executive Board by the City Surveyor.

Mr. E. Kniekerbocker, who resides in New York City, called at the Office of the Executive Board, where he stated that the strip of land in question had already been made part of the highway. It was suggested to him that the city would require a deed of the land or a legal dedication, and to that end he was requested to call on the City Attorney to execute the papers. It appears now that he has done nothing up to date, and as the Surveyor is awaiting action in this matter before he takes any further steps in the proposed improvement of this roadway, it remains for your honorable body to cause a commission to be appointed for the condemnation of the land that is desirable to be acquired for this purpose. Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Aid. Kelly—Whereas, No agreement for the purchase of land necessary to be taken for the widening of the Big Ridge Road from Lake avenue to the western city line, as contemplated by final ordinance No. 4199, can be made: therefore

Resolved, That a copy of said ordinance, and of this resolution, together with a map of the said road or street widening be made and filed in the office of the City Clerk, which map shall show thereon the lots, tracts and parcels of land which are deemed necessary to be taken, and the commencement, course and termination of said proposed street or road to be widened according to the provisions of Section 174 of the Revised City Charter, and that the City Attorney be, and he hereby is, instructed to take and institute such proceedings and publish and serve such notices, from time to time, as may be necessary to secure such street or road widening as may be provided by said city charter.

Adopted.

To the Common Council:

GENTLEMEN—The Executive Board has caused an examination to be made of the street laid out by E. A. Frost at right angles to Gene-

see street, and which is designed to take the place of the old street at the southerly end of Plymouth avenue.

All conditions prescribed by the Common Council have been complied with by Mr. Frost, and the street is ready for acceptance as a public thoroughfare.

Respectfully,
THOMAS J. NEVILLE, }
Clerk. }

Ordered received, filed and published.

By Aid. Kelly—

Resolved, That the street laid out by E. A. Frost and dedicated to public use, at the southerly end of Plymouth avenue, and reported by the Executive Board, be and hereby is accepted as a public street, and that the Executive Board be notified to place the necessary street signs.

Adopted.

GENTLEMEN—The undersigned received an injury on the 30th day of March, 1891, in which I received a fracture of my right knee-pan, so I am informed by my physician, Dr. B. L. Hovey.

In passing in front of No. 192 Bronson avenue I stepped upon a loose and broken plank in the side walk. The broken plank flew up, tripping me, causing me to fall, striking upon my knee, producing the injury above named. Since the date of the injury I have been confined to my bed with limb splintered and bandaged and have suffered pain. I claim damages and ask to be compensated for loss of time and necessary expenses caused by reason of the injury.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

BENTON STREET PLANK WALK.

By Ald. Shelter—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on Benton street.

Adopted.

The Surveyor submitted as such estimate, \$35. By Ald. Shelter—Resolved, That the following improvement is necessary, viz:

The construction of a hemlock plank walk, 4 feet in width, on the south side of Benton street, except where good walks now exist.

And whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$35, which estimate is hereby approved.

Resolved, Further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on the south side of Benton street, in front of which the proposed walk shall be constructed, in proportion to the benefit which each will derive therefrom.

Adopted.

CHILI AVENUE SWEEPING AND CLEANING.

By Ald. Rauber—

To the Honorable the Common Council:

GENTLEMEN—We, the undersigned property

owners on North St. Paul street, between Main street and Central avenue, respectfully request your honorable body to approve an amendment to the City Charter, whereby property can be acquired through the city by condemnation proceedings, not exceeding in value the sum of \$300,000. The object of such amendment is to permit of the institution of the necessary proceedings for the widening of a strip ten feet in width from the Sibley, Lindsay & Curr and the Lamberton property, thus making said street of uniform width from Main street to Central avenue and greatly enhancing the value of property on said street for commercial and manufacturing purposes.

By Ald. Kelly—
To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—Your Special Committee, duly appointed for the purpose of obtaining from the State authorities the moneys reappropriated on account of the construction of the culvert underneath the canal, and the deepening and enlargement of the Lyell avenue and Saxton street sewer, would respectfully report:

That, owing to the objections made by persons, residents of, and liable to be assessed, within the Ninth ward, to the division of said moneys, heretofore directed to be made by a resolution offered by Ald. Kelly, on March 10, 1891, and found at page 521, of the Proceedings of 1890-91, they have had a further and extended conference with the objectors, and, in accordance with what has been agreed upon by all persons concerned, your Committee would recommend that the Treasurer apply the one-half of the sum received from the Comptroller upon the audit of the cost, including interest, of that portion of the sewer east of the canal, known as "Section 1," and that the remaining one-half be likewise applied by him to the cost, including interest, of the portion of the sewer lying west of the canal, known as "Section 2," and that, after such application has been made, the said Treasurer certify to your honorable body the cost of the several sections, including interest, less the aforesaid applications, to the end that proper orders for assessments may be made by your honorable body, pursuant to the provisions of the Charter.

Respectfully submitted,

J. MILLER KELLY,
WILLIAM H. TRACY,
JULIUS WURTZ,
Special Committee.

By Ald. Kelly—

Resolved, That the Treasurer be, and he hereby is, directed to apply the foregoing mentioned moneys, in the proportion and manner specified in the foregoing report, and that he thereafter make a report of the cost of the several sections of the above mentioned sewer, including interest, less said applied moneys, to this Board, to the end that proper resolutions or orders of assessment may be made.

Adopted.

REPORTS OF SELECT COMMITTEES.

By Ald. Kelly—
To the Common Council:

GENTLEMEN—Your committee to which was referred the assessment for Lyell avenue and Saxton street outlet sewer, beg leave to report that two of the city assessors, viz: Messrs. Gerling and Maher, are ineligible to make said assessments as they are property owners within the territory to be assessed. Therefore your committee respectfully recommended that: Martin Joiner and Dwight Knapp for section one and Richard H. Schooley and John A. Bernhard for section two of said sewer, be appointed to act with L. A. Pratt, one of the City Assessors, in making said assessments. Respectfully submitted.

J. MILLER KELLY,
WILLIAM H. TRACY,
JULIUS WURTZ,
Committee.

Adopted.

Ald. Kelly moved that the Board proceed to the appointment of four special commissioners for the assessment of the Lyell avenue and Saxton street sewer.

Adopted.

Ald. Kelly nominated Martin Joiner. Martin Joiner was named by Ald. Tracy, Callahan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

Ald. Kelly nominated Dwight Knapp. Dwight Knapp was named by Ald. Tracy, Callahan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

Ald. Kelly nominated Richard H. Schooley. Richard H. Schooley was named by Ald. Tracy, Callahan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

Ald. Kelly nominated John A. Bernhard. John A. Bernhard was named by Ald. Tracy, Callahan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

Martin Joiner, Dwight Knapp, Richard H. Schooley and John A. Bernhard having received the concurrent vote of the Common Council were declared appointed special commissioners for the assessment of the Lyell avenue and Saxton street sewer.

By Ald. Lempert—

To the Honorable the Common Council of the City of Rochester.

GENTLEMEN: Your committee on the proposed East Side trunk sewer beg leave to submit the following report:

Your committee, soon after their appointment, held several meetings, and invited the organization known as "The East Side Taxpayers' Association" to meet with them, and to confer

with them in regard to the report and plans of Mr. Kuichling. At the urgent request of that association, your committee obtained authority from your honorable body to employ Samuel M. Gray, of Providence, R. I., an eminent civil engineer, to make an examination of the report of Emil Kuichling on the East Side trunk sewer, and to report thereon, provided that the compensation of Mr. Gray should not exceed the sum of \$1,000, and necessary traveling expenses, the same to be charged to the East Side trunk sewer fund, when created.

Mr. Gray's report, which has been but recently presented to your committee, is hereby submitted to your honorable body for action. It bears evidence of careful research and most diligent study on the part of the author, and pays a high compliment to our talented engineer, whose views on the subject of the disposal of the sewage on the east side of the river, are fully concurred in by Mr. Gray.

Your committee endorses the report of Mr. Kuichling, supported, as it is, by such eminent authority, and recommends that the city surveyor be directed to, at once, prepare an ordinance, or ordinances, for the construction of the East side trunk sewer, in accordance with Mr. Kuichling's plans.

Your committee herewith also present the bill of Mr. Gray for \$1,040.98, and recommends its payment, as provided for in the resolution of the Common Council, Respectfully submitted.

MORRIS H. LEMPERT,
S. D. W. CLEVELAND,
MERTON E. LEWIS,
Committee.

Ordered received, filed and published.

PROVIDENCE, R. I., }
April 2d, 1891. }

To the Hon. Morris H. Lempert, Alderman and Chairman of Select Committee on the East Side Sewerage Question, Rochester, N. Y.:

SIR: The undersigned having been appointed by your Committee under authority of a resolution of the Common Council dated December 2, 1890, to make an examination of the subject, as contained in the "Report on the proposed Trunk Sewer" for the East Side of the "City of Rochester" made by Emil Kuichling, Civil Engineer, and report thereon, respectfully presents the following:

In pursuance of the duties under this resolution, I commenced a careful examination and study of Mr. Kuichling's report, December 9, 1890.

On the 16th of that month I visited Rochester for the purpose of looking over the ground, consulting with your Committee, and your engineer, Mr. Kuichling.

During my stay of four days in Rochester I examined plans, profiles and estimates; examined on the ground the proposed location of all works contemplated in said plans, inspected the Genesee River above the city, its course through and below the city, and particularly at the point where the proposed Trunk Sewer is to discharge into the river.

I also visited Lake Ontario and inspected the land lying between the Lake and Norton street, together with possible locations of the proposed Precipitation Tanks. I likewise visited Irondequoit Bay, and carefully examined the territory between the Bay and Culver road.

The line of proposed marginal sewers were also gone over on the ground; the locations of the proposed overflows were visited, and many other points relating to the scheme were examined.

On the evening of the 18th of December, at a meeting appointed for this purpose, I listened to views expressed by various citizens interested in the project.

Shortly after my return from Rochester, a large number of plans, profiles, estimates, etc., were sent me by your committee that I might give the subject further study and enter more minutely into the details of the data from which the plans were projected and report made.

Seldom if ever have I been called upon to examine a proposed sewerage scheme where so full, comprehensive and accurate data have been collected and arranged for the consideration of the work in hand. The worth of this data will be more fully realized as the work of construction is carried on. It will be the means of preventing the waste of much money, for conclusions based on facts are valuable, while if based on assumption they may lead to grave mistakes.

Mr. Kuichling has so completely covered the whole ground, has so fully anticipated all questions that might arise, and so exhaustively and fairly presented all the points at issue, and furthermore as this question has been so thoroughly discussed in your city, not only as relates to the present case in question, but to the subject in general, it cannot be expected that I will make new discoveries or present any fresh suggestions.

In prosecuting this work my aim has been to ascertain the best possible means of collecting, conducting and disposing of the sewage of the district under consideration, (having in view also the future disposal of sewage from other parts of the city) at the least possible expense, in a thoroughly sanitary manner.

It may be well to state briefly the necessities of the proposed trunk sewer for the East Side, as well as the advantages to be gained by the construction of it.

First—Much of the sewage that is collected in the sewers now built, is discharged into the various creeks flowing into Irondequoit bay. It is alleged that the discharge of this sewage into the creeks, has so contaminated them that they have become a nuisance to the abutters. I am informed that the city is frequently sued and that damages are collected by the riparian owners for thus discharging the sewage. It is also alleged that these streams have become so contaminated as to interfere with the development of this property which would otherwise be made.

Second—Parts of the East Side cannot properly be seweraged without one or more trunk sewers, into which lateral or district sewers may discharge; and as sections of the East Side are being rapidly built upon, suitable sewerage for these parts become an absolute necessity, for the proper development of the territory.

Third—Some of the sewers now built on the East Side are, it is alleged, during times of heavy rains, engorged, from which trouble they can best be relieved by means of some new outlet or outlets, which the proposed trunk sewer is intended to supply.

Fourth—Much of the territory tributary to the trunk sewer will, as built upon, suffer in the future from surface water during heavy storms, unless some relief is furnished. The proposed trunk sewer is intended to meet this demand.

Fifth—Genesee river, although not perhaps at present polluted to an extent to render it obnoxious to the senses, will become more and more so as the quantity of sewage empties into it increases. The proposed trunk sewer is so designed that the sewage may in the future be taken to a precipitation works, and there be so treated that the effluent for all time can be safely discharged into the Genesee river at the point proposed, viz.: below the lower falls.

Mr. Kuichling has so fully entered into all the various points and necessities of the case, and has so completely and clearly described the various methods of sewage disposal that I can scarcely add anything new to his statement of the case or his description of disposal, and for me to repeat them would but result in the taxing of your patience and a waste of your time, and I will therefore content myself with enumerating the various important questions in connection with the case, and giving my own conclusions in relation to them.

I will, however, mention one very important fact which should not be overlooked in the consideration of land disposal of the sewage which is brought out by the contour map of the terri-

tory stretching from the river to the bay, and from Norton street to the lake, viz.: the irregularities of surface will render it necessarily expensive to put it in suitable condition for receiving sewage. An examination of the territory in question cannot fail to show this fact.

One of the first, and often one of the most important question that arises, in designing a Sewerage System, is: Whether it shall be upon the Combined, or the Separate system, which latter provides only for the dry weather flow of sewage, together with possibly a very limited amount of storm-water; while the Combined system contemplates providing for the sewage together with the storm-water, varying in quantity depending upon the conditions of the territory to be drained.

The question of the system to be adopted is often largely dependent upon the disposal to be made of the sewage. I have closely considered the requirements of the "East Side" together with the possible methods of disposing of the sewage, and fully concur in the conclusions arrived at by Mr. Kuichling; that the Combined System is the one most worthy of our adoption.

As sewers are designed to meet not only the present needs, but those resulting from future growth, the question of the probable future population becomes important. Mr. Kuichling's conclusions in regard to the probable future population of Rochester, I consider sound and prudent; my own estimates varying but slightly from his.

DISPOSAL OF THE SEWAGE.

Among the different methods of disposal of sewage of the City of Rochester, may be mentioned: Disposal into Lake Ontario, or Genesee River, or into Irondequoit Bay; with or without chemical treatment, or the disposal of the sewage upon land by irrigation, or by intermittent filtration; and, as has before been stated these systems of disposal have been so fully and fairly set forth by Mr. Kuichling in his report that I will not go over the grounds again.

I have considered the estimated quantity of sewage to be disposed of, together with the existing condition and necessary attending expense of such disposal, and I reach the conclusion that the way to dispose of the sewage of Rochester is not by irrigation or intermittent filtration.

I am convinced, from observation abroad, as well as in this country, and from experienced gain in the construction and care, for several years, of the Sewerage Farm, upon which the sewage of the State Institutions of Rhode Island is disposed of, that the quantity of sewage assumed by Mr. Kuichling that can be safely applied per acre per day by "filtration through land" or by "sewage farming" is fully as much as practical experience will show is admissible.

I am aware that many experiments have been made that would indicate a larger quantity could be applied, for instance those at Lawrence, Mass., so ably conducted by Hiram F. Mills, Civil Engineer, but it must be borne in mind that the filter-beds at Lawrence are small, being but a few feet in diameter, and therefore every square inch of the surface of the filter can be reached in the application of sewage, and that the sewage applied to these beds is practically strained sewage, free from the more solid substances which would otherwise collect upon the surface of the filter and tend to prevent so free a soakage of the sewage into the earth.

On the other hand, either in intermittent filtration or irrigation on a practical scale, it is not possible to thus fully utilize the area appropriated; and furthermore, solids of almost every description, such as excrement, sticks, bottles, leaves, fruit skins, rags, dead animals, and a great variety of debris that find their way into the sewers are spread upon the surface of the ground, forming a crust, or sludge, which, unless removed, or dug into the soil, prevent the earth from continuing to readily absorb the sewage.

In my opinion, the cost of applying the sewage to the land is under, rather than over-estimated by Mr. Kuichling.

An examination of Irondequoit Bay and its surroundings, and a full consideration of the sanitary difficulties in taking the sewage to that point, without the incurring of a very large expenditure together with the detriment that would probably result to property in that vicinity by the presence of sewage, convince me that this place of disposal is wholly out of the question.

The existing condition, "the attendant physical difficulties," clearly set forth in Mr. Kuichling's report, of taking the sewage to Lake Ontario, will be fully realized by careful examination of the territory lying between Norton street and the Lake.

I fully agree with him in the conclusion he has reached in regard to thus disposing of sewage into the Lake, for in my opinion it is by no means sure that preliminary clarification of the sewage will not be found necessary in the future, which as the report states will increase the expenditure to such an extent, as to make the project financially inexpedient.

In regard to the discharge of sewage into the Genesee River, I have carefully examined on the ground, the point proposed for such a discharge, and I have considered the relative flow of the river as compared with the quantity of sewage to be discharged, the peculiarities of the river as relates to the falls, velocity of flow, and mixed chemical character of the water, and I concur with Mr. Kuichling in the conclusions he has arrived at relative thereto.

I consider the proposed point of discharge, as the one most desirable on sanitary and economical grounds. As has been intimated by Mr. Kuichling, no hard and fast rule can be adopted regarding the exact amount of crude sewage which may safely be discharged into a stream; so much depends upon the nature of the sewage, the conditions of the river, and the chemical constituents of the water. While I have no doubt the time will soon come, when the sewage, if discharged at this point, will need to be treated to a certain extent, during the Summer months, I am of the opinion that it may be safely discharged without treatment, during the Winter months of the year. The time when it will become necessary to treat the sewage, to prevent its so polluting the river as to form a nuisance, can more correctly and economically be determined upon, by trial than by theory or prediction.

The soundness of the recommendation, as contained in the report, of so planning the proposed trunk sewer for the "East Side," as well as all other projected main sewers in the city, as to admit of a future division of the sewage from the river during the warm season, without incurring unnecessary expense when such "measures will be demanded" is too apparent to need comment.

When the time shall come that the river is contaminated by sewage so as to produce a nuisance, I believe that some form of precipitation will be the most practical and economical method of giving relief. I fully agree with Mr. Kuichling in the views he has given relating to precipitation. I further believe that his estimates of cost of treatment are high enough. I am aware that higher estimates have been made, but at the same time that most of such estimates were made when little or no data, of chemical treatment of sewage in this country was available. Of late years, however, as precipitation works have been in operation in this country, it has been found that many of the estimates are in excess of the actual cost of treatment. The Sewage Precipitation Works at Worcester, Mass., designed and now under the care of Charles A. Allen, City Engineer, for the treatment of a portion of the sewage at Worcester, demonstrate that not only may such works be operated almost entirely free from offensive odors, but even at a lower cost of treatment than

the figures given by Mr. Kuichling. The sewage at Worcester is, however, probable more dilute than of many cities.

I examined with your Engineer the route proposed for the Trunk Sewer, going over the ground the entire length. I also visited the places at which it is proposed to have storm outlets, and I am satisfied that the locations determined upon by Mr. Kuichling, both for the Trunk Sewer and storm outlets, cannot be improved upon, excepting by such slight modifications as may possibly become necessary, due to the further development and improvement of the territory before the sewer is built.

I have examined the principle upon which the sizes of the sewers have been determined upon, and am satisfied they are sufficient to meet the requirements.

I have also checked over the estimates of cost far enough to satisfy myself that they were carefully and accurately made, and that they are large enough to form a safe basis of action.

In conclusion I will say that I have critically examined the scheme as proposed, in all its parts, and I fail to find any points upon which I can disagree in the recommendations made by Mr. Kuichling in his report.

By Ald. Kempert—Resolved, That the City Surveyor be, and he hereby is, directed to, at once, to prepare an ordinance, or ordinances, for the construction of the East Side Trunk Sewer, in accordance with the plans of Mr. Kuichling, and that he submit the same, as soon as possible, to the Common Council, for action thereon.

Adopted.
By Ald. Lempert—Resolved, That the clerk draw an order in favor of Samuel M. Gray, of Providence, R. I., payable from the contingent fund, for one thousand and forty dollars and ninety-eight cents (1,040.98), in full for his services and traveling expenses, as expert on the East side sewer project, and that said contingent fund be reimbursed by the transfer of said amount thereto from the East side sewer fund, when the latter fund shall have been created.

By Ald. Kelly—
To the Honorable the Common Council, of the City of Rochester:

GENTLEMEN—By reason of the fact that the fiscal year of the city commences on the first day of April in each year, and the assessment rolls for expenditures for the year beginning on that day are not placed in the hands of the Treasurer until July, it becomes necessary each year to make provision for the carrying on of the city government during the three months embraced within those dates.

I, therefore, estimate the amounts probably necessary to carry the various departments through April, May and June, and would recommend that the Treasurer be authorized to borrow as needed, the following amounts:

Police Fund.....	\$25,000
Contingent Fund.....	30,000
Lamp Fund.....	35,000
Health Fund.....	8,000
City Property.....	1,000
Park Fund.....	1,000
Total.....	\$100,000

It must be understood that these amounts are in no way deficiencies, but that the necessity for borrowing arises simply from the fact that our charter requires the payment of bills on the first of April, and does not provide the means of paying the same until the first of July.

I would, therefore, recommend the adoption of the following resolution:

S. B. WILLIAMS,
Treasurer.

Ordered received, filed and published.

By Aid. Kelly—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to issue, as necessary, the city's notes for the aggregate sum of one hundred thousand dollars (\$100,000), under the authority of section 81 of the city charter; said notes to be discounted under the direction of the Finance Committee, and to be countersigned by the chairman of the Finance Committee, and the discount thereon to be charged to Contingent Fund. The proceeds of said notes to be credited as follows:

Police Fund.....	\$25,000
Contingent Fund.....	30,000
Lamp Fund.....	35,000
Health Fund.....	8,000
City Property Fund.....	1,000
Park Fund.....	1,000

To the Honorable Common Council:

GENTLEMEN—I hereby certify that the Executive Board has notified me that the works or improvements authorized under ordinances hereinafter mentioned have been completed; that I have, pursuant to the provisions of the Charter, ascertained the entire and aggregate expense of and connected with the same respectively, including any interest that the city shall incur, or is entitled to for the use of its funds, and that the respective amounts thereof are as follows:

Ordinance and Improvement.	Expense.
No. 3,537. Lyell avenue and Saxton street outlet sewer, Sec. 1.	\$33,364 95
No. 3,538. Lyell avenue and Saxton street outlet sewer, Sec. 2.	19,515 83

S. B. WILLIAMS, Treasurer.

Ordered received filed and published.

LOCAL IMPROVEMENT ASSESSMENTS.

By Ald. Shelter—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the several following improvements, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements respectfully adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefited by the improvements respectfully, are as stated and described in the final ordinances relative to the improvements, respectfully, and that the names and expenses of the improvements thus to be assessed are as follows, viz:

Ordinance No. 3,537, Lyell avenue and Saxton street outlet sewer, Section 1. The expense is \$33,364.95.

Ordinance No. 3,538, Lyell avenue and Saxton street outlet sewer, Section 2. The expense is \$19,515.83.

And it is further determined that the taxpayers to be assessed for making the foregoing improvements may pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said said last installment, a discount will be allowed at the rate of 6 per cent. per annum.

and the special commissioners, duly appointed for that purpose, viz: Martin Joiner and Dwight Knapp for said section one, and Richard H. Schooley and John A. Bernhard for said section two, shall, with Luther A. Pratt, one of the City Assessors, if they are not interested in any of the property within the part or portion of the city deemed to be benefited and directed to be assessed by the final ordinances relative thereto, as aforesaid, or if any two of such commissioners and assessor are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of land within the portions or parts of the city above designated, and directed to be assessed. of the amounts of expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements, shall be deemed to receive by the making of the respective improvements.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

ACTION ON ORDINANCES.
FIRST ORDINANCES.

EAST STREET SPRINKLING.
By Ald. Shelter—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling East street, from East avenue to Charlotte street.

Adopted.

The Surveyor submitted as such estimate \$50.
By Ald. Shelter—Resolved, That the following improvement is necessary, viz:

The sprinkling of East street, from East avenue to Charlotte street, during the season of 1891.

And whereas, the City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$50, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of East street, from East avenue to Charlotte street, in proportion to the benefit and advantage which each will derive therefrom.

Adopted.

EAST MAIN STREET SPRINKLING. (SEC. 2.)

By Ald. Shelter—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling East Main street (Sec. 2) from Goodman street to 100 feet east of Chamberlain street.

Adopted.

The Surveyor submitted as such estimate, \$300.

By Ald. Shelter—Resolved, That the following improvement is necessary, viz:

The sprinkling of East Main street (Sec. 2) from Goodman street to 100 feet east of Chamberlain street during the season of 1891.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$300, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of East Main street from Goodman street to 100 feet east of Chamberlain street in proportion to the benefit and advantage which each will derive therefrom.

KING STREET ASPHALT IMPROVEMENT.

On motion of Alderman Shelter, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to improve King street from West avenue to Brown street.

And after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The improvement of King street, from West avenue to Brown street, by the construction of an asphalt pavement therein, with a line of Medina stone curb on each side thereof, properly connected with all streets, alleys and driveways. Width of main roadway between curb lines to be 28 feet. Also, the construction of all necessary crosswalks, crosswalk extensions, surface sewers, manholes, lot laterals, water and gas services, and the cleaning of the main sewer, if found necessary.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$18,500, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of King street, from West avenue to Brown street.

Adopted by the following vote:

Ayes—Ald. Tracy, Cahlan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

On motion of Ald. Cleveland further action on the pending final ordinances for East avenue care and repair (sec 2) and East avenue asphalt improvement was indefinitely postponed.

FINAL ORDINANCE, NO. 4395.

EAST AVENUE BRICK IMPROVEMENT

On motion of Ald. Shelter, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance viz.:

An ordinance to improve East avenue from East Main street to Goodman street.

And after hearing such allegations from all persons appearing.

The Common Council of the city of Rochester do ordain and determine that the following improvement is necessary and should be made, to wit:

The improvement of East avenue from East Main street to the east line of Goodman street, south of East avenue, by constructing a vitrified brick pavement therein, with a line of Medina stone curb on each side thereof, properly connected with all lateral streets, alleys and driveways. The present curb stone existing in said street to be redressed and reset as far as practicable; any deficiencies to be supplied with new curb. The present width of the main roadway, being about 40 feet, to be maintained. Also the construction of

all necessary crosswalks, crosswalk extensions, surface sewers, manholes, lot laterals, water and gas services and the cleaning of the main sewer in the street if found necessary.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$57,000, which being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement to wit:

One tier of lots and parcels of land on each side of East avenue, from East Main street to a point opposite the east line of Goodman street south of East avenue.

MISCELLANEOUS BUSINESS.

By Ald. McMillan—Whereas, No agreement for the purchase of lands necessary to be taken for the opening of a street from Edinburgh street to the center of the Genesee River in the city of Rochester, under final ordinance, No. 455, can be made, therefore,

Resolved, That a copy of said ordinance, and of this resolution, together with the map of the street be made and filed in the office of the city clerk, which maps shall show thereon the lots, tracts and parcels of land which are deemed necessary to be taken, and the commencement, course and termination of said street proposed to be laid out, according to the provisions of Section 174 of the revised city charter, and that the city attorney be, and he hereby is, instructed to take and institute such proceedings, from time to time, as may be necessary to secure such street opening, as is provided by said city charter.

Adopted.

By Ald. McMillan—
To the Honorable, the Common Council of the City
of Rochester:

The Rochester Railway Company hereby makes application for the right to construct, maintain and operate a double track street surface railroad, from the present tracks of that company on Exchange street, at its intersection with Clarissa street; thence along Clarissa street to the present tracks of that company on Caledonia avenue. The purpose of the company, if a franchise shall be granted through Clarissa street, as above indicated, is to run the Plymouth avenue cars through Clarissa and Exchange streets, instead of through Caledonia avenue, as such line is now operated. The track on Caledonia avenue is a single track, with turnouts, and two lines of this company now run over such track. It is not possible to give good service on that street, with two lines thereon, unless a double track could be laid, and this is impracticable because the street is so narrow. Many lot owners on Plymouth avenue have requested this company to lay its tracks through Clarissa street, and to run the Plymouth avenue cars down Exchange street, as the most direct line to the center of the city.

Respectfully submitted,
ROCHESTER RAILWAY CO.,
By J. N. Beckley, President.
Ordered received, filed and published.

By Ald. McMillan—Whereas, The Rochester Railway Company has duly applied in writing for the consent of the local authorities of the City of Rochester to the construction, maintenance, operation and use of a double track street surface railroad in, through, along and upon Clarissa street from Exchange street to Caledonia avenue, thereby connecting the tracks of that company on those streets.

Now, therefore, under and in pursuance of the provisions of the Statutes of this State, the time, when and place where this Board will first consider said application, is hereby fixed for May 19, 1891, at 7 o'clock P. M., at the Common Council Chamber, City Hall Building, Rochester, N. Y.

It is further resolved that the City Clerk give notice, as required by law, of the time, when and place where said application will be first considered by this Board in two papers to be designated by the Mayor as required by law.

Adopted.
Ald. Zimmer, of the special committee on Allens Alley Asphalt Improvement, reported in favor of the ordinance, as passed March 28, 1891.

The Chair then stated the question to be: "Shall the ordinance stand, notwithstanding the objections of His Honor, the Mayor.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

The Mayor's veto was not sustained.
By Ald. Zimmer—Resolved, That the Executive Board be, and they are hereby, requested not to let the contract for the improvement for Allens Alley until April, 1892.

Adopted.
Ald. Rauber presented the petition of Joseph Ryan for permission to erect a wood building on Lowell street and moved that permission be granted.

Adopted.
By Ald. Cleveland—Petition for a vitrified pipe sewer in Cobb street, Averill avenue and Beckley street.

Referred to the Surveyor to prepare an ordinance.

By Ald. Cleveland—
To the Honorable the Common Council of the
City of Rochester:

The petition of the Rochester & Honeoye Valley Railroad Company, by Henry D. McNaughton, its treasurer, respectfully shows:

That it is a Railroad Company duly organized and existing under and by virtue of the laws of the State of New York.

That it has made and filed in the Monroe County Clerk's office, a map and profile and amended maps and profiles showing the route of its railroad in the city of Rochester and county of Monroe.

That that part of the route of said railroad within the City of Rochester, begins at a point on the "Island" so-called near the weigh-lock, and runs thence southerly on and along the strip of land lying between the Genesee River on the West, and the Erie Canal Feeder on the East to the State Dam across the Genesee River, and from thence along the Easterly bank of the Genesee River to Elmwood Avenue.

That it desires and intends to change a portion of its route within said City of Rochester by leaving said strip of land between said River and Feeder at a point a short distance North of the bridge of the New York, Lake Erie and Western Railroad over said River, and running thence nearly parallel with said New York, Lake Erie and Western Railroad through and across the lands of the City of Rochester occupied by it for the purposes of the Mount Hope Cemetery and the lands of Julia F. Cochran.

That in order to enable said company to construct its railroad along that portion of the route last described, it is necessary to cross the highway or street sometimes called the River road, and sometimes called Wolcott street, which lies east of and runs parallel with the said Erie canal feeder, and also to cross Elmwood avenue;

That it intends, if permission shall be granted by your honorable body, to cross said River road or Wolcott street overhead, and said Elmwood avenue at grade;

That in order to enable said company to construct its railroad along that portion of its route last aforesaid, it will also be necessary for it to acquire from the city of Rochester, title to about six acres of land now belonging to the said city, and being a part of the lands of said Mount Hope Cemetery; that conferences have been held with the commissioners of the Mount Hope Cemetery, and terms satisfactory to said commissioners have been agreed upon.

Wherefore, your petitioner prays that your Honorable Body will grant it permission to cross said River Road or Wolcott Street overhead, and to cross said Elmwood Avenue at grade, and also to take immediate possession of the lands belonging to the City of Rochester being a part of Mount Hope Cemetery above referred to, and hereby offers to enter into such contract or agreement as may be required obligating itself to pay for said land when title thereto can be obtained.

Dated April 20, 1891.
ROCHESTER & HONEOYE VALLEY RAILROAD
COMPANY, BY H. D. McNAUGHTON,
Treasurer.

We, the undersigned Commissioners of the Mt. Hope Cemetery, hereby certify that terms satisfactory to us have been agreed upon with the Rochester & Honeoye Valley Railroad Company, for the sale to it of about six acres of land being a part of Mount Hope Cemetery lying immediately East of the lands of the New York, Lake Erie and Western Railroad Company, and we hereby recommend that the prayer of the petition hereto annexed, in so far as it pertains to such lands, and the possession thereof, be granted.

Dated April 21, 1891.

H. C. BREWSTER,
H. B. HATHAWAY.

Ordered received, filed and published and referred to the Law Committee.

By Ald. Cleveland—Resolved, That each of the city physicians be, and each is, hereby required to keep on file in his or her office, or in the inspection of the Overseer of the Poor, and his deputy or assistant, and every member of the Poor Committee of this Common Council, and

every other officer or person at any time authorized by this Common Council, a book, which shall contain a full und detailed statement of each visit and prescription made or given, at any time, as such physician, pursuant to any order of said Overseer of the Poor, or any of his assistants or deputies, or a member of the Poor Committee, or any other officer or board that may, at any time, be authorized to give the same by this Common Council; and each such physician shall, at least: once in every three months, render and furnish to the Overseer of the Poor of the city of Rochester, a written statement, over his signature, containing each and all such visits and prescriptions, and a statement of the character of the illness of any such person, so visited or prescribed for, and the result or termination of such illness; and said overseer of the poor shall render to this Common Council a written statement, over his signature, at least, once in every three months, of all orders that he, or any of his assistants or deputies have issued or given to any person, upon, or to, any such physicians, during the previous three months, and in case any member of said poor committee, or any other person authorized, at any time, to give the same by this Common Council, as aforesaid, shall give any such order to any person, upon, or to, any such physician, he shall, immediately thereafter, report the same to said overseer of the poor, and the latter shall include the same in his next report to this Common Council, as aforesaid.

Adopted.

By Ald. Cleveland—Resolved, That the Fire Marshal and his successor in office be, and he hereby is, directed to be at the City Clerk's office between the hours of 10 and 12 o'clock in the forenoon of each day, except Sundays and holidays, for the purpose of receiving any and all communications, verbal, written or printed, concerning any matter pertaining to his office.

Adopted.

By Ald. Cleveland—Whereas, Through inadvertence, a formal approval of the form and sufficiency of Frederick W. Armbruster and John J. Nell as sureties to the bond given by Andrew Bornkessel, as Sealer of Weights and Measures, has not yet been made, and by the provisions of the act of 1888, the said bond and the sufficiency of the sureties thereto, are required to be approved by this Common Council or some officer duly authorized; therefore,

Resolved, That the Mayor be, and he hereby is, designated for the purpose of ascertaining and approving of the sufficiency of the said sureties, and which bond is hereby required to be in the penal sum of \$5,000, and to be executed by said Andrew Bornkessel and at least two responsible sureties, who shall each justify in the sum of \$5,000, and be a resident and freeholder within the county of Monroe, and which bond, as to form, shall also be approved by the City Attorney, or one of his assistants. The approvals aforesaid shall be *nunc pro tunc*, as of April 9, 1891, the date when said bond was executed and acknowledged by said Bornkessel and his sureties.

Adopted.

By Ald. Cleveland—Resolved, That the number of Standing Committees be and hereby is increased from seventeen to eighteen and the one added to be and hereby is known as "Electrical Committee," and Rule 32 of Rules and Regulations of this Council be and hereby are amended to include said committee.

Laid on the table under the rule.

By Ald. Shelter—Petitions of Eliza Stout and George C. Staud. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Shelter—Petition for an electric light on Edgewood Park. Referred to the Lamp Committee and City Surveyor.

By Ald. Shelter—

CHARITY ORGANIZATION SOCIETY, }
ROCHESTER, N. Y., April 20, 1890. }

To the Honorable, the Common Council:
GENTLEMEN—The trustees of the society for organization of Charity of the City of Rochester respectfully present the following for your consideration and action:

This organization is chartered for the purpose of systematizing the dispensation of charity in

this city. Its special function is to seek out and aid in the proper disposition of all cases of need, to separate the worthy from the unworthy, and, by the adoption of proper means, to enable the poor to help themselves and to lessen the pauperism, which present methods of charity tend to foster.

This society is fully organized, equipped and has been in successful operation since October last. We accordingly propose that in the organization of the work of the Poor Department for the present year, the position of Inspector and Examiner be dispensed with and that this work be referred entirely to this society to be done by it, in co-operation with the Poor Department, as is done in Baltimore and other cities where this association exists.

This is proposed for the following reasons:
First. That the organization for this work is specially complete and capable of giving accurate and immediate information in all cases.

Second. That the work can be done most economically and with a large pecuniary saving to the funds appropriated for the use of the Poor Department.

Third. That it is conducted by persons specially fitted and trained for the work.

This committee is ready to confer with the proper committee of your honorable body at such time and place as may be designated.

GEORGE F. YEOMAN,
A. M. LINDSAY,
L. P. ROSS,
W. A. STUTTERLAND,
E. V. STODDARD,
Committee.

Ordered received, filed and published and referred to the Poor Committee.

By Ald. Lewis—

To the Honorable, the Common Council, of the City of Rochester:

GENTLEMEN—Your Law Committee begs leave to recommend that the Rochester & Honeoye Valley Railway Company, whose petition was presented to your Honorable Body on the 21st, inst., and is found on page 28, current proceedings, be granted the privilege of crossing the River road, or Wolcott street, overhead, and Elmwood avenue within sixty feet east of the grade crossing of the New York, Lake Erie & Western Railway at grade, upon condition, that if your honorable body should, in the future, require, the said company shall keep and place a flagman, or some other proper device to warn travelers, at said Elmwood avenue crossing, as is fully set forth in the accompanying resolution.

Your Committee would further recommend that the portion of Mt. Hope Cemetery desired by said railroad company be transferred to it, as requested in said petition, for the price that may be considered proper by the Mt. Hope Commissioners, and to be paid at the time, and in the manner, specified in the accompanying resolution, for the reason that the land desired is low and swampy and unsuitable for the interment of persons therein.

Your Committee, therefore, recommends the adoption by your honorable body of the accompanying resolutions.

Respectfully submitted,

MERTON E. LEWIS,
MARTIN J. CALIHAN,
S. D. W. CLEVELAND,
HENRY G. COOK,
WILLIAM H. TRACY,
Law Committee.

Ordered received, filed and published.

By Alderman Lewis—Whereas, The Rochester & Honeoye Valley Railroad Company has presented its petition, praying for permission to take immediate possession of a tract of land belonging to the City of Rochester, and being a part of Mount Hope Cemetery, bounded and described and described as follows:

Beginning in the center of Wolcott street in the division line between the lands of the New York, Lake Erie & Western Railroad Company and said cemetery; running thence Southerly along said division line to a point in the division line between the lands of Julia F. Cochrane and said Cemetery; thence along said last mentioned division line south 85 degrees and 44 minutes east, 35.7 feet to a point; thence north 34 degrees and 20 minutes east along a line parallel with and 30.4 feet easterly from the eastern boundary line of the lands of the New York, Lake Erie & Western Railroad Company 555.5 feet to a point; thence northerly along a line curved to the right, and having a radius of 1,910 feet, 607 feet more or less to a point; thence north 37 degrees and 40 minutes west, 30 feet to a point; thence north 52 degrees and 20 minutes east, 1,008 feet to a point in the center of said Wolcott street; thence westerly along the center of said Wolcott street to the place of beginning, containing six acres of land, be the same more or less, and

Whereas, said railroad company has agreed with the commissioners of the Mt. Hope Cemetery upon the price to be paid for said land when title thereto can be obtained, either by grant from the city of Rochester, or by condemnation proceedings instituted by said company, therefore

Resolved, That the prayer of said petition be, and the same hereby is granted, and that permission be and the same hereby is given to said railroad company to take and enter into immediate possession of the lands above described, but upon condition that said company shall within sixty days after the adoption of this resolution institute condemnation proceedings to acquire title to said land, and prosecute such proceedings to a determination with all reasonable expedition, and forthwith after the determination thereof pay to the city of Rochester the amount of the award which may be made in said proceeding which it is understood shall be stipulated at the amount so agreed upon; and upon the further condition that if said company shall fail to comply with the foregoing condition, then this permission shall forthwith cease and determine, and said company shall vacate said lands.

Adopted.

By Alderman Lewis—Whereas, application has been made by the Rochester & Honeoye Valley Railroad Company for leave to construct its railroad across Wolcott street, over head, at a point a short distance north of the New York, Lake Erie & Western railroad bridge over the same street, and for leave to cross Elmwood avenue at grade, at a point not more than sixty feet east of the crossing of the New York, Lake Erie & Western railroad over the same street, therefore,

Resolved, That such application be, and the same hereby is granted, and that permission be, and the same hereby is given to said Rochester & Honeoye Valley Railroad Company to construct its railroad across Wolcott street at the point above designated, over head, with head room of at least fourteen feet, and across Elmwood avenue at the place above designated, at grade, but upon condition, nevertheless, that said railroad company will, whenever required by the Common Council, station and keep a com-

petent flagman at said grade crossing, or maintain such other safeguards as may be agreed upon.

Adopted.

By Ald. Calihan—

To the Honorable, the Common Council:

GENTLEMEN—Your City property Committee begs leave to submit the following report:

That Millard T. Morse be engaged as janitor of the City Building on Front street and William G. Stebbins engaged as watchman at the City Hall at the same compensation as is now paid to the persons now filling those positions.

Respectfully submitted,

MARTIN J. CALIHAN,
LOUIS BOHRER,
MERTIN E. LEWIS,
HENRY SHELTER,
JOSEPH BIERBRAUER.

Committee.

Ordered received, filed and published.

By Ald. Calihan—Resolved, That Millard T. Morse, be engaged as janitor of the Front Street City Building and W. G. Stebbins be engaged as watchman at the City Hall at the annual compensation of \$900 per year to each persons.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, APRIL 28, 1891. }

To the Common Council:

GENTLEMEN—The Executive Board begs leave to call your attention to the following communication transmitted to the Common Council last year, and to suggest a serious consideration of its recommendations in order that such speedy and suitable action shall be taken as the importance of the matter demands:

A section of Mill street has been added this year.

JULY 1, 1890.

The Executive Board respectfully suggests to your honorable body that there is urgent necessity to permanently improve State street from West Main to Platt street; to relay the pavement on State street from Platt street to Vincent Place; to permanently improve West and East Main streets from Fitzhugh street to University avenue, and Mill street from Central avenue to Brown street. The pavement of Main street, between the points named, and on State street to Platt street, is utterly worn out, as the general overhauling which it received in the relaying of the street railroad tracks makes evident to every observer. The continual tearing up and replacing of the pavement, together with the immense and increasing traffic of those important thoroughfares has so worn the pavement that it is nothing but a makeshift, to put it in place again. If those streets were properly paved they could be kept much cleaner than it is possible to keep them now with their irregular, uneven surfaces.

The Executive Board therefore earnestly recommends that the city surveyor be directed to compile the necessary ordinances for the above named improvements.

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By the Clerk—

CITY CLERK'S OFFICE, }
ROCHESTER, N. Y., April 28, 1891. }

To the Honorable Common Council:

GENTLEMEN—I hereby report the following named persons have qualified and taken the oath of office as required by law, viz:

Frederick R. Ellinger, Meat and Milk Inspector.
H. B. Hathaway, Mt. Hope Commissioner.
Martin Joiner, Special Commissioner.

Dwight Knapp, Special Commissioner.
Richard H. Schooley, Special Commissioner.
John A. Bernhard, Special Commissioner.
John S. Brouk, Commissioner of Deeds.
Germain Mattison, Commissioner of Deeds.
Julius C. Bowen, Commissioner of Deeds.
Robert M. Hodgson, Commissioner of Deeds.
Clarence E. Shuster, Commissioner of Deeds.

Respectfully submitted,

PETER SHERIDAN, City Clerk.

Ordered received, filed and published.

By Ald. Kelly—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—I am informed by the City Treasurer that he has not sufficient funds in his hands, applicable for the purpose of paying the balance of the awards made for land desired to be taken for the Boulevard extension and the opening of a street from Murray street to Child street; and, in view of the fact that you desire to immediately prepare for travel said Boulevard extension, and the provisions of the charter that you are prohibited from entering upon such lands until the awards shall be paid, and the fact that the time for the payment of the award made to William Rosengreen for the opening of a street from Murray street to Child street, over and above the amount of his assessment therefor, has expired, and he has a right of action against the city therefor. I would, therefore, respectfully recommend that the City Treasurer be directed to make a note for \$1,117.60, being the amount necessary for the payment of said awards, over and above the amount in his hands, as stated in the accompanying resolution, so as to pay said awards. Respectfully yours,

HENRY J. SULLIVAN,

First Assistant City Attorney.

Ordered received, filed and published.

By Alderman Kelly—Whereas to pay for the lands necessary for the purposes of the Boulevard extension, and the opening of a street from Murray street to Childs street, it becomes necessary, under section 181 of the city charter, that the city's note should be made for the amount and the proceeds be credited as hereinafter specified, it is therefore

Resolved, That the City Treasurer be and he is hereby directed and authorized to make the city's note for one thousand one hundred and seventeen dollars and sixty cents, (\$1,117.60), under the authority of said section 181; said note to be discounted under the direction of the Finance Committee, and to be countersigned by the chairman of said committee, and the discount thereon to be charged to the Contingent Fund, and that the said Treasurer credit and apply the proceeds of said note as follows:

The sum of eight hundred and seventeen dollars and sixty cents, (\$817.60), to the Boulevard extension under Final ordinance No. 4,100, and the balance, or three hundred dollars, to the opening of a street from Murray street to Childs street, under Final Ordinance No. 3,827.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Ald. Cleveland—

To the Finance Committee of the Common Council:

GENTLEMEN—I have to report that I have made the usual careful examination of the city treasurer's books and accounts for the month of March, and, also, for the several days in April, during which the late treasurer performed the duties of the office, awaiting his successor's assumption of the same.

To be a little more explicit, in this closing report, I may state that I have, during the past twelve months, examined all matters appertaining to the business of the treasurer's office, from the morning of March 6, 1890, when Mr. Fleckenstein took charge of its duties and responsibilities, to the morning of April 7th inst. when his duties, etc., ceased, and all the funds in hand or

in banks were turned over to the custody and charge of his successor, Mr. Williams, and were duly receipted for by him—all being found to be in amounts exactly as called for by the ledger balances.

A trial balance brought down to date last named, which I have carefully examined, proves the accuracy of the books, all the items being correct transcripts from the same.

Since my last monthly report the Council has been presented with the Treasurer's report for the fiscal year, ending March 24, 1891. From recent and previous examinations of the contents of this report, I unreservedly affirm that, in every respect, it can be relied upon as strictly accurate.

I have also examined the Treasurer's annual report, in regard to the condition and general affairs of Mt. Hope Cemetery, and I find that all the accounts have been properly and accurately kept, and that the funds have been disposed of strictly in accordance with law, and, evidently, a just regard to the interests to be conserved and promoted.

The following brief, financial statement shows a very satisfactory condition of affairs in regard to this important trust:

March 9, 1891—Balance in General Fund..	\$23,733 30
Balance in Repair and Sinking Fund.....	27,951 01
Balance in Perpetual Contracts Fund.....	14,598 77
Total.....	\$66,283 08
Receipts over expenditures for the fiscal year.....	\$10,077 14

Before concluding this report I deem it not inappropriate to refer to a matter connected with city finances, which, although outside of the duties pertaining to an examiner of the City Treasurer's accounts, has yet sufficient general interest to be worth referring to at least.

Any one in scanning the City Treasurer's trial balances for the present year, for example, will find among the credit items this entry: "Genesee Valley R. R. Loan, Sinking fund, \$72,201.57." On the debit side it will be seen that that sum is deposited in city savings banks. Turning next to a "Recapitulation by Loans of the Bonded Debt" a foot note will be found to the effect that the Genesee Valley Railroad loan is provided for by excess of receipts from lease to the Erie Railway Company, (or N. Y. L. E. & W. R. R.) after interest on the loan is paid. This part, in substantially the same form, has been furnished in various public papers for many years past, but this is all the information which the public can gather from any official publication, I have been able to find, in reference to any particulars about the said lease or in what condition will be the sinking fund when the last bond, (or bonds,) \$72,000, due in 1903, is paid. We simply have the assurance that the payment of the bonds is "provided for."

A careful calculation, however, will disclose the fact, that these bonds are much more than simply "provided for," for the whole of the present amount of the fund, \$72,201.57, might be withdrawn from the banks and used at the discretion of the Council for any purpose of expenditure authorized by the charter; and by continuing to deposit the net receipts from the railroad title, 1903, there would be sufficient in the sinking fund to pay the \$72,000, the last of the bonds, and leave a surplus of \$36,766.60. In the event that the fund remains as now, and is managed as in the past, then the result would be that after payment of the bonds named—that is, all the G. V. R. R. bonds—there would be a remaining surplus of \$152,898.28.

It may be well to state here, that the city is receiving from the "Erie" Railway Company \$18,000 per annum, payable semi-annually, and that from this amount the interest on the outstanding bonds (January 1, 1890 \$116,000) is paid; also \$4,000 per annum in liquidation of bonds, and the balance is placed in the sinking fund.

It will be observed above that in the contract with the "Erie" or New York, Lake Erie & Western railroad, whatever that may be, of which more hereafter, that the word "lease" is used, but as this term is generally understood it is a misnomer, as I have good reason to believe. It is a contract, in some form, by which the railway company bound itself to pay 6 per cent. per annum, semi-annually, on the city's Genesee Valley railroad stock of \$300,000, and is binding on the parties to the contract for ninety-nine years from the date of its execution. This fact I learn from two of the surviving members of the gentlemen, Samuel Wilder and John H. Brewster, who negotiated the contract. But more than this, in any definite form, these gentlemen have no distinct recollection, and it is a singular fact that nowhere in the published Common Council proceedings have I been able to find any record of this particular and final transaction.

During the fiscal year of 1870-71 especially, we find resolutions and resolutions, drafts of contracts proposed, vetoes, references to enabling acts granting to the city the right to sell or negotiate its interests in the Genesee Valley Railroad stock, but nothing whatever in this or subsequent years, to give any definite idea of what the final (and existing) contract really was and is, as to particulars in detail.

In the Common Council proceedings of 1875-76, a resolution was passed for the appointing of a committee to ascertain where the Genesee Valley Railroad stock was, as "no one knew." The committee was appointed, but its report is not to be found; but attached to the City Treasurer's report of that year is this memorandum in a "schedule of securities, etc., belonging to the city and in the Treasurer's office": "Certificate of 3,000 shares of Genesee Valley Railroad stock at \$100 each, and papers relating thereto. The certificate in the Mayor's possession." Presumably this stock may be now in the Mayor's safe, and the "papers relating thereto," but nothing has been published in recent years, to my recollection, to confirm this supposition.

On application to the Mayor to inspect the safe, in reference to this particular matter, his consent was freely granted, but, unfortunately for the object, the keys have been mislaid, and that search had to be postponed. It may be that the "papers relating thereto" above mentioned, contain the information which has thus far, apparently, never been published in the city's records.

In conclusion I would respectfully suggest that the Council should, by a committee or otherwise, endeavor to get at fuller facts in this matter, and have the report of the findings in the case published in its proceedings, so that hereafter we and our successors may know where to find a reliable statement in relation to an important city interest. Respectfully submitted,

JOHN BOWER.

April 28th, 1890.

Alderman Cleveland moved that the communication be referred to a committee of five, to investigate the subject and report back to this Board at its earliest convenience.

ACTION ON ORDINANCES.

FIRST ORDINANCE.

BAY STREET-MEDINA PAVEMENT.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Bay street.

Adopted.

The Surveyor submitted as such estimate, \$75,000.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The improvement of Bay street from North avenue to the southeast corner of Bay street and Webster avenue, by constructing a Medina stone pavement therein with a line of Medina stone curb and gutter on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of main roadway between

curbs to be thirty-two feet. Also the reconstruction and deepening of the present stone sewer in Bay street, from a point 120 feet east of the center of Miller street to the west end of the sewer in Bay street, at a point about sixty feet west of First street. Also the construction of a vitrified pipe sewer fifteen inches in diameter in Bay street from a point sixty feet west of the southwest corner of Bay street and Webster avenue, to the east end of the present sewer in Bay street. Also the cleaning of the main sewers in the street, if found necessary, and the construction of the necessary crosswalks, surface sewers, lot laterals, manholes, water and gas services.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$75,000, which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz :

One tier of lots and parcels of lands on each side of Bay street from North avenue to a point opposite the southeast corner of Bay street and Webster avenue, in proportion to the benefit which each will derive therefrom.

REPORTS OF STANDING COMMITTEES.

Ald. Tracy, from the Police Committee, Ald. Callihan, from the City Property Committee, Ald. Zimmer, from the Contingent Expense Committee, Ald. Shelter, from the Poor Committee, reported in favor of the various bills referred to their respective committees and referred them to the Finance Committee for payment.

By Ald. Cook—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your Assessment Committee begs leave to submit the following as its report: Hannah S. Howland was assessed \$4.40 for the Goodman street stone sewer, under Final Ordinance No. 2,993, upon her lot No. 5, on the north side of Park avenue, which was paid by her with her city taxes in August, 1890. It appears that she does not use this outlet, and the tax, having been paid, should be refunded.

John W. Cook was assessed the sum of \$1.32 against lot No. 7, on the north side of Park avenue, for the same sewer, which he paid with his city taxes in July, 1890, and in view of the fact that he does not use this outlet, the amount paid by him should be refunded.

John W. Cook was assessed upon his property on Park avenue the sum of 5 cents for the same sewer, and in view of the fact that he does not use this outlet, the assessment should be cancelled, and the amount charged to erroneous assessments.

John W. Cook was assessed fifty-seven cents upon his lot No. 7, on the north side of Park avenue, for the Central avenue bridge, which he paid in his city taxes of 1889. He now asks that the same be refunded, but, in view of the fact that your Committee believes that the assessment is just, the application should be denied.

The Spencer-Ripley Memorial Methodist Episcopal Church of Rochester, New York, was taxed the sum of \$5.90 tax; \$1.20 water frontage tax, and six per cent. for fees for waiting, upon its lot, No. 26 Goodman street, corner of Emma street, in the Hayward triangular tract, assessed against it by its then corporate name: The Central Park Methodist Episcopal Church, and paid said tax, fees, etc., on December 31st, 1890. Prior to the assessment of 1890, the church began the erection of its edifice, but did not complete the same until after said tax of 1890 became due and payable. Your Committee, however, under the circumstances, believes that justice will be promoted by returning to the petitioner the amount thus paid by it, viz: seven dollars and fifty-two cents.

Julius H. Winteroth's application to have cancelled an assessment, each payment being \$68.58, against his lot 16, on the east side of Ackerman street, under Final Ordinance No. 3,797, for the Bay and Ackerman streets, Webster avenue and Meig Park sewer, should be denied, for the reason that your Committee believes that his property will be duly benefitted by the sewer.

James O'Brien and wife's application to have cancelled an assessment against their lot, No. 15, on the west side of Childs alley, amounting to \$84, for the Caledonia avenue and Atkinson street sewer, should be denied, for the reason that the assessment is for outlet purposes only, and their property will, eventually, be drained into said sewer.

The Second Baptist Church petition to be permitted to pay an assessment against its property on North avenue for the North Avenue Medina stone improvement, under Ordinance No. 2,550, with arrearages of interest only to the time when the last payment of the assessment became due, which, by reason of its non-payment, was sold on March 29, 1890, the amount then being \$1,101.39, should be denied, except that said church should be permitted to pay said assessment, and water tax added, as it appeared at the time of said sale, with interest thereon from the date of such sale, at the rate of 6 per cent. per annum, to the date when said payment shall be made, providing such payment be made within four months from this date.

William Kneale's application, either to have the assessment for the Averill avenue Medina stone improvement, under Final Ordinance, No. 4,049, each of the three payments of which being \$215.97, against his property, known as lots Nos. 19 and 20, on said Averill avenue, at the corner of Whalen street, canceled, or that the city convey to him a large portion or strip of land, which, he claims to exist between the front line of his premises and the line of Averill avenue at a point above Whalen street, provided it were extended down to and in front of his said premises, should be denied, for the reason that the extra width of the street in front of his property is clearly a benefit to his property, avoiding dust, and affording first-class lawn privileges. In fact, it is considered that lot No. 19, on the corner of Whalen street, by virtue of this broad grass plot in front of it, aside from its position as a corner lot, is worth more than adjoining lots, and in this recommendation the City Surveyor and Assessors concur.

The application of many of the persons assessed for the North St. Paul street asphalt improvement, under Final Ordinance, No. 4,086, to have paid by the city at large, the cost of the construction of a retaining wall and walk opposite or nearly opposite Scranton street, and a large portion of the assessment, deducted from the cost of the improvement, should be denied, as it clearly appears that the wall and

walk was petitioned for by the persons that have been assessed, and, second, that the assessments made by the assessors upon the land complained of were right and proper, for the reason that a large portion of the land has no depth whatever to it, and the assessment roll for said improvement, now before your honorable body, as reported by the assessors, be, in all things confirmed.

The petition of the Hawthorn Terrace Association to have refunded to it \$153, being a portion of the moneys realized upon the sale of the buildings taken for the opening of a street from Chili avenue to the lands of J. M. Southwick, which was assessed against the association, which monies suddenly disappeared from the City Treasurers office, should be referred to the Law Committee, as, in the opinion of your committee, the questions involved are legal ones, and proper for the consideration of the Law Committee.

All of which is respectfully submitted.

Dated May 3, 1891.

HENRY G. COOK,
HENRY SHELTER,
JULIUS WURTZ,
J. MILLER KELLY,
Assessment Committee.

Ald. Rauber moved that that part of the report relating to the North St. Paul street asphalt improvement be stricken from the report and that a special committee of five be appointed to give the tax payers interested in the improvement a hearing, said Special Committee to report at the next meeting of the Common Council.

Adopted.

By Ald. Cook—Resolved, That the clerk draw orders upon the treasurer, payable from the contingent fund, as follows:

- One in favor of Hannah S. Howland for \$4.40.
- One in favor of John W. Cook for \$1.32, and
- One in favor of the Spencer Ripley Memorial Methodist Episcopal Church of Rochester, New York, for \$7.52.

Adopted by the following vote:

Ayes—Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—16.

By Ald. Cook—Resolved, That the Treasurer be, and he hereby is, directed to cancel an assessment of five cents against John W. Cook, upon and against his property on Park avenue, for the construction of the Goodman street stone sewer, above mentioned, and that he charge the same to erroneous assessments.

By Ald. Cook—Resolved, That the several petitions of John W. Cook, in relation to the Central avenue bridge assessment; Julius H. Winteroth, James O'Brien and wife, William Kneale, mentioned in the foregoing report of the Assessment Committee, be, and the same and each of them are, in all things, denied.

By Ald. Cook—Resolved, That the treasurer be and he hereby is, directed to receive from the Second Baptist Church the amount of the foregoing mentioned North Avenue Medina Stone Improvement Assessment against it, as it appeared at the time of the aforesaid mentioned sale, with interest thereon from that date to the date of payment, at the rate of 6 per cent. per annum, provided such payment be made within four months from this date.

By Ald. Cook—Resolved, That the above mentioned application of the Hawthorn Terrace Association be and the same is hereby referred to the law committee of this Common Council to examine and report thereon.

REPORTS OF SELECT COMMITTEES.

By Ald. Shelter—

To the Honorable, the Common Council of the City of Rochester :

GENTLEMEN:—Your Select Committee, appointed April 21st, to investigate the condition of the extension of Exchange street, southward from Clarissa street, visited the locality in question on Friday, May 1st.

Since the land covered by the street was obtained by the city, the W. N. Y. & P. R'y Co. has constructed a good and substantial iron highway bridge across their tracks in the line of the street. At a point about one hundred feet north of the bridge, a track has been laid crossing the street obliquely, running into the lumber yard of J. H. Foley & Co., on the westerly or northerly side of the street, and the track, being on a grade, renders the use of the street by the public dangerous. On the east side of the street, the Delaware & Lackawanna Coal Company transact a wholesale coal business, and, as their only outlet from their yard is into this portion of the street, it is advisable that the grade of the street be kept within such limits as will allow said company to have free ingress and egress. On the west or north side of the street, a lumber business is transacted by Messrs. Foley & Co., their goods being received via the Western New York & Pennsylvania Railway Company and the New York, Lake Erie & Western Railway Company, the latter using said track crossing said street, as aforesaid. This railroad crossing in our opinion, should be abandoned and removed from the street, as its location and direction renders it extremely objectionable and dangerous to the traveling public.

On July 11, 1888, the Delaware & Hudson Canal Company, then being the owners of the land covered by the street, entered into a contract with the city to convey said land to the city, within four months after the confirmation of the assessment roll for the street opening or extension, which was recorded in the Monroe County Clerk's office on July 23, 1888, in Liber 435 of Deeds at page 492 and such deed of conveyance was given by said company to the city, which was recorded in said County Clerk's office on December 20, 1888, in Liber 447 of Deeds at page 280. On August 1, 1888, a portion of the company's lands, lying west and northerly of said street, and bounded by the street line, was conveyed by said company to John H. Foley, of the firm of said Foley & Co., and in the last mentioned deed was a direct reference to the rights of the city under said contract, and an agreement on the part of the grantee to pay, as part of the consideration therefor, the assessment that the city might make for said street opening against the said lands conveyed abutting upon the street, which deed was recorded in said Clerk's office on January 13, 1890, in Liber 464 of Deeds, at page 158, so that it clearly appears that Messrs. Foley & Co. had full notice of the contemplated, and subsequently acquired, rights of the city in and to the lands embraced within the street line aforesaid. While recognizing fully the advantage said crossing is for business purposes, and in no manner wishing to unduly deprive citizens of their legitimate business facilities, yet, in our opinion, the general public demand that this crossing be removed.

Your Committee might further remark, that it has ascertained that this branch can be removed and connected with the Western New York & Pennsylvania Railway at some point south of the railroad bridge, thereby giving nearly equal facilities for business to Messrs. Foley & Co., and at but slight increase in the cost thereof.

Your Committee, therefore, recommends that said railroad track, crossing said street at grade aforesaid, be immediately removed, and hereafter prohibited from occupying any portion of the street; that the City Surveyor be directed to prepare an ordinance for the grading of said street, between the railroad and Clarissa street,

and the construction of a pine plank walk, except where crosswalks are needed, on each side of the street, between the limits above mentioned; that the grade of the center line of the street, at a point opposite the north line of Messrs. Foley & Co.'s planing mill, be one foot above the top of the quarried stone foundation wall at the northeast corner of said building, and at the north end of the plank roadway leading from the Delaware & Lackawanna coal yard into the street, the said grade be about three feet above said plank roadway, and for the above purposes, your committee recommends the adoption by your honorable body of the accompanying resolution.

All of which is respectfully submitted,
 HENRY SHELTER,
 JULIUS WURTZ,
 F. McMILLAN,
 OSCAR H. PEACOCK,
 City Surveyor,
 Special Committee.

Ordered received, filed and published.

By Ald. Shelter—Resolved, That the Executive Board be, and hereby is respectfully requested to immediately remove the above mentioned track, crossing Exchange street, at the point above mentioned, and that no further track of any railroad shall cross said Exchange street at any point between the Western New York & Pennsylvania Railroad and Clarissa street at any time hereafter, and that the City Surveyor be, and he hereby is, requested to immediately prepare, and present to this Board for adoption, an ordinance for the grading of said street and the construction of a walk, as aforesaid.

Adopted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
 ROCHESTER, N. Y., May 4, 1891. }

To the Common Council:

GENTLEMEN—The Executive Board requested Henry Almeroth and August Pappert to state the amount of money they would accept for the easement across their lots for the purpose of constructing an outlet for Caroline street sewer into Henrietta avenue sewer.

The gentlemen named above appeared and gave no price for the privilege proposed, but maintained that the capacity of the outlet sewer was insufficient to take the additional amount of sewage and storm water which the Caroline street sewer would discharge into it, and therefore declined to make any proposition.

It will, in consequence, be necessary to appoint a commission to condemn the right of way if this sewer is to be constructed.

Respectfully,

THOMAS J. NEVILLE, Clerk.

CITY CLERK'S OFFICE,
 ROCHESTER, N. Y., May 5, 1891. }

To the Honorable, the Common Council:

GENTLEMEN—At a special meeting of the Board of Health, held April 30, 1891, the following resolutions were unanimously adopted:

BOARD OF HEALTH,
 ROCHESTER, N. Y., April 30, 1891. }

To the Honorable, the Common Council:

This board would respectfully represent, that during the past ten or more years, complaints from various points in the Second and Eighth wards have been made to this board, and to other departments, of offensive and deleterious odors prevailing or appearing in said parts of the city.

That, in that time, several investigations to ascertain the cause were made by proper authorities, but without result.

That, in the month of March last, these complaints were referred to this Board by the Executive Board, for investigation, and action, to abate the nuisance, if found to exist. And,

thereupon, your Honorable body appropriated the sum of \$300 to this Board, upon its request, to pay the expenses attending such investigation.

This Board proceeded, at once, with the investigation to a satisfactory conclusion. That, as a result of such inspection and examination, we find that one cause emanates from the so-called Trowbridge street sewer. Said sewer, according to the findings of the investigation, is a disused sewer, no longer required for public or private use. That said sewer is so filled and surcharged with gas and refuse, including "spent naphtha," or other products of gas material, the accumulation of several years, that the nuisance emanating from it, can only be abated by the removal and entire obliteration of said sewer.

Therefore, this board respectfully recommends that said sewer be removed and obliterated, according to the accompanying resolution adopted by this board, declaring said sewer to be a nuisance, by reason of its being detrimental to the public health.

COMMISSIONER J. A. BEGLER,
 COMMISSIONER TIMOTHY DERRICK.

By Commissioner Begler:

Resolved, That the remaining portion of the so-called Trowbridge street sewer, and which is connected with the Canal street sewer, be and is hereby declared to be a nuisance which is a menace to the public health, according to the findings of an investigation of this board.

That the Common Council be respectfully requested to order said nuisance to be abated, by the removal and obliteration of said sewer, according to the accompanying recommendations made by this board.

Commissioner Hoyt moved that the foregoing resolutions be transmitted to the Common Council.

Adopted.

To the Common Council :

GENTLEMEN—At a regular session of the Board of Education held May 4, 1891 the following report and estimate were adopted and are hereby certified to you. Respectfully,

MILTON NOYES,
Clerk pro tem.

Commissioner Rockway, Chairman of the Finance Committee, presented the following:

To the Board of Education :

GENTLEMEN—Pursuant to the provisions of your rules your Finance Committee hereby submits for your action the following as the necessary estimates of money to be raised for the support of the public schools for the current fiscal year ending March 31, 1892.

The several committees having expenditure of funds have given in detail the items comprising this summary. We shall require all these amounts in the ordinary and economical operation of the schools. The total amount asked for is less than that of last year, notwithstanding the increase in attendance of pupils. We have taken into consideration the balance now on hand; the amounts which will probably be received from the state for teachers' wages; supervision and library purposes, and from tuition fees. The following amounts are required from the city :

Building fund, by charter.....	\$ 50,000	
Building fund, special act.....	40,000	
Repair fund, by charter.....	15,000	
Teachers' fund.....	186,760	
Contingent fund, viz:		
Supply fund.....	\$22,500	
Printing.....	2,500	
Free Academy.....	2,000	
Salaries.....	32,000	
Fuel and fire fixtures.....	31,000	
Miscellaneous fund.....	2,550	
Text books.....	2,450	95,000

Total..... \$386,760

Annexed hereto is the statement of enrolled pupils:

We therefore offer the following:

Resolved, That this Board does hereby determine and certify to the Common Council that the foregoing sums aggregating \$386,760, are necessary and proper to be raised for the several purposes above mentioned in support of the public schools of this city during the ensuing year. Respectfully submitted this 4th day of May, 1891.

H. J. BROCKWAY,
D. W. FORSYTH,
J. E. DURAND,
M. NOYES,
Finance Committee.

Following is the sworn statement of the number of enrolled pupils required by the provisions of the City Charter:

STATE OF NEW YORK, }

Nays—Ald. Shelter.

Ald. Rauber moved that the Surveyor prepare an ordinance for the improvement of Conkey avenue with a Trinidad asphalt pavement.

Adopted.

By Ald. McMillan—

FLOUR CITY NATIONAL BANK,
ROCHESTER, N. Y., May 5, 1891. }

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Section 113 of the revised City Charter provides that: "The Council shall always have the right to change the city deposit from any bank or banks to any other," and, the contracts which have been made in May or June for the past few years by each new board have always specifically reserved that right by appointing certain banks to be the depositaries of

the city's funds. "Except of such as are, or may hereafter be otherwise directed or required to be deposited." Thus the right and duty of each Council to designate its own bank of deposit is positive.

The Flour City National Bank hereby offers to pay 4 per cent. interest for any or all of the city money which may be deposited with it for the current year, with the usual bond and contract.

Very respectfully yours,

H. B. HATHAWAY,
President.

Referred to the Finance and Law Committees.

By Ald. Lewis:

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., May 19, 1891.

To the Honorable Common Council,

GENTLEMEN—At a meeting of the Board of Health, held May 14, 1891, the following report and resolution were adopted:

By Commissioner Hoyt:

ROCHESTER, May 13, 1891.

To the Honorable, the Board of Health of the City of Rochester:

GENTLEMEN—The Committee appointed to examine the outlet of the Deep Hollow Open Sewer has completed its labors, and respectfully presents the following report:

We find the water at present flowing through Deep Hollow polluted with a large amount of sewage; it is considerably colored by the filth it holds in suspension, and is characterized by an exceedingly offensive odor, notwithstanding the free dilution that it has at this season from the large amount of rain water drainage which flows through the Hollow. In the dry months of summer and autumn this flow would be of an entirely different character. At such times the sewage comes down the Hollow in a much more concentrated form and is then correspondingly pericious in its character. Your Committee, standing at a considerable distance from the stream, were made very uncomfortable during their examination by the sickening stench pervading the air of the entire neighborhood. The outlet of this stream flows directly under the large furniture factory of Hayden & Crouch. In this factory at present, one hundred and fifty men are employed. It is evident from inspection, that the close proximity of this large open sewer is a serious menace to the health of all employed in this establishment. At times the odor from the current of filth flowing toward the building, and under, is quite overpowering, and the results are said to be apparent at all times in the great amount of sickness which has prevailed among the workmen in the factory.

The condition of things, at present existing should no longer be allowed to continue. Your committee, therefore, respectfully insist that it is the duty of the Board of Health to declare the present condition of Deep Hollow at and near its outlet, a public nuisance. In view of the fact that there is no prospect of the construction of a closed sewer through Deep Hollow for some time

to come, it becomes necessary for the Board to take measures for abating this nuisance temporarily. We recommend, therefore, that the Common Council be requested to construct in a temporary form, a short length of closed sewer near the outlet of Deep Hollow, some two hundred feet long. This may be made of iron pipe somewhere about fifteen inches in diameter, terminating at a point near the river bank, and beginning at a distance of some two hundred feet above the furniture factory, in the bed of the present stream. It will be necessary, of course, to construct a small temporary dam of light timber work at this point, in order to collect the water and send it through the iron pipe. At the point where the proposed temporary sewer runs under the building, there might be constructed a swinging water gate, so that in times of flood relief would be given to the overflow, in case the small sewer should be taxed beyond its capacity.

Respectfully submitted,
WILLIAM E. HOYT,
M. KONDOLF,
 Special Committee.

Adopted.

By Com. Hoyt—Resolved, That the lower portion of Deep Hollow, so-called, in the City of Rochester, is kept and maintained in such a condition as to be detrimental to public health, and, further, Resolved, That said condition of said premises be, and the same hereby is, declared to be a public nuisance, and the Common Council of the City of Rochester is hereby requested to take such measures as will result in the abatement of such nuisance, in accordance with the recommendations of the Board of Health of said city. The health officer of the City of Rochester is hereby directed to cause a copy of this resolution to be presented to the Common Council of the City of Rochester at its next regular meeting.

Adopted.
 I hereby certify the foregoing to be a true copy from the minutes.

PETER SHERIDAN,
 Clerk Board of Health.

By Ald. Lewis:

ROCHESTER, N. Y., May 15, 1891.

To the Honorable, the Common Council of the City of Rochester:

The undersigned, a Committee appointed by the Rochester Historical Society, respectfully state:

That the stones forming the bases of the two lamp posts in front of the City Hall are credibly believed to be the mill stones used by the first resident of Rochester west of the river in or about the year 1789, and therefore are valuable relics of the early occupation of this locality. In their present positions they are liable to damage and destruction, not only by the elements, but by heedless persons.

At the instance of the Rochester Historical Society, we respectfully request that these stones be removed from their present positions and be placed under the care of said Society in order that they may be preserved under better conditions. Very respectfully,

HOWARD L. OSGOOD,
C. R. PARSONS.

Ordered received, filed and published

By Ald. Caliban—Resolved, That the communication from Messrs. Osgood and Parsons, a committee representing the Rochester Historical Society, be, and the same is hereby referred to the City Property Committee of the Common Council, and that is hereby authorized to substitute new bases for the lamp posts in question, and to deliver the said mill stones to the Historical Society aforesaid.

And further be it Resolved, that if it is desired permission is hereby given to the Rochester Historical Society to place the said mill stones temporarily in the lower hall of this building.

Adopted.

Ald. Lewis, from the Special Committee on University avenue bridge crossing, moved that a sub-committee of the Special Committee be authorized to go to New York to continue the negotiations with the railroad officials.

Adopted.

By Ald. Lewis—Petition of Ellen R. Elsheimer in relation to erroneous assessments. Referred

to the Assessment Committee. The Chair handed down the following committee on Clinton Park widening:

Ald. Zimmer, Cook, Lewis, Cleveland, Fox, Lempert and Tracy.

On motion the Board then adjourned.

PETER SHERIDAN, Clerk.

In Common Council—May 26th, 1891.

By Ald. Bohrer petition for an asphalt pavement on Grove street. Referred to the Surveyor to prepare an ordinance.

By Ald. Bohrer—

ROCHESTER, May 21, 1891.

To the Common Council of Rochester, N. Y.:

GENTLEMEN: I have the honor to transmit herewith a copy of the resolutions this date unanimously adopted by the Committee on erection of a soldiers' and Sailors' Memorial Monument in this city, of which this Committee ask due consideration by your Honorable Body.

Respectfully,

CHARLES S. BAKER, Secretary.

At a meeting of the committee on erection of a Soldiers and Sailors Memorial Monument, held at

the city of Rochester May 21, 1891, present General J. A. Reynolds, Chairman, and a majority of the committee, the following proceedings were had:

By Dr. Hovey—Resolved, That the Soldiers and Sailors Memorial Monument Committee hereby accept the proffer of the Common Council, made at a former meeting thereof, granting leave to this committee to erect the proposed monument in any one of the public squares of the city, and hereby accept and designate Washington Square for such purpose. Resolved, That the secretary of this committee communicate a copy of this resolution to the Common Council.

Adopted unanimously.

CHARLES S. BAKER, Secretary.

Ordered received, filed and published.

By Ald. Bohrer—

The Common Council having received from the Soldiers and Sailors Memorial Monument Committee formal notice of the selection of Washington Square as the site for the proposed monument, therefore, resolved, that such selection be and the same is hereby ratified and confirmed and the said committee is hereby granted the privilege and occupation of said square for the purpose aforesaid. Resolved, further, that the committee on public parks be and are hereby authorized and empowered to co-operate with the Monument Committee, and to make any and all necessary rearrangement of walks, etc., through said square, with full power in the premises.

Ald. Bohrer moved that the communication and resolution be referred to the Park Committee to report at the next meeting.

Adopted.

By Ald. Lewis—Petitions for sewer in Bay street and walk on Adwin street. Referred to the surveyor to prepare ordinances.

REPORTS OF STANDING COMMITTEES.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
 ROCHESTER, May 26, 1891.

To the Common Council:

GENTLEMEN—The Executive Board called your attention last year to the evident necessity existing for the removal of the unused or "dead" lamp posts, which are unsightly and not ornamental, and they serve only as a convenience for hanging signs and miscellaneous permanent and transient advertisements upon them.

The Executive Board is striving to keep the streets clean, free and clear from obstructions; and valuable assistance in this direction can be rendered by your honorable body requesting the Lamp Committee of your board to remove, as soon as practicable, the lamp posts, especially in the main streets; and, inasmuch as there is no immediate prospect of a return to the use of gas for lighting streets, their brilliant usefulness has fallen into *innocuous desuetude*, or, in other words, and perhaps more appropriate, meaning a gross nuisance.

Respectfully,
 THOMAS J. NEVILLE, Clerk.
 Referred to the Lamp Committee.

By the Clerk—

BOARD OF SUPERVISORS,
ROCHESTER, N. Y., May 22, 1891. }

Peter Sheridan, City Clerk:

SIR: I have the honor to transmit to you the following resolution, passed by the Board of Supervisors, at a special meeting held May 21, 1891:

ELECTRIC LIGHTS FOR SOUTH AVENUE.

By Sup. Remington—

Whereas, The county buildings formerly situated in the town of Brighton have recently been taken into the City of Rochester by an act of the Legislature; and

Whereas, South avenue from Highland avenue to Elmwood avenue, opposite the county buildings, is entirely unlighted either by oil, gas or electric lights, although there is great necessity that the same be properly lighted; therefore, be it Resolved, That the Common Council of the City of Rochester be and hereby is respectfully requested to provide electric lights for South avenue from Highland avenue to the city line.

Resolved, That the Clerk of this Board furnish the Clerk of the Common Council with a certified copy of this resolution.

Adopted.

STATE OF NEW YORK,
COUNTY OF MONROE, } ss.
OFFICE CLERK BOARD SUPERVISORS. }

I have compared the preceding with the original thereof on file in this office, and hereby certify that the same is a correct transcript therefrom, and of the whole of said original.

CHARLES U. BASTABLE, Clerk.

Referred to the Lamp Committee.

ACTION ON ORDINANCES.

FIRST ORDINANCE.

CONKEY AVENUE ASPHALT IMPROVEMENT.

By Alderman Wurtz, Resolved, That the City Surveyor ascertain and report to this council the expense of improving Conkey avenue.

Adopted.

The Surveyor submitted as such estimate, \$32,000.

By Ald. Wurtz, Resolved, That the following improvement is necessary, viz:

The improvement of Conkey avenue from Scramton street to Avenue D, by the construction of an asphalt pavement therein with a line of Medina stone curb on each side thereof, properly connected with all lateral streets, alleys and driveways; width of main roadway between curbs to be 26 feet. Also the construction of the necessary crosswalks, crosswalk extensions, surface sewers, manholes, lot laterals, water and gas services, the cleaning of the main sewers and the construction of new when necessary. Also the construction of a Portland cement walk five feet in width, on each side of the street, between the limits mentioned, except where good flag or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$32,000, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Conkey avenue from Scramton street to Avenue D, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Wurtz—Resolved, That all persons interested in the subject, matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this, or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Coun-

cil at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7 o'clock P. M., at the Common Council chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser, notice thereof as is required and in the manner specified by section 172 of the city charter as it was amended in 1890.

Adopted.

FINAL ORDINANCES.

FINAL ORDINANCE NO. 4453.

ARLINGTON STREET IMPROVEMENT.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the Improvement described in the following ordinance, viz:

An ordinance to improve Arlington street, from University avenue to Anderson avenue. And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made to wit:

The improvement of Arlington street, from University avenue to Anderson avenue, by constructing an asphalt pavement therein, with a Medina stone curb on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of main roadway to be 26 feet. Also the construction of the necessary crosswalks, surface sewers, lot laterals, water and gas services. Also the construction of a Portland cement walk, 5 feet in width on each side of the street, between the limits mentioned, except where good flag stone walks at least 4 feet in width in one course now exist, which walks shall be relaid, if not conforming to the proper grade and alignment.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$7,800, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit: One tier of lots and parcels of land on each side of Arlington street from University avenue to Anderson avenue.

Adopted by the following vote:

Referred to the Lamp Committee.

Ald. McMillan in the chair.

By Ald. Cleveland—Resolved, That the City Surveyor be and is hereby instructed to set stakes for grades of curb and gutter on Meigs street from Broadway to the bridge.

Adopted.

Ald. Cleveland presented a petition of the owners of more than one-half of the number of lineal feet front of all the land on Arnold Park requesting this Common Council to levy a tax of 25 cents per lineal foot, upon all such lands, so on such park, for the purpose of defraying the expenses of making the repairs and improvements of such park, according to the provisions of chapter 96 of the laws of 1880, as amended by chapter 410 of the laws of 1889, and assigning George D. Olds, of this city, to receive the amount of said tax, when collected, and thereupon moved the adoption of the following resolution:

By Ald. Cleveland—Resolved, That the City Assessors be, and they hereby are, directed to assess, and that there be assessed and levied a tax of 25 cents per lineal foot front, upon all the land upon said Arnold Park, and that the same be inserted in the assessment rolls of such lands for the general city tax for 1891-1892, and be apportioned equally upon all the lands, so on such park, and that the City Treasurer be, and he hereby is, directed to pay the sums, thus assessed, when collected by him, to said George D. Olds, of Rochester, N. Y., he being the person designated to receive the same by such owners, and that the Clerk be, and he hereby is, directed to transmit to said Assessors and Treasurer a certified copy of this resolution.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Lewis.—13

By Ald. Cleveland—Petition of Mercy Ann Jeffrey in relation to erroneous assessments. Referred to the Assessment Committee.

By Ald. Cleveland—

To the Common Council of the City of Rochester:

GENTLEMEN: The undersigned asks permission to construct a glass and iron roof over the sidewalk at the Main street entrance to his art gallery, with iron columns to support same at curbstone. Said roof to be finished with iron cornice and ballustrade as shown on the accompanying design, the length not to exceed fourteen feet outside the columns.

Respectfully,

D W. POWERS.

Ald. Cleveland moved that permission be granted. Adopted.

ROCHESTER GAS COMPANY,
ROCHESTER, N. Y., May 25, 1891.

To the Honorable Common Council:

GENTLEMEN—The adoption of asphalt, Brick and Vulcanite pavements throughout the city becoming frequent, the difficulty and expense of laying gas, lateral or service pipes, after the completion of such improvements, is greatly increased. Moreover, the tearing up of such pavements for any purpose, greatly disfigures them, it being practically impossible to repair them so that their defacement will not show.

As lot owners are very dilatory in ordering services in advance of the improvements, we respectfully submit, whether for the protection of such pavements it would not be well to have ordinances embrace the laying and cost of these laterals to the curb.

Under such conditions the gas company will lay them at cost, and allow the lot owners the amount so paid, if at some future time the service is extended into the premises.

Very respectfully,

W. L. COLE, Manager.

Ald. Lewis moved that the communication be referred to the Lamp Committee with instructions to report back at the next meeting.

Adopted.

By Ald. Lewis—Petition to dedicate Rodenbeck Park. Referred to the Executive Board to report.

By Ald. Lewis—

Whereas, No agreement for the purchase of lands necessary to be taken for the construction of a vitrified pipe sewer twelve inches in diameter in Caroline street, from a point sixty-three feet easterly from Pinnacle avenue, to a point near the easterly end of said Caroline street; thence easterly, to, and across, private lands, supposed to be owned by Henry Almeroth and August Pappert, on a line parallel with, and about twenty-two feet northerly from the south line of the lands proposed to be crossed by said sewer, and in said line continued easterly, to the center of what is known as Pappert park or place; thence northerly, in said Pappert park or place, to the sewer in Henrietta avenue, in the city of Rochester, under Final Ordinance No. 4356 can be made; therefore,

Resolved, That a copy of said ordinance, and of this resolution, together with a map of the said

right of way and easement and sewer be made and filed in the office of the City Clerk, which map shall show thereon the lots, tracts and parcels of land, in and through which said right of way and easement is to extend, and the commencement, course and termination of the same, according to the provisions of section 174 of the revised city charter, and that the City Attorney be, and he hereby is, instructed to institute and take such proceedings, from time to time, as may be necessary to secure such right of way and easement, as is provided by said city charter.

Adopted.

By Ald. Lewis—Resolved, That the consideration of the payment of the judgments of James H. Hooker against the city and the orders for costs in Peck against the city be and the same is hereby referred to the Law Committee, they to report back to this Board thereon.

Adopted.

By Ald. Lewis—
Resolved, That the City Surveyor be instructed to prepare an ordinance for the taking down of the bridge on East Main street over the tracks of the New York Central Railroad Company and the construction of an iron bridge the full width of said street.

Adopted.

By Ald. Lewis—Resolved, That the matter of the salary of the police matron be referred to the law committee.

Adopted.

AN ORDINANCE RELATING TO TEAMSTERS.

By Ald. Lewis (by request)—

The Common Council of the city of Rochester do ordain as follows:

Section 1. The Mayor may from time to time license so many persons as he may deem proper to exercise the vocation of teamsters and such license shall entitle them to carry sand, earth, clay, ice, brick, stones, coal and iron, logs and lumber for hire of wages. Such license shall be granted upon the payment into the City Treasury of the sum of \$5.00 by each and every person asking a license for that purpose who is a resident of this city and of the age of 21 years and either a citizen of the United States or else has declared his intention to become a citizen in conformity with the laws of the United States and who proves to the satisfaction of the Mayor that he is a man of integrity and sober habits and a team owner.

Section 2. No person shall act as a teamster unless licensed as aforesaid, and each teamster, as soon as he is licensed, shall cause his name and the number of his license to be legibly painted with black paint upon a white ground, so as to be easily seen, upon each side of his wagon and shall keep the same so painted thereon under a penalty of \$1 for every day he shall drive his wagon without his name and number so painted on the same.

Section 3. No teamster shall transfer or assign his license and if he do so the same shall be forfeited, and no wagon or vehicle shall be used within said city for the purposes aforesaid, except it be duly licensed and the person to whom license is granted shall for all the purposes of this ordinance be deemed the owner thereof and responsible for all property intrusted to, and for the conduct of the drivers thereof and liable for all forfeitures, penalties or punishments herein contained or provided. Every person licensed as aforesaid upon failing to renew the license for or disposing of or parting with his wagon or vehicle shall deface, remove or obliterate his name and the license number therefrom and a failure or neglect to do so, shall be deemed a violation of this ordinance. No person shall place or have any number for which he may have received a license on more than one wagon or vehicle.

Section 4. Every person upon receiving a license as teamster shall report his residence to the Mayor, or upon changing his residence shall in like manner report his new residence, and it shall be the duty of every person driving or having charge of a teamster's wagon, to give to any person requesting it his name and place of resi-

dence, and the number of the wagon or vehicle he is driving or in charge of, and the name and place of residence of the owner thereof, and the refusal to do so shall be deemed a violation of this ordinance.

Section 5. If any accident or injury shall happen to any person or carriage, vehicle or other thing, by reason of coming in contact with any teamster's wagon or vehicle, or the animal or animals attached thereto, or anything loaded thereon, while the same is moving, it shall be the duty of the person driving or having charge of the same to immediately stop and, if necessary, render his assistance and give his name and residence, and the name and residence of the owner thereof, under a penalty of \$50, to be recovered from the driver or owner of any such wagon or vehicle.

Section 6. It shall not be lawful for any teamster to drive or back any wagon on to the sidewalk of any of the streets of said city or to stop any such wagon or vehicle on any of the crosswalks or intersections of streets or to place any such wagon or vehicle crosswise of any street except to either load or unload, and in no case shall it be lawful to permit any such wagon or vehicle to remain crosswise of any street for any period to exceed five minutes.

Section 7. It shall not be lawful for any teamster's wagon or vehicle to be driven through any of the streets of the City of Rochester at a greater speed than six miles an hour, nor shall it be lawful for any such wagon to be driven around the corner of any of the streets of said city with any animal or animals thereto traveling at a greater speed than three miles an hour and all and every such wagon or vehicle when passing through or along any of the streets of said city shall when meeting any other wagon or vehicle be driven to the right hand side of the way so that such vehicles shall pass clear of each other.

Section 8. All licenses to teamsters shall expire on the first day of July in each and every year.

Section 9. The Mayor and the several officers and members of the police department and magistrates shall have power and authority to order the driver or any person having charge of any teamster's wagon or vehicle to remove such wagon or vehicle away from any place in any of the streets of said city which are improperly incumbering or obstructing or impeding the public travel and any and every such person refusing to comply with any such order shall be deemed guilty of a violation of this ordinance.

Section 10. Any license granted to any teamster shall, upon the conviction of such owner or the driver of the wagon licensed, of a violation of the provisions of this ordinance, be deemed revoked and shall be void on and after the date of such conviction.

Section 11. No teamster shall use or suffer to be used, any wagon or vehicle upon any of the paved, macadamized or improved streets, alleys, avenues, lanes, public squares or places in the city of Rochester for the purpose of drawing any of the articles of property permitted by his license unless the tires of his wagon or vehicle be at least four inches in width, under a penalty of \$25 for each offence; nor shall any teamster carry or transport any sand, gravel, dirt, stone, ice, lumber, or other loose material in, across or over any of the streets, avenues, lanes, alleys, public squares or places in the City of Rochester in or upon any wagon or vehicle in such a manner that any portion of such sand, gravel, dirt, stones, ice, lumber, or other loose material shall or may be scattered, fall or thrown therefrom in or upon any such street, avenue, lane, alley, public square or place, under a penalty of \$5 for each offence.

Section 12. Any person violating any of the provisions or sections of this ordinance shall for each offence be subject to a fine or penalty except as is herein before provided of not less than \$2 nor more than \$150.

Section 13. Every execution upon a judgment recovered upon a penalty or a forfeiture imposed

for the violation of this ordinance may be issued immediately on the rendition of the judgment and shall command the amount to be made of the personal property of the defendant within the city and not exempt from levy or sale under execution, if any such can be found and if not, then to commit the defendant to the Monroe County Penitentiary for such time as shall have been directed by the judgment as herein provided and may be issued and enforced by any member of the police department of the city. Any person failing to pay any penalty for a violation of any of the sections or provisions of this ordinance shall be imprisoned in the Monroe County Penitentiary for a period not exceeding 150 days nor less than ten days, the same to be determined by the justice, judge or court at the time the judgment is entered, as provided by Section 43 of the City Charter.

Section 14. This ordinance shall take effect immediately.

Ordered received, filed and published and referred to the committee on penal ordinances.

 By Ald. Bohrer—

To the Honorable, the Common Council:

GENTLEMEN—Your Park Committee to whom was referred the communication of the Soldiers and Sailors Memorial Monument Committee and the resolution of Ald. Bohrer would respectfully report that after due consideration of the subject mentioned would report that they heartily approve of the plan of the Memorial Monument Committee and recommend the adoption of the annexed resolution.

LOUIS BOHRER,
 JOHN F. FOX,
 MARTIN J. CALIHAN,
 Committee.

Ordered received, filed and published.

By Ald. Bohrer—
 The Common Council having received from the Soldiers and Sailors Memorial Monument Committee formal notice of the selection of Washington Square as the site for the proposed monument, therefore, resolved, that such selection be and the same is hereby ratified and confirmed and the said committee is hereby granted the privilege and occupation of said square for the purpose aforesaid. Resolved, further, that the committee on public parks be and are hereby authorized and empowered to co-operate with the Monument Committee, and to make any and all necessary rearrangement of walks, etc., through said square, with full power in the premises.

Adopted.
 By Ald. Rauber—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your Special Committee, appointed to ascertain the cause of the grievances of the persons who are assessed for the North St. Paul street asphalt improvement, under ordinance No. 4,086, respectfully reports that it has been attended by the persons alleged to be aggrieved, and has duly considered the matter, and your Committee would report that a retaining wall upon said North St. Paul street, opposite Scrantom street, was constructed many years ago by the city of Rochester, but by reason of its irregular construction it encroached very much upon said North St. Paul street, so much so as to approach close to the street car tracks on the west

side of the street; that when the asphalt improvement was laid upon the street, the wall was changed and constructed in a straight line, and a sidewalk and railing erected thereon, and thus, for the first time, giving to the street its full width at that point, which wall, fence and walk cost the city the sum of \$4,701.85; that when the treasurer certified to your honorable body the cost of the work, on January 13, 1891, and found at page 415, proceedings 1890-91, 12 per cent. interest, amounting to \$564.12, added thereto, thus making the cost of said walk, wall and fence, including interest, added to the cost of said improvement, for assessment purposes, the sum of \$5,265.97, and your committee, therefore, recommends that said sum be deducted from the amount certified by the Treasurer, as aforesaid, and that the Assessors make an assessment upon the property mentioned in the final ordinance for assessment purposes, for the sum of \$52,215.45 only, and, for that purpose, your committee recommends the adoption of the accompanying resolution.

All of which is respectfully submitted,
 STEPHEN RAUBER,
 S. D. W. CLEVELAND,
 WILLIAM H. TRACY,
 Special Committee.

Order received, filed and published.

By Ald. Rauber—Resolved, That there be deducted from the amount certified as the cost, including interest, of the North St. Paul street asphalt improvement, under Ordinance No. 4,086, the sum of fifty-two hundred and sixty-five dollars and ninety-seven cents (\$5,265.97), and that the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed and directed to be assessed for the cost of the aforesaid improvement by said final ordinance, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of land directed to be assessed in and by said ordinance, of and for the sum of fifty-two thousand two hundred and fifteen dollars and forty-five cents (\$22,154.50), in proportion, as nearly as may be, to the advantage which the lots and parcels of land within said territory directed to be assessed by said final ordinance for said improvement shall be deemed to receive by the making of such improvement, and that the taxpayers to be assessed for making said improvement may pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll, and that on all sums paid prior to the maturity of said last installment a discount will be allowed at the rate of 6 per cent. per annum, and that the assessment roll for said improvement, heretofore presented by said assessors to this Common Council, be, and the same hereby is, in all things, vacated and set aside, and referred back to said assessors to make a new assessment for the above mentioned sum only, and in the manner aforesaid.

Ald. Shelter moved that the report lie on the table until later in the evening.

Lost by the following vote:
 Ayes—Shelter—1.

Nays—Tracy, Callihan, Zimmer, Rauber, Lempert, Cleveland, Wurtz, Cook, Fox, Bohrer, Kelly, Lewis.—12.

The report was then adopted by the following vote:

Ayes—Ald. Tracy, Callihan, Zimmer, Rauber, Lempert, Cleveland, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis.—13.

Nays—Ald. Shelter—1.

Ald. Fox presented the report of the Water Works Committee and moved that it lie on the table until later in the evening.

Adopted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

MAYOR'S OFFICE, }
ROCHESTER, N. Y., June 2, 1891. }

To the Honorable, the Common Council :

GENTLEMEN—The services of Mr. Bower has given general satisfaction for the past official year. The public funds have been accounted for to the last dollar. This is as it should be, and it is with the sanction of the present City Treasurer, that I request your Honorable Body to continue, by resolution, the services of Mr. Bower at such salary as you deem the services are worth to the city of Rochester. Mr. Bower has had the experience of the past year, and he has shown his ability and integrity to perform the duties to the satisfaction of the taxpayers, and as an examiner of public funds and fearless in the performance of his duties cannot be gainsaid.

Respectfully yours,
WILLIAM CARROLL, Mayor.

MAYOR'S OFFICE,
ROCHESTER, N. Y., June 2, 1891. }

In view of the fact that the Humane Society has established, or is about to establish, a shelter for animals, it would seem advisable to act in co-operation with this effort in order to secure the most efficient, economical and generally acceptable results.

I heartily endorse the above suggestion, and would respectfully ask the Honorable the Common Council to appoint a special committee of three members to meet the executive committee of the Humane Society to take into consideration and adopt the best system possible to rid the city of the many vile curs and useless dogs. This can be done without incurring additional expense of employing men to perform the labor, as the Humane Society has sufficient help now in their employ.

WILLIAM CARROLL, Mayor.
Ordered received, filed and published.

ROCHESTER, June 1, 1891.

By the Clerk—

To Hon. William Carroll, Mayor:

DEAR SIR—In almost every community, whether large or small, annoyance occurs from worthless dogs running at large. Some systematic effort to ensure the proper care of animals, kept for use or as pets, is essential. To this end various ordinances have been enacted. In this city

our attention has been recently called to the existence of an ordinance requiring restraint upon dogs and forbidding their "running at large."

This ordinance, in its purport and intent, is wholesome and should be regularly and systematically enforced, not by intermittent and excited efforts, but as any other ordinance looking to the good order and safety of society.

The recent purpose to enforce this ordinance by the employment of persons as "dog catchers," has suggested to many the importance of judgment as to the measures adopted.

Some agitation regarding hydrophobia and other conditions, largely imaginary, are considered, to some extent at least, as unwise and incorrect by those who view the matter in a conservative and practical way.

To no one more than to the owners of truly valuable animals would the enforcement of a proper ordinance be welcome. But, to all judiciously minded persons, a wholesale crusade against the canine species would be painful.

The undersigned would enter cordially into measures looking to the proper enforcement of the ordinance referred to, but must at the same time enter a protest against measures which provoke needless agitation or severity, for it has been the unvarying experience, in communities where such measures have been unwisely pursued, that great cruelty has arisen, which has brought its perpetrators under the ban of the law of the state, and consequently a large number of prosecutions by societies for prevention of cruelty to animals. This has uniformly resulted in the suspension or repeal of the municipal ordinance under which such difficulties have arisen.

It would also seem desirable to call attention to the necessity of avoiding any reference to the subject of hydrophobia, as the disease is slightly understood by the public and hence a cause of unnecessary mental disquiet.

It is proper to say that experience shows that few cases of hydrophobia are caused by animals running at large. That the great majority occur from the bites of animals suffering from the "mute" or quiet form of Rabies, and not from cases showing great nervous excitement.

The muzzle, as usually applied, is a source of great discomfort and disturbance to an animal, otherwise quiet. It interferes with respiration, so active in a dog when exercising and also with drinking, which is imperative in hot weather. It is only when accustomed to it from puppyhood that the average dog can be made to bear it patiently. This view is not based upon sentimental considerations, but upon the observations of veterinarians and those best qualified to form an intelligent opinion in the matter.

The writer would suggest that the subject be referred to the Humane Society for co-operation in securing an efficient and satisfactory mode of enforcing their ordinances upon this very important subject. Very respectfully,

E. A. STODDARD, M. D., President,

ACTION ON ORDINANCES.

FIRST ORDINANCES.

EMERSON STREET BRICK IMPROVEMENT.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Emerson street.

Adopted.

The Surveyor submitted such estimate \$3,500.
By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The improvement of Emerson street from the east edge of the brick pavement on Fulton avenue, to the west edge of the asphalt pavement on Lake avenue, by the construction of a brick pavement therein with a line of Medina stone cut on each side thereof, properly connected with all streets, alleys, and driveways. Width of main roadway between curbs to be 24 feet. Also the construction of all necessary crosswalks, surface sewers, manholes, lot later-

als, water and gas services, and the cleaning of the main sewer in the street if found to be necessary.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$3,500 which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefitted and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Emerson street, from Fulton avenue to Lake avenue, in proportion to the benefit which each will derive therefrom.

Adopted.

GROVE STREET ASPHALT IMPROVEMENT.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Grove street.

Adopted.

Also the construction of the necessary foundations, retaining walls, shafts, manholes, surface sewers, lot lateral sewers, and connections therefor, connections for main sewers, connection of main sewers, storm overflows, and the various covered and open channels for the outlets thereof; the

proper connections and appliances for flushing purposes at the head of the main sewer and elsewhere, and the necessary details connected with the full and proper completion of the proposed work. Also the acquirement of the necessary easements in and rights of way through and across any property and lands not now opened to public use through which it may be considered necessary to construct said trunk sewer or any covered and open channels for the outlets of the various storm overflows, both within and outside of the limits of the city.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at one million dollars (\$1,000,000), which estimate is hereby approved.

Resolved, further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

All of the lots and parcels of land on the east side of the Genesee River within the limits of the City of Rochester, in proportion, as nearly as may be, to the advantages which each may be deemed to receive by the making of such improvement, and pursuant to the provisions of chapter 347 of the laws of 1890, providing for the payment of the cost and expenses of the construction of a trunk sewer on the east side of the Genesee River in the City of Rochester.

Adopted.
By Ald. Wurtz—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7 o'clock P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser, notice thereof as is required and in the manner specified by section 172 of the city charter as it was amended in 1890.

Adopted.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., June 2, 1891. }

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Agreeably to your directions heretofore given in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your Honorable Body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, June 2, 1891, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvements.

Action on the application of the Rochester Railway Company to extend its lines on East avenue, being in order, Ald. Cleveland submitted the following:

By Ald. Cleveland: ROCHESTER, N. Y., June 2, 1891.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: The Rochester Railway Company hereby withdraws its application for the right and privilege of constructing, maintaining and operating a street surface railroad, to be operated by electric power, upon East avenue, from Alexander street to East Main street.

As is well known, this company, in making application for the franchise upon East avenue, offered to pay one-half of the expense of the street improvement. This company has labored diligently to obtain the consent of the owners of more than one-half of the property upon said avenue through which it proposed to construct said railroad, but has been unable to obtain such majority. The company is satisfied that it is not possible to obtain the consent of the owners of more than one-half of such property. It does not desire to further press its application in view of this fact. The officers of this company believed, and still believe, that the operation of an electric railroad through East avenue as far as Alexander street would be of very great benefit to all the property on such portion of the street. The company would not however, have made the application at all for the franchise, if there had seemed to be any other way of complying with the wishes of the people of a very large section of the city who are dependent upon the Park avenue line for street

railroad facilities, and who are desirous of having such street car line changed from a horse car to and electric line.

Respectfully submitted,
Rochester Railway Company by
J. N. BECKLEY, President.

On motion of Ald. Kelly permission to withdraw the application of the Rochester Railway Company was granted.

EXECUTIVE BUSINESS.

Ald. Lewis moved that the Board proceed to appoint commissioners of deeds and that the Clerk cast the ballot.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis—14.

Charles H. Smith, R. S. McMahon, Alvin Block, Frank King, D. J. Cushman, Lulu M. Miller, M. H. FitzSimons, having received the concurrent vote of the Common Council were declared appointed Commissioners of Deeds.

MISCELLANEOUS BUSINESS.

By Ald. Tracy—Whereas, The rapid increase of population of the city of Rochester during the last five years, now numbering over 140,000 people, greatly requires additional police protection, both day and night, as many of our principal streets are without police patrol; therefore,

Resolved, That the Police Department be increased 25 men, and that the Police Commissioners are hereby authorized to appoint 25 additional permanent policemen.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Ald. Calihan—Resolved, That one arc light be placed on Jones street, between Platt and Brown streets, the same to be erected under the supervision of the Lamp Committee and City Surveyor.

Referred to the Lamp Committee and City Surveyor.

By Ald. McMillan—Resolved, That the City Surveyor be directed to prepare an ordinance for flag stone sidewalks on Plymouth avenue, between Spring and Edinburgh streets, where good walks do not now exist.

Adopted.
Ald. Rauber moved that the Lamp Committee place electric lights on North St. Paul street, at the Rome, Watertown & Ogdensburg Railroad bridge.

Referred to the Lamp Committee and City Surveyor.

By Ald. Rauber—Petition of taxpayers in relation to the payment of the Medina stone improvement on North St. Paul street.

Referred to the Law Committee, to report at the next meeting of the Common Council.

By Ald. Cleveland—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to prepare and issue bonds of the City of Rochester to an amount of \$100,000, to be used for the purpose of building bridges over the Genesee river, one at Driving Park avenue, and the other at Platt street, under final ordinances heretofore duly adopted and passed by the Common Council of the city of Rochester; said bonds to run for a period of thirty years, and to bear a rate of interest not greater than 3½ per cent. per annum, payable on the first days of July and January thereafter, which bonds shall be countersigned by the Mayor and the President of the Common Council of the City of Rochester, and by the Union Trust Company of New York transfer agents, and said Union Trust Company is hereby authorized and requested to countersign the same; said bonds shall be redeemable at any time after ten years from the issue thereof, and said Treasurer shall make and keep a complete record of said bonds, including the dates, amounts and the respective dates of the maturity thereof, and to whom issued, if registered, as is provided by

chapter 365 of the laws of 1888, being an act entitled: "An act in relation to building bridges in the City of Rochester, and the purchase of sites and approaches thereto."

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Ald. Cleveland—Whereas, It has been satisfactorily demonstrated to the Finance Committee that a monthly examination of the Treasurer's books and accounts would be one of the best possible safeguards against defalcations or other unlawful acts, therefore,

Resolved, That the Finance Committee of the Common Council be, and it hereby is, authorized and empowered to employ, from time to time, some competent person to perform this services, at an annual expense not to exceed two hundred and fifty (\$250) dollars, and that such person so employed shall make his report to the Finance Committee monthly and that the same shall be published in the Council's Proceedings.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Ald. Cleveland—Resolved, That the appropriation for the ensuing fiscal year for clerk hire in the office of the City Treasury be fixed at the same amount as last year, viz: the sum of \$8,140.

Adopted.
By Ald. Cleveland:

CHAS. H. STILLWELL, Commissioner of Deeds.
Ordered received, filed and published.

By Alderman Shelter—
ROCHESTER, June 2, 1891.

To the Honorable Common Council:

GENTLEMEN—Your petitioner begs your honorable body to grant her permission to lay water mains in Church park, in the city of Rochester, from Clifton street to West avenue, at her own expense, and according to the plans and under the direction and inspection of the Executive Board, and that your petitioner be reimbursed the amount of her expenditure, without interest, at the pleasure of the city.

Very respectfully,
MRS. CHURCH.

Alderman Shelter moved that permission be granted. Adopted.

By Ald. Shelter.
CITY ASSESSORS' OFFICE,
ROCHESTER, N. Y., May 12, 1891. }

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: The undersigned City Assessors are owners of property situated in the territory to be assessed for Jay street sewer (Ordinance 4,189) and being interested are by the City Charter disqualified from acting as such assessors, please appoint one commissioner to assist L. A. Pratt to make the assessment under said ordinance. Yours with due respect

M. J. MAHER,
J. GERLING,
City Assessors.

Ordered received, filed and published.

Ald. Shelter moved that the Board proceed to appoint a Special Assessor to assist Assessor Pratt in assessing the territory for Jay street sewer. (Ord. 4189.)

Adopted.

Ald. Shelter nominated S. J. Wagoner, who was named by Aids. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Ald. Wurtz—Petitions of Mrs. Ann Shields and Catherine Fitzgibbons to erect wood buildings. Referred to the Wood Building Committee and Fire Marshal with power to act. Also petition for cement walk on Emerson street. Referred to the Surveyor to prepare an ordinance.

By Ald. Wurtz—

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., May 19, 1891. }

Alderman Wurtz, Chairman of Map and Survey Committee:

DEAR SIR—John C. Ryan is entitled to the sum of \$280 for work completed under his contract for the survey of the first fourteen wards of the city.

I recommend the payment of that amount.

Yours respectfully,
OSCAR H. PEACOCK,
City Surveyor.

Ordered received filed and published.

By Ald. Wurtz—Resolved, That the City Clerk be and hereby is directed to draw an order on the City Treasurer for the sum of two hundred and eighty (\$280) dollars in favor of John C. Ryan as partial payment for work performed under his contract with the city of Rochester for the survey of the first fourteen wards of the city, and charge the same to the contingent fund.

Adopted by the following vote—

Ayes—Aids. Tracy, Calihan, McMill v, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis—15.

Ald. Wurtz presented a petition of the owners of more than one-half of the number of lineal feet front of all the land on Lake View Park, requesting this Common Council to levy a tax of 10 cents per lineal feet upon all such land for the purpose of defraying the expenses of making the repairs and improvement of such park, according to the provisions of Chapter 96 of the Laws of 1880, as amended by Chapter 410 of the Laws of 1889, and assigning George W. Thomas, of this city, to receive the amount of said tax, when collected, and thereupon moved the adoption of the following resolution:

By Ald. Wurtz—Resolved, That the City Assessors be, and they hereby are, directed to assess, and that there be assessed and levied a tax of 10 cents per lineal foot front upon all the land on said Lake View Park, and that the same be inserted in the assessment rolls of such land for the General City tax of 1891-1892, and be apportioned equally upon all the lands so on such Lake View Park.

And the City Treasurer is hereby directed to pay the sums thus assessed, when collected by him, to said George W. Thomas, of Rochester, N. Y., he being the person designated to receive the same by such owners;

And the clerk is hereby directed to transmit to said assessors and treasurer a certified copy of this resolution.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Ald. Cook—Petition for sprinkling Grand street referred to the surveyor to prepare an ordinance.

By Ald. Fox—Petitions of Augusta A. Wilson, Rose Clonick and John Acker, to erect wood buildings, referred to the wood building committee and Fire Marshal with power to act.

By Ald. Fox—

To the Honorable the Common Council:

GENTLEMEN: Your Water Works Committee, to which was referred a petition of a large number of business men and manufacturers doing business in the locality known as East Rochester, for the extension of the Holly mains, so as to furnish to that part of the city a much needed protection against fire, would respectfully report that your committee has been attended by a number of citizens deeply interested in the proposed extension. That it appears from their statements, and from the statements of the chief engineer of the Water Works Department, that the Holly System now extends easterly to the corner of East Main and Windsor streets. That in the locality above mentioned are located most of the large lumber yards of the city, numerous factories and shops, constructed almost entirely of wood, and located as the are, along the tracts of the New York Central Railroad, are peculiarly exposed to fire.

Your committee has been informed that the residents of East avenue, receive their supply of Hemlock water for domestic use, through a pipe but six inches in diameter. And it will be highly important to have a larger main laid in that avenue, for the purpose of supplying water for domestic use to the people living thereon.

The Chief Engineer of the Water Works Department, has informed your committee, that it is advisable to extend the Holly mains, by a twelve-inch pipe from the corner of East Main street and East avenue, through East avenue to Merriman street, thence north to University avenue, and with a branch extending through Anderson avenue and Goodman street to the corner of East Main and North Goodman streets. This pipe should in his opinion be used for the present for conducting Holly water, into the lumber yard district for fire protection, and when the street acquires an additional supply of water, this pipe will be available for domestic purposes.

Your committee is strongly of the opinion that steps should be taken at once to accomplish this desirable end. Especially as East avenue and Merriman street are about to be improved, by the laying of expensive pavements thereon.

The Holly Mains should also be extended through West avenue to St. Mary's Hospital, as requested by a petition, which was heretofore referred to this committee. Your committee, therefore, recommends that the city's note be discounted for the sum of forty thousand dollars (\$40,000), the proceeds thereof, to be credited to the water work's fund, for the purpose of making such extension.

JOHN F. FOX,
HENRY G. COOK,
HENRY SHELTER,
MERTON E. LEWIS,
JULIUS WURTZ.

The Finance Committee of the Common Council, concur in the foregoing recommendations of the Water Works Committee.

MERTON E. LEWIS,
S. D. W. CLEVELAND,
HENRY SHELTER,
STEPHEN RAUBER.

By Ald. Fox—Resolved, That the City Treasurer be, and he is hereby authorized and directed to discount the city's note for \$40,000, to be used in extending Holly mains as has been recommended by the Water Works Committee, said

note to be discounted under the direction of said Finance Committee and countersigned by the chairman thereof, the discount to be charged to the Contingent Fund, the proceeds of said note to be credited to the Water Works Fund.

Adopted by the following vote:
Ayes—Ald. Tracy, Callihan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Adams, Cook, Fox, Bohrer, Kelly, Lewis—13.

By Ald. Bohrer—Whereas, a petition was presented to this Common Council, April 21, 1891, from the residents and property owners on Stillson street, asking that the name of that street be changed to Belmont Park, and, whereas, the residents and taxpayers living on the street are extremely anxious for said street name to be changed..

Therefore, Resolved, that the name of Stillson street be changed to Belmont Park, that the Clerk be directed to enter the same in the Street Register, and that Executive Board place street signed therein.

On motion of Ald. Bohrer, laid on the table two weeks.

By Ald. Kelly—Petition for arc lights on Rowe street.

Referred to the Lamp Committee and City Surveyor.

By Ald Kelly, Resolved, That the Executive Board be instructed to place a fire alarm box near the center of either Post street or Peart Place.

Adopted.
 By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester :

GENTLEMEN: Your Law Committee begs leave to submit the following as its report:

James H. Hooker, on July 2, 1889, recovered a judgment against the City of Rochester for \$800 damages, and \$149.51 costs, besides an injunction restraining the city from discharging sewage from the North avenue sewer into Hobbie creek, so-called. That judgment was, on January 29, 1891, affirmed upon the decision of the General Term, with \$104.60 costs, and again affirmed by a remittitur handed down from the Court of Appeals by a judgment entered in the Monroe County Clerk's office on March 20, 1891, for \$98.65 costs, all of said judgements having been duly entered in the Monroe County Clerk's office on the above mentioned dates. No further appeal being allowed, your Committee recommends that the judgments be paid.

In the suit of William F. Peck, a tax-payer of the City of Rochester against the City, Mayor, Clerk and Treasurer, impleaded with another, the plaintiff, on May 4, 1889, obtained an order declaring the city's case on appeal abandoned, with \$10 costs, which order was served upon the City Attorney on May 7, 1889. That order was, by an order entered in the Monroe county Clerk's office on February 4, 1890, affirmed, upon the decisions of the General Term, with \$14.10 cost against the city, in favor of the plaintiff, and a copy of that order was served upon the City Attorney on February 4, 1890; and again affirmed by the Court of Appeals with \$96.85 costs by an order entered in the Monroe county Clerk's office on March 21, 1891, and served on that day on the City Attorney. No further appeal being allowed, your committee recommends the payment of said judgments and orders.

Your Committee would further report that owing to the amendment made by chapter 90 of the laws of 1891, to chapter 420 of the laws of 1888, relating to Police Matrons in cities, which law was approved and took effect March 20, 1891, it is made your duty, under section 3 of said Act, to fix the compensation or salary to be paid to said matron, at an amount not exceeding, in any case, the minimum salary paid to patrolmen in the city, and by section 7 of said act, it is also made your duty to appropriate annually such sum as may be necessary for the separate care and confinement in the station house of all women arrested in this city, and for the appoint-

ment, salary and maintenance of the police matron therein.

In view of the fact that the police matron has, heretofore, received, and been paid, by the Board of Police Commissioners a salary of fifty dollars per month, your committee would recommend that the compensation of said matron remain at said amount for the present.

Your committee, for the foregoing purposes, recommend the adoption by your honorable body of the following resolutions.

All of which is respectfully submitted.

MERTON E. LEWIS,
 S. D. W. CLEVELAND,
 HENRY G. COOK,
 MARTIN J. CALLIHAN,
 WILLIAM H. TRACY,
 Law Committee.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That upon the delivery to the City Attorney, on behalf of the city, of proper satisfaction pieces, duly executed and acknowledged for recording, the clerk be, and he is, directed to draw an order in favor of Messrs. J. & Q Van Voorhis, attorneys for James H. Hooker, upon the treasurer, payable from the contingent fund, \$1,148 and 76 cents, with interest on \$945 and 51 cents, from July 2, 1889, on \$104 and 60 cents, from January 29, 1891, and on \$98 and 65 cents, from March 20, 1891, said interest to be computed to the date when said order is drawn, and said order to be in full of the judgment for the damages and costs, and two judgments of costs of affirmance in the action of said Hooker against the city of Rochester.

Adopted by the following vote:

Ayes—Ald. Tracy, Callihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Adams, Cook, Fox, Kelly, Lewis—12.

By Ald. Lewis—Resolved, that upon the certificate of the City Attorney that proper receipts have been delivered to him, for record, that the Clerk be, and he hereby is, directed to draw an order upon the Treasurer, payable from the Contingent Fund, in favor of John H. Hopkins, Esq., attorney for William F. Peck, for the sum of one hundred and twenty dollars and ninety-five cents, with interest on ten dollars from May 17, 1889, on fourteen dollars and ten cents from February 14, 1890, and on ninety-six dollars and eighty-five cents from March 31, 1891, said interest to be computed to the date when said order is drawn, and said order to be in full of the costs granted against the city of Rochester in favor of said William F. Peck, a taxpayer, etc., as appears and is stated in the foregoing report of the Law Committee,

Adopted by the following vote:

Ayes—Ald. Tracy, Callihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Kelly, Lewis—12.

By Ald. Lewis—Resolved, That Addie De Staebler receive and be paid a salary or compensation of fifty dollars per month, from and out of the contingent fund, during the time that she may act, or be employed as a police matron of the city of Rochester, from, and including June 1st, 1891; said salary to be paid in the same manner that salaries of other city officials are paid.

Adopted by the following vote:

Ayes—Ald. Tracy, Callihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Adams, Cook, Fox, Kelly, Lewis—12.

By Ald. Lewis—Whereas, The following awards were made for land taken for the extension of Thomas street, from the then present north end to Wilkin street or avenue, in the city of Rochester, under Final Ordinance No. 3835, one of \$450, to George A. Wilkin, and one of \$137.50, to Joseph Cochrane Wilkin, less any unpaid taxes and assessments against the property taken of either of said persons at the time said report was made, on October 30, 1890, and

Whereas, The persons to whom the awards are made are infants, and it is necessary that the street be opened and continued across said lands. It is therefore,

Resolved, That the Treasurer be, and he hereby is, directed to deposit in the Rochester Savings Bank, to the credit of the above mentioned persons, the above mentioned sums respectively above mentioned, less said unpaid taxes and assessments, if any, the deposit, however, to be subject to the order of the Monroe County Court in the premises.

Adopted.

By Ald. Lewis—Whereas, A large number of deeds of conveyance of certain premises to the city of Rochester are in the custody of the City Attorney, and the same are unrecorded; be it

Resolved, That the City Attorney, or either of his assistants, be, and hereby is, authorized to cause all of said deeds and conveyances, and all deeds or grants of easements and rights to be recorded, in the Monroe County Clerk's office, and that he be reimbursed for the fees of recording the same, advanced by him, out of the contingent fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Adams, Cook, Fox, Lewis.—11.

By Ald. Lewis, Resolved, That the City Surveyor be and he is hereby instructed to prepare an ordinance for sweeping and cleaning South Goodman street.

Adopted.

By Ald. Lewis, Resolved, That the City Surveyor be and he is hereby instructed to prepare an ordinance for sprinkling South Goodman street from Pearl street to the Erie canal.

Ordered received, filed and published.

By Ald. Lewis—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your Law Committee begs leave to submit the following report:

In the matter of grievances of resident taxpayers on North St. Paul street, from Marietta street to Lowell street, assessed for the construction of a Medina stone improvement on said street, as set out in their petition to the Common Council, and referred to this Committee, your Committee would report that it has examined into the matter, and finds that this same grievance has heretofore been considered by the Law Committee, and a report made thereon to the Common Council, but that the same has never been disposed of by your honorable body.

We find that, by virtue of final ordinance No. 3,729, the Common Council has deemed the resident taxpayers on North St. Paul street, between Marietta and Lowell streets, the only persons benefited by said improvement; that said improvement extends 150 feet on North St. Paul street south of Marietta street, and that the contract price of said improvement is \$2,500, and that the resident taxpayers on said North St. Paul street, south of Marietta street, are not included in the territory deemed to be benefited by said ordinance.

We, therefore, recommend that the sum of \$2,500, the contract price of said improvement on North St. Paul street, 150 feet south of Marietta street, be deducted from the contract price of the entire improvement on said North St. Paul street, to wit, the sum of \$26,989.22.

Respectfully submitted,
 MERTON E. LEWIS,
 S. D. W. CLEVELAND,
 MARTIN J. CALIHAN,
 WILLIAM H. TRACY,
 Law Committee.

Ordered received, filed and published.

By Ald. Lewis:

Resolved, That there be deducted from the amount certified as the cost of the North St. Paul street Medina stone improvement, viz: \$26,989.22,

with interest, the sum of \$2,500, with interest, and that the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed benefited and directed to be assessed for the cost of the aforesaid improvement by said Final Ordinance, No. 3,729, or if any two of said assessors are not so interested, then such two are hereby directed to make an assessment upon all the lots and parcels of land directed to be assessed in and by said ordinance, of and for the sum of \$26,989.22, less the aforesaid deduction, in proportion, as nearly as may be, to the advantage which the lots and parcels of land within the territory directed to be assessed by said Final Ordinance for said improvement shall be deemed to receive by the making of such improvement, and that the taxpayers to be assessed for the making of said improvement may pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll, and that on all sums paid prior to the maturity of said last installment, a discount will be allowed at the rate of six per cent. per annum, and that the assessment roll for said improvement heretofore presented by the assessors to this Common Council, be, and the same is, in all things, vacated and set aside, and referred back to said assessors to make a new assessment for the above mentioned sum only, and in the manner aforesaid.

Adopted by the following vote:

Ayes—Aids. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Adams, Bierbrauer, Fox, Bohrer, Lewis—13.

M. B. ADAMS,

MERTON E. LEWIS,

S. D. W. CLEVELAND,

HENRY SHELTER,

Lamp Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved that the Rochester Electric Light Company, the Brush Electric Light Company, the Edison Electric Illuminating company and the Rochester Gas Light Company be, and are each respectively directed to comply with that portion of the report of the Lamp Committee relating to each company, where notified by the City Surveyor; and he is hereby directed to make the proper notification, with such directions as may be necessary to insure the correct location of each light.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Adams, Bierbrauer, Fox, Lewis—12.

Ald. Cleveland moved that the report of the Committee on Additional Water Supply be laid over until miscellaneous business.

Adopted.
Ald. Tracy asked for and obtained unanimous consent to present the following:

By Ald. Tracy—Resolved, That the Executive Board be, and hereby is, requested to negotiate for the right of way through lands required for the construction of the Boulevard sewer, as proposed by ordinance No. 4,397, and report to this Common Council at its earliest convenience.

Adopted.
COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—
OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., June 1, 1891.

To the Common Council:
GENTLEMEN: The Executive Board is informed by City Surveyor Peacock, that H. Sellars McKee and Jeanette McKee, his wife, have by deed dedicated to the city of Rochester a strip of land in the McKee tract in the Fifteenth ward of the city of Rochester, for use as a public street, and through which it is proposed to construct what is known as the Boulevard outlet sewer.

In order to complete the sewer a right of way across a lot formerly owned by George H. Newell, but which has been transferred to L. Jerome Woolsey, has to be obtained. After some negotiation the owner, L. Jerome Woolsey, agrees to grant the easement across lot 113 of the Flower City Boulevard Lot Association for the sum of \$200, and the Executive Board, after due consideration of all the circumstances, deems it advisable to recommend to your honorable board the payment of that sum for the perpetual right of way on the execution of the necessary papers to secure the required privilege to the city.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.
By Ald. Tracy—Resolved, that the sum of \$200, at which L. Jerome Woolsey, the owner of the lands and premises, in part, necessary to be acquired and taken for the Boulevard sewer, under final ordinance No. 4,397, will sell the easement and right of way through said lands required for the construction of said sewer, as stated in the report of the Executive Board, is satisfactory to and declared to be reasonable by this Common Council, and is hereby approved; and that, upon the certificate of the City Attorney to the effect that said L. Jerome Woolsey has executed and delivered a proper conveyance of the easement and right of way of said lands to the city of Rochester free and clear of all incumbrances, the City Clerk draw an order upon the City Treasurer, payable from the contingent fund, in favor of said L. Jerome Woolsey, for the sum of \$200; and that the Treasurer pay the same from the contingent fund, and charge and carry the same to the fund for said Boulevard sewer, when created.

Ayes—Ald. Tracy, Calihan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Adams, Bierbrauer, Fox, Bohrer, Lewis—12.
Ald. Shelter in the chair.

By the Clerk—
OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., June 16, 1891.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—By an agreement between the City of Rochester and the following named persons there is now due for right-of-way for the Court and William streets outlet sewer the sums set opposite their names severally:

Gertrude Schum.....	\$ 50 00
Henry P. Ayer.....	175 00
Hannah F. Brown.....	150 00

The Executive Board would therefore respectfully recommend that orders be directed to be drawn upon the Treasurer in favor of these several parties for the amounts placed opposite their names.

Respectfully,
THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.
By Ald. Zimmer—Resolved, That the City Clerk be and hereby is directed to draw orders on the City Treasurer as follows:

In favor of Gertrude Schum for.....	\$ 50 00
In favor of Henry P. Ayer for.....	175 00
In favor of Hannah F. Brown for.....	150 00

In payment of right of way for Court and William streets outlet sewer across their respective premises for the present year, as per contract, and charge the same to Contingent Fund, and that the Treasurer charge and carry the aggregate amount thereof to the fund for paying the expenses of right of way for Court and William streets outlet sewer, when said fund shall be created.

Adopted by the following vote:
Ayes—Ald. Calihan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Adams, Bierbrauer, Fox, Bohrer, Lewis—11.

By the Clerk—
OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., June 16, 1891.

To the Common Council:
GENTLEMEN—The Executive Board, in accordance with the request of your honorable body, beg leave to report that they have notified all the parties interested in the property proposed to be taken for the several street extensions named below, and each of said persons has appeared in answer to said summons and has made the following propositions:

William Aikenhead, from whom a strip of land is to be taken, sixteen feet wide and 386 feet long, for the extension of Wheeler alley, asks for the same the sum of \$900.

E. A. Masseth, from whom a strip of land is to be taken, thirty-three feet wide by 133 feet deep, for the extension of Lorraine park, asks the sum of \$500.

The above amounts for the respective parcels of land named, the Executive Board, upon inquiry, deem reasonable and of a fair market value, and would recommend to your honorable body the acceptance of the propositions made by Messrs. Masseth and Aikenhead.

In the matter of the opening of Beckley street, the parties in interest, namely, George Moulson and O. T. Kingdon, appeared, but did not agree upon what terms they would sell their respective parcels of land to the city, and therefore failed to make any tender upon which the Executive Board could report.

The Executive Board therefore recommends that your honorable body commence proceedings necessary to be taken for the condemnation of the land necessary for the opening of Beckley street.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

Also the construction of the necessary foundations, retaining walls, shafts, manholes, surface sewers, lot lateral sewers, and connections therefor, connections for main sewers, connection of main sewers, storm overflows, and the various covered and open channels for the outlets thereof; the proper connections and appliances for flushing purposes at the head of the main sewer and elsewhere, and the necessary details connected with the full and proper completion of the proposed work. Also the acquirement of the necessary easements in and rights of way through and across any property and lands not now opened to public use through which it may be considered necessary to construct said trunk sewer or any covered and open channels for the outlets of the various storm overflows, both within and outside of the limits of the city.

And the City Surveyor, under direction of this Council, have made and reported as an estimate of the expense thereof, the sum of \$1,000,000, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

All of the lots and parcels of land on the east side of the Genesee River within the limits of the City of Rochester, in proportion, as nearly as may be, to the advantage which each may be deemed to receive by the making of such improvement, and pursuant to the provisions of chapter 347 of the laws of 1890, providing for the payment of the cost and expenses of the construction of a trunk sewer on the east side of the Genesee River in the City of Rochester.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis.—14.

**FINAL ORDINANCE, NO. 4,488.
MAGNE STREET SEWER.**

On motion of Ald. Rauber, the Common Council proceeded to hear allegations in relation to

the Improvement described in the following ordinance, viz:

An ordinance to construct a pipe sewer in Magne street, from near Lyell avenue to Saxton street.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a vitrified pipe sewer 12 inches in diameter in Magne street, from a point 75 feet south of Lyell avenue, measured on the west side of Magne street, to the sewer in Magne street at Saxton street. Also the construction of the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formation.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$1,750, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City, which this Council deems proper to be assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Magne street, from a point 75 feet south of Lyell avenue, measured on the west side thereof, to a point at right angles to the intersection of the proposed sewer with the Lyell avenue and Saxton street outlet sewer.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis.—14.

On motion of Ald. Rauber the final ordinance for Conkey avenue asphalt improvement was indefinitely postponed.

On motion of Ald. Lewis the final ordinance for North street grading and walks was indefinitely postponed.

FINAL ORDINANCE NO. 4,489.

WEBSTER AVENUE SPRINKLING.

On motion of Alderman Wurtz, the Common Council proceeded to hear allegations in relation to the Improvement described in the following ordinance, viz:

An ordinance to sprinkle Webster avenue from Goodman street to Parsells avenue.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to-wit:

The sprinkling of Webster avenue from Goodman street to Parsells avenue during the season of 1891.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$230, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to-wit:

One tier of lots and parcels of land on each side of Webster avenue from Goodman street to Parsells avenue.

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis.—14.

On motion of Ald. Rauber the final ordinance for Conkey avenue asphalt block improvement was indefinitely postponed.

UNFINISHED BUSINESS.

Under this head the resolution to change the name of Stillson street to Belmont Park and published at page 109 current proceedings, came up. Ald. Bohrer moved that the resolution be adopted.

Adopted by the following vote:

Ayes—Ald. Calihan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis—13.

EXECUTIVE BUSINESS.

Ald. Shelter moved that the board proceed to appoint Commissioners of Deeds and the clerk cast the ballot.

Adopted by the following vote—
Ayes—Alds. Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis—14.

James M. Hamilton, George Smith, S. J. Wagener, Irving Moses and E. A. Crowley having received the concurrent vote of the Common Council, were declared appointed Commissioners of Deeds.

MISCELLANEOUS BUSINESS.

By Ald. McMillan—Petition for sprinkling Favor street. Referred to the Surveyor to prepare an ordinance.

By Ald. McMillan—Resolved, That a special committee of three be appointed to consider the application of the Rochester Railway Company for consent to lay and maintain double tracks in Caledonia avenue, between the Erie canal bridge and Troup street, with power to grant the application if consent of majority of property owners on said street is also obtained.

Adopted.

By Ald. McMillan—

To the Hon. Common Council of Rochester, N. Y.:

GENTLEMEN: The petition of the Rochester & Honeoye Valley Railroad Company respectfully shows:

First—That plans have been prepared by the City Engineer, of the city of Rochester, for the construction of a bridge across the Genesee river, connecting Alexander street on the east side of the river, with Edinburgh street, on the West Side thereof.

Second—That your petitioner is the owner of the land lying between the Genesee river and the Erie canal feeder, which is to be crossed by said bridge or its approach.

Third—That the plans of said bridge as first presented by the City Engineer, were for the construction of the said bridge over the property of the Erie Railroad Company on the west side of said river, and for an earthen embankment extending across your petitioner's property as the eastern approach to said bridge; that if the bridge was constructed upon that plan the usefulness of your petitioner's property will be practically destroyed.

Fourth—That after such first plan for the construction of said bridge was made by the City Engineer, a request was made by your petitioner to the committee of your Honorable Body, then having the construction of said bridge in charge, that such bridge be constructed overhead across your petitioner's property, with head room sufficient to enable your petitioner to construct and operate its railroad underneath, and that the bridge across your petitioner's property be supported upon piers so as to interfere as little as possible with the usefulness of the property.

Fifth. That your petitioner offered and proposed to said committee to donate the right of way upon which to place said piers to the city, and thereby save to the city, not only the expense of acquiring the land upon which to construct said Eastern approach, but also the expense of the construction of said approach; that said proposition seemed to be satisfactory and acceptable to your said committee.

Sixth. That your petitioner is still ready and willing to carry out its proposition so made.

Wherefore, your petitioner prays that your honorable body will take such immediate action as is warranted in the premises, and as will determine all of the questions incident to the construction of said bridge.

Dated June 16th, 1891.

ROCHESTER & HONEOYE VALLEY
RAILROAD COMPANY,

By H. D. McNaughton, Treasurer.
Referred to the Law Committee.

By Ald. McMillan—

To the Honorable the Common Council of the City of Rochester, N. Y.:

GENTLEMEN: The petition of the Rochester & Honeoye Valley Railroad Company respectfully shows:

First—That the line of its road, as surveyed and located, runs from the Crouch Island so-called, along the bank between the Genesee River and Erie Canal Feeder to a point at or near the Erie Railroad bridge over the Genesee River.

Second—That such proposed line or route runs under the eastern end of the Clarissa street bridge; that the present head room between the surface of the ground and the bottom of the girders, is ten feet; that in order that your petitioner's railroad may be constructed, it will be necessary to raise the east end of Clarissa street bridge at least six feet; that the east end of said Clarissa street bridge is now six feet lower than the west end; that the grade at the west end of said bridge was fixed as it is so as to cross overhead the tracks of the Erie Railroad Company; that it will also be necessary to change the grade of a portion of Clarissa street at the east end of said Clarissa street bridge.

Third—That your petitioner is ready and willing to pay all expense of changing the grade of said Clarissa street, and of elevating said bridge, and is also ready and willing to indemnify the City against any damages which may be claimed by any of the adjoining property owners, if any damages are shown.

Fourth—That your petitioner believes that the elevation of said bridge, and the change of grade of said street would benefit rather than injure the same, and will do very little, if any, damage to any adjoining property.

We respectfully ask that action be had on this at the earliest possible time.

A map of the line of the road under Clarissa street bridge, and showing also the proposed change in the grade of the street and the elevation of the bridge, can be seen at the office of the Company, No. 26 Reynolds Arcade, and will be submitted to the committee to whom this matter is referred.

Dated, June 16, 1891.

By Ald. Cleveland—

ROCHESTER, N. Y., June 16, 1891.

To the Honorable, the Common Council:

GENTLEMEN: Your committee on additional water supply is of opinion that the preliminary surveys and examinations for a permanent additional supply of potable water should be undertaken as soon as possible and prosecuted with all reasonable diligence.

Before such surveys are commenced, however, it becomes necessary that some agreement shall be reached as to the source from which the water is to be taken. The failure of the passage of the act permitting the city to take such additional supply from Conesus lake leaves only two other sources available, viz., Hemlock and Canadice lakes and Lake Ontario. Of these two sources, your committee, after mature deliberation, unanimously recommends that Canadice and Hemlock lakes shall be selected, and that the preliminary surveys shall be made with the said lakes as the objective point.

It is also proper to state that no funds for prosecuting these necessary surveys are now available, and that the estimated expense of such work is about \$25,000. By performing as much as possible of this work during the remainder of the present season, in anticipation of the passage of an enabling act, it is believed that much valuable time will be saved during construction and that opportunity will also be afforded thereby to make a more thorough study of plans and routes than will otherwise be possible.

Your committee therefore recommends that the aforesaid sum of \$25,000 be placed to the credit of the Executive Board.

Respectfully submitted,
S. D. W. CLEVELAND,
J. MILLER KELLY,
JULIUS WURTZ,

Committee.

The undersigned members of the Executive Board concur in the foregoing report:

GEO. W. ALDRIDGE,
W. W. BARNARD,
JOHN U. SCHROTH.

The undersigned also expresses his concurrence in the foregoing report.

E. Kuichling, Chief Engineer of Water Works. The undersigned, members of the Water Supply Committee of the Chamber of Commerce, beg leave to express herewith their full agreement with the views of the Water Supply Committee of the Common Council, as above set forth.

By Ald. Lewis, by request—

To the Honorable, the Common Council of the City of Rochester:

The undersigned, your petitioner, respectfully represents that he is the owner of premises described as follows: "All that tract or parcel of land situate in the City of Rochester, being part of lot 169 in Township No. 1, Short Range, formerly in the Town of Gates and bounded and described as follows: Beginning in the north line of Bronson avenue at a point distant 125 feet easterly from the east line of Warwick avenue extending thence northerly and parallel with Warwick avenue 100 feet; thence easterly and

parallel with Bronson avenue 40 feet; thence southerly along the west line of lots numbers 166, 164 and 162 of Hawthorn Terrace 100 feet to the north line of Bronson avenue; thence westerly along the north line of Bronson avenue 40 feet to the place of beginning, reference being had to a map of Hawthorn Terrace on file in Monroe County Clerk's Office in Liber 7 of Maps, at page 100, which deed is recorded in said Clerk's Office in Liber 488 of Deeds, at page 281.

Your petitioner further shows that the above mentioned land was conveyed to Susan M. A. Sparling, his grantor, by deed dated on or about the 10th day of September, 1890, executed by Edwin Griffin and Lue G. Griffin, his wife, the above mentioned parcel of land being a portion of a tract of land then owned by said Griffin fronting on Chili avenue in said city.

Your petitioner further shows that upon the 26th day of February, 1891, your Honorable Body confirmed the assessment roll for final ordinance number 4095, providing for an asphalt improvement on Chili avenue, extending from West avenue west to the city line; the expense of which improvement was assessed in pursuance of said ordinance against the lots and parcels of land on each side of said Chili avenue. Upon said assessment roll, among others, was an assessment against the property of Edwin Griffin described as being 182 and 5-10 feet on Chili avenue, 166 feet wide in rear and 606 feet in depth, which description includes the premises hereinbefore mentioned as having been conveyed by said Edwin Griffin to Susan M. A. Sparling and by her to your petitioner.

Your petition further shows by the certificate of the assessors of the city of Rochester that his fair proportion of the entire assessment above mentioned is \$1 as stated in certificate of said assessors heretofore annexed.

Wherefore your petition prays that your Honorable Body will receive from the undersigned the sum of \$1 as his proportion of said assessment and that upon paying such amount the land herein above described as owned by him shall be free from the lien of said assessment levied as aforesaid pursuant to final ordinance 4095.

Respectfully,

CHARLES J. BARRETT.

The undersigned assessors of the City of Rochester hereby certify that the just and fair proportion of the assessment levied upon lands of Edwin Griffin, on the south side of Chili avenue, pursuant to final ordinance 4,095, to be charged against the land described in the foregoing petition belonging to Charles J. Barrett and being a portion of the land against which the above assessment in name of Edwin Griffin is a lien, is the sum of \$1.

L. A. PRATT,
M. J. MAHER,
J. GERLING.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the sum of \$1 be accepted from Charles J. Barrett as his proportion of the assessment levied against his premises under the name of Edwin Griffin, under ordinance No. 4,095, and that the City Treasurer, on the receipt of said sum of \$1, be directed to release the premises owned by said Charles J. Barrett, being part of the premises against which said assessment is levied under the name of said Edwin Griffin, described as follows:

All that tract of land in the city of Rochester, being part of lot 169 in township No. 1, short range, formerly in the town of Gates, and bounded and described as follows: Beginning in the north line of Bronson avenue at a point distance 125 feet easterly from the east line of Warwick avenue, extending thence northerly and parallel with Warwick avenue 100 feet; thence easterly and parallel with Bronson avenue forty feet; thence southerly along the west line of lots number 166, 164, 162 of Hawthorne Terrace, 100 feet to the north line of Bronson avenue; thence westerly along north line of Bronson avenue, forty feet to the place of beginning.

On motion of Ald. Shelter, referred to the Assessment Committee.

ROCHESTER, N. Y., June 16, 1891.

To the Honorable, the Common Council, of the City of Rochester:

GENTLEMEN: The undersigned, a committee of the Council of the Rochester Wheelmen's League, for and on behalf of the said League, respectfully petition your honorable body to enact a penal ordinance for the better regulation of the public use of cycles in this city, of the general tenor and effect of the form herewith submitted, marked "A."

And your petitioners further pray that the existing ordinance relating to the use of cycles shall be amended so as to prohibit the use of such cycles upon the sidewalk or footpath of all bridges.

And your petitioners will ever pray, etc.

WENDELL M. SMITH,
C. A. ROCKWELL,
R. A. PUNNETT,
Committee.

Be it enacted, &c.

Section 1. For the purpose of this ordinance, the term "cycle" shall be construed to mean any unicycle, bicycle, or tricycle, whose wheel or wheels, or either of them, shall exceed 24 inches in diameter.

§ 2. On and after the — day of —, 1891, no person shall ride or propel any cycle upon, in, or through any street, alley, park, highway, or other public place in the city of Rochester or belonging thereto, unless such cycle shall have been duly registered and numbered, and shall have such number affixed thereto in a conspicuous place, as hereinafter provided, under a penalty of \$5 for each offense.

§ 3. The City Clerk is hereby directed to provide a book, in which shall be recorded the name and residence of the owner of every cycle specified in Section 1, a brief description of such cycle, the name of the manufacturer, the shop number and any other details necessary and proper to identify such wheel and to carry into effect the provisions of this ordinance; and the said City Clerk shall assign a serial number to every such cycle in the order in which the same shall be recorded.

§ 4. Such serial number shall be displayed upon a metal plate of suitable size and shape, not less than one-sixteenth inch in thickness, with polished nickel face and black ground. The numerals composing such number shall be of the uniform height of 1¼ inches, a running breadth of not less than three-quarters of an inch, and a heavy face of the style known to printers as

Such numbers shall be furnished and attached to said cycles by said clerk, or under his direction, by means of metal rivets, or in other equally permanent manner, and in a conspicuous place thereon, to be designated by said clerk, in the rear of the rider when seated in the saddle, and shall be furnished to each person at the time of registering such cycle.

§ 5. In case the owner of any cycle registered and numbered as aforesaid shall sell or otherwise lose possession or ownership thereof, he shall forthwith report the facts to said City Clerk, and the same shall be duly recorded in the cycle register provided for in Section 3.

§ 6. The owner of every such cycle shall be held responsible for any damage, or violation of any ordinance, caused by the use of such cycle, and the cycle register shall be presumptive evidence of such ownership.

§ 7. The fee for recording each cycle shall be ten cents; for furnishing and attaching said numbers, twenty-five cents; for recording transfers ten cents.

§ 8. This act shall take effect immediately. Referred to the Penal Ordinance Committee.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester :

We, the undersigned, desire to place a water main six inches in diameter in that portion of Richards street (Sixteenth ward), lying between Goodman street and Boardman street. We have opened the street and dedicated it to the city and contract let by us for improvement.

Being anxious to get water main in this street before the improvement is completed and as we are advised the city has no money on hand to extend water mains, we ask permission to lay this pipe at our own expense, with the understanding that we shall be reimbursed by the City of Rochester without interest, at the pleasure of the city, when there are funds applicable. The estimated cost of this water main extension as made by the Assistant Engineer of the Water Works is (\$425) four hundred and twenty-five dollars.

L. and H. E. BOARDMAN.

Order received, filed and published.

By Ald. Lewis—Resolved, That permission be, and it is, hereby granted to L. and H. E. Boardman, to extend a water main in Richard street, between Goodman street and Boardman street, at their own expense, under the direction of the Executive Board, and to connect the same with the Water Works System of the city, in accordance with the terms of their petition. The amount expended therefor by said petitioners, to be repaid to them at the pleasure of the city without interest thereon.

Adopted.

By Ald. Lewis—

The Common Council of the city of Rochester do ordain and determine as follows:

First—No dog shall be permitted to run at large, in any of the streets, squares, lanes, alleys or public places in this city, under a penalty of \$10 for each offense, to be recovered against the owner of such dog or the person who harbored such dog within two days previous to the time of such dog being found running at large.

Second—The Mayor of the city of Rochester is hereby authorized and empowered to procure or rent suitable places or depots, one on each side of the Genesee river in the city of Rochester, and the places so selected by him are hereby designated and established as pounds for the reception and detention of dogs to be placed therein as hereinafter provided.

Third—The Common Council shall appoint and employ from time to time a sufficient number of suitable persons whose duty it shall be to catch and secure all dogs found running at large within the streets of the city of Rochester in violation of the ordinance; and to transfer the same to such places as may be established as pounds under this ordinance.

Fourth—All dogs so received or impounded shall be kept for at least forty-eight hours; at the expiration of which time if unclaimed by the owner, they may be killed or otherwise disposed of.

Fifth—If any person shall satisfactorily establish his ownership of any dog so impounded, such dog shall, upon payment of two dollars (\$2) and the cost of maintenance, be delivered to such owner.

Sixth—In carrying out the provisions of this ordinance, the work shall be performed and the pounds managed and maintained under the supervision and direction of the Humane Society of Rochester, N. Y., for the Prevention of Cruelty to Animals.

Seventh—Every owner or harbinger of a dog, within the City of Rochester, shall before the 1st day of July, 1891, and thereafter annually on or before the 1st day of June, cause the same to be registered in a book to be kept for that purpose in the office of the Clerk of said city, and to be by such Clerk numbered and licensed for one year, which Clerk shall be entitled to receive from such owner or person for such service a fee of ten cents for each dog so registered; and each owner shall cause such dog to wear around its neck a collar which shall be distinctly marked with its owner's name and its registered number.

Eighth—The word dog as used in this ordinance shall be construed to include animals of both sexes.

Ninth—Any ordinance or part of an ordinance inconsistent herewith is hereby repealed.

Referred to the Penal Ordinance Committee.
By Ald. Lewis—Resolved, That the clerk draw an order upon the treasurer, payable from the Contingent Fund, in favor of William Oliver, Monroe County Clerk, for the sum of \$56 for the fees of the Monroe County Clerk in recording the deeds and conveyances in said office, pursuant to a resolution of this Common Council, adopted June 2d, 1891, and that the treasurer pay said sum from the Contingent Fund, upon the Presentation of said order.

By Ald. Kelly—Petition for the extension of Glenwood avenue; referred to the Surveyor to prepare an ordinance.

By Ald. Lewis—Petition for a plank walk on Hoff street. Referred to the Surveyor to prepare an ordinance.

Also petition for electric lights on Treyer Park. Referred to the lamp committee.

Also petition of Catherine Zimmer in relation to erroneous assessments. Referred to the assessment committee.

Also petitions of C. E. Morris and J. C. Greene to erect wood buildings. Referred to the wood building committee and Fire Marshal with power to act.

By Ald. Lewis—Petitions to dedicate Manitou street, Oscar street, and West Wilson avenue. Referred to the Executive Board to report.

REPORTS OF STANDING COMMITTEES.

By Ald. Cook—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—Your Assessment Committee, to which has been referred various matters, begs leave to make the following report:

In the matter of the Rochester Brick and Tile Manufacturing Company in regard to an erroneous assessment for North avenue outlet sewer, we recommend that the City of Rochester receive in payment of said assessment the sum of \$7.50 with interest thereon at 6 per cent. to the date of payment, providing such payment be made within two months from the date hereof.

In the matter of the erroneous assessment against H. D. Raymond for the Upton Park, University avenue and Beacon street sewer, we recommend that said assessment be reduced from \$164.26 to \$32.26, and that said sum of \$32.26 be received in full payment of such assessment, if paid within two months from the date hereof.

In the matter of Ebenezer Hawkins, for an assessment for Mansion street extension, we recommend that the same be denied.

In the matter of the resolution by Ald. Lewis, that the sum of \$1 be accepted from Charles J. Barrett as his proportion of an assessment levied against premises under the name of Edwin Griffin, and that the City Treasurer, upon payment to him of said \$1, be directed to release said premises, we recommend that said resolution be adopted.

In the matter of the petition of John C. F. Tallinger, praying that the taxes for 1889, assessed to the estate of Geoffrey Tallinger, deceased, be cancelled, we find that the general city taxes of 1889 and 1890 against said estate have not been paid, and that the petitioner offers to pay the taxes of 1890 and 1891, if said tax of 1889 be cancelled. We, therefore, after due deliberation, recommend that, upon condition that said taxes against the estate of said Geoffrey Tallinger, deceased, for 1890 and 1891 be fully paid and satisfied, that said tax against said estate for 1889 be cancelled.

In the matter of the petition of Frederick S. Minges for the correction of an assessment on certain property on the corner of Goodman and East Main streets, we recommend that the same be denied.

In the matter of the redemption of the lands of Jacob F. Nagel, of lot 5, on Brighton street, we find that said lot has been sold for the taxes of 1883, 1884, 1885, 1886, 1887, 1888, 1889, and the tax of 1890 is unpaid; that the amount of said taxes and the redemption notices is in excess of the value of the property, and that a fair settlement of the matter would be the sum of \$60, in full

payment of said taxes, and we, therefore, recommend that, upon the payment of said sum of \$60, that the taxes from 1883 to 1890, inclusive, be cancelled.

In the matter of the erroneous assessment of Salomia Weibel, for the Ackerman street sewer, we recommend that her assessment be reduced from \$302.68 to \$116.10, as recommended by the assessors, and that, upon the payment of said \$116.10, said assessment be paid and satisfied.

In the matter of the erroneous assessment against Edwin S. Hayward, under ordinance No. 3,192, for Hayward avenue sewer, on lots Nos. 124, 126, 128 and 130 on Garson avenue, we find that said lots in Garson avenue cannot drain into the aforesaid sewer, and that the same cannot be of any benefit to said property, and we, therefore, recommend that the assessment on the aforesaid lots be cancelled.

All of which is respectfully submitted.

Dated June 23, 1891.

HENRY SHELTER,
JULIUS WURTZ,
JOSEPH BIERBRAUER,
J. MILLER KELLY,

Assessment Committee.

Ordered received, filed and published.

By Ald. Cook—Resolved, That the Treasurer be, and he hereby is, authorized to receive the sum of \$7.50, with interest thereon at 6 per cent. per annum to date of payment, in full payment and satisfaction of the assessment against lot No. 9 on the north side of Dayton street, for the North avenue outlet sewer, which lot is now owned by the Rochester Brick and Tile Manufacturing Company, and that said Treasurer charge the balance of said assessment to erroneous assessments, providing such payment be made within two months from this date.

Adopted.

By Ald. Cook—Resolved, That the Treasurer be, and he hereby is, authorized, to receive the sum of \$32.26, for assessment No. 3,850, on lot No. 73, eastside of Beacon street, for the Upton Park, University avenue, and Beacon street sewer, assessed to H. D. Raymond, in full payment and satisfaction of said assessment, and that the Treasurer charge the balance of said assessment to erroneous assessments, providing such payment be made within two months from this date.

Adopted.

By Ald. Cook—Resolved, That the petition of Ebenezer Hawkins in regard to assessments upon his property be, and the same hereby is, denied.

Adopted.

By Ald. Cook—Resolved, That the resolution offered at the last meeting of this Common Council by Ald. Lewis, relating to an assessment levied against certain premises under the name of Edwin Griffin, under Ordinance No. 4095, be, and the same hereby is, adopted.

Adopted.

By Ald. Cook—Resolved, That the treasurer be, and he hereby is, directed to receive the general city taxes of 1890 and 1891 against the estate of Geoffrey Tallinger, deceased, in full payment of the general city taxes of 1889, 1890 and 1891, levied against said estate, and that he change the tax of 1889 to erroneous assessments, provided such payment be made within two months from this date.

Adopted.

By Ald. Cook—Resolved, That the petition of Fred S. Minges for the correction of an assessment against certain property on the corner of Goodman and East Main streets be, and the same hereby is, denied.

Ald. Lewis moved that the resolution relating to F. S. Minges be referred back to the assessment committee.

Adopted.

By Ald. Cook—Resolved, That the City Treasurer be, and he hereby is, authorized to receive the sum of \$60, in

full payment and satisfaction of the general city taxes of 1883 to 1890 inclusive, on lot No. 5, Banker's subdivision, 52 Brighton street, in the Sixteenth ward, and assessed to Jacob F. Nagel, provided such payment be made within two months from this date, and that he charge the balance of said taxes to erroneous assessments.

Adopted.

By Ald. Cook—Resolved, That the Treasurer be, and he hereby is, authorized to receive the sum of \$116.10, in full satisfaction and payment of assessment No. 3797 on lot 38, east side of Ackerman street, assessed to Salomia Weibel, for the Bay and Ackerman streets, Webster avenue and Meng Park sewer, provided such payment be made within two months from this date; and that said Treasurer charge the balance of said assessment to erroneous assessments.

Adopted.

By Ald. Cook—Resolved, That the Treasurer be, and he hereby is, authorized to cancel the assessment, under ordinance No. 3192, for the Hayward avenue outlet sewer, on lots 124, 126, 128 and 130, on the north side of Garson avenue, assessed to Edwin S. Hayward, and mark the same fully paid and satisfied, and charge the amount of said assessments to erroneous assessments.

Adopted.

By Ald. Cook—

CITY ATTORNEY'S OFFICE,
ROCHESTER, N. Y., June 23, 1891. }

To the Assessment and Law Committees of the Common Council:

GENTLEMEN—The petition of the Rochester Social Turn-Verein to the Common Council, praying that a resolution be passed cancelling the taxes upon its real estate, and that the same be regarded as exempt from taxation under the Revised Statutes of the state, has been submitted to me, and I have carefully examined the question under consideration.

The Rochester Social Turn-Verein was incorporated by a special act, passed in the year 1866, chapter 766. In the first section of this act seven persons are named as the incorporators of this society. In the second section the object of the society is stated, that it "shall be for the improvement and perfection of physical education; also to afford relief to members thereof in case of sickness or distress."

By the subsequent sections of the statute, the corporation has the power to prescribe rules and orders for its government; to establish a day school for the education of such children as might apply, and to purchase and hold real and personal property for its benefit. It is also further provided that the general powers of the corporation are subject to title 3 of chapter 18 of the first part of the Revised Statutes.

From this analysis of the statute, it is quite clear that it does not come within the section of the revised statutes exempting property from taxation. Subdivision 3 of this section is as follows:

"Every building erected for [the use of a college, incorporated academy, or other seminary of learning, and in actual use for either of such purposes; every building for public worship; every schoolhouse, court house and jail, used for either of such purposes, and the several lots whereon such buildings are situated, and the furniture belonging to each of them," shall be exempt from taxation.

The object of the statute incorporating the Rochester Social Turn-Verein as above quoted does not come within this subdivision. Their building was not erected for the use of a college, incorporated academy, or other seminary of learning, nor has it been in actual use for any such purposes. The statutes exempting property from taxation must be strictly construed. To this rule there may be an exception, providing the corporation is, essentially, of a public character. The act incorporating the Turn-Verein is of a private character, and the rules of

law constructing the act, must come under the rule, rather than the exception.

It is, however, claimed that under section 4 of the incorporating act, said Turn-Verein building is a school house under the exemption statute. Section 4 reads as follows: "The said corporation shall have power, on receiving its act of incorporation, to establish a day school for the education of such children as may apply for admission to the same." This position, however, cannot be maintained, as the words "school house" in the exemption statute mean a public common school, such as are provided for under chapter 13, part first of the revised statutes. The power which the incorporating act gives to the Turn-Verein to establish a day school for the education of such children as may apply for admission to the same, does not bring the building of the corporation within the term of "school house."

In the case of Chegaray vs. The Mayor, etc., of New York, 13 N. Y., 220, the court laid down the rule as follows: "The houses which the plaintiff occupies stand upon three lots, but were so constructed as to be used as one building, and may be said to have been erected for her school, and she became lessee, and has ever since kept a boarding and day school for girls. The property, however, is not exempt from the payment of taxes. Not as a "school house," for the use of that word is familiar in this state, and its meaning in our school laws cannot well be mistaken, and we cannot suppose it was here used in a different sense. It is a building provided for the uses of our public schools." This decision was approved in Association for Colored Orphans vs. Mayor, 104 N. Y., 581.

In this case the plaintiff was a corporation incorporated under Chapter 232 of Laws of 1833, for the purpose of providing and maintaining a place of refuge for colored orphans where they shall be boarded and suitably educated until an age to be bound or apprenticed. Though this was a corporation for the only purpose of maintaining and educating children, still it was held its property did not come within the meaning of "schoolhouse." Decisions of the same tenor have been since rendered by the Court of Appeals and it is therefore clear to me that the property of the Turn-Verein in the City of Rochester, incorporated under the Laws of 1866, Chapter 766, does not come within the exemptions, provided by Section 4, of Title 1, Chapter 13, part second, of the Revised Statutes.

Respectfully yours,

C. D. KIEHEL,
First Assistant City Attorney.

Referred to the Law and Assessment Committees.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your Law and Assessment Committee, having had a joint meeting, and having considered the matter of the petition of the Rochester Social Turn-Verein for exemption of their property from taxation within the City of Rochester do hereby report, that, after having secured the opinion of the City Attorney, and after due deliberation, we recommend that said petition be denied.

By Ald. Lewis—Resolved, That the petition of the Rochester Social Turn-Verein of Rochester, praying for the exemption from taxation of their property within the City of Rochester be, and the same hereby is, denied.

Adopted.

By Ald. Kelly—

To the Honorable, the Common Council of the City of Rochester :

GENTLEMEN: Your committee on Charter Amendments and Penal Ordinances, to whom was referred several penal ordinances for police regulations in the City of Rochester, hereby makes the following report:

That at a meeting of said committee, the matter of the penal ordinance relative to teamsters was heard by several parties interested in and opposed to the same, and the same has been duly considered by us; that we are of the opinion, after having been duly advised by the City Attorney that said ordinance discriminates as to non-resident and foreigners, and that this Common Council is not vested with such power to discriminate under the charter, and under the laws of this state, and cannot arrogate to its own inhabitants additional rights and privileges to those enjoyed by other citizens of the state, and that, therefore, we report adversely to said ordinance.

Respectfully submitted,

MISCELLANEOUS BUSINESS.

By Ald. Lewis—

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., June 16, 1891.

To the Honorable, the Common Council of the city of Rochester:

GENTLEMEN: For the year 1887 there was assessed against Charlotte Stewart for the general city tax, lots north part of No. 1 assessors sub of town lots 43, 44 and 51, on the east side of Goodman street, under the valuation of \$4,000, and against Helen E. Waters the south part of the same lot, under the valuation of \$6,000.

These valuations, as it appears, are transposed as to the relative value of the property, and at the time of payment of Mrs. Waters, which was on the 20th day of August, 1887, she was advised by the assessors and treasurer to pay an amount that would pay the tax on the valuation of \$4,000. This she did, and took the Treasurer's receipt for \$62.98, leaving a balance unpaid of \$31.49. She was told at the time that there would be prepared a resolution charging the balance to erroneous assessments.

This not being done the balance of the tax was sold March 29th, 1888, to C. C. Seymour, the expenses thereto making the amount \$35.78.

I would therefore deem it advisable for you to refer the matter to the Assessment Committee, and have them act for best interest of all concerned.

Very respectfully,

S. B. WILLIAMS.

Referred to the Assessment Committee to report at the next meeting.

By Ald. Kelly—Communication from A. W. Hakes with reference to dedicating Ringle Park. Referred to the Executive Board.

By Ald. Cook—Petition of Charles A. Widler, Franklin B. Pease and Mrs. C. E. Smith, to erect wood buildings. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Adams—

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., June 23, 1891.

To the Honorable Common Council:

GENTLEMEN: Under ordinance number 4,426 for Upton Park brick pavement, the contract has been awarded and the work is now in process of construction.

The present double roadway will be abandoned and a single roadway substituted therefor, necessitating the removal of seven (7) Rochester gas lights now situated in the center of Upton Park. As this will leave the street without any lights whatever, I recommend the immediate erection of three (3) Rochester electric arch lights in said street at the following specified locations: One at the corner of University avenue, one between University avenue and the angle in Upton Park and the discontinuance of seven (7) Rochester gas lights.

Respectfully,

OSCAR H. PEACOCK, City Surveyor.

Ordered received, filed and published.

Ald. Tracy moved that rule 43 in relation to erection and placing of electric lights and gas lights be suspended.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer,

Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis—15.

By Ald. Adams, Resolved that the Rochester Electric Light Company be and is hereby directed to erect three (3) arc lights in Upton Park at the following specified points, viz.:

One at the corner of University avenue. One between University avenue and the angle in Upton Park and one at the angle in Upton Park.

Resolved, That the Rochester Gas Light Company be and hereby is directed to discontinue seven (7) gas lights on Upton Park, and the City Surveyor is directed to make the proper notification.

Adopted.

Ald. Shelter moved that the City Surveyor be directed to prepare ordinances for a brick and a Medina stone improvement in Trout street, from Prospect street to Reynolds street.

Adopted.

Ald. Shelter moved that the Surveyor prepare an ordinance for a pipe sewer in Hume street.

Adopted.

Ald. Cleveland moved that the Surveyor prepare ordinances for the following named improvements: Cement walk on Union street, from Monroe avenue to Pearl street; cement walk on Pearl street, from Alexander street to Griffith street; also an ordinance to raise the grade on Union street, from East avenue to Monroe avenue, where necessary.

Adopted.

By Ald. Cleveland—Resolved that the Law and Finance Committees be and hereby are requested to prepare an amendment to Chapter 347, Laws of 1890, known as East Side Trunk Sewer Act and submit same to this Council for approval.

Adopted.

Ald. Cleveland presented a communication from Sidney B. Roby in relation to the laying of a conduit to Hemlock lake, and moved that it be received and filed and referred to a committee of three members of this Board, neither of whom shall be appointed from the present committee on water supply.

Adopted.

By Ald. Rauber—

ROCHESTER, N. Y. June 23, 1891.

To the Honorable the Common Council of the City of Rochester.:

GENTLEMEN: I would respectfully report that the time in which the survey of the first fourteen wards of the city, and mapping of the same for the assessors was to have been completed, has nearly expired.

Up to the present time nine of the fourteen wards have been substantially completed, leaving the Fifth and and Sixth wards on the East Side, and the Second, Ninth and Eleventh wards on West Side yet to complete.

Owing to the vast amount of detail in connection with this work, the mass of records, public and private, to be examined, and the necessity of strict accuracy in all parts of the work, it seems to be quite impossible to form a very close estimate as to time, and consequently I am compelled to request a further extension of two years' time to finish the work.

Yours respectfully,

JOHN C. RYAN.

Referred to the map and survey committee.

By Ald. Lewis—Resolved, That the City Surveyor be instructed to prepare an ordinance for a plank sidewalk on Mt. Hope avenue, from the present end of the sidewalk to the city line.

Adopted.

Ald. Lempert presented his resignation as a member of the Committee on the East Side Trunk Sewer.

Ald. Lewis moved that the resignation be accepted.

Adopted.

Ald. Lewis moved that Emil Kuichling, Chief Engineer of the Rochester Water Works be requested to prepare the plans and specifications for the proposed East Side Trunk Sewer in com-

pliance with the terms of his contract with the City of Rochester as set forth on page 220 of the Common Council proceedings of 1887-1888.

Adopted.
 The President of the Board announced the following as the committee on the communication of S. B. Roby:

Ald. Shelter, Cook, Bierbrauer.
 On motion of Ald. Tracy the Board then adjourned.

PETER SHERIDAN, City Clerk.

In Common Council—June 30, 1891.

REGULAR MEETING.

The clerk called the meeting to order.
 Ald. Lewis moved that Ald. Cleveland act as chairman pro tem.

Adopted.
 Present—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.
 Absent—Ald. Lempert, Shelter—2.

APPROVAL OF MINUTES.

The minutes of the preceding meeting were approved as published.

PRESENTATION OF PETITIONS, ACCOUNTS, ETC., AND THEIR REFERENCE.

By Ald. Cleveland—Petitions of Arthur L. Nicholson and William F. Elliott for permission to erect wood buildings. Referred to the Wood Building Committee and Fire Marshal with power to act.

Also, petition for electric light on Beckley street. Referred to the Lamp Committee.

By Ald. Bohrer—Resolved, That the sum of nine hundred (\$900) dollars, at which William Aikenhead, the owner of the lands and premises necessary to be acquired and taken for Wheeler Alley extension, under Final Ordinance No. 4,450, will sell the easement and right of way through lands required for said Wheeler Alley extension, as stated in the report of the Executive Board, is satisfactory and declared to be reasonable by this Common Council, and is hereby approved, and that, upon the certificate of the City Attorney to the effect that said William Aikenhead has executed and delivered a proper conveyance of the easement and right of way of said lands to the city of Rochester, free and clear of all incumbrances, the City Clerk draw an order upon the City Treasurer, payable from the Contingent Fund, in favor of William Aikenhead for the sum of nine hundred (\$900) dollars, and that the Treasurer pay the same from the Contingent Fund, and charge and carry the same to the fund for said extension of Wheeler Alley, when created.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
 ROCHESTER, N. Y., June 30, 1891. }

To the Common Council:

GENTLEMEN: The Executive Board hereby recommend to the consideration of your honorable body the necessity of improving Platt street from State street to Allen street, by paving the same with Medina stone; the repaving of Mumford street from State street to river bridge, and also Court street from Exchange street to river bridge.

The reconstruction of the two last named streets have been recommended heretofore, but the work has been postponed or delayed for one cause or another up to the present time.

The necessity for repaving of those streets is apparent to anybody who has occasion to travel over them. Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
 ROCHESTER, N. Y., June 30, 1891. }

To the Common Council:

GENTLEMEN—In accordance with your request the Executive Board has caused notices to be issued to the several owners of property whose lands are to be taken for the proposed widening of Clinton Park, and but few of the whole number interested called at the office of the Executive Board, and only one gave a price which would be accepted for the property which the city proposes to acquire.

It is therefore thought expedient on the part of the Executive Board to recommend that your honorable body commence the condemnation proceedings for which the charter makes provision. Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Zimmer—

Whereas, No agreement for the purchase of lands necessary to be taken for Clinton Park widening under final ordinance No. 4,475, can be made; therefore,

Resolved, That a copy of said ordinance and of this resolution, together with a map of the street, be made and filed in the office of the city clerk, which map shall show thereon the lots, tracts and parcels of lands which are deemed necessary to be taken, and the commencement, course and termination of the said street proposed to be laid out, according to the provisions of section 174 of the revised city charter, and that the city attorney be, and he hereby is, instructed to take and institute such proceedings, from time to time, as may be necessary to secure such street opening, as is provided by said city charter.

Adopted.

By the Clerk—
ROCHESTER, N. Y., June 30, 1891.

Peter Sheridan, Esq., City Clerk:

I hereby certify that at a regular meeting of the Board of Education held June 22d inst., the following resolution was adopted.

Yours respectfully,
MILTON NOYES, Clerk pro. tem.

By Com. Stahlbrodt—Resolved, That the Building Committee and the Common Council be authorized to sell the two houses on lots No. 23 and 26, north side of Chatham street, selected as a site for No. 10 School.

Carried.
Referred to the Law Committee.

By the Clerk—
ROCHESTER, N. Y., June 30th, 1891.

To the Honorable the Common Council:

GENTLEMEN—At a meeting of the Board of Health held June 18th, 1891, the following action was taken:

“Mr. Bowman complained of the condition of the sewer on Second street, in the Ninth ward, that the sewer was completely clogged up, and that when the sewer flushers attempted to flush out the sewer that the sewage ran into the cellars of the property owners living on the street.”

On motion of Com. Beigler referred to the Common Council to prepare an ordinance.

A true copy from the minutes.
PETER SHERIDAN, Clerk.

Referred to the City Surveyor.
By the Clerk—
Claim of Mrs. Sarah Robinson and Frank X. H. Erbland and Gilbert Pease, for damages.

Referred to the Law Committee.
By the Clerk—
CITY CLERK'S OFFICE,
ROCHESTER, N. Y., June 23, 1891.

To the Honorable Common Council:

GENTLEMEN: I hereby report the following named persons have qualified and taken the oath of office required by law, viz.: John A. P. Walter, fire marshal; S. J. Wagoner, special city assessor; M. T. Morse, C. H. Smith, H. B. Henderson, James Malley, Daniel C. Bascom, John H. Ashton, D. J. Cushman, Frank King, E. S. Ray, Charles J. Pike, R. S. McMahon, A. C. Watson, L. M. Miller, John E. Finzer, M. O'Malley, George L. Mattison, P. Conway, A. Block, James R. Harr, Charles H. Smith, James M. Hamilton, George Smith, S. J. Wagoner, Irving Moses and Edward A. Cowley,
Commissioners of Deeds.

PETER SHERIDAN, City Clerk.
Ordered received, filed and published.

By the Clerk—
To the Honorable, the Common Council, of the City of Rochester:

We the undersigned occupants of the City Hall Building would respectfully petition your honorable body to pass an ordinance prohibiting any and all steam boats from tying up on the Erie canal between Fitzhugh and Exchange streets.

The noise from the whistles and escaping steam of the boats tying up at the foot of Irving Place makes it a difficult matter to transact business in the various offices of the City Hall Building, while the smoke and soot escaping from the smoke stacks of the boat create an unbearable nuisance.

The present ordinance passed November 30, 1880, will not cover the case if sought to be enforced.

GEORGE E. WARNER,
THOMAS J. NEVILLE,
For Executive Board.
W. F. CHANDLER.

Referred to the Penal Ordinance Committee.

Dr. R. C. Cartwright, John Calder, Charles E. Bostwick, Nellie S. Young, Albert C. Milow, Mabel Gray and Frank S. Hutchinson having received the concurrent vote of the Common Council, were declared duly appointed Commissioners of Deeds.

MISCELLANEOUS BUSINESS.

By Ald. Calihan—Petition for Edison electric lights on Brown's Race, referred to the Lamp Committee and City Surveyor.

By Ald. McMillan—Petitions of Robert Blair and M. McRoden, in relation to erroneous assessments, referred to the Assessment Committee.

By Ald. Rauber, Resolved, That the amount deducted by the resolution of this Common Council

cil, passed June 2nd, 1891, from the assessment for North St. Paul street asphalt improvement, under Final Ordinance No. 4,086, be, and the same hereby is, charged to erroneous assessments.

Adopted.

By Ald. Rauber, Resolved, That the amount deducted by the resolution of this Common Council, passed June 16th, 1891, from the assessment for North St. Paul street Medina stone improvement, under Final Ordinance, No. 3,729, be, and the same hereby is, charged to erroneous assessments.

Adopted.

By Ald. Cleveland—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to issue the city's note for the sum of ten thousand dollars (\$10,000.00), under authority of the statute made and provided therefor, for the purpose of defraying the costs, expenses and disbursements preliminary to the construction of the East Side Trunk Sewer; said note to be discounted, under the direction of the Finance Committee, and to be countersigned by the Chairman of the Finance Committee, and the discount thereon to be charged to the contingent fund, and the proceeds of said note to be credited to the Board of Commissioners, as provided in and by chapter 347 of the laws of 1890, for the payment of the aforesaid costs, expenses and disbursements, and that the city be reimbursed for the amount of said note from the proceeds of the fund raised by the issue of the bonds known as the "East Side Trunk Sewer Bonds," provided for by the aforesaid laws.

Adopted by the following vote:

Ayes—Ald. Tracy, Callihan, McMillan, Zimmer, Rauber, Cleveland, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

By Ald. Cleveland—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your Finance Committee, to whom has been referred the communication from the Civil Service Commissioners to this body, asking that the commissioners, appointed under Schedule B., part second of the law and regulations governing the Civil Service of the city of Rochester, be compensated for their services rendered as such, we do hereby report that we have carefully examined the statute under which said Civil Service Commission is created, and have duly considered the matter and we find that said commissioners have devoted a great deal of time to the examination of candidates for the several offices included in said statute, and that a fair compensation for their services is just and proper.

We therefore recommend that each of said commissioners be compensated for their services rendered as such at the yearly salary of one hundred and eighty dollars, the same to begin on the first day of May, 1891, and the same to be paid quarterly.

All of which is respectfully submitted,

S. D. W. CLEVELAND,
MERTON E. LEWIS,
STEPHEN RAUBER,
J. MILLER KELLY.

Finance Committee.

Ordered received, filed and published.

By Ald. Cleveland, Resolved, That Samuel B. Moulthrop, Charles Roe and George A. Carnahan, the Civil Service Commission, appointed by the Mayor, under Schedule B., Part 2d, under the laws and regulations governing the Civil Service of the City of Rochester, receive and each be paid a salary or compensation of one hundred and eighty dollars per year, from and out of the Contingent Fund, during the time they may act, or be employed, as such commissioners, from and including May 1, 1891; said salaries to be paid quarterly, and in the same manner that salaries of other city officials are paid.

Adopted by the following vote:

Ayes—Ald. Tracy, Callihan, McMillan, Zimmer, Rauber, Cleveland, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

By Ald. Cleveland, by request—Resolved, That the Executive Board be and hereby is requested to place a fire alarm box on the corner of Bronson avenue and Summer street.

Adopted.

By Ald. Cleveland, by request—Resolved, That the City Surveyor be directed to renumber Columbia avenue from Jefferson avenue to Genesee street.

Adopted.

By Ald. Cleveland, by request—Resolved, That the Executive Board be directed to remove the obstructions on Champlain street, between Reynolds street and Jefferson avenue.

Adopted.

By Ald. Cleveland, by request—Resolved, That the Executive Board be, and hereby is, respectfully requested to immediately remove obstructions in Heisel alley from Jefferson avenue to Snyder street.

Adopted.

By Ald. Wurtz—Petition for an asphalt pavement on Emerson street.

Referred to the City Surveyor to prepare an ordinance.

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., June 30, 1891.

Alderman Wurtz, Chairman of the Map and Survey Committee:

DEAR SIR: John C. Ryan is entitled to the sum of two hundred and fifty dollars (\$250.00) for work completed under his contract for the survey of the first fourteen wards of the city. I recommend the payment of that amount.

Yours respectfully,

OSCAR H. PEACOCK,
City Surveyor.

Ordered received, filed and published.

By Ald. Wurtz—Resolved, That the City Clerk be, and hereby is, directed to draw an order on the City Treasurer for the sum of two hundred and fifty (\$250) dollars in favor of John C. Ryan, as partial payment for work performed under his contract with the City of Rochester for the survey of the first fourteen wards of the city, and charge the same to the contingent fund.

By Ald. Bierbrauer—Resolved, That the Lamp Committee be requested to erect an arc light on the corner of Maple and York streets. Referred to the Lamp Committee and City Surveyor.

By Ald. Fox—Resolved, That an electric light be placed on Helena street between Hudson and North streets, and two electric lights be placed on Kelly street between St. Joseph and Hudson streets. Referred to the Lamp Committee and City Surveyor.

By Ald. Lewis—Remonstrance against cement walks on Arklow street. Ordered received and filed.

By Ald. Lewis—

To the Honorable, the Common Council:

GENTLEMEN - The undersigned respectfully represent that they are engaged in the manufacture of asphalt pavements and have their manufactory established on the south side of

Poplar street, at a distance of about 150 feet east of Hebard street and 250 feet west of North Union street. That there is no water main in Poplar street, but a six inch dom. main in both Hebard and North Union street, and they are desirous of obtaining water for the carrying on of their business. They therefore request your honorable body to extend a four (4) inch cast iron main from the end of said 6 inch main in Hebard street to a point opposite their said works, provided there are funds applicable therefore not otherwise appropriated. They further undertake to do the necessary trenching for said extension and backfilling after said main is laid.

Respectfully submitted,

WARREN-SCHARF ASPHALT PAVING Co.,
By H. Mark Smith, Jr., Supt.

Ordered received, filed and published,
By Ald. Lewis—Resolved, That the extension as asked for by the petitioners, the Warren-Scharf Asphalt Paving Co., is hereby granted, and the Executive Board are hereby directed to furnish material for and lay said main, provided there are funds applicable therefore, not otherwise appropriated.

Adopted.
By Ald. Lewis—

By Ald. Kelly—
To the Honorable, the Common Council of the City of Rochester :

GENTLEMEN: Your Charter Amendment Committee begs leave to make the following report: The communication in respect to the noise and smoke from steamboats on the canal in the various offices of the City Hall has been duly considered, and we find that the steamboats which are loading and unloading on Irving Place are violating an ordinance passed by the Common Council in the year 1887, but that the ordinance preventing the escape of smoke and soot from steamboats, has been suspended until January 1, 1892. We also find, under advice, that the City of Rochester has a cause of action against any of the parties for issuing such smoke into the offices of the City Hall.

We, therefore, recommend that the City Attorney be instructed to communicate and advise with the Superintendent of the division of the canal to which Rochester belongs, and endeavor to adjust the matters complained of amicably and satisfactorily to both parties.

Respectfully submitted,

J. MILLER KELLY,
 S. D. W. CLEVELAND,
 M. B. ADAMS,

Committee.

Ordered received received, filed and published.
 By Ald. Kelly—Resolved, That the City Attorney be, and he hereby is, instructed to communicate with George Chambers, of Buffalo, N. Y., the Superintendent of the canal which includes The City of Rochester, in regard to the nuisance created by steamboats landing at the rear of the City Hall and at Irving Place, and take such steps that the same may be abated at the earliest day.

Adopted.

By Ald. Lewis—

To the Honorable, the Common Council, of the City of Rochester:

GENTLEMEN: The petitions of The Rochester & Honeoye Valley Railroad Company, referred to this Committee at the meeting of the Common Council, held on June 16th, have been considered at the several meetings of the Committee, and the several parties interested in the matter set forth therein have been heard. We find that said railroad company can amicably arrange with the abutting owners on Clarissa street for the damages which might arise by raising the grade of the street, and that said company is willing to pay all the expenses of raising the bridge necessary to permit the company to go under it, and construct the bridge to the satisfaction of the City Surveyor. We, therefore, recommend that the Common Council grant consent and permission to said railroad company to raise the Clarissa street bridge and its approach to such a height, and in such a manner, as may be deemed proper and satisfactory to the City Surveyor, not to exceed, however, three and one-half feet at the highest point, upon condition that said railroad company pay to, and satisfy the abutting owners on said Clarissa street for such damages as may be caused by the change of the grade of said street.

In the matter of the bills of the Inspectors of Election of the Eighth district of the Sixteenth ward, referred to this committee by your honorable body, we would say, that we have made inquiries, and find, that before the City Clerk made out and delivered to the chairman of the Board of Inspectors the warrant, objection has been made to him to the payment of the money to the chairman, but, through inadvertence, the warrant was made out, and the money received by him. Under the resolution by virtue of which the City Clerk had power to draw the warrant in favor of the chairman, we regard the city still liable to the inspectors for their respective shares, and we, therefore, recommend that this Common Council direct the City Clerk to draw orders upon the treasurer, in favor of Henry Leeston, William Kileway, William Steinhauser and Charles Wilkes for their services as Inspec-

tors of Election of the Eighth district of the Sixteenth ward.

On the ninth day of April, 1891, a judgment was taken against the city in favor of Walter F. Avenell and James E. Kelly for \$200, damages costs, and a permanent injunction closing up Ethel street. This judgment was taken by default for failure to answer, through inadvertence and oversight of the City Attorney. At the last special term an order was granted, and upon motion, setting aside this judgment, and opening the default, upon condition that the costs of the motion and of entering the judgment be paid to the plaintiffs' attorney. These costs will have to be paid by the city as a condition for allowing the City Attorney to continue the action. We, therefore, recommend that, upon the certificate of the City Attorney showing that a receipt for the same has been filed in his department, the City Clerk be authorized to draw an order upon the Treasurer in favor of said plaintiffs' attorney for the sum of \$30.50, the amount of said costs.

A judgment has been recovered against the city in favor of Rosella E. Pike, for the sum of \$100.48, and, under the advice of the City Attorney, we do not regard an appeal proper, and, therefore, recommend that the judgment be paid, upon the defendant, or her attorney, filing the proper satisfaction piece thereof with the City Attorney.

All of which is respectfully submitted,

MERTON E. LEWIS,
 MARTIN J. CALIHAN,
 S. D. W. CLEVELAND,
 Law Committee.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the City Clerk be, and he hereby is, directed to draw orders upon the City Treasurer, in favor of Henry Leeston, William Kileway, William Steinhauser and Charles Wilks, respectively, for the sum of twenty-five dollars, in full for their respective services as Inspectors of Election of the Eighth district of the Sixteenth ward, and that the City Treasurer be, and he hereby is, authorized to pay said amounts to said persons respectively, and charge the same to the contingent fund.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

By Ald. Lewis—Resolved, That upon the certificate of the City Attorney that proper receipts have been delivered to him for record, that the clerk be and he hereby is, directed to draw an order upon the treasurer, payable from the contingent fund, in favor of Norris Bull, Esq., attorney for Walter F. Avenell and another, for the sum of thirty dollars and fifty cents, in full of the costs granted in said action for opening the default and setting aside the judgment.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

By Ald. Lewis—Resolved, That upon the certificate of the City Attorney, that a proper satisfaction piece has been delivered to him for record, that the Clerk be, and he hereby is, directed to draw an order upon the Treasurer, payable from the contingent fund, in favor of John E. Desmond, Esq., attorney for Rosella E. Pike, for the sum of \$100.48, with interest thereon from July 8th, 1891, in full payment and satisfaction of the costs rendered against the city in favor of said Rosella E. Pike, in an action in the Monroe County Court.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

By Ald. Cook—

To the Honorable, the Common Council of the City of Rochester :

GENTLEMEN: Your Assessment Committee begs leave to make the following report:

In the matter of Joseph Traugott's application in regard to an error in the payment of the general city tax for 1881, we find that upon the 5th day of July, 1888, a clerk of the City Treasurer made out a tax bill for said Traugott, and made a mistake in the amount, placing upon said Traugott's bill \$14.74, when the book shows his tax to be \$37.67. We find that the amount so paid, was the amount immediately above said Traugott's tax in the assessment book, and that, thereafter, and on the 19th day of July, 1888, when the parties offered to pay the tax already paid by Mr. Traugott, the clerk, discovering his mistake, credited the amount of \$14.74 to Mr. Traugott's tax, and afterwards Mr. Traugott's property was sold for the balance of the city taxes, and the city bid in the property. We, therefore, recommend that Mr. Traugott be allowed to pay the balance of said tax, to wit: \$22.93 in full payment of said general tax of 1888, with interest and costs.

In the matter of the erroneous assessment against John O. R. Wilson, we find that Mr. Wilson was assessed erroneously for Avenue A pipe sewer improvement, and that, upon the investigation of the assessors, we find that Mr. Wilson ought to be allowed the sum of \$65 on said assessment. We also find that the city treasurer refused to receive Mr. Wilson's taxes and assessments due from him in the year 1888, amounting to \$320.05, and that the matter has been before the Assessment Committee from time to time, and, for various reasons, has been delayed to this date. We, therefore, recommend that said Wilson be allowed to pay the sum of \$255.05, with interest thereon at the rate of 6 per cent., in full payment of said tax and assessments, provided the same be paid within thirty days from the adoption of the resolution accompanying this report.

In the matter of the petition of Catherine Zimmer, asking for relief from the payment of the general city taxes on certain lots in the Sixteenth ward, we find the property owned by Catherine Zimmer are small lots in the Sixteenth ward, and that the taxes thereon for the last ten years remain due and unpaid, and that the property has been repeatedly sold for taxes and bid in by the city. We, therefore, recommend that she be allowed to pay said taxes on said lots, as assessed, with interest thereon at the rate of 6 per cent. per annum, providing the same be paid within thirty days after the adoption of the resolution accompanying this report.

Respectfully submitted,
HENRY G. COOK,
HENRY SHELTER,
J. MILLER KELLY,
JULIUS WUREZ,
JOSEPH BIERBRAUER,
 Assessment Committee.

Ordered received, filed and published.

By Ald. Cook—Resolved, That the Treasurer be, and he hereby is authorized to receive the sum of \$22.93, with interest at the rate of 6 per cent. per annum to date of payment, in full payment and satisfaction of the balance of the general city tax of 1888, due the city from Jacob Traugott, and that said Treasurer charge the balance of said tax to erroneous assessments, provided, however, that such payment be made within thirty days from the passage of this resolution.

Adopted.

By Ald. Cook—Resolved, That the Treasurer be, and he hereby is, authorized to receive the sum of two hundred and fifty-five dollars and five cents, with interest thereon at the rate of six per cent. per annum, to date of payment, in full payment and satisfaction of the general tax and assessment due said city from John O. R. Wilson, as appears upon the books of the City Treasurer in the year 1888, and that said Treasurer charge the balance of said tax to erroneous assessments, provided such payment be made within thirty days from the passage of this resolution.

Adopted.

By Ald. Cook—Resolved, That the City Treasurer be, and he hereby is, authorized to receive

all the taxes assessed to Catharine Zimmer, upon lots Nos. 19 and 20 in Gent's plat, in the Sixteenth ward, with interest on said taxes at the rate of 6 per cent. per annum, to the date of payment, in full payment and satisfaction of the certificates of sale, interest and expenses, now a lien upon said property, and that said treasurer charge the balance of the interest and expenses to erroneous assessments, providing such payment be made within thirty days from the passage of this resolution.

Adopted.

 MERTON E. LEWIS,
 HENRY SHELTER,
 J. MILLER KELLY,
 Lamp Committee.

Ordered received, filed and published.
 By Ald. Adams—Resolved, That the Rochester Electric Light Company, the Brush Electric Light Company; the Edison Electric Illuminating Company and the Rochester Gas Light Company be, and are each respectively directed to comply with that portion of the report of the Lamp Committee relating to each company, when notified by the City Surveyor; and he is hereby directed to make the proper notification, with such directions as may be necessary to insure the correct location of each light.

Adopted by the following vote:
 Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.
 By Ald Lewis—Whereas, The Rochester & Homeoye Valley Railroad Company has presented its application asking leave to construct its railroad across Clarissa street, in the City of Rochester, and to raise the east end of the Clarissa street bridge across the Genesee river and the Erie canal feeder, in order that such construction and crossing by said railroad may be under the grade of said street therefore.

Resolved, That the consent of the City of Rochester and of this Common Council thereof be, and is hereby granted to said Rochester & Homeoye Valley Railroad Company to construct and operate its railroad across said Clarissa street under the grade of Clarissa street bridge, in compliance with the following terms and conditions. The Common Council of the City of Rochester to establish a new grade of Clarissa street bridge, and of a portion of Clarissa street adjoining the east end thereof, as follows, viz: Beginning at the surface of the roadway of the west end of Clarissa street bridge; thence extending easterly in a direct line to a point over the west edge of the Erie canal feder at an elevation of 3½ feet above the present surface of the roadway of Clarissa street bridge at that point; thence easterly on a descending grade at 3.2 feet in 100 feet until intersecting the present grade of Clarissa street at a point nearly opposite the center of Wolcott street.

Said Railroad Company shall raise that portion of Clarissa street bridge spanning the Genesee river to the proposed new grade line, said bridge as elevated to be supported on piers constructed of well dressed stones of proper dimensions to render the bridge stable and safe. The eastern span of said bridge after the completion of said improvement shall be the property of of the said

Railroad Company, and shall be removed by said Company. In place of said span so to be removed, said Railroad Company shall erect two (2) spans of iron bridge, the upper surface of the roadway of each conforming to the grade line heretofore designated. One span to be erected across the space proposed to be occupied by said railroad, between the Genesee river and the Erie canal feeder, and one span to be erected across said Erie canal feeder. Said bridges to be constructed of iron, with oak floor joists and flooring, supplied with the necessary hand railing and of approved design for strength and stability. After the erection of said bridges, said railroad company to re-adjust all that portion of the roadway and sidewalks of Clarissa street affected by the proposed new grade, and make it conform to said new grade line. The adjustment of the sidewalk on the north side of Clarissa street opposite the Wolcott property, to include such an amount of masonry retaining wall as may be necessary to properly strengthen the front wall or portion of the building at that point. All work to be performed in a neat, careful and workmanlike manner at the expense of said Rochester & Honeoye Valley Railroad Company, to the satisfaction of the Executive Board and City Surveyor, and without any interruption to the public travel through said Clarissa street, except such as may be necessary for safety or as may be granted by the Executive Board of the city of Rochester.

Adopted by the following vote:
 Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—
 MAYOR'S OFFICE,
 ROCHESTER, N. Y., July 7, 1891. }

To the Honorable Common Council:
 GENTS.—The resolution passed at the last regular meeting offered by Ald. Fox, changing the name of North avenue to North street, I disapprove of for the following reasons: The property owners on North avenue do not want to have the name of their avenue changed, as the communication attached does indicate. It is claimed that the alderman of the Sixth ward was absent from the Council, therefore, in justice to the large number of names on the communication, the changing the name of such an important avenue should be laid on the table for two weeks, so that the taxpayers could have an opportunity to be heard on the subject. For these and other reasons I return this part of the proceedings unapproved.
 Respectfully yours,
 WM. CARROLL,
 Mayor.

Ordered received, filed and published.
 On motion of Ald. Fox the veto was referred to a select committee of three.

By the Clerk—
 OFFICE OF THE EXECUTIVE BOARD,
 ROCHESTER, N. Y., July 14, 1891. }

To the Common Council:
 GENTLEMEN: The Executive Board begs leave to report that they have examined West Wilson street extension, Oscar street and Pippin street, and find that all the necessary conditions required for the acceptance of streets for public uses have been complied with, and they would respectfully recommend their acceptance for public purposes.

In the case of Hempel Park the Board find that a sewer has been constructed in said park which leaves the roadway in such a condition that the Board deems it not expedient to accept the street until such time as it is properly graded and its surface made safe for travel.

Respectfully,
 THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.
 By Ald. Lewis—Resolved, That the dedication of the above mentioned streets, West Wilson avenue, Oscar street and Pippin street, as mentioned in the foregoing communication of the Executive Board be, and the same is hereby, accepted, and the Clerk is hereby directed to enter the name of such streets in the public street registry kept by him, and said Executive Board is hereby instructed to place the usual street signs, where needed, at the corners of said streets.

Adopted.

To the Honorable, the Common Council of the city of Rochester:

GENTLEMEN: At a meeting of the Board of Health, held July 9, 1891, the following action was taken:

By Com. Biegler—Resolved, That the Clerk of this Board be, and he hereby is, directed to communicate with the Common Council of the City of Rochester, and inform the said Common Council that this Board has declared the sewer known as the Front street outlet, in its existing condition, to be a public nuisance, and detrimental to the public health, and that the said Common Council has heretofore been requested by this Board to take such action as would be proper and sufficient to abate such nuisance; and, further,

Resolved, That if the said Common Council does not take action to abate said nuisance, then this Board will proceed to abate the same, and charge the expense thereof to the general fund of the City of Rochester.

Adopted by the following vote:
 Ayes—Coms. Carroll, Biegler, Hoyt, Derrick, Kondolf, Howe.—6.

Mr. E. H. Vick complained that there was no sewer in Donlon street; that water collected in the cellars of the people living on the street, to the great detriment of their health.

Inspector Nothacker presented the following report:

To the Honorable Board of Health, the City of Rochester:

GENTLEMEN: I have inspected the cellars of houses on Donlon street. In a double house owned by E. H. Vick, I found several puddles of water in cellar, cellar bottom very soft. In five other cellars that I examined, I found the bottom of the cellars very moist. There is no other way of draining the cellars properly than to construct a sewer in the street. At present Mr. Vick drains his sink water into cess pools in his yard.

Respectfully,
 JOHN NOTHACKER, Inspector.
 Com. Biegler moved that the complaint and report be referred to the Common Council, with recommendations to pass an ordinance for the construction of a sewer in Donlon street.

Adopted.
 I hereby certify the foregoing a true copy from the minutes.

MONROE COUNTY CLERK'S OFFICE, }
ROCHESTER, N. Y., July 7, 1891. }

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Among the twenty-two sectional amendments made to the Ballot Reform Act of 1890, by Chapter 296 of the Laws of 1891, I desire

to call your attention particularly to the one relating to the division or alteration of election districts, which, when carried into effect, will reduce the present number of election districts in the city nearly one-third, and thus correspondingly decrease the number of election officers.

Section 23 of the original act has been amended in this particular: "On or before the first day of August in the year 1891, (formerly September 1st), and in each year thereafter, the officers now charged by law with the division or alteration of election districts shall alter or divide the existing election districts, whenever necessary, in such manner that each election district shall contain not more than four hundred voters," (formerly three hundred).

You are probably aware that a vast amount of labor was involved in redistricting the wards last year, which work will have to be again repeated. As it will be necessary for me to be made acquainted with the number of election districts designated for the city, in order that the proper number of ballots be arranged for, redistricting of the city on or before the first of August next.

The following table prepared for your guidance shows the number of votes registered in the city at the last preceding election, together with the present number of election districts, and the number of districts hereafter required:

MONROE COUNTY COURT.—In the matter of opening a street from Jefferson avenue to Genesee street, in the City of Rochester.

To the Honorab le, the Common Council of the City of Rochester:

GENTLEMEN—The undersigned, who were appointed by an order of the Monroe County Court, granted on the 16th day of March, 1891, and duly entered on the 19th day of March, 1891, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants, of the lands and buildings to be taken for the opening of a street from Jefferson avenue to Genesee street, in the City of Rochester, will be entitled to for the same, respectfully report and certify their award of damages, as incident to the opening of said street, as follows:

The several pieces and parcels of land required for such purpose, and necessary for the opening of said street, are described as follows:

1—All that tract or parcel of land, situate in the City of Rochester, formerly town of Gates, County of Monroe, and State of New York, and bounded and described as follows:

Beginning at the northeast corner of lot sixty-seven, as laid down upon James Sperry's map of his subdivision of part of lots 12, 24 and 36 in the 4000 acre tract, formerly in the town of Gates, now in the city of Rochester; thence west, along the north lines of lots 67, 66, 65, 64 and 63 of said subdivision, to the northwest corner of said lot 63; thence south, along the west line of said lot 63, twenty-five feet, to a point; thence east, parallel with said north line, and twenty-five feet southerly therefrom, to the west line of Jefferson avenue, or east line of said lot 67; thence north, on said east line of said lot 67, twenty-five feet, to the piece of beginning.

These premises are owned by John G. Zweigle.

2—Also, all that other tract or parcel of land, situate in the city aforesaid, described as follows:

Beginning at the northeast corner of lot 62 of the Rapids tract; thence west, along the north line of said lot, about one hundred and thirty-two and forty-four hundredths feet, to the northwest corner of said lot; thence south, on the west line of said lot, twenty-five feet to a point; thence east, on a line parallel with said north line and twenty-five feet southerly therefrom, about one hundred and thirty-two and forty-four hundredths feet, to the east line of said lot; thence north, along the east line of said lot, twenty-five feet, to the place of beginning.

These premises are owned by William H. O'Kane and Bernard O'Kane.

3—Also, all that other tract or parcel of land, situate in the city aforesaid, described as follows:

Beginning at the northeast corner of lot 61 of the Rapids tract, so-called; thence west, along the north line of said lot, about one hundred and thirty-three feet, to the northwest corner of said lot; thence south, on the west line of said lot, twenty-five feet, to a point; thence east, on a line parallel with said north line and twenty-five feet south therefrom, to the east line of said lot; thence north, on the east line of said lot, twenty-five feet, to the place of beginning.

These premises are owned by Hugh Devitt.

Also, all that other tract or parcel of land, situate in the city aforesaid, described as follows:

Beginning at the northeast corner of lot 60 of

the Rapids tract, so-called; thence west, along the north line of said lot about seventy-five and eighty-six hundredths feet, to the northeast corner of lands owned by Catharine Merz; thence south, along the east line of said Merz' premises, twenty-five feet, to a point; thence east, parallel with, and twenty-five feet southerly from the north line of said lot, to the east line of said lot, about seventy-five and eighty-six hundredths feet; thence north, along the east line of said lot, twenty-five feet, to the place of beginning.

These premises are owned by Henry Stallman. 5—Also, all that other tract or parcel of land situate in the city aforesaid, bounded and described as follows:

These premises are owned by John Walther, and there are the following judgments recovered: One for \$82.53, docketed in the Monroe County Clerk's office, on December 12, 1884, against Catharine Walther and John Henry Walther, in favor of Frank Wigbert, and recovered in the Municipal Court of said city; one docketed in said Monroe County Clerk's Office on June 25, 1889, for \$77.52, in favor of Richard Adams and Jacob M. Frank, against John Walter; one in favor of H. Gilbert Clark and Harrison Gilmore against John Walters, docketed in said County Clerk's Office on March 26, 1890, for \$74.82, and one recovered in the Municipal Court of said city and docketed in said clerk's office on June 11, 1890, in favor of William B. Dingman against John H. Walters and Lizzie Walters, for \$65.54.

17—Also, all that other tract or parcel of land, situate in the city aforesaid, described as follows:

Beginning at the southwest corner of lot 39 of Sperry's subdivision of parts of lots Nos. 12, 24 and 36 of the 4,000 acre tract, so-called; thence east on the south line of lots Nos. 39, 40 and 41 of said subdivision, to the southeast corner of said lot 41, about three hundred and ninety-six feet;

thence north, on the east line of said lot 41, twenty-five feet, to a point; thence west, on a line parallel with, and twenty-five feet northerly from, said south line, about three hundred and ninety-six feet, to the west line of said lot 39; thence south, on said west line, twenty-five feet, to the place of beginning.

These premises are owned by William H. O'Kane and Bernard O'Kane, and are subject to a mortgage thereon, given by them to Patrick Magill, to secure \$7,000 and interest, dated April 9, 1891, and recorded in the Monroe County Clerk's office on April 10, 1891, in liber 344 of Mortgages, at page 40.

18—Also, all that other tract or parcel of land, situate in the city aforesaid, bounded and described as follows:

Beginning at the southwest corner of lot 42, of James Sperry's subdivision of parts of lots 12, 24 and 36, of the 4,000 acre tract, so-called; thence east, on the south line of said lot, about one hundred and thirty-three feet, to the southeast corner of said lot; thence north, along the east line of said lot, twenty-five feet, to a point; thence west, on a line parallel with, and twenty-five feet northerly, from said south line, about one hundred and thirty-three feet, to the west line of said lot; thence south, on said west line, twenty-five feet, to the place of beginning.

These premises are owned by Patrick Magill.

19—Also, all that other tract or parcel of land, situate in the city aforesaid, bounded and described as follows:

Beginning at the southwest corner of lot 43, of Sperry's subdivision of parts of lots 12, 24 and 36, of the 4,000 acre tract, so-called; thence east, on the south line of said lot, about one hundred and thirty-two and sixteen hundredths feet, to the west line of Jefferson avenue, formerly Francis street; thence north, along said west line, twenty-five feet, to a point; thence west, on a line parallel with, and twenty-five feet northerly, from said south line, about one hundred and thirty-two and sixteen hundredths feet, to the west line of said lot 43; thence south, on said west line, twenty-five feet, to the place of beginning.

These premises are owned by Henry B. Magill.

Therefore, we, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matter submitted to us at the city attorney's office, in the city hall building, Rochester, N. Y., pursuant to a notice of, at least, ten days, published according to law, and having taken a view of every part of the respective premises affected by this proceeding, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon, determine and appraise the damages which the aforesaid owners, (there being no tenants or occupants other than the owners,) of the several premises thus to be taken for the opening and extension of said street will severally sustain by being deprived thereof, and fix the compensation which the aforesaid owners respectively shall receive therefor, as follows:

The awards hereby made, after deducting all taxes and assessments which have become a lien upon the lands described, to be paid, as herein-after provided.

To John G. Zweigle, for the parcel first above mentioned, the sum of twelve hundred and fifty dollars (\$1,250.00), payable to him.

To William H. O'Kane and Bernard O'Kane, for the parcel secondly above mentioned, the sum of two and 66-100 dollars, (\$2.66), payable to them.

To Hugh Devitt, for the parcel thirdly and thirteenthly above mentioned, the sum of ten and 62-100 dollars, (\$10.62), payable to him.

To Henry Stillman, for the parcel fourthly and ninthly above mentioned, the sum of two and twenty-eight hundredths dollars (\$2.28), payable to him.

To Catharine Merz, for the parcel fifthly above mentioned, the sum of seventy-six cents (76-100), payable to her.

To George F. Merz, for parcel sixthly above mentioned, the sum of seventy-six cents (76-100), payable to him.

To Anna Martin, for the parcel seventhly above mentioned, the sum of seventy-six cents (76-100), payable to her, providing she procure a release of the aforesaid judgment upon said parcel, or proves that it is not a judgment against said Anna Martin.

To Pearley M. Smith, for the parcel eighthly above mentioned, the sum of seventy-six cents (76-100), payable to him.

To Lazarus Gushurst, for the parcel tenthly above mentioned, the sum of six dollars (\$6) payable to him.

To Ann Gushurst, for the parcel eleventhly above mentioned, the sum of twelve hundred and fifty dollars (\$1,250), payable to her.

To Catharine Walter, for the parcel fourteenthly above mentioned, the sum of two and sixty-six-hundredths dollars (\$2.66), payable to her.

To Catharine Walter, for the parcel twelfthly above mentioned, the sum of one and thirty-three hundredths dollars (\$1.33) payable to Andrew Jehlen, mortgagee aforesaid.

To Catharine Walter, for the parcel fifteenthly above mentioned, the sum of one and thirty-three hundredths dollars (\$1.33) payable to the Monroe County Savings Bank, mortgagee aforesaid.

To John Walter, for the parcel sixteenthly above mentioned, the sum of one and thirty-three hundredths dollars (\$1.33) payable to him, providing he procure releases of the aforesaid judgments upon said parcel, or prove that they are not judgments against said John Walter.

To William H. O'Kane and Bernard O'Kane, for the parcel seventeenthly above mentioned, the sum of seven and ninety-two hundredths dollars (\$7.92) payable to Patrick Magill, mortgagee aforesaid.

To Patrick Magill, for the parcel eighteenthly above mentioned, the sum of two and sixty-eight hundredths dollars (2.68) payable to him.

To Henry B. Magill, for the parcel nineteenthly above mentioned, the sum of seventeen hundred and seventy-five dollars (\$1,775) payable to him.

All of which is respectfully submitted.

By Ald. Shelter—Resolved, That the next regular meeting of the Common Council, to be held on the 28th day of July, 1891, at 7 o'clock P. M., be, and the same hereby is designated as the time when any objections to the report of the Commissioners of Appraisal in the matter of opening a street from Jefferson avenue to Genesee street, in the city of Rochester, under Final Ordinance No. 2,847, will be heard.

By the Clerk—

Monroe County Court.—In the matter of extension of Baldwin street, from Parsells avenue to Webster avenue, in the city of Rochester.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—The undersigned, who were appointed by an order of the Monroe County Court, granted on the 15th day of December, 1890, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants, of the lands and buildings to be taken for the extension of Baldwin street, from Parsells avenue to Webster avenue, in the city of Rochester, will be entitled to for the same, respectfully report and certify their award of damages, as incident to the extension of said street, as follows:

The several pieces and parcels of land required for such purpose, and necessary for the extension of said street, are described as follows:

All that tract or parcel of land, situate in the City of Rochester, county of Monroe and state of New York, bounded and described as follows:

Beginning at a point in the west line of lot No. 1, of the sub-division by the heirs of John Meng, filed in the Monroe County Clerk's office in Liber 6 of Maps, at page 58, thirty and seventy-four hundredths feet (30.74) from the southwest corner thereof; thence northeasterly along the west line of said lot No. 1, and the west line of lot No. 2, of said subdivision, seventy-four and thirty-four hundredths (74.34) feet; thence southerly, parallel with the east line of said lot No. 2, sixty-two and forty-six hundredth (62.46) feet, to the south line of said lot No. 1; thence westerly, along the south line of said lot No. 1, sixty (60) feet; thence northerly, parallel with the east line of the premises here described, to the place of beginning.

These premises are situated on the east side of Webster avenue, and are owned by Elizabeth Jane Trowell.

Also, all that other tract or parcel of land, situate in the city, county and state aforesaid, bounded and described as follows:

Being lot No. 142 of the East Rochester Building Lot Association tract, and being more particularly described as fifty (50) feet front on the north side of Parsells avenue, extending back of equal width, one hundred and fifty-eight (158) feet, to the property of Elizabeth Jane Trowell above described.

These premises are owned by Léopold Garson. Also, all that other tract or parcel of land, situate in the city, county and state aforesaid, bounded and described as follows:

Beginning at the southeast corner of lot No. 141 of the East Rochester Building Lot Association tract; thence north, along the east line of said lot, and the west line of lot No. 142 of said tract, one hundred and fifty-eight (158) feet, to the premises of Elizabeth Jane Trowell above described; thence west, along the south line of the premises of said Elizabeth Jane Trowell, ten (10) feet; thence south, parallel with the line first above described, to the north line of Parsells avenue; thence east, to the place of beginning, being a tract of land ten (10) feet in width, and one hundred and fifty-eight (158) feet long off the east part of said lot No. 141. These premises are owned by Pauline L. August, but are subject to a mortgage of \$1,500 and interest thereon, given to the Monroe Avenue Dime Banking and Loan Association, dated December 9, 1889, which said mortgage is recorded in the Monroe County Clerk's office in Liber 322 of Mortgages, at page 313.

Therefore, we, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matter submitted to us at the City Attorney's office, in the City Hall building, Rochester, N. Y., pursuant to a notice of, at least, ten days, published according to law, and having taken a view of every part of the respective premises affected by this proceeding, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon, determine and appraise the damages which the aforesaid owners (there being no tenants or occupants other than such owners) of the several premises thus to be taken for the opening and extension of said street will severally sustain by being deprived thereof, and fix the compensation which the aforesaid owners respectively shall receive therefor, as follows:

The awards hereby made, after deducting from said awards all taxes and assessments which have become a lien upon the lands described, to be paid as hereinafter provided.

To Elizabeth Jane Trowell, for the parcel first above described, the sum of nine hundred dollars, payable to her.

To Leopold Garson, for the parcel secondly above described, the sum of eleven hundred dollars, payable to him.

To Pauline L. August, for the parcel thirdly above described, the sum of four hundred dollars, payable to said mortgage, the Monroe Avenue Dime Banking and Loan Association.

All of which is respectfully submitted,
M. H. McMATH,
CHARLES ROE,
JAMES HOLAHAN,
Commissioners of Appraiser.

The construction of a Portland cement walk 5 feet in width on each side of Union street, from Monroe avenue to Pearl street, except where good flag or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the necessary sidewalk grading.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$575, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Union street from Monroe avenue to Pearl street.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—15.

FINAL ORDINANCE, NO. 4.513.

CRESCENT AVENUE CEMENT WALK.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to construct cement walks on Crescent avenue from Rutger street to the east line of lot 64.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The widening of the present four foot cement walk on the south side of Crescent avenue, from Rutger street to the east line of lot No. 64 of the Vick Park sub-division, by adding an additional width of one foot on the north side of said walk, making the same five feet in width.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$60, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on the south side of Crescent avenue from Rutger street to the east line of lot No. 64 of the Vick Park sub-division.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—15.

FINAL ORDINANCE, NO. 4.514.

ONTARIO STREET CEMENT WALK.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to construct cement walks and curb on Ontario street, from North avenue to Scio street.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester do ordain and determine that the following improvement is necessary, and should be made, to wit:

The improvement of Ontario street, from North avenue to Scio street, by setting a line of Medina stone curb on each side thereof, properly connected with all lateral streets, alleys and driveways; width of main roadway between curb lines to be 28 feet. Also the construction of a Portland cement walk 5 feet in width, on each side of the street between the limits mentioned, except where good flag or cement walks now exist, which walks shall be re-

laid, if not conforming to the proper grade and alignment. Also the construction of the necessary crosswalks and surface sewers.

And the City Surveyor, under the direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$3,700, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Ontario street from North avenue to Scio street.

Ald. Bohrer presented a remonstrance against the ordinance.

Ordered received and filed.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis—14.

FINAL ORDINANCE, NO. 4,515.

HOFF STREET PLANK WALK.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a plank walk on Hoff street from Hayward Park to Laser street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a hemlock plank walk 4 feet in width on the east side of Hoff street, from Hayward Park to Laser street. Also the necessary sidewalk grading and gutter foundations.

And the City Surveyor, under the direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$25, which being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on the east side of Hoff street, from Hayward Park to Laser street.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis—14.

EAST MAIN STREET RAILROAD BRIDGE.

Ald. Lewis presented the following amendment.

By Ald. Lewis—Resolved—That the ordinance for East Main street bridge, as printed on page 115 of the current proceedings of the Common Council, be amended by inserting after the word "avenue" in the forty-second line of that portion of the ordinance describing the territory to be assessed, the following words, viz: Including one tier of lots on the south side thereof.

Adopted.

Under the rule the ordinance was postponed two weeks.

By Ald. Lewis—Remonstrance against East Main street bridge. Ordered received and filed.

On motion of Ald. Wurtz the final ordinance for Emerson street brick improvement was postponed two weeks.

On motion of Ald. Lewis referred to the Law Committee.

By Ald. Callihan—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your City Property Committee begs leave to make the following report:

The matter of additional room in the City Hall has recently been called to the attention of your Committee, and we have given a hearing to the parties interested in the matter at several meetings of the Committee.

We find that the present offices are inadequate for the work required by the different departments and offices, and we find that new offices have to be provided for additional departments.

To present the matter in detail; we find that the Executive Board, at the present time, is unable to do the business required in its department. At the meetings held by the Board there are continued interceptions by parties who are interested in contracts, and otherwise, so that it is almost impossible for the Board to do its work in the room it now occupies.

In the Water Works Department, the space there occupied is insufficient for the convenience of the books used and the clerks employed, as well as for citizens who have to call there to make payments of water rates. This same difficulty exists in the Street Department and the Water Works Construction Department, under the Executive Board. In both of these departments the room is not sufficient for the work that is required to be done at the present time.

The room occupied by the assessors is inadequate to accommodate the public, and the necessity of constantly handling the books by the clerks and assessors, on account of the cramped condition of their quarters, injures the books to such an extent that the city is at a continued expense to keep such books in a proper condition.

The rooms of the city surveyor are also too small. The maps on file at that office cannot be kept in a proper condition for ready reference by the public and the city departments. The help in the city surveyor's office have not sufficient room to expedite the work.

The room occupied by the City Attorney is a disgrace to the corporation. The only parts of that room which are fit for occupation are the two small apartments now occupied by the City Attorney and his assistants. The outside room is so dark that it has to be continually lighted by electric lights. All the commissions for condemning property have to be held in this office, and while such commissions are in progress, there is such confusion that those who are not engaged in the taking of evidence, are unable to do any work. The Law Committee, which has to meet in this office, is always interrupted during its sessions by the constant demands of the public upon the employes in that department.

The Park Commission is now occupying rooms outside of the City Hall, and paying rent therefor, having been unable to secure rooms.

The East Side trunk sewer commission will have to have rooms, and, if no provision is made for room in the City Hall, outside quarters will have to be rented by the city for their convenience.

The additional work in the offices of the surveyor, assessors and city attorney on account of the East Side trunk sewer construction and the additional water supply construction, will necessitate an additional force and additional room, in these departments.

We, therefore, recommend that this matter be investigated more fully by this Common Council, and that a special committee be appointed for that purpose.

Respectfully submitted,

Dated, Rochester, N. Y., July 14, 1891.

MARTIN J. CALLIHAN,

MERTON E. LEWIS,

LOUIS BOHRER,

City Property Committee.

Ordered received, filed and published.

By Ald. Callihan—Resolved, That a special committee of three be appointed by the Chair to inquire and investigate into the matter of providing more room for the accommodation of the several departments and offices of the city and recommend to the Council at the next meeting such report and plans as may be expedient.

Ald. Calihan moved that the resolution be adopted.

Ald. Shelter moved as an amendment that the resolution be referred to the City Property Committee to investigate and report at the next regular meeting.

Adopted.

The resolution as amended was adopted.

By Ald. Cleveland—Whereas, The Lamp Committee is about to remove all dead lamp posts on Main street, between the Liberty Pole and canal bridge, on State street, south of the N. Y. C. & H. R. R., and on Exchange street, north of canal bridge, be it.

Resolved, That the Executive Board is hereby directed to enforce the ordinance in respect to obstructions on the street, and, particularly, remove all advertising devices, sign-boards and signs of every name and description, so constructed and maintained, or to be constructed and maintained, within the aforesaid district, in violation of said ordinance.

Adopted.

Ald. Cleveland moved that when the various matters are referred to Committees that the City Clerk or his assistant cause a copy of the same to be placed in the box of said Committee.

Adopted.

By Ald. Shelter—Petitions for sewer in Marion street and sprinkling Reynolds street. Referred to the Surveyor to prepare an ordinance.

By Ald. Shelter—Remonstrance against the erection of a wood building by Ebenezer Towle. Referred to the Wood Building Committee and Fire Marshal. Also the petition of Herbert H. Spencer to erect a wood building. Referred to the Wood Building Committee and Fire Marshal, with power to act.

By Ald. Shelter—Resolved, That the City Surveyor be directed to establish the line of Genesee street from West avenue to Brooks avenue.

Adopted.

By Ald. Shelter—Resolved, That the City Surveyor be instructed to have an ordinance prepared for five foot cement walk on the southwest corner of Epworth street.

Adopted.

By Ald. Wurtz—Petition of Gussie B. Seager in relation to an erroneous assessment referred to the Assessment Committee.

By Ald. Wurtz— ROCHESTER, July 14, 1891.

To the Honorable, the Common Council of the City of Rochester :

We the officers of the North Presbyterian Sabbath-school respectfully petition your Board to permit us to use Jones Park for an afternoon party of our infant department. Such department consists of about ninety members all under the age of ten years. We guaranty to leave the park in as good a condition as found.

Yours respectfully,

F. J. SHIELDS,
Superintendent of Senior Department.
MISS ANNA FEIDLER,
Superintendent of Infant Department.

On motion of Ald. Wurtz permission was granted.

By Ald. Wurtz—

To the Common Council of the City of Rochester :

GENTLEMEN : Your petitioner, Daniel J. Wolover, respectfully represents that he is the owner of lot No. 98, of the Glenwood Homestead Association, lying and fronting on the west side of Fourth street, in the Ninth ward of this city, upon which he is desirous of building a residence, and to that end has caused excavations to be made on said lot for a cellar, and has dug into the street for the purpose of obtaining sewage therefrom.

That there are two sewers in said street, one ending at a point nearly in front of your petitioner's said lot, the bottom of which sewer is on a level with the water main in said street, which water main is laid west of said sewer and between it and your petitioner's said cellar.

That your petitioner in digging a lateral from his cellar to said sewer encountered said water

main, and was unable to get any farther. He is therefore deprived of sewerage by means of such sewer. The other sewer begins at a point in said Fourth street, about sixty feet north of your petitioner's said lot, and is deep enough to enable your petitioner to drain under the water main, if the same were extended southerly to a point in front of your petitioner's said lot.

Your petitioner after finding himself unable to drain into the said sewer running southerly obtained from the Executive Board of your city permission to drain into the other sewer, and upon his attempting so to do was threatened with legal proceedings by the owners of the lots lying north of him on said street.

Your petitioner would respectfully request your Honorable Board by Ordinance to extend the said sewer running northerly to Rowe street far enough south to enable him to obtain drainage and sewerage from his said proposed residence and cellar.

And your petitioner will ever pray.

D. J. WOLEVER.

Dated Rochester, N. Y., July 14, 1891.
Ordered received, filed and published.

By Ald. Wurtz—Resolved, That the City Surveyor be instructed to prepare an ordinance as above petitioned for. Adopted.

By Ald. Bierbrauer—Resolved, That the final ordinance No. 4,488, found at page 121 current proceedings, be reconsidered, and is in all things repealed. Adopted.

By Ald. Bierbrauer—Petition of Geo. Ruby to erect a wood building, referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Bierbrauer:

Whereas, A number of permits for the erection or removal of wooden buildings have been granted to parties who have failed and neglected to act under such permit within a reasonable time; and

Whereas, Such delays are liable to create injury and dissatisfaction; now, therefore, be it.

Resolved, That each and every person to whom a permit is given or granted for the erection or removal of a wooden building, or a wooden addition to any building, within the city of Rochester, must begin such work, and act under such permission, within six months after the granting of the same, and continue the work thereunder, until its completion, and if such party or parties fail to begin and prosecute such work as aforesaid, said permit shall cease, and be of no effect.

Adopted.

By Ald. Bohrer—Petition of Edmond Herbst in relation to an erroneous assessment referred to the Assessment Committee.

Ald. Bohrer moved that the resolution published at page 134 current proceedings, in relation to the acquiring of lands for Wheeler alley extension, under final ordinance 4,450, be reconsidered.

Adopted.

Ald. Bohrer moved that the resolution be indefinitely postponed.

Adopted.

By Ald. Bohrer—

Resolved, That the amount at which William Aikenhead, the owner of lands and property necessary to be taken and acquired for Wheeler alley extension, under Final Ordinance No. 4,450, will sell that same, as stated in the report of the Executive Board, is satisfactory to and declared to be reasonable by this Common Council, and is hereby approved, and that the Mayor be, and he hereby is authorized and directed to enter into contract with William Aikenhead, the said owner, for the purchase by the city of said lands, at the price contained in the report of the Executive Board aforesaid; said contract to provide that said amount be paid within four months after the confirmation of the assessment roll for said improvement to said owner, the contract to be drawn in accordance with the provisions of the city charter, and be approved by the city attorney, and to provide the

proper abstracts of title to the property and lands, and of taxes and assessments thereon shall be presented to the city attorney for his approval, showing that said lands are free from all liens and incumbrances at the time of the execution and delivery of the deed; and it is further,

Resolved, That said contract shall provide that there shall be deducted from the amount due said owner upon his deed, the amount of any assessment made against him upon said assessment roll for said improvement.

Adopted.

Ald. Lewis asked and obtained permission to move that the Board proceed to executive business.

Adopted.

Ald. Lewis moved that the Board proceed to appoint Commissioners of Deeds, and that the Clerk cast the ballot.

By Ald Lewis—

To the Honorable, the Common Council of the City of Rochester:

The undersigned owners of lots on Asbury street, in the city of Rochester, do hereby propose to dedicate said street to the city for public use. The street is 50 feet wide, and extends from Brighton street to Field street. The street has been graded, monumented, sidewalks and sewers constructed, and an accurate map filed in the Monroe County Clerk's office, and also in the office of the City Assessors.

Said street has been actually opened to, and made convenient for public use and traffic.

The undersigned, therefore, ask that the said street be accepted by the city.

July 8, 1891.

ELLIJAH D. WEBSTER,
CHAS. SALMON,

Referred to the Executive Board.

By Ald. Lewis—

CITY ASSESSORS' OFFICE,
ROCHESTER, N. Y., July 3, 1891.

To the Honorable, the Common Council:

GENTLEMEN: Abram Meulendyke was assessed on his lot No. 5, east side of Upton Park, for the general city tax \$3,000. By a clerical error it was made \$5,000 and his tax on said lot, as extended, was \$77.90. It should have been \$46.74.

As this is plainly an error of the Assessors, and as no injustice will be done to the taxpayers, we would ask your honorable body to pass a resolution allowing Mr. Meulendyke to pay the tax on said lot by deducting the sum of \$31.16 and charge the same to erroneous assessment.

L. A. PRATT,
M. J. MAHER,
City Assessors.

Ordered received, filed and published.

By Ald Lewis—Resolved, That the City Treasurer be and hereby is authorized to receive from Abram Meulendyke the sum of \$46.74 in payment of the city tax on lot 5, east side Upton Park, Sixteenth ward, and the balance of the tax against said lot, \$31.16 be charged to erroneous assessments.

Adopted.

By Ald. Lewis—Resolved, That the Executive Board be, and it is hereby, requested to negotiate for the lands necessary to be taken for opening a new street from Clifford street to Waring street.

Adopted.

Ald. Lewis moved that the final ordinance for the grading of North street be reconsidered.

Adopted.

Ald. Lewis moved that action on the ordinance be postponed two weeks.

Adopted.

Ald. Adams moved that the resolution to change the name of Beecher alley and published at page 124 current proceedings be taken from the table.

Adopted.

Ald. Adams moved that the resolution to change the name of Beecher Alley to Beecher place be adopted and that the Executive Board place the usual street signs, and that the clerk enter the same in the street register.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis—12.

The President announced the following as the special committee on the veto of the Mayor on changing the name of North avenue to North street, Ald. Wurtz, Shelter, Bierbrauer.

The Board then adjourned.

PETER SHERIDAN, City Clerk.

In Common Council—July 28, 1891.

REGULAR MEETING.

Ald. Thomas McMillan, president of the Board, presiding.

Present—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

APPROVAL OF MINUTES.

The minutes of the preceding meeting were approved as published in the book of proceedings.

PRESENTATION OF PETITIONS, REMONSTRANCES, BILLS, ACCOUNTS, ETC., AND THEIR REFERENCE.

By Ald. Rauber—Petition of M. J. Powers, to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act. Also petition for cement walks on Avenue B. Referred to the Surveyor to prepare an ordinance.

By Ald. Cleveland—Petition of Charles N. Reynolds to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Kelly—Petition for water mains in Ames street. Referred to the Water Works Committee and Executive Board.

By Ald. Kelly—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: The Rochester Railway Company hereby makes application for the right, privilege and franchise for constructing, maintaining and operating a single track street surface railroad, to be operated by electric power, with the necessary turnouts, switches, sidings and suitable stands, from the intersection of Jay street with Ames street, in the city of Rochester, to the intersection of Maple street with Ames street, and Maple street to city line in said city, together with the right to set, place and maintain the necessary poles, wires and other appliances to enable said company to operate its railroad through and along Ames street by electric power. Respectfully submitted,

ROCHESTER RAILWAY COMPANY,

By J. N. BECKLEY, President.

Ordered received, filed and published.

By Ald. Kelly—Whereas, The Rochester Railway Company has duly applied in writing for the consent of the local authorities of the city of

Rochester to the construction, maintenance, operation and use of a single track street surface railroad in, through, along and upon Ames street, from Jay street to Maple street, and from Maple street to the city 'line, thereby connecting the tracks of that company on those streets. Now, therefore, under and in pursuance of the provisions of the statutes of this state, the time, when and place, where this board will first consider said application is hereby fixed for August 25, 1891, at 7 o'clock P. M. at the Common Council chamber, City Hall Building, Rochester, N. Y.

It is further Resolved, That the City Clerk give notice, as required by law, of the time, when and place where said application will be first considered by this board in two papers to be designated by the Mayor, as required by law.

Adopted.

By Ald. Lewis—Petition for water mains in Avenue C. Referred to the Water Works Committee and Executive Board.

Also petitions for a plank walk on Irondequoit street, and sewer in Avenue C. Referred to the Surveyor to prepare ordinances.

REPORTS OF STANDING COMMITTEES.

Ald. Calihan asked for and received two weeks' further time to report in relation to changes in the City Hall.

By Ald. Lewis—
 To the Honorable, the Common Council of the city of Rochester:

GENTLEMEN: Your Law Committee begs leave to make the following report;

1. The matter of difference between the City of Rochester and the Rochester & Honeoye Valley Railroad Company, in respect to the crossing of Alexander street bridge over the tracks and property of the Railroad Company, has been before your committee, and we find that the attorney for the Railroad Company differs from the First Assistant City Attorney in respect to the rights of the city in the construction of the bridge across the tracks and property of the railroad, and that the Railroad Company will not comply with these rights, without a decision from the highest courts of this state sustaining the opinion of the First Assistant City Attorney. The representatives of the Railroad Company are willing to submit the question at difference to the General Term, upon a statement of facts as required by the practice of the Court. That the question may be speedily determined, we recommend that the City Attorney be authorized to submit it to the Courts and act in the matter as he may be best advised.

2. The claim of W. W. Webb, Esq., for damages caused by the bursting of water pipes in his dwelling on Mason street, has been duly considered by this committee, and we find that the city has not been guilty of any negligence in the matter, and therefore recommend that the claim be denied.

3. The claim of the Hawthorn Terrace Association for \$155 paid to John A. Davis, ex-City Treasurer, over and above the amount of an assessment against its property, has been referred to the First Assistant City Attorney by your committee and upon his advice we recommend that the claim be denied.

4. The matter of re-assessment for Church street improvement has been reported to your committee by the First Assistant City Attorney as heretofore directed by this Council and we present herewith a resolution in accordance with the city charter in such case made and provided.

5. Your committee has advertised the buildings for sale located on the lands and premises situate on Chatham street, recently purchased by the city for school purposes, but we are unable to get any bids for the same on account of the fact that the electric wires of the Street Railroad Company are too low to allow the removal of the buildings offered.

In the matter of re-districting the Election Districts of the city, your committee would report that it has carefully considered the matter, and would recommend the establishment of the Election Districts of the city, as follows:

FIRST WARD.

First District: The First District will comprise all that portion of the First ward included within, and described by, the following boundary lines, viz.:

Beginning at the intersection of the center lines of Montgomery alley and Allen street; thence easterly, along the center line of Allen street, to the center line of State street; thence southerly, along the center line of State street, to the center line of Mumford street; thence easterly, along the center line of Mumford street, to the center of the Genesee river; thence, southerly, along the center of the Genesee river, to the center of the Erie canal; thence westerly, along the center of the Erie canal, to the center line of Montgomery alley, thence northerly along the center line of Montgomery alley, to the place of beginning.

Second District: The Second District will comprise all that portion of the First ward included within, and described by, the following boundary lines, viz.:

Beginning at the intersection of the center lines of Montgomery alley and Allen street; thence southerly, along the center line of Montgomery alley, to the center of the Erie canal; thence westerly, along the center of the Erie canal, to the center line of Allen street; thence easterly, along the center line of Allen street, to the place of beginning.

SECOND WARD.

Your committee would recommend that no change be made in the Election Districts of the Second ward, and that they remain as heretofore established.

THIRD WARD.

First District:—The First district will comprise all that portion of the Third ward included within and described by the following boundary lines, viz.:

Beginning at the intersection of the center of the Erie canal and the center line of South Washington street; thence southerly along the center line of South Washington street to the center line of Atkinson street; thence easterly along the center line of Atkinson street to the center line of Plymouth avenue; thence southerly along the center line of Plymouth avenue to the center line of Adams street; thence easterly along the center line of Adams street and said line produced to the center of the Genesee River; thence northerly along the center of the Genesee River to the center of the Erie canal; thence westerly along the center of the Erie canal to the place of beginning.

Second District:—The Second district will comprise all that portion of the Third ward included within and described by the following boundary lines, viz.:

Beginning at the intersection of the center of the Erie canal and the center line of South Washington street; thence southerly along the center line of South Washington street to the center line of Atkinson street; thence westerly along the center line of Atkinson street to the westerly boundary line of the Third ward; thence northerly along said

boundary line to the center of the Erie canal; thence easterly along the center of the Erie canal to the place of beginning.

Third District:—The third district will comprise all that portion of the Third ward included within and described by the following boundary lines, viz.:

Beginning at the intersection of the center lines of Plymouth avenue and Adams street; thence easterly along the center line of Adams street and said line produced to the center line of the Genesee river; thence southerly along the center of the Genesee river to the south boundary line of the Third ward; thence westerly along said boundary line to the westerly boundary line of said ward; thence northerly along said westerly boundary line to the center line of Plymouth avenue; thence northerly along the center line of Plymouth avenue to the place of beginning.

Fourth District:—The Fourth district will comprise all that portion of the Third ward included within and described by the following boundary lines, viz.:

Beginning at the intersection of the center lines of Atkinson street and Plymouth avenue; thence southerly along the center line of Plymouth avenue to the westerly boundary line of the Third ward; thence northerly along said boundary line to the center line of Atkinson street; thence easterly along the center line of Atkinson to the place of beginning.

FOURTH WARD.

Respectfully submitted,

MERTON E. LEWIS,
HENRY G. COOK,
MARTIN J. CALIHAN,
S. D. W. CLEVELAND,
WILLIAM H. TRACY.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the City Attorney be, and he hereby is, authorized to submit to the Supreme Court of this state, as required by the practice thereof, the question of difference between said city and the Rochester & Honeoye Valley Railroad Company in respect to the construction of the Alexander street bridge across the tracks and property of said railroad company, and act in the matter as he may be best advised.

Resolved, That the claim of W. W. Webb, Esq., for damages caused by the bursting of water pipes in his house on Mason street, be, and the same hereby is, denied.

Resolved, That the claim of the Hawthorn Terrace Association of one hundred and fifty-five dollars, paid to John A. Davis, Ex-City Treasurer, over and above the amount of an assessment against it, be and the same hereby is denied.

Resolved, That the election districts of the several wards of the city of Rochester be and the same hereby are re-districted, as reported in the report of your Law Committee, submitted to this Common Council at this meeting.

Adopted by the following vote—

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

By Ald. Lewis—Whereas, The Common Council of the city of Rochester, upon the 22nd day of March, 1881, did duly enact an ordinance for the opening of a street from State street to Sophia street, in said city; and

Whereas, The amount of the damages for the taking of the lands and premises necessary for said street has been ascertained to be the sum of \$145,656.13; and

Whereas, The portion of said city which said Common Council deemed would be benefited by, and should be assessed for, said improvement is described as follows, viz: The entire First ward; also all that portion of the Second ward bounded on the east by the Genesee river, and on the west by Sophia street, lying south of the south line of Center street; and

Whereas, The sum of \$1,415.00 has been received for material sold, and credited to the fund for opening said street, leaving the amount necessary to be assessed for the same the sum of \$144,231.13; and

Whereas, The said Common Council, did, on the 23d day of January 1883, duly assess said last mentioned amount on the lots and parcels of land within the territory above described, and did designate John Lutes, E. J. Galentine and E. L. Pottle, special assessors to make an assessment upon the lots and parcels of land, as required, and in the manner required, by the charter of the City of Rochester; and

Whereas, The said assessors duly filed the assessment roll for said improvement, and after a due hearing of the allegations and proofs of all

persons complaining of said assessment, who appeared, the said assessment roll was by said Common Council duly confirmed; and

Whereas, By a judgment of the Supreme Court, affirmed by the Court of Appeals, in an action in which Frank W. Elwood was plaintiff and the City of Rochester and Ambrose C. McGlachlin, as treasurer of said city, were the defendants, said assessment, imposed as aforesaid, was vacated and set aside and the same declared illegal and void for want of jurisdiction in making the assessment, and

Whereas, The cost of said improvement, to wit: the sum of \$144,231.13, remains unpaid, and the interest on said assessment, to the date of this re-assessment, amounts to the sum of \$69,663.64 and that the entire cost and expense, including all interest to this date of reassessment is the sum of \$213,894.77; now, therefore, be it

Resolved, That a re-assessment for said improvement, including said interest, be made, and that said assessors, if they are not interested in any of the property within the part or portion of the city so deemed benefited and directed to be re-assessed, and not of kin to any person so assessed, or if any two of said assessors are not so interested, and are not of kin to any person so interested, then such two are hereby directed to proceed to make a re-assessment upon the property described in said ordinance for the opening of said new street, as speedily as may be, in proportion, as nearly as may be, to the advantage which the lots and parcels of land within the territory directed to be assessed for said improvement shall be deemed to receive by the making of such improvement, in accordance with the sections of the revised city charter in such cases made and provided.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

By Ald. Cook—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your assessment committee makes the following report:

The matter of the erroneous assessment against Gussie B. Seager upon her property on the corner of Lake View Park and Pierpont avenue for Pierpont avenue sewer was considered by your committee, and we would recommend that a rebate on said assessment of \$31.24 be made, and that upon the payment of the balance of said assessment, being \$27.80, by her, said assessment should be cancelled.

The matter of George Schligh's in reference to an error in his city tax of 1885, in the city treasurer's office, was considered by your committee, and we recommend that upon his paying the sum of \$5, within sixty days from the date of this report, that the tax of 1885, upon his property be cancelled.

The matter of the Second Reformed Dutch Church of Rochester was considered, and we find that by an excusable inadvertence, the second and third payments of an assessment against said church for the Scio street, McAdam improvement were not paid when due. We therefore recommend that upon said church paying the balance of said assessment, being the sum of \$240.55, with 6 per cent. interest, to the date of payment, said assessment be cancelled, if the same is paid within sixty days from the date of this report.

The matter of the personal property tax against the Hassan estate was considered by your Committee, and we find that the executor of said estate had a final accounting thereon before the Surrogate before the city tax, amounting to \$23.95 was levied, and we therefore recommend that the same be cancelled.

The matter of the erroneous assessment of Peter DeRoo has been considered by your Committee, and we find that a strip of land ten feet wide, in front of said De Roo's property facing

upon North Joiner street, was deeded to the city on January 22, 1887, by a deed recorded in Liber 412 of Deeds, at page 462; that an assessment was placed upon De Roo's property for the grading and laying of sidewalks on North Joiner street, which said De Roo has refused to pay upon the ground that his property does not front on North Joiner street. He has, however, offered to pay the same if the city deed to him said strip of land, and we recommend, pursuant to these facts, that the Mayor of the City of Rochester be authorized to execute and deliver a deed to said Peter De Roo, upon his paying to the city the sum of \$150, for a consideration thereof, and out of said consideration the assessment against his property for the improvement of North Joiner street to be deducted.

An application was made before this committee by George S. Riley that the time of the resolution of this Common Council of March 26, 1891, giving him two months from the date of said resolution to pay the assessment for the East Main street improvement in 1880, and the tax to which said assessment was added, be extended to September 1, 1891. We have duly considered the same, and recommend that the time of said resolution be so extended to September 1, 1891.

The matter of the application of Helen E. Waters for a rebate of her city tax of 1887, was considered by your committee, and we would recommend that the same be denied.

The petition of Ellen Elsheimer for a rebate of an assessment for the Caldeonia avenue and Atkinson street sewer, and the Glasgow street pipe sewer has been considered by your committee, and we recommend that the assessment for the Glasgow street pipe sewer upon her property, amounting to \$41.19, be cancelled.

Your committee further reports that matters brought before this committee have been unaccompanied by any petition or statements of the parties, so that it has become extremely difficult to intelligently pass upon them without a great waste of time, and it is frequently very difficult for the several departments to report intelligently to this committee concerning such matters. We, therefore, recommend that the resolution accompanying this report to the same be adopted. By a resolution of this Common Council, passed June 23, 1891, the City Treasurer was authorized to cancel the assessment under Final Ordinance No. 3,192, for the Hayward avenue outlet sewer on lots Nos. 124, 126, 128 and 130, on the north side of Garson avenue, assessed to Edwin S. Hayward. It has since been learned by this committee that the assessment upon lots Nos. 124 and 128 has been paid, and that the assessments of lots Nos. 126 and 130 has not been paid, and we, therefore, recommend that said resolution be amended, as provided in the resolution accompanying this report.

All of which is respectfully submitted,

HENRY G. COOK,
JULIUS WURTZ,
J. MILLER KELLY,
HENRY SHELTER,
JOS. BIERBRAUER,
Assessment Committee.

Dated, Rochester, N. Y., July 28, 1891.
Ordered received, filed and published.

By Ald. Cook, Resolved, That all matters hereafter to be presented and referred to the Assessment Committee must be in writing, signed by the complainant or aggrieved party, setting forth, in a concise way, the facts and grounds for complaint, and giving the residence of the complainant or aggrieved.

Resolved, That the city treasurer be, and he hereby is, authorized to receive the sum of twenty-seven dollars and eighty cents, in full satisfaction and payment of an assessment under Final Ordinance No. 4176, assessed against Gussie B. Seagar, for the Pierpont avenue sewer, and that said treasurer charge the balance of said assessment to erroneous assessments.

Resolved, That the City Treasurer be, and he hereby is, authorized to receive the sum of \$5, in full satisfaction and payment of the general

city tax of 1885 against George Schlight, on lot 82 Pinnacle avenue, if paid within sixty days from the date of this resolution, and that said tax, upon payment to said treasurer, be cancelled, and that said treasurer charge the balance of said tax to erroneous assessments.

Resolved, That the City Treasurer be, and he hereby is, authorized to receive the sum of \$240.55, with interest at the rate of 6 per cent. to the date of payment, in full satisfaction and payment of the balance of the assessment for Scho street McAdam improvement against the Second Reformed Church of Rochester, provided the same is paid within sixty days from the date of this resolution, and that said treasurer charge the balance of said assessment to erroneous assessments.

Resolved, That the City Treasurer be, and he hereby is, authorized to cancel the personal property tax against M. W. Hassan, executor of the estate of William E. Hassan, and that said Treasurer charge said tax to erroneous assessments.

Resolved, That the Mayor of the city of Rochester be, and he hereby is, authorized to execute and deliver to Peter De Roo a deed of a certain strip of land, about ten feet wide, in front of said De Roo's property, facing on North Joiner street, upon the presentation to said Mayor of a certificate of said Treasurer setting forth the payment by said De Roo to said Treasurer of the amount of his assessment for the grading and laying the sidewalk on North Joiner street, and of an amount, together with said assessment, sufficient to make the sum of one hundred and fifty dollars, and that said assessment be cancelled, and said sum, over and above said assessment, be credited to the Contingent Fund.

Resolved, That the time for the payment of the unpaid city taxes, including assessments, of George S. Kiley, as set forth in the resolution passed by this Common Council on March 26, 1891, be, and the same hereby is, extended to September 1, 1891.

Resolved, That the petition of Helen E. Waters for a rebate of the balance of the city tax of 1887, be, and the same hereby is, denied.

Resolved, That the assessment of Ellen Elsheimer for the Glasgow street pipe sewer be, and the same hereby is, cancelled, and the City Treasurer is hereby directed to cancel the same, and charge said assessment to erroneous assessments.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

REPORTS OF SELECT COMMITTEES.

Ald. Shelter from the Select Committee on communication of S. B. Roby, asked for and obtained two weeks further time to report.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

DEPARTMENT OF PUBLIC INSTRUCTION, }
ROCHESTER, N. Y., July 22, 1891. }

Peter Sheridan, Esq., City Clerk:

DEAR SIR: I hereby certify that the annexed resolution was adopted by the Board of Education at a regular meeting held July 20, 1891.

Respectfully,
MILTON NOYES, Clerk, *pro tem.*

By Com. Stalbrodt:

Resolved, That the Common Council be requested to sell Public School property No. 10, situate upon the east side of North Clinton street between Andrew and Clinton Place streets, with the understanding that this Board of Education have the use of said building until March 1, 1892, without expense. That at least 20 per cent. of the purchase price be paid down.

Adopted.
Referred to the Law Committee.

By the Clerk—

ROCHESTER, July 28, 1891.

To the Honorable the Common Council:

GENTLEMEN—To my great surprise and regret I learned the other day through the published letter of the First Assistant City Attorney that the business of the Law Department had accumulated to such an extent that it was now necessary to secure additional help for the City Attorney's office. I was surprised to learn this for I knew that since the beginning of my illness my partner and associate, Mr. Hone had, at my request, transacted most of the business for the Park Commission and the Board of Health, and that he had offered his services to the new assistants at the June Circuit in the trial of causes. His offer was thankfully declined and until Mr. Kiehel's letter appeared a few days ago I had no intimation that the office was crowded with work and that my absence from duty was causing any embarrassment to those in charge of the city's legal business.

The claim having been made, however, that the present force is insufficient, I now renew the offer indirectly made before to furnish to the city, at my own expense, the services of an experienced and competent lawyer to act in my place until such time as I shall be able to resume the duties of my office. My physicians assure me that I shall be able to attend to business before the beginning of the next Circuit. In case I should suffer a relapse and be unable to engage in active practice within a reasonable time, I shall, of course, deem it my duty to relinquish my claim to the office I now hold.

Very respectfully,

CHAS. B. ERNST,
City Attorney.

On motion of Ald. Lewis referred to the Law Committee.

Adopted.

Ald. Lewis presented a petition from a number of citizens in relation to a public morgue. Referred to the City Property Committee.

ROCHESTER, N. Y., July 26, 1891.

To the Honorable Common Council:

GENTLEMEN:—On the 20th inst., we received a communication from the City Clerk notifying us that an engineer in our employ had failed to pass an examination before the examining board of stationary engineers, and requiring us to procure a competent engineer in accordance with the penal ordinance.

Upon receipt of said communication, we requested the City Clerk to send us a copy of the record of the examination. In reply to said request, he informed us that he had no means of knowing on what point the engineer failed to pass.

We then made a request of the chairman of the board of examiners, and received a verbal reply that he had no particulars to give, except what was on record at the City Clerk's office. We infer from the above that no proper record has been kept of the proceedings.

The engineer referred to has had an experience of over eleven (11) years as fireman and engineer, having been employed in the meantime by the New York Central railroad as fireman for four (4) years; by the Rochester & Pittsburg railroad as fireman and engineer, three (3) years, and by the Southern Pacific railroad as engineer, two (2) years, having passed the requisite examinations.

He was employed by Messrs. James Wilson & Co., at the Ely Mills, this city, as engineer, and also at the Cottage Hotel at Charlotte as engineer in charge of engine, boiler and electric light plant. He is a member in good standing of the Brotherhood of Firemen and Engineers, but is not a member of either of the local organizations of Stationary Engineers.

He has excellent testimonials in regard to his character and ability as an engineer from

Mr. A. Dolbeer, Superintendent Motive Power, R. & P. R. R.

Messrs. Jas. Wilson & Co.

Mr. A. A. Wessels, Manager Hotel Bartholomay, and from

Mr. J. B. Ward, Superintendent Rochester & Glen Haven R. R.

Under the circumstances, we respectfully ask your honorable body to review the action of said Examining Board, as we think an injustice has been done to a man of long experience, and one whose excellent testimonials from his former employers, entitle him to hold the position he

has filled, to our satisfaction for the past ten months, until a board of competent examiners, after an impartial examination, place on record the evidence that he is disqualified or incompetent.

Yours respectfully,
SIBLEY, LINDSAY & CURR.

The letters of recommendation are hereto annexed.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., July 20, 1891.

DEAR SIR:—The engineer in your employ, Michael Mulvey, has been examined by the Examining Board of Stationary Engineers and has failed to pass an examination. In accordance with the penal ordinance you are required to procure a competent engineer.

Yours truly,
PETER SHERIDAN, City Clerk.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., July 23, 1891.

Sibley, Lindsay & Curr :

GENTLEMEN—Yours of this date at hand in relation to the examination of Mr. Mulvey would state that his examination was conducted verbally by the Board of Examiners, and I have no means of knowing at present on what particular points he failed to pass. They will meet to-morrow evening and will ascertain and let you know.

Yours truly,
PETER SHERIDAN, City Clerk.

To Whom it May Concern:

The bearer, Michael Mulvey, is an acquaintance of mine of years standing. He is a member in excellent standing of the Brotherhood of Locomotive Firemen, an organization consisting of engineers as well as firemen. He has had many years experience with steam engines, and in the performance of his duties as fireman and engineer has proven himself competent, reliable and satisfactory to his employers. Temperate, industrious and with a love for his duties, he is a man of such qualifications and competency that were I in need of a locomotive or stationary engineer I should be but too willing to employ him.

J. B. WARD,
Superintendent Rochester & Glen Haven R. R.
ROCHESTER, N. Y., Sept. 12, 1890.

Mr. A. Dolbeer, Superintendent Buffalo, Rochester & Pittsburg Railroad, City:

DEAR SIR: Mr. Michael Mulvey applies to us for a position to run a stationary engine, and states he was employed in the machine shops of your company for some time; that he was fireman on your road and latterly engineer for two years; that he understands machinery and is capable.

Will you kindly give us your opinion as to whether he is a good mechanic, steady, hard-working, honest and strictly temperate; also if his disposition is good and if he is a willing worker.

Your reply will very much oblige

Yours truly,
SIBLEY, LINDSAY & CURR.

September 13, 1890.

Messrs. Sibley, Lindsay & Curr, Rochester, N. Y.:

GENTLEMEN: Mr. Michael Mulvey was employed upon this road as fireman and was afterwards promoted to enginemaster, and gave us good satisfaction in each case, leaving the service of his own accord. We know nothing against his general character. Yours truly,

A. DOLBEER, Supt. Motive Power.

To whom it may concern:

This is to certify that Michael Mulvey was for a long time in our employ in the capacity of engineer and it gives us pleasure to say that, for capability and fidelity in the performance of his duties, his record while with us was all that the most exacting employer could ask.

He was temperate, steady and altogether a

most reliable man and we cheerfully recommend him to any one who may require his services.

JAS. WILSON & CO.
ROCHESTER, N. Y., July 24, 1891.

Messrs. Sibley, Lindsay & Curr:

GENTLEMEN: Michael Mulvey while in the employ of J. J. Powers at the Cottage Hotel, Ontario Beach, had exclusive charge of engines, dynamo and pumps and was found competent in every duty and I have every assurance of his ability in running the same and would employ him again if I had the opportunity.

I can cheerfully recommend him.

A. A. WESSELLS,
Manager Hotel Bartholomay.

On motion of Ald. Lewis ordered received, filed and published and referred to Law Committee.

By Ald. Lewis—Resolved, That the Brush Electric Light Company be, and it is, hereby directed to move the electric light now at the corner of Henry street and Thompson avenue, to a point on Thompson avenue midway between Henry street and the east end of Thompson avenue.

Adopted.

By Ald. Lewis—Resolved, That the resolution heretofore adopted for the payment of \$25 each to Henry Leesten and others, for services as inspectors of election for the Eighth district of the Sixteenth ward, be reconsidered.

Adopted.

By Ald. Lewis—Resolved, That the resolution for the payment of \$25 each to Henry Lessten and others for services as inspectors of election, reconsidered at this meeting, be amended by striking out the words "\$25 to Henry Lessten," and inserting the words "\$20 to Henry Lessten."

Adopted by the following vote:

Ayes—Ald. Tracy, Cahlan, McMillan, Zimmer, Rauber, Lempert Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

By Ald. Lewis—Resolved, That the City Surveyor be and he is hereby instructed to prepare an ordinance for opening a new street from South avenue, at a point about four hundred and fifty feet south of Oakland street to a point on South avenue near Reservoir avenue; also for changing the grade of South avenue by lowering it from Highland avenue to Reservoir avenue.

Adopted.

By Ald. Kelly—Remonstrance against lumber piles of F. P. Crouch situated on Wright street.

Ald. Kelly moved that the fire marshal notify Mr. Crouch to have the obstruction removed if as so stated by the remonstrance.

By Ald. Kelly—Resolved, That the Executive Board be requested to negotiate for lands necessary to be taken for the widening of Hensler Place and report the result of such negotiations to this Board as soon as practicable.

Adopted.

By Ald. Fox—Resolved, That one electric light be placed on the corner of North and Wilson streets and two on Buchan Park.

Referred to the Lamp Committee and Surveyor.

By Ald. Bierbrauer—Petition of Edgar H. Earl to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Bierbrauer—Resolved, That the Lamp Committee be requested to erect an arc light on the corner of Walnut and Smith streets, and one arc light at the corner of Orchard and Smith streets. Referred to the Lamp Committee and City Surveyor.

By Ald. Wurtz—Petition for electric lights, corner Ravine avenue and Alden street. Referred to the Lamp Committee and City Surveyor; also petition of George Oliver to erect a wood building. Permission granted.

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., July 28, 1891.

Ald. Wurtz, Chairman of Map and Survey Committee:

DEAR SIR—John C. Ryan is entitled to the sum of three hundred and fifty (\$350) dollars for work

completed under his contract for the survey of the first fourteen wards of the city.

I recommend the payment of that amount.

Yours respectfully,

OSCAR H. PEACOCK,
City Surveyor.

Ordered received, filed and published.

By Ald. Wurtz—Resolved, That the City Clerk be and hereby is directed to draw an order on the City Treasurer for the sum of three hundred and fifty (\$350) dollars in favor of John C. Ryan, as partial payment for work performed under his contract with the City of Rochester for the survey of the first fourteen wards of the city and charge the same to the contingent fund.

By Ald. Kelly—

An ordinance relating to the use of sidewalks, streets, etc., by cycles and other vehicles.

The Common Council of the City of Rochester do ordain as follows:

SECTION 1. No person or persons shall draw, ride or propel any wheelbarrow, hand cart, sleigh, carriage or other vehicle, except baby carriage, or lead, ride or drive any horse, beast, of burden, cattle, swine or fowl over or upon any sidewalk in the city of Rochester or belonging thereto, except in passing into or from any lot where pavement shall be constructed for that purpose; and no person or persons shall ride or propel any cycle over, upon, in or through any street, sidewalk, alley, park, bridge, high-

way or other public place in said city, or belonging thereto, unless such cycle shall have been duly registered and numbered, and shall have such number affixed thereto, in a conspicuous place, as hereinafter provided, under a penalty of \$5 for each offense.

§ 2. Any person may ride a cycle, registered and numbered, as herein provided, upon any sidewalk of this city, except that, between the hours of 6 A. M. and 10 P. M., no person shall ride a cycle upon the sidewalks of the streets described as follows: Main street, from the liberty pole to the Erie Canal; State street, south of the New York Central and Hudson River railroad; Exchange street, north of the Erie Canal; St. Paul street, from the New York Central and Hudson River railroad to Court street; Clinton street, from the New York Central & Hudson River Railroad to Monroe avenue; Front and Water streets, south of the New York Central & Hudson River Railroad, and upon the footpaths of any and all bridges in said city, under a penalty of \$5 for each offense.

§ 3. Any person who, while riding a cycle upon any sidewalk in said city, shall collide with, or run against, any person walking or standing upon such sidewalk, shall be liable to a fine of not less than \$5, nor more than \$25, for each offense.

§ 4. The city clerk is hereby directed to provide a book in which shall be recorded the name and residence of the owner of every cycle, a brief description of such cycle, the name of the manufacturer, the shop number, and any other details necessary and proper to identify such wheel, and to carry into effect the provisions of this ordinance; and said city clerk shall assign a serial number to every such cycle in the order in which the name shall be recorded; such serial number shall be displayed upon a metal plate of suitable size and shape, not less than one-sixteenth of an inch in thickness, with polished face and black ground. The numerals composing such numbers shall be of the uniform height of one and one-fourth inches, a running breadth of not less than three-quarters of an inch, and a heavy face of a style known to printers as "Gothic," with three-sixteenths inch face. Such numbers shall be furnished and attached to such cycle by the city clerk, or under his direction, by means of metal rivets or in other equally permanent manner, and in a conspicuous place thereon, to be designated by said clerk, in the rear of the rider when seated in the saddle, and shall be furnished to each person at the time of registering such cycle.

§ 5. In case the owner of any cycle registered and numbered as aforesaid, shall sell, or otherwise lose possession and ownership thereof, he shall, forthwith, report the facts to the city clerk, and the same shall be duly recorded in the cycle register provided for herein.

§ 6. The owner of every such cycle shall be liable for any and all damage or penalties for violation of any ordinance caused by the use of such cycle, and the cycle register shall be presumptive evidence of such ownership.

§ 7. For the purpose of this ordinance, the term "cycle" shall be construed to mean any unicycle, bicycle or tricycle whose wheel or wheels, or either of them, shall exceed 24 inches in diameter.

§ 8. The fee for recording each cycle shall be ten (10) cents; for furnishing and attaching said numbers, twenty-five (25) cents; for recording transfers, ten (10) cents, and the same shall be paid to the city clerk by persons applying therefor, and be deposited by said clerk with the treasurer of said city, to the credit of the contingent fund.

§ 9. All ordinances, and parts of ordinances, inconsistent with the provisions of this ordinance, are hereby repealed.

§ 10. This ordinance shall take effect on the day of ———, 1891.

Ordered received filed and published and laid on the table until the next regular meeting.

On motion of Ald. Tracy the Board then adjourned.
PETER SHERIDAN, City Clerk.

In Common Council—Aug 11, 1891.

ROCHESTER, Aug. 11, 1891.

Ald. Lewis, Chairman of Law Committee:

DEAR SIR—Understanding the Law Committee is about to sell the property on Chatham street I would like to put in a bid of \$5 for the house furthest north of the smallest one.

Yours respectfully, FRANK ZURN,
No. 147 Orange st., Rochester.

On motion of Ald. Lewis the proposition was accepted and the Mayor was requested to take the necessary steps to sell the property.

By Ald. Cook—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—Your Charter Amendment Committee begs leave to make the following report:

The matter of the cycle ordinance, introduced at the last meeting of the Common Council, was considered at our meeting, and, after hearing a number of persons interested therein, we offer as a substitute therefor the annexed ordinance.

The proposed dog ordinance, heretofore introduced in this Common Council, was also considered and several persons heard thereon, and, after due deliberation, we recommend that the same be indefinitely postponed.

The matter of the unsatisfactory method of the appointment of Commissioners of Deeds, heretofore referred to this committee, was considered by your committee, and after due deliberation we recommend as a remedy therefor that every person who makes application to this Common Council for an appointment as a Commissioner of Deeds shall make such application in writing, setting forth his residence, his age, and his business, and that such application shall be accompanied by a written recommendation and certificate of the good moral character of the applicant, to be signed by two known residents of the city of Rochester, and that all applications introduced into this Common Council shall be referred to the Law Committee, and laid over two weeks before the same are acted upon.

Respectfully submitted,

HENRY G. COOK,
M. B. ADAMS,

Charter Amendment Committee.

Ordered received, filed and published.

By Ald. Cook—Resolved, That the ordinance introduced in this Common Council on June 23, 1891, pertaining to dogs, be, and the same hereby is indefinitely postponed. Adopted.

By Ald. Cook—Resolved, That this Common Council adopt the following rule in relation to the appointment of Commissioners of Deeds of the City of Rochester. All applications must be in writing, signed by the applicant, and the same shall set forth the residence, age and occupation of the applicant; the application must also be accompanied by a written recommendation and certificate of the good moral character of the applicant, signed by two known and reputable citizens of the City of Rochester; that all applications shall be referred to the Law Committee and laid over two weeks before the same are acted upon.

Laid on the table for two weeks under the rule.

By Ald. Cook—Resolved, That the following Penal Ordinance be substituted in place of the ordinance introduced at the meeting of this Common Council, held on July 23, 1891:

An ordinance relating to the use of sidewalks, footpaths, etc., by cycles and other vehicles.

The Common Council of the City of Rochester do ordain as follows:

Section 1. No person, or persons, shall draw, ride or propel any wheelbarrow, hand cart, sleigh, carriage or other vehicle, except baby carriages, or lead, ride or drive any horse, beast of burden, cattle, swine or fowl over or upon any sidewalk in the City of Rochester, or belonging thereto except in passing into or from any lot where pavement shall be constructed for that purpose; and no person or persons shall ride any cycle over, upon, in or through any sidewalk or footpath, intended for the use of pedestrians, in, through or upon any street, alley, park, bridge, highway or other public place in said city, or belonging thereto, unless the rider thereof shall have in his possession a written permit therefor, or unless such cycle shall have been duly registered and numbered, and shall have such number affixed thereto, in a conspicuous place, as hereinafter provided, under a penalty of five dollars for each offense.

Section 2. Any person may ride a cycle, regis-

tered and numbered, as hereinafter provided, upon any sidewalk of this city, except that between the hours of six A. M. and eleven o'clock P. M. no person shall ride a cycle upon the sidewalks of the streets described as follows: Main street, from East avenue to the Erie canal; State street, south of the New York Central & Hudson River Railroad; Exchange street, north of Erie canal; St. Paul street, south of New York Central & Hudson River Railroad, to Court street; Front and Clinton streets, between the New York Central & Hudson River Railroad and East Main street; Mumford street, Market street and Exchange place; Central avenue, from Clinton street to State street, or upon the footpaths of any and all bridges, under a penalty of five dollars for each offense.

Section 3. Any person who, while riding a cycle upon any sidewalk or footpath in said city, shall collide with, or run against, any person walking or standing upon such sidewalk or footpath, shall be liable to a fine of not less than five dollars, nor more than twenty-five dollars for each offense.

Section 4. The city clerk is hereby directed to provide a book in which shall be recorded the name and residence of the owner of every cycle, a brief description of such cycle, the name of the manufacturer, the shop number, and any other details necessary and proper to identify such wheel, and to carry into effect the provisions of this ordinance; and said city clerk shall assign a serial number to every such cycle in order in which the same shall be recorded; such serial number shall be displayed upon a metal plate, of suitable size and shape, not less than one-sixteenth of an inch in thickness. The numerals composing such numbers shall be of the uniform height of three-fourths of an inch, a running breadth of not less than one-half of an inch, and a heavy face of a style known to printers as "Gothic" with three-sixteenths of an inch face; such numbers shall be attached to such cycle by the city clerk, or under his direction, upon the front side of the left handle bar, near the head in such manner as such clerk may consider best and shall be furnished to each person at the time of registering such cycle.

Section 5. In case the owner of any cycle, registered and numbered as aforesaid, shall sell, or otherwise lose possession and ownership thereof, he shall, forthwith, report the facts to the City Clerk, and the same shall be duly recorded in the cycle register provided for herein.

Section 6. In any suit or action for the recovery of any damages, or penalties for the violation of any ordinance, caused by the use of such cycle, the records in the office of said City Clerk, or Superintendent of Police, herein provided for, shall be presumptive evidence of the ownership of such cycle.

Section 7. The said Superintendent of Police is hereby authorized and directed to furnish to any person, upon payment of the fee therefor as herein provided, a written permit to use a cycle for a specified time upon the sidewalks and footpaths of said city, subject to the provisions of Section 2 herein, without such cycle being registered and numbered, as herein provided. Such permit shall describe such wheel, and state the names of the owner and applicant, and manufacturer's number of wheel; and said Superintendent of Police shall keep a record of all such permits in a book to be kept for that purpose.

Section 8. For the purpose of this ordinance, the term "cycle" shall be construed to mean any unicycle, bicycle or tricycle whose wheel or wheels, or either of them, shall exceed twenty-four inches in diameter.

Section 9. The fee for recording each cycle shall be ten (10) cents; for furnishing and attaching such numbers, twenty-five (25) cents; for recording transfers, ten (10) cents; for a permit, ten (10) cents for each day covered by such permit; and the same shall be paid to the City Clerk or Superintendent of Police, as the case may be, by the person applying therefor, and be deposited

by said Clerk or Superintendent of Police with the Treasurer of said city, to the credit of the contingent fund.

Section 10. All ordinances and parts of ordinances, inconsistent with the provisions of this ordinance, are hereby repealed.

Section 11. This ordinance shall take effect on the fifteenth day of October, 1891.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Zimmer, Rauber, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis—12.

REPORTS OF SELECT COMMITTEES

Ald. Wurtz from the select committee on Mayors veto of changing the name of North Avenue asked for and was granted two weeks further time.

By Ald. Shelter—

ROCHESTER, N. Y. Aug. 11. 1891.

To the Honorable, the Common Council:

GENTLEMEN:—Your special committee, to whom the communications and estimates of Sidney B. Roby, Esq., in relation to obtaining a permanent additional water supply from Lake Ontario, were referred, begs leave to present the following report:

The subject of obtaining a large additional water supply for this city from Lake Ontario has been thoroughly discussed for the past three years, both by the engineers of the water department, and by Messrs. Fanning and Fteley, consulting engineers for the joint committee of the Common Council and Chamber of Commerce on Increase of Water Supply; and special reports from these gentlemen have been duly published in the Proceedings of the Common Council for September 21, 1888. May 14, 1889. August 20, 1889. and December 16, 1890, also in the Annual Reports of the Executive Board for the years mentioned.

All of the engineers referred to are presumably competent to make reasonably correct estimates of first cost and annual operating expenses of the necessary works indicated by them; and as there

is no evidence in Mr. Roby's communications that his estimates were prepared by any properly qualified specialist, the figures given in the reports of the several engineers are fairly entitled to more weight and consideration than those of the latter. If, however, Mr. Roby has actually availed himself of expert counsel in the preparation of his estimates it is proper for him to name his authority, and to present his plans in sufficient detail to enable others to form an opinion as to their merit. While municipal officers owe due attention to the opinions of any citizen in regard to important public measures, yet it cannot be expected that the greater portion of their time shall be spent in refuting unsupported statement, which are widely different from the expressions of reputable professional men.

As the case presents itself, Mr. Roby wishes to obtain a supply of 20,000,000 gallons of water per day by pumping from Lake Ontario at an expense of \$1,716,000 for first cost, and \$47,298 per year for maintaining the pumping engines. Obviously only a single pumping station is implied in these estimates, and the water is to be lifted to a height of 450 feet, including the friction in eight miles of force-main. Passing over the estimate of first cost without comment, it will be seen that the pumping expenses named by Mr. Roby are exceedingly low, since, according to his figures, the cost of lifting 1,000,000 gallons of water to a height of 100 feet by steam power will be only \$1.44, which is very much less than the estimates of any of the engineers who have reported upon the subject.

The actual cost of this same work, however, may readily be deduced from the published reports of the water works authorities of many cities, and it is fair to presume that estimates based on the practical experience of numerous municipalities are more trustworthy than such as are founded upon assumed ideal conditions. To ascertain what these costs are, we have caused a large number of water works reports relating to steam power pumping stations to be examined, and submit herewith the results obtained,

Average, \$5.22.

From the foregoing table it is found that the average cost of pumping one million gallons of water to a height of 100 feet is \$5.22 as deduced from the most recent available records of thirty-two stations in eighteen different cities. It should also be stated that the costs given in the table are in every instance merely for attendance, fuel, oil, lighting, heat and minor repairs and supplies to the machinery, and do not include any allowance whatever for interest on original cost, depreciation or extraordinary repairs, additions or renewals. In the majority of cases, moreover, the pumping engines are of the highest class with respect to economy of operation, so that the best practice is here represented.

By comparing these results, which are taken directly from the published statements of the respective authorities, with Mr. Roby's estimate, a very great discrepancy will be noticed; whereas the comparison with the engineer's estimate shows a substantial agreement.

It therefore follows that Mr. Roby's figures cannot represent all of the costs of maintaining a large pumping station unless it is assumed that all of the various authorities cited employ extremely incompetent men either as steam engineers or as accountants. Obviously such an assumption would be absurd, and hence it is fair to presume that Mr. Roby's estimates should be considerably increased, since it is only about one-half as large as the lowest rate exhibited in the foregoing list, and less than one-third of the average rate.

The evidence presented in the above table is, in our opinion, altogether too strong to warrant the hope that any commission of business men of our city will be able, after conscientious investigation of the performance of steam pumping engines of large capacity in other places, to accept Mr. Roby's estimate, and therefore we fail to recognize the expediency of appointing such a commission at the present time. The reports in question may easily be procured by anyone who is interested in the subject and their study can simply confirm the data here submitted.

Furthermore on the bases that, with first-class machinery and good fuel, 1,000,000 gallons of water can be lifted to a height of 100 feet for only \$3.50, the cost of lifting 20,000,000 gallons of water per day to a height of 450 feet will be \$114,974 per year.

The capitalization of this annual expenditure at 3½ per cent. gives \$3,285,000, or nearly twice the estimated first cost of Mr. Roby's works, or of the proposed new conduit to Hemlock lake. The relative cost of the works suggested by Mr. Roby therefore becomes \$5,001,000, or nearly three times greater than the sum of \$1,750,000, which, after much discussion, the joint committee of the Common Council and Chamber of Commerce recommend as a maximum to be appropriated for obtaining a permanent additional water supply. Under these circumstances any further consideration of Mr. Roby's scheme must lead to a reopening of the whole water question, which has been re-

garded as settled by this Board, and which it is not the province of your committee to discuss.
Respectfully submitted,

HENRY SHELTER,
JOSEPH BIERBRAUER,
HENRY G. COOK.

By the Clerk—

ROCHESTER, N. Y., July 31, 1891.

To the Honorable, the Common Council, of the City of Rochester:

GENTLEMEN,—On or about the 16th day of June last, I gave to the Executive Board a figure of (\$500.00) five hundred dollars for property belonging to me, wanted for the extension of Loraine Park. I have been informed that interested parties wished the council to let the matter rest awhile. Unless some action is taken at the next regular meeting, I will no longer consider myself bound by that offer.

Yours respectfully,
E. A. MASSETH.

Ordered received, filed and published.

May pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed at the rate of six per cent. per annum.

And the Assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, than such two, are hereby directed to make assessments upon all the lots and parcels of land within the portions or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements shall be deemed to receive by the making of the respective improvements.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis—13.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

BRONSON AVENUE IMPROVEMENT.

By Alderman Wurtz—Resolved, That the City Surveyor ascertain and report to this council the

expense of improving Bronson avenue.

Adopted.

The Surveyor submitted as such estimate \$48,000.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz.:

The improvement of Bronson avenue, from Genesee street to the west line of Olean street, by the construction of a Trinidad Asphalt pavement therein, and from the west line of Olean street to Caledonia avenue, except at the bridge over the Western New York & Pennsylvania railroad, by the construction of a Medina stone pavement therein with a line of Medina stone curb on each side thereof, and flag stone gutter on each side of that portion paved with stone, properly connected with all lateral streets, alleys and driveways. Width of main roadway between curb lines to be generally 26 feet. Also the construction of all necessary crosswalks, crosswalk extensions, surface sewers, manholes, lot laterals, water and gas services and the cleaning of the main sewers in the street, if found to be necessary. Also the construction of a vitrified pipe sewer, 12 inches in diameter in Bronson avenue, from a point 85 feet west of Sumner street, to the sewer in Genesee street.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$48,000, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefitted and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of Bronson avenue, from Genesee street to Caledonia avenue, in proportion to the benefit which each will derive therefrom.

Adopted.

MANSION STREET PLANK WALK.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on Mansion street.

Adopted.

The Surveyor submitted as such estimate, \$635.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz.:

The construction of a pine plank walk 4 feet and 8 inches wide on the east side of Mansion street, from Magnolia street to cottage street, except where good walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the necessary sidewalk grading and gutter formations.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$635, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefitted and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the cle and the Union and Advertiser notice thereof as is required and in the manner specified by Section 172 of the City Charter.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Aug. 11, 1891.

To the Honorable, the Common Council, of the City of Rochester:

GENTLEMEN: Agreeably to your direction heretofore given in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your Honorable Body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, August 11, 1891, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvements. Respectfully,

PETER SHERIDAN, Clerk.

By Ald. Lewis—Resolved, That the ordinance for Donlan street pipe sewer be amended, by inserting in the description of the territory to be assessed, the words "Sibley street" in place of the words "Park avenue."

Adopted.

Under the rule the ordinance was postponed two weeks.

FINAL ORDINANCE, NO. 4,525.

MILL STREET MEDINA STONE IMPROVEMENT.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to improve Mill street from Central avenue to the north line of Brown street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The improvement of Mill street, from Central avenue to the north line of Brown street, and Falls street, from the north line of Brown street to a point at right angles to the northwest corner of the Whitney Mill property supposed to belong to A. Ferguson, by the construction of a Medina stone pavement therein, with a line of Medina stone curb and flag stone gutter on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of main roadway between curbs to be generally thirty feet. Also the construction of the necessary crosswalks, surface sewers, manholes, lot laterals, water and gas services.

And the City Surveyor, under the direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$20,750 which being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city which this council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Mill street, from Central avenue to the south line of Factory street; also one tier of lots and parcels of land on the west side of Mill street, from Factory street to Brown street; also one tier of lots and parcels of land on the east side of Browns Race, from the south line of Factory street to the north line of Brown street. Also one tier of lots and parcels of land on each side of Falls street, from the north line of Brown street, to a point at right angles to the northwest corner of the Whitney mill property supposed to belong to A. IMPROVEMENT OF SOPHIA STREET.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to improve Sophia street from Allen street to Center street.

And after hearing such allegations from all persons appearing,

The Common Council or the city of Rochester do ordain and determine that the following improvement is necessary, and should be made, to wit:

The improvement of Sophia street from Allen street to Center street, by the construction of a Medina stone pavement therein with a line of Medina stone curb and flag stone gutters on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of roadway between curbs to be generally 35 feet. Also the construction of all necessary crosswalks, surface sewers, manholes, lot laterals, water and gas services. Old material now on the street to be used to the extent found suitable.

And the City Surveyor, under the direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$2,600, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Sophia street, from Allen street to Center street.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis—13.

Ald. Wurtz presented a remonstrance against the ordinance for Fourth street sewer and moved that the ordinance be indefinitely postponed.

Adopted.
On motion of Ald. Lewis the ordinance for Mumford street improvement was postponed two weeks.

On motion of Ald. Shelter the final ordinance for Marion street sewer was postponed two weeks.

FINAL ORDINANCE, NO. 4,528.

EPWORTH STREET CEMENT WALK.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to construct a cement walk on Epworth street in front of the lot on the southwest corner of Clifton street.

And after hearing such allegations from all persons appearing,

The Common Council, of the City of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a Portland cement flag walk five feet wide, on the west side of Epworth street, in front of the lot on the southwest corner of Clifton and Epworth streets, a distance of about 100 feet. Also the necessary sidewalk grading and gutter formation.

And the City Surveyor, under the direction of

this Council, having made and reported as an estimate of the expense thereof, the sum of \$90, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on the west side of Epworth street, in front of which the proposed walk shall be built.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis—13.

FINAL ORDINANCE NO. 4,529.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to improve Litchfield street, from West avenue to Maple street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester do ordain and determine that the following improvement is necessary and should be made, to wit:

The improvement of Litchfield street, from the asphalt pavement on West avenue to Maple street, by constructing an asphalt pavement therein with a line of Medina stone curb on each side thereof properly connected with all streets, alleys and driveways. Width of main roadway between curbs to be 20 feet. Also the construction of all necessary cross-walks, surface sewers, manholes, lot laterals, water and gas services, and the cleaning of the main sewer if found necessary.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$7,500, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Litchfield street, from West avenue to Maple street.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Bohrer, Lewis—13.

FINAL ORDINANCE, NO. 4,530.

BOULEVARD GRADING.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to grade the Boulevard, from the south line of C. J. Burke tract to the city line.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The grading of the Boulevard, for its full width of 100 feet, from the south line of the C. J. Burke tract to the city line. Width of roadway to be 50 feet. Sidewalks 25 feet each.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$7,300, which, being deemed reasonable, is hereby approved.

And the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of the Boulevard, from the south line of the Burke tract to the city line.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Bohrer, Lewis—12.

On motion of Ald. Lewis the final ordinance for Pippin street sewer was postponed two weeks.

FINAL ORDINANCE, NO. 4,531.

NORTH STREET GRADING.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to grade North street, from the north line of the St. Joseph Orphan Asylum tract to Norton street.

And after hearing such allegations from all persons appearing:

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The grading of the roadway of North street, from the north line of the St. Joseph Orphan Asylum tract, to Norton street. Width of main roadway between top of gutters to be 34 feet. Also the construction of the necessary culverts.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$1,800, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of North street, from the north line of the St. Joseph Orphan Asylum tract to Norton street.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Bohrer, Lewis—12.

FINAL ORDINANCE, NO. 4,532.

MT. HOPE AVENUE PLANK WALK.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a plank walk on Mt. Hope avenue from the south end of the present flag walk to the north line of Geo. G. Boughton's property.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a pine plank walk 4 feet and 8 inches wide on the west side of Mt. Hope avenue, from the south end of the present flag walk near the entrance to Mt. Hope Cemetery, to the north line of lands supposed to belong to George G. Boughton. Also the construction of the necessary crosswalks, and sidewalk grading.

And the City Surveyor, under the direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$1,625, which being deemed reasonable, is hereby approved, and,

Resolved, further, that the whole expense of said improvement be paid out of the contingent fund of the City of Rochester.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Bohrer, Lewis—13.

The final ordinance for North St. Paul street cement walk came up. Ald. Rauber presented the following amendment:

By Ald. Rauber—Resolved, That the ordinance be so amended as to read as follows: From Newell's property up to Avenue B.

Adopted.
Under the rule the ordinance was postponed two weeks.

CITY ASSESSORS' OFFICE,
ROCHESTER, N. Y., July 29, 1891. }

To the Honorable, the Common Council :

GENTLEMEN—Lot No. 25 of the Hawthorne Terrace Association on the east side of Kenwood avenue was assessed for \$3,000 for the general city tax. The assessors located a house on said lot, and it now appears there is no house there, consequently they are assessed erroneously to the amount of \$2,450, on which the tax is \$38.17. This amount should be deducted from \$46.75, the amount of the tax against said lot, and charged to erroneous assessments.

Yours truly,

L. A. PRATT,
M. J. MAHER,
City Assessors.

Referred to the Assessment Committee.

By Ald. Shelter—Remonstrance against the improvement of Bronson avenue. Ordered received and filed.

By Ald. Wurtz—

CITY ASSESSORS' OFFICE,
ROCHESTER, N. Y., July 29, 1891. }

To the Honorable the Common Council :

GENTLEMEN—Lot number 149, Selye subdivision Ninth ward, on the north side of Bryan street, was assessed for the general city tax for \$2,600. The assessors located a house on said lot, and there is none there. The tax as extended is \$41.54. It should be \$3.19, and the balance, \$38.35, charged to erroneous assessments.

Yours truly,

L. A. PRATT,
M. J. MAHER,
City Assessors.

Referred to the Assessment Committee.

By Ald. Wurtz—Resolved, That the City Surveyor be instructed to establish a grade on south side of Lake View Park from west line of lot No. 70 to west line of lot No. 92; also on west side of Pierpont avenue from Selye Terrace to Kislingsbury Park.

Adopted.

By Ald. Adams—Petition for asphalt pavement on Kirk street. Ordered received and filed.

By Ald. Adams—Remonstrance against East Main street railroad bridge. Ordered received and filed.

By Ald. Adams—Whereas, on page 541 of the Common Council proceedings of 1890 and 1891, a resolution is recorded directing the City Treasurer to pay the Rochester Gas Light Company one hundred and fifty-three dollars and thirty cents (\$153.30) and said resolution being defective, in that the City Clerk was not directed to draw said order on the City Treasurer for said amount, and the same not having been paid at this date, therefore, Resolved, That the City Clerk be and he is hereby directed to draw an order on City Treasurer in favor of the Rochester Gas Light Company, for the sum of one hundred and fifty-three and thirty one-hundredths dollars, (\$153.30), and charge the same to the Lamp Fund.

Adopted by the following vote:

Ayes—Ald. McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Bohrer, Lewis—11.

By Ald. Adams—

To the Honorable, the Common Council of the City of Rochester :

GENTLEMEN; By virtue of a resolution of the Common Council, passed February 18, 1890, the city agreed to pay us the sum of \$42.96, within one year from the date of an agreement set forth in the proceedings of the Common Council at that time. We have made application to the City

Treasurer, who informed us that there are no funds in his hands out of which the same is to be paid, and that the assessment rolls for the improvement in question is closed, and the unpaid assessments added to the general tax levy.

We paid our assessment at the time it was due, amounting to \$35.44, and we now ask that the city pay us the amount agreed upon, as set forth in said resolution, amounting to \$42.96.

We reside at No. 41½ Richmond Park, Rochester,

We, therefore, ask that a proper resolution be passed by the Common Council to pay us the aforesaid sum.

Dated, Rochester, August 11, 1891.

HELEN M. LEGGETT,
ALFRED LEGGETT.

By Ald. Adams—

S. B. Williams, Esq., City Treasurer:

SIR:—Helen M. Leggett and Alfred Leggett have this day delivered to me a duly executed and acknowledged conveyance of the easement and right of way of land taken by the city of Rochester for the improvement of Haag's alley, and the construction of an outlet sewer from Haag's alley across the premises mentioned in said conveyance under Final Ordinance No. 3,874, as amended, and as appears in the Common Council Proceedings for the year 1889-90, at pages 406-407, and are therefore entitled to the amount of the award made to them by said agreement, viz: the sum of \$42.96, less the assessment mentioned therein, and in case the amount of the award exceed the assessment, then to the payment of the balance to them.

Respectfully yours,

C. D. KIEHEL

First Asst. City Attorney.

Referred to the Law committee.

By Ald. Bierbrauer—Resolved, That the Lamp Committee be requested to erect an arc light on the corner of Essex and Silver streets and one arc light on Romeyn street, half way between Clark and Magne streets. Referred to the Lamp Committee and City Surveyor.

By Ald. Cook—Resolved, That the resolution adopted by this Common Council on the 23d day of June, 1891, be, and the same hereby is, amended, so as to read as follows:

Resolved, That the Treasurer be, and hereby is, authorized to cancel the assessments under ordinance Nos. 3,192, for the Hayward avenue outlet sewer on lots Nos. 126 and 130, on the North side of Garson avenue, assessed to Edwin S. Hayward, and mark the same fully paid and satisfied; and he is further authorized to rebate the assessments to Edwin S. Hayward upon lots Nos. 124 and 128, on said north side of Garson avenue, and mark the same fully paid and satisfied, and charge the amount of all of the aforesaid assessments to erroneous assessments.

Adopted.

By Ald. Cook—Claim of John Cunningham for damages. Referred to the law committee

By Ald. Lewis—At a regular meeting of the Common Council of the City of Rochester, held at City Hall in the city of Rochester, on the 11th day of August, 1891.

By Alderman Lewis—Resolved, That the following notice be published in ten successive numbers of the official paper of said city, to wit:

To All to Whom it May Concern:

Supreme Court, Monroe County—In the matter of the application of the City of Rochester to acquire lands for park purposes.

The report of Franklin N. Hinchey, Nelson Moulthrop and J. H. Redman, commissioners appointed herein to ascertain and report the just compensation to be paid to the person or persons or corporation or corporations owning or having an interest in the pieces or tracts of land sought to be acquired by these proceedings, having been filed in the Clerk's office of the County of Monroe on the 28th day of July, 1891.

Notice is hereby given that said Common Council will apply to the Supreme Court of the State of New York, at the Special Term of said

court to be held at the Court House in the City of Rochester, on the 31st day of August, 1891, at the opening of court on that day or so soon thereafter as counsel can be heard, for an order confirming said report.

Dated, August 31, 1891.

CHARLES B. ERNST,
City Attorney.

Adopted.

CITY ATTORNEY'S OFFICE,
19 CITY HALL BUILDING,
ROCHESTER, N. Y., August 11, 1891. }

By Ald. Lewis—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your Law Committee, on the 14th day of July, 1891, reported to your honorable body that, through the inadvertence of your City Clerk the city was obliged to pay out of the treasury a second time a part of the fees to the inspectors of election of the Eighth district of the Sixteenth ward, amounting to the sum of \$95.

By a resolution of your honorable body the City Clerk has been authorized to pay the fees of the inspectors of election of each district to the chairman of the board of inspectors, provided he had no notice of any objections by any inspector or clerk. When such objection was made he was directed to draw an order in favor of each claimant.

The City Clerk, before he issued the warrant in favor of the chairman of the aforesaid board, had notice of objections by one of the inspectors. He, however, did not heed such objections, and paid the full amount to the chairman, who immediately disappeared and has not been heard of since.

The claim of the other members of said board, whose money the chairman had drawn, was presented to the law committee, and, as there was no escape from liability by the city, the committee ordered paid the second time the above amount.

The City Clerk is legally liable to the city for his conduct. Your Law Department awaits the instructions of your honorable body in this matter.

Respectfully submitted,

C. D. KIEHEL,

First Assistant City Attorney.

Referred to the Law Committee.

REPORTS OF STANDING COMMITTEES.

By Ald. Cleveland—

To the Finance Committee of the Common Council:

GENTLEMEN—The undersigned has carefully examined the City Treasurer's books, and the general business of the office in all its departments, for the period covered within the dates of April 7th, when the present Treasurer assumed the duties of the office, to August 1st, a period of nearly four months, and finds that all its affairs have been conducted in a manner which gives evidence of efficiency, accuracy and watchful guardianship. A trial balance sheet of a recent date shows that all receipts and disbursements have been correctly entered. All the receipts, I may add, I have traced from original entries to the ledger accounts, and vouchers are on file, also carefully examined, which show the validity of all the disbursements.

The cash required to be on hand has been counted by me at two different dates within the period above named, the last time at the close of business of 19th inst., and in both instances was found to coincide with the ledger balances. The moneys in banks were also found to be in amounts called for. The several sums were as follows, at date last named: Cash, \$12,735.91; in Central Bank, \$122,590.57; Traders' National Bank, \$131,025.64; German American Bank, \$131,050.25.

Respectfully submitted,

JOHN BOWER,

Rochester, N. Y., August 20th, 1891.
Ordered received, filed and published.

By the Clerk—

CITY ATTORNEY'S OFFICE, }

ROCHESTER, N. Y., August 25, 1891. }

To the Honorable, the Common Council of the city of Rochester :

GENTLEMEN: On the 5th day of August, 1891, the Special County Judge of Monroe county made an order in the matter of the opening and extension of Thomas street, allowing and granting to William F. Rampe, Esq., as guardian for the infants, Joseph Cochrane Wilkin and George A. Wilkin, owners of part of the property sought to be acquired in said proceeding, the sum of \$100, as and for his services as such guardian, and that one-half of said allowance be paid by the city of Rochester.

I would, therefore, recommend that the matter be referred to the Law Committee to examine the same and report back to your honorable body.

Respectfully submitted,
 C. D. KREHL,
 First Assistant City Attorney.

Ordered received, filed and published.

By the Clerk—

ROCHESTER, N. Y., August 25, 1891.

To the Honorable, the Common Council of the City of Rochester :

GENTLEMEN: You are respectfully notified that on August 5, 1891, the Monroe County Court, by its order, granted on that day and entered in the Monroe County Clerk's office, and copy served on the City Attorney on August 10, 1891, in the matter of the opening and extension of Thomas street, in Rochester, N. Y., required your Honorable body to pay to William F. Rampe, Esq., petitioner, or the undersigned, his attorneys, the sum of \$50; being part of the amount then allowed to the petitioner; and you are therefore requested to comply with said order, and to cause said amount to be immediately paid.

Respectfully yours,
 H. J. & W. H. SULLIVAN.

Attorneys for William F. Rampe, Petitioner.
 Referred to the Law Committee.

OFFICE OF THE EXECUTIVE BOARD, }

ROCHESTER, N. Y., Aug. 25, 1891. }

To the Common Council :

GENTLEMEN—The Executive Board in accordance with your request, has invited the owners of lands proposed to be taken for opening a street from Waring street to Clifford street, to state what sums they would accept for the property in question.

Nearly all persons interested appeared, but the Board was unable to negotiate with them, and therefore recommend the appointment of a commission to appraise the value of the strip of land required by the city.

Respectfully,
 THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

Monroe County Court—In the matter of the widening of the Big Ridge Road, from Lake avenue to the western line in the City of Rochester.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—The undersigned, who were appointed by an order of the Monroe County Court, granted on the 30th day of May, 1891, and duly entered in the Monroe county clerk's office on the 4th day of June, 1891, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants, of the lands and buildings to be taken for the widening of the Big Ridge Road, from Lake avenue to the western city line, in the city of Rochester, will be entitled to for the same, respectfully report and certify their award of damages, as incident to the widening of said street as follows:

The piece or parcel of land required for such purpose, and necessary for the widening of said street, is described, as follows:

All that parcel of land situated in the city of Rochester, county of Monroe and state of New York, bounded and described as follows:

Beginning at a point in the west line of Lake avenue, where the north line of the Big Ridge Road intersects the same; thence westerly, along the north line of the Big Ridge Road, to a point in the west line of the city aforesaid; thence northerly along said west line, to a point ten (10) feet distant from the north line of the Big Ridge Road, on a line measured at right angles thereto; thence easterly on a line parallel with, and ten (10) feet distant northerly from, the north line of the Big Ridge Road, to a point in the west line of Lake avenue; thence southerly along the west line of Lake avenue, to the place of beginning; being a strip of land ten (10) feet in width, lying on the north side of the Big Ridge Road, and adjoining the same, and extending from Lake avenue to the western line of said city, excepting therefrom the portion of the property above described included within the east and west lines of the Boulevard extending through the same.

These premises are owned by Ella P. K. Angell and Jessie I. Knickerbocker, only children and heirs-at-law of Mary Jane Knickerbocker, deceased, subject to the life estate, or tenancy by the courtesy, of Edgar Knickerbocker, husband of said Mary Jane Knickerbocker, deceased, and are subject to a mortgage given by them thereon to the Monroe County Savings Bank, dated August 20, 1889, and recorded in said Monroe county Clerk's office on September 6, 1889, in Liber 320 of Mortgages, at page 30, to secure the payment of the sum of \$11,000.00 and interest.

The entire premises, of which the above described premises are a part, are occupied by Charles Ready as a tenant, under a yearly lease.

Therefore, we, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matter submitted to us at the city attorney's office, in the city hall building, Rochester, N. Y., pursuant to a notice of at least ten days, published according to law, and having taken a view of every part of the premises affected by this proceeding, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon, determine and appraise the damage which the owners of the premises thus to be taken for the widening of said street, and said tenant, will severally sustain by being deprived thereof, and fix the compensation which the aforesaid owners and tenant respectively shall receive therefor, as follows: The awards hereby made, after deduct-

ing all taxes and assessments which have become a lien upon the lands described, to be paid as hereinafter provided:

To Ella P. K. Angell, Jessie I. Knickerbocker, and Edgar Knickerbocker, children and heirs-at-law and tenant by the courtesy of Mary Jane Knickerbocker, deceased, for the parcel above described, the sum of five dollars, (\$5), payable to the Monroe County Savings Bank, mortgagee, aforesaid.

To Charles Ready, tenant, the sum of fifteen dollars, (\$15), payable to him.

All of which is respectfully submitted.

Dated Rochester, N. Y., August 24th, 1891.

W. B. CRITTENDEN,

C. H. WETMORE,

W. H. CRENNELL,

Commissioners of Appraisal.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the next regular meeting of the Common Council, to be held on the 8th day of September, 1891, at 7 o'clock P. M., be, and the same hereby is, designated at the time when any objection to the report of the Commissioners of Appraisal in the matter of the widening of the Big Ridge road, from Lake avenue to the western city line, in the city of Rochester, under Final Ordinance No. 4,199, will be heard.

Adopted.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

PLYMOUTH AVENUE ASPHALT IMPROVEMENT.

By Alderman Wurtz—Resolved, That the City Surveyor ascertain and report to this council the expense of improving Plymouth avenue.

Adopted.

The Surveyor submitted as such estimate \$130,000.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz.:

The improvement of Plymouth avenue from the south end thereof east of the Western New York & Pennsylvania Railroad to Spring street, except at the Western New York & Pennsylvania Railroad bridge, by the construction of a Trinidad asphalt pavement therein with a line of Medina stone curb on each side thereof, properly connected with all lateral streets, alleys and doorways. Width of main roadway between curb lines to be generally 25 feet, from said south end of Plymouth avenue to the Western New York & Pennsylvania Railroad bridge; and from said Western New York & Pennsylvania railroad bridge to Spring street, the width of main roadway between curbs to be generally the same as now exists. Also, the construction of all necessary crosswalks, crosswalk extensions, main sewers, surface sewers, manholes, lot laterals, water and gas services, and the cleaning of the main sewers in the street if found necessary.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$130,000, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefitted and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of Plymouth avenue, from the south end thereof east of the Western New York & Pennsylvania Railroad to Spring street, in proportion to the benefit which each will derive therefrom.

Adopted.

PLYMOUTH AVENUE PIPE SEWER.

By Ald. Rauber—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Plymouth avenue.

Adopted.

The Surveyor submitted as such estimate, \$3,300.

By Ald. Rauber—Resolved, That the following improvement is necessary, viz:

The removal of the present sewer, and the construction of a vitrified pipe sewer 18 inches in diameter in Plymouth avenue, from the sewer in Spring street, to the center of Troup street; also a vitrified pipe sewer 15 inches in diameter from the center of Troup street, to the angle in Plymouth avenue next south of Atkinson street; also the construction of the necessary manholes, surface sewers, lot laterals and branches.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$3,300, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on the west side of Plymouth avenue, from Spring street to the south line of property supposed to belong to Susan P. McAlpine at the angle in the west line of Plymouth avenue next south of Atkinson street. Also one tier of lots and parcels of land on the east side of Plymouth avenue, from Spring street to the south line of property supposed to be owned by Sarah L. Johnson at a point 12.5 feet north of the angle in the east line of Plymouth avenue next north of Adams street, in proportion to the benefit which each will derive therefrom.

Adopted,

FOURTH STREET PIPE SEWER.

By Ald. Rauber—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Fourth street. Adopted.

The Surveyor submitted as such estimate, \$200.

By Ald. Rauber—Resolved, That the following improvement is necessary, viz:

The removal of the present sewer and the construction of a new vitrified pipe sewer 12 inches in diameter, in Fourth street, from the end of the present sewer at a point 405½ feet north of Glenwood avenue, to a point 80 feet south thereof; also the construction of the necessary lot laterals and branches.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$200, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Fourth street, in front of which the proposed sewer shall be constructed, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Wurtz—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7 o'clock P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser notice thereof as is required and in the manner specified by Section 172 of the City Charter.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Aug. 25, 1891.

To the Honorable, the Common Council, of the City of Rochester:

GENTLEMEN: Agreeably to your direction heretofore given in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your Honorable Body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, August 25, 1891, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvements. Respectfully,

PETER SHERIDAN, Clerk.

MISCELLANEOUS BUSINESS.

By Ald. McMillan—*To the Honorable, the Common Council, of the City of Rochester:*

I notice in the official report of the proceedings of your Honorable Body published in the Democrat and Chronicle—issue August 13, 1891, that the committee, which had been appointed to consider the subject matter contained in a petition to your Honorable Body introduced in February, the gist of which was a prayer signed by between three and four hundred citizens, mostly, if not all, taxpayers, to the effect that a committee consisting of three reputable citizens and taxpayers be appointed in some proper way, whose duty it should be to collect information as to the workings of water works systems in other cities and to determine or agree, if possible, with each other as to the best plan to be adopted by the city for obtaining an additional supply of pure and wholesome water. While the committee is deserving of great credit for having evidently given the matter careful attention, and considering the time in which they had to work, for hav-

ing produced a very creditable amount of facts and figures, yet I respectfully submit that the object of the petitioners was frustrated in the effort on the part of this committee to do in a brief length of time what a special committee of tax payers were wanted and expected to do. If this committee were deputed to do what the committee of tax payers were wanted to do, then would it have been proper and only fair on the part of those gentlemen to give me an opportunity to appear before them with testimony to try and substantiate the assertions made by me as to the cost of building a plant capable of delivering from ten to twenty million gallons of water from Lake Ontario per day and the cost of maintaining the same, surely I think you will decide that I should be permitted to produce my evidence and upon it my assertions be sustained or condemned as the facts could bring forward might appear. Be it remembered that the committee of tax payers that it asked to have appointed, are to serve without compensation, reasonable disbursements in the efforts to obtain the desired knowledge only to be borne by the city. In a matter of so much importance as this too much care cannot be taken. In view of what I have said I trust your honorable body will re-consider the action taken at last meeting, when it was decided that such a committee should not be appointed. It cannot do harm even if no good should be accomplished. Respectfully,

SIDNEY B. ROBY.

Hone, Esq., should continue to attend the meetings of said board for the purpose of consulting with its members and officers in respect to all legal questions which might arise during its sessions and deliberations; and

Whereas, Said Frank J. Hone since said June 1st has not been in the employ of this city, and the Common Council has appointed competent men in its law department, under regular salaries, in his stead; and,

Whereas, The interests and welfare of the city will be best promoted if the several departments, commissions and officers of the city consult with the persons regularly employed by this Common Council, be it,

Resolved, That the Board of Health, be, and it hereby is, respectfully requested to call upon the employes of said department for counsel or information concerning such legal matters and questions as may affect the Health Department.

Adopted.
By Ald. Lempert—Resolved, That the Lamp Committee be requested to place an electric light on the corner of Holland and Nassau streets.

Referred to the Lamp Committee and City Surveyor.

By Ald. Lewis—
To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your law committee begs leave to make the following report:

In the matter of the claim of William Brickkil

et al, against the City of Rochester and ano, which was referred to us at a meeting of the Common Council held on the 28th day of July last, we learn that this claim was served upon the Common Council through its clerk on the 17th day of July last. Before the committee had a meeting and had an opportunity to consider the claim, an action was begun in the United States Circuit Court for the Northern District of New York, on the 10th day of this month. We also find that your city attorney is not admitted to the United States Courts, and under the rules of practice in those courts he is not allowed to appear for and defend the city therein. As it is important that an appearance be put in the case at once, and such steps be taken in the matter for the best interests of the city, we hereby recommend that the first assistant city attorney, who is admitted as an attorney and counsel of the United States Courts, be authorized to appear and defend the city in the above entitled action and in all other actions begun in the United States Courts.

Dated August 25th, 1891.

MERTON E. LEWIS,

By Ald. Cook—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—Your Assessment Committee makes the following report:

The matter of the erroneous assessment against Lawrence Tumilty upon property on Mansion street was considered by your Committee, and we would recommend that a rebate on said assessment of \$22.35 be made to him.

The matter of the erroneous assessment against the premises of C. L. Gibbs, was considered by your Committee, and we would recommend that he be allowed to convey to the city, for the purpose of a public street, the property hereinafter described, and upon the conveyance by him of said premises, free and clear of all claims, liens and incumbrances, that he be paid the sum of \$150. The premises herein referred to are described as follows:

All that tract or parcel of land situated in the city of Rochester, county of Monroe and state of New York, bounded and described as follows: Beginning at the intersection of the north line of Doran Park with the west face of the stone coping on the retaining wall at the southwest corner of the bridge over the Western New York & Pennsylvania railroad, at the south end of Exchange street; thence easterly, along the north line of Doran Park, about sixteen feet, to the southwesterly boundary line of said railroad company's property; thence northwesterly, along said southwesterly boundary line, about twenty-two and one-half feet, to the intersection of said line with the west face of said stone coping on the retaining wall heretofore mentioned; thence southerly, along the west face of said stone coping, to the place of beginning; it being intended to convey all of the interest, fee and title in and to that part or portion of land located on the north side of, and adjoining Doran park, and east of the retaining wall heretofore referred to, now owned by Charles L. Gibbs.

The matter of the alleged erroneous assessment against Michael McKroden, upon his property on Clifton street, was considered by your committee, and we would recommend that the same be denied.

In the matter of Jay street Medina improve. ment assessment, your committee, having considered the same, would recommend that the taxpayers assessed for said improvement be permitted to pay for said improvement in five equal annual payments, as provided in the accompanying resolution.

An application was made by George S. Riley that the time of the resolution of this Common Council of July 28, 1891, giving him until September 1, 1891, to pay the assessment for the East Main street improvement in 1888, and a tax to which said assessment was added, be extended to September 15, 1891, was duly considered, and we would recommend that the time of said resolution be so extended to September 15, 1891.

All of which is respectfully submitted.

HENRY G. COOK,
JULIUS WURTZ,
JOSEPH BIERBRAUER,
HENRY SHELTER,
J. MILLER KELLY,

Assessment Committee.

Ordered received, filed and published.

By Ald. Cook—Resolved, That the clerk draw an order upon the treasurer, payable from the Contingent Fund, in favor of Lawrence Tumilty, for twenty-two dollars and thirty-five cents, being a rebate upon the city tax of 1891, erroneously assessed on his property on Mansion street, and the City Treasurer is hereby directed to cancel the said tax and to charge the same to erroneous assessments.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

Resolved, That the petition of Michael McKroden to have an alleged erroneous assessment against his property on Clifton Street for the Clifton street asphalt improvement be, and the same hereby is, denied.

Resolved, That upon the certificate of the City Attorney that Charles L. Gibbs has executed and delivered to him, for the city, a conveyance of the premises described in the foregoing report of the Assessment Committee, and exhibited to him evidences of title, showing the property to be free and clear of all incumbrances, the clerk draw an order upon the treasurer in favor of Charles L. Gibbs, payable from the Contingent Fund, for one hundred and fifty dollars; the said Charles L. Gibbs, however, shall pay all taxes and assessments which have been taxed or assessed upon said property.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

Resolved, That the taxpayers assessed for Jay street Medina improvement be allowed to pay their assessments respectively for said improvement in five equal annual payments, as follows: One-fifth within thirty days of the first application of the advertisement of the notice of the assessment roll by the city treasurer; one-fifth within one year from the confirmation of said roll; one-fifth two years from the confirmation of said roll; one-fifth within three years of the confirmation of said roll, and the remaining one-fifth within four years from the confirmation of said roll.

Resolved, That the time of payment of the unpaid city tax, including assessments, of George S. Riley, as set forth in a resolution of the Common Council of March 26, 1891, be, and the same hereby is, extended to September 15, 1891.

Adopted.

By Ald. Bierbrauer—

To the Honorable, the Common Council of the city of Rochester:

GENTLEMEN—Your committee on Wooden Buildings to whom was referred the petition of Rev. A. A. Notebart for permission to move wooden building from Plymouth avenue to Fitzhugh street would make the following report. That the building may be moved to the lot on the rear and fronting on Fitzhugh street, providing the same is placed no nearer the south line of said lot than (30) inches and no nearer the street than the adjoining buildings. Furthermore, that such buildings be put in good repair and nicely painted.

FIRE MARSHAL'S OFFICE,
ROCHESTER, N. Y., Aug. 11, 1891.

Honorable Common Council:

GENTLEMEN—I investigated the complaint of the residents of Wright street against F. P. Crouch's Lumber Yard, as per resolution of Ald. Kelly at your last meeting. I found the complaint well founded. I notified Mr. Crouch's foreman, Mr. Ridley, to cease piling lumber between the dwellings, and laid him out a line to which I restricted him in piling said lumber. Mr. Ridley informed me that he would comply, which in visiting the locality yesterday I found he had, and I have had no further complaint since from the residents there.

Respectfully yours,

JOHN A. P. WALTER,
Fire Marshal.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

MAYOR'S OFFICE,
ROCHESTER, N. Y., Sept 8, 1891. }

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—I hereby appoint, subject to the consent and advice of your honorable body, as one of the Park Commissioners, Dr. James Buckley, in place of the late lamented William See, contractor and builder.

WILLIAM CARROLL, Mayor.

On motion of Ald. Lewis referred to the Park Committee to report at the next meeting.

By the Clerk—

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: I hereby return to your Honorable body without my approval all that part of the proceeding of your session of Tuesday evening, August 25, 1891, included in the preamble and resolution offered by Ald. Lewis, which asks the Board of Health of this city to remove Frank J. Hone, Esq., from his position as Acting Attorney of that board, and accept in place of his services, the services of the present officials of the City Attorney's office. My disapproval of the resolution is based upon the following grounds:

It is conceded by all persons familiar with the law, that the Board of Health is a body created by a general statute of the state, and that it is not answerable in any way to the Common Council of the city for any of its acts nor is it dependent upon the Common Council for any of its powers.

By the resolution hereby returned the Common Council apparently seeks, through a reso-

lution worded in the form of a request, to dictate to the Board of Health the manner in which the board shall perform its duties. If the resolution was intended as a simple request it seems to me to have been uncalled for. If it was intended as a direction to the Board of Health, it was beyond the power of the Common Council to take action upon. In either case the resolution cannot meet with my approval.

The Board of Health has for many years been accustomed to advise with the law department of the city of Rochester on all legal matters, this notwithstanding the board has the power to appoint an attorney of its own and if it please fix a salary for such attorney. It is desirable and most proper that the board should have its own attorney, and experience teaches that the board has been hampered, hindered impeded and delayed in its work in times past by reason of its not having its own attorney and other officers through and by whom it could prosecute its work.

The work which the Board of Health is expected to accomplish, renders it necessary at times for the public good, to adopt harsh and severe measures against individuals. It is a notorious fact that many resolutions and ordinances of the board have failed of the intended effect, simply because individuals against whom these resolutions were directed, through influence, have stopped the machinery of the board, after the board had instituted proceedings against them, and such stoppages have most often occurred through the intervention of members of the Common Council on behalf of their constituents. That such things could not be if the board exercised all the powers granted it by law is apparent. This of itself shows the wisdom and necessity of the law under and by virtue of which all boards of Health in this state are created and receive their power.

I am informed that the Board of Health of this city has, in times past, refrained from appointing its own attorney because, necessarily a part of the small appropriation given to the Health Department, to defray its expenses, would be required to pay for the services of such an attorney. During the past few months the Board has been enabled, by an arrangement with Mr. Hone, which, I learn, is satisfactory to him, to receive his services both at its meetings and in the prosecution of its work, without cost whatsoever to the city. That this arrangement is most advantageous to the Board of Health will be apparent to any disinterested person.

It, therefore, seems to me, as I have said before, that the resolution of Ald. Lewis, was uncalled for, or else was an attempt on the part of the Common Council to exercise direction or control over the Board of Health. Believing that the Common Council has acted in this matter, either frivously or else without power, I return this resolution without my approval.

WILLIAM CARROLL, Mayor.

The president stated the question to be: Shall the resolution stand notwithstanding the objections of his honor the Mayor.

The Mayor's veto was overruled by the following vote:

Ayes—Alds. Calihan, McMillan, Zimmer, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Lewis—11.

Nays—Alds. Rauber, Bierbrauer, Kelly—3.

By the Clerk—

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Sept. 8, 1891. }

To the Honorable Common Council:

GENTLEMEN—At a meeting of the Board of Health, held Sept. 3, 1891, the following action was taken:

By the Clerk—

To the Honorable, the Common Council, of the City of Rochester:

GENTLEMEN: Your petitioners would respectfully represent that they are the owners of a piece of land on Irondequoit Bay known as Point Lookout, and consisting of about two and one-acre of land, and about the same quantity of marsh land adjoining the same. That for the past ten years or more the city has turned the sewers of the East Side of said city into the creek known as Hobbie's Creek, which said creek empties into Irondequoit Bay on the south side of your petitioners' land. That a club house for summer use was erected some twenty years since on said Point Lookout, and has been used every summer since its erection. That the volume of sewage in said creek has largely increased during the past five years, and that the stench from the same has compelled your petitioners to abandon the said premises. That parties remaining there are made sick by the stench, and that the fumes arising from said sewage is such that no person can remain in said club house, and that said property is now virtually abandoned and valueless. That said property, buildings and appurtenances were of the value of \$5,000 before said sewage was turned into said creek.

Your petitioners, therefore, ask that a suitable compensation be made them for the injury caused by said city to their property.

CHARLES C. MORSE,
GEORGE RAINES,
THOMAS BROWN,
JOHN W. MARTIN,
FRANK W. EMERY,
JAMES W. WHITNEY,
WILLIAM H. BOWMAN.

Referred to the Law Committee.

By the Clerk—

By the Clerk—

CITY ATTORNEY'S OFFICE,
19 CITY HALL BUILDING,

ROCHESTER, N. Y., Sept. 8, 1891.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—At the last Special Term of the Supreme Court an order was made dismissing the

appeal to the General Term of the sewer case, Covell vs. City, unless this Council take steps to pay the judgment recovered April 11th, 1890, for the sum of \$548.75, with \$20 costs, on appeal. I would, therefore, recommend that the matter be referred to the Law Committee to inquire into the same and report back to this Board.

Yours, etc.,

C. D. KIEHEL, Ass't City Attorney.

Ordered, received, filed and published.

By the Clerk—

ROCHESTER, Sept. 8, 1891.

STATE OF NEW YORK,
COUNTY OF MONROE, }
CITY OF ROCHESTER, } ss.

ANDREW BORNKESSEL, being duly sworn, deposes and says: That he is the City Sealer of the City of Rochester; that the foregoing contains a true and full report of the names of all persons, firms and corporations for whom he, or any of his assistants, have sealed or marked any weights or measures, since the date of his last report, together with the dates thereof, the description of all such scales, weights and measures, so sealed or marked, and the amount of fees or compensation collected therefor.

ANDREW BORNKESSEL, City Sealer.

Sworn to before me this 8th day of Sept., 1891.

JULIAN A. JANES,
Commissioner of Deeds.

Ordered received, filed and published.

MONROE COUNTY COURT—In the matter of Fien Place widening, in the city of Rochester. To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: The undersigned, who were appointed by an order of the Monroe County Court, granted and entered on the 27th day of April, 1891, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants, of the lands and buildings to be taken for the widening of Fien Place northward to a point about one hundred and fifty-one feet north from Oakman street, in said city, will be entitled to for the same, respectfully report and certify their award of damages, as incident to the widening of said street, as follows:

The piece and parcel of land required for such purpose, and necessary for the widening of said street or place, is described as follows:

All that tract or parcel of land, situated in the city of Rochester, county of Monroe and state of New York, bounded and described as follows:

Beginning at the southeast corner of lot forty-seven (47) of N. E. Paine's subdivision of the Simon's tract, and the west part of the Lee tract, on file in the Monroe county clerk's office, being and lying on the north side of Oakman street, in said city; thence northerly; along the east line of said lot, and the west line of Fien Place for a distance of about one hundred and fifty-one feet and six inches, to the northeast corner of said lot; thence westerly, along the north line of said lot, for a distance of sixteen and sixty-seven hundredths feet, to a point; thence southerly, for a distance of about one hundred and fifty-one feet and six inches, to a point on the north line of said Oakman street, and the south line of said lot, distant sixteen feet and six inches west of the place of beginning; thence easterly, on the said north line of said Oakman street, for a distance of sixteen feet and six inches, to the place of beginning.

These premises are owned by Louisa Wimble, wife of George Wimble. Therefore, we, the sub-

scribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matter submitted to us at the City Attorney's office, in the City Hall building, Rochester, N. Y., pursuant to a notice of at least ten days published according to law; and having taken a view of every part of the premises affected by this proceeding; and having inquired into and heard the allegations and proof of the respective parties in interest, do, thereupon, determine and appraise the damages which the owners, (there being no tenants or occupants other than such owners) of the premises thus to be taken for the widening of said street, will sustain by being deprived thereof, and fix the compensation which the aforesaid owners will sustain by being deprived thereof, and fix the compensation which the aforesaid owners shall receive therefor, as follows:

The awards hereby made, after deducting all taxes and assessments which have become a lien upon the lands described, to be paid as herein-after provided:

To Louisa Wimble, owner, aforesaid, the sum of eighteen hundred dollars (\$1,800), payable to her.

All of which is respectfully submitted.

Dated at Rochester, N. Y., September 8, 1891.

JOHN J. SNELL,

JOSEPH MAY,

Commissioners of Appraisal.

By Ald. Rauber—Resolved, That the next regular meeting of the Common Council, Tuesday evening, September 22, 1891, be, and hereby is, designated as the time when any objection to the report of the Commissioners in the matter of Fien Place widening will be heard.

MONROE COUNTY COURT.—In the matter of the widening of North St. Paul street on the east side thereof, at the angle therein, opposite the Deaf Mute Institute, in the city of Rochester.

To the Honorable, the Common Council, of the City of Rochester:

GENTLEMEN: The undersigned, who were appointed by an order of the Monroe County Court, duly granted on the 28th day of April, 1891, and entered in the Monroe county Clerk's office on the 28th day of April, 1891, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants, of the lands and buildings to be taken for the widening of North St. Paul street, on the east side thereof, at the angle therein, opposite the Deaf Mute Institute, in the city of Rochester, will be entitled to for the same, respectfully report and certify their award of damages, as incident to the widening of said street, as follows: The several pieces and parcels of land required for such purpose, and necessary for the widening of said street, are described as follows:

All that tract or parcel of land situated in the city of Rochester, County of Monroe, and State of New York, bounded and described as follows:

Beginning at a point in the east line of North St. Paul street one hundred and eighteen and six tenths (118 $\frac{6}{10}$) feet northerly from a point in the east line of North St. Paul street where the south line of the premises owned by Frederick Kronsbein, described in a conveyance recorded in the Monroe county clerk's office, in Liber 437 of Deeds, at page 190, intersects the same; thence northerly on the circumference of a circle subtended by a radius of five hundred and twenty-four and twenty-six hundredths feet to the north line of the premises of said Frederick Kronsbein described in said conveyance; thence westerly along said north line to a point where said north line intersects the east line of North St. Paul street; thence southerly along the east line of North St. Paul street to the place of beginning.

These premises are owned by Frederick Kronsbein, and are subject to two mortgages thereon, one given to Asa T. Soule, for \$5,000, which mortgage has been assigned to Louis F. Spohr,

and another mortgage for \$3,000, given to Louis F. Spohr.

Also all that other tract or parcel of land, situated in the city, county and state aforesaid, bounded and described as follows: Beginning at a point in the east line of North St. Paul street seventy-nine and four-tenths feet (79.4) southerly from a point where the north line of land owned by D. L. Polley intersects the east line of North St. Paul street; thence on the circumference of a circle, subtended by a radius of five hundred and twenty-four and twenty-six hundredths feet, to the south line of said Polley's lands, and the north line of lands owned by Frederick Kronsbein; thence westerly along said Polley's south line to a point in the east line of North St. Paul street; thence northerly along the east line of North St. Paul street to the place of beginning. These premises are owned by D. L. Polley.

Therefore, we, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matter submitted to us at the City Attorney's office, in the City Hall Building, Rochester, N. Y., pursuant to a notice of at least ten days, published according to law, and having taken a view of every part of the respective premises affected by this proceeding, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon, determine and appraise the damages which the several owners (there being no tenants or occupants other than such owners) of the several premises thus to be taken for the widening of said street, will severally sustain by being deprived thereof, and fix the compensation which the aforesaid owners respectively shall receive therefor, as follows:

The awards hereby made, after deducting all taxes and assessments which have become a lien upon the lands described, to be paid as herein-after provided.

To Frederick Kronsbein, for the parcel firstly above described to the sum of one thousand and fifty-three dollars and eighty cents, (\$1,053.80) payable to Louis F. Spohr, mortgagee aforesaid.

To D. L. Polley, for the parcel secondly above described, one dollar, payable to him.

All of which is respectfully submitted.

Dated, Rochester, N. Y., Sept. 8, 1891.

GEORGE C. BISHOP,

FRANK KOCH,

EMIL LUDEKENS,

Commissioners of Appraisal.

By Ald. Rauber—Resolved that the next regular meeting of the Common Council, Tuesday evening, September 22, 1891, be, and hereby is, designated as the time when any objection to the report of the commissioners in the widening of North St. Paul street will be heard.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

CONNOR PARK PLANK WALK.

By Ald. Shelter—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on Connor Park.

Adopted.

The Surveyor submitted as such estimate, \$130.

By Ald. Shelter—Resolved, That the following improvement is necessary, viz:

The construction of a pine plank walk, four feet wide, on the south side of Connor Park, from Angle street to Sherman street. Also the necessary sidewalk grading and gutter formations.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$130, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly

ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on the south side of Connor Park, from Angle street to Sherman street, in proportion to the benefit which each will derive therefrom.

Adopted.

HARVEST STREET SEWER.

By Ald. Rauber—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Harvest street.

Adopted.

The Surveyor submitted as such estimate, \$1,150.

By Ald. Rauber, Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer 12 inches in diameter in Harvest street, from a point 79.3 feet north of Englert Place to Bay street. Also the construction of the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formation.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,150, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense, thereof, viz:

One tier of lots and parcels of land on each side of Harvest street, from a point 79.3 feet north of Englert Place to Bay street, in proportion to the benefit which each will derive therefrom.

Adopted.

PARCELLS AVENUE PLANK WALK.

By Alderman Shelter—Resolved, That the City Surveyor ascertain and report to this council the expense of constructing a plank walk on Parcels avenue.

Adopted.

The Surveyor submitted as such estimate \$450. By Ald. Shelter—Resolved, That the following improvement is necessary, viz:

The construction of a pine plank walk, four feet wide, on each side of Parcels avenue, from the west side of Leighton street to the west line of lots one and two, of Blodgett's subdivision of H. D. Schanck's subdivision of part of lot 42, formerly in the Town of Brighton. Also the construction of the necessary crosswalks and sidewalk grading, except where good walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$450, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefitted and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Parcels avenue, from the west line of Leighton street to the west line of lots one and two, said Blodgett's subdivision, in proportion to the benefit which each will derive therefrom.

Adopted.

STONE SEWER IN STATE STREET.

By Ald. Rauber—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in State street.

Adopted.

The Surveyor submitted as such estimate \$7,000.

By Ald. Rauber—Resolved, That the following improvement is necessary, viz:

The removal of the present sewer, and the construction of a new stone sewer 2x3 feet, with arch and invert, in size, in State street, from the tunnel in Platt street to the center of Brown street; also the construction of the necessary manholes, surface sewers, lot laterals and branches.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$7,000, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of State street, from Platt street to Brown street, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Wurtz—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7 o'clock P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser notice thereof as is required and in the manner specified by Section 172 of the City Charter.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Sept. 10, 1891.

To the Honorable, the Common Council, of the City of Rochester:

GENTLEMEN: Agreeably to your direction heretofore given in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your Honorable Body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Thursday evening, September 10, 1891, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvements. Respectfully,

PETER SHERIDAN, Clerk.

The final ordinance for a pipe sewer in Fourth street came up. Ald. Wurtz presented a remonstrance and moved that the ordinance be postponed two weeks.

Adopted.

FINAL ORDINANCE No. 4541.

MARION STREET SEWER.

On motion of Alderman Rauber, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a pipe sewer in Marion street, from near Jefferson avenue to Reynolds street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester do ordain and determine that the following improvement is necessary and should be made, to-wit:

The construction of a vitrified pipe sewer, 12 inches in diameter, in Marion street, from a point 75 feet east of the east line of Jefferson avenue to the sewer in Reynolds street; also the construction of the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formation.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$1,500, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to-wit:

One tier of lots and parcels of land on each side of Marion street, from Jefferson avenue to Reynolds street.

Adopted by the following vote:

Ayes—Ald. Callihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—14.

The final ordinance for Bronson avenue improvement came up.

Ald. Shelter moved that the ordinance be amended by striking out the word trinidad, so as to read "asphalt pavement."

Adopted.

Under the rule action on the ordinance was postponed two weeks.

FINAL ORDINANCE NO. 4,542.

EAST MAIN STREET RAILROAD BRIDGE.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct an iron bridge on East Main street, across the property of the N. Y. C. & H. R. R. R.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester do ordain and determine that the following improvement is necessary and should be made, to wit:

The removal of the present highway bridge spanning the New York Central & Hudson River Railroad property at East Main street, and the construction of a new iron bridge carrying sidewalks and street pavement; said bridge to be of the full width of East Main street, and of a length sufficient only to span the width of the railroad property at that point. Also the removal of the present abutment walls, and the reconstruction thereof on the lines of said railroad property: the removal of the present retaining walls and the reconstruction thereof on the line of East Main street, and the supplying of any deficiency that may occur in abutment and retaining walls necessary to the full and proper construction of said walls. Also the widening of the roadway of the street to its proper width, and paving the same with Medina stone. Also the widening of the sidewalks to their proper width and constructing flag stone walks where necessary.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$85,000, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city which this Council deem proper to be so assessed for, and will be benefited by such improvement, to wit:

All the territory included within and described by the following boundary lines, viz:

Beginning at the southwest corner of Norton and North Goodman streets, thence southerly along the west line of North Goodman street, including one tier of lots and parcels of land on the west side thereof, to Bay street, thence westerly along the north line of Bay street, including one tier of lots and parcels of land on the north side thereof, to Ulm street; thence across Bay street to the southwest corner of Bay street and Seventh avenue; thence southerly along the west line of Seventh avenue, including one tier of lots

on the west side thereof to the south line of Central Park; thence westerly along the south line of Central Park, to the west line of Sixth avenue; thence southerly along the west line of Sixth avenue, including one tier of lots on the west side thereof, to the south line of Pennsylvania avenue; thence southerly along the west line of lot 53 of the Wakely Farm Tract to the southwest corner of said lot; thence westerly along the rear line of the first tier of lots adjoining the south side of Pennsylvania avenue to the west line of the Hayward Homestead Tract; thence southerly along the west line of said tract to the north line of lands belonging to the New York Central & Hudson River Railroad Co.; thence westerly along the north line of said railroad company's lands to Union street; thence southerly along the east line of Union street, excepting one tier of lots on the east side thereof, to a point 197 feet north from East Main street, measured along the east line of Union street; thence still southerly along the east line of Union street to East Main street; thence westerly along the north line of East Main street, including one tier of lots on the north side thereof to the Genesee river; thence southerly across East Main street to the south line thereof; thence easterly along the south line of East Main street, including one tier of lots on the south side thereof to University avenue; thence easterly along the south line of University avenue, including one tier of lots on the south side thereof to the east line of North Goodman street including also the lot on the southeast corner of Goodman street and University avenue; thence northerly along the east line of North Goodman street, including one tier of lots on the east side thereof to Leighton avenue; thence easterly along the south line of Leighton avenue, including one tier of lots and parcels of land on the south side thereof to Henry street; thence still easterly along Leighton avenue, excepting one tier of lots on the north side thereof to the Culver road; thence northerly along the Culver road to Waring street; thence northwesterly along Waring street to Norton street; thence westerly along the south line of Norton street to the place of beginning, excepting from the above described territory, all the lands included within belonging to the New York Central & Hudson River Railroad Co.

FINAL ORDINANCE NO. 4,543.

PLYMOUTH AVENUE PIPE SEWER.

On motion of Ald. Rauber the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a pipe sewer in Plymouth avenue from the angle near Atkinson street to Spring street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester do ordain and determine that the following improvement is necessary, and should be made, to wit:

The removal of the present sewer, and the construction of a vitrified pipe sewer 18 inches in diameter in Plymouth avenue, from the sewer in Spring street, to the center of Troup street; also a vitrified pipe sewer 15 inches in diameter from the center of Troup street, to the angle in Plymouth avenue next south of Atkinson street; also the construction of the necessary manholes, surface sewers, lot laterals and branches.

And the City Surveyor, under the direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$3,300, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which

This Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on the west side of Plymouth avenue, from Spring street to the south line of property supposed to belong to Susan P. McAlpine at the angle in the west line of Plymouth avenue next south of Atkinson street. Also one tier of lots and parcels of land on the east side of Plymouth avenue, from Spring street to the south line of property supposed to be owned by Sarah L. Johnson at a point 12.5 feet north of the angle in the east line of Plymouth avenue next north of Adams street.

Adopted by the following vote:
Ayes—Alds. Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—14.

The final ordinance for Plymouth avenue asphalt improvement came up, and on motion of Ald. McMillan was postponed two weeks.

The final ordinance for Marion street sewer, from a point 300 feet west of the west line of Reynolds street to the sewer in Reynolds street, came up and on motion of Ald. Shelter was indefinitely postponed.

The final ordinance for Manson street plank walk came up and on motion of Ald. Shelter was postponed until the next regular meeting.

The final ordinance for Court street Medina or granite block pavement came up and was, on motion of Ald. McMillan, postponed two weeks.

UNFINISHED BUSINESS.

Under this head the application of the Rochester Railway Company, published at page 169, Current proceedings, came up. Ald. Kelly moved that action on the same be postponed two weeks. Adopted.

By Ald. Kelly—Resolved, That the next regular meeting of the Common Council, to be held on the 8th day of September, 1891, at 7 o'clock P. M., be, and the same hereby is, designated at the time when any objection to the report of the Commissioners of Appraisal in the matter of the widening of the Big Ridge Road, from Lake avenue to the western city line, in the city of Rochester, under Final Ordinance No. 4,199, will be heard.

Adopted.
Allegations having been called for and all persons appearing being heard, Ald. Kelly presented the following:

By Ald. Kelly—Resolved, That the report of the Commissioners in the matter of widening the big ridge road from Lake avenue to the western city line, as contemplated under Ordinance No. 4,199, be, and the same hereby is, confirmed.

Adopted by the following vote:
Ayes—Alds. Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis.—13.

Ald. Shelter moved that when this board adjourns it be until Thursday, September 17th, at 2 o'clock P. M., for the purpose of appointing inspectors of election and polling places.

Adopted.
Action on the resolution of Ald. Shelter in the matter of ordering an assessment for opening a street from Jefferson avenue to Genesee street, and published at page 221 current proceedings, came up. Ald. Shelter moved that action be postponed until next meeting and that the clerk be directed to publish a notice in reference thereto.

By Ald. Cleveland—
To the Finance Committee of the Common Council:

GENTLEMEN—I have to report that I have examined closely and fully all matters connected with the business and finances of the City Treasurer's office for the month of August, and find that all its affairs have been accurately and properly conducted.

The cash balances required to be on hand, or on deposit in designated city banks, on the morning of September 1st, were as follows, all of which were found correct by the counting of cash and a comparison of accounts with the several banks: Cash, and cash items, in the office, \$55,955.77; on deposit in Traders' National Bank, \$132,075.23; German American Bank, \$124,131.37; Central Bank, \$132,583.

The great and very unusual amount of cash on hand may properly call for a word of explanation, as it represents a sum in excess of the general average of the past year or more of about \$45,000. The facts are these: My examination of the funds was made before business hours on the 1st inst. The day previous was the last day of the month, at which time payments of taxes are always large, to avoid the payment of an additional 1 per cent. if deferred for only another day.

Perhaps it may be as well, in this connection, to give the items constituting this large balance, so that its character and reasonableness may be seen, in view of the facts in the case:

Checks payable on demand.....	\$ 20,912 79
Specie.....	2,739 44
Currency (Police pay roll due this day)	32,282 00
Expense account.....	21 54

Total..... \$ 55,955 77
Respectfully submitted,

JOHN BOWER.

September 4, 1891.

Ordered received, filed and published.

Ald. Cleveland presented the application of Sadie E. Woodworth for commissioner of deeds referred to the Law Committee.

By Ald. Shelter—Petition for water mains in Ethel street, referred to the Water Works Com-

mittee and Executive Board; also communication from S. B. Roby in relation to water supply. Ordered received and filed.

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., Sept. 8, 1891.
Ald. Wurtz, Chairman of Map and Survey Committee:

DEAR SIR: John C. Ryan is entitled to the sum of three hundred and twenty (\$320) dollars for work completed under his contract for the survey of the first fourteen wards of the city.

I recommend the payment of that amount.

Yours respectfully,

OSCAR H. PEACOCK,
City Surveyor.

Ordered received, filed and published.

By Ald. Wurtz—Resolved, That the City Clerk be, and hereby is, directed to draw an order on the City Treasurer for the sum of three hundred and twenty (\$320.00) dollars in favor of John C. Ryan, as partial payment for work performed under his contract with the City of Rochester, for the survey of the first fourteen wards of the city, and charge the same to the contingent fund.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis—13.

By Ald. Wurtz—Resolved, That the Executive Board be requested to place a fire alarm box at the corner of Thompson and Costar street as soon as possible.

Adopted.

By Ald. Adams—Resolved, That Ordinance No. 4519, passed July 28, 1891, and recorded on page 189 of Common Council proceedings of 1891-92, for Kirk streets Medina stone improvement, be reconsidered.

Resolved, That said ordinance be indefinitely postponed and repealed.

Adopted.

By Ald. Cook—Petition for a plank walk and grading Benton street. Referred to the Surveyor to prepare an ordinance.

By Ald. Fox—Petition of Geo. J. Wunder with reference to an erroneous assessment. Referred to the Assessment Committee.

By Ald. Kelly—Petition of H. Sellers McKee to dedicate avenues in the city of Rochester known as Clay, Electric and Magee avenues. Referred to the Executive Board.

By Ald. Kelly—Resolved, That the Clerk draw orders upon the Treasurer, payable from the contingent fund, in favor of the following named parties, and for the sums and purposes, viz: W. B. Crittenden for thirty dollars, for services as Commissioner and Clerk of appraisal; W. H. Crennell and Charles H. Wetmore for fifteen dollars, each, for services as commissioners of appraisal; The Rochester Title Insurance Company for seventy-five cents for abstracts of title and searches; Andrew Ludolph for five dollars and ten cents for amounts expended by him for fees of witnesses, and the expenses in subpoenaing the same in the matter of the widening of Big Ridge Road in the City of Rochester, under Final Ordinance No. 4,199, and that the Treasurer pay said several sums from the contingent fund, and charge and carry said sums to the fund for the widening of said street, when created.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis—13.

By Ald. Lewis—Resolved, That the Brush Electric Light Co. be, and it is, hereby directed to remove the electric light at the center of High street to the south side of High street, and the City Surveyor be, and he is, hereby instructed to serve notice of the adoption of this resolution upon said company.

Adopted.

By Ald. Lewis—Whereas no agreement for the purchase of lands necessary to be taken for the opening of a street from Clifford street to Waring street as contemplated by final ordinance No. 4508 can be made; therefore—

Resolved, That a copy of said ordinance and of this resolution, together with a map of the street be made and filed in the office of the City Clerk, which map shall show thereon the lots, tracts and parcels of lands which are deemed necessary to be taken and the commencement and termination of the said proposed street to be opened according to the provisions of section 174 of the revised city charter, and that the City Attorney be and is hereby instructed to take and institute such proceedings from time to time as may be necessary to secure such opening as is provided by said city charter. Adopted.

By Ald. Lewis—

To the Honorable, the Common Council of the city of Rochester.

GENTLEMEN: Your Law Committee begs leave to make the following report: In the matter of the first ordinance extending and improving the outlet of the Front street sewer, which was referred to this committee by this council, we have heard the parties interested and have found that the present Front street outlet sewer is exposed to the open air and creates odors which are offensive to its immediate vicinity. This can be avoided by sinking a shaft, tunnel or iron pipe connecting the present outlet tunnel with the tail race and this is the only feasible and practical way the covered outlet can be constructed. We therefore recommend that the ordinance as introduced be adopted. The petition of Helen M. Leggett and Alfred Leggett to this council, accompanied by a communication of the Assistant City Attorney has been considered by your committee and we recommend that the sum of \$42.96 be paid to Helen M. Leggett and Alfred Leggett, in pursuance with a contract made between them and this city, and we recommend that the Treasurer pay to said Helen M. Leggett and Alfred Leggett the said sum out of the contingent fund, if the assessment against said parties stand paid upon the books of the treasurer as set forth in the petition. The claim of John Cunningham has been considered by your committee and we recommend that the same be denied. The claim of C. H. Manchester for damages from water in his cellar, caused by the breaking of the water pipes has been considered by your committee, and as the city is not liable for such damages, we recommend that the claim be denied. The claim of John H. Mason for disbursements ordered by the Excise Board has been considered and as this council cannot be legally obligated by the Excise Board of this city, we recommend that the same be denied. The matter of Jane C. Coleman to have the city convey to her ten feet of the highway in front of her premises on Taylor street has been carefully considered, and we find that under the charter the Executive Board has the same power as highway commissioners of towns to institute proceedings to abandon public highways or parts thereof if we are of the opinion that the city cannot legally convey the land to Mrs. Coleman and therefore recommend that her request be denied.

The communication of the first assistant attorney of July 24th, to this committee, and the communication of the city attorney referred to it by this Council at about the same time concerning the condition of the affairs of your law department, have been considered and after a very careful investigation and inquiry into its affairs, we find that on account of the increase of business relating to city matters, it becomes necessary to have careful and competent men in the employ of the city's law department and that the present city attorney, during his administration, has not conducted the law business of the city in such a manner and with such care as the interests of this city demand. The volume of business in this office is very large and the several appointees therein should be active and energetic attorneys to avoid any detriment to the cases and legal business of the city.

We find that up to the first of June last, the present City Attorney has been negligent and unfaithful in the performance of the duties of

his office and has been guilty of official misconduct. In many instances the city has sustained great losses and injuries, and the work of its departments has been delayed and hindered on account thereof.

In the case of Avenell and another against the city an action was commenced on the 28th of February, 1891, for damages and for a perpetual injunction closing up one end of Ethel street. The City Attorney neglected to serve an answer in the case, though he had ample time to do so, and on the 9th day of April following he allowed a default, and judgment was entered against the city upon an inquest held recovering the sum of \$200 for damages with costs, and decreeing an injunction forever closing this end of Ethel street from public use. On the 22nd day of May following, the president of the Common Council was served with a writ of mandamus to compel this council to raise the money for the purpose of paying the judgment. When the new appointees entered upon their duties on the 1st of June, they discovered this state of affairs and at the June special term made a motion to set aside this judgment and open the default. This was only granted, however, by the court after censuring the present city attorney for his negligence and misconduct in the matter, and imposing upon the city the condition of paying to the plaintiff in the action costs to the amount of \$30.50. The city has thus been put to this expense for the privilege of serving an answer in this case, which, under the practice of the court, ought to have been served within twenty days after the city was sued.

By resolution of this Council passed May 15, 1888, the then City Attorney was directed to begin an action against the Western Union Telegraph Company, to recover a judgment which had been rendered in an action entitled Mary A. Graham, as executrix, against the city for the death of her daughter, Anna Graham, caused by the giving away of some of the trusses of the Court street bridge in 1887, by reason of overburdening the bridge with the poles and wires of the telegraph company. A proper notice had been served upon the company before this action came to trial, to come in and defend by which the city's right of action over against the company was properly preserved. Pursuant to this notice and resolution, an action was commenced on the 11th day of June, 1888, by the service of the summons on the company. Extensions of time to serve the complaint were procured by the present City Attorney from time to time until the 8th day of December following, when a default was suffered by him, and since then no steps have been taken in the action. In his annual report for the fiscal year ending April 1, 1889, presented to this Council on the 28th day of March, 1889, no reference was made to this action. In his annual report of March 27, 1890 for the fiscal year ending April 1, 1890, he reported this action as pending and undetermined; and in his annual report of March 26, 1891, for the year ending April 1, 1891, he reported the action as still pending and undetermined. This long and inexcusable delay will make it extremely difficult for the city to regain its standing in court, and the probabilities are, if an attempt were made the case would be ordered abandoned. We understand that the attorney for the telegraph company claims that the action has been abandoned by the City Attorney and insists that the city has now no cause of action against the company. Prior to this resolution of May 15, 1888, the city paid the judgment in favor of Mary A. Graham, as executrix, amounting to \$2,375.65, for damages and costs. This the city suffers as a loss on account of the City Attorney's negligence and misconduct. It is very probable that the full amount, with interest from the time of payment, could have been recovered by the city against the telegraph company, had a complaint been served by the City Attorney and the case properly prosecuted.

A temporary injunction was procured against the city in the case of Bygraves et al, on the 7th day of June, 1890. The Executive Board, by virtue of the final ordinance of this council, were then constructing a sewer in this city and under the direction of the City Surveyor. Certain surface water courses and leakages from the canal were about to be directed into the sewer, so that certain tracts laid out into lots could be profitably improved. Upon the service of the papers the work was stopped and the matter left in the hands of the City Attorney to remove the injunction. Nothing has ever been done by him in this action, except to secure from time to time extensions of time to answer.

In the case of Hagg against the city, an injunction was procured and the summons and complaint served on the 9th day of November, 1890. The plaintiff in the action was encroaching upon a public alley in this city, by the erection of a brick building. The Executive Board proposed under the charter to remove that part of the wall which was an encroachment. This injunction was then procured to prevent the Executive Board from doing so, and the matter was put in the hands of the City Attorney to protect the city's interest. The complaint barely states a cause of action, and from the public records pertaining to the case it shows positively that the building encroaches upon the public alley between one and two feet. Nothing, however, was done by the City Attorney to remove this injunction and to prevent the plaintiff to erect his building and the same stands to-day completed, encroaching upon the highway. He never made a motion to set aside the injunction, as he ought to have done, and has never served an answer in the case, but has procured from time to time, since the commencement of the action, extensions of time to answer.

On the 7th day of April last, an injunction was procured against the city by the M. D. Tarba Mfg. Co., to restrain the Executive Board from tearing down the fence or inclosure which said company built under Main street bridge, for the purpose of storing charcoal under the road bed of the bridge. The Executive Board considered it dangerous to have such inflammable material under the road bed of the bridge, and proposed under the charter to remove the obstruction, for the reason that the company was occupying a part of the highway of which the city held the fee. This injunction was procured to prevent the removal of this encroachment. The city attorney made no attempts to remove this injunction, and up to the 1st of June secured extensions of time to answer.

In the case of Thompson, et al. against the city, an action was brought on the 13th day of August, 1889, to set aside assessments against the property of the plaintiffs, amounting to the sum of \$4,179.39, and for a perpetual injunction restraining the collection of these assessments. The action was based principally on the fact that the assessments were excessive, and that the assessors had made a mistake in naming the owner of the property. From that time down to the first of June no attempt was made to inquire into the merits of the case, and all that the City Attorney did during that period was to procure extensions of time to answer. It is the opinion of this committee that the city has a good defence, as the charter provides that it is immaterial whether the assessors have the name of the owner or not upon the assessment roll, and that the assessors, so long as they are not guilty of any fraud or misconduct, have the power to make assessments for improvements.

At a meeting of this council on the 24th day of February, 1891, the city attorney was directed to prepare and present for adoption the necessary resolution for the re-assessment of the costs and expenses, including the damages awarded with interest, for the opening of Church street. An assessment had been previously made under a final ordinance of this board, but the same was set aside by a judgment of the Supreme Court. The amount involved in this matter, including

interest up to the time he so directed, was over two hundred thousand dollars. Under the charter the council has the power to order a re-assessment in such a case, and it was a matter of the greatest importance to the city that the directions should have been properly and diligently followed. This was, however, delayed and neglected by him, contrary to the best interests of the city and the taxpayers directly concerned. It was not until your committee called the attention to the law department to this uncalled for delay that the present employes took up the matter which has been recently reported to this council.

We have also learned that in all the cases which are now pending in the City Attorney's office there have been no preliminary preparations for trial, and no memoranda or statements to furnish information of the necessary witnesses and material evidence. We regard this very gross negligence on the part of the City Attorney, as most of the cases are actions for damages where the witnesses cannot be found after long delay. The employes of the different departments of the city are subject to continued changes and where such memoranda and statements are not secured immediately after an accident has occurred, it is apparent how helpless the city is in successfully defending the case upon the merits. This condition of affairs exists in cases which are from two to three years old, and it can readily be seen how the city is liable to suffer by reason of this negligence.

Besides the cases above set forth wherein the city has suffered great loss, and the injunctions now pending against the city which have materially hindered and interfered with the progress of the city's work in the several departments, the City Attorney has been guilty of delays, inattention and negligence in the performance of the duties of his office. It is also clear that the matters in your law department have not only been carelessly and indifferently prosecuted and attended to, but that the present City Attorney has been guilty of gross negligence and unfaithfulness in the performance of his official duties. We, therefore, recommend that a resolution be adopted by this Common Council, that Charles B. Ernst, Esq., the present city attorney, show cause at the next meeting of the Common Council why he should not be removed from office for his official misconduct and for neglect and unfaithful performance of the duties of his office as set forth in this report.

Dated August 28, 1891.

All of which is respectfully submitted.

Yours etc.

By Aid. Lewis—

ROCHESTER, Sept. 18, 1891.

To the Honorable Common Council, Rochester, N. Y.:

GENTLEMEN: The Plumbly Steel Booth Construction Company, of the city of Buffalo, state of New York, undertakes and agrees to build for the city of Rochester, any number of voting buildings known as the "Plumbly Patent Steel Voting Booth" of the same design as the one erected by the said company in front of the Court House in the city of Rochester, and in accordance with specifications to be filed, for the sum of two hundred dollars (200) each, set up complete in the several voting precincts as designated by your Honorable body.

The said buildings are to be of wooden frame work with corrugated steel sides and sheet steel roof and will be twenty-four feet long instead of eighteen feet, and in all other respects equal to and similar to the sample booth built by the said company in the yard of the Court House.

The Plumbly steel Booth Construction Co., further agrees that if desired by the said city of Rochester, it will for a period of ten years, take down, carefully store, insure, and when needed for the purposes of elections, reconstruct said buildings, for the sum of twenty dollars (20) each per year.

The said Plumbly Booth Co., further agrees that the labor and material, in so far as possible, will be supplied from the city of Rochester.

The said Plumbly Steel Booth Construction Co. undertakes and agrees to furnish the said city of Rochester, within ten days of the execution of this contract, a bond in the sum of _____ dollars, with good and sufficient surety residing in the city of Rochester, conditioned for the faithful performance of this agreement on its part.

These booths have already had a large sale in different states where the secret ballot laws are in operation. They can be very rapidly constructed and very readily taken down. They can be stored in very much less space than any wooden building of the same size, as the iron takes up but very little room when piled together. One of these buildings when piled ready for storing will occupy about seventy cubic feet of space—say a space twelve feet in length, three feet high and two feet wide. If the city after purchasing these buildings should wish to store them, and any vacant lot is available for the purpose, a few of these booths may be set up, and ten or twelve others may be stored in each one of them.

As compared with wooden buildings there will be a great saving not only in the space required for storage, but also in the cost of insurance, as only a small portion of each booth is inflammable, and those portions can be stored by themselves.

The buildings are much neater in appearance than any wooden building can be made, and are much more durable, and every effort has been put forth to make them as perfect as possible for the purpose intended.

The new Ballot Law has made it quite impossible to rent suitable rooms in the business portions of cities except at an enormous expense. The following figures based upon a table furnished by the Rochester *Herald* of June 12, 1890, will show the comparative cost of the two systems:

Rental of 75 rooms at \$60 per year for 10 years	\$ 45,000
75 guard rails at \$5	375
375 voting stalls at \$5	1,875
75 tables at \$5	375
Storage of 375 stalls, 75 tables and 75 rails for ten years	7,500
Total	\$ 55,125
Average cost per year	5,512
Cost of 75 Plumbly steel booths	\$15,000
Cost of taking down, storing and insuring, and resetting twice a year for ten years	15,000
Total	\$ 30,000
Average cost per year	3,000

Very Respectfully,

THE PLUMBLY STEEL BOOTH CONSTRUCTION CO.,
Per F. W. CONSTANTINE, Sec.

SPECIFICATIONS FOR THE PLUMBLY STEEL VOTING BUILDING.

ROCHESTER, Sept. 17, 1891.

The building is to be similar in design and equal in all respects to the booth erected by the Plumbly Steel Booth Co., in front of the Court House in the city of Rochester.

The building is to be twenty-four (24) feet long, twelve (12) feet wide, and seven feet high at the sides.

The foundation is to be of five 2x4 inch stringers and six 2x4 inch floor joists planed four sides and bolted together with $\frac{1}{2}$ inch bolts.

The floor is to be made of $\frac{3}{4}$ inch sound matched flooring, and to be made in eight sections—each section to have three hard wood cleats nailed on the under side of the section—the outer cleat to project $\frac{3}{4}$ inch beyond the floor to form a rest for the corrugated sides.

The studding is to be 1 and $\frac{3}{4}$ inches by 2 and $\frac{3}{4}$ inches, Norway pine with molded edges, and are to contain a stud bolt in each end.

The door frames and window frames are to be made of 1 and $\frac{3}{4}$ inches by 3 and $\frac{3}{4}$ inches Norway pine with stud bolts in each frame.

The plate and cornice is to be of one piece of hardwood $\frac{3}{4}$ -inch thick by 5 inches wide; and two pieces of $\frac{3}{4}$ -inch by 1 and $\frac{1}{4}$ inches pine, nailed on the under side of the 5-inch hardwood piece; and 1 and $\frac{1}{2}$ -inch band mold on the outer edge to form the cornice. They are to be made in seven sections and bolted together with stud bolts.

The studding is to be bolted to the floor and to the plates and cornice.

The sides are to be covered with No. 26 corrugated steel. The sheets are to be slipped under the cornice and fastened to the cornice, studs and flooring with screws.

The doors and windows are to form separate sections. There are to be three windows of six lights each; each light to be 10x16 inches. There are to be a sufficient number of skylights to light the voting stalls within. The skylights are to be covered with galvanized wire screens.

The door is to be six feet six inches by two feet six inches, the upper panels to contain four lights of glass. The door is to be finished and hung.

The rafters are to be of 1 $\frac{3}{4}$ inches by 2 $\frac{3}{4}$ inches Norway pine, with molded edges. The foot of each rafter is to be bolted to the plate. Each end of the purlin contains a cast iron saddle for the ends of the rafters. The center of the purlin contains a cast iron chimney and ventilator combined.

The roof is to be covered with No. 26 steel. The edge of each sheet to be turned up $\frac{3}{8}$ of an inch and to rest on the rafters. The edges are to be

covered with a molded strip of wood 1 $\frac{1}{2}$ inches by $\frac{3}{8}$ inches and fastened with nails or screws passing through the wood strip and between the plates of steel and into thereafter.

A guard rail of one inch pipe is to be placed according to plans.

The steel is to be painted two coats of paint and the inside woodwork is to be given two coats of paint or to be finished in cherry or oil, as selected.

Any changes desired will be made provided that the expense is not materially increased.

It is further agreed that the labor and material, in so far as possible, shall be supplied from the city of Rochester.

If desired, the booths or stalls now owned by the city of Rochester can be used in the Plumbly booth, and a suitable reduction will be made in the price of the buildings.

Ordered received, filed and published and referred to the City Property Committee.

By Ald. Wurtz—

ROCHESTER, N. Y., Sept. 22, 1891.

To the Honorable, the Common Council:

GENTLEMEN—Pursuant to communications received from the Executive Board, the Chamber of Commerce and private individuals, complaining of the pavements upon various streets in the central portion of the city, your improvement committee has made an extended examination covering the greater portion of the territory in question. The criticisms aimed at various street pavements are, to a great extent, true, said pavements having been laid many years, being of improper design, and almost entirely worn out through constant use during the past twenty-five years. Your committee respectfully recommends the beginning of the construction of a system of new pavements for the central portion of the city, to be first-class in the quality of materials used and in the method of construction. We, therefore, suggest at this time, the paving of East and West Main streets from the Erie canal to the east line of Franklin street and East avenue respectively, and Exchange and State streets from the Erie canal to Platt street, with a Medina stone or granite block pavement laid on a concrete foundation. It has been represented to your Committee that there is a probability of constructing, within a year or two, a new bridge in Court street spanning the Genesee River, Johnson & Seymour Race and the Erie canal, which may perhaps necessitate to some extent, a change in the present grade of Court street, property owners on said street in view of such possible change in the grade thereof, request permission to relay the pavement as said street, using so much of new materials as may be necessary at their own expense, and it is recommended that such permission be granted; the work to be completed in accordance with specifications to be furnished by the City Surveyor, and under the direction of the Executive Board.

Ordered received, filed and published.

Ald. Wurtz moved that the City Surveyor prepare ordinances in accordance with the report of the Public Improvement Committee. Adopted.

By Ald. Cook—
To the Honorable, the Common Council of the City of Rochester :

GENTLEMEN—Your Assessment Committee makes the following report :

An application was made by George S. Riley that the time of the resolution of this Common Council of July 28, 1891, giving him until September 1, 1891, to pay the assessment for the East Main street improvement in 1888, and a tax to which said assessment was added, and time was extended by resolution to September 15, 1891.

Said George S. Riley having explained fully the unavoidable reason why said assessment and tax was not paid on or before September 15, 1891. We therefore recommend that the applicant have until October 15, 1891, to pay said assessment and tax. Respectfully submitted,

HENRY G. COOK,
HENRY SHELTER,
J. MILLER KELLY,
JOSEPH BIERBRAUER,
JULIUS WURTZ,
Assessment Committee.

Ordered received, filed and published.

By Ald. Cook—Resolved, That the time of payment of the unpaid city tax, including assessments, of George S. Riley, as set forth in a resolution of the Common Council of March 26, 1891, be and the same hereby is extended to October 15, 1891.

Adopted.

By Ald. Adams—Bill of Edison Electric Light Company, lighting lamps, August, \$2,106.92. Referred to the Lamp Committee.

REPORTS OF SELECT COMMITTEES.

Ald. Wurtz, from the Select Committee on Mayor's veto of changing the name of North avenue, asked for one week's further time, which was granted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

EXECUTIVE BOARD,
STREET, FIRE AND WATER COMMISSIONERS,
ROCHESTER, N. Y. }

To the Common Council :

GENTLEMEN: The Executive Board respectfully recommend to your honorable body the grading of Hayward Park, from St. Joseph street to Hudson street. This grading is made necessary for the reason that an ordinance for walk was adopted and a contract let for the work. The grade established formed a channel on north side of the street, leaving the roadway in some places nearly four feet above the walk. The danger of a continuation of such a disparity in the grade is too obvious to need argument. The Executive Board would therefore urge that the Surveyor be authorized to introduce an ordinance for the improvement.

Respectfully,
THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published, and referred to the Public Improvement Committee.

To the Common Council:

GENTLEMEN—The Executive Board are in receipt of the following communication and deeming that they have no authority to act upon the matter to which it refers, would respectfully present it to your honorable body for such action as may be thought necessary.

Respectfully,
THOMAS J. NEVILLE, clerk.

HONEOYE FALLS, Sept. 19, 1891.

Mr. Geo. W. Aldridge, Chairman of the Executive Board, Water Dept. :

DEAR SIR: The owners of water rights on the Hemlock outlet and members of the Honeoye Valley Hydraulic Association request that the options given by them to the city of Rochester for the sale to the city of their water rights be accepted and approved and a certificate of approval be issued to each person giving said options.

If the changed administration of the affairs of the city deem it unwise to accept the options according to the terms stipulated, will you be kind enough to release the owners by the discharge and return of the documents.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, Sept. 22, 1891. }

To the Common Council :

GENTLEMEN: The Executive Board respectfully reports that Bauman Park, running north from Hayward Park to Laser street, is graded and monumented and ready for acceptance as a public street.

Forrest street, running from Field street to Fountain street, be accepted, as all conditions have been complied with; but Fountain street, extending from Forrest to Pinnacle avenue, in the same sub-division (Zimmer's), is not ready for acceptance until a curb stone at its entrance at Pinnacle avenue is removed and the usual roadway entrance is constructed.

The Executive Board cannot recommend the acceptance of a street 45 feet wide and 115 feet deep, extending from Bay street, because they do not deem it of any value or benefit to the public.

The acceptance of Richard street is also postponed until it is properly graded and the laying of water pipe in same street will be undertaken as soon as a proper easement or right of way is granted for such purposes.

The Board recommend that Glencairn, running from Hague street westerly about 200 feet, be accepted as a public street, as all necessary conditions have been fulfilled.

Parselles avenue and two other streets in the same tract are not accepted because no map of such streets have been filed in the City Assessors' office, as required by the rules of your board.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Bohrer—Resolved that Forrest street, running from Field street to Fountain street (in the Zimmer sub-division), Bauman Park running north from Hayward Park to Laser street, Glencairn street running from Hague street westerly about 200 feet, and dedicated to public use and reported by the Executive Board, be and hereby are accepted as public streets, and that the Executive Board be notified to place the necessary street signs, and the City Clerk is hereby instructed to enter the name of said streets in the public street registry kept by him.

Adopted.

To the Honorable, the Common Council of the City of Rochester :

GENTLEMEN—At the June Circuit of 1888 the action of Hugh Kelly against the City of Rochester was tried and resulted in a verdict against the defendant for \$15.00. An order granting a new trial was, upon motion of the plaintiff's attorney, subsequently made, from which order the city took an appeal. The order was affirmed, with costs, which were stipulated at \$80.00. The defendant's costs of the June Circuit were stipulated at \$51.00, thus leaving a balance of \$29.00 in favor of the plaintiff. This latter amount

should be paid to Elbridge L. Adams, Esq., plaintiff's attorney. I recommend that the matter be referred to the Law Committee, with instructions to report thereon at the next meeting.

Very respectfully,
 CHARLES B. BRNST,
 City Attorney.

Ordered received, filed and published.
 By the Clerk—

ROCHESTER, N. Y., Sept. 21, 1891.
 To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: By an order at the Special Term of the Supreme Court, granted July 27, 1891, the city of Rochester, in the case of Micajah W. Jackson against the city, was ordered to pay to said plaintiff, or his attorneys, the sum of \$937.50 damages, \$69.25 referee's, witnesses' fees and costs of the motion, making a total of \$1,006.75. These damages were adjusted by a referee, after the above entitled case had been affirmed on appeal, against the city. The referee was ordered by the court to ascertain all the damages up to the date of the order of reference. As all the questions in the case have been decided by the Court of Appeals, and there are no grounds for an appeal from this order of reference, I would recommend that the above amount, with interest from July 29, 1891, be paid, and recommend that the matter be referred to the Law Committee to inquire into the same.

Respectfully submitted,
 C. D. KIEHEL,
 First Assistant City Attorney.

Adopted.

By Ald. Lewis—

To the Honorable, the Common Council of the city of Rochester.

GENTLEMEN—Your Law Committee begs leave to make the following report: In the matter of the communication of the City Attorney to this Common Council in respect to the fees allowed by the court to William F. Rampe, Esq., as guardian for the Wilkin heirs in the Thomas street opening and extension, we have considered the matter, and find that the County Court has directed the City of Rochester to pay to said Rampe, as such guardian, the sum of \$50 dollars, as part of his fees in said proceeding, and we recommend that the City Treasurer pay to him the sum of \$50 and charge the same to the contingent fund.

The petitions of Henry J. Hale and Sadie E. Woodworth for appointments as Commissioners of Deeds, which have been referred to this committee have been considered, and we recommend the same be granted by this Common Council.

In the matter of the communication of the members of Point Lookout Club, your Committee would report that the same has been considered, and we find that a claim for damages by reason of sewage pollution has been made by said club, and we recommend that the same be denied.

The notice of claim of Mrs. Sarah Robinson to this Common Council, having been referred to this Committee, has been carefully considered by your Committee, and we find that the evidence in the case, as procured by the City Attorney's office, makes out a probable cause of action against the city, and we have been able to have the attorney of Mrs. Robinson accept a proposition from the city to settle the matter upon the payment of \$150.00 to her, or her attorneys, and we, therefore, recommend that the same be paid by the City Treasurer, upon her signing a release of all claims and demands, and charge the same to the contingent fund.

The matter of the inquiry into the proper designation of the polling places in the city has been considered by your committee, and we

would recommend that the resolution designating the places for election for the ensuing year, adopted at the adjourned regular meeting of September 18th, be reconsidered, and, also that the resolution be amended, as contained in the resolution accompanying this report.

We also recommend that a resolution be adopted authorizing and empowering the chairman of the Law Committee to enter into a contract with the Plumbley Steel Booth Company to secure, erect and store for the city of Rochester four booths, in accordance with the communication and specifications submitted to this Common Council at its last meeting. All of which is respectfully submitted.

Yours etc.,

MERTON E. LEWIS,
S. D. W. CLEVELAND,
HENRY G. COOK,
WILLIAM H. TRACY.

Ordered received, filed and published.

By Ald. Lewis—

Resolved, That upon the certificate of the City Attorney that a proper release and satisfaction has been filed in his office by William F. Rampe, Esq., as guardian for the Wilkin heirs in the Thomas street extension and opening, the City Clerk be, and he hereby is, directed to draw an order on the treasurer in favor of said William F. Rampe for the sum of fifty dollars, and that the treasurer charge the same to the Contingent Fund.

By Ald. Lewis—Resolved, That the claim for damages from sewage pollution of the Point Lookout Club be, and the same hereby is, denied.

Adopted.

By Ald. Lewis—Resolved, That upon the certificate of the City Attorney that a proper satisfaction and release of all claims, demands and damages has been filed in his office, the City Clerk be, and he hereby is, directed to draw an order on the treasurer in favor of Mrs. Sarah Robinson, or her attorneys, H. J. & W. H. Sullivan, for the sum of one hundred and fifty dollars, in settlement of all claim for alleged damages caused by a defective sidewalk, and the treasurer is hereby directed to charge the same to the contingent fund.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Ald. Lewis—Resolved, That the resolution designating the places for holding the polls of election in several districts in the city of Rochester for the ensuing year be, and the same hereby is, reconsidered.

Adopted.

By Ald. Lewis—Resolved, That the resolution designating the places for holding the polls of election in the several districts in the city of Rochester for the ensuing year be, and the same hereby is, amended, so as to read as follows:

Strike out "Otto Albret's store, No. 241 Pinacle avenue" in the sixth district of the Twelfth ward, and insert in place thereof: "corner of Meigs and Benton streets."

Strike out "Cornelius O'Neil's lot, west side of Ames street, next north of the railroad," in the First district of the Fifteenth ward, and insert in place thereof: "in a Plumbley Steel Booth, to be erected at or nearly in front of Cornelius O'Neil's lot on the west side of Ames street, next north of the railroad."

Strike out "Michael Zeller's lot, west side of Ames street, next north of Jay street," in the Second district of the Fifteenth ward, and insert in place thereof: "in a Plumbley Steel Booth, to be erected in the street at or near the northwest corner of Ames and Jay streets."

Strike out "Mr. Bellow's lot, on the southeast corner of Lyell avenue and Murray street," in the Third district of the Fifteenth ward, and insert in place thereof: "In a Plumbley Steel

Booth, to be erected in the street at or near the southeast corner of Lyell avenue and Murray street."

Strike out "Mrs. William Boch's vacant lot, No. 90 South Goodman street, corner of Harvard street," in the Third district of the Sixteenth ward, and insert in place thereof: "In a Plumbley Steel Booth, to be erected in the street, on the corner of South Goodman and Harvard streets,"

Strike out "John Schaffer's vacant store, corner Boston Park and Joiner street," in the Ninth district of the Sixteenth ward, and insert in place thereof: "John Sweeting's carpenter shop, Hayward Park, near No. 22 School House."

By Ald. Lewis—Resolved, That the resolution hereinbefore referred as amended at this meeting and the same is hereby adopted.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Ald. Lewis—Resolved, That the Chairman of the Law Committee be and he hereby is, authorized and empowered to enter into a written contract with the Plumbley Steel Booth Company, to secure, erect and store four polling houses of the company's manufacture, in accordance with, and pursuant to, the communication and specifications submitted to this Common Council by said company at its last meeting.

Adopted.

Ald. Lewis presented the application of Miss Carrie Osborne to be appointed Commissioner of Deeds. Referred to the Law Committee.

The President announced the following committee on Bronson avenue asphalt improvement: Aids, Shelter, Lewis, Zimmer, Adams, Kelly.

On motion of Ald. Kelly the Board adjourned.

PETER SHERIDAN, City Clerk.

In Common Council—Sept. 29, 1891.

ADJOURNED REGULAR MEETING.

The Clerk called the meeting to order. Ald. McMillan moved that Ald. Lewis act as temporary chairman.

Adopted.

Present—Ald. Tracy, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

Absent—Ald. Calihan, Lempert—2.

Ald. Adams moved that the minutes of the preceding meeting be corrected by inserting Robert Stevenson as Inspector of Election from the First district of the Tenth Ward in place of James Stevenson.

Adopted.

PRESENTATION OF PETITIONS, ACCOUNTS, ETC., AND THEIR REFERENCES.

By Ald. McMillan, Resolved—That a gaslight be located on the north side of Spring street, between Livingston Place and Caledonia avenue (where there is now a lamp post). Referred to the Lamp Committee and City Surveyor.

By Ald. McMillan—

Alderman T. McMillan, Third Ward:

DEAR SIR: I take the liberty of calling your attention to the dangerous condition of the Caledonia avenue lift bridge. The east side walk of the bridge when it is lifted is not wide enough for a person to stand with safety and people are daily in danger of their lives. When the bridge is open the railway on the sidewalk of the bridge laps over only from four to six inches, so that there is no room to stand with safety; the west side reaches over two or three feet. Mrs. Mudge came near being killed there about two months ago. Her husband got caught on the bridge last week and he jumped off and injured his leg, and last Saturday my niece, stopping at my house was caught and had to throw herself flat to save herself and was considerably bruised.

Now, it seems to me that somebody ought to take this matter in hand, as there is a good deal of talk.

Respectfully,
J. P. CLEARY,
Superintendent of Police.

Referred to the Executive Board.

EXECUTIVE BUSINESS.

Ald. McMillan asked and obtained unanimous consent for the board to proceed under the head of executive business.

Ald. McMillan moved to appoint inspectors of election for the Third ward. Adopted.

Ald. McMillan nominated the following named persons for inspectors of election: First district, William C. Moore, Charles C. Marble, Jacob S. Gould; Second district, Charles D. Evans, Daniel D. Wright, Alfred Calihan; Third district, Robert H. Pringle, Mark Sanders, Phillip McConnell; Fourth district, Charles A. Baum, Charles E. Burnett, Frank Lyndon. The clerk called the roll on each of the foregoing names and all of the persons above named were declared duly elected inspectors of election, each person having received the following vote.

Ayes—Ald. Tracy, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

Ald. Zimmer nominated Silas J. Stoddard Inspector of Election in the First district of the Fourth ward.

Silas J. Stoddard was named by

Ald. Tracy, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

Silas J. Stoddard was declared duly elected Inspector of election for the First district, Fourth ward.

"CITY ATTORNEY'S OFFICE,
ROCHESTER, N. Y., Sept. 29, 1891.

"To the Honorable, the Common Council:
GENTLEMEN—In a communication addressed to your body at a recent meeting, by Aldermen Lewis and Cook, I am charged with neglect, unfaithfulness and official misconduct.

"It is claimed that I have occasioned great losses and injuries to the city, and various matters are set forth in detail with the evident design of substantiating those charges.

"The charges are false and, in view of the explanations so fully and so truthfully made by my former associates, Messrs. Sullivan and Hone, it seems strange that any one should regard the matters as other than frivolous, or that any further attention should be paid to them.

"I have been told, however, by Aldermen and by persons high in the councils of the Republican party, that even though it should be found that there was no truth or foundation to the charges, steps would be taken, after a perfunctory hearing, through the instrumentality of caucuses called for that purpose, to remove me from office. Of course, I do not believe that the Republican majority would sanction such proceedings, and, if the report has been circulated for the purpose of intimidation, I beg leave to say that I shall pay no attention to threats, persuasives or other inducements, and that I shall not, if my health continues to improve, resign.

"If a fair and impartial examination is sincerely desired, however, I respectfully submit that I should not be called upon to appear before a tribunal composed, in part, of the men who have instigated the attack, formulated the charges, and pre-judged the case against me. The investigation should be conducted by a non-partisan committee of reputable and high-minded citizens one, at least, of whom should be a lawyer of recognized ability and integrity. If this is done, no question will be raised as to the power of the Common Council to delegate, in any manner indicated, the authority given to it by the city charter. If this plan is not pursued, and the attempt should be made to carry out the avowed intention of my accusers, I shall be compelled to have recourse to the courts for a review of the proceedings and I shall take such action with no fear of the result and with entire confidence in a complete and honorable vindication. Very respectfully,

CHARLES B. ERNST,
City Attorney.

Ald. Kelly moved that the communication be received filed and published. Ald. Shelter moved that the communication be referred to the Law Committee.

Adopted by the following vote:
Ayes—Alds. Zimmer, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Lewis.—9.
The original resolution as amended was then adopted.

Nays—Alds. Tracy, Rauber, Bierbrauer, Kelly.—4.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

To the Honorable the Common Council.

GENTLEMEN—The Executive Board summoned the owners of property to have lands it is proposed to acquire for the widening of Hensler Place, and the prices asked this Board does not feel warranted in recommending your honorable body to accept, especially as such sums are objected to by a number of those who would be liable for an assessment for the proposed improvement. It is, therefore referred back for such action as your Board may deem expedient.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received filed and published.

By the Clerk—

To the Honorable, the Common Council :

GENTLEMEN: I would respectfully call your attention to the fact that the local assessments for improvements on lands owned by the State of New York, within the city limits, remaining unpaid, amounts to (\$5,063.64) five thousand, sixty-three and 64-100 dollars.

I have furnished the State Comptroller with list of property assessed, and made formal demands for the payment of same. He informs me that the appropriation made for the payment of assessments against the state lands is insufficient to meet the demands made upon it, and adds: "We are, therefore, compelled to refer you to the Legislature for relief."

For this reason I would recommend that the subject be referred to your Law Committee, and that they be requested to take such action as they may deem advisable to protect the city's interest in the matter. Respectfully,

S. B. WILLIAMS.

ACTION ON ORDINANCES.

FIRST ORDINANCE.

LITCHFIELD STREET CEMENT WALKS.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this council the expense of constructing a Portland cement walk on Litchfield street.

Adopted.

The Surveyor submitted as such estimate \$925
By Ald. Wurtz—Resolved, That the following improvement is necessary, viz.:

The construction of a Portland cement walk, 4 feet in width, on each side of Litchfield street, from West avenue to Maple street, except where good flagstone or cement flag walks now exist, which walks shall be relaid if not conforming with the proper grade and alignments. Also the necessary sidewalk grading.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$925, which estimate is hereby approved.
Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots or parcels of land on each side of Litchfield street, from West avenue to Maple street, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Lewis:—

To the Honorable, the Common Council, of the City of Rochester:

GENTLEMEN:—

Your Law Committee begs leave to make the following report:

In the matter of the applications for the positions as Commissioners of Deeds of this city of E. A. Jacquith and William T. Plumb, your Committee would recommend that the same be granted.

In the matter of the application of Carrie Osborn for the same position, we find that she is under the age of twenty-one years, and we, therefore, recommend that the petition be denied.

In the matter of the communication of the First Assistant City Attorney in respect to the damages and costs recovered against the city by Micajah W. Jackson, we find that the damages and costs were adjusted by a referee ordered by the court, after the cases had been affirmed against the city by the Court of Appeals. We, therefore, recommend that the sum of \$1,006.75, the amount of the damages and costs, be paid by the city treasurer, upon the filing with the city attorney of satisfactions of judgment, and proper releases.

All of which is respectfully submitted.

MERTON E. LEWIS,
HENRY G. COOK,
S. D. W. CLEVELAND,
WILLIAM H. TRACY.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That upon the delivery and filing with the city attorney of proper releases and satisfactions of judgments in the cases of Micajah W. Jackson against the city, the city clerk be, and he hereby is, directed to draw an order upon the city treasurer, payable to the order of Micajah W. Jackson, or his attorneys, for the sum of one thousand and six dollars and seventy-five cents (\$1,006.75), with interest thereon from July 29th, 1891, and the treasurer is hereby directed to charge said amount to the contingent fund.

Adopted by the following vote:

Ayes—Tracy, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—13.

By Ald. Lewis—Resolved, That the application of Carrie Osborn for the appointment of Commission of Deeds for the city of Rochester, be denied on account of not being of lawful age.
Adopted.

By Ald. Lewis—Resolved, That the Executive Board be, and it is hereby requested to negotiate with the owners of lands necessary to be taken for the widening of Rohr street, as contemplated under final ordinance number 4,520, and report the result of such negotiations to this Council.
Adopted.

By Ald. Lewis—Resolved, That the City Clerk draw an order upon the City Treasurer, payable from the Contingent Fund, in favor of the following named party, and for the sum and purpose, viz: Rochester Title Insurance Company for four and 50-100 dollars for abstracts of title and searches; in the matter of the extension of Baldwin street in the city of Rochester, under final ordinance No. 3,912, and that the Treasurer pay said sum from the contingent fund, and charge and carry said sum to the fund for the extension of said street, when created.

Adopted by the following vote:

Ayes—Ald. Tracy, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—13.

By Ald. Lewis—Whereas, Water pipe is now being laid in Harvest street, from Bay street to a point 500 feet north thereof, having been included in the list of streets authorized to be laid by the Honorable, the Common Council and comprised in Group No. 154 of streets, published and let;

And, whereas, it appears that the pipe, as authorized to be laid, will not reach; three houses situated on the east side of street, the owners of which had signed the petition and expected an extension of the pipe to their premises; therefore, be it,

Resolved, That said 6 in. domestic cast iron pipe be extended in Harvest street a further distance north of about 120 lineal feet. And that the Executive Board be requested to make such extension forthwith.

On motion of Ald. Lewis the Board then adjourned.

PETER SHERIDAN, City Clerk.

In Common Council—Oct. 6, 1891.

REGULAR MEETING.

Ald. Thomas McMillan, President of the Board, presiding.

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., Oct. 6, 1891.

To the Finance Committee of the Common Council:

GENTLEMEN: I have made the usual detailed examination of the City Treasurer's books and the general business of the office in all its departments, for the month of September, and find that everything is being conducted with care, accuracy and promptitude.

On the morning of 2nd inst. the cash required to be on hand was \$23,899.95; the same was counted by me and found correct. At the same time, the ledger balances of deposits in the several banks called for the following amounts to the city's credit, which, on comparing accounts, were also found correct: In Central Bank, \$131,765.37. Traders' National Bank, \$131,750.49; German-American Bank, \$130,890.03.

Respectfully submitted,
JOHN BOWER.

Ordered received, filed and published.

LOCAL IMPROVEMENT ASSESSMENTS.

By Ald. Cook—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the several following improvements, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements respectively adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefited by the improvements respectively, are as stated and described in the final ordinances relative to the improvements, respectively, and that the names and expenses of the improvements thus to be assessed are as follows, viz.:

Ordinance No. 4,384, Reis Park grading.....	\$ 174 39
Ordinance No. 4,399, Earl Street grading.....	918 67
Ordinance No. 4,474, South Street cement walk.....	360 45
Ordinance No. 4,400, Thomas Park plank walk.....	264 40
Ordinance No. 4,202, Sixth avenue plank walk.....	221 75
Ordinance No. 4,376, Backus Avenue plank walk.....	179 36
Ordinance No. 4,445, Sterling Street plank walk.....	135 67
Ordinance No. 4,446, Henry Street plank walk.....	58 94
Ordinance No. 4,456, Holland Street pipe sewer.....	403 14
Ordinance No. 4,404, Glenwood Park pipe sewer.....	420 31
Ordinance No. 4,432, Bowen Street pipe sewer.....	552 06
Ordinance No. 4,396, West Street pipe sewer.....	1,184 44
Ordinance No. 4,407, Union Street gravel improvement.....	1,482 89

And it is further determined that the taxpayers to be assessed for making the foregoing improvements must pay their assessments within thirty days from the first publication of the advertisement of the notice of the Assessment Roll by the City Treasurer.

And it is further determined that the taxpayers to be assessed for making the following improvements, viz.:

Ordinance No. 4,390, Miller Street pipe sewer.....	2,341 95
Ordinance No. 4,406, Dubelbeiss Street pipe sewer.....	2,612 01
Ordinance No. 4,405, Michigan Street pipe sewer.....	4,637 07

STATE OF NEW YORK,
COUNTY OF MONROE, ss.:

ANDREW BORNKESSEL, being duly sworn, deposes and says: That he is the City Sealer of the City of Rochester; that the foregoing contains a true and full report of the names of all persons, firms and corporations for whom he, or any of his assistants, have sealed or marked any weights or measures, since the date of his last report, together with the dates thereof, the description of all such scales, weights and measures, so sealed or marked, and the amount of fees or compensation collected therefor.

ANDREW BORNKESSEL, City Sealer.

Sworn to before me this 6th day of October, 1891.

JULIAN A. JAMES,
Commissioner of Deeds.

Ordered received, filed and published.

By the Clerk—

MONROE COUNTY COURT—In the matter of a right of way through, and easement in, the lands of Henry Almeroth and August Pappert, for the construction, etc., of Caroline street sewer, in the city of Rochester.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN:—The undersigned, who were appointed by an order of the Monroe County Court, granted and entered on the 15th day of July, 1891, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants of the lands, rights and easements therein, to be taken for the construction, etc., of Caroline street sewer, in said

city, will severally sustain by being deprived thereof, and will be entitled to, respectfully report and certify their award of damages, as incident to the construction and maintenance of said sewer, and the acquiring of said right of way through, and easement in, the lands required for the construction, etc., of said sewer, with the right, at any and all times to said city of Rochester, its Executive Board, contractors and agents, to construct, and at all times maintain, said sewer along and through the following lands, and the right to enter upon the premises through which said sewer is to be constructed, and to examine, clean and repair said sewer, as may be necessary, and that the following is a description of the land through which said sewer is to be constructed, maintained, etc., as aforesaid:

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, bounded and described as follows: Being along and through the property owned by Henry Almeroth, situate on the southerly side of Henrietta avenue, and at the easterly end of Caroline street, and beginning at a point in the west line thereof about twenty-two feet distant northerly, measured along the west line of said lot, from the southwest corner thereof; thence across said Henry Almeroth's land, to a point in the east line thereof, about twenty-two feet distant northerly, measured along said east line, from the southeast corner of said lot.

These premises are owned by Henry Almeroth. Also, all that other tract or parcel of land, situate in the city, county and state aforesaid, bounded and described as follows: Being along and through the property owned by August Pappert, situate on the southwest corner of Henrietta avenue and Pappert Park, and beginning at a point in the west line thereof, about twenty-two feet distant from the southwest corner thereof, measured along said westerly line; thence easterly, across said Pappert's land to a point in the easterly line thereof, about twenty-two feet northerly from the southwest corner thereof, measured along said easterly line; thence easterly, in a straight line, at right angles to said easterly line of said Pappert's land, to the center of Pappert Park; thence northerly, along the center of Pappert Park, to the southerly line of Henrietta avenue.

These premises are owned by August Pappert. Therefore, we, the subscribers, having been duly sworn, as required by the statute in such case made and provided, and having met and acted upon the matter submitted to us, at the city attorney's office, in the City Hall Building, Rochester, N. Y., pursuant to a notice of at least ten days, published according to law, and having taken a view of every part of the respective premises affected by this proceeding, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon, determine and appraise the damages which the several owners (there being no tenants or occupants, other than such owners) of the several premises through which the said sewer shall be constructed, maintained, etc., as aforesaid, will severally sustain by reason of said right of way through, and easement in, said land being taken, as follows:

The awards hereby made, after deducting all taxes and assessments which have become a lien upon the lands described in which said sewer is to be constructed, maintained, etc., as aforesaid, to be paid as hereinafter provided:

To Henry Almeroth for parcel firstly above described, the sum of \$75, payable to Henry Almeroth.

To August Pappert for parcel secondly above described, the sum of \$150, payable to August Pappert.

Dated Rochester, N. Y., October 5, 1891.

JACOB JOHNSON,
CHARLES A. WATKINS,
JOSEPH S. HUNN,
Commissioners.

Ordered received, filed and published.

By Ald. Lewis—

Resolved—That the next regular meeting of the Common Council, to be held on Tuesday evening, October 20, 1891, be, and the same hereby is, designated as the time when any objections to the confirmation of the report of the commissioners in the matter of the acquirement of a right of way through, and easement in the lands of Henry Almeroth and August Pappert, for the construction, etc., of Caroline street sewer, in the city of Rochester, will be heard.

Adopted.

By the Clerk—Petition of Louise Murphy for appointment as Commissioner of Deeds. Referred to the Law Committee.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

PIERPONT AVENUE EXTENSION.

By Ald. Bohrer—Resolved, That the following improvement is necessary, and we hereby judge that the public good requires the same to be done, viz: The extension of Pierpont avenue in a direct line southerly, from its present southerly terminus to Driving Park avenue. The land deemed necessary to be taken therefor is a strip of land 82.5 feet in width lying between east and west lines of Pierpont avenue, and extending from its present southern terminus to Driving Park avenue.

Resolved, Further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

“One tier of lots and parcels of land on each side of Pierpont avenue, as it now exists and as proposed to be extended from the north line of the Lake View Park tract, to Driving Park avenue, in proportion to the benefit which each will derive therefrom.

Adopted.

TROUP STREET FLAG OR CEMENT WALK.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a flag walk on Troup street.

Adopted.

The Surveyor submitted as such estimate \$150.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The construction of a blue stone or cement flag walk, 5 feet in width on the south side of Troup street, from Jefferson avenue to Reynolds street, except where stone or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$150, which estimate is hereby approved.

Resolved, Further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on the south side of Troup street, from Jefferson avenue to Reynolds street, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Wurtz—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in, or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7 o'clock P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be

and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser notice thereof as is required and in the manner specified by Section 172 of the City Charter.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Oct. 6, 1891.

To the Honorable, the Common Council, of the City of Rochester:

GENTLEMEN: Agreeably to your direction, heretofore given in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your Honorable Body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, October 6, 1891, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvements. Respectfully,

The final ordinance for Plymouth Avenue Asphalt Improvement came up and on motion of Ald. McMillan was postponed two weeks.

FINAL ORDINANCE, NO. 4549.

BENTON STREET GRADING AND WALKS.

On motion of Alderman Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to grade and construct walks on Benton street, from Seager street to Goodman street.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester do ordain and determine that the following improvement is necessary and should be made, to wit:

The grading of Benton street for its full width, from Seager street to Goodman street. Also the construction of pine plank walks 4 feet in width on each side of said street, between the limits mentioned.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof the sum of four hundred and fifty dollars, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefitted by such improvement, to wit:

One tier of lots and parcels of land on each side of Benton street, from Seager street to Goodman street.

Adopted by the following vote:

Ayes—Alds. Tracy, Callihan, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis—14.

FINAL ORDINANCE NO. 4550.

ALDEN STREET PLANK WALK.

On motion of Alderman Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a plank walk on Alden street from the north end thereof to Ravine avenue.

And after hearing such allegations from all persons appearing,
The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a pine plank walk, 4 feet wide on the east side of Alden street, from the north end thereof to Ravine avenue, except where good walks at least 4 feet in width now exist, which walks shall be relaid to the proper grade and alignment if necessary. Also the necessary sidewalk grading and gutter formations. Property owners to be allowed thirty days in which to construct their own walks.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$90 which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on the east side of Alden street from the north end thereof to Ravine avenue.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis—14.

FINAL ORDINANCE NO. 4,551.

THOMAS STREET PLANK WALK.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a plank walk on Thomas street, from Bernard street to Wilkins avenue.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester do ordain and determine that the following improvement is necessary and should be made, to-wit:

The construction of a pine plank walk 4 feet wide on each side of Thomas street, from Bernard street to Wilkins avenue, except where good walks now exist. But such walks shall be relaid if not conforming to the proper grade and alignment. Also the construction of a plank crosswalk across Wilkins avenue, in line with the walk on the east side of Thomas street. Also the necessary sidewalk grading.

And the City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$95, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to-wit:

One tier of lots and parcels of land on each side of Thomas street from Bernard street to Wilkins avenue.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis—14.

FINAL ORDINANCE NO. 4,552.

LITCHFIELD STREET SIDEWALK GRADING.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to grade the sidewalks on a portion of Litchfield street, from near Hyland alley to the north line of Cunningham's carriage factory.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester do ordain and determine that the following improvement is necessary and should be made, to wit:

The grading of the sidewalk on the west side of Litchfield street, from a point opposite the north line of the Cunningham carriage manufactory, to a point 77 feet south of Hyland alley; also the grading of the sidewalk on the east side of Litchfield street, from a point opposite the north line of the Cunningham carriage manufactory, to a point 33 feet south of said Hyland alley.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$200, which being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Litchfield street, in front of which the proposed work shall be constructed.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis—14.

The final ordinance for Litchfield street walks, reconstruction, came up, and on motion of Ald. Shelter was indefinitely postponed.

FINAL ORDINANCE NO. 4,553.

AVENUE D PLANK WALK.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a plank walk on Avenue D. from Conkey avenue to Hollenbeck street.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a pine plank walk, 4 feet and 8 inches wide on each side of Avenue D., from Conkey avenue to Hollenbeck street. Also the necessary sidewalk grading and crosswalks. Owners to be allowed 30 days in which to construct their own walks.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$775, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on the east side of Conkey avenue, from Avenue D. to Hollenbeck street.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis—14.

FINAL ORDINANCE NO. 4,554.

FOURTH STREET PIPE SEWER.

On motion of Alderman Rauber, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a pipe sewer in Fourth street, from the end of the present sewer to a point 80 feet south thereof.

And after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester do ordain and determine that the following improvement is necessary, and should be made, to-wit:

The removal of the present sewer, and the construction of a new vitrified pipe sewer, 12 inches in diameter, in Fourth street, from the end of the present sewer at a point 405½ feet north of Glenwood avenue, to a point 80 feet south thereof; also the construction of the necessary lot laterals and branches.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$200, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to-wit:

One tier of lots and parcels of land on each side of Fourth street, in front of which the proposed sewer shall be constructed.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis—14.

FINAL ORDINANCE NO. 4,555.

LITCHFIELD STREET CEMENT WALK.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct cement walks on Litchfield street from West avenue to Maple street.

And after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester do ordain and determine that the following improvement is necessary and should be made to wit:

The construction of a Portland cement walk, 4 feet in width, on each side of Litchfield street, from West avenue to Maple street, except where good flagstone or cement flag walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the necessary sidewalk gradings.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$925, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Litchfield street, from West avenue to Maple street.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis—14.

Ald. Shelter moved that the property owners on Litchfield street be allowed thirty days in which to construct their own walks.

Adopted.

Ald. Shelter, from the Poor Committee,
 Ald. Lempert, from the Health Committee,
 Ald. Bohrer, from the Park Committee,
 Ald. Zimmer, from the Contingent Expense Committee, and

Ald. Adams, from the Lamp Committee, reported in favor of the various bills referred to their respective committees, and referred them to the Finance Committee for payment.

By Ald. Cook—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—Your Assessment Committee begs leave to submit the following report:

The petition of Mary C. Siller to have cancelled an alleged erroneous assessment of \$6.36 against her property on Garson avenue for the making and laying of a plank walk on Baldwin street, was considered by your committee, and we would recommend that the petition be denied.

The petition of John H. Laughlin to have an erroneous assessment of \$7.14 cancelled, against his property on Hawley street for the laying of the Hawley street sewer, was duly considered by your committee, and we would recommend that a rebate of \$7.14 on said assessment be allowed and that, upon the payment of the balance of said assessment, the said assessment should be cancelled.

The matter of an erroneous assessment on lots 27 and 29, section 5, on the south side of Stewart street, owned by George and Maggie Crook, was duly considered by your committee, and we recommend that your petitioners be allowed to pay said tax, amounting to \$5.16, together with interest, at the rate of 6 per cent., provided the same be paid within thirty days.

The matter of the erroneous assessment for the years 1864, 1865 and 1866, on a part of lot 303, Frankfort tract, on Saratoga avenue, owned by Nicholas Burns, was considered by your committee, and we recommend that your petitioner be allowed to pay said assessments, amounting, in all, to \$14.15, together with interest at the rate of 6 per cent., provided said assessment be paid within thirty days.

The matter of the erroneous assessment for the year 1871, on lot No. 19, of Bardwell tract, on Herman alley, owned by George J. Wunder, amounting to \$3.60, was duly considered by your committee, and we recommend that your petitioner be allowed to pay said tax (\$3.60), together with interest at the rate of 6 per cent., to the time of payment, provided payment be made within sixty days.

The petition of Elizabeth M. Search for a refund of general city tax of 1891, amounting to \$67.86, on property purchased by the city for No. 10 School, was duly considered by your committee, and we recommend that said amount be refunded to your petitioner.

The matter of the erroneous assessment for the year 1887, on lots 26, 27 and 28 of the Luitweiler tract, on Henry street, owned by Hattie M. Hubbell, was duly considered by your committee, and we recommend that the same be denied.

Respectfully submitted,

HENRY G. COOK,
 JOSEPH BIERBRAUER,
 HENRY SHELTER,
 Assessment Committee.

Ordered received, filed and published.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

Your Law Committee begs leave to submit the following as its report:

In the matter of the application of Louisa Murphy and James Holahan for the position of Commissioner of Deeds of this city, we would recommend that the same be granted.

In the matter of the communication of the First Assistant City Attorney in respect to the damages and costs in the case of Charles Covell against the city, we find that from the judgment recovered in the Circuit Court an appeal was taken to the General Term, but that nosteps have been taken by the city to prosecute the same, and, upon motion of the plaintiff in the action at a special term of the court, the appeal was ordered dismissed; that there is due upon said judgment the sum of \$543.75, with \$20 costs on appeal. This action is one of the sewer cases against the city, and no questions arise in the case which have not been decided by the courts heretofore. We, therefore, recommend that the judgment, with the costs, be paid, with interest thereon from April 11th, 1890, upon the filing with the City Attorney a satisfaction of the judgment and proper releases thereof.

All of which is respectfully submitted,
 MERTON E. LEWIS,
 S. D. W. CLEVELAND,
 HENRY G. COOK,
 MARTIN J. CALIHAN,
 WILLIAM H. TRACY,
 Law Committee.

Ordered, received, filed and published.

By Ald Lewis—Resolved, That upon the delivery and filing with the City Attorney of the proper satisfaction of judgment and release, in the case of Charles Covell against the City of Rochester, the City Clerk be, and hereby is, directed to draw an order on the City Treasurer, to the order of Charles Covell or his attorney, for the sum of five hundred and forty-three dollars and seventy-five cents (\$543.75) with interest thereon from April 11th, 1890, and the sum of twenty (\$20) dollars costs on appeal, making a total of five hundred and sixty-three dollars and seventy-five cents (\$563.75) with interest, as aforesaid, and the Treasurer is hereby directed to charge said amount to the contingent fund.

Adopted by the following vote:
 Ayes—Alds. Tracy, Calihan, McMillan, Rauber, Lempert, Cleveland, Shelter, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—14.

REPORTS OF SELECT COMMITTEES.

Ald. Shelter from the Special Committee on Bronson Avenue Asphalt pavement, asked for two weeks further time, which was granted.

Ald. Cleveland moved that when the Board adjourn it be until Tuesday, October 27, 1891.
 Adopted.

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

LOCAL IMPROVEMENT ASSESSMENTS.

By Ald. Cook—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the several following improvements, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements respectively adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefited by the improvements respectively, are as stated and described in the final ordinances relative to the improvements, respectively, and that the names and expenses of the improvements thus to be assessed are as follows, viz.:

Ordinance and Improvement.	Expense.
Ordinance No. 4,362, Pennsylvania avenue cement walk	\$ 913

Ordinance No. 4,464, Briggs Place cement walk.....	1,235 21
Ordinance No. 4,430, Bismark street pipe sewer.....	1,976 47
Ordinance No. 4,510, Bay street pipe sewer.....	480 00

And it is further determined that the taxpayers to be assessed for making the foregoing improvements must pay their assessments within thirty days from the first publication of the advertisement of the notice of the Assessment Roll by the City Treasurer.

And it is further determined that the taxpayers to be assessed for making the following improvements, viz.:

Ordinance No. 4,398, Driving Park avenue Medina improvement.....	\$ 5,486 67
Ordinance No. 4,363, Emmett street asphalt improvement.....	6,907 30
Ordinance No. 4,358, Riverside avenue McAdam improvement.....	9,758 44
Ordinance No. 4,424, Platt street improvement.....	5,492 29

May pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed at the rate of six per cent. per annum.

And the Assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, than such two, are hereby directed to make assessment upon all the lots and parcels of land within the portions or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements shall be deemed to receive by the making of the respective improvements.

Adopted by the following vote:
 Ayes—Alds. Tracy, Calihan, McMillan, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.
 By the Clerk—

Monroe County Clerk—In the matter of opening a street from Meigs street to Averill avenue in the city of Rochester.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: The undersigned, who were appointed by an order of the Monroe County Court, granted on the 20th day of July, 1891, and duly entered on the 20th day of July, 1891, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants, of the lands and buildings to be taken for the opening of a street from Meigs street to Averill avenue in the city of Rochester, will be entitled to for the same, respectfully report and certify the several pieces and parcels of land, and the premises to be taken for such improvement, the names, residences and rights of the owners thereof, and their award of damages, as incident to the opening of said street, as follows:

The several pieces and parcels of land required for such purpose, and necessary for the opening of said street, are described as follows:

All that tract or parcel of land, situate in the city of Rochester, county of Monroe ad state of New York, bounded and described as follows:

Beginning at the southwest corner of lot No. 14, as shown on a map of the Jacob Keyel tract, on file in Monroe County Clerk's office in Liber 5 of Maps, at page 90, thence southerly, along the south line of lot No. 14, and said line extend-

ed, a distance of two hundred and twelve and seventy-nine hundredths feet, to a point; thence in a straight line, at right angles to the west line of Meigs street, a distance of one hundred fourteen and two hundredths feet, to a point; thence southerly, in a straight line, at right angles to said last described line, a distance of thirty-three feet, to a point; thence westerly, in a straight line, at right angles to said west line of Meigs street, a distance of one hundred and twenty-four and twenty-three hundredths feet, to a point; thence on a line parallel with, and thirty-two and forty-three hundredths feet distant from, the south line of said lot No. 14, and said line extended, to the southwest corner of Averill avenue and Beckley street, two hundred and twenty-four and fifty nine hundredths feet; thence northeasterly, in a straight line, to the place of beginning.

These premises are owned by Edgar L. Meade, who resides in Rochester, N. Y., and are subject to the lien of judgment for \$379.21 in favor of Frank A. Reddy, and against Hobert G. Arnold and Harriet Arnold, recorded October 3, 1889, and a mortgage of \$1,000, given by Jacob Keyel to Samuel Moulson and Jesse Shepard, as assignees of Charles F. Crossman, November 3, 1890.

Also all that other tract or parcel of land situate in the city, county and state aforesaid, bounded and described as follows: Beginning at a point in the westerly line of lot No. 40, as shown on a map of the Keyel tract, on file in the Monroe county Clerk's office in Liber 5 of Maps, at page 90, forty feet southerly from the northwest corner thereof; thence in a straight line at right angles to the west line of Meigs street, a distance of one hundred and nineteen feet; thence southwesterly along the dividing line between said lot No. 40 and lot No. 228 of the Johnson and Atkinson tract, on file in Monroe county clerk's office in Liber 4 of Maps, at pages 82 and 83, about seventy-three and five tenths feet; thence westerly in a straight line parallel with the first above described line and thirty-three feet distant therefrom, fifty-three feet, to a point in the westerly line of said lot No. 40; thence northerly a distance of thirty-three feet to the place of beginning.

These premises are owned by O. T. Kingdon, who resides in Rochester, N. Y.

Also all that other tract or parcel of land situate in the city, county and state aforesaid, bounded and described as follows:

Beginning at a point in the west line of Meigs street, eighty-seven and one-tenth feet from the southeasterly corner of lot No. 228 of the Johnson and Atkinson tract, on file in Monroe county clerk's office in Liber 4 of Maps, at pages 82 and 83; thence westerly at right angles to the said west line of Meigs street eighty-seven feet, to a point in the dividing line between said lot No. 228 and lot No. 40 of the Jacob Keyel tract, on file in Monroe county clerk's office in Liber 5 of Maps, at page 90; thence northeasterly along said dividing line about seventy-three and five tenths feet; thence easterly parallel with and thirty-three feet distant from said first described line twenty-one feet to the west line of Meigs street; thence southerly along the west line of Meigs street to the place of beginning.

These premises are owned by George Moulson, who resides in Rochester, N. Y.

Therefore, we, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matter submitted to us at the city attorney's office, in the City Hall building, Rochester, N. Y., pursuant to a notice of at least ten days, published according to law, and having taken a view of every part of the respective premises affected by this proceeding, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon, determine and appraise the damages which the aforesaid owners (there being no tenants or occupants other than such owners,) of the several premises thus to be taken for the opening and extension of

said street will severally sustain by being deprived thereof, and fix the compensation which the aforesaid owners respectively shall receive therefor, as follows:

The awards hereby made, after deducting all taxes and assessments which have become a lien upon the lands described, to be paid as herein-after provided:

To Edgar L. Mead, for parcel firstly above described, excepting 180 feet running east from Averill avenue, which 180 feet we find to be a public street, the sum of \$250, payable to Frank A. Reddy, judgment creditor, and Samuel Moulson and Jesse F. Shepard, assignees of Charles F. Crosman, mortgagees, as their interest may appear.

To O. F. Kingdon, for parcel secondly above described, the sum of \$800, payable to him.

To George Moulson, for parcel thirdly above described, the sum of \$850, payable to him.

Dated Rochester, N. Y., October 19, 1891.

J. W. CLARK,
EUGENE WELKER,
HORACE G. PIERCE,
Commissioners.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the next regular meeting of the Common Council, to be held Tuesday evening, November 3, 1891, be, and the same hereby is, designated as the time when any objections to the confirmation of the report of the commissioners in the matter of opening a street from Meigs street to Averill avenue, in the city of Rochester, will be heard.

Adopted.

CITY OF ROCHESTER, }

I. B. Frank Enos, Police Clerk of said city, being duly sworn, doth depose and say that the foregoing report contains a true and correct statement of all the money received by me as such clerk during the month of September, 1891, for fines, penalties and costs imposed by the Police Justice of said city; also for moneys received for the Police Pension Fund.

B. FRANK ENOS, Clerk.

Sworn to before me this 12th day of October, 1891.

B. KEELER,

Commissioner of Deeds.

Ordered received, filed and published.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: On May 4th, about the usual time for your board to designate the banks of deposit for city funds for the current year, this bank addressed a communication to your board, offering the usual facilities and bond and to pay 4 per cent. interest for the deposits or any portion of them that might be awarded to us. Our communication was duly received and referred to the law and finance committees. Hearing nothing further from it, we called the attention of the chairmen of these committees to it on July 15th and from one of them received a courteous reply, saying that it was the duty of the chairman of the other committee to call them together. Since then we have heard nothing and believed that the city's money is lying on deposit where it is receiving but 2 per cent. interest instead of 4, because the finance committee did not, as usual, designate banks of deposit for the current year, but allowed the deposits to remain with the banks designated by the Council of the previous year.

As no attention has been paid to it, we beg leave to withdraw our offer, and, as taxpayers, urge that another year your board will solicit proposals from responsible banks and get the highest interest possible, making a difference of many thousands of dollars to the taxpayers of the city.

Very respectfully yours,
THE FLOWER CITY NATIONAL BANK,
By H. B. Hathaway, President.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
DISTRICT ASSEMBLY, No. 63,
ORDER OF KNIGHTS OF LABOR OF AMERICA,
ROCHESTER, N. Y., October 16, 1891.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—District Assembly No. 63 would respectfully request the confirmation of Charles H. Wright for Park Commissioner. His name has been sent in by His Honor, Mayor Carroll, and laid on the table until the next meeting. We regard the appointment of a representative labor man, proposed by labor organizations, our just due, in lieu of the fact that the late, lamented Wm. See secured his appointment from our ranks and in order to secure to labor a representative on that commission.

Mr. Wright, we are satisfied, can capably represent us, is a man of good character and stands high in labor organizations, both in the city and throughout the state. Fourteen organizations have sent in requests for his appointment and likewise desire the confirmation.

Respectfully,

W. G. SPINNING, D. R. S.

Ordered received, filed and published.
By the Clerk—Claim of Wm. and Mary Short for damages. Referred to the Law Committee.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

THOMPSON STREET GRADING WALK AND SEWER.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Thompson street.

Adopted.

The Surveyor submitted as such estimate \$2,700.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The grading of Thompson street and the construction of pine plank walks 4 feet in width on each side of said street, from Webster avenue to Bay street, except where good walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the construction of a vitrified pipe sewer 12 inches in diameter in Thompson street, from a point about 108 feet north of Webster avenue, measured on the west side of the street, to the sewer in Bay street. Also the construction of the necessary lot laterals, branches, manholes and surface sewers.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$2,700, which estimate is hereby approved.

Resolved, Further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Thompson street, from Webster avenue to Bay street, in proportion to the benefit which each will derive therefrom.

Adopted.

BAY STREET CEMENT WALK.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing cement walks on Bay street.

Adopted.

The Surveyor submitted as such estimate \$4,000.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The construction of a Portland cement walk, 5 feet in width on each side of Bay street, from North avenue to Goodman street, except where good flag stone or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the necessary sidewalk grading and crosswalk extensions.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate

of the whole expense thereof, and reports the same at \$4,000, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Bay street, from North avenue to Goodman street, in proportion to the benefit which each will therefrom.

Adopted.

SOUTH ST. PAUL STREET FLAG WALK.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a flag stone walk on South St. Paul street.

Adopted.

The Surveyor submitted as such estimate \$2,000.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The construction of a flag stone walk, extending from street line to curb line, on the east side of South St. Paul street, from Main street to Court street, except when good flag stone or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$2,000, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on the east side of South St. Paul street in front of which the proposed walk shall be constructed, in proportion to the benefit which each will derive therefrom.

Adopted.

CHESTER AVENUE PLANK WALK.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on Chester avenue.

Adopted.

The Surveyor submitted as such estimate, \$500.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The construction of a pine plank walk, 4 feet in width, on the south side of Chester avenue, from Genesee street to Pioneer street. Also the necessary sidewalk grading and crosswalks. Property owners to be allowed 30 days in which to construct their own walks.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$500, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on the south side of Chester avenue, from Genesee street to Pioneer street, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Wurtz—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7 o'clock P. M., at the Common

Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser notice thereof as is required and in the manner specified by Section 172 of the City Charter.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,

ROCHESTER, N. Y., Oct. 20, 1891.

To the Honorable, the Common Council, of the City of Rochester:

GENTLEMEN: Agreeably to your direction, heretofore given in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your Honorable Body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, October 20, 1891, at 7 o'clock P. M., at the Common Council Chamber, when allegations will be heard in reference to such improvements respectively.

FINAL ORDINANCE, NO. 4,556

TROUP STREET FLAG OR CEMENT WALK.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a flag or cement walk on Troup street, from Jefferson avenue to Reynolds street.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a blue stone or cement flag walk, 5 feet in width, on the south side of Troup street, from Jefferson avenue to Reynolds street, except where stone or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And the City Surveyor, under the direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$150, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on the south side of Troup street, from Jefferson avenue to Reynolds street.

Adopted by the following vote:

Ayes—Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

FINAL ORDINANCE, NO. 4,557.

PIERPONT AVENUE EXTENSION.

On motion of Ald. Bohrer, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to extend Pierpont avenue from its southerly end to Driving Park avenue.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, and they hereby judge that the public good requires the same to be done, viz:

The extension of Pierpont avenue in a direct line southerly, from the present southerly terminus to Driving Park avenue. The land deemed necessary to be taken therefor is a strip of land 82.5 feet in width lying between the proposed east and west lines of Pierpont avenue and extending from its present southern terminus to Driving Park avenue.

And the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Pierpont avenue as it now exists and as proposed to be extended from the north line of the Lake View Park tract to Driving Park avenue, as they exist at the date of the passage of this ordinance.

Adopted by the following vote:

Ayes—Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

The final ordinance for Plymouth avenue asphalt improvement came up.

Ald. McMillan moved that the ordinance be amended by striking out that part of territory to be assessed lying between Spring street and the W. N. Y. & P. R. R.

Adopted.

Under the rule the ordinance was postponed two weeks.

The final ordinance for extending and improving Front street outlet sewer came up.

Ald. Tracy moved that the ordinance be postponed one week.

Adopted.

UNFINISHED BUSINESS.

Action on the report of the commissioners in the matter of Caroline street sewer, published at page 288 current proceedings, being in order, Ald. Lewis moved that the report of the commissioners in the matter of Caroline street sewer be confirmed.

Adopted.

Action on the report of the commissioners in the matter of widening North St. Paul street, published at page 249 current proceedings, came up.

Ald. Rauber presented a remonstrance against the confirmation of the report. Ordered received and filed.

By Ald. Lewis—

To the Common Council of the City of Rochester :

GENTLEMEN: About a year ago the Rochester Railway Company undertook to lay their tracks for the purpose of running thereon, electric cars, between the curb and sidewalk, on North St. Paul street in front of the premises owned by me.

That on the proposed line of their tracks there were numerous ornamental trees, about eighteen in number. Hearing of their intention to destroy these trees and cut them down that their track might be extended, I procured an injunction from the Supreme Court, restraining them from removing the trees, which injunction is still in existence and the action between me and the Rochester Railway Company is now pending.

By some mistake or other, four of the trees were destroyed, for which they have settled. In order that the street car company could extend their tracks; the people on North St. Paul street, in order to accomplish their end, presented a petition to your Honorable Body, asking for an ordinance widening North St. Paul street at a point where the injunction order forbade the Street Car Company from going further. And I have been informed that their object was to so change the line of the street that the trees above mentioned would be thrown into the center of the street, as changed, so that they would

be an obstruction, and in that way the Executive Board of the city of Rochester would have the power to remove them. The ordinance was duly passed and the City Attorney under the ordinance, procured the appointment of a commission to condemn my land and assess the damages. The first commission was not satisfactory to some of the taxpayers, who by the ordinance were assessed for the improvement, consequently another commission was appointed by the Court who heard the testimony in the matter and after fourteen days attendance before them, they awarded me the sum of about \$1,000 as the damage that the proposed improvement would be to me. I was compelled to engage a lawyer and his bill for services is \$300 and in addition to that I lost my time, and paid witnesses fees, in order to protect my property.

Now, after all this has been done, the same parties who signed the petition asking your body to pass the ordinance, have now signed a remonstrance against your body confirming the report of the commissioners.

If you can put me back in the same position I was before, I would not object to it; but I am informed by my lawyer that in the event of your not confirming the report of the commissioners that I cannot recover any sum whatever that I have paid out for witnesses fees or for lawyer's bills. This expense has been forced upon me against my knowledge and consent and it is no more than justice that when people ask for something and receive what they ask for and by implied agreement, agree to pay for what they ask, that when the price is not satisfactory, they should not be allowed to say, we do not want it because it costs too much.

I hope your board will confirm the report and relieve me from further annoyance in the matter, as I am informed you can, in your discretion appoint another commissioner, and if that is not satisfactory, refuse to confirm their report and so on "ad infinitum;" and I further protest against your setting aside the report, on the grounds, that the charges paid by the city to commissioners will be a charge upon the city at large, when those parties who caused the commission to be appointed and the ordinance passed should pay the expense of the same.

Yours truly,

F. KRONSBEIN.

Ordered received, filed and published.

By Ald. Rauber—Resolved, That the report of the commissioners of appraisal April 28, 1891, in the matter of widening North St. Paul street on the east side thereof, and presented to this Common Council on September 10, 1891, and allegations ordered to be heard on this evening, be and the same hereby is in all things set aside and indefinitely postponed.

Adopted.

Action on the payment of the commissioners in the matter of Fein Place widening, published at page 249, current proceedings came up.

Ald. Zimmer, from the Contingent Expense Committee, moved that the resolution published at page 249, current proceedings for services of commissioners of appraisal and other expenses incurred in the matter of Fein Place widening, be adopted.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

Ald. Kelly presented the resignation of William R. Gregory as Inspector of Election, First district, Fifteenth ward, which was accepted.

Ald. Kelly moved that the Board proceed to the appointment of Inspector of Election for the First district of the Fifteenth ward.

Ald. Kelly nominated Clarence J. Fenner, who was named by:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

Clarence J. Fenner having received the requisite number of votes was declared duly appointed.

Ald. Calihan moved that the Board proceed to appoint an Inspector of Election for the First district of the Second ward, and nominated John Fee, who was named by:

Ayes—Alds. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

And declared duly appointed Inspector of Election for the First district of the Second ward.

MISCELLANEOUS BUSINESS.

By Ald. Lewis—Resolved, That the Clerk draw orders upon the Treasurer, payable from the contingent fund, in favor of the following named parties, and for the sums and purposes, viz.: Joseph S. Hunn, for sixty (\$60) dollars, for services as commissioner and clerk of appraisal; Jacob Johnson and Charles A. Watkyns, for thirty (\$30) dollars, each, for services as commissioners of appraisal; George L. Mattison for five (\$5) dollars, for serving notice of application for appointment of commissioners of appraisal; Abstract Guarantee Company, for thirteen (\$13) dollars, for abstracts of title and searches; and A. J. Rodenbeck, for two (\$2) dollars, expended by him for hack hire, for the commissioners to view the property taken, in the matter of the ac-

quirement of a right of way through, and easement in, the lands of Henry Almeroth and August Pappert, for the construction, etc., of the Caroline street sewer, in the city of Rochester, under final ordinance No. 4,356, and that the Treasurer pay said several sums from the contingent fund, and charge and carry said sums to the fund for the construction, etc., of said sewer, when created.

Referred to the Contingent Expense Committee.

By Ald. Lewis—

ROCHESTER, N. Y., Oct. 20, 1891.

To the Honorable the Common Council:

The undersigned respectfully represents to your Honorable body, that he has laid out, sewered, graded and monumented three streets in the Sixteenth ward of the city, called Quincy, Arch and Kingston streets; running from East Main street north, being a portion of the East Main Street Holmstead Association's Tract, a subdivision of part of Lot No. 42, T.B.R. 7, as appears on a map on file in the office of the Clerk of Monroe County.

That he is desirous of having water mains laid in said streets and connect the same with the City Distribution works now laid, and respectfully ask that said mains be laid at his own expense to be repaid by your Honorable body, without interest, whenever there are funds applicable therefor not otherwise appropriated.

Respectfully,

C. S. ALDEN.

Ordered received filed and published.

By Ald. Lewis—Resolved, That the Executive Board be and they are hereby requested to extend water mains in connection with the City Distribution Works in Quincy, Arch and Kingston streets in the Sixteenth ward of the city, upon the petition therefor; C. S. Alden's making a dedication of said streets for public use, or executing an easement to said Executive Board to enter upon said streets, pending said dedication, and paying the cost of material and labor of laying said mains; to repay without interest whenever the said Common Council so authorize.

Adopted.

By Ald. Lewis—Petition of F. W. Ramsey, to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Lewis—Resolved, That the Brush Electric Light Company be, and it is hereby instructed to place the electric light at the corner of Mt. Hope avenue and May street upon a crane. Adopted.

By Ald. Kelly—Whereas, No agreement for the purchase of lands necessary to be taken for opening and extending Lorraine Park, in the city of Rochester, under final ordinance No. 4449, can be had; therefore,

Resolved, That a copy of said ordinance and of this resolution together with a map of the street be made and filed in the office of the City Clerk, which map shall show thereon the lots, tracts and parcels of land which are deemed necessary to be taken, and the commencement, course and termination of said proposed park to be laid out according to the provisions of section 174 of the revised city charter, and that the City Attorney be, and he hereby is instructed to institute and take such proceedings, from time to time, as may be necessary to such street opening as is provided by said city charter.

Adopted.

By Ald. Cook—Resolved, That the City Surveyor be instructed to prepare an ordinance for a cement walk on Comfort street in front of the property of the Owen estate and Ella N. Otys about thirty-five feet west of Hastings alley to Alexander Park.

Adopted.

By Ald. Cook.—Application of F. C. Webster for appointment as commissioner of deeds. Referred to the Law Committee.

By Ald. Bierbrauer—Resolved, That the City Surveyor be directed to prepare an ordinance for a Medina stone pavement on Magne street from Saxton street to Lyell avenue, width of roadway to be twenty-six feet.
Adopted.

By Ald. Bierbrauer—Resolved, That the Lamp Committee be requested to direct the Brush Electric Light Company to place the following arc lights on cranes: One light corner Saxton and Maple streets, one light corner Romeyn and Clark streets, one light corner Wilder and Whitney streets, one light corner Magne and Walnut streets, one light midway between Saxton street and Lyell avenue.
Adopted.

By Ald. Adams—Petition from taxpayers on East Main street in relation to the assessment for East Main street sewer. Referred to the Assessment Committee.

By Ald. Adams—
Whereas, Numerous complaints are being made through the medium of the daily papers, that the use and occupation of East Main street, East avenue, North avenue, Franklin and Elm streets for the purpose of a public market, constitute a public nuisance, and cause great annoyance to the residents and property owners, owning property upon those streets, at or near the intersection of said streets, and render the said streets, during certain hours of the day, impassable for ordinary traffic, and,
Whereas, The city of Rochester has no public market at which farmers and market men may expose their produce for sale, and,
Whereas, The inconvenience and annoyance caused by the use of such streets for such purposes, are constantly becoming greater, therefore,

Resolved, That the Common Council will hear any and all persons who desire to be heard, upon the question of the advisability of the city of Rochester establishing, and owning a public market, at a meeting of this Council to be held on the 27th day of October, 1891, at the Common Council chamber; and that all persons who may desire to present arguments, either for or against the establishing of such a market place, be requested to attend at such meeting, and present their views.
Adopted.

CITY ASSESSORS' OFFICE,
ROCHESTER, N. Y., Oct. 20, 1891.

Alderman Wurtz, Chairman of the Map and Survey Committee:

DEAR SIR—John C. Ryan is entitled to the sum of one hundred and seventy-three and 64-100 (\$173.64-100) dollars for work completed under his contract for the survey of the first fourteen wards of the city.

I recommend the payment of that amount.

Yours respectfully,

OSCAR H. PEACOCK,
City Surveyor.

Ordered received, filed and published.

By Ald. Wurtz—Resolved, That the City Clerk be and hereby is directed to draw an order on the City Treasurer for the sum of one hundred and seventy-three and 64-100 (\$173.64-100) dollars in favor of John C. Ryan as partial payment for work performed under his contract with the city of Rochester for the survey of the first fourteen wards of the city, and charge the same to the contingent fund.

Adopted by the following vote:

Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis.—15.

By Ald. Wurtz—

To the Honorable, the Common Council:

GENTLEMEN: Your select committee appointed to consider the veto of His Honor, the Mayor, upon the resolution of Alderman Fox for chang-

ing the name of North avenue to North street, respectfully report as follows:

Your committee gave an extended notice of its meeting, which was held in the Common Council Chamber on Friday evening July 24th. At that time a large number of property owners were present and presented their views at length. It appears that there are a great many people who favor the proposed change, and, perhaps, just as many who are opposed. We have carefully looked over the territory, and have considered the statements made by all parties interested. We find that the street leading from East Main street north, was originally known as North street, and that that street was a continuous street, to a point some distance below the New York Central Railroad. That North avenue was originally a branch of this street, and led out into the town of Irondequoit. We further find that about the time that the New York Central Railroad tracks were elevated, the people of that portion of the street leading from Main street north, procured the name of that street to be changed from North street to North avenue. The result of that was, one street leading from Main street to a point just below the New York Central Railroad was known as North avenue and numbered from number one, to the point of termination. At that point just below the railroad, North street began, and was also numbered from one northerly. At about the same point the original North avenue branched off to the right and lead down into the town of Irondequoit; and that street was also numbered from 1 to the city line. The result was confusion. Two streets bearing the same name and having the same numbers operated to confuse the public mind, and that condition has existed for several years. Merchants taking orders for goods to be delivered on North avenue have been greatly annoyed by the duplicate streets, with duplicate numbers. Mail matter for North avenue has been seriously delayed, and great embarrassment caused to the persons to whom it was addressed, by the fact that there were two streets of the same name, upon which there were buildings of the same numbers. Newspaper offices have been compelled to exercise great care in taking orders for papers to be delivered on North avenue, in order that the papers should be delivered to the right party. It has often occurred that a letter addressed to some person on one of those streets would be placed in the pouch of the carrier who carried mail upon the other street. Not being able to find the party to whom the letter was addressed, that carrier was compelled to return the letter to the office, where it would have to be re-sorted and placed in the pouch of the carrier who carried mail upon the other street. Many efforts have been made to satisfy property owners and arrange the names of those streets in such a way as to avoid this confusion, but all without success. Until recently this Council had no rule governing the changing of the names of the various streets of the city. Within the past two or three years this Council has adopted a rule, with which all of its members are now familiar and under the operations of which it is difficult to procure the name of a street to be changed. That rule, we think, works satisfactorily. But in this case it would be impossible to comply with its conditions, and succeed in the object which all concede should be attained. After careful consideration of all the arguments presented, both for and against a resolution, we are of the opinion that the resolution should stand. As we are convinced that the property owners on the lower part of the street, which was originally North avenue, are entitled to retain that name. And that, inasmuch as the upper part of the street was originally, and until the last few years, North street, no hardship can be experienced by the property owners upon that part of the street by calling the upper part, and that part of the lower part which is a continuation of the other part. Namely, from East Main street to Norton street, North street.

We, therefore, recommend that the resolution of Ald. Fox be allowed to stand, notwithstanding the objections of his honor, the Mayor.

Dated July 28, 1891.

**JULIUS WURTZ,
JOSEPH BIERBRAUER,
HENRY SHELTER.**

The President stated the question to be: "Shall the resolution stand notwithstanding the veto of His Honor the Mayor?" The resolution was adopted by the following vote:

Ayes—Alds. Calihan, McMillan, Zimmer, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Lewis—11.

Nays—Alds. Tracy, Rauber, Lempert, Kelly.—4.
By Ald. Shelter—Application of Mary H. Brayton for appointment commissioner of deeds. Referred to the Law Committee. Also petition for electric light on Prospect street. Referred to the Lamp Committee and City Surveyor.

By Ald. Shelter—

To the Honorable, the Common Council of the city of Rochester.

GENTLEMEN: we the undersigned beg leave to call the attention of your Honorable Body to a judgment obtained in the Municipal Court, on 27th day of September; 1889, by James Purcell against Bernard Ritzenthaler, overseer of the poor of the city of Rochester.

There was an appeal taken by the city to the County Court, from the judgment of the Municipal Court; The judgment was eventually affirmed, and with costs, amounts now to \$45, and is duly docketed in the Monroe County Clerk's office.

We respectfully request your Honorable Body to direct that an order be drawn upon the City Treasurer, in our favor for the amount of said judgment,

Yours, etc.,

**FORSYTH BROS.,
Attorneys at Law.**

Referred to the Law Committee.

By Ald. Shelter—Resolved, That the Brush Electric Light Co., be instructed to remove the light from the southeast corner of Westworth street and New York street to the northeast corner of the same streets and that the City Surveyor notify the Brush Electric Light Co. to that effect.

Adopted.

By Ald. Lempert—Petition of A. Bloom to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Zimmer—Application of W. A. Lewis for appointment as Commissioner of Deeds. Referred to the Law Committee.

On motion the Board adjourned.

REPORTS OF STANDING COMMITTEES.

By Ald. Cook—
To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your assessment committee makes the following report in the matter of George S. Riley's assessment for the East Main street improvement in 1888 and a tax to which said assessment was added, and time was extended by resolution to October 15th, 1891. Mr. Riley desires a few more days time and your committee have fully considered the matter and would therefore recommend that the applicant have until November 20th, 1891, to pay said assessment and tax.

Respectfully submitted,
HENRY G. COOK,
HENRY SHELTER,
JOSEPH BIERBRAUER,
J. MILLER KELLY,
Assessment Committee.

Ordered received, filed and published.
By Ald. Cook—Resolved, That the time of payment of the unpaid city tax including assessment of George S. Riley, as set forth in a resolution of the Common Council of March 26th, 1891, be and the same hereby is extended to November 20th, 1891.

Adopted by the following vote:
Ayes—Alds. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15

 Respectfully,

M. B. ADAMS,
 MERTON E. LEWIS,
 S. D. W. CLEVELAND,
 J. MILLER KELLY,
 HENRY SHELTER,
 Lamp Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved, That the Rochester Electric Light Co., the Brush Electric Light Co. the Edison Electric Illuminating Co., and the Rochester Gas Light Co. be, and are each respectively directed to comply with that portion of the report of the Lamp Committee relating to each individual company, when notified by the City Surveyor; and he is hereby directed to make the proper notification, with such directions as may be necessary to insure the correct location of each.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Ald. Zimmer—
To the Honorable, the Common Council, of the City of Rochester :

GENTLEMEN: Your Contingent Expense Committee beg leave to make the following report: The petition for a public clock in the spire of St. John's Lutheran Church, having been referred to this committee, and having been duly considered, we find that the church where the proposed clock is to be put is located in a locality where a public clock will be a great convenience and benefit.

We also find that the members of said church are willing and ready to pay towards a part of the expenses of said clock.

Having been advised by City Attorney Ernst that this Council can legally make the appropriation herein recommended, we therefore recommend that this Common Council direct that the sum of \$300 be paid towards said public clock, out of the contingent fund, upon condition that said church, or its proper representatives, enter into a contract with the city of Rochester, to the effect that said clock shall not be removed, or in any way interfered with, without authority from this Common Council, and that the city of Rochester have exclusive and entire control thereof. Respectfully submitted,

C. W. ZIMMER,
MERTON E. LEWIS,
MARTIN J. CALIHAN,
M. H. LEMPERT,

Contingent Expense Committee.

Ordered received, filed and published.
By Ald. Zimmer—Resolved, That upon the execution and delivery of a written contract by the proper representatives of St. John's Lutheran Church to the city of Rochester, to the effect that the proposed public clock in the spire of said church shall not be removed or interfered with in any way whatever by any one, without the authority of this Common Council; that said clock shall be under the absolute and entire control and management of the city of Rochester, the same to be approved in matter and form by the City Attorney, the City Clerk be, and hereby is, authorized and directed to draw an order upon the City Treasurer to the order of said church for the sum of three hundred (\$300) dollars, to be paid out of the Contingent Fund. This order, however, is not to be drawn until the clock has been erected, and in running order, in the spire of said church; and that the Mayor be, and hereby is, authorized to enter into said contract.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, OCT. 27, 1891. }

To the Common Council:

GENTLEMEN: Complaints have been made at the office of the Executive Board that the grade of the stone walks on Alexander street, from East avenue to Monroe avenue, is so low that the storm water does not flow into the gutters, and after each rain fall the walks are made impassible

on account of the water that lodges upon them. The Executive Board has caused notices to be served upon the property owners to the end that this nuisance might be remedied, but many of the property owners have not complied with the request, and it is, therefore, necessary that an ordinance be introduced and adopted by your Honorable Body providing for the relaying and grading of those walks in compliance with the demands of the residents in that section of the city. Respectfully,

THOS. J. NEVILLE, Clerk.
Ordered received, filed, published and referred to the Surveyor to prepare an ordinance.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, OCT. 27, 1891. }

To the Common Council:

GENTLEMEN: The attention of the Commissioners of the public schools, having the care and management of such property, has been called to the necessity of repairing and regrading the walk on Lyell avenue and Frank street, around school building No. 6; and, because of want of funds or other reasons, necessary repairs have not been made, and the Executive Board requests that your Honorable Body cause an ordinance to be introduced and adopted for the improvement of the walks which it is so essential to keep in good order about such a piece of property as a public school. Respectfully,

THOMAS J. NEVILLE, clerk.
Ordered received, filed, published and referred to the City Property Committee.

By the Clerk—Claim of Edwin Hinman for damages. Referred to the Law Committee.

By the Clerk—

To the Honorable, the Common Council of the City of Rochester :

SIRS: Several weeks ago, a communication was made to your honorable body, by the City Attorney, in regard to a payment of costs in the action of Hugh Kelly against the city of Rochester, in which he recommended that the sum of \$29, which is the difference between the costs which the city is entitled to recover of the plaintiff, and those which the latter is entitled to recover from the city, be paid to the undersigned as attorney for the plaintiff.

The communication was, I believe, received and referred to the Law committee. I cannot learn that anything has been done in the matter since, and I respectfully ask that some action be taken which will ensure a prompt payment of the sum which the General Term ordered should be paid absolutely and which could have been collected by process many months ago.

Respectfully,
ELDRIDGE L. ADAMS,
Attorney for Hugh Kelly.

By Ald. Lewis—

UNITED ASSOCIATION JOURNEYMEN PLUMBERS, GAS FITTERS, STEAM FITTERS AND STEAM FITTERS' HELPERS, UNITED STATES AND CANADA, LOCAL UNION, No. 13, ROCHESTER, N. Y., Sept. 29, 1891.

To the Gentlemen of the Common Council:

Local Union, No. 13, United Association of Journeymen Plumbers, Gas Fitters and Steam Fitters, beg leave to respectfully call the attention of your Honorable Body to the fact that, in numerous instances about this city, licensed stationary engineers are frequently found to be doing work about the institutions where they are employed, other than that of stationary engineers, and that they leave their posts, in the engine rooms, for hours at a time, to do this work, in charge of firemen or other persons, unqualified as stationary engineers, directly in violation of their licenses, and against a very pointed clause in their licenses, that they must not leave their posts in the engine room.

A great many lives are endangered in factories and work shops by this means, and, by having these men do plumbing, steam or gasfitting, thus depriving men who have spent the best part of their lives in making a study of the different branches of these trades of employment at the same time for want of experience by these engineers, frequently defective and dangerous work is done, placing the lives of many in great jeopardy.

We would suggest that some means be adopted whereby factory inspectors, or some other authorized persons be instructed to report such violations of their licenses by engineers, and, upon conviction, some punishment be inflicted upon both engineer and employers, which will have the effect of stopping this very dangerous business.

Very respectfully yours,

P. McGRATH, JR.

J. P. BERG,

Committee.

Ordered received, filed and published, and referred to the Penal Ordinance Committee.

On motion of Ald. Adams the Board adjourned to Wednesday, November 4, 1891, at 7 o'clock p. m.

JULIAN A. JANES, Clerk pro. tem.

In Common Council—Nov. 4, 1891.

REGULAR MEETING.

Ald. Thomas McMillan, President of the Board, presiding.

Present—Ald. Calihan, McMillan, Zimmer, Rauber, Lempert, Shelter, Adams, Bierbrauer, Fox, Bohrer, Kelly, Lewis—12.

Absent—Tracy, Cleveland, Wurtz, Cook.—4.

APPROVAL OF MINUTES.

The minutes of the preceding meeting were approved as published in the book of proceedings.

PRESENTATION OF PETITIONS, REMONSTRANCES, BILLS, ACCOUNTS, ETC., AND THEIR REFERENCE.

By Ald. McMillan—Petitions of Mrs. Donald Gordon and Joseph H. Perkins in relation to erroneous assessments. Referred to the Assessment Committee.

Ald. Shelter moved that the Clerk be instructed to turn over all petitions for the improvement of Bronson avenue to the chairman of the Select Committee on Bronson avenue improvement. Adopted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCES.

By the Clerk—

Peter Sheridan, Esq., City Clerk:

At a meeting of the Board of Education held October 19th inst., the following resolution was adopted:

By Com. Brockway—Resolved, that the City Property Committee of the Common Council be requested to place additional insurance on public schools Nos. 33, 34 and 15, to cover recent additions made to said buildings.

The additions referred to have required the following expenditures: No 33 school, \$1,519; No. 34 school, \$1,755; No. 15 school, \$17.50.

Yours respectfully,
MILTON NOYES,
Clerk pro tem.

On motion of Ald. Shelter, referred to the City Property Committee.

By the Clerk—

CITY ATTORNEY'S OFFICE,
19 CITY HALL BUILDING,
ROCHESTER, N. Y., Nov. 4, 1891.

To the Honorable, the Common Council of the city of Rochester.

GENTLEMEN—By a recent decision of the Court of Appeals the case of the New York Central & Hudson River Railroad Company and others against the City of Rochester and another, was affirmed, without costs, against the city, in the Court of Appeals, but the General Term and the Equity Term rendered judgments for costs against the city in each court. The costs in the Equity Term, as taxed, amount to \$135.50, with interest thereon from March 31, 1887, and the costs, as taxed, in the General Term, amount to \$97.00, with interest thereon from July 7, 1888.

I would, therefore, recommend that the above amounts, with interest, as aforesaid, be paid, and recommend that the matter be referred to the Law Committee to inquire into the matter.

Respectfully submitted,
C. D. KIEHEL,
First Assistant City Attorney.

Ordered received, filed and published.

By the Clerk—

IN THE MATTER OF THE OPENING OF A STREET FROM MOUNT HOPE AVENUE TO THE CENTER OF THE GENESSEE RIVER, IN THE CITY OF ROCHESTER.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: The undersigned, who were appointed by an order of the Monroe County Court, duly granted and entered on the 20th day of July, 1891, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants, of the lands and buildings to be taken for the opening of a street from Mount Hope avenue to the center of the Genessee river in the city of Rochester, will be entitled to for the same, respectfully report and certify the several pieces and parcels of land, and the premises, to be taken for such improvement, the names, residences, and the rights of the owners thereof, and their award of damages, as incident to the opening of said street, as follows:

The several pieces and parcels of land required for such purpose, and necessary for the opening of said street, are described as follows:

All that tract or parcel of land, situate in the city of Rochester, County of Monroe and State of New York, bounded and described as follows:

Beginning at the southeast corner of property owned by Frank P. Crouch, on the west side of Mt. Hope avenue, in said city, at a point in the north line of a street proposed to be opened from Mt. Hope avenue to the center of the Genessee river, as said north line and proposed street is described in ordinance No. 4,352, passed by the Common Council of the City of Rochester, and upon a map of the opening of said street, filed in the office of the city clerk of said city; thence westerly, along said north line of said proposed street, to a point in the east boundary line of lands belonging to the State of New York; thence southerly, along said east line of the lands of the State of New York, to the north line of land owned by Emmett W. Huntington, of said city; thence easterly, along said Huntington's north line, to the west line of Mt. Hope avenue; thence northerly, along the west line of Mt. Hope avenue, to the place of beginning; being a strip of land about thirty and three-tenths (30.3) feet front on the west side of Mt. Hope avenue, and extending back of equal width to the lands of the State of New York.

These premises are owned by Frank P. Crouch and are subject to two judgments, one in favor of the The Ovid Trust Package Company for \$868.99, docketed in Monroe county clerk's office, on October 5, 1891, and the other in favor of Daniel A. Patterson and Otis H. Patterson, for \$2,321.97, docketed in Monroe county clerk's office, on October 6, 1891.

Also all that other tract or parcel of land, situated in the city, county and state aforesaid, bounded and described as follows:

Beginning at a point in the west line of Mt. Hope avenue, where the south line of a street proposed to be opened from Mt. Hope avenue to the center of the Genessee river, intersects the

same, said proposed street and south line being described in ordinance No. 4,352, passed by the Common Council of the city of Rochester; and upon a map thereof, filed in the clerk's office of said city; thence westerly, along said south line of said proposed street, to a point in the east line of lands belonging to the state of New York; thence northerly, along, said east line of said land belonging to the state of New York, to the north line of land owned by Emmett W. Huntington; thence easterly, along said Huntington's north line, to a point in said west line of Mt. Hope avenue; thence southerly, along said west line of Mt. Hope avenue, to the place of beginning; being a strip of land about nineteen (19) feet front, on the west side of Mt. Hope avenue, and extending back to the lands of the state of New York.

These premises are owned by Emmett W. Huntington, subject to a mortgage to Frank P. Crouch, dated January 1, 1891, for six thousand dollars, recorded in Liber 334 of Mortgages, at page 80, in Monroe county clerk's office.

Also, all that other tract or parcel of land, situated in the city, county and state aforesaid, bounded and described as follows:

Beginning at a point in the dividing line between Section H. and Section G. of the Williams tract, where the north line of a street proposed to be opened from Mt. Hope avenue to the center of the Genesee river intersects the same, as said north line and proposed street are described in ordinance No. 4,352, passed by the Common Council of said city, and shown on a map thereof, filed in the city clerk's office of said city; thence easterly, along said north line of said proposed street, to the west line of land belonging to the Rochester & Honeoye Valley Railroad Company; thence southerly along the said west line of said railroad company's lands, to the south line of said proposed street, as described in said ordinance, and shown on said map; thence westerly, along said south line of said proposed street, to the said dividing line between said Sections H. and G.; thence northeasterly, along said dividing line, about one hundred and sixteen (116) feet, to the place of beginning.

These premises are owned by Frank P. Crouch, and are subject to two judgments: One in favor of the Ovid Trust Package Company for \$868.99, docketed in Monroe county clerk's office on October 5, 1891, and the other in favor of Daniel A. Patterson and Otis H. Patterson, for \$2,321.37, docketed in said clerk's office on October 6, 1891.

Therefore, we, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matter submitted to us at the City Attorney's office, in the City Hall building, Rochester, N. Y., pursuant to a notice of at least ten days published according to law, and having taken a view of every part of the respective premises affected by this proceeding, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon, determine and appraise the damages which the several owners (there being no tenants or occupants affected other than such owners) of the several premises, thus to be taken for the opening of said street, will severally sustain by being deprived thereof, and fix the compensation which the aforesaid owners respectively shall receive therefor, as follows:

The awards hereby made, after deducting all taxes and assessments which have become a lien upon the lands described, to be paid as herein-after provided.

To Frank P. Crouch, for parcel firstly above described, the sum of seven hundred and fifty (\$750) dollars, payable to him, provided he procures releases of the aforesaid judgments, upon said parcel, or prove that they are not judgments against him.

To Emmett W. Huntington, for parcel secondly above described, the sum of three thousand (\$3,000) dollars, payable to Frank P. Crouch, mortgage aforesaid,

To Frank P. Crouch, for parcel thirdly above described, the sum of one dollar, payable to him, provided he procures releases of the aforesaid judgments upon said parcel, or proves that they are not judgments against him.

Dated, Rochester, N. Y., November 4, 1891.

RICHARD WRIGHT,
JOHN KNORR,
JOHN M. MURPHY,
Commissioners.

Ordered received, filed and published.

By Ald. Bierbrauer—Resolved, That the next regular meeting of this Common Council, to be held Tuesday evening, November 17, 1891, be, and the same hereby is, designated as the time when any objections to the confirmation of the report of the commissioners in the matter of opening a street from Mount Hope avenue to the center of the Genesee river, in the city of Rochester, will be heard.

Adopted.

Resolved, further, that the whole expense thereof be paid from the Contingent Fund.

Adopted.

RELAYING THE FLAGSTONE WALKS ON ALEXANDER STREET.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of relaying the flagstone walks on Alexander street.

Adopted.

The Surveyor submitted as such estimate, \$1,000.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz.:

The relaying of the flagstone walks on each side of Alexander street, from East avenue to Monroe avenue, or so much of said walks as may be considered necessary, replacing flagstones that are broken and unfit for use with new flagstones.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,000, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense, thereof, viz.:

One tier of lots and parcels of land on each side of Alexander street, from East avenue to Monroe avenue, in proportion to the benefit which each will derive therefrom.

Adopted.

OPENING AND STRAIGHTENING OF SOUTH AVENUE.

By Ald. Bohrer—Resolved, That the following improvement is necessary and we hereby judge that the public good require the same to be done, viz.:

The opening and straightening of South avenue 66 feet in width, from the first angle in South avenue south of Oakland street to the south line of Reservoir avenue, the middle line of which shall be a line beginning at a point in the middle of South avenue at the first angle therein south of Oakland street, and extending southerly in a direct line to a point in the middle of South avenue opposite the south line of Reservoir avenue. The territory deemed necessary to be taken therefor is a strip of land 33 feet in width lying on each side of and adjoining the above described middle line, and extending throughout the limit mentioned, excepting therefrom such portions as have already been opened to public use.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of South avenue, as it now exists, from Elmwood avenue to a point opposite the south line of Oakland street. Also one tier of lots and parcels of land on each side of South avenue as proposed to be extended throughout the entire length of said proposed extension, in proportion to the benefit which each will derive therefrom.

Adopted.

ONTARIO STREET MEDINA STONE PAVEMENT.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Ontario street.

Adopted.

The Surveyor submitted as such estimate \$10,000.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The improvement of Ontario street, from North avenue to Scio street, by the construction of a Medina stone pavement therein with a line of Medina stone gutter on each side thereof. Width of main roadway, between curbs, to be 28 feet. Also the construction of the necessary cross-walks, manholes, lot laterals, water and gas service.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$10,000, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Ontario street, from North avenue to Scio street, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Wurtz—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7 o'clock P. Ald. Adams, from the Lamp Committee,
Ald. Bohrer, from the Park Committee,
reported in favor of the various bills referred to their respective committees, and referred them to the Finance Committee for payment.

By Ald. Cleveland—
To the Honorable, the Common Council of the city of Rochester.

GENTLEMEN: Your Electrical Committee begs leave to report that they have had several conferences with the Executive Board and the representatives of the electric light and telegraph companies in reference to underground conduits for the wires now suspended upon poles throughout the city. It is desirable that the unsightly poles and wires should come down, but opinions differ as to the practicability of the underground systems now in use in various cities.

By some it is claimed that the plan is entirely feasible, by others, that it is unsatisfactory and imperfect. The Brush Electric Light Company has requested permission from the Executive Board to use one of the streets of the city for the purpose of experimenting with one of the underground systems.

Next year, in all probability, Main and State streets will be improved with a new pavement, and before that work is undertaken the wires should be buried, if possible, so that the streets may be left entire and unobstructed. And when it is determined to place the wires underground, provisions should be made that all the wires, electric, telephone, police patrol and fire alarm, be thus disposed of, at one and the same time.

Your committee is informed that the cities of Chicago, Pittsburg, Philadelphia and New York

are using the respective underground systems now in operation; which is the best system, can only be determined, in the opinion of your committee, by a personal inspection. The Executive Board has, accordingly, suggested that a sub-committee of one from the Electrical Committee, together with one from the Executive Board and the Superintendent of Fire Alarm visit the several cities mentioned, for the purpose of making the desired investigation. We think the suggestion is a good one, and accordingly recommend the adoption of the appended resolution.

Respectfully submitted,

S. D. W. CLEVELAND,
MARTIN J. CALIHAN,
WILLIAM H. TRACY,
J. MILLER KELLY,
MERTON E. LEWIS,
Electrical Committee.

Ordered received, filed and published.

By Ald. Cleveland—Resolved, That the chair appoint a sub-committee of one from the Electrical Committee to visit, with one from the Executive Board and the Superintendent of Fire Alarm, the cities of New York, Philadelphia, Pittsburg, Chicago, and such other cities as may be deemed necessary, for the purpose of investigating the underground wire systems in use in those cities, and reporting to this board the best system for Rochester to adopt, and that the expenses of the entire committee be charged to the Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Alderman Kelly—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your Committee on Charter Amendments beg leave to present the following report:

In regard to the petition of hackmen to have their license fees reduced to one dollar, your Committee, in view of the fact that the revenues of those gentlemen have been considerably reduced since the inauguration of the electric rapid transit street car system, which practically limits their income to the fees derived from their attendance upon funerals and christenings, recommend that their request be complied with, and that the following amendment to the penal ordinance relating to hackney coaches and carriages be adopted.

The communication from the Committee of the Plumbers and Steam-fitters Local Union No. 13, your Committee thinks should be carefully considered by your Committee, with the help of the Committee appointed to examine stationary engineers, and we have made arrangements with the gentlemen representing the Local Union to meet with us as soon as a meeting with the Committee on stationary engineers can be arranged for that purpose.

The President of the Board appeared before your Committee in regard to the practice prevailing among farmers and hucksters of selling potatoes and other produce in baskets which contain but fifty or fifty-one pounds, whereas, the laws of the State require sixty pounds to the bushel. It has been found that a crate of 2,500 cubic inches contains exactly sixty pounds of potatoes, and this crate has been adopted by manufacturers throughout the country as the standard measure. In order, therefore, to guard as effectively as possible against the deception, and to protect the people from further imposition by unprincipled vendors, your Committee would recommend an amendment to the hucksters' ordinance whereby no sales of potatoes or other produce shall be permitted on our public streets by measure, except in crates, duly sealed by the City Sealer, the capacity of each of which shall be 2,500 cubic inches, or which shall hold, when filled level with the top thereof, sixty pounds.

Your Committee also considered matters connected with the street railway system, and agreed upon certain amendments to the street railroad ordinance, which, in our opinion, would provide against the constant danger to life and limb, and impose necessary restrictions upon the railroad company. We find, however, that the present ordinance, being one adapted solely to the old railroad system, should be revised and amended in many other respects, so as to meet the requirements which the change of motive power demands. We have, accordingly, requested the City Attorney to perfect a new ordinance, containing the amendments suggested by your Committee, and such other provisions as he, after consultation with your Committee, shall consider necessary and proper.

Respectfully submitted,

J. MILLER KELLY,
S. D. W. CLEVELAND,
T. McMILLAN,
M. B. ADAMS,
HENRY G. COOK,

Committee on Charter Amendments.

Ordered received, filed and published.

Ald. McMillan in the chair.

By Ald. Kelly—Resolved, That section 4 of the ordinance relative to hackney coaches and carriages, adopted April 17, 1888, which section was amended July 29, 1890, be, and the same hereby is, further amended, so as to read as follows:

Section 4. Every person who may be licensed as aforesaid, shall pay to the City Treasurer for the use of the city, and furnish proof of such payment having been made, to the Mayor, before any such license shall be issued, of the sum of \$1 for each coach, carriage or cab thus owned, or kept for hire, by him or them, and the sum of \$1 for each driver not being the owner thereof.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

By Ald. Kelly—Resolved, That Section eleven of an ordinance relating to hawkers, hucksters, peddlers and vendors, and licenses for the same, adopted August 26, 1890, be, and the same hereby is, amended by adding thereto, the following subdivision:

Subdivision 1. No person shall, at any time, huckster, hawk, peddle, sell, or offer for sale, any potatoes or other farm produce, by measure, except in crates or other cubic receptacles which have been duly sealed by the city sealer, and each of which shall have a capacity in the proportion of twenty-five hundred cubic inches to the bushel, or which shall, when filled with potatoes level with the top thereof, weigh sixty pounds net, under a penalty or fine of not less than five dollars, nor more than fifty dollars, for each offense, and any ordinance, or any part of any ordinance, inconsistent with the provisions of this subdivision, is hereby repealed. This amendment shall take effect January 1, 1892.

On motion of Ald. Kelly ordered received, filed and published and laid on the table for two weeks.

COMMUNICATION FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, NOV. 17, 1891.

To the Common Council:

GENTLEMEN: The Executive Board has examined Edgewood Place and find that all requirements necessary for the acceptance of streets for public purposes have been complied with; and it is therefore recommended that said Edgewood Place be accepted as a public street.

Sawyer street, having a width of twenty-five feet and a length of 350 feet, running west from

Genesee street, and which James P. Tumilty proposes to dedicate for public uses, has been inspected and its acceptance as a public street is hereby recommended.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.
By Ald. Shelter—Resolved, That the dedication of the above mentioned streets, as mentioned in the foregoing communication of the Executive Board be, and the same is hereby accepted, and the Clerk is hereby directed to enter the name of such streets in the public street registry kept by him, and said Executive Board is hereby instructed to place the usual street signs, where needed, at the corners of said streets.
Adopted.

CITY ATTORNEYS' OFFICE,
ROCHESTER, N. Y., Nov. 17, 1891. }

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: I am in receipt of a proposition of settlement from Messrs. Turk & Barnum, attorneys for Thomas Gleadell in the latter's case against the city. The action was brought in the Monroe County Court to recover the sum of \$1,000 for alleged injuries received by reason of the plaintiff's falling upon a broken sidewalk on Benton street in this city. The case is at issue and is on the present calendar of the County Court. After an examination of the facts relating to the alleged accident and injury to plaintiff, I deem it advisable to call the attention of your honorable body to the proposition which his attorneys have made, and to suggest that their proposition be referred to the Law Committee for action. Very respectfully,

CHARLES B. EINSTE,
City Attorney.

Referred to the Law Committee.

By the Clerk—

To the Honorable Common Council:

GENTLEMEN: Your attention is called to the fact that the balance in the Contingent Fund is \$1,867.99. This amount is not sufficient to pay the Inspectors of Election. You will please take the necessary action to reimburse the fund.

Respectfully,

S. B. WILLIAMS, Treasurer.

Referred to the Finance Committee.

By the Clerk—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: There is a credit on the books at this office to the Rochester Park Way Fund for \$15,000, this amount being collected in the tax levy of the present year.

The treasurer of Park Commission, Mr. Huntington, requests that this amount be deposited in the Commercial Bank to the credit of the above named fund.

Under resolution of your body passed August 21, 1888 and recorded on page 192 of the proceedings of 1888-89, the Commercial Bank is designated as the bank of deposit for the park funds then existing and a contract to this effect was authorized to be made. Does above item come in under this contract?

I would respectfully ask that the subject be referred to your Finance Committee for decision.

Respectfully,

S. B. WILLIAMS, Treasurer.

Referred to the Finance Committee.

By the Clerk—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: I would respectfully call your attention to the fact that on the first day of January, 1893, the bonds issued for the following amounts will be due:

Rochester and State Line Railroad Co.	\$600,000 00
Rochester, Nunda & Pennsylvania Railroad Co.	150,000 00

Total..... \$750,000 00

The bonds bear interest at the rate of 7 per cent.

I think there will be no difficulty in refunding at 4 per cent., and possibly at a lower rate of interest. If it is not considered advisable to refund, provisions for the payment of these bonds will have to be made in Year 1892 Tax Levy. This action would, in my judgment, be too heavy a burden for the tax-payers. If it is decided to refund, action will be necessary at the coming session of the Legislature.

I would suggest that the subject be referred to your Finance and Law Committees to take such action as may best protect the city's interest.

Respectfully,

S. B. WILLIAMS, Treasurer.

Referred to the Finance and Law Committees.

The Clerk presented a communication from David K. Bell and others as the Board of Health of the town of Brighton, plaintiff, vs. The City of Rochester, defendant, Referred to the Law Committee.

By the Clerk—

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Nov. 17, 1891. }

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: I beg leave to submit the following as the expenses, including the damages awarded by the Commissioners of Appraisal connected with the acquirement of a right of way through, and easement in, the lands of Henry Almeroth and August Pappert for the construction, etc., of Caroline street sewer, in the City of Rochester, under Final Ordinance No. 4,356, viz:

Commissioners' fees.....	\$ 120 00
Carriage hire for Commissioners to view property.....	2 00
Damages awarded to the owners of land taken, their being no tenants, and no occupants, other than the owners.....	225 00
George L. Mattison, serving notices for appointment of Commissioners.....	5 00
Abstract Guarantee Company, for searches.....	13 00

Making a total of..... \$ 365 00
PETER SHERIDAN, Clerk.

Ordered received, filed and published.

By Ald. Lewis—Whereas, The entire cost and expense of the acquirement of a right of way through, and easement in, the lands of Henry Almeroth and August Pappert, for the construction, etc., of Caroline street sewer, in the city of Rochester, under Final Ordinance No. 4,356, including the amount of damages awarded by the commissioners, has been ascertained, and is hereby adjusted at the sum of \$365; therefore,

Resolved, That all persons interested in the matter of the ordering of an assessment for the aforesaid street opening, be heard as to the same, at the meeting of the Common Council, to be held on Tuesday, December 1, 1891, at 7 o'clock P. M.; and that the City Clerk cause to be published a notice of said hearing, as required by Section 190 of the city charter.

Adopted.

HEADQUARTERS INDEPENDENT
POLITICAL LABOR LEAGUE,
ROCHESTER, N. Y., Nov. 15, 1891. }

By the Clerk—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: The Independent Political Labor League unites in urging upon Your Honorable Body the importance and indeed the urgent necessity of a public market. We are further of the opinion that such market should be central, commodious, well equipped and most important of all owned and controlled by the city. A market projected by private capital will not and should not be conducted in the interest of the people and should not be encouraged. On the other

hand a public market is conceded in almost every city of the country, except in Rochester, to be a public necessity.

Respectfully submitted,

INDEPENDENT POLITICAL LABOR LEAGUE.

By The Clerk—

ROCHESTER, N. Y., Nov. 17, 1891.

To the Honorable, the Common Council:

GENTLEMEN: The undersigned petitioners pray your honorable body to adopt some just measure looking toward the licensing of bill distributing in this city. The ordinance covering the same now is very inadequate and not calculated to be of any service either to the city or to the party paying a license.

Trusting that this matter may receive your kind consideration, we are,
Yours very respectfully,

ACTION ON ORDINANCES.

FIRST ORDINANCES.

SOUTH GOODMAN STREET PIPE SEWER.

By Ald. Rauber—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in South Goodman street.

Adopted.

The Surveyor submitted as such estimate, \$2,550.

By Ald. Rauber—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer 15 inches in diameter in South Goodman street, from the center of Mulberry street to the sewer Caroline street. Also the construction of the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations. Also the removal of all trees from the center of the street, now standing in the line of the sewer trench.

And whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$2,550, which estimate is hereby approved.

Resolved, Further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of South Goodman street, from the center of Mulberry street to Caroline street, in proportion to the benefit which each will derive therefrom.

Adopted.

HAWTHORN STREET PIPE SEWER.

By Alderman Rauber—Resolved, That the City Surveyor ascertain and report to this council the expense of constructing a sewer in Hawthorn street.

Adopted.

The Surveyor submitted as such estimate, \$125.

By Ald. Rauber—Resolved, That the following improvement is necessary, viz:

The extension of the present sewer in Hawthorn street, from its northern end, northerly to a point 15 feet south of the north line of lot No. 32, situated on the west side of Hawthorn street, and supposed to belong to M. F. and F. S. Southwick. Also the construction of the necessary lot laterals and branches.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$125, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Hawthorn street, from the north end of the present sewer to the north line of lot No. 32 above mentioned, in proportion to the benefit which each will derive therefrom

Adopted.

By Ald. Wurtz—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7 o'clock P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be, and he is, hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser notice thereof, as is required and in the manner specified by Section 172, of the City Charter.

FINAL ORDINANCES.

Ald. Lewis moved that action on all final ordinances be postponed until the next regular meeting.

Adopted.

UNFINISHED BUSINESS.

The resolution in relation to the confirmation of the report of the commissioners in the matter of opening a street from Mount Hope avenue to the center of the Genesee river, and published at page 296 current proceedings, came up.

After hearing allegations from all persons appearing, Ald. Bierbrauer presented the following:

By Ald. Bierbrauer—Resolved, That the report of the commissioners in the matter of opening a street from Mt. Hope avenue to the center of the Genesee river, in the city of Rochester, be and is hereby in all things confirmed.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—16.

The petition of taxpayers in relation to the nuisance of hucksters and farmers standing in front of their respective residences, and published at page 296, current proceedings, came up.

Ald. Adams presented a petition from taxpayers calling attention to the necessity of a public market, and moved that the Chairman appoint a committee of five to investigate the subject and that the petition presented by him be referred to that Committee. Adopted.

By Ald. Tracy—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: We respectfully petition Your Honorable Body for leave to construct in front of the entrance to our building, No. 39 State St., a porch similar to that in front of the Powers Hotel and to that recently constructed in front of Powers' Building on West Main St.

And your petitioners will ever pray, etc.

Dated November 17, 1891.

ELLWANGER & BARRY.

Ald. Tracy moved that permission be granted under the direction of the Executive Board.

Adopted.

By Ald. Cleveland—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to issue, as necessary, the city's notes for the sum of twenty-five thousand dollars, (\$25,000), under the authority of said Section 81, of the City Charter, said notes to be discounted under the direction of the Finance Committee and the proceeds thereof placed to the credit of the Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—16.

By Ald. Cleveland—Whereas, There has been deposited by the City Treasurer money belonging to James H. Nellis as a guarantee for the durability of Mathews street cement walk, Ordinance No. 3,818, the money being kept out of the contract price for a period of two years, and by a certificate secured from the Executive Board, which certifies that the said amount so held is now due and payable, therefore.

Resolved, That the City Treasurer hereby is authorized and directed to draw from the Rochester Savings Bank the sum of \$98.29 (ninety-eight and 29/100 dollars), and interest accumulated thereon and pay the same to James H. Nellis.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—16.

By Ald. Cleveland—Resolved, That the City Clerk be, and he hereby is, directed to draw orders payable from the Contingent Fund of the

City Treasurer, in favor of each and every inspector of election of the City of Rochester for \$25 each, and in favor of each and every of the ballot clerks of said election in said city for \$5; in full for the services of said inspectors and said ballot clerks of the general election of 1891; the poll clerks appointed by the inspectors of election to be paid out of the money paid to the several inspectors.

The clerk is further hereby directed to draw an order payable as aforesaid in favor of each proprietor (except the city of Rochester) of room or rooms used for election purposes for the sum of \$30, and in favor of each owner of lot or lots upon which the city of Rochester has erected a polling place the sum of \$20; said respective sums shall be in full for the said use of said premises, and in cases where buildings have been erected by the city upon private property, shall include the rent of such property until March 8, 1892.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis.—14.

By Ald. Cleveland—Petition of Hiram W. Sibley to erect a wood building, referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Cleveland—

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., NOV. 11, 1891.

To the Finance Committee of the Common Council:

GENTLEMEN: I have to report that I have made the usual thorough examination of the City Treasurer's books and amounts, in all departments of the city's business transacted in the office for the month of October and I find that everything pertaining to said office has been justly, faithfully and accurately managed and conducted.

The cash required to be on hand as per ledger balance, on Monday morning, the 9th inst., was \$8,909.94. The same was counted by me and found correct. At the same time and date, the balances called for in several banks of deposit were as given below, and on inquiring at the banks no discrepancies were found: In Central Bank, \$88,044.42; Traders' National Bank, \$77,998.93; German American Bank, \$81,093.86.

Respectfully submitted,

JOHN BOWER,

Ordered received, filed and published.

By Ald. Shelter—Petition of Thomas Grant to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Shelter—Resolved, That the Executive Board be instructed to have a fire alarm box placed on the corner of Wentworth and New York streets.

Adopted.

By Ald. Wurtz—Resolved, That the Brush Electric Light Company be instructed to immediately remove the electric light pole from in front of No. 30 Lake View Park.

Adopted.

By Ald. Wurtz—Resolved, That the Executive Board be, and hereby is, requested to negotiate with the owners of land required for the opening of Pierpont avenue, and report to this Board at its earliest convenience.

Adopted.

By Ald. Adams—Petition of Thos. Holahan to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Adams—Resolved, That the Rochester Gas Company be and is hereby directed to erect a gas lamp on Richmond Park in front of No. 85. Referred to the Lamp Committee and City Surveyor under the rule.

By Ald. Lewis—

To the Honorable the Common Council, of the City of Rochester:

GENTLEMEN: Your Law Committee begs leave to make the following report:

In the matter of the application of Hattie L. Webber and Peter Pitkin, Jr., Edward A. Kernan and George D. Williams for the position of Commissioner of Deeds of this city, we recommend that the same be granted.

In the matter of the application of Gertrude B. McCormick for the same position, we find that the applicant is under the age of 21 years, and we therefore recommend that the petition be denied.

In the matter of the communication of the first assistant city attorney in respect to the costs recovered against the city by the New York Central & Hudson River Railroad Company in an action in the Supreme Court, we find that the action was brought against the city for a permanent injunction restraining the city from connecting additional sewers to the one which flows upon the lands of the railroad company. In the Equity Court the railroad company secured a permanent injunction with costs amounting to \$135.50, which was entered on the 31st day of March, 1887. Upon an appeal by the city from the General Term from this decision the judgment in the Equity Court was affirmed with costs amounting to \$97, which was entered on the 7th day of July, 1888. The city appealed from this judgment to the Court of Appeals, in which court the judgment was modified in that the injunction should be dissolved, when the contents of the sewer in question ceased to flow on the railroad company's land and as modified the judgment was affirmed without cost against the city.

This ends the action and the city is bound by these judgments to pay the above costs with interest from the day of entering the judgments. We therefore recommend that the City Clerk be authorized to draw an order for the same upon the City Treasurer to the order of the Railroad Company or its attorneys.

In the matter of the communication of the Forsyth Brothers referred to this committee, we find that in an action brought by James Purcell against Bernard Ritzenthaler, overseer of the poor in the City of Rochester, a judgment was recovered for \$6.90 damages from which an appeal was taken by the City. Upon this appeal the judgment was affirmed with costs against the city amounting to \$37.25, making a total, including interest, upon the judgment of \$45. Said judgment was entered on the 20th day of August, 1891. We are advised by the City Attorney, that no questions arise in the case which will warrant an appeal to the General Term, and we therefore recommend that the same be paid out of the poor fund, and that the Clerk be authorized to draw an order in favor of said Forsyth Brothers for said amount.

Dated November 17th, 1891.

MERTON E. LEWIS,
S. D. W. CLEVELAND,
MARTIN J. CALIHAN,
HENRY G. COOK,
WILLIAM H. TRACY.
Law Committee.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That upon the delivery and filing with the City Attorney of proper releases and satisfaction of judgment in the case of New York Central & Hudson River Railroad Company and others, against the city of Rochester, the City Clerk be and hereby is directed to draw an order upon the City Treasurer payable to the order of the New York Central & Hudson River Railroad Company, or its attorneys, for the sum of \$232.50, with interest on \$135.50 from March 31, 1887, and on \$97 from July 7, 1888, and the Treasurer is hereby directed to charge such amount to the Contingent Fund.

Adopted by the following vote:
Ayes—Alds. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis—14.

By Ald. Lewis—Resolved, That upon the delivery and filing with the City Attorney of proper release and satisfaction of judgment in the case of James Purcell against Bernard Ritzenthaler,

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: We hereby offer to dedicate to the city of Rochester for use as a public street, such portion of South Goodman street as we own north of the south line of Mulberry street. That is, a strip of land 66 feet in width and 172 feet in length, extending from the south line of Mulberry street to the south line of Lots 52 and 60; and a strip 33 feet in width and about 484 feet in length, extending from the south line of Lots 52 and 60 to our north line.

Said street is monumented and maps thereof are filed in the City Assessors' and County Clerk's offices as required by ordinance.

ELLWANGER & BARRY.

Nov. 16, 1891.

Referred to the Executive Board to see if the necessary regulations in relation to the dedication of streets have been complied with.

By Ald. Lewis—Resolved. That the City Treasurer be and he hereby is authorized to make the city's note for three hundred and sixty-five (\$365) dollars and procure the same to be discounted and credit the proceeds thereof to the fund for the acquirement of a right of way through and easement in the lands of Henry Almeroth and August Pappert, for the construction, etc., of Caroline street sewer, under Final Ordinance No. 4,356; such note to be payable in not more than one year from date, and to be countersigned by the chairman of the Finance committee before discount, and that the discount thereon be charged to the Contingent Fund and transferred to the said fund for the acquirement of the right of way through and easement for the construction of said sewer, when said fund shall have been created.

Adopted by the following vote:

Ayes—Alds. Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis—13

y Ald. Lewis—

ROCHESTER, N. Y., November 9, 1891.

To the Honorable the Common Council:

GENTLEMEN: The undersigned respectfully represents that he is the owner of a tract of land in the Sixteenth ward of this city, known as the "Perry and Bly Pinnacle Avenue Tract," bounded on the west by Goodman street, on the north by Benton street, and on the south by the city line, and that he now desires to dedicate a strip of land thirty-three feet wide between Benton street and the city line to the city, for public use (continuation of Goodman street), and he respectfully asks your Honorable Board to accept said proposed dedication, and to declare Goodman street between points named a public

street, and open for public use, and to be and remain as a part of one of the public streets of the city of Rochester, N. Y.

SEYMOUR G. DANA.

Referred to the Executive Board to report back to this Common Council.

By Ald. Lewis—Resolved, That the Brush Electric Light Company be, and it is, hereby directed to move the electric light on University avenue, nearest to Remsen Place, to the corner of University avenue and Remsen Place.

Adopted.

ROCHESTER, N. Y., December 1, 1891.	
To the Honorable, the Common Council of the City of Rochester:	
GENTLEMEN: Your Wood Building Committee and Fire Marshal beg leave to make the following report:	

Since your last meeting the Wood Building Committee and Fire Marshal have visited the premises of Thomas Grant on Bartlett street, and Dennis Reardon on University avenue; after viewing the same your committee decided to grant them permission to erect wooden buildings. James Pengelly, Charles L. Hempel, J. B. Edmunds, W. F. Stone, M. L. Dukelow, Mary A. Wheeler, George P. Webber, Mrs. Yates, George Frear, Thomas Holahan, Mrs. H. W. Hill, George Englert, Fritz Rumerkan, Hiram W. Sibley, and Francis N. Skuse, were also granted permission to erect wooden buildings.

They also visited the premises of James E. Briggs on Front street, who wished to erect a wooden building covered with galvanized iron.

Your Committee gave a hearing to the parties interested, and after due consideration decided to deny the petition of said James E. Briggs.

By Ald. Bierbrauer—

To the Honorable the Common Council of the City of Rochester :

GENTLEMEN: Your Committee on Wooden Buildings deem it proper to call your attention to several matters which have suggested themselves to us, as members of such Committee, and to recommend certain amendments to the ordinance relating to the erection and removal of buildings for your consideration and approval:

It is evident that, with the expansion of the city's limits, the multiplication of dwellings, manufacturing and places of business, and the constant and rapid increase in the population of Rochester, great care should be exercised in the erection and location of wooden buildings, especially in the thickly populated and business sections of the city.

We have endeavored to exercise such care, but have been met with attempts of various kinds to evade the plain provisions of the ordinance. One such method, commonly employed, when objection is made to the construction of a wooden building, is to claim that the building does not come within the prohibition of the ordinance, inasmuch as it is to be covered with iron or brick, or some other metal or substance. And buildings constructed of wood, and then covered with sheet or corrugated iron, tin or other metal are frequently seen in all sections of the city. It is needless to say that such covering does not protect adjoining property from damage, in case of fire, to any appreciable extent.

Another source of trouble with which your committee have been confronted is the failure of applicants for the erection of wooden buildings to give the proper notice of their intended application to the owners, occupants or agents described in the ordinance, and of their neglect to furnish the required verified proof of the giving of such notice.

Your committee, would, therefore, recommend that the appended amendments to said ordinance be adopted, and that the Clerk be directed to cause blank applications for the erection of wooden buildings, and affidavits of service of notices, to be printed, in conformity with those amendments. Respectfully submitted

Ordered received filed and published.

By Ald. Bierbrauer—An ordinance to amend an ordinance relating to the erection of and removal of buildings adopted October 4, 1887.

The Common Council of the City of Rochester do ordain as follows :

SECTION 1. Section 1 of an ordinance relating to the erection of and removal of buildings, adopted October 4, 1887, is hereby amended by adding to the end thereof, the following :

Nothing herein contained shall be construed as permitting, or authorizing, the covering, inclosing or veneering of any wooden building, or of the frame work thereof, with galvanized, sheet or corrugated iron, or any other metal.

SECTION 2. Section 9 of said ordinance is hereby amended by adding to the end thereof, the following :

Said proof shall state that such service has been made, either personally, by delivery to, and leaving with such owner, occupant or agent, a copy of such notice, at least, one week before such intended application, or by depositing in the post-office, at Rochester, N. Y., a copy of such notice, duly directed to such owner, occupant or agent, at his or her place of residence, or place of business, at least, one week prior to such intended application.

SECTION 3. This ordinance shall take effect immediately.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—15.

By Ald. Fox—

To the Honorable the Common Council :

GENTLEMEN: Your Water Works Committee, to which was referred the petition of property owners on Clifford street, asking for an extension of the water mains, from North avenue to a point six hundred (600) feet east, respectfully report, that they have investigated the said petition, and find that the application was made for the extension through a very thickly settled neighborhood. That there are a number of families living upon the street, between the points named who are compelled to carry water long distances in pails. The extension asked for by the petitioners is a short one, and we are informed by the Executive Board, that they have sufficient pipe on hand with which to make this extension, and that it can be done out of moneys remaining in the Water Works' fund unappropriated.

We, therefore, recommend that the prayer of the petition be granted, and that the Executive Board be instructed to extend the water mains in accordance therewith, and that the expense of the same be paid out of moneys in the Water Works' fund remaining unappropriated.

Respectfully submitted,

JOHN T. FOX,

Water Works Committee.

Ordered Received, filed and published.

By Ald. Fox—Resolved, That the Executive Board be, and it is hereby, instructed to lay a suitable water main in Clifford street, from North avenue to a point about six hundred (600) feet east, as asked for in the petition heretofore referred to the Water Works Committee, and that the expense thereof be paid out of any moneys of the Water Works funds, not otherwise appropriated.

Dated December 1, 1891.

Adopted.

By Ald. Cook—

To the Honorable, the Common Council of the City of Rochester :

GENTLEMEN: Your Assessment Committee begs leave to submit the following as its report :

The petition of Delia Stewart, to have an alleged erroneous assessment against lot 299, south side of Avenue A, for the opening a street from Clifford street to A venue A, was duly considered by your Committee, and we recommend that your petitioner be allowed a rebate of \$25 on her assessment, leaving a balance of the assessment, \$68.13, to be paid by her.

In the matter of the Bay Street Medina Improvement, your Committee, having heard the same, would recommend that the taxpayers assessed for said improvement be permitted to pay for said improvement in five equal annual payments, as provided in the accompanying resolution.

The petition of August Kimmel, praying for the privilege to pay the general city tax of 1882, on lot 17, Budlong's subdivision, on North avenue, amounting to \$55.40, together with interest, at the rate of 6 per cent., to the time of payment, was considered, and your committee recommends that the petition be granted.

The petition of George S. Riley, for an extension of time in which to pay an assessment for the East Main street improvement, and general city tax of 1888, was duly considered by your Committee, and we recommend that an extension of time be granted to January 15, 1892.

In the matter of the Maple street asphalt improvement, your committee, having considered the petition of the taxpayers assessed for said improvement, would recommend that the taxpayers be permitted to pay for the same in five equal annual payments, as provided in the accompanying resolution.

The petition of Marvin A. Culver to have erroneous extensions in the assessment rolls corrected, was considered by your committee and we recommend that the following corrections be made, and the amount of \$420.24, erroneously assessed, be refunded. Lot No. 22, south side of University avenue, assessed for general city tax, water and light at \$1,168.49, should be \$962.79, and on general city tax and light only; lot 48, west side of Bowen street, assessed for general city tax: water and light, at \$342.76, should be \$242.60, and for general city tax only. Lots 79 and 80, west side of Merriman street, and assessed for general city tax, water and light, at \$24.93, should be \$22.03, and for general city tax and water only. Lots 82, 83 and 84, east side of Merriman street, assessed for general city tax water and light, at \$42.06, should be \$37.18, and for general city tax and water only. Lot 116, south side of Thayer street, assessed for general city tax, and water at \$14.80, should be \$13.08, and for general city tax and water only. Lots 89, 114 and 115, south side of Thayer street, assessed for general city tax, water and light, at \$42.06, should be \$37.18, and for general city tax and water only.

The petition of the Young Men's Christian Association to have the general city tax of 1891, levied and taxed against the property of said association, at the corner of Court and South St. Paul street, reduced to \$400.00, was duly considered by your committee, and we recommend that the same be denied.

The petition of S. W. Werden to have canceled an alleged erroneous assessment for the making of the Taylor street sewer, was duly considered by your committee, and we recommend that the same be denied.

The petition of the Lutheran League of Rochester to have cancelled the general city tax of 1891 on its property, corner of Walnut and Campbell streets, was duly considered by your committee, and we recommend that the petition be denied. Respectfully submitted,

HENRY G. COOK,
JOS. BIERBRAUER,
HENRY SHELTER,
J. MILLER KELLY,
JULIUS WURTZ,
Assessment Committee.

Ordered received, filed and published.

By Ald. Cook—Resolved, That the time of payment of the unpaid city tax and East Main street improvement of George S. Riley, as set forth in a resolution of the Common Council of March 26, 1891, be, and the same hereby is, extended to January 15, 1892.

Adopted.

By Ald. Cook—Resolved, That the taxpayers assessed for East Maple street asphalt improvement be allowed to pay their assessments re-

spectively for said improvement, in five equal annual payments, as follows: One-fifth within thirty days of the first publication of the advertisement of the notice of the assessment roll by the city Treasurer; one-fifth within one year from the confirmation of said roll; one-fifth within two years from the confirmation of said roll; one-fifth within three years from the confirmation of said roll, and the remaining one-fifth within four years from the confirmation of said roll.

Adopted.

By Ald. Cook—Resolved, That the Clerk be and he hereby is, authorized to draw an order on the Treasurer for \$420.24, payable to Marvin A. Culver, and charge the same to erroneous assessments.

Adopted by the following vote:

Ayes—Alds. Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—13.

By Ald. Cook—Resolved, That the City Treasurer be, and he hereby is, authorized to receive from Delia Stewart the amount of her assessment, less a rebate of \$25, to wit: \$68.13, in full satisfaction of her assessment on lot No. 299, Avenue A, for the opening of a street from Clifford street to Avenue A, and charge the balance of said assessment to erroneous assessments.

Adopted.

By Ald. Cook—Resolved, That the taxpayers assessed for the Bay street Medina improvement be allowed to pay their assessments, respectively, for said improvement in five equal annual payments, as follows: One-fifth within thirty days of the publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-fifth within one year from the confirmation of said roll; one-fifth within two years from the confirmation of said roll; one-fifth within three years from the confirmation of said roll, and the remaining one-fifth within four years from the confirmation of said roll.

Adopted.

By Ald. Cook—Resolved that the City Treasurer be, and he hereby is, authorized to receive from August Kimmel \$55.40, together with interest at the rate of 6 per cent., to the time of payment, in full satisfaction of the general city tax of 1882, on part of lot No. 17, Budlong's subdivision on North avenue.

Adopted.

Ald. Cook—Resolved, That the petition of the Young Men's Christian Association for a reduction of the general city tax of 1891, be, and the same hereby is denied.

Adopted.

By Ald. Cook—Resolved, that the petition of S. W. Werden to have canceled an alleged erroneous assessment for the making of the Taylor street sewer, be, and the same hereby is, denied.

Adopted.

By Ald. Cook—Resolved, That the petition of the Lutheran League of Rochester to have canceled the general city tax for the year 1891 on its property, corner of Walnut and Campbell streets, be, and the same hereby is, denied.

Adopted.

By Ald. Shelter:

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your Committee on Support and Relief of the Poor, would report that they have had a conference with the managers of the various hospitals, on November 30, 1891, in regard to the compensation paid by the City of Rochester for persons sent to the various hospitals, and chargeable to the city.

Your Committee would state that the present price is \$4 for the first three months, and \$1.75 thereafter. The managers of the different institutions ask that the rate for the first three months remain the same as at present, \$4 per week, but ask to increase this allowance by making the second three months \$2.50 per week, in place of \$1.75.

Your Committee has given this matter a fair consideration, as to how much this increase will cost the city, and has received a statement from the City Hospital showing that during the past year they have had 174 patients, who have been cared for 5,079 days at \$4 per week, and 52 of them who were there longer than that three months, and were cared for 2,981 days at \$1.75 per week. Under the increase, the city would pay for 19 patients for 837 days' or \$90.93 additional.

St. Mary's Hospital has had, in the past year, 100 patients 3,530 days, at \$4 per week, and 19 patients 692 days, at \$1.75 per week. If the rate was changed, as requested, the city would pay them \$75.64 more.

The increase asked for would probably average \$250.00, or a little more per year, for the four hospitals. This is not a large amount and your Committee would cheerfully recommend that the request be granted, and that the following resolution be adopted.

Respectfully submitted,
 HENRY SHELTER,
 S. D. W. CLEVELAND,
 JULIUS WURTZ,
 M. B. ADAMS,
 WILLIAM H. TRACY,

Committee on Support and Relief of the Poor.

Ordered, received, filed and published.

By Ald. Shelter—Resolved, That on and after January 1st, 1892, the rate to be paid by the city for patients sent to the various hospitals of this city, as a city charge, be, and it hereby is, fixed, as follows: For the first three months, at the rate of \$4 per week; for the second three months, at the rate of \$2.50 cents per week, and after the first six months, at the rate of \$1.75 per week.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

Ald. Shelter, from the Select Committee on Bronson Avenue Improvement, reported progress and asked for further time, which was granted.

Ald. Adams, from the Select Committee on Public Markets, asked for further time, which was granted.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
 ROCHESTER, Dec. 1, 1891.

To the Common Council:

GENTLEMEN: The Executive Board has negotiated for the lands proposed to be taken for the extension of Pierpont avenue to Driving Park avenue, in accordance with the terms of your resolution, and has received a written proposition from the owner, DeVillo W. Selye.

The Executive Board regards the price demanded a fair and reasonable one for the property in question, and recommends its acceptance.

Respectfully,

THOS. J. NEVILLE, Clerk.

To the Honorable, the Executive Board:

GENTLEMEN: To avoid any trouble or expense to the city or myself in the matter of opening an extension of Pierpont avenue, from the south line of the Selye subdivision to Driving Park avenue, I will sell 82½ feet frontage on Driving Park avenue, where the lines of Pierpont avenue prolonged would extend to Driving Park avenue, for twelve (\$12) dollars per front foot. This is no more per foot than adjacent property sold for about one year ago.

Yours respectfully,

DEVILLO W. SELYE.

Ordered received, filed and published.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
 ROCHESTER, Dec. 1, 1891.

To the Common Council:

GENTLEMEN: The Executive Board begs leave to report favorably on the acceptance for public uses of the following named streets:

Newport Park, commencing on the east line of Field street, and running easterly 300 feet to Laburnum Crescent, which is 50 feet wide.

South Goodman street extension (so described), a strip of land which S. G. Dana and Ellwanger & Barry propose to dedicate, is 66 feet wide, extending from Mulberry street to the north line of Ellwanger & Barry property.

Each of the above named streets have been monumented, maps filed and all the necessary steps have been taken to render them acceptable for public streets.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Bohrer—Resolved, That the dedication of the above named streets as mentioned in the foregoing communication to the Executive Board, be, and the same hereby is accepted, and that the Clerk be directed to enter the name of said streets in the Public Street Registry kept by him, and said Executive Board be requested to place the usual street signs, where needed, at the corners of said streets.

Adopted.

By the Clerk—

CITY TREASURER'S OFFICE,
 ROCHESTER, N. Y., Dec. 1, 1891.

To the Honorable, the Common Council:

GENTLEMEN: Your instructions of May 19th, on page 88 of proceedings, direct me to pay the money collected from property owners fronting on Arnold Park, for keeping of same in repair, &c., over to Mr. George Olds. He has removed from the city, and I am requested to pay the fund collected to Mr. W. W. Gilbert.

I would respectfully ask your sanction of the same.

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

By Ald. Cleveland—Resolved, that the City Treasurer be, and he hereby is, authorized and directed to pay the amount added to the general

tax of 1891 against the property on Arnold Park for the maintenance and improvement of said Park to Mr. W. W. Gilbert.

By the Clerk—

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., Nov. 30, 1891.

To the Honorable the Common Council, of the City of Rochester:

GENTLEMEN: At a meeting of your Honorable body, held September 10, 1891, a petition was presented for the extension of Champlain street across the Buffalo, New York & Pennsylvania railroad to Caledonia avenue; and for the construction of a bridge over said railroad at the expense of said railroad company. I have examined the premises in question and find that it is impracticable to extend said street, as the bridge proposed to be constructed, will have to be at such a height above the railroad tracks as to render it useless for public traffic.

Respectfully,
OSCAR H. PEACOCK,
City Surveyor.

Ordered received, filed and published.
By the Clerk—

To the Honorable, the Common Council:

GENTLEMEN: At a meeting of the Board of Health held Tuesday, November 12, 1891, the following communication was received from the City Surveyor, and action taken thereon:

ROCHESTER, Oct. 31, 1891,

To the Honorable, the Board of Health:

GENTLEMEN: Pursuant to a communication directed to me, relating to the drainage of the quarry on the northeast corner of Jefferson avenue and Magnolia street, I have made an examination of the premises in question and find that the surface of the water in said quarry is eleven feet below the surface of the ground at the corner of Jefferson avenue and Magnolia street, and the water at various points is from three to ten feet in depth, making the bottom of said quarry at its lowest point, about twenty-one feet below the surface of the ground at the corner of the streets above referred to. It is impracticable to construct a sewer in that locality of sufficient depth to drain said quarry. I recommend the construction of a sewer in Magnolia street from some point west of Seward street to the outlet sewer crossing Magnolia street between Jefferson avenue and Genesee street. The proposed sewer need be only of such a depth as will accommodate any business block that may hereafter be erected on Magnolia street. The water existing in the quarry in question can then be pumped into this sewer, pending the gradual filling of the excavation by the city authorities with street scrapings or other debris or by the owners of the property in such manner as may be considered advisable.

Respectfully,
OSCAR H. PEACOCK, City Surveyor.

W. B. S.

Com. Howe moved that the Common Council be requested to pass an ordinance for a sewer on Magnolia street in accordance with the communication of the City Surveyor.

Monroe County Court.—In the matter of the opening of a street from Clifford street to Waring street, in the city of Rochester.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: The undersigned, who were appointed by an order of the Monroe County Court duly granted and entered on the 19th day of

October, 1891, commissioners, to inquire into and determine what damages and compensation the owner or owners, tenants or occupants of the lands and buildings to be taken for the opening of a street from Clifford street to Waring street, in the city of Rochester, as called for in an ordinance duly adopted for that purpose by the Common Council of the city of Rochester, on the 14th day of July, 1891, will severally sustain by being deprived thereof, and will be entitled to, respectfully report and certify their award of damages as incident to the opening of said street, and the acquisitions of the lands and buildings necessary therefor, the names, residences and rights of such owners or tenants, and the following as a description of the land necessary to be taken for the opening of said street.

All that tract or parcel of land situate in the city of Rochester, County of Monroe and State of New York, bounded and described as follows:

Beginning at the southwest corner of land owned by Bernard Shum and Gertrude, his wife, on the north side of Clifford street, and at a point in the east line of original town lot, No. 43, thence along the west line of said lands, a distance of about 1034 feet to the northwest corner of said lands, thence easterly along the north line of said lands a distance of 30 feet, thence southerly on a line parallel with, and 30 feet distant from the east line of said lands to the north line of Clifford street to the place of beginning, being a strip of land 30 feet in width off the west half of the lands of said Bernard and Gertrude Schum.

These premises are owned by Bernard Schum and Gertrude Schum, his wife, who reside in the city of Rochester, N. Y.

Also, all that tract or parcel of land situate in the city of Rochester, County of Monroe and State of New York bounded and described as follows: Beginning at the northwest corner of lands owned by Bernard Schum and Gertrude Schum, his wife, on the north side of Clifford street, and beginning at a point in the east line of town lot number forty-eight (48) thence northerly along the west line of lands owned by Nicholas Schum and wife a distance of about 1105 feet along the east line of original town lot number 48 to the northwest corner of said lands of Nicholas Schum and wife, thence easterly along the north line of said lands a distance of 30 feet, thence southerly on a line parallel with, and thirty feet distant from the west line of said lands and the east line of original town lot No. 48, to the south line of said lands of Nicholas and Margaret Schum, thence westerly along the south line of said lands to the place of beginning, being a strip of land thirty feet in width off the west half of said lands.

These premises are owned by Nicholas Schum and Margaret Schum, his wife, as joint tenants, who reside in the City of Rochester, N. Y., and are subject to a judgment recovered against said Nicholas Schum for \$81.80 in favor of Frank J. and C. Henry Amsden in the Supreme Court of this state.

Also all that tract or parcel of land situate in the City of Rochester, County of Monroe and State of New York, bounded and described as follows: Beginning at the northwesterly corner of lands owned by John Baumann, situate on the Southerly (or westerly) side of Waring street; thence southerly along the west line of said lands and the easterly line of original town lot No. 48, a distance of about 972 feet to the south line of said lands; thence easterly along the south line of said lands a distance of thirty feet; thence northerly on a line parallel with, and thirty feet distant from the west line of said lands and the east line of said original town lot No. 48 to a point in the dividing line between said lands and the lands of Joseph Leggett, Jr.; thence southwesterly along said dividing line to the place of beginning, being a strip of land thirty feet in width off the west half of said lands.

These premises are owned by John Baumann who resides in the City of Rochester, N. Y., and are subject to certain liens as appear in a certain conveyance to said Bauman recorded in Monroe County Clerk's office in Liber 412 of Deeds, at page 59, as follows: \$1,100 payable to Christina Bauman; \$1,100 payable to Bertha Bauman, wife of George Schmidt; \$1,100 payable to John, Louisa, Kate and Christina Kleiner, infant children of Louisa Bauman, deceased, late wife of John Kleiner.

Also, all that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, bounded and described as follows: Beginning at a point in the east line of lands belonging to Joseph Leggett, Jr., in the southerly (or westerly) line of Waring street, at a point thirty feet distant from the east line of original town lot No. 48, measured at right angles to said east line of said town lot No. 48, thence southerly in a straight line parallel with, and thirty feet distant from said east line of original town lot No. 48 to the south line of said lands, thence southwesterly along the south line of said lands to a point in the east line of said original town lot No. 48, thence northerly along the east line of said original town lot No. 48 to the northerly corner of said lands, and the southerly (or westerly) line of Waring street, thence southeasterly along the southerly (or westerly) line of Waring street to the place of beginning, being a strip of land thirty feet in width off the westerly half of said lands.

These premises are owned by Joseph Leggett, Jr., who resides in the city of Rochester, N. Y.

Also, all that tract or parcel of land situate in the city of Rochester, county of Monroe, state of New York, bounded and described as follows: Beginning at a point in the southerly (or westerly) line of Waring street where the east line of original town lot No. 48 intersects the same, thence southerly along the east line of said original town lot No. 48 to the south line of lands owned by James Sammis and situate on the southerly (or westerly) side of Waring street, thence westerly along said south line of said lands a distance of thirty feet, thence northerly along a straight line parallel with, and thirty feet distant from the east line of said original town lot No. 48, to the southerly (or westerly) line of Waring street, thence southeasterly to the place of beginning, being a strip of land thirty feet in width of the east half of said lands.

These premises are owned by James Sammis, who resides in the City of Rochester, N. Y.

Also, all that tract or parcel of land situate in the City of Rochester, County of Monroe and State of New York, bounded and described as follows: Beginning at the southeast corner of lands belonging to James Sammis, on the southerly (or westerly) side of Waring street, thence southerly along the east line of original town lot No. 48, a distance of about nine hundred and six feet, to the south line of lands owned by Peter V. Jackson, thence westerly along the south line of said lands a distance of thirty feet, thence northerly in a straight parallel with, and thirty feet distant from the east line of said original town lot No. 48, to the south line of lands of said James Sammis, thence easterly at right angles to the place of beginning, being a strip of land thirty feet in width, off the east half of said lands.

These premises are owned by Peter V. Jackson, who resides in the City of Rochester, N. Y., and are subject to a mortgage for \$1,250 given to Francis Costich, dated June 1, 1886, recorded in Monroe County Clerk's office in Liber 278 of mortgages at page 195.

Also, all that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, bounded and described as follows: Beginning at a point in the east line of original town lot No. 48, where the north line of lands belonging to Hector McLean situate on the east side of Goodman street intersects the same, thence southerly along the east line of

said original town lot No. 48 a distance of about one thousand two hundred and ninety-one feet to the south line of said lands, thence westerly along the south line of said lands a distance of thirty feet, thence northerly on a straight line parallel with, and thirty feet distant from the east line of said original town lot No. 48 to the north line of said lands, thence easterly along the north line of said lands to the place of beginning, being a strip of land thirty feet in width off the east half of said lands.

These premises are owned by Hector McLean who resides in the city of Rochester, N. Y. and are subject to two judgments against the same, one for \$1,189.62, recovered in the Supreme Court, and docketed March 26, 1890, in favor of Elizabeth Blazy, and one for \$95.23 recovered in the Supreme Court, and docketed February 3, 1891, in favor of Elizabeth Blazy.

Also, all that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York bounded and described as follows: Beginning at a point in the east line of original town lot No. 48 where the north line of lands belonging to Tirzah M. Peer, and situate on the east side of Goodman street intersects the same, thence southerly along the east line of said original town lot number 48 a distance of about 365 feet to the south line of said lands, thence westerly along the south line of said lands a distance of 30 feet, thence northerly along a straight line parallel with and 30 feet distant from the east line of said original town lot number 48 to the North line of said lands, thence easterly along the north line of said lands to the place of beginning, being a strip of land 30 feet in width off the east half of said lands.

These premises are owned by Tirzah M. Peer, who resides in the city of Rochester, N. Y.

Also all that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, bounded and described as follows: Beginning at a point in the north line of Clifford street where the east line of original town lot number 48 intersects the same, thence northerly along the east line of said original town lot number 48 a distance of about 513 feet to the North line of lands owned by James B. Perkins, thence westerly along the north line of said lands a distance of 30 feet, thence southerly on a straight line parallel with and 30 feet distant from the east line of said original town lot number 48 to the north line of Clifford street, thence easterly along the North line of Clifford street to the place of beginning, being a strip of land 30 feet in width off the east half of said lands.

These premises are owned by James B. Perkins, who resides in the city of Rochester, N. Y., but who is temporarily in Europe, and are subject to a mortgage for \$9,000 given by him and Mary E., his wife, to Arthur Luetchford as trustee under the will of William Allen, dated July 18, 1890, and recorded in Monroe County Clerk's office in Liber 533 of Mortgages at page 157, which mortgage has been assigned to the Rochester Trust and Safe Deposit Company as trustee for William A. Line by assignment, dated March 2, 1891, and recorded in Monroe County Clerk's office in Liber 44 of Assignments of Mortgages at page 445.

Therefore, we, the subscribers having been duly sworn as required by the statute in such case made and provided, and having met and acted upon the matters submitted to us at the City Attorney's office in the City Hall Building, Rochester, N. Y., pursuant to a notice of at least ten days' publication according to law, and having taken a view of every part of the respective premises effected by this proceeding and having inquired into and heard the allegations and proofs of the respective parties in interest, and thereupon determine and appraise the damages which the several owners and tenants or occupants of the several premises necessary to be taken for the opening of said street as follows:

The awards hereby made, after deducting all taxes and assessments which have become a lien upon the lands described in said ordinance and necessary for the opening of said street are as follows, and are to be paid as hereinafter set forth:

To Anna E. Davis, for parcel ninthly above described, the sum of twelve hundred dollars, payable to John Fahy, as mortgagee aforesaid.

To Jennie Goodwin and Ida L. Ely, as tenants in common, for parcel tenthly above described, the sum of fifteen hundred dollars, so much thereof payable to John Fahy, as mortgagee, to satisfy and discharge his mortgage, and to Jennie M. Lyon to satisfy and discharge her mortgage as aforesaid, and the balance to said Jennie Goodwin and Ida L. Ely.

To John Fahy, for parcel eleventhly above described, the sum of eight hundred and fifty dollars, payable to the Monroe County Savings Bank, as mortgagee, provided he procures releases of the mortgage running to Eliza J. Fahy, and the judgment in favor of James C. Fargo, as president of the American Express Company, or prove that they are not liens against said property.

To John Fahy, for parcel twelfthly above described, the sum of twenty-four hundred and fifty dollars, so much thereof payable to the Monroe County Savings Bank, as mortgagee of mortgage for six hundred dollars, to satisfy and discharge the same, and so much thereof to pay to Eliza J. Fahy to satisfy and discharge her mortgage on said property provided he secures a release of the judgment in favor of James C. Fargo, as president of the American Express Company, or proves that said judgment is not a lien against said property.

To Bernard Dunn, for parcel thirteenthly above described, the sum of five thousand dollars, payable to him.

To Sarah E. Mitchell, for parcel fourteenthly above described, the sum of twenty-five hundred dollars, so much thereof payable to Sarah E. Mitchell, as mortgagee, to satisfy and discharge said mortgage, as aforesaid, and the balance to Sarah E. Mitchell as owner.

To the City of Rochester, for parcel fifteenthly above described, the sum of fourteen hundred and fifty dollars, payable to said city.

To the heirs of John Morton, for parcel sixteenthly above described, the sum of thirty-four hundred dollars, payable to the widow and heirs of John Morton, deceased.

To Margaret O'Reilly, as life tenant, and the heirs of Julia Wilson, owner in fee, for parcel seventeenthly above described, the sum of \$1,130, payable to them, provided they secure a release of the judgment in favor of Julia E. Wells, above described, or prove that the same is not a lien upon said property.

To John O. R. Wilson, and the heirs of James O'Reilly, for parcel eighteenthly above described the sum of \$1,330, so much thereof payable to Michael O'Reilly, as mortgagee of the aforesaid mortgage of \$600, to satisfy and discharge the same, and the balance to said John O. R. Wilson and the heirs of said James O'Reilly.

To Leonhard Mandery, for parcel nineteenthly above described, the sum of \$1,110, so much thereof payable to Cornelia J. Mathews, assignee of a mortgage for \$600, to satisfy and discharge the same, and the balance to said Leonhard Mandery.

To William A. Warner, for parcel twentiethly above described, the sum of \$320, payable to him.

To the heirs of John Cunningham, for parcel twenty-firstly above described, the sum of \$830, payable to said heirs.

To Mary Buskin, for parcel twenty-secondly above described, the sum of \$335, so much thereof payable to Horace Gilbert, as assignee of a mortgage for \$300, as to satisfy and discharge the same, and the balance to the Teutonia Permanent Savings and Loan Association, as mortgagee aforesaid.

To the heirs of Owen Rigney, for parcel twenty-thirdly above described, the sum of \$500, so much thereof payable to John C. Spencer, Anson Seymour and Mark H. Sibley, as administrators, and as assignees of mortgage for \$158.23, as to satisfy and discharge the same, and to Sarah J. Baker, as mortgagee of mortgage for \$300, as to satisfy and discharge the same, and the balance to said heirs of Owen Rigney.

All of which is respectfully submitted.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

Ald. Shelter in the chair.

WIDENING LAKE AVENUE PARK.

By Ald. Bohrer—Resolved, That the following improvement is necessary, and we hereby judge that the public good requires the same to be done, viz:

The widening of Lake Avenue Park, from Lake avenue to the Boulevard, by adding a strip of land 24 feet in width on each side of said park, between the limits mentioned. The territory deemed necessary to be taken therefor is a strip of land 24 feet in width on each side of and adjoining Lake Avenue Park, from Lake avenue to the Boulevard.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

One tier of lots and parcels of land on each side of Lake Avenue Park, from Lake avenue to the Boulevard, as they exist at the time of the pas-

sage of this ordinance, in proportion to the benefit which each will derive therefrom.

RED CEDAR BLOCK PAVEMENT ON PLYMOUTH AVENUE.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Plymouth avenue.

Adopted.
The Surveyor submitted as such estimate \$53,500.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The improvement of Plymouth avenue from the north end of the Western New York & Pennsylvania Railroad bridge near Clarissa street, to Spring, by the construction of a Red Cedar Block pavement therein with a line of Medina stone curb on each side thereof, properly connected with all lateral streets, alleys and driveways. Also a line of stone coping around the circumference of Plymouth Park. Width of main roadway between curb lines to be generally the same as now exists. Also the construction of all necessary crosswalks, crosswalk extensions, surface sewers, manholes, lot laterals, water and gas services, and the cleaning of the main sewer in the street if found necessary.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$53,500, which estimate is hereby approved.

Resolved, Further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Plymouth avenue, from the Western New York & Pennsylvania Railroad bridge near Clarissa street, to Spring street, in proportion to the benefit which each will derive therefrom.

Adopted.

PLANK WALK ON JENNINGS STREET.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on Jennings street.

Adopted.
The Surveyor submitted as such estimate, \$1,650.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The construction of a pine plank walk, 4 feet feed and eight inches wide, on each side of Jennings street, from North avenue to Goodman street, except where good walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the construction of the necessary crosswalks and sidewalk grading.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,650, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Jennings street, from North avenue to Goodman street, in proportion to the benefit which each will derive therefrom.

Adopted.

PLANK WALK ON UNION STREET.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on Union street.

Adopted.
The Surveyor submitted as such estimate \$275.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The construction of a pine plank walk, four feet wide on the east side of Union street, from

Jennings street, northerly, to the north line of lot No. 68 of the Jennings' Tract, except where good walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the necessary sidewalk grading.

And whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$275, which estimate is hereby approved.

Resolved, Further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

“One tier of lots and parcels of land on the east side of Union street, in front of which the proposed walk shall be constructed, in proportion to the benefit which each will derive therefrom.

Adopted.

ROWE STREET SEWER.

By Ald. Rauber—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in a portion of Rowe street.

Adopted.
The Surveyor submitted as such estimate, \$1,475.

By Ald. Rauber—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer 20 inches in diameter in Rowe street, from the west end of the present sewer, near Wren street, westerly, for a distance of 260 feet. Also the construction of the necessary man holes, surface sewers, lot laterals and branches.

And Whereas, The City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$1,475, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on the south side of Rowe street, from the west end of the present sewer, to the front angle of the berm bank of the Erie canal. Also one tier of lots and parcels of land on the east side of Wren street, from a point 140 feet south of Driving Park avenue to Rowe street. Also all the territory included within and described by the following boundary lines, viz: Beginning at the intersection of the west line of Wren street with the north line of Rowe street, thence northerly along the west line of Wren street to a point 140 feet south of Driving Park avenue; thence westerly in a line parallel with and 140 feet south of Driving Park avenue, to the city line; thence southerly along the city line to the front angle of the berm bank of the Erie canal; thence southeasterly along said front angle of the Erie canal to the north line of Rowe street; thence easterly along the north line of Rowe street to the place of beginning, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Wurtz—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7 o'clock P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser notice thereof as is required and in the manner specified by Section 172 of the City Charter.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Dec. 1, 1891.

To the Honorable, the Common Council of the
City of Rochester:

GENTLEMEN: Agreeably to your direction, heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your Honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, December 1, 1891, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvements. Respectfully,

PETER SHERIDAN, Clerk.

The final ordinance for Front street outlet sewer tunnel came up. After hearing allegations from all persons appearing, Ald. Calihan moved that the ordinance be postponed two weeks.

Adopted.
The final ordinance for Bay street cement walks came up. Ald. Lewis moved that the ordinance be indefinitely postponed.

Adopted.
The final ordinance for South St. Paul street flag walks came up. Ald. Zimmer presented the following remonstrance:

To the Honorable Common Council of the City of Rochester:

GENTLEMEN: We the undersigned tax-payers upon South St. Paul street between East Main and Court streets, most respectfully remonstrate against the passage of an ordinance for laying a flag walk on the east side of said street.

First for the reason there is no petition for said walk and no tax-payer to be assessed for such improvement has ever called for such an expenditure of money.

Second, Mr. Moore, the inspector of sidewalks of the Executive Board, has examined the walks on South St. Paul street, within the past ten days and pronounced them good and all required for public use.

Third, this application has been instigated by parties who are not tax-payers on this street and will not be assessed.

Fourth, whenever the property owners wish to utilize their walks for enlargement of their cellars, the stone that they have been forced to pay for in this sidewalk under such an ordinance would not be available, and could not be used to make areas.

Fifth, the City Charter reads thus: The Common Council shall not ordain any work or improvement the expense whereof is to be defrayed in whole or in part by local assessment, except upon a petition of the majority of the owners of the property to be assessed therein.

We therefore ask your Honorable body to set the same aside, and close all agitations of any such contemplated improvement, until the tax-payers who are to be assessed present you with a majority petition.

Clark Johnston, William O'Neill, Leonard J. Farnsworth, Frederick Roth, Sarah Bly, by C. Perry attorney; Harold C. Kimball, Estate of R. Keeler, per H. C. Kimball; John H. Hopkins, trustee for Oviatt estate; Geo. S. Riley, Anna R. Bentley and A. W. Riley, by G. S. Riley; Joseph Erbeling, Estate of Joseph Curtis, E. T. Curtis, executor; F. J. and G. Schafer, August Stoll, A. C. Newell and others, J. J. Brigham, per Chas. F.

Pond attorney; John Hahn, Sarah H. Van Epps per Chas. H. Webb, attorney.

The above remonstrance represents nine-tenths of the frontage on South St. Paul street to be assessed for the flag walks as contemplated by the ordinance between East Main and Court streets.

Ordered received, filed and published.

FINAL ORDINANCE NO. 4,558.

SOUTH ST. PAUL STREET FLAG WALK.

On motion of Alderman Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a flag sidewalk on South St. Paul street from Main street to Court street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a flag stone walk, extending from street line to curb line, on the east side of South St. Paul street, from Main street to Court street, except where good flag stone or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$2,000 which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on the east side of South St. Paul street in front of which the proposed walk shall be constructed.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—14.

The final ordinance for Comfort street Cement walks came up.

Ald. Cook moved that the ordinance be postponed two weeks.

Adopted.

FINAL ORDINANCE NO. 4,559.

ACHILLES STREET MEDINA PAVEMENT AND PIPE SEWER.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to improve Achilles street from North street to Belmont Park.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The improvement of Achilles street, from North street to Belmont Park, (formerly known as Stillson street) by the construction of a Medina stone pavement therein, with a line of Medina stone curb and gutter on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of main roadway between curb lines to be 20 feet; also the construction of a vitrified pipe sewer 12 inches in diameter in said Achilles street, from a point 50 feet west of Belmont Park to the sewer in North street; also the construction of all necessary crosswalks, surface sewers, manholes, lot laterals and branches.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$3,500, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which

this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Achilles street, from North street to Belmont Park.

Adopted by the following vote:
Ayes—Ald. Callihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

FINAL ORDINANCE, NO. 4,560.

MAGNE STREET MEDINA STONE PAVEMENT.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to improve Magne street, from Saxton street to Lyell avenue.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester do ordain and determine that the following improvement is necessary and should be made, to-wit:

The improvement of Magne street, from the north end of the present Medina stone improvement at Saxton street, to Lyell avenue, by the construction of a Medina stone pavement therein with a line of Medina stone curb and gutter on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of main roadway between curbs to be 26 feet; also the construction of the necessary crosswalks' crosswalk extensions, surface sewers, lot laterals, water and gas services.

And the City Surveyor, under the directions of this Council, having made and reported as an estimate of the expense thereof, the sum of \$8,000, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Magne street, from the south end of the proposed improvement to Lyell avenue.

Adopted by the following vote:
Ayes—Ald. Callihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

The final ordinance for Iron Pipe sewer in Deep Hollow Creek came up.

Ald. Wurtz moved that the ordinance be postponed four weeks.

Adopted.

FINAL ORDINANCE NO. 4,561.

RELAYING THE FLAGSTONE WALKS ON ALEXANDER STREET.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to relay the flag walks on Alexander street from East avenue to Monroe avenue.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester do ordain and determine that the following improvement is necessary and should be made, to wit:

The relaying of the flagstone walks on each side of Alexander street, from East avenue to Monroe avenue, or so much of said walks as may be considered necessary, replacing flagstones that are broken and unfit for use with new flagstones.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$1,000, which being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following por-

tion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Alexander street, from East avenue to Monroe avenue.

Adopted by the following vote:
Ayes—Alds. Callihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

UNFINISHED BUSINESS.

The amendment to the Penal Ordinance relating to hawkers, hucksters, peddlers and vendors, and published on page 301 current proceedings came up.

Ald. Kelly offered the following as a substitute:

By Ald. Kelly—Resolved, That the resolution to amend the hucksters' ordinance, introduced November 17th, 1891, and printed on page 301 of the current proceedings, be, and the same hereby is, amended by striking out all after "sub-division one," and inserting the following:

No person shall, at any time, huckster, hawk, peddle, sell offer for sale, any potatoes, or other farm produce, by the bushel, except in square crates or boxes which have been duly sealed by the City Sealer, and each of which shall have a capacity of twenty-five hundred cubic inches, and contain, exclusive of its own weight, when filled with potatoes, level with the top thereof, sixty pounds, under penalty or fine of not less than five dollars, nor more than fifty dollars, for each offense, and any ordinance, or any part of any ordinance, inconsistent with the provisions of this subdivision, is hereby repealed. This amendment shall take effect January 1st, 1892.

Adopted.

By Ald. Kelly—Resolved that said resolution as amended be and the same is hereby adopted. Adopted by the following vote:

Ayes—Alds. Callihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

The resolution of Ald. Lewis in relation to the ordering of an assessment for the acquirement of right of way through and easement in the lands of Henry Almeroth and August Pappert for the construction of Caroline street sewer; and published on page 302 current proceedings came up.

Action on ordering an assessment for the acquirement of a right of way through and easement in the lands of Henry Almeroth and August Pappert for the construction, etc., of Caroline street sewer being in order, allegations were called for, and no persons appearing, Ald. Lewis presented the following:

LOCAL IMPROVEMENTS ASSESSMENT FOR THE CONSTRUCTION OF CAROLINE STREET SEWER NO. 4,356.

By Ald. Lewis—Whereas, The City Clerk has ascertained and reported the entire and aggregate expense of, and connected with, the acquirement of a right of way through and easement in the lands of Henry Almeroth and August

Pappert for the construction, etc., of Caroline street sewer, in the city of Rochester, under Final Ordinance No. 4,356, including any and all damages or awards made by the commissioners of appraisal, and all the costs and charges of the city in the proceedings, at the sum of three hundred and sixty-five dollars, and which expense has been heretofore duly adjusted by this Common Council as thus reported, and due notice of the time for hearing allegations has been duly published by the City Clerk, as required by the city charter, and the portion or part of the city on which the said expense is hereby directed to be assessed, and which this Common Council deems will be benefited by the improvement, are the lots and parcels of land within the part of the city described and directed to be assessed in and by the final ordinance relative to the said improvement, and the assessors of said city, if they are not interested in any of the property, or lots or parcels of land to be taken, or situated or being within the part or portion of the city deemed to be benefited and directed to be assessed, as aforesaid, are hereby directed to apportion and assess the said expense, and to make an assessment upon all the lots and parcels of land within the portion or part of the city directed to be assessed and benefited, as aforesaid, as near as may be in proportion to the benefit which each shall be deemed to receive thereby.

Adopted by the following vote:
Ayes—Alds. Callihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

EXECUTIVE BUSINESS.

MISCELLANEOUS BUSINESS.

By Ald. Lewis—
To the Honorable, the Common Council of the city of Rochester:

GENTLEMEN: Your Law Committee begs leave to make the following report.

The applications of De Garmo Robbins, L. Martha Gleason, Charles M. Shaw and George W. Haskins, E. S. Race, William A. Bingham and Howard W. Sneek for appointment as Commissioners of Deeds, have been considered, and we find that the applicants have complied with the rules of this body, and, therefore, recommend that such persons be appointed such Commissioners of Deeds.

Dated Rochester, N. Y., December 1, 1891.

MERTON E. LEWIS,
S. D. W. CLEVELAND,
MARTIN J. CALLIHAN,
WILLIAM H. TRACY,

Law Committee.

Ordered received, filed and published.

By Ald. Lewis—Petition for plank walk on Kohlman street. Referred to the Surveyor to prepare an ordinance.

Also remonstrance against Hawthorne street sewer. Referred to the Sewer Committee.

By Ald. Lewis—Whereas, pursuant to Final Ordinance No. 4487, to construct a trunk sewer on the east side of the Genesee river, it was ordained that all necessary easements in, and rights of way through, across, in or upon lands not now open to public use, through which it might be considered necessary to construct said trunk sewer, should be acquired; and,

Whereas, It has become necessary, in the consideration of said trunk sewer to acquire an

easement in and right of way through and across lot eleven of the Clark and Haganam subdivision of lots eleven to fifteen, inclusive, of the Mathias Kondolf subdivision of part of town lot fifty-two and lot seventy-four of the Sumner & White tract, in the City of Rochester; now owned by Henry E. Clark and Emma Haganam; be it,

Resolved, That the East Side Trunk Sewer Commissioners, together with the Executive Board of the City of Rochester, comprising the East Side Trunk Sewer Commission, be, and they hereby are, requested to negotiate for the aforesaid lands necessary to be taken, for the purposes aforesaid.

Adopted.

By Ald. Lewis—Applications of W. B. Wooldridge, Isola E. Goetchins and Thos. A. Lottridge, for appointment as Commissioners of Deeds. Referred to the Law Committee. Also remonstrance against Bay street cement walk.

Ordered received and filed.

By Ald. Kelly—Petition to dedicate Jennings Park. Referred to the Executive Board to report. Also petition of B. Smith in relation to erroneous assessments. Referred to the Assessment Committee.

By Ald. Kelly—Whereas, The act known as the General Registry Law provides that the Board of Registry shall hold four meetings before each general election and each city election for city officers on the fifth, fourth, third and second Saturdays before the election, and that each meeting shall begin at nine o'clock in the forenoon and continue until nine o'clock in the evening; and,

Whereas, There are many workmen who find it impossible to register, without leaving their work, and incurring pecuniary loss, on any morning of the days mentioned, and who, by reason of the fact that they are compelled to work on Saturdays until late at night, or to devote the evenings of those days to the purchasing of supplies for themselves and their families; therefore,

Resolved, That our Senator and Assemblymen be, and they hereby are, requested to use their influence in having passed an amendment to that act, whereby persons may be allowed to register on, at least, one day other than Saturday, and that at least two meetings of the Board of Registry shall begin at six o'clock in the forenoon.

Referred to the Charter Amendment Committee.

By Ald. Cook—

Resolved, That the clerk draw orders upon the Treasurer, payable from the contingent fund, in favor of the following named parties, and for the sum and purposes, viz: John M. Murphy, for ninety-six dollars, for services as Commissioner and Clerk of appraisal; John Knorr and Richard Wright for forty-eight dollars, each, for services as commissioners of appraisal; Abstract Guarantee Company for thirteen and 20-100 dollars for abstracts of title and searches; and George L. Mattison for six dollars for amounts expended by him, for fees of witnesses, and the charges and fees for subpoenaing the same in the matter of opening a street from Mt. Hope avenue to the centre of the Genesee River in the City of Rochester, under Final Ordinance No. 4352, and that the Treasurer pay said several sums from the Contingent fund, and charge and carry said sums to the fund for the opening of said street, when created.

Adopted by the following vote:

Ayes—Ald. Callihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis—12

By Ald. Cook—Whereas, this Common Council did upon the 14th day of July, 1891, pass a resolution authorizing the City Treasurer to receive all the taxes assessed to Catharine Zimmer on lots Nos. 10 and 20 in Gents' plat in the Sixteenth ward, with interest on said taxes at the rate of six per cent. per annum to the date of payment, providing said taxes were paid within 30 days from the passage of the resolution; and

Whereas, through some misunderstanding said taxes were not paid within the thirty day time granted. Therefore,

Resolved, That the Treasurer be authorized to receive said taxes upon said property at the rate of 6 per cent. per annum, if paid on or before December 31, 1891.

Adopted.
By Ald. Cook—Remonstrance against South Goodman street sewer. Referred to the Sewer Committee and the Executive Board.

By Ald. Adams—Petitions of Henry W. Latz and Nicholas C. Hanna to erect wood buildings. Referred to the Wood Buildings Committee and Fire Marshal, with power to act. Also, petition of L. J. Roberts, in relation to erroneous assessments. Referred to the Assessment Committee.

December 15, 1891.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: On November 26, 1889, your honorable body adopted a resolution, pursuant to the recommendation of the Law Committee, which recommendation and resolution are found at page 239, proceedings of 1889-1890, requesting the Mayor to enter into a contract with James Palmer for the right, privilege or easement to continue the discharge of sewage from any and all of the sewers within the city into Thomas creek, upon the payment to him of the sum of \$800 per annum, until the sewage shall be diverted from said Thomas creek, and that said payment be made annually. Said agreement was duly executed by Mr. Palmer on December 6, 1889 and the first payment thereunder ordered December 30, 1890. I would, therefore, recommend that your honorable body direct that an order be drawn for \$800, in favor of Mr. Palmer, for the payment of the easement for the year 1891, now due. Respectfully yours,

CHARLES B. ERNST,
 City Attorney.

Ordered received, filed and published.

By Ald. Lewis:

Resolved, That the clerk be, and he hereby is, directed to draw an order upon the treasurer, payable from the contingent fund, in favor of James Palmer, for eight hundred (\$800) dollars, being for the right, privilege or easement to continue the discharge of sewage from any and all sewers within the city of Rochester into Thomas creek, from December 6th, 1890, to December 6th, 1891.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis,—16.

REPORTS OF STANDING COMMITTEES.

Ald. Tracy from the Police Committee, Ald. Calihan from the City Property Committee, Ald. Zimmer from the Contingent Expense Committee, Ald. Lempert from the Health Committee, Ald. Shelter from the Poor Committee and Ald. Adams from the Lamp Committee reported in favor of the various bills referred to their respective committees and referred them to the Finance Committee for payment.

By Ald. Rauber—

To the Honorable, the Common Council of the City of Rochester.

GENTLEMEN: Your Committee on Sewers would respectfully report that, in their opinion, the final ordinance for the extension of the sewer in Hawthorne street should be indefinitely postponed, for the reason, among others, that such extension will benefit no one but the petitioner, Mr Southwick, and that the other owners, being well supplied with drainage, should not be assessed for an improvement from which they can derive no benefit. If Mr. Southwick desires to drain into Hewthorne street sewer, he should extend such sewer at his own expense. The Executive Board, no doubt, will readily grant him the desired permission.

The remonstrance against an ordinance for the construction of a sewer in South Goodman street and the connecting of the same with the Caroline street sewer has not as yet been fully considered by your committee, and we therefore recommend that action on such ordinance be postponed two weeks. Respectfully submitted,

STEPHEN RAUBER,
 JOSEPH BIERBRAUER,
 M. B. ADAMS.

Respectfully,
 M. B. ADAMS,
 MERTON E. LEWIS,
 HENRY SHELTER,
 S. D. W. CLEVELAND,
 Lamp Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved, That the Rochester Electric Light Company, the Brush Electric Light Company, the Edison Electric Illuminating Company and the Rochester Gas Light Company be, and are each respectively directed to comply with that portion of the report of the Lamp Committee relating to each individual company, when notified by the City Surveyor; and he is hereby directed to make the proper notification, with such directions as may be necessary to insure the correct location of each light.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—15.

Nays—Ald. Cramer.—1.

By Ald Cook:

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your Assessment Committee begs leave to make the following report:

The petition of Bernadine Smith to have cancelled an alleged erroneous assessment of \$3.66, for general city tax of 1888, on part of lot No. 63, corner of Havine avenue and the canal, was duly considered by your Committee, and we recommend that the petition be granted.

The petition of Robert Nicholson to have cancelled an alleged erroneous assessment of \$18.56, part of the general city tax of 1891, on lot No. 12, east side of Nicholson Park, was duly considered by your Committee, and we recommend that the petition be granted.

The petition of Joseph H. Perkins to have cancelled an alleged erroneous assessment on lots Nos 191 and 192, of the Cornhill tract, corner of Tremont street and Caledonia avenue, for the improvement of Tremont street, in the year 1870, was duly considered by your Committee, and upon examination, it appearing that the land in question was assessed to William Babcock, and is 91 feet on Tremont street, corner of Caledonia avenue. Mr. Babcock's total assessment on said lot for the Tremont street improvement was \$73.87. By resolution of the Common Council, October 23, 1867, the Treasurer was authorized to receive 96 per cent. in full for this assessment. This reduced Mr. Babcock's assessment to \$75.62. By a further resolution of the Common Council, January 21, 1868, it was by Ald. Ratt, Resolved, "That the Treasurer credit William Babcock \$23.06 on his assessment for the Tremont street improvement, he having built the sidewalk in front of his premises, and charge Contingent Fund. Adopted." This amount was credited by the Treasurer on the said roll, leaving the amount due on said roll \$37.85, which, with interest, costs of sale, etc., made the amount due, when sold to the city, \$46.80. We therefore recommend that the petition be denied.

The petition of taxpayers on East Main street, from Gibbs street to Alexander street, praying for a reassessment for the East Main street sewer, was duly considered by your Committee, and we find that the assessors, in making the assessment, made an unequal distribution of the same upon the property assessed. We also find that the property along the west end of said sewer did not have a sewer, while the east end had one which answered the purposes of the dwelling houses along said street. That the benefits of said sewer are much greater to the property along its west end than that lying along the east end. And we recommend that that part of the resolution passed July 14, 1891, by this Council, directing an assessment for East Main street stone sewer, No. 4,174, be reconsidered, and a reassessment made.

The petition of the Selye Terrace Building Lot Association, to have refunded \$38.32, a portion of the general city tax of 1891, erroneously assessed against Lot No. 149, north side of Bryan street, was duly considered by your Committee, and we recommend that the petition be granted.

The petition of the Selye Terrace Building Lot Association, to have refunded \$42.31, a portion of the general city tax of 1891, erroneously assessed against Lot No. 73, north side of Selye Terrace, was duly considered by your Committee, and we recommend that the same be granted.

Respectfully submitted,

HENRY G. COOK,
JOSEPH BIERBRAUER,
JULIUS WURTZ,
HENRY SHELTER,
J. MILLER KELLY,
Assessment Committee.

Ordered received, filed and published.

By Ald. Cook—Resolved, That the general city tax of 1888, amounting to (\$3.66.) three dollars and sixty-six cents, against part of lot No. 63, corner of Ravine avenue and canal, and assessed to Bernadine Smith, be, and the same is hereby canceled, and the City Treasurer is hereby directed to charge the amount of said assessment to erroneous assessments.

Adopted.

By Ald. Cook—Resolved, That a portion of the general city tax of 1891, amounting to (18.56) eighteen dollars and fifty-six cents, against lot No. 12, east side of Nicholson Park, and assessed to Robert Nicholson, be, and the same hereby is canceled, and the city treasurer is hereby directed to receive the sum of (\$5.39) five dollars and thirty-nine cents, in full payment of said tax, and charge the amount of said deduction, to wit: (18.56) eighteen dollars and fifty-six cents, to erroneous assessments, and upon the payment to the city treasurer of the balance of said assessment the said tax of 1891 to be canceled.

Adopted.

By Ald. Cook—Resolved, that the petition of Joseph H. Perkins to have cancelled an alleged erroneous assessment for the improvement of Tremont street in 1870 against lots Nos. 191 and 192 of the Cornhill tract, be, and the same is hereby denied.

Adopted.

By Ald. Cook—Resolved, That the Clerk draw an order upon the Treasurer, payable from the Contingent fund, in favor of the Selye Terrace Building Lot Association for \$80.63, being a rebate on the city tax of 1891, erroneously assessed against lots Nos. 73 and 149, of said association tract, and the City Treasurer is hereby directed to charge the amount of said rebate, to wit, \$80.63, to erroneous assessments.

Adopted by the following vote:

Ayes—Ald. Tracy, Callhan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

By Ald. Cook—Resolved, That that part of the resolution passed July 14, 1891, by this Council, directing an assessment for East Main street stone sewer No. 4,174, be, and the same hereby is, reconsidered, and a reassessment for said East Main street sewer be made, and the City Assessors, if they are not interested in any of the

property within the part or portion of the city to be benefited and directed to be assessed by said ordinance, or if any two of said assessors are not interested, then such two are hereby directed to proceed to make a reassessment upon the property assessed for said sewer in proportion, as nearly as may be, to the advantage which the lots and parcels of land directed to be assessed for said sewer improvement shall be deemed to receive by reason of the making of said sewer, in accordance with the provisions of the city charter in such cases made and provided.

Adopted.

DECEMBER 15, 1891.

To the Assessment Committee of the Common Council:

GENTLEMEN: Pursuant to your request for an opinion in respect to the authority of the Common Council to reconsider a resolution ordering an assessment, and direct a new assessment thereof, I submit the following:

I find that by the laws of 1890, chapter 561, section 205 of the revised city charter was amended so as to give the Common Council this authority. Prior to this amendment, every assessment for local improvements ratified by the Common Council was final and conclusive. But, by virtue of this amendment, any assessment which was confirmed by the Common Council, may, at any time, before or after the enactment of said amendment, be reconsidered at any time, and the same proceedings had thereon as provided for a confirmation of an assessment roll when first presented to the Common Council. This reconsideration can be made, though the parties assessed have paid their assessments. If such assessments have been paid, and the amount paid is greater than the assessment upon reconsideration, such excess must be paid to the party. If less has been paid than the assessment upon reconsideration, the person so paying it will be liable for the balance, with the same effect as if said balance was the amount of the original assessment.

Pursuant to this amendment, it is my opinion, that the Common Council has authority to reconsider the assessment of East Main street sewer improvement, and, after such reconsideration, can direct a reassessment thereof.

Respectfully submitted,

C. D. KIEHEL,

First Assistant City Attorney.

Ordered received, filed and published.

By Ald. Lewis—

To the Honorable, the Common Council of the city of Rochester.

GENTLEMEN: Your Law Committee begs leave to report as follows upon the claims referred to it of certain parties for damages alleged to have been sustained by reason of the pollution of creeks or streams flowing through their premises by sewage from the City of Rochester: Peter Braal, on June 11, 1887, began an action against the City for damages for the pollution of Thomas creek by city sewage. On February 13, 1890, he secured a verdict against the city for \$275. This judgment, inclusive of costs, amounting to \$431.52, was paid March 26, 1890.

He is entitled to commence another action for damages accruing subsequently to the first action. He has, however, offered to settle his claim upon the payment to him of a sum at the rate of \$60 per year, from the beginning of his first action to the present time, and the further sum of \$60 per year, until said sewage is diverted from said stream.

James Royle, on July 24, 1886, began a similar action for the pollution of the same stream. He secured a verdict on October 31, 1888, for \$185, which amount, together with costs amounting to \$160.63, was paid December 14, 1888.

Another action commenced April 23, 1889, is now pending. This claim, we think, can be settled by the payment of \$50 per year, for

past and future damages, as proposed in the case of Braal.

Mary Shell served a summons and complaint for a similar cause of action, July 26, 1886. The action was, on May 7, 1889, compromised by payment to her of \$192.50. She offers to settle on the same basis as Peter Braal, on the payment of \$85per year for past and future damages.

Ignatz Seltenmeyer began an action arising from the same cause, July 28, 1886. On May 8, 1889, he received a verdict of \$135. The judgment was affirmed by the General Term, and an appeal from the judgment of the latter court is now pending in the Court of Appeals. A new action for subsequent damages was begun March 9, 1889. A settlement can, we think, be made on the payment of \$50 per year for past and future damages.

Jacob Brower, on September 10, 1891, served a notice of claim for \$1,050, damages, for the pollution of Hobbie creek by city sewage. We believe this claim can be settled by the payment at the rate of \$75 per year for six years for past and a like sum per annum for future damages.

On September 21, 1889, John Brower began an action for \$2,000 damages from the same cause, which we have reason to believe may be compromised by payment of \$90 per year, in settlement of past and future damages. He is entitled to recover in that action damages for six years prior to the commencement of the action.

Jacob B. Brassers, as Administrator, recovered a judgment of \$635.80, in an action for the pollution of Hobbie creek, commenced July 17, 1889. This claim can be settled, we think, by the payment as above, of \$90 per year.

Your Committee has considered many other sewer cases, and has made propositions of settlement to various claimants. In most cases, the amounts demanded have, in the opinion of your Committee, been too large, and, in other instances, no final proposition has been left with your Committee. We believe that all of these cases should be settled on some just and equitable basis. While it is true that the City has no valid defense to these actions, it is also true that everything is being done now to abate the alleged nuisance, as soon as possible.

If the claimants are somewhat modest in their demands, and will accept such sums as your Committee will propose in settlement of their claims, we have no doubt that in the course of a few weeks, all sewer litigation may be done away with, to the advantage of the city and the litigants as well.

Your Committee ask that they may be given more time to consider the remaining sewer cases, and that, in the meantime, the claimants be notified that, while the city is willing to give them a just compensation for whatever damages they may have suffered, and will sustain in the future, there is no disposition on the part of the Common Council to pay them extravagant or ridiculously large amounts.

For the purpose of making a beginning in the work assigned to us, and of showing that we are acting in good faith, we recommend the adoption of the appended resolution.

Respectfully submitted.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: YOUR Law Committee begs leave to submit the following as its report:

During the month of April, 1890, Harriet M. Turner, M. D., and Minerva Palmer, M. D., were appointed by this Common Council as City Physicians for the term of one year, ending on the first Monday of April, 1891; that no appointment was made to take their places until the second Monday of April, 1891, and that during said first week of April, the above physicians held over, and were in the employ of the City as City Physicians; that the City is, therefore, indebted to each of said parties in the sum of \$8.33, for services rendered during said week. We, therefore, recommend that the applications of said physicians be granted, and that the Clerk be directed to draw orders upon the Treasurer in their favor for the above amounts.

In the matter of the communication of Walter S. Hubbell making a proposition of settlement in the case of David K. Bell, et al., as the Board of Health of the Town of Brighton, against the City we have carefully investigated the matter and find that the action was begun for an injunction by the Board of Health of Brighton, on the 19th day of September, 1888; that the case was tried at the Equity Term of the Supreme Court, in the month of March, 1889, and a judgment was rendered enjoining the City from emptying the sewers of the City of Rochester into

Thomas creek. From this decision an appeal was taken to the General Term, and the judgment was affirmed on this appeal on the 23d day of October, 1890.

On the 30th day of October, 1890, the City Attorney was served with a copy of the judgment, and notice of its entry, and from this judgment there has never been an appeal taken to the Court of Appeals. The city had one year from the time of the service of the copy of judgment and the notice of entry to appeal, and, this time, having now expired, there is no alternative for the City but to obey the injunction. There was no stay of injunction granted by the court after the 30th day of October, 1890, and the City, not having turned the sewers out of Thomas creek, has been, and is yet, with its officers, in contempt of court, and can be prosecuted for such contempt at any time the plaintiffs, or their attorney see fit so to do. We, therefore, recommend that, in addition to the regular costs entered in the action, to wit: The judgment of April 9, 1889, \$171.14, with interest, and the judgment of October 5, 1890, \$74.22, with interest, that the City pay to the plaintiffs' or their attorney, the sum of \$250, as counsel fees, upon condition that said plaintiffs vacate said injunction and release said City and its officers from any and all damages that said plaintiffs may be entitled to by reason of the violation of said injunction.

In the matter of the applications of Richard J. Decker, W. B. Woolridge, Isola E. Goetchius, Thomas Lottridge, George C. Vogt, Lillian E. Struble, A. Norman Bowman, Charles F. A. Young and Hume H. Cale, for the position of Commissioner of Deeds of the City, we recommend that the same be granted.

In the matter of the claim of John Cunningham for \$25 damages, by reason of an injury to the top of his carryall, we recommend that the same be denied.

In the matter of the claim of Frank A. Mills for \$3,000 damages caused by injuries received by falling at the south end of Platt street bridge on November 7, 1891, we recommend that the same be denied.

In the matter of the claim of Mrs. Robert Shannon for damages by reason of an injury received from falling on a sidewalk, we recommend that the same be denied.

Respectfully submitted,

MERTON E. LEWIS,
S. D. W. CLEVELAND,
HENRY G. COOK,

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the City Clerk be, and he hereby is, directed to draw orders upon the City Treasurer in favor of Harriet M. Turner, M. D., and Minerva Palmer, M. D., for eight dollars and thirty-three cents (\$8.33) each, being in full and for services rendered by said parties as City Physicians for and during the first week of April, 1891, and said treasurer is hereby directed to pay the same, and charge the same to the Poor Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—16.

By Ald. Lewis—Resolved, That upon the delivery and filing with the City Attorney of satisfactions of the judgments in the case of David K. Bell, et al., as the Board of Health of the town of Brighton against the city of Rochester, and a stipulation from the plaintiffs in said action, or their attorney, vacating the injunction therein, and releasing the city and its officers from any and all damages which said plaintiffs or said board may be entitled to by reason of the violation of said injunction, the city clerk be, and he hereby is, directed to draw an order upon

the City Treasurer, payable to the order of said plaintiffs, or their attorney, for the sum of four hundred and ninety-five dollars and thirty-six cents (\$495.36) with interest on \$171.14 from April 9, 1889, and on \$74.22 from April 5, 1890, and the Treasurer is hereby directed to charge such amount to the Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—16.

By Ald. Lewis—Resolved, That the claim of John Cunningham for damages by reason of an injury to the top of his carryall be, and the same hereby is, denied.

Adopted.

Adopted.

By Ald. Lewis—Resolved, That the claim of Mrs. Robert Shannon for Damages by reason of an injury received by her from falling on a sidewalk be, and the same hereby is, denied.

Adopted.

Ald. Tracy moved that the vote taken on the resolution to refund license money to Mrs. Williams, found at page 327, current proceedings, be reconsidered.

Lost by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Lempert, Wurtz, Bohrer, Kelly.—8.

Nays—Ald. Rauber, Cleveland, Shelter, Adams, Bierbrauer, Cook, Fox, Lewis.—8.

Ald. Kelly moved that the Poor Committee have one week further to consider the matter.

Adopted.

REPORTS OF SELECT COMMITTEES.

Ald. Shelter, from the Select Committee on Bronson avenue improvement asked for and was granted two weeks further time.

Ald. Adams, from the Select Committee on Public Markets, asked for and was granted further time.

Andrew Bornkessel, being duly sworn deposes and says: That he is the City Sealer of the City Rochester; that the foregoing contains a true and full report of the names of all persons, firms and corporations for whom he, or any of his assistants, have sealed or marked any weights or measures, since the date of his last report, together with the dates thereof, the description of all such scales, weights and measures, so sealed or marked, and the amount of fees or compensation collected therefor.

ANDREW BORNKESSEL,
 City Sealer.

Sworn before me this 7th day of December, 1891.

JULIAN A. JANES,
 Commissioner of Deeds.
 Ordered received, filed and published.

Ald. McMillan moved that action on the Mayor's veto of the final ordinance for South St. Paul street walks be postponed two weeks.
 Adopted.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

MEDINA OR GRANITE BLOCK STONE PAVEMENT ON STATE STREET.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving State street.

Adopted.
 The Surveyor submitted as such estimate, \$47,500.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The improvement of State street, from Main street to Center street, by the construction of a Medina or Granite Block stone pavement therein with a line of Medina stone curb and flagstone gutter on each side thereof where necessary, properly connected with all lateral streets, alleys and driveways. Width of main roadway between curb lines to be substantially the same as at present. Also the necessary crosswalks, surface sewers, manholes, lot laterals, water and gas services, and water gate boxes. Also the cleaning of the main sewer in the street if found necessary.

And whereas, The City Surveyor, under directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$47,500, which estimate is hereby approved.

Resolved, further, That the following portion

of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of State street, from Main street to Center street, in proportion to the benefit which each will derive therefrom.

ADOPTED.
MEDINA OR GRANITE BLOCK PAVEMENT ON MAIN STREET.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Main street.

Adopted.
 The Surveyor submitted as such estimate, \$86,500.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The improvement of Main street, from Fitzhugh street, to East avenue and Franklin street, respectively, by constructing a Medina or Granite Block stone pavement therein with a line of Medina stone curb and flag stone gutter on each side thereof where necessary, properly connected with all lateral streets, alleys, and driveways. Width of main roadway between curb lines to be substantially the same as at present. Also the construction of all necessary cross walks, surface sewers, manholes, lot laterals, water and gas services, and water gate boxes. Also the cleaning of the main sewer in the street if found to be necessary.

And whereas, The City Surveyor, under directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$86,500, which estimate is hereby approved.

Resolved, further, That the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Main street, from Fitzhugh street, to Franklin street and East avenue, respectively, in proportion to the benefit which each will derive therefrom.

PIPE SEWER IN MAGNOLIA STREET.
 By Ald. Rauber—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Magnolia street.

Adopted.
 The Surveyor submitted as such estimate, \$5,500.

By Ald. Rauber—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer, 15 inches in diameter in Magnolia street, from the outlet sewer crossing said street between Jefferson avenue and Genesee street, easterly to the center of Jefferson avenue. Also a vitrified pipe sewer 12 inches in diameter, from the center of Jefferson avenue to a point 155 feet west of the northwest corner of Magnolia and Seward streets, measured on the north line of Magnolia street. Also the construction of the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And whereas, The City Surveyor, under directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$5,500, which estimate is hereby approved.

Resolved, further, That the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Magnolia street, from Seward street to a point 55 feet west of the east line of lot No. 329 of the Rapids Tract, supposed to belong to Henrietta Witzell, in proportion to the benefit which each will derive therefrom.

Adopted.
 Ald. Lewis in the chair.

PLANK WALK ON KOHLMAN STREET.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk in Kohlman street.

Adopted.

The Surveyor submitted as such estimate, \$85.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The construction of a pine plank walk 4 feet in width on each side of Kohlman street, from north Clinton street, to north Joiner street, except where good walks now exist. Also the necessary sidewalk grading.

And whereas, The City Surveyor, under directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$85, which estimate is hereby approved.

Resolved, further, That the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Kohlman street, in front of which the proposed walk shall be constructed, in proportion to the benefit each will derive therefrom.

Adopted.

By Ald. Wurtz—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7 o'clock P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser notice thereof as is required and in the manner specified by Section 172 of the City Charter.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Dec. 15, 1891.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Agreeably to your direction, heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your Honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, December 15, 1891, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvements. Respectfully,

JULIAN A. JANES, Acting City Clerk.

By Ald. Zimmer—

To the Honorable, the Common Council of the City of Rochester:

We, the undersigned, directors of the Young Men's Christian Association of this city, petition

your Honorable Body to extend the time for payment of the city tax on the property of the Young Men's Christian Association to January 15, 1892, and to authorize the City Treasurer to accept \$1,506.72 at that time, in full payment of that tax, said amount being the original assessment, without interest.

The Association has delayed paying this tax in the expectation that the Council would materially reduce the same, but as the Council at its last meeting decided against that request, we ask to be allowed to make payment at the above-mentioned time, without adding interest to the original tax.

Very respectfully,
JOSEPH T. ALLING,
WALTER S. HUBBELL,
Committee for Board of Directors,
Y. M. C. A.

Referred to the Assessment Committee.

CITY ATTORNEY'S OFFICE,
ROCHESTER, N. Y., Dec. 15, 1891. }

To the Honorable, the Common Council:

GENTLEMEN: On September 22, 1891, I addressed a communication to your body recommending the payment of \$29 costs in the case of

Hugh Kelly against the city to Elbridge L. Adams, the plaintiff's attorney. The communication, which is found on pages 243 and 244 of the current proceedings of your board, was received, filed and published, instead of having been referred to the Law Committee, and Mr. Adams has not yet been paid.

I trust some action will be taken to-night looking towards a speedy settlement of the claim, payment of which has already been too long deferred.

Yours respectfully,
CHARLES B. ERNST,
City Attorney.

Referred to the Law Committee.
By Ald. Cleveland—

ROCHESTER, N. Y., Dec. 8, 1891.

To the Finance Committee of the Common Council:

GENTLEMEN: I have to report that I have carefully examined the City Treasurer's books and accounts for the month of November, and that I found all matters pertaining to the business of the office had been conducted faithfully and accurately.

The cash on hand or on deposit, called for on the morning of the 4th inst., was as given below. The cash was counted by me and found correct, and on inquiry at the several banks I found no discrepancies. Cash on hand, \$14,423.74; on deposit in Traders' National Bank, \$67,561.23; German-American Bank, \$67,335.68; in Central Bank, \$71,021.76.

Respectfully submitted,
JOHN BOWER.

Ordered received, filed and published.

By Ald. Cleveland—

AN ACT to amend chapter 347 of the laws of eighteen hundred and ninety, entitled, "An Act to provide for the payment of the cost and expenses of the construction of a trunk sewer on the east side of the Genesee river, in the City of Rochester, by the issue of bonds of said city, and providing for the payment of said bonds by local assessments.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section one of chapter three hundred and forty-seven of the laws of eighteen hundred and ninety, entitled, "An Act to provide for the payment of the cost and expenses of the construction of a trunk sewer on the east side of the Genesee river, in the city of Rochester, by the issue of bonds of said city, and providing for the payment of said bonds by local assessments," is hereby amended, so as to read as follows:

Section 1. The Common Council of the City of Rochester, for the purpose of providing for the payment of the cost and expenses of the construction of a trunk sewer on the east side of the Genesee river in said city, may, from time to time, authorize the City Treasurer of said city to issue bonds of said city, in an amount not to exceed, in the aggregate, the sum of one million dollars; said bonds, when issued, shall be signed by the said Treasurer and countersigned by the mayor and the president of the Common Council of said city. They shall be known as the East Side Trunk Sewer Bonds. They shall be issued in separate series of twenty-five shall be issued in separate series of twenty-five thousand dollars respectively. The first of said series of twenty-five thousand dollars shall be made due and be payable in ten years from the date of issue, and the succeeding series of said bonds shall be so made due and be payable that one of said succeeding series of said bonds, and only one, shall fall due and be payable in each and every year following the year in which said first series of said bonds shall fall due and be payable. The City of Rochester shall have the privilege of paying any and all of said bonds at any time after ten years from the date of issue. Said bonds shall

bear interest at a rate not to exceed four per centum per annum, payable semi-annually, on the first days of January and July in each year. The interest and principal of said bonds shall be payable in the city of New York. It shall be the duty of the City Treasurer to keep a complete record of said bonds, including the date thereof, the number of each bond and series number, the time of maturity and to whom issued, if registered. The proceeds of said bonds shall be applied to the payment of the cost and expenses of construction of said trunk sewer.

Section 2. Section two of said act is hereby amended so as to read as follows:

Section 2. Whenever the Common Council of said city authorize the City Treasurer of said city to issue bonds for the purposes as contemplated in this act, it shall be the duty of said Treasurer to sell said bonds at public sale, to the highest bidder, but no sale shall be made at less than par. Notice of such sale shall be given by publishing the same in the official paper of said city, and in two daily papers in the city of New York, at least ten days prior to the date of sale.

Section 3. Section five of said chapter three hundred and forty-seven is hereby repealed.

Section 4. Section six of said act is hereby amended so as to read as follows:

Section 6. The Common Council shall thereupon make an order reciting the amount of money to be raised by such assessment as aforesaid, and, thereupon, the City Assessors shall make an assessment upon all the lots and parcels of land within the portion or part so designated, of the amount of money to be raised, in proportion, as nearly as may be, to the advantage which each may be deemed to receive by the making of such improvement, which order shall be certified to by the Clerk of the said city, and delivered to some one of the said assessors.

Section 5. Section nine of said chapter three hundred and forty-seven is hereby repealed.

Section 6. Section eighteen of said act is hereby amended so as to read as follows:

Section 13. Within thirty days after the final passage by the Common Council, and approval thereof by the mayor of said city, of an ordinance for the construction of said sewer, or any part thereof, the said Common Council shall appoint three commissioners, who shall be residents and taxpayers on the east side of the Genesee river in said city, to act with the members of the Executive Board of said city in all matters pertaining to said trunk sewer. In case of the appointment of commissioners, the said commissioners so appointed, and each of them, shall, within five days after being notified of their appointment, take the oath of office required to be taken by the members of the said executive Board; they shall each give a bond, in such amount and with such sureties as the Mayor of the city may approve, conditioned for the faithful performance of their duties, and they shall have the same powers, and be subject to the same duties and responsibilities, in reference to all matters pertaining to the said trunk sewer, as the said members of said Executive Board. In case of the death, resignation or inability to act of any of said commissioners, the Common Council shall have power to fill the vacancy. The said commissioners shall receive as compensation for their services the sum of \$5 per day each, for each day actually and necessarily spent in performing duties pertaining to their office as such commissioners, but such compensation shall not exceed, in the aggregate, the sum of \$1,000 per year to each of said commissioners. Said Commissioners and Executive Board shall be known by the name of "the East Side Trunk Sewer Commission," in which name they may let all contracts, or do any other act, in reference to said sewer, which may be done by

the Executive Board in regard to any improvement, and sue for and collect any penalties, claims or demands under any of said contracts, or concerning said East Side sewer.

Section 7. This act shall take effect immediately.

Ordered received filed and published.

By Ald. Cleveland—Resolved, That our senator and Assemblyman be and they hereby are requested to introduce as soon as possible the proposed bill amending chapter 347 of the Laws of 1890, and that copies thereof be sent to the Common Council for approval after the same shall be printed.

Adopted.

Ald. Wurtz, Chairman Map and Survey Committee:

DEAR SIR: J. C. Ryan is entitled to the sum of two hundred and eighty (\$280.00) dollars for work completed under his contract for the survey of the first fourteen wards of the city. I recommend the payment of that amount.

Yours respectfully,

OSCAR H. PEACOCK,
City Surveyor.

Ordered received, filed and published.

By Ald. Wurtz—Resolved, That the City Clerk be and hereby is directed to draw an order on the City Treasurer for the sum of two hundred and eighty (\$280.00) dollars in favor of John C. Ryan as partial payment for work performed under his contract with the City of Rochester for the survey of the first fourteen wards of the city, and charge the same to the Contingent Fund.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Ald. Wurtz—

ROCHESTER GAS COMPANY,
ROCHESTER, N. Y., Dec. 9, 1891. }

Ald. Julius Wurtz, City:

DEAR SIR: The constantly increasing number of cases on streets improved with asphalt or brick pavement, where the desire to use gas was not anticipated and where no gas laterals were ordered in advance of the improvement, (thus necessitating the opening and disfigurement of said pavement at considerable expense to the property owners, to supply their needs), leads me to again call your attention, as chairman of the proper committee, to the advisability of making some provision for such cases in the estimates and ordinances for such improvement. It is reasonably certain that people will continue to use gas for some time to come, and that where this probability is not anticipated, expense to the property owners and disfigurement of the pavements must follow. In view of this fact, we respectfully ask you, in the interests of preserving our public improvements, and of saving money to our citizens, to take this matter up in the honorable body of which you are a member.

Very truly,

Dictated. W. L. COLE, Manager

Referred to the Public Improvement Committee.

Ald. Shelter moved that when the Board adjourn it be until Tuesday evening, December 22nd, 1891, at 7 o'clock.

Adopted.

By Ald. Adams—Resolved, That the Brush Electric Light Co. be and hereby is instructed to remove the arc light now located on the north side of East Main street, just east of

Birch Crescent, to the southwest corner of East Main street and Birch Crescent.

Adopted.

By Ald. Adams—Petition of A. L. Meyer to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Kelly—

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., Dec. 14th, 1891. }

Ald. J. Miller Kelly:

DEAR SIR: In reply to your inquiry, I beg leave to say that on the 30th day of June, 1891, the Common Council of the City of Rochester adopted a resolution authorizing and directing the City Treasurer to issue the city's note for ten thousand dollars, and that the proceeds therefrom be placed to the credit of the Board of Commissioners for the East Side Trunk Sewer.

Such note had not been issued but on the 9th day of September I did create the fund, "East Side Trunk Sewer Fund," by placing to the credit thereof the ten thousand dollars authorized under said resolution.

You will see by the wording of the resolution that this money is intended to pay for the preliminary work, and accordingly the Commissioners have audited accounts and issued orders to the amount of \$1,341.89, which have been cashed by me, leaving a balance in the fund of \$8,658.11. I presume that there still remains a small balance unpaid, such as salaries from the first of the month to date.

Very respectfully,

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

By Ald. Kelly—Whereas, On June 30th, 1891, the Common Council adopted a resolution directing the City Treasurer to issue the city's note for \$10,000.00, for the payment of the preliminary costs of the construction of the east side trunk sewer, and providing "that the city be reimbursed for the amount of said note from the proceeds of the fund raised by the issue of the bonds known as the "East Side Trunk Sewer Bonds," and

Whereas, The City Attorney has given it as his opinion that such proceeding is clearly illegal; and,

Whereas, It appears from the communication of the City Treasurer that there is left of the \$10,000.00 thus appropriated, a balance of \$8,658.11 to the credit of the East Side Trunk Sewer Fund, and that there may remain a small amount unpaid for salaries from the first of the month to the present date; therefore,

Resolved, That the East Side Trunk Sewer Commissioners, and the Executive Board be, and they hereby are, notified to issue no orders on the Treasurer to be paid out of the East Side Trunk Sewer Fund, or any other fund heretofore created by authority of the Common Council, except for work already done, or materials already furnished, and that the Treasurer be, and he hereby is, directed to cash no orders payable from such fund, except for liabilities which have been incurred, as aforesaid, and that he charge the amount paid, and to be paid, as herein provided for, out of said East Side Trunk Sewer Fund, to the Contingent Fund.

Adopted by the following vote:

Ayes—Alds. Tracy, Callihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox Bohrer, Kelly, Lewis—15.

By Ald. Kelly—Resolved, That the action taken on the resolution adopted June 30th, 1891, and published on page 145 of the current proceedings, authorizing the Treasurer to issue the city's note for \$10,000.00, for the payment of the costs and expenses preliminary to the

construction of the East Side Trunk Sewer be, and the same hereby is, reconsidered.

Adopted.
By Ald. Kelly—Resolved, That said resolution be, and the same hereby is, indefinitely postponed.

Adopted.
By Ald. Lewis—That the City Surveyor be, and he is hereby instructed to prepare an ordinance for a plank sidewalk on Clifford street, from North ave. to Miller street.

Adopted.
On motion of Ald. Wurtz the Board then adjourned.

JULIAN A. JANES, Clerk *pro tem.*

In Common Council—Dec. 22, 1891.

ADJOURNED REGULAR MEETING.

Ald. Thomas McMillan, President of the Board, presiding.

By Ald. Wurtz—Petition of M. O'Connor to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Wurtz—Resolved, That the resolutions adopted by the general committee on the erection of the Soldiers' and Sailors' Memorial Monument on the 19th inst., and published in the daily papers of the city yesterday, extending to the President of the United States and to the Governor of the State of New York invitations to be the guests of honor at the unveiling and dedication of the Monument, May 30, 1892, and inviting the Mayor and Common Council to unite in the ceremonies of the occasion.

Resolved, That the same be printed in the proceedings of the Board; that this Board heartily concur in the invitation by the general committee to the President and Governor; that the Mayor be requested to approve of this resolution at once; that on the part of the Mayor and Common Council in behalf of the Mayor and of the several officials thereof, the invitation be and is hereby accepted; that the Clerk of the Board be directed to transmit duly certified copies in duplicate of these resolutions, with the Mayor's approval of the same, to the secretary of the general committee for presentation to the President and to the Governor.

Adopted.
By Ald. Adams—Application of William L. Dobbin for appointment as Commissioner of Deeds. Referred to the Law Committee.

By Ald. Fox—Petition of Henry Nunnold for remission of taxes. Referred to the Assessment Committee.

By Ald. Kelly—Remonstrance against the erection of a wood building in Perth Place. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Lewis—Petition for the care and repair of East avenue. Referred to the Surveyor

to prepare an ordinance. Also petition for judgments of John Paine. Referred to the Law Committee. Also petitions for electric lights on Burton Park and St. Joseph street. Referred to the Lamp Committee.

MISCELLANEOUS BUSINESS.

By Ald. McMillan—
 Whereas, On the 28th day of July, 1891, the As-
 sessment Committee reported favorably on the
 petition of Ellen Elsheimer for a rebate on the
 assessment for the Glasgow street pipe sewer of
 \$41.19 and, whereas, said Ellen Elsheimer did al-
 ready pay said sewer tax of \$41.19, be it there-
 fore

Resolved, That the Clerk draw an order on the
 City treasurer in favor of Ellen Elsheimer for
 said sewer tax, said order to be drawn on the
 Contingent Fund, and charge said sum to erro-
 neous assessment.

Adopted by the following vote:
 Ayes—Ald. Calihan, McMillan, Zimmer, Rau-
 her, Lempert, Cleveland, Shelter, Wurtz, Ad-
 ams, Fox, Bohrer, Kelly, Lewis—13.

By Ald. McMillan—Resolved, That the City
 Treasurer be directed to receive from Ellen R.
 Elsheimer the amount of tax on Caledonia ave-
 nue and Atkinson street sewer without interest
 from July 28, 1891, said July 28th being the date
 of report of Assessment Committee recommend-
 ing rebate of \$41.19 on Glasgow street sewer and
 charged to erroneous assessments. Referred to
 the Assessment Committee.

By Ald. McMillan—Resolved, That the Lamp Committee be directed to erect one arc electric lamp on Spring street, corner Spring Alley. Referred to the Lamp Committee.

By Ald. Zimmer—Resolved, That the clerk be and is hereby directed to present a report at the next meeting of the Common Council, of the bicycle numbers that have been purchased by bicycle owners up to date. Also the days and dates and amount of money paid the City Treasurer to the credit of Contingent Fund, and the amount of numbers sold each time when money was placed to the credit of Contingent Fund, and the amount of money in the Clerk's possession up to date.

Adopted.

By Ald. Cleveland—

December 21, 1891.

To the Honorable Common Council of the City of Rochester:

GENTLEMEN—Will you please grant me permission to erect at the entrance to my building a canopy or porch of iron and glass similar to the one recently erected at the Powers Building.

Very respectfully,

F. W. ELWOOD.

On motion of Ald. Cleveland, laid on the table until the next meeting.

By Ald. Cleveland—

To the Honorable the Common Council:

GENTLEMEN—Your attention is called to the fact that the interest on bonded indebtedness of the city will be due January 1st. The amount of same is \$159,120. There will also be due on acceptance for improvements payable in January, the sum of \$58,899. In addition to the above, provisions must be made for the payment of the budgets to be acted upon by your honorable body in January as well as that passed by the Board of Education. It will therefore be necessary to provide for at least \$200,000, which must be done by the issuing of the city's note.

I would therefore respectfully request that you take action on the same.

Respectfully,

S. B. WILLIAMS,
Treasurer.

Ordered received, filed and published.

By Ald. Cleveland—Resolved, That the City Treasurer be and he hereby is authorized and directed to issue the city's notes for the sum of \$200,000, or so much thereof as is necessary to pay off city's indebtedness, under the authority of section 81 of the city charter, said notes to be discounted under the direction of the Finance Committee to be countersigned by the chairman of the Finance Committee, the discounts thereon to be charged to Contingent Fund.

Adopted by the following vote:

Ayes—Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Fox, Bohrer, Kelly, Lewis—14.

To the Honorable, the Common Council:

"Gentlemen: As financial officer of the city I deem it my duty to call your attention to the amount of acceptances for improvements soon falling due.

"While these acceptances are the city's bills payable the question of their amount, or when due, does not seem to enter into the discussion when the tax levy is before your honorable body for adoption. As they fall due, they are paid from funds collected in the general city tax, or from some of the local improvements, as all moneys received unless the charter orders otherwise, go into one general fund.

"If for any reason parties fail to pay their city tax, or if the larger improvements are tied up by some legal technicality, so that the parties benefited think they have an excuse to refuse to meet their payments, or still further, if they decide to wait the two years allowed for payment, and for which interest has already been added, then the amount received by the treasurer is not enough to meet these acceptances, and the only way to take care of them and protect the city's

credit is in the issuing of notes to be paid from next year's tax levy, authority for same being given in section 81 of the charter.

"This action makes the city a borrower for six months in the year, being obliged to pay 6 per cent. for the loans, while they received under the present contract, but 2 per cent. on their balance when in funds.

"At this season of the year, just before the interest on bonded indebtedness is due—which will more than use up the cash balance on hand—the question of providing for the payment of the acceptance is a serious one.

"The amount of acceptances in round numbers to be paid, on or before July 1, 1892, is \$508,000, add to this the amount required for expenses of the city for six months, and you will have a sum equal to three-fourths of next year's tax levy.

Of course this amount will be reduced somewhat by the payment of city tax and collections of local improvements, still the principle is wrong. A corporation should be able to borrow money at cheaper rates of interest than a private individual, and if such is the case it is poor financial policy to pay 6 per cent. on the city's note when money can be had in any quantity on the city's bond at 4 per cent.

"I would respectfully suggest that the subject be referred to your committee on finance and law, to devise some plan that will best protect the city's interest in the matter, and will also be a saving from the present way of doing business.

Respectfully,

S. B. WILLIAMS."

On motion of Ald. Cleveland referred to the Finance and Law Committees.

AN ACT to authorize the issue of bonds of the city of Rochester to pay for an additional water supply.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The city of Rochester is hereby authorized to borrow money for the purpose, to the amount, and in the manner hereinafter stated, and the Common Council of the city of Rochester may, from time to time hereafter, for the purpose of furnishing an additional water supply for the city of Rochester and its inhabitants, by a three-fourths vote of the members of said Common Council, authorize the City Treasurer, to issue the bonds of said city to an amount not exceeding, in the aggregate, the sum of \$1,750,000 running for a period not exceeding fifty years, and bearing a rate of interest not exceeding 4 per cent. per annum, payable at such place as the Common Council shall designate. Said bonds, when issued, shall be signed by the Treasurer, sealed with the corporate seal of the city, countersigned by the Mayor and President of the Common Council, and may be either coupon or registered bonds and shall be redeemable at any time after twenty years from the issue thereof. A complete record shall be made and kept by the said Treasurer of said bonds, including the dates, amounts and the dates of maturity thereof, and to whom issued, if registered, respectively. The proceeds of said bonds shall be applied to the payment of the costs of procuring said additional water supply.

§ 2. The bonds of the city of Rochester, which shall be issued by virtue of this act, shall as authorized by the Common Council be sold from time to time, by the City Treasurer, at public sale, to the highest bidder, after ten days' notice published in the official paper of said city, and in one or more newspapers in the city of New York, but said bonds shall not be sold at less than par.

§ 3. The several banks, including the savings banks, within the city of Rochester and the Rochester Trust and Safe Deposit Company are hereby authorized to receive and keep on deposit any moneys raised by the sale or for the payment of said bonds, and to pay on such deposits the same rate of interest, as that of the bonds,

of which such deposits are the proceeds respectively, and each and every bank or company receiving such deposits as aforesaid, shall execute and give to said city a bond with sufficient sureties conditioned to save said city harmless in any event of and from any loss by reason of such deposits, said bonds to be approved by the Mayor and Chairman of the Finance Committee.

§ 4. In any year in which by the provisions of this act, any portion of the principal of the bonds herein authorized shall be subject to redemption, it shall be the duty of the City Treasurer to give notice, in at least the official newspaper of the city of city of Rochester, and in one or more newspapers published in the city of New York, during the first ten days of July, stating the amount of such bonds to be redeemed at par, and accrued interest, and inviting tenders thereof from the holders of such bonds, and from the tenders so received, if any, to select bonds to an amount not exceeding the amount required for redemption, and to give the holders thereof notice that the same will be paid at such place as such bonds and the interest thereon shall by their terms be made payable, on or before the first day of September then next. In case the amount so tendered shall be less than the amount so required for redemption, it shall be the duty of the said Treasurer between the fifteenth and twentieth days of any such July, to draw, by lot, from the bonds outstanding, the numbers required to supply any such deficiency, or, in case no tender shall have been received, the whole number so required for redemption, and for this purpose, each \$1,000 of bonds, so issued, whether registered or coupon, shall be numbered consecutively in the order of issue, and, as to the bonds so drawn, the said Treasurer shall, at once, give public notice in one or more of the newspapers published in the city of Rochester, of the fact that such bonds, stating the numbers, have been drawn for redemption and that the same will be paid, with accrued interest, at such place as he shall designate, on or before the first day of August, then next, and, as to all such bonds, so tendered or drawn, and in respect to which the money required for their redemption shall be provided and kept ready for payment, from and after the several times, so limited for redemption, and payment and interest shall cease. § 5. This act shall take effect immediately.

Order received, filed and published.
By Ald. Cleveland—Resolved. That the annexed proposed bill be sent to Albany, and that the Honorable Senator and Member of Assembly from this district be, and they hereby are, respectfully urged to introduce the same at the opening of the coming session and to provide for this Board copies thereof for future action of this Board.
Adopted.

By Ald. Shelter—Resolved, That the City Treasurer be, and he hereby is, authorized to make the city's note for \$1,767, and procure the same to be discounted, and credit the proceeds thereof to the fund for the opening of a street from Jefferson avenue to Genesee street, in the city of Rochester, under final ordinance No. 2,847; such note to be payable in not more than one year from date, and to be countersigned by the Chairman of the Finance Committee before discount, and that the discount thereon be charged to the Contingent Fund, and transferred to said fund for the opening of said street when said fund shall have been created.

Adopted by the following vote:
Ayes—Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Fox, Bohrer, Kelly, Lewis—14.
By Ald. Shelter (by request)—

ROCHESTER, Dec. 22, 1891.

To the Honorable, the Common Council of the City of Rochester.

Gentlemen:—I hereby tender my resignation as an Inspector of Election of the Third district, Eleventh ward.

Yours respectfully, JOHN STRASSNER.
On motion the resignation was accepted.

By Ald Adams—

To the Honorable, the Common Council of the city of Rochester.

Gentlemen—While I was incumbent of the office of City Attorney, I made a collection of the Printed Proceedings of the Common Council from the year 1845 down to the present time, which are complete with the exception of three or four volumes, also the Printed Proceedings of the Executive Board and the Board of Public Works, old charters and penal ordinances and the charters of other cities in the state, which are nearly, if not quite complete. As I am thinking some of leaving the city, I have thought that it might be a proper place for them to be in the office of the City Attorney. I only desire for the collection, a sum sufficient to reimburse me for what was about my actual expense in money, in securing the same and which was at least \$50.

Yours Respectfully
IVAN POWERS.

Referred to the Law Committee.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Law Committee begs leave to make the following report:

The applications of James J. Fess, C. J. Schaeffer, and John Bisgood referred to this committee have been considered and we recommend that their applications be granted.

MERTON E. LEWIS,
S. D. W. CLEVELAND,
MARTIN J. CALIHAN,
Law Committee.

Alderman Lewis moved that the Board proceed to the appointment of Commissioner of Deeds and that the Clerk cast the ballot.

Adopted by the following vote:

Ayes—Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Fox, Bohrer, Kelly, Lewis—14.

James J. Fess, John Bisgood and Christian J. Schaeffer having received the concurrent vote of the Common Council were declared appointed Commissioner of Deeds.

By Ald. Lewis—

AN ACT to amend chapter one hundred and forty-three of the laws of eighteen hundred and sixty-one, entitled "An act to amend and consolidate the several acts in relation to the charter of the city of Rochester;" and to consolidate therewith the several acts in relation to the charter of said city, as amended by chapter fourteen of the laws of eighteen hundred and eighty.

The people of the State of New York, represented in Senate and Assembly, do enact as follows:

Sec. 1. Section six of chapter one hundred and forty-three of the laws of eighteen hundred and sixty-one, entitled, "An act to amend and consolidate the several acts in relation to the charter of the city of Rochester," as amended by chapter fourteen of the laws of eighteen hundred and eighty, entitled "An act to further amend chapter one hundred and forty-three of the laws of eighteen hundred and sixty-one, entitled "An act to amend and consolidate the several acts in relation to the charter of the city of Rochester, and to consolidate therewith the several acts in relation to the charter of said city," is hereby amended so as to read as follows:

Sec. 6. The officers of said city shall be one mayor, one treasurer, three members of the Executive Board, two judges of the Municipal Court, one police justice, one auditor, one supervisor for each ward, one alderman for each ward, one constable for each ward, and one commissioner of common schools for each ward; all to be elected by the electors of the city, by ballot, as hereinafter provided; one city clerk, one city attorney, one overseer of the poor, three assessors, one scaler of weights and measures, one city surveyor, two police commissioners and one police clerk, to be appointed as hereinafter provided, and such other officers as are, by this

charter or other law, to be elected or appointed.

Sec. 2. Section seven of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended by adding to the end thereof the following: *At the charter election in the year eighteen hundred and ninety-two, and in every second year thereafter, an auditor shall also be elected by the electors of the city, by ballot, as is provided in and by this charter in reference to other city officers, and he shall enter upon his duties on the first Monday of April next thereafter, and he shall hold office until his successor shall have been elected and qualified. The said auditor shall not be entitled to enter upon his office until he shall have executed and filed with the mayor of said city a bond in the penal sum of five thousand dollars, or such other sum as the Common Council shall fix with sufficient sureties, approved by the mayor, in writing, conditioned for the faithful performance of his duties as such auditor, and the duties imposed upon him by law. The said auditor shall receive a salary not to exceed three thousand dollars per annum, payable monthly, as other city officers are paid, such salary to be fixed by the Common Council annually, as other salaries are fixed. It shall be his duty to examine and pass upon all debts, demands and claims against said city, and each and every of its boards, officers and agents, including the board of education and the executive board of said city, before the same shall be ordered paid, and he shall keep a book, in which shall be recorded an account of each debt, demand and claim presented to him, and the sum allowed upon each, and he shall render to the Common Council, the board of education or executive board, detailed monthly reports of all such debts, demands and claims presented to and allowed by him, as aforesaid, and all bills, dues and demands contracted or incurred during the preceding months, which have been presented to him for audit aforesaid, and except as otherwise provided by law, and except the fixed salaries of officers paid by the city, no debt, demand or claim payable from the city treasury, shall be paid, except the same is passed upon by said auditor and certified by him to the body, board or officer whose duty it shall be to pay the same and if he objects to any debt, demand or claim, in whole or in part, such objection shall be by him presented in writing to said bodies, officers and board, respectively, whose duty it shall be to investigate the grounds of such objection before finally auditing or determining the manner of disposal thereof. Provided, however, that said auditor may weekly examine and pass upon by items any statement of claims, dues or demands for labor performed, which shall be certified to him for audit by said executive board, and upon such audit by the auditor, certified by him, under his hand, to such board, a sum or sums not exceeding, in the aggregate, five thousand dollars in any one week, may be drawn by the clerk of said board by orders or warrants made directly upon the City Treasurer, who shall pay the same, when there are funds for the purpose, as is provided by section one hundred and forty-eight of this charter, as amended in eighteen hundred and ninety. Said auditor may examine, on oath, to be administered by him, any person, firm or corporation who presents an account, claim, due or demand, touching the validity of such account, claim, due or demand, and false swearing during such examination shall be deemed willful perjury, and punishable as such, and said auditor shall not audit such account, claim, due or demand where such person, firm or corporation, or the duly authorized agent or officer thereof, presenting the same shall refuse to submit to such an examination and oath. The said auditor shall make to the mayor and Common Council of said city, at the last meeting thereof in each fiscal year, a report, in writing, embracing a summary of the business transacted in his office during the preceding year.*

Sec. 3. Subdivision eight of section twelve of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended by adding to the end thereof the following:

The superintendent of police, chief of detectives, or other members of the police department authorized by said board of police, by and with the approval of the mayor and at least one other police commissioner, may draw, by a warrant or order, directly upon the City Treasurer, who shall pay the same out of any funds remaining in his hands and appropriated at any time by said Common Council to the credit of said police department, sums not exceeding two hundred and fifty dollars at any one time, to defray the expenses of members of the department in making, or going to make, arrests of persons outside of the city of Rochester, and the expenses of the said officer, or officers, thus defrayed shall, when ascertained, be reported to the Common Council and be audited by that body, and the city auditor, if there be one, as other expenses of said police department are audited.

Sec. 4. Section twenty-three of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 23. Whenever a vacancy shall occur in the office of police justice, or of alderman, for any cause, the Common Council of said city shall immediately appoint a special election to be held in said city, or in the ward for which such alderman was chosen, not less than twenty-five days, nor more than forty days from the time of such appointment, unless such vacancy shall occur within three months before the Tuesday after the first Monday in March in any year, and, in such case, it shall be optional with the Common Council to order a special election, or not, as it shall deem expedient.

Sec. 5. Subdivision nineteen of section forty of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

19. To establish or order and regulate markets; to regulate the vending of wood, coal and other fuel, meats, vegetables, fruits, fish, poultry, milk and provisions of all kinds, and to prescribe the time and place for selling the same, and for ascertaining the weight or other quality thereof, and to prescribe the fees to be paid for licenses for the sale of the aforesaid commodities; such license fees not to exceed fifty dollars from any person so licensed, except that a license fee not exceeding thirty dollars for a wagon drawn by two horses and not exceeding twenty-five dollars for a wagon drawn by one horse, may be exacted, and to prevent the sale or exposure for sale of unwholesome, diseased, impure or adulterated meats, vegetables, fruit, fish, poultry, milk and food and provisions of all kinds, and the Board of Health may appoint from time to time, and at pleasure remove, a competent person, and fix his salary, to be paid out of the health fund, whose duty it shall be to test and inspect all meats, vegetables, fruit, fish, poultry, milk, food and provisions of all kinds, sold, or offered for sale, whenever the sale thereof is regulated by ordinance, for the purpose, and to prevent the sale or exposure for sale of all the aforesaid unwholesome, diseased, impure or adulterated commodities, and any of such commodities not of the standard or character fixed by any statute now or hereafter passed, before being offered or exposed for sale, but provided that nothing herein contained shall authorize the Common Council to prevent the sale of fresh and wholesome meats by the quarter, within the limits of said city, by farmers who have raised and fattened the same upon their own farms.

Sec. 6. Section sixty of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 60. The attorney of said city on or before the first of June of each year shall, with the advice and consent of the Common Council, appoint a first and second assistant city attorney, and as many stenographers and clerks as said Council may

direct, whose term of office shall be for one year, or until their respective successors are appointed. Said attorney, or in case of his absence or inability to act from any cause, the first or second assistant city attorney, shall prosecute and defend any and all actions, suits and proceedings brought or instituted by and against said city, and render to the Common Council, and the other officers and boards of said city, such other professional services connected with the affairs of said city, as may at any time be required of him by law, or by the Common Council.

Sec. 7. Section seventy-four of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 74. The commissioners of Mt. Hope cemetery shall have the care, custody and management of the cemetery, and everything in or upon the same, including the fences surrounding the same, and shall employ a superintendent and such other persons as they may deem proper, and regulate their compensation and duties, and the said commissioners, superintendent and such employes as shall be specially designated by said commissioners, shall have power and authority, respectively, to arrest any person or persons by him or them found violating in, upon or within fifty feet adjoining said cemetery, any of the penal or other ordinances, rules or regulations of said commissioners, or of the Common Council of said city, or any law or statute of this state, and to take the person or persons thus arrested before the police justice, or one of the judges of the Municipal Court of said city, to be dealt with in the same manner as if such person or persons had been arrested upon a warrant thereto, fore duly issued, or shall, after such arrest, deliver the person or persons so arrested to a member of the police department of said department of said city, whose duty it shall be to take the person or persons so arrested before said justice or judge, to be dealt with as if arrested upon a warrant, as aforesaid, and it shall be the duty of such commissioners, superintendent and employes, respectively, to enforce any and all of said laws, ordinances, rules and regulations violated at the place or places aforesaid. The said commissioners shall cause suitable maps to be made and perfected of all the grounds, roads and lots in said cemetery, and shall regulate the sales and prices of lots and interments therein, and shall make such rules and regulations for the use, protection and improvement of the cemetery, including all of the buildings, monuments, tombstones, fences and other articles in or upon the same, as they shall deem proper, but, in no case, shall such commissioners, however, charge a fee to visitors, and the violation of any of such rules and regulations shall be deemed to be a misdemeanor and punishable as such.

Sec. 8. Section seventy-seven of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended, by adding to the end thereof the following: *The said commissioners may take by any devise, bequest or grant from the owner or owners of any lot in said cemetery, or a part thereof, and shall thereafter own the same, in trust, to the extent and in the manner, and for the purpose specified in and by the deed, will or other conveyance by which the trust is created, and such lot, or part thereof, shall thereafter be forever inalienable in any manner, except as may be otherwise provided by said owner, or owners, in his or their lifetime, and the said commissioners shall thereafter permit the interment of only such person or persons, or class of persons, in such lot or portion, as may be designated by said owner or owners, in his or their said lifetime.*

Sec. 9. Section one hundred and twenty-six of chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 126. The commissioners of common schools in said city shall constitute a board to

be styled "the Board of Education of the City of Rochester," which shall be a corporate body in relation to all the powers and duties conferred upon them by virtue of this act. They shall meet on the first Monday of each and every month, and as much oftener as they shall from time to time appoint, and a majority of said board shall constitute a quorum for the transaction of business. The said board shall elect one of their number president, who shall, when present, preside at all the meetings of said board, and shall have power to call special meetings of the board, in the manner prescribed by this act for the calling of special meetings of the Common Council. In the absence of the president, the board shall elect some other member to preside at such meetings, and perform the duties of the president during such absence. No member of said Board of Education shall during the period he holds said office, be appointed to, or be competent to hold, any office of which the emoluments are paid from the city treasury, by any act or ordinance of the Board of Education, or be directly or indirectly interested in any contract, as principal, surety, or otherwise, or the furnishing of any materials or supplies for the city of Rochester, directly or by another person, the expense or consideration whereof are to be paid under any ordinance, resolution or order of the Board of Education. No member of said board shall vote for the payment of any such bill for material or supplies, after notice that any member of said board is interested therein or in the payment thereof. Any violation of this section shall be deemed a misdemeanor, and punishable as such.

Sec. 10. Subdivision six of section one hundred and twenty-nine of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 6. The amount to be raised for teachers' wages and contingent expenses in any one year shall not be less than six dollars, nor more than fourteen dollars, per capita, based on the average number of resident pupils enrolled in the several public schools of said city, for the school year ending on the first day of May next preceding the levying of the general city taxes in each year. A sworn statement of such number of pupils so enrolled shall be made by the superintendent of schools, according to the verified monthly reports of the principals of said schools. Nor shall the amount to be raised in any one year to lease, alter, improve and repair school houses and their outhouses and appurtenances exceed fifteen thousand dollars, or to purchase and improve sites and build or enlarge school houses exceed fifty thousand dollars, or for library purposes exceed three thousand dollars and the Common Council of said city are authorized and directed, when necessary, to raise by loan, in anticipation of the taxes, the amount to be raised, collected and levied as aforesaid.

Sec. 11. Section one hundred and thirty-seven of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 137. It shall be the duty of the Common Council, within fifteen days after receiving the certificate of the Board of Education, hereinbefore required, of the sum necessary or proper to be raised for school purposes, to determine and certify to said Board of Education the amount that will be raised by them for the year commencing on the first Monday of the previous April, for the purposes mentioned in said certificate, distinguishing between the amount to be raised for teachers' wages, contingent expenses, for the building of school houses, repair of school houses, and library purposes. The amount raised for school purposes shall constitute five separate and distinct funds, namely, teachers' fund, contingent fund, building fund, repair fund and library fund,

and in case the said Common Council shall neglect or fail to certify to the Board of Education as above specified the amount that will be raised by them, within thirty days, then the said Common Council shall raise the several amounts embraced in the certificate of the Board of Education, as specified therein, which amount shall be subject to the disposal of the Board of Education.

Sec. 12. Subdivision six of section one hundred and sixty-eight of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

6. Whenever any contract shall be let for any public or local improvement, the contractor shall execute to the city of Rochester a bond or undertaking, in the sum of not less than the amount of the contract, or to be fixed by the Executive Board in case the amount be indefinite, with three or more sureties, who shall be freeholders of the state of New York, each of whom shall, before being accepted, make oath and justify that he is worth the sum named in said bond or undertaking, over and above all debts and liabilities, which he owes or has incurred, and exclusive of property exempt by law from levy and sale under an execution. Or, if the said amount shall exceed ten thousand dollars, each surety may so justify to any amount not less than five thousand dollars, provided the aggregate of the amount for which the sureties so justify severally shall be, at least, the amount of the contract. Such bond or undertaking, before being accepted, shall be approved as to form, and the sureties thereof by the said Executive Board or one of the members or clerk of said board duly authorized by said board; and no contract shall be binding on the city until a bond or undertaking, so executed and approved, shall be deposited with the (mayor) said Executive Board or its Clerk, to be safely kept in the office of said Executive Board for the benefit of the parties secured thereby. Such bond or undertaking shall bind the contractor to pay, or cause to be paid, the wages and compensation of all laborers who shall be employed in work on or about such improvement, whether employed by him or any subcontractor, or employe. Actions and proceedings on such bonds or undertakings shall be brought by and in the name of the laborer or laborers claiming to be secured thereby, and separate actions may be brought by each, or any number united of such laborers, or one action by all; but the city shall not, in any manner, be liable or responsible, by reason of such bond or undertaking, or for any costs or expenses of any actions or proceedings thereon. No action shall be commenced on such bond or undertaking after six months from the time when the cause of action accrued and after the expiration of six months from the time when the whole work contracted shall be accepted by the city, the said board, an application, shall, by resolution, declare such bond or undertaking canceled and discharged, except as to actions, appeals and proceedings then pending; and such bond or undertaking shall thereupon, cease to have any binding force or effect, except as to pending cases, as aforesaid.

Sec. 13. Section one hundred and seventy-three of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 173. Whenever the Common Council shall determine to make any of the improvements in this title specified, or to obtain any lands, or rights or easements therein, for the purposes of Mt. Hope Cemetery or any other corporate purposes mentioned in this act, and that the lands of any person or corporation, or any right or easement therein, will be necessary for that purpose, they shall enter upon their minutes a resolution or ordinance declaring such determination, containing a de-

scription of the land, or right or easement, so deemed necessary; and also that part or portion of said city which said Common Council deem will be benefited by said improvement therein, they may purchase the land, or right or easement therein deemed necessary of the owner thereof, and make him such compensation as they shall judge reasonable; and, thereupon, shall receive from such owner a conveyance thereof to the city, and, for the purposes of such purchase or negotiations therefor, they may authorize the Executive Board, or commissioners of Mt. Hope Cemetery of said city to negotiate therefore, subject to the approval of said Common Council.

Sec. 14. Section one hundred and seventy-four of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 174. In case the said Common Council, Executive Board or commissioners of Mt. Hope Cemetery are unable to agree with the owner for the purchase of any real estate or lands, or right or easement therein, required for the purposes aforesaid, the said Common Council shall have the right to acquire title to the same, in the manner, and by the special proceedings prescribed in this act, and for that purpose, a map of said street, alley, square, park, cemetery or other public improvement, or right or easement desired, shall be made and filed in the office of the city clerk, and of the county clerk of the county of Monroe showing on such map the lots, tracts and parcels of land, and right or easement therein, which are deemed necessary to be taken, and the commencement, course and termination of the road, street, alley, square, cemetery or park proposed to be laid out, widened, extended or altered, or of the sewer or other work or improvement proposed to be made in or through the land so to be taken, and said Common Council may also direct the city attorney to take proceedings provided for in this act for the acquirement of the same.

Sec. 15. Section one hundred and seventy-five of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 175. The Common Council or city attorney, shall, after the filing of the map hereinbefore provided, cause to be published for ten days, in a daily newspaper published in said city, a notice specifying and describing the lands or the right or easement therein desired, necessary for the improvement or purpose hereinbefore mentioned, and the portion of the city deemed to be benefited by reason thereof, and that an application will be made to the County Court of the county of Monroe or to a Special Term of the Supreme Court, to be held in the seventh judicial district, at a time to be specified in said notice, for the appointment of commissioners to ascertain and appraise the compensation which the owners, tenants or occupants of such lands and buildings, or rights and easements therein desired, or persons interested therein to be taken, will be entitled to for the same. The Common Council, or city attorney, shall also, at least ten days before the time named for such application, cause a notice to be served on each of the owners of the premises, or rights or easements therein, to be taken, who are residents of said county, provided that the fact of such residence be known to or can, by reasonable diligence, be ascertained by said city attorney, or upon the occupants of said premises, either personally, or by leaving the same at their several places of abode, or in case no person can be found at the time of making the service residing at said place of abode with whom to leave such notice, then such notice may be served by posting the same in a conspicuous place at such place of abode, or upon the premises sought to be taken, and upon the agent of any non-resident owner, provided such agent reside in the city, and his name shall

have been entered in a book to be kept by the city clerk for that purpose, the service to be made on said agent may be personal, or in the manner provided for the service of notice upon owners or occupants aforesaid.

Sec. 16. Section one hundred and seventy-six of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 176. At the time in such notice specified, or the time to which the application may be adjourned, the said court, upon filing proof by affidavit of the publication and service of such notice, as in the last section specified, or upon sufficient reason being shown for the omission to serve such notice, and upon hearing the city, by its city attorney, or person designated by him for that purpose, and also the parties interested, if desired, shall appoint not less than three, nor more than five, commissioners of appraisal, who shall be freeholders of said city, not interested in any of the lands, rights, easements or buildings sought to be taken, nor of kin to any owner or occupant thereof. The court to which application shall have been made, as hereinbefore specified, shall also have power, at any time, to amend any defect or informality in any of the special proceedings authorized by this act, including the map and notice aforesaid, as may be necessary or proper; or to cause new parties to be served with notice, and to direct the manner of service thereof, as it deems proper, and also to appoint other commissioners in the place of any who shall die, or refuse or neglect to serve, or be incapable of serving; and such amendment may be made at any stage of the proceedings, and where the mode and manner of conducting all, or any of the proceedings to the appraisal are not expressly provided for by this act, the court before whom such proceedings may be pending, shall have the power to make all the necessary orders and give the proper directions to carry into effect the object and intent of this act; and the practice in such cases shall conform, as near as may be, to the ordinary practice in such court; and the power of amendment shall be exercised as liberally as is directed to be exercised in and by such court in actions by section seven hundred and twenty-three of the code of civil procedure. When any proceedings of appraisal shall have been commenced, no change of ownership by voluntary conveyance, or other transfer, of the real estate, or right of easement, or of any interest therein, or of the subject-matter of the appraisal, shall, in any manner affect such proceedings, or the easement made thereon, but the same may be carried on and perfected as if no such conveyance or transfer had been made.

Sec. 17. Section one hundred and seventy-seven of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 177. The said commissioners, so appointed, shall take and subscribe the oath prescribed by the twelfth article of the constitution. Any of them may issue subpoenas and administer oaths to witnesses; a majority of them may adjourn the proceedings before them from time to time, in their discretion. They shall also give public notice, by a notice published daily for ten days in at least one of the daily newspapers authorized to publish corporation notices, of the time when and the place where they shall meet to enter upon their duties. At the time appointed, or at any other time or times to which they may adjourn, they shall proceed to view the lands and premises proposed to be taken, and hear the proofs and allegations of the parties, and, after the testimony in such case is closed, they shall appraise the damages which the owner or owners, or persons interested, and if there be any occupants or tenants who may have a leasehold interest in the premises or rights or easements therein to be taken for such public improvements or purpose will severally sustain by being deprived thereof, and the compensation

which they shall severally receive therefor; the compensation awarded to any occupant or tenant aforesaid shall be deducted from the damages awarded to the owner or person interested in the land or right or easement therein desired to which the right of such occupant or tenant exists.

Sec. 18. Section one hundred and seventy-eight of said chapter one hundred and forty-three of said chapter fourteen is hereby amended so as to read as follows:

Sec. 178. Said commissioners, shall, as soon as convenient, make their report, under their hands, or a majority of them, to the Common Council of said city, in which report they shall describe, with all practicable certainty, the several pieces or parcels of land, and the premises, or rights and easements therein to be taken for such improvement, and the names and residences of the owner or owners thereof respectively, and the right of such owners, as far as can be ascertained, and the amount of the damages or compensation which should be paid to each of said owners and occupants; they shall also file duplicate copies of their report, one in the office of the city clerk and one in the office of the clerk of Monroe county. They shall be entitled to the sum of three dollars each as their compensation for each day on which they are actually and necessarily employed, and shall be entitled to the service of a clerk in taking the minutes of the testimony given before them, and keeping minutes of their proceedings, for which said clerk shall receive three dollars for each day spent by him in the business of said commission. It shall be lawful for either of said commissioners to act as such clerk, and, in that event, he shall receive the additional compensation granted to a clerk, as aforesaid, in addition to his per diem fee allowed as commissioner.

Sec. 19. Section one hundred and eighty of chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 180. If such report is not appealed from in thirty days, as hereafter provided, or whenever such report is finally confirmed, the Common Council, or the Executive Board or the city, or the commissioners of Mt. Hope Cemetery, may take the lands and premises, or rights or easements specified in the report of such commissioners, and which have been determined by the Common Council to be necessary for such improvement, on paying the amount of damages or compensation awarded to the owners or occupants thereof in such report, less the amount of any assessment made against such owner or occupant for any part of the expense of such improvement, when such assessment has been made, or depositing the same in some bank in the city of Rochester, to the credit of the person to whom the same is awarded, less such assessment, if any, as aforesaid. At any time after the confirmation of such report, the Common Council may direct that the duplicate copy thereof, filed in the office of the clerk of Monroe county, hereinbefore directed by section one hundred and seventy-eight of this act to be filed, shall be recorded at full length in said clerk's office, and said Common Council may also direct that any report of commissioners of appraisal in any proceedings instituted for the acquirement of lands in the city of Rochester, heretofore filed in said Monroe county clerk's office, or a certified copy thereof, shall be recorded at length in said clerk's office, the same effect as if such proceedings had been instituted, or report made and filed after the amendment of this section.

Sec. 20. Section one hundred and eighty-two of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 182. When any damages shall be awarded, and any assessment for benefits of the improvements, in respect to which such damages are awarded shall be made upon the same person or persons, or in respect to the ownership of any parcel of land, a part of which, or a

right or easement therein, shall be taken for such improvement, in that case the said city of Rochester shall become vested with the title to such land, or right or easement therein, so taken, free from any and all liens and incumbrances of every kind and nature, upon paying or depositing, or directing the depositing, according to the provisions of this act, the excess of the amount so awarded, over and above the amount so assessed, and in case the amount so awarded is less than the amount assessed, then upon the confirmation of the assessment-roll containing the application of such award, upon such assessment. Any and all lands acquired by the city of Rochester for any purpose under the provisions of this act, shall be deemed to be acquired for public use.

Sec. 21. Section one hundred and eighty-seven of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 187. The said court shall consider the said appeal, and examine all questions of law, or of fact, that may be involved therein, and shall give the same a preference over other cases, and shall confirm or annul such report, as the said court shall deem just. In case of annulling said report, the said court may direct a re-hearing before the same, or other commissioners, to be appointed by it, and, in such case, the same proceedings shall be had in such re-hearing, and for the examination, correction and review of any subsequent report, as is hereinbefore provided. The said court may direct that any other party besides said appellant and said city be heard before the decision of such appeal, when it shall appear that such party has any interest to be affected by the determination of said court.

Sec. 22. Section one hundred and ninety-seven of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 197. When it shall be known to, or discovered by the Common Council, or city attorney, at any stage of the proceedings, before the said report is confirmed by said Common Council, that the owner of any real estate or building appropriated, or right or easement therein making any of the improvements herein provided for, is an infant, a guardian for him shall be appointed by the court in which such proceedings are had, to act for such infant in the premises, which guardian shall be a responsible person, approved by any judge of said court. It shall be the duty of the court to appoint such guardian on the application of the mayor or attorney of the city, or of the infant, or of some person acting in his or her behalf, and which guardian, when so appointed, shall see that the rights of such infant or infants are protected, and if the report of the commissioners has then been made, they shall re-convene and proceed to hear the allegations and proofs of the parties concerning the property or interest of said infant affected by said proceeding, and make a supplemental report in the foregoing manner concerning the same.

Sec. 23. Section two hundred and twenty of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 220. For the purpose of guarding against the calamities of fire, the Common Council may, from time to time, by ordinance, designate such portions and parts of the said city as they shall think proper, within which no buildings of wood shall be erected, and may regulate the erection and placing of such buildings within such portions and parts, and the size and materials thereof, and the size and construction of the chimneys therein; the thickness of the walls thereof; the kind of mortar or cement used in the construction of such walls; the distance at which party walls shall be placed in such buildings; the materials

of which they shall be constructed, and may require iron shutters to be placed upon the outer doors and windows of buildings already constructed or placed, and upon such as shall be hereafter constructed or placed, and every person who shall violate any such ordinance or regulation shall forfeit to the city the sum of not less than fifty dollars, and not more than two hundred and fifty dollars, the amount to be in the discretion of the trial court, judge or justice, as is provided by section forty-three of this act, and every building erected, removed or placed contrary to such ordinance, is hereby declared to be a common nuisance, and may be abated and removed, as such, by the Common Council. The said Common Council may also inspect, or cause to be inspected, by an officer of said city, or by any person to be appointed by said Common Council for that purpose, any building erected, or in process of erection, or removal or placing, to see that the same corresponds to such ordinance or regulation, said Common Council, officer or person shall have authority, at all reasonable hours, to enter upon any premises to make such inspection, and may arrest and put a stop to the erection, removal or placing of any building in process of erection, removal or placing, which shall not conform to such ordinance or regulation, until the same shall be conformed thereto, and, for this purpose, may employ the police force of said city.

Sec. 24. Section two hundred and forty-nine of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended by adding to the end thereof the following: Whenever any judgment of said court has been, at any time heretofore, or shall be at any time hereafter, filed and docketed in the office of the Clerk of Monroe county, the said judgment shall become a judgment of the County Court of Monroe county, and any suit, act-on or proceeding thereon may be had, taken or instituted at any time within twenty years from the rendition of said judgment by said Municipal Court, the same as if said judgment had been rendered by said County Court.

Sec. 25. Section two hundred and sixty-six of said chapter one hundred and forty-three, as amended by chapter fourteen, is hereby amended so as to read as follows:

Sec. 267. Upon any criminal warrant, duly issued by one of the judges of the Municipal Court, or by the police justice, or any person legally acting in his stead, any peace officer, including any member of the police department authorized to serve the same, may execute such warrant in any part of this state, without further indorsement or warrant. The police clerk is hereby authorized to administer the oath, upon application for a warrant, issuable from the police court, or by the police justice, or any person legally acting in his stead.

Sec. 26. Section two hundred and sixty-eight of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 268. The Board of Health shall have power, from time to time, to appoint and remove at pleasure, a clerk, and fix his salary, to be paid out of the health fund, whose duty it shall be to attend the meetings of said Board, and keep a record of its proceedings, and such record, or a duly certified copy of the same, or any part thereof, shall be prima facie evidence of the facts therein contained in any court, or before any officer. The number of health inspectors, and their salaries, shall be determined by the Board of Health.

Sec. 27. Section two hundred and eighty-one of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended, by adding thereto, the following: Any and all contracts, agreements, bonds or undertakings, made with, or given to, said city, at any time heretofore, or hereafter, shall, when duly acknowledged, be recorded by the Monroe County

Clerk in his office, and a copy thereof so recorded, certified by said County Clerk, shall be as good evidence in all courts and places as the original contract agreement, bond or undertaking, which shall be safely kept by the mayor, clerk, or other officer of said city having lawful custody thereof, after being recorded, as aforesaid.

Sec. 28. This act shall take effect immediately.

REPORTS OF STANDING COMMITTEES.

By Ald. Shelter—
To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your Committee on Support and relief of the Poor, to whom was referred the communication from the Excise Commissioners in reference to refunding to Sabineo Williams \$54, which was received for a license granted October 22, 1891, to one Frank Williams, would respectfully report that they have made a thorough investigation, and find that Sabineo Williams came here from Buffalo with a man by the name of Frank Bocard, and he started a saloon on North Clinton street, and it was conducted by Frank Bocard, in the name of Frank Williams, for a little over three weeks; that he left for parts unknown to your committee. Frank Bocard is the man that took out the license in the name of Frank Williams.

Your committee are informed that Frank Williams has been dead about two years, and Mrs. Sabineo Williams admitted to Detective Duke- low that she was never married to this man Bocard.

In view of all these facts, we do not see how Mrs. Sabineo Williams has any claim for a rebate on the license that was granted to Frank Bocard in the name of Frank Williams.

Your committee would, therefore, recommend that the request be denied.

Respectfully submitted,

HENRY SHELTER,
M. B. ADAMS,
S. D. W. CLEVELAND,
JULIUS WURTZ.

Committee on Support and Relief of the Poor.

Ordered received, filed and published.

By Ald. Shelter—Resolved, That the application of Sabineo Williams, as recommended by the Excise Commissioners, for a rebate of \$54 on license granted October 21, 1891, to Frank Williams, be, and the same hereby is, denied.

Adopted.

Ald. Rauber, from the Sewer Committee, reported progress in the matter of the South Goodman street sewer and asked for further time which was granted.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your Law Committee begs leave to make the following report:

In the matter of the application for appointment as Commissioners of Deeds of Sidney B. Perkins, Charles P. Meade, James M. Bruff, Emory D. Watters, Patrick McIntyre, Henry M. Brandt, Clarence E. Shuster, Henry C. White, Mott H. Palmer, Tillie Hartman, A. L. Monroe, Charles K. Sarver, A. F. Phillips, H. G. Candee and James Tanner, we recommend that the same be granted, and that said persons be elected as such Commissioners of Deeds.

In the matter of the applications for appointment as Commissioners of William M. Smith, Minnie G. Frazer, William L. Dobbin, George L. Smith, William S. Foster, Julius W. Kohler, Edwin McKnight, William Rosenbauer, Edwin E. Shutt, Christopher Gaffin, Michael McMullen, John H. Keef, Thomas G. Young and Frederick A. Da Lee, we find that said parties were elected by this Common Council, and whose term of office will not expire until January 1, 1893, and we, therefore, recommend that said applications be denied.

In the matter of the application of Ida Thistlewaite, we find that she is a non-resident of the city of Rochester, and therefore, not eligible to

the position, and we therefore, recommend that the application be denied.

Respectfully submitted,

MERRON E. LEWIS,
HENRY G. COOK,
MARTIN J. CALIHAN,
Law Committee.

Ordered received filed and published.

By Ald. Lewis:

Resolved, That the applications for appointment as Commissioners of Deeds of the following persons be, and the same hereby are denied: William M. Smith, Minnie G. Frazer, William L. Dobbin, George L. Smith, William S. Foster, Julius W. Kohler, Edwin McKnight, William Rosenbauer, Edwin E. Shutt, Christopher Gaffin, Michael McMullen, John H. Keef, Thomas G. Young, Frederick A. Da Lee and Ida Thistlewaite, the terms of office of the foregoing named persons not expiring until January 1, 1893, except that Ida Thistlewaite is a non-resident.

Adopted.

ROCHESTER, N. Y., Dec. 29, 1891.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your Wood Building Committee and Fire Marshal beg leave to make the following report:

During the month of December we have granted the following persons permission to build wooden buildings in the city of Rochester: Sarah R. A. Dolley, Fifth ward; P. F. Rauber, Eighth ward; Florence Mahoney, Eighth ward; Blanche E. Crafts, Ninth ward; Edward Raisner, Eleventh ward; A. Field, Eleventh ward; Moritz Blum, Thirteenth ward; Henry W. Latz, Tenth ward; Nicholas Hanna, Tenth ward; Oscar Trost, Fifth ward, permission granted with the understanding that said building will be removed on or before April 1, 1892; Emma A. Linscott, Seventh ward; Harriet E. Fletcher, Eighth ward; Nellie P. Matthews, Eighth ward; Charles E. Rider, Tenth ward; A. L. Meyer, Tenth ward, house only, no barn; Herbert G. Miller, Sixteenth ward; D. J. and J. A. Lusink, Sixteenth ward; J. C. De Neve, Sixteenth ward; Andrew Herdfelder, Fourteenth ward; Joseph Ward, Seventh ward; J. P. Kislbury, Eighth ward; M. O. Connor, Ninth ward.

Your Wood Building Committee and Fire Marshal have also granted Laura J. McCord permission to move a wooden building in the Fifteenth ward from Lake avenue to Flower City Park.

Respectfully submitted,

JOSEPH BIERBRAUER,
MARTIN J. CALIHAN,
C. W. ZIMMER,
STEPHEN RAUBER,
L. BOHRER,

Committee,

Ordered received filed and published.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS.

MAYOR'S OFFICE,
ROCHESTER, N. Y., Dec. 9, 1891.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: I herewith return without approval Final Ordinance No. 4,558, adopted at your last meeting, for the construction of a flag walk on South St. Paul street, from Main street to Court street. Several of the large property owners on South St. Paul street have appeared before me in objection to the approval of this ordinance. It appears from their statements and from the remonstrance published in your proceedings, that no petition for the adoption of this ordinance has been presented to your honorable body and that none of the property owners on the street have asked for this improvement. The remonstrance represents nine-tenths of the frontage on South St. Paul street to be assessed for the proposed improvement. It also appears that the property owners on the street have, within a recent period, been obliged to pay heavy assessments

for pavement and sewers, both in front of their property and in the rear.

In view of the foregoing facts it is evident that this ordinance should not stand unless the public interest clearly requires it. It appears that the sidewalk as at present laid along the east side of South St. Paul street is, in places, constructed of flag the entire width, in other cases partly of flag and partly brick, and in still others entirely of brick. I am informed that that portion of the brick walk lying between Main street and Ely street has been recently relaid under the direction of Mr. Moore, one of the sidewalk inspectors appointed by the Executive Board, and that it is now pronounced by him to be in good condition. As to this portion of the walk, therefore, there is clearly no public need of the proposed improvement at the present time.

As to that portion of the sidewalk lying between Ely and Court streets, I am convinced, from the statements made to me, that with a small expenditure for repairs where needed, the present sidewalk can be put in good condition and be made serviceable for some time to come. I understand, also, that negotiations are pending for the construction of a large block upon a portion of the property to be assessed, and that if the block should be constructed it would necessitate the tearing up of the walk if laid under the proposed ordinance.

For the foregoing reasons I return the said ordinance disapproved.

WILLIAM CARROLL, Mayor.

(Ald. Shelter in the chair.)

The President stated the question to be, shall the resolution stand notwithstanding the objections of His Honor the Mayor.

Ald. Lewis moved that the veto lie upon the table for two weeks and that the City Attorney be requested to give his opinion as to whether action on the Mayor's veto would render the ordinance void if not taken at the next meeting after the veto had been sent to the Common Council.

Adopted.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, Dec. 29, 1891.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: I am directed by the Executive Board to request your Honorable Body to instruct the City Surveyor to draft sprinkling ordinances for all streets sprinkled last year, and also to prepare ordinances for sweeping the several asphalt improvements now laid in the city.

The Executive Board recommends that the ordinances for sprinkling and sweeping be adopted at an early date, to the end that the work may be begun when the necessity for it exists.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ald. Wurtz moved that the Surveyor prepare ordinances in accordance with the communication of the Executive Board.

Adopted.

By the Clerk—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Pursuant to a resolution, adopted at a meeting of the Common Council, December 15th, directing me to report to this Common Council the status of Final Ordinance No. 4357, for Alexander street bridge approaches, passed March 10, 1891, I beg leave to make the following report:

It is necessary, before said bridge be constructed, that it be definitely fixed where the approaches are to be, and the street laid out for such approaches. Pursuant to this ordinance, No. 5352, was passed on February 10, 1891, and, as the Executive Board could not agree upon the price with the owners of the property, a commission was appointed by the County Court on July 20, 1891, and the commissioners appointed

made and filed their report to the Common Council on the 4th day of November, 1891, which report was confirmed on the 17th day of November, 1891; that, on the thirtieth day after the report was confirmed, December 17th, 1891, being the last day to appeal, Frank P. Crouch, one of the owners of the property, appealed from the report to the General Term of the Supreme Court, which appeal is still pending. Until that appeal is disposed of the city cannot take possession of the property condemned for the purpose of making the approaches. I am assured by the First Assistant City Attorney, who has had the matter in charge, that this appeal will be argued at the next General Term, to be held in March, and, upon the decision of this appeal, the work upon the bridge can be begun, pursuant to Final Ordinance No. 4267. The cost of the bridge, it is well understood, is to be paid by moneys received by the issue of bonds for that purpose.

Respectfully submitted,

OSCAR H. PEACOCK, City Surveyor.

Ordered received, filed and published.

CITY CLERK'S OFFICE,
ROCHESTER, Dec. 29, 1891.

To the Honorable, the Common Council of the city of Rochester.

GENTLEMEN: I hereby report that I have registered 2447 bicycles, at thirty-five cents each, amounting to \$856.45; also 30 cents for transferring three bicycles, making a total of \$856.75; that said moneys have been deposited with the City Treasurer and receipts taken for the same, which are hereto annexed. No money remaining in my hands to date.

Respectfully,

PETER SHERIDAN, City Clerk.

Referred to the Contingent Expense Committee.

To the Board of Education:

GENTLEMEN: Your Special Committee appointed by resolution adopted by this Board, November 2, 1891 (page 86, of the official proceedings), upon the expediency of the employment of a capable person whose duty it shall be to superintend the erection of all school buildings, and all repairs made to the same, or upon the grounds thereof, and who shall order all supplies used by this Board, would respectfully report as follows:

We would recommend that the Honorable, the Common Council, be asked to favor the passage of charter amendments, creating the offices of a general City Auditor, and a purchasing department for all the several city departments.

In the meantime, providing that such charter amendments are not enacted, then that this Board be authorized to create and maintain the office of Purchasing Agent, the duties of which office are more clearly defined in the proposed amended section of the charter attached hereto.

We believe that a capable and honest person, holding so important a position, will easily save the salary which he may receive, and save the taxpayers a surplus besides, from the fact that acting in the capacity of Superintendent of Buildings and Repairs, the Board naturally can dispense with the services of architects, so far as the superintendence of the same is concerned and the fees for which will materially assist in paying part of such an officer's salary, to say nothing of the weighing of hard coal, and the measuring of charcoal, which two items alone cost this Board, for this fiscal year, the sum of \$422.35.

Although not authorized by your Board to examine into matters pertaining to the Central Library, the subject was discussed in committee, and it was deemed advisable to recommend to this Board that it also ask the Common Council to favor the passage of an amendment to the city charter providing for the raising of

a sum of money not exceeding \$3,000 annually for library purposes. We do this with the knowledge of facts at hand and public showing the need of such a course if we will continue to allow the masses to utilize a library originally intended for the use of the teachers and scholars of our public schools, and which at present has over 15,000 patrons. The amount of money received for its maintenance is clearly inadequate to meet the demands of the public.

It is, therefore, that your committee has prepared the following:

Resolved, That this Board requests the Common Council to favor the passage of charter amendments creating and continuing the office of a general City Auditor, and a purchasing department in general for all the several city departments, and that section 126 of the present city charter be amended so as to read as follows:

Section 126—The Commissioners of common schools in said city shall constitute a board to be called "The Board of Education of the City of Rochester," which shall be a corporate body in relation to all the powers and duties conferred upon them by virtue of this act. They shall meet on the first Monday of each and every month and as much oftener as they shall from time to time appoint, and a majority of said board shall constitute a quorum for the transaction of business. The said board shall elect one of their number president, who shall, when present, preside at all meetings of said board and shall have the power to call special meetings of the Common Council. In the absence of the president, the board shall appoint some other member to preside at such meetings and perform the duties of president. No member of said Board of Education shall, during the period he holds said office, be appointed to or be competent to hold any office of which the emoluments are paid from the city treasury by any act or ordinance of the Board of Education, or be directly or indirectly interested in any contract as principal, surety or otherwise, or the furnishing of any materials or supplies or supplies for the city of Rochester, directly or by another person, the expenses or consideration whereof, are to be paid under any order, ordinance or resolution of the Board of Education. No member of said board shall vote for the payment of any such bill of materials or supplies after notice that any member of said board is interested therein, or in payment thereof. Any violation of this section shall be deemed a misdemeanor and punishable as such.

Also, that section 128 of said charter be amended so as to read as follows:

Section 128—The said commissioners may appoint a policeman who shall have the same powers as other policemen of said city, and who shall perform such duties as said Board of Education may impose. The said commissioners may also appoint a purchasing agent, whose duty it shall be to superintend the construction of school buildings, and also superintend the repairs made to the different school-houses under the direction of said board. It shall be his duty to see that the various amounts of hard and charcoal contracted for by said board shall be delivered to the different school-houses, and he shall give his receipt therefor upon the delivery of the same. He shall purchase all supplies (other than those already provided for under section 131) used by the aforesaid Board of Education, and shall perform such other duties as the said board may from time to time direct. The aforesaid policeman and purchasing agent shall hold their respective offices during the pleasure of said Board of Education, and their salaries shall be fixed and paid by the aforesaid board from the funds raised for its use for that purpose.

Also, that the following amendment be added to section 129 of the city charter, subdivision

7. To expend annually a sum of money not exceeding \$3,000 for library purposes. All of which is respectfully submitted.

4,486.	South York St. Pipe Sewer.....	1,475 98
4,509.	Hume St. Pipe Sewer.....	1,056 98

And it is further determined that the taxpayers to be assessed for making the foregoing improvements must pay their assessments within thirty days from the first publication of the advertisement of the notice of the Assessment Roll by the City Treasurer.

And it is further determined that the taxpayers to be assessed for making the following improvements, viz:

Ord.	Improvement.	Expense.
4,425.	North St. Medina Impt.....	\$ 39,412 49
4,476.	St. Joseph St. Medina Impt.....	19,020 12
4,366.	Edinburgh St. Medina Impt.....	4,289 10

4,429.	West Champlain St. pipe sewer.....	2,325 60

May pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer;

one-third within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed at the rate of six per cent. per annum.

And it is further determined that the tax-payers to be assessed for making the following improvement, viz.:

<i>Ord.</i>	<i>Improvement.</i>	<i>Expense.</i>
4,477.	Conkey avenue Asphalt Impt....	33,099 90
4,427.	Bay St. Medina Impt.....	73,557 37

May pay their assessments in five annual assessments as follows:

One-fifth within thirty days of the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-fifth within one year from the confirmation of said roll; one-fifth within two years from the confirmation of said roll, and the remaining one-fifth within four years from the confirmation of said roll.

And the Assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, then such two, are hereby directed to make assessments upon all the lots and parcels of land within the portions or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements shall be deemed to receive by the making of the respective improvements.

ACTION ON ORDINANCES.
FIRST ORDINANCE.

PLANK WALK ON CLIFFORD STREET.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on Clifford street.

Adopted.

The Surveyor submitted as such estimate, \$475.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz.:

The construction of a pine plank walk, 4 feet and 8 inches in width, on each side of Clifford street, from North avenue to Miller street; also the necessary sidewalk grading and crosswalks.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$475, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense, thereof, viz.:

One tier of lots and parcels of land on each side of Clifford street, from North avenue to Miller street, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Wurtz—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7 o'clock P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser notice thereof as is required and in the manner specified by Section 172 of the City Charter.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,
 ROCHESTER, N. Y., Dec. 29, 1891.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Agreeably to your direction, heretofore given in reference to contemplated improvements to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the City of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your Honorable Body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, Dec. 29, 1891, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvements. Respectfully,

PETER SHERIDAN, Clerk.

The final ordinance for a Medina or granite block stone pavement on State street, was on motion of Ald. Tracy postponed four weeks.

The Medina or granite block pavement on Main street was on motion of Ald. Wurtz, postponed four weeks.

PINAL ORDINANCE No. 4,567.

PIPE SEWER IN MAGNOLIA STREET.

On motion of Alderman Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a pipe sewer on in Magnolia street from the outlet sewer crossing said street to near Seward street.

Alds. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

Sidney B. Perkins, Charles P. Mead, James M. Bruft, Emory D. Watters, Patrick McIntyre, Henry M. Brandt, Clarence E. Shuster, Henry C. White, Mott H. Palmer, Tillie Hartman, A. L. Monroe, Charles K. Sarver, A. T. Phillips, H. G. Candee and James Tanner having received the concurrent vote of the Common Council, were appointed Commissioners of Deeds.

MISCELLANEOUS BUSINESS.

By Ald. McMillan—Resolved, That the Lamp Committee be authorized to erect an electric light on Waverly Place.

Referred to the Lamp Committee and City Surveyor.

By Ald. Zimmer—

Petition of G. H. Reynolds for petition to erect a wood building. Petition granted.

By Ald. Zimmer—Resolved, That the Clerk draw an order upon the Treasurer, payable from the Contingent Fund, in favor of the following named parties, and for the sum and purposes, viz: George L. Mattison for \$10.40, for serving notice of application for appointment of Commissioners of Appraisal, and for \$6.05 for amounts expended by him for fees for witnesses, and the charges and fees for subpoenaing the same in the matter of opening a street from Meigs street to Averill avenue, in the City of Rochester, under Final Ordinance No. 4448, and that the Treasurer pay said several sums from the Contingent Fund, and charge and carry said sums to the fund for opening of said street, when created.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Ald. Zimmer (amendment)—The Common Council may appoint and remove at pleasure and fix salaries, to be paid from Contingent Fund, one meat inspector, and the person so appointed must have at least five years' experience in the meat business, whose duty it shall be to inspect all kinds of meats, fish, poultry, etc. Also one milk inspector, to be appointed under the above rules, whose duty it shall be to test and inspect milk, vegetables, fruits and provisions of all kinds. The above mentioned office holders shall be under the directions of the Board of Health and Common Council.

Sec. 5. Subdivision nineteen of section forty of said chapter one hundred and forty-three, as amended by said chapter fourteen, is hereby amended so as to read as follows:

Sec. 19. To establish order and regulate markets: to regulate the vending of food, coal and other fuel, meats, vegetables, fruits, fish, poultry, milk and provisions of all kinds, and to prescribe the time and place for selling the same, and for ascertaining the weight or other quality thereof, and to prescribe the fees to be paid for licenses for the sale of the aforesaid commodities, such license fees not to exceed fifty dollars from any person so licensed, except that a license fee not exceeding thirty dollars for a wagon drawn by two horses and not exceeding twenty-five dollars for a wagon drawn by one horse, may be exacted, and to prevent the sale or exposure for sale of unwholesome, diseased, impure or adulterated meats, vegetables, fruit, fish, poultry, milk and food and provisions of all kinds, sold or offered for sale, whenever the sale thereof is regulated by ordinance, for the purpose, and to prevent the

sale or exposure for sale of all the aforesaid unwholesome, diseased, impure or adulterated commodities, and any of such commodities not of the standard or character fixed by any statute now or hereafter passed, before being offered or exposed for sale, but provided that nothing therein contained shall authorize the Common Council to prevent the sale of fresh and wholesome meats by the quarter, within the limits of said city, by farmers who have raised and fattened the same upon their own farms.

Laid on the table two weeks.

By Ald. Rauber—

To the Common Council of the City of Rochester:

The undersigned, being persons liable to be assessed for the opening, improvement and working of streets in the city of Rochester, make application to your Honorable body to alter Gas street and that part of Lowell street west of North St. Paul street in said city, by laying out a street from the north line of Vincent street to the north line of Lowell street, so as to extend Gas street to Vincent street at a width of fifty (50) feet on Vincent street; the easterly side of such extension to be bounded by a line from the northeasterly corner of Gas street and Lowell streets, to a point in the northerly line of Vincent street two hundred and sixty-three and seven-tenths (263 7-10) feet from its intersection with the westerly line of North St. Paul street, and by discontinuing that part of Lowell street between North St. Paul street and the said easterly line of said extension of Gas street.

Your petitioners, John J. Bausch and Henry Lomb, who are the owners in fee of the said portion of Lowell street, and of all the land abutting upon the same, hereby offer in consideration of the granting of the said petition, to consent to the laying out of said street over their said land without compensation, and also offer to improve the same, under the direction of the Executive Board of said city.

The other petitioners herein own real estate, access to which is had through Gas street.

Dated this — day of December, 1891.

On motion of Ald. Rauber, referred to the Executive Board to report back to this Council as speedily as possible.

Ald. McMillan in the Chair.

By Ald. Cleveland—Resolved, That the City Treasurer be, and he hereby is authorized and directed to make the note of the City of Rochester for \$25,000, and procure the same to be discounted, and to credit the proceeds thereof to the Contingent Fund, said note to be countersigned by the Chairman of the Finance Committee, and discounted under the direction of that Committee under the authority of Section 81 of the city charter.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Cleveland, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

By Ald. Cook—Petition of John Gibbons to have money refunded, referred to the Law Committee.

By Ald. Cook—Resolved, That the action taken upon the resolution passed December 15, 1891, in the matter of the re-assessment of East Main Street Stone Sewer under ordinance No. 4174, and published at page 332 of the current pro-

ceedings of the Common Council, be, and the same hereby is reconsidered.

Adopted.
By Ald. Cook—Resolved, That action upon the resolution for the re-assessment of East Main Street Sewer under ordinance No. 4174, published at page 332, current proceedings be, and the same hereby is, postponed two weeks.

Adopted.
By Ald. Fox—Petition of Mary E. Wunder for permission to move a wood building. Petition granted.

By Ald. Lewis—Petition of Harriet M. Babcock for rebate of interest.

Referred to the Assessment Committee.
By Ald. Lewis—Resolved, That the City Attorney be, and hereby is, authorized to institute summary proceedings to remove any and all persons occupying property now owned by the city and taken for the extension of Baldwin street, and that he be authorized to sign all papers and take the steps necessary therefor.

Adopted.
By Ald. Lewis—Resolved, That the City of Rochester does hereby accept the dedication and conveyance by William Likly and wife, of Cleveland, Ohio, of a strip of land, being the westerly three-foot strip of lot 300 of the Rochester Co-operative Building Lot Association, fronting on Avenue A, and to be at all times used as a part of the street to be opened from said Avenue A to Clifford street in said city under Final Ordinance No. 4127, and intended to be called and known as Both Park.

Adopted.
By Alderman Lewis—Whereas, Mr. John Bower, in a recent communication to the Secretary of the Chamber of Commerce, stated that every proposition heretofore made looking toward a revision of the City Charter of this city, had met with the violent opposition of the Common Council of this city, and, whereas this Common Council is unwilling that this state ent should be made in reference to it, therefore,

Resolved, That this Common Council hereby expresses its sympathy with the movement to procure a revision of the City Charter, and pledges itself to co-operate with any committee of citizens, or any public body having for its object a revision of the City Charter, and to do all in its power to secure a revision of such charter, at the earliest possible date.

Adopted.
By Ald. Lewis—
To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: The undersigned citizens and tax ayers of the city of Rochester think the time has come when our city should have the benefit of a new charter based on the same general principle as the charters adopted by the cities of Brooklyn, Albany, Buffalo, Philadelphia, Boston and other cities of the country. Wherever the new system has been tried it has given general satisfaction to all parties, and we think that it would be a great boon to our city to secure, as soon as possible, a new charter adapted to its needs and in harmony with the ideas of municipal government now prevailing among the leading citizens, statesmen and scholars of the country.

We, therefore, respectfully request your Honorable Body to take such steps as may be necessary to secure the construction and adoption of a new charter for our city government.

By Ald. Rauber—

To the Honorable, the Common Council of the City of Rochester.

GENTLEMEN: Your Sewer Committee begs leave to report, that it has considered the matter of the remonstrance against the adoption of the ordinance for South Goodman street pipe sewer, presented to your honorable body November 17, 1891, which remonstrance was referred to your Sewer Committee and the Executive Board, and we recommend that said ordinance be indefinitely postponed, on the ground that Caroline street sewer, into which it is proposed to turn the South Goodman street sewer, is not of sufficient capacity to accommodate the increased drainage area.

Respectfully submitted.

STEPHEN RAUBER,
JOSEPH BIERBRAUER,
M. B. ADAMS,
Sewer Committee.

Dated, Rochester, N. Y., Dec. 29, 1891.
Ordered received, filed and published.

By Ald. Cook—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your assessment Committee begs leave to make the following report:

Petition of Elizabeth Gaffney to have canceled an assessment on the rear eight feet of lots Nos. 23 and 24, Section B. of the Whitney tract; said assessments were numbers 3,560, 3,882 and 3,915, was duly considered by your committee, and we recommend that your petitioner be allowed to pay \$1.50, in full of the payment of the assessments on said eight feet.

Petition of the Young Men's Christian Association for permission to pay the general city tax of 1891, amounting to \$1,596.72, without interest, if paid on or before January 15, 1892, was duly considered by your committee, and we recommend that the petition be granted.

Petition of Marvin E. Otis to have canceled the personal tax of 1887, amounting to \$33.79, was duly considered by your committee, and we recommend that the same be granted.

Petition of J. C. Bowen was duly considered, praying for an extension to February 1st, 1892, in which to pay the assessment at six per cent interest, for the Klinck street grading, and your committee recommends that the petition be granted.

Petition of L. J. Roberts to have canceled an alleged erroneous assessment against lot No. 58, south side of College avenue, for the making of the Goodman street sewer extension, was duly considered by your committee, and we recommend that \$62.04 of said assessment be canceled, and, upon payment of \$11.88, the whole of said assessment on lot No. 8 be canceled,

Petition of Sarah E. Doyle to have canceled an assessment of \$50.71 against lot No. 47, south side of Locust street, for the making of the Thrush and Locust streets sewer, was duly considered by your committee, and, it appearing that said lot is not benefited by said sewer, we recommend that the petition be granted.

Petition of Ira L. Otis to have canceled an alleged erroneous assessment for the Goodman street outlet sewer, amounting to \$40.92, against lot No. 33, east side of Alexander street, was duly considered by your committee, and, as said sewer does not benefit said lot, we recommend that the petition be granted.

Petition of Simon and Louis Boher to have canceled an alleged erroneous assessment for the Clifford street outlet sewer, amounting to \$51.60, against lot No. 8, south side of Lochner street, was duly considered by your committee, and, as said lot is not benefited by said sewer, we recommend that the petition be granted.

All of which is respectfully submitted.

Adopted.

By Ald. Cook—Resolved, That the City Treasurer be, and hereby is, authorized to receive from the Young Men's Christian Association fifteen hundred and ninety-six dollars and seven-two cents (\$1596.72) with out interest, in full satisfaction of the general city tax of 1891, on the property of said association, corner of South St. Paul and Court streets.

Adopted.

By Ald. Cook—Resolved, what the personal tax of 1887, amounting to thirty-three dollars and seventy-nine cents (\$33.79), assessed against Marvin E. Otis, be, and the same hereby is, cancelled, and the Treasurer is hereby directed to charge the amount thereof, to wit: \$33.79, to erroneous assessments.

Adopted.

By Ald. Cook—Resolved, That the time in which J. C. Bowen may pay his assessment together with interest at the rate of 6 per cent. for the grading of Klinck street, be, and hereby is, extended to February 1, 1892.

Adopted.

By Ald. Cook—Resolved, That the City Treasurer be, and hereby is, authorized to receive from L. J. Roberts the sum of eleven dollars and eighty-eight cents (\$11.88), in full satisfaction of the assessment against lot No. 58, south side of College avenue, for the construction of the Goodman street sewer extension, and, upon payment of said sum, to wit: Eleven dollars and eighty-eight cents (\$11.88), the City Treasurer be, and hereby is, authorized to cancel said assessment, and charge the balance of said assessment, to wit: sixty-two dollars and four cents (\$62.04), to erroneous assessments.

Adopted.

By Ald. Cook—Resolved, That the City Treasurer be, and hereby is, authorized to cancel an assessment, amounting to fifty dollars and seventy-one cents (\$50.71), against lot No. 47, south side of Locust street, owned by Sarah E. Adopted.

By Ald. Cook—Resolved, That the city treasurer be, and he hereby is, authorized to cancel an assessment, amounting to forty dollars and nine

ty-two cents (\$40.92), against lot No. 39, east side of Alexander street, owned by Ira L. Otis, for the making of the Goodgan street outlet sewer, and charge the amount of said assessment to erroneous assessments.

Adopted.

By Ald. Cook—Resolved, That the city treasurer be, and he hereby is, authorized to cancel an assessment, amounting to fifty-one dollars and sixty cents, (\$51.60), against lot No. 8, south side of Lochner street, owned by Simon and Louis Bohrer, for the making of the Clifford street outlet sewer, and charge the amount of said assessment to erroneous assessments.

Adopted.

By Ald. Lewis—

To the Honorable the Common Council of the City of Rochester:

Gentlemen: Your Law Committee makes the following report:

The application of Albert T. Widmer for appointment as Commissioner of Deeds, referred to this Committee, has been duly considered, and we recommend that said application be granted.

In the matter of the applications of James H. Doty, August W. Nunn, Samuel M. Truesdale, William S. Briggs, Stephen C. Truesdale, James M. Niven, we find that such parties were elected by this Council, and whose term of office does not expire until December 31, 1892, and we, therefore, recommend that said applications be denied.

In the matter of the judgment recovered by John Paine against the city, amounting to \$272.42 and interest, damages and \$77.50, interest and costs, we recommend that the same be paid.

In the matter of the judgments recovered for costs by Fred P. Wilcox against the city, we recommend that said judgments, including interest, amounting to \$383.34 be paid.

All of which is respectfully submitted.

MERTON E. LEWIS,
HENRY G. COOK,
MARTIN J. CALIHAN,
Law Committee.

Ordered received, filed and published.

By Ald. Lewis—

Resolved, That upon the delivery and filing with the city attorney proper satisfactions of judgments in the case of John Paine against the city of Rochester, the city clerk be, and he hereby is, directed to draw an order on the city treasurer, payable to the order of plaintiff, or his attorneys, for three hundred and forty-nine dollars and ninety-two cents (\$349.92), together with interest on \$272.42 from the 2d day of April, 1890, and on \$77.50, from August 17, 1891, amounting in all to \$394.64, and the city treasurer is hereby directed to charge said amount to the contingent fund.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—13.

By Ald. Lewis—

Resolved, That upon the delivery and filing with the city attorney of proper satisfactions of judgments in the case of Fred P. Wilcox against the city of Rochester, the city clerk be, and he hereby is, directed to draw an order upon the city treasurer, payable to the order of plaintiff, or his attorneys, for three hundred and thirty-nine dollars and ninety-six cents (\$339.96), together with interest on \$159.48 from June 21, 1888, and on \$79.28, from March 15, 1890, and on \$101.70, from December 28, 1891, amounting, in all, to three hundred and eighty-three dollars and thirty-four cents (\$383.34), and the city treasurer is hereby directed to charge said amount to the contingent fund.

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—13.

By Ald. Lewis—Resolved, That the treasurer be and he hereby is directed to cancel the tax of 1884 against Fred P. Wilcox, on property in the Seventh ward, except the sum of \$45, that the

balance of said tax be charged to erroneous assessments and that upon the payment to him of said \$45.11 he cancel the sale of said property and the certificate of said sale.

Adopted.

REPORTS OF SELECT COMMITTEES,

Rochester, N. Y., Jan. 12, 1892.

To the Honorable, the Common Council of the City of Rochester.

GENTLEMEN: Your Special Committee on Bronson Avenue Improvement, respectfully report that they have had a number of meetings and have thoroughly investigated the four different petitions heretofore presented to the Common Council, and find three hundred and seventy-one names on them; and that there are only one hundred and fifty-nine property holders on the street.

Your committee also find that some of the property owners have signed not less than three different petitions, which makes it rather uncertain to determine what pavement these people are in favor of.

Your committee are well satisfied that the street needs improving, and we are of the opinion that there is not another main street in the city that will equal it for mud.

After due consideration your committee have come to the conclusion that the best thing that can be done under the circumstances, is to recommend that the ordinance for an asphalt pavement be adopted as it now stands.

Respectfully,

HENRY SHELTER,
M. B. ADAMS,
C. W. ZIMMER,
MERTON E. LEWIS,
Special Committee.

Ordered received, filed and published.

By Ald. Shelter—Resolved, That the ordinance for Bronson Avenue Asphalt Improvement be adopted as recommended by the committee.

Adopted.

By Ald. Adams—

Your Special Committee appointed to investigate the question of a public market wish to report that they have visited the several locations that have been mentioned, and have decided to call a meeting in this council chamber on Friday evening at 7:30 o'clock of this week, for the purpose of giving the taxpayers a chance to be heard on the subject.

OFFICE OF THE EXECUTIVE BOARD, (ROCHESTER, N. Y. Jan. 12, 1892.)

To the Honorable the Common Council:

GENTLEMEN:—In accordance with your request the Executive Board has caused notices to be issued to the several owners of property whose lands are to be taken for the proposed widening of Lake Avenue Park from Lake avenue to the Boulevard. The parties interested called at the office of the Executive Board, but failed to give any price which would be accepted for the property which the city proposes to acquire.

In like manner the Executive Board requested the owners of a piece of land fronting on Richard street to state the amount of money they would demand for the right of way across their property for the proposed East Side Trunk Sewer, but they have failed up to the present time to give any information as to the amount of money that would be acceptable as compensation for the damages for the construction of said sewer.

It is therefore thought expedient on the part of the Executive Board to recommend that your honorable body commence proceedings for the

appointment of a commission in order to determine the amount of money which should be paid the owners of the land on account of damages by reason of the improvements above named.

Respectfully,

THOS. J. NEVILLE, Clerk.

DEAR SIR: At a meeting of the Board of Education of this city held January 4, 1892, the following reports and resolutions were adopted.

Respectfully,

MILTON NOYES, Clerk pro tem.

REPORT OF COMMITTEES.

Com. Reynolds, Chairman of the Repair Committee, submitted the following report of the Repair Committee:

To the Board of Education:

GENTLEMEN: Your Committee desires at this time to call your attention to the necessity of a larger appropriation annually for the purpose of repairing your school houses, buildings, appurtenances and their fixtures. As you know after the limit to this fund of \$15,000 is fixed by the Common Council each year, no other resources are available to keep in repair all your school buildings. The remedy must come by an amendment to the city charter, permitting more than that sum to be appropriated annually for those purposes; and we thus call early attention to the subject, that appropriate legislation may be taken in time. We have no doubt the Council will sanction this change if convinced of its necessity. The limited amount was fixed many years ago when you had many less buildings to repair than now, and at a time when most of our schools were comparatively new, and needed much less outlays than at present. To all persons at all familiar with the present condition of the public schools, it requires no argument to show that the present amount is entirely insufficient. For several years the resources of this Committee have been severely taxed, and the \$15,000 entirely exhausted in repairs long before the expiration of the fiscal year. Indeed, many old bills contracted by former committees must, under the present arrangement, be paid by succeeding boards. That of course, only cripples the succeeding year's fund. We have been careful to reserve a large proportion of the fund to meet unexpected repairs and outlays which will occur in spite of the most careful foresight. When closets are deranged, and the health authorities insist on proper sanitary precautions, or when roofs leak and floors utterly give out, then some expenses must be incurred whether there are available or not. You have the care and custody of thirty-four school buildings, many of them built twenty and thirty years ago with more than four hundred rooms. And if you are to keep those in respectable shape, you must have more money to do it with. Some years the necessary enlargement of buildings to accommodate increase of pupils will almost exhaust the year's entire appropriation.

All the black-boarding, plumbing, ventilating, painting, whitewashing, roofing and repairing expenses, and the rental of annexes, should be met by the Repair Fund.

It is utterly impossible to do this and keep some of your buildings tenable and clean as the patrons insist shall be done. The amount available this year for these purposes has been entirely inadequate; and this condition of affairs is growing worse every year. Several buildings are now suffering from lack of necessary painting, both inside and out; and it is ruinous economy to let them go without it. The walks in front of other school lots are in very bad condition, and notwithstanding notices

have been served by the Executive Board upon us to make necessary repairs, we have been unable to comply.

The amount of lumber required each year for the school carpenter's necessary repairing is chargeable to this committee fund, and yet we are unable to equip some new buildings with storm houses to protect from the severe storms and weather. That officer's disbursements and expenses for help and cartage necessarily required are a tax on the overburdened fund. The necessary repair of old desks and furniture involves quite an outlay, and yet economy requires it.

Two of our public school cellars are not drained and their damp and unwholesome condition is a disgrace to our school system. But we are powerless to do these things and yet keep within the charter requirements.

The sum of \$10,000 could be well invested in ventilating some of the old buildings, which require it. These are public, well-known facts. The buildings are open to public inspection, and any citizen interested can easily verify these statements. Of course the buildings erected during the past few years are well ventilated; and, generally, are well equipped, but that does not relieve the unfortunate condition which to-day prevails in Districts 7, 9, 12, 16, 17, 21, 22, 23, 25 and 27. We invite public inspection of this matter.

We, therefore, recommend the adoption of the following:

Resolved, That the Common Council request our representatives at Albany to urge the passage of an amendment to Sub-division 6 of Section 129 of the present City Charter as amended in 1888, so that the same will read as follows:

"Section 129, Sub-division 6. The amount to be raised for teachers' wages and contingent expenses in any one year shall not be less than six dollars nor more than eighteen dollars per capita, based on the average number of resident pupils enrolled in the several public schools of this city, for the school year ending on the first day of May next preceding the levying of the general city taxes in each and every year. A sworn statement of such number of pupils so enrolled shall be made by the Superintendent of Schools according to the verified monthly reports of the Principals of said schools. Nor shall the amount to be raised in any one year to lease, alter, improve and repair school-houses and their out-houses and appurtenances, exceed twenty-five thousand dollars. Nor shall the amount raised in any one year to purchase and improve sites, and build or enlarge school-houses, exceed fifty thousand dollars; and the Common Council of said city are authorized and directed, when necessary, to raise by loan, in anticipation of the taxes, the amount to be raised, collected and levied as aforesaid."

The passage of the enabling act would not, necessarily, oblige the Council to give us the full amount. We think they would do so whenever convinced that it was necessary.

All of which is respectfully submitted,

G. H. REYNOLDS,
RICHARD J. DECKER,
ED. A. STAHLBRODT,
GEORGE C. BUELL, JR.

Dated, Rochester, N. Y., January 4, 1892.

Adopted—All ayes.

Com. Stahlbrodt, of the Building Committee, presented the following:

The time being close at hand when the new No. 10 School building will be completed and ready for occupancy and the old school building situate upon North Clinton street, will be of no further use to this Board after we take possession of the new building; and as this committee in calculating the amount of money necessary for building purposes for the fiscal year, and in making up their estimates to the Common Council to raise monies for that pur-

pose, included the expected revenues accruing from the sale of the old building;

This Board at its regular meeting held July 20, 1892, did request the Common Council to sell the aforesaid property, so that this Board might be enabled to carry out its original intention of completing the work mapped out early this past year and which improvements are of great necessity. Several important matters relative to this committee have been left undone, especially that relating to the new No. 35 School building, the lot for which was purchased early in the year, but which should be completed at once, for want of funds.

It is, therefore, that we recommend the following:

Resolved, That the Clerk of this Board be instructed to again call the attention of the honorable, the Common Council to the facts above related, and that this Board does respectfully request that the said Common Council again advertise the sale of the old No. 10 School building, situate upon North Clinton street, and sell the same at public auction upon the Court House steps.

DEAR SIR: At a meeting of the Board of Education held this date the following was adopted: Respectfully,

MILTON NOYES, Clerk Pro. Tem.

By Commissioner Stahlbrodt—

Resolved, That the Clerk of this Board be and he is hereby requested to notify the Honorable the Common Council, that the new Number 10 School building is so far advanced as to necessitate the placing of the proper insurance upon the same, and that we request that the same be done at once.

ROCHESTER, N. Y., January 12, 1892.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: At a meeting of the Board of Health, held December 2, 1891, the following action was taken:

By Commissioner Biegler:

Whereas, Provision is made by the city for the conveyance of the sick or wounded persons by means of an ambulance, it appears that no means is afforded for the intelligent care in the removal of such persons when wounded, and that, at least, in two instances death has occurred during the transportation in the absence of such care. And as the managers of the Rochester City Hospital, possessing ample facilities, have offered, free of cost, the required aid, by supplying a surgeon to attend the removal of such persons, which humane instinct dictates should be furnished without further delay, and to which no foundation for opposition is furnished to rival interests, therefore,

Resolved, That this Board do hereby make an earnest appeal to the Common Council to grant the request of the managers of the Rochester City Hospital, heretofore made to that honorable body, to the end that sick or wounded persons may be conveyed to their destination, whether it be to their homes, or to a hospital, in safety, and without unnecessary delay. A true copy from the minutes.

GENTLEMEN: The undersigned has carefully examined the City Treasurer's books and accounts, in all departments of the business of the office, for the month of December, 1891, and finds that all its affairs have been conducted in a manner which gives evidence of care, efficiency and accuracy. A trial balance drawn on the 31st ult. shows that all receipts and disbursements have been correctly entered and footed. All receipts of the fiscal year to above date, inclusive, have been traced to original sources and entries, whilst vouchers are on hand to attest the validity of all the disbursements.

The cash required to be on hand on the morning of the 5th inst. and on deposit in the banks was as follows: Cash, \$547.62; in Traders' National Bank, \$23,474.11; German American Bank, \$18,051.08; Central Bank, \$20,210.25. The cash was counted and found correct, and by inquiring at the banks the above named balances to the credit of the city were found to be as stated.

CITY ATTORNEY'S OFFICE,

To the Honorable, the Common Council of the City of Rochester :

GENTLEMEN: At your last meeting, a resolution was adopted requesting my opinion as to whether action on the Mayor's veto of Final Ordinance No. 4,558, would render that ordinance void, if not taken at the next meeting after the veto had been sent to the Common Council.

The meeting of December 15th, was the next meeting after the Mayor had returned the transcript of such ordinance with his objections thereto, to the Common Council.

At that meeting, the President of the Board stated, in substance, that the Mayor had sent in a communication vetoing the ordinance in question, but, inasmuch, as the message was not then accessible, action thereon would be taken at the next meeting. No objection was ever made to this suggestion, or contemplated action.

At the next meeting, December 29th, the Mayor's communication was read, and, on motion, laid on the table for two weeks.

The charter provides that the Common Council shall, at the next meeting after the reception of the Mayor's veto, "or at such time which may be designated by it, proceed to consider such veto."

In my opinion, the action of the Common Council in relation to the veto at its meetings of December 15th and 29th, amounted to a designation of a time at which such veto should be considered, and that a consideration of the same at the meeting to-night would not invalidate the ordinance.

Respectfully submitted,

ROCHESTER GAS COMPANY,
ROCHESTER, N. Y., Dec. 17, 1891.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: The present rate of 5 cents per lamp per night, was made some years ago on the basis of a term contract for upward of 2,000 gas lamps, compactly located. Since then the adoption of other means of street lighting has steadily reduced the number to about 500, most of which are in isolated and scattered locations. It is manifest that the expenses of care and maintenance are greatly increased by the above changes in conditions, and that, therefore, the present prices received are inadequate to the service now rendered. In view of the fact that the discontinuance of lamps is still going on with greater or less rapidity, we deem it wise to submit a scale of prices based upon the number of lamps to be maintained, and we respectfully notify you that the following scale will take effect February 1, 1892:

For more than 500 and less than 600 lamps, 6 cents per lamp per night; for more than 400 and less than 500 lamps, 6½ cents per lamp per night; for more than 300 and less than 400 lamps, 7 cents per lamp per night; for more than 200 and less than 300 lamps, 7½ cents per lamp per night; for more than 100 and less than 200 lamps, 8 cents per lamp per night; for less than 100 lamps, 8½ cents per lamp per night.

Above in each case to be for gas furnished and care, each lamp to burn 5 feet per hour, to be lighted one half hour after sunset and extinguished one hour before sunrise.

Very respectfully,

ROCHESTER GAS COMPANY,
W. L. COLE, Manager.

Referred to the Lamp Committee.

By Ald. Adams—Petition for an asphalt pavement on Weld street. Referred to the Surveyor to prepare an ordinance.

By Ald. Cook—Resolved, That the Rochester Electric Light Company be, and is hereby directed to move the first arc light on the east side of Oakland Park, north of Oakland street, southerly to a point opposite the short street on the west side of Oakland Park, known as Warren street.

Adopted.

By Ald. Fox—Resolved, That one gas light be placed on Helena street, 125 feet from Hudson street.

Referred to the Lamp Committee and City Surveyor.

By Ald. Kelly—Resolved, That the Brush Electric Light Company be requested to place

the light situate on the corner of Maple and Coin streets on a crane instead of a pole as at present located.

Adopted.

By Ald. Kelly—Resolved, That the City Surveyor be directed to have the third light on Immel Place removed from its present position to within one hundred and fifty feet of the second light and on the west side of the said Immel Place.

Adopted.

By Ald. Lewis—Whereas, The Bell Telephone Company of Buffalo, has removed its telephone wires from its line of poles on the south side of East Main street from Exchange street to Elm street in the City of Rochester, except such of said poles as are used for cable or distributing poles; and also from its line of poles on the east side of State street from Main street to and including the first pole north of the Central railroad, except such of said poles as are used for cable or distributing poles; and such poles or some of them are now used to support the wires of the Brush Electric Light Company and the wires of the Rochester Electric Light Company and the fire and police patrol wires of the City of Rochester, and the Edison Electric Illuminating Company desires to use such poles or some of them to support its wire, and the Bell Telephone Company of Buffalo has no further use for such poles where they are, except their cable or distributing poles, except for the support of the city wires, and such poles are much higher than is necessary for the support of said several electric light companies' wires and the wires of the city.

Resolved, That the City of Rochester consents that The Bell Telephone Company of Buffalo be at liberty, if it desires so to do, to sell and transfer its said poles or any of them to said three electric light companies or any or either of them so that the same may be used by said three companies, subject however, to the rights of the city to have its wires supported thereon, the purchaser or purchasers to assume all the liabilities and obligations of the said The Bell Telephone Company of Buffalo to the City of Rochester in respect to said poles so transferred; and

Resolved That upon the transfer of said poles or any or either of them by The Bell Telephone Company of Buffalo to said electric light companies or to any or either of them, the purchaser or purchasers assuming all the liabilities and obligations of the said The Bell Telephone Company to the City of Rochester in relation to the poles so sold and transferred, all the liabilities and obligations of the Bell Telephone Company to the City of Rochester in relation to the maintenance and the removal of the poles or any or either of them so sold and transferred, shall cease, terminate and be canceled and annulled, and the said Telephone Company released and discharged therefrom.

Adopted.

By Ald. Lewis—AN ACT to authorize the issue of bonds of the City of Rochester, to provide money with which to pay the bonds of said city, which will mature on January 1, 1893, and which are known as the Rochester State Line Railroad Bonds, and the Rochester Nunda & Pennsylvania Railroad Bonds.

The people of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The City of Rochester is hereby authorized to borrow money to the amount of seven hundred and fifty thousand dollars (\$750,000), in the manner hereinafter stated, and the Common Council of the City of Rochester, for the purpose of providing money with which to pay the bonds of said city heretofore issued, and known as the Rochester and State Line Railroad Bonds, amounting to six hundred thousand (\$600,000) dollars, and also the bonds of said city heretofore issued, and known as the Rochester, Nunda & Pennsylvania Railroad Bonds, to the amount of one hundred and fifty thousand dol-

lars (\$150,000), may by a majority vote of the members of said Common Council, on or before the 20th day of December, 1892, authorize the City Treasurer to issue the bonds of said city to the amount of seven hundred and fifty thousand dollars (\$750,000), running for a period not to exceed twenty years, and bearing a rate of interest not to exceed 4 per cent. per annum, payable at such place as the Common Council shall designate. Said bonds, when issued, shall be signed by the Treasurer, sealed with the corporate seal of the city, countersigned by the Mayor and President of the Common Council, and may be either coupon or registered bonds, and shall be redeemable any time after ten years from the issue thereof. A complete record shall be made and kept by the said Treasurer of said bonds, including the dates, amounts, and the dates of maturity thereof, and to whom issued, if registered respectively. The proceeds of said bonds shall be applied to the payment of the bonds heretofore issued, and known as Rochester and State Line Railroad Bonds, and the Rochester, Nunda & Pennsylvania Railroad Bonds.

Sec. 2. The bonds of the City of Rochester, which shall be issued by virtue of this act, shall, as authorized by the Common Council be sold by the City Treasurer, to the highest bidder, after ten days' notice published in the official paper of said city, and in one or more newspapers in the city of New York, but said bonds shall not be sold at less than par.

Sec. 3. This act to take effect immediately.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the Senator and Member of Assembly representing us in the Legislature at Albany be, and they hereby are, requested to introduce the proposed bill hereto annexed and procure the same to be printed, and that copies thereof be sent to the Common Council for approval, after the same shall have been printed.

Adopted.

By Ald. Lewis—Resolved, That the action of this Council heretofore taken, and published on page 325 Common Council proceedings for this year, directing the preparation of an assessment for the expense of acquiring lands for constructing a sewer in Caroline street, under final ordinance No. 4,556 be, and the same is hereby reconsidered.

Adopted.

Ald. Lewis moved that the resolution be indefinitely postponed.

Adopted.

Ald. Lewis moved to reconsider the action taken this evening on the resolution offered by Ald. Cook, in relation to the East Main street stone sewer, which resolution is published on page 332 of the current proceedings.

Adopted.

Ald. Lewis moved that said resolution be indefinitely postponed.

Adopted.

By Ald. Lewis—Resolved, That that part of the resolution of Ald. Cook, adopted July 14, 1891, and published on page 160 of the current proceedings referring to the assessment for East Main street stone sewer be, and the same hereby is, reconsidered.

Adopted.

By Ald. Lewis—Resolved, That said part of said resolution in relation to the East Main street stone sewer assessment be, and the same hereby is, indefinitely postponed.

Adopted.

By Ald. Lewis—Whereas, The City Treasurer has ascertained and reported the entire expense of and connected with the East Main street stone sewer improvement, under final ordinance No. 4,174, including any and all interest that the city has or shall become liable to pay on account of any and all orders or notes issued by the city to pay the expense of said improvement and said expense is hereby adjusted by this Common Council as thus reported at the sum of \$50,500.42 and the portions

or part of the city on which the said expense is hereby directed to be assessed and which this Common Council deems to be benefited by said improvement is as stated and described in said final ordinance relative to said improvement.

And it is further determined that the taxpayers to be assessed for making the foregoing improvement may pay their assessments in three equal annual payments as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer, one-third within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed at the rate of 6 per cent. per annum.

And the Assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of said assessors are not interested, then such two are hereby directed to make an assessment upon all the lots and parcels of land within the portion or part of the city above designated and directed to be assessed, of the amount of expenses of such improvement, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of lands within the respective territory to be thus assessed for such improvement shall be deemed to receive by the making of the respective improvement.

Adopted by the following vote:
 Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—13.

MAYOR'S OFFICE,
 ROCHESTER, N. Y., Jan. 19, 1892.

Please call a special meeting of the Common Council at 3 o'clock P. M. this day to transact such business as may come before the Board.

WILLIAM CARROLL, Mayor.

Ordered received, filed and published.
 By Ald. Lewis—

Resolved, That the Common Council of the City of Rochester condemns the bill introduced by Senator Cantor on the 18th day of January, 1892, amending sections four and seven of the City Charter, known as chapter one hundred and forty-three of the laws of eighteen hundred and sixty-one, as amended by chapter fourteen of the laws of eighteen hundred and eighty providing for a redivision of the City of Rochester into twenty wards, and protests against the introduction, consideration and passage of said bill, for the reasons that said bill by its provisions destroys all boundary lines of the old wards of said city and unnecessarily and improperly interferes with and confuses the assessments and taxes as they now exist in the several wards, as well as the description of real estate in said city; and unjustly and wrongfully changes the number of the old wards of said city, and compels present

incumbents in various offices to suffer an election before their terms expire for which they were elected, and be it further

Resolved, That in the redivision of the City of Rochester into twenty wards, the First, Second, Third, Fourth, Fifth, Sixth, Seventh, Ninth, Tenth, Eleventh, Twelfth, Thirteenth and Fourteenth wards shall remain the same both in their boundaries and in their numbers as they now exist, and that the Eighth, Fifteenth and Sixteenth wards, which cover a territory and have a population far in excess of the other wards shall be sub-divided into enough wards to make twenty wards in said city; be it further

Resolved, That the proposed bill accompanying this resolution be and the same is hereby approved by this Common Council, and the Senator of this District is hereby requested to offer the same as a substitute for the bill introduced by Senator Cantor.

Ald. Kelly moved that the resolution lie on the table until the next meeting.

Lost by the following vote:
 Ayes—Aids. Tracy, Rauber, Kelly—3.
 Nays—Aids. Calihan, McMillan, Shelter, Wurtz, Bierbrauer, Cook, Fox, Lewis—8.

The resolution was then adopted by the following vote:

Ayes—Aids. Calihan, McMillan, Shelter, Wurtz, Bierbrauer, Cook, Fox, Lewis—8.
 Nays—Aids. Tracy, Rauber, Kelly—3.
 By Ald. Lewis—

AN ACT, To amend chapter one hundred and forty-three of the laws of eighteen hundred and sixty-one, entitled "An act to amend and consolidate the several acts in relation to the Charter of the City of Rochester," as amended by chapter fourteen of the laws of eighteen hundred and eighty.

Section 2. Section seven of said act is hereby amended so as to read as follows:

Section 7. An election shall be held in each ward annually on the Tuesday next after the first Monday in March, at such places as shall be designated by the Common Council, of which a notice shall be published by the City Clerk for at least six days next previous to

the election in all the daily newspapers of the City, at which election there shall be chosen by the electors of the city, voting in their respective wards as often as the terms of office of the then incumbents shall expire within the year after such election, one mayor, who shall hold his office for two years, one police justice, who shall hold his office for four years, one treasurer who shall hold his office for two years; and also by the electors of each ward, one supervisor, whose term of office shall be the same as that of the supervisors from the towns of Monroe County, and the terms of office of the supervisors now in office in said city shall end at the same time as the terms of the town's supervisors now in office; one constable who shall hold his office for one year; and at an election held on the Tuesday after the first Monday in March, 1892, there shall also be chosen by the electors of the First, Third, Fifth, Seventh, Ninth, Eleventh, Thirteenth, Fifteenth, Seventeenth and Nineteenth wards one alderman in each ward who shall hold his office for the term of two years; and by the electors of the Eighteenth and Twentieth wards one alderman from each who shall hold his office for the term of one year; and by the electors of the First, Third, Fifth, Seventh, Ninth, Eleventh, Twelfth, Thirteenth and Nineteenth wards one commissioner of common schools in each ward who shall hold his office for the term of two years, and by the electors of the Eighth, Seventeenth and Twentieth wards, one commissioner of common schools in each ward who shall hold his office for the term of one year; and thereafter aldermen and commissioners of common schools shall be elected for two years as the terms expire of those elected from their respective wards. The city treasurer shall not be entitled to enter upon the duties of his office until he shall have executed and filed with the mayor a bond in the penal sum of fifty thousand dollars or such other sum as the Common Council may have fixed with good and sufficient sureties approved by the mayor in writing thereon and conditioned for the faithful performance of all his duties as treasurer and of all the duties imposed upon him by law in respect to the money, property and affairs of said city. The execution of such bond by the treasurer and sureties shall be duly acknowledged or proved so as to entitle it to be read in evidence, and it shall be the duty of the mayor to cause such bond to be recorded in the Monroe County Clerk's office; and a copy of such bond as so recorded, certified by the said County Clerk, shall be as good evidence in all the Courts and places as the original bond which shall be safely kept by the mayor after being recorded as aforesaid.

Section 3. This act shall take effect immediately.

Ald. Tracy moved that the bill be received, filed and published and that it be considered at an adjourned meeting to be held Wednesday evening, January 20, 1892, at 7 o'clock.

Adopted.
 By Ald. Rauber—
 Whereas, Henry Kohlmetz, a former member of this board, was on Saturday last, suddenly called away; therefore

Resolved, That the Common Council of Rochester learns, with sincere regret, of the deplorable death of one who, as an Alderman, was an honest and faithful representative of the people; and who, as a citizen, merited and received the universal respect and love of his fellow-townsmen; and that we tender to the bereaved family of the deceased our heartfelt sympathy.

Adopted by a rising vote.
 Ald. Shelter moved that the Board take a recess of one hour.

Adopted.
 A recess for an hour being taken the chair announced the following committee to go to Albany for the purpose of urging the passage of the Charter Amendment Bill: Alds. Lewis, Shelter, Calihan, Bierbrauer, Fox and Assistant City Attorney C. D. Kiehel.

By Ald. Cleveland—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN:—Your Committee of Finance submits the following as their report on the various matters referred to them:

In regard to the communication of the Treasurer, published on page 78 of the current proceedings, in regard to moneys paid by George S. Riley for certain taxes, your Committee find that the facts are as stated in said communication, and we would accordingly recommend that the sum of \$416.52, deposited with the Treasurer, be received in full for the assessments of the Weld and Scio streets and Sibley nursery sewers on part of lots 82, 83 and 84, Farm tract, on the east side of Scio street, and that \$230.13 of said amount be credited to lands sold, and the balance to interest and assessments.

In regard to the Treasurer's communication, printed on page 123 of the proceedings, in relation to a number of personal taxes remaining unpaid, your Committee would recommend that the Treasurer and city attorney mail to each person or firm in arrears for personal taxes, a circular letter, to the effect that unless prompt payment of such indebtedness is not made, legal proceedings will be instituted for the recovery of the same.

In a communication, published on page 259 of the proceedings, the Treasurer calls attention to the fact that local assessments for improvements on lands owned by the State, to the amount of \$5,063.64, remain unpaid, and that the Comptroller has referred him to the legislature for relief.

We would recommend that the Treasurer be directed to deliver to our senator and assemblyman the necessary bills and other matters connected with such assessments, and that the said representatives be requested to see to it that the next appropriation for assessments against state lands be so made as to insure a speedy payment of the city's claim against the state.

The treasurer desires to know whether the \$15,000 credited to the Parkway fund may be deposited in the Commercial Bank, as requested by the treasurer of the Park Commissioners, or whether said moneys should remain in the city treasury.

Inasmuch as the fund in question was created after the resolution designating said bank as the depository of the park funds then existing went into effect, and inasmuch as the act creating the Parkway fund provides that all moneys raised in pursuance of said act shall be deposited in the city treasury, and shall not be withdrawn, except on orders drawn by the president and secretary, your committee recommended that the treasurer retain control of the said fund, until proper requisition for the same shall be made upon him, as provided by law.

Respectfully submitted,

S. D. W. CLEVELAND,
MERTON E. LEWIS,
HENRY SHELTER,
STEPHEN RAUBER,
J. MILLER KELLY,
Finance Committee.

Ordered received, filed and published.

By Ald. Cleveland—Resolved, That the City Treasurer be, and he hereby is, directed to receive the sum of four hundred and sixteen dollars and fifty-two cents, deposited

with him, in full for the assessments for Weld and Scio streets and the Sibley Nursery sewers, on parts of lots 82, 83 and 84, Farm tract, on the east side of Scio street, and that he credit two hundred and thirty dollars and thirteen cents of said amount to lands sold, and the balance to interest and assessments.

Adopted.
By Ald. Cleveland—Resolved, That the City Treasurer and City Attorney be, and they are hereby directed, to cause to be mailed to, or served upon, each person, firm or corporation in arrears for personal taxes, a circular letter, to the effect that, unless prompt payment of such indebtedness is not made, legal proceedings will be instituted for the recovery of the same.

Adopted.
By Ald. Cleveland—Resolved, That the City Treasurer be, and he hereby is, directed to furnish our Senator and Assemblyman with the bills and other necessary matters connected with the local assessments for improvements on lands owned by the State, to the amount of five thousand, sixty-three dollars and sixty-four cents, and that said representatives be requested to see to it that provision is made in the next appropriation for assessments against State lands for the payment of said claim, or that they pursue such other course for the purpose of securing the payment of such assessments as to them may seem just and proper.

Adopted.
By Ald. Cleveland—Resolved, That the Treasurer be, and he hereby is, directed to retain control of the moneys placed to the credit of the Parkway Fund, until requisition for the same shall have been made upon him, as provided by law.

Adopted.
By Ald. Cook—

To the Honorable the Common Council of the City of Rochester:—Your Assessment Committee begs leave to submit the following report:

The petition of Matthias Dubelbeis for relief from the assessment for the Clifford street sewer was duly considered by your committee, and we recommend that the same be denied.

The petition of Joseph H. Perkins praying for the privilege of paying, without interest, the assessment of 1870, on lots 191 and 192 of the Cornhill tract, on the corner of Tremont street and Caledonia avenue, amounting to \$46.80, was duly considered by your Committee, and we recommend that your petitioner be allowed to pay said assessment, together with interest at the rate of six per cent., first deducting from the amount of said assessment and interest the sum of thirty dollars.

The petition of Ellen Elsheimer praying for the privilege of paying her assessment, to-wit: \$246.50 without interest from July 28th, 1891, for the making of the Caledonia and Atkinson street sewer, was duly considered by your Committee, and we recommend that the petition be granted.

Respectfully submitted,
HENRY G. COOK,
HENRY SHELTER,
JULIUS WURTZ,
J. MILLER KELLY,
Assessment Committee.

Ordered received, filed and published.

By Ald. Cook—Resolved, That the petition of Matthias Dubelbeis for relief from the assessment for Clifford street sewer, be, and the same hereby is, denied.

Adopted.
By Ald. Cook—Resolved, that the City Treasurer be, and he hereby is, authorized to receive from Joseph H. Perkins the sum of forty-six dollars and eighty cents, together with interest at the rate of six per cent., first deducting the sum of thirty dollars from said amount, in full satisfaction of the assessment of 1870 for the improvement of Caledonia avenue on lots 191 and 192, of the Cornhill tract, corner of Tremont street and Caledonia avenue.

By Ald. Cook—Resolved, That the City Treasurer be, and hereby is, authorized to receive from Ellen Elsheimer the amount of her assessment, to-wit: two hundred and forty-six dollars and thirty cents, without interest, from the 28th day of July, 1891, for the making of the Caledonia avenue and Atkinson street sewer.

Adopted.

Allegations being called for and no persons appearing, Ald. Cook presented the following—

By Ald. Cook—Resolved, That the foregoing assessment rolls as reported by the City Clerk be and the same is hereby confirmed.

Adopted by the following vote:
 Ayes—Ald. Tracy, Callahan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis.—14.

By the Clerk—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN—I hereby tender my resignation as a member of your Poor Committee, and, in doing so, I feel it no more than your due that I should make some explanation for my action in this matter, owing to the position that I have taken heretofore in regard to buying large quantities of goods for the city's use.

It is impossible for me to remain on said committee where goods are bought in large quantities by some one man, and the balance of the committee not even consulted in regard to prices and quality, and also the manner of notifying different persons to discontinue delivering supplies to the poor store, such as Sister Hieronymo who has charge of a charitable institution, also C. & L. P. Herzberger, without the consent or knowledge of the balance of the committee.

I believe that all supplies for the poor store, such as groceries, flour, boots and shoes, should be bought from samples supplied by different firms.

Yours Truly,
 S. D. W. CLEVELAND.

Dated Rochester, January 26, 1892.

Ald. Tracy moved that the resignation be received, filed and published.

Ald. Shelter moved as an amendment that the resignation be referred to the Poor Committee. The motion as amended was adopted.

By the Clerk.

LOCAL IMPROVEMENT ASSESSMENTS.

By Ald. Cook—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the several following improvements, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements respectively adjusted by the Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefitted by the improvements respectively, are as stated and described in the

final ordinances relative to the improvements, respectively, and that the names and expenses of the improvements thus to be assessed are as follows, viz:

Ayes—Ald. Tracy, Calihan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis—14.

By the Clerk—Application of C. L. Bartels for appointment as Commissioner of Deeds. Referred to the Law Committee.

By Ald. Cleveland—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your Law Committee begs leave to make the following report:

In the matter of the claim of Thomas Gleadell, notice of which was served upon the city in May last, for damages resulting from an injury to him caused by a fall upon a defective sidewalk, your committee had the matter thoroughly investigated by the City Attorney, and, upon his report, we find that due notice was served upon

the city of the defect in said sidewalk before the accident, and that the only defense that the city has to said claim is as to the amount of the damages. A proposition has been made by the attorneys of said Gleadell to settle the same for the sum of \$400.00, and we recommend that said claim be settled in full for said sum.

In the matter of the proposition of Abraham Farnen, Jr., to settle his claim for damages caused by the pollution of the creek running through his property, we find that, on the 15th day of June, 1888, a judgment was recovered by him against said city for the sum of \$175.00 for damages to said creek, covering a period of three years and a half. We further find that fifty dollars per annum for payment of said pollution is a fair and reasonable sum, and we, therefore, recommend that the city pay to him the sum of fifty dollars per year, beginning from July 20th, 1886, together with the costs of the action now pending.

In the matter of the proposition of George A. Weils for the settlement of his claim for damages resulting from the pollution of a stream running through his land, we find that a judgment was recovered by him against the city on June 16th, 1888, for the sum of \$428.75, for damages covering a period of three years and a half. We consider that eighty dollars per year is a fair and proper settlement of the damages for said pollution, and we, therefore, recommend that said sum be paid to him per year, beginning from July 20th, 1886, together with the costs of the action now pending, in settlement of said claim.

The claim of Frederick W. Alexander for damages caused by the pollution of a stream running through his property, has been considered, and we recommend that, in full settlement of said claim, the city pay to him the sum of one hundred dollars, and costs in the action brought against the city.

The claim of Jacob Lindsey for damages caused by the pollution of a stream running through his property, has been considered by your Committee, and we find that, though he has not begun an action, he is entitled to do so, and can recover damages against the city to about the same amount as has been recovered by other parties reported in this report, and we, therefore, recommend that his claim be settled at the rate of seventy-five dollars per year, for the last six years prior to the date of this report, viz: January 26th, 1886.

The claim of John Gibbons to refund to him the sum of twenty dollars paid by him to the superintendent of Mount Hope Cemetery for damages caused by the cows of said Gibbons breaking into said cemetery, is hereby denied.

The claim of Jane H. Cork for ten thousand dollars damages, we recommend be denied.

We recommend that the resolution passed by this Common Council December 15, 1891, in respect to the action of David K. Bell et al., as the Board of Health, etc., against the city be reconsidered, and that a resolution be adopted recommending that the taxable costs in said action be paid, upon the delivery and filing with the city attorney of the proper satisfactions and releases of the judgments therein.

The claim of William Buyck for damages resulting from the pollution of the stream running through his premises, has been considered, and we recommend that the city pay to him the sum of \$150, in full of all his damages and costs.

In the matter of the application of Frank Gage for appointment as a Commissioner of Deeds of the city, we find that he holds over until January 1st, 1893, and therefore recommend that his application be denied.

In the matter of the applications of Joel E. Soles, Walter H. Hill, Margaret Wood, Stephen Zielinski, Louis P. Beck, E. C. Stephens, Isaac De Mallie, William H. Shaw, William J. Hawkins, Charles F. Mertz and Miles Rosenbluth for appointment as Commissioners of Deeds of said

city, we recommend that the same be granted.
All of which is respectfully submitted.

MERTON E. LEWIS,
S. D. W. CLEVELAND,
HENRY G. COOK,
MARTIN J. CALIHAN,
WILLIAM H. TRACY,
Law Committee.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That upon the delivery and filing with the city attorney of a proper release and stipulations of the claim of Thomas Gleadell against The City of Rochester, from any and all damages which said Gleadell may be entitled to by reason of an injury received by falling upon the sidewalk on Benton street, the city clerk be, and he hereby is, directed to draw an order on the Treasurer, payable to the order of said Gleadell, or his attorneys, Turk & Barnum, for the sum of four hundred dollars, in full satisfaction and payment of said claim, and the City Treasurer is hereby directed to charge said amount to the contingent fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis—13

By Ald. Lewis—

Resolved, That upon the certificate of the City Attorney that Stipulations of discontinuance of the actions, and dismissals of appeals, where appeals have been taken, of the following named persons have been filed with him, and that releases of any and all claims by or on the part of said parties against the city, by reason of the discharge of sewage from any of the sewers of said city into Thomas, Hobbie or Densmore creeks, as the case may be, at any time before the orders hereinbefore mentioned, and rights, privileges or easements within the city, into said creek or creeks, have been duly executed, acknowledged and delivered to him, the Clerk be, and he hereby is, directed to draw orders upon the Treasurer, payable from the contingent fund, to the parties named below, or to their attorneys, whose names may appear in said certificate, amounts for costs and disbursements of their actions, as certified to by the City Attorney, and the further sums, at the rates per annum set opposite their respective names, from the times below set forth, to the dates when said orders shall be drawn:

Names of Parties.	Rate per annum.	Date from which annual payment begin
Abraham Farnen, Jr.	\$50 00	July 20, 1886
George A. Weihs.....	80 00	July 20, 1886
Jacob Lindsay.....	75 00	Jan. 25, 1886

Frederick W. Alexander, the sum of one hundred dollars, in full of all his claim.

Resolved, further, That the Mayor be, and he hereby is, requested to agree to and with said parties, by written contracts, approved by the City Attorney, to pay said parties further sums of money, at the rates set forth opposite their respective names, from the dates when said orders are drawn, as aforesaid, until the sewage from sewers within the city shall be diverted from said creek, or creeks, and that said payments shall be made annually.

Adopted by the following vote:

Ayes—Ald. Tracy, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis—12.

By Ald. Lewis—Resolved, That the claim of John Gibbons be, and the same hereby is, denied.

By Ald. Lewis—Resolved, That the claim of Jane H. Cork be, and the same hereby is, denied.

By Ald. Lewis—Resolved, That the resolution passed by this Board December 15, 1891, in respect to the payment of the judgments of David K. Bell et. al., as the Board of Health, etc., against the city, be, and the same hereby is, reconsidered. Adopted.

By Ald. Lewis—Resolved, That upon the delivery and filing with the City Attorney of satisfactions of the judgments in the case of David

K. Bell et. al., as the Board of Health, etc., against the city, and the stipulation from the plaintiffs in said action, or their attorney, vacating the injunction therein and releasing the city and its officers from all damages which said plaintiffs or said board may be entitled to by reason of the violation of said injunction, that the City Clerk be, and he hereby is, directed to draw an order upon the City Treasurer, payable to said plaintiffs, or their attorney, for the sum of two hundred and forty five dollars and thirty-six cents, with interest on one hundred and seventy-four dollars and fourteen cents from October 25, 1889, and on seventy-four dollars and twenty-two cents from April 5, 1890, and the treasurer is hereby directed to charge such amount to the contingent fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Zimmer, Rauber, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis, — 11.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

OPENING A STREET SOUTHERLY FROM CLIFFORD STREET THROUGH LANDS SUPPOSED TO BELONG TO CHRISTIAN YAKEE.

By Ald. Bohrer—Resolved, That the following improvement is necessary, and we hereby judge that the public good requires the same to be done, viz:

The opening of a street fifty-six (56) feet in width, from Clifford street southerly across the lands, and along a portion of the south line of lands supposed to belong to Christian Yakee, the center line of which is described as follows, viz: Beginning at a point in the south line of Clifford street, sixty (60) feet east of the west line of said Yakee's land; thence southerly on a line about at right angles to Clifford street, to the south line of said Yakee's land; thence easterly along the south line of said Yakee's land three hundred and sixty-eight (368) feet. The territory deemed necessary to be taken, is a strip of land twenty-eight (28) feet in width lying on each side of, and adjoining the aforesaid center line, forming a street fifty-six (56) feet in width throughout its entire length and which is more particularly shown on a map filed in the office of the City Surveyor.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

All the lots and parcels of land situate on each side of and adjoining the proposed street, as they exist at the date of the passage of this ordinance, in proportion to the benefit which each will derive therefrom.

Adopted.

OPENING A STREET NORTHERLY FROM BAY STREET THROUGH LANDS SUPPOSED TO BELONG TO THE ESTATE OF HENRY B. MCGONEGAL AND HENRY M. JENNINGS.

By Ald. Bohrer—Resolved, That the following improvement is necessary, and we hereby judge that the public good requires the same to be done, viz:

The opening of a street sixty (60) feet in width, from Bay street northerly across lands supposed to belong to the estate of Henry R. McGonegal and Henry M. Jennings, respectively, to a point twenty-eight (28) feet south of the north line of the said Jennings property, the center line of which is described as follows, viz: Beginning at a point in the north line of Bay street that is opposite a point in the south line of Bay street, three hundred and thirty-eight (338) feet east of the west line of lands supposed to belong to Edward Harris and William S. Little; thence northerly on a line about at right angles to Bay street, to a point twenty-eight (28) feet south of the north line of said Jennings property as aforesaid. The territory deemed necessary to be taken, is a

strip of land thirty (30) feet in width lying on each side of, and adjoining the aforesaid center line forming a street sixty (60) feet in width throughout its entire length and which is more particularly shown on a map filed in the office of the City Surveyor.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

All the lots and parcels of land situate on each side of and adjoining the proposed street, as they exist at the date of the passage of this ordinance, in proportion to the benefit which each will derive therefrom.

Adopted.

OPENING A STREET SOUTHERLY FROM BAY STREET THROUGH LANDS SUPPOSED TO BELONG TO EDWARD HARRIS AND WILLIAM L. LITTLE.

M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser notice thereof as is required and in the manner specified by Section 172 of the City Charter.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Jan. 26, 1892.

GENTLEMEN: Agreeably to your direction, heretofore given in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the City of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your Honorable Body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, Jan. 26, 1892, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvements. Respectfully,

PETER SHERIDAN, Clerk.

To the Honorable, the Assembly of the State of New York:

By Ald Lewis—

Resolved, That the City of Rochester, represented by its Common Council, desires to most earnestly and indignantly protest against the passage of the so-called Twenty Ward Bill, now before the Assembly and passed last week by the Senate. We are utterly opposed to the iniquitous and clandestine manner in which the bill was gotten up: Without consultation with the city's duly elected representatives or with any of our leading citizens and taxpayers, and by parties who are unknown, and who from fear or shame do not dare to reveal their lives in the most insulting manner—in marked contrast to the treatment extended to the respected Democratic senator, who represented

this district for the past four years—This identity, and presented to the legislature in a way to studiously ignore all our representative measure is being pressed upon us. We protest against the arbitrary and unjust changes in the ward lines and numbers of our city, which is totally uncalled for and which can be defended on no ground except that of a partisanship, which is wholly subversive of all honest and just municipal government. We urge your honorable body to reject this measure and not to force upon us any change in our ward numbers or boundaries until it has had a full and fair public discussion and is sanctioned by the intelligence of the justice and the common sense of our people.

Adopted by the following vote:

Ayes—Alds. Zimmer, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Lewis—8.

Nays—Alds. Tracy, Rauber, Lempert, Kelly—4.

Ald. Cleveland was excused from voting.

Ald. Lewis moved that the Clerk make and certify a copy of this resolution to the member of assembly from this district and transmit the same to him this evening.

Adopted.

By Ald. Lewis—Resolved, That the City Clerk draw an order upon the Treasurer, payable to the order of Merton E. Lewis the sum of one hundred and sixteen dollars and sixty-six cents being for expenses of special committee appointed by this council to and at Albany to oppose passage of amendment to the charter introduced by Senator Cantor dividing the city of Rochester into twenty wards and charge the same to contingent expense account.

Adopted by the following vote:

Ayes—Alds. Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis.—12.

By the Clerk—

AN ACT to amend chapter one hundred and ninety-three of the laws of eighteen hundred and eighty-eight, entitled "An act to authorize the selection, location and acquiring of certain grounds for public parks and parkways in and near the city of Rochester, and to provide for the maintenance and embellishment thereof," as amended by chapter three hundred and forty-four, of the laws of eighteen hundred and ninety.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section three of chapter one hundred and ninety-three of the laws of eighteen hundred and eighty-eight, entitled "An act to authorize the selection, location and acquiring of certain grounds for public parks and parkways in and near the city of Rochester, and to provide for the maintenance and embellishment thereof," as amended by three hundred and forty-four of the laws of eighteen hundred and ninety, is hereby further amended to read as follows:

Sec. 3. The said Park Commissioners shall have power to select and locate such grounds in and near the city of Rochester, as may in their opinion, be proper and desirable to be reserved, set apart or acquired for one or more public parks and parkways between such public parks and approaches thereto, and streets connecting the said parks; and for this purpose, may take any part or parts of existing streets and change the lines thereof. The said park commissioners shall make such selection and location in view of the present condition, future growth and wants of said city, as they shall deem best, with a view to the general convenience and advantage of residents in every portion of said city. Within ten days after organization, as in the last section provided, the said park commissioners shall proceed to have surveys and plans made, and, as soon as practicable thereafter, enter into agreements of purchase, in the name of the city of Rochester, of lands within the location and boundaries by them fixed for said park, parks, parkways, streets and approaches, for which owners will make contracts of sale, and the

same shall be paid for out of the park improvement fund, hereinafter provided, from the sale of Rochester park bonds. They shall report, in detail, such selection and location of lands purchased, to the Common Council of said city of Rochester, on or before the first day of January eighteen hundred and eighty-nine, and from time to time thereafter, when requested by the Common Council. In said reports, the said park commissioners shall state the boundaries of the grounds located by them for the park or parks, parkways, approaches and streets by them laid out; also the name or names of said park, or parks, parkways, approaches and streets, and portions thereof then acquired by gift or purchase. And the tracts, pieces and parcels of land which may be described in said report, are hereby declared to be public places; and shall be deemed to have been taken and acquired by said city of Rochester for public use, as and for a public park, or parks, parkways, public streets connecting the same, and approaches thereto. All parts of streets, avenues and highways now laid out as running through said lands are hereby closed and discontinued, so far as the same would run through, or intersect, any of said lands, except parkways and streets connecting parks. The said park commissioners, for the purpose of performing the duties imposed upon them by this section, shall have power to employ a surveyor and necessary assistants, at a yearly expense not exceeding five thousand dollars, and the same, when certified by said park commissioners, shall be a charge upon the city of Rochester, and shall be paid out of the moneys hereby authorized to be raised for the purposes of this act. Before any proceedings shall be had or taken for acquiring the title to any real estate, except by gift, or for a nominal consideration, or by agreement of purchase, as herein provided, the said commissioners shall cause to be made a map of the land which they shall determine to take for such park, parkways, streets connecting the same, and approaches thereto, which shall be certified by the president and said surveyor, or a majority of the commissioners and the surveyor, and filed in the office of the clerk of Monroe County, and a copy thereof filed in the office of the Clerk of Monroe County, and a copy thereof filed in the office of the clerk of the city of Rochester. *Whenever the said Commissioners shall have selected, located and acquired any lands for any such parks, parkways or streets connecting the same, or approaches thereto, the said lands, so selected and acquired shall, thereby, and by virtue of this act, become and be, a part of the city of Rochester.*

Sec. 2. Section four of said chapter one hundred and ninety-three of the laws of eighteen hundred and eighty-eight, is hereby amended, so as to read as follows:

Sec. 4. Upon filing the map and copy mentioned in the foregoing section the said park commission shall, at the next regular meeting of said commission thereafter by resolution declare that said city intends to take the pieces or tracts of land described in the said map for a public park, and shall give notice of such intention by publishing the same in the official paper of the city for twenty successive week days.

Sec. 3. Section five of said chapter one hundred and ninety-three of the laws of eighteen hundred and eighty-eight, is hereby amended, so as to read as follows:

Sec. 5. At a regular meeting of said park commissioners after the expiration of said publication, the said park commissioners shall by resolution, declare that the city of Rochester has determined to take and appropriate the said pieces or tracts of land for the purposes aforesaid; and they shall give notice of such determination by publishing the same in the official paper of said city for ten successive week days, and that the said city of Rochester will, on some day to be named in said notice, apply to the Supreme Court of the state of New York, in the judicial district in which the city of

Rochester is, for the appointment of three disinterested commissioners to ascertain and report the just compensation to be paid to the person or persons, or corporation or corporations, owning, or having an interest in said pieces or tracts of land. No person, being an inhabitant or taxpayer of the city of Rochester, shall be disqualified for that cause from being appointed and acting as such commissioner.

Sec. 4. Section six of said chapter one hundred and ninety-three of the laws of eighteen hundred and eighty-eight, is hereby amended, so as to read as follows:

Sec. 6. On the opening of such court, on the day designated in the notice mentioned in the next preceding section, or as soon thereafter as he can be heard, the city attorney of said city, or his representative, on behalf thereof shall, upon a copy of said resolutions, certified by the secretary of said commission, and upon proof of the due publication of said notices, apply to such court to appoint such commissioners. Such court shall hear such application and shall appoint three commissioners for the purposes aforesaid. If any commissioner, so appointed, shall die, be disqualified or decline to serve, the said court may, upon application by the said city attorney, or his representative upon like notice, appoint another in his place. Each of said commissioners, from the park fund herein provided, shall be paid five dollars for each day actually and necessarily employed as such commissioner.

Sec. 5. Section nine of said chapter one hundred and ninety-three of the laws of eighteen hundred and eighty-eight, is hereby amended so as to read as follows:

Sec. 9. After the report of said commissioners shall be so filed, the said park commission shall give notice by publishing the same in ten successive numbers of the official paper of the city, that they will, on a day to be specified in said notice, apply to the Supreme Court of the state of New York for an order confirming the report; and, on a day, so appointed, the said court, upon proof of the due publication of said notice, as in this section provided, shall confirm such report, and shall make an order of confirmation, containing a recital of the substance of the proceedings in the matter of the appraisal, and a description of the real estate appraised for which compensation is to be made; and shall also direct to whom the money is to be paid, or in what bank, or in what manner, it is to be deposited.

Sec. 6. Section fifteen of said chapter one hundred and ninety-three of the laws of eighteen hundred and eighty-eight, is hereby amended, so as to read as follows:

Sec. 15. For the purpose of paying for the lands which may be taken or purchased under the provisions of this act, and for the purpose of laying out, improving or embellishing the park or parks, parkways, approaches thereto, and connecting streets created under the provisions of this act, the bonds of the city of Rochester, to such an amount, not exceeding six hundred thousand dollars, as shall be necessary, shall be issued by the treasurer of said city, from time to time, as the same shall be required for the purposes aforesaid. Said bonds shall be known as the "Rochester Park Bonds," and shall be signed by the mayor and treasurer, and the seal of the city of Rochester affixed thereto; shall be countersigned by the president of said board of park commissioners, and shall be payable in not less than ten, nor more than forty, years from the date thereof; shall bear interest at a rate not exceeding four per centum per annum, interest and principal payable in the city of New York; interest payable half yearly, on the first days of January and July in each year; and said bonds shall be payable at the option of said city after ten years from the issue. And the proceeds of the sale of said bonds shall con-

stitute the funds for paying the cost of the lands taken under the provisions of this act, and the expenses of acquiring the title thereto, and for the laying out, improvement and embellishment thereof. And the treasurer of said city shall pay on the order of said park commissioners the sums which may be awarded, as above provided, to the owner or owners, or persons in any way interested in the lands which shall be taken pursuant to the provisions of this act, and the purchase price of lands obtained by agreement of purchase by said park commissioners. And, as the said bonds are, from time to time issued, the treasurer shall cause to be kept in his office, in a book to be provided for that purpose, true and correct statement and an account of each and every bond issued under the provisions of this act, showing the number of each bond, and the date and the amount thereof, and the time when due; such books shall be open for public inspection, and shall be delivered to his successor in office.

Sec. 7. This act shall take effect immediately.

ROCHESTER PARK COMMISSION,
Tuesday, January 26, 1892.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: At a meeting of the Board of Park Commissioners held on the 25th of January, 1892, the following resolution was passed, in regard to the amendment to the Park Law, a copy of which is contained in the foregoing instrument.

Resolved, That these amendments as read be adopted, and recommended to the Common Council for adoption by them, with the request that they be forwarded to Albany for presentation to the Legislature.

Seconded and carried unanimously.

Respectfully yours,

ARTHUR R. SELDEN, Secretary.

On motion of Ald. Lewis, laid on the table two weeks.

By Ald. Zimmer—

Resolved, That the Executive Board be requested to advertise and sell the buildings, fences, etc., which the city has acquired by the proceedings taken in the widening of Clinton Park.

Adopted.

By Ald. Tracy—

Whereas, The bill now pending before the Legislature of this state, known as the Cantor Bill, which divides the City into twenty wards, will, if the bill becomes a law, change the number of some of the present wards of the city without changing their boundaries, and

Whereas, It appears to be the sentiment of the citizens generally, that the first five wards of the city, being the original wards of the city as they existed when the city was first incorporated, should retain their present numbers,

Resolved, That the Senator and Member of Assembly representing this city be requested to take such action as will result in a change in the Cantor Twenty Ward Bill so that the first five wards of the city retain the numbers which they now have.

Ald. Lewis moved that the resolution lie on the table for two weeks.

Adopted by the following vote:

Ayes—Alds. Zimmer, Shelter, Wurtz, Adams, Cook, Fox, Lewis—7.

Nays—Ald. Tracy, Rauber, Lempert, Kelly—4.

Ald. Lewis moved that the Board proceed to appoint Commissioners of Deeds, and that the Clerk cast the ballot.

Adopted by the following vote:

Ays—Alds.—Tracy, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Cook, Fox, Kelly, Lewis—11.

Joel E. Soles, Walter H. Hill, Margaret Wood, Stephen Zielinski, Louis P. Beck, E. C. Stephens, Isaac De Mallie, William H. Shaw,

William J. Hawkins, Miles Rosenbluth and Charles F. Mertz having received the concurrent vote of the Common Council were declared appointed Commissioners of Deeds.

On motion of Ald. Wurtz the Board then adjourned.

PETER SHERIDAN, City Clerk.

In Common Council—January 30, 1892.

SPECIAL MEETING.

Ald. Thomas McMillan, President of the Board, presiding.

Present—Alds. Tracy, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Cook, Fox, Bohrer, Kelly, Lewis—14.

By Ald. Lewis—
To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your Law Committee begs leave to make the following report:

Through a misunderstanding between the counsel in the case of David K. Bell, et al, as the Board of Health of the Town of Brighton, against the city and your Law Committee, a resolution was passed at the last regular meeting, January 26, 1892, ordering the City Clerk to pay the judgments recovered in the action against the city only upon receiving from the plaintiffs a stipulation vacating the injunction and releasing the city and its officers from all damages which said plaintiffs, or said board might be entitled to by reason of the violation of said injunction. Inasmuch as the city cannot compel the plaintiffs in said action to vacate said injunction and release the city from the payment of the judgments recovered, the plaintiffs refusing to grant such stipulation we recommend that said resolution be reconsidered, and that a resolution be adopted paying the judgments in said action upon the delivery and filing with the City Attorney of satisfactions of said judgments.

In the matter of the resolution of the Church street re-assessment, passed by this Common Council of July 28, 1891, we find that, inasmuch as the assessment is greatly increased by reason of the litigation upon the original assessment, and that a large number of the parties assessed are desirous of having the time of payment extended as long as possible under the charter, we, therefore, recommend that said resolution be reconsidered, and that a new resolution be adopted ordering said re-assessment may be paid in five equal payments, as provided for by section 198 of the city charter. In the matter of the applications of George

Burling, C. C. Laney, Theodore J. Vogel, Frank B. Allen, H. W. Guthrie, Arthur H. Bloom, Edward Fitzgerald, H. L. Lambkin, C. L. Bartels and Norman A. McPherson for appointment as Commissioners of Deeds, we recommend that the petitions of the above parties be granted.

In the matter of the sale of old No. 10 school site, we would recommend that said property be sold, pursuant to the charter, upon sealed bids, to the highest responsible bidder, reserving to the city the right to reject any and all bids so filed, and that such sale be advertised in five daily newspapers of the city, to wit: The Democrat and Chronicle, the Union and Advertiser, the Post-Express, the Morning Herald, and the Evening Times for one week, and that such bids be filed with the City Clerk.

Respectfully submitted,

MERTON E. LEWIS,
MARTIN J. CALIHAN,
S. D. W. CLEVELAND,
Law Committee.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the resolution adopted by this Common Council at its last meeting, January 26, 1892, in respect to the payments of the judgments in the action of David K. Bell et al. as the Board of Health, etc., against the city, be, and the same hereby is, reconsidered.

Adopted.

By Ald. Lewis—Resolved, That the resolution adopted by this Common Council at its last meeting, January 26, 1892, in respect to the payments of the judgments in the action of David K. Bell et al. as the Board of Health, etc., against the city, be, and the same hereby is, indefinitely postponed.

Adopted.

By Ald. Lewis—Resolved, That upon the delivery and filing with the City Attorney of satisfactions of the judgments in the case of David K. Bell et al. as the Board of Health, etc., against the city, that the City Clerk be, and he hereby is, directed to draw an order on the City Treasurer, payable to said plaintiffs, or their attorneys, for the sum of two hundred and forty-five dollars and thirty-six cents, with interest on one hundred and seventy-four dollars and fourteen cents from October 25, 1889, and on seventy-four dollars and twenty-two cents from April 5, 1890, and the Treasurer is hereby directed to charge such amount to the Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Callhan, McMillan, Zimmer, Rauber, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Fox, Bohrer, Lewis—13.

By Ald. Lewis—Resolved, That the resolution adopted by this Common Council on July 28, 1891, ordering a re-assessment for Church street improvement be, and the same hereby is, reconsidered.

Adopted.

By Ald. Lewis—Resolved, That the resolution adopted by this Common Council on July 28, 1891, ordering a re-assessment for Church street improvement be, and the same hereby is, indefinitely postponed.

Adopted.

By Ald. Lewis—Whereas, The Common Council, upon the 22d day of March, 1881, did duly enact an ordinance for the opening of a street to Sophia street, in said city; and

Whereas, The amount of damages for the taking of lands and premises necessary for said street has been ascertained to be the sum of \$145,656.13; and

Whereas, The sum of \$1,415 has been received for material sold, and credited to the fund for the opening of said street, leaving the amount necessary to be assessed for the same the sum of \$144,241.13; and

Whereas, The portion of said city which said Common Council deemed would be benefited by, and should be assessed for, said improve-

ment, is described as follows, viz: The entire First ward; also all that portion of the Second ward bounded on the east by the Genesee river, and on the west by Sophia street, lying south of the south line of Centre street; and

Whereas, The said Common Council did, on the 23d day of January, 1883, duly assess said last mentioned amount upon the lots and parcels of land within the territory above described, and did designate John Lutes, E. J. Galentine and E. L. Pottle special assessors to make an assessment upon the lots and parcels of land, as required, and in the manner required by the charter of the City of Rochester; and

Whereas, The said assessors duly filed the assessment roll for said improvement, and after hearing of the allegations and proofs of all persons complaining of said assessment, who appeared, the said assessment roll was by said Common Council duly confirmed; and

Whereas, By a judgment of the Supreme Court, affirmed by the Court of Appeals, in an action in which Frank W. Elwood was plaintiff and the City of Rochester and Ambrose C. McGlachlin, as treasurer of said city, were defendants, said assessment, imposed as aforesaid, was vacated and set aside, and the same declared illegal and void, for want of jurisdiction in making the assessment; and

Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of, and connected with, said improvement, including the interest on said assessment to the date of this re-assessment, and any and all interest that the city has paid, or has, or shall, become liable to pay upon account of any or all orders, notes or bonds issued by the city to pay the expenses of said improvement to be the sum of \$270,971.38; now, therefore be it

Resolved, That a re-assessment for said improvement, including said interest, costs and expenses, be made, and that the assessors of said city, if they are not interested in any of the property within the portion or part of the city so deemed benefited and directed to be re-assessed, or of kin to any person so re-assessed; or if any two of said assessors are not so interested, and are not of kin to any person so re-assessed, then such two shall proceed to make a re-assessment upon the property described in said ordinance for the opening of said street, as nearly, as may be, to the advantage which the said lots and parcels of land within the territory directed to be re-assessed shall be deemed to receive by the making of said improvement, in accordance with the revised city charter, in such case made and provided. It is further

Resolved, That the parties so re-assessed may pay their assessments in five equal payments, as follows: One-fifth within thirty days from the time that the Treasurer shall advertise the same, as provided by the city charter; one-fifth within one year from the confirmation of said roll; one-fifth within two years thereof; one-fifth within three years thereof, and one-fifth within four years thereof. On all sums paid prior to the maturity of the last installment, a discount will be allowed at the rate of six per cent. per annum.

Adopted by the following vote:

Ayes—Ald. Tracy, Callhan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Fox, Bohrer, Lewis—14.

By Ald. Lewis—Resolved, That the Law Committee be and hereby is authorized to advertise for sale old No. 10 school site, upon sealed bids, to be filed with the City Clerk, the city reserving the right to reject any and all bids so filed as may be for the best interests of the city and that such sale be advertised for one week in each of the daily papers of said city, to wit: The Democrat and Chronicle, the Union and Advertiser, the Morning Herald, the Post-Express and the Evening Times.

Adopted.

Communications from the Mayor and other executive officers and their reference:

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, Feb. 4, 1892.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: In pursuance of a resolution adopted by your honorable body requesting the Executive Board to take such proceedings as necessary in the matter of the closing or discontinuance of that portion of Lowell street, extending westerly from North St. Paul street, would report that said proceedings have been completed, and herewith is attached the papers executed in the proceedings together with the tracing of a map showing the direction, width and length of the street so discontinued for public uses.

Respectfully,
THOS. J. NEVILLE, Clerk.

AN ACT to amend chapter fourteen of the laws of eighteen hundred and eighty, entitled "An act to further amend chapter one hundred and forty-three of the laws of eighteen hundred and sixty-one entitled, 'An act to amend and consolidate the several acts in relation to the charter of the City of Rochester,' and to consolidate therewith the several acts in relation to the charter of said city," and the several acts amendatory thereof and supplementary thereto, and as amended by chapter five hundred and sixty-one of the laws of eighteen hundred and ninety.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section two hundred and forty-six of chapter fourteen of the laws of eighteen hundred and eighty, entitled "An act to further amend chapter one hundred and forty-three of the laws of eighteen hundred and sixty-one, entitled, "An act to amend and consolidate therewith the several acts in relation to the charter of the City of Rochester," and to consolidate therewith the several acts in relation to the charter of said city and as amended by chapter five hundred and sixty-one of the laws of eighteen hundred and ninety, is hereby amended by adding to the end thereof, the following:

But said judges, or either of them, in any action or proceeding upon a trial by jury before either of them, shall have a right, and it shall be their duty, or the duty of either of them, in a proper case, and for like cause, to direct the verdict of a jury, as to the manner of rendering the same, and as to the amount thereof, in the same manner, and to the same effect, and subject to the like objections and exceptions, as the verdicts of a jury in the courts of record of this state.

Sec. 2. Section two hundred and forty-nine of said chapter fourteen is hereby amended, by adding to the end thereof, the following:

Whenever any judgment shall, at any time hereafter, be rendered in and by said court, and shall be, at any time hereafter, filed and docketed in the office of the clerk of Monroe county, the said judgment shall become a judgment of the county court of Monroe county, and any suit, action or proceeding thereon may be had, taken or instituted, at any time within twenty years from the time of the rendition of said judgment by said municipal court, the same as if said judgment had been rendered by said county court.

Sec. 3. Section two hundred and fifty of said chapter fourteen is hereby amended, so as to read as follows:

Sec. 250. In all actions brought in this court, there shall be allowed by way of indemnity to the prevailing party, and included in the judgment, the following sums, as costs:

1. When the damages recovered amount to twenty-five dollars, but do not amount to one hundred dollars, the sum of three dollars.

2. When the damages recovered amount to one hundred dollars, and do not amount to three hundred dollars, the sum of five dollars.

3. When the damages recovered amount to three hundred dollars, and do not amount to five hundred dollars, the sum of seven dollars.

4. When the damages recovered amount to five hundred dollars, and do not amount to seven hundred dollars, the sum of ten dollars.

5. When the damages recovered amount to seven hundred dollars, or over, the sum of fifteen dollars.

6. When issue has been joined, and an actual trial had, upon a question of fact, there shall be allowed to the plaintiff, in addition to the sums hereinbefore specified, where the damages recovered do not amount to the sum of two hundred dollars, the sum of five dollars.

7. When the damages recovered amount to two hundred dollars, and do not amount to the sum of four hundred dollars, the sum of seven dollars.

8. When the damages recovered amount to four hundred dollars, and do not amount to seven hundred dollars, the sum of ten dollars.

9. When the damages recovered amount to seven hundred dollars and over, the sum of fifteen dollars.

10. And, if on such trial, the defendant prevails, he shall be entitled to have judgment against the plaintiff for the amount of the fees and disbursements allowed the defendant by law, and, also, additional costs, as follows:

11. When the plaintiff shall have demanded in his complaint, or sought to obtain upon the trial, judgment against the defendant for any amount under two hundred dollars, the sum of five dollars, and when two hundred dollars, and less than four hundred dollars, the sum of seven dollars; and when four hundred dollars, and less than seven hundred dollars, ten dollars; and when over seven hundred dollars, fifteen dollars.

12. For the actual trial of an issue of fact, joined in a summary proceeding, the sum of five dollars.

But, neither of the trial fees above mentioned shall be allowed to the prevailing party, unless he appears by attorney, or by the clerk of any attorney; and the said judges, or either of them may direct that the pleadings on the joinder of any issue shall be in writing, and filed, and, when a judgment of non-suit, or no cause of action, is rendered on such trial, the defendant shall be entitled to have judgment entered against the plaintiff for the amount of fees, costs and disbursements allowed the defendant by law, and, also, the additional costs provided for in this act.

13. In all actions and proceedings within the jurisdiction of a justice's court of the cities and towns of this state, the said city may charge and collect, and there shall be paid into said court, the same fees and costs as provided by law for justice's courts, as provided in and by this act, except as herein otherwise provided, and, in addition thereto, said clerk or deputy clerk shall be entitled to demand, and there shall be paid into said court, for the use and benefit of the city, the following fees and costs:

For the actual trial of an issue of fact, when the amount demanded by either of the parties in their respective pleadings, is over one hundred dollars, to be paid by the party or parties demanding the same, twenty-five cents for each additional hundred, or part thereof, so in excess of one hundred dollars.

14. And, for entry of judgment by default, for any sum less than one hundred dollars, the same fees as are now allowed by law in justice's court, and the sum of twenty-five cents for each additional hundred dollars, or part of a hundred dollars.

Sec. 4. Section two hundred and fifty-two of said chapter fourteen is hereby amended, so as to read as follows:

Sec. 252. The said court may have a clerk, to be appointed by said judges; such appointment to be in writing, and filed with the Clerk of Monroe county. He shall take the usual oath of office, and file the same in said Clerk's office, and shall hold the said office during the pleasure of said judges, and shall give bail for the faithful performance of his duty, in such form, and for such sum, and with such sureties as shall be approved by said judges, and file the same with the Treasurer of said city. It shall be the duty of said clerk to keep the docket of said court, a complete and accurate record of all process issued and returned to said court of all proceedings in any action or proceeding brought in said court, and to enter in said docket the judgments and decisions of said court. And said docket shall be evidence in the courts of this state to the same extent

as the docket of a justice of the peace. It shall also be the duty of said clerk, and the deputy or deputies hereinafter mentioned, to keep a record and account of all moneys paid into said court, or received by said clerk or said deputy clerk. The said clerk, being the custodian of the moneys coming into said court, to whom the deputies hereinafter mentioned shall report and account for the moneys coming into their hands as deputy clerk or clerks of said court.

The said judges may appoint, and at pleasure remove, one, and if said judges shall deem it necessary, two stenographers for said court, each of whom shall be a deputy clerk of said court. The said judges shall file a certificate of the appointment or removal, so made by them, in the office of the clerk of Monroe county. Before executing the duties of this office, each stenographer, so appointed, shall take and subscribe the constitutional oath of office, and file the same with the clerk of said county, and shall give bail for the faithful performance of his duty, in such form, and for such sum, and with such sureties, as the judges of said court shall approve, and file the same with the Treasurer of said city. It shall be the duty of such stenographer to take stenographic minutes of the testimony and other proceedings in all cases tried before the court, except when the judge sitting at the trial shall dispense with his services. He shall transcribe fully and at length the minutes of each case, so taken by him, in written or printed characters, when so directed by the court, and file the same with the Clerk, who shall cause the same to be preserved with other papers in the case. The said stenographer shall preserve the original minutes taken by him, which shall be filed in the office of the Clerk of said court. He shall deliver to his successor in office all the minutes taken by him which shall not have been filed with the clerk, and shall act in all other matters connected with his office in accordance with the direction of the judges, and he may, after he shall have filed his minutes, furnish to anyone applying therefore a transcript of said minutes, and may charge and receive therefor from the person to whom he shall furnish the same, the sum of three cents for each folio of one hundred words contained in said transcript. It shall also be the duty of the stenographer, or clerk or deputy to make and file in Monroe county clerk's office all returns on appeal in cases in which the minutes of testimony are taken by said stenographer, such return to be made in type or ordinary writing, and certified by the judge who tried the cause. It shall also be the duty of such stenographer or stenographers to act as deputy clerks, in the absence or inability of said clerk, or when the exigencies of the business of such court requires, or upon the request, of either of the judges of said court, and, when acting as such deputy clerk, he shall be clothed with the same powers as provided in and by this act for the clerk said court, and to perform such other duties pertaining to the business of said court as said judges may require.

Sec. 5. Section two hundred and fifty-three of said chapter fourteen is hereby amended so as to read as follows:

Sec. 253. In all actions and proceedings brought in said court, the said clerk, or deputy clerk, shall demand and receive pre-payment of all such fees for process, making out and filing bonds, undertakings, affidavits, together with such fees for trial, judgment and other fees as are allowed by law in justices' courts; also fees for jurors, when a jury trial is demanded, from the party demanding, in all cases wherein justices' courts have jurisdiction. And, in addition thereto, such other costs, fees and disbursements as are allowed by this act. And said clerk, or deputy clerk, shall keep an accurate minute in such case or proceeding upon the docket of said court, and a daily itemized account of the same, and at the end of each

month, shall deposit the amount thereof with the Treasurer of said city. The statement thereof, to be verified by said clerk, or, in his absence, or inability to act, by the said deputy clerk, to be a true and correct account, and that the same embraces all the moneys paid into said court during the period covered by said statement.

Sec. 6. Section two hundred and fifty-four of said chapter fourteen is hereby amended, so as to read as follows:

Sec. 254. Said judges shall each be paid in monthly payments, from and after the time this act takes effect, an annual salary of not less than thirty-five hundred dollars, to be fixed by the Common Council of said city, as other salaries are fixed, and shall receive to their own use no fees or other compensation for services as judges of said court. The said clerk shall be paid, in monthly payments, an annual salary of not less than twelve hundred dollars, to be fixed by said Common Council, and said stenographers or deputy clerks shall each be paid in monthly payments, an annual salary of not less than eight hundred dollars, to be fixed by said Common Council.

Sec. 7. This act shall take effect immediately.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: In respect to the charter amendments proposed on behalf of the Municipal Court, the following reasons for their passage are respectfully submitted.

FIRST.

As to the first proposed amendment, the judges now have a right to non-suit the plaintiff, on behalf of the defendant, when the facts proven do not constitute a cause of action, and there is no reason why the judges should not have the right, on behalf of the plaintiff, to direct the verdict of the jury, when the facts proven by the defendant constitute no defense.

SECOND.

As to the second proposed amendment, the judgments of the Municipal Court, when docketed in Monroe County Clerk's Office, should be put on a par with the judgments of a court of record. The bringing of actions in this court should not be discouraged by the fact that a six year's statute of limitation apply to the judgments thereof, as against a twenty years' statute of limitation to the judgments of a court of record, for the reason: Judgments can be recovered more expeditiously in this court, and with less expense to the litigants, and to the people at large.

THIRD.

As to the third proposed amendment: By the laws of 1890, the jurisdiction of the Municipal Court was increased from \$500 to \$1,000, and no provision made for the payment to attorneys, as an indemnity to the prevailing party, of any additional costs. An attorney will charge more to collect \$1,000 than he will \$500, and the purpose of the amendment is to meet this charge.

FOURTH.

As to the fourth amendment. The fees now paid into the court for the benefit of the city are very small, and just the same if the amount litigated is one dollar or \$1,000, or if the amount for which judgment is entered is for one dollar, or \$1,000. This does not seem just, and the purpose is to charge twenty-five cents more on each additional hundred, or part of one hundred dollars, over and above the first hundred dollars, for trying the cause, or for entering judgment, which will hardly be felt by the party in whose favor the judgment is rendered, and will increase the income of the court, in proportion to the increased expenses proposed by any and all of these several amendments.

FIFTH.

As to the fifth proposed amendment: The

overcrowded condition of the daily calendar of this court requires it. It now frequently happens that the parties have to wait from two to five weeks longer than they wish, before their cases can be reached and tried. The business of the court has more than doubled in the last ten years. The judges now have to write all the testimony in litigated cases in long hand, which is a slow and tedious way of taking testimony; a waste of time, in a sense, of the judges, the attorneys, the parties and their witnesses. With a stenographer, the business of the court will be expedited and increased, by reason of the fact that it can be done more expeditiously and satisfactorily to the parties and their attorneys. Hence the income of the court will be increased, and such increased business can be done more rapidly and easily than it is to-day by the slow process of taking testimony in long hand.

SIXTH.

As to the sixth proposed amendment: The business of the court has doubled within the last ten years. Hence the work to be done by the judges has proportionately increased. This fact is shown, in that, while the fees paid into said court for the benefit of the city have not been changed, the amount paid annually into the treasury of the city has more than doubled, as the following figures will show:

Paid into the City Treasury in 1882....	\$2,510 10
Paid into the City Treasury in 1883....	2,992 50
Paid into the City Treasury in 1884....	3,263 00
Paid into the City Treasury in 1885....	3,557 00
Paid into the City Treasury in 1886....	3,405 10
Paid into the City Treasury in 1887....	3,506 45
Paid into the City Treasury in 1888....	3,565 00
Paid into the City Treasury in 1889....	3,799 65
Paid into the City Treasury in 1890....	4,595 65
Paid into the City Treasury in 1891....	5,308 95

These figures do not include any fees in actions for or on behalf of the city, or its officers, as such, which, if considered, would largely swell the above amounts.

But second. By chapter 561 of the laws of 1890, the jurisdiction of the Municipal Court was increased from \$500 to \$1,000, in other words, prior to 1890, an action could be brought in said court, and a judgment recovered therein, to the amount of \$500, and no more. The change made it \$1,000, and no more, thus largely increasing the duties and responsibilities of the judges, without any increased compensation therefor.

Third. The judges of the court are underpaid in fact, and by comparison with the salaries paid other officers and judges in this and other cities.

The Judge of the County Court, in which a judgment for damages cannot be rendered for any larger amount than in the Municipal Court, receives a salary of \$5,000 per annum.

The Police Justice is paid an annual salary of \$3,700; the City Attorney, \$4,200; the Assistant City Attorney, \$3,500.

The Municipal Court of the City of Buffalo has a jurisdiction of \$500, but pays its judges \$4,000 each per annum, \$8,000; its Clerk, \$1,300; its Deputy Clerk, \$1,100; its Stenographer, \$1,200. Total, \$11,600; and paid into the city treasury of the city of Buffalo last year, as certified by the clerk of that court, \$6,000. And the suggestion is ventured that there is not a city court in the State of New York, with a jurisdiction of \$1,000, that does not pay more salary to its judges than this amendment asks.

It must be remembered that the law requires that this court shall be held each day of the year, Sundays and legal holidays excepted, and that the judges are hereby practically debarred from the practice of law. That, at present, inclusive of the business done for the city, for which the city pays no fees, this court practically pays its own expenses, and does not cost the taxpayers anything. While its savings to the city and county are apparent, in that many cases are tried and disposed of in this

court, that would otherwise be tried in the County Court, and every day saved the County Court is more than \$100 saved the county and city, as shown by the daily expense of the County Court, about as follows: Thirty-six Trial Jurors, at \$2 each per day, \$72; Stenographer, \$10; five court attendants, at \$2 per day, \$10; two side judges, sitting with County Court and Court of Sessions, say \$8; County Court crier, \$3. This makes \$103 per day, exclusive of the salary of the Judge and the incidental expenses of that court, and it may be safely calculated in this way that this court saves the city far more than its total cost, if it paid nothing into the treasury, saying nothing of its benefits to the public, nor of the manner in which it subserves the business interests of the city.

With the proposed increase in the fees to be paid into the city by the fourth amendment, it is believed by the judges that if all the proposed amendments are adopted, the court will be nearly, or quite, as self-sustaining as now, and that it will not practically cost the city anything. It is the only city office except city sealer that by its fees charged therein does practically pay its own expenses, and, in common justice to the judges thereof, ought they not to be paid as much as this amendment proposes to allow?

They ask it, because they earn it, as shown by the above facts, and upon no other grounds.

Respectfully submitted,

GEORGE E. WARNER,
THOMAS E. WHITE.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN:—We, the undersigned members of the bar of the City of Rochester, do hereby respectfully request your honorable body to adopt the annexed proposed amendments to the charter of the City of Rochester, in relation to the Municipal Court, and ask that the said amendments be sent by your body to the Legislature for passage:

CITY TREASURER'S OFFICE, }
ROCHESTER, N. Y., Feb. 6, 1892. }

To the Finance Committee of the Common Council.

GENTLEMEN:—I have to report that I have made a thorough examination of the receipts and disbursements in the City Treasurer's office for the month of January, and that I find all entries in the several books have been accurately and justly made, and that all departments of the city's business is being conducted in a manner deserving of commendation.

The cash called for by the ledger balances, as on hand and on deposit, on the morning of the 3d inst. was as follows: Cash in office, \$7,362.27; in Central Bank, \$8,020.53; in Traders National Bank, \$7,640.23; in German-American Bank, \$11,887.88. The cash was counted by me and found correct, and, by in-

quiry at the several banks, I found no discrepancies between the accounts above named.

Respectfully submitted,

JOHN BOWER.

Ordered received, filed and published.
By Ald. Cleveland—

To the Honorable, the Common Council of the city of Rochester.

GENTLEMEN:—The General Tax for the year 1888 on lot 7 on the north side of University avenue was paid on the 30th day of July, 1888, and by an error there was a certificate issued for the same tax to W. W. Chapin, on the 28th day of March, 1889, thus making a duplicate payment of such tax.

I therefore would respectfully ask that I be authorized to redeem the said certificate of Mr. Chapin and charge back the said amount to their proper accounts.

Respectfully,

S. B. WILLIAMS, Treas.

Ordered received, filed and published.

By Ald. Cleveland—Resolved, That the City Treasurer be and he hereby is authorized to refund the money that is due on the certificate held by W. W. Chapin, on lot on University avenue, for the tax of 1888, and charge said amount to General Tax of 1888, and interest on assessments.

Adopted by the following vote:

Ayes—Aids. Tracy, Callhan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis—14.

By Ald. Wurtz—Petition for Electric Lights on Leavenworth Place. Referred to the Lamp Committee and City Surveyor.

By Ald. Wurtz—

CITY SURVEYOR'S OFFICE, }
ROCHESTER, N. Y., Feb. 9, 1892. }

Ald Wurtz, Chairman of Map and Survey Committee:

DEAR SIR:—John C. Ryan is entitled to the sum of one hundred and eighty-three dollars and eighty-five cents (\$183.85), for work completed under his contract for the survey of the first fourteen wards of the city. I recommend the payment of that amount.

Respectfully submitted,

OSCAR H. PEACOCK, City Surveyor.

Order received filed, and published.

By Ald. Wurtz—Resolved, That the City Clerk be and hereby is directed to draw an order on the City Treasurer for the sum of one hundred and eighty-three dollars and eighty-five cents (\$183.85) in favor of John C. Ryan, as partial payment for work performed under his contract with the City of Rochester for the survey of the first fourteen wards of the city, and charge the same to the Contingent Fund.

Adopted by the following vote:

Ayes—Aids. Tracy, Callhan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Wurtz, Adams, Bierbrauer, Fox, Bohrer, Lewis—13.

By Ald. Adams—Petitions for Electric Lights on Brunswick street and Oakland Park. Referred to the Lamp Committee and City Surveyor.

Also petition for Medina stone or granite block pavement on East Main street. Referred to the Surveyor to prepare an ordinance.

Also petition for Medina stone pavement on Weld street. Ordered received and filed.

Also remonstrance against an asphalt pavement on Weld street. Ordered received and filed.

By Ald. Adams—Whereas, The Rochester Gas Company has been requested to extend its gas mains through Wellington avenue, Bronson avenue and Bismark street, and said company being also requested to enter into a contract for lighting said territory for a period of five years at the price of 5 cents per light per night, as set forth in the report of the Lamp Committee adopted December 15, 1891; and

Whereas, Said Gas Company consider said price not sufficient to properly compensate them; therefore

Resolved, That said Rochester Gas Company be and hereby is requested to lay the proposed gas mains, and light the territory in question at the rate indicated in a communication presented to the Common Council by said Gas Company, January 12, 1892, and a contract be entered into accordingly by the Mayor of said city with said company.

Adopted.

By Ald. Bohrer—Whereas, The hereinafter described property has been selected by the Park Commissioners as proper and desirable ground for a public park; and

Whereas, A map of said lands and a copy thereof have been duly made and filed, as required; therefore

Resolved, That the City of Rochester hereby declares its intention to take the property hereinafter described for a public park and park purposes, and that notice of such intention be published pursuant to the statute in such cases made and provided.

The following is a description of the property intended to be taken: All that tract or parcel of land situate in the City of Rochester, County of Monroe, New York, commencing at a point in the center line of Elmwood avenue, at which point the said center line of Elmwood avenue intersects the east shore of the Genesee river; thence south 86 degrees and 20 minutes east on the center line of said Elmwood avenue to the westerly boundary line of the New York, Lake Erie & Western Railroad; thence southerly on the said westerly boundary line of the said New York, Lake Erie & Western Railroad to the northerly line of property acquired from Horace Boughton and others by the City of Rochester, N. Y., on March 22, 1889; thence westerly on the said northerly line of said property acquired from said Horace Boughton and others, to the east shore of the Genesee river; thence northerly on the east shore of the said Genesee river to the place of beginning, containing seven and fifty-five one hundredths (7 55-100) acres of land, more or less.

Adopted by the following vote:

Ayes—Ald. Tracy, Callihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Wurtz, Adams, Bierbrauer, Fox, Bohrer, Lewis—13.

By Ald. Lewis (by request)—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN:—About one year ago an ordinance was adopted by your honorable body, for the licensing of stationary engineers, and the undersigned were appointed examiners to conduct the examinations, and issue the licenses to such parties as should prove themselves competent to perform their duties. The ordinance went into operation on April 1st, and it provided that each applicant for a license should pay to the City Treasurer the sum of two dollars, before taking his examination. The ordinance further provided, that the compensation to be paid to the examiners, should be at the rate of fifty dollars per year, an in no event was it to exceed the amount of money received from the candidates for examination. At this date the Examining Board have examined and issued licenses to three hundred and fifty-four persons, and have received and turned in to the City Treasurer, two dollars from each of such candidates. It will be readily seen that the salaries of fifty dollars each for three examiners amount to very much less than the moneys which have been received from the persons who have been examined, and inasmuch as the duties of the examiners have been arduous, and they have been compelled to give up large portions of their time to the performance of their duties, and have spent many evenings until late hours in examining the per-

sons who presented themselves for licenses, that the compensation which they have received for their services is very small. The undersigned believe that the work which they have performed, and the services which they have rendered to the city are worthy of better remuneration, and they respectfully request, that your honorable body will consider the matter and take such steps looking to an increase in the salaries to be paid to them, as shall to the members of the Common Council seem just and right.

Referred to the Charter Amendment Committee.

By Ald. Lewis—Petition of John C. Schult to erect a wood building. Permission granted.

By Ald. Lewis—Resolved, That the resolution of this Common Council, found on page 368 of the current proceedings, providing for the payment of the judgments in favor of John Paine vs. the City of Rochester, be, and the same hereby is, reconsidered.

Adopted.

By Ald. Lewis—Resolved, That the resolution of this Common Council, found on page 368 of the current proceedings, providing for the payment of the judgments in favor of John Paine vs. the City of Rochester, be, and the same hereby is, indefinitely postponed.

Adopted.

By Ald. Lewis—Resolved, That upon the delivery and filing with the city attorney proper satisfactions of judgments in the case of John Paine against the City of Rochester, the City Clerk be, and he hereby is, directed to draw an order on the City Treasurer, payable to the order of plaintiff, or his attorneys, for three hundred and forty-nine dollars and ninety-two cents (\$349.92), together with interest, on \$272.42 from the 2d day of April, 1890, and on \$77.50, from April 18, 1891, and the City Treasurer is hereby directed to charge said amount to Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Callihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Wurtz, Adams, Bierbrauer, Fox, Bohrer, Lewis—13.

By Ald. Lewis—

Whereas, The charter amendments which were prepared and handed to Senator Parsons, for introduction into the Senate, have not been passed by the Legislature; and

Whereas, One of such amendments provides for the election, at the annual election in March of a City Auditor; and

Whereas, It is necessary before such an election is to take place, that the nominations be made within a very few days, and the importance of such election, and the passage of such an amendment is acknowledged by every one; therefore

Resolved, That the Senator and Assemblyman from this district be requested to urge upon the Legislature the necessity of the immediate passage of such an amendment, and to use every effort to secure the passage of such amendment without further delay.

Adopted by the following vote:

Ayes—Ald. Tracy, Callihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Wurtz, Adams, Bierbrauer, Fox, Bohrer, Lewis—13.

Ald. Lewis moved that the Clerk certify a copy of the above resolutions to the Senator and Member of Assembly from this district at once.

Adopted.

By Ald. Lewis—Resolved, That Senate Bill No. 28 introduced in the Senate of the State of New York by Hon. C. R. Parsons, on January 12, 1892, entitled "An act to authorize the issue of bonds of the City of Rochester, to pay for an additional water supply," be and the same is hereby approved, and the Senator and Assemblyman from this district be urged to secure the final passage of such bill at as early a date as possible.

Adopted by the following vote:
 Ayes—Alds. Tracy, Callinan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Wurtz, Adams, Bierbrauer, Fox, Bohrer, Lewis—13.
 Ald. Lewis moved that the Clerk certify a copy of the above resolution to the Senate and Member of Assembly from this district at once.
 Adopted.
 Upon motion of Ald. Adams the Board then adjourned.

PETER SHERIDAN, City Clerk.

In Common Council—Feb. 23, 1892.

By Ald. Cook—Resolved, That the resolution of this Common Council, passed January 12, 1892, and published on page 403, of the current proceedings, directing a re-assessment for East Main street stone sewer, No. 4,174, be, and the same hereby is, reconsidered.

Adopted.

By Ald. Cook—Resolved, That the resolution of this Common Council, passed January 12, 1892, and published on page 403, of the current proceedings, directing a re-assessment for East Main street stone sewer, No. 4,174, be, and the same hereby is, indefinitely postponed.

Adopted.

By Ald. Cook—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of, and connected with, the following improvement, including any and all interest that the city has paid, or has or shall become liable to pay, upon account of any and all orders or notes issued by the city to pay the expenses of such improvement, adjudged by this Common Council, as thus reported, and the portion or part of the city on which the said expense is directed to be assessed, and which this Common Council deems to be benefited by the improvement, is stated and described in the final ordinance relative to the improvement, and that the name and expense of the improvement thus to be assessed is as follows:

No. 4,174, East Main street stone sewer, \$30,500.42.

And it is further determined that the taxpayers to be assessed for making the foregoing improvement may pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll, and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment, a discount will

be allowed at the rate of six per cent. per annum. And the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited and directed to be re-assessed, or if any two of said assessors are not interested, then such two, are hereby directed to make a re-assessment upon all the lots and parcels of land within the portion or part of the city designated and directed to be assessed, of the amount of the expense of such improvement, in proportion, as nearly as may be, to the advantage which the said lots and parcels of lands within the territory to be thus re-assessed for such improvement shall be deemed to receive by the making of the improvement.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Ald. Bierbrauer—

MERTON E. LEWIS,
Lamp Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved, That the Rochester Electric Light Company, the Brush Electric Light Co., and the Edison Electric Illuminating Company, be, and are each respectively directed to comply with that portion of the report of Lamp Committee relating to each individual company, when notified by the City Surveyor; and he is hereby directed to make the proper notification, with such directions as may be necessary to insure the correct location of each.

Adopted by the following vote:
Ayes—Alds. Tracy, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

By Ald. Shelter—
To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Your Committee on Support and Relief of the Poor begs leave to make the following report:

In the matter of the communication of Ald. Cleveland tendering his resignation as a member of this Committee, and making certain charges against its members in respect to the ordering of goods for the support of the poor, we find, after fully investigating the matter, the following facts:

His charge is that "goods are bought in large quantities by some one man, and the balance of the Committee not even consulted in regard to prices or quality." This is not true in any respect.

For many years prior to the administration of this Committee, it had been the custom to allow each one of its members, regardless of politics, to name one butcher and one baker from whom the Overseer of the Poor should order such meat and bread as were necessary for his department. At the first meeting of this Committee the matter of securing supplies was taken under consideration. There was a full attendance and it was thought best to receive bids to furnish meat to the Poor Department. Pursuant to this determination, the Committee received bids and at its next meeting the bids received were opened. The bid of O'Kane Brothers was one cent a pound lower than all the rest with the condition attached that they were to furnish all the pork and corn beef required during the ensuing year. Objections were made in the Committee and department to granting O'Kane Brothers the contract, upon the ground that this firm had at times heretofore furnished to the Poor Department meat which was so tainted and so unwholesome that it could not be used and had to be returned to them.

After the fullest discussion of the matter, the Committee became fully convinced that it was not for the best interests of the poor to accept the bid of O'Kane Brothers, and it was unanimously decided that each member of the Committee should select a butcher from whom the Overseer of the Poor could order meat for the Department at the figure named by the next lowest bidder. It was also decided at this time that each member should name a baker to whom the Overseer could give his orders. At this meeting every member was present, and a resolution was passed by the Committee requesting each member thereof to hand in a name of a butcher and baker to Mr. Ritzenthaler, the Overseer of the Poor. Each member of the Committee did hand in such a name to whom the Overseer should give his orders without any interference, advice, or further suggestion on the part of any member. The Overseer has been ordering meat and bread for the poor from the persons named according to his own judgment and the amount ordered has been as equally distributed among them as it was possible for the Overseer to do. Ald. Tracy handed in the name of O'Kane Brothers as his party from whom he wished the Overseer to order meat.

During the administration of this Committee, the Overseer has been obliged several times to return the meat to O'Kane Brothers furnished to the department on account of its being so badly tainted and so unwholesome as to be unfit for use. On one occasion it was so bad that the Overseer threatened to call in the meat inspector if this firm insisted upon sending such meat to the Poor Department.

Under this arrangement the Overseer continued to order his supplies until some time in the early part of December it was reported that Ald. Cleveland had assumed the responsibility of giving to the Overseer an additional name of a butcher and a baker. This was done by him without any authority or knowledge of the other members of the Committee. After it became known to them that Ald. Cleveland had assumed this responsibility, contrary to the resolution passed by the Committee, the Chairman called the Committee together, having notified every member, including Ald. Cleveland. At this meeting Ald. Cleveland was not present. The matter of Ald. Cleveland's action

was discussed, and, he not having been present, it was finally resolved that the Chairman should call upon him for an explanation of his action, and learn from him whether he intended to have the butcher and baker named by him at the beginning of the year, viz: C. & L. P. Herzberger and Sister Hieronymo, respectively, continue to furnish goods to the department, or whether he desired to have the ones more recently named by him substituted in their place. At the following meeting of the Committee, which Ald. Cleveland did not attend, it was reported by the Chairman that the Alderman had suggested that the resolution originally adopted by the Committee should be changed so that each member should name two butchers and two bakers instead of one.

After a full and lengthy discussion of the matter, it was decided by this Committee in session that each member should have the privilege of naming but one butcher and baker from whom the Overseer could order goods, and that, inasmuch as Ald. Cleveland had suggested new names, the Overseer should take the new names instead of the old ones. This resolution was, however, in part reconsidered, in so far as to allow Sister Hieronymo to remain on the list instead of the one suggested by Ald. Cleveland in her stead.

Further than this, no member of the Committee has ever had anything to do with the ordering of supplies for the Poor Department. We annex the communication of the Overseer of the Poor, which substantiates this report, in that no member of the Committee has assumed any responsibility for ordering goods for the Poor Department, except as hereinbefore stated. The matter of giving orders for supplies for that department has been left to the good judgment and discretion of the Overseer, and, so far as this Committee can ascertain, no one member of the Committee has ever attempted to dictate to the Overseer except Ald. Cleveland himself.

We, therefore, recommend that inasmuch as Ald. Cleveland has misrepresented the facts in respect to the acts and transactions of the Poor Committee, and is desirous of resigning from such Committee, that his resignation be accepted.

Respectfully submitted,

HENRY SHELTER,
JULIUS WURTZ,
MAHLON B. ADAMS,

Committee on Support and Relief of the Poor.

ROCHESTER, N. Y., February 9, 1892.

To Ald. Shelter, Chairman of the Poor Committee:

DEAR SIR:—At the request of your committee in regards as to whether any of the members has taken the responsibility of ordering goods for the Poor Department, I hereby make this statement that there has not been any goods whatever, ordered by your members, since your organization last spring.

B. RITZENTHALER,
Overseer of the Poor.

Ordered received, filed and published.
By Ald. Tracy Whereas, Serious charges have been made regarding the official character of certain members of the Poor Committee of the Common Council; and

Whereas, The people have a right to know whether the trusts imposed upon their representatives have been fulfilled and if they have not been fulfilled, to what extent they have been violated; and

Whereas, The people must look with suspicion upon a report of the affairs of said committee made by members of the committee whose acts have been called in question and who assume to sit as judges in their own case; therefore

Resolved, That in order that a fair and impartial investigation of the actions of the present Poor Committee may be made and that a report thereon may be laid before the people so that they may have the opportunity to judge of the fitness or unfitness of certain candidates

for office prior to the next election, that John Bower, Esq. be, and he hereby is, authorized and requested to make immediately an investigation into the affairs of the Poor Committee and to file his report thereon with the Mayor for publication on or before Friday, March 4th, at a cost not to exceed Fifty dollars.

Ald. Shelter moved that the resolution lie on the table and that the Mayor appoint a committee of three to investigate the Poor Department and report back to this Board at its next meeting.

Lost by the following vote:

Ayes—Aids. Shelter, Adams, Lewis—3.
Nays—Aids. Tracy, McMillan, Zimmer, Rauber, Lempert, Cleveland, Wurtz, Cook, Fox, Bohrer, Kelly—11.

The resolution was then adopted by the following vote:

Ayes—Aids. Tracy, McMillan, Zimmer, Rauber, Lempert, Cleveland, Wurtz, Cook, Kelly—9.

Nays—Aids. Shelter, Adams, Fox, Bohrer, Lewis—5.

Ald. Shelter moved that when the Board adjourn it be for one week.

Adopted.

Ordered received, filed and published.

By Ald. Fox—Resolved, That the City Assessors be and they are hereby directed to include in their assessments for water works purposes, the property embraced in the foregoing list of streets of the old Fifteenth and Sixteenth wards of the city, "known as the territory taken from the Towns of Irondequoit, Brighton, Gates and Greece," this day presented to the Common Council, with the certificate of the Executive Board, that said property has under the provisions of the city charter become jointly liable with the old territory of the city (the original fourteen wards) for such portions of the water debt as now remains unpaid.

Adopted.

By the Clerk--

MONROE COUNTY COUDEL--IN THE MATTER OF THE OPENING EXTENSION OF LORRAIN PARK IN THE CITY OF ROCHESTER.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN:—The undersigned, who were appointed by an order of the Monroe County Court, duly granted on the 21st day of December 1891, and duly entered on the 26th day of December, 1891, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants, of the lands and buildings to be taken for the opening extension of Lorraine Park, from its present terminus to Masseth street, in the City of Rochester, will be entitled to for the same, respectfully report and certify the several pieces and parcels on land the premises, to be taken for such improvement, the names, residences, and the rights of the owners thereof, and their award of damages, as incident to the opening and extension of said park, as follows:

The several pieces and parcels of land required for such purpose, and necessary for the opening and extension of said park, are described as follows:

All that tract or parcel of land, situate in the City of Rochester, County of Monroe and State of New York, bounded and described as follows:

Beginning at the southeast corner of Lorraine park, in said city; thence south, along the east line of Lorraine park, a distance of two (2) feet, to the north line of lands owned by Benjamin Masseth; thence west, along said north line of lands of said Benjamin Masseth, and the north line of lands of Edward A. Masseth, to the west line of Lorraine park; thence north, along the west line of Lorraine park, a distance of two (2) feet; thence east, to the place of beginning. Being a strip of land two (2) feet in width at the south end of Lorraine park, reserved at the time of the opening of said park.

These premises are owned by Jacob W. Brayer, Nicholas Brayer, John M. Brayer, Clara M. Brayer, Elizabeth Brayer, William W. Brayer, George E. Brayer, Mary Odenbach and Margaret C. Howe, as the heirs at law of Michael Brayer, deceased, all of the City of Rochester.

Also, all that other tract or parcel of land, situate in the city, county and state aforesaid, bounded and described as follows:

Beginning at the southwest corner of lot twenty-nine, on the north side of Masseth park, in said city, as said lot appears in the final judgment and decree in partition, granted May 27th, 1884, and entered in the Monroe county clerk's office in Liber 41 of Decrees, at page 60; thence north, along the west line of said lot twenty-nine, one hundred and thirty-three and one-tenth (133.1) feet, to the northwest corner of said lot twenty-nine; thence east, a distance of one and ninety-five hundredths (1.95) feet, along the north line of said lot twenty-nine, to a point in the east line of Lorraine park extended; thence south, on a line parallel with, and one and ninety-five hundredths feet distance from the line firstly above described, to a point in the south line of said lot twenty-nine, and the north line of Masseth park; thence west, along the south line of said lot twenty-nine and north line of Masseth park, to the place of beginning.

These premises are owned by Benjamin Masseth, who resides at Butler, Pennsylvania.

Also, all that other tract or parcel of land, situate in the city, county and state aforesaid, bounded and described as follows:

Beginning at the northeast corner of lot thirty-one (31), and situate on the north side of Masseth park in said city, as said lot appears in the final judgment and decree, in partition, granted May 27th, 1884, and entered

in the Monroe county clerk's office in Liber 41 of Decrees, at page 60; thence south, along the east line of said lot thirty-one, a distance of one hundred and thirty-three and one-tenth feet, to the south line of said lot thirty-one, and the north line of Masseth park; thence west, along the south line of said lot thirty-one, and the north line of Masseth park, a distance of thirty-three and five-hundredths (33.05) feet, to a point; thence north, on a line parallel with, and thirty-three and five-hundredths feet distance from, the line firstly above described, to a point in the north line of said lot thirty-one and the west line of Lorrain park extended; thence east, along the north line of said lot thirty-one, to the place of beginning.

These premises are owned by Edward A. Masseth, who resides in the City of Rochester, and are subject to the lien of a certain mortgage for \$1,000.00, given to Michael McRoden by said Edward A. Masseth and Mary E. Masseth, his wife, dated October 6th, 1886, and recorded in Monroe county clerk's office, in Liber 278 of Mortgages, at page 333.

Therefore, we, the subscribers, the commissioners having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matter submitted to us at the city attorney's office, in the city hall building, Rochester, N. Y., pursuant to a notice of, at least, ten days published according to law, and having taken a view of every part of the respective premises affected by this proceeding, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon, determine and appraise the damages which the several owners, (there being no tenants or occupants other than such owners,) of the several premises thus to be taken for the opening and extension of said park, will severally sustain by being deprived thereof, and fix the compensation which the aforesaid owners respectively shall receive therefor, as follows:

The awards hereby made, after deducting all taxes and assessments which have become a lien upon the lands described, to be paid as hereinafter provided.

To Jacob W. Brayer, Nicholas Brayer, John M. Brayer, Clara M. Brayer, Elizabeth Brayer, William W. Brayer, George E. Brayer, Mary Odenbach and Margaret C. Howe, as the heirs at law of Michael Brayer, deceased, for the parcel firstly above described, the sum of one dollar, to be deposited to their credit in the Rochester Savings Bank, subject to the order of the Court in the premises, the said Jacob W. Brayer being a person of unsound mind.

To Benjamin Masseth, for parcel secondly above described, the sum of one dollar, payable to him.

To Edward A. Masseth, for parcel thirdly above described, the sum of three hundred and fifty (\$350.00) dollars, payable to Michael McRoden, mortgagee, aforesaid.

Dated, Rochester, N. Y., February 9th, 1892.

F. S. MINGES,
JOHN M. CARROLL,
FRED W. SMITH,
Commissioners.

Ordered received, filed and published.

By Ald. Kelly—Resolved, That the next meeting of the Common Council, to be held Tuesday evening, March 1st, 1892, be, and the same hereby is, designated as the time when any objections to the confirmation of the report of the commissioners in the matter of the opening and extension of Lorrain park, in the City of Rochester, will be heard.

Adopted.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y. Feb. 23, 1892.

To the Common Council.

GENTLEMEN:—The attention of the Executive Board having been called to the condition of

Maple Alley and deeming the outlay necessary for the work so large as would not warrant an expenditure from the highway fund, this Board therefore recommends that an ordinance be introduced for the proposed grading of the alley in accordance with the prayer of a petition submitted to your body from the property owners interested.

Respectfully,

THOS. J. NEVILLE, Clerk.

Referred to the City Surveyor.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

MONROE PARK PLANK WALK.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on Monroe park.

Adopted.
 The Surveyor submitted as such estimate, \$190.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The construction of a pine plank walk, 4 feet and 8 inches in width on each side of Monroe park, from the west end thereof to Oriole street. Also the necessary sidewalk grading and gutter formations.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$190, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Monroe park, from the west end thereof to Oriole street, in proportion to the benefit which each will derive therefrom.

Adopted.

SUNNER PARK CURB AND GUTTER.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Sunner park.

Adopted.
 The Surveyor submitted as such estimate, \$3,500.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The improvement of Sunner park, from Monroe avenue to Richards street, by the construction of a line of curb stone and flag and paving stone gutter on each side thereof between the limits mentioned. The curb lines to be parallel with and 15 feet out from the street lines. Also the construction of a similar curb and gutter around the small areas or

parks located in the southern end of the street. Also the construction of the necessary surface sewers and crosswalks.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$3,500, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Sunner park, from Monroe avenue to Richards street, in proportion to the benefit which each will derive therefrom.

Adopted.

EAST MAIN STREET MEDINA STONE OR GRANITE BLOCK PAVEMENT.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving a portion of East Main street.

Adopted.

The Surveyor submitted as such estimate, \$55,000.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The improvement of East Main street, from East avenue and Franklin street, respectively, to University avenue, by constructing a Medina or Granite block stone pavement therein with a line of Medina stone curb and flag stone gutter on each side thereof where necessary, properly connected with all lateral streets, alleys and driveways. Width of main roadway between curb lines to be 50 feet. Also the construction of all necessary crosswalks, surface sewers, manholes, lot laterals, water and gas services and water gate boxes.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$55,000, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of East Main street, from East avenue and Franklin street, respectively, to University avenue, in proportion to the benefit which each will derive therefrom.

Adopted.

WENTWORTH STREET GRADING, SEWER AND WALK.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Wentworth street.

Adopted.

The Surveyor submitted as such estimate, \$3,800.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The improvement of Wentworth street, from West avenue to Brown street, by grading the street for its full width, setting a line of Medina stone curb on each side thereof, properly connected with all lateral streets, alleys and driveways; the construction of a Portland cement walk four feet in width on each side of said street, and the construction of a vitrified pipe sewer twelve inches in diameter, from a point 100 feet north of West avenue to a point 100 feet south of Brown street, discharging into the New York street sewer, also the construction of the necessary lot laterals, manholes, surface sewers and branches.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$3,800, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly

ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Wentworth street, from West avenue to Brown street, in proportion to the benefit which each will derive therefrom.

Adopted.

MARTIN STREET SPRINKLING.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling Martin street, from Gorham street to Lowell street.

Adopted.

The Surveyor submitted as such estimate, \$288.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The sprinkling of Martin street, from Gorham street to Lowell street, during the season of 1892.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$288, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Martin street, from Gorham street to Lowell street, in proportion to the benefit and advantage which each will derive therefrom.

Adopted.

MAIN STREET STONE SEWER.

By Ald. Rauber—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Main street.

Adopted.

The Surveyor submitted as such estimate, \$18,000.

By Ald. Rauber—Resolved, That the following improvement is necessary, viz:

The removal of the present sewer and the construction of a new stone sewer, 21-2 by 3 feet with arch and invert in size in Main street, from a point 15 feet east of the east line of Elm street to the shaft in the present Main street sewer near the east line of Water street. Also the construction of the necessary manholes, surface sewers, lot laterals and branches, the deepening of the present lot laterals and the connection of all main sewers.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$18,000, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Main street, from Water street to Franklin street and East avenue, respectively, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Wurtz—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment in an order, resolution or ordinance, at 7 o'clock P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser, notice thereof as is required and in the manner specified by Section 172 of the City Charter.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Feb. 23, 1891.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Agreeably to your direction, heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Adopted by the following vote:

Ayes—Ald. Tracy, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis.—14.

The ordering of an assessment for the widening of Clinton Park, from Monroe Place to Griffith street, came up. Allegations were called for and no persons appearing, Ald. Zimmer submitted the following:

LOCAL IMPROVEMENT ASSESSMENT.

By Ald. Zimmer—Whereas, Notice for this meeting of at least four days, giving the parties interested an opportunity to be heard upon the subject of making this order, having been duly published and allegations having been called for, and all persons desiring to be heard having been heard, and,

Whereas, The amount of damage for the land and the expense of the above mentioned improvement (widening Clinton Park) have been ascertained and hereby is adjusted and fixed by this Common Council at the sum of \$39,545.65 and which is hereby adjusted and fixed by this Common Council at said amount.

And the portion or part of the city on which the said expense is to be assessed, is described as follows:

One tier of lots and parcels of land on each side of South Clinton street from East Main street to Monroe Place; one tier of lots and parcels of land on each side of Clinton Park, from Monroe Place to the Erie Canal; one tier of lots and parcels of land on each side of Court street, from a point opposite the east line of South street to Cortland street; one tier of lots and parcels of land on each side of Monroe Place, from South street to Monroe avenue, and one tier of lots and parcels of land on each side of Howell street, Marshall street and Griffith street, respectively, from South street to Broadway; also all that territory lying in the old Twelfth ward of the city included within and described by the following boundary lines, viz: Beginning at the intersection of the center of the Erie Canal with the center of Goodman street; thence southerly along the center of Goodman street to the south line of the said old Twelfth ward; thence westerly along the south line of the Twelfth ward to the center line of Mt. Vernon avenue; thence northerly along the center of Mt. Vernon avenue to the center of Nicholson

Park, thence northerly along the center of Nicholson Park to the center of Grand street; thence easterly along the center of Grand street to the center of Whalen street; thence northerly along the center of Whalen street to the center of Averill avenue; thence easterly along the center of Averill avenue to the center of Bond street; thence northerly along the center of Bond street and in said line continued to the north line of Hamilton Place; thence easterly along the north line of Hamilton Place, including one tier of lots and parcels of land on the north side thereof, to Pinnacle avenue, thence northerly and westerly along Pinnacle avenue, including one tier of lots and parcels of land on the westerly and southerly sides thereof to a point 300 feet east of south avenue, measured along the south line of Pinnacle avenue; thence northerly at right angles to Pinnacle avenue to the center of the Erie canal; thence southerly along the center of the Erie canal to the place of beginning. Also one tier of lots and parcels of land on each side of Comfort street, from Pinnacle avenue to a point 350 feet west thereof, measured along the south line of Comfort street. Also one tier of lots and parcels of land on West Alexander street from Pinnacle avenue to a point 350 feet west thereof, measured along the north line of West Alexander street. Also one tier of lots and parcels of land on each side of Pinnacle avenue from Goodman street to the city line.

Therefore, Resolved, That said expense be assessed upon said portion or part of the city, and the assessors of said city not interested in any of the property so benefited and not of kin to any person so interested, or if any two of said assessors are not so interested or of kin, then such two are hereby directed to make an assessment upon all the lots and parcels of land and houses within the portion or part of the city above designated, of the said amount or expense in proportion as nearly as may be to the advantage which each shall be deemed to receive by the making of said improvement. And it is further determined that the taxpayers to be assessed for making such improvement, must pay their assessment within thirty days from the date of the first publication of the advertisement of the notice of the assessment roll by the City Treasurer.

OFFICE OF THE EXCISE BOARD,

CITY BUILDING, FRONT STREET,

ROCHESTER, N. Y., Feb. 23, 1892.

To Whom It May Concern:

I hereby certify that William Heubner obtained a license for hotel No. 158 Franklin street, August 17, 1891, and paid therefor the sum of \$60. On the first day of February, 1892, he made application to have said license transferred to No. 252 North Clinton street, and was informed that the transfer could not be made owing to the fact that the place was not a hotel. William Heubner was granted a license for ale, beer and store, and paid the regular fee of \$50 for the same. Mr. Heubner now desires a rebate on the first license granted him, which he only used six months.

JAMES MALLEY,

Clerk Excise Board.

Referred to the Police and Excise Committee.

By Ald. Lewis:

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN: Your Law Committee begs leave to submit the following report:

In the matter of the claim of Jacob Lindsay for damages caused by the pollution of Thomas creek, running through his premises, we find that the resolution passed January 26, 1892, allows damages at the rate of \$75 per annum from January 25, 1886, when such damages ought to have been allowed to said Lindsay from April 10, 1884, and we, therefore, recommend that said resolution be reconsidered and indefinitely postponed in that particular, and a resolution passed that Jacob Lindsay be allowed, in settlement of his damages, to begin from said April 10, 1884.

The claim of Frederick Roesch for damages caused by the pollution of Thomas creek, running through his premises was considered, and we find that he has also begun an action against the city, asking damages from July 24, 1886, and that he is entitled to such damages, and can recover the same against the city; that a proposition has been made by his attorneys to settle the claim at the rate of \$150 per year, to begin July 24, 1886, and we, therefore, recommend that the same be accepted.

The claim of Elizabeth Mock Schake for similar damages has also been considered by your committee, and we find that there is now an action pending against the city for damages to begin July 24, 1886, and that she is entitled to the same, and, she, having made a proposition to this committee to settle said claim at the rate of \$150 per year, to begin July 24, 1886, we recommend that the same be accepted.

In the matter of the application of Louis Mantz, John D. Coffey, James L. Bruff and Thomas Miller for appointment as Commissioners of deeds of the city, we recommend that the same be granted.

All of which is respectfully submitted.

MERTON E. LEWIS,
HENRY G. COOK,
THOS. McMILLAN,
MARTIN J. CALIHAN,
WILLIAM H. TRACY,
Law Committee.

Ordered received, filed and published.

By Ald. Lewis:

Resolved, That so much of the resolution passed January 26, 1892, by this Common Council, granting to Jacob Lindsay the sum of \$75 per annum for damages caused by the pollution of Thomas creek, running through his property, to begin January 25, 1886, be, and the same hereby is, reconsidered.

Adopted.

By Ald. Lewis:

Resolved, That so much of the resolution passed January 26, 1892, by this Common Council, granting to Jacob Lindsay the sum of \$75 per annum for damages caused by the pollution of Thomas creek, running through his property, to begin January 25, 1886, be, and the same hereby is, indefinitely postponed.

Adopted.

By Ald. Lewis:

Resolved, That upon the certificate of the City Attorney that stipulations of discontinuance of the actions, and dismissals of appeals,

where appeals have been taken, of the following named parties against the city, have been made, and that releases of any and all of claims by, or on the part of, said parties against the city, by reason of the discharge of sewage from any of the sewers of the city into Thomas creek, at any time before the orders hereinafter mentioned, and rights, privileges or easements within the city into said creek, have been duly executed, acknowledged and delivered to him, the clerk be, and he hereby is, directed to draw orders upon the treasurer, payable from the Contingent Fund, to the parties named below, or to their attorneys, whose names may appear in said certificate, amounts for costs and disbursements of their actions, as certified to by the City Attorney, and the further sums, at the rates per annum set opposite their respective names, from the times below set forth, to the dates when said orders shall be drawn:

Names of parties,	Rates per annum.	Date from which annual pay't begins.
Frederick Roesch.....	\$ 150 00	July 24, 1886
Elizabeth Mock Schake...	150 00	July 24, 1886

Ayes—Alds. Tracy, Calihan, McMillan, Zimmer, Lempert, Shelter, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—13.

ROCHESTER, N. Y., March 1, 1892.

To the Honorable, the Common Council of the city of Rochester:

GENTLEMEN: Your committee having examined various petitions and resolutions relating to the location of public lights, presents the following recommendations, viz:

That a Brush arc light be erected on the corner of North street and Alphonus avenue.

That the Brush arc light erected temporarily in front of the new No. 10 School Building on Chatam street, be made permanent.

Where large shade trees exist on any street, lights to be suspended on cranes, reaching to near middle of the street.

Summary of Lights Erected.

2 Brush arc lights erected @ 27c per night each.....\$0 54

Total increase in cost per night.....\$0 54
Respectfully submitted.

J. MILLER KELLY,
Lamp Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved, That the Brush Electric Light Company, be, and is respectfully directed to comply with the report of the Lamp Committee, when notified by the City Surveyor; and he is hereby directed to make the proper notification, with such directions as may be necessary to insure the correct location of each light.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Zimmer, Lempert, Shelter, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—13.

COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—Report of John Bower on investigation of the affairs of the Poor Committee was read by the Clerk and on motion of Ald. Lewis

Ordered received and filed.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., March 9, 1892.

To the Common Council:

GENTLEMEN:—The Executive Board has instructed me to inform your honorable body that the appropriation for care and mainten-

ance of streets for the year ending on the first Monday of April next, is about expended; and it will be necessary to provide the sum of eight thousand dollars (8,000), in order that the work of street cleaning and the removal of rubbish and ashes may be properly done until such time as funds are raised for the several departments of the city government for the ensuing year.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.
By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., March 9, 1892.

To the Common Council:

GENTLEMEN:—The Executive Board respectfully calls your attention to erection of the portico in front of the entrance to the Ellwanger & Barry building on State street, a privilege granted by your honorable body at the meeting held November 17, 1891.

In view of the fact that like privileges have been petitioned for by I. W. Butts, F. W. Elwood and others, and referred to the Executive Board to determine upon the expediency of allowing such permanent obstructions to be erected on the walks, the Executive Board respectfully protests against granting such use of the walks, so far as its authority in the premises exists.

Your honorable body has enacted laws prohibiting the obstruction of the walks and requests their enforcement by the Executive Board, and it, therefore, would seem inconsistent, if not illegal, to permit the erection of the structures above mentioned.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.
By the Clerk—

FEBRUARY, 27, 1892.

To the Common Council:

GENTLEMEN:—As counsel for the proprietors of the Rochester Cotton Mill Company, I am directed to ask attention to the proposition heretofore made to accept the sum of one thousand dollars, in full for the easement desired by the City, in making the proposed enlargement of Front street outlet sewer, through and under the land's of said Cotton Mill Company. It is my understanding that the terms have been substantially agreed upon, and that the payment of the agreed sum and the execution of the necessary grant of the easement remain to be done, in order that the contractor may enter upon his work.

I desire to invite prompt action on the part of your honorable body, to the matter, to the end that the existing obstacles to the commencement and prosecution of the work on said company's land may be removed.

Very respectfully,
CHAS. S. BAKER.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

MAPLE ALLEY GRADING.

By Ald. Wurtz—Resolved, That the City Surveyor ascertain and report to this Council the expense of grading Maple Alley.

Adopted.

The Surveyor submitted as such estimate, \$562.

By Ald. Wurtz—Resolved, That the following improvement is necessary, viz:

The grading of Maple Alley, from East Maple street to Jefferson avenue.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$562, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Maple alley, from East Maple street to Jefferson avenue in proportion to the benefit which each will derive therefrom.

Adopted.

The first ordinance for Wentworth street widening came up.

On motion of Ald. Shelter the ordinance was postponed four weeks.

SEWER IN COBB STREET, AVERILL AVENUE AND BECKLEY STREET.

By Ald. Rauber—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a pipe sewer in Cobb street, Averill avenue and Beckley street. Adopted.

The Surveyor submitted as such estimate, \$2,025.

By Ald. Rauber—Resolved, That the following improvement is necessary, viz:

The construction of a vitrified pipe sewer, 12 inches in diameter in Cobb street, from a point 125 feet east of the east line of Alexander street, measured on the north line of Cobb street, to the center of Averill avenue; in Averill avenue, from the center of Cobb street to the center of Beckley street; and in Beckley street, from the center of Averill avenue to the sewer in Meigs street; also the construction of the necessary manholes, surface sewers, lot laterals and branches.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$2,025, which estimate is hereby approved.

Resolved, further, that the following portion of said City is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Cobb street, from a point 125 feet east of the east line of Alexander street, measured on the north side of Cobb street, to Averill avenue; one tier of lots and parcels of land on each side of Averill avenue, from the center of Cobb street to the center of Beckley street; also one tier of lots and parcels of land on each side of Beckley street, from Averill avenue to Meigs street, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Wurtz—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment in an order, resolution or ordinance, at 7 o'clock P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser notice thereof as is required and in the manner specified by Section 172 of the City Charter.

FINAL ORDINANCES.

CITY CLERK'S OFFICE.

ROCHESTER, N. Y. March 9, 1892.

To the Honorable, the Common Council of the city of Rochester.

GENTLEMEN:—Agreeably to your direction, heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. L., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your Honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from

the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required by all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Wednesday evening, March 9, 1892, at 7 o'clock P. COMMUNICATIONS FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

To the Honorable, the Common Council of the City of Rochester.

GENTLEMEN:—I herewith return to you without my approval the following ordinance, passed at your meeting February 23, 1892:

FINAL ORDINANCE NO. 4,756.

JEFFERSON AVENUE PIPE SEWER.

On motion of Ald. Rauber, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct pipe sewers in Jefferson avenue between Flint street and Plymouth avenue.

And after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of a vitrified pipe sewer 12 inches in diameter in Jefferson avenue, from a point 70 feet south of Flint street to the sewer in process of construction in Magnolia street; also from a point 60 feet south of Magnolia street to the sewer in Seward street; also from a point 60 feet south of Seward street, meas-

ured on the east side of Jefferson avenue, to the sewer in Plymouth avenue; also the construction of the necessary lot laterals, branches, surface sewers, manholes, roadway grading and gutter formations.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$4,300, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Jefferson avenue, from Flint street to Plymouth avenue.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

The owners of property on Jefferson avenue between Flint street and Plymouth avenue do not require a sewer at present, there is no objection to have the terminus of Jefferson avenue sewer at Flint street. For this and other reasons I return this Final Ordinance unapproved. Attached is a petition of the owners of property between Flint street and Plymouth avenue on Jefferson avenue.

WILLIAM CARROLL, Mayor.

The undersigned property owners on Jefferson avenue between Flint street and Plymouth avenue, hereby remonstrate against the ordinance for pipe sewer in Jefferson avenue, between Flint street and Plymouth avenue:

- J. C. Copeland, 500 feet, 10 James street.
- Edwin A. Medcalf, 325 feet, 4 Granger place.
- Delia Lamson, 112 feet, 408 Jefferson avenue.
- Jennette Hurd, (executor of L. D. Hurd's estate, 276 feet, Holley, N. Y.
- James P. Tumilty, 325 feet, Plymouth avenue.
- Elizabeth A. Patterson, Plymouth avenue.
- John Stein, 88 feet, Jefferson avenue.
- James Murphy, 44 feet, Columbia avenue.
- John J. Culliton, 42 feet, 55 Bartlett street.
- W. H. & B. O'Kane, 360 feet, 339 Jefferson avenue.

Ordered received, filed and published.
The President stated the question to be, shall the ordinance stand notwithstanding the objections of His Honor the Mayor.

The Mayor's veto was overruled by the following vote:

Ayes—Ald. Tracy, McMillan, Zimmer, Lempert, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—13.

By the Clerk--
CITY ATTORNEY'S OFFICE, }
ROCHESTER, N. Y., March 16, 1892. }

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN:—I learn that the bill amending chapter 347 of the laws of 1890 has received the Governor's approval and that steps are about to be taken for a prompt prosecution of the work on the East Side Trunk Sewer.

The ordinances for that improvement published on page 120 of the current proceedings provides for an assessment upon certain territory in accordance with the provisions of chapter 347 of the laws of 1890.

Inasmuch as that act, by the amendment just approved, has been materially changed by increasing the rate of interest that may be paid on bonds from 3 to 4 per cent., it seems to me necessary to amend the ordinance by striking out the reference to the laws of 1890 and referring to the acts of 1892 by its proper chapter.

Very respectfully,
CHARLES B. ERNST,
City Attorney.

On motion of Ald. Lewis referred to the Law Committee.

ROCHESTER, N. Y., March 15, 1892.

To the Honorable Board of Aldermen:

GENTLEMEN: I hereby present all the names and business places where I have examined, sealed and marked all measures, weights and scales for the month of February:

 By Ald. Cleveland—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN:—Your Finance Committee begs leave to make the following report:
 The City of Rochester, by virtue of the general laws of the State of New York, is the owner of stock of the Genesee Valley Railroad Company, for the sum of \$300,000.00, which bears interest at the rate of six per cent., and said interest on the same is guaranteed to the City by the New York, Lake Erie & Western Railway Company. To enable the city to pay for said stock, it issued, pursuant to said laws, \$300,000.00 worth of bonds, bearing interest at seven per cent. By a resolution of the Common Council, passed August 13, 1872, \$200,000 of the aforesaid bonds were re-issued, and made payable, as follows: Four thousand dollars in each succeeding year, until the year 1903, when the balance, \$72,000, is payable. It was also provided by the aforesaid resolution that the interest payable from the aforesaid stock should be applied towards paying the yearly payments of four thousand dollars, and the interest on the bonds re-issued, and remaining unpaid, and the surplus of said interest on the stock to be deposited, on interest, from year

to year, for the purpose of providing a fund for the payment of the balance of said bonds, becoming due in 1903. By virtue of this resolution, the surplus of the aforesaid interest paid on the stock to the city has been deposited by the city treasurer in the several savings banks of this city, drawing four per cent. interest, and the same now amounts to \$81,005.26.

The interest which is paid yearly to the city of Rochester upon said stock, amounts to the sum of \$18,000. After paying the aforesaid yearly payments of \$4,000 on the aforesaid bonds, and the interest on said bonds remaining unpaid, there will be a surplus in the hands of the treasurer, in the year 1903, of the sum of \$88,605.26, after paying the interest and bonds issued by the city, as aforesaid:

The following is a detailed statement of the figures:

Cash on hand in banks to-day	\$ 81,005 26
Interest on \$300,000, Genesee Valley railroad stock, to 1903	198,000 00
<hr/>	
Total	\$279,005 26
Amount of interest paid by city on bonds	78,400 00
<hr/>	
Leaving a balance of	\$200,605 26
The amount for the payment of said bonds	112,000 00
<hr/>	
Leaving a surplus of	\$ 88,605 26

The City Treasurer carries from year to year on his books unpaid general city taxes in an amount ranging from \$80,000 to \$100,000, which is generally made up of small amounts. In order to make up this deficiency, the City Treasurer is obliged to make the city's note at six per cent., to carry this amount until the unpaid taxes are collected. Inasmuch as the proceeds of the aforesaid railroad stock has accumulated to the sum of \$81,005.26, and there will be paid upon said stock to the city of Rochester during the period ending in the year 1903, the sum of \$198,000, which leaves on deposit in said savings bank a large amount of money bearing only four per cent. interest, we recommend that a resolution be passed by this Common Council authorizing the City Treasurer to draw said sum of money now on deposit in said banks, and credit the same to a fund to be known and designated as the "Unpaid General City Tax Account;" to credit to said account all future payments of said interest on said \$300,000 Genesee Valley Railroad stock, and to pay out of said account the yearly payments of \$4,000 of said bonds, and interest remaining unpaid on said bonds, and the final balance of said bonds becoming due in the year 1903; the balance of said account to be used and devoted only to the payment of unpaid general city taxes, and, as fast as the same are collected, to be credited back to said account, with the interest accruing thereon. It is evident that this account will soon be self-sustaining, after all of said bonds and interest thereon are paid, and, we, therefore, recommend that such a resolution be adopted.

Respectfully submitted,

S. D. W. CLEVELAND,
HENRY SHELTER,
STEPHEN RAUBER,
J. MILLER KELLY,
Finance Committee.

Ordered received, filed and published.
By Ald. Cleveland—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to draw from the several savings banks of the city of Rochester all the moneys therein deposited as proceeds of the interest and dividends of the Genesee Valley Railroad Company stock, by virtue of the resolution of this Common Council, passed August 13, 1872, and credit all of said moneys to a fund to be known, designated and established as the "Unpaid General City Tax Account" of the City of Rochester; that said treasurer be, and

he hereby is further authorized and directed to deposit and credit to said account all future payments of said interest and dividends on said Genesee Valley Railroad stock; to pay out of said account the yearly payment of \$4,000 on the bonds known as the Genesee Valley Railroad bonds, and all interest remaining unpaid on said bonds, and the final balance of said bonds becoming due in the year 1903; that said treasurer be, and he hereby is, further authorized and directed to use and devote the balance of said account only to the payment of unpaid general city taxes, and as fast as said taxes are collected, after the same have been so paid by this account, the same to be credited back to this account, with the interest accruing thereon.

On motion of Ald. Cleveland, ordered received, filed and published, and laid on the table for two weeks.

By Ald. Cleveland—

To the Electrical Committee of the Common Council of the City of Rochester.

GENTLEMEN: Your Sub-Committee, which was duly authorized to thoroughly investigate the subject of installing and operating electric wires in underground sub-ways or conduits, would respectfully submit the following report:

We visited the cities of Chicago, St. Paul, Minneapolis, Pittsburgh, Philadelphia and Washington, at all of which points we were treated with extreme courtesy by the city officials, and every facility was given us for investigating the various types of conduits and methods of insulation.

CHICAGO.

In Chicago, most of the pioneer underground work has been done, and there we found several systems of conduit in use, viz: Dorset, and the Johnson conduit, iron pipe, wooden boxes, creosoted wood, and vitrified clay. These various systems are constructed in different ways: The Dorset system consists of blocks formed of a material, the ingredients of which are pitch, coal tar and fine gravel. The blocks were moulded with tubular openings, about two and one half inches in diameter from end to end, and are about four feet long and one foot cross section. These blocks are placed end to end in a trench, and are joined together by pouring between the ends a liquid compound composed of pitch and tar, which speedily hardens. This compound is prevented from entering the ducts by sleeves, which are placed in each duct, between the junction of every two blocks. This system is laid, in some cases, on a foundation of Portland cement, sand and limestone screenings, and, in other cases, this concrete is placed on all sides of the conduit, three inches in thickness. Wooden boxes, placed in a trench in which the wires are laid, and then filled in with an insulating compound, the cover of the box put in place, and the trench filled in. This system was one of the early methods used for the burial of wires, but is not used, to any great extent, now, as no additions to, or repairs of, the wires can be made, without tearing up the pavement. In addition to this wooden conduit, creosote wooden planks, grooved on the faces, so as to form circular ducts about two inches in diameter, when placed together, are used. The planks are, usually, about twelve inches wide, and about three inches thick, each being grooved for three ducts. In laying the conduit, a foundation of cement concrete is formed on the bottom of the trench, and irregularities on the sides are filled out with the same material, so as to hold the planks securely in place laterally, the construction being, in all respects, the same as was adopted by the Bell Telephone Company of our own city for the conduits recently laid in East Main, State street, and East avenue. The Johnstone conduit is a sectional cast iron conduit, laid in concrete cement.

The iron pipe used for carrying underground wires are wrought iron tubes two and one-half inches bore, in some cases, coated with coal tar, or asphalt varnish, put together with a threaded sleeve. In some cases these tubes have been laid in the earth without any other protection, and have also been laid in a bed of concrete which entirely envelops the different layers of pipe. Manholes are provided for all of these systems, built of brick, rectangular in form, about 46 inches long by 40 inches wide, 4 1/2 to 9 feet deep, with double iron covers, one of which is below the grade, and made water-tight, by packing, and the other, set on a level with the street surface. These manholes are placed from 230 to 450 feet apart. Distribution of the wires to the street lamps and buildings are made from the manholes by lateral conduits to the lamp post, and into the cellars or areaways.

It may be of interest to your Committee to quote some portions of an article bearing on the subject of underground wires in Chicago by John P. Barrett, City Electrician of that city, written about one year ago, in which he says:

"The inception of our underground system in Chicago occurred in 1878. The city electrical department erected a new pole line for fire alarm service through one of Chicago's select residence districts. The residents strenuously objected, and a committee of their number waited upon me in reference to the matter. I stated to them that the wires might be placed underground, but the city did not furnish the means for so placing them. They volunteered to defray the expenses, and the poles were removed, and 840 feet of two inch wrought iron pipe was laid, about three feet below the surface. In this pipe two Kerite wires were placed. These wires are in use today, and giving as good service as the day they were placed underground. From this date, the underground question was agitated, and in 1883, the Common Council passed an ordinance requiring all electric conductors to be placed underground. In accordance with this ordinance, the various companies doing business in this city, after exhausting all means to avoid it, adopted various systems for placing the wires underground, viz: Dorset & Johnstone conduit, iron pipe, wooden boxes, conduits of creosoted wood, and vitrified sewer pipe. The city took the initial steps, and up to the present date, has placed underground 20,441 feet of conduit, 474,097 feet of iron pipe, 1,200 feet of wood trough, 126,443 feet of cable, from 5 to 40 conductors, 120 miles of electric light cable, 65 miles of single wire, with 263 manholes, 168 hand holes.

The various companies have placed under ground 65 miles of conduit and 5,000 miles of wire. The wires, so placed under ground, embrace all branches of the service, viz: Telegraph, telephone, police, firealarm, electric light, etc. * * * * * All electric light and power wires are subject to a rigid inspection, under city ordinance, the inspector being appointed by the superintendent of city telegraphs. All electric light wires in the city are underground. Telegraph, telephone and electric light wires are placed in the same conduits. In 1883, a franchise was granted to the Sectional Electric Underground Company, to build underground conduits for commercial purposes. This company built about seven miles of conduit in the business district of the city, and rent space in the same. * * * * *

* The city being allowed the use of one duct, free of charge."

The article then describes the electric light plants owned and operated by the city (Chicago being one of the cities that furnishes their own light for streets and municipal buildings), after which the article states:

"In support of the practicability and safety of wires underground, I wish to submit the

following facts: We have had in use, for the last twelve years, 840 feet of underground wire which has given us excellent service, in the city telegraph department, and has not materially deteriorated. We have, in successful operation, for the last two years, a circuit, about five miles in length, carrying a current of 18 amperes, at a potential of 1,000 to 1,100 volts. We have had, in successful operation, for the past year, 53 miles of electric light cable, which has given us no trouble. In the various circuits used for city telegraph, telephone and electric lighting, we have wires and cables made by five different companies, over six miles of conduit, manholes, hand-holes, etc., and have not had a burnout, or gas explosion. In 1887, a company known as the Chicago Arc Light & Power Company was incorporated, and purchased all the plants then operating in the city, and also the franchise of the Sectional Electric Underground Company. This company does commercial lighting by means of underground wires exclusively, and is successively working currents at a potential of from 2,500 to 3,000 volts. The longest circuit used by that company is seven miles, carrying 2,500 volts. Two circuits have been connected by this company, and carrying 3,741 volts, have run all night, without injury. * * * * * An electric light post, possessing some peculiar advantages, has been designed and adopted. It consists of a hollow iron base, extending from the sidewalk a height of seven feet. A hollow wooden pole extends through the iron base, to a height of nine feet above it. The wooden post is firmly secured to the top and bottom of the iron base. There are two doors on opposite sides of this base, at the height of five feet from the sidewalk, and a removable panel is located near the bottom. In one of the doors is placed a wooden box, containing a double pole arc light switch. In the other, is a receptacle for a firealarm box. The advantages of this pole are many. First, and pre-eminent in importance, is the safety it offers to human life, as, in case of accident to the lamp, the workman can entirely disconnect it from the rest of the circuit, without a possibility of contact with the conductors, by throwing the switch near the base of the pole. The wooden pole is a semi-insulator, and much safer to work from than an iron one, should it be necessary to regulate the lamps while burning. We have ventilated our south side conduit by running a pipe from the mouth of the conduit to the chimney in the city hall. This has proved to be the most practical scheme for ventilating conduits that has come within my experience, and is one that can be readily and cheaply applied in any portion of the city. * * * * *

In conclusion, Mr. Barrett says: "I consider it practical to place electric conductors underground, and consider it the only safe place for heavy conductors, such as are required for the transmission of light and power. Our experiments with the underground wires, commenced in the early stages of the art, and up to the present time, we have been very successful, and I have no hesitation in asserting that we can work them to as high a voltage as would be considered safe on aerial lines. The only objection that can be raised against underground wires, to my mind, is simply the matter of first cost. As an offset to this objection, the service is more reliable, being removed from atmospheric influence or interference, needs less repairing, and, consequently, is cheaper in the end. I have found this to be true, after a long experience."

ST. PAUL.

In the city of St. Paul, a large brick subway, about six feet high and four feet wide, for the reception of all electrical wires was found in process of construction. Its length, when completed, will be about one mile,

through one of the principal streets. Besides this, the telegraph and telephone companies are also commencing to build conduits in some of the main streets. The extent of the work hitherto completed, is, however, comparatively small.

MINNEAPOLIS.

The city of Minneapolis has, at present, several miles of underground conduits for telegraph and telephone purposes. The telegraph and telephone wires and cables are placed in separate conduits, for the reason that no agreement between said companies as to joint construction has yet been reached. The Minnesota Brush Electric Light Company, of Minneapolis are now at work on an underground system, which, when completed, will be very extensive, comprising the whole business portion of the city, in the completion of which about 85 miles of cable will be used.

The system used by the Minneapolis street railroad company for the burial of its feeder wires, is the interior conduit system. The novelty of the system employed throughout, lies in the fact that there is not a railroad wire in sight in the heart of the city, except the trolley wire. The feeder mains and track feeders are contained in a conduit underground, the trolley wire connecting with the feeders by means of a sub-feeder through the hollow supporting poles. The conduit is located between the tracks, and is built as follows: Two inch plank, first treated by boiling in fernoline, is used for constructing a long trough of the desired size. This trough is so nailed together as to be continuous, and without joints from manhole to manhole, a distance of 408 feet. The trough is placed below the surface, at such a depth that the top is six inches below the paving blocks. The conduit proper consists of a number of heavy paper tubes of the Interior Conduit & Insulation Company's make. The tubes employed are one inch and one inch and a quarter in diameter, laid in the trough in ten foot lengths, and separated from each other, and the sides and bottom of the trough, by rings or spacers. The tubes are made continuous from manhole to manhole, by use of a telescopic joint. After the tubes have been properly put in place, pitch, liquified by heat, is poured in filling the interstices, and leaving a series of highly insulated wire ways, with a solid insulating filling, impervious to moisture around them. The system is the first installation of underground conductors ever made, in which bare copper wires were drawn into a conduit without other insulation than the conduit itself. There is, at present, about 60 miles of bare copper cable resting in the conduits. The insulation resistance on this entire amount of tubing, with overhead trolley, and outlaying feeders, as shown by actual tests is as high as 1,081,147 ohms. A large amount of this conduit has been in use since September, 1890, and has not developed a single fault. Some recent tests made by the electrician of the railroad company, shows very good results. They are as follows: Feeder A, 37,719,598 ohms; B, 18,647,000; C, 2,251,000; D, 10,298,000; E, 1,791,000; F, 1,815,000; G, 1,488,000.

PITTSBURG.

In the City of Pittsburgh considerable underground work was found in process of construction. An ordinance was passed by the Common Council of this city compelling all companies operating wires for electrical purposes to place the same underground by July 1, 1891. Among other conditions imposed allowing companies to place their wires underground, was the following: That all wires shall be three feet below the surface, and close to the curb; also, the city shall have the right to use the conduits for the wires of the Bureau of Electricity; the system shall always be under the supervision of the department of public safety, so far as the safety of the public, police and

fire apparatus are concerned. Under this ordinance, the telegraph companies have done considerable work, and a large amount is now well under way, they using the iron pipe conduit. The telephone company, on the other hand, has adopted the terra-cotta conduits, which are formed of a number of vitrified or glazed earthenware pipe, 18 inches long, square in sections on the outside, with a round hole three inches in diameter, extending through their length. Several of these pipes are placed side by side upon a cement concrete foundation in the bottom of the trench, and are held in place laterally by concrete filling on the sides next to the earth, after which a layer of cement mortar about one-half inch thick is spread over the top to form a bed for the next layer of pipes, and so on until the required number of ducts has been attained. The ends of the separate pipes are merely butted together, and reliance for water tightness is placed entirely upon the enveloping concrete and the intermediate layers of mortar a layer of concrete a few inches thick is also placed over the uppermost layer of pipes. A special feature of the telephone company's conduits is the fact of there being laid from ten to twelve feet below the surface of the street, near one curb line in order to avoid their disturbance hereafter by any alterations or repairs to the gas and water pipe systems, and house services. The conduits are laid for the exclusive use of telephone wires and cables.

PHILADELPHIA.

In Philadelphia much underground conduit work has been done. From the report of the Municipal Electrical Bureau for the year 1890, it appears that a large number of electric light and power wires and telegraph and telephone wires and cables are being successfully operated in a great variety of underground conduits, and as a matter of general interest, the following statistics are submitted: 977 different conduits, having an aggregate of 117.4 miles, and a total of 4,858 ducts, aggregating 780.2 miles, carrying 130.9 miles of electric light and power wires, and 1,220.6 miles of telegraph and telephone wires. The city owns sixty-four of these conduits, which have a total length of 16.28 miles, and contain 173 ducts of an aggregate length of 49.25 miles. The remaining conduits are owned by numerous private companies. The first city conduit was laid in 1886, and was essentially of an experimental character, consisting of a rectangular wooden trough in which the cables were laid and embedded solidly in pitch. While it served the purpose of illustrating the practicability of sub-structures for electrical purposes, it was found inadequate for the reason that no additions could be made to the number of cables, and that they could not be taken out for repairs. For their subsequent underground work, the city authorities then selected the McDonald conduit, which is composed of wood fibre saturated with some bituminous compound, and pressed in moulds into rectangular sections containing from four to six circular ducts. It also appears that a large amount of two and one-half inch wrought iron pipe and creosoted wooden tubes, four inches square outside, with a bore of two and one-half inches, has been laid for the use of the city. The private electrical corporations have constructed many similar conduits to those last described, as well as others of different design and more elaborate character. The trunk line conduits of the Bell Telephone Company in Market street, consists of a large number of two and one-half inch wrought iron pipe, 16 feet long, screwed together, embedded in cement concrete, and on the top of this mass of iron pipes and concrete, a series of creosoted wooden tubes, 3 1/2 inches square, outside, and 3 feet long, with a 2 1/2 inch bore are laid after the manner of common pump logs. In some instances, tubes of wood fibre, in sections six feet long with a 2 1/2 inch

hole were used. The brick manholes for the trunk line vary in size from 5 feet by 6 feet to 10 feet by 11 feet in internal dimensions, and have an average depth of 8 feet, with walls 13 inches thick. The street pavement over these holes, being supported on iron girders and brick arches. The American Telegraph & Telephone Company have also a large amount of creosoted wooden conduits, extending to all the thickly populated districts of the city. In general, it may be said, that the experience with underground conduits in Philadelphia has been very successful, since wires carrying various voltages, ranging from the battery current of the fire alarm to the 2,500 volt current of the arc circuit are in constant service in the conduits mentioned above.

WASHINGTON.

In the city of Washington, telegraph, telephone and electric light and power wires have been laid in conduits for some time past. They have given general satisfaction, and the authorities are now carrying out a plan for the laying of some 56 miles of conduits. The following is a brief description of the plan proposed: It will provide conduits with a minimum capacity of 4 ducts to a maximum of 16 ducts. For purpose of uniformity and economy, location of signaling and alarm stations, as far as practicable, are recommended to be placed at the corner of the conduit intersections, within reasonable distances apart. The plans intend the use of rectangular vitrified glazed clay conduits, to the exclusion of all other forms. The important features in the construction are, first, a permanent and uniform concrete base; second, the careful laying and alignment of the sections, so as to insure true lines and continuous ducts; third, the proper bedding and increasing of each tier and sections in a uniform layer of small stone or gravel concrete; fourth, the proper construction of the manholes, with a good coating of cement mortar or concrete, from the base up to the top to render them, as far as possible impermeable both to moisture and gas; fifth, the efficient ventilation of the manholes through lamp connections; sixth, provisions for tight close fitting covers, and plug or valve sewer connection to manholes in the lower section of the city liable to overflow, or subject to backwater, and ventilated covers, with open trap sewer connections for manholes in the upper section of the city.

As a result of our investigation in these various cities, and after duly considering their experience, and our local conditions, we beg leave to submit for your consideration the following suggestions and conclusions, viz:

First—That the wires carrying ordinary electric current, such as are in commercial use in this city, can be both successfully placed and operated in suitable underground conduits.

Second—That all wires on our main streets should be placed in proper underground conduits, without delay, and that all of these wires and cables be concentrated in a single conduit on the narrower streets, and in not more than two conduits in the broader streets, one on each side, as near the curb stone as practicable.

Third—That the proposed conduit, when constructed, should be of sufficient capacity to meet all probable, or reasonable possible future contingencies, as well as to accommodate all existing circuits.

Fourth—That the conduit should be of such material, and so constructed, that the necessity for tearing up the pavement in order to make repairs should be almost an impossibility during a reasonable term of years, and that, in their construction, provision should be made for the use of single ducts for any wire carrying a current of 500 volts or over.

Fifth—That an ordinance be passed governing the use and management of such conduits.

The construction and operation of the conduit is a subject which demands the most careful consideration, in order that no unnecessary

burden may be placed upon the various existing, as well as the probable future, electric interests in this city. So far as we have been able to ascertain, but few cities own any portion of their conduit systems, although it is obvious that municipal ownership and control of all such constructions would be for the best interests of the community. To accomplish a similar end, certain cities have licensed a private corporation to construct large conduits for the concentration of the wires and cables of the various electrical companies, and to collect an equitable rental from the latter for the use of the ducts. In other cities, the electric corporations have been permitted to construct and operate conduits for their exclusive use and benefit. It will thus be seen that there are three methods of accomplishing the burial of electrical wire within the corporate limits, each of which has its advantages and disadvantages.

In cities where the rate of taxation is low and the public debt is small, it would, no doubt, be wise for cities to construct and maintain their own subways, deriving therefrom a revenue, as well as protecting, in a proper manner, the various electrical interests operating within their limits. On the other hand, it is quite evident, from what we have seen and know of the licensed general conduit business, that good results can be obtained by granting a reasonable franchise to a reliable company, who shall construct, operate and maintain a general conduit, under the direction of the city authorities. As to the method of granting permits to the various individual corporations to construct and maintain separate conduits, your committee considers it unadvisable, it being evident, from the experience in other cities, that it creates a multiplicity of conduits, and never results in a uniform and satisfactory system of underground currents.

Our local conditions are such that to place more than one conduit, containing the necessary number of ducts, on each side of the street, would seriously interfere with our gas and water mains. Furthermore, in this age of electrical development, it is altogether probable that additional telephone, light and power circuits will be inevitable, which strongly emphasises the necessity for having proper conduits constructed under one of the conditions first named.

For the further information of your Committee, we would state, that to meet the present requirements for a conduit system in State and Exchange streets, from the Erie canal to Center street, and from East and West Main streets, from University avenue, to Plymouth avenue, and North St. Paul street, from East Main street to Andrews street, and South St. Paul, from Main to Court street, an expenditure of about \$175,000 will be necessary, which contemplates the construction and completion of a proper conduit system, including manholes, distributing boxes and mains ready for service.

Ordered received, filed and published.

By Ald. Cook—
To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN:—Your Assessment Committee begs leave to submit the following report:

Petition of Christian Muhl for relief from paying the assessment against lot D, west side of Oak street, for the Oak street improvement was duly considered by your committee and we recommend that your petitioner be allowed

to pay the face of said tax, to wit, \$374.55, together with interest at the rate of 6 per cent., from October 20, 1885.

Petition of W. W. Webb and others as administrators of the estate of Henry E. Hooker, asking to have cancelled collector's fees and interest on a personal tax of \$93.48, for the year 1891, against said estate, was duly considered by your committee, and we recommend that your petitioners be allowed to pay the face of said personal tax, to wit, \$93.48, and collector's fees, \$4.95, without interest.

Petition of the heirs of M. Madden to have cancelled collector's fees and interest charged for non-payment of assessment against lot No. 1, east side of North St. Paul street, was duly considered by your committee and it appearing that said collector's fees have been paid we recommend that your petitioners be allowed to pay the face of said bill for general city tax and improvement assessment together with interest at the rate of 6 per cent.

Petition of Christian Gunkle, to have refunded the sum of \$36.13, the amount of an alleged erroneous assessment against lot No. 28, west side of Elm street, for the making of the Goodman street stone sewer, was duly considered by your committee, upon the report of the assessors, recommending that such rebate be made, your committee recommends that the petition be granted.

Petition of Isaac H. Gibbard to have cancelled collector's fees and interest charged for the nonpayment of personal tax of 1891, amounting to \$77.90, was duly considered by your committee and we recommend that your petitioner be allowed to pay collector's fees, \$4.15, and the face of said tax, to wit, \$77.90, without interest.

By Ald. Lewis—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN:—Your Law Committee begs leave to submit the following report:

In the matter of the claim of Jacob P. and Margaret B. Brasser for damages resulting from the flow of sewage in Hobbie creek running through their premises, we find that by a resolution of this Council, the sum of \$90.00 damages per annum, to begin July 17th, 1889, was awarded to Jacob P. Brasser, as administrator, and that instead of said Brasser, as administrator, the parties who are entitled to damages, if any, are the above named Jacob P. and Margaret B. Brasser, and we, therefore, recommend that so much of said resolution passed December 15th, 1891, which awards Jacob P. Brasser, as administrator, \$90.00 per year, from July 17th, 1889, be reconsidered and indefinitely postponed, and that a new resolution be passed awarding \$90.00 per year, to begin July 17th, 1889, to Jacob P. and Margaret B. Brasser, for their damages resulting from the sewage flowing in Densmore creek across their premises.

In the matter of the claim of Frank J. Zorsch, for damages resulting from sewage flowing through Thomas creek running over his premises, we recommend that the sum of \$200.00 a year be paid to him, to begin July 5th, 1887, in settlement of his damages, and a like sum per annum for future damages.

In the matter of the claim of William Buyck, caused by the pollution of Thomas creek running over premises occupied by him, we find that he has been in possession of this property,

and that he has suffered some damages by reason of the pollution of the creek flowing through the same, and we recommend that the sum of \$150.00 be paid, in full of all his damages, and that a general release be secured from him to the city.

In the matter of the claim of Gertrude Schum, we find that an action was begun for a permanent injunction, in the Supreme Court, which is now pending in the Court of Appeals upon an appeal by the city from the judgment therein. In this action, the officers of the city have, in violation of the injunction, connected additional sewers to the then existing outlets, and have allowed the continuance of sewage to flow over her property. Her attorneys have offered to release the city and its officers from any damages, by reason of such violation of the injunction, upon the payment to said Gertrude Schum, the sum of \$225.00 per annum, as damages for said pollution, to begin August 19th, 1887, and to pay to her attorneys the sum of \$250.00 counsel fee, and all the taxable costs in the action. We consider this a fair offer, and recommend that the same be accepted.

In the matter of the claim of William H. Perrin, we find that an action was commenced March 29th, 1889, and that no trial has ever been had therein; that he claims damages for the pollution of Densmore creek, running through his property, and we consider that the sum of \$150.00 per annum, to begin March 29th, 1889, is a fair compensation for his damages, and we recommend that the same be paid to him for his past damages and that the same amount per annum be paid for his future damages.

In the matter of the claim of Jonathan Butts, for damages caused by the pollution of Hobbie creek, running through his property, we find that no action has ever been begun by him for such damages, and that he has a claim for the same, and we recommend that the sum of \$500.00 be paid to him, for his damages during the last six years, and for all future damages that he be paid the sum of \$100.00 per year.

In the matter of the acquirement of the easement necessary to extend and improve Front street outlet sewer, we find that William E. Thorn, surviving executor of the last will and testament of William T. Garner, deceased, is the owner of a private way through which said sewer has to be constructed, as proposed by the city surveyor, and that the proposition has been made by said owner to grant said easement to the city for the sum of \$1,000.00, and we, therefore, recommend that the City Treasurer be authorized to make the city's note for the sum of \$1,000.00, and to procure the same to be discounted, and credit the proceeds thereof to the fund for the acquirement of the right of way through said premises, as provided for in and by final ordinance No. 4,570.

In the matter of the claim of Stephen M. Corwin for damages caused by the pollution of Thomas creek running through his premises, we recommend that the sum of \$300.00 per year be paid to him for his damages, to begin July 24th, 1886, and that all future damages be paid at the same rate, and a lease be procured from him for such privilege for a period of five years.

In the matter of the resolution passed by the Common Council on January 12th, 1892, for the payment of the judgment recovered by John Paine against the city, we find that, inadvertently, the date from which the interest is to be paid upon one of the judgments was stated wrong, and we, therefore, recommend that said resolution be reconsidered and indefinitely postponed, and that a resolution be passed directing the payment of \$349.92 to said John Paine, with interest on \$272.42 from April 2d, 1890, and on \$72.50 from April 17th, 1891.

In the matter of the communication of the City Attorney, in respect to the amending of the East Side trunk sewer, ordinance No. 4,487, made necessary by the amendment of the Laws of 1890, chapter 347, by chapter 47 of the Laws of 1892, we report that while we do not concur with the opinion of the City Attorney, an amendment be recommended as suggested in his communication. All of which is

Respectfully submitted.

Committee.

Ordered received, filed and published.

By Ald Lewis:

Resolved, That, upon the certificate of the City Attorney that stipulations of discontinuance of the actions, and dismissals of the appeals, where appeals have been taken, of the following named parties against the city, have been made and filed in his office, and that releases of any and all claims by, or on the part of, said parties against the city, by reason of the discharge of sewage from any of the sewers of the city into Thomas, Hobbie or Densmore creeks, as the case may be, at any time before the stipulations hereinbefore mentioned, and the rights, privileges or easements within the city, into said creek, or creeks, have been duly executed, acknowledged and delivered to him, the clerk be, and he hereby is, directed to draw orders upon the treasurer, payable from the contingent fund, to the respective parties named below, or to their attorneys whose names may appear in said certificate, the amounts for costs and disbursements of their respective actions, if any are pending, as certified to by the City Attorney, and the further sums, at the rates per annum set opposite their respective names, from the times set forth below, to the dates when said orders shall be drawn, or for the times otherwise specified, as follows

Jacob P. and Margaret B. Brassier, \$90.00.
July 17th, 1889.

Frank J. Zorsch, \$200.00. July 5th, 1887.

William H. Perrin, \$150.00. March 29th, 1883.

Stephen M. Corwin, \$300.00. July 24th, 1886, whose lease for the easement from the flow of sewage shall continue for five years from the date of said instrument.

William Buyck, \$150.00, in full for all his damages and claims.

Gertrude Schum, \$225.00 per annum, to begin August 19th, 1887, and to pay an additional sum of \$250.00 counsel fee.

Jonathan Butts, \$500.00 for his damages for six years last past, and at the rate of \$100.00 per annum, to be paid to him for his future damages, to begin at the date of the passage of this resolution.

Resolved, further, That the mayor be, and he hereby is, requested to agree to and with said parties, by written contracts, approved by the City Attorney, to pay the said parties further sums of money at the rates set opposite their respective names, as above specified, from the dates above mentioned, until the sewage from the sewers within the city shall be diverted from said creek, or creeks, (except the contract with Stephen M. Corwin,) and that said payments shall be made annually.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

By Ald. Lewis:

Resolved, That the resolution passed by this Common Council on January 12th, 1892, authorizing the payment to John Paine the amount of the judgments recovered by him against

the city, be, and the same hereby is, reconsidered, and indefinitely postponed.

Adopted.

By Ald. Lewis—Resolved, That upon the delivery and filing with the City Attorney proper satisfactions of the judgements recovered by John Paine against the City of Rochester, the Clerk be, and he hereby is, directed to draw an order on the City Treasurer, payable from the Contingent Fund, in favor of John Paine, or his attorneys, for \$349.92, with interest on \$272.42 from April 2, 1890, and on \$77.50, from April 17, 1891, and the Treasurer is hereby directed to charge said amount to the Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

By Ald. Lewis—Resolved, That upon the delivery and filing with the City Attorney of proper releases and proper instruments for the acquiring of the necessary easement for the construction of Front street outlet sewer, the City Treasurer be, and he hereby is, authorized to make the city's note for one thousand dollars and procure the same to be discounted, and credit the proceeds thereof to the fund for the acquirement of a right of way through and easement in, the lands of William E. Thorn, surviving executor of the last will and testament of William T. Garner, deceased, for extending and improvement of Front street outlet sewer, from Center street to the tail race at the Edison Illuminating Company's building, under final ordinance No. 4,570; such note to be payable in one year from date, and to be countersigned by the chairman of the Finance Committee before discount, and the discount thereof to be charged to the Contingent Fund, and transferred to the fund for the acquirement of a right of way and easement for the construction of said sewer, when such fund shall have been created.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Adams, Bierbrauer, Cook, Fox, Bohrer, Lewis—14.

M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser notice thereof as is required and in the manner specified by Section 172 of the City Charter.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., March 22, 1891.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Agreeably to your direction, heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your Honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, March 22, 1891, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvements. Respectfully,

PETER SHERIDAN, City Clerk.

FINAL ORDINANCE, NO. 4,760.**MAPLE ALLEY GRADING.**

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to grade Maple alley, from East Maple street to Jefferson avenue.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The grading of Maple Alley, from East Maple street to Jefferson avenue.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$562, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Maple alley, from East Maple street to Jefferson avenue.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Zimmer, Rauber, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—16.

Ald. Shelter moved that action on the final ordinance for Maple alley grading be reconsidered.

Adopted.

Ald. Shelter presented a remonstrance and moved that the ordinance be indefinitely postponed.

Adopted.

FINAL ORDINANCE, NO. 4,761.**SEWER IN COBB STREET, AVERILL AVENUE AND BECKLEY STREET.**

On motion of Ald. Rauber, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a pipe sewer in Cobb street, Averill avenue and Beckley street, from near Alexander street to Meigs street.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the follow-

ing improvement is necessary, and should be made, to wit:

The construction of a vitrified pipe sewer, 12 inches in diameter in Cobb street, from a point 125 feet east of the east line of Alexander street, measured on the north line of Cobb street, to the center of Averill avenue; in Averill avenue, from the center of Cobb street to the center of Beckley street; and in Beckley street, from the center of Averill avenue to the sewer in Meigs street; also the construction of the necessary manholes, surface sewers, lot laterals and branches.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$2,025, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Cobb street, from a point 125 feet east of the east line of Alexander street, measured on the north side of Cobb street, to Averill avenue; one tier of lots and parcels of land on each side of Averill avenue, from the center of Cobb street to the center of Beckley street; also one tier of lots and parcels of land on each side of Beckley street, from Averill avenue to Meigs street

By Ald. Lewis—

ROCHESTER, N. Y., March 17, 1892.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN:—In the case of Hugh Kelly vs. the City, the plaintiff, after three trials, finally recovered a verdict of \$200 at the January Circuit.

Judgment for that amount and \$176.50 costs, in all \$376.50, was entered February 29th 1892.

In June, 1891, the plaintiff also recovered a judgment against the city for \$80 costs at the General Term, which, by agreement with the City Attorney, was reduced by an offset the city had for costs of the original trial to \$29.

The amount due Kelly, therefore, is:
Judgment, June 24, 1891.....\$ 80 00
Less City's costs..... 51 00

\$ 29 00

Interest from June 24, 1891..... ..
Judgment February 29, 1892..... 376 50
Interest from February 29, 1891..... ..

I presume there will be no appeal from a judgment so small as this, and so, as the plaintiff is in quite destitute circumstances and needs the money urgently, I respectfully ask that the judgments be paid as expeditiously as is consonant with municipal custom in these matters.

Yours respectfully,
ELBRIDGE L. ADAMS,
Attorney for Hugh A. Kelly.

Referred to the Law Committee.

By Ald. Lewis—Petitions of F. Roeser, R. Wright and Lena Serth to erect wood buildings. Referred to the Wood Building Committee and Fire Marshal with power to act.

Also petition for sewer in Fintray Place. Referred to the Surveyor to prepare an ordinance.

By Ald. Fox—Petition for sprinkling St. Joseph street. Referred to the Surveyor to prepare an ordinance.

By Ald. Fox—Petition of Davis Bros., for rebate of license. Referred to the Police and Excise Committee.

By Ald. Cook—

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN:—The Rochester Railway Company respectfully calls attention to the urgent need of so strengthening the Clarissa street bridge as to make the same safe for ordinary public use.

It is well known that this bridge has been pronounced unsafe by engineers. At the present time the easterly end of this bridge is being raised and strengthened by the Rochester and Honeoye Valley Railroad Company, and the time seems opportune for the completion of needed work on the westerly end so that the bridge may be made safe for public travel.

This company has not been able to safely run its street cars over this bridge because of its weakness, but has been and is very desirous of doing so to the end that the large and populous district bounded on the north by Averill avenue and on the south by Cypress street, may have adequate and much needed facilities for rapid transit to the center of the city. It is of course no part of the business of this company to build or strengthen bridges, but this company is willing at this time to pay part of the expense of this needed improvement, now in order, that the urgent demand finding expression in petitions almost every day to the company from a large number of people in the district mentioned and from people living elsewhere who have occasion to go into that part of the city.

The expense of properly strengthening the westerly end of this bridge can not be a very large sum. Towards this expense, if the work be done this spring so as to make it safe to run loaded cars and trailers over the bridge this company will contribute the sum of two thousand dollars.

Respectfully submitted,

ROCHESTER RAILWAY COMPANY.

By J. N. Beckley, President.

Referred to the Law Committee and Executive Board to report back at the next meeting.

By Ald. Cook—Petition of George W. Loomis in relation to an erroneous assessment. Referred to the Assessment Committee.

Ald. Shelter moved that Final Ordinance No. 4,741 for West avenue sweeping and cleaning be reconsidered.

Adopted.

Ald. Shelter moved that the ordinance be amended by changing the estimate from \$1,300 to \$1,700.

Adopted.

Ald. Shelter moved that Final Ordinance, No. 4,675 for Plymouth avenue sprinkling be reconsidered.

Adopted.

Ald. Shelter moved that the ordinance be amended by striking out all that portion between Flint street and the railroad bridge.

Adopted.

By Ald. Cleveland—

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., March 10, 1892. }

To the Finance Committee of the Common Council.

GENTLEMEN: I have to report that I have carefully examined the City Treasurer's books and the general business of the office in all its departments for the past month, (February), and find the same, in every respect, satisfactory and correct.

The cash called for as on hand, on the morning of March 7th, was \$6,880.57. This was counted by me and found correct. On the following morning the balances on deposit, as shown by the ledger accounts, were as follows, and inquiry at the several banks shows no discrepancies. Central Bank, \$20,868.52; Traders National Bank, \$20,916.93; German-American Bank, \$18,511.06.

Respectfully submitted,

JOHN BOWER.

Ordered received, filed and published.

By Ald. Cleveland—Resolved, that the new street opened from Meigs street to Averill Avenue be and hereby is named Beckley street, and that the Executive board be requested to place the usual street signs thereon and the City Clerk be directed to place name in street register.

Adopted.

By Ald. Cleveland—Resolved, That the Finance Committee of the Common Council be, and it hereby is, authorized and empowered to procure for said city a plate or plates, and printing necessary for the making and issuing of all the water works bonds for the new conduit, all the East Side trunk sewer bonds, and the making and re-issuing of all the State Line Railroad bonds, and all the Western New York & Pennsylvania Railroad bonds, at a cost not to exceed twelve hundred and fifty dollars.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—14.

By Ald. Cleveland—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to issue bonds of the city of Rochester to an amount of two hundred thousand dollars, to be known as "The East Side Trunk Sewer Bonds," in eight separate series of twenty-five thousand dollars each, the first of said series to be made due and payable in ten years from the date of issue, and the succeeding series of said bonds to be made due and payable so that one of said succeeding series shall fall due and be payable in each and every year following the year in which said first series shall fall due and be payable; said sums to be used for the purpose of paying the cost and expenses of the construction of the trunk sewer on the east side of the Genesee river in said city under Final Ordinance No. 4,487; said bonds to be of the denomination of \$5,000 each, to be registered, and to bear a rate of interest not greater than four per cent. payable semi-annually on the first days of January and July in each year thereafter, which bonds shall be countersigned by the mayor and the president of the Common Council, and by the Union Trust Company of New York, and said Union Trust Company is hereby authorized and requested to countersign the same; said bonds shall be redeemable at any time after ten years from the date of issue thereof, and said treasurer shall make and keep a complete record of said bonds, including the dates there-

of, the amounts, and the respective dates of maturity thereof, the number of each bond, and series number, and to whom issued, as provided by chapter 347 of the laws of 1890, being an act entitled, "An act to provide for the payment of the cost and expenses of the construction of a trunk sewer on the east side of the Genesee river, in the city of Rochester, by the issue of bonds of said city, and providing for the payment of said bonds by local assessments;" as amended by chapter 74 of the laws of 1892.

Ald. Cleveland moved that the resolution lie on the table until the next regular meeting.

Adopted.

On motion of Ald. Bierbrauer the Board then adjourned.

PETER SHERIDAN, City Clerk.

In Common Council, March 31, 1892.

Your committee has endeavored faithfully to perform the duties imposed upon it, and an examination of its work during the past year will show that due regard has been had to an economic administration of the affairs entrusted to it. Expenditures have been closely scrutinized, and only such repairs as were actually necessary have been made. It has been the aim of the committee to conduct the matters under its charge carefully systematically and prudently ever keeping uppermost in mind the interest of the taxpayers of the city.

All of which is respectfully submitted.

ANNUAL REPORT OF MAP AND SURVEY COMMITTEE.

ROCHESTER, N. Y., March 31, 1892.

To the Honorable the Common Council of the City of Rochester:

GENTLEMEN—Your map and survey committee herewith presents its annual report of the present condition of the work known as "the survey of the first fourteen wards of the city," now being made by John C. Ryan, contractor therefor. The original contract for the above mentioned work is dated June 29, 1887. The said contract was entered into July 2, 1887, and recites that the work was to be entirely completed by June 29, 1889. The total area estimated to be surveyed was five thousand one hundred and thirty-eight (5,138) acres, and the contract price therefor being \$4 per acre, making the amount of the contract \$20,552. At the expiration of the original con-

tract June 29, 1889, there had been completed and accepted by the City Surveyor 1,074 and 11-100 acres; the contract was then extended two years from, and including the 2d day of July, 1889, which made it expire July 2, 1891. On June 23, 1891, application was made by the contractor to the Common Council for a further extension of two years' time in which to complete the remaining portion of the work. This extension has not been granted. The area surveyed to the present date and accepted by the City Surveyor amounts to 3,597.15 acres. The total amount of money paid to date amounts to \$14,320.57. The area surveyed complete, mapped, bound in book form and now in use in the office of the City Surveyor and City Assessors, comprises the old 1st, 3d, 4th, 6th, 7th, 8th, 10th, 12th, 13th and 14th wards. The survey of the 5th ward is partly finished.

From the above it will be seen that four years and nine months have already been spent on the work, being two years and nine months more time than allowed by the original contract. There still remains to be completed under said contract the old 2d, 9th and 11th wards and a portion of the 5th ward. It is the opinion of your Committee that this work has not been progressed as fast as it should have been and as the uncompleted work is needed at once in the offices of the City Surveyor and the City Assessors, we therefore recommend that the contractor be required to employ such additional help as may be necessary to the full completion of the work by April 1, 1893.

Respectfully,
 JULIUS WURTZ,

Reference:

* Some outstanding bills yet to be paid.
 ** Increase due to payment of outstanding bills of previous year, and to increase in contract price.

*** Increase due to increase in price of gas, to additional oil and gas lamps, to addition of salary of gas inspector and superintendent of electric wires and to the extension of electric lights over territory hitherto unlighted.

**** Increase due to the extension of the electric light system, the substitution of gas for oil lights and the extension of the gas system into new territory.

† Increase due principally to the extension of the electric light system.

†† Increase due to lighting territory heretofore unlighted and the substitution of electric for gas lights.

††† Increase due to lighting territory heretofore unlighted, the substitution of electric for gas lights and the extension of the electric light system.

An examination of table No. 5 forms an interesting study, showing at a glance the necessary increase in cost of lighting a city having a regular and healthy growth. This has increased during the past twenty-one years from \$31,841.06 in 1870 to \$160,285.19 in 1891-2, being an advance of \$128,444.13. This at first appears to be a greater outlay of money than the circumstances require, but upon considering this outlay in connection with the growth of the city, it seems an expense but justly commensurate with its area and population. The population of the city in 1870 was 62,386, in 1880 was 89,363 and at this time is 144,635.

The cost of public lighting during the past year has been \$13,390.86 in excess of the cost of the previous year. This increase is due principally to the extension of the electric light system, and it is plain to be seen that with the present cost of supplying electric and gas lights, coupled with an increased demand each year for said lights, the total annual expense will be still further increased.

Under the careful supervision of the City Surveyor, the official records relating to the public street lighting system have been materially improved, in fact, few municipal authorities have the work better in hand.

The great bulk of the expense this year amounting to \$160,285.19 has been paid to the electric light and gas companies, but \$600 having been paid for salary and \$318.40 for sundries.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN:—Your Finance Committee at this time respectfully report that the City's funds have been disbursed in a lawful and proper manner; also that the books and accounts of the City Treasurer are correct as has been testified to by John Bower from month to month as per his report to your honorable body. There have been but very few deficiency notes made, viz: Water Pipe Extension Fund, \$40,000; Contingent Fund \$75,000; and Highway

Fund, \$8,000. Your Finance Committee has passed upon twelve budgets during the year amounting to \$1,625,851.87, and in no case has a bill been put upon the budget unless it had the endorsement of at least the names of three members of the committee through whose hands it was passed, this being a rule adopted by your Finance Committee. On account of this rule being strictly adhered to many bills were returned for proper endorsement.

All of which is respectfully submitted.

NOTE—Streets marked with an asterisk (*) are either boundaries between wards or else the pipe laid therein extends across a ward boundary from one ward to another. In all such cases the lengths are repeated in the above statement.

All of the water pipe extensions authorized to be laid, both from funds raised by tax levy and from funds advanced by private individuals as tabulated below, have been completed, with the exception of a short distance in West avenue, where a pipe was laid temporarily to avoid blasting in front of premises in which a case of dangerous illness occurred. This short section must be taken up and relaid permanently during the present season. Some of the final estimates have not yet been paid owing to lateness of completion of the work, but there is a sufficient balance in the fund to pay all these demands and still leave a small surplus.

The twelve (12) inch Holly main laid to East Rochester via East avenue, affording a fire protection to a portion of the city where property is so likely to suffer loss from fire; and the extension of the same system on West avenue from the City hospital to St. Marys hospital a part of the city where pressure from the domestic system is weak owing to the high elevation of the ground; are improvements your committee believes, which are regarded favorably by citizens interested in those localities.

As in former years parties desirous of having water mains laid in streets, for which no funds for such purpose were applicable, have, under the directions of the Council advanced amounts which have been used for water pipe extensions under the direction of the Executive Board, with the understanding that the moneys so advanced be returned to those advancing same without interest thereon, whenever funds become applicable therefor not otherwise appropriated. All mains thus laid are permanent constructions and do not include any wrought iron pipe.

The following is a tabulated statement of the names of persons making such advances together with the streets in which mains have been laid etc., etc.

I For year 1891 and 1892.

Grand Total.....\$27,647 55

Not as many petitions for extensions have been filed up to date as for the corresponding period last year, but as a large number were not then entertained and held over, the aggregated estimated value of extensions now on file and undisposed of, amounts to about \$101,000.00.

In the various reports made by the Water Works Committees during the past few years, stress has been laid on the expediency of laying as few mains as possible owing to the diminished capacity of the Hemlock Lake conduit, etc.

This recommendation may properly be repeated, since the extensions during the past season of over 8 miles in length on the Hemlock system have greatly increased the necessity for prudential limitations of future extensions.

During the season the following extensions have been made: These extensions include not only those authorized by Common Council from tax levy and private funds hereinbefore detailed, but also galvanized iron pipe laid temporarily by private parties.

B. RITZENTHALER, Overseer of the Poor.

Your committee desire to call your attention to the handsome balance left in the fund at the end of the fiscal year. This is very gratifying to your committee in view of the fact that the times have been very hard for the past year and in consequence thereof there have been from 100 to 150 families more on the books at the department than there were for the past number of years, which has affected the treasury of the Poor Department to a serious degree. This is owing to the careful and economical administration of affairs by your committee, and the faithful and efficient manner in which the overseer of the poor and his assistants have discharged their several duties of the office.

Total expenditures..... \$143,619 97
 Leaving a balance in the treasury, after paying all claims against the department, of \$18,491.21.

The above expenditures include the entire indebtedness against the police department to date, and embrace those on the finance budget of this evening.

During the past year the department has been increased by 25 additional men, making a total of 144 officers. Also another Patrol House has been established on the east side of the river, which proves itself to be a great addition to the department. The ambulance is also kept at Patrol House No. 2, which is a great saving in the expenditures.

Your committee are well satisfied in the manner in which the Police Department is conducted, both in discipline and economy, and venture to say that no other department in the country, of its size, will equal it in efficiency and economical expenditures.

All of which is respectfully submitted,
 WILLIAM H. TRACY,
 HENRY G. COOK,
 C. W. ZIMMER,
 LOUIS BOHRER,
 Police Committee.

ROCHESTER PARK COMMISSION.

To the Board of Park Commissioners:

GENTLEMEN: I herewith present the annual report of the work done on the parks for the year ending March 1, 1892:

The following described pieces of property have been purchased during the year. A strip of land containing about twenty-three acres lying on the west bank of the upper river, between the Western New York & Pennsylvania Railroad, on the west and the Genesee river on the east and extending from the park lands purchased from E. A. Frost on the north, 3,500 feet up the river to a piece of land lately owned by Samuel Moulson. This piece of land was purchased from the Chautauqua Ice Company for \$7,500 and comprises all the land lying between the river and the easterly boundary of the railroad except an acre sold by the Chautauqua Ice Company to Frank W. Ellison, on which he has erected chemical works. A strip of land containing 10 and 7-10 acres lying between the Western New York & Pennsylvania Railroad and the Genesee river, and extending from the southerly boundaries of the last described piece of land 2,000 feet up the river to the land owned by E. Chapin, was pur-

chased from Samuel Moulson for \$3,210. The warrant property of 7 55-100 acres of land bounded on the north by Elmwood avenue, on the east by the New York, Lake Erie & Western Railroad, on the south by the park lands and on the west by the Genesee river has been condemned for park purposes. No land has been purchased for Highland Park during the year, but nearly three acres of the Stanley property will be required to complete the park as designed by the Landscape Architects. For Seneca Park on the west side of the river, lots 118 and 135 of the Maplewood Avenue Building Lot Association were purchased for \$565, and lots 107, 120, 137, 138 and 139, not being required for park purposes were sold at public auction for \$1,565. The lands of John Kelly, William Robinson, Michael Martin, Nathaniel Hall and unknown owners were acquired by commission.

The total price awarded for 39 and 815-1000 acres of land is \$13,821.71, twenty-four and 38-100 acres of land were awarded to unknown owners and the price \$592.61 was deposited in the Rochester Savings Bank to the order of the County Clerk. On the east side of the river, a piece of land containing 89-100 of an acre and fronting on Tower street was purchased from the Fee Brothers for \$5,000. A piece of land back of the Rochester Railway Company's car house on North St. Paul street, containing 1 and 1-2 acres of land was purchased for \$2,088.33. Lots 14, 15, 20, 21, and 22, of the Carriage tract were purchased for \$4,350, and lot number 1 same tract for \$2,000.

At Seneca park, in the spring, a force of men was employed in thinning the trees in the groves. The trees were growing too closely so that there was to much shade, and the black oaks and chestnut trees were cut down, leaving the white oak, hickories, and sugar maples. A temporary road from St. Paul street at Calister's south line was made on the east side of the park land, and running north several hundred feet crosses the Rome, Watertown & Ogdensburg Railroad at the most feasible point for a crossing.

On the west side of the railroad crossing, the temporary road joins the permanent driveway. Plans for the permanent driveway were received and the roads were partly graded. Trees that stood in the line of the permanent driveway were transplanted to the nursery. A large number of native shrubs and trees were collected and planted in the nursery, and many shrubs were collected for Highland and Genesee Valley Parks. 5,597 lineal feet of drain tile were laid on the east side of the park for the purpose of draining the wet land that is soaked with water from the numerous springs on the hillside. The water is conveyed to the place designed for an artificial pond. A tool house and a shelter house for visitors to the park were built.

On the west side of the river the grove on the land acquired from Mr. Robinson, was cleared of dead trees and dead brush.

At Highland Park, the shrubs in the arbor-etum were cultivated and the roads were partly graded and gravelled. Some sodding was done around the pavilion and a few trees and shrubs were planted. The Foreman's house on Highland avenue was repaired and painted.

At Genesee Valley Park, during the spring and fall, 391 trees from four to ten feet in height were planted outside the forest plantation, and are designed for fine specimen trees growing in an open space. The following is the list of the species: 4 basswood, or Linden, 31 American beech, 12 European beech, 12 black birch, 6 red birch, 12 yellow birch, 7 buckeyes, 4 butternut, 16 cucumber, 29 American elm, 4 Scotch elms, 4 hickory, 16 liquid-amber, 22 Norway maple, 12 red maple, 8 silver maple, 46 sugar maple, 1 striped maple, 7 white mulberry, 18 American nettle, 14 white oak, 16 red oak, 10 burr oak, 12 swamp white oak, and 62 tulip trees. Besides these, 200 small

European alder and a number of yellow locust trees were planted on the west bank of the river for the purpose of concealing the railroad and anything else objectionable that may be erected. 300 small sugar maples, 200 tulip trees, 300 cucumber trees and 100 white hickory trees were planted in the forest. A number of flowering and alternate-leaved dogwood, shad, sassafras and sumach trees were collected in the woods and planted on the edge of the forest. Among shrubs, witch hazel, common hazel, azaleas, black alder, spice bush, flowering raspberry, vivurnums of several species, New Jersey tea, American enonymous, and several species of cornels were planted on the edge of the forest. Willows and cornels taken from the park nursery, were planted on the river to hold the banks.

Several small tupeloe trees taken from Seneca Park were planted near the south end of the park on the banks of Red creek.

The unseeded portion of the meadows was sown to blue grass, red top and white clover. The meadows were mowed and the hay which was made was sold or stored in the barns. A flock of 107 sheep was purchased with a portion of the money derived from the sale of the hay. A base ball ground was prepared on the west side of the river and just north of Elmwood avenue bridge. Fifty-four permits to play ball on the ground were issued.

Arbor day was celebrated by the school children in planting memorial trees at Genesee Valley Park. Three American elm trees were planted and dedicated to the Genesee Valley Forestry Association, the Chamber of Commerce and Superintendent S. A. Ellis.

Memorial trees were planted for the late Park Commissioners, Alfred Wright, George W. Elliott and William See, who died during the year. The small bridge across Red creek was repaired.

Fifty park seats were purchased and placed in the parks.

On Sundays and holidays large numbers of people visited the parks. The Western New York & Pennsylvania Railroad Company ran trains hourly to Genesee Valley Park on Sundays during the summer. The New York, Lake Erie & Western Railroad ran excursion trains whenever there was a large number of people who wished to visit the park. With the extension of the street cars to the parks, large numbers of people will visit them. No efforts are made to induce the Rome, Watertown & Ogdensburg Railroad to stop their trains at Seneca Park, as there was no shelter in case of a rain storm; but late in the summer a shelter was erected and the park will be a desirable place to visit during the coming summer.

Material to the amount of \$1,677.06 was sold from the parks and the money was deposited with the City Treasurer to the credit of the Maintenance Fund, except \$87.50 which was deposited at the Commercial Bank to the credit of the Secretary's petty cash account.

Respectfully submitted,

(Signed) C. C. LA'EV, Superintendent of Parks.

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., March 31, 1892.

To the Honorable, the Common Council.

GENTLEMEN:—Relating to the communication of the Rochester Railway Company submitted to your Honorable body at the regular meeting held March 22d, and pursuant to a request of the Law Committee to which said communication was referred, I have made an estimate of the cost of strengthening Clarissa Street bridge to the extent necessary to insure safety to the general public traffic and the Electric Street Car service. This estimate is based on the assumed abandonment of the present cast iron floor beams, the substitution of wrought iron beams therefor, and the strengthening of the present trusses. I submit as the cost of the proposed work complete, the sum of \$12,000.00.

Respectfully,
OSCAR H. PEACOCK,
City Surveyor.

ACTION ON ORDINANCES.

FINAL ORDINANCES.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., March 31, 1891.

To the Honorable, the Common Council of the City of Rochester:

GENTLEMEN: Agreeably to your direction, heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your Honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, March 31, 1892, at 7 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvements. Respectfully,

PETER SHERIDAN, City Clerk.

FINAL ORDINANCE, NO. 4,764,

EAST SIDE TRUNK SEWER.

On motion of Ald. Rauber, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct an intercepting or trunk sewer on the east side of the Genesee river, from the Genesee river, near Norton street to the intersection of Mt. Hope and Pinnacle avenues.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The construction of an intercepting or trunk sewer on the east side of the Genesee river in the City of Rochester, to be generally of the various sizes and along the various routes hereinafter designated, yet subject to such changes in both size and location as may, during the progress of the work, be found conducive to economy and efficiency, and considered expedient by the authorities in charge of the proposed work.

Beginning at or near the intersection of the center of Mt. Hope avenue with the center of Pinnacle avenue; thence southeasterly through Pinnacle avenue to Grand street, to be constructed of brick and with a cross-section equal in area to a circle three (3) feet in diameter; thence still southeasterly through Pinnacle avenue to Meigs street, to be constructed of brick and with a cross-section equal in area to a circle three and seventy-five one-hundredths (3.75) feet in diameter; thence still southeasterly along Pinnacle avenue, to the intersection with what is known as the state sewer; thence easterly along the route of said state sewer to Henrietta park, to be constructed of brick and with a cross-section equal in area to a circle five and twenty-five one-hundredths (5.25) feet in diameter; thence still easterly along the route of said state sewer, to Henrietta avenue, to be constructed of brick and with a cross-section equal in area to a circle six and two-tenths (6.2) feet in diameter; thence northerly passing under the Erie Canal, to the intersection of Wilcox and Richards streets; thence easterly across private lands, in the prolongation of Richards street, to Adwen street; thence northerly through Adwen street to Monroe avenue, to be constructed of brick and with a cross-section equal in area to a circle six and six-tenths (6.6) feet in diameter; thence northerly across private lands, along the westerly side of Kondolf's ice pond, and in said line continued to the intersection with the Nichols park outlet sewer, to be constructed of brick and with a cross-section equal in area to a circle six and eight-tenths (6.8) feet in diameter; thence easterly across private lands, to, and along the northerly side of Kondolf's ice pond, to Bowen street, to be constructed of brick and with a cross-section equal in area to a circle seven (7) feet in diameter; thence still easterly across private land, in a continuation of the last mentioned course to a point about one hundred and eighty (180) feet north of the New York State Canal lands; thence still easterly on a line parallel with, and about one hundred and eighty (180) feet north of said New York State Canal lands, to the Culver road, to be constructed of brick and rubble masonry and with a cross-section equal in area to a circle eight and five-tenths (8.5) feet in diameter; thence northerly through the Culver road, to Park avenue, to be constructed of brick and rubble masonry and with a cross-section equal in area to a circle seven and eight-tenths (7.8) feet in diameter; thence still northerly through said Culver road to East avenue, to be constructed of brick and rubble masonry and with a cross-section equal in area to a circle seven and nine-tenths (7.9) feet in diameter; thence still northerly through

said Culver road, to the New York Central & Hudson River railroad, to be constructed of brick and rubble masonry and with a cross-section equal in area to a circle six and seventy-five one-hundredths (6.75) feet in diameter; thence still northerly through said Culver road, to a proposed storm outlet designated number one (1) and at a point about two hundred and forty (240) feet south of University avenue, to be constructed of brick and rubble masonry and with a cross-section equal in area to a circle seven and eighty-five one-hundredths (7.85) feet in diameter; thence still northerly through said Culver road, to Leighton avenue, to be constructed of brick and with a cross-section equal in area to a circle four (4) feet in diameter; thence still northerly through said Culver road, to East Main street, to be constructed of brick and with a cross-section equal in area to a circle four and twenty-five one-hundredths (4.25) feet in diameter; thence still northerly through said Culver road, to Garson avenue, to be constructed of brick and with a cross-section equal in area to a circle three and five-tenths (3.5) feet in diameter; thence still northerly through said Culver road, to a proposed storm outlet designated number two (2) at Grand avenue, to be constructed of brick and with a cross-section equal in area to a circle five (5) feet in diameter; thence still northerly through said Culver road to Parsells avenue, to be constructed of brick and with a cross-section equal in area to a circle four and twenty-five hundredths (4.25) feet in diameter; thence still northerly through said Culver road, to a point about eight hundred and seven (807) feet south of Bay street, to be constructed of brick and with a cross-section equal in area to a circle four and five-tenths (4.5) feet in diameter; thence northwesterly across private lands to Bay street, at a point about eight hundred (800) feet west of the Culver road; to be constructed of brick and with a cross-section equal in area to a circle four and seventy-five one-hundredths (4.75) feet in diameter; thence still northwesterly across private lands to Clifford street at the southeast corner of original Town Lot No. 48, formerly in the Town of Irondequoit, but now in the City of Rochester, to be constructed of brick and with a cross-section equal in area to a circle five and five-tenths (5.5) feet in diameter; thence northerly across private lands along the east line of said lot No. 48, to Densmore creek at a proposed storm outlet, designated number three (3), to be constructed of brick and rubble masonry and with a cross-section equal in area to a circle eight (8) feet in diameter; thence still northerly across private lands on the east line of said lot No. 48 about six hundred and seventy (670) feet to a proposed storm outlet designated number four (4), to be constructed of brick and rubble masonry and with a cross-section equal in area to a circle five and five-tenths (5.5) feet in diameter; thence still northerly across private lands along the east line of said lot No. 48, to Waring street, to be constructed of brick and rubble masonry and with a cross-section equal in area to a circle five and six-tenths (5.6) feet in diameter; thence northwesterly through Waring street, to Norton street, to be constructed of brick and rubble masonry and with a cross-section equal in area to a circle five and seventy-five one-hundredths (5.75) feet in diameter; thence westerly through Norton street to Goodman street, to be constructed of brick and rubble masonry and with a cross-section equal in area to a circle six and two-tenths (6.2) feet in diameter; thence still westerly through said Norton street to North avenue, to be constructed with a cross-section equal in area to a circle seven (7) feet in diameter; thence still westerly through said Norton street, to a point about midway between Carter and Hudson streets, to be constructed with a cross-section equal in area to a circle seven and twenty-five one-hundredths (7.25) feet in diameter; thence still westerly through said Norton street to Hudson street, to be construct-

ed with a cross-section equal in area to a circle seven and five-tenths (7.5) feet in diameter; thence still westerly through said Norton street to St. Joseph street, to be constructed with a cross-section equal in area to a circle eight and twenty-five one-hundredths (8.25) feet in diameter; thence still westerly through said Norton street, to North Clinton street, to be constructed with a cross-section equal in area to a circle eight and five-tenths (8.5) feet in diameter; thence still westerly through said Norton street to Hollenbeck street, to be constructed with a cross-section equal in area to a circle eight and seventy-five one-hundredths (8.75) feet in diameter; thence still westerly through said Norton street to Reynolds place, to be constructed with a cross-section equal in area to a circle nine (9) feet in diameter; thence still westerly through said Norton street to North St. Paul street, to be constructed of brick and rubble masonry and with a cross-section equal in area to a circle six and eight-tenths (6.8) feet in diameter; thence still westerly through said Norton street to the top of the east high bank of the Genesee river, to be constructed of brick and rubble masonry and with a cross-section equal in area to a circle four and five-tenths (4.5) feet in diameter; thence still westerly down the slope of said high bank to the Genesee river, to be constructed with a metal pipe three (3) feet in diameter. Also the construction of the necessary foundations, retaining walls, shafts, man-holes, surface sewers, lot lateral sewers, and connection thereof, connections for main sewers, connection of main sewers, storm overflows, and the various covered and open channels for the outlets thereof; the proper connections and appliances for flushing purposes at the head of the main sewer and elsewhere, and the necessary details connected with the full and proper completion of the proposed work. Also the acquirement of the necessary easements in and rights of way through and across any property and lands not now opened to public use to which it may be considered necessary to construct said trunk sewer or any covered and open channels for the outlet of the various storm overflows, both within and outside of the limits of the city.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of One million (\$1,000,000) dollars, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

All of the lots and parcels of land on the east side of the Genesee river within the limits of the City of Rochester, in proportion, as nearly as may be, to the advantage which each may be deemed to receive by the making of such improvement, and pursuant to the provisions of chapter 347, of the laws of 1890, as amended by chapter 47 of the laws of 1892, providing for the payment of the cost and expenses of the construction of a trunk sewer on the east side of the Genesee river in the City of Rochester.

Adopted by the following vote:

Ayes—Alds. Tracy, Callhan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis—14.

FINAL ORDINANCE, NO. 4,765.

EAST AVENUE SPRINKLING, SWEEPING AND CLEANING.

On motion of Ald. Wurtz, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to sprinkle sweep and clean East avenue, from East Main street to the east line of Goodman street, south of East avenue.

And after hearing such allegations from all persons appearing,

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The sprinkling, sweeping, cleaning and disposition of the dirt collected on East avenue, from East Main street to the east line of Goodman street, south of East avenue, during the season of 1892.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$2,040, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

One tier of lots and parcels of land on each side of East avenue, from East Main street to the east line of Goodman street, south of East avenue.

Adopted by the following vote:

Ayes—Alds. Tracy, Callhan, McMillan, Zimmer, Rauber, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Kelly, Lewis—14.

UNFINISHED BUSINESS.

Under this head the following resolution came up.

By Ald. Cleveland—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to issue bonds of the city of Rochester to an amount of two hundred thousand dollars, to be known as "The East Side Trunk Sewer Bonds," in eight separate series of twenty-five thousand dollars each, the first of said series to be made due and payable in ten years from the date of issue and the succeeding series of said bonds to be made due and payable so that one of said succeeding series shall fall due and be payable in each and every year following the year in which said first series shall fall due and be payable; said sums to be used for the purpose of paying the cost and expenses of the construction of the trunk sewer on the east side of the Genesee river in said city under Final Ordinance No. 4,764; said bonds to be of the denomination of \$5,000 each, to be registered, and to bear a rate of interest no greater than four per cent, payable semi-annually on the first days of January and July in each year thereafter, which bonds shall be countersigned by the mayor and the president of the Common Council, and by the Union Trust Company of New York, and said Union Trust Company is hereby authorized and requested to countersign the same; said bonds shall be redeemable at any time after ten years from the date of issue thereof, and said treasurer shall make and keep a complete record of said bonds, including the dates thereof, the amounts and the respective dates of maturity thereof, the number of each bond, and series number, and to whom issued, as provided by chapter 347 of the laws of 1890, being an act entitled, "An act to provide for the payment of the cost and expenses of the construction of a trunk sewer on the east side of the Genesee river, in the city of Rochester, by the issue of bonds of said city, and providing for the payment of said bonds by local assessments;" as amended by chapter 74 of the laws of 1892.

Ald. Cleveland moved that the resolution lie on the table until the next regular meeting.

Adopted.

Ald. Cleveland offered the following as an amendment:—

By Ald. Cleveland—Amended so as to read five hundred thousand dollars in twenty separate series, and proceeds from the sale of said

bonds to be kept and deposited in the banks as a special fund, and interest to be paid on same by banks at the rate of 4 per cent. per annum, and a special bond to be given the city for this fund, to be approved by Mayor and Finance Committee.

Adopted by the following vote:

MISCELLANEOUS BUSINESS.

By Ald. Cleveland—

To the Honorable Common Council:

GENTLEMEN: Having been chairman of the most important committee of your honorable body for the past year, and in severing my connection with your body, I wish to make a few suggestions in regard to the finances of the city, especially in regard to the manner in which the city does its banking business. I believe the city should do its business in the same manner that a successful mercantile or banking business should be done. The first requisite for this is plenty of capital, even if it must be borrowed, but where it can be borrowed at less than 4 per cent. it is sheer folly to not have sufficient capital to do business with. The city of Rochester starts in to-morrow to do a business the coming year of at least two and a quarter million dollars. Now in what shape do we start? Not a cent on hand and owing \$448,000 that we have borrowed since December 30, 1891 and before we get any money from the tax levy in July we must borrow at least \$300,000 more. I do not believe this to be the proper way to start in business. To do two and a quarter million of business. And owing three-quarters of a million dollars. Owing to this state of affairs we have been unable to get a decent rate of interest on our deposits in the banks for the reason that we have no large amount of money to give them and are borrowers seven months of the year. The first suggestion I will make is in regard to local improvements. The city owes in time orders given for local improvements

about \$1,200,000 and has owing it from the tax-payers about \$1,400,000. My idea is to issue a \$1,000,000 of bonds to run thirty years and keep this as a special fund to discount time orders with and pay the contractor cash as soon as his work is completed. This fund would be self-sustaining, and in about thirty years the difference of interest would pay the bonds, and the city would have the \$1,000,000 clear to continue to do business with. Another is that the fiscal year be changed to come one month after taxes are due or the time for taxes to become due be changed to one month before the fiscal year ends, so that we could start in the year with clean accounts and owe nothing and have a large amount of money to place with our banks in case this could be brought about the banks would allow the city 4 per cent. interest on deposits, knowing that they could have the money to use for the best part of the year, as near as I can estimate the saving of interest by changing the method of doing business from the old to my plans it will amount to the magnificent sum of one million, eight hundred and thirty thousand dollars in thirty years after paying the million dollars of bonds issued for local improvements.

By Ald. Lewis:

CITY ATTORNEY'S OFFICE,
19 City Hall Building,
Rochester, N. Y.

To the Honorable, the Common Council, of the City of Rochester:

GENTLEMEN:—On December 22d, 1890, your honorable body adopted a resolution pursuant to the recommendation of the law committee, which recommendation and resolution are found at page 395, proceedings 1890-91, requesting the mayor to enter into a contract with Anna Gould for the right, privilege or easement to continue the discharge of sewerage from any and all of the sewers within the city into Thomas Creek, upon the payment to her of \$200.00 per annum, until the sewerage from said sewers shall be diverted from said Thomas Creek, and that said prymment be made annually. Such agreement was duly executed by said Anna Gould on December 16th, 1891. I would, therefore, recommend that your honorable body direct that an order be drawn for \$200.00 in favor of Hubbell & McGuire, the attorneys who represent said Anna Gould, for the payment of the easement for the year 1891 now due.

Respectfully,

CHAS. B. ERNST,
City Attorney.

Ordered, received, filed and published.

By Ald. Lewis:—Resolved, that the clerk be, and is hereby directed to draw an order upon the treasurer payable from the contingent fund in favor of Hubbell & McGuire, attorneys for Anna Gould for \$200.00 being for the right, privilege or easement to continue the discharge of sewerage from any and all sewers from the city into Thomas Creek, from the date of her agree-

ment, with the city, January 19, 1891 to January 19, 1892.

Adopted by the following vote:

Ays—Ald. Calihan, McMillan, Zimmer, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—13.

By Ald. Lewis—Petition of Mrs. F. C. Walker to erect a wood building. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Lewis—Resolved, That the property owners on Clifford street liable to be assessed for the construction of a plank sidewalk under Final Ordinance, No. 4,571, be and they hereby are granted thirty days time from this date in which to lay their own walks and the Executive Board is requested not to let the contract for improvement until May 1, 1892.

Adopted.

By Ald. Lewis—Resolved, That the Clerk be and he is hereby directed to publish in the official proceedings, the official canvass of the vote cast for municipal officers at the last charter election.

Adopted.

By Ald. Lewis—Remonstrance against stone quarry on North Goodman street. Referred to the City Attorney.

The resolution authorizing the City Treasurer to draw from the several savings banks of the City of Rochester all moneys deposited as proceeds of the interest and dividends of the Genesee Valley Railroad Company stock, came up.

Ald. Lewis moved that the resolution lie on the table for two weeks and that it be referred to the Finance Committee.

On motion of Ald. Adams the board then adjourned.

PETER SHERIDAN, City Clerk.

In Common Council—April 4, 1892.

FINAL MEETING.

Ald. Thomas McMillan, President of the Board, presiding.

Present—Ald. Tracy, Calihan, McMillan, Zimmer, Lempert, Cleveland, Shelter, Wurtz, Adams, Bierbrauer, Cook, Fox, Bohrer, Kelly, Lewis—15.

Absent—Ald. Rauber.

MISCELLANEOUS BUSINESS.

The President of the Board then delivered his valedictory address.

"FELLOW MEMBERS OF THE COMMON COUNCIL:—The busy hand of time has brought us to the close of another fiscal year. It is proper at this time to give a short review of the work accomplished by this Board and the several departments of the city government.

"By far the most important work done has been the passage of the ordinance for the construction of the East Side Trunk Sewer. The contract for the first section of this work will be awarded in a few days, and the long looked for sewer will soon be a reality. The important bearing this sewer will have upon the growth of Rochester will be beyond our anticipations. The manner of payment is such that the burden will be light. The relief to the citizens generally, and to this Board and

its members particularly by the discontinuance of sewer suits, will be very great.

"For nearly four years the Common Council, the press and citizens have been discussing the question of an additional water supply. A full investigation of the subject has demonstrated to the satisfaction of every one that the present supply is inadequate. Successive Legislatures have failed to pass the necessary enabling act to allow us to proceed with this important work. It is a source of sincere regret that another year has drawn to a close and we are still unable to begin this work, so important and necessary to the future prosperity of our city. The bill empowering the city to issue its bonds for the construction of the conduit has passed the Senate and is in order of third reading in the Assembly with a prospect of its final passage, and we trust the same will soon become a law.

"The rapidly growing section of this city lying east of Goodman street has received full share of your attention within the past year. The necessity of providing fire protection has been promptly met by laying through East avenue and other streets a large water main extending the Holly system to this part which will protect the large manufacturing establishments located there. The contract just awarded by the Executive Board for the construction of a bridge wide enough to accommodate the rapidly increasing travel over the tracks of the New York Central and Hudson River Railroad Company, at East Main street, will more thoroughly cement the ties which bind the residents of this part with the older portion of the city. Scarcely six years ago this territory was farm land; now it is thickly settled, alive with the hum of industry. The growth here is truly phenomenal.

"The year just closed has witnessed also the completion of another bridge across the Genesee river at Platt street. It is to be hoped that during the coming year the bridge so long delayed at Alexander and Edinburgh streets will be built.

"Ordinances are pending for new pavements on State and Main streets which will add materially to the comfort and cleanliness of the city. During the past year new pavements have been laid to the amount of \$449,568.84. Sewers have been constructed at an expense of \$211,815.82. The sidewalks have been laid at an expense of \$10,332.06. The bridges so far built have been an expense of \$125,000. The miscellaneous expenditure for improvements amounts to \$3,498.91, making a total expense for improvements during the past year of \$800,215.63. This expenditure is the strongest evidence of the rapid and substantial growth of our city.

"In conclusion, gentlemen, permit me to thank you for your uniform kindness to me as your presiding officer, having over-looked my faults, having aided me with your kind counsel in facilitating the business of the Board, and having granted me the honor of presiding over your deliberations."

Ald. Lewis moved that the address of the President be received, filed and published.

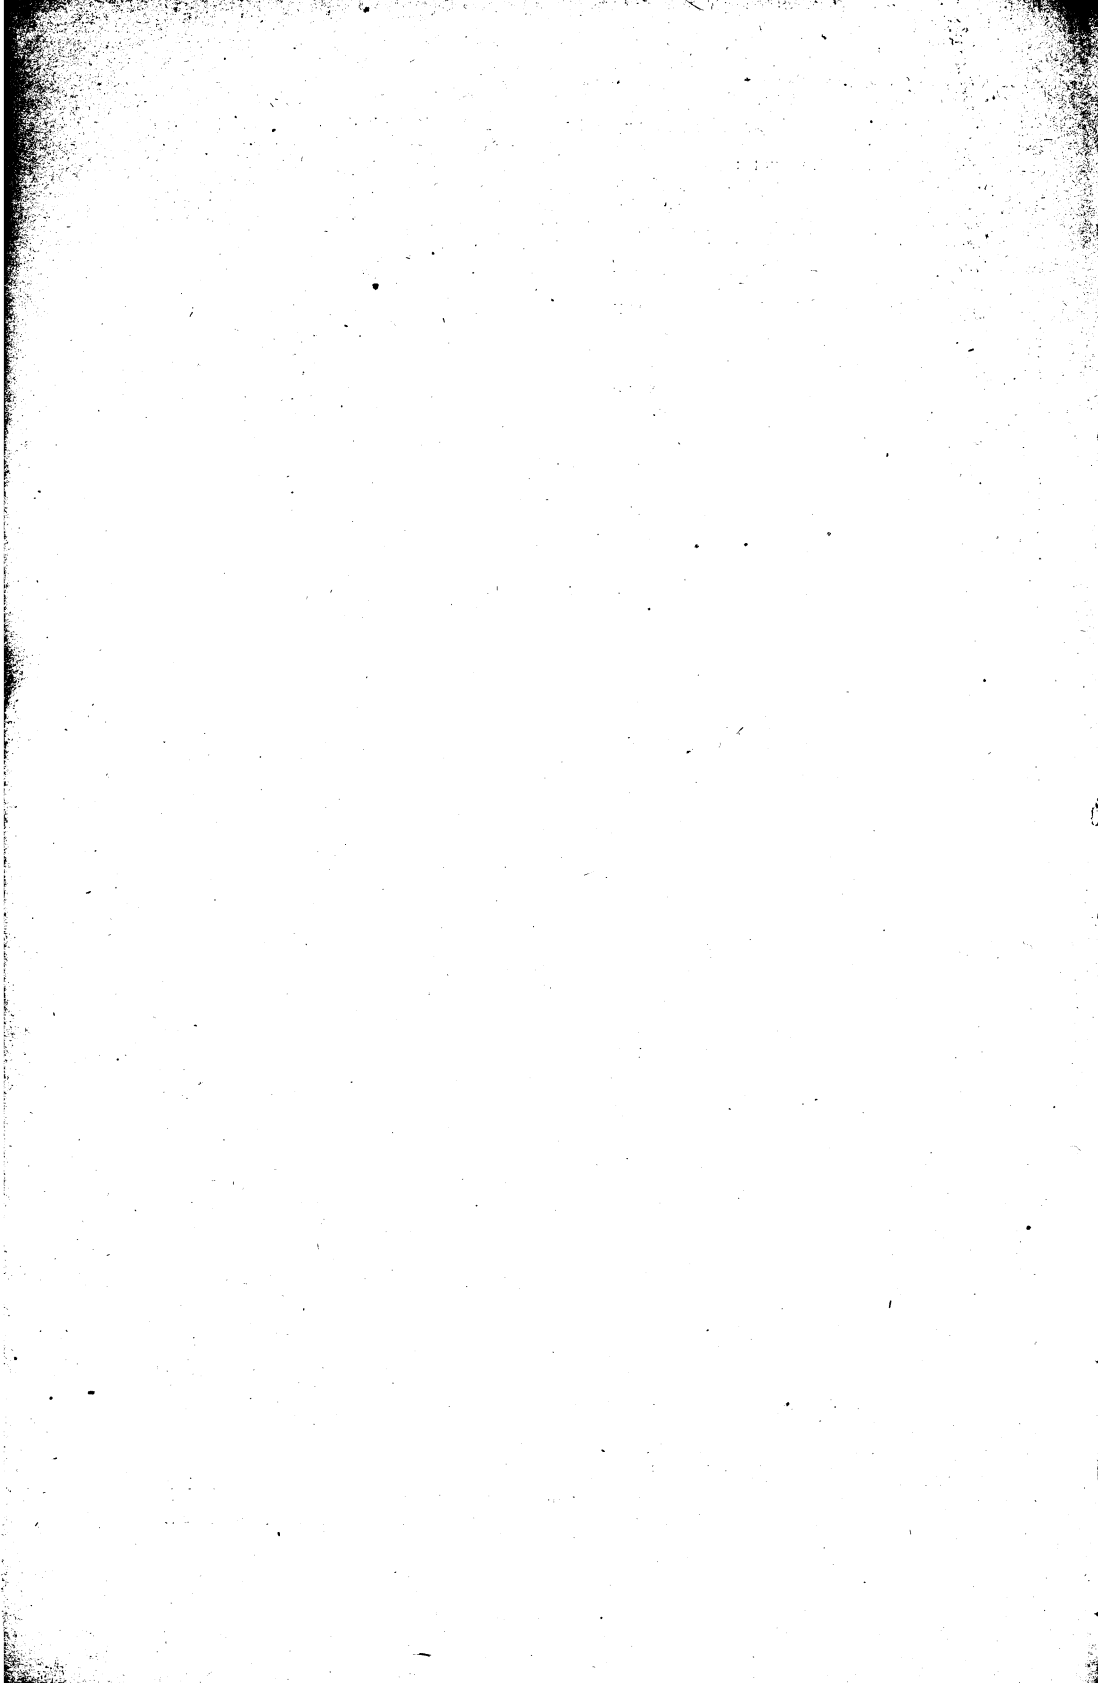

Ald. Kelly arose and addressing the President said in behalf of the members of the Board he wished to express the appreciation of the alderman for the fair and impartial manner in which he had discharged the duties of the presiding officer of the Common Council during the year just passed. On behalf of the members of the Board he wished to express their thanks for the many acts of kindness received.

As a token of their esteem he presented the retiring President, on behalf of his brother members, a handsome gold watch.

President McMillan in a few well chosen words thanked the members for the beautiful token of their friendship and esteem.

The President then declared the Board adjourned sine die.
