

PROCEEDINGS

OF THE

COMMON COUNCIL

OF THE

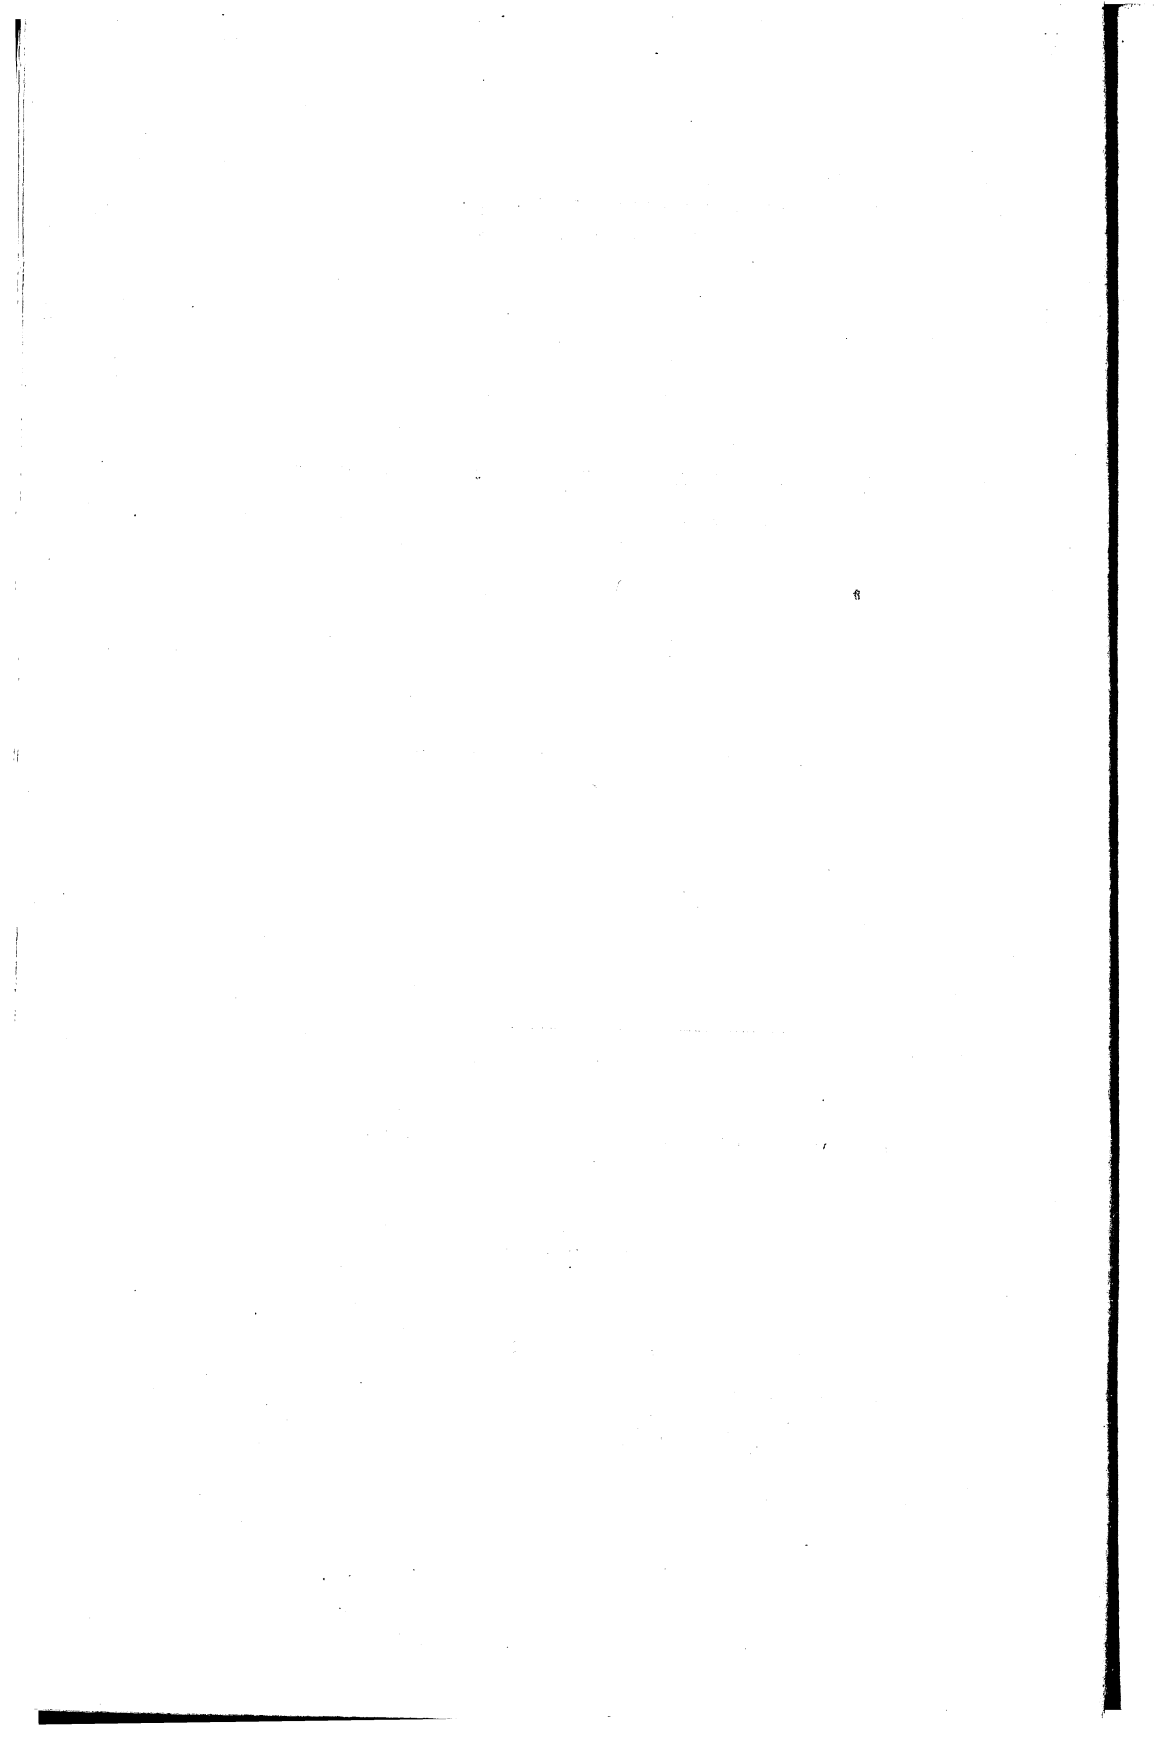

CITY OF ROCHESTER,

1894-95.

PUBLISHED BY AUTHORITY OF THE COMMON COUNCIL.

ROCHESTER, N. Y.:
DEMOCRAT AND CHRONICLE PRESS.

1895.

IN COMMON COUNCIL,

FOR 1894-95.

In Common Council—April 2, 1894.

CHARTER MEETING.

The Clerk called the Board to order.

Present—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer.—20.

Ald. Dewey moved that Ald. Calihan act as temporary chairman. Carried.

Ald. Calihan upon taking the chair thanked the aldermen for the honor conferred and asked the pleasure of the board.

Ald. Dewey moved that the board proceed to appoint a President. Carried.

Ald. Dewey nominated Ald. Merton E. Lewis.

Ald. Merton E. Lewis was named by:

Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris, Bierbrauer—19.

Ald. Merton E. Lewis was declared duly elected President for the ensuing year.

Ald. Dewey moved that a committee of two be appointed to escort the president to the chair. Carried.

The chairman appointed as such committee Alds. Dewey and McMillan.

The President then addressed the Board as follows:

PRESIDENT'S ADDRESS.

"Gentlemen of the council: I am not unappreciative of the honor which you have conferred upon me by this election, and in return I extend my sincere thanks.

In assuming the duties of the position of presiding officer of this council for the year now beginning, I desire to say that I appreciate fully the responsibilities of the position, and am determined to perform my duties impartially, and with a desire solely for the welfare of the city and the good opinion of my fellow members.

The present is an era of progress in the city of Rochester. Splendid improvements, involving great payments of public money, are in course of construction, and the majority of this council can hardly avoid the burden of responsibility for the expenditures which we shall be called upon to make. The system of government under which we are operating is such that not one dollar can be raised by taxation for public purposes, without the consent of the representatives of the people elected to this council; and we may be sure that, in these times of general financial depression, the people will carefully watch and closely scrutinize every item of expense which may be decided upon throughout the year. It therefore behooves this council and the city government in all its branches

to exercise the most careful and painstaking economy in matters of finance. The city is in excellent financial condition. Its credit is high both at home and abroad. Rochester bonds are eagerly sought for permanent investments, and it is to be hoped that the management of the city's affairs will continue to be, as it has been in the past, dominated by a wise and conservative policy.

The city is rapidly acquiring metropolitan features, and if good judgment shall be exercised and care shall be taken to so legislate for the city that its progress shall not be retarded, its future will continue to be full of promise.

Great public works involve large expenditures of public money. A water supply cannot be had without the issuing of the city's bonds. Trunk sewers cannot be built unless the city's credit is pledged for the payment of their cost. Massive stone bridges spanning the river, furnishing the needed accommodations for public travel, and at the same time pleasing the eye, cannot be built without the cash with which to pay for the labor and material. All these have been during the past year, or are now being constructed, and in my judgment so long as the public is assured that there has been and will be no extravagance in such expenditures, the public will be satisfied. Thanks to the credit of the city, the money for these various purposes has been secured, thus far, at extremely low rates of interest, and the benefits which will accrue to our citizens from the completion of these great undertakings will redound to the future prosperity of our entire municipality.

There is one matter to which, at this time, I desire to call your attention, and that is in relation to local improvements. I would not, under any circumstances, postpone the construction of sewers required for sanitary purposes. Wherever a street is without a sewer, there a sewer should be built. But in the matter of passing ordinances for expensive pavements in residence streets, I am convinced that great care should be exercised.

The history of Rochester for the past five years is a history of home building. Many miles of new streets have been surveyed, and hundreds of comfortable and attractive houses have been erected. A disposition has manifested itself, at times, in this council, to hasten, prematurely, as it seems to me, the construction of asphalt, brick and Medina pavements upon such streets. Business streets, of course, should be properly paved, but we should bear in mind that the general city taxes of our home-builders are oftentimes burdensome; and when to this regular and absolutely necessary charge upon real estate are added assessments made necessary by expensive improvements, it sometimes happens that the burden of taxation becomes

greater than can be borne. I would, therefore, suggest that during the coming year, ordinances for the construction of such pavements shall be closely investigated, and whenever possible their passage should be postponed until a more prosperous period shall have arrived. I believe the adoption of a general rule on the part of members of this council, as individuals, not to pass such ordinances, in their several wards, until a majority of the property owners upon the various streets have signified their desire therefor, would be beneficial. I would not desire to check the growth, or in any way retard the development of the city's residence districts, but in times of financial depression people should not be forced to pay for luxuries and by so doing deprive themselves of necessities.

I trust that the deliberations of this council throughout the year will be marked by harmony, and by a desire on the part of every member to legislate for the general welfare, to the end that membership in this body during the year 1894-95, may, in the future, be looked back upon by every member with pride and gratification.

Once more, gentlemen, I thank you for this evidence of your favor."

Ald. McMillan moved that the address be received, filed and published. Carried.

Ald. Dewey moved that the board proceed to appoint a city clerk. Carried.

Ald. Dewey nominated Henry W. Gregg. Henry W. Gregg was named by:

Aids. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—20.

Aids. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—20.

John A. P. Walter was thereupon declared duly appointed Fire Marshal.

Ald. Dewey moved that the board proceed to appoint three city physicians for the East Side and three for the West Side. Carried.

Ald. Dewey nominated the following: City physicians for the East Side, H. M. Turner, F. B. Seitz, S. R. Snow. City physicians for the West Side, L. H. Woodruff, O. S. Bamber, Frank W. Maloney.

The clerk called the roll upon each of the above names separately and they were thereupon declared duly appointed, each having received the following vote:

Ayes—Aids. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—20.

Ald. Callhan moved that a committee of three be appointed to wait upon the mayor and inform him that the board is now ready to receive any communications he may wish to present. Carried.

The chair appointed as such committee Aids. Callhan, Dewey and Kelly.

By the Clerk—

To the Honorable the Common Council of the City of Rochester:

Gentlemen: I hereby resign my office as member of the Executive Board of the city of Rochester, to take effect upon the qualification of my successor.

GEORGE W. ALDRIDGE.

Dated March 31, 1894.

Ordered received, filed and published, and upon motion of Ald. McMillan the resignation was accepted.

Ald. Adams moved that Sec. 1 of the rules be amended to as to read 7:30 instead of 7 o'clock as the time of meeting. Carried.

Ald. Adams moved that the old rules as thus amended be adopted as the rules for the board for the ensuing year.

Adopted by the following vote:

Ayes—Aids. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—20.

The chair then introduced his honor, the mayor, who spoke as follows:

MAYOR'S ADDRESS.

"Gentlemen of the Common Council: Our city to-day enters upon the municipal year of 1894-5, and in compliance with the provisions of the charter you, as the representatives of the twenty constituencies which together make up our local government, meet for organization.

I take the occasion as a proper one, and pursuant to the custom of my predecessors, to make some general observations upon the subject of the responsibilities and the trusts we are about to assume as the executive and legislative departments of the city. It is not my intention at this time to enter into any review of the management of our city's affairs in the past, as detailed statements have been presented already, and the result of the administration of several departments submitted for your consideration and study.

Nor do I intend to make any wise after-thought comments upon what might have been done or left undone by the city's servants in the public interest; but suggest that we profit by the experience of the year just closed, approving only that which has been for the general welfare.

The history of the past is made, the future awaits us with its pages blank and its record unwritten. Shall that record be made to our honor or dishonor? Shall it be one of prudent and discriminating expenditures or careless waste of the revenue derived from taxing the property of our citizens? A year hence answers to these questions will be read in the record.

As framers of our municipal laws and regulations, you, as well as the mayor, who has the responsibility and authority of approving or disapproving your action, have to deal with and perform many and delicate duties.

Every official act affects the interests of the citizen, and those interests may be furthered or seriously impaired by careless or hasty action, or by want of promptness in the performance of our public services. You hold the key to the city treasury. By your votes taxation may be increased or held a check. Appropriations—their amount and purposes—are determined by you; and the several departmental requisitions may be prodigal or frugal as your judgment dictates.

Appropriations should not be enlarged or curtailed on personal or partisan grounds, but should be granted according to the actual requirements and necessities and for the advancement of the interests of the community. "A city, like a nation, must always recede if it be not actually advancing," are the words written by one whose memory is dear to me, and they are as true to-day as they were twenty years ago when he wrote them as mayor of this city.

To this end those having the management of the several departments and the expenditure of moneys should be given a full hearing and opportunity to show the necessity or needs for the appropriation which they ask, and every item should be granted or refused on its merits. Those among you who have held office know the desire and pardonable pride which the committees or boards have, to extend their usefulness and enlarge the field of their respective departments. Money is an important factor in achieving this end, and therefore strenuous efforts are made for liberal allowances. On this point I wish to say that every dollar which adds increasing efficiency and usefulness to any branch of the public service, secures greater conveniences and advantages to the people, protects life and property, preserves the public health, and promotes the condition of the children of our citizens, will meet with my support and approval. We know that among the fundamental elements which help to advance, make prosperous and build up a great city, are an abundant supply of pure and wholesome water, clean and well paved streets, an efficient fire department, a police force sufficiently strong in numbers to protect life and property, educational advantages for every

child in the community, and finally a department conducted on the most approved modern sanitary methods for the preservation of public health. Every dollar necessary for the support and proper maintenance of the above named objects should be allowed, and then prudently and wisely expended.

There are, however, outlays of public money which, while well enough in times of prosperity, should not be made in periods of financial distress. Great care and discrimination is necessary at the present time in imposing any additional burden upon property already embarrassed by taxation. The working people, in fact, the masses, are without employment and the prospects for industrial improvement in the near future are not bright. The homes and lands of thousands of citizens are burdened with incumbrances which threaten to wrest them from the possession of their owners, and, therefore, I urge that no work or undertaking be entered upon except that which the public welfare demands, until we are blessed with more favorable conditions. What I have said herein, I propose, as the chief executive of this city, to apply to myself as far as it may be applied to any public act of mine, and to perform all the responsible and delicate duties of my office without narrow prejudice or partisan purposes, to the end that I may attain the approval and be sustained by the judgment of every fair-minded man. Honesty, economy and impartiality shall guide my actions and purposes in the conduct of the prudential affairs of our city and the protection of every interest shall be my aim and ambition.

Taking this as my official text, I will only state that from time to time I shall communicate my wishes to you upon such subjects as concern the public good, and I cordially invite your hearty co-operation as officials and as citizens.

To this end I ask you to confer with me freely on all subjects of importance, so that, thoroughly understanding one another, we may, by concurrent action, fulfill the duties imposed upon us to the satisfaction of every citizen."

Ald. Adams moved that the address be received, filed and published. Carried.

By Ald. Kelly—Resolved, That this council disapproves of the act introduced in the legislature providing for an extension of the boundaries of the city, and that the city clerk be directed to transmit a copy of this resolution to the representatives of this district in the senate and assembly. Adopted.

By the Clerk—

ROCHESTER, N. Y., April 2, 1894.

To the Honorable Common Council:

Gentlemen: I hereby nominate Richard Curran as member of the Executive Board to fill vacancy. Respectfully yours,

GEORGE W. ALDRIDGE, Mayor

REPORTS OF STANDING COMMITTEES.

By Ald. Adams—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen—Your Law Committee beg leave to report that the following claims are due to the claimants named therein for damages for sewage pollution under contracts existing with the city, and we would recommend that the amounts be paid them as shown by the following statement:

NAME.	Due.	Amount per Annum.	Date when Last Paid.	When diverted
Jacob Brower	\$37 50	\$ 75 00	Mar. 16, '93	Sept. 15, '93
John Brower	45 00	90 00	Mar. 16, '93	" "
Jas. Boyle	50 00	50 00	Jan. 24, '93	Not diverted
Geo. A. Welsh	80 00	80 00	Mar. 9, '93	" "
F. H. Erbland	15 40	150 00	Feb. 2, '93	April 5, '93
Jacob Lindsay	75 00	75 00	Mar. 15, '93	Not diverted
Urban Nabors	68 42	135 00	Feb. 2, '93	Sept. 15, '93

In the matter of the claim of John L. Koehler, for damages for sewage pollution, after a careful investigation made by your committee they are of the opinion that a proper basis of settlement with Mr. Koehler would be at the rate of \$100 per annum from the time his claim accrued, March 4, 1889, until the time when the sewage was diverted, April 5, 1893. Your committee would therefore recommend a settlement with Mr. Koehler on said basis.

In the matter of the applications of John H. McAnarney, John A. Weider, Inez G. Palmer and Samuel W. Bradstreet, for appointment as Commissioners of Deeds, your committee would recommend that the applications be granted.

MERTON E. LEWIS,
THOS. McMILLAN,
MAHLON B. ADAMS,
J. MILLER KELLY,
Law Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved, That an order be drawn by the City Clerk upon the Treasurer payable from the Contingent Fund for the amount set opposite the names of the respective claimants for damages for sewage pollution under contracts with the said claimants and the city of Rochester.

Jacob Brower	\$ 37 50
John Brower	45 00
James Royle	50 00
George A. Welhs	80 00
F. H. Erbland	15 40
Jacob Lindsay	75 00
Urban Nabor	68 42
F. J. Zorch	200 00

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer.—18.

By Ald. Adams—Resolved, That the Clerk be and he hereby is directed to draw an order on the Treasurer, payable from the Contingent Fund in favor of John L. Koehler, for damages for sewage pollution growing out of the contamination of Densmore creek by sewage for the sum of \$100 per annum from March 4, 1889, to the time when the sewage was diverted from said creek, to wit: April 5, 1893, upon the certificate of the City Attorney that a proper release has been executed by said Koehler for all past and future damages.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer.—18.

By Ald. McMillan—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen—Your Finance Committee presents the enabling act for the purpose of authorizing the city to issue its bonds and secure money with which to meet the costs of re-inforcing the water distribution service of the city, and thus make available the additional water supply soon to be delivered in Mount Hope reservoir, as recommended by Emil Kufchling and the Executive Board. The Chief Engineer assures the committee that it will be impossible for the city to avail itself of this additional water supply soon to be ready for distribution, until large pipes shall be laid throughout the western, northern and eastern parts of the city. This amount of money will be sufficient for the needs of the department during the current year, and the work of extending this can be carried on while the new conduit line is being completed. This will be ready when the new conduit shall have been completed.

Your committee therefore asks that unanimous consent of this council shall be granted, and that the enabling act submitted at this meeting be approved at once, to the effect that it may be speedily enacted into law.

Your committee desires to refer more especially to the communications of the Chief Engineer of the Water Works Department submitted to this council at the meeting held on March 20th, and referred to this committee.

All of which is respectfully submitted.

THOMAS McMILLAN,
M. E. LEWIS,
A. H. DEWEY,
H. G. COOK,
WM. WARD,
J. MILLER KELLY,
Finance Committee.

Ordered received, filed and published.

By Ald. McMillan—
AN ACT to authorize the city of Rochester to issue bonds to pay for a water distributing system.

The people of the state of New York, represented in senate and assembly, do enact as follows:

Sec. 1. The city of Rochester is hereby authorized to borrow money for the purposes, to the amount, and in the manner hereinafter stated, and the Common Council of the city of Rochester may from time to time hereafter for the purposes of providing said city with additional water distributing mains in connection with the water works system of said city by a three-fourths vote of the members of said Common Council, authorize the City Treasurer to issue the bonds of said city to an amount not to exceed in the aggregate the sum of two hundred and fifty thousand dollars running for a period not exceeding twenty years and bearing a rate of interest not exceeding four per cent. per annum, payable at such places as the common council shall designate. Said bonds when issued shall be signed by the Treasurer, sealed with the corporate seal of the city, countersigned by the Mayor and President of the Common Council and be either coupon or registered bonds. A complete record shall be made and kept by the City Treasurer of the said bonds including the dates, amounts and date of maturity thereof, and to whom issued if registered respectively. The proceeds of said bonds shall be applied to the payment of the cost of constructing said distributing mains.

Sec. 2. Whenever the issue of any bonds by virtue of this act shall be authorized by said Common Council said Treasurer shall invite sealed proposals therefor by advertisement in the official paper for not less than ten days and may award the same to the highest bidder therefor, provided that no proposal shall be accepted for less than the par value of said bonds, and said proposals shall be publicly opened only by the Treasurer, or such other person as said common council may designate in the presence of the Finance Committee of said Common Council or such of them as shall attend at the time and place specified in said advertisement and said treasurer with the approval of said Finance Committee or such members thereof as may be present, shall determine what, if any, part of said proposals shall be accepted, but nothing herein contained shall be construed to prevent the rejection of any or all of said proposals. And said common council is further authorized for the purpose of paying for the costs and expenses of carrying on the construction of any work pursuant to this statute pending the sale of any of said bonds to borrow by vote of three-fourths of all of the members elected subject to the approval of the mayor upon the credit of the city by its promissory note or notes payable in not more than a year after their date so much money as may deemed necessary and the amount so borrowed shall be placed to the credit of the funds for the purposes of this statute to be refunded with interest from the proceeds of the sale of said bonds.

Sec. 3. The several banks including the savings banks within said city, and the Rochester Trust and Safe Deposit Company and Security Trust Company of Rochester are hereby authorized to receive and keep on deposit any moneys raised by the sale or for the payment of said bonds by the notes of said city pursuant to this act, and to pay on such deposits such rate of interest as agreed upon by said Finance Committee and each and every bank and company receiving such deposits as aforesaid shall execute and give to said city a bond with sufficient sureties con-

ditioned to save said city harmless in any event of and from any loss by reason of such deposits, said bond to be approved by the Mayor and chairman of the Finance Committee.

Sec. 4. In order to provide for the payment of interest of the bonds hereby authorized to be issued by said city, there shall be added to the general city taxes of the city at large in the year when the first issue of bonds hereby authorized shall be made and each year thereafter, such sum of money in each of said years as shall be required to pay the interest upon the bonds which shall have been issued pursuant to the provisions of this act. To provide for the payment of the principal of said bonds it shall be the duty of the Treasurer of said city to estimate and ascertain the amounts required to be added to the general city taxes of said city by virtue of this act and to transmit a statement each year to said common council in time to have such amount included in the general city tax of said city for that year, and it shall be the duty of said common council to cause such amount to be included in such general city tax and to provide annually by tax for the payment of the principal and interest of the bonds issued pursuant to the provisions of this act.

Sec. 5. This act shall take effect immediately.

Ordered received, filed and published.

Ald. McMillan asked and received unanimous consent to introduce the following:

By Ald. McMillan—Resolved, That the enabling act accompanying the Finance Committee's report to provide for issuing the city's bonds to the amount of \$250,000, for the purpose of reinforcing the distribution service of the city, be, and the same is hereby approved; and that the honorable Senator, the Assemblymen from this district, be requested to introduce and arrange the same for a speedy passage:

Adopted by the following vote:

Ayes—Ald. Tracy, Calhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—19.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

GRAND AVENUE SWEEPING AND CLEANING.

By Ald. McMillan—Resolved, That the City Surveyor ascertain and report to this council the expense of sweeping and cleaning Grand avenue.

Adopted.

The Surveyor submitted as such estimate \$1,500.

By Ald. McMillan, Resolved, That the following improvement is necessary, viz:

The sweeping, cleaning and disposition of the dirt collected on Grand avenue, from Webster avenue to North Culver street, during the season of 1894; also the manuring and seeding of the grass plots between the sidewalks and the curbs, between the limits mentioned.

And Whereas, the City Surveyor, under the direction of this council, has made an estimate of the whole expense thereof, and reports the same at \$1,500, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Grand avenue, from Webster avenue to North Culver street, in proportion to the benefit which each will derive therefrom.

Adopted.

PORTLAND CEMENT WALK ON BOWEN STREET.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a Portland cement walk on Bowen street.

Adopted.

The Surveyor submitted as such estimate, \$200.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a Portland cement walk, 5 feet wide, on the west side of Bowen street, from East avenue to Park avenue,

except where good cement walks now exist. Also the necessary flag crosswalks and sidewalk grading. Property owners will be allowed 30 days in which to construct their own walks.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$260, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on the west side of Bowen street, from East avenue to Park avenue, in proportion to the benefit which each will derive therefrom.

Adopted.

PORTLAND CEMENT WALK ON ROSE STREET.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a Portland cement walk on Rose street.

Adopted.

The Surveyor submitted as such estimate, \$535.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The construction of a Portland cement walk, 4 1/2 feet wide, on each side of Rose street, from Lake avenue to Maplewood avenue. Also the necessary sidewalk grading and gutter formations.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$535, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Rose street, from Lake avenue to Maplewood avenue, in proportion to the benefit which each will derive therefrom.

Adopted.

GRADING AND WALKS ON A PORTION OF PIERPONT AVENUE.

By Ald. Zimmer—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing walks and grading the south end of Pierpont avenue.

Adopted.

The Surveyor submitted as such estimate, \$275.

By Ald. Zimmer—Resolved, That the following improvement is necessary, viz:

The grading of the roadway and sidewalks and the construction of 5 foot Portland cement walks on Pierpont avenue, from the south end of the present walks to Driving Park avenue, a distance of about 50 feet. Also the necessary flag crosswalks.

And Whereas, The City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$275, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Pierpont avenue, from a point 50 feet north of Driving Park avenue to Driving Park avenue, in proportion to the benefit which each will derive therefrom.

Adopted.

PIPE SEWER IN AVENUE D.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council

the expense of constructing a sewer in Avenue D.

Adopted.

The Surveyor submitted as such estimate \$1,150.

By Ald. Aikenhead—Resolved that the following improvement is necessary, viz:

The construction of a vitrified pipe sewer, 15 inches in diameter, in Avenue D, from a point 120 feet west of North Clinton street to the sewer in Avenue D at Hollenbeck street. Also the construction of the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And Whereas, the City Surveyor, under the direction of this council, has made an estimate of the whole expense thereof, and reports the same at \$1,150, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Avenue D, from the center of Hollenbeck street to North Clinton street in proportion to the benefit which each will derive therefrom.

Adopted.

PIPE SEWER IN STEWART STREET.

By Ald. Aikenhead—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in a portion of Stewart street.

Adopted.

The Surveyor submitted as such estimate \$875.

By Ald. Aikenhead—Resolved that the following improvement is necessary, viz:

The construction of a vitrified pipe sewer, 12 inches in diameter, in Stewart street, from the sewer in North avenue to the east end of the present sewer in Stewart street, and the relaying and deepening of the present sewer, from the culvert to the first manhole west of said culvert. Also the construction of the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And Whereas, the City Surveyor, under the direction of this council, has made an estimate of the whole expense thereof, and reports the same at \$875, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Stewart street, from the first manhole west of the culvert crossing said street to North avenue, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Zimmer—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or adoption, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be, and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Herald, notice thereof as is required and in the manner specified by section 172 of the city charter. Adopted.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., April 3, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Herald, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening April 3, 1894, at 7:30 o'clock P. M., at the Common Council chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk.

FINAL ORDINANCE NO. 5,499.

By Ald. Dewey—

OFFICE OF THE
CENTRAL LIGHT AND POWER CO.,
ROCHESTER, N. Y., APRIL 12, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Central Light & Power Company have some cables stretched across Main street, from building to building, and the company has been trying to devise some plan by which they can be taken down to conform to your rules in this department. The company is running a low pressure system, on account of its safety to life and property, and this system requires the use of large cables.

To bury the said cables in the conduits now constructed, the length of the cable would have to be considerably increased, on account of the comparatively circuitous route, which would have to be followed and such increased length would result in such a drop of voltage, as to render the entire plant useless. We might run our dynamos at a higher voltage, say 125 volts, and provide for the drop, but the Edison Electric Company claim patents in this method and have refused to deal with us in any way.

Now the plan we have to suggest as our only way out of the difficulty, is to get your consent to bury the wires directly under where they are now strung. Of course such work to be done without disturbing any existing right in the street which you have heretofore granted.

The Central Light & Power Company, on account of its facilities for doing business cheaply, has reduced the price of electric lighting 50 and even 75 per cent. where its lines run, and so makes claim to your favorable consideration of its business. As the contractor will begin work of laying new

pavement on Main street from the four corners, as he states his plans, we urge that you take action in this matter, so that the new pavement may not be in the way of doing this work.

Respectfully,
I. W. BUTTS, President.

Ordered received, filed and published and upon motion of Ald. Dewey referred to Lamp Committee and City Electrician.

By Ald. Dewey—Resolved, That the City Surveyor be instructed to establish the grade of Culver street from University avenue to the Erie canal bridge.

Adopted.
Also, Petition of J. H. Rosencranz for permission to erect a wooden building on Richards street. Granted.

Also; Petition of Marian P. Smythe for permission to erect a wooden building on Buckingham street. Granted.

Also; Petition of Grace A. Sherman for permission to erect a wooden building on Buckingham street. Referred to Wood Building Committee and Fire Marshal, with power to act.

By Ald. Pauckner—Resolved, That the Clerk draw orders upon the Treasurer, payable from the contingent fund, in favor of the following named parties, and for the same and purposes, viz: Pomeroy P. Dickinson for forty-five dollars, for services as commissioner and clerk of appraisal; Joseph H. Savard and Frederick Zimmer for twenty-seven dollars, each, for services as commissioners of appraisal; Abstract Guarantee Co., for ninety dollars for abstracts of titles and searches; Rochester Printing Co., for thirty-eight dollars and seventy cents for publishing notice of application for commission, and notice of meeting of commissioners; and Frank W. Payne for four dollars, for hack hire, for the commissioners to view the property taken, and John B. Ireland for three dollars for services as appraiser in the matter of the construction of a sewer from the corner of South and Elmwood avenues to the corner of South Clinton and South Goodman streets, in the city of Rochester, under final ordinance No. 5,252, and that the Treasurer pay said several sums from the contingent fund, and charge and carry said sums to the fund for the construction of said sewer when created.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Pauckner, Kelly, Aikenhead, Lewis, Harris, Bierbrauer—16.

By Ald. Pauckner—Resolved, That the City Surveyor be, and he hereby is, requested to number Laburnam Crescent. Adopted.

OFFICE OF THE CHAMPION IRON CO.,
KENTON, O., Dec. 26, 1893. }

Dear Sir:—We are informed that your honorable city council are considering the question of purchasing iron cells for your city lock-up building.

As this matter is a necessity you will, of course, place your order for the cells in question where you can get the best construction, as well as the most cells for the least money.

We beg to say that we have made the industry of the manufacture of prison work a special study for a number of years and more especially the manufacture of city work, such as police stations and lockup cages for small towns and cities, where the appropriation for such improvements are necessarily limited. We are, therefore, in condition to offer you an inducement in the way of making you a liberal proposition, as well as give you the best construction for the least money.

We have made some remarkable improvements in the arrangement of our cell construction, sanitary and ventilating arrangements, and last but not least in the manner of locking our cell doors. The locking device on any cell is the most essential point, inasmuch as the very purpose for which a cell is intended is for the detention and safe keeping of the prisoners so confined. We beg to say regarding our locking device that the same consists of a lock bar which locks each cell door from top to bottom, the entire height of the door, thereby frustrating any attempt to spring it out at the top or at the bottom, as is so frequently the case where an ordinary hasp and padlock being placed in the center of the cell door used.

Another point in favor of our locking device is that it is self-locking and doubly secured with an additional Yale padlock. We claim for our lockup construction this one thing, viz., that it is far superior to any construction that has ever been placed on the market by any of our competitors.

We respectfully ask that you advise us how many cells you contemplate erecting, as well as the size of your cell room; and we shall take pleasure in mailing you a detailed specification with our proposal for furnishing the

same complete. Advise if this matter has been decided by your honorable city council, and if the order will be placed soon; also if you have been in correspondence with any other firm in relation to this matter, and if so should you have a special request to make let us have it, and we shall be pleased to make you a concession besides the liberal proposal hereinbefore mentioned.

If you are not ready to place your order, advise us to that effect, and we shall take pleasure in being of service to you whenever you are ready; but, we would recommend that you consider the matter at once for the reason that prices are very low, material costing less to-day than for several years past.

Trusting this is satisfactory, hoping to have the pleasure of quoting you our prices and eventually taking your order, which shall be appreciated we assure you, we are,

Very respectfully,

THE CHAMPION IRON CO.,

Ordered received, filed and published and upon motion of Ald. McMillan, referred to special committee on police station.

By Ald. Lewis—Petition to change the name of North Popular street to Trinidad place. Laid upon the table two weeks under the rules.

Also, Application of Edward J. Ward for appointment as commissioner of deeds. Referred to Law Committee.

Ald. Harris presented a petition of the owners of more than one-half of all the land fronting on Wellington avenue, requesting this Common Council to levy a tax upon all the lands, so fronting, of six cents per foot front, for the year 1894, for the purpose of defraying the expenses of making the repairs and improvement of such park, according to the provisions of chapter ninety-six of the laws of 1880, as amended by chapter 198 of the laws of 1888, and assigning Arthur Warren, of this city, to receive the amount of said tax, when collected, and thereupon moved the adoption of the following resolution:

By Ald. Harris—Resolved, That the City Assessors be, and they are hereby directed to assess and that there be assessed six cents per foot front, upon all lands fronting on Wellington avenue, and that the same be added to the general city tax for 1894-1895, and to be apportioned equally upon all such lands so fronting upon said park; and the City Treasurer is hereby directed to pay the sums thus assessed, when collected by him, to Arthur Warren, he being the person designated to receive the same by such owners; and the Clerk is hereby directed to transmit to said Assessors and Treasurer a certified copy of this resolution.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—16.

Also, Petition of Henry Smith for permission to erect a wooden building on Genesee street. Referred to Wood Building Committee and Fire Marshal with power to act.

Also, Petition of Anton Klüh with reference to an erroneous assessment. Referred to Assessment Committee.

By Ald. Bierbrauer—Application of Charles Claus for appointment as Commissioner of Deeds. Referred to Law Committee.

By Ald. Bierbrauer—Resolved, That the Lamp Committee be, and it hereby is, requested to have erected an arc electric light on Wilder street, midway between Child and Colvin streets. Referred to Lamp Committee and City Electrician.

REPORTS OF STANDING COMMITTEES.

Ald. McMillan, on behalf of the Finance Committee, stated to the board that in the matter of the mortgage given to the city by the Western New York Institution for Deaf Mutes, interest thereon for five years last past is due and payable.

That the managers of said institution were desirous that the city remit the past interest and the committee asked instructions from the board.

Ald. Adams moved that the chairman of the Finance Committee be instructed to notify the managers of said institute that the payment of all such past due interest would be expected on the part of the city within sixty days. Carried.

By Ald. Adams—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Law Committee begs leave to report upon the various matters referred to it for consideration as follows:

In the matter of the claim of Bruff, Horn & Co., arising out of the construction of a portion of the east side trunk sewer, we recommend that the petition be denied.

In the matter of the claim of Jacob Brower and John Brower, for sewage pollution, the city has contracts with these parties, and therefore recommend that they be allowed the sum of \$75 and \$90 respectively for the past year as provided in said contracts.

In the matter of the petition of Charles L. Whitney praying for a reduction in the license fee for operating a night lunch cart in this city, we recommend that the petition be denied.

In the matter of the construction of the Court and William street outlet sewer, we recommend that the Executive Board be directed to negotiate if necessary for a right of way therefor.

In the matter of the application for appointments as commissioners of deeds, we recommend that the following be granted: Michael J. Conron, George M. Dockstader, Emmett H. Jennings, Joseph P. Llenen, Charles R. McCarthy, Theodore S. Pulver.

All of which is respectfully submitted.

M. B. ADAMS,
T. McMILLAN,
WM. PAUCKNER,
W. H. TRACY,

Law Committee.

Ordered received filed and published.

By Ald. Adams—Resolved, That the petition of Bruff, Horn & Co., for extra compensation connected with the construction of a portion of the east side trunk sewer be, and hereby is denied.
Adopted.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney the Clerk be, and he hereby is, directed to draw orders upon the treasurer, payable from the contingent fund, as follows: One in favor of Jacob Brower for the sum of \$75, and one in favor of John Brower for the sum of \$90, being for the right, privilege and easement to

discharge any and all of the sewers of the city in Thomas and Hobble creeks for the year ending March 16th and March 15, 1894, respectively.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Pauckner, Kelly, Aikenhead, Lewis, Harris, Bierbrauer—16.

By Ald. Adams—Resolved, That the petition of Charles L. Whitney, praying for a reduction of a license fee for operating a night lunch wagon be, and the same hereby is, denied.

Adopted.

By Ald. Adams—Resolved, That the Executive Board be, and hereby is, directed to negotiate for any right of way necessary for the construction of the Court and Williams street outlet sewer.

Adopted.

By Ald. Adams—Whereas, the commissioners of appraisal in the matter of widening Belmont park from East Main street to Grove street, under final ordinance No. 4,816, did award to the heirs of Martha Evernden for parcel No. 6, in their report, the sum of \$10, payable to the Rochester Savings Bank on a mortgage held against the property taken with other property, and

To John L. Cunningham, a tenant of Albert T. Sours, the sum of \$1 for said tenant's interest in parcel No. 2 of said report, reference being made for further particulars to said report, and

Whereas, said parties have each failed to accept the sums aforesaid awarded to them, and it being desirous of procuring the rights and easements acquired in said proceeding in order that said street may be widened.

Resolved, That the City Treasurer be directed to deposit in the above entitled proceeding in some bank in said city the amounts hereinbefore stated to the credit of said persons, and

Further, That upon such deposit being made said city and the Executive Board thereof be, and hereby is, directed to assume and take possession of the lands, rights and easements acquired for the widening of said park under said proceeding as is provided in and by sections 180 and 190 of the revised city charter.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Pauckner, Kelly, Aikenhead, Lewis, Harris, Bierbrauer—16.

By Ald. Ashton—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Assessment Committee begs leave to submit the following report:

In the matter of the application of William Knight for the cancellation of an assessment for Front street outlet sewer, the City Surveyor has reported that Mr. Knight was assessed and did pay for the building of the Genesee Valley outlet sewer, under final ordinance No. 2,263, and your committee therefore believe, that he should not be taxed for the Front street outlet sewer, and your committee therefore recommend that his petition be granted.

In the matter of the petition of Mrs. C. M. Lutes and others for the reduction of an assessment for water rents, on the ground that the premises for which said rents were assessed were vacant during a portion of the time for which they are assessed, your committee are of the opinion that the relief asked for is just and the petition should be granted.

In the matter of the petition of L. B. Oot-

hout, for the cancellation of an assessment for lateral sewers on Main street, your committee would recommend that the petition be denied.

In the matter of the petition of Lincoln B. Ellsworth and wife for the reduction of an assessment for Anson park gravel improvement, your committee are of the opinion that one item in said assessment for \$10.64 is erroneous, and that said item should be stricken from the assessment to Mr. Ellsworth, and we therefore recommend that the petition be granted.

In the matter of the petition of the Congregation B'Nai David, for the exemption of their property from taxation, it appears that the property of said congregation is used entirely for public worship, and that it should be exempted from taxation, and we therefore recommend that the petition be granted.

In the matter of the petition of P. B. Viele, to pay certain back taxes assessed on his property in the sixteenth ward with six per cent. interest, your committee recommends that the petition be denied.

In the matter of the petition of the Rochester Gas & Electric Company for rebate of interest paid on taxes, your committee report that said company asked for their tax bills in July, 1893, supposed that they had received all of the same, paid their taxes as they supposed on all their property, but not until taxes were advertised for sale in March last, did they discover that the taxes on their property in the first ward were unpaid and that the same had been advertised for sale; they immediately paid said taxes, and have petitioned that the interest which they were compelled to pay upon said taxes be remitted. Your committee recommends, that since it was no fault of said company that they did not receive their bills, that there be refunded to them the sum of \$43.43, less interest, on \$477.43, from August 1, 1893, to the date of payment of said taxes, with the legal fees and the expenses of advertising said property for sale.

In the matter of the petition of H. C. Cohn & Co., for the reduction of an assessment for the Medina stone pavement on Andrews street, your committee recommends that the petition be denied.

In the matter of the petition of the Rapids Cemetery Association to cancel and discharge certain alleged erroneous assessments, your committee recommends that the petition be denied.

In the matter of the petition of Hector McLean, praying that the taxes and assessment against property owned by him be apportioned and that he may be relieved from the burden of the additional interest imposed, because of the non-payment of certain taxes and assessments on the property, and that said interest be reduced from 12 per cent. to 6 per cent., we find that the petitioner is the owner of certain premises situated in the city formerly owned by George S. Riley, upon which there are certain unpaid taxes and assessments, and we recommend that the City Treasurer be directed to receive the amount of taxes and assessments as provided in the attached resolution.

In the matter of the application of Mary Williams and Sarah Fulton, heirs of Philip Green, for a relief from an assessment, your committee have ascertained that the petitioners have a frontage of one hundred and seventy-seven (177) feet on East Main street, at the junction of East Main street and University avenue; that their premises are one hundred and thirteen (113) feet deep on the east end and taper to nothing at the junction of University avenue and Main street. They have been assessed the same as all

other persons assessed for the improvement at the rate of \$14.64323 per foot, and your committee is of the opinion, that such an assessment is erroneous and unequal and we have concluded that injustice to the petitioners has been done, and they ought to be rebated the sum of \$175.72, and we therefore recommend that such rebate be granted.

All of which is respectfully submitted,

J. H. ASHTON,
JOHN F. FOX,
J. M. AIKENHEAD,
JOSEPH BIERBRAUER.

Assessment Committee.

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to cancel an assessment for the extension and improvement of Front street outlet sewer on premises owned by William Knight on the west side of Plymouth avenue, amounting to \$19.15, and charge the same to erroneous assessments.

Adopted.

By Ald. Ashton—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to receive from Mrs. C. M. Lutes and others, the sum of \$59.45, in full for city taxes of certain premises owned by Mrs. C. M. Lutes and others assessed to them, on William street, with the legal fees and percentages from August 1, 1893, and that the remainder of said tax, to wit, the sum of \$14.85, be cancelled and charged to erroneous assessments.

Adopted.

By Ald. Ashton—Resolved, That the petition of L. R. Oothout be, and the same hereby is, denied.

Adopted.

By Ald. Ashton—Resolved, That the City Treasurer be, and he hereby is, authorized to receive from L. B. Ellsworth and wife for the assessment against said L. B. Ellsworth and wife for Anson park gravel improvement the amount now assessed on said assessment roll to said Ellsworth and wife, less the sum of \$10.64, and that said sum of \$10.64 be charged to erroneous assessments.

Adopted.

By Ald. Ashton—Resolved, That the City Assessors be, and they hereby are, directed to exempt from taxation the property owned by the congregation B'Nai David, being lots 27 and 28 in the Wilson and Emerson re-alotment, being part of the A. G. Smith's tract.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—17.

By Ald. Ashton—Resolved, That the petition of P. B. Viele be, and the same hereby is, denied.

Adopted.

By Ald. Ashton—Resolved, That the Clerk be, and he hereby is, directed to draw an order on the City Treasurer in favor of the Rochester Gas and Electric Company, payable from the contingent fund, for the sum of \$43.33, less interest on \$477.43, from August, 1, 1893, to March 28, 1894, and the legal fees and the expenses of advertising the property of the Rochester Gas and Electric Co., for sale.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—17.

By Ald. Ashton—Resolved, That the petition of H. C. Cohn & Co., be, and the same hereby is, denied.

Adopted.

By Ald. Ashton—Resolved, That the petition of the Rapids Cemetery Association be, and the same hereby is, denied.

Adopted.

By Ald. Ashton—Resolved, That the Treasurer be, and he hereby is, directed to credit upon the assessment for the East Main street improvement to Mary Williams and Sarah Fulton, heirs of Philip Green, on their assessment on their premises at the junction of University avenue and East Main street, the sum of \$175.72, and charge said sum to erroneous assessments.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—17.

By Ald. Ashton—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to receive from Hector McLean, the amount of taxes or assessments now standing against the property owned by Hector McLean, recently purchased by him on a foreclosure sale in an action in the supreme court in which Hector McLean was plaintiff and George S. Riley and others, defendants, and due and owing at the time of sale of said premises in all cases where such premises were sold to the city of Rochester on such tax sale together with legal interest thereon from the date of such sale and the expenses of sale thereof, provided that the same be paid within three months from the passage of this resolution.

Adopted.

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., April 17, 1894. }

To the Common Council:

Gentlemen:—In the settlement with Ellsworth & Grant, for the building of Andrews street bridge, there was presented a claim for a premium for the completion of the bridge in less time than that allowed under the contract. The Executive Board respectfully refers this claim to your honorable body for such disposition as you may deem advisable.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published, and upon motion of Ald. Adams, referred to Law Committee.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., April 17, 1894. }

To the Common Council:

Gentlemen:—I am directed by the Executive Board to inform your honorable body that it is a matter of some importance that a better location for the fire alarm telegraph office be provided. The property in the Superintendent's office in the Front street building is valued from \$35,000 to \$40,000, and in case of destruction by fire it would be a total loss, as no insurance can be placed on the property.

Therefore, it is recommended that provision be made for suitable quarters in the new police building, where the valuable instruments and appurtenances of this important branch of the Fire Department can be placed and protected from destruction which would follow in the case of fire in the building in which it is at present located.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published, and upon motion of Ald. Dewey, referred to Special Committee on Police Station.

CITY TREASURER'S OFFICE, }
 ROCHESTER, N. Y., April 17, 1894. }

To the Honorable, the Common Council of the City
 of Rochester:

Gentlemen:—I have received from County
 Treasurer McVean, the attached letter, which
 I respectfully submit to your honorable body
 for instructions. Yours, etc.,

S. B. WILLIAMS, Treasurer.

MONROE COUNTY TREASURY, }
 ROCHESTER, N. Y., April 9, 1894. }

S. B. Williams, Treasurer, City of Rochester:

Dear Sir:—If you will procure for me,
 \$5,000 of the bonds issued by the city of
 Rochester, to aid in the construction of the
 Rochester & State Line Railroad, (now the
 B. R. & P.) or the bonds substituted for such
 original bonds, I will pay you par for them,
 with money retained by me out of the county
 tax on said railroad, and cancel them pur-
 suant to section 12, chapter 685, laws of 1892.

You may perhaps be able to exchange some
 of your new 3 1-2 per cent. bonds for the
 ones I want, and in that way have \$5,000 of
 the city debt cancelled, and the interest
 stopped.

Yours truly,

A. MCVEAN, Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the Fi-
 nance Committee, be, and they are hereby
 authorized to negotiate for and purchase one
 \$5,000 bond known as "The Rochester &
 State Line Railroad Bonds," and to deliver
 same to the County Treasurer upon the pay-
 ment by him of \$5,000 for the same. And
 the said County Treasurer is requested to
 send to this Board the certificate of the
 County Judge when said bond is canceled.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rau-
 ber, Adams, Edelman, Fox, Powell, Ashton,
 Dewey, Pauckner, Kelly, Aikenhead, Simme-
 link, Lewis, Harris, Bierbrauer—17.

By Ald. McMillan—

CITY TREASURER'S OFFICE, }
 ROCHESTER, N. Y., April 17, 1894. }

To the Honorable, the Common Council of the City
 of Rochester:

Gentlemen:—I have received from County
 Treasurer McVean, fifteen hundred dollars,
 (\$1,500) for rent of Arsenal, and have placed
 it temporarily to the credit of Contingent
 Fund, until your honorable body direct the
 disposition of same. Will you kindly give the
 matter your attention and oblige,

Yours respectfully,

S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City
 Treasurer be directed to deposit the above
 amount of fifteen hundred dollars in one of
 the savings banks or trust companies of this
 city, subject to the order of the Treasurer,
 said amount to be transferred to the sinking
 fund when said fund is created.

CITY CLERK'S OFFICE, }
ROCHESTER, N. Y., April 17, 1894. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Post Express, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, April 17, 1894, at 7:30 o'clock P. M., at the Common Council chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk. *

FINAL ORDINANCE NO. 5,510.

ELM STREET CEMENT WALKS.

On motion of Ald. Ward, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a Portland cement walk on Elm street, from East Main street to Chestnut street.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a Portland cement walk five feet wide on each side of Elm street, from Main street to Chestnut street, except where good flag or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the construction of the necessary flag crosswalks, resetting monuments, and adjusting the present brick walk to the proposed cement walk.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$975, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city, which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

One tier of lots and parcels of land on each side of Elm street, from East Main street to Chestnut street.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—16.

By Ald. Rauber—

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., Feb. 27, 1894.

To the Honorable the Common Council of the City of Rochester:

Gentlemen:—I beg leave to report that in accordance with your resolution passed on April 19, 1893, I have made a somewhat careful study for a new bridge across the Genesee river in extension of Mortimer street, and having prepared plans and estimates, I hereby request that a committee be selected to assist in the preparation of the required ordinance.

The plan which I submit herewith calls for: First. The extension of Mortimer street in a straight line with existing street, from North Water street to Front street, 62 feet wide, opening into Front street midway between Exchange place and Market street.

Second. Erection of a stone arch bridge across the river.

Third. Making the grade of Mortimer street straight from St. Paul street to Front street with a fall of four feet per one hundred.

Fourth. Raising the surface of North Water street four feet at Mortimer street, running down in a four per cent. grade to present surface of street at a point 90 feet south of Mortimer and on a four per cent. grade down to a point 140 feet north of Mortimer street.

Fifth. Raising the surface of Front street as follows: Beginning at the present surface on line with south curb of Market street, thence southerly on a grade of 4 feet per 100, to a point midway between Market street and Exchange place, where the new surface will be 5-1-2 feet above the existing pavement; thence on a straight grade rising 1-2 foot per 100, to Main street, which will make the new grade of Front street about 4-1-2 feet above existing surface at Exchange place.

Sixth. Raising the grade of Exchange place beginning at east line of Mill street at present surface; thence rising 2.13 feet per 100, to 4-1-2 feet above present surface at west line of Front street.

Among the reasons for adopting this plan are the following:

First. Making the street straight from St. Paul street to Front street will give it a better appearance than if it had an angle, and in ending midway between Market street and Exchange place, it will best serve the various lines of traffic going north on Front, Mill and State streets, west through Market and Church streets and Exchange place and south onto Main street. It will also be nearly parallel with Main street and 350 feet distant therefrom.

Second. The grade is limited to four feet per 100 because it seemed essential that the proposed street should not be any steeper than the part of Main street between Water and St. Paul street, and also because with this grade we are able to build a bridge leaving sufficient water way for high water in the river.

Third. The surface of Front street is raised because it is necessary in order to permit of a four per cent. grade on Mortimer street, and also because it will permit of extending the buildings on the east side of Front street out over a part of the river with ample water way beneath, so that instead of being limited to from 20 to 33 feet deep as they are now, they may be from 70 to 100 feet deep, and also because it will make Front street property very much more desirable for business purposes.

I estimate the cost of the improvement as follows:

Stone bridge across river.....	\$ 75,000 00
Grading and paving approaches and adjacent streets	38,000 00
Probable cost of real estate.....	30,000 00

Total\$143,000 00

Very respectfully yours,

J. Y. MCCLINTOCK,
City Surveyor.

Ordered received, filed and published.

Ald. Lewis in the chair.

By. Ald. Dewey—Resolved, That the City Surveyor be, and he hereby is requested to prepare an ordinance for a sewer on Court street from Clinton street to Union street.

Adopted.

Also, Petition of Hiram R. Wood, for permission to erect a wooden building on Rutger street. Referred to Wood Building Committee and Fire Marshal with power to act.

By Ald. Simmelink—Petitions of John G. Reske, and Mrs. Mayer for permission to erect wooden buildings on Alphonso avenue, and Bernard street, respectively. Referred to Wooden Building Committee and Fire Marshal with power to act.

Also, Application of W. C. Kohlmetz, for appointment as Commissioner of Deeds. Referred to Law Committee.

Ald. Simmelink moved that action upon Final Ordinance No. 5,245 be reconsidered.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—16.

Ald. Simmelink moved that Final Ordinance No. 5,245 be amended so as to read as follows:

OUTLET SEWER IN THOMAS AND OTHER STREETS.

On motion of Ald. Aikenhead, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a sewer in Thomas and other streets, from the East Side Trunk Sewer in Norton street, opposite Klein street to the center of Alphonso avenue.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do determine and ordain that the following improvement is necessary, and should be made, to wit:

The construction of a sewer of suitable dimensions and on proper grades, beginning at the East Side Trunk Sewer in Norton street, opposite Klein street; thence southerly along Klein street to Wilson avenue; thence easterly along Wilson avenue to a point opposite the produced center line of Bauman park; thence southerly along said produced center

line and the center line of Bauman park to Hayward park; thence westerly along Hayward park to Girard park; thence southerly along Girard park to Berline street; thence westerly along Berlin street as shown on maps to the center line of Thomas street produced; thence southerly along said center line produced and along the center line of Thomas street to the center line of Alphonso avenue. Also the construction of the necessary man-holes, surface sewers, lot laterals and branches. Also the acquirement of the necessary easements in, and right of way across private lands for the purpose of constructing and maintaining, examining and repairing said sewer at all times hereafter.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof the sum of \$25,100, which being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city, which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

All the territory included within and described by the following boundary lines, viz: Beginning at the intersection of Klein and Norton streets; thence southerly along Klein street including one tier of lots on the east side thereof to Wilson avenue; thence easterly along Wilson avenue, excluding one tier of lots on the south side thereof to Hudson avenue, except that the first three lots on the north side and the first four lots on the west side thereof for a depth not exceeding 150 feet to Frederick park; thence westerly along Frederick park; excluding one tier of lots on the north side thereof to a point 500 feet west of Hudson avenue; thence southerly parallel with Hudson avenue, to Bernard street; thence easterly along Bernard street, excluding one tier of lots on the south side thereof to Hudson avenue; thence southerly along Hudson avenue, excluding one tier of lots on the west side thereof to Weigel alley; thence westerly along Weigel alley to Thomas street; thence northerly along Thomas street, excluding one tier of lots on the east side thereof, to the north line of lot No. 119 of the St. Joseph Orphan Asylum Association tract; thence westerly along the north lines of lots Nos. 119, 133 and 147 of said tract to Loomis street; thence northerly and westerly along Loomis street to St. Joseph street; thence northerly along St. Joseph street, excluding one tier of lots on the east side thereof, for a depth not exceeding 150 feet to Van Stallen park; thence easterly along Van Stallen park, including one tier of lots on the north side thereof to Klein street; thence northerly along Klein street, including one tier of lots on the west side thereof to the place of beginning and excluding lots Nos. 38 and 135 through which the sewer will pass, between Wilkins avenue and Berlin street.

S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published.

LOCAL IMPROVEMENT ASSESSMENT.

By Ald. McMillan—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvements, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements adjusted by the Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefited by the improvements, are as stated and described in the final ordinance relative to the improvement, and that the name and expense of the improvements thus to be assessed are as follows, viz:

Ord. No.	Improvement.	Expense.
5,211.	Pierpont avenue and Lake View park cement walk....	\$ 2,800 00
5,264.	Pierpont avenue and Lake View park cement walk....	446 26
5,126.	Grand avenue asphalt pavement	66,080 00
5,265.	Grand avenue asphalt pavement	1,076 56
5,175.	Platt street Medina block pavement	32,480 00
5,263.	Platt street Medina block pavement	953 65

And it is further determined that the taxpayers to be assessed for making the foregoing improvements must pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed at the rate of 6 per cent. per annum.

And the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of lands within the portions of parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements, shall be deemed to receive by the making of the respective improvements.

Adopted by the following vote:

PRESENTATION OF PETITIONS, REMONSTRANCES, BILLS, ACCOUNTS, ETC., AND THEIR REFERENCE.

By Ald. McMillan—Petition for sprinkling Atkinson street. Referred to Surveyor to prepare an ordinance.

By Ald. Rauber—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I, the undersigned, Fridolin Pascalar, owner of the property hereinafter described, do hereby formally dedicate to the city of Rochester for the purpose of a public street,

All that tract or parcel of land situated in the city of Rochester, county of Monroe and state of New York, known as Leo park, as said park appears on a map thereof filed in Monroe county clerk's office April 30, 1894, in liber 9 of maps at page 52, and more particularly described as beginning at a point in the east line of North Joiner street sixty-nine and ninety-seven hundredths (69.97) feet south of a point where the north line of lot 58 intersects said east line; thence extending easterly on a line at right angles with said east line of North Joiner street about seven hundred three and four tenths (703.4) feet to the west line of St. Joseph street; thence along the west line of St. Joseph street thirty-six (36) feet to a point; thence on a line parallel with and thirty-six (36) feet distant southerly from the first line above described about seven hundred three and four tenths (703.4) to the east line of North Joiner street; thence northerly along the east line of Joiner street to the place of beginning.

I further certify that an accurate map of said street has been filed in said county clerk's office, and also in the office of the city assessors of said city, and that said street has been actually open and made convenient for public use and traffic.

I further certify that there has been set a durable stone monument so located as to accurately define each and every angle of said park by placing the same in the sidewalk thereof at the intersection of lines parallel with and four feet distant from the lines of said street forming said angles; that said monuments are four feet in length, eight inches square at the bottom and four inches square at the top and carefully dressed at the top and for nine inches down from the top on all sides; that said stones are so set in the ground that the top surface conform to and are flush with the established grade of the sidewalk, and that the point where said stones were set, and at which said intersection of lines occur are definitely marked by a hole in the top surface of said stones one-half inch in diameter at the top and one-half inch in depth.

I further certify that I am the owner of said park and have the right to dedicate the

same to said city as aforesaid, and that the same is free from all taxes, assessments, liens and incumbrances of every name and nature except the assessment for North Joiner street sewer for the remission of which assessment, a petition will be presented to the common council.

I respectfully request that said park may be accepted by the city as a public street and taken charge of as such.

FRIDOLIN PASCALAR.

By Ald. McMillan—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Finance Committee begs leave to submit the following report upon the matter of the negotiation and purchase of one of the old Rochester & State Line Railroad bonds for cancellation. Your committee has, through its chairman, negotiated with the Emigrant Industrial Savings Bank, of New York, the holder of said bonds, and has received a proposition from that bank to surrender one of the \$5,000 bonds of that issue, upon receipt of the sum of \$5,050 and accrued interest. That bond, upon being delivered to the City Treasurer, will be turned over to the County Treasurer, who, under the terms of his communication, will immediately cancel it and surrender it, and upon its receipt, he will reimburse the city for the amount of money expended in the purchase of that bond, to the amount of \$5,000.

All of which is respectfully submitted,

THOMAS McMILLAN,
HENRY G. COOK,
A. H. DEWEY,
M. B. ADAMS,
J. MILLER KELLY.

Finance Committee.

Ordered received, filed and published.

By Ald. McMillan—

Resolved, That the City Treasurer be, and he hereby is, directed and authorized to send to the Union Trust Co., of New York, the sum of five thousand fifty dollars (\$5,050) together with accrued interest on five thousand dollars from February 1, 1894, to date, and that they be instructed to pay said amount to the Emigrant Industrial Bank upon presentation of one Rochester and State Line

bond. The City Treasurer is further directed to charge fifty dollars (\$50) of said amount to contingent fund and the amount of interest paid to general account.

Adopted by the following vote.
Ayes—Alds. Tracy, Callihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—20.

By Ald. McMillan—

ROCHESTER, N. Y., May 1st, 1894.

To the Honorable, the Common Council of the City of Rochester:

Your Finance Committee submits herewith the annual tax levy for the year 1894-95. The amount deemed necessary for the ensuing year has been fixed by your committee at \$1,740,000. In this amount is included, not only sufficient moneys, in the judgment of your committee, for the purposes of the various departments for the entire year, but also the sum of \$184,000 for deficiencies incurred by reason of extraordinary expenditures during the past year. The severity of the winter season, and the large number of men out of employment for several months, seemed to require the employment of those men by the city in various departments. The Executive Board has certified a deficiency of \$60,000, largely incurred in aiding this class of persons; \$10,000 was also appropriated under a special act of the legislature to the Park Commission, to enable them to do work which could properly be done during the winter months, and thereby assist many deserving mechanics.

In the tax levy of 1893-94 was included as large a sum as the law permitted for the payment of teachers' wages and contingent expenses by the Board of Education. That sum was insufficient, and your committee prepared, and this Council approved, of an enabling act authorizing a further appropriation of \$39,000 for these two funds, and this amount of deficiency is also taken care of in this tax levy.

In anticipation of the signing of the proposed amendment to the charter, authorizing the raising of a larger sum for those funds this year than formerly, your committee has included an item of \$230,000 for teachers' salaries. It is believed that this sum, being \$17,000 more than last year's appropriation, will be ample for the payment of teachers' wages, and will also permit a moderate increase in their yearly compensation, should the Board of Education so determine. The sum of \$90,000, being \$17,000 more than last year's appropriation, is also included for contingent expenses of the Board of Education, and your committee has no doubt but that this sum will be sufficient for all proper expenditures for the coming year.

The Police Fund is slightly increased over last year's amount, by reason of the additional number in the force.

The cost of lighting the city will also be somewhat augmented on account of the increase in the total number of public lamps.

On account of the anticipated increase in the assessed valuation on the city's real and personal property, it is believed by your committee, that notwithstanding the considerable increase in the amount of the tax levy, the tax rate will not be materially greater than that of last year.

In submitting this tax levy, your committee desires to place itself upon record to the effect that the amount appropriated will be all the moneys which the various departments will be permitted to expend during the twelve months of the fiscal year.

His honor, the mayor, in delivering his inaugural address to this Council, called attention to the fact that this Council is solely responsible for the amount of the tax levy, and for the appropriation of all moneys expended by every department. These sentiments were concurred in by the retiring president, and also by the present president of this Council at the time of his election. Your committee feels that in view of this fact, and in view of the fact that there is a disposition on the part of the public generally to hold this Common Council responsible for such expenditures, the most rigid economy must be observed by every department. The members of this Council cannot afford to permit extravagance to exist in any department, and when it has determined the amount of money to be appropriated for the various departments, those departments must make those sums answer their requirements for the full fiscal year. The provisions of the city charter are explicit upon this subject, and it is made the duty of every department throughout the year to have constantly in mind the appropriations therefor, and to so manage their funds that they shall last throughout the entire year. By the provisions of section 140 of the city charter, it is made the duty of the District Attorney of the county of Monroe to prosecute all persons violating these provisions of the charter, upon the complaint of any tax-payer of said city, and your committee calls attention to this provision for the purpose of reminding the members of the various boards and departments that these constantly occurring deficiencies must cease.

T. McMILLAN,
M. B. ADAMS,
ALVIN H. DEWEY,
H. G. COOK,
J. MILLER KELLY,

Ordered received, filed and published.

Upon motion of Ald. McMillan ordered received, filed and published and action thereon be laid on the table until the next regular meeting.

By Ald. Adams—
To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Law Committee begs leave to make the following report:

On March 21st, 1894, a judgment was recovered by Rose Frick for the sum of \$488.91 for damages and costs for sewer pollution. The City Attorney states to the Law Committee that such judgment was reasonable in amount and that it would not be of any benefit to the city to appeal therefrom.

On April 25th, 1894, Anna B. Neal recovered a judgment against the city for \$182 costs and obtained an injunction against the city, restraining it from using the conduit line now in operation, and the conduit line now in course of construction, from diverting the waters of Hemlock and Canadice lakes. There are a number of questions of law that the City Attorney advises should be passed upon by the appellate courts in this action, and your committee therefore recommend that the City Attorney be authorized to take and prosecute on behalf of the city, an appeal to the General Term and any further appeals that may be necessary in the premises.

In the matter of the applications of Chas. Claus, M. Luella Devereaux, W. C. Kohlmetz, James C. Oliver, H. P. Reibling, Edward J. Ward, Fred M. Whitney, for appointment as Commissioners of Deeds, your committee would recommend that the applications be granted.

All of which is respectfully submitted.

MAHLON B. ADAMS,
T. McMILLAN,
WM. PAUCKNER,
W. H. TRACY,
H. G. COOK.

Law Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved, That the Clerk be, and he hereby is, directed to draw an order on the City Treasurer, payable from the contingent fund in favor of Rose Frick, or her attorney, E. B. Fenner, for the sum of \$488.91, with interest thereon from March 21st, 1894, upon the certificate of the City Attorney, that a proper satisfaction and release have been executed and delivered.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—20.

By Ald. Adams—Resolved, That the City Attorney be, and he hereby is, authorized to take an appeal to the General Term of the Supreme Court from the decision of Mr. Justice Yeoman and the judgment in the case of Anna B. Neal, vs. The City of Rochester, docketed in Monroe County Clerk's office, April 25th, 1894, and that he take such proceedings to perfect such an appeal as may from time to time be necessary and prosecute any further appeals or other proceedings on behalf of the city in the appellate courts in said action as may be necessary to properly protect the interests of the city of Rochester.

Adopted.

By Ald. Calihan—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your City Property Committee begs leave to submit the following report:

Your committee has decided to recommend that Millard T. Morse be employed as janitor of the Front street building, at an annual salary of \$900. That John O'Leary be appointed engineer of the city hall at an annual

salary of \$900. That John H. Hyde be appointed watchman of the city hall at an annual salary of \$900. That Thomas Lavin be appointed Assistant City Messenger, at an annual salary of \$600. That the salary of Mrs. Hayes, janitress of the first floor of the city hall, be increased to \$30 per month instead of \$25 per month, as heretofore.

All of which is respectfully submitted.

M. J. CALIHAN,
JOHN H. ASHTON,
ALVIN H. DEWEY,
MAHLON B. ADAMS,
WILLIAM WARD.

City Property Committee.

REPORT OF SPECIAL COMMITTEE.

By Ald. Adams—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your special committee appointed to confer with the New York Central Railroad, in relation to the University avenue crossing, begs leave to report as follows:

A sub-committee of that special committee visited New York and had a conference with Mr. J. M. Toucey, general manager of that railroad. As a result of that conference, a memorandum of the agreement was prepared, with the understanding that it should be submitted to this Council for approval on the part of the city, and the executive committee of the N. Y. C. & H. R. R. for its approval.

A copy of that memorandum is herewith submitted, and made a part of this report. Your special committee desires the approval of this Council to the terms of said memorandum, and to that end has prepared and submits herewith the resolution therefor.

All of which is respectfully submitted.

M. B. ADAMS,
 MERTON E. LEWIS,
 MARTIN J. CALIHAN.

MEMORANDUM—CROSSING OF UNIVERSITY AVENUE, ROCHESTER.

The New York Central Railroad proposes to build a tunnel under the tracks of the New York Central at University avenue crossing.

Tunnel to be 49 feet wide, roadway 34 feet and sidewalks approximately 8 feet. Headroom for driveway 13 feet, sidewalks, 4 feet above grade of driveway. Columns at curb lines.

Grade excavations for tunnel not to exceed 5 feet in 100.

All to be done at the expense of the New York Central R. R. The city to provide drainage for tunnel. The assessment for this drainage the railroad company to be exempted from.

The city is to adopt the necessary ordinance for the change of the grade of University avenue to enable the railroad company to construct the tunnel.

The change of grade and the construction of the tunnel to be made substantially in conformity to the preliminary plan made by Mr. Van Hoessen, engineer, now exhibited, as hereinbefore modified, subject to such changes as may be found necessary by the railroad company to carry its tracks over the said tunnel.

Ordered received, filed and published.

By Ald. Adams—Resolved, That this Common Council hereby approves of the memorandum of agreement prepared by its special committee on University avenue crossing in conference with J. M. Toucey general manager of the N. Y. C. & H. R. R.

Adopted by the following vote:

Ayes—Alds. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—20.

By Ald. Adams—Resolved, That the City Surveyor be instructed to prepare the ordinance for changing the grading of University avenue in such a manner as to enable the construction of a tunnel under the tracks of the N. Y. C. & H. R. R.

Adopted.

By Ald. Adams—Resolved, That the City Surveyor be, and he is hereby, instructed to prepare the ordinance for the construction of a suitable sewer in University avenue, for the purpose of affording drainage for the tunnel to be constructed by the N. Y. C. & H. R. R.

Adopted.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

BOARD OF PARK COMMISSIONERS, }
ROCHESTER, N. Y., May 1, 1894. }

To the Finance Committee of the Common Council.

Gentlemen:—At a meeting of the Board of Park Commissioners, held April 30th, the following resolution was adopted unanimously and we would respectfully request that immediate action be taken upon it:

Resolved, That the Common Council be requested to advance at once to this board ten thousand dollars of the appropriation for this year, and that the Finance Committee be directed to bring the matter to the attention of the council at once.

The money is needed to pay for labor on the parks and for material furnished, and also in order to prosecute work at the present time while it can be done at better advantage than later in the season.

We would add that we have not enough money to our credit to pay all of our outstanding bills and obligations.

Respectfully submitted,

JOHN H. ROCHESTER,
Chairman, Finance Committee,
Board of Park Commissioners.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That pursuant to section 81 of the revised city charter the City Treasurer be, and he hereby is, directed to issue under the direction of the Finance Committee, the city's note for forty thousand dollars (\$40,000) as it may be needed. Said note to be signed by the Treasurer and countersigned by the chairman of the Finance Committee, the proceeds to be credited as follows: \$16,000 to the park maintenance; \$30,000 to the police fund; the discount thereon to be charged to contingent fund.

Adopted by the following vote:
Ayes—Ald. Tracy, Callahan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—20.

By Ald. Bierbrauer—

ROCHESTER PARK COMMISSION, }
Tuesday, May 1, 1894. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—At a regular meeting of the Board of Park Commissioners, held yesterday, the following resolution was passed:

Resolved, That the secretary be requested to transmit to the Common Council the request of this board, that they turn over to them the tools used last year by their Park Committee, in the work of care-taking of the city parks.

Respectfully submitted,

ARTHUR R. SELDEN,
Secretary.

Ordered received, filed and published and upon motion of Ald. McMillan the request was granted.

By the Clerk—

CITY AUDITOR'S OFFICE, }

MISCELLANEOUS BUSINESS.

By Ald. McMillan—Whereas, On the 29th day of January, 1894, this council adopted a resolution directing the Map and Survey Committee to advertise for bids for the survey of the old fifteenth and sixteenth wards, upon specifications to be prepared by the city surveyor, and to be approved by the Map and Survey Committee, and to let such work to the lowest competent land surveyor, bidding as in their judgment might be for the best interest of the city and directing the mayor to execute a contract for such work when requested by the Map and Survey Committee, and

Whereas, At a meeting of this Council, held March 20, 1894, upon motion of Ald. McMillan, a resolution was duly adopted reconsidering said resolution of January 29, 1894, and at the same meeting, a motion was made by Ald. McMillan, and duly adopted, indefinitely postponing said resolution of January 29, 1894, and

Whereas, The Clerk has failed to insert the resolution of indefinite postponement in his minutes of the meeting of this council held March 20, 1894, therefore

Resolved, That the minutes of said meeting of March 20, 1894, be, and they hereby are, corrected by inserting on page 695, after the resolution of reconsideration above referred to, the following, which the Clerk is hereby directed to insert.

By Ald. McMillan—Resolved, That the resolution adopted by this Council January 29, 1894, directing the Map and Survey committee of said Common Council to advertise for bids for the survey of the old fifteenth and sixteenth wards upon specifications to be prepared by the City Surveyor, and to be approved by the Map and Survey Committee and to let such work to the lowest competent land surveyor bidding, as in their judgment might be for the best interests of the city, and directing the mayor to execute a contract for such work when requested by the Map and Survey Committee, reconsidered at this meeting, be, and the same hereby is, indefinitely postponed.

Adopted.

PETITION FOR IMPROVEMENTS.

ROCHESTER, N. Y., May 12, 1894.

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—The petition of the undersigned residents of the said city respectfully represents: That your petitioners are freeholders in said city and that each of them owns the real estate in said city respectively written below, after his or her name, and signs with the knowledge that he or she will be assessed for the improvements petitioned for, if deemed benefited thereby.

And they pray your honorable body to cause South Culver street, from East avenue, southerly to the Erie canal bridge, in said city, to be improved by grading the street to its full width, setting six inch curbs thirty feet apart, parking gutters three feet wide with Medina stone parking, the roadway with trap rock macadam on lime stone Telford foundations, building five foot cement walks on both sides of the street, and cultivating, dressing and seeding the parking, laying all gas and water pipe and running all laterals to points inside of the curb lines before the completion of the work. All to be in accordance with the plans and specifications already prepared by the Surveyor of the city of Rochester.

Wendell J. Curtis, 90 feet front on Culver street, 12th ward; residence, 95 Troup street.
 Cornelia C. Smith, 385 feet front on Culver street, 12th ward; residence, East avenue.

L. Douglas Ely, 200 feet front on Culver street, 12th ward; residence 359 East avenue.
 Josiah Austice, 115 feet front on Culver street, 12th ward; residence 150 Spring street.

Alice E. Buell, 400 feet front on Culver street, 12th ward; residence Livingston park. And others.

Ordered received, filed and published, and referred to Surveyor to prepare an ordinance.

By Ald. Dewey—

CITY AUDITOR'S OFFICE,
 Rochester, N. Y., May 15, 1894.

To the Common Council:

Gentlemen:—I beg leave to call your attention to the increased business of this department, the duties of which now require the constant attention of a competent assistant for clerical work, of which much besides now devolves upon the Auditor personally, in order to facilitate the business of the department and avoid unreasonable delays.

A proper examination of all matters presented for audit, necessary reference to records of claims already passed upon, and constant attention to and familiarity with the published proceedings of the several bodies of our city government, demand time and application on the part of the Auditor that should relieve him of the greater part, if not all of the purely clerical work of the office.

The records of the office show that over 6,000 claims have the past year been received, registered and passed upon, an increase of over 1,300 above the previous year or more than 25 per cent. These are received at greatly irregular intervals, which tends to still further tax the working ability to dispose of them as promptly as the interests involved demand, or as, if presented in orderly succession, were it practicable.

In view of this I would therefore respectfully submit that the city make provision for a capable clerk for this office with proper compensation, independent of the salary of the Auditor for the current year.

Very respectfully,

A. S. MANN, Auditor.

Ordered received, filed and published and upon motion of Ald. Dewey, referred to Finance Committee.

By Ald. Dewey—

OFFICE OF THE EXECUTIVE BOARD.
 ROCHESTER, N. Y., May 15, 1893.

To the Common Council:

Gentlemen:—The Executive Board, in accordance with a resolution of your honorable body, has notified the owner of property on Lawton street to appear at this office and state what price he would sell the strip of land proposed to be purchased in widening of Lawton street, from the east end thereof to Meigs street. The party interested appeared and gave a price which was deemed by the owner reasonable, but which the Executive Board is not prepared to recommend, and it is therefore deemed expedient to suggest that the City Attorney be authorized to commence the usual condemnation proceedings.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Dewey—Whereas, No agreement for the purchase of land necessary to be taken for the widening of Lawton street, from the east end thereof to Meigs street, in the city of Rochester, under final ordinance No. 5,259, can be made, therefore,

Resolved, That a copy of said ordinance and of this resolution, together with a map of the street, be made and filed in the office of the City Clerk, and of the County Clerk, which map shall show thereon the lot, tract

and parcel of land which is deemed necessary to be taken, and the commencement, course and termination of said street purposed to be laid out, according to the provisions of section 174 of the revised city charter, and that the City Attorney be, and he hereby is, instructed to take and institute such proceedings from time to time, as may be necessary to secure such street opening, as is provided by the city charter.

Adopted.
By Ald. Dewey—

Hon. A. H. Dewey, Chairman Electrical Committee of the Common Council:

Dear Sir:—Some two weeks ago the Central Light and Power Company filed an application with the Common Council for leave to lay a pipe across Main street from Wilder's Arcade to the Elwood Building.

This request was duly referred to your Committee and the said company since that time has made like request of the Executive Board.

It is the opinion of the City Attorney that the Executive Board has not the power to grant this request, for which reason and because Main street is now torn up, the Central Light and Power Company suggests prompt action by the Common Council.

Enclosed you will please find copies of the communications recently addressed to the Executive Board, which show that the Central Light and Power Company has done all in its power in that direction.

The present appeal to the Common Council does not involve simply a question of a few dollars. It involves the question of whether the Rochester Gas and Electric Company shall enjoy the absolute monopoly of furnishing light and power to the citizens of Rochester. Their rates for the few feet the Central Light and Power Company desires to use are prohibitory in their character and amount virtually to the declaration that the Central Light and Power Company shall not distribute light or power, because that company cannot cross the line of the conduit of the Rochester Gas and Electric Company.

The citizens of Rochester are greatly interested in the project of water storage. The central idea in this project is that more water in the Genesee river will mean more power to turn our wheels. This power, it is claimed, may be distributed to manufactories, which it is expected will be located in various parts of the city of Rochester. Time and money have been expended in the attempt to induce the Legislature to give to Rochester this great advantage. The Central Light and Power Company now has a surplus of 300 horse power, which it cannot utilize because of the circle drawn around its power house by the conduit lines of the Rochester Gas and Electric Company. The Central Light and Power Company therefore believes that it is contending for the future interests of the city of Rochester in endeavoring to obtain an outlet through which it can supply light and power to the citizens of Rochester. In view of the desirability of prompt action, I respectfully request that your Committee take up this matter and make a report to the Common Council at its meeting this evening.

Dated, Rochester, N. Y., May 15, 1894.
CENTRAL LIGHT AND POWER CO.,

I. W. BUTTS, President.

Ordered received, filed and published and upon motion of Ald. Dewey, referred to Lamp Committee.

Also, remonstrance against any improvement of Cambridge street.

Ordered received, filed and published.

REPORTS OF STANDING COMMITTEES.

Ald. McMillan, on behalf of the Finance Committee, reported that the committee had taken into consideration the matter of an appropriation for a Decoration Day celebration and recommended the passage of a resolution appropriating \$400 for that purpose. Also that the committee recommended the appointment of N. F. Haskell to examine the books, accounts, etc., of the City Treasurer for the ensuing year at the same salary as heretofore.

Ald. Dewey moved that N. F. Haskell be appointed examiner of the City Treasurer's books, accounts, etc., for the ensuing year at the same salary as heretofore received.

To the Common Council:

Gentlemen:—Your Lamp and Electrical Committee respectfully reports that arc lamps are to be placed at the following points:

- One on Thorn alley.
- One on Gardner avenue.
- One corner of Kenwood avenue and Chill avenue.
- One on Hawley street
- One on Frankford street.
- One corner of Jay street and Immel place.
- One on Avenue A. Vick park.
- One on Frank street.
- One on Jones street.
- Three on Arnold park.
- One on Granger place.
- Two on Michigan street.
- One on Atkinson street; making an addition of sixteen lamps to the street lighting system.

As the results of the efforts of your honorable body, the poles and wires are being removed from Main street. And as the Central Light & Power Company and the Western Union Telegraph Company have cables across Main street, and all other wires having been removed from the street, your committee recommends that some action be taken by your honorable body to remove said cables, and ask that the following resolution be adopted.

A. H. DEWEY,
 THOMAS McMILLAN,
 M. J. CALIHAN,

Lamp and Electricity Committee.

Ordered received, filed and published.

By Ald. Dewey—Resolved, That the Rochester Gas & Electric Company be, and it is hereby, directed to comply with the report of the Lamp and Electricity Committee when notified to do so by the City Electrician, and he is hereby directed to comply with the report of said committee.

Adopted by the following vote:
 Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Harris, Bierbrauer—18.

By Ald. Dewey—Resolved, That the City Electrician be, and he is hereby, directed to notify the Western Union Telegraph Company to remove all overhead wires or cables strung on or across Main street, between Plymouth avenue and University avenue, within sixty days from date of notice; and upon the failure of said company to comply with such

notice, the City Electrician is hereby directed to remove such cables or wires and charge the expense of such removal to said company.

Adopted.

By Ald. Dewey—Resolved, That the City Electrician be, and he is hereby, directed to notify the Central Light & Power Company to remove any and all overhead cables and wires strung on or across Main street, between Plymouth avenue and University avenue, within sixty days from date of notice; and upon the failure of said company to comply with such notice, the City Electrician is hereby directed to remove such cables and wires and charge the expense of such removal to said company.

OFFICE OF THE CITY ELECTRICIAN, }
 ROCHESTER, N. Y., May 15, 1894. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—In reference to the matter of lighting Cady street, Champlain street, Olean street, Hawley street, Barton street, Frost avenue and Columbia avenue with arc lights, which was referred to this committee by resolution of Alderman Harris at your last meeting, we beg to make the following report:

The matter was brought before the Common Council of last year by petitions signed by the taxpayers on the streets and avenues named. One set of petitions favored the lights of the Citizens' Light & Power Company, and another set favored the lights of the Rochester Gas & Electric Company.

The whole matter was referred to the Lamp and Electricity Committee and said committee made a report which was received and filed and ordered published. A resolution accompanying the report was laid on the table until the first meeting in May, 1894.

Your committee after carefully investigating the subject are convinced that by carrying out the recommendations contained in the report of the Lamp and Electricity Committee of last year the best interests of the city will be protected, and for that reason we embody in this report the report of the committee of last year, which is as follows:

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Lamp and Electrical Committee begs leave to make a special and separate report upon the matter of the petitions of the taxpayers of Cady, Champlain, Olean, Hawley and Barton streets and Frost and Columbia avenues and Doran park.

We learn that two electric light companies entered into competition to replace the present gas lamps on the above streets by arc lights and at the instance of each company a petition was circulated and signed and submitted to the council and referred to this committee as an inducement for the council to grant such right to the company which furnished the strongest petition. Inasmuch as a number of the same names appear on both petitions it is difficult for the committee to say which petition represents the largest number of taxpayers. But it is clear that the taxpayers on these streets are desirous of having the gas lamps replaced by arc electric lights. The streets in the city are at present lighted by the Rochester Gas & Electric Light Company which is a consolidation of the three old companies. At the time that the present contract for lighting the streets of the city was made there was open competition between the three companies, and the committee is of the opinion that by such competi-

tion the city secured as low a rate for lighting as any city in the country. Since the consolidation, new electric light companies have received franchises from the city and it is the opinion of this committee that some street lighting ought to be given to the new companies to encourage such competition as will prove a benefit to the city and public at large. The Citizens' Light & Power Company having requested the privilege of replacing the gas lamps by electric arc lights on the streets above named, and there being but a slight increase of expense, we recommend that a contract be entered into between the city and said company for the lighting of the streets above named and such other territory as may hereafter be designated by this Common Council, the conditions and covenants of said contract to be the same as that of the Rochester Gas & Electric Company and such other covenants and agreements as may in the judgment of the chairman of the Electrical Committee, City Electrician and City Attorney be advisable as promoting the best interests of the city; the expense of such lighting per lamp not to exceed the price now paid under the contract with the Rochester Gas & Electric Light Company, and the contract with the Citizens' Company to expire at the time that the contract with the Rochester Gas & Electric Light Company expires.

T. McMILLAN,
M. B. ADAMS,
ALVIN H. DEWEY,
H. G. COOK,

Lamp Committee.

All of which is respectfully submitted,

ALVIN H. DEWEY,
MARTIN J. CALIHAN,
T. McMILLAN,
Lamp Committee.

Ordered received, filed and published.

By Ald. Dewey—Resolved, That the Mayor be, and hereby is, authorized to execute a contract with the Citizens' Light & Power Company to light Cady, Champlain, Olean, Holley and Barton streets and Frost and Columbia avenues and Doran park with arc lights not to exceed seventeen (17), the location to be designated in said contract, and to light such other streets, avenues, alleys or public places as may hereafter be designated by the Common Council, the conditions and covenants of said contract to be the same as that of the Rochester Gas & Electric Light Company heretofore entered into and such other covenants and agreements as may in the judgment of the chairman of the Electrical Committee, City Electrician and City Attorney be advisable as promoting the best interests of the city. It is

Further Resolved, That the expense of such lighting per arc lamp shall not exceed the price now paid under the contract made with said Rochester Gas & Electric Light Company, and said contract with the Citizens' Light & Power Company to expire at the time the contract with the Rochester Gas & Electric Light Company expires.

Ald. Kelly moved that the matter be referred back to the Lamp Committee to receive bids and report back with recommendations.

Ald. Dewey moved as an amendment that all lights subsequently erected be subjected to the same action.

Ald. Kelly accepted the amendment. The original resolution as thus amended was then adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Dewey, Cook, Kelly, Aikenhead, Harris Bierbrauer—16.

Nays—Alds. Ward and Pauckner—2.

ROCHESTER, N. Y., May 15, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Law Committee would respectfully report as follows:

That there is due to the claimants named below under their contracts with the city, the sum set opposite their names for damages for sewer pollution; in each case the sewage was diverted from the creed upon which their premises abut, on April 23, 1894, and we recommend that in addition to the annual payment the sum due them to April 23, 1894, be paid.

Stephen M. Corwin, due March 22; annual rate, \$300; diverted April 23, 1894.

E. Mock Shake, due April 15th; annual rate, \$150; diverted, April 23, 1894.

Frederick Roesch, due March 29th; annual rate, \$150; diverted April 23, 1894.

In the matter of the application of Samuel P. Moore and George Henry Swanton for appointment as commissioners of deeds we recommend that the application be granted.

All of which is respectfully submitted,

MAHLON B. ADAMS,
T. McMILLAN,
WM. FAUCKNER,
W. H. TRACY,
H. G. COOK.

Law Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved, That the Clerk be, and he hereby is, directed to draw an order on the City Treasurer, payable from the contingent fund, in favor of the following named claimants, for damages in full for sewer pollution under the contracts existing between them and the city of Rochester, up to and including the 23d day of April, 1894.

Stephen M. Corwin.....	\$325 00

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Harris, Bierbrauer—18.

By Ald. Adams—Resolved, That the resolution found at page 19 of the current proceedings directing payment to Jacob Brower and John Brower for damages for sewage pollution under contracts with them be, and the same hereby is, reconsidered.

Adopted.

By Ald. Adams—Resolved, That the resolution found at page 19 of the current proceedings directing payment to Jacob Brower and John Brower for damages for sewage pollution, under contracts with them be, and the same hereby is, indefinitely postponed.

Adopted.

By Ald. Ashton—

ROCHESTER, N. Y., May 15, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Assessment Committee begs leave to submit the following report: In the matter of the application of Allen B. Carr, M. D., for the cancellation of all assessment for Clinton street sewer, your committee are of the opinion, that the petition should be denied.

In the matter of the application of Fridolin Pascalar, for the cancellation of an assessment for North Joiner street sewer, it appears that two years ago, Father Pascalar opened Leo park; that he has been taxed for the city taxes on North Joiner street, for the premises now known as Leo park and which fronts on Joiner street, and for which he

does not ask relief, and for said North Joiner street sewer although said park has been used as a public thoroughfare for a period of time; that your committee are of the opinion that the petition of Father Pascalar should be granted, as he supposed said park was a public street, although he had never formally dedicated the same to the city until within a few weeks.

In the matter of the petition of Mrs. C. M. Lutes and others acted on April 17th, 1894, a resolution authorizing the treasurer to receive from Mrs. C. M. Lutes the sum of \$59.45, was incorrect in amount and the resolution should be reconsidered as by the terms in the resolution, a rebate of \$14.85 was not allowed as was intended.

In the matter of the application of James E. Wolcott, as executor for cancellation of an assessment on personal property, your committee would state that the estate of Anson F. Wolcott, of which James E. Wolcott was one of the executors, was all distributed, with the exception of \$10,000, as appears by vouchers in the possession of James E. Wolcott, prior to May 28, 1892 and that said \$10,000 was distributed by said James E. Wolcott prior to June 14, 1893, your committee therefore recommends that the Treasurer be authorized to receive from the estate of Anson F. Wolcott the tax upon \$10,000 for the year 1892, with interest thereon at 6 per cent., and the remainder of said tax for that year be cancelled and that the personal tax now assessed to James E. Wolcott upon the books of the Treasurer for the year 1893, be cancelled and the tax for the year 1894, if the same be levied, be cancelled by the Treasurer.

In the matter of the petition of the W. N. Y. & P. R. R. Co., for a rebate of an assessment, your committee recommend that the application be denied.

In the matter of the petition of Fred P. English for the cancellation of an assessment of \$5.85, for the construction of Tremont street pipe sewer, your committee have investigated the matter and are of the opinion that the premises of Mr. English are not benefited and should not be assessed for this sewer, and that Mr. English is entitled to have said assessment cancelled and your committee recommend such cancellation.

In the matter of the petition of Rose McCormick, for the reduction of an assessment, the assessors have stated that the assessment on her property was increased from \$2,400 to \$3,000, and that they have since examined the property and are of the opinion that the assessment is proper and just and that the property has increased in value, and your committee recommend that the petition be denied.

All of which is respectfully submitted.

J. H. ASHTON,
HENRY G. COOK,
JOHN F. FOX,
J. M. AIKENHEAD,
JOSEPH BIERBRAUER,
Assessment Committee.

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the petition of Allen B. Carr, for the cancellation of an assessment for Clinton street sewer be, and the same hereby is denied.

Adopted.

By Ald. Ashton—Resolved, That the petition of Fridolin Pascalar for cancellation of an assessment for North Joiner street sewer be, and the same hereby is granted, and the City Treasurer is hereby directed to cancel the assessment to Fridolin Pascalar for North Joiner street sewer on the premises on the east side of Joiner street, and

which are now known as Leo park, and that said assessment for said premises be charged to erroneous assessments.

Adopted.

By Ald. Ashton—Resolved, That the resolution found at page 21 of the current proceedings of the Common Council, authorizing the Treasurer to receive from Mrs. C. M. Lutes and others, the sum of \$59.45, in full for city taxes, etc., be, and that same hereby is reconsidered.

By Ald. Ashton—Resolved, That said resolution authorizing the Treasurer to receive from Mrs. Lutes \$59.45, in full for city taxes be, and the same hereby is indefinitely postponed.

Adopted.

By Ald. Ashton—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to receive from Mrs. Lutes the sum of \$45.10, in full for city taxes for certain premises owned by C. M. Lutes and others assessed to them on William street, together with interest thereon from August 1st, 1893, at 6 per cent., and that the remainder of said tax and interest be cancelled and charge to erroneous assessments.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris, Bierbrauer—19.

By Ald. Ashton—Resolved, That the City Treasurer be, and he hereby is, authorized to receive from James E. Wolcott and others as executors of the estate of Anson F. Wolcott, the sum of \$154.64 with interest from August 1st, 1892, in full for personal property tax against the estate of Anson F. Wolcott and that the remainder of said tax and interest, charges, etc., be charged to erroneous assessments, and that the tax of \$232.72, charged to the estate of Anson F. Wolcott, deceased, for the year 1893, be, and the same hereby is cancelled and said sum charged to erroneous assessments; that the tax for 1894, against said estate, when levied be cancelled by the Treasurer and said tax charged to erroneous assessments.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris, Bierbrauer—19.

By Ald. Ashton—Resolved, That the petition of the W. N. Y. & P. R. R. Co., for a rebate of an assessment be, and the same hereby is denied.

Adopted.

By Ald. Ashton—Resolved, That the petition of Fred P. English for the cancellation of an assessment of \$5.85, for Tremont street pipe sewer, under assessment roll No. 571, be, and the same hereby is granted, and that the Treasurer is authorized and directed to cancel said assessment and charge same to erroneous assessments.

Adopted.

By Ald. Ashton—Resolved, That the petition of Rose McCormick, for the cancellation of an assessment be, and the same hereby is denied.

Adopted.

REPORTS OF SELECT COMMITTEES.

Ald. McMillan, on behalf of the special committee on police station, presented the architect's plans of the same and moved that the clerk advertise for bids for the construction thereof. Carried.

By the Clerk—

Henry W. Gregg, City Clerk:

ROCHESTER, N. Y., May 4, 1894.

Dear Sir:—The following report and estimate was adopted by the Board of Education of this city at a regular meeting of said board held on the 30th day of April, 1894.

Respectfully,
MILTON NOYES, Clerk of Board.

Com. Gillette, of the Finance Committee, submitted the following:

FINANCE ESTIMATE.

To the Board of Education:

Gentlemen:—We are required to make the necessary estimates of money to be raised by the Common Council for the support of our public schools for the current fiscal year and report the same for your action.

The committees having charge of expenditures payable from your contingent fund have submitted the items comprising that amount. The estimate has in fact already been submitted informally to the Finance Committee of the Council in view of the early preparation of the tax levy.

These estimates are based on the necessities of our schools. The reports submitted at the session of the board March 30th, last, contain not only a financial review of that closing year but also they disclose the wants of our several school departments for the present year. The present registry of school pupils is greater than ever before, viz, 21,215, an increase of 1,110 pupils over April, 1893.

The wants of the various districts in way of buildings and additions have been fully set forth. There are thirteen districts where annexes are now maintained, to accommodate 900 children unable to secure seats in the older buildings. It is true that some of the central schools have decreased in attendance but this difference is more than made up in the outer wards. We have asked for the sale of Nos. 10 and 16 buildings, and if possible for a sale of No. 8, that the latter may be replaced by a new structure more centrally located. This board can use to good advantage every dollar it has asked for. In fact such an amount will be required administered with the greatest economy in order to get through the year to March, 1895. No money is asked for to pay old accounts.

The following amounts are required from the city:

Building Fund	\$ 50,000 00
Repair Fund	15,000 00
Teachers' Fund	250,350 00
Library Fund	3,000 00
Contingent Fund	109,066 67

Total

\$427,416 67
The contingent account is made up of the following wants:

Janitors and employes.....	\$ 34,855 75
Supplies	25,014 00
Text Books	2,500 00
Printing	2,500 00
Free Academy	1,200 00
Fuel and Fire Fixtures.....	39,996 92
Miscellaneous Account	3,000 00

\$109,066 67

Annexed hereto is the verified statement of pupils enrolled but once in our public schools. We, therefore, offer the following:

Resolved, That this board does hereby determine and certify, pursuant to the requirement of the city charter, that the foregoing several sums named, aggregating \$427,416.67, are necessary and proper to be raised by the Common Council for the several purposes above set forth in support of the public schools of this city for the current fiscal year ending March 31, 1895.

All of which is respectfully submitted this April 30, 1894.

EDWARD WILSON,
WILLIS K. GILLETTE,
G. W. BURNE,
ALEX. C. HERMANCÉ,
Finance Committee.

The following is the sworn statement of the number of enrolled pupils referred to in the foregoing estimate and required by subdivision 6, of section 129, of the city charter, as now in force.

STATE OF NEW YORK, }
 COUNTY OF MONROE, } ss.
 CITY OF ROCHESTER. }

Milton Noyes, being duly sworn, says that he is the superintendent of the public schools of the city of Rochester; that the average number of resident pupils enrolled in the several public schools of said city but once during the school year ending May 1, 1894, according to the verified monthly reports of the several principals of said schools is nineteen thousand one hundred and seventy-six (19,176).

MILTON NOYES.

Subscribed and sworn to before me this 30th day of April, 1894.

WM. S. BEMIS, Com. of Deeds.

On motion of Commissioner Warren the foregoing estimate was approved and adopted.

Ordered received, filed and published and referred to Finance Committee.

By the Clerk—

ROCHESTER, N. Y., May 10, 1894.

H. W. Gregg, Esq., City Clerk:

By the Clerk—

ROCHESTER, N. Y., May 10, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I would respectfully call your attention to the communication sent you from the Board of Health in reference to the plumbing in the City Hall, dated January 22, 1894, in which you were requested to take immediate action in regard to the plumbing in said building. Action was taken by your honorable body, and said communication referred to the City Property Committee, since which time nothing has been done.

At a meeting of the Board of Health, held May 9, 1894, I was instructed to call your attention to this matter, and request your honorable body to take immediate action thereon.

Very, respectfully yours,

WALLACE SIBLEY, M. D.,

Health Officer.

Ordered received, filed and published and referred to City Property Committee.

By the Clerk—

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., May 10, 1894.

To the Honorable, the Common Council:

Gentlemen:—Under the resolution of your honorable body we have commenced the survey of the portion of the city comprised within the old fifteenth and sixteenth wards. We find it advisable to mark with stone monuments the corners of the streets as soon as we have established them.

We already need to have about forty set on New Boulevard, Lake avenue, Seneca parkway, Bid Ridge road, Clifford street and Jennings street; also on South Goodman street, Highland avenue, Elmwood avenue and South

avenue. We shall use about 200 monuments this year.

I recommend that the Executive Board be authorized to purchase 200 stone monuments and set the same under our direction and charge expense thereof to contingent fund.

Vers respectfully yours,

J. Y. McCLINTOCK,
City Surveyor.

Ordered received, filed and published.

ROCHESTER PARK COMMISSION, }
Tuesday, May 15, 1894. }

To the Honorable the Common Council of the City of Rochester:

Gentlemen:—I am directed by the Genesee Valley Park Committee of the Board of Park Commissioners, to present to your honorable body, the following resolutions adopted by them, and request immediate and favorable action thereon:

Resolved, That the Common Council be requested to instruct the Wooden Building Committee and the Fire Marshal not to grant permits for the erection of wooden buildings on Elmwood avenue, within 200 feet of the park lands, or on Plymouth avenue within 200 feet north of the state dam (which is the park boundary) or on any lands within 200 feet of the park, except for the erection of legitimate dwelling houses, not to be used by hucksters, dance houses, or for other objectionable purposes.

Resolved, That the Secretary be instructed to call the attention of the Fire Marshal to present violations of the ordinances within such boundaries.

Resolved, That the Common Council be further requested to amend the "building ordinance," so as not to allow the erection of any structures of brick, stone or iron, within the above boundaries, unless such structure is to be at least two stories in height.

Resolved, That they be also requested to pass an ordinance giving the Park police jurisdiction for 1,000 feet from any of the park lands.

This committee were ordered by the Board to see that all ordinances and laws were enforced "on said park, the approaches thereto and the streets connecting the same," as authorized by amended section 19 of the park law, of which the following is a copy:

"Section 3. Section 19 of said act is hereby amended so as to read as follows:

"Section 19. A majority of the Board of Park Commissioners shall constitute a quorum for the transaction of business. The said Board shall have full and exclusive control to make rules and by-laws for the orderly transaction of their business; to govern, manage, direct, lay out and regulate the said park or parks, parkways, the approaches thereto, and the streets connecting the same; to appoint such engineers, clerks, police and other officers as may be necessary; to prescribe and define their respective duties, and to fix the amount of their compensation and generally, in regard to the said park or parks, parkways, the approaches thereto, and the streets connecting the same, they shall possess all the power and authority now by law conferred on, or possessed by the Common Council of said city, in respect to the public squares and places in said city."

The committee directed me to say further, that at the present time there has been erected on Elmwood avenue opposite to and within 51 feet of the park entrance, and in violation of the city ordinances, two small, un-

sightly wooden buildings to be occupied by hucksters, and it has come to the direct knowledge of the Board that many other such structures are about to go up if the requisite permission can be obtained from you.

The Commissioners are constantly receiving protests from all classes of citizens against these and similar buildings being allowed. The experience of last year demonstrates that they draw a class of people dangerous to the comfort and safety of visitors to the park, particularly to young children and girls; that they are entirely unnecessary for the public convenience, are unsightly and detract from and destroy the beauty of the park entrance, and that being light and inflammable, are at any time liable to create a fire which would quickly spread to all of them, prevent access to or exit by the main entrance of the park, cause great confusion, in case of east wind endanger Elmwood avenue bridge, and the heat would unquestionably destroy many rare and valuable young trees and shrubs now growing and about to be planted at or near the park entrance directly opposite.

Respectfully submitted,

ARTHUR R. SELDEN,
Secretary.

Ordered received, filed and published.

Ald. Kelly moved that the recommendation prohibiting the erection of wooden buildings within two hundred feet of a park be adopted as a rule of the board. Carried.

Ald. Kelly moved that the balance of above communication be referred to Law Committee. Carried.

Adopted.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., May 15, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Post Express, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, May 15, 1894, at 7:30 o'clock P. M., at the Common Council chamber, when allegations would be heard in reference to such improvement.

Respectfully,
HENRY W. GREGG, City Clerk.

FINAL ORDINANCE, NO. 5,527.

PORTLAND CEMENT WALK ON PARK AVENUE.

On motion of Ald. Ward, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz:

An ordinance to construct a Portland cement walk on Park avenue, from Bates street to Culver street.

And after hearing such allegations from all persons appearing,

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a Portland cement walk 5 feet wide, on the north side of Park avenue, from Bates street to Culver street, except where good flag or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the necessary sidewalk grading and flag

crosswalks. Property owners will be allowed 30 days in which to construct their own walks.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$925, which, being deemed reasonable is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon the following portion and part of the city, which the Council deems proper to be so assessed for, and will be benefited by and derive an advantage from such improvement, to wit:

One tier of lots and parcels of land on the north side of Park avenue, from Bates street to Culver street.

Adopted by the following vote:
Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris, Bierbrauer—19.

By Ald. McMillan—Whereas, A new map of the State of New York is being made by the United States Geological Survey, assisted by appropriations made by the Legislature of New York state, and

Whereas, The map is being made and issued in sheets which are complete maps locally, but which being united will form a state map, and

Whereas, It is proposed to issue the Rochester sheet in such form as to show Rochester disconnected from its natural lake port and from that portion of the shore of Lake Ontario which it is believed will be within the limits of the city of Rochester within a few years.

Resolved, That this Common Council of the city of Rochester, respectfully requests the State Engineer and Surveyor Hon. Campbell W. Adams, and the Superintendent of the United States Geological Survey, to have the said Rochester sheet made with Lake Ontario forming the northerly boundary, and

Resolved, That a copy of this resolution be sent to Mr. Adams, and that a copy be sent to our Representative in Congress, Hon. John Van Voorhis, with a request for him to present it to the Superintendent of the U. S. Geological Survey.

Adopted.

LOCAL IMPROVEMENT ASSESSMENT.

By Ald. McMillan—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvements, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements adjusted by the Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefited by the improvements, are as stated and described in the final ordinance relative to the improvement, and that the name and expense of the improvements thus to be assessed are as follows, viz:

Ord. No.	Improvement.	Expense.
5,258.	Orchard street pipe sewer....	\$780 00
5,257.	St. Joseph park pipe sewer....	890 73

And it is further determined that the taxpayers to be assessed for making the foregoing improvements must pay their assessments within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer.

And the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots

and parcels of lands within the portions of parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements, shall be deemed to receive by the making of the respective improvements.

Adopted by the following vote:
Ayes—Alds. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris, Bierbrauer—19.

By Ald. McMillan—

ROCHESTER, N. Y., May 15, 1894.

Merton E. Lewis, President of the Common Council of the City of Rochester:

My Dear Sir:—I find circumstances to be such that it will be impossible for me to attend, properly, to my duties as a member of "the Fourth of July Committee." I accordingly, herewith tender my resignation from the same, with renewed thanks for the honor so kindly conferred by you and with marks of esteem, I am, dear sir,

Very Sincerely Yours,

F. W. FLWOOD.

Ordered received, filed and published, and upon motion of Ald. Adams, the resignation was accepted.

By Ald. McMillan—Resolved, That this Common Council does hereby determine and certify to the Board of Education that the amount that will be raised in the tax levy in 1894-'95, for said Board for the year commencing on the first Monday of April, 1894, for school purposes is as follows:

Teachers' Fund	\$230,000
Contingent Fund	90,000
Repair Fund	12,000
Building Fund	50,000
Library Fund	3,000

And the Clerk of this Board is hereby directed to transmit to said Board of Education a certified copy of this determination, pursuant to section 137 of the revised city charter and the amendments thereto.

Adopted by the following vote:
Ayes—Alds. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris, Bierbrauer—19.

By Ald. McMillan—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., May 15, 1894. }

To the Common Council:

Gentlemen:—The Executive Board directs me to inform you that pursuant to a resolution adopted by your honorable body, they held a conference with the property owners on Plymouth avenue, respecting their claim that errors were made in the items of charges for the asphalt improvement.

A full hearing was given the committee representing the property owners, and each item discussed fully in detail, and after such discussion the Board adjourned to the street and inspected it in company with the property owners, the City Surveyor and the general inspector of the work.

After this examination and hearing the Board is of the opinion that there is no reasonable foundation for the claims made so far as the methods pursued in the con-

struction of the pavement, and if defects exist in the sub-work or in the surface, the taxpayers are protected for a period of five years, by a money guarantee, held by the city in trust, sufficiently large to make good any failure that may appear in the construction for that period of time.

The Executive Board, therefore, consider the objections made in this particular not sustained, and refer the roll back to the Common Council for such action as it may deem proper.

Respectfully,
THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the assessment roll for Plymouth avenue asphalt improvement, Ord. No. 4,569, be, and the same hereby is, in all things confirmed.

Ald. Harris moved that the matter be referred back to the Assessment Committee to report back in two weeks. Carried.

By Ald. McMillan—Resolved, That the City Clerk be, and he hereby is, directed to draw an order on the City Treasurer in favor Richard Curran, Commander of the Veteran Brigade, for the sum of \$400, to defray the expenses of Decoration Day, and charge the same to the Contingent Fund, and that said Richard Curran be requested to report to the Common Council an itemized statement of the disbursements of said sum.

Adopted by the following vote:
Ayes—Alds. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris, Bierbrauer—19.

By Ald. McMillan—Resolved, That the City Clerk be, and is hereby directed to furnish to the City Treasurer on or before June 1st, 1894, copies of all final ordinances heretofore adopted upon which the assessment rolls have not yet been confirmed, and that hereafter said Clerk furnish to said Treasurer a copy of every final ordinance within ten days after its adoption.

Resolved, That on and after June 1st, 1894, the City Treasurer be, and is hereby directed to indicate upon every tax search certified by him the assessments to which the property is to become liable under final ordinances filed in his office as directed by the foregoing resolution.

Adopted.

By Ald. Green—Resolved, That the City Surveyor prepare an ordinance for a cement side walk four feet wide on Elm park from Elm street to Euclid street.

Adopted.

By Ald. Green—Resolved, That one arc light be placed on the corner of St. Paul and Marshall street. Referred to Lamp Committee and City Electrician.

By Ald. Rauber—Petition of Wm. Predmore for permission to erect a wooden building on North St. Paul street. Referred to Wood Building Committee and Fire Marshal with power to act.

By Ald. Adams—

SUPPLEMENTAL AGREEMENT.

Made this — day of May, 1894, between the city of Rochester, a municipal corporation, party of the first part, and the Protectives No. 1, of Rochester, a corporation located in said city, party of the second part:

WITNESSETH:

Whereas, By a certain agreement made between the parties hereto, dated September 27, 1888, upon payment of a certain sum herein specified, and upon the performance

of other conditions, the party of the first part agreed on or prior to June 18, 1894, to convey to the party of the second part, the premises mentioned in said agreement, and such payment has not been made, and the party of the second part is unable to pay the sum mentioned therein, and it is desirous of extending the period of redemption of said premises,

Now, therefore, in consideration of the sum of one dollar (\$1) paid by the party of the second part to the party of the first part, the receipt whereof is hereby acknowledged, and the faithful performance of said agreement of September 27, 1888, the party of the first part hereby agrees, at any time on or prior to the 18th day of June, 1900, to cause to be executed and delivered to the party of the second part, a deed sufficient in fee to convey all the right, title and interest which said party of the first part had at the date of said agreement of September 27, 1888, in and to the real estate mentioned in said agreement upon the payment to the party of the first part, by the party of the second part of the sum of fifteen thousand four hundred fifty dollars and seventy cents (\$15,450.70), and the faithful performance by the party of the second part of all the terms of said agreement of September 27, 1888, which terms are hereby continued in force, except so far as the period of redemption of said premises is concerned, and said agreement and this agreement are to be construed as one agreement and read together.

It is further agreed by the party of the second part, that if at any time the party of the first part or its executive board or common Council or their successors in office should elect to discontinue the services of the party of the second part as a part of the fire department of said city, said party of the second part shall redeem said premises within one year after receiving notice of such election to discontinue or abandon said premises, and in case of a failure to redeem within said period of one year, the party of the second part will immediately abandon said premises and surrender possession thereof to the party of the first part.

In Witness Whereof, said parties have caused these presents to be executed by their president and mayor, respectively, and have caused to be hereto attached their respective corporate seals the day and year first above written.

Ordered received, filed and published.

By Ald. Adams—Resolved, That the supplemental contract prepared by the City Attorney providing for the extension of the period of redemption of the premises occupied by the Protectives Number One, contained in an agreement made between said company and the city, and dated September 27, 1888, and which will expire June 18, 1894, be, and the same hereby is, approved, and the mayor is hereby authorized to execute said contract and attach thereto the corporate seal.

Upon motion of Ald. Adams, laid upon the table for two weeks.

By Ald. Edelman—Resolved, That the Executive Board be, and it hereby is, directed and requested to negotiate for the lands necessary to be taken for the opening and extension of Rutger street, from its present southerly end to Monroe avenue, under final ordinance passed this evening.

Adopted.

By Ald. Edelman—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Rochester Turnverein will give a gymnastic exhibition of its school children May 21, 1894, at Germania hall, on North Clinton street.

It is the purpose of this society to review the work of physical training as conducted at the Rochester Turnverein. We take the liberty to invite your honorable body to be present at this exhibition. The programme contains calisthenics, exercises with hand apparatus, as club swinging, dumb bell and wand exercises, light and artistic gymnastics, heavy gymnastics on apparatus, fancy steps and drills of all our classes, boys', girls', ladies' and men's.

Hoping you will accept our invitation, we promise you a very pleasant evening.

Respectfully submitted, for the Rochester Turnverein,

JOHN MEINHARD, President.

Ordered received, filed and published, and upon motion of Ald. Edelman the invitation was accepted.

By Ald. Edelman—Resolved, That the City Surveyor be requested to prepare an ordinance to construct a cement walk in front of No. 10 school, situated on North Chatham street.

Adopted.

By Ald. Fox—Resolved, That the Executive Board be, and they hereby are, directed to purchase 200 stone monuments and set the same, under direction of the City Surveyor, to mark street corners in the survey of the old fifteenth and sixteenth wards, and charge the expense therefor to the contingent fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Callhan, McMillan, Green, Rauber, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckrer, Kelly, Aikenhead, Simmclink, Harris, Bierbrauer—10.

By Ald. Ashton—Resolved, That the City Surveyor be instructed to prepare an ordinance for grading and for a five foot cement walk on the new Boulevard, from Driving Park avenue to city line.

Adopted.

By Ald. Ashton—Resolved, That the Rochester Gas & Electric Light Company be requested to put gas mains in Raines park, from Lake View park to Burr street.

Adopted.

By Ald. Ashton—Resolved, That the City Surveyor be, and he is hereby, instructed to establish the grade of Glenwood park, from First street to Fourth street, for sidewalks.

Adopted.

By Ald. Ward—Resolved, That the City Surveyor be, and is hereby, instructed to establish side walk grade on Tremont street, from Reynolds street to Jefferson avenue.

Adopted.

By Ald. Dewey—Applications of George Henry Swanton and Samuel P. Moore for appointment as commissioners of deeds. Referred to Law Committee.

Ald. Dewey moved that the resolution introduced at this meeting immediately following the report of the Lamp Committee, directing the erection of new electric lights be reconsidered.

Adopted by the following vote:

Ayes—Ald. Callhan, McMillan, Green, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Harris—10.

Nays—Ald. Tracy, Rauber, Edelman, Fox, Kelly, Aikenhead, Simmclink, Bierbrauer—8.

Ald. Dewey moved that the matter of the granting of the lights recommended in the report of the Lamp Committee, to be erected, be referred back to the Lamp Committee to receive bids thereon. Carried.

By Ald. H. G. Cook—Applications of O. Eckhardt and George J. Weider for appoint-

ment as Commissioners of Deeds. Referred to Law Committee.

By Ald. Kelly—Resolved, That the Executive Board be, and it hereby is, authorized to take such steps as may be necessary to complete the widening of Hensler place, under ordinance No. 4,880, that the public may have possession of the land recently acquired for said widening.

Adopted.

By Ald. Kelly—Whereas, the commissioners of appraisal in the matter of the widening of Hensler place, under final ordinance No. 4,880, made certain awards, and whereas, said awards in each case where the same have not been paid are less than the assessment levied against the property remaining, and whereas, various parties have failed to pay the excess of the assessment over the awards or to accept the awards made to them, and it being desirous of obtaining the rights acquired in said proceeding in order that the said street may be widened as contemplated, therefore,

Resolved, That the City Treasurer be, and he hereby is, directed to credit on the assessments in each case of those parties who have not paid their assessments, the amount of the award made to them, and that upon such credit being made, said city and its executive board are authorized to assume and take possession of the lands, rights and easements acquired for the widening of said street in said proceedings as is provided in and by sections 180 and 196 of the revised city charter.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris—16.

By Ald. Simmelink—Petition for water mains in Jennings street. Referred to Water Works Committee and Executive Board.

Also, Petition for sprinkling Clifford street. Referred to Surveyor to prepare an ordinance.

Also, Petition for plank walk on North Alexander street. Referred to Surveyor to prepare an ordinance.

By Ald. Simmelink—Notice is hereby given, that at the next meeting of this Common Council a penal ordinance will be introduced and its adoption moved, regulating the duties of the Fire Marshal, and prescribing regulations for the protection of life and property from, and the prevention of fires.

Ordered received, filed and published.

Upon motion of Ald. Ward, the Board then adjourned.

HENRY W. GREGG, City Clerk.

REPORTS OF STANDING COMMITTEES.

By Ald. Adams—

To the Honorable, the Common Council:

Gentlemen:—Your Law Committee begs leave to report that in the matter of the claim of Martin P. Brasser and Jacob P. Brasser for damages for sewage pollution, that the Surveyor has reported to them that the sewage from Hobbie creek, abutting the premises of the Messrs. Brasser, was diverted September 15, 1893, and they therefore are entitled to pay for damages for sewage pollution up to September 15, 1893, and we therefore recommend that the resolution for such payments be granted.

In the matter of opening a street from Central avenue to Granger street, a decision has been rendered by Judge Yeoman restraining the appointment of commissioners of appraisal for opening said street, on the ground that commissioners could not be appointed a second time after one report had been made. Your committee recommend that an appeal be taken from his decision to the general term of the supreme court.

In the matter of the claim of Joseph Costich, Jr., for damages for sewage pollution, your committee recommend that Mr. Costich be paid \$125 per annum for damages for sewage pollution, that being for the period of seven years, up to and including April 1, 1893, at which time the sewage was diverted, he having agreed to accept said sum in full.

In the matter of the application of George J. Weider, George H. Brinker, Conrad Eckhardt, Thomas E. White, Mathias Schomer and Harry A. Mock, for appointment as commissioners of deeds, we recommend that the applications be granted.

M. B. ADAMS,
T. McMILLAN,
HENRY G. COOK,
WM. PAUCKNER,
WILLIAM H. TRACY,

Ordered received, filed and published.

By Ald. Adams—Resolved, That the Clerk draw an order on the treasurer, payable from the contingent fund, in favor of Jacob P. Brasser and Margaret B. Brasser, for the sum of \$42.50, being in full for damage for sewage pollution under the contract existing with them up to and including the 15th day of September, 1893, at which time the sewage was diverted from Hobbie creek, and that such order be drawn by the clerk upon the certificate of the City Attorney, that satisfactory evidence has been given him that said payee is now the owner of the property and entitled to the said sum.

Adopted by the following vote:

Ayes—Alds. Tracy, Callihan, McMillan, Green, Rauber, Adams, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—19.

By Ald. Adams—Resolved, That the Clerk draw an order on the Treasurer from the contingent fund in favor of Martin P. Brasser, for the sum of \$29.20, in full for damages for sewage pollution under the contract existing between said Brasser and the city of Rochester, such damages being in full to September 15, 1893, at which time the sewage was diverted from Hobbie creek and that such order be drawn by the Clerk upon the certificate of the City Attorney that satisfactory evidence has been given him that said payee is now the owner of the property and entitled to the said sum.

Adopted by the following vote:

Ayes—Alds. Tracy, Callihan, McMillan, Green, Rauber, Adams, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—19.

By Ald. Adams—Resolved, That the City Attorney be, and he hereby is, authorized to take an appeal from the decision of Judge Yeoman in the case of Catherine Schneider vs. The City of Rochester, and prosecute the same to a final determination.

Adopted.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney that proper releases, satisfactions and stipulations have been filed in his office of any and all claims by or on the part of Joseph Costich, Jr., against the city, by reason of the discharge of sewage into Densmore creek, flowing along and through his premises, and the rights, easements and privileges in and to said creek have been executed and delivered to said city, the Clerk be, and he hereby is, directed to draw an order on the Treasurer, payable from the contingent fund, in favor of Joseph Costich, or his attorney, Hubbell & McGuire, for the sum of \$875, for all past and future damages occasioned by the pollution of said creek on his premises.

Adopted by the following vote:

Ayes—Alds. Tracy, Callihan, McMillan, Green, Rauber, Adams, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—19.

By Ald. Ashton—

To the Honorable, the Common Council of the City of Rochester :

Gentlemen:—Your Assessment Committee begs leave to report as follows:

In the matter of the application of William J. McPherson, E. E. Shutt and others interested in the assessment for the Plymouth avenue asphalt pavement, your committee report that in their opinion, the roll should be confirmed. This opinion is based upon a personal inspection of the work, and after hearing in full the allegations of the petitioners, the roll was by your committee referred to the assessors as to the inequality of the assessment, and the assessors reported, that the assessment was properly made in all respects just and correct. Your committee therefore present said roll to the council and recommend that the roll be confirmed.

In the matter of the application of H. C. Cohn & Co., for the reduction of an assessment for the Medina stone pavement on Andrews street, your committee reported that by further investigation of the petition of Messrs. Cohn & Co., that it appears that the petition ought to be granted. The City Surveyor has appeared before the committee and stated that Cohn & Co. were assessed for cutting of their stone sidewalk, and where it extended over the curb line, and were also assessed for the curbstone and he states that it would be unjust to charge Cohn & Co. for cutting off the stone where it extended over the curb line and upon the statement of the City Surveyor we recommend that the petition be granted.

In the matter of the petition of Hector McLean for permission to pay taxes at 6 per cent., considered at a meeting of the council held April 17, 1894, it appears that Mr. McLean's daughter also purchased some of the property under the foreclosure and that Miss McLean, as well as Mr. McLean should be allowed to redeem her property upon the same basis as that of Mr. McLean. We recommend that the resolution be amended in that particular.

In the matter of the application of the trustees of the Industrial School for permission to pay taxes upon certain property purchased by them under foreclosure, your committee would say, that they have investigated the allegations of the petition and the City Treasurer has reported that the taxes for the South Union street improvement might be of somewhat doubtful validity and that they should be permitted to redeem the property upon the payment of 4 per cent. interest and such other fees as exist in the case. And with reference to the request for the payment of the assessment for the general city taxes for 1892, we recommend that the Industrial School be allowed to redeem said property upon payment of the legal rate and expenses of sale, etc., and we make this report upon the recommendation of the City Treasurer.

In the matter of the application of William H. Marson, for the cancellation of an assessment for Front street sewer, the Surveyor reports that the application should be denied for the reason that Mr. Marson is mistaken with reference to the allegations in his petition.

In the matter of the application of Mrs. H. E. Schank and others residing on Windsor street, who petition for the reassessment for the asphalt improvement on the above street, on the ground that property owners on Grove place have not been included in the list of the persons assessed, although Grove place is still a private street. The City Attorney reports that after investigation of the allegations of the petition, that it is true and

the petition should be granted and a reassessment ordered, Grove place being a private street.

In the matter of the application of Frank J. Leidecker, praying that the assessors apportion the taxes paid by said Leidecker for widening Clifford street be remitted, the assessors report, and on their statements we recommend, that the taxes assessed to Mr. Leidecker on his premises known as lot 23, west side of Clinton street, be apportioned in accordance with the request of his petition, and that he be remitted the sum of \$9.35, erroneously assessed to him.

In the matter of the petition of J. F. Probst for reduction of an assessment for the sprinkling of James street, the Surveyor reports that through an inadvertence, a portion of the street, which is a public square, was assessed to Mr. Probst under the ordinance for the sprinkling of James street and that the city should in fact have paid the costs of sprinkling opposite this square, whereas in fact it was assessed to Mr. Probst, and the Surveyor recommends that Mr. Probst be allowed to pay his sprinkling tax at \$2.68, and that the balance of the tax be cancelled.

In the matter of the application of Royal G. Saxton, for a refund of an erroneous assessment your committee would report, that the surveyor states that Mr. Saxton was charged for 46 33-100 feet of cement walk, when only 41 6-100 feet were laid in front of his lot, 48, on Lexington avenue, and the surveyor recommends that the sum of \$3.03 be refunded to Mr. Saxton.

In the matter of the application of the Monroe Avenue M. E. Church, for the cancellation of an assessment for city taxes for the year 1893, your committee report that the assessors recommend, that such church owns the property on the corner of Alexander and Cobb streets, and that it has been used during the past year for religious services and should not have been assessed, and your committee recommend that the tax for the year 1893 be cancelled.

All of which is respectfully submitted.

J. H. ASHTON,
JOHN F. FOX,
HENRY G. COOK,
JOS. BIERBRAUER,
Assessment Committee.

Ordered received, filed and published.

By Alderman Ashton—Resolved, That the clerk advertise the Plymouth avenue asphalt improvement assessment roll for allegations for the next meeting.

Adopted.

By Alderman Ashton—Resolved, That the resolution found at page 21 of the current proceedings, denying the petition of H. C. Cohn & Co., be and the same hereby is reconsidered.

Adopted.

By Alderman Ashton—Resolved, That said resolution denying the petition of H. C. Cohn & Co., be and the same hereby is indefinitely postponed.

Adopted.

By Alderman Ashton—Resolved, That H. C. Cohn & Co., be permitted to pay the assessment for the Medina stone pavement on Andrews street and the treasurer is hereby directed to receive the same, less the sum of \$15.00, which was assessed for the cost of cutting off the ends of the sidewalk and extending over curb stones, and that said sum of \$15.00 be charged to erroneous assessments.

Adopted by the following vote:

Ayes—Ald. Tracy, Calthan, McMillan, Green, Rauber, Adams, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—13.

By Alderman Ashton—Resolved, That the resolution found at page 21 of the current proceedings directing the city treasurer to receive the payment for certain taxes from Hector McLean, with legal interest, be and the same hereby is reconsidered.

Adopted.

By Ald. Ashton—Resolved, That the said resolution authorizing the city treasurer to receive from Hector McLean payment for city taxes with legal interest, be and the same hereby is indefinitely postponed.

Adopted.

By Alderman Ashton—Resolved, That the city treasurer be and he hereby is authorized and directed to receive from Hector McLean and Mary J. McLean the amount of taxes or assessments now standing against property owned by them, recently purchased by them on a foreclosure sale in an action in the Supreme court in which Hector McLean was plaintiff and George S. Riley and others were defendants, and also on property conveyed to them and formerly owned by George S. Riley, and due and owing at the time of the purchase of said premises, in all cases where such premises were sold to the city of Rochester on such tax sale, together with legal interest thereon from the date of sale and the expenses of sale thereof, provided the same be paid within three months from April 17th, 1894.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelinck, Lewis, Harris, Bierbrauer—19.

By Ald. Ashton—Resolved, That the City Treasurer be, and he hereby is, authorized to receive from the Industrial School of Rochester in payment for local assessment made for the improvement of South Union street on premises now owned by the Industrial school, being the south half of lot 22 and lots 25 and 26, north half of lot 27, section E Manhattan Meadow tract, the sum of \$279.89, being the assessment on said property for said improvement, with interest thereon from June 29th, 1875, at the rate of 4 per cent. per annum, there never having been any sale of such premises, provided the same be paid within thirty days from the passage of this resolution.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelinck, Lewis, Harris, Bierbrauer—19.

THEIR REFERENCE.

By Alderman Lewis.—

COUNTY COURT—Monroe County.—In the matter of the widening of German street from North avenue to Hebard street in the city of Rochester, N. Y.

To the Honorable the Common Council of the City of Rochester:

Gentlemen: The undersigned, who were appointed by an order of the Monroe county court, duly granted on the 8th day of January, 1894, and entered in Monroe county clerk's office January 10th, 1894, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants of the lands and buildings to be taken for the widening of German street from North avenue to Hebard street in said city will be entitled to for the same, respectfully report and certify the several pieces and parcels of land to be taken for such improvement, the names and residences, and the rights of the owners thereof, and their award of damages, as incident to the widening of said street as follows:

The several pieces and parcels of land required for such purpose, and necessary for the widening of said street, are described as follows: Reference being had to the map of said street as proposed to be widened, filed in the city and county clerk's office.

PARCEL NO. 1.

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, and being a part of lot No. 19, corner of North avenue and German street, bounded and described as follows: Beginning at the intersection of the north line of German street with the east line of North avenue; thence north 26 degrees, 34 minutes, 35 seconds east, 22 725-1000 feet; thence north 88 degrees, 13 minutes, 55 seconds east, 170 43 160 feet; thence south 26 degrees, 34 seconds, 35 minutes west, 22 725-1000 feet to the north line of German street; thence south 88 degrees, 13 minutes, 55 seconds west, 170 42-100 feet to the place of beginning, being a strip of land 20 feet in width taken from off the southerly side of premises of August Bott and wife on the north side of German street.

These premises are owned by August Bott and wife and are subject to a dower interest of Mary Engels, and the interest of Henry J. Hetzel, as assignee of John L. Fladd and also subject to a mortgage of \$1,900.00, mentioned in a deed from Frederick D. Wulschleger and wife to August Bott and wife, dated May 1st, 1887, and recorded in Monroe county clerk's office, in liber 492 of deeds at page 22, and also subject to a mortgage running to the North Avenue Permanent Savings and Loan association amounting to \$4,000, dated September 7th, 1889, and recorded in said clerk's office in liber 319 of mortgages at page 343, also subject to three judgments against John Miller, apparent liens on said property. The first of said judgments being in favor of Hiram Sibley and others, amounting to \$146.23, docketed December 23d, 1889; second in favor of Jonas Jones amounting to \$66.20, docketed February 15th, 1889, in said clerk's office, and third in favor of H. Austin Brewer, et al. for \$35.15, docketed December 7th, 1883.

PARCEL NO. 2.

Also all that other tract or parcel of land situate in the city, county and state aforesaid, being lots 20 and 21 on the north side of German street, corner of German alley, bounded and described as follows: Beginning

at a point in the north line of German street, 170.43 feet easterly in the east line of North avenue; thence north 36 degrees, 34 minutes, 35 seconds east, 22 725-1000 feet; thence north 88 degrees, 13 minutes, 55 seconds east, 121 71-100 feet to the west line of Siegel street; thence south 24 degrees, 38 minutes, 20 seconds west, along the west line of Siegel street, 22 31-100 feet to the north line of German street; thence south 88 degrees, 13 minutes, 55 seconds west, 112 57-100 feet to the place of beginning; being a strip of land 20 feet in width taken from off the southerly side of promises of August Bott and wife on the north side of German street next east of the premises last above described.

These premises are owned by August Bott and wife and being subject to the estate of Josephine Weiss in said premises.

PARCEL NO. 3.

Also, all that tract or parcel of land situate in the city, county and state aforesaid, and being lots 6 and 7 on the north side of German street, east of Siegel street (formerly German alley) bounded and described as follows: Beginning at the intersection of the north line of German street to the east line of Siegel street, thence north 24 degrees, 38 minutes, 20 seconds east, 22 33-100 feet; thence north 88 degrees, 13 minutes, 55 seconds east, 74 42-100 feet; thence south 24 degrees, 38 minutes, 20 seconds west, 22 33-100 feet to the north line of German street; thence south 88 degrees, 13 minutes, 55 seconds west, 74 42-100 feet to the place of beginning; being a strip of land 20 feet in width, taken from off the southerly side of premises owned by John C. Nussbickel and others on the north side of German street.

These premises are owned as follows: John C. Nussbickel owns an undivided 4-7th interest in lot six; the heirs of Catherine White or Wydt, other than Wm. P. White, George M. White, Caroline Schmidt and Frederick C. White own an undivided 3-7th interest in said lot six; said John C. Nussbickel owns an undivided 2-7th interest in said lot seven; Caroline Schmidt owns an undivided 1-7th interest in said lot seven, and George M. White owns an undivided 1-7th interest in said lot seven, and the heirs of Catherine White or Wydt, other than Wm. P. White, George M. White and Caroline White and Frederick C. White, own an undivided 3-7th interest in said lot seven.

PARCEL NO. 4.

Also, all that other tract or parcel of land situate in the city, county and state aforesaid, and being a lot of land on the north side of German street next east of premises last above described, bounded and described as follows: Beginning at a point in the north line of German street 72 42-100 feet east of the east line of Siegel street; thence north 24 degrees, 38 minutes, 20 seconds east, 22 33-100 feet; thence north 88 degrees, 13 minutes, 55 seconds east, 76 feet; thence east 24 degrees, 38 minutes, 20 seconds west, 22 33-100 feet to the north line of German street; thence south 88 degrees, 13 minutes, 55 seconds west, 76 feet to the place of beginning; being a strip of land 20 feet in width taken from off the southerly side of premises of George Kober and wife, on the north side of German street.

These premises are owned by George Kober and Anna, his wife, (sometimes written Cover and Cober) and are subject to a mortgage running to the Rochester Savings bank, given to secure the sum of \$4,000, dated April 20th, 1875, and recorded in said clerk's office in liber 191 of mortgages at page 36.

PARCEL NO. 5.

Also, all that other tract or parcel of land situate in the city, county and state aforesaid, being a lot on the north side of German street next east of the premises last above described, bounded and described as follows: Beginning at a point in the north line of German street 150 42-100 feet east of the east line of Siegel street; thence north 24 degrees, 38 minutes, 20 seconds east, 22 33-100 feet; thence north 88 degrees, 13 minutes, 55 seconds east, 40 feet; thence south 24 degrees, 38 minutes, 20 seconds west, 22 33-100 feet from the north line of German street; thence south 88 degrees, 13 minutes, 55 seconds west, 40 feet to the place of beginning; being a strip of land 20 feet in width taken from off the southerly side of premises owned by Charles F. Lockwood and another on the north side of German street.

These premises are owned by Charles F. Lockwood and Cunigunda E. Lockwood and are subject to a lien of a judgment recovered by the commercial bank for \$107.74, and docketed September 5th, 1891, and also by an apparent line of a judgment recovered in the Supreme court by Albert G. These premises are owned by Bartholomay Krapf, of Rochester, N. Y.

PARCEL NO. 22.

Also, all that other tract or parcel of land situate in the city, county and state aforesaid, and being lot No. 3 of Krapf's subdivision of said lot No. 7, bounded and described as follows: Beginning at the southeast corner of the premises last above described; thence northerly along the east line of said last above described premises a distance of 22 feet; thence easterly on a line parallel with German street and 22 feet distant northerly therefrom; thence easterly to the east line of premiss of John Karweick and wife; thence southerly along the east line of said premises of said Karweick to German street; thence westerly along German street to the place of beginning; being a strip of land 22 feet in width taken from off the southerly side of premises of J. John Karweick and wife on the north side of German street.

Said premises are owned by John Kar-

weick and wife, of Rochester, N. Y., and George G. Muntz holds a judgment which is a lien thereon amounting to \$8,459, recovered in the supreme court, and docketed June 21, 1892; the Wadsworth Dime Banking Aid and Loan Association also holds a judgment which is a lien thereon, which was recovered in the supreme court amounting to \$2,036.16, and was docketed September 21, 1892.

PARCEL NO. 23.

Also, all that other tract or parcel of land situate in the city, county and state aforesaid, and being lot No. 4 of Krapf's subdivision of said lot No. 7, bounded and described as follows: Beginning at the southeast corner of the premises last above described; thence north in the east line of the last above described premises a distance of 22 feet; thence easterly on a line parallel to and 22 feet distant northerly therefrom to Hebard street; thence southerly along the west line of Hebard street to the intersection of Hebard and German streets; thence westerly along German street to the place of beginning; being a strip of land 22 feet in width taken from off the southerly side of premises of John Schlegel on the north side of German street.

These premises are owned by John Schlegel, of Rochester, N. Y., and are subject to three mortgages running to the Hudson Street Permanent Savings and Loan Association, the first to secure the payment of \$1,200, date May 31, 1887, recorded in said clerk's office in liber 289 of mortgages at page 142; the second to secure a payment of \$600, dated September 19, 1887, and recorded in said clerk's office in liber 289 of mortgages at page 394; the third to secure the payment of \$1,800, dated January 4, 1889, recorded in said clerk's office in liber 304 of mortgages at page 447; said premises are also subject to a mortgage to Carl L. Schaick, to secure the payment of \$900, dated September 11, 1893, and recorded in said clerk's office in liber 367 of mortgages at page 292.

Therefore, we, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matters submitted to us, at the city attorney's office, No. 209 Wilder building, Rochester, N. Y., pursuant to a notice of at least ten days, published according to law, and having all taken a view of every part of the respective premises, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon, determine and appraise the damages which the several owners (there being no tenants or occupants other than such owners entitled to any awards except as appears herein) of the several premises by being deprived thereof, and fix the compensation which the aforesaid owners respectively shall receive therefor, as follows:

The awards hereby made, after deducting all taxes and assessments which have become a lien upon the lands described to be paid as hereinafter provided, are as follows:

To August Bott and Anna Mary Bott, for parcel No. 1, the sum of three thousand thirty-six dollars, payable first to satisfy the lien of a mortgage set forth in a deed from Frederick G. Wulschleger and wife to August Bott and wife as aforesaid, subject to the dower interest, if any, of Margaret Engels; second to the North Avenue Permanent Savings and Loan Association, (such payments are not to be made, however, until the interest of Henry J. Hetzel, as assignee, shall have been extinguished), and third to the other judgment creditors above named according to their priority.

To August Bott and Anna Mary Bott, for

parcel No. 2, the sum of one thousand four hundred and eighteen dollars, payable to them, after first deducting the value of the life estate therein of said Josephine Weiss, which we hereby fix at \$498.71.

To John C. Nussbackel, George M. White, Caroline Schmidt and others, heirs of Catherine White or Wydt, for parcel No. 3, the sum of one thousand one hundred and fifty-six dollars, payable to them.

To George Kober and Anna Eva, his wife, for parcel No. 4, the sum of ten hundred and seventy-one dollars, payable to the Rochester Savings' bank, or as much thereof as may satisfy the lien of said bank.

To Charles F. and Cunigunda E. Lockwood, for parcel No. 5, the sum of seven hundred and seventy dollars, payable to them after the release has been secured of the judgment above mentioned.

To Henry and Moniga Wagner, for parcel No. 6, the sum of seven hundred and twenty dollars, payable to them after they have secured a release of the lien of the judgment above mentioned.

To George F. Spiegel and Anna, his wife, for parcel No. 7, the sum of two thousand five hundred and nineteen dollars, payable first to the Profit Loan Association, and second to Rosina Brunnell, after the lien of the tax sale above mentioned shall have been satisfied.

To John Bunschneider and Fredericka, his wife, for parcel No. 8, the sum of seven hundred and seventeen dollars, payable to them, after satisfying a lien of a mortgage mentioned in a deed from George Laging to John Bunschneider and wife above described.

To Peter Weirick and Louisa, his wife, for parcel No. 9, the sum of one thousand three hundred and two dollars, payable to them.

To John Muenster, Karl Muenster, Theodore Muenster, Lina Luedecke, Dora Schroeder and Maria Siebert, for parcel No. 10, the sum of five hundred and thirty-one dollars, payable to them.

To Philip Spuck and Anna Spuck, for parcel No. 11, the sum of five hundred and fifty-four dollars, three-fourths of which award shall be payable to Philip Spuck, Kitte Hames and Anna Spuck, and one-fourth thereof to John George Wagner, mortgagee aforesaid, the value of the life interest, however, of Anna Scherff and Jacob, should be paid to them, after deducting from the whole of said award before its payment as aforesaid.

To William Frank, for parcel No. 12, the sum of seventy-six dollars, payable to him.

To Henry Hasenauer, for parcel No. 13, the sum of four hundred and forty-seven dollars, payable first to Charles Siebenpfeiffer and Mary, his wife, mortgagees aforesaid, and second to Whitmore, Rauber & Vicinus, mortgagees aforesaid.

To Mary Hasenauer, Adeheid Hasenauer and Eva Cheesborough, for parcel No. 14, the sum of four hundred and forty-three dollars, payable to Libbie Klingelhofer, mortgagee aforesaid.

To Anthony Hasenauer and Theresia, his wife, for parcel No. 15, the sum of four hundred and thirty-seven dollars, payable to them.

To George and Jennie F. Gibbs, for parcel No. 16, the sum of six hundred and forty-eight dollars, payable first to the North Avenue Permanent Savings and Loan Association mortgagee aforesaid, and second to Dorothea Sames, mortgagee aforesaid.

To John A. Mehl, for parcel No. 17, the sum of six hundred and ninety-three dollars,

payable first to Rudolphine Mehl and second to Caroline Mehl, mortgagee aforesaid.

To John Neidinger for parcel No. 18, the sum of six hundred and fifty-eight dollars, payable to Rudolph Vay, or so much thereof as may be necessary to satisfy the lien of said Vay.

To Henry Neidinger for parcel No. 19, the sum of three hundred and thirty-eight dollars, payable to him.

To Edward F. Turk, for parcel No. 20, the sum of ten hundred and seventy-two dollars, payable first to the Rochester Zerubabel Widows and Orphans Benefit Association, mortgagee aforesaid and second to satisfy the lien of Herbert Turk, described aforesaid.

To Bartholomay Krappf, for parcel No. 21, the sum of two hundred and sixty-two dollars payable to him.

To John Karweick, and Karolina his wife for parcel No. 22, the sum of two hundred and sixty-two dollars, payable to them after said premises shall have been released from the lien of the judgment above docketed.

To John Schlegel, for parcel No. 23, the sum of one thousand one hundred and ninety-one dollars, payable to the Hudson Street Permanent Savings and Loan Association to satisfy the lien of the mortgages above described and second to Carl L. Schaick, mortgagee aforesaid.

All of which is respectfully submitted.

WILLIAM OLIVER,
H. N. SCHLICK,
A. G. WARREN,

Commissioners of Appraisal.

Ordred received, filed and published.

By Ald. Lewis—Resolved, That the next regular meeting of the Common Council to be held June 12th, 1894, be, and the same hereby is designated as the time when any objections to the confirmation of the report of the commissioners of appraisal in the matter of widening German street, from North avenue to Hebard street in the city of Rochester, N. Y., will be heard.

Adopted.

Ald. McMillan in the chair.

By the Clerk—

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., May 29, 1894.

- 5,187. North Goodman street pipe sewer.
- 5,219. Orange street pipe sewer.

Respectfully yours,

HENRY W. GREGG, City Clerk

Ordered received, filed and published.

Ald. Harris moved that action upon the roll for Genesee street McAdam improvement, Ord. No. 4,856, be postponed two weeks. Carried.

Allegations were called for upon each of the other above rolls separately, and after hearing same from all persons appearing, Ald. Ashton introduced the following:

By Ald. Ashton—Resolved, That each and every of the foregoing assessment rolls, with the exception of Genesee street McAdam improvement, Ord. No. 4,856, be and the same hereby is in all things confirmed.

Adopted by the following vote:
 Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Stimmelink, Harris, Bierbrauer—18.

OFFICE OF THE
 EAST SIDE TRUNK SEWER COMMISSION, }
 ROCHESTER, N. Y., May 23, 1894. }

To the Common Council of the City of Rochester.

Gentlemen: An application has been made to the East Side Trunk Sewer Commission for permission to connect the house drain on the premises of George W. Crouch, Jr., on Culver street, in the town of Brighton, to the East Side trunk sewer.

After duly considering the subject matter of the petition, the commission arrived at the conclusion that it had no legal authority to authorize such connection with the trunk sewer to be made.

The commission, however, desires to state that along the line of the sewer bordering on the towns of Brighton and Irondequoit a number of residents who live in these towns, so situated, have asked for the privilege applied for by Mr. Crouch. It may also be said that in consequence of the construction of this sewer, the wells belonging to the residents of the towns have been drained and they are deprived of the supply of water. They have appeared before the commission and asked that some relief be given them, by permitting them to either connect on to our water mains or take water from the hydrants.

In view of the above state of things the commission would recommend that your honorable body take such steps as will afford relief to those people by legislative enactment or otherwise, if it can be legally done.

Respectfully,
 THOS. J. NEVILLE, Clerk.

Ordered received, filed and published, and referred to the Law Committee.

OFFICE OF THE EXECUTIVE BOARD, }
 ROCHESTER, May 23, 1894. }

To the Honorable, the Common Council:

Gentlemen: In accordance with resolution of your honorable body, the Executive Board has negotiated with Mathias Kondolf and L. Douglas Ely for the lands proposed to be taken for the extension of Rutger street, and would respectfully report that the owners of said lands have expressed their willingness to give to the city of Rochester the necessary land for the proposed street without cost or expense to the city. Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
 ROCHESTER, N. Y., May 29, 1894. }

To the Common Council:

Gentlemen: The Park Commissioners called the attention of the Executive Board a few weeks since to the condition of the Westfall

road bridge over Red creek, on the line of the town of Brighton and the city of Rochester. The town commissioners of Brighton also called at the office of the Executive Board and gave notice of the dangerous condition of the bridge. The board caused an examination of the structure to be made and found that it was in a dilapidated and unsafe condition; and the board had it shored with timbers until such time as permanent repairs were made or a new bridge constructed.

At the meeting of April 20th the following communication was presented to the Executive Board:

“Moved by Daniel F. Sheehan, Town Clerk, that the highway commissioners of the town of Brighton, jointly with the city of Rochester, advertise for bids for the building of this new bridge and let the contract to the lowest responsible bidder.”
 (Signed.)

A. EMERSON BARCOCK,
 DANIEL F. SHEEHAN, Town Clerk.
 JUDAH P. BRESTAL, Justice of Peace.
 ADDISON SHAW, Justice of Peace.
 EDWIN C. SMITH, Justice of Peace.

As the expense of this structure must be borne jointly by the city of Rochester and the town of Brighton, it will be necessary for your honorable body to take such action in conjunction with the town authorities as may be by law permitted for the erection of a new bridge, as the recent rains and storms have rendered the bridge entirely useless for public travel.

The town authorities assert that they are ready to raise money for their half of the expenditures necessary for the erection of this bridge. And since the park is located along the line of this highway, it is important that the city should take action at as early a day as practicable.
 Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published, and upon motion of Ald Adams referred to the Law Committee.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
 ROCHESTER, N. Y., May 28, 1894. }

To the Honorable Common Council:

The Executive Board are in receipt of a proposition from the estate of Hiram Sibley for the property now occupied by Hook and Ladder house No. 2, located on Belmont park (formerly Stillson street) for the sum of \$7,000. As about five feet of the frontage of of this building and the land has been acquired by the city in the widening of Belmont park, the board would recommend that the proposition be accepted, as it deems the price offered a fair one for the land proposed to be purchased.
 Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published, and upon motion of Ald. Adams referred to Finance Committee.

By Ald. McMillan—

OFFICE OF THE EXECUTIVE BOARD, }
 ROCHESTER, N. Y., May 29, 1894. }

To the Finance Committee of the Common Council

Gentlemen: The Executive Board instructs me to request your committee to make provisions for an appropriation of \$15,000 for a building and \$7,000 for a lot necessary for the erection of an engine house on Belmont park to take place of the building now being occupied for such purpose, and which the board has recommended shall be sold to the estate of Hiram Sibley.

The Executive Board also desires to call the attention of your committee to a com-

munication submitted to it at the commencement of the fiscal year that recommended the purchase of property and the erection of an engine house in the twelfth ward; and also the purchase of a site and the erection of an engine house in the southwestern part of the city.

The Executive Board suggests that your committee take whatever steps you deem expedient and advisable upon this recommendation; but requests that immediate action be taken in the matter of the provisions for the house on Belmont park.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published, and upon motion of Ald. Dewey referred to the Finance Committee.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., May 29, 1894. }

To the Common Council:

Gentlemen: In view of the improvements now in progress, of Main street and State street, the Executive Board respectfully recommends that a pavement of similar character be laid in Exchange street, from East Main street to the Erie canal; and to that end would suggest that the City Surveyor be authorized to prepare an ordinance for this purpose as soon as practicable.

It is also recommended that your honorable body cause East Vincent place, from the bridge to North St. Paul street, to be permanently improved by stone or other durable pavement. This section of roadway is worn down and cannot be repaired so as to be satisfactory to the traveling public unless considerable expenditure be made from the highway fund. The improvement of this street has been recommended heretofore, but for some cause no action has been taken, although the western end of the street was paved with Medina stone several years ago, while the abutting property was not and is not as valuable as that on the east end, and unlike the latter, enjoyed no direct benefit from that improvement. Public necessity, if for no other cause, demands as stable an improvement on the approach to this bridge as on the others; and local interests, it is not necessary to state, also require such improvement.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published, and upon motion of Ald. Dewey referred to Public Improvement Committee.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., May 29, 1894. }

To the Common Council:

Gentlemen:—Pursuant to a resolution adopted by your honorable body the Executive Board has advertised for sale at public auction the buildings, fences, etc., purchased by the city under the proceedings taken for the widening of Belmont park.

For the portion of the building belonging to the estate of Hiram Sibley, the sum of one dollar was paid; for the portion of the building owned by Howe & Bassett, the sum of fifty cents; for front of house owned by P. Barrett, fifty cents, and for section of building owned by John L. Cunningham, the sum of twenty-five cents.

The board also sold the part of the dwelling purchased by the city for the extension of Hawley street, and received therefor the sum of one dollar.

These sums will be credited on the amounts assessed for the above respective improvements.

Respectfully,

THOMAS J. NEVILLE, Clerk.

REPORTS OF STANDING COMMITTEES.

By Ald. Adams—
To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Law Committee begs leave to report as follows:
 In the matter of the claim of John Shiel against the city for pollution of Thomas creek with sewage, an action was commenced, and an assessment of damages therein made by a Sheriff's jury at \$600; the taxable costs are \$42.54. We recommend that these amounts be paid.

In the matter of the application for appointment as Commissioners of Deeds, we recommend that the following persons be appointed: Kate M. Granger, Asher Blumenstein, Jessie M. Mathews, Lyman R. Latham and John McMahon.

- All of which is respectfully submitted.
 M. B. ADAMS,
 T. McMILLAN,
 HENRY G. COOK,
 WM. PAUCKNER,
 WILLIAM H. TRACY.

Law Committee.
 Ordered received, filed and published.
 By Ald. Adams—Resolved, That upon the certificate of the City Attorney that proper satisfaction pieces and releases have been

filed with him in the case of John Shiel against the city, for the pollution of Thomas creek with sewage, the clerk be, and he hereby is directed to draw an order in favor of said John Shiel, or his attorneys, Ludolph & Warren, Esqrs., for the sum of \$642.54, payable from the Contingent Fund.

Adopted by the following vote:
 Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelinck, Lewis, Harris, Bierbrauer—19.

By Ald. Adams—Resolved, That the resolution adopted May 24th, 1894, relating to the payment of the sum of \$29.20, to Martin P. Brasser for sewage pollution, be and the same hereby is reconsidered.

Adopted.
 By Ald. Adams—Resolved, That said resolution be amended so as to read as follows:

“Resolved, That the clerk draw an order on the City Treasurer, payable from the Contingent Fund in favor of Joseph Reafel, or his attorneys, for the sum of \$29.20, in full for sewage pollution under the contract existing between Martin P. Brasser and the city; such damages being in full to September 15, 1893, when the sewage was diverted from Hobbie creek, and that such order be drawn upon the certificate of the City Attorney that proper receipts have been given therefor.”

Adopted by the following vote:
 Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelinck, Lewis, Harris, Bierbrauer—19.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney that proper releases, satisfactions and stipulations have been filed in his office of any and all claims by or on the part of Sarah A. Zorn against the city, by reason of the discharge of sewage into a creek flowing along and through her premises, the Clerk be, and he hereby is, directed to draw an order in favor of said Sarah A. Zorn, or her attorney, Edwin Medical, for the sum of \$200, for all past damages occasioned by the pollution of said creek on her premises.

Adopted by the following vote:
 Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelinck, Lewis, Harris, Bierbrauer—19.

By Ald. McMillan—
 To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Finance Committee, to which was referred the communication of the Executive Board in relation to the sale of the property on Belmont park, occupied by the city for fire department purposes, would respectfully report as follows:

Your committee has made a personal inspection of the situation on Belmont park. It appears that some time ago an ordinance was adopted providing for the widening of that street, and a commission was appointed to appraise the damages to be paid to the various property owners. The report of the commissioners has been confirmed, and the only thing now necessary to actually widen the street is to provide other quarters for the hook and ladder company, occupying the house on the west side of Belmont park. The depth of the lot is such that by taking six feet from the front of the house, space sufficient for the truck to stand will not remain. In view of these facts, your committee has decided to recommend that the consent of this council be given to the Executive Board to sell that property, and to purchase some other

site for the erection of a building to take its place.

It is understood that the Executive Board has secured options on property on the same street for fire house purposes, and it is believed that the property to be sold will bring a sufficient price to pay for the new site.

Your committee, therefore, recommend that the consent of this council be granted for such sale by the Executive Board, also for the purchase of a site to be used for fire house purposes.

It would, perhaps, be well also, for this council to recommend that the Executive Board secure the preparation of plans and specifications for the construction of the new house and submit the estimates to this council for approval.

All of which is respectfully submitted,

T. McMILLAN,
 M. B. ADAMS,
 ALVIN H. DEWEY,
 H. G. COOK,
 J. MILLER KELLY.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That in pursuance of section 224 of the revised city charter, the consent of this council be, and the same is hereby, granted to the Executive Board to sell and convey the property owned by the city on the west side of Belmont park, now used for the purpose of a truck house, for a sum not less than the amount offered by the estate of the late Hiram Sibley, which offer was communicated to this council by said Executive Board.

Adopted by the following vote:
 Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelinck, Lewis, Harris, Bierbrauer—19.

By Ald. McMillan—Resolved, That the Executive Board be, and it is hereby, requested to purchase a lot on Belmont park at a price not greater than \$7,000, upon which to erect a new truck house, to take the place of the one now existing on said park; and that the Executive Board be further authorized and requested to secure the preparation of plans and specifications for the erection of a suitable house on said lot when purchased, and to submit an estimate of the expense to this council for its approval.

Adopted.
 By Ald. Fox—

To the Honorable Common Council:

Gentlemen:—Your Map and Survey Committee beg leave to make the following report and recommendations, relative to the efficient conduct of the City Surveyor's office. Mr. J. W. Simms, draughtsman, one of the most industrious and able men on the force, has become temporarily unfitted for duty by inflammatory rheumatism. It is not expected that he will be able to attend to duty for about two months, and as the business of the office requires the full force of draughtsmen at this time, your committee recommends that his pay be continued for two months and that the City Surveyor be authorized to employ an additional draughtsman for two months at \$60 per month.

One of the transit instruments has become so worn that it is necessary to replace it with a new one; and we recommend that the Surveyor be authorized to buy one at an expense of \$150, besides giving the old Heller & Brightley transit.

Some months ago your committee authorized the Surveyor to visit some of the Eastern cities and to consult with one of the leading engineers of the country as to his plans for a lift bridge for Emerson street. He did so, and we recommend that the accompanying

bill of Hiram F. Mills for \$100, for services as consulting engineer, be paid.

For the more efficient utilization of the regular force in doing work that will be of great value to the city it is advisable to allow some extra help during the summer months, and your committee recommends that M. J. Thomas be employed in the Surveyor's office until October 1, 1894, and that he be paid \$30 per month.

JOHN F. FOX,
LEWIS EDELMAN,
ALVIN H. DEWEY,
J. M. AIKENHEAD,

Ordered received, filed and published.

By Ald. Fox—Resolved, That J. Thomas be employed in the City Surveyor's office until October 1, 1894, and that he be paid \$30 per month.

Laid upon the table until the next regular meeting, under the rules.

By Ald. Fox—Resolved, That the City Surveyor be authorized to consult with some leading engineer of the country about his plans for the proposed lift bridge for Emerson street, and that the expense, not exceeding \$100, shall be paid from the contingent fund. Adopted.

By Ald. Fox—Resolved, That the pay of J. W. Simms be continued while he is laid up by sickness, and that the City Surveyor is hereby authorized to employ temporarily a draughtsman, for two months at a salary of \$60 per month.

Adopted.

By Ald. Fox—Resolved, That the City Surveyor be authorized to purchase a new transit instrument for use by his office at an expense of \$150, besides the old Heller & Brightly transit, and that the cost of same be paid from the contingent fund.

Adopted.

By Ald. Cook—

To the Honorable, the Common Council:

Gentlemen:—The undersigned, the Assessment Committee, beg leave to submit the following report:

In the matter of the petition of Matthew T. Byers, for cancellation of assessment on a parcel of land opposite Vernon street, now called Byers court, your committee report that Byers court was dedicated to the city, and its dedication accepted by the Common Council, June 13, 1893, as appears by the proceedings, and that it was proper that the tax for the year 1893 be cancelled, as it did not become a lien until after said street was dedicated.

In the matter of the petition of George W. Percy for cancellation of assessment for Allen street sewer, the Surveyor reports that there is no good reason why said assessment should be cancelled, and your committee, upon the report of the Surveyor, recommend that the petition be denied.

In the matter of the petition of Louise Campbell for cancellation of assessment for sewer on Leavenworth place, under final ordinance No. 5,186, the assessors have reported that said assessment was erroneous and recommend that the same be cancelled, which we therefore recommend.

In the matter of the petition of Frank F. Florack as executor for cancellation of personal property assessment, your committee report that upon investigation, we find that the estate of Theodore Bauer, of which Mr. Florack was executor, was judicially settled May 26, 1893, and all of the property of said Bauer distributed on that date. Your com-

mittee therefore recommend that the personal property tax assessed against the estate of Theodore Bauer, for the year 1893, be cancelled.

In the matter of the petition of Elizabeth Kelly for recovery of taxes paid by her on certain property on Scio street, on the ground that the property is exempt from taxation by reason of its having been purchased with pension money; your committee report that there have been several similar petitions denied by this committee, and we recommend that this petition be also denied.

In the matter of the petition of Thomas O. Peart for cancellation of assessment for the extending and improving of Front street sewer, the Surveyor reports that said property is benefited by such improvement and ought property to be assessed. We therefore recommend that the petition be denied.

In the matter of the petition of Miller Brewing Company for cancellation of personal property assessment, your committee report that they have examined into the matter and find that the personal property assessment to said company is erroneous and should be cancelled, and therefore make such recommendation.

In the matter of the petition of Letitia Powis and another for cancellation of assessment for Glasgow street brick improvement, your committee would report that the Misses Powis have had the benefit of the improvement on Glasgow street, opposite their premises, by the Plymouth avenue block pavement for a part of the frontage and the brick pavement for the remainder of the frontage and it would be improper for them not to pay the assessment for the Glasgow street pavement. Your committee would therefore recommend that the petition for the cancellation of their assessment for Glasgow street pavement be denied.

J. H. ASHTON,
HENRY G. COOK,
JOHN F. FOX,
J. M. AIKENHEAD,
JOSEPH BIERBRAUER,
Assessment Committee.

Ordered received, filed and published.

By Ald. Cook—Resolved, That the City Treasurer be, and he hereby is, directed to cancel the assessment against Matthew T. Byers, for the year 1893, on property opposite Vernon street, now called Byers court, and which was dedicated to the city June 13, 1893, and that said taxes on said Byers court for the year 1893 be charged to erroneous assessments.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—18.

By Ald. Cook—Resolved, That the petition of George W. Percy for cancellation of assessment for Allen street sewer be, and the same hereby is, denied.

Adopted.

By Ald. Cook—Resolved, That the petition of Louise Campbell, for cancellation of assessment for Leavenworth Place sewer, amounting to \$40.38, under final ordinance No. 5,188, be granted, and the Treasurer is hereby directed to cancel said assessment and to charge said sum to erroneous assessments.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—18.

By Ald. Cook—Resolved, That the petition

of Frank F. Florack for cancellation of assessment against the estate of Theodore Bauer, be granted, and that the Treasurer be, and he hereby is, directed to cancel said assessment for the year 1893, and to charge the same to erroneous assessments.

Adopted by the following vote:
 Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—18.

By Ald. Cook—Resolved, That the petition of Elizabeth Kelly, for return of city taxes paid by her on certain property on Scio street be, and the same hereby is, denied.

Adopted.
 By Ald. Cook—Resolved, That the petition of Thomas O. Peart, for cancellation of assessment for Front street outlet sewer improvement, under final ordinance No. 4570 be, and the same hereby is, denied.

Adopted.
 By Ald. Cook—Resolved, That the City Treasurer be, and he hereby is, authorized to receive from the Miller Brewing Company the amount of taxes due from said company now standing upon the assessment rolls of the city of Rochester, together with all legal fees and interest thereon, less the sum of \$318.29, erroneously charged to said company as a personal property assessment.

Adopted by the following vote:
 Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—18.

By Ald. Cook—Resolved, That the petition of Letitia Powis and another, for cancellation of assessment for Glasgow street brick pavement be, and the same hereby is, denied.

Adopted.
 By Ald. Dewey—

ROCHESTER, N. Y., June 19, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Lamp and Electrical Committee would respectfully submit the following report:

Acting under a resolution passed at a recent meeting of your honorable body, we advertised for bids for lamps located in different parts of the city, which were referred to this committee for its consideration. As a result of this competition we received two bids, one from the Rochester Gas & Electric Company and one from the Citizens' Light & Power Company. The latter company only bidding on the lamps located in the nineteenth ward. The bid of the Rochester Gas & Electric Company for lamps on Arnold park, was at the usual price now being paid of 25 cents per night per light. We would recommend that this bid be accepted. The bid of the Citizens Light and Power Company for the eighteen (18) lights, located in the nineteenth ward was 19 1-2 cents per lamp per night, and that of the Rochester Gas & Electric Company ten cents (10) per light per night. Your committee would therefore respectfully recommend that these lamps be awarded to the Rochester Gas & Electric Company as the lowest bidders.

The wisdom of the action of your honorable body in deciding to have bids on all lamps to be placed, is sustained by the result of the first call for competitive bids. As will be seen from the figures above, the Rochester Gas & Electric Company offer to place 18 lamps at 10 cents per lamp per night, or 9 1-2 cents per lamp less than the bid of the Citizens' Light & Power Company and 15 cents per lamp less than they are now receiving for all electric lights in this city.

This shows a saving to the city on the 18 lights above mentioned of \$985.50 per year, or a total of \$2,956.50, for the unexpired term of the contract with the city.

Your committee would therefore recommend the adoption of the resolution which follows the report.

All of which is respectfully submitted.

A. H. DEWEY,
 THOMAS McMILLAN,
 MAHLON B. ADAMS,
 MERTON E. LEWIS,
 M. J. CALIHAN,
 J. MILLER KELLY,

Ordered received, filed and published.
 By Ald. Dewey—Resolved, That the Rochester Gas & Electric Company be, and they are hereby, directed to place arc lights at the following points, when notified to do so by the City Electrician, and he is hereby ordered to make the proper notification.

Three (3) lights on Arnold park, for which the city of Rochester agrees to pay 25 cents per night per lamp. Also,

- One (1) lamp of Granger place.
- Two (2) lamps on Michigan street.
- Two (2) lamps on Parsells avenue.
- Two (2) lamps on Culver Park.
- One (1) lamp on Atkinson street.
- Four (4) lamps on Olean street.
- Three (3) lamps of Cady street.
- Three (3) lamps on Chaumplain street.
- Three (3) lamps on Frost avenue.
- One (1) lamp on Doran park.
- Three (3) lamps on Barton street.

For which the city of Rochester hereby agrees to pay ten (10) cents per lamp per night, during the life of its contract.

Adopted.
 Ald. Dewey handed up a Report signed by three members of the Lamp Committee, concerning the lighting of State street.

Ald. Kelly objected to the Report being received because not signed by a majority of the Lamp Committee.

The chair sustained the objection and rejected the report.

By Ald. Adams—Resolved, That the lighting of State street be, and the same is hereby, exempted from the operation of the resolution of this Council adopted May 15th, providing for competition on all new lights, and that the Rochester Gas & Electric Company be, and it is hereby, authorized and directed to erect thirteen, more or less, double incandescent arc lights on State street, under the direction of the City Electrician and Lamp Committee, at the uniform price of forty cents per night, per double light.

Ald. McMillan offered as an amendment the following:

By Ald. McMillan—Resolved, That the Lamp Committee be, and they are hereby, directed to solicit proposals for lighting State street by the double incandescent arc light system.

Amendment lost by the following vote:
 Ayes—Alds. Calihan, McMillan, Ward, Dewey, Cook, Pauckner, Harris—7.

Nays—Alds. Tracy, Green, Rauber, Adams, Edelman, Fox, Powell, Kelly, Aikenhead, Simmelink, Lewis, Bierbrauer—12.

The original resolution was then adopted by the following vote:

Ayes—Alds. Tracy, Green, Rauber, Adams, Edelman, Fox, Powell, Kelly, Aikenhead, Simmelink, Lewis, Bierbrauer—12.

Nays—Alds. Calihan, McMillan, Ward, Dewey, Cook, Pauckner, Harris—7.

Ald. Calihan, from the City Property Committee; Ald. Rauber, from the Health Committee; Ald. Fox, from the Police Committee; Ald. Dewey, from the Lamp Committee; Ald. Cook, from the Poor Committee; and Ald. Pauckner, from the Contingent Expense Committee, reported favorably of the various bills

referred to their respective committees and referred them to the Finance Committee and Auditor for payment.

REPORTS OF SELECT COMMITTEES.

Ald. McMillan, as chairman of the Special Committee on the New Police Station, handed up the following report of bids received for the construction thereof, and asked for further time in which to take action thereupon, which was granted.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

MAYOR'S OFFICE,

ROCHESTER, N. Y., June 19, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: I desire to call your attention to the fact that certain parties have lately secured control of the shores bordering Hemlock Lake, with the avowed purpose of dividing the same into cottage lots and disposing of them. The construction of a hotel and the extension of a railroad are among the things suggested. What truth there may be in these reports time alone will determine; but I deem it my duty at this time to call your attention to the matter that the interests of the city may not be overlooked or put in jeopardy. We cannot afford to permit anything to be done that is likely to cause or even suggest the pollution of our domestic supply of water; and to this end I shall be glad to co-operate with you, and therefore request a reference of the subject to a committee of your board for proper consideration.

Respectfully,

GEO. W. ALDRIDGE, Mayor.

Ordered received, filed and published and referred to Law Committee.

By the Clerk—

MAYOR'S OFFICE,

ROCHESTER, N. Y., June 19, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: I deem it my duty to call your attention to one of the city's greatest needs at the present time—a system of free public baths.

This question is not a new one. The agitation began some years ago when the city was not so large as it is now and when the necessities for such improvement was not nearly so urgent. For years the city authorities have attempted to enforce the city ordinances against bathing in the river and canal within the city limits, and much of the time they have had little success. There are few cities of the size of Rochester that are not provided with public baths. On the other hand, there are few cities that have better natural facilities for supplying baths than has our city.

As a means of providing against sickness, and inducing cleanliness on the part of that great population that would find a boon in free baths, there is no other source in which an equal amount of money could be expended with as good results.

The legislature of 1892, recognizing the need of such institutions in populous cities and towns, passed a law authorizing cities and villages to make appropriations for such purposes. Thus there is nothing standing in the way of your body taking immediate steps to provide what I believe has come to be recognized by all our citizens as an absolute necessity.

I am informed that recently when the subject was up for discussion, and was referred to the city surveyor for his opinion, that official, after making a study of the matter, rendered a report, embodying the results of his observation, together with recommendations. If these recommendations meet the requirements of the city, and accord with your approval, I believe the tax-payers of our city will commend you for making the expenditures necessary for carrying out those plans. I am impelled to call your attention to this subject at the present time by the numerous complaints that have come to me of violations of the bathing ordinance. Until some substitute for the river and canal is provided, the greatest vigilance on the part of the police cannot prevent such violations. If anything is to be done to give relief during the present heated term, prompt action on your part will be necessary.

Respectfully,

GEO. W. ALDRIDGE, Mayor.

To the Honorable, the Common Council of the City of Rochester.

Gentlemen:—The children of the city, under the stimulus of prizes for those who would gather a definite number of the cocoons of insects injurious to the trees along our streets and in the city parks, have been so arduous at so far exceed the expectations of the members of the Forestry Association—nine millions of these cocoons have been destroyed. The Park Commissioners, as custodians of these trees, desire to aid in the compensation of the children who have accomplished this great and useful work. They would therefore ask the Common Council to donate one hundred dollars for this purpose.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., June 18, 1894. }

To the Common Council:

Gentlemen:—I am instructed by the Executive Board to call the attention of your honorable body to the urgent necessity of causing an ordinance to be prepared by the City Surveyor for the permanent improvement of Chestnut street, from East avenue to Monroe avenue.

The roadway of this street is reported to be in a condition entirely beyond ordinary repair; and there are no funds available in the highway fund the present year to lay out upon this street in order to put it in a condition which would render it of any benefit to the general public, even though such expenditure was deemed expedient.

Chestnut street is one of the few streets that remain unimproved, which were constructed many years ago with a coating of Macadam distributed over the earth foundation of the street. Expenditures have been made from the highway fund for many years past for repairs and maintenance, and it needs no argument to establish the fact that the time has arrived when this street, which is one of the most central and thickly populated sections of the city, should be subjected to the same expenditures for permanent improvement as many less important streets in its vicinity, as well as elsewhere, have already had to undergo for the general public use as well as to save unusual outlays of money from the public funds.

The Executive Board therefore recommends that an ordinance be adopted as speedily as possible for the construction of a permanent and durable pavement on this thoroughfare.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published, and on motion of Ald. Green referred to Public Improvement Committee.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., June 12, 1894. }

To the Honorable the Common Council of the City of Rochester:

Gentlemen:—The Executive Board has been negotiating for some time past with the owners of water rights on the Carroll-Fitzhugh race, with a view of obtaining certain privileges required for the construction of the proposed new bridge across the race at Court street.

After several conferences the Board submitted the following propositions:

"First. The city of Rochester will pay the

sum of fifteen hundred dollars (\$1,500) for damages which is claimed on account of the occupancy of the bed of the race by pillars for the support of the bridge.

Second. The city of Rochester will pay the sum of two hundred dollars (\$200) per day for the first six (6) days that the water will be kept out of the race on account of the construction of the bridge over the race at Court street; and for each day thereafter that the water will be kept out of the race on account of the construction of said bridge the city will pay the sum of three hundred dollars (\$300)."

Upon the above was endorsed the acceptance of the several owners of water rights named below:

L. W. Butts, personally, not as commissioner; E. W. Osburn; Rochester Printing Co., W. H. Mathews, president; J. H. Chase Milling Co., J. H. Chase, president; Macauley, Fien & Co.; J. DeWitt Butts, by William Steger, attorney; E. R. Andrews; I. S. Disbrow; Estate of M. F. Reynolds, Josiah Anstice, executor; Edmund Ocuppaugh.

The Executive Board refers the matter of the provision for payment of the above named sums to your honorable body for such action as you may deem expedient; but the board suggests that such action be taken as soon as practicable, to the end that the contract may be executed and all obstacles removed that might interfere with the commencement, progress and completion of the work within the time contemplated under the contract.

Respectfully,

THOMAS J. NEVILLE, Clerk.

The above amount has been deposited with the City Treasurer, to the credit of the assessment raised for the widening of Hensler place.

By the Clerk—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Excise Commissioners would respectfully report that they have granted seventy-five licenses for the month of May, 1894; received \$9,350, deposited the same with the City Treasurer, and filed his report therefor with the bonds, with the City Clerk.

POME ROY P. DICKINSON,
A. SPIEHLER,
E. MCSWEENEY,
Excise Commissioners.

Ordered received, filed and published.

By the Clerk—

ROCHESTER, N. Y., June 19, 1894.

H. W. Gregg, Esq., City Clerk:

Dear Sir:—The following was adopted by the Board of Education, of this city, at a session held June 18th, inst.

Respectfully,

MILTON NOYES, Clerk.

By Com. Durand—

Whereas, Public opinion clearly demands that an honest effort be made by this board to secure an increase in the wages of the assistant teachers in the public schools, and it is the opinion of this board, frequently expressed, that said assistant teachers are entitled to increased pay; and

Whereas, The total amount of funds at the disposal of the board for teachers' wages, estimating the amount to be received from the state the same as last year, viz., \$76,300, is \$306,300, against which is to be charged the following amounts, viz: Ten budgets, from April 1, 1894, to April 1, 1895, \$296,464, taking the April budget as a basis; for night schools, \$4,000; for natural increase in salaries by reason of length of service, \$2,000, and for deficiency in the March budget, \$1,581.13, leaving a surplus of \$2,254.87, which is clearly insufficient to provide for such increase; and

Whereas, Section 133 of the city charter provides that it shall be the duty of the board of education in all their expenditures and contracts to have reference to the amount of moneys which shall be subject to their order during the then current year for the particular expenditure in question, and not to exceed that amount; therefore,

Resolved, That the Finance Committee of the Common Council be, and hereby is, requested to confer with the salary committee of this board and to take such action as may be deemed advisable to provide funds for a reasonable increase in the salaries of the assistant teachers.

Adopted.

ROCHESTER, N. Y., June 19, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: In view of what has been said in the newspapers from time to time upon the question of an increase of teachers' wages I desire to submit as a privileged communication, certain facts and figures prepared entirely from the reports of the superintendent of public instruction, bearing upon all the expenditures of the board of education for teachers' wages since 1884.

Table A shows the appropriations for teachers by the common council from 1884 to 1894, inclusive.

Table B shows the total expenditures for teachers as appears by the annual reports of the teachers' committee, including the amount appropriated by the state.

Table C shows the total number of pupils registered each year according to the sworn statements of the superintendent of public instruction.

Table D shows the total number of teachers employed each year and average number of pupils per teacher.

TABLE A.

City appropriation.....	\$105,409 73

TABLE D.

1884	340	36
1885	343	38
1886	372	36
1887	392	36
1888	439	33
1889	495	32
1890	519	32
1891	560	31
1892	596	30
1893	602	30

From the foregoing tables it appears that the increase in the appropriations for teachers' wages in ten years has been 127 per cent. Total expenditures, including state appropriations, have increased 104 per cent in ten years.

The number of teachers employed has increased 79 per cent. in ten years, while the attendance during the same ten years has increased but 56 per cent.

Figuring upon the basis of last year's appropriation, your Finance Committee has added to this year's appropriation the sum of \$24,500, believing that sum sufficient to make an increase in the wages of the lady teachers, if the board of education deem such increase advisable.

This statement is made in justification of the action taken by the Finance Committee and for the purpose of showing at a glance that the problem of teachers' salaries is one for the board of education itself to solve. That the Common Council has been niggardly in their appropriations for the last ten years no one can claim. The increase from year to year has been much greater than the registration of pupils as the sworn statements by the superintendent shows. The average number pupils per teacher last year was thirty, while the reports show that the average number of pupils belonging is about 20 per cent. less than the number registered. It seems that the policy of the Board of Education in the past has been rather to increase the teaching force than to provide adequate compensation to a proper number. However, it is not to find fault with the policy of that board in respect to the number of teachers that this statement is made. In making the appropriations for this year an amount was added to the liberal estimate of last year that it was believed would provide without question for such increase as the lady teachers

were entitled to and with which I am in sympathy.

Again in the able report of the superintendent of public instruction for 1893, Mr. Noyes places the per capita cost of instruction and supervision at \$13.84. The allowance this year including the estimate made for state appropriation is over \$16 per pupil for teaching alone. However, if any error has been made in these calculations the Finance Committee are ready and willing to meet a committee of the board of education as suggested by Commissioner Durand at the meeting of the board of education last evening.

Respectfully submitted,

T. McMILLAN.

Ordered received, filed and published.

Ald. Kelly moved that it be the sense of the Board that an increase in the salaries of the assistant teachers be granted. Carried.

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., May 30, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I deem it my duty to present to you the following observations upon the Genesee river:

During this month there has been a freshet in the river so that the height of water has exceeded any other flood of which we have a record, except the disastrous flood of 1865 and the one of 1873.

As we observed this flood rise hour after hour and day after day and approach the danger limit, and as I was appealed to by merchants to give an opinion whether they should begin to move their goods out of reach of the rising water, I realized fully the smallness of the margin of safety, and our inability to predict with any certainty because of lack of knowledge of the habits of the river in the past. It was in our favor that the flood was clean. There was no ice and but few trees. The trees which did pass down were all subjects for anxious observation, because they were not mere trunks, but whole trees, with projecting roots and branches, and of such shape as to be most likely to catch upon the piers of the bridge and in the aqueduct arches. It was evident to all careful observers that if many such trees came there would be a jam, and it was also evident that if the flow of this flood should be held back by any serious jam, there must necessarily occur immense damage to property in this city. It was also evident that with ice coming down with such a flood, bearing trees, then the chances for a jam would be very much greater. Happily, it was evident that a very considerably larger volume of water could pass without doing damage, provided no jam occurred.

Immediately after the water began to diminish in volume at Rochester, I took advantage of the courteous offer of the Rochester Canoe Club to spend two whole days afloat upon the river, and to make a careful examination of it between Mt. Morris and Rochester.

The river bottom is a rich alluvial flat, varying from one to three miles wide, over which the flood passed at a depth sometimes of several feet, and at a considerable velocity. Through this flat the river channel meanders in a very circuitous course, with a width of 200 to 300 feet, and a depth of 25 feet and more.

The banks of this channel are fringed with

large trees throughout a greater part of the distance. The older trees nearest to the river are generally scarred, sometimes nearly girdled, at heights from five to twenty feet above their roots, by the ice which has shoved against them in past years.

The recent flood has caused considerable change in this channel, by the erosion of the swift current into the banks, which consist of oozing clays and deep black loam. In some cases a new channel has been cut across a loop. At one place, about one-quarter of a mile from Mt. Morris dam, a fine piece of tillable land and woods of perhaps fifty acres has been so cut off from the farm to which it belongs.

By this erosion of the banks many trees have been undermined and tumbled into the channel, but are still held by the roots, which are green. In the course of a few years these roots will be dead and will allow the tree to float away, or the ice will tear the tree free and carry it along.

There are at this time several thousand, I should judge, of such trees lying in the channel of the river between Mt. Morris and Rochester, and such a flood as this one, occurring when there is ice, would undoubtedly bring a great number of them along to Rochester.

I advance the proposition that the city of Rochester has an insurable, if not a vital interest in this subject, and that it should make an effort immediately to have the river put in a safe condition, to the extent of having these trees cut up and removed, and that if no other way can be found it had better pay the cost of such removal than take the risk of leaving them.

But it may be said, I think reasonably, that as long as the state of New York has made the river a part of the water supply of the Erie canal, and has declared this whole portion of the river a navigable river, it should see to it that it does not become a menace to the city of Rochester and to the Erie canal itself, through possible damage to the aqueduct carrying the canal across said river.

I recommend that a committee of your honorable body be appointed to examine the river and report.

Very respectfully yours,

J. Y. MCCLINTOCK,
City Surveyor.

Ordered received, filed and published and upon motion of Ald. Dewey referred to Finance Committee.

Ald. McMillan moved that the City Surveyor be added to such committee. Carried.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—By reference to current proceedings of the Common Council, on page 76, recording meeting of May 15th, I find the following resolution:

"Resolved, That on and after June 1, 1894, the City Treasurer is hereby directed to indicate upon every tax search certified by him, the assessments to which the property is to become liable, under final ordinance filed in his office, as directed by the foregoing resolution."

In my judgment such action would meet the approval of the patrons of the office. It is what I have recommended on several occasions. At present an improvement may have been completed for several months and our office have nothing to show that the same was ever contemplated. In order to conform to the requirements of the resolution I shall need more room for the necessary books and

reports, also the services of one more clerk.

I would respectfully suggest that action be postponed until the police department move into their new quarters, when no doubt sufficient room can be given in which the perform the work required.

Respectfully submitted,

S. B. WILLIAMS, Treasurer.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

LIVINGSTON STREET PAVEMENT.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Livingston street. The Surveyor submitted as such estimate, \$1,400.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz:

The construction of a Medina stone pavement, with a line of Medina stone curb on each side thereof, on Livingston street, from the railroad crossing said street to North St. Paul street. Width of roadway between curbs to be 20 feet.

And, The City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and re-

ported the same at \$1,400, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Livingston street, from the railroad crossing said street to North St. Paul street. Adopted.

AMBROSE STREET BRICK PAVEMENT.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Ambrose street. The Surveyor submitted as such estimate, \$11,000.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz:

The improvement of Ambrose street, from Saratoga avenue to Lake avenue, by the construction of a brick pavement therein with a line of Medina stone curb on each side thereof properly connected with all lateral streets, alleys and driveways. Width of main roadway between curbs to be 28 feet. Also the construction of the necessary crosswalks, surface sewers, manholes, lot laterals, water and gas services and the cleaning of the main sewer in the street if found to be necessary. Also relaying so much of the pipe sewer as may be found necessary. Also the construction of a Portland cement walk, 5 feet wide, on each side of the street, between the limits mentioned, except where good flag or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And, The City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$11,000, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Ambrose street, from Saratoga avenue to Lake avenue. Adopted.

By Ald. Ward—Resolved, That the following improvement is necessary, viz:

The sprinkling, sweeping, cleaning and disposition of the dirt collected on Granger place, from East avenue to Culver park, during the season of 1894.

And Whereas, the City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$170, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz:

One tier of lots and parcels of land on each side of Granger place, from East avenue to Culver park, in proportion to the benefit which each will derive therefrom.

Adopted.

By Ald. Ward—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or adoption, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be, and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Union and Advertiser, notice thereof as is required and in the manner specified by section 172 of the city charter. Adopted.

CITY CLERK'S OFFICE, }
ROCHESTER, N. Y., June 19, 1894. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, June 19, 1894, at 7:30 o'clock P. M., at the Common Council chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG City Clerk.

By Ald. Lewis—

Alderman Merton E. Lewis, City:

Dear Sir:—We respectfully request that you use your influence to obtain such an amendment to the bicycle ordinance as will permit wheelmen to ride on the foot path of the bridge over the New York Central tracks at East Main street.

The ordinance, as it now stands on the books, regarding the riding on foot paths of bridges, was doubtlessly enacted for the purpose of preventing abuse by wheelmen in the more central portion of the city, where the traffic of both foot passers and wheelmen is very large, and where in many instances the foot paths are very narrow.

The propriety of this ordinance no one can question as applied to these localities. The East Main street railroad bridge, however, is provided with a foot path 15 feet and 3 inches in width, and there is no good reason why wheelmen should be forced to dismount when they are permitted to ride on a 4 foot walk, especially in view of the fact that the number of people passing over this bridge at any hour of the day is very limited.

As a matter of fact, the majority of wheelmen do not dismount and there is no good reason why the law-respecting ones should be discriminated against as they practically are.

Thanking you in advance for your kindly interest in the matter, we remain,

Yours respectfully,

S. S. Southwick, H. F. Peck, H. W. Shannon, W. J. Walling, A. A. Stout, Charles R. Dare and others.

Ordered received, filed and published.

By Ald. Lewis—Resolved, That East Main street railroad bridge be, and it is hereby

excepted from the operation of a penal ordinance in relation to the riding of bicycles upon the sidewalks of bridges.

Adopted.

Upon motion of Ald. Powell, the Board then adjourned.

HENRY W. GREGG, City Clerk.

In Common Council, June 26, 1894.

REGULAR MEETING.

In the absence of the President, the Clerk called the Board to order.

Upon motion of Ald. Adams, Ald. Cook was chosen Chairman.

Present—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris, Bierbrauer—18.

APPROVAL OF MINUTES.

The minutes of the previous meeting were approved as published.

REPORTS OF SELECT COMMITTEES,	
By Ald. McMillan—	
To the Honorable, the Common Council of the City of Rochester:	
Gentlemen: Your special committee on pe- lice headquarters would respectfully report	

that they have carefully examined the bids received for the construction of same, and would recommend that the contract for the cut stone work be awarded to Gilbert Brady and Co. for the amount of their bid, \$2,850, they being the lowest bidders.

When the plan for a new building was first brought to the attention of this board it was understood that the benefit was to accrue to Rochester workmen. The lowest Rochester bidders for iron work is F. L. Heughes & Co., \$10,960. Although there are two lower bidders, they are both residents of other cities, and your committee feels that it would be to the best interest of this city if the contract was awarded to Rochester parties, with the express understanding that the work, so far as is consistent, be done by Rochester workmen, and with that understanding and agreement by the bidders, would recommend that the contract be awarded to Messrs. F. L. Heughes & Co.

Sixteen bids, all from Rochester builders, were received for the mason and carpenter work. Messrs. Bruif, Horn & Co. being the lowest bidders, your committee have decided to report a recommendation that the mason and carpenter work be awarded to them. Your committee has decided to recommend that the contractors be required to furnish good and sufficient bonds, with two sureties, conditioned for the faithful performance of the contract, with a penalty equal to the full contract price.

Your committee therefore recommends that his honor, the Mayor, be requested to execute a contract with the above named contractors for the work upon such building. Said contract to be approved as to form by the City Attorney, and the bond to be furnished to be approved by the members of the special committee.

All of which is respectfully submitted.

ALVIN H. DEWEY,
JOHN F. FOX,
W. H. TRACY,
J. MILLER KELLY,
H. G. COOK.

Ald. Adams moved that the report be amended by inserting the name of Stallman Bros. in place of Bruif, Horn & Company.

Adopted by the following vote:

Ayes—Alds. Calihan, McMillan, Green, Rauber, Adams, Edelman, Powell, Ward, Pauckner, Aikenhead, Harris, Bierbrauer—12.

Nays—Alds. Tracy, Fox, Ashton, Dewey, Cook, Kelly, Simmelink—7.

Report, as amended, ordered received, filed and published.

By Ald. McMillan—Resolved, That the contract for the iron and cell work on the new police headquarters building be awarded to F. L. Heughes & Co. for the sum of \$10,960, and that the contract for cut stone work be awarded to Gilbert Brady & Co. for the sum of \$2,850, and that the mayor be and he is hereby requested to execute contracts after they have received the approval, as to form, of the City Attorney.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris, Bierbrauer—19.

By Ald. McMillan—Resolved, That the contract for the mason and carpenter work be awarded to Stallman Bros. for the sum of \$31,954, and that the Mayor be requested to execute a contract therefor when approved, as to form, by the City Attorney.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris, Bierbrauer—19.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., June 26, 1894.

To the Common Council:

Gentlemen: The following is a transcript of the proceedings of the Executive Board as commissioners of highways, accompanied by a map, which have been taken in the matter of the alteration of the lines of Loomis street, from the easterly end thereof to St. Joseph street:

SUBPEONA.

Monroe County, ss.:

To Jacob Harens, Frederick Fischer, John Heyer, William J. Kreig, A. R. Morgan, Roman Hirsch, Herman Lensing, John Brown, John B. Schenck, Joseph Adolph, Andrew Berg, Valentine Kuchmann, Stephen Strieb:

You are hereby summoned and required to appear at the house of Andrew Berg, corner of St. Joseph and Clifford streets, in the city of Rochester, in said county, on the 21st day of June, 1894, at 4:30 P. M., to make a jury of freeholders to consider, examine and certify in regard to the propriety of discontinuing a strip of land three feet wide adjoining the land of Sebastian Weber, on the south side of Loomis street, from the easterly end thereof to St. Joseph street. Hereof fail not.

Dated at Rochester, N. Y., June 14, 1894.

RICHARD CURRAN,
JOHN U. SCROTH,
W. W. BARNARD,
Highway Commissioners.
ROCHESTER, June 14, 1894.

Mr. Sebastian Weber, owner of land on either side of Loomis street, 434 St. Joseph street, Rochester, N. Y.:

Dear Sir: You are hereby notified that a jury of freeholders has been summoned to appear at the house of Andrew Berg, corner of St. Joseph and Clifford streets, Tuesday, June 21, 1894, at four o'clock P. M., to consider, examine and certify in regard to the propriety of discontinuing a strip of land three feet wide adjoining your lands on the south side of Loomis street, from Loomis street to St. Joseph street.

Respectfully,

THOMAS J. NEVILLE, Clerk.

CERTIFICATE OF JURORS.

The subscribers, disinterested freeholders of the city of Rochester, in the county of Monroe, having met at the dwelling house of Andrew Berg, corner of Clifford street and St. Joseph street, in said city, in pursuance of a summons from the commissioners of highway of said city, to examine and certify in regard to the propriety of altering Loomis street, from Loomis street to St. Joseph street, by moving a strip of land sixteen feet wide northerly for a distance of three feet, and having duly sworn, and having viewed the said street, do hereby certify that we are of the opinion that the same is necessary and expedient.

In witness whereof we have hereunto set our hands this 21st day of June, 1894.

JACOB HORENS,
FRIEDRICH FISCHER,
JOHN HEYER,
WM. J. KRIEG,
A. H. MORGAN,
ROMAN HIRSCH,
HERMAN LENSING,
JOHN BROWN,
JOHN B. SCHENCK,

ANDREW BERG,
VALENTINE KUCHMAN,
STEPHEN STREIB.

ORDER OF HIGHWAY COMMISSIONERS.

The undersigned commissioners of highways of the city of Rochester, in the county of Monroe, having met at the dwelling house of Andrew Berg, corner of Clifford street and St. Joseph street, in said city, to decide upon the application of Sebastian Weber, a resident of said city, liable to be assessed for highway labor therein, for the alteration of Loomis street from Loomis street to St. Joseph street. All the said commissioners having been duly notified to attend this meeting of the commissioners, for the purpose of deliberating on the subject of this order, do hereby order that the line of said street be, and the same is hereby altered by moving a sixteen foot strip of land on said street north-erly for a distance of three (3) feet.

Dated at Rochester, N. Y., June 21, 1894.

RICHARD CURRAN,
W. W. BARNARD,
JOHN U. SCHROTH.

Highway Commissioners.
Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By the Clerk—Notice of claim of William Haywood, as assignee, against the city of Rochester. Referred to Law Committee.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., June 26, 1894.

To the Common Council:

Gentlemen—The Executive Board is informed by the City Attorney that he has been notified by the owner of the Chapman pond, in the town of Brighton, that said Chapman has been called upon by the health authorities of the town to cause the nuisance created by the deposit of sewage in his pond to be abated and he in turn asks the city of Rochester, which he claims is responsible for the nuisance, either to abate the same or pay for the expense that may be incurred by the work.

It will be remembered that in the summer of 1891 this same pond was cleaned by agreement between the Executive Board and Mr. George Chapman, at an expense of \$250, which was paid by order of your honorable body from the Contingent Fund.

The Executive Board recommends the subject matter of this communication be referred to the Law Committee and the City Attorney.

Respectfully,
THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published and referred to Law Committee and City Attorney.

ROCHESTER, N. Y., June 26, 1894.

To the Honorable, the Common Council of the City of Rochester:

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., June 26, 1894. }

To the Common Council:

Gentlemen:—Your attention is respectfully called to the condition of the sidewalk on Lake avenue, from the boundary line of the old ninth ward to the city line. The plank walks within the boundaries spoken of are out of repair to such an extent that they can not be put in a thoroughly safe condition without considerable expense; and the Board thought it expedient under such circumstances to suggest that your honorable body authorize the City Surveyor to introduce an ordinance for the building of new walks of cement or stone to correspond with the walks already laid to the south line of this section of Lake avenue.

The Board also desires to direct your attention to the walks on Genesee street from West avenue to the Rapids. A number of walks in front of the property within this section of Genesee street have already been replaced with cement walks; but a number of the owners of property have failed to make any improvement in this direction, and in consequence a large portion of the old plank is so broken up and decayed as to make repairs, as reported to this office, almost impossible.

The Executive Board deems it advisable, as a matter of economy for the taxpayers on this street, to request your honorable body to adopt an ordinance for the construction of

permanent walks in accordance with those already laid by many of the residents of said street.

Respectfully,
THOS. J. NEVILLE, Clerk.

CITY TREASURER'S OFFICE, }
ROCHESTER, N. Y., June 26, 1894. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I would respectfully report that I have this day received from Z. F. Westervelt, Esq., Superintendent Western New York Institution for Deaf Mutes, the sum of Fifty-seven Hundred Dollars (\$5700), this being five (5) years' interest on the mortgage given the city and paying same to March 22, 1894. I have placed the amount received to the credit of the Rochester Police Station Building Fund, as per instructions of your honorable body. Respectfully submitted,

S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published.

By Ald. Dewey—

ROCHESTER, N. Y., July 10, 1894.

To the Honorable, the Common Council of the City of Rochester.

Gentlemen:—I would respectfully call your attention to the necessity of supplying public water-closets and urinals in the central parts of our city. There is a portion of our community who have business on the streets and in the different offices in the city, who are not accustomed to visiting hotels or saloons, and in fact would not be tolerated there, except they conformed with the custom of buying something or patronizing in other respects such places. Frequent con-

plaints are made at this office of nuisances committed in the alleys and corners of courts, and even in the city hall; and the reason for these nuisances is the fact that the people above mentioned have no conveniences to relieve the calls of nature.

I deem it my duty as Health Officer to call your attention to this matter, hoping that you will investigate the case and take such action as may seem advisable to your honorable body.

Very respectfully submitted,

WALLACE SIBLEY,
Health Officer.

Ordered received, filed and published, and upon motion of Ald. Dewey referred back to Health Board to investigate and report at the next regular meeting.

By Ald. Dewey—Whereas, By a judgment of the Supreme Court, entered in Monroe county clerk's office July 7, 1894, in an action in which the city of Rochester is plaintiff and Henry J. Bowden, defendant, brought to condemn property in the town of Brighton for the additional water supply, it has become necessary to immediately take possession of the property described in said judgment, and which judgment provided that said city of Rochester take possession of said property, upon depositing with the clerk of Monroe county the sum of \$500 to cover the probable award in said action, and,

Whereas, The Executive Board have advanced said sum of money for said purpose, and the same has been deposited in Monroe county clerk's office, according to the provisions of said judgment, now, therefore,

Resolved, That the clerk of the Executive Board be, and he hereby is, directed to draw an order in favor of the Executive Board for said sum of \$500, and charge said sum to the Additional Water Supply Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Simmelink, Lewis, Harris, Bierbrauer—19.

By Ald. Dewey—Resolved, That the action of the Executive Board in the purchase of a site in the twelfth ward for the use of the fire department be, and the same hereby is, confirmed.

Adopted.

By Ald. Dewey—

OFFICE OF THE CITY ELECTRICIAN, }
ROCHESTER, N. Y., July 10, 1894. }

Ald. Alvin H. Dewey, Chairman Lamp and Electricity Committee.

Dear Sir:—I would respectfully call your attention to the death of lineman Kirk, who was recently killed while at work on a pole by coming in contact with an electric current. The Coroner held an inquest in said case and the jury rendered a verdict which contained a recommendation that the Rochester Railway Company be requested to place guard wires over its trolley wires. And as this is a matter of great importance to the general public, I would suggest that the whole subject be referred to a committee of your honorable body for a thorough investigation; said committee to report to the Common Council such recommendations with reference to the construction and use of said guard wires as it may deem necessary and expedient for the protection of life and property.

Very respectfully,

C. R. BARNES, City Electrician.

Ordered received, filed and published.

By Ald. Dewey—Resolved, That the Lamp and Electricity Committee be, and it is hereby authorized and directed to make such investigation of the subject and use of guard

wires over the trolley wires of the Rochester Railway Company as in its judgment may be necessary, and to report to this Board such recommendation with reference to the construction and use of said wires as the committee deem necessary and expedient for the protection of life and property.

Adopted.

REPORTS OF STANDING COMMITTEES.

By Ald. Ward—
To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Committee on Public Improvements submits the following report: That it has taken into consideration the matter of the improvement of Chestnut street, and also the laying of walks on Genesee street, and respectfully recommends the improvement of Chestnut street by the construction of a trap-rock MacAdam pavement thereon.

In the matter of the laying of sidewalks on Genesee street, your committee recommends the laying of cement sidewalks thereon

except where good plank, stone or cement walks now exist.

Respectfully submitted,

WILLIAM WARD,
H. G. COOK,
STEPHEN RAUBER,
JOHN R. POWELL,
WILLIAM C. GREEN,

Public Improvement Committee.

Ordered received, filed and published.

By Ald. Ward—Resolved, That the City Surveyor be, and he hereby is, authorized and directed to prepare an ordinance for a trap-rock MacAdam pavement on Chestnut street.

Adopted.

By Ald. Ward—Resolved, That the City Surveyor be, and he hereby is, authorized and directed to prepare an ordinance for cement walks on Genesee street, except where good plank, stone or cement walks now exist.

By Ald. Adams—

To the Honorable, the Common Council:

Gentlemen:—Your Law Committee begs leave to report as follows:

In the matter of the claim of John Cunningham for damages sustained by a horse owned by him on one of the public streets of the city, upon the advice of the City Attorney we recommend the payment of the amount thereof, to wit: the sum of \$13.50.

In the matter of a judgment recovered against the city by William H. Bauer, as administrator of Jacob Bauer, deceased, amounting to the sum of \$324.37, we recommend that the same be paid.

In the matter of the claim of the administrator of Pierce Gunning for services performed by the latter as a bridge tender, amounting to the sum of \$305.36, we recommend, upon the advice of the City Attorney, that the same be paid.

In the matter of the petition of property owners to have abandoned the proceedings taken for the opening of a street from Bay street to Diamond place, we beg leave to report that they have turned over to the city the sum of \$260 in part payment of the expenses and disbursements incurred by the city in such proceeding and in view of the almost unanimous desire on the part of the property owners interested in said improvement, we recommend that the proceeding be abandoned.

All of which is respectfully submitted,

M. B. ADAMS,
T. McMILLAN,
HENRY G. COOK,
WM. PAUCKNER,

Law Committee.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney that proper releases and discharges have been filed with him, the City Clerk be, and he hereby is authorized to draw an order payable from the Contingent Fund in favor of John Cunningham for \$13.50, being in settlement of a claim for damages to his horse, on one of the public streets of the city.

By Ald. Adams—Resolved, That all such actions be indefinitely postponed.

Adopted.

By Ald. Adams—Resolved, That the City Treasurer be, and he hereby is, directed to charge the contingent fund with the difference between the expenses and disbursements of the city in the matter of the opening of a street from Bay street to Diamond place, and the amount deposited by the property owners interested in said improvement.

Adopted.

By Ald. Ashton—

To the Honorable, the Common Council:

Gentlemen:—Your Assessment Committee would respectfully report:

That they have considered the application of George Metcalf and others and of Dr. T.

A. O'Hare for cancellation of certain assessments for the Maple and Colvin street sewer; and as your committee understands the situation these petitioners will be satisfied to pay the assessment for this sewer, providing their premises can be suitably drained. It seems feasible to drain the premises in question through a sewer which now extends through the Gardiner tract; suitable action should be taken by the proper authorities providing for the drainage of the property in question, as there was standing upon the land when your committee viewed the same a large pond of water. Your committee therefore recommend that these petitions be denied.

In the matter of the petition of Asbury Society of the Methodist Episcopal Church, of Rochester, that certain taxes erroneously paid in the year 1892 be refunded, we find that under the provisions of chapter 585 of the laws of 1892, parsonages are exempted to the amount of \$2,000, and the property in question is assessed for \$5,400; the tax paid was \$33.50, and the rate \$15.97. Your committee therefore recommend that they be granted a rebate of \$31.94.

In the matter of the petition of the Flour City National Bank for permission to redeem premises sold for taxes, and purchased by them, and known as lots numbers 58 to 69 in section C of the Manhattan Meadow tract, at less than the charter rate of interest, your committee recommend, that said bank be allowed to redeem said property from the sale of said premises for Savannah street sewer improvement, and for which said premises were sold June 10, 1874, and also for the general city tax of 1892, for which said premises were sold, upon the payment of the amount due on said assessments and taxes at the date of sale, together with legal fees on the same and interest at 6 per cent.

In the matter of the petition of Mary J. Swanton for cancellation of tax sales, it appears that the premises which she now owns were sold for taxes June 5, 1885, the amount being \$2.28. In August, 1883, she obtained from the then City Treasurer, a tax search showing that said premises were free and clear of all taxes, and relying upon said search she purchased said premises, but has now learned that said tax of 1854 was unpaid, as aforesaid. We recommend that said tax sale for June 5, 1885, be cancelled. Mrs. Swanton also requests that a certificate of the tax sale, dated April 7, 1881, and recorded the same day in 340 of deeds at page 220, for \$18.88 for sale of said premises for local improvement, be discharged of record, as the tax has been paid. Your committee recommend that the petition of Mrs. Swanton be granted.

JOHN H. ASHTON,
H. G. COOK,
JOHN F. FOX.

Assessment Committee.

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the petition of George Metcalf, et al, for cancellation for assessment for Maple and Colvin street sewer be, and the same hereby is, denied.
Adopted.

By Ald. Ashton—Resolved, That the petition of Dr. T. A. O'Hare for cancellation for assessment for Maple and Colvin street sewer be, and same hereby is, denied.
Adopted.

By Ald. Ashton—Resolved, That the Clerk draw an order on the Treasurer in favor of William T. Hughes, president of the board of trustees of the Asbury Society of the Methodist Episcopal Church, for the sum of \$31.94, and charge said sum to erroneous assessments.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Simmelink, Lewis, Harris, Bierbrauer—17.

By Ald. Ashton—Resolved, That the Treasurer be, and he hereby is, authorized and directed to receive from the Flower City National Bank, the amount of taxes or assessments now standing against property owned by them, recently purchased by them on a foreclosure sale on premises known as lots numbers 58 to 69 of section C, of the Manhattan Meadow tract, on the west side of Savannah street, and due and owing at the time of the purchase of said premises, in all cases where such premises were sold to the city of Rochester on such tax sale, together with legal interest thereon from the date of the sale, and the expense of sale thereof, providing the same be paid within ten days from the passage of this resolution.
Adopted.

By Ald. Ashton—Resolved, That the City Treasurer be, and he hereby is, authorized to cancel the certificate of tax sale of premises now owned by Mary J. Swanton, on Ontario street, sold by the treasurer of the city of Rochester, June 5, 1855, for non-payment of the general city tax of 1854, amounting to \$2.58, and that he charge said sum and the expenses of the same to erroneous assessments.
Adopted.

By Ald. Ashton—Resolved, That the Mayor be, and he hereby is, authorized and directed to cancel the tax certificate recorded in Monroe county clerk's office, in liber 340, of deeds, at page 220, being tax on premises on Ontario street. Said tax having been paid.
Adopted.

By Ald. McMillan—

Rochester, N. Y., July 10, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Finance Committee beg leave to make the following report upon the Genesee river and the danger of damage to property from trees lying in said river in position to be borne along by the next flood, attention to which was called by the City Surveyor in a communication to your honorable body, which was referred to us.

We determined to make a personal examination of a portion of the river, and because of the importance of the subject, and the unusual character of the problem presented to us, and the direct relation to the subject of the project for controlling the flow of the river by water storage, we decided to invite the water storage committee of the Chamber of Commerce and Senator Parsons and Assemblyman O'Grady to go with us.

On account of the many rapids it is impossible to navigate the upper river at low water except in the lightest boats, and your committee is under great obligation to the members of the Rochester Canoe Club and other canoeists who furnished their canoes, and while paddling, the committee and their guests, enlivened the trip by their enjoyable companionship, and enlightened us from their long experience on the river. The party stopped over night at Mt. Morris and paddled from there to Genesee on the river, occupying fourteen canoes. Although the portion examined is but a small part of that referred to by the City Surveyor, yet we saw enough to fully justify his statements. Many trees lie in the bed of the river, while many others are partly undermined by the current, and many stand close to the edge of steep clayey banks which wear rapidly away at

times of high water. At one place, not far below Mt. Morris dam, the river has made at the last flood a direct channel across two bends, overturning great trees in its course, doing great injury to the farms and making the length of the new channel about one-half a mile where the length of the main channel is fully four miles.

Your committee have thus seen many trees which will evidently be brought down to Rochester by the first flood, and have seen the serious obstructions formed at Main street bridge and Andrews street bridge by the small number of trees lodged by the recent flood, and have in mind the well known fact that immense damage done by the river in 1865 was due to the arches of the Erie canal aqueduct and Main street bridge being choked by driftwood and lumber, and realize that another extreme flood may come within a year. Therefore, we urge upon you the necessity of having these trees, lying in the river and those which are just ready to fall, removed. We do not know to whom these trees belong, and in order that intelligent action can be taken at this time, and that we may be prepared to act upon a recurrence of the same conditions in the future, we recommend that the necessary surveys be made and a map be prepared, showing the river and flats and trees and farm lines with names of owners between Rochester and Mt. Morris and Dansville, utilizing as far as possible existing maps. We believe that such survey and map could be made by the City Surveyor for a sum not exceeding \$1,500, and that the cost of removing all trees now fallen would not exceed \$2,000. It seems to us that because the existing condition is a source of danger to the Erie canal as well as the city of Rochester, and because the river itself is made by law a part of the canal system, and because this portion of the river is made by law a public highway, that the state of New York should have the trees removed and the river put in a safe condition.

Therefore, we recommend that the state of New York be requested to remove the source of danger, and that further action upon your part be deferred until communication can be had with the proper state officials, and we recommend the adoption of the following:

All of which is respectfully submitted.

T. McMILLAN,
ALVIN H. DEWEY,
H. G. COOK,
M. B. ADAMS,

Finance Committee.

Ordered received, filed and published.
By Ald. McMillan—

Resolved, That the City Attorney and City Surveyor are hereby instructed to prepare a statement of facts, and submit the same to the proper state officials, together with the request of this Common Council, that said officials give the subject the attention which it deserves, and have the necessary survey made and the necessary work done, so that an important part of the Erie canal and a vast amount of property shall not be endangered by the next flood water in the Genesee river.

Adopted.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

Rochester, N. Y., July 1st, 1894.

Dr. Wallace Sibley, Health Officer,

Dear Sir:—Your attention is respectfully called to the drainage of Magnolia street. This

street begins at Cottage street and runs west to Genesee street, a distance of about 3,500 feet. At its eastern end, between Cottage street and Plymouth avenue, there is a good sewer. At its western end, for a distance of about 2,700 feet, only 200 feet of sewer has been laid. Near the western end of the street the ground is six to seven feet lower than at other portions of the street. The houses in this section are badly drained.

While there has been no demand for a sewer on the part of the residents, it is imperative that provision be made for the disposal of house waste and surface water.

Yours respectfully,

G. W. GOLER,

Medical Inspector.

The foregoing communication is hereby respectfully referred to the Common Council, with a request that immediate action be taken thereon.

Very respectfully,

WALLACE SIBLEY, M. D.,
Health Officer.

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

LOCAL IMPROVEMENT ASSESSMENT.

By Ald. Ward—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvements, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements respectively adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefited by the improvements, respectively, are as stated and described in the final ordinances relative to the improvements, respectively, and that the name and expense of the improvements thus to be assessed are as follows, viz:

Ord. No.	Improvement.	Expense.
5,260.	Second street pipe sewer and walks	\$ 1,757 54

And it is further determined that the taxpayers to be assessed for making the foregoing improvement must pay their assessments within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer.

And it is further determined that the taxpayers to be assessed for making the following improvements, viz:

Ord. No.	Improvement.	Expense.
5,255.	State street stone sewer.....	\$24,387 90
5,238.	Hollenbeck street and Avenue D sewer.....	10,475 38

May pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll. And the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment a discount will be allowed at the rate of six per cent. per annum.

And the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of lands within the portions or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements, shall be deemed to receive by the making of the respective improvements.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris, Bierbrauer—18.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
 ROCHESTER, N. Y., July 10, 1894. }

To the Common Council:

Gentlemen:—Pursuant to a resolution adopted by your honorable body the owners of the property through which it is proposed to extend the Court and Williams street outlet sewer, were invited by the Executive Board to state what sums they would accept for the easements for the Court and Williams street sewer through their respective parcels of land. Of the four persons who represent the property in question, the Executive Board received proposals from two, one of which was the Palmer Real Estate and Investment Company and the other the New York Central & Hudson River Railroad Company. The former fixed their price at \$5,000, through their representative, George W. Palmer; and the New York Central Railroad Company, through its representative, offered to permit all necessary alterations in the sewer without charge to the city, on condition that their tracks would be supported and maintained in good order at the expense of the city.

The Executive Board, under the conditions and circumstances stated, do not feel warranted in recommending the acceptance of these propositions, and would suggest that your honorable body authorize the City Attorney to apply to the courts for the appointment of a commission to appraise the damages for the easements required.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Adams—Whereas, No agreement for the purchase of lands necessary to be taken for the Court and William streets sewer, in the city of Rochester, under final ordinance No. 5,557, can be made, therefore,

Resolved, That a copy of said ordinance, and of this resolution, together with a map of the street, be made and filed in the office of the City Clerk and of the County Clerk, which map shall show thereon the lots, tracts, and parcels of land which are deemed necessary to be taken, and the commencement, course and termination of said sewer proposed to be constructed, according to the provisions of section 174 of the revised city charter, and that the City Attorney be, and he hereby is, instructed to take and institute such proceedings, from time to time, as may be necessary as is provided by the city charter.

Adopted.

Adopted.

REPORTS OF STANDING COMMITTEES.

By Ald. Ashton—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Assessment Committee would respectfully report:

That they have considered the petition of Rev. Nelson H. Barbour for exemption from taxation, on the ground that he is a clergyman, and find that Mr. Barbour owns two houses on Williams street, which are assessed for \$3,000, one of which is rented. It would be impossible to tell what relief should be granted to Mr. Barbour until an apportionment of his taxes shall have been made, and we therefore recommend that the assessors make such apportionment.

In the matter of the petition of George H. Stalker for reduction of assessment for Genesee street outlet sewer: the assessors report that in their opinion no reduction should be made, and that the assessment is proper. Your committee would therefore recommend that the petition be denied.

In the matter of the petition of Sarah Emerson for cancellation of assessment on lots numbers 7 and 22, on Summer street, assessed for Genesee street outlet sewer, under ordinance No. 3,814, the petition of William H. Theiler for cancellation of assessment on lot No. 19 Columbia avenue and lot 20, north side of Hawley street, and of Jacob Theiler for cancellation of assessment on lots 2, 4, 8, and 6 on north side of Hawley street, and lots 1, 3, 5, 7, 9, 11, 13, 15 and 17, on the south side of Columbia avenue; of Benjamin Huntley, on lot number 5, east side of Cottage park and 341, south side of Earl street, we recommend that their petitions be severally denied. This conclusion is reached upon the advice of the City Surveyor, that the assessments standing on the Treasurer's books against said persons for Genesee street outlet sewer, under final ordinance No. 3,814, should all stand as assessed.

In the matter of the petition of Adam Eisenmenger for refund of assessment paid on North Joiner street sewer, and also the can-

cellation of remaining assessments due on said sewer under final ordinance No. 5,104; the assessors report that the petitioner is not entitled to the relief prayed for, and that his petition should be denied, we therefore make such recommendation.

Committee.

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the assessors be, and they hereby are, directed to apportion the taxes now due on the premises of N. H. Barbour, in the twelfth ward, on the east side of Williams street, so that there will be a separate assessment for each house situated upon his lot.

Adopted.

By Ald. Ashton—Resolved, That the petition of George H. Stalker for reduction of assessment for Genesee street sewer outlet be, and the same hereby is, denied.

Adopted.

By Ald. Ashton—Resolved, That the petitions of Sarah L. Emerson, William H. Theiler, L. Theiler, Mary Huntley and D & J. Davis, for cancellation of certain assessments for Genesee street outlet sewer, mentioned in the report accompanying this resolution be, and they each are hereby, denied.

Adopted.

By Ald. Ashton—Resolved, That the petition of Adam Eisenmenger for refund of an assessment paid by him for North Joiner street sewer, and for cancellation of remaining assessments due under said ordinance be, and the same hereby is, denied.

Adopted.

By Ald. Ashton—Resolved, That the resolution adopted by this Common Council June 19, 1894, directing the cancellation of a personal assessment against the Miller Brewing Company be, and the same is hereby, reconsidered.

Adopted.

By Ald. Ashton—Resolved, That the resolution heretofore adopted by the Common Council on July 19, 1894, relating to the cancellation of an erroneous personal assessment against the Miller Brewing Company be, and the same hereby is, amended so as to read as follows:

Resolved, That the City Clerk be, and he hereby is, directed to draw an order in favor of the Miller Brewing Company, payable from the contingent fund, for the sum of \$318.29, being the amount of an erroneous assessment for personal taxes against said company and that the treasurer charge said amount to erroneous assessment.

Adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris—18.

The original resolution, as thus amended, was then adopted by the following vote:

Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris—18.

By Ald. Adams—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—In the matter of the settlement effected with Joseph Costich, Jr., for sewage pollution, the resolution, adopted by the Common Council failed to provide for the payment of costs, and we recommend that the sum of \$26, the amount of costs in said action, be paid.

In the matter of the communication of the Clerk of the Executive Board relative to cleaning out the Chapman pond in the town of Brighton, which was referred to this committee and the City Attorney, we beg leave to say that about three years ago this pond was cleaned out by the city at an expense of \$250. We recommend that the sum of \$200 be allowed for that purpose.

In the matter of the judgment recovered by Gilbert Costich and another, as executors, against the city of Rochester, for sewage pollution, we recommend that the same be paid.

In the matter of the claims of Sapherine Case, William A. Lyon, Mary Meyers and Catherine Miller for sewage pollution, we recommend that each of the above parties be allowed per year the sum of \$92, \$85, \$90 and \$60, respectively, as per the accompanying resolution.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney the Clerk be, and he hereby is, directed to draw an order in favor of Joseph Costich, Jr., or his attorneys, Messrs. Hubbell & McGuire, for the sum of \$26, payable from the contingent fund, being the amount of costs in the case of said Costich against the city for sewage pollution, and that the Treasurer charge said sum to the Contingent Fund.

Adopted by the following vote:
Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris—18.

By Ald. Adams—Resolved, That upon the certificate of the Executive Board that the Chapman pond, so called, has been cleaned to its satisfaction, and that of the board of health of the town of Brighton, the City Clerk be, and he hereby is, authorized to draw an order in favor of George Chapman for the sum of \$200, payable from the Contingent Fund, and the Treasurer is directed to charge said sum to the Contingent Fund. This resolution is adopted upon the express condition that said Chapman shall clean out said pond to the entire satisfaction of the Executive Board and said board of health, and the City Attorney is directed to enter into an agreement with Mr. Chapman to carry out the terms hereof.

Adopted by the following vote:
Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris—18.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney that a proper satisfaction piece has been filed with him, the City Clerk be, and he hereby is, authorized to draw an order, payable from the Contingent Fund, in favor of Gilbert Costich and Catherine Costich, as executors of the estate of Francis Costich, deceased, or their attorney, Richard E. White, Esq., for the sum of \$553.42, the amount of the judgment recovered against the city.

Adopted by the following vote:
Ayes—Alds. Tracy, Calihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris—18.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney that proper releases, satisfactions and stipulations for all claims and damages, by or on the part of persons hereinafter named, against the city

by reason of the discharge of sewage into the creeks flowing along or through premises of the parties hereinafter named, have been executed and delivered to said city, the Clerk be, and he hereby is, directed to draw an order on the Treasurer, payable from the Contingent Fund, in favor of each of the parties hereinafter named, or their attorneys, Hubbell & McGuire, for the sums and periods hereinafter stated, with costs where actions have been commenced, to be stipulated by the City Attorney: Sapherine Case, \$92 per year; William A. Lyon, \$85 per year; Mary Meyers and Lera Gleichauf, \$90 per year; Katherine Miller, \$60 per year.

Adopted by the following vote:
Ayes—Ald. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris—18.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

CITY CLERK'S OFFICE, }
ROCHESTER, N. Y., June 19, 1894. }

Hon. George W. Aldridge, Mayor of Rochester:

Sir:—I hereby certify that the foregoing transcripts are a true copy of all ordinances, resolutions and orders for the payment of money, which were passed by the Common

Council of the city of Rochester, at a meeting held on the 10th day of July, 1894.

Given under my hand and the corporate seal of the city of Rochester, this 14th day of July, 1894.

HENRY W. GREGG, City Clerk.

MAYOR'S OFFICE, }
ROCHESTER, N. Y., July 20, 1894. }

I hereby approve the foregoing proceedings of the Common Council, excepting the resolution awarding the contract for lighting the City Hall to the Rochester Gas & Electric Company. My reasons for withholding my approval of same are hereby attached.

GEO. W. ALDRIDGE, Mayor.

By the Clerk—

MAYOR'S OFFICE, }
ROCHESTER, N. Y., July 20, 1894. }

To the Honorable, the Common Council of the City of Rochester.

Gentlemen:—The resolution of your body adopted at the meeting held on July 10th, awarding the contract for lighting the city hall to the Rochester Gas & Electric Company, is hereby returned unapproved.

It is only after long and earnest consideration of the whole subject involved that I have decided to take this action. There are two reasons for my withholding approval of this resolution. The first is that the contract was not awarded to the lowest bidder.

While I recognize there are times when the lowest bid for public work may be ignored, I believe this is not one of them. In this instance, the amount at stake being exceedingly insignificant, your action might go unquestioned, were it not that more serious consideration is involved—that of the principle of competition.

It is in the latter fact that I find the second and main reason for asking a reconsideration of your action on your part.

In response to a request for proposals made by your committee on city property two proposals were received. One came from the Rochester Gas & Electric Company, and the other from the Citizens' Light & Power Company; the bid of the former being \$800, and that of the latter \$769, for furnishing light for the city hall building for one year. By accepting either of these bids the city would secure most favorable terms, inasmuch as, heretofore, the city has been paying to the Rochester Gas & Electric Company \$1,700 per year for the same service. But it is only by reason of the fact that there was competition in the bidding this reduced rate could be secured.

Though I do not question the motives of your body in this matter, I believe the judgment of the council from a business standpoint is open to criticism; indeed it has already been criticised by the public. It is your duty as the legislative body of the city, as it is also my duty as its executive officer, to conduct the public business in such a manner as shall bring the best results to the citizens, not alone as taxpayers but as individuals entirely independent of their relations to the municipality. Since this is so, it is your duty to encourage competition in every line of business and trade which can affect the municipality or its residents and citizens.

In this instance the bid of the Citizens' Light and Power Company, which has entered the field as a competitor of the Rochester Gas and Electric Company, a corporation which has for a long time enjoyed a monopoly of public lighting, was lower than that of the older company.

By awarding the contract to this company the council would not only exercise economy

and show good business judgment, but it would at the same time encourage honest competition. Such action would be in line with what the public now, more than ever before, is demanding. No one can suppose for a moment that had it not been for the presence of this new company in the field, the corporation which has enjoyed the contract for five years at \$1,700, would have dropped to \$500, less than half its former rate. The good effect of the presence of the new company has been shown in other instances, for by reason of its desire to gain a foothold, and the desire of the old corporation to shut out all competition at the start, the council has been able to contract for lights in some parts of the city at the rate of 10 cents per light per night, where heretofore it has paid 25 cents per night.

I come now to the reason as given by the members of your body for ignoring the lower of the two bids and voting to award the contract to the Rochester Gas and Electric Company, viz.: That the wires in the city hall are the private property of the Rochester Gas and Electric Company, and that therefore it is economy to award the contract to this company, since any other action would involve their purchase by the city.

I do not believe this is a sufficient reason for discouraging competition, for in the first place this city ought, by all means, to own the wires.

Would there be justification in allowing a company or corporation dealing in coal to own the boilers in the basement of the city hall and the heating apparatus throughout the building, and on this account, deny itself the right to secure its coal from the lowest bidder, confining itself to the proposal of the firm or corporation owning the boilers and heating apparatus?

The Rochester Gas and Electric Company has offered to sell its wires to the city for the sum of \$900, and this offer I would recommend to be accepted, were it not for the fact that an examination of them which I have caused to be made by an expert representing the Board of Fire Underwriters, as well as by City Electrician C. R. Barnes, has revealed the fact that the system as it now exists is crude and defective and does not come up to the requirements of the Board of Fire Underwriters.

Among the many defects which have been pointed out by the fire underwriters' expert, and with whose opinion Mr. Barnes coincides, may be mentioned the improper insulation of the wires, the improper installation of cords, lack of switch protection, defective cutouts, back-numbered switch bases and ceiling blocks, improper wiring of fixtures, improper insulation of fixture joints, lack of lightning arresters and fuse, besides many others which are deemed serious in the eyes of an electrician and the insurance companies. While it may be claimed that the fire-proof condition of the city hall would offset some of these defects, I am assured that the surrounding property, in the eyes of the insurance companies, suffers therefrom and must pay the penalty for these defects. Moreover, aside from the result of such defective system in its bearing on insurance, the city can ill afford to endanger its valuable documents, maps, charts and records to be found in the offices of the city surveyor, city assessors, treasurer, water works and other departments to the possibility of destruction by fire, for experience has taught that even in so-called fire-proof buildings too great an individual would be allowed, if he so desired, to maintain such a defective system,

and certainly the city ought not to place itself in the position of doing what would not be tolerated if done by one of its citizens.

Another matter which, when the subject of lighting the city hall is considered, becomes a serious one, is the insufficient carrying capacity of the wires now in use, they not being so-called "standard" wires. The present system of wires was put in when the demands were not nearly so great as now. Lights have been added from time to time until the wires are no longer sufficient for carrying the current needed to give proper results from the lights.

The city is in no wise bound to purchase these wires, even if it reject the bid of the owners, for in the contract with the Edison company, which company became a part of the so-called consolidated company, I find this very wise provision:

"Said party of the first part shall also, if required by the common council, immediately remove any and all its wires, fastenings, attachments, lamps and appurtenances after their use have been discontinued under the terms thereof."

In view of the facts to which I have just referred, it would be quite improper for the city to consider for a moment any offer made by the Rochester Gas and Electric Company looking to the purchase of its wires and fixtures. The city should not buy what it cannot use.

It can, however, work no hardship to the Rochester Gas and Electric Company for the city to act under the clause of the contract quoted above, and order the removal of the wires, etc., since under the contract just expired the wires must have been paid for many times over. As I understand, proposals for the re-wiring of the city hall in a manner meeting the needs of the city and requirements of the Board of Fire Underwriters have already been received by the proper committee. It is your duty, in view of all the facts, to at once authorize the acceptance of the lowest proposal for doing this work. The city will then be the owner of all fixtures, as it ought to be, and will be independent of any and all companies, having the privilege of securing its current where it pleases and on the most favorable terms. The city, at no distant date, either independently or in conjunction with the county, must maintain its own plant for lighting the city buildings. The acquiring of the ownership of its wires and fixtures will be one step in this direction.

Though it has been urged that the contract awarded under the resolution to which this communication has reference is to run for one year only, and that therefore the city can afford to delay taking steps herein indicated, I believe the present is the time for your board to act, thereby helping to secure to the city and to citizens free and honest competition in the matter of public and private lighting.

Respectfully,

GEORGE W. ALDRIDGE, MAYOR.

ROCHESTER, N. Y., July 17, 1894.

Henry W. Gregg, City Clerk:

Dear Sir:—At a regular session of the Board of Education of this city, held July 16th, inst., the following resolutions were adopted.

Respectfully,
MILTON NOYES, Clerk.

By Com. Beard—Whereas, There has been an unusual demand and necessity for repairing roofs, floors, painting, whitening and for sanitary repairs in the public schools during the present season and several needed improvements cannot be made with the amount of money available in the repair fund; therefore, be it,

Resolved, That the Common Council be requested, when the proceeds of the sale of old No. 10 school are received by the city, that pursuant to section 125 of the city charter, they credit at least \$3,000 thereof to the repair fund of this board. Carried.

By Com. Warren—Whereas, The Common Council in its appropriation for teachers' salaries this year certified \$20,350 less than this board estimated was necessary to pay the salaries of the present teaching force of the city and increase those teachers who have taught more than five years at least \$5 a month, and

Whereas, A provision of the city charter states that this board in all its expenditures must have regard for the amount of money applicable to that certain purpose and inasmuch as the amount required to raise the salary of those teachers who have taught more than five years is about \$17,000 and to engage to pay that amount means the voluntary bankrupting of that fund by the members of this board, therefore be it

Resolved, That the increases in salaries recommended take place only when the Common Council shall certify that funds have been set aside sufficient to meet the extra expenditure entailed by such increase in salaries.

Adopted.

Ordered received, filed and published, and upon motion of Ald. Dewey referred to Finance Committee.

By the Clerk—

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., June 25, 1894. }

To the Honorable, the Common Council:

Gentlemen:—I submit an ordinance for a sewer in Lozier park and across lots, at the request of the Board of Health.

At the end of Lozier park and northerly therefrom there exists a stagnant pond of water, constituting a menace to the health of the neighborhood. This territory was assessed for building the Lyell avenue and Saxton street sewer and the Maple and Colvin streets sewer, and is entitled to drainage in that direction. This can be secured, but in order to do so it would be necessary to rebuild the sewer in Chili avenue for a length of 1,800 feet under an asphalt pavement, at a cost of \$7,000.

On account of this large cost it seems advisable to build a 12-inch pipe sewer across lots into the sewer in Merton street, which will afford the required relief and will not cost more than \$150, besides the cost of necessary right of way.

The lots on Chili avenue have been included within the assessment area because by the building of this little sewer they are relieved from the far greater expense of rebuilding the sewer in Chili avenue.

Very respectfully yours,

J. Y. McCLINTOCK,
City Surveyor.

Ordered received, filed and published.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., July 24, 1894. }

To the Common Council:

Gentlemen:—The Executive Board is in receipt of the following communication from the City Surveyor relating to the abatement of a nuisance alleged to be occasioned by the discharge of sewage into the race of the Rochester Power Company:

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., July 21, 1894. }

To the Executive Board.

Gentlemen:—For many years that portion of the Genesee river from the Johnson & Seymour dam to Central avenue dam has been in a most unsanitary condition during the times of low water and it is believed to have been the source of much sickness. The cause of this has been the discharge of several sewers into the upper river. It is now possible to discharge it into the East Side Trunk Sewer all that is delivered by the old Twelfth ward outlet so that the trouble is reduced to that arising from the sewers in East Main street and Andrews street, and from buildings along the river and upon Main street bridge. North Water street, upon which many thousands of people are employed in manufactories is in a very unsanitary condition, not only because all of the buildings on the west side of the street face the river, but because there is no sewer in the street and the buildings upon the east side of the street have no suitable drainage.

The comprehensive plan which I recommend is: Drive a horizontal tunnel five feet square into the face of the cliff just east of the power house of the Rochester Power Company. This tunnel to be at the low water level of the water in the river below the falls and will extend 150 feet to a point under the center of Central avenue, and North Water street. Sink a vertical shaft five feet square from the surface about eighty feet to the end of the tunnel. In this shaft discharge Central avenue sewer and from it build a brick circular shaped sewer three feet nine inches in

diameter through the whole length of North Water street to the center of Main street. Into this sewer discharge the existing sewers in River street, Andrews street, Mortimer street and Main street and from it put laterals into the buildings upon both sides of Water street. Then having caused all of the buildings upon the east side of Front street and Graves street to be drained into existing sewers instead of into the river, the river will be maintained in good sanitary condition.

The Johnson & Seymour race occupies North Water street for a distance of about 400 feet north of Main street. The proposed sewer in this part of the street would be laid in the bottom of said race and be made thoroughly tight by the liberal use of Portland concrete, and would be connected with the Main street sewer by tunneling through the east abutment of the arch which carries Main street over said race, thus obviating the disturbance of the new pavement on Main street, or, in fact, Water street between Main and Mortimer streets.

I estimate the cost of such work as follows:
 140 lineal feet tunnel, at \$15. \$ 2,100 00
 80 lineal feet shaft, at \$8. 640 00
 1,470 lineal feet sewer, at \$10. 14,700 00
 460 lineal feet sewer, at \$15. 6,900 00
 Three manholes, at \$50. 150 00
 Sixty lot laterals, at \$50. 3,000 00
 Damage to race owners. 1,500 00
 Contingencies 980 00

Total \$30,000 00

It would seem to be proper to assess the cost of such improvement upon all of the territory draining into the sewers. The area covers 285.34 acres, extending to Marietta street, on North St. Paul street, nearly to Hand street, on North Clinton street; to Catherine street on St. Joseph street; to Hudson park on Hudson avenue; nearly to North avenue on Central avenue; Clinton place, Andrews street and Franklin street; to Chestnut street on East avenue; to Court street on South Clinton street and South St. Paul street.

The Executive Board recommends that if the contamination of the water of this race be as great as reported the plan of relief submitted by the City Surveyor be approved.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published, and upon motion of Ald. McMillan referred to Public Improvement Committee.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
 ROCHESTER, N. Y., July 24, 1894. }

To the Common Council:

Gentlemen:—I am instructed by the Executive Board to transmit the following communication from the City Surveyor to your honorable body:

CITY SURVEYOR'S OFFICE, }
 ROCHESTER, N. Y., July 20, 1894. }

To the Honorable, the Executive Board of the City of Rochester:

Gentlemen:—In the matter of the overflow of water on the property of the Rochester Gas & Electric Company, at Vincent place, which was referred to Mr. Friedel and myself, I beg leave to report that we have examined the locality and recommend that a sewer be built in Vincent place, from the sewer in St. Paul street to the stone box sewer on the flats just south of the bridge. This sewer should consist of 24-inch vitrified pipe from St. Paul street to the end of the bridge, and wrought iron pipe fifteen inches in diameter down over the bank to the existing stone sewer.

This will cost about \$2,500, and will prevent

the damage complained of and will be a benefit to all the property draining into the St. Paul street sewer.

Very respectfully yours,

J. Y. McCLINTOCK,
 City Surveyor.

In view of the fact that the surface improvement of this section of Vincent place is contemplated, the Executive Board suggest that it would be expedient to postpone such improvement until such a sewer as referred to in the above communication from the City Surveyor be constructed. The old sewer that now takes away the sewage of Vincent place has been the cause of considerable expense every year since its construction; and probably there is no remedy that will save such continuous outlay as well as avoid the damage which has been caused to adjacent property, except the one proposed by the City Surveyor.

The board therefore recommends that an ordinance be introduced for the construction of the sewer spoken of in the communication above given.

Respectfully,
 THOS. J. NEVILLE, Clerk.

Adopted.

CHESTNUT STREET MACADAM IMPROVEMENT.

By Ald. Ward—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Chestnut street.

The Surveyor submitted as such estimate, \$18,500.

By Ald. Ward—Resolved, That the following improvement is necessary and should be made, viz.:

The improvement of Chestnut street, from East avenue to Monroe avenue, by the construction of a Macadam pavement with Telford foundation and trap rock surface, with a line of Medina stone curb and cobble gutter on each side thereof, properly connected with all lateral streets, alleys and driveways. Width of roadway between curbs to be generally 30 feet. Also the necessary crosswalks, surface sewers, manholes, lot laterals, water and gas services and the cleaning of the main sewer in the street if found necessary. Except that from the north line of Elm street to the south line of James street, the pavement will be of Medina stone with joints filled with Portland cement grout. Also such trees as may be selected by the Park Commission shall be removed.

And the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$18,500, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Chestnut street, from East avenue to Monroe avenue.

Adopted.

By Ald. Ward—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be

paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. Adopted.

CITY CLERK'S OFFICE, }
ROCHESTER, N. Y., July 24, 1894. }

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Union and Advertiser, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or about any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, July 24, 1894, at 7:30 o'clock P. M., at the Common Council Chamber, when when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk.

FINAL ORDINANCE NO. 5,580.

WALK, CURB AND GUTTER ON GORHAM PARK.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to construct a cement walk and set curb and gutter on Gorham park, from Gorham street to Hand street.

And after hearing such allegations from all persons appearing.

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a Portland cement walk, 4 feet wide, and setting a line of Medina stone curb and gutter on each side of Gorham park, from Gorham street to Hand street. Width of roadway between curbs to be 20 feet, and to be properly connected with all lateral streets, alleys and driveways. Also the construction of the necessary manholes and surface sewers.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$1,575, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Gorham park, from Gorham street to Hand street.

Adopted by the following vote:

FINAL ORDINANCE NO. 5,581.

AMBROSE STREET BRICK PAVEMENT.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to construct a brick pavement on Ambrose street, from Saratoga avenue to Lake avenue.

And after hearing such allegations from all persons appearing.

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The improvement of Ambrose street, from Saratoga avenue to Lake avenue, by the construction of a brick pavement therein with a line of Medina stone curb on each side thereof properly connected with all lateral streets, alleys and driveways. Width of main roadway between curbs to be 25 feet. Also the construction of the necessary crosswalks, surface sewers, manholes, lot laterals, water and gas services and the cleaning of the main sewer in the street if found to be necessary. Also relaying so much of the pipe sewer as may be found necessary. Also the construction of a Portland cement walk, 5 feet wide, on each side of the street, between the limits mentioned, except where good flag or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$11,000, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Ambrose street, from Saratoga avenue to Lake avenue.

Adopted by the following vote:

Ayes—Ald. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris—18.

Ald. Powell moved that the Executive Board be requested to defer the letting of the contract for the foregoing improvement until June, 1895. Carried.

FINAL ORDINANCE NO. 5,582.

SOUTH CULVER STREET MACADAM IMPROVEMENT.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to construct a macadam pavement on South Culver street, from East avenue to the Erie canal bridge.

And after hearing such allegations from all persons appearing.

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The improvement of South Culver street, from East avenue to the Erie canal bridge, by the construction of a macadam pavement therein, with a line of Medina stone curb and gutter on each side thereof, properly connected with all lateral streets, alleys and

driveways. Width of roadway between curbs to be 30 feet. Also the necessary crosswalks, surface sewers, manholes, lot laterals, water and gas services. Also a five-foot Portland cement walk on each side of said street, between the limits mentioned, and manuring and seeding the parking between said walks and curbstone.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$23,000, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on the west side of South Culver street, from East avenue to the Erie canal bridge.

Adopted by the following vote:
Ayes—Ald. Tracy, Callihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris—18.

FINAL ORDINANCE NO. 5,583.

GLENWOOD AVENUE PIPE SEWER.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to construct a pipe sewer in Glenwood avenue, from near the west line of First street to the shaft in the West Side Trunk Sewer near the east line of Champion street.

And after hearing such allegations from all persons appearing.

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The connection of the present Glenwood avenue sewer with the West Side Trunk Sewer by the construction of a vitrified pipe sewer 20 inches in diameter, in Glenwood avenue, from a point near the west line of First street to the shaft near the east line of Champion street. Also a vitrified pipe sewer, 12 inches in diameter, from a point 25 feet west of Fulton avenue to said shaft. Also the connection of First street and Glenwood avenue sewers. Also the necessary manholes, surface sewers, lot laterals, branches, roadway grading and gutter formations.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$1,800, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the city which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Glenwood avenue, from a point 147 feet east of Thrush street to Fulton avenue; also one tier of lots and parcels of land on each side of First street, from Lexington avenue to Glenwood avenue; also one tier of lots and parcels of land on each side of Fourth street, from Ravine avenue to the north lines of lots Nos. 99 and 100 of the Glenwood Mutual Homestead Association tract.

Ayes—Ald. Tracy, Callihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris—18.

FINAL ORDINANCE NO. 5,584.

OXFORD STREET EXTENSION.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to extend Oxford street from its present southerly terminus to Monroe avenue.

And after hearing such allegations from all persons appearing.

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The extension of Oxford street, from its present southerly terminus to Monroe avenue. And the land to be taken for said extension is bounded and described as follows:

A strip of land 80 feet wide, extending from the present southerly end of Oxford street to the northerly side of lots numbered 5 and 25 of the Nichols park subdivision, and a strip of land 50 feet wide, extending from the aforesaid northerly lines of lots 5 and 25 to Monroe avenue. All of which land is included within the lines of what is known as Nichols park, as shown on a map of Nichols park, made by John Crosman, surveyor, and filed in the Monroe county clerk's office January 2, 1874, in liber 2, page 34, of maps.

And the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the city which this Council deems proper to be so assessed, to wit:

One tier of lots and parcels of land on each side of the proposed extension of Oxford street, from the south end of Oxford street to Monroe avenue, as they exist at the date of the passage of this ordinance.

Ald. Dewey presented a remonstrance against same. Ordered received and filed.

Adopted by the following vote:
Ayes—Ald. Tracy, Callihan, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelink, Harris—18.

Final ordinance for University avenue sewer came up. Ald. Adams presented the following amendment.

By Ald. Adams—Resolved, That the ordinance for University avenue sewer be amended to read as follows:

UNIVERSITY AVENUE SEWER.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of building a sewer in University avenue, from the west side of the crossing of the New York Central & Hudson River Railroad to the East Side Trunk Sewer in Culver street.

The Surveyor submitted as such estimate, \$13,000.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

Building a sewer in University avenue, from the west side of the crossing of the New York Central & Hudson River Railroad to the East Side Trunk Sewer in Culver street, together with the necessary manholes, laterals and surface sewers.

And the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$13,000, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

All the territory included within the following described lines:

Beginning at the corner of North Goodman street and Anderson avenue, thence easterly along Anderson avenue, including one tier of lots on the north side thereof, excepting the lot at the northeast corner of Anderson avenue and North Goodman street, to the southerly line of lands of the New York Central & Hudson River Railroad; thence easterly and southerly along the boundary lines of said N. Y. C. & H. R. R. R. to University avenue; thence easterly along University avenue to Henry street; thence northerly along Henry street, including one tier of lots on the west side thereof, excepting such lots as are owned by the N. Y. C. & H. R. R. R. to Leighton avenue; thence easterly along Leighton avenue, including one tier of lots on the north side thereof and also including the lot at the northwest corner of Leighton avenue and Henry street, to Culver street; thence southerly along Culver street to the northerly line of lands of the N. Y. C. & H. R. R. R.; thence westerly and northerly along the line of said N. Y. C. & H. R. R. R. to University avenue; thence westerly along the southerly line of University avenue to the southerly line of lands of the N. Y. C. & H. R. R. R.; thence easterly along said southerly line of said lands of said railroad to the easterly line of land owned by M. A. Culver; thence southerly along said easterly line of Culver's land and along the east line of land of the Rochester Plow Company to Culver park; thence westerly along Culver park to the center of Jersey street, excluding one tier of lots on the north side of said Culver park; thence westerly along Culver park and University avenue to North Goodman street, including one tier of lots on the south side of said Culver park and University avenue and excluding the lot at the southeast corner of said University avenue and North Goodman street; thence northerly along North Goodman street, excluding one tier of lots on the east side thereof to Anderson avenue, the place of beginning.

Adopted.

Ordinance laid over under the rules.

UNFINISHED BUSINESS.

Ald. Dewey having at a previous meeting given notice of an amendment to the dog ordinance, introduced the following:

By Ald. Dewey—

DOG ORDINANCE.

Sec. 1. No dog or animal of the dog kind shall be permitted to run at large in the city of Rochester unless muzzled when required as hereinafter provided nor unless said dog shall wear a collar of metal or leather bearing a tag or plate such as is prescribed in this ordinance; and any dog found running at large without said tag or without being properly muzzled when required, may be caught by any member of the police force, or any other person, and taken into his custody and possession.

Sec. 2. Every owner or keeper of a dog, or animal of the dog kind, within the city of Rochester, shall cause the same to be registered, numbered and described in the office of the city clerk of said city under a penalty of not more than \$10 for each offence. The City Clerk shall keep a complete registry of all dogs, in a book to be kept for that purpose, describing the same by name, breed, color and sex, and shall also enter the name and address of the owner or keeper as given, and the number of the city license tag; he shall provide such number of metal tags, of not less than three-fourths of an inch in width, as may be necessary, bearing on the face serial numbers; and such tag shall be furnished by the City Clerk to each owner of a dog at the time of registering said dog and shall be attached to the collar of such animal. It is hereby declared a misdemeanor,

punishable by a fine of five dollars (\$5) to counterfeit, or use any other tag than that furnished by the City Clerk. The fee for registering each dog shall be twenty-five (25) cents, and for furnishing the metal tag seventy-five cents, and all monies and fines collected under this ordinance shall be placed to the credit of the police pension fund.

Sec. 3. Notice shall be given the owner by publication in the official paper of the city of Rochester of the seizure and impounding of any dog in accordance with the provisions of this ordinance; and said dog shall be kept with proper food and water for forty-eight (48) hours after the publication of such notice, during which time the owner may redeem such dog by the payment of the expense of such publication and the expense of his keeping, not exceeding the sum of \$1, to be paid to the person caring for such dog, and the further payment to the City Clerk of one dollar (\$1) for registration fee and tag; if said dog is not redeemed within forty-eight (48) hours after the publication of the above mentioned notice, the superintendent of police may direct that such animal be killed; and in case no owner appears to redeem said dog, the person by whom such animal was kept shall be paid a sum not to exceed fifty cents by said superintendent of police, which sum shall be a charge upon that part of the police pension fund credited with the fees and fines collected for registering and tagging dogs.

Sec. 4. If any dog shall be found running at large in the streets of the city of Rochester, or in any public place, or upon the private premises of any other person than the owner or keeper of the dog, and shall there endanger or annoy any person, the owner or keeper thereof shall, upon conviction, be liable to a fine of a sum not exceeding ten dollars (\$10) for the first offence for permitting such dog to be at large; and upon a second and further conviction for a similar offence, the said owner or keeper shall be liable to a fine of a sum not exceeding twenty-five dollars (\$25), and it may be a part of the sentence or the second conviction that such dog immediately be killed; and this sentence forthwith shall be executed by the superintendent of police, or any police officer, for which killing the owner or keeper shall pay the further sum of one dollar (\$1), which sum shall be included in the said judgment; and any owner or keeper of any fierce, dangerous or unmuzzled dog who refuses to deliver up the same to any police officer for the purpose of being killed in compliance with said judgment, shall be liable to an additional fine of not less than ten dollars (\$10) nor more than one hundred dollars (\$100). It shall be lawful for any person attacked by any dog to kill such animal forthwith in self defense.

Sec. 5. No person shall keep or suffer to be kept, on his premises, or the premises occupied by him, within the city of Rochester, nor suffer to run at large in said city, any dog of ferocious and dangerous character, habit or disposition; nor any dog in the habit of howling or whining at night, or barking at, or in any manner annoying, any person passing along, or using, a street, or streets, of said city; and any person who owns or harbors such dog or dogs above mentioned shall be subject to a fine of not less than five dollars (\$5) nor more than twenty-five dollars (\$25).

Sec. 6. No female dog in time of heat shall be allowed to run at large within the city limits, and it shall be lawful for any police officer to kill such animal when caught outside of her owner's enclosed premises, or to kill any male dog offending public decency on account of said female dog; and it shall be lawful for any police officer to kill any dog or dogs found fighting in the streets.

Sec. 7. Whenever the mayor of the city of Rochester shall deem it necessary, he shall

issue an order prohibiting, for a certain time therein specified, any and all dogs from running at large in any street, alley or other public place in said city unless such dogs be securely muzzled, or led by a line or chain, so as effectually to prevent them from biting any person or animal; which order shall be published in the official newspaper of the said city.

Sec. 8. No action to recover damages for the killing of a dog can be maintained within the city of Rochester unless it is shown that the said dog was registered in accordance with the provisions of this ordinance.

Sec. 9. Every execution upon a judgment recovered for any fine or penalty or forfeiture imposed for the violation of any provision of this ordinance shall be issued immediately on the rendition of the judgment and shall command the amount to be made out of the personal property of the defendant within the city not exempt from levy and sale under an execution, if such can be found, and if not, then to commit the defendant to the Monroe County Penitentiary for such time as shall have been directed by the justice, judge or court rendering such judgment and may be issued to and enforced by any member of the police department of said city. Such execution may be issued by the police justice or police clerk of said city, where the judgment was rendered by the police justice of said city.

Sec. 10. Any person harboring a dog for two days prior to any violation of the terms of this ordinance shall be held to be the owner of said dog.

Sec. 11. All existing ordinances inconsistent with the terms of this ordinance are hereby repealed.

Sec. 12. This ordinance shall take effect immediately.

Ordered received, filed and published. and upon motion of Ald. Dewey action thereon was postponed two weeks.

Action upon the amendment to an ordinance introduced at the last meeting of this board by Ald. Dewey and reported at page 169 current proceedings being in order. Ald. Dewey asked and received unanimous consent to introduce the following and move its adoption.

By Ald. Dewey—

AN ORDINANCE to amend section 10 of an ordinance relating to streets, passed February 15, 1887, published at pages 462 to 470 of the proceedings of the Common Council for 1886 and 1887.

Sec. 1. Section ten of an ordinance relating to streets passed February 15, 1887, published at pages 462 to 470 of the proceedings of the Common Council for 1886 and 1887 is hereby amended so as to read as follows:

Sec. 10. It shall not be lawful for any person to drive or cause to be driven or permit his or her servant to drive upon any of the paved, macadamized or improved streets, avenues, alleys, lanes, public places or squares in the city of Rochester, any wagon or other vehicle having upon it a weight, which together with the weight of the wagon or vehicle shall exceed 2,000 pounds, unless the tires upon such wagon or vehicle shall be at least three inches in width; nor shall any wagon or vehicle having upon it a weight, which together with the weight of the wagon or vehicle shall exceed 5,000 pounds be so driven in or upon any such paved, macadamized or improved streets, avenues, alleys, lanes, public squares or places in said city unless such tires shall be at least four inches in width; under a penalty of not less than \$5 nor more than \$25 for each and every offense. But this section shall not apply to vehicles used by farmers coming into the city with produce or fuel. The provisions of this sec-

tion shall not take effect until January 1, 1895. All penalties collected under this section shall be placed to the credit of the highway fund of said city.

Ald. Dewey moved that said ordinance be adopted.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., July 27, 1894. }

To the Common Council:

Gentlemen: In the transmission of the communication of the City Surveyor presented to the Executive Board in relation to the nuisance created by the flow of sewage from the Central avenue and River street sewers in the mill race of the Rochester Power Company, which was referred to your honorable body at its last meeting, two paragraphs of the introduction were accidentally omitted; and the Executive Board requests that the record be corrected by the publication of the following copy of the entire communication.

Respectfully,

THOMAS J. NEVILLE, Clerk.

CITY SURVEYOR'S OFFICE, }
ROCHESTER, N. Y., July 21, 1894. }

To the Executive Board:

Gentlemen: In the matter of abating the nuisance occasioned by the discharge of the Central avenue and River street sewers into the power race of the Rochester Power Company, which was referred to me by resolution of your honorable body, I beg leave to report:

This same subject was referred to me a year ago, and I have delayed reporting because of not arriving at a reasonable conclusion.

The question of abating the nuisance occasioned by the discharge of the East Main street sewer into the river under the easterly arch of Main street bridge has also been referred to me by the Board of Health.

For many years that portion of the Genesee river from the Johnson and Seymour dam to Central avenue dam has been in most unsanitary condition during the times of low water, and is believed to have been the source of much illness. The cause of this has been the discharge of several sewers into the upper river. It is now possible to discharge into the East Side trunk sewer all that is delivered by the old Twelfth ward outlet so that the trouble is reduced to that arising from the sewers in East Main street and Andrews street, and from buildings along the river and upon Main street bridge.

North Water street upon which many thousands of people are employed in the manufactories, is in a very unsanitary condition, not only because all of the buildings on the

west side of the street face the river, but because there is no sewer in the street and the buildings upon the east side of the street have no suitable drainage.

The comprehensive plan which I recommend is as follows:

Drive a horizontal tunnel five feet square into the face of the cliff just east of the power house of the Rochester Power Co. This tunnel to be at the low water level of the water in the river below the falls and will extend 150 feet to a point under the center of Central avenue and North Water street; sink a vertical shaft five feet square from the surface about 80 feet to the end of the tunnel. In this shaft discharge Central avenue sewer and from it build a brick circular shaped sewer three feet nine inches in diameter through the whole length of North Water street to the center of Main street. Into this sewer discharge the existing sewers in River, Andrews, Mortimer and Main streets and from it put laterals into the buildings on both sides of Water street. Then having caused all the buildings upon the east side of Front and Graves streets to be drained into existing sewers instead of into the river, the river will be maintained in good sanitary condition.

The Johnson and Seymour race occupies North Water street for a distance of about 400 feet north of Main street. The proposed sewer in this part of the street would be laid in the bottom of said race and be made thoroughly tight by the use of Portland cement concrete, and would be connected with the Main street sewer by tunneling through the east abutment of the arch which carries Main street over said race, thus obviating the disturbance of the new pavement on Main street, or in fact on Water street between Main and Mortimer streets.

I estimate the cost of such work as follows:

140 lineal feet of tunnel at \$15....	\$2,100 00
80 lineal feet of tunnel at \$8.....	640 00
1,470 lineal feet of tunnel at \$10....	14,700 00
460 lineal feet of tunnel at \$15....	6,900 00
460 manholes at \$30.....	13,800 00
60 lot laterals at \$50.....	3,000 00
Contingencies	980 00
Damage to race owners.....	1,500 00

\$30,000 00

It would seem to be proper to assess the cost of such improvement upon all of the territory draining into the sewers. The area contains 285.34 acres extending to Marietta street on North St. Paul street, nearly to Hand street on North Clinton street, to Catherine street on St. Joseph street, to Hudson park on Hudson avenue, nearly to North street on Central avenue, Clinton place, Andrews street and Franklin street, to Chestnut street on East avenue, to Court street on South Clinton street and South St. Paul street.

Very respectfully yours,

J. Y. McCLINTOCK,
City Surveyor.

Ordered received, filed and published.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., July 27, 1894.

To the Common Council:

Gentlemen: I am instructed by the Executive Board to recommend that your honorable body cause an ordinance to be introduced and adopted for the construction of new walks on Woodbury street.

The present plank walks are out of repair and are reported to be in a very dangerous

condition for travel; and the Executive Board understands that a number of property owners on that street are in favor of the construction of walks of a more permanent material than plank.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

ACTION ON ORDINANCES.

FIRST ORDINANCES.

VINCENT PLACE SEWER.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Vincent place.

The Surveyor submitted as such estimate, \$2,500.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The construction of a sewer in Vincent place from the sewer in North St. Paul street to the stone box sewer on the flat just south of the bridge, and to be of the following form and dimensions: Of vitrified pipe 24 inches in diameter, and from the bridge to the existing stone sewer on the flats to be of wrought iron pipe 15 inches in diameter. Also the necessary manholes, surface sewers, lot laterals and branches.

And the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$2,500.00 which being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

All the territory included within and described by the following boundary lines, viz:

Beginning at the north line of the property of the N. Y. C. & H. R. R. on North St. Paul street; thence northerly along North St. Paul street, including one tier of lots and parcels of land on the east side thereof to Ward street; thence easterly along Ward street, including one tier of lots and parcels of land on the south side thereof, to Emmett street; thence northerly along Emmett street, excluding one tier of lots and parcels of land on the west side thereof, to Hand street; thence still northerly along Gorham park, including one tier of lots and parcels of land on the east side thereof to Gorham street; thence easterly along Gorham street, including one tier of lots and parcels of land on the south side thereof, to Almira street; thence still easterly along Gorham street, excluding one tier of lots and parcels of land on the north side thereof, to North Clinton street; thence northerly along North Clinton street, excluding one tier of lots and parcels of land on the west side thereof, to Lowell street; thence westerly along Lowell street, including one tier of lots and parcels of land on the north side thereof, to Almira street; thence northerly along Almira street and said street produced, including one tier of lots and parcels of land on the east side thereof, to Oakman street; thence westerly along Oakman street, excluding one tier of lots and parcels of land on the south side thereof, to Galusha street; thence northerly along Galusha street and said street produced, including one tier of lots on the east side thereof, to Scrantom street; thence westerly along Scrantom street, excluding one tier of lots

and parcels of land on the south side thereof, to North St. Paul street; thence southerly along North St. Paul street, including one tier of lots and parcels of land on the west side thereof, to the place of beginning.

Adopted.

ONTARIO STREET PORTLAND CEMENT WALK.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing Portland cement walks on Ontario street.

The Surveyor submitted as such estimate, \$1,350.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The construction of a Portland cement walk 5 feet in width on each side of Ontario street, from Scio street to Union street, except where good flag or cement walks now exist, which walks shall be re-laid if not conforming to the proper grade and alignment. Also the necessary sidewalk grading and flag cross-walks.

And the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$1,350, which being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Ontario street, from Scio street to Union street.

Adopted.

EXECUTIVE BUSINESS.

Ald. Adams moved that the board proceed to the appointment of Commissioners of Deeds. Carried.

Ald. Adams moved that the several persons recommended in the report of the Law Committee be appointed Commissioners of Deeds and that the Clerk cast the ballot therefor.

Adopted by the following vote.

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Powell, Ashton, Ward, Dewey, Simmelink, Lewis, Harris.

MISCELLANEOUS BUSINESS.

By Ald. McMillan—Resolved, That the Clerk be and he hereby is directed to draw an order on the Treasurer payable from the contingent fund in favor of Miss Belle Stewart for \$24.00 for services as stenographer in the City Attorney's office from July 9th to July 23d, 1894, rendered by her during the absence of Miss Louise Murphy by reason of illness.

Adopted by the following vote:

Ayes—Ald. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Powell, Ashton, Ward, Dewey, Simmelink, Lewis, Harris—13.

By Aid. Adams—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: I, Henry Waltjen, of the city of Rochester, having become one of the sureties on the bond of Thomas Holman, a constable of this city, do hereby give this honorable body notice that I have filed with the judges of the Municipal Court, also with the City Clerk of this city, a notice in writing, to the effect that I renounce the liability incurred by me on said bond, and that I have withdrawn from the same. That since the filing of said notice I am informed, and verily believe that the said Thomas Holman still continues to act as constable without having filed a new bond, and has executed mandates in violation of the rules of the Board of Health of this city.

Wherefore, gentlemen, I respectfully request this honorable body to declare the office of Constable Thomas Holman vacant unless he files a new bond, within five days from the time of notification to do so by this body.

HENRY WALTJEN.

Dated August 2, 1894.

Ordered received, filed and published and on motion of Aid. Dewey the Clerk was directed to notify Mr. Holman that he must file a new bond and that in the event of his failure to file such new bond within five days of the receipt of such notification the office of Constable Thomas Holman be declared vacant. Carried.

Also claim of the Humane Society for fines collected of persons convicted of cock fighting, in police court. Referred to the Law Committee.

Also claim of Charles Murray against the city of Rochester for services as bridge tender. Referred to the Law Committee.

By Aid. Edelman—Notice is hereby given that at the next meeting of this Common Council to be held August 21, 1894, an ordinance will be introduced for adoption regulating the sale of coal, prescribing the place for selling the same and for ascertaining the weight or other quality thereof, and prescribing the fees to be paid for licenses for the sale thereof, such license not to exceed \$50. Ordered received, filed and published.

By Aid. Fox, by request of Aid. Simmellink—Resolved, That the Executive Board be, and it hereby is, authorized to negotiate for the necessary right of way for the extension of Flower street. Adopted.

By Aid. Powell—Petition of Thomas A. O'Hare for permission to erect a wooden building on Frank street. Referred to the Wood Building Committee and Fire Marshal with power to act.

By Aid. Ashton—Communication and petition from the Park Commissioners with reference to a cement walk on Seneca parkway. Ordered received and filed.

Also petition for cement walks on Lake avenue park and Third street. Referred to the Surveyor to prepare an ordinance.

By Aid. Ward—Petition of P. C. Powers for permission to erect a wooden building on Jefferson avenue. Granted.

Also petition for a Sicilian rock asphalt pavement on Wentworth street. Referred to the Surveyor to prepare an ordinance.

By Ald. Dewey—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: The members of the medical staff of the Provident Dispensary Association of this city wish to express to you our thanks for your kind remembrance of our need by increasing the allowance given us to carry on our charitable work, to two hundred dollars per year.

At our last meeting the following resolution was unanimously adopted:

Resolved, That we tender a vote of thanks to the Honorable, the Common Council of our city, for the additional one hundred dollars per year appropriated by them for the use of our dispensary.

Very respectfully yours,

M. J. SLAUGHT, Secy.

Ordered received, filed and published.

By Ald. Dewey—

ROCHESTER, N. Y., August 6, 1894.

To the Honorable the Common Council of the City of Rochester.

Gentlemen:—The undersigned respectfully asks your honorable body to amend the ordinances of the city of Rochester relating to "Junk Dealers" and published in the proceedings of your body of January 9, 1894, page 465, so that the same may not inflict a hardship upon a large class of "junk dealers" who by collecting rags, etc., which they dispose of to the large dealers, are enabled to make a precarious living. These persons are mostly all "wards" of charity organizations, and if the ordinance as it now exists is insisted upon, the burden of our charities will be largely increased.

We would therefore suggest the following amendments:

Section 1, to be amended by striking out all that follows the word "furniture" in the ninth line thereof, and in place thereof insert:

"as follows: Class A. Every person who has an office, store, warehouse or place of business for the conduct of such business, other than his residence, shall upon the granting of such license, pay annually to the city of Rochester a fee of \$1.

Section 2. Strike out "as provided" in the second line and insert in place thereof "in class A."

Section 3. Repeat this section.

All of which is respectfully submitted.

WILE & GOFF, Attorneys.

Ordered received, filed and published, and on motion of Ald. Dewey referred to the special Committee on Revision of the Penal Ordinances.

By Ald. Dewey—Resolved, That the City Property Committee be authorized to provide suitable temporary shelter for persons desiring to bathe at the places designated in the ordinance introduced at this meeting so that they may be shielded from public view while dressing and undressing for that purpose.

On motion of Ald. Dewey referred to the City Property Committee.

Ald. Dewey presented the following bills:

Rochester Gas & Electric Co., street lighting	\$5,916 30
Brush Electric Light Co., street lighting	8,436 60

Referred to the Lamp Committee.

By Ald. Pauckner—Petition for water mains on South Culver street, from Monroe avenue to the Erie canal. Referred to the Water Works Committee and the Executive Board.

Also, by request of Ald. Cook—Petition of M. E. Wilder for refund of interest on local assessment. Referred to Assessment Committee.

By Ald. Pauckner—Resolved, That the City Clerk be, and he hereby is, directed to draw an order on the City Treasurer, payable from the Contingent Fund, for \$83.80, in favor of Mahlon B. Adams, being for expenses incurred by the Law Committee on its recent trip to Hemlock lake as per the annexed bill.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Aikenhead, Harris—14.

By Ald. Pauckner—Resolved, That the City Clerk be and he hereby is directed to draw an order upon the City Treasurer, payable from the Contingent Fund in favor of J. Y. Johnston & Co., for the sum of two hundred and four dollars in payment of letter heads, envelopes, etc., for the City Attorney's office as per annexed bill.

REPORTS OF STANDING COMMITTEES.

By Ald. McMillan—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Finance Committee, to which was referred the claim of John C. Ryan for extra work ordered by the City Assessors and City Surveyor would respectfully report:

That they, together with the City Auditor, have carefully examined the claim and find as a matter of law that Mr. Ryan has no legal claim against the city for services rendered, neither the City Assessors nor the City Surveyor having any authority under the charter to order work done. We, however, believe that Mr. Ryan has an equitable claim against the city, the services having been performed. The City Auditor, in his report to the committee, says of the claim: "I am led to believe it is based upon equitable grounds, a possible exception being the single item of \$200 for salary of two men two months." As this item has received the approval of the Map and Survey Committee we have decided to allow it and would therefore recommend the payment of the bill as presented.

The communication of the Auditor requesting the Common Council to make provision for a clerk for his office, heretofore referred to this committee, has also been carefully considered. Your committee recognizes the great amount of work performed by the Auditor, which, under the supervision of Mr. Mann is done in such a capable and thorough manner and believe that a competent clerk would be a desirable adjunct to the office. Your committee, however, feel that this is not the time for increasing the clerical force in any office. When the salary of the Auditor was fixed, it was placed at the extreme limit allowed by the charter, with the understanding that the Auditor should pay his own clerk hire. What view the Common Council would take in the matter of salary is, therefore, doubtful, if it was understood that a clerk was to be provided for the office. That the work of the office has greatly increased during the past year we recognize and would suggest that at times of great pressure a clerk from one of the other offices might be detailed to assist the Auditor. Your committee would therefore recommend that he request of the Auditor be denied.

All of which is respectfully submitted.

T. McMILLAN,
 ALVIN H. DEWEY,
 M. B. ADAMS,

Finance Committee.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the application of the City Auditor for the appointment of a clerk for the Auditor's office be denied.

Adopted.

By Ald. McMillan—Resolved, That upon the certificate of the City Attorney the Clerk be directed to draw an order on the City Treasurer for the sum of \$1,112 in favor of John

C. Ryan, in payment of his claim for extra work as per report of Finance Committee and charge Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauchner, Aikenhead, Harris—13.

By Ald. Green—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Railroad Committee respectfully report, that

In the matter of the application of Frank P. Crouch to put a switch across Colvin street about twelve feet south of the present tracks of the B. R. & P. R. R., we recommend that instead of putting a new switch across the point desired by Mr. Crouch, he take up and remove an old switch which now exists about half way between the railroad tracks, and the point where he now desires to place a switch and place this old switch at the point he requests.

In the matter of the resolution of Ald. Edelman offered at the meeting of the council held July 27th, we recommend, after a careful examination of the matter, the adoption of the resolution as herewith presented.

W. C. GREEN,
A. H. DEWEY,
T. McMILLAN,

Railroad Committee.

Ordered received, filed and published.

By Ald. Green—Resolved, That permission be, and hereby is granted to Frank P. Crouch to remove an old switch which now lies about six feet south of the B., R & P R. R. tracks on Colvin street, and place the same at a point not exceeding twelve feet south of the present tracks of the said railroad on Colvin street.

On motion of Ald. McMillan the resolution was laid on the table for two weeks.

By Ald. Green—Resolved, That the Common Council of the city of Rochester consents and it hereby gives its consent that the New York Central & Hudson River Railway Company extend the bridge carrying its railroad tracks over North street northerly a sufficient distance to lay an additional track on the said bridge northerly of its four main tracks, and that it extend the abutment of said bridge northerly sufficient for that purpose, and the Common Council of the said city of Rochester hereby consents and hereby gives its consent that the New York Central & Hudson River Railway Company lay, maintain and operate an additional track northerly of its four main tracks across and upon said bridge extended as aforesaid; such track and such extension of said bridge to be of design, uniform with the present bridge.

Adopted.

By Ald. Adams—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: In the matter of the threatened control of the shores of Hemlock lake by private individuals or corporations mentioned in the communication presented to this council and referred to the Law Committee, we beg leave to report, that your committee, accompanied by His Honor, the Mayor, the Chief Engineer of the Water Works, the City Surveyor, the City Attorney, and representatives of the Rochester newspapers, visited Hemlock lake and made a careful examination of the matters to which attention was called in that communication.

We found that there was some foundation

for the rumor that foreign capitalists were preparing to buy up the shores of Hemlock lake. We did not find that any actual transfers of property had been made, but we found that they had caused a survey to be made of the shores of the lake and, though their representatives, had secured options upon a portion of the property on the lake. Some of these options have expired and others have been extended to the first of next year. No money, however, has been paid except in one or two instances, and in those cases but a few dollars have been invested. It is well known that a short time ago one of the owners of a part of the lake front unsuccessfully tried to dispose of his property to the city at a fabulous price, and the movement to control the shores of the lake seems to have originated with him. We do not find that the rest of the owners of the lake front have any interest in this matter except as they may have given options on their property, and we also find that they have little faith in the fulfillment of the contracts that have already been made. There are now about one hundred cottages and three small hotels on the lake. The hotels are little frequented on account of the poor transportation, the nearest railroad station being at the village of Livonia, about six miles away. There are some unoccupied cottages along the lake, and many of those that are inhabited are owned by residents of this city who have little confidence in the alleged intention of the so-called syndicate to build cottages and hotels, and no sympathy whatever with the plan and no desire to see the scheme consummated. The lake has a shore line of about fourteen miles, but much of this distance is entirely unavailable for cottage sites. The lake is surrounded by steep banks mostly covered with forests, and little adapted by nature for agricultural purposes. There is no road on the west and none can be constructed except at an enormous expense. There is now no approach to the west side of the lake except by water, and before most of the proposed options can be utilized to any advantage, either a system of driveways or an extensive railroad must be built at a large outlay. This committee is unanimous in the opinion that the proposed scheme can under no possibility be made to pay, and every person who accompanied us concurred in that opinion. It is our opinion also that the proposed purchase of the lake shore is merely a scheme for compelling the city to buy the contracts secured at an exorbitant advance, and this is the impression also which prevails among the residents of that section. We can see no reason why the people of this city should be disturbed in the least by the proposed project, for we believe that it has no foundation except as we have stated.

But assuming that there is an honest intention to speculate in the shores of the lake as a summer resort, we believe even in that view of the case that the people of Rochester have no cause for alarm. The purity of the water which we use has always been a matter of public concern. Since the time when Hemlock lake was first selected efforts have been put forth to preserve the purity of its waters. Its steep uncultivated and thinly inhabited shores are factors which assist the city in accomplishing this end. Not satisfied with these natural advantages, a constant patrol of the lake is kept up, and every effort is put forth to prevent the contamination of its waters. Twice a week, and oftener if necessary, during the summer months, collections of garbage and refuse matter is made from the hotels and cottages

along the lake by employes of the city, and it can be positively asserted that none of the defiling matter from these sources reaches the waters of the lake, so far as human foresight and diligence can prevent it. The margin of the lake too is kept free from underbrush and decaying vegetable matter by men employed for that purpose. Indeed, so many restrictions are imposed upon the residents along the lake that it must discourage future purchases of land there. This system of inspection is maintained at a small expense, much less than the interest on an investment necessary to purchase a strip of land along the shore, and it can be extended to embrace any increase in the population at a proportionately small advance. This patrol and supervision has been maintained by virtue of a provision of law which gives the city the fullest power to protect the purity of Hemlock lake, no matter how many cottages and hotels may be built there. The occupants cannot defile its waters without rendering themselves liable to prosecution and punishment. By the statute referred to, the state board of health is authorized to make rules and regulations for protecting from contamination any and all public supplies of potable waters and their sources, and the officer or board having the management and control of the potable water supply of any municipality, is authorized and empowered to make such inspection of the source of such water supply same from defilement and to ascertain whether or not the rules and regulations of the state board of health are complied with. Under this statute any person willfully violating any rule or regulation made and published by the state board of health is guilty of a misdemeanor and may be fined or imprisoned or both. This statute further authorizes the state board of health to make regulations involving the construction of systems of sewerage or changes thereof, at the expense of the municipality and provides generally for the disposition of sewage which might be liable to contaminate any potable water supply.

Whether the proposed purchases are made in good faith or not, we do not deem it advisable at this time to recommend the purchase of any part of the lake front for the purpose of protecting its waters from pollution. We do not consider such a course necessary to preserve the purity of the water and we do not believe that it would have the salutary effect which some people think it would. Cottages and hotels would be built beyond the line owned by the city and without the patrol and supervision exercised now there would be no guarantee that the water would not be contaminated. Besides the greatest menace to-day is not from the cottages and hotels, but from the lowlands at the head of the lake, and the village of Springwater some miles away. To resort to such a policy as the purchase of the lands along the lake to protect our water supply from pollution, we could not stop short of the purchase of the entire watershed.

The statute above referred to is somewhat cumbersome in its application, and what we most need is an act similar to the one passed last year for the city of New York, which would permit us summarily to take possession of any land along the lake used in such a manner as to contaminate its waters and to appraise the damages after having taken possession thereof. With such a statute on the books we would be prepared to cope with any individuals or corporations that were a menace to the purity of our water supply and would be in a position to protect it against any pollution. This statute as passed for the

city of New York provides that the commissioners for public works may take the title to all real estate and to acquire or extinguish any interest therein which may be necessary for the sanitary protection of all rivers and other water courses, lakes, ponds and reservoirs so far as they are or may be used for the supply of water for the city of New York. It provides for the filing of maps and the appointment of commissioners of appraisal, and on the filing of the oath of such commissioners, the city may immediately take possession of such lands, or any part or parts thereof without any suit or proceeding at law for that purpose, and may enter upon, use and occupy the same in perpetuity for the purposes mentioned and the owner of such lands or any interest therein, is left to prove his damages before the commissioners of appraisal which have been appointed. With such a statute the city would be in a position to command the removal of anything that may be a menace to the purity of our water supply.

As a result of our investigation into the subject matter of the communication of his honor, the mayor, above referred to, we have but one suggestion and remedy to offer, and that is, the passage of the statute just referred to, unless it is that a survey of the watershed be made in anticipation of the passage of such a statute, and also for the purpose of enabling the city in the future to determine the growth, in the building of cottages, and any changes that may occur in the watershed. We believe that the water of Hemlock lake is as pure to-day as it was when the first conduit was laid, and that it will continue so as long as the present system of patrol and collection is maintained, and the existing statute rigidly and unremittently enforced. If any individual and corporation desires to purchase the shores of the lake, they have the undoubted right to do so, but they must use their land so as not to contaminate the water supply of this city. With the state board of health statute above referred to, and the passage of the proposed act, the city will be prepared to protect its water supply so that the reputation of the city as the healthiest in the state may not be impaired by compelling the use of impure water which might affect the health of our citizens.

In the matter of the sewer claims of Louis Duebelbeis, George Beachner and George Meizenzahl upon which propositions of settlement have been made, we desire to say that we have agreed with these persons and recommend that Mr. Duebelbeis be allowed the sum of \$400, Mr. Beachner the sum of \$300, and Mr. Meizenzahl the sum of \$70 per year.

In the matter of Emmanuel Koveliski, who was arrested for violating the hucksters' and peddlers' ordinance, and who paid a fine of \$5, upon investigation we learn that he had received a permit from the Mayor, and we recommend the amount paid by him be refunded.

The default in answering in the case of Matilda Schneider against the city was opened by the court upon the payment of \$20 costs of which we recommend the payment.

We recommend the appointment of Stephen Zielinska and Samuel B. Ray as commissioners of deeds.

All of which is respectfully submitted.

By Ald. Adams—Resolved, That the resolution of this Common Council authorizing a settlement of the claim of Louis Duebelbeis, George Beachner and George A. Meizenzahl, adopted July 24, 1894, be reconsidered.

Adopted.

By Ald. Adams—Resolved, That so much of the resolution as relates to the foregoing persons be, and the same is indefinitely postponed.

Adopted.

By Ald. Adams—Resolved, That the claim of Louis Duebelbeis against the city for sewer damages be settled at the sum of \$400, and that of George Beachner for the sum of \$300, and George A. Meizenzahl for the sum of \$70 per year in full for all damages sustained by them for sewage pollution and that upon the certificate of the City Attorney that proper releases, satisfactions and stipulations have been filed with him, the City Clerk be and he hereby is authorized to draw an order in favor of Louis Duebelbeis for the sum of \$400 in full, in favor of George Beachner for the sum of \$300 in full, and in favor of George A. Meizenzahl at the rate of \$70 per year, or in favor of their attorneys, Hubbell & McGuire, payable from the Contingent Fund, besides costs where actions have been commenced, to be stipulated by the City Attorney.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Aikenhead, Harris—13.

By Ald. Adams—Resolved, That the City Clerk be and he hereby is authorized to draw an order payable from the Contingent Fund in favor of Emmanuel Kovelski for the sum of \$5 upon the certificate of the City Attorney.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Aikenhead, Harris—13.

By Ald. Adams—Resolved, That the Clerk be and he hereby is authorized to draw an order upon the certificate of the City Attorney, in favor of Matilda Schneider, or her attorneys, for the sum of \$20 payable from the Contingent Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Aikenhead, Harris—13.

By Ald. Adams—Resolved, That the City Attorney be and he hereby is directed to prepare an act authorizing the city to summarily take possession of any property on the water shed of Hemlock and Canadice lakes, the use of which may contaminate the source of our water supply.

Adopted.

By Ald. Ashton—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Assessment Committee would respectfully report, as follows:

In the matter of the application of Charles C. Seely and others, as executors of the estate of Mary A. Robinson, deceased, it appears that the estate of Mary A. Robinson was judicially settled, and the distribution of the remaining assets made upon the 23rd day of April, 1894; the personal assessment therefore against the estate of Mary A. Robinson for the year 1894, should be cancelled, and we make that recommendation.

In the matter of the assessment roll for the Genesee street trap rock pavement, your committee report, that after a careful examination of the whole subject they can see no good reason why the roll should not be confirmed, they therefore recommend the confirmation of the same.

In the matter of the application of Anthon Kluh for cancellation of assessment on Kluh park and Maple street under final ordinance, No. 5,195, the Surveyor reports that the lots will be drained into the west side sewers where they will be best served, and that it would be equitable and proper to release Mr. Kluh from this assessment; upon the report of the Surveyor therefore, we make such recommendation.

In the matter of the application of C. J. Zurn for refund of \$14 paid by him for a lateral sewer charged against his premises, No. 46 Campbell street, the Surveyor reports that the lateral was not constructed upon his lot, but on the lot belonging to his neighbor. We therefore recommend that the sum of \$14 be refunded Mr. Zurn and collected from Mr. F. Wolz who owns the next premises and who ought properly pay for said lot lateral.

In the matter of the application of the Lawyers' Co-Operative Publishing Company for cancellation of an assessment upon lot No. 44 south side of Birr street, the Executive Board report that lot 44 some two years ago was purchased by the Lawyers' Co-Operative Publishing Company, and made a part of the public street known as the Highlands, and was properly dedicated to the city and accepted. It is proper then that the assessment against lot 44 be cancelled and we recommend that such course be taken.

In the matter of the petition of Nelson H. Barbour, which was referred to the assessors at the regular meeting of the council to make an apportionment, the Assessors report that the apportionment of the premises is impracticable, for the reason that the houses of Mr. Barbour stand upon the same lot, but that he should be given the benefit of his exemption to the amount of \$1,500, upon the ground that one of his houses is occupied by him as a parsonage; we therefore recommend that the Treasurer receive from Mr. Barbour the regular tax on \$1,500 and that the balance be charged to erroneous assessments. With reference to the other requests made by Mr. Barbour to refund a portion of the taxes paid by him for the last eight years on said premises, we recommend that such relief be denied.

In the matter of the petition of Sophia Fechenbach for cancellation of the assessment for six and one-fourth feet on lot 42, east side of Manhattan street, it appears that since the assessment rolls were completed a conveyance was made to Sophia Fechenbach of 25 feet on the east side of Manhattan street, and that the remainder of lot 42, to wit, six and one-fourth feet still remains in the name of the former owner of the property George S. Riley; we recommend that an apportionment of the general city taxes on these premises for the year 1894, be made and the treasurer receive from Mrs. Fechenbach and George S. Riley their proportions of the tax on said premises, as the assessors shall certify to be just.

JOHN H. ASHTON,
J. M. AIKENHEAD,
JOHN F. FOX.

Committee.

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the personal property assessment against the estate of Mary Robinson in Ward 12, amounting to \$117.25, be cancelled by the Treasurer, and that said sum be charged to erroneous assessments.

Adopted.

By Ald. Ashton—Resolved, That the assessment against Anton Kluh, amounting to \$78.20, upon his premises on Kluh park and

Maple street for building Maple and Colvin street outlet sewer under final ordinance, No. 4,194, be cancelled by the Treasurer, and that said sum be charged to erroneous assessments.

Adopted.

By Ald. Ashton—Resolved, That the Clerk draw an order upon the Treasurer payable from the Contingent Fund in favor of C. J. Zurn for \$14, erroneously charged to and paid by him for the construction of a lateral sewer under ordinance No. 5,197, and that said sum be charged to erroneous assessments.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Aikenhead, Harris—13.

By Ald. Ashton—Resolved, That the City Attorney be and he hereby is directed to notify F. Wolz to pay the sum of \$14 for lot lateral in his lot on Campbell street, and that such proceedings be taken as may be necessary to collect said sum of \$14.

Adopted.

By Ald. Ashton—Resolved, That the Treasurer be and he hereby is authorized to cancel the assessment now standing against lot 44 on the south side of Birr street for general city taxes for 1893 and 1894, and charge the sums due for taxes on said lot to erroneous assessments.

Adopted.

By Ald. Ashton—Resolved, That the Treasurer be and he hereby is authorized to receive from Nelson H. Barbour the taxes upon his premises, No. 86 Williams street, at the assessed valuation of \$1,000, and that the remainder of the tax against said premises be charged to erroneous assessments; the same being exempt to the extent of \$1,500.

Adopted.

By Ald. Ashton—Resolved, That the further relief asked for by Nelson H. Barbour, to wit, that a portion of the taxes paid by him for the last eight years be refunded him, be and the same hereby is denied.

Adopted.

By Ald. Ashton—Resolved, That the Assessors be and they hereby are authorized and directed to apportion the General city taxes for 1894 upon lot 42, east side of Manhattan street, between the owners thereof in such manner as shall be just.

Adopted.

By Ald. Ashton—Resolved, That the Treasurer be and he hereby is directed to receive from Sophia Fechenbach and George S. Riley, the amount of the general city taxes for 1894 due from them on lot 42, east side of Manhattan street, in such proportion as said Assessors shall certify to be just.

Adopted.

By Ald. Ward—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your committee has considered the subject of the proposed improvement of Lake avenue by the construction of cement walks from the boundary line of the old Ninth ward to the city line and would respectfully report:

The walks are in bad condition and a large majority of the property owners so far as your committee has been able to ascertain, favor the proposed improvement. We would therefore recommend that an ordinance be pre-

pared for a Portland cement walk on both sides of the avenue from Augustine street to the city line; except where good flag, cement or plank walks now exist.

WILLIAM WARD,
STEPHEN RAUBER,
JOHN R. POWELL.

Public Improvement Committee.

Ald. Ashton moved that he report be amended by striking out he words "plank walk." Carried.

The report as amended was ordered received, filed and published.

By Ald. Ashton—Resolved, That the City Surveyor be directed to prepare an ordinance for a Portland cement walk, five feet wide, on the west side of Lake avenue, from Augustine street to the city line.

Adopted.

Ald. Rauber, from the Health Committee; Ald. Adams, from the Poor Committee; Ald. Ward, from the City Property Committee; Ald. Dewey, from the Lamp Committee; Ald. Pauckner, from the Contingent Expense Committee, and Ald. Aikenhead, from the Police Committee, reported favorably on the bills referred to their respective committees and the bills were referred to the Finance Committee and the City Auditor.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS OF THE CORPORATION AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., AUG 7, 1894.

To the Common Council:

Gentlemen: In order to accomplish the proper reinforcement of the Water Works distributing system in the city it will be necessary to lay the new water main across the Genesee river at some point above Clarissa street so as to obtain proper service for the West Side. A number of surveys for this purpose have been made by the Water Works Engineering Department, and it has been found that the most advantageous route for the new West Side main will be through McLean place and Flint street, from Mt. Hope avenue on the east side to Mansion street on the west side of the river. The present 16-inch supply pipe for the West Side, however, is also located in McLean place at a distance of 12 feet north from the south line of said place, which has a total width of only about 33 feet.

On the other side of the river the same pipe is located on the north side of Flint street at a distance of about 20 feet south from the north line thereof. It is obvious that the present supply pipe cannot be disturbed while the new mains are being laid, and it is therefore necessary that the latter must be laid at a considerable distance from the former. Under existing conditions the new mains would have to be laid on the north side of McLean place and on the south side of Flint street, which would involve the construction of two crossings of the new main under the old main. These two crossings would have to be made at the ends of McLean place, at Mt. Hope avenue and Wolcott street, in both of which places considerable trouble with ground water and quicksand is apprehended.

The expense of these two undercrossings, and the attendant risk of damage to the present 16-inch supply main, would be avoided if the new 36-inch main could be laid on the south side of McLean place. The proper position for the new pipe is about 10 feet south

of the existing main, or, substantially on the present south line of McLean place. This location necessarily involves the widening of McLean place in order to obtain sufficient room for construction purposes; and as we are informed that the owners of property on said McLean place contemplate the widening of said place, and as such a widening would be a desirable municipal improvement, we accordingly recommend the passage of an ordinance for such widening on the south side of said place.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published, and on motion of Ald. Pauckner referred to the City Surveyor to prepare an ordinance.

To the Common Council:

Gentlemen: Pursuant to a resolution adopted by your honorable body at a meeting held July 27th, the Executive Board invited the owner of the land necessary to be acquired for the Olean street outlet sewer to call at this office and state what price would be accepted for the right of way. The owner of the property proposed to be taken, appeared and gave a price which the Executive Board deem excessive; and it is therefore deemed expedient to suggest that the City Attorney be authorized to commence the usual condemnation proceedings.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Harris—Whereas, No agreement for the purchase of lands necessary to be taken for the Olean street outlet sewer, in the city of Rochester, under final ordinance, No. 5,575, can be made, therefore,

Resolved, That a copy of said ordinance, and of this resolution together with a map of the route of the sewer as proposed, be made and filed in the office of the City Clerk and of the County Clerk which map shall show thereon the lots, tracts and parcels of land which are deemed necessary to be taken, and the commencement, course and termination of said sewer proposed to be constructed, according to the provisions of section 174 of the revised charter; and that the City Attorney be, and hereby is, instructed to take and institute such proceedings from time to time as may be necessary as provided by the charter.

To the Common Council:

Gentlemen: Pursuant to a resolution adopted by your honorable body at a meeting held July 27th, the Executive Board invited the owners of the property proposed to be taken for the extension of Oxford street to Monroe avenue, to call at this office and state what price they would accept for their respective parcels of land. No satisfactory propositions could be obtained from a number of those solicited to give prices for their property.

The Board would therefore recommend that the City Attorney be authorized to apply to the courts for the appointment of a commission to determine the value of the lands nec-

essary to be acquired; but in obedience to a request of the property owners the Board would respectfully suggest that action on the appointment of a commission be postponed for two weeks to enable the persons interested to give the subject further consideration.

Respectfully,

THOMAS J. NEVILLE, Clerk.

By Ald. McMillan—

ROCHESTER, N. Y., Aug. 6, 1894.

To the Honorable the Common Council:

Gentlemen: I have the honor to inform you that the Board of Commissioners of the general sinking fund of the city of Rochester created by act of the Legislature passed May 8, 1894, met on Wednesday, August 1st, and organized by the election of His Honor Mayor Aldridge as president, City Treasurer Williams as treasurer and Frederic P. Allen as secretary. In entering upon the duties prescribed by the above mentioned act, the board finds that it will be necessary to provide itself with suitable books, stationery, etc., for the proper and accurate keeping of its records and accounts and would now respectfully request that authority for the purchase of such necessary supplies be given by your honorable board.

Respectfully yours,

FREDERIC P. ALLEN,
Secretary.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the secretary of the General Sinking Fund Commission be, and he hereby is, authorized to purchase such books and stationery as may be necessary for the proper conduct of the business of the commission and the preservation of its records, the expense of the same, which shall not exceed \$150, to be a charge upon the Contingent Fund.

Adopted by the following vote:
 Ayes—Ald. McMillan, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Aikenhead, Lewis—12.

By Ald. McMillan—

BOARD OF PARK COMMISSIONERS, }
 ROCHESTER, N. Y., Aug. 3, 1894. }

Thomas McMillan, Chairman, Finance Committee of the Common Council:

My Dear Sir: I would like very much to have the "police fund" turned over to the Board of Park Commissioners, and be subject to my order as Treasurer. There has been no real necessity for this in the past, while we were employing the protective police, but now all but two are our own men, and they are persons who cannot well wait for the monthly budget to be passed by the Council. Some of the men are only employed Sundays and on special occasions, and all of them are in need of the money as soon as it is earned. I have been in the habit of paying them myself, but it seems hardly right that I should be called upon to do so.

Is there any objection to having this matter arranged as suggested above?

Very truly yours,

H. F. HUNTINGTON,
 Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is directed to transfer to the Park Commission the sum of \$1,800 being the amount appropriated in the annual tax levy for the year 1894-5 for the park police fund; said sum to be used in paying the men employed by the commission in policing the parks, and to be subject to the order of the treasurer of the board.

Adopted.

ROCHESTER PARK COMMISSION, }
 Monday, August 6, 1894. }

To the Honorable, the Common Council of the City of Rochester.

Gentlemen: At the meeting of the Board of Park Commissioners, held on Monday, July 30th, last, the following resolution was adopted, and the secretary was instructed to present the same to your board:

Resolved, That the Common Council be asked to appropriate two thousand (\$2,000) dollars, and place it at the disposal of this Board, for the purpose of paying for the labor and tools, for trimming, removing and planting trees in the streets of the city, under chapter 393 of the laws of 1894.

Respectfully submitted,

ARTHUR R. SELDEN,
 Secretary.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is directed to transfer \$500 from the Contingent Fund and place the same to the credit of the Park Commission to be used by that board in defraying the expense of trimming trees on the streets of the city in accordance with the request of the Park Commission and a resolution adopted by this Common Council at a meeting held July 27, 1894.

Adopted.

CITY CLERK'S OFFICE, }
 ROCHESTER, N. Y., Aug. 7, 1894. }

To the Honorable, the Executive Board of the City of Rochester:

Gentlemen: I hereby certify that the City Assessors have delivered to me the following assessment roll, certified and sworn to as required by law:

No. 4,542 East Main street railroad bridge.

Respectfully yours,

HENRY W. GREGG, City Clerk.

Ordered received, filed and published.

By Ald. Adams—Resolved, That the next regular meeting of this Common Council to be held August 21, 1894, at 7:30 o'clock P. M., be assigned as the time when any complaints or appeals from the foregoing assessment rolls will be heard.

Adopted.

ACTION UPON ORDINANCES.

FIRST ORDINANCES.

CEMENT WALK ON SENECA PARKWAY.

By Ald. Edelman—Resolved, That the improvement of Seneca Parkway, recommended by the Park Commissioners, is necessary and should be made and that the expense thereof should be defrayed as recommended, to wit:

The construction of a five-foot cement walk on the north side of Seneca Parkway, from the sidewalk on the west side of Lake Avenue to the east line of the new boulevard (so called), and

Whereas, The Board of Park Commissioners, in pursuance of the provisions of chapter 317 of the laws of 1891, has made an estimate of the whole expense thereof, and reports the same at fifteen hundred and thirty dollars (\$1,530.00), which estimate is hereby approved.

Resolved, Further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for 75 per cent. of the whole expense thereof, to wit,

One tier of lots and parcels of land on the north side of Seneca Parkway as they exist at the date of the passage of this ordinance from Lake avenue to the New Boulevard (so called), in proportion to the benefit which each will derive therefrom, and further,

Resolved, That the balance of the whole expense of said improvement be paid from, the public treasury of the city of Rochester, to wit, from the Boulevard Fund.

Adopted.

WENTWORTH STREET ASPHALT PAVEMENT.

By Ald. Dewey—

AN ORDINANCE RELATING TO DOGS.

The Common Council do ordain and establish as follows:

Sec. 1. Every owner or keeper of a dog, or animal of the dog kind, within the city of Rochester, shall cause the same to be registered, numbered and described in the office of the City Clerk of said city. The City Clerk shall keep a complete registry of all dogs in a book to be kept for that purpose, describing the same by name, breed, color and sex, and shall also enter the name and address of the owner or keeper as given, and the number of the city license tag; he shall provide such number of metal tags, of not less than three-fourths of an inch in width, as may be necessary, bearing on the face serial numbers; and such tag shall be furnished by the City Clerk to each owner of a dog at the time of registering said dog, and shall be attached to the collar of such animal. No person shall counterfeit or use any other tag than that furnished by the City Clerk. The fee for registering each dog shall be twenty-five (25) cents, and for furnishing the metal tag seventy-five (75) cents, and all moneys and fines collected under this ordinance shall be placed to the credit of the Police Fund.

Sec. 2. No dog, or animal of the dog kind, shall be permitted to run at large in the city of Rochester unless muzzled when required, as hereinafter provided, nor unless said dog shall wear a collar of metal or leather bearing a tag or plate such as is prescribed in this ordinance. Any dog found running at large without said tag or without being properly muzzled when required, may be caught by any member of the police force, or any other person, and taken into his custody and possession. Said member of the police force, or other person, shall immediately report the fact of such seizure to the superintendent of police, and said dog shall be cared for and disposed of as said superintendent may direct and as hereinafter provided.

Sec. 3. Notice shall be given by the superintendent of Police, by publication in the official paper of the city of Rochester, of the seizure and impounding of any dog in accordance with the provisions of this ordinance; and said dog shall be kept with proper food and water for forty-eight (48) hours after the publication of such notice, during which time the owner may redeem such dog by the payment of the expense of such publication and the expense of his keeping, not exceeding the sum of \$1, to be paid to the person caring for such dog, and the further payment to the City Clerk of one dollar (\$1) for registration fee and tag; if said dog is not redeemed within forty-eight (48) hours after the publication of the above mentioned notice, the Superintendent of Police may direct that such animal be killed; and in case no owner appears to redeem said dog, the person by whom such animal was kept shall be paid a sum not to exceed fifty (50) cents by said Superintendent of Police, which sum shall be a charge upon that part of the fund credited with the fees and fines collected under this ordinance.

Sec. 4. No person shall keep, or suffer to be kept, on his premises, or the premises occupied by him, within the city of Rochester, nor suffer to run at large in said city, any dog of ferocious and dangerous character, habit or disposition; nor any dog in the habit of howling or whining at night, or barking at or in any manner annoying any person or persons; and any person who owns or harbors such dog or dogs above mentioned shall be subject to a fine as hereinafter provided. No female dog in time of heat shall be allowed to run at large within the city limits. Upon a second

conviction for a violation of this section it may be a part of the sentence that such dog be immediately killed; and this sentence forthwith shall be executed by the Superintendent of Police, or any police officer; and any owner or keeper of any such dog who refuses to deliver up the same to any police officer for the purpose of being killed in compliance with said judgment, shall be liable to an additional fine therefor.

Sec. 5. Whenever the Mayor of the city of Rochester shall deem it necessary, he shall issue an order prohibiting, for a certain time therein specified, any and all dogs from running at large in any street, alley or other public place in said city, unless such dog be securely muzzled, or led by a chain, so as effectually to prevent them from biting any person or animal, which order shall be published in the official newspaper of the said city.

Sec. 6. Any person harboring a dog for two days prior to any violation of the terms of this ordinance shall be held to be the owner of said dog.

Sec. 7. Every person who shall violate any of the provisions of this ordinance shall for each offense be subject to a fine or penalty not exceeding \$150 in amount, to be imposed by the Police Justice, or judge, or court before whom a suit for such fine or penalty is brought, in the discretion of such justice, judge or court, and on failure to pay such fine or penalty when received, shall be imprisoned in the Monroe County Penitentiary for a term not exceeding 150 days, to be determined by such justice, judge, or court, in his or its discretion at the time the judgment is entered.

Sec. 8. Every execution upon a judgment recovered for any fine or penalty or forfeiture imposed for the violation of any provision of this ordinance shall be issued immediately on the rendition of the judgment and shall command the amount to be made out of the personal property of the defendant within the city not exempt from levy and sale under an execution, if such can be found, and if not, then to commit the defendant to the Monroe County Penitentiary for such time as shall have been directed by the justice, judge or court rendering such judgment, and may be issued to and enforced by any member of the police department of said city. Such execution may be issued by the police justice or police clerk of said city.

Sec. 9. All existing ordinances inconsistent with the terms of this ordinance are hereby repealed.

Sec. 10. This ordinance shall take effect September 1 1894.

Ald. Dewey asked and obtained unanimous consent for the consideration of the amended ordinance at this time. On motion of Ald. Dewey, the ordinance was then adopted by the following vote:

Ayes—Alds. McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Aikenhead, Harris—13.

Action upon the confirmation of the assessment roll for the extension of Augusta street, Ord. No. 4,891, being in order, Ald. Aikenhead introduced the following:

Resolved, That the assessment roll for the extension of Augusta street be, and it hereby is, in all things confirmed.

Allegations were called for, and after hearing allegations from all persons appearing, the chair put the question and the roll was confirmed by the following vote:

Ayes—Alds. McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Aikenhead, Harris—13.

Action upon the confirmation of the assessment roll for Genesee street macadam improvement, Ord. No. 4,856, being in order, Ald. Ashton presented the following:

Resolved, That the assessment roll for

Genesee street macadam improvement be, and the same hereby is, in all things confirmed.

Allegations were called for, and after hearing same from all persons appearing, the resolution was adopted by the following vote:

Ayes—Alds. McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Aikenhead, Harris—13.

Ald. Dewey having given notice at a previous meeting of proposed ordinance "to establish and regulate pounds and restrain and regulate the keeping and running at large of animals," introduced the following:

By Ald. Dewey—

An ordinance to establish and regulate pounds and restrain and regulate the keeping and running at large of animals.

The Common Council of the city of Rochester do ordain as follows.

Sec. 1. No owner or possessor of any swine, horses, sheep, goats, cows or other cattle shall suffer any such animal or animals to run or be let at large in any of the public streets, lanes, alleys or parks within the city of Rochester, nor drive the same in, through or upon any of the public streets, lanes, alleys or parks within said city between the hours of six o'clock in the forenoon and seven o'clock in the afternoon, unless the same are tethered and held in hand by the person or persons having them in charge, under a penalty and fine of one dollar for each animal so tethered, running or being at large, for each offense.

Sec. 2. No owner or possessor of any goose or geese, ducks or other fowls shall suffer or permit any such fowls to run or be at large in any of the public streets, lanes, alleys, squares or parks within the city of Rochester, under a penalty of twenty-five cents for each fowl, etc., so running at large, for each offense.

Sec. 3. It shall be lawful for any person, including any member of the police department or policeman or other officer appointed for that purpose, to seize and take into custody and possession any such animal or poultry straying or being at large, contrary to the provisions of the foregoing sections of this ordinance; and it shall also be lawful for any person to take into his custody and possession any of the animals or poultry aforesaid which may be running at large, or being and trespassing upon premises owned or occupied by such person.

Sec. 4. Whenever any person shall seize and take into his possession any animal or poultry, under authority of the preceding sections of this ordinance, it shall be the duty of such person to give immediate notice thereof to a judge of the municipal court of said city, and said judge shall thereupon cause notice to be given by affixing the same in six conspicuous places in said city, that such animal or animals or poultry will be sold at public auction, at some convenient place in said city, not less than ten days, nor more than thirty days, from the time of affixing such notice, to be specified, including the hour at which sale shall be had in such notice. At the time and place mentioned in said notice, one of the judges of said court shall proceed to sell the said animal or animals or poultry for cash, and out of the proceeds thereof shall, in the first place, retain the following fees and charges for his services and expenses incurred in giving such notice and making such sale, viz: For every horse, mare or colt sold, two dollars; for every other animal sold, one dollar; for every goose or fowl sold, twenty-five cents, and shall then pay to the treasurer of said city said sum or sums so retained, after deducting therefrom any and all expenses connected with the giving of the said notice, and including any expense incurred in keeping said animal or poultry from the time of seizure to the time of such sale.

Sec. 5. If there shall be any surplus moneys arising from said sale, the judge making such sale shall retain the same in his own hands, and pay the same to the owner or owners of said animal or animals or poultry, after a reasonable demand therefor, and satisfactory proof of such ownership, provided such owner or owners shall appear and claim such surplus moneys within one year after such sale. And if the owner or owners of such animal or animals or poultry shall not appear and demand such surplus moneys within one year after such sale has been made, he, she, it, or they shall be forever debarred from recovering any part of such moneys, and the same shall be paid to the treasurer of said city for the benefit of the Highway Fund, and the treasurer's receipt therefor shall be a legal discharge to said judge.

Sec. 6. Any owner of any animal or poultry which shall have been seized under and pursuant to the foregoing provisions may at any time before the sale thereof demand, and shall be entitled to the possession of, such animal or poultry, upon the payment by him of the several sums hereinbefore required to be paid to the said judge and to the said city treasurer, including a reasonable compensation for the seizure, care and keeping of such animal, to be estimated by and paid to such judge, and upon making to such judge satisfactory proof of ownership. And if such owner shall make such demand and proof at least three days before the time appointed for such sale, he shall be entitled to the custody and possession of such animal, upon paying one-half of the several sums above mentioned, together with the whole amount of compensation awarded by the said judge. If no notice shall have been given to a judge of the municipal court of said city, in pursuance of the foregoing sections of this ordinance, the owner of any such animal or fowl shall be entitled to the possession of the same upon paying to the City Treasurer or other authorized agent of the city the expenses of keeping the same and the following fees, to wit: For every horse, one dollar; for every cow or other animal, one dollar; for every fowl, ten cents, which shall be paid to the City treasurer by the person so receiving the same, to the credit of the Highway Fund.

Sec. 7. In case the animal or poultry so seized under the foregoing provisions of this act shall have been so running at large or trespassing, by the willful act of any other person than the owner, to effect that object, such owner shall be entitled to the possession of such animal by making the demand therefor, and the proof required in the next preceding section, and paying to the city treasurer the amount of compensation fixed by such judge for the care and keeping of such animal or poultry, and without paying any other charges; and the person committing such willful act shall be liable to a penalty of twenty dollars, to be recovered at an action at law at the suit of the owner of such animal or poultry.

Sec. 8. Any person who shall hinder or resist any officer or other person while attempting to take into his possession, or after he shall have taken into his possession, any animal or poultry running at large, in violation of the preceding sections of this ordinance, or who shall rescue, or attempt to rescue, said animal or poultry after being so seized by any officer or other person, or who shall break or injure any pound or other place in which such animal or poultry shall be confined in pursuance of the previous sections of this ordinance, shall be liable to a penalty of ten dollars for each offense.

Sec. 9. No person shall keep any swine at any place within the corporate limits or boundaries of either of the first fourteen wards of the city of Rochester, under a pen-

alty of ten dollars for each offense, and the further penalty of five dollars for each week a violation of this section shall continue.

Sec. 10. No person shall keep, at any place within the corporate limits or boundaries of the fifteenth or sixteenth wards of the city of Rochester, any swine, under a penalty of five dollars for each offense, and the further penalty of five dollars for each week such violation shall continue, unless such person, at all times, shall obtain and have the written consent of all owners and occupants of land within five hundred feet from the place where such swine shall be kept.

Sec. 11. Every person who shall violate any of the provisions of this ordinance shall for each offense be subject to a fine or penalty not exceeding \$150 in amount, to be imposed by the police justice, or judge, or court before whom a suit for such fine or penalty is brought, in the discretion of such justice, judge or court, and on failure to pay such fine or penalty when recovered, shall be imprisoned in the Monroe County Penitentiary for a term not exceeding 150 days, to be determined by such justice, judge or court, in his discretion at the time the judgment is entered.

Sec. 12. Every execution issued on the rendition of a judgment for any such penalty or penalties shall conform to the provisions of the city charter.

Sec. 13. Any ordinance heretofore adopted inconsistent with the provisions hereof are hereby repealed.

Sec. 14. This ordinance shall take effect immediately.

On motion of Ald. McMillan, the ordinance was laid on the table for two weeks.

Ald. Dewey, having given notice at a previous meeting of a proposed amendment to the swimming ordinance, introduced the following:

By Ald. Dewey—Resolved, That section eighteen of an ordinance relating to nuisances, passed October 26, 1886, and found at page 284 of the proceedings of the Common Council for 1886 and 1887, be, and the same hereby is re-considered.

Adopted.

By Ald Dewey—

An ordinance to amend an ordinance relating to nuisances, etc., passed October 26, 1886.

Sec. 1. Section eighteen, of said ordinance is hereby amended so as to read as follows:

Sec. 18. No person shall swim or bathe in any canal, basin, mill race or river within the limits of the city of Rochester, under a penalty and fine of \$5 for each offense, except that any person may swim or bathe in the Genesee river opposite the property of the Vacuum Oil Company, above Clarissa street bridge, on the east side of the river opposite the property of the Rochester Brewing Company, and also opposite the property of the Rochester Gas and Electric Company, and in the Erie canal at the eastern widewaters, and at the western widewaters, provided his body shall be concealed by a suitable covering extending from his knees to his shoulders.

Sec. 2. This ordinance shall take effect immediately.

Adopted by the following vote:

Ayes—Alds. McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Harris—13.

UNFINISHED BUSINESS GENERALLY.

Ald. Adams, having given notice at the meeting of July 10, 1894, of an ordinance to "regulate the construction and use of bill boards, fences and structures of that character within the city," introduced the following:

By Ald. Adams—

An ordinance to regulate the construction and maintenance of fences within the city of Rochester.

Section 1. No barb wire shall hereafter be used in the construction of any division fence within the city of Rochester unless the person, association or corporation desiring to use such material shall first obtain the written consent of the owner of the adjoining property that it may be used, and no barb wire shall hereafter be used in the construction of any fence along or adjacent to any public street, park, alley or place within said city.

Sec. 2. No wooden fence, or structure of that character, having a greater height than six feet from the ground shall be erected within the limits of said city, unless the consent of the common council thereto have been previously obtained.

Sec. 3. Every application to the Common Council for permission to erect any fence is required to give one week's notice in writing of the time of the application to owner, occupant, or agent of houses and lots within a distance of 200 feet from where such fence or structure is to be erected, except such as have given their written consent to such erection, and he shall furnish proof to the Common Council verified by oath of the service of such notice.

Sec. 4. No fence or other structure, whether of wood or any other material, already erected or hereafter to be erected shall be used for the display of any signs, bills, cards, pamphlets, circulars, notices, pictures or advertisements, without the consent of the Common Council. The same notice and proof required by section 2 of this ordinance shall be a necessary precedent to the consent of the Common Council to use such fence or other structure as provided in this section.

Sec. 5. It shall be the duty of the Fire Marshal to inspect all fences erected and in process of erection or repair, and report to the Common Council any violations of the provisions of this ordinance. If, after inspection, the Fire Marshal shall be satisfied that the provisions of this ordinance are being violated, or that such fence is liable to fall or become unsafe or dangerous, it shall be his duty to notify a member of the Wood Building Committee, and the official so notified, and if such official shall concur with the Fire Marshal, the Fire Marshal shall order that all work thereon be stopped, or that the same be taken down, or may give such other directions as he may deem expedient for the protection and safety of the public. If such order shall not at once be complied with, it shall be the duty of the Fire Marshal to cause such fence to be taken down, or to take such action in connection therewith as he shall deem the public safety and interest require; the cost and expense thereof shall be paid by said city to said Fire Marshal, and after such payment, the amount thereof shall be payable to said city by the owner or owners of such fence, and may be recovered from such owner or owners by action brought by said city.

Sec. 6. Any person who shall violate any of the provisions of this ordinance shall for each offense be subject to a fine or penalty not exceeding \$150 in amount, to be imposed by the police justice or judge, or court before whom a suit for such fine or penalty is brought in the discretion of such justice, judge or court, and on failure to pay such fine or penalty when recovered shall be imprisoned in the Monroe County Penitentiary for a term not exceeding 150 days, to be determined by such justice, judge or court in his or its discretion at the time the judgment is entered.

Sec. 7. Every execution upon a judgment rendered for any fine or penalty imposed for a violation of any provision of this ordinance shall be issued immediately on the rendition of the judgment and shall command the amount to be made out of the personal property of the defendant within the city not exempt from levy and sale under an execution if such can be found, and if not then to commit the defendant to the Monroe County Penitentiary for such time as shall have been directed by the justice, judge or court rendering such judgment, and may be issued to and enforced by any member of the police department for said city. Such execution may be issued by the police justice or police clerk of said city where the judgment was rendered by the police justice of said city.

Sec. 8. All fines or penalties or other moneys paid to or received by said city under the provisions of this ordinance shall be paid to the credit of the contingent fund.

Sec. 9. All ordinances or parts of ordinances inconsistent herewith are hereby repealed.

Sec. 10. This ordinance shall take effect immediately.

On motion of Ald. Adams the ordinance was laid on the table for two weeks.

REPORTS OF STANDING COMMITTEES.

By Ald. McMillan—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Your Law Committee begs leave to report as follows:

In the matter of the application of Alexis Hamburger for the return of a fine imposed by the police justice, we find that the conviction was reversed on appeal, and that the return of the amount paid was ordered by the court. We therefore recommend that the sum of \$50 be refunded.

In the matter of an action commenced by William Hayward against the city of Rochester to recover the sum of \$47.05 and interest thereon from February 20th, 1894, in the Municipal Court, we are advised by the City Attorney that there is no defense to the action, and therefore recommend the payment of the amount demanded, with costs and disbursements.

In the matter of the case of Sophia Quigley against the city, we are informed by the City Attorney that the General Term has affirmed the decision of Justice Rumsey granting a new trial. In this case a non-suit was granted by the trial court, Mr. Justice Rumsey presiding, who afterwards granted a new trial upon a motion made at Special Term. An appeal was then taken to the General Term, which has affirmed the action of Justice Rumsey in granting the new trial. We have considered the advisability of abiding by the decision of the General Term and taking a new trial at the Circuit or appealing from the decision of the General Term to the Court of Appeals, and in view of all the facts recommend the latter course.

In the matter of the appointment of commissioners of deeds, we recommend the appointment of Helen K. Lorscheider.

In the matter of the case of Hermon Diesel against the city of Rochester for damages for sewer pollution, we recommend that the same be settled for the sum of \$350 and costs.

All of which is respectfully submitted.

T. McMILLAN,
WM. PAUCKNER,
WILLIAM H. TRACY,
Law Committee.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That upon the certificate of the City Attorney, the City Clerk be authorized to draw an order in favor of Alexis Hamburger for the sum of \$50, payable from the Contingent Fund, being the amount paid in by said Hamburger as a fine upon a conviction which has been reversed.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Green, Rauber, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—15.

By Ald. McMillan—Resolved, That upon the certificate of the City Attorney that proper stipulations, discharges and releases have been filed by him, the City Clerk be authorized to draw an order payable from the Contingent Fund in favor of William Hayward for the sum of \$47.05, with interest thereon from February 20, 1894, together with costs and disbursements of the plaintiff in the action of William Hayward against the City of Rochester, as stipulated by the City Attorney.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Green, Rauber, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—15.

By Ald. McMillan—Resolved, That the City Attorney be authorized to take an appeal from the decision of the General Term in the case of Sophia Quigley against the city of Rochester.

Adopted.
By Ald. McMillan—Resolved, That upon the certificate of the City Attorney that proper stipulations, discharges and satisfaction pieces have been filed with him, the City Clerk be authorized to draw an order payable from the Contingent Fund in favor of Herman Diesel, or his attorneys, Ludolph & Warren, for the sum of \$350, besides costs, as stipulated by the City Attorney; said sum being in full for all damages to premises occupied by said Diesel arising from the pollution by the city of the creek passing through said premises.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Green, Rauber, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—15.

By the Clerk—
To the Honorable, the Common Council of the City of Rochester.

Gentlemen: Your Water Works Committee respectfully recommend that a four-inch water main be extended in Wentworth street, from New York street to Brown street, and connected with the city's water works system.
Respectfully submitted,

JOHN B. SIMMELINK,
DAVID HARRIS,
WM. PAUCKNER,
WILLIAM C. GREEN,
Water Works Committee.

Ordered received, filed and published.

By Ald. Simmelink—Resolved, That the Executive Board be and it is hereby authorized to extend a four-inch Hemlock water main in Wentworth street, from New York street to Brown street, and connect the same with the city's Hemlock water system, and pay the expense thereof out of any moneys in the Water Works Fund not otherwise appropriated.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Green, Rauber, Fox, Powell, Ashton, Ward, Dewey, Pauckner, Kelly, Aikenhead, Simmelink, Lewis, Harris—15.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

ROCHESTER, N. Y., Aug. 22, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: It scarcely seems necessary that I should call your attention to a matter that has been under consideration so long as has been the question of providing elevators for the city hall building, but in view of the fact that up to the present time the council has failed to act in the matter, I wish to urge that the matter once more be taken up.

By this time I think there can be no doubt in the mind of any member of your honorable board as to the desirability of such improvement. Indeed, no one could have had his duty call him to one of the upper floors of the building, even occasionally, let alone sit in the council, or hold other office having headquarters in the upper portion of the city hall, without having it forced upon him that the city is backward in not providing this improvement, which, even in the most modest of modern buildings, is no longer looked upon as a luxury, but a prime necessity. Buildings constructed before our city hall was erected and before the matter of elevators was considered of great importance, have been remodeled at great expense in many cases simply because their owners found that without elevators there were no longer tenants.

As to the city building, it must be looked upon as a back number until these adjuncts are provided. On two or three occasions within the past few years, when this subject has been up, the council has shown a disposition to act, and twice, at least, it has gone so far as to secure plans and estimates for the proposed improvement. The possibility that even more elaborate alterations would be decided upon, or that the building might be enlarged by, in some way, joining it to the new county building, has, I believe, deterred the council from carrying out the limited plans that might otherwise have been approved. At present the latter proposition is out of the question, and there seems to be no probability of an immediate enlargement of the building. The desirability of having the city hall made more accessible has been impressed upon me during the past few months, when the city hall has been in frequent use by various bodies of a state and national character.

Not less than half a dozen bodies have met in the hall within the past few weeks for council, the meetings extending over two or three days; and the gentlemen and ladies in attendance could not have been pleasantly impressed with the journey up three flights of stairs, which they were obliged to take to reach their convention hall. Rochester has always been a popular place for holding conventions. Among those which have recently been held were the council of the Improved Order of Red Men and the convention of the Ancient Order of Hibernians. Only the fore part of the present week the hall was used by the Union Veterans' Union, and the sight of the aged and crippled veterans who were obliged to climb the tedious flights of stairs to gain the hall impelled the thought that if Rochester is to keep up her reputation for entertaining visiting societies and organizations, the city hall, which is the only hall of any dimensions in the city since the Washington Rink has been abandoned for convention purposes, must be made more accessible. It is an advantage to have so many strangers come to us annually as are brought here by these conventions, but the city cannot expect they will keep coming unless it can offer them a convenient place for meeting.

In view of these facts, which I have but briefly alluded to, your board cannot do better than to at once authorize the improvement suggested. Such action should meet the hearty approval of all taxpayers, inasmuch as the cost will be comparatively slight; and in consideration of the further fact that the hall will thus be made available for the free use of all the people for convention and meeting purposes.

Respectfully,

GEO. W. ALDRIDGE, Mayor.

Ordered received, filed and published, and upon motion of Ald. McMillen, referred to City Property Committee to secure plans and estimates and report back.

By the Clerk—

ROCHESTER, N. Y., Aug. 21, 1894.

To the Honorable, the Common Council of the City of Rochester :

Gentlemen: The following communication from Health Officer Sibley is hereby referred to your honorable body.

Respectfully,

THOMAS J. NEVILLE, Clerk.

OFFICE OF HEALTH DEPARTMENT, }
ROCHESTER, N. Y., AUG. 19, 1894. }

Dr. Wallace Sibley:

Dear Sir: The sewer on Locust street extends only about half way between Fulton avenue and Deep Hollow creek, in consequence of which several houses upon this street are without adequate drainage. I would respectfully suggest that the sewer upon this street be extended, so as to drain all the houses. Respectfully submitted,

G. W. GOLER,

Medical Inspector.

Respectfully,

WALLACE SIBLEY,
Health Officer.

Referred to Executive Board.

Ordered received, filed and published.

By the Clerk—

MONROE COUNTY COURT—In the matter of the widening of Lawton street to a uniform width of twenty-four feet from the east end thereof to Meigs street.

To the Monroe County Court, and to the Honorable, the Common Council of the City of Rochester.

The undersigned, who were appointed by an order of the Monroe County Court, duly granted on the 2d day of July, 1894, and entered in Monroe County Clerk's office July 6, 1894, commissioners to inquire into and determine what damages and compensation the owner or owners, tenants or occupants of the lands, rights, easements and buildings to be taken for the widening of Lawton street to a uniform width of 24 feet, from the east end thereof to Meigs street, will be entitled to for the same, respectfully report and certify the premises, right and easements to be taken for such improvement, the names and residences of the owners thereof, and the rights of such owners so far as can be ascertained, and the amount of damages or compensation which shall be paid to said owners thereof, and their award of damages as incident to the widening of said street through said property as follows, reference being had to a map of said street as proposed to be widened, filed in the City and County Clerks' offices, the parcels of land required for such purposes and necessary for the widening of said street is bounded and described as follows:

All that tract or parcel of land situate in the city of Rochester, county of Monroe and state of New York, and being a part of lots Nos. 5 and 6, said lots 5 and 6 being a part of lots 194 and 195 of the Johnson and Atkin-

son tract, beginning at a point in the south line of premises owned by George H. Waldron and others, known as lot No. 5 on said map filed in the City and County Clerks' offices as aforesaid, which point is 36.01 feet east of Meigs street; thence running easterly, along the south line of said lot No. 5, to the southeast corner of said lot No. 5; thence northerly, along the east line of said lot No. 5, to a point 2.61 feet north from the southeast corner of said lot No. 5; thence westerly to the place of beginning; these premises are owned by George H. Waldron, Mary M. Waldron and Ella E. Waldron, and are subject to a mortgage running to Wilson Soule for \$2,500, dated September 29, 1890, and recorded in Monroe County Clerk's office in liber 334 of mortgages, at page 413.

Therefore, we, the subscribers, the commissioners, having been duly sworn, as required by the statute in such case made and provided, and having all met and acted upon the matters submitted to us at the City Attorney's office, in the Wilder building, Rochester, N. Y., pursuant to a notice of at least ten days published according to law, and having all taken a view of every part of the respective premises, and having inquired into and heard the allegations and proofs of the respective parties in interest, do, thereupon, determine and appraise the damages which the several owners, tenants and occupants of the premises to be taken for the widening of said street will sustain by being deprived thereof, and fix the compensation which the aforesaid owners respectively shall receive therefor, as follows:

The award hereby made is made after deducting all taxes and assessments which have become a lien upon the lands described, to be paid as hereinafter provided, and is as follows:

To George H. Waldron, Mary M. Waldron and Ella E. Waldron, the sum of \$37.50, payable to the legal representative of the estate of Wilson Soule, deceased.

All of which is respectfully submitted.

Dated, August 16, 1894.

EMER L. OLIVER,
CHARLES H. RICE,
LOUIS H. JACK,

Commissioners of Appraisal.

Ordered received, filed and published.

By Ald. Pauckner—Resolved, That the next regular meeting of this Board, to be held September 4, 1894, be assigned as the time when any complaints or appeals from the confirmation of the foregoing report will be heard.

Adopted.

By the Clerk—

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., AUG. 24, 1894. }

To the Honorable, the Common Council:

Gentlemen: I do hereby certify that the City Assessors have delivered to me the following assessment rolls, certified and sworn to as required by law, viz.:

Orchard street pipe sewer, Ord. No. 5,220.
Nassau street sewer re-building, Ord. No. 5,145.

Yours, etc.,

HENRY W. GREGG, City Clerk.

Ordered received, filed and published.

Ald. Ward moved that action upon the confirmation of the assessment roll for Orchard street pipe sewer, Ord. No. 5,220, be postponed until the third next regular meeting. Carried.

Allegations were called for upon the roll for Nassau street sewer re-building, and after hearing same from all persons appearing, Ald. Ashton presented the following:

By Ald. Ashton—Resolved, That the assessment roll for Nassau street sewer re building,

Ord. No. 5,145, be and the same hereby is in all things confirmed.

Adopted by the following vote:
 Ayes—Ald. Tracy, McMillan, Green, Rauber, Fox, Powell, Ashton, Ward, Dewey, Paucker, Kelly, Aikenhead, Simmelink, Lewis, Harris—15.

OFFICE OF THE EXECUTIVE BOARD, }
 ROCHESTER, N. Y., Aug. 18, 1894. }

To the Common Council:

Gentlemen: In accordance with the request of the Finance Committee, the Executive Board respectfully suggests that your honorable body make provision for an additional appropriation for the Highway Fund at the present time instead of at a later period in the year.

The reasons for requesting this action may be briefly stated as follows:

It is a matter of common knowledge that a large number of men are unemployed, and added to the usual number of common laborers are mechanics and skilled workers in the different trades, who, having families to support and homes to maintain by paying taxes or rent, cannot find employment sufficient to keep their families provided with the necessities of life. Those men are daily calling at the office of the Executive Board for employment, willing to do any common labor that will afford a meager subsistence, and their appeals for assistance and their statements of their impoverished and desperate condition warrants the Executive Board to do its part in providing some relief. This Board has already expended considerable money in repairing streets, in order that many of the men out of work might be saved from the pauper necessity of calling on the poormaster for aid; but with the appropriations granted for the year by your honorable body, this work cannot longer be continued; in fact, it must be stopped, and nothing but the routine work and labor which is absolutely necessary can

be done. If an additional appropriation is allowed now, it will be expended to advantage and will result in some practical good to the public, whereas, if granted in midwinter, as everything now indicates it will have to be, the money will be laid out to better advantage than it can be at that season of the year. A great deal of work in the several streets of the city, in the way of repairing, re-metaling, grading, repairs of walks, cleaning and reconstructing sewers and kindred labor can be done at this season of the year, and therefore money provided now will serve the double purpose of aiding the poor and needy and benefiting the people whose property is taxed for this purpose. It may be suggested that the necessity of providing for the mechanics and laborers will exist next winter, notwithstanding that help may be provided at this time, but answer to this may be made by stating that at no time in the last year has such evidence of actual distress among the worthy and willing workers in all classes of trade been so apparent as at the present time.

The Executive Board has no purpose or object in making this statement, except to call your attention to the condition of things among our citizens, which you have in your discretion and authority means to afford relief; and if your honorable body deem it expedient to appropriate the sum of \$40,000 or \$50,000 for this purpose, the Executive Board will expend it in such a manner as to afford help to those in need of it, and, as before said, do much needed public work.

Respectfully,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published, and upon motion of Ald. McMillan, referred to Finance Committee.

By the Clerk—

ACTION UPON ORDINANCES.
FIRST ORDINANCES.

RUTGER STREET PIPE SEWER.

By Ald. Edelman, Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Rutger street and rebuilding at a greater depth and steeper grade that portion of the existing sewer not replaced by a larger pipe.

Adopted.

The Surveyor submitted as such estimate \$3,980.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The re-building of the existing sewer in Rutger street, from its present northerly terminus, and extension of same to the East Side trunk sewer. The sewer to be built as follows: 500 feet of the existing 12-inch pipe to be re-laid at a greater depth and steeper grade; the balance of the sewer to be of vitrified pipe of the following sizes and lengths: 250 feet of 15-inch, 500 feet of 18-inch, and about 750 feet of 20-inch; together with the necessary manholes, lot laterals, surface sewers and connections with existing laterals.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$3,890, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Rutger street, from the northerly end of said sewer to the southerly end of same at East Side trunk sewer.

Adopted.

MILL STREET MEDINA BLOCK PAVEMENT.

By Ald. Edelman, Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Mill street.

Adopted.

The Surveyor submitted as such estimate \$15,300.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The improvement of Mill street, from Exchange place to Central avenue, by the construction of a Medina block stone pavement on a concrete foundation therein, with a line of Medina stone curb on each side thereof properly connected with all lateral streets, alleys and driveways. Width of roadway to be the same as at present. Also the necessary crosswalks, surface sewers, manholes, lot laterals, water and gas services.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$15,300, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Mill street, from Exchange place to Central avenue.

Adopted.

THIRD STREET PORTLAND CEMENT WALKS:

By Ald. Edelman, Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing Portland cement walks on Third street.

Adopted.

The Surveyor submitted as such estimate \$850.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The construction of a Portland cement walk, 4 feet wide, on each side of Third street, from Lexington avenue to Glenwood avenue, except where good flagstone or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and re-

ported the same at \$850, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Third street, from Lexington avenue to Glenwood avenue.

Adopted.

CLIFTON STREET PORTLAND CEMENT WALKS.

By Ald. Edelman, Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a Portland cement walk on Clifton street.

Adopted.

The Surveyor submitted as such estimate \$2,550.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The construction of a Portland cement walk, 5 feet wide, on each side of Clifton street, from Prospect street to Genesee street, except where good flagstone or cement walks now exist, but such walks shall be relaid if not conforming to the proper grade and alignment.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$2,550, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Clifton street, from Prospect street to Genesee street.

Adopted.

WILSON AVENUE PLANK WALK.

By Ald. Edelman, Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on Wilson avenue.

Adopted.

The Surveyor submitted as such estimate \$75.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The construction of a pine plank walk, 4 feet wide, on the south side of Wilson avenue, from the west end of the present walk to St. Joseph street. Also the necessary sidewalk grading.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$75, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on the south side of Wilson avenue, in front of which the proposed walk is to be constructed.

Adopted.

OSWEGO STREET PLANK WALK.

By Ald. Edelman, Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on the east side of Oswego street.

Adopted.

The Surveyor submitted as such estimate \$100.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The construction of a pine plank walk, 4 feet wide, on the east side of Oswego street, from Parsells avenue to Grand avenue. Also the necessary sidewalk grading.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$100, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on the east side of Oswego street, from Parsells avenue to Grand avenue.

Adopted.

ALPHONSUS AVENUE PIPE SEWER.

By Ald. Edelman, Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Alphonsus avenue.

Adopted.

The Surveyor submitted as such estimate \$2,800.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The construction of a vitrified pipe sewer in Alphonsus avenue, from a point 100 feet west of Hudson avenue to the sewer to be built in Thomas street. Said sewer to be of the following form and dimensions: from a point 100 feet west of Hudson avenue to the center of Edward street to be 12 inches in diameter; from the center of Edward street to the center of Henry street to be 15 inches in diameter; from the center of Henry street to the proposed sewer in Thomas street to be 18 inches in diameter. Also the necessary manholes, surface sewers, lot laterals and branches.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$2,800, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Alphonsus avenue, from Hudson avenue to Thomas street.

Adopted.

By Ald. Ward—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be, and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Herald, notice thereof as is required and in the manner specified by section 172 of the city charter. Adopted.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Aug. 24, 1894.

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated

improvements, to be paid in whole or in part by a local assessment, I ceased to be published daily for four secular days in the Democrat and Chronicle and Rochester Herald, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or about any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvement, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, August 24, 1894, at 7:30 o'clock P. M. at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk.

FINAL ORDINANCE NO. 5,587.

UNFINISHED BUSINESS OF THE PREVIOUS MEETING.

The matter of an ordinance regulating the sale of coal concerning which a notice was introduced at a meeting of this Board held August 7, 1894, coming up, Ald. Fox by request of Ald. Edelman introduced the following:

By Ald. Fox—

AN ORDINANCE TO REGULATE THE VENDING OF COAL.

The Common Council of the City of Rochester do ordain as follows:

Section 1. The City Clerk of said city shall from time to time license any proper person or corporation to engage in the business of buying and selling coal within the City of Rochester upon the payment to the Treasurer of said city of the sum of \$25 as a license fee; and no person shall at any time vend or offer for sale any coal in the City of Rochester without having such license under a penalty or fine of not less than \$10 nor more than \$150 for each offense or sale.

Sec. 2. The legal standard ton of coal in the City of Rochester shall be 2,000 pounds. It shall be the duty of every vendor of coal to send with each and every load or part of load of coal, sold by such vendor, a card or ticket which shall indicate on its face in plain characters the vendor's name, the date of such sale and the weight of the coal contained in the cart or other vehicle in which it is being transported, and the weight of such cart or vehicle; any vendor of coal such cart or vehicle; any vendor of coal found selling or delivering any load of coal without such card or ticket or refusing to allow the weight to be tested as provided in the ordinance shall forfeit and pay a penalty of not less than \$10 nor more than \$150 for every such violation; no person or corporation shall sell or deliver any coal within the city except by weight or measure; and no scale or measure shall be used for that purpose unless the same within six months prior to such sale or delivery was duly tested, sealed and marked, under a penalty and fine of not less than \$10 nor more than \$150 for each offense; any scale or measure which shall have been sealed in accordance with the ordinance pertaining to weights and measures shall be deemed a lawful scale or measure within the meaning and for the purpose of this ordinance.

Sec. 3. It shall be the duty of the sealer of weights and measures and such other person or persons as the Common Council may designate from time to time and whenever he suspects that the quantity of coal being transported for sale does not correspond with the amount indicated on the card or ticket aforesaid, or whenever requested by the purchaser of such load, to cause such load to be weighed upon any lawful scale most accessible for that purpose, and if, upon the weighing thereof, it shall be found that such load of coal is less than the net amount indicated upon such card or ticket, the vendor of such coal shall be liable to and shall forfeit and pay to the City of Rochester a penalty of not less than \$10 or more than \$150 for each and every offense. The sealer of weights and measures and such other person or persons as said Common Council may designate as aforesaid, shall receive for said city for any coal that he may weigh the sum of 25 cents per load payable by the vendor of such coal unless upon weighing such coal it shall be found that

the amount indicated upon such card or ticket is correct, in which case the vendor shall not be liable to any expense for such weighing.

Sec. 4. No cart, wagon or other vehicle shall be used for the hauling or delivering of coal within said city without having painted thereon in legible characters in a conspicuous place on the side thereof the name or names and business address of the person or corporation in whose business said cart, wagon or vehicle is being used.

Sec. 5. No license issued under any of the provisions of this ordinance shall be transferable without permission of the Mayor endorsed thereon and any such assignment or transfer without the consent of the Mayor shall immediately terminate said license; every license issued under the terms of this ordinance shall terminate and be at an end when a second judgment or conviction for the same offense shall be recovered against the person or corporation having such license.

Sec. 6. Every person who shall violate any of the provisions of this ordinance shall, unless otherwise provided herein be subject to a fine or penalty not exceeding \$150 in amount, to be imposed by the police justice or judge or court before whom a suit for such fine or penalty is brought in the discretion of such justice, judge or court and on failure to pay such fine or penalty when recovered shall be imprisoned in the Monroe County Penitentiary for a term not exceeding 150 days, to be determined by such justice, judge or court in his or its discretion at the time the judgment is entered.

Sec. 7. Every execution upon a judgment recovered for any fine or penalty or forfeiture imposed for the violation of any provision of this ordinance shall be issued immediately on the rendition of the judgment and shall command the amount to be made out of the personal property of the defendant within the city not exempt from levy and sale under an execution, if such can be found, and if not, then to commit the defendant to the Monroe County Penitentiary for such time as shall have been directed by the justice, judge or court rendering such judgment and may be issued to and enforced by any member of the police department of said city; such execution may be issued by the police justice or the police clerk of said city where the judgment was rendered by the police justice of said city.

Sec. 8. This ordinance shall take effect immediately.

To the Honorable the Common Council:

Gentlemen: I beg leave to call your attention to the fact that note No. 502, issued for East Side trunk sewer purposes, will be due September 4th.

The amount of same is \$25,000.

The East Side trunk sewer budget for the present month amounts to \$15,000.

Will you kindly give me the necessary authority to transfer from the General Fund sufficient money to meet these obligations.

Yours respectfully,

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is, directed and authorized to transfer to East Side Trunk Sewer Funds from any moneys in the General Fund, a sufficient amount to meet note No. 502, due September 4th, which was issued for East Side Trunk Sewer purposes June 28, 1894. Said fund to be reimbursed when the balance of East Side Trunk Sewer bonds are sold, with interest at the legal rate.

Adopted.

Also, Resolved, That the City Treasurer be, and he hereby is, directed and authorized to transfer from any moneys in the General Fund fifteen thousand dollars (\$15,000) to the East Side Trunk Sewer Fund.

Said fund to be reimbursed, with interest at the legal rate, when the balance of bonds for East Side Trunk Sewer purposes are sold.

Adopted.

REPORTS OF STANDING COMMITTEES.

By Ald. Dewey—

ROCHESTER, N. Y., Sept. 4, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—A petition has been presented to your Water Works Committee for the extension of water mains in Culver street, from East avenue to the Erie canal in advance of the macadam roadway improvement, the contract for which is about to be let by the Executive Board.

In view of the fact that no funds for laying water pipe in said street are now available, the petitioners have agreed to advance the cost of laying said water mains to the Executive Board, the money to be refunded to them without interest, at the pleasure of the city; and we therefore recommend that the prayer of the petitioners be granted.

DAVID HARRIS,
WM. PAUCKNER,
WILLIAM C. GREEN,
Water Works Committee.

Ordered received, filed and published.

By Ald. Dewey—Resolved, That the Executive Board is hereby requested to extend the necessary water mains through Culver street from East avenue to the Erie canal, and to connect said mains with the city water works system; the expense of said extension to be advanced by the property owners on said street, and they to be reimbursed for said expense, at the pleasure of the city, without interest.

Adopted.

By Ald. Adams—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen—Your Law Committee beg leave to report as follows:

In the matter of the claim of Charles Murray for services as bridge tender, amounting to \$16.08, we recommend that the same be paid.

In the matter of the claim of Gilbert Costick for sewage pollution, we recommend that the same be settled, for the sum of \$95 per year.

In the matter of the appointment of commissioners of deeds, we recommend that Norman Van Voorhis and Kittie Deyo be appointed such commissioners.

In the actions brought by William Case, Michael F. Kleehammer and Henry Erbland against the city, this committee recommended a settlement of \$75, \$50 and \$60 per year, respectively: These propositions have been

accepted, and we recommend the adoption of the accompanying resolution settling these cases.

MAHLON B. ADAMS,
H. G. COOK,
WM. PAUCKNER,
WILLIAM H. TRACY.

Law Committee.

Ordered received, filed and published.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney, that proper releases and discharges have been filed with him, the City Clerk be and hereby is authorized and directed to draw an order payable from the Contingent Fund in favor of Charles Murray or his attorney George P. Decker, for the sum of \$16.08, being in full for services performed by said Murray as bridge tender at the Brown street lift bridge.

Adopted by the following vote:

Alds.—Tracy, Callhan, Green, Rauber, Adams, Edelman, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Simmelink, Lewis, Harris—16.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney, that proper releases, satisfactions and stipulations for all claims and damages by or on the part of the persons hereinafter named against the city of Rochester, by reason of the discharge of sewage into the creeks flowing along or through the premises owned or occupied by them, have been executed and delivered to the city, the City Clerk be and he hereby is directed to draw an order upon the Treasurer payable from the Contingent Fund in favor of each of the parties hereinafter named, or their attorneys for the sums and periods hereinafter stated with costs to be stipulated by the City Attorney where actions have been commenced, Gilbert Costick, \$95 per year; William Case, \$75 per year; Michael F. Kleehammer, \$50 per year; Henry Erbland, \$60 per year.

Adopted by the following vote:

By Ald. Ashton—

To the Honorable, the Common Council:

Gentlemen:—Your Assessment Committee would respectfully report:

In the matter of the petition of Julia A. Spencer for cancellation for personal property tax, it appears that Mrs. Spencer still holds as executrix about \$1,000 of funds of the estate of Sarah S. Mather of which she is executrix. We can there see no merit in her application and recommend that her petition be denied.

In the matter of the petition of Thomas Peart for cancellation of a certificate of sale of general city taxes for the year 1887, on land in the Strong tract on the south side of Clarissa street; it appears that on December 4, 1888, Mr. Peart obtained a tax search of the premises in question, showing that the property was free from taxes. The committee referred this petition to the City Treasurer, and upon investigation he reports that it would be just for Mr. Peart to pay said tax, with interest from the day of sale to December 4, 1888. Your committee would therefore recommend that Mr. Peart be allowed to pay such tax with interest from the day of such sale at 6 per cent. together with the legal fees upon such tax sale.

In the matter of the application of the Humane Society for cancellation of assessment for the year 1893, on their premises on Sophia street; it appears that under the provisions of chapter 498 of the laws of 1893, such premises are exempt from taxation, and it further appears that such property was owned and occupied by said society during the year 1893,

and prior to the time of levying such tax. Your committee would therefore recommend that such tax be cancelled.

In the matter of the petition of T. B. Dempsey, et al for cancellations of certain assessments made against them for construction of Monroe avenue outlet sewer, we find that prior to August 1, 1893, the petitioner had constructed a private sewer through Monroe avenue, opposite the premises in question, which sufficiently drained their premises. That shortly prior to August 1, 1892, the city passed an ordinance for the construction of an 18-inch sewer in Monroe avenue, which was to drain into petitioners sewer, which was only twelve inches in diameter. The Monroe avenue Homestead Association, one of the petitioners on August 3, 1892, commenced an action and procured an injunction restraining the connection of said 18-inch sewer with the 12-inch sewer, and thereafter at a conference between the City Surveyor and City Attorney and others interested, it was agreed that the city should take up the 12-inch sewer, use the pipe, and construct an 18-inch sewer in front of the premises in question, it being agreed that if this were done this action should be discontinued without costs against the city, and the petitioners be assessed but nominally, this being the case and the action, never having been discontinued, we deem it proper after consultation with the City Attorney, City Surveyor, and ex-City Attorney Kiehel, who had charge of the action at the time of the controversy arose, to recommend the cancellation of the assessments.

In the matter of the petition of Conrad S. Kurtz, for cancellation of assessment on part of lot 71 Manhattan Meadow Tract. It appears that Mr. Kurtz owns but 6 1-2 feet of lot 71, but that in the year 1882 and 1883, the general city taxes for those years on the whole lot 71, were assessed against said portion of said lots and the same were sold for general city taxes for those years, we recommend that upon payment of the pro rata share of general city taxes for the year 1882 and 1883, said 6 1-2 feet be released from the lien of said tax sales.

In the matter of the petition of Mary E. Weider, for refund of excessive interest paid, we are of the opinion that the amount paid by her over and above the amount due for general city taxes, for year 1890 and fees of sale and interest at 6 per cent. should be refunded to her, but that her petition for refund of excessive interest paid on tax sale for year 1893 should be denied.

JOHN H. ASHTON,
H. G. COOK,
JOHN F. FOX.

Assessment Committee.

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the petition of Julia A. Spencer for cancellation of a personal property assessment against the estate of Sarah S. Mather be and the same hereby is denied.

Adopted.

By Ald. Ashton—Resolved, That the City Treasurer receive from Thomas Peart, the amount of general city tax against the premises now owned by Thomas Peart and known as a part of the Strong Tract in Ward three, on the south side of Clarissa street, for the year 1867 together with interest thereon from the date of sale at 6 per cent., and the legal fees and expenses of sale.

Adopted.

By Ald. Ashton—Resolved, That the petition of the Humane Society of Rochester for cancellation of general city taxes for the year 1893, on their premises on Sophia street, be and the same hereby is granted; and the City Treasurer be and he hereby is directed to cancel such tax standing against said premises

for general city taxes for the year 1893, and charge such tax to erroneous assessments.

Adopted.

By Ald. Ashton—Resolved, That the petition of T. B. Dempsey, John Dempsey and the Monroe Avenue Homestead Association for cancellation of certain assessment for construction of Monroe avenue sewer pipe, final ordinance, No. 4,874 be granted and upon the certificate of the City Attorney that a proper stipulation of discontinuance of the action of the Monroe Avenue Homestead Association against the city of Rochester has been filed in the office. The Treasurer be, and he hereby is, directed to cancel said assessment and charge same to erroneous assessments.

Adopted.

By Ald. Ashton—Resolved, That the Treasurer be, and he hereby is, directed to receive from Conrad S. Kurtz the sum of \$2.20, and interest thereon from March 29, 1883, and the sum of \$2.15, and interest thereon from March 27, 1884, being the amount due the city of Rochester for general city taxes, upon the north 6 1-2 feet of lot No. 71, Manhattan Meadow tract, west side of Savannah street assessed to R. M. Lacey for general taxes 1882 and 1883, and that when payment of said sums shall be made, the Treasurer shall note upon his tax rolls the release of said north 6 1-2 feet of said lot No. 71, from the lien of the certificate of tax sales for the general city taxes for the year 1882 and 1883, and that the remainder of said taxes remain a lien upon the balance of said lot No. 71.

Adopted.

By Ald. Ashton—Resolved, That so much of M. E. Weider's petition as asks for refund of excess of interest paid on tax sale for city taxes for year 1893, be denied and that an order be drawn by the Clerk on the Treasurer, payable from the Contingent Fund in favor of Mary E. Weider for \$6.94, being the amount of interest paid by her over and above the legal rate on the certificate, held by the city of Rochester for sale of taxes on her premises for year 1890.

Adopted by the following vote:

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., Sept. 4, 1894.

To the Common Council:

Gentlemen:—A short time ago an ordinance for a macadam improvement of Culver street from East avenue to the Erie canal was passed by your honorable body, and the contract for the work is now about to be let. There are, however, no water pipes in said portion of Culver street, and the taxpayers assessed for the improvement are very desirous of having such water pipes laid in said street in advance of the expensive surface improvement. No funds, however, applicable to the extension of said water pipes in said portion of Culver street, and the Executive Board has been informed by a committee of taxpayers assessed for said improvement that the cost of the extension of said water pipes would be advanced by said taxpayers, the money to be refunded to them, without interest, at the pleasure of the city.

The Executive Board fully concurs with said taxpayers in the expediency of having the water pipes properly laid in advance of said improvement, and recommends that the proposal of said committee to furnish the

necessary funds for extending the water pipes be accepted.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

Ordered received, filed and published, and referred to the Water Works Committee.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., Sept. 4, 1894.

To the Common Council:

Gentlemen:—The existence of two conduits for the water supply of this city renders it necessary that a yard for the storage of reserve pipe, valve and other materials for making repairs shall be available at Honeoye Falls; and inasmuch as all new materials needed for such repairs will be obtained from different distant localities, it is obvious that such storage grounds shall be contiguous to some railroad.

In view of this fact the Executive Board has examined a number of locations for such storage yard in the village of Honeoye Falls. Of all these sites the Executive Board regards the premises, at present owned by Mrs. Minerva J. Holden, as the most suitable for the purpose. These premises have a frontage of about 227 feet on the Canandaigua & Batavia branch of the N. Y. C. & H. R. R. R., and a frontage of about 216 feet on Norton street in said village; the depth of the lot between Norton street and the railroad being about 400 feet, so that the premises occupy an area of about two (2) acres.

An option for the purchase of this piece of land for the sum of \$500.00 has been secured by the Executive Board for a nominal consideration, and as said terms are regarded as favorable, the Executive Board accordingly recommends the purchase of said piece of land for pipe-yard purposes.

Respectfully submitted,

THOS. J. NEVILLE, Clerk.

To the Executive Board:

Gentlemen:—Some three weeks since we called the City Surveyor's personal attention to serious obstructions in the bed of the river in the rear of our premises on North Water street, and later we called the Street Superintendent's attention to the same matter, but up to this date nothing has been done to abate the nuisance. It is a huge mass of stone and rubbish washed there from the fire and tearing down of the walls of the burnt Union mills, and upon the occasion of the high water last spring we believe the flooding of our basement was due in a large measure to said obstructions, as heretofore we seldom had water there in high water.

We respectfully call your attention to this matter, and trust you will have the same removed while the river is low. A personal inspection will convince you we believe of the justice of our complaint.

Respectfully yours,
THE JOHN SIDDONS COMPANY.

LOCAL IMPROVEMENT ASSESSMENT.

By Ald. Ashton—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvements, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements respectively adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be benefited by the improvements, respectively, are as stated and described in the said ordinances relating to the improvements, respectively, and that the name and expense of the improvements thus to be assessed are as follows, viz:

Ord. No.	Improvement.	Expense.
5,512.	Avenue D. pipe sewer	\$ 740 80
5,268.	Union street pipe sewer	1,885 27
5,514.	Rose street cement walk	401 12
5,261.	St. Joseph park plank walk	35 78
5,269.	Lampson street plank walk	33 75
5,499.	Maria street plank walk	37 41

And it is further determined that the taxpayers to be assessed for making the foregoing improvements must pay their assessments within thirty days from the first publication of the advertisement of the notice of the assessment rolls by the City Treasurer.

And it is further determined that the taxpayers to be assessed for making the following improvements, viz:

Ord. No.	Improvement	Expense.
5,120.	North avenue outlet sewer	\$37,516 70
5,497.	Shelter avenue pipe sewer	4,238 54
5,199.	Garth avenue pipe sewer	6,762 66

May pay their assessments in three equal payments as follows:

One third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer, one-third within one year from the confirmation of such roll. And the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment a discount will be allowed at the rate of six per cent. per annum.

And the Assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of land within the portions or portions of the city above designated and directed to be assessed, of the amounts of expenses of such improvements, respectively, in proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements, shall be deemed to receive by the making of the respective improvements.

Adopted by the following vote:

Ayes—Tracy, Calhan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey Cook, Pauckner, Kelly, Simmelink, Lewis, Harris—17.

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., Aug. 30, 1894. }

To the Common Council:

Gentlemen:—Pursuant to a resolution adopted by your honorable body the Executive Board have requested the owners of the property proposed to be taken for the extension of Ravine avenue to give prices which they would accept for the land necessary for the improvement.

The owners of this property appeared at the office of the Executive Board, but the prices asked are deemed to be in excess of the value of the land, and the Executive Board therefore refers the matter back to the Common Council that the usual proceedings may be taken for the appointment of a commission to appraise the damages which the several parties interested may be deemed to have sustained on account of the extension of said Ravine avenue.

THOMAS J. NEVILLE Clerk.

Ordered received, filed and published.

By Ald. Ashton—Whereas no agreement for the purchase of the lands necessary for the extension of Ravine avenue, in the city of Rochester, under Final Ordinance No. 5,574, can be made, therefore,

Resolved, That a copy of said ordinance and of this resolution, together with the map of the proposed street, be made and filed in the office of the City Clerk and of the County Clerk, which map shall show thereon the lots, tracts and parcels of land, which are deemed necessary to be taken, and the commencement, course and termination of said street proposed to be extended, according to the provisions of section 174 of the revised city charter, and that the City Attorney be, and he hereby is, instructed to take and institute such proceedings, from time to time, as may be necessary to secure such street extension, as is provided by the city charter.

Adopted.

ACTION UPON ORDINANCES.

FIRST ORDINANCES.

NORTH GOODMAN STREET SWEEPING AND CLEANING.

By Ald. Pauckner—Resolved, That the City Surveyor ascertain and report to this Council the expense of sweeping and cleaning North Goodman street.

The Surveyor submitted as such estimate \$272.

By Ald. Pauckner—Resolved, That the following improvement is necessary, viz.:

The sweeping, cleaning and disposition of the dirt collected on North Goodman street from East avenue to University avenue, during the season of 1894.

And, Whereas, the City Surveyor, under the directions of this Council, has made an estimate of the whole expense thereof, and reports the same at \$272, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

“One tier of lots and parcels of land on each side of North Goodman street from East avenue to University avenue.

Adopted.

SCIO STREET MEDINA BLOCK PAVEMENT.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of improving Scio street with a Medina block pavement and cross walks on sidewalk lines from a line twenty feet south of the tracks of the N. Y. C. & H. R. R. R., which cross said street at grade, to Syracuse street.

The Surveyor submitted as such estimate \$3,500.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The improvement of Scio street from a line twenty feet south of the tracks of the N. Y. C. & H. R. R. R., which cross at grade, to Syracuse street, by the construction of a Medina block pavement on cement foundation, and sidewalks consisting of four lines of flag stone eighteen inches wide, spread six inches apart, which, with the pavement, will occupy the full width of the street, together with the proper connection of said improvement with existing pavements, curbs and sidewalks.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$3,500, which being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Scio street from the south line of land of the New York Central and Hudson River Railroad to the south line of Syracuse street. Adopted.

WOODBURY STREET PORTLAND CEMENT WALK.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing cement walks on Woodbury street.

The Surveyor submitted as such estimate \$800.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The construction of a Portland cement walk 4 1-2 feet wide on each side of Woodbury street, from Hudson avenue to North street, also the necessary sidewalk grading.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$800, which being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Woodbury street from Hudson avenue to North street. Adopted.

JONES STREET (SEC. 2) SPRINKLING.

By Ald. Ward—Resolved, That the City Surveyor ascertain and report to this Council the expense of sprinkling (Sec. 2) Jones street.

The Surveyor submitted as such estimate \$5,200.

By Ald. Ward—Resolved, That the following improvement is necessary, viz.:

The sprinkling of (Sec. 2) Jones street from Smith street to Lyell avenue during the season of 1894.

And, Whereas, the City Surveyor, under the direction of this Council, has made an estimate of the whole expense thereof, and reports the same at \$3,200, which estimate is hereby approved.

Resolved, further, that the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for the whole expense thereof, viz.:

“One tier of lots and parcels of land on each side of Jones street from Smith street to Lyell avenue, in proportion to the benefit and advantage which each will derive therefrom.

Adopted.

By Ald. Ward—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at this or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order, or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be, and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Herald, notice thereof as is required and in the manner specified by section 172 of the city charter. Adopted.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Sept. 4, 1894.

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and Rochester Herald, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or about any order, resolution or ordinance on an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvement, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, September 4, 1894, at 7:30 o'clock, P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk.

FINAL ORDINANCE NO. 5,600.

EMERSON STREET SWING OR HOIST BRIDGE.

On motion of Ald. Ashton, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to build a swing or hoist bridge over the Erie Canal at Emerson street, and after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester do ordain and determine that the following improvement is necessary and should be made, to wit:

Whereas, by an act of the legislature, being chapter 236, of the laws of 1893, as amended by chapter 560, of the laws of 1894, the state of New York appropriated, upon certain conditions, the sum of \$7,500 for the construction of a swing or hoist bridge over the Erie canal at Emerson street and the necessary approaches and machinery therefor, at a total cost not to exceed the sum of \$17,000.

The construction of a lift bridge over the Erie canal at Emerson street, and the grading of the approaches thereto, in accordance with plans of the state engineer and surveyor.

The estimated expense is \$17,000, of which \$2,500 of the whole expense thereof be paid as provided by the said statute out of the public treasury of the state and balance be assessed upon the following territory:

All of the territory within the following described line:

Beginning at a point in the west line of the city, where it would be intersected by the

north line of lot No. 312 of the Kondolf & Brayer subdivision, thence easterly along said line and the north line of lots No. 225, 224, 159, 158, 108, 107, 69, 68, of said subdivision produced to the easterly line of the Erie canal lands, thence easterly along said easterly line of the canal to the north line of Ravine avenue, thence easterly along Ravine avenue, including one tier of lots on the north side thereof to the top of the bank on the west side of Deep Hollow creek; thence southwesterly along the top of said bank to Locust street; thence easterly along Locust street, including one tier of lots on the north side thereof to Fulton avenue; thence southerly along Fulton avenue, including one tier of lots on the east side thereof to Emerson street; thence easterly along Emerson street, including one tier of lots on the north side thereof to Lake avenue; thence westerly along Emerson street, including one tier of lots on the south side thereof to Backus avenue; thence southerly along Backus avenue to south line of lands of the State Industrial School; thence westerly along said south line and said line produced to Sherman street; thence northerly along Sherman street including one tier of lots on the west side thereof to Bauer street; thence westerly along Bauer street to Gates avenue; thence southerly along Gates avenue to Villa place; thence westerly along Villa place and Villa place produced to the west line of the city; thence northerly along said city line to the place of beginning.

Adopted by the following vote:
Ayes—Alds. Tracy, Callihan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Alkenhead, Simmelnk, Lewis, Harris—18.

Final ordinance for Rutger street pipe sewer came up, and upon motion of Ald. Dewey acted thereon, was postponed two weeks.

FINAL ORDINANCE NO. 5,601.

FLOWER STREET EXTENSION.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to extend Flower street from the present west end westerly to Conkey avenue, and after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The extension of Flower street westerly to Conkey avenue, the north line of said extension is described as follows: Beginning at the west end of Flower street as now opened, and extending westerly in a prolongation of the north line to Clifford avenue; thence westerly in a direct line to a point in the east line of Conkey avenue, where the north line of Nelson place, extended easterly would intersect it. The south line of said extension to be parallel to, and 40 feet distant from the above described north line, from Conkey avenue to Clifford avenue, and 40 feet from Clifford avenue to the west end of the present Flower street. And the land necessary to be taken therefor is all the lots and parcels of land lying between the above described north and south lines, and extending from Conkey avenue to the west end of Flower street as now opened.

And the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Flower street, as now opened, and as proposed to be opened, from Conkey avenue

to North Clinton street, as they exist at the date of the passage of this ordinance.

Adopted by the following vote:
Ayes—Alds. Tracy, Callihan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Alkenhead, Simmelnk, Lewis, Harris—18.

FINAL ORDINANCE NO. 5,602.

DRIVING PARK AVENUE CEMENT WALKS.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to construct a cement walk on Driving Park avenue from the Boulevard to the city line, and after hearing such allegations from all persons appearing.

The Common Council of the City of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The construction of a Portland cement walk 4 1-2 feet wide on each side of Driving Park avenue, from the Boulevard to the city line, excepting where good flag stone or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the necessary side walk grading and cross walks.

And the City Surveyor, under direction of this Council, having made and reported as an estimate of the expense thereof, the sum of \$3,700, which, being deemed reasonable, is hereby approved, and the whole expense of such improvement is hereby directed to be assessed upon all the following portion and part of the City which this Council deems proper to be so assessed for, and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Driving Park avenue, from the Boulevard to the city line.

Adopted by the following vote:
Ayes—Alds. Tracy, Callihan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Alkenhead, Simmelnk, Lewis, Harris—18.

By Ad. Callhan—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your City Property Committee would most respectfully submit the following:

In accordance with your instructions bids were solicited for the rewiring of the City Hall building. After duly considering the various bids received your committee would recommend that the one of Charles F. Burns & Company for \$1,825 be accepted.

In the matter of lighting the City Hall building your committee has had this subject under consideration for some time past, and would recommend that a contract be entered into with the Citizens' Light and Power Company to light the City Hall building for one year in accordance with the proposition submitted by the company, which was for the sum of \$761.

Respectfully submitted,

M. J. CALIHAN,
A. H. DEWEY,
JOHN H. ASHTON,
WILLIAM WARD,

City Property Committee.

Referred to Poor Committee.
By Ald. Edelman—Petition of Charles H. Babcock for permission to erect a coal trestle on North Webster and Hudson streets. Referred to Wood Building Committee and Fire Marshal with power to act.

By Ald. Edelman—Resolved, That the resolution offered by Ald. Green and adopted at a meeting of this Board held August 7, 1894, and reported at page 206, current proceedings, authorizing the New York Central & Hudson River Railroad Company to extend the bridge carrying its railroad tracks over North street, northerly a sufficient distance to lay an additional track on the said bridge northerly of its four main tracks, etc., be and the same hereby is reconsidered.
Adopted.

By Ald. Edelman—Resolved, That said resolution be amended so as to read as follows:

Resolved, That the Common Council of the city of Rochester does hereby consent to, and authorize the New York Central & Hudson River R. R. Co. to construct, maintain and operate a railroad bridge for one track across North street in the city of Rochester. The easterly end of said bridge shall be south of, and at or near the intersection of the east line of said street with the south line of North avenue; said bridge shall cross the westerly line of North street between the present tracks of said company and Webster street. Said bridge shall be constructed in one clear span over said North street, supported by a stone pier on each side of said street, clear from the lines thereof; and said bridge shall be of such height as to give a clear head

room of at least 15½ feet above the grade of said street; and it shall be so floored and maintained as to prevent dripping of oil or water upon the roadway or sidewalk underneath.

Adopted.
By Ald. Edelman—Resolved, That the resolution as thus amended be adopted.

Adopted by the following vote:
Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Powell, Ward, Pauckner, Aikenhead, Stimmelink, Harris—12.

By Ald. Fox—Petition of Simon Klonick for permission to erect a wooden building on Sellinger street. Referred to Wood Building Committee and Fire Marshal with power to act.

By Ald. Powell, by request of Ald. Ashton—Resolved, That the confirmation of the assessment roll for Second avenue pipe sewer and walks, ord. No. 5,260, passed September 4, 1894, be and the same hereby is reconsidered.
Adopted.

By Ald. Powell, by request of Ald. Ashton—Resolved, That said assessment roll be referred to the Assessment Committee.
Adopted.

REPORTS OF STANDING COMMITTEES.

By Ald. Adams—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: Some time ago Elizabeth Hawes was convicted in the police court of this city upon the charge of keeping a disorderly house and fined \$100, which she paid. An appeal was taken and the judgment of the police court has been reversed, and restitution of the fine paid has been ordered. The fine and interest amounts to \$104.85, and the costs amount of \$28.25, amounting in all to the sum of \$133.10. Upon advice of the City Attorney we recommend that this amount be paid.

We also recommend the appointment of the following Commissioners of Deeds: Charles A. Worts, Felmont W. LaRue, B. F. LaRue, Charles H. McNeil.

Respectfully submitted,

MAHLON B. ADAMS,
T. McMILLAN,
WILLIAM H. TRACY.

Law Committee.

Ordered received filed and published.

By Ald. Adams—Resolved, That upon the certificate of the City Attorney the City Clerk be and he hereby is directed to draw an order in favor of Patrick McIntyre, attorney for Elizabeth Hawes, for the sum of \$133.10, payable from the Police Fund.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ward, Paucker, Aikenhead, Simmelinck, Harris—13.

By Ald. Green—

Rochester, September 10, 1894.

To the Honorable, the Common Council of the City of Rochester:

We, the undersigned members of the Committee on Railroads, recommend that Frank P. Crouch be authorized to re-lay the present switch of the B. R. & P. R. R. at Colvin street crossing about ten (10) feet south of the present line, to accommodate his flour mill, it being our judgment that this plan as proposed will obviate a great deal of crossing of the thoroughfare and less danger to the public than by any other means.

W. C. GREEN,
A. H. DEWEY,
J. M. AIKENHEAD,
THOMAS McMILLAN,
J. MILLER KELLY,

Railroad Committee.

Ordered received, filed and published.

By Ald. Green—Resolved, That Frank P. Crouch be authorized to re-lay the present switch of the B. R. & P. R. R. at Colvin street crossing about ten feet south of the present line, to accommodate his flour mill.

Adopted by the following vote:
 Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ward, Pauckner, Aikenhead, Simmelink, Harris—13.
 Ald. Rauber, from the Health Committee, Ald. Adams, from the Poor and Lamp Committees, Ald. Ward from the City Property Committee, Ald. Pauckner, from the Contingent Expense Committee, and Ald. Aikenhead, from the Police Committee, reported favorably on the various bills referred to their respective committees, and referred them to the Auditor and Finance Committee for payment.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

MAYOR'S OFFICE, }
 ROCHESTER, N. Y., Sept. 13, 1894. }

To the Honorable, the Common Council:

Gentlemen: Though I have approved the proceedings of your body of the meeting held September 4th, it is only after mature consideration, coupled with regret, that the occasion should have arisen that I have allowed one resolution to stand. I need hardly say that I refer to the resolution awarding the contract for lighting the city hall to the Rochester Gas & Electric Company, and authorizing the purchase of the company's wires. I think it is not necessary for me to recall the arguments used by me in vetoing the original resolution making the award to this company—arguments which at that time seemed to the members of your honorable body sufficient to cause you to rescind your former action and to direct the taking of steps looking to the re-wiring of the building and the awarding of the contract to the lowest bidder.

I have been urged by a large number of good citizens and heavy taxpayers, not interested in any of the companies concerned, but only interested in seeing open competition established and encouraged, to disapprove the present resolution. The only reason their arguments have not prevailed with me is that by reason of the delay in the matter on the Council's part, nearly a third of the year has passed, during which time the contract was to run, and as the present resolution makes the contract with the old company at the reduced rate date with the beginning of the year, that is June 1st, the amount of money saved becomes an item of sufficient importance to outweigh some of the original arguments.

As to the purchase of the present wires, while I do not regard them as valuable property, judged in the light of expert testimony, the fact that it is urged that they can be made to answer the purpose for the present compels me to sanction their purchase; all the more that the company has dropped from its former price of \$1,200 to the moderate one of \$500.

Respectfully,
 GEO. W. ALDRIDGE, Mayor.

Ordered received, filed and published.

By the Clerk—

To the Common Council:

Gentlemen: I am instructed by the Executive Board to invite your honorable body to inspect and review the Rochester Fire Department on the occasion of the annual parade, which will take place on Thursday, September 27th, at 2 o'clock in the afternoon. The reviewing stand will be located on West Main street in front of the new Court House.

Respectfully,
 THOS. J. NEVILLE, Clerk.

Ordered received, filed and published, and upon motion of Ald. Adams the invitation was accepted.

By the Clerk—

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., Sept. 18, 1894.

To the Honorable, the Common Council:

Gentlemen: I would respectfully call your attention to the fact that in order to meet the payments on the local improvement notes due September 27th, it will be necessary to borrow \$50,000, and for the purpose of paying the revenue bond due October 1st it will be necessary to borrow \$200,000, this being the amount of the bond.

I would therefore ask authority to issue the city's note, to be dated September 26th, for one year's time, or for such a time as it can be negotiated to the best advantage for the city's interest.

The proceeds of said note to be credited to Local Improvement Fund, and the discount or interest charged to the same fund.

The remaining \$50,000 note maturing September 27th will be paid from the Local Improvement Fund.

Respectfully,
S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.

Adopted.

By Ald. Ward—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed, or amended at this or any subsequent meeting, and the expense whereof in

whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council Chamber, when allegations relative thereto will be heard, and that the City Clerk be and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Herald notice thereof as is required and in the manner specified by section 172 of the city charter.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Sept. 18, 1894. }

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Herald, two daily newspapers printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and requiring all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, September 18, 1894, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk.

FINAL ORDINANCE NO. 5,607.

WENTWORTH STREET ASPHALT IMPROVEMENT.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to improve Wentworth street from West avenue to Brown street.

And after hearing such allegations from all persons appearing.

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

By Ald. Edelman—

BOARD OF PARK COMMISSIONERS, {
 ROCHESTER, N. Y., Sept. 18, 1894. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—In compliance with your resolution passed July 24th, last, directing this board to make plans for the improvement of Franklin square, we submit plans and estimates of the cost of the work as follows:

As soon as possible after the receipt of a copy of your resolution, a survey was made of the square and forwarded to Messrs. Olmsted, Olmsted & Elliot, of Brookline, Mass., park architects, for a design.

The first design, of which a copy is hereto annexed, was thought to be too expensive. It included a walk and a stone coping all around the square. The stone coping and the walks on the east and west sides of the square have been taken out of the amended plan, and also some changes made in the walks through the square, to save some of the larger trees. A copy of the amended plan is also hereto annexed and also a copy of our map showing the trees and the spread of the branches of each by circles surrounding the trunk.

The cost of the improvement under the first plan would be \$11,000; under the amended plan, \$4,000.

These estimates include all the work constructing walks, grading, cutting out and trimming trees, manuring and seeding and the necessary shrub planting.

Submitted to your Board by order of the Park Commissioners.

Yours truly,

F. W. ELWOOD,

Chairman, City Park Committee.

Ordered received, filed and published and upon motion of Ald. Edelman referred to Surveyor to prepare an ordinance.

By Ald. Pauckner—Resolved, That the City Surveyor be, and he hereby is, directed to prepare an ordinance, or ordinances to sewer that section of the Fourteenth ward known as the Mt. Hope and South avenue building lot association tract, bounded by Mt. Hope avenue, South avenue, Elmwood avenue and May street.

Adopted.

By Ald. Pauckner—Resolved, That the Clerk draw orders upon the Treasurer, payable from the contingent fund, in favor of the following named parties, and for the sums and pur-

poses, viz: Louis H. Jack, for twenty-four dollars, for services as commissioner and clerk of appraisal; Charles H. Rice and Elmer L. Oliver for twelve dollars, each, for services as commissioners of appraisal; K. P. Shedd for three and 75-100 dollars for abstracts of title and searches; the Rochester Printing Co., for twenty-one dollars and eighty-eight cents for publishing notice of application for commission, and notice of meeting of commissioners in the matter of the widening of Lawton street, in the city of Rochester, under final ordinance No. 5,259, and that the Treasurer pay said several sums from the contingent fund, and charge and carry said sums to the fund for the widening of said street, when created.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ward, Pauckner, Alkenhead, Simmelinck, Harris—13.

ROCHESTER PARK COMMISSION. }
Tuesday, September 18, 1894. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—I herewith submit the report of the Boulevard and Parkway committee and the resolutions which were adopted for a parkway from Norton street to Clifford street, as directed at the meeting of the Park Commissioners, held on Tuesday, September 4th, last.

I hereby certify the following to be a correct copy from the minutes of the Park Commissioners in reference to the above parkway.

ARTHUR R. SELDEN,

Secretary, Park Commissioners.

ROCHESTER PARK COMMISSION. }
Monday, August 27, 1894. }

To the Board of Park Commissioners:

Gentlemen:—The Boulevard and Parkway Committee recommend the construction of a parkway 200 feet wide in width, from Norton to Clifford street, being 100 feet on each side of the following described central line:

Commencing at a point on the south line of Norton street, where the dividing line between the lands of Mary E. Leahy and the Erickson estate intersect the said south line; thence southerly on said dividing line to a point 80 feet south of the south line of the Erickson estate; thence easterly parallel with and 80 feet southerly from the south line of the Erickson estate to the west line of Goodman street; thence easterly across Goodman street to the intersection of the line between the lands of Hector McLean and Carolina Caesar and the east line of Goodman street; thence easterly along the north line of the land of Hector McLean and the north line of the land of Nicholas Schum to the northwest corner of the lands of Thomas Jackson and H. T. Ayers; thence southerly on the line between the lands of Nicholas Schum and said Jackson and Ayers, and the said southerly line produced, to the north line of Clifford street.

The Park Engineer has reported the cost of grading two 30-foot roadways, five tile drains across parkway, at street crossings and low grounds, the manuring, seeding and tree planting for this parkway, which is 7,322 feet long, to be \$14,825.

Your committee have decided and recommend to the board, that the amount to be assessed on the property owners be five per cent. of the total cost of the parkway, the balance of the cost to be paid out of the Boulevard Fund.

This makes the assessment per frontage foot on each side of the parkway about five cents.

There is a balance in the Boulevard Fund at the present time of \$14,765.34. Taking out the amount appropriated by the Board for the Seneca Parkway cement walk, \$382.50, leaves

a balance of \$14,382.84. Five per cent. of the estimated cost of this parkway makes \$741.25, this amount taken from the estimated cost leaves \$14,083.75, which amount is \$99.09 less than the balance left of the Boulevard Fund unappropriated. But as the estimated cost of all improvements is always more than the actual cost, we expect to have a good balance to our credit after this parkway is built.

We have had a map made showing the line of this parkway and giving the acreage necessary to be taken, as directed at the last meeting, which is herewith submitted.

We attach hereto a set of resolutions necessary, according to law, to be transmitted to the Common Council as the first ordinance for the above parkway, and recommend their adoption.

Respectfully submitted,

E. M. MOORE,
CHARLES LITTLE,
J. CAUFMAN,
H. S. GREENLEAF.

Boulevard and Parkway Committee.

PARKWAY FROM NORTON TO CLIFFORD STREET.

Resolved, That the Park Surveyor and Engineer ascertain and report to this Board the cost and expense of laying out a parkway, 200 feet wide, from Norton to Clifford street, by grading two 50 foot roadways, sidewalks and central planting space, the construction of tile drains at street crossings and low grounds across parkway, and the necessary manuring, seeding and tree planting, through property on each side of the following described central line:

Commencing at a point on the south line of Norton street, where the dividing line between the lands of Mary E. Leahy and the Erickson estate intersect the said south line; thence southerly on said dividing line to a point 80 feet south of the south line of the land of the Erickson estate; thence easterly parallel with and 80 feet southerly from the south line of the lands of the Erickson estate to the west line of Goodman street; thence easterly across Goodman street to the intersection of the line between the lands of Hector McLean and Carolina Gaesser and the east line of Goodman street; thence easterly along the north line of the land of Hector McLean to the center line of a new street, lately acquired by the city of Rochester for sewer purposes; thence southerly on the center line of said new street to the north line of Clifford street.

The Park Engineer and Surveyor submitted as such estimate the sum of \$14,825.

Resolved, That the Board of Park Commissioners determine to lay out a parkway 200 feet in width, by grading two 30-foot roadways, sidewalks and a central planting space; the construction of five tile drains across parkway at street crossings and low grounds, and the necessary manuring, seeding and tree planting, through the following described property, which we deem to be proper and desirable to be reserved for that purpose:

Commencing at a point in the center of Norton street, 100 feet westerly from the intersection of the line between the lands of the Erickson estate and Mary E. Leahy; thence southerly on a line parallel with the east line of Mary E. Leahy's land and 100 feet distant westerly therefrom, 2,267 9-10 feet to a point on the land of O. F. Hiller, 180 feet southerly from said Hiller's north line; thence easterly on a line parallel with said Hiller's north line, 727 feet to the center of Goodman street; thence northerly along the center of Goodman street 200 feet; thence westerly 527 feet on a line parallel with the south line of the lands of the Erickson estate to a point 100 feet easterly from the west line of the land of the said Erickson estate; thence northerly 2,067 9-10 feet, on a line parallel with the west

line of the land of the Erickson estate, to the center of Norton street, which said point is about 500 feet westerly from the west line of Goodman street measuring along the center line of Norton street; thence westerly along the center line of Norton street to the place of beginning.

Also, commencing at a point in the center of Goodman street, 100 feet southerly from the intersection of the lands of Hector McLean and Carolina Gaesser with Goodman street; thence easterly on a line parallel with said McLean's north line 2,050 feet to the center of a new street, lately acquired by the city of Rochester; thence northerly along the center of said new street 200 feet; thence westerly on a line parallel with said McLean's north line and 100 feet distant northerly therefrom, 2,050 feet, across the lands of Peter Jackson, M. W. & P. Jackson, M. W. Jackson and Carolina Gaesser to the center of Goodman street; thence southerly along the center of Goodman street to the place of beginning.

And also, commencing at a point in the center of the said new street 100 feet south of the intersection of the lines of the lands of Frederick Bowman and Nicholas Schum; thence westerly 100 feet on a line parallel with Hector McLean's north line; thence southerly about 2,094 feet on a line parallel with and 100 feet distant westerly from the center line of said new street, across the lands of Hector McLean, George E. Peer and J. B. Perkins, to the center line of Clifford street; thence easterly 200 feet on the center line of Clifford street; thence northerly about 2,294 feet on a line parallel with the center of said new street and 100 feet distant easterly therefrom, across the lands of Bernard Schum, Nicholas Schum and Frederick Bowman to a point, which said point is 100 feet northerly from said Bowman's south line; thence westerly 100 feet to the center of the said new street; thence southerly 200 feet on the center line of said new street to the place of beginning.

Whereas, The Board of Park Commissioners, in pursuance of the provisions of chapter 317 of the laws of 1891, has made an estimate of the whole expense thereof, and reports the same at fourteen thousand eight hundred and twenty-five dollars (\$14,825), which estimate is hereby approved.

Resolved, Further, That the following portion of said city is deemed benefited and properly ought to be assessed by a local assessment for 5 per cent. of the whole expense thereof, to wit:

One tier of lots and parcels of land on each side of the described parkway as they exist at the date of the passage of this ordinance, public from Norton street to Clifford street, in proportion to the benefit which each will derive therefrom, and further,

Resolved, That the balance of the whole expense of said improvement be paid from the public treasury of the city of Rochester, to wit, from the Boulevard Fund.

Adopted by the following vote:

Ayes—Comis, Barry, Cauffman, Durand, Greenleaf, Huntington, Little, McQuaid, Moore, Ritter, Rochester, C. H. Wright—11.

Nays—None.

Ordered received, filed and published and upon motion of Ald. Simmelnk referred to Public Improvement Committee.

Upon motion of Ald. Aikenhead the Board then adjourned.

HENRY W. GREGG, City Clerk.

In Common Council, September 21, 1894.

COMMUNICATIONS TO THE BOARD FROM THE
MAYOR AND OTHER EXECUTIVE OFFICERS OF
THE CORPORATION AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., Sept. 21, 1894. }

To the Common Council:

Gentlemen: The following petition from the tenants of the Wilder building is hereby referred to your honorable body for such action as you may deem expedient.

Respectfully,

THOS. J. NEVILLE, Clerk.

To the Honorable, the Executive Board of the City
of Rochester:

The undersigned, tenants of the Wilder building, would respectfully call your attention to the fact that several buildings situate in the immediate vicinity, use and consume large quantities of soft coal, the smoke and soot from which comes into and through the Wilder building, rendering it very annoying and at times almost impossible to keep windows open and unpleasant at all times. We therefore ask your honorable body to call the attention of the companies or individuals using said buildings to the same, and ask that it be remedied, and in case it cannot be done that you enforce such proper ordinances as exist for that purpose.

Dated, Rochester, N. Y., September 13, 1894.

MOORE & KEAN, and others.

Ordered received, filed and published, and upon motion of Ald. Adams referred to Law Committee.

By Ald. McMillan—

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., Sept. 21, 1894. }

To the Honorable, the Common Council:

Gentlemen—The general city taxes for 1890, 1890 and 1891 against lots 163 and part 162 in the old eighth ward, Cornhill tract, Adams street, assessed to William Patterson, were sold and bid in by the city of Rochester. Elizabeth Patterson holds a claim against this property and is anxious to purchase the city's interest in same. I would respectfully suggest that the city assign its interest to her on receiving the amounts for which the taxes were sold, together with interest at the rate of 12 per cent. per annum from date of sale.

Yours respectfully,

S. B. WILLIAMS,
City Treasurer.

Ordered received, filed and published.

By Ald. McMillan—Resolved, That the City Treasurer be and he hereby is authorized and directed to issue to Elizabeth Patterson certificates of tax sales for the years 1890, 1890 and 1891 against lots 163 and part 162 in the old eighth ward, Cornhill tract, Adams street, assessed to William Patterson, upon her paying the amount for which taxes were sold together with interest at 12 per cent. per annum from date of sale.

Adopted by the following vote.

Ayes—Alds. McMillan, Green, Rauber, Adams, Edelman, Powell, Ashton, Kelly, Aikenhead, Simmelink, Harris.—11.

By Ald. McMillan—

CITY TREASURER'S OFFICE,
ROCHESTER, N. Y., Sept. 21, 1894. }

To the Common Council:

Gentlemen—Under authority of your honorable body I have transferred to the East Side Trunk Sewer account at different times amounts which now aggregate one hundred seventy-three thousand dollars (\$173,000) from the General Fund.

In order to meet obligations which will be due next month, it will be necessary to either issue East Side Trunk Sewer bonds or make notes against the East Side Trunk Sewer account that the General Fund may be reimbursed from the proceeds.

The interest upon the moneys transferred from the General to the East Side Trunk Sewer Fund to date amounts to \$2,388.64, making a total of \$175,388.64. Under authority of a resolution passed August 22, 1893, and amended October 31, 1893, sewer bonds to the amount of \$150,000 were issued, leaving a balance authorized but not issued of \$250,000.

Will it be necessary to pass a new resolution regarding same or can I sell under authority of those dates. Kindly give the matter your attention and greatly oblige,

Yours respectfully,
S. B. WILLIAMS, City Treasurer.

Ordered received, filed and published, and upon motion of Ald. McMillan referred to Finance Committee

ACTION UPON ORDINANCES.

Ald. Adams moved that action upon all ordinances coming up at this meeting of the board be postponed until the next meeting. Carried.

UNFINISHED BUSINESS.

Action upon the confirmation of the report of the commissioners of appraisal in the matter of widening German street from North avenue to Hebard street, in the city of Rochester, being in order, upon motion of Ald. Aikenhead, action thereon was postponed until the next meeting of the board.

MISCELLANEOUS BUSINESS.

By Ald. Tracy—Resolved, That the polling place of the first ward for the year ending September 1, 1895 be designated as follows: First ward, first district, Yost's store, West Main street; second district, Rowderdink's store, 109 West Main street.

By Ald. Callihan—Resolved, That the City Property Committee be, and they are hereby, authorized to repair the wiring in the City Hall so as to properly light the building, at an expense not to exceed one thousand dollars; the work to be done under the direction of the City Electrician.

Adopted by the following vote:
Ayes—Alds. Tracy, Callihan, McMillan, Green, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Lewis, Harris—17.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to issue the city's note for a period not to exceed one year and for an amount not exceeding two hundred and fifty thousand dollars (\$250,000) by virtue of the authority given under sections 80 and 81 of the city charter. Said note or notes to be negotiated under the direction of the finance committee, to be countersigned by the chairman of the finance committee; interest or discount thereon to be charged to Local Improvement Fund, and the proceeds thereon to be credited to Local Improvement Fund.

Adopted by the following vote:
Ayes—Alds. Tracy, Callihan, McMillan, Green, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Lewis, Harris—17.

By Ald. McMillan—Resolved, That the City Treasurer be, and he hereby is, authorized and directed to issue the city's note or notes for sums not exceeding in the aggregate one hundred seventy-five thousand three hundred eighty-eight dollars and sixty-four cents (\$175,388.64), under authority of section 2, of chapter 247 of the laws of 1890, as amended by chapter 419 of the laws of 1894. The proceeds of said notes to be placed to the credit of the East Side Trunk sewer fund, to be paid with interest from the proceeds of the sale of bonds authorized to be issued pursuant to said statute, and the proceeds of said notes to be used for the purpose of paying for the cost and expenses of carrying on the construction of any work now being done under said statute pending the sale of any of said bonds; said note to be payable in not more than a year after its date and to be discounted or negotiated under the direction of the finance committee and to be countersigned by the chairman of the finance committee, and the discount thereon to be charged to the contingent fund.

Adopted by the following vote:
 Ayes—Alds. Tracy, Callhan, McMillan, Green, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Lewis, Harris—17.

By Ald. Kelly—Whereas, at a meeting of the Common Council held September 4, 1894, the places of registry for holding elections for the several election districts of the city of Rochester were designated and the place for such registry and election for the first district of the Fifteenth ward was designated at Colman's barber shop, at the corner of Smith and Saxton streets, and

Whereas, it appears that said place is not of sufficient size to meet the requirements of the statute and is inadequate and too small to be used as a place of registry and as a polling place, now, therefore,

Resolved, That the place in the first district of the Fifteenth ward in the city of Rochester at which the meetings for the registry of voters and elections shall be held during the year ending September 1, 1895, be, and the same hereby is, designated to be at John Hann's place, No. 139 Orchard street.

Adopted by the following vote:
 Ayes—Alds. Tracy, Callhan, McMillan, Green, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Lewis, Harris—17.

Upon motion of Ald. Adams, the Board then adjourned.

HENRY W. GREGG, City Clerk.

In Common Council, October 2, 1894.

REGULAR MEETING.

Ald. Merton E. Lewis, president of the board, presiding.

Present—Alds. Tracy, Callhan, McMillan, Green, Rauber, Adams, Edelman, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelnk, Lewis, Harris—18.

APPROVAL OF MINUTES.

The minutes of the previous meetings were approved as published.

PRESENTATION OF PETITIONS, REMONSTRANCES, BILLS, ACCOUNTS, ETC., AND THEIR REFERENCE.

By Ald. Green—Applications of J. C. McLaughlin and F. E. McCarthy for appointment as Commissioners of Deeds. Referred to Law Committee.

Also, Petition of G. H. Reynolds for permission to erect a wooden building on Court street. Referred to Wood Building Committee and Fire Marshal, with power to act.

By Ald. Edelman—Petition of Jacob Kohn for permission to erect a wooden building on Chatham street. Referred to Wood Building Committee and Fire Marshal, with power to act.

By Ald. Ashton—Application of Joseph H. Bush for appointment as Commissioner of Deeds. Referred to Law Committee.

By Ald. Ward—Petition of F. X. Sinclair with reference to an erroneous assessment. Referred to Assessment Committee.

By Ald. Dewey—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The Humane Society of Rochester respectfully states to your honorable body as follows:

It is the understanding of this society that the subject of the creation and maintenance of a pound is to be under your consideration at an early day, and in this connection the society desires to propose that the city provide a suitable pound in which to keep such

dogs as may be seized under the ordinance for the period of time prescribed thereby, and also to build a suitable air-tight room, and provide the few appliances by which the dogs may be killed by the method now universally conceded to be the most humane, viz., by the use of carbonous oxide gas. Such a room is in use in several of the cities of this country and has long been in use in Europe. Killing dogs by the use of this gas is perfectly painless and the dogs become gradually unconscious without the least distress.

In a number of the other cities in this country the management of the pound and of the killing of all dogs is placed in the hands of the Humane Society of such city and on account of the constant attention which is thus given to the treatment of the animals, the utmost humanity and the best treatment is attained.

This society therefore proposes that the city shall give to the Humane Society of Rochester the management of the city pound, with authority to appoint and employ a superintendent of the pound and one or more agents to catch stray dogs, and to expend such other sums as may be necessary in order to maintain the pound, and that for this purpose the city annually appropriate a suitable amount for these expenses. The society will receive and account for all redemption money received for the dogs and all money received for the sale of dogs, and will deliver the total amount of such receipts, as your honorable body shall direct.

It will be seen that this society obtains no pecuniary advantage under this plan, but that its purpose is to secure the employment of competent persons to catch, keep and kill the dogs against whom the ordinance is directed, and to secure humane treatment of the animals at all times.

FANNIE B. MONTGOMERY,
 CAROLINE B. STODDARD,
 ELIZABETH P. HALL.

Ordered received, filed and published, and upon motion of Ald. Dewey referred to the special committee on Revision of Penal Ordinances.

Also, Petition of H. A. Smith for permission to erect a wooden building on Brighton street. Granted.

Also, Petition for a sewer in Oxford street. Referred to Surveyor to prepare an ordinance.

By Ald. Dewey—Resolved, That the City Surveyor be, and he hereby is, directed to establish the grade of Rutgers street in that part recently opened and set stakes for the grading of same.

Adopted.

By Ald. Simmelnk—Petition of Frederick Berg to cancel a tax sale. Referred to Assessment Committee.

Also, Petition for a sewer in Bernard street. Referred to Surveyor to prepare an ordinance.

By Ald. Harris—Resolved, That the Rochester Gas & Electric Company be, and it hereby is, directed to place an arc light on Shelter avenue, 450 feet west of Jefferson avenue. Referred to the Lamp Committee and City Electrician.

Also, Petition of Amy Cox for permission to erect a wooden building on Genesee street. Referred to Wood Building Committee and Fire Marshal, with power to act.

By Ald. Harris—Petition of Dennis Slattery for permission to move a wooden building on Seward street. Referred to Fire Marshal and Executive Board.

By Ald. McMillan—Petition for a cement sidewalk on Plymouth avenue. Referred to Surveyor to prepare an ordinance.

Also, Application of Marvin W. Wynne for appointment as Commissioner of Deeds. Referred to Law Committee.

REPORTS OF STANDING COMMITTEES.

By Ald. Adams—
To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—In the matter of the appointment of B. F. LaRue as commissioner of deeds which was reconsidered at a recent meeting of the Common Council, we beg leave to say that we have examined into the qualifications of the appointee and recommend that he be reappointed.

In the matter of the appointment of Commissioners of Deeds, referred to this committee at the last meeting of this Common Council, we beg leave to recommend the appointment of the following persons: Miner C. Wood, Charles E. Murphy, J. L. Thistlewaite, J. M. Shults, Henry D. Shedd, Julia V. McLaughlin, Nelson E. Spencer.

Respectfully submitted,

MAHLON B. ADAMS,
 H. G. COOK,
 T. McMILLAN,
 WILLIAM H. TRACY,

Law Committee.

Ordered received, filed and published.

By Ald. McMillan—
To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Finance Committee, to which was referred the communication of the Executive Board in reference to the purchase of a yard for the storage of water pipe in the village of Honeoye Falls, would respectfully report: That we have examined into the necessity of such storage yard and believe the same is needed. That the property mentioned is admirably situated for the purpose and would recommend that the consent of this Council be given for the purchase.

All of which is respectfully submitted,

T. McMILLAN,
 M. B. ADAMS,
 H. G. COOK,
 ALVIN H. DEWEY,
 J. MILLER KELLY,

By Ald. McMillan—Resolved, That the consent of this Common Council be given the Executive Board for the purchase of property at the village of Honeoye Falls for the purpose of a storage yard for water pipe, at an expense not to exceed five hundred dollars.

Adopted.

By Ald. Cook—
To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your committee on the Support and Relief of the Poor, beg leave to report in the matter of the supply of coal for the Poor Department for the current year, that it caused an advertisement to be made for proposals for coal and has canvassed the bids received and beg leave to recommend that the contract for the coal for that department be let to H. H. Babcock & Co., for one thousand tons of anthracite coal, more or less, at the price specified in their proposal.

Respectfully submitted,

HENRY G. COOK,
 T. McMILLAN,
 M. J. CALIHAN,
 M. B. ADAMS,

Ordered received, filed and published.

By Ald. Cook—Resolved, That the Committee on Support and Relief of the Poor be authorized and directed on the part of the city to contract with H. H. Babcock & Co., for one thousand tons of anthracite coal, more or less, at the price specified in their proposal. The contract to be made in accordance with the terms of the published notices for bids under which said proposal was made.

Ald. Ward moved to amend by substituting

the name of D. H. Burns in place of H. H. Babcock & Co.

Lost by the following vote:
 Ayes—Alds. Tracy, Rauber, Edelman, Powell, Ward, Pauckner, Aikenbead, Harris—8.
 Nays—Alds. Calihan, McMillan, Green, Adams, Ashton, Dewey, Cook, Simmelin, Lewis—9.

The original motion was then adopted.

LOCAL IMPROVEMENT ASSESSMENTS.

By Ald. Ashton—Whereas, The City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvements, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvements respectively adjusted by this Common Council as thus reported, and the respective portions or parts of the city on which the said expenses are hereby directed to be assessed and which this Common Council deems to be bene, filed by the improvements, respectively, are as stated and described in the final ordinances relative to the improvements, respectively, and that the name and expense of the improvements thus to be assessed are as follows, viz:

Ord. No.	Improvement.	Expense.
5,540.	Avenue A curbstone	\$ 534 52
5,515.	Pierpont avenue grading and walk	275 00
5,513.	Stewart street pipe sewer	713 57
5,523.	Bloomingdale avenue pipe sewer	823 07
5,566.	Glenwood park pipe sewer extension	499 63
5,510.	Elm street cement walks	852 85
5,511.	Bowen street cement walk	189 82
5,248.	Plymouth avenue cement walks	830 55
5,527.	Park avenue cement walks	101 03
5,524.	Wadsworth square cement walks	1,200 00
5,556.	No. 10 School cement walk	219 09
5,568.	Hensler place grading and walks	515 87
5,560.	Elm park curb, gutters and walks	582 60
5,567.	Ravine avenue sewer extension	125 59

And it is further determined that the taxpayers to be assessed for making the foregoing improvements must pay their assessments within thirty days from the first publication of the advertisement of the notice of the assessment rolls by the City Treasurer.

And it is further determined that the taxpayers to be assessed for making the following improvements, viz:

Ord. No.	Improvement.	Expense.
5,151.	Scranton street asphalt pavement	\$17,850 67
5,496.	State street Medina block stone pavement	55,653 27
5,115.	Goodman and Clifford streets outlet sewer	36,209 73

May pay their assessments in three equal payments, as follows:

One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed at the rate of six per cent. per annum.

And the assessors of said city, if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed, as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessments upon all the lots and parcels of lands within the portions or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvements, respectively. In proportion, as nearly as may be, to the advantage which the said lots and parcels of land within the respective territories to be thus assessed for such improvements, shall be deemed to receive by the making of the respective improvements.

Adopted by the following vote:
 Ayes—Alds. Tracy, Calihan, McMillan,
 Green, Rauber, Adams, Edelman, Powell, Ash-
 ton, Ward, Dewey, Cook, Pauckner, Kelly,
 Alkenhead, Simmelink, Lewis, Harris—18.

CITY SURVEYOR'S OFFICE,
 ROCHESTER, N. Y., Oct 1, 1894. }

To the Honorable the Common Council of the City
 of Rochester:

Gentlemen:—In relation to the ordinance for
 sewers in that part of the city south of Mt.
 Hope range of hills, which is herewith sub-
 mitted, I beg leave to call attention to the
 following points:

The outlet is through the State Hospital and
 Goodman street sewer, and this is designed to
 carry sewage only with a small amount of
 storm water from roofs of buildings, so that
 it will be necessary to build two systems of
 sewers, one of which will be generally 12-inch
 pipe laid deep enough to drain cellars and
 the other which is to carry off storm water
 will be from 12-inch to 24-inch in diameter,
 laid only four and five feet below the surface.
 The cost of the sewerage system proper is
 estimated at \$6,500, and of the storm sewers
 at \$4,000, making a total of \$10,500.

It is important that both systems be built
 at the same time so as to lessen cost and per-
 mit of improving the streets, especially South
 avenue.

The assessment for lot sewers will aggre-
 gate less than \$33 per lot on the average, and
 the assessment upon city property will be
 about \$1,500, and upon state and county about
 \$2,000.

Very respectfully yours,

J. Y. MCCLINTOCK,
 City Surveyor.

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., Oct 2, 1894. }

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Pursuant to a resolution adopted by your honorable body the Executive Board invited the owners of the lands necessary to be acquired for the extension of Flower street to call at the office and state what prices they would accept for their respective parcels of land. Nearly all of the persons interested appeared; and prices were offered which the Executive Board deem unreasonable and in excess of the value of the land proposed to be taken. It is therefore recommended that your honorable body authorize the City Attorney to apply to the courts for the appointment of a commission to condemn the land,

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.
By Aid. Stimmellink—Whereas, No agreement for the purchase of lands necessary to be taken for the Flower street extension in the

city of Rochester, under final ordinance No. 5,601, can be made, therefore.

Resolved, That a copy of said ordinance and of this resolution, together with a map of the extension as proposed, be made and filed in the office of the city clerk and of the county clerk, which map shall show thereon the lots, tracts and parcels of land which are deemed necessary to be taken and the commencement, course and termination of said extension proposed, according to the provisions of section 174 of the revised city charter; and that the City Attorney be, and hereby is, instructed to take and institute such proceedings from time to time as may be necessary as provided by the charter.

Adopted.
By the Clerk--

EAST SIDE TRUNK SEWER COMMISSION, }
ROCHESTER, N. Y., Oct. 2, 1894. }

To the Common Council:

Gentlemen:--Pursuant to a resolution adopted by your honorable body, the East Side Trunk Sewer Commission notified all the owners of property in the town of Irondequoit through whose lands it is necessary to obtain the right of way for the proposed North avenue overflow outlet sewer; and, nearly all of the parties whose interests were affected appeared before the commission and named the sums which they would accept for the privileges required for the purpose named above.

The East Side Trunk Sewer Commission authorizes me to state that the prices were such as they deemed not reasonable and not a fair value for the enlargement and deepening of an open ditch to carry the overflow storm water from the sewer.

The commission therefore recommends that your honorable body cause commissioners of appraisal to be appointed who will fix upon the sum that is deemed equitable and just for the proposed overflow of the East Side Trunk Sewer.

Respectfully,

THOMAS J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Adams, Whereas, No agreement can be made for the acquisition of the necessary easement in and right of way through lands necessary to be taken through which to construct the proposed North avenue overflow outlet under the provisions of final ordinance No. 4,764, therefore,

Resolved, That a copy of said ordinance, and of this resolution, together with a map of the required right of way be made and filed in the office of the city clerk and of the county clerk of the county of Monroe, which map shall show thereon the lots, tracts and parcels of land which are deemed necessary to be taken and the commencement, course and termination of said right of way required, according to the provisions of section 174 of the revised city charter, and that the City Attorney be, and he hereby is, instructed to take and institute such proceedings from time to time, as may be necessary to secure such right of way as provided by the city charter.

Adopted.

Also in South avenue from the center of Wall street to the sewer in Elmwood avenue to be 12 inches in diameter.

The sewers for the collection of storm water will be constructed as follows: In May and Langslow streets from Mt. Hope avenue to South avenue to be 12 inches in diameter. Through the alley lying between Mt. Hope avenue and South avenue, from May street to Langslow street to be 15 inches in diameter, and from Langslow street to Cook street to be 18 inches in diameter. In Cook street, from Mt. Hope avenue to the alley to be 12 inches in diameter and from the alley to South avenue, and in Elmwood avenue for about 400 feet to be 24 inches in diameter. From this point in Elmwood avenue for a distance of about 600 feet to be 18 inches in diameter.

Also the construction of the necessary man-holes, surface sewers, lot laterals and branches.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$10,500, which, being deemed reasonable is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

All the lots and parcels of land in the Mt. Hope and South avenue Building Lot Association Tract (except the lots on the east side of Mt. Hope avenue known as Nos. 18, 19, 20, 21, 22 and 23, Section 8, and on the north side of Elmwood avenue, known as Nos. 8, 10, 12, 14 and 16, section 8). Also one tier of lots and parcels of land on the east side of South avenue, from a point opposite the center of Wall street to Elmwood avenue. Also the north side of Elmwood avenue from South avenue, easterly about 1,000 feet.

Adopted.

BROWN STREET PIPE SEWER.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer through Brown and Kensington streets.

Adopted.

The Surveyor submitted as such estimate \$1,050.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The construction of a vitrified pipe sewer, 12 inches in diameter, in Brown street and through a proposed street shown on a map of a subdivision of a part of the Granger, Sibley Field tract, being lots Nos. 74 to 83, inclusive, and part of lot No. 41, by F. B. Hutchinson in 1886, and known as Kensington street, to the sewer in Silver street. Said sewer to begin at a point 112 feet east of the angle in the north line of Brown street opposite West avenue. Also the necessary manholes, surface sewers, lot laterals, and branches. Also the acquirement of the necessary right of way through said proposed Kensington street, for a width not exceeding 20 feet.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$1,050, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of the said proposed street known as Kensington street, from Brown street to Silver street. Also one tier of lots and parcels of land on the north side of Brown street, from a point 86.53 feet east of the angle in Brown street to said Kensington street.

Adopted.

By Ald. Dewey—

Rochester, N. Y., Oct. 9, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The undersigned, being owners of theaters in this city, respectfully request that the present license fee of \$100 be reduced to twenty-five dollars. We are all heavy taxpayers in this city and are all running our own theaters, for the reason that owing to the stringency of the times, we have been unable to lease them to anyone. We respectfully call attention to the fact that prior to last year, the city did not require from theaters the payment of any license fee whatever.

Yours truly,

GEORGE WELDON,
Secy. and Treas. Lyceum Theater Co.

COOK & GERLING,

OFFICE OF THE EXECUTIVE BOARD, }
ROCHESTER, N. Y., Oct 16, 1894. }

By the Clerk—

Gentlemen:—The Executive Board has notified owners and occupants of property on State street, East and West Main street and Exchange street to remove the signs and other obstructions and incumbrances from the walks and buildings, and in the performance of this duty it is found that there are a number of dead lamp posts belonging to the city, which are not only useless obstructions, but they furnish a convenient article to which signs are affixed. It is suggested that your Lamp Committee take steps at once to cause the posts to be removed, to the end that the city will not be charged with violating a law which it is striving to enforce and which it is calling on citizens to respect and obey.

Respectfully,

THOS. J. NEVILLE, Clerk.

REPORTS OF STANDING COMMITTEES.

By Ald. Adams—
To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—In the matter of the claim of the Humane Society for recent penalties paid into the city treasury by the police clerk for violations of the law relating to cock fights, we find that by section 668 of the penal code these fines are required to be paid over to this society wherever the prosecution in which the fines are imposed was instituted or conducted by the society. We have concluded that the proceedings in which the fines claimed were imposed were instituted by said society, and therefore recommend that its claim be allowed.

On the 27th of July, 1894, this common council adopted a resolution directing the city clerk to draw an order in favor of George Chapman for the sum of \$200 to defray the expenses of cleaning out Chapman pond, so called. This action of the board was not accepted by Mr. Chapman, who proceeded to have the

pond cleaned, and has now presented a statement of the expense thereof. He has also presented a certificate from the board of health of the town of Brighton to the effect that the work has been done satisfactory to them. The expense which he has incurred in clearing out the pond is placed by him at \$30.50 more than this committee allowed. We believe that the estimate placed upon the work by the committee was too low, and therefore recommend that an additional order for the sum of \$30.50 be drawn in favor of Mr. Chapman.

In the matter of the compensation of Inspectors of election who served at the special election in the Twentieth ward, we recommend that the usual rate be allowed to such inspectors, poll clerks and ballot clerks.

In the matter of the applications for the appointment of Commissioners of Deeds, we recommend the appointment of the following: M. B. Turpin, Joseph H. Fush, Robert M. Weed, F. E. McCarthy, Marvin W. Wynne, Emma M. Petty, J. C. McLaughlin.

Ordered received, filed and published.

By Ald. Adams—Resolved, That the City Clerk be, and he hereby is, directed to draw an order in favor of the Humane Society, of Rochester, for the prevention of Cruelty to Animals, for the sum of \$252, payable from the police fund.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Aikenhead, Simmelink, Lewis, Harris, Decker—18.

By Ald. Adams—Resolved, That the City Clerk be, and he hereby is, directed to draw an order in favor of George Chapman for the sum of \$30.50, being the amount, together with \$200 previously granted by resolution of the Common Council, adopted July 27, 1894, allowed to said Chapman for cleaning out the pond on his premises situated in the town of Brighton.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Aikenhead, Simmelink, Lewis, Harris, Decker—18.

By Ald. Adams—Resolved, That the City Clerk be, and he hereby is, director to draw an order in favor of each inspector of election who served at the special election in the Twentieth Ward at the rate of \$5 per day, and in favor of each ballot and poll clerk for \$5, in full for services performed at such election and the Clerk is hereby further directed to draw orders in favor of each proprietor, except the city of Rochester, of rooms used in connection with said election, for the sum of \$20.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Aikenhead, Simmelink, Lewis, Harris, Decker—18.

By Ald. Ashton—
Rochester, N. Y., Sept. 11, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—Your Assessment Committee would respectfully report, that they have carefully considered the petitions of Frederick H. Merz, et al., Elizabeth A. Morse, Nicholas A. Bardo and D. M. Anthony for the cancellation of assessments for Maple and Colvin streets sewer; several hearings of your committee have been given to the petitioners for the relief from these assessments, and your committee find that the petitioners object to paying

two assessments for outlet sewers; in nearly every case one of these assessments has been merely nominal and your committee cannot find that they have been assessed proportionately any greater sum than have been other taxpayers in different portions of the city; it frequently becomes necessary to assess property owners for two or more outlet sewers; in some cases property owners have paid for as many as five outlet sewers. Your petitioners have carefully examined the assessment roll for the several assessments for outlet sewers made against the property of the petitioners, and they find that the assessors have evidently endeavored to equitably assess all the persons liable for the assessment complained of. The assessors and city surveyor have attended before your committee from time to time and have been heard, and your committee is unanimously of the opinion, after careful examination of all the facts that the several petitions referred to should be denied.

In the matter of the petition of Mary Callahan, for the cancellation of an assessment against her premises, which she claims was purchased with pension money, your committee report that they have acted upon numerous petitions similar to this, and upon recommendation of the City Attorney, in those cases which we follow in this, the petition should be denied.

In the matter of the petition of Rose A. McCormick, for the cancellation of an assessment your committee report, that this petition was considered by the assessment committee of the last Common Council, and they can see no good reason for taking a different action than was taken by the committee when this matter was last before it; the assessors recommended that the petition be denied, and we believe that such action should be taken.

In the matter of the petition of Adam Eisenmenger for relief from an assessment, which petition was denied at a former meeting of this Council and this committee having been asked by said petitioner to reconsider their former action, and which petition asked for reduction of an assessment of \$63.40, under final ordinance No. 5,104, for North Joiner street sewer on his lot on the southwest corner of Hayward park, the Surveyor reports, that the assessment for the North Joiner street sewer was made before the assessment for Hayward Park sewer, and that the petitioner was treated equitably by the assessors, that he was only assessed for a frontage of 40 feet, while his actual frontage was 100 feet, and a branch was put in to allow for the laying of a lateral to his lot. When the Hayward Park sewer was built it was found to be more convenient for him to run his lateral into that sewer, and he was charged \$8 for the cost of said lateral and only 23 cents for the sewer, because of his assessment on the North Joiner street sewer. Your committee deem it unwise to take any further action with Mr. Eisenmenger's petition.

All of which is respectfully submitted,

J. H. ASHTON,
H. G. COOK,
JOHN F. FOX,
Committee.

Ordered received, filed and published.
By Ald. Ashton—Resolved, That the petition of Frederick Merz, et al., Elizabeth A. Morse, Nicholas A. Bardo, William J. Smith and D. M. Anthony, for cancellation of an assessment for Colvin and Maple street sewers mentioned in the report accompanying this resolution, be and they each hereby are denied.

Adopted by the following vote:
Ayes—Ald. Tracy, McMillan, Adams, Edelman, Fox, Ashton, Dewey, Cook, Pauckner, Aikenhead, Simmelnk, Lewis—11.
Nays—Ald. Tracy, Green, Rauber, Powell, Ward, Harris, Decker—7.

By Ald. Ashton—Resolved, That the petition of Mary Callahan, for the cancellation of an assessment against her property, claiming to have been purchased with pension money, be and the same hereby is denied.

Adopted.

By Ald. Ashton—Resolved, That the petition of Rose A. McCormick, for the reduction of an assessment for general city taxes on her premises on Costar street be, and the same hereby is, denied.

Adopted.

In the matter of the petition of the Genesee Brewing Company for the cancellation of a street sprinkling assessment for 1893, it appears from the report made by the Executive Board, that the premises in question were not sprinkled through a misunderstanding during the season of 1893. The Executive Board recommend that this assessment for that reason be cancelled and we follow their recommendation.

By Ald. Ashton—Resolved, That the assessment against the Genesee Brewing Company for 1893, for sprinkling the west side of Cataract street, lot 3, for \$12.32, be cancelled by the Treasurer and that said sum be charged to erroneous assessment.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Aikenhead, Simmelnk, Lewis, Harris, Decker—18.

CITY SURVEYOR'S OFFICE,
ROCHESTER, N. Y., Oct 16, 1894. }

To the Honorable the Common Council of the City of Rochester:

Gentlemen:—Your Map and Survey Committee beg leave to make the following report in relation to the Surveyor's office.

One of the Surveyor's assistants, Mr. George C. Strasenburgh, has resigned, leaving a vacancy which your committee would not recommend filling at the present time except for the following reasons:

The office force is fully engaged, as far as other work will allow upon the survey of the old Fifteenth and Sixteenth wards, and such progress has been made that your committee deem it for the best interest of the city to encourage the work, and as the survey requires a very large amount of clerical work which can be done to good advantage in the winter, we recommend that two men be employed for the winter at a salary of \$40 per month each.

As this will increase the efficiency of the force for the purpose very much and will only add to the pay roll \$20 per month.

JOHN F. FOX,
JAMES M. AIKENHEAD,
ALVIN H. DEWEY,
JOHN H. ASHTON,
LEWIS EDELMAN.

Map and Survey Committee.

Ordered received, filed and published.

By Ald. Fox—Resolved, That Lewis Y. McConnell and John H. Allen be employed in the Surveyor's office to do clerical and other work at a salary of \$40 per month each. The term of Mr. McConnell to begin October 20th and of Mr. Allen to begin September 21st, and to continue at the pleasure of the committee.

Adopted by the following vote:

Ayes—Ald. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward, Dewey, Cook, Pauckner, Kelly, Aikenhead, Simmelnk, Lewis, Harris, Decker—19.

Ald. Rauber, from the Health Committee; Ald. Ashton, from the City Property Committee; Ald. Dewey, from the Lamp Committee; Ald. Cook, from the Poor Committee; Ald. Pauckner, from the Contingent Expense Committee, and Ald. Aikenhead, from the Police Committee, reported favorably on the vari-

ous bills referred to their respective committees and referred them to the Finance Committee and Auditor for payment.

By Ald. Ashton—

REPORTS OF SELECT COMMITTEES.

Rochester, N. Y., October 13, 1894.

To the Honorable, the Common Council:

Gentlemen:—Your special committee on lift bridges beg leave to report.

Members of the committee and the City Surveyor visited Syracuse and Utica to inspect two bridges differing from the prevailing type, and also saw Mr. Adams, the state engineer and surveyor, at Saratoga, where the subject was somewhat discussed and a definite appointment made for the committee to meet him in Rochester.

Mr. Adams came and accompanied by several of his assistants examined Exchange street bridge in company with members of your committee and the City Surveyor.

It was suggested that the canal could be made narrower at Exchange street, when the existing center pier should be removed, thereby simplifying the problem of designing a lift bridge.

Mr. Adams agreed with the committee that this bridge ought to be replaced by a wider and more substantial structure. In fact it has been one of the most important bridges in the city, and has become of still greater importance by reason of the building of the central police station and the city street department yard on Exchange street, south of the canal, and more especially because of building Court street stone bridge and the new bridge over the Carroll and Fitzhugh race and making Court street full 64 feet wide, at a cost of nearly \$175,000, for the express purpose of affording relief to Main street.

While such a large amount has been spent it is at present almost cut off from Main street by reason of the unsafe condition of the present bridge over the canal, and further on account of this it is impossible for the street cars to tow trailers, so that the large district served by the Exchange street line, including the heavy travel to Mt. Hope cemetery, is greatly discommoded.

Your committee believes that because of the importance of Exchange street and because it was one of the most important thoroughfares before the construction of the Erie canal, that the state of New York should build a suitable bridge there and pay the cost of same.

As no lift bridge has yet been built on the canal which can be considered of a suitable design for Exchange street, and as the last legislature placed at the disposal of the state engineer the sum of \$3,000, for the preparation of plans of a lift bridge to replace the monstrosity at West avenue, and as he had decided to expend a portion of that amount in paying the expenses of our fellow townsman, George W. Rafter, on a trip to Europe, to study the subject of lift bridges, and as his report might be expected by the first of December, it was decided to leave the question of plans to future determination.

In the meantime the City Surveyor was directed to submit to the state engineer and surveyor a plan showing the proposed narrowing of the canal, which, if approved by him, he will submit to the canal board.

In the matter of the lift bridge for Emerson street: Your committee was satisfied with the decision of Mr. Adams to build there a bridge of similar design to the one recently built at Clinton street in Syracuse. This plan obviates the necessity of having the usual unsightly, suspended, barn-frame, over-

head structure, and will be far neater in appearance than any lift bridge now existing in the city.

We congratulate the community that the state engineer and surveyor is determined to secure a more slightly design for these bridges which form such an important feature in the appearance of the city.

In conclusion we recommend the passage of the following:

Resolved, That we commend the effort being made by the state engineer and surveyor, the Hon. Campbell W. Adams, to secure a more slightly and efficient form of lift bridge to place over the canal.

Resolved, That the City Attorney be requested to prepare a bill to present to the next legislature providing for the construction of a lift bridge at Exchange street, with a roadway fifty feet wide and sidewalks on each side ten feet wide.

Resolved, That the president of this board be added to the committee and that they be instructed to assist in the preparation of said bill and to do whatever seems advisable to properly present it to the legislature and secure its passage.

JOHN H. ASHTON,
T. McMILLAN,
W. H. TRACY,

Ordered received, filed and published and upon motion of Ald. Ashton the resolutions contained therein were adopted.

By Ald. Dewey—

To the Honorable, the Common Council of the City of Rochester:

Gentlemen:—The special committee on public market respectfully reports progress and asks for further time on the main question submitted for its consideration, and recommends that the resolution exempting East Main street from the operation of the huckster ordinance be at once rescinded.

We have examined the condition obtaining on East Main street, in consequence of the suspension with respect to that thoroughfare of the ordinance which prohibits selling from wagons in the streets of the city, and are unanimously of the opinion that the damage to the property immediately affected is serious, unjustified and so indefeasible.

We believe that the property owners can, and we are informed that they will, resort to the courts for relief if compelled to do so, to protect themselves from the injustice which is being done them and we think that the city cannot afford to push them to this extremity.

We find a wide diversity of opinion upon the main question referred to the committee, and it is thought that much valuable information would be forthcoming as soon as East Main street is restored to the legitimate use for which it was designed.

Certainly your committee would not without careful study and only after the necessity had been fully demonstrated, advise the considerable addition to the municipal debt which a public market would involve; and reasonable assurance on this point cannot be reached until some time has been devoted to the work. If then the conclusion should be favorable to a public market, and your honorable body should adopt the report of this committee, a year would probably be a short time in which to acquire the land and make it ready for use.

There can be no propriety in expecting the present conditions to be patiently endured

for that, or even for any considerable time. The immediate action of your honorable body on this single recommendation is, therefore, most respectfully urged by the undersigned special committee on public market.

ALVIN H. DEWEY,
M. B. ADAMS,
JAMES G. CUTLER,
CHAS. F. POND,
E. A. FROST,
W. C. GREEN,
T. McMILLAN,
WILLIAM WARD,

Ordered received, filed and published.

By Ald. Dewey—Resolved, That the special committee on revision of penal ordinances be requested to examine into the present condition of the huckster ordinance and to report an amendment, the effect of which shall be to carry out the recommendation of the special market committee with reference to removing the present obstruction of East Main street.

Adopted.

Ald. Edelman presented a petition signed by many business men and property owners on East Main street, doing business between Clinton street and Gibbs street, asking the Council to let the farmers and gardeners stand in front of their respective business places, until a suitable market place is provided.

Upon motion of Ald. Dewey, referred to the Special Committee on the Revision of Penal Ordinances.

By Ald. Dewey—Resolved, That in order to determine the willingness, or otherwise, of private enterprise to establish and maintain a public market, the Special Committee on Public Market is authorized to publish the following advertisement three times each in the Democrat and Chronicle, the Post Express, the Union and Advertiser and the Morning Herald, and the expense thereof be charged to the Contingent Fund.

PUBLIC MARKET.

Capitalists, or associations of capitalists willing to furnish and maintain a public market, under special ordinances and an agreement with the Common Council of the city of Rochester, are invited to submit any suggestions or proposals they may desire to make, before the next meeting of the committee, on Monday, October 29th, inst., to the secretary of the committee.

The committee reserves the right to reject any or all propositions.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS AND THEIR REFERENCE.

By the Clerk—

OFFICE OF THE EXECUTIVE BOARD,
ROCHESTER, N. Y., Oct. 10, 1894.

To the Common Council:

Gentlemen:—Pursuant to a resolution adopted by your honorable body the Executive Board invited the owners of the lands through which the city proposes to construct the Lozier park sewer to call at the office of the Board and state what sums they would accept for the necessary right of way. The land through which an easement is sought to be acquired is owned by two different parties, one of whom submitted a proposition to grant the necessary easement for a certain sum; the other owner declined to submit any proposition. The Executive Board would therefore recommend that your honorable body authorize the City Attorney to apply to the courts for the appointment of a commission to condemn the land.

Respectfully,
THOS. J. NEVILLE, Clerk.

Ordered received, filed and published.

By Ald. Decker—Whereas, No agreement for the purchase of lands necessary to be taken for the Lozier Park pipe sewer, in the city of Rochester, under final ordinance No. 5,590, can be made, therefore,

Resolved, That a copy of said ordinance, and of this resolution, together with a map of the lands, rights and easements to be taken for said sewer, be made and filed in the office of the city clerk and of the county clerk, which map shall show thereon the lots, tracts, parcels of land and the rights and easements which are deemed necessary to be taken and the commencement, course and termination of said sewer proposed to be laid out, according to the provisions of section 174 of the revised city charter, and that the city attorney be, and he hereby is, instructed to take and institute such proceedings, from time to time, as may be necessary to secure such right of way as is provided by the said city charter.

Adopted.
By the Clerk—

Rochester, N. Y., Oct. 9, 1894.

To the Honorable, the Common Council of the City of Rochester:

CITY TREASURER'S OFFICE, }
 ROCHESTER, N. Y., Oct. 15, 1894. }

To the Honorable, the Common Council of the City of Rochester :

Gentlemen: I hereby certify that the Executive Board has notified me that the works or improvements authorized under ordinances hereinafter mentioned have been completed; that I have, pursuant to the provisions of the charter, ascertained the entire and aggregate expense of, and connected with the same respectively, including any interest that the city shall incur, or is entitled to for the use

of its funds, and that the respective amounts thereof are as follows:

Ord. No.	Improvement.	Expense.
5,229.	East and West Main street	
	Medina block stone improvement.	\$110,880 00

S. B. WILLIAMS, Treasurer.

Ordered received, filed and published.
 By Ald. Ashton—Whereas, the City Treasurer has ascertained and reported the entire and aggregate expense of and connected with the following improvement, including any and all interest that the city has paid or has or shall become liable to pay upon account of any and all orders or notes issued by the city to pay the expenses of such improvement adjusted by the Common Council as thus reported, and the respective portions or parts of the city on which the said expense is hereby directed to be assessed and which this Common Council deems to be benefited by the improvement, it is as stated and described in the final ordinance relative to the improvement, and that the name and expense of the improvement thus to be assessed is as follows, viz:

Ord. No.	Improvement.	Expense.
5,229.	East and West Main street	
	Medina block stone improvement.	\$110,880 00

And it is further determined that the taxpayers to be assessed for making the foregoing improvement:

May pay their assessments in three equal payments as follows:
 One-third within thirty days from the first publication of the advertisement of the notice of the assessment roll by the City Treasurer; one-third within one year from the confirmation of such roll; and the remaining one-third within two years from the confirmation of such roll. On all sums paid prior to the maturity of said last installment, a discount will be allowed at the rate of 6 per cent. per annum.

And the assessors of said city if they are not interested in any of the property within the part or portion of the city deemed to be benefited, and directed to be assessed as aforesaid, or if any two of said assessors are not so interested, then such two are hereby directed to make assessment upon all the lots and parcels of land within the portion or parts of the city above designated and directed to be assessed, of the amounts of expenses of such improvement, in proportion as nearly as may be to the advantage which the said lots and parcels of land within the territory to be thus assessed for such improvement shall be deemed to receive by the making of the improvement.

Adopted by the following vote:
 Ayes—Alds. Tracy, McMillen, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Werd, Dewey, Cook, Paetner, Alkenhead, Simmelink, Lewis, Harris, Decker—18.

ACTION UPON ORDINANCES.

FIRST ORDINANCES.

PLYMOUTH AVENUE PORTLAND CEMENT WALK.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing Portland cement walks on Plymouth avenue.

Adopted.

The Surveyor submitted as such estimate \$1,500.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz:

The construction of a Portland cement walk 6 feet wide on each side of Plymouth avenue, from West Main street to Adams street, except where good stone or Portland cement walks now exist.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reports the same at \$1,500, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Plymouth avenue, from West Main street to Adams street.

Adopted.

COURT AND WILLIAM STREETS OUTLET SEWER REBUILDING.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of rebuilding the Court and Williams streets outlet sewer, from the north side of the N. Y. C. & H. R. R. to the intersection of Main and Prince street.

Adopted.

The Surveyor submitted as such estimate \$25,000.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz:

The rebuilding of the present Court and William street outlet sewer, from the north side of the tracks of the New York Central & Hudson River Railroad to the intersection of Prince and Main streets. The sewer to be of the following form and dimensions: From the north side of the New York Central railroad to the center of East Main street to be a circular sewer of bricks, 58 inches in diameter, and from said point along the center of Main street to the existing Court and William street to be a circular sewer of brick 6 feet in diameter, together with the necessary manholes, surface sewers, lot laterals and branches. Also the acquirement of a right of way bounded and described as follows: A strip of land 20 feet wide, of which the following described line is the center line: Beginning at a point in the north line of East Main street 27 feet west of the east line of land of L. M. Otis; thence northerly and parallel to said east line of Otis and in the same line produced 450 feet to center of existing sewer; thence northerly, along the center of said existing sewer, across the land of said N. Y. C. & H. R. R.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$25,000, which, being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

All the territory included within and described by the following boundary lines, viz:

Beginning at the intersection of the north line of the property of the New York Central & Hudson River railroad with the north line of East Main street; thence westerly along the north line of East Main street to a point opposite the west line of Goodman street; thence still westerly along East Main street, including one tier of lots and parcels of land on the south side thereof, for a depth not exceeding 150 feet, to Prince street; thence southerly along Prince street, including one tier of lots and parcels of land on the east side thereof, for a depth not exceeding 200 feet, to East avenue; thence westerly along East avenue, including one tier of lots and parcels of land on the south side thereof, for a depth not exceeding 150 feet, to Alexander street, excepting the lot on the southwest corner of East avenue and Sibley place; thence southerly along Alexander street excepting one tier of lots on the west side thereof to Dryer alley; thence still southerly along Alexander street, excepting three tiers of lots on the west side thereof, to Chapman alley; thence westerly along Chapman alley to Union street; thence southerly along Union street, including one tier of lots on the east side thereof; also one tier of lots on each side of Canfield place, to George street; thence westerly along George street, including one tier of lots on the north side thereof, excepting the lot on the northwest corner of George and Union streets, to Union alley; thence southerly along Union alley and Union alley produced to Monroe avenue; thence westerly along Monroe avenue, excluding one tier of lots on the north side thereof, to Chestnut street; thence northerly along Chestnut street to George street; thence still northerly along Chestnut street, including one tier of lots on the west side thereof, to Elm street; thence westerly along Elm street, including one tier of lots on the south side thereof, to the angle in Elm street; thence easterly along Elm street, including one tier of lots on the north side thereof, to Elm park; thence northerly along Elm park, including one tier of lots on the west side thereof, to Euclid street; thence easterly along Euclid street to Chestnut street; thence northerly along Chestnut street, including one tier of lots on the west side thereof, to East avenue; thence easterly along East avenue, including one tier of lots on the north side thereof to Gibbs street; thence northerly along Gibbs street, including one tier of lots on the west side thereof, to Main street; thence westerly along Main street, including one tier of lots on the south side thereof, to Franklin street; thence easterly along Main street; including one tier of lots on the north side thereof, to Gibbs street; thence northerly along Gibbs street to Grove place; thence easterly along Grove place, including one tier of lots on the north side thereof to Windsor street, excepting the lot on the northeast corner of Gibbs street and Grove place; thence southerly along Windsor street, including one tier of lots on the east side thereof, to Main street; thence easterly along Main street, including one tier of lots on the north side thereof, to Scio street; thence northerly along Scio street to University avenue; thence still northerly along Scio street, including one tier of lots on the west side thereof, for a depth not exceeding 150 feet, to Central avenue, excepting the lot on the northeast corner of University avenue and scio street; thence westerly along Central avenue, including one tier of lots on the south side thereof, to Gibbs street, excepting the lot on the southwest corner of Scio and Ontario Central avenue; thence northerly in a direct line to the northeast corner of Woodward avenue and Finney street; thence easterly along Woodward avenue, excluding one tier of lots on the south side thereof to a point 350 feet west of Scio street;

Ordered received, filed and published.

Ald. McMillan in the chair.

By Ald. Dewey—

AN ORDINANCE RELATING TO POUNDS.

The Common Council do ordain and establish as follows:

Sec. 1. There shall be maintained for the city one or more public pounds, in which shall be distrained all cattle, fowls and dogs found running at large in violation of the ordinances of the city.

Sec. 2. There shall be one or more poundkeepers whose duty it shall be to take and impound any cattle, fowl or dogs brought to him found running at large in violation of the ordinances of the city.

Sec. 3. Each poundkeeper shall enter upon his books forthwith the name and residence of any person bringing any cattle, fowl or dog to his pound, the date when such cattle, fowl or dog was brought, a brief description of the same sufficient for identification, and the name and residence of the owner thereof, if known, which book shall at all times be open to the inspection of all persons who desire to examine the same.

Sec. 4. There shall be charged for each cattle impounded an impounding fee of fifty cents, and also fifty cents for each day or part of a day for providing sustenance for such cattle, a fee of twenty-five cents for each fowl or dog impounded, and a further fee of twenty-five cents for each day or part of a day for providing sustenance therefor.

Sec. 5. When any cattle, or fowl shall be impounded as aforesaid, it shall be the duty of the poundkeeper where the same is impounded forthwith to make complaint before one of the judges of the municipal court of said city against the owner or owners thereof, if known, and thereupon a warrant shall be issued and upon the return thereof executed, or the defendant having appeared, it shall be the duty of said judge to inquire whether the defendant has been guilty of a violation of the ordinances of the city complained of, and if the defendant be found guilty, judgment shall be rendered against him for the penalty, impounding fee, costs of sustenance, and cost of suit, and an order shall be entered that the cattle or fowl shall be sold to satisfy said judgment in case the same shall not be paid forthwith, such order shall describe the cattle or fowl and state the time and place of impounding.

Sec. 6. When the owner of any cattle or fowl impounded shall be unknown, it shall be the duty of the poundkeeper when the same shall be impounded to make complaint as provided in the preceding section against the unknown owner, describing the cattle or fowl, and thereupon the judge before whom such complaint shall be made shall issue a notice reciting such complaint that the owner is unknown, a description of the cattle or fowl impounded, together with a reference to the section of the ordinance violated, and giving notice of the time and place where a trial will be had, and such unknown owner may appear and defend. The day named in such notice shall not be less than six nor more than twelve days from the time of issuing the same, and it shall be the duty of the poundkeeper making the complaint forth-

with to post three copies of said notice, one at the pound where such cattle or fowl is impounded, one at the municipal court of said city, and one at the public bulletin board at the county clerk's office, and to return said notice with the time and manner of posting to said municipal court. Upon the return of the said notice, like proceedings shall be had as in the case of personal service or appearance. Nothing herein contained shall affect or abridge the right of the accused to a trial by jury.

Sec. 7. Upon the rendition of any judgment as herein provided, unless an appeal shall be taken and further proceedings stayed, the judge rendering the same shall issue to the poundkeeper where such cattle or fowl are impounded, an order commanding him to make the amount of such judgment and costs, stating the same separately, and the names of the parties and make due return thereof.

Sec. 8. Upon the receipt of such order the poundkeeper shall immediately post three notices, as provided in section six, stating that certain cattle or fowl, describing the same, were impounded and that judgment has been rendered and an order for such judgment and costs made, and that unless redeemed they will be sold at public auction for cash to the highest bidder at the public pound, describing the same, and on a certain day and hour. Said sale shall take place not less than three days after the posting of such notices, exclusive of Sundays, holidays and election days, and if such cattle or fowl are not redeemed, the poundkeeper shall sell the same in accordance with said notices. It shall be the duty of the poundkeeper receiving such an order, as prescribed in section seven, to return the same within twenty days from its date to the court issuing the same, with an indorsement showing when and how the same was executed.

Sec. 9. The poundkeeper shall daily give notice in the official paper of said city of such dogs as shall be received by him, giving the breed, color and sex of the same, with the date and place when the same will be disposed of as herein provided. All dogs shall be kept by such poundkeeper with proper food and water two days after the publication of said notice, during which time any dog may be redeemed by its owner upon the payment of the expense of such publication, the expense of impounding and keeping of such dog, and the further payment to the city clerk of one dollar for registration fee and tag, where such dog shall not be registered, and all dogs not redeemed within two days after the publication of the above mentioned notice, the poundkeeper is hereby authorized to sell or cause to be killed.

Sec. 10. At any time before the sale of any cattle, fowl or dog impounded, the owner or owners thereof may redeem the same by paying to the poundkeeper the impounding fee and cost of sustenance, as provided herein, and procuring the registration of any dog impounded, and in case proceedings shall have been instituted before a judicial officer, the cost of such proceeding and the amount of the judgment recovered, together with subsequently accrued costs of sustenance.

Sec. 11. When the proceeds of the sale of any cattle, fowl or dog shall exceed the amount of judgment and costs, and the expense of sustenance which shall have accrued subsequently to the rendition of the judgment, such excess shall be paid to the city treasurer, and the owner or owners of such cattle, fowl or dog shall be entitled to a warrant on the city treasurer for such excess, upon presenting to the city attorney satisfactory evidence of his right thereto. If such excess shall not be claimed within a year

after the same shall be deposited, the person otherwise entitled thereto shall forfeit all claim thereto.

Sec. 12. The Humane Society of Rochester, for the prevention of cruelty to animals is hereby empowered and authorized to carry out the provisions of this ordinance, and said society shall be entitled to and shall receive all impounding fees and costs of sustenance allowed by this ordinance, and also all fines and penalties imposed thereunder in proceedings instituted or prosecuted by said society upon the express condition, however, that the city shall not be liable for any expense, cost or compensation connected with carrying out any of the provisions of this ordinance.

Sec. 13. This ordinance shall take effect immediately.

Ordered received, filed and published, and upon motion of Ald. Dewey, action thereon was postponed two weeks.

By Ald. Lewis—Petition of Caroline Wittman for permission to construct a wooden building on Bay street. Referred to Wood Building Committee and Fire Marshal, with power to act.

By Ald. Lewis—Resolved, That the Executive Board be, and it is hereby requested to require of the contractors who constructed the asphalt pavement on Grand avenue, the immediate repairs of said pavement wherever necessary. Adopted.

By Ald. Lewis—

To the Honorable, the Common Council:

Gentlemen: The petition of the undersigned property owners on Council avenue, a street extending from North avenue to Miller street, in the eighteenth ward, respectfully shows: That the undersigned are all of the property owners having property upon said Council avenue. That recently a sewer was constructed in said avenue, under a final ordinance adopted by this council; that the contract for the construction of such sewer was duly let to Charles W. Hartung, who proceeded with the construction and completion of said sewer. That the said sewer is an ordinary pipe sewer, laid sufficiently low to drain the cellars of the ordinary dwelling houses on said street. That during the construction of said sewer, Mr. Hartung asked the undersigned petitioners whether they wanted the laterals put in for their respective pieces of property, and as independent to secure the construction of such laterals, he agreed with the undersigned to do the work and furnish the pipes necessary for their construction for the uniform price of \$5 each.

That he was authorized in some instances by property owners to lay said laterals, and in some instances laid them without authority. That upon the completion of the contract he put in a claim to the Executive Board for the sum of \$10 each for such laterals. That your petitioners show that the price of \$10 is excessive, and more than such work was reasonably and fairly worth. That at a conference of the property owners with the Executive Board and the said contractor, it was practically admitted by Mr. Hartung that in some instances he had no authority for the laying of such laterals, but claimed that the work was done by him in good faith and that he should be paid therefor.

The Executive Board, after the conference, recommended to the property owners that Mr. Hartung be paid \$7.50 for each lateral so laid. Your petitioners regard this price as excessive, and as more than should be assessed to them for the work of laying such lateral. They therefore ask that the matter be referred to a proper committee for investigation, and that the payment of the final estimate for the con-

struction of such sewer be delayed until such time as the petition of the undersigned shall have been duly considered by such committee.

All of which is respectfully submitted,

JOHN G. HOFFERBERT,
FRANK FRITZSCHE,
C. T. WEILHAMA,
MRS. E. MARKARD,

Ordered received filed and published, and upon motion of Ald. Lewis referred to Finance Committee.

Ald. Lewis stated to the Board that Sol Wile Esq., desired to be heard concerning the assessment for East Main street railroad bridge, and moved that the privilege be granted him. Carried.

COMMUNICATIONS TO THE BOARD FROM THE MAYOR AND OTHER EXECUTIVE OFFICERS OF THE CORPORATION AND THEIR REFERENCE.

By the Clerk—

MAYOR'S OFFICE,
ROCHESTER, N. Y., Oct. 30, 1894.

To the Honorable, the Common Council of the City of Rochester:

Gentlemen: I desire to call your attention to a matter which ought, in justice, to have received consideration before now, viz: the menace to the lives of our citizens by the existence of unprotected grade crossings of two principal railways on what has come to be an important thoroughfare, Elmwood avenue.

While Rochester is known far and wide for her system of elevated tracks, a system which was procured only after long negotiations, following earnest public agitation, and though she is in the main better protected in this regard than any of her sister cities possessing like railway facilities, there still remains a large number of crossings at grade which are dangerous in the extreme.

Most of these, to be sure, are on streets in the outlying districts, which have become a part of the city since the main system of tracks passing through the corporation was elevated. In response to demands made by your body from time to time, the various companies owning the lines have furnished a fair protection at very many of these crossings. Until within a recent date, it is only fair to state, most of the fatalities on the railways, within the city limits, have been due to the carelessness of the victims, who were trespassers upon the property of the corporations when the accidents occurred.

While neither your honorable body, nor the railway companies, can be censured for such accidents, you, as representatives of the people standing between them and the corporations operating railway lines within the city, would be held accountable, if, through any negligence on your part, fatalities should result.

The recent accidents within our city, by which two persons were killed at East Rochester, while another one, a child, lost its life at Lincoln park, as well as the other one a few miles beyond the city limits in the town of Henrietta, resulting in the death of two children, can not have been forgotten by you. Certainly the lessons they teach can not have been lost upon the public nor your honorable body. The still more recent accident in the neighboring city of Buffalo, by which three members of the family of one of that city's most prominent business men were crushed to death, the accident being due to a lack of protection at a grade crossing, should have the effect of stirring your body to action, that all defects in the matter of protection may be removed before Rochester is called upon to witness a like calamity.

I need only remind you that Elmwood avenue forms one of the main approaches to Genesee Valley Park, to impress upon your minds how much danger lies in the unprotected crossings of the Lehigh and Erie roads, at a point near together and only a short distance from the entrance to the park proper. Within the past three years Genesee Valley Park has come to be one of the city's most popular resorts, and the drive to and from this great recreation ground is one of the most pleasant as well as one of the best patronized thoroughfares in the city. Every year means an increase in its popularity and patronage, and consequently an increase in the danger, if it is to remain entirely unprotected, as at present. It would be desirable, of course, to do away with the grade crossings entirely, but I recognize that that is hardly possible at present. The best substitute for a crossing either above or below

grade is to have the tracks provided with gates, which shall be operated by thoroughly competent watchmen, who shall be on duty at all hours when there is a possibility of traffic.

I would therefore suggest to your honorable body that you take such action as will be needed to compel the railway companies named to furnish the protection at the crossings I have suggested.

Very respectfully,
 GEORGE W. ALDRIDGE, Mayor.

Ordered received, filed and published, and upon motion of Ald. Green referred to Railroad Committee.

By the Clerk—

ROCHESTER, Oct. 30, 1894.

ROCHESTER PARK COMMISSION, }
 TUESDAY, Oct. 30, 1894. }

To the Common Council:

Gentlemen:—At the regular meeting of the Park Commission, held Monday, October 29, 1894, the following resolution was adopted:

Resolved, That the Secretary be instructed to ask the Common Council to endorse the action of the Park Commission in naming the new parkway from Lake avenue west to the New York Central and Hudson River Railroad property, Seneca parkway, in place of the old name Lake Avenue Park.

Adopted.

I am informed by the City Attorney that the Park Commissioners have the right, when they take any existing street for boulevard or parkway purposes, under the Boulevard act, to re-name the street, and therefore respectfully ask the action of the Park Commissioners be endorsed.

Hereby certify that the resolution contained herein is a correct copy from the minutes of the Park Commissioners.

Respectfully submitted,
 ARTHUR R. SELDEN, Secretary.

Ordered received, filed and published.

By Ald. Ashton—Resolved, That the name of the street called Lake Avenue Park be changed to Seneca Parkway, as requested by the Park Commission.

Adopted by the following vote:

Ayes—Alds. Tracy, McMillan, Green, Rauber, Adams, Edelman, Fox, Powell, Ashton, Ward Dewey, Cook, Pauckner, Aikenhead, Simmelink, Lewis, Harris, Decker—18.

By Ald. Lewis—
To the Honorable, the Common Council of the
City of Rochester:

Gentlemen:—In the matter of enlarging the area of assessment for the East Main street bridge improvement which was referred to me for my opinion, I beg leave to say that the city charter provides that when the ordinances for an improvement are adopted, they shall specify, among other things, the territory to be assessed for the improvement, and whether or not any portion of the expense is to be paid out of the public treasury. The ordinance for the improvement in question has long since been adopted and it provides that the expense thereof should be paid entirely by local assessment upon the territory described in the ordinance. The improvement has been made and the expense has been reported to the common council. An order of assessment has been made and an assessment levied in accordance therewith.

Whether or not the area of assessment can now be enlarged must be determined by an examination of the provisions of the city charter. It is a well known principal of construction that a municipal corporation can exercise no powers not conferred upon it by the act under which it was constituted, or such as are necessary to the exercise of its corporate powers, or the performance of its corporate duties, or the accomplishment of the purpose of its association. The charter is silent upon the question of enlarging the area of assessment after an improvement has been made as proposed in this case and no such authority can be inferred from any language found there.

I am therefore of the opinion that the territory to be assessed for the improvement in question cannot be enlarged, and a valid assessment levied upon such added territory.

Respectfully submitted,

A. J. RODENBECK,
City Attorney.

ACTION UPON ORDINANCES.

FIRST ORDINANCES.

BERNARD STREET PIPE SEWER.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Bernard street.

Adopted.

The Surveyor submitted as such estimate \$3,100.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The construction of a vitrified pipe sewer of suitable form and dimensions in Bernard street, from the sewer in Thomas street to the sewer in Hudson avenue. Also the necessary manholes, surface sewers, lot laterals and branches.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$3,100, which being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Bernard street, from Thomas street to Hudson avenue.

Adopted.

GLENWOOD PARK PLANK WALK.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on Glenwood park.

Adopted.

The Surveyor submitted as such estimate \$550.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The construction of a pine plank walk 4 feet 8 inches wide on each side of Glenwood park, from Thrush street to Oriole street, except where good plank or cement walks now exist, which walks shall be relaid if not conforming to the proper grade and alignment. Also the necessary sidewalk grading and crosswalks.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$550, which being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Glenwood park, from Thrush street to Oriole street.

Adopted.

HAWLEY STREET PLANK WALK.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a plank walk on Hawley street.

Adopted.

The Surveyor submitted as such estimate \$195.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The construction of a pine plank walk 4 feet 8 inches wide on the south side of Hawley street, from Jefferson avenue to Reynolds street. Also the necessary sidewalk grading, and crosswalks.

And, the City Surveyor, under the directions of this Council, having made an estimate of the whole expense thereof, and reported the same at \$195, which being deemed reasonable, is hereby approved.

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on the south side of Hawley street, from Jefferson avenue to Reynolds street.

Adopted.

FREDERICK PARK PIPE SEWER.

By Ald. Edelman—Resolved, That the City Surveyor ascertain and report to this Council the expense of constructing a sewer in Frederick Park.

Adopted.

The Surveyor submitted as such estimate \$1,000.

By Ald. Edelman—Resolved, That the following improvement is necessary and should be made, viz.:

The construction of a vitrified pipe sewer, 15 inches in diameter in Frederick Park, from a point opposite the center of lot No. 20 of the Fredericks subdivision, situated on the north side of Frederick park, to the sewer in Hudson avenue. Also the necessary manholes, surface sewers, lot laterals, and branches.

And, the City Surveyor, under the directions of this Council, having made an esti-

mate of the whole expense thereof, and reported the same at \$1,000, which being deemed reasonable, is hereby approved,

Resolved, further, that the whole expense of such improvement is hereby directed to be assessed upon all of the following portion and part of the city, which this Council deems proper to be so assessed for and will be benefited by such improvement, to wit:

One tier of lots and parcels of land on each side of Frederick park, from the west line of lot No. 20 of the Frederick subdivision to Hudson avenue.

Adopted.
By Ald. Ward—Resolved, That all persons interested in the subject matter of any and all improvements contemplated to be made in or by any order, ordinance or resolution adopted, or passed or amended at his or any subsequent meeting, and the expense whereof in whole or in part is contemplated to be paid by a local assessment, are hereby directed to attend the Common Council at the next regular meeting after the passage or adoption of any such resolution, order or ordinance, or amendment thereto, unless otherwise specially provided in an order, resolution or ordinance, at 7:30 P. M., at the Common Council chamber, when allegations relative thereto will be heard, and that the City Clerk be, and he is hereby directed to publish daily for four days in the Democrat and Chronicle and the Rochester Post Express notice thereof as is required and in the manner specified by section 172 of the city charter.

CITY CLERK'S OFFICE,
ROCHESTER, N. Y., Oct. 30, 1894. }

Gentlemen:—Agreeably to your directions heretofore given, in reference to contemplated improvements, to be paid in whole or in part by a local assessment, I caused to be published daily for four secular days in the Democrat and Chronicle and the Rochester Post Express, two daily newspapers, printed and published in the city of Rochester, N. Y., notices of said improvements contemplated to be made in or by any order, resolution or ordinance or an amendment thereto, passed or adopted by your honorable body at its last regular and adjourned meetings, which notices respectively specified said improvements, the estimated expense thereof, the amount, if any, to be paid from the public treasury, and the portion or part of the city to be assessed for the rest of the expense, and required all persons interested in the subject matter of such improvements respectively, to attend the Common Council on Tuesday evening, October 30, 1894, at 7:30 o'clock P. M., at the Common Council Chamber, when allegations would be heard in reference to such improvement.

Respectfully,

HENRY W. GREGG, City Clerk.

Final Ordinance for Bernard street pipe sewer came up and upon motion of Ald. Simmelink, action thereon was indefinitely postponed.

Final Ordinance for Brown street pipe sewer comes up, and after hearing allegations thereon, upon motion of Ald. Decker action was postponed two weeks.

Final Ordinance for Plymouth Avenue cement walks came up and after hearing allegations thereon, upon motion of Ald. McMillan, action was postponed four weeks.

FINAL ORDINANCE, NO. 5,622.

PIPE SEWER IN, AND GRADING OF FLOUR CITY PARK.

On motion of Ald. Edelman, the Common Council proceeded to hear allegations in relation to the improvement described in the following ordinance, viz.:

An ordinance to construct a sewer in and

grade Flour City park, from the Boulevard to Lily street.

And after hearing such allegations from all persons appearing.

The Common Council of the city of Rochester, do ordain and determine that the following improvement is necessary and should be made, to wit:

The grading of Flour City park, for its full width, from the Boulevard to Lily street. Also the construction of a vitrified pipe sewer of suitable form and dimensions, from the center of Lily street to the center of the Boulevard, and an egg-shaped brick sewer 1 foot 10 inches by 2 feet 9 inches, from the center of the Boulevard to the present sewer in Flour City park.
