It is a condition of New York Education Law Article 140, Section 2720b, for any person, firm or corporation to prepare a drawing for a project which is to be used as a basis for any permit application, or for any other purpose, only after it has been approved by the State Education Department. This approval shall not constitute a warranty, and shall not be taken as an endorsement, recommendation or approval of the drawing or of the project. The State Education Department shall not be liable for any error or omission in the drawing or project, nor shall it be liable for any alteration or modification made to the drawing or project without the written consent of the State Education Department. The drawing and project shall be the property of the State Education Department, and shall remain its property forever.
