AN ORDINANCE RELATING TO DOGS.

The Common Council do ordain and establish as follows:

Section 1. Every owner or keeper of a dog, or animal of the dog kind, within the city of Rochester, shall cause the same to be registered, numbered and described in the office of the City Clerk of said city. The City Clerk shall keep a complete registry of all dogs, in a book to be kept for that purpose describing the same by name, breed, color and sex, and shall also enter the name and address of the owner or keeper as given, and the number of the city license tag; he shall provide such number of metal tags, of not less than three-fourths of an inch in width, as may be necessary, bearing on the face serial numbers; and such tag shall be furnished by the City Clerk to each owner of a dog at the time of registering said dog and shall be attached to the collar of such animal. No person shall counterfeit, or use any other tag than that furnished by the City Clerk. The fee for registering each dog shall be twenty-five (25) cents, and for furnishing the metal tag seventy-five cents, and all licenses, fines and penalties collected under this ordinance shall be placed to the credit of the Police Fund. Any person harboring a dog for two days prior to any violation of the terms of this ordinance shall be held to be the owner of said dog.

Sec. 2. No dog, or animal of the dog kind, shall be permitted to run at large in the city of Rochester unless muzzled when required as hereinafter provided nor unless said dog shall wear a collar of metal or leather bearing a tag or plate such as is prescribed in this ordinance.

Sec. 3. No person shall suffer to run at large in said city, any dog, owned or harbored by him of ferocious and dangerous character, habit or disposition; nor shall any person keep or suffer to be kept on his premises or the premises occupied by him within said city, any dog in the habit of howling or whining at night, or barking at, or in any manner annoying any person or persons; any person who owns or harbors such dog or dogs shall be subject to a fine as hereinafter provided. No female dog in time of heat shall be allowed to run at large within the city limits. Upon a second conviction for a violation of this section it may be a part of the sentence that such dog be immediately killed; and this sentence shall be executed forthwith by one of the pound keepers to be designated by the magistrate imposing the sentence, and any owner or keeper of any such dog who refuses to deliver up the same in compliance with said judgment, shall be liable to an additional fine therefor.

Sec. 4. Whenever the mayor of the city of Rochester shall deem it necessary, he shall sign an order prohibiting, for a certain time therein specified, any or all dogs from running at large in any street, alley or other public place in said city unless such dogs be securely muzzled, or led by a line or chain, so as effectually to prevent them from biting any person or animal; which order shall be published in the official newspaper of the said city.

Sec. 5. Every person who shall violate any of the provisions of this ordinance shall for each offense be subject to a fine or penalty not exceeding \$150 in amount to be imposed by the police justice, or judge, or court before whom a suit for such fine or penalty is brought in the discretion of such justice, judge, or court, and on failure to pay such fine or penalty when recovered shall be imprisoned in the Monroe County Penitentiary for a term not exceeding 150 days to be determined by such justice, judge or court, in his or its discretion at the time the judgment is entered.

Sec. 6. Every execution upon a judgment recovered for any fine or penalty or forfeiture imposed for the violation of any provision of this ordinance shall be issued immediately on the rendition of the judgment and shall command the amount to be made out of the personal property of the defendant within the city not exempt from levy and sale under an execution, if such can be found, and if not, then to commit the defendant to the Monroe County Penitentiary for such time as shall have been directed by the justice, judge or court rendering such judgment and may be issued to and enforced by any member of the police department of said city. Such execution may be issued by the police justice or police clerk of said city, where the judgment was rendered by the police justice of said city.

Sec. 7. The Humane Society of Rochester for the Prevention of Cruelty to Animals, is hereby empowered and authorized to carry out the provisions of this ordinance, said society shall furnish at its own expense, all men, horses, vehicles, apparatus and appliances necessary to seize all dogs and other animals found running at large or being within the city in violation of the provisions of the ordinances of the city and to take the same to one of the public pounds; said society shall receive therefor a sum equal to

all license fees hereafter received by said city in pursuance of this ordinance after deducting the necessary expense of the city in procuring books and tags for the registration of dogs; also a sum equal to all fines and penalties imposed under this ordinance in proceedings instituted or prosecuted by said society upon the express condition, however, that the city shall not be liable for any expenses, costs, or compensation connected with carrying out any of the provisions of this ordinance.

Sec. 8. All existing ordinances inconsistent with the terms of this ordinance are hereby repealed.

Sec. 9. This ordinance shall take effect immediately.

Ordered received, filed and published, and upon motion of Ald Dewey, action thereon was postponed two weeks.

ROCHESTER, N. Y., Oct. 30, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The following resolutions were duly adopted at a meeting of citizens interested in the assessment roll for the construction of East Main street railroad bridge, held October 29, 1894.

Respectfully,

E. S. HAYWARD, JR., Chairman.

Whereas, All tenures and property rights in land are equally secure under law, whether owned by individuals, (persons) or by railroad corporations, (artificial persons) and every such owner is entitled to its exclusive use as he or it may please, subject always, however, to reasonable restrictions for the public good and safety, under the unwritten and unalterable fundamental laws of eminent domain, that is to say: No individual may interfere with the reasonable rights of his neighbor or conduct on his own lands the manufacture of powder or prosecute any business, even if legitimate, hazardous to his neighbor or to the public, without providing safeguards against such danger at his own exclusive expense. Neither can a railroad corporation conduct its business in a hazardous manner, even if legitimate, without providing ample safeguards, to protect the public or residents while pursuing their legitimate travel, at such railroad corporation's own exclusive expense, and

Whereas, The reserved rights of eminent domain being irrevocable and beyond and above the power of Legislatures, as well as above the power of municipal corporations, any contracts made, or purporting to have been made, infringing on such inherent or reserved rights are a flagrant violation of fundamental law, and are as untenable and void as if contracted by fraud, and

Whereas, The public street now called North Goodman street was one of the principal streets for ingress and egress to and from the city of Rochester for many years prior to the construction of any railroad in this county and which, together with East Main street, was enjoyed for a long term of years after the construction of the N. Y. C. R. R., by the citizens of the outside districts, as safe, easy and level grade crossings of said R. R. with slight reasonable hindrance by waiting on passing trains, without complaint, until up to within a few years previous to the construction of the original East Main street bridge by said R. R. company, preceeding which the tedious delays of standing trains, and the increased number and speed of other trains had become an intolerable nuisance and a great danger and menace to the public, thus making it incumbent upon said R. R. Company to build and maintain at its own exclusive expense, adequate bridges and full regulation sidewalks (the same as are lawfully required at the expense of other persons) at and over both of the public streets named; thus to provide against such delay and danger to the public and to enable said R. R. Company to continue its more profitable, extensive and properly progressive business, thereby, while not restoring to the residents their full privileges and previous rights of crossing at an easy level grade, affording at least safe transit and freedom from the unlawful hazard created by and for the benefit of said R. R. Company alone, and

Whereas, After said R. R. Company had built the original East Main Street Bridge, the city council of Rochester did, in violation of the sacred rights of the public, which are unalterably secured under the laws of eminent domain, coactive with the said R. R. Company and without authority of law, enter into an alleged agreement with said R. R. Company binding the city (the entire city) of Rochester to keep in repair and maintain said bridge and permitting the closing up entirely of the ancient and long established Goodman Street Roadway, instead of properly indicting said R. R. Company as a nuisance for obstructing said crossing for hours with standing trains, and

Whereas, A subsequent City Council did, in alleged pursuance of said unwarranted contract, adopt an ordinance providing for maintaining said bridge by the erection of a new bridge and in violation of the terms of said

alleged contract, instead of doing so at the expense of said (entire) city (as specifically expressed in said contract) and without warrant or condemnation proceedings, unjustly and illegally assess such expense on a portion, only, of said city of Rochester, and,

Whereas, Said new bridge is not only a special private improvement for the especial benefit of said R. R. Company but also a general necessity to the merchants and people of the entire city at large and should therefore be a private charge to said R. R. Company, or else a charge upon the entire city, and,

Whereas, The erection of said new bridge alone permitted the extension of the street R. R. lines eastward, thus creating a new source of franchise revenue for the benefit of the treasury of the entire city which will in time reimburse the city at large for the cost of said bridge. Now, therefore,

Resolved, That we, hereby respectfully request the City Council to relieve us of said unjust local assessment and to assess the entire cost of said bridge and its approaches against, either the N. Y. C. R. R. Company or else against the city at large. Also that the R. R. Company shall be required to construct an adequate bridge for pedestrians over their tracks at Goodman street crossing, thus partly restoring the rights which are unjustly denied to the citizens, also

Resolved, That the president of this meeting request the Hon. Merton E. Lewis to present a copy of these resolutions to the Common Council of the city of Rochester at its next meeting.

Adopted.

Ordered received, filed and published, and upon motion of Ald. Lewis referred to Assessment Committee.

By Ald. Lewis—Resolved, That the City Attorney be and he is hereby instructed to investigate the proceeding had, by which North Goodman street was closed on each side of the tracks of the New York Central Railroad Company, and to report his opinion as to the legality of such proceedings to this council as soon as possible.

Adopted.

By Ald. Lewis—Resolved, That the Rochester Gas & Electric Company be and it is hereby directed to move the electric light on Garson avenue at the corner of Chamberlain street to the north side of Garson avenue opposite Chamberlain street, and place the same upon a crane.

Adopted.

By Ald. Lewis—Resolved, That the Executive Board be and it is hereby requested to not let the contract for the University avenue sewer until advised by this Council of the completions of the negotiations with the New York Central R. R. for the construction of the tunnel at the University avenue crossing.

Adopted.

By Ald. Lewis—Resolved, That the Executive Board be and it is hereby requested to postpone the letting of the contract for the construction of the plank walk on Oswego street for two weeks.

Adopted.

Ald. Lewis moved that the privilege of the floor be granted Mr. E. E. Prayn, who desired to speak concerning the matter of the removal of the general office of the Grand Lodge of Locomotive Firemen to this city. Carried.

By Ald. Lewis—Whereas, The Grand Lodge of Locomotive Firemen contemplates the removal of its general offices from Terre Haute, Ind., to some other city, and,

Whereas, Rochester by reason of its location, and its many attractive features, has advantages which perhaps no other city could offer. Therefore,

Resolved, That the city of Rochester hereby extends to the Grand Lodge of the Locomotive Firemen of the United States, a cordial

invitation to locate its general offices in this city. That the City Clerk be directed to certify a copy of this resolution to Hon. F. P. Sargeant, Grand Master Fireman of the United States, at Terre Haute, Ind. Adopted.

Ald. Dewey moved that the President of the Common Council and the Chairman of the Finance Committee be appointed a committee to confer with the mayor as to what steps should be taken to bring about such removal. Carried.

By Ald. Harris—Resolved, That the Executive Board be and it is hereby requested to postpone the letting of the contract for Genesee street cement walks until May 1, 1895. Carried.

By Ald. Harris—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., Oct 16, 1894.

To the Common Council:

Gentlemen:—The attention of the Executive Board has been called to the bad condition of the plank walks on Jefferson avenue, from Flint street to Magnolia street; Magnolia street, from Jefferson avenue to School No. 19; Flint street, from Nellis park to Jefferson avenue.

Those walks are so badly out of repair that nothing short of entirely new walks can be laid for the public safety and proper use of the street. The Executive Board, therefore, recommends that instead of requiring the Highway Fund to expend a large amount of money for this purpose at the present time, that your honorable board pass an ordinance covering the streets named and cause to be constructed new plank walks, in order that the city may be saved from liability for accident arising from the dangerous condition of the walks named above.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published, and referred to the Surveyor to prepare an ordinance.

By Ald. Decker—Remonstrance against granting permission to George J. Wagner to move a wooden building on Syke street or erect a wooden building on Maple street. Referred to Wood Building Committee and Fire Marshal with power to act.

Upon motion of Ald. Dewey the Board then adjourned.

HENRY W. GREGG, City Clerk.

In Common Council, November 13, 1894.

REGULAR MEETING.

Ald. Merton E. Lewis, president of the board, presiding.

Present—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmellink, Lewis, Harris, Decker—19.

By Ald. Aikenhead—Remonstrance against granting permission to Lewis Consular to erect a wooden building on Woodward avenue. Referred to Wood Building Committee and Fire Marshal, with power to act.

Petition for a sewer in Edward street. Referred to Surveyor to prepare an ordinance. Also, Petition for an electric light on Pardee Terrace. Referred to Lamp Committee and City Electrician.

By Ald. Harris—

To the Honorable, the Common Council of the City of Rochester:

We, the undersigned residents and property owners in the Fourteenth and Nineteenth wards of said city, and in the vicinity of the location of the proposed garbage crematory which is now being erected in said Nineteenth ward, do hereby respectfully record our earnest and most emphatic pro-

test against the establishment of such a plant on the proposed site between the Erie and Western New York and Philadelphia Railroad tracks just south of the Vacuum Oil Company's works in said ward.

We desire to call the attention of your honorable body to the fact that the Rochester Reduction and Fertilizer Company is erecting on the above site several large wooden buildings for the purpose of burning night soil and garbage to be collected in said city. That such buildings are being erected in violation of law and against the provisions of the charter and ordinances of said city.

That such wooden buildings are to be within two hundred feet of property owned by several of the undersigned, and the consent of the owners of such property within two hundred feet has not been obtained; and we are also informed that said wooden buildings are being erected without consent or authority of your honorable body.

We further show that to have and permit the operation of such a plant on the proposed site will be a nuisance of the most aggravating character, and that the undersigned, and nearly all of the citizens of Rochester, will suffer greatly therefrom.

Said plant is located just east of Plymouth avenue (the avenue which is now the principal and, in fact, the only passable driveway to Genesee Valley Park) and is midway between Clarissa street and the Elmwood avenue entrance to said park.

The only means of reaching said plant is by way of Plymouth avenue (paved with asphalt), or Mansion street (unimproved and at certain times of the year almost impassable).

It is evident without argument that Plymouth avenue will be the thoroughfare through which all the garbage and night soil will be carted.

We do not believe the popularity of our South Park will be increased if the principal drive and parkway to it is made the highway for the passage to and from of all the garbage wagons of the city. When it is considered that more than fifteen thousand (15,000) tons of garbage, beside all the night soil, are to be disposed of annually (on an average of fifty (50) tons per day, amounting to not less than seventy-five loads daily), the utter folly and gross wrong of permitting such a plant to operate on the line of the main avenue to our principal park are plainly perceptible.

The condition of affairs on Mt. Hope avenue, another of our principal drives, is not better. The present location of this obnoxious plant is so near that avenue that with the prevailing south and west winds the sickening odors of the garbage crematory and phosphate factory will make that thoroughfare also impassable.

We believe it utterly impossible to operate the proposed plant without creating the worst kind of nuisance. Foul odors are bound to escape; property will become worthless in this vicinity; the health of the people who are compelled to live within smelling distance will be endangered.

We have labored hard to make ours a pleasant and attractive part of the city. We have expended large sums of money in building and improving our homes; vast amounts of our hard earnings have gone to construct costly and extensive improvements, and as a result for the past two years we have seen old buildings disappear, new and beautiful ones erected in their places, former nuisances have been abated, and now we do not propose to have our prospects at this time blighted by having located in our midst the most intolerable nuisance of all.

We object most strenuously, and oppose most bitterly, any attempt to make our vicinity the dumping ground of the whole city, and to your honorable body we most respectfully and most earnestly appeal for protection.

GEO. PATTERSON,
ERWIN E. SHUTT,
and others.

Ordered received, filed and published.

By Ald. McMillan—

To the Honorable, the Common Council of the City of Rochester:

We, the undersigned property owners in and residents of the third ward of said city, do hereby most emphatically protest against the erection of the proposed garbage crematorium on the plot of ground just south of the Vacuum Oil Company's works, in the nineteenth ward of said city. We believe that the erection of such a plant within the city limits, and especially at the place proposed, would be a nuisance of the most aggravated character. It would practically ruin the most attractive drive that the citizens of our city have to Genesee Valley Park, and, being located in such close proximity to the northern entrance to the park, would have a great tendency to detract from the fast-growing popularity of the people's breathing spot.

HORACE C. BREWSTER,
H. AUSTIN BREWSTER, and others.

Ordered received, filed and published.

By Ald. Harris—Remonstrance against granting permission to Fertilizer and Reduction Company to erect a wooden building in the nineteenth ward. Referred to Wood Building Committee and Fire Marshal, with power to act.

By Ald. Harris—Resolved, That in view of the proposed action of the Fertilizer and Reduction Company in the erection of a building for the burning of night soil and garbage, that a committee of five from the board be appointed to confer with the Board of Health for the purpose of devising some means whereby the health and property of the residents living in the vicinity of the proposed building may be preserved. Adopted.

REPORTS OF STANDING COMMITTEES.

By Ald. Ashton—

ROCHESTER, N. Y., Nov. 13, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: In the matter of the petition of the Genesee Paper Company to reduce their assessment for general city taxes for the year 1893, your committee report that the assessment has been satisfactorily explained to the Paper Company, and your committee recommend the denial of the petition, this action being taken upon the recommendation of the assessors.

In the matter of the petition of Elizabeth Kelly to have cancelled certain taxes and certain taxes refunded, on the ground that the premises which were assessed were purchased with pension money. Your committee report that a number of claims of like character have been before the committee recently, and in all cases denied, for the reason that there are now tests cases in the courts in different parts of the state construing the act granting pension beneficiaries certain exemptions from sale of premises held by them purchased with pension money, and until there is a final decision upon this subject, your committee do not deem it wise to cancel any such assessments. In the matter of the petition of F. L. Farnsworth to have a tax refunded, your committee would respectfully report, that Mrs.

Farnsworth, after consultation with the city assessors, has expressed herself as satisfied with the assessment as it stands, and your committee would therefore recommend a denial of the petition.

In the matter of the petition of W. R. Robb, recently re-considered by your committee, we would report that after hearing Mr. Robb and a full and due consideration of the matter, your committee are of the opinion that no injustice has been done Mr. Robb, and upon the report of the assessors, your committee recommend that the petition be denied.

All of which is respectfully submitted.

JOHN H. ASHTON,
JOHN F. FOX,
JAMES M. AIKENHEAD,
Assessment Committee.

REPORTS OF SELECT COMMITTEES.

By Ald. Dewey—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Special Committee on the revision of the penal ordinances in view of the attention that has been given to the subject by the public press, and the discussions that have occurred upon the floor of this chamber,

deems it advisable to submit a report with reference to the subject referred to them.

The appointment of this special committee has grown out of an urgent necessity for the compilation of the penal ordinances of the city. Some time ago this council at considerable expense authorized a compilation of the ordinances to be prepared. Such a compilation was made and is now in the possession of the city attorney, and is, we believe, with the exception of two or three typewritten copies made by the city attorney to provide in case of a loss of the original compilation, the only complete set of the penal ordinances as now in force in existence in this city. It was the general impression that the work of this committee would consist simply in the examination of the compilation referred to and its publication, but a study of the ordinances now in force reveals the fact that some of them are conflicting, others are ambiguous in their terms, and nearly all require a re-arrangement. It was the plan of this committee to arrange the ordinances under suitable heads and to thoroughly revise the whole of them before recommending their publication. It would be a waste of money to publish them as they now exist. Your committee since its appointment has held meetings from time to time, and this council is aware of some of the work that the committee has been doing by the number of ordinances that have been introduced. There is before this council for adoption at this meeting a re-enactment of the ordinance relating to the licensing of dogs. This subject furnishes a good illustration of the work that this committee is seeking to do on the subject referred to it. When this committee began its labor, there was no special ordinance referring to dogs among the penal ordinances of the city, but here and there were provisions in other ordinances relating to the subject. There was an ordinance relating to public pounds which included dogs among cattle, fowl and other animals of that character. Your committee deemed it advisable to treat these subjects under three ordinances: First under an ordinance relating to dogs and regulating their running at large within the city; secondly, under an ordinance relating to cattle, fowl and other animals of that character straying within the city, and thirdly under an ordinance relating to pounds which would cover all animals mentioned in the ordinances referred to. The ordinance relating to dogs has been adopted. It was first considered by your committee because there seemed to be a demand for a reasonable dog ordinance arising from the numerous cases brought to the attention of the police department of persons who had been attacked and injured by vicious dogs. The ordinance prepared by your committee has met with the approval of this council. It has turned into the public treasury over \$1,300 as license fees, without any special effort having been made to enforce it. Many ordinances relating to this subject as they existed in Chicago, New York, Buffalo and other cities, were considered by your committee, and we believe that the ordinance which has been adopted is the most reasonable of any that your committee has examined, and that it is adapted to this city. The pound ordinance which was in force when your committee assumed its labors, had been in operation for nearly fifteen years, and making the necessary changes which the adoption of the dog ordinance made necessary, your committee presented the old pound ordinance for re-adoption. Some criticisms were passed upon this ordinance although it had been upon the books of the city for the number of years stated. Your committee then prepared a new pound ordinance, after an examination of the ordinances on this subject

as they existed in other cities and consultations with the police department, members of the Humane Society and other citizens interested in the subject. As a result of its investigations the ordinance which was adopted at the last meeting of this common council was prepared. The ordinance relating to the straying of cattle and fowl within the city has been prepared, and is also ready for presentation and adoption by this council. With the adoption of these three ordinances the labors of your committee, so far as the subject of pounds and dogs and straying animals is concerned, will be completed.

A word may be proper at this time with reference to the provision in the pound ordinance giving the control of the enforcement of the pounds and the supervision of the dog ordinance to the Humane Society. Both of these ordinances have been published, and so far as your committee has been able to learn, no criticism has been made upon that provision in the ordinance, but on the contrary, expressions of approval have been heard on all sides, and so far as the public press has noticed the subject, it has also indicated its approval. Your committee did not feel that it was warranted in recommending the adoption of any ordinance providing for the creation of any new office such as a pound keeper, or dog catcher which would entail any additional expense upon the city. The ordinance prepared will not cost the city anything and we believe that the Humane Society will carry it out in a manner satisfactory to all our people. We believe that it is the public sentiment that if any of the dogs in this city, however worthless they may be, are to be destroyed, they shall be destroyed in a humane manner, and we believe that this work can be done far more satisfactorily by the Humane Society than by any salaried officer that may be appointed by this council who may perform his duties in a merely perfunctory manner. There does not seem to be any just ground for criticism upon placing the control of the pound in the hands of the Humane Society. The old ordinance on the subject of pounds has been in force in this city for nearly fifteen years and it is safe to say that not one cent has ever been realized by the city from any of its provisions. If the assumption of the enforcement of this ordinance by the Humane Society should result in a profit to the society, it will not be the cause of depriving the city of any accustomed income. Much more, however, could be said in favor of placing the enforcement of these ordinances in the hands of the Humane Society. The regulation of the subjects mentioned is no trifling matter and we believe that the time of this council in considering and adopting these ordinances is well spent. So important have these subjects become in larger cities, that only last winter a statute was passed by the legislature providing for the licensing of dogs within cities having a population of over 1,200,000. It is a significant fact in discussing the question as to whether the council should place the control of this ordinance in the hands of the Humane Society to remember that the statute referred to places the licensing of dogs within the limits of cities having the population referred to in the hands of the American Society for the Prevention of Cruelty to Animals, and gives to that society all fees collected under the statute. The ordinance which is before the council for adoption to-night, relating to dogs, is, as has been stated at a former meeting, a re-enactment of the ordinance which has been heretofore adopted to make it conform to the provisions of the ordinance relating to pounds with the exception of that provision which places the enforcement of the ordinance in the hands of the Humane Society. The three

ordinances that have been referred to, that relating to cattle, fowl and other animals running at large, and that relating to dogs, and that relating to pounds go together, and under the plan of the committee, the Humane Society will see to the enforcement of these ordinances, receiving any license fees that may be collected under them, after their adoption, and all fines collected in cases prosecuted by the society. This latter provision is in line with section 668 of the penal code which gives to that society all fine collected in cases instituted or conducted by that society for cruelty to animals, so that there is nothing unusual in placing the control of these ordinances in the hands of the Humane Society or providing for the payment to it of the license fees and fines collected under the ordinances.

In the matter of the application of the owners of certain theaters in this city for a reduction of the license fee, your committee finds upon investigation that license fees for theaters in the cities of Buffalo and Syracuse is only \$50 and we can see no reason why the license in this city should exceed those in the cities named, and therefore recommend that the same be reduced to the sum of \$50.

All of which is respectfully submitted.

ALVIN H. DEWEY,
T. McMILLAN,
WILLIAM WARD,

Special Committee on the revision of the penal ordinances.

Ordered received, filed and published.

By Ald. Dewey—Resolved, That section three of an ordinance to prohibit, restrain and regulate sports, etc., adopted December 21, 1893, and published at page 442 of the proceedings of the Common Council for 1893-1894, be and the same hereby is re-considered. Adopted.

By Ald. Dewey—Resolved, That section three or said ordinance to prohibit, restrain and regulate sports, exhibitions, etc., adopted December 21, 1893, be and the same hereby is amended by inserting therein in place of the words and figures "one hundred dollars (\$100)" the words "fifty dollars (\$50)."

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—18.

LOCAL IMPROVEMENT ASSESSMENT.

By Ald. Ashton—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvements, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements respectively adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said ex-

penses are hereby directed to be assessed and which this Common Council deems to be benefited by the improvements, respectively, are as stated and described in the final ordinances relative to the improvements, respectively, and that the name and expense of the improvements thus to be assessed are as follows, viz:

Ord. No.	Improvement.	Expense.
5,570.	Glenwood park cement walks.	\$ 97 37
5,558.	Charlotte street flag walk relaying	319 53
5,559.	Livingston street Medina pavement	1,400 00
5,578.	No. 28 school cement walks.	67 32
5,580.	Gorham park curb, gutter and walk	1,159 69
5,539.	Richmond park gravel pavement	549 49
4,564.	Jennings street plank walk	1,619 36
5,554.	Wren street pipe sewer	658 95
5,541.	Scrantom street cement walks	105 66
5,588.	Carthage alley Medina pavement	999 90

And it is further determined that the taxpayers be assessed for making the foregoing improvements must pay their assessments within thirty days from the first publication of the advertisement of the notice of the assessment rolls by the City Treasurer.

And it is further determined that the taxpayers to be assessed for making the following improvement, viz:

Ord. No.	Improvement.	Expense.
5,563.	North Goodman street asphalt	\$9,118 39

May pay their assessments in three equal payments as follows:
One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll. And the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment a discount will be allowed at the rate of six per cent. per annum.

And the Assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of lands within the portions or parts of the city above designated to be assessed, of the amounts of expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements, shall be deemed to receive by the making of the respective improvements.

Adopted by the following vote:

Ayes—Alds. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Allenhead, Simmelink, Lewis, Harris—18.

To the Honorable, the Common Council:

Gentlemen:—Taxpayers are daily offering payments on the assessments for Maple and Colvin street sewer, Ord. No. 4,195, and East Main street bridge, Ord. No. 4,542, which, owing to your resolution of Oct. 16th, reconsidering same I am obliged to refuse.

The former roll was confirmed by you July 25, 1893, and the latter Aug. 24, 1894. Both were three payment rolls, subject to discount, the discount being in fact the interest which was added to the actual cost of the improvements. Many of the people have paid one or more of these payments, and wish to take advantage of the discount to which they would at this time be entitled, objecting to an accumulation of interest.

If the rolls are not reconfirmed for some time they think it unjust that they should be obliged to pay more than they would have to at this date. On the other hand, if provision is made for them when rolls are reconfirmed, by extending time of payments, discounts, etc., I can not see but that those who have not paid anything at all, and intended waiting until time of last payment will be the gainers.

I have brought this matter to your attention thinking possibly you might see the advantage of prompt action in the matter.

Yours respectfully,

S. B. WILLIAMS, City Treasurer.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—On March 27, 1890, the General City Tax for 1889 against lot 5 and rear 73, in the subdivision of south middle part lot 8, fifth ward, west side of North Clinton street, assessed to Mina S. Aman, was sold to Lyman Johnson. A search was made on the same property in the following June, on which this tax erroneously appeared as paid.

The property has since changed hands and on a search recently obtained by the present owner the aforesaid tax appeared as a lien on the property. Inasmuch as the present owner cannot collect this tax from the person from whom it was purchased, and as he himself will have to pay it, will you kindly au-

thorize me to accept same without additional interest, and pay Mr. Johnson, the holder of the certificate, the amount of interest to which he is entitled, and charge same to interest on assessments?

Yours respectfully,

S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is, directed to receive the General City Tax for 1889, on lot 5 and rear 73, on the west side of Clinton street, assessed to Mina S. Aman, for the amount for which it was sold, and charge the amount of accumulated interest to interest on assessments.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The amounts appropriated for contingent fund in the tax levy of 1894-1895 is entirely exhausted, owing to the payment at different times of orders, which are to be charged to Rochester Police Station Building Fund, when bonds for that purpose are issued.

The amount of such orders that have been already paid is \$14,450. If it meets your approval will you kindly give me the necessary authority to borrow money for the Contingent Fund.

Yours respectfully,

S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published, and upon motion of Ald. McMillan referred to Finance Committee.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to issue as necessary the city's notes for the sum of twenty-five thousand dollars (\$25,000) under authority of Sec. 81 of the city charter. Said notes to be issued under the direction of the Finance Committee of the Common Council, and to be countersigned by the chairman of the Finance Committee; the proceeds to be credited to Contingent Fund and the interest or discount thereon to be charged to Contingent Fund.

CITY AUDITOR'S OFFICE, }
ROCHESTER, N. Y., Oct. 24, 1894. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned, a commission created by chapter 124, of the laws of 1894, of the state of New York, to audit certain claims against the Board of Education of the city of Rochester, hereby report, that they have examined, passed upon and audited of such claims, the remaining portion so far submitted to them, except as noted herein.

A schedule herewith of the several claims numbered, corresponds with the numbers of each individual claim, accompanying; the vouchers show the amount allowed on each claim, which we recommend be paid said claimants or their assigns.

The total amount of such claims as presented and audited, aggregated the sum of \$8,197.53, which we have audited at \$6,450.88, an abatement of \$1,746.65; two claims not in-

cluded above, rejected, having been previously paid, \$112.48; making a total difference in favor of the city of \$1,859.13.

Of the above amount the sum of \$1,634.74 was disallowed on claims of C. L. Horn, amounting to \$4,747.81, the balance in sundry miscellaneous items on the various remaining claims. A claim of John Blaesi, accompanied by transcript of judgment against the Board of Education, we have referred to the City Attorney.

A claim of Otis & Crandall, June, 1893, for architect services, School No. 35, presented for \$345, was afterward withdrawn by Mr. Crandall and at his request not audited.

MERTON E. LEWIS,
A. S. MANN,
S. B. WILLIAMS,

Auditing Commission.

By Ald. McMillan—Resolved, That the City Treasurer be authorized and directed to issue the city's note, for a period not exceeding one year, as provided by chapter 124 of the laws of 1894, for the sum of \$6,450.88. Said note to be issued under the direction of the Finance Committee, to be countersigned by the chairman of the Finance Committee, interest or discount thereon to be charged to the Contingent Fund and the proceeds credited to the fund for payment of claims against the Board of Education.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—18.

By Ald. McMillan—Resolved, That the City Clerk be directed to draw orders in favor of the following named parties for the sums named and that the treasurer be directed to charge the same to the fund for payment of claims against the Board of Education.

To the Honorable, the Common Council:

Gentlemen:—The undersigned, who were appointed by an order of the Monroe county court, duly granted on the 9th day of October, 1894, and entered in Monroe County Clerk's office, October 11, 1894, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants of the lands and buildings to be taken for the extension of Denver street, from Parsells avenue to Grand avenue, in said city, will be entitled to for the same, respectfully report and certify, the piece or parcel of land to be taken for such improvement and the name and residence of the owner thereof, and the award of damages as incident to the extension of said street, as follows:
The said piece or parcel of land required for such purpose and necessary for the extension of said street is described as follows: Reference being had to the map of said street as proposed to be extended, filed in the said city and county clerk's offices.

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, and being part of Blodgett's subdivision of H. D. Shanck's subdivision of part of lot 42 in the town of Brighton, now in the city of Rochester, reference being had to the map of S. Blodgett's subdivision, on file in Monroe county clerk's office, in liber 7 of maps, at page 94, and which parcel of land is further described as follows: On the north by the south line of Grand avenue and on the east by the west line of lot 184 of said subdivision; on the south by the north line of premises conveyed by A. A. Stout, to the city of Rochester, October 7, 1893, and on the west by the east line of lot 186, of said subdivision, said strip of land being 60 feet wide front and rear and 140 feet deep, and being situate on the south side of Grand avenue.

These premises are owned by Simon L. Garson.

Therefore, We, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matters submitted to us at the City Attorney's office, No. 209 Wilder building, Rochester, N. Y., pursuant to a notice of at least ten days, published according to law, and having all taken a view of every part of the premises, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon determine and appraise the damages which the owner (there being no tenants or occupants other than such owner entitled to any award except as appears herein) of the several premises to be taken will sustain by being deprived thereof, and fix the compensation which the aforesaid owner respectfully shall receive therefor, as follows:

The award hereby made, after deducting all taxes and assessments which have become a lien upon the lands described to be paid as hereinafter provided, are as follows:

To Simon L. Garson, the sum of sixteen hundred dollars, payable to him.

All of which is respectfully submitted,

JOHN C. WRIGHT,
CORNELIUS McDONALD,
ALVIN BLOCK,

Commissioners of Appraisal.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That the next regular meeting of this Common Council, November 27, 1894, be assigned as the time when any complaints or appeals from the confirmation of the foregoing report of the commissioners of appraisal in the matter of the extension of Denver street, will be heard.

Adopted.

MERTON E. LEWIS, Esq.,

President of the Common Council, City of Rochester, N. Y.

My Dear Sir—I am in receipt of your esteemed favor of October 30th, absence from my office having delayed answer until this morning. We are very glad that you are to have the advantage of a visit from Mr. Pruyn, one of our members, who is a resident of your city, and canfully advise your people as to the Brotherhood of Locomotive Firemen as an organization and its grand lodge, for which we are now seeking a new location, where it will be to our best advantage.

We would like very much to obtain figures as to cost of office rent in your city, what your banks will pay upon daily balances for such sums as we shall have on deposit, subject to the changes that necessarily take place and also figures from your printing houses as to the printing of our magazine. If those who are directly interested in these particular features desire to correspond with us, we will be pleased to give them all the information possible. We are not seeking any bonuses for the location of our offices, but we do want to obtain the best possible facilities at reasonable rates.

Appreciating your kindness, I remain,

Yours very truly,

F. P. SARGENT,

Ordered received, filed and published, and upon motion of Ald. McMillan, referred to special committee having matter in charge.

By Ald. Ashton—

COUNTY COURT, Monroe County—In the matter of the extension of Ravine avenue, in the city of Rochester, N. Y.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned, who were appointed by an order of the Monroe county court, duly granted on the 3rd day of October, 1894, and entered in Monroe county clerk's office, the same day, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants of the lands and buildings to be taken for the extension of Ravine avenue, in said city, from the east end of Ravine avenue, at the west side of Deep Hollow creek, to Aldern street and Ravine avenue, on the east side of Deep Hollow creek, will be entitled to for the same, respectfully report and certify the several pieces and parcels of land to be taken for such improvement, the names and residences, and the rights of the owners thereof, and their award of damages, as incident to the extension of said avenue, as follows:

The said pieces and parcels of land required for such purpose and necessary for the extension of said avenue are described as follows: Reference being had to the map of said avenue as proposed to be extended, filed in the city and county clerk's offices.

Parcel No. 1. All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, known as the Gulf or Deep Hollow, on a map of Glenwood or McCrackenville, on file in Monroe County clerk's office: Beginning at a point in the north line of Ravine avenue 126 42-100 feet easterly from the northeast corner of First street and said Ravine avenue; thence south 70 degrees 20 minutes 19 seconds east, about 130 feet to land of Thomas Salter; thence southwesterly along said land of Thomas Salter to a point; thence north 70 degrees 20 minutes 19 seconds west parallel to the first described line and 60 feet distant therefrom, measured at right angles, about 130 feet, to a point distant 60 feet from the northerly line of Ravine avenue, measured at right angles therefrom; thence south 89 degrees 33 minutes 45 seconds west parallel to said northerly line about 2 1-2 feet to a point in the south line of Ravine avenue; thence north 10 degrees 54 minutes 50 seconds east 61 20-100 feet, to the point of beginning.

Said premises are owned by Henry East, and are subject to an easement granted to the commissioners of the west side sewer, in the city of Rochester, for the purposes of the west side sewer.

Parcel No. 2. All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, being lots 43 and 44, on Aldern street, known and distinguished as town lot No. 44, according to a map of Glenwood or McCrackenville on file in Monroe county clerk's office, in liber 1 of maps at page 49.

Beginning at a point in the line between land of said Salter and land of Henry East, having a direction of north 70 degrees 20 minutes 19 seconds west from the northeast corner of Ravine avenue and Aldern street; thence south 70 degrees 20 minutes 19 seconds east, about 101 feet to the westerly line of Aldern street; thence south 20 degrees 35 minutes 15 seconds east about 54 feet to the northerly line of Ravine avenue; thence south 69 degrees 56 minutes 55 seconds west along said northerly line of Ravine avenue about 29 feet to a point 60 feet distant, measured at right angles from said first described line produced; thence north 70 degrees 20 minutes 19 seconds west parallel to and 60 feet distant from said first de-

scribed line about 104 feet to land of Henry East; thence northerly by said East's land to the point of beginning.

Said premises are owned by Thomas Salter. Therefore, We, the subscribers, the commissioners having been duly sworn, as required by the statute in such case, made and provided, and having all met and acted upon the matters submitted to us at the City Attorney's office, No. 209 Wilder building, Rochester, N. Y., pursuant to a notice of at least ten days published, according to law, and having all taken a view of every part of the respective premises and having inquired into and heard the allegations and proofs of the respective parties in interest thereupon, determine and appraise the damages which the several owners (there being no tenants or occupants other than such owners entitled to any awards except as appears herein) of the several premises to be taken, will sustain by being deprived thereof, and fix the compensation which the aforesaid owners respectively shall receive therefore, as follows:

The awards hereby made after deducting all taxes and assessments which have become a lien upon the lands, described to be paid as hereinafter provided, are as follows:

To Henry East, for Parcel No. 1, the sum of one dollar, payable to him.

To Thomas Salter, for Parcel No. 2, the sum of thirteen hundred and fifty dollars, payable to him.

All of which is respectfully submitted,

JOHN F. BOYD,
POMEROY P. DICKINSON,
WILLIAM J. MCGUIRE,

Commissioners of Appraisal.

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the next regular meeting of this Common Council, November 27, 1894, be assigned as the time when any complaints or appeals from the confirmation of the foregoing report of the commissioners of appraisal in the matter of the extension of Ravine avenue, will be heard.

Adopted.

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., Nov. 12, 1894.

To the Common Council.

Gentlemen: The following action was taken by the Executive Board at a regular meeting held November 9, 1894:

By Mr. Barnard—Whereas, A cash guaranty in the sum of five hundred seventy-seven and 6-100 dollars was given the city of Rochester by W. B. Wooldridge & Co., contractors, for the maintenance of Parsells avenue pipe sewer for a period of one year from the date of its completion, and,

Whereas, The time of such guaranty expired September 22, 1894 and the sewer is certified to this board to be in good order, therefore,

Resolved, That the Clerk of this Board request the Common Council to authorize the Treasurer of the city of Rochester to pay to James Palmer, Jr., Ed. S. Hayward, Jr., and Lyman Otis, assignees, and Otis & Gorsline, lienors of W. B. Wooldridge & Co., contractors for the Parsells avenue pipe sewer, ordinance No. 5,103, the sum of \$477.06, being the amount retained by the city of Rochester as security given by said W. B. Wooldridge & Co. for the repair and maintenance of said improvement for one year. Adopted.

Pursuant to the terms of the above resolution, it is requested that you authorize the City Treasurer to refund to Jas. Palmer, Jr., Ed. S. Hayward, Jr., and Lyman Otis, assignees, and Otis & Gorsline, lienors of W. B. Wooldridge & Co., the amount of money deposited as guaranty for the Parsells avenue pipe sewer.

Yours respectfully,
THOS J NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is, directed to pay to Jas. Palmer, Jr., Ed. S. Hayward, Jr., and Lyman Otis, assignees, and Otis & Gorsline, lienors of W. B. Wooldridge & Co., contractors for Parsells avenue pipe sewer, ordinance No. 5,103, the sum of four hundred seventy-seven and 6-100 dollars, being the amount retained by the city of Rochester as security given by said W. B. Wooldridge & Co. for the repair and maintenance of said sewer for one year, said period having expired on September 22, 1894, and the Executive Board having certified the same to be in good order.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—18.

By Ald. Green—
MONROE COUNTY COURT—In the matter of the widening of South St. Paul street on the west side north of and adjoining Court street.

To the Honorable, the Members of the Common Council of the City of Rochester:

Gentlemen: The undersigned, who were duly appointed by an order of the Monroe County Court January 22, 1894, and entered in Monroe County Clerk's office January, 1894, commissioners to appraise the damages

and compensation which the owner or owners, or persons interested, and, if there be any, occupants or tenants who may have a leasehold interest in the premises, rights or easements therein to be taken for the public improvement or purposes above referred to should severally receive therefor, respectfully report and certify the several pieces or parcels of land and the premises, rights and easements therein to be taken for said improvement and the names and residences of the owner or owners respectively, and the rights of said owners as far as can be ascertained, and the names and residences of the tenants or occupants thereof, and of all other persons who have any interest in said property, and the amount of damages or compensation which should be paid to each as follows:

First: The land and premises required for such widening are described as follows: All that tract or parcel of land situated in the city of Rochester, county of Monroe, state of New York, shown upon the map purporting to have been made in the City Surveyor's office of Rochester, N. Y., May 3, 1893, by J. Y. McClintock, City Surveyor, and purporting to have been prepared in accordance with the resolution of Common Council March 21, 1893, bounded and described as follows: On the east by the west line of St. Paul street, as designated on said map, the frontage on St. Paul street being one hundred twenty and seventy-four hundredths feet; on the south by the north line of Court street, the length of line on Court street being ten and sixty-seven hundredths feet, and extending from corner of Court street and St. Paul street westerly to line designated on said map as Canal blue line; and on the west by the line extending from north line of Court street to west line of St. Paul street, the line being designated on said map as the Canal blue line, and being one hundred twenty and thirty-five hundredths feet. The distance from the southwest corner of said premises so required to the east bank of the Erie canal, measured along the north line of Court street, is twenty-two and seventy-five hundredths feet. The distance from the west boundary line of said lands so required measured twenty-eight and thirty-three hundredths feet north from north line of Court street to the east line of the canal, is nineteen and two tenths feet. The distance from the west line of said premises so required, at a point sixty-one and fifty-eight hundredths feet north from the north line of Court street to the east bank of the Erie canal, is sixteen and one-fourth feet.

Second: The names and residences of the owners and the rights of said owners, as far as can be ascertained, and the names and residences of the tenants or occupants thereof, and of all other persons who have any interest in said property are as follows: Alanson Douglas Miller, who resides in Albany, N. Y.; George Douglas Miller, who resides in Albany, N. Y.; and Henry C. White, who resides at New Haven, Conn., as trustees for the heirs and children of Samuel Miller, deceased, to wit: Alanson Douglas Miller, George Douglas Miller and Julia Miller, who resides at Albany, N. Y., are the owners of so much of said premises and which are hereby designated as parcel No. 1, bounded on the south by Court street, on the west by the west line of said premises, on the east by South St. Paul street, and on the north by the line drawn parallel to the north line of Court street and sixty feet distant therefrom; subject to the rights of Stephen R. Newborn as a tenant and occupant of a portion of said premises. The remainder of said premises sought to be acquired herein hereby designated as parcel No. 2, and bounded and described as follows: Bounded on the north by a line parallel to and 60 feet north of Court street, and also bounded on the north by

premises belonging to the Miller heirs; bounded on the east by St. Paul street, on the west by the blue line of the Erie canal, as shown on the said map made by J. Y. McClintock, May 3, 1893; the easterly line of said premises and said blue line intersecting each other at a point 120.74 feet north from the northwest corner of St. Paul and Court streets, measured on the east line of St. Paul street, are owned as follows: the said Alanson Douglas Miller, George Douglas Miller, and Henry C. White, as trustees for the heirs and Children of Samuel Miller, deceased, viz.: Alanson Douglas Miller, George Douglas Miller and Julia Miller, are the owners of and in possession under a lease of the remainder of said premises, executed by the city of Rochester to Samuel Miller, April 26, 1863, for one hundred years from the date thereof and they are entitled to an estate therein for the remainder of said term, to wit: until April 26, 1890. That the remainder in said lands and premises subject to said lease are owned by Jesse Hoyt, Alfred M. Hoyt, Theodore I. Husted and Leonard Hazeltine, Jr.

Third: We, the subscribers, the commissioners, having been duly sworn as required by the statute, in such case made and provided, and having met and acted on the matters submitted to us at the City Attorney's office, in the Wilder building, Rochester, N. Y., pursuant to a notice of at least ten days, published according to law, and have taken a view of every part of the premises affected by these proceedings, and have inquired into and heard the allegations and proofs of the respective parties in interest, do thereupon determine and appraise the damages which the owners and tenants of, and others having any rights in the said premises first above described, who are entitled to any compensation for lands and rights to be taken for the widening of said street will sustain by being deprived thereof, and fix the damages and compensation which said owners and tenants and others interested shall receive therefor as follows: The awards hereby made after deducting all taxes and assessments which may be a lien upon the lands described to be paid as hereinafter provided, are as follows:

To said Alanson Douglas Miller, George Douglas Miller and Henry C. White, as trustees for the said Julia Miller and said Alanson Douglas Miller and George Douglas Miller the sum of eighteen hundred dollars (\$1,800).

To Jesse Hoyt, Alfred M. Hoyt and Theodore I. Husted and Leonard Hazeltine, Jr., the sum of fifty dollars (\$50), the sum to be divided between them equally.

To Stephen R. Newborn, the sum of six cents.

All of which is respectfully submitted.

HENRY H. BRYOR,
FRANK CROSTON,

I concur, except as to so much as appears on this page, beginning on fourth line, with the words, "The awards, etc.," and ending on the seventh line with the words "as follows." As to that I dissent on the ground that there is no proof of any taxes or assessments.

MORRISON H. MCMATH.

Commissioners of Appraisal.

ROCHESTER PARK COMMISSION. }
 Tuesday, November 13, 1894. {

To the Common Council:

Gentlemen:—I have the honor to present to you a copy of the report of the Highland Park Committee to the Park Commissioners, adopted at the regular meeting of October 29th last.

I hereby certify the following report to be a correct copy from the minutes of the Park Commissioners.

Respectfully submitted,
 ARTHUR R. SELDEN, Secretary.

ROCHESTER PARK COMMISSION, }
 Monday, Nov. 29, 1894. }

To the Board of Park Commissioners:

Gentlemen:—The land south of Highland avenue, which is included in Highland park, was turned over to the Park Commission for park use by the Common Council on May 29, 1888, subject to use for water and municipal purposes.

This piece of land contains 18.40 acres, and has two lines of water pipe across it, one, the pumping main from the Brighton wells, is not now in use and we suppose will be taken up in the immediate future, the other is the new 38-inch main for the additional water supply.

Goodman street will soon be opened to Highland avenue, and it is thought by your committee, that it should be opened to Elmwood avenue at once. The land to be taken for this purpose will include a part of the above described piece and a piece now owned by Messrs. Ellwanger & Barry.

On consultation it has been found that Messrs. Ellwanger & Barry are willing to exchange acre for acre, land on Elmwood avenue for land on Highland avenue.

This piece of land south of Highland avenue has a frontage of 1,100 feet on the south side of the avenue, after making the proposed change the frontage on the avenue would be 457 feet, and the distance on the center line of Goodman street produced to Elmwood avenue would be 1,855 feet.

In carrying Goodman street through from Highland to Elmwood avenue, as proposed, it could be made into a parkway, as the width of the land owned by the city would be 426 1-2 feet. This could be laid out with a fine drive and walks; in fact, it can be made an extension to Highland park.

Neither of the water mains cross the piece of land proposed to be given to Messrs. Ellwanger & Barry in exchange, and your committee cannot see what use the city can make of it either for water or municipal purposes.

The accompanying map shows the land owned by the city and that proposed to be exchanged.

Your committee recommend, that the Common Council be requested the transfer of the land with Messrs. Ellwanger & Barry as laid out by the Park Engineer on the accompanying map, acre by acre, and also to authorize the City Attorney to draw up the necessary papers and the mayor to sign the necessary deed.

Respectfully submitted,

E. M. MOORE,
 ANSON C. ALLEN,
 WALTER B. DUFFY,
 HENRY C. MAINE,
 W. S. KIMBALL.

Highland Park Committee.

Ordered received, filed and published, and upon motion of Ald. Pauckner referred to Law Committee.

By Ald. Pauckner—Resolved, That the Clerk draw an order upon the Treasurer, payable from the Contingent Fund, in favor of George L. Mattison, for forty-four dollars, for serving notice of application for appointment of commissioners of appraisal, in the matter of the extension of Flower street, in the city of Rochester, under final ordinance No. 5,601, and that the Treasurer pay said several sums from the contingent fund, and charge and carry said sums to the fund for the extension of said street, when created.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber,

ber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Alkenhead, Simmelink, Lewis, Harris—16.

By Ald. Pauckner—Resolved, That the City Clerk be, and he hereby is, authorized to purchase a type-writing machine for use in his office at an expense not to exceed \$100, said amount to be charged to the contingent fund.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Alkenhead, Simmelink, Lewis, Harris—16.

By Ald. Harris—
COUNTY COURT, Monroe County—In the matter of the rebuilding of Olean street outlet sewer, in the city of Rochester.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned, who were appointed by an order of the Monroe County Court, duly granted on the 9th day of October, 1894, and the 27th day of October, 1894, and entered in Monroe County Clerk's office, October 29, 1894, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants of the lands and buildings to be taken for the rebuilding of Olean street outlet sewer, from the Genesee Valley outlet sewer to the center of Olean street and Champlain street, will be entitled to for the same, respectfully report and certify, the premises, rights and easements to be taken for such improvements, the names and residences, the rights of the owner thereof, and their award of damages as incident to the construction, operation and maintenance of said sewer through said property as follows:

First. The rights and easements to be taken are described as a right of way or easement of sufficient width for the construction, operation and maintenance of said sewer, not exceeding ten feet each side of the center line of said proposed right of way and sewer, according to plans prepared or hereafter to be prepared by the City Surveyor of said city, in, along, through, over and across the following described parcels of land, reference being had to the map of said proposed outlet sewer, filed in the city and county clerk's offices.

PARCEL NO. 1.

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, being part of lot 74, in section "B" of the Gregg tract, as designated on a map of said tract on file in Monroe county clerk's office, in liber 4, of maps, at page 29, bounded and described as follows: Beginning at the southwest corner of lot No. 74, on the east side of Olean street; thence northerly along the east line of Olean street, for a distance of 20 feet; thence easterly on a line 20 feet from and parallel to the south line of said lot No. 74, to the east line of said lot; thence southerly along said line to the south line of lot 74; thence westerly along said south line to the place of beginning.

Said premises are owned by Mary J. Patterson and are encumbered by a mortgage now held by Susan L. S. Cook, dated October 13, 1884, and recorded in Monroe county clerk's office in liber 266 of mortgages at page 160.

PARCEL NO. 2.

All that tract or parcel of land situate in the city of Rochester, county of Monroe, and state of New York, known as part of the Genesee Valley canal, lying in the rear of lot 74, section "B" of the Gregg tract, being in town lot No. 55, as shown on a map filed in Monroe county clerk's office, in liber 4 of maps at page 29, bounded and described as follows: Beginning at the southeast corner of lot No. 74, on the east side of Olean street;

northerly along the east line of said lot 74 for a distance of 20 feet; thence easterly in a line parallel to the south line of said lot extended for a distance of about 45 feet; thence southerly on a line parallel to the east line of said lot 74 for a distance of 20 feet; thence easterly in the produced south line of lot 74 to the place of beginning.

Said premises are owned by the Genesee Valley Railroad Company, The Buffalo, New York & Philadelphia Railroad Company and the Western New York and Pennsylvania Railroad Company, subject to the revisionary interest of the heirs of John Gregg, and subject to certain leases, mortgages and judgments and the interest of the respective parties in said premises and of the leases, judgments and mortgages upon said property are set forth in an abstract or title offered in evidence in this proceeding and marked exhibit —, to which reference is hereby made.

Therefore, We, the subscribers, the commissioners, having been duly sworn as required by the statute in such cases made as provided, and having all met and acted upon the matters submitted to us at the City Attorney's office, No. 209 Wilder building, Rochester, N. Y., pursuant to a notice of at least ten days published according to law and having all taken a view of every part of the respective premises and having inquired into and heard the allegations and proofs of the respective parties in interest, do thereupon determine and appraise the damages which the several owners, their being no tenants and occupants other than such owners entitled to any awards except as appears herein, of the several premises to be taken for the right of way for said proposed sewer, will severally sustain by being deprived thereof, and fix the compensation which the aforesaid owners respectively shall receive therefor as follows: The awards hereby made, after deducting all taxes and assessments which have become a lien upon the lands described to be paid as hereinafter provided are as follows:

To Mary J. Patterson, for parcel No. 1, the sum of eight hundred thirty-five dollars (\$835), payable to Susan L. S. Cook, mortgagee.

To the Genesee Valley Railroad Company for its interest in parcel No. 2, the sum of one dollar (\$1).

To the Buffalo, New York and Philadelphia Railroad Company, for its interest in parcel No. 2, the sum of one dollar (\$1).

To the heirs of John Gregg, for their interest in parcel No. 2, the sum of one dollar (\$1).

To the Western New York and Pennsylvania Railroad Company, for its interest in parcel No. 2, the sum of one dollar (\$1).

The last four sums payable to said persons and corporations upon their furnishing proper releases of any leases existing on said premises and of any judgments, liens thereon.

All of which is respectfully submitted,

FRANCIS S. MACOMBER,
THOMAS O. MORGAN,
LOUIS P. TIETENBURG,
Commissioners of Appraisal.

By Ald. Harris—Resolved, That the next regular meeting of this Common Council, November 27, 1894, be assigned as the time when any complaints or appeals from the confirmation of the foregoing report of the Commissioners of Appraisal in the matter of the acquisition of the right of way for the rebuilding of the Olean street outlet sewer, will be heard.

Adopted.

ROCHESTER PARK COMMISSION, }
 Tuesday, Nov. 13, 1894. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I have the honor to present to you the following amendments to the laws of the Park Commissioners, as authorized by the special committee appointed for that purpose, with the recommendation that they be adopted.

Respectfully submitted,

ARTHUR R. SELDEN,
 Secretary.

AN ACT to amend chapter one hundred ninety-three of the laws of eighteen hundred and eighty-eight, entitled,

“An act to authorize the selection and acquiring of certain grants for public parks and parkways in and near the city of Rochester, and to provide for the maintenance and embellishment thereof passed April 27, 1888, as amended by chapter three hundred forty-four of the laws of eighteen hundred and ninety and chapter three hundred ninety-three of the laws of eighteen hundred ninety-four.”

The People of the state of New York, represented in senate and assembly, do enact as follows:

Section 1. Section six of said act is hereby amended so as to read as follows:

Sec. 6. On the opening of such court on the day designated in the notice mentioned in the annexed preceding section or as soon thereafter as he can be heard, the City Attorney of said city on behalf thereof shall upon a copy of said resolution, certified by the City Clerk, and upon proof of the due publication of said notices apply to said court to appoint such commissioners. Such court shall hear such application and shall appoint three commissioners for the purpose aforesaid. If any commissioner so appointed shall die, be disqualified or decline to serve, the said court may, upon application of the said City Attorney, appoint another in his place. Each of said commissioners shall be paid from the park fund herein provided, five dollars for each day employed as such commissioner.

Section 2. Section twenty-four of said act is hereby amended so as to read as follows:

Sec. 24. No plan for the laying out and improvement of the said park or parks, parkways, approaches thereto and streets connecting the same shall be adopted or undertaken by the said Park Commissioners, of which the entire expense of maintenance shall be a greater sum than one mill upon each dollar of valuation of the taxable property of the said city per annum, for the purpose of laying out, completing, improving and maintaining all the parks, squares and parkways within said city, in addition to the interest of the said sum of three hundred thousand dollars, hereinbefore provided to be issued in bonds of the city of Rochester, and the one per cent., hereinbefore provided to be annually levied, and the income derived from rents or privileges granted by the said Park Commissioners. In addition to the power hereinbefore conferred said Park Commissioners shall have the care, maintenance and control of all the public parks and public squares within the city of Rochester, and shall have the power to plant, set out, protect and preserve shade trees in the streets, parks, squares, avenues and al-

leys of said city, and to cause such trees to be removed, pruned and trimmed whenever required for their protection, or for public convenience and comfort, and no person, corporation or any officer, department or agent of said city shall hereafter remove, trim, prune, cut down or in any way interfere with shade trees in the streets, parks, squares, avenues or alleys of said city without first procuring a written consent from said Park Commissioners, or such officer or committee as may be designated by them.

Section 3. Section twenty-five of said act is hereby amended so as to read as follows:

Sec. 25. It shall be the duty of said Park Commissioners to annually, on or before the 16th day of May, in each year, determine and certify to the Common Council the sums which in their opinion are necessary to be raised for the several purposes mentioned in this act, specifying the sums required for the fiscal year for every of said purposes. It shall be the duty of said Common Council to annually raise by a tax, as provided for by the city charter, a sum not to exceed one mill upon each dollar of valuation of the taxable property in said city, the same to be added to the general tax levy of each year, for the purpose of laying out, completing, improving and maintaining all the parks, squares and parkways within said city, and for the purpose of planting, caring, maintaining and controlling the shade trees as hereinbefore provided, and for keeping in repair the improvements and structures in said parks, squares and parkways and for providing a suitable office or offices for said commissioners.

Section 4. Section twenty-six of said act is hereby amended so as to read as follows:

Sec. 26. The money raised by the sale of the bonds issued pursuant to the provisions of this act shall be deposited as fast as the same shall be realized with the Treasurer of the city of Rochester. He shall keep a separate account of all such moneys received by him for the laying out and improvement of the park or parks, parkways, squares, approaches thereto and streets connecting the same, to be known as the “Park Improvement Fund.” He shall hold all such moneys on account of and for the purpose of such improvements and the expenses herein authorized and shall pay them out as provided in this act, and not otherwise. The said Park Commissioners shall draw their drafts upon the said City Treasurer, signed by their president and secretary, for all claims, charges and expenses authorized and incurred by the commissioners in laying out and improving of said park or parks, parkways, squares, approaches thereto and streets connecting the same, specifying in such drafts the purposes for which they are drawn, and the Treasurer shall pay the same out of improvement moneys upon the presentation of said drafts. The moneys raised by the Common Council, pursuant to section 25 of this act, shall be set apart by the Treasurer of said city, who shall keep a separate account of all such moneys and the same shall be known as the “Park Fund,” which may be used for the purposes mentioned in this act. And said treasurer shall pay out from such fund upon the drafts of said Park Commissioners issued in the form and manner prescribed by this section and not otherwise.

Section 5. All acts or parts of acts inconsistent herewith are hereby repealed.

Section 6. This act shall take effect immediately.

Ordered received, filed and published and referred to Law and Finance Committees.

By Ald. McMillan—Resolved, That the Lamp Committee be authorized to erect an arc electric light on Washington street, between Spring street and the canal bridge. Referred to Lamp Committee and City Electrician.

J. Y. MCCLINTOCK,
City Surveyor.

Ordered received, filed and published.

By Ald. Pauckner—Whereas, It appears from the certificate of the City Surveyor that the foregoing partial estimate is correct,

Resolved, That the City Clerk be, and he hereby is, directed to draw an order upon the Treasurer, in favor of Lauer, Hagaman, Brayer & Albaugh, for \$16,204.17, being the amount of final estimate No. 11 Court street bridge, and that the Treasurer charge said amount to the Contingent Fund, said fund to be reimbursed from the Bridge Construction Fund, when bonds for the construction of bridges be sold.

Adopted by the following vote:
Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelinck, Lewis, Harris—18.

By Ald. Pauckner—Resolved, That the Clerk draw orders upon the Treasurer, payable from the Contingent Fund, in favor of George L. Mattison, for eleven dollars, for serving notice of application for appointment of commissioners of appraisal; in the matter of the construction of the Lozier Park sewer, in the city of Rochester, under final ordinance No. 5,590, and that the Treasurer pay said several sums from the Contingent Fund, and charge and carry said sums to the fund for the construction of said sewer, when created.

Adopted by the following vote:
Ayes—Alds. Tracy, Calihan, McMillan

Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmellink, Lewis, Harris—18.

By Ald. Kelly—Application of Eugene McEntee for appointment as Commissioner of Deeds. Referred to Law Committee.

Also, Petition of D. Hyland for permission to erect a wooden building on Murray park. Granted.

By Ald. Aikenhead—Application of A. Boss for appointment as Commissioner of Deeds. Referred to Law Committee.

By Ald. Simmellink—Application of George J. Eberwein for appointment as Commissioner of Deeds. Referred to Law Committee.

Also, Petition for electric lights in Roth park. Referred to Lamp Committee and City Electrician.

Ordered received, filed and published.

By Ald. Adams—

ROCHESTER, N. Y., Nov. 27, 1894.

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—Your Law Committee begs leave to report as follows:

In the cases of Adelbert P. Little and the Rochester & Honeoye Valley Railroad Company against the city of Rochester, decisions have been rendered against the city, and as there are questions of law which should be passed upon by the appellate courts, we recommend that appeals be taken to a final determination.

In the matter of the communication of the Board of Park Commissioners for the exchange of certain lands on the south side of Highland avenue with Ellwanger & Barry, we recommend that the exchange be made, as provided in the accompanying resolution.

In the matter of the claim of William H. Allen against the city for services as inspector of election in the first district of the first ward, we find that Mr. Allen was displaced by an inspector appointed by this common council, and that he served three whole days. We therefore recommend that he be paid for his services at the usual rate.

Your committee also recommend the appointment of the following commissioners of deeds: Thomas J. Lavin, Henry S. Kline, Lester Nusbaum, E. P. Allen, W. A. Lewis, Omar A. Jenks, Fred A. Culley, William D. Jaynes.

M. B. ADAMS,
THOMAS McMILLAN,
WM. PAUCKNER,
W. H. TRACY.

Law Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved, That appeals be taken in the case of Adelbert P. Little against the city of Rochester, and also in the case of the Rochester and Honeoye Valley Railroad Company against the city of Rochester.

Adopted.

By Ald. Adams—Resolved, That the City Attorney be, and he hereby is, authorized to prepare the necessary papers to effect a transfer of the property between the Board of Park Commissioners and Ellwanger & Barry, as proposed by said commissioners, and that the conveyances so prepared, when approved by the City Attorney, be executed by his honor, the mayor, and that he be authorized to attach thereto the corporate seal.

Adopted by the following vote:

Ayes—Alds. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—18.

By Ald. Adams—Resolved, That the City Clerk be, and he hereby is, authorized to draw an order payable from the Contingent Fund, in favor of William H. Allen for the sum of

\$15, being compensation allowed him for three days services as inspector of election in the first district of the first ward, conditioned upon his executing a full release for all liability on the part of the city for such services.

Adopted by the following vote:
Ayes—Alders. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—18.

REPORTS OF SELECT COMMITTEES,

By Ald. Harris—

ROCHESTER, N. Y., November 27, 1894.

To the Honorable, the Common Council:

Gentlemen:—Your special committee appointed to confer with the board of health for the purpose of devising some means whereby the health and property of the residents living in the vicinity of the proposed works of the Fertilizer and Reduction Company might be protected, beg leave to report, that they have carefully considered the matter referred to them and are unanimous in their decision against the proposed location of said works. We believe that whatever the terms of the contract of said company may be, it will be impossible to collect and dispose of the garbage and night soil of this city without creating a nuisance to some of its inhabitants. Experience in other cities has shown that similar works are a nuisance and in some instances they have been abandoned for that reason. There are many grounds why this plant should not be located as proposed. We believe that no further check to the growth of the locality of the proposed site should be imposed than has existed there for some years. It is well-known how that part of the city has been retarded by the presence of another nuisance which, we believe, however, is not to be compared with that which now threatens that section. The proposed location is on the banks of the Genesee river which will serve as a convenient carrier through the heart of the city for any obnoxious refuse or dangerous substance that the company may desire to get rid of. Plymouth avenue is one of the main approaches to Genesee Valley park and most of the carts used in collecting the garbage and night soil must necessarily pass over that thoroughfare. It has recently been improved at large expense to the taxpayers and is one of the main residence streets of the city, and its beauty and availability as an approach to the Genesee Valley park should not be impaired by a procession of garbage carts, which must necessarily use that street in going to and from the proposed site. But we deem it the duty of this board to act, not for the interest of any particular locality, but for the general good. We do not oppose the proposed location upon purely local grounds, but believe that the proposed works should be driven away from the thickly populated parts of the city to the outskirts, or beyond the confines of the city entirely. We have no desire to shift this troublesome factory from one part of the city to another. We believe that the inhabitants of the particular wards affected are not the only ones who are interested in this question. We are informed that naphtha will be used in the reduction of garbage and night soil, and the experience of this city has taught us that the storage and use of this substance in large quantities within the limits of the city is a menace to the life and property of every inhabitant. The results of the recent naphtha explosions whereby property and life were destroyed, are fresh in our recollection. For this reason, and because wherever this plant may be located, it is sure to prove a nuisance, we feel that public sentiment will justify us in con-

demning the proposed site. The Board of Park Commissioners have expressed their opposition, and the press of the city is almost unanimous in its expression of disapproval.

In view of all the facts, we believe that the remonstrance of the residents of that section of the city against the location of the proposed fertilizer and reduction works should be heeded, and that this council should take such action as may be advisable to unite with the residents of that part of the city in relieving them from the threatened nuisance.

All of which is respectfully submitted,

**DAVID HARRIS,
 T. McMILLAN,
 WILLIAM PAUCKNER,
 J. M. AIKENHEAD,
 WILLIAM WARD.**

Ordered received, filed and published.

Ald. McMillan asked and received unanimous consent to introduce the following:

By Ald. McMillan—Resolved, That section nine of an ordinance relating to markets, etc., adopted by the Common Council November 9, 1886, and found at page 304 of the proceedings of the common council for 1886-87, be, and the same hereby is, reconsidered.

Adopted by the following vote:

Ayes—Alders. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—18.

By Ald. McMillan—Resolved, That said section be amended so as to read as follows, to take effect immediately:

Sec. 9. No person, firm or corporation shall build, make, use or cause or permit to be built, made or used any slaughter house, phosphate or fertilizing works, or any works for the reduction or disposition of garbage, dead animals, or night soil, within said city, without permission from the Common Council, under a penalty and fine of not less than fifty dollars, nor more than one hundred and fifty dollars, for each offense, and a like penalty for every twenty-four hours that the same shall be used or permitted to be used for any of the aforesaid purposes.

Adopted by the following vote:

Ayes—Alders. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—18.

The said section as thus amended was then adopted by the following vote:

Ayes—Alders. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—18.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

**OFFICE OF THE GRAND LODGE
 BROTHERHOOD OF LOCOMOTIVE FIREMEN,
 TERRE HAUTE, Ind., Nov. 13, 1894.**

Henry W. Gregg, Esq., City Clerk of the City of Rochester, N. Y.:

Dear Sir—I have your communication of November 10th, enclosing the resolutions adopted at the regular meeting of the Common Council of the city of Rochester, N. Y., Oct. 30, 1894.

We sincerely appreciate the interest which your city government is taking in the location of the headquarters of the Brotherhood of Locomotive Firemen and I shall take pleasure in laying this resolution before our board at its meeting on the 14th inst. and all other correspondence which has been received here relative to the advantages of the city of Rochester as a place for our national headquarters.

Please express to the Common Council our thanks for the resolution and assure them of its being appreciated by the chief executives of the Brotherhood.

Yours very truly,

F. P. SARGENT,

Grand Master.

Upon motion of Ald. Dewey ordered received, filed and published.

By the Clerk—

ROCHESTER, N. Y., Nov. 27, 1894.

To the Honorable, the Common Council:

Gentlemen:—At a meeting of the Board of Health, of the city of Rochester, held November 23, 1894, the following report was received and action taken thereon:

The health officer reported that the sewer on Broadway, between Alexander street and Averill avenue, was filed up.

On motion of Commissioner Hoyt, the complaint was referred to the Common Council, requesting them to pass an ordinance to clean out said sewer.

A true copy from the minutes.

GEORGE BELKNAP, Clerk.

Ordered received, filed and published. Upon motion of Ald. Dewey referred to committee on streets and sewers.

By Ald. Adams—

COUNTY COURT, Monroe County—In the matter of the rebuilding of the Court and William streets outlet sewer.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned, who were appointed by an order of the Monroe county court on the 13th day of August, 1894, and entered in Monroe county clerk's office, August 13, 1894, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants of the lands, rights, easements and building to be taken for the rebuilding of the Court and William streets outlet sewer, from the north side of the N. Y. C. & H. R. R. R. Company's land to the intersection of Prince street and Main street, in the city of Rochester will be entitled to for the same, respectfully report and certify that the premises, rights and easements to be taken for said improvement, the names and residences, the rights of the owners thereof and their award of damages as incident to the construction, operation and maintenance of said sewer through said property as follows:

The rights and easements to be taken are described as a right of way or easement of sufficient width, not exceeding ten (10) feet on each side of the center line of said proposed right of way, for the construction, operation and maintenance of said sewer and the necessary manholes, surface sewers, lot laterals and connections therefor, and for the discharge, outlet and conveyance of sewage waters in and through said sewer, according to plans to be prepared or hereafter to be prepared by the City Surveyor of said city, with the right at any and all times hereafter to the city of Rochester, its successors and assigns, the Executive Board of said city, its contractors and servants to enter upon said premises through, which said sewer is to extend or be constructed to examine, clean, repair, deepen and enlarge, or otherwise change said sewer as at any time hereafter may be deemed advisable, in, along, through and across the following described parcels of land. Reference being had to the map of said proposed sewer, filed in the City Clerk's and Monroe county clerk's offices.

PARCEL NO. 1.

The Surveyor submitted as such estimate, \$275.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz:

The grading of Kusse street, for its full width, from a point 200 feet east of Neeser street to Neeser street. Also the construction of a pine plank walk, 4 feet wide, on each side of said Kusse street, between the limits mentioned. Also the necessary crosswalks.

And, the City Surveyor, under the directions of this Council, having made an estimate of

the whole expense thereof, and reported the same at \$275, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Kusse street, from a point 200 feet east of Neeser street to Neeser street.

Adopted.

By Ald. Ward—Resolved, That all persons interested in the subject matter of any and all improvements, contemplated to be made in or by any order, ordinance or resolution adopted, or passed, or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, under ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council chamber, when allegations relative thereto will be heard, and that the City Clerk be, and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Post Express notice thereof as is required and in the manner specified by section 172 of the city charter.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Nov. 27, 1894.

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Post Express, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by order, resolution or ordinance or amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectfully specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, November 27, 1894, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk.

FINAL ORDINANCE NO. 5,628.

By Ald. McMillan—

CITY TREASURER'S OFFICE, }
ROCHESTER, N. Y., Nov. 27, 1894. }

To the Honorable, the Common Council:

Gentlemen:—November 15th I received a check for \$15,000, being the proceeds from the sale of old No. 10 school, which amount I have placed to the credit of the Board of Education, as follows: Building Fund, \$10,000, and Repair Fund, \$5,000.

I also, on same day, received check for \$7,000, proceeds of sale of Belmont park fire house, which I have placed to the credit of Fire Department Fund.

Yours respectfully,

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Petition of B. F. McClure for permission to erect a wooden building on Troup street. Referred to Wood Building Committee and Fire Marshal, with power to act.

By Ald. McMillan—

ROCHESTER, Nov. 27, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—At the instance of a number of wheelmen residing in the third and nineteenth wards, I respectfully request that your honorable body suspend the action of the ordinance in regard to sidewalk riding, upon Plymouth avenue and Spring street, during the months of December, January, February and March.

When the roadway of those streets is covered with snow, it is impossible for any wheel-

man to ride therein with safety to himself or his bicycle. The thoroughfares named are largely used by bicyclists in going to and from their business and your favorable action upon this request will be most gratefully appreciated. Action similar to this was taken last year in respect to Lake avenue, and the wheelmen hope that you will see that the same necessity exists in regard to Plymouth avenue and Spring street.

Respectfully submitted,

WM. R. LANSING

Ordered received, filed and published, and upon motion of Ald. Dewey referred to special committee on revision of penal ordinances.

By Ald. McMillan—Resolved, That the clerk be, and he hereby is, directed to draw an order for \$475, in favor of Atkinson & Sykes for electrical work on the new police station as per annexed bill, and architect's certificate, said amount to be charged to the contingent fund, which fund shall be reimbursed from the Rochester Police station building fund in like amount when the same shall be created.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—18.

By Ald. McMillan—Resolved, That the Clerk be, and he hereby is directed to draw an order on the Treasurer in favor of Stallman Brothers for \$3,000, for carpenter work and masonry on new police station, as per annexed bill, payable from the Contingent Fund, to be reimbursed from the Rochester Police Building Fund when the same shall be created.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Aikenhead, Simmelink, Lewis, Harris—16.

By Ald. McMillan—

CITY TREASURER'S OFFICE, }
ROCHESTER, N. Y., Nov. 27, 1894. }

To the Honorable, the Common Council:

Gentlemen:—Notes Nos. 510, 511, 512, 513, issued October 1, 1894, for the East Side Trunk Sewer purposes, amounting to \$175,388.64, will be due December 5, 1894. It will be impossible to meet this note with the small balance now in that fund, and I therefore request authority from your honorable body to negotiate the city's notes for one month's time, for an amount that will cover the above amount and the interest thereon.

Yours respectfully,

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is, directed and authorized to negotiate the city's notes for one hundred seventy-six thousand one hundred fifty-seven and 47-100 dollars, (\$176,157.47) the amount sufficient to meet notes 510, 511, 512 and 513, under authority of sec. 2 of chapter 347, of the laws of 1890, as amended by chapter 419 of the laws of 1894. The proceeds of said notes to be placed to the credit of the East Side Trunk sewer fund, to be paid with interest from the proceeds of the sale of bonds authorized to be issued, pursuant to said statute, and the discount or interest thereon to be charged to East Side Trunk Sewer Fund; said notes to be issued for one month's time and to be issued under direction of the Finance Committee, and to be countersigned by the chairman of the Finance Committee.

Adopted by the following vote:
 Ayes—Alds. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmellink, Lewis, Harris—18.

By Ald. McMillan—Resolved, That the bill presented by the Park Commission, for work done on Seneca Parkway, under ordinance No. 5,599, passed by authority of chapter 317 of the laws of 1891, be paid; and the City Clerk is hereby ordered to draw orders on the City Treasurer in favor of E. L. & H. T. Oliver, payable from the Contingent Fund, for \$1,353; to be reimbursed from the Boulevard Fund, and the Local Improvement Fund, as follows:

Adopted by the following vote:
 Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Aikenhead, Simmellink, Lewis, Harris—16.

By Ald. McMillan—Resolved, That section three of an ordinance to regulate the storage and keeping of crude petroleum, etc., adopted March 20, 1888, and found at pages 416-17, of the proceedings of the common council for 1887-88, be, and the same hereby is, reconsidered.

By Ald. McMillan—Resolved, That said section be amended by adding at the close thereof, to take effect immediately, the following: "but nothing in this ordinance contained shall be so construed as to permit the storage of benzine, naphtha or like substances within said city, in quantities greater than one barrel, within one thousand feet of any public or private water course, or sewer, running into or through said city, or any part thereof."

Upon motion of Ald. McMillan, action was postponed two weeks.

By Ald. Adams—Resolved, That the Fire Marshal be, and hereby is, instructed to notify the Rochester Bill Posting Company to remove the bills and posters now on the unsightly board structure on East Main street, near Union street; also to have the fence taken down as it is complained of at present as being unsafe for pedestrians.

Adopted.
 By Ald. Adams—Application of Henry W. Hall for appointment as Commissioner of Deeds. Referred to Law Committee.

By Ald. Pauckner—Communication asking this board to postpone for one year the ordinance in regard to wide tires on wagons. Referred to special committee on Revision of Penal Ordinances.

By Ald. Lewis—
COUNTY COURT, Monroe County—In the matter of the extension of Thompson avenue, in the city of Rochester, N. Y.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned, who were appointed by orders of the Monroe county court, January 17th and October 27, 1894, and entered in Monroe county clerk's office October 30, 1894, commissioners to appraise the damages and compensation, which the owner or owners or persons interested, and if there by any occupants or tenants who may have a leasehold interest in the premises, rights or easements therein to be taken for the public improvements or purpose above referred to should severally receive therefor, respectfully report and certify the several pieces or parcels of land and the premises, rights or easements therein to be taken for said improvement, and the names and residences of the owner or owners respectively, and the rights

PARCEL NO. 1.

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, and being part of lot No. 6, in a subdivision made by Joseph Rudhart, 6, in a subdivision of a part of the Schanck farm, and the part of lot No. 31, hereby referred to was conveyed by Francis Crangle to Joseph Rudhart, by deed dated October 13, 1885, and recorded in Monroe county clerk's office in liber 400 of deeds, at page 147, and the portion of lot No. 6 hereby taken is described as follows:

Beginning at the intersection of the south line of Thompson avenue with the east line of lot No. 6, supposed to belong to Joseph Rudhart; thence westerly on the produced south line of Thompson avenue to the east line of Henry street; thence northerly along Henry street to the northwest corner of said lot No. 6; thence easterly along the north line of said lot to the northeast corner of said lot; thence southerly along the east line of said lot to the place of beginning.

These premises are owned by Joseph Rudhart and are subject to a mortgage held by Rodney A. Ward for \$2,000, given by said Rudhart to William Allen, September 27, 1887, and recorded in Monroe county clerk's office, in liber 293 of mortgages, at page 106.

PARCEL NO. 2.

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, being a part of the Schanck farm, conveyed to James McGee by deed dated April 27, 1870, and recorded in Monroe county clerk's office in liber 236 of deeds at page 231; the premises referred to in said deed being shown on a map made by James Edmonds on file in Monroe county clerk's office, and the portion of said premises acquired by these proceedings being bounded and described as follows:

Beginning at the intersection of the north line of Thompson avenue with the west line of land supposed to belong to James McGee, said point being 273.5 feet distant from and at right angles to the south line, which if extended would intersect the east line of Henry street at a point 276 feet southerly from East Main street, measured at right angles therefrom, to a point in the west line of Henry street; thence southerly along the west line of Henry street 50 feet; thence westerly on a line parallel to and 50 feet distant from the above described north line to the west line of said McGee's property, which is the east line of town lot No. 50; thence northerly along said west line to the place of beginning.

These premises are owned by James McGee and are subject to an unrecorded lease running to William H. Salter.

Therefore, We, the subscribers, the commissioners, having been duly sworn as required by the statute in such case made and provided, and having all met and acted upon the matters submitted to us at the City Attorney's office, in the Wilder Building, Rochester, N. Y., pursuant to a notice of at least ten days published according to law, and having inquired into and heard the allegations and proofs of the respective parties in interest, do thereupon determine and appraise the compensation which the owners and tenants of, and others having any rights in the respective premises above described, who are

entitled to any compensation for the lands and rights to be taken for the extension of said street will sustain by being deprived thereof, and fix the damages and compensation which said owners and the tenants and others shall receive therefor as follows: Said awards to be paid after deducting all taxes and assessments which have become a lien upon the land above described as hereafter provided.

To said Joseph Rudhart, for parcel No. 1, the sum of eight hundred sixty-three and 30-100 dollars (\$863.30), payable to Rodney A. Ward, mortgagee.

To said James McGee, for parcel No. 2, the sum of thirteen hundred dollars (\$1,300), payable to him.

To said William H. Salter, for his interest as lessee in parcel No. 2, the sum of one dollar (\$1) payable to him.

All of which is respectfully submitted,
Dated November 27, 1894.

DANIEL B. BEACH,
LOUIS P. TIETENBERG,
JOHN M. KURTZ,

By Ald. Simmelink—Petition of James Pengally for permission to erect a wooden building on Avenue E. Referred to Wood Building Committee and Fire Marshal, with power to act.

By Ald. Simmelink—Resolved, That the City Surveyor be directed to prepare an ordinance for a sewer in Wilkin avenue, from St. Joseph street to Hudson avenue. Adopted.

By Ald. Harris—Communication from Chief Engineer Kuichling, of the Water Works, and certificate of the Assistant Engineer, and also certificate from the Clerk of the Executive Board, showing that Hawthorn Ter-

race Lot Association has paid the sum of \$1,300 for laying water mains on Warwick avenue. Also certificate of City Treasurer, showing that the sum of \$3,223.43, assessed to the Hawthorn Terrace Lot Association for improvement of Warwick avenue remains unpaid.

Ordered received and filed.

By Ald. Harris—Whereas, The Hawthorn Terrace Lot Association paid and advanced to the city, on the 12th of September, 1892, the sum of \$1,300, which was used in the construction of water mains in Warwick avenue, and,

Whereas, Warwick avenue has been improved by the laying of an asphalt pavement by the city and part of the expenses, amounting to \$3,223.43, assessed to the said association and all payable by said association remains unpaid,

Resolved, That the sum of \$1,300 advanced to the city by the Hawthorn Terrace Lot Association be credited and allowed to said association towards the payment of said assessment for improvement of Warwick avenue.

Upon motion of Ald. Harris, referred to the City Attorney.

By Ald. Harris—Resolved, That the Clerk draw an order on the City Treasurer for the amount of \$1,300, in favor of said association, payable by credit as aforesaid, and that City Treasurer credit the same to said assessment upon order being properly received by said association.

Upon motion of Ald. Harris, referred to City Attorney.

REPORTS OF STANDING COMMITTEES.

By Ald. Cook—

Rochester, N. Y., Dec. 11, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your committee on the support and relief of the poor beg leave to report, that at a meeting of the committee held this afternoon the question as to the compensation to be paid to the City Hospital for city patients was considered, and it was the decision of the committee, that until some conclusion was reached between the managers of the City Hospital and the city with reference to the prices to be paid for city patients, no city patients should be taken to the City Hospital, and that the officers of the city be so notified.

All of which is respectfully submitted.

H. G. COOK,
T. McMILLAN,
M. B. ADAMS,
W. H. TRACY.

Committee on Support and Relief of Poor.

Ordered received, filed and published.

By Ald. Cook—Resolved, That no city patients be taken to the City Hospital until an agreement can be reached between the city and the said hospital with reference to the prices to be paid by the city for said patients. Adopted.

By Ald. Cook—Resolved, That the City Clerk be, and he hereby is, directed to notify the Police Department not to take any persons who might be a city charge to said hospital until such time as the Common Council may direct to the contrary.

Adopted.

By Ald. Cook—Resolved, That the City Clerk notify the managers of the City Hospital of the adoption of the foregoing resolutions.

Adopted.

By Ald. Edelman—

Rochester, N. Y., Dec. 11, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your committee on Streets and Sewers, to which was referred the matter of

the communication from the Health Board concerning the cleaning of the sewer on Broadway between Alexander street and Averill avenue, begs leave to report that it has examined the condition thereof and recommends that the matter be referred to the Executive Board for action.

Respectfully submitted,

LEWIS EDELMAN,

By Ald. Adams—

Rochester, N. Y., Dec. 10, 1894.

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—Your Law Committee beg leave to report upon matters pending before it as follows:

Not long ago a motion was made in the case of Martin Touhey against the city, for an order for the examination of plaintiff. A motion to vacate this order was made at special term and denied with \$10 costs. We recommend the payment of these costs.

In the matter of the claim of Catherine Van Velthoven pending before this committee, and upon which an action has been brought we beg leave to say that we have carefully examined into all the facts of the case, and recommend a settlement at \$650. We also recommend the appointment of the following commissioners of deeds: Henry W. Hall, John H. Lawrence, A. Ross, Henry S. Eldredge, Etta M. Zalinski, Edwin A. Woodward, Eugene McEntee, William Ward, George E. Gatley, F. R. Plummer, J. Alfred O'Kane, Horace J. Tuttle, Homer H. Woodward, Geo. J. Eberwein, Henry Geck, Jr.

All of which is respectfully submitted.

H. G. COOK,

Law Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved, That the City Clerk be directed to draw an order, payable from the Contingent Fund, in favor of John Van Voorhis & Sons, for the sum of \$10, being costs allowed upon the denial of the motion made to vacate the order for the examination of plaintiff in the case of Touhey against the city.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelinck, Lewis, Harris, Decker—19.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney that proper stipulation of discontinuance and releases and other papers have been filed with him by Catherine Van Velthoven, or her attorney, an order be drawn in her favor, payable from the Contingent Fund, for the sum of \$650, in full settlement of all claims for damages against the city.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelinck, Lewis, Harris, Decker—19.

By Ald. Ashton—

Rochester, N. Y., Dec. 7, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned, the assessment committee, beg leave to submit the following report:

In the matter of the petition of Fredericka Berg for cancellation of certificate tax sale on her lots, 34, 35 and 36, east side of Loomis street, for the general city taxes of 1881, we find that Mrs. Berg on January 30, 1882, paid as she supposed her taxes on these lots, but it appears that through an error of one of the treasurer's assistants at that time she was not given a receipt for her taxes on these lots but was given a receipt for payment of taxes on lots 37 and 38, on east side of Loomis street, we therefore recommend that the certificate of tax sale for general city taxes for 1881, on said lots, be cancelled.

In the matter of the petition of Agnes Weigand to pay certain taxes against her premises on Stewart street, with 6 per cent. interest, besides costs, we recommend that Mrs. Weigand be permitted to redeem said premises upon the payment of the amount for which her premises were sold for the general city taxes of 1891, 1893, with legal fees and 6 per cent. interest added, and that she also be permitted to pay her general city taxes for 1894 with 6 per cent. interest.

In the matter of the petition of St. John's Protestant Episcopal Church for cancellation of an assessment against said church for general city taxes, we find that the premises mentioned in said petition are owned by said church society and have been held and owned since October, 1892, for church purposes, and that said premises are exempt from taxation under the statute.

In the matter of the petition of John E. Durand to pay certain taxes upon certain property on South Union street purchased by him under foreclosure, your committee would say that they have investigated the allegations of the petition and the City Treasurer has reported that the taxes for the South Union street improvement might be of somewhat doubtful validity and that he should be permitted to redeem the property upon the payment of 4 per cent. interest and such other fees as exist in the case.

In the matter of the petition of Richard Dukelow for a refund of excessive interest claimed to have been paid by him on lot 132 and east part of lot 31, for the years 1884 and 1891, formerly owned by George S. Riley, upon recommendation of the Treasurer, we report favorably to refunding to Mr. Dukelow the amount of interest in excess of 6 per cent. paid by him to redeem lot 132 and east part of lot 31, purchased by him from George S. Riley.

In the matter of the petition of Sts. Peter and Paul's Church Society for refund of city taxes paid on its property on Litchfield street for the year 1894, we find that the property claimed to be exempt from taxation is owned by Sts. Peter and Paul's Church Society and is used exclusively by them for the Young Men's Catholic Club, it being organized for physical and mental culture and literary exercises, are statedly held in said building, and no income is derived from said building for the benefit of the church, and no portion of said building is rented for any purpose; upon recommendation of the City Attorney that said property is exempt from taxation under

the general statute passed in 1893, we recommend that the tax paid by said society be refunded. Respectfully submitted,

JOHN H. ASHTON,
JOHN F. FOX,
JAMES M. AIKENHEAD,
HENRY G. COOK,
RICHARD J. DECKER,

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the petition of Fredericka Burg for cancellation of certificates tax sale of her premises on the east side of Loomis street for lots 34, 35 and 36 for the general city taxes for the year 1881, be, and the same hereby is, granted, and the Treasurer is hereby directed to cancel such certificates of tax sale and charge the amounts thereof to erroneous assessments.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—19.

By Ald. Ashton—Resolved, That the petition of Agnes Weigand, for permission to redeem her premises on Stewart street from the sale for general city taxes for the years 1891 and 1893, with 6 per cent. interest and fees and to pay her general city taxes for 1894, with 6 per cent. interest be, and the same hereby is, granted, and the City Treasurer hereby is directed to receive from Agnes Weigand the face of the general city taxes for the years 1891 and 1893, against her premises on the north side of Stewart street, assessed to her with interest and fees allowed by the city charter down to the date of sale of said premises, with the legal fees and interest on said sums at the rate of 6 per cent. per annum from the date of sale of said premises, and that upon the payment of such sums within thirty days from the passage of this resolution, said Agnes Weigand be, and she hereby is, allowed to redeem said property, and the Treasurer is hereby directed to charge the amount of the expenses of sale and other expenses and excess of interest to erroneous assessments, and the Treasurer be, and he hereby is, also directed to receive from Agnes Weigand the general city taxes for the year 1894 with interest at 6 per cent. per annum and the balance of interest due on said taxes over and above 6 per cent. be charged to erroneous assessments.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—19.

By Ald. Ashton—Resolved, That the Treasurer be, and he hereby is, directed to cancel the general city taxes standing against the St. John's Protestant Episcopal Church, on their premises on the corner of East avenue and Avenue B, Vick park, now assessed to James W. Whitney, for the year 1894, amounting to \$293.51, and that he charge said amount to erroneous assessments.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—19.

Ald. McMillan moved that action upon the foregoing resolution be reconsidered. Carried.

Ald. McMillan moved that such resolution be laid upon the table two weeks. Carried.

By Ald. Ashton—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to receive from John E. Durand for local assessment made for the improvement of South Union street on premises now owned by said John E. Durand, being on lots

65 and 66, section D, Manhattan Meadow Tract, on the west side of South Union street, the sum of \$228.65, being the assessment on said property for said improvement, with interest thereon from June 29th, 1873, at 4 per cent., provided the same be paid within thirty days from the passage of this resolution.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—19.

By Ald. Ashton—Resolved, That the Clerk be, and he hereby is, directed to draw an order on the City Treasurer, payable from the Contingent Fund, in favor of Richard Duke-low, for \$18.25, being excess of interest paid by Mr. Dukelow on lot 132 and east side of lot 31, and the north side of Delevan street, in the 16th ward, being premises formerly owned by George S. Riley, and that the Treasurer charge said sum to erroneous assessments.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—19.

By Ald. Ashton—Resolved, That the petition of St. Peter's and Paul's Church Society for the refund of \$50.25, erroneously paid by said church society for city taxes for the year 1894 on its premises on Litchfield street, now used by said church for the purpose of the Young Men's Catholic Club, be, and the same hereby is, granted, and the Clerk is hereby directed to draw an order on the Treasurer for the sum of \$50.25, payable from the Contingent Fund, and charge said amount to erroneous assessments.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—19.

REPORTS OF SELECT COMMITTEES.

By Ald. Dewey—

Rochester, December 10, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your special committee on penal ordinances, to whom was referred the communication asking for a postponement of one year of the ordinance relating to the use of wide tires on wagons in this city, beg leave to say that they have heard the parties interested, and after due consideration of all the reasons therefor presented to the committee, recommend that a further postponement of the operation of the ordinance be granted until the first day of July of next year. We recommend this course because it has been represented, and we believe, that the enforcement of the ordinance at this time will work a hardship to many poor people who are engaged in making a livelihood by teaming, and it is the sense of the committee that a further postponement of the ordinance until the time named will bring about a change in the matter of the width of tires on wagons in use in the city without any pecuniary loss to the persons mentioned.

All of which is respectfully submitted.

A. H. DEWEY,
THOMAS McMILLAN,
WILLIAM WARD,

Special Committee on Revision of Penal Ordinances.

Ordered received, filed and published.

By Ald. Dewey—Resolved, That the enforcement of the amendment to section ten of an ordinance relating to streets, adopted by this Common Council, regulating the use of fires on wagons in this city, be postponed until July 1, 1895. Adopted.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—Claims of James W. Casey, Michael Mulqueen, John Kearns, Mathew Clooin, Christopher Hondolf, James McKeon, John Kenealy, George Harper, Thomas Horan, James Coyle and Nicholas Cunningham against the city of Rochester. Referred to Law Committee.

By Ald. McMillan—

CITY TREASURER'S OFFICE, } ROCHESTER, N. Y., Dec. 11, 1894. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: I would respectfully report that I sold the remaining two hundred and fifty thousand (250,000) East Side Trunk Sewer Bonds, December 1st, 1894, to the highest bidders, and have forwarded the necessary papers to New York city to the purchasers. The bonds are to date from December 15th, 1894, with interest at 3 1-2 per cent. payable semi-annually on the first days of January and July.

The bonds were sold as follows: Daniel Moran & Co., \$100,000, at 101 79-1,000, a premium of \$1,079.

L. W. Morrison, \$50,000, at 101 28-100, a premium of \$630.

L. W. Morrison, \$100,000, at 101 35-1,000, a premium of \$1,035.

The total issue of East Side Trunk Sewer Bonds, including above sale, is \$950,000.00.

The average premium paid was 101 97-1,000, total, \$2,744.00.

The purchasers attorneys have not yet reported upon the papers.

Yours respectfully,

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to issue as necessary for payment of interest on the bonded indebtedness of the city due January 1, 1895, the city's note or notes for the aggregate sum of not to exceed \$175,000.00 (one hundred and seventy-five thousand dollars), this amount being represented by taxes and assessments levied, but uncollected, under section 81 of the city charter, said notes to be negotiated or discounted under the direction of the Finance Committee, and to be countersigned by the chairman of the Finance Committee, and the discount or interest thereon to be charged to Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—19.

ROCHESTER LODGE, No. 1, I. O. S. E.,
ROCHESTER, N. Y., Dec. 11, 1894. }

To the Honorable, the Members of the Common
Council of the City of Rochester:

Gentlemen:—The above-named order, deem-
ing it for the best interest for the city, wish
to make some amendments to the penal or-
dinance of stationary engineers.

First—We would like to have an inspector
appointed at a yearly salary, whose duty it
would be to visit the different plants in the
city and see that they are run in proper
shape, also to see whether the man in charge
is a licensed engineer, etc.

Second—We would like to have a section
added requiring all owners or lessees of boil-
ers to register the same so that the inspector
can find them with the least possible delay.
We think this section should be added in any
event, for what is more dangerous than a
steam boiler under a high pressure of steam,
and a great number of them are under the
sidewalks of our most busy thoroughfares?

Third—That a license be issued to the per-
son only that runs the plant, and that he
must be over 21 years of age. We would like
the above inserted as we understand that li-
censes are issued to minors and to superin-
tendents, who in turn hire an incompetent
person to run the same for them.

There are others of minor importance,
which we will explain, along with above, if
your honorable body will instruct the penal
ordinance committee to grant us a hearing.

Yours respectfully,

GEORGE F. FARNHAM,
DAVID THOMPSON,
HUGH MONAGHAN,

Committee.

Ordered received, filed and published, and
upon motion of Ald. Adams referred to Char-
ter Revision Committee.

By Ald. Lewis—

To the Honorable, the Common Council of the City
of Rochester:

Gentlemen:—The question as to the regular-
ity of the proceedings for the closing of
Goodman street across the tracks of the New
York Central & Hudson River Railroad Com-
pany, which was referred to me for my opin-
ion, has been passed upon by the courts, and
after an examination of the case, judgment
roll and proceedings taken, I can see no rea-
son for a different conclusion from that
reached by the court.

The action of the Common Council with refer-
ence to the matter is to be found in the
proceedings for 1879-80, at pages 15, 71 and
226. The judgment roll in the case referred
to is that of George Klem and others against
the city of Rochester, filed in Monroe county
clerk's office June 29, 1881.

It seems that where a street is altered, as
in the case of Goodman street, and not aban-
doned, no jury to determine the advisability
of the alteration is necessary.

By Ald. Dewey—

Rochester, N. Y., Dec. 11, 1894.

To the Honorable, the Common Council of the
City of Rochester:

Gentlemen:—The location of the tracks of
the Rochester City and Brighton Railroad
Company, The Crosstown Street Railway
Company, The South Park Street Railway
Company and the Rochester Railway Com-
pany have, from time to time, been deter-
mined upon by the Common Council and the
Executive Board since the year 1867. These
locations have not, in many cases, been fixed
with due and proper formality. In some
cases the company, formerly owning and
operating the street railroad, put its tracks
on the side of the street, or in the center, as
the property owners desired, without obtain-
ing the formal consent, by resolution, of
either the Common Council or the Executive
Board. In some cases the right was granted
to the company to construct a single track
through a given street or avenue, and sub-
sequently, with the consent of the owners
of the abutting property, a double track has
been laid and maintained without such laying
or maintenance being formally ratified or
approved by your honorable body. A resolu-
tion was passed by the Common Council,
granting the right to double track the street
railroad on any street where a single track
existed at the time of the passage of the re-
solution, providing the consent of the major-
ity of the owners of the abutting property
be obtained. Where a double track has been
laid, under such circumstances, and the ques-
tion of its right to maintain a double track
is raised, it is a tedious and expensive pro-
cess to show that it has such right, and where
the track has been laid between the curb and
sidewalk, it is often difficult, as well as ex-
pensive, to prove all the facts necessary to
show the right of the company to maintain
and operate upon its track in the location in
question.

As the Rochester Railway Company, the
successor of the companies before named, has
substantially completed its system and is
operating all of its cars with electric mot-
ive power, with the single trolley electric
system, it seems right and proper that a
formal resolution should be passed by your
honorable body ratifying and approving of
the location of its tracks, poles, wires and
appurtenances as at present located and con-
structed. If it be claimed that the location
should be changed in any street or avenue,
it would seem fair that such claim be made
now.

The Rochester Railway Company, therefore,
makes application for the consent of the local
authorities of the city of Rochester to the lo-
cation, construction, operation and main-
tenance of its railroad, tracks, poles, wires and
other appliances, necessary for the operation
of such road, in, through, along and upon the
streets, avenues and public places herein-
after described, with the crossovers, side
tracks, turnouts, etc., as hereinafter set
forth. The location of such tracks, poles,
wires and appurtenances to be as at present
laid out, located and constructed, as follows:

In the above description where the term "side pole, span wire, electrical construction" appears is meant that the poles supporting the overhead system are located at or near the curb or street lines and support wire cables spanning the street and from which the trolley wires are suspended.

Where the term "side pole, bracket, electrical construction" appears is meant that the poles are located near and at the side of the track, and support brackets from which the trolley wire is suspended.

Where the term "center pole, bracket, electrical construction" appears is meant that the poles are located in the center between two tracks and supporting one or more brackets, from which one or more trolley wires are suspended.

Where the term "center of the street" appears in the above description is meant, substantially in the center thereof, as near as perfect alignment and ease of operation will allow.

Where the term "side of the roadway" appears is meant that the track is not in the center of the street, but is between the curb lines thereof.

Where "side of street" appears in the above description is meant that the tracks are between the curb line and the street line and outside of the roadway.

The tracks above described are substantially parallel to the various streets and their several courses, with such curves at all angles and off-sets as are suitable for proper alignment and ease of operation.

By "equilateral turnout" is meant that a single track divided and turns out equally each side of the center of the street and forming a double track in the center thereof.

By "right-hand turnout" is meant that a single track turns out to the right of said single track, forming a double track, one of which is continuous with the single track aforesaid, the other which is parallel to and to the right of it.

By "left-hand turnout" is meant that a single track turns out to the left of said single track, forming a double track, one of which is continuous with the single track aforesaid, the other of which is parallel to and to the left of it.

The Rochester Railway Company also hereby makes application for the consent of the local authorities of the City of Rochester for the erection and maintenance of insulated feed wire sufficient to supply its trolley wires

with the current required in the economical operation of its road.

Respectfully submitted.

ROCHESTER RAILWAY CO.,

It is further resolved, that notice of said application and that the same will be first considered by said Railroad Committee at the time and place aforesaid shall be published daily for at least fourteen days in not less than two daily newspapers published in the city of Rochester, to be designated by the Mayor.

Adopted.

By Ald. Dewey—

To the Honorable, the Comm. Council of the City of Rochester:

Gentlemen:—By resolution recently adopted by your honorable body the City Attorney was directed to prepare a contract with the Humane Society of this city for the enforcement of the ordinances adopted with reference to pounds, strays and dogs. I beg leave to say that such a contract was prepared and submitted to the Humane Society and that I have been officially informed that the society refuses to enter into the contract which has been prepared.

Respectfully submitted,

A. J. RODENBECK

City Attorney.

CITY TREASURER'S OFFICE, }
 ROCHESTER, N. Y., Dec. 12, 1894. }

To the Honorable, the Common Council:

Gentlemen: Your attention is called to the fact that the interest on the city's bonded debt will be due January 1, 1895. The amount of same is \$172,149.58. In order to meet this payment, it will be necessary to issue the city's note. I would therefore request that you take the required action at an early date, so that ample time may be had to negotiate the loan to the best interests of the city.

Respectfully submitted,

S. B. WILLIAMS, City Treasurer.

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., Dec. 11, 1894. }

To the Common Council:

Gentlemen: The following are copies of two communications received by the Executive Board from William Hamilton, of Caledonia, N. Y., and from Thomas Raines, as attorney for H. E. Boardman, in relation to the settlement of prospective damages to the water privileges of said parties at the village of Honeoye Falls:

Rochester, N. Y., Nov. 30, 1894.

To the Executive Board:

Gentlemen: The city of Rochester, having substantially completed its new system is, I am informed, now drawing from Hemlock Lake a quantity of water largely in excess of that for which rights have been secured by the city. Some time since, your Board exchanged views with Mr. H. E. Boardman, whom we represent, and made an offer for the acquirement of the necessary rights as to his property. Mr. Boardman feels that it is time that the matter was definitely determined. We will, if agreeable, confer with the Board for the purpose of arriving at a fair adjustment.

Respectfully yours,

THOMAS RAINES.

Caledonia, N. Y., Nov. 28, 1894.

To the Executive Board of the City of Rochester:

Sirs: I am in need and want of water, and am apprised that you are using some of what I require. Will you kindly see that I am honorably dealt with, and oblige,
Yours,

WILLIAM HAMILTON.

It will be remembered that the right to draw nine million gallons of water from Hemlock and Canadice lakes was acquired by condemnation proceedings ten years ago.

It is also a matter of fact that this quantity of water has not on the average been diverted from Hemlock Lake for the use of the city of Rochester. The completion of the new conduit, however, together with the removal of the pressure reduction on the consumption of water in the city renders it probable that the aforesaid limit of nine million gallons per day will soon be reached; and hence it is desirable that the adjustment of the remaining claims for prospective damages to mill privileges be reached at as early a day as practicable.

The aforesaid claimants are the only ones on Honeoye creek with whom permanent settlement has not yet been made; and the Executive Board therefore recommend a consideration of the matter by your honorable body.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published, and upon motion of Ald. McMillan, referred to Law Committee.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., Dec. 10, 1894. }

To the Common Council:

Gentlemen: The undersigned, members of the Executive Board, to whom was referred the matter of the proffered acceptance of Girton Place, hereby certify that said Girton Place has been properly graded, the street lines defined by monuments, and map filed in the offices of the County Clerk and City Assessors, in accordance with provisions of res-

olutions adopted by your honorable board, and recommend that the streets above named be accepted for public use.

Respectfully,

RICHARD CURRAN,
W. W. BARNARD,
JOHN U. SCHROTH.
Executive Board.

Ordered received, filed and published.

By Ald. Dewey—Resolved, That the dedication of a street known as Girton Place, as mentioned in the foregoing communication of the Executive Board be, and the same is hereby, accepted as public streets upon the payment of all taxes and assessments, local or general, remaining unpaid upon said territory, so taken for said street. And the City Clerk is hereby directed to enter the name of said street in the public street register kept by him, and said Executive Board is hereby instructed to place the usual street signs where needed at the corners of said street. And the City Assessors be, and they are hereby, directed to strike from the assessment rolls of the city of Rochester the territory taken for said street, as indicated by the map on file in the County Clerk's office and the office of the City Assessors.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelinck, Lewis, Harris, Decker—19.

ACTION UPON ORDINANCES.

By Ald. Ward—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at his or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Times notice thereof as is required and in the manner specified by section 172 of the city charter.

CITY CLERK'S OFFICE, }
ROCHESTER, N. Y., Dec. 11, 1894. }

Gentlemen: Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Times, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expenses thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements, respectively, to attend the Common Council on Tuesday evening, December 11, 1894, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk.

Final Ordinance for Brown street pipe sewer came up and upon motion of Ald. Harris, action thereon was postponed three months.

Final Ordinance for Court and William street outlet sewer rebuilding came up, and upon motion of Ald. Adams, action thereon was indefinitely postponed.

Final Ordinance for Hawley street plank walk came up, and upon motion of Ald. Harris, action thereon was indefinitely postponed.

FINAL ORDINANCE, NO. 5,631.

EDWARD STREET PIPE SEWER.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a pipe sewer in Edward street, from a point 80 feet north of Alphonse avenue to proposed sewer in Bernard street.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a vitrified pipe sewer, 12 inches in diameter, in Edward street, from a point 80 feet north of Alphonse avenue to the sewer to be constructed in Bernard street. Also the necessary manholes, surface sewers, lot laterals and branches.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$550, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Edward street, from Alphonse avenue to Bernard street.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelinck, Lewis, Harris, Decker—19.

FINAL ORDINANCE, NO. 5,632.

HAWLEY STREET PLANK WALKS.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct plank walks on Hawley street, from Jefferson avenue to Reynolds street.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a hemlock plank walk, 4 feet 8 inches wide, on each side of Hawley street, from Jefferson avenue to Reynolds street. Also the necessary sidewalk grading. Property owners will be allowed 60 days in which to construct their own walks.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$350, which being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Hawley street, from Jefferson avenue to Reynolds street.

Adopted by the following vote:
 Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—19.

FINAL ORDINANCE, NO. 5,633.

KUSSE STREET GRADING AND WALKS.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to grade and construct plank walks on Kusse street, from a point 200 feet east of Neeser street, to Neeser street.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The grading of Kusse street, for its full width, from a point 200 feet east of Neeser street to Neeser street. Also the construction of a pine plank walk, 4 feet wide, on each side of said Kusse street, between the limits mentioned. Also the necessary crosswalks.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$275, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Kusse street, from a point 200 feet east of Neeser street to Neeser street.

Adopted by the following vote:
 Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—19.

FINAL ORDINANCE, NO. 5,634.

PLYMOUTH AVENUE CEMENT WALKS.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a Portland cement walk on Plymouth avenue, from West Main street to Adams street.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a Portland cement walk 6 feet wide on each side of Plymouth avenue, from West Main street to Adams street, except where good stone or Portland cement walks now exist.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$1,500, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Plymouth avenue, from West Main street to Adams street.

Adopted by the following vote:
 Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton,

Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—19.

Ald. Dewey, having at he previous meeting of this board given notice of the presentation of an ordinance regulating the operation of street railways, presented the following:

By Ald. Dewey—

AN ORDINANCE relating to street railroads.
 Section 1. The rails used by every street surface railroad shall be modern improved rails such as may be approved by the authorities having charge of the highways of said city.

Sec. 2. The cars upon every street railroad now or hereafter constructed shall run as often as once in every fifteen minutes between the hours of six o'clock in the morning and twelve o'clock at night.

Sec. 3. The rate of speed at which cars may be run shall not exceed seven miles per hour between the intersection of Elm street with East Main street and the Erie canal on West avenue, and between Exchange street canal bridge, and the intersection of Central avenue with State street, and shall not exceed fifteen miles per hour on any other street or avenue.

Sec. 4. Said cars shall stop at such places and in such manner as not to interfere with public convenience or travel.

Sec. 5. No street surface railroad company shall operate on its track or tracks more than three cars attached together.

Sec. 6. No street surface railroad company shall suffer any car to be run unless the same shall be in charge, and under the control of, some competent conductor who shall be a person other than the driver or motorman.

Sec. 7. Whenever it shall become necessary in order to prevent stoppage or travel upon any street railroad that the snow which may have fallen, or the ice which may have accumulated upon its tracks should be removed, the same shall be done in such a manner and by such means as not to interfere with the use of any street or avenue, or the sidewalks thereof by the public, and all crosswalks and sidewalks thereof by the public, and all crosswalks and side walks upon which any snow or ice shall be thrown by said company shall be immediately cleared of such snow or ice by said company. When the snow, or ice so removed from the tracks of any street railroad shall be so great as to require that it should be carted from the streets or sidewalks, in order to place any street or sidewalk in proper condition for public use, it shall be the duty of such street railroad company to remove the same, and in default thereof, said city may cause such snow or ice to be removed at the expense of said company.

Sec. 8. Whenever gas or water pipes, sewers, sub-ways, conduits or ducts are now laid, or may hereafter be laid in any street or avenue, such railroad must be laid down and maintained subject to the rights over such gas or water pipes, sewers, sub-ways, conduits and ducts now vested in the city and in the companies owning or controlling the same, and said city and companies may, when necessary, take up, alter repair or remove the same without any claim for damages on the part of said railroad company; the city expressly reserves to itself, the right hereafter to lay down or cause or permit to be laid down in said streets or avenues, or any of them, gas or water pipes, sewers, conduits, subways and ducts, and to alter, improve and repair said streets or avenues whenever the public good or convenience may require, without any claim for damages on the part of any railroad company. But private corporations and individuals who shall take up any pavement or excavate in any street for the purposes of laying any additional pipes, conduits, subways or ducts, not as agents of said city but for their own purposes shall be required to restore the street to its former condition, without expense to any railroad company owning or operating the railroad in such street or avenue.

Sec. 9. Nothing herein contained shall be construed as repealing, modifying or changing in any respect, the terms and provisions of any agreement entered into between said city and any street railroad company.

Sec. 10. Said city reserves to itself the right to make such further orders, rules, ordinances or regulations in relation to street railroads as it may deem necessary.

Sec. 11. No penal ordinance heretofore adopted shall be repealed by this ordinance except so far as any of its provisions may be inconsistent with the terms hereof, but nothing in this ordinance contained shall be so construed as to abridge or defeat any right of said city or its officers to prosecute any railroad company for a violation of any provision of any penal ordinance heretofore adopted.

Sec. 12. Every street railroad company which shall violate any of the provisions of this ordinance shall, for each offense, be subject to a fine or penalty of not less than ten dollars nor more than one hundred fifty dollars in amount to be imposed by the police justice or judge, or court before whom a suit for such fine or penalty is brought in the discretion of such fine or penalty is brought in the discretion of such justice, judge or court.

Sec. 13. This ordinance shall take effect immediately.

Rochester, N. Y., Dec. 21, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Railroad Committee would respectfully report, that they have considered the resolution referred to them by resolution of Ald. Aikenhead as appears in the Common Council proceedings for December 11, 1894, and they would respectfully recommend, that the resolution adopted by the Common Council September 18, 1894, and reported at page 263 of the Current Proceedings, whereby consent was given to the N. Y. C. & H. R. R. Co., to extend a bridge across its tracks over North street a sufficient distance to allow an additional track on the said bridge northerly of said Company's four main tracks, etc., be reconsidered and that the same be laid on the table.

We would further recommend that the City Attorney be authorized in case said railroad attempt to extend a bridge and carry its tracks over said street to take such proceedings as may be necessary to protect the interests of the city, and if work is begun, by said company and attempt to extend said tracks, or do any work under said resolution looking to that end, the City Attorney procure an injunction restraining said company from extending or laying its tracks over North street at that point, and that if said company attempt to do such work the Police Department be instructed to prevent any encroachment over or upon said North street at that point by said company or any person.

All of which is respectfully submitted.

WILLIAM C. GREEN,
A. H. DEWEY,
J. M. AIKENHEAD,
MERTON E. LEWIS,
Railroad Committee.

Ordered received, filed and published.

By Ald. Green—Resolved, That the resolution adopted by this Common Council at a meeting held September 18, 1894, and reported at page 263 of the current proceedings whereby consent was given to the N. Y. C. & H. R. R. Co. to extend a bridge and carry its railroad tracks over North street northerly a sufficient distance to allow an additional track on said bridge northerly from its four main tracks, etc., be and the same hereby is reconsidered.

Ald. McMillan moved to lay the matter on the table until the next regular meeting.

Lost by the following vote:

Ayes—Alds. McMillan, Adams, Kelly—3.
Nays—Alds. Green, Rauber, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Aikenhead, Simmelink, Lewis, Decker.—13.
The original motion was then adopted.
By Ald. Green—Resolved, That said resolution be laid upon the table.

Adopted.
By Ald. Green—Resolved, That the City Attorney be and he hereby is authorized in case the N. Y. C. & H. R. R. Co., or its agents or servants or if any person or corporation attempt to extend a bridge carrying the N. Y. C. & H. R. R. Co., tracks over North street northerly a sufficient distance to allow an additional track on the said bridge northerly of said company's four main tracks, to institute proceedings and commence an action in the Supreme Court and procure an injunction restraining said company or any person or persons or corporation from carrying on said work.

Adopted.
By Ald. Green—Resolved, That the Superintendent of Police and the Police Department be and they are hereby instructed in case the N. Y. C. & H. R. R. Co., or any of its contractors, agents or servants or any persons or corporations attempt to extend a bridge carrying said railroad tracks over North street or in any manner encroach upon North street in the vicinity of the N. Y. C. & H. R. R. Co.'s bridge over North street to prevent such encroachments or occupation of the street by said company or any person, firm or corporation acting for them.

Adopted.
By Ald. McMillan—

To the Honorable, the Common Council:

Gentlemen:—Your Finance Committee respectfully reports as follows:

The Finance Committee of the Board of Education has certified to this committee that in order to enforce the provisions of the compulsory education law, so called, it will be necessary that that Board appoint one or more "attendance officers," to compel the attendance at public or private schools of children of school age, residents of the city, and not now in attendance thereat. A failure on the part of said board to enforce the provisions of said law, will result in the withholding by the State Superintendent of Public Instructions of the amount of public money to which the city will be entitled, if that law shall be enforced. Such public moneys amount to about \$80,000, and it will be readily seen that it will be for the best interests of the city that the law be in good faith enforced. For the purpose of providing for the expenses connected with its enforcement, the Finance Committee of the Board of Education requests that an extra appropriation of \$2,000 be granted it. The money to be used in the payment of salaries of attendance officers, in the furnishing of text books to indigent pupils in providing additional seats to accommodate the children who will by this method be compelled to attend the public schools. The committee has decided to recommend that such an appropriation be made, and recommends that the accompanying resolution to provide funds for that purpose, be adopted.

The Park Commissioners have certified that by reason of the extraordinary large attendance in the public parks during the past year, the amount allowed them for maintaining the park police was insufficient. Their maintenance fund has been drawn upon to the amount of \$800, and they find it necessary at this time to employ park policemen for the protection of the trees in the public parks during the holiday season. If left unprotected the pines and hemlocks suitable for Christmas will be ruthlessly destroyed, and for that purpose they require about the sum of \$200.

Your committee has decided to recommend, therefore, an appropriation of \$1,000 to the Park Fund, and recommends that the accompanying resolution to provide therefor, be adopted.

All of which is respectfully submitted.

THOMAS MCMILLAN,

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., Dec. 21, 1894. }

To the Common Council:

Gentlemen:—The attention of the Executive Board has been called to the condition of La Mont park sewer, which extends from Webster avenue northerly about 500 feet.

The Board caused four test pits to be excavated at certain distances the entire length of the sewer, and it was ascertained that the average depth of the sewer was about three and one-half feet. It is constructed of ten-inch tile and laid irregularly and with a grade that would indicate that the sewage is conveyed to the dead end of the sewer instead of into Webster avenue sewer where its outlet ought to be. The sewer was half filled with water and a deposit of sand or mud, and it shows no current or flow into its outlet.

On this street it is reported there are about fifteen houses, which are supposed to be drained by this sewer; two of them have been vacated because of the water backing into the cellars. Since the construction of this sewer Webster avenue sewer has been deepened, so there is ample fall for a sewer in this street. It may be stated also that it does not appear from the records that this street has ever been formally accepted as a public highway by the city; but its use for five years may make it such without any further action. The fact is, however, that before any relief can be obtained by the residents on this street, the sewer has to be reconstructed and re-laid at a greater depth than it now has.

It is therefore recommended that your honorable body cause an ordinance to be introduced that will afford the relief to the owners and occupants of premises on this street in the manner above suggested.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.
By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., Dec. 21, 1894. }

To the Common Council:

Gentlemen: In the matter of the settlement or the payment of the amount claimed by the Commissioners of the Carroll-Fitzhugh race on account of the water being drawn off during the construction of the Court street race bridge a difference of opinion has arisen between the Commissioners and the Executive Board, a satisfactory settlement of which has not yet been made.

The contract made between the Commissioners and the Executive Board, was to the effect that for the six days, which it was assumed it would require to have the water drawn from the race, the Commissioners were to receive the sum of \$200 per day as damages; and for every day thereafter they were to receive the sum of \$300. On the completion of the bridge it was stated by the contractor that he would have made such progress in his work as to allow the water to be let into the race, if he had not been delayed in some parts of the construction by reason of the re-laying of a large water main across said race; which was demanded for the protection of property as well as for supplying the manufacturing and other business buildings in this section of the city.

The Executive Board are in doubt as to the liability of the city to the race corporation for the enlargement and laying of the supply main belonging to the city, and they referred the subject matter to the City Attorney for his consideration and opinion.

The City Attorney rendered his opinion in which he advised "that the city pay the claimants in the sum of \$1,200 for the liability of the city under the contract, and leave them to their remedy, if they have any, for any delay caused by the laying of water pipes."

In the ordinance for the construction of this bridge an estimate was made by the City Surveyor of \$15,000, which it seems did not include the contemplated payment for damages and privileges which it was found necessary to obtain before the work was commenced, although the ordinance itself appears to presume the acquirement of an easement for the construction of the piers in the race.

At page 238 of your current proceedings a resolution was presented by Ald. McMillan and adopted by your board providing for the first payment for this easement in the sum of \$1,500, which you authorized be paid from the fund for the construction of the bridge in question. The actual cost of the bridge as reported to this office is \$14,548.37; which does not include any moneys claimed for easement, right of way, or damages.

The Executive Board recommends in accordance with the opinion of the City Attorney that you make a like provision for the payment of the \$1,200 which he recommends be tendered to the Commissioners of the race in full settlement of damages stated to have been sustained, as well as for the easement which the city has acquired for the construction of the piers in said race.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published, and upon motion of Ald. McMillan referred to Finance Committee.

Resolved, That the number of commissioners of deeds for the ensuing two years beginning with the first of January, 1895, be, and hereby are, fixed at 1,500, and that each of said commissioners hold his office for the term provided by law.

Adopted.

By Ald. Adams—
THIS AGREEMENT, Made this — day of December, 1894, between the New York Central & Hudson River Railroad Company, of the first part, and the City of Rochester (a municipal corporation) of the second part, witnesseth,

Whereas, The passenger tracks and numerous freight tracks of the railroad of the party of the first part cross at grade a certain highway in the city of Rochester known as University avenue, and

Whereas, It is the desire of the parties hereto that the said highway shall be made to pass underneath said railroad tracks by means of a subway and bridge, without change of grade of the said railroad as shown by the plans and drawings prepared by E. F. Van Hoesen, engineer, hereto annexed as a part of this contract; now, therefore, it is mutually agreed,

First, That the party of the second part shall cause its common council and its executive board to adopt all such ordinances and resolutions as may be necessary to legally alter the said highway by reducing its width to fifty feet through the whole length of said subway and its approaches as shown on said plans; and to change and establish the grade of said highway through the said subway and its approaches to the grade as shown on said plans; and that it will, without cost or expense to the party of the first part, construct a sewer in said highway through the said subway to the East Side trunk sewer in Culver street of such depth and capacity as to afford good and sufficient drainage to the subway; and that the same shall be completed on or before the first day of April next.

The party of the second part doth hereby grant to the party of the first part the right to construct and maintain said bridge for the uses of its railroad tracks and railroad to the extent, numbers and location as shown on said plans; and that it will procure a resolution of its executive board confirming the same.

Second. In consideration of this agreement and on the performance thereof on the part of the party of the second part the party of the first part agrees at its own expense, to carry its said railroad tracks over the said highway by means of a bridge and subway to be constructed in substantial conformity to the said plans and drawings prepared by the said Van Hoesen and to do the necessary work of altering the grade of said highway therefor.

It is understood and agreed that the following particulars shall be observed, viz:

The roadway of the said subway and its approaches shall be 36 feet wide. The sidewalks shall be seven feet wide and four feet above the grade of the roadway underneath the bridge. The under side of the bridge shall be 13 feet above the surface of the roadway and 9 feet above the surface of the sidewalks. The bridge shall be supported by iron columns resting upon low stone piers placed in the line of the curb between the sidewalks and the roadway.

The party of the first part agrees to commence the said work on or before the 5th of April next provided the said sewer shall have been completed and the width and grade of said highway shall have been established as herein provided, and to have the subway ready for highway travel within six months thereafter. But it is understood and agreed that the said highway for the whole length of said subway shall be closed for such length of time as shall be necessary to make said subway and to construct said bridge.

It is further agreed that the party of the first part shall not be required to do any work in or for the alteration of grade of any street other than University avenue.

In witness whereof the parties hereto have heretofore affixed their respective corporate seals and have caused these presents to be signed by the president of the party of the first part and the mayor of the party of the second part and the day and year first above written.

Ordered received, filed and published and upon motion of Ald. Adams, referred to Special Committee on University Avenue Railroad Crossing.

By Ald. Edelman—Petition recommending Harlow T. Chapin for the position of engineer of new police building.

Ordered received and filed, and referred to City Property Committee.

By Ald. Ashton—Petition of Miller Brewing Company for permission to erect a wooden building on Lake avenue. Referred to Wood Building Committee and Fire Marshal, with power to act.

By Ald. Cook—Petition of Ellsworth & Grant for permission to erect two or three wooden buildings on the northwest corner of South Clinton street and Averill avenue. Referred to Wood Building Committee and Fire Marshal, with power to act.

By Ald. Cook—Resolved, That the appointment by the Overseer of the Poor of Robert Stone, made by him on November 23, 1894, as an additional investigator, and whose appointment was necessitated by reason of the increase of investigations in the office of Overseer of the Poor, be and the same hereby is ratified and confirmed.

Adopted.

Ald. Ashton in the chair.

By Ald. Cook, by request of Ald. Pauckner—Resolved, That the City Clerk be and he hereby is authorized and directed to draw an order on the City Treasurer, payable from the Contingent Fund, for \$203.70, in favor of Alberger & Smith, being for the flag and flagstaff on the City Hall building, as per the annexed bill.

Adopted by the following vote:

Ayes—Alds. McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Cook, Kelly, Aikenhead, Simmelinck, Lewis, Decker—15.

By Ald. Cook, by request of Ald. Pauckner—Resolved, That the City Clerk be and hereby is directed to draw an order upon the City Treasurer, payable from the Contingent Fund, in favor of the Union Trust Company, of New York, for five hundred dollars, being for services as transfer agent and registrar of water loan bonds from July 1, 1894 to January 1, 1895, and charge the said amount to the Contingent Fund.

Adopted by the following vote:
 Ayes—Alds. McMillan, Green, Rauber,
 Adams, Edelman, Fox, Powell, Ashton, Ward,
 Cook, Kelly, Aikenhead, Simmelink, Lewis,
 Decker—15.

By Ald. Aikenhead—

J. M. Aikenhead, Esq., Chairman of the Police
 Committee of the Common Council:

Dear Sir: The question submitted to me
 as to whether or not there can be inserted
 in the franchise requested by the Rochester
 Railway Company a condition to carry the
 firemen and policemen of this city without
 the formal payment of fares by them, involves
 two inquiries:

First, Can such a condition be lawfully in-
 serted in the proposed franchise? and.

Secondly, Can such a condition be enforced
 after the revised constitution takes effect?

The old Rochester City and Brighton Rail-
 road Company, whose privileges to operate
 on the streets of this city have been trans-
 mitted to the present company, was given
 its first franchise in 1862.

This franchise imposed upon the old com-
 pany various conditions. It provided that
 the company should use certain kinds of rails,
 how they should be laid, how its cars should
 be operated, what fares it might charge, what
 kind of conductors and drivers it should em-
 ploy, and, among a great many other similar
 conditions, it was required to pay a certain
 sum per car into the treasury of the city.

This franchise has been supplemented from
 time to time by privileges to operate on other
 streets than those mentioned in the original
 franchise, until some time in 1890, when a
 change was made in the motor power of the
 street railroads of the city, and another agree-
 ment was made between the city and the
 company, by which, upon certain conditions,
 it was allowed to change from horse power
 to electricity. The latter franchise also con-
 tains numerous conditions. It regulates with
 detail how the company shall operate its cars
 with the new motor power, and provides for
 a further compensation to be paid into the
 city treasury.

It is now proposed to grant an additional
 franchise in the form of a ratification of the
 lines of the company as established by pre-
 vious action of the city and as operated by
 the company, and it is suggested that still
 further privileges and considerations be re-
 quired as a condition of the new franchise.
 The condition which has been suggested is
 that the company carry the city's paid police-
 men and firemen without the formal payment
 of fares by them.

The provision which has led you to ask
 for my opinion is that section in the revised
 constitution which provides that "No public
 officer, or person elected or appointed to a
 public office, under the laws of this state,
 shall directly or indirectly ask, demand, ac-
 cept, receive or consent to receive for his
 own use or benefit, or for the use or benefit
 of another, any free pass, free transportation,
 franking privilege or discrimination in passen-
 ger, telegraph or telephone rates, from any
 person or corporation," and I am called upon
 to say whether or not the proposed franchise
 would be in violation of that provision.

If I have been able to spell out the inten-
 tion of the framers of that section, it seeks
 to prevent the creation of any obligation on
 the part of public officers to common carriers
 for discrimination in rates or for free trans-
 portation. The public officer who accepts
 from any such company such discrimination
 or free transportation must, it can very rea-
 sonably be argued, be under some obligation
 to the company for the privilege. The pro-
 vision in the new constitution seeks to re-
 move all possibility of the creation of any
 such obligation growing out of the practice
 of granting to public officers such discrimina-

tions or free transportation. This I believe
 to be the spirit of the provision referred to.
 Conceding this to have been the intention of
 the constitutional convention, the proposed
 condition in the franchise is not a violation
 of this intention. The proposed franchise, it
 seems to me, is not for the benefit of any
 particular public officer, but for the benefit
 of the whole city. It is not a transaction be-
 tween a public officer and a common carrier,
 but between the city and a common carrier.
 Under the proposed franchise no fireman or
 policeman would be under any obligation to
 the railway company. But further than that,
 the proposed franchise does not grant free
 transportation to the persons named. It is
 proposed to grant to the railway company
 a franchise for a certain consideration, which
 is the carrying of firemen and policemen
 without the formal payment of fares by them.
 It might very reasonably be said that the
 value of the franchise is the charges which
 the company might otherwise make for trans-
 porting these persons, and that the company
 receives full fare for each of the persons
 named which it carries on any of its lines. It
 is true no moneyed consideration passes from
 the city to the company. But the franchise
 which the city grants to the company has a
 value, and if the company accepts it upon
 the condition sought to be imposed, its value
 is measured by the aggregate number of fares
 which the company would receive from each
 fireman or policeman traveling upon its lines
 were the condition not in the franchise. Who
 pays for the transportation, it is unnecessary
 for me to determine, so long as it appears
 that no one under the franchise is receiving
 free transportation.

The condition sought to be imposed in the
 franchise is similar to conditions imposed in
 former franchises. It is a moneyed consid-
 eration. It corresponds with the \$5 per car
 which the company was required to pay under
 the franchise of 1862, and the 1 per cent.
 of its gross receipts required under its fran-
 chise of 1890. There is no law at the present
 time which forbids the granting of this
 franchise with the proposed condition.

There is a clause in the federal constitution,
 which is well known to you, which provides
 that no state shall pass any law impairing
 the obligation of contracts. Any contract
 which can be lawfully made prior to the 1st
 of January, 1895, cannot be impaired by any
 provision in the state constitution which goes
 into effect on that day, without doing vio-
 lence to the provision in the federal consti-
 tution referred to. If the proposed franchise
 is perfected prior to the beginning of next
 year, I believe it will have the same force as
 if it had been inserted in the original fran-
 chise to the company in 1862, or in the supple-
 mental franchise granted in 1890. No one of
 you would, I think, contend that if, in its
 wisdom, the Common Council in 1862 had
 seen fit to insert the proposed condition in
 the franchise granted to the company at that
 time, any amendment to the constitution
 adopted afterwards could affect the validity
 of the condition or make the exercise of it
 a crime. It makes no difference when the
 franchise is granted, so long as it is perfected
 prior to the time when the provision in the
 revised constitution mentioned takes effect.
 This provision does not become operative
 until the first of next year, and if the city
 should grant the railway company the fran-
 chise which it seeks, and insert therein the
 proposed condition, the franchise would be
 valid and would continue so after the 1st
 of January, notwithstanding the recent
 amendment to the constitution. If the pro-
 vision in the state constitution can be so
 construed as to affect any franchise which
 the Council may see fit to grant to any rail-
 way company prior to the 1st of January, it
 can be made to apply to any previous fran-

chise, and would be in direct conflict with that provision in the federal constitution which forbids the passage of any act by any state which has the force of impairing the obligation of a contract.

I am, therefore, of the opinion not only that the proposed franchise can be lawfully granted prior to the beginning of next year, but also that the condition upon which the franchise is proposed to be granted can be enforced after that time.

REPORTS OF SELECT COMMITTEES,

By Ald. Adams—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your committee on charter revision, consisting of the law and finance committees, begs leave to report as follows upon the matter submitted to it:

The work of your committee in the revision of the charter naturally divided itself into two branches. One, that of re-arranging the material in the existing charter according to a systematic plan; and, second, that of making such changes in the method of governing the city as the growth of the city and public sentiment seemed to demand.

On the first branch of its labors your committee begs leave to say that even a casual examination of the charter will reveal the fact that repeated amendments have displaced any plan which may have existed in the minds of its framers, and that provisions relating to particular subjects are scattered from cover to cover. Under the existing charter it is difficult for any officer to ascertain what his duties are. The provisions governing a particular department are scattered here and there. Provisions exist which have never been indexed because inserted in sections which had no relation to such provisions. To correct this fault, your committee first had the contents of the old charter re-arranged upon a new analysis. Section after section was carefully read and the provisions relating to particular officers or departments were brought together, so that it will be possible for any one to readily ascertain what the duties of any officer or department are.

The following is the table of contents which we have adopted:

Title 1	Corporation, boundaries and civil divisions
Title 2	Elections.
Title 3	City officers.
Title 4	Common council.
Title 5	Members of common council.
Title 6	City clerk.
Title 7	Supervisors.
Title 8	County taxes.
Title 9	Constables.

Title 10. The mayor.

Title 11. Department of public works.

Title 13. Department of police.

Title 14. Department of weights and measures.

Title 15. Department of public buildings.

Title 16. Department of health.

Title 17. Department of public instruction.

Title 18. Department of charities and corrections.

Title 19. Department of finance.

Title 20. Department of taxes and assessments.

Title 21. Department of excise.

Title 22. Department of law.

Title 23. Engineering department.

Title 24. Purchasing department.

Title 25. Auditing department.

Title 26. Cemetery department.

Title 27. Department of parks.

Title 28. Municipal court.

Title 29. Police court.

Title 30. General provisions.

On the second branch of its work, your committee begs leave to say that various changes have been made in the method of governing the city. We have been prompted in its revision in this particular by a desire to make only those changes which seemed to be demanded by public sentiment, and which would, in the judgment of your committee, redound to the interests of the inhabitants, and the greater efficiency of the municipal government.

In respect to the boundaries and civil divisions of the city, no changes have been made. The boundaries of the wards remain as they exist under the present charter.

In respect to elections such changes have been made as were necessary to make the provisions on that subject correspond with the requirements of the revised constitution. By the provisions of that constitution all elections of city officers, including supervisors and judicial officers of inferior local courts, except to fill a vacancy, were directed to be held on the Tuesday succeeding the first Monday in November in odd numbered years. This provision made necessary a change in our charter which provided for an annual charter election in March of each year. Under the charter as revised, the first election in the city will be held in November, 1895, and succeeding elections will be held every two years thereafter. Instead of annual elections the city will now have biennial elections in November of odd numbered years. The number and appointment of election officers, and the conduct of elections generally are to be the same as prescribed by the general election code.

By the same provisions of the revised constitution by which the time for holding elections in cities was regulated, the terms of office of certain municipal officers were abridged or extended. By the provision referred to, the terms of office of certain city officers elected before the first day of January, 1895, which would expire with an even numbered year or in an odd numbered year and before the end thereof, were extended to and including the last day of December next following the time when such term would otherwise expire, and the terms of office of all of such officers whose terms would expire in an even numbered year and before the end thereof, were abridged so as to expire at the end of the preceding year. This provision in the constitution made changes in the charter necessary to provide for the election of officers whose terms were thus abridged or extended.

The common council has not been changed. It will be composed as heretofore of one alderman elected from each of the wards of the city. Its powers remain substantially the same as under the existing charter. No new appointive power has been given to it except

that of appointing the city purchaser hereafter referred to.

With respect to the qualification and duties of the members of the common council, no change has been made, nor are the duties of the city clerk, supervisors and constables changed in any way.

The power of the mayor remains unchanged. Some alterations have been made with reference to the provisions in the charter relating to the temporary performance of the duties of the mayor during his absence.

The executive board has been abolished, and the powers and duties of this department, modified, have been transferred to two departments, to be known as the department of fire and the department of public works.

The department of fire will be under the charge of a commissioner to be elected by the people who will be known as the fire commissioner and who will be the head of this department. He will have the care and control of the fire department of the city and will appoint, and at pleasure remove, a chief of the fire force, and as many subordinates, assistants, firemen and members of the department as the common council may from time to time designate. It has been suggested that the powers and duties of the fire and police commissioners be consolidated and your committee now has the advisability of this change from the plan outlined in this report under consideration.

The department of public works will be under the charge of a superintendent to be elected by the people who will be known as the superintendent of public works, and who will be head of this department. He will have power to employ and remove an assistant superintendent and as many subordinates and employes in his department as the common council may from time to time designate. He shall divide the department into three bureaus, one the bureau of water works, another the bureau of street cleaning, repairing and sprinkling, and a third the bureau of improvements.

The department of police remains the same as at present.

A department of weights and measures is created which shall be under the charge of a city sealer, at no greater expense to the city than heretofore.

There is also created a department of public buildings which will be under the charge of a superintendent to be known as the superintendent of buildings, who shall have charge of the maintenance, repair and use of all the buildings, including the public school buildings and voting booths, belonging to or hired by the city, and shall provide therefor all necessary furniture and keep such furniture in good condition. He shall see to all coal, fuel and other supplies necessary for such buildings, shall call upon the city engineer for such plans as he may deem necessary in making any repairs; and he shall perform the duties heretofore devolving upon the fire marshal and shall enforce all ordinances which may be adopted by the common council pursuant to the provisions of this act relating to the construction, alteration, repair, removal or safety of buildings, and shall enforce the provisions of the city charter or any other law upon that subject; and perform such other duties as may from time to time be provided by the common council by ordinance not in conflict with the provisions of the charter.

The department of health remains as at present.

The board of education has been abolished and in its stead there has been created a department of public instruction which shall be under the charge of a board consisting of five persons to be elected by the people who shall be known as the board of public instruc-

tion and who shall be the head of this department. The powers of the board under the proposed charter are considerably changed. It shall have general charge of the public schools of the city. It shall appoint a superintendent who shall have power to appoint and suspend teachers, for cause remove them, and he shall also have power to appoint, and for cause remove, all janitors in the public schools.

The department of charities and corrections will be under the charge of an overseer of the poor to be appointed as heretofore. This department has been systematized and various new provisions for the better conduct of the department have been inserted in the charter.

The department of finance will be under the charge of the city treasurer who shall be the head of this department. No change is made in the city government in this respect except to create a department of finance.

Under the head of the department of taxes and assessments have been grouped all the provisions of the city charter relating to the assessment of city taxes and of local improvements. There will be three assessors as heretofore who will be the head of this department. They are required to organize with the election of a president and to hold stated meetings.

The department of excise remains as heretofore provided by the general laws of the state.

No material changes have been made in the department of law.

An engineering department has been created. The design of the committee is to have one city engineer who shall have charge of all the engineering work of the city with power to employ such assistants as the common council may designate. Heretofore there has been no unity of action in the engineering work of the city. There has been a city surveyor, a chief engineer of the water works, an engineer of the East Side trunk sewer, and an engineer of the park commissioners. We believe that the creation of one engineer who shall have general supervision of all the engineering work of the city will be for the best interests of the city.

A purchasing department has been created. It provides for the appointment by the common council of a city purchaser, who in general shall purchase all supplies for the various departments and officers of the city including those of the department of public works and department of public charities and correction. According to the system now in vogue the only check upon purchases for supplies are the appropriations of the common council therefor and the city auditor. The city purchaser is required to advertise for bids for all supplies and to let the contract for such supplies to the lowest responsible bidder.

The auditing department consists of the auditor whose powers and duties remain as heretofore.

The board of park commissioners has been made a department of the city, and as to their powers and duties no important change has been made.

The municipal court, with the exception of slight changes in practice, remains the same.

The police court remains as heretofore. These changes shall not take effect until January 1, 1894, except certain provisions, such as those relating to elections, which shall take effect immediately.

Your committee has not attempted in this summary to outline all the changes that have been made in the charter, nor to define minutely the powers and duties of the various departments mentioned. It has simply in this report desired to call attention to the changes that have been made which would be of interest to the general public. The

bulk of its work has been done. In detail it is not yet perfect. It is submitted for examination and suggestions. Your committee will continue its labors and will report to this body any other changes that may be made, so that when the charter finally comes before you for approval the members of the council and the public may know what it contains. We invite and urge the members of this council, the press of the city, and the public generally, to examine the work which has been done. We shall be pleased to receive any fair criticisms on our labors. The charter will be left in the law department of the city and will be open to the inspection of everybody. When completed, if approved by the common council, it will be sent to the legislature at the opening of the session. The constitution requires that after it has passed both branches of the legislature, the house in which it originated shall immediately transmit a certified copy thereof to the mayor of this city, and the mayor, within fifteen days thereafter, shall return the bill to the house from which it was sent, with a certificate thereon stating whether the city has, or has not, accepted the same. This provision will afford a further hearing on the charter after it has been sent to the legislature, and will afford everyone an opportunity to acquaint himself with its terms.

All of which is respectfully submitted.

Childs, dated November 17, 1892, for \$10,500, and recorded in liber 364 of mortgages, at page 31.

PARCEL NO. 4.

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, bounded and described as follows:

Beginning at the southeast corner of the premises last above described; thence easterly, along Mortimer street, a distance of 66 52-100 feet; thence northerly, on a line parallel to and easterly from the east line of the premises last above described, a distance of 28 feet; thence westerly to the east line of premises last above described; thence southerly, along the east line of the premises last above described, to the place of beginning, being a part of lots 6 and 7 of the Johnson and Seymour tract of a part of the city of Rochester.

These premises are owned by John J. and Joseph R. Otto and are subject to a mortgage held by David M. Childs for \$10,500, dated November 16, 1892, and recorded in liber 364 of mortgages, at page 31.

PARCEL NO. 5.

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, bounded and described as follows:

Beginning at the southeast corner of premises last above described; thence easterly, along the north line of Mortimer street, a distance of 58 feet; thence northerly, on a line parallel to and distant 68 feet from the east line of premises last above described, for a distance of 28 feet; thence westerly, on a line parallel with the north line of Mortimer street, to the east line of premises last above described; thence southerly, along the east line of said premises last above described, to the place of beginning, being lot 7, section D, of the Johnson and Seymour tract of a part of the city of Rochester.

These premises are owned by William Corkhill.

PARCEL NO. 6.

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, bounded and described as follows:

Beginning at the southeast corner of the premises last above described; thence easterly, along the north line of Mortimer street, to the west line of North Clinton street; thence northerly, along the west line of North Clinton street, a distance of 28 feet; thence westerly, on a line parallel with the north line of Mortimer street, to the east line of lot 7; thence southerly, along the east line of lot 7, to the place of beginning.

These premises are owned by Caroline M. Watson, James S. Watson, Isabelle W. Hollister and Elizabeth C. Watson, who have united in a stipulation that all damages awarded therefor shall be paid to said James S. Watson. Said stipulation is acknowledged by said owners and is to be recorded in Monroe County Clerk's office.

Therefore we, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and pro-

vided, and having all met and acted upon the matters submitted to us at the City Attorney's office, in the Wilder building, Rochester, N. Y., pursuant to a notice of at least ten days published according to law, and having all taken a view of every part of the respective premises, and having inquired into and heard the allegations and proofs of the respective parties in interest, do thereupon determine and appraise the damages which the several owners (there being no tenants or occupants other than such owners, entitled to any awards, except as appears herein), of the several premises to be taken for the widening of said street, will severally sustain by being deprived thereof, and fix the compensation which the aforesaid owners respectively shall receive therefor as follows:

The awards hereby made, after deducting all taxes and assessments which have become a lien upon the lands described, to be paid as hereinafter provided, as follows:

To the rector, church wardens and vestrymen of Grace Church for parcel No. 1, the sum of five thousand ten (\$5,010) dollars, payable to the Rochester Savings Bank, mortgagee.

To John J. and Joseph R. Otto, for parcel No. 3, the sum of eight thousand five hundred twenty-seven and 20-100 (\$8,527.20) dollars, payable first to the Rochester Savings Bank, mortgagee aforesaid; second, to John Meinhard, mortgagee aforesaid; third, to D. M. Child, mortgagee.

To Mary Kelly, for parcel No. 2, the sum of two thousand nine hundred fifty-five (\$2,955) dollars, payable to the Rochester Savings Bank, mortgagee.

To John J. and Joseph R. Otto, for parcel No. 4, the sum of three thousand five hundred twenty-eight and 20-100 (\$3,528.20) dollars, payable to D. M. Child, mortgagee.

To William Corkhill, for parcel No. 5, the sum of three thousand one hundred thirty (\$3,130) dollars, payable to him.

To Caroline M. Watson, James S. Watson, Isabelle W. Hollister and Elizabeth C. Watson, for parcel No. 6, the sum of sixteen thousand six hundred (\$16,600) dollars, payable to James S. Watson, pursuant to the stipulation signed by said owners and herebefore described.

We further certify that in determining the amounts of the foregoing awards we have not considered the question of benefits to the lands not taken on account of the widening of Mortimer street as proposed, and have made no deduction from damages on account of such benefits.

All of which is respectfully submitted.
Dated, December 21, 1894.

CHARLES SALMON,
JOHN B. PIKE,
HENRY W. KONKLIN,
Commissioners of Appraisal.

Ordered received, filed and published.
By Ald. Rauber—Resolved, That the next regular meeting of this Common Council, January 8, 1895, be assigned as the time when any complaints or appeals from the confirmation of the foregoing report of the commissioners of appraisal in the matter of widening Mortimer street will be heard.

COUNTY COURT, Monroe County—In the matter of the acquirement of lands for the construction of a pipe sewer across lots from Lozier park to Morton street, in the city of Rochester.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned, who were appointed by an order of the Monroe county court on the 26th day of November, 1894 and

entered in Monroe county clerk's office November 28, 1894, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants of the lands, rights, easements and buildings to be taken for the construction of a pipe sewer across lots from Lozier park to Morton avenue will be entitled to for the same, respectfully report and certify that the premises, rights and easements to be taken for said improvement, the names and residences, the rights of the owners thereof and their award of damages as incident to the construction, operation and maintenance of said sewer through said property as follows:

The rights and easements to be taken are described as a right of way or easement of sufficient width, not exceeding five (5) feet on each side of the center line of said proposed right of way, for the construction, operation and maintenance of said sewer, and the necessary manholes, surface sewers, lot laterals and connections therefor, and for the discharge, outlet and conveyance of sewage waters in and through said sewer, according to plans to be prepared or hereafter to be prepared by the city surveyor of said city, with the right at any and all times hereafter to the city of Rochester, its successors and assigns, the executive board of said city, its contractors and servants to enter upon said premises through which said sewer is to extend or be constructed to examine, clean, repair, deepen and enlarge, or otherwise change said sewer as at any time hereafter may be deemed advisable, in, along, through, and across the following described parcels of land, reference being had to the map of said proposed sewer, filed in the city clerk's and Monroe county clerk's office:

PARCEL NO. 1.

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, being a part of the east one-half of lot No. 2, subdivision of town lot No. 169, bounded and described as follows:

Beginning at the southwest corner of land of said Benjamin F. Metcalf; thence easterly along the southerly line of said land about 281-2 feet to the east line of Lozier park; thence northerly at right angles ten feet; thence westerly parallel to said first described line about 281-2 feet to the westerly line of said land; thence southerly at right ten feet to point of beginning.

These premises are owned by Benjamin F. Metcalf, and are subject to the life estate therein of Arnold Metcalf and Hannah, his wife, and the survivor of them.

PARCEL NO. 2.

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, being a part of the east one-half of lot No. 2, in Assessor's subdivision of town lot No. 169, and being a part of the west one-half of lot No. 2 in Assessor's subdivision of town lot No. 169, bounded and described as follows: Beginning at the southwest corner of said land of George A. Metcalf; thence easterly along the southerly line of said land 1481-2 feet, more or less, to land of Benjamin F. Metcalf; thence northerly by land of said Benjamin F. Metcalf ten feet; thence westerly parallel to said first described line about 1481-2 feet to the land of the Gardiner Homestead Tract Association; thence southerly by said land of said association ten feet to point of beginning.

These premises are owned by George A. Metcalf, and are subject to the life estate of Arnold Metcalf and Hannah his wife and the survivor of them.

PARCEL NO. 3.

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, being lot No. 35, of the Gardiner Homestead tract, which was a part of town lot No. 169, bounded and described as follows: Beginning at the northeast corner of lot No. 35 as shown upon a map of the Gardiner Homestead Tract Association filed with Monroe county deeds; thence westerly along the northerly side of said lot No. 35, 122 feet to Morton street; thence southerly along Morton street ten feet; thence easterly parallel to said first described line 122 feet to the east line of said lot; thence northerly along said easterly line 10 feet to point of beginning.

These premises are owned by the Gardiner Homestead Association and are subject to a mortgage now held by Celeste M. Gardiner Loomis, for \$100,000, recorded in Monroe county clerk's office in liber 330 of mortgages at page 491, and also subject to a mortgage to Henry C. Brewster and John F. Alden, for \$165,620, recorded in said clerk's office in liber 357 of mortgages at page 355.

There fore, we, the subscribers, the commissioners, having been duly sworn as required by statute in such cases made and provided, and having all met and acted upon the matters submitted to us, at the city attorney's office, No. 209 Wilder building, Rochester, N. Y., pursuant to a notice of at least ten days published according to law, and having all taken a view of every part of the respective premises and having inquired into and heard the allegations and proofs of the respective parties in interest, do thereupon determine and appraise the damages which the several owners, there being no tenant or occupants other than such owners entitled to any awards except as appears herein, of the several premises to be taken for the right of way of said proposed sewer, will severally sustain by being deprived thereof, and fix the compensation which the aforesaid owners respectively shall receive therefore, as follows: The awards hereby made after deducting all taxes and assessments which have become a lien upon the lands described to be paid as hereinafter provided are as follows:

To Benjamin F. Metcalf, for parcel No. 1, the sum of one dollar (\$1) payable to him providing he obtains a release of the life estate of Arnold and Hannah Metcalf.

To George A. Metcalf, for parcel No. 2, the sum of one dollar (\$1) payable to him providing he obtains a release of the life estate of Arnold and Hannah Metcalf.

To the Gardiner Homestead Tract Association, for parcel No. 3, the sum of one hundred dollars (\$100) payable first to said Celeste M. G. Loomis, mortgagee, and second to Henry C. Brewster and John F. Alden, mortgagees.

All of which is respectfully submitted,

ISAAC GIBBARD,
EDWARD ENGLEHARDT,
EMIL LUDEKENS,
Commissioners of Appraisal

Ordered received, filed and published.

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., Dec. 31, 1894. }

To the Common Council:

Gentlemen:—I am directed by the Executive Board to inform you that it will be necessary for your honorable body to make provision for the maintenance and care of the streets, for the remaining months of January, February and March by placing to the credit of the Highway Fund the sum of \$50,000. The funds in hand for highway purposes is practically exhausted. The unexpended balance at this date being about \$6,000. If the ordinary winter season prevails during the ensuing months, it will require at least \$5,000 a week to carry on the work in this department in the removal of snow and ice from the streets and sidewalks, and the labor incidental thereto, and necessary at this time of year. It

is urgently suggested that this appropriation be made without delay as the pay roll on Friday next will exhaust the funds made applicable for highway purposes.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published and upon motion of Ald. McMillan referred to Finance Committee.

By Ald. McMillan—Resolved, That the honorable, the representatives of this district be, and they hereby are, respectfully requested to introduce the proposed revision of the city charter, prepared under the direction of this council, into the legislature, to procure the same to be printed and returned for approval to the proper authorities as provided by law.

Adopted.

Ald. Green, on behalf of the Railroad Committee, reported favorably on the application of the Rochester Railway Co., made at a regular meeting of this Board held December 11, 1894, and presented the following resolution:

By Ald. Green—Whereas, the Rochester Railway Company has duly applied in writing to the local authorities of the city of Rochester for a ratification and confirmation of the location of its tracks as operated and used through and along the streets, avenues and highways hereinafter named, and

Whereas, the common council, upon the presentation of said written application, duly fixed the time for and the place where the said application should be first considered, to wit: before the Railroad Committee of the Common Council, at the Common Council Chamber, in the City Hall building, on the 31st day of December, 1894, at three o'clock P. M., and directed notice thereof to be published according to law; and

Whereas, the notice required by law, and the time when, and the place where said application would be first considered as aforesaid, was duly published in two daily newspapers of the city of Rochester, designated by the mayor, and,

Whereas, all persons appearing, in pursuance of said notice, were duly heard, and thereupon said Railroad Committee made a report to the Common Council at a meeting thereof, duly held at the Common Council chamber, in the City Hall building, on the 31st day of December, 1894, at 4 o'clock P. M., recommending the adoption of the following resolutions, and

Whereas, due consideration of the allegations presented having been heard, and due consideration having been had upon said application, it is

Resolved, That the location of the tracks of said Rochester Railway Company as now operated and used by said company in the streets, avenues and highways hereinafter named and as hereinafter specifically described, is hereby ratified and approved, subject to such changes and alterations as the Common Council may from time to time direct and subject to all the rights and privileges now possessed by the city under existing contracts or agreements or by law, nevertheless, upon the following conditions:

First—That the provisions of article four of the railway law of the state of New York, being an act in relation to railroads, constituting chapter 39 of the general laws of the state of New York, be complied with.

Second—In order to increase the efficiency of the police system of said city, and that peace and good order may at all times be maintained in said city, and upon the cars of said company, and that the movement of the cars of said company be not interfered with by riotous or unlawful proceedings, that the said company, its successors and assigns fur-

nish transportation without other consideration than the execution of an agreement on the part of said city embodying the terms of these resolutions, to not more than two policemen at a time upon each of the cars of said company, such transportation to be furnished only when said policemen are in full uniform and such transportation to continue as long as the Rochester Railway Company, its successors and assigns shall operate, maintain and use its railroad in said city. It is further provided that on the written request of the superintendent of police the said railroad company shall issue to the active detectives of the police force to the number of not more than nine, tickets for not more than one hundred rides for each detective, on the cars of the company in any one month.

Third—In order that opportunity may at all times be afforded to the members of the paid fire department of said city to reach quickly the locality of any conflagration, that said company shall furnish like transportation for the same consideration hereinbefore expressed to not more than two firemen at a time upon each of the cars of said company, such transportation to be furnished only while said firemen are in full uniform and said transportation to continue so long as the Rochester Railway Company, its successors and assigns shall operate, maintain and use its railroad in said city.

Fourth—That all the provisions of any agreement between the city of Rochester and any street railroad company, and all ordinances, resolutions, grants and consents heretofore passed by said city, with reference to the construction, maintenance or operation of street railroads within said city shall remain in full and binding force; and these resolutions shall not be construed as extending or affecting the franchise of any such company or the time of the expiration of any such franchise or the moneys required to be paid to said city by such company, or as repealing, modifying or changing in any respect the terms or provisions of any agreement previously entered into between said city and any street railroad company.

Fifth—That this ratification and confirmation of the location of the tracks of said company shall have the same effect as if said tracks had originally been laid with the proper consent and authority of said city and no other effect or construction.

Sixth—Said Rochester Railway Company, however, for the same consideration, agrees for itself, its successors and assigns, upon the written order of the mayor, superintendent or chief of police, or fire commissioner of said city or officers performing their duties, in cases of emergencies, to transport upon each of its cars any number of policemen or firemen.

Ald. Kelly moved that the resolution be amended by substituting therein the words "railroad and tracks" for the word "tracks."

Adopted by the following vote:

Ayes—Alds. Tracy, Callihan, Powell, Ward, Kelly, Lewis, Decker—7.

Nays—Alds. McMillan, Green, Ashton, Cook, Harris—5.

The resolution as amended was then adopted by the following vote:

Ayes—Alds. Tracy, Callihan, McMillan, Green, Powell, Ashton, Ward, Cook, Kelly, Lewis, Harris, Decker—12.

Ald. Kelly moved that the City Attorney draft a clause and it be inserted in and as a part of the foregoing resolution, indemnifying and saving harmless the city from any loss it may suffer by reason of the location of any of the guard wires or other appurtenances of said railroad company or by reason of the negligence of the same. Carried.

Ald. McMillan moved that the City Attor-

ney be instructed to prepare a contract with the Rochester Railway Company in accordance with the terms of the foregoing resolutions and that the Mayor be, and he hereby is authorized and directed to execute the same on behalf of the city of Rochester.

Carried.

REPORTS OF STANDING COMMITTEES.

By Ald. Adams—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Law Committee begs leave to report as follows:

In the matter of the claim of Julia Wich-

mann for damages for sewer pollution, as there is no defense to the action and the recovery is simply a question of the amount of damages, after due consideration of recoveries in former suits for damages to the same property, we recommend the settlement of the claim at the sum of \$1,637.50 and costs. This amount is in full for all sewer damages and for the expense of cleaning out the pond upon the premises.

In the matter of the claim of Mahlon D. Phillips for damages for sewer pollution, we have caused an examination to be made of the amount of damages suffered by the claimant, and recommend the payment of the sum of \$1,190, in full for all damages to his premises.

M. B. ADAMS,
THOMAS McMILLAN,
HENRY G. COOK,
W. M. PAUCKNER,
W. M. TRACY,

Law Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney that proper releases and satisfaction pieces have been filed with him, that the City Clerk be authorized to draw an order, payable from the Contingent Fund, in favor of Julia Wichmann, or W. H. McMath, her attorney, for the sum of \$1,637.50 and costs, as may be stipulated by the City Attorney, said sum being in full for all sewer damages down to the time of the diversion of the sewage from the creek running through her premises, and also for the expense of cleaning out the pond situated upon her premises.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Simmellink, Lewis, Harris—17.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney that proper releases, discharges and satisfaction pieces have been filed with him, that the City Clerk be, and he hereby is, authorized to draw an order in favor of Mahlon D. Phillips and Martha A. Phillips, or their attorney, for the sum of \$1,190, payable from the Contingent Fund, in full of all damages to their premises for sewage pollution, and costs to be stipulated by the City Attorney.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Simmellink, Lewis, Harris—17.

By Ald. Ashton—

To the Honorable, the Common Council of the City of Rochester.

Gentlemen:—Your Assessment Committee would respectfully report as follows:

In the matter of the petition of C. E. Hall to redeem certain premises known as lot No. 18 of the Thurber tract on the south side of Troup street, from a sale for general city taxes on March 26, 1891, we report that we recommend that Mrs. Hall be allowed to redeem said premises upon the payment of the amount for which her premises were sold for general city taxes of 1890, with legal fees and six per cent. interest added.

In the matter of the petition of the Rochester Realty Company for leave to redeem lot 25 from the sale of general city taxes for the year 1893, we recommend that said company be allowed to redeem said premises upon the payment of the amount for which said premises were sold for the general city taxes of 1893, with legal fees and 6 per cent. interest added.

In the matter of the petition of L. E. Hayward, it appears that Mrs. Hayward was as-

sessed the sum of \$1,900 on lot 201, south side of Grand avenue, whereas there is no house upon the said lot and the assessment for 1894 should have been \$350. The assessors recommend that the Treasurer be authorized to receive from Mrs. Hayward the sum of \$5.71, with interest thereon from August 1, 1894, and the remainder of the assessment charged to her, to wit, the sum of \$25.27, be charged to erroneous assessments.

In the matter of the petition of S. D. Bentley for rebate of assessment, the surveyor recommends that the petition be denied, and we recommend such action.

In the matter of the petition of E. A. Bown for rebate of taxes and cancellation of taxes on the ground that his premises are exempt from assessment by reason of the fact that his premises were purchased with pension money, we recommend that the same action be taken in his case as was taken in the case of Elizabeth Kelly, at the meeting of the Common Council held November 13, 1894.

JOHN H. ASHTON,
JOHN F. FOX,
HENRY G. COOK,
MERTON E. LEWIS,

Assessment Committee.

Ordered received, filed and published.

Adopted.

Ald. McMillan, on behalf of the Finance Committee, reported favorably upon the request of the Executive Board for an additional \$50,000 for the Highway Fund, and recommended that said amount be added to such fund.

Ald. Calihan from the City Property Committee, Ald. Rauber from the Health Committee, Ald. Pauckner from the Contingent Expense Committee, and Ald. Aikenhead from the Police Committee reported favorably on the bills referred to their respective committees and referred them to the City Auditor and Finance Committee for payment.

REPORTS OF SELECT COMMITTEES.

By Ald. Dewey—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your special committee appointed to consider the matter of the site of the Fertilizer and Reduction Company beg leave to report that they have held various meetings since their appointment and have been attended by the members of that company. Various consultations have been had with the attorney for the company, and with other persons, with reference to the matter. The company claims a large amount of damages as a result of the action of the Common Council in the adoption of ordinances which render the operation of its plant, as is claimed by them, impossible, but is willing to surrender its present location if the city will reimburse the company for a part of the actual expenditure in the erection of the plant on the site approved, as we are informed, by the Board of Health. The amount claimed is about \$6,000. We are advised that the company has a cause of action for these damages and that the amount of any recovery will ultimately come from the City Treasury. Nevertheless we are not disposed to recommend at this time the payment of this amount but prefer to wait until we can be assured that the new location which may be selected by the company will not be objectionable. We are informed that if the sum above named is paid that the company will locate at such place as will be satisfactory to this committee.

We therefore feel that the committee should be continued until such time as the company has located its plant, when a further report

will be submitted for the action of this Council.

Respectfully submitted,
ALVIN H. DEWEY,
JOHN F. FOX,
M. J. CALIHAN,
J. MILLER KELLY,

Committee.

Ordered received, filed and published.

Ald. Adams moved that the committee be granted further time to act. Carried.

By Ald. McMillan—

To the Honorable, the Members of the Common Council of the City of Rochester:

Gentlemen:—Your special committee on Central Police Station would respectfully report: That pursuant to advertisement for proposals for putting in an electric elevator in the new building and encasing the elevator well with wire and scroll work, the following proposals were received:

FOR ELEVATOR.

L. S. Graves & Co. \$2,300 00
(Guide posts of iron)

Otis Bros. & Co. 3,230 00

FOR WIRE AND SCROLL WORK.

Snow Wire Works \$ 306 50

J. E. Bolles & Co. 320 00

James Collins 355 80

S. E. White & Co. 444 00

And would recommend that the contract for the elevator be awarded to the L. S. Graves Elevator Co., for the amount of their bid, viz: \$2,300; they to give proper guaranties for the successful working of the same. And that the contract for the wire and scroll work be awarded to the Snow Wire Works, they being the lowest bidders.

All of which is respectfully submitted.

THOMAS McMILLAN,
M. B. ADAMS,
M. J. CALIHAN,
ALVIN H. DEWEY,
W. H. TRACY,
JOHN F. FOX,
J. MILLER KELLY,
HENRY G. COOK,

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the mayor be requested to enter into contract, to be approved as to form by the City Attorney, on behalf of the city, with the L. S. Graves Elevator Co., for putting an electric elevator in the new police building for the sum of \$2,300, said Graves Elevator Co., to give proper guaranties for the successful working of the same.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Simmelink, Lewis, Harris—18.

By Ald. McMillan—Resolved, That the mayor be requested to enter into contract, to be approved as to form by the City Attorney, on behalf of the city, with the Snow Wire Works Co., for placing wire and scroll work around elevator well in the new police building, for the amount of their bid, viz: \$306, said work to be done according to plans and specifications made by H. W. Pierce, architect.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Simmelink, Lewis, Harris—18.

By the Clerk—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Excise Commissioners would respectfully report, that they have granted fifty-seven licenses for the month of December, 1894:

Received therefor	\$7,035 00
Deposited with City Treasurer.	7,026 00

The commissioners would report that on June 9, 1894, the cash receipts was short \$9, said shortage cannot be discovered and an overdraft for that amount has been drawn on the bank monthly to date in order to settle the matter and have the bank account agree with the deposit. We have deducted the sum of \$9 from December receipts.

To the Honorable, the Common Council:

Gentlemen:—I would respectfully call your attention to the condition of the Contingent, City Property and Highway Funds. In order

to pay any further orders from these funds it will be necessary to negotiate the city's notes for that purpose. Kindly take some action in regard to same and oblige,

Yours respectfully,

S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published.

CITY TREASURER'S OFFICE, }
ROCHESTER, N. Y., Jan. 8, 1895. }

Ald. McMillan:

Dear Sir:—I enclose herewith a certification of the cost of Court street race bridge.

The estimate for same was \$15,000. The amount of orders issued by the Executive Board is \$14,548.37, in addition to which I have paid from the treasury funds \$1,500 to Harris & Harris, attorneys, for William L. Mercer, as per resolution of Common Council, August 30, 1894, making a total of \$16,048.37. Referring to pages 120 and 133 of the current proceedings it would seem as if there was a possibility of additional charges to pay.

Mr. Rodenbeck suggested that I call your attention to the facts.

Yours respectfully,

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published and upon motion of Ald. McMillan referred to Finance Committee.

CITY TREASURER'S OFFICE, }
ROCHESTER, N. Y., Jan. 8, 1894. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I hereby certify that the Executive Board have notified me that the works or improvement authorized under ordinance hereinafter mentioned has been completed; that I have, pursuant to the provisions of the charter, ascertained the entire and aggregate expense of, and connected with the same, including any interest that the city shall incur, or is entitled to, for the use of its funds, and that the amount thereof is as follows:

Ord. No.	Improvement.	Expense.
5,266.	Court street race bridge....	\$17,974 17

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

LOCAL IMPROVEMENT ASSESSMENTS.

By Ald. Ashton—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvement, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expense of such improvement, adjusted by this Common Council as thus reported, and the portions or parts of the city on which the said expense is hereby directed to be assessed and which this Common Council deems to be benefited by the improvement are as stated and described in the final ordinance relative to the improvement, respectively, and that the name and expense of the improvements thus to be assessed are as follows, viz:

Ord. No.	Improvement.	Expense.
5,266.	Court street race bridge....	\$17,974 17

And it is further determined that the taxpayers to be assessed for making the foregoing improvement may pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll; and the remaining one-third

within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed at the rate of six per cent. per annum.

And the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of the city above designated and directed to be assessed, of the amounts of expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements, shall be deemed to receive by the making of the respective improvements.

Adopted by the following vote:

Ayes—Ald. Tracy, Caliban, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Simmelink, Lewis, Harris—18.

ACTION UPON ORDINANCES.

FIRST ORDINANCE.

BERNARD STREET PIPE SEWER.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Bernard street.

The Surveyor submitted as such estimate, \$600.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, to wit:

The construction of a vitrified pipe sewer, 12 inches in diameter, in Bernard street, from a point fifteen feet east of Maria street to the sewer in Thomas street. Also the necessary manholes, surface sewers, lot laterals and branches.

And, The City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$600, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Bernard street, from Maria street to Thomas street.

Adopted.

By Ald. Ward—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at his or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at his next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., in the Common Council chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Times notice thereof as is required and in the manner specified by section 172 of the city charter.

CITY CLERK'S OFFICE, }
ROCHESTER, N. Y., Jan. 8, 1895. }

Gentlemen: Agreeably to your directions

heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Times, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expenses thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements, respectively, to attend the Common Council on Tuesday evening, January 8, 1895, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,
HERNY W. GREGG, City Clerk.

FINAL ORDINANCE NO. 5,635.

WILKIN AVENUE PIPE SEWER.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a pipe sewer in Wilkin avenue, from a point 100 feet east of St. Joseph street to a point 100 feet west of Hudson avenue.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a vitrified pipe sewer of suitable form and dimensions in Wilkin avenue, from a point 100 feet east of St. Joseph street to the Thomas street outlet sewer, and from a point 100 feet west of Hudson avenue to said outlet sewer. Also the necessary manholes, surface sewers, lot laterals and branches.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$4,050, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Wilkin avenue, from St. Joseph street to Hudson avenue.

REPORTS OF STANDING COMMITTEES.

By Ald. McMillan—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Finance Committee begs leave to recommend that the sum of \$622.58 be transferred from the Boulevard Fund to the Park Maintenance Fund, said amount representing the sum paid from the Maintenance Fund for surveying and preliminary work on boulevards.

In the matter of the communication of the Executive Board and the City Treasurer relative to the construction of the bridge over the Carroll and Fitzhugh race, we beg leave to say that the expense of the construction of this bridge exceeds the estimate thereof in the sum of \$2,392.37, and we recommend that an ordinance be prepared by the City Surveyor to cover this amount in accordance with the provisions of the city charter.

T. McMILLAN,
M. B. ADAMS,
ALVIN H. DEWEY,
H. G. COOK.

Finance Committee.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be directed to transfer the sum of \$622.58 from the Boulevard Fund to the Park Maintenance Fund, said sum representing the amount paid from the Maintenance Fund for surveying and preliminary work on boulevards.

Adopted.

By Ald. McMillan—Resolved, That the City Surveyor be directed to prepare an ordinance in accordance with Section 214 of the city charter to cover the deficiency arising from the construction of the bridge over the Carroll and Fitzhugh race.

Adopted.

Ald. Edelman, on behalf of the Committee on Streets and Sewers, reported in favor of amending the ordinance for Ravine avenue extension and introduced the following resolution.

By Ald. Edelman—Resolved, That the City Surveyor be instructed to amend the ordinance for Ravine avenue extension so that the extended street, west of Deep Hollow Creek will be a direct continuation of the present street.

Adopted, and ordinance as amended laid on the table for two weeks.

By Ald. Ashton—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Assessment Committee would respectfully report as follows:

In the matter of the petition of the heirs of James Farley for a rebate of taxes on their premises known as lot No. 50 of the John Williams tract on the west side of Kent street, your committee find that the premises in question should not be assessed at the present time to exceed the sum of \$400. The Assessors report that they have carefully examined these premises and that this property for the year 1895 should not be assessed at a greater sum than \$400. These premises have undoubtedly been assessed at too great a sum and they have not been actually worth the amount for which they have been assessed during the past ten years. It appears that the taxes have not been paid from the year 1883, and there is now due on said premises a large amount of unpaid taxes. In view of the fact that it is apparent that said premises have been over-assessed and that at the present time the said premises will not much exceed in value the taxes standing against the same with the penalties and interest added, your committee have concluded, after a conference with the Assessors, to recommend in order to effect a settlement of this claim that the Treasurer be authorized to receive from the estate of James Farley taxes upon said premises to be computed upon the sum of \$600 as a basis of assessment from and including the year 1893 to the present time with fees and expense of sale, and all fees and expenses the same as though the present taxes were paid without rebate excepting that they be allowed to pay said taxes upon the basis of an assessed valuation of \$600, and redeem said premises from the several sales thereof in all cases where the premises were sold to the city of Rochester, with six per cent. interest, from the date of sale.

J. H. ASHTON,
H. G. COOK,
RICHARD J. DECKER,
JOHN F. FOX.

Assessment Committee.

By Ald. Ashton—Resolved, That the Treasurer be and he is hereby directed to receive from the heirs of James Farley, provided the same be paid within 60 days from the passage of this resolution, two-thirds of the face of the unpaid taxes and the whole of the assessments now unpaid against lot number 50 of the John Williams tract on the west side of Kent street, with interest upon said two-thirds of the face of said unpaid taxes and with the fees allowed by the charter, upon the whole of the said assessments down to the time of the sale of said premises, with interest at 6 per cent. and fees added upon two-thirds of the whole of the face of said back taxes and the whole of said assessments aforesaid, besides the expense of printing and the service of notices of redemption in all cases only where said premises have been sold to the city of Rochester, and that upon payment of said sums said heirs of James Farley be permitted to redeem said premises, and the Treasurer is hereby directed to charge the amount of expenses of sale and other expenses and excess of interest and the remaining one-third of said taxes to erroneous assessments. In the case of the general city taxes for 1894 said Treasurer to receive two-thirds of the face of the tax plus interest on the same from August 1st, 1894, at 6 per cent.

By Ald. Cook—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned, the Poor Committee, would respectfully report, that they have decided to award a contract for stone and use of ground to break the same by men to be employed by the Overseer of the Poor to William Fuller; such stone to cost 32 cents per cubic yard for every yard macadamized, and the lease of the ground to run until September 1, 1895, the ground to be used for macadamizing stone and storing the macadamized stone, and we recommend that the Poor Committee be authorized to enter into a contract with Mr. Fuller in accordance with the foregoing resolution.

It has been necessary for the Overseer of the Poor to employ a number of additional investigators, and we recommend the adoption of the accompanying resolution, which provides for the employment and ratifies the employment of the persons therein named.

All of which is respectfully submitted,

HENRY G. COOK,
T. McMILLAN,
M. B. ADAMS,
MERTON E. LEWIS.

Poor Committee.

By Ald. Cook—Resolved, That the Committee on the Support and Relief of the Poor be and they hereby are authorized to enter into a contract with William Fuller for the use of sufficient ground to macadamize stone under the direction of the Overseer of the Poor; such lease to run to September 1, 1895, and to provide that said Fuller at all times furnish sufficient stone to keep such men employed as the Overseer of the Poor may designate, and to furnish sufficient room for the macadamizing of such stone and the storing of such stone after the same are macadamized, in consideration of which said contract shall provide that said Fuller shall receive for all stone furnished by him and so macadamized by such persons as the Overseer of the Poor may set to work, the sum of thirty-two cents (32) per cubic yard, which sum shall include the use of said premises aforesaid.

Adopted by the following vote:
Ayes—Alds. McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—17.

By Ald. Cook—Resolved, That the appointment by the Overseer of the Poor of C. W. Beckwith, made December 27th, 1894, Edward Kinsella, made December 29th, 1894, and of James E. Langdon, January 7, 1895, and of Newell C. Fulton, January 16, 1895, as additional assistant investigators, whose appointments were necessitated by reason of the increase of investigation in the office of the Overseer of the Poor, be and the same hereby are ratified and confirmed and that their salaries shall date from the time of their respective appointments at the following rates per month:

C. W. Beckwith	\$60 00
Edward Kinsella	40 00
James E. Langdon	40 00
Newell C. Fulton	65 00

and that the salary of Robert Stone, whose appointment as an additional investigator was ratified and confirmed at a previous meeting of this Common Council, be fixed at \$40.00 per month from the date of his appointment, November 23d, 1894.

Adopted by the following vote:
Ayes—Alds. McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—17.

Ald. Ashton, from the City Property Committee; Ald. Cook, from the Poor Committee; Ald. Dewey, from the Lamp Committee, and Ald. Pauckner, from the Contingent Expense Committee, reported favorably on bills referred to their respective committees, which bills were thereupon referred to the Finance Committee and City Auditor.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—Notice of the claim of Micaiah W. Jackson against the city for damages from sewage pollution through Hobbic Creek. Referred to the Law Committee.

ACTION UPON ORDINANCES.

FIRST ORDINANCES.

HARVARD STREET EXTENSION.

By Ald. Dewey—Resolved, That the following improvement is necessary and should be made, and we hereby judge that the public good requires the same to be done, viz.:

The extension of Harvard street from Oxford street to Culver street and the land to be taken for said extension is a strip fifty feet in width, of which the following described line is the northerly boundary:

Beginning at a point in the east line of Oxford street at northwest corner of lot No. 109 of Hooker's subdivision, recorded with Monroe county deeds, book 5, page 96, of maps, thence easterly along the north line of said lot 109 and along the north line of lot 114 of same subdivision to the west line of Rutger street, thence easterly across Rutger street to the northwest corner of lot 14 of the M. A. Culver tract, thence easterly along the north line of said lot 14 to the northeast corner thereof, thence easterly in a straight line to a point in the west line of Brown street located 36.3 feet north, measured on said west line, from the north line of original town lot No. 44, thence still easterly in a straight line to a point which is 217.4 feet distant northerly and at right angles from the front angle of the Erie canal, thence easterly in a straight line parallel to said front angle of the Erie canal to the west side of Culver street.

Resolved, further, that the whole expense of such improvement is hereby directed to be

assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

All the lots and parcels of land included within and described by the following boundary lines: Beginning at the intersection of South Goodman and Harvard streets, thence easterly along Harvard street, including one tier of lots and parcels of land on the north side thereof to Oxford street, thence northerly along Oxford street, including one tier of lots and parcels of land on the west side thereof to Brighton avenue, thence easterly across Oxford street to and along the north line of lot No. 103 of H. E. Hooker's subdivision to the rear line of the lots on Oxford street, thence northerly along said rear line to the north line of lot No. 124 of said subdivision, thence easterly along said north line of said lot to Rutger street, thence northeasterly across Rutger street to Thayer street, thence still easterly along Thayer street, excluding lots 1, 2 and 3 on the east side of Rutger street and one tier of lots on the south side of Thayer street, to Bowen street, thence southerly along Bowen street to the proposed extension of Sibley street as defined by Ordinance No. 4,892, thence easterly along said proposed extension and along Sibley street, excluding one tier of lots not exceeding 150 feet in depth, to South Culver street, thence southerly along South Culver street to the northern boundary line of the Erie canal lands, thence westerly along said northern boundary line to Bowen street, thence still westerly along Bowen street, excluding one tier of lots on the northerly side thereof for a depth not exceeding 150 feet, to Monroe avenue, thence northwesterly along Monroe avenue, excluding one tier of lots for a depth not exceeding 150 feet, to Oxford street, thence northerly along Oxford street, excluding one tier of lots on the east side thereof, to the north line of the Nichols park tract, thence still northerly, including one tier of lots and parcels of land on the west side thereof, to Harvard street, thence westerly along Harvard street, including one tier of lots and parcels of land on the south side thereof, to the place of beginning.

Adopted.

ADAMS STREET SWEEPING AND CLEANING.

By Ald. Ward—Resolved, that the City Surveyor ascertain and report to this Council the expense of sweeping and cleaning Adams street.

City Clerk's Office,
Rochester, N. Y., Jan. 22, 1895.

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by order, resolution or ordinance or amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectfully specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter all such improvements respectively, to attend the Common Council on Tuesday evening January 22, 1895, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,
HENRY W. GREGG, City Clerk.

FINAL ORDINANCE NO. 5,636.

BERNARD STREET PIPE SEWER.

On motion of Ald. Edelman, the Common Council proceeded to bear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a pipe sewer in Bernard street from 15 feet east of Maria street to the sewer in Thomas street.

And after hearing such allegations from all persons appearing.

The Common Council of the city of Rochester do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a vitrified pipe sewer, 12 inches in diameter, in Bernard street, from a point fifteen feet east of Maria street to the sewer in Thomas street. Also, the necessary manholes, surface sewers, lot laterals and branches.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$600, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Bernard street, from Maria street to Thomas street.

Adopted by the following vote:
Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—17.

EXECUTIVE BUSINESS

By the Clerk—

Mayor's Office,
Rochester, N. Y., Jan. 22, 1895.

To the Common Council:

Gentlemen: I herewith tender to you my resignation as mayor of the city of Rochester.

While this action on my part, no doubt, has been anticipated by you and the public, and while, furthermore, the reason which actuates me is too well known to require any words of explanation, I do not feel that I can sever my official relations with the city without expressing to you, and through you to the citizens of Rochester who have so greatly honored me in the past, something of the sense of gratefulness which I feel because of those honors.

Nearly all the years of my life, since I attained by majority, have been spent in the service of the city. Pleasant years they have been to me, and profitable ones so far as experience goes; successful years they have been to our city for in them she has doubled in population and beautified herself many fold by providing parks, parkways and boulevards and improving both her resident and business streets. She has increased her attractiveness as a city of homes by procuring an adequate supply of water as pure as that of which any other city in the United States can boast, and has rendered her sanitary condition well nigh perfect through the adoption of a model system of sewerage. She has rendered life and property more secure by the establishment and equipment of fire and police departments that are second to none both as to efficiency and department. In my official capacity I have had to do with many if not all the improvements enumerated. It is not that I have been criticised in connection with any of these that I refer to them now, but because this is the first opportunity I have had to say, that I believe even those of our citizens who are wont to be critical would be loth to do away with any of these improvements and would be compelled to admit that, in the main, the millions of dollars that have been expended to secure these improvements, have been expended judiciously; in other words, that the city has in every instance received a fair equivalent for her money.

It is with a feeling something akin to regret that I lay down the pleasurable duties of the mayor's office to take upon myself the exacting burden of the position I am to assume, and I cannot do so without making acknowledgement, which I now do, of the uniform courtesy and wise counsel I have received from the members of your honorable body and from the other officials of the city with whom I have been so intimately associated, not alone during my term as mayor, but during my long connection with the executive board.

A consideration, without which the regret would be more keen, is that I am to refrain my home among you and therefore, though no longer serving the city in an official capacity I shall continue my interest in all that makes for her welfare.

Respeaking for the city a wise executive in the one who is to succeed me, under the charter provision, and predicting for him

the same kindly consideration on your part that I have ever enjoyed, I remain,
Most sincerely yours,

GEO. W. ALDRIDGE, Mayor.

Ordered received, filed and published, and on motion of Ald. McMillan the resignation was accepted.

By Ald. McMillan—Whereas, Hon. George W. Aldridge, mayor of this city, has been selected by Governor Morton to fill the important position of Superintendent of Public Works, and,

Whereas, Mr. Aldridge has deemed it advisable, in order that he may devote his undivided attention to the duties of the superintendency, to resign the office of mayor,

Resolved, That in accepting the resignation this common council desires to emphasize its appreciation of the high honor conferred upon the city of Rochester by the selection of its chief magistrate to fill so responsible an office; likewise to record its emphatic approval of Governor Morton's choice of a superintendent of public works; at the same time to give expression to the regret which is felt by this board at the severance of the pleasant official relations that have always existed between this body and Mr. Aldridge, whose advice and counsel have been of so much value to this council, and whose public services as mayor and member of the executive board have contributed so much to the efficiency of the public service and to the advancement and prosperity of our city. We congratulate Governor Morton and the people of the state upon securing the services of such a competent, progressive and public spirited man to preside over the department of public works. We extend congratulations to our worthy retiring mayor upon his preferment and our earnest good wishes for the success of his administration and a continuation of his honorable and useful public career.

Adopted.

By the Clerk—

To the Common Council:

CITY TREASURER'S OFFICE, }
 ROCHESTER, N. Y., Jan. 22, 1895. }

To the Common Council:

Gentlemen:—Upon my books I have to the credit of the Park Fund (now defunct) the sum of \$58.17. As no orders have been issued against this account since December 4, 1893, I would respectfully recommend that you cancel such account by placing \$58.17 to credit of some live fund.

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be and he hereby is directed

to close the account now on his books known as Park Fund by placing to credit of Contingent Fund the amount shown as credit balance of Park Fund viz., \$58.17.

Adopted.

By Ald. McMillan—Whereas, A topographical survey of the State of New York will be of great value to all, and will be of especial value and, in fact, a necessity for the proper consideration of some of the most important problems which present themselves to this community, as the protection of our water supply, improving the sanitary condition, protecting the city from possible disastrous floods and developing the unusual natural advantages of this part of the state, and

Whereas, The State Engineer and Surveyor has asked for the necessary appropriation to continue the survey which has been in progress at the joint expense of the United States and the State of New York,

Resolved, That this Common Council urges the Legislature to make the necessary appropriations so that the maps may be made available at the earliest possible time, and

Resolved, That provision be made to have the original sheets of that part of Genesee Valley not already completed made upon a scale of one twenty-thousandth, so that when completed it will serve the purpose for which such a survey is required.

Resolved, That the Clerk be instructed to send copies of these resolutions to the State Engineer and Surveyor and to the Senator and Assemblyman from this district.

Adopted.

CITY TREASURER'S OFFICE, }
 ROCHESTER, N. Y., Jan. 22, 1895 }

To the Common Council:

Gentlemen:—I beg leave to report that on the 19th instant I received from Mr. Z. F. Westervelt, Superintendent of the Western New York Deaf Mute Institution a cheque for \$570, being the amount of interest due on the \$19,000 mortgage against their property and held by the city. Shall I credit this amount to the Sinking Fund of the city?

Kindly direct the disposition of same and oblige
 Yours respectfully,

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

Ald. McMillan moved that the amount of interest be credited to Police Building Fund.

Adopted.

By Ald. McMillan—Resolved, That the City Treasurer assign and transfer the tax certificate for land assessed to Mary O'Neil sold to the city for the General City Tax of 1891, to Thomas C. Montgomery on his payment of the amount due thereon to the City Treasurer.

Adopted.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to issue as necessary the city's notes for the sum of fifty thousand dollars (\$50,000) under authority of Section 81 of the city charter; said notes to be issued under the direction of the Finance Committee of the Common Council and to be counter-signed by the chairman of the Finance Committee; the proceeds to be credited to Contingent Fund and the interest or discount thereon to be charged to Contingent Fund.

CITY TREASURER'S OFFICE,
 ROCHESTER, N. Y., Jan. 22, 1895.

To the Common Council:

Gentlemen:—I hereby certify that the Executive Board have notified me that the works or improvements authorized under ordinances hereinafter mentioned have been completed; that I have, pursuant to the provisions of the charter, ascertained the entire and aggregate expense of, and connected with the same respectively, including any interest that the city shall incur, or is entitled to for the use of its funds, and that the respective amounts thereof are as follows:

Ord. No.	Improvement.	Expense.
5,259.	Lawton street gravel improvement	\$1,273 28

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the resolution regarding Lawton street gravel improvement, adopted at the meeting of December 21, 1894, be and the same is hereby reconsidered.

Adopted.

LOCAL IMPROVEMENT ASSESSMENTS.

By Ald. Ashton—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvement including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefited by the improvement, respectively, and that the name and expense of the improvement thus to be assessed as follows, viz.:

Ord. No.	Improvement.	Expense.
5,259.	Lawton street gravel improvement	\$1,273 28

And it is further determined that the taxpayers to be assessed for making the foregoing improvements must pay their assessments within thirty days from the first publication of the advertisement of the notice of the assessment rolls by the City Treasurer.

And the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of such assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of land within the portions or parts of the city above designated and directed to be assessed, of the amounts and expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements, shall be deemed to receive by the making of the respective improvements.

Adopted by the following vote:
 Ayes—Alds. Tracy, McMillan, Green Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmellink, Lewis, Harris—17.

By Ald. McMillan—Resolved, That the Clerk be and he hereby is directed to draw an order on the Treasurer in favor of Stallman Bros. for \$2,000 for carpenter work and masonry on the new police station as per annexed bill, payable from the Rochester Police Building Fund.

Adopted by the following vote:
 Ayes—Alds. Tracy, McMillan, Green Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmellink, Lewis, Harris—17.

Adopted.
Also, petition of G. F. Kitts with reference to an erroneous assessment. Referred to Assessment Committee.

By Ald. Harris—Whereas, In the matter of opening a street from Reynolds street to Jefferson avenue, an award was made to Michael J. Costello, of \$150, for the premises described in the report of the Commissioners of Appraisal in that proceeding, and

Whereas, Such award covered a subdivision of lots 19 and 20, consisting of six lots and Costello park, and

Whereas, Hollister Lumber Company, Limited, has acquired title to lot 18 of said subdivision through foreclosure proceedings and is equitably entitled to a proportionate share of such award subject to the assessment against said lot for said street opening, now, therefore,

Resolved, That upon the certificate of the City Attorney, that all liens and incumbrances against said lot 18, have been released and discharged, that the Clerk draw an order on the City Treasurer payable from the fund for the opening of the street from Reynolds street to Jefferson avenue under final ordinance No. 4,796 for \$20.48 to be applied upon the assessment against said lot 18 for the opening of said street.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—16.

On motion of Ald: Cook the Board then adjourned.

HENRY W. GREGG, City Clerk.

In Common Council, January 29, 1895.

REPORTS OF STANDING COMMITTEES.

By Ald. McMillan—

Rochester, N. Y., Jan. 29, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Finance Committee, to which was referred the claim of Charles W. Hartung for services in the construction of lot laterals in connection with the sewer on Council avenue, respectfully reports as follows:

Your committee has given a hearing to Mr. Hartung, and to the various property owners from which hearing it appears by almost the unanimous testimony of all concerned, that the contractor before putting in the laterals agreed with the owners of the lands, that he would construct such laterals for five dollars each, complete. He afterward claimed that by reason of the rock it was worth a larger sum to do the work, but from the note book of the inspector it appears that there was no rock on the street, and that Mr. Hartung was not put to any extra expense on that account. Your committee has, therefore, unanimously concluded that inasmuch as Mr. Hartung agreed to do the work for five dollars each lateral, he should be held to his contract, and that his claim

for additional compensation should be denied. All of which is respectfully submitted.

T. McMILLAN,
M. B. ADAMS,
ALVIN H. DEWEY,
H. G. COOK.

Finance Committee.

Ordered received, filed and published.
By Ald. McMillan—Resolved, That the claim of Charles W. Hartung for \$2.50 for each lateral on Council avenue, in excess of what has already been paid him, be and the same is hereby denied.
Adopted.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

CITY AUDITOR'S OFFICE, }
ROCHESTER, N. Y., Jan. 18, 1895. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I herewith beg to report claims, demands, etc., against the several Common Council funds presented to me for audit and so audited and passed upon during the month of December last, detailed statement accompanying and summarized as follows:

	Amount	Approved.	Claimed.
Contingent Fund	\$ 9,254	82	
Health Fund	3,178	35	
Lamp Fund	15,109	14	
City Property Fund.....	377	26	\$ 377 56
Police Fund	490	42	
Poor Fund	3,297	16	
	\$31,707	15	

Claims for \$2.35 and \$10.40 in Contingent Fund were wholly disapproved by reason of having been previously paid.

Respectfully submitted,

A. S. MANN, Auditor.

Ordered received, filed and published.

By the Clerk—

CITY SURVEYOR'S OFFICE, }
ROCHESTER, N. Y., Jan. 29, 1895. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I deem it my duty to recommend that a committee be appointed from the Common Council to further the interests of the municipal corporation in the proposed legislation for water storage in the Genesee valley.

Very respectfully yours,

J. Y. McCLINTOCK,
City Surveyor.

Ordered received, filed and published and on motion of Ald. McMillan referred to the Finance Committee.

By the Clerk—

CITY TREASURER'S OFFICE, }
ROCHESTER, N. Y., Jan. 29, 1895. }

To the Common Council:

Gentlemen:—I would respectfully report that the interest due and payable February 1st on the city's bonded debt is \$50,537.50.

In order to pay the same, together with the budget to be passed by your honorable body this evening, will require an addition of \$40,000 to the amount now to the credit of the General Fund, which is \$106,592.87.

I would therefore ask that the necessary authority be given me to issue the city's note for the sum named.

Respectfully submitted,

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

By the Clerk—

Rochester, N. Y., Jan. 29, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—At a meeting of the Board of Health of the city of Rochester, held January 24, 1895, the following resolution was passed:

By Commissioner Moore—Resolved, That the Common Council be respectfully requested to instruct the City Surveyor to prepare maps showing the dead ends of water mains, character and depth of sewers, the drainage area,

pavements, etc., for the use of the health department.

A true copy from the minutes.

GEORGE BELKNAP, Clerk.

Ordered received, filed and published, and on motion of Ald. Dewey referred to the Surveyor with instructions to compile the desired information.

Ald. Dewey moved that the rule relating to smoking during the sessions of the board be suspended.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Ashtone Dewey, Cook, Pauckner, Kelly, Simmelink, Lewis, Harris, Decker—16.

By Ald. McMillan—

Rochester, N. Y., Jan. 24, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I hereby tender my resignation as Commissioner of Deeds in the city of Rochester, same to take effect at once.

Yours very truly,

HENRY B. AUSTIN.

Ordered received, filed and published, and on motion of Ald. McMillan the resignation was accepted.

By the Clerk—

Respectfully yours,

THEO. S. PULVER, City Clerk.

Ordered received, filed and published.

Allegations were called for upon each of the above rolls separately, and after hearing same from all persons appearing, Ald. Ashton presented the following.

By Ald. Ashton—Resolved, That each and every of the foregoing assessment rolls be, and the same hereby is, in all things confirmed.

Adopted by the following vote:

Ayes—Ald. McMillan, Green, Rauber, Adams, Edelman, Fox, Ashton, Dewey, Cook, Pauckner, Simmelink, Lewis, Harris—13.

MISCELLANEOUS BUSINESS.

By Ald. McMillan—Applications of J. M. Brown and Miles T. O'Reilly for appointment as Commissioners of Deeds. Referred to Law Committee.

By Ald. McMillan—Whereas, It is the opinion of engineers and other scientific men that in order to properly develop the natural resources of the state of New York and especially the Genesee valley it is of the utmost importance to have records of meteorological phenomena preserved, and also a record of flow of water in the larger streams.

Resolved, That this Common Council of the city of Rochester earnestly recommends to the legislature to continue the state weather bureau and to increase its value by providing for its preserving a record of flow of the important streams in the state.

Adopted.

By the Clerk—

CITY TREASURER'S OFFICE, }
ROCHESTER, N. Y., Jan. 29, 1895. }

To the Common Council:

Gentlemen:—I hereby certify that the Executive Board have notified me that the works or improvements authorized under ordinances hereinafter mentioned have been completed; that I have, pursuant to the provisions of the charter, ascertained the entire and aggregate expense of, and connected with the same respectively, including

any interest that the city shall incur, or is entitled to it for the use of its funds, and that the respective amounts thereof are as follows:

Ordinance and improvement. Expense.
No. 5,494. East avenue care, repair
and sprinkling\$2,340 00

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Whereas, The City Treasurer did on December 21, 1894, certify to this Council that the expense of East avenue care, repair and sprinkling, ordinance No. 5,494, was \$2,620.80, and

Whereas, Said amount included an item of \$280.80 as interest, which should not be included in said assessment; therefore, be it

Resolved, That the action of this Council December 21, 1894, in regard to said assessment, be and it hereby is, reconsidered.

Adopted.

By Ald. McMillan—Resolved, That the action of this Common Council on December 21, 1894, ordering an assessment for the East avenue care, repair and sprinkling, ordinance No. 5,494, be and the same hereby is indefinitely postponed.

Adopted.

LOCAL IMPROVEMENT ASSESSMENT.

By Ald. Ashton—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvement including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvement adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefited by the improvement, and that the name and expense of the improvement thus to be assessed are as follows, viz:

Ord. No. Improvement. Expense.
5,494. East avenue care, repair and
sprinkling\$2,340 00

And it is further determined that the taxpayers to be assessed for making the foregoing improvement must pay their assessments within thirty days from the first publication of the advertisement of the notice of the assessment rolls by the City Treasurer.

And the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of such assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of land within the portions or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvement, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvement, shall be deemed to receive by the making of the respective improvement.

Adopted by the following vote:

Ayes—Ald. McMillan, Green, Rauber, Adams, Edelman, Fox, Pauckner, Ashton, Dewey, Cook, Simmelink, Lewis, Harris, Decker—14.

By Ald. McMillan—Resolved, That the member of congress from this district be and he hereby is requested to procure bound copies of the eleventh census for the City Surveyor's office.

Adopted.

By Ald. McMillan—Whereas, On account of the resignation of Hon. George W. Aldridge, mayor of this city, it is incumbent upon the president of this Common Council to act

as mayor, under section 62 of the revised city charter, which reads as follows: "In case of the absence or inability of the mayor to act as such, or in case his office shall become vacant by death, resignation, or otherwise, the president of the Common Council shall possess all the powers and perform all the duties of mayor during such absence or inability or during the remainder of his term of office in case of a vacancy therein;" and,

Whereas, It is manifestly unjust to require a person to perform the duties of so responsible a position, demanding practically his whole time without other compensation than that received by an alderman; therefore,

Resolved, That the City Attorney be, and hereby is, requested to give an opinion to this council as to whether there is any provision of the revised charter which would prohibit the city from paying the acting mayor a salary.

Adopted.

By Ald. Rauber—Resolved, That the City Surveyor be instructed to prepare an ordinance for a brick pavement and tile sewer on Mortimer street; also for a ten foot cement walk on each side of Mortimer street from St. Paul street to Clinton street.

Adopted.

By Ald. Ashton—Resolved, That the Executive Board be instructed to postpone the construction of the Flour City park pipe sewer until April 1, 1895.

Adopted.

By Ald. Dewey—Resolved, That the use of the City Hall be granted to the A. M. E. Zion Sunday-school, for the purpose of holding a lecture, on the evening of March 28, 1895.

Adopted.

By Ald. Dewey—

Rochester, N. Y., January 29, 1895.

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., Feb. 5, 1895. }

To the Common Council:

Gentlemen: In accordance with your resolution authorizing the Executive Board to negotiate for the land necessary for the widening of Bertha place, the Board invited the owner of the land to call at the office and state what price would be accepted for the land. The owner of the property proposed to be taken appeared and gave a price which, in the opinion of the Executive Board, may be above its market value, and it is, therefore, deemed expedient to suggest that the City Attorney be authorized to commence the usual condemnation proceedings.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Harris—

Whereas, No agreement for the purchase of lands necessary to be taken for the widening of Bertha place, in the city of Rochester, under final ordinance, No. 5,623, can be made, therefore,

Resolved, That a copy of said ordinance, and of this resolution, together with a map of the street, be made and filed in the office of the City Clerk and of the County Clerk,

which map shall show thereon the lots, tracts, and parcels of land which are deemed necessary to be taken, and the commencement, course and termination of said widening, according to the provisions of section 174 of the revised city charter, and that the City Attorney be, and he is hereby, instructed to take and institute such proceedings, from time to time, as may be necessary as is provided by the city charter.

Adopted.

By the Clerk—

Rochester, N. Y., Feb. 5, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Having nearly completed a new voting machine as far as is necessary to show the working and the principle of it, I am prepared to show your committee the same, and to furnish for next fall election all the voting machines you may use, at the price of three hundred and seventy-five dollars (\$375) each.

The machine embodies many new features, to wit: three (3) voters can use the machine at a time, and secretly, voting from a printed chart, which is a tally on the machine so no mistakes may be made. The machine is simple in construction, light, not over 350 pounds, durable as all the working parts are made of bronze metal, does not occupy much room in using or storage, and when the button is pushed the counter is locked against repetition. The result of election can be known in ten minutes or less after the election is over.

Truly yours, etc.,

M. S. OTIS.

W. H. TRACY,

Law Committee.

Ordered received, filed and published.

By Ald. Callihan—

To the Honorable, the Common Council of the City of Rochester.

Gentlemen:—Your City Property Committee respectfully reports that the necessity has arisen for the employment of engineers at the new police building, in order that the steam heating apparatus now being put into the building may be properly tested and inspected by competent men, while the work is in progress. The fact that the building will be practically opened day and night, requir-

ing the use of the elevator day and night will make it necessary to have some one constantly in attendance in looking after the steam heating and elevator apparatus and appliances.

Under the provisions of the statute of this state, recently adopted, the city is prohibited from requiring more than eight hours service of any mechanic, laborer or workman. The City Attorney advises your committee that this statute applies to the position of engineer at the police station, and your committee has, therefore, decided to recommend the appointment of three engineers as follows: Edgar E. Pruyne, George W. Wright and Charles K. Bryant, at a monthly compensation of \$65 each. Employees to hold office during the pleasure of the committee.

All of which is respectfully submitted,

M. J. CALIHAN,
JOHN H. ASHTON,
MAHLON B. ADAMS,
A. H. DEWEY,

City Property Committee.

Ordered received, filed and published.

By Ald. Calihan—Resolved, That Edgar E. Pruyne, George W. Wright and Charles K. Bryant be, and they are hereby, employed as engineers at the new police station, at a monthly compensation of \$65 each. Said employes to hold during the pleasure of the City Property Committee.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—18.
Ald. Calihan of the City Property Committee, Ald. Adams of the Poor Committee, Ald. Dewey of the Lamp Committee, Ald. Pauckner of the Contingent Expense Committee and Ald. Aikenhead of the Police Committee, reported favorably upon bills referred to their respective committees, which bills were thereupon duly referred to the Auditor and Finance Committee.

REPORTS OF SELECT COMMITTEES.

By Ald. Kelly—

Rochester, N. Y., Feb. 5, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your special committee appointed to confer with the West Side sewer commissioners and property owners for the purpose of adjusting the difficulties in connection with the construction of the West Side sewer and reporting a bill to the council for presentation to the legislature, if found necessary, beg leave to say that your committee held a meeting in the city clerk's office this afternoon, which all the members of your committee attended and at which there was represented Mr. Barry, who is interested in property to be taken, and the West Side sewer commissioners, its contractors and engineers.

Your committee, after discussion and consultation, decided to recommend the passage by the legislature of an enabling act permitting the West Side sewer commissioners to file a supplemental map that they may be in a position to condemn property through which they have not acquired a right of way. The necessity for the construction of the West Side sewer without further delay is very urgent. Before any steps were taken toward the passage of an act permitting the construction of this sewer three commissioners were appointed to determine whether the sewer was necessary. The proofs taken by the commissioners show that the construction of the sewer is an absolute necessity. In accordance with their recommendation an act was passed which permitted the

construction of the sewer. Commissioners were appointed and contracts were made. After a large amount of money had been expended the constitutionality of the act for construction of the sewer was questioned. This question has been determined, however, favorably to the city, by the court of last resort in this state, and the commissioners are in a position to go on with the work as soon as they can obtain the necessary right of way.

All of the easements have been acquired except that through a piece of property owned by Messrs. Barry, Ellwanger and Woodworth. These persons refused to allow the commissioners to cross their property except upon certain conditions. The sewer commissioners will endeavor to arrive at terms with these property owners, but pending the negotiations, and that the work may not be unnecessarily delayed, your committee recommends that the enabling act above referred to may be approved by this council and sent to the honorable the representatives of this district in the legislature for immediate passage.

Respectfully submitted,

J. MILLER KELLY,
JOHN H. ASHTON,
RICHARD J. DECKER,
JOHN R. POWELL,

Ordered received, filed and published.

By Ald. Kelly—

AN ACT in relation to the construction of a sewer in the tenth, fifteenth and twentieth wards of the city of Rochester, and in the town of Gates, in the county of Monroe, provided for by chapter 603 of the laws of 1892.

The people of the state of New York, represented in the senate and assembly, do enact as follows:

Section 1. The commissioners for the tenth, fifteenth and twentieth wards in the city of Rochester, and the town of Gates, appointed under the provisions of section four (4) of chapter 603 of the laws of 1892, may within thirty days after the passage of this act, make and file in the office of the clerk of the county of Monroe, a supplemental map which shall show the extent of the sewer as determined by them; the filing of which map shall have the same effect in all respects as though filed with, or embraced in the map heretofore filed by said commissioners, and all acts and doings of said commissioners since the filing of such original map are hereby validated and confirmed in all respects as though said supplemental map had been made a part of such original map; such supplemental map to be certified to by said commissioners, with a statement written thereon, signed by them, or a majority of them, that such map shows the extent of such sewer as determined by them.

Section 2. This act shall take effect immediately.

Ordered received, filed and published and, on motion of Ald. Kelly, approved.

By Ald. Kelly—Resolved, That the honorable, the representatives of this district in the senate and assembly, be requested to introduce into the legislature and secure the passage as soon as possible, of the act approved at this meeting of the Common Council, enabling the West Side Sewer Commissioners to file a supplemental map.

Adopted.

Ald. Dewey, chairman of the select committee to confer with the representatives of the Garbage Reduction Company, reported that his committee had held numerous meetings, but had been unable to arrive at any conclusion on the matter; that it did not seem probable that any conclusion could be reached and that no good purpose would be

subversed by continuing the committee. He therefore moved that the committee be discharged from further consideration of the subject. Carried.

LOCAL IMPROVEMENT ASSESSMENTS.

By Ald. Green—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvements, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements respectively, adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefited by the improvements, res-

pectively, are as stated and described in the final ordinances relative to the improvements, respectively, and that the name and expense of the improvements thus to be assessed are as follows, viz:

Ord. No.	Improvement.	Expense.
5,441.	Sprinkling North Water street.	\$ 230 00
5,586.	Ontario street cement walk.	915 32

And it is further determined that the taxpayers to be assessed for making the foregoing improvements must pay their assessments within thirty days from the first publication of the advertisement of the notice of the assessment rolls by the City Treasurer.

And it is further determined that the taxpayers to be assessed for making the following improvements, viz:

Ord. No.	Improvement.	Expense.
5,565.	Boulevard cement walks.	8,765 00
5,607.	Wentworth street asphalt pavement	3,472 00
5,606.	Alphonsus avenue pipe sewer.	2,623 11

May pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment rolls by the City Treasurer; one-third within one year from the confirmation of such roll. And the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment a discount will be allowed at the rate of six per cent. per annum.

And the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of lands within the portions or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements, shall be deemed to receive by the making of the respective improvements.

Adopted by the following vote:
 Ayes—Alds. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Pauckner, Kelly, Aikenhead, Stimmelink, Lewis, Harris, Decker—18.
 By Ald. McMillan—

Rochester, N. Y., Feb. 5, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: At a meeting of your honorable body held January 29, 1895, a resolution was adopted requesting me to give an opinion as to whether there is any provision in the city charter which would prohibit the city from paying the acting mayor a salary. The charter provides that in case of the absence or inability of the mayor to act as such, or in case his office shall become vacant by death, resignation or otherwise, the president of the common council shall possess all the powers and perform all the duties of mayor during such absence or inability or during the remainder of his term of office in case of a vacancy therein (Charter, Sec. 62). By virtue of this provision the president of the common council in the absence or inability of the mayor, or in case the office becomes vacant, becomes the mayor of the city and becomes vested with all the powers and duties of the mayor. As such, however, the acting mayor is not entitled by virtue of his position to the salary of the mayor. The president of the common

council, at the time of his appointment, is presumed to have accepted his position with reference to the duties of the mayor which he might be called upon to perform and the salary which attaches to his office as alderman, it was intended, should cover all the services which he might be called upon to perform as an alderman or as president of the common council. (People ex rel Ray V. Burrill, 14 Hun, 224.)

But though the acting mayor may not be entitled to compel the payment to him of the salary attached to the office of mayor, yet the common council may authorize the payment of the salary to him while performing the duties of mayor. The city charter gives the common council power over the prudential and fiscal affairs of the city (Charter, Sec. 40) and the power to determine the salary to be paid to the mayor (Charter, Sec. 45).

I am of the opinion not only that there is no provision of the charter prohibiting the payment of a salary to the acting mayor, but that by virtue of the provisions referred to the common council has the power to direct the salary of the mayor, or so much thereof as it may deem proper, to be paid to the acting mayor.

Respectfully submitted,

A. J. RODENBECK,
 City Attorney.

ACTION UPON ORDINANCES. FIRST ORDINANCES.

MORTIMER STREET IMPROVEMENT AND SEWER.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Mortimer street, from North St. Paul street to North Clinton street.

The Surveyor submitted as such estimate, \$18,200.

By Ald. Edelman—Resolved, That the following improvement is necessary, and should be made, viz:

The improvement of Mortimer street, from North St. Paul street to North Clinton street by the construction of a brick pavement therein with a line of Medina stone curb on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of roadway to be generally 40 feet. Also the construction of a portland cement walk, 10 feet in width, on each side of said street, between the limits mentioned, except in front of the Woodbury building, on the northeast corner of North St. Paul and Mortimer streets. Also the construction of a brick egg-shaped sewer, 2 feet 4 inches by 3 feet 6 inches interior dimensions, from the west line of North Clinton street to the sewer in North St. Paul street. Also the necessary manholes, surface sewers, lot laterals, branches, water and gas services and cross-walks.

And, The City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$18,200, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Mortimer street, from North St. Paul street to North Clinton street.

Adopted.

EAST AVENUE CARE, REPAIR AND SPRINKLING.

By Ald. Ward—Resolved, That the City Surveyor ascertain and report to this Council the expense of cleaning, repairing and sprinkling East avenue for the season of 1895.

The Surveyor submitted as such estimate, \$2,340.

By Ald. Ward—Resolved, That the following improvement is necessary, and should be made, viz:

The repair, cleaning and sprinkling of East avenue, from Goodman street to the eastern city line, during the season of 1895, from April 1st to November 1st. The repair to consist in spreading 400 yards of hand broken macadam stone upon the roadway, covering same with 150 yards of gravel, the same to be thoroughly rolled with a ten-ton steam roller; also the cleaning and removal of all dirt and refuse from the surface of the street at least five times during the season, and the sprinkling of the street every day from April 1st to November 1st.

And, The City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$2,340, which being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of East avenue, from Goodman street to the eastern city line.

Adopted.

ALMIRA STREET SPRINKLING.

By Ald. Ward—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling Almira street.

The Surveyor submitted as such estimate, \$115.

By Ald. Ward—Resolved, That the following improvement is necessary, viz:

The sprinkling of Almira street, from Gorham street to Lowell street, during the season of 1895.

And Whereas, the City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$115, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Almira street, from Gorham street to Lowell street, in proportion to the benefit which each will derive therefrom.

Adopted.

HOPE STREET SPRINKLING.

By Ald. Ward—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling Hope street.

The Surveyor submitted as such estimate, \$58.

By Ald. Ward—Resolved, That the following improvement is necessary, viz:

The sprinkling of Hope street, from Hanover street to Hudson avenue, during the season of 1895.

And Whereas, the City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$58, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Hope street, from Hanover street to

Hudson avenue, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Ward—Resolved, That all persons interested in the subject matter of any and all improvements, contemplated to be made in or by any order, ordinance or resolution adopted, or passed, or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, under ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council chamber, when allegations relative thereto will be heard, and that the City Clerk be, and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Union and Advertiser notice thereof as is required and in the manner specified by section 172 of the city charter.

City Clerk's Office,
Rochester, N. Y., Feb. 5, 1895.

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by order, resolution or ordinance or amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectfully specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of any or all such improvements, respectively, to attend the Common Council on Tuesday evening, February 5, 1895, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,

THEODORE S. PULVER, City Clerk.

REPORTS OF STANDING COMMITTEES.

By Ald. Adams—

Rochester, N. Y., Feb. 19, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—In the matter of the judgment recovered by John H. Foos against the city in the county court, we recommend upon the advice of the City Attorney that an appeal be taken.

In accordance with a resolution adopted by the Common Council the City Attorney has prepared an act for the sanitary protection of the sources of the water supply of the city, a copy of which is attached to this report.

We recommend the appointment of the following Commissioners of Deeds: Byron S. Blake, W. J. Dorsey, Edward A. Grenelle, William A. Hubbard, Jr., George M. Leckinger, Norman A. MacPherson, John A. Meng, John B. McGonegal, R. S. Paddock, George T. Roche, John S. Stott, Theodore J. Vogel, Joseph C. Wilson.

Respectfully submitted,

M. B. ADAMS,
 THOMAS McMILLAN,
 HENRY G. COOK,
 WM. PAUCKNER,
 W. H. TRACY,

Law Committee.

By Ald. Adams—Resolved, That the City Attorney be authorized to take an appeal in the case of John H. Yoos against the city of Rochester from the judgment recently recovered in the county court.

Adopted.

By Ald. Adams—

AN ACT to provide for the sanitary protection of the sources of the water supply of the City of Rochester.

The People of the State of New York represented in Senate and Assembly do enact as follows:

Section 1. It shall be lawful for the common council of the city of Rochester acting for and on behalf of said city, to acquire by purchase, or take, in the manner hereinafter set forth, title to all or any real estate, and to acquire or extinguish any interest therein of which the acquisition, taking, or extinguishment may be necessary, for the sanitary protection of all rivers, springs, brooks and other water courses, lakes, ponds and reservoirs in the counties of Livingston, Ontario and Steuben, so far as the same now are, or hereafter may be, used for the supply of water for the City of Rochester.

Sec. 2. The term "real estate," as used in this act, shall be construed to signify and embrace all lands, including lands under water, tenements and hereditaments, corporeal and incorporeal, and the term "interest therein" when herein used in reference to real estate, shall be construed to signify and embrace any estate, right, title or interest, whether legal or equitable, in lands or water, any privilege or easement in or thereto appertaining, terms for years, incumbrances or liens thereon, whether by way of judgment, mortgage or otherwise, and also all claims for damages to such real estate.

Sec. 3 Said city, or its agents, engineers, surveyors and such other persons as may be necessary may enter upon any land or water on, adjacent or contiguous to the water courses, rivers and tributaries hereinbefore mentioned, in the said counties of Livingston, Ontario and Steuben, for the purpose of making surveys or examinations preparatory to the purchase or acquisition of any real estate or interest therein under this act.

Sec. 4 Said common council for and on behalf of said city, is hereby authorized to take such measures as may be necessary to preserve from pollution and defilement all of the sources of the water supply, whether the same be rivers, springs, brooks or other water courses, lakes, ponds or reservoirs situate in the counties of Livingston, Ontario, and Steuben, and to that end to enter in and upon at any time after the passage of this act or any or all lands near on, adjacent or contiguous to any of the said sources of water supply and take possession of such lands and to abate and remove the cause of any such pollution or defilement. And all damages and injuries to property occasioned by any act under this section, shall subsequently be ascertained, determined and paid for in accordance with the provisions of the following sections of this act. And the said common council shall, within ten days after taking possession of such lands or abating and removing any nuisance as aforesaid, institute proceedings under the provisions of this act to ascertain and determine all damages and injuries occasioned thereby. And if such proceedings are not so instituted any person injuriously affected in property shall have a cause of action therefore against said city, and may bring an action against it for all damages and injuries sustained, which action shall be tried in the county where the premises or property affected is situated. And all sums awarded by the commissioners of appraisal for damages or injuries sustained under any act or doing under the provisions of this section shall be paid by said city, and in case the same is not so paid the person or persons to whom any sum is awarded may bring suit therefor, in which

action the plaintiff shall be absolutely entitled to have judgment tendered in his favor on filing a certified copy of the report of the commissioners of appraisal and of the order confirming the same, and which action shall be tried in the county where the premises or property affected is situated.

Sec. 5. Except as herein otherwise provided whenever the common council of said city shall determine to take any real estate or any interest therein in pursuance of this act, and is unable to agree for the purchase thereof, the proceedings for acquiring such real estate or interest therein, shall be the same as provided by the condemnation law, sections 3357 to 3381 of which both inclusive are made applicable hereto, except at least one of the commissioners of appraisal shall be a resident freeholder of said city.

Sec. 6. For the purpose of securing the payment of, and paying, any awards which may be made by commissioners of appraisal for real estate or any interest therein taken or any judgment recovered or damages, costs or expenses incurred pursuant to this act, said city shall be authorized, and it is hereby directed to issue its bonds to be known as the "watershed bonds of the city of Rochester" to run for a period not exceeding fifty years, at a rate of interest not exceeding four per cent. per annum, and in an amount not exceeding the sum of two hundred thousand dollars.

Sec. 7. Said bonds, when issued, shall be signed by the Treasurer, sealed with the corporate seal of said city, countersigned by the mayor and president of the Common Council, and may be either coupon or registered bonds.

Sec. 8. Said bonds shall be sold to the highest bidder, pursuant to an invitation for sealed proposals therefor by public advertisement for not less than ten days, which proposals shall be publicly opened only by the Treasurer of said city or such other person as said Common Council may designate, in the presence of the Finance Committee of said Common Council, or such of them as shall attend at the time and place specified in said advertisement, and said Treasurer, with the approval of said Finance Committee, or such members thereof as may be present, shall determine what, if any, part of said proposals shall be accepted, provided, however, that no proposals shall be accepted for less than the par value of said bonds, but nothing herein contained shall be construed to prevent the rejection of any or all of said proposals.

Sec. 9. Said Common Council is hereby authorized and directed to raise from time to time by tax upon the estates real and personal subject to taxation in said city, the sum or sums of money which may be required to pay the interest upon said bonds and to redeem them at maturity.

Sec. 10. For the purpose of paying any of the awards made pursuant to this act or any judgment recovered or damages sustained or costs or expenses incurred pending the sale of any of said bonds, said common council may borrow by a vote of three-fourths of all of the members elected subject to the approval of the mayor upon the credit of the city by its promissory note or notes payable in not more than eight months after their date, so much money as may be necessary and the amount so borrowed shall be placed to the credit of the watershed fund to be refunded with interest from the proceeds of the sale of said bonds.

Sec. 11. The several banks including the savings banks within the said city of Rochester, the Rochester Trust and Safe Deposit Company and the Security Trust Company of said city, are hereby authorized to re-

ceive and keep on deposit at interest any moneys raised by the sale or for the payment of said bonds and each and every bank or company receiving such deposits as aforesaid shall execute and give to said city a bond with sufficient surety conditioned to save said city harmless from any loss by reason of such deposits, said bonds to be approved by the mayor.

Sec 12. This act shall take effect immediately.

Ordered received, filed and published, and on motion of Ald. Adams laid upon the table until the next meeting.

Ald. Callhan from the City Property Committee, Ald. Rauber from the Health Committee, Ald. Dewey from the Lamp Committee, Ald. Cook from the Poor Committee and Ald. Pauckner from the Contingent Expense Committee, reported favorably on the bills referred to their respective committees, which bills were thereupon referred to the Auditor and Finance Committee.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., Feb. 13, 1895. }

To the Common Council:

Gentlemen:—In view of the apparent necessity of a passable as well as a pleasant driveway or thoroughfare to the park grounds on South avenue, as well as at South park, the Executive Board respectfully recommends that your honorable body instruct the City Surveyor to introduce an ordinance for the improvement of the roadway and sidewalks from the termination of the already projected improvement which extends to the approach to Mt. Hope reservoir, along the line of South avenue to Elmwood avenue.

It is a matter of common knowledge that this roadway is almost impassable at certain seasons of the year, and such an improvement will not only be of great benefit to the public at large, but will open up a beautiful driveway to the pleasure and recreation grounds now provided for the public on the southern boundary of the city.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published, and on motion of Ald. Pauckner, referred to the Public Improvement Committee.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., Feb. 19, 1895. }

To the Common Council:

Gentlemen:—In May, 1894, your honorable body adopted an ordinance for the construction of what is designated as "Thomas and other streets outlet sewer, estimated expense of which was \$25,100. The contract was duly awarded by the Executive Board May 19th, for the sum of \$21,419.50, and the cost as ascertained when the work was completed December 14, 1894, was \$21,960.28, which amount was certified to the City Treasurer.

It now appears that Girard park, through which one section of the sewer was constructed, is not a public street, and no right of way has been secured by the city. This block of land is in the hands of a land association and a map showing this street and a tier of lots on each side, made for the purpose of sale of the property, found its way into the city surveyor's department, and upon the statement of a member of the association that Girard park was a public street, the sewer was laid through it and completed as stated above.

The situation now is that the sewer is built, paid for and in use through private property and for this privilege the owners demand the sum of five hundred dollars for the easement or right of way.

They allege that the financial condition of the association does not at present afford any immediate prospect of the street being opened for public use. A copy of a resolution adopted by the association known as the Hayward and Girard Park Association in June, 1893, is shown which in terms demanded one dollar a lineal foot on each side of the proposed street for right of way, which resolution is still in force.

The Executive Board is of the opinion that the sum asked is in excess of the actual value of the privilege required, but in view of the fact, that if the proffer is declined, the laws delay which usually accompany condemnation proceedings, and the consequent postponement in the collection of the assessment and reimbursement of the city for the money already expended, added to expenses of such proceedings and the uncertainty of the results, the board does not feel warranted in advising the acceptance of the proposition or its rejection, but suggest that the matter be considered by your honorable body with a view of determining what is best for the taxpayers who have to bear the burden of the cost for this improvement.

It may be added that an order of assessment has already been made, that it is desirable that prompt action be taken in order that no unnecessary expense should be sustained by the city.

Respectfully,
THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Simmellink—Whereas, No agreement for the purchase of lands necessary to be taken in addition to those already acquired for the right of way for the Thomas street outlet sewer under final ordinance No. 5,245, can be made, therefore,

Resolved, That a copy of said ordinance, and of this resolution, together with a map of the proposed right of way, be made and filed in the office of the City Clerk and of the County Clerk, which map shall show thereon the lots, tracts and parcels of land which are deemed necessary to be taken, and the commencement, course and termination of said right of way, according to the provisions of section 174 of the revised city charter, and that the City Attorney be, and he is hereby instructed to take and institute such proceedings, from time to time, as may be necessary, as is provided by the city charter.

Adopted.

CITY TREASURER'S OFFICE, }
ROCHESTER, N. Y., Feb. 19, 1895. }

To the Honorable, the Common Council:

Gentlemen:—In order to meet the payments due on acceptances of the Executive Board for local improvements this month, and previous to March 15th, I will require the sum of \$146,000. As it will be impossible to collect this amount in time to meet these payments, I would ask authority of your honorable body to issue as necessary the city's note or notes for an amount not to exceed \$100,000.

Respectfully submitted,
S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to issue the city's notes for an amount not exceeding one hundred thousand dollars (\$100,000), for a period not exceeding

six months time, by virtue of the authority given under sections 80 and 81 of the city charter; said notes to be negotiated under the direction of the Finance Committee of the Common Council, to be countersigned by the chairman of the Finance Committee; interest or discount thereon to be charged to Local Improvement Fund and the proceeds thereon to be credited to Local Improvement Fund.

Adopted by the following vote:
Ayes—Ald. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Simmellink, Lewis, Harris, Decker—19.

To the Common Council:

Gentlemen:—In order to pay the budget to be passed by your honorable body next week I shall require authority to issue the city's note as the funds in the general account are practically exhausted, and the collection of the general city tax, at present time, is very small.

Respectfully submitted,
S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be and he hereby is directed and authorized to issue as necessary the city's notes for an amount not to exceed one hundred thousand dollars (\$100,000) by virtue of authority given under section 81 of the city charter; said notes to be issued under the direction of the Common Council, to be countersigned by the chairman of the Finance Committee and the interest or discount thereon to be charged to Contingent Fund, the proceeds to be credited to the general account; said notes to run not exceeding six months.

BOARD OF PARK COMMISSIONERS, }
ROCHESTER, N. Y., Feb. 11, 1895. }

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—At a regular meeting of the Board of Park Commissioners, held January 28, 1895, the inclosed reports were unanimously adopted, and I was directed to lay them before your honorable body with the accompanying maps.

Yours respectfully,
G. C. LANEY,
Secretary Park Commission.

Rochester, N. Y., January 26, 1895.

To the Board of Park Commissioners:*

Gentlemen:—The Genesee Valley Park Committee would recommend that the Common Council be requested to provide money for the purchase of the following property:

First. The east bank of the river from the state dam to Elmwood avenue and west of the Wolcott road. Containing 3 44-100 acres.

Second. A strip of land 200 feet wide on the north side of Elmwood avenue, from the river to the Erie railroad crossing. Containing 2 28-100 acres.

Third. A triangular piece of land at the southwest corner of the park, from the Reynolds and Baker farms, such as would continue the Westfall road in a straight line to the river road. Containing 3 68-100 acres.

Fourth. All of the Baker property south of the above named property and west of the

river road. Containing 1350-100 acres. Total 22.90 acres. The value of which we estimate at \$12,000.

The acquiring of the above property is absolutely necessary to protect the park from intrusion, and to carry out the plan already adopted by the board.

The committee would further recommend, that in view of the constantly increasing value of lands adjoining the park, an additional acreage should be at once obtained. This course is urged strongly by very many citizens who are the largest taxpayers.

To this end we would recommend that the Common Council be requested to provide \$45,000 (in addition to the \$12,000 heretofore estimated), either to acquire property on the south side of Elmwood avenue west of the river, or on the east side of the river and south of the Westfall road, 200 acres of land, more or less, owned by N. Westfall, Thos. Ewart, Reynolds estate and B. M. Baker, as may be in the judgment of the commission be the most desirable.

The accompanying maps will show the situation and dimensions of all the property above referred to.

H. F. HUNTINGTON,
J. E. DURAND,
SIMON STERN,
ALFRED G. WRIGHT,
E. M. MOORE,

Genesee Valley Park Committee.

Rochester, N. Y., January 23, 1895.

To the Board of Park Commissioners:

Gentlemen:—Your committee beg leave to present the following, as showing that the action of the board on the deaf mute property, at the special meeting on the 21st inst., should be modified. We learn that the large school building can be moved, and left in as good condition as at present, for the sum of \$2,500.

We also find that the boiler house can be torn down and rebuilt, with the heating apparatus as before, for the sum of \$4,000.

That the wooden part of the institute building to be removed is worth about \$1,000, and the barn \$100. A total sum, for the removal or destruction of the several buildings on the ground required for the parkway, of \$7,600. Also that upon the basis of the price paid for the land next south, purchased from the street car company, we estimate the value of the land required at \$1,441 per acre; 2 108-1000 acres would be \$3,037, making the total sum \$10,637 for the lands and buildings that will be required from the Deaf Mute Institute.

Per contra, it is proposed that we give them No. 8 school house and the front part of the lot, 97 feet front on St. Paul street and about 170 feet deep.

We estimate the value of the land to be \$2,500, and are led to believe, by experts in the value of real estate in that vicinity, that if the school house and lot was to be put up for sale it would not bring more than \$5,000. This would leave \$5,637 due the Institute, which sum could be credited on the mortgage held by the city.

All of which is respectfully submitted.

M. KONDOLF,
J. S. GRAHAM,
B. J. McQUAID,
E. M. MOORE,

Seneca Park Committee.

Rochester, N. Y., January 23, 1895.

To the Board of Park Commissioners:

Gentlemen:—In accordance with the resolution of the board, your committee report the following as their estimate of the cost of securing the land necessary to complete the

Seneca parks on both banks of the river.

We find that on the west side six (6) houses and lots, forty-six (46) vacant lots, and the bank of the river from Seneca bridge north to St. Bernard's Seminary, including the Glen House property, in all about 57 acres, are required, which we estimate will cost \$59,000.

On the east side, one house and lot, thirty-two (32) vacant lots, Brewer's dock and the rear parts of the Electric Light Company, Deaf Mute and No. 8 public school properties are required, in all about 36 4-10 acres, which we estimate will cost \$34,000; a total cost of \$93,400. Believing that the Deaf Mute property can be acquired by the exchange of other property now held by the city, and no money will have to be raised, we have omitted it from our estimates.

Your committee have made careful inquiry, with the view only of arriving at the amount of money that in their judgment will be called for to purchase the lands absolutely required to permit the people to enjoy the use of the parks, and not with the intention of committing this board to any plan of acquiring said lands, or of fixing the price to be paid for the same, and in this connection we recommend that when it happens that a member of this board is interested, personally or otherwise, in the ownership of any lands to be acquired by this board, that the value thereof be fixed only by arbitration or commission proceedings.

We also call attention to the steady rise in the value of real estate adjacent to the parks, since their location, and to the fact, that as soon as the present business depression shows signs of recovery, the increase in values will be more rapid than ever, and to wait until that time before securing these lands will cost the city more than the principal and interest of any debt that may now be incurred for this purpose. Meanwhile the people will be barred from the use and enjoyment of the most beautiful and picturesque parts of the Seneca parks on both sides of the river, from the increase in the taxable value of adjacent properties, and the general prosperity of the city that will surely flow from the completion of the parks.

All of which is respectfully submitted.

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., Feb. 19, 1895. }
To the Honorable, the Common Council of the
City of Rochester:

Gentlemen:—I hereby certify that the Executive Board have notified me that the works or improvements authorized under ordinances hereinafter mentioned have been completed; that I have, pursuant to the provisions of the charter, ascertained the entire and aggregate expense of, and connected with the same respectively, including any interest that the city shall incur, or is entitled to for the use of its funds, and that the respective amounts thereof are as follows:

Ord. No.	Improvement.	Expense.
5,252.	State Hospital and Goodman street sewer	\$37,693 23
5,565.	Boulevard cement walks.....	8,805 65

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

LOCAL IMPROVEMENT ASSESSMENTS.

By Ald. Ward—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvements, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvement respectively, adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefited by the improvement, respectively, and that the name and expense of the improvement thus to be assessed is as follows, viz:

Ord. No.	Improvement.	Expense.
5,565.	Boulevard cement walks.....	\$8,805 65

And it is further determined that the taxpayers to be assessed for the foregoing improvement pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment rolls by the City Treasurer; one-third within one year from the confirma-

tion of such roll. And the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment a discount will be allowed at the rate of six per cent. per annum.

And the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of lands within the portions or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvement, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvement, shall be deemed to receive by the making of the respective improvement.

Resolved, That the City Treasurer be authorized to pay to his honor, Mayor Lewis, the salary attached to the office of Mayor during his incumbency to April 1, 1895, said salary to be in full for his services as such Mayor and as member of the Common Council; said salary to be paid monthly.
Adopted.

**ACTION UPON ORDINANCES.
FIRST ORDINANCES.**

MT. VERNON AVENUE AND MEIGS STREET OUTLET
SEWER.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Oakland park, Caroline street, Mt. Vernon avenue, Cayuga place and Meigs street.

The Surveyor submitted as such estimate, \$17,500.

By Ald. Edelman—Resolved, That the following improvement is necessary, and should be made, viz:

The removal of the present sewer and the construction of a suitable brick sewer in Oaklank park, Caroline street, Mt. Vernon avenue, Cayuga place and Meigs street. The size of the sewer in Oakland park, from the present South avenue outlet to Caroline street to be equal to a sewer 38 inches in diameter, in Caroline street from Oakland park to Mt. Vernon avenue, 42 inches in diameter, and in Mt. Vernon avenue and Cayuga place from Caroline street to Meigs street 45 inches in diameter, and in Meigs street, from Cayuga place to South Clinton street 50 inches in diameter. Also the connection of the existing sewers and the construction of the necessary manholes, surface sewers, lot laterals and branches.

And, The City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$17,500, which, being deemed reasonable, is hereby approved,

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

All the lots and parcels included within and described by the following boundary lines, viz:

Beginning at the intersection of South Clinton street with Meigs street, thence southerly along Meigs street, including one tier of lots and parcels of land on the west side thereof to Cayuga place, excepting the lot on the southwest corner of South Clinton street and Meigs street; thence westerly along Cayuga place, including one tier of lots and parcels of land on the north side thereof to Grand street, excepting the lot on the northeast corner of Grand street and Cayuga place; thence westerly along Grand street, excluding one tier of lots and parcels of land on the south side thereof to South avenue; thence southerly along South avenue, including one tier of lots and parcels of land on the west side thereof to the north line of lot No. 9 of Roth & Sternberger's subdivision; thence westerly along the north line of said subdivision to the west line of lot No. 4 of said subdivision; thence southerly along the west line of said lot No. 4 to and across Englewood avenue, to the west line of property supposed to belong to William H. Mogler and wife; thence still southerly along the west line of said Mogler's property to the north line of the Ellwanger & Barry tract; thence westerly along the north line of said tract to the west line of lot No. 46 of said tract; thence southerly along the west line of said lot No. 46 to and across Cypress street, to the west line of lot No. 101 of said tract; thence easterly along Cypress street, including one tier of lots and parcels of land on the south side thereof to South avenue; thence southerly along South avenue, including one tier of lots and parcels of land on the west side thereof for a depth of not exceeding 150 feet to Reservoir avenue; thence easterly along Reservoir avenue and along the line of said avenue produced to a point 650 feet westerly from and measured at right angles to South Goodman street; thence northerly parallel to and 650 feet distant therefrom to a point in the south line of Whitmore park produced easterly, including one tier of lots and parcels of land on each side of Benton street west of Seager street, and also one tier of lots and parcels of land on each side of Yale street west to a point 250 feet east of Meigs street; thence westerly in the south produced line of Whitmore park to Meigs street; thence northerly along Meigs street,

including one tier of lots and parcels of land on the east side thereof to the place of beginning, excepting the lot on the southeast corner of Meigs street and South Clinton street.

Adopted.

By Ald. Ward—Resolved, That all persons interested in the subject matter of any and all improvements, contemplated to be made in or by any order, ordinance or resolution adopted, or passed, or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, under ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council chamber, when allegations relative thereto will be heard, and that the City Clerk be, and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Herald notice thereof as is required and in the manner specified by section 172 of the city charter.

City Clerk's Office,

Rochester, N. Y., Feb. 19, 1895.

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Rochester Herald, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by order, resolution or ordinance or amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectfully specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of any or all such improvements, respectively, to attend the Common Council on Tuesday evening, February 19, 1895, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,
THEODORE S. PULVER, City Clerk.

FINAL ORDINANCE NO. 5,663.

HARVARD STREET EXTENSION.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to extend Harvard street, from Oxford street to South Culver street.

And after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The extension of Harvard street, from Oxford street to Culver street, and the land to be taken for said extension is a strip fifty feet in width, of which the following described line is the northerly boundary:

Beginning at a point in the east line of Oxford street at northwest corner of lot No. 109 of Hooker's subdivision, recorded with Monroe county deeds, book 5, page 96, of maps, thence easterly along the north line of said lot 109 and along the north line of lot 114 of same subdivision to the west line of Rutger street, thence easterly across Rutger street to the northwest corner of lot 14 of the M.

A. Culver tract, thence easterly along the north line of said lot 14 to the northeast corner thereof, thence easterly in a straight line to a point in the west line of Bowen street located 36.3 feet north, measured on said west line, from the north line of original town lot No. 44, thence still easterly in a straight line to a point which is 217.4 feet distant northerly and at right angles from the front angle of the Erie canal, thence easterly in a straight line parallel to said front angle of the Erie canal to the west side of Culver street.

And the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the city, which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

All the lots and parcels of land included within and described by the following boundary lines: Beginning at the intersection of South Goodman and Harvard streets, thence easterly along Harvard street, including one tier of lots and parcels of land on the north side thereof to Oxford street; thence northerly along Oxford street, including one tier of lots and parcels of land on the west side thereof to Brighton avenue; thence easterly across Oxford street to and along the north line of lot No. 103 of H. E. Hooker's subdivision to the rear line of the lots on Oxford street; thence northerly along said rear line to the north line of lot No. 124 of said subdivision; thence easterly along said north line of said lot to Rutgers street, thence northeasterly across Rutgers street to Thayer street, thence still easterly along Thayer street, excluding lots 1, 2 and 3 on the east side of Rutgers street, and one tier of lots on the south side of Thayer street, to Bowen street; thence southerly along Bowen street to the proposed extension of Sibley street, as defined by Ordinance No. 4,892; thence easterly along said proposed extension and along Sibley street, excluding one tier of lots not exceeding 150 feet in depth, to South Culver street; thence southerly along South Culver street to the northern boundary line of the Erie canal lands; thence westerly along said northern boundary line to Bowen street, thence still westerly along Bowen street, excluding one tier of lots on the northerly side thereof for a depth not exceeding 150 feet, to Monroe avenue; thence northwesterly along Monroe avenue, excluding one tier of lots for a depth not exceeding 150 feet, to Oxford street; thence northerly along Oxford street, excluding one tier of lots on the east side thereof, to the north line of the Nichols park tract; thence still northerly, including one tier of lots and parcels of land on the west side thereof, to Harvard street; thence westerly along Harvard street, including one tier of lots and parcels of land on the south side thereof, to the place of beginning.

Adopted by the following vote:
Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Simmelink, Lewis, Harris, Decker—19.

FINAL ORDINANCE NO. 5,664.

MORTIMER STREET IMPROVEMENT AND SEWER.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to improve Mortimer street, from North St. Paul street to North Clinton street.

And after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The improvement of Mortimer street, from North St. Paul street to North Clinton street by the construction of a brick pavement therein with a line of Medina stone curb on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of roadway to be generally 40 feet. Also the construction of a portland cement walk, 10 feet in width, on each side of said street, between the limits mentioned, except in front of the Woodbury building, on the northeast corner of North St. Paul and Mortimer streets. Also the construction of a brick egg-shaped sewer, 2 feet 4 inches by 3 feet 6 inches interior dimensions, from the west line of North Clinton street to the sewer in North St. Paul street. Also the necessary manholes, surface sewers, lot laterals, branches, water and gas services and cross-walks.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$18,200, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city, which this Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement to wit:

One tier of lots and parcels of land on each side of Mortimer street, from North St. Paul street to North Clinton street.

Adopted.

Adopted by the following vote:
Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Simmelink, Lewis, Harris, Decker—19.

FINAL ORDINANCE NO. 5,665.

EAST AVENUE CARE, REPAIR AND SPRINKLING.

On motion of Ald. Ward, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to repair, clean and sprinkle East avenue, from Goodman street to the eastern city line.

And after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The repair, cleaning and sprinkling of East avenue, from Goodman street to the eastern city line, during the season of 1895, from April 1st to November 1st. The repair to consist in spreading 400 yards of hand broken macadam stone upon the roadway, covering same with 150 yards of gravel, the same to be thoroughly rolled with a ten-ton steam roller; also the cleaning and removal of all dirt and refuse from the surface of the street at least five times during the season, and the sprinkling of the street every day from April 1st to November 1st.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$2,340, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city, which this Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement to wit:

One tier of lots and parcels of land on each side of East avenue, from Goodman street to the eastern city line.

Adopted by the following vote:
Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Pow-

ell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Simmelink, Lewis, Harris—18.

FINAL ORDINANCE NO. 5,666.

RAVINE AVENUE EXTENSION.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to extend Ravine avenue from the east end of Ravine avenue, at the west side of Deep Hollow Creek, to Aldern street, on the east side of Deep Hollow Creek.

And after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary, and should be made, to wit:

The extension of Ravine avenue, 60 feet in width, from the east end of Ravine avenue at the west side of Deep Hollow Creek to Aldern street on the east side of Deep Hollow Creek. The land to be taken for said extension is bounded and described as follows: A strip of land 60 feet in width, the northerly line of which is described as follows: Beginning at a point in the north line of Ravine avenue 126.42 feet east from the east line of First street, thence south 89 degrees 33 minutes 45 seconds, east 188.73 feet to a point in the west line of Aldern street 139.42 feet north of the northwest corner of Aldern street and Ravine avenue.

And the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Ravine avenue as now opened and as proposed to be extended, from Finch street to Lake avenue.

Ald. McMillan, Chairman Special Committee on Police Building:

Dear Sir:—The patrol system of the Police Department has been in constant use for the past nine years. The apparatus in the central office is worn out and entirely unsuited for the present needs of the department. Since the introduction of the electric system of street railway in this city there has been no satisfactory telephone service over the lines of the patrol system. To remedy this defect a second wire has been run at quite an outlay. This wire can not be used with the old central office apparatus without reconstructing, which would cost nearly as much as a new central office outfit, and would have none of the improvements which have been made in police patrol systems since our system was put in. All of these matters were brought to the attention of the Police Commissioners and they recognize the necessity for a new central office outfit for the new police building, but have no funds available to purchase it, and they directed me to place the matter before your committee. In compliance with their instructions, I respectfully submit the above.

Yours truly,
 C. R. BARNES,
 Supt. Police Patrol.

Rochester, N. Y., Feb. 19, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Permit me to call the attention of your honorable body to the fact that under the provisions of the penal ordinances in relation to licensing peddlers, no discretion is vested in the Mayor, and no power is granted to him to grant permits, without the payment of a license fee.

During the two weeks in which I have been performing the duties of Mayor, I have been frequently called upon by poor, crippled, old men who desired temporary permits to sell pencils, oranges and notions of various kinds from baskets. In every instance the applicant has been unable financially to pay the license fee. And it has seemed to me that had I been authorized to grant such persons temporary permits, they might have been enabled to earn some small amount with which to relieve the necessities of their conditions. Under the charter the Common Council is I believe, authorized to empower the Mayor to grant permits under certain conditions.

I would respectfully recommend that such action be taken.

Respectfully submitted,

MERTON E. LEWIS,
Acting Mayor.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That pursuant to authority conferred by section 40 of the city charter this Common Council does hereby empower the Mayor to grant temporary permits, in lieu of licenses, to such persons as may desire the same and are in his judgment entitled to such consideration.

Adopted by the following vote:
Ayes—Alds. McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Cook, Pauckner, Simmelink, Lewis, Harris—14.

On motion of Ald. McMillan the board then adjourned for one week.

MAYOR'S OFFICE,
ROCHESTER, N. Y., Feb. 23, 1895.

Theodore S. Pulver, City Clerk:

Sir:—You will please call a special meeting of the Common Council for this, Saturday afternoon, at 2:30 o'clock, to take such action as may be necessary and appropriate in connection with the funeral of the Hon. Frederick Douglass, for many years a respected resident of this city.

MERTON E. LEWIS,
Acting Mayor.

Ald. McMillan—

Mr. President: I rise to a question of privilege and beg leave to submit the following memorial and resolutions on the death of our former fellow townsman, the Honorable Frederick Douglass.

MEMORIAL.

At his residence in Washington, February 20, 1895, Frederick Douglass, a former resident of Rochester died, and this Council have met this afternoon to honor his memory.

Frederick Douglass was born in Tuckahoe, near Easton, Talbot county, Maryland, February 14, 1817. His early boyhood was passed in slavery upon the plantation of Colonel Lloyd. When about nine years of age he learned to read and write; September 3, 1838, he escaped from slavery and took up his residence in New Bedford, Mass, where he was first married. It was here he met and was assisted in his efforts to secure an education by William Lloyd Garrison. In 1841, Mr. Douglass made a speech at an anti-slavery convention at Nantucket which brought him before the attention of the Massachusetts Anti-Slavery Society and this society at once employed him as one of its agents; for them he lectured through New England for about four years, upon the subject which he was so eminently qualified by nature and experience to speak. So successful was he that in 1845 he made a tour of England, Scotland, Ireland and Wales, receiving marked attention everywhere. Rochester was honored by his making it his home in 1847, and here he resided for the most part until 1870.

When he first settled in Rochester he began the publication of a paper known as the "North Star," an organ devoted to the abolition of slavery, and which he continued a greater part of the time until the emancipation of his race removed the cause for its existence.

Mr. Douglass filled many positions of trust with eminent credit to himself and his country. In 1871 he was appointed assistant secretary to the commission of Santo Domingo and later by President Grant as a member of the Territorial Council of the District of Columbia. In 1872 he was elector at large for the state of New York and the messenger of the Electoral College. From 1876 to 1881, he was United States marshal for the District of Columbia, and recorder of deeds for that district from 1881 to 1886. But it was as an orator and author that Mr. Douglass was perhaps best known from the time when he

fired the hearts and zeal of the New England abolitionists until his last public appearance a few years since. He was an orator whose oratory was spontaneous, natural and convincing and the citizens of Rochester have not forgotten the occasions when he held as if by magic, the large audiences which would congregate to hear him. As an author he achieved distinction by his works: "Narrative of My Experience in Slavery;" "My Bondage and My Freedom," published here in 1855, and "Life and Times of Frederick Douglass."

Rochester is proud that he was one of her sons and that he will rest in her beautiful city of the dead.

In his life and life work, our youth can find much worthy of emulation and its lesson to all cannot be lost.

"Who'er amidst the soas

"Of reason, valour, liberty, and virtue

"Displays distinguished merit, is a noble

"Of Nature's own creating."

Resolved, That we do hereby tender to the family and relatives of Honorable Frederick Douglass, our sympathy in their affliction, and that this memorial be spread upon the minutes of this Council, a copy of this memorial and these resolutions, be sent to his family, and further.

Resolved, That the family of Mr. Douglass be requested to permit his body to lie in state in the City Hall on the day of the funeral, and further.

Resolved, That this Common Council attend the funeral services in a body.

Adopted.

Ald. Pauckner moved that a committee of five members of the Council be appointed to make arrangements for the funeral of Mr. Douglass. Carried.

The Chair appointed as such committee: Aids, Pauckner, Adams, Ashton, Green and Harris.

On motion of Ald. Dewey the board then adjourned.

REPORTS OF STANDING COMMITTEES.

By Ald. Ashton—

Rochester, N. Y., Feb. 26, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned, the assessment committee beg leave to submit the following report:

In the matter of the petition of Bessie J.

Gillette, for permission to redeem certain premises from the sale for general city taxes for the year 1893, and to pay taxes on certain property for the year 1894, and to pay certain assessments for the construction of Sobieski avenue pipe sewer under final ordinance No. 5,191, and Kosciusko avenue pipe sewer under final ordinance No. 5,190, all with six per cent. interest and fees, we recommend that the prayer of the petitioner be granted.

In the matter of the petition of Louis Greisheimer, for rebate of an assessment on premises owned by him on East avenue, we find that Mr. Greisheimer purchased the premises in question for \$35,000, and that the assessment for next year upon said premises will be upon a basis of \$35,000; we therefore recommend that Mr. Greisheimer be permitted to pay his taxes for the year 1894, upon an assessed valuation of \$35,000.

In the matter of the petition of certain property owners assessed for Second avenue sewer and cement walks, under final ordinance No. 5,260, we recommend that the prayer of the petitioners be granted, and that the roll for such improvement be made a three payment roll and the present roll be set aside and that the assessors be instructed to present to this council for confirmation a three payment roll for such improvement.

All of which is respectfully submitted.

JOHN H. ASHTON,
J. M. AIKENHEAD,
MERRON E. LEWIS,
HENRY G. COOK,
RICHARD J. DECKER,

Assessment Committee.

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the petition of Bessie J. Gillette, for permission to redeem her premises on a subdivision made by Block and Blauw, of a part of town lot 45 from the sale for general city taxes for the year 1893, and with 6 per cent. interest and fees, and to pay the general city taxes for 1894, with 6 per cent. interest, and to pay her local assessment on said premises for Kosciusko avenue pipe sewer and Sobieski avenue pipe sewer with 6 per cent. interest and fees thereon be granted and the City Treasurer is hereby directed to receive from Bessie J. Gillette the face of the general city taxes for the year 1893 against her premises known as lots Nos. 19, 23, 33, 92, 93, 109 and 86, of said subdivision assessed to her, with interest and fees allowed by the city charter down to the date of sale of said premises with the legal fees and interest on said sums at the rate of 6 per cent. per annum from the date of sale of said premises, and also the general city taxes for the year 1894, on lots 19, 23, 26, 27, 33, 35, 36, 37, 40, 41, 44, 45, 54, 55, 58, 59, 86, 87, 90, 92, 93, 97, 98, 99, 109 and 110 of Block and Blauw's subdivision of part of town lot 45, township 14, range 7, with interest at 6 per cent. per annum, and that said Treasurer also receive from said Bessie J. Gillette the assessments on lots 19, 23, 26, 27, 35, 36, 37, 40, 41, 44, 45, 54, 55, 58 and 59 of said subdivision for Sobieski avenue pipe sewer under final ordinance No. 5,191, with interest at 6 per cent. and legal fees due thereon, and that he also receive from Bessie J. Gillette, the face of the assessment on lots 86, 87, 90, 97, 98, 99, 109, 110 and 93 of said subdivision for Kosciusko avenue pipe sewer under final ordinance No. 5,190, with interest thereon at 6 per cent. per annum, and any legal fees to which said city may be entitled, and that upon the payment of such sums within ten days from the passage of this resolution said Bessie J. Gillette be, and she hereby is, allowed to redeem said property, and that the

Treasurer is hereby directed to charge the amount of expenses of sale and other expenses and excess of interest to erroneous assessments.

Adopted by the following vote:
Ayes—Alds. McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—13.

By Ald. Ashton—Resolved, That the City Treasurer be, and he hereby is, directed to receive from Louis Greisheimer, the sum of \$586.23, as and for his city taxes upon his premises for the year 1894, together with any charges for any water or any local assessments under any ordinances for local improvement, with interest thereon at 6 per cent. from August 1, 1894, and that the remainder of said tax against said premises be charged to erroneous assessments, provided, however, that said payment be made within ten days from the passage of this resolution.

Adopted by the following vote:
Ayes—Alds. McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—13.

By Ald. Ashton—Resolved, That the assessment roll for Second avenue pipe sewer and walks, under final ordinance No. 5,260 be, and the same hereby is, set aside.

Adopted.

LOCAL IMPROVEMENT ASSESSMENT.

By Ald. Ashton—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvement, including any and all interest that the city as paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvement, adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which the Common Council deems to be benefited by the improvement are as stated and described in the final ordinances relative to the improvement, and that the name and expense of the improvement thus to be assessed are as follows, viz:

Ord. No.	Improvement.	Expense.
5,260.	Second avenue pipe sewer and walks	\$1,757 54

And it is further determined that the taxpayers to be assessed for making the foregoing improvement, may pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment-roll by the City Treasurer; one-third within one year from the confirmation of such roll. And the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment a discount will be allowed at the rate of 6 per cent. per annum.

And the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of lands within the portions or parts of the city above designated and directed to be assessed of the amounts of expenses of such improvements, respectively, in proportion as nearly as may be, to the advantage which the said lots and parcels of land within the territory to be thus assessed for such improvement, shall be thus assessed

for such improvement, shall be deemed to receive by the making of the said improvement.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—19.

REPORTS OF STANDING COMMITTEES.

By Ald. Ashton—

To the Honorable, the Common Council of the City of Rochester :

Gentlemen:—In the matter of the petition of Fredericka Berg, for permission to pay a sidewalk tax against her premises, known as lots Nos. 15, 16 and 17 of the Fielding tract on St. Joseph street, we would recommend that the petitioner be permitted to pay the tax with 7 per cent. interest to January 1, 1880, and 6 per cent. from January 1, 1880.

In the matter of the petition of Susan Mayer, for permission to redeem premises owned by her on the north side of Clifford street from the sale of premises on June 20, 1878, for Clifford street sidewalk, we would recommend that Mrs. Mayer be allowed to redeem said premises from the sale for Clifford street sidewalk with interest thereon from the date of sale down to January 1, 1880, at 7 per cent., and from January 1, 1880, to the present time at 6 per cent. interest with any legal fees existing thereon at the present time.

In the matter of the petition of Ferdinand Roeser to pay his general city taxes for the year 1894, upon an assessed valuation of \$1,600, we would state that the assessors have reported that they have made a valuation of his premises at \$1,600, and we therefore recommend that the treasurer be authorized to receive from Mr. Roeser, his general city taxes for the year 1894, upon an assessed valuation of \$1,600.

In the matter of the petition of James H. McKibben, for permission to redeem lot 37 in subdivision 44 of the Farm tract from the sale of general city taxes for several years, we would recommend that Mr. McKibben be allowed to redeem said premises upon the payment of the amount for which said premises were sold with 6 per cent. interest and fees.

In the matter of the petition of Helen F. Furman for cancellation of an assessment for a lateral sewer, upon the report of the surveyor we recommend that it be denied.

In the matter of the petition of Albert G. Collister for rebate of an assessment for laying a lateral from his premises on Ravine avenue to Ravine avenue sewer, upon the report of the surveyor we recommend that the petition be denied.

In the matter of the petition of Henry J. Slattery for a refund of an alleged erroneous assessment for Plymouth avenue asphalt pavement, upon the report of the surveyor we recommend that the petition be denied.

In the matter of the petition of Sarah C. Shepard for a rebate of an assessment for Monroe avenue sewer, the surveyor reports after a careful examination of the petition that the petition be denied, and we concur in his report.

In the matter of the petition of Thomas Glavin and Wm. J. McPherson, for a refund of an alleged erroneous assessment for Plymouth avenue cement walk, the surveyor after a careful examination reports that the petition should be denied.

In the matter of the petition of the H. H. Warner Company asking for permission to pay their personal property taxes for the years 1890, 1891 1892, 1893, upon an assessed valuation of \$25,000, the city treasurer recommends that they be permitted to pay their personal property taxes for the years 1890, 1891, 1892 and 1893 upon an assessed valuation of \$25,000, and in this we concur.

In the matter of the petition of G. F. Kitts for cancellation of an assessment on Hague alley upon the ground that the same is a public place, the Executive Board report that Hague alley is not a public street and that the property is properly assessable.

All of which is respectfully submitted.

J. H. ASHTON,
 J. M. AIKENHEAD,
 JOHN F. FOX,
 H. G. COOK,
 Assessment Committee.

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the Treasurer be and he hereby is authorized to receive from Fredericka Berg the amount due the city for assessment against lots 15, 16 and 17 on St. Joseph street for construction of a sidewalk, together with interest thereon at 7 per cent. from the date said assessment was levied down to the first day of January, 1880, and interest thereon from the first day of January, 1880, at 6 per cent., and that the balance of the interest be charged to erroneous assessments.

By Ald. McMillan—

Rochester, N. Y., March 5, 1895.

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—Your Law Committee beg leave to report as follows:

In the matter of the claim of James Erwin for damages sustained by his horse on East Main street in stepping into a water stop gate we beg leave to report that we are advised by the city attorney that a liability exists on behalf of the city for these dam-

ages, and therefore recommend a settlement for \$87.40.

We also recommend the appointment of the following named persons as Commissioners of Deeds: Frank B. Decker, W. H. Wilburn, Winfield P. Hickey, C. S. Elliott, Joseph M. Guigley, E. M. Wadsworth, George W. Cox, Jacob J. Young, Genevieve Bogue, Louis P. Beck, D. Abeles, Wilbur L. Bishop, Warren L. Fisk, George C. Guggenheim, Charles W. Bryant, Thomas E. Thistle, Henry C. White, William N. Goldwater, Robert S. Williamson, Adelaide M. Watkins, Spencer P. Carmichael, Henry Ulrich.

Respectfully submitted,

THOMAS McMILLAN,
HENRY G. COOK,
WM. PAUCKNER,
W. H. TRACY.

Law Committee.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That upon the certificate of the City Attorney that proper releases have been executed and delivered to him, the City Clerk be authorized to draw an order payable from the Contingent Fund in favor of James Erwin for the sum of \$87.40, being in full for all damages arising from a certain accident which occurred on East Main street.

Adopted by the following vote:

Ayes—Alds. Tracy, Callihan, McMillan, Green, Rauber, Edelman, Fox, Powell, Ashton, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—17.

By Ald. McMillan—

To the Honorable, the Common Council:

Gentlemen:—Your Finance Committee, to which was referred the communication of Charles R. Barnes, City Electrician, with regard to the police patrol system, would respectfully report:

That they have considered the matter and are of the opinion that the present apparatus is not such as would be desirable for the new building and would cost nearly as much to move and put in shape as the improved system.

We would therefore recommend that the Committee on Police Building be authorized to expend an amount not exceeding thirty-one hundred dollars (\$3,100) in purchasing the improved system as recommended by the City Electrician and in placing the wires leading to the building under ground.

All of which is respectfully submitted.

T McMILLAN,
HENRY G. COOK,
MERTON E. LEWIS,
J. MILLER KELLY.

Special Committee.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the Committee on Police Building be and they are hereby authorized to expend for the purchase of apparatus for the police patrol system a sum not exceeding twenty-one hundred dollars (\$2,100), and for placing the wires under ground from Main street to the new building a sum not exceeding one thousand dollars (\$1,000).

Adopted by the following vote:

Ayes—Alds. Tracy, Callihan, McMillan, Green, Rauber, Edelman, Fox, Powell, Ashton, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—17.

Ald. Rauber, from the Health Committee, and Ald. Aikenhead, from the Police Committee, reported favorably on the bills referred to their respective committees, which bills were thereupon referred to the Finance Committee and City Auditor.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

To the Honorable, the Common Council:

Gentlemen:—At a meeting of the Council held February 19, 1895, the City Attorney was directed to institute condemnation proceedings to acquire additional right of way for the Thomas street outlet sewer. Proceedings were instituted and commissioners are to be appointed on March 6th. Since the proceedings were instituted, however, the owners of the property in question, the Hayward and Girard Park Homestead Association, have been considering the advisability of conveying an easement in their premises to the city and to-day presented a proposition that they would convey an easement for the purposes of this sewer to the city for \$150. I caused the matter to be laid before the Executive Board and they concurred with me in recommending that your Council authorize the payment to the Hayward and Girard Park Homestead Association of the sum of \$150 for an easement in their premises through private property, known as Girard Park.

I therefore recommend that a resolution be adopted authorizing an order to be drawn in favor of the Hayward and Girard Park Homestead Association for \$150 in payment for an easement in the premises in question.

ADOLPH J. ROSENBECK,

City Attorney.

Ordered received, filed and published.

By Ald. Simmelink—Resolved That upon the certificate of the City Attorney that a proper easement has been conveyed by the Hayward and Girard Park Homestead Association of a strip of land 40 feet in width for the use of the city for the Thomas street outlet sewer, and a release of said premises from all liens and incumbrances, the Clerk be and he hereby is directed to draw an order on the Treasurer payable from the Contingent Fund for the sum of \$150, payable to said association and that the Treasurer charge said sum to the fund for the construction of Thomas and other streets outlet sewer when said fund shall have been created.

Adopted by the following vote:
Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Edelman, Fox, Powell, Ashton, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—17.

By the Clerk—

CITY TREASURER'S OFFICE, }
ROCHESTER, N. Y., March 5, 1895. }

To the Honorable, the Common Council:

Gentlemen:—I hereby certify that the Executive Board have notified me that the works or improvements authorized under ordinances hereinafter mentioned have been completed; that I have, pursuant to the provisions of the charter, ascertained the entire and aggregate expense of and connected with the same respectively, including any interest that the city shall incur, or is entitled to for the use of its funds, and that the respective amounts thereof are as follows:

Ord. No.	Improvement.	Expense.
5,526.	Thomas and other streets outlet sewer (3 payment) ..	\$25,106 51
5,598.	Norton, Bremen and Townsend streets sewer (3 payment) ..	2,580 00

5,591.	Van Stallen park pipe sewer (1 payment) ..	1,209 64

SAMUEL B. WILLIAMS,
City Treasurer.

Ordered received, filed and published.

LOCAL IMPROVEMENT ASSESSMENTS.

By Ald. Ashton—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvements, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements respectively adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefitted by the improvements, respectively, and that the name and expense of the improvements thus to be assessed are as follows, viz.:

Ord. No.	Improvement.	Expense.
5,596.	Moulson street pipe sewer ..	\$ 748 61
5,609.	Magnolia street pipe sewer ..	1,329 71
5,625.	Frederick park pipe sewer ..	614 57
5,591.	Van Stallen park pipe sewer ..	1,209 64

And it is further determined that the taxpayers to be assessed for making the foregoing improvement must pay their assessments within thirty days from the first publication of the advertisement of the notice of the assessment rolls by the City Treasurer.

And it is further determined that the tax payers to be assessed for making the following improvements, viz.:

Ord. No.	Improvement.	Expense.
5,598.	Norton, Bremen and Townsend streets sewer ..	\$2,580 00

May pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed at the rate of six per cent. per annum.

And the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of lands within the portions or parts of the city above designated and directed to be assessed, of the amounts, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements, shall be deemed to receive by the making of the respective improvements.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Edelman, Fox, Powell, Ashton, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—17.

By Ald. Simmelink—Whereas, The entire expense and cost of the construction of an outlet sewer in Thomas and other streets, under final ordinance No. 5,245, including the amount of compensation to be paid to the owners of land deemed necessary to be taken has been ascertained and adjusted at \$25,106.57; now, therefore,

Resolved, That all persons interested in the matter of the ordering of the assessment for

the construction of the aforesaid sewer, and the acquirement of the right of way for the same be heard as to the same at the next regular meeting of the Common Council, March 12, 1895, at 7:30 o'clock P. M., and the City Clerk cause to be published a notice for such hearing as required by section 190 of the city charter.

Adopted.

Ordered received, filed and published.

By Ald. Simmelink—Whereas, The entire cost and expenses for the extension of Flower street in the city of Rochester under final ordinance No. 5,601, including the amount of compensation to be paid to the owners of land deemed necessary to be taken, has been ascertained and adjusted at \$4,472.84; now, therefore,

Resolved, That all persons interested in the matter of the ordering of the assessment for the aforesaid street extension be heard as to the same at the next regular meeting of the Common Council March 12, 1895, at 7:30 P. M., and that the City Clerk cause to be published a notice of said hearing as required by section 190 of the city charter. Adopted.

By Ald. Simmelink—

OFFICE OF THE EXECUTIVE BOARD, }
 ROCHESTER, N. Y., Feb. 28, 1895. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—We hereby certify that a majority of the taxpayers on the following named streets and parts of streets in the old fifteenth (15th) and sixteenth (16th) wards of this city, known as the territory taken from the towns of Irondequoit, Brighton, Gates and Greece, have petitioned for water mains therein in accordance with section 85 of title V of the city charter; that water mains have been laid therein, and that in pursuance of said charter, the taxable property and residents on said streets and parts of streets have therefore become jointly liable on their assessments in said territory, with the old territory of said city for such portion of the water debt as remains unpaid:

I. OLD FIFTEENTH WARD.

RICHARD CURRAN,
 W. W. BARNARD,
 JOHN U. SCHROTH.
 Executive Board.

By Ald. Simmelink—Resolved, That the City Assessors be and they are hereby directed to include in their assessments for water works purposes the property embraced in the foregoing list of streets of the old 15th and 16th wards of this city, now the present 10th, 15th, 16th, 17th and 18th wards of this city, this day presented to the Common Council with the certificate of the Executive Board that said property has under the provisions of the city charter become jointly liable with the old city territory (wards 1 to 14 inclusive) for such portions of the Water Works debt as remain unpaid.

Adopted.

By Ald. McMillan—

OFFICE OF THE EXECUTIVE BOARD, }
 ROCHESTER, N. Y., March 5, 1895, }

To the Common Council:

Gentlemen:—The Executive Board requests that the Finance Committee recommend to the Common Council an appropriation of \$25,000 to meet the necessary expenditures in the Highway department for the balance of the year.

Under date of December 31, 1894, the Executive Board requested and was granted the sum of \$50,000 for this purpose which was at that time deemed sufficient, if the ordinary winter season prevailed. Such conditions have not existed for the past month or so; on the contrary a storm set in of the most unusual and extraordinary kind. Streets and sidewalks have been blockaded with snow of such a depth that nothing but absolute removal could render them fit for traffic or pedestrians.

This work has been going on continuously in roadways day and night and Sundays up to the present date, and yet there are a large number of streets which if the weather does not moderate, will have to be cleaned of snow and ice. It may be stated that there were removed from East and West Main street, West avenue and State street as far north as Vincent place and North St. Paul street as far north as Lowell street, 45,000 yards of snow, which was done at a considerable expense owing to the fact that men and teams worked only eight hours a day.

The apprehension of the public that a flood would follow this immense snow fall caused the Board to order a channel cut in the upper river, which is estimated to have cost nearly \$800 up to the present time. This is a work for which the Highway Fund should not be charged, as the river is under the jurisdiction of the Common Council in all matters relating to removal of debris and obstructions from its bed.

There is now to the credit of the Highway Fund the sum of \$5,637.70 and over four weeks remain before the year expires. The usual spring cleaning cannot be done, and has not been done for several years at a less expenditure than \$5,000 a week; and, assuming that ordinary conditions will exist for this period of time, the sum of \$25,000 cannot be considered excessive.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published and referred to Finance Committee.

By Ald. McMillan—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., March 5, 1895.

To the Common Council:

Gentlemen:—I am directed by the Executive Board to transmit to you for consideration the inclosed communication from the Chief Engineer of the Water Works, in relation to providing means for completing both the new conduit and the system of large distributing mains. The Executive Board fully concurs in the statements made by said engineer, and deems it important that adequate provision shall be made for completing the work mentioned at an early day.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Rochester, N. Y., March 5, 1895.

To the Executive Board:

Gentlemen: As the finance committee of the common council is now considering various estimates for necessary expenditures during the coming fiscal year, I desire to call your attention to the estimates for the completion of the new conduit and the system of large distributing mains.

To complete the new conduit work, permanent connections at Rush and Mt. Hope reservoirs are yet to be made, and proper buildings are also needed over the gate house and overflow chamber at Hemlock lake as well as at Mt. Hope reservoir. The estimated expense of these items is \$50,000, and as the additional water supply fund is practically exhausted this sum should be appropriated for the purpose.

It may be remarked in this connection that no necessity for an additional appropriation for the new conduit would have arisen if it had been possible to finish, during the past year the legal proceedings for the collection of the bond for \$90,000 which was given by the Moffett, Hodgkins & Clark Company along with their bid for contract No. 2, and which was forfeited by the failure of said company to enter into contract after the acceptance of said bid. The matter is still awaiting trial in the United States court, and as it may continue to be postponed, no definite time for its conclusion can be fixed. In the meanwhile the aforesaid new conduit work should be finished, so as to make available all of the advantages resulting from its construction.

In regard to the new system of large distributing mains in the city, it will be remembered that the estimated cost of the work which was deemed necessary one year ago was \$488,000. Of this amount only \$250,000 was appropriated, and it was expected that the remainder would be provided this year. After all the contracts are completed which were made last year, under the above-named appropriation, no appreciable balance will be left in this fund. If the work is to be continued this year, as originally planned, the sum of \$240,000 will be required.

I also desire to call attention to the urgent expediency of some action in reference either to acquiring Cobb's hill or stopping further excavations for sand in the sides thereof. As has been pointed out before, this locality is the most favorable site for a new and large distributing reservoir, and it is gradually being spoiled for the purpose by the excavations mentioned. While the price asked for the land is very high, and perhaps more than may be deemed expedient to pay under present circumstances, some arrangements should nevertheless be made whereby the highly detrimental excavations shall be stopped un-

til the purchase of the land is consummated.
Respectfully submitted.

E. KUICHLING.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I hereby certify that the annexed report of the Fuel and Fire Fixtures Committee was adopted by the Board of Education at a regular session thereof held this day.

Respectfully,

MILTON NOYES, Clerk of Board.

Commissioner Doehler, chairman of the Fuel and Fire Fixtures Committee, presented the following:

"To the Board of Education:

"Gentlemen—The demand for supplying our public schools with necessary coal during the present winter has been greater than ever before.

"In addition to the extreme weather during the past three months the blizzard week alone cost us in coal \$1,800 or \$2,000 extra. These items added to unexpected repairs in the fire fixtures were not foreseen or calculated upon and for these reasons the funds at the disposal of the Fuel and Fire Fixtures Committee have become nearly exhausted; therefore, be it,

"Resolved, That this board petition the Common Council for an additional appropriation of \$3,000 in order to furnish the necessary supply of coal for the public schools.

Rochester, N. Y., March 2, 1895.

To the Honorable, the Board of Aldermen;

Gentlemen:—We, members of the executive committee of the Committee of One Hundred, respectfully call your attention to certain evils existing in the city of Rochester, and which have existed for a long time, viz.:

The gathering together in saloons behind closed doors and in secluded compartments, of prostitutes and men of evil habits, and also the presence there of young women and young men who are passing from lives of respectability to lives of crime. We know that there are many saloons in our city in which such practices are permitted, and we hold that they are but a degree removed from houses of prostitution, and are demoralizing the youth of both sexes.

Secondly. The practice of permitting children to enter into places where intoxicating drinks are sold, and the selling of liquor to children. We know that such practices, besides being crimes against the peace of the city and against the laws, are schooling children in vicious habits and associations, and should be stopped.

Thirdly. The keeping of saloons open at times prohibited by law. This is not only contrary to law, but denies to the people the quiet and order to which they are entitled by law. We know that the remedy for these evils is in the hands of the mayor and police commission, and that it should be vigorously and constantly applied.

We know there are dealers in intoxicating drinks in the city who desire to conduct their business in a law-abiding manner, and we hold that the permission of the aforementioned evils is an infringement of their rights, and is an open inducement to them to violate the law.

We have ground for believing that offenders against the law, and dealers who sell to saloons, are desirous of securing the election by your board to the office of police commissioner, about to become vacant, of some person who will favor the permission of these evils, and who will be elected to the office

for the express purpose of preventing the police from executing the law, and from gathering evidence against such offenders.

We therefore respectfully protest against the election to the office of police commissioner of any person who is directly or indirectly interested in the liquor traffic, or who will favor or tolerate law-breaking by the dealers in intoxicating drinks.

Yours very respectfully,

Grand Army Relief Committee,
 Rochester, N. Y., March 3, 1895.

Gentlemen:—Upon assuming charge of this committee for the current year, I find that in consequence of the general depression of business, together with the severity of the past winter, the applications for relief have been abnormally large; and as a consequence our apportionment is nearly exhausted, with February coal and grocery bills unpaid.

I have the honor to request an additional apportionment from the poor fund to the amount of \$1,000 to enable us to supply our needy to the end of the fiscal year to wit, April 1st, next.

I have the honor to be

ACTION ON ORDINANCES.

FIRST ORDINANCES.

SUPPLEMENTAL ORDINANCE FOR BRIDGE OVER THE CARROLL AND FITZBUGH RACE, COURT STREET.

Excess of actual cost above the estimate in final ordinance No. 5,263.

Whereas, This Council did by final ordinance No. 5,266, passed January 29, 1894, determine and ordain that a substantial iron bridge should be built over the Carroll & Fitzhugh race at Court street, the estimate for which was \$15,000; and,

Whereas, The said improvement has been completed and the City Surveyor reports that the actual expense of the improvement over the estimate in the ordinance amounts to \$2,248.37, which said amount of excess above the estimate is hereby approved.

Resolved, That the said amount of \$2,248.37 is hereby directed to be assessed upon the following portion of the city, which this Common Council deems proper to be so assessed for and will be benefited by said improvement.

All the lots and parcels of land included within and described by the following boundary lines, viz.:

Beginning at the southeast corner of East Main street and Exchange street, thence southerly along Exchange street to the south line of the freight station grounds of the New York, Lake Erie & Western railroad; thence easterly along the said south line of said station grounds to the west bank of the Genesee river; thence northerly along the west bank of the Genesee river to the south line of East Main street; thence westerly along the south line of East Main street to the place of beginning, excepting the lots fronting on East Main street lying east of the lot on the southeast corner of Exchange street and East Main street. Also one tier of lots and parcels of land on each side of Court street from the west bank of the Genesee river to South St. Paul street. Also one tier of lots and parcels of land on the west side of South St. Paul street, from East Main street to the Erie canal. Also all the lands of the Rochester & Honeoye Valley Railroad Company, lying between the Erie canal, the feeder and the river and extending south to a point opposite the center of Comfort street.

Adopted.

By Ald. Ashton—Resolved, That all persons interested in the subject matter of any and all improvements, contemplated to be made in or by any order, ordinance or resolution adopted, or passed, or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, under ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council chamber, when allegations relative thereto will be heard, and that the City Clerk be, and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Herald notice thereof as is required and in the manner specified by section 172 of the city charter.

City Clerk's Office,
Rochester, N. Y., March 5, 1895.

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Herald, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by order, resolution or ordinance or amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectfully specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and

the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of any or all such improvements, respectively, to attend the Common Council on Tuesday evening, March 5, 1895, at 7:30 o'clock P. M., at the Common Council chamber, when allegations would be heard in reference to such improvement:

Respectfully,

THEODORE S. PULVER, City Clerk.

MISCELLANEOUS BUSINESS.

By Ald. McMillan—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., March 5, 1895. }

To the Common Council:

Gentlemen:—At a meeting of the Executive Board March 1, 1895, the following action was taken:

“By Mr. Barnard—Whereas, By terms of contract No. 1, Additional Water Supply fund, section No. 164, the Executive Board may retain for the period of one year out of that the moneys payable to said contractors,

the sum of two per cent. of the total value of the work done under this contract, for the purpose of making such repairs on the line of said work as the Chief Engineer of Water Works may deem necessary and expedient, and deposit said sum in any saving bank or banks in said city which the contractor may designate, and the Central Bank having been designated by the contractors, Wm. H. Jones & Sons, therefore,

“Resolved, That the clerk of this board be authorized and directed to draw an order on the City Treasurer for the sum of \$5,385.09, payable from the Additional Water Supply Fund, said sum to be deposited in the Central Bank in the name of the Executive Board, City of Rochester, as trustee for Wm. H. Jones & Sons. Adopted.”

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Alderman McMillan—Resolved, That the action of the Executive Board in regard to the disposition of the amount retained on Contract No. 1, Additional Water Supply Fund, as submitted in this communication, be and the same is hereby approved.

Adopted.

By Ald. Dewey—
OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., March 12, 1895.

To the Common Council:

Gentlemen: The Executive Board directs me to call your attention to the necessity of providing an outlet of sufficient capacity for Richard street sewer. This sewer now connects with the Goodman street sewer, and for want of depth or fall the latter becomes from time to time obstructed so as to require opening and cleaning, the expense of which has had to be paid out of the Highway Fund.

In the midst of the severest part of this winter about two hundred and ten feet of this sewer had to be cleaned to afford relief to the residents of Richard street, and this and other expenses must necessarily be incurred as long as the present condition of the sewer exists. It is therefore recommended that measures be at once taken to cause an ordinance to be prepared for abatement of this nuisance as well as to avoid the maintenance of the sewer at public expense.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published and referred to the City Surveyor to investigate.

By Ald. Dewey—Notice is hereby given that at the next regular meeting of this Common Council an amendment will be introduced to the ordinance relating to markets.

REPORTS OF STANDING COMMITTEES.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Finance Committee would most respectfully report:

That we have carefully considered the request of the Executive Board for more money for the Highway Fund. Owing to the unusually heavy fall of snow during the great blizzard the expenditures from that fund were greatly in excess of the amount anticipated, causing a shortage in that fund, and we would therefore recommend an appropriation of fifteen thousand dollars for that fund.

For the same reason the Board of Education have had unusual demands made upon them for coal for public schools and we would recommend an extra appropriation for that fund of three thousand dollars.

The Grand Army Relief Fund has also had extra drafts made upon it and we would recommend an extra appropriation of one thousand dollars for that fund.

All of which is respectfully submitted.

T. McMILLAN,
M. B. ADAMS,
H. G. COOK,
ALVIN H. DEWEY,
J. MILLER KELLY,

Finance Committee.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is authorized and directed to issue the city's note, under section 81 of the city charter, for the sum of nineteen thousand dollars. Said note to be issued under direction of the Finance Committee and to be countersigned by the chairman thereof, and to be for a period not exceeding six months, interest or discount to be charged to the Contingent Fund. The proceeds to be applied as follows:

To the Highway Fund.....	\$15,000
To the Board of Education Contingent Fund for Fuel and Fire Fixture Committee.....	3,000
To the Grand Army Relief Fund.....	1,000

Adopted by the following vote:

Ayes—Alds. Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—19.

ROCHESTER, N. Y., March 12, 1895.

To the Honorable, the Common Council:

Gentlemen: Your Committee on Support and Relief of the Poor would respectfully report:

That pursuant to our directions the Overseer of the poor advertised for proposals for furnishing 700 barrels of flour to the department to be delivered in quantities as desired during the year beginning March 1, 1895

Bids were received from three firms, the lowest being that of W. S. McMillan for \$2.75 per barrel for No. 1 amber flour. Your committee would therefore recommend that the contract for furnishing 700 barrels of flour to the department as called for by the advertisement be awarded to W. S. McMillan at \$2.75 per barrel.

For continuing the stone yard more room and more stone are needed. Your committee has received an offer of the use of two and one-half acres of land on Bay street for one year for \$40; and an offer from William Fuller to furnish stone as needed at 30 cents per yard. Your Committee would therefore recommend that a contract for the use of 2-1/2 acres of land on Bay street for the purpose of the city stone-yard be entered into with George Buck

at the sum of \$40 and that the contract for furnishing the stone used in the yard be awarded to William Fuller at the price of his bid, 30 cents per yard.

Respectfully submitted,

HENRY G. COOK,
M. J. CALIHAN,
M. B. ADAMS,
THOMAS McMILLAN.

Committee on Support and Relief of the Poor.

Ordered received, filed and published.

By Ald. Cook—Resolved, That the Overseer of the Poor be, and he hereby is authorized to contract with W. S. McMillan for furnishing 700 barrels of No. 1 amber flour to the department as needed during the year ending March 1, 1896, at the price named in his bid, \$2.75 per barrel.

Adopted.

By Ald. Cook—Resolved, That the Overseer of the Poor be, and he hereby is authorized to lease the property of George Buck situated on Bay street for the use of the city stone yard for one year for the sum of \$40.

Adopted.

By Ald. Cook—Resolved, That the Overseer of the Poor be authorized to contract with William Fuller for furnishing stone to the city yard at the price of 30 cents per yard.

Adopted.

ROCHESTER, N. Y., March 12, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: The following commissioners of deeds are recommended for appointment:

Edward Kerns, Hattie V. Oviatt, Herbert J. Menzie, L. C. Allyn, E. S. Hayward, Edward Englehardt, Hannah Williams, J. B. M. Stephens, C. A. Jordan.

In the matter of the claim of W. H. Glenny & Co. for damages to a horse amounting to \$75.60, on the advice of the City Attorney we recommend that the same be paid. All of which is respectfully submitted.

M. B. ADAMS,
WILLIAM PAUCKNER,
HENRY G. COOK,
T. McMILLAN.

Law Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney, the City Clerk be authorized to draw an order for \$75.60 in favor of W. H. Glenny & Co., in full for damages to horse and expenses connected with same, and charge Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Green, Rauber Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmellink, Lewis, Harris, Decker—19.

Ald. Calihan of the City Property Committee, Ald. Rauber from the Health Committee, Ald. Cook of the Poor Committee. Ald. Pauckner of the Contingent Expense Committee, reported favorably upon bills referred to their respective committees, which bills were thereupon duly referred to the Auditor and Finance Committee.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By Ald. Ashton—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., March 12, 1895. }

To the Common Council:

Gentlemen:—In accordance with your resolution authorizing the Executive Board to negotiate for the land necessary for the extension of Ravine avenue, the Board invited

the owners to call at the office and state what price would be accepted for it. The amount asked for the parcel of land proposed to be acquired is \$800, which is deemed by the Executive Board somewhat in excess of its value, but as many of the owners of property liable to assessment for such improvement express a willingness to accept the proposition, it is deemed expedient to recommend to your honorable body that such a sum be ordered paid.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the amount at which the owner of the land and property necessary to be acquired for the extension of Ravine avenue, under final ordinance No. 5,666, will sell the same, as stated in the report of the Executive Board presented to this Council, at this meeting, is satisfactory and declared to be reasonable by this Common Council, and is hereby approved, and upon the certificate of the City Attorney that proper conveyances and abstracts have been delivered to him by the owner of said property, showing the same to be free and clear of all liens and incumbrances, the City Clerk is hereby directed to draw an order in favor of Thomas Salter, for the sum of \$800, payable from the fund for the extension of Ravine avenue, under final ordinance No. 5,666, and the City Treasurer is hereby directed to charge said amount to the fund for the extension of said street, when created.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmellink, Lewis, Harris, Decker—19.

By Ald. Ashton—Resolved, That the City Treasurer be, and he hereby is authorized to discount the city's note for the sum of \$800 and credit the proceeds thereof to the fund for the extension of Ravine avenue, under final ordinance No. 5,666, said note to be payable in not more than one year from the date thereof, and to be countersigned by the chairman of the Finance Committee, and transferred to said fund for the extension of said avenue.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmellink, Lewis, Harris, Decker—19.

By the Clerk—

OFFICE OF THE OVERSEER OF THE POOR, }
ROCHESTER, N. Y., Feb. 23, 1895. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned Overseer of the Poor of the city of Rochester would respectfully report that he has relieved 1,583 families in the following manner:

By the Clerk—

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Mar. 11, 1895. }

To the Honorable, the Common Council of the City of Rochester :

Gentlemen:—By the terms of its contract with the city the Rochester Humane Society is entitled to 95 per cent. of the gross receipts for registration of dogs since the date when the contract took effect, November 13, 1894.

Since November 13, 1894, there have been registered in this office 335 dogs at \$1 each, making a total of \$335, which amount has been deposited with the Treasurer and his receipts taken therefor. I ask your authorization to draw an order on the Treasurer, payable from the Police Fund, for \$318.25 in favor of the Rochester Humane Society, said amount being 95 per cent. of the receipts to date, since November 13, 1894.

Respectfully submitted,

THEO. S. PULVER, City Clerk.

Ordered received, filed and published.

ACTION UPON ORDINANCES.

Ald. McMillan moved that final ordinance No. 5,838, for Plymouth avenue and Plymouth park sprinkling be reconsidered. Adopted.

Ald. McMillan moved that the ordinance be amended so as to provide for sprinkling Plymouth avenue, from Spring street to Glasgow street. Adopted, and ordinance laid over under the rule.

Final ordinance for Brown street pipe sewer came up.

Ald. Decker moved that the ordinance lay on the table for three months. Carried.

UNFINISHED BUSINESS.

Notice having been given at a previous meeting of the introduction of an amendment to the ordinance relating to streets, the following was submitted:

By Ald. Dewey—

AN ORDINANCE TO AMEND THE ORDINANCE RELATING TO STREETS.

Section 1. Section fourteen of said ordinance as amended October 30, 1888, is hereby further amended so as to read as follows:

Sec. 14. No owner, or non-resident owner, agent or occupant of any store or building adjacent to any of the public streets, avenues, alleys, lanes, squares or places within the city, or other person shall place or erect or cause or suffer to be placed or erected or suspended to, upon, from, or adjacent to any such store or building any sign, post or fixture of any kind which shall be and project more than two feet from the front of any such store or building or be less than nine feet above the sidewalk or surface of any such street, avenue, alley, lane, square or place. No person or persons, firm or corporation shall place or cause to be placed or kept or placed for sale in any manner upon any public sidewalk in the city any goods, wares, merchandise or articles of any kind so that there shall not be at all times a space of at least six feet in width from the curb for the use of the public, except, however, that on East Main, West Main, Exchange and State streets there shall be at all times kept clear and unobstructed for the use of the public a width of fourteen feet from the curb. No person or persons, firm or corporation shall hang or suspend or cause to be hung or suspended in any manner from any awning frame or otherwise over any sidewalk, any goods, wares, merchandise or articles of any kind.

Nothing contained in this section shall prohibit the erection of an awning of cloth upon

iron frames in front of stores or buildings, provided the same shall be constructed in a uniform manner, supported by an iron frame work securely attached to the building in front of which the same shall be constructed, and provided that the same shall at all times be self supporting and securely kept and maintained from falling, and every part of the frame work and such awning be at least seven feet in the clear above the surface of the sidewalk, and provided that no curtain or sign shall be attached to any part of such awning or be in any way suspended from the same or any of its frames or so as to extend in any manner across or over such sidewalk. Every person or persons, firm or corporation erecting, or causing or permitting to be erected or placed, or keeping any awning or frame over any of the streets, avenues, alleys, lanes, squares or places in the city in pursuance of the permission granted in this ordinance shall assume all risk and damage resulting therefrom and shall be presumed to do so with the understanding that he, it or they shall be liable for all damages that the city or any person may suffer therefrom by reason of the same being negligently or defectively constructed, or out of repair at any time and shall indemnify, bear and save harmless the city from any and every suit, action or proceeding brought to recover any such damages. Every person, firm or corporation violating any of the provisions of this section shall be subject to a penalty of not less than five dollars nor more than twenty-five dollars for each offense, and a penalty of a similar amount for each twenty-four hours that such violation shall continue.

Sec. 2. This amendment shall take effect immediately.

Ald. Adams moved that the ordinance lie on the table for two weeks. The ayes and nays were demanded and the motion was lost by the following vote:

Ayes—Alds. Adams, Edelman, Fox, Powell, Ashton, Kelly, Aikenhead—7.

Nays—Alds. Callihan, McMillan, Green, Ward, Dewey, Cook, Pauckner, Simmelink, Lewis, Harris, Decker—11.

The ordinance was then adopted by the following vote:

Ayes—Alds. Callihan, McMillan, Green, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Simmelink, Lewis, Harris, Decker—16.

Nays—Alds. Kelly, Aikenhead—2.

REPORTS OF STANDING COMMITTEES.

By Ald. Adams—

Rochester, N. Y., March 19, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Law Committee beg leave to recommend the following Commissioners of deeds for appointment: George W. Colburn, George A. Brayer, Minor H. Brown, Bernard V. Logan, Peter G. Miller, John U. Etts, Frank J. Hone. We also recommend an appeal in the case of Hutchinson against the city.

All of which is respectfully submitted,

MAHLON B. ADAMS,
T. MCMILLAN,
H. G. COOK,
WM. PAUCKNER,
W. H. TRACY.

Law Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved, That the City Attorney be authorized to take an appeal in the case of Hutchinson against the city.

Adopted.

By Ald. Ward—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Public Improvement Committee, to which was referred the communication from the Executive Board, recommending the improvement of the sidewalks and roadway on South avenue from the approach to the reservoir to Elmwood avenue, would respectfully report:

That we have considered the subject and concur in the opinion of the Executive Board that such an improvement is needed, as the roadway in question is almost impassible at certain seasons of the year.

Your committee would therefore recommend that the City Surveyor be instructed to prepare an ordinance for a suitable improvement on South avenue, from the termination of the already projected improvement to Elmwood avenue.

Respectfully submitted,

WILLIAM WARD,
JONH R. POWELL,
STEPHEN RAUBER,
HENRY G. COOK,
WILLIAM C. GREEN,

Public Improvement Committee.

Ordered received, filed and published.

By Ald. Ward—Resolved, That the City Surveyor be and he hereby is instructed to prepare an ordinance for a trap rock Macadam improvement on South avenue from the termination of the projected improvement to Elmwood avenue.

Adopted.

By Ald. Ashton—

Rochester, N. Y., March 18, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—In the matter of the assessment for construction of Court street bridge, we would state that hearings had been held at two sessions of the committee and at the last hearing a proposition was submitted by the persons to be assessed on the north side of Court street through their attorneys, Hubbell & McGuire. We present this proposition to the Council and ask that it be received, filed and published.

In the matter of the petition of Emma Burns for cancellation of assessment for the extension of Orchard street, we would recommend that Mrs. Burns be allowed to redeem her premises from the sale of the

same for the assessment for the extension of Orchard street upon the payment of the face of the tax and with the expense of sale, and fees, with 6 per cent interest.

In the matter of the petition of the Rochester Athenaeum and Mechanics Institute, praying for the cancellation of the general city tax for 1894 against the property purchased of William S. Kimball, on South Washington street, we recommend that the petition be granted.

In the matter of the petition of Joseph H. Perkins for cancellation of assessment for sprinkling on Tremont street and Caledonia avenue, we recommend that the petition be denied.

JOHN H. ASHTON,
HENRY G. COOK,
J. M. AIKENHEAD,
JOHN F. FOX,
Assessment Committee.

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to receive from Emma Burns the face of the assessment against the southwest part of lot 6 of the Whitney tract, on Orchard street, standing against said Emma Burns, and assessed to Emma S. Patterson, for the extension of Orchard street and interest on said assessment and the fees allowed by the city charter down to the date of sale of said premises, with the legal fees and interest on said sums at the rate of 6 per cent. per annum from the date of sale of said premises, and that upon the payment of sums sum within ten days from the passage of this resolution said Emma Burns be, and she hereby is, allowed to redeem said property, and that the Treasurer is hereby directed to charge the amount of expenses of sale and other expenses and excessive interest to erroneous assessments.

Adopted by the following vote:

Ayes—Ald. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelinck, Lewis, Harris, Decker—20.

By Ald. Ashton—Resolved, That the City Treasurer be, and he hereby is directed to cancel the tax, interest and fees against the property of the Rochester Athenaeum and Mechanics Institute purchased of William S. Kimball, being the general city taxes for the year 1894.

Adopted by the following vote:

Ayes—Ald. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelinck, Lewis, Harris, Decker—20.

By Ald. Ashton—Resolved, That the petition of Joseph H. Perkins for cancellation of assessment for Tremont street and Caledonia avenue sprinkling be, and the same hereby is, denied.

Adopted.

By Ald. Ashton—Resolved, That the communication presented to the Council by Hubbell & McGuire, on behalf of the property owners, assessed for the building of Court street bridge be, and the same hereby is, referred to the Assessment Committee.

Adopted.

By Ald. Ashton—Resolved, That the Treasurer be, and he hereby is, authorized to receive from Robert B. Wickes, the sum of \$20.07 balance due for taxes on his lot No. 20, south side of East Main street, eighteenth ward, for the year 1893, and the sum of \$21.20 balance due for taxes on his lot, No. 20, south side of East Main street, eighteenth ward, for the year 1894, such sums having been erroneously charged to adjoining lot 21, and that the Treasurer be, and he here-

by is directed to credit upon the certificate of tax sale on lot No. 21, such sums when paid by said Robert B. Wickes.

Adopted by the following vote:
 Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—20.

To the Assessment Committee of the Common Council of the City of Rochester:

Gentlemen: Without waiving any of the rights which either of our clients have, we are authorized to make the following propositions in regard to the assessment for the Court street bridge.

We represent three parties who own all of the land on the north side of the bridge, namely: American Tobacco Company, James H. Murray and Joseph H. Coddington, and we are authorized by these parties to state that we will pay at once into the treasury of the city of Rochester the sum of \$20.00 a running foot front, in full of the assessment on the north side of the bridge. We are informed by the City Surveyor that \$20.00 a foot will cover the entire expense of the surface improvement.

Second proposition: We will deed the piece of land owned by the American Tobacco Company to the city of Rochester in satisfaction of the assessment; but the deed shall contain a clause that the same shall forever remain open and not be built upon in order that the factory of the American Tobacco Company, situate on the bank of the river, adjoining the bridge on the west bank, shall have the benefit of said open space for light and air.

We will deed the other two parcels to the city of Rochester, including all of the land from the Court street bridge to the Aqueduct, owned by Murray and Coddington, in satisfaction of the assessment, and on the city of Rochester paying to Messrs. Coddington and Murray the actual cost of the property, with interest and attorneys' fees; but the entire sum shall not exceed \$3,000.00.

Very respectfully,
 HUBBELL & MCGUIRE.

REPORTS OF SELECT COMMITTEES.

By Ald. Dewey—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your special committee on the revision of the penal ordinances beg leave to report that it has examined into the petition of Joseph Silverstein and Philip Manson, for the privilege to operate the news stand on the State street and Main street sides of the Elwood building, on Sundays, and have heard the petitioners and other persons interested in said petition, and beg leave to report that your committee is of the opinion that it is inadvisable to grant any special permission to petitioners or any one else to occupy the sidewalks of the city for the purposes desired by the petitioners; that this Common Council has heretofore adopted ordinances regulating the use of the sidewalks of the city and the petitioners, with other residents of the city, must comply with the same.

Respectfully submitted,
 ALVIN H. DEWEY,
 T. McMILLAN,
 WILLIAM WARD,

Special Committee on Revision of the Penal Ordinances.

To the Common Council:

Gentlemen:—The following action was taken at a meeting of the Executive Board, March 15, 1895:

By Mr. Barnard—Whereas, by terms of contract No. 2, Additional Water Supply Fund, section No. 308, the Executive Board may retain for the period of one year, out of the money payable to said contractors, the sum of two per cent. of the total value of the work done under this contract, for the purpose of making such repairs on the line of said work as the Chief Engineer of Water Works may deem necessary and expedient, and deposit said sum in any Savings Bank or banks in said city, which the contractors may designate, and the German-American Bank having been designated by the contractors, Whitmore, Rauber & Vicinus, therefore,

Resolved, That the Clerk of this Board be authorized and directed to draw an order on the City Treasurer for the sum of \$23,000, payable from the Additional Water Supply Fund, said sum to be deposited in the German-American Bank, in the name of the Executive Board, city of Rochester, as trustee for Whitmore, Rauber & Vicinus.

Adopted.

Respectfully,

THOS J NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the action of the Executive Board, as set forth in the preceding communication, be and the same is hereby approved.

Adopted.

To the Common Council:

Gentlemen:—It will doubtless be remembered that the Executive Board, in its requisition last spring for funds for the maintenance and care of the fire department, made application for amount necessary for the purchase of sites and erection of engine houses, one of which was to replace the house on Belmont park and the other to provide for a new location for an engine house in the southeastern part of the city. At that time, in view of the large tax levy, it was thought the old fire house on Belmont Park might be continued in service another year, but subsequently, and after the adoption of the tax levy, it was found that the house on Belmont park had become so dilapidated that it was no longer tenable; and, in view of the fact that a cash offer for the site was made of \$7,000, your Finance Committee deemed it good policy and expedient to sell the same and purchase a new site. The old property was therefore sold for the sum of \$7,000, and the amount credited to the Fire Department Fund.

The building on Belmont Park has been completed, and is now occupied and in commission. In view of all these circumstances; the sale of the old building; the obtaining of an available site, and the erection of the new house, the Executive Board is of the opinion, that the action of your Finance Committee was prudent and judicious.

After crediting the amount received for the old house on Belmont Park, the balance to be provided for is as follows:

For New House, Belmont Park....	\$19,508 38
For Monroe Avenue site.....	6,060 00
	\$25,568 38

It will therefore be necessary to reimburse the Fire Department Fund for the amount thus expended in order that the Executive Board may meet the necessary expenditures for this purpose for the current year.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.
By Ald. McMillan—Resolved, That the City Treasurer be, and he is hereby, authorized to issue the city's note, under section 81 of the city charter, for the sum of twenty-five thousand dollars (\$25,000), said note to be issued under the direction of the Finance Committee and to be countersigned by the chairman thereof. Interest or discount to be charged to contingent fund. The proceeds to be placed to the credit of the Fire Department Fund.

Adopted by the following vote:
Ayes—Alds. Tracy, Caliban, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelnik, Lewis, Harris, Decker—20

**ACTION UPON ORDINANCES.
FIRST ORDINANCES**

WERNER PARK EXTENSION.

By Ald. Edelman—Resolved, That the following improvement is necessary and we hereby judge that the public good requires the same to be done, viz: The extension of Werner park, 90 feet in width, in a straight line northerly from its present northern end to the north line of lot No. 10 and said line produced westerly to meet the proposed west line of Werner park. Said lot No. 10 is supposed to be owned by Robert C. Campbell.

Adopted.
The land necessary to be taken for said extension is a strip of land 90 feet in width, the east line of which is described as being 225 feet distant from and parallel to South Culver street, and extending from the present north end of Werner park to the north line of said Campbell's lot and said line produced.

Resolved, Further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Werner park as now opened and as proposed to be extended by this ordinance, from Monroe avenue to the north line of said

Robert C. Campbell's lot, as they exist at the date of the passage of this ordinance.
Adopted.

By Ald. Ward—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Herald notice thereof as is required and in the manner specified by section 172 of the city charter.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Mar 19, 1895. }

To the Common Council:

Gentlemen: Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Herald, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expenses thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements, respectively, to attend the Common Council on Tuesday evening, March 19, 1895, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.
Respectfully,

THEO. S. PULVER, City Clerk.

FINAL ORDINANCES.

Final ordinance for Mt. Vernon avenue and Meigs street sewer came up. Ald. Cook presented a remonstrance from property owners on Meigs street. Ordered received and filed.

Allegations were heard from all persons appearing, after which Ald. Pauckner moved that the ordinance lie on the table until the next regular meeting, and that it be referred to the Committee on Streets and Sewers. Carried.

FINAL ORDINANCE NO. 5,896.

PLYMOUTH AVENUE AND PLYMOUTH PARK SPRINKLING.

On motion of Ald. Ward, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to sprinkle Plymouth avenue and Plymouth park from Spring street to Glasgow street.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester do ordain and determine that the following improvement is necessary, and should be made, to wit:

The sprinkling of Plymouth avenue and Plymouth park from Spring street to Glasgow street during the season of 1895.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of three hundred and seventeen dollars, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city which this council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

One tier of lots and parcels of land on each side of Plymouth avenue and Plymouth park from Spring street to Glasgow street.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—20

FINAL ORDINANCE NO. 5,266.

SUPPLEMENTAL ORDINANCE FOR BRIDGE OVER THE CARROLL AND FITZHUGH RACE, COURT STREET.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance for excess of actual cost above estimate in final ordinance No. 5,266.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester do ordain and determine that the following improvement is necessary, and should be made, to wit:

Whereas, This Council did by final ordinance No. 5,266, passed January 29, 1894, determine and ordain that a substantial iron bridge should be built over the Carroll & Fitzhugh race at Court street, the estimate for which was \$15,000; and,

Whereas, The said improvement has been completed and the City Surveyor reports that the actual expense of the improvement over the estimate in the ordinance amounts to \$2,248.37, which said amount of excess above the estimate is hereby approved.

Resolved, That the said amount of \$2,248.37 is hereby directed to be assessed upon the following portion of the city, which this Common Council deems proper to be so assessed for and will be benefited by said improvement.

All the lots and parcels of land included within and described by the following boundary lines, viz:

Beginning at the southeast corner of East Main street and Exchange street, thence southerly along Exchange street to the south line of the freight station grounds of the New York, Lake Erie & Western railroad; thence easterly along the said south line of said station grounds to the west bank of the Genesee river; thence northerly along the west bank of the Genesee river to the south line of East Main street; thence westerly along the south line of East Main street to the place of beginning, excepting the lots fronting on East Main street lying east of the lot on the southeast corner of Exchange street and East Main street. Also one tier of lots and parcels of land on each side of Court street from the west bank of the Genesee river to South St Paul street. Also one tier of lots and parcels of land on the west side of South St. Paul street, from East Main street to the Erie canal. Also all the lands of the Rochester & Honeoye Valley Railroad Company, lying between the Erie canal, the

feeder and the river and extending south to a point opposite the center of Comfort street.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—20

By Ald. Pauckner—Resolved, That the name of Nieser street be changed to Brighton street, and that the Executive Board and City Assessors be notified of such change and that the former be requested to place the usual street signs and that the Clerk enter the name on the street register kept by him.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—20

Notice having been given that at this meeting an amendment to the ordinance relating to markets would be presented, the following was submitted:

By Ald. Dewey—

AN ORDINANCE to amend an ordinance relating to markets, etc., found at page 304 of the proceedings of the Common Council for 1886 and 1887, passed November 9, 1886.

Section 1. Section one of said ordinance is hereby amended so as to read as follows:

Sec. 1. No person, firm or corporation shall sell any fresh meat within the city (venison, wild game, pork in the hog, poultry and offals of hogs, consisting of fat, ears, snouts and spare ribs, sold by persons being packers of park excepted) unless he, she or it shall have previously obtained a license therefor, which license is hereby fixed at the sum of \$25 per year, under a penalty and fine of \$10 for each offense.

Sec. 2. This amendment shall take effect on the second day of July, 1895.

Ald. McMillan moved that the amendment lie on the table until the next regular meeting. Carried.

Action on the confirmation of the assessment rolls for Thompson avenue extension. Ordinance No. 5,251, and Pierpont avenue extension, ordinance No. 4,557, being in order, allegations were called for on each of the rolls separately and no person appearing, the following was submitted:

By Ald. Ashton—Resolved, That each of the above named assessment rolls be, and the same hereby are, in all things confirmed.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—20.

EXECUTIVE BUSINESS.

Ald. Adams moved that the Board proceed to the appointment of Commissioners of Deeds. Carried.

Ald. Adams moved that the several persons recommended in the report of the Law Committee be appointed Commissioners of Deeds and that the Clerk cast the ballot therefor.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Decker—20

Ald. Powell moved that the board proceed to the election of a Police Commissioner. Carried.

Ald. Powell nominated Frank N. Kondolf. Frank N. Kondolf was named by Aids. Tracy, Rauber, Edelman, Powell, Ward, Kelly, Harris and Decker—8.

Aids. Calihan, McMillan, Green, Adams, Fox, Ashton, Dewey, Cook, Pauckner, Aikenhead, Simmelink and Lewis voted blank.

The chair declared the result of the ballot to be no choice, no candidate receiving the number of votes necessary to elect.

Ald. Edelman moved that further balloting be postponed until the next regular meeting. Carried.

Adopted.

By Ald. McMillan—Resolved. That the special committee on Central Police Station be authorized to negotiate with the McMahon estate for the purchase of a strip of land on the south side of the police building, on Exchange street, and report back to this board at its next meeting.

Adopted.

Ald. Rauber moved that the roll for the Vincent place pipe sewer be referred to the Assesment Committee.

Adopted.

By Ald. Adams—Resolved, That the city charter, prepared under direction of the Common Council by the Law and Finance Committees thereof, be, and the same hereby is, approved, and that the representatives of the city in the senate and assembly be respectfully requested to introduce the same in the legislature and secure its passage, and that the City Attorney be directed to forward the necessary copies to such representatives with a certified copy of this resolution.

Adopted by the following vote:

Ayes—Aids. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Simmelink, Lewis, Harris, Decker—19.

Nays—Ald. Aikenhead—1.

By Ald. Fox—Application of George Messmer for appointment as Commissioner of Deeds. Referred to Law Committee.

By Ald. Dewey—Whereas, under the provisions of the revised constitution the terms of office of the members of the Common Council have been extended or abridged so that the same expire on the last day of December of this year, and this Common Council is satisfied that this provision of the constitution impliedly repeals the section of the city charter which provides that the Common Council shall, on the first Monday of April select from its number and appoint a president for the year, therefore,

Resolved, That the present organization of the Common Council, including the president and its committees, and also the terms of office of all appointees of the Common Council whose terms expire prior to the 31st day of December, 1895, be extended to and including that date.

Adopted.

By Ald. Lewis—Petition of Johanna Van De Walle for permission to erect a wood building on Bay street. Referred to Fire Marshal and Wood Building Committee, with power to act.

By Ald. Lewis—

Brockport, N. Y., March 15, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Through the efforts of our trustees a bill has been introduced in the legislature, and is now before the Ways and Means Committee, being bill No. 1,050, providing that the state shall pay the operating expenses of all the lift and swing bridges owned by the state.

You are as deeply interested in this matter as we. Please take immediate action, and urge your senators and assemblymen to use every effort to have the bill become a law. If possible send a delegation to Albany.

We should not pay taxes to maintain free bridges for other localities and be taxed to operate ours. The bill is just and right and we are assured that proper effort at this time will succeed.

Yours very truly,

BENJAMIN F. GLEASON,
Village President.

JOHN N. DRAKE,
Village Clerk.

Ordered received, filed and published and referred to the Law Committee.

By Ald. Lewis—

Office of Rochester Railway Co.,
Rochester, N. Y., March 18, 1895. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Rochester Railway Company hereby makes application for the right, franchise and privilege of constructing, maintaining and operating a street surface railroad, to consist of a single or double track, at the option of this company, with the necessary turnouts, sidings and switches for the convenient operation of the railroad in, through, along and upon the streets and avenues hereinafter named, to wit:

Commencing at the present track of the company in East Main street, at its intersection with North Goodman street; thence along North Goodman street to Webster avenue; thence along Webster avenue to Parsells avenue; thence along Parsells avenue to the city line.

And this company hereby applies for the right to set and maintain the necessary poles and to string and maintain the necessary wires and appliances in, through, along and upon the said streets and avenues, to enable said railroad to be operated with electricity as motive power with the single trolley electric system.

Respectfully submitted,
ROCHESTER RAILWAY CO.,

 The foregoing is merely a synopsis of the work of the Law Department during the past year; many statutes have been prepared for the Legislature; the charter has been entirely re-arranged and many portions of it re-written and very many consultations have been had during the year between members of the staff of the Law Department and the officials of the city, and numerous opinions both oral and written have been given.

Your committee has had the general supervision of the legal affairs of the city during the past year and its members have been brought in close communication with the staff of that department, and we desire to commend each and every member in that department for his efficient and conscientious work during the past year.

ANNUAL REPORT OF THE CITY PROPERTY COMMITTEE.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—In accordance with the provisions of the city charter your City Property Committee submits the following annual report:

Receipts.

Balance April 1, 1895	\$ 1,175 15
Appropriations	8,200 00
Proceeds city note, Jan. 22, 1895....	4,000 00
Rents	152 00
Total	\$13,527 15

Expenditures.

Plumbing, labor and materials.....	\$ 2,835 58
Repairing, renovating and furnishing offices	2,690 27
Lighting city buildings	1,594 29
Cleaning and laundry	1,306 59
Coal and wood	1,136 00
Supplies	492 47
Repair and care of clocks.....	466 50
Rewiring City Hall	875 00
Architect's services	100 00
Balance in fund.....	2,030 45
Total	\$13,527 15

As will be seen from the foregoing statement one of the principal items of expenditure incurred by your committee was that involved in the renovating and refurnishing of offices in the City Hall. During the year the offices occupied by the Mayor, Executive Board, City Treasurer, City Clerk, and Water Works Collection Department have been re-decorated and to a large extent refurnished. The dilapidated condition of the plumbing in the city buildings has necessitated considerable expenditures for repairs and the expense of rewiring the building has involved quite an outlay.

Notwithstanding the unusual expenditures noted the disbursements from the fund show a substantial decrease as compared with the preceding year and your committee feels that the matters under its charge have been handled with prudent economy and in a manner to yield the largest results from the least possible outlay.

Respectfully submitted,

ANNUAL REPORT OF THE LAMP AND ELECTRIC COMMITTEE.

Rochester, N. Y., March 28, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Lamp and Electric Committee submits the following condensed annual report for the year ending March 31, 1895.

In accordance with resolutions passed by your Honorable Board, the lighting of Main street, from the Erie canal to University avenue, with double incandescent arc lights fed from the underground wires, also the lighting of State street, from Main street to Center street, by the same method, has been completed, and the result is entirely satisfactory; and your Committee would recommend the lighting of other central streets in this manner, where conduits may be laid and the wires placed therein.

We wish to respectfully call your attention to the recommendation made in the annual report of the Lamp and Electric Committee last year, to the effect that the gas lamps on the streets should be replaced by arc lights; and as the contract with the Gas Company makes a sliding scale of prices, the number of gas lamps is so small now that under the terms of the contract we are now paying 7 cents per lamp per night, which is one-half cent more than we paid last year. For this reason we would again recommend that the gas lights be replaced by arc lamps.

We would also recommend that arrangements be made to construct conduits in Central avenue, North Clinton street and State street from Center street to Lyell avenue.

The following tables show the work done, and the money expended by the Lighting Department in detail during the year:

Receipts.

ANNUAL REPORT OF THE WATER WORKS COMMITTEE OF THE COMMON COUNCIL OF THE CITY OF ROCHESTER, N. Y., FOR THE YEAR ENDING APRIL 1, 1895.

Rochester, N. Y., March 28, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Water Works Committee respectfully presents its report for the year ending April 1, 1895, as follows:

In consideration of the fact that the amount

of \$250,000 was by action of the Common Council dated April 3, 1894, authorized to be raised by issuing bonds in payment for the extension of large distributing mains, it was thought advisable by your committee not to recommend the raising of funds by tax levy for ordinary water pipe extensions asked by petition, the balance to the credit of the Water Pipe Extension Fund being deemed sufficient to make imperative extensions.

The following statement shows the balance to the credit of this fund at the close of the year 1893-4; the various amounts raised by issue of city's notes, and amount paid into the treasury by private parties for laying mains under authorization of Common Council:

1. Amount to the credit of the Water Pipe Extension Fund at the close of the year 1893-4.....	\$20,899 28
2. Amounts authorized by Common Council to be raised by notes and to be incorporated in general tax levy 1894-5—	
a. For laying Leighton avenue and May park mains Oct. 12, 1894.....	\$2,000 00
b. For laying Flower City park mains, October 16, 1894.....	1,320 00
c. For laying Edward st. and University avenue mains, Dec. 11, 1894....	450 00
d. For laying Warwick avenue, payment to Hawthorn Terrace Lot Association, Jan. 5, 1895.	1,300 00
	<u>5,070 00</u>
3. Paid into treasury by Howard A. Smith and others, for South Culver street main, Oct. 17, 1894.	3,186 92

Total to credit of fund by resolution of Common Council.....\$29,156 20

Less amount deducted by resolution Common Council May 1, 1894.....\$2,500 00

And repayment of amounts heretofore advanced by private parties for extension of mains, without interest—

During the season there were set in all water pipes regarded as mains 72 gates ranging from 36-inch to 3-4-inch diameter making in all 2,502 gates of which 2,265 are inserted in the mains of the Domestic, and 237 in those of the Holly system.

In large services there are 427 gates, 291 in the Domestic and 136 in the Holly system.

Connected with the distributing systems there are 2,484 hydrants, 2,192 on the Domestic and 292 on the Holly system.

MILEAGE.

On April 1, 1895, the total length of all pipes classed as distributing mains in the city was 256,321 miles, of which 237,896 miles belonged to the Hemlock or Domestic system and 18,425 miles to the Holly system.

The conservative action during late years in regard to extending water mains has led to a large accumulation of petitions filed in the Water Works Department. The estimated cost of the new work petitioned for is about \$135,000.

Your committee is of the opinion that in view of the large expenditures made for new distributing mains during the past year and needed for the completion of such work during the coming year, only such extensions of the ordinary distributing mains should be undertaken as are essential to the conservation of the public health and the development of populous districts.

ANNUAL REPORT OF FIRE MARSHAL.

Fire Marshal's Office,
Rochester, N. Y., March 28, 1895. }

To the Honorable the Common Council of the City of Rochester.

Gentlemen: The undersigned, your Fire Marshal, respectfully reports for the past year as follows:

Number of inspections made..... 247
Number of complaints investigated and adjusted..... 53
Number of buildings ordered repaired.... 14
Number of buildings condemned and removed..... 25
Fire escapes have been constructed and ordered to be constructed on the following buildings:

Outchut building on South Water street.
No. 42 State street.
Congress Hall.
Savoy apartment house.
No. 178 State street.
Empire House, Front street.
Centropolis apartment house.
Clark apartment house.
Revere mills.
Columbian apartment house.
Barron block, State street.

I have attended to such business as has been entrusted to me by the Wooden Building Committee under the direction of its

chairman and his honor the Mayor; also attended to the erection and storage of the election booths and the distribution of supplies and furniture collection, and storage of the same for the 89 election districts of the city under the direction of the chairman of your Contingent Expense Committee.

I would call the attention of your Honorable body to the urgent necessity of a revision of the Building Ordinances as the present ordinance was passed in 1887 and the modes and practice in building have changed very much since that time making a revision a necessity and further I would also ask your Honorable Body to make some provision whereby the statistics of the erection, value, and number of buildings annually erected or remodelled within the city limits may be kept, as this office receives many inquiries for the same both locally and from other cities which, under the present circumstances, I am unable to furnish. The keeping of said statistics would, I am sure, result in great benefit to the city. I would suggest the reference of this matter to a committee at an early date.

Respectfully submitted,
 JOHN A. P. WALTER,
 Fire Marshal.

Your committee desires to call attention to the great increase in the number of applications made to the poor department over that of previous years. During the year just past 2,902 applications for aid have been made; each application has been thoroughly investigated by the department, the number of investigations made during the year being 2902. It is important that these investigations be conducted in a thorough manner and with this end in view, two additional investigators were employed so that each application might be considered and discovery made as

to whether or not the applicant was worthy of relief. The number of families receiving aid during the year is unparalleled in the history of the department; 2,664 families having received assistance of whom 2,212 received out-door and 452 in-door relief. Your committee refers with great satisfaction to the novel idea conceived by the superintendent of the poor during the past winter of establishing what is called "The City Stone Yard," the benefits of which are mutual to the strong and able-bodied applicants for relief who are unable to obtain employment elsewhere as well as to the city; the former being given ample opportunity of earning a living for themselves and families while the latter is supplied with stone which is intended to be used in paving the streets within the city limits. Many men well able, but too lazy to work have refrained from applying to this department for aid since the establishment of the stone yard knowing that they would be compelled to labor for their support, and thus the taxpayers of the city have been relieved of the burden of supporting men who are unwilling to support themselves. The superintendent of the poor has cut off from the support of the department 250 men on account of their refusal to work, although well able to do so, 75 of whom having returned and expressed their desire to work, have been given employment. Many tradesmen unable to obtain work at their respective trades and without means of support have been given work by the establishment of this institution and with a good will have embraced this opportunity given them of providing for their families. It will be observed that a continuance of this stone yard will serve as a means of ascertaining the men who are willing to earn a living and are worthy of relief and those who are not.

The stone yard had been in operation since December 29, 1894. It was started at a time which is the busiest season of the department and notwithstanding the continued and severe winter, the experiment has proven a great success and we heartily recommend that it be continued, believing it to be a most valuable factor in the working of the department. The extraordinary long and cold winter with a well known want of employment has been a great drain upon the resources of this department during the past year. It will be remembered that in the winter of 1893-94, benevolent persons in the city established various funds for the relief of the poor which in a great degree assisted the department, for the reason that persons aided by these charities would not be compelled to seek relief from this department. In this connection the fund established by the Chamber of Commerce aggregating \$12,000, may be referred to. During the past year, however, the department has worked single handed in its relief of the poor.

Among the persons aided by the department are many who are unable through old age sickness or other cause to work for a living. This includes old men and women, and widows with children. A large number of sick poor, who are unable to work on account of physical disabilities have been aided by the department, and 335 patients were sent to the various hospitals in the city during the year, of which number 147 are in the hospitals at the present time. A large number of pauper and homeless children have been cared for, having been committed to various orphan asylums, and bound out to worthy families in the city, thus providing for them homes and proper care.

In conclusion, your committee refers with pleasure to the careful and economical administration of the affairs of this department and of the faithful and efficient manner in

which the Superintendent of the Poor and his assistants have discharged their respective duties.

All of which is respectfully submitted.

ANNUAL REPORT OF ASSESSMENT COMMITTEE.

Rochester, N. Y., March 28, 1895.

To the Honorable, the Common Council:

Gentlemen:—Your Assessment Committee would respectfully beg leave to submit their annual report, as follows:

Your committee have met at the office of the City Attorney from time to time during the year, as occasion required, and passed upon the various matters submitted to it by the Common Council.

The following table will show the amount of business transacted by us during the year:

1. Number of meetings held.....	25
2. Number of reports presented to the Common Council	15
3. Number of petitions considered, one or more times	182
4. Different petitions presented to your committee for action	114
5. Number of petitions granted in whole or in part	71
6. Number of petitions denied	33
7. Number of petitions for relief pending before your committee undetermined	10

Your committee would say that in the number of petitions granted the greater portion of them related to property which the petitioners desired to redeem from tax sales upon the payment of all of the expenses of sale with 6 per cent. interest and in the cases in which such petitions were granted, your committee considered that under the circumstances existing in those cases it was proper and equitable that the relief be granted, inasmuch as the city could lose nothing by accepting the payment as recommended by the committee.

As compared with former years the petitions granted for rebate of assessments have been less, and we have endeavored while doing justice to aggrieved petitioners, to withhold relief in all cases, excepting where justice and equity demanded that relief be given.

There have been pending before your committee for some time petitions for relief from the assessments for Genesee Valley Sewer extension, the Genesee Valley Canal sewer and Maple and Colvin street sewer and East Main street bridge. We have devoted many hearings to the petitioners in these matters and at an early day in the ensuing year, we shall be enabled to present to the Council a report upon these rolls.

Another matter of some importance is the assessment for the Court street bridge, which is now pending before your committee.

The other petitions which are now undisposed of are of but minor importance and their presentation to the council only within a few days has precluded our being able to pass upon them before the close of the year.

The chairman of this committee desires to express his appreciation of the promptness with which the members of the committee have responded to the calls for meetings of the committee and the great assistance the members of the committee have rendered

him in passing upon the difficult and delicate matters entrusted to the charge of the Assessment Committee.

ANNUAL REPORT OF THE FINANCE COMMITTEE.

To the Honorable, the Common Council:

Gentlemen:—Your Finance Committee begs leave to submit the following as its annual report:

The past twelve months have seen the substantial completion of the new water line to Hemlock Lake, and your committee is in a position to congratulate the city upon the fact that this work has been done in accordance with the original designs and the expense has not exceeded the original estimate prepared by the chief engineer.

During the year the balance of the million and three-quarters of bonds authorized by the legislature has been issued, bearing interest at the rate of 3 1-2 per cent. per annum, and premiums upon these sales have made for the city a profit of \$335.50. This result has been secured notwithstanding the depression in financial matters throughout the country, and contrary to the opinion expressed by prominent financiers and bankers of Rochester generally. It may not be known, but still is a fact that less than eighteen months ago many gentlemen connected with Rochester banking institutions formally advised the committee to sell all its bonds at 4 per cent per annum, and even to pay a commission for the securing of customers therefor, at that rate if necessary. Your committee believed at that time, and the result has justified its position, that the credit of the city of Rochester was high enough to make

it unnecessary to sell bonds at a higher rate of interest than 3 1-2 per cent.

The amount of bonds necessary to complete the East Side sewer remaining unsold at the time of your committee's last annual report, has been sold during the past year at satisfactory rates of interest, and upon which the premiums have amounted to \$2,889.83. Bonds to the amount of \$250,000 have been sold during the past year for the purpose of providing moneys with which to reinforce the distribution service of the water works system, in accordance with the plans submitted by the chief engineer, and heretofore approved by your honorable body. The premiums upon these bonds amount to \$750. Without this reinforcement, the additional supply of water made available by the construction of the new water line would have been of but trifling advantage to the city, as the distribution pipes existing at the beginning of the year were insufficient for the purpose of distributing that additional supply.

At the beginning of the fiscal year, there was pending in the legislature a bill for the establishment of a sinking fund commission. That act shortly afterwards became a law, and the commission has been properly organized in compliance with its provisions. That commission will undoubtedly submit its first annual report at this annual meeting for reports, which will show the condition of the sinking fund at the end of its first year of existence.

During the past year your committee has found it expedient to follow the plan inaugurated during the preceding year, of borrowing money for temporary purposes, in anticipation of the collection of taxes, by the plan of soliciting sealed proposals. The adoption of this plan has resulted in the saving to the city of many thousands of dollars, inasmuch as loans have been made in some instances at rates of interest as low as 2 1-4 per cent. per annum, and in no instance higher than 4 per cent. Formerly the custom was to borrow money from the Rochester banks upon which we paid interest at the rate of 6 per cent. per annum.

At the time the Court and Andrews street bridges were under construction, money was needed with which to pay the contractors for their services and materials. It was at that time impossible to sell the city's bonds for that purpose, at any price, and it will be remembered that the city treasurer was authorized to withdraw from the savings banks the moneys which had accumulated from the Genesee Valley stock dividends, amounting to \$100,000, and use the money for that purpose. The treasurer was directed by resolution of your honorable body to issue the city's bonds at 3 1-2 per cent., payable to the city of Rochester, for the above amount. These bonds have never been issued, and your committee is of the opinion that such issue would be unnecessary, as it would require the raising of an annual interest account, payable to itself, which is wholly unnecessary.

Your committee would recommend, therefore that the treasurer be directed to debit the Genesee Valley sinking fund account with the item of \$100,000 heretofore transferred and credited to the construction of the Court and Andrews street bridge account, and that the authority heretofore given to the city treasurer to issue \$100,000 worth of Rochester bridge bonds be revoked.

In conclusion your committee congratulates the city upon its excellent financial condition. The rate of taxation has not been excessive during the past year, notwithstanding the large issue of bonds which has been necessary for the past few years and notwithstanding the many improvements which have been undertaken and completed. Your com-

mittee desires to testify its appreciation of the valuable services of Mr. Samuel B. Williams, the city treasurer, and his clerical force in the office. We have found both Mr. Williams and his assistants unremitting in their vigilance and carefulness and unflinching at all times in their courtesy both to the members of the committee, and to the general public.

All of which is respectfully submitted,

THOMAS McMILLAN,
M. B. ADAMS,
HENRY G. COOK,
ALVIN H. DEWEY,
J. MILLER KELLY,

Finance Committee.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the authority heretofore given to the City Treasurer to \$100,000 worth of Rochester bridge bonds to the city of Rochester be, and the same is hereby, revoked and in all things repealed.

Adopted by the following vote:

Ayes—Ald. Calihan, McMillan, Green, Reuber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—18.

ANNUAL REPORT OF PARK COMMISSIONERS.

BOARD OF PARK COMMISSIONERS, {
ROCHESTER, N. Y., Mar. 1, 1895. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—In conformity with Section 21, chapter 193, of the laws of 1888, which requires that "the said Park Commission shall in the month of March in each year, make to the Common Council of the said city, a full report of their proceedings, and a detailed statement of their receipts and expenditures," we present the following reports.

The Treasurer's report contains a full statement of the finances of the Board, and the Superintendent's report a full account of the field operations.

Respectfully submitted,

E. M. MOORE,

President of the Park Commission.

PARK SUPERINTENDENT'S ANNUAL REPORT.

Rochester, N. Y., March 1, 1895.

To the Board of Park Commissioners:

Gentlemen:—I herewith present the annual report of the work done on the parks for the year ending February 23, 1895.

In my last annual report I said that \$2,300 of the \$10,000 special appropriation voted to the Park Commission on January 23, 1894, had been paid to laborers, masons, carpenters, painters and teamsters at the three parks, erecting sheep sheds, and the three other buildings at the parks. Up to June 9th, when all work on the buildings ended, \$8,204.23 had been paid for labor. Most of

the money was paid the skilled laborers, the unskilled laborers being few compared to the skilled laborers. Besides the sheep sheds, a two-story octagonal building, known as the Athletic building, was nearly completed, except the plumbing. It is situated at the west end of Elmwood avenue bridge, south of the avenue. At Highland park, near the children's pavilion, a two-story building with shed and barn attached known as the administration building, was completed, except the plumbing, and the two-story building at Seneca Park, known as the Shelter, was completed. The white house at Genesee Valley Park was moved to a site just West of the sheep sheds on the Westfall Road, and a small house and a barn on the Warrant property were moved to the east side of the park, south of the foreman's house. In addition to the \$8,204.23 expended for labor in erecting the buildings, \$700 was paid to building movers. The upper floor of the Athletic building at Genesee Valley Park was used as a shelter and refectory, and the lower story for bathing and dressing rooms for men who exercised on the athletic grounds. The right to sell refreshments in the building was let to William H. Jesserer, in consideration of his furnishing a janitor and a watchman to sleep in the building at night. At Highland Park the upper part of the administration building was let to Bernard Meyer, in consideration of his keeping the place clean, furnishing ice water free to park visitors, and paying \$1 per month rent. The Shelter was let to The Rochester Bottling Co., in consideration of their keeping the place clean, furnishing ice water free to park visitors, keeping a watchman in the building at night, and paying \$200 rent for the season. When the season closed, all the buildings were used for storing the park seats, tables and benches, as no other building is owned by the Park Commissioners large enough to hold them.

The park road, extending from the South end of Plymouth avenue to Elmwood avenue, was covered with brick and stone taken from the old court house. An arrangement was made with the contractors of the court house whereby the contractors paid to the Park Commissioners a price per load for drawing away the old material. As the old material made a good foundation for light driving, and was furnished at a less price than any other material could have been furnished, the arrangement was advantageous to the Park Commissioners as well as to the contractors. After the foundation of brick and stone was made, gravel drawn on the W. N. Y. & P. R. R. was used to cover the foundation, making a good road for light driving. Belts of trees were planted along the railroad on the west side of the river, in addition to those planted the year before, and at Seneca Park belts of trees were planted on the East side to conceal the R. W. & O. R. R., which skirts the park the whole length of it.

The line of the R. W. & O. R. R. at Seneca Park was changed from the old line along the top of the river bank and thrown to the east about 250 feet, thus doing away with the two grade crossings of the railway. The line of North St. Paul street from the Ridge Road northerly several hundred feet was thrown to the east to admit of a park drive and walk along the top of the high bank of the river, and the new line of St. Paul street was improved at the expense of the estate of Hiram Sibley. The Irondequoit Boulevard Co. and the Park Commissioners, the Park Commissioners paying one-third, \$350, of the cost of the improvement.

At Highland park, Goodman street was extended to Highland avenue at no expense to the Park Commissioners. The water mains

of the new conduit were laid through the southeasterly corner of the park to the reservoir, and two pipes were laid across the park, one westerly from the new water gate and the other northerly to Meigs street. The road in Highland park from Mt. Hope avenue to the reservoir was covered with stone and gravel and rolled, but it was afterward nearly ruined by the excavations and teaming for water pipes. All the work for the water works was done with as little damage as possible, but it caused a great deal of extra work to the Park Commissioners, and gave a very shabby appearance to the park during the summer.

A large number of permits were issued to persons who wished to use the ball, picnic and athletic grounds. Besides the permits issued, cards were issued to persons who wished the exclusive privilege of practicing fast riding on bicycles.

Eight policemen were engaged on the parks part of the summer, two of them mounted on horses.

The city parks and the Seneca Parkway were cared for during the summer by a small number of men under a foreman. When not engaged in caring for the city parks the force worked on the other parks, the time being charged to the park on which they worked.

Although the legislature passed a law giving power to the Park Commission to care for the street trees, when a number of the residents of a street wished some trees cut down and petitioned to the Park Board to order the work done, other residents of the same street applied to one of the justices of the supreme court for, and were granted, an injunction restraining the Park Commission from cutting the trees. Justice Yeomans was applied to, to vacate the injunction and refused to do so, giving his opinion that it was unlawful to cut trees in front of a man's property without his consent, when his title was clear to the center of the street. Whenever a request was made by the owners to have their trees trimmed it was done by the city park's force of men.

During the year the following named persons gave presents to the park: Mrs. Gilmar Perkins, two ornamental trees; The Chase Brothers Co., 1,500 rose plants; Supervisors of the county, twenty-one park seats; William C. Metcalf, one pair of peacocks; Genesee Valley Fish and Bird Protective and Propagating Association, several dozen Virginia quail; New York State Fish Commission, several cans of perch and bass for the upper Genesee River, and California rainbow trout for the lake at Seneca Park; the Rochester Herald, eight band concerts by the 54th Regiment Band on Sundays at Genesee Valley park; Eli Weed, bed of flowers at Seneca Park; Rev. Fridolin Pascalar, pastor of St. Michael's Church, a pair of Virginia white-tailed deer, and the high fence with which to enclose them.

The doe of the deer was found one morning with her leg broken above the gambrel joint, and on the advice of a veterinary surgeon, was killed.

Yours respectfully,

C. C. LANEY.

Superintendent of Parks.

ANNUAL REPORT OF CITY SURVEYOR.

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., Mar. 28, 1895.

To the Honorable, the Common Council:

Gentlemen: I have the honor of presenting the following report for the year ending April 1st, 1895, and take pleasure in acknowl-

edging the uniform courtesy and assistance of the various members of the Council, of the Executive Board and its employes, and also the earnest and friendly help of my assistants and office force.

The total cost of the office has been \$22,600.30, of which \$20,872.32 was for salaries and \$1,727.98 for expenses.

Three hundred and twenty-four contracts have been prepared and fulfilled including 57 for sweeping and cleaning and 197 for sprinkling; the whole costing \$482,611.51. Seventy public improvements were planned and executed, including some of the most important works ever done by the city, as the block pavement on Main and State streets, finishing Court street bridge, State Hospital sewer and Thomas street outlet sewer.

Of the expenditure for improvements, \$207,528.09 was for pavements, \$184,296.10 for sewers, \$15,029.90 for sidewalks, \$21,643.66 for bridges and \$5,075.67 for miscellaneous.

While giving constant attention to these works the engineering labor was not confined to them, as we have made studies, plans and preliminary estimates for 102 pieces of work aggregating \$750,000.

In order to secure good work 601 tests were made of cement and mortar being used, and every piece of work was carefully staked out and restaked and watched with surveying instruments.

To meet the requirements of construction study of proposed work, City Assessors, opening streets, showing encroachments, fixing property lines, Executive Board, Assessment Committee and City Attorney and records, it has been necessary to prepare 150 original maps, 632 tracings, 300 blue prints, and in photography, 196 negatives, 330 prints and 156 lantern slides.

Fourteen maps and 142 blue prints were made for the Executive Board, 94 maps for City Assessors, 16 maps and 60 blue prints and many photographs for City Attorney.

We have reported to the Assessment Committee upon 33 petitions for relief from erroneous assessments.

Copies have been made in the County Clerk's office of deeds covering 8,000 lots, and tracings made of 400 subdivision maps, all of which have been put into books and files for reference and preservation.

The survey of the territory comprised within the old Fifteenth and Sixteenth wards has been well advanced and now covers the section south of East avenue and east of the river, with the adjacent lots in Brighton, which will be finished and mapped early this season. The area surveyed is 2,150 acres and would have cost, under the contract proposed, over \$12,000. The action of your honorable body in confiding this survey to us has resulted already in saving to the taxpayers about \$10,000, or nearly one-half of the total expense of this office.

Once each day, and at extreme high water oftener, the height of water in the river has been measured and the volume of flow computed. It is interesting to note that the volume of water which flowed by Rochester in the Genesee river during the year was 83,844,000,000 cubic feet, which was 8,159,000,000 less than for the previous year, or enough to fill once the largest reservoir proposed for the gorge above Mt. Morris.

I submit herewith thirteen tables showing in detail the characteristics of the work of the year.

In conclusion, I deem it my duty to make the following recommendations:

First. The title of the City Surveyor should be changed to City Engineer, for the purpose of increasing the value of his opinion upon engineering features of local improvements, and to give him proper standing with his professional brethren abroad.

Second. The employment of men in the Surveyor's office should be placed in the hands of the Surveyor, instead of a committee, in order that the discipline necessary to the efficiency of so large a force may be better maintained.

Third. More room should be provided, so that the records may be used readily without being destroyed in handling them.

Fourth. A fire-proof vault should be provided for preserving the original note books and sheets of city survey, as the loss by fire of these might be greater than the value of the city building.

Fifth. Some efficient method of protecting the more expensive pavements from disturbance should be adopted. Several absolutely needless excavations have been made during the year, which tend to utterly discourage one from urging the making of first-class improvements.

Sixth. Record maps should be provided for, showing the location of gas pipes and electric conduits, and the companies should be obliged to file a map of every underground construction, so that necessary excavations for leaks and changes may be confined to the smallest possible area. This is the more necessary because they do not keep proper records.

Very respectfully yours,

J. Y. McCLINTOCK,
City Surveyor.

By Ald. Calihan--
To the Honorable, the Common Council:
 Gentlemen:—Your City Property Committee, to which was referred the matter of a contract for the lighting of the new police station, begs leave to submit the accompanying proposals of the Rochester Gas & Electric Co. and the Citizens Light and Power Co.

It will be observed that the bid of the Rochester Gas and Electric Company is lower than that of the Citizens' Light & Power Company, on both plans and your committee respectfully recommends that it be accepted on the basis of flat rates, to wit: \$70 per month for lighting and \$6.25 for current for running the elevator, and that the Mayor be and he is hereby authorized to enter into a contract with said company upon those terms.

All of which is respectfully submitted.
 MARTIN J. CALIHAN,
 A. H. DEWEY,
 MARLON B. ADAMS,
 WILLIAM WARD,
 JOHN H. ASHTON,
 City Property Committee.

Ordered received, filed and published.
 By Ald. Calihan—
 Rochester Gas & Electric Co.,
 Rochester, N. Y., March 25, 1895.

Ald. M. J. Calihan, Chairman, City Property Committee:

Dear Sir:—As requested by C. R. Barnes, City Electrician, we hereby submit our bid for lighting the new Police Station on Exchange street and also for furnishing current for operating the motor on the elevator in the same building. For lighting the entire building, \$72 per month, for one year. For furnishing current for motor \$6.25 per month for one year. Or by meter 2 1-4c per

1,000 Watts, for lighting for one year, and 1 1-2c per 1,000 Watts for motor for one year. All lamps to be furnished by us and to include the care of arc lights.

This is on the basis of the plan showing the number and location of lights at the office of the City Electrician. Any variation in the number of lights to be made pro rata as to price. Very truly,
 ROCHESTER GAS & ELECTRIC CO.,
 By J. Lee Judson, president.

Ordered received, filed and published.
 By Ald. Calihan—

Citizens Light & Power Company,
 Rochester, N. Y., March 26, 1895.

Ald. M. J. Calihan, Chairman, City Property Committee:

Dear Sir:—We beg to submit the following proposition for furnishing lights and power to new police station as per your proposal. We will supply current for lights for the sum of \$81.58 per month.

We will supply current for motor for the sum of \$16.66 per month.

We will also supply current for both lights and motor, meter rate, at 2 7-16 cents per 1,000 Watts.

We to furnish both arc and incandescent lamps for both bids and care for same.

Yours truly,
 CITIZENS LIGHT & POWER CO.,
 Per J. A. Almstead, Supt.

Ordered received, filed and published.
 By Ald. Calihan—Resolved, That the Mayor be, and he is hereby, authorized to enter into a contract with the Rochester Gas & Electric Co. in accordance with its proposition for lighting the new Police station.
 Adopted.

REPORTS OF SELECT COMMITTEES.
 By Ald. McMillan—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your special committee on Police building respectfully report, That they have conferred with the owners of land on Exchange street adjoining the Police building; that said owners will sell a strip of land 10 feet wide, front and rear, for the sum of two thousand two hundred and fifty dollars, which your committee deems reasonable; that plans have been drawn for a building on said lot that would forever endanger the light on that side if erected and your committee are therefore of the opinion that the city should secure the land while it can be obtained.

All of which is respectfully submitted,
 T. McMILLAN,
 JOHN F. FOX,
 M. B. ADAMS,
 M. J. CALIHAN,
 H. G. COOK,
 Special Committee.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the Mayor be, and he is hereby, authorized to enter into a contract with the owners of ten feet of land adjacent to the new Police Station on the south, at the price of \$225 per foot, said contract to be approved as to form by the City Attorney.

Adopted by the following vote:
 Ayes—Alds. Calihan, McMillan, Green, Rauber, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—17.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS OF THE CORPORATION AND THEIR REFERENCE.

By the Clerk—

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., Mar. 28, 1895. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I deem it to be my duty to request that the salary of the City Surveyor be increased, so as to be in some measure commensurate with the work required of him, and so as to more nearly conform to the prevailing practice here and in other cities of paying larger salaries for equally important engineering work.

Very respectfully yours,

J. Y. McCLINTOCK,
City Surveyor.

Ordered received, filed and published and referred to the Map and Survey Committee.

By the Clerk—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Excise Commissioners respectfully report that they have granted 41 licenses for the month of March, 1895, received therefor \$5,580; expended attorneys' fees and subpoenas, \$152.30; deposited with City Treasurer, \$5,427.70.

POMEROY P. DICKINSON,
A. SPIEHLER,
Excise Commissioners.

Ordered received, filed and published.

By the Clerk—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—A reference to the annual report of the Poor Department for the past year will at once demonstrate a wonderful increase in the work done by this department during the year over that of previous years. This growth has manifested itself more in the number of sick poor than in any other branch of the work of the department. The calls upon the City Physicians for assistance have steadily increased while the number of physicians has remained the same as it has been for a number of years past. The result is that the city physicians are compelled to give up the greater part of their time in the discharge of their duties connected with this department, for the small salary of \$500 per year. To illustrate this, I respectfully call your attention to the fact that one city physician during the past year made 1496 visits upon patients supported by the poor department.

When it is considered that in addition to the time so taken up in attendance upon patients, the city physicians also furnish all necessary medicines, etc., I think that I am justly warranted in recommending the appointment of an additional city physician. I would therefore respectfully ask that an additional city physician be appointed by your honorable body.

With great respect, I am

RICHARD GARDINER, Overseer of Poor.

Ordered received, filed and published and referred to the Committee on Support and Relief of the Poor.

By the Clerk—

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Mar. 25, 1895. }

To the Honorable, the Common Council :

Gentlemen: Since the date of my last report, March 11, 1895, there have been registered 472 dogs, the receipts for which were \$472. Said amount has been deposited with the City Treasurer to the credit of the Police Fund and his receipts taken therefor.

By the terms of its contract with the city the Rochester Humane Society is entitled to 95 per cent. of this amount, \$448.40.

I therefore ask your authorization to draw an order on the Treasurer, payable from the Police Fund, for \$448.40, in favor of the Rochester Humane Society, John B. Y. Warner, Treasurer.

THEO. S. PULVER, City Clerk.

Ordered received, filed and published.
By the Clerk—

EXECUTIVE BUSINESS

Ald. Adams moved that the rule governing the appointment of Commissioners of Deeds be suspended.

Adopted.

Ald. Ward moved that the board proceed to the appointment of Commissioners of Deeds, and that the Clerk cast the ballot for the following named persons: George E. Youngman, Elmer J. Gillette, Byron S. Blake, Carrie M. Leggett, Edward C. Edelman, Reuben E. Jones, Fred S. Drake, Norman S. Easterbrook, James B. Pike.

Adopted by the following vote:

Ayes—Alds. Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelnik, Lewis, Harris—18.

MISCELLANEOUS BUSINESS.

By Ald. McMillan—Resolved, That the City Treasurer be authorized and directed to issue the city's note under section 81 of the City Charter for the sum of eight hundred and fifty dollars, said note to be issued under direction of the Finance Committee, to be countersigned by the chairman thereof, in-

terest or discount to be charged to the Contingent Fund and the proceeds be placed to the credit of the Lamp Fund.

Ayes—Alds. Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—18.

Ald. McMillan, rising to a question of privilege, presented the following, and received unanimous consent to have it entered in the records of the board:

The announcement of the death of William S. Kimball is received by us with sincere sorrow. A citizen closely identified with the business and industrial interests of our city, warmly interested in all improvements and enterprises affecting beneficially the public, liberal in the support and advancement of all philanthropic movements, and foremost in the promotion of charity, his loss causes deep and profound sorrow; his genial and dignified bearing and his just and generous dealings won for him the esteem of all his associates and fellow citizens. Although Mr. Kimball's death is most sadly regretted, his life has furnished an inspiration and example to all.

By Ald. Green—Petition of Marian E. St. John for permission to erect a wooden building on Broadway. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Rauber—Petition for an electric light on Andrews street. Referred to the Lamp Committee and City Electrician.

Also, Remonstrance of the Stein-Bloch Company against the erection of a wooden building on St. Paul street, north. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Ald. Adams—
Rochester, N. Y., March 21st, 1895.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: On the 21st day of March, 1895, Jacob Smith and others recovered a judgment against the city of Rochester amounting to \$200, for damages to their premises in the town of Brighton, by reason of pollution of Thomas Creek.

We trust that your honorable body will pay their recovery with costs and greatly oblige,
Yours very truly,

LUDOLPH & WARREN.

Ordered received, filed and published and referred to Law Committee.

Ald. Adams presented the proposed act extending the boundaries of the city and moved that the Clerk be directed to send a copy of the act to the Senator and Assemblyman from this district with the request that it be introduced, printed and returned to the Council for its approval. Carried.

By Ald. Fox—Petition for sprinkling Selinger street. Referred to the Surveyor to prepare an ordinance.

By Ald. Ashton—Petition of George Gregory with reference to an erroneous assessment. Referred to Assessment Committee.

By Ald. Cook by request of Ald. Dewey—Resolved, That the City Surveyor be, and he hereby is, directed to establish and mark the grade for the improvement of Rutger street.

Adopted.

By Ald. Pauckner—Resolved, That the Clerk draw orders upon the Treasurer, payable from the Contingent Fund, in favor of the following named parties, and for the sums and purposes, viz: Geo. L. Mattison, for seven dollars, for serving notice of application for appointment of commissioners of appraisal; The Abstract Guarantee Co., for thirty dollars, for abstracts of titles and searches; The Democrat and Chronicle, for thirty dollars, for publishing notice of application for commission, and notice of meeting of Commissioners; in the matter of the construction of the Thomas street sewer in the city of Rochester, under Final Ordinance No. 5,245, and that the Treasurer pay said several sums from the Contingent Fund and charge and carry said sums to the fund for the construction of said sewer when created.

Adopted by the following vote:
Ayes—Alds. McMillan, Green, Rauber, Adams, Edelman, Fox, Ashton, Ward, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—15.

By Ald. Pauckner—Petition of H. C. Schroeder for permission to erect a wood building on Henrietta avenue. Referred to the Wood Building Committee and Fire Marshal with power to act.

By the Clerk—

Brockport, N. Y., March 28th, 1895.

Dear Sir: Mr. Armstrong, who has charge of Bill No. 1,050, relating to lift and swing bridges in the Assembly, desires a delegation from each place interested to go before the Committee on Ways and Means on Wednesday, April 3rd.

Will you send representatives? Do so if possible. It is certainly worth a serious effort. Please write him at the Assembly Chamber, and me, whether you will be on hand.
Yours very truly,

JOHN N. DRAKE, Village Clerk.

Ordered received, filed and published.
On motion of Ald. Ashton the Chair was authorized to appoint a committee of five members of the Council to go to Albany and urge the passage of the bill referred to in the foregoing communication.

Thursday, March 28

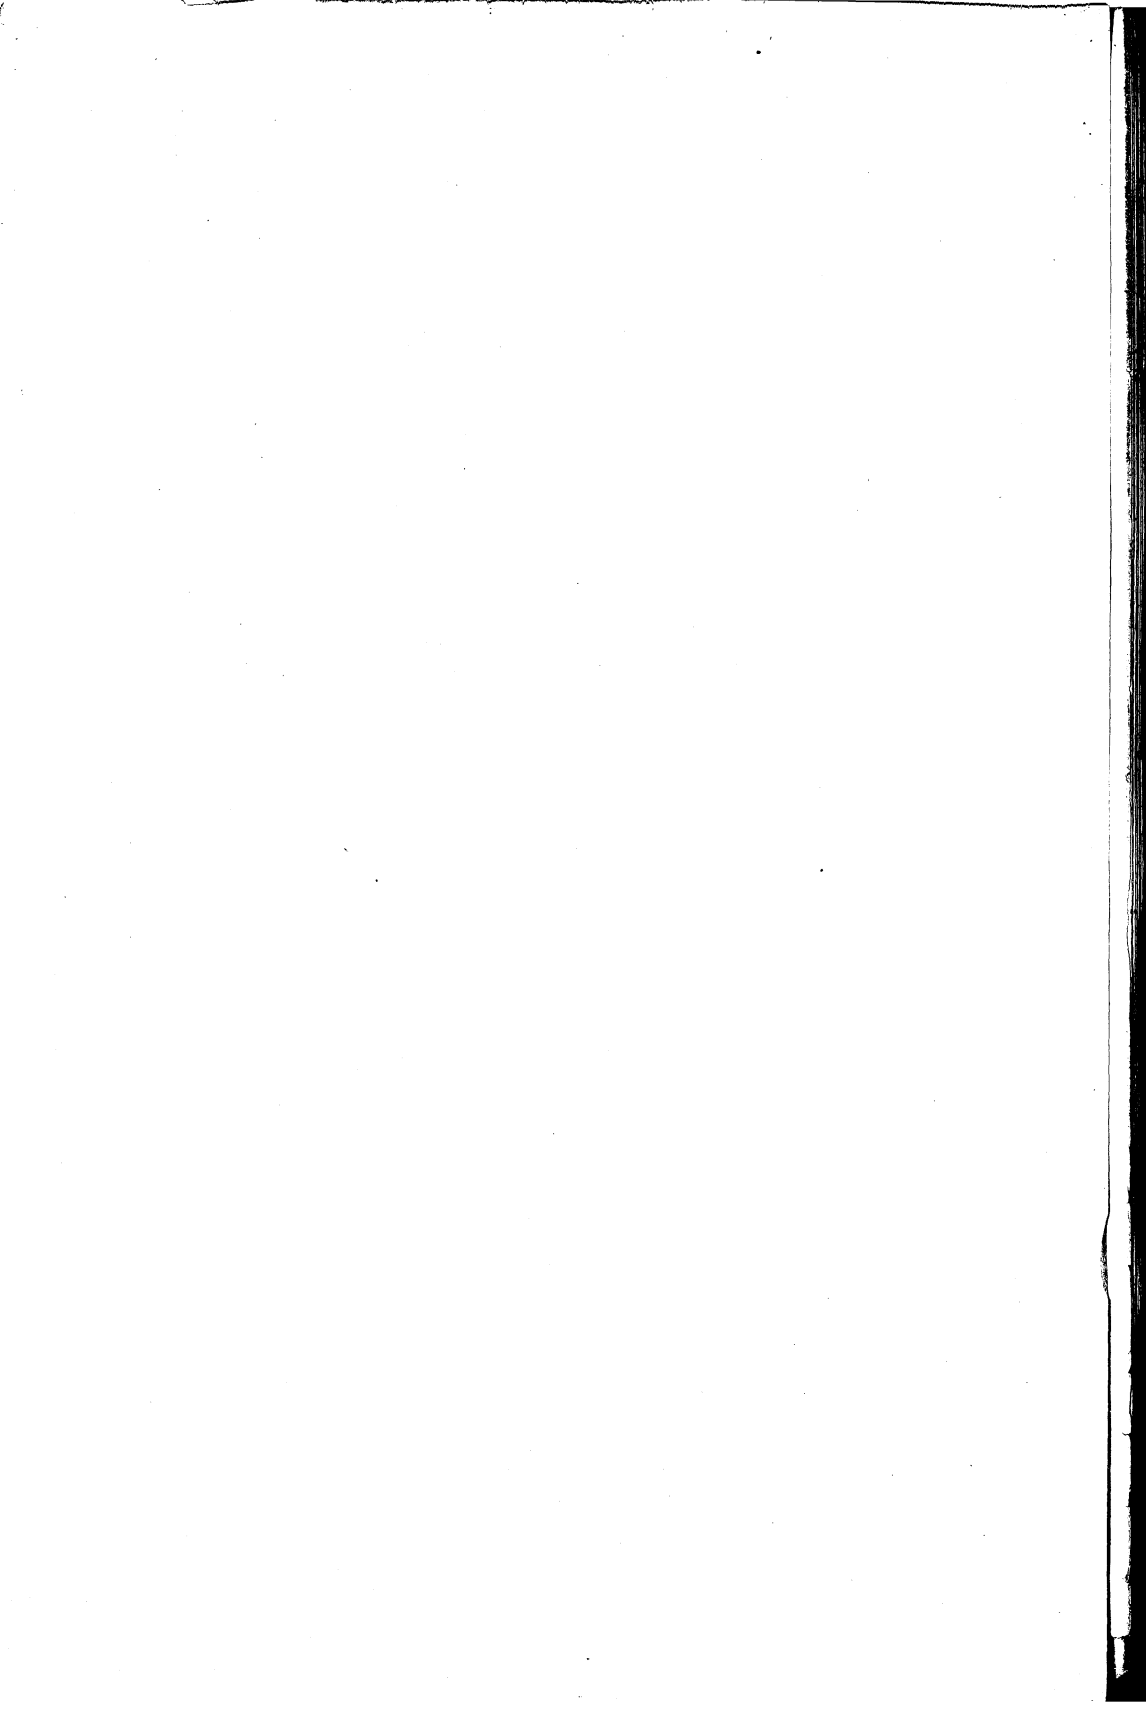

By the Chair—Communication from the Municipal Club, inviting the members of the Board to attend a meeting of the club on the evening of March 29, 1895.
Ordered received and filed.

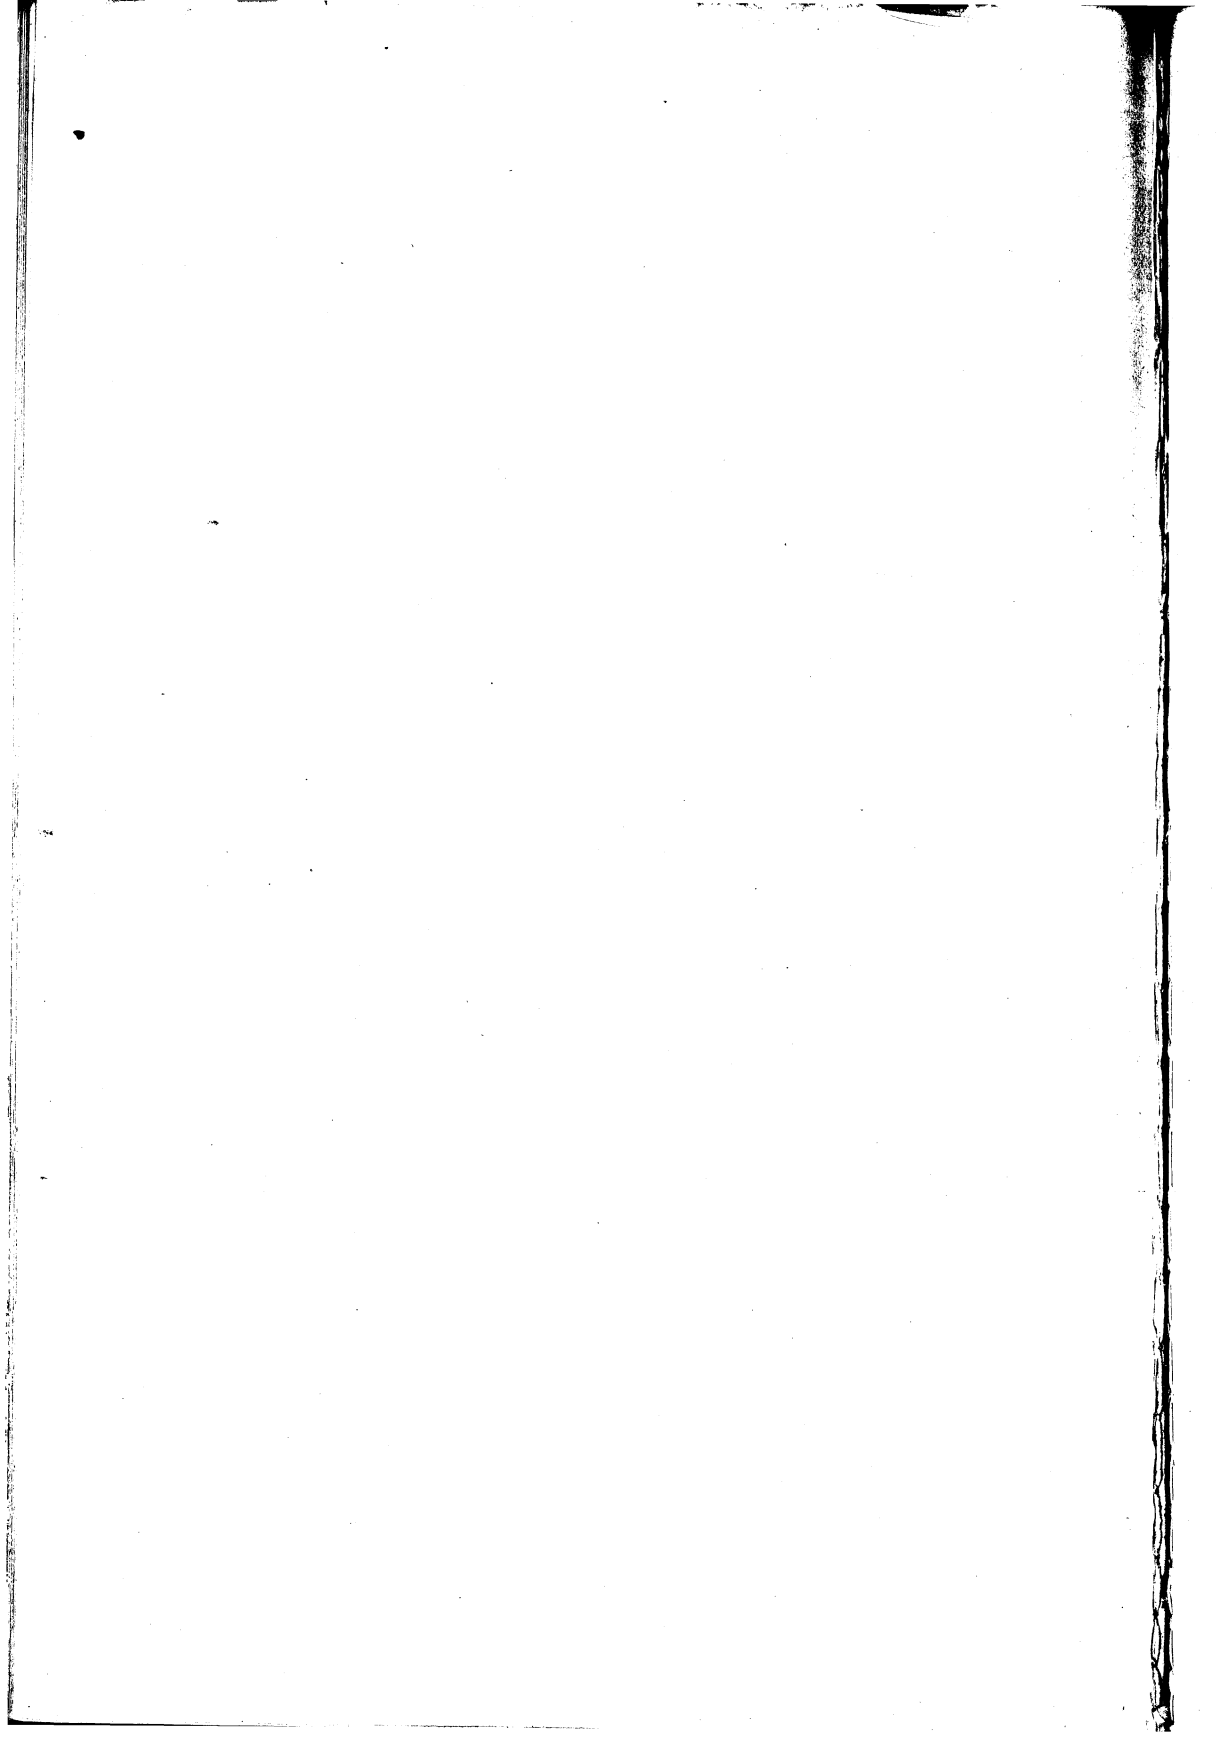

By Ald. Harris—Petitions of Peter Tucker for permission to erect a wood building on

Mansion street and of Harriet E. Brainerd for permission to erect a wood building on Pcst street. Referred to the Wood Building Committee and Fire Marshal with power to act.

Adjourned.

THEODORE S. PULVER, Clerk.
